As a member of the Class of 2002 and one of two Deaf/Hard-of-Hearing (DHH) staff at South Plantation High School (SPHS), I share the experiences of our DHH students. I was surprised the district commissioned an audit of the audiovisual alert system without seeking input from those most affected—DHH students, parents, and faculty. After significant advocacy led to the system's approval and installation, the equipment sat unused for months before finally being tested and implemented. This delay wasted valuable time and resources that could have sped up deployment. When activated in the 2024/25 school year, the system worked well, providing real-time emergency notifications (e.g., LOCKDOWN, HOLD, SECURE).

Later, the district installed a new alert system across all schools, featuring devices (possibly Centegix or another provide) with color-coded emergency status boxes. Since then, the AudioEnhancement system has become secondary. Now, visual alerts on AudioEnhancement monitors must be updated manually at the main terminal, as the system doesn't sync with the new districtwide solution. This is a serious safety concern—not just for DHH students, but also for those with undiagnosed hearing loss or disabilities affecting situational awareness, such as ADHD or autism. Requiring staff to update alerts in person during emergencies could also put them at risk, as they may have to leave safe locations to do so. It is unclear whether the two systems operate separately due to technical issues, oversight, or unwillingness on the providers to integrate.

Additionally, many AudioEnhancement monitors, including the one in my classroom, are also now currently out of sync with the main terminal due to missed updates and lack of technical support. As a result, there are areas on campus where students and staff may not receive timely emergency alerts, especially if they can't hear public address announcements. As someone who cannot hear the PA system, I—and my students—depend on these visual alerts for our safety. Had auditors consulted those directly affected, their findings might have been very different.

As a Teacher of the Deaf and Hard of Hearing—and as an employee with a documented hearing loss—this issue is not theoretical for me; it is lived experience. I depend on visual emergency alerts for my own safety and for the safety of my students. For more than six months, I lacked reliable access due to a broken AudioEnhancement monitor and ongoing connectivity issues, despite repeated requests and advocacy. During that time, I was effectively excluded from timely emergency information.

Although the AudioEnhancement system was eventually approved and installed, the equipment remained unused for months before being tested and implemented. This delay wasted time and resources and significantly slowed the rollout of a system that was already long overdue. Once activated during the 2024–2025 school year, the system functioned well and provided clear, real_time visual alerts such as LOCKDOWN, HOLD, and SECURE—demonstrating its effectiveness and necessity.

Subsequently, the district implemented a new districtwide emergency alert system with color_coded visual devices. Since that rollout, AudioEnhancement has become secondary and no longer syncs automatically, requiring manual updates at the main terminal. This lack of integration poses a serious safety risk, particularly for Deaf and Hard of Hearing individuals and others with disabilities affecting situational awareness. Expecting staff to manually update alerts during an emergency is unrealistic and unsafe.

Compounding this issue, many AudioEnhancement monitors—including the one in my classroom—are currently out of sync due to missed updates and insufficient technical support. As a result, there are areas on campus where students and staff may not receive timely emergency information at all. For those of us who cannot hear PA announcements, this is not an inconvenience—it is a critical safety failure.

Had Deaf and Hard of Hearing educators and students been meaningfully consulted, the findings may have been different. Accessibility systems must be functional, maintained, and fully integrated. Anything less puts lives at risk.

The Board held a robust discussion including, but not limited to, improving legal department efficiency, contract delays, staffing shortages, and operational strain; the current state of the legal department, operating under 60% capacity with vacancies and a contract backlog; and changes would be funded through reallocations with cost savings.

A vote was taken on this item.

Additional Board discussion included a request for a formal report on hiring practices to ensure legality and merit-based selection; concerns about Board liability related to hiring decisions; general support for reviewing and improving objectivity in hiring processes; whether motions can be introduced without an agenda item; clarification of Board authority under state law versus internal policy; and confirmation that Policy 1020 was not in violation of state law.

Mrs. Hixon announced that Mascot Mania, a competition among Broward school mascots, was held on March 25, 2026, at Plantation High School.

EXECUTIVE SUMMARY

Appointments, Leaves, and Separations of Employment

Board Meeting Date: April 7, 2026

Requested Action: Approve the appointments, promotions, demotions, salary adjustments, leaves of absence, and separations of employment.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-Wide	
School Board Policy Requirement	• Policy number: 7150
Statutory Requirement	• Supports Florida Statues 1012. Governs personnel in Florida's public schools, covering employment, qualifications, certification, duties and management of school staff. The statute outlines the responsibilities of the District regarding staff hiring, termination, leave and salary.
If the School Board votes "Yes"	• The recommended candidates will continue to be employed, the leave of absence will continue, and the separation of employment is officially accepted by the Board.
If the School Board votes "No"	• The recommended candidate would not be approved, which can cause schools to not have staff to meet the needs of students or departments to be able to complete tasks efficiently or support schools. The leave of absence approval would be rescinded which would create issues for the affected employees. The separation of employment would not officially be accepted by the Board, which could produce a negative financial impact to the District.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Talent Acquisition monitors vacancies, new hires, and establishes Key Performance Indications (KPI's) to track the onboarding process and recruitment efforts. These KPIs are used to decrease time to fill rates, improve candidates' experiences, and

	provide stellar customer service to all Human Resources stakeholders.

Background/History
Broward County Public Schools (BCPS) has a long-standing tradition of ensuring transparency and accountability in its operations. One of the key areas where this is evident is the process of employee appointments, leaves, and separations. This practice of bringing these matters to the Board for approval is rooted in the District's commitment to maintaining high standards of governance and oversight. By requiring Board approval for employee appointments, leaves, and separations, the District ensures that all personnel decisions are made with careful consideration and in alignment with the District's policies and goals. This process helps to maintain a high level of integrity and trust within the community, as it provides a system of checks and balances. It is a key component of the district's governance structure and helps to ensure that all personnel decisions are made with the utmost integrity and in the best interest of the students and the community.

All recommended candidates meet at least the minimum qualifications for the required positions. The list of leave approvals is for employees requesting a Board-approved leave of absence.

EXECUTIVE SUMMARY

Broward College Board of Trustees- Federal Work Study Program

Board Meeting Date: April 7, 2026

Requested Action: Approve the agreement between the Broward College Board of Trustees and The School Board of Broward County, Florida (SBBC) to establish a partnership under the Federal Work-Study (FWS) Tutoring Program.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not applicable.
Statutory Requirement	• Not applicable.
If the School Board votes "Yes"	• If the School Board votes "Yes," SBBC will be able to implement a collaborative Federal Work-Study (FWS) Tutoring Program with Broward College Board of Trustees, allowing eligible college students to serve as paid tutors in elementary schools who are a part of the School Transformation Office (STO). This initiative will provide meaningful academic support in reading, writing, and mathematics, while simultaneously offering Broward College students valuable, compensated Federal Work Study experience aligned with education and community service pathways.
If the School Board votes "No"	• If the School Board votes "No," SBBC will miss a critical opportunity to expand academic support for students in STO elementary schools. SBBC students will lose access to consistent, high-impact tutoring in reading, writing, and mathematics, and classrooms will forgo the added instructional capacity that trained, paid Federal Work-Study tutors could provide. Additionally, this decision will interrupt progress toward improved student outcomes, limit innovation in instructional support, and leave valuable federal resources unused.

Alignment to 2027 Goals and Guardrails	• Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Anticipates measurable gains in academic support, including a projected 10% increase in SBBC student participation in classroom-based tutoring by June 2027 as a direct result of this collaboration. • Establishes a new Federal Work-Study (FWS) Tutoring Program through a partnership with the Broward College Board of Trustees to strengthen instructional support and build a sustainable educator pipeline within The School Board of Broward County (SBBC). • Enhances early literacy and foundational math proficiency by strategically placing Broward College students as paid tutors in participating elementary schools. • Provides valuable classroom experience for college students while simultaneously addressing critical learning needs in high-priority schools. • Support continuous improvement by exposing classrooms to innovative instructional practices and strengthening instructional support for teachers as baseline data are established.

Background/History
This Agreement establishes a formal partnership between Broward College and The School Board of Broward County, Florida (SBBC) to provide eligible Federal Work-Study (FWS) students with paid tutoring opportunities in selected elementary schools. These placements will occur with the support of school-based staff, with Broward College responsible for student payroll, eligibility verification, and oversight. The initiative aligns with SBBC's efforts to strengthen early literacy and foundational mathematics skills while supporting the development of an educator pipeline. SBBC shall obtain written consent from each participating student's parent or legal guardian, or from the student if the student is 18 years of age or older, prior to disclosing any education records for the purposes outlined in this Agreement.

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	The program provides direct academic intervention and tutoring support in reading, writing, and math at identified School Transformation Office (STO) schools. Tutors will assist teachers with differentiated instruction and student engagement activities. This initiative promotes continuous improvement by exposing classrooms to innovative instructional practices and supporting teachers in meeting diverse learner needs.
School Selection /Prioritization	Schools will be selected based on their inclusion in the STO list and demonstrated need for supplemental literacy and math support. Principals will identify tutoring focus areas and serve as the primary point of contact for site supervision.
Community/ Stakeholder Engagement	The development of this partnership included collaboration with Broward College, representatives from the School Transformation Offices, and various school leaders. Their input helped define tutoring needs, placement priorities, and program structures to ensure the initiative aligns with school expectations and supports student achievement effectively.
End-User Input	School administrators and instructional staff from participating Broward County Public Schools will provide input on tutoring needs, scheduling, student support priorities, and instructional alignment. Ongoing feedback will be used to ensure Federal Work-Study tutors effectively support early literacy and foundational math instruction, integrate smoothly into classroom environments, and respond to student learning needs in high-priority schools.
Technology/Capital Expected Lifecycle/Replacement Cycle	Not applicable.

Pursuant to the Family Educational Rights and Privacy Act (FERPA), 34 C.F.R. § 99.31(a)(1), these records may be provided without parental or student consent. Prior written consent of the student is needed for any types or purposes of disclosures of education records, other than disclosures to COLLEGE, beyond those listed in this section.

2.5.4 The requirements of this section shall supersede any uses and disclosures of education records, or the like, as listed in SBBC's privacy policies if any.

2.6 **COLLEGE Safeguarding the Confidentiality of Education Records**.

2.6.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, COLLEGE shall:

2.6.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act,

20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.6.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.6.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.6.1.4 Notify the SBBC Privacy Officer immediately upon discovery of a *hard copy breach of confidentiality* of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.6.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, COLLEGE shall:

2.6.2.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.6.2.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

2.6.2.3 Notify the SBBC Information Security and Assurance Director immediately upon discovery of an *electronic breach of confidentiality* of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.6.2.4 Fully cooperate with appropriate SBBC employees, including Privacy

2.6.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.6.2.7 Provide SBBC with the name and contact information of its employees who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.6.2.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.6.2.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) up-on termination of this Agreement or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any Party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.6.3 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.7 **Assessment of Data Protection Controls**.

2.7.1 Each party with access to the other party's data shall employ reasonable security controls for the purposes of complying with FERPA. The efficacy of these controls, including their compliance with reasonable security standards, shall be evaluated through third-party audits.

2.7.2 By request, each party shall provide the other party, within ten (10) business days after the request, an attestation as to having undergone such third-party audit.

2.7.3 Each party shall ensure that any subcontractor with access to the other party's data complies with the requirements of this section.

2.8 **Inspection of Records** Each Party shall establish and maintain books, records, and

documents (including electronic storage media) related to this Agreement. All of SBBC and COLLEGE's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by the other Party's agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, each Party's agent or authorized representative shall have access to the other Party's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement. Each Party's agent or its authorized representative shall provide the other Party with reasonable advance notice [not to exceed two (2) weeks] of any intended audit, inspection, examination, evaluation, and reproduction. Each Party's agent or its authorized representative shall have access to the other Party's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section. Each Party shall comply and co-operate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.9 **Notice**. When any of the Parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the Party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director, Professional Learning and Development The School Board of Broward County, Florida 3531 Davie Road Davie, Florida 33314
To COLLEGE:	Director, Financial Aid Services Broward College 111 E. Las Olas Boulevard Fort Lauderdale, Florida 33301
With a Copy to:	FWS Program Coordinator, Broward College Attention: Tara Jones 6400 NW 6th Way Fort Lauderdale, Florida 33309

2.10 **Background Screening.** COLLEGE shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to back-ground screening include all of COLLEGE's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of COLLEGE or its personnel providing any services under the conditions described in the previous sentence. This Agreement. COLLEGE students shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to COLLEGE and its personnel. The Parties agree that the failure of COLLEGE to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit COLLEGE to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. COLLEGE agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from COLLEGE's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.11 **Public Records.** Each Party is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that the other Party would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to the other Party, all public records in that Party's possession upon termination of its Agreement with the other Party and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such Party's records stored electronically must be provided to the other Party in a format that is compatible with the other Party's information technology systems. Each Party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each Party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each Party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

2.12 **Indemnification**. Each Party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.13 **Insurance Requirements**. Each Party acknowledges without waiving its right of sovereign immunity as provided by Section 768.28, Florida Statutes, that each Party is self-insured for general liability under Florida Statutes with coverage limits of $200,000 per person and $300,000 per occurrence, or such monetary waiver limits that may change and be set forth by the legislature.

2.14 **Equal Opportunity Provision**. The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, national origin, marital status, religion, sex, or any other basis prohibited by law in the performance of the Parties' respective duties, responsibilities, and obligations under this Agreement.

2.15 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any Party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such Party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such Party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such Party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The Parties expressly acknowledge that it is not their in-tent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the Parties intend to directly or substantially benefit a third-Party by this Agreement. The Parties agree that there are no third-party beneficiaries to

this Agreement and that no third-party is entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third Parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The Parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither Party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other Party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other Party or the other Party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The Parties agree that, if either Party is in default of its obligations under this Agreement, the non-defaulting Party shall provide to the defaulting Party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting Party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting Party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting Party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any Party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other Parties of its desire to terminate this Agreement. In the event of such termination, if the termination date occurs before a COLLEGE student has completed his or her work study experience at SBBC and the COLLEGE student is in good standing with SBBC, such COLLEGE student may be permitted to complete the scheduled work study experience pursuant to the terms of this Agreement.

3.6 **Compliance with Laws**. Each Party shall comply with all applicable federal, state and local laws, COLLEGE and SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida as required by law. Each Party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or, if required by law, the United States District Court for the Southern District of Florida, has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any Party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their

mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each Party hereto.

3.16 **Waiver.** The Parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any Party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the Party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.16 **Force Majeure.** Neither Party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either Party, and which cannot be over-come by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either Party be deemed Force Majeure.

3.17 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, re-porting requirements, and obligations to return public funds survive the termination of this Agreement.

3.19 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.20 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either Party individually warrants that he or she has full legal power to execute this Agreement on behalf of the Party for whom he or she is signing, and to bind and obligate such Party with respect to

all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the Effective Date.

Technology Roundtable Findings and Recommendations

Purpose of This Item

This document consolidates findings and recommendations from two complementary engagement efforts—parent technology roundtables and high school student technology roundtables—into a single, coherent report. The intent is to present one item for School Board action to receive and consider as guidance for future policy development, planning, and implementation related to educational technology, digital literacy, and artificial intelligence. While integrated into a unified narrative, parent and student feedback remain clearly delineated to preserve the distinct perspectives of each group.

Engagement Overview and Methodology

Parent Technology Roundtables

Three facilitated roundtables representing elementary, middle, and high school perspectives. Participants included parents, principals, teachers, and district stakeholders. Qualitative analysis was used to identify level-specific concerns, cross-cutting themes, and actionable recommendations.

High School Student Technology Roundtables

Four facilitated student roundtables conducted at Stranahan, Northeast, Fort Lauderdale, and Sheridan Technical High Schools. Participants represented multiple grade levels and academic pathways. Session notes were analyzed to identify recurring themes, areas of divergence, and student-generated recommendations.

Findings: Parent Perspectives

Parents broadly support the use of technology as an instructional tool, while emphasizing the need for structure, transparency, balance, and safeguards.

Foundational Digital Skills

Parents emphasized explicit instruction in typing, keyboarding, digital responsibility, source evaluation, and computer basics.

Screen Time and Student Wellbeing

Concerns included excessive screen time, attention fatigue, and impacts on learning and health, with strong support for balanced hybrid instruction.

Artificial Intelligence: Opportunity and Risk

Parents recognized AI's potential but expressed concerns regarding overreliance, privacy, and safety, requesting clear policies, opt-out options, and safeguards.

Platform Usability and Communication

Confusion with district platforms, app overload, and inconsistent user experiences were common concerns.

Equity and Access

Parents noted uneven home support and digital fluency, emphasizing the importance of school-based instruction.

Teacher Capacity

Parents cautioned that new initiatives must be paired with training and realistic expectations.

Findings: Student Perspectives

Students view technology as essential but stressed consistency, clarity, equity, and instructional balance.

Desire for Purposeful Use of Technology

Students prefer technology that clearly supports learning rather than replaces instruction.

Inconsistent Expectations and Enforcement

Students cited confusion due to inconsistent rules across classrooms.

Artificial Intelligence Awareness Gaps

Students want explicit instruction on ethical and effective AI use.

Instructional Quality and Balance

Students reported overreliance on passive digital content and requested more direct instruction.

Equity Across Courses and Pathways

Uneven access to digital instruction across academic tracks was noted.

Infrastructure and Access Challenges

Wi-Fi reliability and app clutter were identified as barriers.

Shared Themes Across Parents and Students

Technology should support—not replace—instruction, with clear expectations, explicit literacy instruction, balance, and equity.

Consolidated Recommendations for Board Consideration

Establish a districtwide framework for digital and AI use; implement tiered literacy instruction; prioritize teacher training; promote balanced instruction; reduce app overload; improve family communication; address infrastructure barriers; and clarify boundaries for sensitive AI use.

Recommended Board Action

That the School Board receive this combined report of parent and student technology roundtable findings and recommendations and direct staff to consider the feedback as part of future policy development, planning, and implementation related to educational technology, digital literacy, and artificial intelligence.

Closing Observation

This feedback provides a practical foundation for thoughtful, phased future work centered on clarity, consistency, equity, and human-centered design.

Background/History
The FY 2025-26 budgets were adopted by the School Board on September 9, 2025. Following adoption, amendments are processed as necessary to reflect changes in revenues, expenditures, and funding allocations and are reported to the Board through monthly financial reports.

The attached Budget Report presents the adopted and amended budgets compared to actual revenues earned and expenditures incurred through February 28, 2026, and provides a point-in-time snapshot of the District's financial position. The February report includes updates associated with finalized State funding adjustments and continued alignment of revenues and expenditures with current enrollment trends.

All financial activity is recorded in accordance with applicable accounting standards and is subject to annual independent external audit. When applicable, the report reflects budget amendments resulting from changes in funding sources, program needs, or operational requirements.

Budget Impact Summary Statement:
This item is informational in nature and does not authorize additional spending. The Budget Report reflects revenues earned and expenditures incurred through February 28, 2026, across all major District funds.

Based on financial activity recorded to date and approved budget amendments reflected in this report, the District continues to project a reduction in the General Fund's fund balance for FY 2025-26 compared to the adopted budget. This projected reduction reflects ongoing enrollment declines, related adjustments to State funding,

and expenditure pressures within the fiscal year. These financial pressures are structural and require continued alignment of staffing and expenditure levels with enrollment trends.

To preserve fiscal stability and ensure compliance with the State's minimum 3 percent General Fund fund balance requirement, the District has implemented a hiring freeze and travel freeze and continues to review expenditure controls. In addition, the School Board approved the closure and consolidation of six schools, effective next school year, to better align facility utilization and operating costs with enrollment levels.

While current projections indicate the District will remain above the State's 3 percent minimum requirement at fiscal year-end, the available margin remains limited, with the projected combined Assigned and Unassigned General Fund fund balance at approximately 3.08 percent. This limited margin provides minimal flexibility to absorb additional financial pressures during the remainder of the fiscal year.

District leadership will continue to monitor revenue collections, spending patterns, and fund balance levels and will provide the School Board with updates through future budget reports.

BROWARD COUNTY

PUBLIC SCHOOLS

BUDGET REPORT

For the Period Ended February 28, 2026

Prepared by Financial Management

BROWARD COUNTY PUBLIC SCHOOLS
BUDGET REPORT
For the Period Ended February 28, 2026

Florida law requires district school boards to maintain continuous oversight of their financial condition, including regular review of budget amendments and financial statements pursuant to Section 1011.06, Florida Statutes. The monthly budget report serves as the Board's primary vehicle for fulfilling this responsibility.

As presented during the February 17, 2026 School Board Workshop, the District's current projection for the combined Assigned and Unassigned General Fund fund balance remains approximately 3.08 percent at fiscal year-end. This projection continues to serve as the primary benchmark for monitoring compliance with the State's minimum 3 percent requirement.

Fiscal Outlook (Year-End Projection)

Projected Year-End Fund Balance: 3.08%

State Minimum Requirement: 3.00%

Margin Above Minimum: 0.08%

The statutory monthly report presents revenues, expenditures, and fund balance in accordance with State reporting requirements and does not reflect the full year-end reconciliation presented at the workshop. However, the financial activity reflected in this February 28, 2026 report incorporates the same underlying revenue and expenditure assumptions supporting that projection.

General Fund Balance Requirements

For purposes of state compliance, the General Fund balance is measured using the combined Assigned and Unassigned portions of fund balance. Florida law requires each school district to maintain a minimum year-end available fund balance equal to 3 percent of General Fund revenues.

Mid-year fund balance levels fluctuate due to the timing of revenue collections and expenditures. For example, local property tax revenues are primarily received in the early part of the fiscal year, temporarily increasing fund balance levels. These timing differences are expected and do not impact the State's compliance determination, which is based solely on the year-end available fund balance.

General Fund Overview

The February report reflects updated financial activity through February 28, 2026, including adjustments related to final enrollment-based funding and operational updates.

The District continues to project a reduction in the General Fund's fund balance for FY 2025-26 compared to the adopted budget, driven by ongoing enrollment declines and associated reductions in State funding.

While certain adjustments within the February reporting period result in a net increase of approximately $3.8 million to the District's General Fund, these changes are primarily attributable to final State funding adjustments associated with enrollment-based calculations and prior-year reconciliation activity and do not offset the broader structural financial pressures impacting the current fiscal year.

The District's current net position continues to reflect normal timing differences in revenue collections and expenditures, including the impact of the Tax Anticipation Note (TAN), which is used to manage cash flow and does not represent an increase in available fund balance.

