**Impact on Schools:**
This Agreement provides ongoing support for the construction of new playgrounds, maintenance of existing facilities, and emergency response for damaged equipment. Saturdays, Sundays, state holidays, or days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday, Sunday, state holiday or day during which the school district administration is closed. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."**

**Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800, within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protest, formal written protests, and the bonds required by SBBC Policy 3800 shall be filed at the office of the Director, Procurement & Logistic Operations, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.41 **POSTING OF BID RECOMMENDATIONS/TABULATIONS:** ITB Recommendations and Tabulations will be posted on www.demandstar.com **SEE SECTION 2.0 - CALENDAR** and will remain posted for 72 hours. Any change to the date and time established herein for the posting of ITB Recommendations/Tabulations shall be posted at www.demandstar.com (under the document section for this ITB). In the event the date and time of the posting of ITB Recommendations/Tabulations are changed, it is the responsibility of each Proposer to ascertain the revised date of the posting of ITB Recommendations/Tabulations. Any person desiring to protest the intended decision shall file a notice of protest, in writing, within 72 hours after the posting of the ITB tabulation and shall file a formal written protest within ten (10) calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays, and days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday or Sunday, state holiday or days during which the school district administration is closed. No submissions made after the Bid opening amending or supplementing the Bid shall be considered. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."** Any person who files an action protesting an intended decision shall post with SBBC, **at the time of filing the formal written protest,** a bond payable to SBBC in an amount equal to one percent (1%) of SBBC's estimate of the total volume of the contract. SBBC shall provide the estimated contract amount to the Proposer within 72 hours, excluding Saturdays, Sundays, and other days during which SBBC administration is closed, of receipt of notice of intent to protest. The estimated contract amount is not subject to protest pursuant to Section 120.57(3), Florida Statutes. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check, or money order in the amount of the bond.

If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. If the protestant prevails, then the protestant shall recover from the School Board all costs and charges which shall be included in the Final Order or judgment, excluding attorney's fees. **All documentation necessary for the protest proceedings will be provided electronically by SBBC.**

7.41 **(continued) Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800 within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protests, formal written protests, and the bonds required by Policy 3800 shall be filed at the office of the Director, Procurement and Logistic Operations, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.42 **PACKING SLIPS:** It will be the responsibility of the Awardee to attach all packing slips to the Purchase Order number/control number. Failure to provide a packing slip attached to the outside of the shipment will result in the refusal of shipment at the vendor's expense.

7.43 **USE OF OTHER CONTRACTS:** SBBC reserves the right to utilize any other SBBC contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, other school boards, other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012, as currently enacted or as amended from time to time, in lieu of any offer received or award made as a result of this bid if it is in its best interest to do so.

7.44 **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this Agreement. Such rights will be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions, and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts, or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s).

7.45 **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by the School Board. These orders will be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e., within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all vendors must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that a vendor maintains secure records of the credit card account assigned an alias or password to avoid divulging the actual credit card number upon every purchase.

7.46 **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items or services offered may be tested for compliance with ITB conditions and specifications at any time. Items delivered that do not conform to ITB conditions or specifications may be rejected and returned at the vendor's expense. Services not conforming to ITB specifications shall be corrected and performed again to meet the specifications of the ITB at the expense of the Awardee. Goods or services not delivered as per the delivery date in ITB and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:

a) Cancellation and default of contract;
b) For a period of two (2) years, any proposal submitted by the vendor will not be considered and will not be recommended for award.
c) All departments are advised not to do business with vendors.

7.47 **CONE OF SILENCE:** Any proposer or lobbyist for a proposer is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Logistic Operations releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Logistic Operations. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the contract is awarded by the School Board. Further, any vendor, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the vendor is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the

7.47 (continued) time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3800, Part VIII, as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any vendor or lobbyist who violates this provision shall cause their Proposal (or that of their principal) to be considered non-responsive and, therefore, be ineligible for award.**

7.48 **PURCHASE BY OTHER PUBLIC AGENCIES:** With the consent and agreement of the awarded contractor(s), purchases may be made under this ITB by other agencies. Such purchases shall be governed by the same terms and conditions as stated herein.

749 **PUBLIC ENTITY CRIMES:** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO [currently $25,000] for a period of 36 months from the date of being placed on the convicted vendor list.

7.50 **SEVERABILITY:** In case any one (1) or more of the provisions contained in this ITB shall be for any reason held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision, and this ITB shall be considered as if such invalid, unlawful, unenforceable or void provision had never been included herein.

7.51 **DISTRIBUTION:** DemandStar by Onvia, www.demandstar.com, is the official method approved by Procurement & Logistic Operations for the distribution of all competitive solicitations, including ITBs and RFPs. It is the responsibility of all interested parties to ensure they have received all necessary documents, including the Addenda, and have included all necessary information in their response. SBBC is not responsible for Proposer's failure to obtain complete bidding documents from DemandStar. SBBC reserves the right to reject any bid as non-responsive for failure to include all necessary documents or required Addenda. For information regarding the above-referenced solicitation, contact the designated Purchasing Agent, as stated herein.

7.52 **PRICE REDUCTIONS:** If, from the date of proposal opening, the Awardee either bids the same products and/or services at a lower price than offered to SBBC or reduces the price of the proposed product or service, the lowest of these reduced prices will be extended to SBBC.

7.53 **LOBBYIST ACTIVITIES:** In accordance with SBBC Policy 1100B, as currently enacted or as amended from time to time, persons acting as lobbyists must state, at the beginning of their presentation, letter, telephone call, e-mail, or facsimile transmission to School Board Members, Superintendent or Members of Senior Management, the group, association, organization or business interest she/he is representing.

a) A lobbyist is defined as a person who, for immediate or subsequent compensation (e.g., monetary profit/personal gain), represents a public or private group, association, organization, or business interest and engages in efforts to influence School Board Members on matters within their official jurisdiction.
b) A lobbyist is not considered a person representing school-affiliated groups (e.g., PTA, DAC, Band Booster Associations, etc.) nor a public official acting in her/his official capacity.
c) Lobbyists shall annually (July 1) disclose in each instance and for each client prior to any lobbying activities, their identity and activities by completing the lobbyist statement form, which can be obtained from Official School Board Records, School Board Member's Offices or the Superintendent's Office and will be recorded on the School Board of Broward County's website, www.browardschools.com.
d) The lobbyist must disclose any direct business association with any current elected or appointed official or employee of SBBC or any immediate family member of such elected or appointed official or employee of SBBC.
e) Senior-level employees (Pay Grade 30 and above) and/or School Board Members are prohibited from lobbying activities for one (1) year after resignation or retirement or expiration of their term of office.

7.54 **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY OR VOLUNTARY EXCLUSION – Lower Tier Covered Transactions:** Executive Order 12549, as currently enacted or as amended from time to time, provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities.

7.54 (continued) Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one (1) agency shall have government-wide effect. A lower-tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction, and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower-tier covered transactions to include the certification for it and its principals in any bid submitted in connection with such lower-tier covered transactions.

## CERTIFICATION:

a) The prospective lower-tier participant certifies, by submission of this ITB, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Every time a proposal that includes a reference to this Form is submitted, a new Form is required. Any proposal that does not include this required Form shall not be evaluated and shall not be considered for award. **A signature is required on BOTH the Debarment Form AND the Required Response Form.** A signature on one document cannot be substituted for the signature required on the other document. **Failure to complete and sign both documents requiring signature shall result in rejection of the proposal submitted.**

7.55 **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days prior written notice that The School Board is terminating the contract award.

7.56 **TIE BID PROCEDURES:** When identical points are received from two (2) or more vendors and all other factors are equal in point value, priority for an award shall be given to vendors in the following sequence:

a) A business that certifies that it has implemented a drug-free workplace program shall be given preference in accordance with the provisions of Chapter 287.087, Florida Statutes, as currently enacted or as amended from time to time;
b) The School Board of Broward County, Florida, M/WBE certified vendor;
c) The Broward County Certified Minority/Women Business Enterprise vendor;
d) The Palm Beach County or Miami-Dade County Certified Minority/Women Business Enterprise vendor;
e) The Florida Certified Minority/Women Business Enterprise vendor;
f) The Broward County vendor, other than a Minority/Women Business Enterprise vendor;
g) The Palm Beach County or Miami-Dade County vendor, other than a Minority/Women Business Enterprise vendor;
h) The Florida vendor, whose main office is in the State of Florida, other than a Minority/Women Business Enterprise vendor.
i) If the application of the above criteria does not indicate a priority for an award, the award will be decided by a coin toss. The coin toss shall be held publicly in Procurement & Logistic Operations, and the tie low bid vendors are invited to be present as witnesses.

Included as a part of the ITB documents is a Form entitled **SWORN STATEMENT PURSUANT TO CHAPTER 287.087, FLORIDA STATUTES, AS CURRENTLY ENACTED OR AS AMENDED FROM TIME TO TIME, ON PREFERENCE TO BUSINESSES WITH DRUG-FREE WORKPLACE PROGRAMS.** This form will be used by the Proposer to certify that it has implemented a drug-free workplace program.

7.57 **CONFIDENTIAL RECORDS:** The Awardee acknowledges that certain information about the District's students is contained in records created, maintained or accessed by the Awardee and that this information is confidential and protected by the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S. C. 1232g), and/or the Health Insurance Portability and Accountability Act (HIPAA) (45 CFR parts 160-164) and related District policies, as amended from time to time, currently available at www.browardschools.com. Confidentiality of information cannot be disclosed unless valid consent is obtained from the students or their legal guardians. Both parties agree to protect these records in compliance with FERPA, HIPAA, and the District's policy. To the extent permitted by law,

7.57 (continued) Nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities.

*Awardee agrees that it may create, receive from, or on behalf of the District, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it will: (1) hold the Confidential Records in strict confidence and will not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the District in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the District, the Awardee agrees to provide the District with a written summary of the procedures the Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the District to terminate any Agreement with the Awardee.*

7.58 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this ITB shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until the posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the ITB is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the ITB shall constitute a waiver by the Proposer of any applicable exemptions from disclosure or any confidential status, including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of the Proposer's response to the ITB. SBBC will provide for the inspection or copying of any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the ITB or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to initiate such legal proceedings in a timely manner shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials.
By submitting a response to this ITB, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs, or attorney's fees based upon SBBC's non-disclosure of portions of the Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such non-disclosure.

7.59 **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for a contract awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

7.60 **GRATUITIES**: Proposer(s) shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of SBBC, including any School Board Member, Superintendent of Schools, and any Evaluation Committee Members, for the purpose of influencing consideration of their Proposal.

7.61 **PREPARATION AND COST OF PROPOSAL:** The proposer is solely responsible for any and all costs associated with responding to this ITB. SBBC will not reimburse any Proposer for any costs associated with the preparation and submittal of any Proposal or for any travel and per diem costs that are incurred by any Proposer

7.62 **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee(s) shall keep and maintain public records required by SBBC to perform the services required under this contract. Upon request from SBBC's custodian of public records, Awardee(s) shall provide SBBC with a copy of any requested public records or allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee(s) shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract's term and following completion of the contract if Awardee(s) does not transfer the public records to SBBC. Upon completion of the contract, Awardee(s) shall transfer, at no cost, to SBBC all public records in possession of Awardee(s) or keep and maintain public records required by SBBC to perform the services required under the contract. If Awardee(s) transfers all public records to SBBC upon completion of the contract, Awardee(s) shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Awardee(s) keeps and maintains public records upon completion of the contract, the Awardee(s) shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

**IF A PARTY TO THIS ITB HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE ITB, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

7.63 **E-VERIFY:** Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this ITB Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this ITB Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this ITB Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with, or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate the ITB Agreement. Termination pursuant to this section is not a breach of this ITB Agreement and may not be considered as such.

7.64 **DEFAULT**: The parties (SBBC and Awardee) agree that if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 7.55. If the default is not cured by the Awardee, the steps in section 7.46 shall be taken.

**QUESTIONS & ANSWERS**

- **QUESTION #1:** Please confirm that this contract applies only to water-based fire sprinkler systems, including associated fire pumps and fire backflow preventers, and excludes dry chemical systems, fire extinguishers, and non–water-based systems.

  **ANSWER TO QUESTION #1:** Yes, only water-based fire sprinkler systems**.**

---

- **QUESTION #2:** Who is responsible for performing monthly and quarterly inspections of fire pumps under this contract?.

  **ANSWER TO QUESTION #2:** The fire pumps are inspected annually. The Contractor would be responsible.

---

- **QUESTION #3:** Are sprinkler systems that are installed but not yet active or awaiting final acceptance required to be included in inspections?

  **ANSWER TO QUESTION #3:** New installs are under warranty for 1 year and after that they are turned over to SBBC. At that point they would be added to the inspection list.

---

- **QUESTION #4:** Please confirm whether annual inspections must be completed between March 1 and July 1 each year.

  **ANSWER TO QUESTION #4:** No, Annual inspections are performed through out the year.

---

- **QUESTION #5:** How many days from contract award does the Contractor have to complete all annual inspections, testing, and assessments?

  **ANSWER TO QUESTION #5:** **The Contractor will be given a schedule.**

---

- **QUESTION #6:** Are monthly or semi-annual inspections included in this contract, or only quarterly, annual, and five-year inspections?

  **ANSWER TO QUESTION #6:** The contractor will do 3- quarterly inspections and the last one will be the annual. Five-year inspections are not all due at the same time. The Contractor will be given a schedule.

---

- **QUESTION #7:** Are there any antiquated or specialty systems (e.g., pre-action, deluge, older fire pumps) requiring special inspection protocols?

  **ANSWER TO QUESTION #7:** No pre-action or deluge systems. SBBC has a total of 12 sites with fire pumps which require annual inspections.

---

- **QUESTION #8:** Are there any systems or fire pumps currently out of service or not operational?

  **ANSWER TO QUESTION #8:** One, which is in the process of being repaired.

---

- **QUESTION #9:** Can SBBC provide a current inspection interval log by school, showing inspection due dates for each system?

  **ANSWER TO QUESTION #9:** The Contractor will be given a schedule showing which schools are to be inspected. Inspection logs are located in the front office of each school by the fire alarm panel.

---

- **QUESTION #10:** The ITB references approximately 220 locations with 846 risers.

  **ANSWER TO QUESTION #10:** 241 locations with 846 risers.

---

- **QUESTION #11:** The estimated backflow quantity—does this total include ¾" bypass backflows associated with DDCVs?

  **ANSWER TO QUESTION #11:** Yes, it includes the by-pass backflows.

---

- **QUESTION #12:** Do inspections and repairs include only fire and fire-bypass backflows, or also domestic and irrigation backflows?

  **ANSWER TO QUESTION #12:** Only fire and fire-bypass backflows.

---

- **QUESTION #13:** Is there a threshold dollar amount below which repairs may proceed without separate written SBBC approval?

  **ANSWER TO QUESTION #13:** Once the Contractor gives SBBC their deficiency lists, a work order will be created and given to the Contractor. At that point, the Contractor can proceed with work. If the deficiency item on the report exceeds small repairs, then SBBC will request a quote from the Contractor.

---

- **QUESTION #14:** If leaks are discovered during inspections, are such repairs considered emergency work to be performed immediately, or do they require prior approval and scheduling?

  **ANSWER TO QUESTION #14:** The Contractor would contact SBBC and a decision would be made on a case by case basis on whether to proceed.

---

- **QUESTION #15:** Please clarify responsibility for temporary impairments, fire watch coordination, and system tagging.

  **ANSWER TO QUESTION #15:** The Contractor would be notified by email or phone that a fire watch is being requested. The tagging of the system is the responsibility of the Contractor.

---

- **QUESTION #16:** How are latent conditions (e.g., corrosion, MIC, underground failures) treated when discovered during inspections?

  **ANSWER TO QUESTION #16:** SBBC should be notified and a decision would be made.

---

- **QUESTION #17:** Please clarify the Contractor's responsibility for existing code deficiencies versus deficiencies created by new work.

  **ANSWER TO QUESTION #17:** All deficiencies would be listed on the Contractor's report whether existing or new.

---

- **QUESTION #18:** Please confirm that piping and fittings with surface corrosion, but no leaks, obstructions, or NFPA 25 deficiencies, are considered acceptable and may remain in service.

  **ANSWER TO QUESTION #18:** The Contractor will notify SBBC and a decision would be made.

---

- **QUESTION #20:** For deficiencies identified during inspections, does SBBC require adherence to the repair timelines established in NFPA 25?

**ANSWER TO QUESTION #20:** All deficiency items that are on the report require a work order. These work orders are processed immediately after receiving the Contractors report which follow the NFPA 25 criteria.

---

- **QUESTION #21:** Does troubleshooting of fire pumps, jockey pumps, and their controllers constitute an emergency service call?

  **ANSWER TO QUESTION #21:** These types of work orders would fall under SBBC 01 criteria.

---

- **QUESTION #22:** Are sprinkler heads required to be sample-tested per NFPA 25 intervals (Standard Response: 50 years then every 10; Quick Response: 20 years then every 10; Dry: 10 years then every 10)?

---

- **QUESTION #23:** Is there a current record by building showing when sprinkler head sample testing was last performed?

  **ANSWER TO QUESTION #23:** NO

---

- **QUESTION #24:** Is there a record indicating whether 50% of each building has already been inspected as part of the five-year internal inspection cycle?

  **ANSWER TO QUESTION #29:** Time and Material.

---

- **QUESTION #30:** Is there a not-to-exceed (NTE) labor rate for emergency or after-hours repairs?

  **ANSWER TO QUESTION #30:** Labor rates should be addressed by the Contractor when bidding. This should include regular hours and overtime/weekend hour labor rates.

---

**EXECUTIVE SUMMARY**

**Recommendation to Approve Additional Spending Authority and the Second Renewal ITB Term**
**ITB-FY22-253 - Calibrate and Repair of Diagnostic Audiological Equipment**

---

**Board Meeting Date:** March 10, 2026

**Requested Action:**
Approve the Second Renewal and Additional Spending Authority of $50,000 for Invitation to Bid (ITB) ITB-FY22-253 - Calibrate and Repair of Diagnostic Audiological Equipment awarded to the following vendor: Alpha-CAL, LLC, for a term that commences on May 1, 2026, and concludes on April 30, 2027.

**School Board Policy Requirement/Authority:**
School Board Policy 4800: Exceptional Student Education Policies and Procedures (P&P)

- Section B.2: Exceptional Student Education Eligibility for Students who are Deaf or Hard of Hearing
- Section B.4: Exceptional Student Education Eligibility for Students who are Dual-Sensory Impaired

**Statutory Requirement/Authority:** Yes, Florida Statute 484.0501 and 484.046 outline the audiometer equipment standards and testing procedures for calibration requirements, and audiological equipment expectations.

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The School Board of Broward County, Florida (SBBC), will continue to efficiently calibrate and repair Diagnostic Audiological Equipment, effectively supporting the health and education of its students in a timely manner. This action is critical because it ensures accurate assessments and timely interventions for students with hearing impairments, directly supporting the District's obligation to ensure all students are ready to learn. Furthermore, approval guarantees the District remains in compliance with state law by meeting the Florida Health Department's mandate for hearing screenings and adhering to Florida Statutes 484.0501 and 484.046 regarding calibration requirements, thereby mitigating the significant legal and ethical risks of non-compliance.
**- If the School Board votes "No":** SBBC will be unable to maintain critical audiological equipment, which directly compromises the accuracy of hearing screenings and evaluations. This failure would cause the District to be immediately out of compliance with state law and violate the Florida Health Department mandate for these screenings, as the equipment maintenance is required by Florida Statutes 484.0501 and 484.046. Consequently, SBBC would be delaying necessary interventions for students with hearing impairments, creating a substantial legal and ethical risk for the District by failing to provide required health services.

**Background/History**
This ITB aims to streamline the calibration and repair of diagnostic audiological equipment across the District. This includes annual calibrations for tympanometers and audiometers. Approval of the recommendation to renew ITB-FY22-253 - Calibrate and Repair of Diagnostic Audiological Equipment and authorize additional spending will enable SBBC to maintain critical audiological equipment, ensuring accurate assessments and timely interventions for students with hearing impairments. This action is statutorily required by Florida Statutes 484.0501 and 484.046 for calibration requirements and audiological equipment expectations. By ensuring annual calibration and repair of diagnostic audiological equipment, the District meets the Florida Health Department mandate for student hearing screenings and avoids the significant risk of being out of compliance with state law. The multi-year Agreement with Alpha-CAL, LLC provides operational efficiency and continuity of service by using a single, vetted vendor, which prevents service gaps and supports the District's obligation to ensure all students are ready to learn.

During the 2025-2026 School Year, three hundred twenty-two (322) audiometers were serviced for public schools and district offices, and forty-four (44) from charter schools (at no cost to the charter schools). Additionally, calibration of the diagnostic equipment and seven (7) sound booths were serviced to ensure that enhanced tools are available for our District Educational Audiologists.

Original ITB Term: May 1, 2022, through April 30, 2025; First Renewal Term: May 1, 2025, through April 30, 2026; Second Renewal Term: May 1, 2026, through April 30, 2027; Emerging/Small/Minority/Veterans/Women Business Enterprise Vendor(s): None.

**Alignment to 2027 Goals and Guardrails:**
Guardrail 3: School Support

**Measurable Outcome(s)/Return on Investment:**
This investment will enable the Broward County School District to meet its obligations to ensure that diagnostic audiological equipment is calibrated and repaired annually to assess the audiological needs of students and conduct evaluations for Deaf & Hard of Hearing eligible students at various school sites throughout the District. Hearing screening is mandated by the Florida Health Department for identified grade levels (Kindergarten, 1st, 6th grade, and any student being evaluated for a suspected disability).

**Financial Impact, Funding Source & Budget Status:**
The additional spending authority requested is $50,000. The new total award amount is $230,315 and is funded by the ESE Specialized Instruction General Department Budget.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | 04/19/2022 | Yes | ESE Specialized Instruction General Department Budget Fund: 1000 | $130,315 | 36 |
| First Amendment/Renewal – additional spending authority | 02/19/2025 | Yes | ESE Specialized Instruction General Department Budget Fund: 1000 | $50,000 | 12 |
| Second Amendment/Renewal – additional spending authority | 03/10/2026 | Yes | ESE Specialized Instruction General Department Budget Fund: 1000 | $50,000 | 12 |
| **Total Agreement Amount** | | | | **$230,315** | **60** |

The financial impact amount represents an estimated ITB value; however, the amount authorized will not exceed the estimated ITB award amount.

**Multi-year agreement: Yes/No**
Yes. A multi-year Agreement (including this extension) provides operational efficiency and continuity of service. It ensures a single, vetted vendor (Alpha-CAL, LLC) is responsible for the maintenance of all District audiological equipment, which is critical for compliance with the state mandate. This eliminates the need for multiple, costly single-year solicitations and prevents service gaps, which would occur if equipment calibration lapsed.

**Procurement Method:**
Pursuant to Purchasing Policy 3800, in accordance with Rule 6A-1.012(1)(b), Florida Administrative Code, the term "invitation to bid" shall be defined for the purposes of this policy as a written solicitation for competitive sealed bids. An invitation to bid is used when the School District is capable of specifically defining the Scope of Work for which a contractual service is required or when the School Board is capable of establishing precise specifications defining the actual commodity or group of commodities required. A written competitive solicitation includes an invitation to bid that is publicly posted.

**Impact on Schools:**
This is a District-wide service that impacts all schools (including charter schools, at no cost to them) by maintaining the critical audiological equipment used for student health screenings mandated by the Florida Health Department.

**If there is an impact on schools, how will schools be selected/prioritized:**
All public schools and charter schools that possess an audiometer are selected for the program.

S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity Outreach Program Office prior to the submission of the bid proposal. **For information on S/M/WBE Certification or Policy 3330, contact SBBC's Supplier Diversity Outreach Program at 754-321-0550 or visit** http://www.browardschools.com/sdop.

# QUESTIONS & ANSWERS

---

- **QUESTION #1:** Would you be able to provide an illustration of the iguana barrier around the perimeter of a building/portable.

  **ANSWER TO QUESTION #1:** No

---

- **QUESTION #2:** It's not clear how tall the barrier is in reference to the ground. How high is the barrier?

  **ANSWER TO QUESTION #2:** The height of the barrier is based on location at the bottom of building or portable that barrier can be attached. This could very based on field conditions. Most portables have lattice skirts that barrier can be attached to.

---

- **QUESTION #3:** Would you be able to provide us with a location of a building/portable for us to preview?

  **ANSWER TO QUESTION #3:** Yes location is Cypress Elementary modular classrooms

---

- **QUESTION #4:** Although the bid is out with specific details, is the School Board open to suggestions to changes making the barrier material less expensive and more aesthetically pleasing.

  4. **IGUANA BARRIER:** Polycarbonate: Clear, UV resistant Fastener (non metal, weather resistant)
     A: To be installed and fastened around perimeter of building or portable to a depth of 6" below surface.
     B: Install ¾" rock 6" wide x 6" deep around perimeter of building or portable.

  **ANSWER TO QUESTION #4:** The barrier material you submit will need to meet or exceed the specified barrier material. You can submit your barrier material for review.

---

- **QUESTION #5:** My understanding is that for the Group B bid our company which specializes is Iguana Management and Deterrence would be able to bid on that specialized Group B. But the PDF for the Invitation to Bid on page #5 item #3 has requirements that are not typical for an iguana service company. For example, we currently work with the school board and are providing the tree guards and installations now as requested. Can you please clarify the requirements for Group B?

  **ANSWER TO QUESTION #5:** Florida Wildlife Commision does not require a license for nuisance wildlife trappers. This would include group A and B.

---

- **QUESTION #6:** It is my understanding that there will be two vendor contracts; group A (non iguana related) then group B (iguana related). Is this correct?

  **ANSWER TO QUESTION #6:** There are 2 Groups. The bid will be awarded by Group. Refer to Section 3 – Special Condition 7 – Award.

---

- **QUESTION #7:** line 1 of Group B states Hr Rate. Is this meant as an hourly rate? ie $10.00 per hour of air rifle trapping of iguanas?

  **ANSWER TO QUESTION #7:** Yes

---

- **QUESTION #8:** Where did I purchase the Polycarbonate Iguana Tree guards and Iguana Barriers? I need this to properly quote the line items.

  **ANSWER TO QUESTION #8:** School Board of Broward County did not purchase material.

---

- **QUESTION #9:** Group A - Item 3 – How many traps and for how long is the maintenance expected?

  **ANSWER TO QUESTION #9:** As many traps as necessary to accomplish task at hand (minimum 2). How long? as long problem exists (+/- 5 business days)

---

- **QUESTION #10:** Group A - Item 4 – Scope mentions dogs need to be taken to the county shelter and not euthanized. This is more time consuming that with an animal that can be euthanized. Suggest there should be a separate line item for animals that need to be taken to the shelter and their disposition documented to account for the additional cost in time.

  **ANSWER TO QUESTION #10:** All dogs and cats must be taken to the county shelter

---

- **QUESTION #11:** Group A - Item 9 – Same as Item 4 but for cats instead of dogs.

  **ANSWER TO QUESTION #11:** All dogs and cats must be taken to the county shelter.

---

- **QUESTION #12:** Group A - Item 15 – How long are the traps expected to be left in place?

  **ANSWER TO QUESTION #12:** As long as problem exists (5 business days)

---

- **QUESTION #13:** Group A - Item 20 – This is not quantified in a way that it can be properly quoted. Are you looking for a per linear foot rate for example? Also, it is my experience that expanding foam by itself is not a suitable barrier for most animals. What animal is this line item intended for?

  **ANSWER TO QUESTION #13:** Birds, geckos, toads, small animal that invade buildings

---

- **QUESTION #14:** Clarification on .030 guage polycarbonate. Did the mean .030 mm (120 guage).

  **ANSWER TO QUESTION #14:** .030 gauge is the thickness of the guard and is correct

---

- **QUESTION #15:** What type of rock for iguana barrier? (I.e. river rock)

  **ANSWER TO QUESTION #15:** See General Scope of Services #4 3/4"rock

---

- **QUESTION #16:** With iguana removal being an hourly rate, how will the work be assigned/deemed complete?

  **ANSWER TO QUESTION #16:** Vendor will provide estimated hours to perform service based on field observations. Based on results, a job will be deemed complete or incomplete.

---

- **QUESTION #17:** Who is the current vendor and can the current pricing for services be provided.

  **ANSWER TO QUESTION #17:** The current vendor is CHJT, LLC d/b/a Florida Animal Removal and the current pricing can be found in our website. See the link for the contract award details below:
**https://www.browardschools.com/cms/lib/FL01803656/Centricity/domain/12708/contract%20listings/pgroup%20t/18-173T_AnimalControlServices_20221115.pdf**

---

- **QUESTION #18:** On average how many trapping calls are requested per week.

  **ANSWER TO QUESTION #18:** See estimated quantities in bid summary sheet.

---

- **QUESTION #19:** On average how many emergency calls and/or after hours calls are requested per month.

  **ANSWER TO QUESTION #19:** See estimated quantities in bid summary sheet.

---

- **QUESTION #20:** How long does a trap need to be out even though there are no captures? Example, if no captures happen what is the time limit a trap is to stay out. Limit of a week or until something is caught?

  **ANSWER TO QUESTION #20:** As long problem exists (5 business days)

**Background Screening:** Awardee agrees to comply with all the requirements of Sections 1012.32 and 1012.465, Florida Statutes, and that Awardee and all its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds shall successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. **Personnel shall include employees, representatives, agents or sub-contractors performing duties under the Agreement to SBBC, and who meet any or all of the three requirements identified above.** This background screening shall be conducted by SBBC in advance of the Awardee or its personnel providing any services. The awardee shall bear the cost of acquiring the background screening required under Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to the Awardee and its personnel. The Parties agree that the failure of Awardee to perform any of the duties described in this section shall constitute a material breach of this ITB entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. Awardee agrees to indemnify and hold harmless SBBC, its officers and employees of any liability in the form of physical or mental injury, death or property damage resulting in Awardee's failure to comply with the requirements of this section or Sections 1012.32 and 1012.465, Florida Statutes.

