By implementing these measures, the school will ensure that its financial records are securely stored, easily accessible, and compliant with relevant regulations. This systematic approach contributes to the transparency, accountability, and responsible financial management of the school's operations. Summit Academy Charter School III will create a secure environment for electronic records, protecting sensitive information from unauthorized access and ensuring compliance with data protection regulations.

H. Describe the insurance coverage the school will obtain, including applicable health, workers compensation, general liability, property insurance, and directors' and officers' liability coverage.

Enter content here

The School agrees to provide the following proof of insurance:

- Errors and Omissions coverage to include prior acts, sexual harassment, civil rights and employment discrimination, breach of contract, insured versus insured, consultants and independent contractors and with minimum policy limits of $2,000,000.00. The insurance shall be subject to a maximum deductible not to exceed $25,000 per claim. If the insurance is on a claims-made basis, the School shall maintain, without interruption, the Professional Liability Insurance until three (3) years after termination of this Charter;
- General liability coverage written on an occurrence form with minimum policy limits of $1,000,000.00 per occurrence and an aggregate limit of $2,000,000.00; Business automobile coverage with the same limits as general liability.
- Property insurance shall be secured for buildings and contents. Property Insurance coverage for the "Building" includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.

The School further agrees to secure and maintain property insurance for the School's personal property, and to insure all of the District's owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.

Summit Academy Charter School III offers a comprehensive employee benefits package designed to support the health and well-being of its staff. Employees are provided health insurance through United Healthcare, ensuring access to quality medical services. In addition to health insurance, the school offers a $10,000 life insurance policy to eligible employees. Staff also have the option to enroll in additional coverage for dental and vision insurance, as well as the opportunity to purchase short-term or long-term disability insurance to help protect against income loss due to illness or injury. This benefits package

reflects Summit Academy Charter School III's commitment to providing essential resources that contribute to a supportive and caring work environment.

The School agrees to provide adequate Workers' Compensation insurance coverage as required by Chapter 440, Florida Statutes.

Fidelity Bond and Crime Coverage: The School shall purchase Employees Dishonesty or Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School's administrators and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million ($1,000,000) dollars per loss/two million ($2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty or Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.

No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured.

Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for which evidence was provided. Should any of the above described policies be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.

Attach any insurance policies or related documents (optional)

The narrative on internal controls in this section lacks sufficient detail regarding the specific areas of the school's financial operations that will be subject to control and the nature of the controls to be implemented."

Concern was added at 10/14/2025 12:33 PM by Ella Ahgal

I agreed with Mr. Reynaldo Tunnermann. It would be helpful if we could expand on this section and provide more clarity on which areas of financial operations we are targeting and the exact controls we plan to implement. This will ensure a comprehensive understanding and proper execution of our internal control measures.

7. Start-Up Plan

Reviewer Instructions

The Start-Up Plan should provide a clear roadmap of the steps and strategies that will be employed to prepare the school to be ready to serve its students well on the first day of operation.

Statutory Reference(s):
s. 1002.33(7)(a)16.
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Provides a thoughtful and realistic implementation plan that covers major operational items and provides flexibility for addressing unanticipated events.

Form Result

A. Present a projected timetable for the school's start-up, including but not limited to the following key activities:

i. Applying for and securing appropriate legal status (e.g. status as a state corporation, federal non-profit)
ii. Identifying and securing facility
iii. Recruiting and hiring staff (leaders, teachers, and other staff)
iv. Staff training
v. Finalizing curriculum and other instructional materials
vi. Governing board training
vii. Policy adoption by Board (if necessary)
viii. Recruiting students
ix. Enrollment lottery, if necessary
x. Establishing financial procedures
xi. Securing contracted services
xii. Fundraising, if applicable
xiii. Finalizing transportation and food service plans

xiv. Procuring furniture, fixtures and equipment
xv. Procuring instructional materials

The activities included should align with the start-up budget described earlier in the application. If an activity will be paid for by a source of funding not included in the start-up budget, it should be clearly indicated. (This timetable is a projection and is not meant to be binding on the school or sponsor. A formal timeline may be negotiated in the charter agreement)

Here is a projected timetable for the start-up of the school, outlining key activities aligned with the start-up budget:
Action Plan:
November 2025:

- Apply for legal status as a state corporation and federal non-profit.
- Begin discussions and negotiations with potential facility providers.
- Continue legal status application process.
- Research and finalize potential facility options.

December 2025

- Secure legal status as a state corporation and federal non-profit.
- Secure facility lease or purchase agreement.
- Develop and implement a recruitment plan for key positions.
- Establish and implement recruitment plan for students.

January 2026:

- Continue legal and financial preparations.
- Develop a detailed staff recruitment plan.
- Begin General Enrollment Period and follow Lottery Guidelines
- Establish Financial Procedures

February 2026 – March 2026:

- Receive Charter Approval

- Recruit and hire essential staff positions.
- Initiate background checks and reference checks for staff candidates.
- Continue General Enrollment Period and follow Lottery Guidelines.
- Order Furniture, Fixtures and Equipment.
- Governing Board Training
- Establish Financial Procedures

April 2026:

- Finalize key leadership positions and teacher recruitment.
- Develop and implement staff orientation and training plans.
- Continue General Enrollment Period and follow Lottery Guidelines.

- Order Textbooks
- Policy Adoption by Board
- Secure Contracted Services (including Transportation and Food Services)

July 2026:

- Conclude staff recruitment and hiring.
- Initiate staff training on school policies, safety procedures, and curriculum.
- Finalize curriculum and instructional materials for teachers.
- Continue Enrollment Period and follow Lottery Guidelines.

Please note that this timetable is a projection and subject to adjustments based on various factors such as facility availability, regulatory requirements, and unforeseen circumstances. As requested by the evaluation criteria, this timeline simply addresses major operational items and provides flexibility in time for unanticipated events. As allowed by state statutes a formal timeline will be negotiated and included in the charter agreement.

Evaluation Criteria: Start-Up Plan

Reviewers will look for a thoughtful and realistic implementation plan that covers major operational items and provides flexibility for addressing unanticipated events.

VII) ADDENDA

Instructions

This addendum to the Model Florida Charter School Application is required of any applicant seeking any of the following:

- Replication of existing schools or school models*
- School operation or management via contract with a third-party education service provider (ESP**)

*An applicant may be considered to be replicating an existing school design if: 1) the proposed school is substantially similar overall to at least one school, AND 2) the individuals or organization involved in the establishment and operation of the proposed school are deeply involved in the operation of the similar school(s). For example, a plan to implement a specific program, such as a widely-used curriculum, would not be categorized as the replication of an existing school design.

**An ESP is any third-party entity, whether non-profit or for-profit, that provides comprehensive education management services to a school via contract with the school's governing board.

Complete each section as applicable:
Addendum A – Applicants seeking to replicate an existing school or school model
Addendum A1 – Applicants seeking to replicate a high-performing charter school per s. 1002.331, F.S.
Addendum B – Applicants contracting with a third-party ESP

Applicants must complete all applicable sections of the addendum. Some applicants will be required to complete multiple addenda. Schools replicating a high-performing charter school pursuant to s. 1002.331, F.S., are not required to complete Addendum A.

1. Replications

Reviewer Instructions

The Replications section should identify the school to be replicated and provide evidence that the model has been successful in raising student achievement, while also describing the capacity of the organization to operate an additional school.
Statutory Reference(s):
s. 1002.33(6)
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.
- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.
- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

Form Result

A. Identify the existing school(s), including MSID number(s), to be replicated and provide evidence that the existing design has been effective in raising student achievement. The effectiveness of an existing school design should include evidence of the success of the academic program as well as organizational and financial viability. It should show a direct relationship between program elements and student achievement.

The existing school to be replicated is Summit Academy Charter School, located in Broward County, Florida, with MSID number 5320. Summit Academy Charter School has a track record of success in raising student achievement and demonstrating organizational and financial viability. Below are key points of evidence supporting the effectiveness of Summit Academy's design:

- Academic Success: Summit Academy Charter School has consistently earned high academic ratings and performance grades from the State of Florida. The school has earned consecutive "A" ratings, which indicates exceptional student achievement and progress.
- Student Achievement: Summit Academy has shown a direct correlation between its educational program and improved student achievement. This includes higher proficiency rates in standardized assessments and continuous academic growth among its students, including subgroups.
- Financial Viability: The school has operated without any significant financial corrective actions since its inception, demonstrating strong financial management and stability.
- Organizational Efficiency: Summit Academy has established efficient organizational systems and processes, which have contributed to its academic and operational success.
- Parent and Community Satisfaction: Evidence of positive parent and community feedback, as well as support for the school's mission and operations, demonstrates the effectiveness of its design.
- Teacher and Staff Retention: The school's ability to attract and retain qualified teachers and staff is indicative of a positive working environment and effective organizational practices.
- Consistency in Performance: Summit Academy Charter School has maintained its high level of performance over multiple years, providing evidence of the sustainability of its educational model and earning accreditation from Cognia.
- Operational Integrity: The school has adhered to state and federal regulations, including financial reporting and compliance with charter school laws.

Summit Academy Charter School's proven success in academic achievement, financial stability, and organizational effectiveness provides compelling evidence that its educational program design is effective. This success serves as a strong foundation for replication in the proposed Summit Academy

Charter School III, with the aim of delivering high-quality education and raising student achievement in a similar manner.

B. Discuss the key components or non-negotiable elements of the educational program that make the school design what it is and that the operator will expect to remain consistent and essential to the successful replication of the model.

The key components and non-negotiable elements of our educational program are the foundation of our school design. These elements are integral to our success, and we fully expect them to remain consistent and essential throughout the replication process. Here are the core components that define our school model:

- Humane Sciences Integration: The integration of Humane Sciences into our curriculum is a non-negotiable element. This interdisciplinary approach not only sets us apart but also drives our mission to cultivate compassionate, globally conscious citizens. We firmly believe that nurturing empathy, ethical reasoning, and social responsibility is essential for students to thrive in an increasingly interconnected world. This component will remain consistent across all our schools.
- Inclusive Learning Environment: Our commitment to providing an inclusive learning environment where every student is valued and respected is unwavering. We prioritize diversity, equity, and inclusion in all aspects of our school culture. This non-negotiable element fosters a sense of belonging among our students and staff, enhancing their overall educational experience.
- Community Partnerships: Strong community partnerships are fundamental to our success. We actively engage with local organizations, businesses, and educational institutions to enrich our students' learning experiences. These partnerships provide real-world connections and opportunities for students to apply their knowledge and skills. We expect all our schools to prioritize and cultivate these community relationships.
- Compassionate Leadership: Our leadership model, which places a high value on compassionate leadership, is essential. Leaders who model empathy, kindness, and ethical decision-making set the tone for the entire school community. We will ensure that all our schools have leaders who embrace and exemplify these qualities.
- Global Citizenship: Preparing students to become active global citizens is a core goal. This includes fostering an understanding of global issues, promoting cultural competency, and encouraging students to engage in local and global initiatives. This commitment to global citizenship will remain consistent across all our schools.
- Innovative Curriculum Design: We pride ourselves on our innovative curriculum design that incorporates best practices in education. This includes project-based learning, experiential opportunities, and a focus on critical

thinking and problem-solving. These instructional methods will continue to be at the heart of our educational program.

- Data-Informed Decision-Making: We emphasize the use of data to inform instructional practices and school improvement efforts. This data-driven approach allows us to continuously assess our effectiveness and make informed decisions. All our schools will prioritize this element.
- Professional Development: Ongoing professional development for our educators is crucial. We invest in training and support to ensure that our staff is well-equipped to deliver our curriculum effectively. This commitment to professional growth will be consistent across all our schools.

In summary, these key components and non-negotiable elements define our school design and are central to our mission of cultivating compassionate, globally conscious citizens. We are committed to maintaining their consistency and integrity as we replicate our model, as they are fundamental to the successful replication and impact of our schools.

C. Describe how the target population for the proposed school compares with the population(s) currently being served. Explain why the model will be effective and successful in raising student achievement with the applicant's target population.

It's beneficial to know that the demographics of the area where the proposed school will be located are like those of the existing school (Summit Academy Charter School in Broward County, FL). The similarity in demographics can be advantageous for several reasons:

- Cultural Relevance: A school that mirrors the local demographics is often better equipped to provide culturally relevant education. This can include curricular materials, teaching approaches, and community engagement strategies that resonate with the population being served.
- Community Connection: Similar demographics can facilitate stronger community connections. Parents and community members may find it easier to relate to and trust a school that reflects their own backgrounds and experiences.
- Language Proficiency: If the population includes a significant number of non-English speaking families, having bilingual staff or robust English Language Learner (ELL) programs can be highly beneficial for student success.
- Understanding Needs: Educators who are familiar with the challenges and strengths of a particular demographic can be more effective in tailoring instruction to meet the unique needs of those students.

D. To the extent that the target population for the proposed school differs from the populations being served in existing schools, explain any anticipated modifications and adjustments to the educational program.

While Summit Academy Charter School III will closely replicate the successful educational model of Summit Academy, adjustments may be necessary to address differences in the projected student population. If Summit Academy Charter School III's student demographic differs substantially from Summit Academy's, the following modifications will be implemented to ensure student success:

Curriculum Adaptation

- Cultural Relevance: If Summit Academy Charter School III serves a more diverse or different cultural demographic compared to Summit Academy, the curriculum will be adapted to reflect and respect the diverse backgrounds of the students. This includes incorporating culturally relevant materials and perspectives to make learning more relatable and inclusive.
- Language Support**:** For a student population with varying levels of English proficiency, additional support will be provided through targeted English Language Learner (ELL) programs. This may include bilingual resources, language development workshops, and specialized instruction to ensure all students can fully access the curriculum.

Special Education Services

Increased Support: If Summit Academy Charter School III's student population includes a higher percentage of students with special needs compared to Summit Academy, the school will enhance its Exceptional Student Education (ESE) services. This includes providing individualized education plans (IEPs), additional support staff, and specialized resources to meet the needs of students with disabilities.

- Differentiated Instruction: Adjustments to teaching methods will be made to ensure that all students, including those with learning differences, receive the appropriate level of support. This may involve differentiated instruction techniques, assistive technologies, and additional training for teachers.

Community and Parental Engagement

- Tailored Outreach: If the student population includes a different socioeconomic or community profile, Summit Academy Charter School III will tailor its community and parental engagement strategies. This may involve establishing partnerships with local organizations, offering workshops and resources for parents, and

creating outreach programs to support families from diverse backgrounds.

- Support Services: For students from underserved communities, additional support services such as counseling, after-school programs, and enrichment activities will be provided to address potential gaps in academic and social support.

School Environment and Culture
Inclusive Practices: The school environment will be adjusted to promote inclusivity and respect for all students. This includes creating a school culture that celebrates diversity, addresses potential biases, and fosters a positive and supportive atmosphere.

- Student Well-being: Programs focused on student well-being and mental health will be adapted to meet the needs of the specific student population. This may include implementing and providing resources to support students' emotional and psychological needs.

Professional Development for Staff

- Targeted Training: Staff will receive professional development tailored to the unique needs of the student population. This training will focus on culturally responsive teaching, differentiated instruction, and effective strategies for working with diverse learners.
- Ongoing Support: Continuous support and training will be provided to ensure that teachers and staff are equipped to meet the evolving needs of the student body.

By implementing these modifications, Summit Academy Charter School III will ensure that its educational program remains effective and responsive to the unique characteristics of its student population, thereby maintaining the high standards of academic success exemplified by Summit Academy.

E. Describe any other ways in which features of the proposed school's educational program will differ from that of the school(s) to be replicated. Explain the rationale for the change(s) and any new resources that the variation(s) will require.

It's important to note that maintaining consistency with the educational program of the existing school, especially when it has demonstrated success, can be a strategic choice in a replication effort. By minimizing significant changes, the school will benefit from the proven effectiveness of the current model while extending its impact to a new community.

However, even when maintaining consistency, it's essential to remain vigilant about the evolving needs of the student population and the community. Regular assessments and feedback from parents, students, and teachers will help identify areas where minor adjustments might be beneficial. These adjustments can often be made without major resource implications.

F. Discuss the plan for replication, including if the operator will need to acquire and allocate additional financial and human resources necessary to replicate the design successfully. If additional resources are necessary, describe the plan for securing.

Summit Academy Charter School III in Broward County is designed as a replication of Summit Academy, a high-performing charter school in Broward County. Summit Academy has earned its reputation through academic excellence, innovative teaching strategies, and strong community engagement. By following the same successful model, Summit Academy Charter School III aims to bring the same level of high-quality education to the students of Broward County. Below, we describe how Summit Academy Charter School III will mirror Summit Academy's educational, organizational, and business plans to ensure a seamless replication of this successful charter school.

Educational Plan

Summit Academy Charter School III in Broward County will replicate the proven educational framework that has led Summit Academy to achieve high performance in Broward County. Both schools emphasize inquiry-based learning, small class sizes, and differentiated instruction to meet the diverse needs of students. The curriculum at Summit Academy Charter School III will be aligned with Florida State Standards, ensuring academic rigor across core subjects.

At both Summit and Summit Academies, students benefit from individualized attention and a student-centered approach. Teachers are trained in data-driven instruction, allowing for targeted support and enrichment based on formative and summative assessments. The integration of technology will be a key feature in both educational plans, allowing for blended learning opportunities and real-time student progress monitoring.

Summit Academy Charter School III will also use project-based learning and collaborative classroom environments, ensuring students engage deeply with content while developing skills essential for 21st-century success. The curriculum will foster critical thinking, creativity, and problem-solving skills, preparing students for future academic endeavors and real-world challenges.

Organizational Plan

The organizational structure at Summit Academy Charter School III will follow the successful model of Summit Academy, which maintains a collaborative, supportive, and efficient school culture. Both schools are committed to small leadership teams that foster close relationships between the administrative staff, teachers, students, and parents. This decentralized, community-focused approach ensures decision-making is responsive to the needs of all stakeholders.

Summit Academy Charter School III will implement teacher professional development programs, modeled after Summit

Academy, that focus on curriculum delivery, student data analysis, and classroom management strategies. Parental involvement will be a key component at Summit Academy Charter School III, as it is at Summit, with initiatives designed to encourage active participation through parent-teacher associations and regular communication channels.

The school's governing board will mirror the governance structure that has proven effective at Summit Academy, ensuring that Summit Academy Charter School III maintains strong financial health, compliance with state regulations, and alignment with the school's mission. A focus on transparency and accountability in governance will remain a priority.

Business Plan

The business plan for Summit Academy Charter School III will closely replicate Summit Academy's sustainable and fiscally responsible model. Like Summit Academy, Summit Academy Charter School III will operate with a focus on financial transparency, internal controls, and adherence to legal and regulatory requirements. Prudent budgeting practices will ensure that resources are efficiently allocated to support student learning while maintaining long-term financial sustainability.

Both schools emphasize the importance of maintaining sustainable enrollment numbers. Summit Academy Charter School III will implement a strategic marketing plan to attract families from the local community, leveraging a reputation for academic excellence and word-of-mouth. Maintaining a waitlist will ensure stable enrollment year-round, a strategy that has been successful at Summit Academy.

Additionally, Summit Academy Charter School III will seek grants and strategic partnerships to enhance operational capacity, following Summit Academy's approach. Performance-based management tools will be used to assess the financial health and operational efficiency of the school, ensuring sound business practices are in place from the outset.

The plan for replication is a critical aspect of successfully expanding the school model. While no major modifications are foreseen at this time, it's essential to anticipate the potential need for additional resources, both financial and human, as the replication process unfolds. Here are some key considerations:

Financial Resources: Even if the plan is to maintain consistency with the existing school model, there may still be financial requirements associated with a new school. These can include start-up costs for facilities, curriculum materials, technology infrastructure, and initial staff training. It's essential to have a clear financial plan that accounts for these needs. In the event

and in anticipation of needing additional financial resources, a line of credit offered to the school will be used.

Human Resources: While the teaching and administrative staff at the new school may follow a similar structure to the existing school, the recruitment, hiring, and training of personnel for the new location are essential. The school will identify any gaps in staffing that may arise as the new school is established. We will consider how top talent will be attracted and how they will be well-prepared to implement the model effectively.

Community Engagement: Replicating a successful school model involves building relationships and trust within a new community. This will require additional efforts in terms of community outreach, parent engagement, and partnerships. Funds have been secured through Education RE for these activities as needed.

Professional Development: Even if there's a plan to maintain consistency in the educational program, ongoing professional development for staff is crucial. This includes training to ensure that all educators are fully aligned with the school's educational philosophy and practices.

In summary, while the goal is to replicate a successful school model, it's prudent to prepare for potential resource needs that can arise during the replication process, and we have done so. A well-defined plan for securing these resources, as well as a timeline for when they will be needed, is essential for a successful replication effort. Additionally, flexibility is key; the ability to adapt to unforeseen challenges or opportunities is critical in the replication process.

G. Discuss the results of any past replication efforts, if applicable, and lessons learned – including particular challenges or troubles encountered; how you have addressed them; and how you will avoid or minimize such challenges for the proposed school.

There are no replications operating at this time. An application for replication was approved in 2023 and another three in 2024 the schools will open in the Fall of 2026 and 2027, respectively.

Evaluation Criteria: Replications

Reviewers will look for:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.

- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.
- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

This section was reviewed by Donte Collins and Rhonda Stephanik. Throughout the application and as a non-negotiable key component in the replication section B, Humane Sciences is identified as part of the educational program and that the operator will expect it to remain consistent and essential to the successful replication of the model. This key component is not evident in the approved application for Summit Academy 5320. How can this application be a true replication with a different curriculum focus?

Reviewer Instructions

The ESP section should provide a rationale for contracting with the ESP, evidence of ESP success in operating high-quality charter schools, the capacity of the ESP to successfully operate this school, and evidence that the governing board and ESP are able to operate free from conflicts of interest.

Statutory Reference(s):

s. 1002.33(6)(a)

Evaluation Criteria:

A response that meets the standard will present an action plan that:

- A clear explanation of the reasons for contracting with an education service provider and how and why the ESP was selected and a description of the due diligence employed to assess the capacity of the ESP.
- Sufficient evidence of the ESP's previous academic, organizational, and financial success and capacity for future success that make it more likely than not that it will be successful with the proposed school.
- Evidence of the ESP's organizational capacity to manage an additional school or schools as determined by its growth plan.
- A comprehensive list (Form IEPC-MIA) of all schools affiliated with the ESP and ensuing performance data used to support the selection of the ESP (past and current).
- Evidence of success working with similar populations to the target population. If there are deficiencies or lack of experience working with the target populations, then reviewers will look for a sufficient explanation of programmatic adjustments that will be made to ensure success with any new school(s).
- A clear delineation of the roles and responsibilities and decision-making authority of the school's governing board and the ESP, structured to ensure a clearly defined arm's-length, performance-based relationship that is free from conflicts of interest. This includes evidence that the school's governing board has a clear plan for holding the ESP accountable for negotiated performance.
- A clear delineation of the term of the management agreement, the conditions, grounds and procedures by which the agreement may be renewed and terminated, and a plan for continued operation of the school in the event of termination.
- A draft of the proposed contract with all key terms included.

Form Result

An Education Service Provider (ESP) is an organization, either for-profit or nonprofit, that contracts with a charter school or a network of charter schools to provide comprehensive educational and business services. In addition to Addendum B, applicants must also complete Form IEPC-M1A if the governing board plans to contract with an ESP. The following section allows the applicant to demonstrate the ESP's track record of success and its ability to provide services for a new school(s).

ESP Selection

A. Explain why the applicant is seeking to contract with an ESP rather than operate the school(s) directly.

The applicant is seeking to contract with Charter School Partners, LLC, an Education Service Provider (ESP) for several reasons, all of which align with our mission and goals for providing the best possible educational experience to our students:

Expertise and Specialization: ESPs often have a wealth of experience and expertise in managing and operating schools. They specialize in educational management, which allows them to bring a level of professionalism and efficiency that can be challenging for independent operators to achieve. This specialization ensures that our schools are well-run from day one.

Focus on Educational Excellence: By partnering with an ESP, we can free ourselves from the administrative burdens of running a school and, instead, focus our efforts on educational excellence. This allows us to concentrate on curriculum development, instructional quality, and student support, ensuring that our students receive a top-tier education.

Financial Efficiency: ESPs can often leverage economies of scale and purchasing power, resulting in cost savings for the school. This efficiency means that more financial resources can be directed toward enhancing the educational experience for our students, such as investing in technology, specialized programs, or extracurricular activities.

Quality Assurance: ESPs often have established systems for quality assurance and accountability. They can provide robust data analysis and performance metrics, helping us continuously improve our educational programs. This ensures that we meet our mission and delivering on our promise to students and families.

Compliance and Regulatory Support: Educational regulations and compliance requirements can be complex and ever-changing. ESPs have experience navigating these challenges, ensuring that our schools remain in full compliance with all relevant laws and regulations. This minimizes potential risks and legal issues.

Access to Resources: ESPs often have access to a network of educational professionals, consultants, and experts. This resource network can provide valuable insights and guidance in areas such as curriculum development, teacher training, and student support services.

Risk Mitigation: Partnering with an ESP can help mitigate certain risks associated with running a school independently. ESPs often have insurance coverage and legal expertise to handle various unforeseen circumstances.

Community Engagement: ESPs can support our efforts in engaging with the local community, building partnerships, and

creating a positive school culture. This collaborative approach can enhance the overall educational experience for students and families.

In summary, contracting with an ESP allows us to capitalize on their specialized knowledge and resources, resulting in a more efficient and effective operation of our schools. By doing so, we can maintain a sharp focus on our mission of providing a high-quality education that prepares students for success while ensuring that our schools are well-managed and in compliance with all relevant regulations.

B. Explain how and why the ESP was selected. If this is the first time the applicant has contracted with this ESP, explain when and how the applicant learned of the ESP, what other ESPs were considered, and why the ESP was selected over other ESPs.

Some members of this Board currently work with Charter School Partners, LLC. at Summit Academy Charter School in Broward County, FL or Capstone Academy Charter School in Lee County, FL.

C. For applicants working with an ESP for the first time, provide summary information from reference checks conducted by the applicant (regarding the ESP), identifying each reference.

N/A

D. Describe whether and how the school's board has assessed the capacity of the ESP to successfully carry out the functions necessary to operate a high-quality charter school.

The school's board has conducted a thorough assessment of the Education Service Provider (ESP) to ensure its capacity to successfully carry out the functions necessary to operate a high-quality charter school. This assessment has been a critical part of our due diligence process and includes the following key components:

Review of ESP's Track Record: The board has reviewed the ESP's track record and experience in operating other charter schools. This includes examining the academic performance of schools managed by the ESP, as well as their financial and organizational stability. We have found that the ESP has a strong track record of success in all these areas.

Site Visits and Interviews: Board members and school leadership have conducted site visits to schools managed by the ESP. These visits have allowed us to see firsthand how the ESP operates its schools, interacts with students and staff, and maintains the physical facilities. Interviews with school leaders, teachers, and parents at these schools have provided valuable insights into the ESP's effectiveness.

Reference Checks: The board has conducted reference checks with other organizations and individuals who have worked with the ESP. This includes contacting other charter school boards, authorizers, and educational professionals who have collaborated with the ESP in the past. These references have provided positive feedback about the ESP's capabilities.

Financial Due Diligence: A comprehensive financial due diligence process has been carried out to assess the ESP's financial health and stability. This includes a review of audited financial statements, budgets, and financial projections. The ESP has demonstrated financial responsibility and stability.

Legal Review: Legal counsel has reviewed the management contract between the school and the ESP to ensure that it aligns with the school's best interests and complies with all applicable laws and regulations.

ESP's Educational Philosophy: The board has engaged in discussions with the ESP to ensure that its educational philosophy aligns with the mission and values of our school. We have confirmed that the ESP is committed to delivering a high-quality education that meets the needs of our students.

Clear Performance Metrics: The management contract includes clear performance metrics and accountability measures that the ESP must meet to ensure the successful operation of the school. These metrics cover academic performance, financial stability, and compliance with all applicable regulations.

Exit Strategy: The board has also discussed and established an exit strategy in case the partnership with the ESP does not

meet our expectations. This includes provisions for contract termination and transition planning.

Based on the comprehensive assessment, the school's board is confident in the ESP's capacity to successfully operate a high-quality charter school that aligns with our mission and goals. The ESP's track record, financial stability, and commitment to educational excellence make it a strong partner in our efforts to provide an exceptional education to our students.

ESP Background

A. Provide the mission of the ESP and an overview of the organization’s strategic vision, including, if applicable, a five-year growth plan, and rationale for managing new schools.

The mission of the Education Service Provider (ESP) is to transform education by providing innovative, high-quality educational services that empower students to achieve academic success and become lifelong learners and responsible global citizens. The ESP is committed to fostering a culture of excellence, equity, and innovation in education.

Strategic Vision:

The ESP's strategic vision is centered on several key principles:

Academic Excellence: The ESP is dedicated to delivering academic programs that challenge and inspire students to excel. It focuses on data-driven instruction, personalized learning, and research-based practices to ensure that students achieve their full potential.

Innovation: Embracing educational innovation is a cornerstone of the ESP's vision. This includes the integration of technology, experiential learning opportunities, and the continuous improvement of teaching and learning strategies.

Equity and Inclusion: The ESP is committed to promoting equity and inclusion in education. It strives to create diverse, inclusive, and culturally responsive learning environments where all students feel valued and supported.

Community Engagement: Building strong relationships with parents, families, and the community is a fundamental part of the ESP's vision. It recognizes the importance of collaboration between schools and their communities to ensure the success of every student.

Continuous Improvement: The ESP maintains a culture of continuous improvement at all levels. This includes ongoing professional development for educators, regular assessment and refinement of programs, and a commitment to adapt to evolving educational needs.

Five-Year Growth Plan:

The ESP has developed a strategic five-year growth plan that outlines its vision for expanding its impact on education. This growth plan includes:

Opening New High-Quality Schools: The ESP seeks to open new high-quality charter schools in communities where there is a demonstrated need for innovative and effective educational options. This expansion is driven by the belief that every student deserves access to an exceptional education.

Increasing Enrollment and Reach: Over the next five years, the ESP aims to increase enrollment in existing schools and new schools, serving a larger number of students across diverse communities.

Enhancing Program Offerings: The ESP plans to expand its program offerings to meet the evolving needs of students and prepare them for success in an ever-changing world. This may

include specialized programs in STEM (Science, Technology, Engineering, and Mathematics), the arts, or other areas of interest.
Growing Organizational Capacity: To support its growth plan, the ESP is committed to strengthening its organizational capacity. This includes enhancing leadership development, teacher training, and operational efficiency.
Rationale for Managing New Schools:
The ESP's decision to manage new schools aligns with its mission and vision for educational transformation. By managing new schools, the ESP can extend its innovative and successful educational model to more students and communities. This expansion allows the ESP to:

- Share best practices and innovations in teaching and learning across a broader network of schools.
- Leverage its experience and expertise to create positive educational outcomes for more students.
- Drive positive change and improvement in education on a larger scale.

Overall, the ESP's commitment to managing new schools is driven by its dedication to providing outstanding educational opportunities that empower students to thrive academically and personally.

B. Identify the ESP's leadership team and their specific roles and responsibilities. Include as Attachment BB an organization chart for the ESP.

Please see attachment BB for further information. This question is also extensively covered throughout Part II of the application.

ESP Track Record

A. Provide evidence of organizational capacity to open and operate high-quality schools in Florida and, if applicable, elsewhere in accordance with the overall growth plan. Outline specific timelines for building or deploying organizational capacity to support the proposed school. If the ESP intends to build capacity and add positions during the term of this proposed charter school, include an organizational chart of the proposed growth within the ESP leadership structure as Attachment CC.

The Education Service Provider (ESP) has a proven track record of opening and operating high-quality schools in Florida. Here is evidence of the ESP's organizational capacity:

Successful School Operations: The ESP currently operates Summit Academy Charter School (https://www.summitacademy.org/) in Broward County, Florida, which has earned consecutive "A" ratings from the State of Florida. Summit Academy's academic performance and organizational stability demonstrate the ESP's ability to run successful charter schools. The ESP also manages Capstone Academy Charter School in Lee County, a “B” rated school.

Experienced Leadership: The ESP's leadership team comprises experienced educators, administrators, and professionals who have a deep understanding of effective school management. The team's collective expertise includes curriculum development, teacher training, financial management, and community engagement.

Financial Viability: The ESP has maintained financial stability at Summit Academy Charter School, with no instances of financial corrective actions. This demonstrates the ESP's capacity to manage school finances effectively and responsibly.

Community Engagement: Summit Academy Charter School has established strong community partnerships and positive relationships with parents and families. The ESP's ability to engage with the community and build support networks is evident in its successful school operations.

Adherence to State Regulations: The ESP has a strong record of compliance with Florida's charter school regulations, including timely reporting, adherence to academic standards, and compliance with legal requirements.

The ESP's plan for building and deploying organizational capacity to support the proposed school aligns with the proposed school's growth plan. Here are the specific timelines:

Pre-Operational Year: In the pre-operational year, the ESP will focus on securing legal status, finalizing facility arrangements, and recruiting key leadership positions. During this time, it will also engage in outreach to the community to build support for the new school.

First Year of School Operations: The first year of school operations will involve the recruitment of teachers and essential staff positions, curriculum development and refinement, and rigorous staff training. The ESP will also work on establishing effective governance structures and building relationships with parents and community members.

End of the Charter Term: By the end of the charter term, the ESP aims to have the school fully operational, with a stable leadership team in place, a strong academic program, and a

track record of student success. Ongoing improvements will be made based on data and feedback.
Full Capacity: As the school reaches full capacity and beyond, the ESP's organizational capacity will continue to grow in parallel. The ESP will monitor performance, make refinements, and expand support services to meet the needs of a larger student body.
Please find attached an organizational chart (Attachment CC) that outlines the ESP's proposed growth within its leadership structure. This chart demonstrates how the ESP plans to add positions and build capacity over the charter term to support the successful operation of the proposed school.

C. Explain the ESP's success in serving student populations similar to the target population of the school. Describe the ESP's demonstrated academic track record (provide specific academic results on all schools using Form IEPC-M1A, attached as Attachment DD).

The Education Service Provider (ESP) has a strong track record of serving student populations similar to the target population of the proposed school. This success is demonstrated through the ESP's academic performance across its schools. Specific academic results for all schools managed by the ESP, using Form IEPC-M1A, are provided in Attachment DD.

The ESP has consistently achieved positive academic outcomes, including high student achievement and proficiency rates in core subjects. The following key points highlight the ESP's academic success:

Student Achievement: Across its schools, the ESP has consistently demonstrated high levels of student achievement. Student performance on state assessments and standardized tests has exceeded district and state averages.

Academic Growth: The ESP's schools have a track record of helping students make significant academic growth over time. This indicates that students are not only performing well academically but are also making continuous progress.

Closing Achievement Gaps: The ESP has been effective in addressing achievement gaps among various student subgroups. It has a commitment to providing equitable educational opportunities for all students, regardless of their background or circumstances.

College and Career Readiness: The ESP places a strong emphasis on college and career readiness. It has a history of preparing students for success beyond high school, with many graduates enrolling in post-secondary education or entering the workforce with relevant skills.

Positive Learning Environment: The ESP's schools foster a positive and supportive learning environment where students feel safe, engaged, and motivated to succeed. This contributes to overall academic success.

Parent and Community Engagement: The ESP actively involves parents and the community in the education process. This collaborative approach enhances student learning and strengthens the school's impact.

Attachment DD provides specific academic data, including student performance metrics and outcomes, from the ESP's schools. This data offers a comprehensive view of the ESP's success in serving student populations similar to the target population of the proposed school.

D. List and explain any management contract terminations as well as any charter revocations, non- renewals, withdrawals or non-openings that the ESP has experienced in the past five (5) years.

NONE.

Legal Relationships

A. Describe how the school's governing board is independent from the ESP and self-governing, including evidence of arm's-length negotiating.

The Management Agreement between Summit Academy Charter School III, its Governing Board, and the Education Service Provider (ESP), Charter School Partners, LLC, was negotiated using an arm's length policy, ensuring an impartial and fair process. Both parties operated independently, with distinct interests, ensuring no undue influence or conflicts of interest affected the negotiations. Additionally, legal counsel was engaged and approved by the Governing Board to review and guide the process, providing expertise to ensure compliance with all regulatory requirements and contractual best practices. This approach allowed for an objective assessment of roles, responsibilities, compensation, and performance expectations, aiming to benefit the school's mission and uphold legal and ethical standards. The arm's length policy, combined with legal oversight, fostered a professional relationship focused solely on advancing Summit Academy Charter School III's educational objectives and achieving sustainable operational success.

The governing board of Summit Academy Charter School III is independent from the Education Service Provider (ESP), demonstrating a self-governing structure that ensures an arm's-length relationship. This independence is essential to maintain the integrity and autonomy of the charter school. Several key factors illustrate the independence of the school's governing board:

Composition: The governing board is composed of local community members who are not employed by the ESP or have any direct financial interests in the ESP. This composition ensures that the board's decisions are made in the best interests of the school and its students, rather than influenced by external factors.

Decision-Making Authority: The governing board retains decision-making authority over critical aspects of the school, including academic programs, policies, budget approval, and personnel decisions. These decisions are made independently, with the board exercising its judgment and discretion.

Contractual Arrangements: The contractual relationship between the governing board and the ESP is structured to maintain the independence of the board. The contract outlines the respective roles and responsibilities of the board and the ESP, ensuring that the board has the final say in matters related to the school's operation.

Financial Independence: The school's budget and financial management are overseen by the governing board, ensuring that financial decisions are made in accordance with the board's priorities and objectives. The board has the authority to

approve the budget, monitor financial performance, and allocate resources as needed.

Accountability: The governing board holds the ESP accountable for its performance through regular evaluations, contract compliance reviews, and ongoing oversight. This accountability mechanism ensures that the ESP operates in alignment with the board's expectations.

Transparency: The governing board conducts its meetings and decision-making processes in a transparent manner, providing opportunities for public input and involvement. This transparency fosters trust within the school community and demonstrates the board's commitment to openness.

Conflict of Interest Policies: The governing board has established clear conflict of interest policies that require board members to disclose any potential conflicts. These policies further safeguard the board's independence.

In summary, the governing board of Summit Academy Charter School III operates independently from the ESP, with a focus on self-governance and arm's-length relationship. This structure ensures that the board can make decisions in the best interest of the school's students and maintain its autonomy while benefiting from the expertise and support of the ESP.

B. Explain whether the school has or will have any legal or contractual relationships with any subsidiaries or other entities or individuals that are affiliated[4] with or owned in whole or in part by the ESP. If so, identify the nature of those entities' business activities and describe how the governing board will ensure that any such relationships will not pose a conflict of interest or hinder the board's authority or ability to terminate the contract with the ESP.

The school does not currently have, nor does it plan to establish, any legal or contractual relationships with subsidiaries, affiliated entities, or individuals owned in whole or in part by the Education Service Provider (ESP). The governing board's relationship with the ESP remains independent and free of any affiliations that could potentially create conflicts of interest or limit the board's authority. This independence ensures that the board retains full authority to oversee, evaluate, and, if necessary, terminate the contract with the ESP, prioritizing the best interests of the school and its students.

C. Explain the supervisory responsibilities of the ESP (if any), including which school employees the ESP will supervise, how the ESP will supervise these employees, and how the school's governing board will oversee the ESP's supervisory responsibilities.

The Education Service Provider (ESP), Charter School Partners, LLC, will primarily be responsible for the day-to-day management and supervision of school operations and staff. The supervisory responsibilities of the ESP will encompass several key areas.

The oversight of the ESP's supervisory responsibilities will be a shared responsibility between the governing board of Summit Academy Charter School III and the ESP itself. The governing board will have a contractual agreement with the ESP that clearly outlines the scope of the ESP's supervisory role, performance expectations, and reporting mechanisms. The key elements of oversight include:

Contractual Agreement: The contractual agreement between the governing board and the ESP will specify the terms and conditions of the relationship, including the ESP's supervisory responsibilities. This agreement will serve as a guiding document for the ESP's activities.

Regular Reporting: The ESP will provide regular reports to the governing board regarding the performance of the school, including academic outcomes, financial status, and operational matters. These reports will allow the governing board to monitor the school's progress and ensure that the ESP is fulfilling its supervisory duties.

Performance Evaluation: The governing board will evaluate the performance of the ESP based on the agreed-upon key performance indicators (KPIs) and academic outcomes. This evaluation process will assess the effectiveness of the ESP's supervisory role and its impact on school operations and student achievement.

Oversight Committees: The governing board may establish committees, such as a Governance or Academic Committee, to oversee specific aspects of the school's operation, including the ESP's supervisory responsibilities. These committees will review reports and make recommendations to the full board.

The ESP will have supervisory responsibilities over various school staff, while the governing board will provide oversight to ensure that the ESP is fulfilling its role effectively and in alignment with the school's mission and objectives. The contractual agreement, regular reporting, performance evaluation, and oversight mechanisms will collectively support the successful supervision of school operations.

D. If the school’s governing board intends to enter into a financing agreement (promissory notes, loans, leases, lease-purchase agreements, other negotiable instruments, or any other facility or financing relationships) with the ESP:

- Ensure that such agreements are or will be separately documented and not part of or incorporated in the school management contract and do not hinder the governing

board’s authority and practical ability to terminate the management agreement and continue operation of the school.
- Provide evidence that the agreement was or will be reviewed by the governing board’s independent legal counsel or attorney and subject to a fair market analysis.
- Describe how such agreements will be repaid. Repayments should be reflected in the budget.

The school's governing board intends to enter into a financing agreement with the Education Service Provider (ESP), Charter School Partners, LLC. This financing agreement is in the form of a line of credit offered by the ESP, amounting to $250,000, with a 0% interest rate. The financing agreement has been reviewed and drafted by Arnold Law Firm, the board's independent legal counsel, to ensure its compliance with applicable laws and regulations.

i. Separate Documentation: The financing agreement is separately documented and is not part of or incorporated into the school management contract. It is an independent agreement that does not hinder the governing board's authority or practical ability to terminate the management agreement and continue the operation of the school.

ii. Legal Counsel Review: The financing agreement has undergone a comprehensive legal review by the board's independent legal counsel. This legal review ensures that the agreement is legally sound and protects the interests of the school.

iii. Repayment Plan: The financing agreement includes a repayment plan that outlines how the school will repay the line of credit provided by the ESP. The terms of repayment are reflected in the school's budget, ensuring that the school has a clear plan for repaying the borrowed funds.

The line of credit serves as a financial resource that the school can utilize for operational needs and contingencies. It has been established with favorable terms to support the financial stability and sustainability of the school while safeguarding the school's autonomy and governing board's authority. The financing agreement has been structured to benefit the school and its educational mission.

Organizational Structure

A. Provide a description of the roles and responsibilities of the ESP. This may include whether and how the specific roles and responsibilities set forth below may or may not be provided by the ESP, in order to summarize school- and ESP-level responsibilities. If some portions of a function are the responsibility of both the ESP and the governing board, please explain. The description should align with the management agreement with the ESP and provide a clear picture of what the ESP is responsible for.

- Setting Performance Goals Selecting Curriculum
- Selecting Professional Development programs
- Data Management & Selecting Interim Assessments
- Determining Promotion Criteria
- Setting a School Culture Student Recruitment
- School Staff Recruitment & Hiring
- Providing Human Resources (HR) services (payroll, benefits, etc.) Fundraising
- Managing Community Relations
- Selecting and Providing Information Technology Managing Facilities
- Procuring Vendors
- Other Operational and Administrative Services, if Applicable

4 The term “affiliated” means and includes one or more corporations or entities under the same or substantially the same control of a group of business entities which are connected or associated so that one entity controls or has the power to control each of the other business entities. The term “affiliated” includes, but is not limited to, the officers, directors, executives, shareholders active in management, employees, and agents of the affiliated corporation. The ownership by one business entity of a controlling interest in another business entity or a pooling of equipment or income among business entities shall be prima facie evidence that one business is affiliated with the other.

The Education Service Provider (ESP), Charter School Partners, LLC, will play a central role in the successful operation of the school. The division of roles and responsibilities between the ESP and the governing board is outlined in the management agreement, ensuring clarity and alignment with the school's mission and objectives.

Setting Performance Goals: The ESP will establish clear and measurable performance goals for the school. This includes academic achievement targets, growth metrics, and other key performance indicators.

Selecting Curriculum: The ESP will provide expertise in curriculum selection, including opting into the District Reading Plan as well as state standards and best practices in education. Curriculum decisions will be made in consultation with the governing board to meet the specific needs of the school.

Selecting Professional Development Programs: The ESP will identify and implement professional development programs for school staff to enhance their instructional and leadership skills. This will be done in alignment with the school's academic goals.

Data Management & Selecting Interim Assessments: The ESP will oversee data management processes, including the selection of interim assessments to monitor student progress. Data-driven decision-making will be a collaborative effort between the ESP and the governing board.

Determining Promotion Criteria: Promotion criteria (including 3rd grade promotion criteria for previously retained students) and policies will be developed by the ESP to align with the District Pupil Progression Plan and all State guidelines therefore supportive of academic standards and the school's educational philosophy.

Setting a School Culture: The ESP will work to establish and promote a positive school culture that emphasizes academic excellence, character development, and community engagement.

Student Recruitment: Student recruitment efforts will be led by the ESP will employ strategies to attract a diverse student body reflective of the community.

School Staff Recruitment: The ESP will oversee the recruitment of school staff, including teachers and administrative personnel, in accordance with established policies and procedures. Final staff selection will be at the discretion of the Principal.

Providing Human Resources (HR) Services (payroll, benefits, etc.): ~~The ESP~~ESP will manage HR services, including payroll and benefits administration, to ensure compliance with all relevant employment laws and regulations.

Fundraising: The ESP will develop and implement fundraising initiatives to support the school's financial sustainability.
Managing Community Relations: Community relations efforts will be the responsibility of the ESP. The ESP is tasked with the duty to build strong partnerships and engage with parents, families, and the local community.
Selecting and Providing Information Technology: The ESP will oversee the selection and provision of information technology resources and infrastructure to support teaching and learning.
Managing Facilities: Facility management will be coordinated by the ESP, including securing and maintaining appropriate facilities for the school's operation.
Procuring Vendors: Vendor procurement will be managed by the ESP to ensure that necessary services and supplies are obtained efficiently and cost-effectively.
Other Operational and Administrative Services, if Applicable: Any other operational and administrative services not explicitly mentioned will be managed as needed by the ESP in alignment with the goals and objectives of the school.
The collaborative partnership between the ESP and the governing board will be guided by the management agreement, which outlines the specific roles and responsibilities of each party. This clear division of labor will enable efficient and effective school operation while ensuring that the school's mission and vision are upheld.

B. Describe the oversight and evaluation methods that the board will use to oversee the ESP. What are the school-wide and student achievement results that the ESP is responsible for achieving? How often, and in what ways, will the board review and evaluate the ESP's progress toward achieving agreed-upon goals (e.g. external evaluator, surveys, or performance data analyses)? What are the conditions, standards, and procedures for board intervention, if the ESP's performance is deemed unsatisfactory?

The governing board will exercise rigorous oversight and evaluation of the Education Service Provider (ESP), Charter School Partners, LLC, to ensure that the ESP is effectively managing and operating the school while achieving agreed-upon goals. The oversight and evaluation methods include:

Performance Metrics: The board, in collaboration with the ESP, will establish clear and measurable performance metrics, including academic achievement targets, student growth measures, financial benchmarks, and other key performance indicators.

Regular Reporting: The ESP will provide regular reports to the board, presenting data and progress updates on academic, operational, and financial performance. These reports will be submitted on a quarterly basis.

External Evaluation: The board may engage external evaluators to assess the ESP's performance in accordance with the terms of the management agreement. This may involve academic audits, financial audits, and evaluations of operational efficiency.

Surveys and Feedback: The board may conduct surveys of key stakeholders, including parents, students, and staff, to gather feedback on the school's performance under the management of the ESP.

Data Analysis: The board will perform regular data analyses to assess student achievement and other performance indicators. Data-driven decision-making will inform evaluations.

Annual Performance Review: The board will conduct an annual performance review of the ESP, evaluating progress toward achieving agreed-upon goals, compliance with the management agreement, and alignment with the school's mission and vision.

Conditions for Intervention: The management agreement will outline clear conditions, standards, and procedures for board intervention in the event that the ESP's performance is deemed unsatisfactory. These conditions may include specific performance targets and timelines for improvement.

Corrective Action Plan: If the ESP's performance falls below established benchmarks, the board and the ESP will collaboratively develop a corrective action plan. This plan will outline steps to address deficiencies and a timeline for implementation.

Contract Termination: The management agreement will specify the circumstances under which the board has the authority to terminate the contract with the ESP. This may include repeated failure to meet performance standards or financial mismanagement.

Regular Review Meetings: The board and the ESP will hold regular review meetings to discuss progress, address concerns, and ensure alignment with the school's goals and objectives.

Transparent Communication: The board will maintain open and transparent communication with the ESP, fostering a collaborative relationship that prioritizes the best interests of the school and its students.

The school-wide and student achievement results that the ESP is responsible for achieving will be outlined in the management agreement, which will include specific academic, operational, and financial targets. These targets will be aligned with the school's mission and the goals set by the governing board.

The board's oversight and evaluation methods will ensure accountability and provide a mechanism for continuous improvement. The board is committed to working closely with the ESP to uphold the highest standards of educational excellence and operational efficiency. Should the ESP's performance fall short of expectations, the board will take appropriate action to safeguard the interests of the school and its stakeholders.

C. Describe the payment schedule, including all fees, bonuses, early termination penalties, and any other compensation to be paid to the ESP.

The payment schedule and compensation structure for the Education Service Provider (ESP), Charter School Partners, LLC, will be detailed in the management agreement, which will be executed in accordance with Florida law and with the guidance of the Board Attorney. Specific terms related to fees, bonuses, early termination penalties, and other forms of compensation will be outlined in the contract.

Payment terms are detailed in the management agreement, the payment schedule includes the following components:

Base Management Fee: This fee covers the basic management services provided by the ESP, including day-to-day operational support, academic program oversight, and administrative services.

Termination Penalties: The management agreement specifies penalties or financial consequences in the event of early termination by either party, with the terms and conditions clearly articulated.

Reimbursement of Expenses: The contract outlines the reimbursement of reasonable expenses incurred by the ESP in the management of the school.

Financial Reporting and Auditing Costs: The agreement includes provisions for financial reporting and auditing costs, including who will bear these expenses.

Fee Structure: The management agreement details the fee structure, including the frequency and method of payment (e.g., monthly, quarterly, annually).

Payment Process: The agreement specifies the process and timeline for payments, ensuring transparency and compliance with all relevant regulations.

The payment schedule is designed to align the interests of both the governing board and the ESP in achieving the school's academic and operational objectives. It is structured to promote accountability, transparency, and the efficient allocation of resources.

The governing board, in consultation with legal counsel, will work closely with the ESP to negotiate and finalize the terms of the management agreement, ensuring that it is in the best interest of the school and its stakeholders while adhering to applicable laws and regulations.

D. Describe the types of spending decisions the management organization can make without obtaining board approval? What reports must the ESP submit to the board on financial performance, and on what schedule? How will the school governing board provide financial oversight?

The management agreement between Summit Academy Charter School III's Governing Board and the Education Service Provider (ESP), Charter School Partners, LLC, requires that all spending decisions adhere to board-approved budgets and policies. Any significant or extraordinary expenditures, as well as any spending that deviates from the approved budget, require board approval. All financial transactions are processed through CharterAce, a secure financial management system that mandates dual approval from both the Governing Board President and the School Principal. This dual approval process ensures transparency, accountability, and strict adherence to Summit Academy Charter School III's financial policies and budgetary goals.

To ensure transparency and financial oversight, the ESP will regularly submit financial reports to the school governing board. The exact schedule and format of these reports will be detailed in the management agreement but may include the following:

- Monthly Financial Reports: The ESP will provide monthly financial statements that include a detailed breakdown of revenues, expenses, and budget variances. These reports will enable the board to monitor the school's financial performance on an ongoing basis. These reports will be submitted to the Sponsor.
- Quarterly and Annual Financial Audits: The ESP will facilitate quarterly and annual financial audits conducted by an independent auditor. These audits will assess the school's financial health and compliance with accounting standards. Audit reports will be shared with the board upon completion.
- Budget Proposals: The ESP will present annual budget proposals to the governing board for approval. These proposals will outline anticipated revenues and expenditures for the upcoming fiscal year, aligning with the school's educational goals and priorities.
- Ad Hoc Reports: In addition to regular financial reports, the ESP will provide ad hoc reports as needed or requested by the board. These reports could include updates on grant funding, capital improvement projects, or any financial matters requiring board attention.

Financial oversight by the school governing board will involve careful review and analysis of the reports submitted by the ESP. Board members will be responsible for:

- Reviewing Monthly Financial Statements: Board members will regularly review monthly financial statements to

assess the school's financial performance and identify any budget variances or concerns.

- Approving Annual Budget: The board will thoroughly review and approve the annual budget proposed by the ESP, ensuring it aligns with the school's educational priorities.
- Evaluating Audit Reports: The board will review audit reports to assess the school's compliance with financial regulations and the effectiveness of financial management.
- Monitoring Compliance: The board will monitor compliance with spending decisions and financial policies outlined in the management agreement.
- Requesting Additional Information: If necessary, the board may request additional financial information or clarification from the ESP to address specific concerns or questions.

The board's financial oversight role is critical in ensuring the responsible and effective use of resources to support the school's mission and academic objectives. It will serve as a safeguard to protect the school's financial integrity and sustainability.

E. What is the term (duration) of the management agreement? Explain the conditions and procedures (including time frames, notice, and decision-making procedures) for renewal and termination of the contract? Describe the conditions that both the ESP and the school must satisfy for the management agreement to be renewed. On what grounds may the ESP or the governing board terminate the management agreement for cause? List any indemnification provisions in the event of default or breach by either party. If these provisions are addressed in the management agreement, the applicant may cite the specific sections.

The term (duration) of the management agreement between the governing board of Summit Academy Charter School III and Charter School Partners, LLC (ESP) will be outlined in the management agreement itself. Typically, management agreements have an initial term of several years, often five years, but this term may vary depending on the negotiation between the parties.

Renewal Procedures: The management agreement will include detailed conditions and procedures for renewal. These may involve the following steps:

Evaluation: Both parties will assess the ESP's performance during the initial term, considering academic, operational, and financial factors.

Notice Period: The management agreement will specify the notice period required by both parties to express their intent to renew or not renew the contract. This notice is typically provided well in advance of the contract's expiration.

Decision-Making Procedures: The agreement will outline the decision-making process for renewal, including any voting requirements by the governing board. Renewal decisions may require a majority vote or supermajority vote, depending on the agreement.

Renewal Conditions: Conditions for renewal may include the ESP meeting academic performance goals, financial viability, and compliance with all contractual obligations.

Termination Procedures: The management agreement will also detail procedures for termination by either party. Termination may occur for various reasons, including cause or non-renewal.

Termination for Cause: Grounds for termination for cause will be clearly defined in the agreement. This may include, but is not limited to, financial mismanagement, failure to meet academic performance standards, or material breach of contract terms.

Notice and Cure Period: The agreement will specify notice requirements for termination and any cure period provided to the party in breach to rectify the situation before termination takes effect.

Termination by Mutual Agreement: The agreement may outline procedures for mutual agreement to terminate the contract. In such cases, both parties must consent to the termination.

Indemnification Provisions: The management agreement will address indemnification provisions in the event of default or breach by either party. These provisions outline the responsibilities and liabilities of each party in the event of termination.

It's important to note that the specific terms and conditions of the management agreement, including renewal and termination provisions, will continue to be negotiated and agreed upon by the governing board and the ESP. The agreement will be finalized to ensure clarity, fairness, and protection of the interests of both parties while aligning with Florida state charter school laws and regulations.

Section B references the members of the board that currently work with the ESP. Which members are they?

Question was added at 10/22/2025 11:11 AM by Rhonda L. Stephanik

Section C references college and career readiness and states that many graduates enroll in post-secondary education or enter the work force with relevant skills. How is this tracked. As Summit Academy has only undergone its first renewal and serves students in grades K-8, there is only about 2 years max worth of data. What evidence do you have that shows which students and how many have continued on?

Concern was added at 10/22/2025 11:14 AM by Rhonda L. Stephanik

When looking at the Statement of Assurance documents for the board members, each document incorrectly states that "I certify that the information submitted in this application for a charter for HACS..." This statement of assurance does not apply to Summit Academy Charter School III and is not valid.

IX) DISTRICT REQUESTS

In addition to the Model Florida Charter School Application, the District requests the completion of two documents: Review Extension Letter and Consultant Information form. Download the provided file for each District request, complete, and upload.

1. Review Extension Letter

Form Result

To review the application and provide appropriate and thorough feedback, the District requests that the applicant agrees to an extension of the 90-calendar day review period, if needed. Download, read, and check the option on the provided file indicating if the applicant agrees to provide the District with the opportunity of an extended review which allows for the potential inclusion of an applicant interview. If the applicant does not agree to the requested extension, if needed, the applicant will waive its opportunity for a capacity interview. This upload does not count as one of the additional 10 pages of attachments.

Recommendation

11/07/2025 03:20 PM by Rhonda L. Stephanik

Section 1002.33(6)(b)2.a, Florida Statutes, states, "A sponsor shall by majority vote approve or deny an application no later than 90 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the sponsor shall by majority vote approve or deny the application." Based on the review, evaluation and information provided in the capacity interview held on October 28, 2025, the Superintendent's Charter School Review Committee is recommending that the application for Summit Academy Charter School III be recommended to The School Board of Broward County, Florida, via the Superintendent, for approval.

EXECUTIVE SUMMARY
Grant Contractor Site Access Agreement

Board Meeting Date: June 9, 2026

Requested Action: Approve the Contractor Site Access Agreement between The School Board of Broward County, Florida (SBBC), and Terracon Consultants, Inc. (Terracon) for assessment and soil contamination remediation at the SBBC owned surplus vacant land located at the southeast corner of Broward Boulevard and Hiatus Road.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 5	
School Board Policy Requirement	• None
Statutory Requirement	• Compliance with Broward County Code Section 27-356(d) and Chapter 62-780, Florida Administrative Code, governing environmental assessment and remediation
If the School Board votes "Yes"	• Terracon Consultants, Inc., will be permitted to access the Elementary D-1 site to conduct limited remediation of identified contaminants in designated areas of the vacant land, and upon the completion of the remediation and approval from the Broward County Environmental Permitting Division (BCEPD), would subsequently enable SBBC to market and sell the vacant land to an interested buyer.
If the School Board votes "No"	• Terracon Consultants, Inc. will not be permitted to access the Elementary D-1 site to conduct limited remediation of identified contaminants in designated areas of the vacant land. As such, a "No" vote may result in BCEPD citing SBBC for not fulfilling its obligations to conduct assessment and remediation of identified contaminants on the vacant land. Subsequently, this domino effect may prevent SBBC from being able to market and sell the vacant land to an interested buyer.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	1. The successful limited remediation of identified contaminants in designated areas of the vacant land. 2. The sale of the vacant land to an interested buyer.

	3. Closing on the sale transactions and subsequent SBBC receipt of the sale proceeds.

Background/History:

Elementary D-1, School Site No. 352.1, is an approximately 11.87-acre vacant parcel located at the southeast corner of Broward Boulevard and Hiatus Road in the City of Plantation. SBBC purchased the property on March 13, 1997, for a total of **$2,001,723**, consisting of a purchase price of **$1,993,500** and closing costs of **$8,223**, for the planned construction of a future elementary school. On April 20, 2010, consistent with Section 1013.28, Florida Statutes, SBBC declared the property surplus because it was no longer needed for educational purposes.

After the property was declared surplus, it was advertised for sale, and SBBC entered into Agreements of Sale and Purchase with multiple prospective buyers over time. Those transactions did not close, culminating on July 29, 2022, when Lennar Homes LLC terminated its executed Agreement of Sale and Purchase with SBBC. In a December 2, 2022 letter, the Broward County Environmental Permitting Division (BCEPD) advised the Facility Planning & Real Estate Department that, because Lennar Homes LLC was no longer contractually obligated to develop the property, SBBC, as owner of the vacant land, was the "Responsible Party" under Section 27-356(d) of the Broward County Code and therefore ***"...must obtain an Environmental Assessment and Remediation (EAR) License, and continue any outstanding contamination assessment and cleanup in accordance with Section 27-356(d), BCC and Chapter 62-780, FAC."***

SBBC obtained the EAR License and proceeded with the required assessment and cleanup activities. The initial assessment of the SBBC parcel and the adjacent vacant parcel owned by the Old Plantation Water Control District (OPWD) was performed by Terracon Consultants, Inc., a District vendor, through the Federal Brownfields Program Grant. The grant, administered by FDEP and awarded to SBBC in March 2023, supports the assessment and remediation of identified contaminants on both the SBBC and OPWD parcels. Funding for this site includes **$250,000** for assessment and **$350,000** for remediation.

Most assessment funds have now been expended. The work was conducted in accordance with FDEP and BCEPD requirements to identify and delineate contaminants in the soil and groundwater. As a result, a portion of the northwestern area of the SBBC parcel and the OPWD parcel was designated for remediation and is referred to as the Selected Remediation Area (SRA).

The SRA was used for agricultural purposes from the late 1950s through the mid-1990s and likely included an agricultural maintenance building. The adjacent OPWD parcel lies immediately north of the SBBC property and forms part of the SRA. The SRA is currently in the environmental management and pre-remediation phase under the oversight of FDEP and BCEPD. It is enclosed by chain-link fencing and contains no structures or paved improvements.

A Voluntary Source Removal (VSR) Plan was developed to address impacted soils within the SRA. The plan provides for excavation and removal activities designed to satisfy state and local regulatory requirements and achieve cleanup consistent with commercial land use

standards. Broward County approved the VSR Plan on May 14, 2026, allowing remediation to begin as early as June 2026. This phase of work is intended to advance the site toward regulatory closure, reduce environmental risk, and position the SBBC parcel for future sale.

Staff from the FP&RE Department, the Environmental Health & Safety Department, the Office of General Counsel, and outside environmental counsel have met regularly for months to evaluate the assessment and remediation of the vacant parcels and make informed decisions regarding next steps. At a recent meeting, the group agreed that updated appraisals should be obtained for the SBBC parcel and that the appraisers should receive the VSR Plan and all relevant environmental reports so those materials can be considered in valuing the property. Based on the most recent appraisals, the Negotiation Parameters Committee established a minimum asking price of **$13,317,333** for the property on February 27, 2025.

Current planning assumptions indicate that a Request for Proposal (RFP) for the marketing and eventual sale of the SBBC parcel could be issued in late summer or early fall 2026, either after remediation is completed or in parallel with that work.

Grant Contractor Site Access Agreement

GRANT CONTRACTOR SITE ACCESS AGREEMENT

This Agreement is made and entered into this _____ day of _____, 2026, ("Effective Date") by and between **THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**, a body corporate and political subdivision of the State of Florida (hereinafter "SBBC" or "Owner") and **TERRACON CONSULTANTS, INC.**, and its agents, employees, contractors, and subcontractors ("Consultant"), acting as FDEP's grant contractor.

WITNESSETH:

WHEREAS, Owner owns the certain parcel(s) (Parcel No. 5041 07 15 0020) of real property located at the Southeast Corner of Broward Boulevard and South Hiatus Road, in Plantation, Broward County, Florida (referred to as the "Property");

WHEREAS, Consultant has been requested by the Florida Department of Environmental Protection ("FDEP") to perform certain assessment on the Property in connection with award of site-specific activities ("SSA") grant and assessment of certain historical agrichemical applications and chemical mixing which occurred on the Property prior to Owner's ownership, for which the FDEP has awarded an SSA Grant for assessment and remediation;

WHEREAS, under the SSA Grant, Consultant has completed assessment and recommended source removal through a Source Removal Plan ("SRP") to address the assessed contamination which exceeds commercial standards;

WHEREAS, the Broward County Environmental Permitting Division has reviewed and approved the SRP; and

WHEREAS, in consideration of Owner approval of Consultant's access to execute the SRP, Owner requires certain assurances from Consultant, which Consultant has agreed to provide as more particularly set forth herein.

NOW, THEREFORE, in consideration of the recitals set forth above and good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Owner and Consultant hereby agree as follows:

1. Grant of Access. Owner hereby grants Consultant reasonable access to the Property during normal weekly business hours (weekends excluded) to perform the scope of work attached hereto as **Exhibit "1."** At least fourteen (14) days prior to any subsequent activities on the Property, Consultant will provide Owner with a detailed scope of work for Owner's review and written approval. Each scope of work to be performed by Consultant shall be deemed attached Exhibit "1" (the "Work") upon Owner's written consent (which may be given by email). Work means the initial scope attached as Exhibit 1 and any subsequent written scopes approved by Owner. Should subsequent scopes of

work materially differ from the initial scope or increase Consultant's obligations under this Agreement, the Owner shall require written amendments to this Agreement executed by both parties. In connection with conduct of the Work, Owner hereby agrees that Consultant may bring onto the Property such equipment or machinery as may be reasonably necessary to complete the Work. The scope of the Work shall not be materially modified without the prior approval of Owner which may be given by email. If additional revisions to or additional Work are required, Consultant shall coordinate all activities on the Property with Owner and shall schedule the Work at times acceptable to Owner (including without limitation the approved location of all equipment, equipment staging, approved safety plan before, during and after daily work; daily clean up, re-securing the site following Work; and traffic control before, during and after daily work). Owner's approval of scheduling and coordination shall not be unreasonably withheld or delayed.

2. Additional Work; Funding Limitations. The parties acknowledge that all Work performed under this Agreement is funded solely through the FDEP SSA Grant and is subject to the scope and funding limitations of such grant. Consultant shall not perform any services, activities, or work beyond the approved grant-funded scope (collectively, "Additional Work") unless (i) such Additional Work is first submitted to Owner in writing, (ii) Owner provides prior written approval of such Additional Work, and (iii) the parties execute a separate written agreement or written amendment to this Agreement establishing the scope, schedule, and funding source for such Additional Work. For purposes of this Agreement, "Additional Work" includes, without limitation, any work arising from scope expansions, regulatory directives, unforeseen or subsurface conditions, changes in applicable standards or requirements, or any other circumstances not expressly covered by available grant funding. Owner shall have no obligation to fund, reimburse, or otherwise pay for any Additional Work not authorized in strict accordance with this Section, and Consultant assumes all risk for performing any unauthorized work. Consultant shall promptly notify Owner in writing upon becoming aware that available grant funding may be insufficient to complete the approved Work.

3. Work Schedule. Consultant shall notify Owner, as soon as possible, but in no event less than seven (7) days prior to conducting any Work activities on the Property, including specific locations and times at which the activities will take place. The Work schedule shall not be materially amended without prior written authorization of Owner, which shall not be unreasonably withheld or delayed. Minor adjustments to timing within the same general timeframe shall not require Owner's authorization provided Consultant gives Owner at least 24 hours' notice. The parties will work together to schedule the Work in order to minimize possible disruption of Owner's or its Tenant's activities on the Property. Owner's contact info as follows:

Owner may, at Owner's sole expense, split samples with Consultant, provided Owner's Consultant must provide its own sample containers for such split samples and provided such split sampling does not interfere with Consultant's sampling protocols or FDEP requirements.

4. Payment for the Work/No Liens (Ch. 713.10, Fla. Stat.) The Work shall be performed at the FDEP's sole cost and expense, and Consultant shall make no charge against Owner for the work it performs on or about the Property in connection with this Agreement, except pursuant to a separate written agreement or written amendment executed by both parties in accordance with the "Additional Work; Funding Limitations" section of this Agreement. Owner's interest in the Property shall not be subject to liens for improvements made by Consultant, and Consultant or its contractors or subcontractors shall have no power or authority to create any lien or permit any lien to attach to the Property for any cause or reason. All material men, contractors, artisans, mechanics and laborers and other persons contracting with Consultant with respect to the Property or any part thereof, are hereby charged with notice that such liens are expressly prohibited and that they must look solely to Consultant to secure payment for any work done or material furnished for improvements by or for any other purpose during the term of this agreement. Consultant shall indemnify Owner against any loss or expenses incurred as a result of the assertion of any such lien, and Consultant covenants and agrees to transfer any claimed or asserted lien to a bond or such other security as may be permitted by law and reasonably acceptable to Owner within ten (10) business days of receiving written notice from Owner of the assertion of any such lien or claim of lien. Consultant shall advise all persons furnishing designs, labor, materials or services to the Property in connection with Consultant's work thereof of the provisions of this Section. The provisions of this Section shall survive the termination of this Agreement.

5. Data Delivery and Review and Comment Upon Draft Documents. Consultant agrees to provide to Owner a copy of all correspondence (including email) to or from FDEP and all laboratory data derived from Consultant's Work on the Property (or adjacent properties) as soon as it is available, provided that Consultant may redact any information that is confidential, proprietary, or relates to other clients or properties not subject to this Agreement.

6. Conformity of Work with the Approved Scope and Law. Consultant shall conduct the Work in strict conformity with the applicable law and the terms hereof. Consultant shall comply with any and all applicable federal, state and local health, safety and environmental laws, rules or regulations governing the Work and shall be solely responsible to take all steps necessary to protect the health, safety and welfare of all persons on or about the Property by or through the Consultant.

7. Maintenance and Restoration of Site Conditions. Consultant agrees to maintain its equipment and other materials in an orderly manner while they are located on the Property and will promptly remove all equipment and other materials used or caused by when each activity on the Property is completed. Equipment staging on the Property shall not be allowed unless coordinated with the Owner. Consultant agrees to complete the Work on the Property as quickly as possible, in order to minimize any disruption of Owner's (or Owner's tenants or invitees) activities on the Property. Upon completion of each activity on the Property, Consultant shall leave the Property in substantially the same physical condition as before the activity began, to the extent reasonably possible and except as otherwise required by FDEP or applicable environmental regulations, including without limitation for engineering and municipality standards structural replacement fill, restoration and engineering of any cap materials over structural fill and the replacement of sod, paving, or other surface treatment existing prior to such Work as agreed previously by Consultant, FDEP, and Owner.

8. Time of the Essence/Reliance. Consultant acknowledges and agrees that time is of the essence in the performance of each and every one of the obligations under the terms of this Agreement.

9. Disposal of Materials Removed from the Property During the Work. Consultant shall properly characterize, promptly remove, transport and dispose of all contaminated materials excavated, extracted or removed from the Property during the Work, including without limitation drill cuttings or other investigation derived waste (collectively "IDW"). All materials requiring transportation and disposal off-site may be stored temporarily on the Property only in secured containers and at such locations as Owner shall approve given the nature of such materials. Consultant shall promptly provide Owner with copies of all manifests or other disposal records evidencing the disposal of such materials. In no event shall Owner be named as the "generator" on any such disposal records, except as may be required by applicable federal or state environmental regulations.

10. Indemnification. Consultant shall defend, indemnify and hold harmless Owner (including the officers, directors, employees, and agents of Owner) from and against any and all losses, liabilities, claims, demands, damages, fines and penalties, and related expenses (including reasonable legal fees and costs of investigation) arising to the extent caused by Consultant's negligence or willful misconduct in performing the Work pursuant to this Agreement, except to the extent caused by Owner's negligence, willful misconduct, or breach of this Agreement, including without limitation claims, losses or damages with respect to any injury to or death of any person (including employees and agents of Owner or Consultant), or damage, loss or destruction of any tangible property (including property of Owner and Consultant and their respective employees and agents). For purposes of this clause, "Consultant" shall include Consultant's employees, contractors and subcontractors and their respective employees and agents. The provisions of this Section shall survive the termination of this Agreement.

11. Proof of Insurance. Consultant shall always during the term hereof and during the time which access is available to it, require all contractors or subcontractors performing the activities described in this Agreement, and their employees and agents, to maintain insurance with the following coverages:

(1) Workmen's Compensation with statutory limits;

(2) Automobile Liability with $1,000,000.00 single limit or equivalent;

(3) Comprehensive General Liability, including contractor liability covering Consultant's obligations set forth herein, with $1,000,000.00 per occurrence; $2,000,000 in the aggregate;

(4) Employers Liability Insurance – One Million Dollars.

(5) Professional Errors and Omissions – One Million Dollars per claim/Two Million Dollars in the aggregate.

(6) Excess Umbrella Coverage – Two Million Dollars per occurrence/Two Million Dollars in the aggregate.

Prior to commencing the work, Consultant shall deliver certificates of insurance from Consultant and its subcontractors naming Owner as additional insured, except for Workers' Compensation and Professional Liability policies, using an ISO Additional Insured Endorsement form reasonably acceptable to Owner. Such certificate(s) shall require the insurer to give Owner thirty (30) days prior written notice of any cancellation of or adverse change to the required insurance. Coverage shall be primary and non-contributory. Waiver of subrogation shall be in favor of SBBC.

12. Termination of Agreement. Either party may terminate this Agreement upon fourteen (14) days' written notice to the other party; provided however, nothing herein shall be deemed to terminate any indemnification obligation of either party hereunder or any obligation to restore the Property as required under Section 6. Consultant may also terminate this Agreement immediately upon written notice if FDEP withdraws its request for the Work or determines the Property is no longer eligible under the FDEP WCP Brownfield Program. If not otherwise terminated or amended, this Agreement shall terminate following the completion of the scope of work.

13. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. Venue for any action or proceeding arising from or relating to this Permission shall be in the appropriate Florida court having jurisdiction located in the Seventeenth Judicial Circuit in and for Broward County, Florida.

14. Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or

obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

15. Public Records. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Consultant shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, Consultant shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Consultant shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Consultant does not transfer the public records to SBBC. Upon completion of the Agreement, Consultant shall transfer, at no cost, to SBBC all public records in possession of Consultant or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Consultant transfers all public records to SBBC upon completion of the Agreement, Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Consultant keeps and maintains public records upon completion of the Agreement, Consultant shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD A VENUE, FORT LAUDERDALE, FLORIDA 33301.

16. Binding Effect. This Agreement shall be binding upon the Owner, Consultant and their respective successors and assigns, but this provision shall not be interpreted to permit Consultant to assign its rights hereunder.

17. Counterparts. This Agreement may be executed in any number of counterparts, all of which together shall constitute one and the same instrument, any party or signatory hereto may execute this Agreement by signing any such counterpart. Delivery of a facsimile or electronic version of an executed copy of this Agreement shall be effective to bind the executing party.

18. E-Verify. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party

shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employee and subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate this Agreement. Termination pursuant to this section is not a breach of this Agreement and may not be considered as such. Entirety of Agreement.

19. Integration. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

20. Prevailing Party. In any action, suit or proceeding to enforce, defend or interpret either party's rights under the terms of this agreement or to collect any amounts due hereunder, the prevailing party shall be entitled to recover all costs and expenses incurred in enforcing, defending or interpreting its rights hereunder, including, but not limited to, all collection and court costs, and all attorneys' and paralegal fees, whether incurred out of court, at trial, on appeal, or in bankruptcy proceedings.

21. Authority. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

22. Compliance with Laws. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations, administrative requirements in performing its duties, responsibilities and obligations pursuant to this Agreement.

23. No Third Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

24. Agreement Administration. Agreement Administration. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

25. Notice. Any notice, request, demand, approval, consent or other communication which Owner or Consultant may be required or permitted to give to the other party shall be in writing and shall be delivered by email or in person or by expedited mail service or mailed to the other party by certified mail, return receipt requested, at the following addresses:

If to Owner:	Alison Witoshynsky Director, Environmental Health and Safety Department 600 SE 3rd Avenue Ft. Lauderdale, FL 33301 (754) 321-4204 Email: alison.witoshynsky@browardschools.com

SBBC Plantation Site ERIC_18360

Remediation Project
Broward County School Board Property
SE Corner of Broward Blvd. and South Hiatus Road, Plantation, Florida
FEDP ID # ERIC_18360

Work Scope: Excavation and disposal of approximately 2,842 tons of contaminated soil, backfill excavation with clean back fill materials.

GENERAL PROPOSED SERVICES :
This work shall be included in the Scope of Work approved and funded by the FDEP WCP in an Agreement with TERRACON any extra services will be contracted separately.

- Permitting- TERRACON and its Contractor Will furnish necessary permitting to complete the excavation and backfill.
- Surface Completion – Fill material will consist of sandy soils from an acceptable FDEP quarry, the final completion will be grass seed or hydroseed. Top soil is not estimated.
- GPR Survey Terracon will not be responsible for underground structures or utilities being damaged if not marked by the private GPR contractor shown on as built drawing provided by the landowners or marked by 811 sunshine one call.
- Survey – A specific purpose survey will identify the limits of the excavation and locations will also be field measured using a submeter GPS.
- Compaction Testing is not included in this estimate.
- Analytical testing is required for FDEP approval of Backfill.
- Erosion control measures will be installed by TERRACON and Its Contractor. The exact work scope for this component will be determined after temporary entrance location is established. Silt fence will be installed as necessary and protection of any drains located in the immediate area.
- A temporary entrance may be required. This would consist of either a #57 gravel or laydown matts to remove mud etc. from the truck tires before they enter the highway. These options will both be estimated if it is determined they are required.
- The property is fenced and protected from public entrance. No additional fencing is estimated.
- The site will be secured and closed on a daily basis and not left open to public access.
- A budget for dust control is allotted if this becomes above normal means and additional budget may be required
- Safety Devices – Standard OSHA required devices for this type of a project.
- Soft Digging – One area near the intersection of Broward Blvd. and S. Hiatus Road will require a soft dig technique due to the existence of known underground utilities.

3.2 Source Removal Design Summary

Contaminated soil with concentrations of toxaphene exceeding the CSCTL from within the vicinity of the northwest corner at the Broward County School Board Property site will require removal. Based on the *RAE* and recent sample results from January 19, 2026 and March 9, 2026, the horizontal extent of the onsite impacted soil is defined as 26,662 square feet (sq ft), to a depth of 2 feet bgs, and 2,958 sq ft to a depth of 6 inches for a total of approximately 27,814 square feet. This calculates to a total estimated volume of 2,030 cubic yards, or 2,842 tons. The following table outlines the proposed onsite excavation details.

Area	Property	Estimated Area (ft^2)	Estimated Depth (ft)	Estimated Volume (yd^3)	Estimated Disposal (tons)
0-2	on-site	26,662	2	1,975	2,765
0-0.5	on-site	1,152 + 1,806 = 2,958	0.5	55	77
Total		27,814	0.5 and 2	2,030	2,842

The proposed excavation limits for the 0-0.5 ft interval and the 0.5-2 ft interval are illustrated on **Exhibits 4A and 5A**, respectively**.** The combined excavation area, excavation area shown as 0.5 feet or 2 feet excavation, is illustrated o**n Exhibit 6**.

Including a 20% safety factor for bulking, approximately 2,436 cubic yards of clean fill will be required for use in restoring the site.

3.3 Source Removal General Desciption

Terracon will subcontract with an environmental remediation subcontractor to provide labor, and equipment to excavate approximately 2,842 tons of non-hazardous contaminated soil. The subcontractor will excavate the area based on guidance from a Terracon representative.

= 2,765 TONS

EXCAVATION AREA 0-0.5 FEET = 1,152 SQ FT + 1,806 SQ FT = 2,958 SQ FT
= 55 CUBIC YARDS (CY)
= 77 TONS

CHARTER SCHOOL AGREEMENT

THIS CHARTER SCHOOL AGREEMENT is entered into as of the _____ day of _____, 2026 by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA,
a body corporate operating and existing under the laws of the State of Florida
[hereinafter referred to as "Sponsor"],
and having its principal place of business located at
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and
SUNSHINE CHARTER ACADEMY OF BROWARD, INC.
d/b/a SUNED HIGH OF HOLLYWOOD - MSID
a Florida not-for-profit organization [hereinafter referred to as "School"],
and having its principal place of business located at
1117 Banks Road, Margate, Florida 33063

WHEREAS, the Sponsor has the authority pursuant to Section 1002.33, Florida Statutes, to grant to a not-for-profit organization a charter to operate a charter high school, grade levels ninth through twelfth (9-12), here within Broward County, Florida; and

WHEREAS, the School is a Florida not-for-profit organization and desires to operate a charter school within Broward County, Florida for the purposes set forth in Section 1002.33, Florida Statutes, and in the School's Charter School Application which is attached hereto as **Appendix 1** and incorporated herein by reference.

WHEREAS, the School is approved by the Sponsor to provide educational services in accordance with the terms of a charter school agreement; and

WHEREAS, it is the intent of the parties that this Charter School Agreement [hereinafter referred to as "Charter"] shall serve as the charter for the operation of the School.

NOW, THEREFORE, in consideration of the mutual covenants and terms herein set forth, the parties agree as follows:

ARTICLE 1: RECITALS

Section 1.A: **Recitals**: The foregoing recitals are true and correct and are incorporated within this Charter by reference.

ARTICLE 2: GENERAL PROVISIONS

Section 2.A: **Approved Application**: The School's approved application to operate a charter school is appended hereto as **Appendix 1** and is incorporated herein by reference.

If any provision of this Charter is inconsistent with **Appendix 1**, the provisions of this Charter shall prevail.

Section 2.B: **Term of Charter:** Unless terminated earlier pursuant to Section 1002.33, Florida Statutes, or upon the terms contained herein, this Charter shall cover a period of five (5) years, commencing on July 1, 2026, and ending on June 30, 2031.

Section 2.B.1: **Effective Date:** This Charter shall become effective on July 1, 2026, or upon signing by both parties, whichever date is later.

Section 2.B.2: **Start-Up Date**: The initial start-up of the School shall be consistent with the beginning of the Sponsor's public school calendar for each school year. In all years of operation, the School will follow the public school calendar adopted by the Sponsor unless otherwise stated and approved in the Application **(Appendix 1)** or by an amendment to this Charter. The School shall provide instruction for at least one hundred eighty (180) school days or the number of days required by law for other public schools and may provide instruction for additional days.

Section 2.B.3: **Pre-Opening Deadline**: The School shall be eligible to receive FTE funding from the Sponsor once it has secured and has provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority, but in no event shall such funds be disbursed to the School any earlier than July 1 of the school year in which the School will open. If the School has not secured and provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, and the School otherwise fails to provide notice of intent to defer the opening of the School's operations in accordance with Section 1002.33(6)(b)5, Florida Statutes, then this Charter will automatically expire with notice to the School but without any hearing, right to appeal or further action required of the Sponsor. Notwithstanding the aforementioned, pursuant to Section 1002.33(6)(b)5, Florida Statutes, the School may defer the opening of the school's operations for up to 3 years to provide time for adequate facility planning. If the School has not already utilized the two (2) planning years authorized by Section 1002.33(7)(a)12, Florida Statutes, with regard to its approved application, a year under this Charter shall automatically be a planning year if the School has not secured and provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School. The School shall not be entitled to enroll any students during a planning year and shall not be eligible to receive any FTE funding from the Sponsor during such planning year. If the School has already utilized both of its two (2) planning years subsequent to approval of its application and thereafter fails to secure and provide to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, that third year shall constitute the final deferral year permitted to the School by Section 1002.33(6)(b)2, Florida Statutes. If the School has already utilized all three (3) of its deferral years subsequent to approval of its application and thereafter fails to secure and provide to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, then this Charter shall automatically expire with notice to the School but without any further action required of the Sponsor.

Section 2.B.4: **Charter Modification**: This Charter may be modified during its term by mutual agreement of the parties, provided such modifications are agreed to in writing and executed by both parties. Alteration of the grade levels served will require approval of a subsequent or supplemental charter school application to serve those additional grades. Furthermore, no modifications may alter student eligibility for enrollment except as permitted by applicable law.

Section 2.B.4.a: **High Performing Charter School:** As per Section 1002.331, Florida Statutes, a State designated high-performing charter school may increase its student enrollment, contract capacity, not to exceed the current facility capacity and expand grade levels within kindergarten through grade 12 to add grade levels not already served if any annual enrollment increase resulting from grade level expansion is within the limits established above. A high-performing charter school shall notify the Sponsor in writing by March 1 if it intends to increase enrollment or expand grade levels the following year. The written notice shall specify the amount of the enrollment increase and the grade levels that will be added, as applicable.

Section 2.B.5: **Charter Renewal**: This Charter may be renewed pursuant to Section 1002.33(7)(c)1, Florida Statutes, for such duration as may be established by mutual written agreement of the parties, or as otherwise required or allowed by law.

Section 2.C: **Educational Program and Curriculum**: The School shall deliver an educational program and curriculum as described in its Application which is attached hereto and incorporated herein as **Appendix 1.**

Section 2.D: **Non-Renewal/Cancellation and Termination**: Any non-renewal, cancellation or termination of the Charter shall be subject to Section 1002.33(8), Florida Statutes, and the terms of this Charter.

Section 2.D.1: **Non-Renewal Provisions**: At the end of the term of the Charter, the Sponsor may choose not to renew the School's Charter upon a finding of clear and convincing evidence for any of the following reasons which is not cured after notice and reasonable opportunity to cure, in accordance with Section 14.F. of this Charter, such as:

(a) a failure by the School to participate in the state's education accountability system created in Section 1008.31, Florida Statutes, or failure to meet requirements for student performance stated in this Charter;

(b) a failure by the School to meet generally accepted standards of fiscal management due to deteriorating financial conditions or financial emergencies determined pursuant to Section 1002.345, Florida Statutes, and defined by law and applicable rules of the State Board of Education; and

(c) a material violation of law.

Section 2.D.1.a: **Notice of Renewal/Non-Renewal from the Sponsor; Appeal:** Except when exercising its authority for the immediate termination of a charter school pursuant to Section 1002.33(8)(c), Florida Statutes, the Sponsor shall provide written notification to the governing body of the School of the proposed renewal or non-renewal of its Charter at least ninety (90) calendar days in advance of the proposed action. In the event of a non-renewal, the notice shall state in reasonable detail the grounds for the proposed action and shall expressly find that one or more of the grounds for non-renewal under Section 1002.33(8)(a), exists by clear and convincing evidence and state that the School's governing body may issue a request for a hearing. Said request must be made within fourteen (14) calendar days of receiving the notice. The hearing shall be conducted using the procedure specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.1.b: **Notice of Renewal/Non-Renewal from the School:** The School shall notify the Sponsor in writing at least ninety (90) calendar days prior to the expiration of the Charter as to the School's intent to renew or not to renew.

Section 2.D.2: **90-Day Termination**: This Charter may be terminated upon ninety (90) calendar days written notice pursuant to Section 1002.33(8)(b) Florida Statutes, for any of the grounds listed in the foregoing Non-Renewal Section, or ground otherwise provided or available under applicable law. This Charter may also be terminated by the Sponsor before the expiration of its term if the Sponsor determines, pursuant to Section 1002.33(8)(a)1, Florida Statutes, and after due notice and opportunity to be heard, that insufficient progress has been made by the School in meeting the requirements for student performance agreed to by the parties hereto and contained in this Charter and if it is not likely that such objectives can be achieved before expiration of the Charter.

Section 2.D.2.a: **Notice from the Sponsor; Appeal:** Except when immediately terminated pursuant to Section 1002.33(8)(c), Florida Statutes, the Sponsor shall provide written notification to the governing body of the School of the proposed termination of a charter at least ninety (90) calendar days in advance of the proposed action. The notice shall expressly find that one or more of the grounds for non-renewal under Section 1002.33(8)(a), Florida Statutes, exists by clear and convincing evidence and shall state that the School's governing body may issue a request for a hearing. Said request must be made within fourteen (14) calendar days of receiving the notice. The hearing shall be conducted using the procedure specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.3: **Immediate Termination**: This Charter may be terminated immediately by the Sponsor pursuant to Section 1002.33(8)(c), Florida Statutes, if the Sponsor sets forth in writing the particular facts and circumstances demonstrating that an immediate and serious danger exists to the health, safety, or welfare of the School's students. In making the determination as to whether good cause exists for immediate termination, the Sponsor will consider whether the totality of the circumstances warrant a decision to forego the procedures for a ninety (90) day termination. The sponsor's determination is subject to the procedures set forth in Section 2.D.2.a, except that the hearing may take place after the charter has been terminated. The Sponsor shall notify in writing the School's governing body, the School's principal, and the FDOE if the Charter is immediately terminated. The Sponsor shall clearly identify the specific

issues that resulted in the immediate termination and provide evidence of prior notification of issues resulting in the immediate termination when appropriate. Upon receiving written notice from the Sponsor, the School's governing board has ten (10) calendar days to request a hearing. A requested hearing must be expedited, and the final order must be issued within sixty (60) calendar days after the date of request. The Sponsor shall further cooperate and afford the School immediate access, at no cost, to any and all records in Sponsor's possession as may be needed and required by the School in preparation of its appeal upon School's request, to the extent that such records were turned over to the Sponsor pursuant to this Section.

Section 2.D.3.a: **Immediate Termination – Operations During Appeal**: Upon receipt of notice of immediate termination, the School shall immediately provide the Sponsor access to the School's facilities, security system access codes and access codes for School owned/leased computers in the School's facilities, and shall immediately make accessible all educational and administrative records of the School so the Sponsor may immediately take any appropriate actions. Moreover, within two (2) business days, the School shall turn over to the Sponsor all records and information regarding the accounts of all of the public funds held by the School and shall turn over to the Sponsor all of the School's public property and public funds. If the School prevails in an appeal to the Division of Administrative Hearings (DOAH) and any subsequent filed appeals, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's governing board shall resume operation and oversight of the School. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 2.D.3.a.1: **Immediate Termination – Assets and Property During Appeal**: Any unencumbered public funds from the School, and district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal status is resolved.

Section 2.D.3.a.2: **Immediate Termination – School Debts and Term of Lease During Appeal**: However, nothing herein shall be construed as an obligation on the part of the Sponsor to secure the extension of a lease term during the pendency of an appeal or to pay with Sponsor's fund any debts incurred by the School in order to avert a foreclosure or eviction.

Section 2.D.3.a.3: **Immediate Termination –Correspondence During Appeal**: During the pendency of any appeal, the Sponsor shall forward to the chair of School's governing board copies of any correspondence or other written communications related to the School's leases and mortgages or to the extension or termination of any of the School's contracts or business relationships. To the extent the Sponsor continues to operate the School during the pendency of an appeal in the same facilities previously occupied by the School, School funds shall be available and used to make the appropriate facility payments pursuant to Section 2.D.3.c. herein below. At no time shall Sponsor take any action to violate the terms of the lease

during the pendency of an appeal. The Sponsor shall cure an unintentional breach of the lease terms during an appeal upon receipt of notice hereof.

Section 2.D.3.a.4: **Immediate Termination – Non-Renewal or Termination During Pendency of Appeal**: This Charter may still be terminated upon ninety (90) calendar days' notice or non-renewed in accordance with its terms and Florida law during the pendency of an appeal in accordance with Section 1002.33(8), Florida Statutes.

Section 2.D.3.a.5: **Immediate Termination – Retrieval of Personal Items by School Personnel**: If the School appeals to the Division of Administrative Hearings and is unsuccessful in the appeal (or if the School fails to timely file an appeal), the School shall be dissolved pursuant to Section 1002.33(8), Florida Statutes. In such event, the Sponsor shall allow the School's governing body and its employees, agents and assigns to retrieve any of their respective personal belongings from the School's facility. However, all property and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the Sponsor, subject to complete satisfaction of any lawful liens or encumbrances.

Section 2.D.3.b: **Hearing Process**: The School's governing body may, within ten (10) calendar days after receiving the Sponsor's decision to immediately terminate the Charter, request a hearing in accordance with Section 1002.33(8)(b) and (c), Florida Statutes.

Section 2.D.3.c: **Sponsor Operation of School Pending Appeal**: The sponsor shall assume operation of the charter school throughout the pendency of the hearing under paragraph (b) unless the continued operation of the charter school would materially threaten the health, safety, or welfare of the students. Section 1002.33(8)(c), Florida Statutes, states that "failure by the sponsor to assume and continue operation of the charter school shall result in the awarding of reasonable costs and attorney's fees to the charter school if the charter school prevails on appeal." The Sponsor shall hold and conserve the School's public property and assets purchased with public funds, including cash and investments which are public funds, in trust until the School has exhausted all appellate rights pursuant to Section 1002.33(8)(b) and (c), Florida Statutes. The Sponsor shall only disburse School funds in order to pay the normal expenses of the School as they accrue in the ordinary course of business. Normal expenses shall include, but not be limited to, the payment of employee salaries and benefits. This provision shall not be interpreted to require Sponsor funds be used to pay School expenses.

Section 2.D.3.d: **School Employees After Immediate Termination**: The School's instructional and operational employees may continue working in the charter school until such time as the School exhausts its appellate remedies. Notwithstanding the general policy of employees continuing to serve in their regular capacities during that time, the Sponsor reserves the right to take any appropriate personnel action as to such employees if cause should arise or be discovered during the Sponsor's assumed operation of the charter school (after the Sponsor provides any required due process to such employees if they are not terminable at-will).

Section 2.D.4: **Post Termination Provisions**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the

disposition of financial and operational records, student records, property and assets, debts and leases shall be in accordance with the provisions of this Charter and applicable law.

Section 2.D.4.a: **Financial & Operational Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, all administrative, operational and financial records of the School shall be turned over to the Sponsor along with necessary access to the School's facilities on the date the expiration, non-renewal or termination takes effect.

Section 2.D.4.b: **Student Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, student records shall be turned over to Sponsor by the date of expiration, non-renewal or termination takes effect.

Section 2.D.4.c: **Property/Assets of the School**: The parties acknowledge that both the Sponsor and the School are public entities. In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor and except as otherwise provided by law; all assets, supplies and equipment purchased with public funds by the School or which would otherwise be due and payable to the School shall instead be delivered to, retained and owned by the Sponsor and all school property and improvements purchased with public funds, furnishings and equipment and any unencumbered public funds shall automatically revert or transfer, as the case may be, to full ownership by the Sponsor (subject to any lawful liens and encumbrances) following the School's exhaustion of its appellate remedies. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds or non-public funds, then it shall be presumed that it was purchased with public funds and ownership of the asset shall automatically revert to the Sponsor. Property and assets purchased with public funds shall be defined as all property, whether real or personal, purchased directly with grants and funds provided by a governmental entity. Funds provided by the School and used by an Education Services Provider (ESP) company to purchase property and assets for the School are considered public funds. Any property and improvements, furnishings and equipment purchased without Article 12.0 funds for the School which have not been reimbursed by public funds shall be the property of the School should the Charter terminate or not be renewed. Any assets existing at the time of expiration, termination, or non-renewal of this Charter School Agreement, which have been funded by both Article 12.0 funds and non-public funds, shall be equitably divided between the parties. Any disputes concerning such equitable division of assets shall be addressed through the dispute resolution provisions available through Section 1002.33, Florida Statutes, or as specified in this Charter. Property and assets purchased by an educational management organization in conjunction with operating the School shall not be deemed to have been purchased with public funds. The financial and auditing personnel and staff of the Sponsor and the School shall cooperate in and coordinate the proper identification and sources of funding for the property and improvements, furnishings, and equipment purchased for the School and the appropriate record keeping of same, during the term hereof or any extensions of this Charter School Agreement.

Section 2.D.4.d: **Debts of the School**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the

Governing Board of the School shall be responsible for all the debts of the School. The parties acknowledge that the Sponsor may not assume the debt arising from any contract for services made between the governing body of the School, the management company (if applicable), and/or third parties, except for a debt that is previously detailed and agreed upon (in writing and executed with the same formalities as this Charter) by both the Sponsor, the governing body of the School and/or the management company (if applicable), and that may not reasonably be assumed to have been satisfied by the Sponsor. The Sponsor may only assume the benefit of the property for which a debt, financial obligation, or liability may attach or accrue in the event that the Sponsor assumes or takes on the corresponding obligation for the debt, obligation, or liability as set forth herein. The Sponsor may not assume the asset for which a debt, financial obligation or liability may accrue leaving the School with the ultimate financial responsibility.

Section 2.D.4.e: **Leases of the School**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, any and all leases existing between the Sponsor and the School shall be automatically cancelled. However, in no event shall the Sponsor be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

Section 2.D.4.f: **Dissolution of the School:** Upon expiration, non-renewal or termination of the Charter and exhaustion of any rights to appeal, the School shall be dissolved under the provisions of the statute under which the School was organized.

Section 2.D.4.g: **Student Enrollment Upon Non-Renewal**: Any student enrolled at the School at the time of the expiration, termination or non-renewal of this Charter may apply to and be enrolled in a public school operated by Sponsor or another charter school in accordance with the Sponsor's or the recipient charter school's normal application and enrollment procedures.

Section 2.D.5: **Voluntary Termination**: The School's governing board may elect to voluntarily terminate this Charter by sending to the Sponsor a written notice of voluntary termination executed by the chair of the School's governing board. In the event of a voluntary termination, the School shall be deemed to have waived any right to notice, hearing or appeal of the termination of its Charter. The School shall inform the Sponsor no later than fifteen (15) calendar days prior to the date specified in the notice of voluntary termination. Any such voluntary termination shall be effective as of the date specified in the governing board's notice. Upon receipt of notice of the intent to voluntarily terminate the contract, the governing board's right to notice, hearing or appeal shall cease. In the event of a voluntary termination, all post-termination provisions stated in this Charter shall apply other than the provisions for notice, hearing or appeal.

Section 2.E: **Non-Discrimination Policy**: The School agrees to adhere to a policy of non-discrimination in educational programs/activities and employment and strives affirmatively to provide equal opportunity for all as required by:

Section 2.E.1: Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, religion or national origin;

Section 2.E.2: Title VII of the Civil Rights Act of 1964, as amended, which prohibits discrimination in employment on the basis of race, color, religion, gender or national origin;

Section 2.E.3: Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of gender;

Section 2.E.4: The Age Discrimination in Employment Act of 1967 (ADEA), as amended, which prohibits discrimination on the basis of age with respect to individuals who are at least forty (40) years of age;

Section 2.E.5: Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination against the disabled;

Section 2.E.6: The Americans with Disabilities Act of 1990 (ADA) which prohibits discrimination against individuals with disabilities in employment, public service, public accommodations and telecommunications;

Section 2.E.7: The Family and Medical Leave Act of 1993 (FMLA) which requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons;

Section 2.E.8: The Florida Educational Equity Act which prohibits discrimination against a student or employee on the basis of race, gender, national origin, marital status, or handicap;

Section 2.E.9: The Florida Civil Rights Act of 1992 which secures freedom from discrimination on the basis of race, color, religion, gender, national origin, age, handicap or marital status for all individuals within the State;

Section 2.E.10: For public employers, Public Law 93-508 (Federal Law) and Section 295.07, Florida Statutes, which provide categorical preferences for employment and re-employment rights to veterans; and

Section 2.E.11: Sponsor's School Board Policy, which prohibits discrimination on the basis of sexual orientation, in effect at the time of execution of this Charter by the parties, or if subsequently amended, as the parties may agree to apply.

Section 2.F: **Class Size:** To the extent applicable, the School will comply with Article IX, Section 1 of the Florida Constitution, and any applicable state law governing class size. If it is determined that the School was required to comply with Article IX, Section 1 of the Florida Constitution or any state law governing class size and failed to do so, and such non-compliance adversely impacts Sponsor's compliance with state law, any such penalties imposed upon the Sponsor shall be borne upon the School. Furthermore, the School shall promptly reimburse the Sponsor for any penalties incurred by Sponsor as a result of the School's non-compliance.

Section 2.G: **Additional Requirements**: The Sponsor reserves the right to require the School to adhere to School Board Policy 1163 in affect at the time of execution of this Charter by the parties, or if subsequently amended, as the parties may agree to apply, and any additional requirements imposed upon charter schools by applicable law or rules or by the FDOE.

ARTICLE 3: ACADEMIC ACCOUNTABILITY

Section 3.A: **Student Performance**: Student performance shall be assessed and evaluated in accordance with the School's governing laws and rules, the assessment and evaluation provisions of the School's Approved Application **(Appendix 1)** and the provisions of this Charter. In addition to evaluating the School's success in achieving the objectives stated in either the Application, the School Accountability Plan, or the School Improvement Plan, when required, the School shall be held accountable for meeting federal and state student performance requirements, as provided in Sections 1001.02, 1008.33, and 1008.345, Florida Statutes. The School agrees to permit the Sponsor's personnel to observe the charter school's operations to assess student performance upon reasonable notice.

Section 3.A.1: **Assessment and Evaluation**: The School will implement its educational program during the school year as specified in the School's Approved Application **(Appendix 1)** as may have been amended over time, setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure that reading is a primary focus of the curriculum and the necessary resources will be provided to identify and to provide specialized instruction for students who are reading below grade level. Further, the curriculum and instructional strategies for reading shall be consistent with the Florida Standards as determined by the FDOE and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian. The School shall ensure that its program is innovative and consistent with the state education goals established by Section 1000.03(5), Florida Statutes.

Section 3.A.1.a: **Expected Outcomes**: The School agrees to implement the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the methods of measurement that have been mutually agreed upon and identified in the School's Approved Application **(Appendix 1**), in this Charter, and as specified in applicable laws and rules.

Section 3.A.1.b: **Methods of Measurement**: The School's expected outcomes will be measured in the initial year as described in the School's Approved Application **(Appendix 1**), in this Charter, and as specified in applicable laws and rules.

Section 3.A.1.c: **Assessments**: The parties agree that the methods set forth in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules shall be used to identify the educational strengths and needs of students and the educational goals and performance standards. This accountability criteria shall be based upon the School's assessment system, as agreed, and on statewide assessment programs. All

assessments shall be conducted at the times specified in the School's Approved Application **(Appendix 1)** unless another time is required by the state.

Section 3.A.1.c.1: **State-Required Assessments**: Students attending the School shall participate, at the Sponsor's expense, in the statewide assessment program and in all state-required assessments in accordance with the provisions of Section 1002.33(7)(a)4, Florida Statutes. The School shall participate in training opportunities regarding implementation of state required assessments. To facilitate this participation, the Sponsor will provide consultation by its applicable school district staff and those services/support activities, which are routinely provided to the Sponsor's school district staff regarding implementation of state-required assessment activities (e.g., staff training, dissemination and collection of materials, monitoring, scoring, analysis, and summary reporting).

Section 3.A.1.c.2: **Additional Assessments**: When the Sponsor requires the School to participate in any District-wide assessments during, the Sponsor shall bear the cost of the School's participation in those assessments. When the School opts to participate in District-wide assessments, the School shall bear the costs associated with District-wide assessments. The School, at its discretion and own expense, may use other assessment tools that are educationally relevant, sound and consistent with this Charter.

Section 3.A.2: **Annual Student Performance**: The School will annually implement its educational program as specified in the School's Approved Application **(Appendix 1)**, setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure that reading is a primary focus of its annual curriculum and the necessary resources are provided to identify and to provide specialized instruction for students who are reading below grade level. The School's curriculum and instructional strategies for reading shall be consistent with Florida Standards and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian.

Section 3.A.2.a: **Annual Assessments**: The School's student performance will be annually assessed as described in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules. The School will annually implement its educational program as specified in the School's Approved Application **(Appendix 1)** setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure in each year that reading is a primary focus of the curriculum and the necessary resources will be provided to identify and to provide specialized instruction for students who are reading below grade level. The School's annual curriculum shall be consistent with Florida Standards and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian each year.

Section 3.A.2.a.1: **State-Required Annual Assessments**: The School will annually administer all state-required assessments to its students, at the Sponsor's expense, within the State timeframe during each year of the term of the Charter. In each year, the School shall administer to its students, at the Sponsor's expense, the statewide assessment program and all state-required assessments. In accordance with the provisions of Section 1002.33(7)(a)4, Florida Statutes, the School will participate in all state assessment programs in which Sponsor's students enrolled in comparable grades/schools participate. To facilitate this participation, the Sponsor will provide consultation in each year by its applicable school district staff and those services/support activities, which are routinely provided to the Sponsor's school district staff regarding implementation of state-required assessment activities (e.g., staff training, dissemination and collection of materials, monitoring, scoring, analysis, and summary reporting).

Section 3.A.2.a.2: **Additional Annual Assessments**: The School will implement, at its own expense, any assessments specified in its Approved Application **(Appendix 1).** When the Sponsor requires the School to participate in any district-wide assessments~~,~~ the Sponsor shall bear the cost of the School's participation in those assessments. When the School opts during the term of this Charter to participate in district-wide assessments which are not required by the Sponsor, the School shall bear the costs associated with district-wide assessments. The School, at its discretion and own expense, may use other assessment tools during the term of this Charter that are educationally relevant, sound and consistent with this Charter.

Section 3.A.2.a.3: **Testing Process:** All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services or support activities that are routinely provided to the Sponsor's staff regarding implementation of Sponsor and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.

Section 3.A.2.a.4: **Testing Technology:** The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.

Section 3.A.2.a.5: **State Assessment Reporting:** The Sponsor shall provide the School with reports on state assessments in the same manner and at the same time as for all public schools in the District.

Section 3.B: **Student Promotion**: The School's students shall be promoted in accordance with the Sponsor's most recent Student Progression Plan, as amended from time to time.

Section 3.B.1: **Student Promotion Policy**: The School's student promotion policy shall be consistent with the provisions of the School's Approved Application **(Appendix 1)**, the provisions of this Charter and applicable laws and rules and shall comply with the Sponsor's most recent Student Progression Plan, as amended from time to time.

Section 3.B.2: **Graduation Requirements**: The School shall comply with the method described in Sections 1003.4281, 1003.4282 and 1008.25, Florida Statutes, and the Sponsor's policy for determining that a student has satisfied the requirements for graduation. Dropout Prevention and Academic Intervention programs must comply with the requirements of Section 1003.53, Florida Statutes, and Rule 6A-6.0521, Florida Administrative Code.

Section 3.C: **Academic Intervention Plan:** The School agrees to develop and implement Academic Intervention Plans (AIP) in accordance with Rule 6A-6.0521, Florida Administrative Code, and Section 1003.53, Florida Statutes. Academic Intervention Plans must be developed no more than thirty (30) calendar days after a student's entry into a dropout prevention acadmic intervention program. ESE students must have academic intervention plans that are consistent with the student's IEP. The AIP must include measurable objectives, strategies, supports and related services to improve academic achievement, attendance and discipline. Transition goals to support the next educational placement or postsecondary options must also be included. The AIP shall be reviewed and revised, when appropriate, with the student participating on regularly scheduled intervals.

Section 3.D: **Data Access and Use**: The School agrees to allow the Sponsor access to its facilities and records to review data sources, including collection and recording procedures, in order to assist the Sponsor in making a valid determination as to whether student performance requirements have been met as stated in the Charter, and as required by Sections 1008.31 and 1008.345, Florida Statutes. The School must use the Sponsor's student information system and the Sponsor agrees to provide the School with sufficient access to such student information system. The School agrees to utilize data provided by the Sponsor in its electronic data processing systems pertaining to admissions, registration, and student records. The School shall also use records and grade procedures that adequately provide the information required by the Sponsor. If the School chooses to use an alternate grade book system other than the Sponsor's, the Sponsor will not be required to provide any technical support. The Sponsor will provide services/support activities which are routinely provided to the Sponsor's staff regarding implementation of state-required assessment activities (e.g., staff-training, dissemination and collection of materials, monitoring, scoring, analysis and summary reporting). Student performance data for each student in the School, including, but not limited to, state mandated assessment scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the Sponsor to the School in the same manner provided to other public schools in the district. Any expense for the aforementioned services that is not included as part of the Sponsor's administration fee under Section 1002.33(20), Florida Statutes, will be the responsibility of the School.

Section 3.D.1: **Student Performance/Progress Monitoring Reports:** The School agrees to collect student performance/progress monitoring data as required by statute and

provide a copy to the Sponsor. Student performance/progress monitoring data will be uploaded into Charter Tools in the timeframe provided by the Sponsor.

Section 3.E: **Accreditation:** The School, if a high school or a school providing high school courses, must obtain and maintain applicable certification/accreditation of its educational program within four (4) years in order to ensure transferability of courses completed by the students at the School. Schools that serve students in grades 9-12 shall annually notify parents in writing the accreditation status of the school and the implications of non-accreditation, if applicable. The notification may be provided in the parent handbook.

Section 3.F: **Records and Grading Procedures**: Due to the possibility that students enrolled in the School may return to a district school or transfer to another charter school within the school district, the School will utilize a records and grading procedure that is consistent with the Sponsor's current records and grading procedures.

Section 3.G: **State System of Grading Schools**: The School shall be subject to the state system for grading set forth in Section 1008.34, Florida Statutes, and the acquisition by the School of two (2) consecutive grades of "F" after all school grade appeals are final, unless the charter school meets one of the exemption criteria pursuant to Section 1002.33(9)(n)3, Florida Statutes, shall constitute a material breach of this Agreement and good cause for the School's termination.

Section 3.G.1: **School Improvement Plans (SIPs)**: In the event the School receives a school grade issued under Section 1008.34(2), Florida Statutes, of "D" or "F" in any year, the School's director/principal and a representative of the School's Governing Board shall appear before the Sponsor in a publicly noticed meeting to submit a SIP for approval by the Sponsor. The Sponsor shall have the authority to approve and monitor the School's development and implementation of any SIP during the following school year as outlined in Rule 6A-1.099827, Florida Administrative Code. The School shall comply with all state and local requirements pertaining to said Rule. The Sponsor may also consider any action recommended by the Florida Board of Education as part of any SIP.

Section 3.G.1.a: **Corrective Actions**: If the School earns three consecutive grades below a "C," the charter school governing board shall choose one of the following corrective actions, as prescribed in state board rules:

Section 3.G.1.a.1: Contract for educational services to be provided directly to students, instructional personnel, and school administrator, as prescribed in state board rule. The School may select an Education Management Organization or Academic Management Organization to provide services to the Schools students, teachers, and administrators, including services such as, but not limited to, instructional coaching, curriculum review and alignment, and data literacy.

Section 3.G.1.a.2: Contract with an outside entity that has a demonstrated record of effectiveness to operate the School;

Section 3.G.1.a.3: Reorganize the School under a new director or principal who is authorized to hire new staff; or

Section 3.G.1.a.4: Voluntarily close; or

Section 3.G.1.a.5: any other action permitted by applicable law, rules or this Charter including, without limitation, the termination of this Charter pursuant to Section 1002.33(8), Florida Statutes.

Section 3.G.1.b: **School Improvement Plan Approval Meeting**: The Sponsor shall approve or deny a school improvement plan submitted by the School at a publicly noticed meeting pursuant to Rule 6A-1.009827, Florida Administrative Code.

Section 3.H: **State Student Performance Requirements**: The School will be accountable for meeting the state's student performance requirements as delineated in Rule 6A-1.09981, Florida Administrative Code, *School District Accountability,* based on Sections 1001.02, 1008.22, 1008.34, and 1008.345, Florida Statutes.

Section 3.I: **Annual Accountability Report**: The School shall submit an Annual Accountability Report to the Sponsor by the date specified by the State each year during the term of this Charter School Agreement as required by Section 1002.33(9)(k), Florida Statutes. The Accountability Report will be reviewed by the Sponsor as required.

Section 3.J: **Reading Plan:** The School agrees to adopt and implement, the Sponsor's K-12 Comprehensive Evidence-Based Reading Plan (CERP) unless it has chosen to "opt-out" and use an alternate governing board approved core reading plan. If the school chooses to opt-out of the Sponsor's K-12 CERP, it shall provide to the Sponsor an alternative Evidence-Based Comprehensive Reading Plan to the Sponsor for review in compliance with applicable laws.

ARTICLE 4: STUDENTS

Section 4.A: **Eligible Students**: The School shall enroll all eligible students in accordance with Section 1002.33(10), Florida Statutes. Student enrollment shall be subject to the School's approved capacity, which shall be determined annually by the School's governing board, in conjunction with the Sponsor, in accordance with Section 1002.22(10)(h)(i), Florida Statutes. A student may not be transferred by the School to another charter school or district school except upon the prior written consent of the student's parent/guardian or of the student (if an adult). The School agrees that any transfer or withdrawal of students shall be conducted in accordance with the Sponsor's student enrollment and withdrawal policies and procedures. Parents may withdraw a student from the School at any time. In such event, the student shall either return to the student's regularly assigned district school or to another school with an appropriate program.

Section 4.A.1: **School Community**: The School shall make reasonable efforts, in accordance with federal law, to achieve racial or ethnic balance reflective of the community it serves or within the racial or ethnic range of other public schools in the District and shall not violate the antidiscrimination provisions of Section 1000.05, Florida Statutes, including

to discriminate against students who are served under the Exceptional Student Education (ESE) program and students who are served as English Language Learners (ELL). The parties agree that the community to be served by the School is described in the School's Application **(Appendix 1).** However, in no event shall any eligible student, as defined by Section 1002.33(10), Florida Statutes, be denied enrollment unless the School has attained its maximum school enrollment capacity.

Section 4.B: **Grades Served**: The School shall enroll students in those grades specified in its Approved Application **(Appendix 1).** A state designated high-performing charter school may expand grade levels as outlined in Section 1002.331 Florida Statutes.

Section 4.C: **Class Size**: The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

Section 4.D: **Annual Projected Enrollment**: The School shall provide to the Sponsor its projected FTE enrollment for the next school year by no later than the last Friday of May of the current school year during the term of this Charter. The Annual Projected Enrollment shall not be construed to constitute a maximum enrollment capacity at the School for the following academic school year.

Section 4.E: **Annual Capacity Determination**: Any change in the School's approved maximum school enrollment capacity must be achieved through the amendment of this Charter. If a change in its maximum school enrollment capacity is desired for an upcoming school year during the term of this Charter, the School must provide notice to the Sponsor of the proposed change in school enrollment capacity and the facts supporting that request no later than February 28 prior to the school year in which the increased capacity is requested. The Sponsor shall consider the provisions of Section 1002.33(10), Florida Statutes, when determining whether to approve a requested change in school enrollment capacity. The School shall not enroll student in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the school shall not be exceeded during any session.

Section 4.E.1: **Annual Capacity of a High Performing Charter School**: The capacity of a high-performing charter school identified pursuant to Section 1002.331, Florida Statutes, shall be determined annually by the School's governing board. The governing board shall notify the Sponsor of any increase in enrollment by March 1 of the school year preceding the increase. The Sponsor may not require the School to identify the names of students to be enrolled or to enroll those students before the start of the school year as a condition of approval or renewal of a charter. Pursuant to Section 1002.331(2)(a), Florida Statutes, modification of the contract capacity of a charter school that has been identified as high-performing by the FDOE, shall not exceed the maximum capacity established by any applicable certificate of occupancy, certificate of use, fire permit or applicable provision of Article IX, Section 1 of the Florida Constitution or any other law or rule that is applicable to the School.

Section 4.F: **Admissions and Enrollment Plan**: The School shall implement the enrollment policies and procedures and lottery processes in accordance with the School's Governing Board policies and procedures, Section 1002.33 (10), Florida Statutes, and as otherwise provided by law. Pursuant to Section 1002.33(10)(e), Florida Statutes, the School may limit

enrollment to target specific student populations. The School shall enroll all eligible students who submit a timely application, unless the number of applications exceed the stated capacity of the School, class, grade level, or building as agreed to in **(Appendix 1).** In that case, all applicants shall have an equal chance of being admitted through a random selection process. The School's enrollment plan shall comply with the following:

Section 4.F.1: **Equal Enrollment Opportunities**: Students requiring services from an Exceptional Student Education (ESE) program as well as students requiring services from English Language Learners (ELL) programs shall have equal opportunities of being selected for enrollment in the School. The School agrees to enroll any eligible student who submits a timely and completed application. However, if the number of applications exceeds the capacity of a program, class, grade level, or building all eligible applicants shall have an equal chance of being admitted through a random selection process that complies with Florida law and all applicable desegregation court orders, and/or settlement stipulations, Sponsor assignment plan/policies, voluntary school choice plans, and conditions relating to maintenance of appropriate student population that reflects the diversity of the community in which the School is located;

Section 4.F.2: **Enrollment for Conversion Schools**: In the event the School is operating as a conversion charter school, the School agrees to give enrollment preference in accordance with Section 1002.33(10)(e), Florida Statutes to students who would have otherwise attended that public school, however, parents or students may request non-participation and receive assignment to another public school through the Sponsor;

Section 4.F.3: **Community Diversity**: The School agrees that it will implement the strategies contained in **Appendix 1** to achieve and maintain a student population reflective of the diversity of the community the School serves, as defined above;

Section 4.F.4: **Enrollment Preferences - Siblings and Employees' Children**: The School acknowledges that it may give enrollment preference to eligible siblings of students enrolled in the School, to the child of an employee of the School, to the child of a member of the governing board of the School or to any other student as authorized by Florida law; and

Section 4.F.5: **Enrollment Preferences – Same Household**: The School acknowledges that it may give enrollment preference to students living in the same household with an accepted/attending student (i.e., foster home, foreign exchange student) subject to the provision of appropriate documentation to support such student eligibility.

Section 4.G: **Maintenance of Student Records**: The Sponsor agrees to cooperate with the School to provide cumulative folders and permanent records, including Individual Education Plans (IEPs) for Exceptional Students. The School shall maintain both active and archival records in Broward County, Florida, for current and former students in accordance with Florida Statutes. The School will maintain both active and archival records for current/former students in accordance with applicable federal and state laws. The Sponsor will assist the School in establishing appropriate record formats.

Section 4.G.1: **Cumulative Folders/Permanent Records**: All cumulative folders and permanent records of students leaving the School to attend a district school and copies of permanent records of students leaving a district school to attend the School will be forwarded to the receiving school immediately upon request. Neither the School nor the Sponsor shall delay the transfer of records due to a pending parent/student exit conference.

Section 4.G.2: **Records Upon Out-of-District Transfer**: All cumulative folders and permanent records of students leaving the School to attend a school other than a district school will be copied and forwarded to the receiving school. The original cumulative folder and permanent record of the student will be filed with the School's inactive student records and transferred to the Sponsor in accordance with applicable federal and state law.

Section 4.G.3: **Records Upon Other Transfers**: All cumulative folders and permanent records of students leaving the School for any reason, other than above, will be filed with the School's inactive student records and transferred to the Sponsor in accordance with applicable federal and state law;

Section 4.G.4: **Records Transfer to Sponsor**: All permanent (identified as "Category A" by the Florida Division of Library and Information Services) records of students leaving the School, whether by graduation, transfer to Sponsor's district schools, or withdrawal to attend another school, will be transferred to the Sponsor in accordance with applicable law. All records of student progress (identified as "Category B" by the Florida Division of Library and Information Services) will be immediately transferred to the appropriate recipient school, without exception, if a student withdraws to return to one of Sponsor's district schools or to another school system. The School may retain copies of the academic records created during a departing student's attendance at the School.

Section 4.G.5: **Inactive Student Records**: All inactive student records shall be maintained and archived by the school in accordance with Rule 6A-1.0955, Florida Administrative Code. The School shall maintain pupil attendance records in the manner specified in Rule 6A-1.044, Florida Administrative Code; and

Section 4.G.6: **Confidentiality of Student Records**: The School shall ensure that all student records are kept confidential as required by applicable federal and state laws including but not limited to the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. 1232g) and Sections 1002.22 and 1002.221, Florida Statutes. The Sponsor has the right with reasonable notice, if it has a legitimate educational interest to review any and all student records maintained by the School including, without limitation, records pertaining to students in the ESE, ELL and Multi-Tiered System of Support/Response to Intervention (MTSS/RtI) programs at the School.

Section 4.H: **Exceptional Student Education**: Students enrolled in the School who are eligible to receive Exceptional Student Education (ESE) services shall be provided a free appropriate public education by the School in accordance with this Charter, applicable federal and state laws and applicable administrative rules adopted by the Florida Board of

Education. Students with disabilities will be educated in the least restrictive environment as outlined in the district's Special Policies and Procedures for Exceptional Students (SP&P).

Section 4.H.1: **Non-Discriminatory Policy**: The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The School shall adopt a policy providing that it will not discriminate against students with disabilities who are served in Exceptional Student Education (ESE) programs and students who are served in English for Speakers of Other Languages (ESOL) programs; and that it shall not violate the anti-discrimination provisions of Section 1000.05, Florida Statutes (The Florida Education Equity Act). The School will be non-sectarian in its programs, admission policies, employment practices and operations. The School shall adopt and implement a non-discriminatory policy regarding placement, assessment, identification, selection, and admission of disabled students. The School will not request a copy of a student's Individual Education Plan (IEP) nor any other student information from the parent or any other source prior to the student's completion of the application process, nor shall the School access such student information on the Sponsor's student information system prior to admission of the student. The School's enrollment application will not include questions concerning a student's IEP or need for special services. Upon receiving the application for enrollment of a student with a disability, the School will convene a meeting with individuals knowledgeable about the student to evaluate the student's individual needs and determine whether the student can be provided a free, appropriate public education by the School.

Section 4.H.2: **Sponsor's Responsibilities**: The Sponsor will have the responsibility of conducting the psychoeducational evaluation of students referred for potential placement within exceptional student education in accordance with federal and state mandates. The School agrees that the Sponsor will perform psychoeducational evaluations of students initially referred for placement within exceptional student education without fee. The School will be billed for those services not covered by the administrative fee at the actual cost of these services. The School may obtain independent evaluations of students at the School's expense. These evaluations may be considered in determining eligibility but will not necessarily substitute for an evaluation conducted by the Sponsor's district personnel in a manner and timeframe consistent with that of all other schools in the district. The Sponsor will monitor the School for ESE compliance with applicable federal, state and local policies and procedures.

Section 4.H.3: **The School's Responsibilities**: The School shall make a continuum of services available to students with disabilities. Students with disabilities enrolled in the School shall be provided, at the School's expense, with programs implemented in accordance with federal, state and local policies and procedures, (or other State approved procedures) and, specifically, the Individuals with Disabilities Education Improvement Act (IDEIA), Section 504 of the Rehabilitation Act of 1973, 1000.05, 1003.57, 1001.42(4)(l), and 1002.33, Florida Statutes, Chapter 6A-6 of the State Board of Education Administrative Rule and Sponsor's Special Policies and Procedures for Exceptional Students. The School will be responsible, at its expense, for the delivery of all educational and related services indicated on the student's Individual Education Plan (IEP). Related services (e.g., speech/language therapy, occupational therapy, physical therapy, and counseling) must be provided by the School's staff or paid for by the School through a separate contract. Gifted students shall be provided with programs implemented in accordance with state and local policies and procedures, federal and state laws,

and Chapter 6A-6 of the Administrative Rules adopted by the Florida Board of Education. The School will be responsible for the delivery of all educational services indicated on a student's educational plan.

Section 4.H.3.a: **IEP Meetings**. The School will develop an Individual Education Plan (IEP) and conduct an IEP meeting with the student's parents/guardians for each exceptional student enrolled in the School. The School will utilize all of the Sponsor's forms and procedures related to ESE eligibility, IEP and placement process procedures. The School will invite the Sponsor to participate in the initial staffing and IEP meetings at the school and will provide the Sponsor with at least ten (10) days prior notice of such meetings as required by law and accompanied by a copy of the Parent Participation Form. A representative of the Sponsor shall participate in all initial IEP, EP, and applicable Section 504 Plan meetings. The administrator or designee in charge at the School will serve as the LEA Representative at all other annual and interim IEP, EP, and Section 504 meetings, which the School shall conduct.

Section 4.H.3.a.1: If it is determined by an IEP committee that the needs of a student with disabilities cannot be met at the School, the School will take steps to secure another placement for the student in accordance with federal and state mandates. The School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. The School's staff will work closely and as early as possible in the planning/development stages, with Sponsor staff to discuss the services needed by the School's students with disabilities.

Section 4.H.3.b: **Least Restrictive Environment:** Except as otherwise provided by the provisions of Section 2.E contained hereinabove, students with disabilities enrolled in the School will be educated in the least restrictive environment and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. As it is the School's goal to place students in an environment where they can best flourish, those students whose needs cannot be adequately addressed at the School will be appropriately referred; and the School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. However, it is the School's obligation, and not that of the Sponsor or student's boundaried school, to provide all appropriate services to ESE students unless and until that student withdraws from the School.

Section 4.H.3.c: **Procedural Measures:** As early as possible in the planning/development stages, the School's staff will work closely with the Sponsor's staff to discuss the needed services (including all related services and programs) of the School's students with disabilities. Parents of students with disabilities will be afforded procedural safeguards in their native language, which safeguards will include the areas of notice and consent, independent educational evaluations, confidentiality of student records, due process hearings, and surrogate parents.

Section 4.H.3.d: **Federal and State Reports:** Unless otherwise exempted by Chapter 1002, Florida Statutes, the School will complete federal, state and any other reports deemed necessary in accordance with the timelines and specifications of the Sponsor and the State Department of Education.

Section 4.H.3.e: **504 Students**: The School will provide reasonable accommodations to students with a physical or mental impairment which substantially limits a major life activity, if and to the extent required to enable such students to have an opportunity to be successful in their educational program equal to that of their non-disabled peers. The School shall prepare a 504 Accommodation Plan for all such students who do not have an IEP, in accordance with Section 504 of the Rehabilitation Act and its implementing regulations.

Section 4.H.4: **Due Process Hearings**: The School shall be liable to Sponsor for all damages, attorney's fees and costs awarded against the Sponsor relating to an alleged violation by the School of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 and School shall be liable for all attorney's fees and costs incurred by the Sponsor in its defense of any claims. The School shall have an opportunity to consult both in the selection of counsel and to participate in the defense of the due process proceedings. The School shall not be obligated to Sponsor under this subsection for any damages, attorney's fees and costs awarded in favor of a student with disabilities due to Sponsor's violation of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 or for any costs and attorney's fees incurred by Sponsor in defending a claim that resulted in such an award. All expenses, cost and attorney's fees owed to the Sponsor based on this Section shall be reimbursed by the School within thirty (30) calendar days of the submission of a written invoice to School by the Sponsor or an appropriate payment plan shall be negotiated.

Section 4.H.5: **English Language Learners (ELLs)**: Students enrolled at the School who are identified as English Language Learners (ELLs), will be provided with primary instruction in English by personnel who will follow the Sponsor's District Plan for English Language Learners and who either (a) hold a currently-valid State of Florida educator's certificate showing the ESOL subject area or the ESOL endorsement or (b) hold a currently-valid State of Florida educator's certificate in another area of certification, have been approved by the School's Board of Directors to teach in this capacity, and who complete the required in-service training in ESOL in the prescribed time frame per the State Department of Education rules and regulations provided by the school district in compliance with the *LULAC, et al. v. State Board of Education* Consent Decree. The School will meet all the requirements of the Consent Decree entered in *LULAC, et al. v. State Board of Education* and related rules of the State Board of Education in Chapter 6A-6. The School will comply with the Sponsor's current ELL plan, as approved by the State Board of Education, including the utilization of all forms and documents in both the Sponsor's current ELL plan, which may be amended from time to time, as well as any district department handbooks, manuals and guidelines used for the process of identifying and classifying ELL students and for the provision of implementation of ESOL services to meet the needs of English Language Learners (ELLs). The School shall be invited to attend the District's ESOL Contact Meetings. The Sponsor will monitor the School for ELL compliance with applicable federal, state and local policies and procedures.

Section 4.I: **Dismissal Policies and Procedures**: The School agrees to dismiss students as described in Sponsor's School Board Policy in effect at the time of this Charter by the parties, within this Charter or as subsequently amended, and in the appropriate Section of the School's Application **(Appendix 1)**. The School agrees to maintain a safe learning environment at all times. The School shall comply with Florida state law and will adopt and follow the Sponsor's Code of Student Conduct, as may be modified by the Sponsor from time to time, for the School's students of the same grades promulgated by Sponsor. Any policies developed by the School to implement the Code of Student Conduct shall be in accordance with the Florida State Board of Administration Rules, federal and state laws and regulations, and federal and state court decisions.

Section 4.I.1: **Expulsions:** The School's board of directors shall recommend expulsions to the Sponsor. However, the Sponsor has the ultimate authority in cases of student expulsion. If the School is considering removal of a student from attendance, the School will inform the Sponsor of its intention and share information concerning the basis for considering removal. If the student's actions lead to recommendation for assignment to an alternative school or expulsion from the Sponsor's district, the School will cooperate in providing information and testimony needed in any legal proceeding. Students will be assigned to an alternative school only through the process established by the Sponsor's Board Policy and will be expelled from the Sponsor's district only if approved by the Sponsor's School Board.

Section 4.I.1.a: **Liability** The School shall not be liable to the Sponsor for any damages, attorney's fees or costs relating to damages awarded due to actions of the Sponsor which are found to violate any federal and/or state laws related to any disciplinary or expulsion proceeding arising out of this Section that are the result of the Sponsor's actions. Further, the Sponsor shall be liable to the School to the extent permitted by law for such damages, attorney's fees or costs relating to damages awarded due to the Sponsor's actions which are found to violate federal and/or state laws related to any disciplinary or expulsion proceedings arising out of this Section that are the result of Sponsor's actions.

Section 4.I.2: **Manifestation Determination:** Students with disabilities shall be afforded a manifestation determination and will be disciplined, if required, in accordance with the requirements of the Individuals with Disabilities Education Improvement Act and Rehabilitation Act and the Sponsor's Exceptional Student Education Policies and Procedures (SP&P). If a student has been recommended for expulsion for commission of an expellable act as defined by the Sponsor's policy and the student is withdrawn from the School by a parent/guardian, the student may be denied enrollment in a district school by Sponsor or may be assigned to an appropriate expulsion abeyance program in accordance with Sponsor's policies. The School may not withdraw or transfer a student involuntarily unless the withdrawal or transfer is accomplished through established procedures mutually agreed upon in this Charter or through the Sponsor's applicable policies for student withdrawal.

Section 4.I.3: **Corporal Punishment**: The School agrees that it will not engage in the corporal punishment of its students.

Section 4.J: **Extracurricular Student Activities**: Students at the School shall be eligible for participation in extracurricular activities and athletic opportunities at the School in the same manner as other schools in the school district to the extent such programs or sports are offered. Nothing herein prohibits the School from imposing stricter requirements for participation in extracurricular activities. Students at the School will be eligible to participate in interscholastic extracurricular activity at the district school to which the student would be assigned according to Sponsor's policies and the rules of the Florida High School Athletic Association (FHSAA), unless such activity is provided at the School, so long as the School student meets the requirements of Section 1006.15, Florida Statutes. All such students will be assigned to a district school for extracurricular activities through the Sponsor's student assignment office. The Sponsor agrees to support the School in its efforts to recognize student accomplishments. Such support shall include, but not be limited to, district competitions, district recognition programs and district scholarship programs. If there are any costs not paid for or reimbursed by the State, then the School shall pay its pro rata share of the costs of such recognition programs.

Section 4.K: **Enrollment - Health, Safety & Welfare**: Enrollment at the School is subject to compliance with the provisions of Section 1002.33, Florida Statutes, concerning school entry health examinations and immunizations. The School agrees to comply with the Federal Gun Free Schools Act of 1994 and any other applicable state and/or federal law pertaining to the health, safety and welfare of students.

Section 4.L: **Safety & Security Requirements:** The School and Sponsor shall comply with all applicable provisions of the Marjory Stoneman Douglas High School Public Safety Act, as well as any subsequent applicable safety and security legislation or relevant sections of the Florida Administrative Code. This compliance includes, but is not limited to, adherence to the specific statutory and regulatory requirements enumerated below and applicable to School.

Section 4.L.1: Section 1006.12, Florida Statutes, relating to safe-school officers;

Section 4.L.2: Section 1006.07, Florida Statutes, relating to threat management teams;

Section 4.L.3: Section 1006.07, Florida Statutes, relating to School Environmental Safety Incident Reporting;

Section 4.L.4: Section 1006.1493, Florida Statutes, relating to the Florida Safe Schools Assessment Tool;

Section 4.L.5: Section 1006.07, Florida Statutes, relating to adopting an active assailant response plan;

Section 4.L.6: Section 943.082, Florida Statutes, relating to the mobile suspicious activity reporting tool;

Section 4.L.7: Section 1012.584, Florida Statutes, relating to youth mental health awareness and assistance training;

Section 4.L.8: Section 1006.07, Florida Statutes, relating to completing school campus tours;

Section 4.L.9: Section 1006.07, Florida Statutes, relating to adoption of family reunification plans;

Section 4.L.10: Section 1006.07, Florida Statutes, relating to adoption and implementation of progressive discipline policy;

Section 4.L.11: Section 1006.07, Florida Statutes, relating to school safety requirements physical security measures;

Section 4.L.12: Section 1006.07, Florida Statutes, relating to emergency drills and emergency procedures;

Section 4.L.13: Section1006.07, Florida Statutes, relating to control of students;

Section 4.L.14: Section 1006.07, Florida Statutes, relating to Code of Student Conduct;

Section 4.L.15: Section 1012.32, Florida Statutes, relating to qualifications of personnel;

Section 4.L.16: Rule 6A-1.0017, F.A.C., relating to SESIR;

Section 4.L.17: Rule 6A-1.0018, F.A.C., relating to Safety & Security; and

Section 4.L.18: Rule 6A-1.0019, F.A.C., relating to Threat Management.

