THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

TUESDAY, MARCH 10, 2026 8:45 AM
Kathleen C. Wright Building
600 Southeast Third Avenue, Board Room
Fort Lauderdale, Florida 33301

# AGENDA FOR REGULAR SCHOOL BOARD MEETING

REGULAR SCHOOL BOARD MEETING CAN BE VIEWED VIA LIVE STREAM OVER THE INTERNET ON THE DISTRICT'S WEBSITE (www.browardschools.com).

Third Update 3/9/26 - Second Update 3/6/26 - Update 3/4/26 - Supplemental 2/26/26

School Board meetings will be held with Board Members being physically present and via electronic communication. This advertised Regular School Board Meeting will be accessible virtually. **Public Written Agenda Comments - Members of the public may submit public written comments by selecting the eComments tab at the following District webpage: https://www.browardschools.com/Page/55263. Public Written Agenda Comments must be submitted no later than 1:00 p.m. the day before the published date of the School Board Meeting or Workshop. Anonymous comments will not be accepted; therefore, written comments must include the person's name, city of residence, and zip code. Written agenda comments may not exceed a maximum of twenty-two hundred and fifty (2250) characters.** Pursuant to School Board Policy 1020, the public may speak a total of twelve (12) minutes during any single meeting. Additionally, in the event a large group of individuals (ten (10) or more) sign-up to speak on any one agenda item, the Board Chair has the authority to adjust the time limit for each speaker to speak less than the three (3) minutes usually permitted or limit the overall time speakers will be heard on that item.

Free guest parking is available at the southeast 3rd Avenue parking lot on all School Board meeting dates.

Approve the Agreement between the School Board of Broward County, Florida (SBBC), and Khan Academy, Inc. District-wide

Executive Summary.pdf
Agreement.pdf

**BB. BOARD MEMBERS (OPEN)**

**BB-1. Development of a Multi Year Staffing Alignment Plan**
**ADDED**
**REVISED**
Direct the Superintendent of Schools (Superintendent) to develop and present to The School Board of Broward County, Florida (SBBC) a comprehensive staffing alignment plan that reduces the total number of SBBC employees by at least one thousand (1,000) positions per year for three (3) consecutive years, beginning on July 1, 2026 and continuing thereafter, by aligning staffing levels proportionally with projected student enrollment declines and The School District of Broward County, Florida's (District) current operational needs. Should enrollment increase, staffing levels should be adjusted accordingly. (Holness)

The Office of the Chief of Staff & Communications received a request from District 8 (At Large) Board Member,

Dr. Allen Zeman, to co-sponsor this agenda item.

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may call the Director, Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or email eeo@browardschools.com.

Individuals with disabilities requesting accommodations under the Americans with Disabilities Act Amendments Act of 2008, (ADAAA) may call Equal Educational Opportunities/ADA Compliance Department at 754-321-2150 or email eeo@browardschools.com. Language Interpretation/Translation Services are available for the public upon request to the Bilingual/ESOL Department by emailing ESOLRequests@browardschools.com.

Any person who decides to appeal any decision made at a meeting(s) announced by this Notice with respect to any matter considered at such meeting(s) will need a record of the proceedings and for such purpose may need that a verbatim record of the proceeding is made, which records testimony and evidence upon which the appeal is to be based.

Telephone conferencing or other telecommunications technology may be used in conducting this public meeting to permit absent Board Members to participate in discussions, to be heard by other School Board Members and the public, and to hear discussions taking place during the meeting.

Notice is hereby given that two or more Board Members of The School Board of Broward County, Florida, may be participating.

School Board Chair

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**

**OFFICE OF THE SUPERINTENDENT**

**February 10, 2026**
**Tuesday, 8:45 a.m.**

**MINUTES OF REGULAR MEETING**

The School Board of Broward County, Florida, met in special session at 8:54 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff (Absent); Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert (Telephonically); Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathelyn M. Jacques-Adams, Interim General Counsel.

**Call to Order** The Chair called the meeting to order. Board Member Zeman introduced Western High School JROTC to present the colors, and the Western Cheerleading Team led The Pledge of Allegiance to the Flag of the United States of America.

**Minutes for Approval** Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the official Minutes for the following Board Meetings:
Mrs. Alhadeff was absent. (8-0 vote)

- December 16, 2025 - Regular School Board Meeting
- January 6, 2026 - Special School Board Meeting
- January 13, 2026 - Special School Board Meeting
- January 21, 2026 - Special Meeting - Expulsions
- January 21, 2026 – Regular School Board Meeting

**Added/Changed Items** The Superintendent released a revised agenda with certain changes for this meeting and published it on the school District's website on January 27, 2026, February 6, 2026, and February 9, 2026: Mrs. Alhadeff was absent. (8-0 vote)
Added Minutes: January 13, 2026 – Special School Board Meeting; and January 21, 2026 – Regular School Board Meeting
Added: G-1, G-2, S-1, GG-1, OO-7, OO-8, RR-6
Added Speakers (AM): Nathalie Lynch-Walsh, Trudy Jermanovich, Natalie Pellicer, Joey Eida, and Mark Merwitzer
Added Speakers (PM): Sharifa Mckenley, Joyce Claxton, Lisa Quinn, Dianne Bishop, and Deidre Ferenc
Added/Special Order: B-1
Additional Information: H-3
Revised: H-1, H-2, OO-1
Special Order: CC-1
Withdrawn: M-1, FF-2, RR-4, RR-5

The Chair finds pursuant to Section 120.525, Florida Statues, that good cause exists for such changes and accepts the revised agenda

**Close Agenda** Upon motion by Dr. Zeman, seconded by Mrs. Hixon and carried, the Agenda was approved and declared closed.
Mrs. Alhadeff was absent. (8-0 vote)

**In Memorium**

| | | |
|---|---|---|
| Ross Unger | Teacher – World Language Spanish<br>Nova Middle | Born: June 10, 1958<br>Deceased: January 15, 2026 |
| James Mader | Teacher – Music General High<br>Boyd H. Anderson High School | Born: August 10, 1966<br>Deceased: January 27, 2026 |

**Speakers**

1. Nathalie Lynch-Walsh
2. Trudy Jermanovich
3. Mark Merwitzer
4. Joey Eida

**Consent Agenda** Following identification of those items Board Members and members of the public indicated they would like considered separately, motion was made by Dr. Zeman seconded by Ms. Thompson and carried, to approve the Consent Agenda for the remaining items (identified by *).
Mrs. Alhadeff was absent. (8-0 vote)

**Open Agenda** Following identification of those items Board Members and members of the public indicated they would like considered separately, motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Open Items that were not indicated to be pulled for discussion.
Mrs. Alhadeff was absent. (8-0 vote)

(Following a vote on the open agenda items, the Board acknowledged the eight-year anniversary of the February 14 tragedy honoring the 17 students and staff members who lost their lives at Marjory Stoneman Douglas High School. The names of the fallen were read in remembrance and a moment of silence was observed. A Day of Service and Love was announced to honor the fallen Eagles and encourage the community to give back in their memory.)

***** CONSENT AGENDA *****

**ITEMS** Consent agenda items will be noted by a single letter, and open agenda items will be noted by double letters in accordance with Policy 1020.

**H. HUMAN RESOURCES (CONSENT)**

***H-1. Appointments, Leaves, and Separations of Employment (Approved)**
Approved the appointments, leaves, and separations of employment. District-wide.

The Chair received public comments.

***H-2. Employee Corrective Actions/Probationary Release (Approved)**
Approved employee discipline and corrective actions. District-wide.

The Chair received public comments.

Board discussion pertained to an employee that state statute required termination upon charges involving a disqualifying offense; acknowledgment that the charges were later dismissed and the employee would be reinstated; and an inquiry into the possibility of back pay.

***H-3. Supplemental Pay Positions 7 (Approved)**
Approved the supplemental pay positions for the 2025/2026 school/fiscal year. District-wide.

## A. ACADEMICS (CONSENT)

***A-1. West Coast University, Inc. (Approved)**
Approved the agreement between West Coast University, Inc. and The School Board of Broward County, Florida. District-wide.

***A-2. Kennesaw State University (Approved)**
Approved the agreement between Kennesaw State University and The School Board of Broward County, Florida. District-wide.

## B. BOARD MEMBERS (CONSENT)

**B-1. Secure the Next Generation Referendum Renewal Audit Report Recommendations (Approved as Amended)**
Motion was made by Dr. Zeman, seconded by Ms. Thompson, to approve and direct the Superintendent of Schools to implement the recommendations set forth in the Office of the Chief Auditor's Secure the Next Generation Referendum Renewal Audit Report. (Cervera). **This Motion was superseded by a Motion to Amend (page 4).**
Mrs. Alhadeff was absent. (8-0 vote)

The office of the Superintendent, Chief of Staff received a request from District 3 Board Member Sarah Leonardi and District 9 (At Large) Board Member Debra Hixon to co-sponsor this agenda item.

The Chair received public comments.

Comments were made regarding the oversight of referendum funds, and it was noted that strengthened guardrails have been implemented beyond the recommendations.

Motion to Amend (Failed Due to Lack of Second)
Motion was made by Mr. Cervera, to hire outside counsel to fully investigate all of the processes in this issue.

Board discussion included, but was not limited to, concerns regarding district missteps in referendum fund distribution and potential impact on teachers; requests for clarification on legal options and timelines for possible recoupment of funds; the need for accurate public messaging to preserve trust in future referendums; concerns regarding potential conflicts of interest of employees and the complete willingness to implement systems to correct and improve changes.

Motion to Amend (Carried)
Motion was made by Mrs. Leonardi, seconded by Dr. Zeman and carried, to hire outside counsel to weigh in on the legality of recouping the funds that was paid out to employees band pay E and above.
Mrs. Alhadeff was absent. (8-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, concerns regarding the implications of recovering Board-approved payments; differing views on whether recoupment was necessary to protect public trust and ensure the success of a future referendum; the need for stronger guardrails; and planning for the upcoming referendum timeline and ballot language. Discussion also reflected a lack of support for recouping funds in a future item that may come before the Board, particularly where the payments had been previously approved and individuals had already been compensated accordingly.

A vote was taken on this item as amended.

## C. OFFICE OF THE SUPERINTENDENT (CONSENT)

## E. SAFETY & SECURITY (CONSENT)

## F. FINANCIAL MANAGEMENT (CONSENT)

***F-1. Surplus of Tangible Personal Property for the Period Ended December 31, 2025 (Approved)**
Approved the Surplus of Tangible Personal Property for the Period Ended December 31, 2025. District-wide.

**F-2. Budget Report for the Period Ended December 31, 2025 (Approved)**
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to approve the Budget Reports for the period ended December 31, 2025. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, the projected general fund balance was at three percent; tighter budget controls to prevent overspending; and consideration of whether additional financial data should be included in monthly reports to enhance Board oversight.

A vote was taken on this item.

## G. GENERAL COUNSEL (CONSENT)

### G-1. Conflict of Interest Waiver Request - Greenberg Traurig, P.A. (Approved)

Motion was made by Mrs. Hixon, seconded by Dr. Zeman and carried, to approve the request for conflict of interest waiver, dated January 26, 2026, by Greenberg Traurig, P.A. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

A brief comment was made, and a vote was taken on this item.

### G-2. Conflict of Interest Waiver Request - GrayRobinson, P.A. (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Bulman and carried, to approve the request for conflict of interest waiver, dated February 4, 2026, by GrayRobinson, P.A. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

No discussion was held, and a vote was taken on this item.

## J. CAPITAL PROGRAMS (CONSENT)

## L. CHIEF OF STAFF & COMMUNICATIONS (CONSENT)

## M. STRATEGY & INNOVATION (CONSENT)

### M-1. Second Amendment to the Recreation License Agreement (Withdrawn)

## O. OPERATIONS (CONSENT)

### O-1. Superintendent's Recommendations for Pre-Qualification Certification (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on January 15, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Comments were made pertaining to the membership of the Qualification, Selection, and Evaluation Committee (QSEC) Committee.

A vote was taken on this item.

### O-2. SDOP Summary of Progress Report - October 1, 2025 – December 31, 2025 (Received)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to receive SDOP Summary of Progress for the October 1, 2025 – December 31, 2025 Reporting Period. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Comments were made regarding the district's spending overview, which reflected 8 percent certified small local business participation in Quarter 2.

A vote was taken on this item.

## S. SCHOOLS (LEARNING COMMUNITIES) (CONSENT)

**S-1. Winter Guard International Inc. (Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, and carried to approve the agreement between The School Board of Broward County, Florida (SBBC), and Winter Guard International Inc. (WGI) for students to be able to compete in color guard and percussion events through April 2026. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, appreciation for staff's efforts to resolve contractual and data privacy concerns; confirmation that revisions ensured legal compliance and protection of student information; the need to improve contract timelines and vendor communication processes; and expressions of support for students participating in the upcoming competition.

A vote was taken on this item.

## T. INFORMATION SYSTEMS (CONSENT)

***** END OF CONSENT AGENDA *****

**Committee Reports**

(Committee Reports listed on the Regular School Board Meeting agenda will be heard immediately following the Consent Agenda.)
Broward County Council PTAs/PTSAs – Written report
Employee Unions/Groups – Ana Fusco, BTU President

These reports may be viewed in their entirety at: https://www.browardschools.com/meetingagendas
(Click on School Board Meeting February 10, 2026.)

**Superintendent's Report**

Superintendent Hepburn acknowledged the District's annual Caliber Awards, thanked staff for organizing the event, and highlighted the honorees - Dr. Saima Sanaullah, Teacher of the Year, Cormic Priester, Principal of the Year, Anna Koltunova, Assistant Principal of the Year, and Vanderbilt Carpenter III, School District Employee of the Year.

BECON presented a video recap highlighting key moments in the District.

Superintendent Hepburn recognized Ms. Tiana Graham and the William Dandy Middle School staff for their swift response when Mr. Dino Decesare suffered cardiac arrest. Ms. Graham administered CPR and utilized a defibrillator to help save his life. In recognition of her heroic lifesaving efforts, Ms. Graham was presented with a curated gift basket as a token of appreciation.

**HH. HUMAN RESOURCES (OPEN)**

**AA. ACADEMICS (OPEN)**

**BB. BOARD MEMBERS (OPEN)**

**BB-1. Interim Chief Auditor Appointment and Contract Negotiations**

**(Approved)**

Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to Appoint Mark Magli as Interim Chief Auditor reporting to The School Board of Broward County, Florida. Permit the Board Chair and General Counsel to conduct negotiations and bring forth the negotiated contract to the next available School Board meeting. (Bulman).
Mrs. Alhadeff was absent. (8-0 vote)

The Chair received public comments.

Board discussion included concerns regarding interim compensation during fiscal constraints; clarification of statutory requirements to avoid a lapse in the Chief Auditor position; discussion of expedited timelines for permanent selection; acknowledgment that a contract was required for a direct report; and differing views on whether additional pay for interim service was appropriate.

Motion to Amend (Failed)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon, we hire Mark Magli as the Acting Chief Auditor on the first day that there is a vacancy in that position for the period of 30 days.
Mrs. Alhadeff was absent. Mrs. Bulman, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, and Ms. Thompson voted no. (2-6 vote)

The Chair received public comments.

Board discussion continued regarding clarification that appointing an acting or interim Chief Auditor would require a contract; views on providing supplemental pay during fiscal constraints; equity considerations about compensation for additional duties.

A vote was taken on the Motion to Amend.

Board discussion included, but was not limited to, concerns about fiscal responsibility; statutory requirements for the Chief Auditor position and interim timelines; and the need to review an overarching, actionable budget plan.

A vote was taken on this item.

## CC. OFFICE OF THE SUPERINTENDENT (OPEN)

**CC-1. Final Order on Broward County School Board vs. Rhonda Daniels (Adopted)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Final Order adopting the Recommended Order entered on December 23, 2025, by Meredith C. Hinshelwood, Administrative Law Judge, in the matter of Broward County School Board vs. Rhonda Daniels, Case No.24-4894TTS, before the State of Florida Division of Administrative Hearings. District 1.
Mrs. Alhadeff was absent for the vote. (8-0 vote)

The Chair received public comments.

Board discussion included support for the recommendation; and acknowledgement of the collaboration between the Human Resources Department and employee groups.

A vote was taken on this item.

## DD. CHIEF AUDITOR (OPEN)

## EE. SAFETY & SECURITY (OPEN)

## FF. FINANCIAL MANAGEMENT (OPEN)

**FF-1. Grant Applications - Pre & Post-Submission (Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the submission of the following grant applications. District-wide.
Mrs. Alhadeff was absent. Mr. Cervera was absent for the vote. (7-0 vote)

Comments were made highlighting that the District secured significant grant funding to support Career and Technical Education, civics and history initiatives, teacher certifications, a state-funded Threat Assessment Coordinator, and additional local programs.

A vote was taken on this item.

**FF-2. Annual Comprehensive Financial Report for the Fiscal Year Ended June 30, 2025 (Withdrawn)**

## GG. GENERAL COUNSEL (OPEN)

**GG-1. Settlement Agreement with HANDY (Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Settlement Agreement between The School Board of Broward County, Florida (SBBC) and Helping Advance and Nurture the Development of Youth, Inc. (HANDY). District-wide.
Mrs. Alhadeff was absent. Mr. Cervera and Ms. Thompson voted no. (6-2 vote)

The Chair received public comments.

Board discussion included, but was not limited to, clarification of the settlement amount and applicable offsets; differing views on whether to pursue settlement or litigation; concerns regarding fiscal responsibility in light of current budget constraints; consideration of litigation risks; and recognition of the need for stronger oversight to prevent similar contractual issues in the future.

A vote was taken on this item.

## JJ. CAPITAL PROGRAMS (OPEN)

**JJ-1. Change Order #7 - Whiddon-Rogers EC, P.001711 (Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve Change Order #7 granting 416 additional calendar days. District 3. Mrs. Alhadeff was absent. Mr. Cervera and Ms. Thompson were absent for the vote. (6-0 vote)

Board discussion included an overview of the project; confirmation that the project would be completed by August 10; assurance that the Physical Plant Operations (PPO) Department would finalize upgrades to meet Broward standards following consolidation; and a request for continued progress reports.

A vote was taken on these items.

(Following the Leasing Corp Meeting, the Regular School Board Meeting commenced with Agenda Item JJ-2.)

No discussion was held, and a vote was taken on these items.

**JJ-12. Final Acceptance, Release of Retainage - Driftwood ES, P.002064-RC1**
**(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve Final Acceptance of the Project, Release of Retainage, a time extension of 34 days to Substantial Completion, and a time extension of 19 days between Substantial and Final Completion. District 1.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**JJ-13. Final Acceptance, Release of Retainage - Lauderhill 6-12, P.001801-FSP**
**(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve Final Acceptance of the Project, Release of Retainage, a time extension of 262 days to Substantial Completion, and a time extension of 27 days between Substantial and Final Completion. District 5.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**JJ-14. Final Acceptance, Release of Retainage - Plantation MS, P.001729- RC1**
**(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve Final Acceptance of the Project, Release of Retainage, a time extension of 196 days to Substantial Completion, and a time extension of 250 days between Substantial and Final Completion. District 5.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**JJ-15. Final Acceptance, Release of Retainage - Palmview ES, P.002084-RC1**
**(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve Final Acceptance of the Project, Release of Retainage, a time extension of 268 days to Substantial Completion, and a time extension of 334 days between Substantial and Final Completion. District 7.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**LL. CHIEF OF STAFF & COMMUNICATIONS (OPEN)**

**MM. STRATEGY & INNOVATION (OPEN)**

**OO. OPERATIONS (OPEN)**

**OO-1. FY20-121 – Guaranteed Energy Performance Contracting Services**
**This is a companion item to RR-1. (Approved)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Fourth Amendment to the Agreement between the School Board of Broward County, Florida (SBBC), and Johnson Controls, Inc. (JCI).
District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Board discussion included, but was not limited to, support for the energy-efficiency program; discussion of potentially accelerating the retrofit schedule; acknowledgment that projected savings would offset associated loan costs; and consideration of aligning future phases with potential school repurposing plans.

A vote was taken on this item.

**OO-2. FY21-138 - Program Manager – Cost and Program Controls (Approved)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Third Amendment to the Agreement between The School Board of Broward County, Florida, (SBBC), and AtkinsRealis USA, Inc.
District-wide.
Mrs. Alhadeff was absent. Mr. Cervera, Ms. Thompson, and Dr. Zeman voted no. (5-3 vote)

Board discussion included, but was not limited to, concerns regarding contract timeline gaps among PMOR, controls, and AECOM; the need to have a new contract in place prior to September; questions related to accountability and deliverables for Atkins; requests for increased reporting transparency; and concerns about procurement timing and the approval of contracts close to expiration.

Motion to Amend (Failed Due to Lack of Second)
Motion was made by Dr. Zeman, Broward County Public Schools need to make a decision today that this is the last contract that we are going to renew that is within 60 days of sunset.

Board discussion continued with concerns regarding the costs associated with delayed procurements; updates on efforts to improve contract tracking and staff accountability; and the need to ensure future solicitations are timely, competitive, and clearly structured to strengthen Board confidence.

A vote was taken on this item.

**OO-3. FY21-192 - Cloud Benefits Management Solution (Licenses) (Approved)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Second Renewal, Second Amendment, and Additional Spending Authority in the amount of $270,000 for the Agreement between The School Board of Broward County, Florida (SBBC), and AspireHR, LLC Initial contract term, March 30, 2020, through March 29, 2025. First renewal, March 30, 2025, through March 29, 2026. Second renewal, March 30, 2026, through March 29, 2027. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**OO-4. ITB26-131 – Mechanical Insulation Services (Approved)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Award of Invitation to Bid (ITB) ITB26- 131 – Mechanical Insulation Services to the following four (4) Vendors: 1) Blizzard Air Conditioning, LLC; 2) Peak Air Mechanical, LLC; 3) Thermal Concepts, LLC; 4) Sparta Insulation Company, and approve spending authority in the amount of $1,373,472. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**OO-5. ITB-FY23-251 – Asphalt & Play Court Paving, Repairs, Resurfacing, and Striping (Postponed to 2/17/26, SSBM)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the First Renewal and Additional Spending Authority in the amount of $3,476,583 for Invitation to Bid (ITB) ITB -FY23-251 – Asphalt and Play Court Paving, Repairs, Resurfacing, and Striping with the following Vendor: Signature Contracting & Property Management, LLC. District-wide. **This Motion was superseded by a Motion to Postpone.**
Mrs. Alhadeff was absent. (8-0 vote)

Comments were made expressing concern regarding the absence of the complete ITB documentation for the renewal item.

Motion to Postpone (Carried)
Motion was made by Mrs. Leonardi, seconded by Ms. Thompson and carried, to postpone Agenda Item OO-5, ITB-FY23-251 – Asphalt & Play Court Paving, Repairs, Resurfacing, and Striping to the February 17, 2026, Special School Board Meeting.
Mrs. Alhadeff was absent. (8-0 vote)

Comments were made clarifying that the ITB was accessible via a hyperlink in the executive summary and that, moving forward, solicitations will be attached separately rather than embedded as links.

A vote was taken on the Motion to Postpone (page 14).

**OO-6. RFP-FY21-188 - Structured Cabling & Enterprise Networking (E-rate) (Postponed to 2/17/26, SSBM)**

Motion was made by Ms. Thompson, seconded by Mrs. Hixon, to approve the First and Second Amendments, First Renewal, and Additional Spending Authority of $8,480,000 for the Agreements between The School Board of Broward County, Florida (SBBC), and the following three (3) Vendors: 1) TheIPGuys.net LLC d/b/a OneNet Global; 2) United Data Technologies, Inc.; 3) Universal Cabling Systems Inc. District-wide. **This Motion was superseded by a Motion to Postpone.**
Mrs. Alhadeff was absent. (8-0 vote)

Board discussion included an overview of the requested spend authority for cabling supporting security and network projects; and clarification that vape-related work would not proceed without Board approval.

Motion to Postpone (Carried)
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to postpone Agenda Item OO-6, RFP-FY21-188 - Structured Cabling & Enterprise Networking (E-rate) to the February 17, 2026 Special School Board Meeting.
Mrs. Alhadeff was absent. (8-0 vote)

The Chair received public comments.

Comments were made regarding the over-reserving of funds.

A vote was taken on the Motion to Postpone.

**OO-7. AGR25-084 - Barry University, Inc. Emergency Medical Technician (EMT) (Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to Approve the Additional Spending Authority of $358,850 for the Agreement between The School Board of Broward County, Florida (SBBC), and Barry University, Inc. (Barry). District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Board discussion included recognition of the District's Career Technical Education (CTE) success in leading the state in industry certifications and dual enrollment; efforts to expand Emergency Medical Technicians (EMTs) and health science programs to meet student demand and workforce needs; and strong support for the continued growth of high-demand certification programs.

A vote was taken on this item.

**OO-8. AGR26-121 - CEV Multimedia, LLC (iCEV) (Approved)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Agreement between The School Board of Broward County, Florida (SBBC), and CEV Multimedia, LLC (iCEV), and the spending authority of $1,200,000. District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

Agenda Items JJ-8 through JJ-15, OO-3, OO-4, and OO-8 were pulled concurrently.

No discussion was held, and a vote was taken on these items.

**PP. POLICIES (OPEN)**

**RR. RESOLUTIONS (OPEN)**

**RR-1. Resolution No. 26-126 - Energy Lease Purchase Financing #5 (Adopted)**
**This is a companion item to OO-1.**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to adopt Resolution No. 26-126 - Energy Lease Purchase Financing #5; District-wide.
Mrs. Alhadeff was absent. (8-0 vote)

No discussion was held, and a vote was taken on this item.

**RR-2. Resolution No. 26-127 - General Obligation School Bonds, Series 2026 (Adopted)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to adopt Resolution No. 26-127 approving the negotiated sale of General Obligation School Bonds (GOSBs), Series 2026 (GOSBs 2015 Refunding) in an aggregate principal amount not to exceed $36,565,000; District-wide.
Mrs. Alhadeff was absent. Mr. Cervera and Ms. Thompson were absent for the vote. (6-0 vote)

Agenda Items RR-2 and RR-3 were pulled and discussed concurrently.

A brief comment was made noting that the items were administrative in nature and related to the management and flow of funds.

A vote was taken on these items.

**RR-3. Resolution No. 26-128 - Certificates of Participation, Series 2026A (Adopted)**
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to adopt Resolution No. 26-128 approving the negotiated sale of Certificates of Participation, Series 2026A (COPs 2016A and 2016B Refunding) in an aggregate principal amount not to exceed $117,255,000; District-wide.
Mrs. Alhadeff was absent. Mr. Cervera and Ms. Thompson were absent for the vote. (6-0 vote)

Agenda Items RR-2 and RR-3 were pulled and discussed concurrently.

A vote was taken on these items.

(Following a vote on this item, the Regular School Boad Meeting recessed for the Leasing Corp. Meeting.)

**RR-4. Resolution No. 26-129 in Support of Broward County Public Schools Advancing Education Powered by Artificial Intelligence (AI) (Withdrawn)**

**RR-5. Resolution No. 26-130 Calling for a Referendum to be Held on November 3, 2026 (Withdrawn)**

**RR-6. Resolution #26-131 in Support of Hands-Free Wireless Communication Device (Adopted)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to adopt Resolution #26-131 in Support of Hands-Free Wireless Communication Device Use While Driving. (Cervera).
Mrs. Alhadeff was absent. (8-0 vote)

Comments were made acknowledging state and local officials for advancing distracted driving legislation; and data were shared at both the national level and for Broward County, highlighting the dangers and significant impact of distracted driving.

A vote was taken on this item.

**SS. SCHOOLS (LEARNING COMMUNITIES) (OPEN)**

**TT. INFORMATION SYSTEMS (OPEN)**

**Speakers**

1. Lisa Quinn
2. Joyce Claxton
3. Dianne Bishop
4. Sharifa Mckenley

**Board Member Discussion(s)**

Dr. Zeman inquired whether the organizational chart to be presented in April would be a final draft; expressed concerns that prior Board direction was not followed; and requested discussion on proper protocols for implementing Board direction.

Mrs. Hixon congratulated Caliber Awards honorees and thanked District staff for hosting a successful event; recognized West Broward and Western High for their state cheerleading championships; and requested consistent District-wide observance of February 13 as a Day of Love and Service.

Mrs. Bulman highlighted the 8th Annual Youth Climate Summit with over 1,200 student participants; and acknowledged student leadership and engagement.

Ms. Thompson recognized West Broward as national cheerleading champions; commended schools' enhanced social media engagement; and highlighted the District's success in dual enrollment and industry certifications.

Mr. Cervera recognized Cherish Huggins, a Western High School senior selected to participate in the NFL sanctioned flag football showcase during Super Bowl week in San Francisco represented the Miami Dolphins and the AFC.

Mrs. Leonardi asked about including teacher voices in the upcoming testing workshop. Superintendent Hepburn confirmed that teachers would participate.

**Closed Door** - None scheduled for this meeting.

**Attorney Client Session(s)** - None scheduled for this meeting.

**Adjournment** This meeting was adjourned at 4:00 p.m.

School Board Report
2.10.26

Good Morning,

BCCPTA/PTSA is proud to announce that we received 329 entries in all categories and grade levels for our annual National PTA Reflections contest. 109 of these entries advanced to the county (BCCPTA) level for judging and 63 of these entries were advanced to the state level, Florida PTA to be judged for eligibility to the National level.

The categories by grade level were: Dance Choreography, Film Production, Literature, Music Composition, Photography and Visual Arts. All participating students were recognized at an Awards Ceremony at Apollo Middle School on January 22nd. The program with the students and their entries is copied at the end of this report.

Participating PTAs were from Cypress Bay High, Falcon Cove Middle, Gator Run Elementary, Everglades Elementary, Indian Trace Elementary, Manatee Bay Elementary, Tequesta Trace Middle and Westchester Elementary.

We thank these PTAs, teachers and principals for their commitment to the arts and for fostering student talent and creativity.

Members of the BCCPTA/PTSA were in Tallahassee to participate in the Florida PTA Legislative Conference and following that Broward Days. We met with the majority of our Delegation and delivered folders with our legislative priorities, National PTA and BCPS priorities.

We had the opportunity to also have conversations with a few legislators from other counties. We will continue to advocate for our priorities and follow the action in the legislature to express our concern over legislation that does not benefit children or public education.

We were pleased to be part of the judging and the awards ceremony. Our congratulations to all the winners.

We held a workshop for PTA Treasurers on February 7, via Zoom to bring them up to speed on all the policies and regulations they need to follow.

We are working with the PTA schools slated for closure to ensure they meet all the required IRS and Florida PTA requirements.

Our next general meeting will be held today, Tuesday, February 10th at 7:30 PM. Thank you for giving us the opportunity to submit a written report.

**Jeffrey Rosen**
Location:
Submitted At: 11:45am 02-09-26

My name is Jeffrey Rosen, and I have been teaching in Broward County for the past 28 years, including the last 18 years at my current location, Western High School.
Yesterday, I received a letter in the mail from Aetna, on behalf of the School Board, informing me that my current GLP_1 medication, Wegovy, will no longer be covered by our insurance after April 1, 2026. I am writing to ask why this decision was made.
Since starting this medication, I have lost over 60 pounds, and many of my existing health conditions have been significantly reduced or completely eliminated. I now have more energy to perform my job, and it has allowed me to be the best teacher I can be for my students.
I respectfully and urgently ask that you reconsider this decision. I believe that restoring this coverage would be greatly appreciated not only by me, but by many of my fellow employees and staff members of Broward County Public Schools.
Thank you.

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**

**OFFICE OF THE SUPERINTENDENT**

**February 17, 2026**
**Tuesday, 8:00 a.m.**

**MINUTES OF SPECIAL MEETING**

The School Board of Broward County, Florida, met in special session at 8:00 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathelyn M. Jacques-Adams, Interim General Counsel.

**Call to Order** The Chair called the meeting to order, and led The Pledge of Allegiance to the Flag of the United States of America.

**Added / Changed Items** – None.

**Close Agenda** Upon motion by Dr. Zeman, seconded by Mrs. Hixon and carried, the Agenda was approved and declared closed.

**Purpose Of Meeting** For The School Board of Broward County, Florida to conduct official business of the District, and any other items the Board deems necessary.

**Superintendent's Recommendation(s)**

1. **ITB-FY23-251 – Asphalt & Play Court Paving, Repairs, Resurfacing, and Striping (Not Approved)**
   Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff, to approve the First Renewal and Additional Spending Authority in the amount of $3,476,583 for Invitation to Bid (ITB) ITB-FY23-251 – Asphalt and Play Court Paving, Repairs, Resurfacing, and Striping with the following Vendor: Signature Contracting & Property Management, LLC. District-wide.
   Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (0-9 vote)

   No discussion was held, and a vote was taken on this item.

2. **ITB-FY23-251 – Asphalt & Play Court Paving, Repairs, Resurfacing, and Striping (Approved)**
   Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff and carried, to approve the First Renewal and Additional Spending Authority in the amount of $3,476,583 for Invitation to Bid (ITB) ITB-FY23-251 – Asphalt and Play Court Paving, Repairs, Resurfacing, and Striping with the following Vendor: Signature Contracting & Property Management, LLC. District-wide. (9-0 vote)

Board discussion included, but not limited to, concerns about the accelerated spending pace related to portable demolition and associated site work; expectations that the approval would address most sidewalk, paving, and portable land requirements; and renewal language noting higher costs if not renewed and confirmation that pricing remains locked under the ITB. A request was made for the Superintendent to follow up on the timeline for removal and replacement of the portables at Marjory Stoneman Douglas High School.

A vote was taken on this item.

**3. RFP-FY21-188 - Structured Cabling & Enterprise Networking (E-rate)**
**(Not Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff to approve the First and Second Amendments, First Renewal, and Additional Spending Authority of $8,480,000 for the Agreements between The School Board of Broward County, Florida (SBBC), and the following three (3) Vendors: 1) TheIPGuys.net LLC d/b/a OneNet Global; 2) United Data Technologies, Inc.; 3) Universal Cabling Systems Inc. District-wide.
Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (0-9 vote)

No discussion was held, and a vote was taken on this item.

**4. RFP-FY21-188 - Structured Cabling & Enterprise Networking (E-rate)**
**(Approved)**

Motion was made by Ms. Thompson, seconded by Mrs. Rupert and carried, to approve the First and Second Amendments, First Renewal, and Additional Spending Authority of $8,480,000 for the Agreements between The School Board of Broward County, Florida (SBBC), and the following three (3) Vendors: 1) TheIPGuys.net LLC d/b/a OneNet Global; 2) United Data Technologies, Inc.; 3) Universal Cabling Systems Inc. District-wide. (9-0 vote)

Board discussion included, but not limited to, clarification that FY27 cabling for the Bethune Elementary School administration building was included to meet E-Rate application deadlines and secure an 80% discount; confirmation that the District was maximizing E-Rate funding; and acknowledgment that over $200 million in E-Rate discounts had been generated since the program's inception.

A vote was taken on this item.

**5. Authorization to Initiate Impact Bargaining Related to Approved School Closures** **(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to direct the Superintendent to have staff enter into impact bargaining with Broward Teachers Union specifically for all campuses set to be closed – Seagull, Panther Run Elementary, Palm Cove Elementary, Sunshine Elementary, and North Fork Elementary, and Plantation Middle. (Thompson). (9-0 vote)

Board discussion included, but not limited to, concerns regarding where teachers and students are placed via collective bargaining with upcoming school closures; clarification that impacted collective bargaining discussions would address transition; confirmation that no facility walk-throughs to assess space would occur during the school day; and the need to initiate conversations promptly while continuing stakeholder engagement prior to the March 24 School Board Workshop.

A vote was taken on this item.

**6. Chief Auditor Interview Candidates (Approved as Amended)**

Motion was made by Dr. Zeman, seconded by Mrs. Hixon to approve interview candidates for the Chief Auditor position. **This Motion was superseded by a Substitute Motion to Amend**. (9-0 vote)

The Chair received public comments.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Hixon, seconded by Mrs. Rupert, move to direct appoint Mark Magli to the Chief Auditor position.

The Chair received public comments.

Comments were made regarding the Chief Auditor's succession plan to ensure continuity of leadership and a seamless transition process.

Substitute Motion (Carried)
Motion was made by Mrs. Alhadeff, seconded by Mrs. Leonardi and carried, move to direct appoint Mark Magli to the Chief Auditor position. The Board to direct the Chair to conduct negotiations with Mr. Magli for his contract. (9-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, concerns about not foregoing a competitive selection process and its impact on external applicants and public perception; differing perspectives on open recruitment versus advancing a proven internal candidate; and the potential backfilling of the Executive Director position.

A vote was taken on the Substitute Motion.

Comments were made pertaining to salary negotiations.

Motion to Amend (Failed)
Motion was made by Dr. Zeman, seconded by Mrs. Leonardi, to use market salary as a basis of negotiation with the Chief Auditor.
Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Mrs. Rupert, and Ms. Thompson voted no. (3-6 vote)

The Chair received public comments.

Board discussion included, but was not limited to, clarification that staff already conducted market and equity analyses when preparing salary recommendations; and concerns regarding budget limitations.

A vote was taken on the Motion to Amend (Page 3).

Board discussion continued regarding contract negotiation parameters, including severance consistency and distinctions among direct report contracts.

A vote was taken on the item as amended.

Mr. Magli expressed gratitude for the Board's consideration, thanked Mr. Rhodes for his leadership, and affirmed his commitment to meeting the Board's expectations and leading a team aligned with its priorities.

Mrs. Alhadeff updated the Board on advocacy efforts at the state capital for Alyssa's Act; noted the bill established standards for emergency response systems, digital mapping, and a centralized data center.

Mrs. Hixon expressed appreciation to schools and the District for participating in the Day of Service and Love.

**Adjournment** This meeting was adjourned at 8:56 a.m.

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**

**OFFICE OF THE SUPERINTENDENT**

**March 3, 2026**
**Tuesday, 8:00 a.m.**

**MINUTES OF SPECIAL MEETING**

The School Board of Broward County, Florida, met in special session at 8:09 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathelyn M. Jacques-Adams, Interim General Counsel.

**Call to Order** The Chair called the meeting to order, and led The Pledge of Allegiance to the Flag of the United States of America.

**Moment of Silence** was held for service members serving across the globe amid the ongoing conflict in the Middle East.

**Added / Changed Items** – None.

**Close Agenda** Upon motion by Dr. Zeman, seconded by Mrs. Alhadeff and carried, the Agenda was approved and declared closed. (9-0 vote)

**Purpose of Meeting** For The School Board of Broward County, Florida to conduct official business of the District, and any other items the Board deems necessary.

**Superintendent's Recommendation(s)**

1. **Employment Agreement - Chief Auditor (Approved as Amended)**
   Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff, to approve the Employment Agreement between The School Board of Broward County, Florida (SBBC) and Mark Magli as Chief Auditor. (Leonardi). **This Motion was superseded by a Substitute Motion to Amend (Page 2)**. (9-0 vote)

   Chair Leonardi introduced the item and summarized the contract negotiations with Mr. Magli. She stated that discussions addressed benefits and employment terms consistent with 12-month administrative employees, and that both staff and Mr. Magli provided market salary analyses. Considering Mr. Magli's experience and the prior chief auditor's salary of $200,850, she first offered $175,000; Mr. Magli countered $235,000, and she then offered $190,000. He countered with $225,000, and she provided a final offer of $200,850. Mr. Magli indicated he would not accept less than $225,000. Chair Leonardi stated she was not comfortable increasing the salary by approximately $25,000 (about 12%) and therefore brought the matter to the Board for discussion. She added that a separate agenda item was included to task assign an interim chief auditor if additional negotiations or reopening the application process became necessary.

Comments were made pertaining to questions regarding Mr. Magli's current salary and prior experience with the District.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Hixon, seconded by Mrs. Leonardi, referring to page 4 of 16, Section 2.07.1, to change the salary from $225,000 for the first year to $185,000 with a caveat that within a year of the first anniversary, coming back with the contract to look at increasing efforts.

Board discussion included, but was not limited to, concerns regarding salary comparisons, prior chief auditor compensation, and differences in experience; the District's current financial constraints; and potential salary ranges to reach an agreement acceptable to the Board.

Substitute Motion (Carried)
Motion was made by Mrs. Bulman, seconded by Mrs. Alhadeff and carried, to change the salary to $200,850. Section 2.07.1 on page 4 of 16 to read as follows:

> 2.07.1 Salary. The Chief Auditor shall receive an annual base salary of ~~Two Hundred Twenty-Five Thousand Dollars and 00/100 Cents ($225,000.00)~~ Two Hundred Thousand, Eight Hundred Fifty Dollars and 00/100 Cents ($200,850.00) per annum for the first year of this Agreement…
> Mr. Cervera, Mrs. Hixon, Mrs. Leonardi, and Dr. Zeman voted no. (5-4 vote)

Board discussion included, but was not limited to, support for aligning the salary with the prior chief auditor's compensation while remaining below the Florida median salary; concerns regarding prior salary levels and funding sources; and differing views on whether compensation significantly below statewide averages would be equitable.

Mr. Magli acknowledged the Board's concerns and financial constraints; and expressed willingness to accept the former chief auditor's outgoing salary to conclude negotiations.

A vote was taken on the Substitute Motion.

Verbal confirmation of agreement with the proposed salary was requested and received.

A vote was taken on this item as amended.

Motion to Open Agenda (Carried)
Motion was made by Mrs. Leonardi, seconded by Mrs. Rupert and carried, to open the agenda. (9-0 vote)

A vote was taken on the Motion to Open Agenda.

Motion to Withdraw (Carried)
Motion was made by Mrs. Leonardi, seconded by Dr. Holness and carried to withdraw Agenda Item 2, Appointment of a Task-Assigned or Interim Chief Auditor Position; and approval of Agreement from the agenda. (9-0 vote)

A vote was taken on the Motion to Withdraw.

Motion to Close Agenda (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried to close the agenda. (9-0 vote)

A vote was taken on the Motion to Close Agenda.

**2. Appointment of a Task-Assigned or Interim Chief Auditor Position; and approval of Agreement (Withdrawn)**

**Adjournment** This meeting was adjourned at 9:02 a.m.

**EXECUTIVE SUMMARY**

**Appointments, Leaves, and Separations of Employment**

**Board Meeting Date: March 10, 2026**

**Requested Action:** Approve the appointments, promotions, demotions, salary adjustments, leaves of absence, and separations of employment.

**School Board Policy Requirement/Authority: Policy number: 7150**

**Statutory Requirement/Authority: Yes, Florida Statutes Chapter 1012**

**District-zone Impact: District-wide**

**Impact of the School Board's Vote:**

**- If the School Board votes "Yes":** The recommended candidates will continue to be employed, the leave of absence will continue, and the separation of employment is officially accepted by the Board.

**- If the School Board votes "No":** The recommended candidate would not be approved which can cause schools to not have staff to meet the needs of students or departments to be able to complete tasks efficiently or support schools. The leave of absence approval would be rescinded which would create issues for the affected employees. The separation of employment would not officially be accepted by the Board, which could produce a negative financial impact to the District.

**Background/History**

Broward County Public Schools (BCPS) has a long-standing tradition of ensuring transparency and accountability in its operations. One of the key areas where this is evident is in the process of employee appointments, leaves, and separations. This practice of bringing these matters to the Board for approval is rooted in the District's commitment to maintaining high standards of governance and oversight. By requiring Board approval for employee appointments, leaves, and separations, the District ensures that all personnel decisions are made with careful consideration and in alignment with the District's policies and goals. This process helps to maintain a high level of integrity and trust within the community, as it provides a system of checks and balances. It is a key component of the district's governance structure and helps

to ensure that all personnel decisions are made with the utmost integrity and in the best interest of the students and the community.

All recommended candidates meet at least the minimum qualifications for the required positions. The list of leave approvals is for employees requesting a Board-approved leave of absence.

**Alignment to 2027 Goals and Guardrails:**
Guardrail 3- School Support.

**Measurable Outcome(s)/Return on Investment:**
Talent Acquisition monitors vacancies, new hires, and establishes Key Performance Indicators (KPI) to track the onboarding process and recruitment efforts. These KPIs are used to decrease time to fill rates, improve candidates' experiences, and provide stellar customer service to all Human Resources stakeholders.

**Financial Impact, Funding Source & Budget Status:**

- No additional funding is required. The respective funding is allocated in school/department budgets.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |
| First Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Second Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Total Agreement Amount | N/A | N/A | N/A | N/A | N/A |

**Multi-year agreement: Yes / No**: N/A
**Procurement Method:** N/A

**Impact on Schools:**
Schools will not be able to staff positions to support student learning and meet student needs.

**If there is an impact on schools, how will schools be selected/prioritized:** N/A

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

**APPOINTMENTS, LEAVES, & SEPARATIONS OF EMPLOYMENT 2025-2026**
**MARCH 10, 2026**

This agenda item includes personnel recommendations for appointments, assignments, promotions, demotions and leaves for all employee groups:

- Administrators: Broward Principals & Assistants Association (BPAA), Educational Support & Management Association of Broward, Inc. (ESMAB), Technical Support Professionals (BTU-TSP), Police Benevolent Association, Inc.
- Non-Instructional Support: Clerical, Confidential Office Personnel Association (COPA), Maintenance, Facilities Service, Transportation & Security (FOPE4), Food Service (FOPE Food Service), Education Support Professionals (BTU-ESP), Secretarial/Clerical (FOPE Clerical)
- Instructional: Education Professionals (BTU-EP)

Recommendations include the name of recommended individual(s) school/location, job title, and applicable information. The individuals recommended have the qualifications required for the specified position and will be paid as specified in the Board Approved Salary Schedules.

All recommendations are made with the understanding that these individuals will comply with regulations/policies as set forth by the Florida Department of Education and The School Board of Broward County, Florida. External candidates marked with an asterisk (*) are pending security clearance.

**EXECUTIVE SUMMARY**

**Employee Corrective Action/Probationary Releases**

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve employee corrective action/probationary releases.

**School Board Policy Requirement/Authority:**
Policy 4.9

**Statutory Requirement/Authority:**
Florida Statute 1001.41 - Powers and Duties of the District School Board.

**District-zone Impact:**
District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** Upon board approval, the corrective actions will be implemented per Policy 4.9 guidelines, and probationary releases will be processed. The enacted corrective actions will become part of the progressive discipline history for the affected employees.
**- If the School Board votes "No":** If not approved by the board, the corrective actions will not be implemented per Policy 4.9 guidelines. The recommended corrective actions will not become part of the progressive discipline history for the affected employees and may impact future corrective action decisions.

**Background/History**:
Broward County Public Schools adheres to the procedures outlined in Policy 4.9 and Florida Statutes for administering corrective action. This process requires approval from the School Board prior to implementing corrective action. Every employee recommended for corrective action has received his/her due process throughout their case.

**Alignment to 2027 Goals and Guardrails:**
Guardrails 4 - Accountability

**Measurable Outcome(s)/Return on Investment:**
Discipline implemented by the District is a method to correct the behavior and improve employee performance. Expectations are communicated throughout the due process to inform the employee about school board policies and state statutes related to their job responsibilities.

**Financial Impact, Funding Source & Budget Status:**
The amount is determined by the number of days substitutes are needed when employees are placed on reassignment.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |

# EXECUTIVE SUMMARY

## Supplemental Pay Positions 8

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve the supplemental pay positions for the 2025-2026 School/Fiscal Year.

**School Board Policy Requirement/Authority:** Policy Number 6210

**Statutory Requirement/Authority:** Yes, FS 1012.22 Personnel

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The employees will receive the supplement pay for the duties performed.
**- If the School Board votes "No":** The supplement will be removed. The employees will be required to reimburse the District.

**Background/History**
Collective Bargaining Agreements specify available supplements, requirements, and compensation. Florida Statute 1012.22, 2 (g) defines a supplement as an annual addition to the base salary for the term of the negotiated supplement as long as the employee continues his or her employment for the term of the supplement. A supplement does not become part of the employee's continuing base salary but shall be considered compensation under s.121.021 (22). District Policy 6210 outlines the procedures for implementing supplements. Employees can hold multiple supplements. More than two supplements will require a senior leader's signed waiver.

**Alignment to 2027 Goals and Guardrails:**
Guardrail 3 - School Support.

**Measurable Outcome(s)/Return on Investment:**
The District is able to recruit staff to support District initiatives, events, and student opportunities beyond the regular classroom activities.

**Financial Impact, Funding Source & Budget Status:**

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) | CURRENT AMOUNT ON 3/10/2026 AGENDA | TOTAL SPEND FY2026 | TERM (months) |
|---|---|---|---|---|---|---|
| Pay employee supplements | FY 2026 | Yes | General Fund and Grants | $422,588.71 | $33,540,780.78 | (12) |

**Multi-year agreement: Yes / No** N/A

**Procurement Method:** N/A

**Impact on Schools:** Providing supplements has a positive impact on staff taking on additional responsibilities.

**If there is an impact on schools, how will schools be selected/prioritized:** N/A

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

**EXECUTIVE SUMMARY**

Proposed Revised Job Description for the Sergeant Position

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the proposed revised job description for the Sergeant Position.

**School Board Policy Requirement/Authority:** Not applicable

**Statutory Requirement/Authority:** Not applicable

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The recommended modifications being made to the job description will align the reporting structure, position goal, performance responsibilities, and qualifications of the position based upon the expected scope of work being performed District-wide, while also broadening the pool of candidates and aligning with current law enforcement best practices.
**- If the School Board votes "No":** The recommended modifications being made to the job description will not align and the position will remain under an outdated job description that does not accurately reflect the reporting structure, position goal, performance responsibilities and qualifications, resulting in a limited pool of candidates and not aligning with current law enforcement best practices.

**Background/History**
The proposed job description revisions will ensure the position is accurately aligned with the current expectations, responsibilities, and qualifications needed to align with current law enforcement best practices which are essential for operational effectiveness, legal compliance, organizational resilience and district specific operational needs. The Compensation team provided the respective labor representatives with copies of the revised job description for review. Applicable feedback received prior to the submission of this item was incorporated where appropriate.

**Alignment to 2027 Goals and Guardrails:** Business Operations

**Measurable Outcome(s)/Return on Investment:** The proposed job description revisions will ensure the appropriate description for this critical position that is responsible for providing leadership, supervision, and operational oversight to ensure the safety and security of students, staff, and school facilities. This position is responsible for directing and supporting police department staff in enforcing laws, district policies, and safety protocols within an educational environment while fostering an environment that supports both mental and physical health. The Sergeant promotes a culture of trust, accountability, and proactive problem-solving while ensuring professionalism, integrity, and adherence to district standards.

**Financial Impact, Funding Source & Budget Status:**

- There is no financial impact to the District.

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
**JOB DESCRIPTION**

**POSITION TITLE:** Sergeant
**JOB CODE:** Y-005
**CLASSIFICATION**: Non-Exempt
**SALARY BAND:** Police Benevolent Association (PBA) Salary Schedule - Sergeant
**BARGAINING UNIT:** PBA
**REPORTS TO:** Chief of Police ~~Director, Professional Practices, Lieutenant~~, or Designee
**CONTRACT YEAR:** Twelve Months

---

**POSITION GOAL:**
The Broward County School Police Sergeant, under the command of the Chief of Police, provides leadership, supervision, and operational oversight to ensure the safety and security of students, staff, and school facilities. This position is responsible for directing and supporting police department staff in enforcing laws, district policies, and safety protocols within an educational environment while fostering an environment that supports both mental and physical health. The Sergeant promotes a culture of trust, accountability, and proactive problem-solving while ensuring professionalism, integrity, and adherence to district standards.

~~To assist and support the Chief, School Police, in providing a safe and supportive learning environment by serving as a resource for students, parents, staff and the community.~~

**ESSENTIAL PERFORMANCE RESPONSIBILITIES:**
**The Sergeant, shall carry out the performance responsibilities listed below:**

- Supervise staff as assigned in the performance of job duties.
- Support the Safety, Security and Emergency Preparedness Division by providing Broward County School District with on-site professional safety and security and law enforcement services.
- Perform all functions of a sworn law enforcement officer in compliance with F.S. 943.10 and F.S.1006.12.
- Develop and implement performance evaluations for assigned staff, including coaching and mentoring to support career development.
- Ensure compliance with constitutional policing standards, use-of-force policies, and ethical conduct guidelines.
- Serve as Incident Commander during critical events in accordance with the Incident Command System/National Incident Management System (ICS/NIMS) protocols.
- Monitor officer wellness and provide referrals to Employee Assistance Programs when needed.
- Analyze crime trends and school safety data to inform proactive strategies and resource deployment.
- Participate in community engagement initiatives and problem-oriented policing strategies beyond traditional enforcement.
- Coordinate and deliver structured in-service training for subordinates on legal updates, de-escalation, procedural justice, crisis intervention and others as designated by the Chief of Police.
- Assist in budget planning and resource allocation for safety and security operations.
- Protect and secure the school site and occupants during on or off campus school activities that occur before or after normally scheduled hours.
- Perform the duties of a School Safety Officer in the absence of or to supplement a School Safety Officer coverage.
- Manage job performance and address concerns raised by assigned staff.
- Participate in the Behavioral Threat Assessment and Suicide Risk Assessment processes, as required.
- Develop, organize and maintain department training records.
- Promote positive interaction and enhance relations between students and law enforcement by enhancing the students' knowledge of law enforcement structure, concepts and functions.
- Provide assistance and support to crime victims within the school setting.
- Provide educational programs and instructional activities to students concerning crime prevention and of their rights, obligations and responsibilities.
- Provide assistance related to the Florida School Safety Risk Assessment Tool.

- Serve as a liaison to law enforcement agencies and community agencies that have a mutual interest and concern for the safety and security of the District for the area in which they are assigned and directed by the immediate supervisor.
- Provide guidance to staff or others as directed, to effectively conduct investigations in conjunction with the immediate supervisor.
- Assist with the development or enhancement of District procedures related to safety and security and provide recommendations for revisions to procedures, as appropriate.
- Conduct criminal and administrative investigations as directed by the immediate supervisor and prepare detailed case documentation including written reports which are clear, concise, thorough and completed under strict timelines.
- ~~Prepare strong documentation and written reports which are clear, concise, thorough and completed under strict timelines.~~
- Conduct analysis of safety and security incidents to assist with the determination of security needs and/or programs for a location; report findings with recommendations for implementation; make oral presentations and conduct training to District personnel.
- Review investigative reports and take appropriate action to address issues.
- Assist other law enforcement agencies, Child Protective Investigations Section (CPIS), Florida Department of Children and Families (DCF) with School District related investigations.
- Provide required assistance in the handling of emergency situations by taking appropriate action, including making arrests, as necessary.
- Subject to emergency call back during off duty hours.
- Represent the District in administrative and/or criminal hearings by providing accurate, clear, and concise testimony.
- Perform and promote all activities in compliance with the equal employment and non-discrimination policies of The School Board of Broward County, Florida.
- Participate in training programs offered to enhance the skills and proficiency related to the job responsibilities, participate annually in crisis intervention team training.
- Review current developments, literature and technical sources of information related to job responsibilities.
- Ensure adherence to safety rules and procedures.
- Follow federal, state and local laws, as well as School Board policies.
- Perform other duties as assigned by the immediate supervisor, or designee.

**MINIMUM QUALIFICATIONS & EXPERIENCE:**

- An earned associate degree or minimum of 60 credit hours with evidence of successful completion of college level courses in <u>one of the following:</u> criminal justice, criminology, public administration, <u>psychology, education, social work,</u> law enforcement or <u>public safety</u> related field from an accredited institution.
- A minimum of eight (8) years of experience as a sworn law enforcement officer <u>with at least</u> ~~and~~ two (2) ~~years'~~ of <u>those years in a</u> supervisory <u>role</u> ~~experience~~ as <u>a Sergeant or above</u> ~~sworn law enforcement officer~~.

<u>OR</u>

- <u>A minimum of twelve (12) years as a sworn law enforcement officer.</u>

<u>AND</u>

- Currently hold and actively maintain a valid certificate of compliance for Law Enforcement Officers in good standing from the State of Florida Commission on Criminal Justice Standards and Training.
- <u>Current School Board employees must hold permanent status and not be in probationary status.</u>
- Must possess and maintain a valid Florida Driver's License.
- Prior experience working with students or adolescents.
- Effective verbal and written communications skills, in order to work with all levels of District and school-based staff, parents' students, community representatives and law enforcement agencies.
- ~~Prior experience preparing thorough detailed documentation.~~
- Prior experience preparing thorough documentation with a demonstrated ability to produce written reports, under strict timelines, that are clear, concise, and thorough; ability to clearly and accurately communicate facts of case.
- Demonstrated ability to clearly and accurately communicate facts during criminal or administrative proceedings
- Computer skills as required for the position, to include Microsoft Office.

DRAFT

**PREFERRED QUALIFICATIONS & EXPERIENCE:**

- An earned bachelor's degree or higher in criminal justice, criminology, public administration, law enforcement or related field from an accredited institution.
- Knowledge of the Incident Command System and other nationally mandated coordination and collaboration strategies, policies and procedures for emergency planning, preparedness, management and response.
- Advanced law enforcement certifications and training in the area of School Resource Officer courses.
- Bilingual skills.

**SIGNIFICANT CONTACTS – frequency, contact, purpose, and desired end result:**
Frequently works with staff, at all levels, throughout the District; students, parents, community, and law enforcement personnel to ensure the safety and security of District students, staff, stakeholders and sites.

**PHYSICAL REQUIREMENTS:**
Heavy Work: This position requires exerting substantial physical effort, including lifting, carrying, or assisting individuals or objects weighing 135 pounds or more. Employees must be able to perform these tasks safely and meet all physical demands of the role.

~~Medium work: Exerting up to 50 pounds of pressure occasionally and/or up to 20 pounds of force frequently and /or up to 10 pounds of force as frequently as needed to move objects and to meet all requirements of the role.~~

Must be able to perform physically demanding law enforcement tasks, including:

Running short and long distances during foot pursuits.
Climbing over and around obstacles.
Dragging or carrying individuals or objects weighing 135 lbs. or more during emergency situations.
Applying physical control techniques to restrain resisting subjects.
Maintaining cardiovascular endurance and muscular strength consistent with Broward College Criminal Justice Institute/Police Academy Physical Ability Test standards.

**TERMS OF EMPLOYMENT:**
Salary and benefits shall be paid consistent with the School District's approved compensation plan. Length of the work year and hours of employment shall be those established by the School Board.

Completion of a recognized law enforcement line-supervision class, within six (6) months of promotion unless, due to the unavailability of the class, the Chief of Police extends the required time frame by six (6) additional months.

**EVALUATION:**
Performance will be evaluated in accordance with Board Policy.

**PUBLIC RECORDS EXEMPTION:**
Positions assigned to this job description are public records exempt according to provisions of FL§119.071.

**EXECUTIVE SUMMARY**

## 2026-2027 Schools & Admin. Offices Summer Calendar, Personnel Workday

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve the 2026-2027 Personnel Workday and Summer 2027 Calendars for Community Schools and Technical Colleges.

**School Board Policy Requirement/Authority:**
Policy 1110 – General Powers, Duties, and Responsibilities of the District School Board
Policy 6001 – School Calendar

**Statutory Requirement/Authority:**
1001.42 – Powers and Duties of District School Board

**District-zone Impact:**
District-wide

**Impact of the School Board's Vote:**
- **If the School Board votes "Yes":** Upon board approval, the work calendars will be implemented and used by staff to set up scheduling, and probationary periods in accordance with collective bargaining agreements.
- **If the School Board votes "No":** Without board approval, there will be a delay in work calendars being implemented and used by staff to set up scheduling, and probationary periods in accordance with collective bargaining agreements.

**Background/History**
Annual adoption of the School Calendar is required per Board Policy 6001. On October 14, 2025, the School Board of Broward County, Florida approved the 196 Day School/Personnel Calendar for the 2026-27 and the 2027-28 school years. Following approval of the 2026-27 School Calendar, staff in conjunction with the Superintendent's Calendar Committee developed the corresponding 2026-27 Schools & Administrative Officed Calendar, Personnel Workday Summary, 208 (A&B) Personnel Work Calendars, and the Summer Term 2027 Calendar for Community Schools and Technical Colleges.

**Alignment to 2027 Goals and Guardrails:**
Business Operations

**Measurable Outcome(s)/Return on Investment:**
Successful implementation of the provisions of the agreement.

**Financial Impact, Funding Source & Budget Status:**

REVISED

## 2026-2027 Personnel Work Day Summary

Employees should use this summary to review their first and last day of work as well as their days (paid/unpaid) off. Paid days off are in accordance to the Collective Bargaining Agreements and Meet and Confer Groups. Employees earn sick leave based on Florida State Statute 1012.61. Employees on a vacation earning calendar accrue vacation time in accordance to School Board Policy 4480. Employees can use the Schools and Administrative Offices Calendar to view when schools and/or offices are closed.

**EXECUTIVE SUMMARY**

Bluefield University

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the agreement between Bluefield University and The School Board of Broward County, Florida (SBBC).

**School Board Policy Requirement/Authority:** N/A

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** If yes, SBBC will strengthen its school counseling services to better support student success. This initiative will provide the district with an opportunity to recruit and train the next generation of school counselors, an essential step in addressing the academic and emotional needs of our students. Additionally, it will help cultivate a pool of highly qualified counselors committed to making a positive impact on our schools, ultimately enhancing the quality and accessibility of school counseling services for our student population.
**- If the School Board votes "No":** If not, SBBC will be unable to strengthen its school counseling services and support student success. The district will miss a critical opportunity to recruit and train the next generation of school counselors, an essential step in meeting the academic and emotional needs of our students. Furthermore, we will forfeit the chance to cultivate a pool of qualified professionals dedicated to making a positive impact in our schools, ultimately limiting our ability to enhance the quality and accessibility of school counseling services for our student population.
**Background/History**
An agreement between a college or university and SBBC is required to accept any internship, practicum participants, or field experience placements. Our Field Experience Program operates across borders, collaborating with colleges and universities in Florida and other states. This program provides both undergraduate and graduate students with practical experiences as they pursue degrees in various majors and fields of study. Through this partnership, field experience students can gain valuable hands-on experience while working toward a degree in school counseling.

**Alignment to 2027 Goals and Guardrails:** Guardrail 3: School Support

**Measurable Outcome(s)/Return on Investment:** By July 2027, SBBC will increase college and university field experience agreements by 15%, including a new partnership with Bluefield University. This initiative aims to reduce school counselor vacancies by guiding students toward full-time roles within our organization.

Bluefield University offers a 60-credit Master of Arts in Counseling with a School Counseling specialization, accredited by the Council for Accreditation of Counseling and Related Education Programs (CACREP) through 2032 and delivered in a hybrid format that includes a 100-hour practicum and 600-hour internship aligned with licensure preparation. University-wide outcomes show a 27% graduation rate with a 49% retention rate, and an 85% job placement rate within six months of graduation, with graduates securing positions across education, healthcare, and community organizations. This accredited program prepares candidates for K–12 school counseling roles through experiential learning, positioning a partnership with SBBC to strengthen a long-term pipeline of qualified school counseling professionals.

**Financial Impact, Funding Source & Budget Status:** There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |
| First Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Second Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Total Agreement Amount | N/A | N/A | N/A | N/A | N/A |

**Multi-year agreement:** No

**Procurement Method:** N/A

**Impact on Schools:** Field experience enables school counseling interns to strengthen their counseling strategies and adapt to the diverse academic and emotional needs of students, resulting in more effective support services. As these interns introduce innovative approaches and fresh perspectives, they foster a culture of continuous improvement within schools. This collaboration enhances interns' professional development and positively impacts student engagement and well-being, ultimately strengthening the overall effectiveness of counseling programs in Broward County.

**If there is an impact on schools, how will schools be selected/prioritized:** The field experience students may choose up to three schools for their placement, and SBBC schools can also request the placement of these students.

**Stakeholder Engagement/ End-User Input:** Stakeholder engagement for Field Experience involves collaboration among college interns, SBBC school counseling supervisors, university supervisors, and consideration of SBBC students' needs. Field placements are determined based on college interns' input regarding program requirements and the support needed to achieve their

academic goals. The SBBC staff provides feedback on mentoring strategies to maintain quality service. University supervisors work closely with SBBC staff to ensure compliance with statutory and district policies while supporting effective supervision. The interests of SBBC students are represented through teacher and administrator feedback to safeguard confidentiality and maintain a positive learning environment. This collaborative approach to placement procedures, supervision guidelines, and professional development support ensures the successful implementation of the Field Experience program.

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** During the 2024–2025 school year, The School Board of Broward County, Florida, facilitated a total of 751 entry-level field experience placements, 481 practicum placements, and 160 internship placements. This demonstrates a strong commitment to integrating future educators into the school system. Notably, 19% of the internship placements have already led to successful employment, highlighting the effectiveness of this program in addressing staffing needs.

## AGREEMENT

**THIS AGREEMENT** is made and entered into by and between:

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

**BLUEFIELD UNIVERSITY**
(hereinafter referred to as "UNIVERSITY"),
whose principal place of business is
3000 College Avenue, Bluefield, Virginia 24605

### RECITALS

A. **WHEREAS**, SBBC and UNIVERSITY wish, and intend by this Agreement to set forth the terms and conditions of engaging in a cooperative program ("Program") for the placement of selected counseling students enrolled at UNIVERSITY with the mutual objective of preparing students for entry into the School Counseling profession and

B. **WHEREAS**, UNIVERSITY students will gain practical experience as part of the UNIVERSITY course curriculum by completing internships within SBBC schools at no cost to SBBC.

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

### ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

### ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences the date of the last signature below ("Effective Date") and concludes on June 30, 2027, unless terminated earlier pursuant to the Termination section 3.5 of this Agreement and, upon the approval of both parties in writing in the form of an amendment to this Agreement executed by both parties, may be extended for two (2) additional one (1) year periods.

2.2 **UNIVERSITY Responsibilities.**

2.2.1 UNIVERSITY shall plan and administer the UNIVERSITY educational program for its students and be responsible for the enrollment of its students in UNIVERSITY courses, including the clinical field placement.

2.2.2 UNIVERSITY shall maintain all educational records and reports relating to the UNIVERSITY educational programs completed by UNIVERSITY students during clinical field experience.

2.2.3 UNIVERSITY shall determine, in its sole discretion, which of its enrolled students shall be eligible to participate in the Program.

2.2.4 UNIVERSITY shall provide a person to serve as its Coordinator to oversee its educational program and coordinate Program related activities with SBBC.

2.2.5 UNIVERSITY shall work through the SBBC department of Professional Learning and Development to determine in advance placement sites for UNIVERSITY students in the Program, including dates and the number of UNIVERSITY students.

2.2.6 UNIVERSITY shall instruct its participating UNIVERSITY students to complete a security information background check form provided by SBBC and to submit to fingerprinting and criminal records background check to be performed by SBBC or at its direction.

2.2.7 UNIVERSITY shall, in consultation with SBBC, be responsible for grading of the field placement experience and determining whether a UNIVERSITY student has completed the requirements of the UNIVERSITY educational program.

2.2.8 UNIVERSITY students shall not be considered as employees or agents of the UNIVERSITY.

2.2.9 UNIVERSITY shall be responsible for providing professional development seminars to its students in the Program. SBBC may be requested to assist in such seminars.

2.2.10 UNIVERSITY shall be solely responsible for the conduct of any proceedings of its students related to academic or behavioral matters.

2.2.11 UNIVERSITY agrees to inform UNIVERSITY students that they are responsible for the rules and regulations of SBBC, including recognition of the confidential nature of information regarding pupils and their records.

2.2.12 UNIVERSITY will provide SBBC with a copy of course objectives for the learning experience. SBBC, together with UNIVERSITY, will make arrangements for evaluating the learning experience.

2.2.13 UNIVERSITY shall instruct UNIVERSITY students that they shall not take, capture or record any photographs or any audio or video recordings while on any SBBC facilities without prior written consent of all parents/guardians, or students aged 18 or over, for all students that may be captured in such recordings to evaluate the intern's progress.

2.3 **SBBC Responsibilities**.

2.3.1 SBBC shall be responsible for the conduct of its operations, supervision of its staff and the education of its students. UNIVERSITY shall not control any of SBBC's property or operations.

2.3.2 SBBC shall provide forms for UNIVERSITY to use as internship applications.

2.3.3 SBBC shall determine, in consultation with UNIVERSITY, the UNIVERSITY students who will be placed at SBBC schools and which schools.

2.3.4 SBBC shall provide to UNIVERSITY students a security background information form to be completed by UNIVERSITY students and provide a process for fingerprinting and criminal records background check to be performed by SBBC or at its direction. SBBC shall determine whether a UNIVERSITY student has satisfactorily cleared the security screening.

2.3.5 SBBC shall, in consultation with UNIVERSITY, assign its staff to serve as supervisors for the evaluation of the UNIVERSITY students. SBBC supervising staff shall complete evaluation forms provided by UNIVERSITY. Site supervisors selected by SBBC will, a) assist in orienting UNIVERSITY students to the school, the counseling setting, and the pupils; b) explain all school and district policies, rules, and regulations to students; c) provide prompt and substantive feedback to UNIVERSITY students regarding performance activities and interactions with SBBC personnel, pupils and parents; d) complete evaluations of UNIVERSITY student progress and submit them to UNIVERSITY after reviewing them with applicable UNIVERSITY students; e) immediately inform the UNIVERSITY faculty supervisor of any concerns regarding a UNIVERSITY student; f) establish a time to meet and discuss with UNIVERSITY students their activities, impressions, reflections, and suggestions for goals and areas of improvement; g) (For interns) supervise students on a daily basis while under supervision from SBBC site supervisor, if the site supervisor is absent from the classroom, under no circumstance can a UNIVERSITY student, even if he/she

is certified, serve as the substitute of record during the internship unless a separate agreement has been negotiated by SBBC and the UNIVERSITY student.

2.3.6 SBBC shall provide the UNIVERSITY with written performance evaluation feedback about the UNIVERSITY student with the prior written consent of the UNIVERSITY student.

2.3.7 UNIVERSITY students shall not be deemed to be employees of SBBC for purposes of compensation, fringe benefits, worker's compensation, unemployment compensation, minimum wage laws, income tax withholding, social security or any other purpose, because of their participation in the Program. Each UNIVERSITY student is placed with SBBC to receive clinical field experience as a part of his or her academic curriculum; those duties performed by a UNIVERSITY student are not performed as an employee, but in fulfillment of these academic requirements and are performed under supervision. At no time during their practicum shall students replace or substitute for any employee of SBBC. This provision shall not be deemed to prohibit the employment of any such UNIVERSITY student by SBBC under a separate employment agreement for separate or additional duties.

2.3.8 SBBC agrees that UNIVERSITY students assigned to it for counseling are under the supervision, control and responsibility of SBBC.

2.3.9 SBBC shall retain the right in its sole discretion, to request the removal of any individual from any area of the school premises. UNIVERSITY students shall be instructed by the UNIVERSITY to promptly and without protest leave an area whenever they are requested to do so by an authorized SBBC representative.

2.3.10 SBBC will provide to UNIVERSITY students the policies and procedures and other relevant materials to allow students to function appropriately within the school.

2.3.11 SBBC will permit UNIVERSITY students access to the library facilities/curriculum laboratories available to personnel. UNIVERSITY students may not remove materials from the school without appropriate approval.

2.3.12 UNIVERSITY students shall not be considered employees or agents of SBBC.

2.3.13 SBBC acknowledges: (a) a UNIVERSITY student's provision of services in the clinical or field experience will not displace SBBC employees or provide any immediate advantage to the site; (b) no participating UNIVERSITY student will be entitled to employment by SBBC following internship; and (c) this internship will be without compensation to the UNIVERSITY student.

2.3.14 SBBC shall permit a UNIVERSITY supervisor to visit SBBC for purposes of ascertaining that UNIVERSITY's educational objectives for each UNIVERSITY student's rotation are met at SBBC. UNIVERSITY supervisor shall remain under the direct supervision of an SBBC employee at all times while on school grounds pursuant to Section 1012.468(2)(a)(1), Florida Statutes.

2.3.15 SBBC personnel who supervise UNIVERSITY student counselors during must have all appropriate and necessary certifications and qualifications.

2.4 **SBBC Disclosure of Education Records**. Under this Agreement, UNIVERSITY students will gain practical experience by completing internships within SBBC schools for entry into the school counseling profession.

2.4.1 SBBC staff will provide UNIVERSITY student the records listed in this section for the purpose of school counseling services individually, in small groups, or in a classroom, pursuant to this Agreement.

2.4.2 SBBC will provide UNIVERSITY student the following SBBC student education records via "view only" on SBBC database with SBBC supervisor present:

2.4.2.1 student first and last name

2.4.2.2 academic records

2.4.2.3 attendance records

2.4.2.4 emergency contact records

2.4.2.5 Individualized Education Program (IEP) or 504 Plan, when applicable, viewed only when on campus under the supervision of the SBBC supervisor

2.4.2.6 additional education records necessary for the UNIVERSITY student to complete his/her responsibilities, pursuant to this Agreement.

2.4.3 SBBC must obtain the written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section for all purposes indicated above.

2.4.4 The requirements of this section shall supersede any uses and disclosures of education records, or the like as listed in UNIVERSITY'S privacy policies if any.

2.4.5 Student counselors may redisclose de-identified notes and personally identifiable video/audio recordings pursuant to section 2.2.13, to UNIVERSITY supervisor to receive feedback and evaluation, and ensure proper delivery of services.

2.5 **UNIVERSITY Safeguarding the Confidentiality of Education Records.**

2.5.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.5.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.5.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.5.1.4 Notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.5.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.2.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.5.2.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

2.5.2.3 Notify the SBBC Information Security and Assurance Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.5.2.4 Fully cooperate with appropriate SBBC employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

2.5.2.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.5.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.5.2.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.5.2.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.5.2.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.5.3 Liability. UNIVERSITY shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless SBBC and

its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.5.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.6 **Assessment of Data Protection Controls**.

2.6.1 UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data shall provide an attestation stating UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by UNIVERSITY or any of UNIVERSITY's subcontractors with access to SBBC data under this Agreement.

2.6.2 At a minimum, the audit shall show what controls are utilized for all of the following actions:

2.6.1.1 Protecting SBBC against unauthorized access, unauthorized disclosure, and damage.

2.6.1.2 Reducing the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data.

2.6.1.3 Ensuring SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in a manner to meet UNIVERSITY's objectives while also ensuring the data is protected from unauthorized use or disclosure.

2.6.1.4 Monitoring compliance with established security controls.

2.6.3 UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data under this Agreement shall, at minimum, annually complete a third-party assessment of

their cybersecurity controls showing compliance with acceptable cybersecurity standards. UNIVERSITY shall provide SBBC an attestation of continued compliance by UNIVERSITY and/or UNIVERSITY's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.7 **Inspection of UNIVERSITY's Records by SBBC**. UNIVERSITY shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of UNIVERSITY's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to UNIVERSITY's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to UNIVERSITY pursuant to this Agreement. SBBC's agent or its authorized representative shall provide UNIVERSITY with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the UNIVERSITY's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section. UNIVERSITY shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.8 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

| | |
|---|---|
| To SBBC: | Superintendent of Schools<br>The School Board of Broward County, Florida<br>600 Southeast Third Avenue<br>Fort Lauderdale, Florida 33301 |
| With a Copy to: | Director, Professional Learning and Development<br>The School Board of Broward County, Florida<br>3531 Davie Road<br>Davie, Florida 33314 |
| To UNIVERSITY: | Dr. Shellie Brown<br>Dean, School of Education and Social Sciences<br>Bluefield University |

Bluefield, Virginia 24605

With a Copy to:

Dr. Brandy Smith
Director, Counseling Program
Bluefield University
3000 College Avenue
Bluefield, Virginia 24605

2.9 **Background Screening.** UNIVERSITY shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of UNIVERSITY's non-exempt employees, representatives, agents, and subcontractors performing duties under this Agreement who meet any of the three (4) descriptions listed above. This background screening will be conducted by SBBC in advance of UNIVERSITY or its personnel providing any services under the conditions described in the previous sentence. This Agreement. UNIVERSITY students shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to UNIVERSITY and its personnel. The parties agree that the failure of UNIVERSITY to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit UNIVERSITY to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. UNIVERSITY agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from UNIVERSITY's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.10 **Public Records.** Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records

in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

2.11 **Indemnification**. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

## ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities

under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, if the termination date occurs before a UNIVERSITY student has completed his or her learning experience at SBBC and the UNIVERSITY student is in good standing with SBBC, such UNIVERSITY student may be permitted to complete the scheduled learning experience pursuant to the terms of this Agreement.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is

a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure.** Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival.** All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have made and executed this Agreement on the Effective Date.

**EXECUTIVE SUMMARY**

Colorado Christian University

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the agreement between Colorado Christian University and The School Board of Broward County, Florida (SBBC).

**School Board Policy Requirement/Authority:** N/A

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** If yes, SBBC will strengthen its school counseling services to better support student success. This initiative will provide the district with an opportunity to recruit and train the next generation of school counselors, an essential step in addressing the academic and emotional needs of our students. Additionally, it will help cultivate a pool of highly qualified counselors committed to making a positive impact in our schools, ultimately enhancing the quality and accessibility of school counseling services for our student population.
**- If the School Board votes "No":** If not, SBBC will be unable to strengthen its school counseling services and support student success. The district will miss a critical opportunity to recruit and train the next generation of school counselors, an essential step in meeting the academic and emotional needs of our students. Furthermore, we will forfeit the chance to cultivate a pool of qualified professionals dedicated to making a positive impact in our schools, ultimately limiting our ability to enhance the quality and accessibility of school counseling services for our student population.

**Background/History**
An agreement between a college or university and SBBC is required to accept any internship, practicum participants, or field experience placements. Our Field Experience Program operates across borders, collaborating with colleges and universities in Florida and other states. This program provides both undergraduate and graduate students with practical experiences as they pursue degrees in various majors and fields of study. Through this partnership, field experience students can gain valuable hands-on experience while working toward degree in school counseling.

**Alignment to 2027 Goals and Guardrails:** Guardrail 3: School Support

**Measurable Outcome(s)/Return on Investment:** By July 2027, SBBC will increase college and university field experience agreements by 15%, including a new partnership with Colorado Christian University. This initiative aims to reduce school counselor vacancies by guiding students toward full-time roles within our organization.

Colorado Christian University offers a 60-credit Master of Arts in School Counseling that prepares graduates for licensure. The program, completed in as little as 2.5 years, includes practicum and internship experiences aligned with CACREP standards (accreditation in process). Alumni surveys show a 94% job placement rate within six months, with retention at 79–83% and a graduation rate of 55%. Graduates pursue careers in K–12 schools, educational consulting, and youth services. Resources support licensure through state exams and credentialing, ensuring strong employment prospects. As SBBC establishes its baseline for student placements, this partnership will help create a sustainable pipeline of qualified candidates for future instructional and school counseling positions.

**Financial Impact, Funding Source & Budget Status:** There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |
| First Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Second Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Total Agreement Amount | N/A | N/A | N/A | N/A | N/A |

**Multi-year agreement:** No

**Procurement Method:** Not applicable.

**Impact on Schools:** Field experience enables school counseling interns to strengthen their counseling strategies and adapt to the diverse academic and emotional needs of students, resulting in more effective support services. As these interns introduce innovative approaches and fresh perspectives, they foster a culture of continuous improvement within schools. This collaboration enhances interns' professional development and positively impacts student

engagement and well-being, ultimately strengthening the overall effectiveness of counseling programs in Broward County.

**If there is an impact on schools, how will schools be selected/prioritized:** The field experience students may choose up to three schools for their placement, and SBBC schools can also request the placement of these students.

**Stakeholder Engagement/ End-User Input:** Stakeholder engagement for Field Experience involves collaboration among college interns, SBBC school counseling supervisors, university supervisors, and consideration of SBBC students' needs. Field placements are determined based on college interns' input regarding program requirements and the support needed to achieve their academic goals. SBBC staff provides feedback on mentoring strategies to maintain quality service. University supervisors work closely with SBBC staff to ensure compliance with statutory and district policies while supporting effective supervision. The interests of SBBC students are represented through teacher and administrator feedback to safeguard confidentiality and maintain a positive learning environment. This collaborative approach to placement procedures, supervision guidelines, and professional development support ensures the successful implementation of the Field Experience program.

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** Not applicable.

**Additional Backup:** During the 2024–2025 school year, the School Board of Broward County facilitated a total of 751 entry-level field experience placements, 481 practicum placements, and 160 internship placements. This demonstrates a strong commitment to integrating future educators into the school system. Notably, 19% of the internship placements have already led to successful employment, highlighting the effectiveness of this program in addressing staffing needs.

## AGREEMENT

**THIS AGREEMENT** is made and entered into by and between:

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

**COLORADO CHRISTIAN UNIVERSITY**
(hereinafter referred to as "UNIVERSITY"),
whose principal place of business is
8787 W. Alameda Avenue, Lakewood, Colorado 80226

A. **WHEREAS**, SBBC and UNIVERSITY wish, and intend by this Agreement to set forth the terms and conditions of engaging in a cooperative program ("Program") for the placement of selected counseling students enrolled at UNIVERSITY with the mutual objective of preparing students for entry into the school counseling profession; and

B. **WHEREAS**, UNIVERSITY students will gain practical experience as part of the UNIVERSITY course curriculum by completing internships within SBBC schools at no cost to SBBC.

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

### ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

### ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement.** The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on June 30, 2027, unless terminated earlier pursuant to section 3.5 of this Agreement, and may by mutual agreement between SBBC and UNIVERSITY, be extended for two (2) additional one (1) year periods.

2.2 **UNIVERSITY Responsibilities.**

2.2.1 UNIVERSITY shall plan and administer the UNIVERSITY educational program for its students and be responsible for the enrollment of its students in UNIVERSITY courses, including the clinical field placement.

2.2.2 UNIVERSITY shall maintain all educational records and reports relating to the UNIVERSITY educational programs completed by UNIVERSITY students during the clinical field experience.

2.2.3 UNIVERSITY shall determine, in its sole discretion, which of its enrolled students shall be eligible to participate in the Program.

2.2.4 UNIVERSITY shall provide a person to serve as its Coordinator to oversee its educational program and coordinate Program related activities with SBBC.

2.2.5 UNIVERSITY shall work through the SBBC department of Coaching and Induction to determine in advance placement sites for UNIVERSITY students in the Program, including dates and the number of UNIVERSITY students.

2.2.6 UNIVERSITY shall instruct its participating UNIVERSITY students to complete a security information background check form provided by SBBC and to submit to fingerprinting and criminal records background check to be performed by SBBC or at its direction.

2.2.7 UNIVERSITY shall, in consultation with SBBC, be responsible for grading of the field placement experience and determining whether a UNIVERSITY student has completed the requirements of the UNIVERSITY educational program.

2.2.8 UNIVERSITY students shall not be considered as employees or agents of the UNIVERSITY.

2.2.9 UNIVERSITY shall be responsible for providing professional development seminars to its students in the Program. SBBC may be requested to assist in such seminars.

2.2.10 UNIVERSITY shall be solely responsible for the conduct of any proceedings of its students related to academic or behavioral matters.

2.2.11 UNIVERSITY agrees to inform UNIVERSITY students that they are responsible for the rules and regulations of SBBC, including recognition of the confidential nature of information regarding pupils and their records.

2.2.12 UNIVERSITY will provide SBBC with a copy of course objectives for the learning experience. SBBC, together with UNIVERSITY, will make arrangements for evaluating the learning experience.

2.2.13 UNIVERSITY shall instruct UNIVERSITY students that they shall not take, capture or record any photographs or any audio or video recordings while on any SBBC facilities without prior written consent of all parents, or students aged 18 or over, for all students that may be captured in such recordings to evaluate school counseling services.

2.3 **SBBC Responsibilities.**

2.3.1 SBBC shall be responsible for the conduct of its operations, supervision of its staff and the education of its students. UNIVERSITY shall not control any of SBBC's property or operations.

2.3.2 SBBC shall provide forms for UNIVERSITY to use as student counselor applications.

2.3.3 SBBC shall determine, in consultation with UNIVERSITY, the UNIVERSITY students who will be placed at SBBC schools and which schools.

2.3.4 SBBC shall provide to UNIVERSITY students a security background information form to be completed by UNIVERSITY students and provide a process for fingerprinting and criminal records background check to be performed by SBBC or at its direction. SBBC shall determine whether a UNIVERSITY student has satisfactorily cleared the security screening.

2.3.5 SBBC shall, in consultation with UNIVERSITY, assign its school counselors to serve as supervisors for the evaluation of the UNIVERSITY students. SBBC supervising staff shall complete evaluation forms provided by UNIVERSITY. Site supervisors selected by SBBC will, a) assist in orienting UNIVERSITY students to the school, the classroom and the pupils; b) explain all school and district policies, rules, and regulations to students; c) provide prompt and substantive feedback to UNIVERSITY students regarding performance activities and interactions with SBBC personnel, pupils and parents; d) complete evaluations of UNIVERSITY student progress and submit them to UNIVERSITY after reviewing them with applicable UNIVERSITY students; e) immediately inform the UNIVERSITY faculty supervisor of any concerns regarding a UNIVERSITY student; f) establish a time to meet and discuss with UNIVERSITY students their activities, impressions, reflections, and suggestions for goals and areas of improvement.