While projections indicate the District will remain above the State's minimum requirement at year-end, the margin above that threshold remains limited. The District continues to implement cost containment measures, including a hiring freeze and travel freeze, and to align staffing and operational expenditures with enrollment trends to preserve fiscal stability.

Referendum Fund Amendment Highlights

The Referendum Fund reflects no material changes in the February reporting period and remains aligned with previously reported revenue collections and enrollment-based distribution formulas.

General Fund Amendment Highlights

The February amendment reflects a net increase of approximately $3.8 million to the District's General Fund, primarily attributable to final State funding adjustments associated with enrollment-based calculations and prior-year reconciliation activity. These adjustments are largely non-recurring in nature and align the adopted budget with finalized State funding determinations and current-year operational activity.

Capital Projects Fund Amendment Highlights

No significant changes to Capital Projects Fund revenues or allocations are reflected in the February reporting period.

As of February 28, 2026, the Capital Fund Reserve balance is $61,642,901.

Summary and Transition to Detailed Reports

The detailed reports that follow present fund-by-fund revenue, appropriation, and fund balance activity through February 28, 2026, along with the associated budget amendments. These reports provide the transparency necessary for the School Board to monitor fiscal performance, evaluate trends, and ensure continued compliance with statutory and internal financial requirements.

EXECUTIVE SUMMARY

Utility Easement Agreement and Bill of Sale – Sawgrass ES, P.002127

Board Meeting Date: April 07, 2026

Requested Action:

Approve Utility Easement Agreement and Bill of Sale between The School Board of Broward County, Florida and the City of Sunrise for Sawgrass Elementary School.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 6	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• The addition of fire hydrants and transfer ownership of all equipment, material and/or property to be maintained exclusively by City of Sunrise.
If the School Board votes "No"	• All equipment, material and/or property installed in connection with the City of Sunrise's fire hydrants will not be maintained by the City and will be the responsibility of the District. It will also prevent the City's permit closeout process and will adversely affect the school's access to the City's water services.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Approving this item would allow for proper closeout of the scope of work.

Background/History

The School Board of Broward County hired a contractor to complete the fire hydrants additions scope of work at Sawgrass Elementary School. City of Sunrise requires a utility easement as well as a bill of sale to close out the permit.

Contract Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

EXECUTIVE SUMMARY

Pre-Qualification of Contractors
Superintendent's Recommendations for Pre-Qualification Certification

Board Meeting Date: April 7, 2026

Requested Action:
Approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on March 12, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• The State Requirements for Educational Facilities (SREF), 2014 Edition.
If the School Board votes "Yes"	• The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew. Twenty-one (21) firms representing twenty-three (23) licenses will be recertified; Zero (0) firms representing zero (0) licenses will increase limits; One (1) firm is newly certified; and four (4) firms representing four (4) licenses are automatically revoked.
If the School Board votes "No"	• Denial by the School Board would stop the pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase their limits.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Not Applicable

Background/History
State statutes, regulations, and School Board policies allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty (60) days. State regulations and School Board policy require that the School Board act on appeals within thirty (30) days, District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Logistic Operations Department administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of a similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. The Procurement & Logistic Operations staff review the applications, make recommendations, and facilitate QSEC meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

EXECUTIVE SUMMARY

Completion Agreement - Travelers Casualty and Surety Company of America

Board Meeting Date: April 7, 2026

Requested Action: Approve the Completion Agreement between The School Board of Broward County, Florida ("SBBC") and Travelers Casualty and Surety Company of America ("TRAVELERS").

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 2	
School Board Policy Requirement	• N/A
Statutory Requirement	• N/A
If the School Board votes "Yes"	• Approval of the Completion Agreement will allow TRAVELERS, as surety under the performance bond, to assume responsibility for completion of the remaining scope of work at Sea Castle Elementary School through a completion contractor. This action facilitates completion of the Project, preserves SBBC's rights under the performance bond, and is intended to minimize the risk of additional delays, disruptions, or costs.
If the School Board votes "No"	• The Completion Agreement will not be approved, which may delay completion of the Project and increase the risk of additional costs, operational disruptions, and potential disputes regarding completion of the remaining work.
Alignment to the 2027 Strategic Goals and Guardrails	• Approval of the Completion Agreement supports the District's goals of maintaining safe, functional school facilities and ensuring continuity and completion of capital improvement projects while protecting public funds through enforcement of contractual and bonding rights.
Measurable Outcome(s)/Return on Investment	• Approval of the Completion Agreement secures full completion of the Sea Castle Elementary School project through enforcement of the District's performance bond, without increasing SBBC's

	obligation beyond the remaining contract balance, subject to Board-approved change orders. The District's obligation is limited to the remaining contract balance, while TRAVELERS bears completion risk beyond that amount, is expected to reduce delay, litigation exposure, and re-procurement costs and protecting public funds.

Background/History

On or about October 15, 2019, SBBC entered into a construction contract with CB Constructors, Inc. ("CB") in the original contract amount of $2,971,072.00 for general construction and renovation work at Sea Castle Elementary School as part of the SMART Program. TRAVELERS issued a performance bond in the full amount of the contract guaranteeing CB's performance.

In July 2025, SBBC was advised by CB and TRAVELERS that CB would be unable to complete its remaining scope of work on the Project, which includes, among other items, programming and certification of the fire alarm system, demolition of the existing fire alarm system, punch list work, and other work necessary to achieve final completion. On July 23, 2025, SBBC formally demanded performance under the performance bond.

Following discussions, TRAVELERS proposed to take over completion of the Project pursuant to its obligations as surety. The proposed Completion Agreement memorializes the terms under which TRAVELERS will complete the Project through a completion contractor, subject to the terms of the original contract and performance bond.

The Completion Agreement is necessary to establish the terms under which TRAVELERS will fulfill its obligations under the performance bond by arranging for completion of the remaining contract work following the contractor's inability to do so. The Agreement defines the respective rights, responsibilities, and limitations of the Owner and TRAVELERS, confirms the remaining contract balance and scope of work, and provides a clear contractual framework to ensure timely and compliant completion of the Project in accordance with the original Contract and Bond.

Major Terms of the Completion Agreement

- Completion of Work:

  TRAVELERS will arrange for a completion contractor to perform and complete all remaining work required under the original contract in accordance with the contract documents, the performance bond, and the Completion Agreement.

- Contract Balance:

  As of the effective date of the Completion Agreement, the adjusted contract sum is $2,846,584.83. The unpaid contract balance is $141,503.46, which includes unpaid retainage.

- Payment Structure:

  SBBC will pay the unpaid contract balance to TRAVELERS, as earned and in accordance with the Contract and Completion Agreement. TRAVELERS will apply those funds to completion of the work and will fund completion costs in excess of the contract balance, subject to the penal sum of the performance bond.

- Change Orders and Claims:

  Three (3) proposed change orders totaling $46,282.25, previously submitted by the former contractor, may increase the contract balance, not time, if approved by SBBC.

- Limit of Surety Liability:

  TRAVELERS' total liability for completion of the Project is capped at the penal sum of the performance bond, $2,971,072.00, inclusive of amounts previously expended.

- Preservation of Rights:

  SBBC waives liquidated damages against TRAVELERS accrued through execution of the Completion Agreement but expressly reserves all rights and claims against CB. All other rights under the contract and bond are preserved.

COMPLETION AGREEMENT

THIS COMPLETION AGREEMENT (the "Agreement") is made and entered into by and between the School Board of Broward County, Florida (the "Owner" or "Obligee"), and Travelers Casualty and Surety Company of America (the "Surety"). The Owner and Surety are sometimes collectively referred to in this Agreement as the "Parties."

W I T N E S S E T H:

WHEREAS, on or about October 15, 2019, CB Constructors, Inc. ("CB" or the "Former Contractor") and the Owner entered into Document 00520: Agreement Form (the "Contract") in the original contract amount of $2,971,072.00 for the Former Contractor to furnish all labor, services and materials for the general construction and renovation of certain buildings and other equipment at the Sea Castle Elementary School, 9600 Miramar Boulevard, Miramar, FL 33025, SMART Program renovations, Project No. P.001632 (the "Project") in accordance with the terms and provisions of the Contract, including all documents forming it;

WHEREAS, Surety, as surety for CB, executed Document 00600: Performance Bond Form in favor of the Owner, Bond No. 107165977 (the "Bond") in the penal sum of $2,971,072.00;

WHEREAS, on or about July 1, 2025, the Owner was informed by CB and the Surety that CB would be unable to complete its remaining scope of work on the Project, which includes but is not limited to:, programming and certification of the new fire alarm system; demolition of the existing fire alarm system;; any required punch list work, and any additional work required under the Contract to fully and finally complete the Project (the "Remaining Scope of Work").

WHEREAS, On July 23, 2025 Owner sent the Surety a Demand Upon Performance Bond Letter, informing Surety that CB was unable to complete the Remaining Scope of Work on the Project and demanding that Surety take all necessary actions to assure the timely completion of the Project.

WHEREAS, Surety responded via email to Owner on August 26, 2025, proposing that the Parties enter into an agreement for Surety to take over the Project and assure the performance and completion of the Project pursuant to the Bond.

WHEREAS, the Surety, through the engagement of a Completion Contractor (the "Completion Contractor"), will undertake the completion of the Contract in accordance with the terms of the Bond and this Agreement, and parties reserving all rights contained in each document and under applicable law, provided that the Owner pays the unpaid balance of the Contract to the Surety, as earned and without offset pursuant to the Contract, when due.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, and undertakings and for other good and valuable consideration, the receipt and sufficiency being hereby acknowledged, the Owner and the Surety mutually agree as follows:

1. Each of the above recitations is true and correct and is incorporated into this Agreement as if fully set forth herein.

2. The Surety and the Owner represent and warrant to each other that they are authorized and empowered to enter into this Agreement.

3. The Bond and the Contract are incorporated herein by reference and are made a part of this Agreement.

4. The Surety agrees to have the Completion Contractor perform and complete the work on the Project required by and in accordance with the terms and conditions of this Agreement and the Contract (the "Completion Work"). The Owner acknowledges that the Surety, by its execution of this Agreement, is acting in its capacity as Surety for CB, is planning for the performance and completion of the Contract, through the Completion Contractor, is not acting as a qualified or licensed completion contractor and that the Surety is not assuming any obligations or liabilities beyond those contained in the bonded Contract or as contained in this Agreement.

5. The Owner acknowledges that the Surety will delegate the performance of each one of the terms, covenants, and conditions of the Contract, including all modifications thereto, to the Completion Contractor. The Completion Contractor shall be subject to the terms and conditions of the Contract, except to the extent otherwise provided in this Agreement. The Surety may satisfy the required insurance obligations under the Contract by providing evidence of the coverage carried by the Completion Contractor. The Completion Contractor shall be an independent contractor of the Surety, and no contractual relationship shall exist between the Owner and the Completion Contractor. The Owner shall recognize the Completion Contractor only in the capacity of an independent contractor of the Surety.

6. The Owner and the Surety agree that as of the date of this Agreement:

(a) The original authorized amount of the Contract is $2,971,072.00. The net change by Change Orders is a reduction of $124,487.17, leaving the Adjusted Contract Sum of $2,846,584.83;

(b) CB has been paid $2,705,081.37, not including $141,503.46 in unpaid retainage, which is included in the amount of the Contract Balance, Subsection (c) below;

(c) The unpaid "Contract Balance" shall be hereinafter defined as the sum of $141,503.46, subject to future mutually agreed and SBBC approved change orders.

(d) The Contract Balance shall be increased or decreased, as appropriate, because of any extra work or changes in the scope of work (work that is different from, more than, or beyond the scope of the work contemplated by the Contract).

(e) The Former Contractor has submitted to the Owner for approval the Proposed Change Orders/Claims identified as PCO-5[1], PCO-12[2], and PCO-3[3], having a total value of $46,282.25. The Contract Balance only, and not the Contract Time, shall be increased by the value of the Proposed Change Orders/Claims which are subsequently approved by the Owner. The Surety shall reserve its right to claim any additional and valid time extensions it is entitled to pursuant to the Contract.

(f) As of the date of the execution of this Agreement, the Owner represents and warrants that, to the best of its knowledge and ability based upon the records available to it, that the Contract Balance as defined herein is accurate.

7. The Owner agrees that the Contract Balance is dedicated to and will be applied to the Completion Work pursuant to this Agreement. The Owner shall pay directly to the Surety the Contract Balance, plus or minus any additional amounts of money on account of any modifications requested and authorized by the Owner and Surety, as the work progresses, subject to all the terms and conditions of the Contract, except as provided herein. The Surety agrees to expend its own funds as may be necessary from time to time to pay for the performance of the Contract by the Completion Contractor if the Contract Balance is insufficient. All payments to third-parties to monitor and/or administer the contract with the Completion Contractor on the Surety's behalf, or to return, confirm, or remobilize subcontractors, vendors, or others to complete the Contract, or reimburse or pay the Owner for any and all damages or settlements of any nature or description, and/or defend, adjust and satisfy any claims under the Performance Bond, the Contract and/or this Agreement over and above any Contract Balance received from Owner shall not exceed Travelers single limit of liability for all three agreements (the Performance Bond, the Contract and this Agreement), which is Performance Bond's penal sum of $2,971,072.00 and any payments that the Surety makes net of the Contract Balance received from Owner shall be credited dollar for dollar against the Surety's single limit of liability for the Performance Bond, the Contract, and this Agreement, which single limit is the Performance Bond's penal sum (the "Penal Sum"). Under no circumstances shall the Surety's liability and/or obligations arising from or in connection with or related to the Performance Bond, the Contract, and/or this Agreement exceed the Surety's single limit of liability for all three contracts, which is the Penal Sum ($2,971,072.00) and this single limit of liability shall survive any termination or breach of this Agreement, the Performance Bond, and/or the Contract. As of December 18, 2025, the Surety represents that it has expended an amount not exceeding $27,875.11, net of the Surety's receipt of the General Contract funds, which amount is hereby credited against the Surety's Penal Sum.

8. Notwithstanding any provision in the Contract or Bond to the contrary, the Owner waives and releases only its claim for liquidated damages against the Surety, as it exists up to and at the time the Parties execute this Agreement. The Owner reserves and does not waive any and all claims against the Former Contractor, CB. The Owner agrees to release the Contract Balance without offset, to the Surety when and as due under this Agreement. In consideration of the Contract Balance being paid by the Owner to the Surety, as provided herein, the Surety agrees to

[1] CPCO/CUD 05 – Fire Alarm Changes 2 for $18,579.37 and requesting an additional 1135 days in time.
[2] CCD for Additional Fire Alarm Changes for $27,702.88 and requesting an additional 200 days in time.
[3] ASI No. 1 – HVAC Delay Claim – Cost Captured in CO 2 requesting an additional 197 days in time.

comply with the obligations of the Contract and the Bond. Nothing herein shall constitute a waiver of any of Owner's claims if the Surety fails to achieve Substantial Completion of the Work and Final Completion of the Work by the Project schedule that is to be submitted by the Surety to the Owner and agreed to by both Parties, subject to any extension of Time contemplated by the Contract. The Surety reserves its rights to request additional compensation and/or dispute any back charges, assessment of liquidated damages, or any other charges, and it further expressly reserves any other rights and defenses which the Surety or its Principal has or may have, at law, in equity or under the terms and provisions of the Performance Bond and Contract. Owner reserves all rights to indemnity under the Contract and the Bond.

9. Insofar as the Owner has any right, title or interest therein, the Owner agrees that the Surety and the Completion Contractor shall have the right to use, without charge, any of the equipment, materials and appurtenances furnished or supplied by CB that may be stored on or about the premises of the Project site or materials that may have been fabricated for the Owner in connection with the Contract, whether or not presently upon the Project site.

10. The Surety shall be represented at the Project by Bryce Holzer (additionally known as the "Authorized Representative"). The Surety designates its Authorized Representative to prepare, and process pay requisitions on the Contract, however the Surety will sign all pay requisitions submitted to the Owner. Documents pertaining to pay estimates, progress, and final payments shall be transmitted to the Surety, by email, at the following email address, unless the Owner is notified in writing by the Surety of any different address:

Attn: Bryce Holzer
33650 6th Ave. S., Suite 200
Federal Way, WA 98003

11. Payments from the Owner shall be made to the Surety and transmitted to the Surety via automated clearing house transfer ("ACH"). Owner shall initiate ACH payments in immediately available funds to the bank account designated by Surety, in accordance with the payment instructions provided by Surety from time to time. Payments shall be deemed made only when actually received by Surety.

12. All Supplemental Agreements (as defined herein) must be executed and delivered by the Surety and the Owner. The Surety's Authorized Representative shall have, on behalf of the Surety, the authority to negotiate, and execute, Supplemental Agreements and change orders for extra work (i.e. work that is different from, more than, or beyond the scope of the work required by the Contract) requested or required by the Owner ("Supplemental Agreement"). The Surety hereby designates the Authorized Representative to review and negotiate any Contract modifications and assist in the resolution of disputes that may arise during the performance of the work. Except as expressly provided for in this paragraph, the Completion Contractor shall not have authority to sign Supplemental Agreements, change orders, credits, back-charges, or modifications of any kind whatsoever without Surety's prior written approval.

13. The provisions of the Bond shall remain in full force and effect in accordance with its terms and conditions.

14. This Agreement is solely for the benefit of the Owner and the Surety. The Owner and the Surety do not intend by any provision of this Agreement to create any rights in, or increase the right of any third-party beneficiaries, nor to confer any benefit upon or enforceable rights under this Agreement or otherwise upon anyone other than the Owner and the Surety under the Bond. The Completion Contractor has no contractual rights pursuant to this Agreement and no contractual relationship shall exist between the Owner and the Completion Contractor.

15. Save and except for the Bond, this Agreement constitutes the whole of the understanding, discussions, and agreements by and between the Owner and the Surety upon the subject matter contained herein. The terms and provisions of this Agreement are contractual and not mere recitals. The Owner and the Surety acknowledge that there have been no oral, written, or other agreements of any kind as a condition precedent to or to induce the execution and delivery of this Agreement. Status of Work:
The construction phase is 97% complete. The project is expected to achieve Substantial Completion by January 31, 2027, and Final Completion by June 30, 2027. This is not the final change order for this Project.

Background/History
The scope of work for the project includes fire alarm, HVAC improvements and building envelope improvements which include roofing improvements on Buildings 1-8.

Change Order Items:
Item #1 – (COI #10) Replace and Relocate Outside Air Duct: Due to the school operating at 100% enrollment capacity, it is not feasible to shut down and vacate all classrooms individually for approximately two weeks to complete the originally designed scope. Additionally, the existing supply and return ductwork in the classrooms were found to be in good condition; therefore, a redesign was provided to retain the existing ductwork while implementing necessary modifications to meet outside air requirements and eliminate disruption to school operations. Therefore, the Contractor is to provide the labor, material and equipment to replace and relocate outside air duct, relocate the new fan to the exterior of the mechanical room and install ceiling panels for all thirty-seven (37) fan coil units to comply with Outside Air requirements following the supply and return duct redesign. (Unforeseen – $285,523.04; Add 387 Days)

Other Item
Item #1 – Additional Funding Request: The change order item exceeds the available change order contingency in the project; therefore $285,523.75 is being requested.

Action Plan:
This change order has been reviewed for entitlement by AECOM and for cost by AtkinsRealis. The above-referenced Change Order Item, COI #10 received a recommendation for approval by the Change Order Review Panel (CORP). **This change order is being presented to the School Board for approval because its value exceeds the Superintendent's change order approval limit of $100,000 per change order under Policy 8000.**

The request for additional time is supported by a Time Impact Analysis (TIA), which has been analyzed and recommended for approval by an Independent Claims Analyst Forensic Scheduler. See Exhibit 3 – Time Impact Analysis (TIA).

Alignment to 2027 Goals and Guardrails
Business Operations.

Measurable Outcome(s)/Return on Investment
There is no measurable outcome or return on investment associated with this item. This item ensures that the Contractor is compensated for additional work required to replace and relocate outside air duct and granted days for delays that were beyond its control.

Financial Impact
The financial impact of this item is $285,523.04, and $285,523.75 will be funded from the Capital Projects Reserve. This increases the project budget from $4,769,061.25 to $5,054,585.

2. Executive Summary

2.1 PCO-10

The Contractor submitted PCO-10, requesting an extension of 140 days to the Contract through the current Substantial Completion (SC). The Contractor claims delays due to additional mechanical work where Fan Cooling Units (FCU) equipment rooms are converted to be used as a return air plenum. The Contractor is waiting for the approval of this PCO to start the work hence the real impact of this delay at this point is unknown. The PM confirms that the work can be only done during school break when classrooms are not occupied, that could be either the winter or summer school break. The analysis assume that PCO-10 will be approved by the Owner on or before 25-Sep-25 and the Contractor will proceed with ordering the material and prepare to perform the work in winter break.

2.2 Analyst Recommendation

The Analyst reviewed the TIA submitted with PCO-10 and in consultation with the Project Manager, recommends,

- Granting an excusable, non-compensable time extension of 387 days in addition to the extension recommended through PCO-07;
- Adjusting Final Completion (FC) to 30 days following SC;
- Not granting compensation for General Conditions.

The breakdown of responsibility for this time extension is as follows:

Delay Event	Days	Responsibility
Plenum return as per ASI 5	387	Unforeseen

2.3 Justification for Recommendation

- The initial delay began on 20-Jul-22 when the Contractor submits RFI #28 seeking the AE's advice on requesting a de-scope of ductwork replacement beyond mechanical room. Most of the ductwork section is located inside the classroom, above the ceiling that needs removal of ceiling to complete the work which required the classrooms to be empty. The school lacked swing space to relocate students, so the replacement was not possible. This led to ASI #5, FCU equipment rooms converted to be used as a return air plenum, return air ductwork terminates below ceiling of equipment room with manual volume Damper. Temperature and humidity sensors in ductwork below ceiling. This is an owner's request.
- The Contractor's analysis of PCO-10 impact on the SC only take into consideration the fragnet duration and does not include the time when this delay started impacting the SC which was after ASI#5 approval. When prior PCOs #07 & 08 are considered, the revised Substantial Completion date reflected an overall extension of 387 days.
- Since the scope of work under this TIA remains pending the PCO approval, the Contractor may submit a subsequent TIA after the work is completed if the actual impact of this delay on the SC exceeds the projected Impact.
- The Analyst does not recommend defining any delays mentioned above as compensable based on Article 6.05 of the Project Manual which was incorporated into the Construction Contract. The Contract is subject to a no damage for delay clause which is enforceable except in the case of fraud, bad faith or active interference by the Owner which is not the cause of the delay in question.

