AGENDA FOR REGULAR SCHOOL BOARD MEETING

REGULAR SCHOOL BOARD MEETING CAN BE VIEWED VIA LIVE STREAM OVER THE INTERNET ON THE DISTRICT'S WEBSITE (www.browardschools.com).

Second Update 2/9/26 - Updated 2/6/26 - Supplemental 2/3/26

School Board meetings will be held with Board Members being physically present and via electronic communication. This advertised Regular School Board Meeting will be accessible virtually. **Public Written Agenda Comments - Members of the public may submit public written comments by selecting the eComments tab at the following District webpage: https://www.browardschools.com/Page/55263. Public Written Agenda Comments must be submitted no later than 1:00 p.m. the day before the published date of the School Board Meeting or Workshop. Anonymous comments will not be accepted; therefore, written comments must include the person's name, city of residence, and zip code. Written agenda comments may not exceed a maximum of twenty-two hundred and fifty (2250) characters.** Pursuant to School Board Policy 1020, the public may speak a total of twelve (12) minutes during any single meeting. Additionally, in the event a large group of individuals (ten (10) or more) sign-up to speak on any one agenda item, the Board Chair has the authority to adjust the time limit for each speaker to speak less than the three (3) minutes usually permitted or limit the overall time speakers will be heard on that item.

Free guest parking is available at the southeast 3rd Avenue parking lot on all School Board meeting dates.

***H-1. Appointments, Leaves and Separations of Employment (Approved)**
Approved the appointments, leaves, and separations of employment. District-wide.

H-2. Employee Corrective Actions/Probationary Release
(Approved as Amended)
Motion was made by Dr. Zerman, seconded by Mrs. Hixon, to approve employee discipline and corrective actions. District-wide. **This Motion was superseded by a Motion to Amend (page 3).**
Ms. Thompson voted no. (8-1 vote)

The Chair received public comments.

Board discussion included clarification on a three-day suspension for failure to supervise students; review of cases involving repeated attendance and conduct issues; consideration of a ten-day suspension following a sustained investigation for inappropriate conduct; and inquiries regarding consistency of discipline and whether lesser corrective action could be considered in supervision cases.

Motion to Amend (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Holness and carried, to change the discipline for Mrs. Seilarine Samuels-Pink to a written reprimand.
Ms. Thompson voted no. (8-1 vote)

The Chair received public comments.

Staff provided a summary of the investigation regarding
Mrs. Seilarine Samuels-Pink's incident.

A vote was taken on the Motion to Amend.

Board discussion included, but was not limited to, clarification of the Board's authority to approve, modify, or reject recommended discipline while preserving employee due-process rights; consideration of process improvements to ensure consistency across the District; and review of cases inquiring whether three-day suspensions were proportionate given the facts, lack of prior discipline, and brief supervision lapses.

Motion to Amend (No Vote Taken)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to change the three-day suspension to a one-day suspension for Michelle Benner.

The Chair received public comments.

Comments were made pertaining to whether disciplinary decisions appropriately considered context and mitigating factors; concern that a three-day suspension may not have been proportionate given the absence of prior history; and indication that an alternative or substitute disciplinary action should be considered.

Substitute Motion (Carried)
Motion was made by Dr. Holness, seconded by Dr. Zeman and carried, to reduce the discipline to a written reprimand for Michelle Benner. The employee have some training to understand the importance of ensuring kids are safe regardless of who you tell to watch them.
Ms. Thompson voted no. (8-1 vote)

The Chair received public comments.

Brief comments were made regarding clarification that training would focus on supervision protocols and classroom procedures; confirmation that documentation could verify training completion; acceptance of a friendly amendment; acknowledgment that laws address student supervision; and concerned about the precedent that approving the item could set.

A vote was taken on the Substitute Motion (page 3).

Board discussion included, but was not limited to, aligning discipline more closely with offenses; allowing flexibility for unintentional errors; affirming the Board's authority to amend discipline; and supporting continued process improvements.

A vote was taken on this item as amended.

School Board Report
12.16.25

We are pleased to report that as we close the year out, we have several new and reinstated PTAs. We continue to get inquiries and requests for information about starting PTAs in schools without a parent group to enhance student achievement and support the school.

Our new or reinstated PTAs are Oakridge Elementary, Coconut Palm Elementary, The Quest Center, Village Elementary and Northeast High.

Congratulations to Central Park Elementary, Lakeside Elementary, Sea Castle Elementary, Wilton Manors Elementary and Apollo Middle for receiving grants from National PTA to implement specific programs.

We participated in the BCPS showcase and several parents as well as school administrators stopped by to pick up information on PTA. We thank you for including us in this event. It was wonderful to see all our schools on display and the enthusiasm they have for educating our students.

The BCCPTA Legislative Committee will be meeting over the holidays to consolidate our priorities and prepare for the 2026 Legislative Session.

We wish you all Happy Holidays. See you in January.

Submitted At: 12:28am 12-15-25

My name is Kelly Meo. I have been a Kindergarten teacher in Broward County Schools for 30 years. I would like to oppose the excessive testing required by the district. Kindergarten students are expected to take 59 tests online. This includes logging in using a 10 digit student number and password. Each test has different processes to maneuver to complete them. For example, Benchmark Advance unit test is a split screen, a story on one side and questions on the other. Students must scroll up and down to see all of the answer choices,story, and illustrations. There are buttons on the top of the screen to click to hear the story read, and another to hear the questions read. It often takes multiple clicks to mark their answers because they must click the bubble exactly correct.
This is one example of one type of test. All of these tests have their own processes required to complete, each different. Some are in excess of 30 questions.
Couple this with glitches in both the programming and the computers themselves, the students short attention spans, this leads to many of them clicking answers just to finish. ALL of it takes away valuable instructional time. While some testing is necessary to show growth and drive instruction, this construct doesn't provide an accurate account of students' learning

Research also shows that children at this age learn through play, conversations, exploration, and intentional experiences.
I would ask that testing be reduced. Our students deserve an education that is developmentally appropriate and filled with authentic learning opportunities.

After the incredibly insightful material presented by the North Area Advisory, I began looking for related items on

social media. The following post was about the issue of over testing and I sent you additional information via email. The author posted a series of statements to which many responded:
“Japan removed standardized tests for young kids to reduce stress, pressure & comparison.
Everyone expected grades to drop...But something unexpected happened: Children became more curious, more confident, and far more willing to learn.

Teachers reported:
__Higher creativity
__Better problem-solving
__More teamwork
__Less fear of making mistakes

Parents noticed their kids were:
__Sleeping better
__Less anxious
__More excited for school
__More emotionally stable

Researchers found that removing early exams allowed children to develop intrinsic motivation - learning because they want to, not because they're scared to fail.
When pressure drops, the brain learns faster. Confidence rises. And children become their real selves again.
If kids feel safe, they grow smarter.
If kids feel pressured, they shut down.
Choose the system that protects their childhood.”

Although we were talking about elementary school students, testing is a problem for every grade level in Broward Schools.
In this country and from this School Board I’ve heard of the concern about increasing suicidal ideation in teens, especially in girls. Are the incredible amounts of testing leading to tragic results? It has happened in other countries like China and Japan.
Let’s start with Elementary levels and give back teachers the ability to be decision makers in their classrooms. If you look at Florida state law, you will see that the only requirement is that the Board provide the STATE tests to students IN CERTAIN GRADES. This means that all of the other tests are being prescribed by the Superintendent and upper level administrators, not the State. This incessant data collection may be profitable for testing companies, but it is not good for students or for teachers.
As a School Board, isn’t that who you’re charged to protect from harm?

I am registering in support because I believe the district has a clear opportunity to strengthen legal compliance and protect student access to educational materials. The recent federal ruling in Penguin Random House v. Gibson narrowed the definition of what can legally be removed from school libraries and confirmed that districts must evaluate materials under Florida’s “harmful to minors” standard as a whole, not by isolated passages.

Because Broward removed 55 titles before this decision, our current practice is now out of alignment with the updated legal standard. Updating our procedures will reduce litigation risk, improve transparency for families, and ensure that we are applying the law consistently and fairly.

I look forward to speaking at the meeting and offering a policy framework that is low-cost, operationally realistic, and aligned with constitutional requirements. Thank you for the opportunity to participate.

I am in opposition to the amount of testing which is being required by the district. My name is Jordanna Egan, and I am in my 19th year as an educator in BCPS. I also serve as a cooperating teacher for student interns from

multiple universities. Our current testing demands are not sustainable, not developmentally appropriate, and not aligned with what we know about how children learn.

This is not “progress monitoring.” This is instructional theft.

Kindergarteners—five-year-olds—are required to take 59 tests. Research is clear: young children learn through play, exploration, movement, and conversation, not by sitting at computers clicking bubbles. Leading child-development organizations warn that excessive academic pressure elevates cortisol, increases anxiety, and reduces intrinsic motivation. We are not building confident learners; we are creating children who associate school with stress.

Teachers want meaningful data, but the data we’re getting—especially through Performance Matters—is unreliable. Glitches, inconsistent scoring, and errors requiring retesting or manual corrections steal instructional time. Across a year, these interruptions add up to months of lost teaching.

The results of this over-testing culture are visible:
• Children overwhelmed
• Teachers exhausted and leaving
• Families frustrated
• Enrollment declining

As someone who trains future teachers, it is heartbreaking that the message they receive is that teaching is now about collecting data points. That is not why they entered this profession.

Our students deserve classrooms where curiosity is encouraged, not interrupted for yet another assessment. They deserve teachers who have time to plan and teach. They deserve an educational experience grounded in sound developmental practice, mental well-being, and authentic learning opportunities.

I am asking you to reduce the testing load immediately and meaningfully. Return instructional time to our classrooms. Prioritize children’s mental health over excessive metrics. Allow teachers to teach. Our students are human beings, not data points, and they deserve an actual education—not an endless series of tests.

In support of the below comment. This week has been hard in our home- my daughter, hardest worker you will ever meet, and sweet as pie, struggles academicall (I.E.P. in math). She works 10x even, 20x harder and sometimes it does hit the mark (ended 3rd grade level 3) and sometimes not so much. This week PM2, she had a high 2 in reading (but down 2 pts from pm1) and a mid range level 1, 2pts higher than pm1. She isn't supported enough in the class, no small grp instruction for reading, in math yes because of the i.e.p. but not so much in reading. So we pay for a private tutor weekly, we try our best to support her, but we can only do so much. But in the end, this past week her emotions have been heavy- tears, sadness why because "if you get a one, you aren't even trying, you don't care", "if you don't have a level 3 you don't get the reward". Now we are trying to convince her that those words that were said are not her. Because she tries, but for some reason this year it isn't working. You teach her, you teach her well she will thrive. But if you teach, yet when they get F's you dont' reteach or explain, then yes it is obvious they will continue to not excel. As a teacher myself, I teach a subject that is tested, 1 test at the end of the year. Yes I teach units, yes I check for mastery along the way, but thankfully I don't have 11 district test to ALSO give. There needs to be a compromise of reduced testing, and better support for struggling learners in our schools.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

January 6, 2025
Tuesday, 10:00 a.m.

MINUTES OF SPECIAL MEETING

The School Board of Broward County, Florida, met in special session at 10:01 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair (telephonically); Lori Alhadeff; Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; Maya Moore, Assistant General Counsel; and Kathelyn Jacques-Adams, Interim General Counsel.

Call to Order The Chair called the meeting to order and led the Pledge of Allegiance to the Flag of the United States of America.

Mrs. Hixon was appointed to serve as Vice Chair for the meeting.

Superintendent Hepburn addressed the Board and emphasized accountability and transparency to the citizens of Broward County and the Board; directed Human Resources to initiate a formal investigation related to the Request for Qualifications (RFQ 26-059), with certain executive staff reassigned; acknowledged operational challenges and errors; outlined five district priorities for operational discipline; recommended limiting referendum supplements to Pay Band 'D' and below; and reaffirmed the District's commitment to student success and responsible stewardship.

Added/Changed Items The Superintendent released a revised agenda with certain changes for this meeting and published it on the school District's website on January 2, 2026, and January 6, 2026:

Additional Information: Item 2
Withdrawn: Item 5

The Chair finds pursuant to Section 120.525, Florida Statues, that good cause exists for such changes and accepts the revised agenda.

Close Agenda Upon motion by Dr. Zeman, seconded by Ms. Thompson and carried, the Agenda was approved and declared closed. (9-0 vote)

Purpose of Meeting For The School Board of Broward County, Florida to conduct official business of the District, and any other items the Board deems necessary.

Superintendent's Recommendation(s)

1. **Correct Referendum Supplements for 12-month Administrative Employees**
   (Approved as Amended)

   Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to correct referendum supplements for 12-month administrative employees above band D. (Leonardi)
   Dr. Allen Zeman (District 8, At Large), Debra Hixon (District 9, At Large), and Nora Rupert (District 7) are co-sponsors of this agenda item. **This Motion was superseded by Motions to Amend (pages 2 & 3)**. (9-0 vote)

   The Chair received public comments.

   Comments were made emphasizing the importance of the referendum, maintaining voter trust, accountability and transparency, and the rationale for limiting supplements to Pay Band D and below.

   Motion to Amend (No Vote Taken)
   Motion was made by Mrs. Leonardi, seconded by Dr. Zeman, I move to direct the Superintendent to investigate the circumstances under which an item was presented contrary to Board direction in it, to implement corrective measures, ensuring that Board directives are not overridden by staff in the future.

   The Chair received public comments.

   Substitute Motion (Carried)
   Motion was made by Mrs. Hixon, seconded by Mrs. Rupert and carried, I move to direct the Chief Auditor and to refer the matter to the Broward Office of the Inspector General (OIG) to investigate the circumstances under which an item was presented contrary to Board direction and recommend corrective measures to the Board. (9-0 vote)

   The Chair received public comments.

   The Board had a robust discussion that included, but was not limited to, clarification that the motion applied to the Broward Inspector General; support for directing the Chief Auditor to investigate matters presented; concerns about duplicative investigations and timing; acceptance of amendments to refine the motion and reporting expectations and having the investigation come back within three weeks.

   A vote was taken on the Substitute Motion.

   Comments were made inquiring when Board direct reports became eligible for and began receiving referendum supplements; sought clarification from Human Resources and Legal Counsel regarding contract language and eligibility tied to Pay Band D; discussed whether supplements were paid prior to the July 2024 Board action; and explored procedural options and legal considerations for reverting referendum supplements to Pay Band D and below.

   Motion to Amend (Carried)
   Motion was made by Mrs. Leonardi, seconded by Dr. Zeman and carried, I move to end the referendum supplement for Educational Support Management Association of Broward (ESMAB) above Pay Band D to revert back to the language of 2023, so the ESMAB Pay Band D and below should only be receiving the referendum supplement. (9-0 vote)

The Chair received public comments.

A vote was taken on the Motion to Amend (page 2).

Second Motion to Amend (Carried)
Motion was made by Mrs. Leonardi, seconded by Mrs. Rupert and carried, I move to direct the General Counsel and the Chief Auditor to bring back all negotiated contracts with employees that are aligned with Pay Band D and above to bring back so that those employees do not receive a referendum supplement. (9-0 vote)

The Chair received public comments.

Board discussion included review of the voter-approved referendum ballot language; questions regarding contractual obligations and potential reallocation to teachers; clarification of the Board's authority to reallocate funds consistent with referendum language; and acknowledgement that final amounts would be determined following financial analysis and fund balance closeout.

A vote was taken on the Second Motion to Amend.

A brief comment was made to the impacted employees; emphasized shared sacrifice; and reaffirmed the priority of directing funds to those who worked directly with students.

Motion (Withdrawn)
Motion was made Mrs. Hixon, seconded by Mrs. Leonardi, to bring back the referendum pay scale, so that we can look instead of doing percentages doing fixed rates.

Discussion continued regarding scheduling constraints and time allocation; recognition that the matter would require negotiation and closed-session discussion; agreement to address the item in a future Closed-Door Session; and the motion was withdrawn.

A vote was taken on this item as amended.

Superintendent Hepburn expressed support for directing referendum dollars to frontline, student-facing employees; emphasized the importance of the audit review; and noted anticipation of closed-door and future public discussions regarding potential restructuring of referendum funds to ensure alignment with voter intent.

2. General Counsel Agreement (Approved as Amended)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the Employment Agreement for General Counsel between The School Board of Broward County, Florida and Kathy Dupuy-Bruno. **This Motion was superseded by Motions to Amend (pages 4 & 5).** (9-0 vote)

The Chair received public comments.

The Chair outlined the negotiation process, including initial requests for increased compensation, remote work, full benefits, and attorney fees; the District's counteroffers and adjustments to salary and benefits; concessions made by both parties; and the rationale for maintaining a final salary offer of $260,000, which reflected experience, growth potential, and consistency with prior Board positions.

Sara Lis, Esq., attorney to Kathy Dupuy-Bruno, highlighted Mrs. Dupuy-Bruno's qualifications and leadership experience; addressed market considerations; noted concessions on salary and severance; and referenced contract provisions for prior service credit and relocation reimbursement consistent with Board policy.

Motion to Amend (Carried)
Motion was made by Mrs. Hixon, seconded by Mrs. Leonardi and carried, to revise the language in Section 7. Compensation, A. Salary, to read as follows:

> …During each year of the term of this Agreement, the GENERAL COUNSEL's compensation shall be increased by the percentage of salary increase or other compensation increases provided to other 12-month administrative employees of the BOARD in salary band 'E' or above, or within the equivalent salary range amount thereof excluding referendum supplements. (9-0 vote)

The Chair received public comments.

Comments were made concerning the proposed start date and salary; discussed revisions to exclude referendum supplements from the contract while preserving standard administrative increases; and considered amendments to ensure clarity and consistency with Board direction.

A vote was taken on the Motion to Amend.

Board discussion included, but was not limited to, negotiation rationale for the proposed salary and benefits; concerns regarding compensation comparisons, start date, and evaluation language; clarification of contract provisions; support for the negotiated agreement; and requests for further review of indemnification and performance evaluation terms.

Motion to Amend (No Vote Taken)
Motion was made by Mr. Cervera, seconded by Ms. Thompson, I would move that paragraph 11, Indemnification provision, include a carve out specifically excluding acts of gross negligence and or willful misconduct.

The Chair received public comments.

The meeting recessed for a brief caucus.

Substitute Motion (Carried)
Motion was made by Mrs. Leonardi, seconded by Ms. Thompson and carried, to add language at the end of Section 11. Indemnification, to read as follows:

> … the scope of her employment to the full extent provided for by law. Notwithstanding the foregoing, the Board shall not be obligated to indemnify DUPUY-BRUNO for any claims, losses, or damages that are solely and directly caused by DUPUY-BRUNO's gross negligence or willful misconduct in accordance with Florida Statute Sections 1012.26 and 111.07. (9-0 vote)

A vote was taken on the Substitute Motion.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Alhadeff, seconded by Ms. Thompson, referring to page 7, to add language in Section 6., Moving and Transition Expenses, to read as follows:
Relocation or moving expenses not to exceed $15,000 be subject to repayment, if the employee voluntarily separates or is terminated for cause within one year of the start date with repayment terms clearly defined in the employment contract.

The Chair received public comments.

Board discussion included, but was not limited to, distinctions between voluntary separation and termination for cause; and differing views on applying new standards versus past practice.

The meeting recessed for a brief caucus.

Board discussion included a comparison of healthcare and fringe benefit costs between the prior General Counsel and Mrs. Dupuy-Bruno; clarification of severance differences; support for a six-month provision aligned with severance terms; and general support for finalizing the contract and moving forward.

Second Substitute Motion (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Zeman and carried, referring to page 7, to add language in Section 6. Moving and Transition Expenses, to read as follows:
Relocation or moving expenses not to exceed $15,000 be subject to repayment, if the employee voluntarily separates or is terminated for cause within six months of the start date with repayment terms clearly defined in the employment contract.
Mrs. Alhadeff voted no. (8-1 vote)

The Chair received public comments.

Board discussion included, but was not limited to, support for a six-month provision; confirmation of cost savings compared to the prior General Counsel; and agreement on consistency for future hires.

A vote was taken on the Second Substitute Motion.

A vote was taken on this item as amended.

Mrs. Dupuy-Bruno addressed the Board, expressed appreciation and enthusiasm for joining the District, affirmed her commitment to supporting the Board and students; and acknowledged the interim General Counsel.

The Chair acknowledged Mr. Walter Harvey for his continued service and support to the Board through numerous matters, and expressed appreciation for his commitment.

3. Employment Agreement - Interim General Counsel (Approved as Amended)
Motion was made by Ms. Thompson, seconded by Dr. Zeman to approve the Employment Agreement for Interim General Counsel between The School Board of Broward County, Florida and Kathelyn Jacques-Adams. District-wide. **This Motion was superseded by a Motion to Amend (page 6).** (9-0 vote)

(Following a brief recess, the Special School Board Meeting commenced with Agenda Item 3.)

The Chair received public comments.

The Board held a brief discussion confirming salary was not aligned within Pay Band D; and agreed to add statutory indemnification provisions consistent with the General Counsel's contract.

Motion to Amend (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Zeman and carried, to add language to section 5.3 Indemnification to read as follows:

> SBBC shall defend, save harmless, and indemnify the Interim General Counsel against any legal action arising directly or indirectly out of her services as Interim General Counsel to the extent permitted by Florida Statutes including sections 1012.26 and 111.07 Florida Statutes, and in a manner consistent with the treatment afforded to other officers and employees of SBBC. (9-0 vote)

A vote was taken on the Motion to Amend.

Brief comments were made pertaining to clarification of the interim General Counsel's supplemental compensation.

A vote was taken on this item as amended.

4. AGR26-157 - Emergency Program Manager Owner's Representative
(Postponed to 1/13/25, SSBM)

Motion was made by Mrs. Hixon, seconded by Ms. Thompson, to approve the Agreement for the following Vendor: AECOM Technical Services, Inc., and approve spending authority in the amount of $15,200,337.33. District-wide. **This Motion was superseded by a Motion to Postpone (page 7).** (9-0 vote)

The Chair received public comments.

The Board had a robust discussion that included, but was not limited to, concerns regarding minority and local business participation; contract percentages and Minority and Women Owned Business Enterprise (MWBE) and local firm utilization; accountability measures tied to project milestones and performance; emergency contracting limitations and continuity risks; legal constraints related to prime and subcontractor selection; procurement process improvements and future solicitation planning; options for interim project management; and the need for a Board workshop to establish direction, timelines, and potential contract extension flexibility.

Motion to Amend (Failed)
Motion was made by Mrs. Bulman, seconded by Dr. Zeman, I move that we add the option to extend the contract for six months, to two six-month options.
Mrs. Rupert was absent for the vote. Mrs. Alhadeff, Mr. Cervera, Mrs. Hixon, Mrs. Leonardi, Ms. Thompson, and Dr. Zeman voted no. (2-6 vote)

The Chair received public comments.

(Following an Attorney-Client Session, the Special School Board Meeting commenced with continuation on Agenda Item #4.)

Board discussion included, but was not limited to, opposition to adding contract extensions given the emergency nature of the item; clarification of the motion; differing views on the necessity of extensions; and support for continuity of services while a long-term procurement solution was developed.

A vote was taken on the Motion to Amend (page 6).

Board discussion included, but was not limited to, questions regarding the basis and scope of the emergency contract funding; expectations for project completion within the one-year term; accountability, enforcement, and performance monitoring mechanisms; the need for clear schedules, benchmarks, and regular Board updates; staffing capacity and internal oversight; MWBE and local participation levels; legal limits on directing subcontractor selection; consideration of penalties for failure to perform; and projections that approximately 80 projects could be substantially completed within the emergency contract period, subject to litigation and inspection constraints.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Hixon, seconded by Ms. Thompson, to add a final section to page 18 of the contract to read as follows:

> 3.30 **Project Completion Agreement**. AECOM agrees to complete 80 projects within the time limit of this contract, or they will be assessed a late fee.

The Chair received public comments.

Board discussion included, but was not limited to, the need for stronger accountability and transparency; clarification of the program manager's responsibilities and limitations; options for tracking project progress and timelines; and whether to proceed with the emergency contract or return it with enhanced performance measures.

Substitute Motion to Postpone (Carried)
Motion was made by Ms. Thompson, seconded by Mrs. Rupert and carried, to Postpose Agenda Item 4, AGR26-157 – Emergency Program Manager Owner's Representative to a Special School Board Meeting on January 13, 2026 at 3:30 p.m.; to include accountability measures, project deadlines, a complete list of every project that is needed to be done in order of how much is left (comprehensive information given to the Board). Also, direct the Superintendent to engage in Direct negotiations with other firms.
Dr. Holness and Dr. Zeman voted no. (7-2 vote)

The Chair received public comments.

The Board held a lengthy discussion which included, but was not limited to, support for postponing the item to incorporate clear accountability measures; concerns regarding repeated emergency requests without enforceable performance standards; proposals to align accountability with AECOM's defined scope under the RFQ, including valuation-based performance measures; discussion of managing contractors through documented escalation and reporting rather than responsibility for construction outcomes; and consensus that additional information, defined metrics, and scope-aligned accountability provisions were needed before approving the contract.

Motion to Extend (Carried)
Motion was made by Mrs. Leonardi, seconded by acclamation by the Board and carried, to extend the Special School Board Meeting until 7:00 p.m.
Dr. Zeman voted no. (8-1 vote)

A vote was taken on the Motion to Extend.

A vote was taken on the Motion to Postpone (page 7).

5. Initiate Rulemaking for Policy 1020 School Board Meetings and Rules of Order (Withdrawn)

Attorney Client Session(s) - Scheduled for 3:00 P.M.

The General Counsel's Office has requested an attorney-client session for this School Board meeting. The private session has been scheduled for 3:00 p.m. to discuss settlement negotiations and/or strategy relative to the following pending litigation:

Helping Advance and Nurture the Development of Youth, Inc. Vs. The School Board of Broward County, Case No.: Cace-25-018325, pending before the 17th Judicial Circuit in and for Broward County, Florida.

The following persons will attend this attorney -client session: School Board Members: Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Maura McCarthy Bulman; Adam Cervera, Esq.; Debra Hixon; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; Thomas C. Cooney, Esq.; Kathelyn Jacques-Adams, Esq.; and Marylin C. Batista, Esq., B.C.S.

Following Agenda Item 4, final Board discussion included, but was not limited to, direction to proceed with a Chief Auditor search; concerns regarding the timeliness of the Chief Operations Officer (COO) transition and interim assignments; and discussion of facilities planning timelines, including the master planner Request for Proposal (RFP). Superintendent Hepburn indicated that he would provide prompt responses to the Board's inquiries.

Adjournment This meeting was adjourned at 6:18 p.m.

My name is Dr. Trudy Jermanovich.

Again, I'm appalled that district staff has directed funds to the highest wage earners in this district. When the voters approved the Bond monies, teachers were to be the main beneficiaries of these funds so that they could have some hope of making ends meet with their insufficient base salary. SCHOOL BASED personnel and a few others were also to be included. Teachers received monies through the regular bargaining process and if there were funds left over, the money was again to be distributed to teachers through the bargaining agreement. When money is siphoned off and given to those making more than $100,000. per year, it is just not fair.

It is unthinkable that the district staff misinterpreted the will of the Board and allowed so many highly paid individuals to reap a windfall that was supposed to mainly go to teachers. I believe that the Board must do all it can to right this wrong, and that may mean some staff members need to be changed or terminated. This is not the only time that changes were kept from the Board and became the cause of wasted resources. I've been a part of the chaotic meetings held to modify policies which were often left until the last minute and then hurriedly passed by the Board. The fiasco with clear backpacks was not brought to the Board appropriately and caused the Board to look like they were not in control of upper level administrators. The constant postponement of the approval of a curriculum for Sex Education has decimated what used to be a comprehensive program. Staff stated that it didn't matter how late it was approved because that's when schools implemented the sex education curriculum. Middle and high school teachers said that was incorrect and they wished to implement the program earlier in the year, but were thwarted by upper level administrators.

These are only a few of the instances where upper level administrators were not following the will of the Board. I hope you can rectify this issue by correcting the referendum dollars. Unfortunately, the public will lose trust in the actions of the Board if you are not able to reign in some of these destructive behaviors.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

OFFICE OF THE SUPERINTENDENT

January 13, 2026
Tuesday, 3:30 p.m.

MINUTES OF SPECIAL MEETING

The School Board of Broward County, Florida, met in special session at 4:28 p.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathelyn Jacques-Adams, Interim General Counsel.

Call to Order The Chair called the meeting to order and led the Pledge Allegiance to the Flag of the United States of America.

Added/Changed Items The Superintendent released a revised agenda with certain changes for this meeting and published it on the school District's website on January 9, 2026 and January 12, 2026:

Revised: Item 2

The Chair finds pursuant to Section 120.525, Florida Statues, that good cause exists for such changes and accepts the revised agenda.

Close Agenda Upon motion by Dr. Zeman, seconded by Mrs. Hixon and carried, the Agenda was approved and declared closed. (9-0 vote)

Purpose of Meeting For The School Board of Broward County, Florida to conduct official business of the District, and any other items the Board deems necessary.

Superintendent's Recommendation(s)

1. **AGR26-157 - Emergency Program Manager Owner's Representative**
   Postponed from 1/6/26, SSBM **(Not Approved)**
   Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff to approve the Agreement for the following Vendor: AECOM Technical Services, Inc., and approve spending authority in the amount of $15,200,337.33. District-wide.
   Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (0-9 vote)

   The Chair received public comments.

   No discussion was held and a vote was taken on this item.

2. AGR26-157 - Emergency Program Manager Owner's Representative

(Approved as Amended)

Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff, to approve the Emergency Agreement for the following Vendor: AECOM Technical Services, Inc., and approve spending authority in the amount of $13,949,049.14. District-wide. **This Motion was superseded by Motions to Amend (Pages 2-4)**. (9-0 vote)

The Chair received public comments.

Superintendent Hepburn thanked the Board and the public for their oversight, noting that the Board's direction resulted in a more than $1.25 million reduction in the agreement and the inclusion of new accountability measures. He acknowledged the expedited efforts of the procurement, capital programs, legal, and construction teams, and emphasized that the emergency contract was temporary, with a new solicitation planned for February and anticipated Board action in June.

Comments were made requesting clarification of the accountability measures. Interim General Counsel clarified that the provisions constituted contractual performance remedies rather than penalties and confirmed that the agreement identified an external evaluator acting on behalf of the School Board to conduct the assessments.

Motion to Amend (Carried)
Motion was made by Mrs. Alhadeff, seconded by Dr. Zeman and carried, referring to page 2 of 22, revise the language in Section B (i), to read as follows:

i. An evaluation shall be conducted by ~~RSM US LLP~~ an external company selected by the School Board of Broward County (SBBC), ~~on behalf of the SBBC,~~ on a Monthly/Quarterly… (9-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, clarification of responsibility for contractor performance evaluations; concerns regarding potential conflicts if an audit firm evaluated work, it previously oversaw; clarification that Atkins' role was limited to cost and program controls and did not include key performance indicators (KPIs) oversight; requests to clearly define KPIs; and modification of the motion.

A vote was taken on the Motion to Amend.

Second Motion to Amend (Carried)
Motion was made by Mrs. Alhadeff, seconded by Dr, Zeman and carried, referring to Attachment "A" page 9 of 19, Section 1.9.3. to revise the language to read as follows:

1.9.3. ~~RSM US LLP~~ an external company selected by SBBC shall, on…
(9-0 vote)

A vote was taken on the Second Motion to Amend.

Board discussion included, but was not limited to, inquiries about proposal items not reflected in the contract; requests to define scope elements; and the need to include clear, measurable project completion benchmarks in the contract to ensure accountability.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Hixon, seconded by Dr. Zeman, to include the entire proposal as a piece of the contract.

The Chair received public comments.

It was noted that a material change to the contract would require negotiations with Architecture, Engineering, Construction, Operations, and Management (AECOM). Comments were raised about incorporating the proposal into Section 2.02; and staff confirmed the proposal was included as Attachment B, on page 20 of 22.

Substitute Motion (Failed)
Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff, I move to revise language on page 1 of 22, Section 2.02 to read as follows:

2.02 **Contract Documents and Priority of Documents**. The Contract Documents shall consist of this Agreement for provision of Program Manager and Attachment "B," AECOM's proposal…

Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no.
(0-9 vote)

The Chair received public comments.

Additional comments were made regarding the appropriate placement of language to ensure the proposal was formally incorporated into the contract.

A vote was taken on the Substitute Motion.

Substitute Motion (Carried)
Motion was made by Dr. Zeman, seconded by Mr. Cervera and carried, to add language to Section 2.03 Scope of Services, to read as follows:

2.03 **Scope of Services**.

A. PROGRAM MANAGER shall provide SBBC with Program Management Services as set forth in Attachment "A." and B." (9-0 vote)

A vote was taken on the Substitute Motion.

Motion (Failed)
Motion was made by Mrs. Hixon, seconded by Mrs. Rupert, to strike the language on page 10 of 22, Section 2.12, Travel., … that allows reimbursement for out of county travel. Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (1-8 vote)

The Chair received public comments.

Comments were made to clarify the District's current travel ban.

A vote was taken on the Motion.

Board discussion included concerns about high staffing and overhead costs; inquiries about staff transitions under the new contract; and the need to refine contract language.

Third Motion to Amend (Carried)
Motion was made by Mrs. Bulman, seconded by Dr. Zeman and carried, referring to page 2 of 22, Section 2.03 Scope of Services., B (i), revise the language to read as follows:

i. An evaluation shall be conducted by an external company selected by the School Board of Broward County (SBBC), on a Monthly~~/~~ and Quarterly basis~~, to measure,~~ using a combination of ~~objective~~ key performance ~~metrics (KPIs)~~ indicators and qualitative ~~evaluation~~ criteria to measure performance of the services set forth in Attachments "A" and "B."

Referring to page 2 of 22, Section 2.03 Scope of Services., B (ii), revise the language to read as follows:

ii. SBBC shall provide PROGRAM MANAGER with the results of the evaluations and specify such actions required for performance improvement under the Agreement ("Corrective Action~~s~~"). ~~to identify areas for improvement and shall be used as basis for continuous improvement.~~

Referring to page 2 of 22, Section 2.03 Scope of Services., B (iii), revise the language to read as follows:

iii. PROGRAM MANAGER shall implement ~~all~~ Corrective Actions within thirty (30) calendar days of receipt.

Referring to page 2 of 22, Section 2.03 Scope of Services., B (iv), revise the language to read as follows:

iv. PROGRAM MANAGER understands and agrees that if it fails to successfully implement ~~all~~ any Corrective Action~~s~~ within thirty (30) calendar days, ~~or fail to meet the KPIs,~~ SBBC shall have the right to deduct an amount equal to three percent 3% of the most recent invoice on a rolling basis from any amounts due ~~until the~~ to PROGRAM MANAGER until such time that PROGRAM MANAGER has fully implemented all outstanding Corrective Actions. ~~are fully implemented or KPIs brought back in line.~~ (9-0 vote)

The Chair received public comments.

A vote was taken on the Third Motion to Amend.

Motion to Amend (Withdrawn)
Motion was made by Mrs. Bulman, seconded by Ms. Thompson, referring to page 14 of 22, remove the language in Section 3.07, Annual Appropriation:

~~3.07 **Annual Appropriation**. The performance and obligations of SBBC under this Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other Party at the earliest possible time before such termination. No penalty shall be accrued to SBBC in the event this provision is exercised, and SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.~~

The Chair received public comments.

The attorney suggested to leave the language in the contract and the motion was withdrawn.

The Board acknowledged the efforts resulting in more than $1 million in savings.

A vote was taken on the item as amended.

Adjournment This meeting was adjourned at 5:55 p.m.

The Chair received public comments.

The Board had a lengthy, robust discussion that included, but was not limited to, the bid protest stay and public safety exception; Risk Management's concerns about loss of brokerage services after January 31, 2026 and risks to timely insurance renewals before May 15, 2026 and hurricane season; clarification of brokerage fee timing and protest timelines; and confirmation that without an override the District would retain coverage but lack of a broker, creating continuity and renewal risks.

Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to add the additional supplemental grounds that were spoken into the record by Mr. Henry, Director, Risk Management Department, be included in this item:

"Without approval of the new RFP, the District would no longer have access to the following critical services:

- FEMA recovery assistance to support disaster-related reimbursement and compliance.
- Reconstruction and cost appraisals (8–10 conducted annually) to ensure the District is aware of current rebuild costs in the event of a loss.
- Property and casualty loss prevention services to reduce risk and potential claims.
- Certificate of insurance tracking to verify that vendors' and contractors' insurance policies are current and compliant; without this oversight, the District could be liable for damages or losses.
- Ongoing monitoring of insurers' financial strength and AM Best ratings to confirm their ability to pay claims.
- Claims assistance and advocacy on behalf of the District in the event of a loss." (9-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, questions regarding whether an emergency or 180-day contract extension was permissible; confirmation that the Board had already exercised its right pursuant to 3.05 of the Arthur Gallagher contract to terminate for cause effective January 31, 2026; and an explanation that the item before the Board was the override of the existing bid protest.

A vote was taken on the Motion to Amend.

A vote was taken on this item as amended.

Superintendent's Report
Superintendent Hepburn reported a historic federal graduation rate of 91.4 percent, increasing to 97.5 percent when charter schools were excluded, crediting the collective efforts of district staff. He provided an update on graduation venues, noting that most ceremonies were moved to district-owned facilities as a cost-saving measure, resulting in approximately $500,000 in annual savings to be reinvested into classrooms, programs, and student supports. Additionally, the Superintendent reaffirmed the district's commitment to meaningful graduation experiences for all students and families.

BECON presented a video recap highlighting key moments in the District.

The Board held a lengthy, robust discussion that included, but was not limited to, graduation venue affordability and quality; equity considerations across schools; feasibility and timing of fundraising efforts; alternative venues and capacity limitations; and the need to balance financial stewardship with preserving the significance of graduation ceremonies.

Motion (Failed Due to Lack of Second)
Motion was made by Mrs. Alhadeff, I move that the Board get consensus to direct the Superintendent to develop and present a revised, more equitable graduation plan that provides comparable non-gymnasium graduation options for any high school that does not wish to hold its ceremony in a gymnasium.

Interim General Counsel advised that, pursuant to a revision adopted in November 2025, Policy 1020 removed the language regarding consensus; therefore, the Board no longer takes consensus on agenda items. The motion was not seconded following this guide.

Board discussion included, but was not limited to, graduation venue selection criteria; ticket allocation per graduate; venue cost comparisons and projected savings; ceremony logistics; outreach to municipalities and alternative venue feasibility; and the need to maintain equity across schools.

Motion (Failed)
Motion was made by Mr. Cervera, seconded by Mrs. Alhadeff, to re-open the agenda to allow the Board to vote and give the Superintendent direction regarding the graduation venues.
Mrs. Bulman, Dr. Holness, Mrs. Leonardi, Ms. Thompson, and Dr. Zeman voted no. (4-5 vote)

The Chair received public comments.

(Following the public comments, the Regular School Board Meeting recessed for an attorney-client session.)

(Following the attorney-client session, the Regular School Board Meeting commenced with discussion regarding Board responses to the Superintendent's Report.)

A vote was taken on the Motion (page 7).

Board discussion continued with the need to maintain quality graduation experiences despite venue changes; timeline and logistical impacts on families; and consideration of community and student input.

MM-11. Superintendent's Recommendation Seagull Alternative High School

(Adopted as Amended)

Motion was made by Mrs. Hixon, seconded by Mrs. Alhadeff to adopt the Superintendent's recommendation to consolidate Seagull Alternative High School into Whiddon-Rogers Education Center, and make the Seagull Alternative High School campus available for another use. District 3. **This Motion was superseded by a Motion to Amend (page 16)**. (9-0 vote)

Board discussion included concerns regarding facility conditions at Whiddon-Rogers related to the proposed relocation from Seagull; requests for assurances that the campus would be safe and fully ready for students and families by the start of the 2026–2027 school year; concerns that unresolved facility issues could impact readiness for specialized populations; and requests for regular updates and inclusion of facility condition assessment data to support future decision-making.

Motion to Extend (Carried)
Motion was made by Ms. Thompson, seconded by Mrs. Bulman and carried to extend the Regular School Board Meeting by two hours.
Mrs. Alhadeff voted no. (8-1 vote)

Board discussion included concerns about safety guarantees at Whiddon-Rogers for infants and special populations; questions about timely completion of facility projects; emphasis on honoring community commitments for appropriate and separated programming spaces; and ensuring accommodations and independence for Adults with Disabilities prior to relocation.

Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Leonardi and carried, to require the Superintendent in his Superintendent reports in March, May, and July at the Regular School Board meetings to start with an update on how the accommodations are being done at Whiddon-Rogers. (9-0 vote)

A vote was taken on the Motion to Amend.

Additional comments were made that emphasized the community's gracious acceptance of the change; the need to honor commitments for separation of student groups and facility upgrades; stressed that only full safety and appropriate accommodations were acceptable; and the importance of accountability to ensure promises made to families and staff were kept.

A vote was taken on this item as amended.

MM-12. Superintendent's Recommendation for School Boundaries
(Adopted as Amended)

Motion was made by Mrs. Hixon, seconded by Mrs. Rupert, to adopt the Superintendent's recommendations for all elementary, middle, high, and combination school attendance area boundaries and school usage for the 2026-27 school year. The Superintendent has recommended no changes to school attendance area boundaries or school usage for the 2026-27 school year for all schools not impacted by other items impacting school attendance area boundaries and/or school usage (MM-1, MM-2, MM-3, MM-4, MM-5, MM-6, MM-7, MM-8, MM-9, MM-10, and MM-11, tentatively). District-wide. **This Motion was superseded by a Motion to Amend**.
(9-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, the need to strengthen school marketing using social media; upcoming workshops on school utilization; and differing views on countywide school closures versus ongoing annual boundary and enrollment reviews.

Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Dr. Holness and carried, I move that we include Bair Middle School and Westpine Middle School on Agenda Item MM-12. (9-0 vote)

Board Member Discussion(s)

Mrs. Hixon shared several recognitions, including her attendance at the College Football Playoff Foundation Education Summit, where Mr. Christopher Townly, a special education teacher at the Quest Center, was honored as a 2024 Hancock Excellence Award recipient for his more than 20 years of service and impact on students. She also congratulated the Fort Lauderdale High School dive team for winning a state championship and acknowledged two Flanagan High School students who earned state recognition in a recent competition.

Dr. Holness shared that Bennett Elementary School provided stress-relief balls at the BCPS Showcase, he planned to distribute to the Board.

Mrs. Leonardi requested an update on the Chief Auditor search, confirmed Board consensus to proceed with the current job description, to review all resumes in a Board meeting, and to mirror the prior interview process. She noted that Mr. Mark Magli was willing to serve as Interim Chief Auditor, and Mrs. Bulman agreed to bring a future agenda item to authorize contract negotiations. She also sought and received consensus to follow the prior timeline for placing the 2026 referendum on the November general election ballot. It was suggested that staff indicate the amount of cost savings achieved through renegotiated contracts on each agenda item moving forward.

Closed Door - None scheduled for this meeting.

School Board Report
1.21.26

Happy New Year. At our meeting last week, we were delighted to see the increase in the graduation rate and our members expressed their confidence in the academic instruction that our students are receiving. We are proud of BCPS and especially proud of our students. We are not a “disaster,” quite the opposite and we stand behind BCPS.

We have been preparing for the 2026 Legislative Session and have sent a list of our priorities (listed below) to all of the members of the Broward Delegation.

- *The Legislature needs to fully fund programs that ensure the health, safety and education of all the children of Florida, including that of early childhood and preschool.*
- *Increase funding for mental health services, fund nurses and psychologists at all schools*
- *Public dollars must remain in public schools and we oppose any expansion of vouchers that redirect taxpayer dollars to private and religious schools, either directly or indirectly.*
- *We oppose the co-location of Charter Schools within traditional public schools.*
- *All K-12 educational institutions receiving public funds should be subject to the same accountability and transparency as regular public schools.*
- *Restrict accessibility to firearms and enact gun safety measures to protect the lives of children and all Floridians. We oppose lowering the age to purchase firearms from 21 to 18.*
- *PTA supports immunizations to prevent communicable disease, as a condition of entry into public and non-public schools, preschools and child care facilities.*
- *PTA supports a total ban on corporal punishment.*

Our PTAs contacted all of our Broward legislators to oppose HB 133 which lowers the age to purchase firearms from 21 to 18. We are proud to note that all 11 members of the House from Broward voted against the bill.

We will be traveling to Tallahassee later this week to attend the Florida PTA Legislative Conference and meet with legislators. We will advocate for children and public schools. Our packet of information will include the BCPS state legislative priorities.

PTAs submitted arts entries for the National PTA Reflections arts program. The categories are dance choreography, film production, literature, music composition, photography and visual arts. It includes all grades K-12. This year's theme is "I Belong."

For over 50 years, Reflections has helped students explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning. The Reflections program provides opportunities for recognition and access to the arts which boosts student confidence and success in the arts and in life

Our county winners will be forwarded to the state and state winners to National PTA. All participants will be recognized with certificates on January 22nd at Apollo Middle School. The event will take place from 6:30 PM to 9 PM.

I have attached a few of our Visual Arts entries. We will also be including these as the cover of the folders for legislators, to demonstrate the importance of the Arts and the incredible talents of our students.

We will be conducting a virtual workshop for local unit Treasurer's on Saturday, February 7th.

We look forward to another wonderful year for all our students.

My Oldest Daughter graduated from Bair and now is a sophomore at Piper High School. My son is now a student at Bair Middle as well. My youngest daughter is really looking forward to joining her big brother at Bair next year. This school, Principals, Teachers and Staff have been awesome to my children and I want that to continue. Not to mention the programs they offer such as Montessori and Cambridge. Please don't rob our children of opportunities that will change their lives for the better. Please keep Bair Middle School OPEN.....

As a Sunrise resident for over 10 years, it saddens me to see that a school in our community is proposed to close. This will have life changing consequences for the families in our community. From what I have heard, Bair has so many learning opportunities for children to take advantage of, that it seems like a big mistake to close. My great-grandchildren currently attend this school and are excelling in the curriculum. Please reconsider this decision!

I have a 6th and 8th grader currently enrolled in the Bair Montessori Magnet Program. This program is the sole reason why we chose to enroll our kids in Bair MS. This program is beneficial to all children who need to be

challenged academically and held to a higher standard. We have three younger children that we plan to enroll at Bair as well. My 8th grader has participated in every sport since the 6th grade and the combination of her being a student-athlete has helped her improve in all aspects of life. This is a school that has the potential to improve and make an impact in the community and mold the future.

A new Sunrise resident here with an elementary school student. We were definitely considered Bair Middle after learning about all of the great programs they offer students and help grow their education. It's very devastating to the city of sunrise to lose a school with so much to offer. They need to find a better option than closing a Magnet school in our district which is scarce these days for kids wanting to learn more in school.

As a concerned Sunrise resident and grandparent, I'm opposed to the closing of Bair middle school. My grandchildren attend and both are doing great. The specialty programs are especially important to many children. I would hope the school board would consider this and exercise another option besides closure. It's ALL about the children!!!!

I strongly agree and want Bair Middle School to continue operating. With the state of the world right now, economic and politically, there are still unfortunate children who despite their situations should still be given an opportunity to learn.

I am opposed to the closing of Bair Middle School. I have two children who previously attended Bair, and we had nothing but positive experiences with the staff and school community. I currently have a daughter and a nephew attending Bair, and they are doing well.

I also have children in elementary school who are looking forward to attending Bair in the future. Closing this school would be heartbreaking for them and disruptive to their education and stability. Bair Middle School is a supportive community, and I urge the district to reconsider this decision.

As a resident of Sunrise. I oppose to the closing of Bair Middle school. This will only but a strained on the city causing families with smaller children to move from the city to find a more comfortable and secure place to send there kids to. Please consider the fact that Bair is one out of the two Middle schools that the city has. Closing one will only impact us negatively than positively.

I am a new Sunrise resident with an elementary school student. My family has highly considered Bair Middle after

learning about all of the amazing programs they offer. It would be very devastating to this city to lose a school with so much to offer. I am a Sunrise resident and my grandchildren are sixth graders at Bair Middle, in the Montesori program. They have excelled at that school, they love it, their teachers and staff....Bair is a hidden gem! How can u close one of the two middle schools that Sunrise has? Also there is no plan in place for the Cambridge, Montessori, or coding programs that these children have started or for the special needs children. This shift will disrupt so many lives. Many families will struggle with finding new schools and routines that fit their current work and support schedules. I don't believe that there is any benefit to closing Bair Middle, let's find savings methods elsewhere.

As a Sunrise resident and a former Bair Middle School student nearly 30 years ago, I strongly oppose the closure of Bair. Bair offers unique programs and opportunities that other local middle schools simply do not, and these programs play a vital role in serving a diverse range of students. Closing Bair would overcrowd the remaining middle schools, spreading teachers too thin and limiting the hands-on, individualized instruction our children need to succeed. Ultimately, this decision would push many families to seek private or charter school options, weakening our public school system and community as a whole.

Sunrise resident, Bair parent, and Bair PTA board member here to ask why Bair? Why are you closing a school that offers so many exceptional programs and educational opportunities to our children that many other Broward County schools do not. By doing this you are giving parents no option but to possibly take their child to charter or private, loosing even more public school attendees. You leave new families and elementary school families with only 1 middle school for our city and not one that is conveniently located for your Bair zoned kids. You have not taken into consideration the families who contine to support public school education, their work schedules, their abilities to get their children to and from school, and the mental health of those students who have a hard time adapting to change. Let's come up with better ways to save money with new enrollment changes, rather than closing beneficial schools, leaving teachers and administrators with no jobs, and putting this burden on students and families. It's just not fair! Why are we giving up on a Magnet status school, when it is such a vigorous process to attain? All the money that went in to it, and the continued education/certification time that the teachers put in. Bair Middle has come a long way and is continuing to get better and better. Dont give up on us now. These kids don't deserve to be given up on! Let's do better Broward County!

As a Sunrise resident and a mother of four, with a child currently attending Bair Middle School, I must say that closing the doors to Bair would be devastating and leave us feeling displaced.
As a mom without a car, this closure presents a massive challenge. If my child misses the bus, gets sick, or needs to be picked up early for a doctor's appointment, I rely on the city bus to get to Bair, and my child can easily navigate to and from school on their own.
If he is forced to attend Westpine, there will be days he will be forced to miss school entirely, which would leave him behind as an IEP student. Westpine is not a viable option for me. Currently, Bair is 2.9 miles away (a 27-

minute bus ride or a 50-minute walk). Moving to Westpine means a 4.8-mile trip, which becomes 50 minutes by bus or 1 hour and 48 minutes by walking.
I understand the financial hardships the district is facing, and I am not opposed to saving, but closing schools that our scholars have worked so hard to improve is not the best solution. Many will be negatively impacted rather than positively. All nearby public schools are already impacted, and this will only strain them further.
Please consider the impact of this decision on the well-being of our children. The district is doing great academically—with no D or F schools, wonderful staff, and a 97% graduation rate. This proves there is great work happening that could be ruined by this change.
I could list many more reasons to keep Bair open, but I will end here. Remember, Rome wasn't built in a day. Let's keep this progress going and give schools enough time to flourish. Let's not run away when things get tough, but rather push through with better marketing and values to get families comfortable sending their kids back to public school.

Hi! I am writing as a Sunrise resident and father of 2 children currently attending Bair Middle. As a resident, why are we losing 1 if our only 2 middle schools in our entire city. A city that has a good size population, that keeps growing. I believe our city will continue to grow due to one of the only good cities in the area with one the most affordable housing markets. What happens when families continue to move here and we leave them with minimal options for public schools? Do we want to lose more students to charter and private? Bair Middle provides a high quality education through its magnet and many other programs that it offers which are not found at many public schools. Both of my children are thriving in their Montessori program and have adapted so well to their first year of middle school. I would hate to see that taken away from them or any child there at no fault of their own. Please reconsiderate keeping Bair open for the sake of our children, our families and our community.

Closing Bair Middle school means shutting off what has been and why is to be. Bair middle school is a school that had a rough start but has been developed into a good school full of good influence to the kids who currently and will attend. Closing this school will be a huge change for a lot of children, families, teachers, and faculty. The closure of Bair means that a lot of kids who are unable to get on the bus or whose parents are unable to support are car ride are left in the water because the school is in such a sweet spot. Bair is the only middle school around for some miles. Bair closing will let the history that Bair went through go to waste and be forgotten. A few teacher and faculty will also be out of work also. Bair should stay open for the many opportunities that it has provided and will provide. Keep Bair Middle School Open!!!

EXECUTIVE SUMMARY

Appointments, Leaves, and Separations of Employment

Board Meeting Date: February 10, 2026

Requested Action: Approve the appointments, promotions, demotions, salary adjustments, leaves of absence, and separations of employment.

School Board Policy Requirement/Authority: Policy number: 7150

Statutory Requirement/Authority: Yes, Florida Statutes Chapter 1012

District-zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The recommended candidates will continue to be employed, the leave of absence will continue, and the separation of employment is officially accepted by the Board.
- If the School Board votes "No": The recommended candidate would not be approved which can cause schools to not have staff to meet the needs of students or departments to be able to complete tasks efficiently or support schools. The leave of absence approval would be rescinded which would create issues for the affected employees. The separation of employment would not officially be accepted by the Board, which could produce a negative financial impact to the District.

Background/History
Broward County Public Schools (BCPS) has a long-standing tradition of ensuring transparency and accountability in its operations. One of the key areas where this is evident is in the process of employee appointments, leaves, and separations. This practice of bringing these matters to the Board for approval is rooted in the District's commitment to maintaining high standards of governance and oversight. By requiring Board approval for employee appointments, leaves, and separations, the District ensures that all personnel decisions are made with careful consideration and in alignment with the District's policies and goals. This process helps to maintain a high level of integrity and trust within the community, as it provides a system of checks and balances. It is a key component of the district's governance structure and helps

to ensure that all personnel decisions are made with the utmost integrity and in the best interest of the students and the community.

All recommended candidates meet at least the minimum qualifications for the required positions. The list of leave approvals is for employees requesting a Board-approved leave of absence.

Alignment to 2027 Goals and Guardrails:
Guardrail 3- School Support.

Measurable Outcome(s)/Return on Investment:
Talent Acquisition monitors vacancies, new hires, and establishes Key Performance Indicators (KPI) to track the onboarding process and recruitment efforts. These KPIs are used to decrease time to fill rates, improve candidates' experiences, and provide stellar customer service to all Human Resources stakeholders.

Financial Impact, Funding Source & Budget Status:

- No additional funding is required. The respective funding is allocated in school/department budgets.

ACTION	DATE	Budgeted in Current FY Yes/No	Funding Source(s) and Code(s)	AMOUNT	TERM (months)

EXECUTIVE SUMMARY

Employee Corrective Action/Probationary Releases

Board Meeting Date: February 10, 2026

Requested Action:
Approve employee corrective action/probationary releases.

School Board Policy Requirement/Authority:
Policy 4.9

Statutory Requirement/Authority:
Florida Statute 1001.41 - Powers and Duties of the District School Board.

District-zone Impact:
District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": Upon board approval, the corrective actions will be implemented per Policy 4.9 guidelines, and probationary releases will be processed. The enacted corrective actions will become part of the progressive discipline history for the affected employees.
- If the School Board votes "No": If not approved by the board, the corrective actions will not be implemented per Policy 4.9 guidelines. The recommended corrective actions will not become part of the progressive discipline history for the affected employees and may impact future corrective action decisions.

Background/History:
Broward County Public Schools adheres to the procedures outlined in Policy 4.9 and Florida Statutes for administering corrective action. This process requires approval from the School Board prior to implementing corrective action. Every employee recommended for corrective action has received his/her due process throughout their case.

Alignment to 2027 Goals and Guardrails:
Guardrails 4 - Accountability

Measurable Outcome(s)/Return on Investment:
Discipline implemented by the District is a method to correct the behavior and improve employee performance. Expectations are communicated throughout the due process to inform the employee about school board policies and state statutes related to their job responsibilities.

Financial Impact, Funding Source & Budget Status:
The amount is determined by the number of days substitutes are needed when employees are placed on reassignment.

EXECUTIVE SUMMARY

Supplemental Pay Positions

Board Meeting Date: February 10, 2026

Requested Action:
Approve the supplemental pay positions for the 2025-2026 School/Fiscal Year.

School Board Policy Requirement/Authority: Policy Number 6210

Statutory Requirement/Authority: Yes, FS 1012.22 Personnel

District-zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The employees will receive the supplement pay for the duties performed.
- If the School Board votes "No": The supplement will be removed. The employees will be required to reimburse the District.

Background/History
Collective Bargaining Agreements specify available supplements, requirements, and compensation. Florida Statute 1012.22, 2 (g) defines a supplement as an annual addition to the base salary for the term of the negotiated supplement as long as the employee continues his or her employment for the term of the supplement. A supplement does not become part of the employee's continuing base salary but shall be considered compensation under s.121.021 (22). District Policy 6210 outlines the procedures for implementing supplements. Employees can hold multiple supplements. More than two supplements will require a senior leader's signed waiver.

Alignment to 2027 Goals and Guardrails:
Guardrail 3 - School Support.

Measurable Outcome(s)/Return on Investment:
The District is able to recruit staff to support District initiatives, events, and student opportunities beyond the regular classroom activities.

Requested Action: Approve the agreement between West Coast University, Inc. and The School Board of Broward County, Florida (SBBC).

School Board Policy Requirement/Authority: Not applicable.

Statutory Requirement/Authority: N/A

District-zone Impact: District-wide

Impact of the School Board's Vote:

- If the School Board votes "Yes": If yes, SBBC will strengthen its Speech-Language Pathology (SLP) services to better support student success. This initiative will provide the district with an opportunity to recruit and train the next generation of SLP professionals, an essential step in addressing the academic and emotional needs of our students. Additionally, it will help cultivate a pool of highly qualified specialists committed to making a positive impact in our schools, ultimately enhancing the quality and accessibility of SLP services for our student population.

- If the School Board votes "No": If no, SBBC will be unable to strengthen its Speech-Language Pathology (SLP) services and support student success. The district will miss the critical opportunity to recruit and train the next generation of speech-language pathologists, which is an essential step in meeting the academic and emotional needs of our students. Furthermore, we will forfeit the chance to cultivate a pool of qualified professionals dedicated to making a positive impact in our schools, ultimately limiting our ability to enhance the quality and accessibility of SLP services for our student population.

Background/History

An agreement between a college or university and SBBC is required to accept any internship, practicum participants, or field experience placements. Our Field Experience Program operates across borders, collaborating with colleges and universities in Florida and other states. This program provides both undergraduate and graduate students with practical experiences as they pursue degrees in various majors and fields of study. Through this partnership, field experience students can gain valuable hands-on experience while working toward degree in Speech-Language Pathology.

Alignment to 2027 Goals and Guardrails: Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment: By July 2027, the School Board of Broward County (SBBC) will increase college and university field experience agreements by 15%, including a new partnership with West Coast University. This initiative aims to reduce speech-language pathology vacancies by guiding students toward full-time roles within our organization.

West Coast University offers a 20-month Master of Speech-Language Pathology program with 400 clinical hours, preparing graduates for certification and licensure. While program-specific employment data is not published, graduates enter a high-demand field in schools, hospitals, and private practice. Institutional data shows a graduation rate of 57–68%, and career resources focus on the Praxis II examination and the American Speech-Language-Hearing Association's Certificate of Clinical Competence in Speech-Language Pathology (CCC-SLP) credential, supporting strong employment prospects. As SBBC establishes its baseline for student placements, this partnership will help create a sustainable pipeline of qualified candidates for future instructional and speech-language pathology positions.

Financial Impact, Funding Source & Budget Status:

- There is no financial impact to the District.

Multi-year agreement: No

Procurement Method: Not applicable.

Impact on Schools: Field experience enables interns to improve their instructional strategies and adapt to the varied needs of students, resulting in more effective learning experiences. As these interns introduce innovative approaches and new ideas in the classroom, they foster a culture of continuous improvement within the schools. This interaction

enhances the interns' professional development and positively impacts student engagement and learning outcomes, which can strengthen the overall effectiveness of educational programs in Broward County.

If there is an impact on schools, how will schools be selected/prioritized: The field experience students may choose up to three schools for their placement, and SBBC schools can also request the placement of these students.

Stakeholder Engagement/ End-User Input: Stakeholder engagement for field experience involves collaboration among college interns, SBBC school counseling supervisors, university supervisors, and consideration of SBBC students' needs. Field placements are determined based on college interns' input regarding program requirements and the support needed to achieve their academic goals. SBBC school counseling supervisors provide feedback on mentoring strategies and classroom integration to maintain instructional quality. University supervisors work closely with SBBC staff to ensure compliance with statutory and district policies while supporting effective supervision. The interests of SBBC students are represented through teacher and administrator feedback to safeguard confidentiality and maintain a positive learning environment. This collaborative approach to placement procedures, supervision guidelines, and professional development support ensures the successful implementation of the field experience program.

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle: Not applicable.

Additional Backup: During the 2024–2025 school year, the School Board of Broward County facilitated a total of 751 entry-level field experience placements, 481 practicum placements, and 160 internship placements. This demonstrates a strong commitment to integrating future educators into the school system. Notably, 19% of the internship placements have already led to successful employment, highlighting the effectiveness of this program in addressing staffing needs.

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

WEST COAST UNIVERSITY, INC.
(hereinafter referred to as "UNIVERSITY"),
whose principal place of business is
151 Innovation Drive, Irvine, California 92617

RECITALS

A. **WHEREAS**, SBBC and UNIVERSITY wish, and intend by this Agreement to set forth the terms and conditions of engaging in a cooperative program ("Program") for the classroom field placement of selected students enrolled at UNIVERSITY with the mutual objective of preparing students for entry into the Master of Speech-Language Pathology profession; and

B. **WHEREAS**, UNIVERSITY students will gain practical experience as part of the UNIVERSITY course curriculum by completing internships within SBBC schools at no cost to SBBC.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement.** The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on June 30, 2027, unless terminated earlier pursuant to section 3.5 of this Agreement, and may by mutual agreement between SBBC and UNIVERSITY, be extended for two (2) additional one (1) year periods.

2.2 **UNIVERSITY Responsibilities.**

2.2.1 UNIVERSITY shall plan and administer the UNIVERSITY educational program for its students and be responsible for the enrollment of its students in UNIVERSITY courses, including the clinical field placement.

2.2.2 UNIVERSITY shall maintain all educational records and reports relating to the UNIVERSITY educational programs completed by UNIVERSITY students during the clinical field experience.

2.2.3 UNIVERSITY shall determine, in its sole discretion, which of its enrolled students shall be eligible to participate in the Program.

2.2.4 UNIVERSITY shall provide a person to serve as its Coordinator to oversee its educational program and coordinate Program related activities with SBBC.

2.2.5 UNIVERSITY shall work through the SBBC department of Professional Learning and Development to determine in advance placement sites for UNIVERSITY students in the Program, including dates and the number of UNIVERSITY students.

2.2.6 UNIVERSITY shall instruct its participating UNIVERSITY students to complete a security information background check form provided by SBBC and to submit to fingerprinting and criminal records background check to be performed by SBBC or at its direction.

2.2.7 UNIVERSITY shall, in consultation with SBBC, be responsible for grading of the field placement experience and determining whether a UNIVERSITY student has completed the requirements of the UNIVERSITY educational program.

2.2.8 UNIVERSITY students shall not be considered as employees or agents of the UNIVERSITY.

2.2.9 UNIVERSITY shall be responsible for providing professional development seminars to its students in the Program. SBBC may be requested to assist in such seminars.

2.2.10 UNIVERSITY shall be solely responsible for the conduct of any proceedings of its students related to academic or behavioral matters.

2.2.11 UNIVERSITY agrees to inform UNIVERSITY students that they are responsible for the rules and regulations of SBBC, including recognition of the confidential nature of information regarding pupils and their records.

2.2.12 UNIVERSITY will provide SBBC with a copy of course objectives for the learning experience. SBBC, together with UNIVERSITY, will make arrangements for evaluating the learning experience.

2.2.13 UNIVERSITY shall instruct UNIVERSITY students that they shall not take, capture or record any photographs or any audio or video recordings while on any SBBC facilities without prior written consent of all parents, or students aged 18 or over, for all students that may be captured in such recordings to evaluate the intern's progress.

2.3 **SBBC Responsibilities.**

2.3.1 SBBC shall be responsible for the conduct of its operations, supervision of its staff and the education of its students. UNIVERSITY shall not control any of SBBC's property or operations.

2.3.2 SBBC shall provide forms for UNIVERSITY to use as internship applications.

2.3.3 SBBC shall determine, in consultation with UNIVERSITY, the UNIVERSITY students who will be placed at SBBC schools and which schools.

2.3.4 SBBC shall provide to UNIVERSITY students a security background information form to be completed by UNIVERSITY students and provide a process for fingerprinting and criminal records background check to be performed by SBBC or at its direction. SBBC shall determine whether a UNIVERSITY student has satisfactorily cleared the security screening.

2.3.5 SBBC shall, in consultation with UNIVERSITY, assign its teachers/staff to serve as supervising teachers for the evaluation of the UNIVERSITY students. SBBC supervising teachers/staff shall complete evaluation forms provided by UNIVERSITY. Site supervisors selected by SBBC will, a) assist in orienting UNIVERSITY students to the school, the classroom and the pupils; b) explain all school and district policies, rules, and regulations to students; c) provide prompt and substantive feedback to UNIVERSITY students regarding performance activities and interactions with SBBC personnel, pupils and parents; d) complete evaluations of UNIVERSITY student progress and submit them to UNIVERSITY after reviewing them with applicable UNIVERSITY students; e) immediately inform the UNIVERSITY faculty supervisor of any concerns regarding a UNIVERSITY student; f) establish a time to meet and discuss with UNIVERSITY students their activities, impressions, reflections, and suggestions for goals and areas of improvement; g) (For interns) supervise students on a daily basis while under supervision from SBBC site supervisor, if the site supervisor is absent from the classroom, under no circumstance can a UNIVERSITY student, even if he/she is certified, serve as the

substitute of record during the student teaching experience unless a separate agreement has been negotiated in writing by the SBBC and the UNIVERSITY student.

2.3.6 SBBC shall provide the UNIVERSITY with written performance evaluation feedback about the UNIVERSITY student and completion logs based on the Florida Educator Accomplished Practices (FEAPS) or any other appropriate evaluation standard(s) with the prior written consent of the UNIVERSITY student.

2.3.7 UNIVERSITY students shall not be deemed to be employees of SBBC for purposes of compensation, fringe benefits, worker's compensation, unemployment compensation, minimum wage laws, income tax withholding, social security or any other purpose, because of their participation in the Program. Each UNIVERSITY student is placed with SBBC to receive clinical field experience as a part of his or her academic curriculum; those duties performed by a UNIVERSITY student are not performed as an employee, but in fulfillment of these academic requirements and are performed under supervision. At no time during their practicum shall students replace or substitute for any employee of SBBC. This provision shall not be deemed to prohibit the employment of any such UNIVERSITY student by SBBC under a separate employment agreement for separate or additional duties.

2.3.8 SBBC agrees that UNIVERSITY students assigned to it for internship experiences are under the supervision, control and responsibility of SBBC.

2.3.9 SBBC shall retain the right in its sole discretion, to request the removal of any individual from any area of the school premises. UNIVERSITY students shall be instructed by the UNIVERSITY to promptly and without protest leave an area whenever they are requested to do so by an authorized SBBC representative.

2.3.10 SBBC will provide to UNIVERSITY students the policies and procedures and other relevant materials to allow students to function appropriately within the school.

2.3.11 SBBC will permit UNIVERSITY students access to the library facilities/curriculum laboratories available to personnel. UNIVERSITY students may not remove materials from the school without appropriate approval.

2.3.12 UNIVERSITY students shall not be considered employees or agents of SBBC.

2.3.13 SBBC acknowledges: (a) a UNIVERSITY student's provision of services in the clinical or field experience will not displace SBBC employees or provide any immediate advantage to the site; (b) no participating UNIVERSITY student will be entitled to

employment by SBBC following internship; and (c) this internship will be without compensation to the UNIVERSITY student.

2.3.14 SBBC shall permit a UNIVERSITY supervisor to visit SBBC for purposes of ascertaining that UNIVERSITY's educational objectives for each UNIVERSITY student's rotation are met at SBBC. UNIVERSITY supervisor shall remain under the direct supervision of an SBBC employee at all times while on school grounds pursuant to Section 1012.468(2)(a)(1), Florida Statutes.

2.3.15 SBBC personnel who supervise UNIVERSITY student teachers during student teaching internships in a K-3 setting must have a certificate or endorsement in reading.

2.4 **SBBC Disclosure of Education Records.** Under this Agreement, UNIVERSITY students will gain practical experience by completing internships on-site at SBBC schools.

2.4.1 SBBC staff will provide UNIVERSITY students with the education records for services performed individually, in small groups, and/or in a student's classroom, pursuant to this Agreement for the Speech and Language Pathology (SLP) profession.

2.4.2 SBBC will provide UNIVERSITY students with the following SBBC student education records via "view only" on SBBC database with SBBC supervisor present:

2.4.2.1 First and last name of student
2.4.2.2 Name of school
2.4.2.3 Emergency contact records
2.4.2.4 Attendance records
2.4.2.5 Academic records
2.4.2.6 Consent for Evaluation/Re-evaluation
2.4.2.7 Medical information including doctor's prescriptions and OT/PT-related assessment reports
2.4.2.8 Individualized Education Program (IEP) or 504 Plan
2.4.2.9 Functional Behavior Assessment/Positive Behavior Intervention Plan
2.4.2.10 Plan of Care (POC)

2.4.2.13 Any other document necessary for the provision of a Free Appropriate Public Education. Student interns will not have access to students' Social Security Number or Free and Reduced lunch information.

2.4.3 SBBC must obtain the written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section for all purposes indicated above.

2.4.4 The requirements of this section shall supersede any uses and disclosures of education records, or the like as listed in UNIVERSITY'S privacy policies if any.

2.4.5 UNIVERSITY student interns may redisclose de-identified student work samples to UNIVERSITY supervisor without prior written parental/guardian consent in order to receive feedback and evaluation, and ensure proper planning and programs. However, written parental/guardian consent is required for UNIVERSITY student interns to disclose personally identifiable video/audio recordings to UNIVERSITY supervisors.

2.5 **UNIVERSITY Safeguarding the Confidentiality of Education Records.**

2.5.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.1.1 fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records;

2.5.1.2 hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release;

2.5.1.3 utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.5.1.4 notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.5.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.2.1 ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

2.5.2.2 safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements;

2.5.2.3 notify the SBBC Information Security & Assurance Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes;

2.5.2.4 fully cooperate with appropriate SBBC staff, including Privacy Officer and/or Information Technology staff to resolve any privacy investigations and concerns in a timely manner;

2.5.2.5 prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes;

2.5.2.6 be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law;

2.5.2.7 provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records;

2.5.2.8 purge education records from any media once the media is no longer in use or is to be disposed; and

2.5.2.9 return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.5.3 Liability. UNIVERSITY shall, for itself, its officers, employees, agents, representatives, contractors or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.5.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.6 **Assessment of Data Protection Controls.**

2.6.1 UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data shall provide an attestation stating UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data under this Agreement.

2.6.1.1 At a minimum, the assessment shall show what controls are used to:

2.6.1.2 protect SBBC against unauthorized access, unauthorized disclosure, and damage;

2.6.1.3 reduce the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data;

2.6.1.4 ensure SBBC student and/or staff personal information is collected, used, retained, disclosed, and disposed of in a manner to meet UNIVERSITY'S objectives while also ensuring the data is protected from unauthorized use or disclosure; and

2.6.1.5 monitor compliance with established cybersecurity controls.

2.6.2 UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data under this agreement shall, at minimum, annually complete a third-party assessment of their cybersecurity controls showing compliance with acceptable cybersecurity standards. UNIVERSITY shall provide SBBC an attestation of continued compliance by UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.7 **Inspection of UNIVERSITY'S Records by SBBC.** UNIVERSITY shall establish and maintain books, records and documents (including electronic storage media) related to this Agreement. All of UNIVERSITY's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to UNIVERSITY's Records from the effective date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to UNIVERSITY pursuant to this Agreement. SBBC's agent or its authorized representative shall provide UNIVERSITY with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction. SBBC's agent or its authorized representative shall have access to the UNIVERSITY's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section. UNIVERSITY shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.8 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director, Professional Learning and Development The School Board of Broward County, Florida 3531 Davie Road Davie, Florida 33314
To UNIVERSITY:	West Coast University, Inc. 151 Innovation Drive Irvine, California 92617 Attn: Legal Department

2.9 **Background Screening.** UNIVERSITY shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of UNIVERSITY's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (4) descriptions listed above. This background screening will be conducted by SBBC in advance of UNIVERSITY or its personnel providing any services under the conditions described in the previous sentence. This Agreement. UNIVERSITY students shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to UNIVERSITY and its personnel. The parties agree that the failure of UNIVERSITY to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit UNIVERSITY to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. UNIVERSITY agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from UNIVERSITY's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.10 **Public Records.** Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this

Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

2.11 **Indemnification**. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, if the termination date occurs before a UNIVERSITY student has completed his or her learning experience at SBBC and the UNIVERSITY student is in good standing with SBBC, such UNIVERSITY student may be permitted to complete the scheduled learning experience pursuant to the terms of this Agreement.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes,

controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their

mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver.** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure.** Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

EXECUTIVE SUMMARY

Kennesaw State University

Board Meeting Date: February 10, 2026

Requested Action: Approve the agreement between Kennesaw State University and The School Board of Broward County, Florida (SBBC).