2.3.6 SBBC shall provide the UNIVERSITY with written performance evaluation feedback about the UNIVERSITY student with the prior written consent of the UNIVERSITY student.

2.3.7 UNIVERSITY students shall not be deemed to be employees of SBBC for purposes of compensation, fringe benefits, worker's compensation, unemployment compensation, minimum wage laws, income tax withholding, social security or any other purpose, because of their participation in the Program. Each UNIVERSITY student is placed with SBBC to receive clinical field experience as a part of his or her academic curriculum; those duties performed by a UNIVERSITY student are not performed as an employee, but in fulfillment of these academic requirements and are performed under supervision. At no time during their practicum shall students replace or substitute for any employee of SBBC. This provision shall not be deemed to prohibit the employment of any such UNIVERSITY student by SBBC under a separate employment agreement for separate or additional duties.

2.3.8 SBBC agrees that UNIVERSITY students assigned to it for school counseling are under the supervision, control and responsibility of SBBC.

2.3.9 SBBC shall retain the right in its sole discretion, to request the removal of any individual from any area of the school premises. UNIVERSITY students shall be instructed by the UNIVERSITY to promptly and without protest leave an area whenever they are requested to do so by an authorized SBBC representative.

2.3.10 SBBC will provide to UNIVERSITY students the policies and procedures and other relevant materials to allow students to function appropriately within the school.

2.3.11 SBBC will permit UNIVERSITY students access to the library facilities/curriculum laboratories available to personnel. UNIVERSITY students may not remove materials from the school without appropriate approval.

2.3.12 UNIVERSITY students shall not be considered employees or agents of SBBC.

2.3.13 SBBC acknowledges: (a) a UNIVERSITY student's provision of services in the clinical or field experience will not displace SBBC employees or provide any immediate advantage to the site; (b) no participating UNIVERSITY student will be entitled to employment by SBBC following internship; and (c) this internship will be without compensation to the UNIVERSITY student.

2.3.14 SBBC shall permit a UNIVERSITY supervisor to visit SBBC for purposes of ascertaining that UNIVERSITY's educational objectives for each UNIVERSITY student's rotation are met at SBBC. UNIVERSITY supervisor shall remain under the direct supervision of an SBBC employee at all times while on school grounds pursuant to Section 1012.468(2)(a)(1), Florida Statutes.

2.3.15 SBBC personnel who supervise UNIVERSITY student counselors during must have all appropriate and necessary certifications and qualifications.

2.4 **SBBC Disclosure of Education Records.** Under this Agreement, UNIVERSITY students will gain practical experience by completing internships within SBBC schools for entry into the school counseling profession.

2.4.1 SBBC staff will provide UNIVERSITY student the records listed in this section for the purpose of school counseling services individually, in small groups, or in a classroom, pursuant to this Agreement.

2.4.2 SBBC will provide UNIVERSITY students with the following SBBC student education records via "view only" on SBBC database with SBBC supervisor present::

2.4.2.1 academic records
2.4.2.2 attendance records
2.4.2.3 emergency contact records
2.4.2.4 Individualized Education Program (IEP) or 504 Plan, when applicable, viewed only when on campus under the supervision of the SBBC supervisor
2.4.2.5 additional education records necessary for the UNIVERSITY student to complete his/her responsibilities, pursuant to this Agreement.

2.4.3 SBBC must obtain the written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section for all purposes indicated above.

2.4.4 The requirements of this section shall supersede any uses and disclosures of education records or the like as listed in UNIVERSITY'S privacy policies if any.

2.4.5 Interns may redisclose de-identified notes and personally identifiable video/audio recordings pursuant to section 2.2.13, to UNIVERSITY supervisor to receive feedback and evaluation, and ensure proper planning and delivery of instruction delivery of lessons and services.

2.5 **UNIVERSITY Safeguarding Confidentiality of SBBC Education Records.**

2.5.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.1.1 fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records;

2.5.1.2 hold any education records in strict confidence and not use or redisclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release;

2.5.1.3 utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.5.1.4 notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.5.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, UNIVERSITY shall:

2.5.2.1 ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

2.5.2.2 safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to

protect the education records and information in accordance with FERPA's privacy requirements;

2.5.2.3 notify the SBBC IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes;

2.5.2.4 fully cooperate with appropriate SBBC staff, including Privacy Officer and/or Information Technology staff to resolve any privacy investigations and concerns in a timely manner;

2.5.2.5 prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes;

2.5.2.6 be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law;

2.5.2.7 provide SBBC with the name and contact information of its who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records;

2.5.2.8 purge education records from any media once the media is no longer in use or is to be disposed; and

2.5.2.9 return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.5.3 Liability. UNIVERSITY shall, for itself, its officers, employees, agents, representatives, contractors or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.5.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.6 **Inspection of UNIVERSITY'S Records by SBBC.** UNIVERSITY shall establish and maintain books, records and documents (including electronic storage media) related to this Agreement. All of UNIVERSITY's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to UNIVERSITY's Records from the effective date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to UNIVERSITY pursuant to this Agreement. SBBC's agent or its authorized representative shall provide UNIVERSITY with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction. SBBC's agent or its authorized representative shall have access to the UNIVERSITY's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section. UNIVERSITY shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.7 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

| | |
|---|---|
| To SBBC: | Superintendent of Schools<br>The School Board of Broward County, Florida<br>600 Southeast Third Avenue<br>Fort Lauderdale, Florida 33301 |
| With a Copy to: | Director, Coaching and Induction<br>The School Board of Broward County, Florida<br>3531 Davie Road<br>Davie, Florida 33314 |
| To University: | Colorado Christian University<br>School of Counseling<br>8787 W. Alameda Avenue<br>Lakewood, Colorado 80226 |
| With a Copy to: | Dean of the School of Counseling<br>Dr. Ryan Burkhart<br>8787 W. Alameda Avenue<br>Lakewood, Colorado 80226 |

2.8 **Background Screening.** UNIVERSITY shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of UNIVERSITY's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to UNIVERSITY and its personnel. The parties agree that the failure of UNIVERSITY to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit UNIVERSITY to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. UNIVERSITY agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from UNIVERSITY's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.9 **Public Records**. Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

2.10 **Indemnification**. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

## ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this

Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, if the termination date occurs before a UNIVERSITY student has completed his or her learning experience at SBBC and the UNIVERSITY student is in good standing with SBBC, such UNIVERSITY student may be permitted to complete the scheduled learning experience pursuant to the terms of this Agreement.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have made and executed this Agreement on the Effective Date.

## EXECUTIVE SUMMARY

**Recommendation to Approve the Agreement**
**The University of Florida Board of Trustees – Data Sharing**

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the Agreement between The School Board of Broward County, Florida (SBBC), and The University of Florida Board of Trustees (UF).

**School Board Policy Requirement/Authority:** N/A

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-Wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** UF will be able to receive data from SBBC, so that they may evaluate the effectiveness of certain programs funded by UF in Broward County Public Schools.
**- If the School Board votes "No":** SBBC will not be able to share data information with UF. UF will not be able to evaluate the effectiveness of certain UF-funded programs in Broward County Public Schools.

**Background/History**
SBBC and UF wish to enter into this Agreement to ensure that accessing and/or transferring of data resulting from the performance of the contracted services complies with the requirements of privacy laws and to establish procedures and duties. The purpose of this Agreement is to document the rights and obligations of the Parties with respect to the transmission, storage, use, and destruction of certain protected or confidential information with a clear, concise, and comprehensive agreement around key issues related to ethical and legal data sharing. A secondary purpose is to provide transparency for various stakeholders, including but not limited to families, educators, administrators, and local school board members.

**Alignment to 2027 Goals and Guardrails:**
Goal 1- Early Literacy Proficiency
Goal 2- Algebra Proficiency
Goal 3- Science Proficiency
Goal 4 – College and Career Readiness

**Measurable Outcome(s)/Return on Investment:**
The measurable outcome of this Agreement is to ensure efficient and timely transmission, storage, use, and destruction of certain protected or confidential information. UF will provide a yearly update of evaluation progress and outcomes.

**Financial Impact, Funding Source & Budget Status:**
There is no financial impact to the District.

**Multi-year agreement:** No

**Procurement Method:** N/A

**Impact on Schools:** None

**If there is an impact on schools, how will schools be selected/prioritized:** N/A

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:**
This agreement, along with the following proposed agreements, is related to the Florida Tutoring Advantage initiative, which will provide up to 975 Varsity Tutor licenses and up to 40,000 Khan Academy licenses at no charge to SBBC:

- University of Florida – Lastinger Center
- Khan Academy High School – Service Order for Licenses
- Varsity Tutors Data Sharing Agreement

# DATA SHARING AGREEMENT

This Data Sharing Agreement ("**Agreement**") is entered into by and between

The School Board of Broward County, Florida (SBBC)
("**Disclosing Party**"), whose current mailing address is Kathleen C. Wright Administration Center, 600 S.E. Third Avenue, Fort Lauderdale, FL 33301, and

The University of Florida Board of Trustees (UF)
("**Receiving Party**") whose current mailing address is 207 Grinter Hall, PO Box 115500, Gainesville, FL 32611-5500.

At times, Disclosing Party and Receiving Party are referred to singularly as "**Party**" and collectively as "**Parties**."

**WHEREAS,** the Parties have set forth certain relevant definitions on the attached **Exhibit "A"**.

**WHEREAS,** the Parties have set forth certain relevant privacy and IT security provisions on the attached **Exhibit "G"**.

**WHEREAS**, Receiving Party has agreed to provide Disclosing Party with certain educational or research-oriented services ("Services") as more fully described on the attached **Exhibit "B"**.

**WHEREAS**, in order to provide the Services, Receiving Party may receive and Disclosing Party may provide documents or data that are covered by the laws of the United States of America (the "**Federal Laws**").

**WHEREAS,** the documents and data transferred from Receiving Party and/or accessed by Receiving Party in the performance of the Services shall be subject to the laws of the State of Florida. ("**State**", "**State Laws**"), and such additional rules or restrictions as set forth on the attached **Exhibit "E"**;

**WHEREAS**, this Agreement complies with all relevant State Laws and Federal Laws (collectively, the "**State and Federal Laws")**; and

**WHEREAS,** the Parties wish to enter into this Agreement to ensure that accessing and/or transferring of data resulting from the performance of the Services complies with the requirements of the privacy laws referred to above and to establish implementing procedures and duties.

NOW THEREFORE, for good and valuable consideration, the Parties agree as follows:

**Section 1. Background and Purpose**

According to Florida Statutes 1003.485, 1008.366, and 1004.561, UF Lastinger Center is designated, among other responsibilities, to develop and administer programs to improve student achievement outcomes in early learning, literacy, and mathematics; provide professional learning including micro-credentials for educators to improve the quality of instruction in early learning, literacy, and mathematics; and conduct and publish research on teaching and learning in early learning, literacy, and mathematics, as well as on professional learning for educators. Additionally, the UF Lastinger Center for Learning is the administrator of the New Worlds Reading Initiative and the New Worlds Tutoring Program (referred to as the Florida Tutoring Advantage or FTA). Access to data is necessary for UF Lastinger Center to determine program eligibility, evaluate program impacts, conduct research, and assist with reporting requirements (ss. 1003.485, 1008.366, and 1004.561, F.S.). The purpose of this Agreement is to document the rights and obligations of the Parties with respect to the transmission, storage, use, and destruction of certain protected

or confidential information with a clear, concise, and comprehensive agreement around key issues related to ethical and legal data sharing. A secondary purpose is to provide transparency for various stakeholders including, but not limited to, families, educators, administrators, and local school board members.

**Section 2. Term**

The term of this Agreement begins upon execution by the last party to sign and ends on June 30, 2028, unless terminated earlier pursuant to Section 12 (Termination) of the Agreement.

**Section 3. Transfer and Use of Data**

Pursuant to this Agreement and in accordance with the State and Federal Laws, Receiving Party will receive from Disclosing Party, via secure data transfer methods, the protected or confidential information set forth in Section 4 below or as more fully described in the attached **Exhibit "D"** (the "**Data**") and **Exhibit "F"** (the "**Narrative**") and **Exhibit G** The Receiving Party may use such Data only for the purposes of providing the Services and that any data sub-processors or data systems will be held to strict accordance with the terms of this Agreement ***and to sub-processors and/or data systems***. The Parties agree and represent that the Data shared under this Agreement is narrowly tailored to meet the applicable exceptions set out in Section 5, below. For the purpose of this Agreement, the definitions of "directory information," "education records," and "personally identifiable information" are set out in 34 C.F.R. § 99.3.

**Section 4. Data To Be Shared**

The Parties agree that Disclosing Party will share with Receiving Party the data set out in **Exhibit "D", Exhibit "F",** and **Exhibit "G"..**

**Section 5. Applicable FERPA Provisions**

The following FERPA exceptions apply:

X *Studies Exception*: 20 U.S.C. § 1232g(b)(1)(F) and 34 C.F.R. § 99.31(a)(6). This section of FERPA is meant to allow educational researchers to analyze data and provide results and/or analysis back to the Disclosing Party in order to improve instruction and improve educational outcomes. **(If checked, fill out Exhibit C)**

☐ *School Official or Representative (or Outsourced Services) Exception*: 34 C.F.R. §§ 99.31(a)(1) and 99.7(a)(3)(iii). In which case the following applies "school official", or otherwise qualifies under the "studies exception", under FERPA and has a legitimate educational interest in personally identifiable information from education records because for purposes of this Agreement, Receiving Party: (1) provides a service or function for which the local educational agency ("LEA") would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from education records. (If checked, A description of Receiving Party's services and qualifications as a "school official" are set forth in **Exhibit "B"** ("**Services**").)

**Section 6. Confidentiality and Data Governance Provisions**

The Parties agree to comply with the State and Federal Laws. Each Party agrees to protect with reasonable data security procedures any confidential student information it receives or accesses that could make a student's identity traceable. Each Disclosing Party agrees that the data shall be treated as FERPA-confidential and in accordance with this Agreement regardless of which Party possesses the data. Where applicable, each Party shall comply with such additional privacy and parental consent requirements as set forth in the Children's Online Privacy Protection Act ("COPPA"), at 15 U.S.C. 6501-6506 (16 CFR Part 312). In addition, the Parties shall conduct certain surveys in accordance with the relevant provisions of the Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98).

**Section 7. Data Studies**

For any and all studies to be performed by Receiving Party:

(a) Receiving Party may use personally identifiable information (PII), which is information that identifies (or could be used to re-identify) an individual, from education records provided by Disclosing Party only to meet the purpose or purposes of the study.

(b) The Parties agree that Receiving Party may conduct the study in a manner that does not permit the personal identification of parents and students by anyone other than representatives of the organization with legitimate interests in the study.

(c) Receiving Party understands and agrees that it may not publish any study that contains any PII. Receiving Party agrees to adhere to Privacy Measures when publishing any data or study, in order to protect the privacy and confidentiality of the individuals involved.

(d) Disclosing Party retains an express right to review any data prior to publication by Receiving Party and to verify proper disclosure avoidance techniques have been used.

(e) Receiving Party may allow internal access to PII received in connection with this Agreement only to individuals with a need to know the same and Receiving Party shall take steps to maintain the confidentiality of the PII at all stages of the study, including within the final report, by using appropriate disclosure avoidance techniques.

(f) De-Identified Data: Data that has been de-identified is not considered student data and is not subject to the terms and restrictions in this agreement. Under no circumstances shall Receiving Party attempt to re-identify De-identified Data.

(g) Research and Program Evaluation:

(1) SBBC Policy 6313 requires primary investigators of program evaluation studies conducted by Receiving Party that impact the daily activities of students, parents, or staff, OR require use of data from the same individuals must submit a Research Request to the Disclosing Party's Institutional Review Board (IRB) for review and approval prior to the initiation of any study-related activities. The Disclosing Party's IRB and Research Review Process reviews the design, procedures, and potential impact on school and district operations to ensure the following:

i. the purpose, scope, limitations, and duration of study is clearly outlined;
ii. the protection of human subjects in the research process;
iii. education records are only used for purposes of the identified study;
iv. education records are only used by representatives of the organization identified in this agreement; and
v. the safe and confidential storage and transmittal of education records.

(2) The purposes of the studies to be conducted by the Receiving Party are to evaluate the effectiveness of Lastinger Center's programs in improving student reading and mathematics achievement.

(3) The duration of study activities commenced on the date of original agreement execution and must concluded at the end of business on June 30, 2028 and must be conducted during the term of this agreement. I IRB renewal is necessary, it must be submitted yearly during the duration of this agreement before expiration.

(4) Receiving Party shall destroy or return any disclosed information to SBBC when no longer needed for the purposes for which the study is to be conducted.

(5) Receiving Party shall comply with all requirements of the Disclosing Party's IRB and Research Review Process. Questions regarding this process may be directed to BCPS.IRB@browardschools.com.

**Section 8. Data Ownership**

Except as expressly set out in this Agreement, Receiving Party does not own any education record or PII contained therein. The official or representative is authorized to use the record only as set out in this Agreement, or as provided in Related Contract (if applicable).

**Section 9. Data Destruction**

(a) Receiving Party may retain education records obtained under this Agreement and 1) may disclose Aggregate data to the public, and 2) may provide data to third-party researchers, but must ensure that the release of data does not permit the release of personally identifiable information or confidential student records. This Term may be amended only by a written Agreement that otherwise complies with 20 U.S.C. § 1232g and its implementing regulations in 34 C.F.R. Part 99. Notwithstanding anything to the contrary, Receiving Party may retain anonymized data received under this Agreement.

(b) Notwithstanding any other term of this or any other Agreement, Disclosing Party retains the right to terminate Receiving Party's access to education records or derivative PII without advance notice as necessary to ensure the security of PII and disclosure of PII in compliance with this Agreement. Furthermore, an authorized representative of Disclosing Party may, upon ten (10) days written notice, inspect Receiving Party's security protocols and arrangements to ensure compliance with this Agreement.

(c) De-Identified Data: Receiving Party's use of De-Identified Data shall survive termination of this Agreement or any request by Disclosing Party to return or destroy PII. De-Identified Data may be used by Receiving Party for those purposes allowed under FERPA and the following purposes: (1) assisting Disclosing Party or other governmental agencies in conducting research and other studies; and (2) research and development of Receiving Party's educational sites, services, or applications, and to demonstrate the effectiveness of the Services. Under no circumstances shall Receiving Party attempt to re-identify De-identified Data. Receiving Party may retain data and 1) may disclose Aggregate data to the public, and 2) may provide de-identified data to third-party researchers, but must ensure that the release of data does not permit the release of personally identifiable information or confidential student records.

**Section 10. General Data Terms**

(a) The Parties each individually and collectively represent that under all terms of this Agreement the disclosure of education records or other Data is for an education purpose and the access is narrowly tailored to permit disclosure of PII and education records or other Data only as essential to carry out the terms of the evaluation, study, project, service, or program.

(b) Receiving Party agrees that it and its employees and authorized representatives who access information pursuant to this Agreement will use the information only for the purpose(s) expressly authorized under this Agreement and the Related Contract (if applicable) and shall not use or disclose the information for any other purpose except by written amendment to this Agreement. This Agreement further expressly prohibits "unauthorized look-ups."

(c) The Parties each individually and collectively represent that Receiving Party will allow access to PII only to those individuals employed by Receiving Party with a need to know.

(d) Receiving Party represents that it will ensure that each individual with whom it shares the PII shall be bound by confidentiality provisions no less strict than the confidentiality provisions in this Agreement.

(e) Notwithstanding anything to the contrary Receiving Party may disclose or share information with a third-party who has also entered into a data sharing agreement with Disclosing Party that is the same or substantially the same as this Agreement.

(f) Receiving Party shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all data, including electronically-maintained or transmitted data received from, or on behalf of Disclosing Party ("**Security Measures**"). Receiving Party shall comply with all State and Federal Laws related to a data breach involving personal information.

**Section 11. Breach**

Any breach of this Agreement leading to unlawful disclosure of education records, PII, or other Data that is covered under State and Federal Laws constitutes a material breach of this Agreement and constitutes cause for immediate termination by Disclosing Party.

**Section 12. Termination**

Either party may terminate this Agreement without cause upon fifteen (15) days' written notice. Any duty of confidentiality as to information protected by State and Federal Laws at any time subject to the Agreement shall survive this Agreement notwithstanding termination of this Agreement.

**Section 13. Data Officials**

The following individuals are designated as the Data Compliance Official and Data Custodian for the purpose of this agreement, which individual may be updated at any time upon written notice from one Party to the other Party.

Disclosing Party:

Name: Trey Davis

Title: Chief Information Officer

and

Name: Adam Iarussi

Title: Evaluation Administrator

Receiving Party

Name: Tyran Butler

Title: Assistant Center Director

**Section 14. Miscellaneous Contract Terms**

14.1 This Agreement, including and together with any exhibits, attachments, and appendices, constitutes the sole and entire agreement between the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, regarding such subject matter. Nothing in this Agreement shall be construed or interpreted to allow either party to maintain, use, disclose, or otherwise share PII in a manner or not allowed by the State and Federal Laws.

14.2 If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

14.3 No amendment to, or modification of, this Agreement is effective unless it is in writing and signed by each Party. No waiver by any Party of any of the provisions of this Agreement shall be effective unless explicitly set forth in writing and signed by the Party so waiving. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

14.4 This Agreement is binding on and inures to the benefit of the Parties and their respective successors and permitted assignees. Neither Party may assign, transfer, delegate, or subcontract any of

its rights or obligations under this Agreement without the prior written consent of the other Party. Any purported assignment or delegation in violation of this Section shall be null and void. Notwithstanding the foregoing, either party may assign this Agreement, without the other party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such party's assets or to any successor by way of merger, consolidation or similar transaction.

14.5 If a conflict exists between State and Federal Laws, and this Agreement, State and Federal Laws shall govern. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of the federal and state courts located in the State.

14.6 This Agreement and all matters arising out of or relating to this Agreement are governed by, and construed in accordance with, the laws of the State without giving effect to the conflict of laws provisions thereof.

14.7 This Agreement may be executed electronically and in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.

14.8 Any notice, communication, request, approval, or consent that may be given or that is required to be given under the terms of this Agreement shall be in writing, and shall be sent certified mail, return receipt requested, to the address for each party shown on the face of this agreement. Notice given by or to the attorney for either party shall be as effective as if given by or to that party

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of the Effective Date by their respective officers thereunto duly authorized.

# Exhibit "A" – Definitions

For purposes of this Agreement, the Parties agree that capitalized terms shall have the following meanings.

**"Federal Laws"**

Several relevant federal statutes and their implementing regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA") at 20 U.S.C. 1232g (34 CFR Part 99), Children's Online Privacy Protection Act ("COPPA"), at 15 U.S.C. 6501-6506 (16 CFR Part 312), and Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98).

**"Privacy Measures"**

When publishing tables, cell suppression and other methods of disclosure avoidance can be used to ensure students cannot be identified through small numbers displayed in table cells. Receiving Party must mask any cells containing fewer than five students and may be required to mask further to avoid any risk that data could be paired with other available data to identify students. Receiving Party agrees to mask data in such a way to avoid this risk.

**"Security Measures"**

Receiving Party shall develop and implement procedures, and systems to ensure that all confidential student and staff data processed, stored, and/or transmitted under the provisions of this Agreement shall be maintained in a secure manner that prevents the interception, diversion, or other unauthorized access to said data. The procedures and systems developed and implemented to process, store, or transmit data provided under this Agreement shall be designed to ensure that any and all disclosures of confidential student and staff data comply with all provisions of federal (HIPAA, FERPA, E-Government, etc.) and State Laws relating to the privacy rights of students and staff as such laws are applicable to the parties to this Agreement. These measures will be extended by contract to all subcontractors used by Receiving Party who have access to the data provided under this Agreement.

**"De-identified Data"**

Data where any and all Personally Identifiable Information (PII) has been removed. The process of de-identifying data protects the privacy of students.

Typically, a computer system will store a student's name, student ID number, birthdate, etc. along with their attendance data, assessment scores, and/or usage of a software program. In that situation, a researcher or other party knows exactly which data goes with which student, and the students are "identifiable." De-identified Data, on the other hand, is data where student names, student ID numbers, dates of birth, etc. have all been removed such that no one knows who the students are when analyzing the data. According to the U.S. Department of Education, "De-identified data may be shared without the consent required by FERPA (34 CFR §99.30) with any party for any purpose, including parents, general public, and researchers (34 CFR §99.31(b)(1))."

For further explanation and examples of how and why these and other terms are used, please visit https://dataprivacyforstudents.org

# Exhibit "B" – Services

The University of Florida Lastinger Center for Learning provides to districts a range of professional learning programs for educators, state initiatives that offer services to students and families, and research and development projects that guide the creation of new products and services to serve education stakeholders.

Other services may be provided under Memoranda of Understanding and contracts for service.

# Exhibit "C" - Studies Exception

**If you selected "Studies Exception" in Section 5, complete the following (or attach study documentation):**

a. Purpose of the studies to be conducted:

**(i) Professional Learning Evaluation Study**
This study aims to improve instruction for teachers in the district or LEA per 34 CFR § 99.31(a)(6)(i)(C). According to s. 1004.561, F.S. (2024), UF Lastinger Center is designated, among other responsibilities, to develop and administer programs to improve student achievement outcomes in early learning, literacy, and mathematics; provide professional learning [including micro-credentials] for educators to improve the quality of instruction in early learning, literacy, and mathematics; and conduct and publish research on teaching and learning in early learning, literacy, and mathematics, as well as on professional learning for educators. In this way, UF Lastinger Center performs institutional services per 34 CFR § 99.31(a)(1)(i)(B) for the state of Florida, and thereby for every district in the state, by developing and administering programs and professional learning to improve student achievement outcomes and improve the quality of instruction in early learning, literacy, and mathematics. To best perform these services, UF Lastinger Center requests access to data to evaluate the effectiveness of Lastinger Center's programs in improving student reading and mathematics achievement. Analyses of educator and student engagement with Lastinger Center programs, and the impact such engagement has on educator and student outcomes, will support continued development of programs and products that support teacher effectiveness and student success. Moreover, results of such analyses will provide valuable insights to district and school officials about the types of skills and environments that are most likely to produce higher levels of teacher satisfaction and effectiveness, as well as student success and educational attainment. Finally, aggregated results of studies of efficacy and impact of Lastinger Center programs will be disseminated to the broader research and practice community so that insights on what has been successful at the Lastinger Center may have a broader impact on the larger education community. All disseminated findings would mask identities of any educators, students, schools, and districts so that identities would remain confidential.

**(ii) ALTER-Math Tutoring Agent Study if applicable**

Led by the University of Florida (UF), ALTER-Math shifts students' roles from passive learners into proactive teachers to AI through an advanced learning framework, learning-by-teaching. ALTER-Math, aims to double the rate of algebra learning for students, particularly for those from low-income households, by developing effective, scalable, and responsible AI-enhanced teachable agents, utilizing large language models (LLMs) and cutting-edge AI technologies. Our study seeks to answer the following research question: "How effectively does the AI-powered teachable agent engage students and improve students' mathematical achievements?" The UF Lastinger Center requests access to data to inform the ongoing evaluation and iterative improvement efforts necessary to achieve the project goals. The results of the analyses will provide key insights to the relationships between ALTER-Math usage patterns and student academic achievement in mathematics for learnings in any subgroup, highlighting opportunities for ongoing improvement for the tutoring agent.

b. Scope of the proposed study:

**(i) Professional Learning Evaluation Study**

The scope of the proposed studies include analyses of deidentified student data examining students' reading and mathematics scores before, during, and following direct (as participants) and/or indirect (as students of educators) exposure to UF Lastinger Center programs and by comparing reading and mathematics scores for students with and without direct (as participants) and/or indirect (as students of educators) exposure to Lastinger Center programs.

**(ii) ALTER-Math Tutoring Agent Study if applicable**
Upon electing to participate in this study, teacher participants will integrate the usage of ALTER-Math in their instruction of middle school or Algebra I mathematics students. We recommend that teachers plan for 30-minutes of learning activities with ALTER-Math every week. However, it is completely up to teachers how they would adopt ALTER-Math in their instructional plans. In this study, our data collection methodology combines qualitative and quantitative strategies to ensure comprehensive coverage and reliability. We prioritize ethical considerations by deidentifying all data to protect participant privacy and uphold confidentiality. Participants, including teachers and students, are informed of their rights during the recruitment and consent processes. The opt-out process is straightforward and can be initiated at any stage, ensuring that participants feel comfortable and respected throughout the study. Our study will evaluate both the cognitive (i.e., students' mathematics performance as assessed through FAST progress monitoring) and affective outcomes (i.e., engagement) collected from the students, further analyzed based on their demographics (e.g., gender, race, low-income status).

c. Duration of the study:

**(i) Professional Learning Evaluation Study**
These studies will remain active as long as this Agreement is active.

**(ii) ALTER-Math Tutoring Agent Study if applicable**
This **ALTER-Math Tutoring Agent** research project will end in 2027. For the study planned in Spring 2025, we aim to conduct the study activities including teachers and students for no more than three months. We expect to request a research collaboration for more studies of similar length in Spring 2026 and 2027.

d. Information to be disclosed: (see Exhibit D)

# Exhibit "D" - Data

| Data Fields Requested | Requested for | | | | |
|---|---|---|---|---|---|
| | New Worlds Reading – Directory Data | Florida Tutoring Advantage | Early Learning Professional Learning | **Literacy** Professional Learning | Math **Professional** Learning |
| 1. Student First Name | ✓ | ✓ | | | |
| 2. Student Last Name | ✓ | ✓ | | | |
| 3. Student FLEID | ✓ | ✓ | ✓ | ✓ | ✓ |
| 4. Student SISID | ✓ | ✓ | ✓ | ✓ | ✓ |
| 5. Parent First Name | ✓ | | | | |
| 6. Parent Last Name | ✓ | | | | |
| 7. Parent Mailing Address | ✓ | | | | |
| 8. Parent Email Address | ✓ | | | | |
| 9. Parent Phone Number | ✓ | | | | |

✓ and shading indicates what program needs the particular data field(s).

**Part 1: Industry-Standard Data**

| **List of Data Fields Requested for all above programs** |
|---|
| For ALTER-Math project: Student Math Nation User ID/Username if applicable |
| Student Date of Birth |
| Course |
| Teacher Name |
| Teacher Email Address |
| Teacher ID |
| Teacher Role |
| Teacher Job Title |
| Teacher Employment Status |
| Teacher Certification(s) & Endorsement(s) |
| Teacher Years in District |
| Teacher Highest Degree |
| ~~Student Free/Reduced Lunch Status~~ |
| Date Enrolled in Grade/Course with Teacher |
| Days Enrolled in Grade/Course with Teacher |
| Days Absent from Grade/Course with Teacher |
| EOC ELA/Math Scaled Score |

| |
|---|
| EOC ELA/Math Achievement Level |
| EOC ELA/Math Percentile Rank |
| (Approximate) Date of Administration for each Achievement Measure Provided |
| ELA/Math Course Grade |
| Student Attendance Actual (days attended in given quarter) |
| Student Attendance Expected (Days assigned in given quarter) |
| Student Tier Support Level 2 Flag |
| Student Tier Support Level 3 Flag |

| List of Data Fields that May be Requested if not Provided by FL Department of Education |
|---|
| Student District Number |
| Student District |
| Student School Number |
| Student School Name |
| Student Grade |
| Student Age |
| Student Sex |
| Student Race/Ethnicity |
| Student English Proficiency status |
| Parent Home Language |
| Student Exceptionality (Primary and Other) |
| Star Early Literacy/Reading/Math Scaled Score for PM1, PM2, PM3 |
| Star Early Literacy/Reading/Math Achievement Level for PM1, PM2, PM3 |
| Star Early Literacy/Reading/Math Percentile Rank for PM1, PM2, PM3 |
| FAST ELA/Math Scaled Score for PM1, PM2, PM3 |
| FAST ELA/Math Achievement Level for PM1, PM2, PM3 |
| FAST ELA/Math Percentile Rank for PM1, PM2, PM3 |

**Third-Party Data:**

Districts partnered with third-party services funded by the Lastinger Center agree to provide all relevant data generated by said third-party services to the Lastinger Center. This data may include, but is not limited to, tutoring sessions, third-party assessments, and other relevant educational activities. This data sharing is necessary for the evaluation and improvement of program effectiveness to comply with legislative mandates. The districts ensure that all necessary permissions and consents have been obtained to share this data in compliance with applicable laws and regulations.

**Part 2: Additional Data** (if applicable)

**Part 3: Excluded Data** (if applicable):

Notwithstanding the foregoing, the following information will not be transferred to Receiving Party:

## Exhibit "E" - Additional Rules or Restrictions (if applicable)

**NONE**

# Exhibit "F" - Data Narrative

**UF Lastinger Center's Need for Data Sharing**

UF Lastinger Center's professional learning products are built upon decades of research on how students prepare for Kindergarten, learn to read, and do mathematics across PK–12, the types of pedagogical practices that best support student learning, and best practices for how to engage adult learners in online and in-person learning contexts. UF Lastinger Center's professional learning provides job-embedded opportunities for educators to apply what they have learned directly in their current context, which translates into enhanced teaching and student learning for years to come.

Meticulously developed to ensure a high-quality professional learning environment, UF Lastinger Center's professional learning programs are designed to make a positive impact on both educators and students. We maximize our impact by engaging in continuous improvement and iterative refinement. We use two parallel pathways to continually enhance our professional learning offerings. First, we examine educators' participation data (e.g., completion rates, knowledge gains, reported self-efficacy, feedback, and satisfaction). These data are collected in our professional learning programs. Second, we examine the impact of our programs on students, with a keen focus on the context of their learning environments - classroom, school, and district. These secondary data are obtained through data sharing agreements between school districts, state entities, and UF Lastinger Center.

A clear understanding of impacts on teacher practice and student learning is beneficial for UF Lastinger Center as it allows us to tailor our professional learning to better serve the unique needs of each community. By agreeing to a data sharing agreement, school districts play a crucial role in this process, contributing to the enhancement of the learning experience for educators and students alike. Moreover, a comprehensive and accurate portfolio of data about teachers and students enables us to provide more meaningful reports to districts and schools. The reports provided by UF Lastinger Center describe district return on investment in teacher professional learning. Further, the reports describe how UF Lastinger Center's professional learning supports the work already happening in districts and schools to improve teaching effectiveness and student achievement in measurable ways. The information provided by UF Lastinger Center provides districts with a more detailed picture of teaching and learning environments, which can be used to make decisions about how to better support teachers and students to meet district goals.

**UF Lastinger Center's Need for Teacher Data**

UF Lastinger Center aims to fully understand the impacts of our state initiatives and professional learning programs so that we can provide clear, actionable insights to districts about teacher and student impacts. The analysis to understand these impacts requires a process whereby teachers who have participated in UF Lastinger Center professional learning are matched to comparison teachers who have not participated in UF Lastinger Center professional learning. Analyzing student data from a matched teacher sample allows us to understand whether our impacts are measurable and expected across similar contexts (e.g., by comparing "apples to apples"). This kind of comparison is vital as we create and enhance our professional learning programs to be responsive to district and school needs, while also being scalable to support educators across Florida. The process for selecting matched teachers would be fully described and agreed upon as part of the data sharing process. The data needed for matching is based upon known teacher and school demographic information, and typically includes constructs like teacher certification and pathway (e.g., alternative/traditional), years experience, grade/course, gender,

race/ethnicity, school grade, school FRL rate, school English Language Learner proportion, and school race/ethnicity makeup.

**UF Lastinger Center's Need for Student Data**

UF Lastinger Center ultimately aims to impact student learning in reading and mathematics through high-quality professional learning. Receiving student data to understand these impacts is vital. We request districts to provide student data that can be merged with educator data to understand whether students of teachers engaged in UF Lastinger Center professional learning have higher scores, make stronger gains, and meet benchmarks as compared to students of teachers not engaged in UF Lastinger Center professional learning.

We need data that reflects student performance and learning outcomes so that we can make sense about how UF Lastinger Center's professional learning programs are working for different types of students. Having the FLEID allows for longitudinal analyses to understand cumulative impacts on students as they move through the K-12 system. More precisely, we are requesting student-level data for the following purposes:

- **Personalized Improvement:** Student-level data allows for a more granular understanding of student performance connected to specific teachers participating in particular UF Lastinger Center programs. We can make sense of how differences in student outcomes are connected to specific ways teachers have learned from professional learning programs, and how their practice has changed. This is instrumental in tailoring and improving the course(s).
- **Promotion of State Initiatives:** Student-level data allows us to privately promote state initiatives to the families of eligible students who can benefit from participation in the New Worlds Reading Initiative and Florida Tutoring Advantage.
- **Impact Measurement:** Student-level data helps us measure the direct impact of professional learning on student outcomes, which is a powerful way to assess program effectiveness.
- **Identifying Patterns:** Student-level data can help identify patterns and trends in student performance across different classrooms, schools, or districts. These insights can guide systemic improvements and policy decisions.
- **Research and Development:** Student-level data can contribute to research efforts aimed at understanding effective teaching strategies and interventions, leading to the development of better teaching methods and tools.
- **Accountability and Transparency:** Student-level data promotes accountability and transparency by providing evidence of the impact of professional development programs, showing districts their return on investment.

For instance, careful analysis of student-level data from matched teachers will allow us to say things like this:

*When teachers have shown evidence of___ ways of being able to engage students in learning____ mathematics or reading, and when students have___ types of characteristics, students are able to make ___ types of gains in___ type of reading or mathematics. Therefore, it is important for teachers to be able to support students in____ specific types of ways of engaging in learning, and students with___ types of characteristics are going to need____ types of different supports so that___ student outcomes can be achieved.*

Relying solely on aggregated student data significantly limits our ability to make nuanced claims about the impact of our professional learning programs. For instance, if we only had access to aggregate data such as the proportion of students with specific characteristics (e.g., demographics, grades, attendance) or achievement levels on the FAST mathematics assessments, we would be unable to understand the individual experiences of students with the implementation of these programs.

With only aggregate data, we could make broad statements such as, "UF Lastinger Center professional learning programs work well when certain student and teacher characteristics are present." However, this overlooks the possibility that a specific type of student, who might be present in most classrooms, is not benefiting from the implementation as expected. Without individual-level data, we would not be aware of this issue and might mistakenly conclude that the impact was smaller than anticipated. Student-level data is essential to capture these nuances and drive meaningful improvements in our professional learning system.

**Data Security and Identity Confidentiality**

Data are stored in **dual-authenticated, password protected** files stored in UF-approved local or cloud storage locations. Per University of Florida policy, "electronic data should be saved on a device that has the appropriate security safeguards such as unique identification of authorized users, password protection, encryption, automated operating system patch (bug fix) management, anti-virus controls, firewall configuration, and scheduled and automatic backups to protect against data loss or theft." Only those who need access on the research team to conduct analysis will be granted access to the data. Any public reporting of findings in any form will keep the identities of participants, schools, and the district **confidential** through pseudonyms, vague language (e.g., a large school district in the southern US), and rounded demographic information so that identities may not be determined.

**Requested Data (see Exhibit "D")**

UF Lastinger Center is requesting student-level data for educators who engaged in UF Lastinger Center professional learning, as well as for student-level data from an anonymized matched sample of teachers as a comparison (see Exhibit "D") for the teacher's students the year prior to participation in our professional learning and the subsequent year to have better baseline and longitudinal measures of impact.

# EXHIBIT "G" - Disclosing Party's Privacy and Security Clauses

1. **Disclosing Party's Disclosure of Education Records.**

a) Disclosing Party staff will provide Receiving Party with the Personally Identifiable education records in this section for the following purposes:

(1) To evaluate the impact of Receiving Party's provider programs:

(a) New Worlds Reading
(b) Florida Tutoring Advantage
(c ) Early Learning Professional Learning
(d) Literacy Professional Leaming
(e) Math Professional Learning

(2) To report de-identified program outcome data to stakeholders and State of Florida agencies.

(3) To provide professional learning to Disclosing Party's staff.

b) Disclosing Party staff will provide Receiving Party with the following education records, via secure email.

(1) See **Exhibit D – Data**, for the specific types of education records disclosed for each program.

c) FERPA exceptions to consent.

(1) Information to Receiving Party for studies and evaluation:

(a) Studies Exception. 20 U.S.C. § 1232g(b)(l)(F) and 34 C.F.R. § 99.3 l (a)(6). This section of FERPA is meant to allow educational researchers to analyze data and provide results and/or analysis back to the Disclosing Party in order to improve instruction and improve educational outcomes. **See Exhibit C - Studies Exception.**

(2) To provide professional learning to Disclosing Party staff.

(a) School Official or Representative (or Outsourced Services) Exception. 34 C.F.R. § § 99 .3 l (a)( l) and 99.7(a)(3 )(iii). In which case the following applies "school official", or otherwise qualifies under the "studies exception", under FERPA and has a legitimate educational interest in personally identifiable information from education records because for purposes of this Agreement, Receiving Party: (i) provides a service or function for which the local educational agency ("LEA") would otherwise use employees; (ii)

is under the direct control of the LEA with respect to the use and maintenance of education records; and (iii) ) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from education records. **See Exhibit "B" - Services.**

d) The requirements of this section shall supersede any uses and disclosures of education records or the like as listed in Receiving Party's privacy policies if any.

**2. Receiving Party Safeguarding the Confidentiality of Education Records.**

a) Privacy. Notwithstanding any provision to the contrary within this Agreement, Receiving Party shall:

1) Fully comply with the requirements of Sections I002.22, I002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2) Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

3) Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell. distribute, target advertise, or display education records to any third party, in compliance with Section I006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494. Florida Statutes; and

4) Notify the Disclosing Party's Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

b) IT Security. Notwithstanding any provision to the contrary within this Agreement, Receiving Party shall:

1) Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to Disclosing Party upon request; and

2) Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

3) Notify the Disclosing Party's Director Information Security and Assurance immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

4) Fully cooperate with appropriate Disclosing Party employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

5) Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse Disclosing Party any direct costs incurred by Disclosing Party for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

6) Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

7) Provide Disclosing Party with the name and contact information of its employee who shall serve as Disclosing Party's primary security contact and shall be available to assist Disclosing Party in resolving obligations associated with a security breach of confidentiality of education records; and

8) Purge education records from any media once the media is no longer in use or is to be disposed; and

9) Return, at Disclosing Party's request, all education records to Disclosing Party (at no additional cost and in a format that is compatible with Disclosing Party's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide Disclosing Party with a written acknowledgment of said disposition. All education records remain the property of Disclosing Party, and any party contracting with Disclosing Party serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

c) Liability. Receiving Party shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless Disclosing Party and its officers and employees for any violation of this section, including, without limitation, defending Disclosing Party and its officers and employees against any complaint,

administrative or judicial proceeding, payment of any penalty imposed upon Disclosing Party, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon Disclosing Party arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

d) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

3. **Disclosure of Disclosing Party's Employee Records**.

a) Disclosing Party staff will provide Receiving Party with the Personally Identifiable employee records in this section for the following purposes:

1) For Receiving Party to provide professional development to Disclosing Party staff for the programs listed below. Disclosing Party will have separate written Agreements for each of the following:

(a) New Worlds Reading
(b) Florida Tutoring Advantage
(c) Early Leaming Professional Leaming
(d) Literacy Professional Leaming
(e) Math Professional Leaming

2) To evaluate Receiving Party's programs, and report **de-identified** program outcome data to Disclosing Party staff.

(a) Disclosing Party staff will provide Receiving Party with the following employee records, via secure email. See **Exhibit D - Data** for the specific types of employee records disclosed for each program.

b) The requirements of this section shall supersede any uses and disclosures of employee records or the like as listed in Receiving Party's privacy policies if any.

4. **Receiving Party Safeguarding the Confidentiality of Disclosing Party's Employee Records.**

a) Privacy. Notwithstanding any provision to the contrary within this Agreement. Receiving Party shall:

1) Fully comply with the requirements of state or federal law or regulation regarding the confidentiality of employee records; and

2) Hold the employee records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law; and

3) Only share employee records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement; and

4) Notify the Disclosing Party's Privacy Officer immediately upon discovery of a hard copy breach of confidentiality or employee records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

b) IT Security. Notwithstanding any provision to the contrary within this Agreement. Receiving Party shall:

1) Protect employee records through administrative, physical, and technological safeguards to ensure adequate controls are in place to protect the employee's records and information; and

2) Notify the Disclosing Party's IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of employee records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to those required by Section 501.171. Florida Statutes; and

3) Prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse Disclosing Party any direct costs incurred by Disclosing Party for doing so; and

4) Be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law.

c) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

5. **Receiving Party's Re-Disclosure of Disclosing Party's Education Records**.

1. Receiving Party will re-disclose the following education records to Littera (subprocessor) to ensure student eligibility, matching to service, tracking student progress, and data cleaning:

(a) Student First Name
(b) Student Last Name
(c) Student date of birth
(d) Florida Education Identifier (FLEID)
(e) Student Information System Identification (SISID)
(f) District Number

(g) District Name
(h) School Number
(i) School Name

6. **Third Party Safeguarding the Confidentiality of Education Records**. For any and all education records and employee records that Receiving Party rediscloses to any and all entities with which it contracts or utilizes ("third parties") pursuant to the terms of this Agreement, Receiving Party shall ensure that those third parties comply with the terms of this Agreement, including but not limited to the safeguarding requirements of this Agreement. Receiving Party shall take any and all responsibility for the negligent act(s) or omissions of any and all third parties that it utilizes to comply with the terms of this Agreement.

7. **Receiving Party's Re-Disclosure of Disclosing Party's Employee Records**. Receiving Party will re-disclose the employee records listed in this Agreement to Littera (subprocessor) to ensure accurate student and teacher matching is associated with the subject area students are receiving tutoring in.

8. **Third Party Safeguarding the Confidentiality of Employee Records**. For any and all employee records that Receiving Party rediscloses to any and all entities with which it contracts or utilizes ("third parties") pursuant to the terms of this Agreement, Receiving Party shall ensure that those third parties comply with the terms of this Agreement, including but not limited to the safeguarding requirements of this Agreement. Receiving Party shall take any and all responsibility for the negligent act(s) or omissions of any and all third parties that it utilizes to comply with the terms of this Agreement.

**EXECUTIVE SUMMARY**

Explore a Salary Step Schedule for Education Professionals

**Board Meeting Date: March 10, 2026**

**Requested Action:** Direct the Superintendent to Explore a Salary Step Schedule for Education Professionals. The Superintendent shall present findings and recommendations to The School Board of Broward County, Florida (SBBC) by July 31, 2026.

**School Board Policy Requirement/Authority:** N/A

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-wide (Hixon)

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** SBBC directs the Superintendent to explore the development of a structured teacher salary step schedule and to provide a report to SBBC outlining potential models, fiscal impact, and implementation options for consideration in future budget planning.

**- If the School Board votes "No":** SBBC does not direct the Superintendent to explore the development of a structured teacher salary step schedule and to provide a report to SBBC outlining potential models, fiscal impact, and implementation options for consideration in future budget planning. Teachers will continue to receive compensation using the current methodology.

**Background/History:**

SBBC previously utilized a salary step schedule that provided educators with a predictable pathway for salary increases based on years of service and experience. This structure allowed teachers to clearly understand when they could expect increases in compensation throughout their careers.

Over time, changes to compensation structures at the state level and local negotiations have resulted in the removal of a traditional step schedule. While adjustments and negotiated increases have occurred, many educators no longer have a clear or predictable timeline for when salary increases may occur.

A structured step system provides transparency and predictability for teachers, allowing them to plan for their professional and financial future. It also supports recruitment and retention by demonstrating a clear commitment to rewarding experience and continued service to the District.

As SBBC continues to address long-term financial planning and teacher retention, it is important to explore whether a modernized salary step framework could be developed that aligns with state requirements, collective bargaining agreements, and the District's fiscal realities.

**This agenda item directs the Superintendent to:**

- Review the District's historical teacher salary step schedule and compensation structure.
- Examine compensation models used by other large Florida school Districts that maintain step schedules or similar salary progression frameworks.
- Evaluate how a structured salary step schedule could support teacher recruitment, retention, and career longevity in Broward County Public Schools.
- Analyze the fiscal impact and long-term budget considerations associated with implementing a step schedule.
- Identify potential models that provide educators with a predictable timeline for salary increases while maintaining budget sustainability.
- Provide recommendations and potential implementation strategies that could be incorporated into future collective bargaining discussions.

**Alignment to 2027 Goals and Guardrails:** Business Operations

**Measurable Outcome(s)/Return on Investment:** N/A

**Financial Impact, Funding Source & Budget Status:** There is no immediate fiscal impact associated with this direction. Any financial implications related to implementing a salary step schedule will be identified as part of the Superintendent's report.

**EXECUTIVE SUMMARY**

Final Order on Broward County School Board vs. Ryan Reidy

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the Final Order adopting the Recommended Order entered on January 27, 2026, by Brittany O. Finkbeiner, Administrative Law Judge, in the matter of Broward County School Board vs. Ryon Reidy, Case No. 25-2811TTS, in the State of Florida Division of Administrative Hearings.

**School Board Policy Requirement/Authority:** F.S. Chapter 120.

**Statutory Requirement/Authority:** F.S.§§ 1001.51, 1006.07 (6) (f), 1012.27(5), and 1012.33

**District-zone Impact:** District 4

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The School Board approves the Recommended Order in its entirety, terminating Ryan Reidy.
**- If the School Board votes "No":** N/A. The School Board must take final agency action by rendering a Final Order.

**Background/History**

During the 2024-2025 school year, Ryan Reidy ("Reidy") breached campus security protocols on four (4) separate occasions in August when he let a colleague into the campus through an exterior door instead of using the designated single point of entry.

On or around August 15, 2024, he again violated safety rules by allowing a student access via an exterior door, by passing the required entry point.

On August 20th and 21st, 2024, Reidy also compromised security by propping open an exterior door and leaving it unattended. He left his classroom door propped open as well, with students inside but unsupervised.

Furthermore, Reidy falsified attendance records on four (4) occasions by signing in twice—once for himself and once for a colleague who was not present on campus.

The Administrative Complaint was served on Reidy recommending termination, and he timely requested a hearing. The School Board approved the recommendation, and the matter was transferred to the Division of Administrative Hearings ("DOAH") to assign an Administrative Law Judge ("ALJ") to conduct the final hearing challenging the School Board's termination. The DOAH hearing was held on November 18, 2025, the ALJ entered a Recommended Order dismissing Reidy from employment.

**Alignment to 2027 Goals and Guardrails:** Business Operation

**Measurable Outcome(s)/Return on Investment:** N/A

**Financial Impact, Funding Source & Budget Status:** There is no financial impact to the District.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

BROWARD COUNTY SCHOOL BOARD,

Petitioner,

DOAH CASE NO.: 25-2811TTS

RSBM Agenda: 03/10/2026-C-1

v.

RYAN REIDY,

Respondent.
_____/

**FINAL ORDER**

THIS CAUSE came before THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA ("School Board") regarding the hearing conducted on November 18. 2025, by the Division of Administrative Hearings to consider adoption of the Recommended Order entered on January 27, 2026, by Brittany O. Finkbeiner, Administrative Law Judge (ALJ) of the State of Florida Division of Administrative Hearings.

IT IS THEREUPON ADJUDGED that:

1. No party filed exceptions
2. The SCHOOL BOARD adopts the Recommend Order in its entirety, which is incorporated herein by reference. See Recommended Order attached hereto as Exhibit "A").
3. The SCHOOL BOARD hereby terminates Respondent RYAN REIDY from his employment as a teacher.
4. DONE AND ORDERED in Fort Lauderdale, Broward County, Florida, this _____ day of _____, 2026.

BROWARD COUNTY SCHOOL BOARD,

Petitioner,

vs. Case No. 25-2811TTS

RYAN REIDY,

Respondent.
_____/

## RECOMMENDED ORDER

Administrative Law Judge Brittany O. Finkbeiner conducted the final hearing in this case for the Division of Administrative Hearings ("DOAH") on November 18, 2025, by Zoom conference.

## APPEARANCES

For Petitioner: Ayla Arshad, Esquire
Denise Marie Heekin, Esquire
Bryant Miller Olive, P.A.
1 Southeast 3rd Avenue, Suite 2200
Miami, Florida 33131

For Respondent: Robert F. McKee, Esquire
Robert F. McKee, P.A.
1401 22nd Avenue
Tampa, Florida 33605

## STATEMENT OF THE ISSUES

Whether Petitioner, Broward County School Board ("Petitioner" or "School Board"), proved, by a preponderance of the evidence, charges of Misconduct in Office; Incompetency; and Gross Insubordination against Respondent, Ryan Reidy ("Respondent"); and if so, what penalty is proper.

Exhibit "A"

## PRELIMINARY STATEMENT

In an Administrative Complaint, dated on April 15, 2025, Petitioner charged Respondent with Misconduct in Office; Incompetency; and Gross Insubordination. Petitioner seeks to terminate Respondent's employment based on the charges. Respondent requested an administrative hearing to dispute Petitioner's recommended penalty. The final hearing took place on November 18, 2025.

At the hearing, Petitioner offered the testimony of Dr. Claire Norris ("Dr. Norris"); Beatriz Miranda ("Ms. Miranda"); Christine Clock; Tiffany Barnett ("Ms. Barnett"); Rachel Greenhawt; Vanessa Cannon; and David Azzarito ("Mr. Azzarito"). Petitioner's Exhibits 1 through 25 and 27 through 36 were admitted into evidence. Respondent testified on his own behalf and did not introduce any exhibits. A Transcript of the final hearing was filed at DOAH on December 8, 2025. Both parties submitted proposed recommended orders, which have been duly considered in this Recommended Order.

All references to the Florida Statutes are to the 2024 version, which was in effect at the time of the matters relevant to these proceedings.

## FINDINGS OF FACT

1. Petitioner is a duly-constituted district school board.

2. At all times relevant to this proceeding, Respondent was a teacher employed by Petitioner, teaching seventh-grade science at Forest Glen Middle School ("Forest Glen").

3. For the 2024–2025 school year, teachers reported to work August 5 through 9, 2024, for their pre-planning week. Students began school on August 12, 2024.

4. On August 2, 2024, Dr. Norris, the principle at Forest Glen, emailed a pre-planning week agenda and information outlining expectations and logistics for the upcoming school year. Dr. Norris sent the email through an automated Forest Glen mailing list, which included all school staff.

5. The agenda for pre-planning week included the following meetings on August 5, 2024: Welcome Back Breakfast (8:00 a.m.); Department Meetings (10:05-11:25 a.m.); Grade Level Meetings (12:35-1:35 p.m.); and Safety, Professional Expectations, and First Day Overview Meeting ("Safety Meeting") (1:45-3:30).

6. Ms. Miranda, the office manager at Forest Glen, was in charge of monitoring meeting attendance as well as organizing and distributing materials to staff during the pre-planning week.

7. Around 8:30 a.m. on August 5, 2024, Ms. Miranda noticed that Respondent was not present for the Welcome Back Breakfast. Ms. Miranda texted Respondent at 8:32 to ask if he planned to attend. Respondent answered that he was on campus and would report to the meeting soon. Ms. Miranda distributed folders of materials to the teachers as they signed in, which included required acknowledgements to be returned. Respondent did eventually report to the meeting—his name appeared on the sign-in sheet, and Ms. Miranda credibly testified that she saw Respondent there and that he received his folder, signed out his keys, and returned the required forms.

8. Among the materials that Ms. Miranda distributed and collected once complete was an acknowledgement form of receipt of the faculty and staff handbook and ethics materials. The form, as signed and completed by Respondent, states:

> I, Ryan Reidy, have received a copy and have been oriented to the following documents:

> 1. The Code of Ethics, The Principals of Professional Conduct and the Standards of Competent Professional Performance.
>
> 2. Forest Glen Middle School Employee Handbook online. I understand that I am accountable for the information included therein.
>
> * * *
>
> My signature is acknowledgement that I have received the aforementioned forms electronically and that the Forest Glen Administration reviewed said materials and forms with me. I understand that I am accountable for the information contained therein.

9. The Forest Glen Handbook says: "During class changes, classroom teachers must stand in the doorway and actively supervise the hallways."

10. Ms. Barnett is an assistant principal at Forest Glen, with supervisory responsibility over seventh-grade teachers. During pre-planning week, she informed staff of safety and security procedures and applicable state laws during both grade-level meetings and the school-wide Safety Meeting. In the grade-level meeting, Ms. Barnett discussed recent statutory changes, including requirements that interior and exterior doors remain closed and locked, and that violations could result in disciplinary action.

11. Ms. Barnett identified the attendance sheet from the grade level meeting, which bears Respondent's initials. Additionally, Ms. Barnett recalled that she personally saw Respondent at the meeting. The sign-in sheet for the Safety Meeting also reflects Respondent's attendance.

12. As staff entered the Safety Meeting, they were handed a copy Forest Glen's safety handbook. Respondent signed a form that reads, in all capital letters, "I ACKNOWLEDGE RECEIPT OF FOREST GLEN MIDDLE SCHOOL'S 2024-2025 SAFETY HANDBOOK. I AM RESPONSIBLE FOR THE INFORMATION CONTAINED WITHIN."

13. A PowerPoint presentation used at the Safety Meeting opens with the first slide alerting teachers that they are required to use a single point of entry to the school. The same presentation includes a subsequent slide with the word "MANDATORY" at the top in all capital letters. The slide explains that it is a legal requirement that all interior and exterior doors be locked at all times, that violations will be reported, and may result in discipline.

14. Ms. Barnett sent an email to all Forest Glen staff on August 14, 2024, to reinforce the importance of keeping campus doors secure. The email includes an attachment of the legislation requiring that doors be locked, leaving no doubt for recipients that the new requirements have the force of law.

15. Forest Glen staff reviewed surveillance camera footage, prompted by certain individuals failing to appear on camera at the designated single point of entry. Respondent does not dispute that he is the person appearing in the video clips described below.

16. Respondent first appeared in a video dated August 7, 2024, opening the bus loop doors to allow another teacher to enter. These particular doors lead directly to the bus loop and main parking lot—they are considered exterior doors because there is no fencing separating them from campus. The bus loop doors remain locked and automatically lock from the outside to prevent reentry.

17. On August 15, 2024, Respondent appears on camera again opening the bus loop doors for the same colleague, this time accompanied by her son, a Forest Glen student.

18. On August 20, 2024, Respondent was filmed pushing a cart out of the bus loop doors, propping one of the doors open to keep it from automatically locking, then reentering a few minutes later. He also opened the doors again for his colleague on August 21, 2024.

19. On August 21, 2024, Respondent intermittently wandered outside the line of sight of his classroom door while students were transitioning to first period between 9:14 a.m. and 9:19 a.m.

20. Respondent testified that he understood the school had a "single point of entry," but claimed he did not know the specific requirements of the rule. Incredibly, Respondent denied any personal responsibility for understanding and following safety requirements, despite numerous documented occasions where the information was provided and emphasized as important. Respondent even denied attending one of the pre-planning meetings, although his name appeared on the sign-in sheet without an alternate explanation, and credible eyewitness accounts of his presence. Throughout his testimony, Respondent was dishonest, defensive, and completely devoid of accountability.

21. Mr. Azzarito was the chief of human relations for Forest Glen during the 2024-2025 school year. He determined that Respondent's conduct violated School Board Policy 4.9, which carries a permissible range of punishment between reprimand to dismissal. Mr. Azzarito found that dismissal was the appropriate penalty based on the nature of the offenses and the discipline imposed in similar circumstances. Further, Mr. Azzarito provided context in his testimony explaining why keeping exterior doors secured is a fundamental part of protecting students. He testified that, given what schools have experienced in the past and the heightened focus on campus safety, staff are trained to treat even small lapses as serious concerns. He emphasized that safety is reinforced daily through training and reminders, and that everyone is expected to always follow procedures because even something that seems minor, like an unsecured door, can create a preventable risk for students.

Ultimate Facts

22. Respondent's conduct of leaving the line of sight of his classroom door during transitions and repeatedly misusing exterior doors constitutes Misconduct in Office; Incompetency; and Gross Insubordination, with the exception of August 7, 2024, when students had not yet returned to campus.

## CONCLUSIONS OF LAW

23. DOAH has jurisdiction over the parties and subject matter of this proceeding pursuant to sections 120.569, 120.57(1), and 1012.33(6)(a)2., Florida Statutes.

24. Petitioner is responsible for the operation, control, administration, and supervision of all free public schools within the district. Art. IX, § 4(b), Fla. Const.; §§ 1001.30 and 1001.32, Fla. Stat. Petitioner's powers and duties include providing for the suspension and dismissal of employees. § 1012.22(1)(a) and (f), Fla. Stat.

25. Petitioner bears the burden of proving its charges against Respondent by a preponderance, or greater weight, of the evidence. *See McNeil v. Pinellas Cnty. Sch. Bd.*, 678 So. 2d 476, 477 (Fla. 2d DCA 1996).

26. Section 1012.33(6)(a) states that, "[a]ny member of the instructional staff … may be suspended or dismissed at any time during the term of the contract for just cause as provided in paragraph (1)(a)."

27. Florida Administrative Code Rule 6A-5.056(2) defines misconduct in office as one or more of the following:

> (a) A violation of the Code of Ethics of the Education Profession in Florida adopted in Rule 6A-10.080, F. A. C;
>
> (b) A violation of the Principles of Professional conduct for the Education Profession adopted in Rule 6A-10.081, F. A. C.;
>
> (c) A violation of the adopted school board rules;

(d) Behavior that disrupts the student's learning environment; or

(e) Behavior that reduces the teacher's ability or his or her colleagues' ability to effectively perform duties.

28. Rule 6A-5.056(3) defines "incompetency" as "the inability, failure or lack of fitness to discharge the required duty as a result of inefficiency or incapacity." "Inefficiency" means one or more of the following:

1. Failure to perform duties prescribed by law;

29. Rule 6A-5.056(4) defines gross insubordination as "the intentional refusal to obey a direct order, reasonable in nature, and given by and with proper authority; misfeasance, or malfeasance as to involve failure in the performance of the required duties."

30. Florida Administrative Code Rule 6A-10.081, Principles of Professional Conduct for the Education Profession in Florida states, in relevant part:

(1) Florida educators shall be guided by the following ethical principles:

(a) The educator values the worth and dignity of every person, the pursuit of truth, devotion to excellence, acquisition of knowledge, and the nurture of democratic citizenship. Essential to the achievement of these standards are the freedom to learn and to teach and the guarantee of equal opportunity for all.

(b) The educator's primary professional concern will always be for the student and for the development of the student's potential. The educator will therefore strive for professional growth and will seek to exercise the best professional judgment and integrity.

(c) Aware of the importance of maintaining the respect and confidence of one's colleagues, of

> students, of parents, and of other members of the community, the educator strives to achieve and sustain the highest degree of ethical conduct.
>
> * * *
>
> (2)(a) Obligation to the student requires that the individual:
>
> 1. Shall make reasonable effort to protect the student from conditions harmful to learning and/or to the student's mental and/or physical health and/or safety.

31. Section 1012.01(2) classifies Respondent as "instructional personnel."

32. School Board Policy 4008(B) requires that members of the instructional staff perform the following:

> 1. Comply with the Code of Ethics and the Principles of Professional Conduct.
>
> * * *
>
> 8. Conform to all rules and regulations that may be prescribed by the State Board and by the School Board.

33. In the opening sentence of section 1006.07, Florida Statutes, the Florida Legislature clearly states the policy objectives that give context to the provisions that follow. The introductory sentence states: "The district school board shall provide for the proper accounting for all students, for the attendance and control of students at school, and for proper attention to health safety, and other matters relating to the welfare of students[.]"

34. Section 1006.07(6) states, in pertinent part:

> SAFETY AND SECURITY BEST PRACTICES.—Each district school superintendent shall establish policies and procedures for the prevention of violence on school grounds
>
> * * *

> (f) School safety requirements.—Each school district and charter school governing board shall comply with the following school safety requirements, which apply from 30 minutes before the school start time until 30 minutes after the end of the school day:
> 1. All gates or other access points that restrict ingress to or egress from the exclusive zone of a school campus shall remain closed and locked when students are on campus. For the purposes of this section, the term "exclusive zone" means the area within a gate or door allowing access to the interior perimeter of a school campus beyond a single point of entry.
>
> * * *
>
> 2.a. All school classrooms and other instructional spaces must be locked to prevent ingress when occupied by students, except between class periods when students are moving between classrooms or other instructional spaces. If a classroom or other instructional space door must be left unlocked or open for any reason other than between class periods when students are moving between classrooms or other instructional spaces, the door must be actively staffed by a person standing or seated at the door.
>
> * * *
>
> (g) Progressive discipline policy.—Each district school board and charter school governing board shall adopt a progressive discipline policy for addressing any instructional personnel as defined in s. 1012.01(2) and any administrative personnel as defined in s. 1012.01(3) who knowingly violate school safety requirements.

35. Respondent argues that section 1006.07(6) is inapplicable to the facts of this case because it is a directive to school districts, not individual teachers. The actions directed to the school board, however, carry a concomitant enforcement element that can only be accomplished by requiring individual employees to adhere to the statutory requirements. The school district is required to "establish policies and procedures" in line with the

statutory best practices, which Petitioner did. A school board is not an anthropomorphic entity that can "comply with the following school safety requirements" except through the individuals in its employ. Further, the Florida Legislature clarifies that it contemplates individual accountability by including a provision for adopting a progressive discipline policy for "instructional personnel … who knowingly violate school safety requirements."

36. Respondent's knowledge of the safety requirements is clearly established. Viewing the record evidence in the most favorable light, Respondent was either willfully ignorant, or blatantly lying. Where Respondent's mindset falls within that spectrum, however, is immaterial to the outcome of this case. Actual notice can be implied, which includes "notice inferred from the fact that the person had means of knowledge, which it was his duty to use and which he did not use[.]" *Sapp v. Warner,* 105 Fla. 245, 255, 141 So. 124, 127 (Fla. 1932). Respondent "has no right to shut his eyes or ears to avoid information, and then say that he has no notice … it will not suffice the law to remain willfully ignorant of a thing readily ascertainable[.]" *Id.* Respondent's claim of ignorance is further dismantled by that fact that he acknowledged in writing that he understood his responsibility to know and follow the rules.

37. School Board Policy 4.9, Section II, provides, in relevant part, that the following are "Category B" offenses, for which the recommended range of discipline is Reprimand/Dismissal:

> (m) Any violation of The Code of Ethics of the Education Professional in the State of Florida – State Board of Education Administrative Rule[.]
>
> * * *
>
> (r) Failure to comply with School Board policy, state law, or appropriate contractual agreements[.]

38. The record evidence substantiates, by a preponderance of the evidence, that Respondent committed offenses proscribed by School Board Policy 4.9, Section II, (m) and (r).

39. Deference is due school boards' judgment regarding their own personnel decisions. "Courts have little room to define what constitutes 'more severe acts of misconduct' as against those responsible for running the county's schools." *Quiller v. Duval Cnty. Sch. Bd.*, 171 So. 3d 745, 747 (Fla. 1st DCA 2015) *(*citing *Dep't of Prof. Regul. v. Bernal,* 531 So.2d 967, 968 (Fla. 1988) (giving great discretion to boards to determine discipline)). Courts should "not substitute their judgment 'if valid reasons for the board's order exist in the record and reference is made thereto.'" *Id*.

40. The record supports Petitioner's determination that dismissal is the appropriate penalty.

## RECOMMENDATION

Based on the foregoing Findings of Fact and Conclusions of Law, it is Recommended that the Broward County School Board, enter a final order dismissing Respondent from employment.

DONE AND ENTERED this 27th day of January, 2026, in Tallahassee, Leon County, Florida.

Case No. 25-2811TTS

**EXECUTIVE SUMMARY**

**Surplus of Tangible Personal Property**

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve the Surplus of Tangible Personal Property for the Period Ended January 31, 2026.

**School Board Policy Requirement/Authority:** Policy 3204: Property Accountability and Responsibility.

**Statutory Requirement/Authority:** Florida Statute 274.07.

**District-zone Impact:** District-wide.

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The District will be following statutory requirements per Florida Statute 274.07.
**- If the School Board votes "No":** The District will continue to carry obsolete Tangible Personal Property in the District's financial records and the District will be out of compliance with statutory requirements per Florida Statute 274.07.

**Background/History**
The surpluses of tangible personal property shall be submitted to the Board pursuant to Florida Statute 274.07, which requires "the disposal of property shall be recorded in the minutes of the governmental unit." This item includes a Surplus of Tangible Personal Property for the period ended January 31, 2026, with a net book value of $2,218.38. The net book value is an accounting term used to describe the cost of an asset, less accumulated depreciation, or amortization. Items recommended for a surplus are reviewed and approved by the Surplus Committee. All items will be disposed of as prescribed by law.

**Alignment to 2027 Goals and Guardrails:** Business Operations.

**Measurable Outcome(s)/Return on Investment:**
There is no Return on Investment since these items have zero and/or minimal book value and in most cases exceeded their useful life. Per Florida Statute 274.07, proper and timely disposition of the District's surplus of Tangible Personal

Property is required.

**Financial Impact, Funding Source & Budget Status:**

- There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|

**EXECUTIVE SUMMARY**

**Budget Report for the Period Ended January 31, 2026**

---

**Board Meeting Date: March 10, 2026**

**Requested Action:**
Approve the Budget Report for the period ended January 31, 2026.

**School Board Policy Requirement/Authority:**
This item is not specifically required by School Board Policy but is statutorily required as described below. Regular monthly financial reporting supports the Board's fiscal oversight responsibilities and compliance with the District's financial management and fund balance policies.

**Statutory Requirement/Authority:**
This item is required in accordance with Section 1011.06(2), Florida Statutes, which requires monthly statements to be submitted to the School Board showing the revenues, expenditures, and balances of the various funds of the District.

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The Board will approve the Budget Report for the period ended January 31, 2026. Approval ensures continued transparency and compliance with statutory financial reporting requirements, providing a complete record of revenues earned, expenditures incurred, and fund balances by major fund type. These reports allow the Board and administration to monitor fiscal trends, evaluate budget performance, and make informed financial decisions.
**- If the School Board votes "No":** The Board will not approve the Budget Report for the period ended January 31, 2026. Failure to approve the report could delay public transparency of the District's financial position, interrupt required monitoring of fund balances and spending patterns, and risk non-compliance with Section 1011.06(2), Florida Statutes. It may also hinder the timely submission of financial documentation used to inform future budget amendments, year-end projections, and required state reporting.

**Background/History**
The FY 2025-26 budgets were adopted by the School Board on September 9, 2025. Following budget adoption, amendments are processed as necessary to reflect changes in revenues, expenditures, and funding allocations and are reported to the Board through monthly financial reports.

The attached Budget Report presents the adopted and amended budgets compared to actual revenues earned and expenditures incurred through January 31, 2026, and provides a point-in-time snapshot of the District's financial position.

All financial activity is recorded in accordance with applicable accounting standards and is subject to annual independent external audit. When applicable, the report reflects budget amendments resulting from changes in funding sources, program needs, or operational requirements.

**Alignment to 2027 Goals and Guardrails:**
Business Operations

**Measurable Outcome(s)/Return on Investment:**
Provides timely financial transparency, supports statutory compliance, and enables ongoing oversight of budget implementation, fund balance levels, and long-term financial sustainability in alignment with the District's Strategic Plan.

**Financial Impact, Funding Source & Budget Status:**
This item is informational in nature and does not authorize additional spending. The Budget Report reflects revenues earned and expenditures incurred through January 31, 2026, across all major District funds.

Based on financial activity recorded to date and approved budget amendments reflected in this report, the District is projecting a reduction in the General Fund's fund balance for FY 2025-26. This projected reduction reflects current enrollment trends, revenue adjustments, and expenditure pressures within the fiscal year. These financial pressures are structural in nature rather than temporary and require continued alignment of staffing and expenditure levels with enrollment trends.

To preserve fiscal stability and ensure compliance with the State's minimum 3 percent General Fund fund balance requirement, the District has implemented a hiring freeze and travel freeze and continues to review expenditure controls. In addition, the School Board approved the closure and consolidation of six schools, effective next school year, to better align facility utilization and operating costs with enrollment levels.

While current projections indicate the District will remain above the State's 3 percent minimum requirement at fiscal year-end, the available margin is limited. District leadership will continue to monitor revenue collections, spending patterns, and fund balance levels and will provide the School Board with updates through future budget reports.

As discussed during the February 17, 2026 School Board Workshop, the FEFP Third Calculation reflects updated enrollment-based funding reductions. Those reductions are incorporated into the January 31, 2026 Budget Report and are reflected in the District's projected revenues and fund balance levels.

**Multi-year agreement: Yes / No**

No. This item reflects financial activity for the current fiscal year and does not involve any contractual agreements.

**Procurement Method:**
The Budget Report is informational and does not require procurement actions or vendor selection.

**Impact on Schools:**
This Budget Report supports the School Board's oversight of financial resources used to support schools and provides early insight into expenditure and funding trends that may affect school operations later in the fiscal year.

**If there is an impact on schools, how will schools be selected/prioritized:**
This Budget Report is districtwide in nature and does not involve the selection or prioritization of individual schools. The report provides an overall financial perspective to support equitable resource management across all schools.

**Stakeholder Engagement/ End-User Input:**
This item is a statutory monthly Budget Report based on budget and accounting records and does not involve discretionary decisions that would require stakeholder or end-user input.

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:**
The Budget Report reflects capital fund activity but does not authorize new technology, equipment, or facility expenditures.

**Additional Backup:**
The January 2026 Budget Report is attached and includes both summary and detailed financial statements for the General Fund, Referendum Fund, Debt Service, Capital Projects, and Special Revenue funds, including Food Service, Grants, and Miscellaneous funds.

The report provides:

- Adopted and amended budgets through January 31, 2026;
- Year-to-date revenues and expenditures by object and function;
- Fund balance analysis reflecting projected year-end positions; and
- Explanatory notes describing significant changes or variances.

This report provides a cumulative record of District financial activity for the fiscal year to date and supports ongoing School Board oversight of revenues, expenditures, and fund balances in accordance with statutory requirements and internal fiscal controls. Monthly budget reporting continues throughout the fiscal year and culminates with the Superintendent's Annual Financial Report (SAFR) following year-end close.

# BROWARD COUNTY

## PUBLIC SCHOOLS

# BUDGET REPORT

**For the Period Ended January 31, 2026**

**Prepared by Financial Management**

Florida law requires district school boards to maintain continuous oversight of their financial condition, including regular review of budget amendments and financial statements pursuant to Section 1011.06, Florida Statutes. The monthly budget report serves as the Board's primary vehicle for fulfilling this responsibility.

As presented during the February 17, 2026, School Board Workshop, the District's current projection for the combined Assigned and Unassigned General Fund fund balance is approximately 3.08 percent at fiscal year-end. This projection serves as the primary benchmark for monitoring compliance with the State's minimum 3 percent requirement.

The statutory monthly report format presents revenues, expenditures, and fund balance in accordance with State reporting requirements and does not reflect the full year-end reconciliation discussed at the workshop. However, the financial activity reflected in this January 31, 2026, report incorporates the same revenue and expenditure adjustments underlying that projection.

**General Fund Balance Requirements**

For purposes of state compliance, the General Fund balance is measured using the combined Assigned and Unassigned portions of fund balance. Florida law requires each school district to maintain a minimum year-end available fund balance equal to 3 percent of General Fund revenues in order to avoid initiation of a financial emergency review by the State.

It is important to emphasize that the State's compliance determination is based solely on the year-end available fund balance. Mid-year balances fluctuate as revenues and expenditures are recorded at different points in the fiscal cycle—for example, the majority of local property tax revenue is received in December, temporarily increasing the mid-year balance. Such fluctuations are expected and do not factor into the State's compliance assessment.

**General Fund Overview**

The January report reflects updated revenue and expenditure projections through January 31, 2026, including the impact of the FEFP Third Calculation based on enrollment data. The District continues to project a reduction in the General Fund's fund balance for FY 2025-26, driven by structural enrollment trends and associated reductions in State funding.

While projections indicate the District will remain above the State's minimum requirement at year-end, the margin above that threshold remains limited. In response, the District has implemented a hiring freeze and travel freeze and continues to align staffing and operating levels with enrollment trends to preserve fiscal stability.

**Referendum Fund Amendment Highlights**

The Referendum Fund amendment reflects:

- A $6.7 million reduction related to the statutory collection fee retained by the Broward County Tax Collector's Office for ad valorem referendum revenues; and
- A $2.4 million redistribution resulting from updated enrollment data under the FEFP Third Calculation, revising the proportional allocation between traditional and charter schools.

These adjustments ensure that referendum revenues and appropriations remain aligned with updated revenue collections and enrollment-based distribution formulas.

**General Fund Amendment Highlights**

The General Fund amendment incorporates:

- A net reduction of approximately $27.3 million to traditional school revenues associated with the FEFP Third Calculation and updated enrollment data;
- An adjustment of approximately $7.9 million to charter school pass-through funding based on revised State calculations;
- An appropriation of approximately $8.0 million to support the turnkey substitute teacher solution; and
- The recognition of approximately $1.6 million in prior-year carryover balances.

Collectively, these amendments align the adopted budget with updated State funding calculations and operational requirements and contribute to the projected reduction in the General Fund's fund balance for FY 2025-26.

**Capital Projects Fund Amendment Highlights**

The Capital Projects Fund amendment reflects updated Local Capital Improvement Funds (LCIF) allocations related to State-mandated charter school funding. While total capital revenues remain unchanged, the allocation between district-managed projects and charter pass-through funding has been updated to reflect revised State calculations.

As of the January 10 Regular School Board Meeting, the Capital Fund Reserve balance was $62,995,447.

**Summary and Transition to Detailed Reports**

The detailed reports that follow present fund-by-fund revenue, appropriation, and fund balance activity, along with the specific amendments requiring Board approval. Together, these reports provide the transparency necessary for the School Board to exercise its statutory fiscal oversight responsibilities and ensure continued alignment between the District's financial plan and current revenue and enrollment conditions.

**NOTES:**

[1] Charter school funding is excluded as pass-through funding. This amount includes both Capital Projects Fund Transfers to the General Fund for charter schools ($32M) as well as FEFP.

[2] The TAN Loan, or Tax Anticipation Note, is a short-term borrowing used to address cash flow needs.

**NOTES:**

[1] Charter schools funding is excluded as pass-through funding. This amount includes both State funding transferred to the General Fund ($32M) and Local Tax Funding ($26M) expensed directly.

[2] The capital fund balance is fully committed to the completion of capital projects. The fund balance also includes capital reserves.

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
**BUDGET AMENDMENTS as of JANUARY 31, 2026**
**FOR FISCAL YEAR 2025-26**
**AMENDED FUNDS**

Revenue - Capital Projects Funds

| **CAPITAL PROJECTS FUNDS BUDGET AMENDMENT #2** | | Notes | District | Charter | Total |
|---|---|---|---|---|---|
| Local Sources | LCIF -State Mandated Charter School Allocation | A | (1,002,995) | 1,002,995 | - |
| *Charter School Pass-Through* | LCIF -State Mandated Charter School Allocation | A | | (1,002,995) | (1,002,995) |
| **Total Revenue** | | | **(1,002,995)** | **-** | **(1,002,995)** |

A - Local Capital Improvement Funds (LCIF) -State Mandated Charter School Allocation. The adopted budget charter school allocation was projected at $24,680,529. The FL Department of Education revised this calculation is $25,683,524 and the DEFP is updated to reflect the mandated increase to charter schools in the amount of $1,002,995. There is no change in total revenues received by the District, this allocation has been updated to reflect what portion is mandated for charter schools.

Appropriations - Capital Projects Funds

**Appropriation Adjustments**

| **By Object** | | Notes | District | Charter | Total |
|---|---|---|---|---|---|
| Remodeling & Renovations | LCIF -State Mandated Charter School Allocation | A | (1,002,995) | | (1,002,995) |
| Dues & Fees, Miscellaneous | LCIF -State Mandated Charter School Allocation | A | 1,002,995 | | 1,002,995 |

SUBJECT: **REQUEST TO REVISE F-2, BUDGET REPORT FOR THE PERIOD ENDED JAUNARY 31, 2026, FOR THE MARCH 10, 2026, REGULAR SCHOOL BOARD MEETING**

Attached is a revision to F-2, Budget Report for the Period Ended January 31, 2026, for the March 10, 2026, Regular School Board Meeting.

Two pages within the report have been revised to correct labeling. One page reflects the current net position of the operating funds, presented both with and without inclusion of Tax Anticipation Note proceeds. The other page has been updated to accurately reflect the projected year-end fund balance consistent with the information shared with the School Board at the February 17, 2026 workshop. No underlying financial data or projections have changed.

# BUDGET REPORT

**For the Period Ended January 31, 2026**

**Prepared by Financial Management**

# BROWARD COUNTY PUBLIC SCHOOLS
# BUDGET REPORT
# For the Period Ended January 31, 2026

Florida law requires district school boards to maintain continuous oversight of their financial condition, including regular review of budget amendments and financial statements pursuant to Section 1011.06, Florida Statutes. The monthly budget report serves as the Board's primary vehicle for fulfilling this responsibility.

As presented during the February 17, 2026, School Board Workshop, the District's current projection for the combined Assigned and Unassigned General Fund fund balance is approximately 3.08 percent at fiscal year-end. This projection serves as the primary benchmark for monitoring compliance with the State's minimum 3 percent requirement.

The statutory monthly report format presents revenues, expenditures, and fund balance in accordance with State reporting requirements and does not reflect the full year-end reconciliation discussed at the workshop. However, the financial activity reflected in this January 31, 2026, report incorporates the same revenue and expenditure adjustments underlying that projection.

## General Fund Balance Requirements

For purposes of state compliance, the General Fund balance is measured using the combined Assigned and Unassigned portions of fund balance. Florida law requires each school district to maintain a minimum year-end available fund balance equal to 3 percent of General Fund revenues in order to avoid initiation of a financial emergency review by the State.

It is important to emphasize that the State's compliance determination is based solely on the year-end available fund balance. Mid-year balances fluctuate as revenues and expenditures are recorded at different points in the fiscal cycle—for example, the majority of local property tax revenue is received in December, temporarily increasing the mid-year balance. Such fluctuations are expected and do not factor into the State's compliance assessment.

## General Fund Overview

The January report reflects updated revenue and expenditure projections through January 31, 2026, including the impact of the FEFP Third Calculation based on enrollment data. The District continues to project a reduction in the General Fund's fund balance for FY 2025-26, driven by structural enrollment trends and associated reductions in State funding.

While projections indicate the District will remain above the State's minimum requirement at year-end, the margin above that threshold remains limited. In response, the District has implemented a hiring freeze and travel freeze and continues to align staffing and operating levels with enrollment trends to preserve fiscal stability.

**Referendum Fund Amendment Highlights**

The Referendum Fund amendment reflects:

- A $6.7 million reduction related to the statutory collection fee retained by the Broward County Tax Collector's Office for ad valorem referendum revenues; and
- A $2.4 million redistribution resulting from updated enrollment data under the FEFP Third Calculation, revising the proportional allocation between traditional and charter schools.

These adjustments ensure that referendum revenues and appropriations remain aligned with updated revenue collections and enrollment-based distribution formulas.

**General Fund Amendment Highlights**

The General Fund amendment incorporates:

- A net reduction of approximately $27.3 million to traditional school revenues associated with the FEFP Third Calculation and updated enrollment data;
- An adjustment of approximately $7.9 million to charter school pass-through funding based on revised State calculations;
- An appropriation of approximately $8.0 million to support the turnkey substitute teacher solution; and
- The recognition of approximately $1.6 million in prior-year carryover balances.

Collectively, these amendments align the adopted budget with updated State funding calculations and operational requirements and contribute to the projected reduction in the General Fund's fund balance for FY 2025-26.

**Capital Projects Fund Amendment Highlights**

The Capital Projects Fund amendment reflects updated Local Capital Improvement Funds (LCIF) allocations related to State-mandated charter school funding. While total capital revenues remain unchanged, the allocation between district-managed projects and charter pass-through funding has been updated to reflect revised State calculations.

As of the January 10 Regular School Board Meeting, the Capital Fund Reserve balance was $62,995,447.

**Summary and Transition to Detailed Reports**

The detailed reports that follow present fund-by-fund revenue, appropriation, and fund balance activity, along with the specific amendments requiring Board approval. Together, these reports provide the transparency necessary for the School Board to exercise its statutory fiscal oversight responsibilities and ensure continued alignment between the District's financial plan and current revenue and enrollment conditions.

**NOTES:**

[1] Charter schools funding is excluded as pass-through funding. This amount includes both State funding transferred to the General Fund ($32M) and Local Tax Funding ($26M) expensed directly.

[2] The capital fund balance is fully committed to the completion of capital projects. The fund balance also includes capital reserves.