3. Background & Submission

3.1 Project Background

1. NTP was issued on 27-Oct-20. The Contract duration was 365 CDs from NTP to SC, and an additional 30 CDs from SC to Final Completion (FC), 395 CDs total. The scope of work includes Building Envelope Improvements (roof, window, exterior wall, painting), mechanical and Fire Alarm work.
2. A previous extension of 576 days has been already granted to the original SC date.
3. Add PCO-7 pending board approval.

3.2 Delay Timeline

1. 21-Jul-21: Commence designing a solution for temporary cooling.
2. 10-Jun-22: Contractor submitted Temporary Cooling submittal for BD's review and approval
3. 22-Jul-22: Approval of the temporary cooling solution by the Building Department.
4. 20-Jul-22 Contractor submits RFI #28 requesting de-scoping of duct-work replacement in classrooms
5. 11-Jan-24 Building Department approved ASI #5
6. 26-Apr-24 Contractor initiates CO for the scope change.
7. The Contractor has not started the work to date.

3.3 Summary of Contractor's TIA

1. The contractor's TIA narrative is brief and does not provide details on the delay event. The delay is due to change in mechanical scope.
2. The Contractor has submitted a pre-impact schedule labelling it 8-1-24 while the data date is 8-Mar-20 with zero progress. This is not acceptable as the delay started 25 months later than the date date of 8-Mar-20.
3. The Contractor has provided another pre-impact schedule with the same date of 8-Mar-20 labelling it as 1-Aug-25. The contractor has marked all activities as 100% completed including the duct work delays which has not started yet.
4. The Contractor provided the impacted schedule with a Data Date of 08-Mar-20 again with zero overall progress. The delays are inserted with past dates, showing work already completed.

4. Analysis

4.1 Quantitative

1. The Analyst used AACE Recommended Practice MIP 3.6 per RP29R-03 and a validation review of the Contractor's method for prospective Time Impact Analysis. MIP 3.6 was chosen as the "best fit" since the delay event can be modeled and added and is single based.
2. As the Reviewer was not able to validate the TIA provided by the Contractor, an independent TIA was performed by the Reviewer.
3. The Contractor has inserted delay fragnets into their post-impact schedule showing the work is 100% completed which they have not started yet.
4. This delay started back in July 2022 continued to-date, is partially concurrent with delay already analyzed in PCO-07. PCO-07 delay came to an end on 15-Nov-24 when the Contractor completed the installation of AHU impacting the SC by 578 days.
5. Since this delay continued impacting the SC to-date, to evaluate the impact of PCO-10 delays the Reviewer chose the post-impact schedule for PCO-07 data date 01-Feb-23 to be the pre-impact of PCO-10 delay.
6. The 578 days of negative total float in the selected pre-impact data date 01-Feb-23 is due to PCO-07 delay.
7. To develop the Impacted schedule, the following activities were incorporated into the pre-impact schedule to reflect the delay impacts associated with ASI#5.

Table 2 - Delays due to ASI#5

Task ID	Task Name	Duration	Predecessor	Successor
99	RFI # 28 submission	1 day		100
100	ASI #5 Approval	540 days	99	101
101	PCO-10 Submission and Approval	623 days	100	102
102	Material Delivery	30 days	101	103
103	Coordination to start work in winter break	58 days	102	104
104	Performing Work	14 days	103	105

   - The durations of the fragnets were derived from the submittal log, documents uploaded to eBuilder monthly schedule updates, and the Contractor's narrative.

8. Activity 103 Coordination to start work in winter break is a calendar constraint implying that the Contractor can start the work in winter break where the school remains unoccupied.
9. When rescheduled the impacted schedule the revised Substantial Completion date reflected an overall extension of 387 days from 13-Dec-24 to 4-Jan-26 days of delay due to ASI#5.

2. Executive Summary

2.1 PCO 18

The Contractor submitted PCO-18 on 16-Jan-26 requesting a 476-day extension to Substantial Completion (SC), related to the works in the Mansard of Building 5. During this effort, the Contractor identified that the structural framing supporting the mansard metal panels was completely deteriorated and required repair or replacement to meet building code requirements, which impacted the overall schedule.

2.2 Analyst Recommendation

The Analyst reviewed the TIAs submitted with PCO 18 along with project records, conducted an independent TIA, and recommends,

- Granting an excusable, non-compensable time extension of 299 days to the Substantial Completion (SC) date;
- Adjusting Final Completion (FC) to 30 days following SC;
- Not granting compensation for General Conditions.

The breakdown of responsibility for this time extension is as follows:

Delay Event	Days	Responsibility
Work in Mansard - Building 5	299	Unforeseen

2.3 Justification for Recommendation

2.1 **Work in Mansard - Building 5:** The work on the deteriorated mansard structure and subsequent re-roofing of Building 5 and adjacent canopies are on the critical path and are key drivers of the SC. The delay began when the contractor identified the deteriorated structure, and submitted RFI #47, which led to ASI #3 issued by the A/E and approved by the Building Department. The PMOR then instructed the Contractor to perform the work via CCD #1. The work in the Mansard delayed the re-roofing of Building 5 and canopies by 299 days. This is an unforeseen delay.

2.2 AECOM does not recommend defining any delays mentioned above as compensable based on Article 6.05 of the Project Manual which was incorporated into the Construction Contract. The contract is subject to a no damage for delay clause which is enforceable except in the case of fraud, bad faith or active interference by the Owner which is not the cause of the delay in question.

3. Background & Submission

3.1 Project Background

1. NTP was issued on 23-Aug-19. The original contract duration was 210 days from NTP to SC, and an additional 30 days from SC to FC, which is 240 days in total.
2. The Contractor has been granted 432 days under previously approved time extension via CO-1 (PCO-2).

3.2 Delay Timeline

1. 22-Mar-23 Contractor submitted RFI #47
2. 24-Mar-23 A/E responded RFI #47

3. 02-Jun-23 Building Department approved ASI #3
4. 13-Feb-24 PMOR instructed the Contractor to perform the work via CCD #1
5. 30-Apr-24 Contractor completed the work in the mansard structure

3.3 Summary of Contractor's TIA

1. PCO-18 identifies delays associated with work required to replace the structural framing of the mansards in Building 5, as directed in ASI #3.
2. During the canopy demolition, the Roof Sub-Contractor discovered the structural framing of the mansards in Building 5 was in very poor condition and required replacement.

4. Analysis

4.1 Quantitative

1. The Analyst used AACE Recommended Practice MIP 3.6 per RP29R-03 and a validation review of the Contractor's method for prospective Time Impact Analysis. MIP 3.6 was chosen as the "best fit" since the delay event can be modeled and added and is single-based.
2. As the Reviewer was not able to validate the TIA submitted by the Contractor, an independent TIA was performed by the Reviewer.
3. The Contractor submitted a February 2023 schedule update as the pre-impact schedule with their TIA. Since the delays started in March 2023, this pre-impact schedule was used to develop the impacted schedule.
4. To develop the impacted schedule, a set of activities was incorporated into the pre-impact schedule to reflect the delay impacts associated with the mansard structural work.
5. The delay window begins with the submission of RFI #47 on 22-Mar-23 and ends with the completion of the mansards structural work on 30-Apr-24. Incorporating the delay fragnet into the schedule extended the Substantial Completion by 299 days.
6. The table below shows the added delay and the impacted work.

Table 2 - Work in Mansard Delays

Change Order: 1				**$ 96,147.00**	**432**	**3.39%**					
P.001938	Walker ES - SMART Program Renovations	1	06.15.2021	$ 96,147.00	432	3.39%	OAC Action Construction Corp.	Consultant Error	Original design was based on a single layer roofing. During the roofing sub-permit review an additional layer of roofing was added to the design. When the roofer performed the required pull tests, the designed fastening system failed. A longer screw with revised installation pattern is required to secure the base sheet on the roofing system. Therefore, labor, material and equipment are required to add an extra layer of membrane with longer fasteners in the roofing system on Building 5.	$ 2,834,582.00	08.23.2019

Consultant Error	During a walkthrough, it was determined that the electrical duct heaters would need to be relocated upward into the ductwork to meet code clearance. Therefore, labor, material, and equipment are required to demo the existing ductwork in order to relocate the electrical duct heaters and to install new ductwork.	$ 2,834,582.00	08.23.2019
P.001938	Walker ES - SMART Program Renovations	4	07.20.2021	$ 2,127.00	0	0.08%	OAC Action Construction Corp.	Consultant Error	Per building code requirements, flammable storage and chemical storage devices are required to contain explosion proof automatic heat detectors. However, the approved permitted drawings are asking for standard devices. Therefore, labor, materials, and equipment are required to upgrade the flammable storage devices from standard devices to explosion proof devices for Rooms 417, 418, 534 and the pull station in Room 418.	$ 2,834,582.00	08.23.2019

EXECUTIVE SUMMARY

Additional Funding Request – Hallandale Magnet HS, P.002115

Board Meeting Date: April 7, 2026

Requested Action:
Approve additional funding of $73,058 for the primary campus renovation project at Hallandale Magnet High School.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 1	
School Board Policy Requirement	• Policy 8000
Statutory Requirement	• Sections 1013.64, 1013.65, 1013.67, 1013.76, 287.058, and 287.0582, FS.
If the School Board votes "Yes"	• Provides sufficient budget authority for the Superintendent to approve applicable change orders in accordance with Policy 8000. • Supports completion of necessary electrical distribution modifications, including relocation of the Main Distribution Panel.
If the School Board votes "No"	• The change order referenced in the Background/History cannot be approved without the required funding. • The additional electrical work cannot be formally incorporated into the contract. • Additional Board action would be required at a later date to approve the change order and secure the necessary funding, resulting in avoidable administrative delays.
Alignment to 2027 Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Maintains compliance with Policy 8000 by aligning funding with approved change order authority. • Ensures the electrical distribution system is properly configured and fully operational in accordance with revised design requirements. • Success will be measured by formal approval and execution of the change order, allowing the project to achieve Final Completion and closeout with no outstanding contractual or electrical issues.

Background/History

The approval of construction change orders is legally permissible only to the extent that sufficient capital funds are lawfully available and properly encumbered and such approval does not obligate the School Board beyond approved capital budgets or create an unauthorized debt payable from future revenues.

Therefore, this item requests **$73,058** from the Capital Projects Reserve to ensure sufficient funding for the expedited approval of forthcoming change orders in accordance with Policy 8000. Under this policy, the Superintendent is authorized to approve change orders up to $100,000, provided the cumulative total for the project has not exceeded ten (10) percent of the original contract amount.

Project Scope & Detail:
General Contractor: West Construction, Inc.
Project Consultant: Song & Associates, Inc.
Scope of Work: Campus-wide fire alarm replacement, fire sprinkler installation in Building 1; electrical improvements; HVAC renovations; STEM lab improvements; media center and restroom renovations; and building envelope improvements, including exterior door repairs, exterior painting, and aluminum window replacement across multiple campus buildings.

Change Order Details:
Item #1 – During construction, it was determined that the originally specified busway system could not be procured within the required timeframe, necessitating a design revision to utilize wire feeders in lieu of a busway. This revision required demolition of the existing bus bar and relocation of the Main Distribution Panel (MDP), along with installation of new conduit, feeders, grounding, and associated materials to accommodate the modified electrical distribution configuration. The Change Order Review Panel (CORP) reviewed the change order, recommended its approval, and categorized it as Unforeseen. The cost is **$73,057.72**.

Project Status Update:
The construction phase is 95% complete. Remaining work includes completion of electrical panel updates, as well as fabrication and installation of STEM lab casework and countertops, followed by final cleanup, punch-list, and required inspections.

Notice to Proceed:	03/22/22
Projected Substantial Completion Date:	10/30/26
Projected Final Completion Date:	03/29/27

EXECUTIVE SUMMARY

Contract for Use of Facilities – Lauderhill Performing Arts Center

Board Meeting Date: April 7, 2026

Requested Action:

Approve the Contract for Use of Facilities (Agreement) between The School Board of Broward County, Florida (SBBC) and the City of Lauderhill, Florida (City) for the use of the Lauderhill Performing Arts Center to conduct four graduation ceremonies in May 2026.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• School Board Policy 8040
Statutory Requirement	• None
If the School Board votes "Yes"	• Four graduation ceremonies will be conducted at Lauderhill Performing Arts Center, thereby providing the graduating seniors with the opportunity to graduate from a viable and familiar facility.
If the School Board votes "No"	• The four graduation ceremonies will not be conducted at the Lauderhill Performing Arts Center, and as such, an alternative location of similar size will need to be identified and subsequently leased. Also, given the limited timeframe, there may not be enough time to identify and lease an alternative facility, which could result in the District pivoting towards utilizing an SBBC owned facility to conduct the four graduations.
Alignment to 2027 Goals and Guardrails	• Guardrail 1: Safety and Guardrail 2: Equity.
Measurable Outcome(s)/Return on Investment	• The successful completion of the four graduation ceremonies scheduled at the Lauderhill Performing Arts Center.

Background/History:

The purpose of a high school graduation ceremony is to celebrate students who have

successfully met the academic and extracurricular requirements to graduate from Broward County Public Schools (BCPS). The graduation ceremony provides a forum in which graduating students receive their diplomas, marking their graduation from a BCPS high school official. In the past few years, the SBBC has leased and successfully utilized the City of Lauderhill Performing Arts Center to conduct several graduation ceremonies for graduating seniors from various BCPS. This year, the Lauderhill Performing Arts Center is scheduled to host four high school graduations on May 29 and May 30, 2026. Last year, SBBC utilized the Lauderhill Performing Arts Center for six graduation ceremonies at a total cost of $27,843.44 or $4,640.57 per graduation ceremony. The total cost for the 2026 graduation ceremonies will be $17,659.44, which consists of $2,383.44 for one ceremony and $5,092.00 each for the remaining three ceremonies, which averages to $4,414.86 per graduation ceremony, which is a cost savings of $225.71 per graduation ceremony compared to the 2025 cost per graduation ceremony.

EXECUTIVE SUMMARY

License Agreement – Broward Center for the Performing Arts

Board Meeting Date: April 7, 2026

Requested Action:

Approve the License Agreement (Agreement) between the School Board of Broward County, Florida (SBBC) and the Performing Arts Center Authority (PACA) for the use of the Broward Center for the Performing Arts (BCPA) to conduct fourteen graduation ceremonies in May and June of 2026.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• School Board Policy 8040
Statutory Requirement	• None
If the School Board votes "Yes"	• Fourteen graduation ceremonies will be conducted at the BCPA, thereby providing the graduating seniors with the opportunity to graduate from a viable and familiar facility.
If the School Board votes "No"	• The fourteen graduation ceremonies will not be conducted at the BCPA, and as such, an alternative location of similar size will need to be identified and subsequently leased. Also, given the limited timeframe, there may not be enough time to identify and lease an alternative facility, which could result in the District pivoting towards utilizing an SBBC owned facility to conduct the fourteen graduations.
Alignment to 2027 Goals and Guardrails	• Guardrail 1: Safety and Guardrail 2: Equity.
Measurable Outcome(s)/Return on Investment	• The successful completion of the fourteen graduation ceremonies scheduled at the BCPA.

Background/History:

The purpose of a high school graduation ceremony is to celebrate students who have

successfully met the academic and extracurricular requirements to graduate from Broward County Public Schools (BCPS). The graduation ceremony provides a forum in which graduating students receive their diplomas, marking their graduation from a BCPS high school official.

In the past few years, the SBBC has leased and successfully utilized the BCPA to conduct multiple graduation ceremonies for graduating seniors from various BCPS. This year, the BCPA is scheduled to host fourteen high school graduations from May 28 to June 3, 2026. Last year, SBBC utilized the BCPA for thirteen graduation ceremonies at a total cost of $198,900 or $15,300 per graduation ceremony. The total cost for the 2026 graduation ceremonies will be $214,152.79 or $17,868.06 per graduation ceremony, which is an increase of $2,568.06 per graduation ceremony, compared to the 2025 cost per graduation. This cost includes a $36,000 sponsorship credit from PACA that will be applied upon final settlement. This cost includes rent, police, EMT, security checkpoints, staffing and any other miscellaneous costs.

LICENSEE agrees to cooperate fully with PACA and its Facility sponsors in connection with promotions arranged by PACA for its sponsors. LICENSEE shall furnish a copy of the related sponsorship agreement to PACA's Event Manager, prior to LICENSEE's execution thereof, in order for PACA's staff to determine, in its sole discretion, if there are any potential conflicts. Board Meeting Date: April 07, 2026

Requested Action:
Approve the Parking Lease Agreement ("Agreement") between The School Board of Broward County, Florida (SBBC) and Our Children's Workshop, Inc. (LESSEE), granting LESSEE access to eight designated parking spaces for LESSEE'S employees use in the south parking lot of Pompano Beach High School.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 7	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• 1013.15 Florida Statutes
If the School Board votes "Yes"	• LESSEE will have access to and utilize eight designated parking spaces in the south parking lot of Pompano Beach High School for LESSEE'S employees use. Additionally, SBBC will receive a total of $59,962.47 in new revenue from the lease of the parking spaces, over the three-year term of the Agreement.
If the School Board votes "No"	• LESSEE will not be permitted to access and utilize eight designated parking spaces at the south parking lot of Pompano Beach High School for its employees use. Additionally, SBBC would lose the opportunity to receive a total of $59,962.47 in new revenue from the lease of the parking spaces to LESSEE.
Alignment to 2027 Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• SBBC will receive a consistent and predictable annual revenue of $19,399.68 annually, which will increase by 3% annually, resulting in a total anticipated revenue of $59,962.47 to SBBC over the three-year term of the Agreement.

Background/History

The LESSEE operates a childcare facility offering full-time and part-time programs for infants through age five, including Voluntary Prekindergarten (VPK). The facility is located at 1406 NE 4th Street, Pompano Beach, Florida, directly across from the south side of Pompano Beach High School (School) and has served the Pompano Beach community since 1997.

For many years, the LESSEE utilized the school's south parking lot for employee parking at no cost. In 2019, Broward County Public Schools (BCPS) implemented a single point of entry security measure by installing fencing around the entire campus, including all parking areas. This change restricted access to the south parking lot, which also serves the Pompano Administrative Center, preventing the LESSEE from continuing to use the lot without controlled access.

Following discussions with the school principal, security personnel, and Pompano Administrative Center staff, it was determined that continued access could be permitted if the LESSEE provided security personnel to monitor the parking lot gate, as school security staff could not assume that responsibility. On November 6, 2019, SBBC and the LESSEE executed a three-year Parking Lease Agreement granting the LESSEE access to eight designated parking spaces. Under the agreement, the LESSEE hired and paid security personnel to monitor the entry gate from 7:00 a.m. to 3:30 p.m., Monday through Friday, allowing entry only to vehicles with valid SBBC or LESSEE employee identification, in lieu of paying rent to SBBC.

A subsequent three-year agreement with the same terms was executed on September 13, 2022, effective November 6, 2022 through November 5, 2025. The LESSEE has requested a new three-year agreement, which is the purpose of this item.

Based on feedback from the School and the Pompano Administrative Center, the new agreement will require the LESSEE to continue hiring and paying security personnel to monitor, open, and close the parking lot gate during the specified hours. In addition, the LESSEE will pay annual base rent of $19,399.68 ($1,616.64 per month), with a 3% annual increase.

Because there is currently no active parking lease agreement, the LESSEE has been unable to utilize the school's south parking lot for employee parking and has requested that the new agreement become effective immediately upon approval.

Subject to the provisions of the foregoing paragraph, the parties further agree that the LESSEE will prepare and submit plans to the Chief Operations Officer or designee, and the Building Official or designee for review and approval. Any plans must meet State of Florida Building Code Requirements, Florida Fire Protection Code, and State Requirements for Educational facilities as applicable, and any other requirements imposed by applicable law. The Chief Operations Officer or designee, and the Building Official or designee shall have forty-five (45) days from the date of receipt to review and comment on the plans. All design documents shall be approved by the Chief Operations Officer or designee, and the Building Official or designee prior to submission to the Department of Education, if applicable. The LESSEE agrees to obtain all necessary permits and approvals and to contract with a Contractor for the construction of the improvements.

(b) The LESSEE shall be solely responsible for all contractual obligations to the contractor hired to construct the improvements.

(c) The LESSEE shall ensure the contractor corrects any defective or faulty work or materials that appear after the completion of the improvements within the warranty period of such work performed.

(d) Any improvements made to the Leased Premises without the prior written approval of SBBC as to location shall immediately be removed or relocated within ninety (90) days of written demand by SBBC, unless the parties agree that the improvements should remain whereby this Agreement will be amended, in writing, to reflect the use and responsibility of the improvements.

2.08 **Transfer.** Unless approved in advance and in writing by SBBC, the LESSEE shall not assign or sublet the Leased Premises or use any part of the Leased Premises for any purpose other than as is set out in the Agreement.

2.09 **Maintenance/Repairs**. The LESSEE shall keep the Leased Premises clean, sanitary, and free from trash and debris during the days and hours of operation stated herein in the Agreement, and SBBC shall keep the Leased Premises clean, sanitary, and free from trash and debris during the times other than the hours of operation stated herein in the Agreement. SBBC shall provide for all maintenance and repairs in and about the Leased Premises in accordance with generally accepted good practices. SBBC shall maintain and keep in good repair the car stops, asphalt surface, potholes, striping, and signage in the Leased Premises during the term of this Agreement and shall be responsible for the replacement of all broken and damaged equipment, except such breakage or damage caused to the Leased Premises by the LESSEE, its officers, agents, and employees.