**SBBC issued identification badges must be worn at all times when on SBBC property and must be worn where they are visible and easily readable.**

As of July 1, 2015, Fieldprint, Inc. has been contracted to provide all background and fingerprinting services. All questions pertaining to fingerprinting, photo identification and background check services must be directed to the Project Coordinator at 754-321-1830 or 754-321-2374. **Each individual, for whom an SBBC photo identification badge is requested, must be registered into the Fieldprint, Inc. applicant enrollment website.** A background check shall be conducted for each badge applicant. SBBC reserves the right to require additional information, should it be necessary, and to deny the issuance of a badge to an applicant. Any applicant, that has been denied a badge, is prohibited from entering SBBC property as an employee, sub-contractor or agent of an Agreement Awardee. **Applicant enrollment and scheduling website is www.fieldprintflorida.com.** The total fee(s) for the SBBC photo identification badge, fingerprinting and an FBI background check can be found at the following website: http://www.broward.k12.fl.us/police/pdf/seccle/FIELDPRINT_CODES.pdf. Badges are issued for a one-year period and must be renewed annually. The renewal date shall be one year from the date of issuance. Failure to renew the badge, at that time, shall result in the Awardee being required to re-apply and pay the going rate for badging and fingerprinting.**

**Awardees shall return expired and/or terminated employee badges to the following location: The School Board of Broward County, Florida, Attn: Fieldprint, Inc., 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301.**

55. **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this Agreement. Such rights shall be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions, and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, agreements or sub-agreements that directly or indirectly pertain to the transactions between the District and the Awardee(s).

56. **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation as they were released by SBBC, or amended via Addendum, are valid. Any modification to any term or condition by a Bidder is not binding unless it is expressly agreed to, in writing, by SBBC.

57. **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by SBBC. These orders shall be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e. within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all Awardees must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. (continued….)

57. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that an Awardee maintains secure records of the credit card account assigned an alias or password, to avoid divulging the actual credit card number upon every purchase.

58. **NONCONFORMANCE TO AGREEMENT CONDITIONS:** Items offered may be tested for compliance with bid conditions and specifications at any time. Items delivered, not conforming to bid conditions or specifications, may be rejected and returned at Awardee's expense. Goods or services not delivered as per delivery date in the bid and/or Purchase Order may be rejected upon delivery and/or maybe purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:
   a) For a period of two years, any bid submitted by Awardee shall not be considered and shall not be recommended for award.
   b) All departments being advised not to do business with Awardee.

59. **CONE OF SILENCE:** Any Bidder, or lobbyist for a Bidder, is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the Agreement is awarded by SBBC. Further, any Awardee, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the Awardee is attempting to sell goods or services to SBBC This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3320, Part II, Section GG as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any Bidder or lobbyist who violates this provision shall cause their Bid (or that of their principal) to be considered non-responsive and therefore be ineligible for award.**

60. **TERMINATION:** This Agreement award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days written notice that SBBC is terminating the Agreement award.

61. **EVALUATION AND BIDS:** SBBC evaluates all Bids in accordance with Chapters 119.071 and 286.0113, Florida Statutes.

62. **MEET OR RELEASE:** If during the Agreement term, SBBC is offered a lower price from a third party supplier for a product or service awarded under this Agreement, or offers another item that meets or exceeds the specifications for the item at a lower price than the awarded price, SBBC shall request Awardee to meet the lower price offered by the third party supplier. The awardee shall be required to respond to this request within three (3) days of the request. If Awardee is unable to meet the lower price, SBBC shall be released from its contractual obligation to purchase the item under this Agreement. No response to this request shall indicate that Awardee is unable to offer the item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of Agreement. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

(continued)

63. *Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any contract with Awardee.*

64. **PROPRIETARY INFORMATION**: Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent, a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

    Should a public record request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. The awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public record request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.

65. **E-VERIFY**: Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate this Agreement. Termination pursuant to this section is not a breach of this Agreement and may not be considered as such.

66. **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, Awardee shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Awardee does not transfer the public records to SBBC. Upon completion of the Agreement, Awardee shall transfer, at no cost, to SBBC all public records in possession of Awardee or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Awardee transfers all public records to SBBC upon completion of the Agreement, Awardee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee keeps and maintains public records upon completion of the Agreement, Awardee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems. (continued……)

66. **IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

67. **NONDISCRIMINATION:** As a condition of entering into the award of this ITB, Awardee represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

    As part of such compliance, Awardee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Awardee retaliate against any person for reporting instances of such discrimination. Awardee shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. Awardee understands and agrees that a material violation of this clause is considered a material breach of an award of this ITB and may result in termination of this ITB, disqualification of the company from participating in SBBC's solicitations, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

68. **ANNUAL APPROPRIATION**: SBBC's performance and obligations under this ITB is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this ITB, this ITB may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

69. **EXCESS FUNDS**: Any party receiving funds paid by SBBC under this ITB agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

70. **NO WAIVER OF SOVEREIGN IMMUNITY**: Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this ITB and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

71. **NO THIRD PARTY BENEFICIARIES**: The parties (SBBC and Awardee) expressly acknowledge that it is not their intent to create or confer any rights or obligations under this ITB in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this ITB. The parties agree that there are no third-party beneficiaries to this ITB and that no third-party is entitled to assert a claim against any of the parties based upon this ITB. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any ITB.

72. **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 60.

73. **INDEPENDENT CONTRACTOR**: The parties (SBBC and Awardee) to this ITB are acting in the capacity of independent contractor(s) and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this ITB. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

74. **RIGHTS AND REMEDIES**: The duties and obligations imposed by this ITB and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

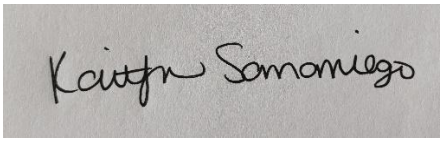
January 27th, 2026

Dear Edgar Lugo,



Thank you for your ongoing business with Triumvirate Environmental, Inc. We sincerely value your business and appreciate the opportunity to provide WOW! level service to you in the future. Despite an unsettled inflationary economy, market conditions in our industry have gone from highly active to unprecedented. As you have no doubt experienced, waste shipment in-slots lead times, and incineration capacity has affected the overall industry.

We strive to provide safe, compliant, and dependable services to meet your needs while managing the overall limit within the incineration market. At the same time, the industry has experienced operating costs including labor, materials and equipment, health care and benefits, as well as energy and insurance, and regulatory burdens on the incinerator market.

Despite our best efforts to control these impacts, we are faced with the necessity to raise our disposal rates due to increased incineration costs. Effective April 1st, 2026, Triumvirate will increase your current rates by 2%.

Your business is important to us, and we are doing everything possible to mitigate these costs. This increase will enable us to continue to provide the quality of service you have come to expect from Triumvirate. If you have any questions, please feel free to contact me directly.

Sincerely,

Kaitlyn Samaniego

## QUESTIONS & ANSWERS

- **QUESTION #1:** Page 1 of the Invitation to Bid states Small/Minority/Women Business Enterprise Certification/Participation (S/M/WBE) Vendors are being utilized for this Agreement. Can you please confirm this contract requirement?

  **ANSWER TO QUESTION #1:** SBBC Policy 3330 requires SMWBE Participation on ALL District Contracts. The SMWBE Goal implemented in this solicitation is a **non-mandatory** Annual Aspirational Goal which encourages all Bidders/Proposers to voluntarily engage SBBC Certified SMWBE firms as subcontractors/subconsultants. Ancillary services will count towards goal attainment. A list of Certified Firms can be found on our Website: please visit: https://www.browardschools.com/Page/59879 for the Certified Suppliers Directory.

---

- **QUESTION #2:** For Group 2 Item #41 and #42- what would fall under regulated liquid and regulated solid lab packs?

  **ANSWER TO QUESTION #2:** Any item identified that would fall in this category. SBBC does not know of any such material, but is including as Additional Info in case we identify a situation where it is needed.

---

- **QUESTION #3:** For Profile Group 2 #43 and #44 Florescent Lamps (each) – is this per bulb?.

  **ANSWER TO QUESTION #3:** There is another contract for regular disposal of fluorescent bulbs. Yes, per bulb, but for a cleanup scenario. So, there could be portions of the bulbs that have broken.

---

- **QUESTION #4:** For Group 2, #45 and #46 Compressed Gas Cylinder- can we get a list of the types of gas cylinders?

  **ANSWER TO QUESTION #4:** We have previously had requested for Medical Oxygen, Helium, Carbon Dioxide, and Nitrogen cylinders.

---

- **QUESTION #5:** For Group 2 #47 to #51, the unit is listed as "each". Should we assume this is per individual battery?

  **ANSWER TO QUESTION #5:** Yes.

---

- **QUESTION #6:** Is SBBC only looking to hire a S/M/WBE entity as the Prime Contractor?

  **ANSWER TO QUESTION #6:** No, this is an Invitation to Bid (competitive solicitation) open to all interested vendors..

---

No response to this request shall indicate that Awardee is unable to offer the item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of Agreement. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

(continued)

63. *Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any contract with Awardee.*

64. **PROPRIETARY INFORMATION**: Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent, a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

    Should a public record request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. The awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public record request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.

65. **E-VERIFY**: Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate this Agreement. Termination pursuant to this section is not a breach of this Agreement and may not be considered as such.

66. **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, Awardee shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Awardee does not transfer the public records to SBBC. Upon completion of the Agreement, Awardee shall transfer, at no cost, to SBBC all public records in possession of Awardee or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Awardee transfers all public records to SBBC upon completion of the Agreement, Awardee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee keeps and maintains public records upon completion of the Agreement, Awardee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems. (continued……)

66. **IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

67. **NONDISCRIMINATION:** As a condition of entering into the award of this ITB, Awardee represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

    As part of such compliance, Awardee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Awardee retaliate against any person for reporting instances of such discrimination. Awardee shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. Awardee understands and agrees that a material violation of this clause is considered a material breach of an award of this ITB and may result in termination of this ITB, disqualification of the company from participating in SBBC's solicitations, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

68. **ANNUAL APPROPRIATION**: SBBC's performance and obligations under this ITB is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this ITB, this ITB may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

69. **EXCESS FUNDS**: Any party receiving funds paid by SBBC under this ITB agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

70. **NO WAIVER OF SOVEREIGN IMMUNITY**: Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this ITB and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

71. **NO THIRD PARTY BENEFICIARIES**: The parties (SBBC and Awardee) expressly acknowledge that it is not their intent to create or confer any rights or obligations under this ITB in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this ITB. The parties agree that there are no third-party beneficiaries to this ITB and that no third-party is entitled to assert a claim against any of the parties based upon this ITB. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any ITB.

72. **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 60.

73. **INDEPENDENT CONTRACTOR**: The parties (SBBC and Awardee) to this ITB are acting in the capacity of independent contractor(s) and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this ITB. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

74. **RIGHTS AND REMEDIES**: The duties and obligations imposed by this ITB and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

**EXECUTIVE SUMMARY**

**Recommendation to Approve the Piggyback Agreement with McGrath Rent Corp. d/b/a Mobile Modular Management Corp and Additional Spending Authority**
**PY26-159 - Type IIB Panelized Modular Buildings**

---

**Board Meeting Date: February 10, 2026**

**Requested Action:**
Approve the Piggyback Agreement between The School Board of Broward County, Florida (SBBC), Bid #20-209, and McGrath Rent Corp. d/b/a Mobile Modular Management Corporation for Type IIB Panelized Modular Buildings awarded by the Suwannee County School District, Florida, RFP20-209, and the additional spending authority in the amount of $2,500,000.

**School Board Policy Requirement/Authority:** Purchasing Policy 3800.

**Statutory Requirement/Authority:** Not Applicable

**District-Zone Impact:** District-wide.

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** Approval of this item will allow for the District to continue accommodation of students and administrative staff during active construction projects, and provide any additional portable needs that may materialize in the future.
**- If the School Board votes "No":** If this item is not approved, the District will be unable to provide swing space for students and administrative staff during active construction projects. This lack of temporary facilities will disrupt school operations, delay project timelines, and significantly increase costs, ultimately impacting the District's ability to maintain continuity of education and meet construction deadlines. Additionally, the Physical Plant Operations will not be able to relocate staff from Zone 2 as needed.

**Background/History**
Modular classrooms, also referred to as portable classrooms, address both the immediate and long-term requirements of the District's educational facilities. Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

3.25 E-Verify. Pursuant to Section 448.095, Florida Statutes, Vendor shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Vendor shall require all subcontractors to use E-Verify and obtain affidavits of compliance. If SBBC has a good faith belief that Vendor has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation.

3.26 Indemnification. Vendor agrees to indemnify, hold harmless, and defend SBBC, its agents, servants, and employees from any and all third-party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any claim or demand to the extent caused by the negligence or willful misconduct of Vendor or its agents when acting within the scope of their employment.

3.27 Public Records. Vendor shall keep and maintain public records required by SBBC to perform the services under this Agreement. Upon request from SBBC's custodian of public records, Vendor shall provide SBBC with a copy of any requested public records or allow inspection or copying within a reasonable time at a cost that does not exceed that provided in Chapter 119, Florida Statutes. Upon completion of the Agreement, Vendor shall transfer all public records to SBBC at no cost or meet all applicable requirements for retaining public records.

3.28 Nondiscrimination. As a condition of entering into this Agreement, Vendor represents and warrants that it will comply with SBBC's Commercial Nondiscrimination Policy, as described under Section D.1 of SBBC Policy No. 3330 – Supplier Diversity Outreach Program, as amended. Vendor shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or disability in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers.

3.29 Annual Appropriation. As set forth in Article 3.05, this Agreement may be terminated pursuant to the conditions set forth in Article XI. FUNDING OUT/TERMINATION/CANCELLATION of RFP#20-209. SBBC's performance and obligations under this Agreement are contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for payment under this Agreement, it may terminate the Agreement at the end of the period for which funds have been allocated, with no penalty or further obligation.

"Generic Drug" shall mean drugs or devices for which the Medi-Span Multisource Code field contains a "Y" (generic). Claims with DAW 5 code ("House Generics") shall also be classified as Generic Drug Claims. For purposes of reconciling financial guarantees, all other Claims with Medi-Span Multisource Code of "O" that process with MAC pricing, including DAW 3, 4, and 6, shall be classified as Generic Drug Claims. For purposes of adjudication, in limited circumstances, Aetna may override the M, N, or O indicators and deem the drug to be a Generic Drug after a review of additional information including other Medi-Span data, FDA application data (NDA/ANDA) and price.

    - Three-tier qualifying plan designs – maintains a first tier comprised of Generic Drugs, a second tier comprised of preferred Brand Drugs, and a third tier comprised of non-preferred Brand Drugs. The plan design maintains at least a $15.00 co-payment differential between preferred and

non-preferred Brand Drugs, at least a $15.00 differential in the minimum co-payment for coinsurance, or a differential of coinsurance 1.5 times or 50 percentage points between the preferred and non-preferred Brand Drugs (for example, if preferred brand coinsurance was 20%, non-preferred brand would need to be 30% to qualify).

- Rebate guarantees are measured individually by component and reconciled in the aggregate on an annual basis within one hundred eighty (180) days following the end of the Plan year; a surplus in one or more component Rebate guarantees may be used to offset shortages in other component Rebate guarantees.
- The GDR guarantees are based upon plan design, membership, and demographics as represented by Customer, and changes to these aspects may materially affect Aetna's ability to meet the GDR guarantees. In the event of a change to the Plan design, or the Plan's demographics, both parties agree to work in good faith to determine if the GDR guarantees should be adjusted to account for such change, whether higher or lower, depending on the actual impact of such change. An example of this would be situations where generically available medications are excluded from the benefit, such as OTC equivalent strengths. If a brand does not lose patent protection when expected due to unforeseen circumstances, including but not limited to litigation, the parties acknowledge and agree an adjustment may need to be made to the GDR guarantees. The GDR guarantees will be measured and reconciled in the aggregate. The following are excluded from the GDR guarantees calculation: Specialty Drugs, Compound claims, Direct Plan Participant reimbursement / out-of-network claims, COB claims, DAW 1, 2, and 7, and Vaccines. Any potential amount owed will be determined based on the following formula: (Average Amount Paid per Brand claim - Average Amount Paid per Generic claim) multiplied by (GDR guarantee - GDR measured) multiplied by total claims. Penalties for a shortfall on the GDR guarantees will be paid on a dollar-for-dollar basis, with a maximum annual payment cap of $750,000.00.

## Market Check

Once during the second quarter of the second contract year, and at Customer's reasonable request, Aetna and Customer or a mutually agreed upon third party with a signed non-disclosure agreement may review the financial terms of Customer compared to financial offering presented to similar employers in the marketplace as deemed appropriate. The parties agree for the purpose of this market check that Aetna or Customer's representative will compare, among other things, the following factors to determine whether Customer is entitled to such revised pricing terms: (i) the aggregate pricing terms of such applicable customers of comparable size, inclusive of the program savings, the retail pricing for brand and generic drugs, pricing for specialty drugs, administrative fees, rebates and guarantees; (ii) the services provided by Aetna to such customers; and (iii) the plan design of such customers, which may include plan formulary, brand/generic utilization information and mail and retail utilization information, available to Aetna. Customer, or its representative, shall provide Aetna with a report to substantiate its findings. Should the comparison demonstrate that the current market conditions would yield a savings

of 2% or more in net costs (i.e. gross costs net of administration fees and rebate guarantees), then the parties will discuss in good faith a revision to the current pricing terms and other applicable contract provisions. If Customer and Aetna agree to any revisions to the financial terms as a result of this review (i) the agreement shall be amended and (ii) shall be effective January of the contract year following agreement on such revisions, provided that the parties agree on final pricing not less than 120 days prior to the first day of the contract year as to which the revisions are to apply.

## Additional Disclosures

The Customer acknowledges that the Discounts and Dispensing Fees contained in this Agreement reflect a Transparent or Pass Through pricing arrangement at Retail. Transparent or Pass Through Pricing means the amount charged to the Customer and Plan Participants for network claims shall equal the amount paid to Participating Retail Pharmacy. Maintenance Choice claims dispensed at CVS/pharmacy, if applicable, are exempt from the Transparent Pricing requirements under this Agreement. The amount billed to the Customer will be equal to the amount paid to the participating pharmacies.

The financial provisions in this Agreement are based upon Claims data and membership information provided by Customer (or Customer's authorized representative) during the pricing request process, which shall serve as the baseline. Aetna reserves the right to make an equitable adjustment to modify or amend the financial provisions set forth herein in a manner designed to account for the impact of specific triggering events identified below ("Equitable Adjustment").

1. Greater than 15% change in total membership or Claims volume as compared to the baseline
2. Customer-initiated change to the Benefit Plan Design, or Formulary alignment. To the extent applicable, Aetna will notify Customer in advance of any proposed Equitable Adjustment
3. Product offering decisions by drug manufacturers that result in a reduction of rebates, including the introduction of a lower cost alternative product which may replace an existing rebateable brand product; an unexpected launch of an interchangeable version of a brand product; or a branded product converted to OTC status, recalled or withdrawn from the market; or a material reduction in the Wholesale Acquisition Cost (WAC); or
4. Other events triggering an Equitable Adjustment as detailed below:
    - Legal and/or regulatory changes specific to customers which negatively affects the economic value of the Agreement to a party or the parties under the Agreement, for example restrictions on preferred or limited network arrangements; policy changes impacting drug manufacturers which negatively affect the economic value of the Agreement including the ability to provide or maintain discounts or Rebates; and/or
    - An inability to access, or changes to, industry pricing information (e.g. AWP) required to support the current economic structure of the Agreement.

If one or more of such triggering events occurs, Aetna may initiate a review to determine if an Equitable Adjustment to any of the financial provisions is warranted as a direct result of the triggering event(s). Aetna will conduct an analysis based upon Customer-specific Claims, utilization, and membership data

demonstrating how the triggering event(s) result in the proposed Equitable Adjustment. Any such Equitable Adjustment based upon events #1 or #2 described above shall be effective on the first day that the triggering event occurred. Any such Equitable Adjustment based upon events #3 or #4 described above shall be effective 30 days after notification to Customer. Aetna will provide documentation of the reason for the proposed Equitable Adjustment in addition to a summary analysis demonstrating that the Equitable Adjustment is solely related to the impact of the specific triggering event. Aetna will disclose necessary facts and data to an independent auditor for validation.

Aetna reserves the right to modify its products, services, and fees, and to recoup any costs, taxes, fees, or assessments, in response to legislation, regulation or requests of government authorities. Any taxes or fees (assessments) applied to self-funded benefit Plans related to The Patient Protection and Affordable Care Act (PPACA) will be solely the obligation of the Customer. The pharmacy pricing contained herein does not include any such Customer liability.

**Rebate Payment Terms**

Rebates will be distributed on a quarterly basis by claim wire credit .

Rebate collections are paid quarterly ninety (90) days after the quarter ends. Rebates are calculated and paid in accordance with the terms and conditions of this Agreement.

Earned Rebates are distributed in March, June, September and December each contract year.

Rebates are paid on Prescription Drugs dispensed by Participating Pharmacies and covered under Customer's Plan. Rebates are not available for Claims arising from Participating Pharmacies dispensing Prescription Drugs subject to either their (i) own manufacturer Rebate contracts or (ii) participation in the 340B Drug Pricing Program codified as Section 340B of the Public Health Service Act or other Federal government pharmaceutical purchasing program. The Customer shall adopt the formulary indicated in the rebates section of this Service and Fee Schedule in order to be eligible to receive Rebates.

Additional 340B reconciliation and true-up may occur post annual minimum Rebate guarantee reconciliation.

If this Agreement is terminated by Aetna for the Customer's failure to meet our obligations to fund benefits or pay administrative fees (medical or pharmacy) under the Agreement, Aetna shall be entitled to deduct deferred administrative fees or other plan expenses from any future rebate payments due to the Customer following the termination date.

When remitting and reconciling minimum Rebate guarantees, Aetna may add Rebate Credit value to the total Rebates remitted to Customer for each respective Rebate component (e.g., Retail, Mail, Retail 90, and Specialty). Rebate Credits shall consist of (i) the differential between the Wholesale Acquisition Cost (WAC) of a lower net cost Brand Drug, including but not limited to a Biosimilar, (Low Cost Brand) Claim processed, and the WAC of the reference Brand Drug, subject to the below cap; and/or (ii) the value of

WAC reductions for rebateable products that have experienced a material WAC decrease and material rebate reduction, measured as the differential between the Baseline WAC of the product and the WAC of the product when the Claim is processed, subject to the below cap. The Baseline WAC will be the WAC of the product prior to a reduction in WAC or, as applicable, for Low Cost Brands, the Baseline WAC will be the WAC of the reference Brand Drug at the time of Claim processing.

Rebate Credit will be capped in two ways: First, the WAC of the reference Brand Drug will be capped at a pre-determined WAC inflation rate communicated at time the eligible product is added to the list of products eligible for the Rebate Credit. Second, in no way will the Rebate Credit exceed the Baseline Rebate less the earned Rebates on either the Low Cost Brand or the rebateable product that has experienced a WAC decrease. Baseline Rebate is calculated as follows: in the year the price reduction occurred, Baseline Rebate will be the Rebate available for coverage of the product prior to the WAC reduction or, as applicable, for Low Cost Brands the Baseline Rebate will be the Rebate available for coverage of the reference Brand Drug on the date of Claim processing. For a product experiencing a WAC reduction in subsequent years, the Baseline Rebate will increase over the prior year Baseline Rebate at the average WAC inflation rate of the GPI subclass (GPI-6) of the impacted product. Aetna shall perform all Rebate Credit calculations at a Claim level based on the unit quantity attached to the Claim, and shall map Low Cost Brand NDCs to the NDCs of reference Brand Drugs with the most equivalent attributes (e.g., strength, package size).

The following products will be eligible for the Rebate Credit: (1) Any Biosimilar product processed where Stelara is the reference Brand Drug; and (2) any other products as mutually agreed in writing by Customer and Aetna.

Aetna will provide 60 days advance notice of product(s) that qualify(ies) for Rebate Credits and will be added to the list of products eligible for the Rebate Credit. Customer may otherwise elect a minimum Rebate guarantee adjustment. Aetna shall provide reporting, upon Customer request, demonstrating the net-cost impact in the therapeutic category(ies) of the product(s) eligible for the Rebate Credit and the proposed adjustment to the minimum Rebate guarantee. A Covered Drug Claim will only be eligible for the Rebate Credit if a minimum Rebate guarantee adjustment has not already been made by Aetna.

Customers authorized auditor may validate the application of the Rebate Credit value as part of the Customer Rebate Audit as set forth in the Agreement. If Rebate Credits are applied based on manufacturer contracts that are not included within auditors sample selection, Aetna will make available all additional manufacturer contracts that are necessary to validate and reconcile Aetna's Rebate Credit adjustment. For each additional manufacturer contract provided to validate the Rebate Credit, auditors review will be limited to only the product impacting the Rebate Credit calculation. With respect to Low Cost Brands, Aetna shall not apply Rebate Credit unless the differential between the Low Cost Brand WAC and the reference Brand WAC is at least twenty-five percent (25%). With respect to rebateable products experiencing a reduction in WAC, Aetna shall not apply Rebate Credit unless the actual drop in WAC is at least twenty-five percent (25%). If Customer disagrees with Aetna in its decision that a change is necessary, Customer may terminate the Agreement without being assessed any penalties (e.g., loss of Rebates earned but not yet paid).

**Formulary Management**

Aetna offers several versions of formulary options for Customer to consider and adopt as Customer's Formulary. The formulary options made available to Customer will be determined and communicated by Aetna prior to the implementation date. Customer agrees and acknowledges that it is adopting the Formulary as a matter of its plan design and that Aetna has granted Customer the right to use one of our Formulary options during the term of the Agreement solely in connection with the Plan, and to distribute or make the Formulary available to Plan Participants. As such, Customer acknowledges and agrees that it has sole discretion and authority to accept or reject the Formulary that will be used in connection with the Plan. Customer further understands and agrees that from time to time Aetna may propose modifications to the drugs and supplies included on the Formulary as a result of factors, including but not limited to, market conditions, clinical information, cost, rebates and other factors. Customer also acknowledges and agrees that the Formulary options provided to it by Aetna is the business confidential information of Aetna and is subject to the requirements set forth in the Agreement.

**Other Payments**

The term Rebates as defined in the Prescription Drug Services Schedule includes any manufacturer administrative fees that may be paid by pharmaceutical manufacturers to cover the costs related to the reporting and administration of the pharmaceutical manufacturer agreements. Such manufacturer administrative fees are shared with Customer hereunder.

Aetna may also receive other payments from drug manufacturers and other organizations that are not Rebates. These payments are generally for one of two purposes: (i) to compensate Aetna for bona fide services it performs, such as the analysis or provision of aggregated data or (ii) to reimburse Aetna for the cost of various educational and other related programs, such as programs to educate physicians and members about clinical guidelines, disease management and other effective therapies. These payments are not considered Rebates and are not included in Rebate sharing arrangements with Customers.

Aetna may also receive network transmission fees from our network pharmacies for services we provide for them. These amounts are not considered Rebates and are not shared with Customers. These amounts are also not considered part of the calculation of claims expense for purposes of Discount Guarantees, if applicable.

Customer agrees that the amounts described above are not compensation for services provided under this Agreement by either Aetna or CVS Caremark and instead are received by Aetna in connection with network contracting, provider education and other activities Aetna conducts across our book of business. Customer further agrees that the amounts described above belong exclusively to Aetna or it's affiliate, CVS Caremark, and Customer has no right to, or legal interest in, any portion of the aforesaid amounts received by Aetna or CVS Caremark.

Rebates for Specialty Products that are administered and paid through the Plan Participant's medical benefit rather than the Plan Participant's pharmacy benefit will be retained by Aetna as compensation

for Aetna's efforts in administering the preferred Specialty Products program. Payments or rebates from drug manufacturers that compensate Aetna for the cost of developing and administering value-based rebate contracting arrangements when drug therapies underperform thereunder also will be retained by Aetna.

**Early Termination**

In the event of an Early Termination, the pharmacy guarantees described hereunder, if any, shall be considered null and void for the Plan year and, therefore, not subject to reconciliation.

Aetna's remedies as described immediately above are liquidated damages and shall not be characterized as a penalty (collectively, the "Early Termination Fee"). Unless otherwise agreed in writing by the parties, such Early Termination Fee will be due and paid in full within sixty (60) days after the termination effective date.

**Late Payment Charges**

If the Customer fails to provide funds on a timely basis to cover benefit payments and/or fails to pay service fees on a timely basis as required in the Agreement, Aetna will assess a late payment charge. The current charges are outlined below:

i. Late funds to cover benefit payments (e.g., late wire transfers): 12.0% annual rate
ii. Late payments of Service Fees: 12.0%, annual rate

In addition, Aetna will make a charge to recover our costs of collection including reasonable attorney's fees. We will notify the Customer of any changes in late payment interest rates. The late payment charges described in this section are without limitation to any other rights or remedies available to Aetna under the Agreement or at law or in equity for failure to pay.

**Pharmacy Audit Rights and Limitations**

Customer is entitled to one annual Rebate audit, subject to the audit terms and conditions outlined in the Prescription Drug Services Schedule.

Customer is entitled to an annual electronic claim audit subject to standard pharmacy benefit audit practices and audit terms and conditions outlined in the Prescription Drug Services Schedule.

Pharmacy audits shall be conducted at the Customer's own expense unless otherwise agreed to between the Customer and Aetna.

## AETNA PHARMACY PROGRAM SUMMARY – ADDITIONAL SERVICES

| Additional Specialty Programs | Fee | Basis |
|---|---|---|
| **Custom Specialty Network** - When Accreditation Support is Required | Quoted Upon Request | |

Charges for services not identified above and/or changes in financial terms resulting from a change in the scope of services shall be quoted upon request.

Pricing noted above for programs not implemented within twelve (12) months from the time of pricing negotiations is subject to change.

**NOTES:**

[1] Pharmacy Advisor Counseling Additional Terms:

(a) Customer may terminate the Pharmacy Advisor Counseling program by providing Aetna at least 60-days prior written notice.

(b) The pricing described above for Pharmacy Advisor Counseling program is based on the following conditions:

(i) In the event Customer desires to include additional lines of business, implement a portion of the Plan Participants, or reduces the Plan Participants participating in the Pharmacy Advisor program, Aetna may revise pricing for the program.

(ii) Customer agrees to implement all the current conditions in Pharmacy Advisor Counseling: Asthma/COPD, Breast Cancer, Depression, Diabetes, Cardiovascular conditions, and Osteoporosis.

(iii) The above pricing reflects the current program and future program expansions may require an additional fee.

[2] Drug Savings Review Additional Terms:

Aetna guarantees that the gross customer savings realized from DSR Program over the first Clinical Program Year shall be 200% of the DSR Program fees paid by Customer during the first Clinical Program Year. For the subsequent Clinical Program Years, Aetna guarantees that the gross customer savings realized from DSR Program shall be 300% of the DSR Program fees paid by Customer during subsequent Clinical Program Years. "Clinical Program Year" means the twelve (12) month period commencing on the start date of the Drug Savings Review Program and each full consecutive twelve (12) month period thereafter that the Drug Savings Review Program is provided. In the event Aetna fails to meet the targeted savings, Customer shall be credited for any guaranteed savings short-fall following the end of the applicable Clinical Program Year, up to the amount of fees paid by Customer for the Drug Savings Review Program during the Clinical Program Year. Aetna calculates the guaranteed savings short-fall and reimburses Customer a portion of the fees paid based on the difference between the actual savings generated and the guaranteed savings, divided by the ROI guarantee amount. The amount of the fees

credited to Customer reduces the DSR Program Fees paid by Customer to an amount that satisfies the savings guarantee based on actual savings. Reconciliation will occur during the quarter after the conclusion of Clinical Program Year.