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
**BUDGET AMENDMENTS as of JANUARY 31, 2026**
**FOR FISCAL YEAR 2025-26**
**AMENDED FUNDS**

Revenue - Capital Projects Funds

| **CAPITAL PROJECTS FUNDS BUDGET AMENDMENT #2** | | Notes | District | Charter | Total |
|---|---|---|---|---|---|
| Local Sources | LCIF -State Mandated Charter School Allocation | A | (1,002,995) | 1,002,995 | - |
| *Charter School Pass-Through* | LCIF -State Mandated Charter School Allocation | A | | (1,002,995) | (1,002,995) |
| **Total Revenue** | | | **(1,002,995)** | **-** | **(1,002,995)** |

A - Local Capital Improvement Funds (LCIF) -State Mandated Charter School Allocation. The adopted budget charter school allocation was projected at $24,680,529. The FL Department of Education revised this calculation is $25,683,524 and the DEFP is updated to reflect the mandated increase to charter schools in the amount of $1,002,995. There is no change in total revenues received by the District, this allocation has been updated to reflect what portion is mandated for charter schools.

Appropriations - Capital Projects Funds

**Appropriation Adjustments**
**By Object**

| | | Notes | District | Charter | Total |
|---|---|---|---|---|---|
| Remodeling & Renovations | LCIF -State Mandated Charter School Allocation | A | (1,002,995) | | (1,002,995) |
| Dues & Fees, Miscellaneous | LCIF -State Mandated Charter School Allocation | A | 1,002,995 | | 1,002,995 |

**EXECUTIVE SUMMARY**

Lease Agreement with The Journey Institute, Inc.

**Board Meeting Date:** March 10, 2026

**Requested Action:**
Approve the Lease Agreement between the School Board of Broward County, Florida (SBBC) and The Journey Institute, Inc. (TJI) to allow the TJI to lease Room No. 302, in Building No. 3, at the Broward Estates Early Learning and Resource Center, to provide the services delineated in the Lease Agreement.

**School Board Policy Requirement/Authority:** School Board Policy 8040

**Statutory Requirement/Authority:** None

**District-zone Impact:** District 5

**Impact of the School Board's Vote:**

**- If the School Board votes "Yes":** The Lease Agreement between SBBC and the TJI (Lease Agreement) will be become effective and allow TJI to provide the implementation of research-based early intervention and prevention programs for children and families exposed to trauma, abuse, and other forms of toxic stress.
**- If the School Board votes "No":** This will conflict with District's commitment to provide community driven resources at the early learning center. A service that was identified as a need to serve the local community will not be provided. The District will have to work with the key stakeholders to secure other providers to provide these resources. Subsequently, this will have a deleterious impact on the comprehensive suite of community programming provided at the center.

**Background/History**
Effective July 1, 2025, Broward Estates Elementary School was repurposed as Broward Estates Early Learning Center. The center provides early learning programs and community-based programming.

The TJI desires to lease Room No. 302 in Building No. 3 at Broward Estates Early Learning and Resource Center to provide the implementation of research-based early intervention and prevention programs for children and families exposed to trauma, abuse, and other forms of toxic stress.

TJI is a not-for-profit 501(c)(3) organization dedicated to supporting children and families in their unique journey to mitigate the impact of adverse childhood experiences (ACE's). They provide individualized, comprehensive, and competent mental health care to the vulnerable early childhood population. Founded in 2008 as a training institute and expanded in 2015 as a full service pediatric behavioral health center, they serve 200 families yearly through direct services, ongoing programs, and initiatives and thousands of early childhood professionals through trainings, certifications, and consultations. TJI's vision is to create a thriving future where young children birth to age five flourish in nurturing families by strengthening parent child bonds for life. The organization's work aligns with the vision of Broward Estates Early Learning and Resource Center and will work together with the center to create a thriving future for the children and families at the center and in the community.

The term of the Lease Agreement commences on the date the last party signs the Agreement, and concludes on March 9, 2029, with the option for renewal.

The TJI will provide in-kind services in lieu of paying rent, by assigning personnel to deliver programs valued at a minimum of $1,048.00 per month. The community services delineated in the Agreement aligns with SBBC's goals to promote community partnerships and expand services for youth development. The arrangement ensures efficient use of school facilities during non-instructional hours while supporting academic enrichment and positive youth engagement.

**Alignment to 2027 Goals and Guardrails:**

Business Operations.

**Measurable Outcome(s)/Return on Investment:**

- Increased Access to Services: The implementation of research based early intervention and prevention programs for children and families exposed to trauma, abuse, and other forms of toxic stress for Broward Estates Early Learning and Resource Center students.

- Operational Efficiency: The use of Building No. 3, Room No. 302 for community programming maximizes the utilization of District facilities during non-school hours.

- In-kind Investment: In lieu of the payment of rent, TJI will provide a minimum of $1,048.00 per month in staffing and services, representing a direct

community reinvestment that is equivalent to approximately $12,576.00 annually, adjusted by 3% per year

**Financial Impact, Funding Source & Budget Status:**

There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|

Lease Agreement

# LEASE AGREEMENT

**THIS AGREEMENT,** made and entered into this ___ day of _____ 2026, by and between:

**THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**
(hereinafter referred to as "SBBC"),
a political subdivision of the State of Florida having its principal place of business at
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301
and
**THE JOURNEY INSTITUTE, INC.**
(hereinafter referred to as "TJI")
A Florida not-for-profit corporation, with its principal business address being located at
6635 W. Commercial Boulevard, Suite 112
Tamarac, Florida 33319

WHEREAS, TJI desires to lease space from SBBC to provide services as described in paragraph 2.03; and

WHEREAS, SBBC is a political subdivision of the State of Florida pursuant to Section 1.01, Florida Statutes, and a governmental unit for the purposes of Section 196.199, Florida Statutes, and has certain space available in one of its facilities; and

WHEREAS, SBBC owns and operates Broward Estates Early Learning and Resource Center (“BEELRC”) located at 441 NW 35th Avenue, Fort Lauderdale, Florida 33311 and has certain space available in BEELRC; and

WHEREAS, TJI desires to lease space at BEELRC from SBBC for the purpose of implementation of research based early intervention and prevention programs for children and families exposed to trauma, abuse, and other forms of toxic stress; and

WHEREAS, SBBC would otherwise be required to expend public funds to procure the services that TJI proposes to provide in exchange for its use of SBBC’s facilities.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

## ARTICLE 1 – RECITALS

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

## ARTICLE 2 - SPECIAL CONDITIONS

2.01 **Term of Lease Agreement**. Notwithstanding execution, the Effective Date of this Lease Agreement shall be March 10, 2026, and the term of this Lease Agreement shall conclude on March 9, 2029.

2.02 **Leased Facility**. SBBC hereby leases to TJI, Room No. 302 in Building No. 3, located at the BEELRC (hereafter referred to as "Leased Facility").

2.03 **Permitted use of Leased Facility and Hours of Operation**. TJI shall utilize the Leased Facility solely to provide the implementation of research based early intervention and prevention programs for children and families exposed to trauma, abuse, and other forms of toxic stress. Specific weekdays for TJI's two permitted days of operation shall be designated in writing by the SBBC site administrator and may be adjusted upon reasonable notice and mutual agreement.

(a) The Leased Facility shall be used by TJI only for the purposes described above. Except as described herein, TJI may use the Leased Facility two (2) weekdays per week from 5:00 p.m. to 9:00 p.m., within BEELRC's normal operating hours (7:00 a.m. - 9:00 p.m., Monday - Friday). TJI will not be entitled to use the Leased Facility during any periods when BEELRC is closed for reasons including, not limited to federal or state holidays, weekends, and days when BEELRC is closed. If necessary, TJI may request the use of the Leased Facility at times when BEELRC is closed, but such use may only be granted upon advanced written approval by SBBC's site administrator for BEELRC. If approval for TJI to use the Leased Facility is granted, TJI will be required to pay for security, custodial, and all other applicable costs associated with using the Leased Facility beyond the BEELRC normal hours of operation as articulated herein and when BEELRC is closed.

(b) TJI shall not do or permit to be done in or about the Leased Facility, nor bring or keep or permit to be brought or kept therein, anything which is prohibited by or will in any way conflict with any law, statute, School Board Policy, ordinance or governmental rule or regulation now in force or which may hereafter been acted or promulgated; or which is prohibited by any standard form of fire insurance policy or will in any way increase the existing rate of or affect any fire or other insurance upon the building in which the Leased Facility is situated or any of its contents, or cause a cancellation of any insurance policy covering said building or any part thereof or any of its contents.

(c) TJI shall not do or permit anything to be done in or about the Leased Facility which will in any way obstruct or interfere with the rights of the occupants of BEELRC in which the Leased Facility are situated, or injure or annoy them or use or allow the Leased Facility to be used for any improper, immoral, unlawful or objectionable purpose (as determined by SBBC); nor shall TJI cause, maintain, or permit any nuisance (as determined by SBBC or by law) in or about the Leased Facility or commit or suffer to be committed any waste in, on, or about the Leased Facility.

(d) TJI, at TJI's expense, shall comply with all laws, rules, orders, statutes, School Board Policies, ordinances, directions, regulations and requirements of all federal, state, county and municipal authorities pertaining to TJI's use of the Leased Facility, and with the recorded covenants, conditions and restrictions applicable to the building in which the Leased Facility are situated, regardless of when they become effective or applicable, including, without limitation, all applicable federal, state and local laws, regulations or ordinances pertaining to air and water quality, hazardous materials, waste disposal, air emissions and other environmental matters, all zoning and other land use matters, and the Americans with Disabilities Act of 1990 and Florida Americans With Disabilities Accessibility Implementation Act, as both may be amended from time

to time (collectively "ADA") and with any direction of any public officer or officials which shall impose any duty upon SBBC or TJI with respect to the use or occupation of the premises.

2.04 **Site Plan**. The site plan of the Leased Facility is attached hereto and incorporated herein as **Exhibit "A."** The Site Plan delineates in red the areas that TJI may utilize for parking.

2.05 **Base Rent**. Per School Board Policy 8020, the monthly base rental fee shall be One Thousand Forty-Eight Dollars ($1,048.00) per month**.** The base rent for the Leased Facility is based on the cost to rent one (1) classroom space twice a week as called for in the Fee Schedule contained in School Board Policy 8020. Beginning on the first anniversary of the Effective Date of the Lease Agreement, and on each subsequent anniversary thereof, the Base Rent shall be adjusted by three percent (3%) per annum. So long as TJI provides In-Kind Services with a verified annual value equal to or exceeding the total Base Rent then due, TJI shall owe no cash payment of Base Rent. Any shortfall shall be paid in cash within thirty (30) days of SBBC's notice after the annual reconciliation. In-Kind Services shall be reconciled against Base Rent and Operating Expenses on a combined basis, unless otherwise specified in Exhibit B.

2.06 **In-Kind Services.** In lieu of the payment of a base rental fee cited herein for use of the Leased Facility, TJI agrees to assign TJI personnel to the Leased Facility to deliver TJI services and programmatic programs as stated in Section 2.03 of this Lease Agreement ("In Kind Services") throughout the term of this Lease Agreement. The base rental fee for the Leased Facility is One Thousand Forty-Eight Dollars ($1,048.00) per month. Prior to the commencement of this Lease Agreement, TJI shall provide documentation to SBBC showing the amount that TJI will expend through the term of the Lease Agreement for the provision of services required under this Lease Agreement and such sum must at least be equivalent to Twelve Thousand Five Hundred Seventy-Six Dollars ($12,576.00), as adjusted annually by the 3% escalator applicable to Base Rent, which reflects the annual value of the base rental fee for the Leased Facility. The base rental fee cited herein shall increase annually by three percent (3%). If the amount shown in the document is lower than the base rent due, TJI shall take corrective action to make up the difference prior to commencement of the term of this Lease Agreement. Thereafter, TJI shall annually provide said documentation to the Superintendent or his/her designee (SBBC's site administrator for BEELRC, with a copy to the Director, Facility Planning & Real Estate Department) within ninety (90) calendar days after the beginning of each school year. The manner of TJI's compensation to the SBBC for the base rent payment due, via the In-Kind Services articulated herein, is authorized by the applicable section(s) of School Board Policy 8020. The procedures, documentation standards, and valuation methodology for reconciling TJI in-kind services against the Base Rent due under the Lease Agreement with the SBBC for the BEELRC is set forth in **Exhibit "B"** -- **In-Kind Services Reconciliation and Valuation Procedures**, which is attached hereto and incorporated herein.

2.07 **Operating Expenses**. Operating Expenses are due annually but may be satisfied through In-Kind Services. The Parties agree that Base Rent and Operating Expenses may both be offset by verified In-Kind Services pursuant to Exhibit B. If the In-Kind value is less than the combined amounts due, TJI shall pay the difference in cash within thirty (30) days of SBBC's notice. The operational cost regarding use of the Leased Facility shall be based upon the pro-rata share of the historical Operating Expenses of BEELRC which is 0.8%. The 0.8% pro rata share is based on 800 sq ft / 100,000 sq ft where the numerator of 800 sq ft is the area of the room being

leased and the denominator of 100,000 sq ft is the total area of the BEELRC. Annual operating expenses equals SBBC's audited BEELRC prior year operating costs × 0.8%, subject to the 3% cap. Operating expenses for the first lease year shall be One Thousand Nine Hundred Thirty-Five Dollars ($1,935.00) or One Hundred Sixty-One and 25/100 Dollars ($161.25) per month. Operating expenses are based upon the average of the prior three (3) years of operational expenses of the BEELRC. In lieu of paying the operating expenses cited herein, TJI shall provide in-kind services equal to or exceeding the value of the operating expenses for each school year**.** The operating expenses shall be reconciled annually against the actual value of the services provided by TJI over the past twelve months. The operating expenses cited herein shall increase annually by three percent (3%). If the amount shown in the document is lower than the operating expenses due, TJI shall take corrective action to make up the difference prior to commencement of the term of this Lease Agreement. Thereafter, TJI shall annually provide said documentation to the Superintendent or his/her designee (SBBC's site administrator for BEELRC, with a copy to the Director, Facility Planning & Real Estate Department) within ninety (90) calendar days after the beginning of each school year. The manner of TJI's compensation to the SBBC for the payment of operational expenses due to TJI, via the In-Kind Services articulated herein, is as authorized by the applicable section(s) of School Board Policy 8020. In-Kind Services shall be reconciled against Base Rent and Operating Expenses on a combined basis, unless otherwise specified in Exhibit B.

2.08 **Custodial Service Cost**. SBBC shall provide custodial services to the Leased Facility at no cost to TJI during the BEELRC operational hours of 7:00 a.m. to 9:00 p.m. TJI shall pay for custodial services at such times when BEELRC is closed for the reasons stated in 2.03(a). All payments for custodial services will be made and paid on the first day of each calendar month by TJI to SBBC via SBBC's site administrator of the BEELRC. SBBC will invoice TJI monthly in arrears for approved off hours custodial and security; TJI shall pay within 30 days of receipt of the invoice. In the instance of a dispute of amounts owed by TJI, TJI shall notify SBBC in writing and pay the undisputed portions of such invoices within 10 days.

2.09 **Relocation of Leased Facility**. If upon expiration of this Lease Agreement TJI elects to renew this Lease Agreement and continue leasing space in an SBBC owned facility, TJI agrees that SBBC at SBBC's sole discretion may relocate TJI to another comparable location within the Broward County Public Schools. In such event, TJI shall bear all costs of moving its property from one location to another.

2.10 **Utilities**. During the term of this Lease Agreement as described in Section 2.01, SBBC shall provide water, electricity, telephone outlet, general lighting, air conditioning, and heating by means of appliances and fixtures installed for ordinary purposes to service the Leased Facility. SBBC shall not be obligated to furnish or install any appliances or fixtures not installed at the Leased Facility at the time of the execution of this Lease Agreement or to furnish or install any appliances or fixtures contemplated by TJI for any special uses. SBBC shall not be responsible or chargeable for any interruptions, delays, or failures in furnishing any such utilities due to causes beyond SBBC's control. TJI will be permitted access to and use of SBBC's internet service only if such access is permitted by SBBC's applicable contract or license for such service. If access is not permitted by SBBC's applicable contract or license, TJI shall be required to obtain such services at TJI's sole expense.

2.11 **Heating, Air Conditioning and Lighting**. Heating and air conditioning maintenance services and repairs shall be the responsibility of SBBC. If the equipment is no longer serviceable, SBBC shall be responsible for the cost of replacing the equipment for the demised premises. SBBC agrees to maintain the light fixtures installed in the Leased Facility for the use of TJI during the term of this Lease Agreement.

2.12 **Security Costs**. TJI will be required to pay SBBC required security costs incurred by the SBBC for SBBC providing security personnel during such hours and days when BEELRC is closed for the reasons stated in 2.03(a). SBBC shall invoice TJI for the security costs incurred, and TJI upon receipt of the invoice shall pay SBBC the full amount due within thirty (30) calendar days of receipt of the invoice.

2.13 **Office Equipment and Supplies**. TJI agrees to provide all office equipment, telephones, computers, copiers, facsimile machines, and office supplies necessary for TJI personnel to conduct TJI's business at the BEELRC during the term of this Lease Agreement.

2.14 **Office Furniture & Furnishings**. Inclusive of those items described in Section 2.13, TJI shall provide office furniture and furnishings for the Leased Facility during the term of this Lease Agreement.

2.15 **TJI Personnel**. TJI shall hire and pay for all TJI personnel. The parties agree that TJI personnel are not employees of SBBC and that SBBC shall have no obligation to provide salary, wages, benefits, or workers compensation for such persons. However, TJI agrees that, as appropriate, all TJI employees shall follow all applicable SBBC policies and procedures.

2.16 **Renewal Option**. TJI may request to renew this Lease Agreement for an additional three (3) year term prior to its expiration, and if TJI does so, the terms and conditions applicable to the renewal term shall be the same as those stated herein, except that the base rent shall be adjusted to the rates in effect at the time of the renewal as stated in Policy 8020, and the TJI shall provide SBBC with written notice of its intent to exercise this Renewal Option at least two hundred and seventy (270) calendar days prior to the end of the term of the Lease Agreement and such requested renewal shall be subject to SBBC approval. During the renewal term, TJI shall provide SBBC with the In-Kind Services described in Section 2.06, and Section 2.07.

2.17 **Payment of Taxes**. TJI is a Florida not-for-profit corporation and not a governmental unit. SBBC is a political subdivision exempt from ad valorem taxation under §196.199, Fla Stat. To the extent any taxes, fees or assessments are imposed on TJI's possessory interest or operations, such amounts shall be TJI's sole responsibility. Nothing herein shall be construed to waive any exemption applicable to SBBC.

2.18 **ADA**. SBBC hereby represents that the property herein meets all accessibility requirements of the Federal Americans with Disabilities Act (ADA), Florida Accessibility Code for Building Construction implemented under the Florida Americans with Disabilities Implementation Act, except as modified by State Requirements for Educational Facility, for the use or occupancy intended by the TJI.

2.19 **Asbestos and Radon Gas**. SBBC hereby represents that the property described herein is free from friable asbestos as defined in the Asbestos Hazard Emergency Response Act

(AHERA), 40 CFR Part 763, Asbestos Materials in Schools, October 30, 1987, and the current Florida State Requirements for Educational Facility (SREF), whichever is more stringent. SBBC notifies TJI as follows: "RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida, Additional information regarding radon and radon testing may be obtained from your county public health unit."

2.20 **Subletting**. TJI acknowledges that TJI's obligations and duties under this Lease Agreement are unique and not subject to being adequately performed by any other party. As such, TJI shall not sublease or assign any portion of the Leased Facility without the prior written approval of the SBBC, which approval shall not be unreasonably withheld.

2.21 **Maintenance Repairs**. TJI shall maintain and keep in good repair the interior of the Leased Facility during the term of this Lease Agreement and shall be responsible for the replacement of all windows, doors, and ancillary fixtures broken and damaged at the demised premises, except if such breakage or damage is caused to the exterior of the demised premises by SBBC students or employees. No services or maintenance shall be provided except as otherwise stated in this Lease Agreement. TJI will not damage the Leased Facility or the Building in which it is situated but will maintain the Leased Facility in a clean, attractive condition and in good repair. Upon termination of this Lease Agreement, TJI will surrender and deliver the Leased Facility to SBBC free of TJI's personal property and in broom clean condition, and in the same condition in which it existed prior to TJI's occupancy of the Leased Facility, excepting only ordinary wear and tear, and damage from casualty and governmental taking, as set forth herein.

2.22 **Special Services**. Except for any services that are expressly to be provided by SBBC under this Lease Agreement, it shall be TJI's responsibility to arrange and pay for any and all services not stated herein required for TJI's intended use of the Leased Facility.

2.23 **Fire Legal Liability Damage to Rented Premises**. TJI shall maintain Fire Legal liability damage to rented premises with limits of $500,000.00 per occurrence/aggregate.

2.24 **Automobile Liability Insurance**. TJI shall maintain Automobile Liability Insurance covering all Owned, Non-Owned and Hired vehicles in an amount of not less than One Million Dollars ($1,000,000.00) per occurrence Combined Single Limit for Bodily Injury and Property Damage.

2.25 **Other Insurance Requirements**. TJI shall maintain General Liability insurance during the term of this Lease Agreement with limits not less than $1,000,000 per occurrence for Bodily Injury/Property Damage; $1,000,000 General Aggregate; and limits not less than $1,000,000 for Products/Completed Operations Aggregate. SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverage, or endorsements, herein throughout the term of this Lease Agreement. TJI shall provide certificates of insurance evidencing all required coverage annually and upon SBBC request.

2.26 **SBBC Liability**. SBBC shall not be responsible for any damage, accident, injury, or death to TJI or TJI's property or to TJI's agents, servants, employees or invitees or to their property from any cause whatsoever while such persons or property are located upon SBBCs property

either prior to, during or after the period for which TJI has been permitted use of the Leased Facility. Nothing in this Section shall diminish TJI's remedies arising from SBBC's negligence as addressed in Section 2.39.

2.27 **Licenses and Permits**. TJI agrees to obtain at its sole expense any permits, licenses or additional authorization required by law or ordinance for TJI use of the Leased Facility.

2.28 **Condition and Inspection of Leased Facility**. TJI agrees to accept the Leased Facility in **AS IS** condition at the time this Lease Agreement is executed. TJI may not remove or relocate any of SBBCs property, appliances or fixtures located upon the Leased Facility without the prior written approval of SBBC's site administrator of the Leased Facility. If such approval is granted, TJI shall bear all costs of such removal and location and of restoring such property, appliances or fixtures to its original condition or location as directed by the site administrator upon the termination of this Lease Agreement. Under no circumstances shall TJI remove SBBCs equipment, furnishings, or other property from the Leased Facility.

2.29 **Improvements**. The location of any and all improvements to be placed on the Leased Facility, shall first be approved in writing by SBBC, it being intended that SBBC shall have absolute control over the location of any Improvements before they are placed on the Leased Facility. However, such approval by SBBC shall not be unreasonably withheld. Failure by SBBC to comment within forty-five (45) days shall not constitute deemed approval; however, SBBC will use reasonable efforts to complete review within that timeframe.

(a) The authority to grant approval regarding improvements in this Lease Agreement is hereby delegated by SBBC to the SBBC's Chief Operations Officer and the Chief Building Official. Subject to the provisions of the foregoing paragraph, the parties further agree that TJI will prepare and submit plans to SBBC's Chief Operations Officer and the Chief Building Official for review and approval. Any plans must meet State of Florida Building Code Requirements, Florida Fire Protection Code, and State Requirements for Educational Facility as applicable, and any other requirements imposed by applicable law. SBBC's Chief Operations Officer and Chief Building Official shall have forty-five (45) calendar days from the date of receipt to review and comment. All design documents shall be approved by SBBC's Chief Operations Officer and the Chief Building Official prior to submission to the Department of Education, if applicable.

(b) TJI shall be solely responsible for all contractual obligations owed to the contractor engaged to construct the Improvements.

(c) Before the commencement of the Improvements, TJI shall require the engaged contractor to furnish a surety payment and performance bonds that guarantee the completion of the Improvements and the performance of the work necessary to complete the Improvements; as well as, full payment of all suppliers, material men, laborers, or subcontractors employed to provide services to complete the Improvements. The contractor shall be required by contract to deliver a copy of the surety bond to TJI. Such bonds shall remain in effect for one (1) year after completion of the Improvements. The contractor will cause the correction of any defective or faulty work or materials that appear after the completion of the Improvements within the warranty period of such work performed.

(d) Any Improvements placed on said Leased Facility without the prior written approval of SBBC as to location shall immediately be removed or relocated within ninety (90) calendar days of written demand by SBBC, unless the parties agree that the Improvements should remain whereby this Lease Agreement will be amended, in writing to reflect the use and responsibility of the Improvements.

(e) Consistent with provisions in this Lease Agreement, all permitted Improvements made by TJI, if not removed and space restored to its original condition, shall become the property of SBBC. TJI agrees that SBBC shall not compensate TJI for such improvements.

2.30 **SBBC's Access to the Leased Facility**. SBBC or its authorized agent or agents shall have the right to enter upon the Leased Facility at all reasonable times for the purposes of inspecting the same, preventing waste, making such repairs as SBBC may require, or to perform maintenance services.

2.31 **Parking Areas**. SBBC shall keep and maintain the parking areas adjacent to the Leased Facility in good condition. SBBC reserves the right to control the method, manner, and time of parking in the parking areas. TJI personnel, assigned to work in the Leased Facility, TJI clients/patients/visitors shall upon the effective date of this Lease Agreement and/or occupation of the Leased Facility by TJI, have the right to use the parking area as shown in Exhibit "A" to park vehicles. SBBC reserves the right, at any time, at its sole discretion, to designate specific parking spaces in the parking area for use by SBBC employees. Any TJI staff found to be parked improperly in such designated parking spaces shall have their parking privileges revoked, and their vehicles will be subject to towing at the sole expense of the vehicles' owners. For the purposes of this Lease Agreement, a vehicle shall be defined as a car, pick-up truck, SUV, and/or motorcycle. TJI acknowledges that use of the parking area cannot be guaranteed at times other than BEELRC's normal operating hours and may be limited by SBBC in its sole discretion for safety or operational reasons. TJI acknowledges that parking availability may be limited during school events or activities, and SBBC shall provide reasonable notice where feasible.

2.32 **Key to Leased Facility**. SBBC will provide TJI with keys to access the Leased Facility and interior spaces upon approval of this Lease Agreement. Upon the termination or expiration of this Lease Agreement and prior to vacating the Leased Facility within a ten (10) calendar day period, TJI shall return to the site administrator of the Leased Facility, all keys to the Leased Facility. TJI admits and agrees that should it fail to return the aforementioned keys to SBBC within the specified time period, TJI shall be responsible to pay to have the lock(s) on the appropriate facility door(s) changed.

2.33 **Deliveries**. TJI agrees to be responsible for the arrangement and payment for any and all deliveries to the Leased Facility of any equipment, property, scenery, goods, or other material necessary for TJI's use of the Leased Facility.

2.34 **TJI's Property/Improvements**. TJI agrees to remove all its property/ improvements and that of its personnel from the Leased Facility within twenty-four (24) hours after the conclusion or termination of TJI's permitted use of the Leased Facility and restore the Leased Facility to its original state. TJI agrees that any property left by it at the Leased Facility more than fourteen (14) calendar days beyond the period permitted under this Lease Agreement, shall be

left at TJI's peril, shall be considered abandoned, and may be disposed of at the sole discretion of SBBC's site administrator without any recourse by TJI. It is agreed that no bailor/bailee relationship shall be construed to exist between SBBC and TJI with regard to any property left by TJI at the Leased Facility at times other than the period permitted under this Lease Agreement.

2.35 **Hazardous Materials**. TJI shall not cause or permit any Hazardous Material (as hereinafter defined) to be brought upon, kept or used in or about the Leased Facility by TJI, its agents, principals, employees, contractors, consultants, or invitees without the prior written consent of SBBC's site administrator, which consent may be withheld for any reason whatsoever or for no reason at all. If TJI breaches the obligations stated in the preceding sentence, or if the presence of Hazardous Material upon the Leased Facility caused or permitted by TJI (or the aforesaid others) results in:

(a) Any contamination of the Leased Facility, the surrounding area(s), the soil or surface or ground water.

(b) Loss or damage to person(s) or property, or if contamination of the Leased Facility or the surrounding area(s) by Hazardous Material otherwise occurs for which TJI is liable for actual damages as outlined and capped by Florida Statutes 768.28, then TJI shall be solely responsible for all costs, expenses and amounts required to remediate, clean up, and correct such matter. This includes, without limitation, costs incurred in connection with any investigation or site conditions or any clean-up, remedial, removal or restoration work required by any federal, state, or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Leased Facility.

(c) Without limiting the foregoing, if the presence of any Hazardous Material on, under or about the Leased Facility or the surrounding area(s) caused or permitted by TJI (or the aforesaid others) results in (a) any contamination of the Leased Facility, the surrounding area(s), the soil or surface or ground water or (b) loss or damage to person(s) or property, then TJI shall immediately notify SBBC of any contamination, claim of contamination, loss or damage and, after consultation and approval by SBBC, take all actions at TJI's sole expense as are necessary or appropriate to return the Leased Facility, the surrounding area(s) and the soil or surface or ground water to the condition existing prior to the introduction of any such Hazardous Material thereto, such that the contaminated areas are brought into full compliance with all applicable statutory regulations and standards. The foregoing obligations and responsibilities of TJI shall survive the expiration or earlier termination of this Lease Agreement.

(d) As used herein, the term "Hazardous Material" means any hazardous or toxic substance, material or waste, including, but not limited to, those substances, materials, and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and amendments thereto, or such substances, materials and wastes that are or become regulated under any applicable local, state or federal law "Hazardous Material" includes any and all material or substances which are defined as "hazardous waste", "extremely hazardous waste" or a "hazardous substance" pursuant to local, state or federal governmental law. "Hazardous substance" includes, but is not restricted to, asbestos, polychlorobiphenyls ("PCBs"), petroleum, any and all material or substances which are classified as "biohazardous", "biological waste" or

Biomedical Waste (as such terms are defined by Chapter 64E-16, F.A.C., as amended from time to time), and extremely "hazardous waste" or "hazardous substance" pursuant to federal, state or local governmental law.

(e) SBBC and its agents shall have the right, but not the duty, to inspect the Leased Facility at any time to determine whether TJI is complying with the terms of this Lease Agreement. If TJI is not in compliance with this Lease Agreement, SBBC shall have the right to immediately enter upon the Leased Facility to remedy at TJI's expense any contamination caused by TJI's failure to comply, notwithstanding any other provision of this Lease Agreement. SBBC shall use its best efforts to minimize interference with TJI's operations but shall not be liable for any interference caused thereby.

(f) Any non-compliance by TJI with its duties, responsibilities and obligations under this Section shall constitute a default of this Lease Agreement, no notice of any nature from SBBC to TJI being required.

2.36 **Adult Products; Smoking**. TJI shall not bring, keep, or possess any adult products, intoxicating beverages, drugs, narcotics, or gambling devices upon SBBC property or permit others to do so. In accordance with state law and School Board Policy 1120, smoking will not be permitted upon SBBC property under any circumstances.

2.37 **Removal of Persons**. SBBC reserves the right, through its representatives, to eject any objectionable person or persons from SBBC property including, without limitation, the Leased Facility, and in the event of the exercise of this authority by SBBC through its representatives, agents or through law enforcement personnel, TJI hereby waives any right and all claims for damages against SBBC or any of its representatives or agents.

2.38 **Background Screening**. TJI agrees to comply with all requirements of Sections 1012.32, 1012.465, 1012.467 and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. This background screening must be processed through SBBC in advance of TJI or its personnel providing any services under the conditions described in the previous sentence. TJI shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to TJI and its personnel. The Parties agree that the failure of TJI to perform any of the duties described in this section shall constitute a material breach of this Lease Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Lease Agreement.

2.39 **Liability.** This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.39.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.39.2 By TJI. TJI agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by TJI, its agents, servants, or employees; the equipment of TJI, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of TJI or the negligence of TJI's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's proper-ty, and injury or death of any person whether employed by TJI, SBBC, or otherwise.

2.40 **Notice.** When any of the parties' desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

| | |
|---|---|
| To SBBC: | Superintendent of Schools<br>The School Board of Broward County, Florida<br>600 Southeast Third Avenue<br>Fort Lauderdale, Florida 33301 |
| With a Copy to: | Director, Facility Planning and Real Estate Department<br>The School Board of Broward County, Florida<br>600 Southeast Third Avenue<br>Fort Lauderdale, Florida 33301 |
| To TJI: | Office of the Executive Director<br>The Journey Institute, Inc.<br>6635 W. Commercial Boulevard, Suite 112<br>Tamarac, Florida 33319 |

2.41 **Inspection of TJI's Records by SBBC**. SBBC and TJI shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC or TJI under this Lease Agreement. All SBBC or TJI's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC's or TJI's agent or its authorized representative to permit SBBC or TJI to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Lease

Agreement and to evaluate, analyze and verify any and all invoices, billings, payments and/or claims submitted by TJI or any of TJI's payees pursuant to this Lease Agreement. SBBC's or TJI's Records subject to examination shall include, without limitation, those records necessary to evaluate and verify direct and indirect costs (including overhead allocations) as they may apply to costs associated with this Lease Agreement. SBBC or TJI's Records subject to this section shall include any and all documents pertinent to the evaluation, analysis, verification, and reconciliation of any and all expenditures under this Lease Agreement without regard to funding sources.

2.42 **SBBC's or TJI's Records Defined**. For the purposes of this Lease Agreement, the term "SBBC's Records" or "TJI's Records" shall include, accounting records, payroll time sheets, cancelled payroll checks, W 2 forms, written policies and procedures, computer records, disks and software, videos, photographs, executed subcontracts, subcontract files (including proposals of successful and unsuccessful bidders), original estimates, estimating worksheets, correspondence, change order files (including sufficient supporting documentation and documentation covering negotiated settlements), and any other supporting documents that would substantiate, reconcile or refute any charges and/or expenditures related to this Lease Agreement.

2.43 **Duration of Right to Inspect**. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or TJI's agent or authorized representative shall have access to SBBC's Records or TJI's Records from the effective date of this Lease Agreement, for the duration of the term of this Lease Agreement, and until the later of five (5) years after the termination of this Lease Agreement or five (5) years after the date of final payment by SBBC to TJI pursuant to this Lease Agreement. SBBC's agent or TJI's agent or its authorized representative shall provide SBBC or TJI with reasonable advance notice [not to exceed two (2) weeks] of any intended audit, inspection, examination, evaluation and or reproduction.

2.44 **Audit Site Conditions**. SBBC's agent or TJI's agent or its authorized representative shall have access to SBBC's facility or TJI's facility and to any and all records related to this Lease Agreement and shall be provided with an adequate and appropriate workspace in order to exercise the rights permitted under this section.

2.45 **Failure to Permit Inspection**. Failure by either party to permit the other party to audit, inspect, examine, evaluate, and/or reproduce as permitted under this Section shall constitute grounds for termination of this Lease Agreement by the non-offending party for cause.

2.46 **Overcharges and Unauthorized Charges**. If an audit conducted in accordance with this Section discloses overcharges or unauthorized charges to SBBC by TJI in excess of two percent (2%) of the total billings under this Lease Agreement, the actual cost of SBBC's audit shall be paid by TJI. If the audit discloses billings or charges to which TJI is not contractually entitled, TJI shall reimburse SBBC such sum within twenty (20) calendar days of receipt of written demand unless otherwise agreed to in writing by both parties.

2.47 **Inspection of Subcontractor's Records**. TJI shall require all subcontractors ("Payees") to comply with Sections 2.41–2.48 by including those requirements in each subcontract. Failure by TJI to include such requirements in any subcontract shall constitute grounds for termination of this Lease Agreement by SBBC for cause and shall be grounds for the

exclusion of some or all of any Payee's costs from amounts payable by SBBC to TJI pursuant to this Lease Agreement and such excluded costs shall become the liability of TJI.

2.48 **Inspector General Audits**. SBBC and TJI shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.49 **Waivers by TJI**. TJI shall not interpose any noncompulsory counterclaim of whatever nature or description in any such proceedings, the intent of this provision being that TJI shall not be prohibited from pursuing a claim against SBBC in an independent suit or proceeding. In the event TJI must, because of applicable court rules, interpose any counterclaim or other claim against SBBC in SBBC's proceedings, SBBC and TJI covenant and agree that, in addition to any other lawful remedy of SBBC, upon motion of SBBC, such counterclaim or other claim asserted by TJI shall be severed out of the proceedings instituted by SBBC (and, if necessary, transferred to a court of appropriate jurisdictional limits), and the proceedings instituted by SBBC may proceed to final judgment separately and apart from and without consolidation with or reference to the status of each counterclaim or any other claim asserted by SBBC. In addition, TJI expressly waives all of the following: (a) the requirement under Section 83.12, Florida Statutes, that the plaintiff in his distress for rent action file a bond payable to the TJI in at least double the sum demanded by the plaintiff, it being understood that (a) no bond shall be required in any such action and (b) the right of TJI under Section 83.14, Florida Statutes, to replevy distrained property.

2.50 **Waiver of Jury Trial**. The parties hereto shall, and they hereby do, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of, or in any way connected with, this Lease Agreement, the relationship of landlord and TJI, TJI's use or occupancy of the Leased Facility, and/or claim or injury or damage.

2.51 **Recording**. This Lease Agreement shall not be recorded without SBBC's prior written consent, and any recording hereof, or attempt to do so, by TJI shall constitute a default under this Lease Agreement, no curative notice to TJI from SBBC being required.

2.52 **Limitation of SBBCs Liability upon Transfer**. In the event of transfer and assignment by SBBC of its interest in this Lease Agreement and/or sale of the Leased Facility, SBBC shall thereby be released from any further obligations hereunder, accruing from and after the date of such transfer, and TJI agrees to look solely to such successor in interest of SBBC for performance of such obligations.

2.53 **SBBC's Default**. SBBC shall in no event be charged with default in the performance of any of its obligations under this Lease Agreement unless and until SBBC shall have failed to perform such obligations within thirty (30) calendar days (or within such additional time as is reasonably required to remedy any such default) after written notice to SBBC by TJI properly specifying and detailing the particulars of wherein and whereby TJI claims SBBC has failed to perform such obligations. No default by SBBC under this Lease Agreement shall give TJI the right to terminate this Lease Agreement or withhold or otherwise abate any sums payable or services deliverable to SBBC by TJI under this Lease Agreement. Notwithstanding the foregoing, termination rights in Sections 3.06-3.07 control.

2.54 **TJI's Default**. This Section 2.54 shall be interpreted in harmony with Section 3.07; cure rights provided in Section 3.07 apply unless expressly stated otherwise in this Section. TJI shall be in default of its obligations hereunder in the event that any of the following occurs:

(a) TJI's failure to make any required cash payment (after application of In-Kind Services) for a period of thirty (30)calendar days after written notice by SBBC;

(b) TJI's failure to observe, keep or perform any of the other terms, covenants, agreements, or conditions of this Lease Agreement or in applicable School Board Policies for a period of thirty (30) calendar days after written notice by SBBC;

(c) The bankruptcy of TJI;

(d) TJI making an assignment for the benefit of creditors;

(e) A receiver or trustee being appointed for TJI or a substantial portion of TJI's assets;

(f) Voluntary petitioning by TJI for relief under, or otherwise seeking the benefit of, any bankruptcy, reorganization, arrangement, or insolvency law;

(g) TJI's deserting, vacating, or abandoning any substantial portion of the Leased Facility or attempting to mortgage or pledge or otherwise encumber in any way its interest hereunder;

(h) TJI's interest under this Lease Agreement being sold under execution or other legal process;

(i) TJI's interest under this Lease Agreement being modified or altered by an unauthorized assignment or subletting or by operation of law;

(j) Any of the goods or chattels of TJI used in, or incident to, the TJI's operations upon the Leased Facility being seized, sequestered, or impounded by virtue of, or under authority of, any legal proceeding;

(k) TJI's failure to pay any other sums payable hereunder when due for two (2) consecutive months or for a total of four (4) months in any term or Renewal Term; or

(l) TJI's failure to operate continuously during normal-operating hours upon the Leased Facility in a fully staffed, fully equipped manner and/or as contemplated as per Section 2.03 of this Lease Agreement; or

(m) In the event of any of the foregoing happenings, SBBC shall give TJI thirty (30) calendar days' notice, and at the end of that notice, then SBBC, at its election, may declare this Lease Agreement to be terminated, ended and null and void, and re-enter upon and take possession of the Leased Facility whereupon all right, title and interest of TJI in the Leased Facility shall end and TJI shall immediately vacate the Leased Facility no later than twenty-four (24) hours thereafter. The exercise by SBBC of this right shall not be deemed to preclude the exercise of any others herein listed or otherwise provided by statute or general law at the same time or in subsequent times or actions.

(n) No re-entry or retaking possession of the Leased Facility by SBBC shall be construed as an election on its part to terminate this Lease Agreement, unless a written notice of

such intention be given to TJI, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any monies due to SBBC hereunder or of any damages accruing to SBBC by reason of the violations of any of the terms, provisions, and covenants herein contained. SBBC's acceptance of any monies following any event of default hereunder shall not be construed as SBBC's waiver of such event of default. No forbearance by SBBC of action upon any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of the terms, provisions, and covenants herein contained. Forbearance by SBBC to enforce one or more of the remedies provided herein upon an event of default shall not be deemed or construed to constitute a waiver of any other violation or default. Legal actions to recover for loss or damage that SBBC may suffer by reason of termination of this Lease Agreement or the deficiency from any reletting as provided for above shall include the expense of repossession or reletting and any repairs or remodeling undertaken by SBBC following repossession. This waiver provision shall apply in harmony with Section 3.15.

2.55 **Brokerage Commission**. TJI warrants that there are no claims for broker's commissions or finder's fees in connection with its execution of this Lease Agreement.

2.56 **Corporate Tenancy**. Each person executing this Lease Agreement on behalf of TJI hereby warrants and certifies to SBBC that TJI is authorized to do business in the State of Florida and has full right and authority to enter into this Lease Agreement. The undersigned office of TJI hereby further warrants and certifies to SBBC that he or she, as such officer, is authorized and empowered to bind the organization to the terms of this Lease Agreement by his or her signature thereto. In the event any such warranties or certifications prove to be false at any time hereafter, all persons who execute this Lease Agreement shall be liable, individually, and jointly and severally. If TJI is a corporation, limited liability company, partnership, limited partnership or other artificial entity (other than one whose shares are regularly and publicly traded on a recognized stock exchange), any change in the ownership of and/or power to vote the majority of the outstanding capital stock of or the power to control the actions, policies or business operations of TJI, whether such change of ownership is by sale, assignment, bequest, inheritance, merger, dissolution, operation of law or otherwise, without the prior written consent of SBBC shall constitute a default of this Lease Agreement. TJI shall have an affirmative obligation to notify immediately SBBC of any such change.

2.57 **Absence of Option**. SBBC has delivered a copy of this Lease Agreement to TJI for TJI’s review only and the delivery hereof does not constitute an offer to TJI or an option to lease or a reservation of option for the Leased Facility, and this Lease Agreement shall become effective only when a copy executed by both SBBC and TJI is delivered to and accepted by SBBC.

2.58 **Operating Expenses a Separate Covenant**. TJI shall not withhold or reduce TJI’s required payments of operating expenses and other charges provided in this Lease Agreement, it being expressly understood and agreed by the parties that such payment is a contractual covenant by TJI that is independent of the other covenants of the parties hereunder.

2.59 **Holding Over**. The failure of TJI to surrender the Leased Facility on the date provided herein for the expiration of any term of this Lease Agreement (or at the time the Lease Agreement may be terminated otherwise by SBBC), and the subsequent holding over by TJI, with or without the consent of SBBC, shall result in the creation of a tenancy at sufferance and TJI shall,

for the duration of such tenancy, pay double the sums payable at the expiration of this Lease Agreement. This provision does not give TJI any right to hold over at the expiration of any term of this Lease Agreement, and SBBC's acceptance of any payments following the expiration of this Lease Agreement shall not be deemed to be a renewal of the term of the Lease Agreement, either by operation of law or otherwise. If TJI has timely delivered notice of renewal under Section 2.16, TJI shall not be deemed a holdover tenant during SBBC's review period.

2.60 **Construction Liens**.

2.60.1 TJI shall not make alterations or improvements except as permitted by Section 2.29 (Improvements), and shall not permit any construction liens to be placed upon the Leased Facility or improvements thereon during the term hereof or any renewal term thereafter, caused by or resulting from any work performed, materials furnished or obligation incurred by or at the request of TJI, and in the case of the filing of any such lien TJI will promptly pay the same. If TJI has not satisfied such lien or transferred it to bond within ten (10) calendar days after written notice from SBBC to TJI, SBBC shall have the right and privilege, solely at SBBC's option, of paying the same or any portion thereof without inquiry as to the validity thereof, and any amounts so paid, including expenses, interest, and reasonable attorneys' and paralegals' fees (whether incurred in court, out of court, on appeal or in bankruptcy or administrative proceedings), shall be considered additional operating expenses hereunder due from TJI to SBBC and shall be repaid to SBBC immediately on rendition of a bill therefor, together with interest per annum at the maximum rate permitted by law until repaid, and if not so paid within ten (10) calendar days of the rendition of such bill shall constitute a default under Section 2.54 hereof.

2.60.2 SBBC's interest in the Leased Facility shall not be subject to liens for improvements made by TJI. TJI shall notify every contractor making such improvements of the provision set forth in the preceding sentence. The Parties agree, should SBBC so request, to execute, acknowledge and deliver, without charge to the other, a Short Form Lease in recordable form in accordance with Chapter 713, Florida Statutes, containing a confirmation that the interest of SBBC shall not be subject to liens for improvements made by TJI to the Leased Facility.

2.61 **Signs and Advertising**. TJI shall not permit the painting or display of any signs, placard, lettering, or advertising material of any kind on or near the exterior of the Leased Facility.

2.62 **Eminent Domain**. If the whole or a portion of the Leased Facility shall be taken for any public or quasi-public use under any statute or by right of eminent domain or private purchase in lieu thereof, then at SBBC's option, but not otherwise, the term hereby demised and all rights of TJI hereunder shall immediately cease and terminate and the sums payable by TJI under this Lease Agreement shall be adjusted as of the date of such termination. TJI shall be entitled to no part of the award made for such condemnation (or other taking). Anything to the contrary notwithstanding, if the Leased Facility are unaffected by such condemnation (or other taking), then at SBBC's sole option, this Lease Agreement and each and every one of its provisions shall continue in full force and effect. Nothing in this Section shall be construed as prohibiting TJI from making an independent claim against the taking authority for TJI's loss, as long as such claim does not in any way decrease, limit or otherwise adversely affect SBBC's claim. If partial taking

results in damage requiring more than 270 days to restore, termination shall follow the procedures in Section 2.64.1.

2.63 **School Board Policies**. TJI shall faithfully observe and comply with the School Board Policies in effect during the term of this Lease Agreement or any Renewal Term. SBBC shall have the right to unilaterally enact additional Policies without the consent of TJI, and the same shall be effective from the date TJI receives notice thereof. TJI shall acquire no vested rights as to its use of the Leased Facility as relates to School Board Policies, and all modifications or additions to or deletions from the School Board Policies shall take effect immediately upon notice of the same by SBBC to TJI, regardless of any past use or practice by TJI upon the Leased Facility. SBBC shall not be responsible to TJI for the nonperformance of any said School Board Policies by any other occupant or user of the building within which the Leased Facility is situated. TJI shall and does hereby have an affirmative obligation to notify its agents, employees, principals, assigns, and invitees of the contents of such School Board Policies and of this Lease Agreement and to assure their compliance therewith, and TJI's indemnification to SBBC under Section 2.39 herein includes, without limitation, TJI's indemnity to SBBC for any claims, losses or damages resulting from TJI's breach or the breach by its agents, employees, principals, assigns, and invitees of the School Board Policies.

2.64 **Damage by Fire or the Elements.**

2.64.1 In the event that the Leased Facility should be totally destroyed by fire, hurricane, tornado or other casualty, or in the event the Leased Facility should be so damaged that rebuilding or repairs cannot be completed within two hundred seventy (270) calendar days after the date of such damage, either SBBC or TJI may, at its option, by written notice to the other given not more than thirty (30) calendar days after the date of such fire or other casualty, terminate this Lease Agreement. In such event, the sums payable under this Lease Agreement shall be abated during the unexpired portion of this Lease Agreement effective with the date of such fire or other casualty.

2.64.2 In the event the Leased Facility should be damaged by fire, hurricane, tornado, or other casualty covered by SBBC's insurance but only to such extent that rebuilding or repairs can be completed within two hundred seventy (270) calendar days after the date of such damage, or if the damage should be more serious but neither SBBC nor TJI elects to terminate this Lease Agreement, then SBBC shall, within thirty (30) calendar days after the date of such damage or such election, commence to rebuild or repair the Leased Facility and shall proceed with reasonable diligence to restore the Leased Facility to substantially the same condition in which they were immediately prior to the happening of the casualty, except that SBBC shall not be required to rebuild, repair or replace any part of the furniture, equipment, fixtures and other improvements which may have been placed by TJI within the Leased Facility. SBBC shall, unless such damage is the result of the negligence or willful misconduct of TJI or TJI's employees, agents, principals, contractors, consultants, assigns, TJI's or invitees, allow TJI a fair diminution of any sums payable to SBBC under this Lease Agreement during the time of such rebuilding or repairs. SBBC shall have no obligation to utilize insurance proceeds to rebuild the Leased Facility, and this Lease Agreement shall terminate upon notice to TJI. Any insurance

which may be carried by SBBC or TJI against loss or damage to the Leased Facility shall be for the sole benefit of the party carrying such insurance and under its sole control.

2.65 **TJI Confidentiality of Education Records**. Notwithstanding any provision to the contrary within this Lease Agreement, the parties shall fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records. The Parties agree to:

(a) Hold the student records and information in strict confidence and not use or disclose except as required by this Lease Agreement or permitted by law. All student records will be disclosed only to those who have a need to access the information in order to perform their assigned duties.

(b) Safeguard the student records through administrative, physical, and technological safety standards to ensure adequate controls are in place to protect these student records in accordance with FERPA's privacy requirements.

(c) Continually monitor its operations and take all actions necessary to ensure that the student information and records are safeguarded in accordance with the terms of this Lease Agreement.

## ARTICLE 3- GENERAL CONDITIONS

3.01 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the parties' respective duties, responsibilities, and obligations under this Lease Agreement.

3.02 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Lease Agreement and shall be fully binding until such time as any proceeding brought on account of this Lease Agreement is barred by any applicable statute of limitations.

3.03 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or TJI under this Lease Agreement. None of the parties intend to benefit a third party directly or substantially by this Lease Agreement. The parties agree that there are no third-party beneficiaries to this Lease Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Lease Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3.04 **Independent Contractor**. The parties to this Lease Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall

represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC or TJI retirement, leave benefits or any other benefits of SBBC or TJI employees shall exist as a result of the performance of any duties or responsibilities under this Lease Agreement. SBBC and TJI shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.05 **Non-Discrimination**.

(a) As a condition of entering into this Lease Agreement, TJI represents and warrants that it will comply with SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 - Supplier Diversity Outreach Program.

(b) As part of such compliance, TJI shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall TJI retaliate against any person for reporting instances of such discrimination. TJI shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of excess marketplace discrimination that have occurred or are occurring in SBBC's relevant marketplace. TJI understands and agrees that a material violation of this clause shall be considered a material breach of this Lease Agreement and may result in termination of this Lease Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

3.06 **Termination**. This Lease Agreement may be canceled by either party with or without cause. If termination is for cause, the parties shall abide by the notice and opportunity to cure provisions set forth in Section 3.07 (Default) hereinbelow. If termination is without cause, such termination shall be effective upon thirty (30) calendar days written notice to each other regarding the desire to terminate this Lease Agreement. In the event of such termination, TJI agrees that it is not entitled to any damages of any kind including any damages that may be attributable to the cancellation of any event planned by TJI. SBBC shall have no liability for any property left on SBBC's property by any party to this Lease Agreement after the termination of this Lease Agreement. Any party contracting with SBBC under this Lease Agreement agrees that any of its property placed upon SBBC's facility pursuant to this Lease Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Lease Agreement and that any such property remaining upon SBBC's facility after that time shall be deemed to be abandoned , title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.07 **Default**. The parties agree that, in the event that either party is in default of its obligations under this Lease Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently

attempting in good faith to cure same, the cure period shall be reasonably extended to allow the defaulting party additional cure time if the party is diligently pursuing a cure and such extension will not materially impair the non-defaulting party's operations. Upon the occurrence of a default that is not cured during the applicable cure period, this Lease Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.06.

3.08 **Annual Appropriation**. The performance and obligations of SBBC and TJI under this Lease Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC or TJI does not allocate funds for the payment of services or products to be provided under this Lease Agreement, this Lease Agreement may be terminated by SBBC or TJI at the end of the period for which funds have been allocated. SBBC or TJI shall notify the other party at the earliest possible time before such termination. No penalty shall accrue to SBBC or TJI in the event this provision is exercised, and SBBC or TJI shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.

3.09 **Excess Funds**. Any party receiving funds paid by SBBC or TJI under this Lease Agreement agrees to promptly notify SBBC or TJI of any funds erroneously received from SBBC or TJI upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

3.10 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. SBBC and TJI shall keep and maintain public records required by SBBC and TJI to perform the services required under this Lease Agreement. Upon request from SBBC's or TJI's custodian of public records, SBBC or TJI shall provide SBBC or TJI with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. SBBC and TJI shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Lease Agreement's term and following completion of the Lease Agreement if SBBC or TJI does not transfer the public records to SBBC or TJI. Upon completion of the Lease Agreement, SBBC and TJI shall transfer, at no cost, to SBBC and to TJI all public records in possession of SBBC or TJI or keep and maintain public records required by SBBC or TJI to perform the services required under the Lease Agreement. If SBBC or TJI transfers all public records to SBBC or TJI upon completion of the Lease Agreement, SBBC or TJI shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If SBBC or TJI keeps and maintains public records upon completion of the Lease Agreement, SBBC and TJI shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC or TJI, upon request from SBBC's or TJI's custodian of public records, in a format that is compatible with SBBC 's or TJI's information technology systems.

**IF A PARTY TO THIS LEASE AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE LEASE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SE 3rd Avenue, 11th Floor, Fort Lauderdale, Florida 33301.**

3.11 (not used).

3.12 **Entire Lease Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Lease Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms herein shall be predicated upon any prior representations or agreements, whether oral or written.

3.13 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Lease Agreement and executed by each party hereto.

3.14 **Preparation of Lease Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Lease Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Waiver**. The parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Lease Agreement and, therefore, is a material term herein. Any party's failure to enforce any provision of this Lease Agreement shall not be deemed a waiver of such provision or modification of this Lease Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.16 **Compliance with Laws**. Each party shall comply with all applicable federal and state and local laws, SBBC policies, TJI's policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Lease Agreement.

3.17 **Governing Law and Venue**. This Lease Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Lease Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Lease Agreement.

3.18 **Binding Effect**. This Lease Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.19 **Assignment**. Neither this Lease Agreement or any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Lease Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC. Section 2.56 shall govern changes in ownership or control of TJI.

3.20 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.21 **Place of Performance**. All obligations of SBBC under the terms of this Lease Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.22 **Severability**. In case any one or more of the provisions contained in this Lease Agreement shall for any reason be held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality., unenforceability or unlawful or void nature of that provision shall not affect any other provision and this Lease Agreement shall be considered as if such invalid, illegal, unlawful, unenforceable or void provision had never been included.

3.23 **Captions**. The captions, section numbers, article numbers, title and headings appearing in this Lease Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Lease Agreement, nor in any way effect this Lease Agreement and shall not be construed to create a conflict with the provisions of this Lease Agreement.

3.24 **Authority**. Each person signing this Lease Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Lease Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Lease Agreement.

3.25 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Lease Agreement.

3.26 **Contract Administration**. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Lease

Agreement. Such actions shall include, but not be limited to, the immediate suspension of the use or occupancy of any or all SBBC Leased Facilities as a result of the anticipation of imminent existence or existence of any of the conditions listed in Article 3.20 - Force Majeure - hereinabove.

3.27 **Counterparts and Multiple Originals**. This Lease Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Lease Agreement.

3.28 **Affidavit Regarding the Use of Coercion for Labor and Services.** Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending a contract with SBBC must provide an affidavit signed by an officer or representative of the non-governmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. A copy of the State of Florida Affidavit Regarding the Use of Coercion for Labor and Services is attached hereto as **Exhibit "C."** The submission of a false affidavit may subject a nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any contract with SBBC shall be terminated by SBBC without recourse if a nongovernmental entity is found to have submitted a false affidavit.

## EXHIBIT B

## In-Kind Services Reconciliation and Valuation Procedures

1. **Purpose**

This Exhibit establishes the procedures, documentation standards, and valuation methodology for reconciling The Journey Institute's ("TJI") in-kind services against the Base Rent and Operating Expenses due under the Lease Agreement with The School Board of Broward County, Florida ("SBBC") for the Broward Estates Early Learning and Resource Center ("BEELRC").

2. **Annual Reconciliation Timeline**

   a. Initial Documentation: Prior to the Lease commencement, TJI shall submit a projected annual budget for in-kind services, detailing personnel assignments, service categories, and estimated costs.

   b. Annual Submission: Within ninety (90) calendar days after the start of each school year, TJI shall submit a reconciliation report for the prior twelve months, including supporting documentation as described below.

   c. SBBC Review: the Superintendent or his/her designee shall review and verify the submission within thirty (30) calendar days of receipt.

   d. Shortfall Payment: If the verified value of in-kind services is less than the total Base Rent and Operating Expenses due (including annual escalators), TJI shall pay the cash difference within thirty (30) calendar days of SBBC's notice.

   e. Overage Credit: If the verified value exceeds the required amount, the excess may be carried forward as a credit to the next annual period. Credits are non-refundable. Credits may be applied to either Base Rent or Operating Expenses unless otherwise directed by SBBC in writing.

3. **Valuation Methodology**

   a. Personnel Costs: In-kind services are valued at the actual, reasonable cost of TJI personnel assigned to BEELRC, including salary, employer-paid benefits, and directly allocable payroll taxes.

   b. Documentation: Timesheets, payroll records, and assignment logs must be provided.

   c. Programmatic Costs: Direct costs for programmatic activities (e.g., instructional materials, supplies) may be included if pre-approved by the Superintendent or his/her designee.

d. Indirect Costs: Indirect costs (e.g., administrative overhead) may be included at a rate not to exceed 10% of direct personnel costs, subject to the Superintendent or his/her designee approval.

**e.** Rate Caps: All costs must be consistent with market rates and not exceed comparable rates for similar services in Broward County.

4. **Allowable Service Categories**
    a. Instructional services delivered to BEELRC students or community members.
    b. Professional development or training for BEELRC staff.
    c. Early childhood education program support.
    d. Other services expressly approved in writing by the Superintendent or his/her designee.
5. **Documentation Requirements**
    a. Personnel:
        i. Name, position, and assignment dates for each TJI employee.
        ii. Timesheets or activity logs showing hours worked at BEELRC.
        iii. Payroll records substantiating salary and benefits.
    b. Programmatic Costs:
        i. Receipts or invoices for materials and supplies.
        ii. Description of program/activity and beneficiaries.
    c. Indirect Costs:
        i. Calculation worksheet showing basis and rate.
    d. Summary Table:
        i. Annual summary showing total in-kind value, Base Rent due, Operating Expenses due, shortfall/overage, and any carry-forward credits.
6. **Dispute Resolution.** If the Superintendent or his/her designee (SBBC's site administrator for BEELRC, with a copy to the Director, Facility Planning & Real Estate Department) and TJI disagree on the valuation or sufficiency of in-kind services, either party may invoke the dispute resolution process in Section 3.07 of the Lease Agreement. TJI shall timely pay any undisputed portion.

7. **Example Calculation (for illustration)**

| Category | Description | Hours/Units | Rate | Total Value |
|---|---|---|---|---|
| Instructor | Early Childhood Course | 40 hrs. | $50/hr. | $2,000 |
| Program Coordinator | Community Outreach | 20 hrs. | $40/hr. | $800 |
| Materials | Supplies for course | N/A | Actual cost | $300 |
| Indirect | 10% of direct personnel | N/A | $280 | $280 |
| **Total** | | | | **$3,380** |

8. **Audit Rights**

SBBC reserves the right to audit all records supporting in-kind service valuation, as provided in Sections 2.41–2.48 of the Lease Agreement.

**[End of Exhibit B]**

# Exhibit C
## State of Florida Affidavit
## Regarding the Use of Coercion for Labor and Services

Respondent Vendor Name: The Journey Institute, Inc

Event Name: Spark Program Date/ Time: 2/13/2026, 1:15pm

Vendor FEIN: 41-2271519

Vendor's Authorized Representative Name and Title: Dr. Harleen Hutchinson, Executive Director

Address: 6635 W. Commercial Blvd, Suite 112

City: Tamarac State: FL Zip Code: 33319

Phone Number: 954-903-8179 Email Address: hhutchinson@thejourneyinstitute.com

Section 787.06(13), Florida Statutes requires all nongovernmental entities executing, renewing, or extending a contract with a governmental entity to provide an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury that the nongovernmental entity does not use coercion for labor or services as defined in that statute.

As the person authorized to sign on behalf of Respondent, I certify that the company identified does not:

- Use or threaten to use physical force against any person;
- Restrain, isolate, or confine or threaten to restrain, isolate, or confine any person without lawful authority and against her or his will;
- Use lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt, the length and nature of the labor or services are not respectively limited and defined;
- Destroy, conceal, remove, confiscate, withhold, or possess any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
- Cause or threaten to cause financial harm to any person;
- Entice or lure any person by fraud or deceit; or
- Provide a controlled substance as outlined in Schedule I or Schedule II of s. 893.03 to any person for the purpose of exploitation of that person.

Under penalties of perjury, I declare that I have read the foregoing document and that the facts stated in it are true.

Staff Follow Up: **26-122 (DH)**
Due Date: March 6, 2026

Established 1915 BROWARD County Public Schools | Educating Today's Students to Succeed in Tomorrow's World

**Topic**: Meeting: March 10, 2026 - RSBM
M-1. Lease Agreement with The Journey Institute, Inc.

**Staff Follow-up**: Why is this in-kind?

**Response**: Policy 8020, *Use of Broward County School Facilities for Non-School Purposes*, Rule 5(d)4, states, "The Superintendent of Schools or designee (Chief Operations Officer), at his or her discretion, is authorized to determine that the rental and/or operational costs due to a Non-Profit Corporation could be satisfied by the Corporation via an in-kind value approach. The Corporation will qualify to satisfy the costs due to it via an in-kind value approach only if the Corporation proposes to utilize the public school facility to provide specific services that would benefit BCPS students. Such services shall include but not be limited to the provision of mental health counseling, improving student achievement, enabling and accomplishing school improvement goals, etc. Additionally, a formal agreement between the School Board and the Corporation must be generated by the Facility Planning & Real Estate Department or pertinent department to memorialize the provisions that would allow the Corporation to utilize and operate from the public school facility to provide the services."

The Journey Institute is a not-for-profit 501(c)(3) organization that receives funding from multiple community agencies and private donors to provide an array of mental health services. They have been identified as a need for the community. The personnel costs to deliver these supports two days a week for four hours a day exceed $1,000 per month. Since these counseling services will be available at no charge to the children and families as part of the comprehensive resources available at Broward Estates Early Learning and Resource Center, the provision in Policy 8020 was applied for this agreement.

**EXECUTIVE SUMMARY**

**Pre-Qualification of Contractors**
**Superintendent's Recommendations for Pre-Qualification Certification**

---

**Board Meeting Date:** March 10, 2026

**Requested Action:**
Approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on February 12, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report.

**School Board Policy Requirement/Authority:** Not Applicable

**Statutory Requirement/Authority:** Yes. The State Requirements for Educational Facilities (SREF), 2014 Edition.

**District-Zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew. Twenty-one (21) firms representing twenty-three (23) licenses will be recertified; Zero (0) firms representing zero (0) licenses will increase limits; One (1) firm is newly certified; and four (4) firms representing four (4) licenses are automatically revoked.
**- If the School Board votes "No":** Denial by the School Board would stop the pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase their limits.

**Background/History**
State statutes, regulations, and School Board policies allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty (60) days. State regulations and School Board policy require that the School Board act on appeals within thirty (30) days, District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Logistic Operations Department administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of a similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. The Procurement & Logistic Operations staff review the applications, make recommendations, and facilitate QSEC meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

"This item identifies fourteen (14) firms representing sixteen (16) licenses that will be re-certified; Two (2) firms are recommended to Increase Limits: 1) LEGO Construction Co., 2) State Contracting & Engineering Corporation."

**Alignment to 2027 Goals and Guardrails:**
Guardrail 3: School Support

**Measurable Outcome(s)/Return on Investment:**
Not Applicable

**Financial Impact, Funding Source & Budget Status:**
There is no financial impact to the District.

**Multi-year agreement: Yes/No**
Not Applicable

**Procurement Method:**
Not Applicable

**Impact on Schools:**
Having a pool of pre-qualified contractors allows us to complete construction projects.

**If there is an impact on schools, how will schools be selected/prioritized:**

**Subject:** **Written Notice of Termination Without Cause**

Dear Timothy Curtis:

The School Board of Broward County, Florida (SBBC), at its March 10, 2026, Regular School Board Meeting, authorized the termination, without cause, of the above-referenced Agreement, that commenced on November 1, 2025 and expires on October 31, 2028 ("Agreement"); and granted the Superintendent of Schools the authority to provide Black's Business Systems d/b/a Services On Site, with a thirty (30) calendar days' written notice of termination without cause of same Agreement.

In accordance with Section 7.55 of the Agreement, this letter hereby serves as the official thirty (30) calendar days' written notice of termination, without cause, of the Agreement. Please be advised that effective April 10, 2026, the Agreement will be officially terminated.

Sincerely,

_____

August 22, 2025

Dear Prospective Bidders,

**SUBJECT: Instructions to Bidders**
**Invitation to Bid: ITB26-029 - Construction Printing Services**

The School Board of Broward County, Florida (SBBC) is interested in receiving bids in response to the attached Invitation to Bid (ITB) for **the Construction Printing Services**. Any questions regarding this ITB should be addressed to me in writing via e-mail to **marleen.padron@browardschools.com**. Once this solicitation is released to the General Public, the Cone of Silence (See General Condition 7.47) shall take effect. Any bidder or lobbyist for a bidder **is prohibited from having any communications concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, or any other School District employee** after Procurement & Warehousing Services releases a solicitation to the General Public. All communications must go through the Purchasing Agent. Any information that amends any portion of this ITB, which is received by any method other than an Addendum issued to the ITB, is not binding on SBBC.

In order to ensure that your bid is in full compliance with all requirements of the ITB, carefully read all portions of the ITB document, paying particular attention to the following areas:

**EMERGING/SMALL/VETERAN/MINORITY/WOMEN BUSINESS ENTERPRISE (E/S/V/M/WBE) CERTIFICATION AND PARTICIPATION (See Attachment A)**
ECONOMIC DEVELOPMENT & DIVERSITY COMPLIANCE DEPARTMENT (EDDC): SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, and the results of the 2023 Disparity Study conducted by Keen Independent Research (KIR). For information on E/S/V/M/WBE Certification, contact The Economic Development and Diversity Compliance Department at 754-321-0770 or visit www.browardschools.com/eddc

- **NON-MANDATORY BIDDERS' CONFERENCE**
  A Bidders' Conference will be held on (**SEE SECTION 2 – CALENDAR**), beginning at Eastern Time (ET), in the Technology and Support Services Center, Procurement & Warehousing Services, 7720 West Oakland Park Boulevard, Sunrise, Florida 33351-6704. Representatives from all interested companies are encouraged to attend.

- **SUBMITTAL REQUIREMENTS**
  Submittal Requirements in Section 1 is a listing of submittals that are required to be part of your bid package. Please make sure that all required submittals have been included as part of your bid package.

- **COMPLETION OF BIDS**
  The Bid Summary Sheets upon which the Bidder submits its prices should be completed electronically (Excel, if applicable). The Bidder Acknowledgement Section must be completed in full and fully executed by an authorized representative of the Bidder. SBBC reserves the right to reject any bid which is not completed in full.

- **PRICING CORRECTIONS**
  SBBC reserves the right not to tabulate any illegible entries, pencil bids, or price corrections that have not been initialed and to reject any bid containing any of these errors.

- **DUE DATE**
  Bids are due electronically (e-bidding through DemandStar) on the date and time stated on Page 1 of the ITB. In order to have your bid considered, it must be received on or before the date and time due. Bids received after 2:00 p.m. ET on the date due will not be considered.

- **STATEMENT OF "NO BID"**
  If you are **not** submitting a bid in response to this ITB, please complete Section 9, Statement of "No Bid," and return via facsimile to 754-321-0533 or scan and send via e-mail to **marleen.padron@browardschools.com**. Your response to the statement "No" Bid is very important to Procurement & Warehousing Services when creating future ITBs.

Thank you for your interest in SBBC. Again, if you have any questions, please contact me at the telephone number or email address stated above.

Marleen Padron
Purchasing Agent II

I hereby certify that I am submitting the following information as my firm's (Bidder) bid and am authorized by Bidder to do so. Bidder agrees to complete and **unconditional** acceptance of the contents of all pages in this Invitation To Bid (ITB) and all appendices and the contents of any Addenda released hereto; Bidder agrees to be bound to any and all specifications, terms, and conditions contained in the ITB, and any released Addenda and understand that the following are requirements of this ITB and failure to comply will result in disqualification of the bid submitted; Bidder has not divulged, discussed, or compared the bid with other Bidders and has not colluded with any other Bidder or party to any other bid; Bidder, its principals, or their lobbyists has not offered campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the Bidder is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3800, Part VIII, as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. Bidder acknowledges that all information contained herein is part of the public record as defined by the State of Florida Sunshine and Public Records Laws; all responses, data, and information contained in this bid are true and accurate.

*I agree that this bid cannot be withdrawn within 90 days from the date due.*

** These are public meetings. The School Board of Broward County, Florida, prohibits any policy or procedure that results in discrimination on the basis of age, color, disability, gender identity, gender expression, national origin, marital status, race, religion, sex, or sexual orientation. Individuals who wish to file a discrimination and/or harassment complaint may call the Director of EEO/ADA Compliance at 754-321-2150 or Teletype Machine (TTY) at 754-321-2158.*

*Individuals with disabilities requesting accommodations under the Americans with Disabilities Act (ADA) may call Equal Educational Opportunities (EEO) at 754-321-2150 or Teletype Machine (TTY) at 754-321-2158.*

# SECTION 3 – SPECIAL CONDITIONS

1. **INTRODUCTION:** The School Board of Broward County, Florida (hereinafter referred to as "SBBC") desires bids on Construction Printing Services as specified herein. The scope of requirements includes, but is not limited to, copying services of blueprints, bonds, and engineered drawings, as well as for optical character recognition and binding services. Prices quoted shall include inside delivery to various schools, departments, and centers within Broward County, Florida. The Awardee(s) shall receive individual Purchase Orders specifying the name and ship-to address of the various schools, departments, and centers.

   **SUBMIT IN TIME FOR BID OPENING:**

   - E-bidding through Demandstar.com

2. **QUESTIONS FROM BIDDERS:** Any questions by prospective Bidders concerning this Invitation to Bid should be addressed to Marleen Padron**, Purchasing Agent in Procurement & Warehousing Services, via email to marleen.padron@browardschools.com** who is authorized only to direct the attention of prospective Bidders to various portions of the bid so they may read and interpret such for themselves. Neither the Purchasing Agent nor any employee of SBBC is authorized to interpret any portion of the bid or give information as to the requirements of the bid in addition to that contained in the written bid document. **Questions should be submitted in accordance with General Condition 7.8 of this ITB.** Interpretations of the bid or additional information as to its requirements, where necessary, shall be communicated to Bidders only by written Addendum. Any verbal or written information, which is obtained other than by information in this ITB document or by Addenda, shall not be binding on SBBC.

3. **NON-MANDATORY BIDDER'S CONFERENCE:** The Bidders' Conference will take place in accordance with the schedule provided in Section 2 – Calendar. Representatives from all interested companies are encouraged to attend. **PLEASE BRING A COPY OF THIS ITB WITH YOU TO THE MEETING.**

   The purpose of the Bidder's Conference is to allow prospective Bidders to bring forth questions they may have, to allow prospective Bidders to be aware of questions other Bidders may have, and to stimulate discussions that will generate questions in an effort to assist prospective Bidders in preparing the best and most comprehensive bid for submission to SBBC. Questions submitted shall be answered by all Bidders via Addenda. All questions shall be submitted in accordance with Section 2 of this ITB. Any information verbally given by any party at the Bidder's Conference shall not be binding on SBBC. Bidders shall only consider the information provided in the ITB or via Addenda.

   In addition, a representative from the SBBC Supplier Diversity & Outreach Program may be present to address questions regarding E/S/V/M/WBE participation.

4. **TERM:** The award of this bid shall establish a three (3) year Agreement beginning on **11/1/2025** or upon approval by the Board, whichever is later. Bids shall not be considered for a shorter period of time. If only one bid is received, the term of the Agreement may be reduced to one year.

5. **RENEWAL/EXTENSION:** The term of the contract may, by mutual agreement between SBBC and the Awardee, be extended for two additional one-year periods and, if needed, 180 days beyond the expiration date of the renewal period. SBBC and Awardee may, by mutual agreement, when exercising the option terms provided herein, extend the Agreement for a term period less than the full one (1) year option term. The Procurement & Warehousing Services Department will, if considering renewing, request a letter of intent to renew from each Awardee before the end of the current contract period. The Awardee will be notified when the recommendation has been acted upon by the School Board.

   When a subsequent award process for the award of the goods or services sought under this competitive solicitation is stopped due to the filing of a formal written protest, The School Board reserves the right to extend any agreement awarded under this competitive solicitation for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until such time as the new award under protest can be approved by The School Board.

6. **AWARD:** This bid shall be awarded in its **ENTIRETY** to ALL, responsive and responsible bidder(s), meeting all specifications, terms, and conditions. Unit prices must be stated in the space provided on the Bid Summary Sheet. It is necessary for a Bidder to bid on every item in the bid in order to have their bid considered. SBBC may need to order an individual component within the bid. All items must have an individual cost. Failure to state the individual cost for any item shall result in the disqualification of the entire bid. It is also required that the Bidder carefully considers each item and makes sure that each one meets the specifications as indicated. In the event that one item does not meet such specifications, the entire bid shall be disqualified.

# SECTION 3 – SPECIAL CONDITIONS (continued)

7. **EMERGENCY ORDERS:** Emergency orders are defined as situations where immediate purchases are required to prevent the loss of service to alleviate the possibility of a situation that would adversely and unduly affect the safety, health, or comfort of a building, occupants, or otherwise cause loss to the District. In the event of an emergency, the District may select, at their discretion, a vendor from the Awardees to provide products/services.

8. **DELIVERY/ FREIGHT: (For Bid Item Only)**

    a. Routine: to be delivered within 3 days of Order Receipt.
    b. Emergency: to be delivered within 1 day of Order Receipt.

9. **ACCEPTANCE OF MATERIALS:** The material delivered under this ITB shall remain the property of the Awardee until a physical inspection and actual usage of this material is made and thereafter accepted to the satisfaction of SBBC and must comply with the terms herein and be fully in accordance with specifications. In the event the material supplied to SBBC is found to be defective or does not conform to specifications, SBBC reserves the right to cancel the order upon written request to the Awardee and return the product to the Awardee at the Awardee's expense. The Awardee will be responsible for picking up defective/rejected materials. After 30 days of notification to the Awardee, if the materials are not removed, they become the property of SBBC. The Awardee shall be responsible for any disposition charges, where applicable.

10. **QUANTITIES:** The quantities listed on the Bid Summary Sheet are estimated quantities to be ordered throughout the Agreement period for each item and are not a guarantee. Actual quantities ordered throughout the Agreement period may be greater or less than the bid estimates and shall be furnished at the fixed Agreement price. Purchases shall be requested as needed throughout the Agreement period, and as few as one each may be ordered at one time except where minimum orders are specifically stated on the Bid Summary Sheet(s).

11. **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for an agreement awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

12. **INSPECTION OF FACILITIES:** In order to be considered for an award, Bidders shall have adequate local stock to supply the requirements of this ITB at the time of bid opening. Therefore, SBBC reserves the right, prior to recommending this bid for an award, to inspect Bidder's facilities to determine if, in the opinion of SBBC's representative, the Bidder's local stock is adequate to meet the requirements of this bid. Adequacy of local stock shall be a determining factor in an award to assure SBBC of the delivery of items specified within., in the opinion of SBBC's representative, it is determined that local stock is not adequate to meet the requirements of this ITB, based upon an inspection of Bidder's facilities, a recommendation shall be made to reject the bid of the vendor(s) not meeting this requirement.

13. **INVOICES:** Delivery copies, packing slips, and invoices to SBBC **MUST** include the following to permit SBBC to verify prices with this Agreement and expedite the use of material. **FAILURE OF AN AWARDEE TO PROVIDE THIS INFORMATION SHALL RESULT IN EITHER THE INVOICE BEING RETURNED FOR CLARIFICATION OR A DELAY IN PROCESSING SAID INVOICE FOR PAYMENT.** Invoices are to be mailed to **The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301 or to the address indicated on the Purchase Order, and emailed to FRDAPHELP@BROWARDSCHOOLS.COM.**

    a. Material release number OR the control number
    b. Purchase Order number
    c. A complete description of the items
    d. Itemized list price
    e. Total dollar amount shall be net

# SECTION 3 – SPECIAL CONDITIONS (continued)

14. **ACH PAYMENTS:** Payments will be made to Awardee(s) by SBBC via ACH (Automated Clearing House) for automatic deposits (credits) after goods or services are provided by the Awardee in accordance with bid requirements. To facilitate payments being directly deposited, the ACH Payment Agreement must be submitted to achrequests@browardschools.com. New vendors can do this as part of the supplier registration process described below. Vendors already registered on SBBC's eProcure Online Supplier Portal can update their information by downloading a copy of the ACH Payment Agreement and submitting the completed form to the Purchasing Help Desk email stated above.

15. **SUPPLIER REGISTRATION:** To become a registered vendor for SBBC, vendors must access, complete, and submit a Supplier Profile Questionnaire (SPQ) through SBBC's new eProcure Online Supplier Portal, powered by Ariba which can be located at https://www.browardschools.com/supplierselfregistration. Purchase Orders or payments cannot be issued to the Awardee without an SAP Vendor number, which is issued after completion of the Online Supplier Portal registration process. Training materials are available via our website at https://www.browardschools.com/PWS (if needed).

16. **COMPANY REPRESENTATIVE:** Bidder(s) should indicate, in the space provided on the Bid Summary Sheet, the name, address, telephone number, etc., of the representative who could make scheduled visits to the schools/departments and who shall be available, upon request, to resolve billing and delivery problems.

17. **VALUE:** No guarantee as to the dollar amount of this bid is implied or given. SBBC is not obligated to place any orders with any Awardee participating in this bid.

18. **PRICE ADJUSTMENTS:** Prices offered shall remain firm through the first three (3) years of the Agreement. A request for a price adjustment, with proper documentation justifying the adjustment, may be submitted in writing thirty (30) calendar days before the third-anniversary date of the Agreement. Price adjustment requests shall be evaluated on an annual basis thereafter. Unit price adjustments must have written approval from SBBC before invoicing. Any unit price adjustment invoiced without written approval from SBBC shall not be paid, and the invoice will be returned to the Awardee for correction.
    a. The Director, Procurement & Warehousing Services, may, in the Director's sole discretion on behalf of the SBBC, equitably adjust pricing if the pricing or availability of supplies is adversely affected by extreme and unforeseen volatility in the marketplace. Consideration for any pricing adjustment shall require the vendor to provide irrefutable evidence that ALL the following circumstances exist:
        i. The volatility is due to causes wholly beyond the vendor's control and
        ii. The volatility affects the marketplace or industry, not just the vendor's source of supply; and
        iii. The effect on pricing or availability of supply is substantial, and
        iv. The volatility so affects the vendor that continued performance of the Agreement would result in a substantial loss.

    Note: Any pricing adjustment must be confirmed in writing by the Director of Purchasing

19. **PRICE REDUCTIONS:** Awarded vendors may offer SBBC, at any time during the period of the Agreement, additional discounts from the prices offered in this ITB and invoice less than the prices offered in their submitted bid. If, from the date of bid opening, the Awardee either bids the same products at a lower price than offered to SBBC or reduces the price of the bidding product, the lowest of these reduced prices shall be extended to SBBC.

20. **W-9 FORMS:** All Bidders are requested to complete a W-9 form, which can be found at https://www.irs.gov/pub/irs-pdf/fw9.pdf, and submit it with their bid.

# SECTION 4 – SPECIFICATIONS & BID SUMMARY (PRICING)

1. **SPECIFICATIONS:** The scope of requirements includes, but is not limited to copying services of blueprints, bonds, and engineered drawings, as well as for optical character recognition and binding services.

2. **BID SUMMARY (PRICING) SHEET:** Complete the attached Excel spreadsheet "Bid Summary Sheet" electronically. If a correction is needed to the Excel spreadsheet, contact the Purchasing Agent as soon as possible. Do not try to re-create or alter the spreadsheet. No handwritten summary sheets will be accepted. The Excel Spreadsheet contains Two (2) tabs. The Excel spreadsheet indicates the specific cell that will be used for award purposes.

3. The Bid Summary Worksheet must be submitted, in time for bid opening.

4. The following is a list of the tabs contained in the Excel spreadsheet and screenshots:

**TAB 1 - COMPANY REPRESENTATIVE:** Bidder(s) should indicate, in the "Company Representative" tab, the name, address, telephone number, etc., of the representative who could make scheduled visits to the schools/departments and who shall be available, upon request, for the purpose of requesting quotes, follow up on delivery, invoicing, or service questions/concerns.

**TAB 2 – PRICING:**

**Bidders must bid on ALL items.**
*Quantities listed are estimates and are not guaranteed.*

**Instructions to Bidder:**
1. Enter pricing information in column H.
2. Formulas will calculate based on pricing entered below.
3. Submit electronic (.xls) on flash drive and printed copy with your bid.
4. Consider the following when pricing items 18 & 19.
a. The average amount of images/impressions per USB Flash Drive is 3,500
b. Project files vary in size, but the average size should be around 2,000 pages

| Item # | Description | Estimated Quantity | Unit of Measure | Price Per Unit of Measure | Total $ Bid Line Item |
|---|---|---|---|---|---|

| | | | | Total | $ - |

## SECTION 4 – SPECIFICATIONS & BID SUMMARY (PRICING) - Continued

**5.** Vendors shall provide black-and-white copying services, including binding with three-hole punch screw posts, spiral, or comb binding, for documents such as project manuals, plans, and individual pages. Vendors are responsible for issuing copies of these materials to contractors and the public at a consistent price. A **24-hour** turnaround is required for all copy requests.

**6.** All pricing must include pickup and delivery of documents to and from the Facilities and Construction Management Division (OFC). Deliveries outside of OFC will be billed to the requesting party. Addenda must be delivered to recipients by the next business day following notification from OFC. Any requests for additional time must be pre-approved by OFC.

**7.** Documents containing original seals must be returned to SBBC after copying. Any erroneous or defective copies must be securely shredded and disposed of by the vendor at no additional cost.

**8.** Copying services must begin within **24 hours** of notification from OFC and proceed without interruption until completion.

**9.** All paper used must be 20-lb., long grain, white or colored bond paper. Card stock covers must be 67-lb., color-coded as follows: blue for elementary schools, yellow for middle schools, red for high schools, green for centers and administrative sites, and white for district-wide projects.

**10.** All copies and bindings must be clear, legible, and of high quality. SBBC reserves the right to inspect and reject any substandard work. Deliveries must be made to designated Facilities and Construction Department locations, as assigned.

**11.** Vendors are fully responsible for all SBBC materials in their possession and must replace any lost or damaged documents at no additional cost to SBBC.

**12.** Vendors must be able to process single-sided, double-sided, bound, unbound, and slip-sheeted documents. Manuals must be printed double-sided with each section beginning on the right-hand page. Vendors must review and organize documents to ensure no pages are missing and all content, including engineering-size prints, is accurately reproduced.

**13.** At least two employees must be available during regular business hours (8:00 a.m. – 5:00 p.m.) to respond to print requests and customer inquiries. In the event of employee separation (e.g., resignation, termination, or extended leave), the vendor must ensure continuity of service by providing a qualified temporary or replacement employee within one business day, so that the requirement of two available staff during regular business hours is continuously met without interruption to SBBC operations.

**14.** Vendors must offer online access for document ordering, payment (via EFT, PayPal, credit/debit card), and the ability to view or download scanned documents.

**[THIS SPACE IS INTENTIONALLY LEFT BLANK]**

# SECTION 5 – MINIMUM INSURANCE REQUIREMENTS

**Insurance Requirements.** The Awardee shall comply with the following insurance requirements throughout the term of this Agreement.