2.10 **Hazardous Materials**. LESSEE shall not cause or permit any Hazardous Material (as hereinafter defined) to be brought upon, kept or used in or about the Leased Premises by LESSEE, its agents, principals, employees, contractors, and consultants without the prior written consent by the SBBC, which consent may be withheld for any reason whatsoever or for no reason at all. If LESSEE breaches the obligations stated in the preceding sentence, or if the presence of Hazardous Material upon the Leased Premises caused or permitted by LESSEE (or the aforesaid others) results in (a) any contamination of the Leased Premises, the surrounding area(s), the soil or surface or ground water or (b) loss or damage to person(s) or property, or if contamination of the Leased Premises or the surrounding area(s) by Hazardous Material otherwise occurs for which LESSEE admits that it is legally, actually or factually liable or responsible to SBBC (or any party claiming, by through or under SBBC) for damages, losses, costs or expenses resulting therefrom, then LESSEE admits that it shall be solely responsible for all costs, expenses and amounts required to remediate, clean up and correct such matter and LESSEE admits that it shall further fully and completely indemnify, defend and hold harmless SBBC (or any party claiming by, through or under SBBC) from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses [including, but not limited to and without

limitation: (i) diminution in the value of the Leased Premises and/or the land on which the Leased Premises is located and/or any adjoining area(s) which SBBC owns or in which it holds a property interest; (ii) damages for the loss or restriction on use of rentable or usable space of any amenity of the Leased Premises or the land on which the Leased Premises is located; (iii) damages arising from any adverse impact on marketing of space; and (iv) any sums paid in settlement of claims, reasonable attorneys' and paralegals' fees, (whether incurred in court, out of court, on appeal or in bankruptcy or administrative proceedings) consultants fees and expert fees] which arise during or after the term of this Agreement or any extension/renewal thereof, as a consequence of such contamination. This indemnification of SBBC by LESSEE includes, without limitation, costs incurred in connection with any investigation or site conditions or any clean-up, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Leased Premises.

(a) Without limiting the foregoing, if the presence of any Hazardous Material on, under or about South Parking Lot or the surrounding area(s) caused or permitted by LESSEE (or the aforesaid others) results in (a) any contamination of Parking Lot, the surrounding area(s), the soil or surface or ground water or (b) loss or damage to person(s) or property, then LESSEE shall immediately notify SBBC of any contamination, claim of contamination, loss or damage and, after consultation and approval by SBBC, take all actions at LESSEE's sole expense as are necessary or appropriate to return South Parking Lot, the surrounding area(s) and the soil or surface or ground water to the condition existing prior to the introduction of any such Hazardous Material thereto, such that the contaminated areas are brought into full compliance with all applicable statutory regulations and standards. The foregoing obligations and responsibilities of LESSEE shall survive the expiration or earlier termination of this Lease Agreement.

(b) As used herein, the term "Hazardous Material" means any hazardous or toxic substance, material or waste, including, but not limited to, those substances, materials, and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and amendments thereto, or such substances, materials and wastes that are or become regulated under any applicable local, state or federal law. "Hazardous Material" includes any and all material or substances which are defined as "hazardous waste," "extremely hazardous waste" or a "hazardous substance" pursuant to local, state, or federal governmental law. "Hazardous substance" includes, but is not restricted to, asbestos, polychlorobiphenyls ("PCB's"), petroleum, any and all material or substances which are classified as "biohazardous" or "biological waste" (as such terms are defined by Florida Administrative Code ("F.A.C.") Chapter 17-712, as amended from time to time), and extremely "hazardous waste" or "hazardous substance" pursuant to federal, state or local governmental law.

2.11 **Light Fixtures.** SBBC agrees to maintain all lighting fixtures and equipment on the Leased Premises. SBBC shall be responsible for replacement of all bulbs, lamps, tubes, starters, and other devices necessary to illuminate the Leased Premises fully and completely.

2.12 **Adult Products; Smoking**. LESSEE shall not bring, keep, or possess any adult products, intoxicating beverages, drugs, narcotics, or gambling devices upon the Leased Premises or permit others to do so. In accordance with state law and School Board Policy 1120, smoking will not be permitted upon SBBC property under any circumstances.

2.13 **Removal of Persons**. SBBC reserves the right, through its representatives, to eject any objectionable person or persons from SBBC property including, without limitation, the Leased Premises, and in the event of the exercise of this authority by SBBC through its representatives, agents or through law enforcement personnel, LESSEE hereby waives any right and all claims for damages against SBBC or any of its representatives or agents.

2.14 **Background Screening**. LESSEE agrees to comply with all requirements of Sections 1012.32, 1012.465, 1012.467 and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. This background screening will be conducted by SBBC in advance of LESSEE or its personnel providing any services under the conditions described in the previous sentence. LESSEE shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to LESSEE and its personnel. The Parties agree that the failure of LESSEE to perform any of the duties described in this section shall constitute a material breach of this Lease Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Lease Agreement. LESSEE agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting in LESSEE's failure to comply with the requirements of this Section or with Sections 1012.32, 1012.465, 1012.467 and 1012.468, Florida Statutes.

2.15 **Notice**. When any of the Parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. Each Party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law.

2.17 **Inspection of LESSEE's Records by SBBC**. The SBBC has the right to inspect and review any documents that would substantiate, reconcile or refute any charges and/or expenditures related to this Agreement that are in dispute upon providing reasonable written notice (up to two (2) weeks) to LESSEE. The inspection of records is to take place at the LESSEE's place of business within two (2) weeks of SBBC's request.

2.18 **Liability**. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

(b) By LESSEE: LESSEE agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of the products, goods or services furnished by LESSEE, its agents, servants or employees; the equipment of LESSEE, its agents, servants or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of LESSEE or the negligence of LESSEE's agents when acting within the scope of their employment, whether such claims, judgments, costs and expenses be for damages, damage to property

including SBBC's property, and injury or death of any person whether employed by LESSEE, SBBC or otherwise.

2.19 **Insurance.** LESSEE shall maintain in full force and effect during the term of this Agreement public liability and property damage insurance with respect to injury, death or damage occurring at the Leased Premises or arising out of Agreement of the Leased Premises or otherwise arising out of any act or occurrence at the Leased Premises. Said insurance shall be in an amount of at least Five Hundred thousand Dollars ($500,000) combined single limit per occurrence. The policies for the foregoing insurance shall name SBBC, and their partners, beneficiaries, trustees, officers, directors, agents and employees and such other parties as SBBC may designate as additional insured. At least one week prior to the first day of this Agreement, LESSEE shall furnish a certificate of insurance evidencing that such insurance is in effect.

2.20 **No Obstructions of Property**. LESSEE shall neither permit nor create any obstruction which would inhibit full access, ingress, or egress, or in any manner interfere with the operations of the school other than for the purpose of this Agreement.

2.21 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the parties' respective duties, responsibilities, and obligations under this Agreement.

2.22 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

2.23 **Incorporation by Reference**. All exhibits attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity

under this Agreement. None of the parties intend to benefit a third party directly or substantially by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party nor its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, and contributions to unemployment compensation funds or insurance for the LESSEE or the LESSEE's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.

3.05 **Termination**. This Agreement may be canceled with or without cause by either party during the term of this Agreement hereof upon thirty (30) days written notice to the other parties of its desire to terminate this Agreement. SBBC shall have no liability for any property left on the Leased Premises after the termination of this Agreement. LESSEE agrees that any of its property placed upon the Leased Premises pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement. SBBC reserves the right to terminate this Agreement immediately, if the LESSEE fails to provide security to the Leased Premises as described herein in this Agreement.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state, and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**.The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.19 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.20 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf

of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

3.21 **Contract Administration**. SBBC has delegated authority to the Superintendent of Schools or designee to take any actions necessary to implement and administer this Parking Lease Agreement. Such actions shall include, but not be limited to, the immediate suspension of the use or occupancy of any or all SBBC Licensed Facilities as a result of the anticipation of imminent existence or existence of any of the conditions listed in Article 3.17 - Force Majeure - hereinabove.

3.22 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06 (14), Florida Statutes, LESSEE, when executing, renewing, or extending an agreement with SBBC must provide the affidavit attached hereto as **Exhibit "B,"** signed by an officer or representative of LESSEE under penalty of perjury stating that LESSEE does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject LESSEE to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if LESSEE is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with LESSEE's use of coercion for labor or services as defined by Section 787.06(14), Florida Statutes, is not a Force Majeure event under this Agreement.

EXECUTIVE SUMMARY

CoStar License Agreement

Board Meeting Date: April 07, 2026

Requested Action:
Approve the License Agreement and Addendum (collectively, Agreement) between The School Board of Broward County, Florida (SBBC) and CoStar Realty Information, Inc. (CoStar) to enable the Facility Planning & Real Estate Department (FP&RE) to access and utilize CoStar's commercial real estate database and tools service.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Purchasing Policy 3800
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• The FP&RE Department will continue to have access to and utilize CoStar's commercial real estate database and tools service. This service allows the Department to access and utilize CoStar's commercial real estate database and tools service for specific real estate data, including but not limited to comps for real properties regarding rental costs, operational costs, and related data. The Department also utilizes the data to develop exhibits for agenda items pertaining to pertinent lease agreements.
If the School Board votes "No"	• The FP&RE Department will no longer have access to CoStar's commercial real estate database and tools service. This will significantly impact the Department's access to commercial real estate database and tools service for use in addressing specific real estate projects, including but not limited to comps for real properties regarding rental costs, operational costs, and related data. Moreover, the Department will be limited in its ability to provide comparable rental costs, operational costs, and related data as exhibits for agenda items pertaining to pertinent lease agreements.
Alignment to 2027 Goals and Guardrails	• Business Operations

Measurable Outcome(s)/Return on Investment	• The CoStar license will provide FP&RE with access to local and national commercial real estate data, enabling research on current rental and operational costs. This information supports more efficient evaluations of comparable lease and operational amounts, both those owed to SBBC by outside entities leasing SBBC property and those SBBC would incur when leasing external facilities.

Background/History

CoStar is a computer-based data and analytics platform that provides research, market analysis, and marketing services related to commercial real estate at the local, state, national, and international levels, including Canada and the United Kingdom. CoStar maintains one of the industry's most comprehensive commercial real estate databases, including current market rental rates and sales data. According to CoStar, the subscription-based platform is used by more than 240,000 commercial real estate professionals, including brokerage firms and brokers.

The Facilities Planning & Real Estate (FP&RE) Department began utilizing CoStar services in March 2018, enabling Broward County Public Schools (BCPS) to access commercial real estate sales and rental market data in Broward County and other markets. This information supports FP&RE Department in determining appropriate rental values, operating costs, and comparable market data for School Board agenda items involving real estate transactions in which SBBC serves as a lessor or lessee. Continued access to CoStar allows the District to conduct necessary market analysis and due diligence related to real estate matters.

CoStar's services are provided under subscription-based license agreements with a minimum initial term of one year. Per the vendor's standard terms, each license expires on the last day of the calendar month in which the applicable start date occurs. While prior Board action reflected a March 6, 2026 expiration, CoStar has confirmed that the current term extends through March 31, 2026, consistent with this monthly service cycle.

In accordance with standard contract terms, the agreement automatically renews for successive one-year periods unless written notice of non-renewal is provided 60 days in advance. This ensures that authorized access to CoStar's services remains uninterrupted through the April 7, 2026, Regular School Board Meeting. Invoices for these services are issued in arrears, with the payment for March services invoiced and processed in early April.

Pursuant to Purchasing Policy 3800, which authorizes multi-year agreements for this type of service, a three-year license is submitted for School Board approval. While staff originally planned to present the renewal in December 2025, the item was delayed due to a staff transition in late October, a clerical payment issue identified in December, and subsequent delays related to vendor responsiveness. This agreement is now presented to ensure continued authorized access and compliance with District purchasing requirements. If approved, the new CoStar License Agreement will be effective from April 7, 2026, through April 6, 2029, enabling the Facilities Planning & Real Estate Department to continue utilizing one of the nation's most comprehensive commercial real estate data platforms to support District real estate analysis and decision-making.

During any renewal term, CoStar may increase the License Fees, or charge other fees for any portion of the Licensed Product or service provided by CoStar; provided, however, that if the License Fee is increased by a percentage greater than the percentage increase in the CPI and Licensee does not agree to such increase or charge, then Licensee may give CoStar written notice of termination within 60 days after CoStar's notice of such increase or charge, in which case (i) Licensee shall continue to pay the License Fees in place before the proposed increase or charge until the last day of the calendar month in which Licensee's notice of termination is delivered, and (ii) this Agreement shall terminate with respect to such portion of the Licensed Product on such date.

d. CoStar may send invoices for such fees by email, postal mail, or both. All fees shall be billed in advance in accordance with the billing cycle identified herein and are due net 30 days. In all cases, all fees payable under this Agreement shall be paid in full

without any right of set-off or deduction. CoStar may accept any payment without prejudice to its rights to recover the balance due or to pursue any other right or remedy. No endorsement or statement on any check, payment, or elsewhere will be construed as an accord or satisfaction. The License Fees do not include value added, sales, use, excise or any other taxes or fees now or hereafter imposed by any governmental authority with respect to the Licensed Product. CoStar shall not be bound to use any third-party payment vendor or accept credit card payments, and any fees by such vendors or costs incurred from such credit card payments may be added to the amounts payable hereunder. At CoStar's option, Licensee shall pay any such taxes or additional fees directly or pay them to CoStar immediately upon invoicing by CoStar.

e. Licensee must notify CoStar about any billing problems or discrepancies within 180 days after charges first appear on the account statement; if it is not brought to CoStar's attention within such period, Licensee agrees to waive the right to dispute such problems or discrepancies.

f. It is Licensee's responsibility to promptly provide CoStar with any contact or billing information changes or updates (including phone number, email address, credit card numbers, etc.). Billing updates should be emailed to billing@costar.com.

i. Licensee acknowledges and agrees that CoStar may record telephone and other electronic communications it has with Licensee or its Authorized Users for CoStar's internal business purposes, including but not limited to training and quality assurance purposes.

10. Licensee Information. This is a license agreement and not an

agreement for sale. Licensee shall have no right or interest in any portion of the Licensed Product except the right to use the Licensed Product as set forth herein. Licensee acknowledges that the Licensed Product constitutes the valuable property and confidential and copyrighted information of CoStar and its licensors and agrees to (a) comply with all copyright, trademark, trade secret, patent, contract and other laws necessary to protect all rights in such information, (b) not challenge CoStar's and its 'licensors' ownership (or the validity or enforceability of their rights in and to) such information, and (c) not remove, conceal, obliterate or circumvent any copyright or other rights management information, notice, license or anti-piracy technological measure included in the Licensed Product. Licensee shall be liable for any violation of the provisions of this Agreement by any Authorized User, and for any unauthorized use of the Licensed Product by Licensee's employees, contractors, affiliates and agents. Licensee may not use or reproduce any trademark, service mark or trade name of CoStar or its licensors without CoStar's written consent. Nothing in this Agreement will restrict CoStar from freely using for any purpose, without compensation, any Licensee idea, suggestion, enhancement or other feedback relating to the Licensed Product or new products, features or tools.

THE COSTAR PARTIES DO NOT MAKE, AND HEREBY EXPRESSLY EXCLUDE AND DISCLAIM, ANY AND ALL REPRESENTATIONS, WARRANTIES OR GUARANTEES OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION (a) MERCHANTABILITY, FITNESS FOR ORDINARY PURPOSES AND FITNESS FOR A PARTICULAR PURPOSE, WORKMANLIKE EFFORT, QUIET ENJOYMENT AND NO ENCUMBRANCES OR LIENS, (b) THE QUALITY, ACCURACY, TIMELINESS OR COMPLETENESS OF THE LICENSED PRODUCT, (c) THOSE ARISING THROUGH COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE, (d) THE LICENSED PRODUCT CONFORMING TO ANY FUNCTION, DEMONSTRATION OR PROMISE BY ANY OF THE COSTAR PARTIES, AND (e) THAT ACCESS TO OR USE OF THE LICENSED PRODUCT WILL BE UNINTERRUPTED, ERROR-FREE OR COMPLETELY SECURE. THE ANALYSIS AND COSTAR MARKET REPORTS CONTAINED IN THE LICENSED PRODUCT MAY INCLUDE, WITHOUT LIMITATION, STATEMENTS REGARDING COSTAR'S CURRENT OR FUTURE BELIEFS, EXPECTATIONS, INTENTIONS OR STRATEGIES REGARDING PARTICULAR REAL ESTATE MARKETS. THE ANALYSIS AND COSTAR MARKET REPORTS ARE SUBJECT TO MANY RISKS AND UNCERTAINTIES THAT COULD CAUSE ACTUAL RESULTS TO DIFFER MATERIALLY FROM THE ANALYSIS AND COSTAR MARKET REPORTS. LICENSEE UNDERSTANDS THAT THE ANALYSIS AND COSTAR MARKET REPORTS CONTAINED IN THE LICENSED PRODUCT ARE BELIEVED TO BE STATE OF THE ART AND, BY REASON OF THEIR LIMITED PERIOD OF USE, THEIR DEGREE OF

ACCURACY IN REPORTING REAL ESTATE MARKET INFORMATION AND MAKING FORECASTS IS NOT PROVEN. LICENSEE SHALL NOT HOLD ANY OF THE COSTAR PARTIES OR THEIR LICENSORS RESPONSIBLE FOR ANY ERRORS IN REPORTING, EVALUATING, ANALYZING, SIMULATING OR FORECASTING REAL ESTATE MARKET INFORMATION, OR FOR ANY INFORMATION, ANALYSES OR COSTAR MARKET REPORTS COMPRISING THE LICENSED PRODUCT.

13. Limitation on Liability. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE COSTAR PARTIES WILL NOT BE LIABLE FOR ANY LOSS, COST OR DAMAGE SUFFERED OR INCURRED BY LICENSEE OR ANY THIRD PARTY INCLUDING WITHOUT LIMITATION THOSE ARISING OUT OF OR RELATED TO ANY FAULTS, INTERRUPTIONS OR DELAYS IN THE LICENSED PRODUCT OR ANY INACCURACIES, ERRORS OR OMISSIONS IN THE INFORMATION CONTAINED IN THE LICENSED PRODUCT, REGARDLESS OF HOW SUCH FAULTS, INTERRUPTIONS, DELAYS, INACCURACIES, ERRORS OR OMISSIONS ARISE, OR FOR ANY UNAUTHORIZED USE OF THE LICENSED PRODUCT. COSTAR PARTIES' AGGREGATE, CUMULATIVE LIABILITY RELATING TO THIS AGREEMENT AND USE OF THE LICENSED PRODUCT SHALL BE LIMITED TO LICENSEE'S ACTUAL, RECOVERABLE DIRECT DAMAGES, IF ANY, WHICH IN NO EVENT SHALL EXCEED THE TOTAL AMOUNT OF LICENSE FEES ACTUALLY PAID TO COSTAR UNDER THIS AGREEMENT DURING THE TWELVE-MONTH PERIOD IMMEDIATELY PRECEDING THE DATE SUCH CLAIM AROSE. RECOVERY OF THIS AMOUNT SHALL BE LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR ANY APPLICABLE DAMAGES. UNDER NO CIRCUMSTANCES WILL ANY OF THE COSTAR PARTIES BE LIABLE FOR LOST PROFITS HOWSOEVER ARISING OR FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY SUCH DAMAGES ARISING OUT OF, BASED ON, RESULTING FROM OR IN CONNECTION WITH THIS AGREEMENT OR ANY USE OF THE LICENSED PRODUCT, EVEN IF COSTAR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE EXCLUSION OF DAMAGES IN THIS PARAGRAPH IS INDEPENDENT OF LICENSEE'S EXCLUSIVE REMEDY DESCRIBED ABOVE AND SURVIVES IN THE EVENT SUCH REMEDY FAILS. NO ACTION ARISING OUT OF OR PERTAINING TO THIS AGREEMENT MAY BE BROUGHT BY LICENSEE MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ARISEN. THE PROVISIONS OF THIS SECTION APPLY WITHOUT REGARD TO THE CAUSE OR FORM OF ACTION, WHETHER THE DAMAGES ARE GROUNDED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR ANY OTHER CAUSE OF ACTION.

14. Indemnification. Licensee agrees to defend, indemnify and hold harmless the CoStar Parties from and against any third-party action, suit, claim or demand and any associated losses, expenses, damages, costs and other liabilities (including reasonable attorneys' fees), arising out of or relating

to Licensee's (and Licensee's users') use or misuse of the Licensed Product, information provided to CoStar through the Licensed Product, or violation of this Agreement. CoStar shall give Licensee prompt written notice of such claim, demand or action (provided, however, that CoStar's failure to provide such notice shall not relieve Licensee of its indemnification obligations except to the extent Licensee is prejudiced thereby). Licensee shall cooperate as fully as reasonably required in the defense of any such claim or demand. If the foregoing indemnity is unavailable to any of the CoStar Parties with respect to any claim, demand or action under any laws, rules or regulations for any reason, CoStar shall be entitled to seek in a court of competent jurisdiction Licensee's contribution to such claim, demand or action under any legal or equitable theories available to it. This Section shall survive the expiration or termination of this Agreement.

Licensee may not assign or transfer (by operation of law or otherwise) this Agreement nor the license granted hereunder, in whole or in part, without the prior written consent of CoStar; provided, however, that Licensee may, with written notice to CoStar, assign its rights and obligations under this Agreement to any successor to all or substantially all of the business or assets of Licensee (by merger or otherwise) so long as (a) such assignment shall not result in the elimination of any then-existing CoStar revenue stream from Licensee or such third party and (b) such assignee does not directly or indirectly compete with CoStar or any of its affiliates.

16. Notices; Invoices. All notices given hereunder must be in writing and delivered by email, personally mailed by registered or certified mail (return receipt requested, where available), or delivered by a well-recognized overnight courier company to the addresses specified in the License Agreement, or as otherwise specified in writing by the receiving party. Licensee agrees that CoStar may include notices on invoices sent to Licensee by mail or email.

Licensee irrevocably consents to the jurisdiction and venue of the federal and state courts located in the Virginia, or in any State where Licensee's Authorized Users are located, for any action brought against Licensee in connection with this Agreement or use of the Licensed Product.

Licensee will comply with all laws related to emails Licensee and/or its employees, contractors and Authorized Users send using the Licensed Product.

i. If any provision of this Agreement not being of a fundamental nature is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remainder of this Agreement will not be affected. If a provision is held to be invalid, illegal or otherwise unenforceable, it shall be deemed to be replaced with an enforceable provision that retains the intent and benefits of the original provision.

j. Licensee acknowledges that in the event of a breach of any of these terms by Licensee, CoStar may suffer irreparable harm and shall be entitled to seek injunctive relief (without the necessity of posting a bond) as well as all other monetary remedies available at law or in equity.

k. Headings are for reference only.

l. Any provision of this Agreement that by its nature should survive expiration or termination of this Agreement shall survive expiration or termination of this Agreement, including without limitation Sections 4, 6(d), 7, 8, and 11 through 20 hereof.

m. The English language version of this Agreement shall be binding. Any translated version is for convenience only, and shall not control the meaning or application of this Agreement.