School Board Policy Requirement/Authority: Not applicable

Statutory Requirement/Authority: Yes, Section 1012.56 outlines the requirements for educator certification, which includes field experience. Additionally, Section 1004.04 addresses the requirements for teacher preparation programs, also highlighting the importance of field experience.

District-zone Impact: District-wide

Impact of the School Board's Vote:

- If the School Board votes "Yes": If yes, SBBC will be able to strengthen its teacher recruitment and support student success. The district will have the opportunity to recruit and train the next generation of educators, an essential step in addressing the academic and emotional needs of our students. Additionally, we will cultivate a pool of highly qualified teachers committed to making a positive impact in our schools, ultimately enhancing the quality of instruction and support available to our student population.

- If the School Board votes "No": If no, SBBC will not be able to strengthen its teacher recruitment and support student success. The district will miss the opportunity to recruit and train the next generation of educators, an essential step in addressing the academic and emotional needs of our students. Furthermore, we will not be able to cultivate a pool of qualified teachers dedicated to making a positive impact in our schools, and ultimately, we will be unable to enhance the quality of instruction available to our student population.

Background/History

An agreement between a college or university and SBBC is required to accept any student teachers (interns), practicum participants, or field experience placements. Our Field Experience Program operates across borders, collaborating with colleges and universities in Florida and other states. This program provides both undergraduate and graduate students with practical experiences as they pursue degrees in various majors and fields of study. Through this partnership, field experience students can gain valuable hands-on experience while working toward degrees in teaching.

Alignment to 2027 Goals and Guardrails: Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment: By July 2027, SBBC will achieve a 15% increase in college and university field experience agreements, including the newly established partnership with Kennesaw State University. This expansion is designed to reduce teacher vacancies by strategically guiding participating students toward full-time employment opportunities within our organization.

Baseline data for Kennesaw State University indicates strong outcomes: alumni surveys report a 94.9% job placement rate within six months for graduates, an overall retention rate of 79% (above the national average), and a current graduation rate of 48%. As SBBC establishes its own baseline for student placements, this partnership will help build a sustainable pipeline of qualified candidates for future instructional positions.

Financial Impact, Funding Source & Budget Status:

- There is no financial impact to the District.

ACTION	DATE	Budgeted in Current FY Yes/No	Funding Source(s) and Code(s)	AMOUNT	TERM (months)
Original spending authority request	N/A	N/A	N/A	N/A	N/A
First Amendment/Renewal – additional spending authority	N/A	N/A	N/A	N/A	N/A
Second Amendment/Renewal – additional spending authority	N/A	N/A	N/A	N/A	N/A
Total Agreement Amount	N/A	N/A	N/A	N/A	N/A

Multi-year agreement: No

Procurement Method: Not applicable

Impact on Schools: Field experience enables interns to improve their instructional strategies and adapt to the varied needs of students, resulting in more effective learning experiences. As these interns introduce innovative approaches and new ideas in the classroom, they foster a culture of continuous improvement within the schools. This interaction enhances the interns' professional development and positively impacts student engagement and learning outcomes, which can strengthen the overall effectiveness of educational programs in Broward County.

If there is an impact on schools, how will schools be selected/prioritized: The field experience students may choose up to three schools for their placement, and SBBC schools can also request the placement of these students.

Stakeholder Engagement/ End-User Input: Stakeholder engagement for Field Experience involves collaboration among college interns, cooperating teachers, university supervisors, and consideration of SBBC students' needs. Field placements are determined based on college interns' input regarding program requirements and the support needed to achieve their academic goals. SBBC cooperating teachers provide feedback on mentoring strategies and classroom integration to maintain instructional quality. University supervisors work closely with SBBC staff to ensure compliance with statutory and district policies while supporting effective supervision. The interests of SBBC students are represented through teacher and administrator feedback to safeguard confidentiality and maintain a positive learning environment. This collaborative approach to placement procedures, supervision guidelines, and professional development support ensures the successful implementation of the Field Experience program.

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle: Not applicable.

Additional Backup: During the 2024–2025 school year, the School Board of Broward County facilitated a total of 751 field experience placements, 481 practicum placements, and 160 internship placements. This demonstrates a strong commitment to integrating future educators into the school system. Notably, 19% of the internship placements have already led to successful employment, highlighting the effectiveness of this program in addressing staffing needs.

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

THE BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA, BY AND ON BEHALF OF KENNESAW STATE UNIVERSITY
(hereinafter referred to as "UNIVERSITY"),
whose principal place of business is
1000 Chastain Road, Kennesaw, Georgia 30144

RECITALS

A. **WHEREAS**, SBBC and UNIVERSITY wish, and intend by this Agreement to set forth the terms and conditions of engaging in a cooperative program ("Program") for the classroom field placement of selected students enrolled at UNIVERSITY with the mutual objective of preparing students for entry into the teaching profession; and

B. **WHEREAS**, UNIVERSITY students will gain practical experience as part of the UNIVERSITY course curriculum by completing internships within SBBC schools at no cost to SBBC.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences the date of the last signature below ("Effective Date") and concludes on June 30, 2027, unless terminated earlier pursuant to the Termination section 3.5 of this Agreement and, upon the approval of both parties in writing in the form of a written

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

amendment to this Agreement executed by both parties, may be extended for two (2) additional one (1) year periods.

2.2 **UNIVERSITY Responsibilities**.

2.2.1 UNIVERSITY shall plan and administer the UNIVERSITY educational program for its students and be responsible for the enrollment of its students in UNIVERSITY courses, including the clinical field placement.

2.2.2 UNIVERSITY shall maintain all educational records and reports relating to the UNIVERSITY educational programs completed by UNIVERSITY students during clinical field experience.

2.2.3 UNIVERSITY shall determine, in its sole discretion, which of its enrolled students shall be eligible to participate in the Program.

2.2.4 UNIVERSITY shall provide a person to serve as its Coordinator to oversee its educational program and coordinate Program related activities with SBBC.

2.2.5 UNIVERSITY shall work through the SBBC department of Professional Learning and Development to determine in advance placement sites for UNIVERSITY students in the Program, including dates and the number of UNIVERSITY students.

2.2.6 UNIVERSITY shall instruct its participating UNIVERSITY students to complete a security information background check form provided by SBBC and to submit to fingerprinting and criminal records background check to be performed by SBBC or at its direction.

2.2.7 UNIVERSITY shall, in consultation with SBBC, be responsible for grading the field placement experience and determining whether a UNIVERSITY student has completed the requirements of the UNIVERSITY educational program.

2.2.8 UNIVERSITY students shall not be considered as employees or agents of the UNIVERSITY.

2.2.9 UNIVERSITY shall be responsible for providing professional development seminars to its students in the Program. SBBC may be requested to assist in such seminars.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.2.10 UNIVERSITY shall be solely responsible for the conduct of any proceedings of its students related to academic or behavioral matters.

2.2.11 UNIVERSITY agrees to inform UNIVERSITY students that they are responsible for the rules and regulations of SBBC, including recognition of the confidential nature of information regarding pupils and their records.

2.2.12 UNIVERSITY will provide SBBC with a copy of course objectives for the learning experience. SBBC, together with UNIVERSITY, will make arrangements for evaluating the learning experience.

2.2.13 UNIVERSITY shall instruct UNIVERSITY students that they shall not take, capture or record any photographs or any audio or video recordings while on any SBBC facilities without prior written consent of all parents, or students aged 18 or over, for all students that may be captured in such recordings to evaluate the intern's progress.

2.3 **SBBC Responsibilities**.

2.3.1 SBBC shall be responsible for the conduct of its operations, supervision of its staff and the education of its students. UNIVERSITY shall not control any of SBBC's property or operations.

2.3.2 SBBC shall provide forms for UNIVERSITY to use as internship applications.

2.3.3 SBBC shall determine, in consultation with UNIVERSITY, the UNIVERSITY students who will be placed at SBBC schools and which schools.

2.3.4 SBBC shall provide to UNIVERSITY students a security background information form to be completed by UNIVERSITY students and provide a process for fingerprinting and criminal records background check to be performed by SBBC or at its direction. SBBC shall determine whether a UNIVERSITY student has satisfactorily cleared the security screening.

2.3.5 SBBC shall, in consultation with UNIVERSITY, assign its teachers/staff to serve as supervising teachers for the evaluation of the UNIVERSITY students. SBBC supervising teachers/staff shall complete evaluation forms provided by UNIVERSITY. Site supervisors selected by SBBC will, a) assist in orienting UNIVERSITY students to the school, the classroom and the pupils; b) explain all school and district policies, rules, and regulations to students; c) provide prompt and substantive feedback to UNIVERSITY students regarding performance activities and interactions with SBBC

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

personnel, pupils and parents; d) complete evaluations of UNIVERSITY student progress and submit them to UNIVERSITY after reviewing them with applicable UNIVERSITY students; e) immediately inform the UNIVERSITY faculty supervisor of any concerns regarding a UNIVERSITY student; f) establish a time to meet and discuss with UNIVERSITY students their activities, impressions, reflections, and suggestions for goals and areas of improvement; g) (For interns) supervise students on a daily basis while under supervision from SBBC site supervisor, if the site supervisor is absent from the classroom, under no circumstance can a UNIVERSITY student, even if he/she is certified, serve as the substitute of record during the student teaching experience unless a separate agreement has been negotiated by SBBC and the UNIVERSITY student.

2.3.6 SBBC shall provide the UNIVERSITY with written performance evaluation feedback about the UNIVERSITY student and completion logs based on the Florida Educator Accomplished Practices (FEAPS) or any other appropriate evaluation standard(s) with the prior written consent of the UNIVERSITY.

2.3.7 UNIVERSITY students shall not be deemed to be employees of SBBC for purposes of compensation, fringe benefits, worker's compensation, unemployment compensation, minimum wage laws, income tax withholding, social security or any other purpose, because of their participation in the Program. Each UNIVERSITY student is placed with SBBC to receive clinical field experience as a part of his or her academic curriculum; those duties performed by a UNIVERSITY student are not performed as an employee, but in fulfillment of these academic requirements and are performed under supervision. At no time during their practicum shall students replace or substitute for any employee of SBBC. This provision shall not be deemed to prohibit the employment of any such UNIVERSITY student by SBBC under a separate employment agreement for separate or additional duties.

2.3.8 SBBC agrees that UNIVERSITY students assigned to it for internship experiences are under the supervision, control and responsibility of SBBC.

2.3.9 SBBC shall retain the right in its sole discretion, to request the removal of any individual from any area of the school premises. UNIVERSITY students shall be instructed by the UNIVERSITY to promptly and without protest leave an area whenever they are requested to do so by an authorized SBBC representative.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.3.10 SBBC will provide to UNIVERSITY students the policies and procedures and other relevant materials to allow students to function appropriately within the school.

2.3.11 SBBC will permit UNIVERSITY students access to the library facilities/curriculum laboratories available to personnel. UNIVERSITY students may not remove materials from the school without appropriate approval.

2.3.12 UNIVERSITY students shall not be considered employees or agents of SBBC.

2.3.13 SBBC acknowledges: (a) a UNIVERSITY student's provision of services in the clinical or field experience will not displace SBBC employees or provide any immediate advantage to the site; (b) no participating UNIVERSITY student will be entitled to employment by SBBC following internship; and (c) this internship will be without compensation to the UNIVERSITY student.

2.3.14 SBBC shall permit a UNIVERSITY supervisor to visit SBBC for purposes of ascertaining that UNIVERSITY's educational objectives for each UNIVERSITY student's rotation are met at SBBC. UNIVERSITY supervisor shall remain under the direct supervision of an SBBC employee at all times while on school grounds pursuant to Section 1012.468(2)(a)(1), Florida Statutes.

2.3.15 SBBC personnel who supervise UNIVERSITY student teachers during student teaching internships in a K-3 setting must have a certificate or endorsement in reading.

2.3.16 SBBC personnel who supervise UNIVERSITY student teachers in state-approved programs in Prekindergarten-Primary Education, Elementary Education, English, English to Speakers of Other Languages, and Reading must have a certificate or endorsement in reading.

2.4 **SBBC Disclosure of Education Records**. Under this Agreement, UNIVERSITY students will gain practical experience by completing internships within SBBC schools for entry into the teaching profession.

2.4.1 SBBC staff will provide UNIVERSITY student the records listed in this section for the purpose of teaching individually, in small groups, or in a student's classroom, pursuant to this Agreement.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.4.2 SBBC staff will provide UNIVERSITY students with the following SBBC student education records via "view only" on SBBC database with SBBC supervisor present:

2.4.2.1 student first and last name

2.4.2.2 academic records

2.4.2.3 attendance records

2.4.2.4 emergency contact records

2.4.2.5 Individualized Education Program (IEP) or 504 Plan, when applicable, viewed only when on campus under the supervision of the SBBC supervising teacher

2.4.2.6 additional education records necessary for the UNIVERSITY student to complete his/her responsibilities, pursuant to this Agreement.

2.4.3 SBBC must obtain the written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section for all purposes indicated above.

2.4.4 The requirements of this section shall supersede any uses and disclosures of education records, or the like as listed in UNIVERSITY'S privacy policies if any.

2.4.5 Student interns may redisclose de-identified student work samples to UNIVERSITY supervisor without prior written parental/guardian consent in order to receive feedback and evaluation, and ensure proper planning and programs. However, written parental/guardian consent is required for student interns to disclose personally identifiable video/audio recordings to UNIVERSITY supervisors.

2.5 **UNIVERSITY Safeguarding the Confidentiality of Education Records**.

2.5.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.5.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.5.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.5.1.4 Notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.5.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.2.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.5.2.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.5.2.3 Notify the SBBC IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.5.2.4 Fully cooperate with appropriate SBBC employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

2.5.2.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.5.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.5.2.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.5.2.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.5.2.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.5.3 Liability. UNIVERSITY shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.5.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.6 **Assessment of Data Protection Controls**.

2.6.1 UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data shall provide an attestation stating UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data under this Agreement.

2.6.2 At a minimum, the audit shall show what controls are utilized for all of the following actions:

2.6.1.1 Protecting SBBC against unauthorized access, unauthorized disclosure, and damage.

2.6.1.2 Reducing the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data.

2.6.1.3 Ensuring SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in a manner to meet UNIVERSITY's objectives while also ensuring the data is protected from unauthorized use or disclosure.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

2.6.1.4 Monitoring compliance with established security controls.

2.6.3 UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data under this Agreement shall, at minimum, annually complete a third-party assessment of their cybersecurity controls showing compliance with acceptable cybersecurity standards. UNIVERSITY shall provide SBBC an attestation of continued compliance by UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.7 **Inspection of UNIVERSITY's Records by SBBC**. UNIVERSITY shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of UNIVERSITY's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to UNIVERSITY's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to UNIVERSITY pursuant to this Agreement. SBBC's agent or its authorized representative shall provide UNIVERSITY with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the UNIVERSITY's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section. UNIVERSITY shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.8 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC: Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

2.9 **Background Screening.** UNIVERSITY shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of UNIVERSITY's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (4) descriptions listed above. This background screening will be conducted by SBBC in advance of UNIVERSITY or its personnel providing any services under the conditions described in the previous sentence. This Agreement. UNIVERSITY students shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to UNIVERSITY and its personnel. The parties agree that the failure of UNIVERSITY to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit UNIVERSITY to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. UNIVERSITY agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from UNIVERSITY's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn

at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.10 **Public Records.** Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

2.11 **Indemnification**. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, if the termination date occurs before a UNIVERSITY student has completed his or her learning experience at SBBC and the UNIVERSITY student is in good standing with SBBC, such UNIVERSITY student may be permitted to com-

plete the scheduled learning experience pursuant to the terms of this Agreement.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this

Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver.** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure.** Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

Docusign Envelope ID: CA0A0BAB-D911-4932-ACE5-D19E96B93C81

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

EXECUTIVE SUMMARY

Secure the Next Generation Referendum Renewal Audit Report Recommendations

Board Meeting Date: February 10, 2026

Requested Action: Approve and direct the Superintendent of Schools to implement the Recommendations set forth in the Office of the Chief Auditor's Secure the Next Generation Referendum Renewal Audit Report.

School Board Policy Requirement/Authority: SBBC Policy 1003 Follow-Up on Audit Recommendations

Statutory Requirement/Authority: Section 1011.73, Florida Statutes, District millage elections; and Section 101.161 Florida Statutes, Referenda; ballots

District-zone Impact: District-wide

Impact of the School Board's Vote:

- If the School Board votes "Yes": The School Board of Broward County, Florida (SBBC) will approve the Superintendent of Schools to implement the Recommendations set forth in the Office of the Chief Auditor's Secure the Next Generation Referendum Renewal Audit Report.
- If the School Board votes "No": The Superintendent will not be authorized to implement the Recommendations outlined in the Office of the Chief Auditor's Secure the Next Generation Referendum Renewal Audit Report. The District may continue to experience operational challenges related to clarity, consistency, documentation, and administration of the referendum absent further SBBC direction.

Background/History
The 2018 *Secure the Next Generation* referendum provided salary supplements to certain SBBC employee groups, but excluded administrators and several non-instructional roles. During development of the 2022 referendum renewal, District staff, with SBBC approval, drafted ballot language intended to allow flexibility by including additional employee groups. Public discussions raised

questions about the clarity and equity of the allocation framework, particularly regarding potential inclusion of administrative staff. Because SBBC did not establish specific salary or position-based eligibility criteria, uncertainty remained regarding intended recipients. Following direction from SBBC on January 6, 2026, the Office of the Chief Auditor reviewed the development and implementation processes and found that broad ballot language and the absence of defined eligibility criteria led to differing interpretations, along with communication and documentation challenges related to eligibility changes.

Alignment to 2027 Goals and Guardrails: Guardrail 4: Accountability

Measurable Outcome(s)/Return on Investment: N/A

Financial Impact, Funding Source & Budget Status: Any potential financial impact is dependent upon the Superintendent's implementation approach, scope, and operational strategies related to the Audit Recommendations.

Review of Secure the Next Generation Referendum Renewal

At the Special School Board Meeting on January 6, 2026, the School Board of Broward County, Florida ("SBBC") directed the Office of the Chief Auditor ("OCA") to investigate the circumstances under which an item was presented contrary to board direction. In response, the OCA initiated an internal examination of the processes BCPS used to develop the "Secure the Next Generation Referendum Renewal." This included a review of the ballot language, an assessment of the SBBC's directives, and an evaluation of the steps staff took to implement the referendum-funded supplements through the board approved allocation measures, consistent with the board's longstanding expectation for transparency and fidelity in all processes.

To conduct this work, the OCA reviewed board meeting items and agendas, video recordings of board meetings and workshops, board motions, meeting minutes, email correspondence, salary band schedules, applicable governance, publicly available records, employee human resource data, and other supporting documents. The OCA also interviewed several current Broward County Public Schools ("BCPS") employees involved at various stages of the process, as well as former school board members who served during the period when the 2023 and 2024 referendum-funded allocations were determined and approved, to obtain additional context and insight.

The 2018 "Secure the Next Generation" referendum funded salary supplements for several BCPS employee groups, including teachers and eligible staff with instructional or supportive roles. School-based and district-level administrators, non-instructional staff, food and nutrition service workers, maintenance personnel, security staff, transportation employees, and facilities employees did not receive referendum supplements.

In the early development of the 2022 "Secure the Next Generation Referendum Renewal," and with SBBC approval, BCPS staff sought to craft ballot language that would provide the board members with flexibility to include additional employee groups. During public meetings, several board members and community speakers raised concerns about the clarity and equity of the proposed allocation structure, emphasizing the need to reassess the supplement framework and evaluate whether benefits should extend to administrative staff, particularly

principals and assistant principals, who SBBC excluded from the 2018 referendum. However, because the SBBC did not define salary eligibility thresholds (dollar-based) or position specific criteria, uncertainty persisted regarding which employees were intended to receive referendum-funded supplements.

The 2022 ballot language relied on non-specific terminology, creating potential ambiguity, especially in the use of the phrase "…teachers **and staff**," (Emphasis added) which was not clarified through SBBC-defined specific eligibility criteria. Such criteria may have established expectations such as a salary eligibility ceiling (e.g., restricting supplements to employees earning $100,000 or less), job classifications, or defined positions based on roles and responsibilities for staff they intended to receive referendum-funded supplements.

This lack of defined eligibility criteria facilitated an opportunity for expansion of referendum supplement eligibility beyond the employee groups originally contemplated, which included all collective bargaining employees and the three Meet and Confer groups: the Broward Principals and Assistants Association ("BPAA"), the Confidential Office Personnel Association ("COPA"), and the Educational Support and Management Association of Broward, Inc. ("ESMAB"). Despite this broader interpretation, the SBBC approved referendum-funded supplements only for ESMAB employees in "Pay Band D and below" for the 2023–2024 year, expressly excluding employees in Salary Band Level E and higher.

To gain additional context regarding the board members' understanding and intent, the OCA interviewed three former school board members. One former member stated that he believed the July 30, 2024, allocation applied to "everybody." Another reiterated that his prior motions advocating "compensation fairness for all" still reflected his position. A third former board member believed the board's intention for referendum-funded supplements was to provide additional pay primarily for lower-paid employees. She recalled principals receiving additional compensation but at a lower rate and did not recall that higher-level administrators were receiving supplements at the same rate. She also did not recall that the eligibility expansion included employees in Salary Band Level E and above.

Collectively, these perspectives demonstrate that board members held differing interpretations and understanding of whether all employees would be included in the 2024–2025 allocations, underscoring the absence of documented eligibility criteria and a shared understanding among decision makers. The OCA found no evidence that BCPS staff or the Superintendent briefed, advised, or engaged board members to discuss the intended expansion of eligibility to include ESMAB Salary Band Level E and above before the item appeared for public action on July 30, 2024.

The OCA determined that BCPS staff knew they were potentially adding the higher-level administrators to the item being brought forward at the July 30, 2024, Special School Board Meeting for SBBC approval, at least a month before the meeting. The former Chief People Officer ("CPO") submitted Executive Summaries recommending 5.5% referendum-funded supplements for all three Meet and Confer groups for 2024–2025.

The OCA also confirmed that, in preparation for a July 30, 2024 Special School Board Meeting, the former CPO prepared and submitted agenda items that included an Executive Summary and a salary band schedule for ESMAB that did not specify or call out the inclusion of Salary Band Level E and above employees to begin receiving referendum-funded supplemental pay. The salary band schedule contained specific language that was underlined to represent added new information as well as strikethroughs to show language that would be deleted, but "Salary Band D and Below" was not identified for removal or modification, instead it was already eliminated. ESMAB employees in Salary Band Level E and above were never mentioned. None of the employees the OCA interviewed from the Compensation Department ("Compensation"), who finalized the salary band schedules, could identify who made the changes to the schedule or specifically when the removal of "Pay Band Level D and below" language occurred.

The former CPO told the OCA that, in the prior year, the then Superintendent directed him to walk the item around to individual board members to inform them of proposed allocation percentages intended for collectively bargained and Meet and Confer employee groups prior to agenda placement in August 2023. However, this process was not repeated during the subsequent referendum cycle in July 2024. The current Superintendent informed the OCA that he did not recall discussing the inclusion of ESMAB Salary Band Level E and above employees with Cabinet level administrators ("Cabinet")[1] or the former CPO. The Superintendent also stated that he did not recall approving a recommendation to expand eligibility to include Salary Band Level E and above employees in the referendum-funded supplement pay for the 2024–2025 allocations. Moreover, he did not discuss the prior practice of individually briefing board members, explaining that he believed such proactive communication was routine for Human Resources personnel and that staff should have initiated it. The former CPO told the OCA he discussed the change with the Superintendent but did not walk the item around on his own. As a result, no Superintendent directed or staff initiated pre-agenda briefing occurred, even though the eligibility expansion altered which employees would receive referendum-funded supplemental pay.

The BCPS did not have a defined, mandatory briefing process for board members when material changes to supplement eligibility were considered prior to placing items on an SBBC agenda. Relying solely on agenda items is insufficient to ensure board members are adequately informed for effective decision making, particularly when standard document control practices such as tracking changes, providing marked-up versions, identifying modification dates, or attributing changes are not followed.

The OCA did not find the staff's efforts to inform the board members were fully transparent or effective, but the assertion that staff acted in contradiction to the board's direction was not substantiated during the investigation.

[1] The "Cabinet" is currently composed of senior level administrators including the Superintendent, General Counsel, Deputy Superintendents, Assistant Superintendents, Regional Superintendents, and Department Chiefs.

RELEVANT GOVERNING AUTHORITY

Florida Statute 1011.73, District millage elections. (4) states "…(b) The district school board *shall provide the wording of the substance of the measure* and the ballot title in the resolution calling for the election. The wording of the ballot must conform to the provisions of s. 101.161." (Emphasis Added)

Florida Statute 101.161 Referenda; ballots. (1) states, "*Whenever a constitutional amendment or other public measure is submitted to the vote of the people, a ballot summary of such amendment or other public measure shall be printed in clear and unambiguous language on the ballot* after the list of candidates, followed by the word 'yes' and also by the word 'no,' and shall be styled in such a manner that a 'yes' vote will indicate approval of the proposal and a 'no' vote will indicate rejection…" (Emphasis Added)

Florida Constitution, Article VII, § 9 (Local taxes) SECTION 9. Local taxes. (a) states, "Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution."

BACKGROUND

Broward County voters initially approved a Secure the Next Generation Referendum on August 28, 2018, authorizing a one-half mill ad valorem levy to enhance funding for school resource officers, hire district school security staff, increase compensation to recruit and retain highly qualified district teachers, and fund other essential instruction-related expenses. As the 2018 ad valorem levy neared its expiration, the SBBC began introducing the potential of pursuing a renewal measure, known as the Secure the Next Generation Referendum Renewal, to continue funding priorities for school safety enhancements, mental health support, increased compensation to recruit and retain teachers and staff, and to continue to provide additional pay for instructional and non-instructional support staff.[2]

On January 5, 2022, the former Director of the Office Legislative Affairs, who serves in a different role within BCPS now, and the then Interim Superintendent (Dr. Vickie Cartwright), provided an update to the SBBC regarding the upcoming referendum renewal. During the presentation, former Director of Legislative Affairs reviewed high-level information about how revenue from the 2018 referendum was allocated and outlined the possible benefits of continuing the referendum at an increased millage rate. As part of the discussion, the Interim Superintendent introduced the idea of extending referendum-funded supplements to additional employee groups should the increased revenue allow for it.

The former Director of Legislative Affairs told the board members that he believed the language, as it existed in 2018, provided flexibility in spending in the prescribed category percentages. He further responded to board member inquiry regarding the 2018 referendum's

[2] The Office of Legislative Affairs (Communications & Legislative Affairs 2022-2023) included this description as part of the Executive Summary presented to the SBBC on March 15, 2022, with Agenda Item Number RR-1 and again on April 26, 2022, with Agenda number Item RR-8.

language and the ability to include other groups by saying it would need to be examined further for the 2022 ballot language. Bob Gang, a consultant from Greenberg Traurig LLP., who assisted the BCPS with the earlier 2018 referendum efforts, and the then Chief Financial Officer also participated in the discussion regarding how the money could be spent and revenue collection. The SBBC agreed to go forward with increasing the millage rate to 1.0 mill, placing the referendum on the August primary ballot, and making the ballot language flexible enough to allow the SBBC to decide how to divide the funds between the various employee groups. Board members also asked staff to provide them with a plan on how BCPS would communicate the referendum information to the community and voters.

As a result, BCPS developed an informational Champion Toolkit (**EXHIBIT 1**) to inform voters and employees that the new Secure the Next Generation Referendum Renewal would "increase voters' investment in education from a half-mill to one mill to continue securing funds for all public schools – and will now also include charter schools – to:

- Recruit and retain high-quality teachers by increasing compensation supplements (Emphasis added)
- Maintain and enhance school resource officers and school safety staff
- Maintain and enhance essential programs, such as mental health service"

On its public facing webpage, BCPS indicated, among other things, that the additional millage would provide BCPS with the ability to compete with neighboring school districts and to account for new legislation that also required "the District to share nearly 20% of these funds with charter schools." The materials did not make the identities of eligible staff clear.

At a Special School Board Meeting held on April 26, 2022, the SBBC approved Resolution No. 22-114 which was subsequently approved by the Broward County Board of County Commissioners ("BCC"),[3] and led to a renewal question being placed on the August 23, 2022, primary election ballot. The resolution proposed increasing the ad valorem levy from one-half mill to one mill.[4]

Ballot Language

The ballot language for both the 2018 Secure the Next Generation Referendum and the 2022 Secure the Next Generation Referendum Renewal was developed through a multistep process involving BCPS staff, external legal counsel, and formal approval by both the SBBC and the BCC.

The 2018 and 2022 Secure the Next Generation referendum ballots shared a common structure and overarching purpose, but the 2022 renewal ballot reflected an expansion in both scope and application. While both versions authorized a four-year ad valorem levy to fund safety, compensation, and instructional priorities, the 2022 ballot broadened eligibility, doubled the millage rate, and expanded the potential to include additional employee groups and programs.

[3] On June 12, 2018, the BCC approved Resolution No. 2018-20 providing for a referendum election to be held on August 28, 2019.
[4] At a meeting on April 26, 2022, Lisa Maxwell, Executive Director of the BPAA, spoke in support of the referendum and equitable inclusion.

The 2022 Secure the Next Generation Referendum Renewal ballot broadened the group of referendum-funded supplement beneficiaries beyond simply including the "…highly qualified district teachers…" (See **OCA Figure 1** below) The proposed ballot outlined three principal objectives: (i) school resource officers, school safety staff and mental health professionals, (ii) increasing compensation to recruit and retain teachers **and staff,** and (iii) essential instruction-related expenditures to preserve important programs, for the benefit of all traditional public and charter schools for a period of four years. The key differences included the expansion to include "…teachers and staff," (See **OCA Figure 2** below), along with the removal of charter school size thresholds, the inclusion of mental health professionals, and a shift toward funding "all traditional public and charter schools." (Emphasis added)

Funding Security and Essential Instruction Related Expenses of Schools through 1/2 Mill Property Tax Levy

Shall The School Board of Broward County levy an ad-valorem operating millage of 1/2 mills annually for fiscal years July 1, 2019 through June 30, 2023, to (i) enhance funding for school resource officers, including individual charter schools with more than 900 students, (ii) hire district school security staff, (iii) increase compensation to recruit and retain highly qualified district teachers and (iv) fund other essential instruction related expenses preserving important programs in district schools?

_____ Yes _____ No

Florida Statute § 101.161(1) requires that ballot summaries be printed in clear and unambiguous language. The ballot language for the 2022 referendum appeared to meet this requirement. Although the ballot wording itself was not necessarily ambiguous, the generality of the term "staff," coupled with the change from BCPS prior practice, may have caused confusion among voters, board members, and employees, not involved in the process, regarding which employee categories would receive referendum supplements.

_____ **Yes** _____ **No**

Based on OCA interviews conducted, several witnesses stated that inclusion of the phrase "…and staff" in the ballot language was understood to allow the SBBC the ability to broaden eligibility for referendum-funded supplements to additional BCPS employee groups not covered under the 2018 measure, contingent upon voter approval of the revised item.

Meet and Confer representatives consistently urged BCPS staff and School Board members to consider adding their employee groups for inclusion in the renewed referendum-funded supplement, beginning with the implementation of the original referendum.[5]

After voters approved the ballot referendum on August 23, 2022, the SBBC directed BCPS staff to develop and present supplement allocation options for the referendum funds. During this investigation, however, BCPS staff did not provide the OCA with tangible records or testimony documenting details of the decision making process. Furthermore, staff did not identify any individual or Cabinet member as having initiated or led the Cabinet level discussions that shaped the allocation percentages presented to the SBBC on August 29, 2023.

The OCA interviewed the former CPO and former Deputy Superintendent–Chief of Staff ("DSC"), each of whom regularly participated in Cabinet level meetings during the relevant period and helped prepare the agenda items referenced in this report. Both employees told the OCA that the Cabinet discussed concerns about the "optics" of including executive directors and Cabinet level administrators (Salary Band Level E and above) in the referendum-funded supplement allocations. Both staff members told the OCA that the former Deputy Superintendent of Operations ("DSO") played a significant role in shaping the ballot language and in driving the financial analysis that influenced the recommended employee group allocations.[6]

[5] The OCA did not obtain documented details regarding of those discussions. Meet and Confer representatives and Union Leaders made similar comments in open public meetings.
[6] The OCA was unsuccessful in contacting the former Deputy Superintendent of Operations to obtain an interview.

Dr. Peter Licata officially started as BCPS Superintendent on July 11, 2023, when the SBBC unanimously approved his employment agreement, and he immediately assumed the role.

The former CPO, who now serves in a different role for BCPS, told the OCA that he personally walked the respective agenda items regarding the BPAA, COPA, and ESMAB employee groups around to individual board members to discuss the recommended referendum-funded supplement allocation percentages, at the direction of the then Superintendent. Those discussions occurred before the items were included on an SBBC agenda for review.

Special School Board Meeting August 29, 2023

Soon after the Superintendent's appointment, at a Special School Board Meeting on August 29, 2023, the then DSC, who serves in a different role within BCPS now, prepared and submitted added agenda items (HH-1, HH-2, HH-3, HH-4, and HH-5) that included recommendations to approve the adoption of provisions of Memorandums of Understanding ("MOU") and amendments to the salary band schedules for Meet and Confer employee groups reflecting referendum supplements for "eligible" employees, specifically the addition of employees aligned with ESMAB Salary Band Level D and Below.

In each of the accompanying Executive Summaries and proposed salary band schedules submitted for Items 3, 4, and 5, staff originally recommended supplement rates of 3.5% for BPAA, 5.5% for COPA, and 3% for ESMAB, respectively. Board members discussed the alignment of referendum spending categories with the proposed allocations and considered equity across all the employee groups. At the meeting, it was noted that several employee categories were excluded from the prior referendum cycle, prompting additional scrutiny of the recommended percentages.

At the board meeting, some board members inquired about fund balances from the 2018 referendum's 8% mental-health allocation. In response, the former DSO told the board members that BCPS had approximately $9.9 million in rollover unused funds from the prior referendum. Following extensive deliberation, the SBBC unanimously approved increasing BPAA and COPA referendum-funded supplements to 5.5%, and, by a vote of 6–3, approved 5.5% for ESMAB as well.

The ESMAB allocation for referendum-funded supplements only included "Pay Band Level D and below" employees in the group listed as submitted with the corresponding agenda items. Some board members expressed that the amounts of referendum-funded supplements varied despite the percentage equity. They further commented that for some of the higher paid employees, a 5.5% supplement yielded significantly more dollars than those based on a much lower salary. There was also discussion of the ESMAB employees on the upper pay bands that were excluded. Board members also discussed which higher paid employees were being included or excluded. One board member noted that the percentages were already discussed in closed door meetings.

COMPENSATION

The BCPS Compensation Department ("Compensation"), as a part of the Human Resource Division, establishes employee salary pay bands and salary ranges through a formal, districtwide compensation system. This department is responsible for analyzing and evaluating

every job, maintaining official job descriptions, and assigning each position to the appropriate salary band schedule or pay structure. These processes ensure that positions requiring similar responsibilities, skills, and qualifications are compensated consistently and equitably.

Compensation staff told the OCA that all amendments to the salary band schedules were denoted through standard formatting conventions, with underlined text indicating newly added language and strike-through text indicating language removed from the prior versions. Professional Practices/Labor Relations (prev. Employee & Labor Relations) provided Compensation with the changes that were necessary. According to the Compensation Manager, in an email response, dated January 26, 2026, to the OCA, she indicated that, "Salary schedules are provided by Compensation to Labor Relations in Excel format. Following submission, Labor Relations may add, revise, or remove contractual language in accordance with negotiated agreements and Board direction. Final approval of language rests with Labor Relations and the Chief Negotiator."

The Compensation staff interviewed during this investigation told the OCA that staff highlighted the proposed removal of content from salary band schedules by striking through the existing language, while proposed new or modified language was underlined, for administrative review and approval pending SBBC approval. An excerpt from the salary band schedule's language as submitted on August 29, 2023, is provided in **OCA Figure 3** below.

OCA Figure 3: ESMAB Salary Band Schedule 2023-2024
August 29, 2023 Agenda Item 5-Exhibit

Effective July 1, 2022, eligible ESMAB employees shall receive a 4.00% increase. The salary schedule maximum values shall be increased by 4.00% effective July 1, 2022.

For the 2022-2023 school year, ESMAB employees who are in an active status as of the date of Board approval, shall receive a $1,000 one-time payment (non-recurring, non-FRS eligible).

Employee eligibility to participate in a Board approved salary increase requires the completion of a year of employment service with the District as defined below, in an active regular status and an overall evaluation rating that is not "Unsatisfactory." A year of service is attained by working at least one (1) day more than half of the work calendar to which an employee was assigned during the prior fiscal year.

Referendum Funds: For the 2023-2024 school year, eligible employees on Pay Band Level D and below in the Educational Support and Management Associations of Broward Inc. whose effective start date is on or before July 1, 2023, will receive a Referendum Supplement equal to 3.0% of base salary effective July 1st of the 2023-2024 school year. These supplements are FRS eligible.

Newly hired employees after the commencement of the 2023-2024 school year shall be eligible for a pro rata portion of the remaining 20 payments of the Referendum Supplement.

The verbiage included in the 2023-2024 recommended ESMAB Salary Band Schedule showed the additional language that specified "Pay Band D Level and below" employees would receive a referendum-funded supplement equal to 3.0% of base salary effective 2023-2024. It did not indicate specifically which positions or the salaries for those employees that would be excluded, just the salary band that would be included based on the stipulation. The new language was underlined, in accordance with understood procedures used by Compensation (and Employee and Labor Relations) to prepare recommended salary band schedules. At the board meeting, board members approved paying 5.5%, instead of 3.0%, to all three Meet and Confer groups, with ESMAB Pay Band Level D and below included.

Management Issues: Salary Disparities

According to OCA witness accounts, after the board approved the 5.5% referendum-funded supplements in August 2023, Cabinet-level staff and the former CPO were told of situations in which certain cadre directors and/or executive directors were earning less than their subordinates as a result of the updated referendum supplement structure that was allocated to BPAA and ESMAB group employees. The former CPO told the OCA that that discussion began to circulate in Cabinet around May or June of 2024. At that point, further discussions arose that giving increases to executive directors would create the same problem with the chief executives. According to the former CPO, the DSO started to change her thinking about expanding the allocation to the administrators above Salary Band Level D.

In an email, dated January 29, 2026, the Interim General Counsel for the Office of General Counsel, since January 10, 2026, informed the OCA that she did not provide any opinion at any stage regarding staffing models, compensation capacity, or personnel-related funding. Additionally, she did not provide any legal guidance concerning the inclusion of "staff," Meet and Confer groups, salary schedule revisions, adjustments to BPAA or D-band and below structures, or any future compensation commitments tied to referendum funding. In addition, the office did not have any record of a written legal opinion from the prior General Counsel on these matters.

Dr. Peter Licata resigned in April 2024. Following his resignation, Deputy Superintendent Dr. Howard Hepburn was named his replacement (initially as interim Superintendent) on April 16, 2024.[7] Dr. Hepburn informed the OCA that he unexpectedly received a referendum-funded supplement while serving as Deputy Superintendent. Upon realizing the payment was issued to him, he returned the funds and declined to accept any referendum-funded supplement payments going forward, stating that he did not believe he should be included.

Referendum Change Preparation for 2024-2025

On July 1, 2024, in an email, the former CPO requested that the Compensation Manager prepare updated numbers needed for a closed-door meeting on the 23rd (July), for ESMAB Salary Band Level "E and above and executive…and compute what the referendum will cost with 5.5%." (**EXHIBIT 2**)

A brief time later, on July 15, 2024, the former CPO sent another email that asked the Compensation Manager for the updated information and indicated the information was also needed for a discussion with Superintendent Dr. Hepburn. (**EXHIBIT 3**)

On July 23, 2024, the agenda for closed door meeting referred to Topic #2 "2024-2025 Referendum" and "Recommendation #1: Keep Supplements, Safety, Mental Health percentages the same." Neither the Superintendent nor the former CPO could recall whether any matters involving the Meet and Confer employee group(s) came up in closed-door discussion. None of the Referendum Planning Referendum Summary Detail, prepared by Compensation, was included in the records provided to the OCA. The BCPS Human Resource

[7] BCPS initially hired Dr. Hepburn as the Deputy Superintendent, Teaching & Learning, on August 1, 2023.

Division's staff and former CFO staff communicated, modeled, analyzed, and prepared an Executive Summary and accompanying ESMAB salary band schedules prior to the former CPO submitting the requisite agenda documents to the SBBC on July 30, 2024, for consideration.

Special School Board Meeting July 30, 2024

At the Special School Board Meeting on June 30, 2024, the former CPO prepared and submitted agenda items HH-3, HH-4, and HH-5, which recommended approval of the referendum-funded supplement allocations for the 2024–2025 school year and the corresponding salary band schedules. These items reflected 5.5% referendum-funded supplements applied to the base salaries of employees in all three Meet and Confer groups: BPAA, ESMAB, and COPA. In each of the accompanying Executive Summaries and recommended salary band schedules submitted for Items HH-3, HH-4, and HH-5, staff originally recommended referendum-funded supplement rates of 5.5% for all groups, continuing the percentage level previously approved by the board. There was no reference to including the remaining employees from the ESMAB Salary Band Level E and above.

The recommended 2024-2025 ESMAB Salary Band schedule showed the 5.5% referendum allocation that the board approved, a year prior, at the Special School Board Meeting held on August 29, 2023. However, there was no additional modifications highlighted via a strikethrough or in any other form to indicate the recommended removal of "Pay Band Level D and below" language effective 2024-2025. The reference was just removed. No new underlined language, other than the updated year, was included in the document. Nothing showed that all BCPS employees, including those in Pay Band E and above, were going to receive the referendum-funded supplement in 2024-2025. An excerpt from the ESMAB Salary Band Schedulesalary band schedule prepared and submitted for the Special School Board Meeting July 30, 2024, is provided in **OCA Figure 4** below.

OCA Figure 4: ESMAB Salary Band Schedule 2024-2025
July 30, 2024 Agenda Item 4-Exhibit

For the **2023-2024** school year, ESMAB employees who are in an active status as of the date of Board approval of this agreement will receive a 2.26% one-time bonus on their base salary (non-recurring, non-FRS eligible).

Employee eligibility to participate in a Board approved salary increase requires the completion of a year of employment service with the District as defined below, in an active regular status and an overall evaluation rating that is not "Unsatisfactory." A year of service is attained by working at least one (1) day more than half of the work calendar to which an employee was assigned during the prior fiscal year.

Referendum Funds: For the ~~2023-2024~~ 2024-2025 school year, eligible employees in the Educational Support and Management Associations of Broward, Inc. whose effective start date is on or before July 1, ~~2023~~ 2024, will receive a Referendum Supplement equal to 5.50% of base salary effective July 1st of the ~~2023-2024~~ 2024-2025 school year. The supplement is FRS eligible.

Newly hired employees after the commencement of the ~~2023-2024~~ 2024-2025 school year shall be eligible for a pro rata portion of the remaining 20 payments of the Referendum Supplement.

At the meeting, the former CFO confirmed that the referendum produced more than was expected based on property taxes. A motion was subsequently made to make sure that all employee groups had at least 5.5% through the referendum as the superintendent brings forward a budget each year. A substitute board member motion was subsequently made to approve Item 3 (BPAA), over a 3-year period, starting with 2024-2025, at 5.5%. The motion was unanimously approved. Another substitute motion was made to approve Item 4 (ESMAB), over a 3-year period, starting with 2024-2025, at 5.5%. The motion was unanimously approved. Another substitute motion was made to approve Item 5 (COPA), over a 3-year period, starting with 2024-2025, at 5.5%. The motion was unanimously approved.

After the approvals, the board member asked, "Wasn't the intent of the referendum to do exactly what we just did?" The former CPO answered, "…to provide salary assistance to our employees, all of our employee groups, yes." No further discussion occurred that referenced or clarified that only ESMAB Salary Band Schedule Band Level D and below employees were still eligible to receive the referendum-funded supplements or that the supplements would be expanded to include Band E Level and above level employees in future.

Neither the Compensation staff, nor the former CPO interviewed could explain when the "Pay Band Level D and below" referenced in the 2023-2024 approved salary band schedule (August 29, 2023) was removed or who made the change. He characterized the error as an "oversight."

Nothing showed that all BCPS employees, including those in Pay Band E and above, were ever going to receive the referendum-funded supplement in 2024-2025, 2025-2026, 2026-2027. An excerpt from the Amended ESMAB Salary Band Schedule following the approval of the substitute motion at the Special School Board Meeting July 30, 2024, is provided in **OCA Figure 5** below.

OCA Figure 5: ESMAB Salary Band Schedule 2024-2025
July 30, 2024 Agenda Item 4-Exhibit (Amended)

For the **2023-2024** school year, ESMAB employees who are in an active status as of the date of Board approval of this agreement will receive a 2.26% one-time bonus on their base salary (non-recurring, non-FRS eligible).

Employee eligibility to participate in a Board approved salary increase requires the completion of a year of employment service with the District as defined below, in an active regular status and an overall evaluation rating that is not "Unsatisfactory." A year of service is attained by working at least one (1) day more than half of the work calendar to which an employee was assigned during the prior fiscal year.

Referendum Funds: For the ~~2023-2024~~ 2024-2025, 2025-2026 and 2026-2027 school years, eligible employees in the Educational Support and Management Associations of Broward, Inc. whose effective start date is on or before July 1st of the school year, ~~2023~~ ~~2024,~~ will receive a Referendum Supplement equal to 5.50% of base salary effective July 1st of the ~~2023-2024~~ 2024-2025, 2025-2026 and 2026-2027 school years. The supplement is FRS eligible.

Newly hired employees after the commencement of the ~~2023-2024~~ 2024-2025, 2025-2026 and 2026-2027 school years, shall be eligible for a pro rata portion of the remaining 20 payments of the Referendum Supplement.

Following the SBBC's approval to include 2024-2025, 2025-2026, and 2026-2027, staff amended the salary band schedules to reflect the extension to three years but still did not include any other additional language.

The OCA's research showed that the salary band schedules were already amended on May 21, 2024, only reflecting changes to the ESMAB Salary Band Schedule pending the adoption of a provision providing a 2.26% one-time bonus of base salary to eligible ESMAB employees for the 2023-2024 school year. An excerpt from the ESMAB Salary Band Schedule prepared and submitted for the Special School Board Meeting on May 21, 2024, is provided in **OCA Figure 6** below.

OCA Figure 6: ESMAB Salary Band Schedule 2023-2024
May 21, 2024 Agenda Item HH-4-Exhibit

For the **2023-2024** school year, ESMAB employees who are in an active status as of the date of Board approval of this agreement will receive a 2.26% one-time bonus on their base salary (non-recurring, non-FRS eligible).

~~Effective July 1, 2022, eligible ESMAB employees shall receive a 4.00% increase. The salary schedule maximum values shall be increased by 4.00% effective July 1, 2022.~~

Employee eligibility to participate in a Board approved salary increase requires the completion of a year of employment service with the District as defined below, in an active regular status and an overall evaluation rating that is not "Unsatisfactory." A year of service is attained by working at least one (1) day more than half of the work calendar to which an employee was assigned during the prior fiscal year.

Referendum Funds: For the 2023-2024 school year, eligible employees in the Educational Support and Management Associations of Broward, Inc. whose effective start date is on or before July 1, 2023, will receive a Referendum Supplement equal to 5.50% of base salary effective July 1st of the 2023-2024 school year. The supplement is FRS eligible.

Newly hired employees after the commencement of the 2023-2024 school year shall be eligible for a pro rata portion of the remaining 20 payments of the Referendum Supplement.

The recommended 2024-2025 ESMAB Salary Band Schedule showed the 5.5% referendum allocation that the board approved, a year prior, at the August 29, 2023, Special School Board Meeting. However, there was no additional modifications highlighted via a strikethrough or in any other form to indicate the recommended removal of "Pay Band Level D and below" language effective 2024-2025. The reference was just removed. No new language, other than the updated year, was included.

Salary Analysis

To support the board's continued oversight of referendum-funded allocation practices, and in response to multiple initial board member inquiries at public meetings regarding upper-tier and high-level administrators, this section presents a comparative analysis of the BCPS highest-paid employees earning $100,000 and above.

Table 1 below demonstrates the total number of "highest-earning" employees in all employee groups and their corresponding salary ranges, compared to the BCPS's overall employee totals for each fiscal year.

CONCLUSION

Based on procedures performed and evidence obtained, the OCA concluded that BCPS did not maintain sufficient transparency, documentation, or governance controls over key stages of the referendum allocation process.

While the SBBC deliberately limited ESMAB eligibility of referendum-funded supplements to Salary Band Level D and below ESMAB employees for 2023–2024, as reflected in the agenda materials and salary band schedule, the OCA found no evidence that the board was advised of, or engaged in, specific discussions concerning the subsequent expansion of eligibility to include Band E and above for 2024–2025 prior to public action.

Beyond these findings, the OCA determined that BCPS staff showed a lack of fidelity marked by inconsistencies, lapses in communication, and failures to follow basic governance and documentary requirements. Critical changes, including the removal of the "Pay Band Level D and below" language from salary band schedules in July 2024 were made without explanation, attribution, or pronouncement in the supporting records. Staff interviewed could not identify who made these revisions, when they were made, or under whose authority they occurred. Ultimately, the salary band schedules and the executive summary were submitted as exhibits to the agenda on July 30, 2024, that resulted in a board approval.

Expected briefing practices and transparency used in prior referendum cycles were abandoned, resulting in board members not being properly or timely informed of material changes. These breakdowns indicate that staff did not exercise the level of diligence, internal control, or transparency required when administering voter-approved funding, undermining the board's ability to make informed decisions and to ensure the integrity of referendum-funded supplement allocations.

Recommendations

To remediate the conditions identified above and strengthen governance over referendum-funded supplements, the OCA recommends the following controls:

1. Set clear eligibility rules that specify which positions qualify for referendum-funded supplements, what salary thresholds apply, and which roles are not eligible unless the board explicitly approves their inclusion.

2. Require board approval for any changes to those eligibility rules, including adding or removing employee groups, adjusting salary levels, or changing how eligibility is interpreted.

3. Document all changes and decisions related to referendum allocations, including drafts, redlines, version histories, authorship, and meeting notes, with proper retention to ensure a full audit trail of the actions taken.

4. Hold a public briefing workshop before the board sees any major change, such as adjustments affecting salary bands, eligible groups, or compensation amounts, with clear explanations and a pronounced rationale.

5. The Superintendent should develop processes to ensure that all staff follow this policy and maintain the documentation, transparency, and briefing practices required herein. No referendum-funded supplements should be issued contrary to the eligibility criteria and governance standards established by the board.

> **It is critically important to understand that without this renewal, funding from the original half mill referendum will no longer exist. Those funds provided for over 500 school safety personnel and 100 mental health professionals and over $80 million dollars in compensation supplements for teachers and eligible staff.**

Dear Secure the Next Generation Referendum Champions,

At Broward County Public Schools (BCPS), our focus is Students First! Our priorities include increasing compensation supplements for teachers and staff to: attract and retain highly qualified employees; ensuring safer learning environments and; investing in mental health and other essential services for students and families.

To achieve these priorities, the District is presenting voters with a renewal of the Secure the Next Generation Referendum that will be on the ballot for the August 23, 2022, primary election.

In 2018, voters approved a similar referendum for half a mill that is set to expire.

The new Secure the Next Generation Referendum would increase voters' investment in education from a half-mill to one mill to continue securing funds for all public schools – and will now also include charter schools – to:

- Recruit and retain high-quality teachers and eligible staff by increasing compensation supplements
- Maintain and enhance school resource officers and school safety staff
- Maintain and enhance essential programs, such as mental health services

It is critically important to understand that without this renewal, funding from the original half mill referendum will no longer exist. Those funds provided for over 500 school safety personnel and 100 mental health professionals and over $80 million dollars in compensation supplements for teachers and eligible staff.

Broward County Public Schools asks for your assistance in championing and sharing this information with your school community, colleagues, constituents, social media networks, friends and family.

Attached to this email, you will find:

- An informational one-page flyer to print and distribute
- Answers to frequently asked questions to inform and educate
- A video message explaining the Secure the Next Generation referendum renewal
- Social media message templates
- Sample language to include in a letter to your audiences

Please Note: District employees, while in their official capacities and roles, can only educate and share information regarding ballot initiatives. Employees are not permitted to tell anyone how to vote in their official District capacity. However, employees can share what will happen if the referendum does or does not pass voter approval.

Thank you for helping us Secure the Next Generation.

If you have any questions regarding this initiative, please contact the BCPS Legislative Affairs office at 754-321-2608.

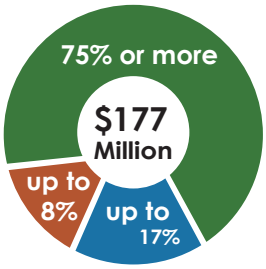
RENEWAL

Broward County Public Schools (BCPS) is presenting voters with a referendum renewal that will appear on the August 23, 2022, primary election ballot.

The Secure the Next Generation Referendum would increase voters' investment in education to one mill to continue securing funds for all public schools – and will now also include charter schools – to:

- Recruit and retain high-quality teachers and eligible staff by increasing compensation supplements
- Maintain and enhance school resource officers and school safety staff
- Maintain and enhance essential programs, such as mental health services



- Supplements for teachers and eligible staff
- School resource officers and safety staff
- Essential programs

Audit Approval:

The District engaged S. Davis & Associates, P.A. to audit the current, and soon to expire, Secure the Next Generation Referendum. The audit noted that the District expended Secure the Next Generation funds as approved by voters on the August 28, 2018, referendum ballot.

Why does BCPS need to renew the referendum and increase it to 1 mill?

The funds from the ½ mill referendum that voters approved in 2018 are set to expire. Those funds support over 500 school safety personnel, 100 mental health professionals, and approximately $82 million in compensation supplements for teachers and eligible staff to compete with neighboring school districts.

The School Board voted to approve and present this referendum on the August 23, 2022, primary election ballot, with an increase to one mill, for voters to consider investing in Broward County Public Schools.

This renewal would provide BCPS with the ability to compete with neighboring school districts, and to account for new legislation that requires the District to now share nearly 20% of these funds with charter schools.

What is a mill or millage rate?

The mill or millage rate is the amount of property value used to calculate local property taxes. One mill would provide $100 for every $100,000 of assessed property value.

What is the Difference Between the Secure the Next Generation Referendum renewal and the SMART Bond?

The Secure the Next Generation Referendum is not related to the SMART Bond. SMART Bond funds strictly provide funding for critical maintenance needs and capital improvements to buildings. The SMART Bond funds cannot be used for compensation or noncapital expenses. To learn more, visit bcpssmartfutures.com.

What to expect for year 2023:

- The average homeowner with a home market value of $393,755 for 2021 and a School Board taxable value of $274,220, would invest approximately $274 that year or $23 per month, which is an additional $11.50 more than their current investment.*
- The average condo owner with a condo market value of $192,806 for 2021and a School Board taxable value of approximately $158,421, would invest approximately $158 that year or $13 per month, which is an additional $6.50 more than their current investment.*
- If the referendum passes, it would generate $177 million for BCPS and $45 million for charter schools annually, a total of approximately $227 million (including 2% collection shortfall in property taxes) in fiscal year 2023. The referendum will expire in four years.

** A homeowner's/condo owner's investment varies based on their School Board taxable value and is subject to change annually.*

Answers to Frequently Asked Questions

What is a mill or millage rate?

- The mill or millage rate is the amount of property value used to calculate local property taxes. One mill would provide $100 annually for every $100,000 of assessed property value.

What is the difference between the Secure the Next Generation Referendum renewal and the SMART Bond?

- The Secure the Next Generation Referendum is not related to the SMART Bond. SMART Bond funds strictly provide funding for critical maintenance needs and capital improvements to buildings. The SMART Bond funds cannot be used for compensation or noncapital expenses. To learn more, visit **bcpssmartfutures.com**.

SMART Update:

- While the SMART Bond program experienced some unforeseen implementation delays, the District has taken measures to get the program back on track, which included hiring a new program manager a year and a half ago. Since then, the program has made notable strides towards a completion date by end of year 2025.

- Currently, there are over 60 completed projects, 180 projects are actively under construction, and more than 50 others that will begin construction. To learn more, visit **bcpssmartfutures.com**.

Why does BCPS need to renew the referendum and increase to one mill?

- Funds from the half mill referendum, which voters approved in 2018, are set to expire. Those funds support over 500 school safety personnel, 100 mental health professionals, and approximately $82 million in salary supplements for teachers and eligible staff, to compete with neighboring school districts. Without this renewal, those funds will no longer exist.

- Outside of the legislative process, a referendum is the School Board's only option to raise additional funds.

- The Secure the Next Generation Referendum would increase voters' investment in education to one mill to continue securing funds for all public schools – and will now also include charters schools – to:

    - Recruit and retain high-quality teachers and eligible staff by increasing compensation
    - Maintain and enhance additional school resource officers and school safety staff
    - Maintain and enhance essential programs, such as mental health services

- On April 26, 2022, the School Board approved to present this referendum on the August 23, 2022, primary election ballot, with an increase to one mill, for voters to consider investing in Broward County Public Schools.

- This renewal would provide BCPS with the ability to compete with neighboring school districts (Miami Dade County Public Schools, presenting an increase from the current .75 mill, to one mill and the School District of Palm Beach County Public Schools is currently at one mill) and to account for new legislation that now requires the District to share nearly 20% of these funds with charter schools.

When will Broward County vote on the referendum?

- During the August 23, 2022, primary election.

How will the funds be allocated?

The School Board voted to allocate funds for the following:

- 75 % or more to provide compensation supplements to recruit and retain teachers
- Up to 17 % to provide funding for school resource officers and school safety staff
- Up to 8 % to preserve important programs, such as mental health services and personnel

All compensation will be subject to collective bargaining. The public will have an opportunity to comment on the dispersal of funds generated prior to distribution. These funds will not be available until the 2023/24 school year.

How much will it cost the average homeowner or condominium owner?

- The average homeowner with a home market value of $393,755 for 2021 and a School Board taxable value of $274,220, would invest approximately $274 that year or $23 per month, which is an additional $11.50 more than their current investment.*
- The average condo owner with a condo market value of $192,806 for 2021 and a School Board taxable value of approximately $158,421, would invest approximately $158 that year or $13 per month, which is an additional $6.50 more than their current investment.*
- If the referendum passes, it would generate $177 million for BCPS and $45 million for charter schools annually, which is a total of approximately $227 million in fiscal year 2023 (includes 2% collection shortfall in property taxes). The referendum will expire in four years.

* A homeowner's/condo owner's investment varies based on their School Board taxable value and is subject to change annually.

Was there a third-party audit review?

The District engaged S. Davis & Associates, P.A. to audit the current, and soon to expire, Secure the Next Generation Referendum. The audit noted that the District expended Secure the Next Generation funds as approved by voters on the August 28, 2018, referendum ballot.

How were the current referendum funds (from 2018) allocated?

72% of collected referendum funds (in 2022, that is approximately $82 million) in supplements with the following breakdown:

- **Security**
  Minimum to maximum annual amount
  $380 – $2,000
  Average $542
- **Teachers**
  Minimum to maximum annual amount

District-zone Impact: District-wide.

Impact of the School Board's Vote:
- If the School Board votes "Yes": The District will be following statutory requirements per Florida Statute 274.07.
- If the School Board votes "No": The District will continue to carry obsolete Tangible Personal Property in the District's financial records and the District will be out of compliance with statutory requirements per Florida Statute 274.07.

Background/History
The surpluses of tangible personal property shall be submitted to the Board pursuant to Florida Statute 274.07, which requires "the disposal of property shall be recorded in the minutes of the governmental unit." This item includes a Surplus of Tangible Personal Property for the period ended December 31, 2025, with a net book value of $3,915.35. The net book value is an accounting term used to describe the cost of an asset, less accumulated depreciation, or amortization. Items recommended for a surplus are reviewed and approved by the Surplus Committee. All items will be disposed of as prescribed by law.

Alignment to 2027 Goals and Guardrails: Business Operations.

Measurable Outcome(s)/Return on Investment:
There is no Return on Investment since these items have zero and/or minimal book value and in most cases exceeded their useful life. Per Florida Statute 274.07, proper and timely disposition of the District's surplus of Tangible Personal

Property is required.

Financial Impact, Funding Source & Budget Status:

- There is no financial impact to the District.

EXECUTIVE SUMMARY

Budget Report for the Period Ended December 31, 2025

Board Meeting Date: February 10, 2026

Requested Action:
Approve the Budget Report for the period ended December 31, 2025.

School Board Policy Requirement/Authority:
This item is not required by School Board Policy, but is statutorily required as described below.

Statutory Requirement/Authority:
This item is required in accordance with Section 1011.06(2), Florida Statutes, monthly statements must be submitted to the School Board showing the revenues, expenditures, and balances of the various funds of the District.

District-zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The Board will approve the Budget Report for the period ended December 31, 2025. Approval ensures continued transparency and compliance with statutory financial reporting requirements, providing a complete record of revenues earned, expenditures incurred, and fund balances by major fund type. These reports allow the Board and administration to monitor fiscal trends, evaluate budget performance, and make informed financial decisions.
- If the School Board votes "No": The Board will not approve the Budget Report for the period ended December 31, 2025. Failure to approve the report could delay public transparency of the District's financial position, interrupt required monitoring of fund balances and spending patterns, and risk non-compliance with Section 1011.06(2), Florida Statutes. It may also hinder the timely submission of financial documentation used to inform future budget amendments, year-end projections, and required state reporting.

Background/History
The FY 2025-26 budgets were adopted by the School Board on September 9, 2025. Following budget adoption, amendments are processed as necessary to reflect changes in revenues, expenditures, and funding allocations and are reported to the Board through monthly financial reports.

The attached Budget Report presents the adopted and amended budgets compared to actual revenues earned and expenditures incurred through December 31, 2025. This information provides a point-in-time snapshot of the District's financial position and supports ongoing monitoring of budget execution, efficiency, and fiscal trends.

All financial activity is recorded in accordance with applicable accounting standards and is subject to annual independent external audit. When applicable, the report reflects budget amendments resulting from changes in funding sources, program needs, or operational requirements.

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Provides timely financial transparency, supports statutory compliance, and enables ongoing oversight of budget execution, fund balance trends, and fiscal sustainability in alignment with the District's Strategic Plan.

Financial Impact, Funding Source & Budget Status:
This item is informational in nature and does not authorize additional spending. The Budget Report reflects revenues earned and expenditures incurred through December 31, 2025, across all major District funds.

Based on financial activity recorded to date and approved budget amendments reflected in this report, the District is projecting an impact to the General Fund Unassigned Fund Balance for FY 2025-26. The District continues to operate in a constrained fiscal environment driven by enrollment-related funding reductions, expenditure pressures, and limited budgetary flexibility. In order to preserve fiscal stability and ensure compliance General Fund fund balance, the District has implemented a hiring freeze and travel freeze and is evaluating the need for additional expenditure controls. The School Board recently approved the closure and consolidation of six schools effective next school year to better align facility utilization and operating costs with enrollment levels. These actions are intended to support long-term expenditure alignment and operational efficiency as enrollment trends evolve

These measures are intended to manage spending growth, protect fund balance levels, and maintain the District's ability to meet ongoing operational and contractual obligations. District leadership will continue to closely monitor revenue collections, expenditure trends, and fund balance positions and will provide the School Board with updates on the effectiveness of these actions, as well as any recommended adjustments, through future budget reports and agenda items.

Multi-year agreement: Yes / No
No. This item reflects financial activity for the current fiscal year and does not involve any contractual agreements.

Procurement Method:
The Budget Report is informational and does not require procurement actions or vendor selection.

Impact on Schools:
This Budget Report supports the School Board's oversight of financial resources used to support schools and provides early insight into expenditure and funding trends that may affect school operations later in the fiscal year.

If there is an impact on schools, how will schools be selected/prioritized:
This Budget Report is districtwide in nature and does not involve the selection or prioritization of individual schools. The report provides an overall financial perspective to support equitable resource management across all schools.

Stakeholder Engagement/ End-User Input:
This item is a statutory monthly Budget Report based on budget and accounting records and does not involve discretionary decisions that would require stakeholder or end-user input.

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:
The Budget Report reflects capital fund activity but does not authorize new technology, equipment, or facility expenditures.

Additional Backup:
The December 2025 Budget Report is attached and includes both summary and detailed financial statements for the General Fund, Referendum Fund, Debt Service, Capital Projects, and Special Revenue funds, including Food Service, Grants, and Miscellaneous funds.

The report provides:

- Adopted and amended budgets through December 31, 2025;
- Year-to-date revenues and expenditures by object and function;
- Fund balance analysis reflecting projected year-end positions; and
- Explanatory notes describing significant changes or variances.

This report provides a cumulative record of District financial activity for the fiscal year to date and supports ongoing School Board oversight of revenues, expenditures, and fund balances in accordance with statutory requirements and internal fiscal controls. Monthly budget reporting continues throughout the fiscal year and culminates with the Superintendent's Annual Financial Report (SAFR) following year-end close.

Due Date: February 6, 2026

Established 1915 BROWARD County Public Schools | Educating Today's Students to Succeed in Tomorrow's World

Topic: February 10, 2026 – RSBM
F-2.) Budget Report for the Period Ended December 31, 2025

Staff Follow Up: Can you please explain the projected fund balance? This item says the projected fund balance is 3.94% but when this was discussed at our January board meeting, the CFO said our projected fund balance is under 3%, which requires additional action.

Response: Based on current revenue collections, expenditure trends, and known commitments, the District's projected year-end General Fund Assigned and Unassigned Fund Balance is expected to remain **near, but above, the State's 3% minimum requirement**.

Financial pressures require close monitoring and active management, and the District is implementing strategies, including hiring and travel freezes, to maintain compliance with State requirements. Additional details on the projected year-end financial position will be reviewed at the February 17 Budget Workshop update.

This projection may change as the year progresses based on:

- Actual revenue collections
- Health insurance and fringe cost trends
- Substitute and staffing expenditures
- Legislative or categorical funding changes
- Organizational alignments

EXECUTIVE SUMMARY

Conflict of Interest Waiver Request – Greenberg Traurig, P.A.

Board Meeting Date: February 10, 2026

Requested Action: Approve the request for conflict of interest waiver, dated January 26, 2026, by Greenberg Traurig, P.A.

School Board Policy Requirement/Authority: N/A

Statutory Requirement/Authority: Pursuant to Florida Rule of Professional Conduct 4-1.8(b), an attorney cannot represent any client if the representation of that client will be directly adverse to the interests of another client, unless each client, after consultation, consents to such representation.

District-zone Impact: District-wide

Impact of the School Board's Vote:

- If the School Board votes "Yes": Greenberg Traurig may continue representing both The School Board of Broward County, Florida (SBBC) and J.P. Morgan on the 2026 Financings with confidentiality safeguards in place. This avoids disruption to the transactions and carries no financial impact to the District.

- If the School Board votes "No": Greenberg Traurig would be unable to continue representing both SBBC and J.P. Morgan on the 2026 Financings, requiring replacement counsel and potentially delaying the transactions. This disruption could complicate the financing timeline and require additional coordination to maintain compliance and continuity.

Background/History

Greenberg Traurig, P.A. (the "Firm") serves as ongoing Bond Counsel to SBBC and currently represents SBBC with the issuance of The School Board of Broward County, Florida's Certificates of Participation, Series 2026 and General Obligation Bonds, Series 2026 (together, the "Financings") being Underwritten by J.P. Morgan Securities LLC.

In November, J.P. Morgan Securities LLC ("JPM") retained George A. Smith, PLLC as Underwriter's Counsel for SBBC's 2026 Financings. Mr. Smith left his prior firm on January 12, 2026, and joined the Firm, both matters—Bond Counsel for SBBC and Underwriter's Counsel for JPM—became housed within the same law firm. Because the Firm represents both parties on these Financings, and also represents each on unrelated matters, this creates a potential conflict of interest under the Rules Regulating The Florida Bar, requiring full disclosure and informed written consent.

The Firm explains that it has implemented procedures to ensure no confidential information is shared between the legal teams representing SBBC and JPM, and believes its independent

professional judgment will not be impaired. SBBC will continue to be independently represented by Nabors, Giblin & Nickerson, P.A. as Disclosure Counsel, while the Firm—through Mr. Smith—will provide Rule 10b-5 negative assurance solely to JPM. The Firm requests the written consent of both SBBC and JPM to allow the dual representation to continue, with the agreement that the Firm will not represent either party against the other in any litigation relating to the Financings and will maintain confidentiality throughout.

The General Counsel's office has reviewed the request and has no objection to same. Furthermore, Rule 4-1.8(b) prohibits a lawyer from using any information relating to the representation of a client to the detriment of the client's interests without further informed consent by the client.

A Conflict of Waiver acknowledgment form is attached for execution by the Chair and the Superintendent should the waiver request be approved.

Re: Waiver of Possible Conflict of Interest in connection with the issuance of The School Board of Broward County, Florida's Certificates of Participation, Series 2026 and General Obligation Bonds, Series 2026 (together, the "Financings") being Underwritten by J.P. Morgan Securities LLC

Ladies and Gentlemen:

This letter will serve to confirm our mutual understanding and agreement with respect to the matters described herein. As you are aware, Greenberg Traurig, P.A. (the "Firm") serves as on-going Bond Counsel to The School Board of Broward County, Florida (the "Board"), and currently represents the Board on the referenced Financings. Such representation is led by Robert C. Gang, a Shareholder in the Firm's Miami, Florida office. In November, 2025, J.P. Morgan Securities LLC ("JPM") retained George A. Smith, PLLC (the "Prior Firm"), as Underwriter's Counsel for the Financings, and such representation was led by George A. Smith.

On January 12, 2026, Mr. Smith resigned from the Prior Firm and joined the Firm's Tallahassee office as a Shareholder. In accordance with the Rules Regulating The Florida Bar, the Firm, including Mr. Gang and Mr. Smith, have implemented procedures to assure that confidential information, if any, related to the Firm's representation of the Board in the Financings and the confidential information, if any, related to the Prior Firm's representation of JPM in the Financings were not revealed.

After fully discussing Mr. Smith's new position with the Firm, and the Board's expectation that the Firm will continue its representation in the Financings, JPM has requested that Mr. Smith continue to represent it in the Financings. Additionally, other members of the Firm provide legal representation to the Board, and to JPM on matters unrelated to the Financings from time to time. The Board and JPM have consented to the dual legal representations by the Firm related to the Financings, and, by acceptance below of this letter, give their informed written consent to such legal representations.

It is understood that the Board will be independently represented by Nabors, Giblin & Nickerson, P.A. (the "Disclosure Counsel"), as Disclosure Counsel, in securities matters for the Financings and the Firm will not provide securities related representation to the Board on the

Financings. Disclosure Counsel is preparing the Offering Statement and the Official Statement for the Financings on behalf of the Board and will deliver a traditional SEC Rule 10b-5 negative assurance opinion to the Board with a reliance letter to JPM. Further, the Firm, through Mr. Smith, will deliver its traditional SEC Rule 10b-5 negative assurance opinion regarding the Financings solely to JPM.

The Firm has agreed to undertake the representation of the Board as bond counsel on the Financings, and to represent JPM as Underwriter's Counsel on the Financings with the express consent and agreement of the Board and JPM, and our mutual understanding and agreement to the terms set forth herein.

The Firm's on-going representation of the Board and JPM on the Financings raises potential conflicts of interest. Under the applicable ethical rules we would be precluded from undertaking the proposed representation unless all affected clients waive the conflict of interest. Such a conflict of interest is waivable only if (i) the conflict is fully disclosed to all parties, (ii) our exercise of independent professional judgment in the proposed representation of one client will not be materially limited by our responsibilities to the other client, (iii) we reasonably believe that our representation will not be adversely affected by the conflict, and (iv) our representation does not violate any other ethical requirements.

With respect to all conflict issues in this proposed representation, we believe that our exercise of independent professional judgment in our representation as Bond Counsel to the Board and as Underwriter's Counsel to JPM in connection with the Financings, respectively, will not be materially impaired by our representation of the other.

It is our understanding that the Board and JPM are willing to waive the potential conflict of interest and to consent to our Firm's representation of the Board as Bond Counsel on the Financings and our concurrent representation of JPM on the Financings, provided that in the event that any litigation between the parties ensues in connection with the Financings, the Firm shall be precluded from representing any party hereto in such litigation against the other. Notwithstanding the preclusion, the Firm shall be permitted to continue representation of both the Board and JPM on matters other than the Financings, to the extent described above (but not in litigation regarding the Financings).

In no event will confidential information obtained from either party be disclosed or used in any proceedings adverse to the other. During our representation of the Board and JPM in connection with the Financings, (i) none of our attorneys involved in the representation of JPM will share files or other information relative thereto with any of our attorneys representing the Board with respect to the Financings, and (ii) none of our attorneys involved in the representation of the Board as bond counsel in connection with the Financings will share files or other information relative thereto with any of our attorneys representing JPM in connection with the Financings.