1. **General Liability.** Limits not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate. Limits not less than $1,000,000 for Products/Completed Operations Aggregate.

2. **Professional Liability/Errors & Omissions.** Awardee shall maintain Professional Liability/Errors & Omissions insurance during the term of this Agreement with a limit of not less than $1,000,000 per occurrence covering services provided under this Agreement.

3. **Workers' Compensation.** Florida Statutory limits in accordance with Chapter 440; Employer's Liability limits not less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

4. **Auto Liability.** Owned, Non-Owned, and Hired Auto Liability with Bodily Injury and Property Damage limits of not less than $1,000,000 Combined Single Limit.

   If the Awardee does not own any vehicles, hired and non-owned automobile liability coverage in the amount of $1,000,000 shall be accepted. In addition, an affidavit signed by the Awardee must be furnished to SBBC indicating the following:

   _____ (Awardee Name) does not own any vehicles. In the event the insured acquires any vehicles throughout the term of this Agreement, the insured agrees to provide proof of "Any Auto" coverage effective the date of acquisition.

5. **Acceptability of Insurance Carriers.** The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A- VI by AM Best or Aa3 by Moody's Investor Service.

6. **Verification of Coverage** Proof of insurance must be submitted to the insurance tracking system within fifteen (15) days of this notification. You will receive a system-generated email within three (3) business days of this letter with insurance requirements and a unique link to upload your certificate of insurance (located at the bottom of the email as a blue box labeled Upload COI). YOU MUST RECEIVE A NOTICE OF COMPLIANCE.
   i. New vendors will receive an email notification requesting account verification and insurance agent information.
   ii. Existing vendors will receive an email notification of the current status.

6. **Required Conditions.** Liability policies must contain the following provisions. In addition, the following wording must be included on the Certificate of Insurance:
   i. The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insured.
   ii. All liability policies are primary of all other valid and collectible coverage maintained by the School Board of Broward County, Florida.
   iii. Certificate Holder: **The School Board of Broward County, Florida, 600 SE 3rd Avenue, Fort Lauderdale, Florida 33301**

7. **Cancellation of Insurance.** Awardee is prohibited from providing services under this Agreement with SBBC without the minimum required insurance coverage and must notify SBBC within two business days if the required insurance is canceled.

8. **Acceptability of Insurance.** The School Board of Broward County, Florida, reserves the right to review, reject, or accept any required policies of insurance, including limits, coverages, or endorsements, herein throughout the term of this Agreement.

**[THIS SPACE IS INTENTIONALLY LEFT BLANK]**

# SECTION 6 – ECONOMIC DEVELOPMENT AND DIVERSITY COMPLIANCE (EDDC)

# SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP)

**ECONOMIC DEVELOPMENT & DIVERSITY COMPLIANCE DEPARTMENT (EDDC):** SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, and the results of the 2023 Disparity Study conducted by Keen Independent Research (KIR). The provisions of the Policy shall apply to all competitive solicitations for Construction, Architectural & Engineering, Professional Services, Goods and Other Services, and any resulting contract documents, including change orders and amendments. For information on E/S/V/M/WBE Certification, contact The Economic Development and Diversity Compliance Department at 754-321-0770 or visit www.browardschools.com/eddc.

**Nondiscrimination:** Each Proposer/Bidder hereby certifies and agrees that the following information is correct: In preparing its response to this solicitation, the Proposer/Bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers and has not engaged in "discrimination" as defined in School Board Policy 3330 – Supplier Diversity Outreach Program, Section D.1.; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses to this Bid, it is understood and agreed that if this certification is false, such false certification will constitute grounds for SBBC to reject the response submitted by the Proposer/Bidder on this solicitation and terminate any contract awarded based on the response as a condition of submitting a response to SBBC, the Proposer/Bidder agrees to comply with SBBC's Commercial Nondiscrimination Policy as described under its School Board Policy 3330.

**Industry–Specific Remedial Affirmative Procurement Initiative (API): Goal Setting Committee (GSC) has assigned the following API:**

**In accordance with SBBC Policy No. 3330, and the results of the 2023 Disparity Study conducted by Keen Independent Research the GSC has established, for contracts related to the purchase of "Goods and Other Services, an EDDC Certified Bidder Pricing Preference. A Three percent (3%) price preference is applied *If* Prime is EDDC Certified ESVMWBE.**

**After the application of all other Bidder Preference Laws, Responsive, Responsible, EDDC certified ESVMWBE bidder/ proposer(s), meeting the specified requirements, and whose bids fall within three percent (3%) of the lowest non-EDDC certified bidder, this certified bidder/proposer will receive a price preference incentive.**

**Documentation and Certification:** All bidder/proposer(s) must submit Document 00471 (see Attachment A) at the time of submission. All Prime bidder/proposer(s) committing to subcontracting with an EDDC certified ESVMWBE Firm must also include Doc. 00475 and 00470 along with a copy of the subcontractor/subconsultant(s) EDDC Certificate.

To access the list of current E/S/V/M/WBE certified firms and information on how to become certified, visit https://www.browardschools.com/sdop.

**Reporting Requirements:**

**MANDATORY - Post-Award Monthly Compliance Monitoring/Reporting Requirements:**
Proposals that result in contracts being awarded must fully participate and comply with the EDDC Program Requirements.

If awarded, ALL awardees shall log into the SDOP Management System powered by B2Gnow.
Prime vendors must report all revenue and payment sources generated from the contract, and all payments made to E/S/V/M/WBE subcontractors must be reported by the 10th of every month.

**NOTE**: In addition, any changes to the utilization and/or subcontracting plan, as well as any substitutions, deletions, and/or terminations, must be approved in advance and in writing by the EDDC Department.

**[THIS SPACE IS INTENTIONALLY LEFT BLANK]**

# SECTION 7 – GENERAL CONDITIONS

7.1 **LIABILITY: This General Condition of the ITB is NOT subject to negotiation or exemptions, and any proposal that fails to completely accept these conditions shall be rejected as "non-responsive."**

7.1.1 By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

7.1.2 By AWARDEE: Awardee agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by the Awardee, its agents, servants or employees; the equipment of the Awardee, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of Awardee or the negligence of Awardee's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses be for damages, damage to property including SBBC's property, and injury or death of any person whether employed by the Awardee, SBBC or otherwise.

7.2 **SEALED PROPOSAL REQUIREMENTS:** The "**Required Response Form**" (Section 1.0) **must be completed, either manually or digitally signed (in blue ink, preferably), and returned with your submitted proposal in order to be considered for award.** Electronic signatures on bid documents will be accepted pursuant to Section 668.004, Florida Statutes. To be considered, all proposals must be delivered in a sealed envelope (package, box, etc.), clearly marked with the words "Proposal Documents," Invitation to Bid (ITB) number, and the title of the ITB and received in the Procurement & Warehousing Services Department no later than the specified date and time for the Invitation to Bid opening.

7.2.1 **PROPOSER'S RESPONSIBILITY:** It is the responsibility of the Proposer to be certain that all numbered pages of the ITB and all attachments thereto are received and all Addendum released are received prior to submitting a proposal without regard to how a copy of this ITB was obtained.

It is the responsibility of the Proposer to make sure the original proposal matches the digital copy as requested in the ITB. SBBC is not responsible for missing information in the proposal copies. Failure to check your proposal for missing information shall be at the risk of the Proposer and shall not be the responsibility of SBBC.

7.2.2 **PROPOSAL SUBMITTED:** Completed proposal must be submitted in a sealed envelope (package, box, etc.) with the ITB number and name clearly typed or written on the front of the envelope (package, box, etc.). Proposals must be time-stamped in the Procurement & Warehousing Services Department on or before 2:00 p.m. ET on the date due for the proposal to be considered**.** Proposals will be opened at 2:00 p.m. ET on the date due as stated in the ITB or Addendum. Failure to submit such a proposal in a timely manner shall disqualify the Proposer, and such proposal will either be returned to the Proposer or stored and unopened. NO FAXED PROPOSALS SHALL BE ACCEPTED. **The School Board of Broward County, Florida (SBBC) reserves the right to reject any proposal that fails to comply with these submittal requirements.**

7.2.3 **EXECUTION OF PROPOSAL:** The proposal must contain an original manual or digital signature (in blue ink) of an authorized representative who can bind the company to the requirements of the ITB in the space provided on the **Required Response Form** (Section 1.0). All proposals must be typewritten. It is requested that the submitted proposal follow the exact format as outlined in the ITB.

7.2.4 **BIDDING PREFERENCE LAWS:** The State of Florida provides a Proposer's preference for Florida vendors for the purchase of personal property. **SERVICES ARE NOT COVERED UNDER THIS REQUIREMENT**. The local preference is five (5) percent. Proposers outside the State of Florida must have an attorney licensed to practice law in the out-of-state jurisdiction, as required by Florida Statute 287.084(2), execute the "**Opinion of Out-of-State Bidder's Attorney on Bidding Preferences**" form and must submit this form with the submitted proposal. Such an opinion should permit SBBC's reliance on such an attorney's opinion for purposes of complying with Florida Statute 287.084. Florida Proposers must also complete its portion of the form. Failure to submit and execute this form, along with the proposal, shall result in the proposal being considered "non-responsive" and rejected.

7.3 **SUBMITTAL OF PROPOSALS:** All Proposers are reminded that it is the sole responsibility of the PROPOSER to assure that their proposal is time-stamped in **PROCUREMENT & WAREHOUSING SERVICES on or before 2:00 p.m. ET on the date due (See Calendar Section 2.0)**. Late proposals shall not be accepted. The address for proposal submittal, including hand-delivery and overnight courier delivery, is indicated as **7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704**. The Proposer is fully and completely responsible for the payment of all delivery costs associated with the delivery of their proposal or related material. Procurement & Warehousing Services will not accept delivery of any proposal or related material requiring the School Board to pay for any portion of the delivery cost or the complete delivery cost. Prior to proposal submittal, it is the responsibility of the Proposer to be certain that all Addenda released has been received, that all Addendum requirements have been completed, and that all submittals required by the Addendum have been filed in a timely manner. (See General Condition 7.2.2)

7.4 **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation, as they were released by SBBC or amended via Addendum, are valid. Any modification to any term or condition by a vendor is not binding unless it is expressly agreed to, in writing, by SBBC.

7.5 **PRICES QUOTED:** All prices for goods quoted shall be F.O.B. Destination and freight prepaid (Proposer pays and bears freight charges). Proposer owns goods in transit and files any claims unless otherwise stated in the Special Conditions of the ITB. In case of a discrepancy in computing the amount of the proposal, the **Unit Price** quoted shall govern. For services, the unit price shall be all-inclusive of services performed.

a) **TAXES:** The School Board of Broward County, Florida, does not pay Federal Excise and State taxes on direct purchases of tangible personal property. The applicable tax exemption number is shown on the Purchase Order. This exemption does not apply to purchases of tangible property made by contractors who use tangible personal property in the performance of contracts for the improvement of School Board-owned real property as defined in Chapter 192 of the Florida Statutes.

b) **MISTAKES:** Proposers are expected to examine the specifications, delivery schedules, proposal prices and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at the Proposer's risk.

c) **CONDITIONS AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this proposal shall be new (current production model at the time of this proposal) unless otherwise specified in this ITB. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the proposal, all manufactured items and fabricated assemblies shall be UL listed where such has been established by UL for the item(s) offered and furnished. In lieu of the UL listing, the Proposer may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NTRL) Recognition Program.

e) **PROPOSER'S CONDITIONS:** Proposal conditions and specifications shall not be changed, altered, or conditioned in any way. The Evaluation Committee reserves the right to reject any conditional proposal.

7.6 **SAMPLES:** Samples of items, when required, must be furnished free of expense within five (5) working days unless otherwise stated in the ITB or by the Purchasing Agent's letter to the Proposer requesting the sample(s). If the Proposer must have the sample(s) returned, then the sample(s) will be returned at the Proposer's expense. Proposer(s) will be responsible for the removal of all sample(s) furnished within thirty (30) days after the award of the ITB. All sample(s) will be disposed of after thirty (30) days after the award of the ITB.

Each individual sample must be labeled with the Proposer's name, ITB Number, and item number. Failure of the Proposer to either deliver the required sample(s) or to clearly identify samples as indicated may be a reason for rejection of the proposal item. Unless otherwise indicated in the ITB, sample(s) should be delivered to the Procurement & Warehousing Services Department, The School Board of Broward County, Florida, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida, 33351-6704.

7.7 **DELIVERY: ALL DELIVERIES SHALL BE F.O.B. DESTINATION POINT: Shipping points offered other than F.O.B. Destination shall be rejected**. Unless the actual date of delivery is specified (or specified delivery cannot be met), show the number of days required to make delivery after receipt of the Purchase Order in the space provided. Delivery time may become a basis for making an award (see Special Conditions). Delivery shall be within the normal working hours of the user, Monday through Friday, excluding state holidays and days during which the school district administration is closed.

7.8 **INTERPRETATIONS:** Any questions concerning conditions and specifications must be submitted in writing and received by the Procurement & Warehousing Services Department as requested in the Conditions of the ITB, Information. If necessary, an Addendum will be issued. (Section 3, Special Condition 2)

7.9 **EVALUATION COMMITTEES AND PROPOSALS:** SBBC and its Evaluation Committees evaluate and negotiate all proposals in accordance with State Statutes 119.071 and 286.0113.

7.10 **AWARDS:** In the best interest of SBBC, the Procurement & Warehousing Services Department reserves the right to withdraw this ITB at any time prior to the time and date specified for the ITB opening. The Evaluation Committee reserves the right to reject any or all proposals received when there is sound documented business reason(s) that serve the best interest of SBBC. The Evaluation Committee reserves the right to accept any item or group of items unless qualified by the Proposer. All awards made as a result of this ITB shall conform to applicable Florida Statutes and be governed by the laws of the State of Florida and must have a venue established in the 17th Judicial Circuit Court of Broward County, Florida, or the United States Court of the Southern District of Florida.

7.11 **PROPOSAL OPENING:** The proposal opening shall be made public on the date and at the time specified in the ITB. Any proposal(s) received after that time shall not be considered for award. (See Required Response Form Section 1.0)

7.12 **ADVERTISING:** In submitting a proposal, Proposer agrees not to use the results therefrom as a part of any commercial advertising without prior approval of the School Board.

7.13 **INSPECTION, ACCEPTANCE, & TITLE: Inspection and acceptance will be at the** destination unless otherwise provided in the ITB. Title to/or risk of loss or damage to all items shall be the responsibility of the Awardee until acceptance by SBBC unless loss or damage resulting from negligence by SBBC. If the materials or services supplied to SBBC are found to be defective or not conform to specifications, SBBC reserves the right to cancel the order upon written notice to the Awardee(s) and return the product at the Awardee's expense.

7.14 **PAYMENT:** Payment will be made by SBBC after the items awarded have been received, inspected, found to comply with award specifications free of damage or defect, and properly invoiced. Services will be paid after they have been performed and meet the requirements of the ITB. All payments will be made by ACH (Automated Clearing House) for automatic deposits (credits).

7.15 **CONFLICT OF INTEREST AND CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP:** Section 112.313 (3) and (7), Florida Statutes, sets forth restrictions on the ability of SBBC employees acting in a private capacity to rent, lease, or sell any realty, goods or services to SBBC. It also places restrictions on SBBC employees concerning outside employment or contractual relationships with any business entity that is doing business with SBBC. Each Proposer is to disclose any employees it has who are also SBBC employees by submitting **Attachment B, Disclosure of Potential Conflict of Interest and Conflict Employment or Contractual Relationship**, with its proposal. Any employees identified by the Proposer when completing **Attachment B** should obtain legal advice as to their obligations and restrictions under Section 112.313 (3) and (7), Florida Statutes.

7.16 **INSURANCE:** The proposer, by virtue of submitting a proposal, shall be in full compliance with paragraph 7.24 LIABILITY INSURANCE, LICENSES, AND PERMITS of the General Conditions. Insurance Requirements are shown in Section 5.0 of this ITB. The Proposer shall take special notice that SBBC shall be named as an additional insured under the General Liability policy, including product liability. (Refer to the Special Conditions of the ITB for the threshold requirements)
The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A-VI by AM Best or Aa3 by Moody's Investor Service. All policies must remain in effect during the performance of the contract. (Section 5.0)

**7.17 LICENSES, CERTIFICATIONS, AND REGISTRATIONS:** As of the ITB Opening Date, the Proposer must have all Licenses, Certifications, and Registrations required when performing the services as described herein in order for a proposal to be considered a responsive and responsible proposal. Licenses, Certifications, and Registrations required for this ITB shall be as required by Chapter 489, Florida Statutes, as currently enacted or as amended from time to time; by the State Requirements for Educational Facilities (SREF), latest version; and by Broward County, Florida. The proposer must submit a copy of all its current Licenses, Certifications, and Registrations required as described herein, either with its proposal or within five (5) working days of notification.

7.18 **BID BONDS, PERFORMANCE BONDS, AND CERTIFICATES OF INSURANCE:** Bid bonds, when required, shall be submitted with the proposal in the amount specified in Special Conditions. Bid bonds will be returned to non-Awardees. After acceptance of the proposal, the School Board will notify the Awardee to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. Upon receipt of the performance bond, the bid bond will be returned to the Awardee.

*An Awardee who has any License, Certification, or Registration either suspended, revoked, or expired after the date of the Bid Opening shall provide notice to the Director of Procurement & Warehousing Services Department within five (5) working days of such suspension, revocation, or expiration. However, such suspension, revocation, or expiration after the date of the ITB opening shall not relieve the Awardee of its responsibilities under a contract awarded under this ITB.*

7.19 **PRIORITY OF DOCUMENTS:** In the event of a conflict between the documents, the order of priority of the documents shall be as follows:
a) Any Agreement resulting from the award of this ITB; then
b) Addenda released for this ITB, with the latest Addendum taking precedence; then
c) The ITB; then
d) Awardee's proposal.

7.19.1 **DISPUTES:** In the event of any dispute or difference of opinion concerning the interpretation of the Agreement and any documents incorporated therein, the decision of SBBC shall be final and binding upon all parties.

7.20 **PATENTS & ROYALTIES:** Awardee(s), without exception, shall indemnify and save harmless The School Board of Broward County, Florida, and its employees from liability of any nature or kind, including cost and expenses for any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The School Board of Broward County, Florida. If the Awardee(s) uses any design, device, or materials covered by letters, patents, or copyright, it is mutually understood and agreed without exception that the proposal prices shall include all royalties or costs arising from the use of such design, device or materials in any way involved in the work.

7.21 **OSHA:** Awardee warrants that the product(s) supplied to The School Board of Broward County, Florida, shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of contract.

7.22 **SPECIAL CONDITIONS:** The Superintendent or Designee has the authority to issue Special Conditions and Specifications as required for individual proposals. Any and all Special Conditions that may vary from these General Conditions shall have precedence.

*7.23* ***NONDISCRIMINATION:*** NONDISCRIMINATION: The respondent hereby certifies and agrees that the following information is correct: In preparing its response on this project, the respondent has considered all proposals submitted from qualified, potential subcontractors and suppliers and has not engaged in "discrimination" as defined in the District's Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that if this certification is false, such false certification will constitute grounds for the School District to reject the response submitted by the respondent on this project and terminate any contract awarded based on the response. As part of its response, the respondent shall provide to the School District a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the respondent discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. As a condition of submitting a response to the School Board, the respondent agrees to comply with the District's Commercial Nondiscrimination Policy as described under its School Board Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1.

7.24 **QUALITY:** All materials used for the manufacture or construction of any supplies, materials, or equipment covered by this ITB shall be new unless otherwise specified. The items bid must be new, the latest model of the best quality, and the highest grade workmanship. Product(s) offered that have not been previously used in any way and are being actively marketed by the manufacturer will be accepted. Minor parts within the product(s) may have remanufactured components. Therefore, **reconditioned, refurbished, rebuilt, discontinued, used, shopworn, demonstrator, prototype, or other types of product(s) of this kind are not acceptable and will be rejected.**

7.25 **LIABILITY INSURANCE, LICENSES, AND PERMITS:** Where Awardees are required to enter or go onto School Board property to deliver materials or perform work or services as a result of an ITB award, the Awardee agrees to The Hold Harmless Agreement stated herein and will assume the full duty obligation and expense of obtaining all necessary licenses, permits, and insurance. The Awardee shall be liable for any damages or loss to

7.25 (continued) the School Board occasioned by the negligence of the Awardee (or agent)or any person the Awardee has designated in the completion of the contract as a result of their bid.

7.26 **CANCELLATION:** In the event any of the provisions of this ITB are violated by the Awardee, the Director of Procurement & Warehousing shall give written notice to the Awardee stating the deficiencies and unless deficiencies are corrected within five (5) business days (or as required), a recommendation will be made to the School Board for immediate cancellation of the Awardee's contract.

7.27 **BILLING INSTRUCTIONS:** Invoices, unless otherwise indicated, must show Purchase Order numbers and shall be submitted in duplicate to The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301 or emailed to FRDAPHELP@BROWARDSCHOOLS.COM. Payment will be made a minimum of thirty (30) calendar days after delivery, authorized inspection, and acceptance. When vendors are directed to send invoices to a school, the school will make direct payments to the vendor.

7.28 **DELIVERING TO CENTRAL WAREHOUSE:** Receiving hours are Monday through Friday (excluding state holidays and days during which the school district administration is closed), **7:00 a.m. to 2:00 p.m. ET.**

7.29 **SUBSTITUTIONS:** The School Board of Broward County, Florida, ***WILL NOT*** accept substitute shipments of any kind. Awardees are expected to furnish the brand/manufacturer quoted in their proposal once awarded by the School Board. Any substitute shipments shall be returned at the Awardee's expense.

7.30 **FACILITIES:** SBBC reserves the right to inspect the Awardee's facilities at any time with prior notice. SBBC may use the information obtained from this to determine whether a Proposer is a responsible bidder.

7.31 **ASBESTOS AND FORMALDEHYDE STATEMENT:** All building materials, pressed boards, and furniture supplied to SBBC shall be **100% asbestos-free. It is desirable that all building materials, pressed boards, and furniture supplied to the school board be 100% formaldehyde-free.** Proposer, by virtue of bidding, certifies by signing the proposal that, if awarded this ITB, only building materials, pressed boards, and/or furniture that is **100% asbestos-free** will be supplied.

7.32 **ASSIGNMENT:** Neither any award of this ITB nor any interest in any award of this ITB may be assigned, transferred, or encumbered by any party without the prior written consent from the Director, Procurement & Warehousing Services. There shall be no partial assignments of this ITB, including, without limitation, the partial assignment of any right to receive payments from SBBC.

7.33 **EXTENSION:** In addition to any extension options contained herein, SBBC is granted the right to extend any award resulting from this ITB for the period of time necessary for SBBC to release, award, and implement a replacement ITB for the goods, products, and/or services provided through this ITB. Such extension shall be at the same prices, terms, and conditions as existed at the time of SBBC's exercise of this extension right. The period of any extension under this provision **shall not be for a period in excess of six (6) months** from (a) the termination date of a contract entered into as a result of this bid or (b) the termination date under any applicable period of extension under a contract entered into as a result of this bid.

When a subsequent contract award process for the award of the goods or services sought under this competitive solicitation is stopped due to the filing of a formal written protest, The School Board reserves the right to extend any contract awarded under this competitive solicitation for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until the new award under protest can be approved by the School Board.

7.34 **OMISSION FROM THE SPECIFICATIONS:** The apparent silence of this specification and any Addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best available units or service shall be provided, and the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this Agreement.

7.35 **SUBMITTAL OF INVOICES:** All Proposers are hereby notified that any invoice submitted as a result of the award of this ITB must be in the same format as any Purchase Order released as a result of the award of this ITB. **Each line of the invoice must reference a corresponding single line shown on the Purchase Order.** A single invoice line must not correspond to or commingle the cost shown on multiple Purchase Order lines. An invoice submitted that does not follow the same format and line numbering as shown on the purchase order will be deemed incorrect and will be returned to the vendor by the accounts payable department for correction. The address for submitting invoices is included in the Purchase Order.

7.36 **PURCHASE AGREEMENT:** This ITB, written Agreement, and the corresponding Purchase Orders will constitute the complete agreement. SBBC will not accept proposed terms and conditions that are different from those contained in this ITB, including pre-printed text contained on catalogs, price lists, other descriptive information submitted, or any other materials. By virtue of submitting a proposal, Awardee(s) agrees to not submit to any SBBC employee, for signature, any document that contains terms and conditions that are different from those contained herein and that in the event any document containing any term or condition that differs from those contained herein is executed, the said document shall not be binding on SBBC.

7.37 **SBBC INFORMATION SECURITY GUIDELINES:** It is the responsibility of the Awardee to read and adhere to the SBBC Information Security Guidelines when using any device connected to the SBBC's network. Following the conclusion of the contract term, all of SBBC's confidential information must be removed from the Awardee's equipment, and all access privileges must be revoked. The final payment will be withheld until the Awardee has confirmed, in writing, that all SBBC's confidential information has been purged from any and all electronic technology devices that were used during this contract and were connected to the SBBC's network.

7.38 **SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP) PARTICIPATION:** SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, Supplier Diversity Outreach Program. The purpose of the program is to utilize available small, minority, and women businesses within the Board's market area to compete for the award of SBBC construction and purchasing contracts. S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity Outreach Program Office prior to the submission of a bid proposal. **For information on S/M/WBE Certification, contact SBBC's Supplier Diversity Outreach Program at 754-321-0550 or http://www.browardschools.com/Page/58686**.

7.39 **SBBC PHOTO IDENTIFICATION BADGE & BACKGROUND SCREENING:** Awardee agrees to comply with all the requirements of Sections 1012.32 and 1012.465, Florida Statutes, and that Awardee and all its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. **Personnel shall include employees, representatives, agents, or sub-contractors performing duties under the contract to SBBC and who meet any or all of the three (3) requirements identified above.** This background screening will be conducted by SBBC in advance of the Awardee or its personnel providing any services. The awardee will bear the cost of acquiring the background screening required under Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to the Awardee and its personnel. The Parties agree that the failure of the Awardee to perform any of the duties described in this section shall constitute a material breach of this ITB, entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. Awardee agrees to indemnify and hold harmless SBBC, its officers, and employees of any liability in the form of physical or mental injury, death, or property damage resulting in Awardee's failure to comply with the requirements of this section or Sections 1012.32 and 1012.465, Florida Statutes.

**SBBC-issued identification badges must be worn at all times when on SBBC property and must be worn where they are visible and easily readable.**

As of 7/01/15, Fieldprint, Inc. has been contracted to provide all background and fingerprinting services. All questions pertaining to fingerprinting, photo identification, and background check services must be directed to the Project Coordinator at 754-321-1830 or 754-321-2374. **Each individual for whom an SBBC photo identification badge is requested must be registered on the Fieldprint, Inc. applicant enrollment website.** A background check will be conducted for each badge applicant. SBBC reserves the right to require additional information, should it be necessary, and to deny the issuance of a badge to an applicant. Any applicant that has been denied a badge is prohibited from entering SBBC property as an employee, sub-contractor, or agent of a contract Awardee. **The applicant enrollment and scheduling website is www.fieldprintbrowardschools.com.** The total fee(s) for the SBBC photo identification badge, fingerprinting, and an FBI background check can be found at the following website:

**https://www.browardschools.com/Page/35284**
Click on the link for Fieldprint Codes and Pricing.

7.39 (continued) Payment options can be made by electronic check (e-check), Visa, MasterCard, or use of an established escrow account code.

**These fees are non-refundable and are subject to change without notice. Badges are issued for a one-year period and must be renewed annually. The renewal date will be one (1) year from the date of issuance. Failure to renew the badge at that time will result in the vendor being required to re-apply and pay the going rate for badging and fingerprinting. Vendors shall return expired and/or terminated employee badges to the following location: The School Board of Broward County, Florida, Attn: Fieldprint, Inc., 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301.**

7.40 **PROTESTING OF BID CONDITIONS/SPECIFICATIONS:** Any person desiring to protest the conditions/specifications in this ITB or any Addenda subsequently released thereto shall file a notice of intent to protest, in writing, **within 72 hours after the electronic release of the competitive solicitation or Addendum** and shall file a formal written protest within ten (10) calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays, or days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday, Sunday, state holiday or day during which the school district administration is closed. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."**

**Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800, within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protest, formal written protests, and the bonds required by SBBC Policy 3800 shall be filed at the office of the Director, Procurement & Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.41 **POSTING OF BID RECOMMENDATIONS/TABULATIONS:** ITB Recommendations and Tabulations will be posted on www.demandstar.com **SEE SECTION 2.0 - CALENDAR** and will remain posted for 72 hours. Any change to the date and time established herein for the posting of ITB Recommendations/Tabulations shall be posted at www.demandstar.com (under the document section for this ITB). In the event the date and time of the posting of ITB Recommendations/Tabulations are changed, it is the responsibility of each Proposer to ascertain the revised date of the posting of ITB Recommendations/Tabulations. Any person desiring to protest the intended decision shall file a notice of protest, in writing, within 72 hours after the posting of the ITB tabulation and shall file a formal written protest within ten (10) calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays, and days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday or Sunday, state holiday or days during which the school district administration is closed. No submissions made after the Bid opening amending or supplementing the Bid shall be considered. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."** Any person who files an action protesting an intended decision shall post with SBBC, **at the time of filing the formal written protest,** a bond payable to SBBC in an amount equal to one percent (1%) of SBBC's estimate of the total volume of the contract. SBBC shall provide the estimated contract amount to the Proposer within 72 hours, excluding Saturdays, Sundays, and other days during which SBBC administration is closed, of receipt of notice of intent to protest. The estimated contract amount is not subject to protest pursuant to Section 120.57(3), Florida Statutes. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check, or money order in the amount of the bond.

If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. If the protestant prevails, then the protestant shall recover from the School Board all costs and charges which shall be included in the Final Order or judgment, excluding attorney's fees. **All documentation necessary for the protest proceedings will be provided electronically by SBBC.**

7.41 **(continued) Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800 within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protests, formal written protests, and the bonds required by Policy 3800 shall be filed at the office of the Director, Procurement and Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.42 **PACKING SLIPS:** It will be the responsibility of the Awardee to attach all packing slips to the Purchase Order number/control number. Failure to provide a packing slip attached to the outside of the shipment will result in the refusal of shipment at the vendor's expense.

7.43 **USE OF OTHER CONTRACTS:** SBBC reserves the right to utilize any other SBBC contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, other school boards, other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012, as currently enacted or as amended from time to time, in lieu of any offer received or award made as a result of this bid if it is in its best interest to do so.

7.44 **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this Agreement. Such rights will be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions, and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts, or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s).

7.45 **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by the School Board. These orders will be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e., within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all vendors must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that a vendor maintains secure records of the credit card account assigned an alias or password to avoid divulging the actual credit card number upon every purchase.

7.46 **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items or services offered may be tested for compliance with ITB conditions and specifications at any time. Items delivered that do not conform to ITB conditions or specifications may be rejected and returned at the vendor's expense. Services not conforming to ITB specifications shall be corrected and performed again to meet the specifications of the ITB at the expense of the Awardee. Goods or services not delivered as per the delivery date in ITB and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:

a) Cancellation and default of contract;
b) For a period of two (2) years, any proposal submitted by the vendor will not be considered and will not be recommended for award.
c) All departments are advised not to do business with vendors.

7.47 **CONE OF SILENCE:** Any proposer or lobbyist for a proposer is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement and Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the contract is awarded by the School Board. Further, any vendor, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the vendor is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the

7.47 (continued) time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3800, Part VIII, as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any vendor or lobbyist who violates this provision shall cause their Proposal (or that of their principal) to be considered non-responsive and, therefore, be ineligible for award.**

7.48 **PURCHASE BY OTHER PUBLIC AGENCIES:** With the consent and agreement of the awarded contractor(s), purchases may be made under this ITB by other agencies. Such purchases shall be governed by the same terms and conditions as stated herein.

749 **PUBLIC ENTITY CRIMES:** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO [currently $25,000] for a period of 36 months from the date of being placed on the convicted vendor list.

7.50 **SEVERABILITY:** In case any one (1) or more of the provisions contained in this ITB shall be for any reason held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision, and this ITB shall be considered as if such invalid, unlawful, unenforceable or void provision had never been included herein.

7.51 **DISTRIBUTION:** DemandStar by Onvia, www.demandstar.com, is the official method approved by Procurement & Warehousing Services for the distribution of all competitive solicitations, including ITBs and RFPs. It is the responsibility of all interested parties to ensure they have received all necessary documents, including the Addenda, and have included all necessary information in their response. SBBC is not responsible for Proposer's failure to obtain complete bidding documents from DemandStar. SBBC reserves the right to reject any bid as non-responsive for failure to include all necessary documents or required Addenda. For information regarding the above-referenced solicitation, contact the designated Purchasing Agent, as stated herein.

7.52 **PRICE REDUCTIONS:** If, from the date of proposal opening, the Awardee either bids the same products and/or services at a lower price than offered to SBBC or reduces the price of the proposed product or service, the lowest of these reduced prices will be extended to SBBC.

7.53 **LOBBYIST ACTIVITIES:** In accordance with SBBC Policy 1100B, as currently enacted or as amended from time to time, persons acting as lobbyists must state, at the beginning of their presentation, letter, telephone call, e-mail, or facsimile transmission to School Board Members, Superintendent or Members of Senior Management, the group, association, organization or business interest she/he is representing.

a) A lobbyist is defined as a person who, for immediate or subsequent compensation (e.g., monetary profit/personal gain), represents a public or private group, association, organization, or business interest and engages in efforts to influence School Board Members on matters within their official jurisdiction.
b) A lobbyist is not considered a person representing school-affiliated groups (e.g., PTA, DAC, Band Booster Associations, etc.) nor a public official acting in her/his official capacity.
c) Lobbyists shall annually (July 1) disclose in each instance and for each client prior to any lobbying activities, their identity and activities by completing the lobbyist statement form, which can be obtained from Official School Board Records, School Board Member's Offices or the Superintendent's Office and will be recorded on the School Board of Broward County's website, www.browardschools.com.
d) The lobbyist must disclose any direct business association with any current elected or appointed official or employee of SBBC or any immediate family member of such elected or appointed official or employee of SBBC.
e) Senior-level employees (Pay Grade 30 and above) and/or School Board Members are prohibited from lobbying activities for one (1) year after resignation or retirement or expiration of their term of office.

7.54 **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY OR VOLUNTARY EXCLUSION – Lower Tier Covered Transactions:** Executive Order 12549, as currently enacted or as amended from time to time, provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities.

7.54 (continued) Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one (1) agency shall have government-wide effect. A lower-tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction, and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower-tier covered transactions to include the certification for it and its principals in any bid submitted in connection with such lower-tier covered transactions.

## CERTIFICATION:

a) The prospective lower-tier participant certifies, by submission of this ITB, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Every time a proposal that includes a reference to this Form is submitted, a new Form is required. Any proposal that does not include this required Form shall not be evaluated and shall not be considered for award. **A signature is required on BOTH the Debarment Form AND the Required Response Form.** A signature on one document cannot be substituted for the signature required on the other document. **Failure to complete and sign both documents requiring signature shall result in rejection of the proposal submitted.**

7.55 **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days prior written notice that The School Board is terminating the contract award.

7.56 **TIE BID PROCEDURES:** When identical points are received from two (2) or more vendors and all other factors are equal in point value, priority for an award shall be given to vendors in the following sequence:

a) A business that certifies that it has implemented a drug-free workplace program shall be given preference in accordance with the provisions of Chapter 287.087, Florida Statutes, as currently enacted or as amended from time to time;
b) The School Board of Broward County, Florida, M/WBE certified vendor;
c) The Broward County Certified Minority/Women Business Enterprise vendor;
d) The Palm Beach County or Miami-Dade County Certified Minority/Women Business Enterprise vendor;
e) The Florida Certified Minority/Women Business Enterprise vendor;
f) The Broward County vendor, other than a Minority/Women Business Enterprise vendor;
g) The Palm Beach County or Miami-Dade County vendor, other than a Minority/Women Business Enterprise vendor;
h) The Florida vendor, whose main office is in the State of Florida, other than a Minority/Women Business Enterprise vendor.
i) If the application of the above criteria does not indicate a priority for an award, the award will be decided by a coin toss. The coin toss shall be held publicly in Procurement & Warehousing Services, and the tie low bid vendors are invited to be present as witnesses.

Included as a part of the ITB documents is a Form entitled **SWORN STATEMENT PURSUANT TO CHAPTER 287.087, FLORIDA STATUTES, AS CURRENTLY ENACTED OR AS AMENDED FROM TIME TO TIME, ON PREFERENCE TO BUSINESSES WITH DRUG-FREE WORKPLACE PROGRAMS.** This form will be used by the Proposer to certify that it has implemented a drug-free workplace program.

7.57 **CONFIDENTIAL RECORDS:** The Awardee acknowledges that certain information about the District's students is contained in records created, maintained or accessed by the Awardee and that this information is confidential and protected by the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S. C. 1232g), and/or the Health Insurance Portability and Accountability Act (HIPAA) (45 CFR parts 160-164) and related District policies, as amended from time to time, currently available at www.browardschools.com. Confidentiality of information cannot be disclosed unless valid consent is obtained from the students or their legal guardians. Both parties agree to protect these records in compliance with FERPA, HIPAA, and the District's policy. To the extent permitted by law,

7.57 (continued) Nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities.

*Awardee agrees that it may create, receive from, or on behalf of the District, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it will: (1) hold the Confidential Records in strict confidence and will not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the District in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the District, the Awardee agrees to provide the District with a written summary of the procedures the Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the District to terminate any Agreement with the Awardee.*

7.58 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this ITB shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until the posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the ITB is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the ITB shall constitute a waiver by the Proposer of any applicable exemptions from disclosure or any confidential status, including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of the Proposer's response to the ITB. SBBC will provide for the inspection or copying of any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the ITB or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to initiate such legal proceedings in a timely manner shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials.
By submitting a response to this ITB, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs, or attorney's fees based upon SBBC's non-disclosure of portions of the Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such non-disclosure.

7.59 **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for a contract awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

7.60 **GRATUITIES**: Proposer(s) shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of SBBC, including any School Board Member, Superintendent of Schools, and any Evaluation Committee Members, for the purpose of influencing consideration of their Proposal.

7.61 **PREPARATION AND COST OF PROPOSAL:** The proposer is solely responsible for any and all costs associated with responding to this ITB. SBBC will not reimburse any Proposer for any costs associated with the preparation and submittal of any Proposal or for any travel and per diem costs that are incurred by any Proposer

7.62 **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee(s) shall keep and maintain public records required by SBBC to perform the services required under this contract. Upon request from SBBC's custodian of public records, Awardee(s) shall provide SBBC with a copy of any requested public records or allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee(s) shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract's term and following completion of the contract if Awardee(s) does not transfer the public records to SBBC. Upon completion of the contract, Awardee(s) shall transfer, at no cost, to SBBC all public records in possession of Awardee(s) or keep and maintain public records required by SBBC to perform the services required under the contract. If Awardee(s) transfers all public records to SBBC upon completion of the contract, Awardee(s) shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Awardee(s) keeps and maintains public records upon completion of the contract, the Awardee(s) shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

**IF A PARTY TO THIS ITB HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE ITB, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

7.63 **E-VERIFY:** Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this ITB Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this ITB Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this ITB Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with, or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate the ITB Agreement. Termination pursuant to this section is not a breach of this ITB Agreement and may not be considered as such.

7.64 **DEFAULT**: The parties (SBBC and Awardee) agree that if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 7.55. If the default is not cured by the Awardee, the steps in section 7.46 shall be taken.

# ATTACHMENT C – DEBARMENT

**IT MUST BE COMPLETED BY ALL BIDDERS.**

## CERTIFICATION OF DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION OF TIER TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 45 CFR 1183.35, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211). Copies of the regulations may be obtained by going to this link:
**http://www.gpo.gov/fdsys/granule/CFR-2011-title45-vol3/CFR-2011-title45-vol3-sec1183-35**

**(BEFORE COMPLETING CERTIFICATION, READ THE INSTRUCTIONS ON THE NEXT PAGE)**

(1) The prospective lower-tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(2) Where the prospective lower-tier participant is unable to certify any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

_____
Organization Name

_____
Name(s) and Title(s) of Authorized Representative(s)

_____ _____
Electronic or Handwritten Signature(s) Date

## [THIS SPACE IS INTENTIONALLY LEFT BLANK]

# INSTRUCTIONS FOR CERTIFICATION – SUPPLEMENT FOR ATTACHMENT C

1. By signing and submitting this proposal, the prospective lower-tier participant will provide the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower-tier participant agrees by submitting this proposal that, must the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower-tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

# ATTACHMENT D – DRUG-FREE WORKPLACE

## EXECUTIVE SUMMARY

**Recommendation to Approve the Agreement with Khan Academy Inc. – Middle School Service Order for Efficacy Study**

**Board Meeting Date:** March 10, 2026

**Requested Action:** Approve the Agreement between the School Board of Broward County, Florida (SBBC), and Khan Academy, Inc.

**School Board Policy Requirement/Authority:** N/A

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-Wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** SBBC will be able to conduct pedagogical research, efficacy studies, and similar analyses on the impact of student usage of the Khan Academy platform on mathematics learning outcomes at all SBBC middle schools.
**- If the School Board votes "No":** SBBC will not be able to access any research or efficacy studies on the impact of middle school student usage of the Khan Academy platform.

**Background/History**
Through this agreement, Khan Academy is providing SBBC with 45,000 free licenses for all middle school students in the District. These licenses will support an analysis of student achievement by examining the relationship between student use of Khan Academy District Services and mathematics learning outcomes, using de-identified student and teacher data supplied by the District.

**Alignment to 2027 Goals and Guardrails:**
Goal 2- Algebra Proficiency

**Measurable Outcome(s)/Return on Investment:**
Khan Academy will conduct robust analyses and share the findings with the District in a report describing students' usage and how the usage is related to student achievement. This study will leverage data for school years 2025-2026 through 2027-2028 to isolate the effect of within-student changes in Khan usage on changes in state achievement scores over those three years. The findings are expected to be delivered within 6 months following delivery to Khan Academy of the data sets specified in the Agreement for the most recent school year.

**Financial Impact, Funding Source & Budget Status:**
There is a positive financial impact of $450,000 per year for a total of $1,350,000 to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |
| First Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Second Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |
| Total Agreement Amount | N/A | N/A | N/A | N/A | N/A |

**Multi-year agreement:** Yes

**Procurement Method:** N/A

**Impact on Schools:** Yes

**If there is an impact on schools, how will schools be selected/prioritized:**
All middle schools will receive Khanmigo licenses for every student in a mathematics course.

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

## TERMS AND CONDITIONS

The scope of services to be provided by Khan Academy, Inc. ("**Khan Academy**") to Customer (each, a "**Party**" and collectively the **"Parties"**) are described in the "Service Order Information" section above. Any references to "**District**" or **"Customer"** shall mean The School Board of Broward County, Florida. These services will be provided pursuant to Khan Academy's Terms of Service for the Khan Academy District service, and any additional addenda attached to the Service Order between Khan Academy and The School Board of Broward County, Florida, approved on January 21, 2026, governing the provision of licenses to Grades 6-8 funded by the University of Florida Board of Trustees, a public body corporate of the State of Florida, on behalf of and for the benefit of the University of Florida ("**funder**"), with the University of Florida Lastinger Center for Learning ("**Lastinger Center**") designated as the funder's administrator (the "**Lastinger Order**"), which all are further incorporated herein by reference. This Service Order ("**Order**"), together with the Terms of Service and any additional addenda attached hereto, and to the Lastinger Order, are referred to as the "**Agreement.**" In the event of conflict between the terms of this Order, the Terms of Service for the District service and any additional addenda, the terms of this Order shall control.

The Khan Academy District service consists of rostering support for schools and teachers, access to Khan Academy District service administrator reports, implementation support and priority technical support for Customer's teachers, together with professional learning and other services licensed under this Order.

Any deletions or other revisions by Customer to this Order (whether handwritten, electronically, or otherwise) will be null and void.

---

**Licenses**: Services will be provided to the number of students set forth above, and their associated teachers.

***Subjects**: Subjects are identified in order to provide rostering and implementation support. Upon notice to (and approval by) Khan Academy, Customer may request a change to the indicated subjects.

**Term**: Services are provided for the term commencing on the Start Date, and ending on the End Date of this Order. Under no circumstance shall the term of this Order extend beyond the End Date without a written amendment (or a renewal order) to this Agreement executed by the Parties in writing.

****Fees**: Total fees (excluding those for any additional professional learning) are calculated based on the number of student licenses. Except as agreed between the Parties in writing, each Party will bear its own expenses. Discounts or fee waivers are one-time only and apply only to the Term specified in this Order.

**Khan Academy District Service Fees**: Khan Academy's standard subscription price ($10.00 per student) is waived and included as part of Khanmigo for Districts (with a standard subscription price of $15.00 per student).

**Khanmigo for Districts Fees:** The per-student amount represents a 100% discount from the Khanmigo for Districts Student Tutor standard subscription price ($15.00 per student). This discounted pricing is made available in part by a philanthropic grant to support the Customer's participation in an efficacy study.

**Special Terms:** Customer will be participating in an efficacy study, **("Efficacy Project")** with more information in the addenda "Data Sharing Addendum," attached hereto and incorporated into the Agreement by reference as **Exhibit I**. As a condition of receiving the services, Customer shall execute this Order by no later than March 10, 2026 ("**Deadline**"). For clarity, if this Order is not executed by the Deadline, then this Order is null and void.

**Entities of Foreign Concern**: The provisions of this section apply only if this Agreement provides access to an individual's personal identifying information. By execution of this Agreement, the undersigned authorized representative of Khan Academy hereby attests under penalty of perjury as follows: Khan Academy is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in Khan Academy; and the undersigned authorized representative of Khan Academy declares that they have read the foregoing statement and that the facts stated therein are true. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes, as worded or may be amended hereafter.

**Affidavit Regarding the Use of Coercion for Labor and Services**: Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with the organization must attest under penalty of perjury that the non-governmental entity does not use coercion for labor or services as defined in that statute. By execution of the Agreement by an authorized representative of Khan Academy, Khan Academy hereby certifies that Khan Academy does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes.

## SIGNATURES

The Parties may execute this Agreement in counterparts, each of which is an original, and the counterparts constitute one and the same Agreement. The Parties may also deliver and accept facsimile, electronically scanned or electronic signatures, which bind a Party as if the signature were an original.

By its signature below, each Party confirms its acceptance of the proposal set forth herein. Each person signing this Agreement represents and warrants that such person is duly authorized and has legal capacity to execute and deliver this Agreement for its respective Party. This proposal will become binding upon the signature of both Parties, and shall be effective on the later of (i) the Start Date or (ii) the date of the last signature hereto (the "**Effective Date**").

INSTRUCTIONS FOR COMPLETING THIS FORM

*Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.*

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he/she/they,~~ is ~~are~~ ) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - ❖ Indicate title or type of attached document, number of pages and date.
  - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document

## Exhibit 1
## Data Sharing Addendum

Set forth below is the Data Sharing Addendum ("**DSA**") made between Khan Academy and Customer in connection with the Efficacy Project. The parties agree as follows:

**A.** **Purpose of this DSA**. The Customer and Khan Academy wish to share certain usage data between them for purposes of the Efficacy Project, and wish to document the terms governing the provision and use of such data.

**B.** **Description of Efficacy Project**. The goal of this project is to determine the relationship between Khan Academy District Service usage and mathematics learning outcomes. To answer this question Khan Academy will examine student achievement over time. One confounding factor in such studies is the effect of the teacher on both Khan Academy usage and test scores. In order to account for this factor Khan Academy plans to use de-identified District-provided data about the teachers. Data will be analyzed for middle school students in the district.

**C.** **Data Sharing**. Khan Academy will provide the Customer with certain data set(s) comprising supplemental summarized Student account usage data and analysis as described in "Khan Academy Datasets" attached hereto and incorporated by reference as **Attachment A to Exhibit 1**. The Customer will provide Khan Academy with certain end-user data (in de-identified form only) as described in **Exhibit 2**. Khan Academy shall not reverse engineer or attempt to re-identify any information contained in Exhibit 2. The data set(s) described in Attachment A to Exhibit 1, and Exhibit 2, respectively, are referred to herein as the "**Data Set**" or "**Dataset**".

**D.** **Approved Use**. "**Approved Use**" means uses relating to pedagogical research, efficacy studies and similar analyses, including joint research ("**Research Activities**"), internal reporting needs, and, in the case of Khan Academy, internal uses relating to its research and development needs. Each party will limit access to the Data Sets to personnel working in efficacy research (the Customer's research department and Khan Academy's Efficacy and Research team, respectively). Each Party represents and warrants that it will use the Data Set solely for the approved uses, and not for any other purposes. The Customer will not sell, transfer or otherwise convey, or disclose to third parties, data provided by Khan Academy for Research Activities, or performance data (including research findings) attributable to use of Khan Academy.

**E.** **Research and Program Evaluation**.

1. Customer's Policy 6313 requires primary investigators of program evaluation studies conducted by Khan Academy that impact the daily activities of students, parents, or staff, OR require use of data from the same individuals, to submit a Research Request to the Customer's Institutional Review Board (IRB) for review and approval, prior to the initiation of any study-related activities. The Customer's IRB and Research Review Process reviews the design, procedures, and potential impact on Customer's schools and operations to ensure the following:

(a) The purpose, scope, limitations, and duration of study is clearly outlined;
(b) The protection of human subjects in the research process;
(c) Education records are only used for purposes of the identified study;
(d) Education records are only used by representatives of the organization identified in this agreement; and
(e) The safe and confidential storage and transmittal of education records.

2. The purposes of the studies to be conducted by the Khan Academy are to evaluate the effectiveness of programs in improving student reading and mathematics achievement.

3. The duration of study activities commenced on the date of original agreement execution and must conclude at the end of business on the Service Order End Date as specified above, and must be conducted during the term of this Agreement.

4. Khan Academy shall destroy or return any disclosed information to Customer when no longer needed for the purposes for which the study is to be conducted.

5. Questions regarding this process may be directed to BCPS.IRB@browardschools.com.

**F.** **Findings**. Khan Academy will conduct robust analyses and share the findings with the Customer in a report describing students' usage, and how the usage is related to student achievement. Khan Academy may publish the findings of the study externally in research and industry publications and conferences. Khan Academy will not disclose the name of the Customer in the publication or conference presentation without the Customer's approval. The Findings are expected to be delivered within six (6) months following delivery to Khan Academy of the Data Sets specified in Exhibit 2 for the most recent school year.

**G.** **Publicity**. The Customer will not publicize, or issue or make any other statements (written or otherwise) intended for use in the public or media, concerning (i) the Customer's use of the Data Sets or (ii) performance data (including research findings) attributable to use of Khan Academy, without Khan Academy's prior written approval. Nothing in this DSA constitutes an endorsement by Khan Academy of the Customer, or by the Customer of Khan Academy, or of any research or analysis conducted by either party, and each party agrees not to, directly or indirectly, claim, infer, or imply any endorsement by the other. In any public statements, the parties will describe the scope and nature of their participation accurately and appropriately.

**H.** **NO WARRANTY**. THE DATA SET AND ALL CONFIDENTIAL INFORMATION PROVIDED BY KHAN ACADEMY ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. THE KHAN ACADEMY DATA SETS INCLUDE DATA MAINTAINED BY KHAN ACADEMY FOR INTERNAL DEVELOPMENT PURPOSES AND APPROXIMATE ANALYSES. KHAN ACADEMY MAKES NO WARRANTIES, EXPRESS, IMPLIED, OR OTHERWISE, REGARDING THE MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, ACCURACY, COMPLETENESS, OR PERFORMANCE OF THE DATA SET OR ANY CONFIDENTIAL INFORMATION, OR WITH RESPECT TO NON-INFRINGEMENT OR OTHER VIOLATION OF ANY RIGHTS OF A THIRD PARTY OR OF THE CUSTOMER.

**I.** **LIMITATION OF LIABILITY**. KHAN ACADEMY WILL NOT BE LIABLE TO THE CUSTOMER OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, EVEN IF KHAN ACADEMY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL KHAN ACADEMY'S TOTAL LIABILITY FOR ANY DAMAGES, LOSSES, AND CAUSES OF ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR TO THE CUSTOMER'S USE OF THE DATA SET (WHETHER IN CONTRACT, TORT INCLUDING NEGLIGENCE, WARRANTY, OR OTHERWISE) EXCEED THREE HUNDRED THOUSAND U.S. DOLLARS ($300,000).

**J.** **No License**. As between Khan Academy and the Customer, Khan Academy hereby retains all rights, title, and interest, including all intellectual property rights, in and to the Student Analytics and data provided by Khan Academy for Research Activities. Except as explicitly set forth in this DSA, nothing in this DSA is intended to grant any rights to the Customer under any intellectual property right of Khan Academy (including any right to use Khan Academy's name, trademark, trade name, or logo), nor shall this DSA grant the Customer any rights in or to the Student Analytics except as expressly set forth in this DSA.

**K.** **Term of DSA**. This DSA shall take effect on the Effective Date of the Order and shall be in effect for the duration of the Agreement. This DSA will terminate upon delivery of the Findings to Customer. Notwithstanding anything to the contrary, the restrictions on use and publication will remain shall survive termination of the DSA.

**L.** **Survival**. Upon termination of this DSA, any provision which, by its nature or express terms should survive, will survive such termination or expiration, including, but not limited to, Section 7(Publicity), Section 8 (No Warranty), Section 9 (Limitation of Liability) and 10 (No License).

**Attachment A to Exhibit 1**
**KHAN ACADEMY DATASETS**

Khan Academy will provide the student usage data described below for each academic school year of the Agreement for each student from the identified schools with a Customer-issued email address.

STUDENT USAGE OF KHAN ACADEMY

**A. Learning Time**

1. Customer-issued email address
2. Course name
3. Total Math learning time
4. Math learning time per course

**B. Course Mastery**

1. Customer-issued email address
2. Course name (e.g., third-grade Math, Algebra I, etc.)
3. Skills leveled up to Proficient
4. Skills worked on

**C. Khanmigo**

1. Customer-issued email address
2. Course name
3. Total time spent on interaction with Khanmigo
4. Time spent on interaction with Khanmigo per course
5. Time spent on interaction with Khanmigo per exercise
6. A measure indicating the depth of interaction with Khanmigo for each student

## Exhibit II
## CUSTOMER DATASETS

Upon receipt of the Attachment A to Exhibit 1 dataset, Customer will use the student email address to link Khan Academy usage data to their demographic and achievement data database to produce the dataset described below. Once the Khan Academy usage dataset is merged with Customer's dataset, Customer shall remove all personally identifiable information, and Customer shall securely provide a copy of the de-identified merged data set to Khan Academy.

**A.** **Purpose**. Khan Academy will use the variables below to analyze the relationship between the State assessment scores and Khan Academy usage with statistical controls (e.g., demographics and year prior achievement) to determine how the use of Khan Academy and Khanmigo relates to student achievement. When the sample size is of sufficient power, Khan Academy will also disaggregate findings by various subgroups, including ethnicity, gender, and English learner status.

**B.** **Types of Education Records to be disclosed.**

1. For each identified student included in the Khan Academy Data Set, Customer will provide **de-identified** education records for each user as follows via password protected Excel spreadsheet:

   (a) Unique study pseudo-ID number generated and maintained by the Customer
   (b) Grade for each school year
   (c) School for each school year
   (d) Math Teacher pseudo-ID for each school year (to control for teacher effects year to year)
   (e) Math Course
   (f) Math Period
   (g) Gender
   (h) Race/Ethnicity
   (i) English Learner Status
   (j) 2025, 2026, 2027, 2028 State Assessment Math Performance Level
   (k) 2025, 2026, 2027, 2028 State Assessment Math Scaled Score
   (l) Each of the Khan Academy usage data elements listed on Attachment A to Exhibit 1

2. All data elements will be shared in de-identified form, presenting each data element for each user without identifying the user by name or Khan Academy email account. Khan Academy will not attempt to re-identify this data.

3. Customer will provide the data within sixty (60) days following its receipt of the Khan Academy Student Dataset at the end of the end of each academic school year, and, in all cases, before the expiration date of the DSA.

**C.** **FERPA Exception to Consent (Studies).**
Khan Academy is considered a "school official" with a legitimate educational interest to receive the aforementioned types of information from SBBC student education records for the purposes listed above.

Pursuant to the Family Educational Rights and Privacy Act (FERPA), 34 CFR 99.31(a)(1), these records may be provided without prior parental consent. Prior written consent of the parent or student age of majority is needed for any types or purposes of disclosures of education records beyond those listed in this section. To the extent Khan Academy's general privacy policies conflict with uses and/or disclosures of education records expressly permitted under this Agreement, this Agreement shall control.

**D. Khan Academy Safeguarding the Confidentiality of Education Records.**

1. Privacy. Notwithstanding any provision to the contrary within this Agreement, VENDOR shall:

   (a) Comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other applicable state or federal law or regulation regarding the confidentiality of student information and records; and

   (b) Hold any education records in strict confidence and not use or redisclose same except as authorized by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 years or older whose education records are to be shared provides prior written consent for their release; and

   (c) Notify the SBBC Privacy Officer within no more than three (3) business days upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2. IT Security. Notwithstanding any provision to the contrary within the Agreement, Khan Academy shall:

   (a) Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under the Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under the Agreement and shall provide said list of employees to SBBC upon request; and

   (b) Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

   (c) Notify the SBBC Director Information Security and Assurance within no more than three (3) business days upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be

required by applicable federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

(d) RESERVED.

(e) Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law to the extent due to Khan Academy's actions or inactions.

(f) SBBC shall notify Khan Academy promptly of any known unauthorized use of (or access to) the Services. SBBC will assist Khan Academy in any efforts by Khan Academy to investigate and respond to any unauthorized access.

3. The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under the Agreement.

**EXECUTIVE SUMMARY**

Development of a Multi-Year Staffing Alignment Plan

**Board Meeting Date:** March 10, 2026

**Requested Action:** Direct the Superintendent of Schools (Superintendent) to develop and present to The School Board of Broward County, Florida (SBBC) a comprehensive staffing alignment plan that reduces the total number of SBBC employees by at least one thousand (1,000) positions per year for three (3) consecutive years, beginning on July 1, 2026 and continuing thereafter, by aligning staffing levels proportionally with projected student enrollment declines and The School District of Broward County, Florida's (District) current operational needs. Should enrollment increase, staffing levels should be adjusted accordingly. (Holness)

**School Board Policy Requirement/Authority:** NA

**Statutory Requirement/Authority:** N/A

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":**
The Superintendent will develop and present to SBBC a comprehensive staffing alignment plan no later than the May 12, 2026, Board Workshop. The Superintendent shall place the comprehensive staffing alignment plan on the agenda for SBBC's consideration at a subsequent meeting occurring no later than June 30, 2026.

**- If the School Board votes "No":**
The Superintendent will not be directed to develop and present a comprehensive staffing alignment plan, and District staffing levels will continue under current practices.

**Background/History**
Over the past several years, the District has experienced a sustained decline in student enrollment, a trend that enrollment projections indicate will continue.

Despite this decline, District staffing levels and operational structures have not been proportionally adjusted.

At the same time, the District faces increasing financial pressures driven by rising personnel costs, inflationary impacts on goods and services, and enrollment-based funding constraints. These factors underscore the need for a comprehensive, multi-year strategy to align staffing levels with projected enrollment and current operational needs.

This item initiates a structured planning process to right-size the District's workforce in a fiscally responsible manner while maintaining the District's commitment to educational quality and long-term sustainability.

**Alignment to 2027 Goals and Guardrails:** Guardrail 4, Accountability

**Measurable Outcome(s)/Return on Investment:** The staffing alignment plan will reduce District staffing by at least one thousand (1,000) SBBC employee positions annually for three (3) consecutive years, improving fiscal sustainability and operational efficiency through alignment with projected enrollment declines while maintaining essential services.

**Financial Impact, Funding Source & Budget Status:**
The staffing alignment plan will result in cost savings, which will be presented to SBBC as part of the Superintendent's plan.

**EXECUTIVE SUMMARY**

Purchase Card (P-Card) Program Review

**Board Meeting Date**: March 10, 2026

**Requested Action:** Receive the Anthony Brunson P.A. Audit Report on the Purchase Card Program Review.

**School Board Policy Requirement/Authority:** Policy 1700 Office of the Chief Auditor

**Statutory Requirement/Authority**: 1001.42(12)(l) F.S.

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The Board would formally receive the audit report on the Purchase Card Program Review in accordance with applicable laws, rules, and policies.
**-If the School Board votes "No"**: The Board would not formally receive the audit report as required by Florida Statue, which could result in noncompliance with statutory oversight requirements.

**Background/History**
In accordance with the Audit Plan for the 2025-2026 fiscal year, the Office of the Chief Auditor (OCA) engaged the firm Anthony Brunson P.A. to conduct a Purchase Card (P-Card) Program review. The audit reviewed P-Card program controls, reconciliation, deactivation processes, emergency purchases, spending controls, and documentation. During July 1, 2024 – June 30, 2025, 723 active P-Cards were issued to 387 employees with total spending of $31.2 million.

Three Low-risk observations were noted:
1. P-Card Governance & Custodianship
2. P-Card Training Compliance
3. Untimely Reconciliation Submissions

Management responses indicate corrective measures underway, including card consolidation, strengthened verification of training, and enhanced reconciliation monitoring.

The Audit Committee reviewed this report on January 29,2026 and approved transmitting it to the School Board.

**Alignment to 2027 Goals and Guardrails:** This item Aligns with Guardrail 4: Accountability, which includes expectations, evaluation, transparency, and continuous improvement.

**Measurable Outcome(s)/Return on Investment:** Promote compliance with regulatory requirements and School Board policies and procedures.

**Financial Impact, Funding Source & Budget Status:** The source of funds to perform this audit is the general fund budget allocated to the OCA for awarded contract RFP25-001 Professional Auditing Services. The total cost for this audit was $67,000.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | 11/13/24 | Yes | General Fund – OCA | $1,755,000 | 32 |
| First Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Second Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Additional Spending Authority | N/A | N/A | N/A | N/A | N/A |
| **Total Agreement Amount** | — | — | — | **$2,925,000** | **56** |

**Multi-year agreement:** Yes

**Procurement Method:** The audit agreement was conducted in accordance with School Board procurement policies for professional services. Anthony Brunson P.A. was selected as an external audit firm through a competitive solicitation process approved under the district's procurement guidelines.

**Impact on Schools:** The audit findings and recommendations may impact schools that serve students through the P-Card Program by improving consistency in service delivery, communication, and program oversight.

**If there is an impact on schools, how will schools be selected/prioritized:** N/A

**Stakeholder Engagement/End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

**SCHOOL BOARD OF**
**BROWARD COUNTY, FLORIDA**

# PURCHASE CARD PROGRAM REVIEW

**January 16, 2026**

The School Board of
Broward County, Florida
300 SE Third Avenue
Fort Lauderdale, FL 33301

Pursuant to our executed Statement of Work dated September 2, 2025, with the School Board of Broward County, Florida (the District), we are pleased to present our report on the review of the Purchase Card Program. The report is organized into the following sections:

- **Executive Summary:** A high-level overview and summary of key observations from our review.
- **Background:** An overview of the Purchase Card Program and relevant context.
- **Objectives and Approach:** A description of the review objectives and a summary of the phases of our approach.
- **Observations:** Detailed findings and recommended actions, along with management responses, responsible parties, and estimated completion dates.

In performing these services, we did not assume any management responsibilities, make management decisions, or act in a capacity equivalent to an employee of the District.

We thank the District staff and all individuals who assisted us throughout this review.

Respectfully,
**ANTHONY BRUNSON P.A.**

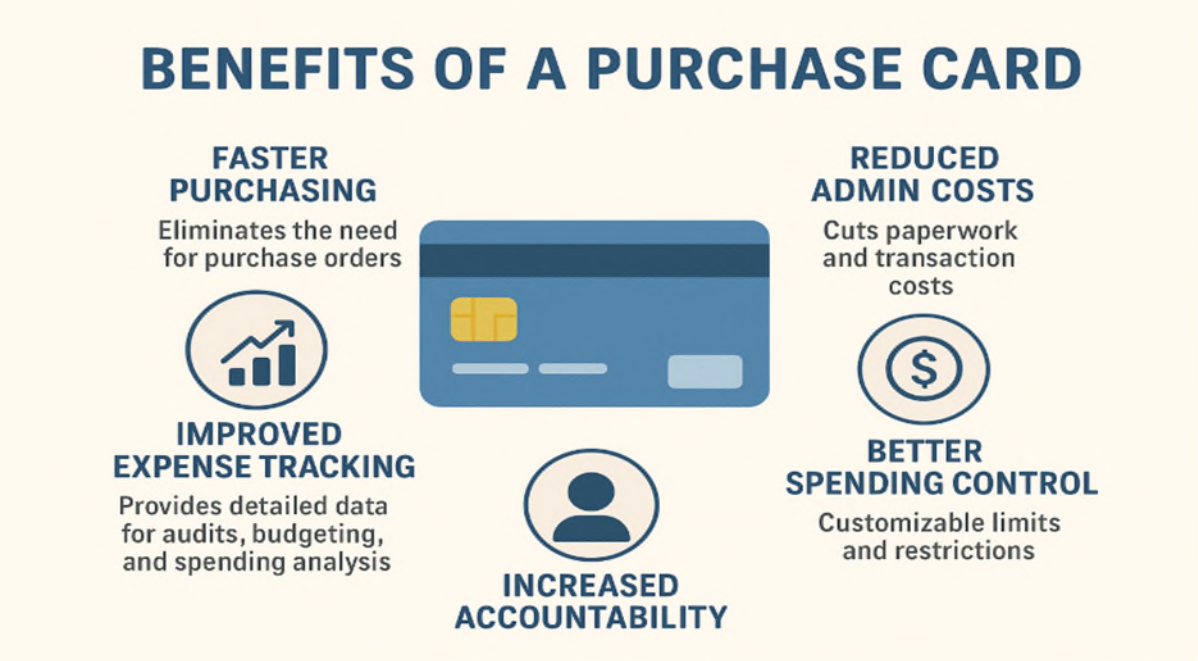
Jean Borno, Principal

# EXECUTIVE SUMMARY

## Background

Broward County Public School (BCPS) District (the District"), an A rated school District, is the sixth largest school system in the country, with over 30,000 full-time and part-time employees. The District's Procurement & Logistics Operations (P&L Ops) department is responsible for processing all Purchase Card (P-Card) requests, for eligible employees, throughout the District, in accordance with the District's Purchasing Card Program policy. The P&L Ops department is also responsible for assisting with the resolution of transaction disputes, lost, stolen cards, or compromised, and deactivation of P-Cards for those employees who are no longer eligible. The P&L Ops department also has specific responsibilities for oversight of monthly P-Card holder reconciliations.

The BCPS P-Card program is designed to establish an efficient, cost-effective method of purchasing goods and services, based on an allowable school district need in accordance with the District Policy 3810 and the P-Card Manual. The program allows approved P-Card cardholders to purchase approved commodities and services directly from vendors. However, P-Cards issued to eligible employees should not be used to circumvent general purchasing procedures established by state law, Florida Board of Education rules, and BCPS purchasing program policies and procedures. The objective of the P-Card program is to enhance efficiency within the Procurement process by:



- Providing a convenient, secure, and flexible method of purchasing.
- Reducing transaction cost and minimizing the use of petty cash.
- Creating cost saving opportunities in the procure-to-pay process by reducing the volume of purchase orders, invoices, and checks.
- Streamlining expense tracking and enhancing the ability for expense analysis.

The District utilizes declining balance P-Cards, and each card is allocated a specific amount of funds, based on the budget established by the requesting department and school-based management. Once funds have been exhausted, additional funds may be allocated (once submitted and approved), as deemed appropriate. Declining balance P-Cards are minimal risk and offer more control than the standard P-Cards by preventing overspending. The District has put in place the following P-Card spending controls in accordance with policy and manual:

- Budget Transfers are required.
- Spending limits are established on the P-Card application and must be approved by the department director or school principal prior to issuance. Declining Balance Amounts are available in approved increment, with a standard limit of up to $10,000 and a Single Transaction Limit of $4,999. Exceptions may be granted based on documented business need and job function. A P-Card's credit limit must not exceed the purchasing authority of the P-Card Approver per School Board Policy 3810.
- Schools with $0 balances that want to continue usage will need to request a budget transfer from the Budget Office.
- When the fiscal year ends, all available funds for declining cards will be deleted and suspended until new budgets are approved and the new fiscal year application and training are completed.

The District's Business Support Center (BSC) facilitates purchases, from budgeted funds, by formal requests made through a FileMaker system. This process creates an approval workflow where a designee from the requesting school creates a request for a purchase. The workflow requires approval from the school principal and the BSC, prior to making the purchase.

On the other hand, purchases made by the BSC, from Internal funds, require the use and completion of a P-Card Receipt form. The P-Card Receipts form requires review and approval, prior to the BSC making the purchase on behalf of the requesting school. The form requires documented pre-approval from the school principal, the BSC individual responsible for coordinating the purchase (i.e., obtaining quotes from the vendor), and the BSC designee responsible for making the payment. All purchases made by the BSC are reconciled and approved monthly by the P-Card cardholder and the Director of the BSC. Other P-Card purchases made outside the BSC, from budgeted funds, does not require a formal approval process, however, all purchases do require department Director pre-approval, prior to making a purchase.

All P-Card cardholders are required to complete and submit, annually, an approved P-Card cardholder application, as well as complete annual P-Card cardholder training. The P-Card program is serviced by Bank of America (BOA), with purchases made with both VISA and MasterCard (MC). VISA cards are issued for purchases associated with a District budgeted line item, while MC are issued for purchases made from Internal Funds.

The P&L Ops department is led by the Executive Director of Procurement, and day-to-day oversight of P-Card related activities are facilitated by the Procurement Director and the Procurement Manager. Day-to-day processing, reconciling, and other P-Card related activities are conducted by the Purchasing Agent Specialist and the Purchasing Card Coordinator.

For the period July 1, 2024, through June 30, 2025, there were 723 active P-Cards issued to 387 BCPS employees, with the number of P-Cards, per cardholder, ranging from 1-54. Payments made to BOA for purchase activities for the period were approximately $31,208,071 of which $29,827,777 (96%) were made from budgeted funds, and the remaining $1,380,294 (4%) made from Internal Funds. Refer to **Figure 1** for a breakdown of payments made to BOA, by month, for purchases made from budgeted funds, and **Figure 2**, for payments made for purchases made from Internal Funds.

## Overall Highlights

Audits of school districts ensure financial accountability, promote transparency, and identify opportunities for improvement in operations and resource management. Audits also assist the school boards fulfill their oversight responsibilities and demonstrate good stewardship of public funds. The observations detailed in the pages that follow represent only the instances where exceptions were noted, but do not detail the instances where testing resulted in no reportable observations. For each observation, we discuss the relevant risk(s), which may include financial, operational, and compliance, as well as public perception of these risks.

## Objectives and Scope

The objective of this review is to evaluate the design and operating effectiveness of internal controls surrounding the Purchase Card Program process and to determine whether those controls are in place and operating as management intended. This review included review of applicable regulatory requirements, District policies and procedures, and the Districts adherence to them; walkthroughs of the subprocesses (eligibility for P-Card Issuance, P-Card reconciliation, P-Card deactivation, emergency purchases, and P-Card purchase activity) within the Purchase Card program process; review and evaluation of spending controls and spending limits; safeguards and access controls over P-Card, evaluation of the sufficiency and adequacy of documentation to support the Purchase Card program process; and review and evaluation of controls surrounding appropriate segregation of duties within the Purchase Card program process.

We conducted fieldwork testing by utilizing various audit techniques, including haphazard sampling, interviewing P&L Ops, Human Resources (HR), and Business Support Center (BSC) personnel, process walkthroughs, review of policies and procedures and other documents governing the process, transaction source documents, and analyzing data. Procedures included, but were not limited to, the following:

- Interviews and walkthroughs with key personnel to gain an understanding of the District's operating policies and procedures, P-Card program process and subprocesses;
- Assessment of internal controls surrounding eligibility for P-Card Issuance, P-Card reconciliation, deactivation, emergency purchases, and P-Card purchase activities;
- Review controls to evaluate the adequacy and effectiveness of P-Card spending controls, limits, and restrictions;
- Evaluation of appropriate segregation of duties surrounding the P-Card program process and subprocesses;
- Evaluation of safeguards and access controls surrounding the storing of P-Cards;
- Assess controls surrounding the monitoring, oversight, and tracking of P-Card usage;
- Testing of source documentation to substantiate the occurrence and appropriateness of P-Card purchases, and compliance with the requirements of the P-Card process and subprocesses.

Our scope period covered the controls and compliances in place between July 1, 2024, through June 30, 2025.

## Observation Summary

Observations are findings or issues that constitute internal control weaknesses that merit the attention of management. Below is a summary listing of the observations that were identified during this review. Details of the observation are included in the observation matrix section of the report.

| *Observations* | *Rating* |
|---|---|
| **P-Card Governance and Card Custodianship** | **Low** |
| **P-Card Training** | **Low** |
| **Untimely Review and Submission of Reconciliations** | **Low** |

Presented below are definitions of the observation risk rating utilized to rank each reportable observation.

| *Observation Risk Rating Definitions* | |
|---|---|
| **Low** | Observation presents minimal risk (Key controls are in place, however, operations could be enhanced. Indicates an internal control environment and business improvement opportunity.) |
| **Moderate** | Observation presents moderate risk (Key controls are partially in place and somewhat operating effectively. Indicates an internal control environment and/or business concern which requires action in the near term.) |
| **High** | Observation presents considerable risk (Key controls are not in place and/or not operating effectively. Indicates a serious weakness/deficiency in the business and internal control environment requiring immediate action.) |

# BACKGROUND

## Eligibility For P-Card Issuance

The process of issuing a P-Card is based on the needs of the user department. To be eligible for a P-Card, an employee must complete and submit a P-Card cardholder application to P&L Ops department. Only permanent employees are eligible for P-Cards. Information required to be included on the P-Card cardholder application includes, but not limited to the cardholder's name, personnel number, position, account information (fund, business area, cost center, general ledger account, and functional area account number). Prior to submission, P-Card cardholder applications require both the cardholder's signature and supervisory approval from the principal, director, or department head. Once all the above information and approvals have been obtained, the P-Card holder can move forward by submitting the application to the Purchasing Agent Specialist.

Once P-Card cardholder application is received, a Purchasing Agent Specialist reviews for completeness of all the above-mentioned elements. If the application is incomplete and/or missing key information (i.e., supervisor's approval), the application will be sent back to the requestor. Once the Purchasing Agent Specialist is satisfied with the completeness of the application, the cardholder is notified to access the LAB (Learning Across Broward) system to complete the P-Card cardholder training. The process of completing a P-Card cardholder application and the P-Card cardholder training is required to be completed annually. P-Cards are ordered through the BOA secure business portal, and mailed directly to the Purchasing Agent Specialist, located at the BCPS Business Support Center. P-Cards arrive with zero balance and are funded by the requesting department once the P-Card cardholder gains custody of the card.

## P-Card Monthly Reconciliation

P-Card cardholders are required to perform monthly reconciliation(s) of their P-Card activities. Reconciliation must include supporting documentation in the form of detailed invoices or receipts. As a tax-exempt organization, all purchases must be made tax free, of which the invoice or receipt should support this status. All P-Card reconciliations require supervisory review and approval and should be submitted to the Purchasing Agent Specialist or the Purchasing Card Coordinator by the 15$^{th}$ of each month. Purchasing Agent Specialist or the Purchasing Card Coordinator perform an additional level of review of each reconciliation and assist the P-Card cardholder with any transaction disputes that may occur.

## P-Card Deactivation

P-Cards are deactivated when there is no longer a business need for the employee to have access to one, the card was lost/stolen or otherwise compromised. The P&L Ops department has established a Purchasing Card Notification of Personnel Change form for personnel who will no longer require access to a P-Card due to retirement, termination, employee transfer to a role that does not have a business need for a P-Card, misuse, or fraud. All fields of the form should be completed, along with supervisory approval, and submitted to the designated P-Card email address, where the Purchasing Agent Specialist or the Purchasing Card Coordinator will proceed with deactivation directly through BOA and updated to the SAP ERP system to reflect the change.

## Emergency Purchases

P-Card purchases that meet the criteria of an emergency purchase in accordance with the Purchase Card Program Policy No. 3810 require written supervisory communication directly to the Purchasing Agent Specialist or the Purchasing Card Coordinator.

## P-Card Purchase Activities

P-Card purchases generally do not require pre-approval prior to being made, except for purchases processed by the BSC on behalf of a school for internal fund transactions. In those cases, the requesting school must provide documented pre-approval before the BSC can process the purchase. However, all P-Card transactions must be reviewed and approved by the school principal or department director/head during the monthly reconciliation process. All purchases should be made tax-free, and P-Card cardholders must inform vendors of the District's tax-exempt status before processing any transaction. P-Cards are only to be used for allowable purchases in accordance with District policies and procedures. Below are examples of allowable purchases that may be made with a P-Card. Please note that this list is not all-inclusive.

- Consumable supplies from any BCPS awarded contract where the vendor accepts P-Cards
- Subscriptions, books (classroom library and reference books), printed library cards
- Printed materials, stamps, instructional videos and film strips, discs or tape recordings
- Office supplies, classroom supplies, athletic supplies, film processing
- Gasoline, technology accessories (covers, ink, USB port, small chargers, batteries)
- Supermarket food for students and classes (i.e., Publix, Costco. Sam's Club from aftercare and Internal Funds P-Cards only)
- Internal Funds (only for schools in the Business Support Center)
- Training, event registration, and travel

All receipts for purchases made must be maintained and provided to the cardholders' immediate supervisor as part of the monthly P-Card reconciliation process.

## Roles and Responsibilities

As of January 2026, the District's P&L Ops department consisted of 30 FTEs (Full Time Employees), and seven positions that are currently vacant. Key roles/positions within the vendor management process include the following:

- **Executive Director, Operations** – The Executive Director, Operations is responsible for the coordinating and implementation of practices and strategies to improve customer service, increase vendor participation in District solicitation, especially small local businesses, enhance authorization and data gathering for all access supervised, and use data to drive change.
- **Director** – The Director of P&L Ops is responsible, but not limited to, for the supervision of staff as assigned in the performance of job duties, coordinating and updating effectiveness of procedures for requisitioning, issuing purchase orders, receiving and issuing, supervising Procurement and Supply Management personnel and working with committees and department heads in formulating and upgrading specifications and evaluating bids, merchandise, quality verification, and warehousing and processing of all invoices for payment.
- **Manager** – The Manager is responsible, but not limited to, for supervising staff as assigned in the performance of job duties, demonstrating expertise with respect to all procurement concepts, policies, and procedures that meet state, local and the Department of Education requirements and assisting the Director, Procurement & Warehousing Services, in developing overall department strategies by incorporating industry best practices and utilizing performance metrics; recommend and develop policy provisions to improve department functions.
- **Purchasing Agent Specialist and Purchasing Card Coordinator** – The Purchasing Agent Specialist and the Purchasing Card Coordinator are responsible for, but not limited to, processing P-Card Cardholder applications, ensuring completion and tracking of mandatory P-Card training, ordering of P-Cards through the BOA Business Portal, review of monthly P-Card reconciliations, and assisting with P-Card transaction disputes. These two positions conduct day-to-day tasks and serve as the primary coordinators of the P-Card program.

## Key District Regulatory Requirements

The District is required to adhere to and comply with a variety of Federal, State, and local school board regulations which govern the Procurement process. This regulatory environment includes, but is not limited to, the following:

### Federal Regulations

- 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

### State of Florida Regulations

- FS 286.11 – Public Meetings & Records; Public Inspection
- FS 287.084 – Preference to Florida Businesses
- FS 287.057 – Procurement of Commodities and Contractual Services
- FS 287.133 – Public Entity Crime
- FS 1010.04 – Purchasing
- Florida Administrative Code 6A 1.012

### Broward County Public Schools Procurement Policies and Procedures

- Purchasing Policy: Policy 3800
- Purchasing Card Program: Policy 3810
- Purchasing Card Manual

# OBJECTIVES AND APPROACH

## Objectives

The objective of this review was to evaluate the design and operating effectiveness of the internal controls surrounding the Purchase Card Program process. This included the review of district policies and procedures, and the District's adherence to those policies and procedures; evaluation of the controls surrounding the Purchase Card Program process, as it relates to eligibility for P-Card Issuance, P-Card reconciliation, P-Card deactivation, emergency purchases, P-Card purchase activity; review and evaluation of spending controls and spending limits; an evaluation of the sufficiency and adequacy of documentation and records to support the Purchase Card Program process; and review of safeguards and access controls over P-Cards. The scope period for our review was July 1, 2024, through June 30, 2025.

## Approach

Our approach consisted of the following phases:

**Planning**: Understanding and Documentation of the Purchase Card Program Environment

This phase consisted of reviewing the policies and procedures that govern the procurement process as it relates to P-Cards, inquiries of management and other procurement personnel, and walkthroughs to gain an understanding of the process from end to end, and to assess the design effectiveness of the internal control structure of the process. The following was performed during the Planning phase of this review:

- Obtained and reviewed key documentation, including District policies and procedures and department standard operating procedures related to the function, as well as other documents as deemed necessary.
- Performed interviews and walkthrough procedures with key P&L Ops, HR, and BSC personnel to gain an understanding of the process from end to end, and roles and responsibilities of those involved in the process.
- Gained an understanding of procedures as they related to the processes within our scope.
- Developed a work plan for the evaluation of the design and operating effectiveness on internal controls, based on information gathered during our interviews, walkthroughs, and review of key source documentation.

**Fieldwork**: Evaluation of the Design and Operating Effectiveness of Sub-processes, Control Structure, and Compliance with Policies and Procedures.

The purpose of this phase is to gather evidence to assess the design and operating effectiveness of internal controls and compliance over the P-Card program process, based on our understanding obtained during the planning phase. We utilized sampling and other audit techniques to substantiate our review objectives, as stated above. Our testing procedures included, but were not limited to the following:

- Evaluating the design and internal control structure, including adherence to policies and procedures.

- Verified the adequacy of internal controls in place to prevent and detect inappropriate and/or fraudulent P-Card usage.
- Evaluated safeguards and user access controls by observing controls in place surrounding the storing of P-Cards once ordered and received by responsible Procurement personnel. In addition, observing the day-to-day storing of P-Cards for cardholders with access to multiple P-Cards.
- For a sample of 40 P-Card Cardholder applications, verified appropriate supervisory approval, verified that cardholder completed relevant P-Card training, verified appropriate spending limits, and verified appropriate segregation of duties surrounding personnel requesting a P-Card and personnel processing and approving P-Card applications.
- For a sample of 40 P-Card monthly reconciliations, verified that P-Card cardholder reconciled all purchases made during the month, verified the accuracy and completeness of the reconciliation, verified that reconciliation obtained supervisory approval, and verified that reconciliation was submitted within a timely manner to Procurement to perform additional levels to review.
- For a sample of 60 P-Card transactions, we verified that all purchases were allowable and supported by appropriate documentation (such as receipts or invoices), confirmed that none exceeded the cardholder's single transaction limit, and ensured each transaction was reviewed and approved by the cardholder's supervisor. One transaction included sales tax; however, the tax was reversed in the following month's bank statement. This was not deemed to be a finding.
- For a sample of 15 P-Cards that were deactivated, verify that cards were deactivated within 5 business days of notification receipt from the card holder's approver.
- For all emergency purchases made with a P-Card, we validated that purchases were made in accordance with the Purchase Program policy, and verified appropriate approvals were obtained.
- Reviewed and evaluated supporting documentation against information gathered from our walkthrough of the P-Card Program process.

**Reporting**: Communicate Audit Observations

The purpose of this phase is to communicate audit observations to relevant stakeholders, including management and the audit committee. At the conclusion of the audit, we discussed all reportable observations with P&L Ops management. We also provided our recommendations with each reportable observation, of which management has provided their management responses.

# OBSERVATIONS

## P-Card Governance and Card Custodial Access

**Rating: Low**

Purchasing card programs should be designed to balance operational efficiency with effective governance by assigning cards in a manner that supports appropriate oversight, continuity of operations, and long-term sustainability. When operational needs require high volume P-Card custodianship, best practice calls for clear policy guidance, documented justification, appropriate approvals, and periodic independent reviews to ensure a system of effective internal controls, and transparency.

During the interview, walkthrough and review of the P-Card process, we noted that one individual has custodial access to 54 declining balance P-Cards. We performed a walkthrough of the process with this individual and observed that strong compensating controls are in place, including restricted card functionality, predefined spending limits, multiple levels of independent transaction reviews, and established monthly reconciliation procedures and reviews.