Nothing in this

Agreement shall limit the right of CoStar to take proceedings against Licensee in any other court of competent jurisdiction, nor shall the taking of proceedings by CoStar in any one or more jurisdictions preclude the taking of proceedings by CoStar in any other jurisdictions, whether concurrently or not, to the extent permitted by the law of such other jurisdiction.

iii. NOTHING IN THIS AGREEMENT SHALL EXCLUDE OR LIMIT A PERSON'S LIABILITY FOR DEATH OR PERSONAL INJURY CAUSED BY ITS NEGLIGENCE, FOR FRAUD, OR FOR ANY LIABILITY THAT CANNOT BE LIMITED OR EXCLUDED BY LAW.

b. **China**. For licensees located in China only, the following provisions shall apply, and in the event of a conflict, shall supersede any conflicting provision in these CoStar License Agreement Terms and Conditions:

ADDENDUM TO
AGREEMENT BETWEEN COSTAR AND SBBC

Pursuant to Paragraph 19.c of the ***CoStar License Agreement Terms and Conditions*** of the CoStar License Agreement between CoStar Realty Information, Inc. and/or STR, LLC, a wholly-owned subsidiary of CoStar Realty Information, Inc. (collectively, **"CoStar"**) and The School Board of Broward County, Florida (hereinafter **"Licensee"** or **"SBBC"**) (the **"Agreement"**), the following shall amend or add to the respective provisions in the Agreement as follows:

A. Paragraph 6 *Termination* of *CoStar License Agreement Terms and Conditions* is amended by ADDING new Paragraph 6.e as follows:

This Agreement may be canceled with or without cause by Licensee during the term hereof upon thirty (30) calendar days written notice to CoStar of its desire to terminate this Agreement and thereafter, Licensee shall be entitled to a pro rata refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination.

B. Paragraph 14 *Indemnification* of the *CoStar License Agreement Terms and Conditions* is DELETED and REPLACED in its entirety with the following:

14. **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its negligent or wrongful acts or omissions, or its employees' negligent or wrongful acts or omissions when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said conduct.

(b) By CoStar. CoStar agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to (i) the negligence of CoStar or the negligence of CoStar's agents when acting within the scope of their employment, resulting in damage to SBBC's property, or injury or death of any person employed by CoStar or SBBC ("Injury Claim"), or (ii) the Licensed Product infringing a patent, copyright, trademark, trade secret or other intellectual property right of any third party (an "IP Claim") and shall pay any judgments or settlements based thereon; provided, that Licensee shall give CoStar prompt written notice of the Injury Claim or IP Claim, sole control of the proceedings or settlement, and reasonable cooperation, information and assistance in the defense or settlement negotiations. This indemnification is limited to those

portions of the Licensed Product provided by CoStar and delivered to Licensee, and does not cover third-party claims relating to that portion of the Licensed Product provided to CoStar by Licensee, or arising from modifications to the Licensed Product by Licensee or to any use of the Licensed Product outside the scope of this Agreement. In the event of an IP Claim, notwithstanding the foregoing, and regardless of the outcome of such IP Claim, CoStar may either (1) secure the Licensee's right to continue to use the Licensed Product; (2) replace or modify the Licensed Product to make it non-infringing without substantially compromising its utility or function; or (3) if neither (1) nor (2) are reasonably practicable, terminate the license to the Licensed Product granted under this License Agreement and refund to Licensee an amount equal to the license fees paid by Licensee for the infringing Licensed Product for any periods after the date of termination. THIS SECTION STATES THE SOLE REMEDY OF THE LICENSEE AND THE SOLE LIABILITY OF COSTAR FOR ANY INJURY CLAIM OR IP CLAIM RELATING TO INTELLECTUAL PROPERTY RIGHTS INFRINGEMENT OF THE LICENSED PRODUCT.

C. The *CoStar License Agreement Terms and Conditions* is hereby amended by the ADDITION of the following new paragraphs:

21. No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

22. No Third-Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

23. Independent Contractor. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to Licensee retirement, leave benefits or any other benefits of Licensee employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. Licensee shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

24. Excess Funds. Any party receiving funds paid by TENANT under this Agreement agrees to promptly notify SBBC of any funds erroneously received from TENANT upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

25. Compliance with Laws. Each party shall comply with all applicable federal and state laws, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

26. Place of Performance. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

27. Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida.

28. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

29. Incorporation by Reference. Exhibits attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

30. Captions. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way effect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

31. Severability. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

32. Preparation of Agreement. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

33. Amendments. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written

document prepared with the same or similar formality as this Agreement and executed by each party hereto.

34. Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

35. Survival. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

36. Contract Administration: SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

37. Authority. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

38. Order of Precedence Among Agreement Documents. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

    a. this Addendum to the Agreement; and

    b. the Agreement.

39. Other Provisions Remain in Force. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

40. Background Screening. CoStar shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467 and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. This background screening will be conducted by Licensee in advance of CoStar or its personnel providing any services under the conditions described in the previous sentence. CoStar shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to CoStar and its personnel. The parties agree that the failure of CoStar to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling Licensee to terminate immediately with no further responsibilities or duties to perform under this Agreement. CoStar agrees to

indemnify and hold harmless Licensee, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from CoStar's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467 and 1012.468, Florida Statutes.

41. Affidavit Regarding the Use of Coercion for Labor and Services. Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending a contract with SBBC must provide an affidavit signed by an officer or representative of the non-governmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. A copy of the State of Florida Affidavit Regarding the Use of Coercion for Labor and Services is attached hereto as **Exhibit "A."** The submission of a false affidavit may subject a nongovernmental entity to civil penalties, attorney's fees, and/or costs. EXECUTIVE SUMMARY

AGR26-093 – Digital Learning Program

Board Meeting Date: April 7, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Cengage Learning, Inc. (Cengage), with spending authority of $150,000 for a three-year term.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC students will have access to a high-quality digital curriculum that supports learning across multiple Career Technical Education (CTE) programs. The Cengage platform provides interactive lessons, digital textbooks, simulations, and assessments that help students build technical skills, strengthen academic understanding, and prepare for industry certifications. Teachers will be able to integrate updated digital content into instruction, ensuring students receive engaging, career-aligned coursework that supports college and career readiness.
If the School Board votes "No"	• Schools will not be able to purchase digital curriculum for Cengage-supported CTE courses. Students will not have access to digital textbooks, course content, and certification-aligned instructional materials, negatively affecting instruction.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 4: College & Career Readiness • Guardrail 2: Equity
Measurable Outcome(s)/Return on Investment	• The return on investment for this Agreement is measured through cost efficiency, instructional value, and support of workforce-aligned outcomes. At a cost of $25 per student seat, the District provides digital textbook access and instructional resources across multiple CTE programs, resulting in a significantly lower per-student cost than traditional printed textbooks or single-program approximately 2,000 student course enrollments per year,

	the Agreement supports District-wide access to career-aligned digital curriculum while allowing schools to purchase only the licenses required for enrollment, reducing unused inventory and minimizing waste. Built-in assessments, analytics, and regularly updated content reduce the need for supplemental instructional materials, supporting cost avoidance at the school level. • In addition to instructional efficiencies, the Cengage MindTap curriculum supports instruction leading to industry certification attainment across multiple Career and Technical Education program areas, including Health Science, Health, Veterinary Science, Agriscience, Automotive, and Criminal Justice. During the previous school year, students earned over 1,000 industry certifications in subject areas supported by the Cengage curriculum. These certifications generated approximately $500,000 in CAPE funding, demonstrating a measurable financial return on investment while strengthening workforce readiness outcomes for students.

If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.17 **Proprietary Information**.

2.17.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.17.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting

party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.18 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.18.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.18.2 By VENDOR. VENDOR agrees to indemnify, hold harmless and defend SBBC, its agents (excluding insurance carriers), servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, brought by a third party, that SBBC may sustain or incur (i) to the extent arising from bodily injury, death, or damage to real or personal property caused by VENDOR's negligence or intentional misconduct; or (ii) alleging that the material as delivered infringe a valid United States copyright, patent, trademark, or other propriety right of a third party (an "IP Infringement Claim") and (each, a "Claim"). Notwithstanding the foregoing, VENDOR shall have no obligation to indemnify SBBC to the extent an IP Infringement Claim arises from (i) SBBC's use of the materials in combination with technology or services not provided by VENDOR, if the alleged infringement would not exist without such combination; (ii) any SBBC content or data input into the materials; or (iii) use of the materials by SBBC after notice by VENDOR to discontinue use. If SBBC

is enjoined or otherwise prohibited from using any of the materials or a portion thereof based on an IP Infringement Claim, then VENDOR will, at VENDOR's sole cost and expense and option, either (iv) obtain for SBBC the right to use the allegedly infringing portion of the materials, (v) modify the allegedly infringing portion of the materials so as to render it non-infringing without substantially diminishing or impairing its functionality, or (vi) replace the allegedly infringing portions of the materials with non-infringing items of substantially similar functionality. If VENDOR determines that the foregoing remedies are not commercially reasonable or possible, then VENDOR will terminate this Agreement and issue to SBBC a prorated refund of any prepaid amounts for the applicable materials covering the terminated portion of the Term. This paragraph sets forth VENDOR's sole liability to, and SBBC's exclusive remedy for, any Claim.

This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not

responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the

preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

EXECUTIVE SUMMARY

AGR26-116 - Good Image Inc.

Board Meeting Date: April 7, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Good Image Inc., and the spending authority of $49,999.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Required for federal compliance in accordance with the Every Student Succeeds Act (ESSA).
If the School Board votes "Yes"	• By approving this Agreement, the Federal Programs department will have a web-based method to ensure federal compliance for the Title I, Part A program for public, charter, private schools, and vendors.
If the School Board votes "No"	• By not approving this Agreement, the Federal Programs department will not have a web-based method to ensure compliance for the Title I, Part A program for public, charter, private schools, and vendors.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency • Guardrail 2: Equity • Guardrail 3: School Support • Guardrail4: Accountability
Measurable Outcome(s)/Return on Investment	• The investment in compliance monitoring systems has resulted in consistent improvements in Title I program compliance across schools. In June 2022, 195 Title I schools achieved 92% compliance, followed by 191 schools reaching 97% compliance in June 2023 and 199 schools reaching 98% compliance in June 2024. By June 2025, 222 Title I schools reached 100% compliance, and in June 2026, 168 Title I schools are projected to achieve 100% compliance, demonstrating continued progress in program oversight and accountability.

Background/History
For the past 8 years, the Federal Programs Department has utilized the Good Image Inc. software platform to support schools in maintaining compliance with federal program requirements. The transition from a manual, paper-based system to a centralized paperless platform has significantly streamlined the process of collecting, organizing, and monitoring required documentation across all Title I schools. This system allows schools and District staff to efficiently upload, review, and track compliance documents in real time, ensuring greater accuracy, transparency, and consistency in program oversight. In addition to improving the efficiency of data management, the software has increased overall productivity by reducing administrative workload and minimizing delays associated with manual processing. As a result, the department has been able to reallocate valuable staff time and resources toward providing enhanced program support to schools, strengthening monitoring practices, and ensuring continued adherence to federal guidelines.

for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.18.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within

said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a

waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

3.23 **Federal Contract Provisions for Purchases Funded with Federal Awards**. This contract and its related purchase order(s) may be wholly or in part funded with federal awards. As a subrecipient of federal funds, SBBC is required to comply with applicable provisions in 2 CFR § 200.327 and Appendix II to 2 CFR Part 200. Accordingly, the VENDOR agrees to the conditions as stated in **Exhibit B** of this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

AGR26-125 - Advanced Placement Exams (College Board Inc.)

Board Meeting Date: April 7, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and College Board, Inc. (College Board), and the spending authority of $4,918,500.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	Not applicable
Statutory Requirement	Section 1007.27(5), Florida Statutes and Florida Education Finance Program (Section 1011.62(1), paragraphs (a) and (n), Florida Statutes)
If the School Board votes "Yes"	SBBC will be in compliance with Florida Statute 1007.27(5). SBBC high school students enrolled in Broward County Public Schools will experience college-level coursework, earn college credits before acceptance to college, boost high school grade point average (GPA) and can earn awards and scholarships, thus SBBC will have a method to pay the invoice for Advanced Placement (AP) exams for the 2025-2026 and 2026-2027 School Years (SY).
If the School Board votes "No"	The District would not comply with Florida Statute 1007.27(5), which states: "Students of Florida public secondary schools enrolled pursuant to this subsection shall be exempt from the payment of any fees for administration of the examination regardless of whether or not the student achieves a passing score on the examination." SBBC high school students will not take advanced placement exams and not receive college credit in high school. Not taking Advanced Placement (AP) exams can limit a student's ability to earn college credit, which may lead to higher college costs or the need to repeat introductory courses. It can also reduce opportunities to demonstrate college-level mastery in a subject, which some colleges consider as part of a competitive admissions review.

Alignment to 2027 Goals and Guardrails	Goal 4: College & Career Readiness
Measurable Outcome(s)/Return on Investment	In the 2024-2025 school year, a total of fourteen thousand eight hundred sixteen (14,816) students completed twenty-eight thousand nine hundred forty-two (28,942) AP exams, averaging two (2) exams per student. The AP exam pass rate for SBBC students during this period was seventy-one-point three percent (71.3%), representing a five-point-six (5.6) percentage point increase compared to the 2023-2024 school year. Achievement on AP exams provides significant college credit savings for SSBC students. Each AP examination with a score of three (3) or higher has the potential to generate college-level credit, resulting in a $200.08 per-credit savings at Florida in-state universities. A preliminary analysis indicates that AP exam takers would receive approximately $16,184,471 in college-level credit savings. Therefore, an investment of $2 million dollars yields more than $16 million dollars in cost savings toward students' college course credits.

Background/History
This Agreement continues to provide a District funding arrangement (centralized billing) for AP Exams to support the District students. The AP program provides an opportunity for District high school students to experience college-level coursework and demonstrate mastery of content on national, subject-specific examinations.

Multi-Year Agreement:	Yes

WHEREAS, College Board shall make available, and Client may order the College Board exams, products, and services related to College Board's College Readiness and Success System as outlined in this Agreement.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants and undertakings contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree to the following:

ADVANCED PLACEMENT SCHEDULE FOR DISTRICT FUNDING

I. SCOPE OF WORK

A. AP Exam Administration.

The Advanced Placement® Exams will be furnished to students by College Board in May of 2026 ("2026 AP® Exam") and May of 2027 ("2027 AP® Exam"). In connection with College Board's administration of the 2026 AP Exams and 2027 AP Exams: i) College Board and The School Board of Broward County, Florida (hereinafter "SBBC") will implement this SBBC funding arrangement for SBBC to pay College Board for AP Exams on behalf of its students and; ii) College Board will provide an online participation form ("AP Participation Form") for e-signature to each of SBBC's district schools, which authorizes each school to order and administer AP Exams.

B. SBBC Funding for AP Exams.

College Board's standard fee for each 2026 AP Exam and each 2027 AP Exam is $99.00 (ninety-nine dollars). The exam fee includes an additional $9.00 (nine dollars) rebate per exam that schools can retain to offset exam administration costs. College Board provides a $37.00 (thirty-seven dollars) fee reduction per exam for eligible students with financial need ("College Board AP Exam fee reduction").

SBBC will pay for AP Exams for two (2) categories of students in its schools, excluding charter schools:

1. For each 2026 AP Exam and each 2027 AP Exam taken by students who attend SBBC's district schools and do not qualify for the College Board AP Exam fee reduction, the following will occur:

   a) SBBC will pay $90.00 (ninety dollars) per exam on behalf of its students to College Board; and

   b) The student's $9.00 (nine dollars) fee per exam paid to the school may be retained by the school unless the applicable school will forego its $9.00 (nine dollars) rebate per exam.

2. For each 2026 AP Exam and each 2027 AP Exam taken by students who attend SBBC's district schools, and who qualify for the College Board AP Exam fee reduction, as indicated by the applicable school's AP coordinator, the following will occur:

   a) College Board will provide a $37.00 (thirty-seven dollars) fee reduction per exam; and

   b) The applicable school will forego its $9.00 (nine dollars) rebate per exam; and

   c) SBBC will pay $53.00 (fifty-three dollars) per exam on behalf of its students to College Board.

SBBC is required to designate a duly authorized official to set up this SBBC funding arrangement in AP Registration and Ordering each year. If the SBBC official sets up the SBBC funding in AP Registration and Ordering, College Board will then bill the SBBC centrally based on the number of AP Exams administered in each category as indicated. If the SBBC official does not set up the SBBC funding arrangement in AP Registration and Ordering, each of District's individual schools will be invoiced and will be required to pay College Board instead.

C. Additional Fees.

SBBC will not pay any additional fees beyond the exam fees outlined in Section B. College Board will bill each district school in the SBBC for the following additional fees, if incurred:

Docusign Envelope ID: B74F8D67-1DDF-47AA-8F95-7C8545B5A465

1. Late Order Fee. An additional fee of $40(forty dollars) per exam (in addition to the base exam fee) will be applied to each 2026 AP Exam ordered between November 14, 2025, and March 13, 2026, 11:59 pm ET. An additional fee of $40 (forty dollars) per exam (in addition to the base exam fee) will be applied to each 2027 AP Exam ordered between November 13, 2026, and March 15, 2027, 11:59 pm ET. This fee will not apply to exams for courses that start after the November final ordering deadline nor for exams for students who transfer to the SBBC.

2. Unused/canceled exam fee. The unused/cancelled exam fee is $40 (forty dollars) per exam for:

   a) 2026 AP Exams canceled in the AP Registration and Ordering system after November 14, 2025, and by March 13, 2026.

   b) 2027 AP Exams canceled in the AP Registration and Ordering system after November 13, 2026, and by March 15, 2027.

   c) Exams that are not taken and are indicated as unused in AP Registration and Ordering before the school's invoice is generated. (Invoices are generated after late testing ends.)

   d) The original exam fee is removed from the invoice.

3. Late-testing fee. The late-testing fee is $40 (forty dollars) per exam (in addition to base exam fee) as applicable for alternate exams for late testing.

4. Late Exam Return. The late exam fee is twice the exam fee for each exam in shipments received after June 1st each year.

5. Free-Response Booklets.

   a) Schools can order their students' free-response booklets for a fee that is based on the number of booklets provided:

i.	$60.00 (sixty dollars):	1-20 booklets
ii.	$120.00 (one hundred twenty dollars):	21-50 booklets
iii.	$180.00 (one hundred eighty dollars):	51-100 booklets
iv.	$300.00 (three hundred dollars):	More than 100 booklets

D. Invoicing.
College Board will submit an invoice to SBBC by June 30, 2026, for the 2026 AP Exams taken by SBBC students. College Board will submit an invoice to SBBC by June 30, 2027, for the 2027 AP Exams taken by SBBC students. SBBC shall remit payment to the address on each invoice of the amount indicated within thirty (30) calendar days upon receipt of such invoice.

E. Ownership of Intellectual Property. SBBC acknowledges and agrees that the AP Exam, and all items (questions) contained therein, including all copies thereof, all examination materials, and all data included but not limited to all individually identifiable information collected under this Agreement is at all times exclusively owned by College Board, who is the exclusive owner of all rights therein, in and to the AP Exam, including, without limitation, all copyrights, trademarks, trade secrets, patents, and other similar proprietary rights, and all renewals and extensions thereof. Nothing in this Agreement should be interpreted to indicate that College Board is passing its proprietary rights in and to the AP Exam to the SBBC except for the license that has been granted.

EXECUTIVE SUMMARY

AGR26-130 – Digitization of Documents

Board Meeting Date: April 7, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Instructure, Inc., and authorize spending authority in the amount of $49,963.20 for the digitization of deteriorating student record microfilm.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• In accordance with SBBC Policy 5100.1 (Student Records: Confidentiality and Family Educational Rights) and SBBC Policy 5100.0 (Student Records: Transfer, Retention, and Disposal), the District must maintain, safeguard, and dispose of student records in compliance with the Family Educational Rights and Privacy Act (FERPA), Florida Statutes §§1002.22 and 1002.221, and Rule 6A-1.0955, Florida Administrative Code.
Statutory Requirement	• The digitization of legacy microfilm supports SBBC's records retention policies and advances the District's custodial and privacy responsibilities under applicable state and federal laws governing student records, including FERPA, Florida Administrative Code Rule 1B-24.003, General Records Schedule GS7, and Chapter 119, Florida Statutes.
If the School Board votes "Yes"	• SBBC will digitize approximately 748 of the most deteriorated microfilm rolls, representing Phase 1 of a multi-phase effort to preserve approximately three thousand (3,000) historical student record microfilm rolls maintained by the Records Retention Department. • Digitized records will be indexed and securely uploaded into the Records Retention Department's historical student records database (FileBound) to support efficient retrieval for transcript, legal, and public records requests. • This effort will improve response times, reduce the risk of permanent record loss, and eliminate continued reliance on deteriorating microfilm.

If the School Board votes "No"	• SBBC would continue relying on deteriorating microfilm currently in critical physical condition. • This increases the risk of permanent record loss, delayed responses to student, alumni, and legal records requests, and potential non-compliance with state public records and records retention requirements. • The District may need to pursue interim preservation measures or return with a revised proposal to address the risk of deterioration and record loss.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 1: Safety • Guardrail 4: Accountability
Measurable Outcome(s)/Return on Investment	• Digitization Completion. Completion and District acceptance of approximately 748 microfilm rolls currently in critical physical condition, delivered in indexed digital format as part of Phase 1 of the District's microfilm records digitization initiative. • Record Preservation Verification. Confirmation that the most severely deteriorated microfilm records identified for this phase are preserved in digital format and no longer require physical handling for retrieval. • Operational Process Improvement. Records Retention staff will be able to fulfill transcript, legal, and public records requests using digital records rather than deteriorating microfilm • Risk Mitigation and Compliance. Removal of reliance on deteriorating microfilm for identified records supports compliance with FERPA, Chapter 119, Florida Statutes, and District records management policies. • Operational Efficiency and Cost Avoidance. Reduced manual handling of fragile microfilm improves staff workflow efficiency and avoids potential costs related to emergency recovery, re-scanning, or permanent record loss.