Aetna may revise the performance guarantee at time of reconciliation in a manner designed to account for membership shifts of 20% or more during the Clinical Program Year. The performance guarantee offered for the Drug Savings Review Program is conditioned on (1) Customer maintaining a monthly average of at least 1,500 Members throughout the Clinical Program Year and (2) Customer participating in the Drug Savings Review Program for the entire Clinical Program Year.

[3] Caremark Cost Saver™ **:** The pricing in the Pharmacy Service and Fee Schedule assumes the use of the Caremark Cost Saver™ program, under which Aetna may compare the price available under the Aetna contracted network with the price available through a non-Aetna contracted network if available for that pharmacy. If the price is lower through a non-Aetna contracted network (including an administrative fee paid to the third-party that contracts the network), the Claim will be processed through that network. These Claims are included in the reconciliation of all financial guarantees. In these instances, the prescription through retail may be less than the same Drug, dosage form, and dose through mail on the same day of adjudication.

[4] Reviews through the Specialty Guideline Management and Specialty Preferred Drug Plan Design programs will be charged this per review fee.

***DEFINITIONS:**

PMPM = Per Member Per Month

PEPM = Per Employee Per Month

****i**f retiree membership is over 15%, referral needed to review for custom pricing.

## ATTACHMENT L - MEDICAL FINANCIAL RESPONSE FORM

### General Instructions

SBBC is requesting a minimum of 36-month flat rate ASO fee guarantee to provide all administrative services related to the medical portion stated in the RFP. Note, the fees in the initial Calendar Year (2026) shall be quoted on a Mature basis, i.e., fees/premiums are inclusive of 12-month run-out administration. Fees shall be quoted for a minimum for 2026, 2027 and 2028. All costs should be identified as a Per Employee Per Month (PEPM) or Per Member Per Month (PMPM) amount. If a program is included in the ASO fee but SBBC may opt-out of the program, the fee should NOT be included in the ASO fee, rather identified in one of the other fee sections and listed separately. Any fee for services that are non-optional must be clearly labeled as REQUIRED SERVICE. For example, if a particular health care management program is required to be in place for a trend or other guarantee to be valid, the service/program and fee must be marked REQUIRED SERVICE. Pricing components for the Pharmacy, which may be integrated with the Medical should be included in the applicable Pharmacy Workbook.

**Discrepancies found between this Attachment and the information provided in the Questionnaire, other attachments including executive summaries, sample marketing materials, presentations, sample employee communication materials, attached spreadsheets, and spreadsheet footnotes will be scored based on the response/fee that is most beneficial to SBBC. The final Agreement will reflect these services, rates, and other caveats prior to SBBC's execution. If a fee is not listed in this Attachment, it will be considered as no additional charge.**

## QUESTIONS & ANSWERS

---

- **QUESTION #1:** Can you confirm if you are looking for a $1,000,000 ISL for Traditional Stop Loss.

  **ANSWER TO QUESTION #1: Yes, to determine if this product is cost effective to purchase at a later date. This will be at SBBC's sole option.**

---

- **QUESTION #2:** We can offer a traditional Stop Loss policy with limited gene therapy (with lasering), or a full Gene Therapy policy, but offering both is non-standard. Which one would you like us to provide?

  **ANSWER TO QUESTION #2: SBBC is looking to review both options and determine at a later date if SBBC is interested in purchasing one or the other type of products.**

---

- **QUESTION #3:** If you would like the full Gene Therapy only quote, what Individual Stop Loss (ISL) level would you like us to provide- $30,000, $250,000 or $400,000

  **ANSWER TO QUESTION #3: $250,000.**

---

- **QUESTION #4:** Section 4.3.1.4 References asks for bidders to provide three references for Group Disability Insurance Plans. Please confirm that SBBC would accept three references for Group Medical Benefits (both Medical and Pharmacy Benefits) for this Group Medical Benefits RFP.

  **ANSWER TO QUESTION #4: Confirmed. The reference in Section 4.3.1.4 was a typographical error and was corrected in Addendum 2, requesting references for Group Medical Benefits.**

---

- **QUESTION #5:** Do you require coverage for any of the three dedicated onsite resources when they are on vacation or leave?

  **ANSWER TO QUESTION #5: Yes, for extended vacation periods lasting more than two (2) consecutive days and for Onsite Representatives that may take a leave of absence.**

---

- **QUESTION #6:** In section 6.7.3.4 you state bidders must response to all sub-sections of the RFP. Can you confirm this would just be all the items asked for in Section 4.0 (Information to be included in the submitted proposal)?

  **ANSWER TO QUESTION #6: Please refer to the Proposer's Submittal Checklist to ensure that your Proposal is complete.**

---

- **QUESTION #7:** Currently SBBC has a non-standard banking arrangement that funds weekly (discussed in Question 136). Please confirm SBBC would like to continue this non-standard banking arrangement? Is there any additional grace period required?

  **ANSWER TO QUESTION #7: Confirmed.**

---

- **QUESTION #8:** Your kids plan is unique in nature, as the kids are enrolled on their own subgroup, with the first enrolled child being coded as the primary subscriber. Are there any anticipated changes in the current arrangement?

  **ANSWER TO QUESTION #8: No, there are no anticipated changes at this time.**

---

- **QUESTION #9:** Can you confirm page numbering can be restarted within different sections and documents?

  **ANSWER TO QUESTION #9: Confirmed.**

---

- **QUESTION #10:** Can you confirm the hard copies are also due by the stated due date and time for the Demand Star Submission?

  **ANSWER TO QUESTION #10: Confirmed.**

---

- **QUESTION #11:** A bid amount is required in Demand Star, but we would not know final amount until any optional services are determined, and open enrollment occurs. Should we put $0.01 for now?

  **ANSWER TO QUESTION #11: No. Your bid amount must be entered into DemandStar, as noted. The RFP provides adequate information to calculate costs. Please note that the District's Annual Open Enrollment is "passive", meaning if employees do not make any changes, their benefits will rollover, effective January 1st.**

---

**[THIS SPACE IS INTENTIONALLY LEFT BLANK]**

- **QUESTION #12:** Demand Star is currently set up to only allow for one Required document as the "Proposal Document", which can be any format (pdf, zip, etc.). There is another section that allows for "Supplemental Documents", and it appears we can upload multiple documents in this section. The RFP contains a variety of document types, including several excel exhibits (repricing, disruptions, plan designs) which would need to be included separately, and requests for audited financial statements, which are long documents. Can Bidders upload just the *Section 1.0 Required Response form* document to the Proposal Document section, and then upload all the other documents separately to the Supplemental Documents section, or would you like us to zip everything together and upload to the Proposal Documents section?

  **ANSWER TO QUESTION #12: Yes. Bidders can upload all attachments and proposal into the Supplemental Documents section of Demandstar.**

---

- **QUESTION #13:** Section 7.61 asks bidders to seal any information they consider as confidential in a separate envelope. How should this be accounted for in Demand Star? Should bidder take all the confidential items, and upload them as a separate zip file in the Proposal Documents section? Should the Confidential Information also be included in the original proposal documents, or removed from the originals and only included separately?

  **ANSWER TO QUESTION #13: Bidders are to stamp confidential documents as "CONFIDENTIAL" and upload separately in the Supplemental Documents section.**

# SECTION 3.0 – INTRODUCTION AND GENERAL INFORMATION

3.1 **Introduction:** The School Board of Broward County, Florida (hereinafter referred to as "SBBC" or "District") desires to receive proposals from qualified proposers for Group Medical Benefits for School Board Employees (Group Medical Benefits refers to both Medical and Pharmacy Benefits).

SBBC is the sixth largest school district in the United States and covers approximately 23,529 active, full-time employees, over 620 retirees of which approximately 175 are Medicare eligible and 1,256 enrolled in plans in which children only can enroll. There are approximately 26,899 total members. All full-time employees are eligible to participate including active employees, dependents, retirees, retirees' dependents, and domestic partners.

SBBC currently is self-funded for both the medical and pharmacy benefits through Aetna and offers employees multiple plan options. SBBC utilizes the Aetna platform, which has a national provider network. In 2018, SBBC made several plan design changes with the Premier Plus and Premier Plans. Iin addition, SBBC eliminated the Consumer Driven Option and replaced this option with a High Deductible plan and a Health Savings Account. SBBC offers a Premier Plus Open Access HMO, a Premier Plan Open Access HMO and a Premier Choice High Deductible Plan Option that currently meets the Health Savings Account criteria. Each of the options run on a calendar year (Plan Year).

In addition to the above-mentioned plans, SBBC offers a Kids Basic and Kids Enhanced Plan Option that provides medical coverage for children ages 5 to 26. Each of the options run on a calendar year (Plan Year). There are approximately 1,112 children currently enrolled in the Basic Kids Plan and 153 children enrolled in the Enhanced Kids Plan. Kids Only Plan membership is approximately 1,600, as more than one child of an employee may be enrolled. SBBC Kids Plans are unique to SBBC and are fully paid for through employee contributions. SBBC has offered a Group Kids Plans since 1995 that are available to individual children of SBBC employees, retirees, COBRA, and domestic partners. Children are eligible for the Kids Plan, only if the employee/retiree is enrolled in one of SBBC's medical plans.

In November, 2024, SBBC partnered with its current carrier Aetna to implement a new Wellness Platform through WalkingSpree. The Platform provides benefit eligible employees various types and levels of exercises on demand, such as walking, yoga, cardio activities, dance, nutrition recipes, etc. SBBC will continue to fund this platform out of the wellness fund. SBBC intends to continue the WalkingSpree Program in 2026; therefore, Proposers must be able to contract with WalkingSpree in order for the program to continue.

Pharmacy benefits are currently included within the existing ASO Agreement. SBBC currently does not carry specific or aggregate reinsurance coverage. As part of this RFP, SBBC during the term of the Agreement, at SBBC's sole option, may opt to purchase reinsurance coverage.

SBBC has included, in **Attachment N**, the current plan designs of all existing plan options. Proposers should also identify any existing SBBC benefits, benefit limitations or system limitations that the Proposer cannot administer and would require manual processing on the current plan designs, within **Attachment N**. Please note that any changes to plan designs are subject to labor negotiations.

SBBC is seeking Proposals from interested parties to offer a self-funded program that has an integrated medical and pharmacy benefits and in addition, SBBC is also seeking proposals from pharmacy benefit companies for carve out/stand-alone pharmacy benefits. At the sole discretion of SBBC, SBBC reserves the right to contract with one or more vendors independently or contract for multiple plans from the same vendor(s). The Proposers are requested to quote on a self-funded option only for either an integrated approach and/or stand-alone approach. In order to properly evaluate the financial impact of these options, this RFP requests the cost and utilization data necessary to properly model and forecast the programs being proposed. Proposers who do not provide the requested information may be negatively impacted during the evaluation process.

SBBC will contract directly with insurance companies, pharmacy benefit managers and health maintenance organization providers. SBBC will not contract with independent agents or independent third parties acting as agent or broker. All Proposers must comply with all applicable Florida Statutes. The contracted vendor(s) will be responsible for billing all self-

pay enrolled members such as retirees and those enrolled through COBRA. The Awardee(s) will also be responsible for administering the HSA plan to which the Board contributes $500 for employee only and $1,000 for employees with one or more dependents per year annually.

SBBC reserves the right to negotiate services and benefits each Plan Year, including but not limited to:

- Carving out pharmacy benefits and/or specialty pharmacy
- Carving out advanced imaging services
- Carving out behavioral health
- Carving out wellness and disease management programs
- Developing creative programs in conjunction with the Awardee, SBBC and local hospital systems including possible direct contracting
- Using high performance networks in conjunctions with the Awardee, SBBC and the local hospital systems or Proposers existing high-performance networks
- Using Accountable Care Organizations (ACO's) or similar models/programs
- Redesign of benefit plans and contributions models
- Other creative cost savings programs

Currently, SBBC contributes 100% of the premium equivalent rates for employee only coverage for each of the three Premier plans. The enrollee pays 100% of the additional cost for dependent coverage. The contribution strategy for 2026 has not been determined. SBBC, at its sole option, can change or modify the current contributions strategy. SBBC remits its portion over a 12-month period. Any amounts above SBBC's portion (employee only coverage) are deducted and remitted based on the employee's work calendar (i.e., 18, 20 or 24 payroll deductions) on a self-bill basis.

SBBC permits employees to opt-out of the self-funded medical program and provides those who opt-out of coverage an amount of $750 annually. Currently, there are approximately 2,032 employees that opt out of the SBBC medical coverage.

At SBBC's sole option, SBBC may contract with one vendor for both Medical and Pharmacy or one vendor for Medical and one vendor for Pharmacy to provide all of the requested services, even if vendor delivers the requested services through a bundled arrangement. SBBC will not contract with independent agents or brokers to provide these services. All Proposers must be in compliance with all applicable Florida Statutes.

Gallagher Benefit Services, Inc. will be providing consultant services to SBBC in relation to this RFP (Refer to General Conditions Section 7.66).

The School Board of Broward County, Florida, Supplier Diversity Outreach Program, works to increase the participation of Emerging, Small, Minority, Veteran, and Women Business Enterprises (E/S/M/V/WBE). It is the intent of the Supplier Diversity Outreach Program to have a diverse group, as well as an equitable distribution of E/S/M/V/WBEs participating in any award of this Proposal. To be considered for the greatest amount of evaluation points for E/S/M/V/WBE participation, the Proposer must provide information on the specific certified E/S/M/V/WBE vendor(s) that will be used on any contract award for services described in this RFP. The Proposer should include the specific elements of work each E/S/M/V/WBE vendor(s) will be responsible for performing, and the percentage of the total contract value, refer Attachment A for links to Form 00470, Statement of Intent to Perform as an S/MWBE Subcontractor, and Form 00475, Small Minority Women Business Enterprise Subcontractor Participation Schedule. No information given in any other manner will be binding on SBBC.

# SECTION 3.0 – INTRODUCTION AND GENERAL INFORMATION (continued)

Questions received after this date and time may not be answered. Submit all questions to the attention of the individual stated above. If necessary, an Addendum will be issued. Representatives from all interested companies are encouraged to attend. The proposer's conference is also available through Microsoft Teams. Virtual Conference information is listed in Section 2.0 – Calendar.

The purpose of the Proposers' Conference is to allow prospective Proposers to bring forth questions they may have, to allow prospective Proposers to be aware of questions other Proposers may have, and to stimulate discussions that will generate questions in an effort to assist prospective Proposers in preparing the best and most comprehensive proposal for submission to SBBC. Questions submitted will be answered to all Proposers via Addenda. All questions shall be submitted in accordance with Section 3.2 - Questions and Interpretations. Any information given by any party at the Proposers' Conference is not binding on SBBC. Only the information provided in the RFP or via Addenda shall be considered by Proposers.

In addition, a representative from the SBBC Supplier Diversity & Outreach Program may be present to address questions regarding E/S/M/V/WBE participation.

3.4 **Contract Term:**

(a) The purpose of this RFP is to establish a contract commencing on **January 1, 2026, or the date of award, whichever is later, and continuing through December 31, 2028**. In the event that the award of a contract under this RFP is delayed by administrative proceedings for a Proposal protest, SBBC may choose at its sole discretion to revise the start and end dates of the awarded contract to provide the original contract term. As stated herein, the term of the contract may, by mutual agreement between SBBC and the Awardee, be extended for two additional one-year periods and, if needed, 180 days beyond the expiration date of the renewal period. SBBC and Awardee may, by mutual agreement, when exercising the option terms provided herein, extend the Agreement for a term period less than the full one (1) year option term. The Benefits Department will, if considering renewing, request a letter of intent to renew from each Awardee before the end of the current contract period. The Awardee will be notified when the School Board has acted upon the recommendation.

(b) When a subsequent Agreement award process for the award of the goods or services sought under a competitive solicitation is stopped due to the filing of a formal written protest, SBBC reserves the right to extend this Agreement beyond the expiration of the two (2) term extensions, and 180 calendar day term extension, awarded under this RFP for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until the new Agreement award under protest can be approved by SBBC.

3.5 **Price Adjustments: Prices offered shall remain firm through the first three (3) years of the contract.** A request for a price adjustment, with proper documentation justifying the adjustment, may be submitted in writing 270 days before the renewal anniversary date of the contract. Price adjustment requests shall be evaluated on an annual basis thereafter. Unit price adjustments must have written approval from SBBC before invoicing. Any unit price (i.e. ASO fee) adjustment invoiced without written approval from SBBC shall not be paid, and the invoice will be returned to the Awardee for correction. Requests for price adjustments shall not exceed 3% per adjustment.

3.5.1 The Director, Procurement & Warehousing Services, may, in the Director's sole discretion on behalf of the SBBC, equitably adjust pricing if the pricing or availability of supplies is adversely affected by extreme and unforeseen volatility in the marketplace. Consideration for any pricing adjustment shall require the vendor to provide irrefutable evidence that ALL the following circumstances exist:

Broward County Public Schools Is An Equal Opportunity/Equal Access Employer

## SECTION 3.0 – INTRODUCTION AND GENERAL INFORMATION (continued)

a. The volatility is due to causes wholly beyond the vendor's control and
b. The volatility affects the marketplace or industry, not just the vendor's source of supply; and
c. The effect on pricing or availability of supply is substantial and
d. The volatility so affects the vendor that continued performance of the contract would result in a substantial loss.

Note: Any pricing adjustment must be confirmed in writing by the Director of Purchasing.

3.6 **Submittal of Proposal:** Submit proposals in accordance with Section 4.0. Proposals should be organized and shall include the necessary information to be in full compliance with this Section. To facilitate the proposal evaluation process, special attention should be paid to organizing proposals in a manner consistent with Section 4.0. 5.2 **Technicalities:** Failure to respond, provide detailed information, or provide requested proposal elements may result in the reduction of points in the evaluation process. The Committee may recommend the rejection of any proposal containing material deviations from the RFP. The Committee may recommend waiving any irregularities and technicalities. If only one (1) responsive proposal is received, the Committee will proceed without scoring the one (1) responsive proposal and may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C."

5.3 **Evaluation Process:** The evaluation processes will be conducted in sequential steps as described below. Evaluation of proposals will be based on an average of the Committee Member's points (only for sections evaluated (scored) by the Committee).

# SECTION 5.0 – EVALUATION OF PROPOSALS (continued)

**Step 1: Minimum Eligibility:** Each proposal will be evaluated by SBBC's Procurement & Warehouse Services Department to determine if the proposal meets the minimum eligibility requirements as listed above in Section 4.2 of this RFP. Proposals that fail to meet the minimum eligibility requirements as stated for the RFP will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a member of the RFP Evaluation Committee

**Step 2: RFP Evaluation Committee:** This step evaluates the qualification, experience, scope of services and cost responses. The RFP Evaluation Committee will score the proposals on the basis of Proposer's Experience & Qualifications, Scope of Services and Cost of Services. The Committee further reserves the right to require oral presentations from any or all Proposers or to ask questions of any or all Proposers.

**Step 3: SDOP Evaluation:** Representatives of SBBC's Supplier Diversity Outreach Program (SDOP) will assign point values for the E/S/M/V/WBE information supplied in accordance with section 4.3.5 and the information requested and described further in **Attachment A**. All required forms must be executed and submitted with your proposal in order to receive points. The individual responsible for this portion of the evaluation is not a voting member of the Committee.

**Step 4: Score Computation:** All scores will be calculated and the Proposer with the highest average score will be considered the top ranked Proposer.

5.4 **Tie Score:** If a tie score between two or more Proposers presents itself during the scoring of points, the decimal points to the right of the number will be extended until the tie is broken. Rounding of numbers will be applied where applicable. If the tie score cannot be broken and all other numerical factors are equal in point value, then General Condition 7.55, Tie Proposal Procedures shall apply.

5.5 **Committee Questions:** The Committee reserves the right to ask questions of a clarifying nature once proposals have been opened, require presentations from all Proposers, interview any or all Proposers that respond to the RFP, or make their recommendations based solely on the information contained in the proposals submitted. Presentations, if required, will be part of the evaluation process.

5.6 **Committee's Recommendations:** A complete recording shall be made of each meeting (evaluation and negotiation session) conducted by the Committee by the Purchasing Agent. The Committee has the discretion to recommend an award to one (1) or more Proposers or to reject any or all of the submitted proposals. The Committee may choose to conduct one (1) or more exempt negotiation session(s) with as many ranked responsive proposers, in its sole judgment, deems appropriate prior to making its recommendation for award, starting with the highest-ranked proposer first, then the second highest-ranked proposer and so on. The Committee also has the discretion to commence negotiations with only a single responsive proposer if the Committee chooses to do so. During any such negotiations, the Committee reserves the right to negotiate any term, condition, specification, or price (other than those found or specified in Section 4.2, Section 6.3 and Section 7.1 of this RFP) during an exempt negotiation session with the highest-ranked responsive Proposer. In accordance with Section 286.0113(2), Florida Statutes, any negotiation session will be conducted to the exclusion of the other ranked responsive Proposers and the public. The Committee will recess the open public portion of the evaluation meeting and conduct the exempt negotiation session of the competitive selection process, beginning with the highest-ranked responsive Proposer first, then the second-highest-ranked Proposer, and so on until finished, or the Committee also has the discretion to commence negotiations with only a single responsive proposer if the Committee chooses to do so.

Each ranked responsive Proposer must be represented during its exempt negotiations session by an **authorized representative possessing the authority to bind the Proposer to the changes made during the negotiation session and be prepared to provide the Proposer's best and final offer**. Any information communicated between the Committee and a ranked responsive Proposer during an exempt negotiation session shall not be disclosed to anyone during the open portion of the meeting, including other ranked responsive proposers until disclosure is permitted pursuant to Section 286.0113(2), Florida Statutes.

## SECTION 5.0 – EVALUATION OF PROPOSALS (continued)

After the exempt negotiation session(s) is/are completed, the Committee shall reconvene the open public portion of the evaluation meeting and determine, by motion and a roll call vote, whether to recommend an award to one (1) or more ranked responsive Proposers; to declare an impasse with a ranked responsive Proposer; or to proceed with further negotiations with one (1) or more of the next highest-ranked responsive Proposers. The Committee may declare an impasse with a ranked responsive Proposer at any time or proceed with further negotiations with one (1) or more of the next highest-ranked Proposer(s). If negotiations are not successful or have reached an impasse with a ranked Proposer, the Committee reserves the right not to award a ranked Proposer if it is in the best interest of SBBC and must be stated on the record. The final scores are only a ranking of proposals for negotiation (i.e., the highest-ranked proposer will be the first to start the negotiations) and do not determine the actual award. The Committee determines the recommendation for the award of the RFP.

5.7 **Award**: The Evaluation Committee may recommend an award to a single medical proposer and/or to a single Pharmacy proposer, and the recommendation is solely at the discretion of the Evaluation Committee. These Proposers must have complied with the terms, conditions, and specifications of the RFP. After the conclusion of negotiations (as stated above), the recommended award would be made for the services sought in this RFP in accordance with the terms of the negotiations. An Agreement (in the form of the Sample Agreement attached hereto as **Attachment I** shall be prepared for execution by the Awardee and SBBC and shall be governed by the laws of the State of Florida and must have venue established in the 17th Judicial Circuit Court of Broward County, Florida or the United States Court of the Southern District of Florida. Agreements will be approved as to form and legal content by SBBC's General Counsel and will be submitted to SBBC for final approval. The recommendation to award the RFP shall be contingent upon the successful completion of a written Agreement. **Approval shall not be a guarantee of business, a guarantee of a specified volume of service, or minimum dollar revenue to be received under this contract.**

A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one (1) agency shall have government-wide effect. A lower tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction; and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower tier covered transactions to include the certification for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

## CERTIFICATION:

a) The prospective lower tier participant certifies, by submission of this RFP, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Every time a proposal is submitted that includes a reference to this Form, a new Form is required. Any proposal that does not include this required Form shall not be evaluated and shall not be considered for award. **A signature is required on BOTH, the Debarment Form, AND the Required Response Form.** A signature on one document cannot be substituted for the signature required on the other document. **Failure to complete and sign both documents requiring signature shall result in rejection of the proposal submitted.**

7.61 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this RFP shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the RFP is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the RFP shall constitute a waiver by Proposer of any applicable exemptions from disclosure or any confidential status including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of Proposer's response to the RFP. SBBC will provide for the inspection or copying any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the RFP or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to timely initiate such legal proceedings shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials.

By submitting a response to this RFP, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based upon SBBC's non-disclosure of portions of Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such nondisclosure.

7.62 **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee(s) shall keep and maintain public records required by SBBC to perform the services required under this contract. Upon request from SBBC's custodian of public records, Awardee(s) shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee(s) shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract's term and following completion of the contract if Awardee(s) does not transfer the public records to SBBC. Upon completion of the contract, Awardee(s) shall transfer, at no cost, to SBBC all public records in possession of Awardee(s) or keep and maintain public records required by SBBC to perform the services required under the contract. If Awardee(s) transfers all public records to SBBC upon completion of the contract, Awardee(s) shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee(s) keeps and maintains public records upon completion of the contract, Awardee(s) shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

**IF A PARTY TO THIS RFP HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE RFP, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

7.63 **E-VERIFY:** Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this RFP Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this RFP Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this RFP Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate the RFP Agreement. Termination pursuant to this section is not a breach of this RFP Agreement and may not be considered as such.

7.64 **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this RFP, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this RFP may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 7.46. If the default is not cured by the Awardee the steps in section 7.44 shall be taken.

7.65 **RE-RATING ENDORSEMENT**: Notwithstanding any provision in the Agreement between SBBC and Awardee to the contrary:

7.65.1 Awardee(s) must provide SBBC valid written notice, stating the amount of change proposed, at least 270 calendar days prior to the first renewal date of the Agreement. Notice that a change in rates or consideration is proposed, without stating clearly the exact amount and the effect of the proposed change on the overall consideration of the Agreement shall not constitute a valid notice. A written notice of any change in rates or other change in consideration shall be delivered by certified mail to: Director, Benefits & Employment Services, SBBC, 7770 W. Oakland Park Boulevard, 1st Floor, Sunrise, Florida 33351.

7.65.2 Any increase of rates or other provisions shall be preceded by delivery to SBBC of notice of any increase in rates or other provisions. Any such increase in rates or other provisions shall be effective only on January 1st following the current plan or applicable rate period year.

7.65.3 Notice by an Awardee(s) of intent to effect any change in consideration shall thereby entitle SBBC to cancel the Agreement without penalty.

7.66 **SBBC's CONSULTANT**: Gallagher Benefit Services, Inc. will be providing consultant services to SBBC in relation to this RFP. The Cone of Silence, General Condition 7.45, is hereby lifted when a representative from Gallagher Benefit Services contacts the Proposer for clarification issues or comments written in your submitted proposal. The Cone of Silence shall resume once the clarification issue has been answered. The word "clarification" shall mean the action of making a statement or situation less confusing and more comprehensible

## INSTRUCTIONS FOR ATTACHMENT C - CERTIFICATION OF DEBARMENT

1. By signing and submitting this proposal, the prospective lower-tier participant will provide the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. A copy of each SSAE 16 or SSAE 18 compliance assessment report(s) shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by the VENDOR or by any of VENDOR's subcontractors. 2.09 **Inspection of VENDOR's Records by SBBC**. VENDOR shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All VENDOR's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation, and reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze, and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze, and verify the applicable business records of VENDOR directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. (d) Failure to Permit Inspection. Failure by VENDOR to permit audit, inspection, examination, evaluation, and reproduction as permitted under this section constitute grounds for termination of this Agreement by SBBC for cause and are grounds for SBBC's denial of some or all of any VENDOR's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by VENDOR in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by VENDOR. If the audit discloses billings or charges to which VENDOR is not contractually entitled, VENDOR shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand.

(f) Inspection of Subcontractor's Records. If applicable, VENDOR shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by VENDOR to include such requirements in any subcontract constitute grounds for termination of this Agreement by SBBC for cause and are grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to VENDOR pursuant to this Agreement and such excluded costs shall become the liability of VENDOR.

VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

VENDOR shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. VENDOR understands and agrees that a material violation of this clause is considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.20 **Incorporation by Reference**. **Exhibit[s]** Insert appropriate Exhibit letters or numbers attached hereto and referenced herein are incorporated into this Agreement by reference.

Any Agreement with SBBC shall be terminated by SBBC without recourse, if a nongovernmental entity is found to have submitted a false affidavit.

## ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

A conflict of interest includes (but is not limited to) a situation in which the audit agent (a) is employed by an entity

which is a competitor of ASP; or (b) has terminated from ASP within the past 12 months; or (c) is affiliated with a vendor subcontracted by ASP to adjudicate claims. The audit firm in complying with state licensure requirements or professional standards with Auditing professional groups (e.g. American Institute of Certified Public Accountants) will meet ASP's standard for professionalism. If the audit firm is not licensed, or a member of a national professional group or if audit firm has a financial interest in audit findings or results, the audit agent will agree by signature to ASP's Code of Conduct in performing the audit.

(C) **Audit Coordination** - Plan Sponsor will provide reasonable advance notice of its intent to audit and will complete an Audit Request Form providing information reasonably requested by ASP. Further, Plan Sponsor or its representative will provide ASP at least four (4) weeks in advance of the desired audit date, with a complete and accurate listing of the transactions to be pulled for the audit, and with identification of the potential auditor. Notification requirements may exceed four weeks for unusual audit requests, including but not limited to audits involving large sample sizes (e.g., greater than 250 transactions). No audit may commence until the Audit Request Form is completed and executed by the Plan Sponsor, the auditor, and ASP.

(D) **Identification of Audit Sample** - The sample must be based on a statistical random sampling methodology (e.g., systematic random sampling, simple random sampling, stratified random sampling). ASP reserves the right to review and approve the sample size, the objectives of the audit and the sampling methodology proposed by the auditors.

(E) **Closing Meeting** - The auditors will provide their draft audit findings to ASP, in writing, and auditors shall discuss their draft audit findings with ASP at this stage of the audit process and as described in the scope document.

(F) **Audit Reports** - ASP will have a right to receive the final Audit Report. ASP shall have the right to include with the final Audit Report a mutually agreeable supplementary statement containing supporting documentation and materials that ASP considers pertinent to the audit.