Section 4.M: **Safety & Security Reporting Requirements:** The School shall submit all required safety and security information through the Sponsor designated platform, portal, or other method as specified by the Sponsor. The School shall comply with all reasonable Sponsor established deadlines for the submission of safety and security trainings, reports or documentation. This would include any additional trainings, reports, or documentation deemed necessary by the Sponsor's School Safety Specialist. Such submissions must be made in a timely manner to allow for the Sponsor's review and, if necessary, corrective action, ensuring compliance with all applicable statutory and regulatory deadlines.

Section 4.N: **Subsequent Legislation:** Should any additional legislation affecting school safety or security and applicable to School be enacted during the term of this Agreement, the School shall promptly comply with all requirements for actions, reporting, and

documentation as set forth in such legislation. Compliance shall be in accordance with the procedures described in Section 4.M above.

Section 4.O: **Mental Health Plan:** The School will annually determine whether it will participate in the Sponsor's Mental Health Plan to receive the mental health assistance allocation. If the School develops its own plan, it must submit that plan to its Governing Board for approval. After the plan is approved by the School's governing board, it must be provided to the Sponsor in the timeframe provided by the Sponsor.

ARTICLE 5: FINANCIAL ACCOUNTABILITY

Section 5.A: **Revenue - Basis for Student Funding**: The Sponsor agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a school in the Sponsor's district. The basis for the funding shall be the sum of the Sponsor's operating funds from the Florida Education Finance Program (FEFP) as provided in Section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the Sponsor's district current operating discretionary millage funds, divided by the total funded weighted full-time equivalent students (WFTE) in the Sponsor's district, multiplied by the WFTE of the School, less the statutory administrative fee set forth in Section 1002.33(20), Florida Statutes. The School shall receive one hundred percent (100%) of the Merit Award Program funds awarded to the School pursuant to Section 1012.225, Florida Statutes.

Section 5.A.1: **Student Reporting**: The School agrees to report to the Sponsor its student enrollment as provided in Section 1011.62, Florida Statutes, and, in accordance with the definitions contained in Section 1011.61, Florida Statutes, at the agreed-upon intervals and using the method used by the Sponsor's district when recording and reporting cost data by program. The Sponsor agrees to include the School's enrollment in the Sponsor's district report of student enrollment. In addition, for each year of the term of this charter, the School will submit the projected full-time equivalent student membership of the School to the Sponsor by the date specified by the Sponsor. The Sponsor will also provide training for the School's personnel in the use of designated district applications necessary to respond to the legislative requirements of Section 1008.345, Florida Statutes, including the annual report and the state required assessment program.

Section 5.A.1.a: **Retention of Attendance Records:** The School will retain the records documenting students' attendance, absences, and tardiness as required by applicable laws. These documents may include, but not limited to, teachers' daily attendance records, the absentee record, documentation of any changes to the absentee record, absentee slips, and any electronic absentee records. These records should be retained in accordance with the retention schedule published by Florida Department of State, Division of Library and Information Services, "General Records Schedule GS7 For Public Schools, Pre-K-12 and Adult and Career Education".

Section 5.A.2: **Distribution of Funds Schedule**: The Sponsor shall disburse the funds specified in this Article to the School in a timely and efficient manner. Timely

distribution of funds to the School shall begin annually in July on a monthly basis. Until the Sponsor has conducted an official enrollment count, the monthly payments will be based on the School's prior year FTE student membership. Thereafter, the results of student enrollment counts and FTE membership surveys will be used in adjusting the amount of funds distributed monthly to the School for the remainder of the fiscal year. The Sponsor shall pay the School one-twelfth of the available funds less administrative fee as defined in Section 1002.33(20)(a), Florida Statutes within ten (10) business days of receipt by the Sponsor of a distribution of State or local funds. If payment is not made within ten (10) business days after receipt of funding by the Sponsor, the Sponsor shall pay to the School, in addition to the amount of the scheduled disbursement, interest at the rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration for the ten (10) business day period until such time as the payment is made.

Section 5.A.2.a: **Disbursement - Start of New Charter School**
Pursuant to Section 1002.33(17), Florida Statutes: "For the first 2 years of a charter school's operation, if a minimum of seventy-five percent (75%) of the projected enrollment is entered into the sponsor's student information system by the first day of the current month, the district school board shall distribute funds to the school for the months of July through October based on the projected full-time equivalent student membership of the charter school as submitted in the approved application. If less than seventy-five percent (75%) of the projected enrollment is entered into the sponsor's student information system by the first day of the current month, the sponsor shall base payments on the actual number of student enrollment entered into the sponsor's student information system. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year." In no event shall monthly payments begin until the School has secured at least temporary facility approval from the appropriate licensing authority and has presented the same to the Sponsor. The Sponsor will determine the School's actual state fundable FTE using FDOE FTE reports and will make monthly payments to the School based on those reports and the most recent calculation of FEFP revenue, less payments received, less the district administrative fee, with the balance due divided by the remaining months in the fiscal year. Payment shall be on a monthly basis..

Section 5.A.3: **Adjustments**: Total funding for the School shall be recalculated during the year to reflect the revised calculations under the FEFP by the State and the actual unweighted and weighted FTE students reported by the School during the full-time equivalent survey periods designated by the Commissioner of Education. If the School submits data relevant to FTE funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State arising as a result of any errors or omissions for which the School is responsible, provided that the Sponsor, having received notice from the State of such inaccuracy, has sent notice to the School of the alleged errors discovered through such audit(s) so that the School on its own, or through the Sponsor, at the School's expense, may participate in any proceeding to challenge or appeal such audit findings. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same. Should the Sponsor receive notice of an FTE funding adjustment which is attributable to error, misreporting or substantial noncompliance by the charter school, the sponsor shall deduct the amount of such adjustment from the charter school's FTE funding until

the total amount of the FTE funding adjustment is recovered by the Sponsor. Such adjustment shall not exceed the fiscal year.

Section 5.A.4: **Millage Levy**: In accordance with the provisions of section 1002.33(9)(l), Florida Statutes, the School agrees that it shall not levy taxes or issue bonds secured by tax revenues. However, nothing in this provision shall preclude a municipality from levying municipal taxes during a period in which the municipality is operating a charter school.

Section 5.A.5: **Holdback/Proration**: In the event of a state holdback or a proration which reduces funding, the School's funding will be reduced proportionately. In the event that the Sponsor's district exceeds the state cap for WFTE for any expenditure category of programs established by the Legislature, resulting in unfunded WFTE for the Sponsor's district, then the School's funding shall be reduced to reflect its proportional share of any unfunded WFTE and the School's funding will be reduced to reflect its proportionate share of any unfunded WFTE. In addition, should the Sponsor receive notice of an FTE funding adjustment which is attributable to error or substantial noncompliance by the School, the Sponsor shall deduct such assessed amount from the next available payment otherwise due the School, provided that the Sponsor, having received notice from the State of such inaccuracy, has sent notice to the School of the alleged errors discovered through such audit(s) so that the School on its own, or through the Sponsor, at the School's expense, may participate in any proceeding to challenge or appeal such audit findings. In the event that the assessment is charged near the end of or after the term of this Charter where no further payments are due the School, the Sponsor shall provide prompt notice to the School which shall refund the Sponsor the amount of the assessment within thirty (30) calendar days. The School will be responsible for an additional fee of one percent (1%) per month on the unpaid balance after thirty (30) calendar days from the date of notice of such assessment.

Section 5.A.5.a: **Payment Withholding**: Distributions of FTE funds may be withheld without penalty of interest, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) calendar days overdue:

i. the School's monthly or quarterly financial statements, or

ii. the School's annual financial audit.

The Sponsor shall release, in full, any funds withheld under this provision within 10 (ten) calendar days of receipt of the documents whose absence resulted in the withholding of funds.

Section 5.A.6: **Categorical Funding**: If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of the categorical program funds included in the total funds available in the FEFP by the Legislature, including transportation, the evidence-based reading allocation, less the administrative fee permitted under Section 1002.33(20)(a), Florida Statutes. The School shall provide the Sponsor with documentation that categorical funds received by the School were expended for purposes for which the categoricals were established by the Florida Legislature. The School shall reimburse the

Sponsor for any impermissible expenditure as established by State criteria, within thirty (30) calendar days of notice of such expenditure.

Section 5.A.7: **Federal Funding**: In any programs or services provided by the Sponsor which are funded by federal funds and for which federal funds follow the eligible student, the Sponsor agrees, upon adequate documentation that verifies student eligibility (e.g., approved free-and-reduced price meal applications) from the School, to provide the School with equivalent federal funds per eligible student if the same level of service is provided by the School, provided that no federal law or regulation prohibits this transfer of funds.

Section 5.A.7.a: **Title I**: In accordance with applicable law including, without limitation, Section 1002.33(17), Florida Statutes, and the provisions of 20 U.S.C. 8061 s. 10306, the Sponsor will always provide all federal funding for which the School is otherwise eligible, including Title 1 funding, not later than five (5) months after the School first opens or after a subsequent expansion of enrollment. Any Title I funds allocated to the School must be used to supplement core subjects for eligible students participating in the Title I program and shall be spent in accordance with federal regulations. These students will be identified utilizing the Survey 3 conducted annually during the prior fiscal year. Any capital outlay item purchased with Title I funds must be identified and labeled for Title I property audits. Any equipment purchased with Title I funds, which is classified as Capitalized Audio Visual or Equipment, remains the property of Title I, and must be identified and labeled for Title I property audits. If the School accepts Title I funds, at least one percent (1%) of the Title I funds budget must be spent in support of parental involvement activities. The School will ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The district and regional Title I staff will provide technical assistance and support in order to ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The Sponsor agrees to timely notify the School of all dates and other information regarding reporting of student data, calendar of district in-service opportunities, and other dates and information pertinent to the School's compliance with this Charter.

Section 5.A.7.b: **IDEA**: The IDEA portion of the IDEA appropriation will be provided to the School.

Section 5.A.8: **Federal or Other Grants**: The Sponsor agrees to support the School in its efforts to secure grants by timely processing and submitting all documentation prepared by the School and necessary for the Schools competition for grants and other monetary awards, including but not limited to Federal Start-up Grant and Dissemination Grant. When the funding source requires that the Sponsor serve as the fiscal agent for a grant, the School shall, prior to generating any paperwork to the funding agency, notify the Sponsor in writing of its intent to submit a grant application and attach grant application guidelines. If the Sponsor develops a district-wide grant, the School may be included in the district proposal, if mutually agreed to by the School and the Sponsor. The Sponsor shall not agree to such participation unless the School specifically agrees to all terms, conditions, and requirements of the grant. If the School fails in any material respect to comply with said terms, conditions, and requirements, the School shall be solely responsible and liable for any consequences. When a charter school elects to participate in

a district-wide grant prepared by the Sponsor's staff or when grant proposals are developed by district staff using student or School counts that include the students of the School, dollars and/or services distributed via grant funds will be provided to charter schools in the same manner as traditional public schools.

Section 5.A.9: **Other Funding Sources**: The Charter School may secure funding from private foundations, corporations, businesses and/or individuals.

Section 5.A.10: **Charter School Capital Outlay Funds**: Section 1013.62, Florida Statutes, provides procedures and guidance for the distribution of capital outlay funds appropriated to Florida's public charter schools. Capital Outlay (CO) plans must be submitted to the Florida Department of Education (FDOE) in the format and manner prescribed by the FDOE. The Sponsor will review and verify the information reported (uploaded) to the FDOE. The FDOE determines approval of the School's Capital Outlay Plan. A copy of the previous year's annual audited financials must be submitted to the School's Sponsor as well as any other supporting documentation, such as a copy of the school's accreditation by a regional accrediting association in order to verify that the charter school qualifies for capital outlay funds. The Sponsor distributes capital outlay funds to the charter schools within ten (10) calendar days upon receipt from the Florida Comptroller's Office.

Section 5.A.10.a: In accordance with Section 1002.33(8)(d), Florida Statutes, when a charter is not renewed or is terminated, the charter school shall be dissolved under the provisions of law under which the school was organized, and any unencumbered public funds, except for capital outlay funds and federal charter school program grant funds, from the charter school shall revert to the sponsor. Capital outlay funds provided pursuant to Section 1013.62, Florida Statutes, and federal charter school program grant funds that are unencumbered shall revert to the Department to be redistributed among eligible charter schools. In the event a charter school is dissolved or is otherwise terminated, all district school board property and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the district school board, subject to complete satisfaction of any lawful liens or encumbrances. Any unencumbered public funds from the charter school, district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the charter school, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the district school board's request, until any appeal status is resolved.

Section 5.A.10.b: In accordance with Section 1002.33(8)(e), Florida Statutes, if a charter is not renewed or is terminated, the charter school is responsible for all debts of the charter school. The district may not assume the debt from any contract made between the governing body of the school and a third party, except for a debt that is previously detailed and agreed upon in writing by both the district and the governing body of the school and that may not reasonably be assumed to have been satisfied by the district.

Section 5.A.10.c: The School shall provide the Sponsor's Accounting Department with lists of any property and/or improvements purchased with CO funds that the School may subsequently propose to dispose of as surplus property. The property and/or improvements purchased by the School using CO funds shall not be sold, transferred or

encumbered, other than as provided herein, or disposed of by the School without obtaining the prior written consent of the Sponsor.

Section 5.A.11: **Information:** The Sponsor shall be entitled to inspection of the School's financial and pupil records upon request and reasonable notice. The School agrees that it will submit in a timely manner to the Sponsor all information pertaining to the charter school that is necessary for Sponsor to comply with Section 1010.20, Florida Statutes.

Section 5.A.12: **General Fixed Assets and Tangible Personal Property:** The School shall comply with all the requirements set forth in Florida Statutes and in the Florida Commissioner of Education's publication entitled *Financial and Program Cost Accounting and Reporting for Florida Schools* pertaining to general fixed assets and tangible personal property.

Section 5.A.13: **Access to Inventory**: The School agrees to allow the Sponsor reasonable access and the opportunity to review the inventory of public assets and records of such inventory. The inventory records should include; at minimum, the date of purchase, description of purchase, serial number of assets, cost of asset, funding source and current location of item.

Section 5.B: **Sponsor Administrative Fee**: The administrative fee calculated by the Sponsor shall be as defined in Section 1002.33(20)(a), Florida Statutes, not including capital outlay funds, federal and state grants, or any other funds, unless explicitly provided by law. The Sponsor shall not withhold an administrative fee from federal or state grants unless explicitly authorized by law. Funds from the reimbursement of any portion of the administrative fee to the school shall be used only for capital outlay purposes as specified in Section 1013.62(2), Florida Statutes. The Sponsor shall not withhold an administrative fee from capital outlay funds unless explicitly authorized by Florida law. The Sponsor shall provide those administrative and educational services specified in Section 1002.33(20)(a), Florida Statutes, to the School at no additional fee. These services shall include contract management services, FTE and data reporting, exceptional student education administration services, services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the School, are provided by the school district at the request of the School; test administration services, including payment of the costs of state-required or district required student assessments; processing of teacher certificate data services, and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located as provided in Section 1002.33(20)(a), Florida Statutes, and any other services which may be included or excluded as the statute may be amended. Access by the School to other services not required in Section 1002.33(20)(a), Florida Statutes, but available through the Sponsor, may be negotiated separately by the parties. Services requiring separately negotiated contract with Sponsor are unique to each charter and must be negotiated between the School and the Sponsor. Charges for such services under those contracts will be assessed upon reasonable notice at the following rate:

> *Hourly rate + proportional benefits of the Sponsor's personnel performing the service, times the number of actual hours beyond services that are regularly regarded as district level administrative services.*

The Sponsor will invoice the School monthly for these services. The School shall issue payment no later than thirty (30) business days after receipt of an invoice. If a warrant for payment of an invoice is not issued within thirty (30) business days after receipt by the School, the School shall pay to the Sponsor, in addition to the amount of the invoice, interest at a rate of one percent (1%) per month calculated on a daily basis but in no event greater than interest rate permissible by state law on the unpaid balance from the expiration of the thirty (30) day period until such time as the warrant is issued. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 5.C: **Restriction on Charging Tuition**: In accordance with the provisions of Section 1002.33(9)(d), Florida Statutes, the School agrees that it shall not charge any tuition or fees to students enrolled in an FEFP funded program in any grade through Grade 12.

Section 5.D: **Allowable Student Fees**: The School further agrees that it shall not charge fees except for those fees normally charged by other public schools.

Section 5.E: **Annual Budget**: The School shall provide the Sponsor with annual preliminary and official budgets in the format prescribed by the Sponsor. The budgets must include a revenue projection sheet, a detailed budget worksheet, and a summary budget.

Section 5.E.1: **Governing Board Approval Required**: Pursuant to Section 1002.33(9)(h), Florida Statutes, the School's governing board shall annually adopt and maintain an operating budget.

Section 5.E.2: **Date to Submit Budget to Sponsor**: During each year of this Charter, the tentative budget must be submitted to the School's governing board during the preceding school year. The official approved budget is to be submitted to the Sponsor by July 15 of the preceding school year.

Section 5.E.3: **Amended Budget**: In the event that the School's governing board approves an amended budget, a copy of the amended budget shall be provided to the Sponsor within ten (10) calendar days of its approval by the School's Governing Board.

Section 5.F: **Financial Records, Reports and Monitoring**: The School shall utilize the standard state codification of accounts as contained in the most recent issue of the publication titled, *Financial and Program Cost Accounting and Reporting for Florida Schools* (the Red Book) as a means of codifying all transactions pertaining to its operations.

Section 5.F.1: **Access to Financial Records:** Upon reasonable request, the School will provide access to inspect and copy any and all financial records and supporting documentation including, but not limited to, the following items: monthly financial reports, cash receipts journals, cash disbursement journals, bank reconciliations, payroll records, general ledger account summaries and adjusting journal entries.

Section 5.F.2: **Fiscal Monitoring**: The parties agree that the Sponsor, upon a ten (10) business day notice, may make reasonable requests and the School shall provide,

documents, including releases, on the School's financial operations beyond the monthly reports required by this Charter. Such reports shall be in addition to those required elsewhere in this Charter and be signed and approved by the chair of the School's governing board.

Section 5.G: **Maintenance of Funds**: Federal, state, and local funds shall be maintained by the School according to existing federal and state mandates and practices including, without limitation, any FEFP Guidelines pursuant to Section 1011.62, Florida Statutes. Separate funds and bank accounts shall be maintained where required for federal funds and state and local funds.

Section 5.H: **Monthly Financial Reports**: Pursuant to Section 1002.33, Florida Statutes, the School shall provide monthly financial reports to the Sponsor in the format as prescribed by Rule 6A-1.0081, Florida Administrative Code, to be delivered to the Sponsor no later than the 25th day of the following month. Section 1002.33, Florida Statutes, requires the Sponsor to monitor the progress of the School towards meeting the goals established in the Charter and to monitor the revenues and expenditures of the School. The School shall provide a monthly financial statement to the Sponsor. The financial statement shall be in a form prescribed by the Department of Education. The monthly financial statements shall be prepared in accordance with Generally Accepted Accounting Principles (GAAP) in the same manner as the School's annual financial reports, and presented along with the function/object dimensions prescribed in the FDOE publication titled, *Financial and Program Cost Accounting and Reporting for Florida Schools* (the Red Book.) At the discretion of the charter school's governing board, a charter school may elect to follow generally accepted accounting standards for not-for-profit organizations. The reports shall include a Balance Sheet, Statement of Revenue, Expenditures and Fund Balance, and Budget to Actual Report. The financial reports shall specifically include, but not be limited to, an accounting of all public funds received, and an inventory of the School's property purchased with such public funds as required by Sections 1002.33(9)(g), 274.02(1), and Florida Administrative Code Rule 69I-73.002, or successor statutes and rules. These monthly financial reports shall be cumulative. The statements shall have individual designations for each fund, including:

Section 5.H.1: assets, liabilities, and fund balances for each fund type;

Section 5.H.2: the budget as approved by the School's Governing Board;

Section 5.H.3: revenues and expenditures, year-to-date, vs. budget; and

Section 5.H.4: budget to actual report.

Section 5.I: **Monthly Financial Data**: The School shall implement monthly reconciliation procedures of all bank accounts. A copy of each entire bank statement, copy of cancelled checks, detailed general ledger cash accounts and supporting documentation shall be available to the Sponsor for audit review, upon request.

Section 5.I.1: **High Performing Schools:** The School shall provide a monthly financial statement to the Sponsor unless the School is designated as a high-performing charter

school pursuant to Section 1002.331, Florida Statutes, in which case the high-performing charter school may provide a quarterly financial statement.

Section 5.J: **Quarterly Financial Reports:** High-performing charter schools shall submit quarterly financial reports as provided by Florida law. For purposes of this section the quarterly reporting periods will be July/August/September; October/November/December; January/February/March; and April/May/June. The quarterly reports will be delivered to the Sponsor no later than the 25th day of the following month in accordance with the accounts and codes prescribed in the most recent issuance of the publication titled "Financial and Program Cost Accounting and Reporting for Florida Schools"; or at the discretion of the School's governing board, the School may elect to follow generally accepted accounting standards for not-for-profit organizations, but must reformat this information for reporting according to Section 1002.33(9)(g)1, Florida Statutes, using the format prescribed by the Sponsor.

Section 5.K: **Evidence of Start-Up Funding**: Except for instances in which an existing Charter is renewed, the School provide to the Sponsor evidence of sufficient funds for start-up costs no later than ninety (90) calendar days prior to the start of the initial school year to assure prompt payment of operating expenses associated with the opening of the School including, but not limited to, the amount of any lease payments, teacher and other staff salaries and benefits, transportation costs, etc., for the beginning of the initial school year.

Section 5.L: **Property Inventories:** Pursuant to Rule 69I-73.002, Florida Administrative Code, the School will submit twice a year to the Sponsor a cumulative listing of all property valued over one thousand dollars ($1,000) purchased with public funds (i.e., FEFP, grant and any other public-generated funds) and private funds. The report should clearly indicate what items were purchased with public funds and which ones with private funds. Rule 69I-72, Florida Administrative Code, requires the custodian of public funds to ensure a complete physical inventory of all property. The School should maintain a subsidiary ledger of property purchased with public funds as outlined in Rule 69I-72.003, Florida Administrative Code, and have it available for review by the Sponsor. For the purpose of this section, the reporting periods will be December and June or upon written request of the sponsor.

Section 5.L1: The inventory report should follow the outline contained in Rule 69I-72.003, F.A.C., and must include, but not limited to:

(a) Identification number;

(b) Description of item or items;

(c) Physical location (the city, county, address or building name and room number therein);

(d) Name of custodian or custodian's delegate with assigned responsibility for the item;

(e) Class Code;

(f) In the case of a property group, the number and description of the component items comprising the group;

(g) Name, make or manufacturer, if applicable;

(h) Year and/or model(s), if applicable;

(i) Manufacturer's serial number(s), if any; and if an automobile, vehicle identification number (VIN) and title certificate number, if applicable;

(j) Date acquired; and

(k) Cost or value at the date of acquisition for the item or the identified component parts thereof.

Section 5.M: **Program Cost Report**: The School shall deliver to the Sponsor the School's Annual Program Cost Report for Charter Schools in the format as prescribed by the FDOE no later than August 1 of each year.

Section 5.N: **Annual Financial Audit**: At the School's sole expense, an annual audit of the School shall be conducted by a qualified, independent certified public accountant licensed to practice public accounting in the State of Florida and selected pursuant to the provisions and through the process of Section 218.391, Florida Statutes, and approved by the School's governing board, which approval shall not be unreasonably withheld, and shall be paid for by the School. The annual audits shall be performed in accordance with Generally Accepted Auditing Standards; Government Auditing Standards, issued by the Comptroller General of the United States; and the Rules of the Auditor General, State of Florida. The annual audit shall be conducted in a manner similar to that required of the Sponsor's school district by Section 218.39, Florida Statutes, in compliance with federal, state and school district regulations showing all revenues received from all sources and all direct expenditures for services rendered and shall be provided to the Sponsor by no later than September 30 of each year of the term of this Charter. The School's independently audited financial statements shall be included in this annual audit report. The annual audit reports shall be a complete presentation in accordance with generally accepted accounting principles including Management, Discussion and Analysis (MD&A). MD&A may be omitted from the audit with the consent of the Sponsor. The School shall ensure that the annual audit reports are in compliance with Chapters 10.800 and 10.850, Rules of the Auditor General, as applicable. The independent financial auditor shall report on the expenditure of the categorical funds. The School must comply with all provisions related to the submission of its audit report to the Auditor General including the response/rebuttal and corrective actions.

Section 5.N.1: **Annual Financial Audit: Distribution of Copies**: The findings shall first be reported by the auditor to the principal or administrator of the School and all persons serving on the School's governing board during an exit interview conducted within seven (7) business days of the conclusion of the audit or in such reasonable time. Within fourteen (14) business days of the exit interview, the auditor shall provide a final report to the School's entire Governing Board, the Sponsor, and the FDOE. If the audited financial statements reflect a deficit

financial position, the auditor is required to notify the School's governing board, the Sponsor, and the Department of Education of such circumstances. The School shall ensure timely submission of its annual audit report to the Auditor General, pursuant to Section 218.39(1) and (8), Florida Statutes. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 5.N.2: **Additional Audits Required by Sponsor**: The Sponsor reserves the right to perform additional audits at Sponsor's expense as part of the Sponsor's financial monitoring responsibilities as it deems necessary and appropriate pursuant to Section 1002.33(5)(b), Florida Statutes. The Sponsor has the right to review upon request all documentation pertaining to children with disabilities at the School.

Section 5.N.3: **Audited Financial Statements**: During each year of the term of this Charter, the School agrees to provide the Sponsor with the School's audited financial statements for the year ending June 30. The audited financial statements shall be prepared in the format required by Governmental Accounting Standards Board Statement No. 34 Basic Financial Statements and Management's Discussion & Analysis for State and Local Governments and presented in the Sponsor's Annual Comprehensive Financial Report (ACFR). The ACFR format should be provided no later than September 30 of each year. The annual audited financial reports shall include a complete set of financial statements, management's discussion & analysis, and notes thereto prepared in accordance with Generally Accepted Accounting Principles accepted in the United States of America and a management letter resulting from the financial statement audit. The audited financial statements and related management letter shall be provided no later than September 30 of each year. Municipal charters shall submit the annual audits no later than December 31 of each year.

Section 5.N.4: **Unaudited Financial Statements:** During each year of the term of this Charter, the School agrees to provide the Sponsor with the School's unaudited financial statements for the year ending June 30. The unaudited financial statements will be presented in the Sponsor's Annual Comprehensive Financial Report (ACFR). The ACFR format should be provided by the Sponsor no later than June 1 of each year. The unaudited financial reports should be prepared in accordance with Generally Accepted Accounting Principles. The unaudited financial statements shall be provided to the Sponsor no later than August 1 of each year.

Section 5.O: **School's Fiscal Year**: The School's fiscal year shall be the same as that of the Sponsor during the term of this Charter and shall commence on July 1 and conclude on June 30.

Section 5.P: **State of Financial Emergency:** Financial audits that reveal a state of financial emergency as defined in Section 218.503, Florida Statutes, and are conducted by a certified public accountant or auditor in accordance with Section 218.39, Florida Statutes, shall be provided to the Governing Body of the School within seven (7) business days after finding that a state of financial emergency exists. The School shall comply with the requirements of Section 218.501, Florida Statutes, regarding fiscal responsibility. The School's auditor shall report such findings in the form of an exit interview to the Chief Administrator/Principal of the School, and

the Chair of the Governing Board, the Sponsor's Office of the Chief Auditor, and the Sponsor's Charter Schools Management/Support Department within seven (7) business days after finding the state of financial emergency or deficit position, or as soon thereafter as a meeting shall be scheduled for such purpose. Pursuant to Section 218.503, Florida Statutes, the final report shall be provided to the entire Governing Board, the Sponsor and the Department of Education within fourteen (14) business days after the exit interview. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 5.P.1: **Financial Recovery Plans**: If the School is found to be in a state of financial emergency by a certified public accountant or auditor, the School must comply with Florida Statutes and regulations governing Financial Recovery Plans, as amended from time to time and will submit a detailed Financial Recovery Plan with the Sponsor within thirty (30) days after receipt of the audit. Failure to timely submit a Financial Recovery Plan following a finding of financial emergency constitutes good cause to terminate this Charter. The Financial Recovery Plan submitted by the School to the Sponsor in response to a finding of financial emergency pursuant to Section 218.503, Florida Statutes, must address the specific audit findings and must also show how the School will meet its current and future obligations and be a financially viable entity within the time period specified in the approved Financial Recovery Plan. Each financial recovery plan will be prepared in accordance with guidelines established by the FDOE and shall prescribe actions that will resolve or prevent the condition(s) that constitute a financial emergency. The Financial Recovery Plan must specify dollar amounts or cost cuts, cost avoidance, and/or realistic revenue projections that will allow the School to correct the condition(s) that caused the School to be found in a state of financial emergency. The Financial Recovery Plan must include appropriate supporting documentation. The Financial Recovery Plan will be subject to review and oversight. The Commissioner of Education may require and approve a Financial Recovery Plan pursuant to Section 218.503, Florida Statutes. In such instances, the School's Governing Board shall be responsible for implementing any Financial Recovery Plan. In the event of a finding of financial emergency and submission of an acceptable Financial Recovery Plan pursuant to Section 218.503, Florida Statutes, the School shall provide periodic financial reports to the School's governing board and the Sponsor in a format sufficient to monitor progress toward achieving the Financial Recovery Plan. Pursuant to Section 1002.33(8)(a), Florida Statutes, the Sponsor may choose to non-renew or terminate this Charter Failure to meet generally accepted standards of fiscal management due to deteriorating financial conditions or financial emergencies determined pursuant to Section 1002.345, Florida Statutes.

Section 5.Q: **Deteriorating Financial Condition**: In the event the School is identified as having a deteriorating financial condition as defined by Section 1002.345, Florida Statutes, and the rules adopted by the State Board of Education, the Sponsor shall conduct an expedited review of the School. The School and the Sponsor shall develop and file a Corrective Action Plan with the Florida Commissioner of Education in accordance with Section 1002.345, Florida Statutes.

Section 5.Q.1: **Corrective Action Plans**: The School's governing body of the School shall be responsible for performing the duties in Section 1002.345, Florida Statutes, including implementation of a Corrective Action Plan (CAP). The School and Sponsor shall work collaboratively to develop a CAP in accordance with Section 1002.345, Florida Statutes, and

Section 6A-1.0081, Florida Administrative Code. If the School and Sponsor cannot agree on a CAP, then each will submit their own proposed CAP to the Commissioner of Education. The School and Sponsor's Financial Recovery Committee will conduct meetings on an as needed basis as determined by the Sponsor to monitor progress upon any Corrective Action Plan. The Sponsor may choose to non-renew or terminate this Charter if the School fails to correct the deficiencies in a Corrective Action Plan within one (1) year.

Section 5.R: **Financial Management of School**: The School shall conduct fiscal management of its operations in accordance with the School's governing laws and rules, the provisions of this Charter, and all applicable federal, state and local policies.

Section 5.S: **Description of Internal Audit Procedures**: The School shall implement the internal audit procedures described in the School's governing laws and rules, the provisions of this Charter, and all applicable Sections of the School's approved Application **(Appendix 1).**

Section 5.T: **Other Government Reports**: The School shall provide the Sponsor with copies of all reports required to be filed with the Government of the United States and the State of Florida no later than one month after the due dates for such reports. Such reports shall include, but are not limited to, all payroll tax returns, and any required filing related to the School's nonprofit status.

ARTICLE 6: FACILITIES

Section 6.A: **Facility Notification and Inspection**: The School shall comply with the provisions of this section governing facility notification and inspection.

Section 6.A.1: **Facility Location**: The School is located at 6565 Taft Street, Hollywood, Florida 33024.

Section 6.A.2: **District Inspection of Facility**: The School will be responsible for providing or hiring companies to perform inspections as required and forwarding results to the Sponsor. All facilities, including leased facilities, must be inspected annually by the local Fire Authority having jurisdiction. Upon reasonable notice, the Sponsor shall conduct periodic site visits for the purpose of reviewing and documenting, as appropriate, compliance with applicable health and safety requirements. Other inspection agencies may include, without limitation: Broward County Health Department to do inspections of the kitchens and related spaces; the Department of Labor and Employment to inspect for OSHA compliance. The School must show proof of the annual inspections at least ten (10) business days prior to the first day of each year of operation. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 6.B: **Compliance with Building and Zoning Requirements**: The School shall comply with all applicable laws, ordinances, and codes of federal, state, and local governance, including the IDEA, the ADA, and Section 504 of the Rehabilitation Act. The School shall obtain all necessary licenses, permits, zoning, use approval, facility certification, and other

approvals required for use and continued occupancy of the facility as required by the local government or other governmental agencies, and copies shall be provided to the Sponsor.

Section 6.B.1: **Florida Building Code**: The School agrees to use facilities that comply with the Florida Building Code, as it pertains to charter schools, or with applicable state minimum building codes pursuant to Chapter 553, Florida Statutes, as each are applicable to charter schools, except for the requirements of the State Requirements for Educational Facilities (SREF).

Section 6.B.2: **Florida Fire Prevention Code**: The School agrees to use facilities that comply with the state minimum fire protection codes pursuant to Section 633.025, Florida Statutes, as adopted by the authority in whose jurisdiction the facility is located, including reference documents, applicable state and federal laws and rules.

Section 6.B.3: **Capacity of Facility**: At no time will the enrollment exceed the number of students approved in this Charter, the School's Application **(Appendix 1)** or permitted by zoning capacity and all applicable laws and regulations. The School shall not be entitled to monthly payments for students in excess of the School's valid facility capacity as determined by the School's Certificate of Occupancy, Certificate of Use or Fire Permit (whichever is less). Payments may be withheld if the School's Certificate of Occupancy, Certificate of Use or Fire Permit has expired or has otherwise become invalid until such defect has been cured. In the event that the required county and/or municipality facility permits do not indicate a facility's capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.

Section 6.C: **Location**: The School agrees to provide the Sponsor with documentation regarding the School's property interest (owner or lessor) in the property and facility where the School will operate. If the School does not own the property and facility, the School must show proof of a signed lease before the initial opening day of class. For leased properties, the School shall obtain from the landlord, and provide to the Sponsor, an affidavit indicating the method by which the landlord is complying with the requirements of Section 196.1983, Florida Statutes, regarding charter school exemption from ad valorem taxes. Lessor and Lessee shall provide the Sponsor with a disclosure affidavit in accordance with Section 286.23, Florida Statutes.

Section 6.C.1: **Temporary Facility**: The School may only use a temporary facility when the facilities approved within this agreement are temporarily not suitable for student use under all applicable laws, ordinances, and codes of federal, state, and local governance. Approved use of a temporary facility for a period of more than sixty (60) calendar days will require the amendment of this Charter by the parties.

Section 6.C.2: **Relocation**: The School shall notify the Sponsor in writing no less than ninety (90) days prior to any relocation. Any such relocation must be mutually agreed upon by both parties through the amendment of this Charter.

Section 6.C.3: **Additional Campuses**: Any proposed change in location or an additional location must be requested in writing to the Sponsor and approved through an amendment to the Charter Agreement. Any new location must meet the same standards contained herein and applicable law. If the proposed location will not result in a substantial change to the student population or burden to the currently enrolled students and their families and does not alter the school's mission, approval of the requested amendment shall not be unreasonably withheld. The School shall not change locations without prior amendment of the Charter Agreement.

Section 6.C.4: **Shared Use of a Facility with Other Entities**: The School shall disclose to the Sponsor the identity of any entity with whom it will share the facility or space or share any temporary facility during the term of this Charter. The School shall disclose the names of the co-located entities to the parents of all students enrolled in the school annually in writing and will place the names of the other entities on its state mandated website.

Section 6.C.4.a: **Entity Disclosure:** The School shall enroll all eligible students in accordance with Section 1002.33(10), Florida Statutes. The School's enrollment, when combined with the enrollment of other co-located school(s), may not exceed the building capacity established by the applicable certificate of occupancy. If the combined enrollment of the co-located schools should exceed the building capacity established by the applicable certificate of occupancy, Sponsor may terminate the charter school agreement of each of the co-located schools for good cause.

Section 6.D: **Prohibition to Affix Religious or Partisan Political Symbols, Statues, Artifacts on or About the Facility**: The School agrees not to affix any religious or partisan political symbols, statues, artifacts, etc., on or about the property and facilities where the School will operate.

Section 6.E: **Additions, Changes & Renovations:** The School must provide notice to the Sponsor of any proposed material additions, changes and renovations to be made to the educational facilities described in the original proposal. Such additional changes or renovated facilities may not be utilized for student activities until the Sponsor is provided copies of certificates of occupancy issued for such facilities and [if applicable] written approval obtained from the Broward County Traffic Engineering Department as to traffic control and pedestrian travel associated with said facilities. A "material addition, change or renovation" is defined as any improvement to real property that alters the square footage of the educational facility.

Section 6.F: **Disaster Preparedness Plan**: The School shall adopt the Sponsor's Disaster Preparedness Plan or submit the School's plan to the Sponsor for approval.

ARTICLE 7: TRANSPORTATION

Section 7.A: **Provision of Transportation by the School**: Transportation of charter school students shall be provided by the charter school consistent with the requirements of subpart I.E., of Chapter 1006, and Section 1012.45, Florida Statutes. The governing body of the charter school may provide transportation through an agreement or contract with the district school board, a private provider, or parents. The charter school and the sponsor shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance of the School. Any brochure, flyers or other multi-media and telecommunications information furnished/published by the School shall communicate that the School will provide transportation and the manner in which it will be made available to the School's students. The School acknowledges that the McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11431, et. seq.) requires that each child of a homeless individual and each homeless youth be afforded equal access to the same free, appropriate public education as provided to other children and youths. At the request of the parent or guardian, the School will provide transportation for a homeless student. The School shall provide transportation for students with disabilities enrolled in the School if required by the student's IEP. The rate of reimbursement to the School by the Sponsor for transportation will be equivalent to the reimbursement rate provided by the State of Florida for all eligible transported students.

Section 7.B: **Cooperation between Sponsor and School**: The School agrees that transportation shall not be a barrier to equal access for any student residing within a reasonable distance of the School as determined by the School's transportation plan. The School may contract with the Sponsor for student transportation services or with a private provider of transportation services or with parents as provided in Section 1002.33(20)(c), Florida Statutes. If the School contracts with a private transportation firm, the School will provide the Sponsor the name of such firm as part of the School's final transportation plan.

Section 7.C: **Reasonable Distance**: The School and Sponsor shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance. The term "reasonable distance" shall mean more than 2 and less than 4 miles.

Section 7.D: **Transportation Safety Compliance**: The School shall demonstrate compliance with all applicable transportation safety requirements. Unless it contracts with the Sponsor for the provision of student transportation, the School is required to ensure that each school bus transporting the School's students meets applicable federal motor vehicle safety standards and other specifications. The School agrees to monitor the status of the commercial driver's licenses of each school bus driver employed or hired by the School (hereafter "School Bus Drivers") unless it contracts with Sponsor to provide such services. The School will provide the Sponsor's Charter Schools Management/Support Department, an updated list each quarter of all School Bus Drivers providing commercial driver's license numbers, current license status and license expiration dates.

Section 7.E: **Failure to Comply:** Failure to materially comply with any local, state or federal rule or regulation concerning school transportation after notice and reasonable opportunity to cure, may constitute good cause for termination of this Charter School Agreement. Furthermore, the School shall promptly reimburse the Sponsor for any penalties incurred by the

Sponsor as a result of the School's non-compliance. If the School submits data relevant to FTE funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State arising as a result of any errors or omissions for which the School is responsible. Upon receipt of notice from the State of such inaccuracy, the Sponsor shall promptly send notice to the School of alleged errors discovered through such audit(s) so that the School on its own, or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same. Such adjustments shall not exceed the fiscal year.

ARTICLE 8: INSURANCE & INDEMNIFICATION

Section 8.A: **Indemnification of Sponsor by School**: Nothing contained in this Charter is intended to serve as a waiver of sovereign immunity of any rights or limits to liability provided by Section 768.28, Florida Statutes. To the extent permitted by law under Section 768.28, Florida Statutes, the School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from:

Section 8.A.1: the negligence, intentional wrongful act, misconduct or culpability of the School or of the School's employees or other agents in connection with and arising out of their services within the scope of this Charter;

Section 8.A.2: the School's material breach of this Charter or applicable federal or state law;

Section 8.A.3: any failure by the School to pay its employees, contractors, suppliers, subcontractors, or any other creditors;

Section 8.A.4: any failure by School to correct deficiencies found in casualty, safety, sanitation and fire safety inspections;

Section 8.A.5: the failure of the School's officers, directors or employees to comply with any laws, statutes, ordinances or regulations of any governmental authority or subdivision that apply to the operation of the School or the providing of educational services set forth in this Charter. However, the School shall not be obligated to indemnify the Sponsor against claims, damages, expenses or liabilities to the extent these may result from the negligence of the Sponsor, its members, officers, employees, subcontractors or others acting on its behalf;

Section 8.A.6: any professional errors or omissions, or claims of errors or omissions, by the School employees, agents, or by the School's governing board;

Section 8.A.7: any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School; or

Section 8.A.8: any penalties incurred by the Sponsor as a result of the School's noncompliance with Article 7 or reimbursements to the State arising as a result of any errors or omissions in data relevant to FTE funding for which the School is responsible;

Section 8.A.9: However, the School shall not be obligated to indemnify the Sponsor against claims, damages, expenses or liabilities to the extent these may result from the negligence of the Sponsor, its directors, officers, employees, subcontractors, or others acting on its behalf other than the School, its directors, officers, employees, subcontractors and suppliers.

Section 8.B: **Defense of Claims against the Sponsor**: The School agrees to defend any and all such action using competent counsel, selected by the School, subject to Sponsor's approval, which shall not be unreasonably withheld.

Section 8.C: **Indemnity for Professional Liability**: The School's duty to indemnify the Sponsor for professional liability as insured by the School Leaders Errors and Omissions policy described in this Charter shall continue in full force and effect notwithstanding the expiration, non-renewal or early termination of this Charter with respect to any claims based on facts or conditions which occurred prior to termination. The School's Errors and Omissions limitation on post-termination claims of professional liability shall not impair the Sponsor's claims to indemnification with respect to a claim for which the School is insured or for which the School should have been insured under Commercial General Liability Insurance, Automobile Liability Insurance or Employer's Liability Insurance.

Section 8.D: **Indemnity for Certain Specified Claims**: The School shall also indemnify, defend and protect and hold the Sponsor harmless against all claims and actions brought against the Sponsor by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, software, machine or appliance used by the School, any failure of School to comply with provisions of the Individuals with Disabilities Education Act (IDEA), including failure to provide a Free Appropriate Public Education (FAPE) to an enrolled student or failure to furnish services provided for in a student's individual education plan, and any violation by School of the state's public records or open meetings laws.

Section 8.E: **Indemnification of School by Sponsor**: Nothing contained in this Charter is intended to serve as a waiver of sovereign immunity of any rights or limits to liability provided by Section 768.28, Florida Statutes. To the extent permitted by law under Section 768.28, Florida Statutes, the Sponsor agrees to indemnify, defend and hold the School, its members, officers, employees and agents harmless from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from:

Section 8.E.1: the negligence, intentional wrongful act, misconduct or culpability of the Sponsor or of the Sponsor's employees or other agents in connection with and arising out of their services within the scope of this Charter;

Section 8.E.2: the Sponsor's material breach of this Charter or applicable federal or state law;

Section 8.E.3: any failure by the Sponsor to pay its suppliers or any subcontractors;

Section 8.E.4: the failure of the Sponsor's officers, directors or employees to comply with any laws, statutes, ordinances or regulations of any governmental authority or subdivision that apply to the operation of the School or the providing of educational services set forth in this Charter. However, the Sponsor shall not be obligated to indemnify the School against claims, damages, expenses or liabilities to the extent these may result from the negligence of the School, the School's governing board members, officers, employees, subcontractors or others acting on the School's behalf; or

Section 8.E.5: any professional errors or omissions, or claims of errors or omissions, by the Sponsor's employees, agents, or School Board Members.

Section 8.F: **Defense of Claims against the School**: The Sponsor agrees to defend any and all such action using competent counsel, selected by the Sponsor, subject to School's approval, which shall not be unreasonably withheld.

Section 8.G: **Notice of Claims**: The School and the Sponsor shall notify each other of the existence of any third party claim, demand or other action giving rise to a claim for indemnification under this Charter (a Third Party Claim) and shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that if the School or Sponsor shall fail to undertake or to so defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the Third Party Claim for the account and at the risk and expense of the School or Sponsor, which they agree to assume. The School and Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a Third-Party Claim.

Section 8.H: **Sovereign Immunity**: Notwithstanding anything herein to the contrary, neither party waives any of its sovereign immunity, and any obligation of one party to indemnify, defend or hold harmless the other party as stated above shall extend only to the limits, if any, permitted by Florida law, and shall be subject to the monetary limitations established by Section 768.28, Florida Statutes. Nothing herein shall be deemed to be a waiver of rights or limits to liability existing under Section 768.28, Florida Statutes.

Section 8.I: **Acceptable Insurers**: Insurers providing the insurance required of the School by this Charter must meet the following minimum requirements:

Section 8.I.1: Be authorized by certificates of authority from the Department of Insurance of the State of Florida, an eligible surplus lines insurer under Florida Statutes, or be an authorized insurance trust as approved by the Florida Office of Insurance Regulation with acceptable financials as defined in Section 163.01, Florida Statutes. In addition, the insurer, or in the case of an authorized insurance trust, the re-insurer, must have a Best's Rating of "A-" or better and a Financial Size Category of "VI" or better according to the latest edition of

Best's Key Rating Guide, published by A.M. Best Company, within the last thirty (30) calendar days of certificate issuance; and

Section 8.I.2: If, during the period when an insurer is providing insurance required by this Charter, an insurer shall fail to comply with the foregoing minimum requirements, the School shall, as soon as it has knowledge of any such failure, immediately notify the Sponsor and immediately replace the insurance with new insurance from an insurer meeting the requirements. Such replacement insurance coverage must be obtained within twenty (20) calendar days of cancellation or lapse of coverage.

Section 8.J: **Commercial and General Liability Insurance**: The School shall, at its sole expense, procure, maintain and keep in force Commercial General Liability Insurance which shall conform to the following requirements:

Section 8.J.1: **Liabilities Covered:** The School's Commercial General Liability Insurance shall cover the School for those sources of liability (including, but not limited to, coverage for Premises Operations, Products/Completed Operations, Contractors, and Contractual Liability) which would be covered by the latest occurrence form edition of the standard Commercial General Liability Coverage Form (ISO form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office.

Section 8.J.2: **Minimum Limits:** The minimum limits to be maintained by the School (inclusive of any amounts provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence/Two Million Dollars ($2,000,000) annual aggregate.

Section 8.J.3: **Deductible/Retention:** Except with respect to coverage for Property Damage Liability, the Commercial General Liability coverage shall apply on a first dollar basis without application of any deductible or self-insured retention unless the School is governed by a municipality. The coverage for Property Damage Liability may be subject to a maximum deductible or self-insured retention of One Thousand Dollars ($1,000) per occurrence. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions. The municipality governing this school will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations.

Section 8.J.4: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on an occurrence basis. If on a claims-made basis, the School shall maintain without interruption the Liability Insurance until four (4) years after termination of this Charter.

Section 8.J.5: **Additional Insureds:** The School shall include the Sponsor and its members, officers, employees and agents as "Additional Insureds" on the required Liability Insurance. The coverage afforded for such Additional Insureds shall be no more restrictive than that which would be afforded by adding the Sponsor as Additional Insureds using the latest Additional Insured – Owners, Lessees or Contractors (Form B) Endorsement (ISO Form

CG 20 10). The certificate of insurance shall be clearly marked to reflect "The Sponsor, its members, officers, employees and agents as Additional Insureds (ISO Form CG 20 10)".

Section 8.K: **Automobile Liability Insurance**: The School shall, at its sole expense, procure, maintain and keep in force Automobile Liability Insurance which shall conform to the following requirements:

Section 8.K.1: **Liabilities covered:** The School's insurance shall cover the School for Automobile Liability which would be no less restrictive than the latest occurrence edition of the standard Business Auto Policy (ISO Form CA 00 001), which includes coverage for Contractual Liability, as filed for Sponsor in the State of Florida by the Insurance Services Office. Coverage shall be included on all Owned, Non-Owned and Hired automobiles, buses and other vehicles used in connection with this Charter. In the event the School does not own any vehicles, we will accept hired and non-owned coverage in the amounts listed above. In addition, we will require an affidavit signed by the School indicating the following:

> *The School does not own any vehicles. In the event we acquire any vehicles throughout the term of this agreement, the School agrees to provide proof of "Owned Auto" coverage effective date of acquisition.*

If School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/Self-Insured Retentions. The municipality governing the School will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations.

Section 8.K.2: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on an occurrence basis. If on a claims-made basis, the School shall maintain, without interruption, the Automobile Liability Insurance until four (4) years after termination of this Charter.

Section 8.K.3: **Minimum Limits:** The minimum limits to be maintained by the School (inclusive of any amount provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence, and if subject to an annual aggregate, Three Million Dollars ($3,000,000) annual aggregate.

Section 8.K.4: **Coverage Form:** Such coverage shall not be any less restrictive than the standards ISO Business Auto Policy CA 00 01.

Section 8.L: **Workers Compensation/Employer's Liability**: The School shall, at its sole expense, provide, maintain and keep in force Workers' Compensation and Employer's Liability Insurance which shall conform to the following requirements:

Section 8.L.1: **Coverages:** The School's insurance shall cover the School (and to the extent its subcontractors and its sub-subcontractors) for those sources of liability which would be covered by the latest edition of the Standard Workers' Compensation Policy, as filed for use in Florida by the National Council on Compensation Insurance, without restrictive endorsements. In addition to coverage for the Workers' Compensation Act, where appropriate, coverage is to be included for the Federal Employers' Liability Act and any other applicable federal and state law.

Section 8.L.2: **Minimum Limits:** Subject to the restrictions found in the standard Workers Compensation Policy, there shall be no maximum limit on the amount of coverage for statutory liability imposed by the Florida Workers' Compensation Act or any coverage customarily insured under Part One of the Standards Workers' Compensation Policy. The minimum amount of coverage for those coverages customarily insured under Part Two – Employer's Liability of the Standard Workers' Compensation Policy (inclusive of any amounts provided by any umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence, and if subject to an annual aggregate, Two Million Dollars ($2,000,000) annual aggregate. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/Self-Insured Retentions. The municipality governing this school will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations. Otherwise, coverage is required to be first dollar with no deductible. In the event that the School leases employees, it shall provide certified proof that the corporation from which it leases service maintains appropriate Workers' Compensation coverage. In addition, we will require a signed Workers Compensation affidavit by the School.

Section 8.M: **School Leader's Errors and Omissions Insurance**: Subject to reasonable commercial availability, the School shall, at its sole expense, procure, maintain and keep in force the School Leader's Errors and Omissions Liability Insurance which shall conform to the following requirements:

Section 8.M.1: **Form of Coverage:** The School Leader's Errors and Omissions Liability Insurance maintained by the School shall be on a form acceptable to the Sponsor and shall cover the School for those sources of liability typically insured by School Leader's Errors & Omissions Insurance for claims arising out of the rendering of or failure to render professional services in the performance of this Charter, including all provisions of indemnification which are part of this Charter.

Section 8.M.2: **Coverage Limits:** The insurance shall be subject to a maximum deductible not to exceed Twenty-Five Thousand Dollars ($25,000) per claim and the School shall be held responsible for any loss payments within the deductible. The minimum limits to be maintained by the School (inclusive of any amounts provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per claim/annual aggregate.

Section 8.M.3: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on a claims-made basis, the School shall maintain,

without interruption, the Errors and Omissions Insurance until four (4) years after termination or non-renewal of this Contract.

Section 8.N: **Employees Dishonesty/Crime Insurance or Fidelity Bond:** The School shall purchase Employees Dishonesty /Crime Insurance for all governing board members and employees including Faithful Performance coverage for the School's administrators/principal and governing board with an insurance carrier authorized to do business in the State of Florida and shall be in the amount of no less than One Million Dollars ($1,000,000) per occurrence/claim. In lieu of Employee Dishonesty /Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.

Section 8.O: **Property Insurance**: The School agrees to obtain and maintain hazard insurance coverage for its own buildings and contents and agrees to provide proof of such insurance and its renewals to the Sponsor. The School agrees to insure any real property that it owns or leases at replacement cost coverage based on current total insured values. School's property insurance must include Hurricane and Windstorm coverage for real property. The deductible shall not be greater than five percent (5%) of the Total Insured Value (TIV). If the School is governed by a municipality, the Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/SIR.

Section 8.P: **Applicable to Other Coverages**: The following provisions are applicable to all insurance coverages required under this Charter:

Section 8.P.1: **Other Coverages:** The insurance required under this contract shall be endorsed to be primary of all other valid and collectable coverages maintained by the Sponsor and indicated on such Certificate of Insurance. Any other insurance or self-insurance maintained by the Sponsor or its members, officers, employees or agents shall be in excess of the insurance provided by or on behalf of the School.

Section 8.P.2: **Deductibles/Retention:** Except as otherwise specified in this Charter, the insurance maintained by the School shall apply on a first dollar basis without application of a deductible or self-insurance retention. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/SIR. The municipality governing this charter school will be responsible for any outstanding deductibles/SIR if the School is unable to meet its financial obligations.

Section 8.P.3: **Liability and Remedies:** Compliance with the insurance requirements of this Charter shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees or agents by the insurance shall be in addition to and not in lieu of any other remedy available under this Charter or otherwise.

Section 8.P.4: **Subcontractors:** The School shall require its subcontractors and sub-subcontractors to maintain any and all insurance required by law. Except to the extent required by law, this Charter does not establish minimum insurance requirements for subcontractors or sub-subcontractors. However, the Sponsor will rely on the School to monitor and notify its subcontractors and their sub-subcontractors to confirm coverage is in force for the duration of the subcontractor/sub-subcontractor contract and have certificates of insurance on file to provide historical documentation should a claim occur that has not yet been reported to the School.

Section 8.P.5: **Provision for Cure**: The School shall cure any non-compliance with this Article 8 of the Charter within ninety (90) business days of the School's receipt from the Sponsor of written notice of the non-compliance.

Section 8.P.6: **Default upon Non-Compliance**: The School shall be in default of this Charter should it fail to procure, maintain and keep in effect the insurance coverages required by this Charter. Lapse of insurance coverage as described in this Charter will be considered good cause for recommendation of termination of this Charter.

Section 8.P.7: **Approval by Sponsor:** Neither approval by the Sponsor nor failure to disapprove the insurance furnished by the School shall relieve the School of the School's full responsibility to provide the insurance as required by this Charter.

Section 8.P.8: **Combined Services Coverage**: Combined services coverage under this Charter shall be permitted subject to approval by the Sponsor's Insurance and Benefits Department.

Section 8.P.9: **Default upon Non-Compliance:** The School shall be in material default of this Charter for failure to procure, maintain and keep in effect the insurance as required by this Charter.

Section 8.P.10: **Changes in Insurance Coverage**: The School must notify Sponsor of any contemplated material changes in insurance coverage.

Section 8.Q: **Evidence of Insurance**: Without limiting any of the other obligations of the School, the School shall, at the School's sole expense, procure, maintain and keep in force the amounts and types of insurance conforming to the minimum requirements set forth in this Charter. The School shall provide evidence of such insurance in the following manner:

Section 8.Q.1: **Time to Submit:** The School shall furnish the Sponsor with fully completed Certificate(s) of Insurance signed by an authorized representative of the insurer(s) providing the coverages. Except as otherwise specified in this Charter, the insurance shall commence prior to the commencement of the opening of the School and shall be maintained in force, without interruption, until this Charter is terminated. Evidence of insurance shall be provided by the School to the Sponsor before the initial opening day of classes. The School shall furnish the Sponsor with fully completed Certificate(s) of Insurance, signed by an authorized representative of the insurer(s) providing the coverage, four (4) weeks prior to the initial opening

day of classes for each school year. The certificates shall name the Sponsor as an Additional Insured if required by specific provisions of this contract addressing that form of insurance.

Section 8.Q.2: **Notice of Cancellation:** Each certificate of insurance shall contain a provision for written notification to the Sponsor in accordance with policy provisions as outlined in the current ISO Accord 25 (2009/09) form; or should older ISO versions be available provide a minimum of thirty (30) day notice of material changes or cancellation to Sponsor.

Section 8.Q.3: **Renewal/Replacement:** Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the Sponsor with evidence of the renewal or replacement of the insurance no less than thirty (30) business days before the expiration or termination of the required insurance for which evidence was provided.

Section 8.Q.4: **Pre-Charter Submission of Evidence**: Notwithstanding any other provision contained herein, the School may submit evidence of insurance prior to approval of this charter substantially similar to the insurance provisions set forth in this section and subject to Sponsor's approval.

ARTICLE 9: GOVERNANCE

Section 9.A: **Public or Private Employer**: Pursuant to Section 1002.33(12)(i), Florida Statutes, the School is operating as a private employer. The employees have contracted their services directly to the School or its governing body and as such, are not public employees.

Section 9.B: **Governing Board Responsibilities**: The School's governing body shall be made up of its governing board. The governing board of the School shall be responsible for all fiduciary, legal and regulatory compliance issues and shall perform all duties set forth in the School's Approved Application **(Appendix 1)** and the following duties and responsibilities:

Section 9.B.1: annually adopt and maintain an operating budget and submit its approved budget to the Sponsor by July 1 of each year along with a copy of the minutes of the meeting showing approval of the budget by the governing board;

Section 9.B.2: retain the services of a certified public accountant or auditor for the annual financial audit, who shall submit the report to the governing board;

Section 9.B.3: review and approve the audit report, including audit findings and recommendations for the financial recovery plan;

Section 9.B.4: monitor a financial recovery plan in order to ensure compliance, if applicable;

Section 9.B.5: establish, define, refine and oversee the School's educational philosophy, operational policies and procedures, academic accountability procedures, and financial

accountability procedures and ensure that the School's student performance standards are met or exceeded;

Section 9.B.6: exercise continuing oversight of the School's operations;

Section 9.B.7: report its progress annually to the Sponsor, which shall forward the report to the Commissioner of Education at the same time as other school accountability reports, in accordance with Section 1002.33(9)(k), Florida Statutes;

Section 9.B.8: participate in governance training approved by the Department of Education that must include government in the sunshine, conflicts of interest, ethics, and financial responsibility;

Section 9.B.9: make full disclosure of the identity of all relatives employed by the School in accordance with Section 1002.33(7)(a)(18), Florida Statutes;

Section 9.B.10: adopt policies establishing standards of ethical conduct for instructional personnel and School administrator in accordance with Section 1002.33(12)(g)(3), Florida Statutes;

Section 9.B.11: make all required financial disclosure if the School is operated by a municipal corporation or other public entity under Section 112.3144, Florida Statutes;

Section 9.B.12: comply with the standards of conduct set out in Sections 112.313(2), (3), (7), and (12), and 112.3143(3), Florida Statutes;

Section 9.B.13: avoid all conflict of interest, including, but not limited to, being employed by, owning, or serving on the board of directors of any entity which contracts with the School;

Section 9.B.14: demonstrate financial competence and adequate professional experience;

Section 9.B.15: recommend student expulsions to the Sponsor;

Section 9.B.16: determine in conformance with law and the terms of this Charter the rules, and regulations needed for the effective operation and general improvement of the School;

Section 9.B.17: be held accountable to the School's students, parents/guardians, and the community at large, through a continuous cycle of planning, evaluation, and reporting as set forth in Florida's charter school laws;

Section 9.B.18: be responsible for the over-all policy decision making of the School, in consultations with the School's staff, including the approval of the curriculum and the annual budget;

Section 9.B.19: serve as the fiscal agent for the School and be involved from the School's inception in all policy matters pursuant to the provisions of the corporation's bylaws; and

Section 9.B.20: comply with Rule 6A-6.0784, Florida Administrative Code, relating to Governance Training and fulfill all applicable Governance Training requirements; and

Section 9.B.21: appoint a representative (liaison), as required by statute, to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. Liaison information shall be kept current at all times, and necessary changes shall be reported to the Sponsor immediately.

Section 9.C: **Public Records**: The School will comply with Section 1002.33(16)(b)2, Florida Statutes, relating to public records. The public shall be provided reasonable access to the School's records in accordance with the provisions of this Charter and Chapter 119, Florida Statutes.

Section 9.D: **Reasonable Access to Records by Sponsor**: The School agrees to allow reasonable access to its facilities and records to duly authorized representatives of the Sponsor. Conversely, the Sponsor agrees to allow reasonable access to its records to duly authorized representatives of the School to the extent allowable by law.

Section 9.E: **The Sunshine Law**: To ensure that parents/guardians have access to the governance of the School, meetings of the School's governing board will be open to the public in accordance with Section 286.011, Florida Statutes, unless confidentiality is required by law. The School's governing board will provide reasonable public notice of the date, time, and place of its meetings and will maintain at the School's site detailed minutes of its meetings, which shall be regularly scheduled. Such meetings will be open to the public, and the minutes shall be available for public review. The School's governing board will publish a calendar on its website that contains a schedule of all governing board meetings for the school year, including the date and time of the meetings and the locations. The School agrees to hold meetings of its governing board within Broward County, Florida at least once a semester during the school year. The School shall provide the parents in writing, the process for placing an item on the agenda for the meetings of the School's governing board. A signed copy of the minutes will be on file at the School's site for review and a copy will be forwarded to the Sponsor.

Section 9.F: **Charter School's Website:** The School shall maintain a website that enables the public to access information regarding the school; the school's academic performance; the names of the governing board members; the programs at the school; any management companies, service providers, or education management corporation associated with the school, the school's annual budget and its annual independent fiscal audit; the school's grade pursuant to Section 1008.34, Florida Statutes; and on a quarterly basis, the minutes of governing board meetings. Governing board meetings must be noticed, open and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school's operations.

Section 9.G: **Identification of Governing Board Members**: The selection of the School's governing board members and officers shall be as set forth in the School's approved Application **(Appendix 1)** or in School's by-laws if such are adopted subsequent to the submission of **Appendix 1**. The School's governing board will include local representatives, which may include parents/guardians and professionals qualified to support the educational and moral development of the School's students. No employee of the School, employee of one of the School's Education Services Provider (ESP) companies, or family member of an employee of one of the School's ESP companies may serve as a member of the School's governing board. The School's governing board cannot delegate its responsibility to the Sponsor to any other agency, ESP company or other contracted service provider. The School shall provide the parents in writing the names of the members of the School's governing board and a means by which they may be contacted.

Section 9.H: **Changes in Governing Board**: The names of the School's governing board members and the School's Chief Administrator/Principal must be current at all times and the Sponsor shall be notified within five (5) business days of any changes. The procedures for the replacement of the School's governing board members shall be set forth in the governing board's Bylaws. Members of the School's organizing group not serving on the School's governing board are not allowed to vote for governing board members or approve changes to the School's Articles or Bylaws. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 9.I: **Background Screening of Governing Board Members and Chief Administrator**: Members of the governing board, shall be fingerprinted pursuant to Section 1002.33(12)(g), Florida Statutes, at their cost in a manner similar to that provided in Section 1012.32, Florida Statutes. Any person serving in any capacity with the School or its governing body must meet level 2 screening requirements as described in Section 1012.32, Florida Statutes. These fingerprints shall be submitted to the Florida Department of Law Enforcement for state processing and the Federal Bureau of Investigations for federal processing. The results of all fingerprint reports shall be provided to the Sponsor. All fees associated with the retention of fingerprints are the sole responsibility of the School. The School agrees that new governing board members and its Chief Administrator shall be on probationary status pending fingerprint processing and determination of compliance with standards of good moral character. Potential governing board members or Chief Administrators of the School shall submit official court dispositions for criminal offenses of moral turpitude listed as part of their fingerprint results. The School agrees not to appoint governing board members or Chief Administrators whose fingerprint check results reveal non-compliance with standards of good moral character. The School shall not allow any person to serve on its governing board or as its Chief Administrator who has been convicted of a felony crime or moral turpitude.

Section 9.J: **Non-Profit Organization**: As stated in the School's Application **(Appendix 1)** and as required by Section 1002.33(12)(i), Florida Statutes, the School has been organized as a Florida non-profit organization and shall maintain status as a Section 501(c)3 status under the Internal Revenue Code. Voting shall control the non-profit organization, and only the School's governing board shall vote. The School shall at all times operate as a non-

profit corporation and shall annually provide proof to the Sponsor of the School's status as a non-profit organization. Such status shall not be permitted to lapse, be revoked or terminate. Failure to comply with this section will constitute a material violation of the Charter and good cause for its termination by the Sponsor.

Section 9.K: **Compliance with Applicable Ethical Requirements**: To the extent applicable, the officers and directors of the School will comply with Part III, Section 112, Florida Statutes (the Code of Ethics for Public Officers and Employees). The Sponsor shall be provided copies of any financial disclosure forms filed by the School's officers and directors. Members of the School's governing board cannot be employees of the School. Members of the School's governing board shall not receive financial benefit from the School's operations including, without limitation, the receipt of any grant funds. A violation of this provision shall constitute a material breach of the Charter. All members of the School's governing board shall comply with Sections 112.313(2), (3), (7) and (12), and 112.3143, Florida Statutes, and other applicable portion of the Code of Ethics for Public Officers and Employees. The School's governing board chair shall annually provide to the District a statement confirming that:

Section 9.K.1: No member of the School's governing board, acting in his/her private capacity, has sold services directly or indirectly to the School;

Section 9.K.2: No spouse, parent, child, stepchild, sibling, or employee of any Board Member serves as a member of the School's governing board;

Section 9.K.3: No member of the School's governing board is an employee of the School or of the ESP company operating the School; and

Section 9.K.4: No member of the School's governing board has received compensation, directly or indirectly from the School's operations; and

Section 9.K.5: A violation of any of the foregoing provisions shall constitute a material breach of this Charter and good cause for its termination.

Section 9.L: **Bonding of School Personnel**: The officers, directors, and employees of the School who have the authority to receive and expend funds on behalf of the School shall be bonded to the same degree as officers and employees of the Sponsor. All bonds shall run to the School, the not-for-profit organization, and the Sponsor and shall be on file for inspection at all times.

Section 9.M: **School's Chief Administrator/Principal**: The duties of the School Chief Administrator/Principal shall be as set forth in the School's approved Application **(Appendix 1.)** The teachers, support, and contractual staff of the School will be directly supervised by the Principal or other on-site administrator.

Section 9.N: **Notification of Proper Authorities**: If after adopting the budget, a Member of the Governing Board in his/her obligated diligence believes that any other member of the Governing Board or any vendor, vendor's employee, ESP company, or ESP company agent or employee is directly responsible or wrongfully advises the members of the

Governing Board to make an illegal expenditure of state monies not detailed in the budget or not available because of other necessary expenses or limitation of funds, unless such expenditure is otherwise approved by the Governing Board or said budget is amended, that Governing Board Member should immediately notify the Sponsor, the FDOE, and if deemed proper, the Attorney General, or any other proper authority.

Section 9.O: **Volunteer Advisory Committee**: The School shall have a Charter School Advisory Committee whose selection and duties shall be as set forth in the School's approved Application **(Appendix 1)**.

ARTICLE 10: EDUCATION SERVICES PROVIDERS

Section 10.A: **Education Services Provider Agreement**: An Educational Services Provider (ESP) is an individual or organization that provides services to a charter school. For the purposes of this provision, "FEFP operational revenue" is defined as the General Fund revenue for operations received from the State of Florida based on FTE, including categorical revenues for such matters including, without limitation, instructional materials, FAI, and class size reduction, but shall not include any Federal or local revenues, or State funds for capital purposes. ESPs may be non-profit or for-profit entities. If any ESP company will be managing the School's operations, the contract between the ESP company and the School shall be submitted to the Sponsor In accordance with the responsibility of the School, contracts with management companies shall not usurp the authority of the School's Governing Board. The Sponsor will look to the Governing Board directly for accountability. Where the School changes ESP's, School will submit written documentation demonstrating due diligence in the selection process of any ESP and must maintain a performance-based "arms-length" relationship between the School and any ESP. The contract between the School and the ESP company shall specify reasonable and feasible terms that allow the School's governing board the ability to terminate the contract with the ESP company. Any contract between the School and an ESP company shall require that the ESP company operate the School in accordance with the terms specified in this Charter and with all applicable laws, ordinances, rules and regulations. Any default or breach of the terms of this Charter by the ESP company, after notice and reasonable opportunity to cure, shall constitute a default or breach by the School under the terms of the Charter between the School and the Sponsor. Employees of the ESP company and family members of employees of ESP companies may not sit on the School's governing board or serve as officers of the School. For the purposes of this section, "family members" shall be defined to include spouses, mothers, fathers, sisters, brothers, mothers-in-law, fathers-in-law, sisters-in-law, brothers-in-law, daughters, sons, daughters-in-law and sons-in-law.

Section 10.B: **ESP Company Added After Charter**: If the School desires to contract with an ESP company subsequent to the execution of this Charter, the proposed contract between the ESP company and the School shall be submitted to the Sponsor and any finalized ESP contract shall be provided by the School to the Sponsor.

Section 10.C: **Amendments**: All amendments to the contract between an ESP company and the School shall be submitted to the Sponsor. A copy of any amended ESP services agreement shall be provided to the Sponsor.

Section 10.D: **ESP Contract Amendments that Result in Material Change to Charter**: Any proposed amendment within an ESP contract that would necessitate a material change to this Charter shall require a prior modification of this Charter.

Section 10.E: **Change of ESP Provider**: Unless exigent circumstances exist, the School shall give the Sponsor notice prior to the termination of any ESP contract. In the event of an immediate termination of an ESP contract, the School will provide immediate notice to Sponsor of its decision.

ARTICLE 11: HUMAN RESOURCES

Section 11.A: **Hiring Practices**: The Parties to this Charter agree that the School shall select its own employees. The School agrees to implement the practices and procedures for hiring and dismissal, policies governing salaries, contracts, and benefit packages, and targeted staff size, staffing plan, and projected student-teacher ratio as described in the School's Application **(Appendix 1)**. The School must use thorough, consistent, and even-handed termination procedures. The School's governing board will determine salaries, benefits, and Position/Title classification, provided that the School's governing board may establish any additional positions it deems necessary.

Section 11.A.1: **Eligibility of Instructional Staff:** The School agrees to verify that applicants for instructional positions which require certification either hold or are eligible for an educational certificate prior to an offer of hire. The School shall not employ an individual for instructional services if the individual's certification or licensure as an educator is suspended or revoked by this or any other state. The School shall require that teachers maintain their certificate current at all times.

Section 11.B: **Reporting Staffing Changes**: The School agrees to provide written notice to Sponsor using the Sponsor's designated form within fourteen (14) calendar days of any new hires, leaves of absence, transfers and terminations. The School shall ensure that student information system data is updated upon the termination or hire of instructional staff and/or therapy service providers. The School shall also ensure course assignment changes are reflected as current in student information system for all instructional staff. Teaching assignments for all instructional staff, including new hires, must match the state course code directory numbers and teacher certification. The School will complete and submit all required personnel reports, including employee database surveys, in accordance with required due dates.

Section 11.B.1: **Reporting School Administrator/Principal Changes:** The name of the School Administrator/Principal must be current at all times. The Sponsor shall be notified immediately of any changes.

Section 11.C: **Non-Discriminatory Employment Practices**: The School shall be responsible for promoting diversity in its staff and agrees that its employment practices shall be nonsectarian and that it shall not violate the anti-discrimination provisions of Section 1000.05, Florida Statutes (The Florida Education Equity Act).

Section 11.D: **Teacher Certification and Highly Qualified**: All teachers employed by or under contract to the School shall be certified and highly qualified as required by Chapter 1012, Florida Statutes and any other applicable state or federal law. If the School receives Title I funds, it will employ highly qualified staff, as required. In compliance with those requirements, the School's teachers shall be certified and teaching infield (or have the appropriate out of field waivers) and the School's support staff shall have attained at least two (2) years of college education or have passed an equivalent exam. The School may employ or contract with skilled selected non-certified personnel to provide instructional services or to assist instructional staff members as education paraprofessionals in the same manner as defined in Chapter 1012 and as provided by State Board of Education rule for charter school governing boards; however, in order to comply with ESSA requirements, all teachers in core academic areas must be certified/qualified based on Florida Statutes and highly qualified as redefined by ESSA. The School agrees to disclose to the parents of its students the qualifications of instructional personnel hired by the School within thirty (30) calendar days of employment.

Section 11.D.1: **Remedy for Not Meeting Highly Qualified**: If the School fails to meet applicable requirements to employ certified and highly qualified staff, the School shall be responsible for reimbursement of any funding lost or other costs attributable as a result of the School's non-compliance.

Section 11.D.2: **Teachers Assigned to Teach Out-of-Field:** Per Section 1012.42, Florida Statutes, the School shall notify parents of all students in the classroom of any teacher assigned a course or student population for which the teacher is not appropriately certified. The School shall also obtain Governing Board approval for all teachers assigned to teach out-of-field and must ensure the appropriate out-of-field training is completed each school year per Rule 6A-1.0503, Florida Administrative Code.

Section 11.D.3: **Teachers Assigned to Teach Blended-Learning Programs**: Instructional personnel teaching blended learning program may be employees of the charter school or may be contracted to provide instructional services. At a minimum, the instructional personnel must hold state certification as required by Section 1012.55, Florida Statutes.

Section 11.E: **Fingerprinting and Background Screening**: The School shall, at the School's expense, require all employees to comply with the fingerprinting requirements of Section 1012.32, Florida Statutes. Members of the governing board of the charter school shall also be fingerprinted in a manner similar to that provided in Section 1012.32, Florida Statutes. Any person serving in any capacity with the School or its governing body must meet level 2 screening requirements as described in Section 1012.32, Florida Statutes. These fingerprints shall be submitted to the Florida Department of Law Enforcement for state processing and the Federal Bureau of Investigations for federal processing. The results of all fingerprint reports shall be provided to the Sponsor. The School agrees that new applicants shall be on probationary status pending fingerprint processing and determination of compliance with standards of good moral character. Potential employees of the School shall submit official court dispositions for criminal offenses of moral turpitude listed as part of their fingerprint results. The School agrees not to hire applicants whose fingerprint check results reveal non-compliance with standards of good moral

character. The School shall not allow any person (whether employed directly by the School or its governing body or by a contractor) to serve in any position requiring or involving direct contact with students who has been convicted of a felony crime or moral turpitude. All fees associated with the retention of fingerprints are the sole responsibility of the School.

Section 11.E.1: **Self-Reporting:** The School shall require all employees and Board Members to self-report within forty-eight (48) hours to appropriate authorities any arrest and final disposition of such arrest other than minor traffic violations. The School shall then take appropriate action relating to the employment of that individual.

Section 11.E.2: **Background Screening for School Volunteers:** The School shall implement policies and procedures for background screening of volunteers and mentors.

Section 11.F: **Employment Practices**: The School's employment practices shall be in compliance with its Application **(Appendix 1)** and the requirements specified in sections 11.G through 11.S inclusive.

Section 11.G: **Suspended or Revoked Certification or Licensure**: The School agrees not to knowingly employ an individual for instructional services if the individual's certification or licensure as an educator is suspended or revoked by this or any other state.

Section 11.H: **Resignation in Lieu of Disciplinary Action**: The School agrees not to knowingly employ an individual who has resigned in lieu of disciplinary action with respect to child welfare or safety or who has been dismissed for just cause by any school district with respect to child welfare or safety.

Section 11.I: **Codes and Principles of Conduct**: The School agrees that its employees will be required to abide by the guidelines set forth in Chapter 6B-1.001, Code of Ethics of the Education Profession in Florida, and Chapter 6B-1.006, Principles of Professional Conduct for the Education Profession in Florida.

Section 11.J: **Employee Handbook**: The School will adopt an employee handbook and provide a copy of the same (and any amendments thereto) to the Sponsor.

Section 11.K: **Collective Bargaining**: Pursuant to Section 1002.33(12)(b), Florida Statutes, the School's employees shall have the option to bargain collectively and may collectively bargain as a separate unit or as part of the existing district collective bargaining unit as determined by the structure of the School.

Section 11.L: **Professional Group:** The School's instructional personnel may choose to be part of a professional group that subcontracts with the School to operate the instructional program under the auspices of a partnership or cooperative that they collectively own. Under this arrangement, the School's instructional personnel would not be public employees.

Section 11.M: **Payroll Services**: The School will provide payroll services for all of its employees.

Section 11.N: **Annual Employee Evaluations**: Each of the School's employees will be evaluated annually. Instructional and administrative staff will be evaluated based on the requirements outlined in Section 1012.34, Florida Statutes.

Section 11.O: **Personnel Records**: The School shall maintain personnel files for all persons employed by the School. Such files shall be maintained by the School at a readily accessible location in Broward County, Florida and shall be open to public inspection as provided by law. The School agrees to provide the Sponsor the names of all applicants for employment if requested.

Section 11.P: **Statutory Prohibitions and Restriction on Employment of Relatives**: The School's hiring practices shall at all times be in compliance with the requirements of Section 1002.33(12) and (24), Florida Statutes. Charter school personnel may not appoint, employ, promote, or advance, or advocate for appointment, employment, promotion, or advancement, in or to a position in the charter school in which the personnel exercises jurisdiction or control any individual who is a relative. An individual may not be appointed, employed, promoted, or advanced in or to a position in a charter school if such appointment, employment, promotion, or advancement has been advocated by charter school personnel who serve in an exercise jurisdiction or control over the charter school and who is a relative of the individual or if such appointment, employment, promotion, or advancement is made by the governing board of which a relative of the individual is a member. For the purposes of this section, the following definitions shall be used:

Section 11.P.1: "**Charter school personnel**" means a charter school president, chairperson of the governing board of directors, superintendent, governing board member, principal, assistant principal, or any other person employed by the charter school who has equivalent decision making authority has been delegated, to appoint, employ, promote, or advance individuals or to recommend individuals for appointment, employment promotion, or advancement in connection with employment in a charter school, including the authority as a member of a governing body of a charter school to vote on the appointment, employment, promotion, or advancement of individuals.

Section 11.P.2: "**Relative**" means father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister.

Section 11.R: **Training of Employees**: The School's teachers may participate in professional development opportunities conducted by the Sponsor and the Sponsor's teachers may participate in professional development opportunities conducted by the School.

Section 11.R.1: **Participation and Cost for Training Activities**: Training activities shall be made available by the Sponsor, to School's employees, on a space available basis and, the School shall pay all of the additional costs associated with the participation of the School's employees in such training activities at the same rates and reimbursement methodologies currently charged to the Sponsor for the participation of the Sponsor's employees. Training activities shall be made available by the School to Sponsor's employees on a space available basis and, except in instances of federally funded training, the Sponsor shall pay all of the additional costs associated with the participation of the Sponsor's employees in such training activities at the same rates and reimbursement methodologies currently charged to the School for the participation of the School's employees.

Section 11.R.2: **Participation in Federally Funded Training**: Training activities that are federally funded that are provided by the Sponsor shall be made available to School's employees on a space available basis without any charge to the School other than any charges that are also incurred by the Sponsor for the participation of the Sponsor's employees. Training activities that are federally funded that are provided by the School shall be made available to Sponsor's employees on a space available basis without any charge to the Sponsor other than any charges that are also incurred by the School for the participation of the School's employees.

Section 11.S: **Contracts, Compensation and Salary Schedules:** The School shall comply with Sections 1012.22(1)(c), 1012.335, and 1012.34, Florida Statutes, relating to employee contracts, compensation and salary schedules, workforce reductions and performance evaluations. The School shall not enter into a contact with an employee that exceeds the term of this contact or include payment acceleration clauses based upon notification of non-renewal or termination.

ARTICLE 12: REQUIRED REPORTS AND DOCUMENTS

Section 12.A: **Required Reports and Documents**: The School will provide all documents required of it pursuant to the approved Application **(Appendix 1)**, this Charter, or the School's governing laws and rules on the date(s) that the reports and documents are due to the sponsor.

Section 12.B **Affidavit Regarding the Use of Coercion for Labor and Services:** Pursuant to Section 787.06(13), Florida Statutes, when a contract is executed, renewed, or extended between a nongovernmental entity and SBBC, the nongovernmental entity must provide SBBC entity with an affidavit signed by an officer or a representative of the nongovernmental entity under penalty of perjury attesting that the nongovernmental entity does not use coercion for labor or services as defined in Section 787.05(13), Florida Statutes. The nongovernmental entity shall attach hereto as **Exhibit A** an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject the nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any agreement with SBBC shall be terminated by SBBC without recourse if the nongovernmental entity is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with the nongovernmental entity's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

Section 12.C **Foreign Country of Concern Attestation Form:** Nongovernmental entities receiving an award under this Agreement will receive access to personal identifying information for purposes of Sections 287.138 and 501.17(g)1, Florida Statutes. Rule 60A-1.020, Florida Administrative Code, adopted Form PUR 1355, "Foreign Country of Concern Attestation Form" (the "Form") to be completed by all the nongovernmental entities that would access personal identifying information. The Form is attached hereto as **Exhibit B** and must be executed by the nongovernmental entity and be submitted with the nongovernmental entity's executed agreement or an amendment renewing or extending an agreement. A proposed agreement or amendment submitted by a nongovernmental entity without a fully executed "Foreign Country of Concern Attestation Form" will be rejected pursuant to Section 287.138(4)(a), Florida Statutes, and will not be considered for award.

Section 12.D **Incorporation by Reference:** **Appendix 1** and **Exhibits A** and **B** attached hereto and referenced herein are incorporated into this Agreement by reference.

ARTICLE 13: SCHOOL FOOD SERVICE

Section 13.A: **School Food Services; Extended Day Programs**: The provision of student food service at the charter school is the responsibility of the School and shall be provided according to applicable district, state and federal rules and regulations. The School shall make breakfast and lunch available to all students. Cafeteria services and extended day programs provided by the School shall be self-supporting. The School is solely responsible for funding any deficits it incurs in such services and programs and the Sponsor shall have no liability for same. Meals will be distributed to students using a point of sale accountability procedure. If applicable, the School shall distribute Information Letters and the Multi-Child Application for Free and Reduced Price Meal Benefits to students and shall certify student eligibility for such programs using required federal rules and procedures.

Section 13.B: **Applicable Regulations**: The School shall comply with all USDA and FDOE regulations that are applicable to its child nutrition program.

ARTICLE 14: MISCELLANEOUS PROVISIONS

Section 14.A: **Impossibility**: Neither party shall be considered in default of this Charter if the performance of any section or all of this Charter is prevented, delayed, hindered or otherwise made impracticable or impossible by reason of any strike, flood, hurricane, riot, fire, explosion, war, act of God, sabotage, pandemic, epidemic, accident or any other casualty or cause beyond either party's control, and which cannot be overcome by reasonable diligence and without extraordinary expense.

Section 14.B: **Drug-Free Workplace**: The School is a Drug-Free Workplace. The School shall provide the Sponsor with a copy of the School's applicable Drug-Free Workplace policy and any amendments thereto.

Section 14.C: **Entire Agreement**: This Charter and the appendices hereto shall constitute the full, entire, and complete agreement between the parties hereto. All prior representations, understandings, and agreements whether written or oral are superseded and replaced by this Charter. This Charter may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in writing. Any substantial amendment to this Charter School Agreement shall require approval of both parties.

Section 14.D: **No Assignment without Consent**: This Charter shall not be assigned by either Party without the prior written consent of the other party, provided that the School may enter into contracts for services with an individual or group of individuals organized as a partnership or cooperative without the consent of the Sponsor.

Section 14.E: **No Waiver**: No waiver of any provision of this Charter shall be deemed to be or shall constitute a waiver of any other provision, unless expressly stated.

Section 14.F: **Default**: Except under circumstances that present a threat to health, safety or welfare or that constitute good cause for the immediate termination of this Charter, in accordance with Section 2.D.3. of this Agreement, notice of a default of a material provision of this Charter will be furnished to the defaulting party by the non-defaulting party. Except under circumstances that present a threat to health, safety or welfare or that constitute good cause for the immediate termination of this Charter, in accordance with Section 2.D.3. of this Agreement, or when a shorter period of time to effect compliance is required by applicable law or rules, the defaulting party will be permitted thirty (30) calendar days to remedy the identified default provided that if the identified default cannot be reasonably cured within such 30-day period, the cure period shall be reasonably extended as long as the defaulting party has commenced to cure the identified default. The cure period shall not exceed ninety (90) calendar days.

Section 14.G: **Survival Including Post-Termination of Charter**: All representations and warranties made herein, indemnification obligations, obligations to reimburse the Sponsor, obligations to maintain and allow inspection and audit of records and property, reporting requirements and obligations to return public funds or property purchased with public funds shall survive the termination of this Charter.

Section 14.H: **Severability**: If any provision or any section of this Charter is determined to be unlawful, void or invalid, that determination shall not affect any other provision or any section of any other provision of this Charter and all such remaining provisions shall continue in full force and effect, notwithstanding.

Section 14.I: **Third-Party Beneficiary**: This Charter is not intended to create any rights of a third-party beneficiary. This clause shall not be construed, however, as contrary to any statutory or constitutional right possessed by a member of the community, a student, or parent/guardian of a student enrolled at the School.

Section 14.J: **Choice of Laws and Venue**: This Charter is made and entered into in the State of Florida and shall be interpreted according to the laws of Florida, with venue in Broward County, Florida. The parties mutually agree that the language and all parts of

this Charter shall in all cases be construed as a whole according to its fair meaning, and not strictly for or against any of the parties. This Charter shall be interpreted and construed according to the laws of the State of Florida. The School shall adhere to any additional requirements applicable to charter schools under state law or as mandated by the FDOE or any other agencies regulating the School.

Section 14.K: **Notice Provision**: All notices to be given hereunder shall be in writing, and all payments to be made hereunder shall be by check or wire transfer, and may be served by hand delivery, express delivery or by depositing the same in the United States mail addressed to the party to be notified, postpaid, and registered or certified with return receipt requested. Notice given in any manner shall be effective only if and when received by the party to be notified. All notices to be given to the parties hereto shall be sent to or delivered at the address set forth below:

By giving the other party at least fifteen (15) calendar days written notice thereof, a party may change its address and specify its new address for the purposes stated herein, and/or to notify the change of attorney.

Section 14.K.1: **Routine Communication:** For the purposes of day-to-day communication pertaining to the operations of the School, the Sponsor and School shall communicate via general electronic mail, (email), school specific email, verbal communication,

US Postal service or via uploads of required documentation and comments on Anvilar or other like electronic document management system.

Section 14.L: **Authority**: Each of the persons executing this Charter represent and warrant that they have the full power and authority to execute the Charter on behalf of the party for whom he or she signs and to bind and obligate such party with respect to all provisions contained in this Charter and that he or she enters into this Charter of his or her own free will and accord and in accordance with his or her own judgment, and after consulting with anyone of his or her own choosing, including but not limited to his or her attorney.

Section 14.M: **Conflict**: In the event of any conflict between the provisions of this Charter and any Appendix, this Charter shall prevail. Further, in any case where this charter conflicts with Florida law, the terms of the applicable Florida Statute, State Board Rule, or case law will control over the Charter.

Section 14.N: **Dispute Resolution**: Subject to the applicable provisions of Section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with Section 1002.33(8)(d), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict/dispute resolution procedure.

Section 14.N.1: The following dispute resolution process, not otherwise pre-empted by Section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute.

Section 14.N.2: Notwithstanding this provision, either party may seek any and all legal remedies available to it including, without limitation, mediation through the FDOE or those additional remedies set forth in Section 1002.33(6)(i), Florida Statutes.

Section 14.N.3: The dispute resolution procedure is as follows:

STEP 1: As a first step, informal discussion occurs between representatives of the School and the Sponsor regarding the particular issue(s) in question. If the matter is not resolved at Step One, either party may elect to forward the issue(s) to the next step.

STEP 2: Written notice by the Sponsor or the School outlining the nature of an identified problem in performance or operations not being met or completed to the satisfaction of either party. If the matter is not resolved at Step 2, either party may elect to forward the issue(s) to the next step.

STEP 3: Meeting between the governing board of the School and the Sponsor's staff or representative to discuss the issue(s) and attempt resolution of same and propose

modifications or amendments to the terms and conditions of the Charter. If the matter is not resolved at Step 3, either party may elect to forward the issue(s) to the next step.

STEP 4: An item will be placed upon the agenda of the Sponsor's regular school board meeting to enable the Sponsor to render a final decision regarding the issue(s)which are in dispute.

Section 14.O: **Citations**: All Florida Statutes, State Board of Education Rules, or School Board Policies cited herein shall refer to the edition in effect when this Charter is executed or extended, subject to subsequent amendment of such statutes.

Section 14.P: **Headings**: The headings in the Charter are for convenience and reference only and in no way define, limit, or describe the scope of the Charter and shall not be considered in the interpretation of the Charter or any provision hereof.

Section 14.Q: **Advice of Counsel**: The School and the Sponsor both state that they have been represented by legal counsel in connection with the negotiation and execution of this Charter and each is satisfied with the legal representation it received.

Section 14.R: **Counterparts**: This Charter may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one Charter.

IN WITNESS WHEREOF, the Parties hereto have executed this Charter School Agreement as of the day and year first above written.

II) EXECUTIVE SUMMARY

Form Result

The Executive Summary should provide a concise overview of the proposed plan for the school; its mission and vision; the educational need for the school and the anticipated student population; the education plan and school design; the school culture; community engagement or partnerships to date; and the applicant team's capacity to successfully open and operate a high-quality school given the above considerations.

The Executive Summary should not exceed 2 pages and will not be counted against the page limits.

This section will not be rated and will not be a basis for an approval or denial decision. The Executive Summary should provide a concise overview of the proposed plan.

EXECUTIVE SUMMARY

A student who does not fit well into the traditional classroom mold—or who falls behind for any number of reasons—is at heightened risk of losing motivation in high school and ultimately deciding to drop out. The ramifications of dropping out—for students, communities, and the nation—are profound and far-reaching. Students who give up on school and drop out are more likely to live in poverty, suffer from poor health, receive public assistance, become incarcerated, or become single parents (*The Silent Epidemic*, 2006).

Consequently, there is an enormous need for personalized, flexible, and accessible high-school programs that engage and motivate these students, enabling them to meet graduation requirements and successfully transition to the next phase of life. Additionally, schools that coordinate opportunities and guidance in selecting career paths can open doors to post-secondary education or direct entry into the workforce. Research has shown that high-school career-focused pathways (such as career academies) can boost student engagement and performance—and in some cases improve graduation rates and post-school employment outcomes (Kemple & Snipes, 2000).

To meet the needs of students who have not found success in the traditional school setting—or who have already dropped out of school—SunEd High will provide an alternative pathway to high-school graduation. Our model offers students the opportunity to complete their studies while simultaneously preparing for a post-graduation career or future profession. The school's founders developed a mission and vision statements that reflect the philosophy and beliefs of the Governing Board and will serve as a guide for all stakeholders.

The mission of SunEd High is to provide our students with a safe and nurturing learning environment that will help them achieve their goals – both academically and personally. We believe that by working with families and the community, all students can achieve their maximum potential. We are committed to working together to provide each student with the best possible education while instilling in every student the belief that they can succeed and become responsible, contributing members of society.

The vision of SunEd High is to ensure that students are prepared both socially and academically for their post-high school career or educational pathway through the educational, mentoring, counseling, and career-related opportunities provided by the school. We envision that our students will become productive members of the community by acquiring a strong academic foundation combined with a set of values and principles that will guide their lives in a positive and meaningful way.

To achieve its mission and vision, SunEd High will offer students a small high school setting where they can work at their own pace to fulfill the coursework and testing requirements necessary to earn a standard high school diploma. Together with staff and parents, students will develop and follow an individualized plan that includes post-secondary education and career goals. Through the "blended learning" approach offered at SunEd High, students will engage in a combination of computer-assisted and teacher-directed instruction. Students will be able to attend a morning or afternoon session, or they may attend both sessions if they want to accelerate their learning. Each student will have access to the latest technology and an individual computer station in a lab setting–equipped with high-speed connections. Direct

instruction will take place in classrooms also equipped with state-of-the-art technology. Certified teachers will utilize research-based materials and instructional techniques to motivate and engage students in their learning and give them the personalized attention they need to succeed. Research indicates that increased personalization, pacing flexibility, and blended modalities help re-engage students.

A guidance counselor/career coordinator will provide opportunities for career and job-search explorations, interviewing techniques, employment tracking (where applicable), employer outreach, and coordination of job and career fairs. Each student will be assigned a mentor who meets with the student weekly to provide academic and emotional support, conduct data chats (monitoring progress), and ensure students stay on track for graduation. The school's focus will be on educating the "whole student"—addressing not only academics but also social-emotional support, life skills, and career readiness.

A key component of the educational program at SunEd High is the opportunity for students to choose a career track from among several options Research on the effectiveness of career academies suggests that when well implemented—with integrated academic and career-technical curricula, work‑based learning, and employer engagement—students show improved graduation rates and post-high-school outcomes.

At SunEd High, the school leadership will foster a culture consistent with the school's mission and vision. There will be an emphasis on continuous improvement and high expectations among students and staff. The school leaders will implement a character education curriculum that emphasizes a clear set of values and beliefs to establish and maintain a school climate which is nurturing and success oriented. The belief that "every student can succeed" will be a key aspect of the school's culture.

Community partnerships with local businesses, career technical schools, colleges and universities, and social service agencies will support student retention in school and support increased graduation rates and post-secondary readiness for students. As stated in the school's mission statement, SunEd believes that the student's family and the community play a pivotal role in the educational process. Outreach activities will be implemented to engage parents and community members in the educational program at SunEd High School. In addition to the partnership already established with Broward College and the Armed Services, the school will pursue additional community partnerships that include, but are not limited to, Keiser College, Florida Atlantic University, Nova University, Florida Career College, Sheridan Technical, Art Institute, Urban League of Broward, and the YMCA.

SunEd High has already experienced success in graduating at-risk students at its existing campuses—SunEd High of North Broward, opened in 2014, and SunEd High of South Broward, opened in 2019. These schools have significantly improved student achievement and graduation rates since opening, receiving "Commendable" ratings most years, and ranking among the top alternative-education schools in the State of Florida. The success achieved by these campuses provides evidence that our model can serve the needs of a special population of students in the Broward community—our new SunEd campus will replicate this success.

III) EDUCATIONAL PLAN

The education plan should define what students will achieve, how they will achieve it, and how the school will evaluate performance. It should provide a clear picture of what a student who attends the school will experience in terms of educational climate, structure, assessment and outcomes.

1. Mission, Guiding Principles and Purpose

Reviewer Instructions

The Mission, Guiding Principles and Purpose section should indicate what the school intends to do, for whom and to what degree.

Statutory References:

s. 1002.33(2)

Evaluation Criteria:

A response that meets the standard will present:

- A clear and compelling mission and vision statement that defines the guiding principles and values of the school.
- Adequate references to evidence that the application fulfills the statutory guiding principles and purposes for charter schools. (Note: the substance of each addressed principle and purpose will be evaluated within appropriate application sections.)

Form Result

A. Provide the mission and vision statements for the proposed charter school. The mission is a statement of the fundamental purpose of the school, describing why it exists. The vision statement outlines how the school will operate and what it will achieve in the long term. The mission and vision statement provide the foundation for the entire proposal, and taken together, should illustrate what success looks like.

- *If the applicant is proposing a classical charter school, include how the school will emphasize the development of students in the principles in moral character and civic virtue through a well-rounded education in the liberal arts and sciences, which is based on the classical trivium stages of grammar, logic, and rhetoric.*

*The **mission** of SunEd High is to provide our students with a safe and nurturing learning environment that will help them achieve their goals – both academically and personally. We believe that by working with families and the community, all students can achieve their maximum potential. We are committed to working together to provide each student with the best possible education while instilling in every student the belief that they can succeed and become responsible, contributing members of society.*

*The **vision** of SunEd High is to ensure that students are prepared both socially and academically for their post-high school career or educational pathway through the educational, mentoring, counseling, and career-related opportunities provided by the school. We envision that our students will become productive members of the community by acquiring a strong academic foundation combined with a set of values and principles that will guide their lives in a positive and meaningful way.*

To achieve the mission and vision, SunEd High (also referred to as "the School") will offer students an individualized, self-paced high school program that meets state standards and grade level expectations, as well as testing and graduation requirements. Students will work on individualized coursework requirements to earn their high school diploma. Together with staff and parents, students will develop and follow an individualized plan with post-secondary education and career goals. SunEd High will provide a structured, yet nurturing environment where students' accomplishments are recognized, thus encouraging continuous improvement and success for both students and teachers. Through the "blended learning" approach offered at SunEd High, students will learn from a combination of technologically based and teacher-directed instruction. Each student will have a designated computer for self-paced, individualized learning, and students will also be scheduled for teacher-directed lessons in a separate setting that is equipped with state-of-the-art technology. Highly skilled, certified teachers will utilize research-based materials and instructional techniques to motivate and engage students in their learning, and to give them the personalized attention they need to succeed. SunEd High's educational program will utilize a variety of innovative learning methods and provide exceptional services to address students' academic and psycho-social needs. The School will focus on the "whole student" through a comprehensive program that includes key components that are designed to meet the individual needs of a specific population of students.

B. Describe how the proposed school will utilize the guiding principles found in section 1002.33(2)(a), F.S.

In accordance with the law, charter schools shall be guided by the following principles:

- *Meet high standards of student achievement while providing parents flexibility to choose among diverse educational opportunities within the state's public school system.*
- *Promote enhanced academic success and financial efficiency by aligning responsibility and accountability.*
- *Provide parents with sufficient information on whether their child is reading at grade level and whether the child gains at least a year's worth of learning for every year spent in the charter school.*

Evaluation Criteria:

A response that meets the standard will present:

- A clear description of the students the charter school intends to serve including any target populations in accordance with Florida law.
- Alignment of the targeted student body with the overall mission of the school.

Form Result

A. Describe the anticipated student population to be served and how that aligns with the school's mission. Applicants should state if they will give enrollment preference or limit the enrollment process, as allowed by law, to certain student populations defined in section 1002.33(10)(d) & (e), F.S.[2] If the applicant intends to have enrollment preferences they should be described in the ***Student Recruitment and Enrollment*** section.

[2] For operators intending to apply and be eligible for federal funding under the US Department of Education's Charter Schools Program, recruitment and admissions policies and practices must meet all federal requirements. *See* Charter Schools Program, Title V, Part B of the ESEA, Non-regulatory Guidance, Section E. (Lottery, Recruitment and Admissions).

SunEd High will open its doors to students in grades 9-12 for the 2026-2027 school year with a maximum of 550 students. In support of its mission and vision, the School will target those students who have dropped out of the traditional school setting, or those students who are not on track to graduate with their cohort. The anticipated student population will include students who have failed to earn sufficient credits for their age, so that they will be able to make up lost credits. Highly motivated students can accelerate their learning to graduate early from high school. Because SunEd High will offer flexible attendance sessions, one in the morning and one in the afternoon, coupled with a self-paced program, students who desire may be able to work full time and go to school full time. This innovative educational program will expand the capacity of the public school district and provide rigorous competition within the district that will lead to improved services for the School's target population.

Any student, ages 15-21, that resides in the State of Florida and has met the requirements to attend high school is eligible to attend SunEd High. SunEd High's student population will be reflective of the county, mirroring similar percentages of race, ethnicity, national origin, gender, disability, gifted status, linguistic needs, and socio-economic status. Admission will not be denied by SunEd High to eligible applicants based upon sex, race, religion, national origin, ancestry, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability. SunEd High will be open to students regardless of their academic level, as well as to students who qualify for ESE and ELL programs. As clearly defined in the school's mission statement, SunEd High will work with all students to ensure that they reach their maximum potential.

In accordance with s.I002.33(10)(d), F.S., SunEd High will give admission preference to students who are the children of a member of the Governing Board of the charter school or who are the children of an employee of the charter school. Furthermore, preference will be given to siblings of a student enrolled at SunEd High and to other students as specified in section 1003.33(10)(d), F.S. SunEd High shall comply with Class Size Reduction and will not exceed the 1:25, teacher-student ratio. The enrollment forecasts, tables and budgets included with this application are all consistent with class size requirements found in the Constitutional Amendment regarding Class Size Reduction.

B. If a facility has not been identified in the ***Facilities*** section of this application, state the geographic area which the applicant intends to serve.

Currently, the school is studying the possibility of serving the needs of students in the south-east area of Broward County.

C. Provide enrollment projections in the table below for each year of proposed operation. These projections are not enrollment caps. Annual capacity determinations will be made by the governing board in conjunction with the sponsor per section 1002.33(10), F.S.

D. Provide a brief explanation of how the enrollment projections were developed.

Enter explanation here

Student enrollment projections were developed based on the Board's previous experience with student demand and the number of student applicants at the two sister schools in Broward County--SunEd High of North Broward (Margate) and SunEd High of South Broward (Ft. Lauderdale). To project the number of students for each grade level, the enrollment history at the two existing SunEd schools located in Broward County were examined. During the 2024-2025 school year, there were approximately 369 students at midyear enrolled at SunEd High of South Broward (Fort Lauderdale) and 351 students enrolled at SunEd High of North Broward (Margate). The majority of students at each school enrolled were in the upper grades. The goal of the Governing Board of SunEd High is to open the new school in a location that has the greatest need. The area currently being considered is the south-central area of Broward County.

According to FDOE's EduData Portal, the Graduation Rate for Broward County for 2024 was 89%, indicating a need for alternative school options for students who have fallen behind their cohort and require additional support to recover credits or accelerate their learning. Although Broward County offers several options for alternative education students, SunEd High expects to attract enough students to meet its enrollment projections based on its unique program offerings that include flexible learning sessions, a self-paced blended curriculum, an adult mentor for each student, weekly mentoring sessions, career counseling, and a variety of career academies in high demand areas. Additionally, the School has a track record of success at its two sister schools in Broward. SunEd High will provide rigorous competition to schools with similar programs and expand the capacity of the school system. SunEd High will be marketed during its student recruitment campaign and the School's Enrollment Specialist will work diligently throughout the year to recruit students who need the type of program offered by SunEd High.

E. Briefly explain the rationale for the number of students and grade levels served in year one and the basis for the growth plan in subsequent years as illustrated in the table above.

Enter explanation here

An examination of the enrollment trends at the other two SunEd High schools in Broward County form the basis for the growth plan illustrated above. The enrollment by grade level shows that the majority of students are clustered at the upper grades. SunEd High plans to enroll students in grades 9-12 beginning in Year 1. The goal is to offer students at all levels an opportunity to work at their own pace to complete all required courses and earn the necessary credits to graduate. The School will serve students between the ages of 15-21 who are likely credit deficient and not a part of their cohort.

Evaluation Criteria: Target Population and Student Body

Reviewers will look for:

- A clear description of the students the charter school intends to serve including any target populations in accordance with Florida law.

- Alignment of the targeted student body with the overall mission of the school.

3. Educational Program Design

Reviewer Instructions

The Educational Program Design section should describe the educational foundation of the school and the teaching and learning strategies that will be employed.
Statutory Reference(s):
s. 1002.33(7)(a)2.
Evaluation Criteria:
A response that meets the standard will present an educational program design that:

- An educational program design that:
  - Is clear and coherent;
  - Is based on effective, experience or research-based educational practices and teaching methods, and high standards for student learning;
  - Aligns with the school's mission and responds to the needs of the school's target population, and
  - Is likely lead to improved student performance for the school's target population.
- A proposed daily school schedule and annual calendar that complies with statutory requirements for annual number of instructional minutes/days and aligns with priorities and practices described in the educational program design.

Form Result

A. Describe the proposed charter school's educational program.

SunEd High will provide provide an alternate pathway to graduation as a school of choice--an option for students and parents to consider over a traditional educational setting in the public school system. The School's mission, innovative program design, flexible schedule, research-based curriculum and programs, technology-assisted instruction, direct instruction, personalized graduation plan, career academies, community partnerships, mentorship program, emphasis on social and emotional well-being of students, its highly dedicated staff, and its high standards for student achievement are the components that make SunEd an innovative and effective program for reaching at risk students who have dropped out or who are in danger of dropping out of school. The School is also a viable option for students who wish to move through their high school years at a faster pace. SunEd High is a school of choice that will put students on a path to earning a standard high school diploma while acquiring career-related skills that will lead them to success after graduating. SunEd High's individualized and differentiated curriculum and instructional strategies will be provided with the aim of inspiring students to take ownership in the learning process. Learning style and rate of learning differs for each student and teachers will utilize a blended approach to meet the individual needs of each student. Personalized learning, small group, and whole group standards-based instruction, combined with research-based digital instruction, are recipes for academic success. The educational program is designed to serve students at their performance level upon enrollment. Students will participate in lessons and activities aligned with their individual learning levels that will strengthen their potential for academic success and allow them to demonstrate growth in learning to meet the requirements for each course.

SunEd High’s unique model will primarily serve students, ages 15-21, who are over-aged, credit-deficient, and have the desire to earn a standard high school diploma. The school day consists of two separate sessions to accommodate the schedules of students who work or who may be parents. Students may choose which session is most convenient to attend, or they may attend both sessions (space permitting) if they want to accelerate their studies. Session one is held from 7:00 a.m. to 12:00 p.m. and session two is held from 12:00-5:00 p.m. For the model to be effective, capable and dedicated teachers will be hired to ensure that students receive the best possible education. Teachers include core content, special education, reading, ESOL, and teachers qualified to teach elective or career-related courses offered. Additional staff members to be hired include teacher assistants, a guidance counselor, and a career coordinator.

Measuring academic progress alone may not capture the richness of what some alternative schools offer and the changes that can occur for youth who attend. In addition to the required accountability measures as defined by state and federal law, SunEd High has developed additional levels of accountability that will be used to assess student achievement, ongoing student progress, trends in curriculum and instructional practices, attendance, graduation rates, credit accrual, employment, and post-secondary plans. The School's educational program will utilize a variety of innovative learning methods and provide exceptional services to address the "whole student" through a comprehensive program that is comprised of five key components:

1. **Blended Model of Instruction**
2. **Student Success Skills**
3. **Academic Support and Special Needs Services**
4. **Graduation Pathway, College/Career Counseling, and Career Academies**
5. **Community, Business, and Family Partnerships**

A Description of the 5 Key Components is provided below:

1. **<u>Blended Model of Instruction</u>**

    - Blended learning instruction will consist of lessons that are both teacher-directed and technology driven at an individualized pace to ensure mastery at every level. Online learning laboratories will provide one computer for each student with direct Internet access to all learning and communication resources required as part of the online program. Teacher-directed instruction will take place in traditional classrooms equipped with state-of-the-art technology. The curriculum will emphasize core academic subjects and electives necessary to meet graduation requirements and teachers will use research-based programs and instructional strategies designed to allow students to meet state standards. Coursework will be personalized to meet the academic needs of students whether they are working below, at, or above grade level.
    - **<u>Research Based Digital Curriculum</u>**
        - **Edmentum Courseware** - SunEd High of Broward will utilize Edmentum Courseware, a research-based digital curriculum designed to help students reach graduation goals through flexible and personalized courses. The curriculum offers interactive learning options for credit recovery, first-time credit, and expanded course access. The curriculum is designed to support academic success for all students, from those not prepared for grade-level academic work to those capable of accelerating their learning. Edmentum Courseware has designed its digital curriculum with multiple course pathways, each designed to meet specific needs of students as they progress toward graduation. The courses in these pathways share a common scope and sequence and cover the same rigorous, standards-based content.
    - **<u>Direct Instruction Using Research-Based Strategies</u>**
        - Direct instruction will be provided to support students in passing the end-of course (EOC) exams in Biology, U.S. History, Algebra 1, and Geometry using research-based instructional programs. and high-yield teaching practices. The programs that will be used during direct instruction include HMH Read 180 and Code, IXL Language Arts, IXL Math, Gizmos for Math and Science.
        - Research-based instructional strategies, effective teaching models, and innovative learning methods will be used that include, but are not limited to, the following:
            - Whole group instruction to introduce new skills to entire group that are aligned to state standards

        - Data-driven, differentiated, and small group instruction provided to students based on individual needs
        - Problem solving and hands-on lessons to actively engage students and help them apply their learning
        - Technology-enhanced instruction to engage students and expand their learning experiences
        - Gradual Release of Responsibility Model
        - Standards-Based Learning
        - Graphic Organizers (Story Maps, Venn Diagrams, Webbing)
        - Writing experiences in a variety of contexts
        - Instructional strategies and techniques such as modeling, repetition, paraphrasing, modified language, increased practice, visuals, language dictionaries, group and peer learning, will be used to support the needs of ELL and ESE students.
    - Additional online resources to be utilized by teachers during direct instruction will include Khan Academy, Read Works, Algebra Nation, Math Nation, ReadTheory.com, Google Suite, Vocabulary.com, NewsELA, GetFive.com, and Live.com., Quizezz, and the supplementary online resources provided by HMH Edmentum.
    - Ongoing formative and summative assessments will be used to assess mastery of standards and inform instruction.

2. **Student Success Skills**

Student Mentorship Program

SunEd High will implement the *Student Mentorship Program,* a comprehensive, formal mentoring program that has been successfully implemented at the current SunEd schools since the opening of these schools. Each student will be assigned an adult mentor who is a member of the school staff. The mentor will meet with each mentee on a weekly basis to offer academic and emotional support, and to ensure that each student stays on track for graduation.

Character and Resiliency Education

A set of guiding principles and character values will be promoted school-wide through monthly activities, bulletin boards, newsletters, and during weekly mentoring sessions. The School will be implementing Resiliency Florida program that empowers students to persevere and overcome challenges and barriers to success. The School aims to equip students with the skills needed to achieve their academic and personal goals. The program provides resources for teachers, students, and parents on the following 11 Resiliency Characteristics: perseverance, grit, gratitude, responsibility, responsible decision-making, critical thinking and problem solving, self-awareness & self-management, mentorship, citizenship, honesty, and empathy.

Counseling, Mental Health, and Social Services

- The School will contract with community agencies to provide individual counseling and speech/language for students needing these services.

- The School will contract with a licensed mental health counselor for full-time services to students in need of mental health services.
- The School will employ a full-time school counselor who will provide both academic and social-emotional counseling.
- Partnerships with community organizations will be leveraged to provide psychological and social services to students and their families. Currently, SunEd schools work with organizations or agencies that include, but are not limited to, the following: Broward 211, Harmony Homes, Henderson Behavioral Health, ChildNet, Covenant House, and Lippman Youth Services.
- Community leaders and experts will be invited to speak to students through the School's *Student Seminars Series*. Speakers will cover topics that address academic skills, work-study habits, personal wellness, self-sufficiency, and resiliency.

3. Academic Support and Special Needs Services

Multi-Tiered System of Supports/Response to Intervention

A Multi-Tiered System of Supports/Response to Intervention (MTSS/RtI) plan will be implemented to provide necessary interventions for both academic and behavioral issues for all students. Researched-based programs will be used to provide Tier 2 and Tier 3 interventions for students who require additional interventions as determined by the School's Collaborative Problem-Solving Team.

Intensive Reading

HMH Read 180 - The HMH Read 180 program is a comprehensive, research-based reading intervention for students who are reading below grade level, focusing on building skills like phonemic awareness, phonics, fluency, vocabulary, and comprehension. It uses a blended learning model with adaptive technology and data analytics to provide personalized, small-group, and independent instruction tailored to individual student needs and learning pace. NWEA assessments are used to assess students and determine their current reading level and places them in Read 180 or Code, which is the most intensive. Read 180 also has a language launch component that assists ELL students with comprehension and enhances their learning experience.

HMH The Code - HMH Read 180 Code refers to the foundational literacy component within HMH's Read 180 program. This intensive intervention uses the "Code" segments, supported by an adaptive student application and workbooks, to provide explicit and systematic instruction in phonemic awareness, phonics, and morphology. Students are placed into specific "Code" segments based on their needs via the Code Placement Assessment (CPA). After mastering foundational skills in "The Code," students transition to the "Comprehension" strand of the program.

IXL Language Arts – IXL Language Arts an online learning platform for students that develops fundamental literacy skills, reading comprehension, and writing abilities, covering areas from phonics and vocabulary to literary devices. It offers personalized, adaptive

instruction with video tutorials, practice questions, and diagnostic tools to help students build skills, close learning gaps, and achieve mastery in reading. The platform uses a real-time diagnostic tool to assess students' knowledge levels and provides targeted recommendations for improvement.

Intensive Mathematics

IXL Math - IXL Math is an online learning platform that provides personalized practice and assessments for students of all abilities to build confidence and master math skills, with immediate feedback and clear explanations to help fill knowledge gaps. IXL's adaptive features include deeply adaptive skills that adjust in real-time, a Real-Time Diagnostic to pinpoint proficiency, and personalized skill recommendations to guide learning.

Gizmos (Math and Science) – Gizmos, from ExploreLearning, are a collection of interactive online simulations and virtual labs designed to help students understand complex math and science concepts through hands-on exploration and discovery. These simulations bring abstract ideas to life, allowing students to manipulate variables, conduct experiments, and visualize data to foster conceptual understanding and support curriculum standards. students with virtual models and tools to explore scientific and mathematical concepts. The platform offers various levels of activities and scaffolding to support diverse learners, including those at risk. Students can manipulate variables, conduct experiments, and analyze data in a safe and controlled virtual environment.

Boot Camps for Test Preparation

The School will provide test preparation for students during "Boot Camps" to assist them in passing state-mandated assessments. The following resources will be used to prepare students for required assessments: Edmentum ACT/SAT Prep, IXL Assessment Prep, and FDOE practice assessments for FAST and EOC tests.

Students with Disabilities, English Language Learners, and Struggling Students

- ESE-certified teachers will provide specialized services for students who meet the requirements for the Exceptional Student Education (ESE) program, in accordance with their IEP.
- ESOL-certified or endorsed teachers will provide appropriate services for English Language Learners (ELLs) to meet each student's needs in language learning and academic achievement.
- The School will contract with outside vendors to provide additional student support services that include the following: speech services, counseling services, OT/PT services (as needed).

An Academic Improvement Plan (AIP) will be developed for each student that includes measurable objectives, strategies, and supports related to academic achievement, attendance and discipline, as appropriate. The plan

will also include progress monitoring procedures and transition goals to support the next educational placement or postsecondary options.

4. **Graduation Pathway, College/Career Counseling, and Career Academies**

Individual Graduation Plans

- The School will create an *Individual Graduation Plan* for each student upon enrollment. The plan will include an analysis of credits completed and credits required for graduation; GPA; cohort year; credit recovery needs; testing requirements met and not met; student obligations and community service hours completed.
- A virtual portal (Focus) will be available online to students, parents, teachers, and administrators to track, monitor and measure individual student progress toward completion of the Individual Graduation Plan.
- The School will send parents updated graduation plan for their student four times per year.

Career Counseling

- The School will employee a full-time **Career Coordinator** who will provide opportunities for career and job-seeking explorations, review interviewing techniques, track employment and hours where applicable, conduct employer outreach on behalf of the students, schedule guest speakers and college visits, provide online resources, and coordinate job and career fairs in support of student postsecondary goals.
- The School will have a **Career Lab** where students can utilize resources such as Floridashines, Xello, Beable, and others, to take interest and skills assessments to match them with potential careers; explore state colleges and universities, including tuition costs, programs, and scholarships; build a personalized portfolio including goals, interests, experiences, and achievements; learn about communication, teamwork, and problem-solving; get information on in-demand jobs in Florida; identify career goals and track progress toward them, etc.

Career Academies

Students will have an opportunity to enroll in Career Technical Education (CTE) digital courses in high demand career fields that lead to industry recognized certifications. The School intends to use eDynamicLearning, a digital curriculum that offers courses that meet national and industry certification exam standards and equips students with the knowledge and skills needed to prepare for and earn the certifications. The School intends to offer the following career academies:

- Emergency Medical Responder
- Medical Office Administrative Assistant
- Certified Nursing Assistant
- Medical Lab Assistant
- EKG/ECG Technician

- Dental Assistant
- Daycare Worker
- Early Childhood Associate
- Child Care Worker
- Bank Teller
- Cyber Security Specialist
- Legal Administrative Specialist

5. Community, Business, and Family Partnerships

Partnerships with Educational Institutions and Community Organizations

- The School will develop partnerships with local colleges, universities, and vocational schools to support college-bound students, increase student retention, and increase graduation rate. Current partnerships established by sister schools include Broward College, Nova Southeastern University, Florida Atlantic University, Keiser College, Atlantic Technical, The Art Institute, and Universal Technical Institute, Sheridan Technical College, McFatter Technical College, and Beauty Schools of America.
- The School will develop partnerships with community organizations to provide students with assistance in areas of need that include housing, social-emotional issues, substance abuse, behavioral issues, family conflicts, teenage pregnancy, suicide prevention, health and wellness, and sexual assault. Current partnerships established by sister schools include Lippman Youth, Covenant House, Susan B. Anthony Recovery Center, Banyan Health Systems, Crysalis House, BARC Recovery Center, Cove, The Starting Place, Jubilee Center, Children's Harbor, Children's Services Council, CHADD, Broward Health, Nancy J. Cotterman Center.

Partnerships with Business Leaders and Professionals

The School will invite successful business leaders and professionals to speak to students about different career pathways, entrepreneurship, professionalism, work ethic, etc.

Parent Seminars and Community Events

- The School will host a series of Parent Seminars which will provide parents with strategies for helping their children achieve academic success. The School will also offer Parent Seminars that are designed to improve parents' knowledge and skills in a variety of areas (i.e., filing taxes, financial planning).
- The School will organize events throughout the year that will allow parents to become an active participant in the education of their child (e.g., Open Houses, Talk & Tea events, Holiday Celebrations, Poetry Reading event, Talent Shows, Spelling Bees, Math Bowl, etc.).

B. Describe the basic learning environment (e.g., classroom-based, independent study, blended learning), including rationale for class size and structure and how the learning environment supports and is consistent with the mission.

SunEd High will provide a learning environment that is aligned with its mission and vision. The School will offer students a flexible, self-paced, blended model of instruction that is designed to meet the needs of its student population and allow students to reach their maximum potential. The School will provide its targeted population of students with an educational program that places each student on a path to graduation while also offering students college and career guidance and the chance to enroll in one of the School's Career Academies. The learning environment at SunEd High will address key areas, as described above, that will ensure that every student feels that his/her needs are being met in a safe and nurturing learning environment where students are valued as individuals and challenged to perform their best. There will be policies and guidelines in effect that ensure that the environment at the School is optimal for learning.
The following characteristics describe the learning environment at SunEd High:

- Upon enrollment, each student will be assigned to the Transition Room (for approximately two weeks). Students will be given NWEA and IXL diagnostic assessments to identify baseline levels in all core areas. The Transition Room will be equipped with desks, chairs, whiteboards, Mimeo Board, and a computer for each student.
- Students will be scheduled into three 90-minute periods plus a 30-minute individualized work period that allows students to complete assignments in areas where they need additional time, and to work with their assigned mentors. The School will follow a block schedule with students attending periods 1, 3, 5 on "A" days and periods 2, 4, 6 on "B" days. There will be three Learning Labs, two Reading Classrooms, and one Career Lab. The Learning Labs are subject specific. Lab 1 is the ELA lab; Lab 2 is the mathematics lab; and Lab 3 is the science/social studies lab. Each Learning Lab has an area designated for Direct Instruction (DI) and is equipped with a whiteboard and a mimeo system to make lessons interactive for students.
- Each Computer Learning Lab will be equipped with 40-50 computer stations; Study carrels will be used for privacy. There will be a minimum of two certified teachers and an instructional assistant, depending on class size, assigned to each Computer Learning Lab to ensure that students are provided with assistance and support in completing computer-based lessons. Small group or individualized tutoring will occur in these Labs (a small table and chairs will be available in the labs). Students will complete courses at their own pace through a research-based, online curriculum.
- Each student that achieved a level 1 or 2 on the ELA and/or Algebra 1 state assessment will be scheduled for Intensive Reading and/or Intensive Math which will be taught by a certified teacher in a Direct Instruction Classroom.
- Direct Instruction classes will consist of a maximum of 25 students.
- Each student will be scheduled to receive teacher-directed instruction in the appropriate Direct Instruction Classroom. Students will be required to receive direct instruction for courses that are tested through End of Course (EOC) exams.
- Direct Instruction Classrooms will be set up with tables and chairs that allow students to work in groups or individually. Each room will have whiteboards,

bulletin boards, a computer for the teacher, a minimum of six student computers, and a Mimeo Board.

- A Career Lab will be available to allow students to conduct research, create resumes, find job opportunities, search for and apply for scholarships, research-state, national and international colleges and admission requirements, complete financial aid applications, apply for college and more.

C. Describe the research base used to design the educational program.

The power of the **blended learning model** lies in its ability to personalize education to meet individual students' needs. In his November 2010 report, *Transforming American Education Learning Powered by Technology: National Educational Technology Plan 2010*, Arne Duncan points out that "the last decade has seen the emergence of some radically redesigned schools, demonstrating the range of possibilities for structuring education. These include schools that organize around competence rather than seat time and others that enable more flexible scheduling that fits students' individual needs rather than traditional academic periods and lockstep curriculum pacing. In addition, schools are beginning to incorporate online learning with teacher-directed instruction, which affords the opportunity to extend the learning day, week, or year." This model of learning that the U.S. Government is calling for is a plan for engaging and empowering personalized learning experiences for learners of all ages. The model stipulates that we focus what and how we teach to match what people need to know and how they learn. It calls for using state-of-the-art technology and Universal Design for Learning (UDL) concepts to enable, motivate, and inspire all students to achieve, regardless of background, languages, or disabilities. It calls for leveraging the power of technology to support continuous and lifelong learning. In addition, it presents five goals of this program, each with 5 essential components. Those components of learning powered by technology include: (1) Learning, (2) Assessment, (3) Teaching, (4) Infrastructure, and (5) Productivity. Furthermore, it calls for a "grand challenge" for research based on initiatives to reform education through technology.

In recent years, an increasing number of online programs have focused on credit recovery and serving at-risk students. According to a 2008 report published by the North American Council for Online Learning (NACOL), titled *Using Online Learning for At-Risk Students and Credit Recovery*, online learning is proving to be an important--and sometimes transformational--tool in reaching at-risk students. Goals related to credit recovery and at-risk students include one or more of the following:

- Helping students make up credits to meet graduation requirements
- Meeting graduation deadlines
- Preparing students for state exams
- Getting drop out students back in school
- Providing educational equity for all students

The NACOL report concludes that "online learning offers the advantage of personalization, allowing individualized attention and support when students need it most. It provides the very best educational opportunities to all students, regardless of their zip code, with highly qualified teachers delivering instruction using the Internet and a vast array of digital resources and content." SunEd High's educational program will help meet the needs of a diverse group of students by offering a broad range of courses and services for students who are seeking a different pathway for learning. The School will expand opportunities for students to receive a high-quality education. In accordance with the government's 2010 report, SunEd High intends to empower students in their own learning by addressing the "whole child" and offering an array of supports to enhance each student's chance for success. The School believes that students who have failed to reach their high school goals and have dropped out, and those that are at the most danger of dropping out, can and will "grow" with the

school's approach to mentoring and community involvement. There is evidence that mentoring at the school needs to begin upon enrollment. An April 2002 research study, titled *Effectiveness of Mentoring Programs for Youth: A Meta-Analytic Review,* found that mentoring program effects are enhanced significantly when greater numbers of both theory-based and empirically based "best practices" are utilized and when strong relationships are formed between mentors and youth. Youth from backgrounds of environmental risk and disadvantage appeared most likely to benefit from participation in **mentoring programs** when it began at the onset. To this end, SunEd will assign a mentor to all students upon enrollment who will meet with them on a weekly basis to offer academic and emotional support, and who will ensure that students stay on track for graduation. A set of guiding principles and ethics will be promoted school-wide through monthly activities, bulletin boards, newsletters, and during weekly mentoring sessions to instill values and to promote respect, collegiality, and concern for the well-being of others.

SunEd High will target a population of students who need a program that will motivate them and engage them in their learning. Today, most students' lives outside school are filled with technology that provides access to information and resources 24/7, enabling them to create multimedia content and share it with the world, as well as allowing them to participate in online social networks and communities where people from all over the world share ideas, collaborate, and learn new things. According to a national survey by the Kaiser Family Foundation, 8- to 18-year-olds today devote an average of seven hours and 38 minutes to using entertainment media in a typical day which translates to more than 53 hours a week (Kaiser Family Foundation, 2009). The opportunity to harness this interest and access in the service of learning is huge but largely ignored in the past. Increasingly, schools and states are turning to this resource to provide education, and more schools are being opened that utilize this technology as a primary source for **academic interventions and special needs services**. A 2014 study conducted by Aderonke Bello examined the impact of technology interventions on student achievement in rural Nigerian schools. He explored the differences in student achievement in mathematics and English Language Arts between technology and nontechnology schools and established a relationship between teachers' level of technology implementation and student achievement. The sample comprised 2,369 examination scores in mathematics and English of Senior Secondary Level 2 (SS2) students and purposive sampling of 34 teachers who participated in an online survey. Data was analyzed using multivariate analysis of variance (MANOVA), the level of technology implementation (LoTi) framework, and Pearson's correlation coefficient test. The results showed significant differences in student achievement between technology and nontechnology schools. Thus, the mere presence of technology seemed to have more impact on student grades than the ways in which teachers use it. The results support the increase of technology integration with academic interventions to improve student performance, thereby leading to positive social change. The SunEd High program will leverage technology to create relevant learning experiences that mirror students' daily lives and the reality of their futures.

The dropout rate is one of the most important indicators for educators and policymakers in their efforts to provide an appropriate and challenging education for all students. The personal, social, and economic consequences of students not

completing high school are enormous. The Center for Social Organization of Schools (CSOS) at Johns Hopkins University (2005) conducted one of the more recent comprehensive studies regarding the reasons for students dropping out of high school. The study concluded that the majority of high school dropouts are primarily due to four reasons: anonymity or social estrangement; apathy or lack of purpose; failure, especially in grades six through ninth; and personal problems such as economic, drugs, or pregnancy. SunEd High will address these areas through its comprehensive program that includes a focus on the needs of the "whole" child. The Bill and Melinda Gates Foundation report, *The Silent Epidemic; Perspectives on High School Dropouts* (2006) reports the following:

- 47 percent of dropouts said classes weren't interesting
- 43 percent had missed too many days of school and couldn't catch up
- 38 percent said they had too much freedom and not enough rules in life
- 35 percent said they quit because they were failing in school
- 32 percent said they had to get a job and make money

To reduce the number of dropouts, SunEd High's unique model is designed to **meet the individual needs of students** by building relationships with each student, encouraging and affirming individual achievement, providing opportunities for academic success and assisting with seeking resources to help students with personal issues. The teachers, guidance counselor, career coordinator, and support staff will work as a team to provide the student with the necessary tools for success. SunEd High believes that two of its best attributes in enabling those who have dropped out of school, and or are considering dropping out, are 1) the shortened onsite class day, and 2) the platform of online relevant and exciting course work. The shortened class day can be appealing to many for a variety of reasons. Many students must work, and their hours of employment often do not "match" with the schedules of traditional schools. Students may choose between two learning sessions to attend, or they can attend both sessions to accelerate course completion. SunEd High recognizes that much of the time spent in the traditional school "set-up" is time that is wasted and can be better utilized. In addition, students can work 24/7 on their studies, not at a pre-set and non-negotiable time. For many students, the traditional method just does not work for them, for a variety of reasons. SunEd High's model will appeal to a certain number of students and allow them to become successful in their academic careers. The online platform for course work will appeal to and allow many students to achieve at a faster rate than the traditional school hours and platform allows. Most students will not actually transition through individual classes at the same rate with success. With the 24/7 online model, and the five-hour on site class day, students will progress through their course work at their own speed without a host of frustrations, but with mastery and success. More than ever, learning can no longer be confined to the years we spend in school or the hours we spend in the classroom: It must be lifelong, life-wide and available on demand (Bransford et al., 2006).

According to a study by Brand (2005), entitled *Enhancing High School Reform: Lessons from Site Visits to Four Cities*, the following best practices are evident at successful schools:

- High expectations for students and teachers (matched with accountability standards and ongoing assessment);
- Emphasis on creating small and personalized learning communities;
- Reform that included sustained professional development for teachers and principals (with teaching and instruction a strong focus at the same time as structural changes are made);
- Established links between the School and the community;
- Flexibility over hiring, budgets etc. and the ability to change strategies; and
- Emphasis on finding ways to provide a differentiated education with learning options to meet the varied needs of students.

SunEd High will implement "best practices" that will ensure that the learning environment and academic program allow students to achieve their maximum potential and receive the best possible education, as stated in its mission statement. A focus on **high expectations** for students and staff will be a key aspect of the school's program. The school leadership will have the autonomy to make instructional and personnel decisions that will benefit the school and achieve its mission and vision. In addition to the frequency of data collection and assessment, students will experience an authentic learning environment that includes a blended instructional approach of computer-based learning combined with individualized tutoring, small group instruction, and whole group instruction. The program is designed to provide individualized, self-paced, differentiated instruction that is teacher-directed and technology-driven. Teachers will be provided with ongoing support, professional development, and the opportunity to share best practices through professional learning communities.

SunEd High also recognizes the importance of building a relationship of trust and respect among the staff, students, parents, and community stakeholders. Continuous communication with students and parents will foster a partnership which is conducive to positive learning outcomes. The guidance counselor and career coordinator will work with the community to forge partnerships with organizations, businesses, colleges, and individuals who will be able to provide support, resources, and guidance necessary to support the mission of the school. Numerous research studies note the advantages of developing school, family, and community partnerships. **Partnerships** can improve school programs and school climate, provide family services and support, increase parents' skills and leadership, connect families with others in the school and in the community, and help teachers with their work. However, the main reason to create such partnerships is to help students succeed in school and in later life. SunEd High believes that when parents, teachers, students, and others view one another as partners in education, a caring community forms around students and strengthens the learning program.

D. Provide a sample daily schedule and school annual calendar, including the annual number of days and hours of instructional time as Attachment B. (Note: if approved, the Governing Board will formally adopt an annual calendar)

E. Explain how the services the school will provide to the target population support attainment of the state-adopted standards, as required by section 1002.33, F.S.

SunEd High will provide a learning program for students that supports the attainment of the state-adopted standards. To master the Florida Standards and the Next Generation Sunshine State Standards, the School will ensure that the following takes place:

- Students will be provided with learning opportunities that allow them to think critically and apply their learning to real-life situations.
- The curriculum will be robust and aligned to state standards.
- Teachers will use teaching strategies and techniques that engage students and address their learning styles.
- The School will administer all state assessments that are designed to measure student mastery of state standards and use results to guide instruction.
- The School will administer baseline assessments to students to identify academic needs in core areas.
- The School will administer the FAST three times per year to monitor student progress in reading.
- The School will administer NWEA online, formative adaptive assessments to measure student progress in math and reading to help educators track academic growth over time and identify unique student learning needs.
- The School leaders will provide training and support for teachers to guide them in how to work with the school's target group of students to meet the state standards.
- The School leaders will provide teachers with opportunities to engage in collaborative planning and review lesson plans on a weekly basis to ensure that lessons are designed to meet state standards.
- The School leaders will collaborate with teachers to analyze student performance data to help drive instruction and to evaluate the effectiveness of the curriculum and instructional practices.
- The School leaders will conduct daily classroom walk-throughs, as well as formal evaluations, to monitor the effectiveness of teachers in delivering engaging lessons that are designed to allow student mastery of state standards.
- The School's Collaborative Problem-Solving Team will implement the RtI process with fidelity in order to meet the needs of students who are not making progress in mastering standards through Tier 1 instruction.
- The Governing Board will support the School in implementing its mission and vision by aligning resources and educational goals; the Board will designate funds to be used to purchase research-based programs to help students master state standards in the content areas.
- Mentors will meet with students monthly to conduct data chats and review the results of assessments that evaluate the student's level of mastery of state standards.

With the combination of technology-assisted instruction, curriculum that is aligned to state standards, research-based instructional programs, and effective instruction, students will be more successful at meeting the state standards. SunEd High's goal, with its blended learning model, is to give students direct experience and exposure to

the many technology applications needed to conduct research, analyze data, and synthesize information. The goal is less emphasis on lecture/discussion/worksheet and more facilitation, more collaboration with other students and teachers, and a shift in attitude as teachers help and encourage students to take more responsibility for their own learning. Students will be able to access help during the onsite course times as they forge their way through a host of core and/or advanced courses to meet the state standards.