Background/History
The District maintains student records on microfilm dating back decades, many of which are deteriorating due to age and environmental conditions. The Records Retention Department identified the need to digitize the most at-risk records to preserve them and improve accessibility while maintaining compliance with Florida records retention standards. The Records Retention Department currently maintains approximately 3,000 microfilm rolls, and this Agreement represents the first phase of a broader digitization effort. Under this Agreement, approximately 748 microfilm rolls will be digitized and converted into secure digital files.

These records primarily consist of student transcripts and cumulative folders dating approximately from 1934 through 1994. Student records created after this period are maintained in electronic systems of record, including the AS400 system (approximately 1995–2014) and the FOCUS Student Information System (2015–present).

Digitized records will be uploaded into the Records Retention Department's historical student records database (FileBound) and indexed to support efficient retrieval for transcript, legal, and public records requests. The remaining microfilm rolls will be prioritized for future phases as funding and operational priorities allow.

In accordance with purchasing requirements, the District obtained three written quotations and selected Instructure, Inc. to provide microfilm scanning and conversion services. The Agreement includes indexing, secure file delivery, and certified destruction of the original microfilm upon SBBC's written authorization.

B. **WHEREAS**, SBBC requires professional services to accomplish conversion of such Records from microfilm to a secure digital format ("Services"); and

C. **WHEREAS**, SBBC desires and VENDOR wishes to provide SBBC with the Services; and

D. **WHEREAS**, Florida Administrative Code Rule 6A-l.012(7), and SBBC Policy 3800, Part III (A), authorize purchases of commodities and services from $5,000 to $50,000 when SBBC has obtained a minimum of three written quotations for the purchase, unless the purchase is subject to an exemption or alternative under applicable law, rule, or School Board policy.

E. **WHEREAS**, SBBC has obtained the minimum three (3) written quotations for purchase of the Services and wishes to proceed with VENDOR.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

2.2.3 Assign a Project Manager to coordinate the project in compliance with this Agreement and serve as the main contact for SBBC.

2.2.4 Scan and convert approximately seven hundred forty-eight (748) microfilm rolls provided by SBBC. SBBC makes no guarantee about how many images, pages, or frames are on each roll because the rolls vary in type and length. The agreed price is based on a per-roll rate, not on the number of images. Differences in roll length, image count, or image quality are part of normal processing and will not change the price. If VENDOR finds a roll that is damaged, fused, or otherwise unusual and that cannot be processed using the standard digitization process, VENDOR must notify SBBC in writing within five (5) business days and describe the issue. VENDOR may not charge extra or perform additional work on that roll unless SBBC provides advanced written approval for VENDOR to do so.

2.2.5 Perform roll-based indexing for all digitized Records. Each microfilm roll will be converted and indexed as one unit, using the same roll numbers, names, and identifiers already listed in SBBC's microfilm log. 2.2.7 Within forty-eight (48) hours of receiving a records request from SBBC concerning any student(s) record(s) located on a microfilm role, whether such record(s) has been converted or is undergoing conversion to a secure digital format, VENDOR shall provide SBBC such record(s).

2.2.8 Reserved.

2.2.9 Provide SBBC with written shipping and packaging instructions before any Records are shipped. These instructions shall describe how SBBC must prepare, box, label, and document the microfilm rolls to ensure safe transport and accurate receipt by VENDOR.

2.2.10 After receiving the microfilm shipment from SBBC, VENDOR shall confirm receipt in writing within one (1) business day (email is acceptable) to technologybusinessops@browardschools.com, Attention: Records Retention

manager. The confirmation must include the shipment date received, the number of microfilm boxes or rolls received, and any signs of damage or discrepancies. VENDOR will maintain a copy of the shipping documents, including tracking numbers and the bill of lading, as part of the project record and provide a copy of the signed receipt to SBBC's Records Retention Department.

2.2.11 Once digitization of student records is complete, and after SBBC provides written authorization to proceed (email is acceptable), VENDOR shall securely destroy the deteriorated microfilm rolls provided by SBBC. Destruction must occur promptly and no later than thirty (30) business days after SBBC's authorization. VENDOR shall use a double-shredding process that meets all Florida record retention requirements. Upon written request, (email is acceptable), VENDOR shall provide SBBC with a written Certificate of Destruction ("Certificate") once this process is complete.

2.3 **VENDOR and SBBC Responsibilities**. For the term of this Agreement, the Parties shall:

2.4.2 Coordinate internal reviews, monitor progress against the Project timeline, and communicate any changes in scope, schedule, or requirements

2.4.3 Prepare and ship the designated microfilm rolls to VENDOR in accordance with the written shipping and packaging instructions provided by VENDOR, ensuring that all shipments are properly documented, and that shipment records are retained for chain-of-custody purposes.

2.22.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.22.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.23 **Liability**. This Section and its subparts survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.23.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.23.2 By VENDOR. VENDOR agrees to indemnify and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs and all other sums which SBBC, its agents, servants and employees may pay or become obligated to pay on account of any and all third-party claims or demands, or assertions of liability, or any third-party claim or action founded thereon, arising or alleged to have arisen out of any third-party claim alleging that the VENDOR Services misappropriate or infringe upon third-party intellectual property rights, VENDOR's violation of its obligation to comply with all applicable regulations under FERPA, VENDOR's gross negligence in handling the education records, or any claims arising or alleged to have arisen out of the products, goods, or services furnished by VENDOR, its agents, servants, or employees. If any portion of the VENDOR Services becomes, or in VENDOR's opinion is likely to become, the subject of a claim of infringement, VENDOR may, at VENDOR's option and expense and after notice to SBBC: (i) procure for SBBC the right to continue using the VENDOR Services at VENDOR's expense; (ii) replace the VENDOR Services with non-infringing

services which do not materially reduce the functionality of the VENDOR Services; (iii) modify the VENDOR Services so that it becomes non-infringing; or (iv) terminate the VENDOR Services in accordance with Section 3.5, and upon such termination, SBBC will immediately cease all use of the VENDOR Services. Notwithstanding the foregoing, VENDOR will have no obligation under this Section 2.23.2 or otherwise with respect to any claim based upon (1) any use of the Services not in accordance with this Agreement; (2) VENDOR's conformance to SBBC's specifications; (3) any unauthorized use of the Services in combination with other products, equipment, services or content not supplied by VENDOR; or (4) any unauthorized modification of the Services by any person other than VENDOR or its authorized agents; or (5) the student records as provided from SBBC to VENDOR. THIS SECTION STATES SBBC's SOLE AND EXCLUSIVE REMEDY FOR INFRINGEMENT CLAIMS AND ACTIONS. VENDOR's obligations as set forth above are expressly conditioned upon each of the following: (A) SBBC promptly notifying VENDOR in writing of any threatened or actual claim or suit; and (B) SBBC cooperating with VENDOR to facilitate the settlement or defense of any claim or suit.

2.23.3 LIMITATION OF LIABILITY. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES , REGARDLESS OF THE NATURE OF THE CLAIM, INCLUDING LOST PROFITS, COSTS OF DELAY, ANY FAILURE OF DELIVERY, BUSINESS INTERRUPTION, COSTS OF LOST OR DAMAGED DATA OR DOCUMENTATION OR LIABILITIES TO THIRD PARTIES ARISING FROM ANY SOURCE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION UPON DAMAGES AND CLAIMS IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE. TO THE MAXIMUM EXTENT PERMITTED BY LAW AND EXCEPT FOR VENDOR'S INTELLECTUAL PROPERTY INDEMNIFICATION OBLIGATIONS, THE CUMULATIVE LIABILITY OF VENDOR TO SBBC FOR ALL CLAIMS ARISING FROM OR RELATING TO THIS AGREEMENT, WILL BE LIMITED TO DIRECT DAMAGES AND WILL NOT EXCEED THREE (3) TIMES THE TOTAL AMOUNT OF ALL FEES PAID TO VENDOR UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRECEDING THE DATE ON WHICH THE APPLICABLE CLAIM AROSE.

2.24 **Insurance Requirements**. VENDOR shall comply with the following insurance requirements throughout the term of this Agreement:

2.24.1 General Liability. VENDOR shall have and maintain General Liability insurance with limits of $1,000,000.00 per claim for Bodily Injury/Property Damage; $1,000,000.00 General Aggregate; and limits of $1,000,000.00 for Products/Completed Operations Aggregate.

2.24.2 Technology E&O/Cyber Liability. VENDOR shall maintain Cyber Liability in an amount of One Million Dollars ($1,000,000) per claim.

2.24.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, VENDOR shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000.00/$100,000.00/$500,000.00 (each accident/disease-each employee/disease-policy limit).

2.24.4 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.24.5 Verification of Coverage. Proof of the required insurance must be furnished by VENDOR to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of SBBC's written request. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences. After the award, you will receive an email with a link to upload (drag and drop) your certificate of insurance.

2.24.6 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.24.6.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2.24.6.2 All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

2.24.6.3 Certificate Holder: The School Board of Broward County, Florida, 600 Southeast Third Avenue, 11th Floor, Fort Lauderdale, Florida 33301.

2.24.7 Cancellation of Insurance. VENDOR is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and will use best efforts to notify SBBC within two (2) business days if required insurance is cancelled.

2.25 **Equal Opportunity Provision**. The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the Parties' respective duties, responsibilities, and obligations under this Agreement.

2.26 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of the Services to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination, but in no event later than thirty (30) days. No penalty accrues to SBBC if this

provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section. No refunds shall be made for any prepaid fees.

2.27 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment (other than payments that are intended to be prepaid fees for the Services). Any such excess funds, other than with respect to prepaid fees, shall be refunded to SBBC, together with any applicable statutory interest.

2.28 **Incorporation by Reference**. **Exhibit A** attached hereto is incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the Parties intend to directly or substantially benefit a third-party by this Agreement. The Parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The Parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party nor its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The Parties agree that, if either Party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar-day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional

cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof.

3.5 **Termination**. This Agreement may be terminated by either Party with cause during the term hereof upon thirty (30) calendar days' written notice to the other Party of its desire to terminate this Agreement. In the event of such termination SBBC is entitled to a pro rata refund of any prepaid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contract-ing with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state, and local laws, in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The Parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement upon the date of the last signature below: THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, signing by and through its Chair or Vice Chair, authorized to execute same by School Board action at its Regular School Board Meeting, and by INSTRUCTURE, INC., signing by and through its authorized representative.

4. Implementation Methodology

Parchment customer consultants follow a proven methodology in delivering consulting services engagements that is based on Project Management Institute (PMI) standards. The outcome and value of this methodology is the same for all project types: Parchment and customer will have defined roles and responsibilities during the engagement, and both know what to expect when the project is complete. The methodology for achieving the scope of work considered in this document includes four (4) major stages, which are described below:

Stage	Stage Description & Major Tasks	Work Products & Deliverables
Kickoff	Parchment and customer teams will participate in a Kickoff Meeting to ensure that all project resources are aware of their roles and expectations during the engagement. Project scope, high level milestones and deliverables are reviewed. During this time, arrangements are made to receive all media. Customers will come to the kickoff meeting with a planned shipment date within 3 months of kickoff date.	• Kickoff Meeting • Shipping and Routing Guide • SFTP Set up Guide
Planning	During this stage the customer will create key pairs for everyone who needs access to SFTP during the records conversion project. Customers will send their Parchment project manager the public keys for everyone who needs to be added to the SFTP. Project manager will share SFTP site login. Customers will verify successful login. Microfilm: Customers will pack and ship their rolls of film using their preferred carrier using the Shipping Guide as a reference. **Purchasing boxes, packing, and shipping costs of the boxes are the sole responsibility of the customer.**	• Public Keys • SFTP username/login information • Pack and ship records
Processing	Once we receive the media, we will review and verify that what was sent to us matches the contracted scope. If it defers, your Sales Manager will reach out during that time to get an overage approved. During this stage all images from the rolls of film will be extracted. Each roll will be indexed based on the naming	• Extract Images • Create templates to index rolls • Index all rolls

	convention that has been determined. During this time customers may access files through the transcript request process using the Transcript Request Form. Files will be sent via SFTP only..	
QA	A QA report will be completed by the Parchment Project Manager. File names will be reviewed and any files that are flagged to the customer will be moved to a "Needs Review" folder. The report with the microdata will be sent to the customer. Customers will keep this record to review back to it as needed.	• Member QA report
Delivery	A copy of all indexed files will be delivered to the customer via SFTP. Customers will need to download and review files within 2-3 weeks of delivery date. All original files will be safely destroyed. Customers will sign and return the implementation signoff.	• Indexed copy of files delivered • Shred authorization form & destruction certificate (if destroying) • Implementation Signoff
Wrap-up & Hypercare	During this stage the project is officially transitioned from project implementation to Support and the customer's Account Executive. Customers will have access to the SFTP for 30 days. **After 30 days the keys are removed and the SFTP is deactivated. After 90 days all files within the SFTP are permanently deleted.**	• SFTP deactivated 30 days post project • SFTP files permanently deleted 90 days post project

VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party is responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.18.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its

sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this

Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's

facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

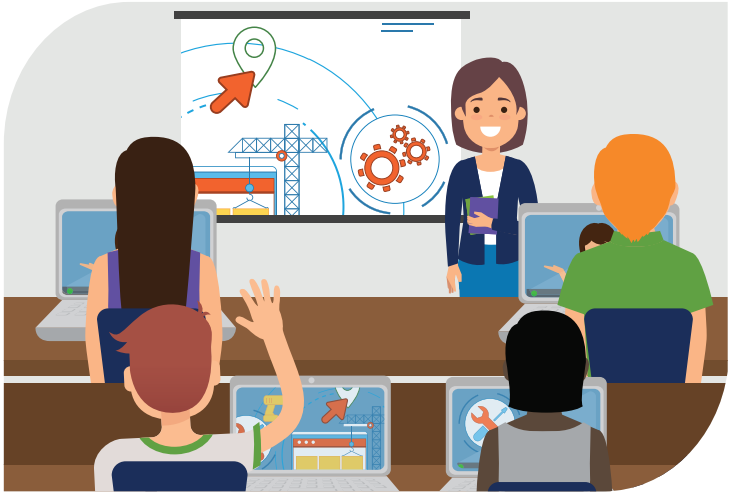
HOW TO USE SOLIDPROFESSOR IN TRADITIONAL & FLIPPED CLASSROOM MODELS



Explore multiple strategies for integrating online learning in both classroom environments, and see what our experts recommend for your CAD curriculum!

Traditional vs. Flipped Classrooms What's the Difference?

Traditional Classroom

A **traditional classroom** structure is what many students and teachers are familiar with. Across all subjects, it's the model most educators use in K-12 and higher education classrooms. The instructor stands up at the front of the classroom and lectures while students listen and take notes. Then, students go home and apply what they learned by completing exercises and projects independently or with a group.

In short, in a traditional classroom, students learn about concepts during class and apply what they learned outside of the classroom.

During Class Time

Students Learn New Concepts
During class, instructors give lectures, presentations, and facilitate discussions with their students.

Outside of Class

Students Apply the Concepts They Learned
Outside of class, students work on their assignments including workbooks, exercises, and group projects.

Flipped Classroom

A **flipped classroom** is a modern approach to teaching. It's especially popular with instructors who teach subjects where hands-on learning is key. Many STEM programs have adopted this model for that very reason. Flipped classrooms take the traditional model and, you guessed it, flip it.

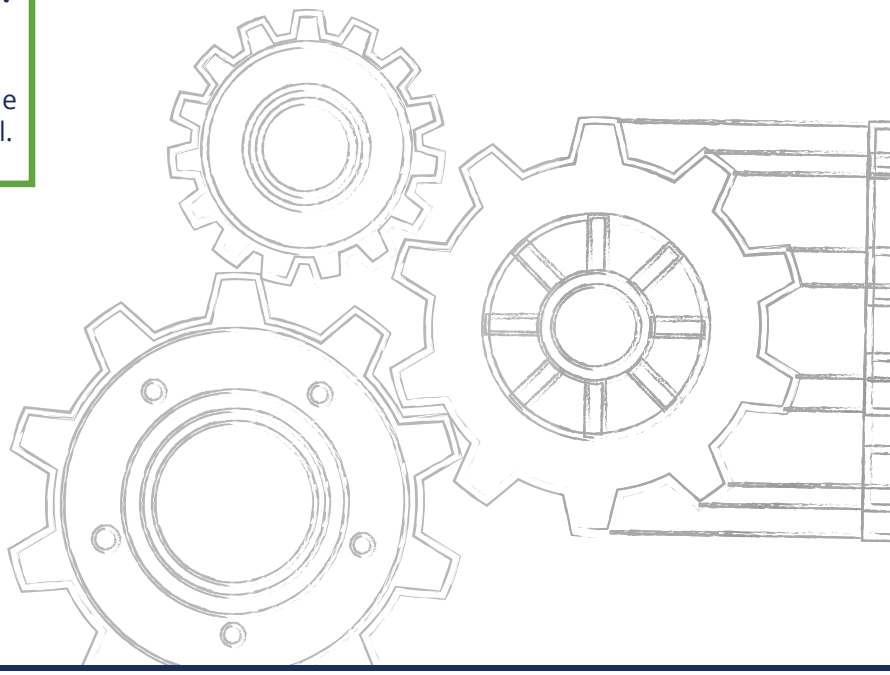
In short, in a flipped classroom, students learn about concepts outside of the classroom and apply what they learned during class.

Outside of Class

Students Learn New Concepts

Outside of class, students learn new concepts by watching videos and reading textbooks and timely articles. Instructors can also set up discussion boards for students to share ideas and provide feedback.

During Class Time



Students Apply the Concepts They Learned

During class, students work independently or with small groups and apply the concepts they learned at home to complete assignments, exercises, and projects. This frees up time for instructors to answer questions and help students problem-solve when they get stuck.

Can I use a traditional or flipped classroom while teaching online?

Yes! Whether your school teaches students in-person, online, or with a hybrid schedule, you can use either the traditional or flipped classroom model.

SolidProfessor Integrates into Both Traditional and Flipped Classrooms — Here's How

Why SolidProfessor?

SolidProfessor is the no. 1 learning platform for engineering, architecture, and manufacturing design programs. Our expert-led courses, exercises, and exams will help students learn the skills they need to be college and career-ready. Plus, our rigorous curriculum, certification prep, and easy-to-use instructor and reporting tools give teachers more time back in their day to support their students when and where they need it most.

How Teachers Use SolidProfessor in a Traditional Classroom

During Class Time

Switch up lectures with video lessons. With SolidProfessor, you can switch it up by replacing lectures with SolidProfessor's expert-led video lessons one or more times per week. This will free instructors up during class time to grade assignments and help students who have questions.

> *SolidProfessor is like a classroom assistant that frees me up to do other things.*

> **Aaron Kahlenberg**
> Architectural Drafting & Design Teacher
> John F. Kennedy High School, Los Angeles, CA

Because SolidProfessor is fully online, your students will need access to the internet during class. The good news — it works on any device from desktop computers to tablets.

Outside of Class

Assign SolidProfessor exercises as homework. Each SolidProfessor course comes with multiple exercises so students can apply what they learned in class. For ease, SolidProfessor exercises come with an answer key that's only accessible to instructors.

Assign SolidProfessor tests as homework. SolidProfessor includes a short exam at the end of most courses so students can test their knowledge. The tests are automatically graded and scores will be accessible in the reporting tool. Instructors can determine how many test attempts to allow.

Help guide students through assignments with SolidProfessor courses. Students can watch SolidProfessor's step-by-step video lessons at home when they get stuck on exercises or other assignments and projects.

> *What SolidProfessor has allowed us to do is teach much more efficiently. [..] SolidProfessor gives us the ability to let the students work at their own pace.*

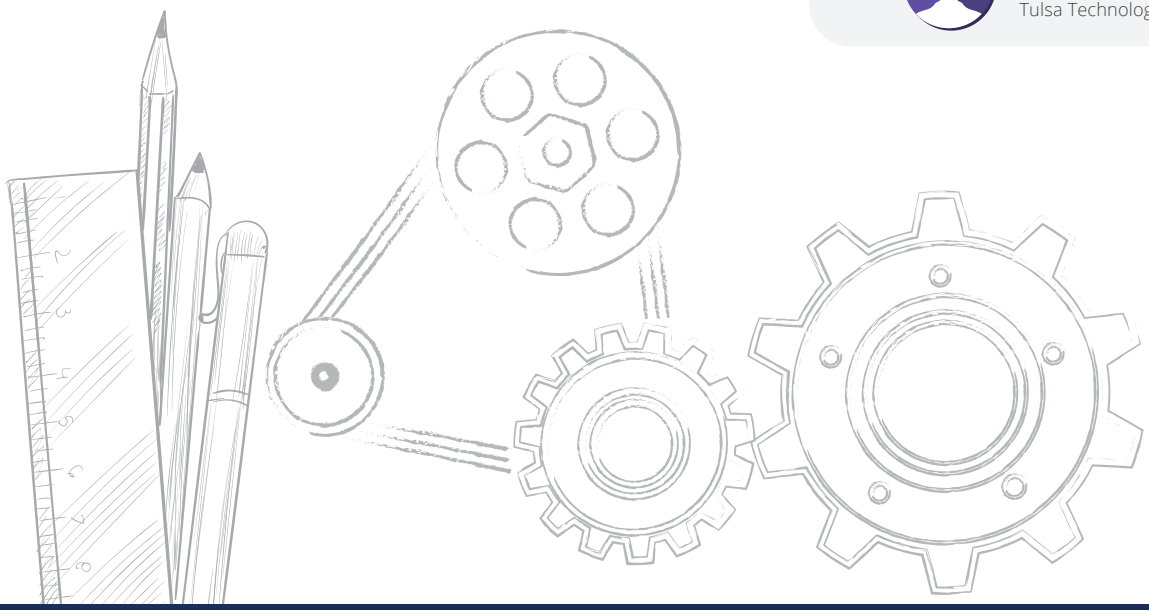
How to Use SolidProfessor in a Flipped Classroom

Outside of Class

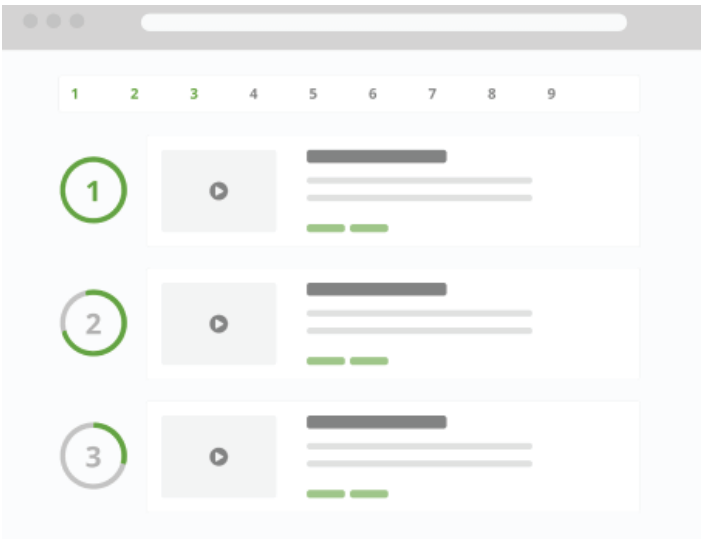
Assign students SolidProfessor courses as homework. Students can learn new concepts by watching expert-guided video lessons at home. Then, they can apply those new concepts during in-class projects.