### 2.8.1.6 RECOVERY OF OVERPAYMENTS

The parties will cooperate fully to make reasonable efforts to recover overpayments of Plan benefits. If it is determined, that any payment has been made by ASP to or on behalf of an ineligible person or if it is determined that more than the appropriate amount has been paid, ASP shall undertake good faith efforts to recover the erroneous payment. For the purpose of this provision, "good faith efforts" constitute ASP's outreach to the responsible party via letter, phone, email or other means to attempt to recover the payment at issue. If those efforts are unsuccessful in obtaining recovery, ASP will use an outside vendor, collection agency or attorney to pursue recovery unless the Plan Sponsor directs otherwise. With respect to contracted providers, ASP may withhold the applicable overpayment amount from subsequent payments to the provider to the extent permitted by law, contract, and system capabilities. Except as stated in this section, ASP has no other obligation with respect to the recovery of overpayments.

Overpayment recoveries made through third party recovery vendors, collection agencies, or attorneys are credited to Plan Sponsor net of fees charged by ASP or those entities. If such recovery are due to ASP's overpayment, then no fees will be charged to Plan Sponsor.

Overpayments must be determined by direct proof of specific claims. Indirect or inferential methods of proof — such as statistical sampling, extrapolation of error rate to the population, etc. — may not be used to determine overpayments. In addition, application of software or other review processes that analyze claims in a manner different from the claim determination and payment procedures and standards used by ASP may not be used to determine overpayments.

Plan Sponsor may not seek collection, or use a third party to seek collection, of benefit payments or overpayments from contracted providers, since all such recoveries are subject to the terms and provisions of the providers' proprietary contracts with ASP. For the purpose of determining whether a provider has or has not been overpaid, Plan Sponsor agrees that the rates paid to contracting providers for covered services shall be governed by ASP's contracts with those providers, and shall be effective upon the loading of those contract rates into ASP's systems, but no later than three (3) months after the effective date of the providers' contracts.

Plan Sponsor may not seek collection, or use a third party to seek collection, of benefit payments or overpayments from parties other than contracted providers described above, until ASP has had a reasonable opportunity to recover the overpayments. ASP must confirm all overpayments before collection by a third party may commence. Plan Sponsor may be charged for additional ASP expenses incurred in overpayment confirmation.

2.8.2. **Specific Audit Areas**

2.8.2.1 Performance Guarantee Audits. Plan Sponsor and/or its duly authorized representatives shall have the right, upon forty-five (45) calendar days' advance notice to ASP, to conduct performance guarantee with regards to reported metrics, financial accuracy and other areas as outlined in Exhibit E of this Agreement. Such audits are to be conducted during normal business hours of Records that are normally kept at ASP's Claims processing offices. ASP shall provide workspace to Plan Sponsor and/or duly authorized representatives. The selection of any audit representatives shall be made solely by Plan Sponsor.

2.8.2.2 In-Depth Audits. If, based upon the results of the audits described in Section 2.8.2.1 (Performance Guarantee Audits), or ASP's internal audits, Plan Sponsor reasonably determines that more in-depth audits are required, ASP shall permit Plan Sponsor and/or its authorized representatives to perform such an in-depth audit. Plan Sponsor shall have sole discretion in selecting a representative to conduct an in-depth audit. In the event that the in-depth audit is requested because prior audits revealed that (1) ASP's performance falls below the financial or nine-eight and one half percentage points (98.5%) accuracy performance targets by at least one and one half percentage points (1.5%) or below two and one half percentage points (2.5%) for procedural or combined accuracy for more than one quarter in a twelve (12)-month period, or (2)

ASP has overpaid claims in dollar value by at least two and one quarter percent (2.25%) for the sample of claims audited by Plan Sponsor. ASP will make reasonable recovery efforts as set forth in Section 2.8.1.6 above. Such in-depth audits shall not occur more frequently than two (2) times in a calendar year, unless deficiencies identified during an in-depth audit are not promptly cured by ASP.

2.8.2.3 Pharmacy Audits. Within twelve months after the end of each Contract Year hereunder, Plan Sponsor, may audit ASP's records of Claims adjudicated during the prior Contract Year. ASP shall make available to Plan Sponsor's auditor, any and all financial records containing Plan Sponsor's information and such other records as reasonably necessary for auditor to confirm that the amounts paid by Plan Sponsor are the cost to ASP on the day the Covered Drug was dispensed. Plan Sponsor agrees to not use as its auditors, any person or entity which, in the sole discretion of ASP, is a competitor of ASP, a pharmaceutical manufacturer representative, or any other person or entity which has a conflict of interest with ASP. Plan Sponsor auditing representatives understand that ASP's contracts with pharmaceutical manufacturers, Participating Pharmacies, and other third parties may contain non-disclosure provisions. Audits shall only be made during normal business hours following thirty (30) calendar days written notice, be conducted without undue interference to ASP's business activity, and in accordance with reasonable audit practices. Plan Sponsor's auditor may inspect ASP's contracts with Participating Pharmacies and pharmaceutical manufacturers at ASP's offices only, and no copies of such contracts may be removed from ASP's offices.

2.8.3. **Result of Audits**

2.8.3.1 Review of Audit Findings. After any audit is completed, a draft of the audit findings will be sent to ASP, in writing, ASP shall have the right to review a draft of the audit findings, discuss audit findings and provided written comments on those findings, within twenty (20) business days, or within such time period as is mutually agreed upon by the parties. ASP will have a right to receive the final Audit Report. ASP shall have the right to include with the final Audit Report a mutually agreeable supplementary statement containing supporting documentation and materials that ASP considers pertinent to the audit.

2.8.3.2 Modifications to Payment System. ASP shall make the necessary modifications to its claims administration process in order to correct any specific deficient performance under this Agreement identified in the audits and to satisfy Plan Sponsor as to the implementation of such modifications, all at no additional charge to Plan Sponsor.

2.8.3.3 Recovery of Overpayments. The parties will cooperate fully to make reasonable efforts to recover overpayments of Plan benefits. If it is determined that any payment has been made by ASP to or on behalf of an ineligible person or if it is determined that more than the appropriate amount has been paid, ASP shall undertake good faith efforts to recover the erroneous payment. For the purpose of this provision, "good faith efforts" constitute ASP's outreach to the responsible

party via letter, phone, email or other means to attempt to recover the payment at issue. If those efforts are unsuccessful in obtaining recovery, ASP will use an outside vendor, collection agency or attorney to pursue recovery unless the Plan Sponsor directs otherwise. With respect to contracted providers, ASP may withhold the applicable overpayment amount from subsequent payments to the provider to the extent permitted by law, contract, and system capabilities. Except as stated in this section, ASP has no other obligation with respect to the recovery of overpayments. Overpayment recoveries made through third party recovery vendors, collection agencies, or attorneys are credited to Plan Sponsor net of fees charged by ASP or those entities. If such recovery are due to ASP's overpayment, then no fees will be charged to Plan Sponsor.

Overpayments must be determined by direct proof of specific claims. Indirect or inferential methods of proof — such as statistical sampling, extrapolation of error rate to the population, etc. — may not be used to determine overpayments. In addition, application of software or other review processes that analyze claims in a manner different from the claim determination and payment procedures and standards used by ASP may not be used to determine overpayments.

Plan Sponsor may not seek collection, or use a third party to seek collection, of benefit payments or overpayments from contracted providers, since all such recoveries are subject to the terms and provisions of the providers' proprietary contracts with ASP. For the purpose of determining whether a provider has or has not been overpaid, Plan Sponsor agrees that the rates paid to contracting providers for covered services shall be governed by ASP's contracts with those providers, and shall be effective upon the loading of those contract rates into ASP's systems, but no later than three (3) months after the effective date of the providers' contracts.

Plan Sponsor may not seek collection, or use a third party to seek collection, of benefit payments or overpayments from parties other than contracted providers described above, until ASP has had a reasonable opportunity to recover the overpayments. ASP must confirm all overpayments before collection by a third party may commence. Plan Sponsor may be charged for additional ASP expenses incurred in overpayment confirmation.

**3. Duties of ASP.**

3.1 **Administrative Services.** ASP shall perform the administrative services set forth in this Exhibit (the "Administrative Services") in accordance with the reasonable exercise of its business judgment and all applicable statutory and regulatory requirements. Plan Sponsor shall cooperate with ASP's performance of these administrative services. Plan Sponsor shall at all times retain ultimate control over the assets and operations of the Plan and final responsibility for the obligations of the Plan imposed by law, except as expressly delegated in this Exhibit.

ASP shall not be required to provide Administrative Services under this Exhibit, which relates to health care services provided to Beneficiaries prior to the Effective Date or after the termination date of the Agreement.

3.2 **Plan Documents**. Plan Sponsor is responsible for the design and development of the Covered Services. ASP will draft such initial documents as Plan Sponsor may request, such as the Summary of Benefits and Coverage, Summary Plan Description, Identification Cards, Enrollment Kits, and Covered Individual Reimbursement Forms. The Plan Sponsor shall notify ASP in writing of its approval of these documents or shall make any changes and provide final changes to ASP at least thirty (30) calendar days prior to the Effective Date. If the Plan Sponsor makes material changes to such documents in a manner that may affect ASP's administration of the Plan, Plan Sponsor shall obtain ASP agreement to administer such changes, which agreement shall not be unreasonably withheld.

Plan Sponsor understands and agrees that as of the date of this Agreement, material changes to the Plan, other than those required by law, may only be made at the Plan year renewal or upon sixty (60) calendar days prior notice to Beneficiaries.

3.3 **Provider Contracting Services.** ASP shall arrange for the reasonable availability of Covered Services from Network Providers. Network Providers shall be contractually obligated to meet ASP's credentialing standards, including, but not limited to maintenance of licensure and malpractice insurance.

3.4 **Reports to Plan Sponsor.** ASP shall provide Plan Sponsor with such of ASP's standard reports as are listed in the RFP Response to this Agreement at the rates, if any, set forth in Exhibit B. Any other reports and their costs shall be provided for a mutually agreed price determined by the parties.

3.5 **Coverage Verification.** ASP shall develop and maintain Beneficiary and provider files to permit eligibility verification, rate and provider compensation computations, claims adjudication and efficient and timely response to inquiries from Beneficiaries and Providers. ASP may rely on information regarding the eligibility of Beneficiaries provided by Plan Sponsor. Notwithstanding anything herein to the contrary, Plan Sponsor shall be responsible for determining eligibility, or leave of absence for Beneficiaries which are active employees and their dependents ASP shall be responsible for billing overage dependents, COBRA, retiree and their Dependents and providing appropriate notices with respect to continuation of coverage following the occurrence of qualifying events under COBRA, if applicable.

3.6 **Telephone Access**. ASP shall establish and maintain adequate telephone lines and staff responsible for receiving and responding to inquiries and problems relating to Beneficiaries and services of providers to Beneficiaries under the Plan.

3.7 **Quality Improvement and Utilization Review.** ASP shall maintain systems and procedures necessary or appropriate for the operation of a reasonable and appropriate utilization review and quality improvement programs.

3.8 **Delegation of Claims Processing/Payment Services.** Plan Sponsor hereby delegates to ASP the responsibility and full discretionary authority for the interpretation of coverage of benefits (Covered Services) under the Plan in connection with ASP's adjudication of claims and administration of the appeal of claims denied, in whole or in part, as such reviews are required under applicable law, rules and regulations. ASP accepts such delegation. ASP shall interpret the language of the Plan in accordance with a uniform benefit coverage standard across localities, regions and state lines, regardless of the Beneficiary's geographic location. Any determination or interpretation made by ASP pursuant to this discretionary authority shall be given full force and effect and be binding on Plan Sponsor and Beneficiary, subject to the latter's legal rights. Nothing in this Exhibit is intended to create in ASP any fiduciary status other than in connection with the claims adjudication function delegated herein.

3.8.1. **Establishment of Plan Funding Account**—Benefit payments will be made by wire transfers to ASP, from Plan Sponsor to bank account. ASP will advise of the amount to be charged for benefit payments and for agreed upon fees payable to ASP upon receipt of invoice on Tuesdays with payment due on or before Thursday (unless Plan Sponsor is closed). Plan Sponsor will notify their bank to initiate payment to be funded by the Plan Sponsor's general corporate account for transfer to the ASP account. The transfer will cover the total amount of Plan Sponsor's identified liabilities, as determined by ASP in compliance with and in a manner required to fulfill Plan Sponsor's obligation listed in Agreement.

3.8.2. **Claims Processing.** ASP will process all Clean Claims within thirty (30) calendar days of receipt of such claim and will make a recommendation regarding denial or payment of each processed claim. Each week, ASP will prepare a report of all valid claims that have been processed for Covered Services provided to a Beneficiary under the terms of the Plan and recommended for payment. ASP will deliver the report to Plan Sponsor through a secure website, email or by facsimile. ASP will also prepare and deliver to Plan Sponsor each week a check register for the previous week that includes a listing of each check, payee name and payee amount that ASP recommends be issued based upon the report of processed claims and the total amount of monies that must be deposited into the CPA in order to cover the claims recommended for payment.

3.8.3. **Claims Payment.** ASP shall provide Plan Sponsor with a claims report on a weekly basis, on Tuesday with payment due on or before Thursday (unless Plan Sponsor is closed) of each week.

Plan benefit payments and related charges of any amount payable under the Plan shall be made by check drawn by ASP payable through the Bank or by electronic

funds transfer or other reasonable transfer method. Plan Sponsor, by execution of the Agreement, expressly authorizes ASP to issue and accept such checks on behalf of Plan Sponsor for the purpose of payment of Plan benefits and other related charges. Plan Sponsor agrees to provide funds through its designated bank sufficient to satisfy all Plan benefits and related charges upon notice from ASP or the Bank of the amount of payments made by ASP. Plan Sponsor agrees to instruct its bank to forward an amount in Federal funds equal to such liability by wire transfer or such other transfer method agreed upon between Plan Sponsor and ASP. As used herein "Plan benefits" means payments under the Plan, excluding any copayments, coinsurance or deductibles required by the Plan.

ASP shall advise Plan Sponsor of any disputed health care claims, that directly impact SBBC (of which ASP is aware), by Beneficiaries over which litigation has been commenced or threatened or which is reasonably likely to result in litigation. In all such disputed or unresolved cases, the authority to resolve such claims is expressly retained by ASP and ASP expressly retains the authority to make the ultimate decision with regard to such claims. ASP also retains the authority to decide whether an investigation of any disputed claim is to be conducted and, if so, the extent of that investigation.

3.8.4. **No Duty to Pay Claims from ASP Funds**. Under no circumstances shall ASP be liable for the payment of claims, or other monies owed to Provider (Network and Non-Network) and vendors of goods and services provided under the terms of the Plan, nor shall ASP be required to advance or use its own funds to make any such payments. Plan Sponsor shall be responsible for all expenses incident to the operation of the Plan, including but not limited to all risk of loss with regard to any mistake or error whatsoever in the verification of eligibility of Beneficiaries due to erroneous information supplied to ASP. ASP will not be considered the insurer, guarantor or underwriter of the liability of Plan Sponsor to provide benefits for Beneficiaries, and Plan Sponsor will have the sole responsibility and liability for payment of claims in accordance with the provisions of the Plan. ASP shall have no liability for underpayments or overpayments of claims made under the Plan. However, ASP shall make reasonable efforts to recover reimbursement for overpayments to Network Providers as allowable under the terms of its contracts with Network Providers and shall return such overpayments to Plan Sponsor upon receipt. ASP shall have no obligation with respect to any such claim, but shall cooperate with Plan Sponsor by furnishing such evidence as ASP has available in connection with the defense of any such action.

3.8.5. **Failure to Fund.** In the event that Plan Sponsor fails to fund the Plan Sponsor Account as set forth in this Exhibit, ASP shall immediately notify Plan Sponsor in writing (the "Failure to Fund Notice"). Plan Sponsor shall deposit into the Plan Sponsor Account the amount stated in the Failure to Fund Notice by the close of business on the business day following the business day of Plan Sponsor's receipt of the notice.

3.8.5.1. Termination of Exhibit A. In the event that Plan Sponsor fails upon three (3) or more notices to so fund the Plan Sponsor Account, ASP, in its sole discretion, may immediately terminate this Exhibit upon notice to Plan Sponsor.

3.8.5.2. Additional Payment Due to Failure to Fund. Plan Sponsor understands and agrees that if Plan Sponsor fails to fund the Plan Sponsor Account as required by this Exhibit, and such failure to fund causes claims for Covered Services provided to Beneficiaries to be paid later than required by law, regulation or an applicable Network Provider agreement, Plan Sponsor shall pay any additional amounts (whether interest, statutory penalties, or loss of contracted rate) required to be paid due to Plan Sponsor's failure to fund the Plan Sponsor Account and in the amount required under the applicable Network Provider agreement or by law or regulation.

3.9 **Subrogation/Recovery/Coordination of Benefits.** ASP shall administer a coordination of benefits, recovery and subrogation program on behalf of Plan Sponsor, subject to the approval of the Plan Sponsor and as outlined in SPD.

ASP, along with its affiliates, has contracted with a third-party vendor (the "Recovery Vendor") to recover monies paid to Providers that should not have been paid to such Providers ("Ineligible Payments"). Ineligible Payments may occur for numerous reasons, including, but not limited to, late notice to ASP of an ineligible Covered Individual; a Covered Individual failing to provide correct coordination of benefits information to Plan Sponsor or ASP; or a Provider failing to disclose all information related to the service or item requested for payment under the Plan.

ASP, along with its affiliates, also has contracted with a third party vendor (the "Subrogation Vendor") to supervise ASP's Plan Sponsors' interests in litigation with third parties that may lead to a subrogation payment to ASP's Plan Sponsors, including Plan Sponsor. (The "Recovery Vendor" and "Subrogation Vendor" are hereinafter collectively referred to as the "Vendors" and individually as a "Vendor.")

ASP shall identify Ineligible Payments and potential subrogation matters that are appropriate to refer to the appropriate Vendor. The appropriate Vendor shall be paid a portion or percentage of any Ineligible Payment or subrogation amount that it recovers as payment for its services (a "Contingent Cost"). Contingent Costs shall be equal to the mutually agreed upon amount set forth in the contract between ASP and the applicable Vendor, the maximum of which is disclosed in the response to the RFP and Exhibit B of this Agreement.

ASP shall notify Plan Sponsor of amounts recovered by and paid to the Vendors. Plan Sponsor understands and agrees that Contingent Costs paid to the Vendors shall be deducted from amounts refunded to Plan Sponsor and ASP shall have no duty to pay such Contingent Costs or refund amounts equal to such Contingent Costs to Plan Sponsor. Further, Contingent Cost shall be paid by Plan Sponsor in addition to the Administrative Services Charge(s) and other charges described herein.

Notwithstanding the foregoing, neither ASP nor any Vendor shall act on behalf of Plan Sponsor in any way in the case of class action litigation. If requested by Plan Sponsor, ASP shall cooperate with Plan Sponsor by providing claims information reasonably necessary for Plan Sponsor to pursue a claim in any class action litigation.

3.10 **Government Program Reimbursement**. Where the Beneficiary has also filed a claim or an appeal under any law applicable to benefit entitlement, such as worker's compensation, unemployment compensation, or disability, ASP will recommend appropriate action (such as holding such claim in a pending file), or shall turn the claim over to Plan Sponsor if the claim becomes involved in legal action or proceedings under such laws.

4. **Beneficiary Appeals/External Review.**

As part of its delegated duties under this Exhibit, ASP shall administer two levels of appeal under the Plan and have final authority on all disputed claims, subject to external review required under law. ASP shall administer a third level of appeal subject to external review process. Plan Sponsor shall cooperate with ASP and promptly respond to any requests for information.

4.1. Administrative Services Charge(s). In consideration of the administrative and other services to be provided hereunder, Plan Sponsor shall pay ASP those amounts (the "Administrative Services Charge(s)") set forth in Exhibit B of this Agreement. ASP shall provide a monthly invoice to Plan Sponsor in a format mutually agreed upon by the parties on or about the 15th of the month prior to the date the Administrative Services Charge(s) are due and shall notify Plan Sponsor that the invoice has been posted. The invoice shall contain an itemization of the Administrative Services Charge(s), including administrative charges, access charges, and other costs. Plan Sponsor acknowledges that these charges may include costs for services and products provided by third parties to Plan Sponsor. Plan Sponsor authorizes and directs ASP to pay any administrative costs to such third parties on behalf of Plan Sponsor.

Plan Sponsor shall pay the Administrative Services Charge(s) to ASP no later than thirty (30) calendar days from the date of notification of posting of the monthly invoice. Payment can be made to ASP by Plan Sponsor by wire transfer, direct withdrawal or U.S. Mail. In the event that Plan Sponsor disputes any amount contained on a monthly invoice, Plan Sponsor must notify ASP as soon as reasonably practical. If ASP is in agreement with Plan Sponsor, any adjustments will be recognized on the invoice for the next month. At ASP's discretion, all amounts unpaid for more than thirty (30) calendar days following the date of the invoice shall be subject to an interest charge at a monthly rate of the lesser of the maximum amount allowable by the law of the state in which Plan Sponsor is located or one and one-half percent (1.5%).

ASP shall meet such performance guarantees, set forth in Exhibit E including at a minimum annual reporting.

4.2. **Monthly Enrollment Adjustments.** Monthly fees based on the number of Plan Sponsor's Employees enrolled in the Plan each month will be paid based upon the ASP's records of current enrollment in the Plan as of the first day of each month. Appropriate adjustments will be made for enrollment variances.

In the case of an Employee whose coverage is terminated and ASP is notified of said termination after the sixtieth (60th) day following the termination date, ASP will not provide to the Plan Sponsor any adjustment to the administrative charge for that Employee.

4.3. **Changes of/Additional Administrative Service Charges.**

4.3.1. The ASP will have the right to adjust all or a portion of the Administrative Services Charge(s) upon delivery of notice of such adjustment to Plan Sponsor forty-five (45) calendar days prior to such adjustment if material changes are made to this Exhibit or any amendment to the Plan which affects ASP's costs of services under this Exhibit.

4.3.2. The ASP may charge Plan Sponsor reasonable amounts for the reproduction or return of Plan records requested by Plan Sponsor or governmental agencies. Plan Sponsor shall reimburse, subject to Plan Sponsor approval, ASP for reasonable amounts charged by medical providers and others for information reasonably requested by ASP to perform its duties under this Exhibit.

4.3.3. Upon forty-five (45) calendar days' notice to Plan Sponsor, ASP may adjust the Administrative Service Charge(s) if any change in law or regulations imposes duties or obligations on ASP greater than those specified by this Exhibit at the time of such change.

4.4. **Additional Services.** In the event that Plan Sponsor requests ASP to provide services other than those specified in Section 3 of this Exhibit, including, but not limited to, special research projects, reports, claims system changes to accommodate program changes, or other tasks to be specifically performed for and on behalf of Plan Sponsor, Plan Sponsor shall pay to ASP an additional charge to be mutually agreed upon by the parties in writing before the services are provided.

4.5. **Exclusions.** Expenses incurred by Plan Sponsor for the following services shall not be the responsibility of ASP: (i) expenses associated with meetings, communications and mailings to the Plan Sponsor, including its Board of Trustees or committees that do not pertain to the administration of the Plan; (ii) all insurance costs, including professional liability/malpractice, general liability coverage, which may be purchased for the Plan Sponsor; (iii) taxes or other government obligations of the Plan; (iv) the Plan Sponsor's annual financial audit and such other audits and financial statements required by state or federal law and cost associated with preparation of the Plan Sponsor's annual tax returns or other returns or reports for Plan; (v) costs of legal services for the Plan which arise in the normal course of the Plan's operations including ASP's provision of services for the Plan; (vi) license and filing costs and penalties and other costs associated with annual and other

reports required to be filed by the Plan Sponsor by federal and state statutes and regulations; (vii) expenses for independent legal, independent accounting and independent actuarial services of the Plan Sponsor; (viii) access fees for other network services purchased outside of this Exhibit; and (ix) all items expressly agreed upon by the parties and set forth in this Exhibit.

**5. Termination.**

5.1 Run-Out Period. In the event of termination of this Agreement, ASP shall continue to process claims during the Run-Out Period for health care services, equipment and supplies provided while this Agreement was in effect. Run-Out services are included for 12 months at no additional cost. On the first day following the end of the Run-Out Period, ASP shall forward any claims not yet fully processed to Plan Sponsor or to the person or entity to whom Plan Sponsor directs ASP to send such claims.

Notwithstanding the foregoing, if ASP has terminated this Agreement due to the breach of Plan Sponsor, including but not limited to, failure to fund the PFA, ASP shall have no obligation to continue to render any services during the Run-Out Period.

5.2 **Record Transfer.** Upon the termination of ASP's duties hereunder, it shall be the responsibility of the Plan Sponsor to arrange and pay all costs for the transfer to a successor of custody of any of Plan Sponsor's records in ASP's possession or Benefits Outsource, Inc, excluding current data feeds provided to Plan Sponsor by ASP. ASP may, at its option, transfer such records in such form as it may desire, including computer tapes or disks. Information shall be presented in the form of ASP's then current standard file layouts at the time the data is requested, and it is the responsibility of the Plan Sponsor to convert such information into any other form required by the successor.

5.3 **Duties on Termination.** As of the effective termination date of this Exhibit, this Exhibit shall be considered of no further force of effect, provided, however, that each party shall remain liable for any obligations or liabilities arising from activities carried on by such party or its agents, servants, or employees during the period this Exhibit was in effect except those terms and conditions of the Exhibit expressly so noted shall survive termination of this Exhibit, including but not limited to post-termination services provided during the Run-Out Period.

**6. Access to Books and Records.**

6.1 Plan Sponsor Books and Records. Plan Sponsor agrees that ASP may have access to its books and records, on reasonable notice, and at reasonable times, during normal business hours, to verify the number of Beneficiaries reported by Plan Sponsor hereunder. This provision shall survive any termination of this Exhibit.

6.2 ASP Books and Records. ASP shall maintain books of accounts and supporting documents for its services hereunder in accordance with generally accepted accounting principles consistently applied, during the term of this Exhibit and for seven (7) years thereafter or, a longer period, if required by applicable law. Any claims audit shall be conducted in accordance with Section

2.7 and 2.8.

6.3 Proprietary Rights. Plan Sponsor acknowledges that ASP (including its affiliates) has developed and may develop in connection with this Exhibit, certain symbols, trademarks, service marks, designs, data, processes, systems, computer software, manuals, lists, programs, plans, procedures and information, including, but not limited to, utilization management and quality improvement plans and policies, all of which are proprietary information and trade secrets of ASP (collectively "Materials"). Such Materials are the property of ASP during the term hereof and thereafter. Plan Sponsor shall not use the Materials, except as expressly contemplated by this Exhibit, without the prior written consent of ASP, and shall cease any and all usage of the Materials immediately upon the termination of this Exhibit. If SBBC - In the event of a breach or a threatened breach of this Section 6.3 by SBBC, the parties agree and acknowledge that the remedy at law for any breach or threatened breach shall be inadequate and ASP shall be entitled to an injunction restraining Plan Sponsor from committing or continuing to commit any such breach, without being required to post bond or other security and without having to prove the inadequacy of the available remedies at law. Nothing contained herein shall be construed as prohibiting ASP from pursuing any other remedies for such breach or threatened breach.

If a public records request - In the event of a breach or a threatened breach of this Section 6.3 due to a public records request, the parties agree and acknowledge that the remedy at law for any breach or threatened breach shall be inadequate and ASP shall be entitled to an injunction precluding Plan Sponsor from complying with the public records request, without being required to post bond or other security and without having to prove the inadequacy of the available remedies at law. Nothing contained herein shall be construed as prohibiting ASP from pursuing any other remedies for such breach or threatened breach. In the event of a **Public Records Request of Redacted Data**. Upon a public records request for ASP's marked trade secret information, SBBC will notify ASP timely and ASP promptly will provide SBBC with a court order to protect such data being deemed trade secret. If ASP wishes to protect data contained in this Agreement or any Exhibits attached hereto, then ASP at its sole option, expense, and defense to protect such data from public domain is ASP's full and sole responsibility. If ASP does not obtain such court order in a timely fashion, then the Plan Sponsor may release the requested data to fulfill the public records request. Areas highlighted in yellow and in red font in this Agreement and Exhibits have been requested by ASP to be marked as a trade secret.

**7.0 Relationships.**

7.1 **Relationships of the Parties**. In the performance of the work, duties and obligations of the parties pursuant to this Exhibit, ASP shall at all times be acting and performing as an independent contractor with respect to Plan Sponsor. No relationship of employer and employee, or partners, agents, or joint ventures between ASP and Plan Sponsor is created by this Exhibit, and neither party may therefore make any claim against the other party for social security benefits, workers' compensation benefits, unemployment insurance benefits, vacation pay, sick leave or any other employee benefit of any kind. In addition, neither party shall have any power or authority to act for or on behalf of, or to bind the other except as herein expressly granted, and no other or greater power or authority shall be implied by the grant or denial of power or authority specifically mentioned herein.

7.2 **Relationship of ASP and Providers.** ASP has contracted with Network Providers as independent contractors to provide Covered Services. Network Providers and their employees and agents are not employees and agents of ASP and neither ASP nor any employee of ASP is an employee or agent of the Network Providers. ASP is not responsible and shall not be liable for any claims that may arise from the provision of Covered Services (or any other services outside the scope of this Exhibit) to Beneficiaries by Network Providers.

7.3 **Relationship of Providers and Beneficiaries**. Each Provider who is a Network Provider shall maintain the usual and customary Provider-patient relationship with Beneficiaries and shall be solely responsible for medical treatment. The parties acknowledge and agree that any and all decisions rendered by ASP in its administration of this Exhibit, including, but not limited to, all decisions with respect to the determination of whether or not a service is a Covered Service, are made solely to determine if payment of benefits under the Plan is appropriate. The sole responsibility of Plan Sponsor in regard to a Network Provider's services is payment for Covered Services that are provided to Beneficiaries under the terms of the Plan, and nothing contained herein shall be construed as interfering with the Provider-patient relationship. Nothing herein shall require a Provider to commence or continue providing medical treatment to a Beneficiary. Further, nothing herein shall require a Beneficiary to commence or continue receiving medical treatment from a Provider.

7.4 **Fiduciary Status**. It is understood that ASP is not a named Plan fiduciary, Plan Administrator, or fiduciary of the Plan except as to the extent required by applicable law, and that, with respect to the provision of services by ASP under this Exhibit, ASP shall not assume any obligations of Plan Sponsor, the named Plan fiduciary or the Plan Administrator under the provisions of PPACA, COBRA, or any other applicable law except as expressly stated in this Exhibit. 1. Are you willing to provide rate guarantees/rate caps for years four and five? Yes [X] No___ If yes, describe the rate guarantees/ rate caps you are proposing.

   Years four and five not to exceed 3% fee increases.

2. Describe what products and services are included in your disease management fees.

   Disease management programs are included in our proposal. Please refer to attachment A1 Medical Questionnaire #194 for a completion description of our disease management programs.