We want to emphasize that no inappropriate transactions were identified during our testing procedures. While assigning a large number of P-Cards to a single individual represents an elevated inherent risk, effective compensating controls, such as documented approval by the manager prior to transactions being made, subsequent approval of the credit card statement (which includes all transactions made on behalf of the specific school), and monthly approval by the BSC Director, significantly mitigate the likelihood and impact of inappropriate transactions by any one individual.

Although the established controls were currently operating effectively in the sample tested, assigning a large number of P-Cards to one single individual creates concentration of access (i.e., large amount of purchasing authority and custodial control over 54 P-Cards, even though the card themselves are declining balance and subject to controls. This does not mean errors or fraud have occurred, or that the controls are failing, or the individual is misusing the card). It appears that the current structure relies on detective controls, rather than preventative controls and is inconsistent with best practice surrounding P-Card governance.

While there was no indication of misuse identified from our testing procedures, the current structure could result in the following:

- Increased risk of errors due to workload changes;
- Dependency on a single individual or role may be difficult to sustain over time; and
- Create unfavorable perception from internal or external stakeholders, and scrutiny from the public.

We recommend that management perform the following:

- Enhance the current P-Card policy to establish defined parameters for the number of P-Cards that may be assigned to a single individual and define circumstances under which documented exceptions may be approved.
- Document and approve business justification for any exceptions, including compensating controls, and require periodic review and approval by appropriate management.
- Implement periodic independent reviews of high-volume P-Card assignments to confirm ongoing business needs, spending controls, and continued control operating effectiveness.

- Establish and/or enhance backup procedures to ensure the continuity of the P-Card process in the event of staffing changes or extended absences.
- Establish training and cross-training to ensure continuity of operations and reduced reliance held by a single individual.

## P-Card Training

**Rating: Low**

District policy requires annual P-Card training for all approved P-Card cardholders. Completing this mandatory P-Card training ensures cardholders understand allowable purchases, documentation requirements, and other program responsibilities, including sales tax exemption.

During our testing procedures, we identified 1 of 40 (2.5%) P-Card cardholders did not complete the required annual training for Fiscal Year 25 (FY25). Furthermore, we noted that this same cardholder completed one transaction, in which sales tax was charged. It should be noted that sales taxes charged for the above-mentioned purchase was identified during the subsequent month's P-Card reconciliation.

While this appears to be an isolated instance of non-compliance, lack of verification of P-Card cardholder training, prior to issuing a P-Card could result in the following:

- Increased risk of non-compliant purchases due to cardholders not fully understanding compliant versus non-compliant transactions, and other card restrictions;
- Increased likelihood of sales taxes being improperly charged when tax-exempt purchasing is not understood;
- Undermines controls intended to reduce misuse, or errors once cards are issued;
- Reduced accountability within P-Card administration when pre-conditions are not consistently being enforced;
- Increased administrative burden to correct errors and recover taxes charged;
- Reputational risk if District stakeholders identify that P-Cards are being issued without required training;

We recommend that P&L Ops management verify training is completed, before issuing P-Cards. This should include confirmation and documentation of completion. Furthermore, P&L Ops management should ensure that key requirements, including tax-exempt procedures, are consistently reinforced. Lastly, management should ensure on-going compliance oversight by conducting periodic reviews of new card issuance to ensure training verification is consistently applied.

## OBSERVATIONS - CONTINUED

### Untimely Review and Submission of Reconciliation

**Rating: Low**

District Policy No. 3810, Section VII, requires P-Card Approvers to review, reconcile, and approve P-Card holder statements and submit a copy of the statement to the Cardholder Coordinator by the 15th of each month.

During our audit, we noted that 10 of the 60 (16.67%) reconciliations reviewed were not reviewed or submitted within the timeframe established by the policy and manual. These delays indicate non-compliance with the District's established procedures for timely reconciliation and submission.

Untimely reconciliation and submission of P-Card statements can result in:

- Delayed detection of errors or non-compliant transactions, increasing the risk of financial misstatements.
- Reduced ability to identify and address fraudulent activity promptly, which could lead to financial loss.
- Operational inefficiencies, as late submissions create administrative burden for P&L Ops staff.

We recommend that P&L Ops management strengthen compliance with Policy No. 3810 by implementing automated reminders to P-Card Approvers prior to the 15th of each month, conducting periodic monitoring to identify late submissions, and establishing escalation procedures for repeated delays. Additionally, management should consider incorporating performance evaluations to promote accountability and ensure timely reconciliation, review and submission going forward.

Attention: Mr. Jean Borno, Principal

Dear Mr. Borno:

Thank you for the opportunity to review and respond to the recent audit observations concerning the management, assignment, and oversight of declining balance P-Cards within the Field Trip processing function and broader P-Card governance practices.

We appreciate the auditors' detailed analysis and have carefully considered each observation. Below is a summary of our response and the steps we have taken, or intend to take, to strengthen our internal controls and ensure ongoing compliance.

**1. Custodial Access to Multiple Declining Balance P-Cards**

The audit noted that one individual currently holds custodial access to 54 declining balance P-Cards. Historically, this structure supported timely processing of Field Trip payments; however, we recognize that consolidating these cards into a single P-Card may reduce administrative complexity and risk exposure.

After internal review with both the current cardholder (Joni Dukes) and her predecessor (Krystal Bryant), we determined that consolidating all Field Trip transactions onto a single P-Card is feasible and would not impede service to schools. To adequately support monthly activity, a credit limit of approximately **$30,000** is necessary, with temporary increases required during months of high volume of travel. This action is now in process and will result in 53 P-Cards being cancelled for this individual.

**2. Recognition of Existing Strong Controls**

We acknowledge the auditors' recognition of the restricted card functionality, pre-defined spending limits, multi-level transaction review process, and monthly reconciliation as strong compensating controls.

Additionally, the Procurement & Logistic Operations Department has strengthened the process by incorporating additional levels of managerial approval for new card issuance and validating completion of P-Card training. Approval of our Operations Manager is now required as a second level confirmation that all user department approvals have been received and required training completed by the user prior to P-Card issuance.

**3. Preventative Control Enhancements**

We researched the preventative controls based on industry best practices, including guidance from the Institute of Commercial Payments and the National Institute for Government Procurement.

Our current practices already reflect several of these control elements, including:

- Clear purchasing rules and adherence to Policy 3810 and the Purchasing Card Manual.
- Prohibitions on splitting purchases and guidelines on micro-purchasing thresholds.
- Mandatory annual P-Card training, which is tracked through an internal database, with potential improvements to require submission of the training certificate.
- Defined access controls, merchant category code (MCC) restrictions and statements reconciliation.

We acknowledged that strengthening documentation of consequences for misuse, MCC management processes, and enhanced transaction analytics tools will further support our governance structure and we are reviewing the Policy to implement these changes.

**4. Number of Cards Assigned to Individuals**

The auditors recommended establishing defined limits for the number of P-Cards assigned to a single employee and documenting exception criteria. Consolidation of Field Trip cards into a single P-Card would help address this concern for that specific function.

However, we note that certain user agencies (Office of General Counsel, and Environmental Health & Safety, for example) may hold up to seven P-Cards based on their responsibilities supporting multiple locations. This operational need should be considered as the School Board continues its movement toward greater transparency.

We will collaborate with the individual departments with the goal of consolidating and reducing the number of cards authorized as we have done with the Business Service Center.

**5. Documentation of Exceptions and Independent Review**

We agree with the recommendation to strengthen documentation of business justifications for all exceptions, including compensating controls, and to implement periodic independent reviews of high-volume card assignments.

Our department already undergoes annual audits, and we will incorporate additional review procedures to ensure ongoing control effectiveness, as appropriate.

**6. Continuity, Training, and Backup Procedures**

To ensure process resilience during staffing changes or extended leave, we are implementing recommended cross-training measures. Training is actively underway for additional team members on the Bank of America Works P-Card system to ensure continuity and reduce reliance on any single individual.

**7. Timely Reconciliation and Approver Accountability**

We acknowledge and will examine methods of implementing the recommendations to:

- Introduce automated reminders for P-Card approvers prior to the 15th of each month. (This technology is not currently available, but we will continue to explore additional options to further incorporate this functionality.) We are currently in the process of issuing a new RFP for banking services and hope to see additional functionality in the responses.
- Conduct periodic monitoring of late submissions.
- Establish escalation procedures for repeated delays.
- Incorporate reconciliation timeliness metrics into performance evaluations.

The existing P-Card tracker already captures instances of delinquent submissions and will continue to support accountability enhancements.

**Closing Statement**

We appreciate the auditors' observations and constructive recommendations. Our department is committed to continuous improvement, safeguarding public resources, and ensuring compliance with organizational policies and best practices. Many of the recommended measures have already been adopted or are currently in development.

Please feel free to contact us for any additional information or clarification needed as you finalize your report.

Sincerely,

John Wesley White, Director

**The following pages are excerpts of the draft minutes of the Audit Committee Meeting of January 29, 2026 that are specifically related to Purchase Card (P-Card) Program Review.**

**The complete minutes, which include Committee discussion on matters not related to this item, are scheduled for Committee discussion and approval at their next scheduled meeting on March 12, 2026.**

Is there a motion to transmit?

MS. SHAW: Motion to transmit.

MR. MEDVIN: Second.

MS. FERTIG: Okay. All in favor?

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you. Thank you for your presentation and audit.

MR. HARVEY: Thank you, Mary.

MS. FERTIG: Okay. Our next one is the Purchase Card Program Review.

MR. BRUNSON: Good morning. Happy New Year.

MS. FERTIG: Good morning.

MR. BRUNSON: I'm Tony Brunson, the managing partner of Anthony Brunson, P.A. I am joined today by Jean Borno our consulting and audit partner in the firm who actually executed the work.

In connection with the P-Card program I think our report captures the scope and the internal control environment. In essence, you know, we looked at 100 percent overall of the P-Card items. So to the extent that there are comments here, we only provided enhancements, we're really

in a position to kind of congratulate the school board and the system and those individuals involved in the process of a job well done. So at the end, the conclusion, there were no major findings, just enhancements in connection with that and I'll turn to Jean to provide recommendations and help with any questions that may exist.

MR. BORNO: Good morning, everybody, my name is Jean Borno. First, I want to thank Mr. Rhodes and his staff, the Procurement & Logistics Department and the Business Support Center for their help and support throughout the audit that was performed.

So, really, as Mr. Brunson mentioned, the report provided a review of the P-Card program for the school board and it only called for the period between July 1st, 2024 through June 30th, 2025. It evaluates the design and the controls and compliance with policies and procedures and the overall governance of the P-Card program; right? Page 4 will give you more insight as to the overall objective and the scope of the review and audit that was done.

As far as the findings, we had three

findings, again, providing recommendations. One -- the first finding was the P-Card governance and guardianship, custodianship. The second one as P-Card training, we found one item there that -- one person that did not complete the P-Card training, and what we see as well is the untimely reconciliation of the monthly P-Card expenditures.

So, with that, I'll pass it along to you if you have any questions as to our work.

MS. FERTIG: Okay. Go for it.

MR. MEDVIN: A couple things. My rather simplistic understanding of a P-Card, it's like a credit card -- or a debit card. In reading your explanation, it seemed to be that the controls have been set up where the money is allocated to specific budgetary areas with a dollar limit and the purpose being just to streamline the procedure for most, I guess, smaller type purchases. And then I am reading it and you had the one, I know it's an exception, but the one individual had 50-some-odd cards. So I'm thinking to myself, I don't know what this person does, what their position is, they're walking around with a tote bag with 50 credit cards in

their pocket? I mean, it just didn't make sense to me. And if it's electronically controlled, like a debit card, couldn't the system allow for compartmentation of the expenditures that these 50-some-odd cards are associated for?

MR. BORNO: Yeah, I mean, that's one issue that we highlighted to the department and, obviously, we'll let the Business Support Center give you some more insight as to what it is that we found and how we manage it, but it is something that we highlighted and related to a high-risk level of governance, essentially, of the P-Cards. So somebody having 54 P-Cards was a high-risk area that we highlighted and we tested.

MR. MEDVIN: Because someone could use the wrong card when they're purchasing.

MR. BORNO: That's correct. And I don't know if maybe Mr. Smith or Mr. White can give some insight.

MR. WHITE: Okay. Thank you. I'm John Wesley White, I'm the acting executive director of Procurement & Logistics Operations. We did provide a written response back to the audit firm. Essentially, in this situation you've got a P-Card is coded to each individual school and

that's why one person had multiple cards. And so these cards primarily used to support field trips and special events that go on during the course of the year.

Based on their recommendation we have sat down and reviewed it and worked very closely with BSC and determined that we can consolidate that down to one credit card or debit card, essentially, that'll have a higher balance authorized on it. But as each individual transaction is made then they will have to maintain a spreadsheet to say secured X, Y, Z for this particular school and this is the charge code for it. And then at the end of the month it will also make it a lot easier to reconcile when the statement comes in. We'll just be able to check off, yes, all of these things were charged and here are the appropriate charge numbers.

And so we are currently in the process right now of terminating all 54 cards, that will happen over this weekend, and then one new card will be issued to that employee, and we expect to receive that in the mail tomorrow so that this can take effect on Monday morning.

MS. SHAW: All right. Let me -- let me kind

of -- -- before I get started, first of all, I have so much issue with what you just said. I have issue with 54 cards, I don't remember how many cards, more than one card issued for an individual. But I think there's a better way. There has to be a better way to manage that. Because at the end of the day what is going to end up happening, especially since we are working -- we're doing more with less. It means that there are so many room -- there's so much room for error with this one person with one card for several schools. I would rather -- and I don't want to provide or give our schools, our principal, or anyone else at the school any more work, but I would rather you say, give the card to the schools, let the schools work with this person to make the purchases. Because giving this one card with a million dollar limit, and I'm making up that, and this person is making purchases for several schools creates a lot of issues, especially when there were 10 individuals who did not do reconciliations, and reconciliation -- if you're not reconciling properly, there are so many errors that can happen that is not found until months later.

I have an issue -- Mr. White, I have an issue with that. And I do hope that you will go back and take a step back and look to see how best to put that process in place. Because issuing one card for 54 different schools is an issue. We don't need any more reason to be in front of the Miami Herald or the Sun Sentinel because of our procurement process or our policies. We don't need any more.

And I have other things, so I'll let you finish before I continue, but I have an issue with that.

That was all you have? All right. I have some more.

MS. BARON: I just want to follow up on the reconciliation. From page 11 I understand that the scope of the monthly reconciliation was 40 in total that were reviewed and then going to the observations on page 14 there were 10 that were not, you know, submitted in the timeframe allotted by the 15th. So, actually -- but it says 10 out of 60.

MR. BORNO: Correct.

Ms. Baron: Was that an error or was it actually 10 out of 40?

MR. BORNO: No, it's 10 out of 60 because after we found, you know, there were multiple errors, so we increased the population -- the sample, the sample to add additional reconciliations.

MS. BARON: So you starred with 10 out of 40?

MR. BORNO: No, I started with 40 for testing. As we found, you know, multiple errors here and there, so we increased it to 60 instead of 40.

MS. BARON: Do you know how many were found out of the initial 40?

MR. BORNO: No, I don't have it in front of me; no.

MS. BARON: Okay. I'm asking just because if it was 10 out of 40 that percentage would be more representative of 25 percent instead of 16.

MR. BORNO: I agree. I agree.

MS. BARON: Yeah.

MS. FERTIG: Okay. Thank you.

MS. SHAW: I know you have reconciliation 10 out of 60 listed as low, and I'm not the auditor, but I disagree with that being low. When reconciliations are not completed, especially with something that is a procurement card, and,

first of all, there was someone who was found that we were paying taxes, we are a nontax entity, number one, and since this is a sample size of only 60, how many others were there that we're paying taxes on because someone or some ones aren't doing their job? I -- I think should have been a medium to high instead of low. I have an issue with that.

MR. BORNO: So -- you can continue. I was going to address that specific piece.

MS. SHAW: I have an issue with that. Especially -- I understand you increased our sample size from 40 to 60, but that still doesn't give me that warm and fuzzy feeling, especially when someone is walking around with 54 cards, number one. Number two, you can go to Walmart and make a purchase. We have had people in the news that go to hotels and use their P-Card for hotels. We have people in the news who have used their P-Cards for various things that are not school related. The funding that we have for our students is being cut every day. And every dollar that we're able to use for our children needs to be -- not to be paying taxes to the state, it needs to be used for our children. So

if we're not doing our job or people are not doing their job, like reconciliation that should be done by the 10th of the next month, well, maybe with my people, by the 10th of the next month, there should be some -- that card should be cancelled or that card should be -- that card should be put on something that is not being used for a period or being revoked.

What do we have -- there is nothing in here that tells me what happens once those reconciliations were not done, when that person who paid taxes or how many other people were paying taxes or any other misuse. That is -- this is a violation of the policy, number one. Number two, it should not be allowed.

MR. BORNO: Well, our process goes somewhere like this, right, we identify the areas of threat and we go ahead and discuss with management, discuss with the team and figure out, okay, what exactly their process is. So within the reconciliation process there are other controls in place; right? So what we observed, it's not so much the reconciliation is not done, it's just that it's submitted maybe a day later or two days later; right? So it's not that the

reconciliations are not done at all. The reconciliations are done, and we tested them, and the approvals are there. It's just that they may be a day late, or two days late, or three days late.

So with that -- no, I understand your perspective, as well; right? It is and this is why we're reporting it, but they have other controls, which is review of the director of the department or the principal. And they also have review on the side of the district once those reconciliations are submitted. So with all those controls in place, right, yes, you're right, it's not submitted on time, but all the other reviews and all the other things are there. We did not identify any control, right -- it's a compliance issue not so much a control issue. As far as the reviews are done and it's all in place to make sure if an error happened, or something happened as you mentioned such as tax, it's caught on time and the next month it's maybe reversed.

So that's -- that was our perspective as to why we identify it as low. And we had the same concern as you. Again, we take a look at the whole view of the entire process.

Does that answer your question?

MS. SHAW: No. It's -- it answers your question but it doesn't answer mine.

Chief Auditor, I hope we can do -- we can get a follow-up on this very soon. I would rather this not be waited a year to two years down the road, because this is an area where we can lose a lot of money. And whether or not we do the reconciliation is a management aspect of it, but when folks are going out and making purchases, and I have seen where 10 transactions alone creates issues, much less such a large organization and how much we are spending. I don't think I saw how much we spent in P-Cards over any period of time. And it's going to be a lot of money but it's easy, quick, let's get something done, we need something in an emergency, but it's also an area where we can get in so much trouble. We can get caught up, once again, as I said, on the front of the Miami Herald or the Sun-Sentinel because we're all doing more with less.

I work for a local government. I know how easily and quickly this can get out of hand. So we need -- I would like to see it again sooner

because I would like to see how -- how this process is being managed and what new processes are put in place.

And you are incorrect, Mr. Jean, compliance is control and vice versa. Because when you have -- when there is compliance it's based on the controls that we have in place for those compliances.

MR. BORNO: So on page 3 it does highlight how much the district spent for the year tested. So it shows the budgeted funds P-Card purchases of 29.8 and the total for internal fund P-Card purchases, which is 1.3 million.

MS. SHAW: My apologies.

MR. BORNO: It's okay.

MS. FERTIG: Just how many P-Cards are there?

THE WITNESS: There are -- I think it's highlighted here as well.

MS. FERTIG: I'm sorry. Somebody mentioned it.

MS. BARON: 723.

MR. BORNO: 723.

MR. RHODES: Madam Chair? For the benefit -- oh, I'm sorry.

MS. FERTIG: Yeah, I'm sorry, did you have --

MR. DE MEO: Okay. So 723 cards issued to 387 employees. So that means 336 cards were issued to multiple -- how many people had multiple cards?

MR. BORNO: Don't have the specific number of people, but there are some people that have two and they are managing them because of specific reasons, right, based on discussions we had with the department. So, as we said, so for that particular person we notified -- we noticed 54 P-Cards it's for 54 different schools; right? They may have some operation such as this in the Business Support Center; right? It's because they're supporting other entities within the District.

MR. DE MEO: Right. You know, I'm not that familiar with the policy, but I'm trying to determine in terms of the audit, is there any testing around the qualification or the efficacy of issuing the cards? In other words, are there rules -- can anybody just have a card? Was there any testing around that?

MR. BORNO: Yeah, we looked at the -- the way P-Cards are issued. There is -- it's not highlighted in the policy why somebody should

have a P-Card, so it's left, I believe, to the directors and -- department directors and the principal's discretion to make the decision, essentially. But what we looked at, we looked at, you know, the application process, we looked at whether the person does a training; right? We looked at all the specific compliance items that the District highlights to make sure those P-Cards are issued appropriately.

MR. DE MEO: I think as a matter of controls we might want to firm up the policies to be specific about the criteria used to evaluate whether or not a P-Card is issued in the first place and then what criteria is required to get more than one. If it's not in policy, you can't audit it.

MR. BORNO: Right.

MR. DE MEO: So that's something, Madam Chair, I think we should recommend.

The other -- how is the scope -- who did you discuss the scope of this engagement with?

MR. BORNO: First -- initially, we discussed it with Mr. Rhodes and his team and then we discussed it in the department as well; right? Hey, this is what we're looking into, is there

anything that could prevent us from testing any particular area; right; as part of the overall discussion with the entire team.

MR. DE MEO: Did you feel the scope was adequate; or do you think it should have been increased; or what did you think?

MR. BORNO: You know, in coordination with the internal audit team they do some testing on their end as well. I think the scope was adequate as to what we needed to look at, which is the P-Cards specifically. I believe it was adequate.

MR. DE MEO: The declining balance type cards, is that issued in every case.

MR. BORNO: Yes. Yes, so the card is limited, physically, limited by the -- with the application; right? The application states how much the card should hold for any particular person based on their position and function.

MR. DE MEO: And in terms of the coordination with the external auditors, I believe this is probably under their -- probably not included in their scope because it's not material. I'm guessing. I don't know.

MR. BORNO: It is as far as the expenditures

are concerned, but, you know, if Mr. Rhodes wanted to interject.

MR. DE MEO: Do you know of any testing by the external auditors, Mr. Rhodes, in this area?

MR. RHODES: When you're saying the external auditors, you're talking about the auditors who are looking at the ACFR and the overall amounts that roll up into that report?

MR. DE MEO: Yeah.

MR. RHODES: I'm not aware of any P-Card program audit procedures that they do in accordance with their work. The auditor general does look at that, but the external firm that you were talking about does not that I'm aware of. They could have, but I'm just not aware of it.

MR. DE MEO: Okay. And who's responsible for the oversight of the usage of these cards? Is it each director?

MR. WHITE: If you want to use a card to do something you need to get the approval of your manager to make that transaction.

MR. DE MEO: Does the Business Center --

MS. SHAW: It rolls up under Procurement; is that what you're asking?

MR. DE MEO: I'm sorry?

MS. SHAW: It rolls up under Procurement.

MR. DE MEO: Well, is someone looking at -- who looks at these balances? Is it -- is it among several directors or is it --

MR. WHITE: Okay. There is a specific team that reports to me that manages the P-Card program.

MR. DE MEO: Okay.

MR. WHITE: And they're responsible for receiving the application, making sure that senior management, a director level or above has authorized an individual employee to have a card. They're also required to complete P-Card user training online. We have to have a copy of the certificate of that. Those documents are submitted to the team. They review it and approve it and then it goes to the operations manager who works for me.

MR. DE MEO: Okay. So it's centralized, it's not departmental?

MR. WHITE: It is centralized; yes, sir.

MR. DE MEO: Okay. I see. And was there any testing, either operationally or in this agreed upon procedures engagement of the appropriateness of the expenditure? I think I read in there --

MR. BORNO: Yes, we looked at the expenditures made using P-Cards, as well. So what we did is, you know, we obtain the invoice or receipt or anything that they have as backup.

MR. DE MEO: Like Orange Bowl -- Hard Rock tickets for the Indiana game?

MR. BORNO: We did not note anything --

MR. DE MEO: Okay. But you do test appropriateness. And do you all look at that?

MR. WHITE: Well, another thing to understand is that each P-Card is coded a certain way.

MR. DE MEO: Mm-hmm.

MR. WHITE: So you can't go buy tickets to Hard Rock to go to the game just because you've got a card. You can't go buy a car. You know, you are limited to certain categories of items that you're allowed to buy. And if you want to buy tickets to Hard Rock you'd have to come back to us and say, I need authorization to buy tickets to Hard Rock and we're like, no, you can't do that.

MR. DE MEO: Okay. But that's a constrictor that's --

MR. WHITE: It's in the system.

MR. DE MEO: I mean the card can't -- it

doesn't reject it?

MR. WHITE: It will reject it. If you're somewhere you're not supposed to be it rejects it.

MR. DE MEO: Well, forget my application for a P-Card.

MS. SHAW: Not only does it reject it, it notifies the department.

MR. WHITE: So like the average person can't just go traveling. They can't go and buy an American Airlines ticket and go somewhere.

MR. DE MEO: Thank you. Thank you.

I do think we should recommend that the policies be defined or include some kind of criteria for the issuance of the cards and then a higher level for multiple cards.

MR. RHODES: Madam Chair?

MS. FERTIG: Yes.

MR. RHODES: I wanted to mention that during the course of this engagement as well as when the draft report was presented to us, I challenged Mr. Borno on the idea of a single individual having so many cards and he advised me and shared information with me about different testing steps that they took to identify that -- like, for

example, I'm going to use Ms. Shaw's comment from earlier. I'm sure that it was probably causing gnashing of the teeth over here because we know from the work that they have performed that no one's walking around with a backpack full of P-Cards, they have them locked up in a location and they get them as they need them. However, I still haven't fully been convinced that any one person, despite their role in providing services to the schools through -- as a function of BSC, that any one person should have access to that many cards, much less even a considerably smaller number. However, I do have to say Mr. Borno explained the fact that they do have a segregation of duties in reviewing what is being spent as well as the original requisition for the spend and then the follow-up of what was spent and the documentation necessary to validate that that expense was legitimate.

What Mr. White was talking about sounds as though there's some type of controls that are put on those cards from the level of the primary bank and I have to say -- did you determine that, Mr. Borno?

MR. BORNO: Unfortunately, not.

MR. RHODES: Okay. And I don't recall that being a part of the audit scope, but the internal controls checklist was a part of that where that would have necessarily bubbled up. And, if it didn't, that would certainly be a part of what we would do in a follow-up to determine that, A, that is not just a function, but that it's turned on. Because we've had several different instances in which that function was available but wasn't turned on and a fraud occurred anyway and then we had to go back and we had to fight to get the money back instead of stopping it at the point of purchase.

So you agree with Mr. De Meo's points. I agree with your points. I think that that's something that should be included in a follow-up audit based on the things that we found here. And, also, I will stay out of the discussion that you had with Mr. White regarding the plan to try to resolve this issue of the 54 cards, but I will be waiting on the sideline as we work with -- I know we'll probably be working with Mr. White for the foreseeable future on Policy 3810, which is for the P-Cards, so that we can do exactly what Mr. De Meo said, and that is, codify things in

the policy so that we can identify what represents a violation of policy versus what represents a codified internal control that we can rely on.

MS. SHAW: Madam Chair, I have two questions.

MS. FERTIG: Yeah, go ahead.

MS. SHAW: My first question is, who's doing the reconciliations for the cards?

MR. WHITE: At the end of each month the cardholder, the person that has responsibility for the card, gets the statement and they must reconcile each and every line item on it saying, yes, this is a valid purchase and here's a copy of the receipt that supports that. That is then submitted to my team, P-Card team, and they go through and they, again, validate to make sure that each and every line item is accounted for properly and has the correct charge number associated with it.

MS. SHAW: So the fox is in charge of the hen.

MR. WHITE: The supervisor has to sign off on what the employee does, as well. So the employee does the reconciliation, their supervisor signs off on it, then it comes over to the procurement

department and procurement goes through and validates everything.

MS. SHAW: I know with 723 cards it's very difficult to have someone else doing the reconciliation, however, I would recommend that this is something that is taken into consideration as you are looking at updating the policy. Because if I'm the cardholder and I've done something wrong, I am going to put it in, I'm going to make sure to process it. The person who is signing off on it is not going to go through that kind of detail to make sure everything that was purchased was supposed to be purchased, number one. Number two, the person who is doing the reconciliation, hopefully, someone with some small level of accounting acuity or knowledge of finance would be able to ask the questions. And that could be that you're filling that space to ask some of the questions, these are some of the questions you should be asking the cardholder. And then on top of that, as you're looking at this policy, while I'm not in favor of saying that, listing a bunch of positions -- well, while I'm not in favor of codifying it to the point where Mr. Anthony is

saying, it could be positions or areas that could be listed where cards are issued, where cards should be issued. Because, otherwise, if you have a new person and that new person is in a new position, that new position is not in your policy and that person needs to hit the ground running, there are issues that needed to be dealt with, that person may not have a card, it does take sometimes four to six weeks depending on what is going on with Bank of America to issue those cards, so it's just something to keep in mind from that perspective.

And there was one thing but I forgot. I'll send it to you, Mr. Rhodes.

MR. UPTON: I have a question. About the vendor, Bank of America, is there -- were they in the scope of the audit?

MR. BORNO: No, no. Because they were more on the IT side based on how the transactions uphold. They were not part of it.

MR. UPTON: I don't know if you know, maybe you can answer this, do they charge for the service?

MS. SHAW: Which service?

MR. UPTON: The P-Cards.

MR. WHITE: We, actually, I'm not sure, off the top of my head. What I do know is that we receive a rebate every year based on the dollar volume that we spend. And that's a fairly significant number.

MR. UPTON: It probably offsets any costs, probably.

MR. WHITE: I know we're in the process of going back out for comprehensive banking services to support all of the District's requirements and the P-Cards are one of the line items.

MS. SHAW: And the other thing I was going to say is this. While the card may not be able to go and, you know, purchase a ticket for me to see, you know, to go to Hard Rock, it is open for organizations, let's say, Walmart. Folks can go to Walmart and purchase items for themselves. So while someone is looking at it and says, oh, you bought a quart of paint at Home Depot, that person may not be -- shouldn't have been purchasing paint. And there's no way for you to restrict taking Walmart and restrict items based on position. It's either going to be Walmart or Home Depot, but you can't say, well, at Home Depot you can't purchase certain items.

Unfortunately the card doesn't give you that -- I've tried. Otherwise, you're going to be getting calls from every cardholder saying, oh, I'm at Walmart or I'm at Home Depot and I'm trying to buy building maintenance items and I am the building maintenance superintendent and I can't purchase anything and then that becomes a little bit more work for you guys in the procurement office.

MR. RHODES: Madam Chair, may I add one final thought here; at least on my part? And this is regarding the request to take a look at and analyze the policy that governs the activities that we're talking about here today. From what I understand is that we have a hybrid situation that we're looking at, one being -- do we have somebody who needs to leave?

MS. SHAW: No, we need a motion to extend time.

MR. RHODES: That we have a hybrid situation where we do have some people that are a single person in charge of their card and reconciling and doing their monthly work as well as we have a centralized system. In my mind's eye I cannot recall how that was split out in the policy

showing those shows two different things. So I just want you guys to know that I will look at, and I'm making a recommendation moving forward, that we all look at how it's being handled at a centralized level and how it's being handled on a case-by-case basis for people that have a card issued just to them and they're the only one who has access and control of it. Because there's two different sets of controls. And from a centralized standpoint, I think we're always going to have a challenge of how we're going to centralize but also provide that same level of control. So I think that that's one of the wisest things that's come out of this discussion, is to really dissect that policy and identify how we would make sure that the controls are in place on both sides of it.

MS. FERTIG: Okay. Lew and then Bob.

MR. NAYLOR: Yeah, just a question about, does the policy have any consequences in it for misuse? I'm trying to find it, but I can't get online.

MR. BRUNSON: Not that we're aware of.

MR. WHITE: It should have some in there; yes. I don't have a copy of it with me right

now. Ryan's trying to pull it up.

MR. NAYLOR: Is that part of the employment agreement?

MR. WHITE: It would be part of the card agreement.

MR. NAYLOR: No, no, what I'm saying is, since it may not be in the card agreement, but is it in their employment agreement that anything that --

MR. WHITE: Okay. What this says, in the case of fund mismanagement by a cardholder, the cardholder's approver shall receive disciplinary action as defined in applicable school board policy. So not just the employee, but their supervisor who let that go through, and then the cardholder's approver shall have personal responsibility for any and all inappropriate P-Card charges, including without limitation, any finance charges and interest assessed in connection with the purchase. So it's not just the employee.

MR. NAYLOR: So there's a financial protection there but not a reputation protection, which is what Phyllis was mentioning about being on the front of the paper.

MS. FERTIG: I mean, we have had audits on P-Cards over the years. I was going to add to Mr. Brunson's point about this audit is not as -- definitely not as controversial and is not, as many of the ones that we've seen, and there have been consequences for people who have misused their cards. And so, I mean, I don't have the policy in front of me, but I -- I think we can all think of examples.

MR. NAYLOR: You're right.

MS. FERTIG: So, anyways. Okay. Bob?

Is that it, Lew?

MR. NAYLOR: Yeah.

MS. FERTIG: Bob?

We can't -- we really can't hear you.

MR. MAYERSOHN: Can you hear me now?

MS. FERTIG: Yeah. I heard what you said was brilliant, too. I'm sorry we missed it.

MR. DE MEO: Put your mimosa down, Bob.

MR. MAYERSOHN: So I just want to go in, if you look at page 7, and this gets back to the policy and reviewing the policy, when you look at things like the word printed materials, stamped instructional materials and film strips, I don't know the last time I've -- I mean, obviously, as

a student I've seen a film strip, but I don't know the last time this district has used a film strip. So just to me, reading that shows that this policy is outdated and needs to be looked at.

To Phyllis' point, and I've had some use with P-Cards, my question is, is there an authorization that somebody fills out prior to using a P-Card to reconcile it? So, for example, if I'm taking a trip and I bring it up to Tallahassee, through the county I'm required to provide a travel authorization estimate, what, you know, gas is going to be, estimate what, if I'm lodging, what those costs are, so when I use my P-Card and reconcile, it's not that I filled up 20 other cars with gas or have gone out, you know, as Phyllis stated to Publix and purchased food and have provided food for the entire Broward legislative delegation because they're all hungry, which would not be authorized. But the reconciling is, you know, here it is, I spent $3,000 and I reconciled 3,000.

MS. FERTIG: Okay. Anybody have a comment?

Does someone want to frame a motion?

I know there were several things that you

wanted to recommend with the transmittal. It sounds like one is to review the policy.

Phyllis, you had a couple, if you want to add them in, and then somebody needs to actually make the motion.

MS. SHAW: I feel like I'm the only one talking.

MS. FERTIG: No, no, you're not. Actually, almost everybody has commented on this, so --

MS. SHAW: So I move that we transmit this report with some addendum. Number one, for Mr. White in the white shoes, I like that, take a look at the one card or -- one card for 54 schools and find a better way of managing that process; number one. Number two, take a look at the policy and see how we can not only put teeth in the policy but see if there are any holes or areas that need to be reviewed and adjusted. And there was something else. I don't remember the something else. But that's my motion.

MR. DE MEO: Do we need a motion? I mean, that motion can stand by itself. We should just transmit the report, there's nothing -- you know, the report was fine.

MS. FERTIG: I mean, typically, if we're

going to do recommendations we're just adding them to -- we're transmitting this with two recommendations, review the policy and --

MR. BORNO: I just want to highlight as well that the department did provide us with responses and I'm not sure if it was not transmitted to -- to the committee, Mr. Rhodes?

MR. RHODES: I'm sorry?

MR. BORNO: I was talking about the responses from the department. Was it transmitted to the committee or --

MR. RHODES: Yeah, it's -- it's -- it's in the written report and then whatever was handed out in terms of an amended report, is that what you're showing me with the green page?

MS. ROSAS: Yeah, it looks like it.

MR. RHODES: So we have any amended as well as the stuff that was included in your original report as originally drafted.

MR. BORNO: I just wanted to highlight that just so we can put it in the report.

MR. RHODES: But to that point --

MS. FERTIG: Can I get -- I want to get a second on this motion and we're going to quickly move one other thing out of order so --

MR. MEDVIN: Second.

MR. MAYERSOHN: I'll second.

MS. FERTIG: We got a second, Bob. Thank you. We got -- actually, we got three seconds, so that's good.

MR. MAYERSOHN: One quick thing is that in reviewing of the policy I would strongly recommend that they look at what Dade County is doing. Recently they had some fraud that was highlighted in the news as well as what Palm Beach County is doing.

MS. FERTIG: Okay. Thank you.

Any other comments or can we vote?

Go ahead.

MR. RHODES: One other thing that seems to be in harmony with what the motion was, would it be possible for Brunson to provide us with an updated version of the report including the updated responses that were provided, individually, so that that would be all in one place with the final record?

MR. BORNO: Yes, we'll do that.

MR. RHODES: Is that okay with everybody on the board?

MS. FERTIG: Yeah.

MS. SHAW: Actually, the amendment to my motion was that this is reviewed -- reviewed sooner versus later.

MS. FERTIG: All right. Is everybody willing to take that as a friendly amendment, that the review occur --

MR. NAYLOR: Timely.

MS. FERTIG: -- quickly?

Okay. All in favor?

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you so much. And we look forward to future reviews there.

MR. BRUNSON: Thank you.

MR. BORNO: Thank you.

MS. FERTIG: Okay. We are going to, if it's all right, Mr. De Meo has to leave, I'd like to go to number 13, the Behavioral Threat Management - Training Program for the School Year 2025-26.

And who -- who from the District is going to be commenting on this?

Oh, hi.

MS. PRITYKINA: Hi.

MS. SHAW: Madam Chair, while we're getting

**Topic**: Meeting: Date March 10, 2026 - RSBM
Item Number: DD-1
Anthony Brunson P.A. - Audit Report on P-Card Program Review

**Staff Follow Up**: Will the Purchasing Card policy (Policy 3810) come back for rulemaking, and will it include the recommendations in the audit?

**Response**: The Procurement and Logistic Operations Department will submit an updated Policy 3810 later this year that incorporates the Auditor's recommendations.

## EXECUTIVE SUMMARY

Performance Audit Report - Deaf and Hard of Hearing (DHH) Project

**Board Meeting Date:** March 10, 2026

**Requested Action:** Receive the Performance Audit Report of the Deaf and Hard of Hearing (DHH) Project.

**School Board Policy Requirement/Authority:** In accordance with School Board policies and the Office of the Chief Auditor audit plan, performance audits are conducted to evaluate program effectiveness, efficiency, and compliance with applicable policies and procedures.

**Statutory Requirement/Authority:** Florida Statutes, Section 11.45, and School Board governance requirements authorize and support independent performance audits of District programs and operations.

**District-zone Impact:** District-wide.

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The audit report will be formally accepted, and management will proceed with implementing agreed-upon recommendations to strengthen oversight, service delivery, and program effectiveness.
**- If the School Board votes "No":** Acceptance of the audit report will be delayed, potentially postponing corrective actions and improvements identified through the audit process.

**Background/History**
The Deaf and Hard of Hearing (DHH) Project was initiated to enhance accessibility, communication, and safety for Deaf and Hard of Hearing students and staff by installing integrated visual and audio notification systems at four District schools. The project was funded through Capital Fund Amendment #4 and implemented between late 2022 and the start of the 2024–25 school year.

HCT Certified Public Accountants & Consultants, LLC (HCT) conducted a performance audit at the request of the Office of the Chief Auditor (OCA) to evaluate procurement, contract management, financial activity, governance, and project execution. The audit determined that the project was substantially completed, operational, and delivered under the approved budget, with no evidence of fraud or malfeasance identified.

**Alignment to 2027 Goals and Guardrails:** This item aligns with school-focused outcomes through Guardrail 4: Accountability, which includes expectations, evaluation, transparency, and continuous improvement.

**Measurable Outcome(s)/Return on Investment:** Implementation of the audit recommendations is expected to improve program oversight, clarify roles and responsibilities, enhance monitoring of service delivery, and strengthen data-driven decision-making, resulting in more effective use of District resources and improved support for students served by the DHH Project.

The Audit Committee reviewed this report on January 29,2026 and approved transmitting it to the School Board.

**Financial Impact, Funding Source & Budget Status:** The source of funds to perform this audit is the general fund budget allocation of the OCA for awarded contract RFP25-001 Professional Auditing Services. The total cost for this audit was $59,850.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | 11/13/24 | Yes | General Fund – OCA | $1,755,000 | 32 |
| First Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Second Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Additional Spending Authority | N/A | N/A | N/A | N/A | N/A |
| **Total Agreement Amount** | — | — | — | **$2,925,000** | **56** |

**Multi-year agreement:** Yes

**Procurement Method:** The audit engagement was conducted in accordance with School Board procurement policies for professional services. HCT was selected as an external audit firm through a competitive solicitation process approved under the District's procurement guidelines.

**Impact on Schools:** The audit findings and recommendations may impact schools that serve students through the DHH Project by improving consistency in service delivery, communication, and program oversight.

**If there is an impact on schools, how will schools be selected/prioritized:** Schools will be impacted based on student enrollment in the DHH Project and identified program needs, with priority given to ensuring equitable and effective services for all eligible students.

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

**Independent Accountant's Performance Audit Report**

To: Members of the School Board of
Broward County, Florida

We have performed the procedures enumerated below, which were agreed to by the School Board of Broward County, Florida ("SBBC"), solely to assist the specified parties in evaluating Broward County Public Schools' ("BCPS") Deaf and Hard of Hearing Project ("DHH Project"). BCPS management was responsible for complying with applicable requirements. The sufficiency of these procedures was solely the responsibility of those specified parties. Consequently, we made no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures performed were described on pages 6 through 8, and our findings, observations, and recommendations were presented in the performance audit narrative.

This performance audit engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would have been the expression of an opinion or conclusion, respectively, on Broward County Public Schools' ("BCPS") DHH Project. Accordingly, we did not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report was intended solely for the information and use of the School Board of Broward County and BCPS's management and is not intended to be and should not be used by anyone other than these specified parties.

# PROJECT STATUS AT A GLANCE

• **Overall Status:** Substantially completed and operational at all four schools
• **Core Objective:** Improve accessibility, communication, and safety for Deaf and Hard of Hearing students and staff
• **Budget Performance:** Project completed under the approved budget
• **Primary Issues Identified:** Governance continuity, contract oversight, inspection documentation consistency, and late specification finalization
• **Risk Level:** Moderate (process and governance related, not safety-critical)

**What Worked Well**

• The selected vendor completed installation work at all four schools before the start of the 2024–25 school year.
• The implemented system expanded visual and audio notification capabilities, directly supporting accessibility and safety goals.
• District leadership demonstrated responsiveness by restructuring Safety Technology oversight and assigning dedicated project management following project completion.

**Key Challenges**

• Departmental restructuring during implementation resulted in fragmented oversight and delayed issue resolution.
• Procurement instruments were segmented across multiple contracts, increasing coordination complexity.
• Inspection and closeout documentation were not consistently consolidated, requiring manual reconciliation.
• System specifications evolved during implementation rather than being fully finalized during project planning.

**Why This Matters**

While the DHH Project ultimately met its functional objectives, the issues identified increased administrative burden, extended timelines, and created avoidable risk. Addressing these process gaps will improve delivery efficiency and accountability for future Districtwide technology initiatives.

**What Leadership Should Do Next**

- Formalize centralized governance for multi-site safety and technology projects
- Require consolidated closeout and inspection documentation packages
- Finalize system classifications and specifications before procurement
- Align procurement strategies to reduce vendor handoffs

---

**DHH Project – Key Takeaways**

- Accessibility Impact: Meaningful improvement for Deaf and Hard of Hearing students
- Compliance: No evidence of fraud or malfeasance identified
- Financial Outcome: Favorable variance below the approved budget
- Primary Improvement Area: Project management and documentation practices

---

# BACKGROUND:

## Project Overview

The Deaf and Hard of Hearing (DHH) Project was initiated to enhance accessibility, communication, and safety for students, staff, and visitors who are Deaf or Hard of Hearing across four Broward County Public Schools: South Plantation High School, Tropical Elementary School, Seminole Middle School, and Peters Elementary School.

The project involved the installation of integrated visual and audio notification systems designed to support instructional environments and emergency response protocols. These systems were intended to supplement existing infrastructure while aligning with applicable building, fire, and accessibility requirements.

## Project Drivers

The DHH Project was driven by the District's commitment to inclusive learning environments and compliance with accessibility standards. Prior assessments identified the need for improved visual notification capabilities to ensure equitable access to safety and communication systems.

## Project Objective

The Deaf and Hard of Hearing (DHH) Project was designed to enhance the safety and communication systems within four schools serving the DHH population. This section outlines the project's history, status during the engagement, and planned deliverables, ensuring stakeholders are informed and aligned with the project's objectives and expected outcomes.

## Project Description

Traditional communications systems were inadequate in serving the needs of DHH students and staff, who required visual alerting and notifications that were uncommon in most school-based intercom systems. The DHH Project was intended to deploy a visual notification system based on the Audio Enhancement EPIC System (Education Paging & Intercom Communications). The system combines networked Infoview displays installed in classrooms and common areas and provides staff with configurable means to communicate visually with stakeholders. Four schools that specialized in serving DHH students were included in the project scope:

- South Plantation High School
- Tropical Elementary School
- Seminole Middle School
- Peters Elementary School

## Assumptions and Constraints

The project was initiated after funding was procured and appropriate procurement protocols were executed. BCPS user and stakeholder groups were actively engaged in the project. Delivery of key milestones was contingent on the design documents and specifications meeting BCPS Building and Pre-Construction Department criteria.

BCPS was responsible for managing all phases of the project, including primary and secondary vendor work and coordination. All work is subject to permitting and inspection requirements under the District's Authority Having Jurisdiction (AHJ).CAP Government, a private vendor, was retained to support documentation of plan review, permitting, and inspection record keeping; however, BCPS remained the AHJ that approved or failed inspections.

## Project History

The DHH Project suffered from the same impediments similar to those observed in other communication systems in the District, including shifts in direction, priorities, and the classification of the work. These factors, along with procurement and bidding process issues and significant staffing changes, contributed to the challenges encountered during implementation.

## Historical Timeline

The DHH Project progressed from initial planning in late 2022 through system activation before the start of the 2024–25 school year. While early phases advanced efficiently, later stages were affected by organizational restructuring, evolving system classifications, and coordination challenges across multiple contracts.
Despite these challenges, all four schools achieved operational readiness before the beginning of the academic year, allowing the District to meet its core accessibility and safety objectives.

## Key Milestones

- Initial project planning and needs assessment
- Procurement of equipment and installation services through multiple contracts
- System installation at all four school sites
- Inspections, testing, and operational activation

Detailed chronological activity logs and vendor-specific timelines are retained in the appendices for reference.

- Dec 2022
    - ITB-FY23-016- Audio Visual Products, Installation & Computer Peripherals was brought to the board, and Phase I – Alertus – Laptop Alert System was completed under the supervision of the Chief Fire Official and the newly assigned Safety Technology Team.
    - SSEP/IT Divisions' Leadership transferred supervision of the DHH Project from the SSEP-Chief Fire Official Department to the IT- Safety Technology Unit. Task Assigned Building Official/ Assistant Chief Building Official September 2020 to 2023 Perla Tarrau-Ayala.
    - The Safety Technology Unit (newly assigned team) completed the Alertus installation in 3.5 weeks without permit requirements, following the direction of the Chief Fire Official.
- Jan 2023
    - Phase II shifted to the Audio Enhancement system, transitioning to an audio and visual alerting approach.
    - Under the District's Audio and Visual device specifications, the vendor provided devices intended to enhance audio and visual alerting for DHH students and staff at the four DHH school sites.
    - The Safety Technology team received pre-existing project device placement designs from the Chief Fire Official.

- Feb 2023
    - Safety Technology reviewed pre-existing design layouts that had been reviewed by the BCPS Chief Fire Official and submitted for vendor proposals utilizing OO-17.ITB-FY23- 016 – Audio Visual Products, Installation & Computer Peripherals.
- Mar 2023
    - Capital Fund Amendment #4 appropriated $2.454.574 for phase 2 of the DHH Audio Visual Enhancement Project and $500,000 for site cleanup at Peters Elementary School.
    - A procurement issue was identified, as the procurement instrument covered equipment purchases but did not cover installation services for audio, visual or intercom components.
- May/June 2023
    - Device design work was completed
    - Two key BCPS project team members resigned
    - Through Summer 2023: Safety Technology functions sat under the IT Security Department, led by Teresa Macri.
    - Summer 2023: Teresa Macri was non-renewed; the IT Security Department was dissolved; Safety Technology moved under the Department of Infrastructure Services, led by Jason Greenberg
- July 2023
    - Bid FY24-075- Intercom, Master Clock, Sound System, Equipment Parts & Accessories was released to support intercom installation services.
- August 2023
    - The Audio Enhancement portion of the project sought a

specification revision from Pre- construction to reclassify the system from Emergency Communications to Intercom.

- September 2023
  - Existing BCPS Intercom Specifications did not support IP-Based intercom system; and several requirements in the specification were not valid for the DHH Project scope.
    - The Chief of Safety and Security and the Chief of Information and Technology met with Pre- Construction to discuss concerns and request new specifications for IP- Based systems
  - Pre-construction allowed modified vendor design submission under the existing specifications.
- Safety Technology Intercom Project Manager resigned
- November 2023
  - The first modified permit issued by the Building Department for partial DHH work
  - Installations begin at South Plantation High School
- December 2023
  - The BCPS Chief Building Official/Chief Fire Official (dual role at the time) added a Fire relay requirement to the scope, and the first permit was approved.

- March 2024
  - Installations at South Plantation reached approximately 90% completion.
    - A Fire panel error from AECOM previous work required remediation; AECOM coordinated resolution efforts with Bass- United Fire & Security Systems.
  - The Safety Technology team began facilitating updated IP-based Intercom specifications.
  - The Safety Technology Team received the Tropical Elementary School permit, and electrical work began
- April 2024
  - The updated IP-Based Intercom Specification ("27 5123.55-Educational Intercom-Program Systems") was released by the Pre-construction. Safety Technology facilitated the development process in approximately 3.5 weeks.
  - Electrical work was completed at Tropical Elementary School, and cabling work reached approximately 67% completion.
- May 2024
  - Site walks were conducted for Peters Elementary School and Seminole Middle School to develop design layouts.
- Summer 2025 (effective 07/01/2025): Safety Technology (Lynn Moscoso's team) moved from Infrastructure Services to Safety & Security Operations (my department) under SSEP.

## High-Level Requirements

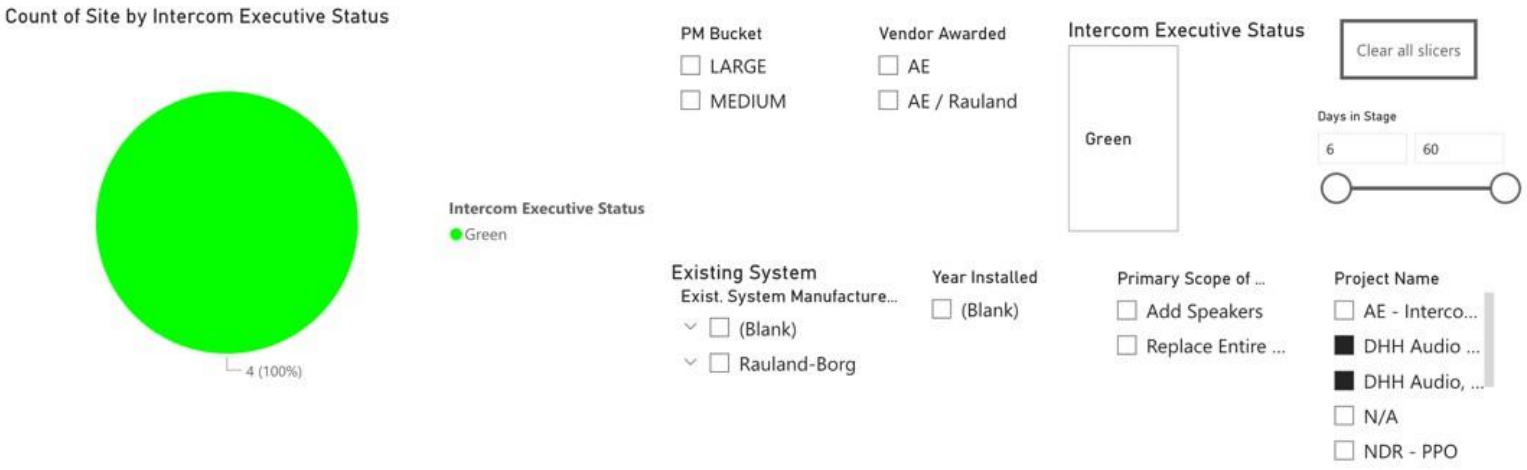
The following were the major attributes of the DHH Project-

A. **Empowered Learning:** Enhanced audio and visual technology in classrooms, media centers, and common areas, improving learning outcomes for students.
B. **Equity:** Enhanced educational and safety equity for DHH students and staff.
C. **Supported Safety:** Provided a discreet SAFE (Signal Alert for Education) alert notification system that enhanced safety response to requests for assistance (Call for Assist).
D. **Classroom Audio:** Provided advanced networked speakers to enhance learning via microphones and other audio devices, such as smartboards.
E. **Teacher Microphone:** Provided a teacher-wearable microphone that allowed the teacher's voice to be heard throughout the learning environment.
F. **Handheld Microphone:** Distributed students' natural speaking voices throughout the classroom more evenly.
G. **School-Based System Monitoring/Customization:** Offered a web-based portal for school interaction and customization of communication and alerting functions.
H. **Customization of Bells:** Allowed authorized personnel to set up customized bell schedules and prerecorded audio alerts.
I. **Paging:** Enabled scheduled announcements to select classrooms or hallways.
J. **Intercom:** Where applicable, provided full-duplex, hands-free intercom functionality between administrative offices and classrooms.
K. **Visual Messaging:** Allowed the broadcast of alerts and events school-wide or to select classrooms through a visual messaging system.
L. **Remote Technical Support:** Enabled remote technical and service support provided by District staff (triaging/first-tier customer service).
M. **Integration:** Used IP-based technology that integrated with other systems.
N. **Training:** Provided technical training to District technology teams and school-based training for functional users.

## Event-Driven Project Plan and Milestones

Each project involved a series of events that were dependent on one another and required significant coordination between BCPS departments, schools, and multiple vendors. Each phase depended on the completion of the previous phase. While efficiencies could be leveraged with multiple similar schools, the unique nature of each location and limited storage space require just-in-time ordering for equipment and supplies.

Completion of each stage established project milestones. Detailed work streams are managed by the individual vendors and SBBC to ensure coordination of resources and adherence to policies and procedures.

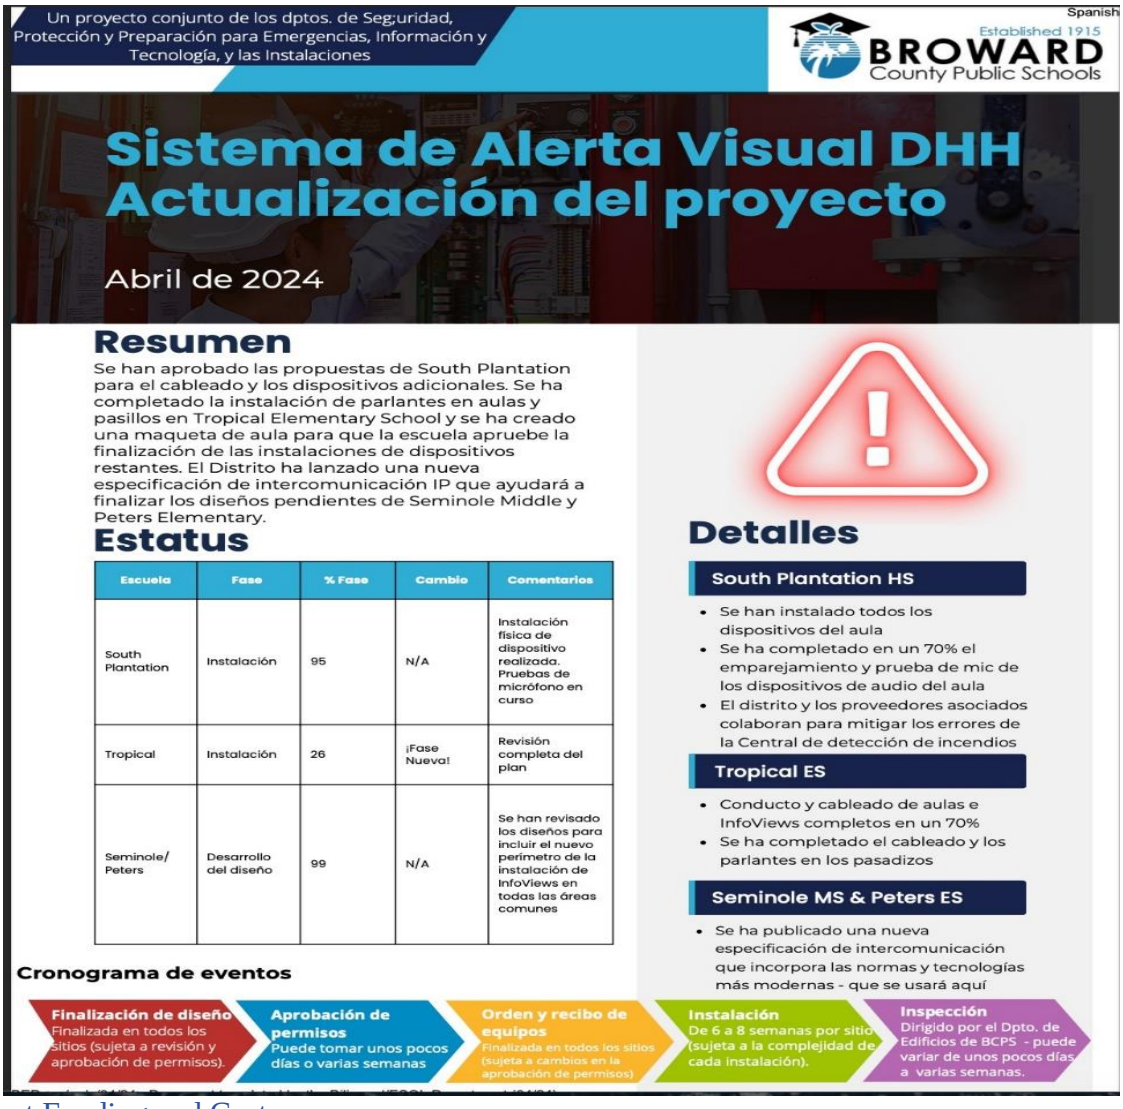


## Communications Plan

Project status is reported to executive leadership via a dashboard that was updated daily and reflected green, yellow, or red status codes to indicates action levels needed to clear obstacles.

Weekly updates are provided to ESE Stakeholders via Teams Meetings; updates to the Superintendent and school leadership were provided via email. Monthly updates were translated into multiple languages and distributed to school stakeholders, including DHH parents and community.

*Figure 1 - Executive Dashbo*



| Priority | Site | Intercom Executive Status | PM Bucket | Project Name | Project Stage | Days in Stage | Reason for Project Delay | Vendor Awarded | Date PO Cut to Intercom Vendor |
|---|---|---|---|---|---|---|---|---|---|
| 51 | PETERS ELEMENTARY | Green | LARGE | DHH Audio, Visual, Intercom Project | Site Walk | 6 | Site Walk to update designs before submitting for permitting is Thursday, 05/09/24. Safety Tech Team is also concurrently working on compiling peripheral vendor proposals. Peters was reprioritized over Seminole. Now is #51 vs. #53. | AE | |
| 52 | SOUTH PLANTATION HIGH | Green | MEDIUM | DHH Audio & Visual (NO INTERCOM) / ALSO Rauland - Intercom Enhancements Continuation Project | Installations Started | 60 | DHH Project Portion: Cabling completeed, Site walk to confirm proper installation is ongoing. Pending is SSEP Delivery of SAO FIRE SCOPE UNIFIER AND FIRE RELAY. They remain on proposal development status.) | AE / Rauland | |
| 53 | SEMINOLE MIDDLE | Green | LARGE | DHH Audio, Visual, Intercom Project | Design Review - Intercom | 60 | PENDING: Postponed site walk to complete design due to reshift of Peters ES as priority site over Seminole (Seminole is #53 vs. #51). Seminole Site walk will follow Peters, Date is TBD. | AE | |
| 54 | TROPICAL ELEMENTARY | Green | LARGE | DHH Audio, Visual, Intercom Project | Electrical / Cabling In Progress | 60 | ETA for IT Project portion completion is 06/30/24. | AE | |

## Project Funding and Costs

Original Budget - $2.5 M (Audio and Visual Devices, Infrastructure Upgrades Only - Capital Funding for DHH project $2,454,574).

## Project Stakeholders

### Executive Sponsors

Jaime Alberti, Safety, Security & Emergency Preparedness

Dr. Josiah Phillips, Information Technology

### Business Process Owners

James La Rosa, Director, Safety and Security Operations

Nathan Sade, Chief Fire Official

### Stakeholders

Diane Eagen, Executive Director, Exceptional Student Education

Andrea Ciotti, Director, Specialized Instruction

Jacqui Luscombe, ESE Chair, ESE Advisory Group
South Plantation High School Students and Staff

Tropical Elementary School Students and Staff

Peters Elementary School Students and Staff

Seminole Middle School Students and Staff

### Project Director

Manuel Castañeda, Information Technology

### Project Managers, BCPS

Lynn Moscoso, Safety Technology

Michael Torres, Safety Technology

Kevin Yoder, Infrastructure Services

### Project Managers, Vendor Partners

Bill Calder, Audio Enhancement

Adrian Curbelo, AGC Electric

Brad Higdon, BASS-United Fire & Security Systems

## Scope

The scope of this review focused on the Deaf and Hard of Hearing (DHH) Project and related installation work performed at Tropical Elementary School, Seminole Middle School, Peters Elementary School, and South Plantation High School. The scope included the review of internal communications, procurement activities, design layouts, demonstrations, permitting and inspection documentation, and financial verification.

The scope did not constitute an examination, audit or compliance review, and no opinion or conclusion was expressed. The procedure performed were limited to those agreed upon by the School Board of Broward County.

## Source Documentation

Source documentation included purchase orders, invoices, payment records, Board agenda materials, email communications, demonstrations and layout documents, permitting and inspections records, and interviews with BCPS personnel. Documentation was provided and reviewed for the purpose of confirming Project activities.

## Approach

Our engagement was conducted in accordance with the applicable professional standards promulgated by the American Institute of Certified Public Accountants (AICPA). These standards require that an AICPA member have the professional competence to perform the engagement and exercise due professional care during the performance. These standards were followed during our engagement.

We confirm that the authors and other professional staff involved in preparing this report acted independently and objectively. Fees for this engagement were based on the professional time expended and were not contingent upon the final results, conclusions, or resolutions. Using the data provided, we performed the procedures enumerated in our engagement letter, dated January 9, 2025, as delineated in the performance audit objectives.

We applied various commonly used auditing techniques to the provided data to identify findings, observations, and areas of noncompliance with BCPS policies. These techniques and the identified observations, findings, and noncompliance are outlined within the performance audit report.

**Expert Qualifications**
HCT holds an active license in the State of Florida and maintains good standing with the Florida Board of Accountancy to practice public accounting. HCT meets the independence standards as defined by generally accepted auditing standards. All HCT key audit personnel assigned have completed the number of required hours of Continuing Professional Education (CPE) for CPAs engaged in governmental auditing, pursuant to Florida Statute 473.312 and Governmental Auditing Standards (Yellow Book). HCT is a member of the AICPA *Governmental Audit Quality Center*.

**Roderick Harvey CPA, CVA**
Roderick Harvey has over 30 years of experience in public accounting with governments and nonprofit organizations, primarily in the areas of management consulting, auditing, and attestation services. He is the managing partner of HCT and has worked with multiple municipalities, school districts, federal agencies, the State of Florida, and special taxing government agencies. Mr. Harvey is experienced with over 170 municipalities, authorities, and districts.

**HCT Auditing Staff**
Our auditing staff members have over 110 years of combined experience in conducting SOX internal controls and operational audits at governmental entities and business organizations.

# PERFORMANCE AUDIT OBJECTIVES

**Purpose:** The School Board of Broward County, Florida (the "SBBC"), Office of the Chief Auditor, engaged HCT Certified Public Accountants & Consultants, LLC ("HCT") to complete a performance audit on procedures related to the District's DHH Project.

The scope of the engagement specifically focused on 4 District schools that needed visual aids and intercom enhancements. The hired contractor performed audio and visual enhancements at each of the 4 selected schools. The specified objectives of the engagement were as follows:

1) Review the three (3) associated solicitations and contracts for the DHH project.
2) Perform Reconciliation of the three (3) solicitations and contracts to the verifiable deliverables in accordance with the project completion dates.
3) Evaluate and report on the voter-approved SMART GOB dollars that were used in the project funding allocation to the total expended funds for the DHH project.
4) Evaluation of cost and time variances for the DHH projects, considering project components completed and project components in progress from commencement to the period ended May 31, 2024.
5) Determination of the improved or built state-of-the-art visual notification systems using the EPIC System and information regarding the number of these stations at four (4) Schools.
    a. South Plantation High School
    b. Tropical Elementary School
    c. Seminole Middle School
    d. Peters Elementary School
6) Verification of the total amount paid from District funds for construction.
7) Verification of the total amount paid from District funds to vendors/suppliers.
8) Verification of whether IP or analog technology is being achieved.
9) Determination of the DHH project timeline at commencement as compared to the actual performance timeline for the DHH project.
10) Determination of the economic impact of the DHH project delays.
11) Review the IT department and/ or Safety and Security office's comprehensive contract reporting and monitoring system for evaluating the effectiveness of the DHH project.
12) Review how the DHH project goal setting was established and monitored for each project component.
13) Review a sample of the DHH Project contracts recently completed or in progress to ascertain whether the substance and intent of the EPIC installation is being achieved.
14) Determine the extent to which vendors that have been vetted and approved by The Office of Procurement were able to successfully complete the project with the District as a contractor or subcontractor.
15) Determine what procedures are in place to verify:
    a) that the work performed by the prime and/or subcontractors was performed

for the goods and services stipulated in the contract and/or invoice.

b) that the goals for vendors are included in the contracts and monitored for compliance.
c) that prime contractors promptly and/or timely pay their subcontractors for contracts; and
d) that there are consequences for contractors' and subcontractors' noncompliance.

16) Evaluate the three (3) associated contracts internal control weaknesses that may lead to fraud or malfeasance
17) Interview and discuss the DHH project and the EPIC system installation with the IT Department, Safety and Security Department, and the Current or Former Chief Fire official. The discussion and evaluation will be about:
    a. Vendor selection and vendors' ability to perform the DHH project steps timely;
    b. Preexisting project designs and if any changes to the project design, whether implemented or not, caused DHH project delays;
    c. Use of any private vendor(s) for permitting and the extent of such private vendor(s) in the permitting process;
    d. Any procurement problems discovered, the procurement instrument employed for the purchasing of goods and services for the DHH project;
    e. The procurement instrument employed to cover the audio-visual device or intercom installation;
    f. If any project changes were put forth seeking specification revisions during preconstruction to reclassify the DHH project from EPIC to an Emergency Communication System (ECS).
18) On-site visits to the four schools to evaluate, determine, and inspect the progress of the EPIC systems at
    a. South Plantation High School
    b. Tropical Elementary School
    c. Seminole Middle School
    d. Peters Elementary School
19) Review and analyze Federal, State, and BCPS procurement and policy requirements that are related to the DHH project.
20) Evaluate, assess, and report on prime vendors' purchases of devices (IP or analog) mapped against the DHH project progress.
21) Determine and report if any excess equipment was ordered for the DHH project and the subsequent billing to BCPS for excess and/or ancillary equipment related to the DHH project.

# FINDINGS AND OBSERVATIONS

## *Performance Audit Findings*

Finding #01: **Contract Management Oversight Was Not Assigned**

**Condition-** Contract management oversight was not reassigned following restructuring during the DHH Project

**Effect –** The absence of contract oversight increased the risk of coordination inefficiencies and contributed to delays in resolving project-related issues.

**Cause –** Departmental restructuring occurred during the project, but contract management responsibilities were not reassigned.

**Criteria –** Contract administration and project coordination functions were required to be assigned and maintained to support vendor performance and installation activities. Under Florida Statutes Chapter 1001, school boards were authorized to adopt policies governing procurement, contract administration, and project execution. District procurement and contract administration policies require scope coordination and assignments responsibility. Projects involving electrical, fire alarm, and audiovisual system installations require coordination with the Authority Having Jurisdiction (AHJ) for plan review, permitting, inspections, and final acceptance under the Florida Building Code (Florida Statutes Chapter 533)

**Recommendation –** Assign contract management oversight during departmental restructuring to support coordination between vendors and the AHJ during plan review, permitting, inspections, and acceptance activities in accordance with Florida Building Code requirements.

**Management Response -** We concur with the finding. During the time this project was executed, Safety Technology responsibilities shifted across departments, resulting in fragmented oversight and increased risk of coordination gaps. Since the completion of this project, the District has reorganized Safety Technology under the Safety and Security organization to establish unified command and clear accountability for safety technology projects. A dedicated project manager has been assigned to oversee intercom-related projects moving forward, with defined ownership and coordination expectations across stakeholders. These changes are intended to ensure consistent oversight and reduce the likelihood of similar issues on future projects.

**Office of the Chief Fire Official Response**: The Office of the Chief Fire Official acknowledges the observation; however, contract management and assignment of contract administration responsibilities fall outside the scope of this office. The Authority Having Jurisdiction's (AHJ) role is limited to plan review, permitting, inspections, and code compliance verification, while contract administration and project oversight are governed by District procurement and project management functions. Accordingly, no corrective action is required by the Office of the Chief Fire Official.

Finding #02 **Audio Degradation at South Plantation High School**

**Condition-** Reduced audio fidelity was noted during a site visit at South Plantation High School. No maintenance plan had been established for system components.

**Effect –** Audio distortion limited the instructional and accessibility benefits intended for Deaf and Hard of Hearing students and staff.

**Cause –** Maintenance responsibilities had not been defined, and no operational lifecycle plan was established for the system.

**Criteria –** Audiovisual notification and emergency messaging systems installed within educational facilities were required to meet operational performance, integration, and emergency messaging standards. Under the Florida Fire Prevention Code, fire alarm and notification appliance performance requirements adopted NFPA standards for operational messaging notification integration. The Florida Building Code (Chapter 553, F.S.) and the AHJ had authority to verify operational readiness during inspections and final acceptance. Educational facilities were further subject to performance and system integration requirements under the State Requirements for Educational Facilities (SREF)

**Recommendation –** Define maintenance responsibilities and operational lifecycle controls to ensure audio components remain functional and aligned with AHJ performance expectations and Florida Building Code requirements.

**Management Response** – We concur with the finding. Following project completion, audio quality concerns at South Plantation HS were brought to our attention. With Safety Technology now aligned under the Safety and Security organization, a dedicated project manager engaged directly with the school, stakeholders, and the appropriate vendor(s) to assess system performance and coordinate corrective actions to restore expected functionality. In addition, the District has implemented a centralized service request/ticketing process (Incident IQ) that allows schools to report system issues, which are triaged by the Safety Technology team and routed to the appropriate project manager for resolution. These actions strengthen ongoing support and help ensure sustained system performance.

**Office of the Chief Fire Official Response:** The Office of the Chief Fire Official acknowledges the observation; however, post-acceptance system performance, maintenance, and lifecycle management of audiovisual and instructional systems fall outside the scope of this office. The AHJ's authority is limited to code compliance review, inspection, and acceptance at the time of permitting and final inspection. Accordingly, no corrective action is required by the Office of the Chief Fire Official.

Finding #03: **Use of Multiple Procurement Vehicles Increased Complexity**

**Condition-** Six procurement vehicles were utilized to support the DHH Project

**Effect –** Use of multiple solicitation instruments (FY23-016 / FY23-061 / FY23-185 / FY24-075 / FY21-188 and FY22-026) increased the complexity and contributed to coordination challenges.

**Cause –** Procurement scope alignment for equipment procurement versus installation services required more than one solicitation instrument during the project.

**Criteria** – Under **Florida Statutes Chapter 1001**, School Boards were authorized to adopt procurement policies governing acquisition and contract administration. District procurement policy required alignment between equipment procurement and installation services to support project execution. Installation of electrical, fire alarm, and audiovisual components required coordination with the AHJ for permitting, plan review, inspections, and acceptance under the **Florida Building Code (Chapter 553, F.S.).** BCPS policy 3320, part 6, applies to IT purchases.

**Recommendation –** Align procurement instruments for equipment and installation services to support coordinated plan review, permitting, inspections, and system acceptance activities in accordance with Florida Building Code requirements

**Management Response** - We concur with the finding. The DHH Project required multiple solicitation instruments and vendors to support districtwide delivery of distinct components (e.g., equipment, cabling/installation support, and permitting/inspection coordination), which increased coordination requirements and created added complexity during execution. At the same time, the use of specialized vendors reflects how the District delivers these services across multiple sites to ensure work is performed to specification and in accordance with applicable requirements.

Going forward, we will strengthen project planning and coordination when multiple instruments are necessary, and we are also moving, where appropriate, toward more turnkey delivery models that place greater end-to-end responsibility on a primary vendor for defined project scopes. This is intended to simplify coordination, improve accountability, and reduce the risk of handoff-related issues on future projects.

**Office of the Chief Fire Official Response:** The Office of the Chief Fire Official acknowledges the observation; however, procurement strategy, solicitation selection, and contract structure are outside the scope of this office's responsibilities. The AHJ's role is limited to code compliance review, inspections, and final acceptance. Accordingly, no corrective action is required by the Office of the Chief Fire Official.

Finding #04: **Inspection Documentation and Final Acceptance**

**Condition**- Inspection documentation reflected variability in outcomes across participating schools and did not include consolidated records to verify inspection closure and final acceptance for all DHH project sites. The CAP Government inspection extract provided for audit review did not include itemized inspection outcomes for South Plantation High School and did not reflect a passing fire inspection for Peters Elementary School within the extract period reviewed.

Supplemental documentation provided outside of the CAP Government extract reflected that South Plantation High School achieved an electrical final passing inspection on November 3, 2023; however, additional conditional electrical inspections continued into 2025. These supplemental inspection records were not included within the CAP Government extract nor presented as a unified acceptance package for the DHH project.

In correspondence with CAP Government regarding Peters Elementary, CAP clarified that a final fire inspection had not yet been scheduled and indicated that closure activities remained contingent on contractor inspection requests. This correspondence confirmed that final acceptance could not be verified through the documentation provided for audit review.

**Effect-**Without a consolidated acceptance package, closure, and compliance status, required manual reconciliation across multiple record sources, including CAP Government documentation, supplemental AHJ records, and vendor communications. Contractor-driven scheduling dependencies further delayed closure verification and increased the administrative burden associated with confirming corrective action outcomes and life-safety compliance.

**Cause-** Documentation workflows between CAP Government, the District's AHJ, project vendors, and internal departments did not yield a unified inspection and acceptance record for all participating schools. Final inspection and acceptance activities for Peters Elementary remained dependent on contractor action, and inspection activity for South Plantation extended beyond the final pass indicated in supplemental records, necessitating additional reconciliation.

**Criteria-** Inspection and acceptance documentation were required to be maintained for projects involving electrical, fire alarm, and audiovisual systems subject to AHJ plan review, permitting, inspections, and acceptance. System acceptance activities were subject to the Florida Building Code (Chapter 553, F.S.), Florida Fire Prevention Code (NFPA-adopted), and State Requirements for Educational Facilities (SREF). Procurement and project execution were further subject to School Board Policies under Florida Statutes Chapter 1001.

**Recommendation-** Maintain a consolidated inspection and acceptance documentation record to verify compliance, corrective action closure, and AHJ acceptance consistent with Florida Building Code requirements.

**Management Response -** We concur with the finding. The audit identified that closeout documentation and acceptance records for the DHH Phase II work were not consistently consolidated in a single, readily retrievable acceptance package for review, and documentation was maintained across multiple parties and locations. The District's focus during the execution period was ensuring the systems were operational for the school year; however, the closeout/acceptance documentation was not packaged and retained in a standardized way that supports efficient verification after the fact.

Going forward, the District will seek to require a standardized closeout/acceptance package for multi-site safety technology projects that includes permitting/inspection outcomes, supporting closeout artifacts (as-builts/turnover materials, training, warranties as applicable), and final acceptance confirmation in a centralized repository. This process will be coordinated with the permitting/inspection agent and internal stakeholders to ensure consistent documentation retention and retrieval. In addition, under current Safety Technology oversight, we will work with the responsible parties to compile and reconcile remaining closeout documentation for this project to the extent available.

**Office of the Chief Fire Official Response**: The Office of the Chief Fire Official acknowledges the observation; however, final inspection documentation and acceptance are issued only after a project is complete and all required inspections have been requested, performed, and passed. At the time of the audit review, the referenced DHH project sites had not achieved final completion; therefore, final acceptance documentation could not be issued. This reflects project status and inspection sequencing, not a deficiency in inspection or documentation procedures.

**Finding #5- Specification and Classification Sequencing**

**Condition-** DHH system specifications and system evolved during implementation rather than during the initial project planning, procurement, and permitting.

**Effect-** Late system classification contributed to reactive specification adjustments, additional coordination between vendors and the Authority Having Jurisdiction (AHJ), and delays associated with integration and acceptance activities.

**Cause-** Maintain a consolidated inspection and acceptance documentation record to verify compliance, corrective action closure, and AHJ acceptance consistent with Florida Building Code requirements.

**Criteria-** System classification and specification requirements were required to be established during planning to support procurement alignment, plan review, permitting, inspections, and acceptance. Under Florida Statutes Chapter 1001, School Boards were authorized to adopt procurement and contract administration policies. System installations required permitting and acceptance by the AHJ under the Florida Building Code (Chapter 553, F.S.), the Florida Fire Prevention Code (NFPA-adopted), and educational facility requirements under the State Requirements for Educational Facilities (SREF)

**Recommendation-** Establish system classification and specification requirements during planning to support coordinated procurement, permitting, integration, and acceptance activities consistent with AHJ expectations and Florida Building Code requirements.

**Management Response** -We concur with the finding. The project required adjustments during implementation to align system requirements, integration needs, and acceptance expectations, rather than having all specifications and classification fully finalized at the outset. This was influenced in part by the complexity of deploying newer technologies into legacy school environments and integrating with existing building systems. Going forward, the District will strengthen upfront planning for similar projects by confirming system classification and integration requirements prior to procurement and installation, including coordination with relevant stakeholders for permitting and acceptance. We will also apply standardized configuration and installation procedures and require pre-install validation of site conditions to reduce the need for field changes, minimize rework, and support more predictable closeout.

**Office of the Chief Fire Official Response:** The Office of the Chief Fire Official acknowledges the observation; however, original system specifications and classification decisions for the DHH Project were established during initial planning and procurement phases prior to the current Chief Fire Official's tenure. A few months after assuming the role, this office assisted in developing District-wide intercom system design standards to improve consistency for future projects; these standards were not project-specific and were not applied retroactively. Accordingly, no corrective action is required by the Office of the Chief Fire Official.

**Finding #6- Governance and Organizational Continuity**

**Condition**- Leadership transitions occurred during the DHH Project across IT, Safety, and building functions without the establishment of a unified governance framework to support continuity of execution.

**Effect-** Transitions increased reliance on cross- department coordination, created procedural inefficiencies, and required vendors to reconcile scope and requirements during active implementation.

**Cause-** Departmental leadership transitions occurred during the DHH Project across Information Technology, Safety Technology, and Building functions without the establishment of a centralized governance structure or formal transition plan to maintain continuity of oversight, decision-making authority, and project execution responsibilities.

**Criteria-** Governance and administrative oversight for educational capital projects were required to support continuity of execution, procurement alignment, permitting, and acceptance. Under Florida Statutes Chapter 1001, School Boards were authorized to adopt policies governing procurement and project administration. Projects involving electrical, fire alarm, and audiovisual systems were subject to plan review, permitting, inspection, and acceptance by the AHJ under the Florida Building Code (Chapter 553, F.S.) and State Requirements for Educational Facilities (SREF)

**Recommendation-** Establish centralized governance to support continuity of execution during restructuring and ensure coordinated procurement, permitting, and acceptance activities under applicable requirements.

Management Response - We concur with the finding. The project period included leadership transitions across involved functions, which increased the importance of continuity practices and clear, consistent ownership below the executive level to maintain momentum and coordination.

Going forward, the District will strengthen governance and continuity for safety technology capital projects by formalizing project ownership and continuity at the operational level, including the use of dedicated project managers for major efforts and defined roles/responsibilities to sustain oversight through leadership changes. In addition, we will ensure appropriate cross-training and stakeholder visibility so subject matter experts maintain engagement and continuity across project phases. These actions are intended to support consistent execution, coordinated closeout, and improved accountability on future projects.

**Office of the Chief Fire Official Response:** The Office of the Chief Fire Official acknowledges the observation; however, governance structure, contract management, procurement methods, and maintenance oversight fall outside the scope of the AHJ. The AHJ's responsibilities are limited to plan review, permitting, inspections, and final acceptance in accordance with applicable codes and standards. Accordingly, no corrective action is required by the Office of the Chief Fire Official.

## *Performance Audit Observations*

Observations - ***None Noted***

# SUMMARY OF INTERVIEWS CONDUCTED:

**Interview with BCPS Chief Fire Official Nathan Sade**

We interviewed Mr. Sade on December 18th, 2025. At the time of the interview, Mr. Sade served as the Chief Fire Official for Broward County Public Schools (BCPS). Several former Fire Officials were involved with the DHH project during the planning, commencement, and execution phases. Those former fire officials included -

- **March 2021 – February 2023:** Task Assigned Chief Fire Official — **Matthew Decker**
- **February 2023 – January 2024:** Task Assigned Chief Fire Official — **Kim Luke**
- **January 2024 – 01/02/2024:** Task Assigned Chief Fire Official — **Perla Tarrau-Ayala** *(short-term coverage between Nathan being hired and his actual start date)*

Mr. Sade stated that he began his employment with BCPS on January 3rd, 2024, as the permanent chief fire official. He discussed permitting for the DHH Project and stated that the Fire Officials Department retained CAP Government to manage permitting. We obtained the BCPS contract with CAP Government for this engagement.

Based on our inquiry, Mr. Sade stated that the DHH Project was not an Emergency Communication System (ECS). He stated that the DHH project was an intercom system that required integration with fire intercom and fire alarm systems. He explained that the intercom components functioned as secondary to the fire alarm system, which is primary

Mr. Sade stated that the DHH project required an additional fire alarm relay. The relay shuts down non- essential audio and visual tones when the fire alarm is activated, ensuring that the fire alarm remained primary for emergency directives.

Mr. Sade reviewed DHH Project specifications for BCPS. When asked about his firsthand evaluation of installations, Mr. Sade stated that he had not evaluated any of the DHH school sites that installed the audio enhancement system.

## Interview with Marc LaFerrier, Consultant CAP Gov

We communicated with Mr. LaFerrier, Operations Director for CAP Government. He stated that CAP Government provided Florida Building Code (FBC) and State Requirements for Educational Facilities (SREF) compliance activities for the DHH Project under the Authority Having Jurisdiction (AHJ), BCPS Chief Building Official, Ms. Tarrau-Ayala. He stated that CAP Government performed plan review and inspection activities for Tropical Elementary School, Peters Elementary School, and Seminole Middle School.

## Interview with BCPS Perla Tarrau-Ayala, Chief Building Official

We communicated with Ms. Tarrau-Ayala. She stated that the Building Department conducted plan review for South Plantation High School (ISS #24935), received October 27, 2023, and permitted on October 31, 2023. She stated that subsequent plan changes and inspections were managed by CAP Government.

| | PermID | PRID | Discipline | Status | Phase | Date Rec by Dept | BD PR Complete | Drawings>Consult>PM>BD |
|---|---|---|---|---|---|---|---|---|
| | 24935 | 54388 | Building | Approved | 100R01 | 10/27/2023 | 10/31/2023 | |
| | 24935 | 54389 | Electrical | Approved | 100R01 | 10/27/2023 | 10/31/2023 | |
| | 24935 | 54393 | Fire Safety | Approved as Noted | 100R01 | 10/27/2023 | 10/31/2023 | |

Mrs. Tarrau-Ayala stated that the Building Department did not conduct plan reviews or inspections for Tropical Elementary School, Peters Elementary School, or Seminole Middle School because those Projects were transferred to CAP Government. She stated that the Building Department lacked an electronic plan review system and that the IT Department determined it was more efficient to utilize CAP Government.

## Interview with BCPS James La Rosa

We interviewed Mr. La Rosa on November 21st,2025. He stated that the DHH Project was performed under the BCPS Information Technology (IT) Department. He described the district reorganization that occurred during the DHH project involving the IT, safety, and Security Departments. Leadership changes occurred during the DHH Project lifespan. For example, Mr. James Alberti departed and was replaced by Michael Gregory, and Dr. Joe Phillips was replaced by Trey Davis. Matthew Bradford served as Executive Director of Technology Operations during the DHH Project. He further stated that Kim Luke served as the Plans Examiner during the project and that Mr. Nathan Sade became the Fire Official after Ms. Luke served in that role.