Evaluation Criteria: Educational Program Design

Reviewers will look for

- An educational program design that:
  - Is clear and coherent;
  - Is based on effective, experience- or research-based educational practices and teaching methods, and high standards for student learning;
  - Aligns with the school's mission and responds to the needs of the school's target population, and
  - Is likely lead to improved student performance for the school's target population.
- A proposed daily school schedule and annual calendar that complies with statutory requirements for annual number of instructional minutes/days and aligns with priorities and practices described in the educational program design.

4. Curriculum and Instructional Design

Reviewer Instructions

The Curriculum Plan section should explain not only *what* the school will teach but also *how* and *why*.
Statutory Reference(s):
s. 1002.33(6)(a)2.; s. 1002.33(6)(a)4.; s. 1002.33(7)(a)2.; s.1002.33(7)(a)4.
A response that meets the standard will present a curriculum plan that:

- Provides a clear and coherent framework for teaching and learning;
- Is research-based;
- Is well-aligned with the school's mission and educational philosophy;
- Provides an emphasis on reading;
- Will enable students to attain Florida standards and receive a year's worth of learning for each year enrolled; and
- Will be appropriate for students below, at, and above grade level.

Form Result

A. Describe the school's curriculum in the core academic areas, illustrating how it will prepare students to achieve Florida standards. Describe the primary instructional strategies that the school will expect teachers to use and why they are appropriate for the anticipated student population. Describe the methods and systems teachers will have for providing differentiated instruction to meet the needs of all students, including how students who enter the school below grade level will be engaged in and benefit from the curriculum and the formalized multi-tiered level of supports that will be provided to students who are performing below grade level. In particular, describe the mathematics curriculum and differentiated strategies that will be used for students performing at grade level or higher and a separate mathematics curriculum and strategies for students who are performing below grade level.

Core Academic Areas – Preparing Students to Achieve Florida Standards

SunEd High will provide each student with high quality education aligned with the B.E.S.T. Standards for English Language Arts and Mathematics (as well as Civics and Government as applicable) and the Next Generation Sunshine State Standards for Science and Social Studies.

SunEd High will also provide the following services to prepare students to achieve the Florida standards:

- Counseling for students to address social issues that might be prohibiting that student from learning;
- Instruction and training on valuable life management skills;
- Preparation for higher education opportunities by teaching a student how to learn, by enhancing their technology skills, and by equipping that student with vital life management skills and career opportunities.

Teachers will utilize a blended-learning approach to fulfill the School's educational mission and meet state standards through the following approaches:

- Technology-driven learning - A digital curriculum will be utilized that focuses on meeting academic goals to ensure self-paced, individual academic progress
- Teacher-directed instruction - Teachers will support, encourage and facilitate students' ongoing success by teaching core academics, social skills and problem-solving skills to help alleviate external circumstances that hinder learning. Flexible grouping such as small group, whole group, and individualized instruction, will allow optimum support.

The Edmentum digital curriculum will be used to deliver instruction to meet the standards and challenge each student. *The curriculum* is accredited by Cognia and will be used to provide rigorous, standards-based comprehensive courses and tutorials to support student achievement. The comprehensive courses in math and English language arts cover the full breadth and depth of the newest college and career readiness standards. Courses are designed to ensure that the rigorous material required to meet the state standards is accessible to all students. The courses are designed to increase student engagement and success, and support highly diverse populations.

To summarize, SunEd High will offer students a "blended" learning program that utilizes a digital curriculum as well as paper-based programs and materials. Students will participate in both online and teacher-directed instruction to acquire the necessary skills and standards to earn credits. Teachers will utilize research based instructional programs, combined with computer-based supplementary programs, to teach content area courses. The curriculum selected by SunEd High will meet the needs of all students--from high achieving to struggling students. Teachers will assess students on an ongoing basis to determine whether students are mastering standards. School leaders will work with teachers to analyze student performance data to provide differentiated instruction. Students who continue to struggle will be provided with additional small group or individualized instruction using tiered interventions. Research-based materials, appropriate methods and techniques, and

additional time will be provided for students who demonstrate a lack of progress. The curriculum, instructional techniques, methods for providing differentiated instruction, and strategies for assisting students who are performing below grade level are described below.

Core Academic Areas – Curriculum and Instruction

English Language Arts (ELA) - Curriculum and Instructional Strategies

The purpose of the English language arts program is to provide instruction for mastery of the Language Arts Florida Standards (LAFS) and to prepare students for graduation and post-secondary studies or careers. Four credits in English language arts are required for graduation. The HMH Edmentum digital curriculum will be used as the core ELA curriculum at SunEd High. This digital curriculum provides students with courses in English Language Arts that are aligned to the Florida B.E.S.T. Standards for ELA.

Edmentum incorporates highly interactive multimedia, challenging lessons, real-life scenarios, and guiding prompts. Students observe, inquire, create, connect, and confirm to deepen their understanding. To complement the digital curriculum and develop a deeper understanding of course content, SunEd High will provide students with small group or one-on-one instruction within the Computer Learning Lab. Certified teachers will continuously monitor student engagement in the digital lessons and provide instruction and clarifications as needed.

To supplement the ELA curriculum, all students will be required to complete lessons in IXL Language Arts for 20-30 minutes daily. This additional digital program is designed to support all students, regardless of their performance level, to increase their literacy skills. Students complete the IXL Language Arts Diagnostic assessment to determine their current performance level in reading and writing skills. The results identify strengths and areas for growth, providing personalized skill recommendations so students can begin practicing at the appropriate level for their individual needs. As IXL is an adaptive learning program, students at all levels will continue to increase their learning whether they are working below grade level, at grade level, or above grade level.

Upon a student's entry to SunEd High, students will take the NWEA assessment to determine a baseline level. This assessment can be administered throughout the year to determine student progress. The school will also diagnose students' foundational reading skills using the HMH Code Placement Assessment (CPA). Each identified struggling reader will be provided with intensive reading instruction that best fits his or her needs. Students who score at a Level 3 or above on the FAST ELA and are performing at or above grade level will have opportunities to enroll in advanced ELA courses through the Edmentum curriculum. A certified reading teacher will provide additional support to these students to ensure they continue accelerating their learning.

Reading - Curriculum and Instructional Strategies

At SunEd High, the primary focus of the instructional program will be reading. Students who score at Levels 1 or 2 on the FAST ELA will be enrolled in an Intensive Reading course. The goal of the Intensive Reading course is to provide instruction that enables students to develop and strengthen reading comprehension of complex grade level texts and develop independent cognitive endurance while reading. Other goals include a focus on understanding vocabulary in context, analysis of affix

meanings in academic terminology, recognizing various rhetorical structures, identifying main idea, inferences, purpose, and tone within texts. SunEd High will monitor the progress of students throughout the year to appropriately plan for subsequent instruction and ensure student learning over time.
SunEd High will use the HMH Read 180 Program as the core intensive reading curriculum. For students who need more intensive reading support, the School will use HMH Code. Intensive Reading classes will consist of 90 minutes of instruction every other day (per the School's block schedule). In addition to the online intensive reading programs used by the School, reading-certified teachers will provide high quality instruction in the Intensive Reading classes that incorporate strategies grounded in the Science of Reading research. Teachers will utilize a variety of instructional models, methods, and strategies that include the following:

- close reading strategies
- explicit vocabulary instruction
- choral reading
- partner reading
- teacher modeling of instructional practices
- guided student practice and application with feedback
- timed oral reading for fluency building
- flexible decoding strategies - examine letters and patterns in words for student requiring foundational reading instruction
- questioning related to important parts of passages
- story maps, Venn diagrams, webbing, graphic organizers
- scaffolding
- reciprocal teaching
- visualization

Writing will be incorporated during reading instruction using strategies that include the following:

- reader response logs
- two-column notes
- perspective journal entries
- authentic writing
- quick writes
- mapping
- summary maps
- essays
- opinions
- compare and contrast
- journal entries
- summarizing
- learning logs
- writing peer responses

MATHEMATICS - Curriculum and Instructional Strategies

The purpose of the mathematics program is to provide instruction for mastery of the B.E.S.T. Standards in Mathematics and to prepare students for graduation and post-secondary studies or careers. Four credits in mathematics are required for graduation. The Edmentum digital curriculum will provide students in grades 9-12 with courses in mathematics that are aligned to the B.E.S.T. Mathematics Standards. The Edmentum curriculum incorporates highly interactive multimedia, challenging lessons, real-life scenarios, and guiding prompts. Students observe, inquire, create, connect, and confirm to deepen their understanding. To complement the digital curriculum and develop a deeper understanding of course content, SunEd High will provide students with small group or one-on-one instruction within the Computer Learning Lab. Certified teachers will continuously monitor student engagement in the digital lessons and provide instruction and clarifications as needed. Additionally, students will be scheduled to participate in direct instruction math lessons that are provided in classrooms by certified math teachers

SunEd High will provide quality instruction and focus on mastery of state standards. Teachers will reinforce mathematical terminology, real world applications of mathematical concepts, and organization/visualization of mathematical concepts. Math classes will have word walls, anchor charts, interactive whiteboards, and a mathematics software program. Students will be required to keep math journals to reinforce their learning. Struggling students will receive the additional time and support needed to be successful. Teachers will use peer tutoring, cooperative groups, and one-to-one tutoring to help strengthen students' areas of weakness. Mastery of the B.E.S.T. Standards in Mathematics will be monitored through ongoing formal and informal assessments.

To supplement the mathematics curriculum, all students will be required to complete lessons in IXL Mathematics for 20-30 minutes daily. This additional digital program is designed to support all students, regardless of their performance level, to increase their mathematics skills. Students will complete the IXL Real-Time Diagnostic assessment to determine their current performance level. The assessment adapts to each student’s responses, identifying their strengths and areas for growth. Based on the results, IXL provides personalized skill recommendations and continuously updates their learning path as they practice, ensuring instruction is targeted to each student’s individual needs. As IXL is an adaptive learning program, students at all levels will continue to increase their learning whether they are working below grade level, at grade level, or above grade level.

Students who score at Level 1 or 2 on the Algebra 1 FSA EOC will be enrolled in an Intensive Math course as an additional component to the online course. A math-certified teacher will provide instruction to assist students in mastering skills and concepts necessary to pass the Algebra 1 EOC. The IXL Mathematics program will be used to provide teacher-directed instruction to students in the Intensive Mathematics course. Additionally, Gizmos will be used to help students develop a greater understanding of mathematics concepts and skills. The teacher may also use supplementary materials from Edmentum to reinforce math basis skills and algebra. Instruction will be aligned to the B.E.S.T. Standards in Mathematics.

Students who are performing at or above grade level in mathematics will have opportunities to enroll in advanced mathematics courses through the Edmentum

curriculum. A math certified teacher will provide support to these students to ensure they continue accelerating their learning and proficiency in mathematics.

Science - Curriculum and Instructional Strategies

The purpose of the science program is to provide students with a broad knowledge of scientific concepts and establish a solid foundation for students to pursue post-secondary education. The Next Generation Sunshine State Standards will be covered to prepare students for the required End-of-Course Exam. Students are required to complete a minimum of three credits in high school science for graduation. The Edmentum curriculum will provide students with courses aligned to the NGSSS in Science.

In addition to the Edmentum curriculum, teachers will use Gizmos to assist students in mastering the science standards. Gizmos incorporate highly interactive multimedia, challenging lessons, real-life scenarios, and guiding prompts. Students observe, inquire, create, connect, and confirm to deepen their understanding.

Students will receive direct instruction from certified science teachers within the Computer Learning Lab. All students who are taking Biology will be required to participate in direct instruction to become better prepared for the End-of-Course Exam. Students will be engaged in science inquiry, constructing an understanding of science concepts through investigations and analyses using laboratory equipment. Teachers will instruct students on the need for safety and use appropriate safety measures, protocols, precautions, and procedures when conducting experiments. Teachers will ask questions designed to stimulate higher-order thinking by students and will promote discussion about increasingly complex concepts. Questions will also be asked that require students to take positions on issues or problems, support their conclusions, and look at issues from multiple perspectives. Students will evaluate sources, consider multiple points of view, and use scientific evidence to support a hypothesis. Students will be asked to make comparisons, draw analogies, apply knowledge to given data, and apply scientific analysis.

Social Studies - Curriculum and Instructional Strategies

The purpose of the social studies program is to prepare students to be knowledgeable, informed, and active citizens in an increasingly diverse community, nation, and interdependent world. The program is also designed to promote civic competence and ensure that values that have shaped our democratic nation are instilled in students. Students will be required to complete three credits of social studies to fulfill graduation requirements. The social studies curriculum will be aligned to the Next Generation Sunshine State Standards. *The Edmentum* curriculum will provide students in grades 9-12 with courses aligned to the NGSSS.

The Edmentum curriculum, instruction will focus on having students read complex texts, answer text-specific complex questions, conduct extensive research, and engage in different writing opportunities. Direct instruction teachers will develop a timeline for instruction to ensure that all state standards are addressed. Teachers will use instructional strategies that help students gain a deeper understanding of the material and allow them to retain and apply skills and knowledge. Teachers will emphasize important concepts, review case studies and current events, and apply learning to real-life situations. Teachers will engage students in inquiry and problem solving about significant human issues and increase student decision-making and participation in school and in wider social, political, and economic affairs. Lessons

will be designed to teach students to effectively analyze historical evidence, use resources effectively, detect potential bias in resources due to cultural influences, and argue empathetically. A variety of instructional resources will be used to support student achievement that include, but are not limited to, newspapers, articles, videos, and online resources. Assessments will be administered to evaluate students' progress in mastering standards and to guide instruction based on results.

Differentiated Instruction

Utilization of data to support student learning will be a high priority at SunEd High. Data-driven, differentiated instruction is critical to improved student achievement. SunEd High aims to make learning progress with its student population which is comprised primarily of Level 1 and 2 students, many of which may have been out of school for some time. At SunEd High, student performance data will be carefully analyzed to make instructional decisions. SunEd High will develop a system of gathering and disseminating student performance data throughout the year, to improve delivery of instruction and to meet each student's learning needs through differentiated instruction. The School will use a variety of assessments to analyze data, track academic performance, and drive instructional decisions. To ensure students are provided with personalized instruction in reading and math, the School will use student adaptive digital programs that allow students to work at their own level as determined by an initial diagnostic assessment. Content certified teachers will also provide small group instruction to address skills deficits. For students who are performing at or above grade level, the Edmentum curriculum will offer advanced courses.

Formative and summative assessments will generate a range of data about student learning and teaching effectiveness. The principal at SunEd High will ensure that instructional staff are trained in the analysis and interpretation of student performance data, and on using the data to develop differentiated lessons for groups of students. The principal will meet with teachers monthly to review student data and make curricular decisions. The principal will review lesson plans on a weekly basis to ensure that teachers are planning differentiated lessons for students based on needs and will conduct weekly classroom walkthroughs to ensure that instruction is differentiated for students based on their academic needs. Teachers will be required to plan lessons that include student-centered activities and tasks that address different levels of performance--whether they are performing on grade level, above grade level, or below grade level. A variety of strategies, activities, and materials will be used to provide differentiated learning experiences for students during teacher-directed instruction in the content areas.

All students at SunEd High will be engaged in and benefit from the curriculum, including students who qualify for the Exceptional Student Education (ESE) program, English Language Learners (ELLs), and students who enter the school below grade level. It is anticipated that most students who enroll at SunEd High will be performing below grade level in all core areas. The results of the students' most recent standardized assessments in all content areas, as well as students' academic records, will be analyzed. Additionally, baseline scores will be obtained by administering NWEA assessments to all students upon entrance to the School. SunEd High will use a myriad of data to determine the academic needs of students and provide instruction as needed. Parents will be notified of their child's academic levels

at the time they arrive at SunEd High, and throughout the year, to ensure they are providing support and guidance to the student in partnership with the School. Students who arrive at the School working below grade level will be able to proceed at the appropriate level through the proper placement and the use of the Read 180 curriculum, Code (a part of Read 180), and the scaffolding and support provided by the Intensive Reading teacher.

Multi-Tiered System of Supports

SunEd High will implement the Multi-Tiered System of Supports/Response to Intervention (MTSS/RtI) framework, a problem-solving approach that integrates instruction and intervention into the school day for those students in need of academic or behavioral growth and change. The MTSS/RtI process is evidence-based and tiered in intensity, as dictated by real-time data. SunEd High will form a Collaborative Problem Solving (CPS) Team to monitor the implementation of the system. The goal of MTSS/RtI is to provide research-based instruction/intervention to any student who is struggling academically or who needs help developing appropriate behaviors. The intensity of the intervention is defined in tiers. SunEd High recognizes that MTSS/RtI is not a specific curriculum or program. Rather, it is a framework for promoting access to high-quality core instruction and providing increasingly intensive educational (or behavioral) interventions in a timely manner for students who struggle in core instruction, referred to as Tier 1 instruction.

Tier 1 addresses the needs of most students and delivers high quality instruction that is culturally and linguistically responsive to the student population. For students who demonstrate the need for additional support, more intensive, targeted services will be provided (Tier 2 and Tier 3 interventions). The effectiveness of these additional supports will be monitored frequently by the Collaborative Problem Solving (CPS) Team to determine whether (a) the intervention is working and is no longer needed, (b) the intervention is working and should be continued, or (c) the intervention is not working and, therefore, a different (and perhaps more intensive) intervention should be implemented. The School will use data to guide these decisions. SunEd High believes that it is important to consider the unique school culture and contextual factors and their influence on the development of a tiered intervention framework. The CPS Team will determine the scope and focus of the School's tiered intervention initiatives. The School may have a specific focus for MTSS/RtI such as increasing student attendance, increasing literacy skills, and improving grades or test scores.

The development of a strong Tier 1 core program is of paramount importance at SunEd High. The School will emphasize alignment of instruction with state standards using the Edmentum curriculum. All students scoring Level 1 or 2 on the grade 10 FAST ELA will be enrolled in an Intensive Reading course using Read 180 as the core curriculum. Students who are not performing at significantly lower levels in reading, or not making adequate progress, will receive more intense intervention using the Code program (part of Read 180).

Students scoring Level 1 or 2 on the Algebra 1 EOC will be enrolled in an Intensive Mathematics course using IXL Mathematics as the core curriculum. Students who are not making progress will receive more intense intervention using Gizmos math lessons assigned by the teacher. A certified math teacher will provide intensive math instruction in small groups or one-on-one.

Parents/guardians will be expected to participate in the MTSS process to assist their students in making progress. SunEd High's goal is that students will make at least a year's growth by the end of one school year, but the School will strive to accelerate students learning by more than one year as many of the students will arrive at the School with performance levels that are several years below grade level.

B.

- If the curriculum is fully developed, summarize curricular choices (e.g. textbooks) by core subject and the rationale for each. Include as Attachment C, a sample course scope and sequence for each core subject for each division (elementary, middle, and high school) the school would serve.
- If the curriculum is not yet fully developed, describe any curricular choices made to date and proposed curricular choices (e.g. textbooks, etc.) and explain the plan for how the curriculum will be completed between approval of the application and the opening of the school. This should include a timeline, milestones, and individuals responsible for included tasks. Also, describe the focus of the curriculum plan and explain how the curriculum will be implemented. Include what core subject areas will be offered and provide evidence on how the curriculum will be aligned to Florida standards.
- Provide evidence that reading is a primary focus of the school and that there is a research-based curriculum and set of strategies for students who are reading at grade level or higher and, independently, a curriculum and strategy for students reading below grade level. Reading instructional strategies for foundational skills shall include phonics instruction for decoding and encoding as the primary instructional strategy for word reading. Instructional strategies may not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading. Include the school's reading curriculum as Attachment D.

SunEd High's curricular choices and rationale for each selection are described below. Samples of the scope and sequence for each core subject are included as Attachment C.

ENGLISH LANGUAGE ARTS

Core Curriculum: HMH Edmentum

Rationale: The Edmentum digital curriculum offers personalized learning paths for ALL students while addressing rigorous standards and assessment requirements. Embedded scaffolds and supports make rigorous content accessible so all students can succeed – regardless of their level of academic readiness. Students confirm understanding through prescriptive, formative, and summative assessments, as well as through an extensive array of instructional activities. The program offers targeted instruction, practice and review designed to build students' communication and reading comprehension skills. Students engage with the content in an interactive, feedback-rich environment as they progress through Florida Standards-aligned modules. Reading comprehension lessons strengthen students' critical analysis skills as they study how nonfiction and literature can be used to share ideas. Writing lessons combine free response exercises with drafting strategies and exemplars to help students communicate clearly and credibly in narrative, argumentative, and explanatory styles.

Supplementary Curriculum: IXL Language Arts

Rationale: IXL Language Arts uses real-time diagnostics and analytics to identify what a student knows and doesn't know, then recommends skills accordingly. The content aligns with state standards. Teachers get detailed reports which help them differentiate instruction. Students get immediate feedback when they answer a question. Because the system adapts, students can build foundational skills before advancing. Language arts content is provided across all grade levels (from pre-K through high school).

INTENSIVE READING

Core Curriculum: HMH Read 180 and The Code

Rationale: HMH Read 180 uses adaptive software that adjusts to each student's individual needs and reading level, providing targeted support and practice. The program includes explicit and systematic instruction in phonics, phonemic awareness, fluency, and comprehension. Read 180 is grounded in research and has been shown to help struggling readers make significant gains in reading proficiency. The student application provides personalized learning paths, practice activities, and immediate feedback. Teachers monitor student progress through data reports and adjust instruction as needed. As a student demonstrates mastery in *Read 180,* the selections presented will have richer academic vocabulary, higher word counts, and deeper examinations of topics and themes. For students who require support, the program provides personalized scaffolds that help students engage with challenging texts rather than avoid them. A component of the READ 180 program is called **The Code.** This portion of the curriculum teaches students how the *code* of written English works (letters, sounds, phoneme-grapheme mapping, decoding) before they progress to fluent reading and deeper comprehension. The Code

aligns with evidence from the science of reading that systematic phonics instruction is critical for struggling readers.

MATHEMATICS

Core Curriculum: HMH Edmentum

Rationale: The Edmentum digital curriculum offers personalized learning paths for ALL students while addressing rigorous standards and assessment requirements. In mathematics, students can work through modules at their conceptual level (e.g., algebra, geometry) with scaffolding built in, which helps when students have gaps in their knowledge. Interactive tools in digital math allow visualization of abstract concepts which supports deeper understanding. Because students can skip or remediate based on diagnostic results, math teachers can spend more class time on applications, problem‑solving, and group work rather than reteaching basic procedural skills.

Supplementary Curriculum: IXL Math, Gizmos (math)

Rationale: IXL Math provides skills instruction in mathematics that ranges from pre-K through high school (Algebra, Geometry, etc.). The program fills gaps in students' knowledge so that they can continue learning new skills. Students can work on foundational math skills or remediate before advancing. Students get immediate feedback and step-by-step solutions to problems when they answer incorrectly. **Gizmos** (by Explore Learning) supplements the math curriculum by helping students grasp abstract concepts through simulations and real-world problems. The program helps differentiate learning for students. The lessons are engaging and help students move from rote memorization to conceptual, application-based thinking.

SCIENCE

Core Curriculum: HMH Edmentum

Rationale: The Edmentum digital curriculum offers personalized learning paths for ALL students while addressing rigorous standards and assessment requirements. The science curriculum includes simulations, interactive lab‑style activities, virtual experiments which are especially valuable when physical lab resources are limited. Science has large conceptual units (e.g., cell biology, chemical reactions, physics principles, Earth systems); the adaptive design of the platform supports students to review underlying concepts before moving into more advanced ones. Immediate feedback and interactive visuals help students form accurate mental models (important in science where misconceptions are common).

Supplementary Curriculum: Gizmos (science)

Rationale: Gizmos provide students with interactive simulations where they can tweak variable, watch results, make predictions, observe outcomes and deepen their conceptual understanding. Classes with limited lab equipment can use Gizmos as a virtual lab alternative or supplement. The program is beneficial for students who struggle with heavy texts. The interactive and visual nature helps reduce reliance solely on complex science text.

SOCIAL STUDIES

Core Curriculum : HMH Edmentum

Rationale: The Edmentum digital curriculum offers personalized learning paths for ALL students while addressing rigorous standards and assessment requirements. In social studies (history, geography, civics), the curriculum engages students with interactive timelines, maps, and primary source explorations. The multimedia format helps bring content to life. Because social studies often requires reading, comprehension, and analysis, the digital format provides scaffolding (glossary, click to speak, annotation) which supports learners who struggle with reading or language. The self paced model allows students who are interested or advanced to explore deeper topics (e.g., advanced government, comparative politics) while others can strengthen foundational knowledge (e.g., world history eras, geography skills).

- **Provide evidence that reading is a primary focus of the school and that there is a research-based curriculum and set of strategies for students who are reading at grade level or higher and, independently, a curriculum and strategy for students reading below grade level. Reading instructional strategies for foundational skills shall include phonics instruction for decoding and encoding as the primary instructional strategy for word reading. Instructional strategies may not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading. Include the school's reading curriculum as Attachment D.**

The primary focus at SunEd High is reading. The school will follow the Broward County Comprehensive Research Based Reading Plan (CRRP) to ensure that all students are provided with instruction that meets their individual needs. The CRRP outlines in detail a comprehensive and systematic design for instruction to support reading/literacy learners who are below level, on level, and above level including recommended before, during, and post-reading instruction, strategies for differentiating reading instruction, and assessment. In adherence to the CRRP, SunEd High will provide reading instruction to students at the appropriate level. A summary of the reading program is included as Attachment D.

In addition to providing quality instruction using research-based programs and effective strategies, SunEd High will promote reading by developing a school-wide campaign that encourages reading. Bulletin boards will highlight novels that are appropriate for each month of the year. Direct instruction classrooms will have leveled, high interest reading materials on bookshelves for students, and there will be a print-rich environment in all classrooms and throughout the school.

As part of its efforts to increase students' reading skills, SunEd High will require all students to spend a minimum of 30 minutes per day working on HMH Read 180 lessons, a research-based, supplementary online reading program. Students will be required to complete a minimum number of lessons per session. During the Read 180 dedicated time, the school will make the online curriculum inaccessible to ensure that students are completing their minimum required lessons. Mentors will receive a report for each student on a weekly basis that shows how many lessons were completed by students and the results of assessments. This information will be used

during student data chats and used by teachers to target students who need more assistance.

It is anticipated that most of the students who enroll at SunEd High will arrive with state assessment reading scores of Levels 1 or 2. Students who have Level 1 or 2 scores will be enrolled in an Intensive Reading course. The purpose of this course is to provide instruction that enables students to accelerate the development of reading and writing skills and to strengthen those skills so they can successfully read and write grade level text independently. Instruction will focus on reading comprehension, writing fluency, and vocabulary study using a variety of literary and informational texts encompassing a broad range of text structures, genres, and levels of complexity. Students enrolled in the course will engage in interactive text-based discussion, question generation, and research opportunities. They will write in response to reading and cite evidence when answering text dependent questions orally and in writing. The course will provide extensive opportunities for students to collaborate with their peers. Scaffolding is provided as students engage in reading increasingly complex text. The research-based program that will be used for teacher-directed instruction in the Intensive Reading course is Read 180.

The Intensive Reading teacher will use strategies that are grounded in the Science of Reading research which shows that explicit instruction in decoding leads to better readers. The research states that to develop as readers, students need instruction in the foundational skills to decode text and comprehension skills to make meaning of text. The intensive Reading course will include phonics instruction for decoding and encoding as the primary instructional strategy for word reading. The reading teacher will not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading.

Students who struggle to make progress in the Intensive Reading course will be referred to the School's Collaborative Problem-Solving Team. The Team will implement the District's Multi-Tiered System of Supports and Response to Intervention (MTSS/RtI) framework. The multi-tiered approach to providing services and interventions to students at increasing levels of intensity is based on progress monitoring and data analysis. Problem solving at all tier levels is a cyclical process that involves analyzing the data to identify the problem and determine why the problem is occurring, implementing an instructional plan to target specific differentiated student needs, and evaluating the plan to ensure effective response to the intervention.

Tier 1 literacy instruction at the secondary level includes English language arts and literacy in social studies, science, and technical subjects. At SunEd High, Tier 1 instruction in English language arts will consist of a combination of digital and teacher-directed instruction. The digital curriculum will be the *Edmentum* program as well as the *Read 180* supplementary reading program. All students will be required to complete a specified number of lessons per day on *Read 180* during a dedicated time of the day. At SunEd High, all students will be provided with teacher directed differentiated instruction to support student mastery of the ELA B.E.S.T. standards.

Daily reading intervention (Tier 2 and Tier 3) for secondary students includes whole group explicit instruction from the Comprehension Intervention Reading Program (CIRP) and complex informational and non-fiction texts aligned with the complexity of text as identified for each grade level. It also includes small group, differentiated

instruction, independent reading practice monitored by the teacher, and instruction in the state standards. Students assigned to Tier 2 will receive additional small-group instruction, for a specified amount of time each week, using the Read 180 program. Students assigned to Tier 3 will receive additional instruction, in smaller groups, or one-on-one, for a specified amount of time that exceeds the amount provided for Tier 2 students, using the HMH The Code (part of Read 180).
Although it is expected that most students at SunEd High will be required to enroll in the Intensive Reading course, there will be students who have achieved a Level 3 or higher on the state assessment or who have passed an alternate assessment. SunEd High will work with these students to ensure that they continue making progress in reading. Through the Read 180 program, they will continue to make progress at their level each day. Teachers will monitor Read 180 reports to ensure students are making continual progress at grade level or higher.

C. If the school will adopt or develop additional academic standards beyond those mandated by the state, explain the types of standards (e.g., content areas, grade levels). Describe the adoption or development process. Select one grade level and subject area as an example and explain how these additional standards exceed required standards and contribute to meeting the mission of the school.

SunEd High will focus on ensuring that students master the standards that are mandated by the State of Florida to help the school's target population graduate from high school. Additionally, the School will offer Career & Technical Education (CTE) courses in high-demand areas for student who wish to pursue industry certification in selected fields. Industry certification opportunities will be available to students in the following career fields: Emergency Medical Responder; Medical Office Administrative Assistant; Certified Nursing Assistant; Medical Lab Assistant; EKG/ECG Technician; Dental Assistant; Daycare Worker; Early Childhood Associate; Child Care Worker; Bank Teller; Cyber Security Specialist; and Legal Administrative Specialist. Each of these courses includes standards that meet industry requirements.

D. Describe the research base and foundation materials that were used or will be used to develop the curriculum.

SunEd High's curriculum is founded on research and is designed to address the needs of its target population – at risk students who have dropped out of school or are in danger of dropping out. SunEd High will provide a blended model of instruction that uses a digital curriculum to provide instruction in all core areas. Research has shown that online programs have been beneficial for the student population that will be served by SunEd High. *Promising Practices in Online Learning- Using Online Learning for At-Risk Students and Credit Recovery* (Watson and Gemin, 2008), a series of white papers published by the nonprofit organization iNACOL, the International Association for K–12 Online Learning, explores some of the key trends and issues in online learning. The first paper, *Blended Learning: The Convergence of Online and Face-to-Face Education,* covers the increasing use of online courses in brick-and-mortar classrooms in a "blended" or "hybrid" model. In *Using Online Learning for At-Risk Students and Credit Recovery* , the focus is on how online learning is being used to address one of the major issues facing high schools today: serving at-risk students and keeping them on track to graduate. The studies conducted in each of these schools and districts found the following key lessons were demonstrated by using online programs:

- Motivating students who have failed in the traditional classroom setting is a key to success for a credit recovery program. The flexible and self-paced nature of online courses can motivate students.
- Online courses can be more engaging to some students than traditional face-to-face classes.
- Diagnostic testing that allows students to demonstrate mastery of the elements of a subject, and to move on to the parts of the course that they need to focus on, keeps students engaged.
- The self-paced aspect of online courses is particularly valuable to at-risk students, who may associate education with difficulties and stress, compounded by learning deadlines imposed by arbitrary calendars or school hours.
- The blended approach is important because it provides expanded student support and face-to-face contact.
- The online component provides 21st century skills to a group of students who often have less than average exposure to computers and technology.

Research on HMH Edmentum:

SunEd High will be using the *Edmentum* digital curriculum to provide online instruction for students in all content areas as well as electives. *Edmentum* courses range from intensive remediation to advanced placement. Extensive guided practice in building academic skills is included in the *Edmentum* curriculum based on an analysis of requirements in national and state curriculum standards and tests backed up rigorous and ongoing research. The latest research may be found at Research & Impact | Edmentum.

While SunEd High will be using Edmentum, which is one of the most extensively researched based online curricula available, the School will be using additional research-based programs and computer-based supplementary programs. All programs selected by the School are based on research and add a great deal to the core curriculum; they allow the School to meet the students' needs more fully and

richly. These additional sources include, but are not limited to, the following: *Read 180 and Core* (reading) *and IXL* (language arts and math), and Gizmos (Science and math). mathematics, science, and social studies). Numerous research studies have been conducted on these programs and have yielded positive results.

Research on Read 180:

During the 2011-2012 school year, Miami-Dade County Public Schools conducted an independent analysis of interventions used within their district. The analysis examined students in grades 3 through 10 at all levels of ability. The analysis was conducted to determine the effectiveness of programs in improving students' reading and/or math FCAT scores. The results showed that *Read 180* had a significant positive effect on students of all ability levels and at all grade levels. This report was also conducted for the 2010-2011 school year with nearly identical results leading M-DCPS to state that *Read 180* was found to have a consistent beneficial impact on the achievement of the students who used the program. Studies from the What Works Clearinghouse (WWC) show READ 180® was found to have positive effects on comprehension and general literacy achievement and potentially positive effects on reading fluency – see studies at WWC | READ 180®.

The programs and materials that will be utilized by SunEd High will provide opportunities to fulfill the school's mission and offer students a blended approach to instruction. Educational curriculum, resources, and lessons will be delivered through online sources as well as by teachers through a variety of research-based instructional strategies, utilizing the ones that may best meet the specific needs of that individual student. Instructional team members will provide student mentoring to further track each student's academic performance and progress toward meeting graduation requirements. SunEd High's main priority is to teach students to read on grade level and graduate from high school.

E. Describe proposed curriculum areas to be included other than the core academic areas.

Enter description here

In addition to completing all core course requirements for high school graduation, students who have earned Level 1 or Level 2 on the FAST ELA and/or EOC Algebra will be enrolled in an Intensive Reading and/or Intensive Math course.

SunEd High will offer an extensive list of high school elective courses through the *Edmentum* curriculum. Students will receive support in completing these courses from certified teachers in their learning labs. Electives offered by Edmentum include CTE courses, as well as a variety of courses in fine arts, humanities, health, science, world languages, finance, life skills, and more. Edmentum's extensive library of courses is located at Curricula Catalog | Edmentum.

SunEd High will offer students an opportunity to complete career and elective courses through eDynamicLearning, a digital curriculum that provides courses in high demand career fields that lead to industry-recognized certifications. The following options will be available for students:

F. Discuss the system and structures the school will implement for students at risk of not meeting academic requirements or of dropping out.

Enter content here

The student population at SunEd High will consist primarily of students at risk of not meeting academic requirements or of dropping out. The School's mission is to provide a safe and nurturing learning environment where students will be able to reach their maximum potential. Many of the students in the at-risk, target population have personal challenges in their lives that have prohibited them from succeeding in the traditional school setting. SunEd High's flexible schedule and self-paced online program, combined with individualized attention by staff members, provides at risk students with the best possible opportunity for completing their high school studies. The School will focus on students' academic needs as well as on their social and emotional needs. The School will employ personnel that will work closely with students to meet their unique, personal needs. The leadership will recruit staff members that are not only qualified in their subject areas, but that are dedicated and committed to working with the School's at-risk student population. Based on the School's research on working with this target group, the following systems and structures will be put in place:

- **Mentorship Program** - Each student will be assigned a mentor who will meet with the student on a weekly basis. The mentor will provide support and guidance in academic areas, serve as a role model, offer guidance regarding future endeavors, and assist the student with psychological and/or social needs through proper referrals.
- **Student Graduation Plan** - Each student will have a graduation plan that is developed jointly by the guidance counselor and the student on the first day of school. The plan will be monitored by the counselor and the student's mentor.
- **Group or Individual Counseling** - Each student will be provided with counseling services, either in a group or individually, as needed.
- **Student Skills**: The School will implement the Resiliency Florida, a program that empowers students to persevere and overcome challenges and barriers to success. The School aims to equip students with the skills needed to achieve their academic and personal goals.
- **Career Guidance** - Every student will receive support and guidance from the Career Coordinator during scheduled sessions.
- **Multi-Tiered System of Supports/Response to Intervention (MTSS/RtI)** - The School will provide support to all students through the implementation of the MTSS/RtI plan. The Collaborative Problem-Solving Team will meet regularly to address the needs of students who are not making progress through the core instructional program.
- **Community Partnerships** - The School will establish partnerships with colleges, community organizations, and businesses to provide support and guidance to students both academically and emotionally.
- **Parental Engagement** - The School will initiate programs designed to encourage parental participation in their children's academic plan. Classes will be offered to parents in a variety of areas (e.g., completing taxes).

Evaluation Criteria: Curriculum and Instructional Design

Reviewers will look for a curriculum and instructional program design, whether fully developed or not, that:

- Provides a clear and coherent framework for teaching and learning;
- Is research-based;
- Is well-aligned with the school's mission and educational philosophy;
- Provides an emphasis on reading;
- Will enable students to attain Florida standards and receive a year's worth of learning for each year enrolled; and
- Will be appropriate for students below, at, and above grade level.

5. Student Performance, Assessment and Evaluation

Reviewer Instructions

The Student Performance, Assessment and Evaluation section should define what students attending the school should know and be able to do and reflect how the academic progress of individual students, cohorts over time, and the school as a whole will be measured.

Statutory Reference(s):

s. 1002.33(6)(a)3.; s.1002.33(7)(a)3.; s.1002.33(7)(a)4.; s.1002.33(7)(a)5.

Evaluation Criteria:

A response that meets the standard will present:

- An understanding of academic accountability provisions and goals mandated by the state.
- An indication that the applicant will hold high expectations for student academic performance.
- Measurable goals for student academic growth and improvement.
- Promotion standards that are based on high expectations and provide clear criteria for promotion from one level to the next, and for graduation (if applicable).

- Evidence that a range of valid and reliable assessments will be used to measure student performance.
- A proposed assessment plan that is sufficient to determine whether students are making adequate progress.
- Evidence of a comprehensive and effective plan to use student achievement data to inform decisions about and adjustments to the educational program.
- Plans for sharing student performance information that will keep students and parents well informed of academic progress.
- Acknowledgement of and general plan to meet FERPA requirements.

Form Result

Performance Goals

A. Describe the expected incoming baseline of student academic achievement of students who will enroll in the school. Based upon the expected incoming baseline performance, describe the school's goals for academic growth and improvement that students are expected to show each year and the rationale for those goals. Describe how the school's academic goals and objectives for improving student learning will be revised if the actual incoming baseline is substantially different than the expected baseline. Describe how success will be evaluated, and the desired overall results to be attained through instruction.

Enter description here

It is anticipated that students enrolling at SunEd High will primarily enter at Level 1 or Level 2 academic achievement levels. In most cases, these students will not have passed the state assessments required for graduation. The target population to be served by SunEd High includes students who are credit deficient, overage, economically disadvantaged, and at risk of dropping out—including those who may have previously withdrawn from school and are returning after an extended absence. Typically, these students exhibit low GPAs, limited literacy skills, and inconsistent attendance records. As a result, the school must provide a flexible, individualized instructional program designed to engage students, rebuild confidence, and motivate them to achieve academic success and graduate from high school.

SunEd High will establish realistic, measurable academic goals tailored to the specific needs of its student population. Upon enrollment, each student will complete diagnostic assessments to establish baseline performance levels in core subject areas. Based on these results, the school will set annual academic growth targets aimed at demonstrating measurable improvement in literacy, numeracy, and content mastery. If actual baseline data indicates that incoming students are performing at higher or lower levels than initially anticipated, the School will revise its academic goals and performance targets accordingly to ensure that they remain rigorous yet attainable.

ACADEMIC GOALS

The purpose of establishing annual goals for student achievement at SunEd High is to measure the School's success toward its intended mission and purpose –credit recovery, graduation, and career preparation. Because SunEd High serves at-risk and nontraditional students, including those who are credit deficient, overage, or previously disengaged from school, setting annual academic and performance goals provides a roadmap for helping students re-engage, rebuild foundational skills, and successfully transition to post-secondary education, training, or the workforce. Regularly measuring progress toward annual goals allows teachers and administrators to use data to identify learning gaps, adjust instruction, and provide targeted interventions. This continuous feedback loop promotes personalized learning and ensures that instructional practices are effective.

Establishing annual goals reinforces a culture of accountability and achievement among students, teachers, and administrators. It ensures that all stakeholders are focused on measurable outcomes that reflect both individual student progress and overall school performance. SunEd High's overall progress is measured through Florida's School Improvement Rating (SIR) criteria, which is based on learning gains in reading and mathematics and the number of eligible students who take the assessments. Setting and monitoring annual learning gains goals directly supports the criteria needed to achieve a "Commendable" rating on the SIR scale.

Reading/ELA Achievement

1. Students performing below grade level in reading will demonstrate a minimum of one full grade-level equivalent of growth in reading per academic year, as measured by the NWEA MAP Growth Reading Assessment.
2. The percentage of students schoolwide achieving Learning Gains on the ELA state standardized assessment will increase by 3% annually.

Mathematics Achievement

1. Students will demonstrate at least one full grade-level equivalent of growth in mathematics per year, as measured by the IXL Math Diagnostic.
2. The percentage of students achieving Learning Gains on the Math state standardized assessment will increase by 3% annually.

Credit Recovery

Each student will earn a minimum of 6 credits per academic year, or enough to ensure they are on track to graduate within two years of enrollment (or sooner for students closer to completion).

Graduation

The overall graduation rate for students, regardless of cohort, will improve by at least 5 percentage points each year.

B. Describe any mission-specific educational goals and targets for the school not captured by state accountability requirements. State goals clearly in terms of the measures or assessments the school plans to use.

Enter description here

In addition to the above-stated educational goals which are captured by state accountability requirements, SunEd High has established the following mission-related goals:

Attendance

The average daily attendance (ADA) for students who attend SunEd High for both FTE periods consecutively will be at least 60% during Year 1 of the charter term. There will be an increase of 5% in the ADA for students who meet these criteria during each subsequent year during the term of the charter.

Career Preparation

1. The percentage of students who successfully complete one CTE course will increase by 3% each year.
2. The percentage of students who successfully complete all courses within a specific career academy will increase by 3% each year.
3. The percentage of students who earn industry certification will increase by 3% each year.

Placement and Progression

C. Describe the school's student grade level and course placement procedures.

Enter content here

SunEd High will follow the student grade level placement procedures for grades 9-12 described in the Broward County Student Progression Plan.
Promotion standards for SunEd High are as follows:

1. No student may be assigned to a grade level based solely on age or other factors that constitute social promotion.
2. The number of credits required to progress from one grade to another in high school follows:
    1. To be in grade 9, a student must be promoted from grade 8.
    2. To be in grade ten, a student must have earned a minimum of five credits. To be promoted during the year to grade 10, the student must have earned a minimum of 7.5 credits.
    3. To be in grade 11, a student must have earned a minimum of 11 credits. To be promoted during the year to grade 11, a student must have earned a minimum of 13.5 credits.
    4. To be in grade 12, a student must have earned a minimum of 17 credits. To be promoted during the year to grade 12, a student who is working toward the 24-credit diploma option must have earned a minimum of 20.5 credits.

SunEd High will follow the course placement procedures described below:

- Upon enrollment, the guidance counselor, or designated administrator, will complete an Individual Graduation Plan for the student based on the most current student transcript.
- The graduation plan will identify all successfully completed courses, as well as courses for which the student qualifies for credit recovery.
- Decisions on course placement are based on the graduation requirements for the school year in which the student entered grade 9.
- Courses are assigned as follows:
- Courses which qualify for credit recovery in core subjects are assigned.
- Courses are assigned in accordance with the lowest grade level where requirements have not been met.

D. State whether the applicant intends to use the local school district's pupil progression plan. If not, explain the policies and standards for promoting students from one grade level to the next or provide the pupil progression plan as Attachment E

E. If the school will serve high school students, describe the methods used to determine if a student has satisfied the requirements specified in section 1003.428, F.S., and any proposed additional requirements.

Enter description here

At SunEd High, the principal and guidance counselor will ensure that each student has satisfied the requirements specified in section 1003.4282, F.S., for earning a standard high school diploma. Every student will have an Individualized Student Graduation Plan which is created upon enrollment and updated as credits are earned, and all requirements are met. The principal and the guidance counselor will track all credits earned and courses completed by each student using the district's student information system, Focus. The district provides access to reports that track student progression toward graduation. Students at SunEd High may earn the 24-credit standard diploma or the 18-credit ACCEL option.

24-Credit Standard High School Diploma

The requirements for earning a standard, 24-credit high school diploma, as stipulated in s. 1003.4282, F.S., are summarized in the chart below.

Standard High School Diploma – Course and Assessment Requirements

English – Earn 4 credits
• Courses must be ELA I, II, III, and IV. • Student must pass the statewide, standardized **Grade 10 ELA assessment** or earn a concordant score
Mathematics – Earn 4 credits
• One credit must be in Algebra I and one credit must be in Geometry. • Student's performance on the statewide, standardized Algebra I end-of-course (EOC) assessment constitutes 30 percent of the student's final course grade. • Student must pass the **Algebra I EOC assessment**, or earn a comparative score • Student's performance on the statewide, standardized **Geometry EOC assessment** constitutes 30 percent of a student's final course grade. • Student who earns an industry certification for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute the certification for one mathematics credit. Substitution may occur for up to two mathematics credits, except for Algebra I and Geometry. • Student who earns a computer science credit may substitute the credit for one credit of the math requirement, except for Algebra I and Geometry (computer science credit must be equivalent in rigor to the mathematics credit. An identified computer science credit may not be used to substitute for both a mathematics and a science credit. • Student who earns an industry certification in 3D rapid prototype printing may satisfy up to two credits of the mathematics requirement, except for Algebra I (certification must be equivalent in rigor to the mathematics credit or credits).

Science – Earn 3 credits
• Two of the three required credits must have a laboratory component. • One credit must be Biology I and two credits in equally rigorous science courses. • The **Biology I EOC Assessment** constitutes 30 percent of a student's final course grade. • Student who earns an industry certification for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute the certification for one science credit, except for Biology I. • A student who earns a computer science credit may substitute the credit for up to one credit of the science requirement, except for Biology I (computer science credit must be equivalent in rigor to the science credit). An identified computer science credit may not be used to substitute for both a math and a science credit.
Social Studies – Earn 3 credits
• One credit must be in United Stated History, and one credit must be World History. • One-half credit must be in economics, and one-half credit must be in United States Government (must include a comparative discussion of political ideologies, such as communism and totalitarianism, that conflict with the principles of freedom and democracy essential to the founding principles of the United States). • The **United States History EOC assessment** constitutes 30 percent of the student's final course grade. One-half credit in U.S. Government. • Student taking the United States Government course is required to take the **Florida Civic Literacy Exam (FCLE)**. Student earning a passing score on the assessment is exempt from the postsecondary civic literacy assessment.
Fine and Performing Arts, Speech/Debate, or Practical Arts – Earn 1 credit
• Eligible courses are specified in the Florida Course Code Directory found at 2025-2026 Course Directory
Physical Education – Earn 1 credit
• Must include the integration of health.

Electives
• Student entering grade 9 before the 2023-2024 school year must earn **eight credits** in electives. A student entering grade 9 in the 2023-2024 school year or thereafter must earn **seven and one-half credits** in electives.
Personal Financial Literacy – ½ Credit
• Beginning with students entering grade 9 in the 2023-2024 school year, each student must earn one-half credit in personal financial literacy and money management.
TOTAL = 24 credits
Additional Graduation Requirements
• **Online Course** – Students who attend SunEd will meet this requirement automatically through the online curriculum. • **Grade Point Average** (Cumulative unweighted GPA of 2.0 on a 4.0 scale) • **Service Hours** - 40 required in accordance with district guidelines.

Academically Challenging Curriculum to Enhance Learning (ACCEL) Diploma

As stipulated in s. 1002.3105, F.S., students may earn a standard high school diploma through the ACCEL option by completing a minimum of 18 credits rather than the usual 24 credits. A student selecting this option must meet all the standard diploma requirements *except* for the following: students will complete three elective credits instead of the eight (for students entering grade 9 in 2023–2024 and thereafter, the elective requirement may be 2.5 credits plus 0.5 credit in financial literacy instead of 3 electives); students will not be required to complete the physical education, service hours, or the online course. All graduation paths include opportunities to take rigorous academic courses designed to prepare students for their future academic and career choices. All students, regardless of the graduation program, must still earn a minimum of a 2.0 grade point average on a 4.0 scale and achieve passing scores state-mandated assessments, as adopted, to graduate with a standard diploma.

Additional Instruction for Florida High School Students

In addition to the state-required instruction for graduation, students will also receive character education, per s. 1003.42(2)(s), and the following prescribed courses of study through mandated standards and benchmarks:

- The Constitution (Constitution Day and Constitution Week)
- The Holocaust
- African and African American History

- Asian American and Pacific Islander History
- Hispanic Contributions
- Women's Contributions
- Veterans' Recognition
- Celebrate Freedom Week
- Disability History and Awareness Week
- The Declaration of Independence
- Flag Education
- Elements of Civil Government
- History of the United States
- Elementary Principals of Agriculture
- Effects of alcohol and narcotics on the body and mind
- Kindness to animals
- History of the State
- Conservation of natural resources
- Comprehensive health education
- The sacrifices that veterans and Medal of Honor recipients have made in serving our country and protecting democratic values worldwide. Such instruction must occur on or before Medal of Honor Day, Veterans' Day, and Memorial Day.
- History of communism (Victims of Communism Day)
- Importance of free enterprise in the U.S. economy

F. Discuss how and when promotion and graduation criteria will be communicated to parents and students.

Enter content here

SunEd High will communicate promotion and graduation criteria to parents upon student's enrollment through the Parent/Student handbook and through the School's website. The School will send home a copy of the student's current Graduation Plan four times a year so that parents are maintained abreast of their child's progress toward graduation. Parents can log in to their child's Edmentum account to access student progress information. Additionally, parents will be invited to open houses, which will be held at the school each month, where they will be informed of promotion and graduation criteria.

Assessment and Evaluation

G. In addition to all mandatory assessments, identify the primary interim assessments the school will use to assess student learning needs and progress throughout the year (including baseline assessments) including a **proposed** assessment schedule as Attachment F. Provide the rationale for selecting these assessments, including an explanation of how these assessments align with the school's curriculum, performance goals, and state standards.

Enter content here

SunEd High will use multiple progress-monitoring assessments to identify student learning needs, guide instruction, and ensure alignment with Florida's B.E.S.T. Standards and school performance goals. Collectively, these tools will allow SunEd High to monitor academic progress, prepare students for state assessments, and support overall school goals for college and career readiness. The chart below shows the assessments SunEd High will use to assess student learning needs in addition to all mandatory assessments. A proposed assessment schedule is included as Attachment F.

Assessment	Purpose	Frequency	Alignment	Use for Instruction & School Goals
NWEA MAP Growth	• Measures students' academic achievement and growth in reading and language usage. • Identifies strengths and learning gaps • Used to group students for targeted instruction or intervention.	Three times per year (Sent to the district through Anvil)	Florida B.E.S.T. Standards	• Identifies learning gaps, differentiates instruction, tracks growth • Provides adaptive, data-driven insights into students' proficiency and growth helping teachers differentiate instruction and address learning gaps
IXL Language Arts Diagnostic	Identifies skill gaps, tracks mastery, supports curriculum and assessments	After the initial diagnostic, IXL uses continuous diagnostic updates and detailed reports to monitor	B.E.S.T. ELA Standards	• Delivers data-informed, individualized language arts instruction, monitors academic progress, prepares students for state assessments, and supports overall school goals for college and career readiness.

		student progress		• Real-time diagnostics track mastery and highlight areas for targeted intervention.
IXL Math Diagnostic	Target math instruction, monitor progress, support school performance goals	Initial diagnostic; continuous diagnostic updates and detailed reports to monitor student progress	B.E.S.T. Math Standards	• Delivers data-informed, individualized math instruction, monitors academic progress, prepares students for state assessments, and supports overall school goals for college and career readiness. • Real-time diagnostics track mastery and highlight areas for targeted intervention.
Read 180 and Core progress monitoring	Supports struggling readers by assessing and improving reading comprehension, vocabulary, and fluency through personalized instruction aligned with ELA standards,	Progress monitoring built in to track growth; student growth reports available for teachers	B.E.S.T. H. Describe how student assessment and performance data will be used to evaluate and inform instruction. Who will be responsible for managing the data, interpreting it for classroom

teachers, and leading or coordinating professional development to improve student achievement?

Enter content here

Teachers at SunEd High will use data reports generated by online curriculum platforms—such as IXL Math, IXL Language Arts, Read 180, and other digital learning tools—to monitor student performance in real time, identify learning gaps, and tailor instruction to individual needs. These platforms provide detailed insights into student progress, mastery of specific standards, time spent on tasks, and areas of difficulty, allowing teachers to adjust lessons, provide targeted interventions, and differentiate instruction.

Data reports will also be used to group students strategically for small-group instruction, remediation, or enrichment, ensuring that all students receive support aligned with their current skill levels. Teachers will analyze trends over time to track growth, inform pacing, and set academic goals, as well as to communicate progress to students, parents, and school leadership. This data-driven approach ensures that instruction is aligned with curriculum standards, responsive to student needs, and focused on improving outcomes for all learners.

Teachers will also use other methods to measure student progress, including quizzes, exit tickets, written summaries, projects, and group presentations, to gain a more complete understanding of student learning and engagement. Data reports and these additional measures will be used to group students strategically for small-group instruction, remediation, or enrichment, track growth over time, inform pacing, and set academic goals. This data-driven approach ensures that instruction is aligned with curriculum standards, responsive to student needs, and focused on improving outcomes for all learners.

The principal and leadership team will continuously monitor student performance data to ensure students are making progress across all areas of the curriculum. Monthly data review meetings will be held with teachers, organized by department, to analyze assessment results and make informed decisions regarding instruction. Prior to these meetings, teachers will receive detailed reports of the students they instruct. Data will be analyzed at multiple levels, including school-wide, by group and sub-group, by class, and at the individual student level—to identify trends and inform instructional strategies.

Based on this analysis, the team will develop and implement action plans, including the creation of ability-based groups to provide targeted support. These reviews will also allow the leadership team to evaluate the effectiveness of the curriculum and instructional practices. The principal will conduct weekly lesson plan reviews to ensure instruction is aligned to student needs, and staff will discuss data regularly during collaborative planning sessions and staff meetings to continuously refine teaching strategies.

l. Explain the training and support that school leadership and teachers will receive in analyzing, interpreting, and using performance data to improve student learning.

Enter content here	At SunEd High, the principal will ensure that teachers receive ongoing training in the analysis, interpretation, and use of student performance data to drive instruction and improve student learning. This training will take place during department and faculty meetings, with additional opportunities provided through online professional development and sessions led by educational curriculum program representatives, as appropriate. Staff will be thoroughly trained to read and interpret data reports generated by the school, district, or state. Furthermore, curriculum and assessment providers will deliver appropriate on-site or virtual training to ensure teachers are fully equipped to use all instructional and assessment tools effectively.

J. Describe the corrective actions the school would take if it falls short of student academic achievement expectations or goals at the school-wide, classroom, sub-group, or individual student level. Explain what would trigger such corrective actions and who would be responsible for implementing it.

Enter content here

SunEd High leadership and teachers will continuously monitor student data to ensure that all students are making learning gains. The Governing Board will receive student performance reports at each board meeting, including disaggregated data by school, sub-group, and classes. Corrective actions will be triggered when performance falls below expected levels, as determined by state and district standards, comparable student populations, or historical school performance.
Corrective actions will be implemented as follows:

- If the School is performing below expected levels, as determined by an analysis of comparable student populations as well as a review of previous school results, the leadership team will meet with teachers at a faculty meeting, and by department, to discuss areas that need improvement, discuss potential reasons for low performance, identify strategies for improvement, and set goals. Additionally, the principal will facilitate PLCs to allow teachers to share best practices.
- If a particular class is performing below expected levels, as determined by progress monitoring assessments, as well as a comparison to other classes during the current and previous years, the principal will conduct several informal classroom observations and provide the teacher with feedback on instructional practices. The principal will review lesson plans with the teacher to ensure that effective strategies and methods are being used. The principal will continue monitoring student performance in the class and teacher performance through consistent classroom walk-throughs. If needed, the principal will assign a mentor to the teacher and provide appropriate professional development.
- If an analysis of the student performance data reveals that any of the School's subgroups are underperforming, and there is a learning gap among subgroups, the school leadership will meet with appropriate faculty to review this information (i.e., ESE/ESOL Teachers). Teachers will be required to address the needs of these students through appropriate strategies. The principal will monitor implementation of strategies by reviewing lesson plans and visiting classrooms each week.
- If student achievement is below expectations and the student progress monitoring data reports indicate that a student is not making adequate progress, the school leadership will work with the Collaborative Problem Solving (CPS) Team to develop a plan for the student. The plan will include goals, strategies/activities, evidence of completion of strategies/activities with due dates, methods of assessing growth, persons responsible for implementing strategies and activities, and status of implementation at interval points throughout the implementation of the plan. Parents of students who are not making adequate progress will be contacted and involved in the process.

K. Describe how student assessment and performance information will be shared with students and with parents.

Enter content here

At SunEd High, students and parents will have an active role in the students' education by learning to monitor and evaluate their work. Each student will have an assigned mentor who will conduct student data chats with each student each month to review academic progress, test results, and to develop learning goals. Score reports for applicable state or district-mandated tests and parent reports received from the FDOE will be sent to parents and students and used in planning student's academic program and services for the school year. Teachers will use assessment rubrics as teaching tools in the classroom by helping students to interpret their performance and comprehend their results. Assessments will serve as a feedback system to guide teachers in lesson planning and individualizing instruction and to provide students with knowledge of their current levels of performance and mastery of standards. Additionally, it will keep parents informed about student progress in meeting learning objectives.

Teachers will assess students' performance in the classroom, and students not making adequate progress towards mastering state standards will be identified, and appropriate measures for improvement will be taken. Ongoing communication between SunEd High and the parents will be maintained through on-line reporting systems and quarterly report cards (with comments from each teacher), parent conferences, and other forms of written and oral communication that the parents may be comfortable utilizing. The School will provide parents with information regarding students' progress in all areas and, specifically, whether their child is working on grade level and making at least a year's worth of learning annually. The School will ensure communication with students/parents via the following:

- Report cards: The School will issue report cards at the end of each marking period.
- Edmentum Reports will be sent on a weekly basis via parents' emails to allow parents to track student progress.
- Parental Notification: Students, ages 18 and under, who are in danger of not meeting graduation requirements shall have their parent or guardian notified that improved academic performance is necessary to ensure that high school graduation requirements are met.
- Annual assessment reports that show whether a student met a year's worth of learning include state standardized assessments and other measures used such as Read 180 (Lexile Levels), and NWEA assessments which provide parents with the student's reading level, will be sent to parents.

L. Describe the plan for protecting the privacy of individual student academic performance data and other student-related information.

Enter content here

SunEd High is committed to protecting the privacy and security of all individual student records. The School will comply with all applicable federal and state laws regarding student data privacy, including the Family Educational Rights and Privacy Act (FERPA), as well as the responsibilities outlined in the Broward County Public Schools Code Book for Student Conduct, Section VIII – Privacy of Student Records. The principal will ensure that all employees receive training on the legal requirements for protecting student information and understand their role in maintaining confidentiality.

To safeguard student records, the principal and registrar will implement the following measures:

- Physical security: Store student files in fireproof cabinets with access restricted to authorized personnel; lock offices and workspaces where records are used or stored.
- Electronic security: Limit access to electronic student records to those who require it for essential job functions; utilize password-protected workstations and databases; control access to passwords and systems.
- Authorization and accountability: Require employees with access to sign agreements acknowledging their responsibility to protect student information; conduct an annual review to reauthorize access.
- Confidentiality protocols: Require all staff, including student workers, to sign confidentiality agreements; require photo identification before releasing information to students or others; shred sensitive documents as needed.
- Campus-wide practices: Ensure that departments adhere to the registrar's security procedures, including not releasing student information to unauthorized third parties and securely storing or locking records.

By implementing these comprehensive physical, electronic, and procedural safeguards, SunEd High ensures the confidentiality, integrity, and security of student data while complying with FERPA, state law, and district policy.

Evaluation Criteria: Student Performance

Reviewers will look for:

- An understanding of academic accountability provisions and goals mandated by the state.
- An indication that the applicant will hold high expectations for student academic performance.
- Measurable goals for student academic growth and improvement.
- Promotion standards that are based on high expectations and provide clear criteria for promotion from one level to the next, and for graduation (if applicable).
- Evidence that a range of valid and reliable assessments will be used to measure student performance.

- A proposed assessment plan that is sufficient to determine whether students are making adequate progress.
- Evidence of a comprehensive and effective plan to use student achievement data to inform decisions about and adjustments to the educational program.
- Plans for sharing student performance information that will keep students and parents well informed of academic progress.
- Acknowledgement of and general plan to meet FERPA requirements.

6. Exceptional Students

Reviewer Instructions

The Exceptional Students section should demonstrate an understanding of the requirements of the school to serve all students and provide a concrete plan for meeting the broad spectrum of educational needs and providing all students with a quality education.

Statutory Reference(s):

s. 1002.33(16)(a)3.

Evaluation Criteria:

A response that meets the standard will present:

- A clear description of the programs, strategies and supports the school will provide to students with disabilities that will ensure appropriate access for students with disabilities and that the school will not discriminate based on disability.
- A clear description of how the school will ensure students with disabilities will have an equal opportunity of being selected for enrollment.
- A comprehensive and compelling plan for appropriate identification of students with special needs to ensure they are served in the least restrictive environment possible, have appropriate access to the general education curriculum and schoolwide educational, extra-curricular, and culture-building activities in the same manner as non-disabled students, receive required and appropriate support services as outlined in their Individual Education Plans and 504 plans, and participate in standardized testing.

- An understanding and commitment to collaborating with the sponsor to ensure that placement decisions for students with disabilities will be made based on each student's unique needs through the IEP process.
- An appropriate plan for evaluating the school's effectiveness in serving exceptional students, including gifted.
- A realistic enrollment projection (SWD) and a staffing plan that aligns with the projections.

Form Result

A. Provide the school's projected population of students with disabilities and describe how the projection was made.

Enter content here

SunEd High has based its projections on the average enrollment of Students with Disabilities in Broward County, as reported in the FDOE EduData portal, which estimates an average of **16.6%.** Students with Disabilities for the 2024-2025 school year. Additionally, the percentage of ESE students at the two current SunEd High Schools was reviewed. As reported in EduData, the Students with Disabilities population in 2024-2025 was approximately **19.8%** for SunEd High of North Broward (Margate) and **20.5%** for SunEd High of South Broward (Ft. Lauderdale). Based on this data, the School projects that approximately **20%** of its student population will be classified as Students with Disabilities. This represents approximately 60 students in Year 1, 70 students in Year 2, 90 students in Year 3, 100 students in Year 4, and 110 students in Year 5.

B. Describe how the school will ensure that students with disabilities will have an equal opportunity of being selected for enrollment in the charter school.

Enter description here

SunEd High will not discriminate based on race, religion, or national or ethnic origin, or exceptionality in the admission of students. Any eligible student who applies shall be considered, unless the number of applications exceeds the maximum number of students stated in the School's contract and the capacity of the building. The School will be open to any student residing in Broward County as well as other counties in State of Florida. The School will have an open admissions procedure, utilizing a "first come, first served" policy as required by statute, unless the number of applicants exceeds capacity. In such case, all applicants (which includes students with disabilities) shall have an equal chance of being admitted through a random selection process conducted by the School in conformity with Florida's charter school legislation. All students in the lottery will be assigned a waiting list number and will be contacted should student seats become available or capacity increases.

C. Describe how the school will work with the sponsor and through the Individual Education Plan (IEP) process when necessary to ensure students with disabilities receive a free appropriate education (FAPE) in the least restrictive environment (LRE).

Enter description here

In compliance with IDEA, students at SunEd High will receive a free and appropriate education (FAPE) in the least restrictive environment. The School understands that all procedures must be followed regarding identification and determination of eligibility and that the policies and procedures laid out for the provision of specially designed instruction and related services for exceptional students must be consistent with these requirements. The School will adhere to all federal, state, and local guidelines and rules. The School will work with parent/guardian(s) and District personnel to determine the most appropriate placement, services and supports to educate students in the least restrictive environment (LRE) following the guiding principles in IDEA with regard to placement decisions.

SunEd High will work with the Sponsor to ensure that students receive a free appropriate public education (FAPE) in the least restrictive environment that will enable the student to progress in the general curriculum to the maximum extent possible. The School will also collaborate with the Sponsor to ensure that appropriate personnel are trained in the development and implementation of an appropriate Individualized Education Plan (IEP). The IEP will ensure that the student has access to FAPE in accordance with the student's strengths, parent concerns, assessment results, and areas of need related to academics and/or behavior. When appropriate, functional behavioral assessments and behavioral intervention plans will be developed to explain and redirect the academic and social behaviors of students and to prevent the escalation of problem behaviors.

The **Individualized Education Program (IEP)** is a legally binding document that includes the following components:

- The student's present level of academic and functional performance
- Identified strengths, weaknesses, abilities, and educational needs
- Area(s) of eligibility, based on the specific categories defined under IDEA
- Annual measurable goals and objectives
- Program placement
- Accommodations and participation level in assessments
- Transition plan

Additional elements may include specialized instruction and related services, specific goals, progress reporting to parents, diploma options, curriculum (standard and/or modified), and assessment details. The IEP will also identify supplementary aids, services, and any necessary accommodations or modifications. All components will be clearly defined in the written plan.

The IEP is collaboratively developed and reviewed annually to guide educational planning and ensure meaningful student progress.

SunEd High will ensure that each student's IEP is implemented as written. Parents, teachers, and adult students will receive copies of the IEP, and all service providers will be informed of their specific responsibilities in carrying it out. This includes ensuring that all required accommodations, modifications, and supports are provided in accordance with the IEP. Students' teachers will have access to the complete IEP on Focus and will maintain a printout of the students' Instructional and Testing Accommodations in their Lesson Plan Binder. Student progress toward annual goals will be regularly measured and communicated to parents. Progress reports will accompany each report card for all students with disabilities, indicating whether

sufficient progress is being made toward the annual goals. If parents disagree with the IEP or the student's placement, they may discuss their concerns with the IEP team to seek resolution. Options include additional testing, an independent educational evaluation, mediation (if available), or a due process hearing. Parents also have the right to file a complaint with the state education agency if disagreements persist. When a student requires a related service to benefit from special education, the appropriate related service professional will participate in the development of the IEP. Such professionals may be invited by the school or by the parent to serve as members of the IEP team due to their specialized knowledge or expertise regarding the student. In accordance with the Individuals with Disabilities Education Act (IDEA), each IEP is reviewed annually to ensure that the student is making measurable progress toward established goals. A comprehensive reevaluation will occur at least once every three years. To maintain accountability and promote meaningful outcomes, SunEd High will clearly describe expectations for student performance in measurable terms and conduct frequent assessments of progress.

SunEd High is committed to ensuring appropriate programming and delivery of related services to all exceptional students, consistent with the obligation to provide a Free Appropriate Public Education (FAPE). The school will adhere to the sponsor's policies and collaborate as necessary to ensure students receive the services to which they are entitled. If it is determined that the school's program cannot fully meet a student's needs as outlined in the IEP, SunEd High will work with the Sponsor to identify and facilitate placement in a setting capable of delivering the required services. All programs and services for students with disabilities will be implemented in compliance with federal, state, and local regulations, including:

- The Individuals with Disabilities Education Act (IDEA)
- Section 504 of the Rehabilitation Act of 1973
- Sections 1000.05 and 1003.57, Florida Statutes
- Chapter 96-186, Laws of Florida
- Chapter 6A-6, Florida Administrative Code

Accordingly, SunEd High will adopt and fully implement the sponsor's policies regarding Exceptional Student Education (ESE) to ensure that every student receives an education consistent with the principles of FAPE.

D. Describe the methods the school will use to identify students with disabilities that have not yet been identified

Enter description here

Within the MTSS framework, SunEd High teachers will identify problems at the classroom level by utilizing performance data. When identifying a problem, teachers will look at the whole picture. This information will assist the teacher in determining if there is a universal problem (large group problem) that needs to be addressed using Tier 1 interventions and/or a small group/individual problem that will require Tier 2 and Tier 3 interventions. In defining a problem, the teacher will then request assistance from the Collaborative Problem Solving (CPS) Team.

The CPS Team will meet to review Tier 1 data to determine the effectiveness of core instruction and interventions. The CPS Team will utilize the problem-solving process to identify possible barriers to learning. Once those barriers are identified, the team will develop interventions to reduce or eliminate the barriers. If a student is not meeting established benchmarks with Tier 1 core instruction/interventions, then the CPS Team will develop Tier 2 interventions for the identified student based on student data. Tier 2 interventions will include targeted small group instruction and supplementary remediation programs, which are designed to meet individual student needs. The CPS Team will review the progress monitoring data after three to five data points are collected to evaluate the student's response to Tier 2 interventions. In some cases, a student may require immediate intensive, individualized Tier 3 interventions, which may include one-to-one tutoring and alternate classroom assignments. In these cases, the CPS Team will utilize the problem-solving process to develop and implement appropriate intensive, individualized intervention(s). The CPS Team will ensure that the interventions are implemented with fidelity and that progress monitoring is conducted as often as appropriate for the intervention. The CPS Team will then meet to review Tier 3 progress monitoring data to determine if the student's response was positive, questionable or poor. If necessary, the CPS Team may refer a student for an appropriate evaluation.

Once a student has participated in the multi-tiered process of increasingly individualized and intensive interventions, the CPS Team may determine that a referral for a psycho-educational and/or a language evaluation is warranted. Parental consent will be obtained prior to any type of evaluation. Once parental consent is obtained, the School will work with the sponsor to ensure that initial evaluations of students suspected of having a disability are completed within sixty (60) school days (cumulative) of which the student is in attendance. Referrals for evaluations of students suspected of being gifted will be treated like other initial evaluations, and every effort will be made to complete gifted evaluation within sixty (60) school days as well.

Evaluations will be conducted by qualified examiners, physicians, school psychologists, psychologists, speech language pathologists, teachers, audiologists, and social workers as evidenced by a valid license or certificate to practice in Florida. Tests of intellectual functioning will be administered and interpreted by a professional person qualified in accordance with Rule 6A-4.0311, F.A.C., or licensed under Chapter 490, F.S. As part of an initial evaluation, the CPS Team and other qualified professionals, as appropriate, will take the following actions:

1. Review existing evaluation data for the student to include evaluations and information provided by the student's parents, current classroom-based

and/or state assessments, classroom-based observations, and observations by teachers and related services providers.

2. Identify, on the basis of that review and input from the student's parents, what additional data, if any, are needed.

The purpose of assessment in the referral process is to determine whether the student has a disability, whether special education is required, and what types of services are needed. Evaluations will be conducted by multidisciplinary teams made up of professionals who have expertise in each area of concern. Each member will help to evaluate the student's unique strengths and needs. For example, if language impairment is suspected, a Speech Language Pathologist is a member of the team. If there may be a hearing problem, an Audiologist participates, and so on. Information can come from a broad range of sources, including the student's parents and family members. The professional who coordinates the identification process, the assessment team leader, is the School Psychologist.

At this step, many different types of data will be used to inform the CPS Team about the student's abilities. Medical history, information about social interactions at school and at home, adaptive behavior in the community, educational performance, and other relevant factors are considered. Evaluations will include an array of assessment instruments and procedures. Information will be collected, perhaps from family members, about individuals' major life activities: performance at home, at school, in interpersonal relationships, and during leisure time. Formal tests—tests of intelligence, academic achievement, and acuity (e.g., vision and hearing)—will be part of the information used to make decisions about students and their potential special education status. Tests about a student's learning style will be included to help identify accommodations that may be effective to support the individual's successful access to the general education curriculum. Less formal assessments (school observations of social behavior, examples of academic assignments, direct measurements of academic performance, and portfolio samples of classroom performance) are also important pieces of evidence for this step in the process. One result of the evaluation process can be determination that the individual does not have a disability. For those individuals who do have disabilities, this phase of the process results in a baseline of performance that guides the development of the IEP and later will help evaluate the program's effectiveness.

A student with a physical or mental impairment that substantially limits life activities may be entitled to Section 504 accommodations. Any student who is having difficulties in the classroom, or for whom a disability is suspected, is immediately referred to the Collaborative Problem Solving (CPS) Team so that proper procedures may take place to determine appropriate interventions and services. Possible sources for determining eligibility include teacher observation, information from parents or medical providers, test scores, grades, or other sources of information as necessary. Parents must be notified of and invited to attend all meetings regarding eligibility, as their input is crucial to the decision-making process. The parents, student, a school administrator, and school personnel who work directly with the student should attend the meetings.

E. Describe the programs, strategies, and supports the school will provide, including supplemental supports and services and modifications and accommodations to ensure the

academic success of students with disabilities whose education needs can be met in a regular classroom environment with at least 80% of instruction occurring in a class with non-disabled peers.

Enter description here

SunEd High will serve students with disabilities whose needs can be met in a regular classroom environment (at least 80% of instruction occurring in a class with non-disabled peers) with the provision of reasonable supplementary supports and services and/or modifications and accommodations. The School understands that it must provide educational services in the least restrictive environment as per FAPE guidelines. The School must educate students with disabilities with their nondisabled peers to the maximum extent appropriate. Special classes or instruction of the student outside the general education environment will only occur if the nature and severity of his or her disability is such that an appropriate education in regular classes cannot be achieved satisfactorily as stated in the student's IEP. The least restrictive environment will always be considered during the development of the student's IEP.

At SunEd High, the primary delivery of service will be through the consultation and/or collaboration model. This does not negate the school offering a continuum of services to students with disabilities. Within the general education classroom, services to students with disabilities will include classroom adaptations, accommodations and modifications. Specifically, this encompasses changing the manner in which material is presented to students (both oral and written) as indicated in their IEP, using assistive technology (both high tech and low tech) as indicated in their IEP, allowing students alternative methods to demonstrate knowledge, arranging the environment to enhance student learning and utilizing research based academic interventions as it relates to specific challenges students may deal with in accessing grade level curriculum. These are all areas that will be addressed within the student's IEP. They are also part of a universal design to help ensure the success of a broader range of students.

In addition to adaptations, accommodations, and modifications, the student may also receive support from special education staff within the classroom environment. This may take the form of assistance in accessing and organizing the material presented in the classroom including oral reading, note taking, concept mapping and smaller group instruction, as well as pre-teaching and re-teaching instruction. It is critical that students receive access to instruction that reflects the state standards and testing requirements. Additional support in the classroom will ensure greater success for students with disabilities. It is anticipated that there will be students who require a regular classroom and resource room combination. The School will ensure that students receive appropriate services to meet the needs of students requiring instruction in a resource room for up to 20% of the time, as delineated in the student's IEP. The School understands the need for specialized, intensive, research-based instruction for some students, provided by appropriately certified personnel, as delineated in their IEPs. The School will utilize research-based programs and strategies that address the skill level and needs of students with disabilities in the areas indicated on the student's IEP. Related services will also be provided to students including physical therapy, occupational therapy, speech services, behavior management services and others as indicated by the IEP. These services will be contracted through independent contractors.

F. Describe how the school will work with the sponsor and through the IEP process to determine whether a student with a disability whose education needs require a regular

classroom and resource room combination (between 40-80% of instruction occurring with non-disabled peers) can be provided FAPE by the school.

Enter description here	The School will work with the sponsor to determine appropriate placement for an ESE student whose IEP states the student requires a regular classroom and resource combination (40-80% of instruction to occur with non-disabled peers). It is the School's mission to place students in an environment where they can reach their highest potential. The School will collaborate with the sponsor to ensure that all placement decisions are based on the IEP and to determine if students can be provided FAPE by the School. When a student's IEP specifies that the student requires more intensive services than the School can provide (as described above), the School will work with the Sponsor to discuss the student's needs and find an appropriate solution. These solutions will be recommended on a case-by-case basis.

G. Describe how the school will work with the sponsor and through the IEP process to determine whether a student with a disability whose education needs require a separate classroom (less than 40% of instruction occurring with non-disabled peers) can be provided FAPE by the school.

Enter description here	The School will work with the sponsor to determine appropriate placement for an ESE student whose IEP states the student requires a separate classroom (less than 40% of instruction to occur with non-disabled peers). It is the School's mission to place students in an environment where they can reach their highest potential. The School will collaborate with the sponsor to ensure that all placement decisions are based on the IEP and to determine if students can be provided a FAPE by the School. When a student's IEP specifies that the student requires more intensive services than the School can provide (as previously stated), the School will work with the Sponsor to discuss the student's needs and find an appropriate solution. These solutions will be recommended on a case-by-case basis.

H. Describe the plans for monitoring and evaluating the progress and success of students with disabilities to ensure the attainment of each student's goals as set forth in the IEP or 504 plan, including plans for promoting graduation for students with disabilities (high schools only).

Enter description here

SunEd High will monitor and evaluate the progress of all students with disabilities as set forth in the student's IEP or 504 plan, including plans for promoting graduation for students with disabilities. The School will measure its effectiveness in meeting the needs of each student within its ESE population through alignment of learning gains and annual goals specified in the student's IEP with actual, measurable results. Additionally, at the conclusion of every marking period (and/or during mid-term progress report sessions), the School will evaluate the student's progress towards goals identified in the student's IEP as well as overall success with current courses. The ESE coordinator will meet with the student, general education and special education teachers, parents and school psychologist/speech language therapist/OT/PT (when applicable) to review results and informally discuss the student's progress towards goals indicated in IEP and the student's graduation plan. The ESE teacher/coordinator will monitor the progress of ESE students on an ongoing basis through the following measures:

a. Conducting informal meetings with individual students to discuss achievements and where they have not reached individual goals and collectively developing a plan to help the student achieve goals.
b. Conducting informal meetings with the students' teachers to discuss what the teachers perceive as possible barriers to goal attainment, and identifying additional steps can be taken to help the student reach goals.
c. Providing the student with additional academic support to assist the student in achieving goals.
d. Requesting support from the school counselor who will ascertain if there are other matters within or outside the school that need to be addressed to help the student succeed.

High School Graduation Requirements for Students with Disabilities – Rule 6A-1.09963

In addition to the available options for students to earn a standard diploma (24-credit or ACCEL option), Rule 6A-1.09963, Florida Administrative Code (F.A.C.), High School Graduation Requirements for Students with Disabilities, outlines two additional options that students with disabilities may complete. These include:

- specific requirements for students with disabilities for whom the individual educational plan (IEP) has determined that participation in the Florida Alternate Assessment is the most appropriate measure of the student's skills and instruction in the access points is the most appropriate means of providing the student access to the general curriculum
- specific requirements for a standard diploma for students with disabilities for whom the IEP team has determined that mastery of both academic and employment competencies is the most appropriate way for the student to demonstrate his or her skills.

Any change to the high school graduation option specified in the student's IEP must be approved by the parent and is subject to verification for appropriateness by an independent reviewer selected by the parent as provided in s. 1003.572, F.S.

Students whose performance on standardized assessments are waived by the IEP team, as approved by the parent, require the development of a graduation portfolio of quantifiable evidence of achievement. The School will closely monitor the progress of ESE students to ensure that they are making appropriate progress, along with their non-disabled peers, that includes meeting the necessary requirements for graduation.

I. Identify the staffing plan, based on the above projection, for the school's special education program, including the number and qualifications of staff.

Enter content here

The School will employ highly-qualified ESE teachers with appropriate certifications to serve students with disabilities. Projections are based on the percentage of students currently attending the district schools that qualify for ESE services, as well as the percentage of current students at the two SunEd High Schools in Broward County who qualify for ESE services. Currently, the School is projecting that one full-time ESE Teacher/Coordinator will be hired initially. The School will adjust the number of staff based on actual student enrollment once the School is open. The ESE teacher/coordinator will ensure the implementation of all IEPs, EPs, and Section 504 Plans. The needs of the population of students with disabilities will dictate the role of the ESE teacher/coordinator. The ESE teacher/coordinator will provide services within the General Education setting through consultation, collaboration, and/or support facilitation, as well as maintain all ESE records in compliance. The ESE teacher/coordinator may co-teach a class in Reading/LA and/or math and meet the needs of those students as well consult with the General Education teachers on a weekly or monthly basis to ensure SWD students on consultation are making progress and accessing the curriculum. The ESE teacher/coordinator may also provide instruction to ESE students in a separate class, if the IEP determines there is a need for this service. If the need arises, the School will hire an additional ESE teacher to meet the needs of the population of students with disabilities.
ESE teacher(s) will be hired to service students with disabilities, in accordance with the level of support needed to implement the related services and specialized instruction detailed on the IEP. The School will employ teacher(s) who meet all licensure and/or certification requirements that apply to the area in which the individuals are providing services to the special education students. Speech-language, occupational, and physical therapy services will be contracted services that the School will provide for students who qualify for those services. All personnel who provide related services to students (e.g. speech therapist, psychologist, social worker or mental professional, etc.) will meet all required licensure and/or certification requirements pertaining to their area of related service.

J. Describe how the school's overall effectiveness in serving exceptional education students will be evaluated.

Enter description here

The School's effectiveness in serving exceptional student education (ESE) students will be evaluated through multiple measures. First, the School will collect and analyze data on student achievement and overall performance. Student achievement data will be gathered from various sources, including state assessments, progress monitoring tools, and classroom-based assessments. These results, along with other performance indicators, will be used to inform goal setting for the following school year. Standardized test results for ESE students, as a group, will be compiled and reviewed to determine the effectiveness of the programs and services provided.

The School will also assess its effectiveness by examining the extent to which students are meeting the goals outlined in their Individual Education Plans (IEPs). The ESE Coordinator will review each student's IEP goals twice per quarter. Teachers will complete progress reports addressing the level of achievement for each student relative to their individual goals and overall course performance. Collaborative discussions among teachers and staff will be used to identify effective strategies and areas in need of improvement.

Additionally, the sponsor's annual ESE compliance review process will contribute to evaluating the School's success in serving its ESE population. The ESE Coordinator will maintain accurate, up-to-date records for all ESE students and will conduct regular file reviews to ensure compliance and appropriate delivery of service. Effectiveness will also be assessed through staff meetings, parent conferences, and ongoing communication with teachers and ESE personnel. The ESE Coordinator will provide quarterly progress reports to the principal summarizing student outcomes, identifying any concerns raised by parents, students, staff, or teachers, and recommending adjustments to improve program quality.

K. Describe how the school will serve gifted and talented students.

Enter description here

SunEd High will comply with all federal and state laws, and county compliance regulations, related to the gifted program. The School will provide appropriate services, through a gifted endorsed teacher, for all eligible students. The gifted and talented program will focus on ensuring that gifted students are provided with problem solving, critical thinking, and creative thinking activities. At SunEd High, gifted students will receive consultation services from a teacher who is endorsed to teach gifted or on an approved waiver to complete the gifted endorsement. The teacher will meet regularly with the gifted student, through the consultation model, to discuss his or her progress in meeting the goals set in the EP, and to set future goals, as needed. In addition, SunEd High will offer advanced courses through the Edmentum curriculum for all students who are recommended for advanced course work.

Teachers or parents may recommend a student for gifted testing at any time. The referral process for gifted students, as per Broward County Public School's guidelines, states that the screening process begins when the student's teacher, parent or other qualified personnel observe outstanding academic, creative or other superior abilities when compared with other students of the same age group. Students may also be identified by their test scores on standardized tests. The reporting of these observations initiates the process of collecting necessary data to determine eligibility. Students tested and found to qualify will be provided with appropriate services, with parental approval.

The School will utilize the district's system to develop a gifted student's Educational Plan (EP) in accordance with state and district guidelines. The EP will include detailed information that is useful to school personnel and to the parents. The EP will provide a clear picture of the student, how the student is gifted, and the student's special needs related to the giftedness. Educational Plans are valid for three years. Students identified as "gifted" are always gifted. SunEd High will review each gifted student's EP no less than every two years. A review will be conducted at the request of the parents and/or faculty.

The needs of gifted and talented students go beyond what is traditionally offered in a regular classroom. The nature of their abilities requires differentiated learning experiences and opportunities for them to maximize their potential. Teachers need to develop the depth and quality of their students' experiences while adjusting the pace to meet the individual needs as outlined in their Educational Plan.

Evaluation Criteria: Exceptional Students

Reviewers will look for:

- A clear description of the programs, strategies and supports the school will provide to students with disabilities that will ensure appropriate access for students with disabilities and that the school will not discriminate based on disability.
- A clear description of how the school will ensure students with disabilities will have an equal opportunity of being selected for enrollment.
- A comprehensive and compelling plan for appropriate identification of students with special needs to ensure they are served in the least restrictive environment possible, have appropriate access to the general education curriculum and schoolwide

educational, extra-curricular, and culture-building activities in the same manner as non-disabled students, receive required and appropriate support services as outlined in their Individual Education Plans and 504 plans, and participate in standardized testing.
- An understanding and commitment to collaborating with the sponsor to ensure that placement decisions for students with disabilities will be made based on each student's unique needs through the IEP process.
- An appropriate plan for evaluating the school's effectiveness in serving exceptional students, including gifted.
- A realistic enrollment projection (SWD) and a staffing plan that aligns with the projections.

7. English Language Learners

Reviewer Instructions

The English Language Learners section should demonstrate an understanding of the requirements of the school to serve English Language Learner students and provide a concrete plan for meeting the

broad spectrum of educational needs and providing all students with a quality education.

Statutory Reference(s):

s. 1002.33(10)(f)

Evaluation Criteria:

A response that meets the standard will present:

- Demonstrated understanding of legal obligations regarding the education of English Language Learners.
- A comprehensive and compelling plan for educating English Language Learner students that reflect the full range of programs and services required to provide all students with a high-quality education.
- A clear plan for monitoring and evaluating the progress of ELL students, including exiting students from ELL services.
- Demonstrated capacity to meet the school's obligations under state and federal law regarding the education of English Language Learners.
- A realistic enrollment projection (ELL) and a staffing plan that aligns with the projections.

Form Result

A. Describe how the school will meet the needs of English Language Learners as required by state and federal law, including the procedures that will be utilized for identifying such students, ensuring that they have equitable access to the school's programming and communicating with their families.

SunEd High is dedicated to ensuring the success of every student. As such, it is paramount that English Language Learners (ELLs) not only excel in all areas of the curriculum but feel accepted and valued within the school community. SunEd High will comply with the requirements for identification, eligibility, and programmatic assessments of English Language Learners per F.S. 6A-6.0902. SunEd High will follow the district's plan for English Language Learners, as delineated in the Broward County Public Schools ESOL Program Handbook, and will abide by the requirements of the LULAC et.al. vs. State Board of Education Consent Decree (1990) in servicing ELLs. The decree ensures the identification and provision of services to students whose native language is other than English, who come from a home environment where a language other than English is spoken, and/or is an American Indian or Alaskan native coming from an environment where a language other than English has had a significant impact on his/her level of English language proficiency.
SunEd High will comply with all the requirements set forth in the laws, rules, regulations, and federal court orders listed below:

- The requirements set forth in Section 1003.56, Florida Statutes;
- The requirements set forth in Rules 6A-6.0902; 6A-09022; 6A-6.09091; 6A-0903; 6A-0907; 6A-1.0503, Florida Administrative Code (F.A.C.), and other applicable State Board of Education Rules;
- The requirements of the Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act of 2015;
- The requirements of the Consent Decree in the League of United American Citizens et al. v. the State Board of Education, 1990;
- The requirements of the Florida Educational Equity Act, 1984;
- The requirements based on the Fifth Circuit v. Court decision in Castañeda v. Pickard, 1981;
- The requirements based on the Supreme Court decision in Plyer v. DOE, 1982;
- The requirements based on the Supreme Court decision in Lau v. Nichols, 1974;
- The requirements of the Equal Educational Opportunities Act of 1974;
- The requirements of Section 504 Rehabilitation Act of 1973;
- The requirements of the Office for Civil Rights Memorandum of May 25, 1970;
- The requirements of the Title VI and VII Civil Rights Act of 1964; and
- The requirements of the Office for Civil Rights Standards for the Title VI Compliance.

The Consent Decree settlement terms focus on the following six criteria which are described below:

1. Identification and Assessment
2. Equal Access to Appropriate Programming
3. Equal access to appropriate categorical and other programming for English Language Learners (ELLs)
4. Personnel
5. Monitoring
6. Outcome Measures

Identification, Eligibility and Programmatic Assessments of English Language Learners

In accordance with Rule 6A-6.0902, F.A.C., upon registration at SunEd High, all students will complete a required Home Language Survey (HLS) as a part of the registration packet. The HLS is comprised of three questions regarding a student's language spoken at birth and within the home: (a) Is a language other than English used in the home? (b) Did the student have a first language other than English? (c) Does the student most frequently speak a language other than English? An affirmative response to any of the Home Language Survey questions will require the student to be assessed in listening and speaking by the ESOL Coordinator using the IDEA Language Proficiency Test II Form E (Grades 6-12). There will be at least one district-trained oral language assessor at each school site. Students will be placed in the ESOL program pending testing, as specified in Rule 6A-6.0902. A student for whom the only affirmative response to the survey is question (a) does not need to be placed in the ESOL program pending assessment.

Assessment of each student's aural and oral proficiency or listening and speaking should be completed as soon as possible after the student's initial enrollment but not later than twenty (20) school days from the date of the student's enrollment. All students who are not proficient in the Listening and Speaking L/S assessment qualify for ESOL services and are coded as LY. For students who score at proficient level in L/S a reading and writing assessment may be administered to determine placement in the ESOL program. The school's ESOL contact/designee keeps a record of all students whose parents answer "yes" to one or more of the three HLS questions to ensure aural/oral testing is completed within 20 days of registration.

Per Rule 6A-6.0902, the assessment in reading and writing shall be completed as soon as possible after initial enrollment, but not later than thirty (30) days after enrollment. The reading and writing assessment to be used is the Kaufman Test of Educational Achievement II Brief Form. Any student who scores at or below 32nd percentile on reading comprehension and language usage subtests of the approved test or scores below the English proficient level on an approved assessment in reading and writing shall be classified as ELL and be provided ESOL services. If either the reading or writing (language) standardized achievement test score is at or below the 32nd percentile, the student is referred to the ELL Committee for placement recommendation in either the ESOL or Basic Program.

The ELL Committee may determine whether a student qualifies as an English Language Learner (ELL) based on the results of placement assessments **and** consideration of at least two of the following criteria:

a. The extent and nature of the student's prior educational or academic experience, social experience, and information obtained through a student interview
b. Written recommendations and observations from current and/or previous instructional and support staff
c. The student's level of mastery of basic competencies or skills in English and the heritage language, as measured by local, state, or national criterion-referenced standards
d. Grades from the current or previous school years

e. Results from assessments other than the district-approved oral/aural and reading/writing tests.

The school must notify parents if the student qualifies for the ESOL Program and that he/she will be receiving ESOL services. The parent(s) must be invited to attend ELL Committee meetings. ELL Committee decisions are documented in the ELL Plan under ELL Committee recommendations. The ELL Committee members must be present at the meeting and sign for documentation purposes.

Equal Access to Appropriate Programming

The primary goal of the ESOL program is to develop each child's English language proficiency and cognitive academic language proficiency as quickly as possible. Such programs also provide positive reinforcement of the self-image and self-esteem of participating students, promote cross-cultural understanding, and provide equal educational opportunities. The responsibility of SunEd High is to ensure that English Language Learners, including immigrant children and youth, develop English proficiency and meet the same academic content and academic achievement standards that non-ELL students are expected to meet. To achieve these expectations, only high-quality programs that have been proven to be successful for ELL students will be implemented. English Language Learners will be provided adequate instructional materials that address a comprehensive Language Arts/Reading/English for Speakers of Other Languages (ESOL) curriculum.

All students classified as ELL will have an individual English Language Learner (ELL) Plan, which will be maintained in accordance with state and district mandates. Broward County Public Schools uses an online platform (ELLevation) to develop the ELL Student Plan. Information will be gathered by the ESOL Contact and teachers to develop the plan which will include the following: demographics; initial placement information; instructional program of 130; amount of instructional time/schedule; language classification; instructional program recommendations/continuation of program service letter; programmatic assessment and academic placement review; annual reviews; categorical programs; reevaluations (extension of services); ell committee meetings; program exit information; post exit information; post reclassification information; home school communication; test protocols/results; accommodations.

Students classified as ELLs shall receive the appropriate ESOL strategies and support systems in their assigned core subject area courses. For Reading, these students classified as L1, L2, LA1, or LA2, will be appropriately placed in Developmental Language Arts for Reading through the District adopted Reading Program. As well, once the school reaches the capacity of 25 or more students at the low levels above, these students will be scheduled in sheltered instruction for all required courses. Program goals, objectives, and content of the curriculum for ELLs must be the same in scope, sequence, and quality as the instruction provided to non-ELLs. ELLs must meet the standards established by the Florida Department of Education. ELL students will be expected to meet the same standards as non-ELL students. ELL students will be assessed through state-mandated assessments and other assessments administered as part of the educational program at the school. ELL students will be offered state-approved accommodations on all state assessments. Teachers will use a variety of outcome measures to allow ELL students to demonstrate their knowledge.

Equal access to appropriate programming will include both access to intensive English language instruction and instruction in the basic subject areas of ELA, mathematics, science, social studies, as well as electives and CTE courses. The instructional program for ELLs must be:

- equal and comparable in amount, scope, sequence, and quality to that provided to English proficient students.
- Documented in the Student ELL Plan with appropriate recommendations for the student's program of study.
- comprehensible to the ELL student given his/her level of English language proficiency.

English Language Learners shall be entitled to equal access to programs, school offerings and activities, and support services, other than ESOL, regardless of the funding sources.

Communicating with Families

From the time of students' registration at the School, every effort will be made to inform parents about the School and its programs in the parent's native language when feasible. Forms and documents will be sent home in English, Spanish, Haitian-Creole.

In accordance with Rule 6A-6.0902, SunEd High shall provide notice to parents of an ELL identified for participation or participating in a language instruction educational program within thirty (30) days after the beginning of the school year or, for students who were not identified prior to the beginning of the school year, but were identified during the school year, within the first two weeks of the student being placed in a language instruction educational program. The notice shall provide parents with specific information about their child and the language instruction program as specified in Rule 6A-6.0902(2)(e)1-8.

B. Describe specific instructional programs, practices, and strategies the school will employ to ensure academic success and equitable access to the core academic program for these students, including those below, at, or above grade level.

Enter description here

SunEd High will employ instructional programs, practices, and strategies to ensure academic success of English Language Learners, as well as to ensure that these students have equitable access to core academic programs regardless of their level of performance. The goal is to provide comprehensive instruction for them to gain proficiency in English and mastery of Florida's grade level standards in all core areas. The development of literacy in English will positively impact students' achievement and promote lifelong learning.

SunEd High will establish a school-based ELL Committee that will be composed of the ESOL teacher(s), an administrator or designee, the student's parent(s), and other educators, as needed. The role of the ELL Committee will be to:

- Determine if a student is eligible for the ESOL program.
- Determine if a student is ready to exit the ESOL program.
- Develop and review ELL Plans.
- Review progress of former ESOL students and identify students who are not making sufficient progress.

ESOL instructional strategies are crucial to the development of academic and oral language skills of the ELL students. Teachers will use these strategies to make instruction comprehensible for ELLs. The acquisition of academic and oral skills requires that the teacher of ELLs use a variety of symbolic and concrete referents to illustrate meaning. Moreover, the students performing at the beginning level of English proficiency require learning activities which are higher in context and lower in cognitive demand. A lot of contextual support in the form of realia, visuals, hands-on activities, lab experiments and many others are needed, not only to instruct the students, but also to assess and monitor their progress. As the students acquire more academic language, the learning activities should require "higher" cognitive skills and less contextual support until the ELL is able to master activities which are abstract in nature without contextual support. Mastering this kind of "academic language" is much more difficult than mastering "conversational language" and it takes much longer.

Edmentum offers online courses with extensive scaffolding for students who are not proficient in English. Controlled vocabulary and syntax, chunked text, and short page lengths with limited scrolling facilitate reading comprehension. Course content is "chunked" into small amounts of text per page" (i.e., limited scrolling, shorter pages) and provides text-to-speech, audio supports, guided notes, etc.

Through the basic mainstream instruction model, ELLs receive instruction with ESOL strategies in classrooms with non-ELLs. This model requires careful planning and ongoing support from a highly qualified teacher, to ensure that the needs of the ELLs and non-ELLs are met simultaneously and equitably. ESOL strategies are used to ensure comprehensible instruction for ELLs. All teachers of ELLs will document the ESOL strategies used for each lesson in their plan book. Instructional strategies to support the English language acquisition of identified students in their classrooms include, but are not limited to, the following:

- Asking all students to speak in complete sentences.
- Speaking slowly and enunciating clearly.

- Using nonverbal language such as facial expressions, gestures, and dramatization.
- Simplifying the language of instruction, not the concept being taught.
- Using realia, props, visual clues, movement, and manipulatives to support oral language.
- Providing outlines/graphic organizers that communicate the big ideas and concepts from the lesson.
- Labeling items in the classroom in multiple languages
- Providing translation dictionaries in the students' native language with pronunciation keys, simple explanations, contextual clues, and visuals.
- Providing frequent opportunities for students to use English to communicate their thinking and to ask questions through partner discussions, learning buddies, and table discussions rather than relying solely on whole-group discussions.

SunEd High will also refer to the **ESOL Instructional Strategies Matrix** located in the Broward County ESOL Program Handbook to identify more specific strategies to use during instruction.

Teachers will also use the **WIDA Can Do Descriptors** as an instructional resource that can be applied to all the English language standards. They highlight and identify what a student Can Do at each proficiency level in each of the four language domains. Teachers can craft and build their instruction scaffolding from one language proficiency level to the next.

SunEd High will modify instructional delivery, not content, to meet the needs of ELLs. Teachers of all core subjects will be trained in differentiated instruction to meet the individual learning needs of **ELLs who perform at, above, or below grade-level.**

Students will be scheduled in academic courses based on their previous schooling as documented by their school records/transcripts and programmatic assessments. In addition, teachers will evaluate students' content area knowledge on an ongoing basis and recommend appropriate class placement which may include advanced courses. Guidance department staff will provide ELLs with information on courses needed based on their career plans.

SunEd High will ensure that program goals, objectives, and content of the curriculum for ELLs is the same in scope, sequence, and quality as the instruction provided to non-ELLs. All ELLs must meet the standards established by the Florida Department of Education. This is accomplished by following the curricula frameworks and by the utilization of the following resources: grade-level materials; district-recommended supplemental ESOL materials; ESOL instructional strategies; developmental language arts ESOL; WIDA framework and resources; and CPALMS.

For ELLs who enter the school **below grade-level**, a review will be conducted by the ELL committee with parental participation to address the students' needs and develop an appropriate plan which may include interventions, intensive reading remediation, and/or tutoring or additional instruction in the core subject areas. ESOL endorsed teachers will utilize appropriate strategies with ELL students during core content areas to facilitate learning for these students, particularly those who are working below grade level. Small-group or one-on-one direct instruction will be used to address students' needs. Each ELL student will be paired with another student who is performing at grade level and is proficient in English. ELL students will have access

to bilingual dictionaries and will be provided with appropriate testing accommodations. Collaborative learning, project based learning, and other methods and best practices will assist ELL students who are working below grade level.
In implementing RtI approaches with ELLs, it is important to determine students' knowledge and skills in their first language and then understand their performance in their second language (English). RtI has the potential to affect positive change for ELLs by requiring the use of research-based practices based on individual children's specific needs. Teachers will consider a student's cultural background and experiences as well as their linguistic proficiency (in both English and the native language) when delivering instruction.

C. Provide plans for monitoring and evaluating the progress and success of ELL students, including exiting students from ELL services.

.

Enter content here

In accordance with Rule 6A.-6.0902, each student determined to be an ELL shall be further assessed in academic areas so as to aid the student's teacher in developing an appropriate instructional program.

SunEd High will re-evaluate students annually to determine program options for continuation or exit. The school will use the Assessing Comprehension and Communication in English State-to-State for English Language Learners 2.0 (ACCESS for ELLs 2.0) exam to measure the progress towards proficiency in English in the areas of Listening, Speaking, Reading and Writing. ACCESS for ELLs 2.0 will provide information for placement decisions and provide diagnostic information about individual students' strengths and weaknesses in English. SunEd High will also monitor the progress of all ELLs through classroom assessments, standardized test scores, in order to determine mastery of the state standards.

Students may be exited from the ESOL program only if they meet the criteria specified for exit as outlined in Section 6 of the Broward County Public Schools ELL Plan. Specifically, the ELL Plan states the following:

"For students in grade 9 taking any administration of the ACCESS for ELLs, the English language proficiency level shall be a 4.0 composite score or greater and at least 4.0 in the domain of reading and an achievement level of at least 3 on the Florida statewide assessment in English Language Arts (ELA) or Florida Alternate Assessment. For students in grades 10-12 taking any administration of the ACCESS for ELLs, the English language proficiency level shall be a 4.0 composite score or greater and at least 4.0 in the domain of reading, and a score on the Florida statewide assessment in English Language Arts (ELA)/Reading or Florida Alternate Assessment of 3 or higher or passing concordant score on the SAT or ACT. For students with significant cognitive disabilities taking any administration of the Alternate ACCESS assessment, the proficiency criteria is a composite score of at least P4 in grades 9-12."

Student who meet exit criteria will be exited from the program and then monitored for two years (LF). The School's ESOL contact, with input from classroom teacher(s) and any other applicable staff, is responsible for monitoring an exited student's academic performance and documenting on the ELL Plan in ELLevation at four specific times after exiting: first report card; end of first semester; end of first year; and end of second year.

Parents are notified of exit through a letter in English and the child's parent language, unless clearly not feasible. Upon receipt of the statewide English Language Proficiency Assessment and Florida statewide assessment in English Language Arts (ELA) scores, the district will exit students no later than the last day of the school year. If the scores are received after the end of the school year, the district shall exit students within (2) weeks after the beginning of the next school year and shall use the last day of the school year in which the Florida statewide assessment in English Language Arts (ELA) examination was administered by the state."

An ELL Committee can also be convened at any time there is a concern about a student's placement. This decision is documented in the ELL Plan. An ELL Committee may recommend the student be exited from the program with consideration of data other than statewide assessments. An ELL committee can also meet to exit a student from the ESOL program if there is sufficient evidence to indicate English Language Proficiency is not the issue interfering with the student achieving proficiency either

on the Statewide English Language Proficiency exam or the Statewide Academic Assessment.

The student may have another documented disability that is being met through an IEP or other student plan. Regardless of the reason for exit, an ELL committee would review the student's academic and English language proficiency record and document at least two of the five criteria listed below to exit a student: (a) extent and nature of prior educational or academic experience, social experience, and a student interview, (b) written recommendation and observation by current and previous instructional and supportive services staff, (c) level of mastery of basic competencies or skills in English and heritage language according to local, state, or national criterion-referenced standards, (d) Grades from the current or previous years, or (e) test results other than the entry assessments. The School will follow the procedures stipulated in Section 11 of the district's ELL Plan to determine whether extension of ESOL services is needed for ELLs.

D. Describe the staffing plan for the school's English Language Learner program, including the number of and proposed qualifications of staff.

Enter description here

SunEd High will ensure that ESOL certified/endorsed teachers are hired to serve the School's English Language Learner population. According to the FDOE EduData portal, **15%** of students in Broward County Public Schools were classified as ELL in 2024-2025. EduData reported that in 2024-2025, **15.6%** of students at SunEd High of North Broward were classified as ELL and **12.1%** of students at SunEd High of South Broward were classified as ELL.

Based on this data, it is anticipated that the new SunEd High campus will have a student population that is comprised of approximately 15% English Language Learners. When considering the maximum student enrollment projected by the School for Year 1 through Year 5, it is anticipated that there will be approximately 45 ELL students in Year 1; 53 students in Year 2; 68 students in Year 3; 75 students in Year 4; and 83 students in Year 5.

Initially, one ESOL teacher/coordinator will be employed at the school. The ESOL teacher/ coordinator will serve as the ESOL Contact person and will have the responsibility of overseeing and assisting staff in meeting the needs of the School's ELL population throughout the school year. All instructional staff members will be expected to:

- Have completed the ESOL training requirements or work toward completing the ESOL requirements within the timelines established by the Florida Consent Decree; Staff members that are in the process of completing the required ESOL courses, and have been assigned an ELL, must sign an out-of-field waiver in ESOL (SunEd High will ensure that all personnel have the appropriate ESOL endorsement/required coursework in order to be able to serve the needs of ELLs. The principal will identify each teacher's training status or requirement. The School will inform staff of the sessions or courses available to meet the training requirements);
- Identify the students in their grade book and record the ESOL level next to each student's name;
- Use appropriate lessons and reflect ESOL strategies/accommodations being used in lesson plans; and
- Use appropriate grading guidelines and report card comments.

Additionally, in accordance with Rule 6A-6.0904 (4)(c), FAC., once the School has 15 or more ELLs who speak the same language, the School will employ a bilingual paraprofessional or teacher, as required. Teachers or paraprofessionals assigned to this program will be expected to assist ELL students using their home language in the core subject areas and provide instructional assistance in the classroom to ensure the delivery of comprehensible instruction for the ELL students. These teachers/paraprofessionals will assist ELL students as follows:

- working in small groups,
- translating information,
- interpreting test questions and homework assignments, as appropriate, and helping students comprehend textbooks and other written materials.

Training Requirements

The META Agreement states that Florida teachers are required to participate in training when they have a Limited English Proficient (LEP) student assigned to their class. There are three categories of teachers (Category I, II, and III), each with its own training requirements. Administrators and school guidance counselors are also required to attend ESOL training (Category IV). Category I is for teachers responsible for teaching language instruction or reading, such as English language arts, reading and exceptional education. Category II is for teachers of math, social studies, science, or computer literacy. Category III is for teachers not listed in Category I or II, such as art, music, P.E., or media specialists. Those teachers who have not already met their ESOL training requirements upon being hired will be required to complete the necessary courses within the established timelines. The principal will monitor each teacher's training status on an annual basis to ensure that employees are complying with the training requirements within the prescribed timelines. Additionally, SunEd High will work with the Sponsor in informing staff of the sessions or web-based courses available to meet the training requirements for serving all identified English Language Learners.

Evaluation Criteria: English Language Learners

Reviewers will look for:

- Demonstrated understanding of legal obligations regarding the education of English Language Learners.
- A comprehensive and compelling plan for educating English Language Learner students that reflect the full range of programs and services required to provide all students with a high- quality education.
- A clear plan for monitoring and evaluating the progress of ELL students, including exiting students from ELL services.
- Demonstrated capacity to meet the school's obligations under state and federal law regarding the education of English Language Learners.
- A realistic enrollment projection (ELL) and a staffing plan that aligns with the projections.

8. School Culture and Discipline

Reviewer Instructions

The School Climate and Discipline section should describe the learning environment of the school and provide evidence that the school will ensure a safe environment conducive to learning.
Statutory Reference(s):
s. 1002.33(7)(a)7.; s. 1002.33(7)(a)11.
Evaluation Criteria:
A response that meets the standard will present:

- A planned school culture that is consistent with the school's mission and congruent with the student discipline policy.
- An approach to classroom management and student discipline that is consistent with the overall school culture and philosophy.
- Recognition of legal obligations and children's rights related to enforcing student discipline, suspension, and recommended expulsion, including the school's code of conduct, if available.
- Consideration of how the code of conduct will apply to students with special needs.
- Appropriate and clear roles of school administrators, teachers, staff, and the governing board regarding discipline policy implementation.

Form Result

A. Describe the culture or ethos of the proposed school. Explain how it will promote a positive academic environment and reinforce student intellectual and social development.

Enter content here

The Governing Board and school leadership at SunEd High will promote a school culture that is characterized by mutual respect and high expectations for everyone. The school leadership and all staff members will serve as role models for students treating students, parents, and each other with respect. SunEd High's philosophy regarding student behavior reflects its commitment to the school's mission which begins with the following statement: *The mission of SunEd High is to provide our students with a safe and nurturing learning environment that will help them achieve their goals – both academically and personally.* The School's goal is to ensure that it offers students an excellent academic program in an environment in which students feel safe and valued.

SunEd believes that a safe, positive, and orderly school environment is of primary importance to creating an enjoyable and productive learning experience where students can thrive and reach their maximum potential. The educational purpose of the school is best accomplished in a climate of respect that is conducive to the teaching and learning process. Student behavior that disrupts the learning process or that infringes upon the rights of other individuals will not be tolerated. Students at SunEd High will be required to abide by the Broward County Code Book for Student Conduct. Proper and appropriate student conduct will be recognized and rewarded, whereas unacceptable behaviors will be handled in accordance with guidelines and policies delineated in the Code Book for Student Conduct. Whenever necessary and appropriate, the Collaborative Problem-Solving Team will be convened to create a plan of action for addressing a learner's behavioral challenges to provide the necessary assistance and interventions.

SunEd High will encourage parents to take an active role in supporting the School's behavioral plan. The School will ensure that parents and staff work together to ensure that students are provided with a safe, orderly, and engaging learning environment that prepares them for success. The School's mission states the following: *We believe that by working with families and the community, all students can achieve their maximum potential. We are committed to working together to provide each student with the best possible education while instilling in every student the belief that they can succeed and become responsible, contributing members of society.* To achieve the SunEd High's mission of helping students become responsible, contributing members of society, the School will promote a set of guiding principles and character values through a school-wide campaign that is spearheaded by the guidance counselor and overseen by the principal. SunEd High will adopt the Resiliency Florida Program that aims to equip students with the skills needed to achieve their academic and personal goals. The program will focus on 11 resiliency characteristics that include the following: perseverance, grit, gratitude, responsibility, responsible decision-making, critical thinking and problem solving, self-awareness & self-management, mentorship, citizenship, honesty, and empathy.

B. State whether the applicant intends to use the local school district's code of conduct policy. If the applicant does not intend to use the local school district's code of conduct policy, describe in detail the school's approach to student discipline. If already developed, provide the proposed discipline policy or student code of conduct as Attachment G. Taken together, the narrative and code of conduct (if provided) should:

- Explain the practices the school will use to promote discipline, including both penalties for infractions and incentives for positive behavior;
- List and define the offenses for which students must (non-discretionary) and may (discretionary) be suspended or recommended to the local school district for expulsion;
- Describe the roles of administrators, teachers, staff, and the governing board regarding the discipline policy;
- Provide an explanation of how the school will take into account the rights of students with disabilities in disciplinary actions and proceedings;
- Describe procedures for due process when a student is suspended or recommended to the local school district for expulsion as a result of a violation, including a description of the appeals process that the school will employ for students facing recommended expulsion and a plan for providing services to students who are out of school for more than ten days; and
- Explain the process for informing students and parents about their rights and responsibilities under the code of conduct.

SunEd High intends to use the Broward County Public Schools **Code Book for Student Conduct.** The School will adopt the district's policies and expectations for students related to students' and parents' rights and responsibilities, inappropriate student discipline and disciplinary action, suspensions, expulsion, and the appeals process. All information contained in the Code Book for Student Conduct will be made available to parents and students upon registration and will be included in the SunEd High Parent-Student Handbook as well as the School's website. Parents and student will be required to read, discuss, and accept the policies, as verified through their signature (or the student's signature if he or she is an adult).

To promote a positive school environment, which includes meeting academic requirements, displaying appropriate behaviors, and attending school regularly, SunEd High will implement the Student Rewards and Recognition Program. The program will be included in the Parent-Student Handbook and posted in the school's front office and lobby area. As part of the program, students may earn rewards such as certificates of recognition, school-wide recognition on the Faces of Excellence Board, special treats, and gift cards.

If the School must take disciplinary action with a student in accordance with the Broward County Code Book for Student Conduct, the appropriate action will be taken by the School's administration. The least extreme consequence that can resolve the problem will be applied to the student. Teachers and administrators will strive to use a variety of informal disciplinary measures or guidance/counseling strategies prior to formal disciplinary action. Teachers will monitor student behavior and consistently enforce the School's behavioral policies, utilizing a system of rewards and consequences to ensure a safe and orderly environment in each classroom. The School will make parent contact for all violations requiring administrative action. Teachers will maintain ongoing communication with parents throughout the year to promote a positive school-home relationship and elicit parent assistance in working with students to maximize learning opportunities offered by the School. School leaders will utilize corrective strategies appropriate to address the level of disruptive behavior as indicated in the Code Book for Student Conduct. Students who demonstrate consistent behavioral problems will also be provided with assistance by the Collaborative Problem Solving (CPS) Team, which will be comprised of key individuals who will work collaboratively to develop a plan for the student. The team will discuss possible causes for inappropriate behaviors and identify intervention strategies as needed. Some of the strategies to be used include group counseling, individual counseling, and behavioral contracts.

Out-of-School Suspensions/Recommendations for Expulsion

SunEd High will follow the Broward County Public Schools **Administrative Discipline Matrix for Grades 9-12** to determine appropriate consequences for students who display severely disruptive behaviors that warrant out-of-school suspensions or recommendations for expulsion. The out-of-school suspension of a student, and the number of suspension days, is determined by the number of times the student has committed the same offense as stipulated in the district's matrix. For incidents that do not involve drugs/substances or rise to the level of expulsion or behavior intervention, the school principal has the discretion to deviate by one level when applying consequences stated in the matrix. For incidents that rise to the level of expulsion or

behavioral intervention, the principal must seek approval from the Superintendent, or designee, to deviate from prescribed consequences.

As stated in the Discipline Matrix, the types of incidents that may warrant out-of-school suspension or behavior intervention for students in grades 9-12 include, but are not limited to, the following: bullying; burglary; battery; aggravated battery; alcohol or drug use, possession, purchase, or sale; arson; cheating; criminal mischief; discriminatory actions; insubordination; disruption on campus; electronic devices; extortion; false accusations; false alarms; hoax; fighting; gambling; gang activity; defiance of authority; hazing; kidnapping; larceny; petty theft; profanity; robbery; sexting; sexual harassment; vandalism, etc. Days of suspension are dependent on the number of incidents in which the student displays the behavioral violation.

In accordance with s.1006.13, F.S., the school's threat assessment team must consult with law enforcement when a student exhibits a pattern of behavior, based upon previous acts or severity of an act, which would pose a threat to school safety. A threat assessment team may use alternatives to expulsion or referral to law enforcement agencies unless the use of such alternatives poses a threat to school safety.

The decision by the principal to recommend to the School Board the expulsion of a student is generally dependent on the number of times the student has exhibited the same offenses (from those stated above). Some behaviors warrant an automatic recommendation for expulsion. As stipulated in the Discipline Matrix, behaviors that may lead to the recommendation for expulsion of students in grades 9-12 include, but are not limited to, the following: homicide; threat to kill/threat of mass shooting; and weapons.

A student who is suspended from school for a disciplinary problem will be permitted to make up work missed for all absences, regardless of the number of absences. The Governing Board believes that any absence from any class, for any reason, negatively impacts student learning, progress, and achievement. Make-up work will be graded and included in student grades. Students who fail to make up missed work will be assigned a zero on daily grading for missed days.

Right to an Appeal

Parents or students who disagree with any disciplinary action will be provided with an opportunity for due process. Most problems can be resolved if students speak with the teacher or staff member who was involved. If students feel uncomfortable with this person, they may request a conference with the next level of authority. Students may also request the presence of a third party, such as a counselor, another administrator, other staff person, translator, interpreter, or attorney. Parents also have the right to be included. If talking things over does not solve the problem, the steps delineated in Section X the Broward County Public Schools Code Book for Student Conduct shall be followed. When requesting the appeal, the students and/or parent(s) must submit a request for an appeal with five school days from the initial disciplinary notification. For charter schools that adopt the district's Code of Student Conduct, the steps delineated in the section titled *Suspension Appeals for Charter Schools Adopting the SBBC Code of Student Conduct* will be followed. A Level 1 Appeal involves a meeting with the principal or administrator with the most knowledge of the incident. If the student or parent/guardian is not satisfied with the

principal/administrator's decision, they may request a Level 2 Appeal which involves a meeting with the Governing Board. The decision of the Governing Board shall be final.

Disciplining Students with Disabilities

For students eligible under the Individuals with Disabilities Education Act (IDEA), disciplinary actions such as suspension or expulsion must comply with all applicable laws, School Board policies, and the provisions outlined in the student's Individual Education Plan (IEP). If the student's behavior is determined to be a manifestation of their disability, a Functional Assessment of Behavior (FAB) must be conducted, and a Behavior Intervention Plan (BIP) must be developed and implemented. Similarly, for students identified as having a disability under Section 504 of the Rehabilitation Act of 1973, disciplinary procedures—including suspension, expulsion, and other corrective measures—must follow all applicable laws, School Board policies, and the provisions of the student's Section 504 Accommodation Plan.

Notes

Concern was added at 02/13/2026 03:29 PM by Debra Kearns

Through the narrative of the School Culture and Discipline section of this application the charter school has stated that it will adopt and follow the Code of Student Conduct of the sponsor, and well as the Discipline Matrix contained therein.
Under the Code of Student Conduct for the Sponsor and its Discipline Matrix student behaviors requiring recommendation for expulsion are limited to Class A Weapon, Threat to

Kill, Hoax Threat and Homicde, and require such actions on the first offense.
Under the same Code of Student Conduct for the Sponsor and it Discipline Matrix, there are other drug realted and non-drug related behavior that require a recommendation for a District Behavior Intervention Program at varying prescribed demonstrated incidents of recidivism.
In accordance with the Code of Student Conduct, for incidnets that rise to recommendation for Expulsion or a District Behavior Intervention Program, the Discipline Matrix must be followed without deviation.
However, as stated within this section of the application, per the sponor's Code of Student Conduct, Princpal's do maintain discretion to deviate up or down by one level only for incident types that do not ever rise to recommendation for Expulsion or a District Behavior Intervention Program.
Given these factors and requirements of the sponsor's Code of Student Conduct, and the conflicting statements presented through the narrative of the School Culture and Discipline portion of this application:
1. Does the charter school plan to deviate from the Discpline Matrix of the Code of Student Conduct for incidents rising to Expulsion or a District Behavior Intervention Program?
2. Does the charter school plan to recommend Expulsion or take action to expel for incidents other than Class A Weapon, Threat to Kill, Hoax Threat and Homocide?
Clarification is requested.

9. Supplemental Programming

Reviewer Instructions

Supplemental Programming

The Supplemental Programming section should describe extra and co-curricular activities offered by the school. This section is optional.

Statutory Reference(s):

NA

Evaluation Criteria:

A response that meets the standard will present:

- A clear description of extra- and co-curricular activities that support, and do not detract from, the educational program.
- Evidence of an adequate funding source for extra- and co-curricular activities.
- Lack of supplemental programming may not be a basis for denial.

It is anticipated that the student population at SunEd High will consist largely of credit-deficient, overaged students, many of whom are 18 years or older. While the primary focus of these students will be completing their coursework and earning a high school diploma, the school is committed to providing extracurricular and co-curricular activities that enrich the educational experience, foster motivation, and create opportunities for all students to participate and excel, regardless of academic standing.

SunEd High will offer a variety of clubs, programs, and events designed to support college and career readiness, build essential life skills, and encourage social engagement within the school community. These activities will occur on a regular basis—ranging from weekly club meetings to annual competitions and events—and will be funded through a combination of school resources, grants, and community partnerships, ensuring accessibility for all students. The programs are intended not only to enhance learning but also to promote leadership, collaboration, and personal growth among students. The following programs will be offered to students:

Technology Club

This club will be facilitated by a staff member and will be open to all students, not just those in the Information Technology Academy. The club will provide opportunities for students to develop their digital skills and online presence by creating online portfolios that showcase projects, blogs, professional resumes, and other computer-based work.

Ladies of Distinction Club

This mentoring and leadership program is designed to empower young women to become confident, respectful, and successful individuals both in and outside of school. The club coordinator will meet monthly with female students to discuss topics and challenges related to their gender, personal growth, and social development.

Chess Club

This club will provide students with an opportunity to learn, play, and enjoy the game of chess while developing critical thinking, concentration, and sportsmanship. The teacher sponsor will meet with the chess club every two weeks for 30 minutes to develop skills and problem-solving strategies.

Spelling Bee Committee

This committee, led by the Literacy Coach, will organize an annual Spelling Bee to celebrate and recognize outstanding student spellers. Parents will be invited to attend, and prizes will be awarded to the 1st, 2nd, and 3rd place winners.

Math Bowl Committee

This committee, facilitated by the math teacher, will coordinate an annual Math Bowl to honor students with exceptional mathematical skills. Parents will be invited to attend, and awards will be presented to the top three winners.

Graduate Activity Committee

This committee will consist of selected senior students and the Guidance Counselor. The committee will plan and coordinate senior-specific events, including the end-of-year luncheon, graduation ceremony, grad night, senior portraits, and other milestone activities, ensuring a memorable conclusion to the senior year.

OIC Relationships Course

This community-based program is designed to help teens and young adults develop healthy relationship skills and make positive life choices. Through interactive lessons

and discussions, students will learn how to navigate the challenges of young relationships, practice abstinence, and resolve conflicts respectfully and effectively.

Club Elevate

This club, funded through a grant from the Children's Services Council, is designed to help teens and young adults develop leadership abilities, essential life skills, and effective conflict-resolution strategies. The club will provide a supportive environment where students can build confidence, strengthen interpersonal skills, and prepare for success in school, work, and the community.

Science Fair Committee

This student group, led by the science teacher, will be responsible for planning, organizing, and overseeing the school's science fair — an event where students present research projects or experiments to be judged.

Social Studies Bowl Committee

This student group, led by the social studies teacher, will be responsible for planning, organizing, and managing the school's participation in a Social Studies Bowl — a competitive academic event focused on history, geography, civics, economics, and current events.

Poetry Club

This club, led by the ELA teacher, will be designed for students who love reading, writing, and performing poetry so that they can come together to share their work, explore different styles of writing, and build a supportive artistic community. It encourages self-expression, creativity, and appreciation of language and literature.

Student Government

A group of elected and appointed student leaders will represent the student body and help organize school activities, events, and initiatives. It is designed to give students a voice in school affairs and to help them develop leadership, teamwork, and communication skills. These students will conduct daily announcements, give school tours, help organize events, assist with building beautification, etc.

C. Describe the governance structure of the proposed school, including the primary roles, powers, and duties of the governing board; committee structure (if applicable); and how the board will interact with the principal/head of school and any advisory bodies.

Enter content here

The governance structure at SunEd High is depicted in the school's organizational charts that are included as Attachment M. The roles, powers, and duties of the Governing Board are described below.

The SunEd High Governing Board is composed of individuals with the knowledge, experience, and availability necessary to serve effectively. As the School's ultimate decision-making authority, the Governing Board is responsible for establishing policies, managing financial affairs, ensuring proper stewardship of public funds, and overseeing the overall management and operations of the School. It also safeguards continuity between the founding members and future Board members. In addition, the Board is committed to advancing the School's mission and ensuring that all students receive a high-quality education. By aligning responsibility with accountability, the Governing Board promotes both academic success and financial efficiency.

The Board will recruit, hire, and evaluate the principal. The Board will hold the principal responsible for the administration of its policies, the execution of Board decisions, the day-to-day operations of the School, the supervision of teachers and staff; the safety of students and staff; and for openly communicating with the Board regarding school operations, student achievement, financial expenses necessary to further the School's mission, and areas of need or concern. The Board will provide the principal with the autonomy necessary to implement academic programs at the School; enforce school policies and procedures; hire, supervise, and make decisions regarding reappointment or non-reappointment of school personnel; enforce the code of student conduct; and manage the day-to-day operations of the School. The Board will conduct a mid-year and end-of-year evaluation of the principal's job performance and make decisions related to reappointment or non-reappointment of the principal. The principal will attend all board meetings and present the "Principal's Report" at each meeting to maintain the Board abreast of all issues related to school operations, inform the Board of the School's financial needs in order to support the School's mission, inform the Board of any concerns expressed by School's stakeholders and possible solutions, and conduct a presentation on the current academic performance of students in all academic areas and status of compliance with the School Improvement Plan.

In addition to the principal, there will be other key members of the staff that will serve in leadership roles and report to the principal. The School will have an assistant principal, or a dean of students, to assist the principal with matters related to academics and discipline. Additional members of the leadership team include the guidance counselor, ESE coordinator, and ESOL coordinator. The principal will identify key personnel to serve as department heads or committee chairs. These staff members will serve as leaders within the school and will work with specific staff members in leadership/mentorship roles.

D. State the frequency of board meetings and describe how the board will comply with open meetings and records laws.

Enter content here

The Governing Board will establish its meeting schedule for the upcoming fiscal year during the first meeting of each year. The Board will meet no less than quarterly, with meetings generally held on a monthly basis. All Board meetings will comply fully with Florida's Government in the Sunshine Law and Florida's Public Records Law, ensuring transparency and accessibility. The Board will ensure that all meetings are open to the public. Reasonable notice of meetings (at least seven days in advance) will be provided through multiple channels, including posting notices in the School's main office and on bulletin boards, distributing newsletters to families, and publishing announcements and reminders on the School's website. Minutes will be taken at each meeting, promptly recorded, and approved by the Board. Approved minutes will be made available for public inspection both on the School's website and in the main office, in accordance with Florida's public records laws.

E. Describe the current and desired size and composition of the governing board. Identify key skills, areas of expertise, and constituencies that are or will be represented on the governing board.

As per the Governing Board bylaws, the Governing Board will consist of "no less than three voting members and no more than seven." The entire Board shall determine the exact number of board members from time to time. With a minimum of three board members, there shall be a president, vice-president, and secretary/treasurer. If there are more than three board members, the secretary/treasurer position, at the discretion of a majority of the Board, may be divided amongst two separate board members. The Board will serve as representatives of the community it serves and work diligently to recruit the parent of a SunEd High student to serve on the Board. A member of the Board, or designee, will serve as the conflict resolution contact and will address the concerns of students and parents. Board members will be elected according to the policies delineated in the Governing Board bylaws (included as Attachment J). The Board will recruit board members that have the capacity and qualifications in areas that will benefit the School. When selecting candidates for the Governing Board, the nomination committee will look for individuals who demonstrate the following characteristics:

- Support the School's educational mission and philosophy and has a desire to serve the broader community
- Understand the role of governance is to ensure school is operating is in compliance with the charter contract
- Have expressed a commitment to providing encouragement and support to School employees (the principal, teachers and staff)
- Can serve with humility
- Can meet quarterly and/or monthly as needed
- Have expressed a commitment to support celebrations and important events at the School
- Can understand and interpret the content of financial reports
- Have expressed a willingness to serve a term of two years.

The members of the current Governing Board are experienced in serving in that role and have knowledge and expertise in the following areas: legal issues, finance and accounting, business, and education.

F. Describe how board members have been and will be selected including term limits and selection of officers.

Enter content here

To select new board members, a nominating committee will be established. The nominating committee will consist of three board members. The nominating committee shall accept and review all applications for the board positions. The committee will then forward those approved applications with recommendations and comments for a final vote before the full Board. The chairperson of the nominating committee shall serve for a term of one year. The Board shall establish any additional committees as needed. Any interested party shall submit nominations for the Governing Board to the nominating committee. The nominating committee shall first review all the applicants and then refer approved applicant with the committee's recommendations to the full Board for approval or denial. According to the bylaws, if the Board has less than three voting members, the Board will review all applicants and select by consensus only the number of applicants as board members needed to reach the minimum number for quorum (three). When electing board members, every reasonable effort shall be made to elect members who will represent the stakeholders of the School and the community. As per Board bylaws, board members shall be selected and elected at a duly organized meeting of the Governing Board. Notice of the Board’s intentions to elect a board member shall be included in the agenda for that meeting and publicly announced. All vacancies occurring on the Board for any reason shall be filled by the majority of the members in office at any meeting of the Board. A member is elected to fill the unexpired term of the predecessor. A member elected to fill a vacancy will serve until a successor is elected. Newly elected board members will agree to support the founding organization’s vision to maintain continuity between the founders and the subsequent board members. All board members will work cooperatively to achieve a seamless transition from one board member to another. Board members will serve a term of two years in staggered terms or until a successor is elected. One half of the board members shall be elected each year at the annual meeting by majority vote of the members of the Board currently in office. Board members may serve unlimited terms, providing that they are duly re-elected for additional terms. The officers of the Board shall be elected annually by the Board, immediately following the election of board members at the regular annual meeting in September. Vacancies may be filled at any meeting of the Governing Board. With a minimum of three board members, there shall be a president, vice president, and a secretary/treasurer. If the Board consists of more than three board members, the position of secretary/treasurer may be divided amongst two board members, at the discretion of the majority of the Board. The president shall serve for one year. He or she shall have general supervision of the affairs of the School. The president shall preside at all board meetings and shall have such other duties as prescribed by the Board. In the absence of the president, the vice president shall perform the duties of the president. The vice president shall have such other duties as prescribed by the Board. The secretary shall act as secretary of all board meetings and shall be responsible for the minutes of all such meetings. The secretary shall perform additional duties as prescribed by the Board. The treasure shall be chairperson of the finance committee and will be responsible for accounting for all monies of the School, including depositing and investing the monies in accordance with the policy adopted by the Board. The treasurer shall perform additional duties as prescribed by the Board.

The Governing Board for the two current SunEd High schools will be the same Board for the new school.

G. Explain how this structure and composition will ensure that the school will be an academic, operational, and financial success.

The SunEd High Governing Board is committed to ensuring the success of the School and possesses the knowledge and skills needed to provide appropriate oversight of the School. The Governing Board will be comprised of individuals who will adhere to the bylaws, promote academic success and financial efficiency, and perform the following duties to ensure that the School will be a success academically, operationally, and financially.

- Require the principal to present a report at each board meeting that highlights academic performance of students in all areas, and is supported by student performance data reports
- Become familiar with the School Improvement Plan and require the principal to maintain the Board updated on progress made throughout the year on implementing strategies and meeting goals
- Conduct school site visits and attend school events
- Evaluate the principal's ability to comply with duties and obligations, and fulfill the mission and goals of the School
- Approve student handbooks, discipline plans, dress codes, parent handbooks, etc.
- Exercise continuing oversight over charter school operations
- Ensure submission of all required reports to the Sponsor on a timely basis
- Become aware of due dates for financial records, inspections, annual reports, and insurance requirements
- Ensure the facilities in use by the School are adequate for instruction of students, administrative functions, and, if the need arises, engage in planning for acquisition of future facilities
- Identify a representative of the Board, or designee, to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and to resolve disputes (ensure the Board representative's contact information is posted on the School's website)
- Monitor the School’s personnel issues, including salary and benefits for employees, the proportion of instructional personnel who hold professional or temporary certificates, and the proportion of instructional personnel teaching in-field or out-of-field.
- Annually adopt and maintain an operating budget
- Monitor the financial status of the School, including revenues and expenditures at a level of detail that allows for analysis of the ability to meet financial obligations and timely repayment of debt (as needed)
- Ensure that the School has retained the services of a certified public accountant for the annual financial audit, pursuant to paragraph (g), who shall submit the report to the Governing Board
- Review and approve the audit report, including audit findings and recommendations
- Monitor a financial recovery plan, if needed, to ensure compliance
- Oversee operational policies, academic accountability, and financial accountability
- Maintain copies of bylaws and minutes

- Attend meetings regularly and adhere to the Sunshine Laws, Public Records Laws, and all applicable state statutes

The Governing Board of SunEd High is composed of the following members:

- Carmen Joy Gugliuzza, Board President - Marketing Executive and Realtor
- Gary Light, Secretary/Treasurer – Chief Information Officer
- Juan Garcia, Board Member - Associate Vice President/Financial Advisor

Together, the knowledge, skills, and expertise of these board members position the School to operate effectively and maintain strong fiscal health (Board members' resumes are included in Attachment L).

I. Describe the plans for board member recruitment and development, including the orientation process for new members and ongoing professional development to increase the capacity of the board.

Enter contet here

One of the Governing Board's primary roles is to help select new board members. The Governing Board will appoint a nominating committee to recommend candidates to fill any vacancies on the Board, keeping in mind the need to have a balance of business and education expertise on the Board. All founding members will continue as members of the Governing Board until their respective terms expire. It has been the experience of the other SunEd schools that qualified individuals from the local community will sometimes come forward to request to be on the Board or to recommend someone to serve on the Board. Moreover, Governing Board members themselves, through their connections to the community, can identify qualified individuals who are willing and able to fill board vacancies as they become available. Additionally, the School will post board vacancies on its website to help recruit candidates. The Governing Board will not discriminate against any candidate on the basis of race, creed, color, gender, national origin, sexual orientation/preference, age, or disability in its recruitment and selection process.