Aetna's Enhanced Clinical Review program helps contain rapidly rising costs while enabling members to access care using evidence-based guidelines. Our outpatient precertification process includes high-tech radiology procedures, diagnostic cardiology, facility-based sleep studies, cardiac rhythm implant devices, interventional pain management and hip and knee replacement procedures in all HMO markets and most of our PPO markets. Our program aims to manage costs through prospective medical review and to encourage network utilization. The Enhanced Clinical Review Program charge is $0.70 per member per month through the claim wire for participation in this program. This fee is only assessed for membership in markets where the program operates. The School Board of Broward County's specific savings for this program was $1.76 PMPM.

Capitations are not included.

4. Identify all fees, savings programs, percentages of savings, etc. and if these are fixed for 36 months.

The National Advantage Program includes three components, Contracted Rates, Facility Charge Review and Itemized Bill Review. The contracted rates component offers access to contracted rates for many medical claims from non-network providers, including claims for emergency services and claims by hospital-based specialists such as anesthesiologists and radiologists who do not contract with insurers. The Facility Charge Review component provides reasonable charge allowance review for most inpatient and outpatient facility claims where a NAP contracted rate is not available. The Itemized Bill Review Program applies to inpatient facility claims submitted by Aetna network providers (directly contracted) if (a) the submitted claim amount exceeds a certain threshold as determined by Aetna; and (b) Aetna's contracted rate with the provider uses a "percentage of billed charges" methodology. Aetna will forward IBR claims to a vendor to review and identify any billing inconsistencies and errors. We will retain 35% percent of savings from the Contracted Rates National Advantage Program, Facility Charge Review and Itemized Bill Review components. A maximum fee of $100,000.00 per claim will apply.

A contingency of up to 30.0% percent is paid to a vendor upon recovery of a self-funded customer's claims for certain claim overpayment programs such as the following: coordination of benefits, retroactive termination, audits (Hospital, DRG, High Cost Drugs, etc.), duplicate bills, contract compliance, claim and code review program. Also, a contingency fee of up to 30.0% is applicable for comprehensive subrogation services.

- Audits such as hospital claims, specialty drugs, DRG, etc. (list separately)
- Duplicate bills
- Contract compliance
- Out-of-network negotiated rates
- Large inpatient claim review
- Other (list any missing from the list)

Book of business values for overpayment recovery programs could vary by plan sponsor based on the type of claims that are paid and the amount identified and recovered.

In addition, the out of network negotiated revenue could vary depending on a plan sponsors NAP Fee %, product, plan design, network (i.e. narrow network), geography and member utilization. Due to the variables a book of business amount is not available.

b) Are or can the amounts retained by your organization be reported with each wire transfer request?

Yes, the claim detail report will have specific draft accounts that will outline the retained amounts for our overpayment recovery, subrogation, and out of network savings programs.

c) List every third party vendor that will be involved in the administration of the School Board's plans including name of vendor, amount paid to the vendor for services rendered including minimum and how long this vendor has been working with your organization.

We make sure that claims are valid and covered and we process payment for them. The claim services are claim processing, adjudication, member services, distribution, claim system, and home office support.

   The administration fee includes plan administration costs representing a designated service center, account management team, onsite open enrollment meeting preparation, ID cards, summary of benefits and coverage, claim fiduciary option 1 and external review.

1. Are you willing to provide rate guarantees/rate caps for years four and five? Yes [X] No__ If yes, describe the rate guarantees/ rate caps you are proposing.

   Years four and five not to exceed 3% fee increases.

2. Describe what products and services are included in your disease management fees.

   Disease management programs are included in our proposal. Please refer to attachment A1 Medical Questionnaire #194 for a completion description of our disease management programs.

3. Identify any other fees or costs that are not stated above, that would be included in your pricing. Include the amount of fee(s), cost(s), purpose for fee(s)/cost(s) and how the fee(s)/cost(s) is billed to SBBC. Also include any capitated claim expenses.

   Aetna's Enhanced Clinical Review program helps contain rapidly rising costs while enabling members to access care using evidence-based guidelines. Our outpatient precertification process includes high-tech radiology procedures, diagnostic cardiology, facility-based sleep studies, cardiac rhythm implant devices, interventional pain management and hip and knee replacement procedures in all HMO markets and most of our PPO markets. Our program aims to manage costs through prospective medical review and to encourage network utilization. The Enhanced Clinical Review Program charge is $0.70 per member per month through the claim wire for participation in this program. This fee is only assessed for membership in markets where the program operates. The School Board of Broward County's specific savings for this program was $1.76 PMPM.

   Capitations are not included.

4. Identify all fees, savings programs, percentages of savings, etc. and if these are fixed for 36 months.

The National Advantage Program includes three components, Contracted Rates, Facility Charge Review and Itemized Bill Review. The contracted rates component offers access to contracted rates for many medical claims from non-network providers, including claims for emergency services and claims by hospital-based specialists such as anesthesiologists and radiologists who do not contract with insurers. The Facility Charge Review component provides reasonable charge allowance review for most inpatient and outpatient facility claims where a NAP contracted rate is not available. The Itemized Bill Review Program applies to inpatient facility claims submitted by Aetna network providers (directly contracted) if (a) the submitted claim amount exceeds a certain threshold as determined by Aetna; and (b) Aetna's contracted rate with the provider uses a "percentage of billed charges" methodology. Aetna will forward IBR claims to a vendor to review and identify any billing inconsistencies and errors. We will retain 35% percent of savings from the Contracted Rates National Advantage Program, Facility Charge Review and Itemized Bill Review components. A maximum fee of $100,000.00 per claim will apply.

A contingency of up to 30.0% percent is paid to a vendor upon recovery of a self-funded customer's claims for certain claim overpayment programs such as the following: coordination of benefits, retroactive termination, audits (Hospital, DRG, High Cost Drugs, etc.), duplicate bills, contract compliance, claim and code review program. Also, a contingency fee of up to 30.0% is applicable for comprehensive subrogation services.

- Audits such as hospital claims, specialty drugs, DRG, etc. (list separately)

In addition, the out of network negotiated revenue could vary depending on a plan sponsors NAP Fee %, product, plan design, network (i.e. narrow network), geography and member utilization. Due to the variables a book of business amount is not available.

5. Is there a difference in the stated ASO fees for sole carrier versus dual carrier? Yes [X] No__ If yes, provide both sole carrier and dual carrier fees.

Our proposal is for a sole carrier option, if SBBC wishes to offer multiple carriers, the administrative fees will need to be reviewed and discussed.

6. Describe how you develop your administrative pricing for self-funded accounts.

Administrative fees are developed based on our core administrative costs including group specific requirements. Specific actuarial formulas and factors used to calculate our self-funded contract fees are proprietary in nature.

- What do administrative costs (including network charges) represent?

  Network charges are included in our $29.95 PEPM administrative fee. The network component of our administrative fee represents the managing of our network and contracting with providers. It includes network access, Institute of Quality Program, National Medical Excellence Program, Teladoc services and many other services.

  Our administrative fee also represents the servicing and processing of your claims accordingly to SBBC's Summary Plan Descriptions. We make sure that claims are valid and covered and we process payment for them. The claim services are claim processing, adjudication, member services, distribution, claim system, and home office support.

  The administration fee includes plan administration costs representing a designated service center, account management team, onsite open enrollment meeting preparation, ID cards, summary of benefits and coverage, claim fiduciary option 1 and external review.

  It also includes our care management programs such as Aetna Compassionate Care Program, Aetna Heath Connections Disease Management, Medquery with Member Messaging, Personal Health Record, Regional Case Management (Aetna One Essentials), and Utilization Management. Aetna is introducing two new medical management programs Aetna Advice and Healing Better.

  The member resources included in our administration fee are member website and mobile experience and enhanced customer servicing framework.

We have also included 5 dedicated account associates and 2 wellness coaches included in our administration fee as well as reporting charges and behavioral health administration such as behavioral health conditions management and applied behavioral analysis. In addition, we are able to support SBBC's COBRA administration and wellness initiatives.

Pharmacy Service and Fee Schedule- ASP Standard Plan

## Additional Disclosures

The Customer acknowledges that the Retail Discounts and Dispensing Fees contained in this Agreement reflect a Traditional or Lock-In pricing arrangement. Traditional or Lock-In Pricing means that the amount charged to the Customer and Plan Participants for retail network claims may differ from the amount paid to Participating Retail Pharmacy and/or Aetna's PBM subcontractor and Aetna retains the difference, in addition to any other fees or charges agreed upon by Aetna and Customer, as compensation for the pharmacy benefit management services provided to the Customer.

Aetna reserves the right to make appropriate changes to these price points if any event materially impacts Aetna's net income derived under this Agreement. Such events include (i) the termination or material modification of any material manufacturer Rebate contract, (ii) any significant changes in the composition of Aetna's pharmacy network or in Aetna's pharmacy network contract compensation rates with its pharmacy network subcontractor, CVS Health, (iii) a change in government laws or regulations, (iv) a change in the Plan that is initiated by Customer, (v) AWP is discontinued or modified in whole or in part, or (vi) a greater than 15% change in enrollment or a material change, as defined by Aetna, in the drug utilization, plan design, geographic mix or demographic mix of the covered population from what was assumed at the time of underwriting. Aetna shall provide the Customer with at least sixty (60) days written notice of such changes together with a sufficiently detailed explanation supporting these price point changes. If sixty (60) days written notice is not practicable under the circumstances, Aetna shall provide written notice as soon as practicable.

Aetna reserves the right to modify its products, services, and fees, and to recoup any costs, taxes, fees, or assessments, in response to legislation, regulation or requests of government authorities. Any taxes or fees (assessments) applied to self-funded benefit Plans related to The Patient Protection and Affordable Care Act (PPACA) will be solely the obligation of the Plan sponsor. The pharmacy pricing contained herein does not include any such Plan sponsor liability.

**Rebate Payment Terms**

Rebates will be distributed on a quarterly basis by claim wire credit. We will pay the minimum rebate guarantee within 90 days of the end of each calendar quarter. Annual reconciliation will occur within 180 days after the end of the policy period. Rebates are paid on Prescription Drugs dispensed by Participating Pharmacies and covered under Customer's Plan. Rebates are not available for Claims arising from Participating Pharmacies dispensing Prescription Drugs subject to either their (i) own manufacturer Rebate contracts or (ii) participation in the 340B Drug Pricing Program codified as Section 340B of the Public Health Service Act or other Federal government pharmaceutical purchasing program. The Customer shall adopt the formulary indicated in the rebates section of this Service and Fee Schedule in order to be eligible to receive Rebates.

The rebate payments will be made in March, June, September, and December.

If this Agreement is terminated by Aetna for the Customer's failure to meet its obligations to fund benefits or pay administrative fees (medical or pharmacy) under the Agreement, Aetna shall be entitled to deduct deferred administrative fees or other plan expenses from any future rebate payments due to the Customer following the termination date.

Formulary Management

Aetna offers several versions of formulary options ("Formulary") for Customer to consider and adopt as Customer's Formulary. The formulary options made available to Customer will be determined and communicated by Aetna prior to the implementation date. Customer agrees and acknowledges that it is adopting the Formulary as a matter of its plan design and that Aetna has granted Customer the right to use one of its Formulary options during the term of the Agreement solely in connection with the Plan, and to distribute or make the Formulary available to Plan Participants. As such, Customer acknowledges and agrees that it has sole discretion and authority to accept or reject the Formulary that will be used in connection with the Plan. Customer further understands and agrees that from time to time Aetna may propose modifications to the drugs and supplies included on the Formulary as a result of factors, including but not limited to, market conditions, clinical information, cost, rebates and other factors.

**Other Payments**

The term "Rebates" as defined in the Prescription Drug Services Schedule does not mean or include any manufacturer administrative fees that may be paid by pharmaceutical manufacturers to cover the costs related to the reporting and administration of the pharmaceutical manufacturer agreements. Such manufacturer administrative fees are not shared with Customer hereunder.

Aetna may also receive other payments from drug manufacturers and other organizations that are not Rebates. These payments are generally for one of two purposes: (i) to compensate Aetna for bona fide services it performs, such as the analysis or provision of aggregated data or (ii) to reimburse Aetna for the cost of various educational and other related programs, such as programs to educate physicians and members about clinical guidelines, disease management and other effective therapies. These payments are not considered Rebates and are not included in Rebate sharing arrangements with plan sponsors, including without limitation, Customer.

Pharmacy Service and Fee Schedule- ASP Standard Plan

Aetna's PBM subcontractor may also receive network transmission fees from its network pharmacies for services it provides for them. These amounts are not considered Rebates and are not shared with plan sponsors. These amounts are also not considered part of the calculation of claims expense for purposes of Discount Guarantees.

Customer agrees that the amounts described above are not compensation for services provided under this Agreement by either Aetna or Aetna's PBM subcontractor, and instead are received by Aetna in connection with network contracting, provider education and other activities Aetna conducts across its book of business. Customer further agrees that the amounts described above belong exclusively to Aetna or Aetna's PBM subcontractor, and Customer has no right to, or legal interest in, any portion of the aforesaid amounts received by Aetna or Aetna's PBM subcontractor.

Rebates for Specialty Products that are administered and paid through the Plan Participant's medical benefit rather than the Plan Participant's pharmacy benefit will be retained by Aetna as compensation for Aetna's efforts in administering the preferred Specialty Products program. Payments or rebates from drug manufacturers that compensate Aetna for the cost of developing and administering value-based rebate contracting arrangements when drug therapies underperform thereunder also will be retained by Aetna.

**Early Termination**

In the event SBBC terminates Aetna's arrangement of prescription drug benefit services as described in the Prescription Drug Services Schedule and Pharmacy Service and Fee Schedule to the Agreement prior to December 31, 2021 (an "Early Termination") SBBC shall refund a pro-rata portion based on the remaining months from the date of termination to December 31, 2021 , prior to the termination date, to Aetna, the allowance in the amount of $2.00 Per Employee Per Year. The payment will be due and paid in full within sixty (60) days after the termination effective date.

In the event of an Early Termination, the pharmacy guarantees described hereunder, if any, shall be considered null and void for the Plan year and, therefore, not subject to reconciliation.

## Late Payment Charges

If the Customer fails to provide funds on a timely basis to cover benefit payments and/or fails to pay service fees on a timely basis as required in the Agreement, Aetna will assess a late payment charge. The current charges are outlined below:

i. Late funds to cover benefit payments (e.g., late wire transfers): 1.5% annual rate
ii. Late payments of Service Fees: 1.5%, annual rate

In addition, Aetna will make a charge to recover its costs of collection including reasonable attorney's fees. We will notify the Customer of any changes in late payment interest rates. The late payment charges described in this section are without limitation to any other rights or remedies available to Aetna under the Service and Fee Schedule or at law or in equity for failure to pay.

## Pharmacy Audit Rights and Limitations

SBBC is entitled to an annual electronic claim audit subject to standard pharmacy benefit audit practices and audit terms and conditions outlined in the pharmacy services schedule.

SBBC is entitled to one annual Rebate audit, subject to the audit terms and conditions outlined in the pharmacy services schedule.

Pharmacy audits shall be conducted at SBBC's own expense unless otherwise agreed to between SBBC and Aetna.

Terms & Conditions

The pricing and services set forth herein are subject to the following Terms & Conditions:

- Assumes that Aetna administers both the medical and pharmacy benefits for Customer on an integrated basis. If Customer elects to use a different vendor to provide medical benefits, then Aetna reserves the right to adjust the pricing contained in this proposal.
- The pricing and services contained herein are limited to prescription drugs dispensed by a Participating Pharmacy to Plan Participants.
- Prescriptions dispensed by a Participating Retail Pharmacy shall be processed at the lower of the pharmacy's submitted Usual & Customary Retail Price, MAC (where applicable) plus a Dispensing Fee, or discounted AWP cost plus a Dispensing Fee.
- MAC Pricing applies at Mail Order.
- Cost Share will be calculated on the basis of the rates charged to the Customer by Aetna for Covered Services, except for fixed copays or where required by law to be otherwise.
- Discounts and Dispensing Fees contained in this Service and Fee Schedule are guaranteed on an annual basis, subject to the following conditions:
  - Pricing guarantees are measured and reconciled as four separate components with the components defined as retail network, mail pharmacy, specialty pharmacy, and rebates.
  - Discount and Dispensing Fee guarantees shall be reconciled and reported to Customer within ninety (90) days following the guarantee period.
  - Discount guarantees are calculated on ingredient cost prior to the application of Plan Participant copay and include zero balance due claims.
  - The following types of Prescription Drug claims are excluded from the Discount and Dispensing Fee guarantees contained herein: compound drug claims, Exclusive Distribution and limited distribution drug (LDD) Claims, direct Plan Participant reimbursement / out-of-network claims, over-the-counter products, in-house

- The proposed formulary includes certain preferred Brand Drugs where the Tier 1 cost share shall be assessed to Members.
- Aetna Specialty Network means members obtain all specialty medications through a participating specialty network pharmacy (no refills at retail allowed). The Specialty Overall Effective Discount (OED) offer is conditioned on (i) Aetna being the exclusive provider of Specialty Services.   - New to market Specialty Brand drugs will be priced at AWP - 15.00%

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

- Drug Savings Review Program - Aetna guarantees that the net savings realized from these services over the Clinical Program Year of the Agreement for the Drug Savings Review Program shall be [300%] of the expense to Client for these services over the Clinical Program Year. In the event Aetna fails to meet the targeted savings, Client shall be credited for any guaranteed savings short-fall following the end of the applicable Clinical Program Year, up to the amount of fees paid by Client for the Drug Savings Review Program during the Clinical Program Year. "Clinical Program Year" means the twelve (12) month period commencing on the start date of the Drug Savings Review Program and each full consecutive twelve (12) month period thereafter that the Drug Savings Review Program is provided.

- Retail and Mail Order GDR rates by Plan year will be calculated as total retail Generic Drug claims excluding dispense as written ("DAW") claims divided by total retail claims excluding DAW, and total mail Generic claims excluding DAW claims divided by total mail claims excluding DAW. A penalty, if applicable, will be calculated as the difference in the Brand Drug cost versus Generic Drug cost after Discount and Dispense Fee times the actual claim volume. Separate calculations will be performed for retail and mail, and for each Plan year. Reconciliation will be calculated annually within 90 days of the end of each of the guarantee periods. For the purposes of this guarantee, any penalty will be calculated based on the aggregate results across all retail and mail order categories.

- Rebate guarantees will exclude the claims noted below; however, any Rebate collected by Aetna for such claims may be shared with Customer in accordance with the Rebate terms described herein.

- Rebate guarantees are measured individually by component and reconciled in the aggregate on an annual basis within 180 days following the end of the Plan year; a surplus in one or more component Rebate guarantees may be used to offset shortages in other component Rebate guarantees.

- Rebate guarantees will exclude the claims noted below; however, any Rebate collected by Aetna for such claims will be passed through to the Customer in accordance with the Rebate terms described herein.

- Rebate guarantees may be subject to:

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

- The adoption of utilization management edits for Specialty Products, including for example, Prior Authorization (PA) and Quantity Limits.
- The adoption and maintenance of a biosimilar first plan design for Specialty Products.
- Plan performance that is materially the same as the baseline data provided by Customer and relied upon by Aetna, including information regarding enrollment and utilization of pharmacy services.
- Rebate guarantees assume that products that are not Specialty Products will not be subject to precertification or step therapy requirements, and that all drug classes included on the Aetna Standard Formulary be covered.

- The above rebate guarantees exclude:
  - Over the Counter (OTC) Claims
  - Exclusive Distribution and limited distribution drug (LDD) Claims
  - 340B Claims
  - Compound Drug Claims
  - Paper or Member Submitted Claims
  - Coordination of Benefits (COB) or secondary payor Claims
  - Vaccine and vaccine administration Claims
  - New to Market Biosimilar Claims
- Rebate guarantees assume alignment with proposed formulary, including utilization management programs to support formulary strategy, and standard prior authorization/utilization management criteria.
- Rebate guarantees assume Advanced Control Specialty Formulary.
- Specialty rebate guarantees apply to specialty drug claims at all channels.
- Brand drug claims in the HIV therapeutic category are included in the retail rebate guarantees.
- To receive the rebate guarantees noted:

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

- Three-tier qualifying plan designs – maintains a first tier comprised of Generic Drugs, a second tier comprised of preferred Brand Drugs, and a third tier comprised of non-preferred Brand Drugs. The plan design maintains at least a $15.00 co-payment differential between preferred and non-preferred Brand Drugs, at least a $15.00 differential in the minimum co-payment for coinsurance, or a differential of coinsurance 1.5 times or 50 percentage points between the preferred and non-preferred Brand Drugs (for example, if preferred brand coinsurance was 20%, non-preferred brand would need to be 30% to qualify).

- We are providing a separate rebate guarantee for the specialty brand drug claims within the Hepatitis C therapeutic class. Rebate guarantees are conditioned upon Harvoni, Epclusa, and Vosevi as the preferred formulary drugs for Hepatitis C treatment with at least 95% drug claim share, all other drugs are excluded or non-preferred, coverage is provided for all fibrosis scores (F0/F1-F4), utilization management criteria aligns with drug labeling, and client is not utilizing starter or split fill programs.

- Plan design and benefits must be finalized 90 days prior to the effective date to support mailing of impacted members moving to Aetna's Standard Formulary. Less than 90 day notice of acceptance of the Aetna Standard formulary renewal quote may require implementation of a temporary benefit design until benefits are ready. This will not interrupt claims adjudication and service to members.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

**Discounts**

Aetna is including a one-time discount of $2.00 PEPY to be applied to the Customer's March 2021 monthly bill only.

**Market Check**

On an annual basis in the second quarter of each Contract Year upon SBBC's reasonable request, a third party consulting firm may review the financial terms of this Agreement compared to financial offering presented to similar employers in the marketplace as deemed appropriate. The parties agree for the purpose of this market check that the third party consulting firm will compare, among other things, the following factors to determine whether SBBC is entitled to such revised pricing terms: (i) the aggregate pricing terms of such applicable clients of comparable size, inclusive of the program savings, the retail pricing for brand and generic drugs, pricing for specialty drugs, administrative fees, rebates and guarantees; (ii) the services provided by Aetna to such clients; and (iii) the plan design of such clients, which may include plan formulary, brand/generic utilization information and mail and retail utilization information. If SBBC, third party, and Aetna agree to any revisions to the financial terms as a result of this review (i) the agreement shall be amended and (ii) shall be effective January 1 of the contract year following agreement on such revisions, provided that the parties agree on final pricing not less than 120 days prior to the first day of the contract year as to which the revisions are to apply. If agreement cannot be reached, SBBC has the right to open up contract without penalty.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

**Additional Disclosures**

The Customer acknowledges that the Retail Discounts and Dispensing Fees contained in this Agreement reflect a Traditional or Lock-In pricing arrangement. Traditional or Lock-In Pricing means that the amount charged to the Customer and Plan Participants for retail network claims may differ from the amount paid to Participating Retail Pharmacy and/or Aetna's PBM subcontractor and Aetna retains the difference, in addition to any other fees or charges agreed upon by Aetna and Customer, as compensation for the pharmacy benefit management services provided to the Customer.

Aetna reserves the right to make appropriate changes to these price points if any event materially impacts Aetna's net income derived under this Agreement. Such events include (i) the termination or material modification of any material manufacturer Rebate contract, (ii) any significant changes in the composition of Aetna's pharmacy network or in Aetna's pharmacy network contract compensation rates with its pharmacy network subcontractor, CVS Health, (iii) a change in government laws or regulations, (iv) a change in the Plan that is initiated by Customer, (v) AWP is discontinued or modified in whole or in part, or (vi) a greater than 15% change in enrollment or a material change, as defined by Aetna, in the drug utilization, plan design, geographic mix or demographic mix of the covered population from what was assumed at the time of underwriting. Aetna shall provide the Customer with at least sixty (60) days written notice of such changes together with a sufficiently detailed explanation supporting these price point changes. If sixty (60) days written notice is not practicable under the circumstances, Aetna shall provide written notice as soon as practicable.

Aetna reserves the right to modify its products, services, and fees, and to recoup any costs, taxes, fees, or assessments, in response to legislation, regulation or requests of government authorities. Any taxes or fees (assessments) applied to self-funded benefit Plans related to The Patient Protection and Affordable Care Act (PPACA) will be solely the obligation of the Plan sponsor. The pharmacy pricing contained herein does not include any such Plan sponsor liability.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

**Rebate Payment Terms**

Rebates will be distributed on a quarterly basis by claim wire credit. We will pay the minimum rebate guarantee within 90 days of the end of each calendar quarter. Annual reconciliation will occur within 180 days after the end of the policy period. Rebates are paid on Prescription Drugs dispensed by Participating Pharmacies and covered under Customer's Plan. Rebates are not available for Claims arising from Participating Pharmacies dispensing Prescription Drugs subject to either their (i) own manufacturer Rebate contracts or (ii) participation in the 340B Drug Pricing Program codified as Section 340B of the Public Health Service Act or other Federal government pharmaceutical purchasing program. The Customer shall adopt the formulary indicated in the rebates section of this Service and Fee Schedule in order to be eligible to receive Rebates.

The rebate payments will be made in March, June, September, and December.

If this Agreement is terminated by Aetna for the Customer's failure to meet its obligations to fund benefits or pay administrative fees (medical or pharmacy) under the Agreement, Aetna shall be entitled to deduct deferred administrative fees or other plan expenses from any future rebate payments due to the Customer following the termination date.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

**Formulary Management**

Aetna offers several versions of formulary options ("Formulary") for Customer to consider and adopt as Customer's Formulary. The formulary options made available to Customer will be determined and communicated by Aetna prior to the implementation date. Customer agrees and acknowledges that it is adopting the Formulary as a matter of its plan design and that Aetna has granted Customer the right to use one of its Formulary options during the term of the Agreement solely in connection with the Plan, and to distribute or make the Formulary available to Plan Participants. As such, Customer acknowledges and agrees that it has sole discretion and authority to accept or reject the Formulary that will be used in connection with the Plan. Customer further understands and agrees that from time to time Aetna may propose modifications to the drugs and supplies included on the Formulary as a result of factors, including but not limited to, market conditions, clinical information, cost, rebates and other factors.

**Other Payments**

The term "Rebates" as defined in the Prescription Drug Services Schedule does not mean or include any manufacturer administrative fees that may be paid by pharmaceutical manufacturers to cover the costs related to the reporting and administration of the pharmaceutical manufacturer agreements. Such manufacturer administrative fees are not shared with Customer hereunder.

Aetna may also receive other payments from drug manufacturers and other organizations that are not Rebates. These payments are generally for one of two purposes: (i) to compensate Aetna for bona fide services it performs, such as the analysis or provision of aggregated data or (ii) to reimburse Aetna for the cost of various educational and other related programs, such as programs to educate physicians and members about clinical guidelines, disease management and other effective therapies. These payments are not considered Rebates and are not included in Rebate sharing arrangements with plan sponsors, including without limitation, Customer.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

Aetna's PBM subcontractor may also receive network transmission fees from its network pharmacies for services it provides for them. These amounts are not considered Rebates and are not shared with plan sponsors. These amounts are also not considered part of the calculation of claims expense for purposes of Discount Guarantees.

Customer agrees that the amounts described above are not compensation for services provided under this Agreement by either Aetna or Aetna's PBM subcontractor, and instead are received by Aetna in connection with network contracting, provider education and other activities Aetna conducts across its book of business. Customer further agrees that the amounts described above belong exclusively to Aetna or Aetna's PBM subcontractor, and Customer has no right to, or legal interest in, any portion of the aforesaid amounts received by Aetna or Aetna's PBM subcontractor.

Rebates for Specialty Products that are administered and paid through the Plan Participant's medical benefit rather than the Plan Participant's pharmacy benefit will be retained by Aetna as compensation for Aetna's efforts in administering the preferred Specialty Products program. Payments or rebates from drug manufacturers that compensate Aetna for the cost of developing and administering value-based rebate contracting arrangements when drug therapies underperform thereunder also will be retained by Aetna.

**Early Termination**

In the event SBBC terminates Aetna's arrangement of prescription drug benefit services as described in the Prescription Drug Services Schedule and Pharmacy Service and Fee Schedule to the Agreement prior to December 31, 2021 (an "Early Termination") SBBC shall refund a pro-rata portion based on the remaining months from the date of termination to December 31, 2021 , prior to the termination date, to Aetna, the allowance in the amount of $2.00 Per Employee Per Year. The payment will be due and paid in full within sixty (60) days after the termination effective date.

In the event of an Early Termination, the pharmacy guarantees described hereunder, if any, shall be considered null and void for the Plan year and, therefore, not subject to reconciliation.

**Pharmacy Service and Fee Schedule- ASP Standard Plan**

**Late Payment Charges**

If the Customer fails to provide funds on a timely basis to cover benefit payments and/or fails to pay service fees on a timely basis as required in the Agreement, Aetna will assess a late payment charge. The current charges are outlined below:

i. Late funds to cover benefit payments (e.g., late wire transfers): 1.5% annual rate
ii. Late payments of Service Fees: 1.5%, annual rate

In addition, Aetna will make a charge to recover its costs of collection including reasonable attorney's fees. We will notify the Customer of any changes in late payment interest rates. The late payment charges described in this section are without limitation to any other rights or remedies available to Aetna under the Service and Fee Schedule or at law or in equity for failure to pay.

**Pharmacy Audit Rights and Limitations**

SBBC is entitled to an annual electronic claim audit subject to standard pharmacy benefit audit practices and audit terms and conditions outlined in the pharmacy services schedule.

SBBC is entitled to one annual Rebate audit, subject to the audit terms and conditions outlined in the pharmacy services schedule.

Pharmacy audits shall be conducted at SBBC's own expense unless otherwise agreed to between SBBC and Aetna.

*Refer to the NSA Payment Practices in our Caveats for information on our payment practices for NSA eligible claims.

** IDR Fees are required by the NSA Rules. The fees are payable to the IDR entity and are subject to future adjustments. There is an initial fee to begin an arbitration, which applies to each case. There is also an additional fee for the arbitration expenses; the losing party within the dispute is liable for this fee. For batch cases, the NSA permits IDR entities to charge a different arbitration fee, based on a set fee range and/or percentage of the batch fee. The fees are passed through (with no mark up by Aetna) to a Customer, based on the number of line items for their plan that were included in the batch case.

## Legislative and Regulatory Requirements

**Affordable Care Act (ACA) Taxes and Fees - Notice to Self-Funded Group Health Plan's Financial Liability**

The Affordable Care Act (ACA) imposed Patient-Centered Outcome Research Trust Fund fee (PCORI) on the issuers of specified health insurance policies and plan sponsors of applicable self-insured health plans. The fee was set to end in 2019, but it was extended for 10 years through 2029. The fee applies to policy or plan years ending on or after October 1, 2012, and before October 1, 2029.