We learned the following reporting line timeline from our communication with Mr. La Rosa.

Safety Technology team –

- Through Summer 2023: Safety Technology functions sat under the IT Security Department, led by Teresa Macri.
- Summer 2023: Teresa Macri was non-renewed; the IT Security Department was dissolved; Safety Technology moved under the Department of Infrastructure Services, led by Jason Greenberg.
- Summer 2025 (effective 07/01/2025): Safety Technology (Lynn Moscoso's team) moved from Infrastructure Services to Safety & Security Operations (my department) under SSEP.

**Interview with Lynn Moscoso, Assistant Director – Safety Technology**

We learned the following from our communications with BCPS executives.

Lynn Moscoso – position background

- Prior roles (SSEP): Secretary; then Protective Research Analyst (both within SSEP)
- October 2022: Hired/promoted to Assistant Director, Safety Technology (moved to IT at that time)

We interviewed Ms. Moscoso on December 16th, 2025. In our interview with Ms. Moscoso, we found that her statements corroborated those of prior interviewees and provided content for DHH Project drivers. Ms. Moscoso explained that she handles:

- Code compliance
- Design criteria for BCPS
- Integration of Safety Technology
    - Camera Access control
    - Intercom radio antenna

Her primary responsibility was to ensure that all trades performed work consistent with plan specifications. She stated that Exceptional Student Education (ESE)should be consulted because that department oversees services for the Deaf and Hard of Hearing community.

Ms. Moscoso discussed BCPS organizational restructuring and stated that the Comprehensive Contract Management Department was absorbed by Mr. La Rosa's department.

Ms. Moscoso stated that Procurement- Safety & Security requested bids through the procurement department. She stated that the procurement department obtained three or more bids to perform various phases of the DHH project. She further explained that the various IFBs and RFPs required separate solicitation instruments for equipment procurement and installation services. She stated that she did not participate in vendor selection and that the procurement handled vendor evaluation and performance grading.

Regarding permitting, Ms. Moscoso stated that BCPS pulled permits to ensure walk-throughs were performed and progress monitored. She stated that BCPS staff performed on-site inspections of the DHH system.

Ms. Moscoso stated that BCPS could apply pressure to non-paying prime contractors, but is not responsible for contractor -subcontractor payment relationships. She stated that the DHH Project used the EPIC brand system. She stated that the Project design changed twice to expand system reach and convert the project into an intercom system. She stated that CAP Government was employed for DHH installation with approval from the Chief Building Official- Perla Tarrau-Ayala.

In closing, Ms. Moscoso stated that she supported the DHH project by

- Acting as Manager over the process
- Monitoring on-site equipment deliveries
- Overseeing logistics and inventory
- Working with  Project Manager Michael Torres to manage purchase orders

She stated that there was no excess equipment remaining at the conclusion of the DHH Project.

**Interview with Alison Wioshynsky, Director - Environmental Health & Safety Department**

We interviewed Mrs. Alison Wioshynshy. She described that her department's responsibilities included managing environmental compliance for Federal, State, and Local regulatory matters, paying BCPS utility bills, and overseeing environmental regulatory issues. She states she worked as an environmental consultant for fifteen years before joining BCPS and held certification in safety and asbestos.

Mrs.Wioshynsky stated that she was not involved with the DHH Project. She did, however, have involvement in the soil contamination project at Peters Elementary School.  She stated that Broward County Environmental Protection and Growth Management (EPGMD)issued a letter to BCPS in 2017 or 2018 regarding soil contamination at Peter Elementary.

We inquired further regarding the remediation project for the soil contamination at Peter's Elementary School.  Mrs. Alison and her team were involved in the soil remediation project at Peters Elementary under the Capital Fund Amendment #4, which occurred between June 13, 2023, and July 21, 2023, and included source removal and site restoration. We obtained and reviewed the Provisional "No Further Action with Conditions" letter from Broward County dated November 28, 2023, and the conditional Site Rehabilitation Completion Order acknowledging the recording of a Declaration of Restrictive Covenant dated November 1st 2024.  Documents submitted to and received from Broward County were available on the Broward County ENVIROS database by searching for Project No. NF-2898B

Mrs. Witoshynsky stated that remediation was performed by Professional Services Industries, Inc (PSI). She stated that Peters Elementary was never closed or blocked off and that the soil contamination project should not have impacted the DHH Project at Peters Elementary School.

**Persons we attempted to schedule for interviews who refused to participate:**

None.

# PERFORMANCE AUDIT NARRATIVE

The District Educational Facilities Plan (DEFP-FY23) covered the five-year period beginning July 1, 2022, and ending June 30, 2027. The DEFP sustained funding for the SMART Program and other projects approved in the prior DEFP adopted on September 8, 2021.

The District remained committed to providing a safe and supportive school environment. District leadership recognized that students and staff needed to feel safe and supported to perform at their maximum potential. As part of its strategic goals, the District sought to develop approaches that fostered safer schools and facilities. In FY2018-19, SB 7026 provided dedicated funding to replace the 1200 Building (Bldg. 12) at Marjory Stoneman Douglas High School. The Florida Legislature approved $26.3 million for the District to replace the structure and construct a memorial.

Beginning in FY2018-19, the District used State security grant funding to support security cameras, PA systems, radio systems, and other school safety measures. In FY2018-19, approximately $6.2 million was used for security cameras, $1.8 million for PA systems at schools, and $1.6 million for charter schools. The District also entered into a $19.8 million capital lease to implement additional PA systems and upgrade radio communications. In FY2019-20, the District used an additional $4 million in State security grants to enhance the single point of entry and other security measures, and provided $0.8 million to charter schools. In FY2020-21, the State security grant funded approximately $3.3 million in security hardware and approximately $0.7 million for charter schools. The District supplemented these efforts with Federal E-rate funding to improve network infrastructure supporting security cameras. In FY2021-22, the District identified local funds to continue camera upgrades. The State security grant provided $3.3 million to District schools and $0.7 million to charter schools for security hardware. In FY2022-23, State security grants identified approximately $1.9 million for school hardening improvements identified in the Florida Safe Schools Assessment Tool (FSSAT).

## *Sub Topic 1 – Creation and implementation of DHH Project*

The DEFP FY2023 Capital Fund Amendment #4 appropriated $2,454,574 to fund the Deaf and Hard of Hearing (DHH) audiovisual enhancement project and $500,000 to fund soil remediation at Peters Elementary School. The School Board approved the amendment; therefore, District staff implemented Phase II of the DHH Audio Visual Enhancement Project. Phase II was intended to enhance emergency notification for DHH students and staff at four schools with higher DHH populations. The approval simultaneously initiated remediation of identified soil contamination at Peters Elementary.

Not implementing Phase II of the DHH Audio Visual Enhancement Project would have created risk that students and staff could fail to perceive fire alarms or emergency alerts. Not funding the soil remediation would have risked Broward County issuing a Warning Notice and potential fines to the District.

**Background and Project Design**

Phase II of the DHH Audio Visual Enhancement Project was designed to enhance emergency notification and communication for the DHH community. The project included a digital notification system, audio notification, in-class audio enhancement, and intercom system upgrades. Full functionality was intended for Peters Elementary, Tropical Elementary, and Seminole Middle. Phase II included installing additional devices in common areas and critical notification points across these schools.

Phase 1 had already been completed and included the installation of Alertus software on District computers and programming a Rapid Response Console at each school.

**Soil Remediation Project**

Soil contamination at Peters Elementary School was documented in Broward County environmental records beginning in 2019. The District obtained an Environmental Assessment and Remediation License, pursuant to Section 27- 358(d)(1), Broward County Code. Soil assessment activities were completed and documented in a Limited Contamination Assessment Report (Third Addendum) in April 2022, followed by a Remedial Action Plan (RAP) to the Broward County Environmental Protection & Growth Management Department (EPGMD) in January 2023. A proposal was submitted under Bid FY22-121 for $492,623.75, and a total allocation of $500,000 was requested to fund remediation and contingency at Peters Elementary School. Soil remediation activities were completed in 2023, and documentation in the record indicated the project proceeded to conditional closure.

**Alignment to Governance Requirements**

The DHH Project and soil remediation activities were presented to the School Board for approval pursuant to DEFP capital authorization requirements and District Governance procedures. The project aligned with School Board Guardrail 1(Safety) and Guardrail 5(Accountability) and complied with Florida Administrative Code R. 6A-1.007 pertaining to School Board accountability and reporting requirements.

**Financial Impact**

The total financial impact of the DHH Project was $2,454,574. Capital Fund Amendment #4 requested appropriations of $2,454,574 for the DHH Project and $500,000 for soil remediation from the capital unallocated reserve. Spending authority for the audiovisual component was incorporated into the competitive bid approval for "Audio Visual Products, Service & Computer Peripherals (Catalog)" (OO-17 — ITB-FY23-016) on December 13, 2022. Soil remediation activities utilized Bid FY22-121 at an estimated cost of $492,623.75 plus contingency for a total authorization of $500,000. The estimated cost for the DHH project across four schools was as follows:

**DHH - Audio Visual Enhancement Project - Phase II**

| School | Audio/Visual Peripherals | Network Cabling | Total |
|---|---|---|---|
| Peters Elementary | $268,965 | $54,400 | $323,365 |
| Tropical Elementary | 367,065 | 91,840 | 458,905 |
| Seminole Middle | 343,828 | 76,319 | 420,147 |
| South Plantation High | 626,680 | 153,985 | 780,665 |
| **Sub-Total** | **1,606,538** | **376,544** | **1,983,082** |
| Quotes Pending: | | | |
| South Plantation HS | | | |
| - 6 HV Locations | | | $ TBD |
| - Network Drops | | | $ TBD |
| **Estimated Cost Pending Items** | | | **400,000** |
| Project Contingency 3% | | | 71,492 |
| **Total** | | | **$2,454,574** |

Soil remediation utilized bid FY22-121 at an estimated cost of $492,623.75 plus contingency for a total funding request of $500,000.

HCT reviewed the BCPS purchasing and procurement policies 3320 and 3320-part 6 section B for IT purchases.

## VI. PURCHASING POLICIES – *TECHNOLOGY (RATIONALE)*

B. Policy 5306 prescribes specific guidelines which bear directly on the process for procurement of technology resources. Specific guidelines that influence technology procurement are as follows:

1. There will be a single technology system encompassing teaching, learning, and management.
2. System design will be based on vendor-independent open system standards.
3. Networks will integrate voice, video, and data communications systems.
4. The data architecture will be based on an enterprise-wide network using client-server technology.
5. Database management software will be relational and be able to run on a variety of operating systems and hardware platforms.
6. Information will be recorded once and validated at the source.
7. All mainframe, personal and mini-computers and peripherals will be inter-connected through network hardware and software.
8. Technology must be kept current, within available resources, and replaced or upgraded based upon a life-cycle process.

Purchasing Policies 3320
15

Policy 5306 subsection 8 states that technology must be kept current within available resources and replaced or updated based upon a life cycle process.

## *Sub Topic 2 – BCPS bids used for the DHH Project*

District Safety Technology utilized multiple procurement instruments for the DHH/Intercom project. Each bid supported a specific component of the project and was procured in accordance with District procedures. These included:

1. **FY23-016 — Audio Visual Products, Service & Computer Peripherals**

   This bid was utilized to procure specialized audiovisual equipment required to support DHH communication and instructional needs. Under this bid, Audio Enhancements was selected to supply DHH equipment that integrated with District systems and met functional needs for accessibility. Use of this bid ensured that equipment purchases were made through a competitively awarded contract in accordance with District procurement procedures.

2. **FY23-061 — Electrical Services**

   The electrical services contract was generally utilized by Physical Plant Operations, Custodial & Grounds, and Energy Management for preventive maintenance and capital projects. For the DHH project, the bid was utilized to perform electrical system work and wiring required to support DHH equipment and intercom components. AGC Electric, Inc. performed installations in accordance with District electrical and safety requirements and provided the electrical infrastructure necessary for the DHH system

3. **FY23-185 — Fire Alarm Services**

   The Fire Alarm Services bid was generally used for mandated annual testing, inspection, and certification of fire alarm systems per NFPA 1 and 101, State of Florida Building Code Chapter 9, State Statutes Chapter 633, and the Florida Fire Prevention Code. For the DHH project, the bid supported fire alarm devices, testing, inspection, and code-required services associated with installation of DHH systems. Bass-United Fire & Security Systems, Inc. provided services under this bid to maintain system compliance. Use of the bid ensured that fire alarm work was performed by licensed and manufacturer-authorized vendors through an approved procurement instrument.

4. **FY24-075 — Intercom, Master Clock, Sound System, Equipment Parts & Accessories**

   This bid supported Districtwide intercom and communication systems. For the DHH project, the bid was used to implement intercom installations and related services. Audio Enhancement was utilized for DHH intercom installation and service work. Use of this contract ensured procurement of intercom components through a competitively awarded bid aligned with District technology standards.

5. **FY21-188 — Structured Cabling & Enterprise Networking**

   This bid supported structured cabling and networking infrastructure. For the DHH project, the bid was utilized to procure networking equipment and cabling services required for DHH system connectivity and intercom integration. United Data Technologies (UDT) provided networking and cabling services under this bid. Use of the bid ensured compliance with District networking standards and E-rate participation rules and prevented pricing escalation during the term.

6. **FY22-026 — Open-End Services for Building Code Supplemental Services (Plan Review, Permitting & Inspections)**

   This bid was utilized to obtain plan review, permitting, and inspection services for the DHH project. With approval from the Chief Building Official, Perla Tarrau-Ayala, CAP Government performed plan review and inspections in specialized areas required to install DHH systems. Use of the bid provided access to supplemental code enforcement services on an as-needed basis and ensured that DHH installations complied with applicable building and safety requirements.

Interviews confirmed that Procurement administered vendor solicitation, evaluation, and award processes. The instruments utilized enabled the acquisition of audiovisual devices, electrical services, fire alarm services, networking components, intercom installation, and permitting support.

## *Sub Topic 3 – BCPS Internal Communications on DHH Project*

Between February 2-6, 2023, internal and vendor communications occurred to coordinate the proposed Deaf and Hard of Hearing (DHH) audio- visual enhancements. Communications focused on confirming layouts, clarifying project scope, identifying system limitations, and coordinating with safety, fire, and IT stakeholders.

Audio Enhancements (AE) provided updated visual display layouts and mounting options for DHH digital signage, including revised floor plans and examples of visual notification functionality. The proposed locations and configurations were reviewed and discussed during coordination meetings between the vendor and the Safety, Security & Emergency Preparedness (SSEP) project team. The vendor also shared examples of visual lockdown notifications and strobe display concepts for review and planning purposes.

Following receipt of updated layouts, internal coordination confirmed that designs were reviewed and discussed with project stakeholders, including agreement on display locations during a Teams meeting involving the vendor and District staff. Communications clarified that materials were shared to support review, coordination, and planning.

As the scope evolved, internal communications emphasized the need to review modified project components, including proposals referencing announcement or notification functionality. The Safety Technology team requested coordination to ensure that the proposed functionality did not integrate with or modify Emergency Communication Systems (ECS) or fire alarm systems without appropriate review and approvals. Meetings were scheduled with safety and fire officials to confirm that the project remained limited to audiovisual peripherals.

Communications also reinforced stakeholder engagement, including scheduling demonstrations for school administrators and the DHH community, and establishing regular project coordination meetings. Safety Technology designated a primary point of contact to streamline communications. Subsequent guidance from the Chief Fire Official clarified system requirements related to intercom and fire alarm relay functionality. The guidance confirmed that intercom voice communication must remain operational during a fire alarm event while non-essential audio must be muted, providing direction for proper relay interfacing.

Project documentation included reviewed building drawings prepared and annotated under the direction of the Chief Fire Official, identifying intercom device locations, relay interfaces, and fire alarm coordination points. The drawings demonstrated that proposed DHH enhancements were reviewed for fire-life safety compliance and that fire code considerations informed system design.

### *Sub Topic 4 – DHH Project Verification of Amounts Paid.*

The DHH Project was budgeted for $2,454,574. We analyzed spending on preschool and per vendor. Chart #1 reflects spending per school. Chart #2 reflects spending per vendor. BCPS reports did not provide the amount paid to Audio Enhancement. Chart # 3 reflects manually created schedules based on invoices. The differences between BCPS reports and the manual schedule appear to relate to valuation assignments for Audio Enhancements. Based on our analysis, the DHH Project was performed under budget.

| **Vendor Total** | | | **484,017.88** |
| | | | |
| **Grand Total** | | | **$ 1,902,396.57** |

Based on our analysis of the total expenditures for the project, there appears to be a BCPS reporting difference.

Chart #4

| Description | | Amount |
|---|---|---|
| Amount paid by school per BCPS Financial Reporting System | $ | 1,249,191.00 |
| HCT manaully performed calcutions based on invoices | $ | 1,902,397.00 |
| Difference | $ | (653,206.00) |

We believe this difference between our manually created chart #3 based on the invoices, and the BCPS reporting is due to the assignment of values not being calculated for the vendor audio enhancement.

We believe our analysis reflects a clearer picture of the true economic amount employed on the DHH project. Based on the below, the DHH project was performed under the approved budgeted amount.

| Description | | Amount |
|---|---|---|
| Amount budgeted by BCPS for the DHH Project | $ | 2,454,574.00 |
| HCT manaully performed calcutions based on invoices | $ | 1,902,397.00 |
| Favorable Variance | $ | 552,177.00 |

## *Sub Topic 5 – DHH Project Permitting*

BCPS maintained its own building department, which functions as the Authority Having Jurisdiction (AHJ) for permitting, inspections, and final approvals on District facilities. The BCPS inspection department holds the authority to approve or fail work performed by prime contractors and subcontractors during capital improvement and technology projects. For the DHH Project, CAP Government was retained by BCPS as a private vendor to support the permitting process through documentation management, coordination of plan reviews, tracking inspection record and maintaining inspection status logs. While CAP Government provided administrative and recordkeeping support, BCPS retained full approval authority, including the issuance of pass or fail determinations for inspections.

Inspection records for the DHH Project indicate variations in outcomes by school and by inspection subtype. Electrical inspections passed at all three schools with detailed records provided (Peters Elementary, Tropical Elementary, and Seminole Middle). Fire inspections show greater variation across schools. At Peters Elementary School, the Fire subtype inspection performed by Bass United Fire & Security Systems on October 8, 2025 resulted in a fail. The worksheet reviewed does not include a subsequent Fire passing inspection for Peters, and corrective follow-up Fire inspections were not reflected in this particular record extract.

Tropical Elementary and Seminole Middle both recorded passing Fire inspections performed by Audio Enhancement on September 26, 2025. For electrical "Rough" inspections, Tropical Elementary recorded fails on August 2, 2024 and October 2, 2024, followed by a passing inspection on September 23, 2025, indicating corrective work prior to achieving a final pass. Seminole Middle also recorded multiple "Rough" fails on October 2, 2024, October 4, 2024, and October 7, 2024, followed by a passing inspection on September 23, 2025. These sequences demonstrate that both schools moved through the inspection and corrective action process prior to receiving passing results.

South Plantation High School was listed as a participating school site in the inspection workbook; however, line-item inspection entries for South Plantation were not included in the detailed inspection checklist reviewed. The worksheet fields under Electric and Fire for South Plantation were labeled as "None Provided by CAP Gov," indicating that detailed inspection records for that site were not reflected in the CAP Government extract analyzed for this report. As such, the inspection outcomes for South Plantation High School could not be assessed based on the records provided.

**DHH Project Inspections by School**

| School | Inspection Type | Inspection Sub Type | Date | Inspection | Vendor |
|---|---|---|---|---|---|
| Peters Elementary School | Electric | Electrical Final | 9/29/2023 | PASS | Universal Cabling Systems |

| | Electric | Electrical Final | 2/17/2025 | PASS | Universal Cabling Systems |
| | Fire | Fire | 9/26/2025 | PASS | Audio Enhancement |

## *Sub Topic 6 – DHH Project Audit Conclusion.*

The DHH Project was completed for all four schools on or before August 24, 2024. The BCPS executives desired to have all four schools operational with the audio enhancements before the start of the FY 2024-25 school year. The selected vendor of Audio Enhancement achieved that goal as it relates to the completion within the deadline. The findings and management responses above list the audit performance areas for improvement within the BCPS operational environment.

The DHH Project successfully improved accessibility and safety for Deaf and hard-of-hearing students across four schools. The issues identified were primarily administrative and governance-related rather than technical or safety-critical. By strengthening project governance, documentation standards, and upfront planning, the District can reduce risk and improve efficiency in future technology deployments.

**EXHIBIT #8**

# EPIC HEAD END SERVER
## SPEC SHEET

AUDIO ENHANCEMENT®

EPIC System (Education Paging & Intercom Communications)® is a foundational solution built specifically for Education. EPIC System provides an inside look into campuses leveraging an interactive platform accessible via a web browser and mobile app. The **EPIC Head End Server** is a fully integrated device specifically designed to keep all the functions of EPIC System running smoothly.

# SPECIFICATIONS

| EPIC HEAD END SERVER | |
|---|---|
| Processor Support | 1 x Socket LGA 1200<br>Intel® Xeon® E processors (up to 95W)<br>Intel® Pentium™ processors |
| Core Logic | Intel® C252 PCH |
| Memory | Total Slots<br>4 (2 channel)<br>Capacity<br>Maximum up to 128GB<br>Memory Type<br>DDR4 3200/2933/2666<br>ECC and non ECC UDIMM<br>Memory Size<br>32GB, 16GB, 8GB,<br>4GB (UDIMM) |

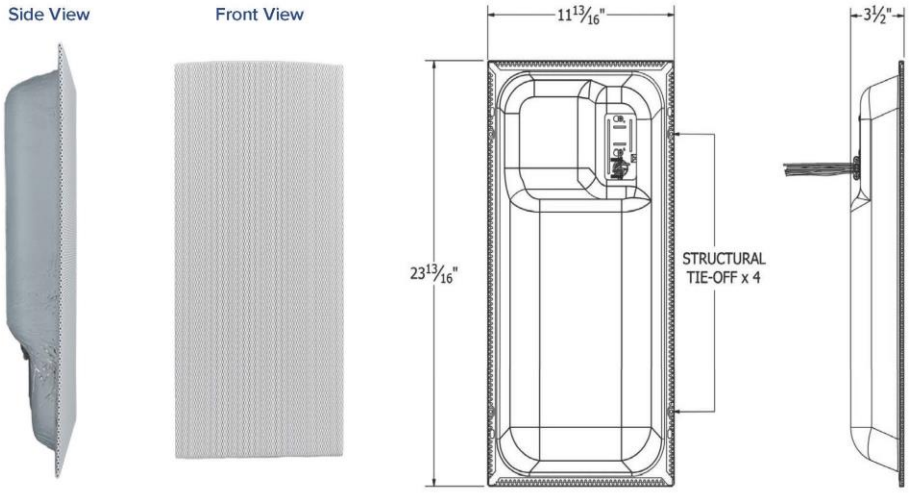
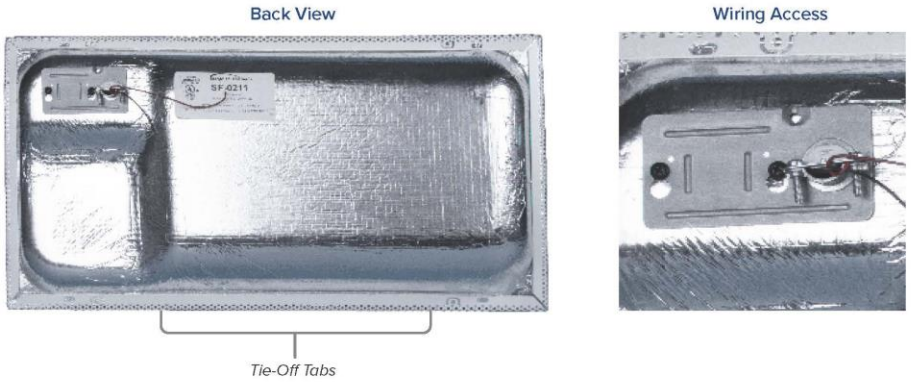
| Weight | 22.70 lbs. (363.32 oz) |
| Dimensions | 1.73 (H) x 17.3 (W) x 19.57 (D) in.<br>(497 x 439.5 x 44 mm) |

# EPIC KIOSK
## SPEC SHEET

The **EPIC System Kiosk** is a compact computing device specifically designed to power the front-end interactions of EPIC (Education Paging and Intercom Communications) System®. The Kiosk features a 24" (23.6" viewable) full HD multi-touch display. The EPIC System Kiosk also includes a paging microphone that provides crystal-clear audio, ensuring important messages will be heard clearly by their intended recipients.



# SPECIFICATIONS



| EPIC SYSTEM KIOSK | |
|---|---|
| CPU Processor Type | Rockchip® RK3288W Cortex-A17 Quad-Core |
| Ports | (1) 3.5 mm Audio In, (1) 3.5 mm Audio Out, (1) HDMI In, (1) HDMI Out, (1) RJ45-Ethernet, (4) USB 2.0, (1) DC Power (12V/4A) |
| Networking | RJ45 Ethernet / WIFI - 802.11a/b/g/n/ac |
| Memory | 2GB DDR3 |
| Storage | 16GB EMMC |
| Size | Display - 24 in (609.60 mm) Viewable Area - 23.6 in (599.40 mm) |
| Panel Type | IPS |
| Resolution | 1920x1080 |
| Static Contrast Ratio | 3000:1 |
| Brightness | 250 cd/m2 |
| Response Time (Typical GTG) | 16 ms |
| Panel Surface | Anti-glare, Hard coating 3H |
| Touch Technology | Capacitive |
| Internal Speakers | (2) 2.50 W |
| Power Consumption | (Typical): 16 W (Max): 40 W |
| Voltage | AC 100-240V (universal), 50-60 Hz |
| Viewing Angles | 178° horizontal, 178° vertical |
| Capsule Type | Uni-Directional Cardioid Microphone / Electret condenser |
| Sensitivity | -42dB + 3dB (0 dB = 1 V/microbar, 1K Hz indicated by open circuit) |
| Regulations | cTUVus, FCC-B(including ICES003), FCC-ID, CA IC |
| Frequency response and output impedance | 70Hz to 16K Hz / 600ohm + 30% (at 1K Hz) (RL=680 ohm) |
| Microphone Connector | (Male) 3.5 mm Stereo plug |
| Goosenect Length | 19 in (482.60 mm) |
| VESA Compatible Mount | 3.93 x 3.93 in (100 mm x 100 mm) / Screw Size: M4 |
| Weight | Net 12.70 lbs. (203.20 oz) / Gross 16.70 lbs (267.20 oz) |
| Packaging Dimensions | 25 (H) x 17.10 (W) x 4.90 (D) in (643 x 435 x 140 mm) |
| Kiosk Dimensions | 22.60 (H) x 13.90 (W) x 1.90 (D) in (572.90 x 351.80 x 47 mm) |

*Audio Enhancement products are RoHS and UL compliant. Kiosk Specifications*
**EPIC System Kiosk Paging Microphone is not UL Listed*

AUDIO ENHANCEMENT®

# FS-22 Flat Panel Speaker
## Specifications

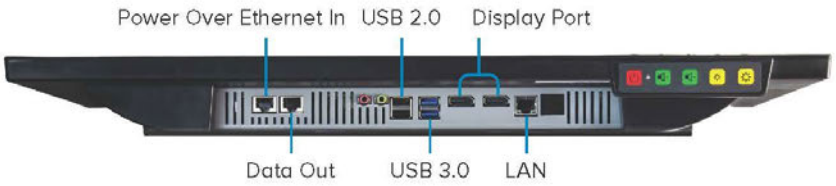
The **FS-22 Flat Panel Speaker** is a custom, fully assembled speaker. Enjoy crystal-clear audio in schools and district buildings. This speaker is designed to be a ceiling tile replacement speaker and fits into a standard grid ceiling. A replacement 24", "T" rail is included, allowing the installer to make one simple cut across a tile to create the 1-foot opening for the speaker. Includes four (4) secure tie-off tabs for additional security. Meets UL2043 criteria for plenum installation.

800.383.9362 • www.AudioEnhancement.com

## Speaker Specifications

| | |
|---|---|
| Frequency Response | 70 Hz - 15 kHz (-10 dB)<br>100 Hz - 14 kHz +/-2 dB) |
| Power Handling | 50 W continuous pink noise |
| Sensitivity | 88 dB (1W/1M) |
| Impedance | 8 Ohm nominal |
| Mounting | Lay in, four tie-off tabs for additional mounting integrity<br>(1) 24", "T"rail included |
| Plenum Rated Back Can | Speaker back can meets UL2043 criteria for plenum installation |
| Speaker Wire Terminals | Speaker wires |
| Weight | 4.6 lbs. (1.2 kg) |
| Dimensions | Height 24 in. (609.6 mm)<br>Width 12 in. (304.8 mm)<br>Depth 3.75 in. (95.25 mm) |

Back can is RoHS and UL compliant.

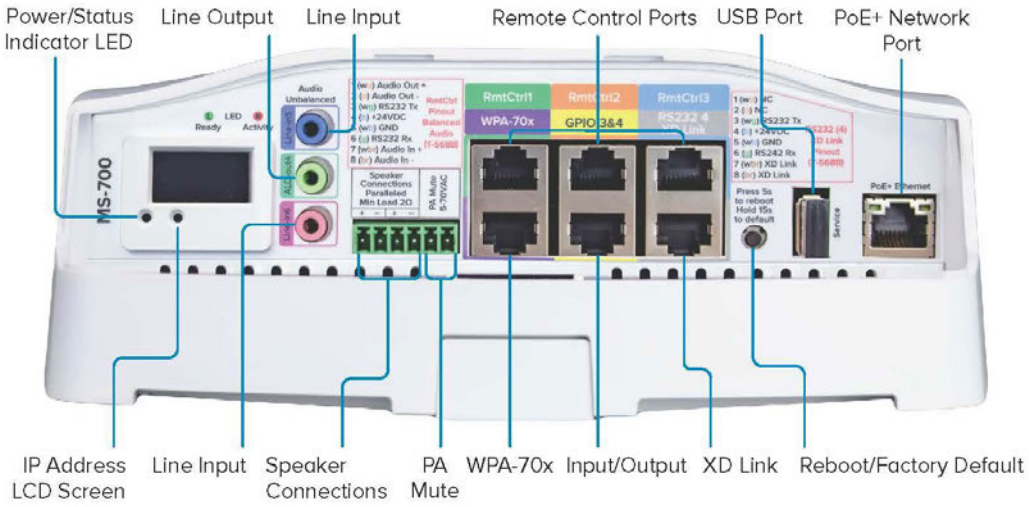


AUDIO ENHANCEMENT®

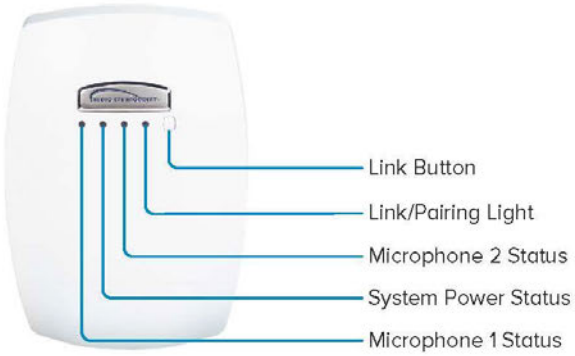
# INFOVIEW DISPLAY
## SPEC SHEET

AUDIO ENHANCEMENT

The EPIC System (Education Paging & Intercom Communcations)® **InfoView Display** is a display device specifically designed for the K-12 campus. With a PoE powered 24" Full HD display this high-performance, energy-efficient, world-class visual messaging device delivers power and data over a single Ethernet cable, offering greatly increased flexibility with location and positioning.



# SPECIFICATIONS



| INFOVIEW DISPLAY | |
|---|---|
| CPU | Ryzen Series Processing Technology |
| Memory | 8 GB DDR4 2400 MHz |
| Storage | 128 GB M.2 2280 SSD |
| Network | 10/100/1000 Auto Sensing Megabit Ethernet (RJ45) |
| Audio | High Definition Audio Codec |
| VESA Wall Mount | 75 x 75 mm; 100 x 100 mm |
| Warranty | 1 Year Warranty on parts and labor against manufacturing defects |
| Regulatory | CE / FCC B / EN60950 / RoHS |
| Recycle/Disposal | Dispose of in Accordance with Local, State and Federal Laws |
| Resolution | Up to 1920 x 1080, 32-bit Color |
| Display | 24" Diagonal |
| Aspect Ratio | 16:9 |
| Graphics | Integrated Graphics Engine |
| **POWER** | |
| Voltage | 12V, 5A DC (optional PoE 802.3AT+ or UPoE support available) |
| Consumption | Average: Below 30W |
| **CONNECTORS** | |
| LAN | (1) RJ45 |
| USB | (2) USB 3.0 and (2) USB 2.0 |
| Video | (1) HDMI |
| Microphone In | (1) 3.5 mm |
| Headphone | (1) 3.5 mm |
| Power | 12V DC In |
| **SOFTWARE** | |
| Operating System | Thinlabs Embedded Linux |
| Network Standards | Local browser, Gigabit Ethernet, DHCP, Wake on LAN, Media Player, SSL, PPPoE |
| **OPERATING CONDITIONS** | |
| Temperature | Operating: 41° - 95°F (5° - 35°C)<br>Storage: -10° - 140°F (-23° - 60°C) |
| Humidity | 10 - 90% (non-condensing) |
| **WEIGHT AND DIMENSIONS** | |
| Weight - No Accessories | 15.60 lbs (249.60 oz) |
| Dimensions | 14.80 (H) x 20.87 (W) 6.81 in (376 x 530 x 173 mm) |

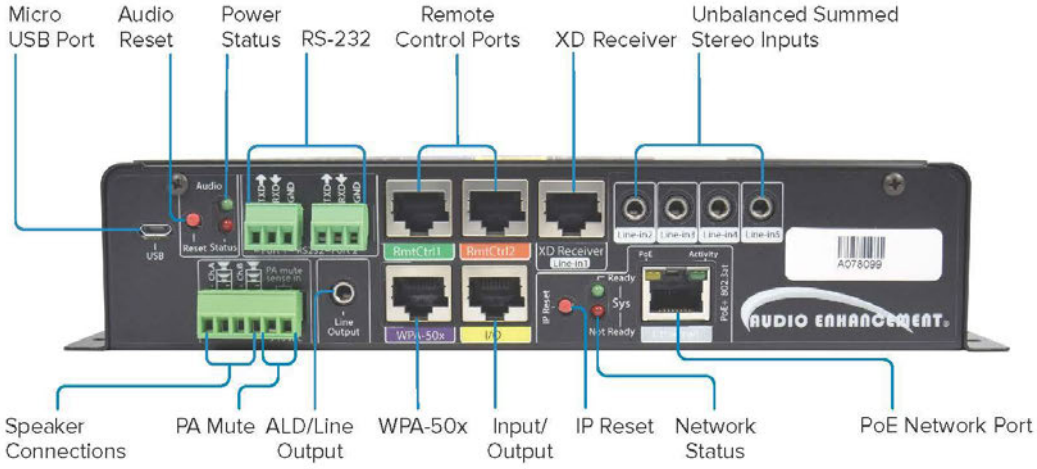
# MS-700 OPTIMUM AMPLIFIER

## SPEC SHEET

The **MS-700 Optimum Amplifier** is a fully integrated networked classroom amplifier and wireless microphone receiver. This amplifier has network-based intercom, paging and emergency notification, and provides full-duplex audio. It is easy-to-use, easy-to-install, and has simple user interface software. The entire unit utilizes Power over Ethernet (PoE+). Intercom and paging functionalities* are built-in. When used in conjunction with an Uninterruptable Power Supply (UPS), during emergencies, paging can still be heard, even when the power goes out. This unit can be installed as part of the SAFE System (Signal Alert For Education)®.

# SPECIFICATIONS

| MS-700 OPTIMUM AMPLIFIER WITH INTEGRATED XD RECEIVER | |
|---|---|
| Line Inputs | For PC, DVD audio, MP3, auxiliary mic, or other multimedia sources<br>• (2) Line unbalanced stereo inputs (3.5 mm)<br>• (3) Remote control ports with audio in<br>• Internal Network Audio<br>• Integrated XD Microphone Receiver |
| Line Outputs | (1) Unbalanced (3.5 mm) output<br>(3) Remote control ports with audio out (RJ45 connectors) |
| Equalizer | 5-Band Equalizer |
| USB A Connector | Control and configuration via App |
| Minimum Load Impedance | 4 Ohms on each pair of terminals (2 Ohm load overall is nominal) |
| Amplifier Type | 92% Efficient Class D |
| Continuous Power @ 1% THD | 30W powered by PoE† |
| S/N | >89 dB @ 20 Hz to 20 kHz at maximum output |
| Protection Circuits | Thermal and short circuit protected |
| PA Connector | Connects to public address system and mutes amplifier during announcements<br>Input Voltage: 4V RMS to 74V RMS |
| Control Ports | (3) RJ45 remote control ports<br>• Integration with LCD wall plate control<br>• Input/output (I/O) aux port for sense, strobe, etc.<br>(1) WPA-70 wall plate port for Intercom call, emergency alert, room microphone<br>(1) Input/output port |
| Power Supply | PoE + 802.3af/at† |
| Temperature/Humidity | Storage: -40 - 158° F (-40 - +70° C)/ 10-90% non-condensing<br>Operating: -32 - 122° F (0 - +50° C) / 10-90% |
| Enclosure Type | ABS Plastic |
| Ethernet I/F | 10/100 Mbps |
| Power Input (Network) | PoE 802.3af/at† |
| Protocols | SIP RFC 3261 compatible*<br>UDP Directed Broadcast<br>Multi-cast and VoIP enabled |
| Lineout:<br>Output Signal Amplitudes | 2.0 VPP maximum |
| Output Level | +2 dBm nominal |
| Total Harmonic Distortion | 0.5% maximum |
| Weight | 2.15 lbs (40 oz) |
| Dimensions | 12.20 (H) x 8.70 (W) x 3.00 (D) in (310 x 221 x 76 mm) |



† Dependent on PoE switch.
*Third party SIP License required.

*The SAFE System (patent pending) is an alert notification system not intended to be a life-saving device or prevent emergencies. Audio Enhancement, our agents, employees, subsidiaries, affiliates and parent companies are exempt from liability for any loss, damage, injury or other consequence arising directly or indirectly from the application of our equipment. In the event of misuse or malfunction of the SAFE System or any of its components, Audio Enhancement, our agents, employees,subsidiaries, affiliates and parent companies are exempt from liability for any loss, damage, injury or other consequence arising directly or indirectly therefrom.*

# MS-500 OPTIMUM AMPLIFIER

## SPEC SHEET

The **MS-500 Optimum Amplifier** is a classroom amplifier with network-based intercom, paging and emergency notifications, providing full-duplex audio. It is easy-to-use, easy-to-install, and has a simple user interface software. The entire unit is Powered over Ethernet (PoE) ensuring that during emergencies, paging can still be heard, even when the power goes out. Intercom and paging functionalities are built-in.

# SPECIFICATIONS

| MS-500 OPTIMUM AMPLIFIER | |

# XD STUDENT MICROPHONE
## SPEC SHEET

AUDIO ENHANCEMENT + Est. 1978

The **XD Student Microphone** engages students in class discussions and makes their voices heard throughout the room. Students that use the handheld microphone speak more confidently and thoughtfully. XD technology allows microphones to be utilized in any room — e.g. classrooms, gyms, band rooms, cafeterias, rooms containing windows, and open plan classrooms. This microphone also works in areas where objects often come between the microphone and receiver.

## EXHIBIT #12

PROCUREMENT VEHICLES UTILIZED FOR THE DHH PROJECT

### 1. FY23-016 — Audio Visual Products, Service & Computer Peripherals

This bid provided Districtwide access to audiovisual equipment, peripherals, and installation services. Under this instrument, Audio Enhancement was utilized to supply specialized audiovisual equipment used in the DHH project. Equipment supplied under this bid supported visual messaging, digital display functionality, and classroom audio enhancement. Use of the contract ensured that equipment purchases were made through a competitively awarded vehicle consistent with District procurement policies and technology standards.

**DHH Project Application:**

- Supported acquisition of audiovisual peripherals and display components for DHH notifications and accessibility
- Ensured vendor eligibility through a competitively solicited contract
- Provided consistency with District technology and classroom multimedia standards

### 2. FY23-061 — Electrical Services

This contract supported Districtwide electrical systems work including preventive maintenance, capital projects, and electrical component installations. For the DHH project, the contract was utilized to provide electrical infrastructure required to support DHH intercom components, audio equipment, and classroom speakers. AGC Electric, Inc. performed work under this vehicle. The contract provided access to licensed electrical contractors and ensured that electrical work met District requirements, safety expectations, and continuity with Physical Plant Operations (PPO) practices.

**DHH Project Application:**

- Supported electrical wiring and branch power for intercom and audio components
- Ensured licensed electrical work through an established bid
- Enabled DHH hardware installation without requiring ad-hoc procurement

### 3. FY23-185 — Fire Alarm Services

This bid supported fire alarm system testing, inspection, certification, repairs, and maintenance in accordance with NFPA 1, NFPA 101, the Florida Fire Prevention Code, and Florida Statutes Chapter 633. For the DHH project, the contract supported fire alarm interactions and system integration activities, including relay functionality and testing related to intercom and audio components. Bass-United Fire & Security Systems, Inc. performed work under this bid. The contract ensured that fire alarm integration and performance verification were conducted by licensed and manufacturer-authorized entities.

**DHH Project Application:**
- Supported fire alarm testing and code-required inspections
- Enabled coordination of relay and intercom performance
- Ensured compliance with District fire-life safety requirements

### 4. FY24-075 — Intercom, Master Clock, Sound System, Equipment, Parts & Accessories

This contract supported district-wide procurement and installation of intercom, master clock, and sound systems. For the DHH project, the bid was used to provide intercom installation and service work performed by Audio Enhancement. Use of the contract ensured that DHH intercom components were procured and installed consistent with District technology and communication standards, and that equipment aligned with District classroom and grounds communication systems.

**DHH Project Application:**
- Supported intercom system deployment and installation services
- Aligned with DHH functionality requiring audio and messaging distribution
- Maintained compatibility with existing District communication infrastructure

### 5. FY21-188 — Structured Cabling & Enterprise Networking

This contract provided structured cabling, network installation, and enterprise networking support. For the DHH project, the bid was utilized to install structured cabling and networking equipment necessary to support DHH system connectivity and intercom integration. United Data Technologies (UDT) provided services under this vehicle. Use of the contract ensured cabling and networking work complied with District standards and supported E-Rate participation.

**DHH Project Application:**
- Enabled structured cabling for networked audiovisual and intercom components
- Maintained compliance with District networking standards and E-Rate rules
- Provided cable installation and hardware connectivity for messaging systems

**6. FY22-026 — Open-End Services for Building Code Supplemental Services (Plan Review, Permitting & Inspections)**

This contract provided supplemental plan review, permitting, and inspection services in specialized building code areas. With approval from the Authority Having Jurisdiction (AHJ), CAP Government performed plan review, inspections, and building code compliance functions for three schools participating in the DHH project. Use of this contract ensured that building code enforcement activities could proceed without delay and allowed BCPS to access specialized code enforcement personnel during periods of increased workload.

**DHH Project Application:**

- Provided plan review, permitting, and inspections for DHH building work
- Ensured alignment with Florida Building Code, SREF, and AHJ expectations
- Supported final inspections, acceptance, and occupancy considerations.

**The following pages are excerpts of the draft minutes of the Audit Committee Meeting of January 29, 2026 that are specifically related to the Performance Audit Report - Deaf and Hard of Hearing (DHH) Project.**

**The complete minutes, which include Committee discussion on matters not related to this item, are scheduled for Committee discussion and approval at their next scheduled meeting on March 12, 2026.**

can happen, particularly with the carryover dollars. But is there a motion to transmit? I'm just reminded you want those scrivener's errors corrected.

MS. SHAW: Yes, motion to transmit with the recommendation from earlier, those recommended changes.

MR. NAYLOR: Second.

MS. FERTIG: Okay. All in favor.

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you so much. We'll transmit it.

We are up to number 8, HCT - Performance Audit Report - Deaf and Hard of Hearing Project.

MR. RHODES: Madam Chair, may I have two minutes?

MS. FERTIG: Two minutes?

MR. RHODES: Yes. Thank you.

MS. FERTIG: We're on a two-minute break in case anybody wants to --

(Whereupon, a brief recess was taken.)

MS. FERTIG: Okay. I think we're ready to start up. Our next agenda item is number 8, HCT

- Performance Audit Report - Deaf and Hard of Hearing -- I'm sorry. Yes, Deaf and Hard of Hearing. Hi.

MR. HARVEY: Good morning to the audit committee. Good morning, Anthony, Mary, Phyllis, Lew, Andrew, Jill and Rachel. I want to right up front say thank you to you, Dave, the chief auditor for his leadership. And I also want to appreciate Jim La Rosa, James La Rosa and the chief fire official for their interest in helping this.

My name is Roderick Harvey, I am a partner and managing member with HCT Certified Public Accountants and Consultants, and we performed the audit for the Deaf and Hard of Hearing Project.

The purpose of the audit was to evaluate governance, procurement, financial stewardship and statutes and documentation. We had 21 audit objectives. We reviewed project delivery across four schools. This is not an investigation or evaluation of student performance.

Why this project matters, it supports accessibility, safety and equity, improved emergency communication for deaf and hard of hearing students and staff, reinforces District's

commitment to inclusive learning environments. Our audit scope reviewed governance and oversight, procurement, contracting, financial performance and inspection. Not reviewed, student outcomes or any employee discipline.

We reviewed, again, four schools. Those schools are South Plantation High School, Tropical Elementary, Seminole Middle School, go Noles, Peters Elementary School. The audit period, 2022 through 24.

At a glance, the four schools, again, as a result of implementation are operational. Acceptability, safety objectives achieved. Projects completed under budget. We didn't find any fraud, misuse of funds or safety failures that were identified as a part of our work.

What works well? Safety system installed and functioning. Vendor delivered within required timeframe, District prioritized readiness for student, leadership made post-adjustments during the project.

We noted six findings in our report. Those findings at a high level covered governance, continuity effective by restructuring, multiple contracts used which increased coordination

needs, inspection documentation not fully centralized, process improvement opportunities identified.

What our findings do not mean, no fraud identified, no inappropriate spending, no unresolved safety concerns, and no system failure preventing use.

Financial summary, the overall project was approved at 9.2 -- I'm sorry, 2.9 million. That included half a million dollars for soil remediation. The core of the project is 2.4 million. Our numbers based on our research expended -- the project expended 1.9, which left a variance of a little over half a million dollars.

Inspections were conducted at all schools. Corrective actions were taken when needed. There is some documentation fragmented across the systems, but, again, the systems were operational and compliant.

Management Takeaways, centralized safety, technology and oversight, dedicated management as assigned, improved tracking and resolution, and this is around the permitting area and stronger up-front planning for future projects.

We noted several lessons learned that we present to the committee, clarification of governance for transitions, improve vendor handoffs, where possible, consolidation of closeout documentation and finalized system specifications earlier.

Final takeaways, the DHH project successfully delivered its intended accessibility and safety outcomes. The audit supports transparency and continuous improvement. If you will allow me, I will be happy to answer any questions that you and the board may have regarding our performance audit for the DHH project.

MS. FERTIG: Thank you. That was a great summary.

Okay. Who has a question?

MS. ROSAS: I do.

MS. FERTIG: Yes, Rachel, go ahead.

MS. ROSAS: Yeah, I was looking at the math on page 33 and 34 you had the bids, there were six different bids involved in the project and there were five different vendors listed. Universal Cabling wasn't listed there but I am thinking it might be included with something else.

So when I -- then I went to page 36 and 37 where it was like a dump from the District database, I guess, and you had a total of 1 million 249 and then I went to page 38 where the invoices you had added up to 1.902 and then you explained the difference between the page 36, 37 and the page 38 summary. You explained the difference was 706 of audio enhancement, but I couldn't figure out where Universal Cabling, 484,000, because they weren't listed on the other side on page 36 and 37.

So I was just wondering, is Universal Cabling being included somewhere else, because that would be another difference besides the 706, like if you look between the two tables. Page 38 is all invoices and page 36 and 37 is the dump from the District, you know, accounts payable or something, I guess.

MR. HARVEY: So thank you, Ms. Rosas for that. Exactly as you said, so we took the -- we showed it from the District system per school and we gave the rollup there and then the preventive, which you can see the audio enhancement amount on the actual spend, the encumbered amount is there, but the actual spend is not, and so that creates

a delta. And so we believe, our presentation, based on invoices provided, which you do see the schedule of invoices for cabling, Universal Cabling, gives a more accurate picture, now, again, based on invoices of what the project totalled out to, which is the 1.902 million. And so -- and so we reflect that delta based on the approved budget amount for the four schools, which is 2.4, our write-up of the total of our manual, going through the invoices and totalling them out, and then showing the 552 as a positive variance or favorable variance between what we added up and what was approved.

There is a possibility that maybe there are some other vendors, the timing of vendors that was not included, was not provided. We believe our, again, manual going through of invoices gives a more accurate picture.

MS. ROSAS: Okay. And there was one vendor listed on the solicitations that did not appear on your invoice schedule. That was CAP Government. I think it was for code checking or -- I don't know if that's a big amount of money or not, but it's not listed.

MR. HARVEY: So CAP Government operates as a

private organization that helps with the permitting of the projects. We did not include the CAP Gov spend in our analysis here. We could get those amounts and see what it -- what it is or totals up to be. But, no, we did not include CAP Gov. I believe that they administer or act as an administrator for permitting district-wide.

MS. ROSAS: Oh, okay. So maybe you don't pay something separate then.

MR. HARVEY: I would have to spend more time on that if it is determined to be significant.

MS. ROSAS: And then on page 14, the audit objective, they said only the invoices through May 31st of '24 would be in the objective, but on your schedule you have invoices from 2025, so I didn't know if something changed after the fact, but I thought it was odd that they were cutting the expenses off at May 31st and then you were given invoices of 2025, that's all. It may be that there was a change after the fact. I'm not sure.

MR. HARVEY: The original scope included the May 31st cutoff, so you are correct. When we got into the work we believed it was more accurate because there were some things done after that

period to reflect as many of the invoices as we could, and so we did a little extra to that regard.

MS. ROSAS: Okay. Thank you.

MS. FERTIG: Okay. Is that -- are you -- do you have any other questions?

MS. ROSAS: No.

MS. FERTIG: Okay. Anybody else?

MR. UPTON: I have a question. How many students are in the DHH program in those four schools?

MR. HARVEY: You know, I knew somebody would ask me that. So it averages about, from about 35 to 39 students at each of the four schools, which from my understanding are where they are concentrated. I don't believe it means that there are not others in the schools. So that would probably add to maybe 120, 140 kids for the four schools we looked at. But we did get for each of those schools the number of DHH kids that they have. I didn't quote it in the report, but on the top side about 40 children per -- per school.

MR. UPTON: Thank you.

MS. FERTIG: Okay. Anybody else? Anyone?

Is there a motion to transmit?

MS. SHAW: Motion to transmit.

MR. MEDVIN: Second.

MS. FERTIG: Okay. All in favor?

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you. Thank you for your presentation and audit.

MR. HARVEY: Thank you, Mary.

MS. FERTIG: Okay. Our next one is the Purchase Card Program Review.

MR. BRUNSON: Good morning. Happy New Year.

MS. FERTIG: Good morning.

MR. BRUNSON: I'm Tony Brunson, the managing partner of Anthony Brunson, P.A. I am joined today by Jean Borno our consulting and audit partner in the firm who actually executed the work.

In connection with the P-Card program I think our report captures the scope and the internal control environment. In essence, you know, we looked at 100 percent overall of the P-Card items. So to the extent that there are comments here, we only provided enhancements, we're really

**EXECUTIVE SUMMARY**

Florida School Recognition Program Accountability Audit

**Board Meeting Date:** March 10, 2026

**Requested Action:** Receive the Independent Accountant's Report on Applying Agreed-Upon Procedures for the Florida School Recognition Program (FSRP) for School Years 2022 through 2024.

**School Board Policy Requirement/Authority:** This item is presented pursuant to the School Board of Broward County's oversight responsibilities under Florida Statutes Chapter 1001 and District Policy 1403 – *School Accountability and Improvement*, which governs school accountability processes, School Advisory Council (SAC) operations, and documentation requirements.

**Statutory Requirement/Authority:** Florida Statutes §§ 1008.36 (Florida School Recognition Program), 1008.34 (School Grading System), 1001.452 (School Advisory Councils), and 1002.33 (Charter Schools).

**District-zone Impact:** District-wide.

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The Board formally acknowledges receipt of the audit, affirms compliance outcomes for traditional schools, and supports strengthened oversight and documentation practices for charter schools participating in the FSRP.
**- If the School Board votes "No":** The audit findings would not be formally received, potentially delaying transparency, corrective actions, and systemwide improvements related to FSRP oversight.

**Background/History**
The Florida School Recognition Program (FSRP), commonly referred to as "A+ Funds," is a statewide performance incentive program established to reward schools demonstrating sustained high academic performance or significant improvement. Awards are funded by legislative appropriation and distributed annually based on school grades issued by the Florida Department of Education.

S. Davis & Associates, P.A. was engaged by the Office of the Chief Auditor (OCA) to perform agreed-upon procedures to evaluate District compliance with FSRP statutory and program requirements for school years 2022 through 2024. The audit reviewed eligibility, governance, decision-making processes, documentation, and fund disbursement practices for both traditional and charter schools.

The Audit Committee reviewed this report on January 29,2026 and approved transmitting it to the School Board.

**Alignment to 2027 Goals and Guardrails:** This item aligns with school-focused outcomes through Guardrail 4: Accountability, which includes expectations, evaluation, transparency, and continuous improvement.

**Measurable Outcome(s)/Return on Investment:**

- Verification that traditional schools complied with statutory and program requirements for FSRP decision-making, documentation, and disbursement, with no findings noted.
- Identification of documentation and oversight gaps at certain charter schools, providing actionable recommendations to improve compliance.
- Confirmation that $60.9 million in FSRP funds was properly disbursed during the three-year period reviewed, with unspent funds appropriately carried forward at the school level.

**Financial Impact, Funding Source & Budget Status:** The source of funds to perform this audit is the general fund budget allocation of the OCA for awarded contract RFP25-001 Professional Auditing Services. The total cost for this audit was $60,000.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | 11/13/24 | Yes | General Fund – OCA | $1,755,000 | 32 |
| First Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Second Amendment / Renewal – additional spending authority | TBD | No | General Fund – OCA | $ 585,000 | 12 |
| Additional Spending Authority | N/A | N/A | N/A | N/A | N/A |
| **Total Agreement Amount** | — | — | — | **$2,925,000** | **56** |

**Multi-year agreement:** Yes

**Procurement Method:** The audit engagement was conducted in accordance with School Board procurement policies for professional services. S. Davis & Associates, P.A. was selected as an external audit firm through a competitive solicitation process approved under the District's procurement guidelines.

**Impact on Schools:** Traditional schools demonstrated consistent compliance with SAC governance, voting, documentation, and allowable use requirements. Certain charter schools did not consistently maintain required documentation supporting FSRP decision-making and expenditures, limiting the ability to verify compliance for specific years.

**If there is an impact on schools, how will schools be selected/prioritized:** Schools are not selected or prioritized for participation. Eligibility is determined annually by the Florida Department of Education based on statutory school grade criteria. Any follow-up actions resulting from this audit will focus on charter schools where documentation deficiencies were identified; traditional schools will continue under routine monitoring.

**Stakeholder Engagement/ End-User Input:** N/A

**If Applicable: Technology/Capital Expected Lifecycle/Replacement Cycle:** N/A

**Additional Backup:** N/A

# EXECUTIVE SUMMARY

December 22, 2025

S. Davis & Associates, P.A. ("SDA"), was engaged by The School Board of Broward County ("District") to evaluate the District's compliance with the Florida School Recognition Program ("FSRP"), also known as "A+ Funds," for school years 2022 through 2024.

## Background

Florida Statutes "Fla. Stat." § 1008.36 - Florida Recognition School Program, (EXHIBIT 1), establishes a statewide performance incentive designed to reward schools for sustained academic excellence and improvement. The Legislature found that:

"There is a need for a performance incentive program for outstanding faculty and staff in highly productive schools. The Legislature further finds that performance-based incentives are commonplace in the private sector and should be infused into the public sector as a reward for productivity." (Fla. Stat. § 1008.36(1)).

The FSRP provides financial awards to public schools that either:

1. Sustain high performance by earning a school grade of "A" or making excellent progress, or
2. Demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year.

All public schools, including charter schools, that receive a school grade pursuant to Fla. Stat. §1008.34, (EXHIBIT 3), are eligible to participate. Award amounts depend on available appropriations and the number and size of qualifying schools. Funds must be distributed to the school's fiscal agent and placed in the school's account to be used for allowable purposes jointly determined by the school staff and the School Advisory Council ("SAC") or governing body. If the school staff and SAC cannot reach an agreement by February 1, the awards must be equally distributed to all classroom teachers currently teaching in the school.

There is a provision that if a school selected to receive a school recognition award is no longer in existence at the time the award is paid, the district school superintendent must distribute the funds to teachers who taught at the school in the previous year in the form of a bonus.

Under Fla. Stat. § 1008.36(5), FSRP funds may only be used for:

1. Nonrecurring bonuses to faculty and staff,
2. Nonrecurring expenditures for educational equipment or materials to assist in maintaining and improving student performance, or
3. Temporary personnel for the school to assist in maintaining and improving student performance.

The program is coordinated by the School Transformation Office and School Improvement Office along with the Budget, Finance, Talent Management, and Human Resources Support Services.

Decision-making body (SAC)
Pursuant to Fla. Stat. § 1001.452, the district school board shall establish an advisory council for each school in the District and shall develop procedures for the election and appointment of advisory council members. The SAC shall be the sole body responsible for final decision making at the school relating to implementation of Fla. Stat. §§ 1001.452 and 1008.345, Charter schools are not required to have a SAC.

Membership: A majority of members must not be district employees. Membership must represent the school community's demographics and include the principal, appropriately balanced number of teachers, education support employees, students, parents, and local business/community representatives.

Bylaws: SACs adopt bylaws addressing quorum, at least 3 days' written notice before any vote, accessible meeting times, replacement for two consecutive unexcused absences, and accurate minutes. The School Board keeps official minutes and may review bylaws. SACs assist with the school improvement plan, the annual budget, and improvement initiatives funded via the General Appropriations Act, without assuming powers reserved to the School Board.

Eligibility and Grading
School eligibility for FSRP is based on school grades issued annually by the Florida Department of Education ("FDOE") as defined in Fla. Stat. § 1008.34 and Rule 6A-1.09981, Florida Administrative Code ("FAC").

Fla. Stat. § 1008.34 - School grading system; school report cards; district grade, establishes the statewide criteria for evaluating student performance, determining school grades, and assigning district grades. The statute defines key terms, outlines the school-grade calculation methodology, prescribes requirements for assessment participation, and identifies the performance components used to determine grades for both schools and districts. This statute forms a foundational element for evaluating academic performance, school accountability, and eligibility for programs such as the FSRP.

After FDOE issues preliminary results, usually in July, districts have 30 days to appeal for issues such as sub-95% participation, omitted/miscalculated data, or irregularities. Final certified grades drive public accountability and determine FSRP eligibility.

District Informational Technology ("IT") Data Submittals

To support FDOE grading process throughout the year, the District transmits certified student data to FDOE via four (4) surveys during the school year and a fifth (5) in October of the subsequent school year. In the District, the Data Intelligence Department manages state processing windows, and the Educational Assessment, Analysis & Research ("EAAR") Department performs corrections during the May *Student Data Updates* period. The District's Accountability Officer certifies final submissions. The District uses FOCUS school software as the student information system and integrates third-party assessments for reporting purposes.

FDOE Funding Mechanics

The Florida Education Finance Program ("FEFP"), enacted 1973, allocates K–12 funding primarily by multiplying:

1. unweighted Full-Time Equivalent ("FTE") student by program cost factors to derive weighted FTE ("WFTE"),
2. then applying the base student allocation and statutory adjustments.

For funding, 1.0 FTE equals one student's full-year student membership. The Office of Funding and Financial Reporting, ("OFFR"), uses certified FTE student membership from FEFP and the statewide appropriation to calculate district and school FSRP awards.

FDOE Disbursement Process

FDOE issues award allocation memoranda and publishes district school award spreadsheets. OFFR transfers funds to the district.

- The District Budget Office record awards for traditional schools that are later notified of their awarded amounts.
- The district promptly pass through the charter schools' share, and by statute, release to charter schools within 10 business days of receipt (Fla. Stat. § 1002.33(17)(e)).

For the three-year period tested, a total of $60,941,416 of FSRP funds was disbursed of which a balance of $4,558,046 was unspent and is being carried forward.

**Table 2 FSRP Carry Forward for School Years 2022 to 2024**

| | Disbursed in 2023 | 2024 | 2025 | |
|---|---|---|---|---|
| **Description** | **School Year Ended June 30, 2022** | **School Year Ended June 30, 2023** | **School Year Ended June 30, 2024** | **Total** |
| Disbursed | $ 22,256,862 | $ 16,360,012 | $ 22,324,542 | $ 60,941,416 |
| Unspent | $ 1,278,133 | $ 1,613,436 | $ 1,666,477 | $ 4,558,046 |

*Unspent amounts remain in each school's account.*

District Responsibilities

School administrators are responsible for implementing the approved A+ fund proposal and following district procedures for purchasing, hiring, and one-time bonus payments. Required documentation, meeting agendas, minutes, sign-in sheets, ballots, advertisements, and vote results must be uploaded through the SAC Upload Center, with completion notice sent to the School Improvement Department.

- The School Improvement Department oversees district-wide compliance with FSRP requirements.
- It provides:
  - Training sessions and Informal Q&A sessions
  - Monitoring and guidance to ensure that documentation, voting procedures, and SAC membership meet policy and statutory standards.
- The Budget Office imports the FDOE award files (email or online download), records total awards, deducts fringe-benefit* reserve amounts, notifies schools of award totals and allowable uses, and records year-end carryforward of unused funds.
  - *Bonus or supplemental payments are subject to employer's share (mandatory) of payroll costs (fringes). Included are social Security and Medicare - Federal Insurance Contributions Act (FICA), Worker's Compensation, and Florida Retirement System (FRS) contributions. If not paid from this source (A+), the District would have to fund these mandatory employer payroll expenses from a different source.

- Each school's SAC oversees the voting process to determine how FSRP funds are used. The SAC must:
  - Create and approve written ballot proposals.
  - Distribute ballot proposals for staff review at least three (3) business days before the scheduled vote.
  - Conduct a closed ballot vote where a quorum (51% plus 1 of total required members) must be present for voting to take place.

    If no agreement is reached by February 1, the awards are distributed equally among classroom teachers as prescribed by Fla. Stat. § 1008.36(4).

Charter Schools

- As sponsor of charter schools, the district must monitor and review each charter school's progress toward its charter goals and its revenues and expenditures in accordance with Fla. Stat. § 1002.33(5)(b)1.a.-b.
- The District's Budget Office:
  - Receives and records FDOE award notifications.
  - Notifies each charter school by email of the award amount and allowable uses, in coordination with Charter Schools Management/Support Department.

Charter schools and SAC:

- Charter schools are not required to establish SACs but must maintain a governing body. The governing body must ensure funds are used appropriately, decisions are documented, and records are available for review.

## Summary of Findings and Recommendations

Compliance Testing
Traditional schools - School years 2022, 2023, and 2024. Based on our testing procedures, traditional schools complied with applicable statutory and program requirements, with no exceptions noted.

Findings
None.

Recommendations:
None.

Charter schools - School years 2022, 2023, and 2024. It was noted that the schools listed below did not have certain documentation relating to FSRP decisions. Missing information included agendas, minutes, attendance, vote, notices, ballots, sign-in sheets, and final vote tallies.

Findings:

- Fiscal Year 2022 - There were fourteen (14) instances of incomplete documentation among three (3) schools listed below:
    - Atlantic Montessori Charter School West Campus (#5164), and
    - Somerset Academy Pompano (K-5) (#5388).
      Both were missing FSRP documentation, including minutes, agendas, 3-day meeting notice, staff input, and evidence of an approval ballot and formal vote.
    - Central Charter School (#5041) was missing FSRP documentation, including minutes and sign-in sheets.

- Fiscal Year 2024 - There were eleven (11) noted exceptions of missing documentation between the two (2) schools.
    - Atlantic Montessori Charter School (#5029) was missing FSRP supporting documentation including ballots, meeting, 3-day notice, sign-in sheets, and evidence of staff input.
    - Broward Math & Science Schools (#5038) furnished incomplete documentation. Missing items included ballots, meeting, 3-day notice, and sign-in sheets.

Recommendations:
Charter schools should strengthen oversight and monitoring of the FSRP documentation process to ensure compliance. Creating and implementing appropriate tools could help schools in generating and maintaining complete records.

Disbursement Testing
Traditional schools - School years 2022, 2023, and 2024. We noted no exceptions in the performance of our agreed-upon procedures testing for disbursements.

Findings:
None.

Recommendations:
None.

Charter Schools - We noted instances in which supporting records were not provided or the documentation presented was not sufficient to determine if expenditures were in accordance with the governing body's approved budget. As a result, we could not verify whether funds received were spent on allowable expenses.

Four (4) schools were missing documentation to determine that funds were properly expended:

- Fiscal Year 2022:
  - Atlantic Montessori Charter School West Campus (#5164),
  - Broward Math & Science Schools (#5038).
- Fiscal Year 2024:
  - Atlantic Montessori Charter School (#5029), and
  - Somerset Academy Pompano (K-5) (#5388).

Recommendations:
Each school is encouraged to maintain adequate FSRP documentation in accordance with FSRP requirements. The District should provide additional guidance and support, as necessary.

Management responses are provided in EXHIBITS 5, 6, and 7.

# INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Dave Rhodes, Chief Auditor
School Board of Broward County
600 SE Third Ave
Fort Lauderdale, FL 33301

We have performed the procedures enumerated in Schedule A, for the Florida School Recognition Program ("FSRP") for the School Board of Broward County's ("District") from fiscal year 2022 through 2024. The School Transformation Office's management is responsible for the District's compliance with the FSRP.

The District agreed and acknowledged that the procedures performed are appropriate to meet the intended purpose of reviewing the District's compliance with the FSRP. The District has agreed to and acknowledged that the procedures performed are appropriate for their purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

Our report is attached.

We were engaged by the District to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the District's compliance with the FSRP. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the School Board of Broward County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the District and is not intended to be and should not be used by anyone other than those specified parties. The restriction is not intended to limit the distribution of this report, which upon acceptance by the City is a matter of public record.

Hollywood, Florida
January 10, 2026

**Appendix A**
**Scope of Services**
**Florida School Recognition Program**
**Accountability Audit**

1. Gain an understanding of the incentive program by reviewing Florida Statutes ("Fla. Stat.") and Florida Administrative Codes ("FAC"), Florida Department of Education ("FDOE") rules, regulations, and guidance, and District policies and procedures.

2. Interview District personnel responsible for administering the program and staff involved in any aspect of the program's operation.

3. Meet with members of the school staff and School Advisory Council ("SAC") to gain an understanding of its roles, responsibilities, activities, policies, and procedures.

4. Review policies and procedures to determine compliance with the FAC and Fla. Stat.

5. Request the bylaws and minutes of the school staff and SAC
    a. Assess whether they were organized in compliance with Fla. Stat Chapter ("Ch.") 1008.,
    b. Verify that all schools have established a SAC in accordance with Fla. Stat. § 1001.452, and
    c. Document and test to determine that SAC operations comply with Fla. Stat. § 1008.36, requirements.

6. Design and perform procedures to establish whether the funds awarded were disbursed in accordance with Fla. Stat. § 1008.36, for disbursements beginning 2023 through 2025 (disbursement in arrears, therefore relates to the District's fiscal year 2022 through 2024).
    a. Review eligibility criteria for the program,
    b. Determine whether schools that applied to the program were eligible to participate,
    c. Determine the population of schools that were eligible to participate,
    d. Determine the appropriate sample size and technique to perform requisite testing,
    e. Trace payments from the FDOE to confirm schools disbursed funds in accordance with Fla. Stat. § 1008.36, and
    f. Evaluate controls in place to determine adequacy and effectiveness.

7. Review the District's School Recognition Program, including Instructional and Administrator Evaluation Systems and reports, to assess if goals and objectives are being met.

8. Coordinate an entrance conference with key personnel to kick off the project.

9. Perform an exit conference when fieldwork is completed.

10. Perform additional tasks, as agreed-upon by the parties.

11. Prepare report for review and finalization with management.

12. Perform presentation(s) as requested.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

## Scope and Methodology

The objective of this engagement is to evaluate the District's compliance with FSRP requirements for school years 2022 through 2024. To fulfill scope requirements, we:

- Gained an understanding of the:
  - FSRP,
  - Roles, responsibilities, activities, and policies,
- Documented processes, and
- Designed procedures and performed testing.

### Methodology

S. Davis & Associates, P.A. ("SDA") researched the applicable Florida statutes and administrative codes, and visited the District's website, including the Office of School Performance and Accountability to create a workplan. The workplan and a preliminary list of required documents were distributed to personnel from each of the District's functional areas involved in FSRP. The information relating to personnel and the areas involved in the program was coordinated through the Office of the Chief Auditor.

An entrance conference was conducted to discuss the engagement, workplan, and matters related to the FSRP. Interviews were scheduled and conducted to obtain process narratives and collect data from personnel representing each area. The areas covered were School Improvement, Talent Management, Human Resources Support, and Budget. We also worked with charter schools because they are also eligible for A+ funds and are a part of the District.

A list of eligible schools was requested from the District to determine the population from which to select a sample for testing. We experienced an item of concern when attempting to identify eligible schools. District personnel indicated that eligible schools are the ones identified in the award letter from FDOE. SDA had follow-up discussions about eligibility based on our understanding of the research conducted.

We contacted the FDOE for clarification and obtained the list for each year. The eligibility list from the FDOE reports schools in four (4) categories, (1) Elementary, (2) Middle, (3) High, and (4) Combination. We continued communicating and coordinating with the FDOE to obtain school data, grades, and other information during the engagement.

Based on the analysis of the FDOE data, our initial focus was on schools run by the District or "traditional schools". After some discussion with the FDOE, it was noted that charter schools are public schools within the jurisdiction of and sponsored by the district according to Fla. Stat. § 1002.33(5). As a result, the population, from which the sample was selected, included both traditional and charter schools. We updated our procedures based on this information.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

Testing consisted of following two (2) components:

1. Compliance, and
2. Disbursement.

*See tables 1.1, 1.2, and 1.3 for the list of schools selected for testing.*

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

## Observations, Findings, and Recommendations

### The Program

The FSRP provides public recognition and financial awards to schools that have sustained high student performance or schools that demonstrate substantial improvement in student performance. The program was created by the Florida Legislature in 1997, and funds were first appropriated for awards in 1998. The A+ Plan for Education standardized program criteria and awards in 1999. The program is authorized by Fla. Stat. § 1008.36.

### Rules, Regulations, Policies and Procedures:

- Fla. Stat. § 1008.36 – Florida School Recognition Program: establishes the FSRP and requirements for staff and SAC decision-making.
- Fla. Stat. § 1008.34 – School Grading System, School Report Cards, District Grade: defines the statewide school grading system, outlining the calculation of school grades and performance indicators used to determine eligibility for recognition awards.
- Fla. Stat. § 1001.452 – District SACs establish the structure, membership, and responsibilities of SAC.
- Fla. Stat.§1002.33 – Charter Schools:
  - Section (5) Sponsor Duties: outlines the district's responsibility to monitor charter schools' academic progress, operations, and financial activity.
  - Section (9) School Requirement: outlines the core operational, financial, governance, and accountability requirements.
  - Section (17) Funding: establishes requirements for funding distribution and financial reporting.
- District Policy 1403 – School Accountability and Improvement: provides District-specific requirements for SAC operations, school improvement processes, and documentation standards.

Discussion

Statutory framework

Fla. Stat. § 1008.36, established the FSRP as a performance incentive program designed to financially reward outstanding faculty and staff in highly productive schools.

Eligibility (General):

All public schools, including charter schools that receive a grade pursuant to Fla. Stat. § 1009.34 are eligible to participate in the program.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

Eligibility (Award):
Eligibility for an award is based solely on meeting the program criteria:

- Schools that sustain high performance by receiving a school grade of "A", or
- Schools that demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year, or
- Schools designated as alternative or Exceptional Student Education ("ESE") center schools that receive a school improvement rating of "Commendable" or improve at least one level.

Permitted uses:

- Non-recurring bonuses for faculty and staff,
- Non-recurring educational equipment or materials, or
- Temporary personnel to support student performance.

Decision-Making Body (SAC)
The district's board shall establish an advisory council for each school in the district and shall develop procedures for the election and appointment of advisory council members. Additional requirements include:

- Every school in the district must have a SAC. Each SAC must include the words "School Advisory Council" in its name and serve as the sole body responsible for final decision-making at the school level regarding the implementation of sections Fla. Stat. §§ 1001.42(18) and 1008.345, which relate to school improvement and accountability.
- SAC membership must be structured so that the majority of its members are not employed by the district, ensuring balanced representation.
- The SAC must include the principal and a proportionate mix of teachers, education support employees, students, parents, and business or community members.
- Membership must reflect the school's ethnic, racial, and economic diversity.
- Teachers, staff, students, and parents must elect their representatives from within their respective peer groups.

Decision-Making Requirements – Charter Schools
According to Fla. Stat. § 1008.36, the use of these financial awards must be determined jointly by the school's staff and its SAC. Charter schools are not required to have a SAC. Schools that do not have a formal SAC, the following rules apply:

- Substitute Body - If a charter school does not have a SAC, the school's governing body (Board of Directors) must participate in the council's place.
- Joint Agreement - The final plan for spending the funds must still be agreed upon jointly by the governing body and the school staff.

State Award Process

School grades are calculated each year by the FDOE, Bureau of Accountability Reporting, to measure student performance and progress. Grades are based on statewide standardized assessments and other academic indicators in accordance with Fla. Stat. § 1008.34, and Rule 6A-1.09981, FAC.

District Submittal Process

To support this process, the District submits certified student data to FDOE throughout the year in the form of surveys. There are five (5) surveys:

1) July,
2) October,
3) February,
4) June, and
5) October in the subsequent school year.

These submissions include demographics, enrollment, test results, and other required records. The District Data Intelligence Department manages the state processing windows, while the District Educational Assessment, Analysis & Research ("EAAR") Department performs additional corrections during the Student Data Updates period in May. Final submissions are certified by the District's Accountability Officer of EAAR. Data collection is managed through the district's student information system, FOCUS, to gather and maintain demographic records, and integrates third-party assessment results such as Florida Assessment of Student Thinking ("FAST"), end-of-course exams, Scholastic Assessment Test ("SAT"), American College Test ("ACT"), and i-Ready.

School Administration

The school administration is responsible for implementing the approved fund proposal and following established District procedures for purchasing, hiring, and issuing one-time bonuses. Each school must submit all required documentation related to FSRP through the SAC Upload Center and notify the School Improvement Department via email upon completion.

Additionally, per discussion with FDOE, unused FSRP dollars may be carried over into the following fiscal year if not fully expended. However, carryover used in the future must be expended only for purposes approved by SAC in compliance with the FSRP. See Table 2 for carried-forward information. EXHIBITS 4.1, 4.2, and 4.3 identify carryforwards by school. The exhibits combine other programs so the cumulative for each, including FSRP, cannot be determined from the presentation.

**Table 2 FSRP Carry Forward for School Years 2022 to 2024**

| | Disbursed in 2023 | 2024 | 2025 | |
|---|---|---|---|---|
| Description | School Year Ended June 30, 2022 | School Year Ended June 30, 2023 | School Year Ended June 30, 2024 | Total |
| Disbursed | $ 22,256,862 | $ 16,360,012 | $ 22,324,542 | $ 60,941,416 |
| Unspent | $ 1,278,133 | $ 1,613,436 | $ 1,666,477 | $ 4,558,046 |

*Unspent amounts remain in each school's account.*

School Improvement

The School Improvement Department ("Department") oversees K–12 school performance across the district and is responsible for reviewing FSRP documentation for compliance with District policies. The Department supports schools and SACs by providing:

- Targeted training sessions ("Mini-Labs") for SAC members including chairs, secretaries, administrators, and board composition representatives on council responsibilities and procedures.
- Informal Q&A sessions ("Open Labs") for staff and stakeholders to address questions related to school improvement processes and district requirements.
- Guidance and monitoring to ensure compliance with FSRP procedures and documentation standards.
- Collaborate with the Budget Office to confirm the actual award amounts for each eligible school and notifies them of their award amount.

District Budget Office responsibilities

For traditional schools, the District's Budget Office is responsible for importing the FDOE award files received via email or downloaded from the FDOE website. The Budget Office:

- Records the total award amount expected for traditional schools. Deducts a fringe benefit district reserve amount.
    - *Bonus or supplemental payments are subject to employer's share (mandatory) of payroll costs (fringes). Included are social Security and Medicare - Federal Insurance Contributions Act (FICA), Worker's Compensation, and Florida Retirement System (FRS) contributions. If not paid from this source (A+), the District would have to fund these mandatory employer payroll expenses from a different source.
- Notifies the schools of the funding award amount and allowable uses.
- Records carryforward - any unused funds at year end.
- Both traditional and charter schools are subject to Default Distribution. If the staff and the SAC or governing body, (acting as the SAC), cannot reach an agreement by February 1, the award must be distributed equally as bonuses to all classroom teachers currently teaching at the school.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

School's SAC responsibilities

- Each school, through its SAC, conducts a formal ballot process to determine how the FSRP award funds are to be used.
- The SAC is required to:
    - Create and approve written ballot proposals, ensuring that each ballot includes at least one spending option and a "None of the above" selection.
    - Present the approved ballot proposals to staff for review at least three (3) business days prior to the scheduled vote.
    - Conduct a staff vote by secret ballot, ensuring that each proposal is approved by a majority (51%) vote to pass.

District responsibilities

For charter schools, Fla. Stat. § 1002.33(17)(e) requires release of funds within ten (10) business days of District's receipt. Once the award amounts are received, the Budget Office notifies the charter schools of funding. The Budget prepares an Excel upload file and submits it to the Finance and Accounting Reporting department to process A+ fund distributions to charter schools via Electronic Funds Transfer ("EFT"). An email is then sent to each charter school by the Budget Office and the Charter Schools Management/Support Department, notifying them of the funds disbursed. The email includes the award amount and guidance on the appropriate use of funds in accordance with Fla. Stat. § 1008.36.

Charter School Administration

Charter schools are not explicitly required to establish a SAC; however, they must maintain a governing body that keeps the school's compliance with Fla. Stat. § 1008.36. Per Fla. Stat. §§ 1002.33(9)(i) and 1002.33(9)(j)1b, "The governing body of the charter school shall exercise continuing oversight over charter school operations" and "promote and encourage compliance with applicable laws, rules, contracts, grant agreements, and best practices."

In our discussions with the District's Charter Schools Management/Support Department, it was noted that charter schools are not required to submit FSRP compliance documentation to the district; however, they must maintain detailed records at the school site to support compliance, for audit purposes, and the annual expenditure survey submitted to the District for FDOE reporting, which is consistent with the Florida Statutes.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

## Results of Testing

### Traditional Schools

Compliance Testing

We performed procedures to determine whether schools:

1. Formed a SAC and adopted procedures for membership.
2. Contained "School Advisory Council" in their council's name.
3. Operated as the sole decision-making body for implementing Fla. Stat. §§ 1001.42(18) and 1008.345.
4. Ensured the SAC Chair signed the school budget prior to submitting it to the District.
5. Refrained from exercising powers reserved by law to the district's school board.
6. SAC composition met statutory requirements (principal, teachers, parents, students, staff, and community/business representatives).
7. Membership was elected by peer-required group.
8. School Board annually approved SAC composition in minutes and online records.
9. Maintained the required meeting documentation.
10. Provided proper notice, discussion, and approval of funding votes.
11. Submitted SAC documents to the Area Office.
12. SAC bylaws addressed quorum, advance notice, member replacement, meeting access, and record-keeping.

Findings:
None.

Recommendations:
None.

Management Responses:
None.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

Disbursement Testing

We performed disbursement testing by:

1. Tracing fund disbursement from FDOE,
2. Determining whether remittances to charter schools were timely,
3. Reviewing budget allocations to each traditional school, and
4. Confirming that expenditures were in accordance with the budget for allowable expenditures.

Findings:

None.

Recommendations:

None.

Management Responses:

None.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

## Charter Schools

Compliance Testing

SDA reviewed charter schools' bylaws and other pertinent documents for A+ Funds requirements with the understanding that charter schools are not required to have SACs.

Meeting Documents:

- Meeting agendas
- Meeting minutes
- Sign-in sheets for members and guests
- Copy of the approved ballot
- Meeting advertisement with agenda

Voting Documents:

- Written advertisement to staff announcing the vote
- Ballot used for staff voting
- Staff sign-in sheets
- Voting results

Findings:

Testing of FSRP records identified instances where required documentation from the charter schools to support the program process was incomplete or missing. Missing items commonly included agendas, minutes, attendance sheets, flyers announcing the vote, ballots, staff sign-in sheets, and final voting results for meetings.

1. Fiscal Year 2022 - There were fourteen (14) instances of incomplete documentation.
    - Atlantic Montessori Charter School West Campus (#5164) and Somerset Academy Pompano (K-5) (#5388) were missing documentation, including minutes, agendas, 3-day meeting notice, staff input, and evidence of an approval ballot and formal vote.
    - Central Charter School (#5041) were missing documentation, including minutes and sheet-in sheet.

2. Fiscal Year 2024 - There were eleven (11) exceptions of missing documentation.
    - Atlantic Montessori Charter School (#5029) was missing required documentation, including ballots, meeting, 3-day notice, sign-in sheets, or evidence of staff input.
    - Broward Math & Science Schools (#5038) did not provide complete documentation. We worked with the school to obtain appropriate documentation, however after three (3) attempts, the information submitted was not sufficient to determine compliance.

Recommendations:
Charter schools should strengthen oversight and monitoring of the FSRP documentation process to ensure that required records, such as meeting agendas, minutes, sign-in sheets, ballots, and voting results, are completed, retained, and readily available for review. Implementing an internal checklist could help each school maintain complete documentation supporting the A+ Funds decision-making process in accordance with program requirements.

Management Response:
*Atlantic Montessori Charter School (#5029 & #5164)*
These events occurred prior to my tenure as Executive Director. However, since assuming the role, I have implemented corrective procedures to ensure full compliance moving forward. Beginning with the 2025–2026 school year: 1. The A+ Recognition Fund process will include formal staff voting with documented agendas, minutes, ballots, and tally sheets. 2. Both physical and electronic records will be securely retained and backed up at both campuses. 3. All Governing Board agendas will clearly reflect the A+ Fund voting process, and board minutes will document all related actions and approvals. These measures are designed to ensure that future FSRP documentation meets and exceeds compliance expectations." (EXHIBIT 5).

*Somerset Academy Pompano (K-5) School (#5388)*
I was appointed principal of Somerset Academy Pompano effective July 1, 2024. I was not the principal during the FY22 School Recognition Fund distribution, which took place in the spring of 2023. Since receiving the request for documentation on July 10, 2025, I have made every effort to locate documentation related to the process followed at that time. However, the only records I have been able to locate are the disbursement records showing the award amounts paid to eligible staff. While our current School Recognition Distribution Plan outlines a collaborative process involving staff input and a formal vote, I am unaware of the process followed during the FY22 distribution due to the lack of available documentation. Going forward, we are committed to maintaining clear records and adhering fully to the outlined procedures." (EXHIBIT 6).

*Central Charter School (#5041)*
The letter addressing the issue and cause is presented in EXHIBIT 8.

*Broward Math & Science Schools (#5038)*
The letter addressing the issue, cause, and corrective action is presented in EXHIBIT 7.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

Disbursement Testing

Testing procedures included:

- Tracing the transfer and receipt of award funds to each charter school within ten (10) business days.
- Verifying that funds were used in accordance with the decision made by school staff and the SAC.
- Confirming that expenditures were for allowable purposes only.

Findings:

Testing of charter schools for fiscal years 2022–2024 revealed instances where required documentation to support the A+ Funds decision-making process was missing or incomplete, as required by Fla. Stat. § 1008.36(4)(b).

Fiscal Year 2022 - Atlantic Montessori Charter School West Campus (#5164), and Somerset Academy Pompano (K-5) (#5388).

Fiscal Year 2024 - Broward Math & Science Schools (#5038) and Atlantic Montessori Charter School (#5029).