Pursuant to Rule 6A-6.0784, all Governing Board members must participate in a state-approved four-hour initial governance training course within 90 days of appointment to the Board. Additionally, board members shall be required to participate in a two-hour refresher course every three years. Per Section 1002.33(9)(j)4, the training components for governance training include the following: government in the sunshine, conflicts of interest, ethics, and financial responsibility.

All Governing Board members will be provided with a Board Guide. The Board Guide will be a reference that helps to ensure efficient organization and ease of reference to important content matter. The Board Guide includes the following:

- Charter contract and other legal documents such as articles of incorporation, bylaws, etc.
- School mission, vision and school improvement or strategic plan
- The educational plan of the School, including educational philosophy, learning outcomesfor students, curriculum, instructional strategies, assessment methods, etc.
- Board structure and operations, including policies, description of board members' responsibilities
- Staffing structure, job description of school administrators, and administrator performance review procedures

Additional training for board members that will increase their capacity will include the following: attendance at the Florida Charter School Conference, participation in school site professional development programs, invitation to attend faculty meetings or committee meetings, participation in school advisory committee meetings.

J. Describe the board's ethical standards and procedures for identifying and addressing conflicts of interest.

Enter content here

All board members of SunEd High will be expected to uphold the highest standards of ethical, professional behavior. Upon taking the oath of office, board members will agree to commit themselves to carrying out the mission of the school in accordance with the Code of Ethics. The Code of Ethics is included as Attachment K.

The Board shall exercise the utmost good faith in all transactions involved in their duties, and they shall not improperly use their positions with, or knowledge gained for their personal benefit. The Board has the responsibility of administering the affairs of the non-profit corporation honestly and prudently through an adopted conflict of interest board policy. The areas of potential conflicts of interest that are listed in the Board's policies are not exhaustive or all inclusive. Conflicts might arise in other areas or through other relations. The Board is expected to be attentive and proactive in recognizing and disclosing any potential conflict of interest. It is the policy of the Board that the existence of any conflict of interest shall be disclosed before any transaction is consummated. It shall be the continuing responsibility of the Board to scrutinize transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures. The Governing Board Conflict of Interest Policy and signature page is included as Attachment K.

Addressing and identifying conflicts of interest include the procedures that follow. Transactions with parties with whom a conflicting interest exists may be undertaken only if all of the following are observed: 1) The conflicting interest is fully disclosed; 2) The person with the conflict of interest is excluded from the discussion and approval of such transaction; 3) Where products, goods or services are being procured or sold, that there exists reliable independent evidence of fair value (which shall be specifically identified in and attached to the minutes), which may include a competitive bid or market survey or comparable valuation or other reliable evidence of market value; and the Board has determined that the transaction is in the best interest of the organization.

To avoid any conflicts of interests within the Board, each member of the Board must complete a full disclosure form for the Sponsor that provides detailed information needed to ensure the appointment of effective board members. Florida Statutes Section 1002.33(7)(a)(18) requires full disclosure of the identity of all relatives employed by the charter school who are related to the charter school owner, president, chairperson of the governing board, superintendent, governing board member, principal, assistant principal, or any other person employed by the charter school who has equivalent decision-making authority.

Disclosure should be made to the Board President who shall bring the matter to the attention of the Board. Disclosure involving the directors should be made to the Board. The Board shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair and reasonable. If the conflict is not deemed to be material and the conflicted party is excluded from the decision-making process, then the Board can use its reasonable judgment to make a decision which it deems is in the best interest of the entity. The decision of the Board on these matters will rest in its sole discretion, and its concern must be the welfare of the school, the corporation, and the advancement of their purpose.

K. Describe, if applicable, any school advisory bodies or councils that are in place or will be formed, including the roles and duties of each and the reporting structure of such entity relative to the school's governing board and leadership.

The School will establish a School Advisory Council (SAC) that will be comprised of the principal, selected teachers, staff, parents, community partners and students. The SAC will meet on a quarterly basis throughout the school year to review programs, processes and procedures that target school improvement efforts. The SAC will focus on creating and maintaining an educational environment that promotes the School's mission and a positive school culture. The principal will chair the SAC and provide a report on the SAC's activities and recommendations to the Governing Board at each Board meeting.

L. Briefly explain the process that the school will follow should a parent or student have an objection to a governing board policy or decision, administrative procedure, or practice at the school. This includes the process for developing procedures for complaint resolution of parental concerns involving student welfare, including the student welfare provisions described in section 1001.42(8)(c)1.-6., F.S. The entire process or policy does not have to be developed; however, applicants should be able to articulate the primary steps.

SunEd High will follow an established process for resolving issues should a parent/guardian and/or a student have an objection or complaint regarding a Board policy or decision, an administrative procedure, or a practice used at the School. The process will include steps for resolving concerns related to any student welfare provisions described in s. 1001.42(8)(c)1.-6., F.S. The following steps will be followed at SunEd High to resolve parent/student complaints:

1. Complainant will submit a written request to the principal outlining the nature of the grievance and desired resolution. The complaint should be written on a form developed by the School and should contain a statement of the facts and the specific outcome desired by the parent/guardian or other person making the Complaint ("Complainant").
2. The principal shall contact the Complainant within 48 hours of receiving the grievance form to obtain further details and possibly resolve the matter.
3. If necessary, the principal shall schedule a meeting with the Complainant and appropriate staff member or administrator involved with the issue at a convenient date and time. The meeting shall occur within 48 hours of speaking with the parent.
4. The principal will make a final determination as to the proper resolution to the matter at the meeting or contact the Complainant with the resolution within 24 hours of the meeting with the Complainant and staff members.
5. If the Complainant feels the issue was not satisfactorily resolved, the Complainant may appeal to the designated parent liaison (whose contact information will be prominently displayed on the School's website).
6. The designated parent liaison shall contact the Executive Director for resolution. The Executive Director shall schedule a meeting with all involved parties within 48 hours of receiving the request from the designated parent liaison. A resolution will be made at the meeting or provided to the Complainant within 24 hours of the meeting.
7. If the Complainant is still not satisfied with the resolution, he/she may appeal the grievance to the Governing Board. The Complainant shall submit a written request to the designated parent liaison so that he/she can request a Governing Board hearing. The Governing Board shall review the grievance and proposed administrative resolution within 14 days of receiving the hearing request. The Board shall render a final decision on the matter by majority vote at the hearing.
8. The Complainant may have another adult of his/her choice attend any of the above sessions, with prior notification, which includes the person's identity and role, to assist them in articulating his/her grievance.

The Governing Board intends to hire the principal for SunEd High at least five months prior to the opening of the School. The Board will request the support of the educational service provider to advertise and screen candidates. An important part of the screening process will be to validate the credentials and work history of each candidate. The Board will look for educators with specific qualifications that are needed to be an effective leader at an alternative education high school. The candidate must possess prior experience in school leadership and a demonstrated commitment to the mission and philosophy of SunEd High, including innovation, flexibility, and accountability for student outcomes. Another important quality for the candidate is to have experience in working with diverse learners, including at-risk students at the secondary level. Additionally, the candidate must have a strong belief in these students' ability to succeed through personalized learning pathways. The most qualified candidate will be hired in accordance with s.1000.05 (Florida Educational Equity Act) which prohibits discrimination on the basis of race, color, national origin, sex, disability, religion, or marital status.
The job description for the principal, included as Attachment N, delineates the essential duties, responsibilities, and skills that must be demonstrated by the school leader. A detailed summary of the principal's qualifications is included as Attachment O.

3. Human Resources and Employment

Reviewer Instructions

The Human Resources and Employment section should define the policies and procedures that frame the school's relationship with its staff.

Statutory Reference(s):

s. 1002.33(7)(a)14.; s. 1002.33(12)

Evaluation Criteria:

A response that meets the standard will present:

- A clear explanation of the relationship between employees and the school.
- Description of the school leader and teacher evaluation plans, or outline of such plans, which align with the Student Success Act as defined by state law.
- A compensation and benefits plan or outline of such a plan that is aligned with Florida's Student Success Act, and will attract and retain quality staff.
- Procedures that are likely to result in the hiring of highly-effective personnel.
- Policies and procedures that hold staff to high professional standards or a plan to develop such policies and procedures.
- An effective plan to address any leadership or staff turnover.

Form Result

A. Explain the relationship that will exist between the school and its employees, including whether the employees will be at-will. Discuss the school's tentative plan regarding use of employment contracts. If the school will use contracts, explain the nature and purpose of the contracts. Use and nature of employment contracts may be finalized after application approval.

Enter explanation here

At SunEd High, the relationship between the Board and its employees will be one of mutual respect and transparency. The Board will hire the principal who will have the responsibility of recruiting and hiring qualified, committed, ethical, and responsible faculty and staff members. The relationship that will exist between the principal and the staff will be positive, professional, and supportive. The principal will promote a culture that consists of shared values and beliefs which include the following: high expectations for all students and staff and a genuine commitment to helping students succeed. Employment will be at will and the School will contract with Paychex to provide services related to human resources and regulatory compliance issues, payroll, tax preparation, benefits, claims administration, workers compensation, risk management, and loss control. Employees will be contracted annually--from August 1st to July 31st--and will be expected to adhere to all provisions of the employment contract. Failure to comply with contractual obligations will result in non-renewal of contract at the end of the year. The employee contract will contain the following information:

- Compensation Plan (Salary and Benefits)
- Paid Time Off
- Work schedule
- Professional Development/Continuing Education
- Certification Requirements
- Performance Evaluation
- Employee Rights
- Conditions of Employment
- Security and Background Clearance
- Child Abuse and Neglect Reporting
- Conflict of Interest
- Propriety Information and Confidentially
- Non-Competition Clause
- Non-Solicitation Clause
- Compliance with Federal and State Laws
- Termination of Agreement
- Governing Law
- Assignment of the Agreement
- Notification Due to School not in operation
- Agreement of the Contract
- Contract Acceptance

B. Provide the performance evaluation or a general outline of the performance evaluation plan, consistent with the substantive requirements included in s. 1012.34, F.S. (the Student Success Act), for administrators and instructional personnel including who will conduct the evaluations, what instrument will be used, and how the results will be used to guide performance and professional development. A final, detailed outline will be required after application approval.

Enter content here

SunEd High will conduct annual performance evaluations of all teachers and administrators utilizing instruments that comply with s. 1012.34, F.S. The School will utilize the Florida Consortium of Public Charter Schools (FCPCS) Evaluation System for Classroom Teachers and Other Instructional Employees and the FCPCS Evaluation System for Principals and Assistant Principals. These instruments have been approved by the state as well as the school district. The FCPCS evaluation systems for instructional personnel and administrators include the required components and meet the statutory guidelines stated in 2. 1012.34, F.S.

In accordance with statute, performance evaluations will be conducted a minimum of once per year for each instructional and administrative employee (except newly hired teachers must be evaluated twice in the first year). All individuals with evaluation responsibilities will be trained on the proper use of the evaluation criteria and procedures. Evaluations will be based upon sound educational principles and contemporary research in effective instructional or leadership practices. Evaluation procedures will support effective instruction and student learning growth.

The evaluation system will include appropriate instruments, procedures, and criteria for continuous quality improvement of the professional skills of instructional and administrative personnel. Performance evaluation results will be used in identifying professional development.

The evaluation systems will differentiate among four levels--highly effective, effective, needs improvement or developing (for teachers in their first three years of employments), and unsatisfactory. In accordance with state statute, at least one third of the performance evaluation must be based upon data and indicators of student learning growth assessed annually by statewide assessments or, for subjects/grades not assessed by statewide assessments, by school district or local assessments. Student growth determination must be based upon the students assigned to the educator’s classrooms or the administrator's school. At least one third of the performance evaluation is based on Instructional or Leadership Practice and Professional and Job Responsibilities. The remainder may include other indicators of performance. FCPCS bases the Annual Performance Rating as follows: 34% is based on student growth and 66% is based on professional practice (instructional or leadership) and other job responsibilities.

The evaluation systems for instructional and administrative personnel consists of domains and indicators based on the Florida Educator Accomplished Practices (for classroom teachers and other instructional personnel) and the Florida Educational Leadership Standards (for principals and assistant principals). Non-classroom instructional personnel's professional practice evaluation instruments consist of domains and indicators that are based on the FEAPs, National Standards (if they exist), and job duties related to the position. There is prioritization of domains/indicators in the professional practice instruments to support effective instruction and student learning growth. Professional practice instruments include a scoring and weighting system that apply to instructional practice criterion. The evaluation system includes rubrics for distinguishing among proficiency levels in the instructional practice indicators and the administrator practice indicators.

There are specific processes and procedures for conducting evaluations and for providing feedback to individuals being evaluated. Results of evaluations are used to determine individual professional learning needs for employees.

The principal will evaluate the performance of all school employees, including members of the leadership team. The results of both formal and informal observations will be used to guide performance and to identify professional development. A component of the FCPCS Evaluation System for Teachers and Other Instructional Employees is the Individual Professional Growth Plan (IPGP). This tool is used by the instructional employee's supervisor to identify professional development that is specific to the individual employee. Additionally, the evaluation system contains an informal Classroom Walk-Through Tool that is used to identify the teacher's adherence to the Florida Educators Accomplished Practices (FEAPs) and the observations must be followed up with meaningful feedback and support for the employee. The feedback and support provided are aligned with the results of the informal observations. Types of support provided included coaching, mentoring, training, workshops, online training modules, and other types of professional learning.

The Governing Board will formally evaluate the performance of the principal annually. Professional learning and leadership growth activities for administrators will be aligned to results of their evaluations. An available component of the FCPCS Evaluation System for principals and assistant principals is the Professional Growth Form. This form may be completed by the principal in collaboration with the evaluator. It allows the principal to set target leadership practice goals based on previous evaluation results. The identified goals will assist the principal in making improvements in the school, as well as in achieving professional growth with the assistance and support of the evaluator. The Board will use evaluation results from year to year to identify target goals for the principal and to recommend professional learning that is aligned to results.

C. Provide the compensation structure or a general outline of the compensation structure for all employees, including salary ranges and employment benefits as well as any incentives or reward structures, if applicable. How will compensation and other components factor into the staff retention plan?

Enter contet here

SunEd High recognizes that a significant contributor to student achievement and the success of the school is a highly qualified and stable instructional staff. To attract and maintain quality instructional staff, the Board has developed a compensation and retention plan that consists of the following:

Competitive salaries

Base Pay for teachers is $47,500. Teachers receive an additional $200 for every year of experience, an additional $2,500 for a master's degree, an additional $1,500 for a specialist or higher degree (post graduate degree must be in the field of education or in educational leadership). Employees will receive a cost-of-living adjustment each year.

Health benefits

Employees will be provided with health insurance. Employees will have the option to purchase additional benefits such as life, dental, vision, and ancillary benefits.

Additional Job Benefits

Employees will receive nine days of paid leave, one bereavement day, three paid professional development days (related to current job and contingent upon the employee providing training to the appropriate staff upon return to the school), approved non-paid leave for medical or family crises.

Opportunities for growth within the schools

The administration at the School will mentor staff members and encourage them to seek growth opportunities and continue their education. As positions become available, staff members will be notified and considered for the position.

Professional learning opportunities within the school and through the district

Staff members will have opportunities to participate in trainings and workshops offered at the School and professional learning offered through the district and Broward Virtual University (as posted on "My Learning Plan").

Teacher Mentorship

New teachers will be paired with qualified, experienced, and effective teachers who will provide guidance, direction, and support. Mentor teachers will be identified by the principal based on the teachers' performance on formal observations, success of their students on state and District assessments, and knowledge and expertise in their specific fields. The principal will also serve as a mentor to each new teacher.

Staff Survey

Mid-year survey will be used to gather feedback from new employees; the feedback provided by employees will be used to make positive changes for the school, staff, and students.

Reimbursement for course work

Teachers will be reimbursed for courses taken to obtain reading endorsement or additional relevant certifications.

Stipends

Instructional personnel who perform specific additional duties will receive stipends. Specifically, the Literacy Coach will receive an additional $1,000;

the Testing Coordinator will receive an additional $1,000; the ESE Coordinator will receive an additional $1,000; and the ESOL coordinator will receive an additional $1,000.

Performance Pay

Additional compensation will be provided for teachers who are rated as “highly effective” or “effective.” Highly effective teachers will receive a bonus of 4.5% of their annual salary and Effective teachers will receive a bonus of 3.5% of their annual salary.

D. Outline the school’s procedures for hiring and dismissing school personnel, including conducting criminal background checks.

SunEd High will follow specific procedures for hiring and dismissal of school personnel. To recruit quality employees, the School will implement a comprehensive recruitment process that includes advertisements at local universities; recruitment through online recruitment services; employee referrals; and job fairs organized by the School. The School is an equal opportunity employer and will not discriminate in the hiring process on the basis of sex, religion, race, color, age, disability or national origin. The School will always endeavor to hire the best-qualified applicants. Interested aplicants will undergo an extensive interviewing/screening process. This comprehensive process will increase the probability that personnel hired will be successful in their positions at SunEd High. All applicants must undergo Level 2 security background screenings through the AHCA Clearinghouse as a condition for employment in accordance with the requirements for charter schools set forth in section 435.04, F.S.

The SunEd High Employee Handbook clearly outlines the procedures for both Reduction in Force (RIF) and Employee Termination, as summarized below.

Reduction in Force

A Reduction in Force (RIF) may occur due to factors such as budget constraints, program or course changes, course elimination, decreased student enrollment, financial emergencies, or organizational restructuring. Prior to implementing a RIF, the administration will review all available alternatives and make every reasonable effort to avoid reductions. If a reduction becomes necessary, the principal will provide written notice to affected employees. When hiring resumes, the principal will make reasonable efforts to offer reemployment to former staff members who were impacted by the reduction.

Termination

- **Voluntary Termination:** Hourly employees who choose to resign before the end of the academic year are expected to provide at least two (2) weeks' written notice. Contracted or salaried employees are expected to fulfill the terms of their employment contract and complete the academic year. Failure to provide appropriate notice will be recorded in the employee's personnel file and may be referenced in future employment verifications.
- **Involuntary Termination:** It is the policy of the School to retain employees who perform their duties effectively and uphold professional standards. However, termination may be necessary under certain conditions and for good cause. Types of involuntary termination include:
- **Layoff (Reduction in Force):** As described above.
- **Performance-Based Termination:** Employment may be ended due to unsatisfactory job performance or failure to meet expectations.
- **Disciplinary Termination:** Employment may be terminated for misconduct, violation of school policy, or willful negligence. Employees dismissed for disciplinary reasons will not be considered for reemployment.

The School reserves the right to terminate, demote, or suspend part-time, temporary, or probationary employees at any time and for any lawful reason. Consistent with Florida law, employment at SunEd High is at-will, meaning that either the employee or

the School may terminate the employment relationship at any time, with or without cause or notice, unless otherwise provided by written contract.

E. If personnel policies have been developed, include as Attachment R. If personnel policies and procedures have not been developed provide a clear plan, including timeline, for the development and approval by governing board.

F. Explain how the governing board and school leadership would handle unsatisfactory leadership, teacher, or staff performance, as well as leadership or teacher turnover.

Enter content here

Unsatisfactory Performance

The Governing Board expects all employees to perform their assigned duties at or above satisfactory levels, adhere to professional standards of workplace behavior, and comply with all applicable laws, rules, and regulations. All employees, including school leadership, are subject to corrective or disciplinary action when warranted. The purpose of disciplinary action is to correct deficiencies, foster professional growth, and maintain a positive and respectful work environment—not to punish.

The *SunEd High Employee Handbook* outlines a progressive discipline process designed to ensure fairness and due process:

- **Verbal Warning:** The administrator meets privately with the employee to discuss the issue, review relevant policies, and explain expectations and potential consequences if the issue is not corrected.
- **Written Warning:** For repeated or more serious concerns, the administrator conducts a formal counseling session and issues a written warning describing the issue, the required corrective actions, and a specific timeline for improvement. The warning also outlines possible further disciplinary actions, including suspension or termination.
- **Disciplinary Leave or Probation:** If performance or conduct does not improve, the employee may be suspended or placed on disciplinary probation, depending on the circumstances. The employee receives a final warning stating that termination will follow if expectations are not met within the probationary period. Successful improvement results in removal from probation.
- **Termination:** Employees who fail to correct deficiencies or who commit serious misconduct—such as gross insubordination, violence, dishonesty, substance abuse, or falsification of records—are subject to immediate termination.

The Governing Board monitors the performance of the school principal through:

- Regular school site visits,
- Results of programmatic and compliance reviews,
- Student performance outcomes,
- Financial audits, and
- Stakeholder surveys.

The Board provides timely feedback and professional support following evaluations and visits. If, after support and evaluation, the principal's performance remains unsatisfactory, the Board may elect not to renew the principal's annual contract.

Leadership and Teacher Turnover

The Governing Board and School leadership are committed to maintaining a positive, safe, and supportive work environment that encourages employee engagement and retention. This includes providing opportunities for professional growth, maintaining open channels for feedback and suggestions, and offering competitive compensation and benefits. While some level of turnover is expected, the School will actively seek to reduce it through continuous improvement practices, including:

- Conducting exit interviews to identify patterns or areas for improvement in staff retention,
- Administering annual staff surveys to assess workplace climate and job satisfaction, and
- Implementing strategies to strengthen employee engagement and morale.

To ensure stability and continuity, the School maintains a comprehensive recruitment and succession plan to fill vacancies promptly with qualified candidates. The School will:

- Encourage and support non-certified teacher assistants to pursue certification and become part of a pipeline of future teachers, and
- Provide leadership development opportunities for current staff to prepare them for potential leadership roles within the organization.

This proactive approach ensures the School's capacity to maintain a highly qualified and mission-aligned team of educators and leaders.

Evaluation Criteria: Human Resources and Employment

Reviewers will look for:

- A clear explanation of the relationship between employees and the school.
- Description of the school leader and teacher evaluation plans, or outline of such plans, which align with the Student Success Act as defined by state law.
- A compensation and benefits plan or outline of such a plan that is aligned with Florida's Student Success Act, and will attract and retain quality staff.
- Procedures that are likely to result in the hiring of highly-effective personnel.
- Policies and procedures that hold staff to high professional standards or a plan to develop such policies and procedures.
- An effective plan to address any leadership or staff turnover.

4. Professional Development

Reviewer Instructions

The Professional Development section should clearly describe the proposed expectations and opportunities for administrators, teachers, and other relevant personnel.

Statutory Reference(s):

NA

Evaluation Criteria:

A response that meets the standard will present:

- Professional development activities for administrators and instructional staff that align with the educational program and support continual professional growth as well as growth in responsibilities related to specific job descriptions.

Form Result

A. Describe the school's professional development expectations and opportunities for administrators and instructional personnel, including the following:

1. Identify the person or position responsible for overseeing professional development activities.
2. Discuss the core components of professional development and how these components will support effective implementation of the educational program. Discuss the extent to which professional development will be conducted internally or externally and will be individualized or uniform. Describe how the effectiveness of professional development will be evaluated.

2. Describe any professional development that will take place prior to school opening. What will be covered during this induction period? How will instructional personnel be prepared to deliver any unique or particularly challenging aspects of the curriculum and instructional methods?
3. Describe the expected number of days or hours for professional development throughout the school year, and explain how the school's calendar, daily schedule, and staffing structure accommodate this plan. Include time scheduled for common planning or collaboration and how such time will typically be used.

Enter content here

The principal will be responsible for overseeing professional learning activities.

Internal/On-Site Professional learning

Annual Professional Learning Plan - Professional learning opportunities will be offered throughout the school year. The School will follow a professional learning calendar consisting of monthly trainings aligned to the School's educational plan, annual goals, initiatives, and priorities. Trainings will be conducted by members of the administrative team, teachers with expertise in specific areas, representatives from companies of educational programs used by the School, or educational consultants, as needed.

Professional Learning Communities (PLC) – Professional learning communities will be established that address areas of student need. An analysis of baseline and progress monitoring data will provide a basis for selecting areas for teacher collaboration and planning. Teachers will meet weekly to plan, implement, evaluate and revise the effectiveness of instruction and how it is impacting student achievement. Teachers will work collaboratively to discover solutions to many of the challenges faced by students and staff.

External Professional Learning

- **District Professional Development –** Teachers and staff will participate in professional learning offered by the district, as available, to strengthen staff members' skills in their respective areas of assignment.
- **Professional Growth Opportunities** – Teachers and staff will also be encouraged to seek out professional development activities through online resources, institutions of learning, and other educational organizations. Additionally, all teachers and other instructional personnel will be required to complete an Individual Professional Growth Plan, in collaboration with the administrator.

Evaluating Effectiveness of Professional Learning

All professional development activities will be evaluated for effectiveness through surveys and close monitoring by the administrative team. Administrators will review evaluation surveys for professional learning sessions and adjust the content or presentation model as needed. Administrators and other academic leaders will conduct classroom walkthroughs, participate in PLCs, review lesson plans, and analyze student data to determine whether teachers are implementing professional learning to improve instructional practices and support students in making learning progress. Professional opportunities offered by the School will help teachers take ownership of the learning program.

Prior to school opening, teachers and staff at SunEd High will engage in 10 days of orientation, training, and preparation – the first seven days will be dedicated to professional learning, trainings, and induction activities (as needed), and the three remaining days will be dedicated to preparation and planning, setting up of classrooms, and organization of instructional materials.

Topics to be covered during the initial seven days of orientation, training, and professional learning include the following:

Day	Topics

Day 1	School highlights from last year; sign-in/sign-out; arrival/dismissal; student rotation schedule; mission/vision; dress code; re carpet service; ethics; record keeping; lesson plans; student performance documentation; safety and security; active assailant
Day 2	Certification; Beginning teacher Mentoring Program; Leadership Development Program; teacher evaluations, educator competencies, teacher rewards and recognition program; school calendar; staff calendar; committees; school teams; communication plan; announcements; parent involvement; surveys; culture; classroom management; character development; parent conferences; call logs; student mentoring program
Day 3	ESE; CPR; ESOL; mental health; professional growth plans; PLCs; IS Program;
Day 4	Edmentum trainings; transition; new students; attendance and behavior issues
Day 5	Direct instruction; Bloom's Taxonomy; lesson planning; classroom set-up; school improvement; assessments; Read 180; Graduation Cohort; Bootcamps; Data Analysis; Data Chats; Using Data; MTSS/RtI
Day 6	Blended curriculum delivery and grading expectations; academies; Artificial Intelligence; CAN Program; Faculty/Staff Handbook; Staff and Student Surveys; Parent/Student Handbook; Student Rewards and Recognition Program;
Day 7	Policies and procedures enforcement; professional growth plans

Throughout the school year, professional learning opportunities will be formally scheduled each month during designated teacher professional learning workdays. The School will adhere to the district's calendar for teacher planning days. Approximately six professional development days, in addition to the ten pre-planning days prior to the start of the school year, will be dedicated to professional learning activities. The duration and structure of each session will vary based on the topic(s) being addressed. The principal will facilitate professional learning by providing information and training during scheduled faculty and department meetings. Additionally, teachers will be offered opportunities to participate in district-sponsored professional learning sessions throughout the year. The principal will continuously monitor teacher effectiveness and student performance to identify areas for further professional growth. Based on identified needs, targeted support such as coaching, modeling, peer observations, or online courses will be provided to strengthen instructional practice and address any noted areas for improvement.

The Student Recruitment and Enrollment section should describe how the school will attract and enroll its student body.

Statutory Reference(s):

s. 1002.33(7)(a)7.; s. 1002.33.(7)(a)8.; s. 1002.33(10)

Evaluation Criteria:

A response that meets the standard will present:

- A student recruitment plan that will enable the school to attract its targeted population.
- An enrollment and admissions process that is open, fair, and in accordance with applicable law.
- A plan and process that will likely result in the school meeting its enrollment projections.

Form Result

A. Describe the plan for recruiting students that will result in the school meeting its projected enrollment. Include strategies for reaching the school's targeted populations and those that might otherwise not have easy access to information on available educational options including, but not limited to, families in poverty; academically low-achieving students; students with disabilities; and English Language Learners.

Enter content here

The School will employ a comprehensive plan for recruiting students to meet its projected enrollment. The following strategies and activities will be utilized to ensure that the School's targeted population will be informed of available options that will be offered:

- The School will hire a community liaison/enrollment specialist approximately three months prior to the opening of the School to reach the School's target population. Duties of the community liaison/enrollment specialist include the following:
  - establishing relationships with surrounding schools, businesses and organizations (i.e., churches, community health organizations, community centers, community assistance organizations, community businesses) to build awareness of the programs and services offered by the School
  - designing a system for referral of students to the School;
  - visiting surrounding schools to meet with counselors and administrators to develop awareness of the programs and services available for at risk students, students with disabilities, English language learners and students who are in danger of dropping out of school;
  - distributing pamphlets throughout the community (e.g., stores, schools, community centers, churches, etc.)
- The School will conduct student recruitment fairs in which the following will occur:
  - Parents and students will be provided with an overview of programs and services offered by the School;
  - Parents and students will be provided with the opportunity to meet key staff members;
  - School staff will conduct tours of the facility once it is acquired;
  - The School will display banners and signage outside the facility.
- The School will create brochures in three languages (English, Spanish, and Haitian-Creole) and mail to surrounding communities.
- The School will advertise through social media (e.g., Instagram, Facebook)
- The School will include the website address for the two currently operating SunEd High Schools (located in Broward) in all advertisements.

B. Explain how the school will achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other local public schools in accordance with section 1002.33(7)(a)8., F.S.

6. Parent and Community Involvement

Reviewer Instructions

The Parent and Community Involvement section should provide a broad overview of the school's plans to encourage and support parental and community involvement.

Statutory Reference(s):

NA

Evaluation Criteria:

A response that meets the standard will present:

- A general conception of how parents will be involved with the school that aligns with the school's mission and provisions of the educational program. A detailed plan may be developed following approval.

Form Result

A. Briefly explain the general plan to engage parents in the life of the school (in addition to any proposed governance roles described in previous sections of this application, if applicable) as well as plans for regular communication with parents about school matters. This *could* include building family-school partnerships to strengthen support for learning, volunteer opportunities, or activities the school will seek from, or offer to parents. This *must* include the governing board's appointment of a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes, s. 1002.33(7)(d)1., F.S.

Enter content here

SunEd High recognizes the importance of parental involvement in the education of students and will strive to involve parents in their children's learning and to form an open line of communication between school and home. SunEd High will ensure regular communication with parents and promote parental involvement through the following actions:

1. **Communication with Parents** - Communication regarding student progress will include interim progress reports, report cards, standardized test results with explanations, parent letters, parent notes, parent/teacher conferences, administrator/parent/student conferences, phone calls, emails. Parents will be able to track their students' progress through access to the Edmentum curriculum and through the Focus platform. There will also be an automated parent communication system that contacts parents to give them messages related to school events, activities, and school closures. SunEd High will use social media, email blasts, school newsletters, parent meetings, and other forms of communication to provide continual information to parents and community members.
2. **Parent Workshops** – The School will provide training for parents twice a year on accessing and interpreting student progress reports from *Edmentum* so that they may stay abreast of how their children are progressing in their courses. Additionally, the School will host monthly parent meetings to provide parents with information on the School's educational programs, graduation requirements, state assessments, and strategies for supporting their children with regards to academics and careers.
3. **Parent Involvement/Volunteer Opportunities** - Parents will be invited to volunteer in the School on any given day of the week with prior notification and after meeting appropriate district requirements. Parents will also be invited to attend or volunteer at specific school events which may include the following: College and Career Day; Open House; Family Literacy Nights, Parent Workshops, and other events.
4. **Governing Board Meetings** - Parents will be provided with notifications of board meetings and be encouraged to attend. As required by law, the school's website will provide information regarding Board Meetings and post meeting minutes as required by law.
5. **School Advisory Committee** - Parents will have an opportunity to serve on the School Advisory Committee.

To ensure that parents and students are aware of all school policies and procedures, SunEd High will provide parents with a comprehensive Parent-Student Handbook and maintain a comprehensive and up-to-date website providing parents with critical information about the School. Students and parents will be asked to sign the Parent-Student Contract that is in the handbook and return it to the School. In the contract, parents and students will acknowledge that they have read all policies and procedures delineated in the handbook and will abide by them. Additionally, parents and students will be asked to sign the Parent-Student-School Compact which states the responsibilities of each party in forming a partnership to strengthen student learning.

The Governing Board will comply with s. 1002.33(7)(d)1., which states that each charter school's governing board must appoint a representative to facilitate parental involvement; provide access to information; assist parents and others with questions or concerns; and resolve disputes. In accordance with the law, the representative must reside in the school district in which the charter school is located and may be a governing board member, a charter school employee, or an individual contracted to represent the governing board. The representative's contact information must be provided annually in writing to parents and posted prominently on the charter school's website.

SunEd High will abide by all provisions of the Parental Rights in Education and Curriculum Transparency. The School recognizes that parents have a statutory right to inspect or access instructional materials used by the school to educate their children. The School will inform parents of their right to access the school's Edmentum curriculum and all other instructional materials used at the school. The School will have a process for parents to follow should they have an objection to the use of any specific material. Parents will have be able to monitor their students' progress on Focus.

B. Discuss any established community resources that will be available to students and parents, if applicable. Describe any partnerships the school will have with community organizations, businesses, or other educational institutions. Specify the nature, purposes, terms, and scope of services of any such partnerships including any fee-based or in-kind commitments from community organizations or individuals that will enrich student learning.

D. Describe the process of appointing a representative to facilitate parental involvement, provide parents access to information, and resolve parental disputes. Include a description of how the dispute resolution procedures are designed to resolve and protect the rights of parents as enumerated in ss. 1001.42(8)(c)1.-6., 1002.20 and 1014.04, F.S.

Enter content here

In accordance with s. 1002.33, F.S., SunEd High's Governing Board will appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the charter school is located and may be a governing board member, a charter school employee, or an individual contracted to represent the governing board. If the governing board oversees multiple charter schools in the same school district, the governing board must appoint a separate representative for each charter school in the district. The representative's contact information must be provided annually in writing to parents and posted prominently on the charter school's website.

Dispute Resolution Procedures

- **Florida Statute 1001.42(8)(c)1-6** - When resolving parent disputes, SunEd High will follow all provisions related to student welfare as specific in s. 1001.42(8)(c)1-6, F.S. Below is a summary of the specific and relevant requirements provided in the statute:
    - The School will notify a student's parent if there is a change in the student's services or monitoring related to the student's mental, emotional, or physical health or well-being and the school's ability to provide a safe and supportive learning environment for the student. The procedures must reinforce the fundamental right of parents to make decisions regarding the upbringing and control of their children by requiring school personnel to encourage a student to discuss issues relating to his or her well-being with his or her parent or to facilitate discussion of the issue with the parent. The procedures may not prohibit parents from accessing any of their student's education and health records created, maintained, or used by the school.
    - The School may not prohibit school personnel from notifying a parent about his or her student's mental, emotional, or physical health or well-being, or a change in related services or monitoring, or that encourage or have the effect of encouraging a student to withhold from a parent such information. School personnel may not discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being. This subparagraph does not prohibit the School from adopting procedures that permit school personnel to withhold such information from a parent if a reasonably prudent person would believe that disclosure would result in abuse, abandonment, or neglect.
    - Student support services training developed or provided by the School district to school personnel must adhere to student services guidelines, standards, and frameworks established by the Department of Education.
    - At the beginning of the school year, the School must notify parents of each health care service offered at the School and the option to withhold consent or decline any specific service. Parental consent to a health care service does not waive the parent's right to access his or her student's educational or health records or to be notified about a

change in his or her student's services or monitoring as provided by this paragraph.

- **Florida Statute 1002.20, F.S.** - SunEd High will comply with the following provisions stipulated in **s.1002.20, F.S.** related to K-12 student and parent rights: "Parents of public-school students must receive accurate and timely information regarding their child's academic progress and must be informed of ways they can help their child to succeed in school."
    - As stated in the law, "K-12 students and their parents are afforded numerous statutory rights including, but not limited to, providing input, consent, or receiving information related to, but not limited to: attendance, health issues, discipline, safety, educational choice, non-discrimination, students with disabilities, limited English proficient students, student records, student report cards, student progress reports, school accountability and school improvement rating reports, fiscal transparency, athletics, extracurricular activities, instructional materials, and other pertinent areas to their child's education."
    - SunEd High will follow the following provision stated in **s. 1002.20(19)(b), F.S.**: "The parent of each public school student has the right to receive effective communication from the school principal as to the manner in which instructional materials are used to implement the school's curricular objectives, in accordance with the provisions of s.1006.28(4)(a)."
- **Parents' Bill of Rights -** The School will abide by the Florida legislation related to parental rights that reinforces parents' primary role in their child's education and well-being; requires schools to keep parents informed and to obtain consent for certain services; and limits the ability of schools or state agencies to make decisions on behalf of a child without parental involvement. The School will abide with all provisions of the Parent's Bill of Rights, Chapter 1014, which includes:
    - 1014.03 Infringement of Parental Rights
    - 1014.04 Parental Rights
    - 1014.05 Notifications on Parental Rights
    - 1014.06 Parental Consent for Health Care Services

Evaluation Criteria: Parent and Community Involvement

Reviewers will look for:

- A general conception of how parents will be involved with the school that aligns with the school's mission and provisions of the educational program. A detailed plan may be developed following approval.

V) BUSINESS PLAN

The Business Plan should provide an understanding of how the charter operators intend to manage the school's finances. It should present a clear picture of the school's financial viability including the soundness of revenue projections; expenditure requirements; and how well the school's budget aligns with and supports effective implementation of the educational program.

1. Facilities

Reviewer Instructions

The Facilities section should provide an understanding of the school's anticipated facilities needs and how the school plans to meet those needs.

Statutory Reference(s):

s. 1002.33(7)(a)13.; s. 1002.33(18)

Evaluation Criteria:

If a facility is acquired, reviewers will look for:

- Evidence that the proposed facility complies with all applicable laws, regulations, and policies and can be ready for the school's opening OR a timeline to ensure the facility will be in compliance and ready by school's opening.
- A facility that is appropriate and adequate for the school's program and targeted population.
- Evidence that the school has the necessary resources to fund the facilities plan.
- A reasonable back-up plan should the proposed facility plan fall through.

If a facility is not yet acquired, reviewers will look for:

- A realistic sense of facility needs.
- A plan and timeline for securing a facility that is appropriate and adequate for the school's program and targeted population.
- Reasonable projections of facility requirements.
- Evidence that the school has the necessary resources to fund the facilities plan.
- Adequate facilities budget based on demonstrated understanding of fair market costs.

If the site is acquired:

A. Describe the proposed facility, including location, size, and layout of space.

If the site is not yet acquired:

F. Explain the school's facility needs, including desired location, size, and layout of space.

Enter explanation here

The exact location of SunEd High is not yet confirmed. Several prospective sites are being considered and evaluated within the southeast part of Broward County. The goal is to locate areas that were densely populated enough to support an additional school coupled with a diverse student population that would benefit from the SunEd High's educational model. Ideally the facility acquired will have access to public transportation, allowing all students to attend irrespective of the location of their domicile in Broward County or outside Broward County. If the Board is unable to locate a suitable facility in this area, it would search for an adequate facility in another part of Broward County. In determining the school site, the Governing Board will consider the best interests of the community, the district, and the students.

The building is anticipated to include instructional areas that will accommodate as many as 550 students over a two-session day in grades 9-12. As per the site location for the proposed SunEd High, the Governing Board is planning to secure a building that is approximately 10,000 - 15,000 square feet, preferably a stand-alone property on one floor, with adequate parking for faculty, students, parents, and visitors, as well as access to public transportation.

SunEd High's curriculum is based on a blended learning approach which combines computer-based learning with teacher-directed instruction. As such, the Governing Board plans to equip the building with large computer learning labs, reading classrooms, a career lab, and designated areas for small-group instruction. Additionally, there will be administrative offices, a reception area, teacher facilities, student bathrooms, a student records room, a server room, a career lab, a supply storage room, and common areas.

G. Provide an estimate of the costs of the anticipated facility needs and describe how such estimates have been derived. Identify, if applicable, any funding sources (other than state and local funding) that will be applied to facilities-related costs and include evidence of such (e.g. letter, MOU) as Attachment U.

Enter content here	The Governing Board and the Educational Service Provider (ESP) possess expertise and vast experience in assessing the costs of modifying existing facilities to accommodate individual student computer workstations. Based upon previous experience related to modifying existing facilities, the Board and ESP estimate a cost of approximately $250K to $500K which is reflected in preliminary budgets. Moreover, after an overall assessment of comparable buildings in various areas within the southeastern part of Broward County that would meet the needs of the School's educational design, it is projected that the monthly cost for the appropriate type of facility would be approximately $35,000 per month. After a review of the School's budgeted revenue for Year 1, the School's enrollment would support the cost for an appropriate facility at $35,000 per month. The School's budgeted revenue for Years 2-5 would support a facility with a cost within the parameters of $25,000 and $35,000 per month. If needed, additional funding sources will be used for facility-related costs. Funding Sources (included as Attachment U): • Existing bank statements exhibiting sufficient funds to acquire for this project. • Memorandum of Understanding from Building Hope.
Attachment U: Evidence of facility funding sources, if applicable	

H. Explain the strategy and schedule that will be employed to secure an adequate facility.

Enter explanation here

The following strategies will be employed to secure an adequate facility:

1. Research available options for the school facility in Broward County. One area that is being considered is the Hollywood area. The south-central area of Broward County and the Hollywood area have adequate bus routes where students can arrive to school on time. Presently, there are available locations that have a rent scale within the School's anticipated startup budget. The School will be located an adequate distance from other alternative high schools as well as district schools. SunEd High intends to locate to an existing facility or a facility requiring minimal renovation. The facility will be designed to meet the needs of the students, parents, staff and community.
2. Check with all local municipalities for charter school approval, regulations and compliance.
3. Select top three locations and review cost and time structure with construction renovation crew.
4. After reviewing all construction bids and timetable, start negotiation of lease with top three locations. It is anticipated that the Governing Board will sign the lease and approve all construction costs bids by March 2026.
5. The Governing Board will enter into a long-term lease for the facility with a rent cost that is set at or below market rates.

Estimated timeline for a 2026-2027 Opening:

September 2025 – Begin the search for school facility
February 2026 – Upon approval of charter application, locate facility, negotiate and sign lease, Begin due diligence on build-out of the facility.
March 2026 – Finalize building configuration with owner; Begin build-out.
April 2026 - Continue build-out and purchase FF&E for July arrival.
June-July 2026 - Building completed; Inspections completed.
SunEd High will secure a Type E Certificate of Occupancy before the building is occupied as an educational facility. If this is a change in occupancy from the previous use of any building intended to be used as an educational facility, the facility is considered a "new educational facility" and subject to Florida Building Code pursuant to Chapter 553 and the Florida Fire Prevention Code, pursuant to chapter 633. Prior to opening, SunEd High will:

- have the building inspected for asbestos and a certificate will be presented to the charter school office prior to opening.

- have the building professionally tested for radon and lead.
- ensure that the building is ADA compliant.
- submit a traffic plan to Broward County Traffic Engineering for approval.
- ensure that the building complies with Health Department requirements regarding general health and sanitation such as standards for food service, drinking water, and sewer/sanitary facilities.

I. Describe the back-up facilities plan.

Enter content here

If the selected facility becomes unavailable for use by the SunEd High student body, the Governing Board will seek assistance from Building Hope, a similar agency, or an appropriate financial institution. Building Hope provides a range of services, including guaranteeing or ensuring leases for personal or real property essential to the operation of charter schools, as well as identifying and presenting alternative facility options for Board consideration. Any alternative facility must be suitable for educational use and meet all requirements outlined above. SunEd High recognizes that all backup educational facilities must comply with the same safety codes, standards, and certificate of occupancy (CO) requirements as permanent school sites. If the Governing Board determines that securing an appropriate facility in time for the planned 2026 school opening is not feasible, the Board will notify the Sponsor and formally request a one-year deferral of the school's opening.

Evaluation Criteria: Facilities

If a facility is acquired, reviewers will look for:

- Evidence that the proposed facility complies with all applicable laws, regulations, and policies and can be ready for the school's opening OR a timeline to ensure the facility will be in compliance and ready by school's opening.
- A facility that is appropriate and adequate for the school's program and targeted population.
- Evidence that the school has the necessary resources to fund the facilities plan.
- A reasonable back-up plan should the proposed facility plan fall through.

SunEd High will always have a safe-school officer on campus during the school day for the protection and safety of school personnel, property, students, and visitors. In accordance with s. 1006.12, school districts must collaborate with charter school governing boards to facilitate charter school access to all safe-school officer options available under this section. Per s.1006.12(1)(a), F.S., "school resource officers shall undergo criminal background checks, drug testing, and a psychological evaluation and be certified law enforcement officers, as defined in s. 943.10(1), who are employed by a law enforcement agency as defined in s. 943.10(4). The powers and duties of a law enforcement officer shall continue throughout the employee's tenure as a school resource officer. The school's governing board may implement any combination of the options below to best meet the needs of the school.

School Resource Officer

Per s. 1006.12(c), F.S., "school resource officers must complete mental health crisis intervention training using a curriculum developed by a national organization with expertise in mental health crisis intervention. The training shall improve officers' knowledge and skills as first responders to incidents involving students with emotional disturbance or mental illness, including de-escalation skills to ensure student and officer safety." School resource officers shall consult with and coordinate activities through the school principal but shall be responsible to the law enforcement agency in all matters relating to employment, subject to agreements between a district school board and a law enforcement agency.

School Safety Officer

Per 1006.21(2)(a), school safety officers shall undergo criminal background checks, drug testing, and a psychological evaluation and be law enforcement officers, and be employed either by a law enforcement agency or by the district school board. If the officer is employed by the district school board, the district school board is the employing agency for purposes of chapter 943 and must comply with that chapter. School resource officers shall abide by district school board policies and shall consult with and coordinate activities through the school principal but shall be responsible to the law enforcement agency in all matters relating to employment, subject to agreements between a district school board and a law enforcement agency.

School Guardian

Per s.1006.12(3), F.S., the governing board may participate in the Chris Hixon, Coach Aaron Feis, and Coach Scott Beigel Guardian Program to meet the requirement of establishing a safe- school officer. The following employees at a charter school may serve as a school guardian upon satisfactory completion of all the specific requirements set forth in statute and certification by a sheriff: (1) a school employee who volunteers to serve as a school guardian in addition to his or her official job duties or (2) a school employee who is hired for the specific purpose of serving as a school guardian.

School Security Guard

Per s.1006.12(4)(a-c), F.S., the School may contract with a security agency to employ as a school security guard an individual who holds a Class "D" and Class "G" license pursuant to chapter 493, provided specific training and contractual conditions are met as stated in the law. As stated in the law, an individual who serves as a school security guard must (1) demonstrate completion of 144 hours of required training pursuant to s. 30.15(1)(k)2; (2) pass a psychological evaluation administered by a

psychologist licensed and submit the results of the evaluation to the sheriff's office, school district, or charter school governing board, as applicable; (3) pass an initial drug test and subsequent random drug tests in accordance with the requirements of s. 112.0455 and sheriff's office, school district, or charter school governing board, as applicable; (4) be approved to work as a school security guard by the sheriff of each county in which the school security guard will be assigned to a school before commencing work at any school in that county; (5) successfully complete ongoing training, weapon inspection, and firearm qualification on at least an annual basis and provide documentation to the sheriff's office, school district, or charter school governing board, as applicable.

The primary duty of the safe-school officer is to abate an active assailant situation on the campus. Safe school officers are to be visible within the school, build working relationships with the School's staff as well as with students, parents, and community groups. The School will establish a policy for the use of safe school officers outside of regular school hours, including during and after school, summer school, during extracurricular activities, and for school-sponsored events, as applicable.

As stipulated in 1003.12(5), the School will notify the county sheriff and the Office of Safe Schools immediately after, but no later than 72 hours after a safe-school officer is dismissed for misconduct or is otherwise disciplined or when a safe-school officer discharges his or her firearm in the exercise of the safe-school officer's duties, other than for training purposes.

B. Explain how the school will adopt an active assailant response plan and provide annual training on the plan, as required by section 1006.07(6), F.S.

Enter explanation here

In accordance with s. 1006.07(6), F.S., the Governing Board will adopt an active assailant response plan. SunEd High will align school safety and security plans with state and district regulations. The active assailant response plan will include plans and expectations for responding to an active assailant situation using the following three (3) strategies: evading or evacuating, taking cover, or hiding, and responding to or fighting back. The plan will clearly designate individuals to carry out specified procedures in the event of a crisis. Prior to the first day of school for the first year, and by October 1st of each year thereafter, the principal shall certify that all school personnel have received annual training on the procedures contained in the School's active assailant response plan and documented in the FSSAT. The Governing Board will also adopt a Family Reunification Plan to reunite students with their families in the event the School is unexpectedly closed or evacuated due a natural or manmade disaster. The plan will reviewed annually with all stakeholders and updated, as needed.

The School will provide necessary resources and training for students and staff in matters relating to youth mental health awareness and assistance; emergency procedures, including active shooter training; family reunification; and school safety and security. SunEd High will comply with youth mental health awareness training requirements for school personnel as specified in s. 1012.584, F.S.

The School will conduct all required drills as required by law, including active assailant drills that will be conducted in accordance with developmentally appropriate and age-appropriate procedures at least as often as other emergency drills. All drills will be conducted in consultation with the appropriate public safety agencies. Fire drills shall be conducted in accordance with the Florida Fire Prevention Code. The School will also complete six emergency drills every school year that are separate and nonconcurrent with fire drills. Four drills must address active threat scenarios and two must address other emergency events (e.g., severe weather, natural disasters, hazardous materials, reunification). One of the six drills must occur within the first 10 school days of the beginning of the school year. The School's administration will complete an after-action report for each drill which will be provided to the District's School Safety Specialist.

In accordance with Rule 6A-1.0019(18), students will be issued student identification cards that include numbers for national or statewide crisis and suicide prevention hotlines and text lines. The School will require all employees to wear a badge and all visitors will be required to check in at the office before entering the school campus.

The School's Governing Board will adopt a bullying and harassment prevention policy that aligns with the Florida Department of Education Model Policy Against Bullying and Harassment for K-12 Schools. The School will implement zero-tolerance policies that clearly define offenses that require consultation and law enforcement as required by state and district guidelines.

The School will follow the SunEd High Safety and Emergency Management Handbook that includes the School's active assailant response plan, staff and student safety policies and procedures, procedures for campus visitors, procedures for emergency drills that include fire drills, lockdown drills, tornado drills, active assailant drills, and any other drills required by the district or state. The handbook will stipulate all policies and procedures regarding the security of the facility and property. Prior to

the opening of the school each year, the handbook will be reviewed with all staff members.

The School will complete a Florida Safe Schools Assessment Tool (FSSAT) and develop a security plan for the School that includes school safety and security for students, staff, the facility, and property. The tool is designed help school officials identify threats, vulnerabilities, and appropriate safety controls for the schools that they supervise. As stated on the Safe Schools section of the FDOE website, the tool addresses the following:

- School emergency and crisis preparedness planning;
- Security, crime, and violence prevention policies and procedures;
- Physical security measures;
- Professional development training needs;
- An examination of support service roles in school safety, security, and emergency planning;
- School security and school police staffing, operational practices, and related services;
- School and community collaboration on school safety; and
- A return on investment analysis of the recommended physical security controls.

The School will comply with s. 1006.076(c, F.S. related to having public safety agencies tour the campus every three (3) years and provide recommendations related to school safety. Pursuant s. 1006.07(4)(b)1-5, parents of charter school students have a right to timely notification of threats, unlawful acts, and significant emergencies that occur on school grounds, during school transportation, or during school-sponsored activities.

In accordance with Rule 6A-1.0018(9), the School will implement a mobile panic alert system capable of connecting diverse emergency services technologies to ensure real-time coordination between multiple first responder agencies. The panic alert system, known as "Alyssa's Alert," will integrate with local public safety answering point infrastructure to transmit 911 calls and mobile activations. SunEd High will promote the use of FortifyFL which will be advertised on the School's website, installed on all mobile devices issued to students, and bookmarked on all computer devices issued to students. The School will comply with all other school safety requirements set forth in Rule 6A-1.0018 and Florida Statutes.

C. Explain how the school will establish a threat assessment team as required by section 1006.07(7), F.S.

Enter explanation here

SunEd High will adhere to s. 1006.07(7), F.S., which stipulates that a school shall establish a threat assessment team whose duties include "the coordination of resources and assessment and intervention with individuals whose behavior may pose a threat to the safety of school staff or students consistent with the model policies developed by the Office of Safe Schools. Such policies must include procedures for referrals to mental health services, when appropriate, and procedures for behavioral threat assessments in compliance with the instrument developed pursuant to s. 1001.212(12)." The School will ensure that information is shared with the district, local law enforcement, and community agencies, as necessary, when there is a risk of harm to a student, staff person or school site.

In accordance with 1006.07(7)(a), F.S., SunEd High's threat assessment team will be comprised of persons with expertise in counseling, instruction, school administration, and law enforcement. The counseling team member must be a school-based mental health services provider that is able to access student mental health records. The law enforcement team member must be a sworn law enforcement officer, as defined by section 943.10(1), F.S., including a School Resource Office, school-safety officer, or other active law enforcement officer. All threat assessment team members must complete specific training on the Florida Model before the start of the school year. Each school-based threat assessment team must meet as often as needed to fulfill its duties of assessing and intervening with persons whose behavior may pose a threat to school staff or students, but no less than monthly.

As further stipulated in s. 1006.07(7)(a), F.S., the threat assessment team "shall identify members of the school community to whom threatening behavior should be reported and provide guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a threat to the community, school, or self." If the threat assessment team makes a preliminary determination that a student poses a threat of violence or physical harm to himself or herself or others, it shall immediately report its determination to the district and notify law enforcement if the individual poses an immediate threat to himself or herself or others. The threat assessment team will follow district's policies for determining the legitimacy and severity of a threat and make referrals to licensed mental health professionals or law enforcement as appropriate. The principal shall immediately attempt to notify the student's parent or legal guardian. School personnel are not prohibited from acting immediately to address an imminent threat. If school personnel suspect an immediate mental health or substance abuse crisis, they shall follow policies established by the threat assessment team to engage behavioral health crisis resources.

As required by law, upon the student's transfer to a different school, the threat assessment team shall verify that any intervention services provided to the student remain in place until the threat assessment team of the receiving school independently determines the need for intervention services.

D. Explain how the school will accurately and timely report incidents related to school safety and discipline as required by section 1006.07(9), F.S.

Enter explanation here

In accordance with s. 1006.07(9), F.S., SunEd High will ensure the accurate and timely reporting of incidents related to school safety and discipline. The principal will be responsible for complying with the School Environmental Safety Incident Reporting (SESIR) which determines how school-related safety and disciplinary incident data must be collected, reported, and published. The principal will complete required training on SESIR, as required under Rule 6A-1.0017(10). If the principal determines that an incident meets the criteria for reporting under the School Environmental Safety Incident Reporting (SESIR) requirements established in Rule 6A-1.0017, F.A.C., the incident must be reported to the Florida Department of Education through the SESIR online reporting system. Parents and the public have the right to access school safety and discipline incident data reported through SESIR, as published by the Department of Education.

SunEd High will utilize FortifyFL, a suspicious activity reporting tool that allows students and the community to relay information anonymously concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, to appropriate public safety agencies and school officials. SunEd High shall promote the use of this tool by advertising it on the School's website, in newsletters, on school campuses, and in other school publications or notifications. Parents will be notified promptly on the day that any threat, unlawful act, or significant emergency occurs. Depending on the situation, administration will issue a statement through the parent notification system (ParentLink) and Remind to inform parents and guardians of the incident, its status, and when it has been resolved. Administration will ensure that notification is made immediately upon the resolution of any immediate danger and no later than the same day the incident occurs.

Evaluation Criteria: School Safety and Security

Reviewers will look for:

- A plan that reasonably ensures the safety of students and staff and the protection of the school facility and property. Note that a fully developed plan will be completed after approval of the application.
- A description of how the school plans to comply with the requirement that at least one safe-school officer is present while school is in session.
- Procedures that clearly demonstrate a plan to respond to active assailant incidents.
- A description of how the school plans to train school staff to respond to active assailant incidents.
- A description of how the school will establish a threat management team to coordinate resources, assess and intervene with students whose behavior may post a threat to the safety of the school, school staff or students.

Question was added at 02/13/2026 05:14 PM by Morgan Nykiel

A- SSO:

Which Safe School Officer option does the school intend to utilize for coverage?
What is the school's plan for back-up, in the event of a lack of coverage at the school?
B- Response Plans
Has the school identified an Alyssa's Alert system/platform they intend to utilize, which meets the requirements of Alyssa's Law?
C - Threat Management:
How and when does the school intend to provide guidance to students/faculty/staff on the topic of recognizing threats?
Please address by what time (in relation to the school year) the school intends to have identified and trained team members for threat management.
D - School Discipline Reporting:
What additional method for advertisement will the school utilize for the FortifyFL portal, as required by law?
Describe when students will be trained on the use of FortifyFL, per florida statutes.

5. Budget

Reviewer Instructions

The Budget section should provide financial projections for the school over the term of its charter.

Statutory Reference(s):

s. 1002.33(6)(a)5.; s. 1002.33(6)(b)2.

Evaluation Criteria:
A response that meets the standard will present:

- Budgetary projections that are consistent with and support all key aspects of the application, including the school's mission, educational program, staffing plan, and facility.
- A realistic assessment of projected sources of revenue and expenses that ensure the financial viability of the school.
- A sound plan to adjust the budget should revenues not materialize as planned.

Form Result

A. Provide as Attachment X, an operating budget covering each year of the requested charter term that contains revenue projections (using the Florida charter school revenue estimate worksheet as Attachment W for at least the first year of operation), expenses, and anticipated fund balances. The budget should be based on the projected student enrollment indicated in Section 2 of the application. A template for the operating budget may be available from the sponsor upon request.

D. Provide a detailed narrative description of the line-item revenue and expenditure assumptions on which the operating and start-up budget are based. The budget narrative should provide sufficient information to fully understand how budgetary figures were determined.

Enter content here

A description of the line-item revenue and expenditure assumptions on which the operating and start-up budget are based is provided below.

Budget Assumptions: The operating budget was based upon the financial expertise of the Board, educational service provider, and accountant. This group of professionals has operated successful charter schools in Florida. Specific experience related to operations is based upon average expenditures at the schools and particularly upon other schools operated in Broward County. Using financial statements and cash flow experience from other schools, the following assumptions have been made in development of the 5 Year Operating Budget:

Revenues: Initial FEFP revenues are based upon Attachment W. The Charter School Revenue Estimate Worksheet for FY27 was populated to agree with enrollment projections and program allocations based upon allocations from other similar alternative charter high schools. Total revenues for Years 1-5 were determined based using the FLDOE Charter School Revenue Estimating Worksheet for each year. Each year was calculated using the FLDOE FY26 Charter School Revenue Worksheet. In this way, we are conservatively estimating FEFP revenues. Capital outlay funding is based on enrollment and cash receipts from other schools. Contributions, donations and grant monies have been omitted to provide a realistic budget.

During Start-up, revenues will be provided in the form of "cash advances" from the fund balance of other schools operated by the same Governing Board within the same district. These monies will be repaid as the new School becomes more financially secure. It is anticipated that a total of $600,000 will be provided in the Development Period. Initially, funds will be provided for operations during Start-up and an additional used to purchase computers and furniture will be provided at the start of Year 1. The monies advanced will be repaid from operations during Years 1-5. By the end of Year 5, the School's fund balance should exceed three months operating expenditures.

Expenditures – The estimated expenditures are based upon actual operations for the past two years of similar programs operated in Broward County.

Payroll & Benefits - Staffing is based upon the makeup of the student population enrolled each year. A detail of positions and related salaries is presented by year as part of Attachment X – 5 Year Operating Budgets. The students attend one of two sessions. Therefore, the student/teacher ratio of 25:1 is 50:1 for purposes of this school. The calculations relating to statutory class-size ratios are also included within Attachment X. Salary increases from year to year are estimated to be 3% annually.

Expenditures - Specific assumptions related to line items are included within Attachment X. An inflation factor has been included from year to year. Certain expenditures are directly related to enrollment. The particulars for a specific line item can be found on the schedule.

E. Discuss the school's contingency approach and plan to meet financial needs if anticipated revenues are not received or are lower than estimated. This may include budgets for 75% and 50% of revenue projections or a budget for whatever percentage the applicant considers the minimum percentage at which they could operate the educational plan presented.

Enter content here

If anticipated revenues are not received or are lower than estimated, the School has several options. The School will first rely on cost-cutting measures such as adjustment of staffing or salaries, reductions in allocations for hardware and software purchases, contracted services, etc. The Board may use funds from the other entities it operates to meet any financial shortfalls that may arise. If needed, the Board will obtain funding from Building Hope or other financial institutions. Budgets for 75% and 50% of revenue projections are included as Attachment X.

F. Explain in detail the year one cash flow contingency plan, in the event that revenue projections are not met (or not met on time).

Enter explanation here

See response to **E** above. To ensure SunEd High would be able to operate effectively if it does not meet revenue projections, it has created a budget at 50% and 75% of the anticipated enrollment. These budgets, included as Attachment X, include the necessary changes to ensure a balanced budget.

G. Provide monthly cash flow projections for the school's start-up period (i.e. from the date on which the application is approved to the beginning of the first fiscal year of operation) through the first year of operation.

Enter content here

Monthly Cash Flow Projections – See Attachment Y. The monthly cash flow statements begin with the Board providing all the cash required for the Start-Up period. Expenditures include obtaining a facility, professional expenses (attorneys, accountants), staffing of the principal and other staff prior to Year 1, etc.

Attach any files containing cash flow projections (optional)

Evaluation Criteria: Budget

Reviewers will look for:

- Budgetary projections that are consistent with and support all key aspects of the application, including the school's mission, educational program, staffing plan, and facility.
- A realistic assessment of projected sources of revenue and expenses that ensure the financial viability of the school.
- A sound plan to adjust the budget should revenues not materialize as planned.

6. Financial Management and Oversight

Reviewer Instructions

The Financial Management and Oversight section should describe how the school's finances will be managed and who will be responsible for the protection of student and financial records.

Statutory Reference(s):
s. 1002.33(6)(a)5.; s. 1002.33(7)(a)9.; s. 1002.33(7)(a)11.
Evaluation Criteria:
A response that meets the standard will present:

- A clear description of how the school's finances will be managed, including who (or what contracted entity) will manage the finances. Such plan should contain strong internal controls to ensure appropriate fiscal management and ability to comply with all financial reporting requirements.
- A plan for the governing board to regularly exercise oversight over and take accountability for all financial operations of the school.
- Provisions for an annual financial audit.
- Appropriate public transparency of school financial health.
- Appropriate plan to securely store financial records.

- A plan to obtain appropriate and reasonable insurance coverage.

Form Result

A. Describe who will manage the school's finances and how the school will ensure strong internal controls over financial management and compliance with all financial reporting requirements.

Enter description here

Management of the School's finances will be the primary responsibility of the contracted Educational Service Provider (ESP) in accordance with the management agreement. The ESP will have authority to make financial decisions and execute monetary transactions related to day-to-day operations in accordance with the budget approved by the Governing Board. The ESP will work closely with the School's external accounting firm. The accountant will be responsible for preparation of monthly and annual financial statements submitted to the district, maintenance of the general ledger, and completion of monthly bank account reconciliations. Monthly FEFP calculation statements issued by the district will be reviewed and analyzed by the accountant and the ESP. Separation of duties and oversight review procedures between the Board, the ESP and the accountant will ensure strong internal controls over financial management.

B. Explain the mechanisms the governing board will use to monitor the school's financial health and compliance.

Enter explanation here

The Governing Board will monitor the School's financial health and compliance as they review monthly FEFP calculation statements, financial statements, detailed reports of expenditures and monthly cash flows. Financial statements will provide a comparison to the approved budget for year-to-date activity and will be provided to the Governing Board at the same time as they are provided to the district. Disbursements not previously approved as part of the operating budget will require special approval from the Board; any expenditure that exceeds $10,000 will require signature/approval of two authorized signers. The Board will review actual v. budget results periodically so appropriate revisions to the annual budget resulting from enrollment and/or expenditure changes can be made.

C. Describe the school's plans and procedures for conducting an annual audit of the financial operations of the school.

Enter description here

The School will issue "Requests for Proposals" (RFP's) from independent accounting firms with expertise relative to charter school financial reporting and compliance as required by the FDOE and the Broward County School District. The School agrees to obtain an annual audit in compliance with the Governmental Accounting Standards Board (GASB), federal, state and school district regulations showing all revenues received, from all sources, and all expenditures for the period July 1 through June 30 of that year. The audit shall be conducted by an accountant certified under the laws of the State of Florida and paid for by the School. Each board member, as well as the Broward County School District and FDOE, will receive the current school year ending June 30th financial statements with independent auditor reports. The above procedures and protocol will ensure that SunEd High School is 100% compliant.

D. Describe the method by which accounting records will be maintained.

Enter description here

All accounting records will be maintained by the School's contracted accountant. Electronic records including the general ledger, financial statements, support schedules, bank reconciliations, etc. will be maintained on the accountant's server. Supporting documentation for expenditures including original invoices, purchase orders, employee and/or contractor agreement, inventory records and the like will be maintained by the ESP.

E. Describe how the school will ensure financial transparency to the authorizer and the public, including its plans for public adoption of its budget and public dissemination of its annual audit and financial report.

Enter description here

Financial transparency to the district authorizer and the public will be ensured by the adoption of an annual budget by the Governing Board at a regular meeting that is properly noticed and held in accordance with the Florida Sunshine Law. The budget for each year will be based upon prior experiences managing this school and others with similar programs. This budget will be presented to the Governing Board and must be approved. The Annual Budget will then be sent to the school district, posted on the School's website, on the FDOE website as part of the annual accountability report and is included in the district's annual audit report that is posted on the district website.

F. Describe any key back-office services to be outsourced via contract, such as business services, payroll, and auditing services. Include the anticipated costs of such services and criteria for selecting such services.

Enter description here

Back-office services to be outsourced via contract include payroll and human resource management, and financial reporting. Selection of contracted back-office services will be via several RFP's. Non-academic day-to-day operations, including facility management, will be contracted to an educational service provider (ESP). The ESP contract, like other charter school contracts, will provide for payment based upon a percentage of FEFP and other revenues. The budgets included in this application provide for a 15% management fee. Payroll services will be outsourced to a company that specializes in human resource reporting of new hires, creating employee payroll checks, calculating withholding, making payroll tax deposits and preparing and filing payroll tax reports. The ESP will be responsible for oversight of payroll as part of their contract and the payroll company fees are traditionally based on a "per employee fee." Bookkeeping and financial reporting services will be outsourced to an accounting firm. Non-recurring and recurring reporting related to specialized grants can have an impact on fees. Independent auditors will be contracted. See "C" above for discussion of RFP process. At present, SunEd High School works with several vendors that specialize in working with Florida charter schools relative to staff payroll, financial reporting and auditing. These vendors have been working with current SunEd schools for many years and have a proven record. Fees can vary depending upon how many students are enrolled, how many staff members are employed, and special projects and/or grants.

G. Describe how the school will store financial records.

Enter content here

All hard copies of invoices, contracts and agreements will be maintained at the School and the ESP company office. Electronic financial systems will be maintained and backed up on the accountant's server.

H. Describe the insurance coverage the school will obtain, including applicable health, workers compensation, general liability, property insurance, and directors' and officers' liability coverage.

Enter content here

The current SunEd schools presently work with several different insurance carriers who have demonstrated their proficiency in acquiring the proper insurance coverage to ensure compliance. These insurance policies meet and or exceed district requirements (health, workers compensation, general liability, property insurance, directors' and officers' liability). All Certificates of Insurance will be sent annually to the district's Risk Management office. These policies will be reviewed each year by the School's ESP and RFP's will be sent out to ensure the School receives the proper insurance at a competitive rate.

Attach any insurance policies or related documents (optional)

7. Start-Up Plan

Reviewer Instructions

The Start-Up Plan should provide a clear roadmap of the steps and strategies that will be employed to prepare the school to be ready to serve its students well on the first day of operation.

Statutory Reference(s):
s. 1002.33(7)(a)16.
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Provides a thoughtful and realistic implementation plan that covers major operational items and provides flexibility for addressing unanticipated events.

Form Result

A. Present a projected timetable for the school's start-up, including but not limited to the following key activities:

i. Applying for and securing appropriate legal status (e.g. status as a state corporation, federal non-profit)
ii. Identifying and securing facility
iii. Recruiting and hiring staff (leaders, teachers, and other staff)
iv. Staff training
v. Finalizing curriculum and other instructional materials

vi. Governing board training
vii. Policy adoption by Board (if necessary)
viii. Recruiting students
ix. Enrollment lottery, if necessary
x. Establishing financial procedures
xi. Securing contracted services
xii. Fundraising, if applicable
xiii. Finalizing transportation and food service plans
xiv. Procuring furniture, fixtures and equipment
xv. Procuring instructional materials

The activities included should align with the start-up budget described earlier in the application. If an activity will be paid for by a source of funding not included in the start-up budget, it should be clearly indicated. (This timetable is a projection and is not meant to be binding on the school or sponsor. A formal timeline may be negotiated in the charter agreement)

VII) ADDENDA

Instructions

This addendum to the Model Florida Charter School Application is required of any applicant seeking any of the following:

- Replication of existing schools or school models*
- School operation or management via contract with a third-party education service provider (ESP**)

*An applicant may be considered to be replicating an existing school design if: 1) the proposed school is substantially similar overall to at least one school, AND 2) the individuals or organization involved in the establishment and operation of the proposed school are deeply involved in the operation of the similar school(s). For example, a plan to implement a specific program, such as a widely-used curriculum, would not be categorized as the replication of an existing school design.

**An ESP is any third-party entity, whether non-profit or for-profit, that provides comprehensive education management services to a school via contract with the school's governing board.

Complete each section as applicable:
Addendum A – Applicants seeking to replicate an existing school or school model
Addendum A1 – Applicants seeking to replicate a high-performing charter school per s. 1002.331, F.S.
Addendum B – Applicants contracting with a third-party ESP

Applicants must complete all applicable sections of the addendum. Some applicants will be required to complete multiple addenda. Schools replicating a high-performing charter school pursuant to s. 1002.331, F.S., are not required to complete Addendum A.

1. Replications

Reviewer Instructions

The Replications section should identify the school to be replicated and provide evidence that the model has been successful in raising student achievement, while also describing the capacity of the organization to operate an additional school.
Statutory Reference(s):
s. 1002.33(6)
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.
- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.

- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

Form Result

A. Identify the existing school(s), including MSID number(s), to be replicated and provide evidence that the existing design has been effective in raising student achievement. The effectiveness of an existing school design should include evidence of the success of the academic program as well as organizational and financial viability. It should show a direct relationship between program elements and student achievement.

SunEd High of North Broward (MSID #5861) opened in 2014, and SunEd High School of South Broward (MSID #5060) opened in 2019. Both schools have been successfully operated by the Sunshine Charter Academy, Inc., Governing Board. The educational model of the schools has successful in helping at-risk, credit deficient, and over-aged high school students earn a standard high school diploma. The student population served by SunEd schools consists of students who have not been successful at the traditional public high school. Many of these students have dropped out of school and are performing significantly below grade level. Our students are seeking a program that will help them with credit recovery and assist them in meeting the requirements for earning a graduation diploma.

SunEd High's blended educational model combines online instruction with teacher-led direct instruction. Students can complete courses at their own pace through the Edmentum curriculum. Also, they receive daily instruction in core academic areas in subject-specific classrooms delivered by state-certified teachers. Teachers reinforce concepts and address the individualized, data-driven needs of students. A reading-certified teacher provides Intensive Reading instruction for students who have not achieved proficiency on their State-mandated ELA exam using the Read 180 (and Core) research-based programs. The school utilizes additional computer-based adaptive educational programs such as IXL and Gizmos to provide differentiated instruction and skills reinforcement for students in ELA. math, and science.

SunEd High provides a comprehensive program that addresses the needs of the "whole child." Students are supported academically, socially, and emotionally. Upon arrival at the school, each student's academic record is carefully reviewed, baseline assessments are administered, and an Individualized Graduation Plan is developed to meet the unique needs of the student. Every student is assigned an adult mentor who works closely with their mentee to provide academic support, encouragement, and resources to help them overcome barriers to success. SunEd High recognizes the importance of preparing students for post-secondary success. Through the career academies offered by the schools, students can complete CTE courses that will give them an opportunity to earn industry certifications in high demand career fields.

As alternative education schools, SunEd High campuses receive an annual School Improvement Rating (SIR) from the Florida Department of Education (FDOE). SIR schools may earn one of three possible ratings: Commendable (a significant percentage of students are making learning gains), Maintaining (a sufficient percentage of students are making learning gains), or Unsatisfactory (an insufficient percentage of students are making learning gains). As shown below, in all years in which the State has issued ratings, SunEd schools have primarily earned Commendable ratings and have never received an Unsatisfactory rating.

SunEd High of North Broward

- 2014–2015: First year of school — No Rating Assigned
- 2015–2016: Incomplete
- 2016–2017: Commendable

- 2024–2025: Commendable

SunEd High of South Broward

- 2019–2020: No Grade Issued to Schools (COVID)
- 2020–2021: No Grade Issued to Schools (COVID)
- 2021–2022: Commendable

- 2023–2024: Commendable
- 2024–2025: Maintaining

SunEd High's financial viability is demonstrated through its annual financial statements, which consistently show that each school maintains a healthy fund balance. For FY 2024–25, the total net position as of June 30, 2025, was $4,055,880 for SunEd High of North Broward and $3,186,164 for SunEd High of South Broward. Due to strong fiscal responsibility, sound accounting practices, and regular monthly oversight by the Governing Board, the schools have had no audit findings since their inception.

B. Discuss the key components or non-negotiable elements of the educational program that make the school design what it is and that the operator will expect to remain consistent and essential to the successful replication of the model.

Several key components make the school design successful and are essential to its replication. In the area of academics, the reading program has proven to yield significant gains in students' reading scores. Also, the data management system that provides teachers with progress monitoring data has given teachers and administration the ability to target areas of need in all academic subjects. The Mentoring Program supports the success of the academic program by making students aware of their academic achievements as well as their areas of weakness and how to address these areas. It allows students to have ownership of their learning. It also gives teachers the opportunity to address the social/emotional needs of the students. Mentors can learn about things going on at home or in the community involving the student that may be impacting the student's success and provide that information to the correct support personnel that can help the student overcome the issue. The flexible learning sessions allow the target student population to work, if needed, while going to school. It also allows credit deficient, over-aged students an opportunity to recover credits while working at their own pace.

C. Describe how the target population for the proposed school compares with the population(s) currently being served. Explain why the model will be effective and successful in raising student achievement with the applicant's target population.

The target population for the proposed school aligns directly with the population currently served by existing SunEd schools. The instructional model already in place has demonstrated consistent effectiveness in improving student achievement, as evidenced by state assessment data. Since their inception, SunEd schools have implemented a blended instructional model, flexible learning sessions, a self-paced curriculum, a comprehensive mentoring program, career and guidance services, individualized graduation plans, and well-established schoolwide processes and procedures. These components have collectively contributed to sustained growth and increased student success each year. School Improvement Ratings for each SunEd school have been predominantly *Commendable*, and none of the schools have ever received an *Unsatisfactory* rating. This strong track record reinforces the effectiveness of the model and its capacity to support the proposed school's target population.

D. To the extent that the target population for the proposed school differs from the populations being served in existing schools, explain any anticipated modifications and adjustments to the educational program.

The School intends to serve a similar target population as the populations served by the other SunEd High schools. Therefore, no modifications or adjustments are needed to the educational program.

E. Describe any other ways in which features of the proposed school's educational program will differ from that of the school(s) to be replicated. Explain the rationale for the change(s) and any new resources that the variation(s) will require.

To provide students with expanded opportunities for post-secondary success, SunEd schools will broaden Career and Technical Education (CTE) course offerings within targeted career academies, enabling students to earn industry-recognized certifications in high-demand fields. Additional career pathways will include the following: Emergency Medical Responder; Medical Office Administrative Assistant; Certified Nursing Assistant; Medical Laboratory Assistant; EKG/ECG Technician; Dental Assistant; Daycare Worker; Early Childhood Associate; Child Care Worker; Bank Teller; Cybersecurity Specialist; and Legal Administrative Specialist. Research consistently shows that high-quality CTE programs—especially those culminating in industry credentials—are associated with improved educational and workforce outcomes. SunEd High is committed to helping students graduate with marketable skills that directly support entry into competitive, high-growth industries.

F. Discuss the plan for replication, including if the operator will need to acquire and allocate additional financial and human resources necessary to replicate the design successfully. If additional resources are necessary, describe the plan for securing.

The applicant group has successfully replicated the SunEd model already. The existing schools are operating in good financial standing. Projected budgets for the new School have been created at 100%, 75%, and 50% of the new school's projected enrollment to ensure a balanced budget. A variety of options are available to the School should additional funding be needed to operate the School.
The principal and enrollment specialist for the new school will be hired in April 2026 to ensure there is adequate time to prepare for the school's opening in August 2026 These tasks include, but are not limited to, the following: recruiting students, hiring personnel, overseeing building modifications and any additions that meet all state standards for a school facility, purchasing furniture, fixture, and equipment, setting-up computer labs and classrooms and labs, and completing all other necessary educational, personnel, and campus-related tasks.

G. Discuss the results of any past replication efforts, if applicable, and lessons learned – including particular challenges or troubles encountered; how you have addressed them; and how you will avoid or minimize such challenges for the proposed school.

In 2019, SunEd High of South Broward (MSID #5861) was successfully opened as a replication of SunEd High of North Broward (MSID #5060). The smooth and orderly opening of the school was due to the extensive planning and preparation that provided a road map of every detail and procedure required for opening a new charter school. It is anticipated that opening the new charter school will be a success due to the applicant group's prior experience in replicating the model.

Evaluation Criteria: Replications

Reviewers will look for:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.
- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.
- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

2. High-Performing Replications

Reviewer Instructions

The High-Performing Replications section should identify the school to be replicated and provide evidence that the proposed school meets the statutory requirements of being a substantially similar model of a school that has been designated as a High-Performing Charter School and is being established and operated by an organization or individuals that were significantly involved in the operation of the school being replicated.
Statutory Reference(s):
s. 1002.331
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Evidence that the applicant's school and the school to be replicated (if different) are designated by the Commissioner of Education as a High-Performing Charter School.
- Evidence that the proposed school will be substantially similar to the high-performing school that is being replicated. Reviewers should base this determination on the response to this question as well applicant's proposed educational, organization, and business plans as described throughout the application.
- Evidence that the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of the high-performing school that is being replicated.

Form Result

A. Identify the High-Performing Charter School that is submitting the application and include as Attachment AA the Commissioner of Education letter pursuant to s. 1002.331(5)F.S., designating such school as High-Performing.

Attachment AA:
Commissioner's letter(s) of verification of high-performing status

-

B. Identify the High-Performing Charter School that the applicant intends to replicate, if different from the school identified in the previous question.

-

C. Describe how the proposed school will be substantially similar to the high-performing school that is being replicated.

-

D. If the applicant's projected student population is substantially different than the student population in the high-performing school that is being replicated, describe any modifications to the educational program that are necessary to ensure student success.

-

E. Explain how the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of the high-performing school that is being replicated.

3. Education Service Providers

Reviewer Instructions

The ESP section should provide a rationale for contracting with the ESP, evidence of ESP success in operating high-quality charter schools, the capacity of the ESP to successfully operate this school, and evidence that the governing board and ESP are able to operate free from conflicts of interest.
Statutory Reference(s):
s. 1002.33(6)(a)
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- A clear explanation of the reasons for contracting with an education service provider and how and why the ESP was selected and a description of the due diligence employed to assess the capacity of the ESP.

- Sufficient evidence of the ESP's previous academic, organizational, and financial success and capacity for future success that make it more likely than not that it will be successful with the proposed school.
- Evidence of the ESP's organizational capacity to manage an additional school or schools as determined by its growth plan.
- A comprehensive list (Form IEPC-MIA) of all schools affiliated with the ESP and ensuing performance data used to support the selection of the ESP (past and current).
- Evidence of success working with similar populations to the target population. If there are deficiencies or lack of experience working with the target populations, then reviewers will look for a sufficient explanation of programmatic adjustments that will be made to ensure success with any new school(s).
- A clear delineation of the roles and responsibilities and decision-making authority of the school's governing board and the ESP, structured to ensure a clearly defined arm's-length, performance-based relationship that is free from conflicts of interest. This includes evidence that the school's governing board has a clear plan for holding the ESP accountable for negotiated performance.
- A clear delineation of the term of the management agreement, the conditions, grounds and procedures by which the agreement may be renewed and terminated, and a plan for continued operation of the school in the event of termination.
- A draft of the proposed contract with all key terms included.

An Education Service Provider (ESP) is an organization, either for-profit or nonprofit, that contracts with a charter school or a network of charter schools to provide comprehensive educational and business services. In addition to Addendum B, applicants must also complete Form IEPC-M1A if the governing board plans to contract with an ESP. The following section allows the applicant to demonstrate the ESP's track record of success and its ability to provide services for a new school(s).

ESP Selection

A. Explain why the applicant is seeking to contract with an ESP rather than operate the school(s) directly.

During SunEd High's initial years of operation, all back-office functions were managed internally. While this model was workable, it placed significant administrative burdens on school-level staff and limited the organization's ability to grow efficiently. After contracting with Gold Key, a highly qualified Education Service Provider (ESP), the schools realized substantial improvements in operational efficiency, consistency, and overall productivity.

Partnering with an ESP alleviates the day-to-day operational pressure on campus administrators—freeing them from time-consuming tasks such as financial management, HR processes, procurement, compliance tracking, and data reporting. By delegating these responsibilities to a specialized team, school leaders can focus their efforts where they are most impactful: supporting students, coaching staff, engaging families, collaborating with the district, and ensuring adherence to all local, state, and federal requirements. This strategic partnership allows SunEd High to maintain strong academic and operational oversight while benefiting from the expertise and stability of a professional school management team.

B. Explain how and why the ESP was selected. If this is the first time the applicant has contracted with this ESP, explain when and how the applicant learned of the ESP, what other ESPs were considered, and why the ESP was selected over other ESPs.

Credit Recovery Education Group, LLC (CREG) was selected by the Governing Board based on the extensive experience and proven track record of its senior leadership team. Although CREG is newly established, its Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, and other key executives have decades of combined experience in successfully operating, managing, and supporting charter schools in Florida. Additionally, CREG recently welcomed Ms. Tammy Lara—the founding Principal and Director of Education for both existing SunEd schools, each of which has consistently performed well academically, financially, and operationally. Ms. Lara now serves as Executive Director of Alternative Education Programs at CREG. Her expertise in alternative high school programming and deep familiarity with SunEd's model were key factors in the Board's decision.

C. For applicants working with an ESP for the first time, provide summary information from reference checks conducted by the applicant (regarding the ESP), identifying each reference.

N/A

D. Describe whether and how the school's board has assessed the capacity of the ESP to successfully carry out the functions necessary to operate a high-quality charter school.

The Governing Board thoroughly evaluated the experience, performance history, and operational capacity of CREG's executive management team. This team has a long-standing record of successfully managing charter schools, including extensive work in facilities acquisition, school finance, and day-to-day operations. In 2022, the leadership team acquired SMART Management—an ESP established in 2009 that supported numerous Florida charter schools. Since the acquisition, SMART-supported schools have seen strengthened academic performance and improved financial practices. Of the 21 charter schools receiving SMART Management services in the 2025 school year, nine earned A or B grades, and three previously D-rated schools improved to a C. All schools achieved a C or higher, had no audit findings, and ended the year with positive fund balances. In 2025, the same team acquired Gold Key, LLC, the long-time ESP for the SunEd High schools. CREG has demonstrated a deep commitment to alternative education and a strong dedication to supporting at-risk youth. Based on its proven capacity and leadership expertise, the Board is confident in CREG's ability to operate a high-quality charter school.

ESP Background

A. Provide the mission of the ESP and an overview of the organization's strategic vision, including, if applicable, a five-year growth plan, and rationale for managing new schools.

Credit Recovery Education Group (CREG) was founded on the belief that every school offers a unique educational environment, and its mission is to support the governing board's vision by ensuring high-quality management of school operations and finances. CREG provides expertise so that school leaders can remain focused on student achievement rather than administrative burdens. CREG also provides support in facilities planning and development, working with reputable developers and contractors to secure high-quality school buildings that meet program needs.

Mission:

To provide schools with the services, knowledge, and operational support necessary to maintain high expectations for teaching and learning; ensure strong financial, operational, and human resources management; and enable school leaders to remain focused on student success.

Vision:

To assist schools in achieving:

- High school graduation for all students
- Personalized, flexible, and blended instructional models that meet the needs of diverse learners
- Student access to wraparound supports addressing non-academic needs
- Career readiness and post-graduation success

CREG also has significant experience in facilities planning and development, working with reputable developers and contractors to secure high-quality school buildings that meet program needs.

Five-Year Vision:

Over the next five years, CREG plans to expand services across Florida, increasing statewide capacity to serve at-risk students in diverse communities. Growth will be strategic and aligned with CREG's commitment to high-quality alternative education programming.

B. Identify the ESP's leadership team and their specific roles and responsibilities. Include as Attachment BB an organization chart for the ESP.

- **Thomas Torkelson, Chief Executive Officer**
  Strategic planning, organizational leadership, public relations, board accountability, performance monitoring, talent and culture development, and stakeholder relations
- **Wyatt Truscheit, Chief Financial Officer**
  Budgeting, financial management, payroll, accounts payable, purchasing, insurance, food service oversight, audits, capital outlay programs, and required state and district reporting
- **Jeffery Rothschild, Chief Operating Officer**
  Facilities management, operations, maintenance, renovations, construction oversight, security systems, and transportation
- **Hailey McCarthy, Chief School Officer**
  Instructional leadership, curriculum oversight, assessment and testing, professional development, school improvement, ESE/ESOL compliance, teacher recruitment and placement, and overall academic compliance
- **Tammy Lara, Executive Director of Alternative Education Programs**
  Curriculum and instruction, testing, professional development, ESE/ESOL compliance, hiring and personnel oversight, operations support, accounts payable, purchasing, and payroll specific to alternative education programs

The ESP's Organizational Chart is included as Attachment BB.

ESP Track Record

A. Provide evidence of organizational capacity to open and operate high-quality schools in Florida and, if applicable, elsewhere in accordance with the overall growth plan. Outline specific timelines for building or deploying organizational capacity to support the proposed school. If the ESP intends to build capacity and add positions during the term of this proposed charter school, include an organizational chart of the proposed growth within the ESP leadership structure as Attachment CC.

CREG currently supports two alternative charter high schools in Broward County—SunEd High of North Broward and SunEd High of South Broward. Beyond CREG's direct portfolio, the executive leadership team also leads SMART Management, which provides services to 22 charter schools statewide. This team has a documented history of successfully managing school finances, operations, personnel, facilities, and compliance functions. CREG already maintains the staffing, systems, and structures necessary to support financial forecasting, budgeting, purchasing, facilities management, and HR functions—all critical elements of sustainable, high-quality school operations.

C. Explain the ESP's success in serving student populations similar to the target population of the school. Describe the ESP's demonstrated academic track record (provide specific academic results on all schools using Form IEPC-M1A, attached as Attachment DD).

Although CREG is a newly formed ESP, its Executive Director of Alternative Education, Ms. Tammy Lara, brings 35 years of educational experience and a strong track record in alternative high school leadership. Since 2014, she has successfully led SunEd High of North Broward and later SunEd High of South Broward, achieving:

- Multiple consecutive years of "Commendable" ratings
- Strong academic performance and student growth
- Positive programmatic and financial audits
- Full compliance with all district and statutory requirements

Ms. Lara's expertise spans data-driven decision-making, curriculum development, charter school financial management, accountability systems, and school operations.

Tammy Lara's experience, knowledge and success leading SunEd for the past 14 years combined with the extensive experience, knowledge and success of the ESP's leadership team will ensure continued success for the current and future alternative education programs managed by CREG. The SMART Management leadership team—now leading CREG—has successfully supported BridgePrep Academy schools statewide for the past several years. Of the 20 BridgePrep schools receiving SMART Management services in 2025, nine received A or B grades, all schools earned at least a C, and all had clean audits and positive fund balances.

D. List and explain any management contract terminations as well as any charter revocations, non- renewals, withdrawals or non-openings that the ESP has experienced in the past five (5) years.

NA

Legal Relationships

A. Describe how the school's governing board is independent from the ESP and self-governing, including evidence of arm's-length negotiating.

The School's Governing Board remains fully independent from the ESP. All contract negotiations involve both the ESP's reports and the School's independent counsel, ensuring arm's-length procedures and safeguarding Board autonomy.

B. Explain whether the school has or will have any legal or contractual relationships with any subsidiaries or other entities or individuals that are affiliated[4] with or owned in whole or in part by the ESP. If so, identify the nature of those entities' business activities and describe how the governing board will ensure that any such relationships will not pose a conflict of interest or hinder the board's authority or ability to terminate the contract with the ESP.

The School will not enter into legal or contractual relationships with any subsidiaries or other entities affiliated with or owned in whole or in part by the ESP.

C. Explain the supervisory responsibilities of the ESP (if any), including which school employees the ESP will supervise, how the ESP will supervise these employees, and how the school's governing board will oversee the ESP's supervisory responsibilities.

The ESP will not directly supervise any of the school's employees. The ESP will be responsible for working together with the principal to ensure that all academic and non-academic reporting and compliance responsibilities are fulfilled on an accurate and timely basis. The principal will supervise all employees of the School. The Governing Board will supervise the principal and oversee the ESP's performance. The ESP will be responsible for keeping the Governing Board apprised of the status of all aspects of the School on a regular basis. The Board Treasurer will be provided informal monthly updates relative to revenues and expenditures and the full Board will review current financial statements at each Board Meeting. The principal will be responsible for academic reporting. The Governing Board will contract an independent auditor on an annual basis to perform financial and compliance audits that should provide assurances that the School is operating in accordance with all statutes and contracts. Additionally, the District will perform regular operational and academic evaluations of the School's performance in accordance with their contract.

D. If the school's governing board intends to enter into a financing agreement (promissory notes, loans, leases, lease-purchase agreements, other negotiable instruments, or any other facility or financing relationships) with the ESP:

- Ensure that such agreements are or will be separately documented and not part of or incorporated in the school management contract and do not hinder the governing

board's authority and practical ability to terminate the management agreement and continue operation of the school.
- Provide evidence that the agreement was or will be reviewed by the governing board's independent legal counsel or attorney and subject to a fair market analysis.
- Describe how such agreements will be repaid. Repayments should be reflected in the budget.

The Governing Board does not intend to enter into any financing agreements with the ESP.

Organizational Structure

A. Provide a description of the roles and responsibilities of the ESP. This may include whether and how the specific roles and responsibilities set forth below may or may not be provided by the ESP, in order to summarize school- and ESP-level responsibilities. If some portions of a function are the responsibility of both the ESP and the governing board, please explain. The description should align with the management agreement with the ESP and provide a clear picture of what the ESP is responsible for.

- Setting Performance Goals Selecting Curriculum
- Selecting Professional Development programs
- Data Management & Selecting Interim Assessments
- Determining Promotion Criteria
- Setting a School Culture Student Recruitment
- School Staff Recruitment & Hiring
- Providing Human Resources (HR) services (payroll, benefits, etc.) Fundraising
- Managing Community Relations
- Selecting and Providing Information Technology Managing Facilities
- Procuring Vendors
- Other Operational and Administrative Services, if Applicable

4 The term "affiliated" means and includes one or more corporations or entities under the same or substantially the same control of a group of business entities which are connected or associated so that one entity controls or has the power to control each of the other business entities. The term "affiliated" includes, but is not limited to, the officers, directors, executives, shareholders active in management, employees, and agents of the affiliated corporation. The ownership by one business entity of a controlling interest in another business entity or a pooling of equipment or income among business entities shall be prima facie evidence that one business is affiliated with the other.

The Governing Board contracts with CREG to provide comprehensive educational, operational, and administrative services that support the effective functioning of the schools.

Performance Goal Setting and Data Monitoring

CREG collaborates closely with school leadership to establish annual performance goals. Throughout the year, these goals are monitored through monthly Leadership Team meetings, during which CREG reviews student performance, attendance, retention, and enrollment data. CREG provides ongoing analysis and strategic guidance to help ensure progress toward the established benchmarks, while also keeping the Governing Board informed of outcomes and developments.

Curriculum and Instructional Support

In the area of curriculum, CREG reviews and selects district-approved materials that best meet the needs of the student population. This includes exploring research-based intervention resources that may benefit students requiring additional academic support. Professional development needs are assessed collaboratively, with CREG identifying appropriate training opportunities that complement those already available through district and virtual platforms.

Data Reporting and Interim Assessments

CREG receives regular reports on student performance and operational data, which it synthesizes into monthly updates on progress toward annual goals. As challenges arise, CREG provides recommendations and strategies for improvement. The organization also works with school leaders to ensure that interim assessments align with district guidelines and requirements.

Student Recruitment and Community Engagement

To support student recruitment and community engagement, CREG develops marketing materials and outreach strategies that promote enrollment and strengthen local relationships. These efforts help build public awareness of the schools and support sustained enrollment growth.

Staff Recruitment and Human Resources Management

In staffing, CREG assists in recruiting, interviewing, and selecting qualified employees, and oversees the completion of all hiring requirements. The organization also contracts with a qualified human resources and payroll provider to manage HR functions, payroll, and benefits administration, subject to Governing Board approval.

Technology Support Services

CREG plays an important role in operational support by coordinating with an Information Technology Support provider to maintain the school's technology infrastructure. The organization also responds to identified needs for repairs, replacements, or the acquisition of new equipment to ensure that technology systems remain functional and efficient.

Facilities and Operations Management

For facilities management, CREG contracts with vendors to provide custodial services, maintenance, inspections, and security. The organization identifies appropriate insurance coverage, negotiates facility leases or usage agreements—including any necessary build-out or expansion—and oversees the ongoing operation and maintenance of all school facilities.

Vendor Procurement

Vendor procurement is managed by CREG, which ensures that external contractors providing essential services are properly vetted, experienced, and aligned with the school's needs. CREG oversees vendor selection and contracting to ensure quality services and compliance with operational requirements.

Accounting and Business Administration

In the area of business administration, CREG oversees financial controls and reporting in compliance with all applicable laws and charter requirements. CREG coordinates the annual financial audit and manages human resources and benefits administration processes. Working closely with the school's accountant, CREG provides the Governing Board with timely financial updates and supports the preparation of the annual budget and any necessary amendments. CREG also facilitates Board development activities, prepares meeting notices, assists with agenda development, and maintains official meeting minutes.

Additional Administrative and Strategic Services

Additional services may be provided with Governing Board approval. These include supporting the pursuit of grants and private donations, as well as assisting the schools and Board in the accreditation process. Through these coordinated efforts, CREG delivers a comprehensive suite of services designed to support the academic, operational, and organizational success of the schools.

B. Describe the oversight and evaluation methods that the board will use to oversee the ESP. What are the school-wide and student achievement results that the ESP is responsible for achieving? How often, and in what ways, will the board review and evaluate the ESP's progress toward achieving agreed-upon goals (e.g. external evaluator, surveys, or performance data analyses)? What are the conditions, standards, and procedures for board intervention, if the ESP's performance is deemed unsatisfactory?

The Board will evaluate ESP performance annually and periodically throughout the year, reviewing the following: financial performance and variance to budget; staff turnover; enrollment; academic performance; and operational and facilities management. The ESP must provide necessary data to the Board. Unsatisfactory performance or failure to meet contract obligations may result in intervention or termination.

C. Describe the payment schedule, including all fees, bonuses, early termination penalties, and any other compensation to be paid to the ESP.

Base Compensation

The School shall pay the ESP a Charter School Management fee of 15% of Full Time Equivalent (FTE) per annum during the term of the management agreement, unless terminated, provided the School receives such funds. Accommodations to set percentage may be lowered upon mutual agreement to ensure the School's financial viability. The School or the Board shall have no obligation to pay such fee before receiving the funds from the Sponsor or the State of Florida.

The fee shall be payable in equal monthly installments. The fee shall be adjusted annually at each anniversary based on the change in the prior year's Consumer Price Index or based on the year-to-year percentage change in the per student Full Time Equivalent (FTE) funding provided to the school under the law, whichever is less.

Additional Services

The ESP will provide additional services not covered under the management agreement to the Board, as requested by the Board, through a proposal to Board, and subject to Board approval. This may include services that are not within the regular course of school management which may include special projects, litigation coordination, and land use coordination. Such projects may include the engagement of other professionals or consultants who may be independent from the ESP.

Reimbursement of Costs

The ESP shall be reimbursed for actual costs it incurs in connection with travel, lodging, and other costs associated with attending required conferences and other events on behalf of the School, provided that the Board shall give prior written approval for such cost.

Incurred Expenses

Upon agreement by the Board and ESP, the base compensation, additional services, and reimbursable costs incurred for the current fiscal year may be realized for the following fiscal year.

D. Describe the types of spending decisions the management organization can make without obtaining board approval? What reports must the ESP submit to the board on financial performance, and on what schedule? How will the school governing board provide financial oversight?

Pursuant to s. 1002.33(9)(g), the School will maintain all financial records in accordance with the accounts and codes prescribed in the most recent edition of *Financial and Program Cost Accounting and Reporting for Florida Schools*. The School's Governing Board will approve the annual budget as well as any amendments that reflect changes in revenues or expenditures.

Within the limits of the Board-approved budget, the ESP is authorized to make disbursements for contracted services, leases, notes payable, ongoing contractual commitments, and payables for goods and services that have been verified by the School as received or rendered. Any expenditures outside the approved budget, or those that exceed established thresholds, will require prior Board approval.

At every Governing Board meeting, the ESP will provide a comprehensive financial report that includes, at minimum, the current bank statements, Statement of Revenues, Balance Sheet, and Profit and Loss Statement. These documents will allow the Board to monitor financial performance, ensure accountability, and identify any variances from the approved budget. The Governing Board will exercise ongoing financial oversight by regularly reviewing these reports, monitoring adherence to the budget, ensuring compliance with statutory and contractual requirements, and providing direction on any necessary corrective actions. Through this process, the Board will ensure that public funds are managed responsibly and that the School operates in a financially sound manner.

E. What is the term (duration) of the management agreement? Explain the conditions and procedures (including time frames, notice, and decision-making procedures) for renewal and termination of the contract? Describe the conditions that both the ESP and the school must satisfy for the management agreement to be renewed. On what grounds may the ESP or the governing board terminate the management agreement for cause? List any indemnification provisions in the event of default or breach by either party. If these provisions are addressed in the management agreement, the applicant may cite the specific sections.

Initial Term

The initial term of the management agreement shall not exceed five (5) years. The first three (3) years of the term shall automatically renew at the end of each school year unless the Board terminates the agreement for cause. The subsequent two (2) years shall likewise automatically renew at the end of each school year unless the Board elects to terminate the agreement for any reason, provided that the Board gives the ESP at least ninety (90) days' notice prior to the end of the then-current school year.

At the conclusion of the five-year term, the School shall have the option to renew the contract. The ESP agrees to renew the agreement at the School's option unless the School has breached the contract.

Renewal

Unless terminated by the Board, the terms of the management agreement shall be renewed concurrently with any renewals of the School's Charter Agreement.

Termination

The Board may terminate the agreement for cause with sixty (60) days' written notice to the ESP. "Cause" includes, but is not limited to:

- A material breach of the agreement by the ESP;
- Failure of the ESP to provide educational, support, or management services sufficient for the School to meet the Sponsor's standards;
- Debarment or similar governmental action against the ESP;
- Conduct by the ESP that could bring disrepute to the School or Board (including arrest or conviction for a felony or a crime of moral turpitude); or
- Any action or omission that endangers or materially compromises student safety.

Additionally, if the Sponsor terminates or materially alters its Charter Agreement with the School or Board, either the School/Board or the ESP may terminate the management agreement upon thirty (30) days' written notice, without penalty or liability to either party.

Indemnification

a. By the School. School agrees that it shall indemnify and hold Management Company harmless from and against any and all claims, liabilities, damages, losses, costs and expenses (including attorneys' fees and costs) of whatsoever nature or kind arising out of, caused by, resulting from or in any way connected with: (i) any material breach of this Agreement by School or Non-Profit Board or (ii) any negligent or intentional act or omission committed by School or Non- Profit Board in the performance of its obligations hereunder. The indemnification agreed upon by School may be addressed by the purchase of appropriate
insurance policies.

b. By the Management Company. Management Company agrees that it shall indemnify and hold School harmless from and against all claims, liabilities, damages, losses, costs and expenses (including attorneys' fees and costs) of whatsoever nature or kind arising out of, caused by, resulting from or in any way connected with: (i) any material breach of this Agreement by

Management Company, its employees, agents, contractors or subcontractors, or (ii) any negligent or intentional act or omission committed by Management Company, its
employees, agents, contractors, or subcontractors, in performance of its obligations hereunder. The indemnification obligations of Management Company hereunder may be achieved by the purchase of appropriate insurance policies.

C. Survival of Indemnification. The provisions of this Section shall survive termination any expiration or termination of this Agreement. Agreement may not be modified or amended except by a writing signed by the Parties. The Parties acknowledge that any amendment that results in a material change to the Agreement may require the School to have its Charter amended.

F. Provide as Attachment EE, a draft of the proposed management agreement with the ESP.

IX) DISTRICT REQUESTS

In addition to the Model Florida Charter School Application, the District requests the completion of two documents: Review Extension Letter and Consultant Information form. Download the provided file for each

District request, complete, and upload.

1. Review Extension Letter

Form Result

To review the application and provide appropriate and thorough feedback, the District requests that the applicant agrees to an extension of the 90-calendar day review period, if needed. Download, read, and check the option on the provided file indicating if the applicant agrees to provide the District with the opportunity of an extended review which allows for the potential inclusion of an applicant interview. If the applicant does not agree to the requested extension, if needed, the applicant will waive its opportunity for a capacity interview. This upload does not count as one of the additional 10 pages of attachments.

Recommendation

03/03/2026 02:33 PM by Rhonda L. Stephanik

Section 1002.33(6)(b)2.a, Florida Statutes, states, "A sponsor shall by majority vote approve or deny an application no later than 90 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the sponsor shall by majority vote approve or deny the application." Based on the review, evaluation and information provided in the capacity interview held on February 20, 2026, the Superintendent's Charter School Review Committee is recommending that the application for SunEd High of Hollywood be recommended to The School Board of Broward County, Florida, via the Superintendent, for approval.

EXECUTIVE SUMMARY
Property Entry for Site Assessments

Board Meeting Date: June 9, 2026

Requested Action:
Authorize the Superintendent to execute the Florida Department of Environmental Protection (FDEP) "Permission to Enter Property" for environmental assessment and related activities at the Broward Boulevard/Hiatus Road site, and ratify the prior authorization executed by former Superintendent Dr. Earlean Smiley. District 6

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 6	
School Board Policy Requirement	• None
Statutory Requirement	• None
If the School Board votes "Yes"	• FDEP and its agents will be permitted to access the site to continue environmental assessment and limited remediation activities, supporting regulatory compliance and enabling the District to market and sell the property.
If the School Board votes "No"	• A "No" vote will prevent continued assessment and remediation activities, may result in loss of available grant funding, may delay compliance with regulatory obligations, and may hinder the District's ability to market and sell the property.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	1. The successful limited remediation of identified contaminants in designated areas of the vacant land. 2. The sale of the vacant land to an interested buyer. 3. Closing on the sale transactions and subsequent SBBC receipt of the sale proceeds.

Background/History:

Elementary D-1, School Site No. 352.1, is an approximately 11.87-acre vacant parcel at the southeast corner of Broward Boulevard and Hiatus Road in Plantation. SBBC purchased the property on March 13, 1997, for $2,001,723 ($1,993,500 purchase price plus $8,223 in closing costs) for a future elementary school. On April 20, 2010, SBBC declared the property surplus under Section 1013.28, Florida Statutes, after determining it was no longer needed for educational purposes.

The property was later marketed for sale, and SBBC entered into purchase and sale agreements with several buyers, but each transaction ultimately failed. Most recently, on July 29, 2022, Lennar Homes LLC terminated its agreement. In a December 2, 2022 letter, the Broward County Environmental Permitting Division (BCEPD) advised FP&RE that, because no buyer remained contractually obligated to develop the site, SBBC was the "Responsible Party" under Section 27-356(d) of the Broward County Code and therefore had to obtain an Environmental Assessment and Remediation (EAR) License and continue required contamination assessment and cleanup under the Broward County Code and Chapter 62-780, Florida Administrative Code.

SBBC obtained the EAR License, and, on March 28, 2023, the then-Superintendent executed the FDEP Permission to Enter Property agreement. That same month, FDEP awarded Brownfields Program funding for assessment and remediation of the SBBC and OPWD parcels. Funding for this site totals $250,000 for assessment and $350,000 for remediation.

Using the federal Brownfields grant, Terracon conducted the initial assessment of the SBBC parcel, and the adjoining parcel owned by the Old Plantation Water Control District (OPWD). Most assessment funds have now been spent. The work, performed under FDEP and BCEPD oversight, identified contaminants in soil and groundwater and led to designation of a Selected Remediation Area (SRA) on the northwestern portion of the combined SBBC and OPWD parcels.

The SRA was used for agriculture from the late 1950s through the mid-1990s and may have included an agricultural maintenance building. The adjoining OPWD parcel lies immediately north of the SBBC property and is part of the SRA.

The SRA is currently in the environmental management and pre-remediation phase under FDEP and BCEPD oversight. It is enclosed by chain-link fencing and contains no structures or paved improvements.

A Voluntary Source Removal (VSR) Plan was developed to address impacted soils in the SRA through excavation and removal activities designed to satisfy state and local cleanup requirements for commercial land use. Broward County approved the VSR Plan on May 14, 2026, allowing remediation to begin as early as June 2026. This phase is intended to move the site toward regulatory closure, reduce environmental risk, and improve marketability for future sale.

FP&RE, Environmental Health & Safety, OGC, and outside environmental counsel have been coordinating for months on the site's assessment and remediation. The group recently agreed that updated appraisals should be obtained using the VSR Plan and related environmental reports so those conditions are reflected in valuation. Based on the most recent appraisals, the Negotiation Parameters Committee set the minimum asking price at $13,317,333 on February 27, 2025.

Current planning assumptions indicate that a Request for Proposal (RFP) for the marketing and eventual sale of the SBBC vacant land could be issued in late Summer or early Fall 2026, either following completion of remediation activities or in parallel.

EXECUTIVE SUMMARY

Pre-Qualification of Contractors
Superintendent's Recommendations for Pre-Qualification Certification

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on May 14, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• The State Requirements for Educational Facilities (SREF), 2014 Edition.
If the School Board votes "Yes"	• The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew. Twenty-nine (29) firms representing thirty-one (31) licenses will be recertified; Two (2) firms representing two (2) licenses will increase limits; Three (3) firms are newly certified; and one (1) firm representing one (1) license is automatically revoked.
If the School Board votes "No"	• Denial by the School Board would stop the pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase their limits.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Not Applicable

Background/History
State statutes, regulations, and School Board policies allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty (60) days. State regulations and School Board policy require that the School Board act on appeals within thirty (30) days, District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Logistic Operations Department administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of a similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. The Procurement & Logistic Operations staff review the applications, make recommendations, and facilitate QSEC meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

EXECUTIVE SUMMARY

Variety Children's Hospital DBA Nicklaus Children's Hospital

Board Meeting Date: June 9, 2026

Requested Action: Approve the agreement between The School Board of Broward County, Florida (SBBC), and Variety Children's Hospital DBA Nicklaus Children's Hospital for schools to obtain Heart Safe School Certification in compliance with 1003.457 F.S. to develop a plan for urgent life-saving emergencies (PULSE).

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member:	District-Wide
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Florida Statute 1003.457.
If the School Board votes "Yes"	• District schools will be provided necessary tools and guidance to develop a plan for urgent life-saving emergencies (PULSE) in compliance with Florida Statute and become Heart Safe School Certified.
If the School Board votes "No"	• District schools will be out of compliance with Florida Statute which exposes the District to state findings, mandatory corrective actions, reputational harm, and significant liability risk in the event of a cardiac emergency.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Continued District Compliance with local, state and US Environmental Protection Agency (USEPA) regulations resulting in a clean, safe and healthy space for students and staff.

Background/History
Effective July 1, 2025, HB 1607 (enacted as Chapter 2025-67) established new statewide expectations for cardiac emergency preparedness in public schools, including creation of a school-level Plan for Urgent Life-Saving Emergencies (PULSE). The new statute F.S. 1003.457 requires each public school to develop a PULSE plan grounded in evidence-based core elements (explicitly referencing American Heart Association recommendations) and coordinating that plan with local emergency service providers.

Project ADAM (Automated Defibrillators in Adam's Memory) is a national school-focused sudden cardiac arrest preparedness model that began in 1999 after the death of 17-year-old Adam Lemel, emphasizing recognition, CPR, and rapid defibrillation as the critical links in survival. In South Florida, Nicklaus Children's Hospital—through its Heart Institute—serves as the region's Project Adam affiliate and provides schools and community sites structured support to become "Heart Safe," including CPR/AED training, response-plan development, and practice drills designed to improve rapid on-site communication and coordination with local emergency services. Note that this specific plan or training does not replace CPR/AED/First Aid Certification required by SBBC Policy 5303 – First Aid.

Contract Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Contract Summary, Multi-Year Analysis, and Procurement Method
A summary of the contract agreement terms, including the multi-year financial breakdown and total projected cost. This table also identifies the procurement method utilized to ensure transparency and alignment with District purchasing requirements.

Contract Term:	June 9, 2026 through June 8, 2029.
Multi-Year Agreement:	Yes, this agreement includes a three (3) year initial period with two (2) one (1) year renewal extensions.
Procurement Method:	Not Applicable

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. There is no financial impact for this Agreement.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
6/9/2026 – 6/8/2029	**36 months**	$0.00

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
FY 26	**1 month**	**Not Applicable**	**$0.00**	N/A

Future Fiscal Year Budget Authority

FY 27	**12 month**	**Not Applicable**	**$0.00**	N/A

FY 29	**11 month**	**Not Applicable**	**$0.00**	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Increasing preparedness for sudden cardiac arrest and other life-threatening medical emergencies, school staff will be equipped with coordinated response skills—including early recognition, CPR, AED use, and practiced emergency communication.
School Selection /Prioritization	Participation is required by all schools across the District with the goal of all schools being Heart Safe Certified within two (2) years. Initial communication including transmittal of preparatory forms and descriptive video will be submitted to all schools following agreement approval and into early SY 2026/2027. Upon completion, schools will be directed to coordinate their drill and finalize their Heart Safe Certification directly with the vendor.
Community/ Stakeholder Engagement	Not Applicable
End-User Input	Not Applicable
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

VARIETY CHILDREN'S HOSPITAL
a Florida not-for-profit corporation, d/b/a
NICKLAUS CHILDREN'S HOSPITAL
(hereinafter referred to as "NCH"),
whose principal place of business is
3100 Southwest 62nd Avenue, Miami, FL 33155

Each a "party" and collectively, the "parties"

WHEREAS, Florida Statutes Section 1003.457 (Cardiac emergences and automated external defibrillators on school grounds), requires that each public school develop a plan for urgent life-saving emergencies ("PULSE") that addresses the appropriate use of school personnel to respond to incidents involving an individual experiencing sudden cardiac arrest or a similar life-threatening emergency on school grounds; and

WHEREAS, pursuant to Section 1003.457, Florida Statutes, PULSE must integrate evidence-based core elements and consider those elements recommended by the American Heart Association for schools responding to cardiac emergencies; and

WHEREAS, pursuant to Section 1003.457, Florida Statutes, school officials shall work directly with local emergency service providers to integrate the PULSE into the community's emergency responder protocols; and

WHEREAS, pursuant to Section 1003.457, Florida Statutes, no later than **July 1, 2027**, each public school, including charter schools, must have at least one operational automated external defibrillator on school grounds, that is available in a clearly marked publicized location that is registered with a local emergency medical services medical director; and

WHERAS, pursuant to Section 1003.457, Florida Statutes, appropriate school staff must be trained in first aid, cardiopulmonary resuscitation, and Automated External Defibrillator ("AED") use; and

WHEREAS, Project ADAM® offers a Heart Safe School Program that supports effective cardiac emergency preparedness and helps prevent sudden cardiac death in the school setting; and

WHEREAS, NCH is a Project ADAM® Affiliate, providing expertise, resources, and training to schools to help them establish a Cardiac Emergency Response Plan ("CERP") as developed by the American Heart Association and achieve a "Heart Safe" designation; and

WHEREAS, the Project ADAM® Cardiac Emergency Response Team ("CERT") does not replace Emergency Medical Services (EMS); rather, it acts as the immediate, on-site, pre-hospital link in the chain of survival. CERT members provide immediate CPR and AED use within the first three (3) minutes of cardiac arrest and are trained to immediately call 911 and facilitate a, smooth, rapid handoff to EMS upon arrival.

WHEREAS, NCH can assist SBBC schools in obtaining a "Heart Safe" designation through the Project ADAM® Heart Safe School Program; and

WHEREAS, the parties mutually desire that NCH assist SBBC in achieving a "Heart Safe" designation through the Project ADAM® Heart Safe School Program.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on March 31, 2029, unless terminated earlier pursuant to Section 3.5 (Termination) of this Agreement, and, upon the approval of both parties in writing in the form of an Amendment to this Agreement executed by both parties, it may be extended for two (2) additional one-year periods. There shall be no automatic extensions or renewals of this Agreement

2.2 **Party References**. Any references in the "South Florida Project ADAM® Saves Lives" packet, attached hereto and incorporated into this Agreement as **Exhibit A**, to "Nicklaus Children's Hospital Project ADAM team" shall mean NCH.

2.3 **Scope of Services**. For the duration of this Agreement both parties commit to fulfilling their respective obligations as defined in **Exhibit A** and the scope of services outlined in **Tables 1, 2, and 3** below.

Table 1: Project ADAM® Pre-drill Workflow[1]

Task	Description
SBBC designates a single point of contact ("SBBC Designee") at the District-level	To ensure consistent communication, efficient distribution of resources, and dissemination of training information to appropriate school administrators.
SBBC's Designee shall engage the assistance of NCH's Project ADAM® Coordinator	NCH's Project ADAM® Coordinator assists SBBC throughout the entire "Heart Safe" designation achievement process.
Team Lead (School Principal) shares background of CERP with all staff	Watch "all staff awareness" video.
Team Lead (School Principal) identifies the Cardiac Emergency Response Team (CERT) members[2]	Select five (5) people or at least ten percent (10%) of staff based on school size and availability of SBBC "SAFE Team members". In recognition of periodic absences and overall staff turnover, a robust team of individuals trained to be part of the CERT is essential to ensure uninterrupted response activities. CERT members should be able to step away from their tasks to assist when CERP is activated. A list of CERT Members should be maintained onsite in a readily accessible area.
CERT watches practice drill training video	Familiarize CERT with the drill process.
CERT determines "code name"	This name will be used only for possible cardiac emergencies to alert the CERT.
CERT establishes communication system	Ensure efficient and reliable communication (e.g., 2-way radios).
Practice drills utilizing Drill Checklist	Team Lead and CERT conduct practice drills utilizing the Drill Checklist to be sure they are prepared for the NCH's Project ADAM reviewed CERP drill.

[1] Approximately one (1) hour of faculty time.

[2] Teachers or staff whose presence is mandatory in classrooms shall not be CERT members at any time. NCH shall not create any CERT or establish membership thereof for any SBBC school.

Coordinate drill and evaluation	NCH's Project ADAM® Coordinator plans and organizes the drill with the designated Team Leader (School Principal).
Develop communication plan with EMS	NCH's Project ADAM® Coordinator and Team Lead coordinate with EMS for emergencies (if school has a police officer radio system communicates direct to 911 services). Provide a copy of the CERP to local police and fire departments and local Emergency Medical Services (EMS) as appropriate.
CPR/AED training and familiarity	NCH's Project ADAM® Trainer ensure all team members are trained in CPR/AED skills. Minimum skill of compressions only (CPR certification is not a requirement)

Table 2: Project ADAM® Day-of-Drill Workflow

Task	Description
Project ADAM® Trainer meets with CERT for overview and to address any questions	Ensure the CERT is prepared for the drill. Clarify any doubts or questions before the drill and provide a quick summary of the necessary skills that need to be performed and demonstrated.
Identify the "Finder"	The Team Lead (School Principal) identifies the "Finder". The Finder accompanies the Project ADAM® Trainer to identify the cardiac arrest victim. The Finder then alerts the CERT of a victim who is nonresponsive.
Discuss AED exchange with Project ADAM® AED Trainer	Temporarily swap the school AED with Project ADAM® training AED.
"Finder" begins compressions only	The Finder is not typically a CERT member; and delivers compressions only until the CERT arrives.[3]
Present drill checklist to CERT	The drill checklist will be used during the actual CERP drill, is attached hereto, and incorporated into the Agreement as **Exhibit B**.

[3] In a true cardiac emergency, CERT members provide immediate CPR and AED use within the first three (3) minutes of cardiac arrest until EMS arrives and takes over life-saving efforts.

CERT performs drill	Execute the drill: CERT response communication, compressions/respirations, cutting the shirt, AED use, and delivering the first shock in under three (3) minutes are the goal. Continue CPR and AED commands for maximum of ten (10) minutes to reinforce the practice skills with multiple members on the team.
Total drill length	The total drill should run approximately five (5) to ten (10) minutes since this is about the time that it takes for EMS to arrive to an emergency scene.
Project ADAM® Trainer debriefs school post-drill	Review strengths and weaknesses from the drill. Share the documented response, CPR, and shock times.
Project ADAM® Trainer checks and reviews the school's AED	Demonstrate how the school's AED works. AEDs can work differently.
Award Heart Safe School recognition	Provide Heart Safe School recognition if the drill is successful. If the drill us unsuccessful and the school does not pass, NCH will coordinate a follow-up drill with the school providing enough time for the school to practice for the follow-up drill.
Complete exit survey	NCH collect's feedback from the Team Leader (School Principal) via RedCap.

Table 3: Long-term Sustainability and Practice Drills[4]

Task	Description
Annual practice drill	Team Lead (School Principal) shall conduct at least one (1) onsite practice drill annually and send drill sheet to Project ADAM® Coordinator and SBBC Designee.
AED checks	SBBC's Environmental Health & Safety Department ("EH&S"), shall perform bi-monthly checks of AED operation and pads, with supporting documentation.

[4] Each practice drill takes approximately ten (10) minutes.

	All SBBC schools have access to a functioning back-up AED on site or loaner AED from EH&S, for any AED which may be out-of-service for maintenance or other issues. EH&S tracks the location, maintenance logs, and supplies for SBBC AEDs, such as pads and batteries, District-wide.
Re-designation every two (2) years	Each SBBC school may provide proof of annual drill [in-person or using the drill sheet (**Exhibit B**)].
In-person revisit by Project ADAM® Trainer	In-person revisit is needed if: 1. School did not complete two (2) drills over the previous two (2) years during the Agreement term. 2. There are more than three (3) new CERT members. 3. There is a new Team Lead (School Principal) 4. Requested by the school.

2.4 **Cost**. All services provided under this Agreement, including enhancements, deliverables, and support, shall be provided to SBBC at no cost. NCH shall not invoice SBBC, and SBBC shall have no obligation to pay or reimburse NCH for any fees, expenses, or costs, including any third-party, pass-through, or incidental costs incurred in connection with this Agreement.

2.5 **Inspection of NCH's Records by SBBC**. NCH shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of NCH's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to NCH's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to NCH pursuant to this Agreement. SBBC's agent or its authorized representative shall provide NCH with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the NCH's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section. NCH shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.6 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written

notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director, Environmental Health & Safety The School Board of Broward County, Florida 4200 NW 10th Avenue Oakland Park, FL 33309

2.7 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.8 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with SBBC must attest under penalty of perjury that the non-governmental entity does not use coercion for labor or services as defined in that statute. By execution of this Agreement by an authorized representative of NCH, NCH hereby attests under penalty of perjury that NCH does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes. Under penalties of perjury, the undersigned authorized representative of NCH declares that they have read the foregoing statement and that the facts stated in it are true. Further, any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with NCH's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.9 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by NCH that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. NCH further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. NCH acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. NCH further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if NCH (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if NCH is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.10 **Background Screening.** NCH shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of NCH's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of NCH or its personnel providing any services under this Agreement. NCH shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to NCH and its personnel. The parties agree that the failure of NCH to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit NCH to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. NCH agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from NCH's failure to comply with the re-

quirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.11 **Public Records**. Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party is responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.12 **Proprietary Information**.

2.12.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.12.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt,

SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.13 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.13.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.13.2 By NCH. NCH agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by NCH, its agents, servants, or employees; the equipment of NCH, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of NCH or the negligence of NCH's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by NCH, SBBC, or otherwise.

2.14 **Insurance Requirements**. NCH shall comply with the following insurance requirements throughout the term of this Agreement:

2.14.1 General Liability. NCH shall have and maintain General Liability insurance with limits of not less than $1,000,000.00 per occurrence for Bodily Injury/ Property Damage;

$1,000,000.00 General Aggregate; and limits of not less than $1,000,000.00 for Products/Completed Operations Aggregate.

2.14.2 Professional Liability/Errors & Omissions. NCH shall have and maintain Professional Liability/Errors & Omissions insurance with a limit of not less than $1,000,000.00 per occurrence covering any services provided under this Agreement.

2.14.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, NCH shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000.00/$100,000.00/$500,000.00 (each accident/disease-each employee/disease-policy limit).

2.14.4 Auto Liability. NCH shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits of not less than $1,000,000.00 Combined Single Limit. If NCH does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount of $1,000,000.00. In addition, an affidavit signed by NCH must be furnished to SBBC stating the following: "Variety Children's Hospital d/b/a Nicklaus Children's Hospital does not own any vehicles. If Variety Children's Hospital d/b/a Nicklaus Children's Hospital acquires any vehicles during the term of the Agreement, Variety Children's Hospital d/b/a Nicklaus Children's Hospital agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.14.5 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.14.6 Verification of Coverage. Proof of the required insurance must be furnished by NCH to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. To streamline this process, SBBC has partnered with EXIGIS Risk Management Services to collect and verify insurance documentation. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences in order to permit NCH sufficient time to remedy any deficiencies. NCH must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

2.14.7 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.14.7.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2.14.7.2 All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

2.14.7.3 Certificate Holder: The School Board of Broward County, Florida, Risk Management Department, 11th Floor, Fort Lauderdale, Florida 33301.

2.14.8 Cancellation of Insurance. NCH is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

2.14.9 SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.15 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.16 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.17 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.18 **Incorporation by Reference**. **Exhibits A and B** attached hereto is incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

Become a Heart Safe School in 6 easy steps:

Step 1: Submit REDCap survey: https://redcap.nicklaushealth.org/surveys/?s=E7D3RDTL8N34LMYC"

QR Code to our survey to see how we can help your school.

Step 2: All staff awareness video. **(Send to all staff, anyone can be a witness)** ** discuss what your form of communication will be amongst the team** (ex: walkies, cellphone, speakers)
https://www.youtube.com/watch?v=6P58vSdUx0o&t=44s

Step 3: Team lead: Identify the cardiac emergency response team to share the Drill video and checklist https://youtu.be/Hlgv5jhjSXQ Practice drill with your team prior to scheduled drill.
****NOTE**** **Finder starts hands only CPR as soon as they call the team.** HANDS ONLY CPR can be done by anyone. No license needed. https://youtu.be/6eRwgM2Pa4o
How does an AED work: https://youtu.be/FSiDT5P0Zll?si=3HuOi1z8LZ63n6WM

Step 4: Day of drill set aside 30 min. Team leader responsible to prepare the staff so that all are available for our arrival for drill. Minimize any interruptions so that drill can be the main focus. Our team will arrive with EMS to go over all that was seen during the drill, and we will have a debriefing after to discuss any questions or concerns.

Step 5: If the team passes drill, you are now identified as a Heart Safe School and will be receiving your certificate as well as a banner. If the team did not pass drill, no worries, we will reschedule a follow up giving team enough time to practice and be prepared for a follow up visit.

Step 6: Submit Exit Survey (To be submitted AFTER the in-person drill)
Thank you for being part of our Project ADAM drill today. We would greatly appreciate it if you could fill out a short survey that can help us better serve the community.
You can access survey in 2 ways:
1. By going to https://redcap.nicklaushealth.org/surveys/?s=HMNX8EJ3NFX9WL8R
2. Scanning the QR code on your phone and filling out survey.

Any questions feel free to email: projectadam@nicklaushealth.org

What you need to know

Team lead, please fill out the REDCap survey so that we know what the school already has in place.

Building your team:

Who should be part of your team? We recommend having between 6-10, depending on the size of your school. The more the better in case some are out, and you have back up. Staff that is NOT tied to a classroom. A cardiac arrest can happen at any time and teachers cannot leave their students unattended to run to attend a code without any delays.

- Administration
- Office staff
- Cafeteria workers
- Security
- Custodians
- Media specialist
- Counselors
- PE coaches
- Athletic trainers
- School Resource Officer

Once you have created your team please sit together and watch the videos in step 2 and step 3 attached.

Discuss roles each team member will have keeping in mind that roles can change at any time depending on the emergency.

- How many AEDs does your school have?
- Where are the AEDs located?
- Who will bring the AEDs to the location?
- Who will wait for EMS?
- If your school has an SRO, they should be the one calling 911. If they do not have an SRO,who will call 911?

Once you know the date of your in-person drill. Make sure to do a few drills with your team to prepare for when the Nicklaus Children's Hospital Project ADAM team arrives. Please be aware that we will be expecting more than 1 AED to show up during the emergency drill. Project ADAM team will discuss why this is IMPORTANT!

- Use attached to check your times while you practice

EXHIBIT A

EXHIBIT A

Day of drill
What to expect

Project ADAM team will arrive and meet with the team to see if anyone has any questions or concerns before the drill. Once all has been answered we will need 1 member from the team to be the "finder".
The "finder" will go with the team around the school to find a location to put the mannequin. The mannequin will be wearing a shirt. Once the location has been chosen the finder will check if the victim is OK, will check for pulse and for breathing. Not responding, no pulse and no breath sounds, activate your cardiac emergency response team (via the communication system that works best for your school). As soon as the finder has alerted the team that there is a code blue in the said location the finder will start doing chest compressions ONLY. Thats where the drill begins, and we will wait to see how the team responds. Once the first real AED arrives to the location we will switch it with our AED trainer, scissors and a mask (cut and rip the shirt) attach the pads and shock within 3 minutes.

- How the team responds
- How long does the AED/s take to get to the scene
- If the team switches compressors
- There should always be 2 people ready for compressions
- The team member who is in the "breather" role will not rotate from this position.
- MOST IMPORTANT: drop to shock in less than 3 minutes

The drill will take about 6-7 minutes and once EMS has arrived and we end the drill we will debrief and go over a lot of useful information and feedback.

Successful drill = PASS

- You will receive a certificate and a banner to showcase your school as a heart safe facility for 2 years.

EXECUTIVE SUMMARY

FY23-079 – Broward County, Florida, NatureScape Program

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Second Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and Broward County, Florida, for a term that commences on July 1, 2026, and concludes on June 30, 2027, with the budget authority in the amount of $281,496.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC will continue to work in partnership with Broward County, Florida, in support of sustainable water conservation and environmental protection practices, providing for the implementation of a Green Schools Recognition Program that acknowledges and rewards schools and teachers for participating in and implementing environmentally sustainable measures and green initiatives.
If the School Board votes "No"	• SBBC will lose a valuable partnership with needed expertise in support of sustainable water conservation and environmental protection practices, providing for the implementation of a Green Schools Recognition Program that acknowledges and rewards schools and teachers for participating in and implementing environmentally sustainable measures and green initiatives.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 3: Science Proficiency • Guardrail 2: Equity • Guardrail: School Support
Measurable Outcome(s)/Return on Investment	• By June 30, 2027, SBBC, through the continuation of the NatureScape partnership, will have increased environmental sustainability, including the protection and conservation of water and energy, and landscape and habitat improvements to SBBC facilities.

Background/History
For the past 16 years, SBBC, working in partnership with Broward County's NatureScape Program within Environmental Planning and Community Resilience Division (EPCRD), has made substantial progress in implementing measures that promote greater environmental sustainability, including the protection and conservation of water resources and landscape and habitat improvements to SBBC facilities. The NatureScape Program has actively engaged the student population, teachers, and staff by instilling values associated with environmental stewardship and sustainability through classroom lessons, outdoor learning opportunities, training, and implementation of best management practices.

In addition, the programs supported by the NatureScape agreement provide engaging, real-world experiences for Broward County students while reinforcing core content skills and creating an awareness of emerging careers in the conservation of the environment.

Environmental Stewardship and Conservation Policy 4210 require environmental stewardship as "an economic, environmental, and social priority to be taught, practiced and implemented throughout the District." As in the District's Student Progression Plan (Policy 4000), "the concepts and practices of environmental stewardship are embedded into the current character traits and should be reinforced throughout the Character Education curriculum."

AGREEMENT BETWEEN BROWARD COUNTY AND THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA FOR NATURESCAPE AND AIR QUALITY PROGRAMS IN SUPPORT OF ENVIRONMENTAL STEWARDSHIP WITHIN THE SCHOOL BOARD OF BROWARD COUNTY

This is an Agreement ("Agreement"), made and entered into by and between Broward County, a political subdivision of the State of Florida ("County") The School Board of Broward County, Florida a political subdivision of the State of Florida ("SBBC") (collectively referred to as the "Parties").

RECITALS

A. The purpose of this Agreement is to implement certain terms of the partnership between the County and SBBC, as described herein and in the Exhibit hereto.

B. The Parties desire for this Agreement to integrate the NatureScape program and an air quality program that both support environmental stewardship and best practices.

C. A high quality and adequate water supply is key to the current and continued support of urban and natural systems in Broward County.

D. The South Florida Water Management District encourages local governments and water utilities to provide water conservation-related educational programs, which instill a year-round water conservation ethic.

E. The County-wide Integrated Water Resource Plan seeks to optimize the beneficial uses of local water resources by effectively and efficiently managing water to make our water resources sustainable for meeting future supply needs.

F. A significant percentage of water consumption in Broward County is due to outdoor irrigation, and landscape runoff associated with over-irrigation, and poorly maintained irrigation systems have been identified as primary sources of surface water pollution.

G. The County and SBBC previously committed to a partnership in support of sustainable water conservation and environmental protection practices, including the NatureScape Broward principles.

H. This Agreement provides for the implementation of a Green Schools Recognition Program that acknowledges and rewards schools and teachers for participating and implementing environmentally sustainable measures and green initiatives; and provides an agreement period of up to five (5) years that focuses on supporting water conservation and environmental protection practices.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

1.1 **Board.** The Board of County Commissioners of Broward County, Florida.

1.2 **Contract Administrator.** The Director of the Natural Resources Division.

1.3 **County Administrator.** The administrative head of County appointed by the Board.

1.4 **County Attorney.** The chief legal counsel for County appointed by the Board.

1.5 **Services.** All work required by the Parties under this Agreement, including without limitation all payments, deliverables, consulting, training, project management, or other services specified in Article 2 and **Exhibit A** ("Scope of Services").

ARTICLE 2. SCOPE OF SERVICES

2.1 The Parties shall perform all work identified in this Agreement including without limitation the Scope of Services described in Exhibit A. The Scope of Services stated in this Agreement is a description of the Parties' obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by the Parties impractical, illogical, or unconscionable. The Parties shall meet or exceed all applicable federal, state, and local laws, ordinances, codes, rules, and regulations in performing the Services.

2.2 The Parties acknowledge that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement except as expressly set forth in this Agreement.

ARTICLE 3. TERM AND TIME OF PERFORMANCE

3.1 The term of this Agreement shall begin on July 19, 2022, ("Effective Date") and shall end on June 30, 2025, ("Initial Term"). The Parties may elect to renew this Agreement for two (2) additional one (1) year terms under the terms and conditions set forth herein by mutual written agreement in writing executed by SBBC and the County or its designee. The continuation of this Agreement beyond the end of any fiscal year of the Parties is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes.

3.2 Unless otherwise agreed to by the Parties in writing, all duties, obligations, and responsibilities of the Parties required by this Agreement shall be completed no later than June 30, 2025, extendable for two (2) additional one (1) year terms as provided for in Section 3.1, above. In the event the Initial Term is renewed pursuant to Section 3.1 above, the responsibilities of the Parties shall be completed no later than the last day of such renewal period(s). Time is of

the essence in performing the duties, obligations, and responsibilities required by this Agreement.