The waivers and agreements in this letter will continue in effect upon the termination of our representation of either client. We understand that JPM will provide to us a separate confirmation of the waiver and consent described hereinabove (the "JPM Letter"). Upon receipt we will provide a copy to the Board. Therefore, we request that the Board confirm to us the waiver and consent described above by signing and returning to us a counterpart of this letter as provided below. A facsimile or electronically signed copy of the JPM Letter and this letter and all signatures thereon and hereon shall be considered as originals for all purposes.

EXECUTIVE SUMMARY

Conflict of Interest Waiver Request – GrayRobinson, P.A.

Board Meeting Date: February 10, 2026

Requested Action: Approve the request for conflict of interest waiver, dated February 4, 2026, by GrayRobinson, P.A.

School Board Policy Requirement/Authority: N/A

Statutory Requirement/Authority: Pursuant to Florida Rule of Professional Conduct 4-1.8(b), an attorney cannot represent any client if the representation of that client will be directly adverse to the interests of another client, unless each client, after consultation, consents to such representation.

District-zone Impact: District-wide

Impact of the School Board's Vote:

- If the School Board votes "Yes": GrayRobinson, P.A. could represent Broward Health in the potential land sale while maintaining its separate, existing representation of The School Board of Broward County, Florida (SBBC) in unrelated matters.

- If the School Board votes "No": GrayRobinson, P.A. could not represent Broward Health in the potential land sale while maintaining its separate, existing representation of SBBC in unrelated matters.

Background/History

GrayRobinson, P.A. ("the Firm") provides ongoing legal defense services to SBBC in connection with various employment and negligence matters.

The Firm is seeking approval of a conflict-of-interest waiver related to the use of the Firm as legal counsel for Broward Health in the potential purchase of vacant land in Parkland from SBBC. Although the Firm represents SBBC in other matters, it is not representing SBBC in this potential transaction; SBBC is represented by Balocco & Abril.

Under Florida Bar Rules, the Firm may represent Broward Health in this transaction only if both SBBC and Broward Health provide written consent. The Firm has confirmed that the transaction will not adversely impact its existing relationship with SBBC and will withdraw from representing either party should a dispute arise.

The Firm is seeking a signed waiver from both entities before proceeding.

The General Counsel's office has reviewed the request and has no objection to same. Furthermore, Rule 4-1.8(b) prohibits a lawyer from using any information relating to the representation of a client to the detriment of the client's interests without further informed consent by the client.

A Conflict of Waiver acknowledgment form is attached for execution by the Chair and the Superintendent should the waiver request be approved.

The School Board of Broward County, Florida

Re: Waiver of conflict of interest in connection with the sale of land from the School Board of Broward County ("School Board) to North Broward Hospital District ("Broward Health")

Dear Ms. Leonardi and Dr. Hepburn:

The purpose of this letter is to request the School Board's written waiver of any existing or potential ethical conflicts associated with GrayRobinson, P.A.'s representation of Broward Health in the real estate transaction described below (the "Transaction").

Broward Health is planning to purchase vacant land located in Parkland, Florida from the School Board and Broward Health requested GrayRobinson, P.A. ("GrayRobinson") be its legal counsel with respect to this Transaction. Jeanette Flores will be Gray Robinson's lead attorney in this matter and Ms. Flores has not worked on any matters for the School Board. The School Board is represented by Joseph Balocco of Balocco & Abril in the Transaction.

Chapter 4 (Rules of Professional Conduct) contained in the Rules Regulating The Florida Bar governing the legal profession and members of the Florida Bar preclude GrayRobinson's representation of Broward Health if its interests are directly adverse to School Board and its interests unless: (1) we believe our representation of Broward Health would not adversely affect our responsibilities to and existing relationship with the School Board; and (2) the School Board and Broward Health both consent in writing to the Firm's simultaneous representation and work for both the School Board and Broward Health.

In view of these circumstances, we respectfully ask the School Board to grant a waiver of any conflict of interest for this Transaction and no other matters. If any dispute, litigation, or arbitration should arise between the School Board and Broward Health in connection with this Transaction, then GrayRobinson will withdraw from further representation of Broward Health and will not represent either Broward Health or the School Board in the matter. If the School Board is concerned about this Transaction for any reason, then please do not grant this request. We are interested in representing Broward Health in this matter only if the School Board is comfortable with this waiver request.

If the School Board approves and is willing to waive existing or potential ethical conflicts associated with GrayRobinson, P.A.'s representation of Broward Health in this Transaction, then please sign the acknowledgement set forth below and email the executed copy of this waiver letter to me as soon as possible. We will also be requesting a signed waiver of conflicts from Broward Health.

Thank you.

Sincerely,

Jeannette Flores

The undersigned is authorized to sign this letter and hereby waives any conflicts with respect to the Transaction described in this letter.

EXECUTIVE SUMMARY

Second Amendment to Recreation License Agreement

Board Meeting Date: February 10, 2026

Requested Action:

Approve the Second Amendment to the Recreation License Agreement (RLA) between the School Board of Broward County, Florida (SBBC), and the City of Dania Beach (City).

School Board Policy Requirement/Authority:

Not applicable

Statutory Requirement/Authority:

Section 1013.15 Florida Statutes

District-zone Impact: District 1

Impact of the School Board's Vote:

- If the Board votes "Yes": If the Board votes **"Yes,"** the Second Amendment to the Recreation License Agreement (Second Amendment to RLA) will become effective, granting the City a **Right to Purchase (RTP)** for the licensed premises (See Exhibit A of the Second Amendment to RLA) located at Olsen Middle School, if and when the SBBC decides to sell the licensed premises in the future.
- If the Board votes "No": The City will not be granted a RTP the licensed premises, if and when the SBBC decides to sell the licensed premises at a future date. While the RLA and the First Amendment to RLA would remain in effect, the City would not have a guaranteed opportunity to purchase the licensed premises, and therefore, would have no assurance in protecting the long-term recreational improvements investment it made on the licensed premises.

Background/History

For context, Recreation License Agreements (RLAs), previously known as Master Lease Agreements (MLAs), are long-term agreements designed to ensure continuous use of the facilities identified within them. Although their durations vary, RLAs typically span between 20 and 50 years. This long-term structure enables Licensees — such as municipalities to:

1. Lease existing recreational areas of properties owned by SBBC for the purpose of utilizing the recreational amenities identified in the RLAs.

2. Lease existing recreational areas of SBBC school grounds for the purpose of making recreational improvements to the existing recreational amenities contained therein on the school grounds and identified in the RLAs.

3. Lease the outdoor areas of SBBC school grounds for long durations to construct parks and new recreational amenities.

Additionally, the municipalities' primary intent of the scenarios listed above, is to subsequently enable their residents to utilize the recreational areas/amenities at pertinent school grounds during after school hours, on weekends, and during SBBC recognized holidays. Likewise, students at SBBC school locations, whose grounds the recreational amenities are located on, are afforded the right and opportunity to utilize the recreational areas/amenities during school hours.

The City currently maintains two RLAs with SBBC, each with terms ranging from 25 to 40 years. These agreements cover: (1) the licensed leased premises at Olsen Middle School; and (2) the lease of SBBC-owned vacant land at the Griffin Road site, where the City previously constructed the park now known as Patrick J. Meli Park.

The current RLA with the City for the licensed premises on Olsen Middle School grounds, was amended via a First Amendment to RLA, to permit the City to construct the following within the licensed premises:

1. Parking spaces
2. One track and field with a multi-purpose center field with synthetic grass
3. One passive walk-park
4. One tennis court
5. Two pickleball courts
6. One facility that the City Parks and Recreation Department could occupy
7. One multi-age playground with sunshade canopy
8. One basketball court
9. Fencing, gates, and locks where necessary

This Second Amendment to RLA grants the City the RTP the Olsen Middle School licensed premises. If SBBC sells the property in the future, the City has the first right to buy it at appraised fair market value for recreation, per School Board Policy 8030. The deed will include a **20-year Restrictive Covenant** ensuring the land is used only for public recreational purposes during that time.

By approving the Second Amendment to the RLA, SBBC ensures that if the licensed premises are sold, they will remain for community recreational use for at least 20 years, protecting the City's investment in recreational improvements at Olsen Middle School.

Alignment to 2027 Goals and Guardrails:

Business Operations

Measurable Outcome(s)/Return on Investment:

1. The binding obligation contained in the Second Amendment to RLA assures that if the SBBC decides to sell the licensed premises in the future, and with the City's RTP the licensed premises, the licensed premises will remain dedicated to **public recreational purposes** for at least 20 years as called for in the **Restrictive Covenant**.

2. The access to and use of the licensed premises and the modern recreational amenities contained thereon by the students attending Olsen Middle School.

SECOND AMENDMENT TO RECREATION LICENSE AGREEMENT

THIS SECOND AMENDMENT TO RECREATION LICENSE AGREEMENT is made and entered into as of this_____ day of _____, 2026, by and between

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA,
(hereinafter referred to as **"SBBC"**),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue,
Fort Lauderdale, Florida 33301

and

CITY OF DANIA BEACH, FLORIDA
(hereinafter referred to as **"City"**),
a Florida municipal corporation
whose principal place of business
is 100 W. Dania Beach Blvd.,
Dania Beach, Florida 33004

WHEREAS, on January 18, 2023, SBBC and the City entered into a Recreation License Agreement (**"Agreement"**) to allow the City to make specific recreational improvements on and utilize portions of SBBC owned land (Site No. 47.1, a/k/a Olsen Middle School) for recreational and parking purposes; and

WHEREAS, on May 24, 2024, the parties entered into a First Amendment to memorialize the City's planned new conceptual recreational improvements planned for construction in the Licensed Premises at Olsen Middle School site; and

WHEREAS, the parties desire to amend the Agreement so that in the event the SBBC decides to sell Site No. 47.1, the City shall be afforded the right to purchase the Licensed Premises as identified in **Exhibit "A"** attached hereto; and

WHEREAS, the Parties mutually agree to amend the Agreement to memorialize the City's right to purchase the Licensed Premises at Olsen Middle School site.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 Recitals. The Parties agree that the foregoing recitals are true and correct and that such recitals areincorporated herein by reference.

ARTICLE 2-RIGHT TO PURCHASE

2.01 The Agreement is hereby amended by ADDING a new Article 3.22 as follows:

3.22 **Grant of Right**: SBBC grants the City the Right to Purchase ("RTP") the Licensed Premises as depicted in the sketch included in Exhibit "A" of the Recreation License Agreement. This RTP will remain in effect during the term of this Lease and any valid renewals or extensions thereof.

(a) Exercise of Right: The City has ninety (90) calendar days from the receipt of a Notice of Intent to Sell to exercise this RTP. To do so, the City must deliver written notice to SBBC expressing its intent to purchase the Licensed Premises. The closing of the sale shall occur within six (6) months of the date the RTP was exercised (the "Closing Period"). For purposes of this Agreement, "Notice of Intent to Sell" means a written notice delivered by SBBC to the City indicating that SBBC has determined to offer the Licensed Premises for sale.

(b) Purchase Price: The purchase price will be determined by an appraisal that values the land solely for its use as recreational land. The appraisal will not take into account the Licensed Premises' value for commercial, industrial, or residential development purposes, but will focus on its fair market value for outdoor public recreational activities. Additionally, any improvements to the property will not be included in the purchase price.

(c) Appraisals: The SBBC will determine the purchase price of the Licensed Premises in accordance with School Board Policy 8030.

(d) Closing Cost: The City shall be solely responsible for all closing costs associated with the purchase of the Licensed Premises, including but not limited to title insurance, recording fees, documentary stamp taxes, and other customary expenses.

(e) Restrictive Covenant. The deed will include a restrictive covenant for public use. This covenant will be binding on the City and all future owners of the Licensed Premises for a duration of twenty (20) years from the date the deed is recorded. The covenant will automatically expire on the twentieth (20th) anniversary of the deed's recording unless it is renewed through a separate recorded agreement.

2.02 Order of Precedence among Agreement Documents. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

(a) This Second Amendment to Recreation License Agreement; and
(b) This First Amendment to Recreation License Agreement; and
(c) The Recreation License Agreement.

2.03 Other Provisions Remain in Force. Except as modified herein, said Recreation License Agreement and the First Amendment to Recreation License Agreement shall remain in full force and effect.

SIGNATURES ON THE FOLLOWING PAGES

IN WITNESS WHEREOF, the parties hereto have each executed this Second Amendment to the Recreation License Agreement.

EXECUTIVE SUMMARY

Pre-Qualification of Contractors
Superintendent's Recommendations for Pre-Qualification Certification

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on January 15, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report.

School Board Policy Requirement/Authority: Not Applicable

Statutory Requirement/Authority: Yes. The State Requirements for Educational Facilities (SREF), 2014 Edition.

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew. Fourteen (14) firms representing sixteen (16) licenses will be recertified; Two (2) firms representing three (3) licenses will increase limits; Zero (0) firms are newly certified; and three (3) firms representing four (4) licenses are automatically revoked.
- If the School Board votes "No": Denial by the School Board would stop the pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase their limits.

Background/History
State statutes, regulations, and School Board policies allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty (60) days. State regulations and School Board policy require that the School Board act on appeals within thirty (30) days, District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Logistic Operations Department administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of a similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. The Procurement & Logistic Operations staff review the applications, make recommendations, and facilitate QSEC meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

"This item identifies fourteen (14) firms representing sixteen (16) licenses that will be re-certified; Two (2) firms are recommended to Increase Limits: 1) LEGO Construction Co., 2) State Contracting & Engineering Corporation."

EXECUTIVE SUMMARY

Supplier Diversity Outreach Program Summary of Progress

Board Meeting Date: February 10, 2026

Requested Action: Receive an update on the Supplier Diversity Outreach Program (SDOP) Summary of Progress for the October 1, 2025 – December 31, 2025 reporting period – Quarter 2.

School Board Policy Requirement/Authority: Policy 3330 - Supplier Diversity Outreach Program.

Statutory Requirement/Authority: N/A

District-zone Impact: District-wide.

Impact of the School Board's Vote:
- If the School Board votes "Yes": A Yes vote on this item will ensure that the Board's request to receive quarterly updates on the progress of the SDOP is fulfilled.
- If the School Board votes "No": A No vote on this item would not impact the Economic Development Opportunities & Compliance Department's (EDOC) continued implementation of programs to advance District goals for local small businesses and Certified Emerging/Small/Veteran/Minority/Women Business Enterprise (E/S/V/M/WBE) firms in procurement opportunities across all industry categories.

Background/History
The local business community is a critical component of the District's supply chain, and South Florida's economic infrastructure, benefiting our students and families. This item tracks activities undertaken by the Economic Development Opportunities & Compliance Department to increase utilization of local small, veteran, minority, and women-owned firms in District procurements.

Alignment to 2027 Goals and Guardrails: Business Operations.

Measurable Outcome(s)/Return on Investment: The measurable outcome is increased District spend with local E/S/V/M/WBE Certified suppliers.

Financial Impact, Funding Source & Budget Status: There is no existing, nor additional funding necessary for this item.

SUMMARY OF PROGRESS
ECONOMIC DEVELOPMENT OPPORTUNITIES & COMPLIANCE DEPARTMENT
SUPPLIER DIVERSITY OUTREACH PROGRAM
REPORTING PERIOD: OCTOBER 1, 2025 - DECEMBER 31, 2025 (FY26 Q2)

The Economic Development Opportunities & Compliance Department (EDOC) oversees the District's Supplier Diversity Outreach Program (SDOP). It is governed by School Board of Broward County Policy 3330 - Supplier Diversity Outreach Program and related Standard Operating Procedures. Policy 3330 was adopted to remedy the ongoing effects of identified marketplace discrimination that continue to adversely affect the participation of Emerging/Small/Veteran/Minority/Women Business Enterprises (E/S/V/M/WBE) in District procurement opportunities. The policy was updated by the Board on January 23, 2024 based on the Keen Independent Research 2023 Broward County Public Schools Disparity Study.

As EDOC continues to serve as a conduit to ensure inclusive procurement activity, we are implementing additional activities to fortify the target market. The summaries and illustrations below provide an update on the continual progress of SDOP for the October 1, 2025 - December 31, 2025 reporting period.

• CERTIFICATION CONTINUED

To increase the engagement of Veteran-Owned firms in the tri-county market, in FY26 Q2, EDOC implemented the following initiatives:

1. Event Invitations: Veteran-Owned firms received targeted, monthly invitations to EDOC outreach events to gain valuable information and insight on Certification and how to do business with the District.

2. Veteran Business Enterprise (VBE) Certification Email Blasts: The EDOC Certification team conducted targeted email campaigns to tri-county VOSB Certified businesses to extend the opportunity to get Certified with BCPS. From outreach events and email notifications, nearly fifty (50) veteran-owned firms have expressed interest in certification with BCPS, and with the launch of the B2Gnow Certification Module, the EDOC Certification Team is providing one-on-one assistance with the process.

3. Data Collection & Tracking Veteran Participation: To assess Veteran engagement for event registration, EDDC includes the question: *"Are you a veteran?"* on the e-form. This enables EDDC to measure and track veteran business participation across all future events and initiatives.

GOAL SETTING

From October 1, 2025 - December 31, 2025, the Superintendent's Goal Setting Committee (GSC) applied Affirmative Procurement Initiatives (APIs) to a total of twelve (12) solicitations. Note, the GSC does not review, nor assign, APIs to proposed contract amendments, renewals, piggybacks, nor sole source bids.

SOLICITATION EVALUATION DATA

During FY26 Q1, EDDC evaluated eight (8) District solicitations to assess participation and utilization of Certified small businesses. Within the eight (8) procurements, forty-eight (48) firms submitted proposals, of which eight (8) respondents were BCPS Certified primes. In addition, twenty-eight (28) Certified sub-consultants/contractors were included among the proposals submitted.

Comparatively, in FY25 Q4, EDDC evaluated twelve (12) District solicitations. Within the solicitations evaluated, forty-four (44) firms submitted proposals, of which nine (9) were BCPS Certified primes. Additionally, sixteen (16) Certified sub-consultants/contractors were included among the proposals submitted.

EXECUTIVE SUMMARY

Winter Guard International Inc.

Board Meeting Date: February 10, 2026

Requested Action: Approve the agreement between The School Board of Broward County, Florida (SBBC), and Winter Guard International Incorporated (WGI) to allow Broward County Public School students from selected participating schools (Charles W. Flanagan High School, Cooper City High School, Cypress Bay High School, Marjory Stoneman Douglas High School, Monarch High School, West Broward High School) to compete in color guard and percussion events through April 2026.

School Board Policy Requirement/Authority: N/A

Statutory Requirement/Authority: No

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": Broward County Public Schools students will be able to compete in color guard and percussion events by Winter Guard International Inc.
- If the School Board votes "No": Broward County Public Schools students won't be able to compete in color guard and percussion events by Winter Guard International Inc.

Background/History

Broward County Public Schools (BCPS) has a long-standing and highly visible history of participation in Winter Guard International (WGI) through several of its high school performing arts programs—particularly in color guard and percussion ensembles that compete at the regional and national level.

Overview of WGI Participation

WGI is the premier international circuit for indoor performance arts, hosting competitive events in:

- Color Guard
- Percussion
- Winds

BCPS schools have participated in WGI primarily through school-based marching band programs and their winter ensembles, typically organized under the school's band director and supported by booster organizations.

Over the years, multiple Broward high schools have been associated with WGI competition and regional success, including programs such as:

- Taravella High School
- West Broward High School
- Stoneman Douglas High School
- Flanagan High School
- Plantation High School
- Dillard 6-12 School
- Miramar High School
- McArthur High School
- Coral Glades High School

(Some of these schools have competed at different times depending on staffing, funding, and program leadership.)

Competitive and Educational Impact

Participation in WGI has been a major part of BCPS performing arts identity because it provides:

- Rigorous student leadership development
- Discipline, teamwork, and performance excellence
- Scholarship and recruitment opportunities for students
- National recognition for schools and the district

Alignment to 2027 Goals and Guardrails: Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment:
1. Increased participation in percussion and color guard performance programs.
2. Improved student cultural awareness, engagement, and collaborative skills.
3. Positive community and representation of Broward County Public Schools.

Financial Impact, Funding Source & Budget Status: There is no financial impact on the District's General Fund. All costs associated with the trip, including travel, lodging, and event participation fees, will be funded through student fundraising, and band booster contributions.

ACTION	BOARD DATE	Budgeted in Current FY Yes/No	Funding Source(s) and Code(s)	AMOUNT	TERM (months)

Nothing in this Agreement obligates SBBC or any Participating Group to register for, compete in, or otherwise participate in any Event. This Agreement creates no obligation on SBBC or any Participating Group to make any payment to WGI.

The following terms constitute an agreement made between SBBC and WGI regarding the relationship between the Parties, including during the Events and time between the Events. SBBC and WGI now agree as follows:

I. GENERAL TERMS AND CONDITIONS

A. Each Participating Group within SBBC shall be an entity with an existence that is separate from, and independent of, any particular individual. SBBC's Participating Groups shall have a leadership structure that provides for meaningful leadership and oversight by more than two (2) individuals. WGI and SBBC's Participating Groups are independent entities, with no partnership, joint venture, or agency relationship between them.

B. This Agreement may be terminated by either Party with or without cause, during the term hereof upon thirty (30) calendar days' written notice to the other party of its desire to terminate the Agreement. SBBC is entitled to a pro rata refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. Termination of this Agreement shall not relieve either Party of liability for breaches of the Agreement occurring prior to its termination.

C. SBBC's Participating Groups shall be responsible for registering for the Events in which each Participating Group wishes to participate, using the registration guidelines established by WGI for the period of this Agreement. All such registration guidelines are available at wgi.org/registration.

D. SBBC's Participating Groups shall not be eligible to participate in any WGI-sanctioned event unless this Agreement is in effect.

E. SBBC's Participating Groups shall comply with all rules and regulations prescribed by WGI, including without limitation all adjudication manuals and policy manuals in effect for the period of this Agreement. All such rules and regulations are available at wgi.org/rules. A current copy of which is incorporated into this Agreement by reference.

F. SBBC's Participating Groups shall each provide to WGI one (1) active mobile phone number to be used for official communication purposes during the period of this Agreement. The designated mobile phone number shall belong to an authorized representative of the respective Participating Group and must remain active and accessible for the duration of the Agreement. It is the responsibility of each of SBBC's Participating Groups to notify WGI promptly of any changes to the designated mobile phone number.

II. COST

A. **Cost**. The cost to the respective Participating Groups for registrations and associated competition charges (as applicable), to compete in WGI-sanctioned events under this Agreement is outlined in the table below:

B. **Payment.** If a Participating Group chooses to register for an Event, which is a separate action from the execution of this Agreement, then the Participating Group will cause the registration fee and associated competition charges (as applicable) to be paid to WGI in full at the time of registration from a funding source of the Participating Group's choosing. WGI shall have no oversight or control over the Participating Group's choice of funds for the payment of a registration fee and associated competition charges as applicable, which is an internal matter solely under the direction of SBBC and its Participating Groups.

III. PARTICIPANT PROTECTION

A. SBBC's Participating Groups shall comply with all applicable laws, including those of the state in which the Participating Groups are based and any state(s) to which the Participating Groups travel. All laws relating to the protection of participants within youth-serving organizations must be strictly observed. In addition, SBBC's Participating Groups are required to comply to the WGI Code of Conduct attached hereto as **Exhibit A**.

B. WGI requires SBBC's Participating Groups to obtain a national criminal history background check (or some satisfactory equivalent for your country or locale) for all adult supervisors. Adult supervisors are adults in instructional, design, or managerial roles who spend more than two (2) total hours or more per season of in-person interaction. SBBC must submit its signed agreement confirming that all adult supervisors have been disclosed to WGI and have been background checked per SBBC's existing hiring and compliance policies.

By signing this Agreement, SBBC agrees that it is fully executing this background check policy and acting in accordance with the WGI Code of Conduct and principles of participant protection. Additionally, SBBC represents that to the extent permitted by local, state, and federal privacy laws, the WGI Director of Participant Protection has been fully informed, in writing, if any adult supervisor:

- Has been the subject of an investigation or named in any report or allegation of inappropriate conduct.
- Has been terminated, not rehired, or removed from a role due to inappropriate conduct.
- Has been reprimanded, suspended, or had teaching of professional privileges revoked for inappropriate conduct.
- Has a record of allegations of inappropriate conduct, including investigative reports, police reports (even without arrest), or public records such as school board or administrative meeting minutes.
- Has been involved in past incidents that could negatively impact the reputation of WGI or its participants.

The term "inappropriate conduct" includes any conduct that would violate the WGI Code of Conduct but also includes any other conduct that was inappropriate under the

circumstances.

C. All adult supervisors, as defined in Section B, must complete WGI-prescribed abuse prevention training prior to engaging in regular contact with participants. This training must be completed within forty-five (45) days of assuming a new role and no later than December 31 of the year preceding the competition season. By signing this Agreement, SBBC affirms that it requires such abuse prevention training and that it acts in compliance with the WGI Code of Conduct and the principles of participant protection.

D. Participating Group shall adhere to WGI's Code of Conduct, attached hereto as **Exhibit A.**

E. SBBC represents that there are effective internal policies and procedures for the protection and safety of its participants, including without limitation the ability of any individual to report suspected misconduct to the leadership of the Participating Group without reprisal. This also includes the responsibility to respond to all complaints or reports of policy violations by conducting an effective internal investigation, reporting the matter to the appropriate external authorities as may be necessary and taking appropriate and effective remedial action under the circumstances.

F. WGI defines misconduct as follows:

- Any misconduct of a sexual nature or potentially classifiable as a sex offense under applicable local, state, and federal law, including without limitation so-called "victimless" activities such as prostitution, pornography, and indecent exposure;
- Any misconduct in which actual or suggested sexual relations is an element;
- Any harassing conduct pertaining to, in whole or in part, an individual's sex, gender, sexual orientation, or gender expression; and
- Any conduct involving harm to a minor.

G. If an SBBC Participating Group becomes aware of any information, whether oral or written, "informal" or "formal," that suggests a potential Code of Conduct violation connected to individuals or activities associated with the Participating Group, WGI must be immediately notified in writing to the extent permitted by local, state, and federal privacy laws.

H. SBBC's Participating Groups shall promptly and fully respond to all WGI requests for information regarding their compliance with this Agreement, subject to applicable local, state, and federal privacy laws. This obligation includes full cooperation in any compliance audit or inquiry into alleged misconduct.

I. Each Party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

IV. PUBLICITY RIGHTS

A. SBBC shall adhere to all copyright guidelines established by WGI for the period of this Agreement, which are in effect on the date of the last signature of this Agreement, and available at wgi.org/copyright.

B. WGI's right to photograph, record and/or videotape Participating Group in all media, whether now known or here after devised (including, without limitation, in computer or other device applications, online webcasts, television programming, in motion pictures, films,

newspapers, and magazines) and in all forms including, without limitation, publication and use of Event results and standings, without compensation, residual obligations, reservation or limitation, or further approval, and to the extent permitted by applicable law, shall be subject to the consent of the participating minor's parent or guardian, or if the participating student is the age of majority, to the consent of that student, as permitted by applicable law and a properly executed Performer Release/Waiver Form (minor or adult), attached hereto as **Exhibit B**. In addition, SBBC will provide an online link to the appropriate Performer Release/Waiver Form (minor or adult) containing the language of **Exhibit C**.

C. SBBC will not use for publicity, promotion or otherwise, any logo, name, trade name, service mark or trademark of WGI including, but not limited to, the terms "WGI", "Sport of the Arts", and the WGI logo, or any simulation, abbreviation or adaptation of the same without WGI's prior, written, express consent. WGI may withhold such consent in WGI's absolute discretion.

D. All audio recordings of adjudicator commentary ("Judge Recordings") are provided by WGI solely for the instructional use of SBBC's Participating Groups. These recordings may be shared internally among members and adult supervisors of the group for training and educational purposes. Recordings may not be copied, posted online, distributed, or used outside of SBBC's Participating Groups without prior written consent from WGI. Each of SBBC's Participating Groups assume responsibility for safeguarding the confidentiality of these recordings.

V. LIABILITY

A. SBBC represents and agrees that SBBC's self-insurance, fully and completely covers, on either a primary or secondary basis as applicable, SBBC Board members, officers, employees, and agents when acting within the scope of their employment. Students shall not be included.

B. WGI. WGI agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment. WGI shall not be liable to pay a claim or a judgment by any one person which exceeds the sum of $200,000 or any claim or judgment, or portions thereof, which, when totaled with all other claims or judgments paid by the state or its agencies or subdivisions arising out of the same incident or occurrence, exceeds the sum of $300,000. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

C. SBBC. SBBC agrees to be fully responsible for its acts of negligence, or its the acts of negligence of its Board members, officers, employees, and agents when acting within the scope of their employment; acts of students shall not be included. Subject to the monetary limitations of Section 768.28, Florida Statutes, SBBC shall not be liable to pay a claim or a judgment by any one person which exceeds the sum of $200,000 or any claim or judgment, or portions thereof, which, when totaled with all other claims or judgments paid by the state or its agencies or subdivisions arising out of the same incident or occurrence, exceeds the sum of $300,000. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

D. SBBC agrees to provide the online link to the appropriate Performer Release/Waiver Form

(minor or adult), (**Exhibit B)**, to each person who will participate in a Performing Group at an Event. The appropriate form must be executed online before any such person participates in a WGI-sanctioned event. WGI shall not request from SBBC or any Participating Group, and neither SBBC nor any Participating Group shall provide, executed Performer Release/Waiver Forms or Adult Performance Release Forms to WGI. Such forms will only come to WGI via the online portal used for such purpose by performers and their parents/guardians, and only at the direction of the person executing the form. Participating Group acknowledges that it will not be eligible to participate in any WGI-sanctioned event unless and until WGI has received signed Performer Release/Waiver Forms from all persons who will participate in that Event, as confirmed to WGI by the Participating Group. Adult Performance Release Forms shall only be executed by the participating student if the student is eighteen years of age or older. Participating SBBC staff shall not execute an adult Performance Release Form in accordance with SBBC's self-insured workers' compensation.

VI. SCHOLASTIC ELIGIBILITY

A. This Agreement certifies that SBBC's Participating Groups' total membership are students from the same school, schools that feed directly into that school, or home-schooled students that reside within school district boundaries and are approved by the school to participate in WGI-sanctioned events.

VII. MISCELLEANOUS

A. To the extent permitted by the laws of Florida, the Parties agree that this Agreement shall be construed under the laws of Florida, and the Parties further agree that the federal and state courts located in the state of Florida shall have exclusive and sole jurisdiction to resolve all disputes arising under or related to this Agreement. The Parties irrevocably consent to the jurisdiction of the federal and state courts of Florida and agree that such courts are the only proper venue for the resolution of disputes between them. Notwithstanding the foregoing, all state and local laws applicable to the SBBC and pertaining to sovereign immunity, choice of law, jurisdiction, venue, remedies, and any other matter addressed by this Agreement shall remain in full force and effect and shall supersede any contradictory provision in this Agreement.

B. The individual who is executing this Agreement on behalf of SBBC hereby represents that he or she has the full power and authority to bind SBBC to these terms. This Agreement may only be executed by the SBBC Chair to bind SBBC to its terms either by law or by a resolution duly adopted by the SBBC.

C. This Agreement is an offer to SBBC by WGI to enable SBBC's Participating Groups to participate in WGI-sanctioned events on the terms and conditions specified in this document, in the exact form in which it was presented to the SBBC. Any modification to this document renders the entire document void and there shall be no agreement between WGI and SBBC unless the modification is initialed or otherwise specifically approved in writing by an authorized official of WGI.

VIII. SBBC ADDITIONAL TERMS AND CONDITIONS

A. In the event of conflict between WGI's provisions in this Agreement and the requirements of this section, the paragraphs in this section shall govern.

1. **SBBC Non-Disclosure of Directory Information or Other Protected Information.** WGI shall not request from SBBC or any Participating Group, and neither SBBC nor any Participating Group shall disclose to WGI, any information subject to the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records. Students (through their parents/guardians) may voluntarily choose to disclose certain information about the student directly to WGI in connection with a Performer Release, which is not subject to the foregoing requirements because it is provided directly to WGI by or on behalf of the student, not SBBC.

2. **Notice**. When any of the Parties desires to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the Party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

3. **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any Party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such Party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such Party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such Party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

4. **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, WGI, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of WGI under penalty of perjury stating that WGI does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject WGI to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if WGI is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with WGI's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

5. **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either

the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by WGI that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. WGI further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. WGI acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. WGI further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if WGI (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if WGI is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

6. **Inspection of WGI Records by SBBC**. Inspection of WGI Records by SBBC. WGI shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income received from SBBC, expenditures of funds by SBBC, and the participation of SBBC's Participating Groups in Events under this Agreement (collectively, the "Records"). All such Records, regardless of the form in which they are kept, shall be made available to SBBC, its authorized representative, or its agent upon request to verify that invoices provided to SBBC, if any, comport with the terms of this Agreement. WGI shall also produce, upon request, a Certificate of Insurance establishing the existence of the coverage required by this Agreement. Such audit of the Records shall be no more than once per calendar year. For the purpose of this section, SBBC's agent or authorized representative shall have access to the Records from the Effective Date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement, or five (5) years after the date of the final payment by SBBC to WGI pursuant to this Agreement.

7. **Public Records**. Any confidentiality provisions in this Agreement shall be read in harmony with Florida's Public Records Act, Chapter 119, Florida Statutes. No provisions in the Agreement can be exercised to frustrate the requirements of the law for the release of records. The Parties recognize that the School Board is a governmental entity, subject to Florida law regarding public access to records under Chapter 119, Florida Statues. As such, the Parties agree that only such information as is exempt and confidential under the provisions of the law shall be considered confidential under the term of this Agreement and any confidentiality provisions in the Agreement shall be read in harmony with Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent WGI provides the School Board any information which it believes is confidential or exempt, WGI shall notify the School Board of the specific information that it believes is confidential, as well as the basis for the exemption. Additionally, to the extent that WGI has any obligation to act in agency for the School Board, it shall maintain its records subject to section 119.0701, Florida Statutes. If and to the extent that WGI has access to any other confidential information regarding the School Board (such as security information as

contemplated by Section 119.071(c), Florida Statutes), WGI agrees to use reasonable measures to maintain the confidentiality of such information.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTH-EAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

8. **Insurance Requirements.** WGI shall have and maintain General Liability insurance with limits of not less than $1,000,000.00 per occurrence for Bodily Injury/ Property Damage; $1,000,000.00 General Aggregate; and limits of not less than $1,000,000.00 for Products/Completed Operations Aggregate.

9. **Equal Opportunity Provision**. The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

10. **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other Party at the earliest possible time be-fore such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination un-der this section.

11. **Excess Funds**. Any Party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

12. **Incorporation by Reference**. There are no documents whose terms are incorporated into, or made a part of, this Agreement. Exhibits A, B, and C, are attached only for the convenience of the Parties.

13. **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

14. **No Third-Party Beneficiaries**. The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the Parties intend to directly or substantially benefit a third-party by this Agreement. The Parties agree that there are no third-

party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

15. **Independent Contractor**. The Parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither Party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other Party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other Party or the other Party's officers, employees, agents, subcontractors, or assignees.

16. **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be in-valid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

17. **Preparation of Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

18. **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each Party hereto.

19. **Waiver**. The Parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any Party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the Party waiving such provision. A written waiver is only effective as to the specific in-stance for which it is obtained and is not a continuing or future waiver.

20. **Force Majeure**. Neither Party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earth-quake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either Party, and which cannot be overcome by reasonable diligence and with-out unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either Party be deemed Force Majeure.

21. **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

22. **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

23. **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

24. **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

25. **Authority**. Each person signing this Agreement on behalf of either Party individually warrants that he or she has full legal power to execute this Agreement on behalf of the Party for whom he or she is signing, and to bind and obligate such Party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement upon the date of the last signature below.

CODE OF CONDUCT

EXHIBIT A

WGI CODE OF CONDUCT

This Code of Conduct applies to everyone involved with WGI, including all participants, minor participants, groups, adult supervisors, WGI personnel, volunteers, contractors, and Circuit Partners. Everyone must follow this Code of Conduct to stay in good standing with WGI. The policies in this Code of Conduct aim to ensure safe environments and experiences during all WGI activities.

This Code of Conduct explains what behavior is appropriate or inappropriate. While it cannot cover every possible situation, everyone must follow the letter and spirit of these guidelines to stay in good standing with WGI.

Definitions of Parties

- **Participant:** An individual over 18 performing with a group.
- **Minor Participant:** An individual under 18 performing with a group.
- **Group:** The entire organization or an individual participating group.
- **Adult Supervisor:** An individual in a managerial, instructional, design, or volunteer role spending two or more hours in-person with participants.
- **Volunteer:** An individual who freely gives their time to WGI or a group and provides support in any capacity.
- **Contractor:** An individual who provides occasional services for a fee.
- **Circuit Partner:** A regional partner organization that hosts marching arts events, using shared resources licensed by WGI and has its own governing body and financial management.

WGI will not tolerate conduct that violates its policies. Even if an action was not intended to violate this Code of Conduct, WGI prioritizes the actual impact of the action over the person's intentions to prevent negative experiences.

In addition to upholding this Code of Conduct, WGI can review and may take interim action against anyone involved in or accused of unlawful activities related to their participation in WGI or the marching arts.

All parties should consider themselves ambassadors of WGI. They are expected to uphold these policies, remind others of them when necessary, and report alleged violations.

Alcohol & Drug Policy

WGI parties have the right to participate in an environment free of alcohol, drugs, and other substances. Prohibited substances include narcotics, marijuana, products containing THC, inhalant drugs, and over-the-counter medications unless used with a valid medical prescription. Violations include, but are not limited to:

- Distributing alcohol and prohibited substances to any participant.
- Consuming or being under the influence of alcohol or a prohibited substance while under a participating group's supervision or providing services to WGI in connection with any event or activity, including rehearsals.
- Possessing or distributing alcohol or a prohibited substance on school grounds or arena facilities where such activities are prohibited.

Exceptions to this policy may be made on a case-by-case basis by WGI to allow alcohol at specifically sanctioned WGI events. At such allowable events, local regulations are expected to be followed. Prohibited substances remain forbidden at all times.

EXHIBIT A

Anti-Retaliation, Whistleblower, and False Reporting Policy
WGI will not tolerate retaliation against any party who makes a good faith report or threatens to make a good faith report. Retaliatory actions include threatening, intimidating, harassing, coercing, or any other action that could dissuade someone from reporting misconduct. Retaliation does not include good-faith actions lawfully pursued in response to a reported violation.

Any participant knowingly making a false allegation will be subject to disciplinary action. A false allegation differs from an unsubstantiated allegation, which means there is insufficient evidence to determine whether an allegation is true or false. An unsubstantiated allegation alone is not grounds for a Code violation.

Bullying Policy
Bullying means severe behavior directed at a participant that is aggressive and likely to hurt, control, or diminish the participant emotionally or physically often centering around a real or perceived power imbalanced. Examples of bullying include repeated physical, verbal, or social abuse. Physical abuse may refer to hitting, pushing, beating, biting, or other offensive contact. Verbal abuse may refer to ridiculing, taunting, name-calling, intimidating, or threatening to cause harm. Social abuse may refer to using rumors or false statements to diminish someone's reputation or socially excluding someone and asking others to do the same. Bullying may occur in person or virtually through any social or electronic mediums.

Bullying does not include occasional instances of rude or mean-spirited language, conduct arising from a conflict or struggle between persons with incompatible views or positions, or professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved participant performance.

Confidential Reporting
Reports are made confidentially to WGI. Confidentiality means WGI will know the reporter's identity but will not share it unless consent is provided or if WGI is legally required to do so. Inaccurate or withheld information will limit WGI's ability to conduct an inquiry and respond.

Fraternization Policy
WGI maintains a strong position on fraternization between all parties. Fraternization means any close personal relationship that goes beyond a professional working relationship and can include romantic or intimate relationships, excessive socializing, and favoritism. Examples include:

- Sexual or romantic relationships between adult supervisors/volunteers and minor participants are prohibited.
- Establishing a new sexual or romantic relationship between adult supervisors/volunteers and adult participants while working with the same group is prohibited. Additionally, establishing a new sexual or romantic relationship been any party where there is, or a perceived power imbalance is strongly discouraged.
- Fraternization between participants and minor participants is strongly discouraged.
- Already-existing relationships between adult supervisors and participants are not encouraged but are not forbidden. These relationships must be managed to address potential conflicts or power imbalances.
- Any relationship that puts any party at risk of harm is prohibited.

General Conduct Policy
The experience of each party and the reputation of WGI depends on the conduct of all parties involved. Good manners, basic decency, and common sense are generally all that is required to ensure appropriate conduct and behavior. Engaging in conduct or using language that could be perceived as rude, inappropriate, abusive,

EXHIBIT A

disorderly, derogatory, immoral, or threatening will not be tolerated. Violations of this policy include, but are not limited to:

- Applying undue and unfair pressure to another party, especially if one party has authority over another.
- Verbally abusing any WGI staff.
- Inappropriate conduct on the contest floor, rehearsal sites, or event venues.
- Disruptive or rude behavior anywhere, anytime during a WGI activity.
- Affiliates of a group, such as parents or spectators, engaging in inappropriate conduct directed at any party on the contest floor, rehearsal sites, or event venues.

Harassment Policy

All parties must maintain a safe, respectful, and inclusive environment. Harassment means repeated or severe conduct that causes fear, humiliation, or annoyance and reflects discriminatory bias to establish dominance, superiority, or power over an individual or group based on age, race, ethnicity, gender, orientation, culture, religion, national origin, mental or physical disability. Harassment also refers to conduct that creates a hostile environment. A hostile environment exists when the conduct is severe or pervasive enough to interfere with, limit, or deprive any individual of the opportunity to participate in any program or activity. Harassment may occur in person or virtually through any social or electronic medium.

Harassment does not include occasional instances of rude or mean-spirited language, conduct arising from a conflict or struggle between persons with incompatible views or positions, or professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved participant performance.

Hazing Policy

Hazing means any conduct that subjects another person to anything that may endanger, abuse, humiliate, degrade, or intimidate them as a condition of joining or being socially accepted by a group, team, or organization. Consent by the person subjected to hazing is not a defense, regardless of their perceived willingness to cooperate or participate.

Hostile Rehearsal Environment Policy

The rehearsal space is where groups develop creative routines and foster teamwork. A rehearsal environment is defined as periods when the group is practicing under the direct supervision of an authority figure or coordinator. It is a violation of this Code for any party to engage in severe or pervasive conduct that hampers a party's ability to participate meaningfully in the rehearsal environment. Rehearsal environments should remain educational both in the planning and commentary provided to any party. When rehearsal techniques and feedback are no longer educational, a hostile rehearsal environment could be created. Conduct prohibited by this Code, such as harassment, hazing, and bullying, is also prohibited in the rehearsal environment. Additionally, violations of this policy include:

- Creating a rehearsal environment intended to make any party excessively afraid, nervous, or anxious regardless of intention. This does not include professionally accepted coaching methods.
- Withholding educational information to achieve skills safely
- Attacking the personal character of participants rather than aspects of their performance.
- Rehearsing for extended timeframes while withholding, recommending against, or denying adequate hydration, nutrition, medical attention, or sleep.

Sexual Misconduct

Sexual misconduct of any kind will not be tolerated. Offenses include sexual or gender-related harassment, nonconsensual sexual contact, exposing a minor to sexual content/imagery, and sexual exploitation.

EXHIBIT A

- **Sexual or Gender-related Harassment:** Unwelcome sexual advances, requests for sexual favors, unwanted and continued sexual flirtations, and propositions. It also includes sexually degrading words and other conduct of a sexual nature.
- **Nonconsensual Sexual Contact:** Engaging in sexual contact without consent.
- **Exposing a Minor to Sexual Content/Imagery:** Intentionally exposing a minor to sexually explicit imagery.
- **Sexual Exploitation:** Taking non-consensual or abusive sexual advantage of another for one's own advantage.

Reporting Instances of Sexual Misconduct

If any party receives information suggesting sexual misconduct has occurred, they must report it to WGI immediately. Groups and Circuit Partners should report allegations of sexual misconduct to law enforcement. They must maintain effective policies and procedures for the protection and safety of all parties, including the ability to report suspected sexual misconduct without retaliation.

If any party learns of or suspects child abuse, including sexual misconduct, they must immediately report it to law enforcement, WGI, and comply with other applicable reporting requirements. Reporting to WGI alone is not sufficient.

Social Networking Policy

WGI values the freedom of expression on social networking sites and does not wish to discourage self-publishing or self-expression. However, we expect all parties involved in any capacity in WGI to follow the applicable guidelines and policies. It is important to understand that any posts made on social media are personal and do not represent WGI. Our policy prohibits the use of social media to post or display comments that are vulgar, obscene, threatening, intimidating, harassing, or hostile on account of any protected characteristic under applicable law on platforms controlled by WGI.

Weapons Policy

To ensure a safe environment for everyone, WGI strictly prohibits the wearing, carrying, storing, or possession of firearms or other dangerous weapons at any of our events or event venues. Anyone found violating this policy will be immediately removed and barred from future WGI events. Additionally, if the violator is a participant, adult supervisor, or volunteer affiliated with a participating group, that group will be disqualified and asked to leave the venue.

EXHIBIT A

OVERVIEW OF INQUIRY PROCESS AND RESOLUTION ACTION

If a report is received of a party allegedly in violation of any policy within this Code of Conduct, they may be subject to the WGI Inquiry Process. Based on the facts and circumstances surrounding each situation and determined responsibility of findings, the resolution determined is at the sole discretion of the WGI Administration.

Overview of the Process

In WGI's commitment to fostering a respectful, inclusive, and safe community, WGI has adopted an Inquiry Process that emphasizes dialogue and restorative action over traditional litigation and legalistic approaches. This process is designed to address misconduct in a manner that promotes healing and reconciliation through accountability. As such, individuals or groups who participate in the process will do so without legal representation as this process is internal for our private members within our private organization and not a criminal or civil proceeding. If reports detail criminal activities those matters will be referred to jurisdictional authorities and would follow those determined protocols, as well as a temporary suspension for the individual or group would be determined by WGI Administration until such matter is resolved.

WGI will only review reports that are submitted through the online reporting form, which can be found here. Once a report is received, it is review by WGI Administration. The review examines if the details in the complaint are within the scope and jurisdiction of WGI, violate a policy within the Code of Conduct, and provide enough information to begin the Inquiry Process. There are separate processes for Independent Groups versus Scholastic Groups.

Scholastic group reports will be referred by WGI to the appropriate district administration for resolution. While follow up on resolution will be requested, employment or privacy policies may not allow such response.

Independent groups are subject to the Inquiry Process of WGI. For reports that do not violate the Code of Conduct or do violate the Code of Conduct but do not pose an immediate threat or harm to a party, a coaching conversation will occur with the reporting party on recommendations for self-directed resolution opportunities.

The Inquiry Process includes notifications to parties involved, meetings with those who have direct knowledge about the reported behavior, and a determined finding on responsibility of violating the Code of Conduct and resolution. Suspension and termination resolutions do allow for the responding party to request a review of the resolution if meeting the review criteria.

Resolution Actions

The type of resolution is grounded by the facts and circumstances surrounding each situation and information gleaned from the Inquiry Process. Please note that the resolutions are not linear or progressive. It's important to note that the type of resolution, as well as any prior resolution, is at WGI's sole discretion. In extreme circumstances, termination of a party's participation in WGI may be considered. WGI will not make employment or casting decisions of a group, WGI will only make resolution actions that may or may not impact an individual or groups participation at WGI sanctioned events. Resolution actions may include the following, but not limited to:

- **Resolution Not Required** – this would be determined if the Inquiry Process does not determine findings of responsibility against the respondent and the charged Code of Conduct violations.
- **Alternative Resolution Process & Resolution Agreement** – in some cases where there are violations of the Code of Conduct but the findings determine there is not a threat of harm to any party but likely a more interpersonal conflict that could be address respectfully and safely by all individuals through self-determination, it may be advised that those individuals come together jointly and discuss their challenges and needs and formulate a resolution agreement. A completed resolution agreement is review and kept on file for WGI Administration and should further issues arise with any party a documented history is on record and more sever resolutions may be determined.

EXHIBIT A

- **Restorative Action Plan** – this resolution includes various exercises, education or upskilling to address the responsible findings against the listed claimed Code of Conduct violations and may or may not also be accompanied by a probationary period as outlined below.
- **Probationary Period** – this resolution notifies the responding party of their increased monitoring of behavior. This timed period would also monitor further reports. If findings of responsibility continue during this probationary period, it may lead to a more severe resolution.
- **Suspension** – this is a timed separation of any individual or group from WGI. The group may still exist but will not be allowed to participate at WGI sanctioned events. For individuals on a suspension, there is likely to be no contact with any group participating in any WGI sanctioned events in an administrative, instructional, consulting or designing capacity. At the conclusion of a suspension, a reinstatement meeting will occur to determine if the party is prepared and able to return to WGI. Individuals or groups who are suspended will not be able to participate in or hold official roles in WGI's governance structure.
- **Ban** – this is a permanent separation of any individual or group from WGI. The group may still exist but will not be allowed to participate at WGI sanctioned events. For individuals who have been banned from WGI, there is to be no contact with any group participating in any WGI sanctioned events in an administrative, instructional, consulting, or designing capacity. Individuals or groups who have been banned will not be able to participate in or hold official roles in WGI's governance structure. If an individual is banned and is in the WGI Hall of Fame, they will be stripped of this honor. A reinstatement meeting may be requested one time and is at the sole discretion of the WGI Administration to determine if such a meeting will be granted.

TERMS AND CONDITIONS OF PARTICIPATION – READ CAREFULLY BEFORE SIGNING

In consideration of my minor child or ward's participation, in color guard, percussion, or winds activities conducted by Winter Guard International, Inc. on or about January 1, 2026 through April 30, 2026 pursuant to the WGI Virtual, Regional, and World Championships Events (the "Event"), wherever the Event and/or activities may occur, you hereby attest that after reading this Form completely and carefully, including the notice above your signature, you acknowledge that participation in the Event by your minor child or ward is entirely voluntary, and that you understand and agree as follows:

RELEASE OF LIABILITY: I agree, on behalf of my child or ward, to waive and release all liabilities, claims, actions, damages, costs or expenses of any nature ("Claims") associated with all risks that are inherent to participation in the Event or other activities conducted in conjunction therewith (which risks may include, among other things, exposure to COVID-19, Naegliria Fowlerii and coliform bacteria, muscle injuries, heat and stress related issues, cuts, lacerations and broken bones) whether such risks are open and obvious or otherwise. Further, on behalf of my minor child or ward, I hereby release, covenant not to sue, and forever discharge the Released Parties (as defined under "INDEMNITY/INSURANCE" below) of and from all Claims arising in any manner out of, or in any way, connected with my child's or ward's participation in the Event.

INDEMNITY/INSURANCE: I agree to indemnify and hold Winter Guard International, Inc. and each of their parent, subsidiary and other affiliated or related companies; all Event sponsors and charities participating in the Event and their respective parent, subsidiary and other affiliated or related companies; and the officers, directors, employees, agents, contractors, subcontractors, representatives, successors, assigns, and volunteers of each of the foregoing entities (collectively, the "Released Parties") harmless from and against any and all Claims arising out of, or in anyway, connected with my child's or ward's participation in the Event, wherever the Event may occur, including, but not limited to, all attorneys' fees and disbursements through and including any appeal. I understand and agree that this indemnity includes any Claims based on the negligence, action or inaction of any of the Released Parties and covers bodily injury (including death), property damage, and loss by theft or otherwise, whether suffered by my child or ward either before, during, or after participation in the Event. I agree that I am not relying on the Released Parties to have arranged for, or carry, any insurance of any kind for the benefit of my child or ward relative to my child's or ward's participation in the activities and the Event, and that I am solely responsible for obtaining any mandatory or desired life, travel, accident, property, or other insurance related to my child's or ward's participation in the Event, at my own expense.

PHYSICAL CONDITION/MEDICAL AUTHORIZATION: I hereby certify that my child or ward is physically fit for participation in the Event and has the skill level required in connection with the Event, and I have not been advised otherwise.

PUBLICITY RIGHTS: I further grant the Released Parties the right to photograph, record and/or videotape my child or ward, at any WGI Event or activity, and further to display, edit, use and/or otherwise use my, or my child's or ward's face, likeness, voice, and appearance, in all media, whether now known or here after devised (including, without limitation, in computer or other device applications online webcasts, television programming, in motion pictures, films, newspapers, and magazines) and in all forms including, without limitation, publication and use of Event results and standings, without compensation, residual obligations, reservation or limitation, or further approval, and I agree to indemnify and hold harmless the Released Parties for any Claims associated with such grant and right to use. The Released Parties are, however, under no obligation to exercise any rights granted herein.

GOVERNING LAW: I agree that this Agreement shall be construed under the laws of the State of Ohio, and further agree that the federal and state courts located in Ohio shall have exclusive and sole jurisdiction to resolve all disputes arising under or related to my child's or ward's participation. I irrevocably consent to the jurisdiction of the federal and state courts located in Ohio and agree that such courts are the only proper venue for the resolution of disputes **AND I SPECIFICALLY WAIVE THE RIGHT TO TRIAL BY JURY.**

EXECUTIVE SUMMARY

Interim Chief Auditor Contract Negotiations

Board Meeting Date: February 10, 2026

Requested Action: Appoint Mark Magli as Interim Chief Auditor reporting to The School Board of Broward County, Florida. Permit the Board Chair and General Counsel to conduct negotiations and bring forth the negotiated contract to the next available School Board meeting.

School Board Policy Requirement/Authority:

Statutory Requirement/Authority: No

District-zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The School Board Chair will engage in Interim Chief Auditor contract negotiations with Mark Magli and bring forth the negotiated contract to the next available School Board meeting so that the District will have an Interim Chief Auditor in place while the Board conducts a search for a permanent Chief Auditor

- If the School Board votes "No": The School Board Chair will not engage in Interim Chief Auditor contract negotiations with Mark Magli and the District will not have an Interim Chief Auditor in place while the Board conducts a search for a permanent Chief Auditor.

Background/History
On or about December 17, 2025, David Rhodes provided the Board with notice of his intent to retire from his position as Chief Auditor effective March 2, 2026. Due to the anticipated timeline for interviewing candidates and hiring a new Chief Auditor, Mark Magli has agreed to serve as the Interim Chief Auditor until a new Chief Auditor is hired and the Board desires that Mark Magli serve as the Interim Chief Auditor until a new Chief Auditor is hired.

Final Order on Broward County School Board vs. Rhonda Daniels

Board Meeting Date: February 10, 2026

Requested Action: Approve the Final Order adopting the Recommended Order entered on December 23, 2025, by Meredith C. Hinshelwood, Administrative Law Judge, in the matter of Broward County School Board vs. Rhonda Daniels, Case No. 24-4894TTS, in the State of Florida Division of Administrative Hearings.

School Board Policy Requirement/Authority: F.S. *Chapter 120*.

Statutory Requirement/Authority: F.S. §§ 1001.51, 1012.27(5) and 1012.33

District-zone Impact: District 1

Impact of the School Board's Vote:
- If the School Board votes "Yes": The School Board approves the Recommended Order in its entirety, dismissing the charges, and rescinds the suspension of Rhonda Daniels without pay for five (5) days.
- If the School Board votes "No": N/A. The School Board must take final agency action by rendering a Final Order.

Background/History:
This item requests that the Board enter a Final Order adopting the Administrative Law Judge's recommendation: dismiss the charges, rescind the previous decision to suspend Rhonda Daniels without pay for five (5) days and award backpay.

During the 2023-2024 school year, Rhonda Daniels ("Daniels"), a teacher at Watkins Elementary School displayed inappropriate and unprofessional actions toward students. The Administrative Complaint was served on Daniels recommending a five (5) day suspension and she timely requested a hearing. The School Board approved the recommendation and the matter transferred to the Division of Administrative hearings ("DOAH") to assign an Administrative Law Judge ("ALJ") to conduct the final hearing challenging the School Board's discipline. The DOAH hearing was held on October 7 and 8, 2025, the ALJ entered a Recommended Order in favor of Rhonda Daniels, dismissing the charges, and awarding Daniels backpay for the five day suspension.

Alignment to 2027 Goals and Guardrails: Business Operations

Measurable Outcome(s)/Return on Investment: N/A

Financial Impact, Funding Source & Budget Status:

- The financial impact to the District is back salary in the amount of $1,584.99 (gross).

STATEMENT OF THE ISSUE

Whether just cause exists to suspend Respondent for five days without pay.

Exhibit "A"

PRELIMINARY STATEMENT

By letter dated November 22, 2024, the Superintendent for Broward County Public Schools notified Respondent that he would recommend to the Broward County School Board ("School Board") on December 17, 2024, that Respondent receive a suspension from her position based upon the charges outlined in the Administrative Complaint.

The Administrative Complaint laid out Material Allegations relating to the allegations that Respondent punished a student, A.C., by poking or scratching his arm with a pushpin and by brushing his hair with a comb. The Administrative Complaint asserts that Respondent's actions constitute just cause to suspend her for five days without pay and charges Respondent with the following:

- "Misconduct in office," as defined in Florida Administrative Code Rule 6A-5.056(2) to mean:

  > (a) A violation of the Code of Ethics of the Education Profession in Florida as adopted in Rule 6A-10.080, F.A.C.;
  >
  > (b) A violation of the Principles of Professional Conduct for the Education Profession in Florida as adopted in Rule 6A-10.081, F.A.C.;
  >
  > (c) A violation of the adopted school board rules;
  >
  > (d) Behavior that disrupts the student's learning environment; or
  >
  > (e) Behavior that reduces the teacher's ability or his or her colleagues' ability to effectively perform duties.

- Violations of the following specific portions of Florida Administrative Code Rule 6A-10.081:

  > (1) Florida educators shall be guided by the following ethical principles:

* * *

(b) The educator's primary professional concern will always be for the student and for the development of the student's potential. The educator will therefore strive for professional growth and will seek to exercise the best professional judgment and integrity.

(c) Aware of the importance of maintaining the respect and confidence of one's colleagues, of students, of parents, and of other members of the community, the educator strives to achieve and sustain the highest degree of ethical conduct.

(2) Florida educators shall comply with the following disciplinary principles. Violation of any of these principles shall subject the individual to revocation or suspension of the individual educator's certificate, or the other penalties as provided by law.

(a) Obligation to the student requires that the individual:

1. Shall make reasonable effort to protect the student from conditions harmful to learning and/or to the student's mental and/or physical health and/or safety.

* * *

5. Shall not intentionally expose a student to unnecessary embarrassment or disparagement.

* * *

(c) Obligation to the profession of education requires that the individual:

* * *

4. Shall not engage in harassment or discriminatory conduct which unreasonably interferes with an individual's performance of professional or work

> responsibilities or with the orderly processes of education or which creates a hostile, intimidating, abusive, offensive, or oppressive environment; and, further, shall make reasonable effort to assure that each individual is protected from such harassment or discrimination.

Fla. Admin. Code R. 6A-10.081(1)(b) and (c), (2)(a)1. and 5., and (2)(c)4.

- "Incompetency," as defined in rule 6A-5.056(3)(a)1.-4. to mean:[1]

> (3) "Incompetency" means the inability, failure or lack of fitness to discharge the required duty as a result of inefficiency or incapacity.
>
> (a) "Inefficiency" means one or more of the following:
>
> 1. Failure to perform duties prescribed by law;
>
> 2. Failure to communicate appropriately with and relate to students;
>
> 3. Failure to communicate appropriately with and relate to colleagues, administrators, subordinates, or parents;
>
> 4. Disorganization of his or her classroom to such an extent that the health, safety or welfare of the students is diminished;

- A violation of School Board Policy 4008, which requires Respondent to "comply with the provisions of the Florida School Code, State Board

[1] The Administrative Complaint states that Respondent's "actions show a failure to perform the required duties as a result of inefficiency and incapacity." The definition of "inefficiency" is cited and quoted, but the Administrative Complaint omits a citation and quote for the definition of "incapacity." Therefore, it is difficult to discern whether Petitioner intended to charge Respondent with "incapacity," as defined in rule 6A-5.056(3)(b). This Recommended Order construes the ambiguity in Respondent's favor and, therefore, omits consideration of whether Respondent's actions show a failure to perform the required duties as a result of incapacity, as defined in rule 6A-5.056(3)(b). It is also worth noting that Petitioner's Proposed Recommended Order does not quote or provide argument about the specific definition of "incapacity" in rule 6A-5.056(3)(b).

Regulations and regulations and policies of the [School] Board." This policy specifically requires that:

> The members of instructional staff shall perform the following functions:
>
> 1. Comply with the Code of Ethics and the Principles of Professional Conduct of the Education Profession in Florida.
>
> * * *
>
> 3. Infuse in the classroom, the District's adopted Character Education Traits of Respect, Honesty, Kindness, Self-control, Tolerance, Cooperation, Responsibility and Citizenship.
>
> 4. Treat all students with kindness, consideration and humanity, administering discipline in accordance with regulations of the State Board and the School Board; provided that in no case shall cruel or inhuman punishment be administered to any child attending the public schools.
>
> * * *
>
> 8. Conform to all rules and regulations that may be prescribed by the State Board and by the School Board.

The Administrative Complaint notified Respondent of her ability to challenge the charges by submitting a written request for a hearing within 15 days after receipt. Respondent timely submitted her request for a hearing on December 6, 2024, and the School Board adopted the Superintendent's recommendation to suspend Respondent without pay for five days.

Based on the parties' availability, the final hearing was initially scheduled for July 22 and 23, 2025. The final hearing was continued twice and was subsequently transferred to the undersigned. Despite the case transfer, the hearing was scheduled for, and held on, October 7 and 8, 2025.

At the final hearing, Petitioner presented the testimony of six witnesses: Ricardo Ricketts, Lori Mendez, Sabrina Andrieu, Officer Jonathan Santiago, Detective Bryan Dietrich, and David Azzarito. Respondent presented the testimony of Lori Mendez and testified on her own behalf. The following exhibits were admitted into evidence for Petitioner: 1 through 3, 5, 5A, 5B, 8 through 14, 16 through 33. Respondent's Exhibit 1 was also admitted into evidence.

The final hearing Transcript was filed with DOAH on October 23, 2025. The parties timely filed proposed recommended orders, which have been considered in the preparation of this Recommended Order.

All references to the Florida Statutes are to the version in effect at the time of the allegations of misconduct referred to in the Administrative Complaint, unless otherwise indicated.

FINDINGS OF FACT

1. Petitioner is a duly constituted district school board charged with the duty to operate, control, and supervise all free public schools within Broward County, Florida. Art. IX, § 4(b), Fla. Const.; § 1001.32, Fla. Stat.

2. Pursuant to School Board Policy 4.9, the range of penalties for the offenses alleged in the Administrative Complaint is reprimand to dismissal because they are Category B offenses under the policy. Specifically, Category B offenses include: "r) Failure to comply with School Board policy, state law, or appropriate contractual agreements." Thus, a five-day suspension is within the range of appropriate penalties.

3. The events in question occurred during the 2023-2024 school year.

4. At the time of the final hearing, Respondent had been employed as a teacher at Watkins Elementary School for approximately 29 years. She has

never received sanctions against her teaching certificate, and she had never been disciplined by the school district prior to the allegations in this case.

5. At the time of the incident in question, Respondent taught first-grade students who were around age six, and Respondent was A.C.'s first-grade teacher.

6. A.C. was a child with many behavioral issues.

7. Early in the school year, A.C.'s mother wanted him moved to a different class because Respondent was too strict.

8. On November 6, 2023, Assistant Principal Ricardo Ricketts received a complaint from A.C.'s mother. As Mr. Ricketts testified, A.C.'s mother called him "very upset because A.C. came home and she noticed scratches on him."

9. Mr. Ricketts spoke with A.C. two days later. Although the student stated that Respondent made the scratches with something sharp that you stick on walls, Mr. Ricketts asked A.C. about other scratches that Mr. Ricketts noticed. At one point, A.C. told Mr. Ricketts that his dog scratched him.[2] The scratches that Mr. Ricketts observed on A.C.'s arm were not freshly made but rather "looked older." During this interview with A.C., A.C. also mentioned that Respondent would comb his hair.

10. Mr. Ricketts went to Respondent's classroom, informed her of the allegations, and informed her that he needed to speak with some of the students. He questioned first-grade students whose names A.C. provided, as well as other first-grade students who were sitting in the vicinity of where A.C. sits in the classroom.

11. Mr. Ricketts submitted information to Child Protective Investigation Services ("CPIS"). As a result, a CPIS investigator came to the school on November 14, 2023, along with Officers Sabrina Andrieu and Jonathan Santiago from the Pembroke Park Police Department.

[2] Detective Bryan Dietrich testified that A.C. told him some of the scratches might have come from falling while riding his bike.

12. On the day that CPIS and the police officers questioned Respondent at the school, Officer Andrieu wore a body camera, the footage of which is in the record. *See* Pet.'s Ex. 5A and 5B. Officer Andrieu also photographed A.C.'s arms, and the photographs of A.C.'s arms are in the record. *See* Pet. Ex. 5. Officer Andrieu testified that some of the marks on A.C.'s arms looked older than others, and none of the injuries looked fresh or newly acquired.

13. The footage from Officer Andrieu's body camera begins with the CPIS investigator questioning a child in Principal Lori Mendez's office. The child is difficult to hear and is visually unobservable due to facing away from Officer Andrieu in a chair or due to facial blurring when facing Officer Andrieu. What is clear, though, is that this child witness struggled with understanding truth versus a lie, and even Officer Andrieu noted how the student's story changed in the course of this questioning. Pet. Ex. 5A at 5:25.

14. The footage of this child's questioning obviates the issues with giving any significant weight in this case to students' hearsay statements that are included in the record. None of these student witnesses testified at the final hearing. Thus, the undersigned lacks the ability to assess these students' credibility, especially their ability to understand the difference between a truth and a lie.

15. The footage from Officer Andrieu's body camera also includes Respondent's interview with the CPIS investigator, as well as Officer Andrieu's Mirandized questioning of Respondent while in the principal's office. This portion of the footage contains Respondent's initial confession to the Material Allegations in this case, and this footage is immensely helpful in observing the interactions that led to Respondent's confession.

16. Prior to and a good ways into questioning by Officer Andrieu, Respondent was consistent in her version of what occurred with the pushpins and combing A.C.'s hair. As to the pushpins, A.C. took the pushpins off her table and had them in his hand. Respondent grabbed A.C.'s hand to get the pushpins back from A.C. In doing so, she may have scratched his hand but

not his arm.[3] As to combing A.C.'s hair, this was not a punishment. Rather, as a result of A.C. unsuccessfully trying to "twist" his own hair, Respondent was trying to make his hair look nice so that he could focus on his work.

17. Respondent's version of combing A.C.'s hair as seen in the body camera footage was consistent with her testimony in that she did comb A.C.'s hair - not as a punishment but rather to help him get to work.

18. During Officer Andrieu's questioning of Respondent while in the principal's office, Respondent had a calm and generally flat affect and was highly compliant. Respondent appeared to be highly susceptible to misunderstanding and suggestion from leading questions. At times, her responses to questions were unintentionally nonsensical. After significant prompting and insistence by Officer Andrieu, Respondent's genuine confusion about the pushpin allegations gave way to confession – a false confession. To be clear, this Order is not taking issue with the interrogation tactics utilized here. Rather, this is an assessment of the vulnerability of the subject and the weight to be afforded Respondent's confession.

19. Officer Santiago's observations of Respondent's confession align with the assessment above. He testified that, at times while Officer Andrieu was questioning her, Respondent "didn't have an understanding of how the questions were coming off." In his honest opinion, he "felt like she [Respondent] just wanted the whole interrogation to be over with."

20. Officer Santiago's observations of Respondent's confession also align with Respondent's testimony that she was confused at the time of questioning and that she just wanted to get out of there because there were things to do in the classroom. Afterall, Officer Andrieu stated at the beginning of the questioning that Respondent was not in trouble, nor did Respondent understand the Miranda rights that were read to her. Thus, she did not know she was about to be arrested.

[3] Respondent's testimony reveals that this pushpin incident occurred on October 16, 2023.

21. The second portion of body camera footage from Officer Andrieu shows Respondent in the back of the police car under arrest. Referring back to her earlier questioning of Respondent, Officer Andrieu asks Respondent to confirm a number of aspects of that earlier confession. Among these confirmation questions, Officer Andrieu asks Respondent how many times she told Officer Andrieu that she poked A.C. with a pushpin. Respondent states, "Three." However, Respondent testified that Officer Andrieu held up three fingers to prompt her answer.[4] Indeed, in the footage, Respondent directs her eyes downward in a manner unlike the surrounding portions of the video. When Officer Andrieu was questioned at the final hearing about whether she held up three fingers to show Respondent how many times she should say that she poked or scratched A.C., Officer Andrieu's answer was certainly not without equivocation.[5] Crucially, Respondent's statement of "three" did not occur during audible portions of the earlier footage. Officer Andrieu's use of the mute button or whispering during the earlier footage appears at times evasive and/or against department policy, and this seriously undermines the weight to be afforded the second confession that was allegedly a summary of things Respondent had confessed.

22. Officer Andrieu testified that, as to the times when she muted her camera, "that was – after we already concluded our investigation. There was no victim, no suspect, no witnesses, within the classroom. We're allowed to mute our cameras when it's things such as small talk or, you know, just conversations that wouldn't really be in the investigation's benefit or it's just small talk, you know." However, Officer Andrieu muted her sound even though she was clearly speaking about Respondent returning to the room for arrest. *See* Pet. Ex. 5A at 59:10. Respondent is then clearly in the site of the

[4] Respondent testified that this was a prompting to say three "kids," but this appears to be a mistake in her testimony. The only time in this portion of body camera footage that the number three is mentioned is in relation to the number of times that Respondent allegedly told Officer Andrieu that Respondent poked A.C. with a pushpin.

[5] Her precise response was "No ma'am, I don't believe so."

body camera, but Officer Andrieu's sound is still muted. *See* Pet. Ex. 5A at 1:04:38. Earlier in the footage, Officer Andrieu is whispering to Officer Santiago while her body camera was not muted. Based on bits that are audible from Officer Andrieu, as well as Officer Santiago's audible responses, it is clear that they are discussing A.C.'s parents and A.C.'s behavior. *See* Pet. Ex. 5A at 56:30.

23. As stated above, Officer Andrieu's use of the mute button or whispering seriously undermines the weight to be afforded Respondent's second confession that was allegedly a summary of the earlier confession. Crucially, the audible portions of the first confession do not contain a statement by Respondent that she poked A.C. three times with a pushpin. This second confession, being so undermined, as well being based on an earlier false confession, should be afforded no weight.[6]

24. Principal Mendez has known Respondent as a teacher since Principal Mendez began working at Watkins Elementary School in November 2010. Principal Mendez described Respondent as being "very patient, very calm, very well-liked by her peers." She has never witnessed Respondent being inappropriate or angry towards a student. Principal Mendez did not have any issues with Respondent – neither her behavior nor her performance – after Respondent returned to Watkins Elementary following her suspension. Respondent is currently teaching art at Watkins Elementary, not as a result of punishment but rather on account of her artistic talent.

25. Principal Mendez has known Respondent for approximately 15 years in a professional capacity, served on the school district's Professional Standards Committee[7] at the time of the events in question, and was present

[6] It is also worth noting that the Material Allegations state that A.C.'s mother had seen the marks on A.C.'s arm *over time*. Respondent's confession, at least the audible portions, contain only a confession to poking or scratching A.C. on *one* day, not over time.

[7] Principal Mendez explained that once an investigation such as the one at hand is complete, the information is brought before the Professional Standards Committee for review to determine whether there is cause or no cause; and, if there is cause, what discipline should

when Respondent was questioned by police. Thus, her perspective on the strength of Respondent's confession should be afforded great weight. According to Principal Mendez:

> [E]verything that Ms. Daniels said up until the police officer spoke to her, I one hundred percent believed the way she said it. I didn't have any reason not to believe that, based on all of my years of experience with Ms. Daniels.
>
> Once the police officer read her her rights and started speaking to her and asking her questions and became more persistent, her story changed.
>
> So it's hard for me to say would I have or would I have not given her a suspension [while sitting on the Professional Standards Committee to hear this case.] You know, there were cases that I listened to that we did and we didn't, depending on what the people said in their own defense as well, in front of us that day.

26. Suffice it to say that even Principal Mendez was not convinced by Respondent's confession, given the totality of what she knew of Respondent, A.C., A.C.'s mother who made the allegations, and what she had first-hand observed during Respondent's questioning by police.

27. Recalling that this case began with an allegation made by A.C.'s mother, the lack of follow-up from either of A.C.'s parents is striking. Principal Mendez called A.C.'s mother and father each on November 15 and 17, 2023, with no answer. She did not speak to them because the father's voicemail box was full, and the mother's voicemail box was not setup. Officer Andrieu attempted to contact A.C.'s mother but did not recall whether she or Officer Santiago were able to reach her.[8] Officer Andrieu did not recall a time

---

be given, if any. For obvious reasons, Principal Mendez recused herself from this case when it was brought before the Professional Standards Committee.

[8] Officer Andrieu's incident report dated November 14, 2023, states that "[s]everal attempts were made to contact the juvenile victim's parent(s), by both law enforcement and the school staff, for a statement and signature for Victim Affidavit, and all were negative with contact."

when A.C.'s mother attempted to call her. Neither parent testified at the final hearing in this case.