Noted schools lacked documentation supporting the process used to determine fund distribution. Consequently, we could not verify whether distributions for allowable expenses were made in compliance with school approval requirements.

Recommendations:

Charter schools should maintain complete and accurate documentation supporting the A+ Funds decision-making process, including evidence of approved allocations and corresponding expenditures.

Management Response:

*Atlantic Montessori Charter School (#5029) and Atlantic Montessori Charter School West Campus (#5164):*

These events occurred prior to my tenure as Executive Director. However, since assuming the role, I have implemented corrective procedures to ensure full compliance moving forward. Beginning with the 2025–2026 school year: 1. The A+ Recognition Fund process will include formal staff voting with documented agendas, minutes, ballots, and tally sheets. 2. Both physical and electronic records will be securely retained and backed up at both campuses. 3. All Governing Board agendas will clearly reflect the A+ Fund voting process, and board minutes will document all related actions and approvals. These measures are designed to ensure that future FSRP documentation meets and exceeds compliance expectations.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

*Somerset Academy Pompano (K-5) School (#5388)*

I was appointed principal of Somerset Academy Pompano effective July 1, 2024. I was not the principal during the FY22 School Recognition Fund distribution, which took place in the spring of 2023. Since receiving the request for documentation on July 10, 2025, I have made every effort to locate documentation related to the process followed at that time. However, the only records I have been able to locate are the disbursement records showing the award amounts paid to eligible staff. While our current School Recognition Distribution Plan outlines a collaborative process involving staff input and a formal vote, I am unaware of the process followed during the FY22 distribution due to the lack of available documentation. Going forward, we are committed to maintaining clear records and adhering fully to the outlined procedures.

*Broward Math & Science Schools (#5038)*

The letter addressing the issue, cause and corrective action is presented in EXHIBIT 7.

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES ON FLORIDA SCHOOL RECOGNITION PROGRAM SCHOOL BOARD OF BROWARD COUNTY OBSERVATIONS, FINDINGS, RECOMMENDATIONS, AND MANAGEMENT RESPONSES**

## Additional Observations and Recommendations

During this engagement, we noted certain matters that are noteworthy, or are opportunities for improving controls, or operating efficiency. These observations and recommendations do not affect the report. Management responses are not required but are encouraged.

**Traditional Schools**

Membership SAC

Discussions with the School Improvement Department indicated challenges in meeting all SAC composition requirements. Certain mandated positions remained vacant despite efforts by school principals and School Improvement to fill the required roles.

Central Repository

During the review, key District personnel were cooperative and assisted as requested. However, it took considerable time to identify and coordinate with additional contacts besides those initially identified. Additional contacts were necessary in understanding and documenting the process required for FSRP, as well as obtaining necessary documentation.

District staff explained that the timing for providing documentation was due to the central online repository for SAC compliance documentation being taken offline in August, which coincided with when information was requested for selected traditional schools. Not having access to the repository contributed to delays in retrieving supporting records.

Prior to the release of this report, it is noteworthy to state that the repository was re-established but only data for 2025 was being populated. There was no specific timetable for uploading data for prior school years.

Disbursements

The FDOE normally remits funds by the second quarter of the school year. Based on our understanding of the process, after the Budget Department reconciles the amounts remitted, schools are notified of the funds received. Each school is expected to distribute bonus payments to specified personnel shortly thereafter.

Based on a review of payroll reports, we noted instances in which bonuses were paid in the 3rd Quarter or later after approval to process the bonus was granted. See Tables 3, 4, and 5 below.

| | BB | 202509 | 04/14/2025 | 04/27/2025 | 05/02/2025 |

Recommendation:
The district should contemplate populating the recently re-established centralized repository with prior years' data. This will create efficient and timely access to SAC compliance documentation by relevant stakeholders. Discussion with IT, indicated that the updated online repository should improve efficiency of document retrievals for staff.

Per discussion with staff regarding the late disbursement of bonus A+ funds, they indicated that an application ("App") was being developed to monitor payroll processing timelines to better align approved bonus payments with the applicable payroll period. The expeditious implementation of the App will help minimize late distributions of bonuses.

EARLY LEARNING-20 EDUCATION CODE | ASSESSMENT AND ACCOUNTABILITY

**1008.36 Florida School Recognition Program.—**

(1) The Legislature finds that there is a need for a performance incentive program for outstanding faculty and staff in highly productive schools. The Legislature further finds that performance-based incentives are commonplace in the private sector and should be infused into the public sector as a reward for productivity.

(2) The Florida School Recognition Program is created to provide financial awards to public schools that:

(a) Sustain high performance by receiving a school grade of "A," making excellent progress; or

(b) Demonstrate exemplary improvement due to innovation and effort by improving at least one letter grade or by improving more than one letter grade and sustaining the improvement the following school year.

(3) All public schools, including charter schools, that receive a school grade pursuant to s. 1008.34 are eligible to participate in the program.

(4) All selected schools shall receive financial awards depending on the availability of funds appropriated and the number and size of schools selected to receive an award. Funds must be distributed to the school's fiscal agent and placed in the school's account and must be used for purposes listed in subsection (5) as determined jointly by the school's staff and school advisory council. If school staff and the school advisory council cannot reach agreement by February 1, the awards must be equally distributed to all classroom teachers currently teaching in the school. If a school selected to receive a school recognition award is no longer in existence at the time the award is paid, the district school superintendent shall distribute the funds to teachers who taught at the school in the previous year in the form of a bonus.

(5) School recognition awards must be used for the following:

(a) Nonrecurring bonuses to the faculty and staff;

(b) Nonrecurring expenditures for educational equipment or materials to assist in maintaining and improving student performance; or

(c) Temporary personnel for the school to assist in maintaining and improving student performance.

Notwithstanding statutory provisions to the contrary, incentive awards are not subject to collective bargaining.

**1001.452 District and school advisory councils.—**

(1) ESTABLISHMENT.—

(a) The district school board shall establish an advisory council for each school in the district and shall develop procedures for the election and appointment of advisory council members. Each school advisory council shall include in its name the words "school advisory council." The school advisory council shall be the sole body responsible for final decisionmaking at the school relating to implementation of ss. 1001.42(18) and 1008.345. A majority of the members of each school advisory council must be persons who are not employed by the school district. Each advisory council shall be composed of the principal and an appropriately balanced number of teachers, education support employees, students, parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Career center and high school advisory councils shall include students, and middle and junior high school advisory councils may include students. School advisory councils of career centers and adult education centers are not required to include parents as members. Council members representing teachers, education support employees, students, and parents shall be elected by their respective peer groups at the school in a fair and equitable manner as follows:

1. Teachers shall be elected by teachers.
2. Education support employees shall be elected by education support employees.
3. Students shall be elected by students.
4. Parents shall be elected by parents.

The district school board shall establish procedures to be used by schools in selecting business and community members that include means of ensuring wide notice of vacancies and of taking input on possible members from local business, chambers of commerce, community and civic organizations and groups, and the public at large. The district school board shall review the membership composition of each advisory council. If the district school board determines that the membership elected by the school is not representative of the ethnic, racial, and economic community served by the school, the district school board shall appoint additional members to achieve proper representation. The commissioner shall determine if schools have maximized their efforts to include on their advisory councils minority persons and persons of lower socioeconomic status. Although schools are strongly encouraged to establish school advisory councils, the district school board of any school district that has a student population of 10,000 or fewer may establish a district advisory council which includes at least one duly elected teacher from each school in the district. For the purposes of school advisory councils and district advisory councils, the term "teacher" includes classroom teachers, certified student services personnel, and media specialists. For purposes of this paragraph, "education support employee" means any person employed by a school who is not defined as instructional or administrative personnel pursuant to s. 1012.01 and whose duties require 20 or more hours in each normal working week.

(b) The district school board may establish a district advisory council representative of the district and composed of teachers, students, parents, and other citizens or a district advisory council that may be comprised of representatives of each school advisory council. Recognized schoolwide support groups that meet all criteria established by law or rule may function as school advisory councils.

(c) For those schools operating for the purpose of providing educational services to youth in Department of Juvenile Justice programs, district school boards may establish a district advisory council with appropriate representatives for the purpose of developing and monitoring a district school improvement plan that encompasses all such schools in the district, pursuant to s. 1001.42(18)(a).

(d) Each school advisory council shall adopt bylaws establishing procedures for:

1. Requiring a quorum to be present before a vote may be taken by the school advisory council. A majority of the membership of the council constitutes a quorum.

2. Requiring at least 3 days' advance notice in writing to all members of the advisory council of any matter that is scheduled to come before the council for a vote.

3. Scheduling meetings when parents, students, teachers, businesspersons, and members of the community can attend.

4. Replacing any member who has two unexcused consecutive absences from a school advisory council meeting that is noticed according to the procedures in the bylaws.

5. Recording minutes of meetings.

The district school board may review all proposed bylaws of a school advisory council and shall maintain a record of minutes of council meetings.

(2) DUTIES.—Each advisory council shall perform functions prescribed by regulations of the district school board; however, no advisory council shall have any of the powers and duties now reserved by law to the district school board. Each school advisory council shall assist in the preparation and evaluation of the school improvement plan required pursuant to s. 1001.42(18). With technical assistance from the Department of Education, each school advisory council shall assist in the preparation of the school's annual budget and plan as required by s. 1008.385(1). A portion of funds provided in the annual General Appropriations Act for use by school advisory councils must be used for implementing the school improvement plan.

**History.**—s. 1, ch. 2002-49; s. 59, ch. 2002-387; s. 73, ch. 2004-357; s. 10, ch. 2008-108; s. 5, ch. 2008-235.

Title XLVIII EARLY LEARNING-20 EDUCATION CODE | Chapter 1008 ASSESSMENT AND ACCOUNTABILITY | View Entire Chapter

**1008.34 School grading system; school report cards; district grade.**—

(1) DEFINITIONS.—For purposes of the statewide, standardized assessment program and school grading system, the following terms are defined:

(a) "Achievement level," "student achievement," or "achievement" describes the level of content mastery a student has acquired in a particular subject as measured by a statewide, standardized assessment administered pursuant to s. 1008.22(3)(a) and (b). There are five achievement levels. Level 1 is the lowest achievement level, level 5 is the highest achievement level, and level 3 indicates satisfactory performance. A student passes an assessment if the student achieves a level 3, level 4, or level 5. For purposes of the Florida Alternate Assessment administered pursuant to s. 1008.22(3)(d), the state board shall provide, in rule, the number of achievement levels and identify the achievement levels that are considered passing.

(b) "Learning Gains," "annual learning gains," or "student learning gains" means the degree of student learning growth occurring from one school year to the next as required by state board rule for purposes of calculating school grades under this section.

(c) "Student performance," "student academic performance," or "academic performance" includes, but is not limited to, student learning growth, achievement levels, and Learning Gains on statewide, standardized assessments administered pursuant to s. 1008.22.

(2) SCHOOL GRADES.—Schools shall be graded using one of the following grades, defined according to rules of the State Board of Education:

(a) "A," schools making excellent progress.

(b) "B," schools making above average progress.

(c) "C," schools making satisfactory progress.

(d) "D," schools making less than satisfactory progress.

(e) "F," schools failing to make adequate progress.

Each school that earns a grade of "A" or improves at least two letter grades may have greater authority over the allocation of the school's total budget generated from the FEFP, state categoricals, lottery funds, grants, and local funds.

(3) DESIGNATION OF SCHOOL GRADES.—

(a) Each school must assess at least 95 percent of its eligible students, except as provided under s. 1008.341 for alternative schools. Each school shall receive a school grade based on the school's performance on the components listed in subparagraphs (b)1. and 2. If a school does not have at least 10 students with complete data for one or more of the components listed in subparagraphs (b)1. and 2., those components may not be used in calculating the school's grade.

1. An alternative school may choose to receive a school grade under this section or a school improvement rating under s. 1008.341. For charter schools that meet the definition of an alternative school pursuant to State Board of Education rule, the decision to receive a school grade is the decision of the charter school governing board.

2. A school that serves any combination of students in kindergarten through grade 3 that does not receive a school grade because its students are not tested and included in the school grading system shall receive the school grade designation of a K-3 feeder pattern school identified by the Department of Education and verified by the

school district. A school feeder pattern exists if a majority of the students in the school serving a combination of students in kindergarten through grade 3 are scheduled to be assigned to the graded school.

3. If a collocated school does not earn a school grade or school improvement rating for the performance of its students, the student performance data of all schools operating at the same facility must be aggregated to develop a school grade that will be assigned to all schools at that location. A collocated school is a school that has its own unique Master School Identification Number, provides for the education of each of its enrolled students, and operates at the same facility as another school that has its own unique Master School Identification Number and provides for the education of each of its enrolled students.

(b)1. A school's grade shall be based on the following components, each worth 100 points:

a. The percentage of eligible students passing statewide, standardized assessments in English Language Arts under s. 1008.22(3).

b. The percentage of eligible students passing statewide, standardized assessments in mathematics under s. 1008.22(3).

c. The percentage of eligible students passing statewide, standardized assessments in science under s. 1008.22(3).

d. The percentage of eligible students passing statewide, standardized assessments in social studies under s. 1008.22(3).

e. The percentage of eligible students who make Learning Gains in English Language Arts as measured by statewide, standardized assessments administered under s. 1008.22(3).

f. The percentage of eligible students who make Learning Gains in mathematics as measured by statewide, standardized assessments administered under s. 1008.22(3).

g. The percentage of eligible students in the lowest 25 percent in English Language Arts, as identified by prior year performance on statewide, standardized assessments, who make Learning Gains as measured by statewide, standardized English Language Arts assessments administered under s. 1008.22(3).

h. The percentage of eligible students in the lowest 25 percent in mathematics, as identified by prior year performance on statewide, standardized assessments, who make Learning Gains as measured by statewide, standardized Mathematics assessments administered under s. 1008.22(3).

i. For schools comprised of middle grades 6 through 8 or grades 7 and 8, the percentage of eligible students passing high school level statewide, standardized end-of-course assessments or attaining national industry certifications identified in the CAPE Industry Certification Funding List pursuant to state board rule.

j. For schools comprised of grade levels that include grade 3, the percentage of eligible students who score an achievement level 3 or higher on the grade 3 statewide, standardized English Language Arts assessment administered under s. 1008.22(3).

In calculating Learning Gains for the components listed in sub-subparagraphs e.-h., the State Board of Education shall require that learning growth toward achievement levels 3, 4, and 5 is demonstrated by students who scored below each of those levels in the prior year. In calculating the components in sub-subparagraphs a.-d., the state board shall include the performance of English language learners only if they have been enrolled in a school in the United States for more than 2 years.

2. For a school comprised of grades 9, 10, 11, and 12, or grades 10, 11, and 12, the school's grade shall also be based on the following components, each worth 100 points:

a. The 4-year high school graduation rate of the school as defined by state board rule.

b. The percentage of students who were eligible to earn college and career credit through an assessment identified pursuant to s. 1007.27(2), College Board Advanced Placement examinations, International Baccalaureate examinations, dual enrollment courses, including career dual enrollment courses resulting in the completion of 300 or more clock hours during high school which are approved by the state board as meeting the requirements of s. 1007.271, or Advanced International Certificate of Education examinations; who, at any time during high school, earned national industry certification identified in the CAPE Industry Certification Funding List, pursuant to rules adopted by the state board; or who earned an Armed Services Qualification Test score that falls within Category II

or higher on the Armed Services Vocational Aptitude Battery and earned a minimum of two credits in Junior Reserve Officers' Training Corps courses from the same branch of the United States Armed Forces.

(c)1. The calculation of a school grade shall be based on the percentage of points earned from the components listed in subparagraph (b)1. and, if applicable, subparagraph (b)2. The State Board of Education shall adopt in rule a school grading scale that sets the percentage of points needed to earn each of the school grades listed in subsection (2). There shall be at least five percentage points separating the percentage thresholds needed to earn each of the school grades. The state board shall annually review the percentage of school grades of "A" and "B" for the school year to determine whether to adjust the school grading scale upward for the following school year's school grades. The first adjustment would occur no earlier than the 2023-2024 school year. An adjustment must be made if the percentage of schools earning a grade of "A" or "B" in the current year represents 75 percent or more of all graded schools within a particular school type, which consists of elementary, middle, high, and combination. The adjustment must reset the minimum required percentage of points for each grade of "A," "B," "C," or "D" at the next highest percentage ending in the numeral 5 or 0, whichever is closest to the current percentage. Annual reviews of the percentage of schools earning a grade of "A" or "B" and adjustments to the required points must be suspended when the following grading scale for a specific school type is achieved:

a. Ninety percent or more of the points for a grade of "A."
b. Eighty to eighty-nine percent of the points for a grade of "B."
c. Seventy to seventy-nine percent of the points for a grade of "C."
d. Sixty to sixty-nine percent of the points for a grade of "D."

When the state board adjusts the grading scale upward, the state board must inform the public of the degree of the adjustment and its anticipated impact on school grades. Beginning in the 2024-2025 school year, any changes made by the state board to components in the school grades model or to the school grading scale shall go into effect, at the earliest, in the following school year.

2. The calculation of school grades may not include any provision that would raise or lower the school's grade beyond the percentage of points earned. Extra weight may not be added in the calculation of any components.

(d) The data of students attending alternative schools, students designated as hospital or homebound, and students who transfer to a private school shall be factored into a school grade as follows:

1. The student performance data for eligible students attending alternative schools that provide dropout prevention and academic intervention services pursuant to s. 1003.53 shall be included in the calculation of the home school's grade. The term "eligible students" in this subparagraph does not include students attending an alternative school who are subject to district school board policies for expulsion for repeated or serious offenses, who are in dropout retrieval programs serving students who have officially been designated as dropouts, or who are in programs operated or contracted by the Department of Juvenile Justice. As used in this subparagraph, the term "home school" means the school to which the student would be assigned if the student were not assigned to an alternative school. If an alternative school chooses to be graded under this section, student performance data for eligible students identified in this subparagraph shall not be included in the home school's grade but shall be included only in the calculation of the alternative school's grade. A school district that fails to assign statewide, standardized end-of-course assessment scores of each of its students to his or her home school or to the alternative school that receives a grade shall forfeit Florida School Recognition Program funds for one fiscal year. School districts must require collaboration between the home school and the alternative school in order to promote student success. This collaboration must include an annual discussion between the principal of the alternative school and the principal of each student's home school concerning the most appropriate school assignment of the student.

2. Student performance data for students designated as hospital or homebound shall be assigned to their home school for the purposes of school grades. As used in this subparagraph, the term "home school" means the school to which a student would be assigned if the student were not assigned to a hospital or homebound program.

3. A high school must include a student in its graduation rate if the student transfers from the high school to a private school with which the school district has a contractual relationship.

(4) SCHOOL REPORT CARD.—The Department of Education shall annually develop, in collaboration with the school districts, a school report card to be provided by the school district to parents within the district. The report card shall include the school's grade; student performance in English Language Arts, mathematics, science, and social studies; information regarding school improvement; an explanation of school performance as evaluated by the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. ss. 6301 et seq.; and indicators of return on investment. Each school's report card shall be published annually by the department on its website based upon the most recent data available.

(5) DISTRICT GRADE.—A school district's grade shall include a district-level calculation of the components under paragraph (3)(b). This calculation methodology captures each eligible student in the district who may have transferred among schools within the district or is enrolled in a school that does not receive a grade. The department shall develop a district report card that includes the district grade; the information required under s. 1008.345(3); measures of the district's progress in closing the achievement gap between higher-performing student subgroups and lower-performing student subgroups; measures of the district's progress in demonstrating Learning Gains of its highest-performing students; measures of the district's success in improving student attendance; the district's grade-level promotion of students scoring achievement levels 1 and 2 on statewide, standardized English Language Arts and Mathematics assessments; and measures of the district's performance in preparing students for the transition from elementary to middle school, middle to high school, and high school to postsecondary institutions and careers.

(6) RULES.—The State Board of Education shall adopt rules under ss. 120.536(1) and 120.54 to administer this section.

(7) TRANSITION.—To assist in the transition to 2022-2023 school grades and district grades calculated based on the comprehensive, end-of-year progress monitoring assessment under s. 1008.25(9), the 2022-2023 school grades and district grades shall serve as an informational baseline for schools and districts to work toward improved performance in future years. Accordingly, notwithstanding any other provision of law:

(a) Due to the absence of learning gains data in the 2022-2023 school year, the initial school grading scale for the 2022-2023 informational baseline grades shall be set so that the percentage of schools that earn an "A," "B," "C," "D," and "F" is statistically equivalent to the 2021-2022 school grades results. When learning gains data becomes available in the 2023-2024 school year, the State Board of Education shall review the school grading scale and determine if the scale should be adjusted.

(b) A school may not be required to select and implement a turnaround option pursuant to s. 1008.33 in the 2023-2024 school year based on the school's 2022-2023 grade. The benefits of s. 1008.33(4)(c), relating to a school being released from implementation of the turnaround option, and s. 1008.33(4)(d), relating to a school implementing strategies identified in its school improvement plan, apply to a school using turnaround options pursuant to s. 1008.33 which improves to a grade of "C" or higher during the 2022-2023 school year.

(c) A school or approved provider under s. 1002.45 which receives the same or lower school grade for the 2022-2023 school year compared to the 2021-2022 school year is not subject to sanctions or penalties that would otherwise occur as a result of the 2022-2023 school grade or rating. A charter school system or school district designated as high performing may not lose the designation based on the 2022-2023 school grades of any of the schools within the charter school system or school district or based on the 2022-2023 district grade, as applicable.

(d) For purposes of determining grade 3 retention pursuant to s. 1008.25(5) and high school graduation pursuant to s. 1003.4282, student performance on the 2022-2023 comprehensive, end-of-year progress monitoring assessment under s. 1008.25(9) shall be linked to 2021-2022 student performance expectations. In addition to the good cause exemptions under s. 1008.25(7), a student may be promoted to grade 4 for the 2023-2024 school year if the student demonstrates an acceptable level of performance through means reasonably calculated by the school district to provide reliable evidence of the student's performance.

This subsection is repealed July 1, 2025.

**To:**
Office of Chief Auditor

**Auditor:** Mr. Dave Rhodes
**Regarding:** Florida School Recognition Program (FSRP) Audit

**From:**
Dr. Monica B. Dueñas, Principal & Executive Director
Atlantic Montessori Charter Schools (5029 & 5164)

**CC:**
Dr. Valerie S. Wanza, Chief Strategy & Innovation Officer
Mr. Donte F. Collins, Director, Charter Schools Management/Support
Ms. Detra Adams, Coordinator, Charter Schools Management/Support

**Date:** December 6, 2025

**Issue Description**
As part of the FSRP audit review, Atlantic Montessori Charter Schools (5029 and 5164) was asked to provide documentation for the Florida School Recognition Program for fiscal years 2022 and 2023 (School 5029), and fiscal year 2023 (School 5164).

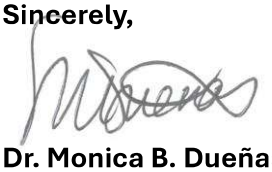
The administrative team conducted an extensive search across both campuses for all available documentation related to these years. Every file cabinet, storage area, and archived box was reviewed. Despite a thorough search, no records or evidence of staff voting processes were found for any of the fiscal years in question.

**Issue Cause**
Based on internal review and communications, it has been determined that under the direction of former Executive Director **Ms. Juana Ocejo**, the voting process for A+ Recognition Funds was not conducted. This information has been corroborated through staff recollections, including statements that former Principal **Ms. Marie Canetti** also indicated that teacher voting had not occurred in the history of Atlantic Montessori Charter Schools.

One Governing Board meeting from fiscal year 2022 was located which briefly referenced the recognition fund process. However, there was no documentation or minutes from fiscal year 2023 board meetings indicating that any staff voting or approval process took place.

**Supporting Documentation**

Although voting records were not found, **bank statements** and **financial documentation** have been provided showing that A+ Recognition funds were distributed to staff for both fiscal years 2022 and 2023. These records confirm that disbursements occurred, although supporting evidence of the staff voting process is unavailable.



**Corrective Action / Management Response**

These events occurred prior to my tenure as Executive Director. However, since assuming the role, I have implemented corrective procedures to ensure full compliance moving forward. Beginning with the 2025–2026 school year:

1. The A+ Recognition Fund process will include formal staff voting with documented agendas, minutes, ballots, and tally sheets.
2. Both physical and electronic records will be securely retained and backed up at both campuses.
3. All Governing Board agendas will clearly reflect the A+ Fund voting process, and board minutes will document all related actions and approvals.

These measures are designed to ensure that future FSRP documentation meets and exceeds compliance expectations.

**Somerset Academy Pompano #5388**

**School Recognition Distribution Plan Response FY22**

I was appointed principal of Somerset Academy Pompano effective July 1, 2024. I was not the principal during the FY22 School Recognition Fund distribution, which took place in the spring of 2023. Since receiving the request for documentation on July 10, 2025, I have made every effort to locate documentation related to the process followed at that time. However, the only records I have been able to locate are the disbursement records showing the award amounts paid to eligible staff.

While our current School Recognition Distribution Plan outlines a collaborative process involving staff input and a formal vote, I am unaware of the process followed during the FY22 distribution due to the lack of available documentation. Going forward, we are committed to maintaining clear records and adhering fully to the outlined procedures.

Anthony Marucci, Principal

**Date:**
December 9, 2025

---

## Issue Description

During the examination of FSRP documentation at Broward Math and Science Schools (MSID 5038), the following items were noted as missing:

- Date, time, and location of meeting in minutes
- Agenda listing "Florida School Recognition Program (A+ Funds); Proposals and Ballot Creation"
- Minutes reflecting discussion of A+ Funds proposals and ballot creation
- Sign-in sheets
- Proof of written advertisement stating purpose of vote (approval of A+ Funds distribution), including date, time, and location of vote
- Approved ballot for A+ Program
- Ballot count/summary sheet

---

**ADDRESS:**
**6101 NW 31ST STREET**
**MARGATE, FL 33063**

**TEL : (954) 969-8488**
**FAX: (954) 756-8053**
**WWW.BMSSCHOOLS.ORG**

## Issue Cause

The Florida School Recognition Program funds were discussed during the November 16, 2024 Governing Board meeting as part of the **Financial Report** and **Principal's Report**, rather than as a separate agenda item. The board unanimously agreed to disburse $40,012 to all full-time teachers who worked during the 2023–2024 school year, with payment scheduled for December 2024.
Notice of the board meeting was posted on the school entrance door one week prior, visible to all stakeholders. However, the minutes did not explicitly list "Florida School Recognition Program" as a topic because it was embedded within the financial report discussion.

---

## Corrective Action

To ensure compliance, the Governing Board will revote and explicitly record the FSRP item in the minutes during the upcoming board meeting scheduled for **December 13, 2025**. The agenda will include "Florida School Recognition Program (A+ Funds); Proposals and Ballot Creation" as a topic, and all required documentation (sign-in sheets, approved ballot, ballot count summary, and proof of notice) will be generated and retained.

---

## Supporting Documentation

Documentation supporting this corrective action will be uploaded to the district ShareFile following the December 13, 2025 meeting.

---

Central
CHARTER SCHOOL

4515 North State Road 7
Lauderdale Lakes, FL 33319

To: Office of Chief Auditor
Auditor: Dave Rhodes

Regarding: Florida School Recognition Program (FSRP) Audit

From: Anthony Burrell Central Charter School, 5041

CC:Dr. Valerie S. Wanza, Chief Strategy & Innovation Officer
Mrs. Donté F. Collins, Director, Charter Schools Management/Support
Ms. Detra Adams, Coordinator, Charter Schools Management/Support

Date: 12/11/2025

Issue Description
A finding was observed during the examination of FSRP documentation at Central Charter School on 02/01/2025. Central Charter School was identified as missing several supporting documentation items for the SY22 Florida School Recognition Program audit. These items include:
•Date, time, location of meeting; agenda must list 'Florida School Recognition Program (A+ Funds); Proposals and Ballot Creation appears as a topic.
•Minutes that reflect discussion of A+ Funds proposals and ballot creation.
•Sign-in Sheets
•Proof of Written Advertisement stating purpose of vote (approval of A+ Funds distribution); date, time, location of vote. Notice was posted/distributed at least 3 full business days in advance.
•Approved ballot for A+ Program

Issue Cause
Upon internal review we believe several of the missing supporting documentation items have been located and are enclosed. The remaining missing items are:
•Minutes the reflect discussion of A+ Funds proposals and ballot creation
•Sign-In Sheets
These items were not collected during the timeframe due to a clerical error. Procedures have been put in place to mitigate any future errors.

Supporting Documentation
Documentation that supports our position is available upon request.

Sincerely,

Anthony Burrell

MR. TIM BASS, Court Reporter, United Reporting

**The following pages are excerpts of the draft minutes of the Audit Committee Meeting of January 29, 2026 that are specifically related to the Florida School Recognition Program Accountability Audit.**

**The complete minutes, which include Committee discussion on matters not related to this item, are scheduled for Committee discussion and approval at their next scheduled meeting on March 12, 2026.**

MR. RHODES: Madam Chair, can I just make one point before the walk out of the room?

MS. FERTIG: Yeah.

MR. RHODES: With these two copies that are being left, can I get a show of hands of the people that need them, because what I might be able to do is get my staff to go ahead and make copies of those. We have one, two, three, four, five -- one, two, three, four, five, six copies that we need.

Would we be able, Octavia, to get from these copies here six copies made while we're waiting so that the board would be able to walk out with a hardcopy of what we have today?

MR. RHODES: Okay. Thank you.

MS. FERTIG: Okay. We are going to move -- we are going to move to the Florida School Recognition Program Audit. So --

Good morning. Welcome.

MR. DAVIS: Thank you.

MS. FERTIG: Okay. We'll turn it over to you.

MR. DAVIS: Good morning. Shaun Davis, S. Davis & Associate, managing partner. And with me Annette Lewis, our consulting manager. And

Annette's going to present this report. This is the agreed upon procedures report that we did for the Florida School Recognition Program. You have in your document the executive summary followed by our report. The scope that we were asked to perform and we put together, our observations, findings and recommendation, and we've also included the management response here.

MS. LEWIS: Good morning. Annette Lewis, S. Davis & Associates, senior manager.

To begin, on the executive summary, page number VI, we have a scrivener's error. Right where you see that first bullet, the three schools are missing documentation, that should have been on the line above. Can everybody hear?

Okay. In the executive summary page 6, that's number VI, we have a scrivener's error. Right where you see the first bullet on that page after 2022, that sentence should have been separate on the line above. We'll resubmit it with that correction.

So this report essentially required us to review the FSRP, the Florida School Recognition Program, otherwise called the A+.

Initially, we had some hiccups because

there's a portal where a lot of information would typically lie that was taken down by the time we got started. So staff had to do a heavy lift to get us the data that we required to review and do our testing. So I would say they did a yeoman's job and we really appreciate their efforts.

This looks on Florida Statute 1008.34, which created the program, and it was based on there being a need for performance incentive programs for faculty and staff of highly productive schools. So essentially it became an incentive for schools to do better, i.e., a letter grade, but there's also a sustainability component of the A+ program.

Charter schools, which is something that we encountered, they are a part of the public schools because the District sponsors and approves charter schools, but their rules are a little different as it relates to having a governing body that manages the program. We have in Table 1 -- I'm sorry, in the body of the report that shows the schools and that's just for presentation-wise so that you can see that there's no delineation as to whether a school is a charter school. That table begins on page 4.

There is no delineation between a charter school and a regular District school. So charter schools are a part of the public schools. So in our population we had to include charter schools. Initially, we did not anticipate that. So in here in the report it's separated by traditional schools and charter schools in order not to cause confusion with presentation of information as well as or as a result of our testing.

I'll go back to the executive summary. And a key or an important factoid is that we always have carryover. If all the money isn't expended we don't have to return it to the state. It sits there in our coffers, but it can be spent in subsequent years. However, the School Advisory Committee needs to approve it the same way it does each year. So the committee has specific requirements in terms of membership and we had a situation where we noted -- we didn't make it a finding, per se, there are some members because of what's going on with ICE don't want to volunteer or don't want to attend meetings because of the fear that, you know, there might be a raid or somebody might be singled out. So that's something that has to be worked out. And

we discussed it with staff and, you know, tried to put it in here for the -- for you to know that there's an issue, but it's not a finding because it's not something that the District can control.

MR. DAVIS: So on the bottom of page 3, iii, of the summary you will see --

MS. SHAW: Madam Chair? I do have a question on that, on membership. So there are requirements to -- to meeting those meeting dates. Are those being considered? And I don't understand the ICE -- the ICE issue. But what I'm saying is, there are requirements in terms of meetings and those members must attend a certain number of meetings. Were those considered? Because if they were not attending those meetings prior to these current issues that we're facing across the country, then whether or not it's an ICE issue or some other issue that is prolonging them from attending the meeting, was that considered? I understand the ICE issue, that is something that the District has control over when members are not attending those meetings.

MS. LEWIS: Yes, we did consider because we pulled or requested all of the meetings, the agendas, the rolls and what have you, it's in the

most recent year, which is school year 2024, that we started to see the pattern and made inquiries even for 2025. So that was more of a follow-up with the makeup of the committee. But in terms of '22, '23 and '24 the traditional schools had no issues. We didn't find any compliance matters, nothing was noted. But in our observation while reviewing the data it did come up.

MS. FERTIG: So I'm gonna just -- just something else that Lew and I had worked on in another committee a few years ago, so you're saying that the teams, the SAC teams in 2022, 2023 were compliant -- I mean, they were full teams compliant with state statute on the membership.

MS. LEWIS: '24 inclusive, as well, but, you know, we started to look at, hey, what's going on? This seems a little strange, what is the situation? Because we have a tendency in the current year to kind of peek at it as well.

MS. FERTIG: Okay. Yeah, we had just noticed several years ago through another project we were working on that we could not necessarily find the teams membership and it did not -- so I was -- I

had that flagged, too, Phyllis. Thank you.

I'm glad you looked at that because that was going to be my suggestion that we review that district-wide.

MR. DAVIS: So the other thing that I was just echoing with what Annette was talking about on the executive summary is the disbursed and unspent. So in 2023, disbursed 22.2 million unspent 1.2 million, that's the carry forward. In 2024, 16.3 million with an unspent of 1.6 million. In year 2025, 22.3 million disbursed and 1.6 million is the carry forward. Total for the three years, 61 million disbursed, 4.5 million unspent.

MS. LEWIS: And the charts are in Exhibit 4 and that's for each year. And as you look at the table you will see that there are several other programs, so we cannot necessarily isolate from the beginning of time. So if that is to be done -- well, literally, between budget and finance they do know what the actual number is for the FSRP funds. However, all that needs to happen is they -- it gets rolled up in terms of the process of determining what to use the moneys for and of course it has to be in line with the

program. So that's, you know, something else that can be contemplated. If there are additional, you know, teachers, or equipment, or items that are in compliance with the spending requirement, that can be considered going forward based on the actual amounts. And as you can see we had 4.5 million left over for just those three years.

MS. FERTIG: Go ahead, Lew.

MR. NAYLOR: Yes, I see on page 9 and 10 you talk about before the funds are disbursed to the schools that benefits are removed. So when money goes to the school, does that mean the benefits have been taken out of 100 percent of the award? Because many schools don't use the entire award for bonuses for staff. They use it for purchasing equipment, as you've already mentioned.

So I'm just trying to make sure that the school is receiving the funds that they should be allotted based on the use.

MS. LEWIS: They are. It's just that budget has a certain way of calculating and communicating it to the school improvement. Essentially all the numbers that they get

initially are in a budgeted plan. So at the end of the day, depending on what the actual final number is, some benefit numbers -- and we're just talking about FICA, the Social Security and Medicare, it doesn't pay for other types of benefits to which an employee, i.e., a teacher is --

MR. NAYLOR: Correct. And I sit on SAC teams, so I understand the entire process. My question is, is the District withholding funds that could be used at the school level because they're deducting 100 percent of the award -- they're deducting staff benefits from 100 percent of the award, versus giving the school 100 percent of the award, then determine the use and deduct the benefits from that?

MS. LEWIS: As far as in our testing and our documentation the FICA/MICA is -- the school is not physically getting those funds because payroll is processed at the district level.

MR. NAYLOR: Correct.

MS. LEWIS: So those monies are kept in order to meet the requirement, the payroll compliance. So if for argument's sake 50,000 goes to the school of which 10 is to pay payroll taxes, they

are only going to get 40.

MR. NAYLOR: And what if they don't use that entire award for bonuses?

MS. LEWIS: If they don't then that rolls up as unused funds.

MR. NAYLOR: Does it go back to the school?

MS. LEWIS: You know what, we did not actually go that deep, because it's still in the fund and I would presume that since it was allocated to that school it would be in that school's bucket.

MR. NAYLOR: Okay. Because when I --

MS. FERTIG: Could we find that out?

MR. NAYLOR: Yeah. Well, I think Mr. Strauss -- Dr. Strauss has a response. But I've sat on many SAC teams where we voted for staff allocations, including equipment. So staff allocations were based upon the net dollar given to the school before that decision was made not to use 100 percent of the award for staff bonuses.

So Dr. Strauss seems to have an answer?

MR. STRAUSS: Just simple Mister.

But, yeah, so you're correct, Mr. Naylor. What you were describing -- what you described

happens and then as far as the unspent, it does sit in the school's budget. So using her example of the 50,000 and the 40, if 38,000, you know, were paid out, the 2,000 would sit in the school's budget under the A+ funds.

In regards to what you're asking, so if I got 50,000 -- I'm going to make it a little simpler, 100,000, and the school SAC team, SAC council voted for 10 percent to be used for school, you know, materials uses, so what typically would happen is that 90,000 would be payroll, that would get the fringe taken out, the 10,000 would be separated. Your question is, do they do that? I can only speak from my prior experiences many, many moons ago, we used -- as principal I would contact the office and say, hey, here's the decision, so separate -- exactly what you're describing is what I would say to the budget office and the budget office would make sure that the 10,000 would be separated and then only the fringe would get taken out of the 90,000. So that does occur.

MR. NAYLOR: Okay. But that occurs after the SAC team has already voted on the dollar amount to be awarded.

MR. STRAUSS: Correct. Because the budget office doesn't know what each individual school's decisions are. Some say 5 percent, some say 10 percent, some say 0 percent.

MR. NAYLOR: Right.

MR. STRAUSS: So it just depends.

MR. NAYLOR: Thank you.

MS. FERTIG: Yeah, go ahead, Phyllis.

MS. SHAW: Madam Chair and Ms. Lewis, I have a question. I know it's -- and I've been with Lew, we have been on SAC at a number of schools together, it's supposed to be fringe, not your Social Security, not your payroll taxes. So I'm hoping that the money that's been set aside is going actually for fringe, which would be your retirement, similar, those similar type of benefits, not your payroll taxes, your Social Security, et cetera. I want to make sure that is the case.

MS. LEWIS: You know, I will follow up with staff to ensure -- to qualify again what it is. So I can do that.

MS. FERTIG: Can I ask another question?

MS. LEWIS: Sure.

MS. FERTIG: What's the breakdown of these 4

million and 500,000 between traditional and charter schools?

MS. LEWIS: When you say -- the actual number breakdown?

MS. FERTIG: The money that has not been spent.

MS. LEWIS: This number is just for traditional schools, just for the District.

MS. FERTIG: So this is just traditional. Thank you.

MR. NAYLOR: Madam Chair?

MS. FERTIG: Okay.

MR. NAYLOR: Madam Chair?

MS. FERTIG: Yes, go ahead.

MR. NAYLOR: Just one. I see that your analysis covered a three-year period, the first two years relatively 66 percent of the schools selected were traditional but on your slide here it seems that it leaned really heavy to charter. Did you find any issues at charter that would lead you to select more charter schools? Or how were the schools selected, I guess, is a better question.

MS. LEWIS: So we looked at the total population and in this case it's just random

sampling once we determined the traditional schools and the charter schools. So we -- after we confirmed with the state that this is what it is we just went ahead and selected the sample. So it just so happened that -- I'm actually forgetting off the top of my head how many were actually charter schools.

MR. NAYLOR: Well, in the last year there was 11 traditional, 14 charter. And there's only -- I don't know how many charter schools there are in the District, but it seems like a large, a rather large percentage for representation for an audit. I'm just asking the question.

MS. LEWIS: Yeah, it's just an observation --

MR. NAYLOR: Yeah.

MS. LEWIS: -- on your part.

MR. RHODES: Madam Chair?

MS. FERTIG: Yes.

MR. RHODES: Just to that, to your question, it's my understanding that the current number of charter schools within the District is somewhere around 87.

MR. NAYLOR: All right. Okay. Thank you.

MR. MAYERSOHN: Madam Chair?

MS. FERTIG: Yes.

MR. MAYERSOHN: From Tallahassee --

MS. FERTIG: From Tallahassee, a thought, yes.

MR. MAYERSOHN: So, first of all, on page 4 on the executive summary, I guess in response to Ms. Shaw's question, it does say here that the budget office imports the FDOE award files, blah, blah, blah deducts fringe-benefit reserve amounts and then notifies the schools, so it does say fringe benefits. Whether or not that actually happens, that, I would be interested in to see that it does that.

The other thing, if you go down a little bit further to that third bullet where it says "The SAC must" conduct a secret-ballot vote where the majority, 51 percent, is required for approval. I don't think that is accurate. I don't think that it's 51 percent. I think it's 50 plus one, so it would be a majority. So if that could be checked to make sure there is a correction. And I think the wording of secret ballot sounds a little nefarious as opposed to a closed ballot.

MR. NAYLOR: That's why you're in Tallahassee, Bob.

MR. MAYERSOHN: I know.

MS. FERTIG: Okay. So are you suggesting those -- those -- that they make those changes prior to submitting to the board?

MR. MAYERSOHN: The 50 percent plus one needs to be changed. I would suggest that it's a closed ballot as opposed to a secret-ballot because I don't think the wording in the statute is secret ballot, but it sounds a little, you know, like, here, secret ballot, these are the changes.

MS. FERTIG: Okay. Are we -- Mr. Rhodes.

MR. RHODES: Yeah, my question is, is this more of a recommendation from an operational standpoint versus what it would take for this report to be transmitted? Because it sounds like it's making a material change in the way that operations do their business at the schools as opposed to what it is that they reviewed and what they reported on their report. I just want some clarification on that.

MS. SHAW: I believe the 50 plus one should be changed. That's what's needed. That's what's needed.

MR. RHODES: Okay. And the auditors, do you guys have that -- is this something that you

can -- you can make as an amendment to get this transmitted with that amendment pointing to that point or is the committee suggesting that this needs to come back to the next meeting?

MS. SHAW: I don't think it needs to come back.

MS. FERTIG: I don't know. I think it's just part of our motion that we're going to recommend -- whoever's going to make the motion we're going to recommend they change those two things.

MR. RHODES: Oh, okay.

MS. SHAW: Actually, one more. On page -- page 3. So the independent report is separate from the executive summary and so if those reports are separated my concern is on page 3, right, on the methodology that it be spelled out since this is the first time it is in this actual report. I know it is in the executive summary, but someone who's not aware of what it is, I believe it should be spelled out here. Since you're making those changes, you should probably make that change as well.

And I'll make a motion to transmit with the recommended changes, Madam Chair.

MR. NAYLOR: Second.

MR. DE MEO: I have some questions first.

MS. SHAW: I'll withdraw my motion.

MR. DE MEO: Some general questions about the audit. I'll start with the auditors, Mr. Davis and Ms. Lewis.

Was the scope of the audit agreed upon with the school board?

MR. DAVIS: Yeah.

MR. DE MEO: And who -- who -- who primarily did you discuss the scope with.

MS. LEWIS: This was with the chief auditor.

MR. DE MEO: The chief auditor; okay.

Was the -- were there systems in place? Were you satisfied with the internal controls over the compliance with the FSRP program?

MS. LEWIS: Yes, for traditional schools we had no findings. We had a few for charter schools.

MR. DE MEO: Okay. And were the management responses that you received adequate and actionable?

MS. LEWIS: Actionable? Yes. Some presented a little different than we had anticipated, i.e., you know, they had cause, action and a follow-up plan.

The school that I had or that we had a little bit of an issue with is Somerset Academy where they had the issue description, supported documentation, you know, they did not outline as to exactly what they were going to do or, you know, reference that it was going to be managed going forward, that these items are, you know, they are going to do business this way when in fact for us it doesn't matter how you necessarily achieve it as long as it's done and you're in compliance. Because every organization has their own structure and manner in which, you know, they get business done. We needed to just make sure that if the charter school did not have a SAC their governing body made sure that the rules were -- they're in compliance with the rules and whatever is required by the FSRP program is being achieved.

There was some issue -- not issue, some conversation that we had to get sorted in terms of charter schools not -- the District is responsible for them because they sponsor them but they're technically not allowed to get involved in the operation of the charter schools. So we just have to make sure that they meet the

criteria and the SAC and, you know, have more monitoring of their results to ensure that, you know, it doesn't come back to the school, the District I should say, in terms of not having oversight over certain things.

MR. DE MEO: Mr. Strauss, is there -- are you satisfied with the monitoring of the remediation of some of these issues, especially the documentation?

MR. STRAUSS: I can only speak for the BCPS schools. I know they have checks and balances, the school does, then it goes to our school improvement department, they check on it, our directors have even added more layers this year to do the payout quicker. So I can only speak for the District-run schools. I definitely think we have a tight process.

MR. DE MEO: So how do we monitor the charter schools then?

Well, let me ask you this. The auditors, did you discuss your findings with the individuals that, let's say, created the findings, the individuals actually performing those procedures?

MS. LEWIS: We shared the findings. We worked through Dr. Hudge's team to deal with the

charter schools. So we did not speak directly to them. The findings were shared. Any discussion -- actually, there wasn't anything, per se, that they pushed back on. We just asked for the management response. If there was an issue we -- Dr. Hudge would come back and say there's a problem. Other than that we did not speak directly to them.

MR. DE MEO: So, Mr. Rhodes, do you get involved with monitoring the, you know, the remediation, improving on the documentation and so on?

MR. RHODES: So, this is the first time that we have done an audit in this field, this area, and so I would say that because of the responses not being -- well, first of all traditional schools didn't require any responses. But the responses not being adequate to the degree that we're talking about them today, I would manage -- I would recommend that we would follow up on that in a reasonable amount of time, 60 to 90 days, to find out what it is that they've done to bring these things into compliance or to change their business practices to ensure that they're complying with the statutes that guide their work

the same as we have the guidelines.

MR. DE MEO: That brings me to my last question. So there's risks with documentation. How are we going to avoid that in the future -- I mean, you made some recommendations, but without -- can you affect monitoring as chief auditor?

MR. RHODES: We can -- we can follow up, but with regard to their requirement to comply with Florida statutes that guide how you use these funds when they're distributed --

MR. DE MEO: Mm-hmm.

MR. RHODES: -- the -- the board that is selected, the board of directors for each of these individual schools, and in some cases there's a batch of them because they're done by managed groups, they have a responsibility on their own to comply with these statutes in accordance with the sponsor agreement that we have with them. That puts and shifts that requirement onto them.

If we see this and we monitor it and we see that they're still not doing this, we would then take some steps that would be to write them a letter to identify that they're not in compliance

with the items that we identified in this audit and they haven't taken the steps necessary to do that, please provide us with some type of a plan to get into compliance. And we wouldn't really be able to, as an audit department, specifically, we wouldn't be able to enforce any of that, but we could report that to the group that monitors charter school activities and monitors the sponsor agreement between the board and their respective charter schools in question to make sure that they are in compliance with their sponsor agreement. And if they are not, that would be the place where any of this accountability would happen.

MR. DE MEO: It's kind of confusing for me because these are agreed-upon procedures and they're not party to the agreement. They may not feel compelled to provide documentation or follow certain procedures. It's kind of confusing to me. I don't know if anybody can clarify that. I don't understand the structure, I guess.

MR. RHODES: To -- to that point, we've had a few different matters that are not similar in nature but also tie back to their sponsorship agreement and the failure to either comply with

that or the statutory requirements that are set forth in that agreement for that board to comply with, and we've had to let that contract, the four corners of that contract, be what's determinative. For example, at the time that they would come back to get an extension on their charter, those types of things would be documented and would be a part of that discussion at that time.

But, again, from -- if I understand your question correctly, the Office of the Chief Auditor has no authority to both monitor and enforce any of the requirements. We simply have the ability, similar to traditional schools where we would bring it up and then management has the requirement to enforce whatever that would be. In this situation, if they didn't have a SAC, and my understanding is that a lot of those don't have a SAC, and, therefore, their board of directors becomes the SAC, they would be the ones who would be responsible for enforcing those requirements of the statute and how those funds are distributed and spent.

MR. DE MEO: Thank you.

MS. LEWIS: I should add, when we initially

started out with this engagement we initially thought it would only be traditional schools. It was not until we got the information from the state that -- and the definition after several conversations with the district and the FDOE that because the charter school is sponsored by the District it becomes a public school and eligible. So that's where, you know, the clarification or, you know, issues -- but shortly after that when we did the selection we did -- well, not S. Davis & Associates, directly, it was communicated with staff that we ended up talking through and they reached out to the charter schools to let them know that the audit would include them based on the definition of public school.

MR. DE MEO: Yeah, I think it's important, especially for the auditors while you're performing the audit, it appears to me that the school district is responsible for the -- these funds from start to end, from receipt to disbursement. And it's not clear to me what kind of control we exert over these public -- these charter schools with regard to those funds and any other fund.

That's my concern. I don't know that we can

resolve it right now.

MR. RHODES: We don't have to resolve it right now, but I would like to give you just a bit of background on where we have kind of followed that through to its logical conclusion. We were asked back when the OIG was going to be -- become -- provide oversight to the school district, that there was a series of areas and/or functions that the OIG would not have purview over. Some of those had to do with after-school care, 501(c)(3)s that do business with schools to raise funds, and what became -- what became to be the hinge of that discussion was that the District has no authority or ability to go in and to try to do anything that would challenge the control of the 501(c)(3). So the 501(c)(3) has its own relationship with the state where those responsibilities are concerned. We just have the ability to watch whether or not they're properly doing their business and that they're solvent and that that is in compliance with the sponsor agreement, which is why I brought that up earlier. Because the sponsor agreement is the part that really shows us where we do have the ability to interact with them. But from the

standpoint of governing controls of their organization, we don't have that ability to interact with them there or to assume any form of that control.

So we can then use the sections of the sponsorship agreement if we have a situation where we find that they're not complying or that they're habitually out of compliance to use to try to either get them into compliance or to let them know that this could have some impact on their future sponsorship agreement.

MR. DE MEO: Unfortunately, that brings up another question.

Mr. Davis, were you able to get management representation letters from charter schools or did you -- did you use rep letters?

MS. LEWIS: We did a rep letter at the district level with the Office of the Chief Auditor.

MR. DE MEO: It might be worthwhile considering in the future maybe getting rep letters from the charter schools, each one individually, and then one collectively from the school district.

MS. FERTIG: Okay. Anybody have anything

else? Yes, Rachel, go ahead.

MS. ROSAS: Yeah, I'm kind of new here, so I've never been to a SAC meeting, but my question was on page 33, Everglades High School had 211,099 carryover in the first year and then they had a carryover of 205,403 the next year, and then the following year they had the same carryover, 205,403, and I'm just trying to understand why the same number would be carried over for two years. I don't think it's because of ICE, which is what you were mentioning, but I wanted to kind of follow up to make sure that the money actually gets used for school recognition. Like does the SAC monitor the funds to make sure they eventually spend the money? I just don't know why anyone would not spend their 200,000 from one year to the next.

MS. FERTIG: Yeah, go ahead.

MR. STRAUSS: So that's not a carryover, that's the amount that the school received, the 211, then that's most likely what got disbursed out; if I'm looking at the report correctly.

MS. ROSAS: Well, no, there was a balance column and then they are saying what amount was still left over. Because every year there's

about a-million-two or a-million-six left over that carries forward to the next year. And the state allows you to do that. They allow you to carry it forward, but it needs to be spent on school recognition.

MR. STRAUSS: Right. But I think the far right column, I think that's what you might be looking at as leftovers, adjusted balance after, that's -- I think this is a District finance report that shows a plethora of things. The only thing that's significant here is the column that speaks to school recognition. And it doesn't show what was unspent out of that school recognition.

MS. ROSAS: But the carryover total, that's where I got the idea.

MR. STRAUSS: What page are you looking at?

MS. ROSAS: So the second column from the right, if you look on page 42 --

MR. STRAUSS: 42?

MS. ROSAS: -- it says carryover total, and the place that it got that from was the 205,403 plus the 25,145. I was just asking, do they follow up to see whether the amounts that get carried over actually get spent on school

recognition or can they just carry over on this report forever?

MS. LEWIS: We spoke about that a little bit earlier.

MS. ROSAS: Mm-hmm.

MS. LEWIS: The monies, it could be several reasons why you didn't expend, because through the process they anticipate how much they would be getting and by February 1st of every year the -- the SAC has to commit to what monies are going to be expended on from the groups. And if you cannot reach -- you cannot have a concurrence or everybody agrees what will happen is that it gets distributed to the teachers and faculty. But that aside, if there are carryovers, it just carries over in perpetuity, but the schools are allowed to include it in the SAC reserve budget for disbursements for, you know, the appropriate reasons. But that's the key piece that we ended up -- you know, when we discussed it with the state, what happens to carryover monies; can the school spend it; does it need to go back to the state? It does not need to go back to the state; the schools can use it; but it has to be in accordance with the -- with the plan -- the

program.

MS. ROSAS: Yeah. All right.

MR. RHODES: And through the Chair? For clarification, that section that we're talking about, you've got to go down to page 43 before you see what the footnote means with regard to the column that's talking about, regardless, as well as the footnote number 2, which is the end-of-the-year balance adjustment.

MS. ROSAS: Yeah. Yeah, I saw that.

MR. RHODES: So that might help bring some clarification to some of the other members, as well.

MS. LEWIS: And to add to that the fact that everything is being rolled up over several programs, we don't know exactly what the total balance is for -- for FSRP or -- what is it called, the school recognition program. So that's why we isolated the three years that we -- that we reviewed or we tested.

So that's, you know, a little bit, just a tidbit. Because we cannot necessarily isolate from this table. But we included it so that readers could see what, you know, how it's carried over and the state calculates it.

MS. FERTIG: How long do they carry over? I mean, just indefinitely? Can they continue year to year to just not spend?

MS. LEWIS: There's no legislation or any rule that dictates, you know, how long you carry it over. But I think now that we've looked at the program, the monies can be used but it just has to be for, you know, faculty, equipment or, you know, folks to help each school improve.

MS. BARON: For those schools where you weren't able to identify or verify whether the funds were received or spent on allowable expenses, about how much were we talking about there, either gross or for the individual schools? Can you quantify those amounts?

MS. LEWIS: I would say that wasn't a part of the scope for this engagement, so that would be something else that if the District and the chief auditor thinks, you know, they can get on the plan it can be looked at.

MS. SHAW: Madam Chair, Chief Auditor, I think this is one of those -- because it's a lot of money and I think it's one of the areas that we really probably should take a deeper dive, create some kind of process procedure. Because

when you have $4.5 million sitting around that could affect the lives of our -- of our teachers and our student and it's being carried over, number one. Number two, the mere fact that there's not an accounting -- real accounting of how, what, where, when, for me is an issue.

So I think we probably need to kind of take a step back and look at how best we can -- the District can manage this. I understand as it relates to the charter schools, that might be a little bit more difficult, because they're not -- while they're under the umbrella they're not directly under the umbrella compared to any of our traditional schools, but I think this is where some policies and procedures need to take place to determine whether or not that carryover should be a number of years. Because I tell you, if you go and look at all the schools, especially the schools that my children have attended, the Northeast High Schools and all those schools, and I remember as a SAC chair being involved and I was very adamant about the money being spent and not sitting there waiting for -- something to happen. But this is where some real policies need to be put into place that the money is spent

and that other auditing is being done. I congratulate you for this being the first of this type of audit and I hope to see many others, but we really -- this is one of the processes that I think we need to tighten up.

MR. RHODES: And if I could respond to that briefly? I'd like to share that congratulations with Mr. Naylor, because there was a day, a meeting that we had when Ms. Marte was here, she was talking about acknowledgment as well as recognition funds and I think we were talking about how acknowledgment funds had ceased back in '22. But it led to an understanding that it was clear that no one on the committee had seen a report that would provide any level of either knowledge, accountability or monitoring need going forward.

So I will accept the kudo for looking at something that hadn't been looked at for a long time, but I would be lying if I didn't say I expected some of the responses that we got from this after having such a long time since it was looked at, that we would have some of the questions that are being brought up today. I didn't know at the time that we were putting this

together that there was going to be some type of a charter school hook that we couldn't avoid. And I wouldn't want to avoid it. It's just a matter that at the time we were looking more at the traditional schools because it seems like an easier way to not just look at the program, but look at the larger part of the program with also having access to the leaders who can provide us these answers.

When you get out into the wild, I'll call it, the world of charter schools, and I don't mean that to belittle charter schools in any way, I just mean that each individual board of directors can have a completely different set of rules that they put together that we have to study each of them individually the same way that we would the full gamut of traditional schools.

So I do believe that it does open up the need and identify the need for us to look at it more frequently and also to look at if there is any possible way we could work with, from some of these findings in the charter school area, with our charter school group to say, is there language that we might be able to capture in the sponsor agreement that would give more direct

accountability for how they would have to do it so it wouldn't be so vastly different among organizations.

Thank you.

MS. FERTIG: Bob, I think you had your hand up. Bob Mayersohn?

MR. MAYERSOHN: Yeah, can you hear me?

MS. FERTIG: Yeah. Barely.

MR. MAYERSOHN: I mean, I don't want to say Mr. Rhodes stole my thunder, but I remember, I don't know, four or five years ago we had a gentleman who came from a school and a lot of us didn't know what the SAC funds were being used for and provided a report. I think this is more of a district, and obviously, you know, with charter schools our hands are tied to some extent, but just a little more district operational to provide some sort of budget or accounting report to SAC members to determine where that money is going and how it's being spent.

MS. FERTIG: Thank you. Lew.

MR. NAYLOR: Yeah, the -- this is to the auditors. The question I have is the Florida Recognition School or -- I think it's the Florida

Recognition School Program or whatever it is, it -- is that the only program that would be included in this audit?

Because I'm looking at a school that I sit on the SAC team and I don't see them recognized on any of the state websites. And as a SAC member I don't remember actually voting for school recognition funds. And that -- I'm just curious if there was another level of awards that were included in this slide.

MS. LEWIS: So to rephrase, so that I'm understanding your question, there is a particular school that --

MR. NAYLOR: Is included in the audit that from my recollection didn't receive school recognition dollars.

MS. LEWIS: That's -- that's possible.

MR. NAYLOR: Oh, it's possible?

MS. LEWIS: It's possible. And that was another conversation or long discussion that we had in terms of who is eligible and who meets criteria.

So all schools, technically, are eligible because they -- they have grades. But in terms of eligible for an award, they have to have an

improved -- let's say they go from an F to a C school --

MR. NAYLOR: Right.

MS. LEWIS: That's two grades, so they're eligible to get physical funds as award for that improvement. Even if they took the F to a D. So it's based on what's available in the state for funding of the program and their actual performance and the factor of sustainability.

So it's possible that not all schools get money. They just have to meet the criteria for the program in order to get, you know, dollars or funds, money.

MR. RHODES: Madam Chair, if I could respond just -- it might create a bridge here.

When you were talking about eligibility and meeting criteria before it's determined who it is that receives these funds, is it possible that the school he's talking about may have shown up on the master list but not in the --

MS. LEWIS: It's possible. Correct.

MR. RHODES: That's all I wanted to try to determine.

MS. FERTIG: Yes, go ahead.

MR. STRAUSS: I know the school that you're

speaking of. I assume it's the high school you're speaking of?

MR. NAYLOR: No.

MR. STRAUSS: Oh, no?

MR. NAYLOR: No, Lloyd Estates.

MR. STRAUSS: Okay. It's potentially possible that they would have received rewards even 10 years ago, but as you've heard they continue to carry over. So in these years if they didn't receive funds I'm just thinking, you know.

MR. NAYLOR: Okay. But what type of audit would you get from them?

MR. STRAUSS: Yeah.

MR. NAYLOR: I mean, that was the school. I mean, I don't remember us voting and I know Ms. Allen would not have been shy about tooting her horn.

MS. FERTIG: Okay. We're getting -- we've got five more audits to go through plus some other issues. So I'm going to suggest -- this was a great -- I mean, this was really -- you can tell how interested we were with what you did and thank you. And I think it leaves us with a lot of possible follow-ups and questions and things

can happen, particularly with the carryover dollars. But is there a motion to transmit? I'm just reminded you want those scrivener's errors corrected.

MS. SHAW: Yes, motion to transmit with the recommendation from earlier, those recommended changes.

MR. NAYLOR: Second.

MS. FERTIG: Okay. All in favor.

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you so much. We'll transmit it.

We are up to number 8, HCT - Performance Audit Report - Deaf and Hard of Hearing Project.

MR. RHODES: Madam Chair, may I have two minutes?

MS. FERTIG: Two minutes?

MR. RHODES: Yes. Thank you.

MS. FERTIG: We're on a two-minute break in case anybody wants to --

(Whereupon, a brief recess was taken.)

MS. FERTIG: Okay. I think we're ready to start up. Our next agenda item is number 8, HCT

**EXECUTIVE SUMMARY**

Audit of Behavioral Threat Management (BTM) Training Program for the School Year 2025-26

**Board Meeting Date:** March 10, 2026

**Requested Action:** Receive Internal Audit Report on the Behavioral Threat Management (BTM) Training Program for the School Year 2025-26.

**School Board Policy Requirement/Authority:** Policies 1700 Office of the Chief Auditor and 4380 Behavioral Threat Management

**Statutory Requirement/Authority:** Florida Statute1001.42(12)(l)

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The District would formally receive the audit report on the District's BTM Training Program effectiveness and compliance with applicable laws, rules, and policies.
**- If the School Board votes "No":** The District would not formally receive the audit report as required by Florida Statute, which could result in noncompliance with statutory oversight requirements.

**Background/History**
In accordance with School Board Policy 1700 and the Audit Plan for the 2025-26 fiscal year, the Office of the Chief Auditor conducted a compliance audit of the District's Behavioral Threat Management (BTM) Training Program for the 2025–2026 school year, covering the period July 2025 through October 2025.

The audit assessed compliance with SBBC Policy 4380, Behavioral Threat Management, the Florida Harm Prevention and Threat Management Manual, and Florida Administrative Code Rule 6A-1.0019, Threat Management, with emphasis on the establishment of threat management teams and the completion of required training and orientations, as outlined in nine attributes identified by the OCA. The scope included 229 locations—223 schools and six adult and pre-kindergarten centers—and excluded charter schools and the student threat assessment process.

The audit noted significant improvement over the prior year. The implementation of a centralized SharePoint site to collect BTM training and orientation documentation substantially improved compliance and accountability. All but three schools uploaded required student orientation documentation, compared to 94 schools that did not comply in the prior audit. Training compliance also improved. Nearly all school-based BTM team members completed the required training, with only two exceptions—an improvement from the 39 non-compliant team members identified in the prior year. All team members subject to the Florida Model Refresher Training requirement completed the training within the required timeframe.

Overall, the District and schools met the requirements for seven of the nine attributes. The audit identified two low-risk findings affecting 27 of the 229 locations reviewed:

**Finding 1** (Low Risk) relates to the **completeness and timeliness of BTM training** (Attribute 6). While Florida Model Training Day 1 was completed by all 1,109 employees reviewed, two exceptions were noted for role-specific and refresher training, as well as delayed completion of Day 1 and role-specific training for 22 team members. In all instances, training was ultimately completed, and no ongoing gaps were identified.

**Finding 2** (Low Risk) concerns the **timeliness of school-based staff orientations** (Attribute 9). Three schools did not complete staff orientations by the required due date; however, all orientations were conducted during the first week of school and documentation was subsequently uploaded.

The OCA concluded that the District's BTM Training Program is generally effective and substantially compliant with applicable laws, rules, and policies. The identified findings are limited in scope, present low risk, and can be addressed through routine oversight. Continued emphasis on timely training completion, documentation, and communication of procedural expectations is expected to further strengthen compliance in future school years.

The Audit Committee reviewed and approved the transmission of this report to the School Board at the January 29, 2026 Audit Committee meeting.

**Alignment to 2027 Goals and Guardrails:**
This item aligns with school-focused outcomes through Guardrail 4 - Accountability, which includes expectations, evaluation, transparency, and continuous improvement.

**Measurable Outcome(s)/Return on Investment:**
Continued compliance with regulatory requirements and School Board policies and procedures.

**Financial Impact, Funding Source & Budget Status:**

- There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |

# TRANSMITTAL LETTER

January 22, 2026

Members of the School Board of Broward County, Florida
Members of the School Board Audit Committee
Dr. Howard Hepburn, Superintendent of Schools

In accordance with the School Board of Broward County, Florida ("SBBC" or "District") Audit Plan for the 2025-2026 School/Fiscal Year, the Office of the Chief Auditor ("OCA") conducted a compliance audit of the District's Behavioral Threat Management ("BTM") Training Program for the School Year 2025-26, period July 2025 through October 2025.

Our report is organized into the following sections:

| | |
|---|---|
| **Executive Summary** | Brief description of the audit subject area, audit scope and methodology, scope limitations, and results |
| **Objectives** | Goals for the audit |
| **Background** | Summary of the audit subject area and the impact on the District and District personnel responsibilities |
| **Scope and Methodology** | Audit scope and approach, significant procedures, OCA's and District Management's responsibilities |
| **Findings** | Errors noted during the audit and improvement recommendations related to the audit subject area |
| **Appendices** | Supplemental documents |

We would like to thank all those who assisted the OCA in this compliance audit.

Respectfully Submitted,

Dave G. Rhodes
Chief Auditor,
Office of the Chief Auditor

## EXECUTIVE SUMMARY

In accordance with the School Board of Broward County, Florida ("SBBC" or "District") Audit Plan for the 2025-2026 School/Fiscal Year, the Office of the Chief Auditor ("OCA") conducted a compliance audit of the District's Behavioral Threat Management ("BTM") Training Program for the School Year 2025-2026.

The audit focused on the requirements related to establishing the BTM teams and training team members, students, faculty, and staff as per SBBC Policy 4380, *Behavioral Threat Management (BTM)* (amended 10/15/2024) ("BTM Policy"), *Florida Harm Prevention and Threat Management Manual* (August 2025) ("Florida Model Manual"), and Florida Administrative Code Rule 6A-1.0019 *Threat Management* (amended 8/19/2025) ("Rule 6A-1.0019"). The scope did not include reviewing the student BTM assessment process and Student Support Management Plans ("SSMP"). Charter schools were also not included in the scope.

After reviewing the BTM Policy, Florida Model Manual, and the District BTM department's procedures, nine attributes were identified. The attributes are focused on the requirements and timelines related to 1) appointments of at least four BTM team members with expertise in counseling, instruction, school administration, and law enforcement as well as designation of a Chair and Vice Chair of the team; 2) Florida Model training of team members such as basic Day 1 training and, when applicable, role-specific and annual refresher training; and 3) annual orientations of students, school board employees and school-based staff. This report's Attributes Reviewed section outlines a detailed listing, and references of the attributes tested for 229 locations, including 223 schools and six adult and pre-kindergarten centers.

The OCA identified two findings for 27 of the 229 locations reviewed. Of the nine attributes, the District and the schools met the requirements of seven, and errors were found for two, as summarized below. Detailed descriptions of the results and recommendations for improvement are included in the Findings section of this report.

The OCA noted that the BTM department implemented procedural enhancements following the prior year's audit of the 2024–2025 BTM Training Program. A key improvement was the introduction of a SharePoint site to centralize training certificates and orientation documentation for all schools. This change significantly increased compliance with District procedures compared to the previous audit. All but three schools uploaded orientation documentation to the SharePoint site, a marked improvement from the 94 schools that failed to comply in the prior year.

Significant progress was observed in meeting training requirements and adhering to mandated deadlines. Nearly all school-based BTM team members completed the required training, with only two exceptions—an improvement from the 39 non-compliant team members identified in the prior year. Furthermore, all team members successfully completed the Florida Model Refresher training within the required timeframe.

# EXECUTIVE SUMMARY – Continued

## Summary of Results

| District / School BTM Roles (Attributes 1 - 4) – *No Exceptions* | BTM Training (Attributes 5, 7, and 8) – *No Exceptions* |
|---|---|
| • The District Threat Management Coordinator was appointed timely.<br>• The District and school-based threat management teams were established timely and comprised of the required team members, Chair and Vice-Chair.<br>• Team member roles were assigned in accordance with the Policy and the Florida Model Manual requirements. | • The District threat management team members completed state-required training timely.<br>• The District and schools* oriented students and school board employees on recognizing concerning behaviors or threats and to whom such behaviors or threats should be reported.<br>* *Three schools complied with the requirement but did not follow the BTM department's procedure to upload student orientations documentation to the SharePoint site* |

| Low | Finding 1 – Completeness and Timeliness of the BTM Training (Attribute 6) |
|---|---|

**Completeness** – There were no exceptions for the Florida Model Training Day 1. However, completion of the additional required training could not be verified for 2 of the 1,109 reviewed employees.

- Role-specific Training could not be verified for 1 employee appointed as a Vice Chair. As of October 6, 2025, this employee resigned and was replaced with a fully trained team member.
- Florida Model Refresher Training could not be verified for 1 employee who completed Florida Model training prior to July 1, 2025. Due to missing the Refresher deadline of October 10, 2025, this employee repeated the Day 1 training on December 2, 2025.

**Timeliness** – 22 of the 1,109 reviewed employees completed Day 1 or Role Specific training after the required due date.

- Florida Model Training Day 1 – 3 employees, appointed as an Instructional member, did not complete the Florida Model Training Day 1 before the first day of school, August 11, 2025. All three employees completed Day 1 training within the first 30 days of school.
- Role Specific Training – 19 employees, appointed as a Chair (5) and a Vice Chair (14), did not complete Role Specific Training before the first day of school, August 11, 2025. These employees completed Florida Model Day 1 and Refresher training within the required timeframe.
- Florida Model Refresher Training – All Refresher training was completed within the required timeframe.

| Low | Finding 2 – Timeliness of the School-Based Staff Orientations (Attribute 9) |
|---|---|

Three schools did not complete orientations of the school-based staff by the required due date of August 11, 2025. The orientations were provided by these locations during the first week of school.

# EXECUTIVE SUMMARY – Continued

## Summary of Results – Continued

The OCA rates the risk of the findings based on the likelihood and impact of negative events occurring in the audited area. Below is a description of risk ratings used in determining the overall rating for each finding.

### Figure 1. Risk Ratings

| Rating | Description |
|---|---|
| Low | Items could escalate into compliance issues but can be corrected during normal business operations; risk of reoccurrence is low. |
| Medium | Items should be addressed as soon as possible, as they pose a risk of non-compliance, or the risk of reoccurrence is likely. |
| High | Items are of immediate concern and could cause significant compliance violations if not addressed soon; risk of reoccurrence is high. |

## OBJECTIVES

The purpose of this audit was to determine compliance with the requirements of the District's BTM Policy, Florida Model Manual and Rule 6A-1.0019 particularly related to the establishment of threat management teams and required BTM training. Fieldwork was performed from September 2025 through November 2025. Exit meetings were held with the district personnel in December 2025 to discuss the report results.

The specific objectives of this audit were to:

- Obtain an understanding of the requirements for BTM team assignments and training for the period under review, emphasizing law and policy changes since the prior audit.
- Obtain an understanding of the District's systems and applications used to manage and document BTM team assignments and training completion.
- Identify changes to procedures implemented in response to the recommendations in prior audit of BTM Training Program for the school year 2024-2025.
- Review state law, written policy, established practices, and documentation thereof, and prepare a listing of detailed attributes for review.
- Assess compliance with the requirements for the BTM training program through the prepared attributes for all schools and the District.
- Determine whether improvements to the established practices and procedures are warranted and provide recommendations to District administration.

## BACKGROUND

The BTM process is governed in accordance with the District's Policy 4380. The BTM Policy, effective at the start of the 2025-2026 school year, was approved by the School Board on October 15, 2024. This policy version reflects the Board's decision to shorten the training timeframe for newly appointed BTM team members from 60 days, as required under Rule 6A-1.0019, to 30 school days from the date of appointment to the team. Current BTM policy does not reflect changes in Rule 6A-1.0019 amended on August 19, 2025. The changes included the requirement to designate a Secondary District Threat Management Coordinator.

The following requirements are due before or at the beginning of the school year:

- **Team Assignments:** The District Threat Management Coordinator ("DTMC") and District Threat Management Team ("DTMT") are designated by the Superintendent, and the School-Based Threat Management Teams ("SBTMT" or "BTM team") are assigned by the Principals before the first day of school. Schools are required to promptly report any changes to BTM team assignments to the BTM department staff.

- **Team Training:** Each of the assigned team members who have not previously completed the Florida Model training must complete it before the start of the school year. If appointed as a BTM team member after the start of the school year, the employee must complete training within 30 school days of appointment. The following training courses were mandated for the school year 2024-25:

| Florida Model Training Day 1 | Role Specific Training |
|---|---|
| 8-hour course required for every member of the team | 4-hour course required for Chair, Vice-Chair and the Principal |
| Florida Model Day 1 and Role Specific in-person trainings are provided by the BTM department's state-certified instructors. The training registrations are completed in the District's application Learning Across Broward ("LAB"). Each participant must complete a survey to report completion of the course to the Office of Safe Schools ("OSS") at the Florida Department of Education. The OSS issues certificate upon receipt of the survey. | |
| **Florida Model Refresher Training** | |
| Mandatory for anyone trained on the Florida Model before July 1, 2025. The course is provided online by the OSS and must be completed within the first 60 days of school by October 10, 2025. | |

- **DTMC Training:** The Primary and Secondary DTMC must complete additional training specific to the Coordinator role.

## BACKGROUND – Continued

- **Team Training Verification:** Each school Principal is required to submit a verification form to the BTM Department prior to the first day of school. The form identifies the BTM team assignments and attests that all team members completed the applicable training requirements prior to the start of the 2025-2026 school year. The BTM Department maintains a database of Principal Verification Forms. Schools must upload copies of all BTM team members certificates to a SharePoint site.

- **School Board Employees Orientation:** The District provides a Warning Signs course as part of the mandatory compliance training for all District employees. The course was required to be completed by September 21, 2025. The course completion information is maintained in the LAB application.

- **Student and School-based Staff Orientations:** Schools are required to orient students and school-based staff on recognizing concerning behaviors or threats and to whom these should be reported.

  Student Orientations: The schools are required to orient students on threat reporting within the first ten days of school. The schools must utilize the content provided by the BTM department. Each school must upload evidence of completion (lesson plans, student assembly agenda, etc.) to the BTM SharePoint site.

  School-based Staff Orientations: The schools are required to present the *Florida Model: Awareness for All School Staff Training* to the school-based staff prior to the first day school is in session. The schools must upload sign-in sheets for all participating staff with a handwritten signature for all attendees to the BTM SharePoint site by August 12, 2025.

### Responsibilities

The district's BTM department is responsible for policy updates, training, and support for school-based personnel. The director of the BTM department is designated as the DTMC. The DTMC oversees threat management at all schools and serves as Chair of the district threat management team. The DTMC must ensure that all district-level and school-level threat management team members are trained in threat management and on the Florida Model. The DTMC also facilitates access to the Florida School Safety and Threat Management Portal for all BTM team members.

The school Principals are responsible for appointing school-based threat management team, verify that all appointed team members at their location are fully trained, and ensure that any changes to the team are reported to the BTM department office.

## SCOPE AND METHODOLOGY

The review focused on appointments of the DTMC, BTM teams and required BTM training of the DTMC, team members, students, and staff for the school year 2025-26. The audit scope did not include a review of charter schools. The OCA reviewed 229 locations that include 223 schools and 6 pre-kindergarten and adult centers. The pre-kindergarten and adult centers do not fall under the purview of State Rule 6A-1.0019 and SBBC Policy 4380 because they do not meet the definition of "school". The policy states, ""School" means a public K-12 school […]". However, the BTM department is tracking the team assignments and Florida Model training of the team members at these locations. Therefore, pre-kindergarten and adult centers were included in the review.

The procedures used to satisfy the objectives in this review included the following:

- Reviewed the District's BTM Policy, Florida Model Manual and Florida Administrative Code Rule 6A-1.0019 effective during the audit period.
- Reviewed corrective action plans issued by management in response to findings in the prior audit of BTM Training Program for the school year 2024-2025.
- Met with the BTM department management to obtain an understanding of the procedures, established practices, and sources of the documentation, including updates and changes since the prior audit.
- Prepared a listing of detailed attributes to examine existing practices against the requirements for the BTM roles, training and orientations.
- Obtained relevant electronic data from various databases and applications to determine compliance for the following:
    - District / School BTM Roles (Attributes 1 - 4) – if the teams were established and comprised of the required team members.
    - BTM Training (Attributes 5, 6, 8) – if the team members completed required training and the District oriented staff on recognizing concerning behaviors or threats and the reporting options.
- Examined documents uploaded by the schools to the BTM SharePoint site to determine whether each school provided orientations to students and school-based staff on recognizing concerning behaviors or threats and the reporting options (Attributes 7 and 9).
- Obtained additional documentation from the BTM department and from the schools that did not upload documentation to the BTM SharePoint site.

## SCOPE AND METHODOLOGY – Continued

- Prepared a written report on audit results. Reviewed the results with the BTM department and senior management and incorporated management's responses into the audit report.

The review was conducted in accordance with Generally Accepted Government Auditing Standards. The standards require that the audit is planned and performed to obtain sufficient, appropriate evidence to provide a reasonable basis for the findings and conclusions based on the audit objectives. The evidence obtained provides a reasonable basis for the findings and conclusions based on the audit objectives.

The OCA is responsible for performing the review under Generally Accepted Government Auditing Standards and providing recommendations to improve operations, strengthen internal controls, and comply with the requirements of laws, rules, and regulations in matters selected for review. The administration is responsible for implementing corrective actions and complying with applicable laws, regulations, and School Board policies and procedures.

**Audit supervised and reviewed by:**

Nakia Gouldbourne, Audit Director
Elena Pritykina, Audit Manager

**Audit performed by:**

Beverly Mungal, Auditor
Venesha Lewin, Auditor

## ATTRIBUTES REVIEWED

The following attributes were used to assess compliance with the Policy and Procedures as referenced:

| Attributes | | | Policy 4380[3] | Manual Page #[4] |
|---|---|---|---|---|
| District / School BTM Roles | 1 | Did the District's Superintendent designate Primary and Secondary District Threat Management Coordinators (DTMC) and report their names, phone numbers, and email addresses to the Department of Education's Office of Safe Schools by August 1? | III, Rule (4)(a)[5] | 7 |
| | 2 | Did the District's Superintendent appoint a District Threat Management Team (DTMT) before the start of the school year[1]? | IV(A),V(B) | 7 |
| | 3 | Did the school principal or equivalent administrative head of the school appoint members of a School Based Threat Management Team (SBTMT) comprised of at least four (4) members with expertise in counseling, instruction, school administration, and law enforcement before the start of the school year[1]? | IV(B),V(B) | 7-8 |
| | 4 | Did the school principal appoint a Chair and Vice-Chair of the SBTMT before the start of the school year[1]? | IV(B)(6), V(B) | 8 |
| BTM Training | 5 | Did all DTMT members complete state required training before the start of the school year[1] or within 30 days of appointment for the new team members? | V(A)(B)(C) | 7 |
| | 6 | Did all SBTMT members complete state required training before the start of the school year[1] or within 30 days of appointment for the new team members? | V(A)(B)(C) | 7 |
| | 7 | Did the school orient **students** within the first ten (10) days school is in session[2] on recognizing concerning behaviors or threats and to whom concerning behaviors or threats should be reported? | IX(A) | 14 |
| | 8 | Did the district orient **school board employees** through the required Warning Signs training? | IX(B) | 14 |
| | 9 | Did the school orient **school-based staff** prior to the first day of school is in session[1] on recognizing concerning behaviors or threats and to whom the concerning behaviors or threats should be reported and upload sign-in sheets for all participating staff into the designated SharePoint folder by August 12, 2025? | IX(B) | 14 |

(1) August 11, 2025 - First day of school for the 2025-26 school year
(2) August 11, 2025 through August 22, 2025
(3) SBBC Policy 4380, Behavioral Threat Assessment (BTA) as amended on 10/15/2024
(4) Florida Harm Prevention and Threat Management Manual, Form OSS-001 (August 2025)
(5) Rule 6A-1.0019, Florida Administrative Code (F.A.C.) as amemnded on 8/19/2025

## FINDINGS

| Finding 1 | Completeness and Timeliness of the BTM Training |
|---|---|
| Low | The BTM Policy states that all members of the School-Based Threat Management Team ("SBTMT") and District Threat Management Team ("DTMT") must be trained on the Florida Model, as follows:<br>1. All SBTMT and DTMT members must complete basic Florida model training.<br>2. The District Threat Management Coordinator ("DTMC") must complete additional training specific to the Coordinator role.<br>3. School Principals, the Threat Management Chair, and the Vice Chair must complete additional training specific to their respective roles.<br><br>The BTM Policy also states that District and school-based team members "who have not previously completed training must complete Florida Model training before the start of the school year". Those appointed to the threat management team after the start of the school year are required to complete Florida Model training within 30 school days of appointment to the team.<br><br>In addition, the BTM Policy states that District and school-level team members who have been fully trained in Florida Model in a previous school year must complete an annual refresher training provided by the Office of Safe Schools within the first 60 days of school.<br><br>Per the BTM Policy, the DTMC must ensure that all district-level and school-level threat management team members are trained in the threat management and on the Florida Model. Per the District's BTM procedures, each school Principal is required to submit a verification form to the BTM Department prior to the first day of school. The form identifies the BTM team assignments and attests that all listed team members completed the applicable training requirements prior to the start of the 2025-2026 school year. For any SBTMT member changes made after the initial form is completed, schools must contact the BTM department office. The detailed procedures are outlined in the memorandum titled "2025-2026 BEHAVIORAL THREAT MANAGEMENT (BTM) PRINCIPAL VERIFICATION FORM" issued by the District's Chief of Safety & Security on May 23, 2025.<br><br>The OCA found that DTMC and all the DTMT members completed the required training within the mandated timeframes. However, the OCA noted errors during review of the training completion data for the SBTMT members. Errors were noted for 1) training completion and 2) completion of the training within the mandated timeframe. |

| Finding 1 | Completeness and Timeliness of the BTM Training – Continued |
|---|---|

**Completeness** – 2 of the 1,109 employees reviewed were not found in the training completion reports.

A breakdown of this finding by training type is as follows:

- Florida Model Training Day 1 – There were no exceptions for completion of the Day 1 training.
- Role-specific Training could not be verified for 1 employee appointed as a Vice Chair. As of October 6, 2025, this employee resigned and was replaced with a fully trained team member.
- Florida Model Refresher Training could not be verified for 1 employee who completed Florida Model training prior to July 1, 2025. Due to missing the Refresher deadline of October 10, 2025, this employee repeated the Day 1 training on December 2, 2025.

**Timeliness –** 22 of the 1,109 reviewed employees completed Day 1 or Role Specific training after the due date.

A breakdown of this finding by training type is as follows:

- Florida Model Training Day 1 – 1 employee, newly appointed as an Instructional team member, did not complete the Florida Model Training Day 1 within the 60 days of appointment to the team.
- Role Specific Training – 19 employees, appointed as a Chair (5) and a Vice Chair (14), did not complete Role Specific Training before the first day of school, August 11, 2025. These employees completed Day 1 and Refresher training within the required timeframe.

  18 of the 19 employees who missed the deadline were newly assigned to the Chair / Vice Chair role and 1 of the 19 was non-compliant with this training since the prior audit.