Any taxes or fees (assessments) related to the Affordable Care Act that apply to the self-insured health plans are your obligation. The Administrative Service Fee does not include any such liability or the remittance of the fees on your behalf.

**NSA Payment Practices**

The No Surprises Act (NSA) applies to certain out of network claims at participating facilities when the member doesn't have a choice or is unaware the provider is out of network. The law protects plan participants by limiting cost sharing to the preferred benefit level and prohibits balance billing by out of network providers. For NSA eligible claims, we will pay the out of network provider an initial payment amount. In most cases, the initial payment will be an amount equal to the qualifying payment amount as defined in NSA regulations (generally, the median contracted rate for a specific service in a geographic area). A provider may choose to go to independent dispute resolution (IDR) if the provider does not accept our payment as payment in full. During the IDR process, you authorize us to pay more than the qualified payment amount in order to reasonably settle the matter when it appears expedient to do so.

  - Compound Drug Claims
  - Paper or Member Submitted Claims
  - Coordination of Benefits (COB) or secondary payor Claims
  - Vaccine and vaccine administration Claims

**Rebate Payment Terms**

Rebates are paid on Prescription Drugs dispensed by Participating Pharmacies and covered under Customer's Plan. Rebates are not available for Claims arising from Participating Pharmacies dispensing Prescription Drugs subject to either their (i) own manufacturer Rebate contracts or (ii) participation in the 340B Drug Pricing Program codified as Section 340B of the Public Health Service Act or other Federal government pharmaceutical purchasing program. The Customer shall adopt the formulary indicated in the rebates section of this Service and Fee Schedule in order to be eligible to receive Rebates.

When remitting and reconciling minimum rebate guarantees, Aetna may add Rebate Credit value to the total rebates remitted to your Plan for each respective rebate component. Rebate Credits shall consist of (i) the differential between the Wholesale Acquisition Cost (WAC) of any Biosimilar Claim processed, and the WAC of the reference Specialty Brand Drug, subject to the below cap, and/or (ii) the value of price reductions for rebateable products that have experienced a WAC decrease, measured as the differential

between the Baseline WAC of the product and the WAC of the product when the Claim is adjudicated, subject to the below cap. The Baseline WAC will be the WAC of the product prior to a reduction in WAC or, as applicable, for Biosimilars, the Baseline WAC will be the WAC of the Reference Brand Drug at the time the Biosimilar is added to the Formulary.

In no way will the Rebate Credit exceed the Baseline Rebate less the earned Rebates on either the Biosimilar Claim or the rebateable product that has experienced a WAC decrease. Baseline Rebate is calculated as follows: In the year, the price reduction occurred, Baseline Rebate will be the Rebate prior to the WAC reduction or, as applicable, for Biosimilars the Baseline Rebate will be the earned Rebate for the Reference Brand Drug at the time the Biosimilar is added to the Formulary. In subsequent years, the Baseline Rebate will increase over the prior year Baseline Rebate at the WAC inflation rate of the GPI subclass (GPI-6) of the applicable product. The following products will be eligible for the Rebate Credit: (1) Any Biosimilar product processed where Humira or Stelara are the reference Brand Drug; (2) any Anti-Diabetic product that experienced a WAC decrease; and (3) any other products as mutually agreed by Customer and Aetna. Aetna will notify Customer of any applicable product that qualifies for Rebate Credits and upon mutual agreement from Customer, as required, will be added to list of products eligible for the Rebate Credit. Aetna shall provide reporting upon Customer request demonstrating the net-cost impact in the therapeutic category.

Additional 340B reconciliation and true-up may occur post annual minimum Rebate guarantee reconciliation.

**EXECUTIVE SUMMARY**

**Recommendation to Approve Agreement**
**AGR26-111 - Software & Tracking System, American DataBank, LLC**

---

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and American DataBank, LLC (ADB), and the spending authority in the amount of $250,000.

**School Board Policy Requirement/Authority:** Not Applicable

**Statutory Requirement/Authority:** Not Applicable

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** ADB will continue to provide access to software and database for tracking and reviewing health records for health science students to complete clinical experiences with affiliated agencies.
**- If the School Board votes "No":** ADB will no longer continue to provide access to software and database for tracking and reviewing health records for health science students to complete clinical experiences with affiliated agencies.

**Background/History:**
The Complio system is a proprietary software system and database that facilitates the tracking and reviewing of individual health records and background screening reports of students who participate in healthcare and emergency medical clinical experiences. Memorial Healthcare System and Broward Health require Health Science students to be onboarded into the Complio system to participate in clinical experiences at their facilities.

Agreement Term: March 10, 2026, through February 28, 2029; Emerging/Small/Minority/Veterans/Women Business Enterprise Vendor(s): None.

**Alignment to 2027 Goals and Guardrails:**
Goal 4: College & Career Readiness
Guardrail 2: Equity

**Measurable Outcome(s)/Return on Investment:**
During the term of this Agreement, health care and emergency medical services students who elect to complete their clinical experiences at an ADB agency will be able to complete their background checks and health screenings using the Complio System. Immediate Return on Investment is one hundred percent (100%)of these students will be onboard utilizing this system.

**Financial Impact, Funding Source & Budget Status:**
The requested spending authority is $250,000. The price is based per student, and schools are invoiced directly for the use of this screening system. The source of funds is Career and Professional Education (CAPE) funds.

| ACTION | BOARD DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Agreement - original spending authority request | 3/10/2026 | Yes (for FY2025-26 only)<br>*No (for FY2026-27)*<br>*and*<br>*No (for FY2027-28)* | Cape Funds<br>2715097810<br>Fund: 1000 | FY 2025-2026<br>$83,500<br>*FY 2026-2027*<br>*$83,500*<br>*FY 2027-2028*<br>*$83,000* | 36 |
| **Total Agreement Amount** | | | | **$250,000** | |

The financial impact amount represents an estimated Agreement value; however, the amount authorized will not exceed the estimated Agreement award amount.

**Multi-year Agreement:**
Yes. In the best interests of the District, a multi-term Agreement locks in the price for a three (3) year term, with two (2) additional one (1) year renewal periods.

**Agreement Term:** March 10, 2026, through February 28, 2029; Small/Minority/Veterans/Women Business Enterprise Vendor(s): None.

**Procurement Method:**
Pursuant to Purchasing Policy 3800, and Section III, D and E, as authorized by Rule 6A-1.012 11(b) and 14, Florida Administrative Code, the requirement of requesting competitive solicitations from three or more sources is hereby waived for the purchase of educational services and any type of copyrighted materials, including, without limitation, educational tests, computer software, and information technology.

**Impact on Schools:**
Expands health science and emergency medical services program access, ensuring equitable opportunities for students across the district to pursue healthcare and first responders' pathways that lead directly into high-wage, high-demand fields.

**If there is an impact on schools, how will schools be selected/prioritized:**
All high schools were allowed to show interest in bringing these programs to their schools. Because schools are incurring the cost of the program, there was no prioritization in school selection.

**Stakeholder Engagement/ End-User Input:**
There is no survey required because the healthcare agencies require the background and drug screening platform to complete their clinical hours per the state Career and Technical Education frameworks.

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:**

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

## ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on June 30, 2029, unless terminated earlier pursuant to section 3.5 of this Agreement. The term of the Agreement may, by mutual agreement between SBBC and ADB, be extended for two (2) additional one (1) year periods.

2.2 **Description of Goods and Services**. ADB shall provide the following:

2.2.1 **Immunization Tracking Services ("ITS")**. The Complio System tracks and manages immunizations and other requirements requested by SBBC, using a rules-based for compliance tracking purposes. Additional pricing information may be found in Exhibit A.

2.2.2 **Background Screening Services**.

2.2.2.1 ADB will design, develop, and build for SBBC a unique, customized System to manage background searches and related screening done for students. Employees will use a different order process separate from the order process used by students.

2.2.2.2 ADB shall compile the contents of the information it collects from the data sources outlined in Addendum #1 in a report that discloses relevant information in a manner consistent with applicable laws. Said report may include information about the student's character, general reputation, personal characteristics and/or mode of living, employment history, work experience, work performance, criminal history records, appearance on sexual offender's lists, motor vehicle records, military records, educational verification, license verification, credit history, government exclusion lists, OIG, GSA, FBI finger printing, and drug testing or other background checks (hereafter, a "Search Report").

2.2.3 **Integration Services**. If requested, ADB will work with SBBC and its information system partners ("Integration Partners") to develop customized systems that integrate the Complio platform with existing SBBC systems so that Health Records, Screening Reports and other information updates available in Complio are also available to students and SBBC by means of single-sign-on or other form of integrated access. If additional integration services are needed, ADB and SBBC may opt to amend this Agreement through written amendment executed by the parties to include any additional integration services so long as they meet all required district policies and prerequisites. In many cases ADB will have previous experience with SBBC's existing systems so little or no development time will be required.

2.2.4 **Customized Notifications; Responsibility for Ordering**. If requested by SBBC, ADB may from time to time take reasonable steps to build customized tools within the Complio System to track expiration dates and notify students automatically that they are out of compliance with Screening rules or Health-Record Tracking rules established by SBBC. The start date and duration of any such compliance expiration rules and notifications shall be communicated clearly in writing by SBBC to ADB before ADB commences development work on the related tools. Responsibility for the correct ordering of ADB services lies exclusively with students using the System. SBBC agrees to make advisors available to counsel students on what ADB services should be ordered and when those services should be ordered. SBBC agrees that ADB shall not have responsibility or liability for notifying or counseling students on what service to order at what time.

2.3 **Cost and Payment**.

2.3.1 Costs.

Additional pricing information may be found in Exhibit B.

2.3.1.3 **Drug Testing Fees**. ADB's drug testing fees are based on using ADB's authorized network of drug testing sites. If a student elects to be tested outside of the authorized network, additional testing fees, plus $10.00 handling fee, will be incurred which shall be paid by the student, if the student doesn't go to an approved ADB site

for same. If these additional fees are not paid, the student's Complio account may be suspended.

2.3.1.4 **Fees**. The fees set forth in the Exhibits and Addenda to this Agreement may be adjusted annually by ADB to reflect changes in its operational costs. For any such adjustments, ADB will notify SBBC at least ninety (90) days before it takes effect to allow SBBC sufficient time to review and determine whether to accept the adjustment or choose to terminate this Agreement.

ADB expressly disclaims any and all other representations and warranties. In the event either party is liable to the other party for any matter, whether arising in contract, equity, or tort, the amount of damages recoverable will not include any amount for indirect or consequential damages.

2.20 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. ADB further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. ADB acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. ADB further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if ADB (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is one million dollars ($1,000,000) or more, the Agreement may be terminated at SBBC's option if ADB is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.21 **Incorporation by Reference**. Exhibits A, B, C and D, attached hereto and referenced herein are incorporated into this Agreement by reference.

2.22 **Proprietary Information**.

2.22.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.22.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.23 **Copyright and URL Ownership.** ADB retains all copyrights and other ownership rights in the System and the associated URL, except for any logos or trademarks owned by SBBC that may be used in conjunction with the System, as redeemed appropriate by written agreement between ADB and SBBC. The System and all associated interfaces and URLs are the property of ADB and may not be copied or duplicated without the written consent of ADB. ADB will indemnify and hold SBBC harmless from and against any claims or actions by a third party for violation of intellectual property rights relating to the System.

2.24 **Managed Documents**. SBBC agrees that it will not upload to the Complio System any documents prepared by a previous vendor including, a Consumer Reporting Agency, other than ADB. With the consent of ADB, such documents may be uploaded to the "Managed Documents" folder of Complio where they will be available for storage and archiving but will not be available for sharing with health facilities and other persons through the Complio system. To share Managed Documents, they must first be downloaded and then sent by mail or email.

2.26 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, ADB, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of ADB under penalty of perjury stating that ADB does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject ADB to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if ADB is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with ADB's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

## ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees,

The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.5.

3.5 **Termination**. This Agreement may be canceled with or without cause by SBBC during the term hereof upon thirty (30) days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC shall be entitled to a *pro rata* refund of any pre-paid amounts for any services performed or costs incurred after the effective date of termination. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful,

unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

**Immunization Tracking Services ("ITS"): Terms and Conditions**

**1. ADB Obligations**: ADB agrees to provide the following immunization tracking services:

(i) Rule Customizations. As part of the onboarding process, ADB will work with the SBBC to identify and customize within Complio the immunization requirements that need to be met to constitute compliance with a particular Rule ("Rule Customization"). Rule Customizations shall be charted by SBBC, configured by ADB and finally approved by SBBC.

(ii) Development of Unique Website. ADB will develop a unique website and software System that students can use to enter, and SBBC can use to track, completion of immunization and other health record requirements for each student.

(iii) Uploading Functionality. The System will enable students or personnel at SBBC to upload documents related information, including scanned documents and readable digital photo images under 5MB, in a manner that can be viewed by the SBBC and authorized clinical facilities.

(iv) Document Approval. ADB will process health records submitted by each student for compliance with document standards set by SBBC. ADB does not have any obligation to identify altered or forged documents or signatures. All decisions to accept or reject students, or give them a waiver from compliance with the Rules, will be made by SBBC. ADB will use reasonable efforts to explain to students the reasons for SBBC's Rule requirements. Students who dispute the reasons for Rule requirements will be referred to the SBBC.

(v) Rule Change Requests. When the SBBC needs to modify or update its immunization tracking requirements, ADB will reprogram SBBC's System to accommodate these Rule Change requests. Fees may be incurred for Rule Change requests as described in **Exhibit #A1 to Exhibit A**. A "Rule Change" is defined as any request to change one or more items programmatically in the System or to modify review criteria.

(vi) Reminders. For students, the System will transmit email reminders, automatically and at intervals as determined and configured by the SBBC, including at various intervals preceding expiration, on date of expiration, as well as various intervals following expiration. Such reminders will be sent for all items associated with an expiration as constructed in the System, as agreed between the SBBC and ADB at the time the System is customized for the SBBC.

(vii) System Access and Support. ADB shall manage and maintain the System so that the SBBC has access and ability to view the requirements of each authorized clinical site and the status of the Health Records uploaded by each student. ADB shall have the right at any time, without prior notice to the SBBC, to make changes, upgrades and enhancements to the System, provided that the SBBC shall be given immediate written notice if any such changes cause the System to be inaccessible for more than a 24 hour period of time. The SBBC agrees that ADB may shut down the System without notice in the event any contaminated or unauthorized document is uploaded to the System provided, however, that ADB shall notify the SBBC in writing in cases where such shut down shall extend longer than one day.

(viii) ADB shall be responsible for ensuring that only those clinical sites authorized by students (through Complio's Profile Sharing function) or by SBBC (through Complio's Rotation Sharing function) are able to access the individual information uploaded or entered by students or SBBC and

nothing further. ADB shall not grant blanket access to student information for all clinical sites using the System.

(ix) ADB shall provide customary training on how to use the System to a reasonable number of SBBC instructors, faculty and staff.

(x) Security. ADB shall take such precautions and implement such security safeguards as are customary in similar data management businesses to prevent unauthorized access to student information maintained on its System.

**2. SBBC Obligations:** SBBC shall be responsible for:

(i) Immunization Requirements. Communicate with clinical sites and all relevant faculty and staff at the SBBC to identify all immunization compliance requirements BEFORE ADB begins work to customize your System. SBBC must attest in writing that all immunization Rules and requirements have been identified before ADB begins work to customize the System.

(ii) Student Information. Inform each student in writing of the immunization requirements applicable to that student.

(iii) Student Accounts. Require each student or authorized SBBC personnel to enter all personal information and immunization data required by the SBBC in the manner required by the System. Students must create an account with their personal information in order for the System to function.

(iv) Multiple Training Channels. Explain and document to ADB the steps the SBBC has taken to create multiple communication channels for educating students about System procedures and requirements.

(v) Password Security. SBBC shall limit distribution of System access codes and passwords to only those persons having a "need-to-know". All passwords must be unique. Sharing System access codes and passwords with any other person is prohibited. ADB shall be informed immediately if any user no longer needs access to the Complio System so that his/her password may be cancelled. Failure to follow any part of this password security provision shall be a material breach of this Agreement.

(vi) Verification of Health Records. The SBBC shall conduct its own independent review of the Health Records submitted by each student and shall retain responsibility to verify compliance of those Records with the Rules the SBBC creates.

(vii) Rule Changes. Prior to the launch of the System, all set up requirements will be signed off by SBBC administrators or designated personnel with signed, written approval. Immunization Rule Changes or updates to the System after the requirements have been signed off by the SBBC may be subject to additional fees. Any change may take up to six weeks depending on the schedule of ADB's Information Technology Department at that time. This is to ensure proper testing of the System's calculations in processing the updated requirements. Prior to completing any Rule Change, an SBBC official must approve, via a signed statement, all changed/added/retracted requirements as they appear on the System.

(viii) Treatment of Health Records. SBBC acknowledges that health information uploaded by students to Complio is not Consumer Report information under the FCRA and agrees not to treat it as such.

**3. Student Obligations**: SBBC agrees to take reasonable steps as needed to inform students regarding the following list of student Obligations:

(i) Obtaining from his/her health care provider, on a form provided by the SBBC or in other acceptable documentation as defined by the SBBC**,** a written medical report that confirms the specific compliance item, any results associated with that item, provider name and provider date for each compliance item as required by the SBBC.
(ii) Each student shall enter his/her immunization or health record information in the System in the manner prescribed by his/her SBBC.

(iii) Each student shall scan, or otherwise cause to be made into electronic format, any and all required documentation as requested by the SBBC or a particular clinical site. These documents shall be uploaded by the student or authorized SBBC personnel.

(iv) When creating an account within the System and when ordering certain ADB services, each student will be required to sign the Terms of Use, including mandatory arbitration of disputes, and give appropriate consents and waivers.

(v) Each student shall receive and, with diligence, respond to automatic emails from the System (and from any SBBC administrators having access to the System) by providing information and additional documentation as requested.

(vi) Each student must have sufficient experience and knowledge of computers, and access to a computer, to upload their Health Records and other required documents to the System without assistance from ADB.

(vii) Each student must pay (or the SBBC must pay) a one-time Compliance Process Fee for ADB's services in configuring Rule Customizations, advising students on account setup and providing students and SBBC with Complio access and document storage. SBBC may pay the Processing Fee on behalf of its students.

(viii) If students enter wrong information as part of their account set up or ordering process for a Screening Report, whether intentionally or by accident, a second Screening using correct information may be necessary. The cost of any such second Screening will be the student's responsibility. American DataBank will not pay for additional searches caused by student errors.

.

**Exhibit #A1**

## HEALTH RECORD TRACKING: STUDENT INITIAL COMPLIANCE PROCESS FEE

**Student Initial Compliance Process Fee**

Upon a student's account setup, and upon subsequent access by students and SBBC to the Complio System and its document storage features, SBBC agrees to pay ADB- or ensure that its Students pay ADB- an initial Compliance Process Fee. The initial Compliance Process Fee shall be $10.00 per student up to two (2) tracking requirements. Additional tracking requirements beyond two (2) will incur a $2.00 fee per requirement.

The Compliance Process Fee may be paid (check one): By student: _____ or By SBBC: ___, which will be determined by SBBC's Colleges, Departments or programs.

The SBBC shall conduct its own review of the Health Records and other documents submitted by each student.

**Rule Changes:** Our back-end algorithm for rule changes is very complex and robust. As such, it requires an IT engineer to make many adjustments to the database according to the modifications requested. To minimize charges for Rule Changes, please observe the following procedures when requesting Rule Changes:

- Rule Change requests should be consolidated into a single event at the start of the academic year;
- ADB should be notified of the Rule Changes at least eight (8) weeks prior to their effective date; and
- At least six (6) weeks prior to the effective date the Rule Changes should be confirmed by email or other writing that has been approved by all faculty, administrators, deans and clinical agencies involved in the process.

ADB reserves the right to charge for Rule Changes at the rate of $150/hr. However, in cases where the above guidelines are observed and the number of Rule Changes is minor, ADB customarily waives the cost of its development time to implement the Rule Changes.

**Exhibit B**
**Background Screening: FCRA Compliance Terms**

These FCRA Compliance Provisions form a part of that certain Master Services Agreement for Background Screening & Immunization Tracking by and between American DataBank, LLC ("ADB") and The School Board of Broward County, Florida (“SBBC”).

1. SERVICES PROVIDED BY ADB. With respect to each student in one of SBBC's degree or certificate programs ("student"), and with respect to each employee or prospective employee identified to ADB by SBBC (an "Employee"), ADB agrees to collect the information SBBC requests from the data sources identified in **Exhibit B** attached hereto. ADB will design, develop, and build for SBBC a unique, customized website and online system ("SBBC's Customized Website") to manage background searches and related screening done for students. Employees will use a different order process separate from the order process used by students.

ADB agrees to compile the contents of the information it collects from the data sources outlined in Addendum #1 in a report that discloses relevant information in a manner consistent with applicable laws. Said report may include information about the student's character, general reputation, personal characteristics and/or mode of living, employment history, work experience, work performance, criminal history records, sexual offender's lists, motor vehicle records, military records, educational verification, license verification, credit history, government exclusion lists, OIG, GSA, FBI finger printing, and drug testing or other background checks (hereafter, a "Search Report").

ADB will follow reasonable procedures to deliver requested Search Reports to SBBC and to students and Employees in an expeditious manner and with maximum possible accuracy. ADB is a federally regulated Consumer Reporting Agency as defined by the Fair Credit Reporting Act ("FCRA" at 15 U.S.C. Section 1681 et seq.). ADB agrees to comply with the requirements of all federal and state laws and regulations applicable to a Consumer Reporting Agency.

2. A Search Report, which is referred to in the FCRA as a "consumer report", is strictly regulated by the FCRA. The FCRA governs the conduct of users of Search Reports as well as the conduct of consumer reporting agencies that produce Search Reports. Among other things, the FCRA requires that SBBC, and other third-party end-users and affiliated entities who receive access to Search Reports through SBBC (hereinafter, "End-Users"), must have a permissible purpose and must follow certain procedures, including "adverse action" notices, as indicated below:

A. **Students**. Regarding the permissible purpose for student Search Reports, SBBC certifies that the Search Report is obtained in accordance with the written instruction of the student in connection with the student's educational program, and for no other purpose. For all students, SBBC has made an independent determination that the Search Report is being used to evaluate the student's ability to meet graduation requirements and is not being used for employment purposes. SBBC shall control all criteria and make all decisions as to whether a student shall be admitted to a particular program or rotation. SBBC agrees to take necessary steps so that a student who is denied admission to a school or clinic based on his/her Search Report shall be given the final adverse action notice prescribed by Section 615(a) of the FCRA.

B. **Non-Student Employees.** Regarding the permissible purpose for Employee Search Reports, SBBC certifies that the Search Report is obtained in order to evaluate the Employee for employment, promotion, reassignment, or retention as an employee, and for no other purpose. SBBC shall direct Employees to identify themselves as Employees, and not as students, when they use the System. Whenever SBBC uses a Search Report to evaluate an Employee for employment, promotion, reassignment, or retention as an employee, SBBC agrees and certifies that it will follow all applicable FCRA provisions, including without limitation all Federal and State equal employment opportunity laws. The provisions of

FCRA Section 604(b) are briefly outlined below. With respect to all non-student Employees, SBBC hereby certifies and agrees that:

a. Disclosure and Authorization. Prior to obtaining or causing ADB to obtain a Search Report, SBBC has provided Employee with a clear and conspicuous written disclosure, in a document consisting solely of the disclosure, that a consumer report is being requested for employment purposes and has obtained Employee's written authorization to procure the Search Report.

b. Certifications. Prior to accessing the results of a Search Report in the System, SBBC shall certify the statements required to be certified by Sections 604(b)(l)(A) and 606(A)(2) of the FCRA. A form for this purpose will be displayed by the System immediately before End-Users can have access to a Search Report that was ordered for an employment purpose. This form shall be signed by an authorized representative of SBBC or other End-User.

c. Adverse Action. Before Employee is denied employment, or a different adverse employment action is taken, based in whole or part on a Search Report; SBBC agrees that, subject to applicable state or local law, rule, or policy, it will comply with the adverse action procedures required by the FCRA including all necessary actions to:

- Provide a preliminary adverse action notice to Employees, along with a copy of the Search Report and "A Summary of Your Rights Under the Fair Credit Reporting Act" (Reference FCRA Section 604(b)(3);
- Before taking any adverse action, allow the consumer at least five business days, or longer if required by state or local law, to contact ADB if Employee wishes to dispute any information in the Search Report;
- Provide ADB's contact information; and
- Provide a final adverse action notice to the Employee if a final adverse employment decision (e.g. denying employment or promotion) is made (Reference FCRA Section 615(a). SBBC agrees to hold off on making any final adverse decision while resolution of a dispute is still pending.

ADB advises SBBC that it has specific legal responsibilities when taking adverse action against an Employee based on a Search Report and that SBBC should consult with its legal counsel regarding these responsibilities, when applicable. The adverse action notice procedures are intended to give the Employee an opportunity to dispute the accuracy or completeness of any information contained in the background Search Report/ Consumer Report.

(i) Student Information. Inform each student in writing of the background screening requirements applicable to that student.

(ii) Student Consents. Obtain from each student a signed form whereby the student consents to the uploading by SBBC of Third-Party Records and consents to disclosures by the System of background screening and records uploaded by the student.

C. **All Users**. With respect to all persons for whom a Search Report is procured, SBBC agrees as follows:

a. Confidentiality. By signing this Agreement, SBBC confirms that it understands the sensitive nature of the information contained in Search Reports, the need to protect the information in Search Reports, and the need to comply with the retention and destruction practices outlined in the FCRA and the Driver Privacy Protection Act (the "DPPA" at 18 U.S.C. Section 2728 et seq.).

SBBC agrees to, unless otherwise required by applicable law:

- Limit use and distribution of student /Employee information to only those with a legitimate need, permissible purpose, and who have been authorized by student / Employee.

- Retain Student / Employee data in a confidential manner.
- Protect the privacy of student / Employee information contained in motor vehicle records, and access DMV records only with written consent of student/ Employee or another permissible purpose. Destroy data in a secure manner to make it inaccessible, unreadable, and/or unrecoverable by:
    - Burning, pulverizing, or shredding
    - Destroying or erasing electronic files, and/or
    - After conducting due diligence, hire a document destruction company. In addition, paper documents containing personally identifiable information (e.g. name, date of birth and SSN), if retained at individual desks /workstations, shall be destroyed or inaccessible no later than the end of each work day.

b. Requirements for End-Users/Agencies. SBBC understands that the FCRA regulates all third-party end- users, e.g. hospitals and clinics ("Agency" or "Agencies") that have access to Search Reports. Accordingly, SBBC agrees to (i) provide ADB with contact information for all Agencies that will be given access to Search Reports and (ii) act on behalf of each such Agency to inform students that they have a right to dispute the accuracy or completeness of information in their Search Report if an Agency has taken an adverse action regarding their placement at the Agency's facility.

With respect to Non-student Employees (e.g. faculty), SBBC agrees that compliance review will be accomplished by SBBC attestations and not by giving Agencies access to Search Reports. However, Agencies may have access to faculty Search Reports when they use the Complio System to make the necessary FCRA certifications required for employees. In all cases, i.e. employees and students, Search Reports may be accessed by Agencies in connection with audits conducted by The Joint Commission (formerly JCAHO).

3. COMPLIANCE WITH LAWS. SBBC certifies to ADB that it will comply with all applicable laws and regulations and will not use information in the Search Report in violation of any applicable federal, state or local laws, including but not limited to the FCRA and Equal Employment Opportunity laws or regulations. SBBC hereby confirms that it has received and reviewed a copy of the "Notice to Users" document published by the Consumer Financial Protection Bureau (a copy of which is available on ADB's website under "Resources") and in particular the adverse action notification requirements described therein. SBBC will provide a copy of said Notice to Users to all Agencies that will be given access to Search Reports.

4. CRIMINAL RECORDS. ADB will provide criminal records based on applicable federal, state and vendor rules, which in many cases limit the reporting period for convictions to seven years. With respect to the most recent seven years, in addition to reporting convictions and pending cases waiting for disposition, ADB will report participation in diversion programs (e.g. deferred adjudication, probation before judgment, etc.) except where ADB is prohibited from such reporting by state or local law or SBBC policy. Dismissed cases will not be reported. Pursuant to CFPB and FTC policies, in most cases ADB requires three identifiers to match applicants with criminal records.

5. LEGAL COUNSEL. SBBC acknowledges that federal and state laws impose specific legal obligations regarding the use of a Search Report provided by a consumer reporting agency like ADB and that SBBC should consult with its own legal counsel regarding its legal responsibilities and the procedures it should follow with respect to such Information and related FCRA forms. SBBC understands that ADB does not act as legal counsel to SBBC and does not provide any legal advice to SBBC. It is important that SBBC work with its own legal counsel to develop a background screening program specific to its needs.

     i.

3. **BID QUESTIONS:** Any questions by prospective Bidders concerning this Invitation to Bid should be addressed to Denise Torrano**, Purchasing Agent in Procurement & Warehousing Services, via email to dtorrano_pmor@browardschools.com** who is authorized only to direct the attention of prospective Bidders to various portions of the bid so they may read and interpret such for themselves. Any verbal or written information, which is obtained other than by information in this ITB document or by Addenda, shall not be binding on SBBC.

4. **TERM:** The award of this bid shall establish a three (3) year Agreement beginning on **7/1/2023** or upon approval by the Board, whichever is later. Bids shall not be considered for a shorter period of time. If only one bid is received, the term of the Agreement may be reduced to one year.

5. **RENEWAL:** The term of the bid shall be for 3 year(s), and may, by mutual agreement between SBBC and the Awardee, be renewed for two additional one-year periods and, if needed, six (6) months beyond the expiration date of the final renewal period. Procurement & Warehousing Services, will, if considering renewing, request a letter of intent to renew from each Awardee, prior to the end of the current Agreement period. The Awardee shall be notified when the recommendation has been acted upon by the School Board.

6. **AWARD:** This bid shall will be awarded **BY GROUP**, as indicated on the Bid Summary Sheet, one primary and up to three alternate responsive and responsible bidders meeting all specifications, terms, and conditions. It is necessary for a Bidder to bid on every item in the group in order to have the bid considered. SBBC may need to order an individual component within a group. All items within a group must have an individual cost. Failure to state the individual cost for any item within a group shall result in the disqualification of the group. In the event that any item in the group does not meet the specifications, the entire group shall be disqualified. The lowest-priced Bidder for the Group shall be considered the Primary Awardee for that Group. All other responsive Bidders for that Group will be Alternate Awardees ranked by the prices they submitted. The responsive Bidder with the next lowest price will be the First Alternate Awardee, the responsive Bidder with the next lowest price after the First Alternate Awardee will be the Second Alternate Awardee, and so on. SBBC reserves the right to procure goods from Alternate Awardee(s), beginning with the First Alternate Awardee, if a) the Primary Awardee cannot comply with delivery requirements or specifications; b) the Primary Awardee is not in compliance with delivery requirements or specifications on current or previous orders; c) in cases of emergency; d) due to supply-chain constraints; or e) if SBBC, at its sole discretion, determines that it is in its best interest to do so.
   After award of this bid, any Awardee who violates any specification, term or condition of this bid can be found in default of its Agreement, have its Agreement canceled, be subject to the payment of liquidated damages, and be removed from the bid list and become ineligible to do business with SBBC for two (2) years, as described in General Conditions 21 and 58 and Part II, Section DD of School Board Policy 3320.