28. To summarize the genesis of this case, the allegations against Respondent were made by the mother of a child with behavioral problems, and the child's mother wanted her child moved to a different class because Respondent was too strict. Neither of the child's parents followed up on the allegations. With the benefit of hindsight, the allegations were suspect at the outset.

29. To summarize the evidence in this case, neither the child nor his mother testified at the final hearing, which would have provided opportunity for assessment of their credibility and assessment of the effect that Respondent's combing of A.C.'s hair had on him. None of the student witnesses testified at the final hearing, which would have provided opportunity for assessment of their credibility. The allegations about the pushpins expressly noted visible physical injury, yet this case lacks proof of physical injury attributable to poking or scratching with pushpins, as opposed to a dog or a fall from a bike. For reasons explained above, Respondent's confessions should be afforded no weight. While it is clear that Respondent combed A.C.'s hair, there is insufficient proof that Respondent combed his hair as a punishment.

CONCLUSIONS OF LAW

30. DOAH has jurisdiction over the parties and subject matter of this case. §§ 120.569, 120.57(1), 1012.33(6)(a), and 1012.335, Fla. Stat. (2025).

31. Petitioner's Superintendent is responsible for directing the work of school personnel and is required to suspend instructional staff members during emergencies. § 1012.27(5)(a), Fla. Stat.

32. Petitioner has the ultimate authority to suspend instructional staff members. § 1012.22(1)(f), Fla. Stat.

33. As a teacher, Respondent was a member of the instructional staff who may only be suspended for just cause, as defined by rule of the State Board of Education. § 1012.33(1)(a) and (6)(a), Fla. Stat.; § 1012.335(4) and (5), Fla. Stat.

34. Petitioner bears the burden of proving the allegations in its Administrative Complaint by a preponderance of the evidence. *See McNeill v. Pinellas Cnty. Sch. Bd.*, 678 So. 2d 476 (Fla. 2d DCA 1996); *Allen v. Sch. Bd. of Dade Cnty.*, 571 So. 2d 568, 569 (Fla. 3d DCA 1990); and *Dileo v. Sch. Bd. of Dade Cnty.*, 569 So. 2d 883 (Fla. 3d DCA 1990).

35. Whether particular conduct constitutes a violation of the applicable statutes or rules "is a factual question to be decided in the context of the alleged violation." *See Langston v. Jamerson*, 653 So. 2d 489, 491 (Fla. 1st DCA 1995).

36. For the reasons stated above, Petitioner failed to demonstrate, by a preponderance of the evidence, that Respondent committed the acts as alleged in the Material Allegations within the Administrative Complaint.

37. As the unproven Material Allegations set forth in the Administrative Complaint are the facts on which just cause for Respondent's suspension is predicated, the evidence produced at the final hearing does not establish just cause to suspend Respondent without pay for five days.

RECOMMENDATION

Based on the foregoing Findings of Fact and Conclusions of Law, it is RECOMMENDED that the Broward County School Board enter a final order dismissing the Administrative Complaint, rescinding its previous decision to suspend Respondent without pay for five days, and awarding Respondent back pay.

DONE AND ENTERED this 23rd day of December, 2025, in Tallahassee, Leon County, Florida.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission Florida Department of Education Workforce Development Capitalization Incentive Grant

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the post-submission Florida Department of Education Workforce Development Capitalization Incentive (CAP) Grant.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? No

District-zone Impact: District-wide

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, the District will receive $3,538,443 in funding to support the expansion of 9-12 career technical education (CTE) programs in the 2025-2026 and 2026-2027 school years.
- If the Board votes "No": If this grant application is not approved, the District will lose $3,538,443 in funding to support the expansion of 9-12 career technical education (CTE) programs in the 2025-2026 and 2026-2027 school years.

Background/History:
The purpose of this program is to provide funding to cover some or all the costs associated with the creation or expansion of career and technical education programs that lead to industry certifications included on the CAPE Industry Certification Funding List. This funding will be used to increase the acceleration opportunities for high school students across the county with the expansion of career technical program through the purchase of instructional equipment, laboratory equipment, supplies, student services, and fixed capital.

The Florida Department of Education – Workforce Development Capitalization Incentive Program was created in F.S. 10011.801. School districts and Florida College Systems were invited to submit a concept proposal for consideration and recommendation for funding. This is a new discretionary, non-competitive grant and will be managed by the Career, Technical, Adult and Community Education (CTACE) Department. All high schools were eligible to apply. The following participating schools have been awarded grant funding:

BCPS High Schools		BCPS Charter High Schools
Blanche Ely	Hollywood Hills	Academic Solutions Academy
Boyd Anderson	J.P. Taravella	Ascend Career Academy
Charles W. Flanagan	Lauderhill 6-12	Pembroke Pines Charter High
Cooper City	Marjory Stoneman Douglas	Somerset Arts Conservatory
Coral Glades	Millenium 6-12 Collegiate Academy	Somerset Academy High
Cypress Bay	Monarch	Somerset Prep Charter High
Dillard 6-12	Nova	
Fort Lauderdale	Piper	
Hallandale	South Broward	

For more information, please contact Maria Formoso, Director of CTACE.

Alignment to 2027 Goals and Guardrails:
Goal 4: College & Career Readiness; Guardrail 2: Equity

Measurable Outcome(s)/Return on Investment:
This initiative will result in well-prepared, highly qualified students who are ready to enter the workplace. CTACE will prioritize increasing enrollment in the identified CTE programs with a goal of reaching more students. This initiative, grounded in local needs and workforce consultation, will provide students with the tools they need to achieve their career aspirations while contributing to our region's economic vitality and aligning to the needs of the modern workforce.

Financial Impact, Funding Source & Budget Status:
The positive financial impact is $3,538,443. The source of funds is the Florida Department of Education. There is no additional financial impact to the District.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission United States Department of Education (USDOE) Presidential and Congressional Academies for American History and Civics Grant Application through the Broward Education Foundation

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the post-submission United States Department of Education Presidential and Congressional Academies for American History and Civics Grant Application through the Broward Education Foundation.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? No

District-zone Impact: District-wide

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, the District will receive $2,823,233 in funding to build a sustainable network of teacher-leaders, improve instructional quality and student civic engagement, and provide districtwide access to high-impact history and civics professional development and resources.
- If the Board votes "No": If this grant application is not approved, the District will lose $2,823,233 in funding to build a sustainable teacher-leader network, improve history and civics instruction, and provide equitable, high-quality professional development and resources to educators and students across the District.

Background/History:
Project HERO: History Education for Revolutionary Origins is a three-year, districtwide initiative funded through the Presidential and Congressional Academies for American History and Civics Grant. In partnership with Broward Education Foundation, Florida International University, Colonial Williamsburg and the Lou Frey Institute, the project is designed to transform American history and civics instruction by developing a network of teacher-leaders through immersive, inquiry-based professional development. Starting with a cohort of 40 educators and expanding to all social studies teachers, HERO provides research-backed training, digital resources, and leadership opportunities, aiming to improve instructional quality, student civic engagement and equity, especially in Title I schools, while building a sustainable infrastructure for ongoing collaboration, resource sharing, and replication across the district and beyond.

The United States Department of Education Presidential and Congressional Academies for American History and Civics Grant Application is a new grant with a three year implementation from October 2025 to September 2028. The Broward Education Foundation was awarded $2,823,233 in funding to support the Elementary and Secondary Learning Departments. For more information, please contact Guy Barmoha, Director of Secondary Learning.

Alignment to 2027 Goals and Guardrails:
Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment:

1. Increase content knowledge and instructional capacity of social studies teachers in American history and civics, particularly those teaching about founding principles.
2. Provide sustained, high-quality professional development through immersive, inquiry-based learning and mentorship.
3. Expand access to HERO-aligned instructional strategies and resources across the District in Years 2 and 3.
4. Improve student achievement in civics and U.S. history as a result of enhanced instruction by HERO participants.
5. Strengthen teacher instructional practices through increased use of inquiry and literacy strategies.
6. Gather and analyze teacher reflections to understand the impact of HERO on classroom practice and student engagement.

Financial Impact, Funding Source & Budget Status:
The positive financial impact is $2,823,233. The source of funds is the United States Department of Education through the Broward Education Foundation. There is no additional financial impact to the District.

Impact on Schools:
This program will create lasting improvements in civic education across Broward County Public Schools by developing teacher-leaders, expanding access to high-quality professional development, and fostering greater student engagement and achievement in history and civics.

If there is an impact on schools, how will schools be selected/prioritized?
Teacher participants will be selected through a digital application process that prioritizes teachers from Title I schools, those with 0–5 years of experience, and educators who demonstrate a need to revitalize their instructional practice. Department chairs and direct outreach from curriculum supervisors and principals will guide recruitment.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission Florida Department of Education Computer Science Teacher Certification Grant

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the post-submission Florida Department of Education Computer Science Teacher Certification Grant.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? No

District-zone Impact: District-wide

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, the District will receive $340,907 in funding to cover the costs associated with computer science teacher certification and/or professional learning.
- If the Board votes "No": If this grant application is not approved, the District will lose the opportunity to receive $340,907 in funding to cover the costs associated with computer science teacher certification and/or professional learning.

Background/History:
The purpose of this program is to provide funding to districts to deliver or facilitate training for classroom teachers in relation to computer science (CS) certifications, pay for related examinations, or to provide professional development in CS courses and content. BCPS will allocate this funding to two key projects:

1. Florida Teacher Certification Examinations (FCTE) Professional Development: The 2025-2026 cohort of 10 teachers will join those from the previous cohorts of teachers (Table 1) who are working to add K-12 Computer Science to their certificate.
2. CS Professional Learning: Professional learning will be provided to educators currently teaching CS and those interested in expanding their certification and curriculum by adding CS. They will be eligible to participate in multi-faceted professional learning opportunities. All courses will be developed and facilitated by expert facilitators. Workshop curriculum and resources will be provided through the Broward Canvas Learning Management System.

The Florida Department of Education Computer Science Teacher Certification Grant is a new discretionary, non-competitive grant for the 2025-2026 school year. The Applied Learning Department has been awarded $340,907 in funding. This grant will be managed by the department. For more information, please contact Susan Cantrick, Director of Applied Learning.

Alignment to 2027 Goals and Guardrails
Goal 4: College & Career Readiness; Guardrail 2: Equity

Measurable Outcome(s)/Return on Investment
This project will result in well prepared, highly qualified computer science teachers able to facilitate the integration of computer science in different content areas. Teachers who represent schools from across the District and who participate in this project will increase:

- student achievement in advanced computer science
- the seamless articulation of computer science to reach all students

This comprehensive professional development plan will sustain growth in CS-certified educators and the capacity for rigorous computer science learning opportunities for all BCPS students. Workshops will be evaluated using the following metrics and tools:

- teacher enrollment, participation, and completion
- attempts and passing rate for FTCE K-12 Computer Science certification exam (and any industry certification examinations associated with a course)
- performance appraisal / feedback survey responses from the District professional development system, based on the Applied Learning STEM and Computer Science Innovation Configuration

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission Florida Department of Education District Threat Management Coordinators Grant Application

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the post-submission Florida Department of Education District Threat Management Coordinators (DTMC) Grant Application.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? Chapter 6A-1.0019(4)(a), Florida Administrative Code (F.A.C.)

District-zone Impact: District-wide

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, the District will receive $115,000 in funding for salary and benefits for a District Threat Management Coordinator position and remain in compliance with Chapter 6A-1.0019(4)(a), Florida Administrative Code.
- If the Board votes "No": If this grant application is not approved, the District will lose the opportunity to receive $115,000 in funding for salary and benefits for a District Threat Management Coordinator position.

Background/History:
The Florida legislature has appropriated $5,000,000 to implement Rule 6A-1.0019(4)(a), F.A.C., requiring each district school board to establish a District Threat Management Coordinator (DTMC) to oversee the district's behavior threat management program. Every school district will receive an allocation based on its size. Broward County Public Schools is classified as a "very large" District and has been allocated the maximum amount of $115,000. BCPS' Director of Behavioral Threat Management is the DTMC designee with the Office of Safe Schools in compliance with Rule 6A-1.0019(5)(a), F.A.C. All grant funds allocated for the DTMC position will be used to fund salary and benefits (fringe) of the Director of Behavioral Threat Management, who performs the responsibilities of the DTMC position.

The FDOE District Threat Management Coordinators Grant is a discretionary, and non-competitive grant for the 2025-2026 school year. The Behavioral Threat Management Department has been awarded $115,000 in funding. This grant will be managed by the department. For more information, please contact Kim Punzi-Elabiary, Director of Behavioral Threat Management.

Alignment to 2027 Goals and Guardrails:
Guardrail 1: Safety

Measurable Outcome(s)/Return on Investment:
By June 30, 2026, the District Threat Management Coordinator will implement all updated requirements to Rule 6A-1.0019,F.A.C., Threat Management as amended by the State Board of Education on May 29, 2024.

Financial Impact, Funding Source & Budget Status:
The potential positive financial impact is $115,000. The source of funds is Florida Department of Education - Office of Safe Schools. There is a financial impact to the District from the approved 2025-26 General Fund as the grant appropriation ($115,000) does not cover the full salary and fringe range of the Director of Behavioral Threat Assessment (ESMAB - Educational Support & Management Association of Broward) position.

ACTION	DATE	Budgeted in Current FY Yes/No	Funding Source (s) and Code	AMOUNT	TERM (months)
Original spending authority request	N/A	N/A	N/A	N/A	N/A
First Amendment/Renewal – additional spending authority	N/A	N/A	N/A	N/A	N/A
Second Amendment/Renewal – additional spending authority	N/A	N/A	N/A	N/A	N/A
Total Agreement Amount	N/A	N/A	N/A	N/A	N/A

Multi-year agreement: N/A

Procurement Method: N/A

Impact on Schools:
All District and Charter schools have a school-based behavioral threat management team to coordinate behavioral threat assessments to evaluate the behavior of students who may pose a threat to the school, school staff, or students and to coordinate intervention and services for such students.

If there is an impact on schools, how will schools be selected/prioritized?
All District and Charter schools are required to initiate threat assessment reporting and documentation as required by the Florida-specific behavioral threat assessment instrument.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission Florida Department of Education School District Exceptional Student Evaluation Program Grant Application

---

Board Meeting Date: February 10, 2026

Requested Action:
Approve the post-submission Florida Department of Education School District Exceptional Student Evaluation Program Grant Application.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? Section 1002.394(7)(b), Florida Statutes (F.S.)

District-zone Impact: District-wide

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, the District will receive $84,917.31 in funding to assist in the timely and accurate development of individual educational plans (IEPs) and/or matrix of services cost factors and remain in compliance with Section 1002.394(7)(b), Florida Statutes.
- If the Board votes "No": If this grant application is not approved, the District will lose the opportunity to receive $84,917.31 in funding to assist in the timely and accurate development of individual educational plans (IEPs) and/or matrix of services cost factors and will not be in compliance with Section 1002.394(7)(b), Florida Statutes.

Background/History:
The Florida Department of Education (FDOE) released the School District Exceptional Student Evaluation Program Request for Application (RFA), encouraging all eligible districts to participate in this program to ensure that K-12 students, ages 3 through 21, with unique abilities receive the services they need in a timely and efficient manner. This initiative is designed to streamline the evaluation process by allowing districts to utilize existing IEPs or documentation from licensed professionals under Chapters 458 and 459, F.S., without requiring full reevaluations. The goal is to ensure students receive timely and appropriate support and reduce administrative burdens and delays. This FDOE program supports Florida school districts in meeting the requirements of section 1002.394(7)(b), Florida Statutes (F.S.).

The FDOE School District Exceptional Student Evaluation Program Grant is a discretionary, and non-competitive grant for the 2025-2026 school year. The Exceptional Student Education (ESE) Department has been awarded $84,917.31 in funding. This grant will be managed by the department. For more information, please contact Andrea Ciotti, Director of ESE Specialized Instruction.

Alignment to 2027 Goals and Guardrails:
Guardrail 3: School Support, and Guardrail 4: Accountability

Measurable Outcome(s)/Return on Investment:
By June 30, 2026, the District will ensure that all reported IEPs and matrices of services are

completed in accordance with state and federal requirements. The District will also provide any additional documentation requested by the FDOE for audit or monitoring, ensuring timely funding, reduced compliance risk, and strengthened fiscal accountability.

Financial Impact, Funding Source & Budget Status:
The positive financial impact is $84,917.31. The source of funds is Florida Department of Education, Division of Public Schools, Bureau of Exceptional Education and Student Services (BEESS). There is no additional financial impact to the District.

ACTION	DATE	Budgeted in Current FY Yes/No	Funding Source (s) and Code	AMOUNT	TERM (months)

Requested Action:
Approve the post-submission Fort Lauderdale Garden Club's Gardens in Community Schools Grant application.

School Board Policy Requirement/Authority: N/A

Is it Statutorily Required? No

District-zone Impact: District 6

Impact if the Board Voted Yes or No:
- If the Board Votes "Yes": If this grant application is approved, Plantation Park Elementary School will receive $1,000 in funding to support the school's native garden project.
- If the Board votes "No": If this grant application is not approved, Plantation Park Elementary School will lose the opportunity to receive $1,000 in funding to support the school's native garden project.

Background/History:
Plantation Park Elementary School has received a grant to expand its Native Garden Project, introducing new native plant species and transforming the space into an accessible, outdoor classroom for all grade levels. In collaboration with South Plantation High School's student-led environmental restoration club, they have developed a custom learning module that integrates the garden into the club's program. Beyond its educational purpose, the garden will serve as a welcoming sanctuary where students can relax, reflect, and connect with nature during the school day. This initiative promotes hands-on learning and fosters a strong sense of environmental stewardship.

The Fort Lauderdale Garden Club's Gardens in Community Schools grant is a new and competitive grant for the 2025-2026 school year. All Broward County schools were eligible to apply. Plantation Park Elementary School has been awarded $1,000 in funding. This grant will be managed by the school. For more information, please contact Philip Bullock, Principal of Plantation Park Elementary School.

Alignment to 2027 Goals and Guardrails:

EXECUTIVE SUMMARY

Settlement Agreement with HANDY

Board Meeting Date: February 10, 2026

Requested Action: Approve the Settlement Agreement between The School Board of Broward County, Florida (SBBC) and Helping Advance and Nurture the Development of Youth, Inc. (HANDY).

School Board Policy Requirement/Authority: N/A
Statutory Requirement/Authority: N/A

District-zone Impact: Districtwide

Impact of the School Board's Vote:
- If the School Board votes "Yes": The Settlement Agreement will be approved and resolves the lawsuit that HANDY filed against SBBC regarding the commercial Lease Agreement, Case No: CACE 25-018325 (13).
- If the School Board votes "No": The Settlement Agreement will not be approved and the lawsuit that that HANDY filed against SBBC regarding the commercial Lease Agreement will continue, thereby causing SBBC to incur additional legal costs and fees, and uncertainty as to the outcome of the litigation.

Background/History
In June 2025, SBBC entered into a five-year commercial Lease Agreement with HANDY for approximately 15,000 square feet of office space at 2101 N. Andrews Avenue, Fort Lauderdale (Property), with Year-1 lease payments totaling $510,000.00. Shortly after, legislative changes broadened the scope of Schools of Hope, allowing co-location in under-enrolled District schools. This, combined with a greater-than-expected decline in student enrollment in District schools and resulting funding reductions, prompted SBBC to prioritize use of SBBC-owned facilities and to eliminate unnecessary rental expenses.

On November 4, 2025, SBBC directed the Superintendent to terminate the HANDY lease, amend the capital budget, and transfer unused funds to the Capital Reserve. Formal notice of termination was transmitted to HANDY on November 5, 2025. HANDY contested the termination and filed a lawsuit on December 2, 2025, Case No: CACE 25-018325 (13), challenging the SBBC's right to terminate and seeking relief for alleged damages.

Major Settlement Terms and Payment Structure:
To avoid the costs and uncertainties of litigation, SBBC and HANDY engaged in settlement discussions, resulting in the proposed Settlement Agreement. Key terms of the Settlement Agreement include the following:

Total Settlement Sum: SBBC will pay HANDY will accept a total Settlement Sum of **$355,525.00** for all claims associated with the commercial Lease Agreement, including unpaid rent, interest, and fees.

Credit for Security Deposit: The **$85,000.00** security deposit SBBC previously paid to HANDY will be credited toward the Settlement Sum, resulting in a net payment to HANDY of **$270,525.00**.

Offset for New Tenants/Buyers: HANDY shall market the Property for lease or sale. If HANDY secures one or more new tenants or buyers before June 30, 2026, any security deposits or rental payments collected will be applied to the Settlement Sum as an offset to SBBC's remaining Settlement Sum obligations, and HANDY will provide monthly written updates to SBBC regarding marketing efforts and offsets applied.

Payment Schedule:

Partial Lump Sum Payment: Within fifteen (15) calendar days of SBBC's approval of the Settlement Agreement, SBBC will pay HANDY a partial lump sum payment of **$228,025.00**.

Monthly Installments: SBBC will pay HANDY the remaining balance $42,500.00 shall be paid in two (2) equal monthly payments in the amount of $14,166.67, and a final payment in the amount of $14,166.66, due on the 1st of each month from April through June 2026. Each monthly payment has a 5-day grace period; if SBBC fails to pay within five business days after written notice of non-payment, all remaining amounts become immediately due and payable.

Final Payment Reconciliation:

Description of Payments	Invoice	Invoice Date	Amount	Fiscal Year
Deposit	1784	06/30/2025	$ 85,000.00	2025
Monthly Lease (June)	1784	06/30/2025	19,833.38	2025

Monthly Lease (September)	1803	09/02/2025	42,500.00	2026
Monthly Lease (October)	1819	10/01/2025	42,500.00	2026
Total Payments Prior to Termination			$ 274,833.38	
Proposed Settlement (Gross)	Settlement		$ 355,525.00	2026
Deposit Applied (Credit)	Settlement		(85,000.00)	2026
Net Settlement Payment			$ 270,525.00	
Grand Total (All Payments)			**$ 545,358.38**	

Dismissal of Lawsuit:
Upon receipt of the initial lump sum payment, HANDY will file a Notice of Intent to Dismiss with Prejudice. Upon full payment, HANDY will file a Voluntary Dismissal with Prejudice.

Releases: Both Parties will execute mutual releases within ten (10) business days of Board approval. These releases will be held in escrow and will become legally effective upon HANDY's receipt of full payment of the Settlement Sum.

Alignment to 2027 Goals and Guardrails:

Measurable Outcome(s)/Return on Investment:

Financial Impact, Funding Source & Budget Status:
The financial impact of this item is $270,525. The Fiscal Year 2026 District Educational Facilities Plan included $510,000 for annual lease payments, of which $170,000 was expended through October 2025. The remaining $340,000 will fund this settlement agreement, resulting in Fiscal Year 2026 savings of $69,475, which will be returned to the Capital Reserve.

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT (hereinafter "Settlement Agreement") made as of this 10th day of February 2026 by and between THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA (hereinafter referred to as "SBBC"), and HELPING ADVANCE AND NURTURE THE DEVELOPMENT OF YOUTH, INC. (hereinafter referred to as "HANDY")(collectively, the "Parties"). The SBBC and HANDY shall hereinafter collectively be referred to as the "Parties" unless otherwise referenced herein:

WITNESSETH:

WHEREAS, on June 17, 2025, the SBBC approved a commercial lease agreement between SBBC, as Tenant, and HANDY, as Landlord, to lease approximately 15,000 square feet of office space at 2101 N. Andrews Avenue, Fort Lauderdale, Florida 33311 (the "Property") for the period from June 17, 2025, through June 30, 2030 ("Lease"); and

WHEREAS, the Lease provides for Year-1 lease payments totaling $510,000.00, with twelve (12) equal monthly payments of $42,500.00; and

WHEREAS, on or about June 30, 2025, legislation broadening the potential reach and impact of Schools of Hope to co-locate in traditional SBBC schools that are not enrolled at full capacity was signed into law; and

WHEREAS, the decline in student enrollment at the commencement of the 2025-2026 school year was greater than projected, leading to significant decreases in funding for SBBC; and

WHEREAS, such significant decreases in funding have forced the SBBC to eliminate unnecessary real estate costs by taking steps to ensure that SBBC employees are occupying SBBC owned facilities to the greatest extent possible; and

WHEREAS, in furtherance of efforts to eliminate unnecessary real estate costs, at its Special Board Meeting on November 4, 2025, the SBBC directed the Superintendent of Schools to provide notice of termination of the Lease to HANDY pursuant to Section 21.12 ("Annual Appropriation") of the Lease, to amend the 2025-2026 fiscal year Capital Budget to deallocate the remaining unused funds for the Lease, and transfer the remaining unused funds to the Capital Reserve; and

WHEREAS, on November 5, 2025, the SBBC transmitted formal written notice of termination pursuant to Section 21.12 of the Lease, effective as of midnight, November 5, 2025, seeking return of the $85,000 security deposit, subject to any lawful deductions as provided in the Lease from November 1, 2025, through November 5, 2025; and

WHEREAS, HANDY contested the right of SBBC to terminate the Lease as asserted by the SBBC, which resulted in HANDY filing a lawsuit on December 2, 2025, styled Helping Advance and Nurture the Development of Youth, Inc. v. The School Board of Broward County, Florida, Case No: CACE 25-018325 (13) (the "Lawsuit"); and

WHEREAS, the Parties desire to amicably resolve the Lawsuit and all underlying disputes, but do not admit to any liability nor to the claims and defenses of the other parties hereto; and

WHEREAS, this Settlement Agreement settles all claims relating to the Lease and all claims and causes of action of any nature whatsoever that the Parties had or have relating to the above Lease; and

WHEREAS, this Settlement Agreement, subject to the provisions below, resolves the Lawsuit and all underlying claims and disputes of HANDY and its employees, agents, subcontractors, consultants, officers, directors, servants, executors, heirs, administrators, successors and assigns, relative to the Lease against the SBBC; up to and including those claims, causes of action and action that arose or could have arisen due to any and all events associated with the Lawsuit and those other matters referenced in this Settlement Agreement and or any and all other matters related to the Lease, in any way; and

WHEREAS, the Parties to this Settlement Agreement hereby enter into this Settlement Agreement, under which the SBBC agrees to pay certain settlement sums to HANDY in full and complete settlement of the Lawsuit as well as all potential or possible causes of action and claims of HANDY relating to the Lease, including but not limited to those matters described in the Lawsuit; and

WHEREAS, the Parties to this Settlement Agreement do not admit any wrongdoing or liability, but have determined to settle and compromise the Lawsuit to avoid the financial expense and burden and uncertainties associated with protracted and complex litigation; and

WHEREAS, the Parties desire to reduce this, their agreement of settlement, to writing so that it may be binding upon the Parties, their successors, and assigns.

NOW, THEREFORE, in consideration of the foregoing representation of the mutual covenants, promises and considerations hereinafter set forth with the intent to be legally bound, it is agreed by and between the Parties as follows:

1. **No Admission of Liability.** It is understood and agreed that this Settlement Agreement is a compromise of the claim by HANDY, and the claim by SBBC, and that the consideration referenced herein is not to be construed as an admission of liability or contractual obligation by any party or any finding of fault by any party, by whom liability or obligation is hereby expressly denied.

2. **Approval of Settlement Agreement.** Approval of this Settlement Agreement by the SBBC at a duly called Board Meeting, shall serve as a condition precedent to payment of the Settlement Sums, as well as the obligation of HANDY to transmit to counsel for the SBBC a fully executed Release as referenced in paragraph 5 hereinbelow.

3. **SBBC Performance.**

a. Settlement Sum. SBBC hereby agrees to pay HANDY the amount of THREE HUNDRED FIFTY-FIVE THOUSAND, FIVE-HUNDRED TWENTY-FIVE DOLLARS and 00/100 CENTS ($355,525.00) (the "**Settlement Sum**") as follows and as set forth in the Payments Table under Article 3.b:

i. Credit for Security Deposit. HANDY shall credit and apply the full EIGHTY-FIVE THOUSAND DOLLARS AND 00/100 CENTS ($85,000.00) amount of SBBC's Security Deposit towards the payment of the Settlement Sum, leaving a net payment due of TWO HUNDRED SEVENTY THOUSAND, FIVE HUNDRED TWENTY FIVE DOLLARS AND 00/100 CENTS ($270,525.00).

ii. Partial Lump Sum Payment. Within fifteen (15) calendar days after SBBC's approval of this Settlement Agreement, SBBC shall make a lump-sum payment to HANDY in the amount of TWO HUNDRED TWENTY-EIGHT THOUSAND, TWENTY-FIVE DOLLARS AND 00/100 CENTS ($228,025.00).

iii. Monthly Payments. The remaining balance due towards the Settlement Sum in the amount of FORTY-TWO THOUSAND FIVE HUNDRED DOLLARS AND 00/100 CENTS ($42,500.00) shall be paid by the SBBC to HANDY in two (2) equal monthly payments in the amount of FOURTEEN THOUSAND ONE-HUNDRED SIXTY-SIX DOLLARS and 67/100 CENTS ($14,166.67), and a final payment in the amount of FOURTEEN THOUSAND ONE-HUNDRED SIXTY-SIX DOLLARS and 66/100 CENTS ($14,166.66). Payments are due on the 1st of each month beginning on April 1, 2026. If SBBC fails to pay and does not cure within five (5) business days after receipt of written notice of non-payment, all remaining amounts become immediately due and payable.

b. Payments Table.

Payment Type	Amount	Due Date / Timing
Partial Lump Sum Payment	$228,025.00	Within fifteen (15) calendar days of SBBC approval of Settlement Agreement
Monthly Payment #1	$14,166.67	On or before April 1, 2026
Monthly Payment #2	$14,166.67	On or before May 1, 2026
Monthly Payment #3	$14,166.66	On or before June 1, 2026

4. **HANDY Performance.**

a. Use of Security Deposit. HANDY shall credit and apply the full EIGHTY-FIVE THOUSAND DOLLARS AND 00/100 CENTS ($85,000.00) amount of SBBC's Security Deposit towards the payment of the Settlement Sum as set forth hereinabove in Article 3.a.i. and the Payments Table in Article 3.b.

b. Marketing of Property.

i. HANDY shall market the Property for lease or sale. If one or more new tenants or buyers are secured prior to June 30, 2026, HANDY shall apply any security deposits and rental payments received from such new tenant(s) or buyer(s) as an offset against SBBC's Settlement Sum payment obligations.

ii. HANDY shall provide monthly written updates to SBBC, in a format reasonably acceptable to both parties, providing information regarding HANDY's marketing efforts.

iii. HANDY shall immediately, but no less than ten (10) calendar days after the Effective date of any Lease Agreement and/or Sales Agreement regarding the Property prior to June 30, 2026, provide SBBC with written notice of same Lease Agreement and/or Sales Agreement.

c. Invoicing. HANDY shall submit to SBBC an initial invoice to SBBC which identifies all items identified in the Payments Table in Article 3.b. above, and HANDY shall subsequently submit monthly invoices which reflect the application of any payments received from SBBC and any credits applied from security deposits or rental payments received from such new tenant(s) or buyer(s) as an offset against SBBC's Settlement Sum payment obligations.

d. Notice of Intent to Dismiss; Dismissal of Lawsuit with Prejudice. Within three (3) business days of receipt of the Partial Lump Sum Payment set forth in Article 3.a.ii. hereinabove, HANDY shall file with the Court a *Notice of Intent to Dismiss the Lawsuit with Prejudice* in the form set forth and attached hereto as **Exhibit "A."** Within three (3) business days of receipt of payment of the full Settlement Sum, HANDY shall file a *Voluntary Dismissal with Prejudice* in the form set forth and attached hereto as **Exhibit "B."**.

5. **Releases.** The Parties shall execute and exchange the Releases attached as Exhibits **"C"** and **"D"** hereto within ten (10) business days of SBBC approval of this Settlement Agreement, with such releases becoming legally effective immediately upon HANDY's receipt of payment of the full Settlement Sum from SBBC. The executed releases shall be held in escrow by counsel to each party and released upon full payment.

6. **Termination of Lease**. The Parties agree that SBBC's formal written notice of termination of the Lease was received by HANDY on November 5, 2025.

7. Assignment of Claims. HANDY and SBBC hereby warrants and represents to the other that it has not and shall not assign or transfer any right, title, or interest in any claim, cause of action, or action relating to the Lease to any person or entity. The Parties shall indemnify and hold the other harmless from any breach of this representation.

8. **Attorney's Fees and Costs.** The Parties shall each bear their own attorney's fees and costs incurred in relation to the Lawsuit. The prevailing party in any action to enforce any terms of this Settlement Agreement, whether in litigation, arbitration, or otherwise, shall be entitled to recover reasonable attorney's fees and costs, whether incurred pre-litigation, in trial, or appellate proceedings.

9. **Choice of Law and Venue**. This Settlement Agreement shall be interpreted in accordance with the substantive laws of the State of Florida. Venue for any dispute arising out of this Settlement Agreement shall lie solely and exclusively in a court of competent jurisdiction in the 17th Judicial Circuit in and for Broward County, Florida and the Parties waive the right to venue elsewhere. Venue is exclusive and may not be changed by agreement or otherwise.

10. **Waiver of Jury Trial. THE PARTIES TO THIS SETTLEMENT AGREEMENT EXPRESSLY, KNOWINGLY, AND VOLUNTARILY WAIVE THEIR RIGHT TO A JURY TRIAL FOR ANY DISPUTE ARISING OUT OF THIS SETTLEMENT AGREEMENT.**

11. **Authority:** The signatories to the Settlement Agreement represent that they have the authority to enter into this Settlement Agreement and have the authority to execute the Releases attached hereto as Exhibits "C" and "D". Each person signing this Settlement Agreement warrants full legal power to execute this Settlement Agreement and bind their respective party.

12. **Entire Agreement.** This Settlement Agreement sets forth the entire Settlement Agreement between the Parties hereto and supersedes any and all prior agreements, understandings, or representations between the Parties hereto pertaining to the subject matter hereof.

13. **Acknowledgment of Consideration.** The Parties acknowledge and agree that each is foregoing certain rights and assuming certain duties and obligations which, but for this Settlement Agreement, would not have been released or assumed. Accordingly, the Parties agree that this Settlement Agreement is fully and adequately supported by consideration, is fair and reasonable, and that the Parties have had the opportunity to consult with and have in fact discussed this matter with counsel of their choice.

14. **Voluntary Execution.** The Parties have read this Settlement Agreement and the Exhibits attached hereto and have freely and voluntarily entered into this Settlement Agreement.

15. **Modification and Waiver.** This Settlement Agreement may not be modified except by a writing signed by all Parties hereto. Any waiver must be in writing and signed by the waiving party. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

16. **Counterparts.** This Settlement Agreement may be executed in counterparts with each copy being deemed an original.

17. **Notices.** Notices, to the extent they are referenced in this Settlement Agreement, shall be to the following persons on behalf of the Parties by certified mail, return receipt requested:

18. **Effective Date.** This Settlement Agreement shall be binding upon and shall inure to the benefit of the Parties, as well as their successors and assigns and shall be effective upon execution of this Settlement Agreement by all Parties hereto.

19. **Time is of the Essence.** Time is of the essence for the performance and completion of all duties required by this Settlement Agreement.

20. **Headings.** All headings contained in this Settlement Agreement are designed and used for reference purposes only. The language used in the headings is not controlling and is not considered a substantive part of this Settlement Agreement.

21. **Severability.** If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Settlement Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the

remaining portions of this Settlement Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

22. **Preparation of Settlement Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Settlement Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The Parties acknowledge that this Settlement Agreement is the result of their joint efforts and shall be construed as having been drafted by all Parties hereto.

23. **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Settlement Agreement and executed by each party hereto.

24. **Waiver**. The Parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Settlement Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Settlement Agreement is not a waiver of such provision or modification of this Settlement Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

Recommended Action

Approve Change Order #7 which includes 416 days.

District-zone Impact: District 3

Impact if the Board Voted Yes or No

-If the Board votes "Yes": The Contractor will be granted 416 days of delays that were beyond its control.

-If the Board votes "No": The Contractor will be unfairly assessed for delays to the project that were beyond its control.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	3,395,275.26	770 Days
DIRECT OWNER PURCHASE(S):	$	(1,407,332.00)	0 Days
PREVIOUSLY APPROVED CO'S:	$	395,201.10	0 Days
CURRENT CO REQUEST:	$	0.00	416 Days
CURRENT REVISED CONTRACT:	$	**2,383,144.36**	**1,186 Days**

Status of Work:

The construction phase is 90% complete. The project is expected to achieve Substantial Completion by July 30, 2026, and Final Completion by December 28, 2027. This is not the final change order for this Project.

Background/History
The scope of work for the project includes fire alarm, HVAC improvements, media center improvements, and building envelope improvements.

Change Order Items:
Item #1 - (COI #27) Time Extension Request Due to Termite and Water Damage in Building 3: In April 2023, Building 3 of the Whiddon-Rogers Education Center was adversely affected by severe flooding. Subsequent investigations by the Contractor revealed widespread termite damage along all three exterior walls, in addition to substantial water intrusion resulting from the flood. As a result, construction activities were immediately suspended. The project scope was subsequently revised to incorporate necessary redesign and remediation measures. These unexpected conditions have led to significant delays impacting the critical path and overall completion of the project. (Unforeseen - $0.00; Add 416 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM. The above-referenced Change Order Items, COI #27, was recommended for approval by the Change Order Review Panel (CORP). **This change order is being presented for School Board approval because the financial impact of the associated delays, if converted to liquidated damages, would exceed the Superintendent's approval limit of $100,000 per change order, as established by Policy 8000.**

The request for additional time is supported by a Time Impact Analysis (TIA), which has been analyzed and recommended for approval by an Independent Claims Analyst Forensic Scheduler. See Exhibit 3 – Time Impact Analysis (TIA).

Alignment to 2027 Goals and Guardrails
Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is granted days for delays that were beyond its control.

Financial Impact
There is no financial impact to the current project budget.

2. Executive Summary

2.1 PCO #27

On 20-Oct-25, the Contractor submitted PCO #27, requesting an excusable extension of 125-day to the Substantial Completion (SC) date of 23-Jul-24. However, the difference between the Schedule with delays included (impacted) and Schedule prior to delays (unimpacted) schedule submitted with the TIA shows 671 days of delay to SC. The Contractor asserts that unforeseen conditions in Building #3, including termite and water damage, continue to delay the project and anticipates 04-Feb-26 as an end date for the delay.

The additional work added to project scope through ASI #6, due to water damage in Building #3 is in progress and continue to impact the SC with the exact impact still unknown. In coordination with the Project Manager, the Analyst forecasts 30-Dec-25 as the date by which the Contractor is expected to complete the additional water-damage-related work. This date serves as the provisional end point for assessing the potential schedule impact of the delay.

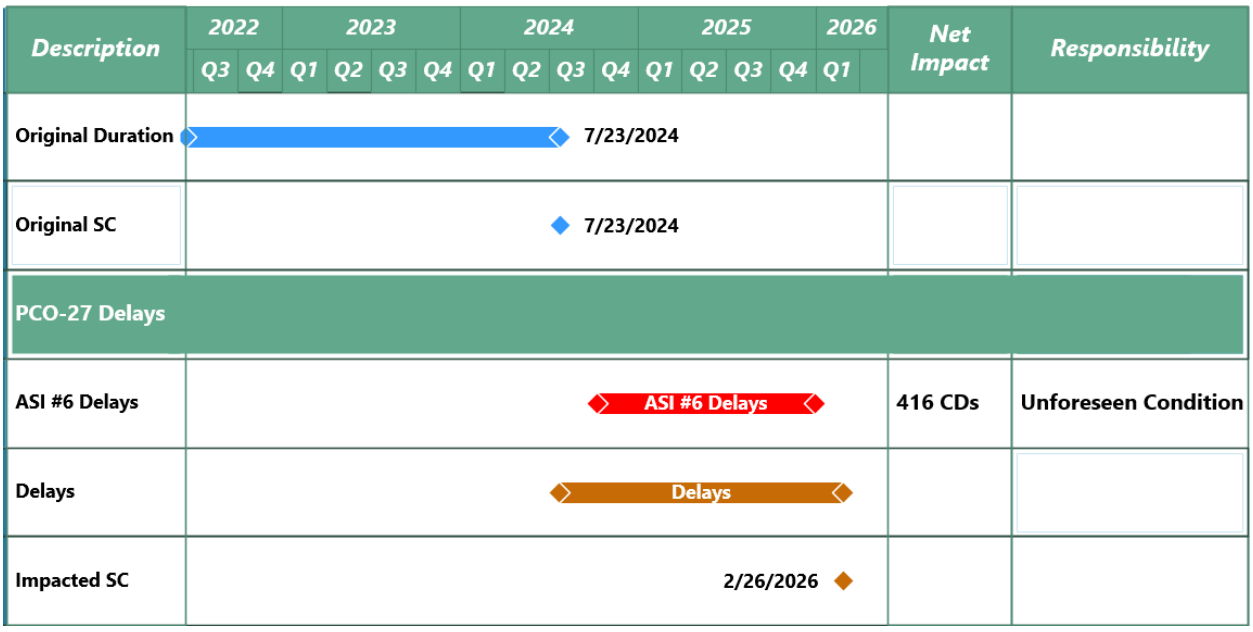
The Analyst determined that termite damage did not affect the SC, therefore, this delay has not been analyzed further in this report. The Analyst recommends granting an excusable, non-compensable time extension of 416 days to the SC. The delays that impacted the SC were beyond the Contractor's control, resulted from unforeseen conditions discovered during demolition.

2.2 Analyst Recommendation

The Analyst reviewed the TIA submitted with PCO #27 along with project records and conducted an independent TIA.

- Granting an excusable, non-compensable time extension of 416 days to the Substantial Completion (SC) date;
- Adjusting Final Completion (FC) to 30 days following SC;
- Not granting compensation for General Conditions.

Graph 1 – PCO-27 Delays



2.3 Justification for Recommendation

- On 08-Oct-24, the Contractor submitted RFI #67, notifying AE of damages to room 108 wall in building #3. This led to ASI #6 adding partition wall to room 108. The Building Department approved ASI #6 on 07-May-25. The Contractor to-date has not finished the work related to the scope change. A conditional end date of 30-Dec-25 for the delay projects 416 days delays to the SC attributed to an unforeseen condition.
- The Analyst does not recommend defining any delays mentioned above as compensable based on Article 6.05 of the Project Manual which was incorporated into the Construction Contract. The contract is subject to no damage for delay clause which is enforceable except in the case of fraud, bad faith or active interference by the Owner which is not the cause of the delay in question.

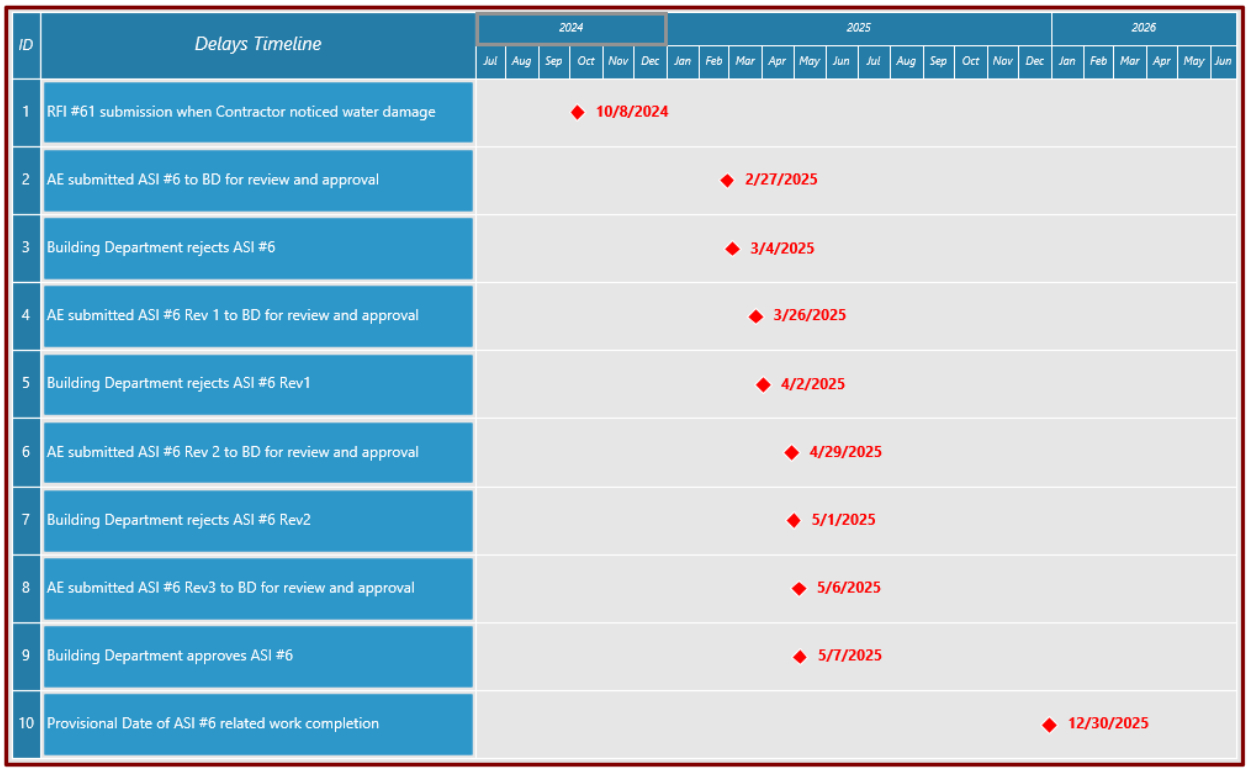
3. Background & Submission

3.1 Project Background

1. NTP was issued on 15-Jun-22. The Contract duration was 770 CDs from NTP to SC, and an additional 30 CDs from SC to Final Completion (FC), 800 CDs total. The scope of work includes Media Center Improvement, Building Envelope Improvements (Roof, Window, Ext Wall, etc.), Fire Alarm, Fire Sprinklers, HVAC Improvements.
2. No previous extension has been granted to the project.

3.2 Delay Timeline

Graph 2 – PCO-27 Delays



3.3 Summary of Contractor's TIA

1. The Contractor's TIA narrative is minimal and lacks full timeline explanation and supporting documentation

2. The Contractor mentions delays in Building #3 due to water and termite damages.
3. The Contractor had not provided any evidence for delay related to termite damages.
4. The Contractor has submitted November schedule update as a pre-impact schedule with a data date of 30-Nov-24 showing FA on a critical path.
5. The Contractor's pre-impact schedule shows SC delayed by 178 days without any explanation what caused the delays.
6. The post-impact schedule (data date: 07-Oct-25) indicates a projected Substantial Completion date of 25-May-26, representing a 671-day delay.
7. The Contractor has added a fragnet into their post-impact schedule showing both start and finish dates in the future.

4. Analysis

4.1 Quantitative

1. The Analyst used AACE Recommended Practice MIP 3.6 per RP29R-03 and a validation review of the Contractor's method for prospective Time Impact Analysis. MIP 3.6 was chosen as the "best fit" since the delay event can be modeled and added and is single based.
2. As the Reviewer could not validate the TIA submitted by the Contractor, an independent TIA was developed and performed by the Reviewer.
3. The November 2024 schedule update was not a logical pre-impact schedule for the delays the Contractor alleges impacted the Substantial Completion (SC) date. The Delays started in October 2024 therefore; the Contractor should have selected the most recent update prior to the delay start date.
4. The Analyst therefore selected the August 2024 schedule update (data date: 30-Aug-24) as the pre-impact schedule to model the delays associated with water damage in Building #3.
5. The Contractor's post-impact schedule (data date: 07-Oct-25) shows delay fragnet "*Water damage discovery - Damage Assessment and Subsequent New Works Change Order PCO ????"* with start and end date in the future.
6. To evaluate the impact of the ASI #6 water damage in Building #3, on Substantial Completion, the following activity was incorporated into the pre-impact schedule with a data date of 30-Aug-24.

Table 2 - Delays due to ASI #6 water damage in Building #3

Task ID	Task Name	Duration	Predecessor	Successor
304	ASI #6 DELAYS	448 days	299	305

7. The duration of this fragnet was derived from the RFI #67 submission date and the provisioned finish date of the delay.
8. When the impacted schedule was rescheduled, the Substantial Completion reflected a 416-day delay due to ASI #6. This delay has been categorized as an Unforeseen Condition.

4.2 Responsibility Matrix

5. Definition

1. The term “longest-path” is defined as the interconnected chain of critical activities in which the total duration of that path is longer than any other path. For continuity of understanding across all present and forthcoming parties to view this document, the term “critical” will be used as the short form of the term “longest path.”
2. The term “pre-impact schedule” can be defined as the “base” schedule or latest Owner-accepted schedule prior to the start of the subject delay event.
3. The term “Excusable Delays” is defined as delays that are unforeseeable and beyond the control of the contractor.
4. The term “Non-Excusable Delays” is defined as delays that are foreseeable or within the contractor's control.
5. The term “days” refers to calendar days unless otherwise specified.

6. Disclaimer

This review is intended to be in accordance with specification section 01 32 16 Construction Schedule Critical Path Method-CPM and section 01 26 00 Change Modification Procedures of the contract documents. This review does not include verification of compliance with contractual instruments or any other management operations related Change modification procedures. This review is not intended in any way to conflict with or misconstrue the program’s management or contractual instruments or processes for settling cost or time changes. This review does not include verification of the program’s change modification procedures. The findings, data, and recommendation contained in this review letter does not include or guarantee compliance with any local or international building code, or any validation that any referenced design is compliant with any engineering or architectural standards (building, structural, roofing, electrical, mechanical, plumbing, or any other construction discipline); this is the responsibility of the Owner and Authorities Having Jurisdiction. Any project delays, past, concurrent to, or future, other than the subject delay being reviewed herein, reflected in the Contractor’s construction schedule are not approved or accepted as a result of comments or the recommendations contained throughout this review document. This review is intended to be independent in methodology and based on industry recommended practices for Time Impact Analysis, while also in orchestration with the stipulations and objectives of the above referenced program. AECOM notes that the analysis and report is quantitative in approach, not qualitative. Thus, any anecdotal reasoning or information that is counter to or outside of AECOM’s independent investigation, or counter to the recommendation contained herein, AECOM reserves the right to consider those at a later time.

DIRECT OWNER PURCHASE(S):	$	(1,550,723.18)	0 Days
PREVIOUSLY APPROVED CO'S:	$	124,724.62	148 Days
CURRENT CO REQUEST:	$	264,227.00	0 Days
CURRENT REVISED CONTRACT:	$	**17,079,228.44**	**983 Days**

Status of Work:

The contract work is 99% complete. The project is expected to achieve Substantial Completion by May 31, 2026, and Final Completion by October 28, 2026. This is not the final change order for this Project.

Background/History
The scope of work for the project includes ADA Stage lift, gymnasium accessibility, outdoor dining renovation, fire sprinklers, IAQ and fascia replacement, media center improvements, STEM lab improvements, building envelope improvements which include re-roofing of Buildings 1, 2, 4, 10, 11, 17, 18, 20, 21 and HVAC improvements.

Change Order Items:
Item #1 – (COI #14) Installation of New Aluminum Covered Walkway Between Building 14 and 17: The initial contract documents specified a new ADA ramp for Building 17. The original design, featuring a perpendicular ramp and an aluminum canopy that connected Buildings 14 and 17, was altered. The new design is a switchback-style ramp, which removed the connecting canopy during the demolition of the old structure. The scope of work was therefore amended to include the installation of a new aluminum covered walkway to restore the connection between Buildings 14 and 17. The Contractor provided labor, material and equipment to install a new aluminum covered walkway between Buildings 14 and 17. (Consultant Omission – $264,227; Add 0 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM and for cost AtkinsRealis. The above-referenced Change Order Item, COI #14, received a recommendation for approval by the Change Order Review Panel (CORP). **This change order is being presented to the School Board for approval because its value exceeds the Superintendent's change order approval limit of $100,000 per change order under Policy 8000.**

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Alignment to 2027 Goals and Guardrails
Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is compensated for additional work provided to install the new aluminum covered walkway between Building 14 and 17.

Financial Impact
The financial impact of this item is $264,227 and will be funded from the current project budget.

Recommended Action

Approve additional funding in the amount of $75,000 and approve Change Order #10 in the amount of $57,231.99.

District-zone Impact: District 4

Impact if the Board Voted Yes or No:

-If the Board votes "Yes": The Contractor will be compensated for additional work that was required to replace thirty-six (36) windows that are spec-compliant due to the initial window supplier going out of business.

-If the Board votes "No": The Contractor will not be compensated for additional work required to replace spec-compliant windows.

Construction Contract Summary:

DIRECT OWNER PURCHASE(S):	$	(294,080.85)	0 Days
PREVIOUSLY APPROVED CO'S:	$	460,017.88	0 Days
CURRENT CO REQUEST:	$	57,231.99	0 Days
CURRENT REVISED CONTRACT:	$	**3,468,313.02**	**365 Days**

Status of Work:

The project is in the closeout phase. The project achieved Substantial Completion on December 18, 2024, and Final Completion on January 24, 2025.

Background/History
The scope of work for the project includes fire sprinklers, PE/athletic improvements, HVAC improvements, media center improvements, and building envelope improvements which include door and door hardware repair, exterior windows, interior finishes and improvements, re-roofing Building 85, roof repairs at Building 3, and stucco repair.

Change Order Items:
Item #1 – (COI #18) Replacement of Exterior Windows in Buildings 1 & 2: The original contractor was terminated for cause, and it was subsequently determined that Innovative Window Concepts (IWC), the subcontracted window supplier, had ceased operations. As a result, the only available alternative windows meeting project specifications were more expensive than those initially planned. This change order addresses the resulting cost increase for replacing thirty-six (36) exterior windows in Buildings 1 and 2, attributable to the closure of the contracted supplier after the bidding process. Therefore, the Contractor is to provide labor, material and equipment to replace thirty-six (36) exterior windows in Buildings 1 & 2. (Unforeseen – $57,231.99; Add 0 Days)

Other Item
Item #1 – Additional Funding Request: This item requests an allocation of $75,000 from the Capital Projects Reserve to ensure adequate funding for the expedited approval of forthcoming change orders in accordance with Policy 8000, and to authorize expenditures for ancillary work customarily associated with construction activities.

Action Plan:
This change order has been reviewed for entitlement by AECOM and for cost by AtkinsRealis. The above-referenced Change Order Item, COI #18, received a recommendation for approval by the Change Order Review Panel (CORP). **This change order is being presented to the School Board for approval because the Superintendent's cumulative change order approval limit (10 percent of the Board approved construction contract) under Policy 8000 has been reached.**

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Alignment to 2027 Goals and Guardrails
Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is compensated for additional work required to replace thirty-six (36) windows

Financial Impact
The financial impact of this item is $57,231.99, $75,000 will be funded from the Capital Projects Reserve. This increases the project budget from $4,740,131 to $4,815,131.

Recommended Action

Approve Change Order #22 which includes 295 days.

District-zone Impact: District 1

Impact if the Board Voted Yes or No

-If the Board votes "Yes": The Contractor will be granted 295 days of delays that were beyond its control.
-If the Board votes "No": The Contractor will be unfairly assessed for delays to the project that were beyond its control.

CURRENT REVISED CONTRACT:	$	**7,140,974.85**	**1,999 Days**

Status of Work:

The construction phase is 98% complete. The project is expected to achieve Substantial Completion by July 31, 2026, and Final Completion by December 28, 2026. This is not the final change order for this Project.

Background/History
The scope of work for the project includes ADA renovations related to educational adequacy, electrical improvements, HVAC improvements, STEM lab improvements, and building envelope improvements.

Change Order Items:
Item #1 - (COI #73) Time Extension Request Due to Additional Scope Associated with Electrical Duct Heaters: The 170-day delay is primarily due to an expanded scope involving Electrical Duct Heaters (EDHs) in Buildings 2, 9, and 10, classified as a Consultant Error. This additional work necessitated longer lead times, extended installation durations, and meticulous activity sequencing. Despite proactive coordination to expedite approvals and material releases, this scope remains ongoing and has impacted the project's critical path. The original bid included a fire-resistive wall installation between classroom 612 and the corridor; however, during demolition, the Contractor discovered that the exterior face of the classroom wall was constructed with metal lath and stucco. This unexpected condition resulted in a further 125-day delay, also affecting the project's critical path. (Unforeseen - $0.00; Add 125 Days)(Consultant Error - $0.00; Add 170 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM. The above-referenced Change Order Items, COI #73, was recommended for approval by the Change Order Review Panel (CORP). **This change order is being presented for School Board approval because the financial impact of the associated delays, if converted to liquidated damages, would exceed the Superintendent's approval limit of $100,000 per change order, as established by Policy 8000.**

The request for additional time is supported by a Time Impact Analysis (TIA), which has been analyzed and recommended for approval by an Independent Claims Analyst Forensic Scheduler. See Exhibit 3 – Time Impact Analysis (TIA).

Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is granted days for delays that were beyond its control.

Financial Impact
There is no financial impact to the current project budget.

Reason For Change:
The delay is caused due to the additional scope associated with the Electrical Duct Heaters (EDHs) in Buildings 2,9,10, and 11. Based on the Time Impact Analysis, the results indicate a total delay of 125 calendar days classified as Unforeseen and 170 calendar days attributed to AE-related impacts.

2. Executive Summary

2.1 PCO #73

On 20-Nov-25, the Contractor submitted PCO #73, requesting an excusable extension of 294-day to the Substantial Completion (SC) date of 27-Aug-25. The Contractor asserts that installation of additional Electrical Duct Heater in Building # 2, 9 &10 continues to impact the SC. The Contractor also asserts that an unforeseen condition prevented installation of fire rated wall in Building #6.

Both delays are currently in progress and as of the date of this writing the exact impact remains uncertain. The Contractor forecasted date of 18-Jun-26 to pass final inspection related to Electrical Duct Heater is reasonable as the work must be performed sequentially. The Contractor must finish the duct work in Building #2 before they can proceed to Building #9 and so on. The work associated with Fire rated wall is expected to conclude on 30-Dec-25. These dates serve as provisional end points for assessing the potential schedule impacts of these delays.

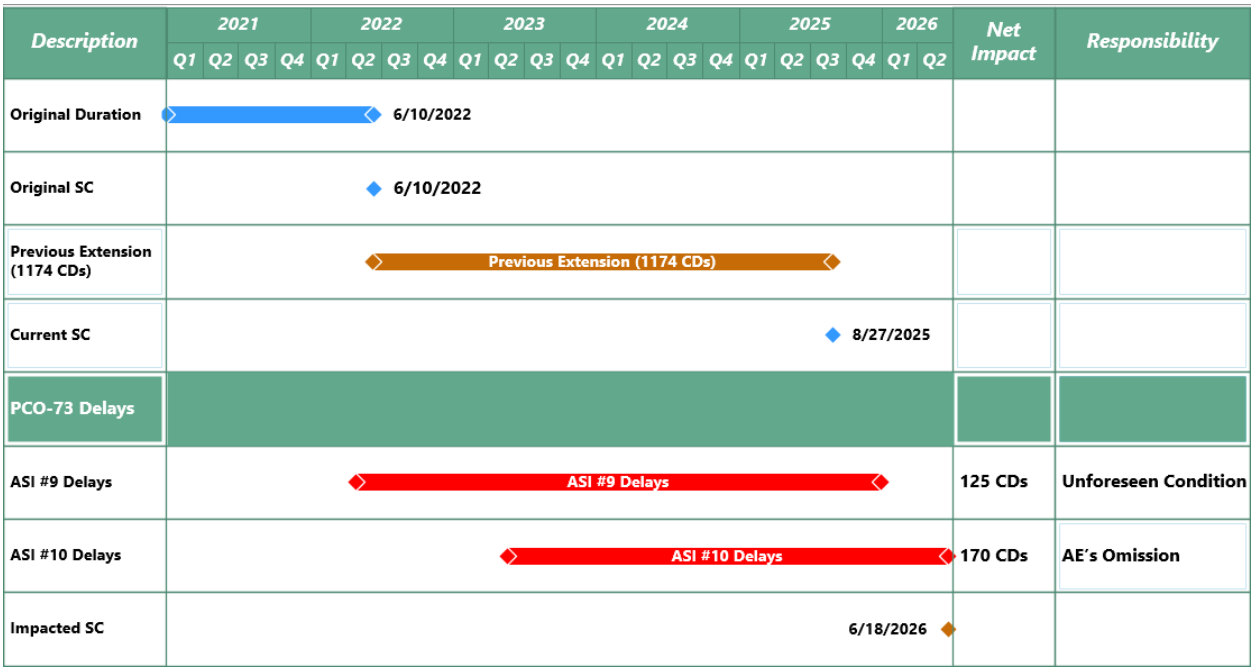
The Analyst recommends granting an excusable, non-compensable time extension of 295 days to the SC. The delays that impacted the SC were beyond the Contractor's control, resulted from AE's omission and unforeseen conditions discovered during demolition.

2.2 Analyst Recommendation

The Analyst reviewed the TIA submitted with PCO #73 along with project records, consulted the Project Manager and conducted an independent TIA and recommends,

- Granting an excusable, non-compensable time extension of 295 days to the Substantial Completion (SC) date;
- Adjusting Final Completion (FC) to 30 days following SC;
- Not granting compensation for General Conditions.

Graph 1 – PCO-73 Delays



2.3 Justification for Recommendation

- **Fire-Rated Wall Issue (ASI #9)**
  - On 26-April-22, the Contractor submitted RFI #46 requesting AE's clarification regarding a fire-resistive wall between classroom 612 and the corridor. This wall shown in the plans was not present in the field and was subsequently added to the project scope through ASI #9. The Building Department approved ASI #9 on 07-Mar-25.
  - On 14-Aug-25, during demolition, the Contractor discovered that the exterior face of the classroom wall was finished with metal lath and stucco, whereas ASI #9 called for fire-shield gypsum board. This unforeseen condition prevented installation of the wall for a while. The Contractor has not completed the work yet.
  - For evaluation purposes, a conditional end date of 30-Dec-25 for this delay results in an estimated 125-day impact to the SC attributable to an unforeseen condition.
- **Mechanical Scope Revision (ASI #10)**
  - On 18-May-23, the Contractor submitted RFI #93 followed by RFI #144 notifying AE of discrepancies between site condition and original plans. The discrepancies resulted in the issuance of ASI #10, which added mechanical scope to bring the mechanical system into code compliance. The Building Department approved ASI #10 on 15-Nov-25.
  - The Contractor has not commenced the work due to long-lead procurement of required components. A provisional end date of 18-Jun-26 for the delay independently impacts the SC by 295 days.
  - Because the delay associated with ASI #10 is partially concurrent with the ASI #9 delay, the remaining 170 days (295 – 125) are attributed to the AE for the omission of electrical duct heaters in the original plans.
- **Current Status if Delays:**
  - Both delays associated to ASI #9 and ASI #10 are on-going, and their exact impacts are not yet known. The end dates for these delays are provisional, and the TIA may be revised once the actual impacts become known.
- The Analyst does not recommend defining any delays mentioned above as compensable based on Article 6.05 of the Project Manual which was incorporated into the Construction Contract. The contract is subject to no damage for delay clause which is enforceable except in the case of fraud, bad faith or active interference by the Owner which is not the cause of the delay in question.

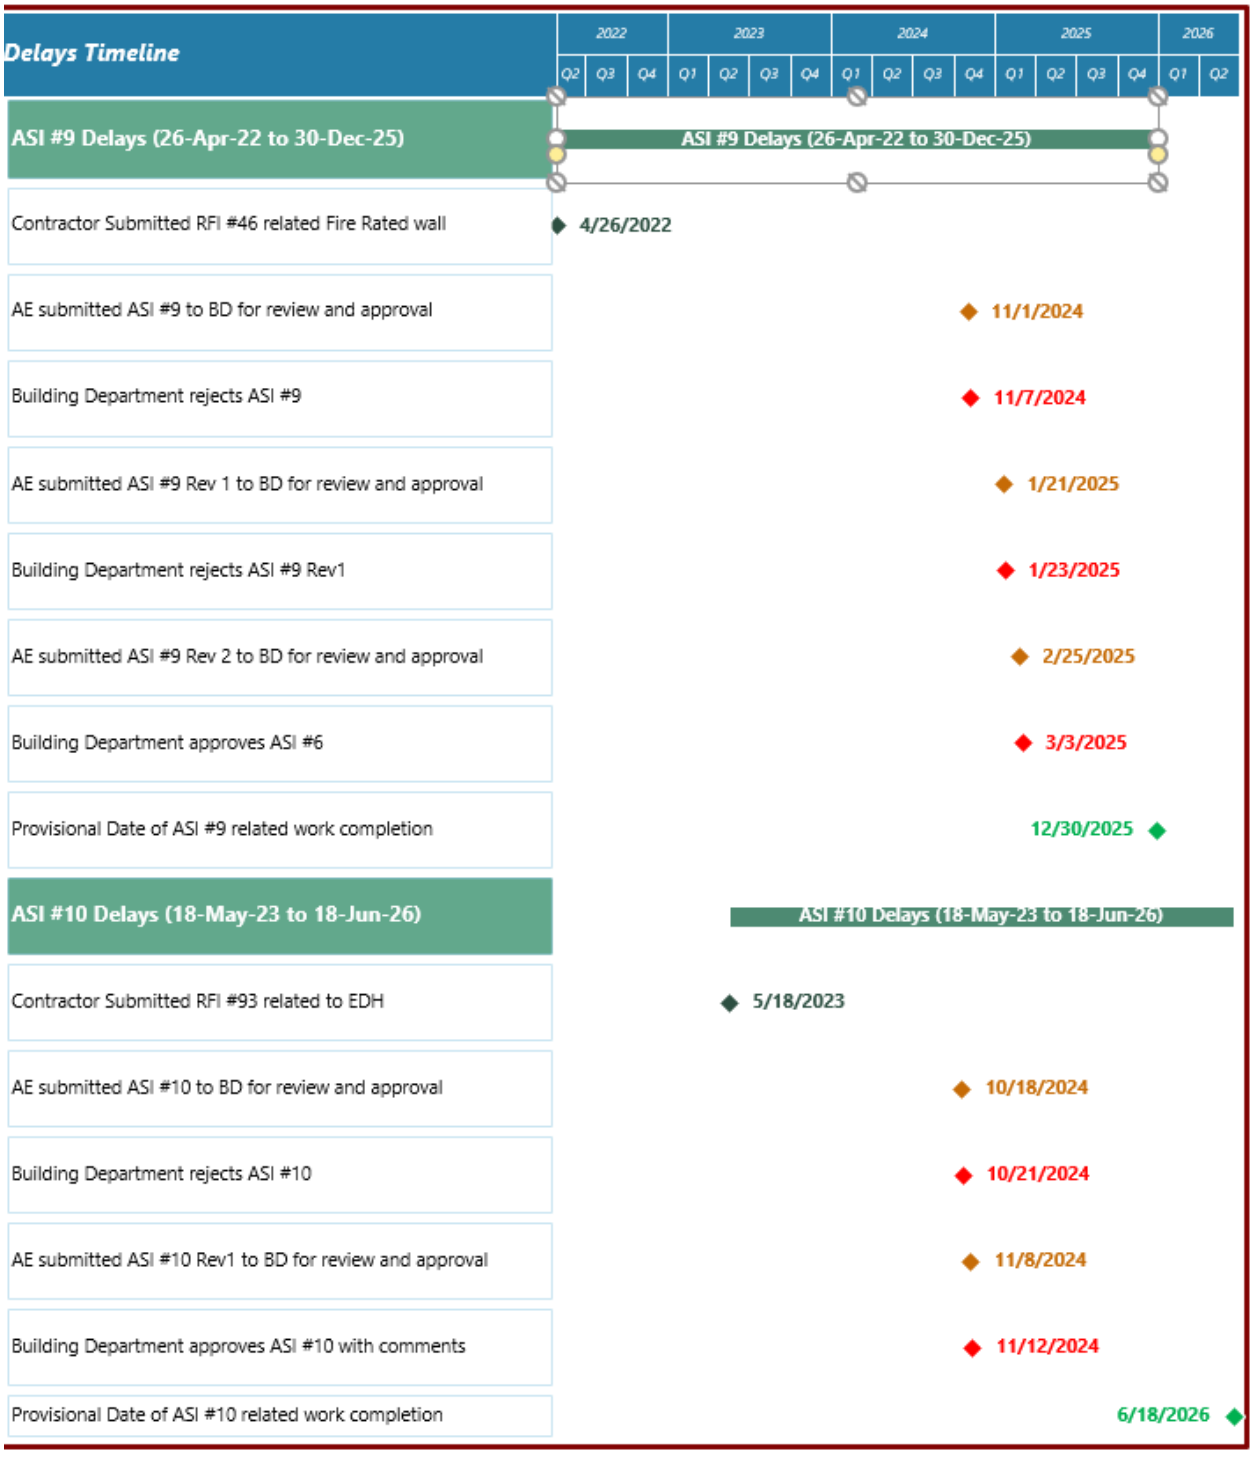
3. Background & Submission

3.1 Project Background

1. NTP was issued on 28-Dec-20. The original Contract duration was 530 days from NTP to SC, and an additional 30 days from SC to FC, 560 days total.
2. A previous time extension of 1174 days was granted to the Contractor through PCO #7&52 and there are no pending time extensions in review.

3.2 Delay Timeline

Graph 2 – PCO-73 Delays



3.3 Summary of Contractor's TIA

1. The Contractor's TIA narrative is minimal and lacks full timeline explanation and supporting documentation. The Contractor alleges below delays which impacted the SC,

   a. The Contractor mentions delay due to Building #2 auditorium framing inspection that led to ASI #18.

   b. The Contractor also mentions delays due to electrical duct heaters in building 2, 9 and 10.

c. The Contractor mentions an unforeseen condition during demolition in Building #6 that led to ASI #9 which is an ongoing delay.

2. The Contractor has submitted baseline as pre-impact schedule with a data date of 28-Dec-20 with activities completed in 2024.
3. The post-impact schedule (data date: 28-Dec-20) indicates a projected Substantial Completion date of 13-Aug-24 which had a date constraint of 22-Jun-22, representing a 564-day delay.
4. The Contractor has added a fragnet into their post-impact schedule showing both start and finish dates beyond the data date of 28-Dec-20
5. Most of the fragnets in post-impact schedule are not relevant to PCO #73

4. Analysis

4.1 Quantitative

1. The Analyst used AACE Recommended Practice MIP 3.6 per RP29R-03 and a validation review of the Contractor's method for prospective Time Impact Analysis. MIP 3.6 was chosen as the "best fit" since the delay event can be modeled and added and is single based.
2. As the Reviewer could not validate the TIA submitted by the Contractor, an independent TIA was developed and performed by the Reviewer.
3. The baseline schedule was not a logical pre-impact schedule for the delays the Contractor alleges impacted the Substantial Completion (SC) date. The Delays started in 2022 and 2023 while the baseline has a data date of 28-Dec-20 therefore; the Contractor should have selected the most recent update prior to the delay start date.
4. The Analyst therefore selected the post impact schedule of PCO #54 (data date: 31-Dec-21) as the pre-impact schedule to model the delays associated with ASI #9 and ASI #10.
5. To evaluate the impact of the ASI #10 addition of electrical duct heater in Building #2, 9 and 10, on Substantial Completion, the following activity was incorporated into the pre-impact schedule with a data date of 31-Dec-21.

Table 2 - Delays due to ASI #9 and ASI #10

Task ID	Task Name	Duration	Predecessor	Successor
Delay 1	ASI #10 DELAYS	789 days	B27-RR-1060	CLOSE-05

6. The duration of this fragnet was derived from the RFI #93 submission date of 13-May-23 and the provisioned finish date of the delay which is 18-Jun-26.
7. When the impacted schedule was rescheduled, the Substantial Completion reflected a 295-day delay due to ASI #10.

8. Delays related to ASI #10 have been categorized as an AE's omission. The original plans developed by the AE did not include electrical duct heaters in several buildings required by code. The electrical duct heaters were later added to the project scope through ASI #10.
9. Because the 125-day unforeseen condition delay under ASI #9 overlaps partially with the ASI #10 delay, the AE is responsible for only the remaining 170 days of the 295-day impact.

4.2 Responsibility Matrix

5. Definition

1. The term "longest-path" is defined as the interconnected chain of critical activities in which the total duration of that path is longer than any other path. For continuity of understanding across all present and forthcoming parties to view this document, the term "critical" will be used as the short form of the term "longest path."
2. The term "pre-impact schedule" can be defined as the "base" schedule or latest Owner-accepted schedule prior to the start of the subject delay event.
3. The term "Excusable Delays" is defined as delays that are unforeseeable and beyond the control of the contractor.
4. The term "Non-Excusable Delays" is defined as delays that are foreseeable or within the contractor's control.
5. The term "days" refers to calendar days unless otherwise specified.

Status of Work:
The contract work is 99% complete. The project is expected to achieve Substantial Completion by September 30, 2026, and Final Completion by February 27, 2027. This is not the final change order for this Project.

Background/History
The scope of work for the project includes art room renovation and equipment, electrical improvements, fire alarm, fire sprinklers, HVAC improvements, media center improvements, music room renovation, safety/security upgrade, STEM lab improvements, and building envelope improvements.