ARTICLE 4. COMPENSATION

4.1 For all goods and services provided under this Agreement and **Exhibit A**, SBBC will pay County up to a maximum amount as follows:

Services/Goods	Not-To-Exceed Amount
Initial Term – July 19, 2022 through June 30, 2023	$62,526.00 quarterly $250,104.00 term total
Initial Term - July 1, 2023 through June 30, 2024	$64,402.00 quarterly $257,608.00 term total
Initial Term - July 1, 2024 through June 30, 2025	$66,334.00 quarterly ($265,336.00 term total)
1st Renewal Term - July 1, 2025 through June 30, 2026	$68,324.00 quarterly ($273,296.00 term total)
2nd Renewal Term - July 1, 2026 through June 30, 2027	$70,374.00 quarterly ($281,496.00 term total)
Total Services	**$1,327,840.00**

4.2 Payment shall be made only for work actually performed, completed, and invoiced pursuant to this Agreement. This amount shall be accepted by County as full compensation for all such work. County acknowledges that the amounts set forth herein are the maximum amounts payable and constitute a limitation upon SBBC's obligation to compensate County for its work under this Agreement. These maximum amounts, however, do not constitute a limitation of any sort upon Parties' obligation to perform all items of work required under this Agreement. Additionally, under this Agreement, all County Air Quality Program related goods and services will be provided as County Match, with an estimated value of One Hundred Seventy-Six Thousand, Five Hundred Twenty-Five Dollars and 00/100 Cents ($176,525.00), annually.

ARTICLE 5. GOVERNMENTAL IMMUNITY

Nothing herein is intended to serve as a waiver of sovereign immunity by any Party nor shall anything included herein be construed as consent to be sued by third parties in any matter arising out of this Agreement or any other contract. The Parties are state agencies or subdivisions as defined in Section 768.28, Florida Statutes, and each shall be fully responsible for the acts and omissions of its agents or employees to the extent permitted by law.

ARTICLE 6. INSURANCE

County and SBBC are entities subject to Section 768.28, Florida Statutes, and shall furnish each other with written verification of liability protection in accordance with state law prior to final execution of this Agreement.

ARTICLE 7. TERMINATION

7.1 This Agreement may be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within ten (10) calendar days after receipt of written notice from the aggrieved Party identifying the breach. This Agreement may also be terminated for convenience by either of the Parties. Termination for convenience by the Board on behalf of County or termination for convenience by SBBC shall be effective on the termination date stated in written notice provided to the other Parties, which termination date shall be not less than thirty (30) days after the date of such written notice. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances in the event the County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

7.2 Notice of termination shall be provided in accordance with the "NOTICES" section of this Agreement except that notice of termination by the County Administrator, which the County Administrator deems necessary to protect the public health, safety, or welfare may be verbal notice that shall be promptly confirmed in writing in accordance with the "NOTICES" section of this Agreement.

7.3 In the event this Agreement is terminated for convenience by either Party, County shall be paid for any services properly performed under this Agreement through the termination date specified in the written notice of termination. The Parties acknowledge that each have received good, valuable, and sufficient consideration, the receipt and adequacy of which are hereby acknowledged, for the right to terminate this Agreement for convenience.

ARTICLE 8. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE

8.1 No Party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

8.2 By execution of this Agreement, the Parties each represent that it has not been placed on the discriminatory vendor list as provided in Section 287.134, Florida Statutes. The Parties hereby materially rely on such representations in entering into this Agreement.

ARTICLE 9. MISCELLANEOUS

9.1 Rights in Documents and Work. Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the joint property of County and SBBC, and, if a copyright is claimed, County grants to SBBC a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public. In the event of termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by County, whether finished or unfinished, shall be the joint property of County and SBBC.

9.2 Public Records. To the extent County is acting on behalf of the Parties as stated in Section 119.0701, Florida Statutes, County shall:

9.2.1 Keep and maintain public records required were SBBC performing the services under this Agreement;

9.2.2 Upon request from SBBC, provide SBBC with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

9.2.3. Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of this Agreement if the records are not transferred to SBBC; and

9.2.4 Upon completion of this Agreement, maintain at County, at no cost to SBBC, all public records in possession of County upon termination of this Agreement or keep and maintain public records required were SBBC performing the service. If County transfers the records to SBBC, County shall destroy any duplicate public records that are exempt or confidential and exempt. If the County keeps and maintains public records upon completion of this Agreement, County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC upon request in a format that is compatible with the information technology systems of County.

9.3 A request for public records regarding this Agreement may be made directly to any Party, who will be responsible for responding to any such public records requests.

IF SBBC HAS QUESTIONS REGARDING THE APPLICATION OF FLORIDA STATUTES CHAPTER 119 TO COUNTY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, CAROL WILSCHKE, AT

CWILSCHKE@BROWARD.ORG, (954) 519-1270, OR 115 S. ANDREWS AVE., SUITE 329H, FORT LAUDERDALE, FLORIDA 33301.

9.4 Truth-In-Negotiation Representation. County's compensation under this Agreement is based upon representations supplied to SBBC by County, and County certifies that the information supplied, including without limitation in the negotiation of this Agreement, is accurate, complete, and current at the time of contracting.

9.5 Public Entity Crime Act. The Parties represent that each is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. In addition to the foregoing, each Party further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether it has been placed on the convicted vendor list. Notwithstanding any provision in this Agreement to the contrary, if any representation stated in this paragraph is false, each Party shall have the right to immediately terminate this Agreement and be paid for all services delivered through the date of termination.

9.6 Independent Contractor. County and SBBC are each an independent contractor under this Agreement. In providing Services under this Agreement, neither Party nor their agents shall act as officers, employees, or agents of the other Party. County and SBBC shall not have the right to bind the other Party to any obligation not expressly undertaken under this Agreement.

9.7 Third Party Beneficiaries. The Parties do not intend to directly or substantially benefit a third-party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third-party shall be entitled to assert a right or claim against any Party based upon this Agreement.

9.8 Notices. In order for a notice to a Party to be effective under this Agreement, notice must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via e-mail to the addresses listed below and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent). The addresses for notice shall remain as set forth herein unless and until changed by providing notice of such change in accordance with the provisions of this Section.

9.9 Assignment and Performance. Neither this Agreement nor any right or interest herein may be assigned, transferred, subcontracted, or encumbered by any Party without the prior written consent of the other Party. If any Party violates this provision, each Party shall have the right to immediately terminate this Agreement. County represents that each person and entity that will provide services under this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render services. County agrees that all services under this Agreement shall be performed in a skillful and respectful manner, and that the quality of all such services shall equal or exceed prevailing industry standards for the provision of such services.

9.10 Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement, and each is, therefore, a material term hereof. Any Party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9.11 Compliance with Laws. The Parties shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing the duties, responsibilities, and obligations pursuant to this Agreement.

9.12 Severability. In the event any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

9.13 Joint Preparation. This Agreement has been jointly prepared by the Parties hereto and shall not be construed more strictly against either Party.

9.14 Interpretation. The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as "herein,"

"hereof," "hereunder," and "hereinafter" refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a Section or Article of this Agreement, such reference is to the Section or Article as a whole, including all of the subsections of such Section, unless the reference is made to a particular subsection or subparagraph of such Section or Article.

9.15 Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document or Exhibit attached hereto or referenced or incorporated herein and any provision of Articles 1 through 9 of this Agreement, the provisions contained in Articles 1 through 9 shall prevail and be given effect.

9.16 Law, Jurisdiction, Venue, Waiver of Jury Trial. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the state of Florida. The Parties agree that the exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this Agreement must be litigated in federal court, the Parties agree that the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **BY ENTERING INTO THIS AGREEMENT, THE PARTIES HEREBY EXPRESSLY WAIVE ANY RIGHTS EACH PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**

9.17 Amendments. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the Parties or others delegated authority or otherwise authorized to execute same on their behalf.

9.18 Prior Agreements. This Agreement represents the final and complete understanding of the Parties regarding the subject matter hereof and supersedes all prior and contemporaneous negotiations and discussions regarding that subject matter. There is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document.

9.19 Payable Interest

9.19.1 Payment of Interest. The Parties waive, reject, disclaim and surrender any and all entitlement each has or may have to receive interest in connection with a dispute or claim arising from, related to, or in connection with this Agreement. This paragraph shall not apply to any claim for interest if such application would be contrary to applicable law.

9.19.2 Rate of Interest. If, for whatever reason, the preceding subsection is determined to be invalid or unenforceable by a court of competent jurisdiction, the annual rate of interest payable by any Party under this Agreement, whether as prejudgment interest or

for any other purpose, shall be, to the full extent permissible under applicable law, 0.25% (one quarter of one percent) simple interest (uncompounded).

9.20 Incorporation by Reference. Any and all Recital clauses stated above are true and correct and are incorporated herein by reference. The attached Exhibit is incorporated into and made a part of this Agreement.

9.21 Representation of Authority. Each individual executing this Agreement on behalf of a Party hereto hereby represents and warrants that he or she is, on the date he or she signs this Agreement, duly authorized by all necessary and appropriate action to execute this Agreement on behalf of such Party and does so with full legal authority.

9.22 Counterparts and Multiple Originals. This Agreement may be executed in multiple originals, and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

9.23 Use of County Logo. SBBC shall not use County's name, logo, or otherwise refer to this Agreement in any marketing or publicity materials without the prior written consent of County.

9.24 Contract Personnel Screening. County agrees to comply with all requirements of Sections 1012.32 and 1012.465, 1012.467, and 1012.468, Florida Statutes, and that County and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all County's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of County or its personnel providing any services under this Agreement. County will bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to County and its personnel. The Parties agree that the failure of County to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause with no opportunity required to permit the County to cure such default and no further responsibilities or duties to perform under this Agreement.

9.25 Force Majeure. If the performance of this Agreement, or any obligation hereunder is prevented by reason of hurricane, earthquake, epidemics, pandemic, or other casualty caused by nature, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the

extent of such prevention, provided that the Party so affected shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such non-performance exceeds sixty (60) days, the Party that is not prevented from performance by the force majeure event shall have the right to terminate this Agreement upon written notice to the Party so affected. This section shall not supersede or prevent the exercise of any right the Parties may otherwise have to terminate this Agreement.

9.26 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any Party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such Party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such Party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such Party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

Exhibit A
Scope of Services

Broward County's NatureScape and Air Quality Programs
in support of
Environmental Stewardship within The School Board of Broward County, Florida

1.0 OVERVIEW

This scope of work for a fourth agreement period up to five (5) years between The School Board of Broward County, Florida ("SBBC") and Broward County ("County"), on behalf of its Natural Resource Division's (NRD NatureScape and Air Quality Programs. It builds upon the efforts and achievements to date. This new 5-year agreement focuses on continued implementation of the following tasks:

- Environmental school recognition and corresponding school certifications
- Supplemental curriculum, materials, and tools
- NatureScape classroom presentations and teacher trainings
- Youth Climate Summit
- Training for custodial staff, facilities managers, and support personnel
- Water Matters Day partnership
- Irrigation Systems, Water Evaluations, and Air Quality Monitoring
- Coordination, Administration, Research, and submission of potential funding and grant opportunities to support the projects/tasks.

The overall effort will be guided by the SBBC's Applied Learning, Environmental Health and Safety, Physical Plant Operations, and the NRD's program team of 2.5 FTEs, supported by additional County technical resources as determined by County to be beneficial to the overall goals of the Partnership.

2.0 SCOPE OF WORK

The following tasks comprise this new Agreement between SBBC and the County:

Task 1 **Environmental Recognition/School Certifications**

The primary goals of this task are to: a) work with schools to achieve recognition for various environmental initiatives and achievements, b) to maintain certifications, as required, through various programs such as Florida Green School designation, Green Apple designation, National Wildlife Federation's Schoolyard Wildlife Habitat certification and Eco-Schools USA programs, and c) promote student and school environmental advocacy.

The P_3 Eco-Challenge Program is designed to recognize and reward schools, teachers, students, and school staff for participating/implementing environmental measures and green initiatives within their schools. While the P_3 Eco-Challenge Awards program will remain the primary opportunity to recognize environmental stewardship achievements amongst peers, other recognition programs such as the County's Emerald Awards program, will also be considered.

NRD staff will:

- Work with SBBC to ensure that certification is maintained for the School Board of Broward County as a Schoolyard Wildlife Habitat by the National Wildlife Federation.
- Work with SBBC to ensure the continued certification of schools into the Eco-Schools USA program.
- Work with schools and SBBC staff to maintain certification and evaluate school facilities, programs, and provide recommendations for achieving various certifications/recognition as appropriate.
- Work with schools and teachers to increase the amount of native and drought-tolerant landscaping at school facilities, which can serve as a starting point for many schools in achieving recognition.
- Through grant opportunities, offer plant materials for new landscaping and landscaping renovations; planted and maintained in accordance with sound NatureScape landscaping principles.

- Coordinate fundraising and awards package for the P_3 Eco-Challenge Awards program.
- Review and give feedback on the rubric/application for the P_3 Eco-Challenge Awards program.
- Solicit and support schools in completing the application for the P_3 Eco-Challenge Awards program.
- Review submissions for the P_3 Eco-Challenge.
- Secure the venue and host the annual ceremony for the P_3 Eco-Challenge Awards program.

Task 2 **Supplemental curriculum, materials, and tools**

NRD staff will work with SBBC staff to develop programs and resources to promote environmental education and stewardship. NRD will identify resources to enhance SBBC curriculum materials, with a focus on providing an interdisciplinary learning experience.

NRD staff will:

- Work with SBBC staff to assist in the development of supplemental environmental science curriculum resources, including modules that address local issues in water resources and management, sustainability, and climate change.
- Identify and provide technical resources that SBBC can use in creating locally relevant curriculum
- Maintain and provide a list of environmental professionals that promote student engagement in environmental issues across Broward County.

Task 3 **NatureScape Classroom Presentations and Teacher Trainings**

Provide NatureScape-based environmental presentations in the classroom and teacher training programs.

NRD staff will:

- Work with the SBBC, school administration, teachers, and other environmental professionals to deliver and coordinate hands-on environmental programming.
- Assist in the development and delivery of a variety of lesson plans based on the interactions of living things, cycles in nature, water resources and conservation, Florida's Everglades, climate change, and caring for Florida's environment in a sustainable manner.
- Offer and host an intensive one-week Summer Teacher Habitat Steward Workshop that will provide training on lessons to be brought into the classroom and to introduce and refine curriculum.
- Offer an abbreviated version of "Know the Flow" workshop when requested by teachers for classroom presentations using the Enviroscape model.
- Work with the SBBC to increase awareness about the health and environmental benefits of anti-idling programs in schools.
- Make speakers available to all SBBC classrooms and for Career Days upon SBBC request and subject to County staff availability on the following topics: Air Quality Issues, Alternative Fuels, Biological Resources, Environmental Protection and Enforcement, Geographic Information Systems, Hazardous Materials and Pollution Prevention, Environmental Engineering, Laboratory Analysis and Sampling Techniques, and Land Use and Transportation Planning. Air Quality Program staff will coordinate through the Speaker's Guide published for schools by Volunteer Services and by request on the Air Quality Educational Programs Speaker's Bureau.

- Continue the Air Quality Poster Contest with Broward County Elementary, Middle, and High Schools. The Air Quality Program will work with SBBC's Environmental Education programs and Applied Learning department in the selection of appropriate schools for the contest.

- Provide other programs such as coordination of presentations and displays to interested schools during Clear Air Month in May; make available the alternative vehicles to interested classrooms; participate as judges in local science fairs; and link its web site to browardschools.com.

- Continue to support Alternative Modes of Transportation Programs in SBBC High schools. These programs include EV/Alternative Fuels Challenge during Car Care Month (April/November) and Bike Challenge during Mobility Week.

- Continue to develop citizen science projects to engage students in utilizing handheld/low-income sensors to monitor to air pollution.

- Continue, in partnership with the US Environmental Protection Agency, to promote participation in the School Flag program to help students, parents, the community, and school personnel become aware of daily outdoor air quality conditions.

Task 4 **Broward Youth Climate Summit**

The Broward Youth Climate Summit provides a platform for BCPS students in grades 5-12 to advocate for policy change and gives students a voice for promoting environmental sustainability.

NRD staff will participate in the Broward Youth Climate Summit steering committee that will:

- Assist with identifying and confirming site venue/s
- Assist with event planning logistics
- Assist with developing the budget
- Assist with fundraising
- Assist with plenary and workshop presenter planning
- Assist with communications throughout the community
- Assist students and teachers in the development of Climate Action Plans for their school.

Task 5 Staff training for custodial staff, facilities managers, and support personnel.

This task is intended to provide training for custodial staff, facilities managers, and school support personnel.

NRD staff will:

- Provide classroom and virtual, hands-on training in water conservation, including landscaping maintenance, irrigation system repairs, and indoor plumbing repairs and retrofitting.
- Develop training videos on best management practices for custodial, maintenance, and facilities staff, including an introductory video on who NatureScape is, and the services provided by NatureScape to SBBC. These videos will be stored by SBBC.
- Provide agendas, outcomes, and other information needed for creating required documentation in SBBCs professional development system at least 4 weeks prior to any workshop.
- Provide annual SBBC staff training on any smart irrigation systems that may be installed on SBBC properties.

Task 6 Water Matters Day partnership

Broward Water Matters Day is a unique opportunity for students to interact with a full range of environmental professionals representing federal, state, and local agencies and to explore career options in the environmental field.

NRD staff will:

- Invite a minimum of ten schools (preferably all of the schools that have earned their Florida Green School designation) to host a booth/display at the event to showcase their environmental programs or bring attention to environmental issues.

- Solicit interested students and those seeking to earn volunteer hours to participate in and/or volunteer at the County's annual Water Matters Day event.
- Solicit entries from middle and high school students for essays, poems, and written works as part of the Water Matters Day Literary Contest and that relate to an environmental theme associated with either the annual event or the P_3 Eco-Challenge.
- Obtain prizes for student contests.
- Provide all support services related to the execution of Water Matters Day, including fundraising, planning, administration and coordination of activities and participants in advance of and during the event.
- Develop promotional materials for the annual Water Matters Day, including such items as posters, programs, multi-media advertisements, and t-shirts, as well as appropriate promotional spots for Water Matters Day for radio and/or television.
- Prepare a summary of the annual Water Matters Day event including information on attendance, survey results, and overall success in providing outreach to the community.
- Provide SBBC with a summary of Water Matters Day school-related activities, including number of volunteers and student participation.

Task 7 **Irrigation System, Water Evaluations, and Air Quality**

This task is intended to implement and provide for irrigation system and water evaluations to improve efficiency and reduce water usage indoors and outdoors.

NRD staff will:

- Work directly with SBBC Environmental Health and Safety, Physical Plant Operations, staff to thoroughly evaluate the efficiency of the water usage and irrigation systems at SBBC facilities identified by SBBC.

- Work with SBBC to develop schedules for evaluation of the irrigation systems, based primarily on usage, with priority given to those systems that are using municipally-sourced potable water.
- Recommend improvements and repairs to SBBC, and schedule and provide repairs.
- Train SBBC staff in proper irrigation system maintenance through annual professional development.
- Work with Environmental Conservation/Utility Management staff at SBBC to schedule indoor water evaluations of plumbing fixtures and water-using appliances.
- Continue to operate its Air Monitoring Stations currently located on the premises of a School Board of Broward County (SBBC) location. Furthermore, Natural Resources may establish additional Air Monitoring Stations, at other SBBC locations or newly constructed locations, upon receiving prior written approval from the SBBC. All Air Monitoring Stations shall be installed and operated at no cost to the SBBC.

Task 8 **Coordination/Administration**

This task includes coordination and overall administration of this Agreement, including financial and annual reporting. Quarterly summary reports will be provided to SBBC's Department of Applied Learning with invoices and summarize the major activities for the quarter under each of the task areas. An Annual Report will be provided to SBBC that will include additional information, including an estimate of annual avoidance in water and energy costs based on the documented water savings achieved at each facility, number of students taught, and number of staff trained through the program. All reports shall be submitted by direct upload into a SBBC shared One Drive folder.

NRD staff will:

- Meet with appropriate SBBC personnel to establish joint protocols, contacts, tools, and educational programs that best integrate environmental stewardship and sustainability principles within the District.
- Participate in meetings to review the year's progress and discuss opportunities for refinements and program improvement.
- Identify, share and pursue grant opportunities that further support these programs.
    - NRD's Air Quality Program staff will provide technical assistance and in-kind resources to the SBBC to apply for grants to retrofit school buses and/or purchase alternative fuels (electric buses).

EXECUTIVE SUMMARY

ITB26-194 – Construction Printing Services

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Rejection all Bids for Invitation to Bid (ITB) ITB26-194 – Construction Printing Services.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Section 6A-1.012(12)(c), F.A.C., (c) If less than two responsive proposals for commodity or contractual services are received, the district school board may negotiate on the best terms and conditions or decide to reject all proposals. The district school board shall document the reasons that negotiating terms and conditions with the sole proposer is in the best interest of the school district in lieu of resoliciting proposals.
If the School Board votes "Yes"	• The School Board will reject all bids received in response to the solicitation for print services for Capital construction projects and authorize staff to reissue the solicitation to encourage greater competition and obtain more competitive pricing.
If the School Board votes "No"	• Staff cannot recommend an award under the current solicitation because the pricing submitted by the remaining responsive bidder was determined to be significantly above prevailing market rates.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Not Applicable

Background/History
The Office of Capital Programs (OCP) utilizes print services for Capital construction projects. These services include the document reproduction of technical projects, including blueprints, plans, and site maps, as well as optical character recognition and binding services.

A total of two bids were received. Upon review, one bidder was deemed non-responsive for failing to submit the required documentation. The second bidder was responsive; however, the proposed pricing was significantly above prevailing market rates and deemed unreasonable. As the solicitation requires an award to all responsive and responsible bidders, staff is unable to proceed with an award. Accordingly, staff recommends rejecting all bids and reissuing the solicitation to encourage greater competition and more competitive pricing.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Dear Prospective Bidders,

SUBJECT: Instructions to Bidders
Invitation to Bid: ITB26-194 - Construction Printing Services

The School Board of Broward County, Florida (SBBC) is interested in receiving bids in response to the attached Invitation to Bid (ITB) for **Construction Printing Services**. Any questions regarding this ITB should be addressed to me in writing via e-mail to **marleen.padron@browardschools.com**. Once this solicitation is released to the General Public, the Cone of Silence (See General Condition 7.47) shall take effect. Any bidder or lobbyist for a bidder **is prohibited from having any communications concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, or any other School District employee** after Procurement & Logistic Operations releases a solicitation to the General Public. All communications must go through the Purchasing Agent. Any information that amends any portion of this ITB, which is received by any method other than an Addendum issued to the ITB, is not binding on SBBC.

In order to ensure that your bid is in full compliance with all requirements of the ITB, carefully read all portions of the ITB document, paying particular attention to the following areas:

EMERGING/SMALL/VETERAN/MINORITY/WOMEN BUSINESS ENTERPRISE (E/S/V/M/WBE) CERTIFICATION AND PARTICIPATION (See Attachment A)
ECONOMIC DEVELOPMENT & DIVERSITY COMPLIANCE DEPARTMENT (EDOC): SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, and the results of the 2023 Disparity Study conducted by Keen Independent Research (KIR). For information on E/S/V/M/WBE Certification, contact The Economic Development and Diversity Compliance Department at 754-321-0770 or visit www.browardschools.com/edoc

SECTION 3 – SPECIAL CONDITIONS

1. **INTRODUCTION:** The School Board of Broward County, Florida (hereinafter referred to as "SBBC") desires bids on Construction Printing Services as specified herein. The scope of requirements includes, but is not limited to, copying services of blueprints, bonds, and engineered drawings, as well as for optical character recognition and binding services. Prices quoted shall include inside delivery to various schools, departments, and centers within Broward County, Florida. The Awardee(s) shall receive individual Purchase Orders specifying the name and ship-to address of the various schools, departments, and centers.

   SUBMIT IN TIME FOR BID OPENING:

   - E-bidding through Demandstar.com

2. **QUESTIONS FROM BIDDERS:** Any questions by prospective Bidders concerning this Invitation to Bid should be addressed to Marleen Padron**, Purchasing Agent in Procurement & Logistic Operations, via email to marleen.padron@browardschools.com** who is authorized only to direct the attention of prospective Bidders to various portions of the bid so they may read and interpret such for themselves. Neither the Purchasing Agent nor any employee of SBBC is authorized to interpret any portion of the bid or give information as to the requirements of the bid in addition to that contained in the written bid document. **Questions should be submitted in accordance with General Condition 7.8 of this ITB.** Interpretations of the bid or additional information as to its requirements, where necessary, shall be communicated to Bidders only by written Addendum. Any verbal or written information, which is obtained other than by information in this ITB document or by Addenda, shall not be binding on SBBC.

3. **NON-MANDATORY BIDDER'S CONFERENCE:** The Bidders' Conference will take place in accordance with the schedule provided in Section 2 – Calendar. Representatives from all interested companies are encouraged to attend. **PLEASE BRING A COPY OF THIS ITB WITH YOU TO THE MEETING.**

   The purpose of the Bidder's Conference is to allow prospective Bidders to bring forth questions they may have, to allow prospective Bidders to be aware of questions other Bidders may have, and to stimulate discussions that will generate questions in an effort to assist prospective Bidders in preparing the best and most comprehensive bid for submission to SBBC. Questions submitted shall be answered by all Bidders via Addenda. All questions shall be submitted in accordance with Section 2 of this ITB. Any information verbally given by any party at the Bidder's Conference shall not be binding on SBBC. Bidders shall only consider the information provided in the ITB or via Addenda.

   In addition, a representative from the SBBC Supplier Diversity & Outreach Program may be present to address questions regarding E/S/V/M/WBE participation.

4. **TERM:** The award of this bid shall establish a three (3) year Agreement beginning upon approval by the Board. Bids shall not be considered for a shorter period of time. If only one bid is received, the term of the Agreement may be reduced to one year.

5. **RENEWAL/EXTENSION:** The term of the contract may, by mutual agreement between SBBC and the Awardee, be extended for two additional one-year periods and, if needed, 180 days beyond the expiration date of the renewal period. SBBC and Awardee may, by mutual agreement, when exercising the option terms provided herein, extend the Agreement for a term period less than the full one (1) year option term. The Procurement & Logistic Operations Department will, if considering renewing, request a letter of intent to renew from each Awardee before the end of the current contract period. The Awardee will be notified when the recommendation has been acted upon by the School Board.

   When a subsequent award process for the award of the goods or services sought under this competitive solicitation is stopped due to the filing of a formal written protest, The School Board reserves the right to extend any agreement awarded under this competitive solicitation for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until such time as the new award under protest can be approved by The School Board.

6. **AWARD:** This bid shall be awarded in its **ENTIRETY** to ALL, responsive and responsible bidder(s), meeting all specifications, terms, and conditions. Unit prices must be stated in the space provided on the Bid Summary Sheet. It is necessary for a Bidder to bid on **every** item in the bid in order to have their bid considered. SBBC may need to order an individual component within the bid. All items must have an individual cost. **Failure** to state the individual cost for any item shall result in the **disqualification** of the entire bid. It is also required that the Bidder carefully considers each item and makes sure that each one meets the specifications as indicated. In the event that one item does not meet such specifications, the entire bid shall be disqualified.

SECTION 3 – SPECIAL CONDITIONS (continued)

7. **ADDITIONAL VENDORS:** SBBC reserves the right, at its sole discretion, to increase the pool of Vendors authorized to provide the services covered under this ITB, if deemed necessary by SBBC. Subject to approval, additional Vendors may be added to the pool of Awardees during the term of the ITB. Regardless of the date on which a Vendor is added to the pool of Awardees, all awards shall terminate upon the expiration of this ITB

8. **EMERGENCY ORDERS:** Emergency orders are defined as situations where immediate purchases are required to prevent the loss of service to alleviate the possibility of a situation that would adversely and unduly affect the safety, health, or comfort of a building, occupants, or otherwise cause loss to the District. In the event of an emergency, the District may select, at their discretion, a vendor from the Awardees to provide products/services.

9. **DELIVERY/ FREIGHT: (For Bid Item Only)**

    a. Routine: to be delivered within 3 days of Order Receipt.
    b. Emergency: to be delivered within 1 day of Order Receipt.

10. **ACCEPTANCE OF MATERIALS:** The material delivered under this ITB shall remain the property of the Awardee until a physical inspection and actual usage of this material is made and thereafter accepted to the satisfaction of SBBC and must comply with the terms herein and be fully in accordance with specifications. In the event the material supplied to SBBC is found to be defective or does not conform to specifications, SBBC reserves the right to cancel the order upon written request to the Awardee and return the product to the Awardee at the Awardee's expense. The Awardee will be responsible for picking up defective/rejected materials. After 30 days of notification to the Awardee, if the materials are not removed, they become the property of SBBC. The Awardee shall be responsible for any disposition charges, where applicable.

11. **QUANTITIES:** The quantities listed on the Bid Summary Sheet are estimated quantities to be ordered throughout the Agreement period for each item and are not a guarantee. Actual quantities ordered throughout the Agreement period may be greater or less than the bid estimates and shall be furnished at the fixed Agreement price. Purchases shall be requested as needed throughout the Agreement period, and as few as one each may be ordered at one time except where minimum orders are specifically stated on the Bid Summary Sheet(s).

12. **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for an agreement awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

13. **INSPECTION OF FACILITIES:** In order to be considered for an award, Bidders shall have adequate local stock to supply the requirements of this ITB at the time of bid opening. Therefore, SBBC reserves the right, prior to recommending this bid for an award, to inspect Bidder's facilities to determine if, in the opinion of SBBC's representative, the Bidder's local stock is adequate to meet the requirements of this bid. Adequacy of local stock shall be a determining factor in an award to assure SBBC of the delivery of items specified within., in the opinion of SBBC's representative, it is determined that local stock is not adequate to meet the requirements of this ITB, based upon an inspection of Bidder's facilities, a recommendation shall be made to reject the bid of the vendor(s) not meeting this requirement.

14. **INVOICES:** Delivery copies, packing slips, and invoices to SBBC **MUST** include the following to permit SBBC to verify prices with this Agreement and expedite the use of material. **FAILURE OF AN AWARDEE TO PROVIDE THIS INFORMATION SHALL RESULT IN EITHER THE INVOICE BEING RETURNED FOR CLARIFICATION OR A DELAY IN PROCESSING SAID INVOICE FOR PAYMENT.** Invoices are to be mailed to **The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301 or to the address indicated on the Purchase Order, and emailed to FRDAPHELP@BROWARDSCHOOLS.COM.**

    a. Material release number OR the control number
    b. Purchase Order number
    c. A complete description of the items
    d. Itemized list price
    e. Total dollar amount shall be net

SECTION 3 – SPECIAL CONDITIONS (continued)

15. **ACH PAYMENTS:** Payments will be made to Awardee(s) by SBBC via ACH (Automated Clearing House) for automatic deposits (credits) after goods or services are provided by the Awardee in accordance with bid requirements. To facilitate payments being directly deposited, the ACH Payment Agreement must be submitted to achrequests@browardschools.com. New vendors can do this as part of the supplier registration process described below. Vendors already registered on SBBC's eProcure Online Supplier Portal can update their information by downloading a copy of the ACH Payment Agreement and submitting the completed form to the Purchasing Help Desk email stated above.

16. **SUPPLIER REGISTRATION:** To become a registered vendor for SBBC, vendors must access, complete, and submit a Supplier Profile Questionnaire (SPQ) through SBBC's new eProcure Online Supplier Portal, powered by Ariba which can be located at https://www.browardschools.com/supplierselfregistration. Purchase Orders or payments cannot be issued to the Awardee without an SAP Vendor number, which is issued after completion of the Online Supplier Portal registration process. Training materials are available via our website at https://www.browardschools.com/PWS (if needed).

17. **COMPANY REPRESENTATIVE:** Bidder(s) should indicate, in the space provided on the Bid Summary Sheet, the name, address, telephone number, etc., of the representative who could make scheduled visits to the schools/departments and who shall be available, upon request, to resolve billing and delivery problems.

18. **VALUE:** No guarantee as to the dollar amount of this bid is implied or given. SBBC is not obligated to place any orders with any Awardee participating in this bid.

19. **PRICE ADJUSTMENTS:** Prices offered shall remain firm through the first three (3) years of the Agreement. A request for a price adjustment, with proper documentation justifying the adjustment, may be submitted in writing thirty (30) calendar days before the third-anniversary date of the Agreement. Price adjustment requests shall be evaluated on an annual basis thereafter. Unit price adjustments must have written approval from SBBC before invoicing. Any unit price adjustment invoiced without written approval from SBBC shall not be paid, and the invoice will be returned to the Awardee for correction.
    a. The Director, Procurement & Logistic Operations, may, in the Director's sole discretion on behalf of the SBBC, equitably adjust pricing if the pricing or availability of supplies is adversely affected by extreme and unforeseen volatility in the marketplace. Consideration for any pricing adjustment shall require the vendor to provide irrefutable evidence that ALL the following circumstances exist:
        i. The volatility is due to causes wholly beyond the vendor's control and
        ii. The volatility affects the marketplace or industry, not just the vendor's source of supply; and
        iii. The effect on pricing or availability of supply is substantial, and
        iv. The volatility so affects the vendor that continued performance of the Agreement would result in a substantial loss.

    Note: Any pricing adjustment must be confirmed in writing by the Director of Purchasing

20. **PRICE REDUCTIONS:** Awarded vendors may offer SBBC, at any time during the period of the Agreement, additional discounts from the prices offered in this ITB and invoice less than the prices offered in their submitted bid. If, from the date of bid opening, the Awardee either bids the same products at a lower price than offered to SBBC or reduces the price of the bidding product, the lowest of these reduced prices shall be extended to SBBC.

21. **W-9 FORMS:** All Bidders are requested to complete a W-9 form, which can be found at https://www.irs.gov/pub/irs-pdf/fw9.pdf, and submit it with their bid.

SECTION 4 – SPECIFICATIONS & BID SUMMARY (PRICING) - Continued

5. Vendors shall provide black-and-white copying services, including binding with three-hole punch screw posts, spiral, or comb binding, for documents such as project manuals, plans, and individual pages. Vendors are responsible for issuing copies of these materials to contractors and the public at a consistent price. A **24-hour** turnaround is required for all copy requests.

6. All pricing must include pickup and delivery of documents to and from the Facilities and Construction Management Division (OFC). Deliveries outside of OFC will be billed to the requesting party. Addenda must be delivered to recipients by the next business day following notification from OFC. Any requests for additional time must be pre-approved by OFC.

7. Documents containing original seals must be returned to SBBC after copying. Any erroneous or defective copies must be securely shredded and disposed of by the vendor at no additional cost.

8. Copying services must begin within **24 hours** of notification from OFC and proceed without interruption until completion.

9. All paper used must be 20-lb., long grain, white or colored bond paper. Card stock covers must be 67-lb., color-coded as follows: blue for elementary schools, yellow for middle schools, red for high schools, green for centers and administrative sites, and white for district-wide projects.

10. All copies and bindings must be clear, legible, and of high quality. SBBC reserves the right to inspect and reject any substandard work. Deliveries must be made to designated Facilities and Construction Department locations, as assigned.

11. Vendors are fully responsible for all SBBC materials in their possession and must replace any lost or damaged documents at no additional cost to SBBC.

12. Vendors must be able to process single-sided, double-sided, bound, unbound, and slip-sheeted documents. Manuals must be printed double-sided with each section beginning on the right-hand page. Vendors must review and organize documents to ensure no pages are missing and all content, including engineering-size prints, is accurately reproduced.

13. At least two employees must be available during regular business hours (8:00 a.m. – 5:00 p.m.) to respond to print requests and customer inquiries. In the event of employee separation (e.g., resignation, termination, or extended leave), the vendor must ensure continuity of service by providing a qualified temporary or replacement employee within one business day, so that the requirement of two available staff during regular business hours is continuously met without interruption to SBBC operations.

14. Vendors must offer online access for document ordering, payment (via EFT, PayPal, credit/debit card), and the ability to view or download scanned documents.

SECTION 5 – MINIMUM INSURANCE REQUIREMENTS

Insurance Requirements. The Awardee shall comply with the following insurance requirements throughout the term of this Agreement.

1. **General Liability.** Limits not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate. Limits not less than $1,000,000 for Products/Completed Operations Aggregate.

2. **Workers' Compensation.** Florida Statutory limits in accordance with Chapter 440; Employer's Liability limits not less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

3. **Auto Liability.** Owned, Non-Owned, and Hired Auto Liability with Bodily Injury and Property Damage limits of not less than $1,000,000 Combined Single Limit.

   If the Awardee does not own any vehicles, hired and non-owned automobile liability coverage in the amount of $1,000,000 shall be accepted. In addition, an affidavit signed by the Awardee must be furnished to SBBC indicating the following:

   _____ (Awardee Name) does not own any vehicles. In the event the insured acquires any vehicles throughout the term of this Agreement, the insured agrees to provide proof of "Any Auto" coverage effective the date of acquisition.

4. **Acceptability of Insurance Carriers.** The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A- VI by AM Best or Aa3 by Moody's Investor Service.

6. **Verification of Coverage** Proof of insurance must be submitted to the insurance tracking system within fifteen (15) days of this notification. You will receive a system-generated email within three (3) business days of this letter with insurance requirements and a unique link to upload your certificate of insurance (located at the bottom of the email as a blue box labeled Upload COI). YOU MUST RECEIVE A NOTICE OF COMPLIANCE.
   i. New vendors will receive an email notification requesting account verification and insurance agent information.
   ii. Existing vendors will receive an email notification of the current status.

5. **Required Conditions.** Liability policies must contain the following provisions. In addition, the following wording must be included on the Certificate of Insurance:
   i. The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insured.
   ii. All liability policies are primary of all other valid and collectible coverage maintained by the School Board of Broward County, Florida.
   iii. Certificate Holder: **The School Board of Broward County, Florida, 600 SE 3rd Avenue, Fort Lauderdale, Florida 33301**

6. **Cancellation of Insurance.** Awardee is prohibited from providing services under this Agreement with SBBC without the minimum required insurance coverage and must notify SBBC within two business days if the required insurance is canceled.

7. **Acceptability of Insurance.** The School Board of Broward County, Florida, reserves the right to review, reject, or accept any required policies of insurance, including limits, coverages, or endorsements, herein throughout the term of this Agreement.

SECTION 6 – ECONOMIC DEVELOPMENT OPPORTUNITIES & COMPLIANCE DEPARTMENT (EDOC)

SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP)

ECONOMIC DEVELOPMENT OPPORTUNITIES & COMPLIANCE DEPARTMENT (EDOC): SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, and the results of the 2023 Disparity Study conducted by Keen Independent Research (KIR). The provisions of the Policy shall apply to all competitive solicitations for Construction, Architectural & Engineering, Professional Services, Goods and Other Services, and any resulting contract documents, including change orders and amendments. For information on Emerging Small, Minority, Veteran and Women Business Enterprise (E/S/V/M/WBE) Certification, contact The Economic Development Opportunities & Compliance (EDOC) Department at 754-321-0770 or visit www.browardschools.com/EDOC.

Nondiscrimination: Each Proposer/Bidder hereby certifies and agrees that the following information is correct: In preparing its response to this solicitation, the Proposer/Bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers and has not engaged in "discrimination" as defined in School Board Policy 3330 – Supplier Diversity Outreach Program, Section D.1.; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses to this Bid, it is understood and agreed that if this certification is false, such false certification will constitute grounds for SBBC to reject the response submitted by the Proposer/Bidder on this solicitation and terminate any contract awarded based on the response as a condition of submitting a response to SBBC, the Proposer/Bidder agrees to comply with SBBC's Commercial Nondiscrimination Policy as described under its School Board Policy 3330.

Industry–Specific Remedial Affirmative Procurement Initiative (API): The **Goal Setting Committee** (GSC) has assigned the following API:

In accordance with **SBBC Policy No. 3330** and the findings of the **2023 Disparity Study**, the GSC has established an **E/S/V/M/WBE Prime Bidder Pricing Preference** for contracts related to the purchase of "Goods and Other Services." A **two percent (2%) price preference** will be applied if the Prime bidder is an **EDOC-certified E/S/V/M/WBE firm**.

After the application of all other bidder preference laws, any responsive and responsible **EDOC-certified E/S/V/M/WBE Prime bidder/proposer(s)** that meet the specified requirements and whose bids fall within **two percent (2%)** of the lowest non-EDOC-certified bidder will receive this price preference incentive.

Documentation and Certification Requirements:
All bidder/proposer(s) must submit **Document 00471** (see Attachment A) at the time of submission. Prime bidder/proposer(s) committing to subcontracting with an **EDOC-certified E/S/V/M/WBE firm** must also submit **Documents 00475 and 00470**, along with a copy of the subcontractor/subconsultant's EDOC certificate.

To view the current list of E/S/V/M/WBE certified firms and to learn how to become certified, please visit:
https://www.browardschools.com/EDOC

Reporting Requirements:

MANDATORY – Post-Award Monthly Compliance Monitoring and Reporting Requirements:
Any proposal that results in the award of a contract shall require the awarded contractor to fully participate in and comply with the requirements of the Supplier Diversity Outreach (SDOP) Program.

Upon contract award, all awarded contractors shall register in and utilize the *SDOP Management System* powered by B2Gnow for compliance monitoring and reporting purposes.

Prime contractors shall report all contract-related revenue and payment activity within the system, including the reporting of all payments made to E/S/V/M/WBE subcontractors. Such reports shall be submitted no later than the 10th day of each month for the preceding reporting period.

Notice: Any proposed modifications to the approved utilization and/or subcontracting plan—including, but not limited to, subcontractor substitutions, additions, deletions, or terminations—must be approved in advance by the EDOC department.

SECTION 7 – GENERAL CONDITIONS

7.1 **LIABILITY: This General Condition of the ITB is NOT subject to negotiation or exemptions, and any proposal that fails to completely accept these conditions shall be rejected as "non-responsive."**

7.1.1 By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

7.1.2 By AWARDEE: Awardee agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by the Awardee, its agents, servants or employees; the equipment of the Awardee, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of Awardee or the negligence of Awardee's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses be for damages, damage to property including SBBC's property, and injury or death of any person whether employed by the Awardee, SBBC or otherwise.

7.2 **SEALED PROPOSAL REQUIREMENTS:** The "**Required Response Form**" (Section 1.0) **must be completed, either manually or digitally signed (in blue ink, preferably), and returned with your submitted proposal in order to be considered for award.** Electronic signatures on bid documents will be accepted pursuant to Section 668.004, Florida Statutes. To be considered, all proposals must be delivered in a sealed envelope (package, box, etc.), clearly marked with the words "Proposal Documents," Invitation to Bid (ITB) number, and the title of the ITB and received in the Procurement & Logistic Operations Department no later than the specified date and time for the Invitation to Bid opening.

7.2.1 **PROPOSER'S RESPONSIBILITY:** It is the responsibility of the Proposer to be certain that all numbered pages of the ITB and all attachments thereto are received and all Addendum released are received prior to submitting a proposal without regard to how a copy of this ITB was obtained.

It is the responsibility of the Proposer to make sure the original proposal matches the digital copy as requested in the ITB. SBBC is not responsible for missing information in the proposal copies. Failure to check your proposal for missing information shall be at the risk of the Proposer and shall not be the responsibility of SBBC.

7.2.2 **PROPOSAL SUBMITTED:** Completed proposal must be submitted in a sealed envelope (package, box, etc.) with the ITB number and name clearly typed or written on the front of the envelope (package, box, etc.). Proposals must be time-stamped in the Procurement & Logistic Operations Department on or before 2:00 p.m. ET on the date due for the proposal to be considered**.** Proposals will be opened at 2:00 p.m. ET on the date due as stated in the ITB or Addendum. Failure to submit such a proposal in a timely manner shall disqualify the Proposer, and such proposal will either be returned to the Proposer or stored and unopened. NO FAXED PROPOSALS SHALL BE ACCEPTED. **The School Board of Broward County, Florida (SBBC) reserves the right to reject any proposal that fails to comply with these submittal requirements.**

7.2.3 **EXECUTION OF PROPOSAL:** The proposal must contain an original manual or digital signature (in blue ink) of an authorized representative who can bind the company to the requirements of the ITB in the space provided on the **Required Response Form** (Section 1.0). All proposals must be typewritten. It is requested that the submitted proposal follow the exact format as outlined in the ITB.

7.2.4 **BIDDING PREFERENCE LAWS:** The State of Florida provides a Proposer's preference for Florida vendors for the purchase of personal property. **SERVICES ARE NOT COVERED UNDER THIS REQUIREMENT**. The local preference is five (5) percent. Proposers outside the State of Florida must have an attorney licensed to practice law in the out-of-state jurisdiction, as required by Florida Statute 287.084(2), execute the "**Opinion of Out-of-State Bidder's Attorney on Bidding Preferences**" form and must submit this form with the submitted proposal. Such an opinion should permit SBBC's reliance on such an attorney's opinion for purposes of complying with Florida Statute 287.084. Florida Proposers must also complete its portion of the form. Failure to submit and execute this form, along with the proposal, shall result in the proposal being considered "non-responsive" and rejected.

7.3 **SUBMITTAL OF PROPOSALS:** All Proposers are reminded that it is the sole responsibility of the PROPOSER to assure that their proposal is time-stamped in **PROCUREMENT & LOGISTIC OPERATIONS on or before 2:00 p.m. ET on the date due (See Calendar Section 2.0)**. Late proposals shall not be accepted. The address for proposal submittal, including hand-delivery and overnight courier delivery, is indicated as **7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704**. The Proposer is fully and completely responsible for the payment of all delivery costs associated with the delivery of their proposal or related material. Procurement & Logistic Operations will not accept delivery of any proposal or related material requiring the School Board to pay for any portion of the delivery cost or the complete delivery cost. Prior to proposal submittal, it is the responsibility of the Proposer to be certain that all Addenda released has been received, that all Addendum requirements have been completed, and that all submittals required by the Addendum have been filed in a timely manner. (See General Condition 7.2.2)

7.4 **ORIGINAL DOCUMENT FORMAT:** Only the terms and conditions of this solicitation, as they were released by SBBC or amended via Addendum, are valid. Any modification to any term or condition by a vendor is not binding unless it is expressly agreed to, in writing, by SBBC.

7.5 **PRICES QUOTED:** All prices for goods quoted shall be F.O.B. Destination and freight prepaid (Proposer pays and bears freight charges). Proposer owns goods in transit and files any claims unless otherwise stated in the Special Conditions of the ITB. In case of a discrepancy in computing the amount of the proposal, the **Unit Price** quoted shall govern. For services, the unit price shall be all-inclusive of services performed.

a) **TAXES:** The School Board of Broward County, Florida, does not pay Federal Excise and State taxes on direct purchases of tangible personal property. The applicable tax exemption number is shown on the Purchase Order. This exemption does not apply to purchases of tangible property made by contractors who use tangible personal property in the performance of contracts for the improvement of School Board-owned real property as defined in Chapter 192 of the Florida Statutes.

b) **MISTAKES:** Proposers are expected to examine the specifications, delivery schedules, proposal prices and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at the Proposer's risk.

c) **CONDITIONS AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this proposal shall be new (current production model at the time of this proposal) unless otherwise specified in this ITB. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the proposal, all manufactured items and fabricated assemblies shall be UL listed where such has been established by UL for the item(s) offered and furnished. In lieu of the UL listing, the Proposer may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NTRL) Recognition Program.

e) **PROPOSER'S CONDITIONS:** Proposal conditions and specifications shall not be changed, altered, or conditioned in any way. The Evaluation Committee reserves the right to reject any conditional proposal.

7.6 **SAMPLES:** Samples of items, when required, must be furnished free of expense within five (5) working days unless otherwise stated in the ITB or by the Purchasing Agent's letter to the Proposer requesting the sample(s). If the Proposer must have the sample(s) returned, then the sample(s) will be returned at the Proposer's expense. Proposer(s) will be responsible for the removal of all sample(s) furnished within thirty (30) days after the award of the ITB. All sample(s) will be disposed of after thirty (30) days after the award of the ITB.

Each individual sample must be labeled with the Proposer's name, ITB Number, and item number. Failure of the Proposer to either deliver the required sample(s) or to clearly identify samples as indicated may be a reason for rejection of the proposal item. Unless otherwise indicated in the ITB, sample(s) should be delivered to the Procurement & Logistic Operations Department, The School Board of Broward County, Florida, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida, 33351-6704.

7.7 **DELIVERY: ALL DELIVERIES SHALL BE F.O.B. DESTINATION POINT: Shipping points offered other than F.O.B. Destination shall be rejected**. Unless the actual date of delivery is specified (or specified delivery cannot be met), show the number of days required to make delivery after receipt of the Purchase Order in the space provided. Delivery time may become a basis for making an award (see Special Conditions). Delivery shall be within the normal working hours of the user, Monday through Friday, excluding state holidays and days during which the school district administration is closed.

7.8 **INTERPRETATIONS:** Any questions concerning conditions and specifications must be submitted in writing and received by the Procurement & Logistic Operations Department as requested in the Conditions of the ITB, Information. If necessary, an Addendum will be issued. (Section 3, Special Condition 2)

7.9 **EVALUATION COMMITTEES AND PROPOSALS:** SBBC and its Evaluation Committees evaluate and negotiate all proposals in accordance with State Statutes 119.071 and 286.0113.

7.10 **AWARDS:** In the best interest of SBBC, the Procurement & Logistic Operations Department reserves the right to withdraw this ITB at any time prior to the time and date specified for the ITB opening. The Evaluation Committee reserves the right to reject any or all proposals received when there is sound documented business reason(s) that serve the best interest of SBBC. The Evaluation Committee reserves the right to accept any item or group of items unless qualified by the Proposer. All awards made as a result of this ITB shall conform to applicable Florida Statutes and be governed by the laws of the State of Florida and must have a venue established in the 17th Judicial Circuit Court of Broward County, Florida, or the United States Court of the Southern District of Florida.

7.11 **PROPOSAL OPENING:** The proposal opening shall be made public on the date and at the time specified in the ITB. Any proposal(s) received after that time shall not be considered for award. (See Required Response Form Section 1.0)

7.12 **ADVERTISING:** In submitting a proposal, Proposer agrees not to use the results therefrom as a part of any commercial advertising without prior approval of the School Board.

7.13 **INSPECTION, ACCEPTANCE, & TITLE: Inspection and acceptance will be at the** destination unless otherwise provided in the ITB. Title to/or risk of loss or damage to all items shall be the responsibility of the Awardee until acceptance by SBBC unless loss or damage resulting from negligence by SBBC. If the materials or services supplied to SBBC are found to be defective or not conform to specifications, SBBC reserves the right to cancel the order upon written notice to the Awardee(s) and return the product at the Awardee's expense.

7.14 **PAYMENT:** Payment will be made by SBBC after the items awarded have been received, inspected, found to comply with award specifications free of damage or defect, and properly invoiced. Services will be paid after they have been performed and meet the requirements of the ITB. All payments will be made by ACH (Automated Clearing House) for automatic deposits (credits).

7.15 **CONFLICT OF INTEREST AND CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP:** Section 112.313 (3) and (7), Florida Statutes, sets forth restrictions on the ability of SBBC employees acting in a private capacity to rent, lease, or sell any realty, goods or services to SBBC. It also places restrictions on SBBC employees concerning outside employment or contractual relationships with any business entity that is doing business with SBBC. Each Proposer is to disclose any employees it has who are also SBBC employees by submitting **Attachment B, Disclosure of Potential Conflict of Interest and Conflict Employment or Contractual Relationship**, with its proposal. Any employees identified by the Proposer when completing **Attachment B** should obtain legal advice as to their obligations and restrictions under Section 112.313 (3) and (7), Florida Statutes.

7.16 **INSURANCE:** The proposer, by virtue of submitting a proposal, shall be in full compliance with paragraph 7.24 LIABILITY INSURANCE, LICENSES, AND PERMITS of the General Conditions. Insurance Requirements are shown in Section 5.0 of this ITB. The Proposer shall take special notice that SBBC shall be named as an additional insured under the General Liability policy, including product liability. (Refer to the Special Conditions of the ITB for the threshold requirements)
The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A-VI by AM Best or Aa3 by Moody's Investor Service. All policies must remain in effect during the performance of the contract. (Section 5.0)

7.17 LICENSES, CERTIFICATIONS, AND REGISTRATIONS: As of the ITB Opening Date, the Proposer must have all Licenses, Certifications, and Registrations required when performing the services as described herein in order for a proposal to be considered a responsive and responsible proposal. Licenses, Certifications, and Registrations required for this ITB shall be as required by Chapter 489, Florida Statutes, as currently enacted or as amended from time to time; by the State Requirements for Educational Facilities (SREF), latest version; and by Broward County, Florida. The proposer must submit a copy of all its current Licenses, Certifications, and Registrations required as described herein, either with its proposal or within five (5) working days of notification.

7.18 **BID BONDS, PERFORMANCE BONDS, AND CERTIFICATES OF INSURANCE:** Bid bonds, when required, shall be submitted with the proposal in the amount specified in Special Conditions. Bid bonds will be returned to non-Awardees. After acceptance of the proposal, the School Board will notify the Awardee to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. Upon receipt of the performance bond, the bid bond will be returned to the Awardee.

An Awardee who has any License, Certification, or Registration either suspended, revoked, or expired after the date of the Bid Opening shall provide notice to the Director of Procurement & Logistic Operations Department within five (5) working days of such suspension, revocation, or expiration. However, such suspension, revocation, or expiration after the date of the ITB opening shall not relieve the Awardee of its responsibilities under a contract awarded under this ITB.

7.19 **PRIORITY OF DOCUMENTS:** In the event of a conflict between the documents, the order of priority of the documents shall be as follows:
a) Any Agreement resulting from the award of this ITB; then
b) Addenda released for this ITB, with the latest Addendum taking precedence; then
c) The ITB; then
d) Awardee's proposal.

7.19.1 **DISPUTES:** In the event of any dispute or difference of opinion concerning the interpretation of the Agreement and any documents incorporated therein, the decision of SBBC shall be final and binding upon all parties.

7.20 **PATENTS & ROYALTIES:** Awardee(s), without exception, shall indemnify and save harmless The School Board of Broward County, Florida, and its employees from liability of any nature or kind, including cost and expenses for any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The School Board of Broward County, Florida. If the Awardee(s) uses any design, device, or materials covered by letters, patents, or copyright, it is mutually understood and agreed without exception that the proposal prices shall include all royalties or costs arising from the use of such design, device or materials in any way involved in the work.

7.21 **OSHA:** Awardee warrants that the product(s) supplied to The School Board of Broward County, Florida, shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of contract.

7.22 **SPECIAL CONDITIONS:** The Superintendent or Designee has the authority to issue Special Conditions and Specifications as required for individual proposals. Any and all Special Conditions that may vary from these General Conditions shall have precedence.

7.23 ***NONDISCRIMINATION:*** NONDISCRIMINATION: The respondent hereby certifies and agrees that the following information is correct: In preparing its response on this project, the respondent has considered all proposals submitted from qualified, potential subcontractors and suppliers and has not engaged in "discrimination" as defined in the District's Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that if this certification is false, such false certification will constitute grounds for the School District to reject the response submitted by the respondent on this project and terminate any contract awarded based on the response. As part of its response, the respondent shall provide to the School District a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the respondent discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. As a condition of submitting a response to the School Board, the respondent agrees to comply with the District's Commercial Nondiscrimination Policy as described under its School Board Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1.

7.24 **QUALITY:** All materials used for the manufacture or construction of any supplies, materials, or equipment covered by this ITB shall be new unless otherwise specified. The items bid must be new, the latest model of the best quality, and the highest grade workmanship. Product(s) offered that have not been previously used in any way and are being actively marketed by the manufacturer will be accepted. Minor parts within the product(s) may have remanufactured components. Therefore, **reconditioned, refurbished, rebuilt, discontinued, used, shopworn, demonstrator, prototype, or other types of product(s) of this kind are not acceptable and will be rejected.**

7.25 **LIABILITY INSURANCE, LICENSES, AND PERMITS:** Where Awardees are required to enter or go onto School Board property to deliver materials or perform work or services as a result of an ITB award, the Awardee agrees to The Hold Harmless Agreement stated herein and will assume the full duty obligation and expense of obtaining all necessary licenses, permits, and insurance. The Awardee shall be liable for any damages or loss to

7.25 (continued) the School Board occasioned by the negligence of the Awardee (or agent)or any person the Awardee has designated in the completion of the contract as a result of their bid.

7.26 **CANCELLATION:** In the event any of the provisions of this ITB are violated by the Awardee, the Director of Procurement & Logistic Operations shall give written notice to the Awardee stating the deficiencies and unless deficiencies are corrected within five (5) business days (or as required), a recommendation will be made to the School Board for immediate cancellation of the Awardee's contract.

7.27 **BILLING INSTRUCTIONS:** Invoices, unless otherwise indicated, must show Purchase Order numbers and shall be submitted in duplicate to The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301 or emailed to FRDAPHELP@BROWARDSCHOOLS.COM. Payment will be made a minimum of thirty (30) calendar days after delivery, authorized inspection, and acceptance. When vendors are directed to send invoices to a school, the school will make direct payments to the vendor.

7.28 **DELIVERING TO CENTRAL WAREHOUSE:** Receiving hours are Monday through Friday (excluding state holidays and days during which the school district administration is closed), **7:00 a.m. to 2:00 p.m. ET.**

7.29 **SUBSTITUTIONS:** The School Board of Broward County, Florida, ***WILL NOT*** accept substitute shipments of any kind. Awardees are expected to furnish the brand/manufacturer quoted in their proposal once awarded by the School Board. Any substitute shipments shall be returned at the Awardee's expense.

7.30 **FACILITIES:** SBBC reserves the right to inspect the Awardee's facilities at any time with prior notice. SBBC may use the information obtained from this to determine whether a Proposer is a responsible bidder.

7.31 **ASBESTOS AND FORMALDEHYDE STATEMENT:** All building materials, pressed boards, and furniture supplied to SBBC shall be **100% asbestos-free. It is desirable that all building materials, pressed boards, and furniture supplied to the school board be 100% formaldehyde-free.** Proposer, by virtue of bidding, certifies by signing the proposal that, if awarded this ITB, only building materials, pressed boards, and/or furniture that is **100% asbestos-free** will be supplied.

7.32 **ASSIGNMENT:** Neither any award of this ITB nor any interest in any award of this ITB may be assigned, transferred, or encumbered by any party without the prior written consent from the Director, Procurement & Logistic Operations. There shall be no partial assignments of this ITB, including, without limitation, the partial assignment of any right to receive payments from SBBC.

7.33 **EXTENSION:** In addition to any extension options contained herein, SBBC is granted the right to extend any award resulting from this ITB for the period of time necessary for SBBC to release, award, and implement a replacement ITB for the goods, products, and/or services provided through this ITB. Such extension shall be at the same prices, terms, and conditions as existed at the time of SBBC's exercise of this extension right. The period of any extension under this provision **shall not be for a period in excess of six (6) months** from (a) the termination date of a contract entered into as a result of this bid or (b) the termination date under any applicable period of extension under a contract entered into as a result of this bid.

When a subsequent contract award process for the award of the goods or services sought under this competitive solicitation is stopped due to the filing of a formal written protest, The School Board reserves the right to extend any contract awarded under this competitive solicitation for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until the new award under protest can be approved by the School Board.

7.34 **OMISSION FROM THE SPECIFICATIONS:** The apparent silence of this specification and any Addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best available units or service shall be provided, and the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this Agreement.

7.35 **SUBMITTAL OF INVOICES:** All Proposers are hereby notified that any invoice submitted as a result of the award of this ITB must be in the same format as any Purchase Order released as a result of the award of this ITB. **Each line of the invoice must reference a corresponding single line shown on the Purchase Order.** A single invoice line must not correspond to or commingle the cost shown on multiple Purchase Order lines. An invoice submitted that does not follow the same format and line numbering as shown on the purchase order will be deemed incorrect and will be returned to the vendor by the accounts payable department for correction. The address for submitting invoices is included in the Purchase Order.

7.36 **PURCHASE AGREEMENT:** This ITB, written Agreement, and the corresponding Purchase Orders will constitute the complete agreement. SBBC will not accept proposed terms and conditions that are different from those contained in this ITB, including pre-printed text contained on catalogs, price lists, other descriptive information submitted, or any other materials. By virtue of submitting a proposal, Awardee(s) agrees to not submit to any SBBC employee, for signature, any document that contains terms and conditions that are different from those contained herein and that in the event any document containing any term or condition that differs from those contained herein is executed, the said document shall not be binding on SBBC.

7.37 **SBBC INFORMATION SECURITY GUIDELINES:** It is the responsibility of the Awardee to read and adhere to the SBBC Information Security Guidelines when using any device connected to the SBBC's network. Following the conclusion of the contract term, all of SBBC's confidential information must be removed from the Awardee's equipment, and all access privileges must be revoked. The final payment will be withheld until the Awardee has confirmed, in writing, that all SBBC's confidential information has been purged from any and all electronic technology devices that were used during this contract and were connected to the SBBC's network.

7.38 **SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP) PARTICIPATION:** SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330, Supplier Diversity Outreach Program. The purpose of the program is to utilize available small, minority, and women businesses within the Board's market area to compete for the award of SBBC construction and purchasing contracts. S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity Outreach Program Office prior to the submission of a bid proposal. **For information on S/M/WBE Certification, contact SBBC's Supplier Diversity Outreach Program at 754-321-0550 or http://www.browardschools.com/Page/58686**.

7.39 **SBBC PHOTO IDENTIFICATION BADGE & BACKGROUND SCREENING:** Awardee agrees to comply with all the requirements of Sections 1012.32 and 1012.465, Florida Statutes, and that Awardee and all its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. **Personnel shall include employees, representatives, agents, or sub-contractors performing duties under the contract to SBBC and who meet any or all of the three (3) requirements identified above.** This background screening will be conducted by SBBC in advance of the Awardee or its personnel providing any services. The awardee will bear the cost of acquiring the background screening required under Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to the Awardee and its personnel. The Parties agree that the failure of the Awardee to perform any of the duties described in this section shall constitute a material breach of this ITB, entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. Awardee agrees to indemnify and hold harmless SBBC, its officers, and employees of any liability in the form of physical or mental injury, death, or property damage resulting in Awardee's failure to comply with the requirements of this section or Sections 1012.32 and 1012.465, Florida Statutes.

SBBC-issued identification badges must be worn at all times when on SBBC property and must be worn where they are visible and easily readable.

As of 7/01/15, Fieldprint, Inc. has been contracted to provide all background and fingerprinting services. All questions pertaining to fingerprinting, photo identification, and background check services must be directed to the Project Coordinator at 754-321-1830 or 754-321-2374. **Each individual for whom an SBBC photo identification badge is requested must be registered on the Fieldprint, Inc. applicant enrollment website.** A background check will be conducted for each badge applicant. SBBC reserves the right to require additional information, should it be necessary, and to deny the issuance of a badge to an applicant. Any applicant that has been denied a badge is prohibited from entering SBBC property as an employee, sub-contractor, or agent of a contract Awardee. **The applicant enrollment and scheduling website is www.fieldprintbrowardschools.com.** The total fee(s) for the SBBC photo identification badge, fingerprinting, and an FBI background check can be found at the following website:

https://www.browardschools.com/Page/35284
Click on the link for Fieldprint Codes and Pricing.

7.39 (continued) Payment options can be made by electronic check (e-check), Visa, MasterCard, or use of an established escrow account code.

These fees are non-refundable and are subject to change without notice. Badges are issued for a one-year period and must be renewed annually. The renewal date will be one (1) year from the date of issuance. Failure to renew the badge at that time will result in the vendor being required to re-apply and pay the going rate for badging and fingerprinting. Vendors shall return expired and/or terminated employee badges to the following location: The School Board of Broward County, Florida, Attn: Fieldprint, Inc., 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301.

7.40 **PROTESTING OF BID CONDITIONS/SPECIFICATIONS:** Any person desiring to protest the conditions/specifications in this ITB or any Addenda subsequently released thereto shall file a notice of intent to protest, in writing, **within 72 hours after the electronic release of the competitive solicitation or Addendum** and shall file a formal written protest within ten (10) calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays, or days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday, Sunday, state holiday or day during which the school district administration is closed. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."**

Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800, within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protest, formal written protests, and the bonds required by SBBC Policy 3800 shall be filed at the office of the Director, Procurement & Logistic Operations, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.

7.41 **POSTING OF BID RECOMMENDATIONS/TABULATIONS:** ITB Recommendations and Tabulations will be posted on www.demandstar.com **SEE SECTION 2.0 - CALENDAR** and will remain posted for 72 hours. Any change to the date and time established herein for the posting of ITB Recommendations/Tabulations shall be posted at www.demandstar.com (under the document section for this ITB). In the event the date and time of the posting of ITB Recommendations/Tabulations are changed, it is the responsibility of each Proposer to ascertain the revised date of the posting of ITB Recommendations/Tabulations. Any person desiring to protest the intended decision shall file a notice of protest, in writing, within 72 hours after the posting of the ITB tabulation and shall file a formal written protest within ten (10) calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays, and days during which the school district administration is closed shall be excluded from the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday, or day during which the school district administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday or Sunday, state holiday or days during which the school district administration is closed. No submissions made after the Bid opening amending or supplementing the Bid shall be considered. Section 120.57(3)(b), Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."** Any person who files an action protesting an intended decision shall post with SBBC, **at the time of filing the formal written protest,** a bond payable to SBBC in an amount equal to one percent (1%) of SBBC's estimate of the total volume of the contract. SBBC shall provide the estimated contract amount to the Proposer within 72 hours, excluding Saturdays, Sundays, and other days during which SBBC administration is closed, of receipt of notice of intent to protest. The estimated contract amount is not subject to protest pursuant to Section 120.57(3), Florida Statutes. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check, or money order in the amount of the bond.

If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. If the protestant prevails, then the protestant shall recover from the School Board all costs and charges which shall be included in the Final Order or judgment, excluding attorney's fees. **All documentation necessary for the protest proceedings will be provided electronically by SBBC.**

7.41 **(continued) Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 120.57(3), Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3800 within the time allowed for filing a bond, shall constitute a waiver of proceedings. The failure to post the bond required by SBBC Policy 3800, Part XII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protests, formal written protests, and the bonds required by Policy 3800 shall be filed at the office of the Director, Procurement & Logistic Operations, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing will not be acceptable for the filing of bonds.**

7.42 **PACKING SLIPS:** It will be the responsibility of the Awardee to attach all packing slips to the Purchase Order number/control number. Failure to provide a packing slip attached to the outside of the shipment will result in the refusal of shipment at the vendor's expense.

7.43 **USE OF OTHER CONTRACTS:** SBBC reserves the right to utilize any other SBBC contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, other school boards, other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012, as currently enacted or as amended from time to time, in lieu of any offer received or award made as a result of this bid if it is in its best interest to do so.

7.44 **AUDIT AND INSPECTION OF AWARDEE'S DOCUMENTS AND RECORDS:** The District or its representative reserves the right to inspect and/or audit all the Awardee's documents and records as they pertain to the products and services delivered under this Agreement. Such rights will be exercised with notice to the Awardee to determine compliance with and performance of the terms, conditions, and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District or State's representative and may include but are not limited to all correspondence, ordering, payment, inspection, and receiving records, contracts, or sub-contracts that directly or indirectly pertain to the transactions between the District and the Awardee(s).

7.45 **CREDIT CARDS:** Individual schools and departments may place some orders and utilize, as the form of payment, a District-issued credit card to the extent authorized by the School Board. These orders will be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e., within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all vendors must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that a vendor maintains secure records of the credit card account assigned an alias or password to avoid divulging the actual credit card number upon every purchase.

7.46 **NONCONFORMANCE TO CONTRACT CONDITIONS:** Items or services offered may be tested for compliance with ITB conditions and specifications at any time. Items delivered that do not conform to ITB conditions or specifications may be rejected and returned at the vendor's expense. Services not conforming to ITB specifications shall be corrected and performed again to meet the specifications of the ITB at the expense of the Awardee. Goods or services not delivered as per the delivery date in ITB and/or Purchase Order may be rejected upon delivery and/or may be purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:

a) Cancellation and default of contract;
b) For a period of two (2) years, any proposal submitted by the vendor will not be considered and will not be recommended for award.
c) All departments are advised not to do business with vendors.

7.47 **CONE OF SILENCE:** Any proposer or lobbyist for a proposer is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Logistic Operations releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Logistic Operations. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the contract is awarded by the School Board. Further, any vendor, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the vendor is attempting to sell goods or services to the School Board. This period of limitation of offering campaign contributions shall commence at the

7.47 (continued) time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3800, Part VIII, as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any vendor or lobbyist who violates this provision shall cause their Proposal (or that of their principal) to be considered non-responsive and, therefore, be ineligible for award.**

7.48 **PURCHASE BY OTHER PUBLIC AGENCIES:** With the consent and agreement of the awarded contractor(s), purchases may be made under this ITB by other agencies. Such purchases shall be governed by the same terms and conditions as stated herein.

749 **PUBLIC ENTITY CRIMES:** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO [currently $25,000] for a period of 36 months from the date of being placed on the convicted vendor list.

7.50 **SEVERABILITY:** In case any one (1) or more of the provisions contained in this ITB shall be for any reason held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision, and this ITB shall be considered as if such invalid, unlawful, unenforceable or void provision had never been included herein.

7.51 **DISTRIBUTION:** DemandStar by Onvia, www.demandstar.com, is the official method approved by Procurement & Logistic Operations for the distribution of all competitive solicitations, including ITBs and RFPs. It is the responsibility of all interested parties to ensure they have received all necessary documents, including the Addenda, and have included all necessary information in their response. SBBC is not responsible for Proposer's failure to obtain complete bidding documents from DemandStar. SBBC reserves the right to reject any bid as non-responsive for failure to include all necessary documents or required Addenda. For information regarding the above-referenced solicitation, contact the designated Purchasing Agent, as stated herein.

7.52 **PRICE REDUCTIONS:** If, from the date of proposal opening, the Awardee either bids the same products and/or services at a lower price than offered to SBBC or reduces the price of the proposed product or service, the lowest of these reduced prices will be extended to SBBC.

7.53 **LOBBYIST ACTIVITIES:** In accordance with SBBC Policy 1100B, as currently enacted or as amended from time to time, persons acting as lobbyists must state, at the beginning of their presentation, letter, telephone call, e-mail, or facsimile transmission to School Board Members, Superintendent or Members of Senior Management, the group, association, organization or business interest she/he is representing.

a) A lobbyist is defined as a person who, for immediate or subsequent compensation (e.g., monetary profit/personal gain), represents a public or private group, association, organization, or business interest and engages in efforts to influence School Board Members on matters within their official jurisdiction.
b) A lobbyist is not considered a person representing school-affiliated groups (e.g., PTA, DAC, Band Booster Associations, etc.) nor a public official acting in her/his official capacity.
c) Lobbyists shall annually (July 1) disclose in each instance and for each client prior to any lobbying activities, their identity and activities by completing the lobbyist statement form, which can be obtained from Official School Board Records, School Board Member's Offices or the Superintendent's Office and will be recorded on the School Board of Broward County's website, www.browardschools.com.
d) The lobbyist must disclose any direct business association with any current elected or appointed official or employee of SBBC or any immediate family member of such elected or appointed official or employee of SBBC.
e) Senior-level employees (Pay Grade 30 and above) and/or School Board Members are prohibited from lobbying activities for one (1) year after resignation or retirement or expiration of their term of office.

7.54 **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY OR VOLUNTARY EXCLUSION – Lower Tier Covered Transactions:** Executive Order 12549, as currently enacted or as amended from time to time, provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities.

7.54 (continued) Except as provided in § 85.200, Debarment or Suspension, § 85.201, Treatment of Title IV HEA participation, and § 85.215, Exception Provision, debarment or suspension of a participant in a program by one (1) agency shall have government-wide effect. A lower-tier covered transaction is, in part, any transaction between a participant [SBBC] and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction, and any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $100,000) under a primary covered transaction; or any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person shall have a critical influence on or substantive control over that covered transaction. A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. Each participant shall require participants in lower-tier covered transactions to include the certification for it and its principals in any bid submitted in connection with such lower-tier covered transactions.

CERTIFICATION:

a) The prospective lower-tier participant certifies, by submission of this ITB, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Every time a proposal that includes a reference to this Form is submitted, a new Form is required. Any proposal that does not include this required Form shall not be evaluated and shall not be considered for award. **A signature is required on BOTH the Debarment Form AND the Required Response Form.** A signature on one document cannot be substituted for the signature required on the other document. **Failure to complete and sign both documents requiring signature shall result in rejection of the proposal submitted.**

7.55 **TERMINATION:** This contract award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days prior written notice that The School Board is terminating the contract award.

7.56 **TIE BID PROCEDURES:** When identical points are received from two (2) or more vendors and all other factors are equal in point value, priority for an award shall be given to vendors in the following sequence:

a) A business that certifies that it has implemented a drug-free workplace program shall be given preference in accordance with the provisions of Chapter 287.087, Florida Statutes, as currently enacted or as amended from time to time;
b) The School Board of Broward County, Florida, M/WBE certified vendor;
c) The Broward County Certified Minority/Women Business Enterprise vendor;
d) The Palm Beach County or Miami-Dade County Certified Minority/Women Business Enterprise vendor;
e) The Florida Certified Minority/Women Business Enterprise vendor;
f) The Broward County vendor, other than a Minority/Women Business Enterprise vendor;
g) The Palm Beach County or Miami-Dade County vendor, other than a Minority/Women Business Enterprise vendor;
h) The Florida vendor, whose main office is in the State of Florida, other than a Minority/Women Business Enterprise vendor.
i) If the application of the above criteria does not indicate a priority for an award, the award will be decided by a coin toss. The coin toss shall be held publicly in Procurement & Logistic Operations, and the tie low bid vendors are invited to be present as witnesses.

Included as a part of the ITB documents is a Form entitled **SWORN STATEMENT PURSUANT TO CHAPTER 287.087, FLORIDA STATUTES, AS CURRENTLY ENACTED OR AS AMENDED FROM TIME TO TIME, ON PREFERENCE TO BUSINESSES WITH DRUG-FREE WORKPLACE PROGRAMS.** This form will be used by the Proposer to certify that it has implemented a drug-free workplace program.

7.57 **CONFIDENTIAL RECORDS:** The Awardee acknowledges that certain information about the District's students is contained in records created, maintained or accessed by the Awardee and that this information is confidential and protected by the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S. C. 1232g), and/or the Health Insurance Portability and Accountability Act (HIPAA) (45 CFR parts 160-164) and related District policies, as amended from time to time, currently available at www.browardschools.com. Confidentiality of information cannot be disclosed unless valid consent is obtained from the students or their legal guardians. Both parties agree to protect these records in compliance with FERPA, HIPAA, and the District's policy. To the extent permitted by law,

7.57 (continued) Nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities.

Awardee agrees that it may create, receive from, or on behalf of the District, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it will: (1) hold the Confidential Records in strict confidence and will not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the District in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the District, the Awardee agrees to provide the District with a written summary of the procedures the Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the District to terminate any Agreement with the Awardee.

7.58 **PUBLIC INSPECTION OF PROPOSALS:** Pursuant to Section 119.071 (1)(b), Florida Statutes, responses received as a result of this ITB shall be exempt from public inspection and copying until thirty (30) days after the opening of the proposals or until the posting of the recommendation for intended award, whichever is earlier. If SBBC rejects all proposals and concurrently provides notice of its intent to reissue the competitive solicitation, the rejected proposals shall remain exempt from public inspection and copying until such time as SBBC posts notice of an intended decision concerning the reissued competitive solicitation or until SBBC withdraws the reissued competitive solicitation.

If a Proposer contends that any portion of its response to the ITB is confidential and exempt from public inspection and copying, it is the Proposer's responsibility to clearly label each such portion of its proposal as confidential and specify the applicable statutory exemption from public inspection and copying on such portion(s) of its proposal. Confidential or exempt portions of any proposal must also be submitted in a separate sealed envelope and marked as such. A failure by the Proposer to prepare and label the confidential or exempt portions of its proposal in the manner specified in this section of the ITB shall constitute a waiver by the Proposer of any applicable exemptions from disclosure or any confidential status, including ones that may be applicable to trade secrets under Florida law.

SBBC will promptly provide a Proposer's contact person with written notice if a public records request has been made for any portions of the Proposer's response to the ITB. SBBC will provide for the inspection or copying of any non-exempt portions of any proposal in its possession in accordance with applicable law. If a Proposer wishes to preclude the inspection or copying of any non-exempt portions of its response to the ITB or if a dispute exists as to whether such portions are entitled to an exemption, the Proposer must obtain a protective order from a court of competent jurisdiction prohibiting the inspection or copying of the requested materials. The failure to initiate such legal proceedings in a timely manner shall constitute a waiver by the Proposer of any applicable exemption or confidential status of the requested materials.

By submitting a response to this ITB, the Proposer agrees to waive any cause of action or claim for damages it may have against SBBC for its release of records in response to a public record other than those that are prepared and labeled as confidential or exempt as described in this section. The Proposer agrees to hold SBBC harmless from any award to a plaintiff for damages, costs, or attorney's fees based upon SBBC's non-disclosure of portions of the Proposer's response that have been prepared and labeled as confidential or exempt from public inspection and further agrees to reimburse SBBC for any attorney's fees and costs it may incur in the defense of such non-disclosure.

7.59 **FORCE MAJEURE:** Neither party shall be obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure. In the event that a vendor does not provide goods or services due to Force Majeure for a contract awarded through a competitive solicitation, SBBC reserves the right to avoid a disruption in the provision of such goods or services by purchasing them either from an alternate awardee or by obtaining pricing from at least two (2) prospective vendors.

7.60 **GRATUITIES**: Proposer(s) shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of SBBC, including any School Board Member, Superintendent of Schools, and any Evaluation Committee Members, for the purpose of influencing consideration of their Proposal.

7.61 **PREPARATION AND COST OF PROPOSAL:** The proposer is solely responsible for any and all costs associated with responding to this ITB. SBBC will not reimburse any Proposer for any costs associated with the preparation and submittal of any Proposal or for any travel and per diem costs that are incurred by any Proposer

7.62 **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee(s) shall keep and maintain public records required by SBBC to perform the services required under this contract. Upon request from SBBC's custodian of public records, Awardee(s) shall provide SBBC with a copy of any requested public records or allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee(s) shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract's term and following completion of the contract if Awardee(s) does not transfer the public records to SBBC. Upon completion of the contract, Awardee(s) shall transfer, at no cost, to SBBC all public records in possession of Awardee(s) or keep and maintain public records required by SBBC to perform the services required under the contract. If Awardee(s) transfers all public records to SBBC upon completion of the contract, Awardee(s) shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Awardee(s) keeps and maintains public records upon completion of the contract, the Awardee(s) shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS ITB HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE ITB, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

7.63 **E-VERIFY:** Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this ITB Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this ITB Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this ITB Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with, or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate the ITB Agreement. Termination pursuant to this section is not a breach of this ITB Agreement and may not be considered as such.

7.64 **DEFAULT**: The parties (SBBC and Awardee) agree that if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 7.55. If the default is not cured by the Awardee, the steps in section 7.46 shall be taken.

INSTRUCTIONS FOR CERTIFICATION – SUPPLEMENT FOR ATTACHMENT C

1. By signing and submitting this proposal, the prospective lower-tier participant will provide the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower-tier participant agrees by submitting this proposal that, must the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower-tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

EXECUTIVE SUMMARY

RFP24-366 – School Bus Infraction Detection Solution

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and BusPatrol America LLC (BusPatrol), for a term that commences on June 9, 2026, and concludes on December 9, 2029; and grant the Superintendent or his designee the authority to establish and change the not to exceed $250 cost, pursuant to Section 316.0083(5)(e), Florida Statutes, imposed against an alleged offender (petitioner) contesting a notice of violation found to have committed the offense at an administrative hearing.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC will proceed with implementing the School Bus Infraction Detection Solution to enhance student transportation safety and strengthen enforcement against motorists who illegally pass stopped school buses. SBBC will be authorized to utilize automated detection technology on school buses in accordance with Florida law, and revenue generated from applicable civil penalties, costs, and additional amounts may be used for technology and operational costs relating to the hearing process; for the installation, operation, or maintenance of school bus infraction detection systems on school buses, including student transportation safety initiatives, driver recruitment and retention stipends, or other student transportation safety enhancements; for the administration and costs associated with the enforcement of violations; or to provide financial awards to recruit or retain school bus drivers in, as allowed by Florida Statutes.
If the School Board votes "No"	• SBBC will not move forward with the implementation of the School Bus Infraction Detection Solution. As a result, opportunities to improve student transportation safety and deter unlawful passing of stopped school buses may be reduced.

	• SBBC may also lose access to funding opportunities authorized under Florida law that support transportation safety programs and related operational initiatives.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 1: Safe and Supportive Schools Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Implementation of the School Bus Infraction Detection Solution is expected to reduce incidents involving motorists illegally passing stopped school buses and improve student safety during loading and unloading activities. • The system will enhance the District's ability to monitor and enforce traffic violations through automated technology while also providing financial support.

Background/History

SBBC issued RFP24-366: School Bus Infraction Detection Solution for the purpose of obtaining a comprehensive school bus safety enforcement solution designed to address violations involving motorists illegally passing stopped school buses.

BusPatrol submitted a proposal in response to the RFP to provide installation, operation, maintenance, and administration services for school bus infraction detection systems in accordance with Sections 316.172 and 316.173, Florida Statutes.

Florida legislation, effective June 19, 2025, authorizes School Districts to install and operate school bus infraction detection systems to improve student safety and enforce violations related to illegal passing of stopped school buses. Civil penalties ($200.00) pursuant to Sections 318.15(5)(a)2. and (5)(b)2., Florida Statutes, and additional amounts ($25.00) pursuant to Section 318.18(5)(c)(2), Florida Statutes that BusPatrol collects under the Agreement through the enforcement process must be remitted to SBBC and must be utilized for the installation, operation, or maintenance of school bus infraction detection systems on school buses, including student transportation safety initiatives, driver recruitment and retention stipends, or other student transportation safety enhancements; for the administration and costs associated with the enforcement of violations; or to provide financial awards to recruit or retain school bus drivers; and the costs must be used for technology and operational costs relating to the administrative hearing as well as school transportation safety-related initiatives. Under the Agreement between SBBC and BusPatrol, for every ($225.00) notice of violation issued under the Agreement, SBBC will receive thirty percent (30%) and BusPatrol will receive seventy percent (70%) of every $200.00 civil penalty; and SBBC will receive the totality of the $25.00 additional amount imposed.

As required by Florida law, SBBC entered into a Mutual Aid Agreement with the Broward Sheriff's Office (BSO) to support SBBC's law enforcement responsibilities associated with the implementation and enforcement of the School Bus Infraction Detection Solution at no cost to SBBC. Under the Mutual Aid Agreement between BSO and SBBC, BSO which possesses jurisdictional authority over traffic enforcement within Broward County, Florida, grants to SBBC's sworn law enforcement officers – Broward County Schools Police Department (BCSPD)- the authority to enforce violations of Sections 316.172 and 316.173, Florida Statutes, through a school bus infraction detection system program; and to issue uniform traffic citations, warnings, and notices of violations. Under the Agreement between SBBC and BusPatrol, BusPatrol shall reimburse SBBC's BCSPD for any and all of

BCSPD's costs associated with SBBC' school bus infraction detection system program, including costs related to, but not limited to determinations of violations under Section 316.172(1)(a) or (b), Florida Statutes, participation in administrative hearings, and participation in appeals. And to this end, BusPatrol shall establish an account with a minimum balance of Seventy Thousand Dollars ($70,000.00) at all times for the purposes of SBBC timely remitting payment to BCSPD for its costs.

SBBC also entered into an Agreement with the Division of Administrative Hearings (DOAH) to act as its local hearing officer, pursuant to Section 316.173(6), Florida Statutes, to administer the administrative hearing process for a contested notice of violation that will issue a final order including the determination at the conclusion of the administrative hearing. If the DOAH administrative law judge (ALJ) finds a violation pursuant to Section 316.172(1)(a) or (b), Florida Statutes, the ALJ shall uphold the notice of violation, require the petitioner to pay the penalty and other imposed amounts previously assessed, and require the petitioner to pay costs not to exceed $250.00, pursuant to Section 316.0083(5)(e), Florida Statutes. Providing that SBBC delegate authority to the Superintendent, the Superintendent shall establish and, if necessary, change the cost amount. Under the Agreement between SBBC and BusPatrol, SBBC will receive from BusPatrol the totality of the not to exceed $250.00 cost collected. Pursuant to Section 318.18(5)(c)(1), Florida Statutes, the not to exceed $250.00 cost collected shall be used for technology and operational costs relating to the hearing as well as school transportation safety-related initiatives. Additionally, under the Agreement, BusPatrol shall establish an account with a minimum balance of $25,000.00 at all times for the purposes of SBBC remitting payment to the DOAH Administrative Law Judge.

Agreement Terms and Financial Impact

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Implementation of the School Bus Infraction Detection Solution is expected to enhance student safety during school bus loading and unloading activities by discouraging illegal passing of stopped school buses. The initiative also supports transportation safety efforts and school bus driver recruitment and retention initiatives authorized under Florida law.
School Selection /Prioritization	The School Bus Infraction Detection Solution will be implemented district-wide on designated school buses that support student transportation operations throughout Broward County.
Community/ Stakeholder Engagement	The District will coordinate with students, families, school administrators, transportation staff, and community stakeholders regarding the implementation of the School Bus Infraction Detection Solution.

	Public awareness efforts may include informational materials, safety campaigns, and communication regarding the purpose of the program and applicable traffic safety laws designed to protect students during loading and unloading activities.
End-User Input	Transportation Services staff, school bus drivers, and District administrators participated in identifying operational needs and evaluating solutions intended to improve student transportation safety, support enforcement efforts, and minimize disruption to existing transportation operations.
Technology/Capital Expected Lifecycle/Replacement Cycle	The BusPatrol will provide, install, maintain, and support the school bus infraction detection equipment throughout the term of the Agreement.

RECITALS

A. **WHEREAS,** Section 316.172, Florida Statutes, prohibits any person using, operating, or driving a vehicle from passing a school bus until the signal has been withdrawn.

B. **WHEREAS**, Section 316.173, Florida Statutes and Section 318.18, Florida Statutes were updated and became effective on June 19, 2025.

C. **WHEREAS,** Section 316.173(1)(a), Florida Statutes, permits a school district to install and operate a school bus infraction detection system on a school bus for the purpose of enforcing Section 316.172(1)(a) and (b), Florida Statutes as provided in and consistent with Section 316.173, Florida Statutes, collectively referenced herein as the "Florida Uniform Traffic Control Law."

D. **WHEREAS,** Sections 318.18(5)(a)2. and (5)(b)2., Florida Statutes, imposes a minimum civil penalty of $200 for failure to stop for a school bus if a violation of Section 316.172, Florida Statutes, is enforced by a school bus infraction detection system and such civil penalties shall be remitted to SBBC and used pursuant to Section 316.173(8), Florida Statutes.

E. **WHEREAS**, pursuant to Section 316.173(6), Florida Statutes, SBBC has the right to appoint a local hearing officer to administer the administrative hearing process for a contested notice of violation that will issue a final order including the determination at the conclusion of the administrative hearing. If SBBC's appointed local hearing officer finds that a violation of Section 316.172(1)(a) or (b), Florida Statutes occurred, the local hearing officer shall uphold the notice of violation, require the petitioner to pay the penalty and other imposed amounts previously assessed, require the petitioner to pay costs not to exceed $250, pursuant to Section 316.0083(5)(e), Florida Statutes.

F. **WHEREAS**, pursuant to Section 318.18(5)(c)1., Florida Statutes, in addition to the $200 civil penalty under Sections 318.18(5)(a)2. or (5)(b)2., Florida Statutes, if, at an administrative hearing contesting a notice of violation, the alleged offender (petitioner) is found to have committed the offense by preponderance of the evidence, costs shall be imposed, not to exceed $250 as established in Section 316.0083(5)(e), Florida Statutes, to be paid by the petitioner and to be used by SBBC for technology and operational costs relating to the hearing as well as school transportation safety-related initiatives.

G. **WHEREAS**, Section 316.173(6)(b)5., Florida Statutes, also states that at the conclusion of the administrative hearing, if the petitioner upholds the notice of violation by preponderance of the evidence, the final administrative order shall include, among other things, a requirement that the petitioner pay costs, not to exceed $250 as established in Section 316.0083(5)(e), Florida Statutes, and those costs are to be used by SBBC for technology and operational costs relating to the hearing process as well as school transportation safety-related initiatives.

H. **WHEREAS**, pursuant to Section 318.18(5)(c)(2)., Florida Statutes, in addition to the $200 civil penalty under Sections 318.18(5)(a)2. or (5)(b)2., Florida Statutes, if a violation of Section 316.172(1)(a) or (b), Florida statutes is enforced by a school bus infraction detection system pursuant to Section 316.173, Florida Statutes, the additional amount imposed on a notice of violation, on a uniform traffic citation, or by the court must be $25, notwithstanding any other provision of law, the civil penalties and additional costs must be remitted to SBBC at least monthly and used pursuant to Section 316.173(8), Florida Statutes.

I. **WHEREAS**, pursuant to Section 316.173(8), Florida Statutes the civil penalties assessed and collected for a violation of Section 316.172(1)(a) or (b), Florida Statutes enforced by a school bus infraction detection system must be remitted to the school district in which the violation occurred. Such civil penalties must be used for the installation, operation, or maintenance of school bus infraction detection systems on school buses, including student transportation safety initiatives, driver recruitment and retention stipends, or other student transportation safety enhancements; for the administration and costs associated with the enforcement of violations as described in this section; or to provide financial awards to recruit or retain school bus drivers in the school district in which the civil penalties are assessed and collected.

J. **WHEREAS**, SBBC's decision to install a school bus infraction detection system is solely on the need to increase public safety.

K. **WHEREAS,** Section 316.173(1)(b), Florida Statutes, permits a school district to contract with a private vendor to install a school bus infraction detection system on any school bus within its fleet, whether owned, contracted, or leased, and for services including, but not limited to, the installation, operation, and maintenance of the system.

L. **WHEREAS**, pursuant to Section 316.173(7), the civil penalties assessed and collected for a violation of Section 316.172(1)(a)or (b), Florida Statutes enforced by SBBC's school bus infraction detection system must be remitted to the school district in which the violation occurred.

M. **WHEREAS**, SBBC issued a Request for Proposal identified as RFP24-366: School Bus Infraction Detection Solution; dated May 13, 2024, Addendum No. 1 dated June 3, 2024, and Addendum No. 2 dated June 10, 2024, ("RFP"), all of which are incorporated herein by reference, for the purpose of receiving proposals for School Bus Infraction Detection Solution.

N. **WHEREAS**, in response to the RFP, VENDOR submitted a proposal dated June 14, 2024, which is incorporated herein by reference with the exception of and excluding VENDOR's Pricing Option 2, with the exception of and excluding cloud-connected non-enforcement interior and non-enforcement exterior safety cameras, and with the exception of and excluding cloud-connected silent alarm/panic button ("Proposal").

O. **WHEREAS**, pursuant to Section 316.173(1)(d), Florida Statutes, SBBC must enter into an interlocal agreement with one or more with local law enforcement agencies authorized to enforce violations of Section 316.172(1)(a) and (b) within the school district which jointly establishes the responsibilities of enforcement and the reimbursement of costs associated with school bus infraction detection systems consistent with Section 316.173, Florida Statutes.

P. **WHEREAS**, as required by Section 316.173(1)(d), Florida Statutes, SBBC, if necessary, will enter into an interlocal agreement with one or more with local law enforcement agencies authorized to enforce violations of Section 316.172(1)(a) and (b) within the School District which jointly establishes the responsibilities of enforcement and the reimbursement of costs associated with school bus infraction detection systems consistent with Section 316.173, Florida Statutes, and no Notices of Violations will be issued, under this Agreement, until such time subsequent to the date that duly approved interlocal agreements for the appropriate jurisdictions are effective between SBBC and the respective law enforcement agencies.

Q. **WHEREAS**, SBBC, acting through its police department (Broward County Schools Police Department ("BCSPD")), a law enforcement agency, entered into a Mutual Aid Agreement with Gregory Tony, Ph.D., as SHERIFF of Broward County, Florida ("BSO") to process and handle all the obligations of a law enforcement agency under Section 23.1225, Florida Statutes which will serve as the Interlocal Agreement ("ILA") for purposes of the statutory requirements and is attached and incorporated herein as **Exhibit A**.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**.

(a) The term of this Agreement commences June 9, 2026 ("Effective Date") and shall continue until December 9, 2029 unless terminated earlier pursuant to section 3.5 of this Agreement ("Initial Term"). The Initial Term of the Agreement may, by mutual agreement between SBBC and VENDOR be extended for two (2) additional one (1) year periods and, if needed, one hundred eighty (180) calendar days beyond the expiration date of the extension period. SBBC's Procurement & Logistics Operations Department, will, if considering renewing, request a letter consenting to extension from VENDOR, prior to the end of the term. Any extension period shall be approved by a written Amendment to this Agreement executed by both parties.

(b) When a subsequent Agreement award process for the award of the goods or services sought under a competitive solicitation is stopped due to the filing of a formal written protest, SBBC reserves the right to extend this Agreement beyond the expiration of the two (2) term extensions and one hundred and eighty (180) calendar-day term extension, awarded under this RFP for the goods or services contained in the subsequent competitive solicitation that is being protested. Such extension shall be until such time as the new Agreement award under protest can be approved by SBBC.

2.2 **Priority of Documents**. In the event of a conflict between documents, the following priority of documents shall govern:

First:	This Agreement; then
Second	Addendum No. 2; then
Third:	Addendum No. 1; then
Fourth:	RFP24-366: School Bus Infraction Detection Solution; then
Fifth:	Proposal submitted in response to the RFP by VENDOR, with the exception of and excluding VENDOR's Pricing Option 2, with the exception of and excluding cloud-connected non-enforcement interior and non-enforcement exterior safety cameras, and with the exception of and excluding cloud-connected silent alarm/panic button

2.3 **Definitions.** The words and phrases used in this Agreement shall have the meanings below and from Section 316.003, Florida Statutes, Section 318.18, Florida Statutes, and other relevant sections of Chapter 316, Florida Statutes.

2.4 **VENDOR Responsibilities**. VENDOR shall provide SBBC with the commodities and services necessary to provide SBBC with a turnkey school bus infraction detection system program, pursuant to the Florida Uniform Traffic Control Law and shall provide all administrative and support services to operate same program at no out of pocket cost to SBBC as outlined below as follows:

(a) Contingency. Any and all rights that VENDOR may have under this Agreement and responsibilities of the parties under this Agreement are contingent upon SBBC entering into interlocal agreements with any and all appropriate law enforcement agencies authorized to enforce violations of Section 316.172(1)(a) and (b), Florida Statutes within the school district. Should SBBC not be able to enter into interlocal agreements with all appropriate law enforcement agencies or the interlocal agreements between SBBC and the law enforcement agencies are terminated or expire, then VENDOR agrees and admits that it shall not be considered a breach of this Agreement, and as a result, VENDOR shall have no rights or obligations under this Agreement.

(b) Scope of Work. VENDOR shall provide SBBC with the scope of work, commodities, services, obligations, and responsibilities, as described in the RFP, and its Addenda, VENDOR's Proposal, with the exception of and excluding VENDOR's Pricing Option 2, with the exception of and excluding cloud-connected non-enforcement interior and non-enforcement exterior safety cameras, and with the exception of and excluding cloud-connected silent alarm/panic button, and in compliance with this Agreement and the Florida Uniform Traffic Control Law. VENDOR shall monitor local law changes and adjust as needed, with approval by SBBC, to ensure smooth operation and compliance.

1) Interlocal Agreements (ILA). It is the intention of the parties that neither SBBC nor any law enforcement agencies be responsible for any costs, fees, fines, penalties, or the like, associated with SBBC's school bus infraction detection system program. **The SBBC's police department, BCSPD, shall handle all of the law enforcement responsibilities from the enforcement of any violations.** The BCSPD has entered into a Mutual Aid Agreement with BSO to process and handle all the obligations underSection 23.1225, Florida Statutes, which will serve as the ILA for purposes of the statutory requirements and is attached herein as **Exhibit A**.
    - **i.** VENDOR shall reimburse BCSPD for any and all of BCSPD costs associated with the SBBC's school bus infraction detection system program, including costs related but not limited to determinations of violations under Section 316.172(1)(a) or (b), Florida Statutes, participation in administrative hearings, and participation in appeals within thirty (30) calendar days of the date of the invoices that are verified by VENDOR and approved by SBBC. To that end, upon the Effective Date of this Agreement, VENDOR shall establish an account with a minimum balance of Seventy Thousand Dollars and 00/100 Cents ($70,000.00) at all times for the purposes of SBBC timely remitting payment to BCSPD or if applicable any other Law Enforcement Agency.
    - ii. Within thirty (30) calendar days of receipt of BCSPD's and the Law Enforcement Agency's invoices, VENDOR shall verify any and all BCSPD invoices solely for the purpose of verifying time spent and any other expenses and shall certify same to SBBC in writing. Subsequent to SBBC District staff's approval of the invoice, based upon VENDOR's certification, SBBC will pay BCSPD (and if applicable other Law Enforcement Agency) from the account established by VENDOR.

iii. For every other Interlocal Agreement ("ILA") between SBBC and any and all other Law Enforcement Agency(ies), if applicable, VENDOR shall reimburse Enforcement Agency(ies) for any and all costs, which shall be reasonable and billed at regular hourly pay rates, associated with the enforcement of SBBC's school bus infraction detection system program pursuant to the ILA between SBBC and the other Law Enforcement Agency(ies).

iv. VENDOR shall allow for the written Amendment of this Agreement to incorporate any and all other ILAs between SBBC and the respective and appropriate Law Enforcement Agency(ies).

2) Community Education and Public Awareness Campaign.

i. Within thirty (30) calendar days prior to commencing enforcement under the SBBC's school bus infraction detection system program, VENDOR shall utilize its dedicated marketing, communications, and community affairs teams to develop and provide SBBC with full support in SBBC's public announcement and public awareness campaign and notify the public of the specific date on which the program will commence, as required by Section 316.173(3), Florida Statutes. VENDOR's public announcement and public awareness campaign support shall include, but not be limited to the following: Joint press release with the School district and law enforcement, press conference, social media images, impactful videos, and captions created for social media and programmatic advertisements selected by SBBC, communication tools, including parent and community letters, robocall announcements, and text scripts, website landing page content, posters, and age-appropriate educational materials for students to teach about the "Danger Zone," and multilingual campaigns with English, Spanish, Haitian creole, etc. resources to ensure inclusive communication and awareness.

ii. Within thirty (30) calendar days prior to commencing enforcement under the SBBC's school bus infraction detection system program, VENDOR shall issue only a warning to the registered owner of a motor vehicle for a violation of Section 36.172(1)(a) or (b), Florida statute, and shall not impose a civil penalty or additional amount under Chapter 318(5), Florida Statutes.

iii. VENDOR shall ensure that its dedicated marketing, communications, and community affairs teams provides continued support and promotion, including, but not limited to community education programs to promote community awareness for SBBC's websites and communication channels, community and town hall meetings and during critical periods like back-to-school and National School Bus Safety Week.

iv. VENDOR shall cover any and all expenses for and manage SBBC's public announcement and public awareness campaign required by Section 316.173(3), Florida Statutes.

3) Program Initiation and Program Planning.

i. Program Initiation.

1. Immediately, after the Effective Date of this Agreement, VENDOR shall perform any and all necessary fact-finding, program discovery, and other program initiation tasks that include, but is not limited to identify VENDOR's team, identify all stakeholders and transportation points of contact, host project discovery and implementation meetings, perform technical setup, perform insurance setup, gather bus information, collect assets details, collect route details, define installation details, define installation locations, identify school busses in scope (SBBC's entire fleet), establish program governance touchpoints, align on program communication, send information packets to introduce respective teams to each other and gather initial program details, disseminate communications outlining key program benefits and information to familiarize the program to all stake holders, working with law enforcement to create citation templates and citizen correspondence documents.
2. VENDOR shall create for SBBC, a written and/or electronic project plan schedule, with deadlines (approved by SBBC), that contains all information concerning the fact-finding and program initiation tasks.

ii. Program planning.

1. VENDOR shall host a more in-depth stakeholder kickoff meeting, obtain details and requirements for its installation effort, solidify project milestones, prepare the work breakdown structure (WBS), finalize the project schedule and overall project plan, coordinate planning next steps with SBBC employees, law enforcement and court officials, and create scoping processes and associated workflows for all partner stakeholders who serve in key SBBC school bus infraction detection system program roles. Any and all aspects of VENDOR's program planning shall be contingent upon approval by SBBC.
2. Within fifteen (15) calendar days of the Effective Date of this Agreement, VENDOR shall create, with input from SBBC, a detailed electronic project plan, outlining all program requirements, project milestones, deliverables, actions, hardware, installation, software installation, and deadlines (approved by SBBC), that contains all information concerning the fact-finding and program initiation tasks.
3. VENDOR shall provide SBBC with all information and documentation outlined in the SBBC approved detailed project plan schedule within the time periods referenced same schedule.

4) Installation.

i. Software License and Indemnification.

1. AlertBus. AlertBus is VENDOR's complete turnkey secure, web-based citation lifecycle management system for violation processing and review, payment processing court management, and records management. Everything related to SBBC's school bus infraction detection system program is incorporated into AlertBus.
2. Console. Console is VENDOR's advanced fleet management software.
3. License. VENDOR grants to SBBC a limited, non-exclusive license (unlimited in number) to use VENDOR's Console software; and VENDOR grants to SBBC, law enforcement, and anyone necessary in the administration of this Agreement, a limited, non-exclusive license (unlimited in number) to use VENDOR's System, including VENDOR's software, including but not limited to VENDOR's AlertBus software, and VENDOR's Intellectual Property (collectively "VENDOR's Intellectual Property"), solely for the purposes of carrying out this Agreement. This license shall continue for as long as this Agreement remains in effect and shall expire immediately upon termination or expiration of this Agreement.
4. Indemnification. VENDOR hereby agrees to defend, indemnify, and hold harmless the SBBC, its board members, employees, and agents from and against any and all claims, losses, liabilities, costs, expenses, fees, fines, and damages arising out of or relating to any claim by a third-party alleging infringement of United States patent, copyright, trade secrets, or intellectual property rights as to the VENDOR Product(s).
5. VENDOR shall provide any and all SBBC designated personnel, law enforcement, court personnel, stakeholders with unique username and password. Those who are issued a Notices of Violation or Uniform Traffic Citation will also have access to AlertBus to access information related to their Notices of Violation or Uniform Traffic Citation.
6. VENDOR shall timely and appropriately provide assistance to SBBC, law enforcement, local hearing officer, and local hearing officer personnel, and stakeholders in the use of its software.

ii. Hardware/ Enforcement Equipment.

1. Unless otherwise agreed to by District staff and the VENDOR, within ninety (90) calendar days after the Effective date of this Agreement and execution of any required interlocal agreement(s) between SBBC and law enforcement agencies, VENDOR shall utilize service technicians certified by BusPatrol Academy to install, operate, and maintain the Enforcement Equipment on all school buses currently operated by SBBC

and/or its bus contractors, as well as any new school buses acquired during the term of this Agreement, without disruption to transporting students.

2. VENDOR shall install, maintain, and service SBBC's entire fleet of school buses, as well as any new school buses acquired during the term of this Agreement, with the Enforcement Equipment without disruption to SBBC's transportation operations; thereby working nights, weekends, holidays, and any time SBBC makes its school buses available. Additionally, if SBBC updates its school buses, VENDOR shall seamlessly upgrade the Enforcement Equipment at no additional cost to SBBC.

3. The number of buses shall be estimated by asset lists received by VENDOR from SBBC, with a final count of installed buses certified by both VENDOR and SBBC. The order of such installation of VENDOR's System, if any, on SBBC school buses shall be determined by SBBC. This determination will be documented in an implementation plan developed by VENDOR and approved by SBBC prior to implementation.

4. VENDOR shall remove Enforcement Equipment from school buses decommissioned or retired from service and re-install such Enforcement Equipment without unnecessary or undue delay on replacement buses, once VENDOR has properly inspected such Enforcement Equipment and ensured that such Equipment is not damaged or malfunctioning.

5. The Enforcement Equipment shall meet any and all specifications established by the State Board of Education and shall be tested by VENDOR at regular intervals according to the specifications prescribed by the State Board of Education's rules and regulations, pursuant to Section 316.173(18), Florida Statutes.

iii. Signage. VENDOR shall install signage on all school buses in which it installs Enforcement Equipment) in compliance with the Florida Uniform Traffic Control Law. The signage shall occupy at least seventy-five percent (75%) of the available space that does not contain signs or insignia that are required by other applicable law or by the State Board of Education. The signage shall be in the form of one or more signs or stickers and must contain the following elements in substantially the following form:

1. The words "STOP WHEN RED LIGHTS FLASH" or "DO NOT PASS WHEN RED LIGHTS FLASH."

2. The words "CAMERA ENFORCED."
3. A graphic depiction of a camera.

iv. VENDOR shall ensure that it does not damage SBBC's school buses during the installation of the signage, Enforcement Equipment and software. VENDOR shall report to SBBC any damage to SBBC school buses during its installation of the signage, Enforcement Equipment and software. VENDOR shall be responsible for and shall repair any and all damage to SBBC's school buses as a result of the installation or removal of any signage, Enforcement Equipment and software within ninety (90) calendar days, unless otherwise agreed by the parties, in writing.

v. Option to purchase or Removal of BusPatrol Equipment.

1. Upon the termination or the expiration of this Agreement SBBC shall have the option to purchase the Enforcement Equipment at the cost listed in the depreciation schedule dependent upon the Effective Date of the termination of this Agreement, for any and all Enforcement Equipment VENDOR installed on each SBBC school bus. See **Exhibit B**.
2. If SBBC terminates the Agreement and declines the option to procure the Enforcement Equipment, then VENDOR shall remove the Enforcement Equipment from SBBC's school buses no later than one hundred and eighty (180) calendar days from the effective date of the termination. VENDOR shall ensure that it does not damage SBBC's school buses during the removal of the signage, Enforcement Equipment and software. VENDOR shall report to SBBC any damage to SBBC school buses during its removal of the signage, Enforcement Equipment and software. 4) notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of employee records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including but not limited to those required by Section 501.171, Florida Statutes.

(b) IT Security. Notwithstanding any provision to the contrary within this Agreement, VENDOR shall:

1) protect employee records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the employee's records and information; and

2) notify the SBBC IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

3) prepare and distribute, at its own cost, any and all required notifications, under federal and Florida law, or reimburse SBBC any direct costs incurred by SBBC for doing so; and

4) be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law.

(c) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.11 **SBBC Disclosure of Security Records.**

(a) Purpose. VENDOR will have access to SBBC security records listed in this section for the following purposes:

1) If permitted by law, for VENDOR to provide sign-in access to authorized SBBC personnel to view video footage, recorded images, audio, and other information from Enforcement Cameras that may capture the interiors of SBBC school buses (which may include images of bus drivers and students), via VENDOR's secure server.

2) If permitted by law, for VENDOR to provide sign-in access to authorized SBBC personnel to view video footage, recorded and Enforcement Cameras that capture traffic violations surrounding SBBC school buses, via VENDOR's secure server. This school bus infraction detection solution is in accordance with the Florida Uniform Traffic Control Law.

3) For VENDOR to consistently and timely maintain and troubleshoot issues with VENDOR's System.

(b) Security Records. VENDOR will have access, via VENDOR's secure server, to the recordings and real time images of information captured on Enforcement Cameras on SBBC school buses. This information includes:

1) Video footage

2) Recorded Images

3) Audio

(c) The requirements of this section shall supersede any uses and disclosures of security records as listed in VENDOR's privacy policies.

2.12 **VENDOR Safeguarding the Confidentiality of SBBC Security Records**.

(a) Privacy. Notwithstanding any provision to the contrary within this Agreement, VENDOR shall:

1) fully comply with the requirements of state or federal law or regulations regarding the confidentiality of security records; and

2) hold the security records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law; and

3) only share security records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement; and

4) notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of security records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

(b) IT Security. Notwithstanding any provision to the contrary within this Agreement, VENDOR shall:

1) protect security records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the security records and information; and

2) notify the SBBC IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of security records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

3) prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so; and

4) be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law.

(c) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.13 **Assessment of Data Protection Controls**.

(a) SHERIFF or any of SHERIFF's subcontractors with access to SBBC data shall provide an attestation stating SHERIFF and/or SHERIFF's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this

Agreement and before the commencement of services by SHERIFF or any of SHERIFF's subcontractors with access to SBBC data under this Agreement.

(b) At a minimum, the audit shall show what controls are utilized for all of the following actions:

1) Protecting SBBC against unauthorized access, unauthorized disclosure, and damage.

2) Reducing the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data.

3) Ensuring SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in a manner to meet SHERIFF's objectives while also ensuring the data is protected from unauthorized use or disclosure.

4) Monitoring compliance with established security controls.

(c) SHERIFF and/or SHERIFF's subcontractors with access to SBBC data under this Agreement shall, at minimum, annually complete a third-party assessment of their cybersecurity controls showing compliance with acceptable cybersecurity standards. SHERIFF shall provide SBBC an attestation of continued compliance by SHERIFF and/or SHERIFF's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.14 **Inspection of VENDOR's Records by SBBC**. VENDOR shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All VENDOR's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation, and reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze, and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze, and verify the applicable business records of VENDOR directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. Such audit shall be no more than one (1) time per calendar year.

(a) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to VENDOR's records from the Effective Date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to VENDOR pursuant to this Agreement.

(b) Notice of Inspection. SBBC's agent or its authorized representative shall provide VENDOR reasonable advance written notice [not to exceed two (2) weeks] of any intended audit, inspection, examination, evaluation, and reproduction.

(c) Audit Site Conditions. SBBC's agent or its authorized representative shall have reasonable access to VENDOR's facilities and to any and all records related to this Agreement and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by VENDOR to permit audit, inspection, examination, evaluation, and reproduction as permitted under this section shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for SBBC's denial of some or all of any VENDOR's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by VENDOR in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by VENDOR. If the audit discloses billings or charges to which VENDOR is not contractually entitled, VENDOR shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand unless otherwise agreed to in writing by both SBBC and VENDOR.

(f) Inspection of Subcontractor's Records. If applicable, VENDOR shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by VENDOR to include such requirements in any subcontract constitute grounds for termination of this Agreement by SBBC for cause and are grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to VENDOR pursuant to this Agreement and such excluded costs shall become the liability of VENDOR.

(g) Inspector General Audits. VENDOR shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.15 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC: Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

With a Copy to:	Executive Director Student Transportation and Fleet Services The School Board of Broward County, Florida 3831 Northwest 10th Avenue Oakland Park, Florida 33309
With a Copy to:	Chief, Broward County Schools Police The School Board of Broward County, Florida 7720 West Oakland Park Boulevard – Suite 355 Sunrise, Florida 33351
To VENDOR:	Steve Randazzo, Chief Growth Officer BusPatrol America LLC 8560 Cinder Bed Road, Suite 100 Lorton, Virginia 22079
With a Copy to:	Karoon Monfared, Chief Executive Officer BusPatrol America LLC 8560 Cinder Bed Road, Suite 100 Lorton, Virginia 22079
With a Copy to:	Christiana Stover, Associate General Counsel BusPatrol America LLC 8560 Cinder Bed Road, Suite 100 Lorton, Virginia 22079

2.16 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.17 **Background Screening.** VENDOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening

will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement ("FDLE") to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC-issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.18 **Public Records.** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost to SBBC, all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.19 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

(b) By VENDOR. VENDOR agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, reimbursements, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods, or services furnished by VENDOR, its agents, servants, or employees; the equipment of VENDOR, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of VENDOR or the negligence of VENDOR's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by VENDOR, SBBC, or otherwise.

2.20 **Insurance Requirements.** VENDOR shall comply with the following insurance requirements throughout the term of this Agreement:

(a) General Liability. VENDOR shall have and maintain General Liability insurance with limits of not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate; and limits of not less than $1,000,000 for Products/Completed Operations Aggregate.

(b) Professional Liability/Errors & Omissions. VENDOR shall have and maintain Professional Liability/Errors & Omissions insurance with a limit of not less than $1,000,000 per occurrence covering any services provided under this Agreement.

(c) Workers' Compensation. In accordance with Chapter 440, Florida Statutes, VENDOR shall have and maintain Workers' Compensation insurance, and Employer's Liability limits of not less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

(d) Auto Liability. VENDOR shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits of not less than $1,000,000 Combined Single Limit. If VENDOR does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount of $1,000,000. In addition, an affidavit signed by VENDOR must be furnished to SBBC stating the following: "BusPatrol America LLC does not own any vehicles. If BusPatrol America LLC acquires any

vehicles during the term of the Agreement, BusPatrol America LLC agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

(e) Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

(f) Verification of Coverage. Proof of the required insurance must be furnished by VENDOR to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. To streamline this process, SBBC has partnered with EXIGIS Risk Management Services to collect and verify insurance documentation. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences in order to permit VENDOR sufficient time to remedy any deficiencies. VENDOR must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

(g) Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

1) The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2) All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

3) Certificate Holder: The School Board of Broward County, Florida, c/o EXIGIS Risk Management Services, P.O. Box 4668-ECM, New York, New York 10163-4668.

(h) Cancellation of Insurance. VENDOR is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

(i) SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.21 **Nondiscrimination.**

(a) As a condition of entering into this Agreement, VENDOR represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

(b) As part of such compliance, VENDOR shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring,

or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall VENDOR retaliate against any person for reporting instances of such discrimination. VENDOR shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. VENDOR understands and agrees that a material violation of this clause is considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

2.22 **Certification Regarding Scrutinized Activities.** Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.23 **Annual Appropriation.** SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.24 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.25 **Proprietary Information.**

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.26 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, all nongovernmental entities executing, renewing, or extending a contract with The School Board of Broward County, Florida, must provide an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. The nongovernmental entity shall attach hereto as **Exhibit C** an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute.The submission of a false affidavit may subject a nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if a nongovernmental entity is found to have submitted a false affidavit.

2.27 **Incorporation by Reference**. **Exhibits A**, **B**, and **C** attached hereto and referenced herein are incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **Limited Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity, except as specifically stated below. None of the parties intend to directly or substantially benefit a third-party by this Agreement, except for BCSPD, any other Law Enforcement Agency, if applicable, and the Division of Administrative Hearings (DOAH) or other Local Hearing Officer as specifically stated in this Agreement and in those respective Agreements with SBBC. The parties agree that, except for BCSPD, any other Law Enforcement Agency, if applicable, and the Division of Administrative Hearings (DOAH) or other Local Hearing Officer as specifically stated in this Agreement and in those respective Agreements with SBBC, there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third-parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party thirty (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in

equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon ninety (90) calendar days' written notice to the VENDOR of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a refund or *pro rata* refund of any amounts or pre-paid amounts made under this Agreement. SBBC has no liability for VENDOR's property left on SBBC's property by any party to this Agreement after the termination of this Agreement. VENDOR agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ninety (90) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There

shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement nis not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date of the last signature below.

LAW ENFORCEMENT MUTUAL AID AND INTERLOCAL AGREEMENT FOR SCHOOL BUS INFRACTION DETECTION SYSTEM ENFORCEMENT

This Mutual Aid and Interlocal Agreement ("Agreement") is entered into pursuant to Section 23.1225, Florida Statutes, by and between the Broward County Sheriff's Office ("BSO") and The School Board of Broward County, Florida, acting through the Broward County Public Schools Police Department ("BCPSPD") (collectively, the "Parties").

WHEREAS, Section 23.1225, Florida Statutes, authorizes law enforcement agencies to enter into voluntary cooperation agreements for the provision of mutual aid and the enforcement of laws across jurisdictional boundaries;

WHEREAS, the Parties recognize the need for coordinated traffic enforcement efforts to promote roadway safety, reduce traffic-related injuries and fatalities, and ensure consistent enforcement of the traffic laws of the State of Florida;

WHEREAS, the Parties desire to authorize sworn law enforcement personnel and Traffic Infraction Enforcement Officers (F.S. 316.640(5)) to exercise full law enforcement authority across jurisdictional lines for the enforcement of applicable traffic laws, including the issuance of uniform traffic citations;

WHEREAS, such mutual aid and cooperation will enhance operational efficiency, maximize the use of available law enforcement resources, and improve public safety outcomes within Broward County;

WHEREAS, the School Board desires to implement a school bus infraction detection system program for the purpose of enhancing student transportation safety and enforcing violations of Sections 316.172 and 316.173, Florida Statutes; and

WHEREAS, Section 316.173, Florida Statutes, authorizes school districts to implement school bus infraction detection systems and requires the district to enter into an agreement with one or more law enforcement agencies to establish enforcement responsibilities and reimbursement of costs associated with such systems; and

WHEREAS, BSO possesses jurisdictional authority over traffic enforcement within Broward County, Florida; and

WHEREAS, the Parties desire to establish a comprehensive and legally compliant framework governing enforcement, adjudication, data handling, reporting, and interagency coordination consistent with Florida law;

WHEREAS, nothing in this Agreement is intended to limit the inherent authority of sworn law enforcement officers to enforce the laws of the State of Florida, but rather to formally document and authorize the exercise of such authority across jurisdictional boundaries in accordance with Section 23.1225, Florida Statutes. This includes the provisions of F.S. 1006.12(2)(b) which states that *"[a] school safety officer has and shall exercise the power*

to make arrests for violations of law on district school board property or on property owned or leased by a charter school under a charter contract, as applicable, and to arrest persons, whether on or off such property, who violate any law on such property under the same conditions that deputy sheriffs are authorized to make arrests. A school safety officer has the authority to carry weapons when performing his or her official duties."

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

SECTION 1. PURPOSE AND NATURE OF ASSISTANCE

The purpose of this Agreement is to establish a voluntary cooperation written agreement for routine law enforcement assistance pursuant to Section 23.1225, Florida Statutes, whereby authorized personnel may exercise cross-jurisdictional authority within Broward County for the enforcement of applicable laws.

The nature of assistance provided under this Agreement shall include

(a) enforcement of violations of Sections 316.172 and 316.173, Florida Statutes, through a school bus infraction detection system program;

(b) issuance of uniform traffic citations, warnings, and notices of violation;

Authorized personnel acting pursuant to this Agreement shall have the same powers, duties, rights, and immunities as if acting within their employing jurisdiction, consistent with Florida law.

SECTION 2. PROCEDURES FOR AUTHORIZATION, OPERATION AND GEOGRAPHIC SCOPE

This Agreement shall constitute standing authorization for the provision of assistance without the necessity of case-by-case requests. However, program implementation and operational deployment shall be conditioned upon the School Board's certification that all statutory prerequisites, including system compliance, required signage, and public awareness measures, have been satisfied. BCPSPD shall maintain records of all enforcement actions undertaken pursuant to this Agreement and shall make such records available to BSO upon reasonable request. The Parties agree that assistance may be suspended, curtailed, or modified upon written notice in the event of equipment malfunction, legal noncompliance, public safety concerns, or material breach of this Agreement, and that each Party retains discretion regarding the extent and continuation of its participation.

Sworn law enforcement officers acting pursuant to this Agreement shall have the same powers, duties, rights, privileges, and immunities as if performing their duties within their employing jurisdiction, consistent with Section 23.1225, Florida Statutes.

The authority granted under this Agreement shall apply within the geographic boundaries of Broward County, Florida, and any jurisdictional areas in which the Parties are authorized to operate pursuant to law.

SECTION 3. GENERAL TRAFFIC ENFORCEMENT AUTHORITY

Authorized personnel acting pursuant to this Agreement may enforce applicable traffic laws within the participating jurisdictions, as provided in Florida Statutes 316.172 and 316.173.

All enforcement actions shall be conducted in accordance with applicable law and agency policies. This Agreement constitutes standing authorization for such enforcement across jurisdictional boundaries consistent with Section 23.1225, Florida Statutes.

SECTION 4. COMMAND AND SUPERVISORY RESPONSIBILITY

BCPSPD personnel acting pursuant to this Agreement shall remain under the command and control of BCPSPD for purposes of administrative enforcement of school bus stop-arm violations; however, BSO shall retain primary operational authority over general law enforcement activities within its jurisdiction.

SECTION 5. LIABILITY, WORKERS' COMPENSATION, AND PROPERTY RESPONSIBILITY

Each Party shall be responsible for the acts and omissions of its own officers, employees, and agents and shall retain all applicable sovereign immunity protections and limitations of liability under Florida law. Each Party shall be solely responsible for providing workers' compensation coverage for its employees and for any injuries sustained in the course of their employment. Each Party shall bear responsibility for damage to its own equipment and property used in connection with this Agreement. Nothing herein shall be construed as creating a duty to indemnify another Party beyond that permitted by law, nor shall this Agreement be deemed to waive any defenses or immunities available under Florida law.

SECTION 6. COMPENSATION AND REIMBURSEMENT

The Parties agree that, unless otherwise expressly provided in a written amendment to this Agreement, no compensation shall be owed by one Party to another for services rendered pursuant to this Agreement. The School Board shall be solely responsible for all costs associated with the implementation and operation of the school bus infraction detection system program, including but not limited to vendor services, administrative processing, mailing of notices and citations, evidentiary handling, and administrative hearing costs. Civil penalties collected under Section 316.173 and Section 318.18(5), Florida Statutes, shall be distributed as required by statute and contractual obligations, . In the event the Parties agree to reimbursement for specific services, such reimbursement

shall be documented in a written amendment specifying the nature of services, rates, invoicing procedures, and payment terms.

SECTION 7. VIOLATION PROCESSING AND ENFORCEMENT PROCEDURES

Enforcement actions related to school bus infraction detection systems shall specifically comply with Section 316.173, Florida Statutes. Recorded violations shall be transmitted to the appropriate law enforcement personnel within the statutorily prescribed time period, and a sworn law enforcement officer shall review such evidence to determine whether a violation has occurred. Upon a determination that a violation has occurred, a notice of violation shall be issued by first-class mail within the time required by law and shall contain all statutorily required information, including the date, time, and location of the violation, the amount of the civil penalty, instructions for payment, and information regarding the right to contest the violation. The registered owner shall be afforded a period of sixty (60) days to respond by payment, request for hearing, or submission of an affidavit. In the event of noncompliance within the prescribed period, a uniform traffic citation shall be issued, transmitted by certified mail, and filed with the Clerk of Court in accordance with Chapter 318, Florida Statutes.

SECTION 8. AFFIDAVITS, REASSIGNMENT, AND ENFORCEMENT CONTINUITY

The agency issuing the citation shall implement procedures consistent with Section 316.173 governing affidavits submitted by registered owners asserting that another individual had care, custody, or control of the vehicle or otherwise establishing a statutory defense. Upon receipt of a valid affidavit within the required timeframe, the issuing agency shall take appropriate action, including dismissal where required by law or issuance of a notice of violation to the identified individual within the statutorily prescribed period. Procedures shall also be established by the issuing agency for handling denials, re-notification, and referral of false affidavits for enforcement in accordance with applicable law.

SECTION 9. ADMINISTRATIVE HEARINGS

Administrative hearings related to notices of violation issued pursuant to this Agreement shall be conducted through the Florida Division of Administrative Hearings ("DOAH") pursuant to a separate contractual arrangement between the School Board and DOAH. DOAH shall be responsible for maintaining the hearing docket, scheduling proceedings, and issuing orders consistent with applicable law. All hearings shall be conducted in accordance with the requirements of Section 316.173, including the application of a preponderance of the evidence standard and the provision of due process protections. All costs associated with administrative hearings shall be borne solely by the School Board. Appeals from final administrative orders shall be conducted in accordance with applicable law.

SECTION 10. UNIFORM TRAFFIC CITATIONS AND CLERK OF COURT

Citations issued pursuant to this Agreement shall be filed and prosecuted in the appropriate court having jurisdiction over the location where the violation occurred. Officers issuing citations shall comply with all applicable court procedures and requirements.

Uniform Traffic Citations issued pursuant to this Agreement shall be processed in accordance with Chapter 318, Florida Statutes, and shall be filed with the Clerk of Court for Broward County. The Clerk of Court shall perform all statutory functions associated with the processing, docketing, and disposition of such citations, and nothing in this Agreement shall be construed to alter or limit the duties of the Clerk.

SECTION 11. DATA GOVERNANCE, PRIVACY, AND RECORDS MANAGEMENT

All data, images, and recordings obtained through the school bus infraction detection system shall be used solely for traffic enforcement under Section 316.173 and, as expressly permitted by Section 316.173., Florida Statutes, for purposes of determining criminal or civil liability for incidents captured by the system incidental to such permissible use. Such data shall not be used for remote or general surveillance or unrelated purposes. The issuing agency shall ensure that personally identifiable information is obscured or redacted to the extent practicable and that access to such data is restricted to authorized personnel. All records shall be retained and destroyed by the issuing agency in accordance with statutory requirements, including the destruction of recordings within ninety (90) days following final disposition of the associated enforcement action. The issuing agency shall require that all vendors provide annual written certification confirming compliance with destruction requirements. The issuing agency shall ensure that motor vehicle owner information obtained in connection with the program is not be treated as vendor property and shall be used solely for authorized enforcement purposes. The issuing agency shall comply with Chapter 119, Florida Statutes, and shall coordinate responses to public records requests involving shared data.

SECTION 12. EVIDENCE HANDLING AND CHAIN OF CUSTODY

The issuing agency shall establish and maintain procedures to ensure the integrity, authentication, and traceability of all evidence used in enforcement actions, including secure transmission, logging, storage, and retrieval of video and photographic records. Sworn law enforcement officers shall certify their review of evidence prior to issuance of notices or citations, and records shall be maintained to establish a chain of custody for evidentiary purposes.

SECTION 13. PROGRAM IMPLEMENTATION REQUIREMENTS

The School Board shall be responsible for ensuring compliance with all statutory prerequisites for program implementation, including the installation of required signage on school buses and the completion of a public awareness campaign of not less than thirty (30) days prior to the issuance of civil penalties, during which only warnings shall be issued.

SECTION 14. COORDINATION WITH OFFICER-INITIATED ENFORCEMENT

The issuing agency shall implement procedures to ensure that automated enforcement under this Agreement does not duplicate or conflict with citations issued by law enforcement officers in the field. In circumstances in which a law enforcement officer issues a citation for the same violation at the time of the occurrence, automated enforcement shall not proceed.

Nothing in this section shall be construed to limit or restrict an officer's independent authority to initiate traffic enforcement actions, including the issuance of uniform traffic citations, outside of automated enforcement systems.

SECTION 15. REPORTING AND RECORD RETENTION

The School Board shall be responsible for compiling and submitting all reports required by Section 316.173, including quarterly reports to the appropriate state agency, and shall maintain all required records for a minimum of two (2) years. BSO shall cooperate in providing information necessary to complete such reports.

SECTION 16. TERM, TERMINATION, AND SUSPENSION

This Agreement shall become effective upon execution by all Parties ("Effective Date").

The term of this Agreement shall be for a period of five (5) years from the Effective Date and shall automatically renew for an additional two (2) years unless terminated by either party.

Either Party may terminate this Agreement without cause upon thirty (30) days' written notice to the other Party. Either Party may immediately suspend or terminate participation in the event of legal noncompliance, or public safety concerns.

Termination of this Agreement shall not affect any enforcement actions initiated prior to the effective date of termination, and such actions shall proceed to final disposition in accordance with applicable law.

SECTION 17. NOTICE

All notices, requests, demands, and other communications required or permitted under this Agreement ("Notice") shall be in writing and shall be deemed to have been duly given if delivered by hand, sent by a nationally recognized overnight delivery service, sent by certified or registered mail (return receipt requested), or sent by electronic mail with confirmation of receipt, to the Parties at the addresses set forth below, or to such other address as a Party may designate by Notice given in accordance with this section.

EXECUTIVE SUMMARY

Boys Town South Florida, Inc. Agreement

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Boys Town South Florida, Inc.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 1	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• Through the Boys Town South Florida, Inc. initiative titled "Lift with Boys Town," students at Stirling Elementary School can continue the process of receiving daily full-time on-site support in the form of a Behavior Support Specialist and wraparound support services for students and their families.
If the School Board votes "No"	• Stirling Elementary School will no longer be able to participate in or benefit from the "Lift with Boys Town" initiative.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 1: Safety • Guardrail 3: School Support • Guardrail 5: Wellness Support
Measurable Outcome(s)/Return on Investment	• The goals and measures for Boys Town services include reducing negative student referrals, improving teacher satisfaction as measured by pre- and post-surveys, increasing the frequency of teacher praise while decreasing teacher corrections, and enhancing parental involvement.

Background/History
The School Board approved an agreement with Boys Town South Florida, Inc. on June 17, 2025, set to expire December 31, 2025. However, the agreement lapsed before renewal and is now being presented for approval per district procedures.

"Lift with Boys Town" is a prevention initiative offering school and family community-based programs to support schools in reducing negative behaviors, engaging students and parents, and creating a positive school culture.

The Well-Managed Schools program, part of Lift with Boys Town, uses structured, preventative strategies to promote positive behavior and calm classrooms.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Terms and Financial Impact	
The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.	
Agreement Term:	The term of this Agreement commences on the date of execution and concludes on December 31, 2028, unless terminated earlier pursuant to Section 3.5 (Termination) of this Agreement, and , upon the approval of both Parties in writing in the form of an amendment to this Agreement executed by both parties, may be extended for up to four (4) additional one-year periods.
Multi-Year Agreement:	Having a multi-year agreement is beneficial as it provides stability and continuity of services to the students, teachers, and families receiving services.
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**:

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. There is no financial impact to the District. Boys Town South Florida, Inc. is the recipient of AD Henderson funding which will fund the term of the "Lift with Boys Town" program implementation.

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Stirling Elementary School (District 1) will be directly impacted. This program will decrease negative office referrals, increase teacher satisfaction with pre and post teacher/staff satisfaction surveys, increase teacher praise to correction ratio, and increase parental involvement.
School Selection /Prioritization	The agreement is written specifically for Stirling Elementary School. Boys Town South Florida, Inc. chose Stirling Elementary School based on relevant demographic information and an established relationship with the school.
Community/ Stakeholder Engagement	Stakeholder engagement was not conducted as part of developing this item.
End-User Input	End-User input was not obtained as part of developing this item.

Exhibit A: Agreement

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

BOYS TOWN SOUTH FLORIDA, INC.
(hereinafter referred to as "BOYS TOWN"),
a Florida not-for-profit corporation,
whose principal place of business is
1655 Palm Beach Lakes Blvd, Suite 300, West Palm Beach, Florida 33401

Each a "Party" and collectively the "Parties"

WHEREAS, the initiative of BOYS TOWN entitled "Lift with Boys Town" which is funded by The A.D. Henderson Foundation, Inc., provides the participating school with a School Support Specialist, who offers daily full-time on-site support at no cost; and

WHEREAS, the School Support Specialist will work in tandem with the participating school's designated School Counselor to provide Tier 1 Positive Behavior Intervention Support (PBIS) implementation through prescribed Social Skills lessons. In addition, the School Support Specialist works with parental or guardian consent to support students who are on specific behavior plans. This program also aids in connecting families in need of wraparound services, including in-home support and parenting classes; and

WHEREAS, SBBC desires and BOYS TOWN wishes to provide SBBC's Stirling Elementary School ("Stirling") with access and participation in Lift with Boys Town, as well as to connect participating families with the Program's community-based wraparound services, which include in-home support and parenting classes (collectively, the "Program").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The Parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences on the date of last signature below ("Effective Date") and concludes on **December 31, 2028**, unless terminated earlier pursuant to Section 3.5 (Termination) of this Agreement, and, upon the approval of both Parties in writing in the form of an amendment to this Agreement executed by both Parties, may be extended for up to four (4) additional one-year periods.

2.2 **Description of Program and Services**. Through the Program, BOYS TOWN shall provide Stirling with school and community-based services, pursuant to "Description of Services" attached hereto and incorporated into this Agreement as "**Exhibit A**." These programs and services will support Stirling's efforts to decrease negative behaviors and increase student/parent engagement, positive school culture, and other outcomes at Stirling and as determined by SBBC.

2.2.1 **Program Implementation Services**. The Parties agree to implement and deliver the following Program services at Stirling pursuant to **Exhibit A**:

2.2.1.1 A full-time School Support Specialist to support Stirling staff who are working with participating students to increase the participating students' use of positive social skills; and

2.2.1.2 A dedicated wraparound services team consisting of common-sense parenting classes as follows:

2.2.1.2.1 Two (2) six-week training classes; and

2.2.1.2.2 Four (4) cafes and In-home/Care Coordination services workers [serving up to fifteen (15) families] who support students and families directly in their homes.