7. **USE OF BID:** When orders are for products not listed on the Bid Summary sheet and exceed $5,000, SBBC departments or schools ("end-user") will request a quote from three (3) Awardees (2 of the 3 Awardees must be certified S/M/WBE vendors*). Awardees will provide quotation within three (3) business days of request. End-user will submit a completed Vendor Selection Form with their requisition in SAP (SBBC's ERP system) to generate a PO to the selected Awardee(s).

*Unless no certified S/M/WBE vendors are Awardees. If certified S/M/WBE vendor does not provide quote within 3 business days, end-user will submit documentation of the attempt (email etc) with the Vendor Selection Form/quotes and contact a non-certified Awardee for a quote.

8. **EMERGENCY ORDERS:** Emergency orders are defined as situations where immediate purchases are required to prevent the loss of service to alleviate the possibility of a situation which would adversely and unduly affect the safety, health or comfort of a building, occupants, or otherwise cause loss to the District. 9. **DELIVERY:** Awardee shall deliver ISO 9001-certified prepackaged water treatment chemicals within 10 business days after receipt of the purchase order (ARO). Material shall be delivered to the schools, departments and centers as directed by the PPO HVAC Supervisor assigned on a schedule determined with the assistance of the Awardee in order to minimize disruption to SBBC's regular water treatment service schedule. In the event the material supplied to SBBC is found to be defective or does not conform to specifications, SBBC reserves the right to cancel the order upon written request to the Awardee and return the product to Awardee, at Awardee's expense. The awardee will be responsible for the pick-up of defective/rejected materials. After 30 days of notification to the Awardee, if the materials are not removed, they become the property of SBBC. The awardee will be responsible for any disposition charges.

11. **QUANTITIES:** The quantities listed on the Bid Summary Sheet are estimated quantities to be ordered throughout the Agreement period for each item and are not a guarantee. Actual quantities ordered throughout the Agreement period may be greater or less than the bid estimates and shall be furnished at the fixed Agreement price. Purchases shall be requested as needed throughout the Agreement period and as few as one each may be ordered at one time.

12. **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for an agreement awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

13. **FLORIDA BIDDING'S PREFERENCE:** Pursuant to §287.084 Florida Statute, award recommendations shall make appropriate adjustments to pricing when considering solicitations for personal property from Bidders having a principal place of business outside the State of Florida. **ALL BIDDERS MUST COMPLETE AND SUBMIT SECTION 8, ATTACHMENT D TO BE CONSIDERED FOR AWARD.** Failure to submit and execute this form, with the bid, shall result in the bid being considered "non-responsive" and bid rejected**.** Bidders whose principal place of business is outside the State of Florida must have an attorney, licensed to practice law in the out-of-state jurisdiction, as required by Florida Statute 287.084(2), execute the Bidder Preference form, Section 8, Attachment D, and must submit this form with submitted bid.

14. **INVOICES:** Delivery copies, packing slips, and invoices to SBBC **MUST** include the following to permit SBBC to verify prices with this Agreement and expedite the use of material. **FAILURE OF AN AWARDEE TO PROVIDE THIS INFORMATION SHALL RESULT IN EITHER THE INVOICE BEING RETURNED FOR CLARIFICATION OR A DELAY IN PROCESSING SAID INVOICE FOR PAYMENT.** Invoices are to be mailed to **Physical Plant Operations, Attn: PPO Assigned Staff, 3810 NW 10 Avenue, Oakland Park, Florida 33309 or to the address indicated on the Purchase Order.**

All SDS submitted must be either an original, as received from the manufacturer or a legible copy made from the same. The Awardee shall be responsible, during the term of the Agreement, to provide the SBBC Procurement & Warehousing Services or Risk Management Department with revised SDS on a timely basis, as appropriate.

Price adjustment requests shall be evaluated on an annual basis thereafter. Unit price adjustments must have written approval from SBBC before invoicing. Any unit price adjustment invoiced without written approval from SBBC shall not be paid, and the invoice returned to the Awardee for correction.
    a. The Director, Procurement & Warehousing Services, may, in the Director's sole discretion on behalf of the SBBC, equitably adjust pricing if the pricing or availability of supplies is adversely affected by extreme and unforeseen volatility in the marketplace. Awardee agrees to indemnify and hold harmless SBBC, its officers and employees of any liability in the form of physical or mental injury, death or property damage resulting in Awardee's failure to comply with the requirements of this section or Sections 1012.32 and 1012.465, Florida Statutes.

Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, agreements or sub-agreements that directly or indirectly pertain to the transactions between the District and the Awardee(s).

56. **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation as they were released by SBBC, or amended via Addendum, are valid. Any modification to any term or condition by a Bidder is not binding unless it is expressly agreed to, in writing, by SBBC.

57. **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by SBBC. These orders shall be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e. within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all Awardees must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. (continued….)

57. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that an Awardee maintains secure records of the credit card account assigned an alias or password, to avoid divulging the actual credit card number upon every purchase.

58. **NONCONFORMANCE TO AGREEMENT CONDITIONS:** Items offered may be tested for compliance with bid conditions and specifications at any time. Items delivered, not conforming to bid conditions or specifications, may be rejected and returned at Awardee's expense. Goods or services not delivered as per delivery date in the bid and/or Purchase Order may be rejected upon delivery and/or maybe purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:
   a) For a period of two years, any bid submitted by Awardee shall not be considered and shall not be recommended for award.
   b) All departments being advised not to do business with Awardee.

59. **CONE OF SILENCE:** Any Bidder, or lobbyist for a Bidder, is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the Agreement is awarded by SBBC. Further, any Awardee, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the Awardee is attempting to sell goods or services to SBBC This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3320, Part II, Section GG as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any Bidder or lobbyist who violates this provision shall cause their Bid (or that of their principal) to be considered non-responsive and therefore be ineligible for award.**

61. **EVALUATION AND BIDS:** SBBC evaluates all Bids in accordance with Chapters 119.071 and 286.0113, Florida Statutes.

62. **MEET OR RELEASE:** If during the Agreement term, SBBC is offered a lower price from a third party supplier for a product or service awarded under this Agreement, or offers another item that meets or exceeds the specifications for the item at a lower price than the awarded price, SBBC shall request Awardee to meet the lower price offered by the third party supplier. The awardee shall be required to respond to this request within three (3) days of the request. If Awardee is unable to meet the lower price, SBBC shall be released from its contractual obligation to purchase the item under this Agreement. No response to this request shall indicate that Awardee is unable to offer the item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of Agreement. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

(continued)

63. *Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any contract with Awardee.*

64. **PROPRIETARY INFORMATION**: Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent, a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

    Should a public record request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. The awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public record request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.

65. **E-VERIFY**: Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate this Agreement. Termination pursuant to this section is not a breach of this Agreement and may not be considered as such.

66. **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, Awardee shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Awardee does not transfer the public records to SBBC. Upon completion of the Agreement, Awardee shall transfer, at no cost, to SBBC all public records in possession of Awardee or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Awardee transfers all public records to SBBC upon completion of the Agreement, Awardee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee keeps and maintains public records upon completion of the Agreement, Awardee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems. (continued……)

66. **IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

67. **NONDISCRIMINATION:** As a condition of entering into the award of this ITB, Awardee represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

    As part of such compliance, Awardee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Awardee retaliate against any person for reporting instances of such discrimination. Awardee shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. Awardee understands and agrees that a material violation of this clause is considered a material breach of an award of this ITB and may result in termination of this ITB, disqualification of the company from participating in SBBC's solicitations, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

68. **ANNUAL APPROPRIATION**: SBBC's performance and obligations under this ITB is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this ITB, this ITB may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

69. **EXCESS FUNDS**: Any party receiving funds paid by SBBC under this ITB agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

70. **NO WAIVER OF SOVEREIGN IMMUNITY**: Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this ITB and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

71. **NO THIRD PARTY BENEFICIARIES**: The parties (SBBC and Awardee) expressly acknowledge that it is not their intent to create or confer any rights or obligations under this ITB in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this ITB. The parties agree that there are no third-party beneficiaries to this ITB and that no third-party is entitled to assert a claim against any of the parties based upon this ITB. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any ITB.

72. **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 60.

73. **INDEPENDENT CONTRACTOR**: The parties (SBBC and Awardee) to this ITB are acting in the capacity of independent contractor(s) and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this ITB. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

74. **RIGHTS AND REMEDIES**: The duties and obligations imposed by this ITB and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

**EXECUTIVE SUMMARY**

**Recommendation of $500,000 or Greater**
**ITB26-104 - Identification and Card Solution**

---

**Board Meeting Date:** March 10, 2026

**Recommended Action:**
Approve the Award of Invitation to Bid (ITB) ITB26-104 – Identification and Card Solution to the following Vendor: Identisys Incorporated and approve spending authority in the amount of $650,000.

**School Board Policy Requirement/Authority:**
Student identification badges support existing School Board safety and security expectations and are implemented through District-wide administrative practices rather than a single standalone policy.

**Statutory Requirement/Authority:**
The Florida Department of Education does *not* require students to have or carry physical student ID cards.

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":**
Approval of this bid will provide the District with a standardized, reliable solution for producing student and staff identification cards, ensuring consistent access to approved printers, supplies, training, and warranty support. This will improve operational efficiency, enhance campus safety, and reduce long-term costs by eliminating fragmented and ad-hoc purchasing.
**- If the School Board votes "No":**
If the bid is not approved, schools and departments will continue to rely on fragmented, short-term purchasing methods for ID printers and supplies, resulting in inconsistent equipment, higher costs, and increased operational risk. This may also delay or limit the District's ability to consistently produce student and staff identification badges in support of safety and operational needs.

**Background/History**:
The ID Printer Bid was initiated to replace the District's existing Board-approved Identification and Card Solution Agreement (FY21-213), which expired on January 31, 2026, and to ensure continuity of student and staff ID card production. Concurrently, District leadership advanced a unified badging initiative to standardize identification, enhance safety practices, and address aging or discontinued printer models, prompting the need for updated, scalable equipment. As a result, ITB26-104 was issued through a competitive solicitation process, culminating in a recommendation to award the bid to Identisys Incorporated to maintain uninterrupted operations and support District-wide badging needs.

Original ITB Term: March 10, 2026, through March 9, 2029, with two (2) additional one (1) year renewal options; Emerging/Small/Minority/Veteran/Women Business Enterprise Vendor(s): None.

**Alignment to 2027 Goals and Guardrails:**
Guardrail 1 Safety
Guardrail 2 Equity
Guardrail 2 School Support

**Measurable Outcome(s)/Return on Investment:**
Approval of this item will improve operational efficiency by reducing ID card production delays, equipment downtime, and inconsistent purchasing through standardized, District-approved printers, supplies, and warranty support. The District will realize a return on investment through competitively bid pricing, reduced ad-hoc purchases, extended equipment lifespan, and decreased staff time spent supporting unsupported or discontinued devices.

**Financial Impact, Funding Source & Budget Status:**
The total financial impact to the District is $650,000 and is funded by Various Schools Operating Budgets.

| ACTION | BOARD DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request (March 10, 2026, through March 9, 2029) | 3/10/2026 | YES FY26<br>No FY27<br>No FY28<br>No FY29 | Various Schools Operating Budgets | $72,222.22FY26 FY26-March 2026 to June 2026<br>$216,666.67 FY27-July 2026 to June 2027<br>$216,666.67 FY28-July 2027 to June 2028<br>$144,444.44 FY29-July 2028 to Match 2029 | 36 |
| **Total ITB Amount** | | | | **$650,000** | |

The financial impact amount represents an estimated ITB value; however, the authorized amount will not exceed the estimated ITB award amount.

**Multi-year agreement: Yes / No**
Yes. Making this a multi-year agreement provides long-term cost savings by locking in competitive pricing and avoiding future market fluctuations.

**Procurement Method:**
Pursuant to Purchasing Policy 3800, in accordance with Rule 6A-1.012(1)(b), Florida Administrative Code, the term "invitation to bid" shall be defined for the purposes of this policy as a written solicitation for competitive sealed bids. An invitation to bid is used when the school district is capable of specifically defining the scope of work for which a contractual service is required or when the School Board is capable of establishing precise specifications defining the actual commodity or group of commodities required. A written competitive solicitation includes an invitation to bid that is publicly posted. Pursuant to Section 6A-1.102, F.A.C. and School Board Policy 3800: "If less than two (2) responsive proposals for a commodity or contractual services are received, the School District may negotiate on the best terms and conditions or decide to reject all proposals. The School District shall document the reasons that negotiating terms and conditions with the sole proposer is in the best interest of the District in lieu of re-soliciting proposals." Proposed prices are similar to current prices. SBBC negotiated with the proposed Awardee. Pricing stayed the same as proposed. PWS and PPO decided that it is in the best interest to the District to proceed with this award.

**Impact on Schools:**
Schools will benefit from standardized access to approved ID printing equipment, supplies, and warranty support to ensure consistent and reliable student and staff identification.

**If there is an impact on schools, how will schools be selected/prioritized:**
Schools will be prioritized based on operational need, safety requirements, and availability of authorized funding, with District-wide access to approved equipment and supplies.

5. **RENEWAL/EXTENSION:** The term of the contract may, by mutual agreement between SBBC and the Awardee, be extended for two (2) additional one-year periods and, if needed, 180 days beyond the expiration date of the renewal period. SBBC and Awardee may, by mutual agreement, when exercising the option terms provided herein, extend the Agreement for a term period less than the full one (1) year option term. The Procurement & Logistic Operations Department will, if considering renewing, request a letter of intent to renew from each Awardee before the end of the current contract period. The Awardee will be notified when the recommendation has been acted upon by the School Board.

# SECTION 3 – SPECIAL CONDITIONS (continued)

When a subsequent award process for the award of the goods or services sought under this competitive solicitation is stopped due to the filing of a formal written protest, The School Board reserves the right to extend any agreement awarded under this competitive solicitation for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until such time as the new award under protest can be approved by The School Board.

6. **AWARD:** This bid shall be awarded **BY GROUP**, as indicated on the Bid Summary Sheet, to one primary and one alternate. All items within a group must have an individual cost. **Failure to state the individual cost for any item within a group shall result in the disqualification of the group.** In the event that any item in the group does not meet the specifications, the entire group shall be disqualified. The lowest-priced Bidder for the Group shall be considered the Primary Awardee for that Group. All other responsive Bidders for that Group will be Alternate Awardees ranked by the prices they submitted. The responsive Bidder with the next lowest price will be the First Alternate Awardee, the responsive Bidder with the next lowest price after the First Alternate Awardee will be the Second Alternate Awardee, and so on. SBBC reserves the right to procure goods from Alternate Awardee(s), beginning with the First Alternate Awardee, if a) the Primary Awardee cannot comply with delivery requirements or specifications; b) the Primary Awardee is not in compliance with delivery requirements or specifications on current or previous orders; c) in cases of emergency; d) due to supply-chain constraints; or e) if SBBC, at its sole discretion, determines that it is in its best interest to do so.

   After the award of this bid, any Awardee who violates any specification, term, or condition of this bid can be found in default of its Agreement, have its Agreement canceled, be subject to the payment of liquidated damages, and be removed from the bid list and become ineligible to do business with SBBC for two (2) years, as described in General Conditions 7.44 and 7.64 and Part XII, of School Board Policy 3800.

Pricing stated on the Bid Summary Pricing (Excel) sheet shall be all-inclusive of freight or delivery costs. Delivery or freight collection shall not be allowed. In the event the material supplied to SBBC is found to be defective or does not conform to specifications, SBBC reserves the right to cancel the order upon written request to the Awardee and return the product to the Awardee at the Awardee's expense. The Awardee will be responsible for picking up defective/rejected materials. After 30 days of notification to the Awardee, if the materials are not removed, they become the property of SBBC. The Awardee shall be responsible for any disposition charges, where applicable.

12. **QUANTITIES:** The quantities listed on the Bid Summary Sheet are estimated quantities to be ordered throughout the Agreement period for each item and are not a guarantee. Actual quantities ordered throughout the Agreement period may be greater or less than the bid estimates and shall be furnished at the fixed Agreement price. Purchases shall be requested as needed throughout the Agreement period, and as few as one each may be ordered at one time except where minimum orders are specifically stated on the Bid Summary Sheet(s).

14. **BRAND STANDARDIZATION:** In order for schools to continue purchasing consistently with the system currently used in each school, bids shall only be accepted on the make and models specified. If the model number is no longer available and has been replaced with a new updated model with new specifications, the Bidder should submit complete descriptive literature on the new model.

15. **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for an agreement awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

    **Material backordered should be clearly indicated on the packing slip. Schools, departments, and centers reserve the right to cancel back-orders at any time and purchase from another vendor.**

20. **ACH PAYMENTS:** Payments will be made to Awardee(s) by SBBC via ACH (Automated Clearing House) for automatic deposits (credits) after goods or services are provided by the Awardee in accordance with bid requirements. To facilitate payments being directly deposited, the ACH Payment Agreement must be submitted to achrequests@browardschools.com. New vendors can do this as part of the supplier registration process described below. Vendors already registered on SBBC's eProcure Online Supplier Portal can update their information by downloading a copy of the ACH Payment Agreement and submitting the completed form to the Purchasing Help Desk email stated above.

21. **SUPPLIER REGISTRATION:** To become a registered vendor for SBBC, vendors must access, complete, and submit a Supplier Profile Questionnaire (SPQ) through SBBC's new eProcure Online Supplier Portal, powered by Ariba which can be located at https://schoolboardofbrowardcounty.sourcing.ariba.com/ad/selfRegistration . Purchase Orders or payments cannot be issued to the Awardee without an SAP Vendor number, which is issued after completion of the Online Supplier Portal registration process. Training materials are available via our website at https://www.browardschools.com/bcps-departments/procurement (if needed).

22. **COMPANY REPRESENTATIVE:** Bidder(s) should indicate, in the space provided on the Bid Summary Sheet, the name, address, telephone number, etc., of the representative who could make scheduled visits to the schools/departments and who shall be available, upon request, to resolve billing and delivery problems.

23. **LEAD-FREE STATEMENT:** All material supplied to SBBC must be 100% lead-free. Bidder, by virtue of signing the bid, certifies that only materials or equipment that is 100% lead-free shall be supplied to SBBC. **No bid shall be considered unless this is agreed to by the Bidder.**

# SECTION 3 – SPECIAL CONDITIONS (continued)

25. **MINIMUM ORDER**: The actual quantity ordered may be as low as one each or unit, which Awardees shall be expected to fill. Orders are to be filled as received and are not to be batched together. Therefore, the minimum order quantity shall be one unit that shall be shipped at the bid price and shall include all shipping charges for inside delivery to one location.

26. **MODEL UPDATES:** If the awarded **model is discontinued** by the manufacturer during the Agreement period, the Awardee must advise SBBC Procurement & Logistic Operations, in writing, of the non-availability of the Agreement item and submit complete descriptive literature for the new updated model for SBBC evaluation and approval which must meet or exceed the specifications for the original Agreement item. The new model must be the same make/brand as the awarded Agreement item or a brand and model that is listed as an approved brand for that bid item and must be offered at the Agreement price or less. Samples of the replacement item(s), if requested, must be supplied for evaluation by the appropriate SBBC staff. SBBC shall not be held liable for any damages incurred to the product during evaluation.

27. **PRICE ADJUSTMENTS:** Prices offered shall remain firm through the first three (3) years of the Agreement. A request for a price adjustment, with proper documentation justifying the adjustment, may be submitted in writing thirty (30) calendar days before the third-anniversary date of the Agreement. Price adjustment requests shall be evaluated on an annual basis thereafter. Unit price adjustments must have written approval from SBBC before invoicing. Any unit price adjustment invoiced without written approval from SBBC shall not be paid, and the invoice will be returned to the Awardee for correction. Requests for price adjustments shall not exceed 3% per adjustment.

    The Director, Procurement & Logistic Operations, may, in the Director's sole discretion on behalf of the SBBC, equitably adjust pricing if the pricing or availability of supplies is adversely affected by extreme and unforeseen volatility in the marketplace. Consideration for any pricing adjustment shall require the vendor to provide irrefutable evidence that ALL the following circumstances exist:

    a. The volatility is due to causes wholly beyond the vendor's control and
    b. The volatility affects the marketplace or industry, not just the vendor's source of supply; and
    c. The effect on pricing or availability of supply is substantial, and
    d. The volatility so affects the vendor that continued performance of the Agreement would result in a substantial loss.

    Note: Any pricing adjustment must be confirmed in writing by the Director of Purchasing

28. **PRICE REDUCTIONS:** Awarded vendors may offer SBBC, at any time during the period of the Agreement, additional discounts from the prices offered in this ITB and invoice less than the prices offered in their submitted bid. If, from the date of bid opening, the Awardee either bids the same products at a lower price than offered to SBBC or reduces the price of the bidding product, the lowest of these reduced prices shall be extended to SBBC.

30. **PROTECTION OF WORK, PROPERTY, AND PERSONNEL:** The Awardee shall at all times guard against damage and/or loss to the property of SBBC and shall replace and/or repair any loss or damages unless caused by SBBC. SBBC may withhold payment or make such deductions as it might deem necessary to ensure reimbursement for loss and/or damages to the property through negligence of the Awardee. The Awardee shall take the necessary safety precautions to protect both personnel and property while the work is in progress.

31. **PRODUCT SUPPORT AND TRAINING:** The Awardee shall provide, coordinate, and plan complete product support and training for the equipment purchased for the entire Agreement period, including all renewals. Support and training shall include but not be limited to answering technical questions about the product, providing demonstrations at each Purchase Order's "ship-to" location, and troubleshooting problems with the equipment. The Awardee shall conduct training at the time of installation of the equipment, and thereafter upon request by each individual SBBC location, at no cost to SBBC. Training shall be conducted during normal working hours and scheduled at the convenience of each requesting SBBC location. Failure to provide the required training as outlined shall constitute a default of the Awardee's Agreement. (Refer to General Conditions 7.46 and 7.64 of this bid.)

# SECTION 3 – SPECIAL CONDITIONS (continued)

32. **WARRANTY:** The manufacturer's standard warranty must be provided on all bid items. The warranty shall begin after delivery and acceptance by the user of the product. Warranty shall be stated in the spaces provided in the Bid Summary Sheet. If the manufacturers' standard warranty is shorter than three (3) years, the vendor must either include an extended warranty to reach three (3) years total or provide an equivalent service guarantee themselves.

# SECTION 4 – SPECIFICATIONS & BID SUMMARY (PRICING)

## 1. SPECIFICATIONS or SCOPE OF WORK:

a. **Printing Technology & Performance**: All printers shall utilize direct-to-card printing (dye-sublimation/resin thermal transfer) for durable, high-quality photo IDs. Both single-sided and dual-sided (duplex) printing capabilities are required. Dual-sided units must be able to automatically flip and print on both sides of a card in one pass; single-sided units should be field-upgradeable to dual-sided via a license or module if applicable. The printers should be high-speed, suitable for batch printing and must include hoppers for batch processing.

b. **Physical and Environmental**: The printers will be used in office environments at various schools. They should be of reasonable size and weight for desktop use.

c. **Connectivity and Networking**: The printers should have USB 2.0 or 3.0 connectivity for direct PC connection and Ethernet network capability for shared use by multiple workstations. Both Evolis and Entrust models satisfy this with built-in USB and Ethernet ports. Additionally, optional Wi-Fi connectivity modules are available for both printer lines (Entrust Sigma supports 802.11g/n, dual-band WiFi; Evolis Primacy 2 offers a WiFi option (802.11b/g). While Wi-Fi is not mandatory, bidders should specify if their solution includes wireless printing support, as this could offer flexibility in certain school environments.

d. **Software and Compatibility**: Printers must be compatible with the district's existing systems. Driver support should include Windows 11 (primary OS in use) and ideally macOS for any administrative offices using Macs. Both proposed models come with driver software and printer management suites.

e. **Installation and Training Services**: The bid must include on-site installation and initial training services for the printers supplied:

   i. Delivery and Setup: The vendor will deliver all equipment to the designated district location(s) and perform professional installation. This includes unboxing, assembling any components, and setup/configuration of the printers. Each printer should be tested on-site to ensure it is fully functional (printing a test card) before signing off. Installation involves connecting the printer via USB or network as per our instruction, installing drivers on a designated PC or server, and configuring the printer settings (print ribbon type, card size, etc.). The installation schedule will be coordinated to minimize disruption (during summer or after school hours if installing in a school office).

   ii. Configuration of Print Settings: As part of the installation, vendor will help configure card design templates if using provided software – or ensure that our existing card design is set up correctly on the new printers (color profile adjustment might be needed to match colors as closely as possible).

   iii. Integration: If needed, the vendor will assist in integrating the printers with our existing ID card issuance system. Currently, the district uses the FOCUS student information system which has the capability of printing ID badges. [e.g., an ID card software/database or the printer's included CardPresso or Entrust software]. The installer should ensure the new printers operate with our current FOCUS workflow, importing or using existing templates for ID layout if applicable. Any issues with PC compatibility or driver conflicts must be resolved as part of the setup.

   iv. Initial User Training: The vendor shall provide basic training to staff at each site on the operation and maintenance of the printers. This training should cover how to load cards and ribbons, how to clean the printer (using the provided cleaning kit), how to troubleshoot common errors (card jams, ribbon issues), and how to use any printer software utilities (for example, Evolis Print Center or Entrust Sigma Dashboard for monitoring printer status). Training can be a short session at time of installation with hands-on practice. The district may record one session for reference. Additionally, the vendor must supply user manuals and quick reference guides (printed or electronic) for the models.

## SECTION 4 – SPECIFICATIONS & BID SUMMARY (PRICING) (continued)

f. **Vendor Service Guarantee**: The vendor must be the point of contact for all warranty issues. A service-level agreement (SLA) should be in place for repair or replacement of faulty equipment. For example, if a printer fails, the vendor will provide on-site repair or a loaner unit within a specified timeframe (e.g., within two (2) business days) to avoid downtime at the school. If the warranty is return-to-depot, the vendor should handle shipping and provide a temporary replacement if repairs will take more than five (5) business days. The bid should describe the process for reporting issues and the available support (phone support, on-site tech, etc.). Ideally, on-site support is preferred for major issues, given the critical nature of producing student badges.

g. **Post-Warranty Support**: Although the core warranty period is three (3) years, the district may continue using these printers for many years beyond. Please indicate whether you offer maintenance contracts or on-call repair services beyond the warranty period (and typical costs), and the availability of spare parts (print heads, rollers) for at least 5-7 years for the models proposed.

h. **Preventative Maintenance**: Include in the bid any recommended preventative maintenance visits. For instance, some vendors offer an annual preventative maintenance check/cleaning as part of a service contract. If included, a technician would visit to inspect and thoroughly clean the printers, update firmware, and ensure they are in top working condition. This can prolong printer life and catch issues early. If this is not standard, bidders can list it as an optional service with a price per year.

2. **BID SUMMARY (PRICING) SHEET:** Complete the attached Excel spreadsheet "Bid Summary Sheet" electronically. If a correction is needed to the Excel spreadsheet, contact the Purchasing Agent as soon as possible. Do not try to re-create or alter the spreadsheet. No handwritten summary sheets will be accepted. The Excel Spreadsheet contains **Five (5) tabs**. The Excel spreadsheet indicates the specific cell that will be used for award purposes. **The Bid Summary Worksheet must be submitted, in time for bid opening, as a separate electronic file attachment in Excel (.xls) format.**

   The following is a list of the tabs contained in the Excel spreadsheet and screenshots:

   **TAB 1 - COMPANY REPRESENTATIVE:** Bidder(s) should indicate, in the "Company Representative" tab, the name, address, telephone number, etc., of the representative who could make scheduled visits to the schools/departments and who shall be available, upon request, for the purpose of requesting quotes, follow up on delivery, invoicing, or service questions/concerns.

   **TAB 2 – GROUP 1: Evolis** (printer packages)

   **TAB 3 – GROUP 2: Entrust** (printer packages)

   **TAB 4 – GROUP 3: Consumables & Accsessories**

   **TAB 5 – ADDITIONAL INFORMATION**: Fill out the "Additional Information" tab if needed.

3. **MODEL NUMBER CORRECTIONS:** If the **model number** for the make specified on the Bid Summary Sheet **is no longer available** and has been replaced with a new updated model with new specifications, the Bidder should contact the Purchasing Agent and **submit complete descriptive literature** on the new model number as soon as possible. The Purchasing Agent will release a revised Bid Summary sheet via an Addendum posted to DemandStar.

The estimated contract amount is not subject to protest pursuant to Section 120.57(3), Florida Statutes. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check, or money order in the amount of the bond.

If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. If the protestant prevails, then the protestant shall recover from the School Board all costs and charges which shall be included in the Final Order or judgment, excluding attorney's fees. **All documentation necessary for the protest proceedings will be provided electronically by SBBC.**

7.41 **(continued) Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800 within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protests, formal written protests, and the bonds required by Policy 3800 shall be filed at the office of the Director, Procurement and Logistic Operations, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.42 **PACKING SLIPS:** It will be the responsibility of the Awardee to attach all packing slips to the Purchase Order number/control number. Failure to provide a packing slip attached to the outside of the shipment will result in the refusal of shipment at the vendor's expense.

7.43 **USE OF OTHER CONTRACTS:** SBBC reserves the right to utilize any other SBBC contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, other school boards, other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012, as currently enacted or as amended from time to time, in lieu of any offer received or award made as a result of this bid if it is in its best interest to do so.

7.44 **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this Agreement. Such rights will be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions, and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts, or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s).

7.45 **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by the School Board. These orders will be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e., within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all vendors must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that a vendor maintains secure records of the credit card account assigned an alias or password to avoid divulging the actual credit card number upon every purchase.

7.46 **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items or services offered may be tested for compliance with ITB conditions and specifications at any time. Items delivered that do not conform to ITB conditions or specifications may be rejected and returned at the vendor's expense. Services not conforming to ITB specifications shall be corrected and performed again to meet the specifications of the ITB at the expense of the Awardee. Goods or services not delivered as per the delivery date in ITB and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:

a) Cancellation and default of contract;
b) For a period of two (2) years, any proposal submitted by the vendor will not be considered and will not be recommended for award.
c) All departments are advised not to do business with vendors.