> *"Seeing complex models conveyed visually is the way I, and the members of the team, prefer to learn. [SoildProfessor] is our go-to resource.*
>
> **Jakob Madgar**
> Engineering Student
> Ohio State University, Columbus, OH

During Class Time

Work on SolidProfessor exercises during class. In addition to projects assigned by their instructor, students can work on SolidProfessor exercises during class. This frees teachers up to problem-solve one-on-one with students and small groups. Students can also do this independently by revisiting SolidProfessor's video lessons during class. To help instructors cut down on grading time, SolidProfessor exercises come with an answer key that's only accessible to them.



> *"For me to focus on teaching them SOLIDWORKS individually was pretty tough, I needed some type of learning platform that they could work on at a personalized pace.*

SolidProfessor has more than 400 online courses covering 40+ CAD, CAM, and BIM topics. With so many courses to choose from in our library, it can be challenging to know where to start — and which courses to assign students first.

As a SolidProfessor member, instructors will be able to assign students as many or as few courses, exercises, and exams as they need. The curriculum is completely customizable! However, here are six sample curriculums recommended by our experts to get started.

> *"SolidProfessor makes your life that much easier. You can create a class, add students to that class, assign courses and exercises, and see where the students get stuck. If i can see where they're stick, I can identify what's going on, and give them the help they need.*

- The item says that if this item passes any school can purchase this software – explain how this works since the district is allocating money for it?
- Are there schools that would be eligible for this if the item passes that currently do not have access it? **TN 26-150 (SL)**

Response:

1. **What are we currently paying for this software?**
   The cost is $100,000 per year.

2. **What data is there to suggest that this software delivers results for students?**
   Industry certification attainment totaled over 1.5 million ROI in the following certification exams in AutoCAD, SolidWorks, Revit, Fusion360, and Inventor.

3. **The item says that if this item passes any school can purchase this software – explain how this works since the district is allocating money for it?**
   The district would purchase the software through the approved agreement, making it available for schools to access. While the district secures the contract and licensing, schools may choose whether to utilize the software based on their instructional needs. The district's allocation supports the purchase and availability of the platform, ensuring schools have access without needing to independently procure the software.

4. **Are there schools that would be eligible for this if the item passes that currently do not have access it?**
   All schools with engineering programs have access. Any school offering a new program will also have access.

AGR26-172 – Computer-Based Instruction & Assessment for Students

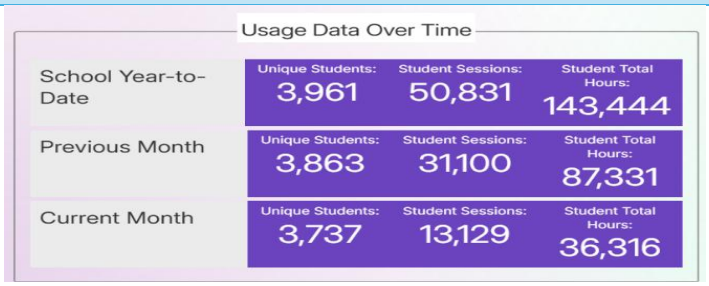
---



Board Meeting Date: April 7, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and Amira Learning, Inc., with spending authority in the amount of $100,000.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• Students in the Dual Language Program will continue using a proven, research-based literacy tool that enhances Spanish language proficiency and reading achievement. Teachers will retain access to real-time data and instructional resources for targeted interventions. The district will maintain consistent data collection and reporting for program evaluation and accountability. Instructional continuity will support student growth and progress toward the district's biliteracy goals.
If the School Board votes "No"	• If the Board votes not to renew Amira Learning, Dual Language students and teachers will lose access to the only adaptive, Spanish-language literacy platform aligned to Florida standards. Without this tool, the district will face significant gaps in progress monitoring and Spanish literacy data, affecting program evaluation and student outcomes. Teachers will have fewer resources to deliver differentiated, standards-based instruction and targeted interventions, limiting their ability to meet diverse student needs. Students from non–Spanish-speaking households will also lose a vital support system, as Amira Learning functions as a virtual support that helps them practice and strengthen their Spanish language skills when no one at home can assist them. This loss would widen equity gaps in learning opportunities. Additionally, transitioning to a new platform would require substantial time, funding, and training, disrupt instructional continuity, and hinder student progress.

Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency • Guardrail 2: Equity
Measurable Outcome(s)/Return on Investment	 • Usage data over the past three months demonstrates consistent and meaningful engagement with Amira Learning, confirming its value as a high-impact instructional tool in the Dual Language Program. To date, 3,961 unique students have logged over 50,000 learning sessions, totaling 143,444 instructional hours of Spanish literacy practice and progress monitoring. • In the most recent month alone, 3,737 students completed 13,129 sessions, representing 36,316 hours of targeted Spanish reading instruction and language development. This level of engagement equates to thousands of hours of individualized, adaptive instruction that would otherwise require significant teacher time and resources to replicate. • Each Amira Learning session provides real-time feedback, differentiated instruction, and standards-based practice—supporting both classroom instruction and independent learning, especially for students in non–Spanish-speaking households who rely on the program for extra language support. • The consistent usage patterns reflect strong teacher implementation, student motivation, and measurable instructional value. The return on investment is evident through improved literacy outcomes, increased program fidelity, and expanded learning equity for Dual Language students districtwide.

Background/History
Broward County Public Schools' Dual Language Program promotes bilingualism, biliteracy, and bicultural competence for participating students. To achieve and sustain these goals, the district must provide consistent, high-quality instructional tools in both English and Spanish that support academic success and language development. Amira Learning is a supplemental, computer-adaptive literacy platform that provides authentic Spanish-language instruction and intervention. Developed by Spanish-language educators, the program delivers engaging, standards-aligned lessons that enhance students' Spanish language acquisition, reading comprehension, and vocabulary development. Fully aligned to Spanish Language Arts Standards, Amira Learning uses Spanish valid, and reliable assessments with adaptive online instruction that adjusts to each student's skill level. During the Committee Reports on October 7, 2025, the Multilingual Advisory Committee noted that discontinuing Istation Español would have a substantial impact on the Dual Language Program, as no equivalent Spanish support program is available. The School Board recommended reconsideration of this issue. Subsequent negotiations with the vendor yielded cost savings of $93,715.

Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law

Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.15 Public Records. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.16 Proprietary Information.

2.16.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.16.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.17 Indemnification. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.18 Insurance Requirements. VENDOR shall comply with the following insurance requirements throughout the term of this Agreement:

VENDOR shall maintain insurance for breaches of personally identifiable information and data caused by VENDOR, its employees, its systems, or its software, in the amount of $1,000,000 per occurrence/$2,000,000 aggregate, and that such insurance shall be available and applied to indemnify SBBC for damages, penalties, costs, and fees sustained by VENDOR as a result of such data breaches.

2.18.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, VENDOR shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000.00/$100,000.00/$500,000.00 (each accident/disease-each employee/disease-policy limit).

All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences to permit VENDOR to remedy any deficiencies. Post-award you will receive an email including a link to upload (drag and drop) your certificate of insurance.

2.18.7 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.18.7.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insured.

2.18.9 SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.19 Equal Opportunity Provision. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.20 Annual Appropriation. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.21 Excess Funds. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

ARTICLE 3 – GENERAL CONDITIONS

3.1 No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 No Third-Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a thirdparty by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this

Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 Independent Contractor. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 Termination. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 Compliance with Laws. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.8 Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 Entirety of Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 Binding Effect. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 Assignment. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 Captions. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 Severability. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 Preparation of Agreement. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 Amendments. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 Force Majeure. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 Rights and Remedies. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 Survival. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 Agreement Administration. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 Counterparts and Multiple Originals. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 Authority. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

   d) **BIDDING PREFERENCE LAWS: ALL BIDDERS MUST COMPLETE AND SUBMIT THE LEGAL OPINION OF BIDDING PREFERENCE FORM IN ORDER TO BE CONSIDERED FOR AWARD.** The State of Florida provides a Bidder's preference for Florida vendors for the purchase of personal property. Discounts for prompt payment: Award, if made, shall be in accordance with terms and conditions stated herein. Each item must be bid separately, and no attempt is to be made to tie any item or items in with any other item or items. **Cash or quantity discounts offered shall not be a consideration in the determination of an award of the bid(s).** If an Awardee offers a discount or offers terms less than Net 30, it is understood that a minimum of 30 days shall be required for payment, and if a payment discount is offered, the discount time shall be computed from the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified.

10. **PAYMENT:** Payment shall be made by SBBC after the items awarded have been received, inspected, found to comply with award specifications and free of damage or defect and properly invoiced. All payments shall be made by ACH (Automated Clearing House) for automatic deposits (credits).

11. **CONFLICT OF INTEREST AND CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP:** Section 112.313 (3) and (7), Florida Statutes, sets forth restrictions on the ability of SBBC employees acting in a private capacity to rent, lease, or sell any realty, goods or services to SBBC. Each Bidder is to disclose any employees it has who are also SBBC employees by submitting Attachment 1, Disclosure of Potential Conflict of Interest and Conflicting Employment or Contractual Relationship, with its Bid. Any employees identified by the Bidder when completing Attachment 1 should obtain legal advice as to their obligations and restrictions under Section 112.313 (3) and (7), Florida Statutes.

12. **INSURANCE:** Bidder, by virtue of submitting a bid, shall be in full compliance with paragraph 20: LIABILITY INSURANCE, LICENSES, AND PERMITS of the General Conditions. Bidder must submit a copy of all its current Licenses, Certifications and Registrations required as described herein, either with its Bid or within five working days of notification.

    An Awardee who has any License, Certification, or Registration either suspended, revoked or expired after the date of the Bid Opening shall provide notice to the Director of Procurement & Warehousing Services within five working days of such suspension, revocation or expiration. However, such suspension, revocation or expiration after the date of the Bid Opening shall not relieve the Awardee of its responsibilities under this ITB.

14. **PATENTS & ROYALTIES:** The Awardee, without exception, shall indemnify and save harmless SBBC and its employees from liability of any nature or kind, including cost and expenses for any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by SBBC. If the Awardee uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the bid prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.

15. **OSHA:** The Awardee warrants that the product supplied to SBBC shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition shall be considered as a breach of contract.

Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the School District to reject the response submitted by the respondent on this project, and terminate any contract awarded based on the response. As part of its response, the respondent shall provide to the School District a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the respondent discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. 32. **OMISSION FROM THE SPECIFICATIONS:** The apparent silence of this specification and any Addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best available units shall be provided and the best commercial practices are to prevail, and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this agreement.

33. **SUBMITTAL OF INVOICES:** All Bidders are hereby notified that any invoice submitted as a result of the award of this bid must be in the same format as any Purchase Order released as a result of the award of this bid. **Each line of the invoice must reference a corresponding single line shown on the Purchase Order.** A single invoice line must not correspond to or commingle the cost shown on multiple Purchase Order lines. These orders shall be made via phone or fax for direct delivery and billing to the requesting work location. Please note that credit card purchases will benefit all vendors by providing immediate payment (i.e. within 48-72 hours), thereby eliminating the need to submit an invoice to the District's Accounts Payable Department or reconcile receivable balances. For credit card purchases, all Awardees must have the capability to accept fax orders, which must be confirmed by calling back the requesting work location to verify prices and obtain a credit card number. Only actual items shipped/delivered can be charged to the credit card account (i.e., no back-orders). All purchase deliveries must include a packing slip or receipt/invoice listing the items and prices of goods delivered. (continued….)

57. For security reasons, the credit card charge receipt showing the work location's credit card number cannot be attached to the packing slip or receipt/invoice submitted as part of the purchase delivery. District work locations may request that an Awardee maintains secure records of the credit card account assigned an alias or password, to avoid divulging the actual credit card number upon every purchase.

58. **NONCONFORMANCE TO AGREEMENT CONDITIONS:** Items offered may be tested for compliance with bid conditions and specifications at any time. Items delivered, not conforming to bid conditions or specifications, may be rejected and returned at Awardee's expense. Goods or services not delivered as per delivery date in the bid and/or Purchase Order may be rejected upon delivery and/or maybe purchased on the open market. Any increase in cost may be charged against the Awardee. Any violation of these stipulations may also result in:
   a) For a period of two years, any bid submitted by Awardee shall not be considered and shall not be recommended for award.
   b) All departments being advised not to do business with Awardee.

59. **CONE OF SILENCE:** Any Bidder, or lobbyist for a Bidder, is prohibited from having any communications (except as provided in this rule) concerning any solicitation for a competitive procurement with any School Board member, the Superintendent, any Evaluation Committee Member, or any other School District employee after Procurement & Warehousing Services releases a solicitation to the General Public. All communications regarding this solicitation shall be directed to the designated Purchasing Agent unless so notified by Procurement & Warehousing Services. This "Cone of Silence" period shall go into effect and shall remain in effect from the time of the release of the solicitation until the Agreement is awarded by SBBC. Further, any Awardee, its principals, or their lobbyists shall not offer campaign contributions to School Board Members or offer contributions to School Board Members for campaigns of other candidates for political office during the period in which the Awardee is attempting to sell goods or services to SBBC This period of limitation of offering campaign contributions shall commence at the time of the "cone of silence" period for any solicitation for a competitive procurement as described by School Board Policy 3320, Part II, Section GG as well as School Board Policy 1007, Section 5.4 – Campaign Contribution Fundraising. **Any Bidder or lobbyist who violates this provision shall cause their Bid (or that of their principal) to be considered non-responsive and therefore be ineligible for award.**

60. **TERMINATION:** This ITB award may be terminated with or without cause by SBBC during the term hereof upon giving the other party thirty (30) days written notice that SBBC is terminating the ITB award.

61. **EVALUATION AND BIDS:** SBBC evaluates all Bids in accordance with Chapters 119.071 and 286.0113, Florida Statutes.

62. **MEET OR RELEASE:** If during the Agreement term, SBBC is offered a lower price from a third party supplier for a product or service awarded under this Agreement, or offers another item that meets or exceeds the specifications for the item at a lower price than the awarded price, SBBC shall request Awardee to meet the lower price offered by the third party supplier. The awardee shall be required to respond to this request within three (3) days of the request. If Awardee is unable to meet the lower price, SBBC shall be released from its contractual obligation to purchase the item under this Agreement. No response to this request shall indicate that Awardee is unable to offer the item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of Agreement. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Agreement, any party contracting with SBBC under this Agreement shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

(continued)

63. *Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any contract with Awardee.*

64. **PROPRIETARY INFORMATION**: Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent, a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

Should a public record request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. The awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public record request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.

65. **E-VERIFY**: Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC will immediately terminate this Agreement. Termination pursuant to this section is not a breach of this Agreement and may not be considered as such.

66. **PUBLIC RECORDS:** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. Awardee shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, Awardee shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Awardee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if Awardee does not transfer the public records to SBBC. Upon completion of the Agreement, Awardee shall transfer, at no cost, to SBBC all public records in possession of Awardee or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Awardee transfers all public records to SBBC upon completion of the Agreement, Awardee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Awardee keeps and maintains public records upon completion of the Agreement, Awardee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems. (continued……)

66. **IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.**

67. **NONDISCRIMINATION:** As a condition of entering into the award of this ITB, Awardee represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

As part of such compliance, Awardee shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Awardee retaliate against any person for reporting instances of such discrimination. Awardee shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. Awardee understands and agrees that a material violation of this clause is considered a material breach of an award of this ITB and may result in termination of this ITB, disqualification of the company from participating in SBBC's solicitations, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

68. **ANNUAL APPROPRIATION**: SBBC's performance and obligations under this ITB is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this ITB, this ITB may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

69. **EXCESS FUNDS**: Any party receiving funds paid by SBBC under this ITB agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

70. **NO WAIVER OF SOVEREIGN IMMUNITY**: Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this ITB and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

71. **NO THIRD PARTY BENEFICIARIES**: The parties (SBBC and Awardee) expressly acknowledge that it is not their intent to create or confer any rights or obligations under this ITB in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this ITB. The parties agree that there are no third-party beneficiaries to this ITB and that no third-party is entitled to assert a claim against any of the parties based upon this ITB. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any ITB.

72. **DEFAULT**: The parties (SBBC and Awardee) agree that, if either party is in default of its obligations under this ITB, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this ITB may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 60.

73. **INDEPENDENT CONTRACTOR**: The parties (SBBC and Awardee) to this ITB are acting in the capacity of independent contractor(s) and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this ITB. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

74. **RIGHTS AND REMEDIES**: The duties and obligations imposed by this ITB and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement**. The term of this Agreement commences on July 1, 2024, ("Effective Date") and concludes on June 30, 2026, unless terminated earlier pursuant to section 3.05 of this Agreement. If the term under RFP 2223-33 is renewed beyond the initial period, SBBC and PSC may also exercise the same renewal option period(s) by mutual written agreement executed with the same or similar formality as this Agreement.

2.02 **PSC Responsibilities**.

(a) PSC shall, through its distributor, provide to SBBC food and supply distribution and purchasing services in accordance with the terms and conditions of RFP 2223-33, Food and Supply Purchasing Services.

(b) Distribution services shall be at the fixed fee per case for delivered products described in RFP 2223-33.

(c) PSC shall ensure that all rebates, discounts, and credits accrue directly to SBBC.

(d) PSC shall ensure its distributor/s make deliveries to schools or centralized locations on a regular schedule starting 6:30 a.m. and completed by 2:00 p.m. on school staff scheduled workdays whenever possible. If deliveries are made outside this window, it will be mutually agreed upon between the distributor and SBBC in advance.

(e) Upon receipt of a fully executed Purchase Order issued by SBBC, PSC through its distributor shall deliver food and supplies to the designated sites in the types and quantities and at the interval/s specified therein and provide SBBC with an appropriate invoice for each delivery of the goods and services provided.

2.03 **SBBC Responsibilities**.

(a) SBBC shall provide PSC and its distributor the district calendar, all cycle menus for breakfast, lunch, afterschool snacks, supper, and summer food service programs, as applicable, and advance forecasts of food and supply items as requested by either PSC or its distributor, using the appropriate forms.

(b) SBBC shall issue Purchase Orders to the approved distributor for purchases of food and supplies sought in accordance with the terms and conditions of RFP 2223-33.

2.04 **Cost**. Invoices submitted to SBBC for all goods and services purchased under this Agreement shall be based on the terms, conditions and at or below the costs identified in RFP 2223-33 (attached hereto as **Exhibit A**) as of the date of this Agreement.

2.05 **Payment**. Upon completion of the work identified in each Purchase Order, appropriate invoices shall be submitted to SBBC for all food and non-food products at the time of delivery to each school cafeteria. The invoice shall be directed as follows: **Food and Nutrition Services Department, The School Board of Broward County, Florida, 7720 West Oakland Park Blvd, 2nd Floor, Sunrise, Florida 33351.** The invoice shall state the assigned purchase order number for verification by Accounts Payable. All invoices submitted are subject to the approval of the **Director of Food and Nutrition Services**. All approved invoices will be paid by SBBC within forty-five (45) calendar days after receipt of same. All invoiced prices for each of the goods and services purchased shall be at or below those indicated in **Exhibit A**.

2.06 **Inspection of PSC's Records by SBBC**. PSC shall establish and maintain books, records, and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All PSC's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation, and reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze, and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze, and verify the applicable business records of PSC directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. Such audit shall be no more than one (1) time per calendar year.

(a) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to PSC records through the PSC from the Effective Date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to PSC pursuant to this Agreement.

(b) Notice of Inspection. SBBC's agent or its authorized representative shall provide PSC reasonable advance written notice [not to exceed two (2) weeks] of any intended audit, inspection, examination, evaluation, and reproduction.

(c) Audit Site Conditions. SBBC's agent or its authorized representative shall have reasonable access to PSC's facilities and to any and all records related to this Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by PSC to permit audit, inspection, examination, evaluation, and reproduction as permitted under this section constitute grounds for termination of this Agreement by SBBC for cause and are grounds for SBBC's denial of some or all of any PSC's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by PSC in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by PSC. If the audit discloses billings or charges to which PSC is not contractually entitled, PSC shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand.

(f) Inspection of Subcontractor's Records. PSC shall require any and all distributors, subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by PSC to include such requirements in any subcontract constitute grounds for termination of this Agreement by SBBC for cause and are grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to PSC pursuant to this Agreement and such excluded costs shall become the liability of PSC.

(g) Inspector General Audits. PSC shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.07 **No Disclosure of SBBC Education Records and Employee Records.**

SBBC shall not disclose any education records to PSC pursuant to this Agreement. However, if PSC comes into contact with education records during the course of contracted responsibilities, these records are confidential and protected by the Family Educational Rights and Privacy Act (FERPA) and state laws and may not be used or re-disclosed. PSC's use or re-disclosure may violate applicable federal and state laws. Likewise, no employee records shall be disclosed by SBBC to PSC. Should PSC come into contact with employee records, they may not be re-disclosed except as required or permitted by law.