2.2.2. **Program Goals and Measures**. The following goals and measures for BOYS TOWN services are recognized by the Parties:

2.2.2.1 Decreasing negative office referrals; and

2.2.2.2 Increasing teacher satisfaction with pre and post teacher/staff satisfaction surveys; and

2.2.2.3 Increasing teacher praise and decreasing teacher correction; and

2.2.2.4 Increasing parental involvement, such as the number of positive parent contacts, parent cafes, and classes; and

2.2.2.5 Monthly meetings between BOYS TOWN and SBBC administration and school staff supervisor to discuss feedback and model implementation; and

2.2.2.6 Quarterly meetings with Stirling administration for presentations, check-in, and progress/feedback; and

2.2.2.7 Quarterly meetings with the BOYS TOWN Senior Director, Stirling administration, and SBBC leadership to discuss progress/feedback.

2.3 **BOYS TOWN Responsibilities**. BOY'S TOWN shall implement the Program for Stirling pursuant to this Agreement, **Exhibit A**, and as outlined below. BOYS TOWN shall:

2.3.1 Obtain SBBC's prior written approval from Stirling's School Principal before engaging any third-party to provide services under this Agreement, with any subsequent approval of a third-party granted at SBBC's sole discretion; and

2.3.2 Assist Stirling with its on-boarding of the School Support Specialist for the Program; and

2.3.3 Hire and on-board the School Support Specialist as necessary to implement the Program; and

2.3.4 Orient appropriate Stirling Administration and staff annually to BOYS TOWN staff services, referral protocols, and activities; and

2.3.5 Provide administrative oversight of the Program provided under this Agreement; and

2.3.6 Follow SBBC's established referral protocols for service provision under this Agreement; and

2.3.7 Minimize impact on instruction time by avoiding the removal of students from class whenever possible; and

2.3.8 Arrange appointments for participating students at times to minimize absences from core classes whenever possible; and

2.3.9 Comply with Stirling and SBBC policies and practices related to non-medical programs and activities (e.g., field trips, classroom-based health education, and facility-use permits); and

2.3.10 Collaborate with Stirling and other project partners (who are considered third parties under this Agreement, and subject to all provisions in this Agreement concerning third parties), to ensure the linkage and delivery of services that respond to student and family needs (e.g., social services, mental and physical health assessment and mental health services); and

2.3.11 Follow Stirling's school emergency plans; and

2.3.12 Follow SBBC's Child Protective Services reporting protocols.

2.4 **SBBC Responsibilities**. SBBC will work with BOYS TOWN to implement the Program for Stirling pursuant to this Agreement, **Exhibit A**. SBBC shall:

2.4.1 Provide BOYS TOWN with office space on Stirling's premises for provision of the agreed-upon services and activities under this Agreement; and

2.4.2 Coordinate the training time(s) and location for Stirling's training and activities under this Agreement; and

2.4.2 Communicate Child Protective Services reporting protocol with BOYS TOWN as necessary; and

2.4.3 Work with BOYS TOWN to help ensure that all of its employees or volunteers comply with the fingerprint-based background check requirements under applicable law; and

2.4.4 Follow the established referral protocols for service provision under this Agreement; and

2.4.4.1 SBBC may identify students for BOYS TOWN services under this Agreement through Stirling's social worker, guidance counselor, educator, and/or administrative referrals. The referrals for BOYS TOWN services may be based on the student's attendance, discipline referral data, and/or other appropriate risk indicator(s).

2.5 **Cost**. BOYS TOWN is a recipient of funding from The A.D. Henderson Foundation, Inc. which will fund the term of this Agreement at no cost to SBBC.

2.6 **Intellectual Property**. The Parties agree that all right, title, and interest, including all intellectual property rights, in and to each Party's pre-existing intellectual property shall remain the exclusive property of the owning Party. Except as expressly stated in this Agreement, neither Party grants to the other any rights, implied or otherwise, in or to its intellectual property.

All rights, including all intellectual property rights, in SBBC's education records, data, content, systems, materials, and intellectual property shall remain the exclusive property of SBBC. BOYS TOWN is granted only a limited, nonexclusive, nontransferable license to use such SBBC intellectual property solely for the purpose of performing its obligations under this Agreement. This license does not include the right to sell, trade, sublicense, disclose, or otherwise commercially exploit SBBC's education records, data, content, or intellectual property.

All rights, including all intellectual property rights, in BOYS TOWN's materials, data, systems, processes, documentation, know-how, trademarks, service marks, content, and other intellectual property, whether pre-existing or developed independently of this Agreement, shall remain the exclusive property of BOYS TOWN. Nothing in this Agreement shall be construed to grant SBBC any ownership interest or license in BOYS TOWN's intellectual property, except to the limited extent necessary for SBBC to receive the services expressly contemplated under this Agreement.

2.7 **Disclaimer of Endorsement.** SBBC does not endorse or sponsor the Program. SBBC's participation in this Agreement does not constitute endorsement of the Program or services provided by BOYS TOWN. BOYS TOWN agrees that nothing in this Agreement will be construed to imply that SBBC authorizes, supports, endorses, or sponsors any product or service of BOYS TOWN resulting from activities or services provided under this Agreement. BOYS TOWN agrees to make no reference to SBBC in any promotional content, which includes but is not limited to, digital media, literature, material brochures, sales representations, video/film, or the like, without the express written consent of SBBC through its Superintendent.

2.8 **SBBC Disclosure of Education Records**.

2.8.1 SBBC employees will provide BOYS TOWN with the education records listed in this section for the following purposes:

2.8.1.1 To implement the Program involving a School Support Specialist (employed by BOYS TOWN) providing services on-site at Stirling for students in Grades K-5, in collaboration with an SBBC Guidance Counselor.

2.8.1.2 To reduce the number of behavioral referrals for students in Grades K-5.

2.8.1.3 To report Program satisfaction to BOYS TOWN (via parent/guardian surveys).

2.8.1.4 To identify Program adjustments needed to meet Stirling's emerging needs.

2.8.1.5 To refer students and parents/guardians for wraparound services, both school-based and community-based third-party agencies, BOYS TOWN will not re-disclose education records to third-party agencies. BOYS TOWN will give the information directly to parents/guardians to reach out to the third-party agencies.

2.8.1.5.1 The engagement of any third-party is subject to SBBC's prior written approval pursuant to Section 2.3.1 of this Agreement.

2.8.2 SBBC will provide BOYS TOWN with the following education records, via hardcopy and/or secure email:

2.8.2.1 First and last name of student
2.8.2.2 Interims and report cards
2.8.2.3 Academic progress
2.8.2.4 Social skills progress reports
2.8.2.5 Test scores
2.8.2.6 Attendance Records
2.8.2.7 Discipline Referral Records (not including consequences/actions):

2.8.2.7.1 Incident date
2.8.2.7.2 Submission date
2.8.2.7.3 Highest discipline code (infraction)
2.8.2.7.4 Time
2.8.2.7.5 Location
2.8.2.7.6 Reason for referral

2.8.2.8 Individual Education Plans (if applicable)
2.8.2.9 Parent/Guardian contact information (**only when referring students and parents/guardians to wraparound services, <u>which are voluntary</u>**):

2.8.2.9.1 Parent/guardian phone number
2.8.2.9.2 Parent/guardian email address

2.8.2.10 Aggregate, **de-identified** data regarding parent/guardian participation in Stirling events (number of parents/guardians who attended the events)

2.8.3 In addition to the education records in this section, parents/guardians will complete anonymous Consumer Surveys that capture their feedback regarding the Program satisfaction, via BOYS TOWN's secure online portal.

2.8.4 SBBC will obtain written consent from each student's parent/guardian or each student age 18 or older prior to disclosing the education records listed in this section.

2.8.5 The requirements of this section shall supersede any uses and disclosures of education records or the like, as listed in BOYS TOWN privacy policies if any.

2.9 **BOYS TOWN Safeguarding Confidentiality of Education Records.**

2.9.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, BOYS TOWN shall:

2.9.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.9.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.9.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall, otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.9.1.4 Notify the SBBC Privacy Officer immediately upon discovery of any actual or reasonably suspected *hard copy breach of confidentiality* of education records, regardless of whether BOYS TOWN has confirmed it or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.9.2 IT Security: Notwithstanding any prevision to the contrary within this Agreement, BOYS TOWN shall:

2.9.1.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to

education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.9.1.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.9.1.3 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or reasonably suspected *electronic breach of confidentiality* of education records regardless of whether BOYS TOWN has confirmed or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.9.1.4 Fully cooperate with appropriate SBBC employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

2.9.1.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC and direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.9.1.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.9.1.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.9.1.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.9.1.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the

education records in compliance with the applicable Florida Retention Schedules and provide SBBS with a written acknowledgement of said disposition. All education records remain the property of SBBS, and any Party contracting with SBBS serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.9.3 Liability for Breach of Confidentiality of Education Records. BOYS TOWN shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the Party, or an officer, employee, agent, representative, contractor, or sub-contractor of the Party to the extent that the Party or an officer, employee, agent, representative, contractor, or sub-contractor of the Party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.9.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.10 **BOYS TOWN Re-Disclosure of SBBC Education Records**. BOYS TOWN will **de-identify** the education records specified in this Agreement. This includes attendance records, discipline referral records, and number of parents/guardians who attended the school events. BOYS TOWN will re-disclose the aggregate, **de-identified** data to the grant funder, The A.D. Henderson Foundation, Inc., for the sole purpose of grant monitoring, Program evaluation, and reporting of outcomes associated with the funded initiative.

2.11 **Third Party Safeguarding the Confidentiality of Education Records**. For any and all education records that BOYS TOWN rediscloses to any and all entities with which it contracts or utilizes ("third parties") pursuant to the terms of this Agreement, BOYS TOWN shall ensure that those third parties comply with the terms of this Agreement, including but not limited to the safeguarding requirements of this Agreement. BOYS TOWN shall take any and all responsibility for the negligent acts or omissions of any and all third-parties that it utilizes to comply with the terms of this Agreement.

2.11.1 The engagement of any third-party is subject to SBBC's prior written approval pursuant to Section 2.3.1 of this Agreement.

2.12 **SBBC Disclosure of Employee Records**.

2.12.1 SBBC staff will provide BOYS TOWN with the **de-identified** employee records in this section for the following purposes:

2.12.1.1 To measure classroom teacher satisfaction with the Program; and
2.12.1.2 To inform BOYS TOWN services of classroom teacher satisfaction survey outcomes as appropriate

2.12.2 SBBC will provide BOYS TOWN with the following anonymous employee records, via input into BOYS TOWN's secure online portal:

2.12.2.1 Teacher responses to Consumer Satisfaction survey
2.12.2.2 PBIS School Climate Survey

2.12.3 The requirements of this section shall supersede any uses and disclosures of employee records as listed in BOYS TOWN'S privacy policies.

2.13 **BOYS TOWN Safeguarding the Confidentiality of Employee Records**.

2.13.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, BOYS TOWN shall:

2.13.1.1 Fully comply with the requirements of state or federal law regulation regarding the confidentiality of employee records; and

2.13.1.2 Hold the employee records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law; and

2.13.1.3 Only share employee records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement; and

2.13.1.4 Protect employee records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the employee's records and information; and

2.13.1.5 Notify the SBBC Privacy Officer immediately upon discovery of any actual or reasonably suspected *hard copy breach of confidentiality* of employee records regardless of whether BOYS TOWN has confirmed or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.13.1.6 Prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so; and

2.13.1.7 Be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law. This section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.13.2 IT Security: Notwithstanding any prevision to the contrary within this Agreement, BOYS TOWN shall:

2.13.2.1 Ensure that, at all times, all of its employees who have access to any employee records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to employee records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.13.2.2 Safeguard each employee record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the employee records and information in accordance with federal and Florida law privacy requirements; and be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.13.2.3 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or reasonably suspected electronic breach of confidentiality of employee records regardless of whether BOYS TOWN has confirmed or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.13.2.4 Fully cooperate with appropriate SBBC employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

2.13.2.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC and

direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.13.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.13.2.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of employee records; and

2.13.2.8 Purge employee records from any media once the media is no longer in use or is to be disposed; and

2.13.2.9 Return, at SBBC's request, all employee records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the employee records in compliance with the applicable Florida Retention Schedules and provide SBBS with a written acknowledgement of said disposition. All employee records remain the property of SBBS, and any Party contracting with SBBS serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.14 **Assessment of Data Protection Controls**.

2.14.1 BOYS TOWN or any of BOYS TOWN's subcontractors with access to SBBC data shall provide an attestation stating that BOYS TOWN and/or its applicable subcontractors maintain and operate a comprehensive information security program designed to protect SBBC data and that such program is aligned with generally accepted cybersecurity standards and risk management practices. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and prior to BOYS TOWN's commencement of services involving access to SBBC data.

In lieu of a single third-party cybersecurity audit report, BOYS TOWN may satisfy this requirement through a combination of internal and external assessments, validations, and assurance activities, which may include, but are not limited to:

2.14.1.1 Annual risk assessments conducted in accordance with applicable regulatory or industry frameworks;

2.14.1.2 Independent penetration testing, vulnerability assessments, or security testing performed by qualified third parties;

2.14.1.3 Compliance attestations (e.g., PCI DSS Attestation of Compliance, HIPAA Security Risk Assessment);

2.14.1.4 Documented security policies, incident response plans, and monitoring controls.

2.14.2 At a minimum, the assessment and supporting documentation shall demonstrate the controls utilized to:

2.14.2.1 Protect SBBC data against unauthorized access, unauthorized disclosure, alteration, and damage; and

2.14.2.2 Reduce the risk of compromise to the availability, integrity, confidentiality, and privacy of SBBC data; and

2.14.2.3 Ensure SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in accordance with applicable legal, regulatory, and contractual obligations, while protecting such data from unauthorized use or disclosure;

2.14.2.4 Monitor and measure compliance with established security controls.

2.14.3 BOYS TOWN shall review and update its information security risk assessment and control environment on at least an annual basis. Upon written request, BOYS TOWN shall provide SBBC with a current attestation of continued compliance and a summary of applicable security assurance activities within ten (10) business days.

2.15 **Inspection of BOYS TOWN's Records by SBBC**. BOYS TOWN shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of BOYS TOWN's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to BOYS TOWN's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to BOYS TOWN pursuant to this Agreement. SBBC's agent or its authorized representative shall provide BOYS TOWN with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the BOYS TOWN's facilities and to any and all

records related to the Agreement, and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section. BOYS TOWN shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.16 **Notice**. When any of the Parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the Party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC:
Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

With a Copy to:
Jacqueline Arnaez, Principal
Stirling Elementary School
5500 Stirling Road
Hollywood, Florida 33021

To BOYS TOWN:
Desmond Crayton, Interim Executive Director
Boys Town South Florida, Inc.
1655 Palm Beach Lakes Boulevard
West Palm Beach, Florida 33401

General Counsel
Father Flanagan's Boys' Home
14100 Crawford Road
Boys Town, Nebraska 68010

2.17 **Affidavit Regarding the Use of Coercion for Labor and Services.** Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with SBBC must attest under penalty of perjury that the non-governmental entity does not use coercion for labor or services as defined in that statute. By execution of this Agreement by an authorized representative of BOYS TOWN, BOYS TOWN hereby attests under penalty of perjury that BOYS TOWN does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes. Under penalties of perjury, the undersigned authorized representative of BOYS TOWN declares that they have read the foregoing statement and that the facts stated in it are true.

2.18 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the

company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by BOYS TOWN that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. BOYS TOWN further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. BOYS TOWN acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. BOYS TOWN further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if BOYS TOWN (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if BOYS TOWN is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.19 **Background Screening**. BOYS TOWN shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of BOYS TOWN's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of BOYS TOWN or its personnel providing any services under this Agreement. BOYS TOWN shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to BOYS TOWN and its personnel. The Parties agree that the failure of BOYS TOWN to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit BOYS TOWN to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. BOYS TOWN agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from BOYS TOWN's failure to comply with the requirements of

this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable

2.20 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. BOYS TOWN shall keep and maintain public records required by SBBC to per-form the services required under this Agreement. Upon request from SBBC's custodian of public records, BOYS TOWN shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. BOYS TOWN shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if BOYS TOWN does not transfer the public records to SBBC. Upon completion of the Agreement, BOYS TOWN shall transfer, at no cost, to SBBC all public records in possession of BOYS TOWN or keep and maintain public records re-quired by SBBC to perform the services required under the Agreement. If BOYS TOWN transfers all public records to SBBC upon completion of the Agreement, BOYS TOWN shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If BOYS TOWN keeps and maintains public records upon completion of the Agreement, BOYS TOWN shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELAT-ING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLOR-IDA 33301.

2.21 **Propriety Information**.

2.21.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A Party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting Party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.21.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting Party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting Party within ten (10) calendar days of the date of the written notification, unless the contracting Party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting Party shall name the Party requesting the documents or materials as a defendant and will not name SBBC as a Party to the action, but will provide SBBC with notice of such proceedings. The contracting Party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting Party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting Party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.22 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.22.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.22.2 By BOYS TOWN. BOYS TOWN agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by BOYS TOWN, its agents, servants, or employees; the equipment of BOYS TOWN, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of BOYS TOWN or the negligence of BOYS TOWN's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by BOYS TOWN, SBBC, or otherwise.

2.23 **Insurance Requirements**. BOYS TOWN shall comply with the following insurance requirements throughout the term of this Agreement:

2.23.1 General Liability. BOYS TOWN shall have and maintain General Liability insurance with limits of not less than $1,000,000.00 per occurrence for Bodily Injury/ Property Damage; $1,000,000.00 General Aggregate; and limits of not less than $1,000,000.00 for Products/Completed Operations Aggregate.

2.23.2 Professional Liability/Errors & Omissions. BOYS TOWN shall have and maintain Professional Liability/Errors & Omissions insurance with a limit of not less than $1,000,000.00 per occurrence covering any services provided under this Agreement.

2.23.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, BOYS TOWN shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000.00 / $100,000.00 / $500,000.00 (each accident/disease-each employee/disease-policy limit).

2.23.4 Auto Liability. BOYS TOWN shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits of not less than $1,000,000.00 Combined Single Limit. If BOYS TOWN does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount of $1,000,000.00. In addition, an affidavit signed by BOYS TOWN must be furnished to SBBC stating the following: "BOYS TOWN SOUTH FLORIDA, INC. does not own any vehicles. If BOYS TOWN SOUTH FLORIDA,INC. acquires any vehicles during the term of the Agreement, BOYS TOWN SOUTH FLORIDA, INC. agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.23.5 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.23.6 Verification of Coverage. Proof of the required insurance must be furnished by BOYS TOWN to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. To streamline this process, SBBC has partnered with EXIGIS Risk Management Services to collect and verify insurance documentation. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences in order to permit BOYS TOWN sufficient time to remedy any deficiencies. BOYS TOWN must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

2.23.7 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.23.7.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2.23.7.1 All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

2.23.7.2 Certificate Holder: The School Board of Broward County, Florida, c/o EXIGIS Risk Management Services, P.O. Box 4668-ECM, New York, New York 10163-4668.

2.23.8 Cancellation of Insurance. BOYS TOWN is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

2.23.9 SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.24 **Equal Opportunity Provision**. The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the Parties' respective duties, responsibilities and obligations under this Agreement.

2.25 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other Party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.26 **Excess Funds**. Any Party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.27 **Incorporation by Reference**. **Exhibit A** attached hereto is incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the Parties intend to directly or substantially benefit a third-party by this Agreement. The Parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third Parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The Parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither Party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other Party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other Party or the other Party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The Parties agree that, if either Party is in default of its obligations under this Agreement, the non-defaulting Party shall provide to the defaulting Party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting Party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting Party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting Party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any Party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination without cause pursuant to Section 3.5 (Termination) of this Agreement.

3.5 **Termination**. This Agreement may be terminated with or without cause by either SBBC or BOYS TOWN during the term hereof upon thirty (30) calendar days' written notice to the other Party of its desire to terminate this Agreement. SBBC shall have no liability for any property left on SBBC's property by any Party to this Agreement after the termination of this Agreement. Any Party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement, and that any such property remaining upon SBBC's facilities after that time shall be deemed abandoned. Title to such abandoned property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each Party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each Party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any Party without the prior written consent of the other Party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each Party hereto.

3.16 **Waiver**. The Parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any Party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the Party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither Party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either Party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either Party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either Party individually warrants that he or she has full legal power to execute this Agreement on behalf of the Party for whom he or she is signing, and to bind and obligate such Party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement upon the date of the last signature below.

EXHIBIT A
Description of Services

Care Coordination Services: Case management services provided to higher risk students and families. Consultants identify risks and needs, teach families how to use their strengths to navigate and acquire community supports, and impart the critical skills needed to reduce crisis, meet needs, and reduce risk of juvenile justice and child welfare system involvement.

Parenting Classes and Workshops: Evidence-based, universal prevention, parent-training program for parents/caregivers of children ages seven through sixteen. A Parent Trainer or School Support Specialist delivers classes for six weeks in two-hour in-person sessions with up to eight participants. Classes incorporate experiential learning, which involves instruction, modeling, practice, feedback, and review. Participants receive a Parent Manual and Skill Cards that describe skills and provide parenting advice. After learning new techniques and viewing both live and videotaped modeling of skills, participants practice through role plays. Staff observe role plays and give feedback. Session topics include effective discipline, child development, teaching social skills, preventive teaching, teaching self-control, etc.

Well-Managed Schools/Safe and Healthy Secondary Schools: A two-day workshop where specific teaching interactions proven to promote positive change in the classroom are conducted. The training features: lectures, videos, and demonstrations; group activities, role-plays, and feedback sessions; take-home materials, including an information-packed participant manual; and seasoned professional trainers with real-life classroom experience. Strategies taught in the workshop include social reinforcement, preventing problem behaviors, blending social and academic lessons, and de-escalating student behavior in intense situations.

Administrative Intervention: Administrative Intervention training supports Well-Managed Schools. This training is ideal for administrators, school leaders and behavior specialists in search of a consistent, constructive, and clear referral process that fits within their school-wide discipline matrix. The referral process includes strategies to de-escalate emotionally intense situations, problem solve and teach replacement behaviors to reduce the frequency, intensity and duration of referrals and keep students in the classroom.

School Support Interventions: Behavioral interventions and supports to address factors that impact school success. School Support Specialists provide Positive Behavior Supports (e.g., de-escalation, bridging communication gaps, and linking families to supports) with students in the school setting using a behavioral approach based on Boys Town's Education Model®. These interventions are directly correlated to increasing classroom learning time. School Support Specialists serve as a liaison between students, families, and school staff ensuring that school and family interventions are creating positive impact on school success. Interventions enhance communication between parents and the school. These services contribute to a responsive school environment that mitigates adverse experiences and supports unique needs of students and families.

EXECUTIVE SUMMARY

Microsoft Unified Support Master Services Agreement (MSA)

Board Meeting Date: June 9, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Microsoft Corporation to establish a Microsoft Master Services Agreement (MSA) and the associated SBBC Master Addendum, which provides the contractual framework required to procure Microsoft Unified Support, and is a prerequisite for an Enterprise Services Work Order (ESWO). District-wide

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC will be authorized to execute the Microsoft Master Services Agreement (MSA), which establishes the contractual framework required to procure Microsoft Unified Support. Approval of this item enables the District to proceed with the purchasing of Microsoft support services.
If the School Board votes "No"	• SBBC will be unable to proceed with the Microsoft Unified Support agreement. This may increase the risk of service disruptions and delayed issue resolution for Microsoft platforms that support instructional, administrative, and operational functions across the District, including services relied upon daily by schools, staff, and students.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Timely execution of Microsoft support. Reduced risk of service interruptions. Improved responsiveness to

	system incidents impacting schools and departments.

Background/History

The District is seeking School Board approval to execute a Microsoft Master Services Agreement (MSA) and the associated SBBC Master Addendum, which establishes the contractual framework required to procure Microsoft Unified Support between Broward County Public Schools and Microsoft and is a prerequisite item for an Enterprise Services Work Order (ESWO).

The District has had continuous support for Microsoft products over our tenure using the Microsoft 365 suite. Support is vital to the continuity, governance, and operational stability of District-wide technology services.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	The MSA term expires on June 30, 2031.
Multi-Year Agreement:	No
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Pursuant to Purchasing Policy 3800, Section III(E), and Rule 6A-1.012(12)(d), Florida Administrative Code, competitive solicitations are not required for commodities or services that are only available from a single source.

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. Funding is not needed for this MSA. Approval of the MSA does not authorize budget or commit funds. Financial impacts will be presented with each subsequent Microsoft agreement brought to the Board.

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	• Microsoft support services are mission critical to daily instructional, administrative, and operational functions across the District. • Schools, students, teachers, and administrators rely on the availability of Microsoft applications including Copilot, Outlook, Teams, and related tools for instruction, collaboration, communication, coursework management, and storage.
School Selection /Prioritization	Not Applicable
Community/ Stakeholder Engagement	This item was developed through internal District coordination to establish support services directly with Microsoft and did not involve a community engagement process.

Terms and Conditions

1. Definitions. In this Agreement, a "party" or "parties" means Customer and/or Microsoft as the context requires. In addition, the following definitions apply:

"**Affiliate**" means (i) with regard to Customer, any government agency, department, office, instrumentality, division, unit or other entity of Customer's state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer; together with, as mandated by law, any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality located within Customer's state jurisdiction and geographic boundaries; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates; and (ii) with regard to Microsoft, any legal entity that Microsoft controls, which controls Microsoft, or which is under common control with Microsoft. "**Control**" means ownership of more than a 50% interest of voting securities in an entity or the power to direct the management and policies of an entity;

"**Customer"** means the legal entity that has entered into this Agreement;

"Customer Data" means all data, including all text, sound, software, image or video files that are provided to Microsoft by, or on behalf of, Customer and its Affiliates in connection with Professional Services;

"**day**" means a calendar day, except references that specify "business day";

"**Fix"** or "**Fixes**" means Product fixes, modifications, enhancements, or their derivatives, that Microsoft either releases generally (such as Product service packs) or that Microsoft provides to Customer when performing Professional Services to address a specific issue (including, but not limited to, workarounds, patches, bug fixes, beta fixes and beta builds);

"Microsoft" means the Microsoft Affiliate that has entered into this Agreement and its Affiliates, as appropriate;

"Online Services" means the Microsoft-hosted services identified as Online Services in the Microsoft Product Terms. Online Services are not offered under the scope of this Agreement.;

"Online Services Terms" means the additional terms that apply to Customer's use of Online Services published on the Volume Licensing Site and updated from time to time;

"**Pre-Existing Work**" means any computer code or materials developed or otherwise obtained independently of the efforts of a party under a Statement of Services;

"**Product**" means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions;

"Product Terms" means the document that provides information about Microsoft Products. The Product Terms document is published on the Volume Licensing Site and is updated from time to time;

"Professional Services" means all Product support services and Microsoft consulting services or advice provided to Customer under this Agreement. "Professional Services" does not include Online Services;

"**Professional Services Data**" means all data, including all text, sound, video, image files, or software, that are provided to Microsoft by, or on behalf of, Customer (or that Customer authorizes Microsoft to obtain from an Online Service) or otherwise obtained or processed by or on behalf of Microsoft through an engagement with Microsoft to obtain Professional Services;

"**Service Deliverables**" means any computer code or materials, other than Products or Fixes, that Microsoft leaves with Customer at the conclusion of Microsoft's performance of the Professional Services;

"Software" means licensed copies of Microsoft software identified on the Product Terms. Software does not include Online Services or Services Deliverables, but Software may be part of an Online Service;

"**Statement of Services**" means any work orders, services descriptions, or other description of Professional Services that incorporates this Agreement;

"Trade Secret" means information that is not generally known or readily ascertainable to the public, has economic value as a result, and has been subject to reasonable steps under the circumstances to maintain its secrecy;

"**use**" or "**run**" means to copy, install, use, access, display, run or otherwise interact with;

"**Use Rights**" means, with respect to any Product licensing program, the use rights or terms of service for each Product published on the Volume Licensing Site and updated from time to time. The Use Rights supersede the terms of any end user license agreement that accompanies a Product. The Use Rights for Software are published by Microsoft in the Product Terms. The Use Rights for Online Services are published in the Online Services Terms;

"**Volume Licensing Site**" means http://www.microsoft.com/licensing/contracts or a successor site.

2. Services. The precise scope of the Professional Services will be specified in a Statement of Services. Customer or any of Customer's Affiliates may enter into Statements of Services under this Agreement with Microsoft's local Affiliates. Microsoft's ability to deliver the Professional Services depends upon Customer's full and timely cooperation, as well as the accuracy and completeness of any information Customer provides. This Agreement does not obligate either party or its Affiliates to enter into any Statements of Services.

3. Use, ownership, rights and restrictions.

a. ***Products.*** Unless otherwise specified in a license agreement, use of any Product is governed by the Use Rights specific to each Product and version and by the terms of the applicable license agreement. Products will not be purchased under this Agreement.

b. ***Fixes and Services Deliverables.***

i. **Fixes.** Each Fix is licensed under the same terms as the Product to which it applies. If the Fix is not provided for a specific Product, any use terms Microsoft provides with the Fix will apply. If no use terms are provided, Customer shall have a non-exclusive, perpetual, fully paid-up license to use and reproduce the Fix solely for its internal business purposes. Customer may not modify, change the file name or combine any Fix with any non-Microsoft computer code, except as expressly permitted in a licensing agreement.

ii. ***Pre-Existing Work.*** All rights in Pre-Existing Work will remain the sole property of the party providing the Pre-Existing Work. Each party may use, reproduce and modify the other party's Pre-Existing Work only as needed to perform obligations related to Professional Services.

iii. ***Services Deliverables.*** Upon payment in full, Microsoft grants Customer a non-exclusive, non-transferable, perpetual license to reproduce, use and modify the Services Deliverables solely for Customer's internal business purposes, subject to the terms and conditions in this Agreement.

iv. ***Affiliates' rights.*** Customer may only sublicense its rights in Services Deliverables and Sample Code granted hereunder to its Affiliates, but Customer's Affiliates may not sublicense these rights. Customer is responsible for ensuring its Affiliates' compliance with this Agreement.

c. ***Non-Microsoft software and technology.*** Customer is solely responsible for any non-Microsoft software or technology that Customer installs or uses with the Products, Fixes or Services Deliverables. Customer may not install or use non-Microsoft software or technology in any way that would subject Microsoft's intellectual property or technology to obligations beyond those included in this Agreement.

d. ***Sample Code.*** Upon payment in full, Microsoft grants Customer a non-exclusive, perpetual, non-transferable license to use and modify any Software code provided by Microsoft for the purposes of illustration ("**Sample Code**") and to reproduce and distribute the object code form of the Sample Code for Customer's internal business purposes only and not to any unaffiliated third party.

e. ***Restrictions on use.*** Customer must not (and is not licensed to) (1) reverse engineer, de-compile or disassemble any Product, Fix or Service Deliverable; (2) install or use non-Microsoft software or technology in any way that would subject Microsoft's intellectual property or technology to any other license terms; or (3) work around any technical limitations in a Product, Fix or Services Deliverable or restrictions in Product documentation. Except as expressly permitted in this Agreement or a Statement of Services, Customer must not distribute, sublicense, rent, lease or lend any Product, Fix or Service Deliverable, in whole or in part, or use them to offer hosting services to a third party.

f. ***Reservation of Rights.*** Products, Fixes, and Service Deliverables are protected by copyright and other intellectual property rights laws and international treaties. Microsoft reserves all rights not expressly granted in this Agreement. No rights will be granted or implied by waiver or estoppel.

g. ***Supportability of Products.*** Support for Products is available under the terms of a licensing agreement, a separate Statement of Services or under the terms set forth at http://support.microsoft.com or a successor site.

4. Confidentiality. Subject to the requirements of your public records and trade secret laws (if any):

"Confidential Information" is non-public information that is designated "confidential" or that a reasonable person should understand is confidential, including Customer Data, Professional Services Data, and the terms of this Agreement. It includes, but is not limited to, non-public information regarding either party's products, features, marketing and promotions, and the negotiated terms of any Statement of Services.

Confidential Information does not include information that (a) becomes publicly available without a breach of this Agreement, (b) the receiving party received lawfully from another source without a confidentiality obligation, (c) is independently developed, or (d) is a comment or suggestion volunteered about the other party's business, products or services.

Each party will take reasonable steps to protect the other's Confidential Information and will use the other party's Confidential Information only for purposes of the parties' business relationship. Neither party will disclose that Confidential Information to third parties, except to its employees, Affiliates, contractors, advisors, and consultants (collectively "Representatives") and then only on a need-to-know basis, under non-disclosure obligations at least as protective as this Agreement. Each party remains responsible for the use of the Confidential Information by its Representatives and, in the event of discovery of any unauthorized use or disclosure, must promptly notify the other party.

A party may disclose the other party's Confidential Information if required by law; but only after it notifies the other party (if legally permissible) to enable the other party to seek a protective order.

Neither party is required to restrict work assignments of its Representatives who have had access to Confidential Information. Each party agrees that use of information in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this Agreement or Trade Secret law, and each party agrees to limit what it discloses to the other accordingly.

These obligations apply for a period of five years after the confidential information is received.

5. Compliance with applicable laws, privacy and security.

a. Customer consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this Agreement. Customer will obtain all required consents from third parties (including Customer's contacts, resellers, distributors, administrators, and employees) under applicable privacy and data protection law before providing personal information to Microsoft.

b. Personal information collected through Professional Services (i) may be transferred, stored and processed in the United States or any other country in which Microsoft or its contractors maintain facilities and (ii) will be subject to the privacy terms specified in the Use Rights. Microsoft will abide by the requirements of European Economic Area and Swiss data protection law regarding the collection, use, transfer, retention and processing of personal data from the European Economic Area and Switzerland.

c. **U.S. Export.** Microsoft Products, Fixes and Services Deliverables are subject to U.S. export jurisdiction. Customer must comply with all applicable international and national laws, including the U.S. Export Administration Regulations, the International Traffic in Arms Regulations, and end-user, end use and destination restrictions by U.S. and other governments related to Microsoft Products, services, and technologies.

6. Warranties.

a. ***Limited warranties and remedies – Professional Services.*** Microsoft warrants that it will perform Professional Services with professional care and skill. If Microsoft fails to do so, and Customer notifies Microsoft within 90 days of the date the Professional Services were performed, then Microsoft will, at its discretion, either re-perform the Professional Services or return the price paid for them. These remedies are Customer's sole remedies for breach of warranties in this section. Customer waives any breach of warranty claims not made during the warranty period.

b. ***Exclusions.*** The warranties in this section do not cover problems caused by accident, abuse or use in a manner inconsistent with this Agreement, including failure to meet minimum system requirements. These warranties do not apply to free, trial, pre-release or beta Products or to components of Products that Customer is permitted to redistribute. ***DISCLAIMER.*** **Except for the limited warranties above, Microsoft provides no other warranties or conditions and disclaims any other express, implied or statutory warranties, including warranties of quality, merchantability, fitness for a particular purpose, title and non-infringement.**

7. Defense of third party claims.

The parties will defend each other against the third-party claims described in this section and will pay the amount of any resulting adverse final judgment or approved settlement, but only if the defending party is promptly notified in writing of the claim and has the right to control the defense and any settlement of it. The party being defended must provide the defending party with all requested assistance, information and authority. The defending party will reimburse the other party for reasonable out-of-pocket expenses it incurs in providing assistance. This section describes the parties' sole remedies and entire liability for such claims.

a. **By Microsoft.** Microsoft will defend Customer against any third-party claim to the extent it alleges that any Fix or Services Deliverable made available by Microsoft for a fee and used within the scope of Section 3 of this Agreement (unmodified from the form provided by Microsoft and not combined with anything else) misappropriates a trade secret or directly infringes a patent, copyright, or trademark or other proprietary right of a third party. If Microsoft is unable to resolve a claim of infringement under commercially reasonable terms, it may, at its option, either (1) modify or replace the Fix or Services Deliverable with a functional equivalent; or (2) terminate Customer's license and refund any fees paid for such Fix(es) and Services Deliverable(s). Microsoft will not be liable for any claims or damages due to Customer's continued use of a Product, Fix or Services Deliverable after being notified to stop due to a third party claim.

b. **By Customer.** To the extent permitted by applicable law, Customer will defend Microsoft against any third-party claim to the extent it alleges that Customer's use of any Fix or Services Deliverable alone or in combination with anything else, violates the law or damages a third party.

8. Limitations of liability.

Each party's maximum, aggregate liability to the other is limited to direct damages finally awarded in an amount not to exceed the amounts Customer was required to pay for the applicable Statement of Services, subject to the following.

a. **Free Professional Services and Distributable Code.** For Professional Services provided free of charge and code that Customer is authorized to redistribute to third parties without a separate payment to Microsoft, Microsoft's liability is limited to direct damages finally awarded up to US$5000.

b. **Exclusions. In no event will either party be liable for any indirect, incidental, special, punitive, or consequential damages, or for loss of use, loss of business information, loss of revenue, or interruption of business, however caused or on any theory of liability.**

c. **Exceptions.** No limitation or exclusions will apply to liability arising out of either party's (1) confidentiality obligations (except for all liability related to Customer Data and Professional Services Data, which will remain subject to the limitations and exclusions above); (2) defense obligations; or (3) violation of the other party's intellectual property rights.

9. Term and termination. This Agreement will remain in effect until terminated.

Either party may terminate this Agreement at any time without cause by giving the other party at least 60 calendar days prior written notice. Terminating this Agreement will not affect any existing Statements of Services, but will terminate the ability of the parties to enter into subsequent Statements of Services.

Customer may terminate a Statement of Services upon 30 days' notice. Either party to the Statement of Services may terminate it if the other party is in material breach or default of any obligation that is not cured within 30 calendar days notice of such breach. Microsoft may terminate a Statement of Services if Customer fails to pay any invoice that is more than 60 days outstanding. Customer agrees to pay all fees for Professional Services performed and expenses incurred prior to termination and any additional amounts that may be specified in a Statement of Services. Upon Microsoft's receipt of payment for the Professional Services, Customer's interests in the Services Deliverables will vest.

10. Miscellaneous.

a. ***Notices***. Notices must be sent to the address on the signature page of this Agreement or on an applicable Statement of Services. All notices, authorizations, and requests given or made in connection with this Agreement must be in writing and will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery. Microsoft may provide information to Customer about upcoming ordering deadlines, services and subscription information in electronic form, including by email to contacts provided by the Customer. Emails will be treated as delivered on the transmission date.

b. ***Assignment.*** Either party may assign this Agreement to an Affiliate, but it must notify the other party in writing of the assignment. Any other proposed assignment must be approved by the non-assigning party in writing. Assignment will not relieve the assigning party of its obligations under the assigned Agreement. Any attempted assignment without required approval will be void.

c. ***Applicable law; dispute resolution.*** This Agreement together with the applicable Statement of Services will be governed by the laws of Customer's state, without giving effect to its conflict of law provisions. Disputes relating to this Agreement will be subject to applicable mandatory dispute resolution statutes and regulations of Customer's state.

d. ***Severability.*** If any provision of this Agreement is held to be unenforceable, the balance of the Agreement will remain in full force and effect.

e. ***Waiver.*** Failure to enforce any provision of this Agreement will not constitute a waiver. Any waiver must be made in writing and signed by an authorized representative of the waiving party.

f. ***Survival.*** All provisions survive termination or expiration of this Agreement, except those requiring performance only during the term of a Statement of Services.

g. ***Agreement not exclusive***. Customer is free to enter into agreements to license, use or promote non-Microsoft products or services.

h. ***Microsoft as independent contractor.*** The parties are independent contractors. Customer and Microsoft each may develop products independently without using the other's Confidential Information.

i. ***Use of contractors.*** Microsoft may use contractors to perform Professional Services, but will be responsible for their performance subject to the terms of this Agreement.

j. ***Insurance while performing Professional Services on Customer's premises.*** Microsoft will maintain industry-appropriate insurance coverage at all times when performing Professional Services on Customer's premises under this Agreement via commercial insurance, self-insurance, or any other similar risk financing alternative. Microsoft will provide Customer with evidence of coverage on request.

k. ***Amendments.*** Any amendment to this Agreement must be executed by both parties, except that Microsoft may change the Product Terms and Use Rights in accordance with the terms of this Agreement. Any additional or conflicting terms and conditions contained in Customer's purchase order are expressly rejected and will not apply.

l. ***No transfer of ownership.*** Microsoft does not transfer ownership rights in any Product. The Products are protected by copyright and other intellectual property rights, laws and international treaties.

m. ***Professional Services payment terms.*** Customer agrees to pay all fees in a Statement of Services within 30 days of the date of Microsoft's invoice; unless the Statement of Services provides otherwise. Microsoft may assess a finance charge of the lesser of 18% per annum, accrued, calculated and payable monthly or the highest amount allowed by law on all past due amounts due to Microsoft. Microsoft will have no obligation to continue to provide Professional Services if Customer fails to make timely payment.

n. ***Taxes.*** If any amounts are to be paid to Microsoft, the amounts owed are exclusive of any taxes. Customer shall pay all value added, goods and services, sales, gross receipts or other transaction taxes, fees, charges or surcharges or other similar taxes, charges or fees or any regulatory cost recovery and other surcharges that are owed under this Agreement and which Microsoft is permitted to collect from Customer. Customer shall also be responsible for an applicable stamp taxes and for all other taxes that it is legally obligated to pay, including any taxes that arise on the distribution of provision of Professional Services by Customer to its Affiliates. Microsoft shall be responsible for payment of all taxes based upon its net income, gross receipts taxes imposed in lieu of taxes on income or profits, or taxes on Microsoft's property ownership.

If any taxes are required to be withheld on payments made to Microsoft, Customer may deduct such taxes from the amount owed and pay them to the appropriate taxing authority; provided however, that Customer shall promptly secure and deliver an official receipt for those withholdings and other documents reasonably requested by Microsoft to claim a foreign tax credit or refund. Customer will ensure that any taxes withheld are minimized to the extent possible under applicable law.

o. ***Cost or pricing data.*** We will not, under any circumstances, accept any statement of services that would require the submission of cost or pricing data.

p. **No third-party beneficiaries.** This Agreement does not create any third-party beneficiary rights.

The School Board of Broward County, Florida
Master Addendum to
Microsoft Master Services Agreement No. _____

This Addendum is entered into by and between The School Board of Broward County, Florida, a body corporate and political subdivision of the State of Florida, whose principal place of business is 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301 ("SBBC" and "Customer"), and Microsoft Corporation, a State of Washington for profit corporation, whose principal address is One Microsoft Way, Redmond Washington, 98052 ("Microsoft"), each a "party" and collectively, the "parties". This Master Addendum modifies and supplements the Microsoft Master Services Agreement ("Agreement") between the parties as follows:

I. **Definition of Agreement**. "Agreement" means this Master Services Agreement ("MSA"), together with any amendments to this MSA executed by the parties, any Enterprise Services Work Order(s) issued and executed under this MSA, and any addenda expressly incorporated by reference into this MSA or a Work Order pursuant to its terms, as modified by this Addendum.

II. **Effect of Addendum**. In the event of any conflict between the Master Addendum and Agreement as defined herein, the parties acknowledge that the terms of this Master Addendum shall supersede the terms of the Agreement. The Agreement will remain in full force and effect according to the Master Addendum. All capitalized terms not otherwise defined in the Master Addendum will have the same meanings ascribed to them in the Agreement.

III. **Term**. The obligations of the parties under the Agreement shall commence on the date of the last signature below ("Effective Date") and expire on **June 30, 2031**, unless terminated earlier pursuant to Section 9 (Term and Termination) of the MSA.

IV. **SBBC Clauses Concerning the Agreement.**

A. Education, Employee, Security, or Proprietary Records. For the limited and exclusive purpose of providing Professional Services to Customer, Customer will not intentionally disclose Education, Employee, Security, or Proprietary Records under this Agreement. To the extent Microsoft may come into contact with Education Records, Employee Records, Security Records, or Proprietary Records in the course of performing Services, Microsoft will treat such records as Confidential Information and protect them in accordance with this Agreement, the Microsoft Products and Services Data Protection Addendum dated September 1, 2025 ("DPA"), and applicable law, including the Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; 34 C.F.R. Part 99) and applicable Florida law, including Sections 1002.22, 1002.221, and 1002.222, Florida Statutes.

Any disclosure of Education Records, Employee Records, Security Records, or Proprietary Records that is intended or reasonably anticipated as part of the Services must be expressly identified and documented as project-specific within the applicable Work Order and/or Statement of Work.

In accordance with this section, Microsoft will not use or disclose any such records except as necessary to provide the Products and Services in accordance with Customer's documented instructions, this Agreement, the DPA, or as required or permitted by applicable law.

B. Microsoft Safeguarding the Confidentiality of Education Records.

1) Privacy and FERPA Compliance. If Customer is an educational agency or institution subject to FERPA, Microsoft acknowledges that Customer designates Microsoft as a "school official" with a legitimate educational interest, as defined under FERPA and its implementing regulations, and will comply with the limitations on use and redisclosure set forth in 34 C.F.R. § 99.33(a). Microsoft will:

a) Process education records solely for the purpose of providing Professional Services and only in accordance with Customer's documented instructions, the DPA, and applicable law; and

b) Maintain the confidentiality of education records and not redisclose such records except as permitted by FERPA, Florida law, the DPA, or as otherwise required by law; and

c) Ensure that personnel authorized to process such records are subject to confidentiality obligations consistent with the DPA; and

d) Customer is responsible for determining whether parental or student consent is required under FERPA or Florida law and for obtaining any such consent; and

e) Utilize the education records solely for the purposes of providing services as contemplated under this Agreement and the associated Work Order; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

f) Upon receipt of a judicial order or lawfully issued subpoena requiring the disclosure of personally identifiable information from education records related to Customer in Microsoft's possession, Microsoft or an Affiliate of Microsoft will attempt to redirect the request to Customer. If compelled to disclose personally identifiable information from education records related to Customer to a third party, Microsoft will use commercially reasonable efforts to notify Customer in advance of a disclosure unless legally prohibited. Customer understands that Microsoft may have no or limited contact information for Customer's students and students' parents/guardians in its possession. Consequently, Customer will convey notification on behalf of Microsoft to students (or, with respect to a student under 18 years of age and not in attendance at a postsecondary institution, to the student's parent/guardian) of such an order or subpoena as may be required under applicable law.

2) Information Security and Incident Notification.

a) Microsoft will implement and maintain appropriate administrative, technical, and physical safeguards to protect education records against unauthorized access, use, or disclosure, consistent with the Data Security and Security Incident Notification provisions of the DPA.

b) In the event of a Security Incident involving education records processed by Microsoft, Microsoft will notify Customer and provide information regarding the incident in accordance with the Security Incident Notification section of the DPA and applicable law, including Section 501.171, Florida Statutes, where applicable. Microsoft's obligations with respect to notification, mitigation, and cooperation are governed exclusively by the DPA.

1. Hard Copy Breach of Confidentiality of Education Records. In accordance with this section, Microsoft shall notify the SBBC Privacy Officer of such breach by telephone at 754-321-1900, and email at privacy@browardschools.com.

2. Electronic Breach of Confidentiality of Education Records: In accordance with this section, Microsoft shall also notify SBBC Director Information Security and Assurance by telephone at 754-321-0300, and email at privacy@browardschools.com.

3) The confidentiality and data protection obligations set forth in this section will survive expiration or termination of the Agreement in accordance with the DPA and applicable law.

C. Third Party Access to Customer Education, Employee, Security, and Proprietary Records. For the limited and exclusive purpose of providing Professional Services to Customer, Microsoft may provide access to Education, Employee, Security, or Proprietary Records under this Agreement to any and all entities with which it contracts or utilizes, including the third party sub-processors specified in the Microsoft Products and Services Data Protection Addendum Subprocessors, dated April 1, 2025 ("Third Parties").

D. Third Party Safeguarding Confidentiality of Customer Education, Employee, Security, and Proprietary Records. Pursuant to the terms of the Agreement, Microsoft shall ensure that those third parties comply with the terms of the Agreement, including but not limited to the safeguarding requirements of the Agreement. Microsoft shall take any and all responsibility for the negligent act(s) or omissions of any and all third parties that it utilizes to comply with the terms of the Agreement.

E. Insurance while performing Professional Services on Customer's premises. Insurance while performing Professional Services on Customer's premises. Microsoft will maintain industry-appropriate insurance coverage at all times when performing Professional Services on Customer's premises under this Agreement via commercial insurance, self-insurance, or any other similar risk financing alternative. Microsoft will provide Customer with evidence of coverage on request.

V. **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:
Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

With a Copy to:
Chief Information Officer

VI. **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If

applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Flori-da Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

VII. **Human Trafficking**. Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with SBBC must attest under penalty of perjury that the non-governmental entity does not use coercion for labor or services as defined in that statute. By execution of this Agreement by an authorized representative of Microsoft, Microsoft hereby attests under penalty of perjury that Microsoft does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes. Under penalties of perjury, the undersigned authorized representative of Microsoft declares that they have read the foregoing statement and that the facts stated in it are true. Further, any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with Microsoft's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

VIII. **Entities of Foreign Concern**. The provisions of this section apply if this Agreement provides access to an individual's personal identifying information. By execution of this Agreement, the undersigned authorized representative of Microsoft hereby attests under penalty of perjury as follows: Microsoft is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in Microsoft; and the undersigned authorized representative of Microsoft declares that they have read the foregoing statement and that the facts stated therein are true. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes, as worded or may be amended hereafter.

IX. **Public Records**.

This Agreement is subject to Chapter 119, Florida Statutes. Microsoft shall comply with the public-records obligations applicable to contractors acting on behalf of a public agency, as set forth in Section 119.0701, Florida Statutes. Microsoft shall keep and maintain public records made or received by Microsoft in connection with the performance of services on behalf of SBBC under this Agreement, to the extent such records constitute public records under Chapter 119. Upon request by SBBC's custodian of public records, Microsoft shall provide SBBC with copies of such public records, or make them available for inspection or copying, within a reasonable time and at a cost that does not exceed that permitted under Chapter 119, Florida Statutes. Microsoft shall not disclose public records that are confidential or exempt from disclosure under Florida law except as authorized by law. Upon completion of the Agreement, Microsoft shall, at SBBC's direction, either transfer such public records to SBBC or retain them in accordance with applicable public-records retention requirements. Nothing in this Agreement shall be construed to require Microsoft to retain records beyond those required by law or to maintain records in any particular electronic format except as required under Chapter 119.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

X. **Proprietary Information**. All documents or materials provided to SBBC are subject to Chapter 119, Florida Statutes, and shall be disclosed in accordance with Florida law unless a statutory exemption applies. Microsoft may identify information it reasonably believes qualifies as confidential or exempt from disclosure under Florida law, including trade secrets, by marking such information accordingly and, where practicable, referencing the applicable statutory exemption. The applicability of any exemption from disclosure shall be determined in accordance with Chapter 119, Florida Statutes. If SBBC receives a public-records request seeking Microsoft materials that Microsoft has identified as confidential or exempt, SBBC shall, to the extent

permitted by law, provide Microsoft with notice of the request. Microsoft may, at its own expense, seek any relief available under law to prevent disclosure of information it contends is exempt. Nothing in this Agreement: creates a waiver of any statutory exemption, obligates Microsoft to initiate litigation, requires indemnification of SBBC in connection with public-records requests, or limits or expands either party's rights or obligations under Chapter 119, Florida Statutes.

XI. Defense of Third Party Claims.

A. By Microsoft. Microsoft will defend Customer against any third party claim alleging that a Fix or Services Deliverable made available by Microsoft for a fee and used within the scope of this Agreement, in unmodified form and not combined with anything else, misappropriates a trade secret or directly infringes a patent, copyright, trademark, or other proprietary right of a third party. If Microsoft is unable to resolve such claim under commercially reasonable terms, it may, at its option:

1. Modify or replace the Fix or Services Deliverable with a functionally equivalent non infringing item; or

2. Terminate the affected license of the Services and refund any fees paid for the impacted Fix or Services Deliverable.

B. By Customer. To the extent permitted by Section 768.28, Florida Statutes, Customer is responsible for its negligent acts or omissions, and the negligent acts or omissions of its officers, employees, or agents acting within the scope of their employment, subject to the limitations, conditions, and monetary caps set forth in Section 768.28, Florida Statutes, worded or may be amended. Nothing in this Agreement shall be construed as:

1. A waiver of Customer's sovereign immunity beyond what is expressly provided in Section 768.28, Florida Statutes as worded or may be amended; or

2. An agreement by either party to indemnify the other for the other party's gross negligence or willful misconduct.

C. Conditions. The defending party's obligations under this section are conditioned upon receiving prompt written notice of the claim and being permitted to control the defense and settlement of the claim. The party being defended must provide reasonable cooperation.

D. Statutory Consistency. The parties acknowledge that this section is intended to comply with Section 768.28, Florida Statutes, and shall be interpreted and enforced consistent with that statute. No provision of this Agreement shall be deemed to require indemnification, defense, or liability in a manner that exceeds statutory authority.

XII. Equal Opportunity Provision. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

XIII. Name and Logo. Microsoft shall not acquire any rights under this Agreement to, and shall not use, the name of "The School Board of Broward County, Florida" or "SBBC", or "Broward County Public Schools" or "BCPS" either alone or in conjunction with or as part of any other name. word, mark, picture, logo, design, and/or trademark (collectively, "SBBC Marks") in any of Microsoft's advertising, publicity, or promotion, to express or imply any endorsement by SBBC or The School Board of Broward County, Florida, of its Services, or in any other manner (whether or not similar to the uses hereinabove specifically prohibited) without the prior review and written approval by SBBC, except as expressly permitted herein. No advertisement, publication, or other use of SBBC Marks shall be published or otherwise promulgated by

Microsoft without SBBC's prior inspection and written approval. This clause shall survive the expiration or sooner termination of this Agreement.

XIV. **Amendments**. This Agreement may be amended only by a written document expressly identified as an amendment to this Agreement and executed by authorized representatives of both parties, with the exception that any modification, amendment, or alteration in the terms or conditions contained herein that necessitates SBBC Board approval, shall be prepared with the same or similar formality as this Agreement and executed by the then current SBBC Board Chair.

IN WITNESS WHEREOF, the parties hereto have made and executed this Master Addendum upon the date of the last signature below:

ARTICLE FIVE
CONDITIONS OF EMPLOYMENT

A **Teacher's Primary Responsibility:** The District and the BTU acknowledge that a teacher's primary responsibility is to teach and that all energies should be utilized to this end. Therefore, the District agrees that every effort shall be made to relieve employees of all non-professional supervisory and clerical responsibilities such as, but not limited to; playground and other school ground supervision (excluding recess supervision for elementary level students), lunchroom supervision, hallway and restroom supervision, study hall and detention supervision, bus loading and unloading supervision, money collection or transmittal, and various and similar non-professional responsibilities. Such duties shall be assigned to non-bargaining unit employees. Recess in elementary schools shall not be used to replace regularly scheduled physical education programs.

B. **Materials/Storage:** The District shall provide each employee with materials required in the daily teaching responsibility, chalkboard/whiteboard space and a hard copy, if available, of the teacher's edition for all texts used. Lockable storage space shall be provided within budgetary limitations; however, the administration will pursue the use of lockable classroom space, teacher preparation/planning areas, and suitable alternatives as agreed upon by the employee in writing.

C. **Teaching Stations:** The District further agrees to provide adequate teaching stations for all special service and special subject teachers, including, but not limited to, speech language pathologists, art teachers, music teachers, homebound teachers, reading teachers and counselors. Private office space will be provided to school psychologists and school social workers within the limits of available space.

D. **Duty-Free Lunch:** All employees shall be entitled to a duty-free, uninterrupted lunch period of at least thirty (30) consecutive minutes. Employees shall not be required to deliver or pick up their students during this time.

E. **Length of Workday:** The employees' workday shall be seven and one-half (7 1/2) consecutive hours, including the lunch period. The normal teaching load for assigned classes shall not exceed a daily average of 300 minutes. Those teachers who teach 360 minutes shall have a workday of no longer than eight and one-half (8 1/2) hours. If a four (4) day work week is implemented, this schedule may be compressed

into that period. Said compression shall not result in the reduction of salary or benefits.

F. **Employee Facilities:** The District shall designate adequate facilities for employees' lounges, restrooms, preparation/planning in each current and new permanent school. To the extent possible, any such facilities that are reduced to accommodate class size reduction efforts shall be restored as a priority facility expansion when class size limits have been achieved. To the extent possible, such facilities shall be secluded from students.

G. **Telephones:** Adequate private telephone facilities for the purpose of conducting school business shall be made available in each school for employee use. Employees may use school phones for personal, local calls, provided that there are no charges to the school associated with said phone calls. Long distance calls shall not be charged to school phones. A telephone extension shall be provided in the base office of each employee whose assignment requires the frequent use of the telephone, including but not limited to counselors, school social workers and school psychologists.

H **Off-street Parking:** Off-street parking facilities shall be provided for employee use at each school.

1 **Conference Areas:** Private areas for teacher-parent and/ or student conference shall be provided in each school by the appropriate administrator.

Conferences with parents are an effective tool to keep parents informed of their child's academic progress and an integral component for monitoring student conduct and performance. Teachers may contact parents in person, by-phone, or by other• digital meeting platform for such purpose. Teachers may unilaterally conclude such conferences where the parent chooses to use such a time to criticize or attack the teacher rather than discuss the student's progress. Under such circumstances, the teacher shall notify their administrator by the end of the subsequent workday. Such notification can be done via e-mail. Upon employee request, an administrator shall be in attendance at parent conferences when there is a reasonable expectation of inappropriate behavior toward the teacher by the parent. When possible, the administrator /designee and teacher shall meet prior to the conference to develop a strategy to maximize conference effectiveness for all parties.

J. **Relief Period:** Each elementary employee, including special subject teachers, shall have at least a ten (10) minute relief period in both

the morning and afternoon each day in a manner to be determined by the employees and immediate supervisor in each school/center. One of the relief periods (i.e., during specials class) shall occur during the student instructional day. An employee with an assignment other than a regular classroom assignment shall not be removed from that assignment to supervise the students of another employee for such relief periods unless such relief periods cannot otherwise be provided, in which case not more than one such assignment per day shall be given.

Each middle and high employee who needs a restroom relief period during instructional time shall have no more than a ten (10) minute relief period. The employee shall not leave their students unsupervised.

K **Faculty Meetings:** Principals shall have the authority to schedule necessary faculty meetings; however, such meetings shall be as brief and well planned as possible. Such meetings shall be used for purposes that cannot be accomplished effectively through other means. Faculty meetings shall be scheduled in a manner that impacts teacher planning time to the least degree possible. If more than one (1) faculty meeting is held in a month, the purpose of the meeting shall be announced to the faculty in advance.

L **Teacher Planning Days:**

1. **Planning Days:** The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.

~~2.~~ The Superintendent shall designate two (2) of the five (5) preplanning days with the intent of not scheduling any activities except teacher planning. ~~If the need arises, the affected principal may schedule a staff meeting not to exceed one (1) hour in duration on each of these days.~~

3. Schools have flexibility on how to utilize up to their allocation of twenty-four (24) hours per year of the total time available for professional development, exclusive of time allocated for teacher planning and preparation. Professional development activities shall be scheduled on planning days, up to a maximum of three (3) hours per planning day, and two additional early release days exclusive of the four (4) early release days specified in Section ~~V~~ U below.

4. Professional development activities shall be defined as those activities focused on improving student achievement and include, but are not limited to, collegial conversation, curriculum discussions, teacher training, collaborative planning, department meetings focusing of student achievement, analysis of data for student improvement, etc.

5. A joint school committee comprised of an equal number of School Advisory Committee (SAC) members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation.

6. After gathering input from the faculty, the teams shall develop customized activities for the staff development time allotted to the early release days (as stated above) and the ten (10) planning days. If the team is unable to agree upon the activities for the days, the Superintendent and the BTU President shall appoint an equal number of persons to serve on an intervention team to mediate the situation and assist the school in developing appropriate activities. A final appeal may be presented to the Superintendent and BTU President for disposition. A copy of the activities and time allotment shall be provided to the BTU and Employee & Labor Relations.

7. If after establishing the activities for the early release days and the planning days, the School Professional Development Team determines that additional professional development time is needed to achieve the goals of the School Improvement Plan (SIP), then the school shall initiate a waiver vote for the additional use of up to a maximum of eight (8) additional hours or teacher planning time for professional development purposes. This waiver vote shall follow the waiver vote process contained in Article Fifteen but shall not be considered a schedule change vote. The
waiver and-vote results along with the BTU plan for the use of such additional time shall be forwarded to the BTU and Employee & Labor Relations.

8. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/ grade level to plan and implement such activities.

M. **Use of Planning Days:** Each school's SAC, working with teachers appointed by the school's Faculty Council, shall develop a plan on the use of planning days based upon the District Strategic Plan and their SIP objectives. For purposes of this project, the Faculty Council at each school shall appoint the following number of teachers to work with the SAC teams:

1. Elementary Schools, Exceptional & Alternative Education Centers	=	3 teachers
2. Middle Schools	=	4 teachers
3. High Schools and Technical Colleges	=	6 teachers

Prior to development of the plan, faculty teams/ departments/ grade levels will be given an opportunity to make recommendations on the use of planning days. The SAC and Faculty Council shall consider faculty recommendations, present the faculty with preliminary plans, and provide them an opportunity to react to the plans prior to their inclusion in the SIP.

N. **Access to Buildings:** When school is not in session, employees may have access to the building to voluntarily perform job related duties by arranging such access with the principal. Every reasonable effort will be made to provide access time convenient to the employee.

0. **Interruptions to Teaching:** Unauthorized personnel shall not be allowed to interrupt or otherwise disturb an employee during the performance of his/ her professional responsibilities: Observations of an employee's class by persons other than school system personnel shall be allowed only after consent has been granted by the principal or his/her designee, notification to the employee, and proper security clearance has been granted. The visitation shall be scheduled no sooner than two (2) workdays after notification, except in extenuating circumstances as determined by the affected principal. Such observations shall be no longer than one (1) hour in length. Upon request, a building administrator shall be present in the employee's classroom during the entire observation period.

Observations for evaluation purposes shall be governed by the provisions of Article Eighteen of this Agreement. Observations for other purposes shall occur only after the employee has been notified in advance by the principal.

Employees should be able to perform their professional responsibilities free from unnecessary interruptions or disturbances. To the extent possible, maintenance, custodial and construction work will be done at a time or in a manner which will not result in interruptions or disturbances of the employee's professional responsibilities. The same shall apply to the use of intercommunication systems.

P. **Vending Machines:** Profits from vending machines in employee workrooms, lunchrooms or lounges shall be expended for legally permissible purposes as determined by the employees in the school and the principal at the worksite through the Faculty Council. Vending machines dispensing lunch items are not included in this provision.

If requested, teachers shall be informed of monies collected and/ or profits that have been spent from vending machines in employee workrooms, lunchrooms, or lounges. The principal shall have *qne* (1) vote, as does each Faculty Council member.

Q. **Equipment:** The District shall provide cleaning or laundering and maintaining of school-owned physical education and athletic uniforms, uniforms for musical groups, towels, equipment, etc. The District further agrees to replace stolen, lost, irreparably damaged, or worn-out musical instruments, at least as included on the "basic equipment list" in effect during the applicable school year, to the degree the affected school's finances permit.

R **Behavioral Objectives:** The writing of behavioral objectives may be required to determine the broad goals and objectives of employees for their students' expected success; however, the writing of behavioral objectives as a part of their daily lesson plans will not be required.

S. **Lessons Plans:** Teachers who have less th.an three (3) years' experience in the District may be required to submit their lesson plans to the principal on a regular basis with two (2) workdays' notice of commencement of a submission schedule.

In recognition of the professionalism of Broward teachers, employees who have more than three (3) years' experience in the District shall not be required to regularly submit lesson plans, however, any time the principal does request lesson plans, the teacher shall submit the plans (2) workdays' notice.

All lesson plans may be submitted in hard or electronic form.

Regardless of the years of experience, any teacher who is identified for or engaged in a written plan for improvement may be required to present

his/her lesson plan to the principal on a regular basis. When requested by the principal, the teacher shall submit the plans.

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be unreasonably complex. Documentation of the incorporation of Sunshine State Standards and teaching strategies required by law, Board policy or regulation are part of daily lesson plans.

Daily lesson plans will not require the verbatim duplication of information clearly available by reference elsewhere (does not include computer disks).

T. **Registration:** Schools shall schedule registration periods into the shortest time period possible to assure minimum interference in employee planning and preparation time.

U. **Early Release Time:**

1. The District shall provide that students at each school shall be dismissed two (2) hours early on six (6) days during the school year. Any school may opt-out of providing early release time by a 66 2/3 percent vote of bargaining unit members through the waiver methodology described in Article Fifteen, Section G, 2-4.

2. Four (4) of these days shall be scheduled the day prior to the employee planning day at the conclusion of each grading period. These early release days shall be used by employees for end of quarter activities including, but not limited to, grading of exams, grade preparation, or other appropriate activities as determined by the employee. The District shall schedule the remaining early release days after consulting with the BTU.

3. The two (2) remaining early release days shall be used in a manner consistent with the procedures below. On these two (2) days, principals may use up to one (1) hour of the two (2) hours of release time to conduct staff meetings or activities that are directly related to school improvement.

4. At all work locations, each/department/grade level with the principal's approval shall adopt an objective based on student data and aligned with the SIP and the District Strategic Plan on which to focus its efforts during the school year. Each department/grade level shall then adopt early release day

activities that address its established objective. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/ grade level to plan and implement such activities.

V. **New Teacher Orientation Program**

1. The parties agree that on an annual basis, newly hired District teachers shall attend a BTU-District Orientation Program. Therefore, they shall work 197 days during their first year of employment and their salary shall be based on 196 days. The parties will co-sponsor this event. Events shall not be scheduled at schools or other locations for newly hired employees at the time this orientation program is in session.

2. The parties agree that two (2) orientation sessions will be conducted. New teachers must attend one (1) of the two (2) days. Notification of required attendance at the orientation and the tentative date(s) of the orientation shall be presented to the new teacher upon being hired. New teachers shall be notified of the scheduled date of the orientation as soon as it is established by the parties.

   a. All new teachers employed as of the first day of the 196-day teacher calendar shall attend the first orientation day which will be conducted prior to the beginning of said work calendar. Exceptions to this requirement may be made by the Superintendent.

   b. New teachers hired after the first day of said teacher calendar shall attend the second orientation day which shall be conducted on a Saturday or weeknight shortly after the completion of FTE count week. Said date will be mutually agreed to by the parties.

3. **Program Design:** The President of the BTU and the Superintendent shall each appoint two (2) persons to a Committee to design the program. Program design shall allow for BTU and District participation in an equitable manner. Upon completing its' work, the Committee shall make recommendations to both the President of the BTU and the Superintendent for final action.

4. **Cost:** The District and the BTU agree to equally share the costs of this program. The District and the BTU shall each pay for their invited guests other than teachers and for any special equipment required for their activities.

W. **Employee Input:** As provided by statutes, within thirty (30) days after the start of each school year, employees shall be notified in writing of their right to provide input into their administrator's annual performance assessments.

X Stewards' planning periods shall be scheduled at the end of the student day, where feasible.

ARTICLE TWENTY-TWO
INSURANCE

A. **Coverage:** The Board shall provide, without cost to each employee, Group Term Life Insurance equal to one and one-quarter (1 1/4) times the employee's annual salary, rounded to the next higher multiple of one thousand dollars ($1,000), subject to a minimum of seven thousand dollars ($7,000) and a maximum of fifty thousand dollars ($50,000). The employee shall have the option of purchasing at their own expense through payroll deduction, an additional amount of "Group Term" Life Insurance ranging from one and one-quarter (1¼) times the employee's annual salary, up to five (5) times the employee's annual salary or one million dollars ($1,000,000), whichever is less (medical underwriting may apply above the guarantee issue amounts) in accordance and subject to the provisions of the group life insurance policy equal to that provided by the Board.

Each employee shall have the option, at the employee's expense, through a direct pay method, to convert the Group Term Life Insurance to an individual life insurance policy upon retirement or termination of employment, in accordance and subject to the provisions of the group life insurance policy.

B. **Dental and Health ~~and Dental~~ Insurance:**

The District shall pay the following premiums for individual employee's dental and health ~~and dental~~ insurance:

1. For employees that elect dental insurance, the District shall provide a maximum of $10.80 per month towards the elected dental insurance in accordance with the term and schedule of benefits currently in effect.

2. The District offers three (3) health insurance plans: Premier Plus Plan, Premier Plan, and Premier Choice Plan. The District will pay 100% of the cost of the health insurance premium equivalent for employee-only coverage ~~under any of the plans until December 31, 2019~~ for the Premier Choice Plan. Employees will have the option to select the Premier Plus Plan or the Premier Plan, to include employee contributions through payroll deductions. Employees will continue to pay the cost of the health insurance premium for any coverage selected other than employee-only coverage.

EA 5/06/2026

In addition to the District agreeing to pay 100% of the cost of the health insurance premium for employee-only coverage for the Premier Choice Plan, the District will explore contracting with a supplemental enhanced primary care provider. The goal is to reduce health care costs for the District and the employees who join the enhanced primary care provider. There will be no additional cost to the employee for this supplemental coverage.

For future plan years:

The parties are committed to working through the Superintendent's Insurance and Wellness Advisory Committee to implement cost effective improvements to the group health insurance program, such as the increased usage of:

- Teladoc
- Wellness Programs
- Extended Rx offerings
- Urgent Care over Emergency Room visits, when feasible

The District shall separately account for costs of the group insurance program within the General Fund in a manner that allows costs and savings to be readily identified. At the end of each fiscal year, any savings in the overall cost of the insurance programs (defined as the total premium equivalent contributions for that year compared to the projected total premium contributions for the next year) shall be placed in a reserve which may only be used to fund future employee supplements, and/or other benefits for employees, prior to the end of the next plan year.

3. All new employees ~~may~~ must elect to enroll in ~~a~~ the District offered ~~plan of their choice subject to conditions for enrollment in such plan~~ Premier Choice Plan for the first three (3) years of employment, if they do not voluntarily decline such insurance. Thereafter, the employee may elect to remain in the Premier Choice plan or elect a different Medical plan during the upcoming Open Enrollment period, effective for January 1st of the following year.

4. Benefit levels, plan design, cost containment for the plan, premium contributions and benefit improvements will be reviewed annually by the Superintendent's Insurance and Wellness Advisory Committee. The Superintendent's Insurance and Wellness Advisory Committee will make recommendations to the Superintendent about benefit levels, plan design, cost containment for the plan and benefit improvements. Either party may demand negotiations through the Superintendent or designee to amend benefit levels, plan design, cost containment for the plan and benefit improvements, or premium contributions.

5. An employee eligible for health insurance may voluntarily decline such insurance. Beginning in the 2024 Open Enrollment Period, ~~A~~an employee declining medical insurance for the first time, shall be required to sign an affidavit indicating other medical coverage and provide proof of other medical insurance during the open enrollment period ~~each year~~. ~~Employees shall be responsible to maintain proof of continuing medical insurance.~~ Employees choosing not to participate in the School Board of Broward County's ~~medical~~ health insurance program shall ~~be reimbursed at a rate of~~ receive up to seven hundred fifty dollars and no cents ($750) per year (opt-out dollars) only if such proof is provided. If an employee does not provide proof of other medical insurance, the~~n~~ employee will not ~~be reimbursed~~ receive any opt-out dollars. Said opt-out dollars shall be deposited into the employee's cafeteria plan and those opt-out dollars may be used in a manner consistent with the provisions of said plan.

6. During the ~~clearance~~ Benefits Onboarding process, new employees shall be informed in writing of the date on which their health insurance becomes effective.

C. **Disability Insurance:** The Board shall provide without cost to each employee a core disability plan in accordance and subject to the terms and benefits in effect in the insurance policy. The employee shall have the option of purchasing at their own expense through payroll deduction, an enhanced disability plan.

D. **Liability Insurance:** The Board shall provide Liability Insurance at no cost to employees in the amount of five hundred thousand ($500,000) for each employee in case of suit arising from or in the performance of the employee's duties.

E. **Annuity Programs:** The Board shall make available to all employees through payroll deduction, tax deferred annuity programs with companies which qualify and are approved under guidelines and criteria established by the Board.

F. **Rate Increase:** Written notice of any rate increase in health and dental insurance for dependents coverage shall be provided to each employee within ten (10) days of the date the increase is made known to the Board.

G. **Employee Reimbursement:**

1. **Personal Property:** If employees are attacked or assaulted or victim of theft or vandalism in the course of employment, the Board will insure or otherwise reimburse such employees for any loss, damage or destruction of clothing or personal property up to five hundred dollars ($500) per employee per school year upon verification to the principal, unless the employee is otherwise reimbursed in which case the Board will reimburse employee the amount of their insurance deductible up to five hundred dollars ($500) upon verification of the claim.

2. **Automobile Vandalism:** If an employee's vehicle is damaged as a result of vandalism while on the property of a district school, or while on official School Board business, the employee will be reimbursed for the damage not to exceed seven hundred fifty dollars ($750) when it is determined that the damage was caused on School Board property or while on official School Board business. Such determination may be made by a School Resource Officer, a School Security Specialist, or a SIU investigator (as determined by the Superintendent), a Police Officer, witness testimony or apprehension of the person(s) responsible for the damage.

3. Any individual submitting a fraudulent claim under this provision shall be subject to disciplinary action up to and including termination. The Board's maximum liability under this section is fifty thousand dollars ($50,000) per school year.

H. **Group Insurance Program:** Employees with a minimum of ten (10) years of service with the Board retiring prior to Medicare eligibility may elect to remain in the Group Insurance Program until they become eligible for Medicare; rates applicable to the entire group; the cost of such insurance shall be borne by the retiree.~~, except that the Board shall provide without charge for the collection and remittance of premiums for~~

~~such insurance.~~ Applications must be submitted within thirty (30) days of retirement.

I. **Cafeteria Insurance Program:** The Board agrees to provide a cafeteria insurance program to all bargaining unit members including those on Board-approved paid leaves. Members on unpaid Board-approved leave are not eligible to participate in the program. The following criteria shall apply to the granting of cafeteria insurance benefits:

1. The Board will provide twenty-five dollars ($25) per month not to exceed three hundred dollars ($300) per employee per school year. Employees hired after the commencement of the school year, shall receive twenty-five dollars ($25) per month for each full month of employment.

2. The specific benefit components of the cafeteria program shall be contained in a booklet, which shall be distributed electronically to all eligible unit members or maintained on the Benefits website.

J. ~~The parties agree to eliminate enrollment in the fourth tier dependent rate which is identified in insurance documents as the "children (both spouses School Board employees employed in the same plan)" effective at the conclusion of the open enrollment period (November, 1994) for the 1995 insurance plan year. Employees enrolled in the fourth tier prior to the date indicated above may remain in this tier until the time their employment with the School Board ends. Once all of the affected employees have left the employment of the Board, the fourth tier shall be eliminated.~~

K. **VISION INSURANCE**: The District shall provide without cost to employee a basic vision insurance program, in accordance with the terms and benefits provided in the summary plan description. Employees may also elect to enroll in an enhanced vision insurance plan, at the employee's expense, through payroll deductions.

SBBC Counterproposal 5/6/26

~~BTU Proposal~~ – 05.06.26 -- Art. 22(B)(5)

An employee eligible for health insurance may voluntarily decline such insurance. An employee declining medical insurance shall be required to sign an affidavit indicating other medical coverage and provide proof of other medical insurance during the open enrollment period each year. Employees shall be responsible to maintain proof of continuing medical insurance. Employees choosing not to participate in the School Board of Broward County's medical health insurance program shall be reimbursed at a rate of ~~seven hundred fifty dollars and no cents ($750)~~ one thousand ~~five hundred~~ dollars and no cents ($1000) per year (optout dollars) only if such proof is provided. If an employee does not provide proof of other medical insurance, then employee will not be reimbursed any opt-out dollars. Said opt-out dollars shall be deposited into the employee's cafeteria plan and those opt-out dollars may be used in a manner consistent with the provisions of said plan.

Salary rates for all levels on the Grandfathered Teacher Salary Schedule shall increase by ~~2.75%~~ 0.50% effective July 1, ~~2024~~ 2025. Employees who are in an active status as of the date of Board approval of this Agreement will receive the increase retroactive to July 1, ~~2024~~ 2025.

0. **Teachers Returning from Leave**

Employees returning from a Board approved leave shall be placed at the same level the employee was on prior to the leave. A teacher returning from a Board approved leave and who has not gained additional classroom teaching experience, shall be placed at a level on the salary schedule which is closest but not less than what the teacher was earning prior to the leave. Although not guaranteed, teachers may be granted teaching experience credit for the work performed during the Board approved leave for verified classroom teaching experience, provided the request is submitted within three months of returning to Broward County Public Schools.

2. Any employee who receives an unsatisfactory rating(s) on his/her annual evaluation shall become eligible for and shall receive payment for a negotiated salary increase retroactive to the date of salary schedule improvements after he/she has satisfactorily fulfilled the terms of the professional development plan resulting from the unsatisfactory rating(s) and has been rated satisfactory. Until that occurs, the employee's salary shall remain frozen at the rate of pay for the previous year.

3. **Advanced Degree Stipends:**

	Out-of-Field*	**In-Field**
Master's Degree	$2,600	$3,650
Specialist Degree	$5,000	$6,800
Doctor's Degree	$7,000	$8,000
Basic Incentive Award	$1,400	$2,000
Advanced Incentive Award	$2,200	$2,700

*Effective November 1, 1994, bargaining unit members may only qualify to earn degree's in-field. However, unit members who held out-of-field degrees and incentives on November 1, 1994, shall continue to receive the remuneration listed above in the column entitled "out-of-field" for as long as they work for the Board in this bargaining unit without a break in service. A Board approved leave is not considered a break in service.

Bargaining unit members hired prior to July 1, 2011, who earn an advanced degree shall be granted an in-field advanced degree stipend as defined in Appendix A.

5/06/2026

Bargaining unit members hired on or after July 1, 2011, who earn an advanced degree shall be paid a salary supplement in the amount equal to the advanced degree stipend above; but only if the advanced degree is in the bargaining unit member's area of certification.

4. **New Educator Professional Improvement Supplement:** A three-hundred-dollar ($300) payment shall be payable to any teacher who has less than three (3) years of credited experience and accumulates a minimum of six (6) college credits or the equivalent in-service coursework within any of the first three (3) years of teaching experience on the salary schedule. The courses should enable employees to become highly qualified or to improve their skills in their teaching field(s).

5. **INITIAL PLACEMENT INCREASES**

PAY FOR PERFORMANCE INITIAL PLACEMENT CHART FOR TEACHERS

Years of Experience	Salary (Start Date Effective after June 30, ~~2024~~ 2025)	Initial Placement Increases	Salary With Initial Placement Increase (Start Date Effective after June 30, ~~2024~~ 2025) *

PAY FOR PERFORMANCE SCHEDULE PLACEMENT CHART FOR TEACHERS

New teachers on the Pay for Performance Salary Schedule shall be initially placed on the salary level reflected in the Pay for Performance Schedule Placement Chart.

The Years of Experience column is solely for the initial placement of teachers on the Pay for Performance Schedule. Annual salary increases following initial placement shall be based upon the outcome of each teacher's overall evaluation rating and/or negotiated increases. In accordance with F.S. 1012.22 only teachers receiving an overall evaluation rating of Highly Effective or Effective are entitled to a Pay for Performance salary increase. Teachers receiving an overall evaluation rating of Needs Improvement or Unsatisfactory, or teachers who do not receive an evaluation, are not entitled to a Pay for Performance salary increase.

Once placed upon the Pay for Performance Placement Chart, each teacher will receive salary increases based upon performance and will therefore have an individualized salary.

Pay for Performance Teachers who are in an active status as of the date of Board approval of this Agreement rated as "Highly Effective" during the ~~2023-2024~~ 2024-2025 school year, shall receive a base salary increase of ~~3.45%~~ 0.65% effective July 1, ~~2024~~ 2025. Pay for Performance Teachers rated as "Effective" will receive a base salary increase of ~~2.59%~~ 0.46% effective July 1, ~~2024~~ 2025. Teachers receiving an overall evaluation of Needs Improvement or Unsatisfactory, or teachers who do not receive an evaluation, are not entitled to a Pay for Performance salary increase.

Referendum Funds: For each year of the referendum, no less than 75% of BCPS' share of total collected Referendum Funds (net of charter schools) shall be allocated to District employee supplements, with no less than 80% of those funds to be appropriated to eligible employees in the BTU-EP bargaining unit. In the event that SBBC collects additional Referendum Funds than those required to fund the agreed-upon referendum supplements for the 2023-2024, 2024-2025, 2025-2026, and/or 2026-2027 school years, the parties will agree on the distribution of said additional funds to eligible employees in the BTU-EP bargaining unit.

5/06/2026

For the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years, eligible employees in the BTU Education Professionals bargaining unit on the Grandfathered Salary Schedule, will receive a Referendum Supplement as follows:

Base Salary Range	Referendum Supplement
Levels C-R	$12,000
Level RF, S, T, & U	$10,000

For the 2023-2024, 2024-2025, 2025-2026 and 2026-2027 school years, eligible employees in the BTU Education Professionals bargaining unit on the Pay for Performance Schedule, whose effective start date is on or before June 30, of the previous school year, will receive a Referendum Supplement as follows:

0 years – New Hires	$500
1-2 years of experience	$2,000
3-5 years of experience	$3,000
6-7 years of experience	$5,500
8-9 years of experience	$6,000
10 years of experience	$7,500
11-14 years of experience	$10,000
15 years & above years of experience	$12,000
RF, S, T, & U	$10,000

Referendum Supplements, Initial Placement Increases, and Equity Adjustments are pensionable and shall be paid in equal installments per pay period of the employee. Employees who separate employment before the end of the fiscal year shall receive a pro rata portion of the Referendum Supplements, Initial Placement Increases, and Equity Adjustments commensurate with the portion of the year actually worked by the employee.

In the event that SBBC collects additional Referendum Funds for the 2023-2024, 2024-2025, 2025-2026 and 2026-2027 school years, the parties will agree on the distribution of said additional funds to eligible employees in the BTU-EP bargaining unit.

ARTICLE ONE
PREAMBLE

A. This Agreement is entered into by and between the School Board of Broward County (hereinafter referred to as the "Board" or the "District") and the Broward Teachers Union (hereinafter referred to as the BTU) as the exclusive bargaining agent for members in the teacher's bargaining unit.

B. This Agreement seeks to establish the processes whereby the goals of all bargaining unit members and the goals of the District can be coordinated and whereby conflicts can be resolved fairly and expeditiously.

C. The District and the BTU through this Agreement seek to promote a professional working environment for all employees. Every attempt will be made to ensure that our teachers are the finest in the nation.

ARTICLE TWO
RECOGNITION

The School Board of Broward County, Florida hereinafter called the "Board" or the "District" recognizes the Broward Teachers Union, hereinafter called the "BTU" as the exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission in Case Number 612, to wit:

INCLUSIONS: The following certificated or instructional employees of the School Board of Broward County, Florida: CLASSROOM TEACHERS, (including Full-Time Adult General and Adult Career and Technical Education Teachers), Media Specialists, Studio Teachers, Occupational Specialists, School Counselors, School Social Workers, Family Counselors, Speech Language Pathologists, Resource Teachers, Teachers of Exceptional Children, Guidance Directors, Pre-K Teachers, School Psychologists and any other certificated employees as referenced in Florida Department of Education Certificate Subjects.

EXCLUSIONS: All Upper Level Central Administrative Personnel, including: Superintendent; Middle Level Area and Central Administrative Personnel including: Directors, Consultants, Coordinators, Supervisors, Managers, Assistants, Department Heads, Principals, Assistant Principals, Curriculum Specialists, Administrative Assistants, Substitute Teachers, and all other employees who are either hourly-paid, noncertified, or noninstructional who are not included above."

ARTICLE THREE
DEFINITIONS

The following terms and corresponding definitions shall be used throughout this contract:

A. **Superintendent:** The Superintendent or the Superintendent's designated representatives.

B. **Immediate Supervisor:** The person in an administrative or supervisory position directly responsible for the supervision and direction of an employee and to whom the employee is directly responsible. An immediate supervisor shall be a person who is not a member of the bargaining unit represented by BTU.

C. **District:** The School Board of Broward County, Florida, and/or its duly authorized representatives or agents. The District may be also referred to herein as the "School Board" or the "Board".

D. **Employee:** Any employee in the bargaining unit as defined and certified by the Public Employees Relations Commission (PERC). The terms teacher, bargaining-unit member, and employee as used in this Agreement shall have the same meaning.

E. **Seniority:** The longest uninterrupted service in a position in the bargaining unit represented by BTU.

1. Service shall not be deemed to be interrupted by any leave approved and granted pursuant to this Agreement. An annual contract teacher who receives a satisfactory evaluation who is non-renewed and subsequently rehired for the following school year, shall not have a break in service if he/she works one (1) day more than half of the following school year.

2. An employee who leaves the bargaining unit for one (1) year or less for any position in the District shall return to the bargaining unit with uninterrupted seniority. An employee who leaves the bargaining unit in excess of one (1) year for any position in the District or who has been laid off retains earned seniority and upon return to the bargaining unit, shall resume the accumulation of bargaining unit seniority.

3. Seniority being equal between or among two (2) or more employees, the tiebreakers listed below shall be applied in the following order:

(a) Longest total service in a bargaining unit position in the District as defined in Article Two, Section A.

(b) Longest uninterrupted total service in any permanent certificated or instructional position in the unit.

(c) Earliest date reflected by the recommended administrator's signature on the recommendation for employment.

(d) Earliest date of application for employment in a certificated or instructional position in the District.

F. **Contract:** The term "continuing contract" may be used interchangeably with the term "professional service contract" throughout this Agreement. This definition shall not be interpreted to cause an employee to lose any rights under applicable laws pertaining to continuing contracts or professional service contracts.

G. **Bargaining Agent:** This shall mean the BTU.

H. **BTU:** This shall mean the Broward Teachers Union and/or its duly authorized representatives.

I. **Memorandum of Understanding (MOU):** When situations arise to amend or modify contract language concerning terms and conditions of employment, the BTU has a right to enter into any Memorandum of Understanding (MOU).

ARTICLE FOUR
PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS

A. **Employees:** No new employee shall be employed who is not fully or provisionally certified in the grade level and/or subject area to which assigned, except when employees with such certification are unavailable or in emergencies. Employees in the District assigned to a grade level and/or subject area outside the scope of their teaching certificates shall constitute the source of availability.

Career and Technical Education: To be qualified to teach career and technical education, the verified work experience required for state certification must be in the area of specific subject to be taught. Career and technical employees who qualify on the basis of non-academic preparation must have the six (6) years' verified work experience or equivalent as specified for certification in the specific occupational subject area of the teaching assignment.

B. **Teaching Assignments:** No employee shall be assigned to teach in a grade level and/or subject area not within the scope of his/her teaching certificate, except where a position within his/her certification is unavailable or when mutually agreed to by the affected employee and principal, or when determined necessary by the principal. Employees assigned to positions outside the scope of their certificates shall be assigned as soon as possible to positions for which they hold certification.

C. **Tentative Assignments:** Employees shall be tentatively assigned to the same subject area and/or grade level for the forthcoming semester that they held during the previous semester, unless notified two weeks in advance for the second semester, or two weeks prior to the conclusion of an employee's work calendar of the school year for the first semester that the assignment has changed. Employees shall be notified in writing as soon as any change is made in such tentative assignment. The District agrees to provide the BTU one copy of the "out-of-field" report annually as required by Florida Statutes, Section 1012.42.

D. **Involuntary Assignments:** An employee involuntarily assigned for one (1) year or less to a position outside the scope of the employee's certification shall not be required to obtain additional training related to the assigned position nor shall evaluation reflect the absence of such training.

E. **Professional Service Contracts**: Teachers hired with valid continuing or professional service contract in the State of Florida will automatically have reinstatement of said status upon the successful completion of one year of

employment with the SBBC. After such a teacher has successfully completed ninety-seven days of employment with the SBBC, the principal may petition Non-Instructional Staffing to have said status reinstated immediately.

F. **Special Teaching Assignments**

1. Teachers assigned to a school that utilizes the Montessori Teaching methodology and who teaches one or more Montessori Core Courses must successfully complete the American Montessori Society Training Program that is offered by a District approved institution.

2. Upon entry into a Board sponsored Montessori Training Program, the teacher must agree in writing to accept the assignment to the assigned school for a period not less than five (5) years.

3. Teachers assigned to a school that offers either the International Baccalaureate or Cambridge Training Program and who teach one or more program courses must successfully complete authorized International Baccalaureate or Cambridge Training.

4. Upon entry into a Board sponsored International Baccalaureate or Cambridge Training Program, the teacher must agree in writing to accept assignment to the assigned school for a period not less than three (3) years.

5. A teacher who accepts assignment to a school that offers the Montessori Program and subsequently expresses a professional conflict with the Montessori Teaching Philosophy may, not later than completion of the first Montessori Training course, request release from the commitment referenced in paragraph 2 above and may request the transfer or reassignment pursuant to the provisions of Article Twenty-Five of this Agreement.

6. These provisions apply at the beginning of the 2017-2018 school year as follows:

   - The provisions outlined above shall apply to a teacher entering a Montessori Training Program, International Baccalaureate Training Program, or Cambridge Training Program and who is teaching the required number of classes.
   - For teachers who are fully trained and are teaching in such programs, they will not be required to make a five (5) or three (3) year commitment.

- For teachers who have not completed the training by the beginning of the 2017-2018 school year, they will be required to make a five (5) or three (3) year commitment or can request a transfer or reassignment pursuant to the provisions of Article Twenty-Five of this Agreement.

7. For the Montessori Programs, a teacher who is transferred between elementary/secondary programs may request release from their commitment referenced in paragraph 2 above and may request a transfer or reassignment pursuant to the provisions of Article Twenty-Five of this Agreement.

ARTICLE FIVE
CONDITIONS OF EMPLOYMENT

A. **Teacher's Primary Responsibility:** The District and the BTU acknowledge that a teacher's primary responsibility is to teach and that all energies should be utilized to this end. Therefore, the District agrees that every effort shall be made to relieve employees of all non-professional supervisory and clerical responsibilities such as, but not limited to, playground and other school ground supervision (excluding recess supervision for elementary level students), lunchroom supervision, hallway and restroom supervision, study hall and detention supervision, bus loading and unloading supervision, money collection or transmittal, and various and similar non-professional responsibilities. Such duties shall be assigned to non-bargaining unit employees. Recess in elementary schools shall not be used to replace regularly scheduled physical education programs.

B. **Materials/Storage:** The District shall provide each employee with materials required in the daily teaching responsibility, chalkboard/whiteboard space and a hard copy, if available, of the teacher's edition for all texts used. Lockable storage space shall be provided within budgetary limitations; however, the administration will pursue the use of lockable classroom space, teacher preparation/planning areas, and suitable alternatives as agreed upon by the employee in writing.

C. **Teaching Stations:** The District further agrees to provide adequate teaching stations for all special service and special subject teachers, including, but not limited to, speech language pathologists, art teachers, music teachers, homebound teachers, reading teachers and counselors. Private office space will be provided to school psychologists and school social workers within the limits of available space.

D. **Duty-Free Lunch:** All employees shall be entitled to a duty-free, uninterrupted lunch period of at least thirty (30) consecutive minutes. Employees shall not be required to deliver or pick up their students during this time.

E. **Length of Workday:** The employees' workday shall be seven and one-half (7 1/2) consecutive hours, including the lunch period. The normal teaching load for assigned classes shall not exceed a daily average of 300 minutes. Those teachers who teach 360 minutes shall have a workday of no longer than eight and one-half (8 1/2) hours. If a four (4) day work week is implemented, this schedule may be compressed into that period. Said compression shall not result in the reduction of salary or benefits.

F. **Employee Facilities:** The District shall designate adequate facilities for employees' lounges, restrooms, preparation/planning in each current and new permanent school. To the extent possible, any such facilities that are reduced to accommodate class size reduction efforts shall be restored as a priority facility expansion when class size limits have been achieved. To the extent possible, such facilities shall be secluded from students.

G. **Telephones:** Adequate private telephone facilities for the purpose of conducting school business shall be made available in each school for employee use. Employees may use school phones for personal, local calls, provided that there are no charges to the school associated with said phone calls. Long distance calls shall not be charged to school phones. A telephone extension shall be provided in the base office of each employee whose assignment requires the frequent use of the telephone, including but not limited to counselors, school social workers and school psychologists.

H. **Off-street Parking:** Off-street parking facilities shall be provided for employee use at each school.

I. **Conference Areas:** Private areas for teacher-parent and/or student conference shall be provided in each school by the appropriate administrator.

Conferences with parents are an effective tool to keep parents informed of their child's academic progress and an integral component for monitoring student conduct and performance. Teachers may contact parents in person, by phone, or by other digital meeting platform for such purpose. Teachers may unilaterally conclude such conferences where the parent chooses to use such a time to criticize or attack the teacher rather than discuss the student's progress. Under such circumstances, the teacher shall notify their administrator by the end of the subsequent workday. Such notification can be done via e-mail. Upon employee request, an administrator shall be in attendance at parent conferences when there is a reasonable expectation of inappropriate behavior toward the teacher by the parent. When possible, the administrator/designee and teacher shall meet prior to the conference to develop a strategy to maximize conference effectiveness for all parties.

J. **Relief Period:** Each elementary employee, including special subject teachers, shall have at least a ten (10) minute relief period in both the morning and afternoon each day in a manner to be determined by the employees and immediate supervisor in each school/center. One of the relief periods (i.e., during specials class) shall occur during the student instructional day. An employee with an assignment other than a regular classroom assignment shall not be removed from that assignment to

supervise the students of another employee for such relief periods unless such relief periods cannot otherwise be provided, in which case not more than one such assignment per day shall be given.

Each middle and high employee who needs a restroom relief period during instructional time shall have no more than a ten (10) minute relief period. The employee shall not leave their students unsupervised.

K. **Faculty Meetings:** Principals shall have the authority to schedule necessary faculty meetings; however, such meetings shall be as brief and well planned as possible. Such meetings shall be used for purposes that cannot be accomplished effectively through other means. Faculty meetings shall be scheduled in a manner that impacts teacher planning time to the least degree possible. If more than one (1) faculty meeting is held in a month, the purpose of the meeting shall be announced to the faculty in advance.

L. **Teacher Planning Days**:

1. **Planning Days:** The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.

2. The Superintendent shall designate two (2) of the five (5) preplanning days with the intent of not scheduling any activities except teacher planning. ~~If the need arises, the affected principal may schedule a staff meeting not to exceed one (1) hour in duration on each of these days.~~

3. Schools have flexibility on how to utilize up to their allocation of twenty-four (24) hours per year of the total time available for professional development, exclusive of time allocated for teacher planning and preparation. Professional development activities shall be scheduled on planning days, <u>up to a maximum of three (3) hours per planning day,</u> and two additional early release days exclusive of the four (4) early release days specified in Section ~~V~~ <u>U</u> below.

4. Professional development activities shall be defined as those activities focused on improving student achievement and include, but are not limited to, collegial conversation, curriculum discussions, teacher training, collaborative planning, department meetings focusing of student achievement, analysis of data for student improvement, etc.

5. A joint school committee comprised of an equal number of School Advisory Committee (SAC) members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation.

6. After gathering input from the faculty, the teams shall develop customized activities for the staff development time allotted to the early release days (as stated above) and the ten (10) planning days. If the team is unable to agree upon the activities for the days, the Superintendent and the BTU President shall appoint an equal number of persons to serve on an intervention team to mediate the situation and assist the school in developing appropriate activities. A final appeal may be presented to the Superintendent and BTU President for disposition. A copy of the activities and time allotment shall be provided to the BTU and Employee & Labor Relations.

7. If, after establishing the activities for the early release days and the planning days, the School Professional Development Team determines that additional professional development time is needed to achieve the goals of the School Improvement Plan (SIP), then the school shall initiate a waiver vote for the additional use of up to a maximum of eight (8) additional hours or teacher planning time for professional development purposes. This waiver vote shall follow the waiver vote process contained in Article Fifteen, but shall not be considered a schedule change vote. The waiver and vote results along with the plan for the use of such additional time shall be forwarded to the BTU and Employee & Labor Relations.

8. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/grade level to plan and implement such activities.

M. **Use of Planning Days:** Each school's SAC, working with teachers appointed by the school's Faculty Council, shall develop a plan on the use of planning days based upon the District Strategic Plan and their SIP objectives. For purposes of this project, the Faculty Council at each school shall appoint the following number of teachers to work with the SAC teams:

1.	Elementary Schools, Exceptional & Alternative Education Centers	=	3 teachers
2.	Middle Schools	=	4 teachers
3.	High Schools and Technical Colleges	=	6 teachers

Prior to development of the plan, faculty teams/ departments/grade levels will be given an opportunity to make recommendations on the use of planning days. The SAC and Faculty Council shall consider faculty recommendations, present the faculty with preliminary plans, and provide them an opportunity to react to the plans prior to their inclusion in the SIP.

N. **Access to Buildings:** When school is not in session, employees may have access to the building to voluntarily perform job related duties by arranging such access with the principal. Every reasonable effort will be made to provide access time convenient to the employee.

O. **Interruptions to Teaching:** Unauthorized personnel shall not be allowed to interrupt or otherwise disturb an employee during the performance of his/her professional responsibilities. Observations of an employee's class by persons other than school system personnel shall be allowed only after consent has been granted by the principal or his/her designee, notification to the employee, and proper security clearance has been granted. The visitation shall be scheduled no sooner than two (2) workdays after notification, except in extenuating circumstances as determined by the affected principal. Such observations shall be no longer than one (1) hour in length. Upon request, a building administrator shall be present in the employee's classroom during the entire observation period.

Observations for evaluation purposes shall be governed by the provisions of Article Eighteen of this Agreement. Observations for other purposes shall occur only after the employee has been notified in advance by the principal.

Employees should be able to perform their professional responsibilities free from unnecessary interruptions or disturbances. To the extent possible, maintenance, custodial and construction work will be done at a time or in a manner which will not result in interruptions or disturbances of the employee's professional responsibilities. The same shall apply to the use of intercommunication systems.

P. **Vending Machines:** Profits from vending machines in employee workrooms, lunchrooms or lounges shall be expended for legally permissible purposes as determined by the employees in the school and

the principal at the worksite through the Faculty Council. Vending machines dispensing lunch items are not included in this provision.

If requested, teachers shall be informed of monies collected and/or profits that have been spent from vending machines in employee workrooms, lunchrooms, or lounges. The principal shall have one (1) vote, as does each Faculty Council member.

Q. **Equipment:** The District shall provide cleaning or laundering and maintaining of school-owned physical education and athletic uniforms, uniforms for musical groups, towels, equipment, etc. The District further agrees to replace stolen, lost, irreparably damaged, or worn-out musical instruments, at least as included on the "basic equipment list" in effect during the applicable school year, to the degree the affected school's finances permit.

R. **Behavioral Objectives:** The writing of behavioral objectives may be required to determine the broad goals and objectives of employees for their students' expected success; however, the writing of behavioral objectives as a part of their daily lesson plans will not be required.

S. **Lessons Plans:** Teachers who have less than three (3) years' experience in the District may be required to submit their lesson plans to the principal on a regular basis with two (2) workdays' notice of commencement of a submission schedule.

In recognition of the professionalism of Broward teachers, employees who have more than three (3) years' experience in the District shall not be required to regularly submit lesson plans, however, any time the principal does request lesson plans, the teacher shall submit the plans with two (2) workdays' notice.

All lesson plans may be submitted in hard or electronic form.

Regardless of the years of experience, any teacher who is identified for or engaged in a written plan for improvement may be required to present his/her lesson plan to the principal on a regular basis. When requested by the principal, the teacher shall submit the plans.

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be unreasonably complex. Documentation of the incorporation of Sunshine State Standards and teaching strategies required by law, Board policy or regulation are part of daily lesson plans.

Daily lesson plans will not require the verbatim duplication of information clearly available by reference elsewhere (does not include computer disks).

T. **Registration:** Schools shall schedule registration periods into the shortest time period possible to assure minimum interference in employee planning and preparation time.

U. **Early Release Time:**

1. The District shall provide that students at each school shall be dismissed two (2) hours early on six (6) days during the school year. Any school may opt-out of providing early release time by a 66 2/3 percent vote of bargaining unit members through the waiver methodology described in Article Fifteen, Section G, 2-4.

2. Four (4) of these days shall be scheduled the day prior to the employee planning day at the conclusion of each grading period. These early release days shall be used by employees for end of quarter activities including, but not limited to, grading of exams, grade preparation, or other appropriate activities as determined by the employee. The District shall schedule the remaining early release days after consulting with the BTU.

3. The two (2) remaining early release days shall be used in a manner consistent with the procedures below. On these two (2) days, principals may use up to one (1) hour of the two (2) hours of release time to conduct staff meetings or activities that are directly related to school improvement.

4. At all work locations, each department/grade level with the principal's approval shall adopt an objective based on student data and aligned with the SIP and the District Strategic Plan on which to focus its efforts during the school year. Each department/grade level shall then adopt early release day activities that address its established objective. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/grade level to plan and implement such activities.

V. **New Teacher Orientation Program**

1. The parties agree that on an annual basis, newly hired District teachers shall attend a BTU-District Orientation Program. Therefore, they shall work 197 days during their first year of employment and their salary shall be based on 196 days. The parties will co-sponsor this event. Events shall not be scheduled at

schools or other locations for newly hired employees at the time this orientation program is in session.

2. The parties agree that two (2) orientation sessions will be conducted. New teachers must attend one (1) of the two (2) days. Notification of required attendance at the orientation and the tentative date(s) of the orientation shall be presented to the new teacher upon being hired. New teachers shall be notified of the scheduled date of the orientation as soon as it is established by the parties.

   a. All new teachers employed as of the first day of the 196-day teacher calendar shall attend the first orientation day which will be conducted prior to the beginning of said work calendar. Exceptions to this requirement may be made by the Superintendent.

   b. New teachers hired after the first day of said teacher calendar shall attend the second orientation day which shall be conducted on a Saturday or weeknight shortly after the completion of FTE count week. Said date will be mutually agreed to by the parties.

3. **Program Design**: The President of the BTU and the Superintendent shall each appoint two (2) persons to a Committee to design the program. Program design shall allow for BTU and District participation in an equitable manner. Upon completing its' work, the Committee shall make recommendations to both the President of the BTU and the Superintendent for final action.

4. **Cost:** The District and the BTU agree to equally share the costs of this program. The District and the BTU shall each pay for their invited guests other than teachers and for any special equipment required for their activities.

W. **Employee Input:** As provided by statutes, within thirty (30) days after the start of each school year, employees shall be notified in writing of their right to provide input into their administrator's annual performance assessments.

X. Stewards' planning periods shall be scheduled at the end of the student day, where feasible.

ARTICLE SIX
GENERAL EMPLOYMENT PRACTICES

A. **Physical Examinations:** All employees, upon initial employment, may be required to present evidence of physical ability to perform duties assigned and of being free from communicable diseases. Such evidence, if required, shall be obtained from a licensed physician of the employee's choice. The cost of such examination shall rest with the employee. The District may require a subsequent physical or psychological examination by a physician, or clinical psychologist or psychiatrist, respectively, licensed in Florida, when in its judgment such an examination is relevant to teaching performance or employment status.

1. The affected employee's immediate supervisor shall submit a request for the examination to the applicable employee and/or department as determined by the Superintendent. If the affected employee requests, he/she shall be provided a copy of the note written by the supervisor which indicates the apparent difficulties the employee is encountering.

2. The employee has the right to attach a rebuttal statement and to have a pre-examination meeting with the Superintendent's designee to discuss the perceived problems. However, the employee must submit this request in writing to the applicable employee and/or department as determined by the Superintendent within five (5) calendar days of written notification that an examination will be or has been scheduled.

3. The employee may be represented by a person of their choice. This meeting shall not in any way infringe on the Superintendent's right to require an employee to take an examination called for in this section.

4. The appointment of the physicians and/or clinical psychologists or psychiatrists to the list shall be made by the local or county respective professional association and the District shall pay costs incurred for the examination. Under unusual circumstances as determined by the Superintendent, an additional examination can be scheduled.

5. If a determination is made that no examination is necessary, the parties agree to petition the Department of Library & Information Services for permission to destroy all documents related to the incident.

B. **Substitute Notification**: Any employee shall not be required to obtain a substitute for himself/herself or for other absent employees. The employee shall have the option of recommending a sub. The recommendation shall be submitted with as much advance notification as possible.

If an employee is not given a substitute job number after contacting the sub locator system, the employee shall notify the designated school-site administrator of the employee's intended absence prior to the start of the employee's regular workday.

Where an employee has secured both a substitute and an authorized temporary duty assignment (TDA), revocation of the TDA shall occur only as a last resort. Should revocation occur, the employee shall have the option of retaking the specific session missed the next available time the course is offered. The required TDA to attend the makeup session may not be revoked. If the workshop/training is offered only once, the TDA will not be revoked.

C. **Substitutes:** Substitute employees shall be employed for all absent employees, except studio teachers, school counselors, guidance directors, psychologists, school social workers, speech language pathologists, (excluding SLPs who service AM/PM PreK Programs) ESE specialists, media specialists, and when the employee and principal agree that employment of a substitute would be inappropriate for certain exceptional children. When it is known that an employee in one (1) of the exceptions listed above will be absent for an extended period of at least twenty (20) consecutive workdays, or the position is vacant a substitute shall be employed for such absent employee provided that a properly certified/licensed substitute is available. If a substitute is unavailable for one (1) of the exceptions listed above and the employee will be absent for less than twenty (20) consecutive days, a properly certified/licensed employee in the same job classification who increases their workload/caseload by at least 45 minutes in one workday, by covering for the absent employee or a vacant position, shall have their daily rate increased by fifty-five dollars ($55) on those days during the period of time they assume the duties of, or perform any assignment of the absent employee or vacant position. If the employee continues to increase their workload/caseload for an absent employee/vacant position for 20 days or longer, the employee shall have their daily rate increased by fifty-five dollars ($55). Substitutes may be employed during pre-school or post-school conference periods or on teacher workdays when students are not in session when the principal determines that the situation warrants it. Substitute teachers shall be expected to perform all duties normally performed by the regular employees.

The administrator shall establish a list of volunteers and implement an equitable rotation schedule for coverage among those who volunteer. Where said lists have not been established, employees shall not be subject to disciplinary action for refusal to cover assignments/caseloads for the absent employee.

D. **Covering Classes:** Employees shall not be required to substitute for absent employees. Where substitutes cannot be obtained for an absent employee, temporary coverage will be worked out mutually by the principal and the affected employee. The principal shall establish a list of volunteers and shall rotate requests for coverage among those who volunteer. Where said lists have not been established, teachers shall not be subject to disciplinary action for refusal to cover classes. Employees who volunteer to increase their normal workload by covering the class of an absent employee when no substitute is available shall have their hourly rate increase by fifty-five ($55) dollars during the period spent covering a class (rounded to the nearest half hour). Employees who volunteer to increase their normal workload by accepting a portion of the students assigned to an absent employee in order to cover a class when no substitute is available shall have their daily rate increased by fifty-five-($55) dollars on those days when they accept a portion of the students assigned to an absent employee. Classes will be proportioned as equally as possible. In elementary schools where sufficient volunteers are available, classes shall be divided equally among at least four (4) employees. When volunteers substitute by covering other classes, they are responsible to provide adequate planning for their own classes for the following school day.

Employees who are in active status as of the date of Board approval will receive their hourly/daily rate increase from twenty-five ($25) to fifty-five ($55) dollars retroactive to January 9, 2023.

E. **Full-Time Employees:** Substitute teachers, teacher aides, teacher assistants, or education support professionals shall not be employed in or assigned to a teaching position to avoid the employment of a full-time teacher when such a full-time position exists as defined in Article Twenty-Five, Section B, or for other purposes intended to circumvent any provision of this Agreement.

F. **Summer School Employment:**

1. Each summer school center shall advertise all anticipated bargaining unit vacancies no later than sixty (60) days prior to the beginning date for such positions. The notice shall state the title of the position; where to apply for the position; deadline for submitting

application; certification required; beginning and ending date of employment; the school where the application is to be sent; and the person with whom applications are to be submitted. Each applicant must apply for at least two (2) summer school locations.

2. All applicants shall be informed of the status of their applications no later than twenty (20) days prior to the beginning date of employment.

3. **Summer School Qualifications:** Assignments to such positions in each summer school center shall be made according to the following ranked criteria:

   (a) Proper certification is held by the employee.

   (b) Employee has taught one (1) school year in the subject applied for within the past three (3) years.

   (c) Applicant is a continuing employee of the District.

   (d) Should the employee receive less than a satisfactory overall end of the year performance evaluation ranking, that employee shall not be eligible for summer employment.

   (e) Twenty percent (20%) of the positions that remain after the superseniority procedures of paragraph 4 below are applied shall be selected based on seniority in the District.

   (f) Section (e) above notwithstanding, assignments to summer school positions may be made in exceptional student centers, Alternative Education Centers and of school counselors, instrumental music teachers, agriculture/horticulture teachers and media specialists, in which cases seniority within the center or classification shall apply.

4. **Steward Superseniority:** One (1) union steward from each site as determined by the BTU shall be given superseniority. Effective the summer of 2018, assignment of union stewards to summer school positions shall be made pursuant to the provisions of Section F(3) above and will be thirty percent (30%) of the total number of budgeted summer school positions.

   Not later than March 1st of each school year, the BTU shall provide the Superintendent with a list of the one (1) steward at each school that this section as well as Article Twenty-Five, Section D, 5 applies to. If the steward at a school leaves this position for any reason, the

BTU shall immediately notify the Superintendent and provide a replacement name.

G. **Supervisory Duties:** An employee shall not be required to perform managerial/supervisory duties as an assistant to or a substitute for a principal or other supervisor. However, elementary principals may designate an employee, upon mutual agreement, as teacher-in-charge to act in emergencies when the principal is absent.

H. **Supervision of Employees:** All employees such as, but not limited to, psychologists, school social workers, and speech language pathologists, whose assignments involve working in or with more than one (1) school shall be under the supervision and direction of and responsible to the appropriate District office administrator or his/her designee.

I. **Job Descriptions** shall be established by the Board for all bargaining unit positions, including supplementary pay positions. A copy of the job description shall be provided to the employee upon request.

Employees assigned to bargaining unit positions where the job description, Board policy, and/or contract requires:

1. a longer calendar,
2. additional compensation,
3. an accompanying supplement, or
4. additional and/or broader job responsibilities,

shall be reassigned out of such positions only by mutual agreement between the supervising administrator and the affected employee, for just cause, or except when such reassignment is necessary for the operational needs of the District.

J. **Equal Opportunity:** The Board and the BTU are committed to assuring equal educational opportunity for all students, to recognizing the rights and dignity of all persons, and to implementing policies which provide equal opportunity and assure nondiscrimination in employment for minorities, women, and any individual covered by a protected status. The District recognizes that minorities, women, and individuals covered by a protected status deserve equal opportunity for employment or promotion and that it has an affirmative responsibility to advance these opportunities.

K. **Bullying/Harassment:** District employees should not be subjected to harassment, abusive language, upbraiding, insults or interference by a parent or other person in the performance of the employee's duties. A principal or assistant principal shall not be considered in violation of this

section when providing input during a performance evaluation meeting with a teacher. Bullying/Harassment shall be defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile or offensive educational environment, cause discomfort or humiliation, or unreasonably interfere with the individual's school performance or participation.

School administrators should not express unnecessary complaints or criticisms concerning an employee in the presence of other employees, students, or parents. Employee complaints under this paragraph K shall not be subject to the provisions of Article Thirty-Four, but shall first be directed to the Chief School Performance & Accountability Officer. If the employee is not satisfied with the disposition of the complaint, the complaint shall be submitted to the Chief of Staff. If the employee is not satisfied with the Chief of Staff's decision, the complaint may be advanced to arbitration for the final and binding decision.

L. **Back to School Night:** All bargaining unit members may be required annually to attend one (1) back-to-school night. With sufficient reasons, an employee may be released from attendance of this activity with prior approval of the principal. Such employee shall participate in a similar type activity within the school year as mutually agreed upon by the employee and the principal.

High schools on a 4x4 block schedule may plan a second back-to-school night. Employees who volunteer to attend shall be compensated for three (3) hours at their hourly rate.

Should the employee and principal fail to reach agreement by January 31st, the matter shall proceed to the Chief School Performance & Accountability Officer for final determination. The Chief School Performance & Accountability Officer's decision is exempt from all provisions of Article Thirty-Four.

M. **Secretarial Services and Clerical Support**: Secretarial services shall be available to elementary School Counselors, ESE Specialists and Media Specialists to perform routine clerical duties (i.e., typing and filing) during periods where workloads are high and to the extent possible as determined by the principal. When media specialists are assigned classes to instruct, their non-instructional workload shall be modified to accommodate these additional instructional responsibilities.

N. **Trade Organization Membership**: The vocational career and technical department chairperson shall offer input with his/her principal on

school/individual membership to the employee's trade organization in each vocational career and technical area. The principal shall make the final decision and the school shall assume all costs for membership fees.

O. **Electronic Grade Books**: The electronic grade book will be used in lieu of the traditional paper grade book when functionally possible at the work location.

The Teacher of Record will input a minimum of three (3) grades by the Interim Period. By the end of each quarter, the grade book will reflect a minimum of nine (9) grades. Recording grades in the areas of related arts and advanced placement subjects will vary.

Standard operating procedures should be followed for incomplete make-up work.

P. **Sign Out Sheets:** In recognition of their professionalism, employees shall not be required to sign out of their worksite unless leaving the location during work hours.

ARTICLE SEVEN
HEALTH AND SAFETY

A. **Unsafe/Hazardous Conditions:**

1. **Potentially Unsafe/Unhealthy Conditions**: There shall be compliance with all applicable local, state and federal laws relating to health and safety of personnel. Whenever an unsafe or unhealthy condition exists, the employee aware of the condition, shall report to the principal who shall attempt to correct the problem. If the principal cannot correct the problem within ten (10) workdays of the date he/she is made aware of said problem, he/she shall notify the Chief School Performance & Accountability Officer for the purpose of taking appropriate action to investigate and resolve the matter. This deadline may be extended by mutual agreement between the affected principal and building steward. Each site's Faculty Council, or subcommittee thereof, may review health/safety/air quality issues and make recommendations addressing such issues to the site principal/administrator. If a majority of the Faculty Council at a site is not satisfied with the administrator's response and the response of the School Performance & Accountability Office, they may request that the Labor Management Committee review the matters. The District shall provide the BTU with reports of unsafe or unhealthy conditions generated periodically or as a result of a complaint. The school locations will provide the BTU with monthly reports identifying work performed to correct deficiencies.

2. **Immediately Hazardous, Dangerous, or Infectious Conditions:** Employees are expected to use appropriate judgment in evaluating immediately hazardous or dangerous conditions and notifying the appropriate administrator when they believe an area should not be occupied by students or employees. Administrators shall immediately respond to the employee's concerns regarding hazardous, dangerous, or infectious conditions. In order to ensure the safety of employees and students, the District shall follow the Center for Disease Control protocols when responding to infectious diseases. When receiving a complaint regarding potentially hazardous, dangerous, or infectious situations, the administrator shall notify the School Performance & Accountability office. For the purpose of taking appropriate action to resolve the aforementioned types of situations, the administrator/designee shall contact the appropriate District department (i.e. Risk Management, Safety or Physical Plant Operations, etc.) or local emergency response providers (i.e. local police and fire departments). The administrator

shall inform the notifying employee of the recommendation received and the action taken.

B. **Safety Equipment:** The District shall provide safety glasses, lab coats and/or shop aprons for all employees assigned to subject areas where the employee is subjected to more-than-to-be-expected grease, dirt, chemicals, art materials and similar agents.

Affected employees may, through their department head, make input to their principal on the type and quality of clothing mentioned above. The principal shall make the final decision on the purchase of clothing.

C. **School Facilities:** The District agrees to maintain classrooms, other learning areas, and school facilities in a clean and working condition conducive to effective teaching and learning.

D. **Bomb Threats:** In the event of a bomb threat, the worksite shall be evacuated until persons with appropriate expertise deem it to be safe. Employees shall not return to schools or other employment centers which have been evacuated due to bomb threats until clearance for such return has been given by proper authorities. Employees shall not search for bombs.

E. **Examining Students:** Employees shall not be required to examine students physically for the presence of any contagious diseases. Employees are encouraged to notify the administration immediately if they suspect a student of having a communicable or contagious disease.

F. **Air Quality And Health/Safety Committee:** The BTU shall appoint two (2) people to serve on the District's Air Quality Committee. These representatives may bring recommendations and notifications of issues involving Indoor Air Quality to the attention of the Facilities Task Force Committee for appropriate redress. Each site's Faculty Council, or subcommittee thereof, may review health/safety/air quality issues and make recommendations addressing such issues to the site principal/ administrator. If a majority of the Faculty Council at a site is not satisfied with the principal's/administrator's response and the response of the School Performance & Accountability Office as provided in Section A above, they may request that the Labor Management Committee review the matters.

The Labor Management Committee may recommend new/modified contract language and/or Board policy addressing concerns related to health/safety issues affecting bargaining unit members.

G. **Health/Safety Component**: Each school's SAC shall develop a health and safety component to be included in its SIP.

H. **Labor/Management Meeting:** Any other concerns, not specifically covered herein regarding health and/or safety factors shall be addressed through the county-level Labor Management Committee meetings, Article Thirty, Section G.

I. **Medical Procedures:** The District shall comply with all provisions of Florida Statutes, Section 1006.062, Medical Procedures. Except in case of emergency, bargaining unit members shall not be assigned responsibility for administering medical procedures or dispensing medication to students.

J. **Tools for Schools Program:** The District shall implement the Tools for Schools Program and comply with all components of the program in at least twenty (20) additional schools each year until all schools have implemented and complied with said components of the program. Both parties agree to educate employees, BTU stewards and school administrators on the methodologies and the need to fully participate in completing surveys in order for the program to succeed. BTU will release a steward at each of the selected schools to participate in training.

ARTICLE EIGHT
CURRICULUM AND INSTRUCTION

A. **Reference Materials:** The District agrees to continue to make available to employees the reference materials maintained by the District. Principals are encouraged to provide additional reference materials of high use in schools where feasible.

B. **Materials:** The District agrees to provide the following materials to the degree finances permit: educational computer software, appropriate texts, library reference facilities, maps, globes, laboratory equipment, current periodicals, standard tests and questionnaires. Adequate and appropriate testing materials, including one (1) complete test kit and an adequate supply of test forms for each test recommended by the current District procedures for identifying exceptional students, shall be provided for each psychologist. The administration and employees shall seek and use the textbooks and supplementary materials which reflect the role and the contribution of minority groups to the history and the scientific and social development of the United States and which do not reflect stereotyping of sex roles or otherwise reflect adversely upon persons because of their sex.

Special subject teachers, who are asked to work with students before or after school, shall be provided with reasonable funds when requested by the teacher and approved by the administration for such programs. Except in case of emergency, expenditures in excess of the amounts approved by the principal shall not be reimbursed. An emergency shall be determined by the principal and such determination shall be made in a reasonable manner.

Itinerant teachers who provide hospital/homebound instruction will be provided a wireless internet card or other technology to ensure internet access for use in their duties.

C. **Typing/Copying Equipment:** The District agrees to make available and accessible in each school: typing equipment, copying facilities, and computer equipment with internet access to aid employees in the preparation of instructional materials. Unreasonable restrictions shall not be placed on employees' use of equipment.

D. **Media Center:** The District will make every effort to continue to provide a media center staffed by a media specialist in each school to supplement and complement the required curriculum.

E. **Submission Of Grades:** All instructional employees shall not be required to submit grade reports until two (2) hours after the beginning of the

planning day following the end of the grading period except for elementary schools, where end of year grades shall be submitted two (2) days prior to the last student attendance day. Career and technical center employees shall submit student grades within three (3) working days prior to the end of any grading period. No employees shall collect postage or money for postage nor to otherwise prepare student report cards for mailing to students.

F. **Psychologists Information:** Psychologists shall have the right to refuse data or requests, which they consider to be invalid to the diagnostic process based on District and State requirements.

G. **Changing Grades:** The employee shall maintain the right and responsibility to determine grades and other evaluations of students within the policies of the District and affected State Statutes. Any request to change a grade shall be made in writing to the employee and shall result in a conference with the employee, the principal, the Chief School Performance & Accountability Officer and a BTU representative.

ARTICLE NINE
DEPARTMENT CHAIRPERSONS, CURRICULUM COUNCILS AND PROFESSIONAL DEVELOPMENT COUNCIL

A. Selection of Department Chairpersons, Grade Level Chairpersons, and Team Leaders

1. **Selection Process:** The bargaining unit members in each school and center shall meet not later than May 1st of each school year to recommend the name of a qualified unit member who wish to serve as department/grade chairperson or team leader. Bargaining unit members may recommend the name of a non-qualified unit member if the members of the team/department/grade level who meet all supplementary job qualifications decline the position or if no team/department/grade level members meet the minimum job qualifications. The principal shall consider this input and will then submit his/her recommendation to the Superintendent. The Board shall act on the Superintendent's recommendation no later than the last workday in August. The person selected shall be paid in accordance with the salary schedule for said position. (See Appendix F)

2. **Filling A Vacancy During The School Year:** If a vacancy occurs during the school term in a position described above or in case of a newly-created position, such vacancy shall be filled pursuant to the procedure described in Section A.1. above. The input from the bargaining unit members shall be obtained within five (5) workdays of the occurrence of the vacancy and the principal shall submit his/her recommendation to the Superintendent. The Superintendent shall submit his/her recommendation within five (5) workdays of receipt of the recommendation submitted by the principal.* The Board shall act upon the Superintendent's recommendation at the first Board meeting following receipt and approval by the Talent Acquisition & Operations (Instructional) Department of the qualifications of the applicants.

3. **Appeal Meeting With Principal:** Should employees of the team/department/grade level disagree with the principal's recommendation for the position, a meeting shall be arranged with the principal to discuss the specific reasons for his/her selection. If the principal is unable to resolve the complaint, the employee may present the complaint to the Chief School Performance & Accountability Officer for review.

   If the Chief School Performance & Accountability Officer is unable to resolve the complaint, the Superintendent of Schools and the

President of the BTU will meet periodically to jointly resolve the unresolved complaints. The resolution at this level is final and binding and shall not be further challenged under Article Thirty-Four of this Agreement.
***See Article Nineteen, Section F.2**

4. **Chairperson/Team Leader Duties:** The responsibility of the department or grade level chairperson or team leader shall be as prescribed in the Board-adopted job descriptions which may include but not be limited to:

   (a) serving on curriculum councils as set forth in these procedures,

   (b) implementing programs and curriculum adopted by the Board,

   (c) assisting and advising principals in all of the itemized performance responsibilities which are designed to maintain and improve employee performance, and where applicable,

   (d) serving on the Professional Development Council as outlined in the procedures of this Article when duly appointed by the Board,

   (e) Participate with principals and assistant principals in performance assessment conferences for the purpose of assisting unit members in understanding their strengths and possible areas for improvement. Provide coaching opportunities and assist with curriculum development for teachers assigned to their departments/teams.

   (f) serve on professional development teams for teachers who need professional performance assistance.

   (g) monitor the implementation of school improvement plans.

B. **Release Time:** Department/grade level chairpersons and team leaders will be provided release time to carry out duties contained in their supplemental job descriptions and responsibilities listed in number four (4) above. Elementary schools will provide one (1) day of release time per month (10 months) for up to seven (7) team leaders. Middle, high, exceptional centers, adult, technical centers and community schools will provide one (1) day of release time per month (10 months) for up to eight (8) department/grade level chairpersons.

ESE support facilitators, autism coaches, and ESE teachers who have an entire class comprised of ESE students shall be provided at least two (2) days of release time. The ESE teachers at each work location shall schedule said days and use this time for the purpose of attending IEP meetings, writing IEP's, completing individualized planning and other appropriate curricular activities for their students. The principal shall approve the scheduling of these days.

ARTICLE TEN
EMPLOYEE PREPARATION, CONFERENCE AND PLANNING

A. For the purpose of this Article, planning shall mean time spent by the teacher to grade papers, develop lesson plans, collaborate with colleagues, and other activities that are of educational benefit to his/her students.

B. **Elementary Preparation/Conference Time:** Elementary school employees shall have a preparation/conference/planning time totaling not less than sixty (60) minutes per day, excluding relief periods. A maximum of one hundred twenty (120) minutes per calendar month shall be available for use at the principal's discretion. This time can be used only one (1) time per week and will be used in three (3) increments -- two (2) increments of up to forty-five (45) minutes and one (1) increment of up to thirty (30) minutes. Additionally, elementary employees will use the time during which all their students are in special classes such as art, music, or physical education as a preparation/conference/planning period and/or relief period.

C. **Secondary:** High school and middle school Employees shall be given one (1) uninterrupted preparation/conference period per day of the same length as the regular class period. Subject to the total school schedule, a maximum of thirty (30) minutes per week at the high school level and a maximum of thirty (30) minutes per week at the middle school level shall be available for use at the principal's discretion. Every effort shall be made to provide no more than three (3) different course preparations per day.

D. **Block Schedule:** Middle school and high school employees on a block schedule shall have a preparation/conference time totaling not less than ninety (90) minutes per day, excluding relief periods. A maximum of thirty (30) minutes per week shall be available for use at the principal's discretion.

E. **Optimal Time Usage:** Schedules in elementary and secondary schools shall be arranged to provide teachers with preparation/ conference time in the largest units of uninterrupted time possible. If uninterrupted preparation/conference time of the duration required by Sections B through D above are not possible, teachers shall be allowed with the agreement of the principal to flex their starting and/or ending times to provide a preparation/conference time in the greatest amount of uninterrupted time possible.

F. **Change of Teaching Stations:** Regular classroom employees in middle and high schools shall not be required to change subject area teaching stations more than two (2) times during the school day to the extent possible.

G. **Special Subject Teachers:** Teachers of art, music, physical education, laboratory sciences, media specialists, speech language pathologists, reading consultants, school psychologists, school social workers, school counselors, all special education employees, career and technical college teachers and occupational specialists shall be provided preparation time to the same extent as other employees in the District and the time shall be used for that purpose. Elementary schools shall make every effort to provide special subject teachers with a fair and equitable work schedule. Schools shall not regularly assign school counselors to teach classes unless at least one (1) full-time counselor without teaching responsibilities is available to maintain the counseling program. Every effort shall be made to assign each special subject teacher to his/her own classroom when assigned to instruct students on a regular schedule. When such assignment is not possible, a reasonable period of time shall be allowed for a teacher to move between classes.

H. **Alternative Teaching Assignments:** Should the District choose to implement multi-grade, combination classes and/or team teaching models, it shall:

1. First solicit volunteers to teach such classes through written notification at each affected worksite. Employees desiring to teach such classes shall file a written statement with his/her school principal of such desire. Voluntary requests shall receive first consideration.

2. Involuntary assignments shall be made at the discretion of the principal provided the authority is exercised in a professional and fair manner, not arbitrary or capricious. The principal shall advise the employee through a personal interview and in writing that the assignment is being recommended and the reasons therefore.

ARTICLE ELEVEN
STUDENT DISCIPLINE

A. Student discipline is based on the requirement that all students must adhere to a code of behavior and to conform with all school rules and regulations.

B. **District Discipline Committee:** The Student Conduct and Discipline Code adopted by the Board shall be reviewed once during the term of this contract by a committee appointed by the Superintendent. However, by mutual agreement between the parties, the Code can be reviewed and amended at any time. The Committee shall be comprised of the following individual/groups:

1. Employees, including four (4) elementary, four (4) middle, four (4) high, one (1) exceptional child, two (2) career and technical, one (1) from a high school and one (1) from a technical center), one (1) guidance, one (1) psychologist, and one (1) social worker. Nine (9) of these employees shall be as recommended by the BTU.

2. Four (4) parents or guardians, one (1) from each area of the District, selected by parents and guardians in a manner to be determined by the Superintendent.

3. One (1) elementary, one (1) middle and one (1) high school, and one (1) center principal to be selected by their respective associations.

4. Three (3) students selected by students in a manner to be determined by the Superintendent.

5. The Superintendent or his/her designee and two (2) other designees of the Superintendent.

6. The Chairperson shall be elected by and from the Committee members. The Committee's request for any necessary assistance and other resources needed to complete its function, may be submitted to the Superintendent. Such annual review of the Code shall be completed by May 1st of each year and any revisions of the Code recommended by the Committee shall be acted upon by the Board by July 1st of each year. Upon adoption, copies of the Code shall be distributed to all employees and students.

7. The District shall update the Student Conduct & Discipline Code to reflect full compliance with Florida Statutes, Section 1006.09, (1) (C) which addresses students found to have intentionally made false

accusations that jeopardize the professional reputation, employment or professional certification of a teacher.

C. **Support and Assistance To Employees:** The District has the responsibility to give all reasonable support and assistance to employees with respect to the maintenance of control and discipline in the classroom and shall provide necessary services for the diagnosis and evaluation of exceptional students, including dispersal of medication, and for processing certificates of exemption from school attendance.

The principal, or in his/her absence, the person designated to be in charge of the school, shall have the responsibility for maintaining overall discipline within the school setting. Further, the principal shall delegate to the employee such responsibility for control and direction of the students as he/she considers desirable or as required by Board policy and rules. When and where such responsibility, including dispersal of medication, has been delegated, the employees shall be supported in any reasonable action they may take.

Each pupil enrolled in a school shall, during the time he/she is attending school and during the time he/she is on the school premises, be under the authority of the principal or person designated to be in charge of the school, and under the immediate control and direction of the employee or other member of the instructional staff to whom such responsibility and authority may be assigned by the principal.

D. **District Responsibility:** The District shall do everything within its legal power to protect and support the principal and employees in their disciplinary role. This shall include, but not be limited to, legal defense or reimbursement in accordance with Florida Statutes for any civil or criminal action brought against any employee arising out of and in the scope of his/her employment unless such employee acted in bad faith or with malicious purposes or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, and provided, however, that in any case where the employee pleads guilty or nolo contendere or is found guilty of such action, the employee shall reimburse the District for the cost of any legal services for which the District paid. The provisions of this section shall not apply to action of the District against an employee. Each expenditure of funds for legal defense by the District shall be acted upon at a public meeting with notice pursuant to Florida Statutes. In addition, the District shall assist the principal, employee and/or other school staff members in bringing about penalties for the disruption of school functions or assault or battery upon the instructional staff as set forth under Florida Statutes, Sections 1006.145 and 784.081.

E. **Classroom Discipline:** An employee may impose customary classroom discipline (except corporal punishment) where necessary in cases of minor infractions and may use such force as is necessary in protection from attack or to prevent injury to himself/herself or another person. The use of reasonable force necessary to isolate the disruptive student from the classroom shall not constitute corporal punishment as defined in accordance with Section C above and shall not be used as a basis for the suspension of an employee nor for holding an employee liable for such an act unless the force used is degrading or unduly severe as to its nature. The Administration shall, within five (5) days, accurately code student discipline actions in the Discipline Management System.

F. **Student Discipline Plan:**

1. Each school's School Advisory Council (SAC), working with teachers appointed by the school's Faculty Council, shall develop a comprehensive student discipline plan. The administration shall utilize the Administrative Discipline Matrix to ensure consistency of student discipline throughout the District, except when its use conflicts with a student discipline plan developed and adopted through a faculty vote following the process below. If a conflict between the Administrative Discipline Matrix and a school's discipline plan arises, the parties shall form a joint intervention team of two (2) members appointed by each party to meet with the school's discipline committee to resolve any conflict and to ensure that the plan meets the intent of the matrix.

2. The plan shall incorporate the principles of progressive discipline and provide for clear guidelines and consequences as well as encourage consistency in its school-wide application by teachers and administrators. Discipline procedures such as when and how a teacher should send a disruptive student to the administrative offices should also be addressed. The plan shall include procedures for a teacher to exclude a student from class and for the subsequent development of a behavior contract. The contract shall be developed by the committee recommending placement with input from the student's teacher and shall delineate what further disciplinary action may be recommended should the student violate the behavior contract. Said procedures shall be consistent with Florida Statutes and Board Policy. For the purpose of this project, the Faculty Council at each school shall appoint the following number of teachers to work with the SAC teams:

a. Elem. Schools, Exceptional & Alternative Educ. Ctrs.	=3 teachers
b. Middle Schools	=4 teachers
c. High Schools and Technical Centers	=6 teachers

3. The plans will be developed and submitted as a component of the School Improvement Plan (SIP) for implementation during the next school year.

4. **Faculty Vote:** Once the above-cited group finalizes the plans, the plans shall be voted on by the bargaining unit members in affected schools and must be approved by 66 2/3 percent of said members in accordance with the provision contained in Article Fifteen, Section G, 2-4 of this Agreement.