Change Order Items:
Item #1 – (COI #47) Installation of Additional Fire Alarm Devices: During rough device inspections, the inspector required additional devices, relocation of devices and changes in the notification volume to achieve code compliance. Therefore, the Contractor is to provide labor, material and equipment to install additional fire alarm devices which are required to provide a code compliant fire alarm system. These devices include the following; seventeen (17) smoke detectors, five (5) heat detectors, eight (8) indoor speakers/strobe, six (6) outdoor speakers/strobe, two (2) explosion probe heat detectors, thirteen (13) pull stations, eight (8) relay modules, two (2) duct smoke detectors, two (2) key switches, twelve (12) cover protectors, twenty-one (21) bases. (Consultant Omission – $130,267.61; Add 0 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM and for cost by AtkinsRealis. The above-referenced Change Order Item, COI #47, received a recommendation for approval by the Change Order Review Panel (CORP). **This change order is being presented to the School Board for approval because its value exceeds the Superintendent's change order approval limit of $100,000 per change order under Policy 8000.** Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

The former Architect (ACAI Associates) is out of business and cannot provide information or be held accountable for past work related to the specified reason code. The new Architect (Jorge A. Gutierrez) assumed the role on November 13, 2024, and therefore holds no responsibility for the reason code.

Alignment to 2027 Goals and Guardrails
Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is compensated for additional work required to install additional fire alarm devices, required to provide a code compliant fire alarm system.

Financial Impact
The financial impact of this item is $130,267.61 and will be funded from the current project budget.

EXECUTIVE SUMMARY

Request to Transfer and Reallocate Project Funds
McArthur High School, Hollywood
Former SMART Program Renovations
Project No. P.001954

Board Meeting Date: February 10, 2026

Requested Action:

Approve the request to transfer $100,000 of the remaining project contingency from the New Classroom Addition (P.002892) to the primary renovation project (P.001954) at McArthur High School and approve staff's recommendation to utilize existing project funding to increase the project scope to include the purchase and installation of furniture in Building 1 at McArthur High School.

School Board Policy Requirement/Authority: Not Applicable

Statutory Requirement/Authority: Not Applicable

District-zone Impact: District 1

Impact of the School Board's Vote:

- If the School Board votes "Yes": The deteriorated and outdated furniture in the Building 1 administrative offices will be replaced.

- If the School Board votes "No": The substantially worn and inadequate furniture in the Building 1 administrative offices will remain in use, and the needed upgrades will be deferred, resulting in the prolonged use of furniture that no longer meets the day-to-day needs of the office.

Background/History

The initial contract documents did not include funding for Furniture, Fixtures, and Equipment (FF&E) for Building 1. However, the furniture in the Building 1 administrative offices requires replacement. Staff is requesting School Board approval to reallocate $154,840 from the existing project funding to provide new furniture, including office chairs, bookcases, file drawers, cube tables, and freestanding desks. This funding covers the cost of the FF&E, along with delivery and installation.

Project Scope & Detail:

The scope of work for the project includes fire sprinkler installation, safety and security upgrades, electrical improvements, HVAC system upgrades, media center improvements, STEM lab improvements, ADA restroom renovations, and extensive building envelope improvements. Building envelope scope includes exterior stucco repair, aluminum window and storefront

replacement, exterior and interior painting, new flooring, acoustic ceiling replacement, reroofing, door and hardware replacement, concrete slab repairs, and new exterior canopy and storefront openings.

Project Status Updates:
The construction phase is 95% complete. The remaining work includes campus-wide test and balance, commissioning, and scheduling final inspections.

Notice to Proceed:	02/28/24
Projected Substantial Completion Date:	02/15/27
Projected Final Completion Date:	07/15/27

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Reallocating contingency funds to replace the worn furniture in the Building 1 administrative offices will provide staff with appropriate and functional furnishings that support daily operations, ensuring the renovated space is fully equipped to meet current administrative needs.

Financial Impact, Funding Source & Budget Status:
- The financial impact of this item is $154,840.
- There are multiple potential change orders (PCO) actively in review which may result in a potential impact to the project budget. Therefore, $100,000 will be reallocated from the remaining available contingency on Project No. P.002892 McArthur High School – New Classroom Addition.

Multi-year agreement: Yes / No
No, this item is not a multi-year agreement. All costs are within the current fiscal year's budget, and the construction schedule, including the duration required to achieve Substantial and Final Completion, is already established in the contract. Any future funding changes or change orders exceeding the limitations outlined in Policy 8000 will require a separate Board item for approval.

EXECUTIVE SUMMARY

Sixth Amendment to Professional Services Agreement
Margate Middle School, Margate
Former SMART Program Renovations
Project No. P.001836

Board Meeting Date: February 10, 2026

Requested Action:
Approve the Sixth Amendment to the Professional Services Agreement between The School Board of Broward County, Florida, and LIVS Associates, LLC.

School Board Policy Requirement/Authority: Not Applicable

Statutory Requirement/Authority: Not Applicable

District-zone Impact: District 7

Impact of the School Board's Vote:
- If the School Board votes "Yes": The Project Consultant will be compensated for the additional Construction Administration ("CA") services required to align with the contractor's approved schedule and to provide continued professional oversight through Substantial Completion of the project.
- If the School Board votes "No": The Project Consultant's authorized CA services would not be contractually aligned with the contractor's approved construction schedule beyond April 8, 2026, which may result in a gap in funded professional services for ongoing construction activities. This misalignment could lead to potential claims or the suspension of CA services, impacting critical functions including submittal review, responses to Requests for Information (RFIs), field observations, pay application review, punch list development, and certification of Substantial Completion.

Background/History
The Project Consultant's original Authorization to Proceed, issued on April 4, 2017, provided 365 calendar days of Construction Administration ("CA") services to Substantial Completion, with an additional 60 calendar days allocated for services between Substantial and Final Completion.

On April 8, 2025, the SBBC issued a Notice to Proceed to James B. Pirtle Construction Company, Inc., establishing a construction duration of 661 consecutive calendar days to achieve Substantial Completion of the project. As a result, a 296-calendar-day shortfall exists between the Project Consultant's authorized CA services and the contractor's approved construction schedule.

To address this misalignment, the proposed Sixth Amendment requests a fee increase of **$82,093** to compensate the Project Consultant for the additional 296 calendar days of CA services required for the duration of construction.

Project Scope & Detail:
The scope of work for the project includes re-roofing of multiple buildings, campus-wide fire alarm replacement and fire sprinkler installations, electrical system upgrades, HVAC improvements and testing and balancing, restroom renovation, aluminum window replacement, conversion of existing areas into music and art labs, media center and art room improvements, and safety and security upgrades.

Project Status Updates:
The construction phase is 14% complete. Fire sprinkler and fire alarm installations are ongoing, restroom renovations continue with one set nearing completion and the second set under construction, window installation is ongoing, and work has begun on the new chiller pad with a gas line location issue being addressed.

Notice to Proceed:	04/08/25
Projected Substantial Completion Date:	04/24/27
Projected Final Completion Date:	09/21/27

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Approval of this amendment ensures continuous CA services through Substantial Completion, supporting timely project delivery, minimizing the risk of construction delays and rework, and protecting the SBBC's capital investment.

Financial Impact, Funding Source & Budget Status:
- The financial impact of this item is $82,093.
- The item will be funded by Capital Funds.
- This item is funded in the current adopted budget.

Multi-year agreement: Yes / No
No, this item is not a multi-year agreement. The Owner's requirements for the progress of design and construction activities are defined by milestones that establish completion dates for each design phase, construction progress, and key project events leading to project completion, issuance of warranties, and Owner occupancy. All costs associated with this amendment are within the current fiscal year's budget. Any additional design services beyond this scope would require a separate item for SBBC approval.

BETWEEN
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, AND PROJECT CONSULTANT FOR ARCHITECTURAL/ENGINEERING SERVICES

This Sixth Amendment to the Professional Services Agreement ("Agreement") between The School Board of Broward County, Florida, (hereinafter referred to as "SBBC" or "Owner") and LIVS Associates, LLC (hereinafter referred to as "Project Consultant") for architectural/engineering services dated the 21st day of March 2017, is entered into this 10th day of February 2026 by and between the Owner and the Project Consultant.

For the Project known as: **Margate Middle School**
Project No. P.001836
SMART Program Renovations

WHEREAS, the Owner and Project Consultant acknowledge and agree that the Agreement between Owner and Project Consultant dated the 21st day of March 2017, is in full force and effect as revised by the First Amendment dated March 20, 2018, the Second Amendment dated September 5, 2018, the Third Amendment dated January 11, 2022, the Fourth Amendment dated June 14, 2022, the Fifth Amendment dated January 23, 2024, and this Sixth Amendment; and

WHEREAS, the Authorization to Proceed issued to the Project Consultant on April 4, 2017, allocated only 365 calendar days of Construction Administration ("CA") services to Substantial Completion; and

WHEREAS, on April 8, 2025, a Notice to Proceed was issued to James B. Pirtle Construction Company, Inc. ("Contractor"), establishing a 661-calendar-day construction duration to achieve Substantial Completion of the Project (on or before January 29, 2027); and

WHEREAS, the Project Consultant's authorized CA duration does not fully align with the Contractor's approved construction schedule, resulting in a shortfall of 296 calendar days; and

WHEREAS, the Project Consultant has requested an increase of $82,093 in Basic Services fees to provide the additional 296 calendar days of CA services required to support the Project through Substantial Completion; and

WHEREAS, the Owner's Program Manager, AECOM, Inc., and District staff have successfully negotiated and hereby recommend additional fees as set forth herein above and below.

NOW, THEREFORE, in exchange for the mutual covenants and promises set forth herein and the sums of money agreed to be paid to the Project Consultant by the Owner, the parties agree as follows:

1. The recitals contained herein are true and correct and are hereby incorporated by reference.

2. **Revised Terms.** The Project Consultant shall perform all related design services for the additional Project scope identified herein as set forth below:

	Original Amount	First Amendment Amount	Second Amendment Amount	Third Amendment Amount	Fourth Amendment Amount	Fifth Amendment Amount	Description	Sixth Amendment Amount	Revised Amount

3. **Other Provisions Remain in Force.** All other terms and conditions of the Contract shall remain in full force and effect. Except as expressly provided herein and as may have been previously amended, all other portions of the Agreement remain in full force and effect.

4. **Order of Precedence among Agreement Documents.** In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

a) This Sixth Amendment to Agreement; then
b) the Fifth Amendment to Agreement; then
c) the Fourth Amendment to Agreement; then
d) the Third Amendment to Agreement; then
e) the Second Amendment to Agreement; then
f) the First Amendment to Agreement; then
g) the Agreement.

Authority: Each person signing this Sixth Amendment on behalf of either party warrants that he or she has full legal power to execute this Sixth Amendment on behalf of the party for whom he or she is signing it to bind and obligate such party with respect to all provisions contained in this Sixth Amendment.

IN WITNESS WHEREOF, the parties hereto have caused this Sixth Amendment to be executed, and their Corporate Seal affixed by and through their proper offices, thereunto duly authorized on this day and year first above written.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Silver Lakes Middle School, North Lauderdale
Former SMART Program Renovations
Fire Sprinkler Carveout
Project No. P.002144-FSP

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, and a time extension of 406 days to Substantial Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 4

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.
- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to Francis Engineering, Inc. on March 25, 2024, with a required Substantial Completion date of October 11, 2024. The project scope included the design, installation, and testing of a new fire sprinkler system in Building 7, along with the underground fire line connection and restoration of all affected areas.

Following the NTP, the project entered the permitting and shop drawing phase. After the initial Building Department review, revised fire sprinkler shop drawings were resubmitted in early June 2024; however, approval was not received until August 16, 2024. This extended review period delayed the start of construction into the school year, significantly limiting allowable work hours. As a result, installation activities were restricted to after school hours, weekends, and school breaks, which reduced productivity and impacted the overall schedule.

As construction progressed, additional challenges were encountered, including coordination with other active projects at the school, debris discovered above ceilings, and design considerations related to exposed piping in areas without dropped ceilings. These matters were addressed through coordination with District staff and inspectors, allowing work to proceed.

Later in the project, inspection deficiencies and required revisions to fire sprinkler riser and manifold locations, as well as updates to fire alarm drawings for monitoring and smoke detector requirements, necessitated additional plan revisions, resubmittals, and re-inspections. While these actions extended the project timeline, they ensured full compliance with applicable codes and standards.

Based on these cumulative impacts, AECOM recommends approval of a 406-day time extension and the release of the remaining retainage of $25,655.85 to Francis Engineering, Inc.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Charles Drew Family Resource Center, Pompano Beach
Former SMART Program Renovations
Project No. P.001848

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 119 days to Substantial Completion, and a time extension of 660 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 7

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.
- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to H.A. Contracting Corp. on July 5, 2022, with an original contract duration of 430 days to achieve Substantial Completion of the work. The project scope included HVAC improvements and new smoke detector interfaces, as well as building envelope improvements consisting of exterior wall renovations, aluminum-covered walkway repairs, and re-roofing Buildings 1-10 and 13.

Progress toward Substantial Completion was impacted by construction material availability issues, particularly associated with roofing systems. Revisions to the specified roofing materials were required, along with coordination and approvals involving the Project Consultant and the Building Department. These factors, combined with challenges in maintaining the planned construction pace, extended the duration of roofing activities and affected the overall project

schedule. Construction activities were ultimately completed, and the project reached Substantial Completion in January 2024.

Prior to Substantial Completion, it was determined that installation of the unit ventilators was not required, as the existing system was fully operational. While the construction work was substantially complete, Final Completion was delayed due to the administrative processing of the associated design change. Approval of the design documentation by the Project Consultant required an extended period (approximately one year), after which additional time was needed to complete the related professional services amendment, process the corresponding construction change order, and finalize closeout documentation. These delays were administrative in nature and not the result of outstanding construction work.

Given these circumstances, AECOM recommends approval of a 119-day extension to allow for timely Substantial Completion and an additional 660-day extension between Substantial and Final Completion. AECOM further recommends the release of the remaining retainage of $80,725.44 to H.A. Contracting Corp.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Coconut Palm Elementary School, Miramar
Former SMART Program Renovations
Project No. P.002088

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 511 days to Substantial Completion, and a time extension of 70 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 2

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.
- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to Campus Construction Group, Inc. on December 20, 2021, with an original contract duration of 358 days to achieve Substantial Completion. The project scope included campus-wide fire alarm panel replacement, HVAC improvements, and reroofing of Buildings 1 and 2.

Throughout construction, the project experienced multiple delays due to a combination of design adjustments, coordination requirements, and regulatory review processes. Early in the project, the work was impacted by mechanical and electrical coordination issues involving the replacement of a chiller pump, which required new motor starters not originally identified in the contract documents. This modification resulted in an inspection delay while revised documentation was prepared and approved, resulting in a delay in HVAC test and balance activities.

Subsequent delays occurred during the fire alarm system installation phase due to additional devices requested by inspectors, repeated plan resubmittals, and extended permit reviews. These updates, combined with multiple review cycles and approval timelines, lengthened the duration of this work effort.

Work on the structural I-beam installation was also temporarily paused to allow for the development and approval of an engineered Maintenance of Traffic (MOT) and Evacuation Plan. Construction resumed promptly upon plan approval and inspection. Additional time was necessary to complete the I-beam fireproofing, finalize roof tie-downs, and coordinate with Physical Plant Operations on rooftop exhaust fan and lightning protection work.

Based on this review, AECOM recommends granting an additional 511-day extension to permit timely Substantial Completion, and a further 70-day extension between Substantial and Final Completion. Furthermore, AECOM recommends releasing the remaining retainage amount of $105,453.45 to Campus Construction Group, Inc.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Driftwood Elementary School, Hollywood
Former SMART Program Renovations
Roof Carveout
Project No. P.002064-RC1

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 34 days to Substantial Completion, and a time extension of 19 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 1

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.

- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to Atlas Apex Roofing, LLC on October 11, 2023, with an original contract duration of 400 days to achieve Substantial Completion of the work. The project scope included the removal and replacement of the existing roofs on Buildings 1, 2, 6, 7, 8, 10, 12, 13, 15, 16, and the covered walkways.

Construction proceeded ahead of schedule until unforeseen underground utility conflicts in the walkway areas were discovered in July 2024, at which time the walkways constituted the remaining scope of work. The conflicts required a redesign of the walkway scope, which was submitted in October 2024, approved in November 2024, and construction and final inspections were completed in December 2024.

AECOM recommends approval of a 34-day extension to allow for timely Substantial Completion and an additional 19-day extension between Substantial and Final Completion. AECOM further recommends the release of the remaining retainage of $90,831.68 to Atlas Apex Roofing, LLC.

PROJECT SCHEDULE SUMMARY

Notice to Proceed:	10/11/23

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Lauderhill 6-12 STEM-MED Magnet School, Lauderhill
Former SMART Program Renovations
Fire Sprinkler Carveout
Project No. P.001801-FSP

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 262 days to Substantial Completion, and a time extension of 27 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 5

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.

- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to Francis Engineering, Inc. on October 17, 2023, with an original contract duration of 500 days to achieve Substantial Completion of the work. The project scope included the design, permitting, replacement, and testing of upgraded fire sprinkler systems for Buildings 1 and 2, incorporating existing components, coordinating with fire alarm systems, maintaining specified fire mains, and providing full system warranties.

Following the NTP, the project progressed through design, permitting, and construction within an active school campus, which limited work hours to after-school periods, weekends, and school breaks. During construction, debris and unforeseen conditions were identified above ceilings. In addition, discrepancies were discovered between as-built drawings and actual field conditions related to the underground fire line, which required revised shop drawings and additional

approvals before work could proceed. Areas without dropped ceilings also required modifications to accommodate exposed fire sprinkler piping.

Primary construction activities were completed by October 2024. Subsequent efforts primarily consisted of inspection-related corrective work, re-inspections, and completion of required certifications coordinated with the Fire Marshal's Office within limited inspection windows. These activities extended the timeline to Final Completion while ensuring compliance with applicable fire, life safety, and building code requirements.

Based on the project history outlined above, AECOM recommends approval of a 262-day extension to allow for timely Substantial Completion and an additional 27-day extension between Substantial and Final Completion. AECOM further recommends the release of the remaining retainage of $59,742.23 to Francis Engineering, Inc.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

Project No. P.001729-RC1

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 196 days to Substantial Completion, and a time extension of 250 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 5

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.

- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to A-1 Duran Roofing, Inc. on October 30, 2023, with an original contract duration of 310 days to achieve Substantial Completion of the work. The project scope included the removal and replacement of the existing roofs on Buildings 1, 2, 3, 4, and the related rooftop mechanical equipment.

Following the issuance of the NTP, the contractor initiated the design phase of the project. Progress toward construction was delayed as the roofing design binder required multiple submissions and revisions prior to approval. As a result, the roofing permit was approved later than initially planned, which limited construction activities during the early phase of the project.

Construction activities commenced in October 2024, approximately one month after the original contractual Substantial Completion milestone. Once on-site construction began, the contractor achieved Substantial Completion in approximately five months while addressing unforeseen field conditions, including deteriorated metal decking and additional scope items, with Substantial Completion achieved in March 2025.

Following Substantial Completion, additional time was required to complete change order processing, finalize required inspections, and perform standard administrative closeout actions necessary to formally achieve Final Completion.

AECOM recommends approval of a 196-day extension to allow for timely Substantial Completion and an additional 250-day extension between Substantial and Final Completion. AECOM further recommends the release of the remaining retainage of $187,847.24 to A-1 Duran Roofing, Inc.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

EXECUTIVE SUMMARY

Final Acceptance and Release of Retainage
Palmview Elementary School, Pompano Beach
Former SMART Program Renovations
Roof Carveout
Project No. P.002084-RC1

Board Meeting Date: February 10, 2026

Requested Action:

Approve Final Acceptance of the Project, Release of Retainage, a time extension of 268 days to Substantial Completion, and a time extension of 334 days between Substantial and Final Completion.

School Board Policy Requirement/Authority: Policy 7005 mandates that final payment may be released only after the SBBC has accepted the facility through an executed Form OEF 110B, all contractual obligations have been fulfilled, and an executed Form OEF 209 has been provided.

Statutory Requirement/Authority: Pursuant to F.S. 1013.50, final payment to the contractor is prohibited until the project is formally accepted by the SBBC.

District-zone Impact: District 7

Impact of the School Board's Vote:

- If the School Board votes "Yes": This action finalizes the closeout of the project and authorizes the release of retainage (final payment) to the contractor.

- If the School Board votes "No": The final payment cannot be released to the contractor, thereby delaying project closeout.

Background/History

A Notice to Proceed (NTP) was issued to A-1 Duran Roofing, Inc. on August 25, 2023, with an original contract duration of 240 days to achieve Substantial Completion of the work. The project scope included the removal and replacement of the existing roofs on Buildings 2, 3, and 6, and the related rooftop mechanical equipment.

Following the issuance of the NTP, the contractor began the design phase of the project. Progress toward construction was delayed as the roofing design binder required multiple submissions and revisions before approval. As a result, the roofing permit was approved later than initially planned, which limited construction activities during the early phase of the project.

Construction activities commenced in July 2024, approximately two months after the original contractual Substantial Completion milestone. Once construction began, the contractor completed the scope of work within approximately six months, including addressing unforeseen field conditions and completing all required inspections.

Substantial Completion was achieved in January 2025. After Substantial Completion, additional time was required to complete change order processing and standard administrative closeout actions necessary to formally achieve Final Completion.

Based on these circumstances, AECOM recommends approval of a 268-day extension to allow for timely Substantial Completion and an additional 334-day extension between Substantial and Final Completion. AECOM further recommends the release of the remaining retainage of $38,805.15 to A-1 Duran Roofing, Inc.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

Impact of the School Board's Vote:
- If the School Board votes "Yes": A Yes vote on this item initiates LED Lighting and plumbing upgrade projects at twenty (20) Schools, which results in a safer, enhanced, and environmentally greener student and teacher learning environment with guaranteed annual savings of over 1 million dollars annually to the District. In addition, six (6) of the twenty (20) schools will receive new trash compactors to reduce the refuse operational costs.
- If the School Board votes "No": A No vote on this item means that the existing fluorescent lighting, inefficient plumbing, and refuse collection systems will remain with no reductions in energy, water, or refuse cost or consumption.

Background/History
Energy Savings Performance Contracting is a proven, alternative procurement method that has been widely used for more than thirty (30) years, is recognized by the U.S. Department of Energy, and permits governmental agencies to enter into a guaranteed energy, water, or wastewater savings Agreement for a duration of more than one (1) year with vendors of guaranteed energy, water, or wastewater savings programs. These programs are financially guaranteed to achieve the projected savings by the Energy Service Company (ESCO), which reduces budget and operational risk to the District.

The objective of SBBC's Energy Performance Contract projects is to generate significant consumption reductions and cost savings in energy and water utilities by upgrading necessary infrastructure and safety features, including energy-efficient LED technologies and low-flow plumbing fixtures. Implementation of these upgrades also supports the environmental stewardship of the District.

Phase I (Pilot): (Approved by SBBC on May 19, 2020, for nine (9) Schools): Construction was completed in August 2021, with year-to-date verified savings of $1,334,733, which positively exceeded the guaranteed total Year-to-date savings by $902,712.

Phase II: (Approved by SBBC on December 14, 2021, for twenty-one (21) Schools): Construction was completed in September 2023 with verified savings of $1,399,073 (as of December 2024), which positively exceeded the guaranteed total savings by $512,318.

Phase III: (Approved by SBBC on June 13, 2023, for twenty-three (23) Schools): Construction was completed in August 2024 with a year-to-date verified savings of $1,487,142, which positively exceeded the guaranteed total Year-to-date savings by $498,155.

Phase IV: (Approved by SBBC on July 23, 2024, for thirty-one (31) Schools): Construction is in progress with an estimated completion date of February 2026 and estimated total annual project savings of over $1,000,000.

Agreement Term: May 19, 2020, through May 18, 2040; Fourth Amendment Term: 15 years; Emerging/Small/ Minority/Veteran/Women Business Enterprises: None

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Approval of this amendment ensures continued progress toward energy efficiency, cost savings, and improved learning environments across the District. Phase V: Estimated total annual project savings is over $1,400,000 with a guaranteed performance period of fifteen (15) years.

Financial Impact, Funding Source & Budget Status:
The financial impact of this spending authority is $14,760,460. The annual capital equipment lease payments are included in the fiscal year 2026 District Educational Facilities Plan and are offset in the District's General Fund budget by the guaranteed utility savings. As a result, there is no net financial impact to the District.

Fourth Amendment	2/10/2026	Yes-DEFP	(FY25-26) CAPITAL (TRANSFER To General Fund) Fund: 11	14,760,460	
Total Agreement Amount				**$14,760,460**	**180**

The financial impact amount represents an estimated Agreement value; however, the authorized amount will not exceed the estimated Agreement award amount.

Multi-year agreement: Yes/No
Yes. This Agreement is for a maximum of twenty (20) years, with a specific term of the loan being fifteen (15) years.
Agreement Term: May 19, 2020, through May 18, 2040; Fourth Amendment Term: 15 years; Emerging/Small/ Minority/Veteran/Women Business Enterprises: None.

Procurement Method:
Due to the positive success and impact of Phases I to IV, the District opted to unanimously approve the next Phases of services for one hundred additional District Schools (100) in Fiscal Year (FY) 2025/2026 through FY2029/2030. The Project Development Agreement (PDA) for Phases V through IX, to evaluate one hundred (100) locations, twenty (20 per phase/year), was approved by the School Board on August 19, 2025, as Item OO-18.

Impact on Schools:
Installation of the LED lighting systems directly enhances the student learning and staff working environment and reduces lighting heat output, affecting Heating, Ventilation, and Air Conditioning operation and indoor environmental quality. Upgrades to the plumbing systems reduce gallons per flush and gallons per minute; new trash compactors reduce trash pickup frequency and promote a cleaner area. All projects result in a reduction in consumption/usage and utility costs, which allows funds to be allocated in other areas in support of schools.

If there is an impact on schools, how will schools be selected/prioritized:
Schools throughout the District are considered for evaluation based on historical knowledge of existing inefficient lighting fixtures as identified by Physical Plant Operations (PPO), Facilities Condition Assessments, and fire or safety-related inspections. Any planned projects from other Departments or Programs are reviewed and considered for inclusion in the Performance Contracting program.

Stakeholder Engagement/ End-User Input:
PPO, Office of Capital Programs, Food & Nutrition Services, School Principals, and Head Facilities Service Persons participated in the process of selecting and prioritizing schools based on identified needs, such as aging or inadequate lighting and high refuse costs.

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:
The expected life/replacement cycle is twenty years (20) years.

Additional Backup:
Energy Savings Performance Contracting (ESPC) initiatives—such as LED lighting upgrades—have significantly improved the learning environment across Broward County Public Schools. These enhancements have delivered measurable benefits in safety, energy efficiency, and sustainability, earning strong praise from school leaders and staff. Below are representative testimonials from multiple campuses and project phases:

William Dandy Middle School (Phase I) **July 6, 2021**
"As a result of William Dandy Middle School being selected for the Phase 1 Program for Infrastructure Upgrades, our school has benefited from modernized lighting systems installed throughout the campus. This has resulted in a safer school environment that is now more energy-efficient and sustainable for students and staff."
— **John W. Battle III, Assistant Principal**

Pines Lakes Elementary School (Phase I) **April 1, 2024**
"Pines Lakes Elementary has been the recipient of a multi-phase project for energy improvements to upgrade lighting and water conservation. As Principal, I am proud to support the District's application for the U.S. Department of Energy's Efficient and Healthy Schools Campaign. Our district is leading the way in energy-efficient schools, and I can attest to the success of its implementation. This project improved safety and provided a more conducive learning environment for over 500 students and staff."
"Our school is one of the older campuses in the District. When I became Principal eleven years ago, I noticed the impact of outdated lighting and plumbing on students and staff. While we worked hard to improve efficiency through educational activities, the greatest impact has come from this energy efficiency project. I am extremely grateful for that."
"Mr. Eric Jackson, Head Facilities Service Person, shared that he and his team have noticed a reduction in maintenance needs since the project began."
— **Susan F. Sasse, Principal**

Blanche Ely High School (Phase II) **May 5, 2023**
"Nighttime security and safety have improved significantly with all exterior lights now operational, as well as classroom instruction with every fixture lit in every room. Thank you and your team for a job well done!"
— **Michael Crehan, Head Facilities Serviceperson**

Walker Elementary School (Phase II) **March 1, 2023**

"Good day, Ms. Puma. I hope all is well. Last year, your team completed lighting and plumbing upgrades for Walker Elementary School. Were these upgrades a district-wide initiative? I am now the Principal at Wilton Manors and wanted to know if the school is scheduled for similar upgrades. I have some safety concerns with lighting and want to make sure we are conserving water and energy usage. Your help with this matter would be greatly appreciated."

— **Tauri J. Eligon, Principal**

Whiddon Rogers Education Center (Phase III) **February 20, 2024**

"I have noticed the phenomenal difference in our campus lighting. This project was definitely needed and long overdue. Thank you for all you have done!"

— **Wylie L. Howard Jr., Principal**

Silver Lakes Middle School (Phase III) **October 27, 2023**

"This is amazing. It is the talk of the school among students and staff. I truly appreciate the professionalism and quality work of the crew."

— **Errol Evans, Principal**

"The media center and hallways look great! These new lights make a big difference in the aesthetics of the campus. Thank you."

— **Armando Alejo, Assistant Principal**

Taravella High School (Phase IV) **March 13, 2024**

"We are excited about the improvements to our school's lighting."

— **Mary DeArmas, Principal**

Nob Hill Elementary School (Phase IV) **March 13, 2024**

"Several schools mentioned they are thrilled with the updates, and I am too!"

— **Rose Marie DeFalco, Head Facilities Serviceperson**

FOURTH AMENDMENT TO MASTER SERVICES CONTRACT FOR GUARANTEED ENERGY PERFORMANCE CONTRACTING SERVICES

THIS FOURTH AMENDMENT TO MASTER SERVICES CONTRACT FOR GUARANTEED ENERGY PERFORMANCE CONTRACTING SERVICES ("MASTER AGREEMENT") is made and entered into as of this ____ day of _____, 2026, by and between

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC" or "CUSTOMER"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

JOHNSON CONTROLS, INC.
(hereinafter referred to as "CONTRACTOR" or "JCI"),
having a place of business at
15901 SW 29TH St., Suite #801, Miramar, FL 33027

WHEREAS, SBBC and JCI (collectively, the "Parties") entered into the Master Agreement dated May 19, 2020, as amended by the First Amendment dated December 14, 2021; the Second Amendment dated June 22, 2023, and the Third Amendment dated July 25, 2024 (hereafter "Agreement"); and

WHEREAS, the Agreement is for energy and utility conservation measures in educational facilities to reduce the amount of energy consumed and produce immediate and long-term savings; and

WHEREAS, on August 19, 2025, in accordance with and pursuant to Section 489.145, Florida Statutes, the Parties entered into a Project Development Agreement (the "Phase V PDA") pursuant to which JCI agreed to provide a Detail Development Summary (the "Report") for energy cost savings for an additional phase of work; and

WHEREAS, as authorized in the Phase V PDA, SBBC desires to retain JCI to perform the work specified in Article 1 (Scope of Work) hereto (the "Phase V Work") relating to the installation of the improvement measures (the "Improvement Measures") described therein; and

WHEREAS, the Parties mutually desire to amend certain provisions of the Agreement with respect to the Phase V Work through this Fourth Amendment to the Agreement (hereafter "Fourth Amendment").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1.01 **Recitals.** The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Amended Provisions.** The Parties hereby agree to the following:

a) Pursuant to Article 33 (Modifications) of the Agreement, the following school locations are hereby added to those locations for which JCI shall provide improvement measures pursuant to the terms of the Agreement as amended herein:

#	School Name
1	Annabel C Perry PreK-8
2	Apollo MS
3	Attucks MS
4	Bair MS
5	Coral Glades HS
6	Croissant Park ES
7	Crystal Lake MS
8	Cypress Bay HS
9	Dave Thomas West Center
10	Falcon Cove MS
11	Lakeside ES
12	Lauderhill 6-12
13	Miramar HS
14	Nova MS
15	Piper HS
16	Pompano Beach HS
17	Riverland ES
18	Seagull School
19	Virginia S Young Montessori
20	Wingate Oaks Ctr

b) The following Articles and Attachments are incorporated by reference into the terms and conditions of the Agreement with respect to the Phase V Work:

i. Article 1 – Scope of Work

1. FIM 1 Appendix (room by room lighting scope)
2. FIM 2 Appendix (water fixture counts)
3. FIM 3 Appendix (INDEX of design drawings, compactor construction documents)

ii. Article 2 – Assured Performance Guarantee

iii. Article 3 – Customer Responsibilities

iv. Article 4 – Price and Payment Terms

c) SBBC shall issue a Notice to Proceed for the Phase V Work to JCI prior to commencement of such work and shall execute a Certificate of Substantial Completion and a Certificate of Final Completion related to such work pursuant to Section 6

(NOTICE TO PROCEED; SUBSTANTIAL COMPLETION; M&V SERVICES) of the Agreement.

d) The Warranty Period and Guarantee Term for the Phase V work shall be based on the date of Substantial Completion of such Phase V work pursuant to Section 10 (WARRNTY) and Article 2 (ASSUREED PERFORMANCE GUARANTEE) of the Agreement.

e) The Phase V Work is separate and distinct from all other phases of work previously performed, or which are in the process of being performed, under the Agreement.

1.03 **Cost of Services.** SBBC shall pay JCI for services rendered for the Phase V Work and related M&V Services in accordance to the attached Article 4 under this Fourth Amendment.

1.04 **Order of Precedence among Agreement Documents.** In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

a) This Fourth Amendment to Agreement; then
b) the Agreement.

1.05 **Other Provisions Remain in Force.** Except as expressly provided herein, all other portions of the Agreement remain in full force and effect. This Fourth Amendment shall have no effect on the Work being performed in accordance with the original schedules attached to the Agreement or the schedules attached to the Second Amendment.

1.06 **Authority.** Each person signing this Fourth Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Fourth Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Fourth Amendment to Agreement.

(Remainder of page intentionally left blank; Signature pages follow)

IN WITNESS WHEREOF, the Parties hereto have made and executed this Fourth Amendment to Agreement on the date first above written.

Article 1. SCOPE OF WORK

Scope of Work Summary	
FIM – 1	LED Lighting Upgrades
FIM – 2	Water Conservation
FIM – 3	Compactors

FIM–1: LED Lighting Upgrades

This Scope of Work includes materials and labor for the following:

Materials and labor to perform the lighting system improvements as detailed in *FIM-1 Appendix*. Space generalizations are described below. These generalizations apply only to areas and fixtures specified in *FIM-1 Appendix.*

- Fluorescent T8 and T12 lamps will be eliminated in specified areas and new LED technology T8 tubes, retrofit kits, or new fixtures will be installed. For new LED tube locations, the existing T8 ballasts will be removed. Existing incandescent and compact fluorescent lamps will be replaced with high efficiency LED lamps or replaced with new LED recessed can kits (only for existing specified recessed-can fixtures).
- Gym high bay fixtures not currently fitted with LED technology fixtures will be replaced with new high bay LED technology fixtures.
- Exterior wall pack fixtures not currently fitted with LED technology will be replaced with new LED wall pack fixtures.
- Exterior pole metal halide and high pressure sodium shoebox fixtures will be replaced with new LED shoebox, cobra head, or slip-fitter type fixtures.
- Exterior metal halide can fixtures will be replaced with LED recessed can kits.
- Wireless ceiling motion sensors or wall switch sensors will be installed based on room size and relative space usage. Gyms getting new LED fixtures will have fixture-mounted occupancy sensors. For complete sensor locations and type see *FIM-1 Appendix*

The following table provides a summary of the quantities of fixtures improved by these upgrades.

Column Header Descriptions
“Add" denoted the install of sockets.
“New Fixture” denotes a new fixture installation.
“Retrofit” denotes a TLED retrofit and also HID or CLF to LED relamps where the HID ballast is removed.
“Retrofit with Kit” denotes recessed can fixtures retrofit with a LED retrofit kit and the use of a LED door kit or a reflector kit in addition to the TLED retrofit.
“Relamp” denotes screw-in replacements in fixtures with no existing ballasts (incandescent fixtures, CFLs, Halogens).

Lighting Inclusions:

1. Lenses and troffer pans of existing affected fixtures will be wiped down during installation. Fixtures that have been retrofitted with new TLEDs will receive a caution label identifying the fixture as a line voltage fixture.
2. Repair or replacement of damaged, cracked, missing, or yellowed lenses (not to exceed 200 pieces) for fixtures affected by the Scope of Work.
3. Maintenance stock of one and a half percent (1.5%) shall be provided for TLED tubes & LED lamps ONLY by JCI after completion of installation to help accommodate any warranty period failures. Manufacturer warranties of lamps and/or fixtures installed are covered by the individual manufacturers published policies and shall be transferred to the Customer. JCI shall provide contact information for each manufacturer. Alleged defective product may be required for return to factory for analysis.
4. Workmanship is warranted for one (1) year from date of installation.
5. Predominant types of tubular LED lamps (TLEDs) will have a five (5) year limited manufacturer warranty.
6. Predominant types of screw-in LED lamps are warranted for three (3) years by the manufacturer.
7. Predominant types of troffer retrofit kits are warranted for 10 years by the manufacturer.
8. Predominant types of sensors and control components are warranted for 5 years by the manufacturer
9. New fixtures warranties vary by manufacturer and will be provided in the Project IOM manuals.
10. In all cases, warranties shall be transferred to the Customer for customer to make warranty claims.
11. Existing lamps, ballasts and other materials will be removed from the site by JCI in accordance with Federal, State, and Local regulations in effect at the time of execution of the Agreement. Recycling of lamps and ballasts will be in compliance with applicable regulations existing at the time of execution of the Agreement.
12. JCI--acting as an agent for Customer--will ensure the proper disposal of hazardous waste generated during the installation of this FIM in accordance with the Federal, State, and Local laws and regulations in effect at the time of execution of the Agreement.
13. Design illumination levels: In the absence of code-mandated lighting requirements, industry standards have been used as a guide, primarily the 10th edition of the Lighting Handbook, published by the Illuminating Engineering Society of North America (IESNA), IESNA Recommended Practice documents and IESNA Design Guides.
14. Existing lighting systems were presumed to be designed based on IESNA recommended practices. In the event current light levels are above IESNA recommendations for the space type (i.e., over-lit), light levels will be reduced. In the event light levels are below IESNA recommendations for the space type, JCI will meet or exceed current light levels. If the space is under-lit due to inadequate spacing or quantity of fixtures from initial design, which requires adding fixtures, adding circuits, reconfiguration or new construction, this will be brought to the attention of the customer. LED fixtures or components specified for the project are based on comparable original lumen outputs of existing equipment rather than depreciated light output values.
15. Existing and post-installation illumination levels have been/will be measured in accordance with procedures recommended by IESNA using a calibrated light meter.
16. Photometrics will be provided for spaces per the building department requirements defined on 3-27-2024.
    Phase 5:
    - Gyms and parking lot lights submittals/photometric plans, will continue to be signed/sealed, prepared by a Professional Engineer.
    - For parking lot light submittals, Customer to provide information on parking lot lights indicating how they are controlled (EMS system, time clock or other).
    - Photometric plans for auditoriums, cafeterias, specialty areas (media centers, science labs, large classrooms/spaces), will be provided for each school.
    - Typical classrooms spaces photometric plans will be completed as in Phase 3 (Third Amendment).
    - Photometric plans for Covered Walkways showing both normal and emergency lighting.

General Lighting Exclusions:

1. Replacement or repair of concrete pole footings or rusted bolts on footings.
2. Existing light poles will be re-used. Repair of wiring to poles, if required, is not included.
3. Pole mounted lighting is reusing existing poles. Customer is responsible for pole maintenance, repair, and replacement throughout the term of the guarantee.
4. Lighting Poles will be checked for contact voltage. If any hazardous voltage is noted, work on that pole will be stopped and the customer and/or the utility company will be notified immediately to correct the fault before any work will be performed.
5. Existing task lighting and table type light fixtures unless specified in FIM-1 Appendix, room by room description of work.
6. Removal or replacement of ceiling tiles unless specified in FIM-1 Appendix, room by room description of work.
7. Existing decorative and stage light fixtures unless noted in FIM-1 Appendix, room by room description of work.
8. The addition of lighting fixtures in areas with existing illumination deficiencies is not covered under this scope of work unless otherwise noted in FIM-1 Appendix, room by room description of work. If foot-candle levels do not meet minimum standards, the customer will be notified.
9. Existing fluorescent dimming systems or fixtures will remain “as is” unless otherwise noted in FIM-1 Appendix, room by room description of work
10. Reconfiguration of existing fixture layout unless otherwise noted in FIM-1 Appendix, room by room description of work.
11. Replacement of existing wiring and/or electrical issues in exterior fixtures.
12. Existing fixtures that are not in a well-maintained condition including, but not limited to, rusted or embrittled in a manner which would impede retrofit.
13. Any electrical wiring other than that required for the retrofit or replacement within the existing lighting fixtures, the installation of new fixtures as scheduled, the installation of occupancy sensors and other controls.
14. Double or bi-level switching of in-board and out-board sockets is not included unless specified in FIM-1 Appendix, room by room description of work.
15. Repair, replacement and adjustments of existing sensors, time clocks, switches or energy management systems unless otherwise noted in FIM-1 Appendix, room by room description of work.
16. Calibration or adjustment of the lighting control devices post installation. JCI will set controls to the agreed upon settings at time of installation only.
17. Repair or replacement of louvers or other components unless denoted in FIM-1 Appendix, room by room description of work.
18. Repair or replacement of yellowed, cracked, damaged or missing fixture lenses, louvers or other components unless denoted on the JCI line by line scope of work.
19. No work can be performed in asbestos contaminated areas. If asbestos is present, the scope of work may have to be adjusted unless the asbestos is abated by the Customer.
20. Unless specified in the scope of work, no previsions are made to ensure that the light levels will comply with existing surveillance camera requirements. Proposed light levels will meet or exceed the current light levels of the exterior fixtures.
21. Replacement of existing lighting sockets and ballast unless otherwise noted.
22. Correction or repair of electrical system deficiencies or any NFPA, NEC, or Local Code deficiencies unless provided for in the scope.
23. Replacement or retrofit of elevator lighting
24. Situations that could not be reasonably documented during the audit (i.e. concealed locations or hidden conditions).
25. Work in buildings or areas not specifically indicated on the line-by-line scope of work is excluded. Should additional areas, buildings, or campuses require addition into the program, Johnson Controls will provide a written estimate for change order.
26. Vending machines are excluded from improvements in this contract.

FIM–2: Water Conservation

This Scope of Work includes materials and labor for the following:

- This FIM will replace or modify specified existing fixtures at the Customer's schools with new water-efficient fixtures and/or fixture components. The intent of this measure is to reduce water consumption and wastewater production, as well as reduce heating energy used to produce hot water. The scope of work includes the one-for-one replacement of select existing sanitary fixtures in restrooms, or the retrofit of inefficient existing fixtures and valves to decrease water usage. Water fixtures will operate as before but consume less water.
- The Scope of Work summary table is presented below. For a by room fixture count please see *FIM-2 Appendix.*

Water Conservation Exclusions:

1. Repair or replacement of defective piping, isolation valves, or plumbing fixtures is not included unless otherwise specified in the Scope of Work;
2. Repair or replacement of inoperable or leaking water riser or isolation valves or repair or replacement of inoperable or leaking hot water circulating valves unless otherwise specified in the Scope of Work
3. Any conditions not meeting applicable codes or existing deficiencies in the Customer's plumbing system will be brought to the Customer's attention. Any work required to upgrade code violations or plumbing system deficiencies will be at an additional cost to the Customer.
4. It is the owner's responsibility to provide water pressure to all plumbing fixtures in the range of 25 to 85 psi. Deviations from this range will require installation of booster pumps or pressure reducing valves external to the scope of work provided.
5. Tile work, flange repairs, wall mount broken carriers, commercial angle-stop replacement, and floor or wall repairs are not included unless otherwise specified in the Scope of Work. This SOW includes up to 5% (8 total for this SOW) of the floor mounted flanges to be replaced as needed. Above this percentage will be performed at additional cost as required.
6. It is the owner's responsibility to ensure that plumbing infrastructure flow capacity (i.e. the ability for the water supply to meet peak demands of water use) is adequate to support a high efficiency plumbing fixture retrofit. Additionally, liability for water hammer and other infrastructure related conditions are excluded from this scope of work. Should such conditions be identified or arise, we will work with customer and/or Johnson Controls to provide potential solutions that would require a change order to this scope of work.
7. The responsibility for repair of defective, previously damaged, degraded, or faulty infrastructure related to water supply or sanitary drain lines is not included. The scope of work begins at the angle stop and ends at the flange connections of toilets, urinals and sinks. Any repairs outside of this scope of work are to be addressed by owner or by change order.
8. Painting, tile work, and wall repair outside of footprint related patching are excluded from our price. Pre-existing damage to walls or flooring will be brought to the attention of customer and/or Johnson Controls and the best course of action will be determined. Johnson Controls will repair any damages caused by the installations. Johnson Controls will attempt to match the existing conditions, but where unique tile or paint is present it may require the Customer to supply material.
9. Installation beyond the plumbing fixtures described in the scope of work contained herein
10. Repair of existing faucets, sinks, shower handles, valves and sink basins or leaks
11. Prior to construction, the owner will identify isolation valves. Isolation valves should be in working order, failed valves are the owner's responsibility to repair or replace.
12. Replacement of angle stops for flush valves associated with toilets and urinals will be replaced completely. All other angle stops will not be replaced as part of this SOW.
13. Replacement or modification of existing floor and wall coverings
14. Any and all ADA bathroom partitions, grab bars, extensions, sink faucet actuators, piping insulation, or other ADA requirements are hereby excluded from this proposal. JCI does not take responsibility for any existing or future ADA compliance issues and if required to modify bathrooms or fixtures to meet an ADA code this will be completed for an additional cost.

FIM–3: Compactors

This Scope of Work includes design, materials and labor for the following:

- This FIM will provide and install new commercial roll on/roll off compactors at the customer schools. The intent of this measure is to reduce operational costs related to the existing commercial dumpsters and SOMAT machines that are currently used at each school.
- The schools that will receive new compactors are
    - Attucks MS
    - Bair MS
    - Croissant Park ES
    - Falcon Cove MS
    - Lakeside ES
    - Lauderhill 6-12
- The scope of work for the compactors is detailed in design drawings in FIM-3 Appendix: 50% Compactor Construction Documents
    - Construction Documents to be completed for permitting upon project execution.
    - Surveys of area being improved
    - Ground Penetrating Radar (GPR) of areas being improved.
- Removal of fluids from grease trap system (one time) during installation of piping connections.
- Training on compactor operation and waste collection service changes will be provided for up to eight hours and scheduled with school staff for each site.
- Scope of Work Overview by School

School	Scope Category	Description
Attucks MS	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.
	Electrical	• Provide and install new 480V three phase 20-amp circuit from Panel HDHK located in Room 102B to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel HHK located in Room 102B to compactor deodorizer.
	Plumbing	• Relocate existing area drain and reconnect to 4” sanitary line. • Remove and replace existing hose bibs on hot and cold-water lines.
	Civil	• Demo of existing paving for new reinforced concrete slab and underground utilities. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen.
Bair MS	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.
	Electrical	• Provide and install new 480V three phase 20-amp circuit from Panel MSB-1 located in Room 234 to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel H4 located in Room 234 to compactor deodorizer.
	Plumbing	• Relocate existing area drain and reconnect to 4” sanitary line. • Provide and install new hot and cold-water lines to new hose bibs on exterior wall from room 227E.
	Civil	• Demo of existing paving for new reinforced concrete slab and underground utilities. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen.
Croissant Park ES	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.

School	Scope Category	Description
	Electrical	• Provide and install new 480V three phase 20-amp circuit from Panel H1B located in Room 114 to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel H1B located in Room 114 to compactor deodorizer.
	Plumbing	• Relocate existing area drain and reconnect to 4" sanitary line.
	Civil	• Demo of existing paving and concrete for new reinforced concrete slab and underground utilities. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen. (Tie into existing masonry wall and chainlink fence)
Falcon Cove MS	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.
	Electrical	• Provide and install new 480V three phase 20-amp circuit from Panel 2H1A located in Room 329 to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel 2H1A located in Room 329 to compactor deodorizer.
	Plumbing	• Provide and install new area drain and connect to existing grease trap piping. • Remove and replace existing hose bib on cold water line.
	Civil	• Demo of existing paving and concrete for new reinforced concrete slab and underground utilities. • Demo and extend masonry wall of existing dumpster pen enclosure. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen. (Tie into existing and new masonry walls)
Lakeside ES	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.
	Electrical	• Provide and install new 208V three phase 40-amp circuit from Panel A located in Room 190 to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel 2H1A located in Room 190 to compactor deodorizer.
	Plumbing	• Provide and install new area drain and connect to existing grease trap piping.
	Civil	• Demo of existing paving and concrete for new reinforced concrete slab and underground utilities. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen. (Tie into existing masonry chainlink fence)
Lauderhill 6-12	Material	• Provide 34-yard Compactor with Deodorizer. • Provide six 96-gallon garbage totes.
	Electrical	• Provide and install new 480V three phase 20-amp circuit from Panel 4PP located in Room 150 to compactor power unit. • Provide and install new 120V single phase 20-amp circuit from Panel G located in Room 172 to compactor deodorizer.
	Plumbing	• Demo existing area drain. • Provide and install new area drain and connect to new 50-gallon grease trap. • Tie new grease trap into existing 4" sanitary line. • Provide and install new hot and cold-water lines to new hose bibs on exterior wall from room 176G.
	Civil	• Demo of existing paving and concrete for new reinforced concrete slab and underground utilities. • Provide and install reinforced concrete slab with enclosed chain link fence, gates and privacy screen.

Compactor Exclusions

1. Additional design costs due to any redesign needed for underground obstructions.
2. Additional costs due to unforeseen underground obstructions.
3. Relocation of existing utilities not shown in drawings.
4. Repair of damaged existing plumbing.
5. Video survey of existing underground piping.
6. Demolition and removal of existing SOMAT machines.
7. On-going maintenance, supplies, or repairs to compactor systems.
8. Modification of solid waste collection service contract for each site for compactor service.

Article 2. ASSURED PERFORMANCE GUARANTEE

I. PROJECT BENEFITS

A. Certain Definitions. For purposes of this Agreement, the following terms have the meanings set forth below:

Annual Project Benefits are the portion of the projected Total Project Benefits to be achieved in any one year of the Guarantee Term.

Annual Project Benefits Realized are the Project Benefits actually realized for any one year of the Guarantee Term.

Annual Project Benefits Shortfall is the amount by which the Annual Project Benefits exceed the Annual Project Benefits Realized in any one year of the Guarantee Term.

Annual Project Benefits Surplus is the amount by which the Annual Project Benefits Realized exceed the Annual Project Benefits in any one year of the Guarantee Term.

Baseline is the mutually agreed upon data and/or usage amounts that reflect conditions prior to the installation of the Improvement Measures as set forth in Section IV below.

Guarantee Term will commence on the first day of the month next following the Substantial Completion date and will continue through the duration of the M&V Services, subject to earlier termination as provided in this Agreement.

Installation Period is the period beginning on JCI's receipt of Customer's Notice to Proceed and ending on the commencement of the Guarantee Term.

Measured Project Benefits are the utility savings and cost avoidance calculated in accordance with the methodologies set forth in Section III below.

Non-Measured Project Benefits are identified in Section II below. The Non-Measured Project Benefits have been agreed to by Customer and will be deemed achieved in accordance with the schedule set forth in the Total Project Benefits table below. Customer and JCI agree that: (i) the Non-Measured Project Benefits may include, but are not limited to, future capital and operational costs avoided as a result of the Work and implementation of the Improvement Measures, (ii) achievement of the Non-Measured Project Benefits is outside of JCI's control, and (iii) Customer has evaluated sufficient information to conclude that the Non-Measured Project Benefits will occur and bears sole responsibility for ensuring that the Non-Measured Project Benefits will be realized. Accordingly, the Non-Measured Project Benefits shall not be measured or monitored by JCI at any time during the Guarantee Term, but rather shall be deemed achieved in accordance with the schedule set forth in the Total Project Benefits table below.

Project Benefits are the Measured Project Benefits plus the Non-Measured Project Benefits to be achieved for a particular period during the term of this Agreement.

Total Project Benefits are the projected Project Benefits to be achieved during the entire term of this Agreement.

B. Project Benefits Summary. Subject to the terms and conditions of this Agreement, JCI and Customer agree that Customer will be deemed to achieve a total of $4,536,941 in Non-Measured Project Benefits and JCI guarantees that Customer will achieve a total of $17,755,014 in Measured Project Benefits during the term of this Agreement, for Total Project Benefits of $22,291,955 as set forth in the Total Project Benefits table below.

Total Project Benefits

* Utility Cost Avoidance figures in the table above are based on anticipated increases in unit energy costs as set forth in the table in Section IV below.
** Measured Operational Cost Avoidance figures in the table above are based on anticipated increases in operational costs as set forth in the table in Section IV below.
*** For Non-Measured Operations & Maintenance Cost Avoidance Project Benefit. Operations & Maintenance Cost Avoidance figures in the table above are based on a mutually agreed fixed annual escalation rate of three percent (3%). Escalation will begin after the 16-month installation period.
NOTE: Escalated values in table above are only shown to the nearest dollar.

Within sixty (60) days of the commencement of the Guarantee Term, JCI will calculate the Measured Project Benefits achieved during the Installation Period plus any Non-Measured Project Benefits applicable to such period and advise Customer of same. Any Project Benefits achieved during the Installation Period may, at JCI's discretion, be allocated to the Annual Project Benefits for the first year of the Guarantee Term. Within sixty (60) days of each anniversary of the commencement of the Guarantee Term, JCI will calculate the Measured Project Benefits achieved for the applicable year plus any Non-Measured Project Benefits applicable to such period and advise Customer of same.

Customer acknowledges and agrees that if, for any reason, it (i) cancels or terminates receipt of M&V Services, (ii) fails to pay for M&V Services in accordance with Article 4, (iii) fails to fulfill any of its responsibilities necessary to enable JCI to complete the Work and provide the M&V Services, or (iv) otherwise cancels, terminates or materially breaches this Agreement, the Assured Performance Guarantee shall automatically terminate and JCI shall have no liability hereunder.

C. Project Benefits Shortfalls or Surpluses.

(i) *Project Benefits Shortfalls*. If an Annual Project Benefits Shortfall occurs for any one year of the Guarantee Term, JCI shall, at its discretion and in any combination, (a) set off the amount of such shortfall against any unpaid balance Customer then owes to JCI, (b) where permitted by applicable law, increase the next year's amount of Annual Project Benefits by the amount of such shortfall, (c) pay to Customer the amount of such shortfall, or (d) subject to Customer's agreement, provide to Customer additional products or services, in the value of such shortfall, at no additional cost to Customer.

(ii) *Project Benefits Surpluses*. If an Annual Project Benefits Surplus occurs for any one year of the Guarantee Term, JCI may, at its discretion and in any combination, (a) apply the amount of such surplus to set off any subsequent Annual Project Benefit Shortfall during the Guarantee Term, or (b) bill Customer for the amount of payments made pursuant to Section C(i)(c) above and/or the value of the products or services provided pursuant to clause C(i)(d) above, in an amount not to exceed the amount of such surplus.

(iii) *Additional Improvements*. Where an Annual Project Benefits Shortfall has occurred, JCI may, subject to Customer's approval (which approval shall not be unreasonably withheld, conditioned, or delayed), implement additional Improvement Measures, at no cost to Customer, which may generate additional Project Benefits in future years of the Guarantee Term.

II. NON-MEASURED PROJECT BENEFITS

Non-Measured Operational and Maintenance(O&M) Benefits Details

FIM-1: Lighting Material Savings

Customer will see a reduction in the cost of lighting materials as a direct result of the implementation of FIM-1. O&M cost avoidance for lighting materials derive from the installation of new lighting equipment which include cost avoidance from reduced expenses for lamps and ballasts realized as a result of the replacement of existing fluorescent lamps with LED lamps and the elimination of existing ballast materials. LED lamps have longer rated lives with warranties as indicated in the warranty submittal.

Material savings were calculated by the following equations:

Material Savings (Project Term)
Lamp Unit Cost per Hour = Average Lamp Cost ÷ Average Lamp Life.
Ballast Unit Cost per Hour = Average Ballast Cost ÷ Average Ballast Life.
Existing Annual Lamp Material Cost = Existing Burn Hours × Quantity of Lamps × Lamp Unit Cost per Hour.
Existing Annual Ballast Material Cost = Existing Burn Hours × Quantity of Ballasts × Ballast Unit Cost per Hour.
Proposed Annual Lamp Material Cost = Existing Burn Hours × Quantity of Lamps × Lamp Unit Cost per Hour.
Proposed Annual Ballast Material Cost = Existing Burn Hours × Quantity of Ballasts × Ballast Unit Cost per Hour.
Proposed Annual Material Cost = Proposed Burn Hours × ((Quantity of Lamps × Lamp Unit Cost per Hour) + (Quantity of Ballasts × Ballast Unit Cost per Hour)).

Annualized Project Term Material Savings = ((Project Term × (Existing Annual Lamp Material Cost + Existing Annual Ballast Material Cost)) - ((Project Term - Proposed Lamp Warranty Period) × Proposed Annual Lamp Material Cost) + ((Project Term - Proposed Ballast Warranty Period) × Proposed Annual Ballast Material Cost))) ÷ Project Term.

FIM-2: Water Conservation - Plumbing O&M Savings

The customer shall see a reduction in the cost of repair materials as a direct result of the implementation of FIM-2. This O&M cost avoidance derives from a reduction of repair materials for the FIM-2 fixtures that are listed for replacement or upgrade. The new fixtures will have warranties as indicated in the warranty submittal.

Material savings are summarized by site in the following table:

These savings are determined based on the following:

Total # of toilet valve replacements	162
Annual savings per replacement (Year 1)	$5.15
Total Toilet O&M Savings	**$835**
Total # of urinal valve replacements	355
Annual savings per replacement (Year 1)	$5.15
Total Urinal O&M Savings	**$1,828**
Total Domestic Plumbing O&M Savings	**$2,663**

FIM-3: Compactors - SOMAT machines O&M Savings

The customer shall see a reduction in the cost of repair materials for existing SOMAT pulping machines as a direct result of the implementation of FIM-3. This O&M cost avoidance derives from an elimination of repair costs for the FIM-3 sites listed for compactor installations. The SOMAT repair savings were derived from information provided by Environmental Conservation/Utility Management group on the existing cost of SOMAT machines throughout the district.

Repair savings are summarized per site in the following table:

Total SOMAT Annual Repair Costs*	Total Number of Schools with SOMAT machines**	SOMAT Repair Cost per School (Base Year)	SOMAT Repair Cost per School (Year 1) ***	Total for Compactors at Six Schools (Year 1)

*** Year 1 includes 3% escalation in costs.

Non-Measured Utility Benefits

The Project Benefits identified below were derived using engineering calculations based on industry standards and data provided by the Customer. These Project Benefits shall be Non-Measured Project Benefits (as defined above) under this Article 2. Reference the FIM-1 Appendix for specific information.

FIM-1: HVAC Impact - Interior Lighting Savings

Additional electrical savings will be achieved because the reduced lighting load will in turn reduce cooling loads at the facilities. Heating loads will similarly increase. These impacts were calculated using Rundquist Method: (HVAC Impact: Cooling Benefit - Heating Penalty).

Fraction of Lighting Savings as Air Cooling Savings = A × B ÷ C.
Where: A = Fraction of Year of Cooling Season, Estimated at 0.96.
B = Fraction of the Lighting Load met by Mechanical Cooling (87%).
C = Cooling system's coefficient of Performance; Average of 2.7.

Extra Heat required (BTU) = D × E × F ÷ G
Where: D = Heating Season = 1 - A.
E = Fraction of the Lighting Reduction that has to be made up by heating. A portion of the lighting heat is released at night. Estimated at 0%.
F = Annual BTU Equivalent of Lighting Saved. Annual Saved kWh × 3414 = BTU.
G = Seasonal Heating Efficiency estimate of basic efficiency of heating system, assumed 100%.

Interactive HVAC Net Benefit/Penalty = Annual kWh Savings × Fraction of Lighting Savings as Air Cooling Savings) - (Extra Heat Required × Average Fuel Rate per BTU).

NOTE: The HVAC savings only applied to lighting retrofits in the conditioned spaces.

Customer agrees that the Non-Measured Project Benefits are reasonable and that the installation of the Improvement Measures will enable Customer to take actions that will result in the achievement of such Non-Measured Project Benefits.

III. MEASUREMENT AND VERIFICATION METHODOLOGIES

The following is a brief overview of the measurement and verification methodologies applicable to the Improvement Measures set forth below. JCI shall apply these methodologies, as more fully detailed in the guidelines and standards of the International Measurement and Verification Protocol (IPMVP) in connection with the provision of M&V Services hereunder.

Option A
Retrofit Isolation: Key Parameter Measurement

Measured Project Benefits are determined by partial field measurement of the energy use of the system(s) to which an Improvement Measure was applied separate from the energy use of the rest of the facility.

Partial measurement means that some but not all parameters will be measured. Careful review of the design and installation of Improvement Measures is intended to demonstrate that the stipulated values fairly represent the probable actual values. Agreed-upon values will be shown in the measurement and verification plan. Engineering calculations using measurements and stipulations are used to calculate Measured Project Benefits for the duration of the Guarantee Term.

Measured Project Benefits from the following Improvement Measures will be calculated using Option A:

FIM-1 - LED Lighting Upgrades
FIM-2 – Water Conservation
FIM-3 - Compactors

Option B
Retrofit Isolation: All Parameter Measurement

Measured Project Benefits are determined by field measurement of the energy use of the systems to which an Improvement Measure was applied separate from the energy use of the rest of the facility. Short-term, long-term or continuous measurements are taken throughout the pre and post-retrofit periods. Engineering calculations using short term, long-term or continuous pre and post-retrofit measurements are used to calculate the Measured Project Benefits for the duration of the Guarantee Term.

Measured Project Benefits from the following Improvement Measures will be calculated using Option B:

None

Option C
Whole Facility

Option C involves use of utility meters or whole building sub-meters to assess the energy performance of a total building. Option C assesses the impact of any type of Improvement Measure, but not individually if more than one is applied to an energy meter. This option determines the collective Measured Project Benefits of all Improvement Measures applied to the part of the facility monitored by the energy meter. Also, since whole building meters are used, Measured Project Benefits reported under Option C include the impact of any other change made in facility energy use (positive or negative).

Measured Project Benefits from the following Improvement Measures will be calculated using Option C:

None

Option D
Calibrated Simulation

Option D involves the use of computer simulation software to predict energy use. Such simulation model must be "calibrated" so that it predicts an energy use and demand pattern that reasonably matches actual utility consumption and demand data from either the base-year or a post-retrofit year.

Option D may be used to assess the performance of all Improvement Measures in a facility, akin to Option C. However, different from Option C, multiple runs of the simulation tool in Option D allow estimates of the Measured Project Benefits attributable to each Improvement Measure within a multiple Improvement Measure project.

Option D may also be used to assess just the performance of individual systems within a facility, akin to Options A and B. In this case, the system's energy use must be isolated from that of the rest of the facility by appropriate meters.

Measured Project Benefits from the following Improvement Measures will be calculated using Option D:

None

CHANGES IN USE OR CONDITION; ADJUSTMENT TO BASELINE AND/OR ANNUAL PROJECT BENEFITS

Customer agrees to notify JCI, within fourteen (14) days, of (i) any actual or intended change, whether before or during the Guarantee Term, in the use of any facility, equipment, or Improvement Measure to which this Schedule applies; (ii) any proposed or actual expansions or additions to the premises or any building or facility at the premises; (iii) a change to utility services to all or any portion of the premises; or (iv) any other change or condition arising before or during the Guarantee Term that reasonably could be expected to change the amount of Project Benefits realized under this Agreement.

Such a change, expansion, addition, or condition would include, but is not limited to:(a) changes in the primary use of any facility, Improvement Measure, or portion of the premises; (b) changes to the hours of operation of any facility, Improvement Measure, or portion of the premises; (c) changes or modifications to the Improvement Measures or any related equipment; (d) changes to the M&V Services provided under this Agreement; (e) failure of any portion of the premises to meet building codes; (f) changes in utility suppliers, utility rates, method of utility billing, or method of utility purchasing; (g) insufficient or improper maintenance or unsound usage of the Improvement Measures or any related equipment at any facility or portion of the premises (other than by JCI); (h) changes to the Improvement Measures or any related equipment or to any facility or portion of the premises required by building codes or any governmental or quasi-governmental entity; or (i) additions or deletions of Improvement Measures or any related equipment at any facility or portion of the premises.

Such a change or condition need not be identified in the Baseline in order to permit JCI to make an adjustment to the Baseline and/or the Annual Project Benefits. If JCI does not receive the notice within the time period specified above or travels to either Customer's location or the project site to determine the nature and scope of such changes, Customer agrees to pay JCI, in addition to any other amounts due under this Agreement, the applicable hourly consulting rate for the time it took to determine the changes and to make any adjustments and/or corrections to the project as a result of the changes, plus all reasonable and documented out-of pocket expenses, including travel costs. Upon receipt of such notice, or if JCI independently learns of any such change or condition, JCI shall calculate and send to Customer a notice of adjustment to the Baseline and/or Annual Project Benefits to reflect the impact of such change or condition, and the adjustment shall become effective as of the date the change or condition first arose. Should Customer fail to promptly provide JCI with notice of any such change or condition, JCI may make reasonable estimates as to the impact of such change or condition and as to the date on which such change or condition first arose in calculating the impact of such change or condition, and such estimates shall be conclusive.

Description of Measurement and Verification Methodologies by FIMs:

FIM-1: LED Lighting Upgrades

Option A: Measurement and Verification Plan for Interior Lighting Improvements

The savings associated with this FIM will be verified using IPMVP Core Concepts, EVO 10000 -1:2016, Option A, Retrofit Isolation with Key Parameter Measurement. The savings for this FIM are generated through a reduction in energy used by the lighting system; therefore, the measurement boundary is the lighting system itself.

Key Parameter	Measurement Frequency	Measurement Description
Pre- and Post-retrofit Fixture Power Draw (kW)	One-time	The pre-retrofit power draw on a sample of fixtures meeting the 80/20 sampling plan – assuming a coefficient of variance of 0.5 – has been measured using a true RMS meter during the Phase 5 Development audit phase between 11/18/2025 and 11/20/2025. Fixtures with similar lamps and ballasts, counts and types were grouped together with a lamp/ballast code. Measured wattages were used when possible. In some situations, such as when a certain type of lighting fixture was not available by itself on a switch, typical wattages as published by ANSI (American National Standards Institute) were used. The post-retrofit wattage of the impacted fixtures will be measured one time on a sample of fixtures meeting the same sampling criteria. The savings will be updated.
Estimated Parameter	**Assumed Value**	**Justification, Source and Description**
Burn Hours	Refer to the table below	The existing lighting burn hours for a sample of space types meeting the 80/20 sampling plan – assuming a coefficient of variance of 0.5 were measured. Data loggers were installed from 02/17/20 through 03/06/20 during the Phase 1 project. It is agreed that this time period represents typical usage for the lighting systems. In some situations where occupancy loggers were not possible to deploy, auditing efforts support defined values with local customer interview as source of data. The measured burn hours were then extrapolated to annual burn hours by multiplying the measured hours by the ratio of weeks that school is in session to measured weeks. The hours were then averaged by space type. The table below shows the average annual baseline burn hours by space type. These values will not be measured again.
Coincident Factor	Refer to the table below	The coincident factor is estimated based on the number of fixtures in a given space type that were estimated to be operating at the same time during the on peak period and is agreed to remain at the same value after the retrofit. The coincident factors by room/space types are as listed in the table below with pre and post burn hours.

Following table summarizes existing fixture codes and corresponding average power draws.

Performance Period M&V Activities:

- Onsite visual Inspections in random samples of approximately 5% (maximum) of this FIM's Scope of Work annually in no more than five affected schools per year to verify operating conditions.
- Review and inspect O&M Records provided by customer during each performance year.
- Review and verify product specifications for replaced equipment during the project's guarantee period.
- Update annual savings calculations and reconciliation in annual M&V value report.

Equations for Calculating Lighting Retrofit Savings

Demand (kW)

$$Connected\ kW\ Saving = \sum_u [\ (kW/Fixture_{baseline} \times Quantity_{baseline} - kW/Fixture_{post} \times Quantity_{post})]_{t,u}$$

$$Actual\ kW\ Savings = \sum_u [\ Connected\ kW\ Savings_u \times Coincident\ Factor_u]_{t,u}$$

where:

$kW/fixture_{baseline}$=	lighting baseline demand per fixture for usage group *u*
$kW/fixture_{post}$=	lighting demand per fixture during post-installation period for usage group
$Quantity_{baseline}$=	quantity of affected fixtures before the lighting retrofit for usage group *u*
$Quantity_{post}$=	quantity of affected fixtures after the lighting retrofit for usage group *u*
$Coincident\ Factor_u$=	*Coincident* Factor is a multiplier to account for Demand Diversity of each specific usage group *u*.

Energy (kWh)

$$kWh\ Savings_{Lighting} = \sum_u [Connected\ kW\ Savings_u \times Burn\ Hours]_{t,u}$$

where:

$kW\ Savings_u$ =	kilowatt savings realized during the post-installation time for usage group *u*
Burn Hours =	number of operating hours during the time period *t* for the usage group *u*

The expected measured savings for this FIM are as follows, at the rates and escalations as noted in Article 2, Section IV.

FIM ID	Measured Benefits		
	Electric Consumption	Electric Demand	Natural Gas
FIM-1	5,561,769 kWh	1,865 kW	0 Therms

Refer to FIM-1 Appendix LED Lighting Upgrades (electronic attachment) for the detailed expected savings calculations for FIM-1.

FIM-2: Water Conservation

Option A: Measurement and Verification Plan for Domestic Water Conservation

The savings for this FIM will be verified using IPMVP Core Concepts, EVO 10000 -1:2016, Option A, Retrofit Isolation with Key Parameter Measurement. The savings for this FIM are generated through a reduction in water used by the domestic water systems (and the associated water heating fuel for hot water savings), therefore, the measurement boundary is the domestic water systems.

Key Parameter	Measurement Frequency	Measurement Description
Pre- and Post-retrofit Fixture gallons/flush gallons/minute	One-Time	**Pre-retrofit & Post-retrofit** A statistically valid sampling of domestic plumbing fixtures under a 90/20 sampling plan – assuming a coefficient of variance of 0.5 was determined prior to conducting formal measurement and verification in both, baseline conducted between 9/9/2025 and 9/11/2025 and post-installation measurements as follow: **TOILETS & URINALS** Wet-vac Method – used for formal M&V documentation. • This method involves plugging the toilet/urinal trap way with an inflatable rubber test ball and vacuuming existing water out of fixture to be discarded. The fixture is then flushed and again, water is vacuumed out of the fixture and transferred to a calibrated bucket to verify flush volume. The weight is then documented as well for an accurate determination of flush volume by utilizing the conversion factor of 8.33 lbs per gallon. **FAUCETS** Calibrated Flow Bag Method • A calibrated flow bag is used to determine the flow rate of a fixture. The bag is designed to capture a 5 second flow of water from an open-source water end-use, with volumetric markings on the bag that essentially convert the volume collected in the bag over a 5 second sampling into a gallon per minute flow rate. Volume Conversion Method • A fixed volume sample of water is obtained, and a stopwatch is used to determine the amount of time required to fill the fixed volume. The flow rate is then obtained utilizing the following formula: Flow rate (gpm) = Fixed volume (gallons) / time to fill (seconds) X 60 (seconds/min)

Estimated Parameters	Assumed Value	Justification, Source and Description
Population	Refer to the table below	The population is agreed to be as shown in the table below. The population counts are based on data provided by the Customer. These values will not be measured.
Usage Factors	Refer to Usage Parameters below	The usage factors are shown below.
Domestic Hot Water Equipment Efficiency	98% system efficiency for electric DHW heaters.	The efficiency of the hot water heating equipment is based on typical boiler efficiencies and site surveys conducted and will not be measured.
Sink (Faucet) $Temp_{hot}$	74 F	The lavatory hot water temperature is the estimated temperature used at this fixture type and will not be measured.
Kitchen $Temp_{hot}$	85 F	The kitchen sink/general purpose sink hot water temperature is the estimated temperature used at this fixture type and will not be measured.
Inlet Water $Temp_{cold}$	74 F	The cold-water temperature is the estimated average annual ground water temperature.

Complete water savings calculations can also be found in FIM-2 Appendix

Performance Period M&V Activities:

- Onsite visual Inspections in random samples of approximately 5% (maximum) of this FIM's Scope of Work annually in no more than five affected schools per year to verify operating conditions.
- Review and inspect O&M Records provided by customer during each performance year.
- Review and verify product specifications for replaced equipment during the project's guarantee period.
- Update annual savings calculations and reconciliation in annual M&V value report.

Equations for Calculating Savings

Spreadsheet based calculations were developed to simulate pre- and post-retrofit performance of this FIM. Equipment nameplate and manufacturer information, as well as short-term measurements, were used to calculate pre-retrofit system performance. Post-FIM manufacturer data and control parameters were input into the calculation to estimate post-FIM consumption.