7.47 **CONE OF SILENCE:** Any proposer or lobbyist for a proposer is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Logistic Operations releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Logistic Operations. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the contract is awarded by the School Board. Further, any vendor, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office

7.47 (continued) time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3800, Part VIII, as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any vendor or lobbyist who violates this provision shall cause their Proposal (or that of their principal) to be considered non-responsive and, therefore, be ineligible for award.**

7.48 **PURCHASE BY OTHER PUBLIC AGENCIES:** With the consent and agreement of the awarded contractor(s), purchases may be made under this ITB by other agencies. Such purchases shall be governed by the same terms and conditions as stated herein.

749 **PUBLIC ENTITY CRIMES:** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO [currently $25,000] for a period of 36 months from the date of being placed on the convicted vendor list.

7.50 **SEVERABILITY:** In case any one (1) or more of the provisions contained in this ITB shall be for any reason held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision, and this ITB shall be considered as if such invalid, unlawful, unenforceable or void provision had never been included herein.

7.51 **DISTRIBUTION:** DemandStar by Onvia, www.demandstar.com, is the official method approved by Procurement & Logistic Operations for the distribution of all competitive solicitations, including ITBs and RFPs. It is the responsibility of all interested parties to ensure they have received all necessary documents, including the Addenda, and have included all necessary information in their response. SBBC is not responsible for Proposer's failure to obtain complete bidding documents from DemandStar. SBBC reserves the right to reject any bid as non-responsive for failure to include all necessary documents or required Addenda. For information regarding the above-referenced solicitation, contact the designated Purchasing Agent, as stated herein.

7.52 **PRICE REDUCTIONS:** If, from the date of proposal opening, the Awardee either bids the same products and/or services at a lower price than offered to SBBC or reduces the price of the proposed product or service, the lowest of these reduced prices will be extended to SBBC.

7.53 **LOBBYIST ACTIVITIES:** In accordance with SBBC Policy 1100B, as currently enacted or as amended from time to time, persons acting as lobbyists must state, at the beginning of their presentation, letter, telephone call, e-mail, or facsimile transmission to School Board Members, Superintendent or Members of Senior Management, the group, association, organization or business interest she/he is representing.

a) A lobbyist is defined as a person who, for immediate or subsequent compensation (e.g., monetary profit/personal gain), represents a public or private group, association, organization, or business interest and engages in efforts to influence School Board Members on matters within their official jurisdiction.
b) A lobbyist is not considered a person representing school-affiliated groups (e.g., PTA, DAC, Band Booster Associations, etc.) nor a public official acting in her/his official capacity.
c) Lobbyists shall annually (July 1) disclose in each instance and for each client prior to any lobbying activities, their identity and activities by completing the lobbyist statement form, which can be obtained from Official School Board Records, School Board Member's Offices or the Superintendent's Office and will be recorded on the School Board of Broward County's website, www.browardschools.com.
d) The lobbyist must disclose any direct business association with any current elected or appointed official or employee of SBBC or any immediate family member of such elected or appointed official or employee of SBBC.
e) Senior-level employees (Pay Grade 30 and above) and/or School Board Members are prohibited from lobbying activities for one (1) year after resignation or retirement or expiration of their term of office.

7.54 **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY OR VOLUNTARY EXCLUSION – Lower Tier Covered Transactions:** Executive Order 12549, as currently enacted or as amended from time to time, provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. during the period in which the vendor is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the

7.54 (continued) Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one (1) agency shall have government-wide effect. A lower-tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction, and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower-tier covered transactions to include the certification for it and its principals in any bid submitted in connection with such lower-tier covered transactions.

## CERTIFICATION:

a) The prospective lower-tier participant certifies, by submission of this ITB, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Every time a proposal that includes a reference to this Form is submitted, a new Form is required. Any proposal that does not include this required Form shall not be evaluated and shall not be considered for award. **A signature is required on BOTH the Debarment Form AND the Required Response Form.** A signature on one document cannot be substituted for the signature required on the other document. **Failure to complete and sign both documents requiring signature shall result in rejection of the proposal submitted.**

7.55 **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days prior written notice that The School Board is terminating the contract award.

7.56 **TIE BID PROCEDURES:** When identical points are received from two (2) or more vendors and all other factors are equal in point value, priority for an award shall be given to vendors in the following sequence:

a) A business that certifies that it has implemented a drug-free workplace program shall be given preference in accordance with the provisions of Chapter 287.087, Florida Statutes, as currently enacted or as amended from time to time;
b) The School Board of Broward County, Florida, M/WBE certified vendor;
c) The Broward County Certified Minority/Women Business Enterprise vendor;
d) The Palm Beach County or Miami-Dade County Certified Minority/Women Business Enterprise vendor;
e) The Florida Certified Minority/Women Business Enterprise vendor;
f) The Broward County vendor, other than a Minority/Women Business Enterprise vendor;
g) The Palm Beach County or Miami-Dade County vendor, other than a Minority/Women Business Enterprise vendor;
h) The Florida vendor, whose main office is in the State of Florida, other than a Minority/Women Business Enterprise vendor.
i) If the application of the above criteria does not indicate a priority for an award, the award will be decided by a coin toss. The coin toss shall be held publicly in Procurement & Logistic Operations, and the tie low bid vendors are invited to be present as witnesses.

Included as a part of the ITB documents is a Form entitled **SWORN STATEMENT PURSUANT TO CHAPTER 287.087, FLORIDA STATUTES, AS CURRENTLY ENACTED OR AS AMENDED FROM TIME TO TIME, ON PREFERENCE TO BUSINESSES WITH DRUG-FREE WORKPLACE PROGRAMS.** This form will be used by the Proposer to certify that it has implemented a drug-free workplace program.

7.57 **CONFIDENTIAL RECORDS:** The Awardee acknowledges that certain information about the District's students is contained in records created, maintained or accessed by the Awardee and that this information is confidential and protected by the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S. C. 1232g), and/or the Health Insurance

7.57 (continued) Nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities.

*Awardee agrees that it may create, receive from, or on behalf of the District, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it will: (1) hold the Confidential Records in strict confidence and will not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the District in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the District, the Awardee agrees to provide the District with a written summary of the procedures the Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the District to terminate any Agreement with the Awardee.*

7.58 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this ITB shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until the posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the ITB is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the ITB shall constitute a waiver by the Proposer of any applicable exemptions from disclosure or any confidential status, including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of the Proposer's response to the ITB. SBBC will provide for the inspection or copying of any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the ITB or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to initiate such legal proceedings in a timely manner shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials.
By submitting a response to this ITB, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs, or attorney's fees based upon SBBC's non-disclosure of portions of the Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such non-disclosure.

7.59 **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for a contract awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

Portability and Accountability Act (HIPAA) (45 CFR parts 160-164) and related District policies, as amended from time to time, currently available at www.browardschools.com. Confidentiality of information cannot be disclosed unless valid consent is obtained from the students or their legal guardians. Both parties agree to protect these records in compliance with FERPA, HIPAA, and the District's policy. To the extent permitted by law,

7.60 **GRATUITIES**: Proposer(s) shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of SBBC, including any School Board Member, Superintendent of Schools, and any Evaluation Committee Members, for the purpose of influencing consideration of their Proposal.

7.61 **PREPARATION AND COST OF PROPOSAL:** The proposer is solely responsible for any and all costs associated with responding to this ITB. SBBC will not reimburse any Proposer for any costs associated with the preparation and submittal of any Proposal or for any travel and per diem costs that are incurred by any Proposer

7.62 **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee(s) shall keep and maintain public records required by SBBC to perform the services required under this contract. Upon request from SBBC's custodian of public records, Awardee(s) shall provide SBBC with a copy of any requested public records or allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee(s) shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract's term and following completion of the contract if Awardee(s) does not transfer the public records to SBBC. Upon completion of the contract, Awardee(s) shall transfer, at no cost, to SBBC all public records in possession of Awardee(s) or keep and maintain public records required by SBBC to perform the services required under the contract. If Awardee(s) transfers all public records to SBBC upon completion of the contract, Awardee(s) shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Awardee(s) keeps and maintains public records upon completion of the contract, the Awardee(s) shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

**IF A PARTY TO THIS ITB HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE ITB, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

7.63 **E-VERIFY:** Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this ITB Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this ITB Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this ITB Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with, or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate the ITB Agreement. Termination pursuant to this section is not a breach of this ITB Agreement and may not be considered as such.

7.64 **DEFAULT**: The parties (SBBC and Awardee) agree that if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 7.55. If the default is not cured by the Awardee, the steps in section 7.46 shall be taken.

# INSTRUCTIONS FOR CERTIFICATION – SUPPLEMENT FOR ATTACHMENT C

1. By signing and submitting this proposal, the prospective lower-tier participant will provide the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** SBBC students and instructors in Health Science Programs will continue to access NHA industry certification exams, study materials, and online practice tools required for program completion and alignment to state frameworks. This First Amendment renewal ensures uninterrupted certification opportunities and supports pathway expansion.
**- If the School Board votes "No":** SBBC students will lose access to NHA exams and preparation resources, resulting in the immediate loss of certification attainment opportunities across Health Science programs, which directly impacts acceleration and career readiness.

**Background/History:**
SBBC entered into an Agreement with NHA on June 15, 2023, to provide Health Science students access to industry certification examinations and online preparation materials accredited by the *National Commission for Certifying Agencies (NCCA)*. NHA partners with various educational institutions nationwide and has certified over 350,000 students/individuals in the healthcare field. 2.07 **Inspection of NHA's Records by SBBC**. NHA shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All NHA's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze

(f) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by NHA in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by NHA. (g) Inspection of Subcontractor's Records. NHA shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by NHA to include such requirements in any subcontract shall constitute grounds for termination of this

Agreement by SBBC for cause and shall be grounds for the exclusion of some or all of Payee's costs from amounts payable by SBBC to NHA pursuant to this Agreement and such excluded costs shall become the liability of NHA.

(h) Inspector General Audits. NHA shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

NHA shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to NHA and its personnel. The parties agree that the failure of NHA to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. NHA agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from NHA's failure to comply with the requirements of this section or with Sections 1012.32 and 1012.465, Florida Statutes.

If NHA transfers all public records to SBBC upon completion of the Agreement, NHA shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If NHA keeps and maintains public records upon completion of the Agreement, NHA shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

2.12 **Liability**. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence.

(b) By NHA: NHA agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by NHA, its agents, servants or employees; the equipment of NHA, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of NHA or the negligence of NHA's agents when acting within the scope of their employment, whether such claims, judgments, costs and expenses be for damages, damage to property including SBBC's property, and injury or death of any person whether employed by NHA, SBBC or otherwise.

2.13 **Professional Liability/Errors & Omissions**. NHA shall maintain Professional Liability/Errors & Omissions insurance during the term of this Agreement with a limit of not less than $1,000,000 per occurrence covering services provided under this Agreement.

The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.15 **Nondiscrimination**.

(b) As part of such compliance, NHA shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall NHA retaliate against any person for reporting instances of such discrimination. NHA shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. NHA understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

2.16 **Annual Appropriation**. The performance and obligations of SBBC under this Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty shall accrue to SBBC in the event this provision is exercised, and SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.

2.17 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

## ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations

under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party thirty (30) days' written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.

3.05 **Termination**. This Agreement may be canceled with or without cause by SBBC or NHA during the term hereof upon thirty (30) calendar days' written notice to the other party of its desire to terminate this Agreement.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the

enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective

as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.19 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have made and executed this Agreement on the date first above written.

If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.22 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by NHA that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. NHA further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. NHA acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. NHA further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if NHA (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if NHA is found to have submitted a false certification, has

been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.23 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, NHA, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of NHA under penalty of perjury stating that NHA does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject NHA to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if NHA is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with NHA's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

4. **Order of Precedence among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

(a) this First Amendment to Agreement; then
(b) the Agreement.

5. **Other Provisions Remain in Force**. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

6. **Authority**. Each person signing this First Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment to Agreement.

**School Board Policy Requirement/Authority:** Not Applicable

**Statutory Requirement/Authority:** Not Applicable

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** A "Yes" vote on this item will enable the Vehicle Maintenance Department to continue servicing, repairing, and maintaining the District's school bus and white fleet to ensure the safe transportation of students and staff. It will also sustain the upkeep of operational vehicles used by Physical Plant Operations to support District schools and administrative sites, as well as ensure the timely completion of essential deliveries throughout the District.
**- If the School Board votes "No":** A "No" vote on this item will restrict the District's ability to maintain access to parts and supplies to maintain its fleet of school buses and white fleet vehicles. Restricted access and availability of these items may lead to unsafe District vehicles and cause significant disruptions to student transportation and maintenance operations District-wide because of ongoing fleet mechanical issues.

Awardee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Awardee does not transfer the public records to SBBC. Upon completion of the Agreement, Awardee shall transfer, at no cost, to SBBC all public records in possession of Awardee or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Awardee transfers all public records to SBBC upon completion of the Agreement, Awardee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee keeps and maintains public records upon completion of the Agreement, Awardee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems. (continued……)

66. **IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

67. **NONDISCRIMINATION:** As a condition of entering into the award of this ITB, Awardee represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

As part of such compliance, Awardee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Awardee retaliate against any person for reporting instances of such discrimination. Awardee shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. Awardee understands and agrees that a material violation of this clause is considered a material breach of an award of this ITB and may result in termination of this ITB, disqualification of the company from participating in SBBC's solicitations, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

68. **ANNUAL APPROPRIATION**: SBBC's performance and obligations under this ITB is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this ITB, this ITB may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

69. **EXCESS FUNDS**: Any party receiving funds paid by SBBC under this ITB agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

70. **NO WAIVER OF SOVEREIGN IMMUNITY**: Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this ITB and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

71. **NO THIRD PARTY BENEFICIARIES**: The parties (SBBC and Awardee) expressly acknowledge that it is not their intent to create or confer any rights or obligations under this ITB in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this ITB. The parties agree that there are no third-party beneficiaries to this ITB and that no third-party is entitled to assert a claim against any of the parties based upon this ITB. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any ITB.

72. **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 60.

73. **INDEPENDENT CONTRACTOR**: The parties (SBBC and Awardee) to this ITB are acting in the capacity of independent contractor(s) and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this ITB. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

74. **RIGHTS AND REMEDIES**: The duties and obligations imposed by this ITB and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).

**EXECUTIVE SUMMARY**

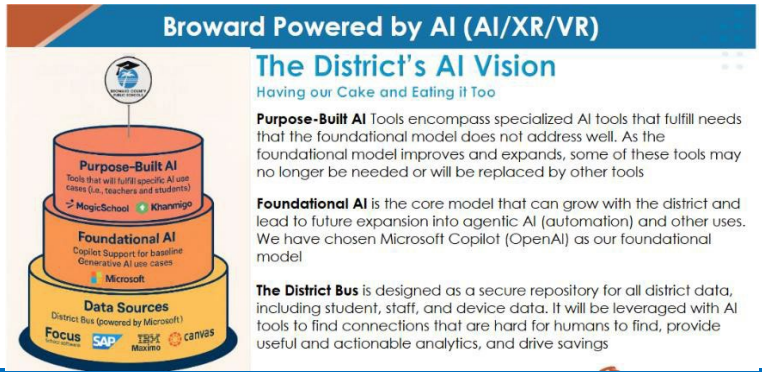
**Recommendation to Approve Agreement with Magic School, Inc.**
**AGR26-050 - Magic School AI**

---

**Board Meeting Date:** March 10, 2026

**Requested Action:**
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Magic School, Inc., and the spending authority in the amount of $1,200,000.

**School Board Policy Requirement/Authority:** Not Applicable



**Statutory Requirement/Authority:** No

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** SBBC teachers and students will gain access to **Magic School AI,** extending the District's enterprise AI capabilities into classroom instruction. Approval will enable SBBC to implement an **integrated AI platform** that supports both educator efficiency and student learning. This investment strengthens instructional capacity, maximizes return on investment, and positions SBBC as a leader in the **safe, responsible, and effective integration of artificial intelligence**.
**- If the School Board votes "No":** SBBC teachers and students will not have access to Magic School AI, and the proposed initiative will not move forward. As a result, the District will remain limited to **productivity-focused AI tools** without a complementary classroom-based instructional platform. This would constrain SBBC's ability to leverage AI to support personalized instruction, address learning gaps, and implement a **comprehensive, balanced AI strategy** that directly supports teaching and learning.

**Background/History**
Broward Powered by AI has rapidly evolved into a bold, teacher-supported, and technology-led initiative—driven by the leadership, the **generosity of Wayne and Lucretia Weiner,** and facilitated by the **Community Foundation of Broward (CFB)**, who share a deep commitment to SBBC's Vision of "***Educating today's students to succeed in tomorrow's world.***" Through the Weiners' generous donation, the use and implementation of Magic School AI will be fully funded for three (3) years, ensuring equitable access to safe, standards-aligned AI tools for all educators. The implementation of Magic School accelerates our transition toward the 22nd Century Classroom—where artificial intelligence serves as a powerful force for personalized learning, instructional excellence, and closing achievement gaps. By addressing the need to build teacher capacity, reclaim instructional time, and provide more targeted differentiation of instruction, SBBC can continue to lead the way in academic innovation. Magic School adds to Broward Powered by AI's ecosystem and positions SBBC at the forefront of preparing teachers not just to use AI, but to thrive in an AI-enabled future.

As the **Tier 3** layer of Broward Powered by AI, Magic School AI—together with all other Artificial Intelligence (AI), XR, and Virtual Reality (VR) tools—supports educators in improving instructional quality, personalizing learning, and closing achievement gaps, ensuring technology investments translate into measurable student outcomes.

Agreement Term: March 10, 2026, through March 9, 2029; Emerging/Small/Minority/Veteran/Women Business Enterprises: None.

**Alignment to 2027 Goals and Guardrails:**
Goal 1: Early Literacy Proficiency
Goal 2: Algebra Proficiency
Goal 3: Science Proficiency
Goal 4: College and Career Readiness/Acceleration

**Measurable Outcome(s)/Return on Investment:**
Magic School AI significantly improves efficiency, productivity, and instructional differentiation. When implemented with fidelity, Magic School AI will:

A. **Teacher Time Reclaimed for Instruction [Productivity Return on Investment (ROI] -** Reduce non-instructional planning and administrative workload for teachers, allowing more time for high-quality instruction and student support.

**Measures**
- Average **minutes per week saved** on lesson planning, differentiation, feedback, and assessment creation (teacher survey + time-on-task logs)
- % of teachers reporting Magic School AI reduced planning time by **thirty through sixty (30–60+) minutes per week**
- Reduction in duplicated planning artifacts across Professional Learning Communities

**ROI Logic**
- Time saved = instructional capacity gained
- Reduced reliance on external consultants and paid PD sessions
- Increased teacher satisfaction and retention

**Target**
- **Seventy percent (70%)+ of teachers** report at least **thirty** (**30) minutes/week** reclaimed
- Equivalent of **one through two (1–2) instructional weeks** regained per teacher annually

**Reporting**
- Baseline (pre-implementation)
- Midyear
- End-of-year (EOY)

B. **Improved Instructional Differentiation & Multi-Tiered Support Systems (MTSS) Precision (Student Impact ROI) -** Increase the quality and consistency of differentiated instruction and targeted supports using AI-assisted instructional design.

**Measures**
- % of teachers using Magic School AI for:
  - Differentiated lesson plans
  - Tier 2/Tier 3 supports
  - ELL accommodations and scaffolds
- Increase in **students receiving targeted instruction within Tier 1** (before MTSS escalation)
- Reduction in unnecessary Tier 2 referrals due to stronger Tier 1 differentiation

**ROI Logic**
- Earlier intervention reduces long-term remediation costs
- Better alignment of supports to student needs
- More efficient use of intervention resources

**Target**
- **Sixty percent (60%) + of classrooms** regularly using AI-supported differentiation
- **Ten through fifteen percent (10–15%) reduction** in unnecessary Tier 2 referrals year over year

**Reporting**
- Usage analytics by grade/region
- MTSS entry/exit trend analysis (aggregated)

**Financial Impact, Funding Source & Budget Status:**
There is no financial impact on the District. The District anticipates receiving funding in the amount of $1,200,000 over the next thirty-six (36) months in the form of a donation. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.16 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, VENDOR, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of VENDOR under penalty of perjury stating that VENDOR does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject VENDOR to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if VENDOR is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with VENDOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.17 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or

renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.18 **Background Screening.** VENDOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no

opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.19 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

**IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

2.20 **Grant of Rights**. VENDOR grants to SBBC and its authorized users a world-wide, non-exclusive, royalty-free right to access and use the goods and services described herein, during the term of the Agreement for SBBC's educational purposes.

2.21 **Proprietary Information**.

2.21.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.21.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.22 **Warranty**. VENDOR warrants during the term of this Agreement that the goods and services provided herein will operate and otherwise function in all respects in accordance with the associated specifications and descriptions for those goods and services. For any failure to so operate or function, VENDOR shall use all commercially reasonable efforts to mitigate and otherwise correct any reported error(s) and provide updated goods and services or a reasonable alternative replacement to SBBC within a reasonable timeframe, not to exceed thirty (30) calendar days from VENDOR's receipt of any error or defect notice, after which if such error or defect persists despite VENDOR's best efforts to cure same, SBBC may in the exercise of its discretion, terminate this Agreement and in such event VENDOR shall refund any unused prepaid fees.

2.23 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.23.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.23.2 By VENDOR. VENDOR agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by VENDOR, its agents, servants, or employees; the equipment of VENDOR, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of VENDOR or the negligence of VENDOR's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by VENDOR, SBBC, or otherwise.

2.24 **Insurance Requirements**. VENDOR shall comply with the following insurance requirements throughout the term of this Agreement:

In addition, an affidavit signed by VENDOR must be furnished to SBBC stating the following: "VENDOR does not own any vehicles. If VENDOR acquires any vehicles during the term of the Agreement, VENDOR. agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.23.5 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.24.6 Verification of Coverage. Proof of the required insurance must be furnished by VENDOR to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences to permit VENDOR to remedy any deficiencies. After the award, you will receive an email with a link to upload (drag and drop) your certificate of insurance.

2.25 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.26 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.27 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

## ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations

under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left

on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have made and executed this Agreement upon the date of the last signature below.

**EXECUTIVE SUMMARY**

Resolution No. 26-130 Calling for a Referendum to be Held on November 3, 2026

**Board Meeting Date: March 10, 2026**

**Requested Action:** Adopt Resolution No. 26-130 Calling for a Referendum to be Held on November 3, 2026, for The School Board of Broward County, Florida on a Question Regarding a Levy of Ad-Valorem Taxes for Essential Operational Expenses.

**School Board Policy Requirement/Authority:**

**Statutory Requirement/Authority:** Sections 1011.71(9) and 1011.73, Florida Statutes

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** Approval of this resolution will authorize the placement of a referendum question on the November 3, 2026, ballot seeking to allow voters to consider approval of the continuation of the District's current 1.0 mill operating levy for up to four (4) years beginning January 1, 2027, through December 31, 2030. If approved by voters, this levy would be used to fund authorized expenditures for the fiscal years commencing July 1, 2027, through the conclusion of the 2030-2031 fiscal year ending June 30, 2031, to support school safety and security staffing and mental health professionals, increase compensation to recruit and retain teachers and school-based and support staff, and fund other essential instruction-related expenditures to preserve programs for the benefit of all traditional public and charter schools.
**- If the School Board votes "No":** If the resolution is not approved, the School Board will not be able to proceed with submitting the referendum question to voters for renewal of operating millage following the expiration of the current voter-approved levy at the end of the 2026–2027 school year. As a result, the District will experience a significant loss of funding for critical safety, mental health, compensation, and instructional support needs that the District has identified as ongoing priorities due to continued inadequacies in state funding

for operating expenses.

**Background/History**

On August 23, 2022, Broward County voters approved the renewal (*2018*) and increase of a 1.0 mill operating referendum to support essential District priorities. Beginning with the 2023–2024 school year, charter schools were included and receive their proportionate share of referendum proceeds. The referendum was approved to support three primary areas: recruiting and retaining high-quality teachers and staff through compensation supplements; strengthening safe and secure learning environments through school safety and security personnel, programs, and related supports; and enhancing student support services, including mental health and wellness resources.

The School Board subsequently allocated the funds as follows: 75 percent toward compensation to recruit and retain instructional and staff; 17 percent for school safety and security personnel and related supports; and 8 percent to enhance student support programs and services, including mental health and wellness resources. All compensation allocations were subject to collective bargaining. Consistent with prior referendum guidance, funds are used exclusively for voter-authorized purposes. Amounts not expended by fiscal year-end remain available for future referendum-eligible costs and continue to be directed through School Board action and the adopted budget. Staff will request direction from the Board regarding the use of any rollover funds once year-end closing has been completed.

The District continues to manage rising operating costs driven by inflation, health care expenses, and workforce market pressures that outpace growth in state funding. As a result, locally approved operating millage remains an important component of maintaining competitive compensation, safe learning environments, and student support services. The District currently levies a voter-approved 1.0 mill operating referendum; however, that levy is scheduled to expire at the conclusion of the 2026–2027 school year. Without renewal, the expiration would create a significant reduction in recurring operating resources that support staffing, school safety, and student services.

In response, this resolution requests that a referendum be held on November 3, 2026, to allow voters to consider approval of the continuation of the District's current 1.0 mill operating levy for up to four (4) fiscal years beginning July 1, 2027. The one (1) mill levy of ad valorem taxes for operating expenses shall

commence January 1, 2027, and shall remain in full force and effect for four (4) years ending December 31, 2030, unless repealed or reduced prior to that time by resolution of the School Board, which repeal or reduction may be effectuated without referendum. Notwithstanding the foregoing, such collections shall be used to fund authorized expenditures for the fiscal years commencing July 1, 2027, through the conclusion of the 2030-2031 fiscal year ending June 30, 2031.

This measure would extend locally approved funding that supports teacher and school-based and support staff compensation, safe and secure learning environments, and student support services. The request is authorized pursuant to Sections 1011.71(9) and 1011.73, Florida Statutes, which permit school boards to levy ad valorem taxes for school operational purposes, including charter schools sponsored by the district, subject to voter approval.

**Alignment to 2027 Goals and Guardrails:**
Business Operations

**Measurable Outcome(s)/Return on Investment:**
If approved by voters, the referendum would provide a stable and predictable operating revenue source dedicated to maintaining and expanding core District priorities, including: (1) enhanced school safety and security staffing, (2) strengthened mental health supports, (3) improved employee recruitment and retention through compensation investment, and (4) preservation of essential instructional programs impacting student success.

Additionally, the School Board will strengthen transparency and accountability associated with referendum expenditures by requiring monthly reports of receipts and expenditures and promptly posting such reports on the School Board's website for public inspection.

**Financial Impact:**
The precise financial impact of the proposed referendum will be determined following additional analysis by the District's Finance Department. Staff are currently evaluating applicable variables, including projected taxable property values, millage assumptions, and allocation categories consistent with prior referendum authorizations.

If approved by voters, the continuation of the 1.0 mill operating levy would provide recurring local revenue to support voter-authorized purposes, including instructional and school-based and support staff compensation, school safety and security personnel and related supports, and student support services such as mental health and wellness resources.

Estimated revenue projections and proposed allocation breakdowns will be presented to the School Board at a future meeting once the analysis is complete.

**Impact on Schools:** Approval of the referendum renewal will directly benefit District schools by sustaining and enhancing resources required to support safe learning environments, mental health services, teacher and school-based and support staff stability, and essential instruction-related expenditures. This funding is intended to preserve important programs and services for the benefit of all traditional public and charter schools within Broward County Public Schools.

WHEREAS, the School District of Broward County, Florida (the "District") has experienced insufficient funding from the Florida Legislature in the current and prior fiscal years to adequately support its normal operating expenses, particularly in light of Broward County's rising cost of living; and

WHEREAS, the District currently levies a voter-approved ad valorem tax of one (1) mill for operating expenses, which tax levy will expire on December 31, 2026; and

WHEREAS, The School Board of Broward County, Florida (the "School Board") anticipates further decreases in State funding for operating expenses; and

WHEREAS, the District has experienced shortfalls in funding to recruit and retain teachers and pre-kindergarten through adult instructional personnel, paraprofessionals, food service employees, and bus drivers and assistants, even with the current ad valorem tax; and

WHEREAS, the District has increased needs to provide safety, security and mental health professionals at schools throughout the District, for which existing funding, including the current voter approved ad valorem tax, is inadequate; and

WHEREAS, in general the State's funding formula does not permit the use of capital funds for operating expenses; provided, however, Section 1011.71(9) and Section 1011.73, Florida Statutes (2025), authorize the imposition by school boards of a levy of ad valorem taxes for up to four (4) years for "school operational purposes", including charter schools sponsored by a school district, subject to approval by the electors of the county voting in a referendum; and

WHEREAS, if such ad-valorem tax levy is approved to commence upon expiration of the current one mill ad valorem tax levy, the School Board will provide funding for the purposes described above to traditional public and charter schools throughout the District, will require

monthly reports on all receipts and expenditures in connection with such levy and will promptly post such reports on the School Board's website for public inspection.

Resolution No. 26-132 in Support of Broward County Public Schools Advancing Education Powered by Artificial Intelligence (AI)

---

**Board Meeting Date:** March 10, 2026

**Requested Action:** Adopt Resolution No. 26-132 in Support of Broward County Public Schools Advancing Education Powered by Artificial Intelligence (AI) District-wide.

**- If the School Board votes "Yes":** The School Board will adopt Resolution No. 26-132 in Support of Broward County Public Schools Advancing Education Powered by Artificial Intelligence (AI).
**- If the School Board votes "No":** The School Board will not adopt Resolution No. 26-132 in Support of Broward County Public Schools Advancing Education Powered by Artificial Intelligence (AI).

**Background/History**
As artificial intelligence (AI) technologies rapidly evolve, they are transforming education by enhancing teaching, learning, and school operations. AI offers opportunities for personalized learning, data-driven decision-making, and preparing students for a technology-driven workforce. However, successful integration requires attention to accessibility, responsible use, data privacy, and educator training.

On April 22, 2025, during a Broward School Board Workshop featuring AI, XR, and VR, the term "Broward Powered by AI" was introduced, signaling a bold vision for innovation. Since then, the need for a formal resolution, Broward County Public Schools Advancing Education Powered by AI, has grown as technology use expands in classrooms without consistent guidance for educators. While students increasingly interact with AI tools, teachers often lack structured resources and training, creating implementation gaps and potential learning disparities. Concerns about academic integrity, bias, and data security further underscore the urgency for clear ethical standards.

A resolution will:

- Provide structured guidance for responsible AI integration.
- Promote ethical and equitable practices.
- Ensure professional development for educators.
- Prepare students and staff for the demands of a future-ready learning environment.