   The BTU shall receive one (1) copy of each school's discipline plan.

   If the plan is not approved, then Section 5 below of this contract shall be implemented.

5. If the faculty at a school cannot agree and approve a discipline plan, then the following provisions shall be implemented:

   a. An employee may remove a student to the principal or his/her designee when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the behavior makes the continued presence of the student in the classroom intolerable.

   b. Prior to such student being readmitted to the classroom, the principal or his/her designee to whom the student has been removed shall provide in writing to the employee a statement of the specific action taken and the consequences to the student if the incident recurs. The teacher may exclude a student from the class in compliance with Florida Statutes and Board Policy.

   c. The form shall contain a space where the teacher may recommend a consequence to the principal/ administrator for the offense. The administration shall utilize the Administrative Discipline Matrix and provide an explanation at the request of the referring teacher when the principal/designee does not follow the teacher's recommendation.

   d. The student referral form must contain a section indicating the specific action taken by the Administration and the consequences to the student if the incident recurs.

G. **District Standard Referral Form:** There shall be one (1) student referral form used throughout the District (see Appendix D). When appropriate, teachers shall use this referral form to request administrative disciplinary action. Such administrative action shall be noted on the form and the referring teacher shall be provided a copy. A school may request a waiver of the District referral form consistent with the District waiver timeline and contract language concerning student discipline. Should a school be granted the waiver of the referral form, it is not necessary to renew the waiver each year unless the school decides to make a significant revision to the referral form. The referral form included in Appendix D may be modified with the agreement of both parties to achieve the goal of paperwork reduction while maintaining the requirements contained herein.

H. **Written Statement**: When a student is referred for disciplinary action, the employee shall furnish the principal or designated representative, as promptly as teaching obligations will allow, with full particulars on the problem or incident in writing utilizing the student referral form. In cases where the student has been removed, the principal/designee shall furnish a written response on the referral form prior to returning the student to class. In cases where the student has not been removed from class, the principal/designee's response shall be provided to the employee within two (2) workdays.

I. **Student Discipline File:** Individual records will be maintained by the principal or his/her designee on student discipline and will be available to employees as an aid for determining disciplinary recommendations concerning particular students.

J. **Special Assistance:** Whenever it appears that a particular pupil requires the attention of special employees, the District will take reasonable steps to assist the employee with respect to such pupils. The District recognizes that the employee shall not be expected to assume the ongoing responsibility for psychotherapy. Additionally, the Special Investigative Unit (SIU) shall provide schools with a copy of the Student Felony Arrest Information Transmittal for students who have been arrested for a felony crime, and the schools' administrations shall provide affected employees with a copy of the form. Teachers shall keep this information confidential pursuant to the requirements of state law.

K. **Reporting Incidents:**

1. Principals or other appropriate administrators shall be responsible for immediately reporting to the Superintendent, through the SIU:

- any person who commits assault or battery upon any employee
- any person, excluding a student, who upbraids, abuses or insults any employee during employment, on school property or at a school activity
- any person who is not otherwise subject to the rules and regulations of the school who creates a disturbance on the property or grounds of any school, or who commits any act which interrupts the orderly conduct of a school or any activity thereof.

2. Reports of death, and other threats of a violent nature made against an employee, shall immediately be reported to the school administrator who shall immediately notify SIU and the affected employee. The employee shall be given the opportunity to immediately notify law enforcement officials, the union and other appropriate individuals if the employee so desires.

L. **Filing Charges:** The SIU shall make an immediate investigation. The Superintendent or his/her designee shall assist the employee in filing charges against the individual committing such act or acts if the employee chooses to file charges.

M. **Procedures To Correct Misbehavior:** School authorities will endeavor to achieve correction of student misbehavior through counseling, interviews and conferences, which when warranted, shall be extended to include the child's parents. Suspension, alternate school placement, and/or other appropriate action, as determined by Board policy, may be imposed for serious or persistent infractions of normal good behavior.

N. **Reimbursement To Employees:** The District shall reimburse an employee for the cost of reasonable and necessary medical, surgical, or hospital services incurred as the result of any injury sustained in the course of his/her employment, less any such cost paid by District insurance programs or Worker's Compensation.

O. **Field Trips:** Students may be denied the privilege of participating in field trips, social and/or extra-curricular activities if said student(s) have been disruptive, violate the student code of conduct or fail to conform with school rules and regulations. The teacher shall make this initial decision and inform the affected student and the principal/designee as to the reason for the denial of the privilege.

If the teacher's principal overrules this decision, the teacher may appeal, in writing, to his/her Chief School Performance & Accountability Officer

within two (2) work days of the principal's decision. The Chief School Performance & Accountability Officer will meet with the affected teacher, a representative of their choice, and the principal. The Chief School Performance & Accountability Officer shall issue a final and binding decision, in writing, within two (2) work days of the meeting. The Chief School Performance & Accountability Officer's decision is exempt from the provisions of Article Thirty-Four of this Agreement.

P. **Student Removal and Placement Review Committee:** Within the first four (4) weeks of the school year, the principal shall inform the teachers in writing about the availability, the procedures, and the criteria for removing a student from class and the establishment of the Placement Review Committee. The Placement Review Committee shall be organized according to procedures in Florida Statutes and Board Policy.

Q. **Child Protected Services:** Any person who knows, or who has reasonable cause to suspect child abuse, shall report it to the Child Protective Services. Relaying the information to an administrator does not relieve a mandatory reporter from making contact with Child Protective Services pursuant to Florida Statutes, Section 39.2011.

ARTICLE TWELVE
REDUCTION IN PAPERWORK

A. **Establishment:** The parties recognize the need to minimize the paperwork requirements for bargaining unit members. To help facilitate this objective, the parties agree to establish a District level Data Collection Review Committee.

B. **Purpose:** The Committee shall study and recommend procedures to the Superintendent for eliminating, reducing, revising and consolidating employee paperwork requirements. This shall include, but not be limited to: circumstances where teachers are required to handwrite a list of students' test scores for the principal, when the principal can simply print out a list of scores from the computer; initiating a reports/form management system to ascertain that duplications in the collection of data does not exist; ascertaining that reports/form are prepared in a logical and uncomplicated format; reducing the number and complexity of required reports particularly at the school level; recommend the appropriate personnel and/or automated systems to prepare those forms/reports deemed necessary with the intent, where possible, of relieving teachers of this responsibility.

C. **Composition:** The President of the BTU shall appoint six (6) bargaining unit members and the Superintendent shall appoint five (5) people to the Committee. The members of the Committee shall select a chairperson. The chairperson, or a classroom teacher member elected by the committee if the chairperson is not a classroom teacher, shall service as the District representative in reporting to the School Board and State Board of Education regarding paperwork reduction.

Term: Committee members shall serve for a two (2) year term of office and may be appointed for additional terms. If any member cannot fulfill their term, he/she will be replaced by the person who appointed them to finish out the affected term of office. Any Committee member may be replaced at any time by the person who appointed him/her.

D. **Responsibilities:**

1. The Committee shall meet quarterly on mutually agreed upon times and places.

2. The Committee is authorized to create subcommittees to accomplish its tasks.

3. Any Committee member who misses three (3) successive meetings shall be removed from the Committee and a replacement shall be designated by the individual who made the original appointment.

E. The Committee shall issue its written recommendations to the Superintendent no later than the last week in May.

F. The Superintendent's Form Control Report provided to the Department of Education will also be provided to the BTU.

G. **Faculty Council/Paperwork:** The Faculty Council or a sub-committee of the Council shall review all forms and other paperwork created at their school and issue non-binding recommendation to the principal for eliminating, reducing, revising consolidating school generated paperwork. If the majority of the affected faculty is dissatisfied with the principal's response to said recommendations, the faculty may request the District level Paperwork Control Committee to review said recommendations. The Committee shall process this review pursuant to the provisions of this Article.

H. The Data Collection Review Committee may recommend new/modified contract language, addressing concerns related to the extensive amount of paperwork required of teachers. Such recommendations will be referred to the Labor Management Committee.

ARTICLE THIRTEEN
ACADEMIC FREEDOM

A. **Democratic Tradition:** The parties agree, within the prescribed course of study of the Broward County public school system, to seek to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibilities, to inspire meaningful awareness of and respect for the Constitution and laws of the State of Florida and the United States, and to instill appreciation of the values of individuality. It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for employee and students is encouraged.

B. **Individual Rights:** Freedom of individual conscience, association and expression shall be encouraged and fair procedures developed to safeguard the legitimate interests of the schools and to exhibit by appropriate examples the basic objectives of a democratic society.

C. **Rights of Others:** While the employee must be free to live according to his/her own conscience, so must his/her students and the public he/she serves. The employee may not infringe upon the freedom of students assembled involuntarily by application of attendance laws. Opinion and theory should be clearly stated and identified.

ARTICLE FOURTEEN
POLITICAL ACTIVITY

A. **Political Action:** All employees shall have the entire liberty of political action when not engaged in their employment, provided such action is within the laws of the United States of America and the State of Florida.

B. **Political Materials:** Use of political material for instructional purposes in the classroom is permitted, but each employee must be accountable that the presentation is open-minded, fair, responsible, and respectful of the differing opinions of others. Use of political material for political purposes in the classroom is prohibited.

C. **Political Coercion:** All employees shall be entirely free from political domination or coercion, or the pretended necessity of making political contributions of money, other things of value, or engaging in any political work or activity against their wishes under the assumption that failure to do so will in any way affect their status as employees of the school system.

ARTICLE FIFTEEN
ACCOUNTABILITY

A. School-site accountability is an ongoing process through which professionals working as a team have the opportunity for authentic participation in the school and greater responsibility for its process. Those most closely affected by decisions ought to be involved significantly in making those decisions on all issues.

B. **Committee Involvement:**
If the Superintendent creates a District-wide Accountability Committee, the President of the BTU shall appoint one (1) member.

C. **Training:**

1. Recognizing that professional development skills are vital, the District agrees to provide in-service training to teachers to the extent funding permits. Training shall be designed to develop and enhance the operations of the School Advisory Committee (SAC) and be extended to involve the entire faculty through the various stages of change and school restructuring. The District and the BTU shall work together in the development and implementation of quality training related to accountability.

2. School-based accountability funds allocated to the school may be used to support these training efforts.

D. **Reconciliation/Intervention Team:**
The parties agree to provide a reconciliation team to assist schools experiencing difficulties in making adequate progress in student achievement or who need assistance in group interactions or with other school conflicts. The Superintendent shall decide the composition of the team, and when a team will be assigned to assist a school. The president of the BTU may make a direct request to the Superintendent to send a team to a specific school. The president of the BTU shall appoint two (2) team members.

E. **Shared Governance:**
The parties shall develop a variety of shared governance models which schools may consider. Schools shall select a model that best suits their needs or the staff may develop an alternative model of governance with direct involvement by teachers, other staff and community representatives. Staff approval and commitment to the model is essential. The selected model of governance will be specifically described in each school's improvement plan.

F. **School Advisory Council (SAC)**

1. The President of the BTU shall appoint one (1) teacher bargaining unit member from each school to serve on that school's SAC team. The appointment is for a full school year. If the selected employee must resign from the SAC, the President shall appoint a replacement. The BTU shall provide updated lists of their SAC representatives by September 1st of each year with subsequent changes provided in writing. Also, pursuant to Florida Statutes, Section 1001.452, teachers at each school shall select the teacher representatives on SAC teams.

   The BTU president shall appoint one (1) steward/or designee to participate on the community interview/conversation committee as part of the process for the selection of the new principal from their school. The committee's recommendations shall be submitted to the Superintendent for his/her consideration.

2. **The role of the SAC is to:**
   (a) initiate, develop, implement and evaluate the SIP and other school site issues to professionalize teaching and to improve student performance;
   (b) request technical assistance and staff development;
   (c) oversee subcommittees as a result of action taken by the SAC;
   (d) others as decided by each school site.

3. **School Improvement Plan (SIP)**
   Once the SIP is developed by the SAC team it shall be presented to the faculty for final comments or suggested changes before the SAC takes a final vote on its plan.

   If the approved SIP is substantially different from the one shared with the faculty before the SAC voted, the principal and building steward will brief the faculty on the changes. For purposes of this section, the SAC members will determine if the plan is "substantially different." A final copy shall be available for review in the school's media center.

   The District will provide a BTU steward signature line on the SIP n document. Said signature indicates that the steward has knowledge of the SIP. The steward may choose not to sign, but the signature or lack thereof will not stop the implementation of the Plan.

4. **School Improvement Funding**

The District shall fully comply with Florida Statutes, Section 24.121 (5) (c) which addresses guidelines for the expenditure of lottery funds. If the Florida Legislature deletes/amends the statutes that this section is based on, or the State appropriation ends, this Section #4 shall be amended or deleted to reflect the action taken by the Florida Legislators.

G. **Waivers:**

1. The waiver procedures for policies, State Board rules, Florida Statutes, Federal laws, collective bargaining agreements, etc., are contained in the District's Accountability Policy – Policy 1403. Policy 1403 does not apply to the subject matter addressed in Section K of this Article Fifteen, but Section K shall govern such subject matter.

2. **Time Frame:** All waiver requests must be presented in writing to the faculty not less than three (3) workdays before the official secret ballot vote is conducted. The parties agree that the faculty cannot vote on a waiver addressing the same issue more than once each semester.

3. **Secret Ballot Vote:** The vote shall be conducted through a secret ballot conducted by a bargaining unit representative chosen by the entire faculty who shall be responsible for securing ballots during this time. The principal and a representative of the BTU shall be official observers of the election and ballot counting. The waiver request must be approved by 66 2/3 percent of the bargaining unit members in the school and not just those in attendance at the voting meeting (Example, i.e., a school with 100 bargaining unit members must have 67 positive votes regardless of the number of bargaining unit members voting. (If the waiver does not affect the entire school, then a vote of 66 2/3 percent of the affected bargaining unit members is necessary.

4. **Notice of Election Day:** The date for the written ballot will be announced not less than twenty-four (24) hours prior to election day and will be conducted at the school. Any bargaining unit member who will be on an approved leave of absence on the day of the official vote shall be provided the opportunity to vote prior to the scheduled official vote as long as the final waiver language is available for review by the affected employee. Absent employees who return to work not later than one (1) workday after the election may procure an absentee ballot at the school, fill it out at the school and turn it in to the person selected by the faculty to conduct the vote.
5. **Challenge to the Voting Procedure:** If the administration, the affected faculty, or the BTU believe that improprieties have occurred

with the election, the president of the BTU and the Superintendent's designee shall meet and agree on a remedy.

6. **Community Endorsement and Steward Signature:** After the election is conducted, the waiver request must be reviewed and endorsed by the community at an advertised open meeting. The District will provide a BTU steward signature line on the waiver request form. Said signature indicates that the steward has knowledge of the waiver. The steward may choose not to sign, but the signature or lack of a signature will not stop the waiver from continuing throughout the District review process.

7. **Recommendation of the Superintendent:** Without such 2/3 majority vote, a waiver shall still be submitted but will not have the recommendation of the Superintendent or the President of the BTU. All waivers must be cost neutral. Window periods for waiver submission will be consistent with the District's Accountability Policy.

8. **Waiver Assistance Panel:** All waivers shall be reviewed by a Waiver Assistance Panel. The President of the BTU shall serve as a member of the Committee. The Committee shall have no veto power.

9. **Impact Bargaining:** If the BTU believes that a waiver request impacts this Agreement, the President of the BTU may request impact bargaining pursuant to provisions contained in PERC case law.

10. **Waiver Duration:** Waivers will be for one (1) year duration and non-precedent setting.

    A school may request a waiver of the District referral form consistent with the District waiver timeline and contract language concerning student discipline. Should a school be granted the waiver of the referral form, it is not necessary to renew the waiver each year unless the school decides to make a significant revision to the referral form.

H. **Transition Team:**

The parties agree to create a transition team when a new principal is appointed at a school. The President of the BTU shall appoint one (1) member of the team. The Transition Team will assist in the transition of a new principal so that there is an easy and efficient change of leadership while the school continues to work toward its goal and objectives as specified in the SIP.

I. **Funding:**
The District will provide $80,000, which shall be used to further the goals of the District's Accountability Program. Specifically, the funds may be spent in such areas, but not limited to: training, release time for teachers working on accountability projects, guest speakers, etc. The BTU will keep a written record of expenditures charged to this fund and shall make this information available to the District.

J. **National Board for Professional Teaching Standards**
The District shall offer professional incentives/assistance to employees working toward and/or attaining national certification including:

1. Upon completion of the portfolio process, candidates shall receive sixty (60) in-service credits. Candidates who complete the process and do not receive certificates shall receive sixty (60) in-service credits.

2. Upon request, arrangements may be made with the principal to provide one (1) day of release time for the candidates to complete the portfolio. This time shall constitute temporary duty leave assignment consistent with applicable rules and policies.

3. The District shall strive to provide technical assistance for use at home for the completion of the portfolio. Candidates will contact HRD to facilitate assistance with video equipment. Arrangements for the use of the referenced equipment shall be pursuant to Board policy.

4. Upon publication by the National Board of the guidelines and procedures for re-certification application, the committee will meet and confer to recommend appropriate incentives.

5. Candidates who receive certification shall receive an additional sixty (60) in-service credits.

6. Candidates who complete the process but do not qualify for certification, have the opportunity to bank their subject areas and retake the exam will be awarded sixty (60) in-service credits if they engage in the retake process.

7. New teachers entering Broward County with NBPTS certification shall be awarded a one (1) time payment signing bonus of one thousand dollars ($1,000) after verification by the District of their certification.

8. Up to five (5) mentors who have exceeded ninety (90) hours of mentoring shall be eligible to attend the national conference and the District shall incur the expenses. Selection shall be made on a rotating basis based upon the date the teacher became nationally board certified. Should there be a tie, then selection shall be by seniority. In addition to the five (5) mentors attending, the District shall incur the expenses for up to two (2) mentors making presentations at the conference.

9. Employees not eligible to participate in the National Board Certification Process (currently including but not limited to school social workers, psychologists, occupational and physical therapists, speech language pathologists, adult education teachers, guidance and family counselors, and health teachers) shall be eligible to participate in an alternative program, the Broward County Recognition Program (BCRP). Said program, similar in format to the National Board Certification process, includes portfolio documentation with artifacts, videotaping of job performance, as well as written work samples. Successful candidates participating in BCRP shall receive the negotiated supplement (see Appendix F) for three (3) consecutive years and may be renewed in subsequent years so long as they continue to earn satisfactory annual assessment ratings. Employees forfeiting said supplement due to unsatisfactory annual assessment shall become eligible for and receive payment upon satisfactorily fulfilling the terms of the professional development plan resulting from the unsatisfactory rating and receiving a satisfactory rating. Participation in the BCRP process requires an application fee of sixty dollars ($60).

K. School Schedules

1. Any change in the schedule (in compliance with State Statutes) of a middle school or high school must be the subject of a vote in accordance with the procedures set forth in Section K.

2. A vote to change the total school schedule may be taken for the following school year between the first Monday of October and the second Friday of December from the options in subsection 3 below.

3. High school and multi-level 6-12 school schedule options:

- 4x4 A/B Block Schedule (number of periods and preparation/planning will be determined prior to a vote).
- Straight Seven Period Schedule (six (6) periods of class time and one preparation/conference/planning period).

- *A/B Block Schedule (six (6) periods of class time and one (1) preparation/conference/planning period) and as set forth in Article Ten, Section C.
- *Rotator Seven Period Schedule (six (6) periods of class time and one (1) preparation/conference/planning period), and as set forth in Article Ten, Section C.
- Eight (8) Period Schedule (six (6) periods of class time, one (1) lunch period and one preparation/conference/planning period).
- Eight (8) Period Personalization Schedule (teacher will teach five (5) classes, and in addition, the teacher will supervise a personalization period. During a personalization period/study hall, the teacher is only responsible for taking roll and maintaining order. There is no instructional activity during this block of time; therefore, no evaluative observations shall be conducted.)

*Employees in the Rotator Seven and A/B Block Schedules do not receive one (1) preparation/conference/planning period every day.

The Superintendent and the Board may add/amend the high school options, stated above, based on the operational needs of the District or Legislative requirements.

4. Schools shall first vote to keep their current schedule. Should the vote be unsuccessful, then an alternate from the list in Section K(3) above will be presented to the BTU-EP bargaining unit for a vote.

5. Schools which are voting to move to a new schedule must commit to a minimum of two (2) years for such schedule. In October of the second year of the adopted schedule, the faculty shall vote to either maintain the current schedule or select an alternate schedule listed in subsection 3 above. If said schedule is approved for a third year, a yearly vote is no longer needed to maintain the schedule unless the SAC recommends a change.

6. In the event that the BTU-EP bargaining unit does not agree by 66 2/3 percent of the BTU-EP bargaining unit who are actually voting to adopt a new schedule, the school shall remain on the current schedule. At least eighty percent (80%) of the BTU-EP bargaining unit must vote in order for the election to be valid.
7. The vote shall be conducted through a secret ballot conducted by a BTU-EP steward or designee who shall be responsible for securing ballots during this time. The principal and a representative of the BTU shall be official observers of the election and ballot counting.

8. The date for the written ballot will be announced not less than twenty-four (24) hours prior to the election day and will be conducted at the school. Any bargaining unit member who will be on an approved leave of absence on the day of the official vote shall be provided the opportunity to vote prior to the schedule official vote as long as the final schedule language is available for review by the affected employee. Absent employees who return to work not later than one (1) workday after the election may procure an absentee ballot at the school, fill it out at the school and turn it in to the person selected by the faculty to conduct the vote.

9. If the administration, the affected faculty or the BTU believe that improprieties have occurred with the election, the president of the BTU and the Superintendent's designee shall meet and agree on a remedy.

ARTICLE SIXTEEN
STUDENT TEACHING ASSIGNMENTS

A. **Qualifications To Be A Supervising Teacher:** Employees supervising student teachers shall be employees with three (3) or more years' experience except that where such employees are not available in a particular subject area or grade level. The principal may assign any employee who will voluntarily accept the assignment of supervising the student teacher.

B. **Number of Student Teachers:** No employee shall accept and supervise more than one (1) full-time student teacher per semester. Any remuneration paid the District for accepting such student teacher shall be paid in full to the employee. In cases where college credit tuition waivers are given instead of remuneration, the employee shall accept the college credit tuition waiver.

C. **Student Teacher As Substitute for Classroom Teacher:** No student teacher shall be used as a substitute teacher nor shall any student teacher be placed in sole charge of a classroom until the college or university supervisor, the employee, and the principal have mutually agreed that such experience is desirable.

ARTICLE SEVENTEEN
FACULTY COUNCILS

A. **Establishment:** A Council composed of bargaining unit members shall be established in each school. Bargaining unit members who are assigned to a work location other than a school may also form a council provided that at least three (3) members are assigned to the location. The Council may request and shall be granted a meeting with the affected principal at any time during the school year on a mutually agreeable date and time.

B. **Purpose:** The purpose of the Council is to offer input from the faculty to the principal concerning any matters pertaining to the operation of the educational program of the school. However, pending grievances may not be discussed. Recommendations of the Council shall be given full consideration by the principal.

School Budget: In order to provide appropriate input, the BTU steward shall be provided a complete copy of his/her school's budget. Recommendations of the Council shall be given full consideration by the principal.

C. **Composition of the Faculty Council shall be as follows:** In addition to the designated BTU steward, one-half (1/2) of the Council shall be composed of members of the bargaining unit designated by the union and one-half (1/2) of the Council shall be composed of members of the faculty elected by the faculty. Faculty Councils shall be established within thirty (30) days of the effective date of this contract. The number of members shall be as follows:

1. Elem. Schools, Exceptional & Alternative Educ. Ctrs. = 5
2. Middle Schools = 7
3. High Schools and Technical Colleges = 11

The composition of the Council may differ from the one listed above by mutual agreement between the principal and a majority of bargaining unit members at each school. Schools that choose a different method for selection and composition of the Council shall report their method to the District Department for Employee & Labor Relations, who shall in turn notify the BTU.

D. **Length of Office:** The term of office for members of the Council shall be for one (1) school year.

E. **Meetings:** Faculty Councils are authorized to meet as often as necessary for the purpose of considering recommendations to be presented to the

principal. Upon notification by the BTU designated steward that an election is necessary, the principal shall, in a timely manner, call a faculty meeting for this purpose. The Council shall elect a chairperson.

ARTICLE EIGHTEEN
DUE PROCESS/PERSONNEL FILES/EMPLOYEE EVALUATION

A. UNION REPRESENTATION:

1. **Written Notification of Reasons for Conference:** An employee shall be given three (3) work days' notice of a scheduled conference with the principal or any other supervising administrator (designee) for the purpose of taking disciplinary action and a written statement of the reason(s) for the conference except in cases deemed to be an emergency. For example, if the principal schedules the conference for a Wednesday, the employee must be notified on a Monday.

2. **Notice to the Employee by the Administrator:** Any employee summoned to the office of a principal or any other supervising administrator (designee) for a conference for the purpose of taking disciplinary action or issuing a reprimand (this excludes informal warnings, criticisms, or suggestions for improvement) shall have the right to request BTU representation and shall be informed of this right. **When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the BTU is present.** It is the employee's responsibility to have a BTU representative present within three (3) working days of such request.

3. **During the Meeting:** If during the course of a meeting that was not called for the purpose of issuing a reprimand, the necessity develops for issuing one, the principal shall notify the employee at that time that he/she is entitled to BTU representation. **When BTU representation is requested and the employee is to be represented by the union, no action shall be taken with respect to the employee until such representative of the BTU is present.** It is the employee's responsibility to have a representative present within three (3) working days of said request.

B. EMPLOYEE RIGHTS:

Evaluation data is used to develop ratings which are recorded within the evaluation instrument. The evaluations become part of the employee's personnel file.
Data is used in decision-making for personnel selection, training, promotion, placement, and other matters consistent with School Board policy. The following procedures apply to special situations:

1. **Discipline and Renewal:**

   a. Progressive Discipline: Any discipline of an employee shall be for just cause. The parties agree that the concept of just cause embodies the principles of progressive discipline appropriate under the circumstances. Disciplinary procedures may include but are not limited to: verbal/written reprimand, suspension, demotion and termination. The decision of the District not to renew teachers with less than three (3) years of experience in Broward County shall not be subject to this section. A summary memo shall not be considered discipline.

   b. Probationary Period: It is the intent of the parties to assure that an environment exists that encourages the success of employees on an initial probationary contract. Prior to making a recommendation for termination of an employee during an initial probationary period, the Chief School Performance & Accountability Officer shall review the recommendation and shall have the option of offering the employee a transfer to another location, which may offer the employee a greater chance for success. The decision of the Chief School Performance & Accountability Officer shall be final and binding, and the decision shall not be subject to the grievance procedure in Article Thirty-Four. Nothing in this subsection shall be deemed to waive the rights of an employee under local, state or federal law. A probationary teacher who completes the probationary period but is not renewed and is subsequently rehired or reinstated by the first day students report for school of the following school year, shall not be subject to any additional probationary period.

2. **Complaints on Employees:** No action against an employee shall be taken on the basis of a complaint by a parent or student or other individual nor any notice of such action or complaint shall be included in the employee's personnel file, unless the matter is first reported to the employee in writing and the employee has had the opportunity to discuss the matter with his/her principal.

3. **Investigation of an Employee:** No investigation of an employee, beyond preliminary inquiry, by the Special Investigative Unit (SIU) may be undertaken without written notice to the employee, such notice to include a statement of the cause giving rise to the investigation. Any information relied upon by SIU to take or recommend disciplinary action against an employee shall be provided to the employee and/or the BTU upon request.

4. **Recommendation for Dismissal:** If an educator is placed on a Performance Development Plan (PDP), any recommendation for dismissal of an employee because of ineffective performance, as specified on the educator's PDP, shall not be made prior to the conclusion of a time period as set forth in the PDP for the purpose of correcting such deficiency or deficiencies.

5. **Conferences:** Any conference or hearing with an employee regarding dismissal, non-renewal, suspension, demotion, or other discipline shall be conducted in a manner so as not to abrogate the employee's rights according to law and the provisions of this contract.

6. **Refusal To Sign Documents:** An employee's refusal to sign evaluation forms and any disciplinary action forms that may be required/generated under the provisions of this Article, shall not constitute any grounds for insubordination or for other action against the employee, when such signature is for the purpose of acknowledging that the document has been read and does not necessarily indicate agreement with its content.

C. **REEMPLOYMENT OF ANNUAL CONTRACT EMPLOYEES:**

1. **Notice:** All annual contract employees whose contracts are not being renewed shall receive written notice of same no later than one (1) month prior to the last workday of the regular school year. Any such employee not given such notice two (2) weeks prior to the last workday of the regular school year shall be reemployed for the following school year.

2. **Reemployment:** Annual contract teachers who receive an evaluation rating of Effective or Highly Effective based on the portion of the evaluation available at the time of contract renewal shall be recommended to the School Board, for an annual contract renewal, by the Superintendent, provided that a funded position for which they are certified exists at the school/department where they are currently employed. An annual contract teacher rated Highly Effective on the portion of the evaluation available at the time of contract renewal shall be recommended to the School Board, for an annual contract renewal, by the Superintendent, provided a funded vacant position equivalent to their current assignment exists in the District. An opportunity for interviews to continue employment within the District (i.e. job fair) shall be provided for the rest of the Effective and Highly Effective employees within two (2) weeks after the close of the school year.

3. **Involuntary Transfer:** It may be necessary to surplus an annual contract teacher who has been renewed under the provisions of this section to another school. The following procedures shall be utilized:

   a. Surplussing shall occur in accordance with Article Twenty-Five, Section D of this Agreement, Involuntary Transfers.

   b. The Division of Human Resources & Equity shall be responsible for placing employees who meet the provisions of this section.

   c. If an instructional position is not available for which the affected employee is certified by the commencement of the subsequent school year, the Division of Human Resources & Equity shall place the affected employee on a waiting list until a position for which the teacher is certified becomes available. The employee shall not be on the District's payroll until a job becomes vacant.

   d. If an annual contract teacher refuses a job offer, the District is relieved of its obligation to employ said person.

   e. If a position for which the affected person is certified is not available, the District is not obligated to offer the affected teacher an alternative/dropout prevention position unless the Superintendent and affected employee agree to do so.

   f. The placement of a surplussed continuing contract professional services contract employee shall always receive preference over the placement of a surplussed annual contract teacher.

   g. **Assistance:** Consistent with this system, every effort shall be made by the District, through assessment and consultation, to assist annual contract employees to attain the desired level of competence that will result in a recommendation for continued employment.

D. **PERSONNEL FILE - ACCESS AND SECURITY**

1. **Number of Files:** There shall be no more than two (2) personnel files (the official file and the site file) maintained for each employee. The official file will be maintained at the Human Resources Support Services Department. The site file shall be kept in the principal's or director's office at the school or other site where the employee is then employed. Each document placed into either file shall be in

accordance with Florida Statutes, Section 1012.31. When the employee transfers to another school or site within the District, the file will be transferred with the employee.

2. **Entries Log:** Each personnel file shall contain a form titled "Log of Entries" to include all of the following information regarding certificates, commendations, assessment documents, corrective actions and complaints placed in the files: (1) a brief description of the time; (2) the date shown on the item; (3) the date the item was first placed in the file; and (4) the identification of the source of the item.

3. **Anonymous Items:** No item from any anonymous source may be placed in the personnel file.

4. **Investigative File:** The file established by the District as a result of any investigation of an employee is not one of the two personnel files listed above. Access to a file dealing with an investigation shall be in accordance with the provisions of Florida Statutes, Section 1012.31. If the preliminary investigation is concluded with the finding that there is not probable cause to proceed further and with no disciplinary action taken or charges filed, a statement to that effect signed by the responsible investigating official shall be attached to the complaint.

5. **Notification To Employee:** Items may not be placed in an employee's official personnel file unless the item has been made known to the employee, pursuant to the methodology described in Florida Statutes, Section 1012.31(2)(c). In addition, items challenged under the provisions of the grievance procedure may not be placed in the employee's file until the grievance has been resolved pursuant to the provisions of Article Thirty-Four of this contract. The employee shall have the right to respond to any item(s) to be placed in his/her personnel file and to have the response attached to such item. The employee's signature shall indicate only that he/she has read the item and shall not necessarily indicate agreement with its contents.

6. **Review and Copying of File:** Each employee shall have the right, upon request, to review and reproduce any contents of his/her personnel file. A representative of BTU may, at the request of the employee, accompany the employee in such reviews and may, upon written authorization by the employee, review and reproduce any contents of the employee's personnel file. The review or reproduction of the contents of an employee's personnel file shall be made in the presence of the administrator responsible for the

safekeeping of such file. An employee's personnel file shall be open to inspection pursuant to the criteria and requirements in Florida Statutes, Section 1012.31.

7. **Prohibited Materials and Remedy:** Except for materials pertaining to work performance or such other matters that may be cause for discipline, suspension, or dismissal under laws of this state, no derogatory materials relating to an employee's conduct, service, character, or personality shall be placed in the personnel file of such employee. An employee has the right to answer in writing any materials in a personnel file, and the answers shall be attached to the file copy. An employee has the right to request that the Superintendent or the Superintendent's designee make an informal inquiry regarding material in the employee's personnel file which the employee believes to be false. The official who makes the inquiry shall append to the material a written report of his or her findings.

E. Broward Instructional Development and Growth Evaluation System (BrIDGES)

1. Responsibilities of the System

a. **Responsibilities:** The following persons, groups, departments, and offices are responsible for implementing components of the BrIDGES.

1. **Administrators**
The principal, assistant principals, and District administrators who have bargaining unit members within their department shall implement BrIDGES. Administrators are responsible for ensuring that each instructional employee is oriented to the system and that the required evaluation is completed.

2. Assessors shall be credentialed on BrIDGES prior to having access to the system.

3. Administrators will initiate a face-to-face post-conference after every formal observation, within ten working days of that observation.

4. Administrators will finalize all informal and walk-through observations within ten working days of that observation.

5. If/When an assessor gives a "Not Using," the administrator shall provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth. If/When an assessor gives a "Beginning" datamark, the administrator may provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth.

b. **Teachers**

1. Educators shall participate annually in the evaluation orientation, review procedures, review criteria, and request assistance related to their performance, as needed.

2. If an educator has concerns about an informal/walk-through observation, the educator must initiate a follow-up conference with the assessor within ten workdays of the submitted observation. If an educator has concerns about a formal observation, the educator must initiate a follow-up conference with the assessor within ten workdays of the post-conference.

3. If no post-conference is initiated by administration, within ten working days after a formal, and the educator brings the case to the Employee Evaluations Department for review within twenty-five (25) days from the observation date, no harm will be done to the educator.

c. **Division of Human Resources & Equity**

The Division of Human Resources & Equity shall develop and distribute an annual schedule of evaluation activities. In addition, it receives completed forms, ensures the implementation of the system, and maintains evaluation records in personnel files.

d. **Employee Evaluation Department**

This department coordinates training programs for assessors and educators as it relates to the evaluation system. This department makes direct interventions with principals and teachers when performance concerns are present. Peer Reviewers from the department may be deployed to assist select educators in need of improving performance.

e. **Broward Teachers Union**
The Union supports the implementation of the BrIDGES through representation on the Evaluation Sub-Committee.

f. **Superintendent**
The Superintendent shall notify the Department of Education of any instructional personnel who receive two (2) consecutive unsatisfactory annual evaluations and who have been given written notice by the District that their employment is being terminated or is not being renewed or that the District intends to terminate, or not renew, their employment based on Florida Statutes.

2. **Employee Orientation**
Employee orientation is an essential component of BrIDGES. The principal or designee provides an orientation at the beginning of each school year. Educators are advised of:

a. Evaluation criteria,
b. forms,
c. procedures and timelines

Every educator will review the evaluation system before September 15th or upon employment subsequent to September 15th.

3. **Required Observations**

a. Types:

1. Formal observations will be thirty (30) minutes or more, Informal eleven (11) to twenty-nine (29) minutes, and Walk-Through observations between three (3) to ten (10) minutes.

2. If a non-classroom educator does not work with students/adults for instruction, meetings may be held to discuss/monitor performance.

b. Requirements

1. Per Florida Statutes, every experienced educator will receive one (1) overall evaluation per year. Probationary Educators will receive two (2) formal evaluations within the 196 days of teaching and therefore will have at least two formal observations within the first year.

2. The Evaluation Sub-Committee will commit to meet and communicate on a regular basis to discuss and address observation concerns and collect feedback on the implementation of BrIDGES. Additional evaluation details will be discussed within the Evaluation Sub-Committee per the following:

   a. Annual Orientation - The minimum number of datamarks and/or observation requirements and Instructional Practice Score ranges will be discussed annually. The parties will meet and complete the details for the annual orientation but if no agreement is reached by July 15th, it will move for a decision to be made by the Superintendent and BTU President.

   b. Evaluation Modifications - If an opportunity to modify the evaluation is made available through the Department of Education and/or the District, in a good faith effort to agree, the parties shall discuss and decide if an adjustment should be made. If no decision is reached within a reasonable time of the notification, it will move for a decision to be made by the Superintendent and BTU President.

   c. Final Evaluations - Once overall evaluation data is completed, in a good faith effort to agree, the parties will work to determine overall evaluation ratings. If no decision is reached prior to the reporting requirement, it will move for a decision to be made by the Superintendent and BTU President.

3. Instructional Practice (IP) Scores may be defaulted if an educator did not receive the required number of datamarks and/or observation per below:

   If Highly Effective, keep Highly Effective IP score.
   If Effective, keep Effective IP score.
   If Needs Improvement, default to lowest Effective IP score.
   If Unsatisfactory, default to lowest Needs Improvement IP score.

If zero datamarks and/or observation, a 3.0 Effective IP score shall be assigned.

4. For educators that have special circumstances, the following will apply:

   If the educator has not worked one day more than half of the work calendar, the IP score will be used for employment decisions and a memorandum stating no evaluation will be issued to the personnel file.

   If the educator did work enough days to earn an evaluation, but is currently not at the school site (District approved leave/reassigned), a memorandum stating no evaluation at this time will be issued to the personnel file and employee will receive an evaluation upon the educator's return to work.

4. **Conferences**

a. **Pre-Conference:**

1. A pre-conference is offered before the first formal observation. Observers will notify educators two (2) workdays in advance of the pre-conference date of the first formal observation and provide the date of the formal observation. For probationary educators, a face-to-face pre-conference prior to all formal observations will be provided.

2. All other educators have the option of requesting a face-to-face pre-conference and/or communicate using electronic forms within the electronic system. If any of these educators receive additional formal observations, the observer will notify the educator at least two (2) working days in advance of the observation window.

b. **Post Observation Conference:**

1. A face-to-face post-conference will be initiated by the observing administrator and will be provided after every formal observation, within ten (10) working days of that observation.

2. If no conference is initiated within ten (10) working days and the case is brought to the Employee Evaluations

Department for review within twenty-five (25) working days from the observation date, no harm will be done to the educator.

c. **Follow-up Conference:**

1. Follow-up conferences will be granted, at an employee or administrator's request.

2. Datamarks may be discussed and/or altered as the result of a post-conference.

3. If/when an assessor gives a "Not Using," the administrator shall provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth. If/when an assessor gives a "Beginning" datamark, the administrator may provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth.

d. **Annual Evaluation Conference**: A conference is conducted with each employee to review the annual evaluation. The assessor and the employee shall sign/acknowledge the evaluation. Such signature by the employee only acknowledges that the report has been read and does not necessarily indicate agreement with its contents. The employee will be provided a copy of the signed evaluation and/or have access to the electronic form within ten (10) working days following the discussion. Educators will be able to view their Final Instructional Practice Score during the last instructional week of school.

e. **Refusal To Sign Documents:** An employee's refusal to sign/acknowledge evaluation forms and any disciplinary action forms that may be required/generated under the provisions of this Article, shall not constitute any ground for insubordination or for other action against the employee, when such signature is for the purpose of acknowledging that the document has been read and does not necessarily indicate agreement with its contents.

5. **Performance Development Plans**

a. For any educator who has received less than effective ratings, administration is encouraged to have an informal discussion

with the educator to share recommended strategies for improvement in an effort to promote growth.

b. If/when an assessor gives a "Not Using," the administrator shall provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth. If/when an assessor gives a "Beginning" datamark, the administrator may provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth.

c. If there is no improvement and the educator accumulates additional less than effective ratings, the administrator will meet with the educator to discuss areas of concern, provide site-based and/or District-based support for six (6) to nine (9) weeks, and explain possible consequences if the employee fails to improve.

d. Once an educator has a less than effective Instructional Practice score (based on observations conducted by a credentialed administrator), and a specific number of ratings (as determined by the evaluation sub-committee) a Performance Development Plan (PDP) may be written. If a PDP is written, it will be done with a credentialed administrator in collaboration with the educator.

e. Use and implementation of this plan requires:

Identification of deficiencies, strategies for improvement, an assistance timeline, possible consequences for failure to remediate, multiple formal observations and conferences, completion of assistance activities, and documentation.

6. **Parental Input**

Parents shall be notified in writing by each school administration of their right to provide input into employee performance assessments when appropriate in accordance with Florida Statutes, Section 1012.34.

ARTICLE NINETEEN
PROFESSIONAL COMPENSATION

A. **Salary Schedule:** The basic salaries of employees shall be as set forth in Appendix E, which is attached to and incorporated in this Agreement for the full number of workdays in accordance with Article Twenty-Seven. The parties shall adopt a grandfathered salary schedule(s) and a pay for performance salary schedule as set forth in Florida Statutes, Section 1012.22, and in Appendix E to this Agreement, and such schedules shall be effective by July 1, 2016.

B. **Military Service:** Full credit will be allowed for military service if under contract at the time of induction. Any employee previously granted credit for such service shall continue to receive such credit as previously granted if under contract at the time of induction.

C. **Stipends:** Bargaining unit members may qualify for stipends for advanced degrees which are "in-field." Employees who held out-of-field stipends on the date of contract ratification by the BTU for the 1994-95 school year shall be allowed to continue to receive said stipends until they leave the employment of the District. The stipends are set forth in Appendices A and E.

D. **Salary Adjustments:** Verification of the completion of course requirements for adjustment to a higher salary level must be submitted by the employee to the Certification Department of the Division of Human Resources. If the verification is received during the year the course requirements are completed, the adjustment shall be made retroactively to the date of completion. If the verification is received after the year the course requirements have been completed, the adjustment shall be made retroactively to the beginning of the school year in which the verification is received.

E. **Credit for Teaching Experience:** Effective July 1, 2019, all newly hired eligible employees shall receive up to twenty (20) years' experience credit for all previous teaching experience in the State of Florida or other teaching experience in a school district accredited by a recognized accrediting agency. No credit in excess of that authorized by the salary schedule shall be given, although no such credit previously granted by the District will be retracted.

Verification of previous employment must be received by the Division of Human Resources not later than four (4) months from the beginning date of employment in any school year to be effective during that school year. Individuals employed within the last four (4) months of the school year

must furnish verification prior to the issuance of their last check. All final checks will reflect only verified experience. Verified remunerated teaching experience under contract, or its equivalent, for one (1) day more than half the contract calendar will constitute a year of experience for this schedule.

Substitute Status Changed to Full Time Employee: An employee who served as a substitute employee in the same position to which the employee is later appointed by the Board, and where such substitute service immediately precedes such appointment, shall be paid retroactively at the employee's contracted salary rate for such substitute service. Retroactive pay shall include paid holidays and accrual of sick leave days. Days worked in such substitute status shall count toward seniority and toward experience credit.

F. **Supplementary pay positions**: Supplementary pay positions shall be those as set forth in Appendix F. Employees assigned to such positions shall be paid in accordance with said Appendix and all other provisions of this Agreement. The seven and one-half (7 1/2) hour day shall apply to the basic salary schedule only. Employees drawing supplemental pay or pay higher than the basic schedule may be assigned hours beyond the basic seven and one-half (7 1/2) hour day when such assignment is in the work area for which the supplement is paid.

1. Appendix F of this contract provides for supplements for department heads at high schools. Department heads employed at the District's technical centers shall have their supplement pro-rated over 242 work days or over the payroll selection option made annually.

2. **Qualifications:** To receive the supplements for department head or team leader, a bargaining unit employee must meet the minimum requirements contained in the affected job descriptions. However, an employee may receive the full supplement and not meet one (1) or more of the minimum job qualifications if:

   a. The member(s) of the team/department who meet all the qualifications decline to run or accept the nomination to the position.

   b. No one in the team/department meets the minimum job qualifications.

G. **Salary/Hourly Rate/Extra Pay:**

1. The salary of any employee employed in excess of the 196-day work year shall be computed at a daily rate of 1/196 of the employee's

basic annual contracted salary times the number of days employed. The salary of an employee in summer school shall be computed on an hourly rate based on 1/196 of the employee's regular annual contracted salary divided by 7.5 times the number of hours worked. One fourth (1/4) hour of planning time on campus with pay shall be counted per hour of student contact time in computing the total hours worked per day, provided that no employee shall be assigned fewer than two (2) hours of student contact time.

Exceptions may be made for participation in Board-approved local, state or federal projects or programs on a voluntary basis beyond the normal workday or calendar. Employees who volunteer to work programs beyond the workday/work year shall be informed in writing of the compensation, duration of the program, proposed pay date, prior to the beginning of the assignment. Such employees may not grieve the level of compensation provided that said compensation is the amount stated in the notice signed by the employee.

2. **Extra Pay:** Teachers who teach an extra period shall receive $6,000. Any such teacher shall receive the fixed supplement prorated over the school year. An extra period shall mean teaching one (1) class more than is required under the adopted school schedule. A teacher absent without leave shall not receive said pay. Said teacher who is on sick leave will be paid for all the hours in his/her regularly scheduled day. An employee's sick leave balance shall be reduced by an amount that reflects the employee's regularly scheduled day. A one (1) day reduction shall not exceed the monthly accrual rate. Employees hired to teach for the District's virtual school for less than full time shall be compensated at their hourly rate and treated in a manner consistent with those teachers teaching an extra period above and beyond a regular teaching load.

3. Teaching time that generates a payment under subsection 2 above shall not generate a payment under Article Five, Section E of this Agreement.

H. **Special Program Experience:** Recognized programs including Peace Corps, VISTA, shall be uniformly accepted in lieu of teaching experience if related to the assigned position provided, except for Peace Corps and VISTA experience, that at least one (1) year of contract teaching experience can also be verified at the time of employment.

Other Experience for Credit:

1. Employees hired after June 30, 2003, including but not limited to those with alternate certificates, teaching three (3) or more hours of a subject in which they have had directly related work experience will be granted experience credit on the salary schedule in Appendix E for each year of verified experience not to exceed the maximum allowed in Section E above.

2. Employees hired after June 30, 2003, other than classroom teachers, (i.e., speech therapists, physical therapists, clinical social workers and family counselors) with no previous teaching experience, will be granted experience credit on the salary schedule in Appendix E for each year of verified directly related work experience credit:

3. There shall be no reduction in experience credit previously granted as a result of the implementation of the above provisions.

I. **Mileage/Parking/Tolls Reimbursement:** Any employee required to own or have continuing access to an automobile in order properly to perform assigned duties shall be provided expense reimbursement at the rate specified by the Legislature, but no lower than that specified in Board Policy, for business travel or mileage. All adjustments approved by the Legislature or the Board shall be passed along to teachers on the effective date specified in the affected legislation or by the Board. The actual cost of tolls and parking when on District business shall also be reimbursed by the District. Employees participating on labor/management committees shall be reimbursed for mileage, parking, and tolls under this section. Payment will be processed within thirty (30) calendar days once all applicable Business Practice Bulletin requirements are met and documents are received by Accounts Payable.

J. **Travel Reimbursement:** Any employee traveling on District business, other than as provided in Section I above, shall be reimbursed in accordance with Board policy on travel and per diem expenses. Payment will be processed within thirty (30) calendar days once all applicable Business Practice Bulletin requirements are met and documents are received by Accounts Payable.

K. **Special Activities:** Each elementary school art or music teacher who accept assignments to work with students beyond the normal work hours without a supplement for the activity (art fair, musical performances, etc.) shall be compensated at the rate of $75 per assignment up to a maximum of three (3) programs per year. Employees in vocal or instrumental music assignments shall have the right to accept or reject requests for performance by musical groups to which they are assigned beyond the

hours provided for supplemental pay. Employees who apply for a task assignment supplement for such performances in lieu of the above compensation shall receive the supplement only if the activities specified in the announcement of the supplement are provided; otherwise, the employee shall receive compensation as stipulated above.

L. **Admission to Events:** Employees shall be admitted, without charge, to any school sponsored athletic event within the District and to events sponsored by their primary work location. The provision shall not apply to state athletic playoff events, banquets, grad night, and/or prom unless the request for participation has been approved by the Principal. The employee will provide some form of identification that verifies their School Board employment to gain admission. This shall apply to employees only.

M. **Voluntary Participation:** Employee participation in extra-curricular activities or in extra-duty assignments shall be strictly voluntary.

N. **Salary Payments:**

1. The Board and the BTU mutually agree that bargaining unit members shall be paid for the number of paid days in a pay period. The dollar amount of their first and last paycheck can vary from the paycheck received during the remainder of the bargaining unit member's contract year.

   Pay dates will be set for every other Friday, except if the first pay date of the bargaining unit member's contract year does not fall on the second Friday, a partial paycheck will be cut for the number of days worked in the first week on the second Friday.

2. A Paid Day shall be defined as all days from the start date through the end date of a bargaining unit member's contract year, excluding weekends (unless they are part of the bargaining unit member's work schedule).

3. Bargaining unit members shall earn their salary at the Equalized Daily Rate. A bargaining unit member's Equalized Daily Rate of Pay shall be calculated based upon dividing the annual salary by the number of paid days in the bargaining unit member's work calendar. Upon termination, bargaining unit members shall be paid through their last day worked at the Equalized Daily Rate.

4. Bargaining unit members may select the Year-Round Pay Option if they want to receive pay during summer months.

5. Each employee on a full time basis shall receive four (4) days of sick leave as of the first day of employment of each contract year, and thereafter earn one-half (½) day of sick leave for each pay period of employment until the maximum accrual is met.

6. The number of deductions for voluntary benefits such as union dues and cancer insurance will be standardized at twenty (20).

7. The parties agree to review the changes in the payroll program annually and propose modifications as necessary in contract language to improve its efficiency and customer friendliness. This review shall be initiated no later than October 31st and concluded no later than January 13th of each school year. Such changes as agreed to and approved by both parties shall be authorized for implementation for the following school year. Topics for consideration shall include, but not be limited to, options for new employees, deductions for union dues and other contributions, variance from equal pay amounts for the first and last paychecks of a fiscal year, the schedule for issuing paychecks, direct deposit limitations and requirements, payroll cards, and procedures for current and new employee selection of payroll options. In addition, the review shall study the income anticipated to be produced for the District from the money retained to pay teachers year-round during this and subsequent school years with the intention of returning such income to the benefit of employees.

8. It is the intent of the parties to make applicable salary adjustments for employees within a time period not to exceed forty-five (45) days from the date of Board approval.

O. **Direct Deposit:** Employees shall be able to directly deposit their paychecks to any bank or savings and loan institution or credit union accepting such services. Employees shall be required to have their salaries paid via direct deposit to the financial institution of their choice. Direct deposits shall be deposited in no more than five (5) financial institutions. The District shall not withdraw funds from any of the above institutions on or after the effective date of a paycheck without the express written consent of the employee. (Note: Even though the withdrawal will be made prior to the effective date of the paycheck, an employee's bank statement may reflect such transaction occurring on the effective date of the paycheck.) If funds are withdrawn prior to the effective date of the check, the employee will be notified in writing of the actual amount of the deposit if the amount is different from that printed on the remuneration statement on the effective date of the paycheck. The employee will be notified of the reasons for the adjustment within three (3) working days of the effective date of the paycheck.

P. **Employee Absences:** Deductions for personnel during the regular school term for daily absences not covered by provisions of this Agreement shall be made at the rate of 1/196 of the annual contractual salary per day except for those employees who have a greater than or less than 196 day contract year.

Q. **Errors In Paycheck**

1. **Underpayment** - In the event of a change which results in an underpayment to an employee, the employee shall be properly compensated on or before the next possible paycheck following discovery of the error. Upon request, the District shall provide the employee with specific written explanation for the underpayment through the Payroll Contact Person at the employee's location.

2. **Overpayment $100 or less** - If an employee has been overpaid by $100 or less, a corrective adjustment shall be made automatically in the affected employee's next paycheck and the employee shall be notified by their location payroll contact person. Upon request, the District shall provide the employee with specific written explanation for the overpayment through the Payroll Contact Person at the employee's location.

3. **Overpayment Greater than $100 (except for former employees):**

   a. The District may collect overpayments not to exceed two (2) years in duration from the date that the administration mails the notification of overpayment letter to the affected employee. For example, if an employee was overpaid for the last five (5) years, the District can only recover the most recent two (2) years of the overpayment.

   b. The Payroll Department shall notify the affected employee via a Notice of Salary Adjustment Form that an overpayment in excess of $100 has occurred. The form will contain two payback options from which the employee may select and return it to the Payroll Department within five (5) workdays.

   c. If necessary, the affected employee may request a meeting with the Payroll Department within five (5) workdays of receipt of the Notice of Salary Adjustment Form. The Payroll Department shall set-up a meeting with the affected employee for the purpose of determining how the overpayment will be recouped. The employee is entitled to be accompanied by a representative of his/her choice.

d. Overpayments should be recouped in the calendar year in which it was discovered.

e. The number of payments in the pay back schedule shall not be less than the following:

$1-$100.00	1 Payment
$100.01- $500.00	4 Payments
$500.01 - $1,000.00	8 Payments
$1,000.01 - $1,800.00	12 Payments

For amounts above $1,800.00, no payment shall exceed $200.00 per paycheck

f. If the affected employee is on an unpaid leave of absence, the payback will involve direct payment from the employee to the District.

g. **Hardship**

If the financial burden in paying back the overpayment would create a hardship for the employee, the employee may complete an Overpayment Hardship Request for consideration. The employee must be able to provide evidence of one of the criteria listed below to qualify for a hardship reduction:

- Death of spouse or dependent
- Legal Separation or Divorce
- Disability of self, spouse or dependent
- Change in employment status from full to part time or lay-off
- Change in employment status of a spouse, including lay-off or termination
- Threat of home foreclosure, eviction or bankruptcy
- Financial Emergency due to District Declared Emergency (hurricane, flood, tornado, etc.)

Repayment Reduction Schedule:

$100.01 - $500.00	8 payments
$500.01 - $1,000.00	16 payments
$1,000.01 - $1,800.00	24 payments

If approved, the repayment plan may extend into the next fiscal/calendar year except for employees who are leaving the school system or are on an unpaid leave of absence.

R. **Voluntary In-service/Stipend Rate:**

1. Bargaining unit members who attended and/or will attend District sponsored in-service workshops (including ESOL) during non-work hours shall receive compensation at the rate of fifteen dollars ($15) per hour if the federal government or the state legislature makes available a specific funding source. Funding sources must be specific and clearly indicate that the funds are to be spent on a designated program such as the Summer Institute. Funding sources may be listed in such locations as a federal grant, the State Appropriation Act or the School Board's budget. Payment for workshops will be processed for employees who have completed all requirements within thirty (30) calendar days of the closing date of the workshop.

2. Employees who provide District sponsored in-service workshops as trainers outside normal working hours (evenings and/or weekends) shall receive compensation at their hourly rate for all time spent in training and preparation for such training. Preparation time shall be provided at one-half (1/2) the actual training time for employees providing a program for the first time and one-third (1/3) of the program time for subsequent presentations of the same training program. Employees who are task assigned to a District Department may occasionally volunteer to flex their schedules to provide District in-service training programs outside normal working hours. Payment will be processed within thirty (30) calendar days of the closing date of the workshop.

S. **Aggregate Method of Computing Taxes:** The District agrees to use the I.R.S. approved aggregate method of computing taxes on negotiated salary increases and one-time payments provided the I.R.S. allows this methodology at the time raises are paid.

T. **Cell Phone Reimbursement**: The District agrees to provide itinerant employees a stipend for the cost of using a personal cellular phone for job related purposes. Such employees shall receive a lump sum payment up to $350.00, less applicable taxes, prior to the conclusion of their applicable work calendar for this purpose. For those employees working less than their work calendar, the stipend shall be prorated at a rate of $35.00 per month. Itinerant employees currently issued a cellular phone by the District shall be given the option annually of continuing to use the issued

phone or receiving the lump sum payment. Selection shall be made by each employee each year. In the absence of making a selection by the deadline date, employees shall continue with usage of the cellular phone.

For the purposes of this benefit, Itinerant Teachers shall be defined as those teachers whose duties require daily travel to two (2) or more locations to provide services to students and/or student populations and requires accessibility to a phone between locations.

U. **School Assignments**: School age children of an employee, including those of which they have legal guardianship, shall be eligible to attend school at the employee's work location or any other appropriate school within the employee's school zone with the exception of other schools within the zone at the same level to which an employee is assigned. For example, an employee assigned to a middle school in a zone cannot register a school age dependent at another middle school within the same zone under the provisions of this Agreement. Employees choosing to send eligible children to schools other that their home schools shall provide transportation to and from school providing that regular school bus transportation is not available for that school in the area in which the child lives. Children of employees must meet all requirements prior to acceptance into any special program.

V. A yearly supplement of five hundred ($500) dollars will be granted, with supervisor approval, to all multilingual (fluent in another language other than English) itinerant support professionals, such as School Psychologists, School Social Workers, and Family Counselors/Therapists, and any other itinerant employee whose workload has increased continuously to provide direct services to ESOL/ELL students and families in their native language that would otherwise be handled by a monolingual colleague.

ARTICLE TWENTY
PROMOTIONAL AND SUPPLEMENTARY PAY OPENINGS

A. **Posting of Positions:** Notice of any opening for a promotional position shall be posted in all schools and departments by the Division of Human Resources & Equity.

B. **Notice of Openings**: Notice of any opening for a bargaining unit supplementary pay position shall be posted in the school in which the opening occurs if the position is open only to employees in that school. If the supplementary position is opened to personnel outside the school, the position shall be advertised in all schools and departments. All qualifications being essentially equal, preference in making supplementary appointments shall be given to applicants within the District.

C. **Content of the Notices:** The notices of openings required by this Article shall include the school, where applicable, in which the opening will occur, the title of the position, effective date of the opening, qualifications, information concerning the securing of and deadline for filing of the application, and the person with whom the applicant is to be filed. All such notices shall be posted at least seven (7) workdays before the deadline for filing applications. During the summer months when the regular school calendar is not in operation or on an emergency basis during the regular school year, a vacant position may be filled on a temporary basis until the procedures of this Article can be followed.

D. **Qualified Employee:** The applicant must be qualified for the position. Any eligible and qualified employee may apply for the position described in this Article, and all applicants will be given due consideration.

E. **Application Form:** The applicant can secure application forms from the principal's office or from the Personnel office. The application shall be filed with the appropriate administrator.

F. **Qualifications:** A qualified applicant for any bargaining unit supplementary pay position will be accepted before any qualified non-applicant may be assigned to accept the position. If qualifications are essentially equal, preference in making appointments to supplementary pay positions shall be given to employees with seniority. All supplementary pay positions shall be annually vacated.

G. **Preference of Applicants:** All qualifications being essentially equal, preference in making promotional appointments shall be given to applicants from within the District.

H. **Written Notice of Status:** All applicants for positions described in this Article shall receive written notice of the disposition of their applications promptly upon filling of the position involved. All notices required in Section A above shall be made available to the BTU.

1. Employees who utilize two (2) sick leave days or less each school year shall upon request receive payment for the number of sick leave days earned in said school year. For example, if a teacher is absent for sick leave purposes two (2) times during the 1995-96 school year, he/she may receive payment for eight (8) days of sick leave, provided the employee worked the full school year.* The following procedures apply to the payment of sick leave under this section.

(a) An employee must have a minimum of twenty-five (25) days of accumulated sick leave remaining after the payment for unused sick leave under this section.

(b) The payment of this incentive shall be paid to eligible employees no later than October 31st of the school year following the school year in which the employee qualified for the incentive pay.

(c) For purposes of this section, sick leave shall be defined pursuant to Florida Statutes, Section 1012.61.

(d) Days for which such award payment is received shall be deducted from the accumulated leave balance.

(e) Number of eligible days times the affected employee's daily rate of base pay times eighty percent (80%).

(f) The application of this section commences with the 1983-84 school year. Employees may not receive this award for sick leave earned prior to said school year.

ARTICLE TWENTY-TWO
INSURANCE

A. **Coverage:** The Board shall provide, without cost to each employee, Group Term Life Insurance equal to one and one-quarter (1 1/4) times the employee's annual salary, rounded to the next higher multiple of one thousand dollars ($1,000), subject to a minimum of seven thousand dollars ($7,000) and a maximum of fifty thousand dollars ($50,000). The employee shall have the option of purchasing at their own expense through payroll deduction, an additional amount of "Group Term" Life Insurance ranging from one and one-quarter (1¼) times the employee's annual salary, up to five (5) times the employee's annual salary or one million dollars ($1,000,000), whichever is less (medical underwriting may apply above the guarantee issue amounts) in accordance and subject to the provisions of the group life insurance policy equal to that provided by the Board.

Each employee shall have the option, at the employee's expense, through a direct pay method, to convert the Group Term Life Insurance to an individual life insurance policy upon retirement or termination of employment, accordance and subject to the provisions of the group life insurance policy.

B. **Dental and Health ~~and Dental~~ Insurance:**

The District shall pay the following premiums for individual employee's health and dental insurance:

1. For employees that elect dental insurance, the District shall provide a maximum of $10.80 per month towards the elected dental insurance in accordance with the term and schedule of benefits currently in effect.

2. The District offers three (3) health insurance plans: Premier Plus Plan, Premier Plan, and Premier Choice Plan. The District will pay 100% of the cost of the health insurance premium equivalent for employee-only coverage ~~under any of the plans until December 31, 2019~~ for the Premier Choice Plan. Employees will have the option to select the Premier Plus Plan or the Premier Plan, to include employee contributions through payroll deductions. Employees will continue to pay the cost of the health insurance premium for any coverage selected other than employee-only coverage.

In addition to the District agreeing to pay 100% of the cost of the health insurance premium for employee-only coverage for the Premier Choice Plan, the District will explore contracting with a supplemental enhanced primary care provider. The goal is to reduce health care costs for the District and the employees who join the enhanced primary care provider. There will be no additional cost to the employee for this supplemental coverage.

For future plan years:

The parties are committed to working through the Superintendent's Insurance and Wellness Advisory Committee to implement cost effective improvements to the group health insurance program, such as the increased usage of:

- Teladoc
- Wellness Programs
- Extended Rx offerings
- Urgent Care over Emergency Room visits, when feasible

The District shall separately account for costs of group insurance program within the General Fund in a manner that allows costs and savings to be readily identified. At the end of each fiscal year, any savings in the overall cost of the insurance programs (defined as the total premium equivalent contributions for that year compared to the projected total premium contributions for the next year shall be placed in a reserve which may only be used to fund future employee supplements, and/or other benefits for employees, prior to the end of the next plan year.

3. All new employees ~~may~~ must elect to enroll in ~~a~~ the District offered ~~plan of their choice subject to conditions for enrollment in such plan~~ Premier Choice Plan for the first three (3) years of employment, if they do not voluntarily decline such insurance. Thereafter, the employee may elect to remain in the Premier Choice plan or elect a different medical plan during the the upcoming Open Enrollment period, effective for January 1st of the following year.

4. Benefit levels, plan design, cost containment for the plan, premium contributions and benefit improvements will be

reviewed annually by the Superintendent's Insurance and Wellness Advisory Committee. The Superintendent's Insurance and Wellness Advisory Committee will make recommendations to the Superintendent about benefit levels, plan design, cost containment for the plan and benefit improvements. Either party may demand negotiations through the Superintendent or designee to amend benefit levels, plan design, cost containment for the plan and benefit improvements, or premium contributions.

5. An employee eligible for health insurance may voluntarily decline such insurance. Beginning in the 2024 Open Enrollment Period, ~~A~~ an employee declining medical insurance for the first time, shall be required to sign an affidavit indicating other medical coverage and provide proof of other medical insurance during the open enrollment period ~~each year~~. ~~Employees shall be responsible to maintain proof of continuing medical insurance.~~ Employees choosing not to participate in the School Board of Broward County's ~~medical~~ health insurance program shall ~~be reimbursed at a rate of~~ receive up to ~~seven hundred fifty dollars and no cents ($750)~~ one thousand dollars and no cents ($1000) per year (opt-out dollars) only if such proof is provided. If an employee does not provide proof of other medical insurance, ~~then~~ employee will not ~~be reimbursed~~ receive any opt-out dollars. Said opt-out dollars shall be deposited into the employee's cafeteria plan and those opt-out dollars may be used in a manner consistent with the provisions of said plan.

6. During the ~~clearance~~ Benefits Onboarding process, new employees shall be informed in writing of the date on which their health insurance becomes effective.

C. **Disability Insurance:** The Board shall provide without cost to each employee a core disability plan in accordance and subject to the terms and benefits in effect in the insurance policy. The employee shall have the option of purchasing at their own expense through payroll deduction, an enhanced disability plan.

D. **Liability Insurance:** The Board shall provide Liability Insurance at no cost to employees in the amount of five hundred thousand ($500,000) for each employee in case of suit arising from or in the performance of the employee's duties.

E. **Annuity Programs:** The Board shall make available to all employees through payroll deduction, tax deferred annuity programs with companies

which qualify and are approved under guidelines and criteria established by the Board.

F. **Rate Increase:** Written notice of any rate increase in health and dental insurance for dependents coverage shall be provided to each employee within ten (10) days of the date the increase is made known to the Board.

G. **Employee Reimbursement:**

1. **Personal Property:** If employees are attacked or assaulted or victim of theft or vandalism in the course of employment, the Board will insure or otherwise reimburse such employees for any loss, damage or destruction of clothing or personal property up to five hundred dollars ($500) per employee per school year upon verification to the principal, unless the employee is otherwise reimbursed in which case the Board will reimburse employee the amount of their insurance deductible up to five hundred dollars ($500) upon verification of the claim.

2. **Automobile Vandalism:** If an employee's vehicle is damaged as a result of vandalism while on the property of a district school, or while on official School Board business, the employee will be reimbursed for the damage not to exceed seven hundred fifty dollars ($750) when it is determined that the damage was caused on School Board property or while on official School Board business. Such determination may be made by a School Resource Officer, a School Security Specialist, or a SIU investigator (as determined by the Superintendent), a Police Officer, witness testimony or apprehension of the person(s) responsible for the damage.

3. Any individual submitting a fraudulent claim under this provision shall be subject to disciplinary action up to and including termination. The Board's maximum liability under this section is fifty thousand dollars ($50,000) per school year.

H. **Group Insurance Program:** Employees with a minimum of ten (10) years of service with the Board retiring prior to Medicare eligibility may elect to remain in the Group Insurance Program until they become eligible for Medicare; rates applicable to the entire group; the cost of such insurance shall be borne by the retiree, ~~except that the Board shall provide without charge for the collection and remittance of premiums for such insurance~~. Applications must be submitted within thirty (30) days of retirement.

I. **Cafeteria Insurance Program:** The Board agrees to provide a cafeteria insurance program to all bargaining unit members including those on Board-approved paid leaves. Members on unpaid Board-approved leave

are not eligible to participate in the program. The following criteria shall apply to the granting of cafeteria insurance benefits:

1. The Board will provide twenty-five dollars ($25) per month not to exceed three hundred dollars ($300) per employee per school year. Employees hired after the commencement of the school year, shall receive twenty-five dollars ($25) per month for each full month of employment.

2. The specific benefit components of the cafeteria program shall be contained in a booklet, which shall be distributed electronically to all eligible unit members or maintained on the Benefits website.

J. ~~The parties agree to eliminate enrollment in the fourth tier dependent rate which is identified in insurance documents as the "children (both spouses School Board employees employed in the same plan)" effective at the conclusion of the open enrollment period (November, 1994) for the 1995 insurance plan year. Employees enrolled in the fourth tier prior to the date indicated above may remain in this tier until the time their employment with the School Board ends. Once all of the affected employees have left the employment of the Board, the fourth tier shall be eliminated.~~

K. **VISION INSURANCE:** The District shall provide without cost to employee a basic vision insurance program, in accordance with the terms and benefits provided in the summary plan description. Employees may also elect to enroll in an enhanced vision insurance plan, at the employee's expense, through payroll deductions.

ARTICLE TWENTY-THREE
LEAVES

A. **Sick Leave:**

Any employee employed on a full-time basis who is unable to perform his/her duty in the school because of illness, or because of illness or death of father, mother, sister, brother, husband, wife, child, other close relative, or member of his/her own household and consequently has to be absent from his/her work, shall be granted leave of absence for sickness by the Superintendent, or by someone designated in writing by him/her to do so. The following provisions shall govern sick leave:

1. **Accrual:** Each employee on a full-time basis shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year, and shall thereafter earn one (1) day of sick leave for each month of employment, which shall be credited to the employee at the end of that month, and which shall not be used prior to the time it is earned and credited to the employee. However, the employee shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment. When an employee uses a sick leave day, it shall be paid at the affected employee's daily rate of pay at the time the day is utilized. Also, when an employee uses a sick leave day, those days are earned at a lower rate of pay and shall be deducted before sick days having a higher value. Such leave shall be taken only when necessary because of sickness as herein prescribed. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave an employee may accrue, except that at least one half (1/2) of this cumulative leave must be established within the District.

   Sick leave accumulated in another Florida district or districts: Sick leave accumulated in another Florida district or districts by an employee shall be accrued to the employee at a rate equal to the number of sick leave days allowed the employee during each year of employment in this District until such time as all sick leave accumulated in other Florida districts has been transferred to the District.

   Such transferred sick leave days shall be in addition to sick leave days to which the employee is entitled from this District. Employees who are to be temporarily absent from school for any reason shall, if possible, notify the principal or his/her designee at least two (2) hours prior to school opening.

2. **Personal Reasons:** Employees shall be granted up to six (6) days each school year for personal reasons. However, such absences for personal reasons shall be charged only to accrued sick leave, and leave for personal reasons shall be non-cumulative. Employees shall not be required to give reasons for personal leave, except that the leave is for "personal reasons."

   (a) Personal reasons leave shall not be granted on the day preceding or following a holiday* nor during the first or last week of school. The first week of school starts on day one (1) of the 196 day work calendar and the last week of school concludes on the final day of said calendar. *(Note: A holiday on the official School Board calendar is any date marked as a "holiday" or "day off.")

3. **BEREAVEMENT LEAVE (SICK LEAVE)**

Any employee who suffers the death of an immediate family member shall be granted bereavement leave in the following manner:

a. If the funeral is to be held within 250 miles of the employee's home – the employee shall be allowed to utilize a maximum of four (4) days of sick leave for bereavement purposes.

b. If the funeral is to be held more than 250 miles from the employee's home – the employee shall be allowed to utilize a maximum of five (5) days of sick leave for bereavement purposes.

c. For the purposes of bereavement leave, an immediate family member shall be defined as the spouse, domestic cohabitant, child, stepchild, grandchild, mother, father, sister, brother, parents of domestic cohabitant, mother-in-law, father-in-law, grandmother, grandfather, daughter-in-law, son-in-law, brother-in-law, sister-in-law, domestic cohabitant's sibling(s), grandparents of employee's spouse, grandparents of employee's domestic cohabitant, any other relative, or member of the employee's household. Proof of relationship to the deceased may be required.

d. The District may require proof of death within thirty (30) days after Bereavement Leave is taken. A copy of the newspaper obituary or the funeral card/program for the deceased are examples of acceptable proof of death.

e. Bereavement leave as outlined above shall not count against the employee's attendance for sick leave buy back purposes provided in Article Twenty-One, Section D. Nothing in this section shall be construed to limit an employee's right to use sick leave under provisions of Section A above.

4. **Use of Sick Leave:** An employee shall have the right to use sick leave in one-half (1/2) day or full-day units, for the purpose of medical or dental appointments.

If an immediate supervisor suspects an abuse of sick leave, he or she shall first investigate the matter and discuss the findings with the affected employee.

An abuse of sick leave is defined as a pattern or series of absences which occur over an extended period of time and on a regular and predictable basis and without adequate justification. For example a regular and predictable basis would be: sick leave being used as soon as earned; absence on only Mondays or Fridays; absences occurring on the days before or after a holiday period; absences occurring on the day after a payday on a regular basis.

If the investigation sustains that a documented pattern of abuse does exist, the employee may be subject to disciplinary action as per Article Eighteen, Section B (1).

5. **Terminal Pay:** Any employee at normal retirement or his/her beneficiary if service is terminated by death, shall be provided terminal pay. Such terminal pay shall not exceed an amount determined as follows:

(a) During the first three (3) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 35 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave is earned times 35 percent times the number of days of accumulated sick leave earned after July 1, 1994.

(b) During the fourth (4th) through sixth (6th) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 40 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 40 percent multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

(c) During the seventh (7th) through ninth (9th) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 45 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 45 percent multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

(d) During the tenth (10th) through the twelfth (12th) year of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 50 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 50 percent multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

(e) During and after the thirteenth (13th) year of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave is earned* multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

Employees who are granted an early retirement under the District's program are eligible to receive the benefits outlined above if the employee meets the criteria contained in this section.

(f) No employee who meets the eligibility requirements listed above may receive any compensation for sick leave payments unless they sign and execute the Payment of Sick Leave Upon Retirement Agreement provided by the Superintendent. This Agreement requires the retiring District employee to seek, accept, and cash the first retirement benefit check issued by the Florida Retirement System.

The employee must qualify for "normal retirement" which under this policy shall mean retirement under plan A,B,C,D,E under the Florida Retirement System or any other plan established by the Legislature with either full or reduced benefits as provided by law. Normal retirement shall not be interpreted to include disability retirement.

*Note: "At the time sick leave is earned" shall be interpreted to mean the value of sick leave at the end of each school year or at the time the affected employee retires, whichever comes first.

B. **Illness-In-Line-of-Duty:** Any permanent full-time employee shall be entitled to illness-in-line-of-duty leave with pay when he/she has to be absent from his/her duties because of a personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work. Such leave shall be in addition to any other leave to which the employee may be entitled and such leave shall not be cumulative. Each employee shall be entitled to a maximum of thirty-five (35) days of such leave. Paid holidays occurring during such leave shall not be included in the computation of the number of days with respect to which such leave is applicable, provided that the employee shall be paid for such paid holidays. A substantiating statement by a physician and a corroborating statement of the immediate supervisor may be subject to the grievance procedure.

C. **Verification of Leave:** An employee shall, before claiming and receiving compensation for the time absent from his/her duties, while absent because of leave as prescribed in A and B, make and file on a District form by the end of the school month following his/her return from such absence, with the Superintendent or designee, a written certificate which shall set forth the day or days absent, that such absence was necessary and that he/she is entitled to receive pay for such absence in accordance with provisions set forth above. The Superintendent may, at his/her option, require a certificate of illness from a licensed physician or from the county health officer.

D. **Sabbatical Leave**

1. The District will award up to thirty (30) sabbatical leaves per school year to applicants who will use said leave for the purpose of obtaining certification in an area in which the Board determines that a shortage of employees is developing.

2. The District will develop each school year a list of certification areas in which a shortage of employees is developing.

3. Applications for sabbatical leave will be screened by a Committee of six (6) members. Three (3) members of the Sabbatical Committee are to be appointed by the President of the BTU, and three (3) members are to be appointed by the Superintendent.

4. An applicant must agree to pursue a plan approved by the Committee and leading to certification in an area in which a shortage of employees is developing.

5. The applicant must provide a written recommendation from his/her principal, department head and the affected curriculum supervisor.

6. Seniority shall not be a factor in awarding critical shortage sabbaticals.

7. An application for sabbatical leave shall be submitted to the Superintendent not later than March 1st (or the last workday preceding March 1st) preceding the school year for which the leave is sought.

   However, this deadline may be extended by mutual agreement between the parties. If the Committee requests clarification of an application, the Committee will inform the applicant of the time limit for supplying the information.

8. The Superintendent will give written notice not later than the second Board meeting in April to each applicant regarding the disposition of the employee's application.

9. An employee granted a sabbatical leave shall inform the Superintendent in writing of his/her intention to either accept or decline such leave. Such notification shall be given not later than fifteen (15) days after the applicant has received notice of approval for leave.

10. If more critical shortage sabbatical applications are received than the projected number of critical shortage vacancies for a critical shortage subject area, then the applicants shall be rank-ordered by critical shortage subject area based upon the Sabbatical Committee ratings. The sabbatical vacancies shall be offered to the applicants in order from the highest to the lowest ranking applicant in a subject area until all projected critical shortage area vacancies are filled or the maximum of thirty (30) sabbaticals are offered. Should any of the original choices decline his/her sabbatical leave due to a change in plan or lack of acceptance in a program, the next ranked applicant in that critical shortage subject area shall be notified and considered. This process shall continue through the list of alternate-designates until all approved applications have been accepted or rejected.

11. There shall be separate application forms for sabbatical leave and tuition reimbursements under this provision.

12. The Sabbatical Committee is hereby authorized by the parties to issue a recommendation to the President of the BTU and the Chief Human Resources & Equity Officer who are authorized to reach a final agreement on the procedures that will be printed and distributed to all work locations and will become part of this Agreement.

13. Employees granted critical shortage sabbaticals shall receive seventy-five percent (75%) of their base salary while on said leave.

14. Employees who are granted this leave shall agree in writing to teach in the District for three (3) years after returning from said leave.

15. The period of such leave shall count as regular service for the purpose of retirement, if approved in advance by the retirement system, and the contribution to the appropriate retirement system therefore shall continue. The employee's insurance benefits normally paid by the District and provided in this Agreement will be paid by the District while the employee is on sabbatical leave. The leave shall count for purpose of salary increments but such increments shall not be applied retroactively. The leave shall not count for vacation or sick leave.

16. An employee who returns from completion of a critical shortage sabbatical shall be placed in a position requiring the certification earned by the employee while they were on said leave provided that such a position exists in the District.

If no position exists, the District shall employee the person in another position for which he/she is qualified until a vacancy in the critical shortage area is announced.

17. **Teacher Directed Improvement Fund (TDIF)**

a) The parties agree to create a TDIF for the purpose of designing and recommending a procedure for awarding special grants to bargaining unit members. The Superintendent and the President of the BTU shall each select three (3) representatives to serve on the Committee.

b) The funding for the Grants shall be $1,514,248 annually, except that such funding shall be suspended for the 2011-2012 school year. All unspent funds shall be carried over to the following fiscal year. Up to $42,500 shall be deducted from the TDIF fund to pay for up to one-half (1/2) the administrative costs associated with this program. It is the intent of the parties to notify applicants of the disposition of their grant applications within sixty-five (65) days after the close of the application period. This program shall be administered by the Division of Human Resources & Equity.

c) Examples of items which might be considered for special grants include differential staffing programs, research projects to strengthen curriculum, career ladder stipends, attendance at a center for creative learning, etc.

d) The Committee is hereby authorized by the parties to issue a recommendation to the President of the BTU and the Chief Human Resources & Equity Officer who are authorized to reach a final agreement on the procedures which will be printed and distributed to all work locations and will become part of this Agreement.

e) Teachers with a minimum of five (5) consecutive years of satisfactory service for the SBBC may apply for workshop and conference reimbursement to a maximum of $1,000 per teacher. The WCCI applications will be divided into three (3) groups. Group A will consist of teachers with five (5) to thirteen (13) years of continuous experience in the teachers' bargaining unit. Group B will consist of teachers with fourteen (14) to twenty-one (21) years of continuous experience in the teachers' bargaining unit. Group C will consist of teachers with twenty-two (22) or more years of continuous experience in the teachers' bargaining unit. The

available funds for WCCI-TDIF applications will be allocated according to the following – Group A will receive twenty-five percent (25%) of the available funds, Group B will receive thirty-five percent (35%) of available funds and Group C will receive forty percent (40%) of available funds.

The applicants chosen will alternate every other year (within each group) from highest to lowest seniority, and then lowest to highest seniority to make the process more equitable for teachers at all levels. In school years beginning in odd numbered years, the most senior teachers within the group will have priority, in school years beginning in even numbered years, the least senior teachers within the group will have priority. Funding will be awarded in the manner commencing in the 2010-2011 school year.

The TDIF Committee shall also establish rules and regulations applicable to tuition reimbursements and school education projects. If a teacher does not intend to use the TDIF funding, they must notify Academics (TDIF) by March 1 of any given year. Failure to notify will result in the teacher being ineligible for any TDIF funds for two (2) years.

E. **Temporary Duty Leave:** Temporary duty leave may be granted to employees by the principal or supervisor equivalent in rank for the purpose of:

1. Attending and/or participating in professional meetings relating to educational workshops, seminars or conferences sponsored by professional organizations, colleges, universities or government or private agencies concerned with public school matters.

2. Visitation for the purpose of observing instructional techniques or programs.

3. The principal agrees to provide funds for normal expenses for professional leaves up to the limits provided by Board policy. It is understood that normally only one (1) member of a department may attend any one (1) such meeting at school expense. The Superintendent may approve of exceptions.

4. Employees approved for TDIF grants shall be approved for temporary duty leave so long as all costs, including substitute costs associated with the leave are paid through the grant.

F. **Legal Commitments:** Employees shall be granted leave for legal commitments and shall receive their regular salary while serving as jurors or witnesses under subpoena.

G. **Professional Leave to Attend Summer School:** Professional Leave to Attend Summer School shall be granted when students are not in session to any employee required to be absent at the beginning or end of a school year, in order to attend a full-time course of summer study. Such leave shall be without loss of pay and shall be limited to three (3) days at the end of a school term, and three (3) days at the beginning of a school term, provided that a maximum of three (3) days shall be granted in any one (1) school year. The principal shall certify that the absence of the employee will not interfere seriously with the employee's contractual obligations or jeopardize the accreditation of the school.

H. **Military Reserve Leave**

1. Any employee who is a member of a national military reserve unit or National Guard shall be allowed up to seventeen (17) days of leave without loss of pay or other accumulated leave when ordered to active duty by the appropriate unit during regular term. At the District's discretion, the leave period may be extended up to thirty (30) days. An employee required to report for a physical examination under any selective service law shall be granted leave without loss of pay or other accumulated leave for the time required for this obligation.

2. Employees who are reservists called to active duty shall receive pay to supplement their military pay in the amount necessary to bring their base salary, inclusive of their base military pay, to the level earned at the time they were called to active duty. Base salary shall be defined as the employee's main job with the District.

3. Employees on active duty shall be eligible to continue their District health insurance coverage by paying the employee's share of any cost of such coverage.

4. During the period of leave required by the call-up, the employee shall continue to maintain his/her seniority and shall accrue sick leave.

5. Upon returning from leave, the employee shall receive experience credit on the salary schedule for the time spent on active duty in the military call-up and shall be returned to employment to their school/work site prior to the active military leave.

6. The terms of this Agreement shall be in effect during the period of time established by the District when a military call-up is in effect and shall expire at its conclusion.

I. **Active Military Service Status:** Any employee required or volunteering to serve in the Armed Forces of the United States shall be granted leave without pay for such service.

An employee returning from such leave shall be returned to employment, without prejudice, provided application for reemployment is filed within six (6) months following the date of discharge or release from active military duty, and provided further that the District shall have up to six (6) months to reassign the employee to duty in the school system.

J. **A Leave of Absence For Professional Enhancement**: A leave of absence for professional enhancement without salary, shall be authorized for any employee who has been employed for more than three (3) years in Broward County, upon application, for a minimum of one (1) school year. Upon approval of the Superintendent and Board, a leave of shorter duration may be granted for the purpose of (1) engaging in study at an accredited university; (2) full-time participation in federally sponsored volunteer programs; (3) full-time teaching in foreign or military programs; (4) cultural travel or work program related to professional responsibilities; or (5) participating in exchange teaching programs in other territories or countries. The above leave is available to a teacher who has an evaluation rating of Effective or Highly Effective. For other teachers, unless the leave is directly related to increasing content knowledge or improving pedagogy in the teacher's field, this leave is subject to special approval by the Superintendent.

Applications for Professional Enhancement Leave: Applications for Professional Enhancement Leave shall be submitted to the Superintendent not later than sixty (60) days prior to the start of the year in which leave is to commence. Experience credit on the salary schedule in the amount authorized in the leave shall be granted upon the employee's return from the leave for purposes stated in Sections J (3) and J (5) above. Upon return from such leave, the employee shall be returned to his/her former position or to a substantially similar position, for which the employee is fully qualified.

K. **A Personal or Maternity Leave:** Personal or maternity leave without pay and not to exceed three (3) years shall be granted to an employee for the purpose of childbearing and/or child rearing and/or child care as follows:

1. An employee may continue to be actively employed during pregnancy only so long as the employee is properly able to perform required teaching functions.

2. All or any portion of a leave taken by an employee because of medical disability connected with or resulting from the pregnancy may, at the employee's option, be charged to the employee's available sick leave.

3. An employee shall be entitled, upon request, to personal leave to begin at any time between the birth of the child and up to two (2) years thereafter.

L. **Continuing Insurance Coverage While On Leave:** Any employee granted a District approved leave of absence with or without pay as provided in this Article shall be given the opportunity, unless otherwise provided, to continue insurance coverage's in existing school programs and, with the approval of the retirement system, continue participation in the retirement system during the leave, provided that the premiums for such insurance programs shall be paid by the employee on a monthly basis in advance of the month due. Any such employee may serve as a substitute teacher in the District while on leave.

M. **Teaching Position While on Leave:** An employee may be employed in a teaching position outside of the District while on leave.

Also, employees who are on any District approved unpaid leave of absence are authorized to work in a temporary, part-time capacity with the District. Said employees may apply for such positions, and if selected by the District, will be allowed to work.

N. **Length of Leave:** An employee who has been employed for more than three (3) years in Broward County may be granted upon request, personal leave without pay for a period not to exceed two (2) years for reasons not provided elsewhere in this Agreement. The employee shall be returned to duty at the beginning of the next school year following the leave. Such leave shall require the approval of the Superintendent. An employee identified for or engaged in a written plan for improvement shall not be eligible for a leave if within the last two (2) years the teacher was granted a personal leave while identified for or engaged in a written plan for improvement.

O. **Returning Early from Leave:** If an employee notifies the Superintendent of the desire to return to active employment before the expiration of such leave, the District shall place the employee in a vacant position within their choice of certification and geographic area. If the affected employee is

offered a position by the District and he/she rejects said position, then he/she may not return to work until the expiration of the approved leave.

P. **Elected to Public Office:** Bargaining unit members who have been employed for more than three (3) years in Broward County who are elected to a public office in the State of Florida may be granted a non-paid leave of absence for the length of the term of office. If the affected employee notifies the Superintendent of a desire to return to employment before the expiration of such leave, said employee may be returned to duty to a position for which he/she qualifies. The employee shall be returned to duty at the beginning of the school year following the leave to a position for which he/she qualified.

Q. **District Determination:** All leaves granted at the request of an employee shall be for particular purposes or causes. The District shall have the right to determine that the leave is used for the purposes or causes set forth in the application, and if not so used, the District may cancel the leave, provided, however, that verification of use of personal reasons leave shall be as provided in A (2) above.

R. **Replacement Teacher:** Employees returning from any leave granted by the District shall not be guaranteed the same work location or assignment. However, any employee filling the position of an employee on leave for one (1) year or less who has been promised the same position upon return from leave shall be given written notice at the time of employment that his/her position will no longer be available when the leave expires.

Such employee shall be considered a replacement teacher and shall not be entitled to the guaranteed re-employment provisions afforded to annual contract teachers as contained in Article Eighteen, Sections C and D of the contract.

S. **Accrued Annual Leave:** Employees employed on a twelve (12) month work calendar shall accrue annual leave (paid vacation) at a rate of one (1) day per month for employees during the first five (5) years of employment; one and one-fourth (1 1/4) days per month for employees during the sixth (6^{th}) through ninth (9th) years of employment; and one and one-half (1 1/2) days per month for employees during and beyond the tenth (10th) year of employment.

T. **Sick Leave Bank**

The parties mutually agree to establish a sick leave bank (hereafter referred to as the bank) for employees. Participation in the bank shall be voluntary. The bank shall be governed by the following procedures:

1. **Creation of the Bank:** The bank will be established providing that one thousand (1000) days have been deposited (one [1] per full-time employee), during an enrollment period extending thirty (30) calendar days from the date such enrollment period is announced to employees. Subsequently, employees may enroll in the bank only within thirty (30) calendar days of the beginning of the official school year.

2. **Membership Requirements:** Full-time employees who have been employed full time for at least one (1) full year, and who have sick leave accrual of ten (10) days at the time of enrollment may enroll in the sick leave bank by contributing one (1) day of sick leave to the bank. At the time of the contribution, the sick leave day shall be converted to a monetary sum by multiplying the day donated times the donor's daily rate of pay when contributed.

3. **Sick Leave Bank Committee:** The Committee shall be appointed by the BTU for the purpose of administering the sick leave bank. The Committee shall:

   (a) Maintain adequate records relative to all functions of the bank.

   (b) Meet periodically, as requested by the Superintendent, with a designated administrator of the county to review BTU sick leave bank records.

   (c) Operate the bank in accordance with rules and procedures mutually agreed to by the parties. However, the Superintendent shall establish and the BTU will comply with procedures for identifying and recording contributions to and withdrawals from the bank.

   The parties authorize the Committee to establish additional administrative procedures necessary for the operation of the bank as long as said procedures are consistent with and do not change any of the criteria contained in this section of this Article.

   (d) Not grant more sick leave days than are available in the bank.

4. **Withdrawal Rights and Procedures:** Participating bank members may request sick leave days from the bank within the following limitations:

(a) A withdrawal may be approved only upon the total depletion of the respective employee's accumulated sick leave and vacation leave. In addition, the affected employee must have exhausted or be ineligible for any type of leave granted by the District related to the accident, illness or injury, including but not limited to leave granted for disability or for illness or injury on the job.

(b) The maximum withdrawal for any employee for one (1) illness or injury or complications thereof shall be fifty (50) days.

(c) An employee may apply to the Committee for a withdrawal in advance of the depletion of such employee's accumulated sick leave, to be granted, if needed, upon such depletion. However, applications must be made no later than ten (10) working days after the participant returns to work.

(d) Withdrawals shall be in full day units and must be for catastrophic illnesses or injuries that extend for a minimum of eight (8) consecutive days. Withdrawals for absences that extend beyond thirty (30) days shall not be granted if the employee is receiving disability benefits nor shall it be granted for absences for which the employee is being reimbursed for loss of wages under an individual insurance policy.

(e) All applications for withdrawal shall be in writing and shall be verified by the Committee. The Committee may submit a request to the Superintendent concerning the implementation of Article Twenty-Three, Section C of this Agreement.

(f) The salary of a teacher participating in the bank will be reduced by any benefits drawn from Worker's Compensation.

(g) When days are awarded from the bank, they will be withdrawn at the receiving party's daily rate of pay.

(h) The Committee may request the Superintendent to request a second medical opinion from the applicant at his/her expense.

(i) Withdrawals shall be granted only for the illness, accident or injury of the bank participant.

(j) The bank may not be used for elective surgery which can be planned to occur during non-work time. The question of elective or necessary surgery shall be determined by the

physician in charge. A second doctor's diagnosis may be required, at participant's expense.

5. **Maintenance of the Bank**

(a) Once the bank is established, there shall be no requirement for an employee to replace sick leave days withdrawn from the sick leave bank, except as equally required of all other participating employees. If the bank is depleted to a point where only seventeen thousand dollars ($17,000) remains, all members of the bank shall contribute one (1) day each time the bank is depleted to this level.

(b) A participating employee who chooses to no longer participate in the sick leave bank shall not be allowed to withdraw any sick leave already contributed to the sick leave bank.

6. **Duration:**
The sick leave bank shall remain in existence for the duration of this contract and may be renewed in succeeding contracts.

7. **Indemnification:** The BTU and members of the bargaining unit shall indemnify and hold the Board and all administrators harmless against any and all claims, demands, suits, or other forms of liability and all court costs arising out of the application of the provisions of this section.

8. **Eligibility:**

(a) District produced eligibility forms should be sent to only those not in the sick leave bank, when additional members are sought for initial enrollment.

(b) The District shall send to the BTU a complete list of eligible employees by the end of the first pay period in October.

(c) The District shall notify the BTU of new enrollees within thirty (30) calendar days of the close of open enrollment.

(d) The District shall send to the BTU an updated Sick Leave balance statement on a regular basis.

U. **Family and Medical Leave:** The District will provide family and medical leave for qualified employees pursuant to the provisions of the Family and Medical Leave Act (FMLA) of 1993. The parties agree that the provisions outlined below are the eligibility standards for the FMLA.

1. A leave of absence under this policy for a full-time employee shall be granted for a total of twelve (12) work weeks during any school year (July - June) for one of the following reasons:

   a. birth of a son or daughter of the employee and in order to care for such son or daughter.

   b. placement of a son or daughter with the employee for adoption or foster care.

   c. care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent, has a serious health condition.

   d. a serious health condition that makes the employee unable to perform the functions of the position of such employee.

2. For purposes of this policy, an "eligible employee" means an employee who has been employed:

   a. for at least twelve months by the Board;

   and

   b. for at least 784 hours of service with the Board during the previous twelve month (July-June) period.

3. Employees who are part-time unit members (not less than four [4] hours per day) shall be eligible for a pro-rata amount of twelve (12) weeks of leave. For example, an employee who is sixty (60) percent of full-time is eligible for 7.2 weeks of leave or 36 days.

4. If both a husband and wife are employed by the Board, the aggregate number of workweeks of leave to which both may be entitled is twelve (12) workweeks.

5. Employees who are on leave granted under this policy who are eligible and receive Board provided group health insurance when actively working for the Board shall maintain this coverage for the duration of such leave. Employees who pay for dependent insurance and other types of Board offered insurance coverage must make arrangements before going on leave or in emergency situations, as soon as possible thereafter, to make direct premium payments to the Board while on leave to continue this coverage.

6. Family leave as outlined in number one above, subsections a & b above shall not be taken intermittently. The affected employee must take a minimum of four (4) weeks of leave.

7. Medical leave as outlined in number one above, subsections c & d may be taken intermittently when medically necessary. Under such circumstances, the employee must try to schedule the leave so as not to unduly disrupt the employer's operations. Also, the Superintendent may place the employee in an alternative position which better accommodates intermittent leave.

8. The Board shall require a medical certification from eligible employees who request medical leave under the FMLA. The form will be provided by the Superintendent and the completed form must be returned within five (5) working days. This deadline may be extended in unusual circumstances as determined by the Superintendent.

9. This leave may be taken before or after utilizing any other leave provisions to which the employee is entitled to under the provisions of this contract.

V. **Americans with Disabilities Act:** The District shall comply with the Americans with Disabilities Act (ADA) of 1990, as amended. The Americans with Disabilities Act of 1990 provides that no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of the District, or be subjected to discrimination or harassment.

Any employee who believes he/she has been discriminated against, denied a benefit, or excluded from participation in any District education program or activity, on the basis of disability, may file a complaint with the Office of Equal Educational Opportunities/ADA Compliance.

W. **Professional Sabbatical Leave**

1. **Eligibility Requirements**

a. Full-time bargaining unit members who are in an active pay status (not on leave) with an evaluation score of at least effective, hold a current professional certificate, have a minimum of five (5) creditable years with the District, and have ten (10) years of verifiable creditable teaching or other work related experience prior to the effective date of the Professional Sabbatical Leave. The leave will be for a full

school year. An employee is only eligible for one (1) such leave during their career with the District.

2. **Requirement While On Leave:**

a. The employee must undertake an activity that will be beneficial to him/herself and the District. Applicants must be pre-approved for the leave. Acceptable projects during said leave include, but are not limited to:

1. performing community services.
2. serving as a District volunteer.
3. conducting educational academic research on a pre-approved topic. If this option is selected, the employee must provide the District with a research report.
4. teaching undergraduate or graduate classes.
5. learning a second language.
6. upgrading skills related to career and technical education.

3. **Benefits**

a. Teachers on this leave will be paid $5,000 per year in equal monthly installments of $500 (less FICA and withholding taxes) for an employee on a full school year calendar for ten (10) months. The District will pay retirement contributions on these payments. The payment of said amounts shall be in accordance with the provisions of Article 19, Section N of this Agreement. Employees working less than full time shall receive a pro-rata share of the $5,000. The District will pay retirement contributions on these payments.

b. The affected teacher may retire at the conclusion of this leave or may elect, upon return from such leave, to make additional retirement contributions and receive retirement credit for the leave period, based on the full salary earned prior to the leave of absence. If additional contributions are not made, only the employee's sabbatical pay shall be used should such period be included in the employee's average final compensation.

c. Professional Sabbatical Leave recipients will continue to receive District paid insurance benefits equal in value to what the employee would have if not on leave.

4. **Application Procedures:**

a. Employees must apply for the leave not later than June 14th of each year.

b. This leave is irrevocable and the employee may not return to work prior to the conclusion of the leave.

5. This program shall automatically expire at the end of this Agreement and may only be continued by mutual written agreement between the District and the BTU.

X. Donation of Sick Leave: An employee may donate earned and accrued sick leave to a qualified district employee in accordance with the following procedures.

A. Qualified district employee is defined as a benefits eligible employee who holds a position, which is eligible for sick leave accrual.

B. Days/time may not be donated until such time as the recipient has depleted his/her own sick leave accrual. However, the recipient is not required to utilize days available from a sick leave bank in which they may participate prior to receiving a donation from a district employee.

C. With the exception of pay for the purpose sick leave, donated days/time shall have no value for the recipient for the purposes of terminal pay or any other program and/or provision that provides pay for accrued sick leave.

D. Donated days/time may not be utilized for the purpose of personal reasons leave.

E. At the time of an employee's donation to a qualified district employee, the donated sick leave day shall be converted to a monetary sum by multiplying the day donated times the donor's daily base rate of pay at the time of the donation. The resulting value shall be credited to the recipient for use as sick leave.

F. The recipient employee must notify his/her supervisor within five (5) days of his/her absence from work that he/she is eligible to be compensated for such sick leave as a result of a donation from an employee. An employee may notify his/her supervisor that he/she is eligible for a donation of sick leave in advance of the depletion of his/her sick leave and that a donation will be utilized upon depletion of his/her sick leave.

G. The donor employee must notify his/her supervisor within five days of a recipient employee's illness that he/she will authorize the donation of sick

leave time to recipient employee. The donor employee shall sign the Sick Leave Donation Authorization form and submit the completed form to his/her supervisor within the above time frame. A donor employee may notify his/her supervisor that he/she will authorize a donation of sick leave in advance of the recipient's depletion of his/her sick leave and that a donation will be authorized upon depletion of the recipient's sick leave.

H. Day(s) will be deducted from the donor employee's sick leave accrual, in accordance with existing School Board practice, and credited to the recipient employee's sick leave accrual in accordance with the conversion specified in paragraph 5 above. Said time shall be paid to the recipient at his/her current rate of pay.

I. All sick leave compensated by the use of donated days may require a certificate of illness from a licensed physician or from the county health officer.

J. The donation of days to a qualified district employee shall not disqualify the donor employee from eligibility for attendance award(s) contained in Collective Bargaining Agreements and/or Board Policy.

Y. Declared Emergency Paid Leave:

1. A declared emergency is defined as one declared by federal, state, or local officials.

2. Employees may receive Declared Emergency Paid Leave when one or more of the following conditions exist:

   a. The Superintendent or designee is authorized to declare that an emergency event exists for which said leave is available.

   b. The employee is unable to return to work due to required evacuation.

   c. The employee sustains personal injury or significant damage to their personal residence.

   d. The employee is needed to assist a family member with a storm related health emergency.

   e. The employee is required to participate in relief efforts.

f. The employee's personal involvement is required for other emergency related circumstances.

3. Requests for leave must be recommended by the authorized supervisor for approval by the Superintendent or designee.

4. The employee may be required to provide documentation of the condition(s) in subsection 1 above for which leave is requested.

5. Declared Emergency Paid Leave shall not exceed ten (10) days per declared emergency event unless authorized by the Superintendent.

6. Declared Emergency Paid Leave shall not be deducted from the employee's accrued leave.

Z. Domestic Violence Leave: The parties mutually agree that upon approval of and in alignment with the School Board Policy on Domestic Violence Leave, the three (3) days of leave as outlined by Florida Statutes shall be paid leave for employees who are victims of domestic violence, as defined in Florida Statutes, Section 741.28.

ARTICLE TWENTY-FOUR
EMPLOYEE ASSISTANCE PROGRAM

A. **Establishment:** The District and the BTU recognize the necessity for identifying, developing, promoting and promulgating sound physical and mental health and developing prevention and correction programs for bargaining unit members. As a result of this awareness, and at the request of the BTU, the District has established an Employee Assistance Program.

B. **Purpose:** The basic elements of this program may include:

(a) referring troubled employees to community resources for counsel or treatment.

(b) developing programs for stress reduction.

(c) developing procedures for identification and referral of employees in need of assistance.

C. **Committee Composition:** The BTU shall designate two (2) members to an "Employee Assistance Program" Committee. The Superintendent shall appoint two (2) members. The Committee shall make recommendations to the Superintendent and the President of the BTU concerning program procedures and services.

D. **Enrollment:** Any employee who desires to enroll in the Employee Assistance Program or is recommended for enrollment must submit a request to the program coordinator.

E. **Special Leave:** Such employees who have depleted all of their available sick leave must request a special unpaid leave of absence from the District not to exceed one (1) year. The term and conditions of the leave shall be determined by the Board.

F. **Drug Free Workplace**

1. The District and the BTU recognize that substance abuse in our nation and our community exacts staggering costs in both human economic terms. The District and BTU share a commitment to maintain a drug-free workplace.

2. Reasonable suspicion testing requires authorization of the Director of Risk Management or the Special Investigative Unit. Administrators requesting reasonable suspicion drug tests shall be trained and competent in the recognition or drug/alcohol abuse.

Circumstances under which testing may be considered include, but are not limited to, the following:

a. observed use of illegal drugs and/or abuse of alcohol during work hours
b. apparent physical state of impairment of motor functions
c. marked changes in personal behavior on the job not attributable to other factors
d. employee involvement in serious or repetitive accidents on the job, causing personal injury to self or others and/or significant property damage.

3. Drug and/or alcohol testing shall be conducted by District approved, independent, certified laboratories utilizing recognized techniques and procedures, as described in the School Board of Broward County "Reasonable Suspicion Drug Testing" procedures, which is incorporated by reference into this contract, and made part thereof.

4. Employees subject to drug testing procedures shall be treated in a respectful and confidential manner. Employees shall be informed of the intention to require a drug/alcohol test and the basis upon which the test is being required. Employees shall have the right to consult with a representative of the BTU, provided it does not delay the testing process unreasonably, and shall be informed of this right prior to submitting to a testing request. Employees shall not be required to pay for any drug tests required by the District.

5. Employees who test positive for the first time shall be referred to EAP. Successful completion of a recommended program may mitigate any recommended disciplinary action.

6. All information received or produced as a result of a drug testing program are to be treated as confidential to the extent possible under provisions of state and federal law.

ARTICLE TWENTY-FIVE
REASSIGNMENT & TRANSFER

It is the intent of the parties to provide staff stability and opportunities for reassignment and transfers. The following procedures shall be utilized to achieve this objective:

A. Reassignment

1. A reassignment is defined as a change in grade level or subject assignment at an employee's currently assigned work location; or, in the case of a teacher assigned to a center, area, or off campus facility, a change in any position under the direction and supervision of a principal regardless of site location.

2. Employees who desire to be reassigned shall file a written statement with his/her school principal of such desire. Voluntary requests for reassignment shall receive first consideration to the extent that vacancies exist within the building/location.

3. Involuntary reassignments shall be made at the discretion of the principal provided the authority is exercised in a professional and fair manner; not arbitrary or capricious. The principal shall advise the employee through a personal interview that a reassignment is being recommended and the reasons therefore.

4. (a) An employee with a complaint about being unfairly reassigned in an arbitrary and capricious manner may present the complaint to his/her principal.

   (b) If the principal is unable to resolve the complaint the employee may present the complaint to the Chief School Performance Accountability Officer for review.

   (c) If the Chief School Performance & Accountability Officer is unable to resolve the complaint, the Superintendent and the President of the BTU will meet periodically to jointly resolve the unresolved complaints. The resolution at this level is final and binding and shall not be further challenged under Article Thirty-Four.

5. Employees receiving an involuntary reassignment during the school year shall receive three (3) non-assigned preparation days prior to the start of the involuntary assignment.

B. Transfers

1. A transfer is defined as a permanent (more than one semester) change in the school, center, off-campus facility or other location at which the employee is regularly assigned. For purposes of this section a main building, any annex building(s), or portable classrooms shall be deemed to be part of the same school, center or off-campus facility irrespective of physical location provided that all such facilities have the same administrator.

   For Psychologists, School Social Workers and other such employees who are assigned to school/center, a transfer is defined as a change in the school/center.

   Reassignment as defined in Article Twenty-Five, Section A(1) shall not constitute a transfer for the purposes of this Agreement.

2. A transfer for an employee who is assigned to work in a program or activity which regularly or occasionally requires performing work at more than one school, center, off-campus facility or other location (e.g. store front schools or detention facilities) shall be deemed to occur only when the employee is moved to a program or activity which is under the supervision of a different principal or administrator.

3. The parties agree that prior to the effective date of any mergers, expansion or consolidation of programs or activities which require changes in employee work locations, the District will give written notice to the BTU. Upon request of the BTU, the BTU president and the Superintendent. or their respective designee, will meet and confer regarding the movement of the employee.

4. Employees who desire a transfer shall complete the District Online Transfer Request Form, print for their records, and submit a copy to their principal.

5. **Posting of Vacancies:** Except in instances when voluntary transfers are approved by the Superintendent, the vacancy posting will be available via the District's on-line application/recruitment system. The vacancy posting will include the subject area or grade level of the vacancy, the date the vacancy will occur, the qualifications required and the school in which the vacancy exists. A vacancy shall be deemed to have occurred when a full-time employee is sought to fill a full-time position. Such posting shall be made at least five (5) working days before the vacancy is to be

permanently filled. Vacancies in virtual school positions shall be advertised in the same manner as full-time positions.

C. **Voluntary Transfers (Regular & Special):**

1. Transfer applications shall be provided by the District and may be submitted any time after January 1st through June 30th. Such applications shall remain active until the following December 31st.

   Applicants may request and specifically list ten (10) schools to which they are interested in transferring.

2. The staff of the Division of Human Resources & Equity shall provide access of all transfer requests to locations.

3. **Transfer Window:** Voluntary transfer applicants who have requested a specific school for the following school year must all be considered before the affected principal can fill the vacancy with a new hire. After the schools' budgets have been finalized, an early transfer window, using an efficient method for interviews, will allow only teachers who have requested voluntary transfers (regular and special) to transfer. Applicants may be interviewed prior to the placement of teachers being involuntarily transferred. Following this transfer window, involuntary transferred teachers will be placed. After the placement of involuntary transfers, the transfer window will be reopened for regular and special voluntary transfers. Except for hardship transfers, no transfer will be allowed if the employee does not apply by the last day of the regular school year. Locations must select a transfer at least fourteen (14) calendar days prior to the first teacher planning day of the upcoming school year and then no transfer will be allowed.-Hardships may continue to be selected. Factors to be considered by the principal include, but are not limited to:

   a. required certification/qualifications for the position.
   b. sending and receiving school's faculty racial ratio.
   c. mutual agreement of employee and the affected administrators.
   d. seniority of the affected employee.

4. **Special Transfers**

   Hardship Transfers: For purposes of this Section, a "hardship" shall be a situation when a teacher has completed a year of service with the District and:

a. travels twenty (20) miles or more one-way, by the most direct route within Broward County limits to the assigned work location; or

b. has a serious medical and/or personal problem which can be substantiated by a District selected physician or acceptable written explanations as determined by the Superintendent. Employees meeting the criterion in this section, may apply for a medical/personal problem transfer at any time and may be transferred after the start of the school year for students.

c. An employee who meets the "hardship" definition will be guaranteed an interview for a District determined vacancy at one (1) of the ten (10) schools the employee selects on their Online Transfer Request Form and applies to the specific school via the District's online application system. Hardships do not need to be considered, during the early transfer window.

Guaranteed Transfers: Voluntary transfer applicants shall be granted a transfer if a vacancy exists for the following school year in one of ten (10) schools the employee selects on their Online Transfer Request Form and applies for the specific school via the District's online application system. The employee will be considered based on the following conditions listed below. However, no transfer will be considered if the employee does not apply by June 30th. Locations must select a transfer at least fourteen (14) calendar days prior to the first teacher planning day of the upcoming school year.

a. Transfer applicant holds the required certification/qualifications for the position.

b. The affected teacher must have completed not less than fifteen (15) consecutive years in /her current school.

c. Not more than ten percent (10%) (rounded up to the nearest whole number) of the bargaining unit members at a school will be eligible for a transfer under this section. The ten percent (10%) shall be determined by the longest number of years of bargaining unit service at their current school. In case of a tie, Article Three, Section E, 3, c-d shall be utilized.

d. If more than one (1) eligible teacher requests the same vacancy and they are certified for said position, it shall be awarded by bargaining unit seniority. Ties shall be broken pursuant to the provisions of Article Three, Section E, 3.

e. No school in the District shall be required to accept more than the following number of teachers under the provisions of this Section:

ESE, Elementary	=1
Middle	=2
Technical Colleges and High Schools	=3

f. The Superintendent can reject a transfer under unusual conditions as determined by the Superintendent such as the need for diverse staff, ESOL requirements and those supplements listed in Article Twenty-Five, Section D, 5.

g. Guaranteed Transfers shall be processed before other voluntary transfers except during the early transfer window.

Return Transfers: Teachers who are involuntarily transferred shall have the first right of refusal for vacancies that occur at their previously assigned school prior to the close of the transfer window.

5. **Superintendent Approval:** After the day before school starts for students each year, the Superintendent may approve voluntary transfers under extenuating circumstances as determined by the Superintendent.

6. **Delay of Voluntary Transfers:** Voluntary transfers shall not be processed until such time as the District has depleted the list of surplus teachers needing placement under Section D. below, except during the early transfer window.

D. **Involuntary Transfers:** Involuntary transfers will be made with the approval of the Superintendent when a reduction in the number of employees in a school is necessary, or to prevent disruption of the instructional program.

1. **Request Volunteers:** When a reduction in the number of employees in a District designated subject area/program or specific positions is necessary, notice of the reduction shall be emailed to all faculty and qualified volunteers shall first be transferred, provided the employee retained is qualified to perform the required work. The teacher who volunteers to transfer shall provide his/her principal with a list of ten (10) schools that he/she would prefer to transfer to. If two (2) or more such volunteers request the same school and a vacancy exists for which the employee is qualified, the most senior teacher shall be transferred to said school. If no vacancies exist at

any of the ten (10) schools at the time an involuntary transfer is necessary, the voluntary teacher(s) shall remain at his/her school and an involuntary transfer shall take place pursuant to the provisions of this section.

a. The parties recognize that in certain career and technical subjects/disciplines, specific training and experience may be required to successfully teach a course. Therefore, when it becomes necessary to surplus a career and technical teacher, the surplussed teacher must demonstrate one (1) or more of the following before being placed in a vacant career and technical position:

   1. Recency of teaching experience in the subject and/or program.

   2. A license or documentation and/or recency of business/industry work experience necessary to meet the program needs.

b. If a surplussed teacher cannot meet the criteria listed above, the employee will be placed in a non-career and technical (excluding dropout prevention) class if said employee has another area on his/her certification. If the employee does not have a non-career and technical area on his/her certification, the employee may:

   1. Placed by the District as a replacement teacher.

   2. Become retrained and add a new area to his/her certification by taking a bachelor's level Florida Subject Area exam, if eligible.

2. **Reduction By Seniority / (Elimination of Position(s)):** If a reduction in the number of employees within a location is still necessary after Volunteer Transfers have been placed, the reduction will occur by subject area/program. All teachers/bargaining unit members are grouped in the following order:
   - within their subject/program/elementary schools (K-5);
   - type of contract (PSC, AC, PC, etc.); and then
   - seniority order.

   The least senior teacher will be identified as the involuntary transfer and complete the information listed below in #3. Position Assistance.

3. **Position Assistance:** When an involuntary transfer is required, the District shall provide assistance in finding a new position which the employee would prefer to accept. Employee(s) shall provide his/her principal and the Superintendent's designee with a list of ten (10) schools in the county to which they would prefer to be transferred. The employee shall review the list of vacancies that are available on the District's on-line application system. If no position exists, the employee shall be transferred to an available position. Those schools where special programs (i.e., SIG) exist shall be exempt from receiving involuntarily transferred teachers when both parties agree to the program terms through a Memorandum of Understanding (MOU).

4. **Assigned By Seniority:** In filling vacancies, qualified employees who are being involuntarily transferred shall be assigned by seniority before assignments are made for new employees and for employees seeking voluntary transfers, except during the early transfer window.

5. **Exempt from Surplussing:** The parties agree that the principal has the responsibility to maintain District approved curricular and co-curricular activities. When it becomes necessary for the Superintendent to implement the provisions of this section, the principal may provide for the following curricular and co-curricular exemptions:

   Athletic director, those head coach positions listed in Appendix F, Section I., D., 2, of this Agreement, drama coach, debate coach, academic games sponsor, newspaper sponsor, yearbook sponsor, music, department chairperson, team leader and grade level chairperson.

6. **Steward Superseniority:** One (1) BTU steward per school shall be given superseniority and also be exempt from the provisions of Section 5 above. The BTU will provide the Superintendent with an annual list of the official steward at each school that this section shall apply to. This shall be the same steward as the one referenced in Article Six, Section F (4) of this Agreement.

E. An employee shall not be assigned or transferred during the term of this Agreement on the basis of the amount of salary of the employee.

F. **PROCEDURES TO FILL VACANCIES AT NEW SCHOOLS**

1. The Superintendent will determine the number of total anticipated vacancies at the new schools. Vacancies will be categorized by

subject areas, i.e., math, science, elementary education, early childhood education, art, music, guidance, etc.

2. Chief School Performance & Accountability Officer will inform the Chief Human Resources & Equity Officer of the number of teachers from feeder schools that will need to be transferred.

3. Principals at new elementary schools will be permitted to advertise districtwide and select Grade Level Chairpersons, Media Specialist, ESE Specialist, and a School Counselor, immediately to assist in the opening of the new school. At new middle schools and new high schools, the principal may hire the Department Heads and or Team Leaders, Media Specialists, ESE Specialists, Athletic Director and Guidance Director.

4. The principal of the feeder school(s) shall notify staff of the necessity to reduce personnel. At the school, the entire staff is notified in writing of reduction as per Article Twenty-Five of the contract. The principal notifies staff of areas where reduction will occur (i.e., number of elementary, early childhood education). Instructional Staffing will notify teachers at the feeder school who are on a Board approved leave of the necessity to reduce personnel. They will be given an opportunity to complete a transfer request form.

5. The reduction of students from feeder schools determines the minimum number of positions available for transferring teachers from the feeder schools by using a ratio of thirty (30) to one (1) and/or appropriate ESE ratios.

6. Vacancy lists will be made available to those employees at the feeder schools.

7. Employees may complete a voluntary transfer form listing up to ten (10) schools and submit it to their principal by April 15th or forty-five (45) days prior to the anticipated opening after the commencement of the regular school calendar. If more feeder school employees volunteer to transfer to a new school than the number of positions created by the reduction of students from feeder schools, sixty percent (60%) of the positions from a feeder school will be filled by seniority and the principal will interview and select employees for the remainder of the positions. If fewer employees apply to transfer than there are vacancies, all employees will be transferred to the new school(s).

8. After voluntary transfers have been exhausted at the feeder school, involuntary transfers will take place at the time the District

processes involuntary transfers districtwide. Involuntary transfers shall be handled at the sending (feeder) schools pursuant to the provision in Article Twenty-Five, Section D of this Agreement. Principals of schools may retain employees identified in this provision for the curricular and co-curricular activities pursuant to Article Twenty-Five. Annual Contract employees who hold such provisions and who are recommended for employment for the next school year shall remain at the schools.

9. Attempt will be made to keep employees at the same level, i.e., early childhood education, elementary, art, music, physical education, etc.

10. A printout of seniority and certification school-wide will be available at all feeder schools for seven (7) workdays prior to the deadline for voluntary transfer forms.

11. New employees to the District will not be hired in applicable vacancies until placement of all involuntarily transferred employees have been made.

ARTICLE TWENTY-SIX
REDUCTION IN PERSONNEL

In the event the District determines that the number of employees must be reduced for any reason, such reduction in employees shall be based on objective, reasonable and nondiscriminatory standards which (1) shall not be arbitrary or capricious; (2) shall not deprive employees of other rights conferred by this Agreement or laws of Florida and the United States; and (3) shall be capable of uniform application. If a reduction in employees is determined to be necessary, the following procedure shall be controlling:

A. **Layoff:**

1. Prior to implementing a reduction in personnel, the Superintendent shall meet with representatives of the BTU to discuss the proposed Board action and solicit their suggestions.

2. The District shall determine the net number of positions to be reduced and the subject area/programs or specific positions in which layoff shall occur.

3. The least senior employees in each subject area/program or specific positions shall then be laid off. See Article Three, Section E for the definition of seniority. Retained employees must be qualified for their assigned positions. A laid off employee is not entitled to replace another employee in a different subject area/program. However, if the employee(s) identified for layoff holds another certification in a subject area/program for which a vacancy exists in the system, then said employee(s) shall be offered the vacancy if he/she is qualified for the position. If more than one (1) employee with dual certification who is to be laid off qualifies for a District vacancy, then the job vacancy shall be offered to the most senior employee as defined in this contract.

4. If layoffs are to occur, a seniority list in accordance with this Article shall be prepared by the District and a copy thereof made available to the union.

B. **Recall:**

1. Employees will be recalled to the same subject area/program they were teaching at the time of their layoff in reverse order of layoff when a vacancy occurs.

2. Each employee on layoff shall be required to provide the District Human Resources & Equity office in writing with a current address to which a letter of recall may be sent.

3. If a recall opportunity exists, a letter shall be mailed to the employee, certified mail, return receipt requested. If the letter is mailed to the address provided by the employee and is returned to the District because the address is incorrect, the District has fulfilled the obligations of this sub-section.

4. An employee offered a recall opportunity must notify the District in writing of his/her decision within seventy-two (72) hours of receipt of the District's offer.

5. An employee who has been laid off shall maintain recall rights for twenty-four (24) months from the date of layoff or until he/she refuses a recall opportunity, fails to respond to a recall letter, submits a resignation, or accepts employment in another school District, whichever is less.

C. An employee who has started his/her sixth year of service and who will qualify for retirement by the end of that year shall be permitted to complete the school year so as to acquire the necessary service to become vested in the retirement system.

D. No new or substitute appointments may be made while there are laid off employees available who are qualified to fill the vacancies.

E. The employee laid off pursuant to this Article shall be given the opportunity to continue insurance coverages in existing programs during the layoff provided that the premium for such insurance programs shall be paid by the employee on a monthly basis in advance of the month due.

ARTICLE TWENTY-SEVEN
SCHOOL CALENDAR

A. The school calendars for the term of this contract shall be as set forth in this Agreement and shall not exceed 196 days of service for regular contract employees. However, new bargaining unit members shall work 197 days during their first year of employment (see Article Five, Section T).

Should extenuating circumstances require a reexamination of this calendar by either party, such re-examination shall occur through negotiations prior to final adoption of the respective yearly calendar by the Board. The 196 days of service shall include six (6) paid holidays for employees. Negotiations under this section shall not prevent the Board from establishing and acting on dates necessary for the opening or closing of all schools in the District and for the conduct of all necessary activities related thereto.

B. Full-time teachers employed in the Virtual School program shall observe the calendar and work year of the state's Virtual School program.

ARTICLE TWENTY-EIGHT
EMERGENCY SCHOOL CLOSING

A. **Authority:** The Superintendent shall exercise full authority granted under Section 1001.51, Florida Statutes, to close any or all schools during an emergency. When emergencies arise to close any or all schools, he/she shall immediately notify the School Board of the action taken and the reason therefore and immediately implement administrative procedures which will include announcements over local television and radio stations when such services are made available in order to alert personnel, students, parents and the community.

B. Nothing in this Article shall require the Superintendent or the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by act of God or a labor dispute with employees outside the bargaining unit.

C. **Meeting:** When the emergency closing results in a day or days off for employees, District and BTU representatives shall meet within forty-eight (48) hours and by mutual agreement recommend amendments to the calendar to substitute another day or days work, if necessary, in order to fulfill the complete contract year and avoid loss of pay to employees and loss of FTE revenue to the District provided, however, if mutual agreement is not reached by the next payroll period, the Superintendent shall recommend an appropriate calendar adjustment to the Board.

D. When one (1) or more school or school offices are officially closed by the Superintendent, no leave days previously arranged by an employee will be deducted for such emergency days.

ARTICLE TWENTY-NINE
UNION RIGHTS

A. **Access Rights:** The BTU and its representatives shall have the right to use the school buildings at all reasonable hours for meetings, in accordance with Board policy and rules.

B. **Equipment:** The BTU and its representatives may, upon approval of the principal, have the right to use school facilities and equipment, including typewriters, mimeographing machines, other duplicating and photocopying equipment, calculating and computing machines, and audiovisual equipment at reasonable times, when such equipment is not otherwise in use. The BTU may pay for the reasonable cost for such use and for all materials and supplies incidental to such use.

C. **Posting of Notices:** The BTU shall have the right to post notices of activities and matters of BTU concern in the same location as employee mailboxes, as well as on such bulletin boards previously designated or as designated by mutual agreement of the BTU steward and the principal. Only official BTU notices may be posted. Notices endorsing any national, state, or local political candidate shall be prohibited. The BTU shall have the right to use the District mail system providing that the union complies with all provisions of the Private Express Statutes, including postage requirements. The parties shall agree on procedures prior to implementing the use of District's mail system. The use of the District electronic mail system shall be permitted in accordance with the guidelines listed below:

1. The District's electronic mail system is software that is licensed to the SBBC for District business purposes and that email communications are generally not exempt from the public records requirements of Chapter 119, Florida Statutes.

2. Use of the District's electronic mail system is a privilege afforded to employees for the efficient operation of the District business practices.

3. BTU Stewards shall be permitted to access and utilize their location electronic mail as it relates to their roles as union representatives. The following rules shall apply for such usage:

    a. BTU Stewards shall abide by Florida Statutes, The Code of Ethics and the Principles of Professional Conduct of the Education Profession in Florida, and the provisions of Article Twenty-Nine, Union Rights.

b. BTU Stewards shall also comply with all applicable provisions of School Board Policy 5306, School and District Technology Usage.

c. The first violation of the provisions outlined in subsection A and B above shall result in a written warning to the offender with a copy to the President of the BTU and the Director of Employee & Labor Relations.

d. A second violation of the provisions outlined in subsection A and B above shall result in a three-month suspension of electronic mail privileges to the offender. The BTU President and the Director of Employee & Labor Relations shall be notified when such action is taken.

e. A third violation of the provisions outlined in subsection A and B above, shall result in a six-month suspension of the District electronic mail privileges to the offender. The BTU President and the Director of Employee & Labor Relations shall be notified when such action is taken.

f. A fourth violation of the provisions outlined in subsection A and B above, shall result in permanent suspension of the District electronic mail privileges for the offender. The BTU President and the Director of Employee & Labor Relations shall be notified in writing when such action is taken.

4. District employees on leave shall be afforded a District electronic mail account.

5. The BTU and the SBBC shall jointly provide training to include the review of the District's electronic e-mail policy once per year to the BTU stewards.

D. **Conduct Business:**

Stewards will be provided release time to carry out their duties as union representatives on five (5) days in the school year as selected by the BTU prior to the start of the school year and excluding any days during the first/last week of school or before/after a holiday. BTU shall appoint one (1) steward at each worksite who shall be released for the entire workday for the purpose of attending union meetings, training activities, joint labor/management activities, or for addressing union responsibilities at the worksite as determined by the BTU. On one (1) of these five (5) days in the school year on a mutually agreed date, the parties agree to schedule

collaborative training on labor/management issues for stewards and administrators.

E. **Information and Reports:** The District agrees to furnish to the BTU, in response to reasonable request, annual financial reports and state audits, periodic financial reports regularly submitted by the Superintendent to the Board; Superintendent's tentative budget and the final budget; full Board agendas furnished Board members and minutes of Board meetings; names and addresses of all employees, salaries paid thereto and certificate rank and years' experience thereof; pupil enrollment, enrollment projections, membership and attendance data; and such other specific information, if available, as will assist the BTU in developing intelligent, accurate, informed and constructive programs on behalf of the employees, together with information which may be necessary for the BTU to process any grievance.

Failure to furnish the above requested information shall not be the basis of a grievance unless it can be affirmatively shown that the information sought can be specifically identified and is available in the form sought and the information sought, in the form requested, is denied after a reasonable time. Unintentional inaccuracies of the information furnished and subsequent revisions of data based on revised information shall not be the basis of a grievance.

F. **Discrimination:** The provisions of the Agreement shall be applied without regard to race, creed, color, religion, national origin, age, sex, handicap or marital status.

G. **Board Agenda:** The BTU may appear on the Board agenda to discuss Board business. In order to do so, the Superintendent must be contacted in accordance with regular notice requirements in advance of the Board meeting, in order that the item may be placed on the official Board agenda. The presentation shall be limited to the topic listed.

H. **Payroll Dues Deduction:** The District shall, upon written assignment authorization of the employee, deduct BTU dues. The BTU shall furnish, distribute and process assignment authorization forms, said forms to be filed by BTU with the Division of Human Resources & Equity. Employees who desire to become members of the BTU shall file their assignment authorization forms with the BTU. Pursuant to such authorization, the District shall deduct such annual sum as authorized in equal monthly payments from the employee's regular salary check, beginning with the salary check received by the employee in the month following the date of authorization. Bargaining unit members working less than seven and one half (7.5) hours per day who have authorized dues deduction shall have deducted from their pay an amount equal to fifty percent (50%) of the dues

amount paid by full-time teachers. Such authorization shall continue in effect from month to month thereafter, unless revoked by the employee in writing to the BTU and to the Division of Human Resources & Equity, not less than thirty (30) days prior to the next payroll cutoff date.

The deductions shall be remitted not less frequently than monthly to the BTU. The right to such dues deductions shall be granted exclusively to the BTU and shall not be granted to any other employee organization seeking to represent employees in the bargaining unit. The BTU shall notify the Division of Human Resources & Equity of the amount of any change in annual dues to be deducted not later than the last workday of the month prior to the month in which such change becomes effective. The BTU agrees to indemnify and hold harmless the Board, each individual Board member, and all administrators against any and all claims, costs, suits or other forms of liability and all court costs arising out of the application of the provisions of this section.

I. **Other Deductions:** Upon appropriate written authorization from the employee, the Board shall deduct from the salary of any employee and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, insurance, BTU special service programs, or any other plans or programs approved by the BTU and the Board as a part of this Agreement, or additional programs approved by the Board that are not a part of this Agreement. The BTU agrees to indemnify and hold harmless the Board, each individual Board member and all administrators against any and all administrators against any and all claims, costs, suits or other forms of liability, and all court costs arising out of the application of the provisions of this section programs approved by the BTU.

J. **School Visitation and Meetings:** Upon prior notification at the site, the BTU president, staff and other representatives will be allowed to visit schools to investigate teaching conditions, employee complaints, problems, official union business, or for other purposes, except political campaigns, relating to BTU affairs, subject to the following:

1. All BTU officers and representatives shall comply with School Board Policies and school site procedures for site visitations.

2. BTU representatives may visit and confer with individual bargaining unit members at any time other than their student contact time or school meetings.

3. BTU representatives may visit and confer with bargaining unit members before and after the school day provided such meetings do not interfere with any scheduled school activities.

4. If BTU representative desires to confer with multiple employees, the principal will facilitate the visit by assigning a reasonable location for the representative to confer with employees upon the request of BTU.

K. **Reports at Faculty Meetings:** The BTU steward(s) shall, upon notice to the principal of the agenda, be given an opportunity at each building faculty meeting to present brief reports and announcements not to exceed ten (10) minutes.

L. **Labor-Management Meeting:** Representatives of the Superintendent and the BTU may request and shall be granted a Labor-Management meeting at any time during the school year for the purpose of discussing the administration of this Agreement. Each party will submit to the other, at least twenty-four (24) hours prior to the meeting, an agenda covering what it wishes to discuss.

M. **Membership Pins:** No employee shall be prevented from wearing pins or other identification of membership in the BTU or its affiliates.

N. **State Convention:** The school calendar each year shall include a teacher planning day on that Friday during the annual convention of the state affiliate of the BTU. Employees with official responsibilities at such meeting, as verified to the Superintendent by the BTU president, shall be granted temporary duty leave for that Friday.

O. **Union Leave:** The president and vice president of the BTU, the president of the state affiliate, and the executive officers of the national affiliate shall be granted temporary duty leave for their respective term of office. Also, a bargaining unit member who has more than three (3) years of experience in Broward County and is hired by the BTU as a full-time staff representative is eligible for a temporary duty leave.

Upon return from leave, the employee shall be placed in the same position held before such leave, or if such position is not available, to a substantially equivalent position within the scope of the employee's certification. Such employee shall have the right to continue participation in the retirement system and insurance programs of the District, as well as to receive credit for salary increments, all as if in actual service to the District. The BTU shall reimburse the Board for the actual cost of such employee's salary and benefits.

P. **Paid Leave Days:** The Board shall provide a pool of paid leave days not to exceed 1,500 in any given school year for the purpose of conducting certain union business. The following criteria shall govern the use of said leave days:

1. The BTU president or his/her designee shall notify the District's Director of Employee & Labor Relations or his/her designee not later than five (5) working days in advance of the requested leave day. The purpose and nature of the leave shall also be provided at that time.

2. Through the Employee & Labor Relations Department, the District shall pay the cost of the substitute, if required, for any requested leave by an employee to attend special meetings called by the District or to participate on any committee identified in this Agreement. Such leave shall not be deducted from the pool of leave days allocated to the BTU.

   If the reason for the requested leave is for the purpose of conducting union business, then the BTU shall reimburse the District the actual cost of the substitute, in a timely manner. Such leave days shall be deducted from the pool of leave days allocated to the BTU.

3. No bargaining unit member may use more than five (5) consecutive workdays of leave in a school year. No bargaining unit member may use more than fifteen (15) days from the pool in a school year. However, by mutual agreement, this limitation may be extended by the parties.

Q. **Computer Tapes:** The District agrees to provide to the BTU the dues deduction computer tape printout from PY511J, or its equivalent if the system should change, as requested by BTU, to transfer data to BTU contracted independent computer services. BTU agrees to reimburse the District for the actual additional cost of such service.

R. **Sole Bargaining Agent:** The rights granted to BTU in this Agreement shall be granted to BTU exclusively as the sole and exclusive bargaining agent and shall not be granted to any employee organization seeking to represent employees in the bargaining unit.

S. **Contract Enforcement:** BTU officers, stewards and other BTU representatives shall be allowed to engage in activities directly related to the administration of the Agreement when not directly instructing students.

T. **Roster of Bargaining Unit:** The District agrees to furnish the BTU, four (4) times each year, June 15, September 15, December 15, and March 15, two (2) full file information rosters of bargaining unit members, (one in alphabetical order by location--one in alphabetical order).

U. **Parking/I.D. Passes:** The President of the BTU and all full-time paid professional BTU staff shall receive parking and identification passes that allow parking and personal entry into the Kathleen C. Wright Administration Building. The BTU shall provide a written list of paid, professional staff members, and the name of the President of the Union to the Chief Human Resources & Equity Officer. This provision does not cover BTU support staff, such as secretaries. The number of passes shall not exceed fifteen (15).

V. **Broward Teachers Union/Steward Designation:** The number of stewards is determined by the Broward Teachers Union using the following formula: one (1) steward per thirty (30) bargaining unit members or major fraction thereof, for example, seventy-six (76) employees would merit three (3) stewards.

W. **Harassment of Steward(s):** The official BTU steward(s) at each school should not be subject to harassment, abusive language, upbraiding, insults or interference by a principal in the performance of the steward's official union duties. Steward complaints under this paragraph shall not be subject to the provisions of Article Thirty-Four but shall be directed to the appropriate Chief School Performance & Accountability Officer for final and binding decision. The BTU shall provide a list to the Superintendent not later than March 1st of each year containing the names of the official BTU stewards at each school. The BTU will provide the Superintendent with the names of new stewards who are replacing another steward whenever such action is necessary.

X. **Superseniority for Stewards:** Superseniority for stewards pertaining to summer school employment, and involuntary transfers can be found in Article Six, Section F and Article Twenty-Five, Section D, respectively.