The water and energy savings for this FIM are estimated by the following formulae:

Water Scope Savings Calculation

Water Savings

Water Reduction $= \sum_{type}$ [(Usage Rate$_{baseline}$ - Usage Rate$_{post}$) x AAUF$_{type}$ x Quantity$_{type}$] / 1000
where:

Water Reduction =	water savings realized in kilogallons (kGal). These savings will result in water and sewer dollars saved.
Usage Rate$_{baseline}$ =	baseline fixture use rate in gpm or gpf
Usage Rate$_{post}$ =	post installation fixture use rate in gpm or gpf
AAUF =	average annual use per fixture; faucets in minutes per year toilets or urinals in flushes per year
Quantity =	quantity of affected fixtures

Hot Water Heating Fuel Project Benefits

Energy Reduction = Water Reduction 1000 gal/kGal x (Temp$_{hot}$ - Temp$_{cold}$) x Specific Heat$_{H2O}$ x Density$_{H2O}$ x Source Conversion / Efficiency
where:

Energy Reduction =	fuel savings (units vary)
Water Reduction=	water savings in kGal
Temp$_{hot}$ =	average hot water usage temperature
Temp$_{cold}$ =	average cold-water temperature
Specific Heat =	1 Btu / (lbm) (°F) for water
Density$_{H2O}$	8.34 lbm/gal
Source Conversion	Electric: 1 kWh/3412 Btu NG: 1 Therm/100000Btu
Efficiency =	Water heating efficiency expressed as a fraction
Electric Efficiency =	98%

The expected savings for this FIM are as follows, at the rates and escalations as noted in Article 2, Section IV.

FIM ID	Measured Benefits			
	Electric Consumption	Electric Demand	Natural Gas	Water
FIM-2	57,405 kWh	0 kW	0 Therms	6,692 kgal.

Refer to FIM-2 Appendix for the detailed expected savings calculations for FIM-2.

Description of Measurement and Verification Methodologies by FIMs:

FIM-3: Compactors

Option A: Measurement and Verification Plan for Compactors (Waste Management)

The savings associated with this FIM will be verified using IPMVP Core Concepts, EVO 10000 -1:2016, Option A, Retrofit Isolation with Key Parameter Measurement. The savings for this FIM are generated through a reduction in waste management costs by the utilization of trash compactors; therefore, the measurement boundary is the trash compactor system itself.

Key Parameter	Measurement Frequency	Measurement Description
Pre- and Post-retrofit Waste Disposal Cost ($)	One-time, Pre-retrofit & Ongoing (monthly), post-retrofit	The pre-retrofit waste disposal costs have been analyzed using pre-retrofit billing data provided by customer during the Phase 5 Development audit phase. Details provided on the table below. The post-retrofit waste disposal cost of the impacted sites will be provided by customer from monthly billing data (invoice copies). The savings will be calculated according to methodology described below under ***verified compactor savings*** approach. Annualized savings per site will be determined and reported annually.
Pre- and Post-retrofit Waste Pick up frequency (number of pickups per month)	One-time, Pre-retrofit & Ongoing (monthly), post-retrofit	The pre-retrofit waste pick up frequency has been analyzed with customer collaboration using pre-retrofit billing data provided by customer during the Phase 5 Development audit phase. Details provided on the table below. Baseline (pre-retrofit) waste pick up frequency per site was set and agreed with customer and will not be measured. Details provided on the table below. The post-retrofit waste pick up frequency of the impacted sites will be provided by customer from monthly billing data (invoice copies) for each month for the Performance Period. The impact on post-retrofit ECM operation (respect to monthly frequency) on verified savings will be accounted for according to methodology described below under ***verified compactor savings*** approach. Annualized savings per site will be determined and reported annually.
Pre- and Post-retrofit Waste Picked up Tonnage (tons) per month)	One-time, Pre-retrofit & Ongoing (monthly), post-retrofit	The pre-retrofit waste picked up tonnage has been analyzed with customer collaboration using pre-retrofit billing data provided by customer during the Phase 5 Development audit phase. Details provided on the table below. Baseline (pre-retrofit) waste picked up tonnage per site was set as *Standard Monthly Solid Waste (Tons)* and agreed with customer and will not be measured. Details provided on the table below. The post-retrofit waste picked up tonnage of the impacted sites will be provided by customer from monthly billing data (invoice copies) for each month for the Performance Period. The impact on post-retrofit ECM operation (respect to monthly compacted tons picked up and disposed) on verified savings will be accounted for according to methodology described below under ***verified compactor savings*** approach. Annualized savings per site will be determined and reported annually.

Key Parameter	Measurement Frequency	Measurement Description
Estimated Parameter	**Assumed Value**	**Justification, Source and Description**
Student Count	Refer to the table below	The pre-retrofit and post-retrofit Student Count per impacted site have been analyzed with customer collaboration using defined values with local customer interview as source of data during the Phase 5 Development audit phase. Details provided on the table below. Significant deviation in total student count during Performance Period years may have an impact on post-retrofit ECM operation (respect to monthly compacted tons picked up and disposed and/or monthly waste pick up frequency). Such deviation in Student count per site and its effects in ECM Key Parameters will not produce a savings shortfall. Savings adjustments will be determined and reported annually, if applicable.
Operational Factors (various)	Refer to the table below	Several Operational factors have been analyzed with customer collaboration using historical data from impacted sites, other sites using trash compactors, and calculated values with local customer interview or direct input data provided as source of data during the Phase 5 Development audit phase. Details provided on the table below. These Operational factors will not be measured. Significant deviation in these operational factors during Performance Period years may have an impact on post-retrofit ECM operation (respect to monthly compacted tons picked up and disposed and/or monthly waste pick up frequency). Such deviation in Operational factors per site and its effects in ECM Key Parameters will not produce a savings shortfall. Savings adjustments will be determined and reported annually, if applicable.

Performance Period M&V Activities:

- Onsite visual Inspections in random samples of two (2) sites (maximum) of this FIM's Scope of Work annually in affected schools per year to verify operating conditions.
- Review and inspect O&M Records provided by customer during each performance year.
- Collect actual monthly trash disposal invoices data (provided by customer) per ECM-site, including total monthly disposal cost $ (including breakdown line items), actual disposed waste tonnage billed per site under ECM, and waste pick up frequency.
- Quarterly review and feedback to BCPS on actual Operational ECM observations (compared to corresponding ECM Site Baseline levels in tonnage and frequency observed post-retrofit) (4x/yr)
- Compute Total Annual Trash Disposal Cost Savings per equations and methodology described under **Equations for verified compactors savings during Performance Period** shown below.
- Update annual savings calculations and reconciliation in annual M&V value report.

Equations for Calculating Estimated Savings

Spreadsheet based calculations were developed to simulate pre- and post-retrofit performance of this FIM. Operational and historical information, as well as short-term measurements, were used to calculate pre-retrofit system performance. Post-retrofit FIM parameters were input into the calculation to estimate post-FIM expected costs.

Equations for Verified Compactors Savings during Performance Period

Annually, the total verified compactors savings will be reconciled during the Performance Period according to the following:

Upon receiving from customer and analyzing actual post-retrofit operational data, Johnson Controls will evaluate the following factors for each site to determine any applicable adjustments in the school operation where there is noted increased post-retrofit waste management operational data compared to the baseline levels.

$$Annual\ verified\ compactor\ savings\ (\$) = Annual\ Baseline\ Dumpster\ Cost\ (\$) - Annual\ adjusted\ Post-retrofit\ Compactor\ Cost\ (\$)$$

Where:

Annual Baseline Dumpster Cost ($) corresponds to annual baseline Annual Existing Waste Disposal Cost (escalated to corresponding performance period Year in accordance with Section IV rates escalation) per definitions on table above.

$$Annual\ adjusted\ post-retrofit\ Compactor\ Cost\ (\$) = \sum_{i=1}^{12} Actual\ Compactor\ waste\ disposal\ cost\ i\ \textit{- (Annual Excess Pickup Cost + Annual Excess Disposal Cost)}$$

Where:
Actual Compactor waste disposal cost i is the corresponding monthly cost invoiced to each site including compactor pickups costs and tonnage disposal costs during the month i.

Annual Excess Pickup cost is the cost difference between Annual Actual Pickup Costs and (Proposed Compactor Monthly Pickups x Compactor per Haul Charge Cost) as shown on the table above for each respective site under ECM, escalated to corresponding performance period Year.

Annual Excess Disposal cost is the cost difference between Annual Actual Disposal costs and (Proposed full month solid waste (tons) x Compactor per Ton Cost ($/ton) x Average Monthly Service Usage (%) x 12) as shown on the table above for each respective site under ECM, escalated to corresponding performance period Year.

$$Annual\ ECM\ Waste\ disposal\ Cost\ Savings\ (\$) = \sum_{s=1}^{6} Sites\ i\ \ Annual\ verified\ Compactor\ Savings\ (\$)$$

Adjustments in costs savings due to excess costs post-retrofit may reflect normalization adjustments, based on variation respect to agreed-upon applicable Proposed (post-retrofit) Waste Disposal Operational Data. Operational post-retrofit deviations observed in the course of each performance period will be noted in the corresponding annual M&V report. Any operational third-party (service provider on waste disposal) increases in rate increases beyond annual ceiling escalation in accordance with Rates described in Section V, are factors for potential savings adjustments. Details on annualized post-retrofit factors including but not limited to total annualized pickup cost variations, total annualized tonnage disposal cost variation as effect from local operational changes beyond the proposed and agreed conditions in table above (such as increases in total annual pickup frequencies, increases in total annual site tonnage generation) will convey the corresponding annual savings adjustments in its annual reconciliation not incurring in a performance shortfall as effect of it.

If post-retrofit monthly data (including waste disposal invoices, costs, tonnage disposed, actual pickup frequency) required to convey the reconciliation, calculation and any operational adjustments associated with any ECM-site under scope is not provided or not available, in the ordinary course of system operation which shall be used and relied upon by Johnson Controls in connection with Project Benefit calculations, Johnson Controls will use commercially reasonable efforts to ensure the integrity of the data provided by Broward County Public Schools to calculate the required metrics. In the event data are lost due to equipment failure, power failure or other interruption in data collection, transmission or storage,

Johnson Controls will use reasonable engineering methods to estimate the impact of or replace the lost data.

During unforeseen events or times periods where post-retrofit monthly data is not captured by Broward County Public Schools internal systems and procedures, and data become unavailable on any site impacted by this ECM, Johnson Controls will utilize proposed estimated post-retrofit data points agreed in advance, in order to reconcile those times periods where actual post-retrofit data were not captured and consequently unavailable for benefits reconciliation, without incurring in any performance shortfall as effect of it. Estimated proposed post-benefits in such time periods will be deemed achieved for purposes of the Performance Guarantee reconciliation, accordingly.

The expected savings for this FIM are as follows, at the rates and escalations as noted in Article 2, Section IV.

FIM ID	Measured Benefits				
	Electric Consumption*	Electric Demand*	Natural Gas	Water*	Calculated Year 1 Waste Management Cost*
FIM-3	0 kWh	0 kW	0 Therms	0 kgal.	$150,912

(Y1 values above carry 2.5% escalation from Base Year rates)

Refer to FIM-3 Appendix for the detailed expected savings calculations for FIM-3.

*SOMAT machines on each ECM-site removed from operation as part of the ECM scope implementation (agreed-in-advance by customer) and its implications on expected O&M savings and water use reduction are described under non-measured benefits sections**.**

*Utilization of trash compactors operation and SOMAT machines operations utility units have been agreed in advance to be similar and cancelling each other due to addition/removal in these equipment categories under ECM scope. Net utility units' effects is deemed to be minimal and it's defined as negligent. Accordingly, it will not be measured nor calculated any impact on ECM Measured Benefits as noted in communications between Broward County Public Schools team and JCI Development team.

Non-Measured benefits associated with Total Annual O&M SOMAT Repair Cost Savings ($), Total Annual Compactor Maintenance Cost ($), Total Annual SOMAT Water use Cost Savings ($) are presented in the non-measured Benefits sections accordingly.

As part of the ECM implementation of trash compactors it is anticipated and previously discussed with customer collaboration and local customer interview as source of data during the Phase 5 Development audit phase, a maintenance cost allocation of $2,000 is expected to be covered by customer per site per year in order to address preventive and corrective maintenance for compactor equipment. These maintenance cost allocations will not be measured and are excluded from above-mentioned waste management cost benefits.

IV. BASELINE CALCULATIONS AND UTILITY RATES

The unit utility costs for the Baseline period are set forth below as “Base Utility Cost” and shall be used for all calculations made under this Schedule. The Base Utility Cost shall be escalated annually by the actual utility cost escalation, but such escalation shall be no less than the mutually agreed “floor” escalation rate of three percent (3.0%) for electric and water utility. Baseline utility consumptions/demand for electricity, natural gas, and water/sewer are based on the period of August 2024 through July 2025. Baseline utility costs are based on current utility rate structures. Compactor Hauling Charge (Base) Rates defined below correspond to rates provided by Broward School District Environmental Conservation/Utility Management group. For purposes of the annual performance guarantee reconciliation the Compactor Hauling Charge (Base) Rates will be escalated a minimum of 2.5% annually (for both pre-retrofit (baseline) costs and verified waste disposal post-retrofit costs reconciliation). Rate structures and analyses are included in the Utilities Appendix. Year 1 rates level corresponds to escalation of one (1) period from Base rates to account for utility escalation anticipated during the 16-month construction period.

V. PRIMARY OPERATIONS SCHEDULE PRE & POST RETROFIT

Pre-Retrofit Facility/Area and Post-Retrofit Facility/Area schedules (Burn Hours) are incorporated and documented in the LED Lighting Upgrades (electronic attachment) for the detailed expected savings calculations for FIM-1 Appendix.

VI. MEASUREMENT & VERIFICATION SERVICES

JCI will provide the M&V Services set forth below in connection with the Assured Performance Guarantee.

1. During the Installation Period, a JCI Performance Assurance Specialist will track Measured Project Benefits. JCI will report the Measured Project Benefits achieved during the Installation Period based on percent completions, as well as any Non-Measured Project Benefits applicable to the Installation Period, to Customer within 60 days of the commencement of the Guarantee Term.

2. Within 60 days of each anniversary of the commencement of the Guarantee Term, JCI will provide Customer with an annual report containing:

    A. an executive overview of the project's performance and Project Benefits achieved to date;

    B. a summary analysis of the Measured Project Benefits accounting; and

    C. depending on the M&V Option, a detailed analysis of the Measured Project Benefits calculations.

3. During the Guarantee Term, a JCI Performance Assurance Specialist will monitor the on-going performance of the Improvement Measures, as specified in this Agreement, to determine whether anticipated Measured Project Benefits are being achieved. In this regard, the Performance Assurance Specialist will periodically assist Customer, on-site or remotely, with respect to the following activities:

    A. advise Customer's designated personnel of any performance deficiencies based on such information;

    B. coordinate with Customer's designated personnel to address any performance deficiencies that affect the realization of Measured Project Benefits; and

    C. inform Customer of opportunities to further enhance project performance and of opportunities for the implementation of additional Improvement Measures.

4. For specified Improvement Measures, JCI will:

    A. conduct pre and post installation measurements required under this Agreement;

    B. confirm the building management system employs the control strategies and set points specified in this Agreement; and

    C. analyze actual as-built information and adjust the Baseline and/or Measured Project Benefits to conform to actual installation conditions (e.g., final lighting and water benefits calculations will be determined from the as-built information to reflect the actual mix of retrofits encountered during installation).

[END OF ARTICLE 2]

Article 3. CUSTOMER RESPONSIBILITIES

In order for JCI to perform its obligations under this Agreement with respect to the Work, the Assured Performance Guarantee, and the M&V Services, Customer shall be responsible for:

1. Providing JCI, its subcontractors, and its agents reasonable and safe access to all facilities and properties that are subject to the Work and/or M&V Services;
2. Providing for shut down and scheduling of affected locations during installation.
3. Providing timely reviews and approvals of design submissions, proposed change orders, and other project documents;
4. Providing a laydown space at one or two of Districts Maintenance sites for a total of seven (7) Conex Storage Boxes, for use as plumbing material storage during construction of FIM 2 Water Conservation.
5. Providing the following information with respect to the project and project site as soon as practicable following JCI's request:
    a. surveys describing the property, boundaries, topography and reference points for use during construction, including existing service and utility lines;
    b. geotechnical studies describing subsurface conditions, and other surveys describing other latent or concealed physical conditions at the project site;
    c. temporary and permanent easements, zoning and other requirements and encumbrances affecting land use, or necessary to permit the proper design and construction of the project and enable JCI to perform the Work;
    d. a legal description of the project site;
    e. as-built and record drawings of any existing structures at the project site;
    f. electrical panel locations for any fixtures where permitting is required; and
    g. environmental studies, reports and impact statement describing the environmental conditions, including hazardous conditions or materials, in existence at the project site.
6. Securing and executing all necessary agreements with adjacent land or property owners that are necessary to enable JCI to perform the Work;
7. Providing assistance to JCI in obtaining any permits, approvals, and licenses that are JCI's responsibility to obtain as set forth in Article 1;
8. Obtaining any permits, approvals, and licenses that are necessary for the performance of the Work and are not JCI's responsibility to obtain as set forth in Article 1;
9. Properly maintaining, and performing appropriate preventative maintenance on all equipment and building systems affecting the Assured Performance Guarantee. Maintenance should be done in accordance with manufacturers' standards and specifications. Ongoing services should be done in order to address preventive and corrective maintenance for compactor equipment.
10. Providing the utility bills, reports, and similar information reasonably necessary for administering JCI's obligations under the Assured Performance Guarantee within five (5) days of Customer receipt and/or generation or JCI's request therefore;
11. Providing all records relating to energy and/or water usage and related maintenance of the premises and relevant equipment requested by JCI;
12. Providing and installing utility sub-meters on all new construction and/or additions built during the Guarantee Term as recommended by JCI or, alternatively, paying JCI's applicable fees for calculating necessary adjustments to the Assured Performance Guarantee as a result of the new construction;
13. Providing and maintaining a dedicated telephone line and/or TCP/IP remote connection to facilitate remote monitoring of relevant equipment;
14. Promptly notifying JCI of any change in use or condition described in Section III of Article 2 or any other matter that may impact the Assured Performance Guarantee; and
15. Taking all actions reasonably necessary to achieve the Non-Measured Project Benefits.
16. $50,000.00 of Customer controlled contigency is included in this contract price.

[END OF ARTICLE 3]

Article 4. PRICE AND PAYMENT TERMS

Customer shall make payments to JCI pursuant to this Article 4.

1. *Work*. The price to be paid by Customer for the Work shall be **$14,760,460**. Payments, (including payment for materials delivered to JCI and work performed on and off-site) shall be made to JCI based on Florida Prompt Statue 218.735 based on the below draw schedule. If work progresses at a quicker pace than projected, the draw schedule may be amended if mutually agreed. The schedule below is a representative of the current installation plan for this project.

Schedule		Total Draw
Construction Period	Down Payment	$3,690,115
	Month #1	$442,814
	Month #2	$1,180,837
	Month #3	$1,180,837
	Month #4	$1,476,046

	Month #12	$442,814
	Month #13	$295,209
	Month #14	$295,209
	Month #15	$147,604

2. *M&V Services*. The total price for the fourth amendment of JCI's M&V Services, as detailed in Article 2, is $1,203,464.00 for the entire term. This amount will be paid to JCI in annual installments as indicated in the table below. These payments will be due and payable per Florida Prompt Payment Statute 218.735 when Customer receives JCI's invoice and in advance of the services JCI is to provide and shall be made throughout the Guarantee Term.

Performance Year	M&V Costs
Year 1	$64,706

Impact of the School Board's Vote:
- If the School Board votes "Yes": A Yes vote on this item initiates LED Lighting and plumbing upgrade projects at twenty (20) Schools, which results in a safer, enhanced, and environmentally greener student and teacher learning environment with guaranteed annual savings of over 1 million dollars annually to the District. In addition, six (6) of the twenty (20) schools will receive new trash compactors to reduce the refuse operational costs.
- If the School Board votes "No": A No vote on this item means that the existing fluorescent lighting, inefficient plumbing, and refuse collection systems will remain with no reductions in energy, water, or refuse cost or consumption.

Background/History
Energy Savings Performance Contracting is a proven, alternative procurement method that has been widely used for more than thirty (30) years, is recognized by the U.S. Department of Energy, and permits governmental agencies to enter into a guaranteed energy, water, or wastewater savings Agreement for a duration of more than one (1) year with vendors of guaranteed energy, water, or wastewater savings programs. These programs are financially guaranteed to achieve the projected savings by the Energy Service Company (ESCO), which reduces budget and operational risk to the District.

The objective of SBBC's Energy Performance Contract projects is to generate significant consumption reductions and cost savings in energy and water utilities by upgrading necessary infrastructure and safety features, including energy-efficient LED technologies and low-flow plumbing fixtures. Implementation of these upgrades also supports the environmental stewardship of the District.

Phase I (Pilot): (Approved by SBBC on May 19, 2020, for nine (9) Schools): Construction was completed in August 2021, with year-to-date verified savings of $1,334,733, which positively exceeded the guaranteed total Year-to-date savings by $902,712.

Phase II: (Approved by SBBC on December 14, 2021, for twenty-one (21) Schools): Construction was completed in September 2023 with verified savings of $1,399,073 (as of December 2024), which positively exceeded the guaranteed total savings by $512,318.

Phase III: (Approved by SBBC on June 13, 2023, for twenty-three (23) Schools): Construction was completed in August 2024 with a year-to-date verified savings of $1,487,142, which positively exceeded the guaranteed total Year-to-date savings by $498,155.

Phase IV: (Approved by SBBC on July 23, 2024, for thirty-one (31) Schools): Construction is in progress with an estimated completion date of February 2026 and estimated total annual project savings of over $1,000,000.

Agreement Term: May 19, 2020, through May 18, 2040; Fourth Amendment Term: 15 years; Emerging/Small/ Minority/Veteran/Women Business Enterprises: None

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Approval of this amendment ensures continued progress toward energy efficiency, cost savings, and improved learning environments across the District. Phase V: Estimated total annual project savings is over $1,400,000 with a guaranteed performance period of fifteen (15) years.

Financial Impact, Funding Source & Budget Status:
The financial impact of this spending authority is $14,760,460. The annual capital equipment lease payments are included in the fiscal year 2026 District Educational Facilities Plan and are offset in the District's General Fund budget by the guaranteed utility savings. As a result, there is no net financial impact to the District.

Total Agreement Amount				**$14,760,460**	**180**

The financial impact amount represents an estimated Agreement value; however, the authorized amount will not exceed the estimated Agreement award amount.

Multi-year agreement: Yes/No
Yes. This Agreement is for a maximum of twenty (20) years, with a specific term of the loan being fifteen (15) years.
Agreement Term: May 19, 2020, through May 18, 2040; Fourth Amendment Term: 15 years; Emerging/Small/ Minority/Veteran/Women Business Enterprises: None.

Procurement Method:
Due to the positive success and impact of Phases I to IV, the District opted to unanimously approve the next Phases of services for one hundred additional District Schools (100) in Fiscal Year (FY) 2025/2026 through FY2029/2030. The Project Development Agreement (PDA) for Phases V through IX, to evaluate one hundred (100) locations, twenty (20 per phase/year), was approved by the School Board on August 19, 2025, as Item OO-18.

Impact on Schools:
Installation of the LED lighting systems directly enhances the student learning and staff working environment and reduces lighting heat output, affecting Heating, Ventilation, and Air Conditioning operation and indoor environmental quality. Upgrades to the plumbing systems reduce gallons per flush and gallons per minute; new trash compactors reduce trash pickup frequency and promote a cleaner area. All projects result in a reduction in consumption/usage and utility costs, which allows funds to be allocated in other areas in support of schools.

If there is an impact on schools, how will schools be selected/prioritized:
Schools throughout the District are considered for evaluation based on historical knowledge of existing inefficient lighting fixtures as identified by Physical Plant Operations (PPO), Facilities Condition Assessments, and fire or safety-related inspections. Any planned projects from other Departments or Programs are reviewed and considered for inclusion in the Performance Contracting program.

Stakeholder Engagement/ End-User Input:
PPO, Office of Capital Programs, Food & Nutrition Services, School Principals, and Head Facilities Service Persons participated in the process of selecting and prioritizing schools based on identified needs, such as aging or inadequate lighting and high refuse costs.

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:
The expected life/replacement cycle is twenty years (20) years.

Additional Backup:
Energy Savings Performance Contracting (ESPC) initiatives—such as LED lighting upgrades—have significantly improved the learning environment across Broward County Public Schools. These enhancements have delivered measurable benefits in safety, energy efficiency, and sustainability, earning strong praise from school leaders and staff. Below are representative testimonials from multiple campuses and project phases:

William Dandy Middle School (Phase I) **July 6, 2021**
"As a result of William Dandy Middle School being selected for the Phase 1 Program for Infrastructure Upgrades, our school has benefited from modernized lighting systems installed throughout the campus. This has resulted in a safer school environment that is now more energy-efficient and sustainable for students and staff."
— **John W. Battle III, Assistant Principal**

Pines Lakes Elementary School (Phase I) **April 1, 2024**
"Pines Lakes Elementary has been the recipient of a multi-phase project for energy improvements to upgrade lighting and water conservation. As Principal, I am proud to support the District's application for the U.S. Department of Energy's Efficient and Healthy Schools Campaign. Our district is leading the way in energy-efficient schools, and I can attest to the success of its implementation. This project improved safety and provided a more conducive learning environment for over 500 students and staff."
"Our school is one of the older campuses in the District. When I became Principal eleven years ago, I noticed the impact of outdated lighting and plumbing on students and staff. While we worked hard to improve efficiency through educational activities, the greatest impact has come from this energy efficiency project. I am extremely grateful for that."
"Mr. Eric Jackson, Head Facilities Service Person, shared that he and his team have noticed a reduction in maintenance needs since the project began."
— **Susan F. Sasse, Principal**

Blanche Ely High School (Phase II) **May 5, 2023**

"Nighttime security and safety have improved significantly with all exterior lights now operational, as well as classroom instruction with every fixture lit in every room. Thank you and your team for a job well done!"

— **Michael Crehan, Head Facilities Serviceperson**

Walker Elementary School (Phase II) **March 1, 2023**

"Good day, Ms. Puma. I hope all is well. Last year, your team completed lighting and plumbing upgrades for Walker Elementary School. Were these upgrades a district-wide initiative? I am now the Principal at Wilton Manors and wanted to know if the school is scheduled for similar upgrades. I have some safety concerns with lighting and want to make sure we are conserving water and energy usage. Your help with this matter would be greatly appreciated."

— **Tauri J. Eligon, Principal**

Whiddon Rogers Education Center (Phase III) **February 20, 2024**

"I have noticed the phenomenal difference in our campus lighting. This project was definitely needed and long overdue. Thank you for all you have done!"

— **Wylie L. Howard Jr., Principal**

Silver Lakes Middle School (Phase III) **October 27, 2023**

"This is amazing. It is the talk of the school among students and staff. I truly appreciate the professionalism and quality work of the crew."

— **Errol Evans, Principal**

"The media center and hallways look great! These new lights make a big difference in the aesthetics of the campus. Thank you."

— **Armando Alejo, Assistant Principal**

Taravella High School (Phase IV) **March 13, 2024**

"We are excited about the improvements to our school's lighting."

— **Mary DeArmas, Principal**

Nob Hill Elementary School (Phase IV) **March 13, 2024**

"Several schools mentioned they are thrilled with the updates, and I am too!"

— **Rose Marie DeFalco, Head Facilities Serviceperson**

Executive Summary

Recommendation to Approve Third Amendment and 180-Day Extension
FY21-138 - Program Manager – Cost and Program Controls

Board Meeting Date: February 10, 2026

Recommended Action:
Approve the Third Amendment to the Agreement between The School Board of Broward County, Florida, (SBBC), and AtkinsRealis USA, Inc.

School Board Policy Requirement/Authority: School Board Policy 3800.

Statutory Requirement/Authority: Not Applicable

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": A 180-day extension is required to ensure continuity of services while the new Request for Proposal (RFP) solicitation is underway. It will enable the seamless and uninterrupted management of costs and program controls for the District's Capital Program.
- If the School Board votes "No": The lack of Cost and Program Controls would impact financial oversight of Capital projects, increasing the risk of budget overruns, inaccurate reporting, delay in workflow processing and training, and financial closeout of projects, reducing the departments' ability to manage the remaining projects cost-effectively.

Background/History
On January 20, 2021, SBBC and Atkins North America, Inc. (collectively, the "Parties") entered into an Agreement for the provision of Cost and Program Controls Management Services (the "Agreement"). The initial term of the Agreement was for three (3) years, commencing on March 16, 2021, ending on March 16, 2024, and upon mutual agreement of the Parties, may be extended for two (2) additional, one (1) year renewal periods, and if needed, extended one hundred eighty days (180) beyond the expiration date of either of the renewal periods, which is being authorized by this action.

On October 12, 2023, Atkins North America, Inc. legally changed its name to AtkinsRéalis USA, Inc. ("Atkins" or "Vendor"). On February 21, 2024, SBBC approved the First Amendment to the Agreement in which the Parties exercised the first of two (2) potential, one (1) year renewal periods, which extended the term of the Agreement through March 16, 2025. On February 19, 2025, SBBC approved the Second Amendment to the Agreement in which the Parties exercised the second of two (2) potential, one (1) year renewal periods, which extended the term of the Agreement through March 16, 2026.

Presently, the Parties mutually desire to exercise the one hundred eighty-day (180) extension of the term of the Agreement through September 12, 2026.

In order to maintain the facility and operational needs of District schools, the District must continue to manage the Capital projects of its schools as a consistent program. The Cost and Program Control Manager (CPCM) role manages all control systems for all Capital Projects (formally SMART) as proposed in the 2014 General Obligation Bond (GOB) referendum. In managing the District's control system, the CPCM serves as the District's representative, actively identifying and resolving issues. When issues cannot be determined or resolved by the CPCM, it is their responsibility as the manager of controls to present options to the Office of Capital Programs (OCP) for review and guidance.

Atkins delivers a comprehensive SMART Program Monthly Report, providing an authoritative record of program financials, budgets, actuals, forecasts, cash flow, and commitments from inception through completion. The report also tracks project phases, change orders, forecasted costs, vendor performance, average construction invoice cycle times, schedule variance from baseline, project closeouts, and other key program metrics.

Atkins conducts a Quarterly Risk Assessment, reviewing risks, trends, and financial exposures with the Capital Budget team to ensure informed Capital Reserve allocation decisions. Atkins oversees all program budgets by reviewing and validating new commitment and budget change requests, reconciling discrepancies with OCP staff, and ensuring that all financial data is accurately recorded and aligned in SAP. This process supports proper financial tracking throughout each project and enables accurate, auditable closeout upon completion.

Atkins also oversees Schedule and System Management as the administrator of e-Builder, providing monthly new-user training for internal AECOM and BCPS staff, as well as external licensed users (architects, engineers, and contractors), and ensuring proper workflow compliance and system use across the program.

Specific workflow training is also provided. Regular updates to published workflow instruction guides and periodic "Training Tip" email blasts are maintained. Atkins continues to provide Trimble (formerly e-Builder) technical support for all active modules via email, Teams, phone, and live support. For internal users, Atkins assists in navigating the controls within the e-Builder workflows. Atkins ensures material and tax savings are correctly entered, along with supporting documentation, on every Direct Owner Purchase request.

Another key aspect of Atkins' support is the management of e-Builder processes. They provide on-demand development of workflow processes. As projects advance toward completion, Atkins has played a crucial role in creating and implementing new workflows to meet the program's evolving needs, such as cure notices, claims management, purchase order closeout, and project closeout. In addition to development, Atkins maintains all SBBC e-Builder processes. Requests for updates to existing workflows are thoroughly vetted and analyzed, and if deemed necessary, are typically implemented within the same day. There can be multiple weekly process updates to address technical issues and ensure continuous process improvements. The output files are consistently updated to meet SBBC requirements throughout all leadership and organizational changes.

Atkins ensures the integrity of project details by maintaining all Capital projects within the system. This involves promptly updating each project with any changes in program personnel, role reassignments, phases, delivery methods, funding sources, and more. These updates must be completed swiftly to ensure workflow processes continue to move to the correct staff. Additionally, daily administrative reports are reviewed to confirm that workflows are operating smoothly without technical issues.

Agreement Term: March 17, 2026, through September 16, 2026; Emerging/Small/Minority/Veteran/Women Business Enterprise Vendor(s): None.

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
Approval of this item will ensure the seamless continuation of the cost and controls management of the District's Capital Program.

Financial Impact, Funding Source & Budget Status:
Second Amended Agreement Amount: $12,495,751; New Total Award Amount: $13,830,751. The financial impact of this item is $1,335,000. Funding is included in the FY 2026 District Educational Facilities Plan.

THIRD AMENDMENT TO AGREEMENT

THIS THIRD AMENDMENT TO AGREEMENT is made and entered into as of this 11th day of March 2025, by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "**SBBC**"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

ATKINSRÉALIS USA, INC.
(formerly known as Atkins North America, Inc.)
having its principal place of business at
3250 West Commercial Blvd. Suite 120
Fort Lauderdale, FL 33309

WHEREAS, on January 20, 2021, SBBC and Atkins North America, Inc. (collectively, the "Parties") entered into an Agreement for the provision of Cost and Program Controls Management Services (the "Agreement");

WHEREAS, the initial term of the Agreement was for three (3) years, commencing on March 16, 2021, ending on March 16, 2024, and upon mutual agreement of the Parties, may be extended for two additional, one-year renewal periods, and if needed, extended 180 days beyond the expiration date of either of the renewal periods; and

WHEREAS, on October 12, 2023, Atkins North America, Inc. legally changed its name to AtkinsRéalis USA, Inc. (hereinafter "**Vendor**"); and

WHEREAS, on February 21, 2024, SBBC approved the First Amendment to Agreement in which the Parties exercised the first of two potential, one-year renewal periods which extended the term of the Agreement through March 16, 2025; and

WHEREAS, on February 19, 2025, SBBC approved the Second Amendment to Agreement in which the Parties exercised the second of two potential, one-year renewal periods which extended the term of the Agreement through March 16, 2026; and

WHEREAS, the Parties mutually desire to extend the term of the Agreement for the final 180-day renewal and extending the term of the Agreement through September 12, 2026; and

WHEREAS, in consideration of the above, the Parties agree to increase the Cumulative Caps and clarify the renewal amounts as set forth herein; and

WHEREAS, the Parties acknowledge and agree that the Agreement is in full force and effect as revised by this Third Amendment.

NOW, THEREFORE, in exchange for the mutual covenants and promises set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1.01 **Recitals**. The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Revised Terms.**

a. Article 3.21 of the Agreement is hereby amended to extend the term of the Agreement from March 17, 2026, through September 12, 2026, unless terminated earlier pursuant to section Article 3.05 of the Agreement; and

b. The approved Cumulative Caps and renewal amounts are: $13,830,751 and $1,335,000 respectively.

1.03 **Order of Precedence among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents takes precedence in this order:

a. this Third Amendment to Agreement; then
b. the Second Amendment to Agreement; then
c. the First Amendment to Agreement; then
d. the Agreement.

1.04 **Other Provisions Remain in Force**. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

1.05 **Authority**. Each person signing this First Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment to Agreement.

Executive Summary

Recommendation to Approve Second Renewal, Second Amendment, and Additional Spending Authority FY21-192 - Cloud Benefits Management Solution (Licenses)

Board Meeting Date: February 10, 2026

Requested Action:
Approve the Second Renewal, Second Amendment, and Additional Spending Authority in the amount of $270,000 for the Agreement between The School Board of Broward County, Florida (SBBC), and AspireHR, LLC Initial contract term, March 30, 2020, through March 29, 2025. First renewal, March 30, 2025, through March 29, 2026. Second renewal, March 30, 2026, through March 29, 2027.

School Board Policy Requirement/Authority: School Board Policy 3800, Section III, D, Department of Education, Rule 6A-I.012(11)(b) and Florida Administrative Code, Section I010.04(4)(a).

Statutory Requirement/Authority: Not Applicable

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": SBBC and its employees will continue to benefit from the AspireHR Cloud Benefits platform (software & licenses), which provides a modern, mobile benefits management solution; enabling the District to simplify benefits administration, showcase its benefits programs to employees, and provide employees with an intuitive mobile enrollment experience.
- If the School Board votes "No": SBBC will no longer have the required software & licenses necessary for employees to access the Aspire HR Cloud Benefits platform to make Benefits elections.

Background/History
An initial five (5) year Agreement and initial spending authority of $1,331,120 was approved during the regular school board meeting of January 20, 2021, Agenda Item OO-1 for March 30, 2020, through March 29, 2025.

On March 15, 2022, during the regular school board meeting, Item OO-3, the Board approved an early renewal and additional spending authority of $227,920 for March 30, 2025, through March 29, 2026, to avoid an additional cost of $56,153 above the 2025/2026 renewal cost, if not renewed until 2025/2026; Small/Minority/Veteran/Women Business Enterprise Vendor(s): None.

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
The expected outcomes or benefits include the following:

- AspireHR Cloud Benefits provides a platform which allows the District to improve the management of its employee benefits by providing a modern, mobile benefits management solution, which helps to simplify benefits administration, showcase benefits programs, and provides employees with an intuitive mobile enrollment experience.

- AspireHR Cloud Benefits technology options are seamless to SAP SuccessFactors from a user experience, employee data, process, and security perspectives. It eliminates employee data privacy and security concerns, as it allows the District to retain control of its employee data. This also makes it significantly less expensive than non-SAP SuccessFactors alternatives.

Additional features of the Aspire Cloud Benefits platform include:

- Utilizes SAP Benefits robust benefits administration, including Health Insurance Portability and Accountability Act (HIPAA), Internal Revenue Service (IRS), and Affordable Care Act (ACA) regulatory compliance.
- A simple, user-friendly enrollment experience that works consistently on PCs, tablets, and mobile phones from SAP SuccessFactors.
- Employees can complete their enrollment anywhere, including at home.
- Employees receive personalized benefits eligibility, coverage, and cost communications needed to make informed decisions.
- Employees save each plan individually during enrollment, allowing them to complete the enrollment across multiple sessions.
- Benefits Administrators can track completion percentages for Open Enrollment.

Financial Impact, Funding Source & Budget Status:
The additional spending authority is $270,000. The funding source is from SBBC's General Fund.

SECOND AMENDMENT TO AGREEMENT

This SECOND AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as SBBC),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

ASPIRE HR, LLC.
(hereinafter referred to as ASPIRE),
having its principal place of business at
5151 Belt Line Road, Suite 1125, Dallas, Texas 75254

WHEREAS, SBBC and ASPIRE entered into an Agreement that commenced on March 30, 2021 and expired on March 29, 2025 (hereafter "Agreement"); and

WHEREAS, the Agreement is for cloud-based software for benefits; and

WHEREAS, ASPIRE offered SBBC a price discount if SBBC renewed the Agreement by no later than March 31, 2022; and

WHEREAS, the parties extended the term of the Agreement for one year beyond the expiration date of the Agreement, March 30, 2025 through March 29, 2026; and

WHEREAS, the parties desire to extend the term of the Agreement for one year beyond the expiration date of the Agreement, March 30, 2026 through March 29, 2027; and

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Term of Agreement**. Pursuant to Section 8 of the Agreement, the term of the Agreement is hereby extended from March 30, 2026 through March 29, 2027, unless terminated earlier pursuant to Section 8 of the Agreement.

1.03 **Cost and Payment of Goods and Services**.

(a) Cost. The total cost to SBBC for the Goods and Services under this Second Amendment to Agreement is Two Hundred Seventy Thousand Dollars and 00/100 Cents ($270,000.00).

(b) Payment. Upon receipt of an appropriate invoice from ASPIRE issued to SBBC, no sooner than March 30, 2026, SBBC shall pay ASPIRE in a single lump sum, net thirty (30) calendar days from the date of the invoice, for services under this Second Amendment.

1.04 **Order of Precedence among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

a) this Second Amendment to Agreement; then
b) the First Amendment to Agreement; then
c) the Agreement

1.05 **Affidavit Regarding the Use of Coercion for Labor and Services.** Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending a contract with SBBC must provide an affidavit signed by an officer or representative of the non-governmental entity under penalty of perjury stating that the non-governmental entity does not use coercion for labor or services as defined in that statute. A copy of the State of Florida Affidavit Regarding the Use of Coercion for Labor and Services is attached hereto as Attachment A. The submission of a false affidavit may subject a nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if a nongovernmental entity is found to have submitted a false affidavit.

1.06 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from submitting a proposal for, or entering into, or renewing an agreement for goods or services of any amount if, at the time Agreement with (ASPIRE) Page 14 of 17 of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from submitting a proposal for, or entering into or renewing an agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by ASPIRE that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. ASPIRE further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. ASPIRE acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. ASPIRE further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if ASPIRE (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million dollars ($1,000,000) or more, the Agreement may be terminated at SBBC's option if ASPIRE is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities

in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

1.07 **Other Provisions Remain in Force**. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

1.08 **Authority**. Each person signing this Second Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Second Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Second Amendment to Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Second Amendment to Agreement upon the date of the last signature below (Effective Date).

EXECUTIVE SUMMARY

Recommendation of $500,000 or Greater
ITB26-131 – Mechanical Insulation Services

Board Meeting Date: February 10, 2026

Requested Action:
Approve the Award of Invitation to Bid (ITB) ITB26-131 – Mechanical Insulation Services to the following four (4) Vendors: 1) Blizzard Air Conditioning, LLC; 2) Peak Air Mechanical, LLC; 3) Thermal Concepts, LLC; 4) Sparta Insulation Company, and approve spending authority in the amount of $1,373,472.

School Board Policy Requirement/Authority: Not Applicable

Statutory Requirement/Authority:
Maintenance and repairs are a requirement per the Florida Department of Education (FLDOE), as noted in the State Requirements for Educational Facilities (SREF), 2014 Edition.

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": Continued access to mechanical insulation services associated with Heating, Ventilation, and Air Conditioning (HVAC) equipment. This material is required to protect and maintain HVAC equipment throughout the District.
- If the School Board votes "No": Limited availability of mechanical insulation services for preventive and routine maintenance of the HVAC equipment across the District may impact operational efficiency. Delivering these services will promote safety and extend the operational lifespan of the equipment.

Background/History
This bid is utilized by the Physical Plant Operations (PPO) Department to purchase and/or install insulation materials associated with HVAC equipment. This material is required to protect and maintain HVAC equipment throughout the District, including pipes, pipe fittings, hot and cold surfaces, chilled water pumps, valves, jacketing, condensate tanks, boiler exhaust stacks, steam systems, etc. Condensation and moisture build-up, which are detrimental to equipment functioning, are prevented with the proper use of insulation materials.

Original ITB Term: February 10, 2026, through February 9, 2029, with two (2) additional one (1) year renewal options; Emerging/Small/Minority/Veteran/Women Business Enterprise Vendor(s): Blizzard Air Conditioning LLC and Sparta Insulation Company.

Alignment to 2027 Goals and Guardrails:
Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment:
Improve and maintain HVAC operation and efficiency to sustain system operations and indoor air quality for occupant comfort.

Financial Impact, Funding Source & Budget Status:
This project has a financial impact of $1,373,472 and is funded by the PPO operating budget.

ACTION	BOARD DATE	Budgeted in Current FY Yes/No	Funding Source(s) and Code(s)	AMOUNT	TERM (months)
Original spending authority request (3) Yr Term (5) Months Remaining $1,373,472	2/10/2026	Yes (February 2026 – June 2026) $180,720	PPO operating budget; various school and Admin Sites Fund: 1000/1000/35XX	$180,720 (February 2026 – June 2026) $433,728 (July 2026 – June 2027) $433,728 (July 2027 – June 2028) $325,296 (July 2028 – Feb 2029)	36
Total Agreement Amount				**$1,373,472**	**36**

The financial impact amount represents an estimated ITB value; however, the authorized amount will not exceed the estimated ITB award amount.

Multi-year agreement: Yes/No
Yes. This is a multi-year ITB with two (2) additional one (1) year renewal terms. The extended ITB period allows the District to lock in favorable pricing, reducing the impact of potential price increases.

Original ITB Term: February 10, 2026, through February 9, 2029, with two (2) additional one (1) year renewal options; Emerging/Small/Minority/Veteran/Women Business Enterprise Vendor(s): Blizzard Air Conditioning LLC; Sparta Insulation Company.

Procurement Method:
Pursuant to Purchasing Policy 3800, in accordance with Rule 6A-1.012(1)(b), Florida Administrative Code, and Policy 3800, the term "invitation to bid" shall be defined for the purposes of this policy as a written solicitation for competitive sealed bids. An invitation to bid is used when the school district is capable of specifically defining the scope of work for which a contractual service is required or when the School Board is capable of establishing precise specifications defining the actual commodity or group of commodities required. A written competitive solicitation includes an invitation to bid that is publicly posted.
A copy of the ITB documents is available online at: http://www.broward.k12.fl.us/supply/agenda/ITB26-131_MechanicalInsulationServices.pdf

Impact on Schools:
The impact on schools will be the installation of mechanical insulation during the Preventive/Routine Maintenance Program.

If there is an impact on schools, how will schools be selected/prioritized:
Inspections and repairs for the mechanical insulation services are performed during routine preventive maintenance and emergency requests.

Stakeholder Engagement/ End-User Input:

EXECUTIVE SUMMARY

Recommendation to Approve Additional Spending Authority and Approve the First Renewal ITB Term ITB-FY23-251 – Asphalt and Play Court Paving, Repairs, Resurfacing, and Striping

---

Board Meeting Date: **February 10, 2026**

Requested Action:
Approve the First Renewal and Additional Spending Authority in the amount of $3,476,583 for Invitation to Bid (ITB) ITB-FY23-251 – Asphalt and Play Court Paving, Repairs, Resurfacing, and Striping with the following Vendor: Signature Contracting & Property Management, LLC.

School Board Policy Requirement/Authority: Not Applicable

Statutory Requirement/Authority: Yes. The repair of parking lots, driveways, sidewalks, and play courts is required under the State Requirements for Educational Facilities (SREF) 2014, Florida Department of Education, specifically Chapter 5, Section 2(f), and the definition of "maintenance and repair."

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": Maintenance and repair for parking lots, driveways, sidewalks, and play courts shall continue uninterrupted.
- If the School Board votes "No": Necessary maintenance and repairs of parking lots, driveways, sidewalks, and play courts will be delayed, which will present significant safety concerns. Inadequate upkeep of asphalt surfaces in these areas increases the risk of accidents and potential injuries, and places the District in violation of Chapter 5, Section 2(f), SREF 2014.

Background/History
This bid is utilized by the Physical Plant Operations (PPO) Department for capital and maintenance-funded projects throughout the District. This service is essential to repair or install parking lots, driveways, sidewalks, play courts, and signs in order to maintain them in a safe and operating condition.

The term of the bid is for three (3) years, and may, by mutual agreement between SBBC and the Awardee, be renewed for two additional one-year periods and, if needed, six (6) months beyond the expiration date of the final renewal period. Original ITB Term: May 23, 2023, through May 22, 2026; First Renewal Term: May 23, 2026, through May 22, 2027; Emerging/Small/Minority/Veteran/Women Business Enterprise Vendor(s): Signature Contracting & Property Management, LLC.

Alignment to 2027 Goals and Guardrails:
Guardrail 1: Safety

Measurable Outcome(s)/Return on Investment:
This service is essential to repair or install parking lots, driveways, sidewalks, play courts, and signs in order to maintain them in a safe and operating condition.

Financial Impact, Funding Source & Budget Status:
This project has a financial impact of $3,476,583. The new total award amount is $10,564,583 and is funded by the PPO operating budget.

ACTION	BOARD DATE	Budgeted in Current FY Yes/No	Funding Source(s) and Code(s)	AMOUNT	TERM (months)
Original Spending Authority Request	3/7/2023	Yes	PPO operating budget	$2,506,000	36
Additional Spending Authority	9/10/2024	Yes	PPO operating budget	$2,304,000	
Additional Spending Authority	6/17/2025	Yes	PPO operating budget	$2,278,000	
First Renewal - Additional Spending Authority 4 Months Remaining This FY (FY25-26) $1,087,620	2/10/2026	Yes (February 2026 – June 2026) $1,087,620	PPO operating budget Various Schools and Admin Sites Fund: 1000	$1,087,620 (Feb 2026 – June 2026) 2,388,963 (July 2026 – May 2027	12
Total Agreement Amount				**$10,564,583**	**48**

The financial impact amount represents an estimated ITB value; however, the authorized amount will not exceed the estimated ITB award amount.

Multi-year agreement: Yes/No
Yes. There is a cost savings for operational efficiency achieved by this multi-year Agreement. A new bid will yield higher prices, based on the current market conditions.

Procurement Method:
Pursuant to Purchasing Policy 3800, in accordance with Section 6A-1.012(1)(b), F.A.C., the term "invitation to bid" shall be defined for the purposes of this policy as a written solicitation for competitive sealed bids An invitation to bid is used when the School District is capable of specifically defining the Scope of Work for which a contractual service is required or when the School Board is capable of establishing precise specifications defining the actual commodity or group of commodities required. A written competitive solicitation includes an invitation to bid that is publicly posted.
A copy of the RFP documents is available online at: http://www.broward.k12.fl.us/supply/agenda/ITB-FY23-251_AsphaltandCourtPaving,Repairs,ResurfacingandStriping.pdf

Impact on Schools:
Yes. The impact on schools will be safer for students, visitors, and staff surfaces for parking lots, driveways, sidewalks, and play courts.

If there is an impact on schools, how will schools be selected/prioritized:
Inspections and repairs are performed during routine preventive maintenance and emergency requests.

District-Zone Impact: District-wide

Impact of the School Board's Vote:
- If the School Board votes "Yes": Schools and departments will continue to have access to structured cabling and enterprise networking goods and services necessary to maintain and support SBBC's technology infrastructure. Additionally, the District will realize significant cost savings—up to eighty percent (80%) on equipment and cabling costs—through the federal E-Rate program, ensuring fiscal efficiency while meeting operational needs.
- If the School Board votes "No": Schools and departments will lose access to these goods and services, which could result in disruptions to network infrastructure support, impacting instructional technology and daily operations. Critical projects, including intercom systems and security camera installations that depend on reliable connectivity, will face delays. The District will also be unable to take advantage of the E-Rate program's eighty percent (80%) discount, leading to substantially higher costs for any future purchases.

Background/History
This bid supports the purchase of goods and services that are critical to maintaining and improving SBBC's network infrastructure, with substantial funding provided through the Federal E-Rate program. These resources are essential for ensuring reliable connectivity across schools and District offices, enabling access to instructional technology, security systems, and digital tools that support teaching, learning, and daily operations. The scope includes cabling and networking solutions that keep classrooms connected, while supporting safety and security initiatives. Examples of items to be procured include networking equipment such as switches, wireless access points, uninterruptible power supplies (UPS), and cabling. During the last five (5) year E-Rate cycle, the District spent $7.349 million on E-Rate eligible equipment, representing twenty percent (20%) of the total allocation of $36.745 million, achieving $29.396 million in savings, eighty percent (80%) through the E-Rate program. Non-E-Rate Expenditures during the last 5 years totaled $16,971,000.

Agreement Term: December 29, 2020, through June 30, 2026, with an option for two (2) additional one (1) year renewal periods; First Renewal Term: July 1, 2026, through June 30, 2027, Small/Minority/Veteran/Women Business Enterprise Vendor(s): None.

Alignment to 2027 Goals and Guardrails:
Business Operations

Measurable Outcome(s)/Return on Investment:
The upgraded wireless access points deployed at schools and departments support fifty percent (50%) more users, enhancing connectivity for employees, guests, and devices. Structured cabling installations support ten (10) times more network bandwidth than existing cabling. The structured cabling is designed to accommodate future technological advancements, making it easier to upgrade and expand the network as needed. $2,140,000 is funded by the E-Rate program. This represents an eighty percent (80%) discount off the cost of goods.

Financial Impact, Funding Source & Budget Status:
The additional spending authority request is $8,480,000 for a total financial impact to the District of $32,980,000. The financial impact for FY2027 is $8,480,000 and will be added to the FY2027 District Educational Facilities Plan.

	TOTAL	**$8,480,000**

The financial impact amount represents an estimated Agreement value; however, the authorized amount will not exceed the estimated Agreement award amount.

Multi-year agreement:
Yes**.** Making this a multi-year agreement provides long-term cost savings by locking in competitive pricing and avoiding future market fluctuations. It also protects the District from potential increases due to tariffs or supply chain volatility. While prices for networking and UPS equipment have increased, the District will continue paying lower rates throughout the Agreement term.

Agreement Term: December 29, 2020, through June 30, 2026, with an option for two (2) additional one (1) year renewal periods; First Renewal Term: July 1, 2026, through June 30, 2027, Small/Minority/Veteran/Women Business Enterprise Vendor(s): None.

Procurement Method:
This Agreement was competitively solicited in accordance with Purchasing Policy 3800, and Florida Administrative Code 6A-1.012(7). In the submittal of responses to Requests for Proposals, the School Board may award contracts to one (1) or more responsive, responsible proposers in accordance with the selection criteria published in the Request for Proposal.
A copy of the RFP documents is available online at: http://www.broward.k12.fl.us/supply/agenda/RFP_FY21-188_StructuredCabling&EnterpriseNetworking(E-Rate).pdf

Impact on Schools:
This Agreement ensures schools have uninterrupted access to reliable network connectivity and critical technology resources, supporting instruction, safety systems, and daily operations.

If there is an impact on schools, how will schools be selected/prioritized:
Aging infrastructure and campuses with higher connectivity demands will be prioritized first to ensure equitable access to technology resources.

Stakeholder Engagement/End-User Input:
Not applicable

If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:
The network equipment and UPS units associated with this Agreement have an expected lifecycle of approximately five (5) to eight (8) years. Structured cabling typically has a longer lifespan of ten (10) through fifteen (15) years and is generally replaced only during major renovations or when increased bandwidth requirements necessitate upgrades.

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

UNITED DATA TECHNOLOGIES, INC.
d/b/a UDT
(hereinafter "VENDOR"),
a Florida for-profit corporation,
whose principal place of business is
2900 Monarch Lakes Blvd., Miramar, Florida 33027

Each a "Party" and collectively the "Parties"

RECITALS

A. **WHEREAS**, SBBC issued Request for Proposal, identified as RFP FY21-188, Structured Cabling & Enterprise Networking (E-rate), dated October 2, 2020 and Addendum No. 1, dated October 6, 2020 (collectively, the "RFP"), attached hereto and incorporated by reference as **Exhibit 1**; and

B. **WHEREAS**, SBBC and VENDOR entered into an Agreement that commenced on December 29, 2020, and expires on June 30, 2026, ("Agreement") for Structured Cabling & Enterprise Networking (E-rate) under the RFP, which provides for two (2) additional one-year extension periods, attached hereto and incorporated by reference as **Exhibit 2**; and

C. **WHEREAS,** SBBC and VENDOR mutually desire to amend certain provisions of the Agreement and exercise the first of the two (2) options to extend the Agreement term for a one-year period, from July 1, 2026, through June 30, 2027, through this First Amendment to Agreement ("First Amendment").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.2 **Term of Agreement**. Pursuant to Section 2.01 (Term of Agreement), the term of the Agreement is hereby extended from July 1, 2026, through June 30, 2027, unless terminated earlier pursuant to Section 3.05 (Termination) of the Agreement.

1.3 **Amended Provisions**. The Parties hereby agree to the following amended provisions to the Agreement:

1.3.1 Provisions 2.18 and 2.19 are **added** to the Agreement by interlineation as follows:

2.18 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, VENDOR, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of VENDOR under penalty of perjury stating that VENDOR does not use coercion for labor or services as defined in that statute ("Affidavit"). VENDOR's executed Affidavit attached hereto is incorporated into the Agreement by reference as **Exhibit B**. The submission of a false affidavit may subject VENDOR to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if VENDOR is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with VENDOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.19 **Entities of Foreign Concern**. The provisions of this section apply only if the Agreement provides access to an individual's personal identifying information. By execution of the Agreement, the undersigned authorized representative of VENDOR hereby attests under penalty of perjury as follows: VENDOR is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in VENDOR; and the undersigned authorized representative of VENDOR declares that they have read the foregoing statement and that the facts stated therein are true. Terms used in this section that are not otherwise defined in the Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

1.3.2 Provision 2.11 **replaces** the respective provision in the Agreement by interlineation as follows:

2.11 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to per-form the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records re-quired by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELAT-ING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5 RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLOR-IDA 33301.

1.4 **Order of Precedence Among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

First:	This First Amendment; then
Second:	The Agreement; then
Third:	The RFP; then
Fourth:	Addenda No. 1; then
Fifth:	VENDOR's Proposal in response to the RFP.

1.5 **Other Provisions Remain in Force**. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

1.6 **Authority**. Each person signing this First Amendment on behalf of either Party individually warrants that he or she has full legal power to execute this First Amendment on behalf of the Party for whom he or she is signing, and to bind and obligate such Party with respect to all provisions contained in this First Amendment.

IN WITNESS WHEREOF, the Parties hereto have made and executed this First Amendment: The School Board of Broward County, Florida, signing by and through its Chair or Vice Chair, authorized to execute same by School Board action at its Regular School Board Meeting, and by United Data Technologies Inc., d/b/a UDT, signing by and through its authorized representative.

SUBJECT: **Instructions to Proposers**
Request for Proposals (RFP): FY21-188 - Structured Cabling & Enterprise Networking (E-rate)

The School Board of Broward County, Florida (SBBC) is interested in receiving proposals in response to the attached RFP for Structured Cabling & Enterprise Networking (E-rate). OUT OF AN ABUNDANCE OF CAUTION, FY21-180 IS BEING CANCELED AND A NEW E-RATE FORM 470 RELEASED FOR THE REPLACEMENT FY21-188. SOME QUESTIONS/ANSWERS RECEIVED AS PART OF FY21-180 ARE BEING INCLUDED IN SECTION 9 OF THIS RFP. Any questions regarding this RFP should be addressed to Harmoni Clealand, in writing via e-mail to harmoni.clealand@browardschools.com. Once this solicitation is released to the General Public, the Cone of Silence (See General Condition 7.45) shall take effect. Any Proposer, or Lobbyist for a Proposer, is prohibited from having any communications concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement and Warehousing Services releases a solicitation to the General Public. All communications must go through the Purchasing Agent.

No other School Board or staff member(s) should be contacted in relation to this RFP. Any information that amends any portion of this RFP, which is received by any method other than an Addendum issued to the RFP, is not binding on SBBC.

In order to assure that your bid is in full compliance with all requirements of the RFP, carefully read all portions of the RFP document, paying particular attention to the following areas:

SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP) PARTICIPATION (See Section 4.3.4 & Attachment A)
SBBC has implemented a Small/Minority/Women Business Enterprise (S/M/WBE) Program as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330 Supplier Diversity Outreach Program. The purpose of the program is to remedy the ongoing effects of identified marketplace discrimination that the School Board has found continue to adversely affect the participation of Small/Minority and/or Women Business Enterprises ("S/M/WBE") in School Board contracts. S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity Outreach Program Office prior to submission of bid proposal. **For information on S/M/WBE Certification or Policy 3330, contact SBBC's Supplier Diversity Outreach Program at 754-321-0550 or visit** http://www.browardschools.com/sdop.

- **REQUIRED RESPONSE FORM**

Section 1, Required Response Form must be completed in full and executed by an authorized representative.

- **PROPOSAL SUBMITTAL FORMAT**

Proposers are requested to organize their proposals in accordance with Section 4. SBBC reserves the right to reject and not consider any proposal not organized and not containing all the information outlined in Section 4.

- **DUE DATE**

Proposals are due in the Procurement & Warehousing Services Department on the date and time stated in Section 2. In order to have your proposal considered, it must be received on or before the date and time due. Proposals received after 2:00 p.m. ET on date due will not be considered.

- **E-rate**

Proposers can also download all documents within the E-rate Productivity Center (EPC) as outlined by the Universal Service Administration Company (USAC) / EPC web portal located at: https://portal.usac.org/suite

- **STATEMENT OF "NO BID"**

If you are **not** submitting a proposal in response to this RFP, please complete **Attachment N**, Statement of "No Bid" and return via e-mail to harmoni.clealand@browardschools.com.

Thank you in advance.

SECTION 3 – INTRODUCTION AND GENERAL INFORMATION

3.1 INTRODUCTION: The School Board of Broward County, Florida (hereinafter referred to as "SBBC") desires to receive proposals for structured cabling and enterprise network systems (E-Rate) as described herein. SBBC seeks a partner to ensure the success of our main objective, which is to effectively support student achievement by providing a communications infrastructure that is reliable, scalable, upgradeable and cost-effective. This RFP relates to design, implementation, monitoring, managing and maintaining the following systems:

Group #	Group Title	Group Description
1	Structured Cabling	Goods and services required to build and maintain low voltage voice, video and data cabling systems
2	Enterprise Networking	Goods and services required to install and maintain the electronics needed to provide access to the Internet and other digital resources for computers and other peripherals on school campuses and District offices. Includes Local Area Networks and Wireless Local Area Networks.

SBBC will apply for Universal Service Funds discounts where possible as allowed for by E-Rate rules and in conformance with SBBC business practices. The E-Rate program provides discounts on a variety of eligible goods and services needed to connect SBBC's students and staff to each other and the vast world of digital resources available across the Internet. Proposer is required to be a registered service provider with Schools and Libraries Division and be an active participant in the E-RATE program for the duration of the contract. Additional information on E-Rate is available at http://www.usac.org/sl/ .

See RFP Section 8 for Scope of Work and Performance Specifications.

3.2 QUESTIONS AND INTERPRETATIONS: Any questions concerning any portion of this RFP must be submitted, in writing, to Harmoni Clealand**, Procurement & Warehousing Services Department,** via e-mail harmoni.clealand@browardschools.com. Any questions which require a response which amends the RFP document in any manner will be answered via Addendum by the Procurement & Warehousing Services Department and provided to all Proposers via DemandStar and the E-rate Productivity Center (EPC). No information given in any other matter will be binding on SBBC.

Any questions concerning any condition or requirement of this RFP must be received in the Procurement & Warehousing Services Department, in writing, **on or before 5:00 p.m. ET 10/5/2020**. Questions received after this date and time will be responded to with, "I'm sorry, but the question and answer period has concluded". Submit all questions to the attention of the individual stated above. If necessary, an Addendum will be issued. Any verbal or written information, which is obtained other than by information in this RFP document or by Addenda, shall not be binding on SBBC.

3.3 CONTRACT TERM: The purpose of this RFP is to establish a contract beginning December 29, 2020 through June 30, 2026. In the event that the Proposer identified for award is NOT the incumbent, the contract may commence earlier, to allow for a transition period. The term of the contract may, by mutual agreement between SBBC and the Awardee, be extended for two additional one-year periods and, if needed, 180 days beyond the expiration date of the renewal period. Procurement & Warehousing Services Department, will, if considering renewing, request a letter of intent to renew from each Awardee, prior to the end of the current contract period. The Awardee will be notified when the recommendation has been acted upon by the School Board. All costs and minimum discount percentages shall be firm for the term of the contract. The Proposer agrees to this condition by signing its proposal.

3.4 PRICE ADJUSTMENTS: Prices offered shall not increase through the contract term. E-rate will not reimburse for price increases, therefore pricing cannot increase during the term of the contract. The E-rate program does allow price decreases during the term of the contract upon mutual agreement of the parties. The Proposer agrees to this firm pricing condition by signing its proposal. For vendors on State contract, if the price of the State contract for like equipment falls below the contract price with SBBC, SBBC is charged the lower price. Refer to Section 7.53 of this RFP for additional information.

3.5 SUBMITTAL OF PROPOSAL: Submit proposals in accordance with Section 4. Proposals should be organized and shall include necessary information as to be in full compliance with this Section. In order to facilitate the proposal evaluation process, special

attention should be paid to organizing proposals in a manner consistent with Section 4. SBBC reserves the right to reject and not consider any proposal that is not submitted in accordance with Section 4 or that does not include any necessary information.

3.6 **EVALUATION AND AWARD:** All proposals received must meet the Minimum Eligibility Requirements as stated in Section 4.2 of the RFP in order to be further considered for evaluation. Failure to meet the Minimum Eligibility Requirements shall result in disqualification of entire proposal and shall not be considered for further evaluation. Those proposals which meet the minimum requirements shall be further evaluated and scored by an Evaluation Committee. **General Condition 7.1, Liability, is NOT subject to negotiation and any proposal that fails to accept these conditions will be rejected as "non-responsive."**

All responsive proposals will be evaluated by the Evaluation Committee (hereinafter referred to as "Committee") based upon the information submitted by Proposers in response to Section 4 and in accordance with the evaluation criteria established in Section 5 for Category a.) Experience and Qualifications and Category b.) Scope of Work. Category c.) Minority/Women Business Participation will be evaluated and scored by the SBBC's Supplier Diversity & Outreach Program staff and Category d and e.) Cost of Services will be determined by mathematical calculation. Based upon the evaluation of proposals, the Committee will recommend Proposer(s) to SBBC for award. The number of firms to be recommended is solely at the discretion of the Committee.

_____

4.2.10 **FOR GROUP 1:** At the time of bid opening, Proposer must have a valid and current Florida State Specialty Contractor (low-voltage) license in good standing and agrees to maintain this license through the term of this contract, if awarded. Provide license number below and include copy of license with proposal.

_____

4.2.11 **FOR GROUP 2:** Proposers must have local repair station (local is within the tri-county (Miami-Dade, Broward or Palm Beach) area). Provide name and address for local repair station below:

_____

4.2.12 **FOR GROUP 2:** Proposer must be authorized by the manufacturer of the network equipment components being proposed to resell and perform installation professional services at the suggested manufacturer's standards level. Documentation in the form of a letter from the manufacturer shall be submitted with proposal or within 24-hours of request by SBBC. If Proposer is the manufacturer, include a letter stating such and specify your firm's capabilities (sell, install etc.).

4.3 **EVALUATION CRITERIA:** This section represents the information that will be utilized in the evaluation of proposals received and assignment of points in accordance with the evaluation criteria established in Section 5 for proposals submitted. Proposers are cautioned to read this section carefully and respond with full complete information that will assist the Evaluation Committee in evaluating proposal submitted. Proposers are requested to respond in the format and organizational structure stated and to refrain

EXHIBIT T

from including promotional or advertising materials in their proposal. The maximum allowable points (See Section 5) that will be awarded for each section are stated. Failure to respond or incomplete responses to any evaluation criteria below will result in zero or reduced allocation of points for the criteria and may result in disqualification of entire proposal.

4.3.1 **PROPOSER'S EXPERIENCE & QUALIFICATIONS**
(Group 1 maximum 23 points and Group 2 maximum 27 points):

4.3.1.1 Submit a brief executive summary (abstract) stating the Proposer's understanding of the nature and scope of the services to be provided and capability to comply with all terms and conditions of RFP.

4.3.1.2 Provide a statement of any litigation or regulatory action that has been filed or is pending against your firm(s) in the last three years. If an action has been filed, state and describe the litigation or regulatory action filed, and identify the court or agency before which the action was instituted, the applicable case or file number, and the status or disposition for such reported action. If no litigation or regulatory action has been filed against your firm(s), provide a statement to that effect. For joint venture or team Proposers, submit the requested information for each member of the joint venture or team.

4.3.1.3 Proposers must describe the structure of their company and list company / corporate principals and/or officers. Proposers must provide Articles of Incorporation as evidence of their years in business.

4.3.1.4 Proposers must describe their company's ongoing training program to ensure employee safety. Proposers are requested to submit OSHA forms 300A and Workers Compensation MOD scores from the previous three (3) calendar years.

4.3.1.5 Show satisfactory evidence detailing a fully equipped service organization capable of furnishing adequate installation and service to SBBC structured cabling or enterprise network equipment services including replacement parts. Detail the capability to offer a service contract for the maintenance of the system after the guarantee period.

4.3.1.6 Proposers must describe their years in business and highlight the number of those in which they have had active contracts with K-12 School District(s). Additionally, Proposers must describe the market share position of solutions submitted for mandatory cost proposal evaluation.

4.3.1.7 Describe your experience in handling and servicing technology enterprise infrastructure environments similar to SBBC (K-12, more than 250 sites, student population 250,000). Proposer must also provide:

- List of major projects currently being executed or recently completed
- List of school Districts that utilize the company's services in above capacity
- Description of the largest project(s) successfully completed by the Proposer within the last 24-36 months.

4.3.1.8 Proposer's references (for more information, see sections 4.2.4 and 4.2.5).

4.3.1.9 Describe any and all "value added" aspects, goods or services that are included if awarded this RFP. A value-added example may be that your company has great customer service and experience in assisting with E-Rate Program Integrity Assurance (PIA), audit, and reimbursement filings.

4.3.2 **SCOPE OF WORK (Group 1 maximum 25 points and Group 2 maximum 27 points):** The Scope of Work contains minimum requirements. By providing proposal, Proposer agrees to comply with all Scope of Work, Technical and Performance Specifications. See **SECTION 8 - SCOPE OF WORK** and complete the included Excel Spreadsheet scope checklist. If needed, Proposers should use additional documentation, taking care to label document according to the numbering scheme in Section 8 (ie: item 8.5.4) to provide supplemental information, pictures, screen shots etc.

4.3.3 **E-RATE ELIGIBLE PRODUCTS & SERVICES PRICING (Group 1 maximum 32 points and Group 2 maximum 29 points):** Proposers must complete the pricing spreadsheet for the RFP that is included as a partially locked Microsoft EXCEL spreadsheet on DemandStar and E-rate Productivity Center (EPC) with this RFP (See **Attachment G** - Excel Spreadsheets). Failure to complete the pricing spreadsheet may result in the disqualification of the proposal. The Excel

EXHIBIT 1

pricing sheet specifies the exact cell which will be used for score calculation purposes. Proposer may submit at their option, separate from the spreadsheets, a statement of value-added and/or cost-reducing procurement options for information purposes only.

The quantities listed on the Excel pricing sheets are reflective of our current configuration and stated for comparison purposes only. Actual quantities ordered throughout the contract period may be greater or less, but shall be furnished at the fixed contract price. Purchases shall be requested as needed throughout the contract period, in as few as one item each may be ordered at one time.

Distribution of points will be calculated by dividing the total cost offered by each Proposer by the lowest cost submitted. That percentage will be multiplied by the maximum amount of points allotted for the criteria. For example, Proposer A submits the lowest total cost of $10,000 and Proposer B submits a total cost of $15,000. Therefore, Proposer A would receive **10** points, which is the maximum number of points allotted for the criteria. Proposer B would earn **3.3** points based on the following calculation: ($10,000/$15,000) = 67% x 35 maximum points = 6.7 points less.

4.3.4 **E-RATE INELIGIBLE PRICING (Group 1 maximum 5 points and Group 2 maximum 2 points):** Proposers must complete the pricing spreadsheet for the RFP that is included as a partially locked Microsoft EXCEL spreadsheet on DemandStar and E-rate Productivity Center (EPC) with this RFP (See **Attachment G -** Excel Spreadsheets). Failure to complete the pricing spreadsheet may result in disqualification of the proposal. The Excel pricing sheet specifies the exact cell which will be used for score calculation purposes. Proposer may submit at their option, separate from the spreadsheets, a statement of value-added and/or cost-reducing procurement options for information purposes only.

Proposer B would earn **3.3** points based on the following calculation: ($10,000/$15,000) = 67% x 35 maximum points = 6.7 points less.

4.3.5 **SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP) PARTICIPATION (Maximum 15 allowable points):** SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, Supplier Diversity Outreach Program and Guidelines. S/M/WBE is defined as an enterprise whose annual revenues and number of employees shall be no greater than fifty percent (50%) of the small business size standards for its industry(ies) as established by the U.S. Small Business Administration and meets significant business presence requirements as defined in Policy 3330. **SBBC Diversity Policy 1.5 & Supplier Diversity Outreach Policy 3330 can be seen at website URL:** broward.k12.fl.us/sbbcpolicies.

Nondiscrimination:
Each Proposer hereby certifies and agrees that the following information is correct: In preparing its response to this project, the Proposer has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in School Board Policy 3330 – Supplier Diversity Outreach Program, Section D.1.; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for SBBC to reject the response submitted by the Proposer on this project, and terminate any contract awarded based on the response. As a condition of submitting a response to SBBC, the Proposer agrees to comply with SBBC's Commercial Nondiscrimination Policy as described under its School Board Policy 3330 – Supplier Diversity Outreach Program, Section D.1.

INDUSTRY-SPECIFIC REMEDIAL AFFIRMATIVE PROCUREMENT INITIATIVES
The Goal Setting Committee (GSC) has considered the following in the course of reaching a determination regarding which M/WBE industry-specific remedial programs shall be applied to this solicitation and resulting contract:
The Affirmative Procurement Initiative (API) implemented in this solicitation is:

Group 1: The M/WBE Subcontracting Program
Group 2: The Voluntary M/WBE Distributorship Development Program

Group 1:

The M/WBE Subcontracting Program in accordance with SBBC Policy No. 3330, Section E.4.c: "Under this Program element, the GSC may, on a contract-by-contract basis, at its discretion, require that a predetermined percentage of a specific professional services contract, up to forty percent (40%) be subcontracted to eligible M/WBEs. Factors to be considered by the GSC in making this determination shall include the relative availability of M/WBE firms to perform commercially useful functions on the specific contract".