  8 of the 19 employees completed Role Specific training within the first week of school, 6 completed within 30 school days of assignment to the Chair / Vice Chair role, and 2 completed within 60 school days of the assignment. 3 of the 19 employees completed Role Specific training on October 14, 2025.
- Florida Model Refresher Training – There were no exceptions for completion of this training by the required due date.

| Finding 1 | Completeness and Timeliness of the BTM Training – Continued |
|---|---|
| **OCA Recommendation** | The OCA recommends that school Principals review the BTM Policy and BTM department procedures with staff and ensure that:<br>• Every member appointed to the school-based BTM team before the start of the school year completes all applicable training by the first day of school.<br>• Members appointed to the school-based BTM team after the start of the school year complete Florida Model training within 30 school days of appointment to the team.<br>• Any changes to the school-based BTM team assignments are promptly reported to the BTM department office.<br>• If fully trained staff are not available to assign to the team before the start of the school year, the school Principal contacts the BTM department for assistance to ensure coverage until newly hired staff completes all required training. |
| **District Staff Response** | BTM Department Response<br>See Appendix I<br>District Senior Management Responses<br>See Appendix II for Consolidated Responses from Chief Safety and Security Officer and Regional Superintendents |

| Finding 2 | Timeliness of the School-Based Staff Orientations and Documentation of Attendance |
|---|---|
| **Low** | The BTM Policy requires the schools to present the *Florida Model: Awareness for All School Staff Training* to the school-based staff prior to the first day school is in session. Per the July 17, 2025 memorandum titled " 2025 – 2026 BEHAVIORAL THREAT MANAGEMENT UPDATES" from the District's Chief Safety & Security Officer, the schools must upload sign-in sheets for all participating staff with a handwritten signature for all attendees to the BTM SharePoint site by August 12, 2025.<br><br>The OCA found that all schools uploaded sign-in sheets for the school-based staff orientations to the BTM SharePoint site; however, the OCA identified instances of non-compliance with the required timeframe for the school-based staff orientations.<br><br>3 of the 229 locations reviewed did not complete orientations by the required due date of August 11, 2025. All 3 locations provided orientations during the first week of school. |
| **OCA Recommendation** | The OCA recommends that school Principals review the BTM Policy and BTM department procedures with staff and ensure that all BTM procedures are followed without exception and school-based staff orientations are completed within the mandated timeframe. |
| **District Staff Response** | BTM Department Response<br><br>See Appendix I<br><br>District Senior Management Responses<br><br>See Appendix II for Consolidated Responses from Chief Safety and Security Officer and Regional Superintendents |

Chief Safety & Security Officer

FROM: Kim Punzi-Elabiary KPE
Director, Behavior Threat Management

SUBJECT: **MANAGEMENT RESPONSE – BEHAVIORAL THREAT MANAGEMENT (BTM) TRAINING PROGRAM AUDIT (SY 2025-2026)**

Thank you for the Office of the Chief Auditor's draft report on the Behavioral Threat Management (BTM) Training Program for School Year 2025–2026. We appreciate the diligence of your team and the constructive recommendations provided. This letter constitutes the BTM Department's formal response, aligned to State Rule 6A-1.0019 (Threat Management), the Florida Harm Prevention and Threat Management Manual, and SBBC Policy 4380.

**ACKNOWLEDGEMENT OF FINDINGS**

We acknowledge the two Low risk findings:

1. Completeness and Timeliness of BTM Training (Attribute 6): Verification gaps for 2 of 1,109 employees and post deadline completion for 22 employees (Day 1 or Role Specific).
2. Timeliness of School Based Staff Orientations (Attribute 9): Three schools conducted orientations after the required prestart due date, completing them during the first instructional week.

**ROOT CAUSE ANALYSIS**

- School-Based Threat Management Team Membership (SBTMT) Verification: SBTMT membership discrepancies resulted from a principal change on July 1, 2025, with team updates made after the new principal started.
- Training Verification Gaps: Documentation of completions depends on timely OSS survey submissions and certificate uploads to SharePoint; delays in either step create verification gaps. One Vice Chair's midterm resignation and replacement disrupted the documentation trail.

- Post Deadline Role Specific Completions: Many exceptions involved newly appointed Chairs/Vice Chairs near the start of school. Capacity constraints for in person Role Specific sessions close to Day 1 contributed to late completions.
- Orientation Delays: Site level calendar misalignment and staffing transitions led to orientations occurring in the first week rather than prior to the first instructional day.

**IMPACT ASSESSMENT**
Both findings are Low Risk and correctable within normal operations. Late Role Specific training can reduce site level leadership readiness during the earliest days of school. Gaps in orientation timing, or documentation can cause non-compliance, even if the required actions have taken place. We also acknowledge and appreciate the significant improvements from last year, supported by better evidence tracking, on time Refresher training, and overall stronger compliance across the district.

**CORRECTIVE ACTIONS**
We implemented three key measures in 2025–2026 that improved compliance:

**Corrective Actions Related to Finding 1:**
- Centralized SharePoint Site: Reduced missing orientation documentation from 94 schools to 3.
- The early release of the PIVOT Memo clarifies that principals are responsible for identifying their team members and making sure the team is fully trained prior to the first day of school to minimize training errors.

**Corrective Actions related to Finding 2:**
- Refresher Training Grace Period: Added a 30-day grace period to capture staff who did not complete the Refresher by the original deadline. Although staff were told the deadline was September 9, the system deadline remained October 9, allowing additional time for completion.

For 2026–2027, we will continue using SharePoint and release the PIVOT memo early. The Behavior Threat Management Department will:
- Continue retraining during Leadership Week for all Administrators, monthly All-Chair meetings for Administrators, and Hot Lab opportunities.
- Provide training opportunities for our Mental Health Professionals prior to the start of school.
- Post a Timeline on SharePoint with the identified due dates for all required threat management actions.
- Increase the number of Florida Model training sessions over the summer months and prior to the first day of school.

**REMEDIATION TIMELINE & MONITORING**

- Immediate (Jan–Feb 2026): Review audit results during monthly All-Chair meetings.
- Spring 2026 (Mar–May): Discuss team membership, release PIVOT memo before June 3.
- Pre-Start SY 2026–27 (Jun–Aug): Leadership presentations and expanded training capacity.
- Ongoing: SharePoint monitoring, quarterly reports, All-Chair meetings, case studies, non-compliance memos, and retraining as needed.

We appreciate the OCA's thorough review and the recognition of year-over-year progress. The actions and timelines described above are designed to fully remediate noted exceptions and sustain alignment with State Rule 6A-1.0019 and Policy 4380.

SUBJECT: **LEADERSHIP RESPONSE – SY 2025-2026 BTM TRAINING PROGRAM AUDIT**

I appreciate the Office of the Chief Auditor's comprehensive review of the Behavioral Threat Management (BTM) Training Program for School Year 2025–2026 and Director Punzi-Elabiary's detailed management response. The audit confirms that the District's BTM program continues to improve in both fidelity and compliance, with only two low-risk findings across 229 locations. These results reflect meaningful progress, strengthened internal controls, and significant increases in documentation accuracy and training completion when compared to prior-year performance.

As Chief Safety and Security Officer, I reaffirm our division's full commitment to ensuring the Behavioral Threat Management program operates with the highest level of reliability, timeliness, and statutory fidelity. Maintaining rigorous compliance with State Rule 6A-1.0019, SBBC Policy 4380, and the Florida Harm Prevention and Threat Management Model is essential to protecting our students, staff, and school communities.

I concur with the assessment that both findings—training completeness/timeliness verification gaps and three late school-based staff orientations—are low-risk and operationally correctable. Training fidelity is non-negotiable. Principals are directly accountable for verifying that School Based Behavioral Threat Management teams are staffed, trained, and documented in compliance with established requirements. The Division will maintain continuous oversight to ensure alignment with State Rule 6A-1.0019 and SBBC Policy 4380, while supporting schools through clear communications, training expansion, and structured professional learning opportunities.

I fully support Director Punzi-Elabiary's corrective actions, including continuation of the centralized SharePoint file sharing system, early release of the BTM Topics PIVOT memo, expanded summer training, monthly All-Chair meetings, Hot Lab sessions, Leadership Week programming, and publishing a clear annual BTM timeline on SharePoint.

**Conclusion**

Director Punzi-Elabiary and the BTM Department have demonstrated responsiveness, ownership, and a commitment to continuous improvement. The Division of Safety, Security & Emergency Preparedness remains fully committed to operating a high-fidelity, compliant, and proactive threat management training system.

SUBJECT: **INTERNAL AUDIT REPORT-BEHAVIORAL THREAT MANAGEMENT TRAINING PROGRAM FOR SCHOOL YEAR 2025-2026**

This correspondence serves as the Teaching and Learning Division's formal response to the Office of the Chief Auditor's compliance audit of the District's Behavioral Threat Management (BTM) Training Program for the 2025–2026 school year.

The audit findings have been thoroughly reviewed with district leadership, including the Behavioral Threat Management Department, Regional Superintendents, and the Assistant Superintendent for the School Transformation Office. We acknowledge the findings related to the timeliness of certain BTM training components and school-based staff orientations and appreciate the audit's recognition of the significant improvements made since the prior year.

Notably, the implementation of enhanced monitoring procedures, including centralized documentation through SharePoint and strengthened verification processes, resulted in a substantial increase in compliance across schools. These improvements reflect the District's ongoing commitment to continuous improvement, student safety, and fidelity to Policy 4380, Rule 6A-1.0019, and the Florida Model Manual.

The Teaching and Learning Division fully supports the corrective actions outlined by the Regional Superintendents and the School Transformation Office. Across regions, these actions include strengthened pre-school-year verification of BTM team training, enhanced tracking and monitoring of training completion and deadlines, targeted technical assistance for school leaders, and ongoing collaboration with the Behavioral Threat Management Department to ensure timely support and intervention when staffing changes occur.

In addition, Teaching and Learning will continue to reinforce expectations with school leaders regarding adherence to mandated timelines, documentation requirements, and prompt communication with the BTM Department when team changes occur. These efforts will be supported through regional monitoring structures, leadership meetings, and professional learning opportunities to ensure sustained compliance and consistency districtwide.

We remain committed to ensuring that all schools meet the requirements of the Behavioral Threat Management framework and to strengthening systems that support timely training, accurate documentation, and proactive monitoring. We appreciate the Office of the Chief Auditor's partnership and the valuable feedback provided through this review.

Please feel free to contact me should you require additional information or wish to further discuss these ongoing efforts.

SUBJECT: **INTERNAL AUDIT REPORT – BEHAVIORAL THREAT MANAGEMENT TRAINING PROGRAM FOR THE SCHOOL YEAR 2025-2026**

The South Region Administrative Team and I have thoroughly reviewed the audit findings from the 2025-26 Behavioral Threat Management Training Program. We remain fully committed to prioritizing the Behavioral Threat Management Policy and Procedures across our region. The audit's findings and recommendations will serve as an essential guide for shaping our approach as we continue to monitor and support our regional schools.

Moving forward, I will meet with all South Region school leaders to address the recommendations provided by the Office of the Chief Auditor ensuring the following actions are taken:

- All school principals will review the Behavioral Threat Management (BTM) Policy and BTM department procedures with their staff.
- All Behavioral Threat Management (BTM) procedures will be strictly followed without exception and school-based staff orientations are completed within the mandated timeline.
- Each member of the School-Based Threat Management Team (SBTMT) will complete all required training by the specified due date.

The South Regional Office Leadership Team will continue to collaborate closely with the Behavioral Threat Management Department for ongoing guidance and updates. To reinforce our commitment, Behavioral Threat Management will remain a standing item on our weekly staff meeting agenda. Our discussions will now include a review of key attributes highlighted in the recent audit findings.

If you need further information, please do not hesitate to reach out to me.

**SUBJECT: 2025-26 BEHAVIORAL THREAT MANAGEMENT (BTM) – TRAINING PROGRAM**

My leadership team and I have reviewed the audit findings for the 2025-26 BTM – Training Program. The Central Regional Office will continue to make the BTM policy and procedures a priority. The findings and recommendations will assist in guiding our methodology as we monitor and provide support to our regional schools.

I have reviewed the OCA recommendations with the identified school leaders to ensure that:

- All school principals review the BTM Policy and department procedures with staff and ensure that all BTM procedures are followed without exception, and school-based orientations are completed within the mandated timeframe.
- The principal contacts the BTM Department for assistance to ensure coverage until the newly hired staff member completes all required training, if no trained staff is available before the start of the school year.
- All school-based BTM members complete all required training within the mandated timeframe.

The Central Regional Office leadership team will continue to work closely with the BTM department for guidance and updates. The BTM topic will remain as a standing item on our weekly staff meeting agenda. It has been expanded to include a review of the attributes outlined in these findings. If you need further information, please do not hesitate to reach out to me.

FROM: Dr. Jermaine V. Fleming, Regional Superintendent
North Regional Office

SUBJECT: **RESPONSE TO BEHAVIORAL THREAT MANAGEMENT TRAINING PROGRAM AUDIT SCHOOL YEAR 2025-26**

Please accept this communication as the North Region's official response to the BTM Training Program Audit for the 2025-2026 school year.

My leadership team and I have thoroughly reviewed the comprehensive report, including the files pertaining to schools located in the North Region. We remain steadfast in our commitment to prioritizing the implementation and continuous improvement of Behavior Threat Management Policies and Procedures within our division. The findings, recommendations, and leadership responses from prior audits will continue to inform and guide our methodology as we monitor and support our schools.

The North Regional Office Leadership Team has met with the Behavioral Threat Assessment Department to review the characteristics and commonalities of schools identified as deficient. We are actively addressing the necessary corrective actions. Furthermore, Behavior Threat Management remains a standing item on our weekly staff meeting agenda and has been expanded to include an ongoing review of the audit's outlined attributes.

We will continue to conduct regular, targeted analyses of school-specific behavioral threat management practices, outcomes, and training in collaboration with staff from the Behavioral Threat Management team. As part of our upcoming North Regional Principal Academy, we have incorporated specialized training for principals that focuses on the identified attributes from the audit.

Through this correspondence, I reaffirm my commitment to the consistent and timely application of threat assessment protocols across all schools in the North Region. This audit report has provided valuable data and actionable insights that will enhance the support we provide to our schools. Ensuring the safety and well-being of our students and community remains our highest priority.

FROM: Dr. Veda F. Hudge, Assistant Superintendent

**SUBJECT: 2025-26 BEHAVIORAL THREAT MANAGEMENT- TRAINING PROGRAM AUDIT**

This memorandum serves as the School Transformation Office's (STO) formal response to the Behavioral Threat Management (BTM) Training Audit, specifically Attribute 6, which evaluates whether all School-Based Behavioral Threat Management Team (SBTMT) members completed state-required training prior to August 11, 2025, or within 30 days of appointment for new members.

Three STO-supported schools received findings related to gaps in timely completion of BTM training. STO acknowledges these findings and accepts the responses submitted by each school's administration. STO remains committed to achieving and sustaining **100% compliance** across all schools.

To address these gaps, STO will implement the following corrective actions:

- Require principals to submit verification of SBTMT training completion prior to the start of each school year.
- Establish a centralized STO tracking system to monitor BTM training status and deadlines for all SBTMT members.
- Provide targeted technical assistance and reminders to schools regarding onboarding requirements for new SBTMT members.
- Escalate non-compliance concerns to appropriate district leadership and implement corrective or disciplinary actions when necessary.

The School Transformation Office remains committed to strengthening monitoring systems, supporting school leaders, and ensuring full compliance with BTM training requirements. Please contact me should additional information be required.

**Policy 4380**

**BEHAVIORAL THREAT MANAGEMENT (BTM)**

THE SCHOOL BOARD OF BROWARD COUNTY (SBBC), FLORIDA IS COMMITTED TO PROTECTING ITS STUDENTS, EMPLOYEES, AND MEMBERS OF THE COMMUNITY. IT IS ESSENTIAL THAT DISTRICTWIDE VIOLENCE PREVENTION BE IN PLACE TO FOSTER A LEARNING ENVIRONMENT THAT PROMOTES A CULTURE OF SAFETY, RESPECT, TRUST, AND SOCIAL/EMOTIONAL SUPPORT, WHILE ALSO PROTECTING STUDENTS AND STAFF FROM CONDUCT THAT POSES AN ACTUAL OR PERCEIVED THREAT TO SELF OR OTHERS. THE BEHAVIORAL THREAT MANAGEMENT (BTM) POLICY SHOULD BE INTERPRETED AND APPLIED CONSISTENTLY WITH ALL APPLICABLE STATE AND FEDERAL LAWS, AND THE BOARD'S COLLECTIVE-BARGAINING AGREEMENTS. THE POLICY WAS DEVELOPED IN ACCORDANCE WITH THE LEGISLATION ENACTED BY THE STATE OF FLORIDA AND SET FORTH IN STATE BOARD OF EDUCATION RULE 6A-1.0019 – THREAT MANAGEMENT.

THE PURPOSE OF THIS POLICY IS TO SET FORTH REQUIREMENTS RELATING TO THREAT MANAGEMENT, A PROCESS BY WHICH SCHOOL DISTRICTS, K-12 SCHOOLS, CHARTER SCHOOL GOVERNING BOARDS, AND CHARTER SCHOOLS IDENTIFY, ASSESS, MANAGE, AND MONITOR POTENTIAL AND REAL THREATS TO STUDENT SAFETY.

**SECTION I: DEFINITIONS**

A. **"Florida Harm Prevention and Threat Management Model"** or **"Florida Model"** means the Florida-specific behavioral threat management process required by Section 1001.212(12), F.S. The Florida Model consists of the Florida Threat Management Manual and the Florida Harm Prevention and Threat Management Instrument ("Instrument"). Under the Florida Model, threats and reports of concerning behavior or concerning communications are categorized as having an unfounded, low, medium, or high level of concern.

B. **"School"** means a public K-12 school, including a charter school, with a Master School Identification Number (MSID) number as provided under Rule 6A-1.0016, F.A.C., but does not include:

1. Settings where instruction is provided in a county jail or state prison, in a Department of Juvenile Justice facility or program, in a hospital, or while a student is homebound;

2. Schools that provide only prekindergarten or adult education;
3. Technical centers under Section 1004.91, F.S. A list of schools meeting this definition will be provided to the School Safety Specialists by December 1, 2023, and annually thereafter by July 1.

C. **"School-based mental health services provider"** means a school psychologist certified under Rule 6A-4.0311, F.A.C., a school social worker certified under Rule 6A-4.035, F.A.C., a school counselor certified under Rule 6A-4.0181, F.A.C., or a mental health professional licensed under Chapter 490 or 491, F.S., who is employed or contracted by a district or school to provide mental health services in schools.

D. **"School district"** or **"district"** means a Florida school district, the Florida Virtual School (Section 1002.37, F.S.), the Florida School for the Deaf and the Blind (Section 1002.36, F.S.), Developmental Research (Laboratory) Schools (Section 1002.32, F.S.), and charter schools sponsored by a university or Florida College System institution (Section 1002.33(5), F.S.).

E. **"Student Support Management Plan"** or **"SSMP"** means an ongoing intervention and monitoring plan implemented by the school-based threat management team. The SSMP may impose requirements on a student of concern for a defined period of time based on the level of concern. The SSMP is reviewed each month by the School Based Threat Management Team (SBTMT).

F. **"Threat Assessment"** means the identification of individuals exhibiting threatening or other concerning behavior.

G. **"Threat Management"** means the multipart process by which schools identify individuals exhibiting threatening or other concerning behavior, assess the risk of harm, and coordinate appropriate interventions and services for such individuals, as provided in Section 1006.07(7), F.S.

## SECTION II: NOTIFICATIONS

A. Parental notification is required in the following circumstances and must adhere to the timelines set forth in Rule 6A-1.0019:
1. If the SBTMT Chair determines the report of a concerning behavior or threat is a Low level of concern and summarily closes the case, the Chair or designee must notify the parent or guardian of the student of concern before the end of the school day.
2. If the Chair does not summarily close the case and refers it to the SBTMT, reasonable efforts must be made to notify the student of concern's parent or guardian on the same day the SBTMT assigns the preliminary level of concern.
3. If the preliminary level of concern is High, there must be an immediate attempt by the chairperson of the SBTMT to notify the parent/guardian of the student of concern before the end of the school day.

4. Parents or guardians must also be notified if the threat management process reveals information about their student's mental, emotional, or physical health or well-being, or results in a change in related services or monitoring, including but not limited to implementation of an SSMP.
5. Once an SSMP is finalized and anytime it is substantively revised, the SBTMT Chair or designee must provide a copy of the SSMP to the student of concern's parent or guardian. The targeted student's parent or guardian should also be informed that an SSMP has been implemented.
6. Where a report of concern includes an identified student target, the Chair must make a reasonable effort to notify the parent or guardian of the targeted student before the end of the school day that the report was received unless the Chair has determined the concern is unfounded. As provided for in the Florida Harm Prevention and Threat Management Manual (Form OSS-001), the unfounded summary disposition should only be used when it is clear and articulable that there is no basis for concern. If there is any doubt, the case should be forwarded to the School Based Threat Management Team for further evaluation and parent notification should occur. Nothing herein prevents the school from notifying parents or guardians if they believe it is in the best interest of the student.

B. "Reasonable effort to notify" means the exercise of reasonable diligence and care to make contact with the student's parent or guardian, typically through the contact information shared by the parent or guardian with the school or school district. The SBTMT Chair or designee must document all attempts to make contact with the parent or guardian.

C. Timelines for required notice may be modified where the SBTMT reasonably believes and documents that such disclosure would result in abuse, abandonment, or neglect, as defined in Section 39.01, F.S.

D. Education records. Threat assessments and records related to threat management are considered education records as defined by the Family Educational Rights and Privacy Act (FERPA) and Sections 1002.22 and 1002.221, Florida Statutes. Policies relating to access, maintenance, and retention of these records must be consistent with Rule 6A-1.0955, F.A.C., Education Records.

## SECTION III: DISTRICT THREAT MANAGEMENT COORDINATOR

A. District Threat Management Coordinator (DTMC). The superintendent shall designate a Threat Management Coordinator to oversee threat management at all public K-12 schools, including charter schools sponsored by or under contract with the district.

1. The DTMC must:
    a. Ensure that all district-level and school-level threat management team personnel are trained in threat management and on the Florida Model.

b. Serve as Chair of the District Threat Management Team and as the liaison to the Department of Education's Office of Safe Schools ("Office"); and

c. Assist School Based Threat Management Teams in the district.

2. The superintendent shall report the name, phone number, and email address of the District Threat Management Coordinator to the Office at FloridaModel@fldoe.org. This information must be reported annually by July 1, and must be updated within one (1) school day if there is a change in the information provided.

## SECTION IV: DISTRICT THREAT MANAGEMENT TEAM (DTMT) & SCHOOL BASED THREAT MANAGEMENT TEAMS (SBTMT)

A. **District Threat Management Team (DTMT).** The superintendent shall designate a District Threat Management Team that will receive referrals from the School Based Threat Management Teams, assess serious situations, and provide support to school-based teams, including charter schools in their district. The DTMT must include the District Threat Management Coordinator as Chair, persons from school district administration and persons with expertise in counseling, instruction, and law enforcement.

B. **School Based Threat Management Team (SBTMT).** Each school must have an SBTMT comprised of four (4) members, at a minimum, including persons with expertise in counseling, instruction, school administration, and law enforcement. The principal or equivalent administrative head of the school is responsible for appointing team members. The SBTMT must also include a member with personal knowledge of the student of concern who is the subject of threat management. Team members must meet the following requirements:

1. The **counseling team member** must be a school-based mental health services provider that is able to access student mental health records.
2. The **instructional team member** must meet the definition of instructional personnel under Section 1012.01(2)(a)-(d), F.S., or must hold a current Florida Educator Certificate under Section 1012.56, F.S.
3. The **school administrator team member** must meet the definition of administrative personnel found in Section 1012.01(3), F.S. This should not be the school principal, or equivalent, unless they are the only administrator at the school.
4. The **law enforcement team member** must be a sworn law enforcement officer, as defined by Section 943.10(1), F.S., including a School Resource Office, school-safety officer, or other active law enforcement officer. At a minimum, a law enforcement officer serving on a threat management team must have access to local Records Management System information, the Criminal Justice Information System, and the Florida Crime Information

Center and National Crime Information Center databases. Officers serving on school-based threat management teams must also have clearance to review Criminal Justice Information and Criminal History Record Information.

a. A school guardian, as defined under Section 1006.12(3), F.S., or a school security guard, as defined under Section 1006.12(4), F.S., may not serve as the law enforcement member of a threat management team.

5. If none of the team members are familiar with the student of concern, the SBTMT Chair must assign a member of the school's staff who is familiar with the student to consult with and provide background information to the threat management team. The person must be instructional or administrative personnel, as defined in Section 1012.01(2) and (3), F.S. Consulting personnel do not have to complete Florida Model training and may not participate in the decision-making process.

6. **Threat Management Chair and Vice Chair.** The principal of each school must appoint a Chair and Vice Chair of the SBTMT. The Chair serves as the point person for threat management at the school-level and is responsible for triaging reported threats or concerning behavior and communications to determine whether the matter should be summarily closed or whether it should be reviewed by the full SBTMT.

7. **Instrument.** Each SBTMT and DTMT must use the Florida Model to assess the behavior of students who may pose a threat of harm to themselves or others and to coordinate intervention and services for such students. All reported threats or concerning behaviors and communications, even those determined to be unfounded, must be documented by the SBTMT in the required electronic platform along with any resultant action, using the Florida Model Instrument. The chairperson must complete the Intake and Disposition Form, assess the concern for factual basis, and decide whether to convene the SBTMT as soon as possible but no later than the next school day from the day the initial report was received by the chairperson.

a. For levels of concern that are preliminarily determined to be low by the SBTMT, in addition to the requirements outlined in the Florida Harm Prevention and Threat Management Manual the following must be completed by an individual that completed the Day 1 Florida Model training-

1. Initial Interview with student of concern
2. Initial Interview of student of concern's parent/guardian
3. Target/Witness interviews
4. Review of student background information including attendance and academic history
5. The teacher/staff questionnaire must be sent to all of the student's current teachers to be completed and returned prior to final disposition meeting. If a teacher is unavailable to complete the form, the team will

proceed to make a final level of concern determination without the questionnaire.

b. For levels of concern that are preliminarily determined to be medium by the SBTMT, in addition to the requirements outlined in the Florida Harm Prevention and Threat Management Manual the following must be completed by an individual that completed the Day 1 Florida Model training-

1. Initial Interview with student of concern
2. Initial Interview of student of concern's parent/guardian
3. Target/Witness interviews
4. Review of student background information including attendance and academic history
5. For events involving the possession or use of a weapon, a Daily Person/Possession Check must be implemented (remains in place for the duration of the active SSMP)

c. For levels of concern determined to be medium, the following actions must be implemented and documented in the final SSMP:

1. For events involving the possession or use of a weapon, a Daily Person/Possession Check must be implemented (remains in place for the duration of the active SSMP)
2. Referral to Social Worker
3. The teacher questionnaire must be sent to the student's current teachers to be completed and returned prior to final disposition meeting. If a teacher is unavailable to complete the form, the team will determination without the questionnaire.

d. For levels of concern that are preliminarily determined to be high by the SBTMT, in addition to the requirements outlined in the Florida Harm Prevention and Threat Management Manual, the following must be completed by an individual that completed the Day 1 Florida Model training-

1. Initial Interview with student of concern
2. Initial Interview of student of concern's parent/guardian
3. Target/Witness interviews
4. Review of student background information including attendance and academic history
5. Interim Student Support Management Plan (SSMP)
6. Mental Health Parent/Guardian Interview
7. Mental Health Student of Concern Interview
8. The teacher/staff questionnaire must be sent to all of the student's current teachers to be completed and returned prior to final disposition meeting. If a teacher is unavailable to complete the form, the team will proceed to make a final level of concern determination without the questionnaire.

e. For levels of concern preliminarily determined to be high, the

following actions must be implemented and documented in the interim SSMP:

1. Daily Person/Possession Check (remains in place for the duration of the active SSMP)
2. No backpack allowed (remains in place for the duration of the active SSMP)
3. Additional bag(s) (lunch, athletic, etc.) are not allowed unless approved by the school principal (remains in place for the duration of the active SSMP)

f. For levels of concern determined to be high, the following actions must be implemented and documented in the final SSMP:

1. Daily Person/Possession Check (remains in place for the duration of the active SSMP)
2. Referral to school-based Collaborative Problem Solving Team
3. No backpack allowed (remains in place for the duration of the active SSMP)
4. Additional bag(s) (lunch, athletic, etc.) are not allowed unless approved by the school principal (remains in place for the duration of the active SSMP)
5. Referral to Social Worker

8. **Meetings.** Each SBTMT must meet as often as needed to fulfill its duties of assessing and intervening with students whose behavior may pose a threat of harm to themselves or others, but no less than monthly.
   a. Threat management teams must maintain documentation of their meetings, including meeting dates team members in attendance, cases discussed, and actions taken.
   b. DTMTs must meet as needed to review and consult with SBTMTs and must meet timeframes set forth in the Florida Threat Management Manual.

**C.** **Referrals to Mental Health Services**. The department of Student Services shall notify all school personnel who have received training pursuant to Section 1012.584(4), F.S., of mental health services, including referrals for self-harm consistent with Section 394.463, F.S., that are available in the school district and the individual to contact if a student needs services. The term "mental health services" includes, but is not limited to, community mental health services, health care providers, and services provided under ss.1006.04.

**D.** **District Mental Health Coordinator.** The District Mental Health Coordinator will track all students with a high level of concern.

**SECTION V: TRAINING**

A. All members of SBTMTs and DTMTs must be trained on the Florida Model through training provided by or approved by the Office of Safe Schools, as follows:
   1. All SBTMT and DTMT members must complete basic Florida Model training.
   2. The District Threat Management Coordinator must complete additional training specific to the Coordinator role.
   3. School principals, the Threat Management Chair, and the Vice Chair must complete additional training specific to their respective roles.

B. District and school-level teams must be designated before the start of the school year. Team members who have not previously completed training must complete Florida Model training before the start of the school year. Those appointed to threat management teams after the start of the school year must complete Florida Model training within thirty (30) school days of appointment to the School-based Threat Management Team.

C. District and school-level team members who have been fully trained in a previous school year must complete an annual refresher training provided by the Office of Safe Schools within the first sixty (60) days of school.

D. Charter Schools. Charter schools are responsible for establishing SBTMTs and conducting threat assessments as required by Rule 6A-1.0019. DTMCs and DTMTs must oversee and support charter schools sponsored by or under contract with the district to the same extent they do for traditional public schools.

E. Virtual Schools. Virtual schools are responsible for establishing SBTMTs and conducting threat assessments as required by Rule 6A-1.0019.

## SECTION VI: TRANSFER OF RECORDS

A. Upon the student's transfer to a different school, the threat management team of the transferring school will maintain responsibility for the student on an SSMP until responsibility is formally accepted by the receiving school.

B. The transfer of records must occur within 5 school days of receipt of the request for records from the new school or district, or the receipt of the identity of the new school and district of enrollment, whichever occurs first. The records must include, if applicable:
   1. Verified reports of serious or recurrent behavior patterns, including any threat assessment report, all corresponding documentation, and any other information required by the Florida-specific behavioral threat assessment instrument pursuant to s. 1001.212(12) which contains the evaluation, intervention, and management of the threat assessment evaluations and intervention services.
   2. Psychological evaluations, including therapeutic treatment plans and therapy or progress notes created or maintained by school district or charter school staff, as appropriate.

C. Documentation of unfounded level of concerns must not be transferred unless:

1. The parent of the student the subject of an unfounded level of concern finding requests that the records be maintained in the student's file; or
2. The School Based Threat Management Team made the determination that the unfounded level of concern finding must be retained to ensure the continued safety of the school community or to ensure the well-being of the student.

**SECTION VII: ADHERENCE TO FLORIDA DEPARTMENT OF EDUCATION OFFICE OF SAFE SCHOOLS' POLICIES AND PROCEDURES**

A. The Superintendent, in conjunction with the District Threat Management Coordinator, principals, assistant principals, chairpersons, vice chairpersons, and members of the SBTMT shall implement the Florida Department of Education Office of Safe School's (OSS) Florida Harm Prevention and Threat Management Instrument and Florida Harm Prevention and Threat Management Manual, hereby incorporated by reference, as may be amended by OSS from time to time, consistent with the policies and procedures of OSS.

**SECTION VIII: AUDITS**

A. The Chief Auditor will conduct annual audits in compliance with this policy as directed by the School Board and report findings to Audit Committee and the School Board.

**SECTION IX: Providing Guidance to Students, Faculty, and Staff**

**A. Students. All students will be oriented within the first ten days school is in session on recognizing concerning behaviors or threats and will be informed to whom concerning behaviors and threats should be reported, pursuant to Section 1006.07(7)(c), F.S. Schools must use the content provided by the District Behavioral Threat Management Department to conduct the orientation.**

**B. Faculty & Staff. All School Board Employees, including Charter Schools in Broward County, will be oriented through the required Warning Signs training. All school-based staff will complete an additional orientation prior to the first day school is in session on recognizing concerning behaviors or threats and will be informed to whom concerning behaviors and threats should be reported, pursuant to Section 1006.07(7)(c),F.S. Each school will utilize the All-Staff Training For the Masses PowerPoint provided by the Office of Safe Schools (OSS) to orient school-based staff.**

# APPENDIX IV

**6A-1.0019 Threat Management.**

(1) Purpose. The purpose of this rule is to set forth requirements relating to threat management, a process by which school districts, K-12 schools, charter school governing boards, and charter schools identify, assess, manage, and monitor potential and real threats to student safety.

(2) Definitions.

(a) "Florida Harm Prevention and Threat Management Model" or "Florida Model" means the Florida-specific behavioral threat management process required by Section 1001.212(12), F.S. The Florida Model consists of the Florida Threat Management Manual and the Florida Harm Prevention and Threat Management Instrument ("Instrument"). Under the Florida Model, threats and reports of concerning behavior or concerning communications are categorized as having a low, medium, or high level of concern.

(b) "School" means a public K-12 school, including a charter school, with a Master School Identification Number (MSID) number as provided under Rule 6A-1.0016, F.A.C., but does not include:

1. Settings where instruction is provided in a county jail or state prison, in a Department of Juvenile Justice facility or program, in a hospital, or while a student is homebound;

2. Schools that provide only prekindergarten or adult education;

3. Technical centers under Section 1004.91, F.S.

"School" also includes the Florida Virtual School (Section 1002.37, F.S.), the Florida School for the Deaf and the Blind (Section 1002.36, F.S.), and Developmental Research (Laboratory) Schools (Section 1002.32, F.S.). These entities also function as "school districts" as defined in paragraph (2)(d) of this rule. A list of schools meeting this definition will be provided to the School Safety Specialists annually by July 1.

(c) "School-based mental health services provider" means a school psychologist certified under Rule 6A-4.0311, F.A.C., a school social worker certified under Rule 6A-4.035, F.A.C., a school counselor certified under Rule 6A-4.0181, F.A.C., or a mental health professional licensed under Chapter 490 or 491, F.S., who is employed or contracted by a district or school to provide mental health services in schools.

(d) "School district" or "district" means a Florida school district, the Florida Virtual School (Section 1002.37, F.S.), the Florida School for the Deaf and the Blind (Section 1002.36, F.S.), Developmental Research (Laboratory) Schools (Section 1002.32, F.S.), and universities or Florida College System institutions that sponsor charter schools (Section 1002.33(5), F.S.).

(e) "Student Support Management Plan" or "SSMP" means an ongoing intervention and monitoring plan implemented by the school-based threat management team. The SSMP may impose requirements on a student of concern for a defined period of time based on the level of concern. The SSMP is reviewed each month by the School Based Threat Management Team (SBTMT).

(f) "Threat Assessment" means the identification of individuals exhibiting threatening or other concerning behavior.

(g) "Threat Management" means the multipart process by which schools identify individuals exhibiting threatening or other concerning behavior, assess the risk of harm, and coordinate appropriate interventions and services for such individuals, as provided in Section 1006.07(7), F.S.

(3) Required policies.

(a) Each school district and charter school governing board must adopt policies, consistent with this rule, for the establishment of threat management teams and for the completion of threat assessments. These policies must include providing guidance to all students, faculty, and staff regarding recognition of concerning behavior or threats and must identify members of the school community to whom concerning behaviors and threats should be reported, pursuant to Section 1006.07(7)(c), F.S. These policies must also include procedures for referrals to mental health services, pursuant to Section 1012.584(4), F.S., and referrals for threats of self-harm, consistent with Section 394.463, F.S.

(b) Parental notification.

1. School districts and charter school governing boards must, at a minimum, require parental notification in the following circumstances:

a. If the SBTMT Chair determines the report of a concerning behavior or threat is a Low level of concern and summarily closes the case, the Chair or designee must use reasonable efforts to notify the parent or guardian of the student of concern.

b. If the Chair does not summarily close the case and refers it to the SBTMT, reasonable efforts must be made to notify the student of concern's parent or guardian on the same day the SBTMT assigns the preliminary and final level of concern.

c. If the preliminary or final level of concern is High, the SBTMT Chair or designee must notify the superintendent or designee to ensure that the notice requirements of Section 1006.07(7)(e), F.S., are met.

d. Parents or guardians must also be notified if the threat management process reveals information about their student's mental, emotional, or physical health or well-being, or results in a change in related services or monitoring, including but not limited to implementation of an SSMP.

e. Once an SSMP is finalized and anytime it is substantively revised, the SBTMT Chair or designee must provide a copy of the SSMP to the student of concern's parent or guardian. The targeted student's parent or guardian should also be informed that an SSMP has been implemented.

f. Where a report of concern includes an identified student target, the Chair must make a reasonable effort to notify the parent or guardian of the targeted student before the end of the school day that the report was received unless the Chair has determined the concern is unfounded. As provided for in the Florida Harm Prevention and Threat Management Manual (Form OSS-001), the unfounded summary disposition should only be used when it is clear and articulable that there is no basis for concern. If there is any doubt, the case should be forwarded to the full School Based Threat Management Team for further evaluation and parent notification should occur. Nothing herein prevents the school from notifying parents or guardians if they believe it is in the best interest of the student.

2. "Reasonable effort to notify" means the exercise of reasonable diligence and care to make contact with the student's parent or guardian, typically through the contact information shared by the parent or guardian with the school or school district. The SBTMT Chair or designee must document all attempts to make contact with the parent or guardian.

3. Timelines for required notice may be modified where the SBTMT reasonably believes and documents that such disclosure would result in abuse, abandonment, or neglect, as defined in Section 39.01, F.S.

(c) Education records. Threat assessments and records related to threat management are considered education records as defined by the Family Educational Rights and Privacy Act (FERPA) and Sections 1002.22 and 1002.221, Florida Statutes. Policies relating to access, maintenance, and retention of these records must be consistent with Rule 6A-1.0955, F.A.C., Education Records.

(4) Florida Harm Prevention and Threat Management Model ("Florida Model"). Threat management and assessment of concerning behaviors or communications must be conducted in accordance with the Florida Model, as follows:

(a) District Threat Management Coordinator (DTMC). Each school district superintendent must designate a Primary District Threat Management Coordinator to oversee threat management at all public K-12 schools, including charter schools sponsored by or under contract with the district. Each school district superintendent must also designate a Secondary District Threat Management Coordinator to provide support to the district's threat management process at the discretion of the Primary DTMC. Before a person can be designated as Primary or Secondary DTMC, that person must have already received DTMC training offered by the Office.Where there is no superintendent, the lead administrator for the school district must assign the Threat Management Coordinators.

1. The Primary DTMC must:

a. Ensure that all district-level and school-level threat management team personnel are trained in threat management and on the Florida Model;

b. Serve as Chair of the District Threat Management Team and as the liaison to the Department of Education's Office of Safe Schools ("Office"); and

c. Assist School Based Threat Management Teams in the district.

2. Each school district school superintendent, or lead administrator if there is no superintendent, must report the name, phone number, and email address of the Primary and Secondary District Threat Management Coordinator to the Office at FloridaModel@fldoe.org. This information must be reported annually by August 1, and must be updated within one (1) school day if there is a change in the information provided.

(b) District Threat Management Team (DTMT). Each school district superintendent must designate a District Threat Management Team that will receive referrals from the School Based Threat Management Teams, assess serious situations, and provide support to school-based teams, including charter schools in their district. The DTMT must include the District Threat Management Coordinator as Chair, persons from school district administration and persons with expertise in counseling, instruction, and law enforcement. Where there is no superintendent, the lead administrator for the district must assign the DTMT. Districts with three (3) or fewer schools may request approval to alter the DTMT membership by emailing the Office at FloridaModel@fldoe.org. The Office will grant requests that demonstrate that the duties of the DTMT can be executed with fidelity.

(c) School Based Threat Management Team (SBTMT). Each school must have an SBTMT comprised of four (4) members ("Core Four"), at a minimum, including persons with expertise in counseling, instruction, school administration, and law

enforcement. The principal or equivalent administrative head of the school is responsible for appointing team members. The SBTMT must also include a member with personal knowledge of the student of concern who is the subject of threat management. Team members must meet the following requirements:

1. The counseling team member must be a school-based mental health services provider that is able to access student mental health records. This must not be the school principal, or equivalent.

2. The instructional team member must meet the definition of instructional personnel under Section 1012.01(2)(a)-(d), F.S., or must hold a current Florida Educator Certificate under Section 1012.56, F.S. This must not be the school principal, or equivalent.

3. The school administrator team member must meet the definition of administrative personnel found in Section 1012.01(3), F.S. This must not be the school principal, or equivalent, unless they are the only administrator at the school, because the principal has administrative oversight of the SBTMT. In the event the principal is the only administrator at the school, the Principal must notify the district's DTMC. The DTMC must in turn notify the Office at FloridaModel@fldoe.org.

4. The law enforcement team member must be a sworn law enforcement officer, as defined by Section 943.10(1), F.S., including a School Resource Office, school-safety officer, or other active law enforcement officer. At a minimum, a law enforcement officer serving on a threat management team must have access to local Records Management System information, the Criminal Justice Information System, and the Florida Crime Information Center and National Crime Information Center databases. Officers serving on school-based threat management teams must also have clearance to review Criminal Justice Information and Criminal History Record Information. A school guardian, as defined under Section 1006.12(3), F.S., or a school security guard, as defined under Section 1006.12(4), F.S., may not serve as the law enforcement member of a threat management team. This must not be the school principal, or equivalent.

5. If none of the team members are familiar with the student of concern, the SBTMT Chair must assign a member of the school's staff who is familiar with the student to consult with and provide background information to the threat management team. The person must be instructional or administrative personnel, as defined in Section 1012.01(2) and (3), F.S. Consulting personnel do not have to complete Florida Model training and may not participate in the decision-making process.

(d) Threat Management Chair and Vice Chair. The principal of each school must appoint a Chair and Vice Chair of the SBTMT. The Chair serves as the point person for threat management at the school-level and is responsible for triaging reported threats or concerning behavior and communications to determine whether the matter should be summarily closed or whether it should be reviewed by the full SBTMT.

(e) Instrument. Each SBTMT and DTMT must use the Florida Model to assess the behavior of students who may pose a threat of harm to themselves or others and to coordinate intervention and services for such students. All reported threats or concerning behaviors and communications, even those determined to be unfounded, must be documented by the SBTMT along with any resultant action, using the Florida Model Instrument.

(f) Meetings. At a minimum, the Core Four members of each SBTMT must meet as often as needed to fulfill its duties of assessing and intervening with students whose behavior may pose a threat of harm to themselves or others, but no less than monthly. Districts must adopt policies requiring threat management teams to maintain documentation of their meetings, including meeting dates, team members in attendance, SSMPs discussed, and actions taken. If the SBTMT has no active SSMPs to discuss, they must document any other discussion points discussed at their meeting.DTMTs must meet as needed to review and consult with SBTMTs and must meet timeframes set forth in the Florida Threat Management Manual, but no less than monthly to discuss relevant data, strategies and interventions with collaborative stakeholders, provide ongoing support to SBTMTs, and ensure continuous improvement and fidelity in the implementation of the Florida Model.

(g) Training.

1. All members of SBTMTs and DTMTs must be trained on the Florida Model through training provided by or approved by the Office of Safe Schools, as follows:

a. All SBTMT and DTMT members must complete Day One Florida Model training.

b. The District Threat Management Coordinator must complete additional training specific to the Coordinator role.

c. School principals, the Threat Management Chair, and the Vice Chair must complete additional training specific to their respective roles.

2. Beginning with the 2024-25 school year, district and school-level teams must be designated before the start of the school year. Team members who have not previously completed training must complete Florida Model training before the start of the school year. Those appointed to threat management teams after the start of the school year must complete Florida Model training

within sixty (60) calendar days of appointment. For assistance in accessing this training, districts must contact the Office in writing at FloridaModel@fldoe.org.

3. Beginning with the 2024-25 school year, district and school-level team members who have been fully trained in a previous school year must complete an annual refresher training provided by the Office within the first sixty (60) calendar days of school. Any district or school-level team member who does not complete the annual refresher within the first sixty (60) calendar days of school must not serve on the SBTMT or DTMT in any capacity until such time as they retake and successfully complete Day One Florida Model Training.

(h) Reporting. Each district school safety specialist must ensure that all threat management teams in the district report to the Office on the team's activities during the previous school year, with required reporting due annually by June 15 for the preceding school year. The Office will provide reporting instructions prior to the start of each school year, that will include at a minimum the following metrics:

1. Number of cases reported to the SBTMT Chair;

2. Number of students evaluated by the SBTMT, broken down by sex, race, grade level, and existence of an IEP, 504, or behavior intervention plan at the time of evaluation;

3. Number of cases closed by the SBTMT Chair as unfounded; after referral for self-harm assessment; or as a low level concern without review by the full SBTMT;

4. Number of cases the SBTMT Chair referred to the full SBTMT for review;

5. Number of cases categorized by the SBTMT as unfounded, low, medium and high levels of concern;

6. Number of SSMPs implemented after cases categorized as low, medium, and high levels of concern; and

7. Number of cases referred to the DTMT categorized as medium and high levels of concern;

(5) Statewide Threat Management Portal. Upon availability, each SBTMT and DTMT must utilize the Florida Model Instrument in the Florida School Safety and Threat Management Portal (STMP) to document and manage all reported threats or concerning behaviors and communications. The date when the STMP will be available will be posted on the Office of Safe Schools website at https://www.fldoe.org/safe-schools/. The STMP will be accessible via the Department's Single Sign-On application, available at www.fldoe.org/sso. Access to the STMP is limited to SBTMTs, DTMTs, and Department employees who need access in order to carry out their official duties.

(6) Charter Schools. Charter schools are responsible for establishing SBTMTs and conducting threat assessments as required by this rule. DTMCs and DTMTs must oversee and support charter schools sponsored by or under contract with the district to the same extent they do for traditional public schools.

(7) Charter Schools Sponsored by a College or University. The Florida College System institution or university board of trustees must establish a District Threat Management Team and assign a District Threat Management Coordinator to oversee and provide support for threat management for all charter schools that fall under the sponsoring entity, in accordance with the Florida Model. Charter schools are responsible for establishing SBTMTs and conducting threat assessments as required by this rule.

(8) Virtual Schools. Virtual schools are responsible for establishing SBTMTs and conducting threat assessments as required by this rule. Florida Virtual School must also establish a District Threat Management Team and assign a District Threat Management Coordinator.

(9) The following forms are hereby incorporated by reference and made a part of this rule. Copies may be obtained from the Florida Department of Education, 325 West Gaines Street, Tallahassee, FL 32399-0400. Upon availability of the STMP, the Threat Management Instrument forms must be completed within the STMP.

(a) Florida Harm Prevention and Threat Management Manual, Form OSS-001 (http://www.flrules.org/Gateway/reference.asp?No=Ref-18219), effective August 2025.

(b) Florida Harm Prevention and Threat Management Instrument, Form OSS-002 (http://www.flrules.org/Gateway/reference.asp?No=Ref-18220), effective August 2025.

# THREAT MANAGEMENT ROLES AND RESPONSIBILITIES

Every school district is responsible for ensuring the integrity of the threat management process during the school year, including summer school, including assignment of the following roles and responsibilities:

**Primary District Threat Management Coordinator (Primary DTMC):** A person in each school district designated by the superintendent, or lead administrator where there is no superintendent, to oversee the district's harm prevention and threat management program. The Primary DTMC is the direct liaison between the school district and the Department of Education's statewide threat management coordinator. Pursuant to Rule 6A-1.0019, F.A.C., the Primary DTMC is responsible for ensuring the fidelity of the district's threat management program, which includes ensuring that all school threat management team personnel are appropriately trained. The Primary DTMC also serves on the District Threat Management Team.

**Secondary District Threat Management Coordinator (Secondary DTMC):** A person in each school district designated by the superintendent, or lead administrator where there is no superintendent, to provide support to the district's threat management process at the discretion of the Primary DTMC. The Secondary DTMC also serves on the District Threat Management Team.

**District Threat Management Team (DTMT):** Rule 6A-1.0019, F.A.C., and the Florida Model require each district superintendent, or lead administrator where there is no superintendent, to establish a District Threat Management Team, which is a multidisciplinary team that will receive referrals from the SBTMTs and assess serious situations. The DTMT must include the District Threat Management Coordinators, persons from school district administration and persons with expertise in counseling, instruction, and law enforcement. The Primary DTMC must Chair the DTMT. The DTMT may provide ongoing support and recommendations to the SBTMT as needed. The DTMT will also support the charter schools sponsored by or under contract with their school district.

**School-Based Threat Management Team (SBTMT):** Section 1006.07(7), F.S., and Rule 6A-1.0019, F.A.C., require each school (as defined in rule) to have a School-Based Threat Management Team. The SBTMT is a multidisciplinary team at the school level and is comprised of at least four members with expertise in counseling; school instruction; law enforcement; and a school administrator. The SBTMT must also include a member with personal knowledge of the student of concern that is being evaluated by the team. Additional members of the team may be assigned by the school principal, or equivalent, as long as these four required roles are filled. Required team members must meet the following:

- **Counseling:** The counseling team member must be a school-based mental health services provider that is able to access student mental health records. This person must be a school psychologist certified under Rule 6A-4.0311, F.A.C., a school social worker certified under Rule 6A-4.035, F.A.C., a school counselor certified under Rule 6A-4.0181, F.A.C., or a mental health professional licensed under Chapter 490 or 491, F.S., who is employed or contracted by a district to provide mental health services in schools. This must not be the school principal, or equivalent.

- **Instruction:** The instruction team member must be a person who meets the definition of instructional personnel under Section 1012.01(2)(a)-(d), F.S., or someone who holds a current Florida Educator Certificate under Section 1012.56, F.S. This must not be the school principal, or equivalent.

- **Administration:** The administrator team member must be a person who meets the definition of administrative personnel under Section 1012.01(3), F.S. This must not be the school principal, or equivalent, unless they are the only administrator at the school, because the principal has administrative oversight of the SBTMT.

- **Law Enforcement:** The law enforcement team member must be a sworn law enforcement officer, as defined by Section 943.10(1), F.S., including a School Resource Officer, school-safety officer, or other active law enforcement officer. At a minimum, a law enforcement officer serving on a threat management team must have access to local Records Management System information, the Criminal Justice Information System, and the Florida Crime Information Center and National Crime Information Center databases. Officers serving on school-based threat management teams must also have clearance to review Criminal Justice Information and Criminal History Record Information. This must not be the school principal, or equivalent.

    - A school guardian, as defined under Section 1006.12(3), F.S., or a school security guard, as defined under Section 1006.12(4), F.S., may not serve as the law enforcement member of a threat management team. However, because of their role and need for situational awareness, school guardians and security guards may be appointed to the SBTMT by the principal or equivalent.

    - Because all SBTMT members must be trained in the threat management process, calling a patrol officer who has not been trained in threat management to serve *ad hoc* as the law enforcement member of an SBTMT meeting is not permitted. Charter schools will likely have to meet with the sheriff or police chief to have a law enforcement officer designated for their school who will serve on the SBTMT.

- **Personal Knowledge:** If none of the designated SBTMT members are familiar with the student of concern being assessed, the Threat Management Chair must assign a member of the school's instructional or administrative personnel, as defined in Section 1012.01(2) and (3), F.S., who is familiar with the student being evaluated to consult with and provide background information to the SBTMT. Consulting personnel do not have to complete Florida Model training and may not participate in the decision-making process. Consulting personnel are assigned on a case-by-case basis.

**Threat Management Chair and Vice-Chair:** The principal, or lead administrator, of each school is required to appoint a Chair and Vice-Chair of the SBTMT. The Vice-Chair performs the Chair's duties in the Chair's absence or unavailability. The SBTMT Chair is the point person at each school for threat management and receives initial reports of all threats and concerning behavior that may result in harm toward self or others (although imminent threats must always be first reported directly to law enforcement). The SBTMT Chair is responsible for assessing and triaging each reported threat or concern and determining whether it has a factual basis and whether the matter should be summarily closed or reviewed by the entire SBTMT.

# STANDARDIZED THREAT MANAGEMENT OPERATIONAL PROCESS

This section outlines the essential framework for threat management teams to conduct school-based threat assessments and manage threats or address other concerning behavior in Florida schools.

**Reporting Responsibility for Members of the School Community**
*Where an imminent threat to life or physical safety exists, school personnel must immediately report the matter to law enforcement.*

Each school district must provide multiple avenues for information affecting school safety to be easily conveyed and received. The FortifyFL anonymous reporting app and various other options are provided so that potential threats can be easily reported. School personnel are responsible for knowing the reporting options in their districts.

If you see something, say something. Effective threat management relies on all school employees, volunteers, and service providers reporting any threat or concerning behavior. All students, parents, guardians and caregivers are *strongly encouraged* to report any threat or concerning behavior.

Reports of concerns that may represent a threat to the community, school, or self must be routed to the Chair of each school's SBTMT for intake, initial evaluation, and an initial merit determination. The Chair must be well identified to everyone on each school campus.

**The school-based threat management process involves:**

1. Identification of threatening or concerning behavior and reporting to the SBTMT Chair;
2. Determining if the reported claim has a factual basis;
3. Evaluating the reported claim for threat of harm to self, others, or both;
4. Determining if the case should be referred to the full SBTMT;
5. Initial assessment to assign a preliminary level of concern and determine if interim SSMP is necessary;
6. Information gathering through interviews and data collection;
7. Assigning a concern level
8. If not unfounded or low level of concern, evaluating for Medium or High level of concern;
9. Referral to DTMT for some Medium cases and all High levels of concern;
10. Creating SSMP, when appropriate; and
11. Continual monitoring of the student during the SSMP period and continual evaluation of the SSMP to ensure it is effective;

**Step 1: Report- Concerns are Reported to Chair**
Concerning communications or behavior may be personally received or observed by school personnel, or personnel may receive reports from others. Regardless of the source, school personnel must immediately report any behavior or communications that may constitute a threat or concern regarding school safety to the SBTMT Chair. Before or after school hours, school personnel should immediately report the situation to law enforcement for evaluation if appropriate, and report it to the Chair as soon as possible but no later than immediately upon returning to school on the next school day. There should be no unnecessary delay reporting a threat or other concerning behavior. If a school administrator receives the information before the SBTMT Chair, the time for the chair of the SBTMT to review the report and complete the Intake and Case Disposition form begins at that time. The Chair must use the Intake and Case Disposition form (Form A) to document the receipt of the threat or other concerning behavior.

FROM: Dr. Ernie Lozano, Task Assigned
Chief Safety & Security Officer

VIA: Dr. Angela R. Fulton
Deputy Superintendent, Teaching & Learning

SUBJECT: **2025-2026 BEHAVIORAL THREAT MANAGEMENT (BTM) PRINCIPAL VERIFICATION FORM**

**RATIONALE:** Per Rule 6A-1.0019 School Safety Requirements and Monitoring, all school principals must identify the School Based Threat Management Team (SBTMT) members including a school administrator (not the principal), a mental health professional, an individual with expertise in instruction, and a law enforcement officer. The SBTMT must be designated before the start of school. Team members who have not previously completed training must complete Florida Model Training before the start of the school year. Those appointed to threat management teams after the start of the school must complete Florida Model Training within thirty (30) days of appointment. All Florida Model Training certificates are required to be printed and kept on file at each school's location.

**ACTION: All schools must complete and sign a 2025-2026 Principal Verification Form by Friday, July 25, 2025.** The required information for the SBTMT members **must** be entered in the BTA FileMaker Pro Database. The database can be accessed through the BTA Canvas Course located here. Click on the BTA FileMaker Pro Database icon on the main page of the course and follow the instructions provided. After accessing the database, identify your four core SBTMT members, Chair (must be an administrator) and Vice Chair (the instructional or counselor), and verify their completion or enrollment in the Florida Model Training. For any SBTMT member changes made after the initial form is completed, an email must be sent to BTASupport@browardschools.com.

In addition to the Florida Model Training, the Office of Safe Schools will provide a self-paced, online *2025-2026 Annual Refresher Review Course* for all SBTMT members and school principals who were trained before July 1, 2025. We will share additional information from the State once this training becomes available.

If you have any questions, please **call the Behavioral Threat Management support team at 754-321-3550 or email BTASupport@browardschools.com**. Thank you for all you do to ensure the safety of students and staff.

SUBJECT: **2025 – 2026 BEHAVIORAL THREAT MANAGEMENT UPDATES**

**RATIONALE**: As we enter the 2025–2026 school year, the Behavioral Threat Management (BTM) Department remains committed to fostering a safe and supportive learning environment for all students and staff. This memo outlines critical updates, training requirements, and procedural expectations aligned with Florida State Rule 6A-1.0019 and School Board Policy 4380. It serves as a comprehensive guide for School-Based Threat Management Teams (SBTMTs), school administrators, and district personnel, ensuring the consistent implementation of the Florida Threat Management Model, timely documentation, and effective threat awareness and reporting practices. Your adherence to these updates is essential in maintaining a proactive and unified approach to school safety.

**2025-2026 Training Requirements for Threat Management**

**ACTIONS:**

1. Per State Rule 6A-1.0019 Threat Management, all members of SBTMT, school principals, and District Threat Management Teams must be trained in the Florida Model.
2. The assigned SBTMT Chair at each school must ensure all Core Team members and the principal completed the required training.
3. In addition to the 8-hour training, school Principals, SBTMT Chairs, and Vice Chairs must complete a 4-hour face-to-face Role-Specific training course. The Florida Threat Management Model Training must be completed before registering for the Behavioral Threat Mgmt – Role Specific (Course# 39126129).
4. For SBTMT members trained before July 1, 2025, there will be a self-paced, online Annual Refresher training provided by the Office of Safe Schools to be completed by September 9, 2025. Link: Florida Model Refresher Training
5. The BTM Department will hold mandatory Monthly All-Chair Meetings on the last Wednesday of each month (except for November and December) at 10 a.m.

| BTM Mandatory All-Chair Meeting Dates | | | | |
|---|---|---|---|---|
| **8/27/2025** | **9/24/2025** | **10/29/2025** | **11/19/2025** | **12/17/2025** |
| **1/28/2026** | **2/25/2026** | **3/25/2026** | **4/29/2026** | **5/27/2026** |
| **Teams Link: BTM Mandatory All Chair Meeting** | | | | |

6. The Behavioral Threat Management Department now has a SharePoint site. All SBTMT training certificates (Florida Model, Role Specific, Refresher, and SESIR training) will be stored digitally within the BTM SharePoint. All certificates for the SBTMT must be uploaded into SharePoint in the appropriate Folder by August 31, 2025.

**GUIDANCE:**

- Newly identified team members can register for the Florida Threat Assessment Model (Course # 39133468) in Learning Across Broward (LAB).
- Any questions regarding Threat Management training, please email Eliana.Elhefnawy@browardschools.com.
- Per SB Policy 4380, all new SBTMT members have 30 calendar days from day 1 of their appointment to complete the required training.
- The focus of Refresher Training will be on how to navigate the new State Portal. The BTM Department will offer Hot Labs to focus on the new portal throughout the year to assist SBTMTs.
- Every Principal, Chair, and Office Manager has been granted access to their school's digital folder. Please reach out to the BTM Department if you need access to your school folder in our SharePoint.
- Instructions on how to upload the certificates can be found in BTM Canvas Course Resources.

**2025-2026 Behavioral Threat Management Monthly Meeting Requirements**

**ACTIONS:**

1. Per Rule 6A-1.0019 School Safety Requirements and Monitoring. All schools are required to conduct Behavioral Threat Management (BTM) Monthly Meetings.
2. Every school must conduct the first BTA Monthly Meeting for the school year and update all active Monitoring and/or Safety Plans on or before Friday, August 8, 2025. All supportive actions must be in place for full implementation to occur on the first day of school.
3. Every student currently on an active Student Support Management Plan (SSMP) must be discussed during the monthly meetings. The team must review the documentation, showing all actions listed in the monitoring plan have been implemented with fidelity.
4. A handwritten sign-in sheet for each BTA Monthly Meeting must be uploaded into the Behavioral Threat Management SharePoint folder labeled "BTM 25-26 Documents" for your assigned school within 2 school days of the meeting. Electronic and/or Adobe signatures will not be accepted. The sign-in sheet for the BTM Monthly meeting can be found in BTM Canvas Course Resources.

**GUIDANCE:**

- These meetings must be documented in the Office of Safe Schools State Portal. Access to the portal will be via Clever for both traditional and charter schools.
- The meetings are required to be posted by the 20th of every month for both traditional and charter schools.
- Current SSMPs must remain active for the start of the school year to support the student through the month of August.
- All members of the School Based Threat Management Team (SBTMT), a school administrator, a mental health professional, an expert in curriculum/instruction, and a law enforcement officer, are required to participate (in-person or virtual) during each meeting. If any member of the team is unable to attend, the meeting must be rescheduled.
- A list of all students with active SSMPs can be exported from Focus. Instructions on how to pull the report are in the BTM Canvas Course Resources.
- Instructions to assist with the initial review before the first school day in the State Portal will be forthcoming.

**Providing Information and Guidance for Threat Awareness and Threat Reporting**

**ACTIONS:**

1. Per Rule 6A-1.0019, every school is required to provide guidance to all students, faculty, and staff regarding recognition of concerning behavior or threats and must identify members of the school community to whom concerning behaviors and threats should be reported.
2. During Planning Week, before the end of day on **August 8, 2025**, the Chair must present the Florida Model: Awareness for All School Staff Training presentation provided by the Office of Safe Schools. The All-Staff Training Presentation can be accessed in the BTM Canvas Course under BTM Presentations.
3. A sign-in sheet for all participating staff must capture a handwritten signature for all attendees and be uploaded into the Behavioral Threat Management SharePoint folder labeled "BTM 25-26 Documents" for your assigned school by **August 12, 2025**.
4. Presentations on Threat Reporting for Students provided by Safety, Security, & Emergency Preparedness must be shared with students within the first 5 days of school (by August 15, 2025). Evidence of completion (lesson plans, student assembly agenda, etc.) must be uploaded into the Behavioral Threat Management SharePoint folder labeled "BTM 25-26 documents" for your assigned school by Monday, **August 18, 2025**.

**GUIDANCE:**

- At the start of the school year, staff must inform students of threat awareness and threat reporting processes within the first five days of school.
- The See Something, Say Something/ Fortify Florida presentations, listed by grade level, can be accessed in the BTM Canvas Course under BTM Presentations.
- Every teacher should post the See Something, Say Something and the Help Is Here posters provided by the district inside each classroom and review them with students.
- Schools must also inform parents/guardians of the Fortify FL Application and tip reporting options. The BTM Department has incorporated this into Focus with the back-to-school information and the parent/guardian's first login into Focus. The training can be found in the BTM Canvas Course under BTM Presentations.

- Schools should have processes in place to ensure signed Code of Conduct forms are on file. Schools can hold assemblies to review this information with all students and share this information with families at Open House, Meet Your Teacher events, PTA/PTO meetings, etc.

**Access the Statewide Threat Management Portal**

**ACTIONS:**

1. Per State Rule 6A-1.0019, by August 1, 2025, each SBTMT and DTMT must utilize the Florida Model Instrument in the Florida School Safety and Threat Management Portal (STMP) to document and manage all reported threats or concerning behaviors and communications.
2. Access will be limited to SBTMTs, DTMTs, and Department employees who need access to carry out their team membership roles.

**GUIDANCE:**

- Access will be via the BCPS Single Sign-On application (Clever).
- Schools that have an SRO will need to have their IMT submit an IDM request for the Law Enforcement Officer to have access to Clever and the State Portal.
- VPN Group should be set to School Applications.
- Complete non-employee's name, work email address, and cell phone number. The law enforcement Officer must use the municipality's email address.
- Purpose of account should be set to "Other", and the purpose to be entered is "FLDOE SSO – Behavior Threat Management".
- Four-digit location number will be 9726.
- Expiration date should default to June 30, 2026. If not, it is an editable field for up to 1 year.
- Once approved, the LEO will receive an email address with their P number.
- An IT service desk ticket (**via ITservicedesk@browardschools.com**) will need to be sent to include the LEO's name, assigned school, and P8 number generated by the IDM request.
- Schools that use Broward School's Police already have a P number and can access it through Clever.
- For Charter Schools using outside vendors supporting schools for Mental Health Services will also need to have a P8 number and should work with the IMT at their location to obtain that number to access the Charter instance of Clever.
- Access to the state portal is also contingent on completion of all required state training and the Refresher for the 25-26 school year.

If you have any questions, please contact the **Behavioral Threat Management Department at 754-321-3550 or email BTASupport@browardschools.com**. Thank you for all you do to ensure the safety of students and staff.

**The following pages are excerpts of the draft minutes of the Audit Committee Meeting of January 29, 2026 that are specifically related to the Internal Audit Report Behavioral Threat Management – Training Program for the School Year 2025–2026.**

**The complete minutes, which include Committee discussion on matters not related to this item, are scheduled for Committee discussion and approval at their next scheduled meeting on March 12, 2026.**

MS. SHAW: Actually, the amendment to my motion was that this is reviewed -- reviewed sooner versus later.

MS. FERTIG: All right. Is everybody willing to take that as a friendly amendment, that the review occur --

MR. NAYLOR: Timely.

MS. FERTIG: -- quickly?

Okay. All in favor?

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you so much. And we look forward to future reviews there.

MR. BRUNSON: Thank you.

MR. BORNO: Thank you.

MS. FERTIG: Okay. We are going to, if it's all right, Mr. De Meo has to leave, I'd like to go to number 13, the Behavioral Threat Management - Training Program for the School Year 2025-26.

And who -- who from the District is going to be commenting on this?

Oh, hi.

MS. PRITYKINA: Hi.

MS. SHAW: Madam Chair, while we're getting

everyone seated, actually, we need a motion to extend time.

MS. FERTIG: We're not at 12:30.

MS. SHAW: 12:30 was the time? I believe the motion that was made in the past was --

MS. FERTIG: Well, we have until 12:30, so why don't we wait and see if we can beat that.

MS. SHAW: Okay.

MS. FERTIG: Okay. All right. Do you all want to make any kind of opening statement here?

MR. RHODES: May I go first, just one point?

MS. FERTIG: Yes, go ahead.

MR. RHODES: I apologize. But I just wanted to remind the board that there are a couple of different points during the year at which these internal funds reports have to be transmitted to the board --

MS. FERTIG: Right.

MR. RHODES: -- due to policy. So this one needs to get to them by March. I just wanted to make sure that we knew that so if there are any amendments or motions --

MS. FERTIG: Yeah, we're gonna -- we're gonna make it through this.

MR. RHODES: Okay.

MS. FERTIG: Okay? All right.

MS. PRITYKINA: Okay. So, hi. Elena Pritykina, I'm a manager with the Office of the Chief Auditor. So, just, I'll try to briefly present this report. This report covered the Behavioral Threat Assessment Program requirements for training of the employees who conduct the behavioral threat management assessments throughout the year and this report covers the 25-26 school year. Because the majority of the departments are done at the start or at the beginning of the school year so that actually covers the entire year. This report covers only the training of the team members -- assignment and training of the team members and orientation for students faculty and stuff as required per the policy and Florida Administrative Code. And this report does not include a review of the actual assessments. And it doesn't include the charter schools, as well.

So we did have nine attributes which in detail are presented on page -- I'm sorry, okay, on page 10 of the report. So nine attributes covered all the requirements and we reviewed all of the locations, 229 of them, including 223

schools K-12 and there were six adult and three kindergarten centers. And out of nine attributes we have two that we found -- that we have findings in for 27 locations out of 229 locations reviewed.

So two findings were related to completeness and timeliness of the BTM training and the other one was timeliness of school-based staff orientations.

Before going into the findings, though, I wanted to bring to your attention that we noticed the significant improvement in compliance comparing to the last year findings and we did identify there was a centralized SharePoint site created by the BTM department to improve oversight of this process which we believe contributed significantly to improvements in compliance.

And, for example, in some of the -- we had -- last year we had 94 schools who did not upload any documentation which resulted in delays in review and contributed to noncompliance as well. And this year we had only three schools who didn't upload the information when it was required and they provided it to us upon the

request.

So there was also significant improvements in training, timeliness of training for the Florida Model Refresher. And last year it was a 10 percent error, this year it's only -- there is nothing. So they all did it timely.

If you would like some more information about the background of this program and what was reviewed we have all the details on pages 6 and 7 of this report.

And as far as the findings, we considered them a low risk level because the majority -- so for finding number 1, we have only two errors and out of three required trainings all the district employees who are on the teams are required to have Basic Florida Model One training and all the employees had that training completed. So there were only two employees who didn't have role-specific training uploaded into their additional roles, so it's an additional training, and there was one employee who didn't complete their refresher. So that employee was trained before, they just needed to update their training this year. And because all of these items were already rectified before the findings were

presented to the management, that is considered as it was taken care of during the normal business duration.

And then in the second finding -- I'm sorry, in the timeliness of that training we had 22 instances. And, again, the refresher training was all timely completed and we had only issues for three employees in day one training which were newly hired teachers and there was just a very small gap in timeliness of completing their training. And the specific training happened to 19 employees. And, again, all that was rectified before we provided the findings to the management.

So the second finding for timeliness of school-based staff orientation we had three schools -- three schools that completed the orientation but they didn't complete it by the District's required due date, before the first day of school. However, they completed it the following week.

So that is pretty much everything. If you have any questions?

MS. FERTIG: Okay. Mr. De Meo.

MR. DE MEO: Yeah. Compliance with the

training, nine attributes seem to involve training, seems to be pretty high, which is good, I think, compared to, you know, what we've seen in the past and this is a relatively new program, but I do have questions.

We don't have any testing of the student side of it, the threats -- the threat management student side. Will that report -- is there a report that we would expect soon on that?

MR. RHODES: No, sir. What we were able to do with the data that we still have access to was to look at the training component. But now that there's the state database and the informing goes directly from the District's team into that database, we have already done all the checking that we can do from all angles and the Florida Administrative Code and any statutory references to this new system has not allowed for either access by the auditors or for even access to make that request to get access to it.

MR. DE MEO: So we can't do any testing on our own?

MR. RHODES: No. Essentially, what that's going to be is that the new auditors for this program is going to be the state based on

information provided by the various districts and/or charter schools.

MR. DE MEO: Okay. And then the charter schools, are they subject to the threat -- to the Florida Harm Prevention Threat Management legislation? Are they --

MR. RHODES: I'll leave that to my staff to answer because I think they have a more in-depth answer for you.

MS. PUNZI-ELABIARY: Kim Punzi-Elabiary, Director of Threat Management, the charter schools are held responsible for State Rule 6A-1.0019, which is the threat management rule, and they are required to attend our training, they are required to enter into the state portal just like traditional schools. Everything applies to charters.

MR. DE MEO: Are we responsible for them? Is the school district responsible for that compliance with the charter schools?

MS. PUNZI-ELABIARY: Well, as the district threat management coordinator I have to read and approve their -- their documents. They have -- we have oversight over them. I do document noncompliance. They have to come through the

training and things like that, but they have their own management company so I'm not sure exactly who -- who has -- I mean, I do what I can to ensure compliance with our charter schools as far as retraining, documenting their deficiencies, et cetera, and reaching out to the state if I have to, because there has been an issue in the past where I had to do that, but my recommendations or my deficiencies that I catch go to their -- through the charter school management office and then eventually to their -- their own management companies.

MR. DE MEO: What do you do with noncompliance issues that you find, you know, irrespective of what the --

MS. PUNZI-ELABIARY: Regardless of traditional school or charter school we are -- so Eliana is my backup, she's secondary district threat management coordinator, so we are documenting our noncompliance. As we read through threat assessments we're documenting timeline deficiencies, we're documenting deficiencies within the process via email, unless they're egregious, then I write a memo where the principal and the chair need to -- and possibly

the vice chair or the entire team needs to come through retraining.

MR. DE MEO: I'm -- I'm -- the training I understand. What about the individual threats, the student problems, what -- do you test or keep track of any lack of compliance with that process?

MS. PUNZI-ELABIARY: So if -- for the student support management plans are we talking?

MR. DE MEO: Yes.

MS. PUNZI-ELABIARY: Okay. So students -- we do hold the schools accountable for uploading evidence of documenting the interventions provided on a monthly basis. So they have to post their monthly meeting that addresses each individual student on a plan and then upload into our SharePoint that was mentioned in the audit report the documentation to support that they've implemented it with fidelity and my team works through all of those documents.

MR. DE MEO: You know, working up to the plan when there is a threat, are you involved with that, compliance with that? Are you aware of --

MS. PUNZI-ELABIARY: So -- right, so part of the process --

MR. DE MEO: Are you privy to that information? Can you access that information.

MS. PUNZI-ELABIARY: The plan, itself?

MR. DE MEO: No, not the plan, before it. It may not result in a plan. Maybe there is some threat and it's evaluated as to whether it's low or high or whatever, do you test or are you aware of compliance or do you look at compliance with --

MS. PUNZI-ELABIARY: Yes, so we have to -- I actually have to approve every threat assessment, itself, and sign off on it, on its validity, accuracy, et cetera. So does the principal. So before it gets to me it goes through the principal.

MR. DE MEO: Can you give us a report on that?

MS. PUNZI-ELABIARY: On?

MR. DE MEO: Compliance.

MS. PUNZI-ELABIARY: On my findings of noncompliance?

MR. DE MEO: Yes.

MS. PUNZI-ELABIARY: So I have already started to do that and a quarterly report is drafted. We're just waiting for review by Chief

Gregory and then we will provide that to audit committee.

MS. FERTIG: So we should see that in March.

MS. PUNZI-ELABIARY: Yeah, for at least quarter 2. I have quarter 2 done.

MR. DE MEO: That's all I got.

MS. FERTIG: All right. Dave.

MR. RHODES: At one point not long ago when this information started to come out about the new portal that was being implemented, a board member asked me to determine whether or not the District had liability where these charter schools were concerned. And the information that I obtained and talked with legal at some point, it was determined that this board is only liable for the schools that it provides the leadership over, meaning the traditional schools. Each individual charter school or like a cluster of charter schools that might be under a management company, they have their own respective boards who are equally liable for them or their group.

MR. DE MEO: I'd like to see our general counsel's opinion on that, I really would, in a formal opinion.

MR. RHODES: Yeah, we can -- we can ask for

that. And I'll also look through the records to try to find what I received and it was probably about a month -- probably about two months ago now because I believe it was before the holidays even revved up.

MR. DE MEO: Man, if I were the external auditors I'd want something from the school board's general counsel indicating that -- that's a huge contingent liability, huge. We need some documentation on that.

MR. RHODES: As I mentioned earlier --

MS. FERTIG: We need documentation from the general counsel's office.

MR. DE MEO: From the general counsel; yeah.

MR. RHODES: As I mentioned earlier, the line in the sand seemed to be the difference between it being a traditional school under this school board versus various schools that had their own 501(c)(3)s and their own respective companies that we do not have any control over, therefore, they would necessarily have to provide the information through the same portal, through their own access on any of these threat assessments that they were working on and working toward.

MS. FERTIG: In the interest of time, if we could just get a report on that maybe at our next meeting or you could send a -- you can respond to us via email about what you have on that.

Is there anything else on the report before us?

MR. NAYLOR: Yeah, I'd like to compliment the department on how well things have cleaned up. My question is -- this is for school-based staff and students. Is there a threat assessment for other locations?

MS. PUNZI-ELABIARY: So --

MR. NAYLOR: Is there a policy; is there any --

MS. PUNZI-ELABIARY: So our policy and the state policy is K-12. However, I -- I have included our technical centers' students.

MR. NAYLOR: What about your bus drivers, your --

MS. PUNZI-ELABIARY: So we do not do threat assessments on adults.

MR. NAYLOR: If somebody notices something that's going on, you know, there's -- there's opportunities from school-based staff to say something, but what about the rest of the staff?

And I'm just bringing that up as a question.

MS. PUNZI-ELABIARY: So we -- under -- under the threat management office, we do have warning signs, a training that every -- every staff member has to take, but the process of a threat assessment is only applicable currently to someone enrolled at a Broward County school whether it be traditional or charter.

MR. NAYLOR: Okay. Thank you.

MS. PUNZI-ELABIARY: You're welcome.

MS. FERTIG: Yes.

MR. GREGORY: If I -- maybe just to add onto that Chief Mike Gregory, Chief Safety & Security Officer for the school district, Kim is correct, the portal and the structured behavioral threat assessment process is designed for K-12 students. Any adult or employee situation would go through a traditional HR and/or disciplinary process for -- and the police department process to review a threat of an employee or a threat about an employee. All personnel has acces to the FortifyFlorida reporting tool, anonymous reporting tool. We monitor those threats that come through the FortifyFlorida tool as well as anything that comes through our 1-800 number, or

our dispatch number. We have reporting, a tips website. Employees and/or anyone else can report tips about an employee through that website. They go back to our police department, they get reviewed. We also coordinate with the Broward Sheriff's Office threat assessment team that they run countywide. So there is a lot of visibility. As well as the State of Florida Threat Assessment Fusion Center. So we have a lot of visibility into the adult world through those other tools. And then this tool is for the students.

MR. NAYLOR: Right. Right. Thank you.

MS. FERTIG: Okay. Is there a motion to transmit this report?

MR. NAYLOR: Motion to transmit.

MS. SHAW: Second.

MS. FERTIG: Second, Phyllis.

Okay. It's been moved and seconded to transmit the Behavioral Threat Management Training Program for the School Year 2025-26 Audit. All in favor?

COMMITTEE MEMBERS: Aye.

MS. FERTIG: Opposed?

(No response.)

MS. FERTIG: Okay. Thank you.

**EXECUTIVE SUMMARY**

Audit of the Internal Funds of Selected Schools

**Board Meeting Date:** March 10, 2026

**Requested Action:** Receive Internal Audit Report for the Audit of the Internal Funds of Selected Schools.

**School Board Policy Requirement/Authority:** Policies 1700 Office of the Chief Auditor & 3410 Internal Funds

**Statutory Requirement/Authority:** 6A-1.001 F.A.C & Florida Statute1001.42(12)(l)

**District-zone Impact:** District-wide

**Impact of the School Board's Vote:**
**- If the School Board votes "Yes":** The Board would formally receive the audit report on the Internal Funds of Selected Schools in accordance with applicable laws, rules and policies.
**- If the School Board votes "No":** The Board would not formally receive the audit report as required by Florida statute, which could result in noncompliance with statutory oversight requirements.

**Background/History**

This report includes the audited internal funds of fifty (50) schools for the 2024-25 school year. Forty-five (45) schools generally complied with controls in place without exception to promote compliance with the School Board's policies and procedures. There are five (5) schools with audit exceptions.

| Responsible School | Exception | Rating | Financial Impact |
|---|---|---|---|
| Charles Drew Elementary School | Receipting Documentation – BC-40P receipts for cash collections were not retained and presented for audit as required by Florida Redbook Chapter 8. | High | Unable to Determine |
| Discovery Elementary School | Disbursements – Purchase Cards – A P-card reconciliation review indicated that the school overspent the amount pre-loaded with the Business Support Center by $3,020.65. | High | -$3,020.65 (School Level) |
| | School Improvements – The school utilized funds in excess of generally allowable 10-15% for staff related items which are restricted expenses per Chapter 8. Management response rejected the OCA recommendation. | High | -$6,499.90 (School level) |
| Falcon Cove Middle School | Disbursements – The improper procedure of voiding checks resulted in a duplicate payment of $2,779 to a vendor in September 2024. The auditor requested | High | $2,779 (School Level) |

| Responsible School | Exception | Rating | Financial Impact |
|---|---|---|---|
| | that the school follow up again with the vendor which resulted in the refund of the duplicate payment in November 2025. | | |
| Nova Eisenhower Elementary School | Disbursements – Purchase Cards – A P-card reconciliation review indicated that the school overspent the amount pre-loaded with the Business Support Center by $6,479.01 | High | -$6,479.01 (School level) |
| South Plantation High School | Fundraising – School did not complete fundraising financial statements for Parking as required by Redbook Chapter 8 and Standard Practice Bulletin I-402. Additionally, for a separate fundraiser it was noted that sales in the amount of $308 were not deposited in the school's account. | High | -$308 (School level) |
| | Disbursements – Purchase Cards – A P-card reconciliation review indicated that the school did not receive a refund of their unused pre-loaded amount from the Business Support Center of $7,080.26. | High | $7,080.26 (School level) |

The Audit Committee reviewed and approved the transmission of this report to the School Board at the January 29, 2026 Audit Committee meeting.

**Alignment to 2027 Goals and Guardrails:**
This item aligns with Guardrail 4: Accountability, which includes expectations, evaluation, transparency, and continuous improvement.

**Measurable Outcome(s)/Return on Investment:**
Promote compliance with regulatory requirements and School Board policies and procedures.

**Financial Impact, Funding Source & Budget Status:**
- There is no financial impact to the District.

| ACTION | DATE | Budgeted in Current FY Yes/No | Funding Source(s) and Code(s) | AMOUNT | TERM (months) |
|---|---|---|---|---|---|
| Original spending authority request | N/A | N/A | N/A | N/A | N/A |
| First Amendment/Renewal – additional spending authority | N/A | N/A | N/A | N/A | N/A |

Members of the School Board of Broward County, Florida
Members of the School Board Audit Committee
Dr. Howard Hepburn, Superintendent of Schools

Ladies and Gentlemen,

We have audited the Statement of Changes in Fund Balances for the Internal Funds of fifty (50) schools pursuant to the Florida State Board of Education, Administrative Rule 6A-I.00 I and School Board Policy 1700. Each school is responsible for the preparation of the Statement of Changes in Fund Balances. Our responsibility is to express an opinion on these statements based on our audits.

We conducted our audits in accordance with generally accepted government auditing standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform these audits to obtain reasonable assurance that the financial statements are free of material misstatements. The audit at these schools included an examination of the Internal Funds.

An audit includes evaluating and examining, on a test basis, the financial statements and supporting documents. In planning and performing our audits of the schools' financial statements, we considered the internal control structures. Our review of the internal control structures facilitates the development of the audit procedures and the expression of an opinion on the financial statements. We believe our audits provide a reasonable basis for our opinion.

The schools' records were maintained in conformity with the School Board's accounting procedures for Internal Funds. These accounting procedures require all financial transactions be recorded on a cash basis method, with no records maintained on accounts receivables, accounts payable, or accruals. Accordingly, the Statements of Changes in Fund Balances, as shown in this report, do not present the financial position or the results of operations of the school in the manner required by generally accepted accounting principles.

Our audits indicated that forty-five (45) schools in this report generally complied with prescribed policies and procedures. The five (5) remaining schools' reports contained audit exceptions.

In our opinion, the Statement of Changes in Fund Balances for the schools present fairly the changes in fund balances of the schools' Internal Funds, arising from cash transactions.

We wish to express our appreciation to the administration and staff for their cooperation and courtesies extended during our audit.

Sincerely,

Dave Rhodes
Chief Auditor

INTERNAL AUDITOR'S REPORT

## AUTHORIZATION

State Board of Education Rule 6A-1.1001, Florida Administrative Code, requires District School Boards to provide for audits of Internal Funds. In accordance with School Board Policy 1700 and the Audit Plan for the 2025-26 fiscal year, the Office of the Chief Auditor has audited the financial statements for the location listed in the Table of Contents section of this report. The financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. These financial statements are the responsibility of the Principal/Director. Our responsibility is to express an opinion on these financial statements based on our audits.

## SCOPE, OBJECTIVES, AND METHODOLOGY

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. We selected and tested a representative sample of receipts and disbursements for the audited location. We also analyzed selected activities where the location generated significant revenues. An audit also includes assessing the accounting principles and significant estimates made by the administration, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

We perform our audits with the objectives of:

- expressing an opinion on the financial statements of the location.
- evaluating compliance by the location with the policies and procedures prescribed by the Standard Practice Bulletins.
- evaluating the internal control structure at the location to determine the extent to which selected control environment factors promote compliance with the policies and procedures prescribed by the Standard Practice Bulletins.

We conducted our audits in accordance with generally accepted government auditing standards issued by the Comptroller General of the United States. Those standards require we plan and perform these audits to obtain reasonable assurance that the financial statements are free of material misstatements.

Financial Statements

In our opinion, the financial statements contained in these audit reports present fairly, in all material respects, the changes in fund balances arising from cash transactions of the location, on the cash basis of accounting.

Compliance

We also tested compliance with selected policies and procedures prescribed by the Florida Department of Education Financial and Program Cost Accounting & Reporting for Florida Schools and Standard Practice Bulletins.

Internal Control Structure

In planning and performing our examinations, we obtained an understanding of the:

- internal control structure established by the administration.
- operational internal control policies and procedures relevant to cash receipts and disbursements.
- assessed level of controlled risk to determine the nature, timing, and extent of substantive tests for compliance with applicable laws, administrative rules, and district policies; including the reliability of financial records and the safeguarding of assets.

The scope of our audits also included an assessment of the controls in place at the location to promote compliance with the Standard Practice Bulletins, which contain the procedures established to control the use of the Internal Funds. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that material errors or irregularities in the location's financial records, cash receipts, and disbursements, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

The results of our audit for the individual locations are included within the report.

# Section I:

## Audit Reports with Exceptions

# THE OFFICE OF THE CHIEF AUDITOR
# SUMMARY OF INTERNAL AUDIT REPORTS WITH EXCEPTIONS