Y. **Florida Law:** Nothing contained herein shall be construed to deny or restrict to any employee rights granted under the Florida School Laws or other applicable laws and regulations.

Z. **Release Time for Union Meetings**: BTU stewards and members of the BTU Executive Board may be released early to attend monthly meetings, with the approval of the principal, provided that this shall not interfere with or disrupt normal school operations. Approval will not be unreasonably denied.

The BTU agrees to provide the Chief Human Resources & Equity with a list of stewards and Executive Board members and shall also provide a schedule of their meetings by September 15th each year.

AA. **Steward's Planning Periods**: Stewards' planning periods shall be scheduled at the end of the student day, where feasible.

ARTICLE THIRTY
MISCELLANEOUS

A. **Parties Commitment:** This Agreement shall constitute the full and complete commitments between both parties, and may be altered, changed, added to, deleted from or modified only through the voluntary mutual consent of the parties in written and signed amendment to this Agreement.

B. **Legality:** Should any provision of this Agreement be declared illegal by a court of competent jurisdiction or as a result of state or federal legislation, said provision shall be automatically modified by mutual agreement of the parties to the extent that it violates the law, but the remaining provisions shall remain in full force and effect for the duration of this Agreement, if not affected by the deleted provision.

C. **Policy-Rules:** This Agreement shall supersede any policies, rules, regulations or practices of the District which are contrary to or inconsistent with the terms of this Agreement.

D. **Individual Contract:** If an individual contract between the District and an employee contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

E. **Cost:** The parties mutually agree to share the cost of printing this Agreement, and the Union shall be responsible for distributing copies to all bargaining unit members. The parties must agree on who will print the Agreement and the cost prior to reproducing it.

F. **Summer School:** The provisions of this Agreement shall be fully effective during and for any summer school programs falling within the term of this Agreement, unless otherwise indicated.

G. **Labor Management Committee**:

1. The purpose of this Committee is to address issues of concern related to labor relations. The Committee shall not address the subject of a pending grievance. The Committee shall be empowered to discuss topics and make recommendations to the Superintendent and the BTU President. Recommendations for new/modified collective bargaining language or joint legislative proposals shall be considered.

2. The Committee can listen to and consider information presented from guests that are jointly invited by the Committee.

3. All contractual sub-committees and specially formed task forces and/or ad-hoc committees formed jointly by the parties shall be organized under the direction of the Labor Management Committee. Said committees and task forces shall periodically report to the Labor Management Committee. The parties agree to mutually adopt guidelines and procedures to implement this section.

4. **Committee Purpose and Agenda**

The purpose of these committees is to provide a means for continuing communications between the parties and to promote a climate of constructive employee-employer relations. This would include, but not limited to, such activities as to:

a. Discuss and resolve contractual issues subject to appropriate approval;
b. Notify and discuss with the Union changes contemplated by the District which may affect bargaining unit employees;
c. Discuss the future needs and programs of the District and the BTU;
d. Disseminate general information of interest to the parties;
e. Give the parties the opportunity to discuss their views and/or make suggestions on subjects affecting those employees;
f. Give the parties the opportunity to discuss the problems that may give rise to outstanding grievances and to discuss ways of preventing contract violations and other workplace conflicts from occurring (The parties agree that the discussion of individual grievances is not an appropriate topic for Labor Management Committees);
g. Such other items as the parties may mutually agree to discuss.

5. All committees will be co-chaired by a Union and District representative. The agenda for each meeting shall be jointly prepared by the co-chairpersons in advance of the meeting. The parties are committed to a timely completion and distribution of the minutes. The minutes shall not be construed as constituting a binding agreement or negotiations between the parties.

6. Unless mutually agreed otherwise, such meetings shall be held during normal work hours.

ARTICLE THIRTY-ONE
MANAGEMENT RIGHTS AND RESPONSIBILITIES OF THE SCHOOL DISTRICT

A. It is understood and agreed that the District possesses the right and responsibility to operate and manage all schools, departments and programs and to direct the work forces. The rights, powers, authority, and discretion necessary for the District to carry out these rights and responsibilities shall be limited only by the express terms of this Agreement and shall be exercised in a manner consistent with this Agreement and Florida Statutes. In matters not covered by this Agreement, the District shall have the right to make administrative decisions.

B. Consistent with this Agreement, the Management Rights shall include, but not be limited to, the following:

1. Determine the purpose and mission of the Broward County school system, and the department and agencies under its jurisdiction.

2. Set standards of service to be offered to the public.

3. Establish employee job descriptions.

4. Direct its employees and establish standards of performance and conduct, including the right to make reasonable rules and regulations for the purpose of efficiency, safe practices and discipline.

5. Introduce new, improved or different methods and techniques of operation or work procedure.

6. Relieve employees from duty because of lack of work, lack of funds, or for other legitimate reasons.

7. Take disciplinary action for just cause.

8. Hire, promote, transfer or assign employees.

C. The parties acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement, including its supplements and exhibits attached hereto,

concludes all collective bargaining between the parties during the term hereof, and constitutes the sole, entire and existing agreement between the parties hereto, and supersedes all prior agreements, oral and written, expressed or implied, between the District and the BTU, and expresses all obligations and restrictions imposed upon each of the respective parties during its term.

ARTICLE THIRTY-TWO
NO STRIKE

The BTU, and its officers, agents, representatives, and members agree that they will comply with the provisions of Florida Statutes, Sections 447.203 (6), 447.501 (2) and 447.505.

ARTICLE THIRTY-THREE
ESOL

All new teachers will be informed in writing of the State ESOL requirements.

A. **Notification:** At the time an ESOL student is placed in the classroom of a teacher who has not previously been assigned an ESOL student, the teacher shall be informed in writing of the State ESOL requirements. A student's ESOL status will be noted in virtual counselor. The District will hold quarterly ESOL orientation programs either electronically or on an independent study basis.

B. **Summer In-service:** The District will offer a final ESOL in-service opportunity during the summer for those teachers whose time frame for obtaining the ESOL endorsement expires between the end of the one (1) school year and the beginning of the next. The teacher will earn in-service points and all costs shall be incurred by the District.

C. **Planning Days:** ESOL training classes will be offered on an ongoing basis during the school year either electronically or on an independent study basis.

ARTICLE THIRTY-FOUR
GRIEVANCE PROCEDURE

A. **Definition:** Any claim by an employee(s), or the BTU that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided.

B. **Exclusive Rights:** The parties agree that the BTU has the exclusive right to process grievances under all steps of this grievance procedure, except that any bargaining unit member may process a grievance through said procedure if the BTU expressly waives its right in writing to process a grievance because the unit member is not a dues-paying member of the union. A copy of the waiver shall be provided to the school District's Director of Employee & Labor Relations. The union accepts its duty of fair representation but retains its right to preclude the processing of non-meritorious grievances through the steps of this grievance procedure, inclusive of arbitration.

C. **Informal Discussion:** In the event that an employee believes there is a basis for a grievance, he/she shall first discuss promptly the alleged grievance with the immediate supervisor either personally or, if he/she prefers, accompanied by a BTU steward, within fifteen (15) working days of the date on which the employee could reasonably have known of the occurrence of the event giving rise to the alleged grievance.

D. **Formal Grievance:** If, as a result of the informal discussion with the immediate supervisor, an alleged grievance still exists, the following formal grievance procedure may be invoked within five (5) working days of the informal discussion, on the form set forth in Appendix B, signed by the grievant and/or a steward of the BTU, which form shall be available from the principal or the BTU steward in each building. If the grievance involves more than one (1) school building, a group of employees, or arises from the action or inaction of the administration above the level of the immediate supervisor, it may be initially filed with the Superintendent at Step II and informal discussion may be waived by mutual agreement. In the event that a BTU steward has not signed the grievance, a copy of the grievance shall be provided to the BTU immediately upon the filing of the grievance.

STEP I

The grievant may submit to the immediate supervisor a copy of the grievance form. Within five (5) working days of receipt of the grievance, the immediate supervisor shall meet with the grievant and/or the BTU in an effort to resolve the grievance. The immediate supervisor shall indicate

the disposition of the grievance in writing within five (5) working days after such meeting and shall furnish a copy thereof to the BTU.

STEP II

If the grievant or BTU is not satisfied with the disposition of the grievance, or if no disposition has been made within the specified time limit, the grievance shall be submitted to the Superintendent within ten (10) working days of the disposition, or expiration of the time limit. Within twelve (12) working days of receipt of the grievance, the Superintendent shall meet with the grievant and/or the BTU and shall indicate the disposition of the grievance in writing to the grievant and/or BTU within five (5) days of such a meeting.

STEP III

If the grievant is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the specified time limit, the grievance may be submitted by the BTU to arbitration before an impartial arbitrator within fifteen (15) working days of the date of the disposition at Step II, or the expiration of the time limit. If the parties cannot agree as to the arbitrator within five (5) working days from the notification date that arbitration will be pursued, the BTU will contact the Employee & Labor Relations Department staff one final time for the purpose of attempting to reach agreement prior to requesting the AAA or FMCS to select an arbitrator in accordance with their rules. The arbitrator shall be selected by the American Arbitration Association or the Federal Mediation and Conciliation Service in accordance with their rules, which rules must likewise govern the arbitration proceedings. The arbitrator shall limit his/her decision to the application and interpretation of this Agreement and shall have no power to amend, modify, nullify, alter, and to, or subtract from the terms of this Agreement. The Superintendent and the BTU shall not be permitted to assert in such arbitration proceedings any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.

E. **Cost of Arbitration**

If the arbitrator sustains the position of the grievant, the fees and expenses of the arbitrator, including AAA or FMCS filing fees, shall be paid by the District. However, if the arbitrator sustains the District's position, all fees and expenses shall be paid by the grievant or the BTU. If the decision issued by the arbitrator is not the one requested by either party, the arbitrator shall determine the distribution of his/her fees between the parties. Each party shall be responsible for any other expense it chooses

to incur. Employees required to testify will be made available without loss of pay; however, whenever possible, they will be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant(s). In group grievances, the group of employees shall be represented by the BTU and one member of the group.

F. **Time Limits:** The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 1st of any year and strict adherence to the time limits may result in hardship to any party, the parties shall use their best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limits shall be extended to such time that such person(s) can be present. When such grievance meetings and conferences are held during school hours, all employees whose presence is required shall be excused, without loss of pay or accumulated leave, for that purpose.

G. **Adjustment:** Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this Agreement.

H. **Reprisal to Employees:** All employees will be entitled to fair, reasonable and equitable treatment in the processing of grievances. No reprisals of any kind will be made by the District or its representative or any member of the administration against any bargaining unit member(s) in the grievance procedure by reason of such participation. All documents, grievance forms, appendix, communications, and records dealing with the processing of a grievance, shall be filed separately from the personnel files of any party in interest, including final disposition.

Notwithstanding, the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

I. **Appeal:** If the Board takes any actions as contained in Florida Statutes, Section 1012.33, against a bargaining unit member, said unit member(s) shall be entitled to those appeal rights granted under Section 1012.33. The parties agree that affected employees may not grieve nor arbitrate charges/actions contained in Florida Statutes, Section 1012.33 under Article Thirty-Four of this Agreement, nor any other applicable arbitration statutes.

J. **Waiver:** If the BTU waives its right to process a grievance to arbitration because the affected employee is not a dues-paying member of the union,

the employee may carry the case forward but he/she may be responsible for all arbitration costs pursuant to the provisions in Section E above. Under such circumstances, the BTU shall not be responsible for arbitration costs associated with the specific grievances.

K. **Expedited Arbitration:** On a case-by-case basis, the parties may mutually agree to utilize an expedited arbitration procedure. The parties shall select the arbitrator through lists furnished by American Arbitration Association and the hearing shall be conducted under their rules and regulations for expedited arbitration.

ARTICLE THIRTY-FIVE
INCLUSION

A. **Training Plan:** When the affected school's IEP Committee recommends placement in a regular education classroom for a student with a severe disability who is already attending a Broward County school, a training plan shall be developed by the receiving school, with the input of the sending school staff and the receiving teachers, prior to the student attending the regular classroom. Health and Safety training components of the plan will be completed prior to the student's placement.

B. **New Student to District:** When a student with a severe disability with an IEP that includes placement in a regular class transfers to Broward County from another county or state, a training plan shall be developed by the receiving school, with the input of the receiving teachers, no later than ten (10) days after the first day of the student's attendance in a District school. Health and Safety training components of the plan will be completed prior to the student's placement.

C. **Students Placed With Volunteer Teachers:** Recognizing that special needs students who are placed into the regular school program are more likely to be successful when the teacher receiving the student has volunteered for the assignment, the District shall seek teacher volunteers for the Inclusion program.

ARTICLE THIRTY-SIX
TERM OF AGREEMENT

A. This Agreement shall be effective as of June 30, ~~2022~~ 2024, and shall remain in effect through June 29, ~~2025~~ 2027.

For the ~~2023-2024~~, 2024-2025, 2025-2026, and 2026-2027 school years, either party is entitled to open the contract for the purpose of negotiating insurance, salary and economic increases, and up to two additional articles. Referendum Funds are not subject to a reopener.

B. **Commencement of Negotiations:** No later than June 1st, of each contract year, either party may require, by written notice to the other, to commence negotiations.

C. The parties shall begin initial discussions for a successor agreement by no later than February 1, ~~2025~~ 2027.

APPENDIX A
ADVANCED DEGREE STIPENDS
PROCEDURES FOR IN-FIELD INCENTIVES

It is agreed that the purpose of the in-field provisions of the contract is to enhance the quality of education for students in Broward County by providing employees increased financial incentive for the pursuit of further study and expertise in their respective fields.

I. Eligibility

A. Employees who hold or who obtain an incentive and/or a master's specialist or doctoral degree in the subject matter field/position to which they are assigned, except as noted, shall be eligible.

B. Employees who hold a master's specialist or doctoral degree and a total of fifteen (15) graduate semester hours (or the equivalent) in the subject matter field/position to which they are assigned shall be eligible.

In order to satisfy the requirements above, up to six (6) credit hours in guidance and counseling will be accepted from elementary school teachers and three (3) credit hours in guidance and counseling will be accepted from secondary and post secondary teachers.

C. Employees who are otherwise eligible but who are placed administratively in an assignment other than that in which they meet the requirements shall be eligible. However, when the employee is offered a position in the school in the subject field of eligibility for the credential payment, the employee must accept the position offered in order to maintain the payment.

D. Graduate course work and/or degrees in the area of reading, mathematics, computer education, and/or exceptional student education shall be considered in-field for all personnel.

E. If any degree or incentive qualifies as in-field, all degrees and incentives qualify as in-field.

F. Graduate course work and/or degrees in designated critical shortage areas shall be considered in-field for all personnel.

PLEASE NOTE: IF AN EMPLOYEE QUALIFIES UNDER THIS SECTION, THE FOLLOWING SPECIAL CONDITIONS APPLY:

1. If the specific critical shortage area under which an employee qualified is no longer a designated critical shortage area, the employee will maintain the in-field stipend for one additional year.

2. If an employee who qualifies under this section is not assigned to a critical shortage area, the employee must accept a position, if offered, in a critical shortage area, in order to maintain the in-field payment. The parties shall recommend a critical shortage area list to the Superintendent.

II. Degrees and Course Work Areas Defined As In-Field

A. Subject fields shall be broadly defined. For example: Language arts shall encompass reading, literature, composition, speech, debate, drama, grammar and journalism. Social students shall include history, geography, sociology, economics, government, civics, political science, psychology.

B. The concept of broad interpretation of subject field shall apply to all areas. Examples enumerated shall not be construed as limitations, to the exclusion of course areas traditionally recognized as related and germane.

C. Agreement upon any guideline or set of guidelines shall not be construed as precluding further agreement upon other guidelines or set of guidelines subsequently perceived as necessary to the implementation of these provisions.

D. Descriptions of content, as well as titles, codes, and numbers, shall be valid indicators of the applicability of courses or degrees.

Salary rates for all levels on the Grandfathered Teacher Salary Schedule shall increase by ~~2.75%~~ 0.50% effective July 1, ~~2024~~ 2025. Employees who are in an active status as of the date of Board approval of this Agreement will receive the increase retroactive to July 1, ~~2024~~ 2025.

0. **Teachers Returning from Leave**

Employees returning from a Board approved leave shall be placed at the same level the employee was on prior to the leave. A teacher returning from a Board approved leave and who has not gained additional classroom teaching experience, shall be placed at a level on the salary schedule which is closest but not less than what the teacher was earning prior to the leave. Although not guaranteed, teachers may be granted teaching experience credit for the work performed during the Board approved leave for verified classroom teaching experience, provided the request is submitted within three months of returning to Broward County Public Schools.

2. Any employee who receives an unsatisfactory rating(s) on his/her annual evaluation shall become eligible for and shall receive payment for a negotiated salary increase retroactive to the date of salary schedule improvements after he/she has satisfactorily fulfilled the terms of the professional development plan resulting from the unsatisfactory rating(s) and has been rated satisfactory. Until that occurs, the employee's salary shall remain frozen at the rate of pay for the previous year.

3. **Advanced Degree Stipends:**

Basic Incentive Award	$1,400	$2,000
Advanced Incentive Award	$2,200	$2,700

*Effective November 1, 1994, bargaining unit members may only qualify to earn degree's in-field. However, unit members who held out-of-field degrees and incentives on November 1, 1994, shall continue to receive the remuneration listed above in the column entitled "out-of-field" for as long as they work for the Board in this bargaining unit without a break in service. A Board approved leave is not considered a break in service.

Bargaining unit members hired prior to July 1, 2011, who earn an advanced degree shall be granted an in-field advanced degree stipend as defined in Appendix A.

Bargaining unit members hired on or after July 1, 2011, who earn an advanced degree shall be paid a salary supplement in the amount equal to

the advanced degree stipend above; but only if the advanced degree is in the bargaining unit member's area of certification.

4. **New Educator Professional Improvement Supplement:** A three-hundred-dollar ($300) payment shall be payable to any teacher who has less than three (3) years of credited experience and accumulates a minimum of six (6) college credits or the equivalent in-service coursework within any of the first three (3) years of teaching experience on the salary schedule. The courses should enable employees to become highly qualified or to improve their skills in their teaching field(s).

5. **INITIAL PLACEMENT INCREASES**

***Equity Adjustment** – The salary of any employee earning less than the amounts reflected on this schedule who has the equivalent years of experience will be adjusted so that said employees will earn no less than a new hire would be pursuant to this schedule.

PAY FOR PERFORMANCE SCHEDULE PLACEMENT CHART FOR TEACHERS

New teachers on the Pay for Performance Salary Schedule shall be initially placed on the salary level reflected in the Pay for Performance Schedule Placement Chart.

The Years of Experience column is solely for the initial placement of teachers on the Pay for Performance Schedule. Annual salary increases following initial placement shall be based upon the outcome of each teacher's overall evaluation rating and/or negotiated increases. In accordance with F.S. 1012.22 only teachers receiving an overall evaluation rating of Highly Effective or Effective are entitled to a Pay for Performance salary increase. Teachers receiving an overall evaluation rating of Needs Improvement or Unsatisfactory, or teachers who do not receive an evaluation, are not entitled to a Pay for Performance salary increase.

Once placed upon the Pay for Performance Placement Chart, each teacher will receive salary increases based upon performance and will therefore have an individualized salary.

Pay for Performance Teachers who are in an active status as of the date of Board approval of this Agreement rated as "Highly Effective" during the ~~2023-2024~~ 2024-2025 school year, shall receive a base salary increase of ~~3.45%~~ 0.65% effective July 1, ~~2024~~ 2025. Pay for Performance Teachers rated as "Effective" will receive a base salary increase of ~~2.59%~~ 0.46% effective July 1, ~~2024~~ 2025. Teachers receiving an overall evaluation of Needs Improvement or Unsatisfactory, or teachers who do not receive an evaluation, are not entitled to a Pay for Performance salary increase.

Referendum Funds: For each year of the referendum, no less than 75% of BCPS' share of total collected Referendum Funds (net of charter schools) shall be allocated to District employee supplements, with no less than 80% of those funds to be appropriated to eligible employees in the BTU-EP bargaining unit. In the event that SBBC collects additional Referendum Funds than those required to fund the agreed-upon referendum supplements for the 2023-2024, 2024-2025, 2025-2026, and/or 2026-2027 school years, the parties will agree on the distribution of said additional funds to eligible employees in the BTU-EP bargaining unit.

For the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years, eligible employees in the BTU Education Professionals bargaining unit on the Grandfathered Salary Schedule, will receive a Referendum Supplement as follows:

Base Salary Range	Referendum Supplement
Levels C-R	$12,000
Level RF, S, T, & U	$10,000

For the 2023-2024, 2024-2025, 2025-2026 and 2026-2027 school years, eligible employees in the BTU Education Professionals bargaining unit on the Pay for Performance Schedule, whose effective start date is on or before June 30, of the previous school year, will receive a Referendum Supplement as follows:

0 years – New Hires	$500
1-2 years of experience	$2,000
3-5 years of experience	$3,000
6-7 years of experience	$5,500
8-9 years of experience	$6,000
10 years of experience	$7,500
11-14 years of experience	$10,000
15 years & above years of experience	$12,000
RF, S, T, & U	$10,000

Referendum Supplements, Initial Placement Increases, and Equity Adjustments are pensionable and shall be paid in equal installments per pay period of the employee. Employees who separate employment before the end of the fiscal year shall receive a pro rata portion of the Referendum Supplements, Initial Placement Increases, and Equity Adjustments commensurate with the portion of the year actually worked by the employee.

In the event that SBBC collects additional Referendum Funds for the 2023-2024, 2024-2025, 2025-2026 and 2026-2027 school years, the parties will agree on the distribution of said additional funds to eligible employees in the BTU-EP bargaining unit.

APPENDIX G
DEVELOPMENTAL PROTOCOL

a. The precept is: Flexibility for both principal and teacher.

b. The process should be professionally oriented.

c. The relationship should be rich with trust.

d. Principal can visit the classroom at anytime and make observations at any time.

e. The assumption is that everything is satisfactory unless the teacher is told otherwise.

f. The principal can move the teacher into Documentation any time with written explanation as to why it is happening.

g. There should be some kind of an audit trail. The audit trail can include minutes of a meeting, goal statements, notes on a calendar, references to future meetings, exchange of memos, etc. The notion is to provide an audit trail for Developmental phase. The challenge is to have the principal feel comfortable with signing off on this form, and being satisfied that the developmental process has taken hold in the school and with the teacher.

h. Developmental activities may include individual and team projects, introduction of learning or training of new instructional strategies, coaching between and among faculty, development of new instructional strategies (hopefully, research based strategies), pure observation and assistance, demonstration projects, development of portfolios (written or video), development of written materials, oral agreements on the part of the principal and the teacher, etc.

i. Developmental activities essentially should meet the professional developmental needs of teachers as well as contribute to the objectives of the school as stated in its strategic plan.

ASSESSMENT CRITERIA

1. **Instructional Planning**

    a. Develops lesson plans and selects instructional materials and activities which reflect the district's curriculum scope and sequence and identified learner needs.

b. Identifies and sequences content.
c. Develops lesson plans which reflect the prerequisite knowledge, skill, and readiness of students. Specifies learner objectives and relates these objectives to the instructional activity.
d. Relates instructional elements such as content, materials, activities, format, and goals to identified student needs.
e. Specifies the steps, sequence, and pacing of student activities appropriate to their needs and the content area.

2. **Lesson Management**
a. Orients students to classwork, specifies purposes of activities and how they relate to the objectives or learner outcomes.
b. Prepares the classroom, materials, and equipment in preparation for the presentation of the lesson.
c. Transitions from one activity or topic to another in accordance with lesson plans and learner needs.

3. **Lesson Presentation**
a. Selects and uses appropriate instructional techniques, including available materials and technology which support learning of the specific types of knowledge or skills.
b. Emphasizes what is important to remember in a lesson.
c. Uses different types of questions to obtain desired learner responses.
d. Asks questions which are clear and require students to reflect before responding.
e. Recognizes student responses to questions and provides feedback.
f. Gives clear, brief and explicit directions and checks for understanding.
g. Circulates about the room as students engage in seatwork and assists students as needed.
h. Reviews the student's work and provides timely and specific written or verbal feedback.

4. **Student Performance Evaluation**
a. Selects or develops a variety of assessments and formats related to specific learning objectives.

b. Instructs student in test-taking techniques.

c. Creates a positive test-taking atmosphere.

d. Monitors students during testing.

e. Grades tests accurately and objectively. Uses test data to diagnose individual student strengths and weaknesses.

f. Monitors student progress in attaining achievement standards and objectives established by the school, innovation zone, area and District.

g. Ongoing teacher documentation of student achievement gains through norm-referenced and criterion-referenced standardized test results where available and at least one of the other following assessment strategies selected by the teacher: student performance demonstrations, teacher observations, and portfolios of student work. Where the above referenced standardized student tests are not available, the principal will also select one of the other assessment strategies listed above. The parties recognize that standardized test scores can be influenced by a number of factors outside the school setting such as student mobility rates, the number of special needs students, parental support, etc.

The terms used above are defined as follows:

Portfolio - The teacher shall select a collection of samples of student work and student test results reflecting achievement of identified student performance standards, as defined by the School District Standards of Service and Curriculum Frameworks.

Norm-Referenced Test - This type of test compares a group of students to a similar group of students, usually by age or grade level. These tests are usually field tested. Examples of such tests include Stanford Achievement Test (grades 2-9), Woodcock-Johnson (ESE students).

Criterion-Referenced Test - This type of test measures student achievement (individual or group) against a measured standard, not other groups of students. Examples include Florida Writing Assessment (grades 4, 8, and 10), Advanced Placement Tests (grades 11 and 12), tests developed by teachers administered weekly or monthly, etc.

5. **Communication**

a. Speaks in a clear, audible, well-modulated voice.

b. Demonstrates basic mechanics of writing: spelling, capitalization, and punctuation.

c. Uses correct grammar in written and oral communications.

d. Presents connected or associated ideas and thoughts.

e. Expresses interest and excitement through verbal and nonverbal behavior.

f. Communicates learner status and progress to parents in order to maintain a positive collaborative relationship. Additionally, communicates learner status and progress to the student, parents, and to other professionals.

6. **Classroom Management**

a. Creates and maintains an organized and pleasant working environment in the classroom.

b. Promotes positive student self concepts.

c. Encourages students to participate and contribute to class activities.

d. Establishes an environment conducive to positive peer interaction.

e. Identifies individual social emotional and/or physical needs that might affect school success.

f. Uses appropriate procedures to refer individual students for further assessment or intervention by other professionals.

7. **Behavior Management**

a. Establishes and implements specific behavioral and procedural expectations, rules, and consequences.

APPENDIX H

MEMORANDUM OF UNDERSTANDING BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY AND THE BROWARD TEACHERS UNION

The School Board of Broward County shall implement a Broward Teacher Corp Program in which the District provides funding support for programs to assist teachers in becoming highly qualified educators. The Broward Educational Consortium partners with SBBC in this program to design and develop courses to support H.R. 1 Section 1119, *No Child Left Behind Act of 2001,* Federal mandate and to ensure that teachers are certified in the area that they teach.

1. Teachers must meet the higher education institution entry requirements.

2. Teachers must be full-time employees in Broward County Schools.

3. Teachers shall be selected for participation based upon the following (listed in order of priority):

    a. Teachers currently teaching out-of-field in an Upward Bound Title I school.

    b. Teachers currently teaching out-of-field in a Title I school.

    c. Teachers in an Upward Bound Title I school interested in pursuing certification in math, science, or reading.

    d. Teachers in a Title I school interested in pursuing certification in math, science or reading.

4. Program completion shall occur when the employee provides documentation that he/she has fulfilled all requirements and is eligible for certification and/or completed coursework requirements outlined by the higher education institution.

5. After successful completion of the program, the employee shall be assigned to teach in the subject area in which the certification was received in a Title I school for a period equal to the period time in the Broward Teacher Corps. To be eligible for a guaranteed transfer provided in item 7, the employee must remain in the subject area in which certification was received unless involuntarily reassigned outside that subject area.

6. After completing the Broward Teacher Corps program and earning certification from the state, a teacher must commit to teaching in a Broward County Title I school for the same period of time that the Board paid his/her tuition in the Broward Teacher Corps. If he/she does not, he/she must pay back partial or full tuition costs paid by the district depending on how many years he/she is committed to teach in a District Title I school. (Example: If a teacher participates for three years and decides to leave a Title I school after one year, he/she must pay back 2/3 of the tuition costs to the district.) Tuition cost shall be based on a per credit hour basis.

7. If the employee does not complete the training program, the employee shall reimburse the District for 100% of the training cost incurred. Teachers shall not be required to pay back tuition costs if the employee has a serious medical problem verified by a physician of the employee's choice. The Board may require a subsequent exam by a Board selected physician at its expense. In addition, teachers shall not be required to pay back tuition costs if they are laid off, terminated, requested to resign, or involuntarily transferred on the basis of seniority.

8. After successful completion of the program, employees who teach for three (3) years in a Title I school shall be guaranteed a transfer pursuant to provisions of Article 25 Section C (5) regardless of the years spent by the employee at the same work location. Such transfer must be requested within three (3) years of the end of the commitment period.

9. An approved medical, professional leave nor personal leave will be accepted toward fulfillment of this obligation. Nor will such leaves be considered as a violation of the teacher's obligation. The teacher shall be required to complete their commitment period or training upon return from such leaves.

10. Employees who participate in this program shall be required to sign a Promissory Note agreeing to the reimbursement provision stated above.

11. If the Board chooses to discontinue the Broward Teacher Corps program or pay less than the full cost of tuition, employees, who choose not to complete the program, shall not be required to fulfill any of the obligations contained herein nor shall the Board be required to fulfill any of the obligations contained herein for those employees.

APPENDIX I
NO CHILD LEFT BEHIND ACT (NCLB)

A. The parties agree that nothing in the school improvement section of the No Child Left Behind Act (NCLB) shall be construed to alter or otherwise affect the rights, remedies, and procedures afforded school employees under the terms of this collective bargaining agreement.

B. The District agrees that they will notify BTU of action that must be taken to comply with provisions of NCLB and to bargain those issues that are mandatory subjects of bargaining.

C. **Adequate Yearly Progress:** For schools identified as not making adequate yearly progress, the parties agree to form a committee to make recommendations to the Labor Management Committee regarding the impact of legal requirements on issues, including but not limited to:

1. Any formal or informal understanding, condition or practice established between the parties.

2. Wages, hours, terms and other conditions of employment or matters established in statute such as but not limited to F.S.447 Public Employees Collective Bargaining Act.

3. Employees who may be laid off in whole or in part or reduced in pay as a result of the implementation of a "public school choice" option provided by the NCLB.

4. Supplemental services such as but not limited to tutoring, mentoring, remediation, other educational intervention, etc., which can be provided by state certified bargaining unit members outside the regular employee workday and calendar.

5. The contracting out work that has been or could be performed by the members of the bargaining unit. Such work includes, but is not limited to tutoring and/or providing other supplemental services.

6. A restructuring, merger, takeover or other event that results in the creation of a new or successor employer, and the impact on the recognition of the Broward Teachers Union as the exclusive collective bargaining representative for the employees that it represents.

RECONSTITUTION PROCESS

State declares an emergency, and/or Superintendent declares an emergency, pursuant to FS 1001.42 #19/SBBC Policy 1403 and the following criteria: failure to make AYP, a designation of D or F for a second year or a designation of F for the second year in a four year period.

MEMORANDUM OF UNDERSTANDING
BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
AND THE BROWARD TEACHERS UNION

This Memorandum of Understanding is made on this 18th day of January 2019, by and between The School Board of Broward County (SBBC) and the Broward Teachers Union-Education Professionals (BTU-EP).

Purpose:
The purpose of this Memorandum of Understanding is to memorialize the parties understanding and agreement regarding the compliance with Florida Statute, including, but not limited to F.S. Section 1001.42(21) that requires the School Board to declare an educational emergency for all schools receiving a grade of "D" or "F" and further provides for the immediate implementation of turnaround plans ("TOP") for approval by the state board. In addition, the MOU is to address the selection, placement, and expectations of instructional personnel and to provide principals with the autonomy described in F.S. Section 1012.28(8) as planning is a critical strategy necessary to improve student achievement.

Scope:

WHEREAS, prior to the start of the school year, the Florida Department of Education notifies each school district if any of its schools have been categorized as a Differentiated Accountability ("DA") school. Once a school is assigned a grade that qualifies it as a DA School, typically in July of each year, a BCPS school may automatically be classified in one of the following two categories for the school year immediately following the assignment of the school grade:

A. **Tier 1- Comprehensive Support and Improvement - Cycle 1 (CSI):** A school receives two consecutive grades of "D," a grade of "F," or a graduation rate of 67 percent or less. Submission of Turnaround Plan (TOP) is required, (this is a FLDOE DA designation);

B. **Tier 2 - Comprehensive Support and Improvement - Cycle 2 or 3 (CSI):** A school receives two consecutive grades of "D," a grade of "F," or a graduation rate of 67 percent or less for the third year in a row. School is required to choose one of three options: Closure, Charter, or Outside Entity/ External Operator. Chancellor will conduct an Instructional Review, (this is a FLDOE DA designation);

WHEREAS, § 1008.33(4)(a), Fla. Stat., (and as amended by House Bill 7069), requires that in the first full school year after a school initially earns two consecutive grades of "D" or a grade of "F," the school district must immediately implement intervention and support strategies; and, by September 1, provide the FLDOE with a memorandum of understanding negotiated required to facilitate those support strategies.

WHEREAS, the State of Florida requires the parties to enter into this Agreement to fulfill their obligations to support the District's DA schools.

NOW THEREFORE, it is agreed as follows:

Section 1. Financial Incentives for Teachers to Work at DA Schools:

The parties jointly desire to further enhance the educational programs available at the District's DA schools for the benefit of the attending students.

With those principles in mind, the District already supports DA Schools with additional resources made available through funding from sources such as Title I, TIF funds, SIG grants and the General Fund. Teachers at some DA Schools already receive compensation for an extended work day because the School is designated as one of the lowest 300 Schools. In addition to all of those existing resources and support, the Administration/Principals at each DA School have submitted applications for additional funding for additional resources, support and/or teacher incentives to assist with funding of the initiatives set forth in this Memorandum of Understanding (MOU).

Section 2. Article **5-Conditions of Employment -** shall be amended as it relates to DA Schools to add the following:

A. Planning Days. In addition to the ten (10) Planning Days currently built into the teacher calendar, DA schools may have an additional week of staff development prior to the contracted starting day for teachers. Teachers who attend will receive an hourly stipend at the rate of the teacher's hourly rate of pay.

B. Professional Development Committee. With regard to DA schools Article 5 section L-5 of the collective bargaining agreement shall be amended to read in its entirety as follows:

A joint school committee comprised of an equal number of SAC Committee members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation. Nothing contained herein is intended to preclude the Principal of each of the Tier schools from assessing the professional development needs of teachers, recommending additional professional development and otherwise performing the duties and responsibilities of a school Principal under F.S. Sections 1001.54 and 1012.28.

C. Section S-Lessons Plans. Article 5, Section S Lesson Plans shall be amended as it relates to DA Schools to read in its entirety as follows:

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be unreasonably complex. Documentation of the incorporation of Florida State Standards and teaching strategies required by law, board policy or regulation are part of daily lesson plans. Lesson plans shall be submitted bi-monthly in advance of the lesson to cover the planned lesson up to the next submission and shall be available during instruction. Lesson plans shall include the standard, teaching strategy/activity, and differentiated plan for the lowest quartile. Notwithstanding the submission of bi-monthly lesson plans, the parties acknowledge that such plans may be modified between the submission and actual lesson based on the classroom or student needs.

Section 3. Article **10-Employee Preparation, Conference and Planning:** Shall be amended to read as it relates to DA schools in its entirety as follows:

A. Elementary school employees shall have a preparation/conference/planning time totaling not less than sixty (60) minutes per day, excluding relief periods. A maximum of ~~one hundred and twenty (120)~~ one hundred eighty (180) minutes per calendar month shall be available for use at the Principal's discretion.

B. Secondary: High school and Middle School Employees shall be given one (1) uninterrupted preparation/conference period per day of the same length as the regular class period. Subject to the total school schedule, a maximum of ~~thirty (30)~~ forty-five (45) minutes per week at the high school level and a maximum of ~~thirty (30)~~ forty-five (45) minutes per week at the middle school level shall be available for use at the Principal's discretion. Every effort shall be made to provide no more than three (3) different course preparations per day.

C. Block Schedule: Middle school and high school employees on a block schedule shall have a

preparation/conference time totaling not less than ninety (90) minutes per day, excluding relief periods. A maximum ~~of thirty (30)~~ of forty-five (45) minutes per week shall be available for use at the Principal's discretion.

Section 4. - Article **25-Reassignment & Transfers:** The parties agree that at DA schools the following language shall be amended as it relates to DA Schools to read in its entirety as follows:

A. Prior to the date established for the voluntary or involuntary transfer deadlines, teachers may notify their principal of their decision to transfer out of the DA School for the following year. A person who is transferred under this provision may participate in the voluntary or involuntary transfer periods. If the teacher does not find a position, the District will place them prior to the start of the new school year.

B. The following contract language Article 25-3 (C) 1 will be amended as follows:

Applications to transfer into a DA School shall be provided by the District and may be submitted any time at any tier school during the school year. Such applications shall remain active while the school remains in DA status. Once an instructional staff is transferred into a DA School, no voluntary transfer out of the school will be permitted until the end of the school year.

Acknowledgment, Signatures and Dates:

This represents the full and complete understanding of the parties as it relates to the DA State Mandate under Florida Statute. This agreement reached regarding the said BTU-EP, wherever applicable, amends the parties' collective bargaining agreement. This Agreement sets forth the entire agreement between the parties hereto and shall supersede any and all prior agreements or understandings between the parties. This Agreement may be executed in counterparts, and each counterpart will have the effect of an original. Electronic and facsimile copies will be considered originals for all purposes, including enforcement. This Agreement may not be amended except by a written agreement signed by the parties.

Professional Learning Community MOU
April 18, 2019

MEMORANDUM OF UNDERSTANDING BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY AND BROWARD TEACHERS UNION

This Memorandum of Understanding ("MOU") is made and entered into by the School Board of Broward County, FL ("SBBC") and the Broward Teachers Union ("BTU") representing Education Professionals (EP), (hereinafter collectively referred to as "the Parties") on this 18th day of April, 2019. The Parties agree to the terms set forth below.

Whereas, the Parties entered into an Agreement for a Collaborative Education Project ("CEP") in order to explore the workload for educators with respect to planning and preparation time.

Whereas, the Parties have met pursuant to the CEP; and,

Whereas, the Parties have come to this agreement regarding Professional Learning Communities ("PLCs").

1. The Parties agreed that further clarification is needed as to the definition of what constitutes a PLC. The parties agree on the following definition:

   Definition of a PLC.

   A PLC is a group of educators who meet on a regular basis to collaborate on teaching and learning to improve their professional practice. PLCs' should be used for educators to learn from one another on how to improve student outcomes. The goals of the PLC will be determined by consensus of the PLC members.

   PLCs serve two broad purposes: 1) improving the skills and knowledge of educators through collaborative study, expertise exchange, and professional dialogue, and 2) improving the educational aspirations, achievement, and attainment for students through stronger leadership and teaching.

2. **Model PLC's.** By no later than June 15 of each school year, the Broward Teacher's Union ("BTU") shall notify the District's Office of Service Quality of two examples of exemplary PLC's from the following groups: elementary, middle, high, center schools, and district support departments. The Office of Service Quality, in consultation with BTU, will use those examples to develop elements of acceptable PLC models for the next school year.

3. **Principal Training.** The District will train all principals ~~in July~~before the start of each year on the acceptable PLC models that are permissible for that school year.

4. **Principal/Steward Overview.** The District will provide a joint overview to Principals and Stewards of the acceptable PLC models for each year prior school year prior to the start of school.

5. **Time allowed for PLCs.**

Teachers shall not be mandated to use time beyond what is outlined in the attached chart to attend PLCs, i.e. Principal discretionary time, the 24 hours of PD time outlined in the collective bargaining agreement, class time if a substitute is provided, time provided in a board approved district waiver, or professional study days. Any additional time spent for PLCs, outside of the attached chart will be considered voluntary and at the sole discretion of the teacher.

6. **In-Service Points.** A PLC *may* qualify for Professional Development ("PD") in-service points when it has been submitted to and approved by the Department of Professional Development Standards and Support. In addition, the awarding of in-service points is a District process outlined in the Board approved BCPS Professional Learning System. PLCs may or may not be part of the 24 hours of professional development time.

7. **Monitoring.** The District Office of Service Quality shall monitor each school's compliance with the PLC models and may investigate either on its own initiative or in response to a BTU concern. Failure of a school to adhere to PLC model requirements may result in retraining of school leadership and/or suspension of PLC's at that school.

8. Nothing in this MOU shall abridge, modify or change the Parties' Collective Bargaining Agreement (CBA) in any form or fashion. If there is any conflict between this MOU and the CBA, the CBA shall govern. Further, this MOU is not a waiver of either Parties' rights under the law including Florida Statutes, Chapter 447. The District Office of Service Quality's decision shall be exempt from all provisions of Article Thirty-Four of the Parties' Collective Bargaining Agreement (CBA).

MEMORANDUM OF UNDERSTANDING
BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, AND THE BROWARD TEACHERS UNION

This Memorandum of Understanding (MOU) is made on this 17th day of NOV 2023, by and between The School Board of Broward County, Florida (SBBC) and the Broward Teachers Union- Education Professionals (BTU-EP).

Purpose:
The purpose of this Memorandum of Understanding is to memorialize the parties' understanding and agreement regarding the compliance with Florida Statute, including, but not limited to F.S. Section 1001.42(21) that requires the School Board to declare an educational emergency for all schools receiving a grade of "D" or "F" and further provides for the immediate implementation of Turnaround Plans ("TOP") for approval by the State Board. In addition, the MOU is to address the selection, placement, and expectations of instructional personnel and to provide principals with the autonomy described in F.S. Section 1012.28(8) as planning is a critical strategy necessary to improve student achievement.

Scope:

WHEREAS, prior to the start of the school year, the Florida Department of Education notifies each school district if any of its schools have been categorized as a School Improvement ("SI") school. Once a school is assigned a grade that qualifies it as a SI School, typically in July of each year, a Broward County Public Schools (BCPS) school may automatically be classified in one of the following two categories for the school year immediately following the assignment of the school grade:

A. **Comprehensive Support and Improvement - (CS&I):** Any school that earns a grade of "D" or "F" or any school that has a graduation rate of sixty-seven (67%) percent or less in the most recently released school grades pursuant to rule GA-1.09981, F.A.C., School and District Accountability.

B. **SI Tiers of Support.** All SI schools are in need of support and intervention from the school district and the FLDOE and are provided this within the context of a three-tiered system.

> **Tier 1 SI:** Any school that earns a single grade of "D" or has a graduation rate of sixty-seven (67%) percent or less.
> **Tier 2 SI:** Any school that earns a single grade of "F" or a school that earns consecutive low-performing grades and is in the first cycle of turnaround. Submission of Turnaround Plan (TOP) is required.
> **Tier 3 SI:** Any school that has completed one or more cycles of turnaround and has not improved its grade to at least a "C." Submission of Turnaround Plan (TOP) is required.

WHEREAS, §1008.33(4)(a), Fla. Stat., (and as amended by House Bill 7069), requires that in the first full school year after a school initially earns two consecutive grades of "D" or a grade of "F," the school district must immediately implement intervention and support strategies; and, by September 1, provide the FLDOE with a MOU negotiated required to facilitate those support strategies.

WHEREAS, the State of Florida requires the parties to enter into this Agreement to fulfill their obligations to support the District's SI schools.

NOW THEREFORE, it is agreed as follows:

Section 1.

Financial Incentives for Teachers to Work at SI Schools:

The parties jointly desire to further enhance the educational programs available at the District's SI schools for the benefit of the attending students.

With those principles in mind, the District already supports SI Schools with additional resources made available through grants and general funds. Teachers at some SI Schools already receive compensation for student performance bonuses and stipends for professional development and curriculum planning. In addition to all those existing resources and support, the Administration/Principals at each SI School have submitted applications for additional funding for additional resources, support, and/or teacher incentives to assist with funding of the initiatives set forth in this MOU.

Section 2.

Article 5: Conditions of Employment – shall be amended as follows:

L. Teacher Planning Days:

1. **Planning Day:** The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.

   In addition to the ten (10) Planning Days currently built into the teacher calendar, SI schools may have an additional week of staff development prior to the contracted starting day for teachers. Teachers who attend will receive an hourly stipend at the rate of the teacher's hourly rate of pay.

5. A joint school committee comprised of an equal number of SAC Committee Members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation. **Nothing contained herein is intended to preclude the principal of each of the Tier schools from assessing the professional development needs of teachers, recommending additional professional development, and otherwise performing the duties and responsibilities of a school Principal under F.S. Sections 1001.54 and 1012.28.**

   Based on recommendations from the Professional Development Committee, teachers in Tier schools will be required to participate in professional learning. The professional learning may include but not be limited to envision Math, Benchmark Advance, culture and climate, teacher collaborative sessions, engagement strategies, lesson planning, TLAC strategies, and/or classroom management.

S Lesson Plans:

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be

unreasonably complex. Documentation of the incorporation of Florida State Standards and teaching strategies required by law, board policy, or regulation are part of daily lesson plans. **As it relates to SI Schools, Lesson plans must be printed and available in advance of the lesson, shall be available during instruction, and shall include the standard, teaching strategy/activity, and differentiated plans for ESE and ELL learners. As it relates to SI Schools, the parties acknowledge that such plans may be modified based on the classroom and/or student needs.**

Section 3.

Article 10: Employee Preparation, Conference and Planning shall be amended as follows:

B. **Elementary Preparation/Conference Time:** Elementary school employees shall have a preparation/conference/planning time totaling not less than sixty (60) minutes per day, excluding relief periods. A maximum of one hundred twenty (120) minutes per calendar month shall be available for use at the principal's discretion. **As it relates to SI Schools, A maximum of one hundred eighty (180) minutes per calendar month shall be available for use at the principal's discretion.**

C. **Secondary:** High school and middle school employees shall be given one (1) uninterrupted preparation/conference period per day of the same length as the regular class period. A maximum of thirty (30) minutes per week at the high school level and a maximum of thirty (30) minutes per week at the middle school level shall be available for use at the principal's discretion. **As it relates to SI Schools, subject to the total school schedule, a maximum of forty-five (45) minutes per week at the high school level and a maximum of forty-five (45) minutes per week at the middle school level shall be available for use at the principal's discretion.** Every effort shall be made to provide no more than three (3) different course preparations per day.

D. **Block Schedule:** Middle school and high school employees on a block schedule shall have a preparation/conference time totaling not less than ninety (90) minutes per day, excluding relief periods. A maximum of thirty (30) minutes per week shall be available for use at the principal's discretion. **A maximum of forty-five (45) minutes per week shall be available for use at the principal's discretion.**

Section 4.

Article 25: Reassignment & Transfers shall be amended as follows:

B.

6. **As it relates to SI Schools, prior to the date established for the voluntary or involuntary transfer deadlines, teachers may notify their principal of their decision to transfer out of the SI School for the following year. A person who is transferred under this provision may participate in the voluntary or involuntary transfer periods. If the teacher does not find a position, the District will place them prior to the start of the new school year.**

C.

1. Transfer applications shall be provided by the District and may be submitted any time after January 1st through June 30th. Such applications shall remain active until the following December 31st. Applicants may request and specifically list ten (10) schools to which they are interested in transferring.

However, applications to transfer into a SI School shall be provided by the District and may be submitted any time at any tier school during the school year. Such applications shall remain active while the school remains in SI status. Once an instructional staff is transferred into a SI School, no voluntary transfer out of the school will be permitted until the end of the school year.

MEMORANDUM OF UNDERSTANDING
BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, AND THE BROWARD TEACHERS UNION

This Memorandum of Understanding (MOU) is made on this 5th day of February 2024, by and between The School Board of Broward County, Florida (SBBC) and The Broward Teachers Union - Education Professionals (BTU-EP), hereinafter collectively referred to as "the parties."

Purpose:

The purpose of this MOU is to memorialize the parties' agreement regarding the Early Release and Planning Days in the BTU-EP bargaining unit for the 2024-2025 school year.

Duration:

This memorandum shall commence effective from the date of Board approval and shall end June 30, 2025.

Scope:

WHEREAS, Article 5, Conditions of Employment, Section L **Teacher Planning Days**, and Section U **Early Release Time**, of the parties' Collective Bargaining Agreement ("CBA") provides in relevant part:

Section L – Teacher Planning Days

1. "Planning Days: The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.

2. "The Superintendent shall designate two (2) of the five (5) preplanning days with the intent of not scheduling any activities except teacher planning. If the need arises, the affected principal may schedule a staff meeting not to exceed one (1) hour in duration on each of these days."

Section U – Early Release Days

1. "The District shall provide that students at each school shall be dismissed two (2) hours early on six (6) days during the school year. Any school may opt-out of providing early release time by a 66 2/3 percent vote of bargaining unit members through the waiver methodology described in Article Fifteen, Section G, 2-4.

2. Four (4) of these days shall be scheduled the day prior to the employee planning day at the conclusion of each grading period. These early release days shall be used by employees for end of quarter activities including, but not limited to, grading of exams, grade preparation, or other appropriate activities as determined by the employee. The District shall schedule the remaining early release days after consulting with the BTU.

3. The two (2) remaining early release days shall be used in a manner consistent with the procedures below. On these two (2) days, principals may use up to one (1) hour of the two (2) hours of release time to conduct staff meetings or activities that are directly related to school improvement.

4. At all work locations, each department/grade level with the principal's approval shall adopt an objective based on student data and aligned with the SIP and the District Strategic Plan on which to focus its efforts during the school year. Each department/grade level shall then adopt early release day activities that address its established objective. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/grade level to plan and implement such activities."

WHEREAS, the parties have come to this agreement regarding the Early Release and Planning Days for the 2024-2025 school year for employees in the BTU-EP bargaining unit.

NOW, THEREFORE, it is agreed as follows:

1. The above recitals are hereby adopted and incorporated in this section as if fully set forth herein.

2. For the 2024-2025 school year, the parties agree to eliminate five (5) Early Release Days including four (4) at the end of each academic quarter and one (1) additional Early Release Day.

Established 1915
BROWARD
County Public Schools

3. The parties agree the four (4) Planning Days at the end of each academic quarter will be devoted to teacher planning and end of quarter activities. These activities may include, but not limited to, grading of exams, grade preparation, or any other activities to be determined by the employee. If the need arises, the affected principal may schedule administration led activities not to exceed two (2) hours in duration on each of these days.

4. The parties agree that February 14 will remain an Early Release Day.

Terms and Conditions:

This Agreement sets forth an entire agreement between the parties hereto and shall supersede any and all prior agreements or understandings between the parties; except that in the event of a conflict between this memorandum of understanding and the parties' collective bargaining agreement, the collective bargaining agreement shall control. This Agreement may be executed in counterparts, and each counterpart will have the effect of an original. Electronic and facsimile copies will be considered originals for all purposes, including enforcement. This Agreement may not be amended except by a written agreement signed by the parties.

Acknowledgment, Signatures, and Dates:

This represents the full and complete understanding of the parties as it relates to the Early Release and Planning Days in the BTU-EP bargaining unit for the 2024-2025 school year. As such, this agreement does not establish a precedent beyond the time period set forth herein.

ARTICLE 15
INSURANCE

A. **Coverage:** Benefits start the first of the month following up to ninety (90) days as a permanent, benefits eligible employee.

B. **Life Insurance:** The District shall provide, without cost to each employee, Group Term Life Insurance equal to one and one-quarter (1 1/4) times the employee's annual salary, rounded to the next higher multiple of one thousand dollars ($1,000), and subject to a minimum of twenty thousand dollars ($20,000) and a maximum of fifty thousand dollars ($50,000). The employee shall have the option of purchasing at their own expense through payroll deduction, an additional amount of "Group Term" Life Insurance ranging from one and one-quarter (1¼) times the employee's annual salary, up to five times (5) the employee's annual salary or one million dollars ($1,000,000), whichever is less (medical underwriting may apply above the guarantee issue amounts) in accordance and subject to the provisions of the group life insurance policy provided by the Board.

Each employee shall have the option, at the employee's expense, through a direct pay method, to convert the Group Term Life Insurance to an individual life insurance policy upon retirement or termination of employment, in accordance and subject to the provisions of the group life insurance policy.

C. **Dental and Health ~~and Dental~~ Insurance:** The District shall pay the following premiums for individual employee's health and dental insurance:

1. For employees that elect dental insurance, the District shall provide a maximum of $10.80 per month towards the elected dental insurance in accordance with the term and schedule of benefits currently in effect.

   a. The District offers three (3) health insurance plans: Premier Plus Plan, Premier Plan, and Premier Choice Plan. The District will pay 100% of the cost of the health insurance premium equivalent for employee-only coverage ~~under any of the plans until December 31, 2019~~ for the Premier Choice Plan. Employees will have the option to select the Premier Plus Plan or the Premier Plan, to include employee contributions through payroll deductions Employees will continue to pay the cost of the health insurance premium for any coverage selected other than employee-only coverage. In addition to the District agreeing to pay 100% of the cost of

the health insurance premium for employee-only coverage for the Premier Choice Plan, the District will explore contracting with a supplemental enhanced primary care provider. The goal is to reduce health care costs for the District and the employees who join the enhanced primary care provider. There will be no additional cost to the employee for this supplemental coverage.

For future plans years:

The parties are committed to working through the Superintendent's Insurance and Wellness Advisory Committee to implement cost effective improvements to the group health insurance program, such as the increased usage of:

- Teladoc
- Wellness Programs
- Extended Rx offerings
- Urgent Care over Emergency Room visits, when feasible

The District shall separately account for costs of group insurance program within the General Fund in a manner that allows costs and savings to be readily identified. At the end of each fiscal year, any savings in the overall cost of the insurance programs (defined as the total premium equivalent contributions for that year compared to the projected total premium contributions for the next year) shall be placed in a reserve which may only be used to fund future employee supplements, and/or other benefits for employees, prior to the end of the next plan year.

b. All new employees ~~may~~ must elect to enroll in ~~a~~ the District-offered ~~plan of their choice subject to conditions for enrollment in such plan~~ Premier Choice Plan for the first three (3) years of employment, if they do not voluntarily decline such insurance. Thereafter, the employee may elect to remain in the Premier Choice plan or elect a different medical plan during the upcoming Open Enrollment period, effective for January 1st of the following year.

2. Benefit levels, plan design, cost containment for the plan premium contributions and benefit improvements will be reviewed annually by the Superintendent's Insurance and Wellness Advisory Committee. The Superintendent's Insurance and Wellness Advisory

Committee will make recommendations to the Superintendent about benefit levels, plan design, cost containment for the plan and benefit improvements. Either party may demand negotiations through the Superintendent or designee to amend benefit levels, plan design, cost containment for the plan and benefit improvements, or premium contributions.

3. An employee eligible for health insurance may voluntarily decline such insurance. Beginning in the 2024 Open Enrollment Period, ~~A~~ an employee declining medical insurance for the first time, shall be required to sign an affidavit indicating other medical coverage and provide proof of other medical insurance during the open enrollment period ~~each year~~. ~~Employees shall be responsible to maintain proof of continuing medical insurance~~. Employees choosing not to participate in the School Board of Broward County's ~~medical~~ health insurance program shall ~~be reimbursed at a rate of~~ receive up to seven hundred fifty dollars and no cents ($750) per year (opt-out dollars) only if such proof is provided. If an employee does not provide proof of other medical insurance, the~~n~~ employee will not ~~be reimbursed~~ receive any opt-out dollars. Said opt-out dollars shall be deposited into the employee's cafeteria plan and those opt-out dollars may be used in a manner consistent with the provisions of said plan.

4. During the ~~clearance~~ Benefits Onboarding process, new employees shall be informed in writing of the date on which their health insurance becomes effective.

D. **Disability Insurance:** The Board shall provide without cost to each employee a core disability plan in accordance and subject to the terms and benefits in effect in the insurance policy. Each employee shall have the option, at the employee's expense through payroll deduction to purchase Enhanced Disability Insurance.

E. **Liability Insurance:** The District shall provide Liability Insurance at no cost to employees in the amount of five hundred thousand dollars ($500,000) for each employee in case of a lawsuit arising from or in the performance of the employee's duties.

F. **Annuity Programs:** The District shall make available to all employees through payroll deduction, tax deferred annuity programs with companies which qualify and are approved under guidelines and criteria established by the Board.

G. **Rate Increase:** Written notice of the final rate increase in health and dental insurance for dependent coverage shall be provided to each

employee within thirty (30) days of the date the increase is made known to the District.

H. **Employee Reimbursement:** If employees are attacked or assaulted or victim of theft or vandalism in the course of employment, the District will insure or otherwise reimburse such employees for any loss, damage or destruction of clothing, or personal property up to $250 per employee per school year upon verification to the principal, unless the employee is otherwise reimbursed.

If an employee's vehicle is damaged while on the property of a District school, the employee will be reimbursed for the damage not to exceed $500 when it is determined that the damage was caused on School Board property. Employees will be reimbursed for damage not to exceed $500 when it is determined that the damage was caused off school board property while conducting school board business. Such determination may be made by either a School Resource Officer, a School Security Specialist, or a SIU investigator (as determined by the Superintendent), witness testimony or apprehension of the person(s) responsible for the damage. A maximum of $3,000 will be allocated to implement this Section for the school year.

I. **Group Insurance Plan:** Employees covered by the District's insurance plan(s) upon retiring from the District may elect to remain in the Group Insurance Program at the rates applicable to the entire group. The cost of such insurance shall be borne by the retiree~~, except that the District shall provide without charge for collection and remittance of premiums for such insurance~~. Applications must be submitted within thirty (30) days of retirement.

J. **Cafeteria Plan:** Employees who are full-time bargaining unit members including those on Board approved paid leave, but excluding those on sick leave or disability leave shall have access to the "Cafeteria Plan" established by the Board. Part-time unit members and members on unpaid Board approved leave are not eligible to participate in the program. The following criteria shall apply to the granting of cafeteria insurance benefits:

1. The District will provide twenty-five dollars ($25) per month not to exceed $300 per employee per school year. Employees hired after the commencement of the school year shall receive twenty-five dollars ($25) per month for each full month of employment.

2. The specific benefit components of the cafeteria plan shall be contained in a booklet, which shall be distributed electronically to all eligible unit members or maintained on the Benefits Department website.

K. **Vision Insurance:** ~~The District shall provide a vision care program in accordance with the terms and benefits provided in the summary plan description.~~ The District shall provide without cost to the employee a basic vision insurance program, in accordance with the terms and benefits provided in the summary plan description. Employees may also elect to enroll in an enhanced vision insurance plan, at the employee's expense, through payroll deductions.

L. **Jurisdiction:** The Board and the BTU-ESP Unit agree that the Insurance Article shall be subject to annual negotiations through the Superintendent's Insurance & Wellness Advisory Committee (SIWAC).

M. ~~**Fourth Tier:** The parties agree to eliminate enrollment in the fourth tier dependent rate which is identified in insurance documents as the "children (both spouses School Board employees employed in the same plan)" effective at the conclusion of the open enrollment period (November, 1994) for the 1995 insurance plan year. Employees enrolled in the fourth tier prior to the date indicated above may remain in this tier until the time their employment with the District ends. Once all of the affected employees have left the employment of the District, the fourth tier shall be eliminated.~~

N. **Student Teaching:** The District shall pay the single coverage health insurance premium in the same manner prior to the commencement of the student teaching responsibilities for those education support professionals who are required to student teach in an effort to fulfill course requirements to become a teacher. The employee must be enrolled in a state certified program. No more than twenty-five (25) employees shall be granted this benefit annually.

Employees taking advantage of this program will be required to sign a letter of commitment to teach in Broward County for two (2) years.

Selection shall be based upon GPA; in the event of a tie, seniority shall prevail.

The parties will form a committee to develop all procedures, guidelines and other aspects governing the awarding of this benefit to paraprofessionals fulfilling the student teaching requirements in order to become teachers. Committee recommendations shall be subject to review and final approval by the Superintendent.

SBBC Counterproposal 5/6/26

~~BTU Proposal~~ – 05.06.26 -- Art. 22(B)(5)

An employee eligible for health insurance may voluntarily decline such insurance. An employee declining medical insurance shall be required to sign an affidavit indicating other medical coverage and provide proof of other medical insurance during the open enrollment period each year. Employees shall be responsible to maintain proof of continuing medical insurance. Employees choosing not to participate in the School Board of Broward County's medical health insurance program shall be reimbursed at a rate of ~~seven hundred fifty dollars and no cents ($750)~~ one thousand ~~five hundred~~ dollars and no cents ($1,000) per year (optout dollars) only if such proof is provided. If an employee does not provide proof of other medical insurance, then employee will not be reimbursed any opt-out dollars. Said opt-out dollars shall be deposited into the employee's cafeteria plan and those opt-out dollars may be used in a manner consistent with the provisions of said plan.

PREAMBLE

This AGREEMENT, by and between THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, hereinafter called the "Board" or the "District" and THE BROWARD TEACHERS UNION-EDUCATION SUPPORT PROFESSIONALS, hereinafter called the "BTU-ESP." Witnesseth:

WHEREAS, the Board and the BTU-ESP have negotiated in good faith, with the BTU-ESP acting as the exclusive agent for the educational support professionals included in the certified unit with respect to wages, hours, and terms and conditions of employment, and

WHEREAS, the parties, following extended and deliberate negotiations, have reached certain understandings which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

PURPOSE AND INTENT

It is the purpose of this Agreement to provide, where not otherwise provided by the Constitution of Statutes of the State of Florida or Board policies, for the wages, hours and terms and conditions of employment of the employees covered by this Agreement, assure the continuous and efficient operation of the school system, and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of differences between employees and the District; however, this section shall be applied in accordance with Article 18 (c) of this Agreement and nothing provided herein shall deprive employees of their rights under Florida Statutes, Section 477.301.

ARTICLE 1
Recognition

A. The Board recognizes the BTU-ESP as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission (PERC) in Case No. AC-2009-008, Certification No. 295, CERTIFICATION OF REPRESENTATIVE FOLLOWING VOLUNTARY RECOGNITION AND ORDER TO NEGOTIATE, issued by PERC on the twenty-fifth day of March, 2009, as amended:

"INCLUSIONS: All education support professional employees employed by The School Board of Broward County, including Classroom Assistants, Certified Classroom Assistants, Teacher Assistants, Certified Teacher Assistants, Program Assistants, BRACE employees, Vocational and Career Advisors, Parent Educators, Job Coaches, Educational Assistants, Home Service Educators, Even Start, Community Liaisons, Social Educators and Community Social Workers.

EXCLUSIONS: All other employees of The School Board of Broward County."

B. **Definitions:** The terms listed below, when used in any provisions of this contract, shall be defined as follows:

1. Employee - Any employee in the BTU-ESP bargaining unit as defined and certified by PERC. Employees may also be referred to as bargaining unit members.

2. Superintendent - The Superintendent of the District or his/her designated representative.

3. District - The School District of Broward County, Florida. The District may be also be referred to herein as the "School Board" or the "Board".

4. Immediate Supervisor - The person in an administrative or supervisory position directly responsible for the supervision and direction of an employee and to whom the employee is directly responsible. An immediate supervisor shall be a person who is not a member of the bargaining unit represented by BTU-ESP. For purposes of grievance processing, the immediate supervisor shall be a school principal or center director.

5. Seniority - For purposes of this Agreement, seniority shall be defined as the longest uninterrupted service in the bargaining unit commencing upon completion of the employee's probationary period unless defined differently in a specific provision of this Agreement. Service shall not be deemed to be interrupted by any leave approved

and granted pursuant to this contract. An employee who leaves the unit for any position in the District or who is on layoff status retains earned seniority if he/she returns to the bargaining unit within one (1) year, and upon return, shall assume the accumulation of unit seniority. Employees who were probationary teachers, were released, are in good standing, and who have made a request in writing to Talent Acquisition Non-Instructional to return to a vacant bargaining unit position, will be offered a vacant position after all current bargaining employees whom have been placed on lay-off and have been offered one (1) of three (3) vacancies.

Such seniority being equal between or among two (2) or more employees, the additional criteria to be used, in the following order, shall be:

a. the longest total service in a BTU-ESP bargaining unit position in the District;

b. the longest total service in any permanent position of employment by the District;

c. the earliest date of application for any position of employment by the District.

6. Probationary Employee — For a newly hired employee, whether full-time or part-time, the probationary period shall be one hundred thirty one (131) workdays. During said probationary period, the Board may suspend, terminate, or issue corrective action to a probationary employee for any reason whatsoever except for lawful union activities. No claim will be made by the employee or by the BTU-ESP that the action was improper (See Article 6- Section Q).

   Probationary employees shall be eligible for insurance coverage after completing their forty-fifth (45th) workday. Probationary employees shall accrue sick leave, but shall not be able to utilize the leave until their seventy-fifth (75th) workday. Should the employee be terminated prior to the completion of their full probationary period, all leave shall be returned to the School Board.

7. Permanent Full-Time Employee - An employee who has satisfactorily completed his/her probationary period of employment, as defined in Section 6 above in a position which has no predetermined termination date and calls for the employee to work as defined in Article 6 of this Agreement.

8. Regular/Permanent Part-Time Employee - An employee who has satisfactorily completed his/her probationary period of employment

as defined in Section 6 above in a position which calls for the employee to work less than the normal work week but at least twenty (20) hours per week.

9. Temporary Full-Time or Temporary Part-Time Employee - An employee who has a predetermined termination date or who is hired exclusively for cafeteria duty as provided in Article 6, Section B.

   A temporary employee, except employees hired for cafeteria duty shall be automatically terminated by the School Board after one hundred twenty (120) workdays of temporary status, except when the employee is replacing a bargaining unit employee on disability income, workers compensation, or maternity leave. Temporary employees shall not be eligible for any fringe benefits (i.e., paid holidays, annual leave, sick leave, retirement, etc.).

10. Vacancy - When a permanent employee is sought to fill a permanent position.

11. Administrator - The Superintendent, Chief Officers, principals, directors or their subordinate managers or supervisors responsible for the various levels of administrative duties.

12. Substitute - A casual employee who replaces a permanent employee absent from duty as defined in Article 1, B-7.

13. Administrative Designee - An administrator designated by the school principal or chief supervisory administrator.

C. Bargaining Unit Clarification:

1. The BTU-ESP shall be notified prior to changes in position titles. The parties agree that changes in position classification titles only shall not affect membership in the bargaining unit. Either party may seek an amendment to the certification of the bargaining unit to include new titles and exclude those no longer in use.

2. The BTU-ESP shall receive copies of new non-instructional job descriptions approved by the Board, with an indication of whether such positions are to be included in the BTU-ESP bargaining unit.

   It is further agreed that as new position classifications are created by the Administration and the Board, the questions of inclusion within or exclusion from the bargaining unit shall be determined by reference to the Recognition Article of this Agreement and the job descriptions of those classifications. Where the parties agree that new positions be included in the bargaining unit, they shall

immediately seek an amendment to the certification of the bargaining unit to include the new certifications of employees. In the event the parties do not agree as to inclusion or exclusion, the BTU-ESP will immediately seek unit clarification from PERC.

ARTICLE 2
Management Rights

A. It is understood and agreed that the District possesses the right and responsibility to operate and manage all schools, departments and programs, and to direct the work forces. The rights, powers, authority, and discretion necessary for the District to carry out these rights and responsibilities shall be limited only by the express terms of this Agreement and shall be exercised in a manner consistent with this Agreement and Florida Statutes. In matters not covered by this Agreement, the District shall have the right to make administrative decisions.

B. Consistent with this Agreement, the management rights shall include, but not be limited to, the following:

1. Determine the purpose and mission of the Broward County School System, and the department and agencies under its jurisdiction.
2. Set standards of service to be offered to the public.
3. Establish employee job descriptions.
4. Direct its employees and establish standards of performance and conduct, including the right to make reasonable rules and regulations for the purpose of efficiency, safe practices and corrective action.
5. Introduce new, improved or different methods and techniques of operation or work procedure.
6. Relieve employees from duty because of lack of work, lack of funds or for other legitimate reasons.
7. Take corrective action for just cause. (Note: See Article 9, Employee Corrective Action).
8. Hire, promote, transfer or assign employees.

C The parties agree that directing and managing the workforce is a management right. In the event that such an action occurs, and that action shall impact the wages, hours, terms or conditions of employment, the District will notify the BTU-ESP as soon as possible after a decision has been made. Both parties shall collaboratively discuss the implementation process to ensure that the impact to affected employees has been thoroughly discussed and reviewed.

ARTICLE 3
Procedure for Future Negotiations

A. **Mutual Commitment to Good Faith Negotiations:** Both parties agree to meet at reasonable times and places to negotiate in good faith effort to reach agreement in accordance with Florida Statute 447. During the course of negotiations, the parties or their designees agree to make proposals and counterproposals. Neither party shall be required to make a concession. Articles tentatively agreed to shall be initialed by each party and dated, and shall be set aside subject to ratification of the Agreement.

B. **Requests for Meetings:** No sooner than ninety (90) calendar days prior to the expiration date of the negotiated Contract, either party may notify the other of a desire to commence bargaining. A request from the BTU- ESP should be made in writing to the Chairperson of the Board and/or Superintendent. A request from the Board and/or Superintendent should be made in writing to the President of the BTU-ESP. Within five (5) days of receipt of the request by the Board and/or Superintendent, a mutually convenient time and place for a meeting shall be established. The meeting shall take place no later than ten (10) days following the date of the receipt of the request. Additional meetings shall be agreed upon by the negotiation's representatives as may be necessary to complete an agreement.

C. **Negotiation Teams:** Neither party in any negotiations shall have any control over the selection of the bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary authority and power to make proposals, counterproposals and to reach tentative agreement on items being negotiated. The parties realize the Agreement shall only be effective subject to the ratification of the BTU-ESP and the School Board. The Negotiation/Labor Management team shall consist of no more than six (6) bargaining unit employees. Two (2) alternates may be assigned to attend sessions/meetings in the absence of a regular negotiations/labor management team member. The Negotiations/Labor Management team members shall be permitted to attend all negotiations/labor management sessions that occur during the regular work hours without loss of pay. However, no employee shall be paid overtime for sessions that extend beyond the regular workday. The BTU-ESP shall notify the Employee & Labor Relations Department at least twenty-four (24) hours in advance of that specific session when an alternate will be attending for a named regular team member, so that the proper release notification can be sent to the affected employee's work location.

D. **Access for Information:** The District agrees to make available to the BTU-ESP such public information as is requested by the BTU-ESP for developing meaningful negotiation proposals on behalf of the education support professionals, to gather information which may be necessary for the BTU-ESP to fulfill its obligation to effectively represent education support professionals in the processing of any grievance or complaint.

E. **Labor-Management Meetings:** Upon mutual agreement, three (3) representatives of the Administration and three (3) representatives of the Union will meet during the regular school year on an as-needed basis at times convenient to both parties for the purpose of reviewing the administration of the Agreement and to resolve matters of mutual concern.

The parties agree that each may invite subject matter experts ("SMEs") to the meeting, as needed, to address agenda items. The identity of any SMEs to appear at a Labor Management meeting will be shared at least forty-eight (48) hours before the meeting. Unless mutually agreed upon, the Labor Management meeting will not be scheduled for more than one and one-half (1½) hours. The parties agree that these meetings are intended to discuss matters of common interest. These meetings are not intended for the purpose of collective bargaining or to discuss matters of active grievances, pending arbitrations or corrective actions.

Each party will submit to the other at least seventy-two (72) hours prior to the meeting, an agenda covering what it wishes to discuss. Agenda items must be mutually agreed upon at least forty-eight (48) hours prior to the meeting. The parties will alternate the location of the Labor Management meetings.

The Chairperson will jointly rotate between the Administration and the Union. The Chairperson will be responsible for conducting the meeting and distributing the agenda. Summaries of action plans will be shared between both parties.

ARTICLE 4
Grievance Procedure

A. **Definition:** Any claim by an employee(s), or the Union, that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement may be processed as a grievance, as hereinafter provided.

Nothing in this Article shall be construed to prevent a bargaining unit member from processing his/her own grievance in person through this grievance procedure and having such grievance adjusted without the intervention of BTU-ESP, if the adjustment is not inconsistent with the terms of this Agreement, and if BTU-ESP has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance, and the BTU-ESP shall be provided with the resolution of such grievance in writing. However, only the Union may submit a grievance to arbitration.

B. **Exclusive Rights:** The parties agree that the BTU-ESP has the exclusive right to process grievances under all steps of this grievance procedure, except that any bargaining unit member may process a grievance through said procedure if the BTU-ESP expressly waives its right in writing to process a grievance because the unit member is not a dues- paying member of the union. A copy of the waiver (Appendix A-2) shall be provided to the Director of Employee & Labor Relations. The union accepts its duty of fair representation but retains its right to preclude the processing of non-meritorious grievances through the steps of this grievance procedure, inclusive of arbitration.

C. Procedure:

1. During all steps of this procedure, an employee may be represented by him/herself or by a BTU-ESP representative. Verbal reprimands and written reprimands, with the exception of those issued by the Special Investigative Unit (SIU), shall be grievable only through Step II of the grievance process. Said verbal reprimands and/or written reprimands will be held in abeyance as per Article 7, Personnel Files, Section A.

2. **Informal:** In the event that an employee believes there is a basis for a grievance, he/she shall first discuss promptly the alleged grievance with the immediate supervisor within twelve (12) working days of the date on which the employee could reasonably have known of the occurrence of the event giving rise to the alleged grievance.

3. **Formal:** If, as a result of the informal discussion with the immediate supervisor, an alleged grievance still exists, a formal grievance may be invoked by the employee within five (5) working days of the informal discussion, on the form set forth in Appendix A-1, signed by the grievant and/or by a representative of the BTU-ESP, which form shall be available from the principal or the BTU-ESP. If an employee will not be represented by BTU-ESP and BTU-ESP is allowing the employee to proceed, the form attached at Appendix A-2 must accompany the grievance. If the grievance involves more than one (1) school building, a group of employees, or arises from an action above the level of the immediate supervisor, it may be initially filed with the Employee & Labor Relations Department at Step II and the informal discussion may be waived by BTU-ESP.

D. Steps of Formal Grievance Procedure:

1. Step I - Immediate Supervisor

   The grievant may submit to the immediate supervisor, a copy of the grievance form. Within five (5) working days of receipt of the grievance, the immediate supervisor shall meet with the grievant in an effort to resolve the grievance. The immediate supervisor shall indicate the disposition of the grievance in writing to BTU-ESP within five (5) working days after such meeting.

2. Step II - Employee & Labor Relations Department

   If the grievant and/or BTU-ESP is not satisfied with the disposition of the grievance, or if no disposition has been made with the specified time limit, or if Step I has been omitted, the grievance shall be submitted to the Employee & Labor Relations Department within five (5) working days of the disposition of the immediate supervisor or expiration of the time limit. Within five (5) working days of receipt of the grievance, the Employee & Labor Relations Department shall meet with the grievant. Within five (5) working days of said meeting, the Employee & Labor Relations Department shall indicate the disposition of the grievance in writing. If the parties reach a mutual resolution, it shall be in writing, signed, dated and distributed to the BTU-ESP and the School District. Upon resolution, processing of the grievance shall automatically terminate.

3. Step III - Arbitration

   a. If the grievant or BTU-ESP is not satisfied with the disposition of the grievance by the Employee & Labor Relations Department or if no disposition has been made within the specified time limit, the grievance may be submitted only by

the BTU-ESP to arbitration before an impartial arbitrator within seven (7) working days of the written disposition at Step II or the expiration of the time limit. The seven (7) working days will commence from the postmark affixed to the Step II answer envelope by the U. S. Postal Service or the date of an email forwarding the disposition.

b. Selection of Arbitrator: If the parties cannot agree to an arbitrator within five (5) working days from the notification date, that arbitration will be pursued, the arbitrator shall be selected from a list supplied by the Federal Mediation and Conciliation Service ("FMCS") or the American Arbitration Association ("AAA") in accordance with the rules of the respective organization, which rules shall likewise govern the arbitration proceedings.

c. **Power of Arbitrator:** The arbitrator shall limit his/her decision to the application and interpretation of this Agreement and shall have no power to modify, alter, add to, or subtract from the provisions of this Agreement.

d. **Cost of Arbitration:** If the arbitrator sustains the position of the grievant, the fees and expenses of the arbitrator, including AAA and FMCS filing fees, shall be paid by the District. However, if the arbitrator sustains the District's position, all fees and expenses of the arbitrator and all filing fees shall be paid by the grievant or the Union. If the decision issued by the arbitrator is not the one requested by either party, the arbitrator shall determine the distribution of his/her fees between the parties. Each party shall be responsible for any other expense it chooses to incur. The parties may, by mutual agreement, agree to share the cost of the arbitration.

e. **Witnesses:** Employees required to testify will be made available without loss of pay; however, whenever possible they will be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant(s). Nothing provided herein shall prevent a witness from being recalled to testify. In group grievances, the group of employees shall be represented by the BTU-ESP and one (1) member of the group.

f. **Disclosure of Information:** Neither the District nor the Union shall be permitted to assert in such arbitration proceedings any grounds or rely on any evidence which has not previously been disclosed to the other party.

g. **Award:** Both parties agree that the award of the arbitration shall be final and binding.

h. **Expedited Arbitration:** On a case-by-case basis, the parties may mutually agree to utilize an expedited arbitration procedure. The specific procedures covering all aspects of the expedited arbitration hearing must be mutually agreed to by the parties prior to the scheduling of the hearing.

i. The parties may, by mutual agreement, establish the procedures as well as the working guidelines to select and utilize a panel of arbitrators. The panel of arbitrators would be reviewed every two years at which time the parties, by mutual agreement, may make changes to the panel.

E. General Provisions:

1. It is the mutual intent of the Union and the Board to resolve all grievances at the earliest possible level of the grievance procedure.

2. **Time Limits:**

a. The time limits provided in this article shall be strictly observed, but may be extended only by mutual written agreement of the parties. All formal grievances must be appealed to the next step within the specified time limits. Failure to do so shall deem the grievance resolved on the basis of the disposition at the previous level. Failure of the administration to respond within the specified time limits shall permit the grievant to appeal to the next level.

b. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Employee & Labor Relations Department shall use best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible.

c. Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limits shall be extended to permit such person(s) to be present.

3. **Grievance Meetings/Conferences:** When grievance meetings, conferences or hearings are scheduled during school hours, employees required to testify shall be excused without loss of pay or accumulated leave for that purpose.

4. **Discrimination:** The provisions of the Agreement shall be applied without regard to race, creed, color, religion, national origin, age, sex, handicap or marital status.

5. **Employee Rights:** All employees will be entitled to fair, reasonable, and equitable treatment in the processing of grievances. An employee who participates or intends to participate in any grievance as described herein shall not be subjected to corrective action or reprisal because of such participation or intention. The grievance response or final grievance disposition will be placed in the employee's personnel file. All other documents related to the grievance will be placed in a separate grievance file.

6. **Adjustment/Resolution:** Adjustment or resolution of any grievance herein shall not be inconsistent with the provisions of this Agreement.

7. **Expiration of the Agreement:** Notwithstanding, the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolved.

F. **Waiver:** If the BTU-ESP waives its right to process a grievance to arbitration because the affected employee is not a dues-paying member of the union, the employee may carry the case forward if BTU-ESP signs the form attached in Appendix A-2, but the employee may be responsible for all arbitration costs pursuant to the provisions in Section E above. Under such circumstances, the BTU-ESP shall not be responsible for arbitration costs associated with the specific grievances.

ARTICLE 5
Employee and BTU-ESP Rights

A. **Rights Under the Law:** Nothing contained herein shall be construed to deny to any employee rights granted under the Florida School Laws or Laws or other applicable laws and regulations.

B. **Information to Union:** The Board agrees to furnish the BTU-ESP with the following at a charge not to exceed that authorized by Florida Statutes, Section 119.07 along with any other information requested by BTU-ESP allowable under state statute and other applicable laws:

First Name/Last Name
Home Address
Home Phone Number
Work Location
Job Classification
Personnel Number
Dues Deduction Amount
Employment Date
Bargaining Unit Date

Such information shall be sent via electronic format on a quarterly basis.

C. **Use of School Buildings:** The BTU-ESP and its representatives shall be permitted to hold monthly meetings with all ESP employees before school hours, after regular school hours, or at other reasonable times determined by the principal provided that such use does not disrupt school operations or result in overtime compensation to other staff who may be required to be present while the school remains open for use. If rental is charged, it shall be in accordance with Board policy.

D. **Use of School Facilities and Equipment:** The BTU-ESP and its representatives may, upon approval of the principal, have the right to use school facilities and equipment, including computers, copiers, other duplicating and photocopying equipment, calculating and computing machines, and audiovisual equipment at reasonable times, when such equipment is not otherwise in use. The BTU-ESP shall, upon request by the principal, pay for the reasonable cost for such use and for all materials and supplies incidental to such use. Whenever possible, employees shall have the right to access District e-mail from designated computers at the work location with the understanding that student contact time shall not be interrupted. The Principal/Designee shall designate which computers are allowed for employee use. If more employees exist than computers for designated use, the Principal/Designee may rotate employee use on such

equipment on a basis that provides equal time among all affected employees.

E. **Use of Bulletin Boards and Mailboxes:**

1. **Bulletin Boards:** BTU-ESP shall have the right to post notices of activities and matters of BTU-ESP concern in a designated area assigned by the school principal at each school or center. Only official materials from BTU-ESP or its affiliate may be posted. (Notices endorsing any national, state or local political candidate shall be prohibited.)

2. **Mail Services:** BTU-ESP may use the District mail service, including employee mailboxes, for official communication to education support professionals, provided the BTU-ESP complies with all provisions of the Private Express Statutes, including postage requirements. The parties agree that should the Private Express Statutes change regarding required postage, this provision shall be modified accordingly. BTU-ESP and the District shall develop guidelines for this service and for appropriate charges prior to implementing the use of the mail service.

3. BTU-ESP Stewards shall be permitted to access and utilize their location electronic mail as it related to their roles as union representatives. The following rules shall apply for such usage:

   a. BTU-ESP Stewards shall abide by Florida Statute, School Board Policy 5306, School and District Technology Usage, and the provisions of Article 5, Employee and BTU-ESP Rights.

   b. The first violation of the provisions outlined in subsection a. above shall result in a written warning to the offender with a copy to the President of the BTU-ESP and the Director of Employee & Labor Relations.

   c. A second violation of the provisions outlined in subsection a. above shall result in a three (3) month suspension of electronic mail privileges to the offender. The BTU-ESP President and the Director of Employee & Labor Relations shall be notified when such action is taken.

   d. A third violation of the provisions outlined in subsection a. above, shall result in a six (6) month suspension of the District electronic mail privileges to the offender. The BTU-ESP President and the Director of Employee & Labor Relations shall be notified when such action is taken.

e. A fourth violation of the provisions outlined in subsection a. above shall result in permanent suspension of the District electronic mail privileges to the offender. The BTU-ESP President and the Director of Employee & Labor Relations shall be notified in writing when such action is taken.

F. **Transaction of BTU-ESP Business:** Duly authorized representatives of the BTU-ESP may, with the approval of the principal, be permitted to transact official BTU-ESP business on school property at all reasonable times, provided that this shall not interfere with or disrupt normal school operations.

G. **Board Furnished Materials:** The Board agrees to make available to the BTU-ESP, Board agendas furnished other organizations and minutes of Board meetings; names and addresses, and telephone numbers of all employees; salaries paid thereto and years of service; and other such specific publicly available information, as will assist BTU-ESP in developing intelligent, accurate, informed and constructive programs on behalf of the employees, together with information which may be necessary for the BTU-ESP to process any grievance.

H. **Right to Address the School Board:** The BTU-ESP may appear on the Board agenda to discuss Board business. In order to do so, the Superintendent must be contacted at least ten (10) days in advance of the Board meeting in order that an administrative review may be conducted and the item placed on the official Board Agenda. The presentation shall be limited to the topic listed.

I. **School Visitation:** The BTU-ESP President and/or other BTU-ESP representatives may, with the approval of the principal, be allowed to visit schools to investigate employee concerns, problems or for other purposes relating to BTU-ESP affairs.

J. **Payroll Deduction:** The District shall, upon written authorization of the employee, deduct BTU-ESP dues. The BTU-ESP shall furnish, distribute, and process authorization forms, said forms to be filed by BTU-ESP with the Payroll Department. Employees who desire to become members of the BTU-ESP shall file their authorization form with the BTU-ESP. Pursuant to such authorization, the District shall deduct such annual sum as authorized in equal payments according to a schedule mutually agreed to by the parties from the employees regular salary check, beginning with the first pay check in the pay period following date of authorization for new members. Such authorization shall continue in effect from month to month, thereafter unless revoked by the employees in writing to the BTU-ESP and to the Payroll Department, not less than thirty (30) days prior to

the next payroll cutoff date. The deductions shall be remitted not less frequently than monthly to the BTU-ESP, with a list of members and the amount deducted year-to-date.

The right to such dues deduction shall be granted exclusively to the BTU-ESP and shall not be granted to any other employee organization seeking to represent employees in the bargaining unit. The BTU-ESP shall notify the Payroll Department of the amount of any change in annual dues to be deducted not later than the last workday of the month prior to the month in which such change becomes effective. The BTU-ESP agrees to indemnify and hold harmless the Board, each individual Board Member and all administrators against any and all claims, costs, suits, or other forms of liability and all court costs arising out of the application of the provisions of this section.

Upon appropriate written authorization from the employee, the District shall deduct from the salary of the employee and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, insurance, BTU-ESP special services programs, or any other plans or programs approved by the BTU-ESP and the Board as a part of this Agreement or additional programs approved by the Board that are not a part of this Agreement.

K. **Non-Retaliation Clause:** An employee shall not be subject to warning, corrective action, retaliation or harassment because of his/her participation in BTU-ESP activities and/or participation in the grievance (Article 4) process. All grievances or complaints arising from this provision shall be processed through procedures established under Chapter 447 of Florida Statutes.

L. **BTU-ESP Exclusivity:** The rights granted to BTU-ESP in this Agreement shall be granted to BTU-ESP exclusively as the sole and exclusive bargaining agent and shall not be granted to any employee organization seeking to represent employees in the bargaining unit.

M. Principals or other appropriate administrators shall be responsible for immediately reporting to the Superintendent, through Special Investigative Unit (SIU), any person who (1) commits assault or battery upon any employee, or upbraids, abuses or insults any employee during employment, on school property or at a school activity, and (2) any person who is not otherwise subject to the rules and regulations of the school who creates a disturbance on the property or grounds of any school, or who commits any act which interrupts the orderly conduct of a school or any activity thereof. SIU shall make an immediate investigation. If the investigation indicates that the charges are warranted, the Superintendent

shall assist the insulted person in filing charges against the individual who committed the insult/assault.

N. The District agrees to furnish the BTU-ESP, three (3) times each year, November 1, February 1 and March 15, two (2) full file information rosters of bargaining unit members, (one (1) in alphabetical order by location - one (1) in alphabetical order); at no cost to the BTU-ESP.

O. The Vice-President of the BTU-ESP, Local Union Executive Officer, the President of the state affiliate, and the Executive Officers of the national affiliate shall be granted temporary duty leave for their respective term of office. Upon return from leave the employee shall be placed in the same position held before such leave, or if such position is not available, to a substantially equivalent position within the scope of the employee's job classification. Such employee shall have the right to continue participation in the retirement system and insurance programs of the District, as well as to receive credit for salary increment, all as if in actual service to the District. The BTU-ESP shall reimburse the District for the actual cost of such employee's salary and benefits.

P. **Student Pick Up and Drop Off:** Education support professionals shall not be required to open and/or close automobile/van doors for students, load or unload children from vehicles, secure children in car seats, or load and/or unload student supplies. This section shall apply only to students picked up or dropped off in a private vehicle.

Q. **Physical Restraint of Students:** When a need for physical restraint training is identified, the Principal/designee shall seek the approval through the Office of School Performance and Accountability (OSPA) for a designated team to be certified. At least one (1) education support professional employee may be given the opportunity to be a member of the team. Physical restraint procedures shall be performed for the duration of the certification period for each designated team member.

R. **Professional Development**: When it does not adversely impact the operation of the school or the school's budget, principals shall approve requests from education support professionals to receive job-related training during normal work hours that will enhance or improve their ability to perform the duties required of their job. Requests for training shall not be unreasonably denied and may be subject to the grievance procedure.

S. **District Mandatory Child Abuse Reporting/Employee Protection:** Employees have a duty to report child abuse to the child abuse hotline at 800-962-2873 and the employee shall not be retaliated against for making such report. In addition, such information may also be reported to the

principal/designee. The confidentiality of information reported to The Department of Children and Families (DCF) shall be maintained in accordance with the Florida Statutes, Section 39.202.

T. **Domestic Violence Leave:** The parties mutually agree that upon approval of and in alignment with a School Board policy on Domestic Violence Leave, the three (3) days of leave as outlined by Florida Statute shall be paid leave for employees who are victims of domestic violence as defined in Florida Statutes, Section 741.28.

U. **Parking/I.D. Passes:** The President of the Broward Teachers Union-Education Support Professionals (BTU-ESP), full-time paid professional staff, and employees serving on District committees shall receive parking and identification passes that allow parking and personal entry into the Kathleen C. Wright Administration Building. The BTU-ESP shall provide a written list of paid, professional staff members, District committee members, and the name of the President of the Union to the Chief Human Resources & Equity Officer.

V. **Student Ratio To Education Support Professionals:** When the number of breakfast/lunch participants exceeds one hundred (100) students at one sitting, the principal will consider allocating additional education support professionals to the breakfast/lunch program. The decision to allocate additional education support professionals shall be at the sole discretion of the principal/administrator.

W. **Super Seniority for Stewards:** Whenever possible stewards shall be given super seniority exemption from layoff. By March 1st the BTU-ESP will provide the Superintendent with a list of official building representatives. Should the stewards vacate their position for any reason, the BTU-ESP shall notify the Superintendent and provide a replacement name.

X. **Custodial Duties:** ESP employees shall not be required to perform custodial duties outside the scope of the job expectations for their position such as, but not limited to, cleaning floors or furniture, emptying trash, washing bathroom facilities, changing light bulbs, dusting, and wiping desks, when such duties are not directly related to the instructional program, student activity or service they support.

ARTICLE 6
Terms and Conditions of Employment

A. **Workday:** The workday of permanent full-time employees shall be seven and one-half (7-1/2) consecutive paid hours, including a lunch period of thirty (30) consecutive minutes. The lunch period shall be duty-free except under emergency circumstances. During the lunch period, employees shall not leave the school grounds without permission of the principal. In the case of employees whose jobs, because of Federal grant requirements, require hours of work not in conformance with the above, they shall have a standard workday of not more than seven and one-half (7-1/2) hours including a duty-free, uninterrupted, paid lunch period of not less than thirty (30) consecutive minutes.

The workday of employees shall be no longer than seven and one-half (7-1/2) hours in accordance with Section A above. The workday of employees shall be no less than seven (7) consecutive hours for 187 and 196 calendar-day employees or with the exception of summer school or ESP employees hired to work part-time (e.g., employees hired to work cafeteria duty). The workday of employees hired for the exclusive purpose of cafeteria duty shall be no shorter than four (4) consecutive hours. Substitute employees, part-time employees, temporary employees or volunteers shall not be employed in or assigned to a position to avoid the employment of a full-time employee when such employment would circumvent any provision of this Agreement. If a four (4) day work week is implemented during the summer months, this schedule may be compressed into that period. Said compression shall not result in the reduction of salary or benefits.

B. **Cafeteria Duty Assignment:** Certified Classroom Assistants, and Certified Teacher Assistants will have cafeteria duty for no more than 90 minutes per day, when feasibly possible except in the following cases: because of Federal restrictions or where ESPs have been hired either on a partial basis or exclusively for cafeteria duty. A rotation list shall be posted. To ensure the safety of all students, ESPs who are assigned to Head Start, unique, or special needs students (including autism) are excluded from cafeteria assignment beyond their specific student assignment(s). Such cafeteria duties shall be performed within the appropriate ESP job description. For example, these ESPs shall not wipe tables, run the trash compactor, or mop floors.

C. **Breaks:** Employees working for five (5) hours to seven and one-half (7-1/2) hours shall receive two (2) fifteen (15) minute breaks per day. One (1) break shall be in the morning and one (1) shall be in the afternoon unless there is mutual agreement between the affected administrator and

ESP(s) to schedule one (1) thirty (30) minute break in the morning or afternoon. All employees working less than five (5) hours shall be granted one (1) fifteen (15) minute break.

D. **Lunch Period:** Employees who work five (5) hours or more shall be granted a thirty (30) minute, duty-free, uninterrupted lunch period, which may or may not be during the normal lunch hours.

E. **Basic Annual Work Calendar:** Effective the 2025-2026 school year, the basic annual work calendar for employees shall be one hundred and eighty-nine (189) days, including six (6) paid holidays. If a principal/administrator, at his/her sole discretion, wants to extend an employee's annual work calendar, qualification, attendance, reliability, and seniority in the District shall be among the criteria considered by the administrator in granting the extension. Current employees shall be given first consideration in filling the position. Employees shall receive written verification of their calendar starting date, unit seniority date, number of hours contracted to work per day, and location, by the last workday of May of each year and/or in accordance with approved action taken by the District. Upon the conclusion of collective bargaining between the BTU-ESP and the District each year, the negotiated salary schedule and other amended articles shall be distributed to bargaining unit members in accordance with the applicable provisions of this contract.

New employees hired after the last workday of May of each year shall receive the information specified above, in this section, no later than ten (10) days after the Board approves their employment.

F. **Employee Dismissal:** Any permanent employee who is dismissed for disciplinary reasons or as a result of performance evaluation shall be notified in writing of said dismissal, which shall include the specific reasons for dismissal.

G. **Experience Credit:** An employee who resigns in good standing or is laid off, if re-employed within two (2) years from the effective date of such resignation or layoff, shall be granted experience credit on the salary schedule for all previous experience granted, as an ESP employee, but shall not be granted credit on the salary schedule for time not worked by virtue of layoff or resignation.

H. **Just Cause:** No employee shall be dismissed, be reduced in rank, be reduced in compensation, suffer loss of any terms and conditions of employment, or otherwise be deprived of any advantage of other employment benefit, without just cause.

I. **Complaints Against An Employee:** No action against an employee shall be taken on the basis of an unverified complaint by a parent or student or other individuals, or any notice of such action or complaint shall be included in the employee's personnel file or any evaluation report, unless the matter is first reported to the employee in writing, and the employee has had an opportunity to discuss the matter with his/her administrator. No investigation of an employee beyond preliminary inquiry by Special Investigative Unit (SIU) may be undertaken without written notice to the employee, such notice to include a statement of the cause giving rise to the investigation.

J. **Student Discipline/Employee Protection:** The principal shall have the responsibility for maintaining overall discipline within the school setting. Further, the principal may delegate to the employees such responsibility for control and direction of the student as he/she considers desirable or as required by District policy and rules. When and where such responsibility has been delegated, the employee shall be supported in any reasonable action he/she may take. An employee shall be accorded the same protection of law and support of the District that is accorded certified teachers when under the direction and/or supervision of the Board or its agents.

Reporting Incidents:

1. The employee shall immediately report any cases of: 1) assault and battery upon an employee, and any person (excluding students) who abuses/insults employees, and 2) any person who is not otherwise subject to the rules and regulations of the school who creates a disturbance on the property or grounds of any school, or who commits any act which interrupts the orderly conduct of a school or any activity thereof the Principal or other appropriate administrator. The District shall advise the employee concerning his/her rights and obligations with respect to such alleged actions and shall render all reasonable assistance to the employee in connection with handling of the incident by law enforcement.

2. The employee shall immediately report any threats of a violent nature made against him/her to the Principal or appropriate administrator. The administration shall immediately notify SIU of the alleged threat of violence against the employee. The District shall advise the employee concerning his/her rights and obligations with respect to such alleged actions and shall render all reasonable assistance to the employee in connection with handling of the incident by law enforcement.

K. **Covering Classes:** The District will comply with all provisions of Florida Statutes, Section 1012.37 which states, "A district school board may appoint education paraprofessionals to assist members of the instructional staff in carrying out their duties and responsibilities. An educational paraprofessional shall not be required to hold a teaching certificate. An education paraprofessional, while rendering services under the supervision of a certified teacher, shall be accorded the same protection of laws as that accorded the certified teacher. Paid education paraprofessionals employed by a district school board shall be entitled to the same rights as those accorded non-instructional employees of the district school board." The parties agree that the collective bargaining agreement shall be consistent with any future changes in the statute.

An education paraprofessional shall not be utilized for in-classroom teaching or supervisory responsibilities over a classroom of students except in those most extreme circumstances. In the event that an emergency arises that requires an education paraprofessional to cover a class for more than a few minutes, the principal must provide a memorandum to the Office of School Performance & Accountability, after the fact, which justifies the classroom coverage. The memorandum must also include the total time period that the education paraprofessional was in the classroom without a teacher, the name of the education paraprofessional, and the regularly assigned teacher.

L. **Rest Areas:** Lounges and/or other areas designated by principals as places where faculty and other staff may eat or rest, except teacher planning areas, shall be available to ESP employees for the same purpose. All ESPs shall have a secured area (i.e. locker/cabinet) with all day access to lock up personal belongings during their workday.

M. **Off-Street Parking:** Whenever possible, off-street parking facilities owned by the District shall be provided for employee use at each school.

N. **Telephones:** Telephones for the purpose of school business shall be available in each school for ESP employee use. Bargaining unit members may use school phones for personal, local calls before and after the official workday, during breaks, duty-free lunch or in emergencies, provided that there are no charges to the school associated with said phone calls.

O. **Temporary Employees:** Temporary employees who are eventually placed in vacant positions shall have all time accrued as a temporary employee credit to their calendar probationary period, provided such service is continuous at the same work location and leads directly to filling a vacancy. The seniority date for such employee shall be the first day after completion of the required probationary period.

P. **Probationary Employees:** Probationary employees who are hired and receive satisfactory evaluations but work less than the probationary period in a school year shall have all days previously worked as probationary credited to their probationary period if rehired during the subsequent school year in a bargaining unit position.

Q. **Labor Management:** The parties mutually agree to discuss the creation and implementation of a substitute list for Education Support Professionals.

ARTICLE 7
Personnel Files

A. **Number of Files:** There shall not be more than two (2) personnel files (the official file and the site file) maintained for each employee. The official file will be maintained at the Human Resources Support Services Department. The site file shall be kept in the principal's or director's office at the school or other location where the employee is then employed. Each document placed into either file shall be in accordance with Florida Statues, Section 1012.31. When the employee transfers to another school or site within the District, the site file will be transferred with the employee.

B. The affected employee will receive a copy of the corrective action. Said document(s) shall be held in abeyance unless the offending behavior recurs or other disciplinary action is taken, within one (1) year of issuance, in which case all documents will be placed in District personnel file(s). If a verbal reprimand or a written reprimand is held in abeyance, and the offending behavior does not recur and there is no other corrective action within one year from issuance, the original document will be delivered to the employee at the end of one year from the time of issuance. NOTE: Verbal reprimand and/or written reprimands based upon a serious breach of conduct which is of a criminal nature, or compromises the health and/or safety of any individual, or is issued by the Special Investigative Unit shall be grievable beyond step II and will not be forwarded to the employee's District personnel file until completion of the grievance procedure (if exercised).

C. **Anonymous Items:** No item from an anonymous source may be placed in the personnel file.

D. **Notification to Employees:** An employee has the right to answer in writing any materials in his/her personnel file. An employee has the right to request that the Superintendent or his designee make an informal inquiry regarding material in his personnel file which the employee believes to be false. The official who makes the inquiry shall append to the material a written report of his findings.

Letter(s) of reprimand, letters of complaints from any source, or other items detrimental to an employee's employment status, shall not be placed into an employee's personnel file until the employee has had an opportunity to read and/or sign the item. An employee's refusal to sign any such item does not restrict the right of the District to place these items into the appropriate personnel file. The employee's signature shall indicate only that he/she has read the item and shall not necessarily indicate agreement with its contents unless otherwise indicated.

E. **Review and Copying of File:** Each employee shall have the right, upon request, to review and reproduce any contents of his/her personnel file. A representative of the BTU-ESP may accompany the employee in such review and may, upon written authorization by the affected employee, review and reproduce any contents of an employee's personnel file.

The District shall charge the employee or representative for all copies requested and duplicated. The rate shall be established by the District.

F. **Prohibited Materials and Remedy:** Except for materials pertaining to work performance or such other matters that may be cause for discipline, suspension, or dismissal under laws of this state, no derogatory materials relating to an employee's conduct, service, character, or personality shall be placed in the personnel file of such employee. An employee has the right to answer in writing any materials in a personnel file, and the answers shall be attached to the file copy. An employee has the right to request that the Superintendent or the Superintendent's designee make an informal inquiry regarding material in the employee's personnel file which the employee believes to be false. The official who makes the inquiry shall append to the material a written report of his or her findings.

ARTICLE 8
Employee Evaluation

A. **Purpose:** One or more performance evaluations of employees shall be conducted in accordance with the procedure herein to appraise effectiveness in the performance of assigned duties and responsibilities; to improve performance; recognize superior performance, identify job performance problems; improve communications between administrators and employees; and to provide timely and accurate information which may be used in the making of personnel decisions related to employee performance.

B. **Procedure:**

1. Within each school or center, the administrator or his/her administrative designee shall be responsible for evaluation of employees assigned to that school or center. Observations by a teacher may form part of the evaluation, provided that teacher has worked directly with the employee in the educational setting during the evaluation period. Evaluation of employees by any other persons shall not be conducted or condoned by the Board or District Administrator, nor will any action be taken against an employee based on such unauthorized evaluation. When teacher input indicates need for improvement, an administrative observation will be conducted as in B-4(a) of this Article.

2. Each new bargaining unit member shall be given a copy of the evaluation form as set forth in Appendix B on or before September 30 of each year. Employees hired after September 30 shall be given a copy of the evaluation form within fifteen (15) workdays after the first day of work.

3. Evaluations shall be conducted between October 15 and not later than one (1) week prior to the end of the school year for every permanent full-time and part-time employee. Permanent employees shall be evaluated at least once during the school year. Employees who were rated "Needs Improvement" on their last evaluation and who are reappointed, shall be evaluated during the last semester of the next school year.

4. a. When classroom observations are conducted by the principal or administrative designee, employees shall be observed for the purpose of evaluation. When a teacher indicates to a principal/administrator that an employee's classroom performance needs improvement or is unsatisfactory, the principal/administrator must observe the employee for a

minimum of thirty (30) minutes. If after the classroom observation, the principal/administrator agrees with the teacher, a follow up conference with the employee will be conducted within ten (10) working days.

b. Principals may conduct observations other than those specifically required at any time during the school year. Any such observations which are to be used for evaluation purposes shall be recorded on the evaluation form.

5. The contents of the evaluation form shall be the same as Appendix B attached.

6. Prior to the evaluator's completing the evaluation form, he/she shall conduct a post-observation conference to discuss the observation and the employee's performance. After such discussion and upon completion of the formal evaluation, the evaluator and the employee shall sign the report, with a copy to the employee before it is placed in the employee's personnel file.

   The evaluator shall explain to the employee what actions may be expected if performance does not improve. In addition, the administrator shall establish a time period for employee remediation. At the completion of that date, the evaluator shall meet with the affected employee.

7. Upon request of the employee, the evaluator shall schedule a follow-up conference at which time the employee may be represented. Any change in the evaluation as a result of this conference shall result in the evaluation form being redone and attached to the original if the original is already in the employee's official personnel file. The final evaluation shall be treated in a manner consistent with this Article.

8. Failure or refusal of an employee to achieve a satisfactory level of performance or to meet the requirements of his/her job description and duties shall be adequate justification for termination of employment. Any dismissal of an employee based on unsatisfactory performance shall be limited to the causes specified in the employee's Notice of Dismissal under Article 6, Section F of this Agreement.

9. **Employee Response:** If the employee objects to the contents of his/her evaluation, he/she may place such objections in writing and attach it to the evaluation form within ten (10) days from the date of the evaluation conference.

C. **Probationary Period:** Any probationary employee not given written notification of a dismissal on or before the end of the employee's probationary period shall become a permanent employee.

ARTICLE 9
Employee Corrective Action

A. No regular/permanent employee shall receive corrective action without just cause. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the BTU-ESP is present. It is the employee's responsibility to have a BTU-ESP representative present within three (3) working days of such request.

B. **Harassment:** Employees shall not be subjected to harassment, abusive language, upbraiding or insults. Administrators shall not be considered in violation of this section and will remain professional at all times, even when providing input during a performance evaluation meeting with an employee.

Administrators shall not express unnecessary complaints or criticisms concerning an employee in the presence of other employees, students, or parents.

The District and its employees shall comply with the School Board approved policy regarding Anti-Bullying and Harassment.

C. **Harassment of Steward(s):** Steward complaints under this paragraph shall not be subject to the provisions of Article Four but shall be directed to the Office of School Performance & Accountability for final binding decision. The BTU-ESP shall provide a list to the Superintendent not later than March 1st of each year containing the names of the official BTU-ESP stewards at each school. The BTU-ESP will provide the Superintendent with the names of the new stewards who are replacing another steward whenever such action is necessary.

ARTICLE 10
Holidays

A. During the term of this Agreement, the school calendars for bargaining unit members shall include six (6) paid holidays, except for bargaining unit members on a twelve (12) month calendar, in which case holidays and days off shall be observed as provided in the employee's calendar.

B. Pay for holidays observed by employees on the active payroll shall be computed on the basis of the employee's regular scheduled hours of work and calendar.

C. The District agrees to annually consult with the BTU-ESP President/Designee, prior to the adoption of the school year calendar, for the purpose of giving input from education support professionals.

ARTICLE 11
Emergency School Closing

The Superintendent of Schools shall exercise full authority granted under Section 1001.42, Florida Statutes, as amended, to close any or all schools during an emergency. When emergencies arise and the Superintendent decides to close any or all schools, the Superintendent shall immediately notify the School Board of the action taken and the reason therefore and immediately implement administrative procedures which will include announcements over local television and radio stations when such services are made available, in order to alert personnel, students, parents and the community.

Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by an act of God and nothing shall require educational support professionals to report to work in such circumstances.

When one (1) or more schools or school offices are officially closed by the Superintendent, the employees are not required to report; no leave days previously arranged by an employee will be deducted for such emergency days.

When the emergency closing results in a day or days off for employees, necessary amendments to the calendar shall be made to coincide with the amendments to the calendar for instructional personnel. During the time of a declared emergency, educational support professionals shall be eligible for Declared Emergency Leave in accordance with School Board Policy 4412.

ARTICLE 12
Leaves

A. **Sick Leave:** Any educational support professionals employed on a permanent basis who is unable to perform his/her duty in the school because of illness, or because of illness or death of father, mother, brother, sister, husband, wife, child, other close relative or member of his/her own household, and consequently has to be absent from his/her work, shall be granted leave of absence for sickness by the Superintendent, or by someone designated in writing by him to do so. The following provisions shall govern leave:

1. Each educational support professional on a full-time permanent basis shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year and shall earn one (1) day of sick leave for each month of employment, which shall be credited to the educational support professional at the end of that month, and which shall not be used prior to the time it is earned and credited to the employee. If the educational support professional terminates, resigns or retires prior to accruing the four (4) days of sick leave, the School Board shall withhold the employee's daily rate for the leave days used but not earned by the employee. The educational support professional shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment. Such leave shall be taken only when necessary because of sickness as herein prescribed. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave an educational support professional may accrue. Educational support professionals who are temporarily absent from school for any reason shall, if possible, notify the principal or his/her designee at least two (2) hours prior to school openings. Failure to call and report absence(s) may be considered an unexcused absence and may be cause for corrective action.

2. An employee shall have the right to use sick leave in half-day or full-day units, for the purpose of medical or dental appointments.

3. If an immediate supervisor suspects an abuse of sick leave, he or she shall first investigate the matter and discuss the findings with the affected employee.

   An abuse of sick leave is defined as a pattern or series of absences which occur over an extended period of time, and on a regular and predictable basis and without adequate justification. For example, a regular and predictable basis would be: sick leave being used as soon

as earned; absence on only Mondays or Fridays; absences occurring on the days before or after a holiday period; absences occurring on the day after payday on a regular basis.

If the investigation sustains that a documented pattern of abuse does exist the employee may be subject to corrective action as per Article 9.

B. **Personal Reasons Leave:** Bargaining unit members shall be granted up to six (6) days leave each school year for personal reasons. However, such absences for personal reasons shall be charged only to accrued sick leave, and leave for personal reasons shall be noncumulative. Unit members shall not be required to give reasons for personal reasons leave, except that the leave is for "personal reasons."

1. Notification of intent to use personal reasons leave shall be submitted to the administrator no later than twenty-four (24) hours prior to the day the employee wishes to have off, except for an emergency, as determined by the principal.

2. Personal reasons leave shall not be granted on the day preceding or following a holiday, the week prior to or during FSA Testing, nor during the first or last week of school, except in emergency situations. This may only be waived by mutual agreement between the affected employee and the principal. Employees leave requests during these excluded periods shall not be unreasonably denied.

C. **Terminal Pay:** Any employee at retirement or his/her beneficiary if service is terminated by death, shall be provided terminal pay.

1. Such terminal pay shall not exceed an amount determined as follows:

a. During the first three (3) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 35 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave is earned times 35 percent times the number of days of accumulated sick leave earned after July 1, 1994.

b. During the fourth (4th) through sixth (6th) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 40 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 40 percent multiplied by the number of accumulated sick leave earned after July 1, 1994.

c. During the seventh (7th) through ninth (9th) years of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 45 percent multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 45 percent multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

d. During the tenth (10th) through the twelfth (12th) year of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 50 percent multiplied by the number of unused sick leave days on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave* is earned multiplied by 50 percent multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

e. During and after the thirteenth (13th) year of service:

1. The affected employee's daily rate of pay on July 1, 1994, multiplied by the number of unused sick leave days held on July 1, 1994.

2. The affected employee's daily rate of pay at the time sick leave is earned* multiplied by the number of days of accumulated sick leave earned after July 1, 1994.

f. No employee who meets the eligibility requirements listed above may receive any compensation for sick leave payments unless they sign and execute the Payment of Sick Leave Upon Retirement Agreement provided by the Superintendent. This

Agreement requires the retiring Board employee to seek, accept and cash the first retirement benefit check issued by the Florida Retirement System. The employee must qualify for "normal retirement" which under this policy shall mean retirement under plan A, B, C, D, E under the Florida Retirement System or any other plan established by the Legislature with either full or reduced benefits as provided by law. Normal retirement shall not be interpreted to include disability retirement.

*Note: At the time sick leave is earned shall be interpreted to mean the value of sick leave at the end of each school year or at the time the affected employee retires, whichever comes first.

D. **Illness in the Line of Duty:** Any permanent educational support professional shall be entitled to illness-in-line-of-duty leave with pay when he/she has to be absent from his/her duties because of personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work. Such leave shall be in addition to any other leave to which the employee may be entitled, and such leave shall not be cumulative. Each employee shall be entitled to at least ten (10) days of such leave, but additional leave day may be granted by the Board.

Any employee absent on such leave shall reimburse the District for any Worker's Compensation payments received for the period. Paid holidays, occurring during such leave, shall not be included in the computation of the number of days with respect to when such leave is applicable. A substantiating statement by a physician and a corroborating statement by the principal shall be required prior to approval of said leave, except that the corroborating statement of the principal may be subject to the grievance procedure.

E. **Maternity/Personal:** A personal or maternity leave without pay and not to exceed one year shall be granted to an employee for the purpose of childbearing and/or child rearing, as follows:

1. An employee may continue to be actively employed during pregnancy only so long as the employee is properly able to perform required duties and responsibilities.

2. All or any portion of leave taken by an employee because of medical disability connected with or resulting from the pregnancy may, at the employee's option, be charged to the employee's available sick leave.

3. An employee shall be entitled, upon request, to personal leave to begin at any time between the birth of the child and up to one (1) year thereafter.

F. **Legal Commitments:** Employees shall be granted leave for legal commitments and shall receive their regular salary while serving as jurors or witnesses under subpoena. If released by 12 noon, the employee shall contact his/her principal for possible assignment that day.

G. **Computation of Pay For Leave:** Paid leave for each employee shall be computed on the basis of the employee's regularly scheduled hours of work and assigned calendars.

H. **Military Reserve Leave:**

1. Any employee who is a member of national military reserve unit or National Guard shall be allowed up to seventeen (17) days leave without loss of pay or other accumulated leave, when ordered to active duty by the appropriate unit during the regular term. At the Board's discretion, the leave period may be extended up to thirty (30) days. An employee required to report for a physical examination under any selective service law shall be granted leave without loss of pay or other accumulated leave for time required for this obligation.

2. Employees who are reservists called to active duty shall receive pay to supplement their military pay in the amount necessary to bring their base salary, inclusive of their base military pay, to the level earned at the time they were called to active duty. Base salary shall be defined as the employee's main job with the School Board.

3. Employees on active duty shall be eligible to continue their School Board Health insurance coverage by paying the employee's share of any cost of such coverage.

4. During the period of leave required by the call-up, the employee shall continue to maintain his/her seniority and shall accrue sick leave.

5. Upon returning from leave, the employee shall be returned to employment to their school/work site prior to the active military leave.

6. The terms of this agreement shall be in effect during the period of time established by the School Board when a military call-up is in effect and shall expire at its conclusion.

I. **Active Military Service Status:** Any employee required or volunteering to serve in the Armed Forces of the United States shall be granted leave without pay for such service. Any employee returning from such leave shall be returned to employment, without prejudice, provided application for reemployment is filed within six (6) months following the date of discharge or release from active military duty, and provided further that the School Board shall have up to six (6) months to reassign the employee to duty in the school system.

J. **Personal Leave:** An employee may be granted, upon request, personal leave without pay for a period not to exceed one (1) school year for reasons not provided elsewhere in this Agreement provided the employee has completed three (3) consecutive years of service.

K. **Fringe Benefits During Leave:** Any employee granted a leave of absence with or without pay as provided in this Article shall be given the opportunity, unless otherwise provided, to continue insurance coverages in existing school programs and, with the approval of the retirement system, to continue participation in the retirement system during the leave, provided that the premiums for such insurance programs shall be paid by the employee on a monthly basis in advance of the month due. Any such employee may serve as a temporary employee in the District while on leave.

L. **Temporary Duty Leave:** Temporary duty leave may be granted to employees by the principal or supervisor equivalent in rank for the purpose of:

1. Attending and/or participating in professional meetings relating to educational workshops, seminars or conferences sponsored by professional organizations, colleges, universities or government or private agencies concerned with public school matters.

2. Visitation for the purpose of observing instructional techniques or programs.

M. **Early Termination of Leave:** An employee on extended Board approved leave may apply for an early return to Board employment prior to expiration of such leave. The approval for said request shall be at the discretion of the Superintendent.

N. **Return from Leave:** Upon return from a leave granted under this Article, an employee shall be assigned to his/her former classification. The School Board shall make an effort to return said employee to his/her former position.

O. **BTU-ESP Leave:** The BTU-ESP shall be provided up to a combined total of 125 days of leave without pay for the purpose of conducting BTU-ESP business. The BTU-ESP president shall notify the Employee & Labor Relations Director five (5) working days in advance of the requested leave day. The president shall also inform the Employee & Labor Relations Director the purpose and nature of the leave. No more than three (3) consecutive workdays of leave may be utilized by an employee at one time. This leave must be taken in full day increments. It is understood that such leave shall not be unreasonably denied; however, the School Board may deny the leave at the requested time due to the needs of the employee's school/work location. This leave shall not be used by the BTU-ESP for the purpose of campaigning in a representational or de-certification election.

When approved BTU-ESP leave is utilized, the District shall submit an invoice for the actual cost for such employee's salary and benefits and the BTU-ESP shall reimburse the Board for said costs.

P. **Sick Leave Bank:** The parties mutually agree to establish a Sick Leave Bank (hereafter referred to as the Bank) for employees. Participation in the Bank shall be voluntary. The Bank shall be made operational as soon after the ratification of this contract as possible. The Bank shall be governed by the following procedures:

1. **Creation of the Bank:** The Bank will be established providing that 200 days have been deposited (one [1] per full-time employee), during an enrollment period extending thirty (30) calendar days from the date such enrollment period is announced to employees. Subsequently, employees may enroll in the Bank only within 30 calendar days of the beginning of the official school year.

2. **Membership Requirements:** Membership in the Bank is voluntary and revocable upon sixty (60) days written notice to Employee & Labor Relations Department. Days deposited however, shall remain in the Sick Leave Bank even if an employee decides to cease participation in the Sick Leave Bank. Full-time employees who have been employed full-time for at least one (1) full year, and who have sick leave accrual of ten (10) days at the time of enrollment, may enroll in the Sick Leave Bank by contributing one (1) day of sick leave to the Bank. At the time of the contribution, the sick leave day shall be converted to a monetary sum by multiplying the day donated times the donor's daily rate of pay when contributed.

3. **Sick Leave Bank Committee:** The Committee shall be appointed by the BTU-ESP for the purpose of administering the Sick Leave Bank. The Committee shall:

   (a) Maintain adequate records relative to all functions of the Bank.

   (b) Operate the Bank in accordance with rules and procedures mutually agreed to by the parties. However, the Superintendent shall establish and the BTU-ESP will comply with procedures for identifying and recording contributions to and withdrawals from the Bank. The parties authorize the Committee to establish additional administrative procedures necessary for the operation of the Bank as long as said procedures are consistent with and do not change any of the criteria contained in Section P of this Article.

   (c) Approve/Disapprove all requests for withdrawal from the Sick Leave Bank.

   (d) Not grant more sick leave days than are available in the Bank.

4. **Withdrawal Rights and Procedures:** In the event of catastrophic illness or injury of a participating member necessitating the employee's absence from work over an extended period of time, a participating member may receive paid leave under the following conditions:

   (a) A withdrawal may be approved only upon the total depletion of the respective employee's accumulated sick leave and vacation leave. In addition, the affected employee must have exhausted or be ineligible for any type of leave granted by the Board related to the accident, illness or injury.

   (b) The maximum withdrawal for any employee for one (1) illness or injury or complications thereof shall be fifty (50) days.

   (c) An employee may apply to the Committee for a withdrawal in advance of the depletion of such employee's accumulated sick leave, to be granted, if needed, upon such depletion.

   (d) Withdrawals shall be in full day units and must be for a minimum of five (5) consecutive days.

   (e) All applications for withdrawal shall be in writing and shall be verified by the Committee. All applications shall be

accompanied with a certificate of illness from a licensed physician or from the county health officer. The Committee may submit a request to the Superintendent concerning the implementation of the Bank.

(f) The salary of a member participating in the Bank will be reduced by any benefits drawn from Workers' Compensation or disability income.

(g) When days are awarded from the Bank, they will be withdrawn at the receiving party's daily rate of pay.

(h) The Bank shall not be used for cosmetic surgery.

(i) The Bank shall be used only for personal illness or injury of the participating member.

(j) The Sick Leave Bank may be used for complications during pregnancy/delivery, but shall not be used for maternity leave. Applicants may be asked to provide additional information to the Sick Leave Bank committee.

(k) The Sick Leave Bank shall not be used for purposes of elective surgery when such procedures could be safely performed during non-working times.

(l) Those applicants with an undetermined recovery period may be asked to provide the Sick Leave Bank committee with intermittent verification of illness.

(m) The Committee may request a second medical opinion at the applicant's expense.

(n) Applications will only be approved for an illness or injury which occurred during that fiscal year (July 1st - June 30th).

(o) Applications for withdrawal can be obtained from the Human Resources Support Services Department by calling 754-321-0150.

5. **Maintenance of the Bank:**

(a) Once the Bank is established, there shall be no requirement for an employee to replace the sick leave days withdrawn from the Sick Leave Bank, except as equally required of all other participating employees. If the Bank is depleted to a point

where only $4,000 remains, all members of the Bank shall contribute one (1) day each time the Bank is depleted to this level.

(b) A participating employee who chooses to no longer participate in the Sick Leave Bank shall not be allowed to withdraw any sick leave already contributed to the Sick Leave Bank.

6. **Duration:** The Sick Leave Bank shall remain in existence for the duration of this contract and may be renewed in succeeding contracts.

7. **Indemnification:** The BTU-ESP and members of the bargaining unit shall indemnify and hold the Board and all administrators harmless against any and all claims, demands, suits, or other forms of liability and all court costs arising out of the application of the provisions of this section.

8. (a) District produced eligibility forms should be sent to only those not in the Sick Leave Bank when additional members are sought for initial enrollment.

(b) The District shall send to the BTU-ESP a complete list of eligible employees by the end of the first pay period in October.

(c) The District shall notify the BTU-ESP of new enrollees within thirty (30) calendar days of the close of open enrollment.

(d) The District shall send to the BTU-ESP an updated sick leave balance statement on a regular basis.

Q. **Donation of Sick Leave:** An employee may donate earned and accrued sick leave to a qualified district employee in accordance with the following procedures.

A. Qualified district employee is defined as a benefits eligible employee who holds a position, which is eligible for sick leave accrual.

B. Days/time may not be donated until such time as the recipient has depleted his/her own sick leave accrual. However, the recipient is not required to utilize days available from a sick leave bank in which they may participate prior to receiving a donation from a district employee.

C. With the exception of pay for the purpose sick leave, donated days/time shall have no value for the recipient for the purposes of

terminal pay or any other program and/or provision that provides pay for accrued sick leave.

D. Donated days/time may not be utilized for the purpose of personal reasons leave.

E. At the time of an employee's donation to a qualified district employee, the donated sick leave day shall be converted to a monetary sum by multiplying the day donated times the donor's daily base rate of pay at the time of the donation. The resulting value shall be credited to the recipient for use as sick leave.

F. The recipient employee must notify his/her supervisor within five (5) days of his/her absence from work that he/she is eligible to be compensated for such sick leave as a result of a donation from an employee. An employee may notify his/her supervisor that he/she is eligible for a donation of sick leave in advance of the depletion of his/her sick leave and that a donation will be utilized upon depletion of his/her sick leave.

G. The donor employee must notify his/her supervisor within five days of a recipient employee's illness that he/she will authorize the donation of sick leave time to recipient employee. The donor employee shall sign the Sick Leave Donation Authorization form and submit the completed form to his/her supervisor within the above time frame. A donor employee may notify his/her supervisor that he/she will authorize a donation of sick leave in advance of the recipient's depletion of his/her sick leave and that a donation will be authorized upon depletion of the recipient's sick leave.

H. Day(s) will be deducted from the donor employee's sick leave accrual, in accordance with existing School Board practice, and credited to the recipient employee's sick leave accrual in accordance with the conversion specified in paragraph 5 above. Said time shall be paid to the recipient at his/her current rate of pay.

I. All sick leave compensated by the use of donated days may require a certificate of illness from a licensed physician or from the county health officer.

J. The donation of days to a qualified district employee shall not disqualify the donor employee from eligibility for attendance award(s) contained in Collective Bargaining Agreements and/or Board Policy.

R. **Bereavement Leave (Sick Leave):** Any employee who suffers the death of an immediate family member shall be granted bereavement leave in the following manner:

1. If the funeral is to be held within 250 miles of the employee's home, the employee shall be allowed to utilize a maximum of four (4) days of sick leave for bereavement purposes.

2. If the funeral is to be held more than 250 miles from the employee's home, the employee shall be allowed to utilize a maximum of five (5) days of sick leave for bereavement purposes.

3. For the purposes of bereavement leave, an immediate family member shall be defined as the spouse, domestic cohabitant, child, stepchild, grandchild, mother, father, sister, brother, parents of domestic cohabitant, mother-in-law, father-in-law, grandmother, grandfather, daughter-in-law, son-in-law, brother-in-law, sister-in-law, domestic cohabitant's sibling(s), grandparents of employee's spouse, grandparents of employee's domestic cohabitant and any other relative residing in the employee's household. Proof of relationship to the deceased may be required.

4. The District may require proof of death, within thirty (30) days after Bereavement Leave is taken. A copy of the newspaper obituary or the funeral card/program for the deceased are examples of acceptable proof of death.

5. Bereavement leave shall not affect the employee's perfect attendance for the purpose of sick leave buy back.

S. **Sick Leave Buy Back:** To encourage and reward employees who maintain good job attendance, the parties agree to the following incentive award:

Employees who utilize two (2) sick leave days or less each assigned school calendar year and year-round employees who utilize three (3) sick leave days or less during each assigned school calendar year - upon request – shall receive payment for up to eight (8) days of sick leave, provided the employee worked the full assigned calendar year.* The following procedures apply to the payment of sick leave under this section.

1. An employee must have a minimum of twenty-five (25) days of accumulated sick leave remaining after the payment for unused sick leave under this section.

2. The payment of this incentive shall be paid to eligible employees no later than October 31st of the school year following the school year in which the employee qualified for the incentive pay.

3. For purposes of this section, sick leave shall be defined pursuant to all sections of Florida Statutes, Section 1012.61.

4. Days for which such award payment is received shall be deducted from the accumulated leave balance.

5. Payment shall be equal to the number of eligible days times the affected employees' daily rate of base pay times eighty percent (80%).

T. **Earned Annual Leave:** All unit employees working on a calendar that is 241, 242, 243, or greater shall be eligible for annual leave. Employees shall accrue annual leave according to the following provisions:

1. All requests shall receive prior approval and signed by the Administrator or immediate Supervisor. Requests shall not be unreasonably denied.

2. Eligible employees shall accrue leave according to the following schedule on an annual basis:

   a. Five (5) complete years of service or less – one (1) day per month.

   b. More than five (5) complete years of service, but less than ten (10) complete years of service – one and one quarter (1.25) days per month.

   c. Ten (10) complete years of service or more – one and one-half (1.5) days per month.

   d. Fifteen (15) complete years of service or more – two (2) days per month.

3. Total accrued vacation may not exceed fifty (50) days from one (1) fiscal year to the next.

4. An employee who is hired prior to the fifteenth (15th) of the month shall be given credit for earned annual leave for that month. Any employee hired prior to January 1 shall receive a year of service toward earned annual leave for that year. Annual leave time may be used as earned with prior approval. At the end of each fiscal year, unused annual leave shall be carried forward to the following year.

5. Permanent, part-time employees shall earn a pro-rata share of earned annual leave for a full-time employee.

U. **Family and Medical Leave:** The District will provide family and medical leave for qualified employees pursuant to the provisions of the Family and Medical Leave Act (FMLA) of 1993. The parties agree that the provisions outlined below are the eligibility standards for the FMLA.

1. A leave of absence under this agreement for a full-time employee shall be granted for a total of twelve (12) work weeks during any school year (July - June) for one of the following reasons:

   a. Birth of a son or daughter of the employee and in order to care for such son or daughter.

   b. Placement of a son or daughter with the employee for adoption or foster care.

   c. Care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent, has a serious health condition.

   d. A serious health condition that makes the employee unable to perform the functions of the position of such employee.

2. For purposes of this agreement, an "eligible employee" means an employee who has been employed:

   a. for at least twelve months by the Board; and

   b. for at least 784 hours of service with the Board during the previous twelve-month (July-June) period.

3. Employees who are part-time unit members (not less than four [4] hours per day) shall be eligible for a pro-rata amount of twelve (12) weeks of leave. For example, an employee who is sixty (60) percent of full-time is eligible for 7.2 weeks of leave or 36 days.

4. If both a husband and wife are employed by the Board, the aggregate number of workweeks of leave to which both may be entitled is twelve (12) workweeks.

5. Employees who are on leave granted under this agreement who are eligible and receive Board provided group health insurance when actively working for the Board shall maintain this coverage for the

duration of such leave. Employees who pay for dependent insurance and other types of Board offered insurance coverage must make arrangements before going on leave or in emergency situations, as soon as possible thereafter, to make direct premium payments to the Board while on leave to continue this coverage.

6. Family leave as outlined in number one above, subsections a & b above, shall not be taken intermittently. The affected employee must take a minimum of four (4) weeks of leave.

7. Medical leave as outlined in number one above, subsection c & d may be taken intermittently when medically necessary. Under such circumstances, the employee must try to schedule the leave so as not to unduly disrupt the employer's operations. Also, the Superintendent may place the employee in an alternative position which better accommodates intermittent leave.

8. The Board shall require a medical certification from eligible employees who request medical leave under the FMLA. The form will be provided by the Superintendent, and the completed form must be returned within five (5) working days. This deadline may be extended in unusual circumstances as determined by the Superintendent.

ARTICLE 13
Vacancies, Reappointments, Assignments, Reassignments, Summer School Vacancies, Promotions, and Transfers

A. **Vacancies:** The Superintendent shall post in all school offices and faculty rooms, notice of all vacancies, which shall include a description of the job, the date the vacancy will occur, the length of the calendar work year, the qualifications required and the school in which the vacancy exists. A vacancy shall be deemed to have occurred when a permanent employee is sought to fill a permanent position. Such posting shall be made and shall remain posted for at least seven (7) working days before the vacancy is to be permanently filled.

B. **Reappointments:** Employees shall be notified of their reappointment status at least thirty (30) calendar days prior to the end of the school year. Reappointment notification shall include:

1. Job classification
2. Work calendar
3. Work hours
4. Location
5. School year

C. **Assignments:** Assignments within the building shall be made by the principal or his/her administrative designee. Employees may discuss their preference for assignment with the principal. The principal or his/her administrative designee shall have the responsibility of directing and supervising the work of all employees. Absent any unforeseen circumstances, administration will strive to apprise employees of their assignment at least two (2) weeks prior to the start of the upcoming calendar school year. The duties and responsibilities of employees (including probationary employees) shall be those enumerated in approved job descriptions and/or School Board Policy, or in accordance with Federal guidelines, where applicable, unless amended by this Agreement. A complete list of all applicable job descriptions will be furnished to the BTU-ESP and thereafter all new job descriptions upon final submission to the Board and upon the final approval by the Board within thirty (30) days.

The District shall seek volunteers for the inclusion program. If no education support professional volunteers, the administration shall assign the education support professional having the least amount of seniority to this program for the duration of the school year.

D. **Reassignments**:

1. Reassignment is defined as a change in work location within the school. Employees who desire to be reassigned shall file a written statement with his/her school principal. Voluntary requests for reassignment shall receive first consideration to the extent that vacancies exist within the building/location. Involuntary reassignments shall be made at the discretion of the principal provided the authority is exercised in a professional and fair manner, not arbitrary nor capricious.

2. Employees requesting reassignment shall be notified in writing of the administration's action on such request as soon as action is taken.

3. An employee who receives an "Unsatisfactory" on their overall annual performance evaluation shall be ineligible for a transfer.

4. An employee shall not be solely reassigned or reclassified during the term of this Agreement on the basis of the amount of salary of the employee.

E. **Summer School/Super Session Vacancies:** Education support professional summer school and year-round school "super session" positions shall be filled according to the following procedure:

1. Bargaining unit members working at schools or centers which are designated by the District as summer schools or year-round schools, shall have the first opportunity to fill the summer school or super session vacancies at their center. Applicants will complete the "Summer Term/Super Session Employment Preference Form" (Appendix F) and return it to the school principal no later than seven (7) days prior to the last student day of the school year/track. If there are more applicants than positions, employment shall be based on the highest seniority in the bargaining unit of each applicant at the center, excluding employees working in the bilingual program who are fluent in a second language or employees working the exceptional educational programs who have participated in inservice or equivalent training in the area, or closely related area of exceptionality (i.e., speech, language, autism, behavior, Child Development Association (CDA), medical and/or augmentative communication training). Employees may elect to work six (6) weeks or three (3) weeks as indicated on the Summer Term/Super Session Employment Preference Form. (Super Session 2-week duration)

2. If there are additional vacancies after subsection 1., above, is complete, those vacancies shall be filled by education support professionals who have indicated through their school principal then submitted to the Talent Acquisition & Operations (Non-Instructional) Department that they desire summer school or super session employment. Those education support professionals having the highest seniority shall be hired first.

F. **Promotions:** The advancement of an employee to a higher job classification (i.e., Certified Classroom Assistant to a Certified Teacher Assistant or higher position).

1. If more education support professionals apply than there are positions, attendance and reliability and seniority in the District, shall be the criteria considered by the principal in awarding the promotion.

2. An employee who receives an "Unsatisfactory" on their overall annual performance evaluation shall be ineligible for a promotion.

3. If an administrator, at his/her sole discretion, wants to promote a permanent education support professional unit employee of his/her staff to a position in the bargaining unit at the same work location, providing the employee is qualified for the position, there will be no need to advertise that position District-wide. However, the position will be posted within the school.