The Proposer must commit to subcontracting five percent (5%) or more of the total contract value to an SBBC Certified M/WBE. (Ancillary services performed by an SBBC Certified MWBE will be counted towards the solicitations goal.)

It is the responsibility of the Proposer to provide evidence of subcontractors SBBC-Certification:

a. **SBBC M/WBE Certificate or**
b. **SBBC Letter of M/WBE Certification**

Proposers committing to participation in the M/WBE Subcontracting Program will be awarded up to a maximum of ten (10) points based on the Evaluation Table for Group 1. The proposer shall identify each SBBC-Certified M/WBE firm that will be utilized by completing the **Form 00470** Statement of Intent to Perform as an M/WBE Subcontractor and **Form 00475** Subcontractor Participation Schedule (see Attachment A).) **SBBC M/WBE Certificate** or **SBBC Letter of M/WBE Certification must also be included**.

NOTE: **M/WBE Proposer who are self-performing must identify themselves by completing Form 00470 and 00475**. **SBBC MWBE Certificate or SBBC Letter of M/WBE Certification must be included**. The Statement of Intent submitted with the proposal reflects the intent to self-perform. Additionally, it will detail the scope of work and dollar. Forms 00470 and 00475 must be submitted with the bid/proposal.

Group 2:

The Voluntary M/WBE Distributorship Development Program: In accordance with SBBC Policy No 3330, E.6.c, the GSC encourages manufacturers to establish authorized dealerships or distributorships with M/WBE suppliers of their products on a non-discriminatory basis.

Based on the Manufacturers Certification established in this solicitation, Proposer must be an authorized dealer to sell, warranty, and service that manufacturer's product. The manufacturer must execute the applicable part of the document, and the Proposer must also execute the applicable part. The certification must be returned with the bid in time for bid opening or upon request. Failure to submit the completed certification shall result in the disqualification of bid submitted. A separate document shall be completed by each manufacturer whose product is offered by the Proposer.

Proposers participating in the Voluntary M/WBE Distributorship Development Program will be awarded fifteen (15) Points. If participating with SBBC Certified M/WBE firm(s) at the time of submission
Proposer **who are SBBC Certified M/WBEs and are authorized dealer to sell, warranty, and service that manufacturer's product may participate in the Voluntary M/WBE Distributorship Development Program by completing the Statement of Intent, Form #00470, and SBBC MWBE Certificate or SBBC Letter of M/WBE Certification must be included**.

Also, Proposers having dealer(s) who are SBBC Certified M/WBEs may fulfill the voluntary participation goal on this contract by completing the Statement of Intent, Form #00470, and SBBC MWBE Certificate or SBBC Letter of M/WBE Certification must be included.

The M/WBE distributor shall perform a commercially useful function on behalf of the SBBC. When the API is applied by the GSC to a commodities solicitation, the SDOP shall review the distributorship agreements of the selected manufacturer that accepts the incentives as part of its bid to ensure that the terms of the designated authorized M/WBE's distributorship agreement are similar to that of non- M/WBE distributors for that manufacturer.

Incentives ***may*** include one or more of the following listed below:

1. Accelerated payment terms of invoices for payment from the SBBC within fifteen (15) days of receipt of goods and invoices.
2. Or two (2) or three (3) additional option years in supply contracts that may be exercised by the SBBC when the manufacturer sells its products through its authorized M/WBE distributorship and demonstrates that its

distributorship with that M/WBE vendor is established and operated in a non- discriminatory fashion as compared to its other distributorships.

The Proposer must utilize SBBC Certified M/WBEs to fulfill the participation goal on this contract; the M/WBE firms shall be certified by SBBC at the time of bid and the remaining time of the contract. For information on M/WBE Certification, contact the SBBC Supplier Diversity Outreach Program Office at 754-321-0550 or visit browardschools.com/Page/39992. It is the Proposer's responsibility to ensure it is compliant with these requirements and deadlines by contacting the PWS to verify the Vendor's current Certification status or to obtain the applicable certification. A certified firm must provide a commercially useful function for a project and may not act as a broker. A certified firm that seeks to act as a broker or a Vendor that does not provide a commercially useful function on a project shall be subject to removal or decertification by SDOP.

The SBBC Supplier Diversity Outreach Program works to increase the participation of small, minority, and women-owned business enterprises in construction and purchasing contracts. It is the intent of the School Board of Broward County to have a diverse group of vendors to participate in the procurement process. The current list of SBBC S/M/WBE-Certified firms can be viewed at browardschools.com/Page/46981.

Group 1: Failure of a proposer to commit and submit as required in the solicitation to satisfying the **M/WBE Subcontracting Program** shall render its response non-responsive to the MWBE requirements.

Group 2: At the time of the bid submittal, the Proposer shall identify its intent to participate in the **Voluntary M/WBE Distributorship Development Program** by using the following form: Statement of Intent, Form #00470.

Please go to the following link to view the current list of SBBC-Certified firms: browardschools.com/Page/46981.

Penalties and Sanctions
In the absence of a waiver granted by the SDOP or the self-performance of a portion or all of the M/WBE subcontracting goal by a certified M/WBE proposer, the failure of a proposer to attain a subcontracting goal for M/WBE participation in the performance of its contract or otherwise comply with the provisions of this API shall be considered a material breach of contract, grounds for termination of that contract with the SBBC, and shall be subject to any penalties and sanctions available under the terms of the SDOP policy, its contract terms with the SBBC, or by law pursuant to the penalties and sanctions set forth in Section 13 of the Standard Operating Procedures for this Policy.

Suspension
The temporary stoppage of an M/WBE firm's beneficial participation in the District's SDOP for a finite period of time due to cumulative contract payments the M/WBE firm received during a fiscal year that exceed a certain dollar threshold as set forth in Section (7) of the Standard Operating Procedures for this Policy or pursuant to the penalties and sanctions set forth in Section 13 of the Standard Operating Procedures for this Policy.

Note: Evaluation points for "Category C" shall be provided by the Supplier Diversity & Outreach Program Office.

Once awarded, Proposer is required to submit the Monthly Utilization Report Form, #00485. Proposer must also adhere to Section 9 and 13 of the SDOP Standard Operating Procedures, which is available at browardschools.com/Page/32544.

The SBBC Supplier Diversity Outreach Program works to increase the participation of small, minority, and women-owned business enterprises in construction and purchasing contracts. It is the intent of the School Board of Broward County to have a diverse group of vendors to participate in the procurement process. The current list of SBBC S/M/WBE-Certified firms can be viewed at browardschools.com/Page/46981.

5.2 **EVALUATION PROCESS:** **Failure to respond, provide detailed information or to provide requested proposal elements may result in the reduction of points in the evaluation process. The Committee may recommend the rejection of any proposal containing material deviations from the RFP. The Committee may recommend waiving any irregularities and technicalities. If only one responsive proposal is received, the Committee will proceed without scoring the one responsive proposal and may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C."** The evaluation processes will be conducted in sequential steps as described below. Evaluation of proposals will be based on an average of the Evaluation Committee Member's points (for sections evaluated by a committee).

STEP 1: MINIMUM ELIGIBILITY: Each proposal will be evaluated by SBBC's Procurement & Warehouse Services Department to determine if the proposal meets the minimum eligibility requirements as listed for the RFP in Section 4.2. Proposals that fail to meet the minimum eligibility requirements as stated for the RFP will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a voting member of the Committee.

STEP 2: S/M/WBE EVALUATION: Representatives of SBBC's Supplier Diversity and Outreach program will assign point values for the S/M/WBE information supplied in RFP in accordance with Section 4.3.5 and the information requested and described further in **Attachment A**. The individual responsible for this portion of the evaluation is not a voting member of the Committee.

STEP 3: COMMITTEE EVALUATION: This step evaluates the strengths of the companies that have responded to the RFP. The Committee will score the proposals on the basis of Proposer Experience & Qualifications in accordance with Section 4.3.1 and Scope of Work responses in accordance with Sections 4 and 8. The technical evaluation will be performed by this Committee, including evaluating alternative product offerings in accordance with Section 8.3.20. The District, at its sole discretion, shall determine if any alternative product options comply with the requirements of this RFP.

STEP 4: PRICING EVALUATION: SBBC's Procurement & Warehousing Services Department will reveal the point values assigned to the cost proposals submitted by each Proposer in accordance with the procedures outlined in Section 4.3.3 and 4.3.4 The individual responsible for this portion of the evaluation is not a voting member of the Committee.

STEP 5: SCORE COMPUTATION: All scores will be calculated (sections scored by the committee will be averaged) and combined for a grand total.

5.3 **ORAL PRESENTATIONS:** The Committee reserves the right to ask questions of a clarifying nature once proposals have been opened, require presentations from all Proposers, interview any or all Proposers that respond to the RFP, or make their recommendations based solely on the information contained in the proposals submitted. Presentations, if required, will be part of the evaluation process.

5.4 **COMMITTEE'S RECOMMENDATION:** Based upon Section 5.1, the Committee, at its sole discretion, may commence negotiations with selected Proposer(s). The Committee reserves the right to negotiate any term, condition, specification, or price (other than Section 4.2 and Section 7.1) with a selected Proposer(s). In the event that mutually agreeable negotiations cannot be reached with a Proposer, the Committee may negotiate with the next ranked Proposer(s), and so forth. An impasse may be declared by the Committee at any time. The Committee will make a recommendation to the Superintendent. The Superintendent may choose to post the recommendation as its intended action of the District in accordance with Section 120.57(3) Florida Statutes or the Superintendent may choose to return the recommendation to the Committee for further deliberations consistent with the RFP.

5.5 **AWARD:** SBBC intends to make an award only to the Proposer(s) that have complied with the terms, conditions and requirements of the overall RFP. Each Group will be awarded independently. Based on SBBC's needs, a Primary Awardee and Alternate Awardee(s) shall be recommended for award for each Group. The After the conclusion of negotiations, the recommended awards would be made for the goods and services sought in the RFP in accordance with the terms of negotiations. The awards shall not be a guarantee of business or a guarantee of specified quantities of products or volume of service. An Agreement (in the form of the Sample Agreement attached hereto as **Attachment J**) shall be prepared for execution by the Awardee and The School Board, and shall be governed by the laws of the State of Florida, and must have venue established in the 17th Judicial Circuit Court of Broward County, Florida or the United States Court of the Southern District of Florida. This Agreement approved by the SBBC's General Counsel will be submitted to SBBC for final approval. **Approval shall not be a guarantee of business, a guarantee of specified volume of service or minimum dollar revenue to be received on this contract.**

have an Attorney render an opinion but the Florida Proposer must complete its portion of this form. Failure to submit and execute this form, with proposal, shall result in being considered "non-responsive" and proposal rejected.

6.7 **COPYRIGHT INDEMNIFICATION:** SBBC agrees to notify Awardee promptly in writing of any threatened or pending judicial action brought against SBBC alleging **SBBC's** improper or unlawful use of any of the Services or Awardee Property, including but not limited to its infringement of a valid United States copyright law, patent or regulation (all such claims being referred to collectively herein as "Infringement Claims"). Awardee shall indemnify and defend the SBBC, including its board members, employees, and agents, against any and all of such Infringement Claims at its own expense and will pay (i) the legal fees of counsel engaged to defend SBBC and all of SBBC's related reasonable expenses, (ii) any costs and damages awarded against the SBBC in such action, and (iii) any amount agreed to be paid by SBBC in settlement of such action. Awardee's foregoing obligations are subject to and conditioned upon SBBC's full cooperation with Awardee in the defense of such Infringement Claims.

6.8 **ACCEPTANCE AND REJECTION OF PROPOSALS:**

6.8.1 **ACCEPTANCE:** All proposals properly completed and submitted will be evaluated in accordance with Section 5.1. SBBC reserves the right to reject any or all proposals that contain material deviations from the RFP or that fail to meet all mandatory requirements. SBBC may reject any or all proposals when it serves the best interest of SBBC.

6.8.2 **TECHNICALITIES:** SBBC also reserves the right to waive irregularities or technicalities in any proposal received if such action is in the best interest of SBBC. However, such a waiver shall in no way modify the RFP requirements or excuse the Proposer from full compliance with the RFP specifications and other contract requirements if the Proposer is awarded the contract.

6.8.3 **REJECTION:** A proposal may be rejected if it does not conform to the rules or the requirements contained in this RFP. Examples for rejection include, but are not limited to, the following:

6.8.3.1 The proposal is time-stamped at the Procurement & Warehousing Services Department after the deadline specified in the RFP.

6.8.3.2 Failure to execute and return the enclosed original **REQUIRED RESPONSE FORM** as defined in Subsection 4.1.3 (see Section 1- Required Response Form).

6.8.3.3 Failure to respond to all subsections within the RFP.

6.8.3.4 Proof of collusion among Proposers, in which case all suspected Proposals involved in the alleged collusive action shall be rejected, and any participants to such collusion shall be barred from future procurement opportunities until reinstated.

6.8.3.5 The proposal shows non-compliance with applicable laws or contains any unauthorized additions or deletions, is a conditional proposal, is an incomplete proposal, or contains irregularities of any kind, which make the proposal incomplete, indefinite, or ambiguous as to its meaning.

6.8.3.6 The Proposer adds provisions reserving the right to accept or reject an award or to enter into a contract pursuant to an award or adds provisions contrary to those in the RFP.

6.8.3.7 In the best interest of SBBC, the Board reserves the right to reject any or all proposals received when there is sound documented business reasons that serve the best interest of SBBC.

6.9 **VENDOR REGISTRATION:** To become a registered vendor for SBBC, vendors must access, complete and submit a Supplier Profile Questionnaire (SPQ) through SBBC's new eProcure Online Supplier Portal, powered by Ariba which can be located at: http://schoolboardofbrowardcounty.supplier.ariba.com/register
Training materials are available via our website at https://www.browardschools.com/Page/39992 (middle of page - if needed).

SECTION 7 – GENERAL CONDITIONS

7.1 **LIABILITY: This General Condition of the RFP is NOT subject to negotiation and any Proposal that fails to accept these conditions will be rejected as "non-responsive".**

7.1.1 By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence.

7.1.2 By AWARDEE: AWARDEE agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by the VENDOR, its agents, servants or employees; the equipment of the AWARDEE, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of AWARDEE or the negligence of AWARDEE's agents when acting within the scope of their employment, whether such claims, judgments, costs and expenses be for damages, damage to property including SBBC's property, and injury or death of any person whether employed by the AWARDEE, SBBC or otherwise.

7.2 **SEALED PROPOSAL REQUIREMENTS:** The "**Required Response Form**" must be completed, signed and returned with your submitted proposal. To be considered, all proposals must be delivered in a sealed envelope, clearly marked with the words "Proposal Documents", Request for Proposal (RFP) number and the title of the RFP and received in the Procurement & Warehousing Services Department no later than the specified date and time for the Request for Proposal opening.

7.2.1 **PROPOSER'S RESPONSIBILITY:** It is the responsibility of the Proposer to be certain that all numbered pages of the RFP and all attachments thereto are received and all Addendum released are received prior to submitting proposal without regard to how a copy of this RFP was obtained.

It is the responsibility of the Proposer to make sure the original proposal matches the proposal copies as requested in the RFP. SBBC is not responsible for missing information in the proposal copies. Failure to check your proposal for missing information shall be at the risk of the Proposer and shall not be the responsibility of SBBC.

7.2.2 **PROPOSAL SUBMITTED:** Completed proposal must be submitted in a sealed envelope with the RFP number and name clearly typed or written on the front of the envelope. Proposals must be time stamped in Procurement & Warehousing Services Department **on or before 2:00 p.m. ET on date due** for proposal to be considered. Proposals will be opened at 2:00 p.m. ET on date due. Failure to timely submit such proposal shall disqualify the Proposer and such proposal will be either returned to the Proposer or stored and unopened. NO FAXED PROPOSALS SHALL BE ACCEPTED. **The School Board of Broward County (SBBC) reserves the right to reject any proposal that fails to comply with these submittal requirements.**

7.2.3 **EXECUTION OF PROPOSAL:** Proposal must contain an original manual signature (**in blue ink**) of an authorized representative, who can bind the company to the requirements of the RFP, in the space provided on the Required Response Form. All proposals must be typewritten. It is requested that the submitted proposal follow the exact format as outlined in the RFP.

7.2.4 **BIDDING PREFERENCE LAWS:** The State of Florida provides a Proposer's preference for Florida vendors for the purchase of personal property. **SERVICES ARE NOT COVERED UNDER THIS REQUIREMENT**. The local preference is five (5) percent. Proposers outside the State of Florida must have an Attorney, licensed to practice law in the out-of-state jurisdiction, as required by Florida Statute 287.084(2), execute the "**Opinion of Out-of-State Bidder's Attorney on Bidding Preferences**" form and must submit this form with the submitted proposal. Such opinion should permit SBBC's reliance on such attorney's opinion for purposes of complying with Florida Statute 287.084. Florida Proposers must also complete its portion of the form. Failure to submit and execute this form, with the proposal, shall result in proposal being considered "non-responsive" and proposal rejected. **See Minimum Eligibility Requirements of the RFP**.

7.3 **SUBMITTAL OF PROPOSALS:** All Proposers are reminded that it is the sole responsibility of the PROPOSER to assure that their proposal is time stamped in **PROCUREMENT AND WAREHOUSING SERVICES on or before 2:00 p.m. ET on date due**. Late proposals shall not be accepted. The address for proposal submittal, including hand delivery and overnight courier delivery, is indicated as: **7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704**. The Proposer is fully and completely responsible for the payment of all delivery costs associated with the delivery of their proposal or related material. Procurement and Warehousing Services will not accept delivery of any proposal or related material requiring the School Board to pay for any portion of the delivery cost or the complete delivery cost. Prior to proposal submittal, it is the responsibility of the Proposer to be certain that all Addenda released have been received, that all Addendum requirements have been completed, and that all submittals required by the Addendum have been timely filed. (See General Condition 7.2.2)

7.4 **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation, as they were released by SBBC, or amended via Addendum, are valid. Any modification to any term or condition by a vendor is not binding unless it is expressly agreed to, in writing, by SBBC.

7.5 **PRICES QUOTED:** All prices for goods quoted shall be F.O.B. Destination and freight prepaid (Proposer pays and bears freight charges). Proposer owns goods in transit and files any claims unless otherwise stated in the Special Conditions of the RFP. In case of a discrepancy in computing the amount of the proposal, the **Unit Price** quoted shall govern. For services, the unit price shall be all- inclusive of services performed.

a) **TAXES:** The School Board of Broward County, Florida does not pay Federal Excise and State taxes on direct purchases of tangible personal property. The applicable tax exemption number is shown on the Purchase Order. This exemption does not apply to purchases of tangible property made by contractors who use the tangible personal property in the performance of contracts for the improvement of School Board owned real property as defined in Chapter 192 of the Florida Statutes.

b) **MISTAKES:** Proposers are expected to examine the specifications, delivery schedules, proposal prices and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at the Proposer's risk.

c) **CONDITIONS AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this proposal shall be new (current production model at the time of this proposal) unless otherwise specified in this RFP. All containers shall be suitable for storage or shipment and all prices shall include standard commercial packaging.

d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the proposal, all manufactured items and fabricated assemblies shall be UL listed where such has been established by UL for the item(s) offered and furnished. In lieu of the UL listing, Proposer may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NTRL) Recognition Program.

e) **PROPOSER'S CONDITIONS:** Proposal conditions and specifications shall not be changed, altered or conditioned in any way. The Evaluation Committee reserves the right to reject any conditional proposal.

7.6 **SAMPLES:** Samples of items, when required, must be furnished free of expense within five (5) working days unless otherwise stated in the RFP or by the Purchasing Agent's letter to the Proposer requesting the sample(s). If the Proposer must have the sample(s) returned, then the sample(s) will be returned at the Proposer's expense. Proposer(s) will be responsible for the removal of all sample(s) furnished with in thirty (30) days after the award of the RFP. All sample(s) will be disposed of after thirty (30) days after award of the RFP.

All samples of equipment must adhere to E-rate guidance on gifts and samples. https://www.usac.org/e-rate/applicant-process/competitive-bidding/gift-rules/

Each individual sample must be labeled with the Proposer's name, RFP Number and item number. Failure of the Proposer to either deliver required sample(s) or to clearly identify samples as indicated may be reason for rejection of the proposal item. Unless otherwise indicated in the RFP, sample(s) should be delivered to the Procurement & Warehousing Services Department, The School Board of Broward County, Florida, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida, 33351-6704.

EXHIBIT 1

7.7 **DELIVERY: ALL DELIVERIES SHALL BE F.O.B. DESTINATION POINT**. **Shipping points offered other than F.O.B. Destination shall be rejected**. Unless actual date of delivery is specified (or specified delivery cannot be met), show number of days required to make delivery after receipt of Purchase Order in space provided. Delivery time may become a basis for making an award (see Special Conditions). Delivery shall be within the normal working hours of the user, Monday through Friday, excluding state holidays and days during which the school District administration is closed.

7.8 **INTERPRETATIONS:** Any questions concerning conditions and specifications must be submitted in writing and received by the Procurement and Warehousing Services Department as requested in the Conditions of the RFP, Information. If necessary, an Addendum will be issued.

7.9 **EVALUATION COMMITTEES AND PROPOSALS:** SBBC and its Proposal Evaluation Committees evaluate and negotiate all Proposals in accordance with State Statutes 119.071 and 286.0113.

7.10 **AWARDS:** In the best interest of SBBC, the Procurement & Warehousing Services Department reserves the right to withdraw this RFP at any time prior to the time and date specified for the RFP opening. The Evaluation Committee reserves the right to reject any or all proposals received when there are sound documented business reason(s) that serve the best interest of SBBC. The Evaluation Committee reserves the right to accept any item or groups of items unless qualified by Proposer. All awards made as a result of this RFP shall conform to applicable Florida Statutes and be governed by the laws of the State of Florida, and must have venue established in the 17th Judicial Circuit Court of Broward County, Florida or the United States Court of the Southern District of Florida.

7.11 **PROPOSAL OPENING:** Proposal opening shall be public, on the date and at the time specified in the RFP. Any proposal(s) received after that time shall not be considered.

7.12 **ADVERTISING:** In submitting a proposal, Proposer agrees not to use the results there from as a part of any commercial advertising without prior approval of the School Board.

7.13 **INSPECTION, ACCEPTANCE & TITLE:** Inspection and acceptance will be at destination unless otherwise provided in the RFP. Title to/or risk of loss or damage to all items shall be the responsibility of the Awardee until acceptance by SBBC unless loss or damage resulting from negligence by SBBC. If the materials or services supplied to SBBC are found to be defective or not conform to specifications, SBBC reserves the right to cancel the order upon written notice to the Awardee(s) and return product at Awardee's expense.

7.14 **PAYMENT:** Payment will be made by SBBC after the items awarded have been received, inspected, found to comply with award specifications and free of damage or defect and properly invoiced. Services will be paid after the service has been performed and meets the requirements of the RFP. All payments will be made by ACH (Automated Clearing House) for automatic deposits (credits).

7.15 **CONFLICT OF INTEREST AND CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP:** Section 112.313 (3) and (7), Florida Statutes, sets forth restrictions on the ability of SBBC employees acting in a private capacity to rent, lease, or sell any realty, goods or services to SBBC. It also places restrictions on SBBC employees concerning outside employment or contractual relationships with any business entity which is doing business with SBBC. Each Proposer is to disclose any employees it has who are also SBBC employees by submitting **Attachment B, Disclosure of Potential Conflict of Interest and Conflicting Employment or Contractual Relationship**, with its proposal. Any employees identified by the Proposer when completing Attachment B should obtain legal advice as to their obligations and restrictions under Section 112.313 (3) and (7), Florida Statutes.

7.16 **INSURANCE:** Proposer, by virtue of submitting a proposal, shall be in full compliance with paragraph 7.24 LIABILITY INSURANCE, LICENSES AND PERMITS of the General Conditions. Insurance Requirements are shown in Section 6.3 of this RFP. Proposer shall take special notice that SBBC shall be named as an additional insured under the General Liability policy including Products Liability. (Refer to the Special Conditions of the RFP for the threshold requirements). The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A-VI by AM Best or Aa3 by Moody's Investor Service. All policies must remain in effect during the performance of the contract.

7.17 **LICENSES, CERTIFICATIONS AND REGISTRATIONS:** As of the RFP Opening Date, Proposer must have all Licenses, Certifications and Registrations required when performing the services as described herein, in order for proposal to be considered a responsive and responsible proposal. Licenses, Certifications and Registrations required for this RFP shall be as required by Chapter 489, Florida Statutes, as currently enacted or as amended from time to time; by the State Requirements for Educational Facilities (SREF), latest version; and by Broward County, Florida. Proposer must submit a copy of all its current Licenses, Certifications and Registrations required as described herein, either with its proposal or within five working days of notification.

An Awardee who has any License, Certification or Registration either suspended, revoked or expired after the date of the Bid Opening, shall provide notice to the Director of Procurement & Warehousing Services Department within five (5) working days of such suspension, revocation or expiration. However, such suspension, revocation or expiration after the date of the RFP opening shall not relieve the Awardee of its responsibilities under a contract awarded under this RFP.

7.18 **PRIORITY OF DOCUMENTS:** In the event of a conflict between the documents, the order of priority of the documents shall be as follows:

a) Any Agreement resulting from the award of this RFP; then
b) Addenda released for this RFP, with the latest Addendum taking precedence; then
c) The RFP; then
d) Awardee's proposal.

7.18.1 **DISPUTES**: In the event any dispute or difference of option concerning the interpretation of the Agreement and any documents incorporated therein, the decision of SBBC shall be final and binding upon all parties.

7.19 **PATENTS & ROYALTIES:** Awardee(s), without exception, shall indemnify and save harmless The School Board of Broward County, Florida and its employees from liability of any nature or kind, including cost and expenses for any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The School Board of Broward County, Florida. If the Awardee(s) uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the proposal prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.

7.20 **OSHA:** Awardee warrants that the product(s) supplied to The School Board of Broward County, Florida shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of contract.

7.21 **SPECIAL CONDITIONS:** The Superintendent or Designee has the authority to issue Special Conditions and Specifications as required for individual proposals. Any and all Special Conditions that may vary from these General Conditions shall have precedence.

7.22 **NONDISCRIMINATION:** The respondent hereby certifies and agrees that the following information is correct: In preparing its response on this project, the respondent has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in the District's Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the School District to reject the response submitted by the respondent on this project, and terminate any contract awarded based on the response. As part of its response, the respondent shall provide to the School District a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the respondent discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. As a condition of submitting a response to the School Board, the respondent agrees to comply with the District's Commercial Nondiscrimination Policy as described under its School Board Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1.

7.23 **QUALITY:** All materials used for the manufacture or construction of any supplies, materials or equipment covered by this RFP shall be new unless otherwise specified. The items bid must be new, the latest model, of the best quality and highest grade workmanship. Product(s) offered that have not been previously used in any way and are being actively marketed by the manufacturer will be accepted. Minor parts within the product(s) may have remanufactured components. Therefore, **reconditioned, refurbished, rebuilt, discontinued, used, shop worn, demonstrator, prototype or other type of product(s) of this kind are not acceptable and will be rejected.**

EXHIBIT

7.24 **LIABILITY INSURANCE, LICENSES AND PERMITS:** Where Awardees are required to enter or go onto School Board property to deliver materials or perform work or services as a result of a RFP award, the Awardee agrees to The Hold Harmless Agreement stated herein and will assume the full duty obligation and expense of obtaining all necessary licenses, permits and insurance. The Awardee shall be liable for any damages or loss to the School Board occasioned by negligence of the Awardee (or agent) or any person the Awardee has designated in the completion of the contract as a result of their bid.

7.25 **BID BONDS, PERFORMANCE BONDS AND CERTIFICATES OF INSURANCE:** Bid bonds, when required, shall be submitted with the proposal in the amount specified in Special Conditions. Bid bonds will be returned to non-Awardees. After acceptance of the proposal, the School Board will notify the Awardee to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. Upon receipt of the performance bond, the bid bond will be returned to the Awardee.

7.26 **CANCELLATION:** In the event any of the provisions of this RFP are violated by the Awardee, the Superintendent shall give written notice to the Awardee stating the deficiencies and unless deficiencies are corrected within five days (or as required), recommendation will be made to the School Board for immediate cancellation of the Awardee's contract.

7.27 **BILLING INSTRUCTIONS:** Invoices, unless otherwise indicated, must show Purchase Order numbers and shall be submitted in duplicate to The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301. Payment will be made a minimum of 30 days after delivery, authorized inspection and acceptance. When vendors are directed to send invoices to a school, the school will make direct payments to the vendor.

7.28 **DELIVERING TO CENTRAL WAREHOUSE:** Receiving hours are Monday through Friday (excluding state holidays and days during which the school District administration is closed) **7:00 a.m. to 2:00 p.m. ET.**

7.29 **SUBSTITUTIONS:** The School Board of Broward County, Florida ***WILL NOT*** accept substitute shipments of any kind. Awardees are expected to furnish the brand/manufacturer quoted in their proposal once awarded by the School Board. Any substitute shipments shall be returned at the Awardee's expense.

7.30. **FACILITIES:** SBBC reserves the right to inspect the Awardee's facilities at any time with prior notice. SBBC may use the information obtained from this in determining whether a Proposer is a responsible bidder.

7.31 **ASBESTOS AND FORMALDEHYDE STATEMENT:** All building materials, pressed boards, and furniture supplied to SBBC shall be **100% asbestos free. It is desirous that all building materials, pressed boards and furniture supplied to the School Board also be 100% formaldehyde free.** Proposer, by virtue of bidding, certifies by signing proposal that, if awarded this RFP, only building materials, pressed boards, and/or furniture that is **100% asbestos free** will be supplied.

7.32 **ASSIGNMENT:** Neither any award of this RFP nor any interest in any award of this RFP may be assigned, transferred or encumbered by any party without the prior written consent from the Director, Procurement and Warehousing Services. There shall be no partial assignments of this RFP including, without limitation, the partial assignment of any right to receive payments from SBBC.

7.33 **EXTENSION:** In addition to any extension options contained herein, SBBC is granted the right to extend any award resulting from this RFP for the period of time necessary for SBBC to release, award and implement a replacement RFP for the goods, products and/or services provided through this RFP. Such extension shall be upon the same prices, terms and conditions as existing at the time of SBBC's exercise of this extension right. The period of any extension under this provision **shall not be for a period in excess of six months** from (a) the termination date of a contract entered into as a result of this bid or (b) the termination date under any applicable period of extension under a contract entered into as a result of this bid.

7.34 **OMISSION FROM THE SPECIFICATIONS:** The apparent silence of this specification and any Addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best available units or service shall be provided and the best commercial practices are to prevail, and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this Agreement.

7.35 **SUBMITTAL OF INVOICES:** All Proposers are hereby notified that any invoice submitted as a result of the award of this RFP must be in the same format as any Purchase Order released as a result of the award of this RFP. **Each line of the invoice must reference a corresponding single line shown on the Purchase Order.** A single invoice line must not correspond to or commingle the cost shown on multiple Purchase Order lines. An invoice submitted that does not follow the same format and line numbering as shown on the Purchase Order will be deemed to be not correct, and will be returned to the vendor by the Accounts Payable Department for correction. Address for submitting invoices is included on Purchase Order.

7.36 **PURCHASE AGREEMENT:** This RFP, written Agreement, and the corresponding Purchase Orders will constitute the complete agreement. SBBC will not accept proposed terms and conditions that are different than those contained in this RFP, including pre-printed text contained on catalogs, price lists, other descriptive information submitted or any other materials. By virtue of submitting a proposal, Awardee(s) agrees to not submit to any SBBC employee, for signature, any document that contains terms and conditions that are different than those contained herein and that in the event any document containing any term or condition that differs from those contained herein is executed, said document shall not be binding on SBBC.

7.37 **SBBC INFORMATION SECURITY GUIDELINES:** It is the responsibility of the Awardee to read and adhere to the SBBC Information Security Guidelines when using any device connected to the SBBC's network. Following the conclusion of the contract term, all of SBBC's confidential information must be removed from Awardee's equipment and all access privileges must be revoked. Final payment will be withheld until the Awardee has confirmed, in writing, that all SBBC's confidential information has been purged from any and all electronic technology devices that were used during this contract and were connected to the SBBC's network.

7.38 **SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP) PARTICIPATION:** SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, Supplier Diversity Outreach Program. The purpose of the program is to utilize available small, minority and women businesses within the Board's market area to compete for the award of SBBC construction and purchasing contracts. S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity Outreach Program Office prior to submission of bid proposal. **For information on S/M/WBE Certification, contact SBBC's Supplier Diversity Outreach Program at 754-321-0550 or** https://www.browardschools.com/Page/32544.

7.39 **SBBC PHOTO IDENTIFICATION BADGE: Background Screening:** Awardee agrees to comply with all the requirements of Sections 1012.32 and 1012.465, Florida Statutes, and that Awardee and all its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. **Personnel shall include employees, representatives, agents or sub-contractors performing duties under the contract to SBBC, and who meet any or all of the three requirements identified above.** This background screening will be conducted by SBBC in advance of Awardee or its personnel providing any services. Awardee will bear the cost of acquiring the background screening required under Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to Awardee and its personnel. The Parties agree that the failure of Awardee to perform any of the duties described in this section shall constitute a material breach of this ITB entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. Awardee agrees to indemnify and hold harmless SBBC, its officers and employees of any liability in the form of physical or mental injury, death or property damage resulting in Awardee's failure to comply with the requirements of this section or Sections 1012.32 and 1012.465, Florida Statutes.
SBBC issued identification badges must be worn at all times when on SBBC property and must be worn where they are visible and easily readable.

As of 7/01/15, Fieldprint, Inc. has been contracted to provide all background and fingerprinting services. All questions pertaining to fingerprinting, photo identification and background check services must be directed to the Project Coordinator at 754-321-1830 or 754-321-2374. **Each individual, for whom a SBBC photo identification badge is requested, must be registered into the Fieldprint, Inc. applicant enrollment website.** A background check will be conducted for each badge applicant. SBBC reserves the right to require additional information, should it be necessary, and to deny the issuance of a badge to an applicant. Any applicant, that has been denied a badge, is prohibited from entering SBBC property as an employee, sub-contractor or agent of a contract Awardee. **Applicant enrollment and scheduling website is www.fieldprintflorida.com.** The total fee(s) for the SBBC photo identification badge, fingerprinting and a FBI background check can be found at the following website:
http://www.broward.k12.fl.us/police/pdf/seccle/FIELDPRINT_CODES.pdf. Payment options can be made by electronic check (e-check), Visa, MasterCard or use of an established escrow account code. (Continued)….

These fees are non-refundable and are subject to change without notice. Badges are issued for a one-year period and must be renewed annually. The renewal date will be one year from date of issuance. Failure to renew the badge, at that time, will result in the vendor being required to re-apply and pay the going rate for badging and fingerprinting.

Vendors shall return expired and/or terminated employee badges to the following location: The School Board of Broward County, Florida, Attn: Fieldprint, Inc., 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301.

7.40 **PROTESTING OF BID CONDITIONS/SPECIFICATIONS:** Any person desiring to protest the conditions/specifications in this RFP, or any Addenda subsequently released thereto, shall file a notice of intent to protest, in writing, **within 72 hours after electronic release of the competitive solicitation or Addendum** and shall file a formal written protest within ten calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays or days during which the school District administration is closed shall be excluded in the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday or day during which the school District administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday, Sunday, state holiday or day during which the school District administration is closed. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."**

Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3320, within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3320, Part VIII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protest, formal written protests, and the bonds required by SBBC Policy 3320, shall be filed at the office of the Director, Procurement and Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.

7.41 **POSTING OF BID RECOMMENDATIONS/TABULATIONS:** RFP Recommendations and Tabulations will be posted in Procurement and Warehousing Services and on www.demandstar.com and the E-rate Productivity Center (EPC) and will remain posted for 72 hours. Any change to the date and time established herein for posting of RFP Recommendations/Tabulations shall be posted in Procurement and Warehousing Services and/or at www.demandstar.com or the EPC. In the event the date and time of the posting of RFP Recommendations/Tabulations is changed, it is the responsibility of each Proposer to ascertain the revised date of the posting of RFP Recommendations/Tabulations. Any person desiring to protest the intended decision shall file a notice of protest, in writing, within 72 hours after the posting of the RFP tabulation and shall file a formal written protest within ten calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays and days during which the school District administration is closed shall be excluded in the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday or day during which the school District administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday or Sunday, state holiday or days during which the school District administration is closed. No submissions made after the Bid opening amending or supplementing the Bid shall be considered. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based".** Any person who files an action protesting an intended decision shall post with SBBC, **at the time of filing the formal written protest,** a bond, payable to SBBC, in an amount equal to one percent (1%) of SBBC's estimate of the total volume of the contract. SBBC shall provide the estimated contract amount to the Proposer within 72 hours, excluding Saturdays, Sundays and other days during which SBBC administration is closed, of receipt of notice of intent to protest. The estimated contract amount is not subject to protest pursuant to Section 120.57(3), Florida Statutes. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check or money order in the amount of the bond.

If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. If the protestant prevails, then the protestant shall recover from the School Board all costs and charges which shall be included in the Final Order or judgment, excluding attorney's fees. **All documentation necessary for the protest proceedings will be provided electronically by SBBC.**

Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3320 within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3320, Part VIII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protests, formal written protests, and the bonds required by Policy 3320, shall be filed at the office of the Director, Procurement and Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.

7.42 **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this agreement. Such rights will be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s). (See Special Conditions of the RFP)

7.43 **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by the School Board. These orders will be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e. within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all vendors must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that a vendor maintains secure records of the credit card account assigned an alias or password, to avoid divulging the actual credit card number upon every purchase.

7.44 **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items or services offered may be tested for compliance with RFP conditions and specifications at any time. Items delivered, not conforming to RFP conditions or specifications, may be rejected and returned at vendor's expense. Services not conforming to RFP specifications shall be corrected and performed again to meet the specifications of the RFP at the expense of the Awardee. Goods or services not delivered as per delivery date in RFP and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:

a) Cancellation and default of contract;
b) For a period of two years, any proposal submitted by vendor will not be considered and will not be recommended for award.
c) All departments being advised not to do business with vendor.

7.45 **CONE OF SILENCE:** Any proposer, or lobbyist for a proposer, is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement and Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement and Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of release of the solicitation until the contract is awarded by the School Board. Further, any vendor, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the vendor is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3320, Part II, Section GG as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any vendor or lobbyist who violates this provision shall cause their Proposal (or that of their principal) to be considered non-responsive and therefore be ineligible for award.**

7.46 **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof thirty (30) days after the Superintendent gives written notice to the other parties that a recommendation will be made to the School Board for the contract award's termination.

7.47 **PACKING SLIPS:** It will be the responsibility of the Awardee to attach all packing slips to the OUTSIDE of each shipment. Packing slip must reference SBBC Purchase Order number/control number. Failure to provide packing slip attached to the outside of shipment will result in refusal of shipment at vendor's expense.

7.48 **USE OF OTHER CONTRACTS:** SBBC reserves the right to utilize any other SBBC contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, other school boards, other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012, as currently enacted or as amended from time to time, in lieu of any offer received or award made as a result of this bid if it is in its best interest to do so.

7.49 **PURCHASE BY OTHER PUBLIC AGENCIES:** With the consent and agreement of the awarded contractor(s), purchases may be made under this RFP by other agencies. Such purchases shall be governed by the same terms and conditions as stated herein.

7.50 **PUBLIC ENTITY CRIMES:** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO [currently $25,000] for a period of 36 months from the date of being placed on the convicted vendor list.

7.51 **SEVERABILITY:** In case of any one or more of the provisions contained in this RFP shall be for any reason be held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision and this RFP shall be considered as if such invalid, unlawful, unenforceable or void provision had never been included herein.

7.52 **DISTRIBUTION:** DemandStar by Onvia, www.demandstar.com, is the official method approved by Procurement and Warehousing Services for the distribution of all competitive solicitations including ITBs and RFPs. It is the responsibility of all interested parties to assure they have received all necessary documents, including Addenda and have included all necessary information within their response. SBBC is not responsible for Proposer's failure to obtain complete bidding documents from DemandStar. SBBC reserves the right to reject any bid as non-responsive for failure to include all necessary documents or required Addenda. For information regarding the above referenced solicitation, contact the designated Purchasing Agent as stated herein.

7.53 **PRICE REDUCTIONS:** If, from the date of proposal opening, the Awardee either bids the same products and/or services at a lower price than offered to SBBC or reduces the price of the proposed product or service, the lowest of these reduced prices will be extended to SBBC.

7.54 **LOBBYIST ACTIVITIES:** In accordance with SBBC Policy 1100B, as currently enacted or as amended from time to time, persons acting as lobbyists must state, at the beginning of their presentation, letter, telephone call, e-mail or facsimile transmission to School Board Members, Superintendent or Members of Senior Management, the group, association, organization or business interest she/he is representing.

a) A lobbyist is defined as a person who for immediate or subsequent compensation, (e.g., monetary profit/personal gain) represents a public or private group, association, organization or business interest and engages in efforts to influence School Board Members on matters within their official jurisdiction.
b) A lobbyist is not considered a person representing school-affiliated groups (e.g., PTA, DAC, Band Booster Associations, etc.) nor a public official acting in her/his official capacity.
c) Lobbyists shall annually (July 1) disclose in each instance and for each client prior to any lobbying activities, their identity and activities by completing the lobbyist statement form which can be obtained from Official School Board Records, School Board Member's Offices or the Superintendent's Office and will be recorded on The School Board of Broward County's website, www.browardschools.com.
d) The lobbyist must disclose any direct business association with any current elected or appointed official or employee of SBBC or any immediate family member of such elected or appointed official or employee of SBBC.
e) Senior-level employees (Pay Grade 30 and above) and/or School Board Members are prohibited from lobbying activities for one year after resignation or retirement or expiration of their term of office.

7.55 **TIE BID PROCEDURES:** When identical prices are received from two or more vendors and all other factors are equal, priority for award shall be given to vendors in the following sequence:

a) A business that certifies that it has implemented a drug-free workplace program shall be given preference in accordance with the provisions of Chapter 287.087, Florida Statutes, as currently enacted or as amended from time to time;
b) The Broward County Certified Minority/Women Business Enterprise vendor;
c) The Palm Beach County or Miami-Dade County Certified Minority/Women Business Enterprise vendor;
d) The Florida Certified Minority/Women Business Enterprise vendor;
e) The Broward County vendor, other than a Minority/Women Business Enterprise vendor;
f) The Palm Beach County or Miami-Dade County vendor, other than a Minority/Women Business Enterprise vendor;
g) The Florida vendor, whose main office is in the State of Florida, other than a Minority/Women Business Enterprise vendor.
h) If application of the above criteria does not indicate a priority for award, the award will be decided by a coin toss. The coin toss shall be held publicly in Procurement and Warehousing Services; the tie low bid vendors invited to be present as witnesses.

Included as a part of the RFP documents is a Form entitled **SWORN STATEMENT PURSUANT TO CHAPTER 287.087, FLORIDA STATUTES, AS CURRENTLY ENACTED OR AS AMENDED FROM TIME TO TIME, ON PREFERENCE TO BUSINESSES WITH DRUG-FREE WORKPLACE PROGRAMS.** This form will be used by the Proposer to certify that it has implemented a drug-free workplace program. The Required Response Form (Page 1 of this RFP) must be properly signed in order for the proposal to be considered. A Proposer cannot sign this form in lieu of properly signing the Required Response Form.

7.56 **AUDITING SERVICES POLICY 3100:** If the RFP is for auditing services and in accordance with Policy 3100 – Annual Financial Audit, the independent audit firm selected by the School Board shall serve at the discretion of the School Board for five (5) consecutive years; the firm selected shall not succeed itself as the School Board's independent auditor except for the first selection when the current auditor will be exempted.

7.57 **CONFIDENTIAL RECORDS:** The Awardee acknowledges that certain information about the District's students is contained in records created, maintained or accessed by the Awardee and that this information is confidential and protected by the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S. C. 1232g), and/or the Health Insurance Portability and Accountability Act (HIPAA) (45 CFR parts 160-164) and related District policies, as amended from time to time, currently available at www.browardschools.com. The confidential information cannot be disclosed unless valid consent is obtained from the students or their legal guardians. Both parties agree to protect these records in compliance with FERPA, HIPAA, and the District's policy. To the extent permitted by law, nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities.

Awardee agrees that it may create, receive from or on behalf of the District, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it will: (1) hold the Confidential Records in strict confidence and will not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the District in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the District, Awardee agrees to provide the District with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the District to terminate any Agreement with Awardee.

7.58 **SBBC INFORMATION SECURITY GUIDELINES:** It is the responsibility of the Awardee to read and adhere to the SBBC Information Security Guidelines when using any device connected to the SBBC's network. Following the conclusion of the contract term, all of SBBC's confidential information must be removed from Awardee's equipment and all access privileges must be revoked. Final payment will be withheld until the Awardee has confirmed, in writing, that all SBBC's confidential information has been purged from any and all electronic technology devices that were used during this contract and were connected to the SBBC's network.

7.59 **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY OR VOLUNTARY EXCLUSION – Lower Tier Covered Transactions:** Executive Order 12549, as currently enacted or as amended from time to time, provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one agency shall have government-wide effect. A lower tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction; and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower tier covered transactions to include the certification for it and its principals in any bid submitted in connection with such lower tier covered transactions.

CERTIFICATION:

a) The prospective lower tier participant certifies, by submission of this RFP, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

7.60 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this RFP shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the RFP is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the RFP shall constitute a waiver by Proposer of any applicable exemptions from disclosure or any confidential status including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of Proposer's response to the RFP. SBBC will provide for the inspection or copying any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the RFP or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to timely initiate such legal proceedings shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials. By submitting a response to this RFP, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based upon SBBC's non-disclosure of portions of Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such nondisclosure.

SECTION 8 – SCOPE OF WORK & PERFORMANCE SPECIFICATIONS

Section 8 specifies the minimum requirements that meet the current educational and business needs of SBBC's environment, and those that will provide new solutions in the future. The technical specifications for specific services included in the RFP may be modified as needed by SBBC throughout the term of the contract as technology changes and SBBC's business and operational requirements shift. All technical and special conditions are mandatory requirements that Awardee is required to comply with in order to satisfy the terms and conditions of the RFP.

GROUP 1 – STRUCTURED CABLING SYSTEMS
GROUP 2 – ENTERPRISE NETWORKING (LOCAL AREA NETWORKS (LAN) & WIRELESS LOCAL AREA NETWORKS (WLAN))

8.1 GROUP 1 – STRUCTURED CABLING: The scope of work requirements includes the procurement of communications wiring and related hardware, conduits and related cable management infrastructure and all related components required for a fully functional communications infrastructure for the following:

a. Adds, moves and changes to the existing communications infrastructure at schools and District offices
b. Installation of communications infrastructure to support data, voice and video at new schools and District offices
c. Communications infrastructure in relocatable classrooms
d. Communications infrastructure in Building renovations and additions
e. Dedicated Technician services

SBBC's intent with this contract is to, in accordance with E-rate guidelines, establish a not to exceed rate for these Structured Cabling services. The rates would be in force through the term of the agreement.

8.1.1 **GROUP 1 CURRENT CONDITIONS:** SBBC employs a communications transport system to support the transmission of voice, data, surveillance and multimedia applications. The communications transport system is based on a structured wiring design of (normally) four pair, plenum, Category 5e and/or Category 6, unshielded twisted pair (UTP) cables to each communications outlet (CO) location in a quad, dual or single port configuration. Quad COs consist of four, 8-pin modular jacks, Category 5e and/or Category 6, Dual COs consists of two, 8-pin modular jacks, Category 5e and/or Category 6 and Single COs consist of one, 8-pin modular jack Category 5e and/or Category 6. Quad, dual or single CO locations originate from a main equipment room (ER) usually located in the Media Center or a communications closet (TR). Rooms located outside the distance limitations of the ER, or in outlying buildings. Voice cabling infrastructure is fed from communication closets connected to the main ER via a category 3/5 voice grade, copper backbone cable and optical multi-mode fiber cable. All CO location cables are directly home run to the nearest TR or the ER and terminated on Category 5e and/or Category 6, 8-pin modular patch panels with 110-type connecting hardware. This conforms to SBBC's Standards and all current Building Industry Consulting Service International (BICSI) standards and specifications.

8.2. GROUP 2 – ENTERPRISE NETWORK: The scope of work requirements includes the procurement of enterprise network equipment needed to provide or expand Local Area Network (LAN) and Wireless Local Area Network (WLAN) solutions on school campuses and other District facilities and includes:

a. Network equipment infrastructure at new schools and/or Department sites
b. Upgrade of existing network infrastructure at schools and District offices not already upgraded or partially upgraded
c. Procurement of parts and equipment needed to maintain all existing Hewlett Packard network equipment installed throughout the District.

While procurement amounts for the Enterprise Network are estimated for bidding purposes, SBBC reserves the right to amend these estimates on an annual basis with the filing of the FCC Form 471. There are no guaranteed minimums of orders.

GROUP 2 CURRENT ENVIRONMENT

8.2.1 All of SBBC's 265-plus facilities, both schools and administrative sites, are connected via a Wide Area Network (WAN) in a hub and spoke topology back to the technology center utilizing Multiprotocol Label Switching routing technique (MPLS) with six class-of-services to provide the proper quality of service for real time, voice, video and other selective traffic. Open Shortest Path First (OSPF) and Border Gateway Protocol (BGP) routing protocols are responsible to propagate reachability information through the entire network. MPLS bandwidth at locations is varied from gigabit to multi-gigabit connections with multiple ten gigabit connections at the hub location. At each site, the WAN connects to each site's Local Area Network (LAN). LANs are installed using a hierarchical star topology with a single core layer switch and multiple access layer switches and wireless access points.

EXHIBIT 1

8.2.2 Network Equipment and Uninterruptable Power Supply (UPS) devices are deployed at approximately 2,166 IDF/MDF locations across the District. In most cases, 2-post or 4-post networking network racks are located in wired closets, but in some cases racks with network equipment are located at a school office or media center.

8.2.3 The table below represents the current SBBC network closets classification from the standpoint of the amount of copper and fiber ports.

Closet Type	100/1000 Base-T PoE+	1G/10G SFP at Primary Switch	Number of Closets
1	800	24	1
2	800	8	3
3	680	32	4
4	680	8	5
5	590	28	6
6	590	8	11
7	490	28	16
8	490	8	20
9	390	28	28
10	390	8	54
11	300	24	50
12	300	8	114

17	80	4	515
18	48	4	361
19	24	2	250
20	8	2	138
Total	**288,242**	**13,300**	**2,166**

Note: SBBC cannot dictate network designs or diagrams of closet types due to E-Rate Guidelines.

8.2.4 SBBC's LANs are composed of HP Aruba network equipment, Aerohive Wireless Access Points (APs) and multi-branded Uninterruptable Power Supply (UPS) devices. All wiring closets utilize standard 19" 2-post racks. Switch ports support 10/100 Mbps and gigabit connections via UTP CAT 5e or CAT 6 copper RJ-45 connectors and either 62.5 or 50-micron multimode fiber.

8.2.5 Wireless Access Point models deployed at the locations are principally Aerohive AP230; approximately 15,400 units deployed. There are also approximately 2000 Aerohive AP330 units that are primarily deployed at Administration locations and some schools. The most recent Wireless Access Point model deployed in high-density areas is Aerohive AP250. The HP Aruba switch models deployed most frequently are the HP Aruba 5400R Layer 3 modular chassis-based switch and the HP 5400 zl Layer 3 modular chassis-based switch. In areas where a large amount of ports are not needed, smaller stackable models of HP Layer 3 switches are deployed.

8.2.6 The LAN network backbones between switches are gigabit or multi-gigabit fiber or copper. A minimum of switched Fast Ethernet to the desktop for all ports with the majority of desktop-facing ports are gigabit with Power over Ethernet (PoE) for VoIP phones. The network switches support both Layer II and Layer III switching, IPv4 routing, OSPF & BGP dynamic routing protocols, 802.1q VLAN distribution on all backbones and segments, Multicast routing and delivery with IP PIM sparse, IGMPv2, IGMPv3, DHCP snooping, Bonjour gateway, Access Control List (ACL) and Quality of Service (QoS) capabilities.

8.2.7 Core switches located in the main Communications Equipment Room (CER or MDF) are utilized as full-function routers performing IPv4 routing, participating in OSPF and BGP dynamic routing exchange, performing PIM Sparse and Bonjour gateway. To improve performance, security and administrative control, a large campus network is segmented into smaller logical networks with 802.1q Virtual LAN technique. Currently, each campus has eight VLANs.

8.2.8 Edge switches are enterprise-class managed switches. They are layer 2-4 capable, which allows the implementation of IPv4 routing, QoS, DHCP-snooping, ACLs at the edge as technology needs dictate. These switches support both 10/100 mbps and gigabit connections via UTP Cat 5e and/or Cat 6 copper RJ-45 connectors to the desktop. In most installs

EXHIBIT 1

modular, chassis-based switches are utilized versus stackable switches. This allows for higher port densities; a common, faster backbone; greater ease-of-management and cleaner installs. At sites where VoIP is implemented (around 220 sites) power over Ethernet features are utilized to power up IP phones. Wireless Access Points are utilizing advanced power over Ethernet features.

8.2.9 Managed UPSs are located in each wiring closet and are sized-based on the network equipment they support. They are outfitted with network management cards for remote management over the network. SNMPv3 is utilized to provide capabilities for proactive network management at the District's Network Operation Center (NOC). All switches and UPS devices are centrally managed and monitored via encrypted protocols such as SNMPv3, HTTPs and/or SSH.

8.2.10 All schools have 100% complete wireless coverage throughout their facilities. SBBC's wireless network consists of over 17,575 Aerohive Wireless Access Points centrally managed by the Network Operations Center via Aerohive's central management solution "HiveManager." The wireless network currently utilizes a "one AP per classroom" deployment scheme. Special locations which have a high density of users (such as media centers and cafeterias) have a heavier deployment footprint. Wireless Networks are deployed across the entire 2.4GHz and 5GHz radio frequency bands and support 802.11a/g/n/ac wireless standards. Deployment is performed based on 20MHz – wide radio channel in 1 to 1 areas with 40MHz utilized elsewhere on the 5Ghz band.

8.2.11 Four wireless networks (WLANs) are serving different categories of users and devices. WPA2-Enterprise authentication protocol with 802.1x authentication method is used on all major WLANs with additional device control mechanism deployed at Access Points, which enables the recognition of device/user combinations and properly places wireless devices on the proper network segment, with the additional ability to apply proper access restrictions directly on the Access Point and class of service on the network switch. The Wireless Guest network for outside users is deployed by utilizing an open Captive Portal mechanism, with the ability to perform self-onboarding and the ability to receive temporary access credentials via SMS gateway message on a cell phone. Any access to the Internet is controlled by an enterprise-class web filtering solution, application control and intrusion detection services. Users on a Guest WLAN are not allowed to access District internal network resources.

8.2.12 The daily peak average load of wired and wireless clients generally exceeds 260,000 - 320,000 connected devices, from which wireless clients generally exceeds 170,000 - 210,000 connected devices. The total number of unmanaged District-owned devices which may not support 802.1x is approximately 85,000. These are devices such as IP phones, Wireless APs, IP cameras, UPS systems, printers, class collaboration, video collaboration and IoT devices. The maximum total amount of wired and wireless devices on the network during peak times currently approaches 400,000. The current flow rate at the centralized Netflow collector is approximately 55,000 flows per second.

8.2.13 The centralized DNS/DHCP/IPAM solution that is deployed at the District level is based on an Infoblox solution that serves all clients. Wireless Access Points receive IP addresses dynamically from a centralized DHCP server. At 250-plus locations, the DHCP lease time on wireless networks is 42 hours. Eight large school locations have a lease time of eight hours on wireless network segments. Lease time for non-wireless devices is over 72 hours.

8.2.14 Currently during new deployments of network switches, new devices are configured based on a predefined configuration blueprint which specifies most global parameters, such as the amount of VLANs, VLAN IDs, ACLs, QoS, DHCP snooping and many others. A switch configured with a static IP address is predefined by the Network Operations Center prior to installation. Trunk ports facing other switches or Access Points are configured with 802.1q VLAN tagging for all VLANS. All other switch ports, except trunks, are configured as untagged on data VLAN and tagged on voice VLAN. After the initial deployment, some ports are manually tuned to reflect special purposed devices (ie: security cameras). Currently 802.1X is not widely deployed on switch ports, which creates management overhead.

8.3 <u>GROUP 1 & 2 REQUIREMENTS:</u> All Sections and Subsections of 8.3 are minimum requirements that pertain to Groups 1 and 2.

8.3.1 **ACCOUNT REPRESENTATION:** Awardee shall designate one point of contact for communications with SBBC. A resume of this individual must be submitted with the proposal and they must reside in the Tri-County area (Miami-Dade, Broward or Palm Beach Counties). A resume for all other principals in the organization that will be servicing SBBC must also be included.

EXHIBIT 1

8.3.2 **TECHNOLOGY OBSOLESCENCE:** SBBC includes the technology obsolescence in this RFP to protect itself from unknowingly purchasing technology that is at the end of its production, support and/or marketing life cycle. Awardee and SBBC shall have roadmap meetings to share information including product lifespan. Equipment provided by Awardee cannot be declared as EOL or EOS by the OEM within the contract period. In the event of the supplied equipment being declared as EOL or EOS within the period of 5 years from the date of commissioning of the equipment, the Awardee must replace it with equipment having equivalent or higher configurations that is not EOL or EOS.

8.3.3 **BALANCE OF LINE & OTHER GOODS/SERVICES:** Awardee shall provide other goods and services required by SBBC within this commodity Group as needed in the future, irrespective of their specific omission from this RFP. Pricing for any such procurement will be determined by negotiation at the time of the sale, but must be based on the applicable discount levels established in the price offers included in the initial RFP response.

8.3.4 **ITEM ENHANCEMENT:** During the term of the contract, Awardee may offer SBBC an enhanced feature associated with any item. Written notification of intent must be received by SBBC 30 days prior to the effective date of the proposed change. Each item specification must be referenced as it relates to the enhancement, and each product feature of the enhanced item must meet or exceed those detailed in the technical specifications of this RFP. The notification shall include complete descriptive, technical literature on the proposed enhanced item. SBBC reserves the right to continue to order the item as is or to purchase the newer, enhanced item.

8.3.5 **DISCONTINUATION AND SUBSTITUTION FOR RFP ITEMS:** Over time, SBBC expects that the items listed in Excel pricing file will reach end of either their sale or support life. Awardee shall provide alternative products that meet or exceed the operational functionality of the items listed in the RFP at the prices included with their proposal. Additionally, as technology and business requirements change throughout the term of this contract, SBBC may buy alternative products to those listed herein, at the discount levels established in this contract.

8.3.6 **ORDER PLACEMENT & SHIPPING COSTS:** Requests for project proposals will be made by SBBC staff. The Awardee must respond with a written quote/proposal within fifteen (15) business days. Any quote for work that is being done with E-Rate funding support is valid until the close of the associated Funding Request Number (FRN). Proposals/quotes for E-Rate funded related work must break out the E-Rate eligible and ineligible components. Shipping must be provided at no cost. Shipping costs for any material that is defective is the responsibility of the Awardee.

8.3.7 **MANUFACTURING DELAYS:** If the Awardee is unable to supply equipment and/or materials in compliance with this RFP, Awardee shall furnish SBBC with a temporary solution so as not to delay a project at no cost to SBBC.

8.3.8 **DOA / INSTALLATION FAILURE:** Awardee must immediately replace any equipment deemed to be defective at the time of installation without delay and at no cost to SBBC.

8.3.9 **DOCUMENTATION:** Awardee shall provide full documentation on any equipment or system procured under this RFP to SBBC at no additional cost with 72 hours of request.

8.3.10 **INSTALLATION OF GOODS & SITE CLEAN-UP:** Awardee shall deliver and install items ordered within thirty (30) days after receipt of a purchase order (unless alternate arrangements are agreed upon with SBBC). Work can typically be performed between the hours of 7:30 am – 3:30 pm. Work hours are to be coordinated with the individual site. Awardee is responsible for removing all trash and debris to outside garbage containers daily or as needed during the day. After the communications room wiring installation, the Awardee shall provide a complete clean-up of the rooms to include vacuuming of the floor surface, cleaning of racks, panels and boards, etc. Workstation outlet location areas shall be cleaned on an on-going basis each time the Awardee completes work in the area.

8.3.11 **PROTECTION OF WORK, PROPERTY & PERSONNEL:** Awardee shall at all times guard against damage and/or loss to the property of SBBC, and shall replace and/or repair any loss or damages. SBBC may withhold payment or make such deductions, as it may deem necessary to ensure reimbursement for loss and/or damages to the property through negligence of the Awardee. Awardee shall take the necessary safety precautions to protect both personnel and property while the work is in progress simultaneously adhering to the project schedule.

8.3.12 **PROFESSIONAL SERVICES:** SBBC expects that certain professional services be provided at no additional cost to those indicated on the Excel pricing file. The services categorically include: pre-sales engineering, product roadmap alignment and strategic planning assistance, collaborative project planning. Other professional services must be made available to SBBC to meet its operational requirements at rates aligned to the services requested and negotiated by SBBC and the Awardee.

EXHIBIT

8.3.13 **TRAINING & KNOWLEDGE TRANSFER:** Awardee shall provide training to SBBC on the use of the equipment and systems procured under this RFP at no cost to SBBC. Proposers should describe the methods by which and the extent that they will fulfill this expectation. As the Awardee performs routine installation or maintenance procedures on equipment purchased under this RFP contract, SBBC staff may participate to become better acquainted with systems operations and maintenance.

8.3.14 **AFTER-HOUR / EMERGENCY TECHNICIAN / ENGINEERING SERVICES:** Awardee shall provide a certified field technician / network engineer for after-hours emergency response to SBBC. This person must be certified on SBBC-installed network systems and have access to repair equipment stock. The after-hours time frame is defined as the hours of 5:00 p.m. (ET) to 10 p.m. (ET), Monday through Friday and 8:00 a.m. (ET) to 10:00 p.m. (ET) Saturday, Sunday, holidays and during any unplanned site closures. For Information Technology notification of emergency repairs requiring a response, this certified Field Technician must be accessible by cell phone. Pricing for this emergency technician service (hourly rate) will be in accordance with the pricing submittal.

8.3.15 **EMPLOYEE CONDUCT:** Awardee's employees or agents shall conduct themselves in a professional manner at all times. All rules and guidelines of the project site(s) and SBBC shall be adhered to. Smoking is NOT permitted on the project site(s). Awardee shall not interface with school personnel, students, or make use of any school facilities without permission. Awardee's employees working on site must report to the School Administration Office to sign in. When working on an SBBC construction site owned by a general contractor, all work must be coordinated with the general contractor so as not to impede the progress of any construction activity.

8.3.16 **SUB-CONTRACTORS:** An Awardee subcontracting is still responsible as the Prime Awardee for work performed to the satisfaction of SBBC. Proposer shall provide in their proposal the names, addresses and qualification of any sub-contractor. SBBC may require additional information on sub-contractors at a later date and reserves the right to reject any sub-contractor. No part of this contract may be sub-contracted or ownership transferred to any third party without the written approval of the Director of Procurement and Warehousing Services. Awardee must have the capability to perform all requirements of this RFP or Awardee may be held in default /cancellation of contract. SBBC shall not be liable to any third party, financially or contractually under this contract under any condition.

8.3.17 **PROJECT TRACKING & PROGRESS REPORTING:** Awardee shall submit weekly progress reports to SBBC and/or its designees via email each Friday that contain at least:

a) Work scheduled for the following week with estimated start dates
b) Work completed during the week with actual completion dates
c) Unforeseen delays / obstacles, other comments

8.3.18 **UNIFORMS:** Awardee's installation personnel are required to wear uniforms that include shirts with the company's name prominently displayed, fully clothed in appropriate business attire while on SBBC premises.

8.3.19 **SBBC BUILDING CODE AND PERMITTING REQUIREMENTS:** Every SBBC project requires a permit. Awardee shall comply with SBBC Policy 7001 including obtaining permits from SBBC's Building Department. Awardee must follow all SBBC Building Department processes, guidelines and requirements. Permit plans and As-Builts are required to be CAD. A Registered Communication Distribution Designer (RCDD) certified by BICSI is responsible for engineer drawings for permits. The documents shall have the RCDD's approval or reviewed stamps on the documents. Additional information may be found at: https://webappe.browardschools.com/buildingdepartment/

8.3.19.1 Awardee is responsible for each design for each project and shall comply with State Requirements for Education Facilities (SREF), Florida Building Codes, Division 17 specifications, SBBC building codes and SBBC Section 2A-8 Voice, Data and Video Structured Cabling Systems Design Criteria. An RCDD certified by BICSI is responsible for engineer drawings for permits. The documents shall have the RCDD's approval or reviewed stamps on the documents.

8.3.19.2 Awardee shall comply with State Requirements for Education Facilities (SREF), Florida Building Codes, Division 17 design standards and SBBC building codes. Additional information about SBBC building design standards may be found at:
http://www.broward.k12.fl.us/constructioncontracts/DivisiononeDesignStandards.html

8.3.19.3 After a permit is issued by SBBC Building Department, site-specific drawings must be completed for each site for application submittal for a site-specific permit used for inspection purposes. The current process includes, but is not limited to the following steps:

a) Awardee prepares permit documentation, specifications, and engineering drawings required to apply for a Building Permit.

EXHIBIT 1

b) For a Master Building Permit, Awardee provides four (4) certified, signed and sealed copies (no smaller than 11"x17") of permitting documentation to the SBBC IT project representative to be submitted to SBBC's Building Department. Awardee is responsible for revisions, corrections or changes, if required. This Master Building Permit template can be used for multiple sites.
c) Awardee provides & installs surge protection, grounding and any additional components required to complete installation as per Florida building code and SBBC Facilities and Construction Department design specifications.
d) Awardee schedules inspection with SBBC's Building Department and is responsible for project until completed work passes inspection.
e) Awardee must correct and complete any work found to be non-compliant by SBBC Building Department Inspectors.
f) Awardee is responsible for re-inspection fee (assessed by SBBC) must any inspection fail.
g) Awardee must provide a copy of the signed building permit, final drawings and passed final inspections to SBBC's IT Department prior to the processing of any invoice for payment

8.3.20 **ALTERNATIVE, EQUIVALENT PRODUCT:** The Excel spreadsheet contains a list of products and services for Proposer's to provide pricing (see **Attachment G** for additional details regarding the Excel file). Alternative, equivalent product(s) that meets or exceeds all functionality, performance requirements and SBBC's minimum requirements will be considered. All alternative pricing and/or product options must be accompanied by clear, detailed information, including side-by-side comparisons and any other information necessary to enable the District to determine if the alternative meets the District's needs and requirements, as set forth in this RFP. The District, at its sole discretion, shall determine if any alternative product options comply with the requirements of this RFP.

8.3.21 **PILOTS, AND PROOF OF CONCEPT TRIALS:** Awardees are expected to participate in pilots, trials, and proof of concept arrangements upon request from SBBC at no cost. Pilots and trials must adhere to E-rate guidance on gifts and samples. https://www.usac.org/e-rate/applicant-process/competitive-bidding/gift-rules/

8.4 GROUP 1 REQUIREMENTS (STRUCTURED CABLING): In addition to requirements above for Group 1, all Sections and Subsections of 8.4 contain minimum requirements that pertain specifically to Group 1.

8.4.1 **CERTIFICATION(S):** Proposer must provide documentation of their current certification, to install, maintain, and perform all warranty work as part of the scope of services and technical specifications stated within the RFP and shall maintain such certification for the duration of the contract. Specific certification must include Legrand Certified Installer Plus or better and BICSI Corporate Membership number. Proposer must provide copies of current certificate(s)and BICSI registration number verifying that one or more Registered Communications Distribution Designer (RCDD) is currently employed by Proposer. Proposer must provide proof that 30% of their installers and technicians for all cabling installations are BICSI and Legrand Certified. During installation, a minimum of one (1) certified installer must be present. The 30% or better must be maintained for the term of the contract. Proposer must provide the names of technicians and copies of each technician's Legrand Certified Installer Plus and BICSI registered cabling installation certifications that will be assigned to SBBC during the term of the contract. Proposer, by submitting their proposal agree to maintain staffing that will always hold current certification throughout the term of this contract. SBBC reserves the right to request proof of manufacturer certifications at any time during the term of the contract. Additionally, Awardee must maintain a valid and current Florida State Speciality Contractors license (low-voltage).

8.4.2 **DESIGN CRITERIA:** All work must be performed and executed in compliance with SBBC Design Criteria and Division 17000 specifications as applicable. The latest version of this criteria can be retrieved by viewing Section 2A-8 Voice, Data, and Video Structured Cabling System Design Criteria at the following website:
http://www.broward.k12.fl.us/constructioncontracts/DivisiononeDesignStandards.html

8.4.3 **AUDIO VISUAL LAYOUT DETAILS:** Awardee is responsible for design and layout and shall comply with State Requirements for Education Facilities (SREF), Florida Building Codes, SBBC Building Codes, SBBC Section 2A-8 Voice, Data and Video Structured Cabling Systems Design Criteria and SBBC Facilities Design Standards. An RCDD certified by BICSI is responsible for engineer drawings for permits. The documents shall have the RCDD's approval or reviewed stamps on the documents. Scope of Work shall include pre-sale engineering of the project including on-site walk through coordinated with IT staff, project planning, producing a project bill of materials, project scheduling, project meetings with IT staff, all labor for installation and programming, testing, inspection follow up and all necessary items for a complete and fully functional system. All SBBC Instructional Spaces Typical Layout Detail (for Wall Mount) and SBBC Instructional Spaces Typical Layout Detail (for Flat Panel) must adhere to the design criteria as depicted on the Facilities & Construction Management site, posted here:

EXHIBIT

http://www.broward.k12.fl.us/constructioncontracts/DesignStandards/Design_Criteria/SBBC%20AUDIO%20VISUAL%20LAYOUT%20DETAILS.pdf

Additionally, it is the Awardee's responsibility to confirm compliance with Facilities & Construction Management's requirements by periodically reviewing the above website.

8.4.4 **WARRANTY:** To ensure Limited Lifetime Certified Warranty Limited Lifetime Installation Warranty, all products must comply at a minimum with nCompass™ Cat6A Cabling System specifications and performance warranty coverage requirements. Awardee will be required to register with Legrand for the nCompass™ Warranty Certificate on all work completed. Awardee must show evidence that its bundled warranty includes no cost to SBBC the replacement of any cable, connector, or other component installed by the Awardee or covered under Legrand warranty which malfunctions. This warranty shall in no manner cover components that have been damaged or rendered to be unserviceable due to negligence, misuse, acts of vandalism, or tampering by personnel other than the Awardee's employees or agents.

8.4.5 **TRAINING:** Awardee must include one (1) four-hour session of hands-on training for any new model of AV or structured cabling systems purchased by SBBC. This training will be held at SBBC's IT Department for up to 15 SBBC personnel. Topics shall focus on the network equipment, operations, network management, client utilization and any related topic determined by SBBC.

8.4.6 **NEW CONSTRUCTION:** All new construction must have a minimum of Category 6A cabling or greater for copper cabling. The multimode fiber cabling is required to have a minimum of Category OM3 or greater.

8.4.7 **EXISTING CONSTRUCTION:** Existing construction requiring more than 6 quad COs to be replaced shall be a minimum of Category 6A or greater. This requires termination elements to be rated to the category of 6A or greater. The multimode fiber cabling is required to have a minimum of Category OM3 or greater.

8.4.8 **CERTIFIED PERSONNEL:** Awardee shall have certified field technicians, for SBBC to hire. Technicians must be capable of performing adds, moves, changes and routine maintenance services on the current and future install-base of cabling infrastructure. Awardee shall supply all Certified Maintenance and Support Technicians with all the appropriate equipment, tools, transportation and training to properly install and maintain District purchased structured cabling in accordance with the RFP terms specifications and conditions. Awardee shall supply at a minimum the following tools: test equipment for Category 5e/6/6A, termination/punch down tools, tone and probe kits, voltage detectors, crimpers, strippers, cutters, probe pics, can wrenches, tapes & adhesives, various hand tools (pliers, screw drivers, etc). Transportation must be a company vehicle, not a personal vehicle. Dedicated technicians need to have a company vehicle with all necessary tools for each day. SBBC will not provide transportation and will not furnish tools. All Certified Maintenance and Support Technicians will work under SBBC IT management.

8.4.9 **WORK DAY DEFINITION:** Dedicated Technicians will work an eight (8) hour day/244 days per fiscal year (July 1 – June 30). Sick time, vacations and holidays are not to be included in the annual rate.

8.5 GROUP 2 REQUIREMENTS (LAN & WIRELESS NETWORKS): In addition to requirements stated above for Group 2, all Sections and Subsections of 8.5 contain minimum requirements that pertain specifically to Group 2.

Notes:

- Out of the 20 different closet types, any switches that are proposed for network closets that have 80 and more 1000 Base-T POE+ ports must support BGP and OSPF routing protocols. Switches proposed for network closets that have 80 and less 1000 Base-T POE+ ports requirements such as closet 18, 19 and 20 may only support OSPF routing protocol.
- MDF, CER, and ER are all interchangeable terms describing a main communications closet.

GENERAL REQUIREMENTS

8.5.1 **NETWORK COMPONENTS SOLUTION:** Awardee shall provide all network components requested in this RFP, such as network switches, Wireless Access Points (AP), Uninterruptible Power Supply (UPS) Systems, Network Security Automation, Orchestration (SEC ORCH). Proposals that do not include a solution for all categories will not be accepted. The central management console system can be on-premise or cloud-based for wireless APs and network switches. Proposed price must include equipment support, maintenance, management, monitoring licenses and subscriptions which are required for the device to be fully operational. If the Awardee's standard equipment bundle does not include no fee licenses subscriptions, maintenance or monitoring for a period of five (5) years from the installation date, the Awardee

DRAFT

must identify the alternative bundled terms as part of their proposal. The bundled services must apply to all network switches, access points and UPS devices procured through this RFP.

8.5.1.1 RFP proposal may not include pre-released models that are not released for general business sales.

8.5.2 **WARRANTIES:** The Proposer must state what the Manufacturer's standard warranty includes to ensure that it is bundled into the cost. No separate extended warranty or special arrangement warranty will be accepted, and are means for disqualification.

8.5.2.1 **MANUFACTURER'S LIMITED HARDWARE WARRANTY**: If the Awardee's standard equipment Warranty does not include a Manufacturer's limited lifetime hardware warranty, limited to five (5) years from the end of the sale date announcement the Awardee must list the actual limited Warranty terms in its proposal. The limited warranty must apply to all network switches, access points and UPS devices procured through this RFP. All Limited hardware warranty provisions for all equipment must be confirmed with equipment manufacturer documentation covering all suggested models. SBBC will not accept additional warranty agreements which are specific to this RFP as a substitute for manufacturer offered limited hardware warranty.

If the Awardee's standard bundled warranty does not include free standard shipping to and from the Awardees merchandise authorization (RMA) center, the Awardee must list in its proposal its actual terms and conditions for RMA item shipping in its proposal. This must apply to all switches, wireless access points, UPS and all other equipment purchased under this RFP.

Warranty for all equipment starts from the SBBC on-prem installation date.

8.5.2.2 **MANUFACTURER HARDWARE LIFETIME WARRANTY:** All Network switches procured through this RFP must include a Manufacturer's lifetime hardware warranty. Lifetime hardware warranty for equipment must be confirmed with equipment manufacturer documentation covering all suggested models. SBBC will not accept additional warranty agreements which are specific to this RFP as a substitute for manufacturer offered lifetime hardware warranty.

If the Awardee's standard bundled warranty does not include free standard shipping to and from the Awardees merchandise authorization (RMA) center, the Awardee must list in its proposal its actual terms and conditions for RMA item shipping in its proposal. This must apply to all switches, wireless access points, UPS and all other equipment purchased under this RFP.

8.5.3 **CERTIFICATION(S):** Proposer must provide verification of their company's current certification to install, maintain, and perform all warranty work as part of the scope of services and technical specifications stated within the RFP. SBBC's existing network infrastructure under warranty is to be maintained by the Awardee. Awardee shall not allow certification to lapse during term of contract. Certified means personnel working on equipment must hold in his/her possession a certificate of training stating the manufacturer has trained, and is authorized to install, maintain and perform warranty work on that manufacturer's equipment. Awardee must make available to SBBC systems engineers for Dedicated Technician Services that are fully certified and qualified to manage and maintain wired and wireless equipment and systems procured through this RFP award in ways that efficiently manage and maintain the install base and protect warranty coverage of systems.

8.5.4 **REPAIRS:** The Awardee, after being notified, must have all needed repairs started within four (4) business hours (business hours are defined as Monday through Friday, between the hours of 7:30 am to 5 pm). Awardee is responsible for all warranty work & parts, including new equipment purchased under this RFP and/or SBBC's existing networking infrastructure (under warranty). The local repair station must be authorized by the manufacturer and be staffed with in-house factory trained and certified personnel. If the proposal submitted is from other than the manufacturer, then proof that the local repair station is authorized and certified by the manufacturer must be submitted with proposal or upon request. For the purpose of this RFP "local" repair station means a location in Broward, Miami-Dade or Palm Beach County. Factory and or manufacturer-trained and certified means personnel working on equipment must hold in his/her possession a certificate of training stating manufacturer has trained and is authorized to install, maintain and perform warranty work on that manufacturer's equipment. Repairs can be made either at the school/department/center or at the local repair station. If repairs cannot be accomplished at the location, the Awardee is responsible for transporting equipment to and from the original location. Awardee is completely and solely responsible for the coordination and completion of all repairs, including

EXHIBIT 1

pickup at site and reinstallation of any equipment. Upon request, equivalent loaner equipment will be made available if repairs cannot be completed at the location (school/department/center). Manufacturer's standard warranty must be provided on all RFP items. Warranty must begin after delivery and acceptance made by an authorized representative of the School Board. List warranty of all equipment proposed. Awardee must maintain an adequate supply of complement spare parts at their local service facility during warranty period to fulfill the guarantee of the items covered in this RFP. Awardee must mark and disconnect all cables, remove faulty equipment from site where it's installed, install replacement equipment at the same site location and connect all cables back in the same order and test to make sure equipment is functional. Warranty replacement equipment must be in the same functional state equal to the state in which equipment was before the failure. Awardee must restore configuration files to the equipment, add replacement equipment in SBBC network monitoring tools and any other steps to bring faulty equipment or replacement equipment back online after failure. SBBC will not pay for warranty or any activities related to warranty replacements. Awardee must provide replacement equipment free of charge to SBBC.

8.5.5 All new network switches, as well as existing HP Aruba 5400R switches with v3 modules, must have the ability to dynamically enforce role-based access on individual ports during the device connectivity phase or later, based on control from the proposed SEC ORCH. Wireless Access Points must have the ability to dynamically enforce role-based access on WLAN during the device connectivity phase or later, based on control from SEC ORCH. **Note:** For this requirement, "dynamically" means that the SEC ORCH will need to download to the switch (HPE Aruba 5400R) the required ACLs and interface configuration.

8.5.6 All ports on all new network switches and existing HP Aruba 5400R switches with v3 modules must have a unified light configuration that prevents unauthorized access to the environment when not connected. During the connectivity phase, all ports must first pass through a device identification process. If the proposed network solution is unable to detect the device during the connectivity phase, the device is treated as a guest device.

8.5.7 All new switches, new Access Points and existing HP Aruba 5400R switches with v3 modules must have the ability to centrally define policies based on roles, and must be applied uniformly across the WLAN and LAN. This eliminates the need to configure per-switch ACLs, VLANs and subnets.

8.5.8 The network solution must support network segmentation with no less than 20 VLANs per school.

8.5.9 The network solution must have the ability to dynamically place any client devices connected via WLAN on a new wireless access point, wired switch port on new switches or wired switch port on existing HP Aruba 5400R switches with v3 modules on a specified preconfigured VLAN, based on the solution's ability to identify a connected device based on any combination of the following parameters:

a) Device - specific traffic patterns learned via provided Netflow information
b) Device - specific WMI information
c) Device - specific SNMP information
d) TCP/UDP port scanning information
e) ARP information learned from campus switches
f) Values in DHCP Option 55
g) DHCP Option values
h) Fingerprint information provided by site access switches – LLDP, DHCP, HTTP, CDP
i) Vendor MAC address information
j) Device Category
k) Device OS family
l) Device OS name

8.5.10 The NMS/NAC must include a minimum of one (1) onsite, full-time staff augmentation resource for the first year to design, implement, train SBBC staff and manage the solution. The ability to maintain this resource must be provided after the first year only as a management / monitoring resource which will be at a lower skill-set and certified in the product. The cost for this full-time resource should be included in the proposed pricing model (Sec Orch-Erate Ineligible tab). Pricing must include a flow collection software with cloud or on-premise pricing.

8.5.11 If the Sec Orch-Erate Ineligible Awardee is initially outsourced to SBBC, the Awardee must provide SBBC with an outsourcing price for informational purposes.

EXHIBIT 1

NETWORK SWITCHES MINIMUM REQUIREMENTS

8.5.12 To guarantee solution stability, quality, sizing potential, proper level of support and needed feature set and future innovation, the manufacturer must be recognized by Gartner in the top right-hand corner as a Leader in the Wired and Wireless LAN Access Infrastructure category for either 2018, 2019 or 2020 year reports, which must be available to validate at time of release of RFP,

8.5.13 If switch stack is proposed, then all stacking modules, transceivers, and cables which are used for stacking must be included in the switch cost. Ports used to stack switches together in the stacking solution must not be counted against port requirements.

8.5.14 The switch stack in an IDF/MDF closet must be designed with the ability to add at least one extra switch in each stack to enable future port increase capability in the closet.
8.5.14.1 All switches within same switch stack must belong to the same product family.
8.5.14.2 If switch stacks are used stacking connection bandwidth must not be less than 80Gbps. If chassis-based switches are used, bandwidth per slot must not be less than 80Gbps.

8.5.15 The chassis-based modular switch supporting over ten (10) modules in an IDF/MDF closet must be designed with the ability to add at least one extra port module in the chassis to enable future port increase capability in the closet.

8.5.16 If a single chassis-based modular switch of any size is deployed in an IDF/MDF closet, it must be designed to be able to add at least one extra port module in the chassis to ensure future port expansion capability in the closet.

8.5.17 All 100/1000BaseT ports on all switches must support PoE+

8.5.18 Chassis-based modular switches must have the ability to have POE (Power Over Ethernet) multi-gigabit 2.5GBASE-T 802.3bz port modules in the same chassis with other types of port modules. Stack switches must have ability to have multi-gigabit 2.5GBASE-T 802.3bz port switches in the same stack with other types of port modules.

8.5.19 The power supply must be selected based on the assumption that up to 80% of all ports will run 802.3af class 3 devices (15W) to support the future increase of the PoE device count, as well as increase in PoE device consumption switches.

8.5.20 The Uninterruptable Power Solutions (UPS), which must have a minimum run time of 15 minutes, must be selected based on switch (or switch stack) idle power consumption and the following PoE load assumptions must apply:

a) 30% of all 100/1000 Base-T Ports have 802.3af class 1 devices (4W+0.5W PoE tax)

b) 10% of all 100/1000 Base-T Ports have 802.3af class 2 devices (7W+1W PoE tax)

c) 7% of all 100/1000 Base-T Ports have 802.3af class 3 devices (15W+1.5W PoE tax)

d) 2% of all 100/1000 Base-T Ports have devices required full POE+ power (30W+2W PoE tax)

8.5.21 Pricing must include all licenses and subscriptions that are required for the network switch to fully function as layer 2 and layer 3 switch and enable all features during the entire contract duration.

WIRELESS ACCESS POINTS MINIMUM REQUIREMENTS

<u>General Requirements for Access Points</u>

8.5.22 The equipment manufacturer must be recognized by Gartner in the top right-hand corner as a Leader in the Wired and Wireless LAN Access Infrastructure category for either 2018, 2019 or 2020 year reports, which must be available to validate at time of release of RFP.

8.5.23 Access Point (AP) must support 802.11ax Wi-Fi Standard

EXHIBIT 1

8.5.24 AP must have completed or in the process of completing (by release of RFP date) Wi-Fi Certified 6 certification program from Wi-Fi Alliance

8.5.25 AP must have the ability to operate simultaneously at 2.4 and 5GH Wireless Bands

8.5.26 AP must have a minimum of two Wi-Fi Radios

8.5.27 High Density AP must have a MultiGigabit Base-T Ethernet Port

8.5.28 AP must be capable of operating on POE+/802.3at power with all Wi-Fi features enabled without affecting client performance.

8.5.29 New wireless APs must be able to be deployed based on the DHCP IP assignment method and must not need fixed IP addresses for proper central management and full feature functionality.

8.5.30 Indoor APs must include a ceiling mounting kit in the price.

Minimum Requirements for Indoor and Outdoor Access Points for High-Density Areas

8.5.31 The AP must possess a minimum 4x4 MU-MIMO support type at 5GHz range

8.5.32 The AP must possess 256 minimum Client Capacity per radio

Minimum Requirements for Indoor and Outdoor Access Points for not High-Density Areas

8.5.33 The AP must possess minimum 2x2 MU-MIMO support type at 5GHz range

8.5.34 The AP must possess 256 minimum Client Capacity per radio

Minimum Requirements for Indoor Wi-Fi User Experience Sensor if Sensor is Proposed as Separate Device (E-rate Ineligible)
(Note: SBBC allows sensors to be integrated into AP as long as use of sensor does not affect AP primary functionality. Legacy APs without a dedicated radio may perform some performance monitoring tasks if they have no clients associated to the radio.)

8.5.35 Sensor Radio must support 802.11ac Wi-Fi Standard

8.5.36 Must possess Dual Band Support (2.4GHz and 5GHz)

8.5.37 Must possess 1000 Base-T Ethernet

8.5.38 Must possess ability to work on 802.3at PoE+ power

8.5.39 Must support 802.1x Enterprise Authentication methods

8.5.40 Mounting kit to mount sensor on the wall and on ceiling must be included in proposed price.
Note: Conditions could vary based on location requiring wall or ceiling installation

8.5.41 All support, maintenance, management and monitoring licenses and subscriptions which are required for Wi-Fi Sensor to be fully managed and monitored by the proposed Network Security Automation & Orchestration Solution, as well as required for Wi-Fi Sensor to fully function as part of the proposed solution for 5 years from installation must be included in the proposed price.

UNINTERRUPTIBLE POWER SUPPLY SYSTEMS MINIMUM REQUIREMENTS

Technical Requirement for Single-Phase Uninterruptible Power Supply systems (1500VA to 2200VA) 120 Volt Units
Note: SBBC is not requesting models under 1500VA and/or above 2200VA to meet requirements below. As long as models 1500VA to 2200VA meet listed requirements SBBC will accept all other UPS products from the same vendor and same product line.

EXHIBIT 1

8.5.42 Awardee must serve all Broward County Schools and administrative locations. . Installation services must include mounting and device provisioning. Device provisioning is to include deploying school board-provided device configuration, application of software / firmware updates, and the addition of the device to management system. Installers must possess basic network knowledge of TCP/IP v4 to locate the next available IP address within the IP subnet range provided by SBBC.

8.5.43 The UPS system manufacturer must be certified to ISO 9001:2000

8.5.44 UPS devices must be compliant with the following standards - the Restriction of Hazardous Substances Directive (RoHS), UL 1778, c-UL-us Listed, FCC Part 15, Class B, Procedure 1A Certification.

8.5.45 UPS device must be line-interactive or double conversion system type.

8.5.46 UPS device must have operating temperature ranging from 0C (32F) to 40C (104F).

8.5.47 UPS device Output AC power must possess pure sinewave form in Normal and In Battery modes of operation.

8.5.48 Line Interactive UPS device must possess Automatic Voltage Regulation (AVR)/Boost mode. In this mode, the UPS input is plugged in, but the voltage source is abnormally low (brown-out). The UPS automatically corrects the low voltage and allows the outlets to be on with the normal, expected voltage. The internal batteries are charging in this mode.

8.5.49 UPS device must have Input Power Cord at least 6ft in length with NEMA 5-15, 5-20 or 5-30 connector.

8.5.50 UPS device must have at least six Output Receptacles NEMA5-15R or NEMA5-20R. At least three out of six Output Receptacles must be controllable. In group control is acceptable.

8.5.51 UPS device must have typical transfer time under 10ms and maximum transfer time under 13ms.

8.5.52 UPS device must have ability to tune maximum transfer time to be under 11ms.

8.5.53 Noise generated by the UPS during normal operation must not exceed the following values when measured at 1 meter from the surface of the UPS. In normal mode unit measures 42dB max, and in battery-mode 56dB max.

8.5.54 UPS device must be Energy Star Certified.

8.5.55 UPS device must possess recharge time of not more than 8 hours to recover 90% (measured without external battery cabinet attached).

8.5.56 UPS device Output Voltage Regulation must be ±5% from the selected configuration settings value while UPS is operating on battery.

8.5.57 UPS device Frequency Regulation must be ±3Hz of normal while UPS is operating on battery.

8.5.58 UPS device must be able to withstand an electrostatic discharge compliant to ANSI C62.41 Category A, Level 3 without damage and without affecting the connected load.

8.5.59 UPS device must have surge energy rating at least of 400 joules.

8.5.60 Awardee must warrant the UPS against defects in materials and workmanship for a minimum of five (5) years. The warranty shall cover all parts, batteries, and the cost of shipping for a defective UPS during the entire warranty period. Awardee must provide replacement UPS or battery free of charge to SBBC and also must provide shipping label for faulty equipment if it needs to be returned. All warranty services must be free of charge for SBBC. All warranty and warranty-related services must be included in the proposed equipment price.

8.5.61 The UPS device must be capable of supplying power for overloads exceeding 100% and up to 105% of full load rating, continuously. A visual indicator and audible alarm must indicate overload operation. For greater current demands, the UPS must employ a circuit protector and electronic current-limiting protection to prevent damage to components. The UPS device must be self-protected against any magnitude of connected output overload.

EXHIBIT 1

8.5.62 To prevent battery damage due to excessive discharge levels, the UPS control logic must automatically monitor the battery voltage and load level and switches off the output at the predetermined battery shutdown voltage set point.

8.5.63 The UPS device must include an intuitive LCD display capable of communicating the UPS status and operating conditions. Typical UPS performance metrics must be visible on the screen and include, but not limited to, Load, Battery Capacity, Event Notification and Local Alarm. The local Human Machine Interface (HMI) must be capable of basic configuration settings by the user.

8.5.64 The UPS device must have the ability to easily silence "ON Battery" Alarm via HMI.

8.5.65 The UPS device must have the ability to accept external battery cabinets for long runtime applications

8.5.66 The UPS device must have at least 0.8 output power factor value.

8.5.67 The UPS device must support SNMPv3, SSH and SSL communications protocols.

8.5.68 The UPS device must have the ability to utilize RADIUS method of login authentication

8.5.69 The UPS device must have the ability to provide, via SNMP, query information about UPS serial number, current device status, load conditions, estimated run time on battery, current battery condition and power line quality.

8.5.70 The UPS device must have the ability to set (write) SNMP objects to initiate unit self-test and set input sensitivity levels.

8.5.71 The UPS device must have the ability to send SNMP traps for different events.

8.5.72 The UPS device must have the ability to perform automatic self-tests based on a user defined schedule.

8.5.73 The UPS device must have the ability to initiate a self-test via remote command or via HMI.

8.5.74 The UPS device must have operational mode in which the device will automatically enable output power after Input power will be restored.

8.5.75 The UPS device must have the ability to do network card firmware upgrade without dropping UPS load during upgrade process.

8.5.76 The UPS device must have the ability to reboot network card without dropping load on UPS.

8.5.77 The UPS device must have the ability to sync time with NTP for network management card. All log timestamps must be in sync with time server.

8.5.78 The UPS device must have an automatic bypass feature to bypass the battery if the UPS detects a critical issue with the battery.

8.5.79 The UPS device must have the ability to mount in the rack or be installed as a tower without purchasing additional mounting hardware.

8.5.79.1 If mounting of UPS within rack cabinets needs a special bracket due to size and distance between rails, any additional UPS mounting hardware must be free of charge to SBBC.

8.5.80 UPS device must utilize relatively easy battery replacement procedure which can be done by SBBC Physical Plant Operations (PPO) personnel without going through additional vendor certification.

NETWORK SECURITY AUTOMATION, ORCHESTRATION (SEC ORCH – E-RATE INELIGIBLE) MINIMUM REQUIREMENTS

General and K12 Specific Design Criteria SEC ORCH design must consider the following K-12 environment specifics which exist in SBBC. SEC ORCH must be sized to support such peaks without noticeable delays on the user side.

A. At the conclusion of the school day, up to 85 percent of all devices are disconnected from the network and simultaneously reconnected to the network the next day, creating a noticeable peak activity time at the beginning of the day for protocols responsible for device attachment to the network.

EXHIBIT 1

B. The solution must support an environment where thousands of devices simultaneously wake up from sleep mode and cause noticeable peak activity for protocols responsible for device attachment to the network.

C. The five (5) year projection is 660,000 devices. Due to known peaks 80% from the total amount of devices must be used as the maximum supported concurrent session's number in a proposed SEC ORCH. Within the next 3-5 years, 528,000 devices must be used as the maximum supported concurrent session number in a SEC ORCH solution.

D. SBBC's three (3) year projection for unmanaged District-owned devices, which may not support 802.1x and require advanced mechanism of device identification is 115,000 devices. The five (5) year projection is 140,000.

E. SEC ORCH may be either hardware appliances or virtual deployment running on VMware ESXi 6.5+. Proposers offering virtual deployment must not include compute resources cost in the price, but must include compute resources requirement information needed to run the solution. **Note:** SEC ORCH can be cloud-based.

NETWORK SECURITY AUTOMATION, ORCHESTRATION (SEC ORCH) General Requirements

8.5.81 SEC ORCH equipment manufacturer must be the same manufacturer as the equipment proposed for Wired or Wireless Networking Equipment.

8.5.82 The SEC ORCH equipment manufacturer must be recognized by Gartner as a Leader in the Wired and Wireless LAN Access Infrastructure category for either 2018, 2019 or 2020 year reports which must be available to validate at time of release of RFP, and provide documentation of this designation to SBBC.

8.5.83 SEC ORCH must be designed not to experience over 30 seconds service interruption if a single server or component fails or stops functioning. Service or role recovery must occur automatically during component failure.

8.5.84 SEC ORCH must be designed not to lose more than 20% in required sizing variables if a single server or component fails or stops functioning. For example - if the maximum concurrent sessions number supported by the proposed SEC ORCH is 530,000, then during a single component failure, the solution must still support 424,000 concurrent sessions.

8.5.85 All new network switches and wireless access points must be able to be fully pre-configured before deployment in SEC ORCH. During physical deployment, the device which is configured for the DHCP IP address must pull individual specific configuration from SEC ORCH over the network and become fully functional without the installation team performing additional configuration steps.

8.5.86 All new network switches and all new wireless access points must support a self-provisioning deployment (a minimum configuration is placed on the switch, which allows the switch to contact SEC ORCH for the remaining configuration). Devices are to be pre-configured in SEC ORCH before deployment and automatically pull configuration from the central management solution during the first connection to the SBBC network.

8.5.87 SEC ORCH must support PEAP EAP-MSCHAPv2, EAP-TLS, PAP EAP-GTC, EAP-TTLS and EAP-GTC methods.

8.5.88 SEC ORCH must support the mechanism to dynamically update an active client session with a new user policy that is sent in RADIUS packets (such as Change-of-Authorization attribute).

8.5.89 In order to dynamically place some District-owned devices, which are not supporting 802.1x on needed network segment, SEC ORCH must have a traffic pattern learning mechanism that is based on the flow collection method, and the ability to make decisions based on identified traffic patterns.
For example, some Interactive Monitors used in education have an Android-based OS, but must be separated from regular Android-based smartphones, based on traffic from them to specific centralized cloud-based management system. The proposed SEC ORCH must be able to accomplish such a task, and place devices correctly on the proper network segments. SEC ORCH can utilize either an existing SBBC flow solution or have a flow collector as part of SEC ORCH. SBBC's three (3) year projection for total flows per second is 100,000. The five-year projection is 150,000 flows per second. This is critical for SBBC, as part of the compliance with this requirement, SBBC requires the Awardee to provide technical materials which show the technical details on how the recommended solution, SEC ORCH, will perform this task. Not providing said information may lead the technical committee to not have a clear understanding, which will result in a zero score.

EXHIBIT 1

8.5.90 Wireless guest solution must support true SMS messaging, which works without asking carrier information from guests.

8.5.91 SEC ORCH must be able to send a copy of Radius Accounting Information, which is received from existing and new switches and Access Points to an SBBC-owned security solution (FortiAuthenticator).

SEC ORCH Sizing Design Requirements: The Network Security Automation & Orchestration Solution sizing must be done based on the following metrics:

8.5.92 SEC ORCH must support up to 530,000 concurrent devices/sessions.

8.5.93 The solution design must have room for growth to later support up to 660,000 concurrent devices/sessions, by adding additional appliances or virtual hardware.

8.5.94 SEC ORCH must support up to 140,000 devices which do not support 802.1x, and will require an advanced method of identification.

8.5.95 The SEC ORCH component, which performs identification based on flows tracking information, must support up to 150,000 flows per second.

8.5.96 The solution must be able to centrally manage all existing and new Access Points and switches, while scaling to support up to 120% from the currently proposed amount of access points and switches by adding additional appliance or virtual hardware.

8.5.97 The solution must support automatic provisioning deployment for new Access Points with bulk information input for up to 200 new Access Points at a time.

Requirements for RADIUS Component of SEC ORCH

8.5.98 RADIUS Component of the solution must support up to the following amount of authentications per second for the different methods listed below:

a) Up to 3000 PAP EAP-GTC Active Directory authentications per second.
b) Up to 3000 PEAP Active Directory authentications per second.
c) Up to 2500 PEAP EAP-MSCHAPv2 Active Directory authentications per second.
d) Up to 3000 AP-TTLS EAP-GTC Active Directory authentications per second.
e) Up to 2500 EAP-TLS Active Directory authentications per second.

SEC ORCH Ability to Manage and Control Access on SBBC's Existing Network Switches

The proposed SEC ORCH must be able to perform the following functions with existing SBBC-owned HP Aruba 5400R switches with v3 modules.

8.5.99 SEC ORCH must be able to manage existing HP Aruba 5400R switches with v3 modules, so the SBBC team is able to deploy the same network access policies across the entire switching environment.

8.5.100 For 802.1x clients, SEC ORCH must be able to control the switch to the point of placing clients on a specific pre-configured VLAN, and change placement based on additional information collected by SEC ORCH later.

8.5.101 Based on an 802.1x client request and additional information, an HP Aruba 5400R switch with v3 modules can provide SEC ORCH, which must order switch which a preconfigured local user role client must be assigned. SBBC requires that user roles are centrally managed and downloadable from SEC ORCH, eliminating the need to preconfigure user roles at the switch level.

8.5.102 The proposed SEC ORCH must be able to perform the same functions as existing SBBC-owned Aerohive/Extreme Access Points models.

8.5.103 Based on 802.1x client request and by utilizing Radius Vendor Specific Attributes, SEC ORCH must order the Access Point to configure a wireless client based on a locally-configured user group.

EXHIBIT 1

SECTION 9 – Q&A

As stated in the opening letter for this RFP, SBBC is including some of the vendor questions and SBBC answers from the previous bid (FY21-180) below. SBBC answers below are binding and Section 9 supersedes all other sections within this RFP in the event of a conflict.

- **QUESTION #1:** The next generation of the 5400 series, is the CX 6400 line. Aruba Networks highly suggests customers consider the CX 6400 series instead of the 5400 series. Due to the more modern and robust feature set would the district like to see pricing on the new CX6400 series?

  ANSWER TO QUESTION #1: The District prefers chassis-based, therefore either of the two listed above are technically acceptable.

- **QUESTION #2:** Based on the longevity of the contract, (5 1/2 years, plus the option of 2 ½ years of extensions), will price increases for labor and/or materials be allowed per year?

  ANSWER TO QUESTION #2: No. Please see RFP Section 3.4 for price adjustments and 3.3 for the correct contract term.

- **QUESTION #3:** On the Request for Proposal sheet, you state to include a PDF version of the proposal on a flash drive. Do you want the pricing spreadsheets in Excel format and PDF, or just PDF?

  ANSWER TO QUESTION #3: Include both in Excel (on flash drive) and a printed copy with your proposal.

- **QUESTION #4:** UPS section – Limited Lifetime that is for the UPS and NOT the battery, Correct? Battery is a consumable in UPS's

  ANSWER TO QUESTION #4: See RFP Section 8.5.60, which addresses the UPS battery.

- **QUESTION #5:** All maintenance for all Software and Hardware is 5 years. Correct?

  ANSWER TO QUESTION #5: Yes, the Wireless and/or Network Security Automation, Orchestration (Sec Orch) specify 5 years.

- **QUESTION #6:** What manufacture of UPS do you currently use?

  ANSWER TO QUESTION #6: APC or Liebert

- **QUESTION #7:** Approximately what percentage of UPS units are installed in 2 post vs 4 post racks.

  ANSWER TO QUESTION #7: The vast majority are 2 post with an extremely low amount of 4 post.

- **QUESTION #8:** What is BGP function in the network? Edge MPLS and internet only? Internal route propagation?

  ANSWER TO QUESTION #8: Border Gateway Protocol (BGP) is to propagate reachability information through the entire network – both external and internal.

- **QUESTION #9:** In some of the switch requirements in both the spreadsheet and the RFP, there are requirements for an *"Extra Management Module."* Since the second module is non-active (passive / stand-by) it is not e-ratable (i.e. cell B81 in **Type 1** tab) will SBBC be issuing a new XLS spreadsheet removing the extra module requirement from all of the configurations? We noticed the part is already included on the "Current Part List?"

  ANSWER TO QUESTION #9: SBBC will accept chassis-based switches or switch stacks without redundancy in management function "only if" switches proposed for closets with over 80 POE port requirements will have ability to add redundant management module. Price for additional management module is listed on "erate-Ineligible" tab in XLS spreadsheet.

- **QUESTION #10:** Regarding Section 8.3.2 TECHNOLOGY OBSOLESCENCE: Does SBBC expect the Awardee to physically replace any equipment that has been discontinued for sale but is still supported with hardware and software updates or does SBBC mean that the awardee must make available the replacement product as stated in section 8.3.5 for future purchases?

  ANSWER TO QUESTION #10: See revised RFP Section 8.3.2 and further explanation as follows: SBBC expects that network equipment manufacturer will release End of Life (EOL) Announcement at least 6 months prior to End of Sale (EOS) date and at least 5 ½ years from End of Life / End of Support

EXHIBIT 1

(EOL/EOST) date. SBBC expects that after EOL Announcement date all new SBBC orders for network equipment will not contain equipment listed in EOL Announcement and instead only contain alternative equipment which is similar or better in technical specifications, meet minimum requirements listed in this RFP which are applicable to a specific equipment and closet, have over 6 months prior to EOS date and at least 5 ½ years from EOL/EOST date. SBBC understand that sometimes direct line-by-line comparison is not possible between old and new network switches, but expect that such alternative new network switches will be proposed at same or higher discount level as network switches which are subject for replacement, so it will not cost SBBC more per closet than prices listed in this RFP for the same network closet type. SBBC expects that alternative new wireless access point will be proposed at the same or higher discount level as wireless access point which are subject for replacement, so it will not cost SBBC more per access point. If EOL Announcement occurs after network equipment was quoted, but before it was installed at SBBC site, such network equipment must be replaced before installation date to network equipment which is similar or higher in technical specifications, meet minimum requirements listed in this RFP which are applicable to a specific equipment and closet, and have over 6 months prior to EOS date and at least 5 ½ years from EOL/EOST date. Within the entire contract period, Awardee shall not quote or supply EOL/EOST within the 5 ½ years or EOS within 6 months of installation date at SBBC. In the event of the supplied network equipment being declared as EOL/EOST within the 5 ½ year or EOS within 6 months of installed date at SBBC by the Awardee, during the entire contract period, the Awardee must immediately replace such network equipment with network equipment which is similar or higher in technical specifications, meet minimum requirements listed in this RFP which are applicable to a specific equipment and closet, and have over 6 months prior to EOS date and at least 5 ½ years from EOL/EOST date.

- **QUESTION #11:** For the tab "Current Part List" is it for informational purposes only?

  ANSWER TO QUESTION #11: Yes

- **QUESTION #12a:** Do we have to satisfy all components on the 'current part list' to be compliant? (For example: the 300' patch cable is not a common part and is typically a drop cable.)

  ANSWER TO QUESTION #12a: Current part list is for "Informational Purposes Only", and it is beneficial for the Proposer to let SBBC know that they are able to fulfill all the parts on this list.

- **QUESTION #12b:** Can we use the Item Description field to describe different part numbers/description relevant to the solutions we are providing?

  ANSWER TO QUESTION #12b: Yes. That is its purpose.

- **QUESTION #13:** If it's found that the solution quoted in the response will not work as designed, will you hold the responding vendor financially responsible for all costs to make the responded solution work?

  ANSWER TO QUESTION #13: Yes. SBBC expects that Proposers are technical experts in solutions being offered. ALL minimum requirements listed in this RFP must be met by proposed solution and Awardee will be held financially responsible to modify and expand solution with technical elements and/or products needed to meet minimum requirements of this RFP and such modification and expansion must come at a zero $0.00 cost to SBBC.

- **QUESTION #14:** Will the awardee be responsible for managing pre-existing Aruba equipment, or will all equipment be replaced as part of this award?

  ANSWER TO QUESTION #14: SBBC manages all Network Switches and Wireless APs with in-house staff. The Awardee will be responsible for replacing any parts or network / wireless equipment that is still under Manufacturer Warranty (and within five years of installation). SBBC intends to maintain the existing infrastructure and will replace equipment as needed through attrition, based on the needs of SBBC.

- **QUESTION #15:** Is the "unit price installed" cell on each tab supposed to include installation services only?

  ANSWER TO QUESTION #15: "Unit price installed" cell does not include just installation services. This cell represents combined total price in single quantity equivalent for a particular piece of equipment or equipment bundle which includes cost of equipment itself together with installation services, mounting hardware, licenses, support subscriptions and other maintenance services, as well as anything else which is needed for this equipment to be functioning in SBBC environment for the duration of 5 years since installation date at the level listed in minimum requirements listed in this RFP. For the period of 5 years from date of installation date, SBBC will not spend any additional money on top of that listed in this cell to maintain and support this equipment.

- **QUESTION #16:** Is "unit price installed" full deployment services by the awardee, or just the physical racking and stacking of the equipment?

  ANSWER TO QUESTION #16: SBBC expects equipment to be installed and working on the SBBC Network. Installation services must include physical deployment and all needed configuration services on equipment itself, central management platform and SBBC network monitoring systems. At the end of deployment, equipment must be fully functioning, managed, and monitored in according to SBBC network management standards for newly deployed network equipment.

EXHIBIT 1

- **QUESTION #17:** Is the awardee responsible for adds, moves, and changes for the wireless, NMS, and switching for the duration of the contract?

  ANSWER TO QUESTION #17: Requirements are detailed within Section 8 – Scope of Work (closely review RFP Section 8.3). The remainder of the question is not specific enough to provide a response to.

- **QUESTION #18:** Is the awardee responsible for code upgrades for the duration of the contract?

  ANSWER TO QUESTION #18: No, but SBBC expects Awardee to work with manufacturer and SBBC to make recommendations based on security updates and critical firmware updates for SBBC In-house technology staff to perform tasks.

- **QUESTION #19:** Break / fix will be done by the OEM, but is it the awardee's responsibility to coordinate break/fix with OEM?

  ANSWER TO QUESTION #19: See RFP Section 8.3 - GROUP 1 & 2 REQUIREMENTS of the RFP

- **QUESTION #20a:** Is it SBBC's expectation that the awarded vendor will provide 1st line of support for the duration of the contract (5 ½ years), and coordinate all support tickets and repairs on NMS, wireless, and switching equipment for SBBC? If the answer is yes, this sounds like a managed service contract. If SBBC is not calling it managed services, what would SBBC say the difference is between what is expected of the vendor and a managed services contract?
  ANSWER TO QUESTION #20a: Awardee will not coordinate all support tickets on NMS, wireless, and switching equipment for SBBC or provide 1st line of support for equipment troubleshooting. Awardee is responsible for all procedures related to equipment repair and replacement after equipment which was in place less than 5 years since installation date was identified as failed by SBBC network team which will base troubleshooting process on equipment manufacturer best practices for troubleshooting. Please read 8.3-GROUP 1 & 2 REQUIREMENTS for additional information. SBBC network team will always do their best to minimize amount of false/positive situation when Awardee will be involved for equipment repair and replacement process.

- **QUESTION #20b:** To expand on that previous question, is the awarded vendor only used to install? And then once installed, SBBC will utilize the manufacturer for opening cases and repairs/replacements? For example, Cisco has what is called TAC support, which SBBC would have complete access to for repairs and replacements if Cisco was their OEM provider. For example, if there is an issue with a part, SBBC would be provided with online or phone support via TAC, to diagnose issues and determine a fix or replacement. We just want to make sure that as a responder/partner our services pricing that we add to the " unit cost installed" cell don't overlap with manufacturer standard support services, and effect the pricing. (the reason for these questions is the variance of install pricing from the lowest bidder and all other bidders in Round 1 of this RFP)
  ANSWER TO QUESTION #20b: Please read 8.3-GROUP 1 & 2 REQUIREMENTS and answer to above question. SBBC has an in-house centralized IT NOC staff who remotely monitors and supports the wireless and LAN network, but Awardee ill handle repair and replacement of faulty equipment.

- **QUESTION #21:** In Section 8.5.4 Repairs, you state that the "awardee" after being notified, must have repairs started within 4 hours? Can this be performed by the winning OEM, not the awardee?
  ANSWER TO QUESTION #21: SBBC cannot dictate to the Awardee how to organize their support model. SBBC will contact the Awardee for repairs as stated in the RFP.

- **QUESTION #22:** Can the local repair station and local service facility be the OEM's?

  ANSWER TO QUESTION #22: See answer to question above.

- **QUESTION #23:** If responder is an SBBC certified vendor and we are filling in #00470, do we just state on the sheet 100% self-performing? Is that the only thing we need to do to fulfill the requirements and receive the full points available?

  ANSWER TO QUESTION #23: SBBC Certified MWBE Vendor/Proposers responding to this RFP must submit the Document 00470 and Document 00475 listing the Percentage and scope of work to be performed. Also, A Copy of the SBBC MWBE Certificate or SBBC Letter of M/WBE Certification must be included. Please refer to page 11 of RFP document that states that "M/WBE Proposer who are self-performing must identify themselves by completing Form 00470 and 00475. SBBC MWBE Certificate or SBBC Letter of M/WBE Certification must be included. The Statement of Intent submitted with the proposal reflects the intent to self-perform. Additionally, it will detail the scope of work and dollar. Forms 00470 and 00475 must be submitted with the bid/proposal".

- **QUESTION #24:** On the Sec-Orch tab, what term support and subscription is required for the "unit price without installation" (**cell G 10**), which correlates directly to a responders total price? Is it supposed to be a 1 year price? Or a 5 year price? SBBC asks "for informational purposes" the annual maintenance and subscription

EXHIBIT 8

cost allocation for years 2, 3, 4 & 5 in the box right next to it, so it is confusing as to if cell **G10** should be filled in with a 1 year price or if it should be more. Exactly what term support and subscription should be filled in for **cell G10** on Sec-Orch tab so all responders are apples to apples?

ANSWER TO QUESTION #24: The term of support and subscription is the same with or without installation. SBBC wants to see the difference of price between installed and not installed. Both prices must include 5yr price with License, maintenance/support or subscription included. Cell "I9" is for SBBC to know the fractional price allocation for SBBC, on how much you are charging for years 2,3,4,5 for annual maintenance and support after 1 year for information purposes only.

- **QUESTION #25a:** SBBC specifies that all maintenance for SW and HW is for 5 years for Wireless and Sec Orch, but what about the switching? Does the 5 years also apply to the switching components?

  ANSWER TO QUESTION #25a: Yes

- **QUESTION #25b:** If so, does it also apply to services/support or licensing or both?

  ANSWER TO QUESTION #25b: Both

- **QUESTION #26:** On the Wireless tab **Cell J 14** Annual Maintenance and Subscription Price for Each Additional Year (Beyond initial term) What is the initial term length?

  ANSWER TO QUESTION #26: Prices must include 5-year License, maintenance/support or subscription. Cell "J14" is for SBBC to know the fractional price allocation for SBBC, on how much you are charging for years 2,3,4,5 for annual maintenance and support after 1 year for information purposes only.

- **QUESTION #27:** Will there be a negative scoring impact if non chassis-based is proposed?

  ANSWER TO QUESTION #27: Today, SBBC uses chassis-based and has had a good experience; and will score the solution based on many factors and not specifically on any specific one.

- **QUESTION #28:** The minimum discount tab (OTHER tab) added to the pricing workbook is very general and will be difficult to answer. Every product has different discount levels, and so does services. For example, a services discount average may by 10%, where a product discount is 65%. What would SBBC like to see in this cell, as we can only input one number? Or can a separate row be created for a services discount and then a separate row for HW discount, and a separate row for SW/Subscription discount?

  ANSWER TO QUESTION #28: The minimum discount in the example above is 10%. This item is for information purposes only and sets a base level.

- **QUESTION #29:** What is Flow Collection software on the Sec Orch tab?

  ANSWER TO QUESTION #29: As listed in RFP Sections 8.5.9 (a) and 8.5.89 The Network Security Automation, Orchestration solution must have the ability to make decisions based on identified traffic patterns. Flow Collection is a feature related to the solutions ability to collect and analyze traffic flow information. Today, SBBC has a Flow Collector solution in place, but SBBC welcomes responders to provide their own Flow Collector solution if needed as part of Network Security Automation, Orchestration solution or separately on Cell B12 on tab "Sec Orch" which can be used to separate the solution in case the Proposer wants to list it separately instead of including this feature in the bundle. Proposer must open bundle components in area below row 19. In any case this feature must be provided. As mentioned in the area title (row 7) all line items are presenting are a "Sample Design" only, so Proposers don't have to follow them in their design / recommendation and may utilize alternative items columns or specify zero price for this particular line item and specify in the "Notes" column that this line is not in use because feature provided as part of the bundle listed in other line. This component is very important for SBBC, and SBBC looks forward to responder to provide technical materials which describe technical details how suggested Network Security Automation, Orchestration solution will do this.

- **QUESTION #30:** Regarding Section 8.5.2 WARRANTIES…No separate extended warranty or special arrangement…: Some products do not come with the specified warranty by default though the manufacturer provides a commercially available warranty extension. Will this Manufacturer's extended warranty be accepted so long as it is part of their generally available warranty options and not a special offer?

  ANSWER TO QUESTION #30: It must be a Standard Manufacturer Warranty that is not a separate line item or have a separate cost.

- **QUESTION #31:** Regarding Section 8.5.3 CERTIFICATION(S): As written this would require the Awardee to support warranty work including RMA and truck roll for all aspects of the SBBC network including those items not covered under this proposed agreement. Please refine the scope of work intended to be covered under this requirement.

EXHIBIT 1

ANSWER TO QUESTION #31: Awardee is responsible for rolling the trucks 5 years from installation date, no matter in what year of the contract. Awardee is also responsible for currently installed network equipment which is under the 5 years of installation date. Awardee will not coordinate all support tickets on NMS, wireless, and switching equipment for SBBC or provide 1st line of support for equipment troubleshooting. Awardee will only be responsible for all procedures related to equipment repair and replacement after equipment which was in place less than 5 years since installation date was identified as failed by SBBC network team which will base troubleshooting process on equipment manufacturer best practices for troubleshooting. Please read 8.3 - GROUP 1 & 2 REQUIREMENTS for additional information. SBBC network team will always do their best to minimize amount of false/positive situation when Awardee will be involved for equipment repair and replacement process.

- **QUESTION #32a:** Regarding Section 8.5.60 UPS WARRANTY: This section requires that the awardee include battery replacements as a warranty item. While some UPS manufacturers classify their batteries in this way, others do not. Does this statement preclude proposing current SBBC UPS vendors if they do not warrant batteries for 5 years?

  ANSWER TO QUESTION #32a: SBBC will accept UPS BATTERIES for UPS devices listed on spreadsheet tabs Type1 to Type 20 to come with a standard manufacturer limited warranty of 3 years at ZERO cost. Additional 2 year can be added in the separate line items in the area below row 19 on "Sec Orch - Erate Ineligible" tab in the spreadsheet.

- **QUESTION #32b:** Regarding Section 8.5.60 UPS WARRANTY: Are replacement batteries considered an eligible Erate item?

  ANSWER TO QUESTION #32b: Replacement batteries service (outside of standard manufacturer warranty) is considered as Erate ineligible.

- **QUESTION #33:** Regarding PDU's: Are PDUs to be mounted horizontal or vertical?

  ANSWER TO QUESTION #33: Horizontally

- **QUESTION #34:** Regarding PDU's: Which type of PDU is preferred? Basic, Metered or Switched PDU?

  ANSWER TO QUESTION #34: SBBC requires rack mountable Metered or Switched PDUs. Power strips cannot be considered as substitute to PDU.

- **QUESTION #35:** Installation may require a complete shutdown of the UPS and connected load. Is an after-hours installation preferred or can a shutdown occur during normal business hours 7:30-3:30 Monday through Friday?

  ANSWER TO QUESTION #35: After hours or with permission from the school or Site Administration at an agreed time.

- **QUESTION #36:** Is there any existing, depleted equipment the installing technicians should remove and dispose of as part of the UPS installation service? If so, please provide details (model number, serial number, equipment type, weight, battery info.)

  ANSWER TO QUESTION #36: Awardee must remove old equipment as new becomes available to replace. Awardee will work with site regarding storage location of old equipment and comply with SBBC standard installation/removing procedures, including completion of SBBC paperwork. No disposal services are required, as there is a separate disposal service that SBBC has a contract with.

- **QUESTION #37:** Please provide details regarding school board-provided device configuration listed in 8.5.42. Is there equipment, other than the UPS units, the installing technicians will be responsible for migrating?

  ANSWER TO QUESTION #37: 8.5.42 pertains to basic configuration of the UPS provided by SBBC network team. If new UPS deployment is performed as a replacement task, Awardee will ensure all equipment connected to the old UPS must be migrated to new UPS during installation process. Also, part of UPS installation is to connect UPS to SBBC network and add new UPS in SBBC central management platform (if such exists for the UPS model) and network monitoring systems.

- **QUESTION #38:** Regarding Monitoring & Dispatch: Would The School Board of Broward County like to have included, as part of the bid, a service beyond the scope of a standard factory or extended warranty which would provide faster response to UPS / battery alerts, streamline communication so that it is direct with the UPS manufacturer, cover parts and labor for five years total, offer analytics to lead to predictive maintenance rather than reactive alert response? If yes, where do we submit?

  ANSWER TO QUESTION #38: Proposer may submit any additional service or items as a separate line item in the area below row 19 on "Sec Orch - Erate Ineligible" tab, in the spreadsheet.

EXHIBIT 1

- **QUESTION #39:** Are proposers allowed to submit 2 different proposals?

  ANSWER TO QUESTION #39: Proposers may submit as many different proposals as they want. Just submit the proposals separately and clearly identified to avoid confusion.

- **QUESTION #40:** Would the district be open to network topology modifications within each closet type to maximize value, resiliency, and performance?

  ANSWER TO QUESTION #40: SBBC will accept equivalent bids and Proposers should use the "alternative equipment" spaces in the tab to propose. All solutions must meet same minimum requirements listed in this RFP.

- **QUESTION #41:** Regarding 4.2.4 FOR ALL GROUPS: Does this apply to only for those responding with equivalent?

  ANSWER TO QUESTION #41: All Proposers must provide a minimum of three (3) customer references.

- **QUESTION #42a:** Regarding 7.23 – "actively marketed product" – please expand. Can respondent propose product that currently is not announced?

  ANSWER TO QUESTION #42a: No

- **QUESTION #42b:** Or not available?

  ANSWER TO QUESTION #42b: No

- **QUESTION #42c:** Must the product be commercially available at the time of bid submittal?

  ANSWER TO QUESTION #42c: Yes

- **QUESTION #43:** Will the District accept Electronic Signatures for forms and notarization -?

  ANSWER TO QUESTION #43: Yes

- **QUESTION #44:** Regarding 8.3.5 – how does this differ from 8.3.2?

  ANSWER TO QUESTION #44: 8.3.5 DISCONTINUATION AND SUBSTITUTION FOR RFP ITEMS, 8.3.2 TECHNOLOGY OBSOLESCENCE is a more robust explanation of 8.3.5. See answer to question #10 above for additional information.

- **QUESTION #45:** Regarding 8.5.35 – Is the intent of the user experience sensor to provide analytics of users currently connected to WLAN such as how long DNS resolutions took, how long DHCP took, etc? Or is the intent to provide an out of band sensor that has the capability to connect to the WLAN network and provide real time feedback of what a client would be experiencing by authenticating to the network and accessing network services?

  ANSWER TO QUESTION #45: SBBC wants to provide analytics of users currently connected to WLAN

- **QUESTION #46:** Regarding 8.5.67 The UPS device must support SNMPv3, SSH and SSL communications protocols. Since this contract does not go into effect January 2021, will the District accept the feature being available Jan/2021 and only in testing phase now?

  ANSWER TO QUESTION #46: Requirements must be available now, when the RFP was released.

- **QUESTION #47:** Regarding 8.5.68 The UPS device must have the ability to utilize RADIUS method of login authentication. Since this contract does not go into effect January 2021, will the District accept the feature being available Jan/2021 and only in testing phase now?

  ANSWER TO QUESTION #47: Requirements must be available now, when the RFP was released.

- **QUESTION #48:** It has been a policy of Broward School District Procurement that if the RFP stated, "must have" or "must do" (etc.) and it was not provided, it would be grounds for disqualification. Is this still the case? Or has the District relaxed that definition?

EXHIBIT 1

ANSWER TO QUESTION #48: Please see section 4.2, which specifies the grounds which cause Procurement to disqualify a proposal. No, the District has not relaxed on any. For Example, item 4.2.10 states: At the time of bid opening, Proposer must have a valid and current Florida State Specialty Contractor (low-voltage) license.. So, Proposers who do not have this license will be disqualified (for Group 1).

- **QUESTION #49:** Is there a matrix for scoring for "Experience and Qualification" and for "Scope of Work"? or is this purely subjective award of points by the evaluator?

  ANSWER TO QUESTION #49: A rubric may be supplied to the evaluators, but the only scoring requirement that evaluators must adhere to is the maximum point possible, as defined within the RFP.

- **QUESTION #50:** Are the evaluators responsible for ensuring the bids meet the technical requirements?

  ANSWER TO QUESTION #50: Yes, as stated in RFP Section 5.2, step 3.

- **QUESTION #51:** UPS section – Limited Lifetime that is for the UPS and NOT the battery-Correct? Battery is a consumable in UPS

  ANSWER TO QUESTION #51: See RFP Section 8.5.60 which addresses the UPS battery.

- **QUESTION #52:** Will SBC accept extended warranty to support the 5 yr Limited HW Warranty on UPS Batteries?

  ANSWER TO QUESTION #52: Yes, Proposer must validate the standard manufacturer warranty is 3 years and utilize the E-rate Ineligible section of the Excel spreadsheet.

- **QUESTION #53:** What manufacturer of UPS units were the specs based off of?

  ANSWER TO QUESTION #53: They are general UPS requirements from SBBC, not specific to any manufacturer.

- **QUESTION #54:** The UPS specs do not look like Liebert, please confirm.

  ANSWER TO QUESTION #54: Provider UPS specification requirements are based not on a specific manufacturer specification, but on common parameters for all UPS industry leaders. Values for technical parameters selected based on consideration that network equipment expands and is sensitive electronic equipment which requires appropriate power protection levels. Many UPS industry leaders have products which will meet the specification requirements.

- **QUESTION #55:** Does SBBC plan to procure Network Security Automation, Orchestration solution (Sec Orch Tab) in single purchase in a way it is listed in cell B10 based on Bill of Material listed below row 19? Or does SBBC planning to procure some separate components of Network Security Automation, Orchestration solution before other components?

  ANSWER TO QUESTION #55: SBBC is planning to procure Network Security Automation, Orchestration solution in different phase depending on the financial position of SBBC and if the components in the sections can be deployed to function in a phased approach, independently from each other. The first phase will include components of Network Security Automation, Orchestration solution which are required for deployment of the (with and without auto provisioning), management and maintenance for wired and wireless network equipment. Second phase will include remaining components of Network Security Automation, Orchestration solution which are required to build a solution based on minimum requirements listed in this RFP.

- **QUESTION #56:** In the XLS spreadsheet Sec-Orch tab on cell "B11" listed "One (1) Full Time Staff Augmentation Resource". Can you clarify in which tab we should list price for this item because installation terminology does not apply on this item?

  ANSWER TO QUESTION #56: Since installation does not apply on this item please list same price in both columns G and H.

- **QUESTION #57:** Please provide clarity on how important it is to add detailed Bill of Material in sections of XLS tabs dedicated for detailed information on bundle components. For ex. on the spreadsheet tab Sec-Orch area below row 19.

  ANSWER TO QUESTION 57: Since many of the items listed in the price section are bundles, it is important for responders to list bundle components in these sections. This will give SBBC evaluation team a good understanding to properly evaluate the suggested solution. The Committee will review and discuss all technical components of provided solution and score solutions based on understanding how suggested solution meets SBBC technical needs, in-house expertise and ability to effectively support the SBBC network environment. The Committee will prioritize responses which

EXHIBIT 1

provide detailed technical language in a clear manner, explaining all technical aspects of the suggested solution. The Proposer missing any technical information on the solution components, will lead the Committee to not be able to clearly understand the technical solution.

- **QUESTION #58:** On the tab "Sec Orch – Erate Ineligible" below row 19; according to the section title, is intended for the bundle components list. Also, this section lists other items such as: Wireless User Experience device – can you provide a clarity on this area and which items need to be listed in this area?

  ANSWER TO QUESTION #58: Since many of the items listed in the price section are bundles, it is important for Proposers to list bundle components in this section. This information will give the SBBC evaluation Committee information to help understand and evaluate suggested solution. Information in this section is also for "informational purposes only". Spreadsheet Tab "Sec Orch – Erate Ineligible" is intended for information on Network Security Automation, Orchestration Solution and also for information on all other Erate Ineligible items such as redundant power supplies, redundant management modules, etc … SBBC didn't create separate area on this tab for other erate ineligible items.

- **QUESTION #59:** On spreadsheet tabs Type 1 to Type 20, UPS devices listed with specific parameters for load, such as "1080-Watt 80% load". Are such parameters mandatory or provided as part of Sample Design?

  ANSWER TO QUESTION #59: The item descriptions and parameters are part of a "Sample Design – only", and parameters are listed in the minimum section requirements as mandatory to meet. Column notes can be used to provide comments on differences in values, as well as specific models with different descriptions. If UPS model is completely different such as model 2500 VA vs 2200 VA, please use Alternative Equipment fields to specify model and UPS information.

  For example –UPS devices of same model categories may have minor differences in maximum load value, so if equipment that this UPS is intended to support is less than 80% from that value of UPS, it will be an acceptable solution in this example.

- **QUESTION #60:** Will the district supplement the evaluation team's review the technical specifications?

  ANSWER TO QUESTION #60: The District is considering adding a technical consultant to provide a review/analysis of the technical responses, as is done with some other RFPs which have highly technical specifications. The consultant would provide an unbiased, factual review of technical response.

ATTACHMENT D – DEBARMENT

MUST BE COMPLETED BY ALL PROPOSERS

CERTIFICATION OF DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION LOWER TIER TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 45 CFR 1183.35, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211). Copies of the regulations may be obtained by going to this link: **http://www.gpo.gov/fdsys/granule/CFR-2011-title45-vol3/CFR-2011-title45-vol3-sec1183-35**

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON NEXT PAGE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

INSTRUCTIONS FOR CERTIFICATION – SUPPLEMENT FOR ATTACHMENT D

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, must the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

ATTACHMENT G – EXCEL SPREADHSEETS

SPREADSHEET: Proposer **must** fill out the Excel attachments electronically. No handwritten summary sheets will be accepted. Complete the Excel files and submit in .xls type format with your proposal response on the flash drive.

This RFP contains two (2) groups. Each group has an accompanying Excel Spreadsheet available for download via DemandStar or the E-rate Productivity Center (EPC). Each spreadsheet contains multiple tabs. Carefully review each tab to ensure all required content is populated.

Proposers must submit pricing for all items requested. Failure to include a price offer for each and every item included on the pricing sheet will be construed by SBBC to indicate that the Proposer is unable to provide that item (with the exception as those identified as "for information purposes only"). Additionally, the omission of a price offer for any item listed on the pricing sheet will eliminate the possibility of scoring this Section equitably among multiple Proposers. For these two reasons, any proposal that does not contain a price offer for each line item listed, will result in a rejection of the entire proposal by SBBC as being incomplete and non-responsive. Cells marked "For Information Purposes Only" are not used for scoring purposes.

The quantities listed on the Excel pricing sheets are estimated quantities to be ordered throughout the contract period and are not a guarantee. Actual quantities ordered throughout the contract period may be greater or less than the estimates and shall be furnished at the fixed contract price. Purchases shall be requested as needed throughout the contract period and as few as one item each may be ordered at one time.

NOTE: Carefully review each tab to ensure all applicable spaces are completed. **The following is** a list of all tabs along with screenshots.

Pricing shall include both installed and non-installed options as indicated on the Excel pricing file.

FOR GROUP 1 (STRUCTURED CABLING): The following additional provision shall be added to Section 2 of the Agreement resulting from this RFP because the Awardee will need access to site maps:

In order to conduct the scope of work covered by the VENDOR's Agreement, the VENDOR has requested access to various SBBC documents ("SBBC Records") including, without limitation, certain documents that contain information relating to the security systems for property owned or leased by SBBC or that depict the internal layout and structural elements of SBBC-owned or leased buildings. All of VENDOR's records and notes regarding the work performed under the VENDOR's Agreement shall be referred to herein as "VENDOR's Documents."

The VENDOR hereby acknowledges that the SBBC Records and VENDOR's Documents are public records. Pursuant to Section 119.0701, Florida Statutes, VENDOR shall keep and maintain all public records required to perform the services required under this Agreement. The VENDOR acknowledges that VENDOR shall not release any SBBC Records or any VENDOR's Documents to anyone other than SBBC's Superintendent of Schools or to the designee of said Superintendent.

The VENDOR hereby acknowledges that some or all of SBBC Records and of VENDOR's Documents are confidential and exempt from public inspection under state law and VENDOR acknowledges VENDOR's duty and obligation to preserve the confidential and exempt nature of such materials. Specifically, Section 119.071(3)(b)1, Florida Statutes, states in pertinent part as follows: "Building plans, blueprints, schematic drawings, and diagrams... which depict the internal layout and structural elements of a building... or other structure owned or operated by an agency are exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution [the provisions commonly referred to as the public records laws]." In addition, Section 281.301(1), Florida Statutes, states in pertinent part as follows: "Information relating to the security systems for any property owned by or leased to the state or any of its political subdivisions... including all records, information,... schematic diagrams... are confidential and exempt from ss. 119.07(1) and 286.011 and other laws and rules requiring public access or disclosure."

VENDOR shall immediately notify SBBC's custodian of public records of any request received by VENDOR from any third person for the inspection or copying of public records. The VENDOR shall not directly deliver any public records to any third person, but rather shall immediately provide SBBC's custodian of public records with copies of any public records that have been requested by any third party. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the VENDOR's Agreement's term and following completion of the VENDOR's Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the VENDOR's Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR required to perform the services under the VENDOR's Agreement. Upon VENDOR's transfer to SBBC of all public records upon completion of the services required under the Consultant's Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains any public records upon completion of the VENDOR's Agreement with SBBC, VENDOR shall meet all applicable requirements for retaining public records and preserving any applicable confidentiality or exemptions. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, THE VENDOR SHALL CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

The VENDOR agrees to comply with the foregoing requirements governing the custody of and access to public records and to confidential and exempt information under applicable law.

ADDENDUM NO. 1

RFP FY21-188

BID NAME: Structured Cabling & Enterprise Networking (E-rate)

TO ALL PROPOSERS:

Amend the above-referenced RFP in the following particulars only:

Attached are the responses to the questions received.

This Addendum is for informational purposes only and need not be returned with your proposal. By virtue of signing the "Bidder Acknowledgement", Section 1 of RFP FY21-188 Proposer certifies acceptance of this Addendum.

Sincerely,

Harmoni Clealand
Purchasing Agent IV

EXHIBIT 1

- **QUESTION #1:** How does 8.3.19 apply to Group 2? Permits are being pulled by Awarded Vendor in Group #1 for cables and closet electrical. What permits will be required for Group #2?

  ANSWER TO QUESTION #1: No permits have been required or pulled for APs, UPSs or Network equipment in the past five (5) years, but permitting requirements are set by others within the District and subject to change.

- **QUESTION #2:** Can we assume all the Q&A from FY21-180 were addressed in this version? Were all the corrections made? Can we assume the Answers are the same?

  ANSWER TO QUESTION #2: Yes, changes from FY21-180 have been incorporated in FY21-188. Most Q&A from FY21-180 was added to Section 9 of FY21-188. FY21-180 Questions that resulted in a correction to the RFP were omitted from Section 9 to avoid confusion since the update occurred in the RFP.

- **QUESTION #3:** Have there been any changes between network bid fy21-180 and the new one fy21-188?

  ANSWER TO QUESTION #3: FY21-188 includes the changes and updates accomplished by Addendums for FY21-180.

- **QUESTION #4:** Would SBBC consider an alternate solution proposal to include a service provider for managed internal broadband services that includes the operation, management and monitoring of the E-Rate eligible components of the District's LANs and Wireless LANs if it offered a superior value over the existing request for break/fix services enabling the district to Maximize Cat 2 E-Rate?

  ANSWER TO QUESTION #4: No

- **QUESTION #5:** Can SBBC please clarify if there will be negative scoring impact to a responder on the scope of work section if the proposed design does not fully comply or can only comply with "stated deviation"? For example, if we proposed a best practice solution that was different from the minimum requirements listed in the RFP but would save the school district money and still give them the functionality they want/need, would that solution be at risk for receiving a lower score?

  ANSWER TO QUESTION #5: See RFP Section 9, Answer to Question 57.

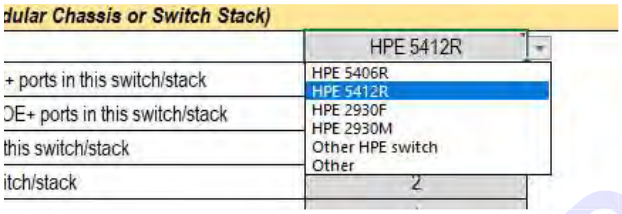
EXHIBIT 1

- **QUESTION #6:** Will points for the bid be deducted if an alternate solution is submitted, based on the specifications?

  ANSWER TO QUESTION #6: See RFP Section 9, Answer to Question 57.

- **QUESTION #7:** Based on the number of modules SBBC is asking for, Shouldn't Type 1 Closet Switch 1 should be a 5412R and that Type 17 Closet Switch 1 should be a 5406R?

  ANSWER TO QUESTION #7: Correct, Type 1 closet should be 5412R rather than a 5406R. Since this is a pull-down menu within the Excel spreadsheet, Proposers can make this change (see screenshot below). Type 17 closet was changed from a 5406R to a 5412R to comply with RFP Section 8.5.16.



- **QUESTION #8:** Will the "Current Parts List" be part of any of the scoring?

  ANSWER TO QUESTION #8: See RFP Section 9, Answer to Question #11.

- **QUESTION #9:** The following part numbers are End of Sale (EoS) in the "current parts list": Does SBBC want refurbished / used product quoted?
  J9550A
  J9537A
  J9536A
  J9534A
  J9535A
  J9538A
  J9731A

  ANSWER TO QUESTION #10: No. See section 7.23 of the RFP.

- **QUESTION #10:** I am writing to see if you have more than one of these out for bid. RFP-FY21-188-0-2021/HC and RFP-FY21-180-0-2021/HC.

  ANSWER TO QUESTION #10: FY21-180 was canceled. After the cancellation of FY21-180, the replacement, FY21-188 was released. FY21-188 is the only active bid currently for Structured Cabling & Enterprise Networking (E-rate).

EXHIBIT 1

- **QUESTION #11:** Is this a new or using the old RFP: FY21-039 Structured Cabling and Netwokring (E-rate)?

  ANSWER TO QUESTION #11: All bids for FY21-039 were rejected. RFP FY21-180 was subsequently issued to replace FY21-039 and then FY21-188 was issued to replace FY21-180.

This concludes Addendum No. 1 for RFP FY21-188 – Structured Cabling & Enterprise Networking (E-rate) – All other Terms and conditions Remain the Same.

AGREEMENT

THIS AGREEMENT is made and entered into as of this 15th day of December, 2020, by and between

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

UNITED DATA TECHNOLOGIES, INC.
(hereinafter referred to as "UDT"),
whose principal place of business is
2900 Monarch Lakes Boulevard, Suite 300, Miramar, Florida 33027.

WHEREAS, SBBC issued a Request for Proposal identified as RFP FY21-188, Structured Cabling & Enterprise Networking (E-rate) ("RFP"), dated October 2, 2020, and amended by Addendum No. 1 dated October 6, 2020, both are incorporated by reference herein, for the purpose of receiving proposals for structured cabling and enterprising networking; and

WHEREAS, UDT submitted a proposal in response to the RFP ("Proposal") and which is incorporated herein by reference whereby UDT offered to provide products and services for Group 2, enterprise networking.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 – RECITALS

1.01 **Recitals.** The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement**. Unless terminated earlier pursuant to Section 3.05 of this Agreement, the term of this Agreement begins on December 29, 2020 and concludes on June 30, 2026. The term of the Agreement may, by mutual agreement between SBBC and UDT, be extended for two (2) additional one-year periods and, if needed, 180 calendar days beyond the expiration date of the renewal period.

2.02 **Description of Goods or Services Provided**. UDT shall provide the goods and services in the scope of work, and abide by all prescribed obligations and responsibilities within the RFP.

2.03 **Cost**. The cost for products and services will be in accordance with the pricing tables attached hereto as Exhibit A and described below and will be ordered utilizing an SBBC Purchase Order.

(a) The hourly rate for assistance after-hours or assistance during an emergency from a Technician for item 8.3.14 of the RFP is Two Hundred Fifty Dollars ($250) per hour per person. The hourly rate for assistance by a Technician during regular business hours is One Hundred Seventy-five Dollars ($175) per hour per person.

(b) At its sole option, SBBC may request that UDT provide Network Security Automation and Orchestration described in Exhibit A and in Sections 8.5.10 and 8.5.11 of the RFP. If so requested, the annual cost for full-time staff augmentation resource(s) for year one (1) to implement the Network Security Automation and Orchestration will be Two Hundred Thousand Dollars ($200,000). The annual cost for full-time staff augmentation resource(s) beyond year one (1) will be One Hundred Sixty-five Thousand Dollars ($165,000).

(c) For any items not listed above or in Exhibit A, the off list minimum discount is 5% per RFP item 8.3.3, although greater discounts may be offered.

2.04 **Payment**. Proper and appropriate invoices will be issued by UDT with net thirty (30) day payment terms. SBBC shall pay UDT after services are performed or goods are delivered and accepted by SBBC.

(a) If Network Security Automation and Orchestration is requested by SBBC, a single purchase order for full-time staff augmentation resource(s) to support the Network Security Automation and Orchestration will be issued for the entire year, but will be paid monthly by SBBC. Invoices for these services will be issued monthly for 1/12 the annual cost specified in Section 2.03(b).

2.05 **Priority of Documents**. In the event of a conflict between documents, the following priority of documents shall govern.

First:	This Agreement, then;
Second:	Addendum No. 1 to RFP FY21-188, then;
Third:	RFP FY21-188 – Structured Cabling & Enterprise Networking, then;
Fourth:	Proposal submitted by UDT in response to RFP FY21-188

2.06 **SBBC Disclosure of Education Records and Employee Records**. Although no student education records shall be disclosed pursuant to this Agreement, should UDT come into contact with education records during the course of contracted responsibilities, these records are confidential and protected by the Family Educational Rights and Privacy Act (FERPA) and state laws and may not be used or re-disclosed. Any use or re-disclosure may violate applicable federal

and state laws. Likewise, no employee records shall be disclosed by SBBC to UDT. Should UDT come into contact with employee records, it may not be re-disclosed except as required or permitted by law.

2.07 **UDT Confidentiality of Education Records and Employee Records.**

Notwithstanding any provision to the contrary within this Agreement, UDT shall:

(a) fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of education records and employee records;

(b) hold any education records and employee records in strict confidence and not use or redisclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 years or older whose education records or employee records are to be shared provides prior written consent for their release;

(c) ensure that, at all times, all of its employees who have access to any education records or employee records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records and employee records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

(d) safeguard education records and employee records through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements, and employee records in accordance with applicable laws; and

(e) utilize the education records and employee records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records or employee records to any third party.

2.08 **Inspection of UDT's Records by SBBC**. UDT shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All UDT's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation, and/or reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze and verify the applicable business records of UDT directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. Such audit shall be no more than one (1) time per calendar year.

(a) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations, and/or reproductions, SBBC's agent or authorized representative shall

have access to UDT's records from the effective date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to UDT pursuant to this Agreement.

(b) Notice of Inspection. SBBC's agent or its authorized representative shall provide UDT reasonable advance written notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and/or reproduction.

(c) Audit Site Conditions. SBBC's agent or its authorized representative shall have access to UDT's facilities and to any and all records related to this Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by UDT to permit audit, inspection, examination, evaluation and/or reproduction as permitted under this section shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for SBBC's denial of some or all of any UDT's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by UDT in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by UDT. If the audit discloses billings or charges to which UDT is not contractually entitled, UDT shall pay said sum to SBBC within twenty (20) days of receipt of written demand unless otherwise agreed to in writing by both parties.

(f) Inspection of Subcontractor's Records. If applicable, UDT shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by UDT to include such requirements in any subcontract shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to UDT pursuant to this Agreement and such excluded costs shall become the liability of v.

(g) Inspector General Audits. UDT shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.09 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC: Superintendent of Schools
The School Board of Broward County, Florida

	600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Chief Information Officer The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
To UDT:	Antolin Cossio, Vice President United Data Technologies 2900 Monarch Lakes Boulevard, Suite #300 Miramar, Florida 33027
With a Copy to:	Legal Team, UDT 2900 Monarch Lakes Boulevard, Suite #300 Miramar, Florida 33027

2.10 **Background Screening.** UDT shall comply with all requirements of Sections 1012.32 and 1012.465, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. This background screening will be conducted by SBBC in advance of UDT or its personnel providing any services under the conditions described in the previous sentence. UDT shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to UDT and its personnel. The parties agree that the failure of UDT to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. UDT agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from UDT's failure to comply with the requirements of this section or with Sections 1012.32 and 1012.465, Florida Statutes.

2.11 **Public Records.** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. UDT shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, UDT shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. UDT shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if UDT does not transfer the public records to SBBC. Upon completion of the Agreement, UDT shall transfer, at no cost, to SBBC all public records in possession of UDT or keep and maintain public records required by SBBC to perform the services required under the Agreement. If UDT transfers all public records to SBBC upon completion of the Agreement, UDT shall destroy any duplicate

public records that are exempt or confidential and exempt from public records disclosure requirements. If UDT keeps and maintains public records upon completion of the Agreement, UDT shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.12 **Liability**. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

(b) By UDT: UDT agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by UDT, its agents, servants or employees; the equipment of UDT, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of UDT or the negligence of UDT's agents when acting within the scope of their employment, whether such claims, judgments, costs and expenses be for damages, damage to property including SBBC's property, and injury or death of any person whether employed by UDT, SBBC or otherwise.

2.13 **Insurance Requirements**. UDT shall comply with the following insurance requirements throughout the term of this Agreement:

(a) General Liability. UDT shall maintain General Liability insurance during the term of this Agreement with limits not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate; and limits not less than $1,000,000 for Products/Completed Operations Aggregate.

(b) Professional Liability/Errors & Omissions. UDT shall maintain Professional Liability/Errors & Omissions insurance during the term of this Agreement with a limit of not less than $1,000,000 per occurrence covering services provided under this Agreement.

(c) Workers' Compensation. UDT shall maintain Workers' Compensation insurance during the term of this Agreement in compliance with the limits specified in Chapter 440, Florida Statutes, and Employer's Liability limits shall not be less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

(d) Auto Liability. UDT shall maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage limits of not less than $1,000,000 Combined Single Limit.

(e) Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

(f) Verification of Coverage. Proof of the required insurance must be furnished by UDT to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) days of the date of this Agreement. To streamline this process, SBBC has partnered with EXIGIS Risk Management Services to collect and verify insurance documentation. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences to permit UDT to remedy any deficiencies. UDT must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

(g) Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

1) The School Board of Broward County, Florida, its members, officers, employees and agents are added as additional insured.

2) All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

3) Certificate Holder: The School Board of Broward County, Florida, c/o EXIGIS Risk Management Services, P.O. Box 4668-ECM, New York, New York 10163-4668.

(h) Cancellation of Insurance. UDT is prohibited from providing services under this Agreement with SBBC without the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

(i) SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverage or endorsements, herein throughout the term of this Agreement.

2.14 **Nondiscrimination**.

(a) As a condition of entering into this Agreement, UDT represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

(b) As part of such compliance, UDT shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall UDT retaliate against any person for reporting instances of such discrimination. UDT shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. UDT understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

2.15 **Annual Appropriation**. The performance and obligations of SBBC under this Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty shall accrue to SBBC in the event this provision is exercised, and SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.

2.16 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

2.17 **Incorporation by Reference**. **Exhibit A** attached hereto and the RFP, its Addenda and the Proposal which are referenced herein shall be deemed to be incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Default**. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days' written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.

3.05 **Termination**. This Agreement may be canceled with or without cause by the parties during the term hereof upon thirty (30) days' written notice to the other party of its desire to terminate this Agreement. In the event of such termination, SBBC shall be entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.19 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the date first above written.