For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director, Procurement and Warehouse Services The School Board of Broward County, Florida

7720 West Oakland Park Blvd. Suite 323
Sunrise, Florida 33351

To VENDOR: Contract Manager, PSC
Purchase Smaart, Corp.
Attn: Scott Rivera
514 Tera Plantation Lane
Debary, Florida 32713

2.09 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.10 **Background Screening**. PSC agrees to comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all PSC and non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of PSC or its personnel or subcontractors providing any services under this Agreement. PSC shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to PSC and its personnel or subcontractors. The parties agree that the failure of PSC to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause with no opportunity required to permit PSC to cure such default and no further responsibilities or duties to perform under this Agreement. To the extent permitted by law, PSC agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from PSC's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. Nothing herein shall be construed as a waiver by SBBC or PSC of sovereign immunity or of any rights or limits to liability existing under Section 768.28, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.11 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. PSC shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, PSC shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. PSC shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if PSC does not transfer the public records to SBBC. Upon completion of the Agreement, PSC shall transfer, at no cost, to SBBC all public records in possession of PSC or keep and maintain public records required by SBBC to perform the services required under the Agreement. If PSC transfers all public records to SBBC upon completion of the Agreement, PSC shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If PSC keeps and maintains public records upon completion of the Agreement, PSC shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.12 **Indemnification**. To the extent permitted by Florida law, PSC shall indemnify and save SBBC harmless from any and all damages, claims, and causes of action against SBBC for damages or injury to any person or property arising out of, or in conjunction with, the intentional, reckless, or negligent performance or any negligent acts of PSC, under the terms of this Agreement. In addition, PSC agrees to hold SBBC from any liability arising from the claims of PSC's subcontractors or any others which PSC may employ or obtain services from in connection with performance of this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability SBBC may have under the doctrine of sovereign immunity or Section 768.28, Florida Statutes.

2.13 **Insurance Requirements**. PSC shall comply with the insurance requirements set forth in RFP 2223-33 throughout the term of this Agreement. The School Board of Broward County, Florida must be named as the Certificate Holder on said policies and must be added as an "ADDITIONAL INSURED". The 'CERTIFICATE HOLDER' must read as follows: The School Board of Broward County, Florida, 600 3rd Avenue, 11th Floor, Fort Lauderdale, Florida 33301. PSC shall provide a certificate of insurance to SBBC demonstrating that the requirements have been met prior to commencement of work under this Agreement.

2.14 **Nondiscrimination.**

(a) As a condition of entering into this Agreement, PSC represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program.

(b) As part of such compliance, PSC shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, PSC's, suppliers, or commercial customers, nor shall PSC retaliate against any person for reporting instances of such discrimination. PSC shall provide equal opportunity for subcontractors, PSC 's, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the SBBC's relevant marketplace. PSC understands and agrees that a material violation of this clause is considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third-party.

2.15 **Certification Regarding Scrutinized Activities.** Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by PSC that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. PSC further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. PSC acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. PSC further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if PSC (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel and, in addition to the foregoing, if the amount of the Agreement is one million dollars ($1,000,000) or more, the Agreement may be terminated at SBBC's option if PSC is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.16 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.17 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.18 **Incorporation by Reference**. **Exhibit A** attached hereto and referenced herein are incorporated into this Agreement by reference.

2.19 **Proprietary Information**.

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated pursuant to the conditions set forth in RFP#2223-33.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date of last signature below.

1.0 OVERVIEW

The School Board of Highlands County (hereinafter referred to as "District"), a member of the Purchasing Organization with Educational Results, P.O.W.E.R., Buying Group (hereinafter referred to as "PBG"), acting as the PBG lead agency, is seeking proposals from qualified Group Purchasing Organization, Buying

Organization/Service and Third-Party Vendors, collectively referred to as GPOs (hereinafter referred to as "Responder") for acquisition of distribution services to individual school sites or district central warehouses within the PBG member districts, and assist in the procurement of products at the lowest price. The District reserves the right to award on a multiple, lump sum, or individual item basis, to one or more vendors, or in any manner the District deems appropriate.

The result of this Request for Proposal will be a contract with the District. All current PBG member districts shall be included in all products and services in the awarded contract and shall be permitted, through the piggybacking process for school food authorities ("SFAs"), to engage Responder's services. The District may add or remove PBG members during the awarded contract term and subsequent renewals as agreed by written amendment with the successful Responder..

The PBG currently consists of Baker, Calhoun, Charlotte, DeSoto, Franklin, Gadsden, Glades, Hardee, Highlands, Holmes, Indian River, Leon, Levy, Liberty, Marion, Martin, Okeechobee, Osceola, St. Lucie, Volusia, and Walton (21) county school districts in the State of Florida and the True North Classical Academy Charter Group in Miami, Florida. The PBG members have a minimum of 449 individual school sites that require weekly delivery of food and supplies. Site locations may be modified at any time throughout the term of any resulting contract. Any additional equipment/facility added during the term of a contract will be handled in accordance with the conditions and prices of this Request For Proposal ("RFP").

While the greatest demand for products and services will be from the School Food Service Departments, departments and schools may utilize this contract for purchases which may include but are not limited to: emergency supplies, Florida Standard Assessment (FSA) snacks, culinary foods, Afterschool snacks, Voluntary Prekindergarten (VPK) snacks and supplies, etc.

Each PBG member is responsible for providing follow up information about their district and fulfilling their financial obligations related to the scope of this agreement after this RFP has been awarded. The lead agency, the School Board of Highlands County, is not responsible for the financial obligations of other each PBG member districts related to the scope of this agreement. The projected total annual dollar value for this RFP collectively across each PBG member district is projected to be approximately $120,000,000.00.

GPOs could be private for profit or non-profit entities. GPOs are typically structured in a way that may include a membership fee paid by member users, who are then granted access to the GPO price list of products and services. Although participating in these types of agreements can offer greater economy and efficiency for procurement or use of common or shared goods or services (2 CFR 200.318(e)), SFAs participating in these agreements must still conduct competitive procurement in accordance with 2 CFR Part 200.318-.326 and applicable program regulations and guidance. PBG members reserve the right to secure manufacturer pricing directly or in cooperation with the GPO or use the GPO's pricing, whatever is in the best interest of the PBG member.

Small, Women and Minority Owned Business: Both parties agree to take affirmative steps to ensure that small businesses, minority-owned businesses, and women's business enterprises are used whenever possible:

a. Affirmative steps shall include the following: Include qualified small businesses, minority-owned businesses, and women's business enterprises on solicitation lists.
b. Assuring that small businesses, minority-owned businesses and women's businesses are solicited whenever they are potential sources.
c. When economically feasible, dividing total requirements into smaller tasks or quantities so as to permit maximum small businesses, minority-owned businesses and women's business participation.
d. Where the requirement permits, establishing delivery schedules which will encourage participation by small businesses, minority-owned businesses and women's businesses.

e. Utilization of the services provided by a Small Business Development Center, as well as the Certified Vendor Directory from the State of Florida's Office of Supplier Diversity.

10. MISC REQUIREMENTS:

a. Indemnification. To the extent permitted by Florida law, an awarded Responder ("Contractor") shall indemnify and save the District harmless from any and all damages, claims, and causes of action against the District for damages or injury to any person or property arising out of: or in conjunction with, the intentional, reckless, or negligent performance or any negligent acts of Contractor, under the terms of this Agreement. In addition, Contractor agrees to hold District harmless from any liability arising from the claims of Contractor's subcontractors or any others which Contractor may employ or obtain services from in connection with the performance of this Agreement. Nothing contained in the foregoing indemnification shall be construed to be a waiver of any immunity or limitation of liability the District may have under the doctrine of sovereign immunity or §768.28, Florida Statutes.

b. Governing Law & Venue. This agreement shall be construed in accordance with the laws of the State of Florida. Any dispute with respect to this agreement is subject to the laws of Florida. Venue for any dispute arising from this RFP shall be in Highlands County, Florida. The parties agree that venue for any dispute arising from any contract entered into pursuant to this RFP shall be in and for the courts of competent jurisdiction in the location where the PBG member is headquartered.

c. Each party shall be responsible for its own attorneys' fees and costs incurred as a result of any action or proceeding under the Contract resulting from this RFP.

d. Responder shall comply with all pertinent public records laws of Chapter 119, Florida Statutes. Responder understands and agrees that all contracts entered into pursuant to this RFP will contain public records language as required by law.

e. Each payment obligation of a district pursuant to this RFP or resulting contract is contingent upon the availability of funds that are annually appropriated or allocated for the payment of services or products. The district shall be the final authority as to what constitutes an annual appropriation and

the availability of funds necessary to continue funding the agreement. If such funds are not allocated and available, this agreement may be terminated by the district at the end of the period for which funds are available. The district shall notify the vendor at the earliest possible time before such termination. Such action will not constitute a default by the district. No penalty shall accrue to the district in the event this provision is exercised, and the district shall not be obligated or liable for any future payments due or for any damages as a result of such termination.

f. E-Verify. Pursuant to Florida Statutes §448.095, effective January 1, 2021, all Contractors shall use the U.S. Department of Homeland Security's E-Verify system https://e-verify.uscis.gov/emp, to verify the employment eligibility of all employees hired during the term of this Agreement. Contractor shall also require all subcontractors performing work under this Agreement to use the E-Verify system for any employees they may hire during the term of this Agreement. Subcontractors shall provide Contractor with an affidavit stating the subcontractor does not employ, contract with, or subcontract with an unauthorized alien, as defined by Florida Statutes. §448.095. Contractor shall provide a copy of such affidavit to the District upon receipt and shall maintain a copy for the duration of this Agreement. Contractor must provide evidence of compliance with Florida Statutes. Failure to comply with this provision is a material breach of the Agreement and the District may choose to terminate this Agreement at its sole discretion. Contractor may be liable for all costs associated with District securing the same services, including but not limited to, higher costs for the same services and rebidding costs (if necessary). For purposes of this E-verify provision, "Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

g. Contract Work Hours & Safety Standards Act (34 CFR 80.36(i)(6)): All vendors, contractors and subcontractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). Applies to all construction contracts awarded by the district and sub grantees in excess of $2000, and in excess of $2500 for other contracts which involve the employment of mechanics or laborers.

h. BYRD ANTI-LOBBYING AMENDMENT (31 U.S.C.1352): For Contracts exceeding $100,000, Offerors shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier, up to the School Board of Highlands County.

i. SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT, AS AMENDED BY THE RESOURCE CONSERVATION AND RECOVERY ACT: The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

RFP OPENING: Business Operations Department	

Addendum #1 - Q & A

There is a revised RFP available. This revised RFP corrects minor clerical errors.

QUESTION: Do you intend to award SBHC 2223-33 FOOD AND SUPPLY by group or to the vendor who bids all/most of each group (categorical)? Specifically the paper supplies group?

RESPONSE: Responders are to respond with items that fit the specifications. If the responder has an item that fits more than one specification, they may bid that item for both specifications. The RFP will be awarded as a whole to one responder. RFP REFERENCE: 1.0-Overview

QUESTION: We understand that Volusia and Osceola currently receive deliveries to a central warehouse. Can you confirm that this will remain the same for this RFP?

RESPONSE: The intent of this contract is to transition to door-to-door deliveries over time. Responders that intend to include centralized drops as part of their response should include a plan to transition to school based deliveries for those districts that desire it. RFP REFERENCE: 2.2.3.a-Scope of Services, Distribution Requirements, Deliveries

QUESTION: Would PBG agree to a fee schedule related to orders that fall short in either cases or value (small delivery fee)?

RESPONSE: Responders may make this part of their response. The structure of the fee schedule should refer to deliveries to a site, not based on an invoice.

QUESTION: Please clarify how a response is to be submitted. How many hard copies or electronic versions of the response are required?

RESPONSE: One, original response, in hard copy for everything except Tab 7: Product Pricing Spreadsheet. Product Pricing Spreadsheet is to be submitted on a flash drive.

QUESTION: Regarding SBHC 2223-33 Product Pricing Spreadsheet ATTACHMENT A-Final, for tabs containing items that have no requirement for pricing, are these items to be included in our response with proposed distributor item codes, or excluded completely?

RESPONSE: Items that have no requirement for pricing are for informational purposes only. To allow respondents to know that these items are to be made available.

QUESTION: Page 3, Scope of Services 2.1 k) – The RFP states "Product pricing will be made available to PBG members in sufficient time to prepare back-to-school opening orders and USDA Processing diversions for the duration of the contract and subsequent renewals. The timeframe for this pricing should be no later than March 1st, annually." Historically, pricing was requested for April. Please confirm if the PBG would agree to receive pricing in April, rather than March.

RESPONSE: Diversion for commodity allocations is due mid-to late March in most cases. This due date is to allow districts to plan for those allocations prior to submitting their USDA orders. Adjustments could be made to this for exigent circumstances.

QUESTION: Page 4, Deliveries 2.2.3 – Would the PBG consider discussing night/key drops for interested member districts?

RESPONSE: This has been discussed, and can be something for individual districts to consider. At this time, we do not think that requiring such an arrangement would be possible, as member districts all have different policies in place.

QUESTION: Page 5, Order Transmittal 2.2.4 c) – The RFP states that the lead time between order transmittal and delivery of product will be mutually agreed upon between the recommended distributor/s and the PBG member district. Usually the lead time is seven (7) days prior to delivery of orders. Would the PBG agree to allow Purchase Smaart to hold members to a 7-day lead time between order transmittal and delivery? We believe the additional time would greatly aid in product availability and benefit the PBG's overall fill rate.

RESPONSE: PBG will work with member districts to give an appropriate lead time for order transmittal.

QUESTION: We see that product "XXXX" has been specified for pricing. This specific product would also satisfy a much tighter specification. Can you confirm how products will be determined to be an acceptable equal?

RESPONSE: Acceptable equals will be determined by the most basic requirements of the specification. Products that meet tighter specifications will meet the looser specification. Adjustments to specifications can be made through our new item process (reference in RFP: 2.2.10). Responses should refer to the specifications as written in the Product Pricing Sheet.

QUESTION: A product you have specified is not what is currently being used by member districts. Can we respond with a different product than is listed in the Product Pricing Spreadsheet?

RESPONSE: As long as the product meets the specification it may be submitted on the Product Pricing Spreadsheet. Adjustments to specifications can be made through our new item process (reference in RFP: 2.2.10). Responses should refer to the specifications as written in the Product Pricing Sheet.

Tab 1: Executive Summary

Thank you for providing Purchase Smaart (PS) with the opportunity to participate in your RFP requesting Food and Supply Purchasing Services for the members of the POWER Buying Group (PBG). In combination with our distribution partner Sysco, we are excited to further develop and strengthen our relationship with PBG. We acknowledge that the emergent circumstances that brought our organizations together resulted in service levels that at times were not in line with PBG expectations nor PS and Sysco standards:

- Post-COVID supply chain disruptions caused out-of-stock and food shortages.
- Labor shortages impaired warehouse and driver operations
- The processes and systems in place were ill-suited for the volatile business environment and unique needs of the PBG.

Despite these growing pains and macroeconomic headwinds, PS and Sysco remain committed to serving the PBG and other K12 schools across the state of Florida for the entirety of this contract and for many years to follow. Specifically, we have taken numerous actions and instituted new processes to improve service levels:

- Strengthened relationships & communication channels to proactively address issues.
- Implemented both staffing & procedural enhancements to better support your business.
- Developed a rotative menu cycle and equivalent substitution process to ensure major items (e.g., pizza, chicken, dairy product) are available in the event of product shortages.
- Streamlined the NOI tracking process to improve accuracy and simplify reporting.

We are confident that this Executive Summary, along with our more detailed responses, will demonstrate both our ability to execute and our commitment to the success of your mission – "Procure high quality, competitively priced foods and supplies that will enhance the health and nutritional well-being of students participating in Florida Child Nutrition Programs".

Understanding of the RFP's Intent

Purchase Smaart understands that the PBG is requesting K12 purchasing services through a qualified GPS/GPO, and distribution services via the awarded respondent's contracted distribution partner. Purchase Smaart, as your incumbent GPS, intends to provide those services in conjunction with Sysco, our chosen distribution partner. Throughout the term of the agreement, Purchase Smaart will provide these services in accordance with the requirements of the RFP.

In addition to the above noted procurement and distribution services, Purchase Smaart will administer, and assist Sysco with the proper procurement, storage, and reconciliation of USDA

processed foods (NOI & FFS) on behalf of your membership. These services will be performed in compliance with all State and Federal rules, policies, and statues. Should we retain your business, we will maintain a mindset of continuous improvement and further refine our people, processes, and systems to assist the PBG members with USDA food management. Purchase Smaart fully recognizes the importance of this portion of your business and will work closely with Sysco to accurately identify and track your USDA designated items and funds.

Purchase Smaart and Sysco are extremely excited to continue their relationship with the PBG and look forward to demonstrating our improved capabilities as we partner with PBG to fulfill your food service needs.

Expertise and Experience

Purchase Smaart is a Group Procurement Services (GPS) company founded in 2015 by Scott Rivera, PS President. While Purchase Smaart's current structure and ownership is of a more recent nature, the focus, operations, and core membership of the company have been in place for 8 plus years. PS provides a variety of procurement services to its several thousand members allowing them to better control their costs while simultaneously generating rebate income. Although PS currently works with only the PBG in the K12 segment, among its other members are numerous organizations that require locked order guides, fixed pricing, and delivery coordination that is consistent across all outlets, and somewhat similar to the requirements of the PBG.

PS has worked closely with the PBG over the past several months to assist with your procurement needs. Unknown to many, but during Scott's tenure as a senior executive with US Foods in Florida, he oversaw the beginnings of what became a several hundred-million-dollar segment. He was directly involved in personnel hiring and helped design the support structure necessary to properly manage the business. This background served him well as upon award of your business, Scott was already prepared to make the necessary adjustments to Purchase Smaart staffing. Fully understanding the K12 administrative requirements, he quickly brought Scott Euton on board. Scott is our Manager of K12 Business Development, and a long-term K12 distribution management specialist who we were fortunate enough to acquire from one of the country's largest broadline distribution companies (US Foods). Scott has many years of experience managing procurement and distribution services for districts ranging in annual volume from the thousands to the millions. To assist Scott, Robbi Ross was soon asked to join our team to help manage your business. Robbi is a very experienced contract management professional with an extensive K12 background that spans many years. Both experts have experience with various sized school districts, and they bring a level of knowledge and skill to our operations that we believe are unmatched in our industry.

Purchase Smaart's chosen distributor partner, Sysco, offers additional K12 knowledge and experience in support of what we hope is a new agreement with the PBG. Sysco has extensive experience in the K12 sector across North America. In aggregate, the K12 business represents $1.9 billion sales per year for Sysco of which Florida comprises $175 million. The K12 segment is a strategic priority for Sysco moving forward, and they will continue to invest in the people, processes, and systems required to excel in this customer segment. For example, Sysco has recently established a global SBS USDA team that implements, monitors, and audits the USDA commodities, which will in turn improve the overall service levels Sysco provide to its K12 customers. Sysco has recently announced the planned addition of a new warehouse in Plant City that will expand their footprint in Florida and solidify their commitment to growth in this region. Thus, within the state of Florida, Sysco's servicing Operational Sites will have the capacity, personnel, and procedures necessary to successfully service the 25 school counties they serve as well as the PBG. Sysco's industry-leading scale and robust network within Florida positions affords them the capabilities and flexibility to execute on this work. As such, per PBG feedback, Sysco will be eliminating Saturday deliveries for all counties and will work with the individual districts to find delivery windows that work best for both parties. Additionally, with a 3 year commitment from PBG, Sysco will begin to transition from warehouse to direct shipments over the next 12-18 months for all districts.

Again, we acknowledge that there have been and continue to be challenges with the accuracy and efficiency of our management of several key components of your business. Purchase Smaart and Sysco have worked diligently with the PBG's members to fully understand and resolve these issues. In some cases, simply a better understanding of your needs was enough to correct an issue. In others, we have either revised or replaced current processes to provide the PBG with the tools and information necessary to effectively manage your business. The details of these changes and improvements are explained in subsequent Tabs. As Sysco is the largest broadline foodservice supplier in the country, we expect that their vast knowledge of the industry and ever-increasing focus on the K12 segment will contribute greatly to our efforts to refine and improve our ability to meet the needs of the PBG and their mission of providing high quality meals to satisfy the nutritional needs of our students.

Drug- and Alcohol-Free Workplace

To help ensure a safe, healthy, and productive work environment for our associates and others, protect Company property, and ensure efficient operations, the Company has adopted a policy of maintaining a workplace free of drugs and alcohol.

The unlawful or unauthorized use, abuse, solicitation, theft, possession, transfer, purchase, sale, or distribution of controlled substances, drug paraphernalia, or alcohol by an individual anywhere on Company premises, while on Company business (whether or not on Company premises), while driving a Company vehicle or driving a personal vehicle for Company business, or while representing the Company, is strictly prohibited. Associates also are prohibited from reporting to work or working while they are using or under the influence of alcohol, any drugs, or any controlled substances that may impact an associate's ability to perform their job or otherwise pose safety concerns. The Company will not tolerate any illegal use or misuse of drugs or use of alcohol while associates are engaged in Company business or while working at a Company location, except for reasonable alcohol consumption at a Company-sponsored or work-related event. This policy does not apply to prescription or over-the-counter medications taken by associates in safety-sensitive positions which: (1) have been lawfully prescribed to, or obtained by, the associate; (2) are being used by the associate in accordance with the prescription's guidelines (if applicable); and (3) before reporting to work under the influence of such medication, the associate has inquired whether the drug manufacturer or the associate's physician warns against driving, operating machinery, or performing other work-related, safety-sensitive tasks. A safety-sensitive position is a job or position where the associate holding the position has the responsibility for their own safety or other people's safety. Any associate reporting to work in a safety-sensitive position without first advising the Company about warnings accompanying lawfully prescribed or obtained medications will be subject to corrective action, up to and including possible termination of employment. An associate's lack of knowledge concerning such warnings will not excuse a violation of this rule where an associate has failed to make the inquiries required by this rule. To the extent permitted by and in accordance with applicable law, this exception does not extend any right to report to work under the influence of medical marijuana or to use medical marijuana as a defense to a policy violation or a positive drug test, to the extent associates are subject to any drug testing requirement.

Violation of this policy may result in corrective action, up to and including termination.

The Company maintains a policy of non-discrimination and will endeavor to make reasonable accommodations to assist associates recovering from substance and alcohol dependencies, and those who have a medical history that reflects treatment for substance abuse conditions. However, requests for accommodation made by associates in order to avoid corrective action for a policy violation will be denied.

Associates are subject to random drug and/or alcohol testing and drug and/or alcohol testing as a result of reasonable suspicion, subject to applicable state law. All associates must take all requested tests promptly. All testing will be done in a manner to ensure accuracy and as required by applicable law confirming tests will be done. If applicable,

a medical review officer will review all positive findings. Where permitted by applicable state law, a positive test or a refusal to test may be grounds for termination.

Violence-Free Workplace

The Company is strongly committed to providing a safe workplace. The purpose of this policy is to minimize the risk of personal injury to associates and visitors and damage to Company and personal property.

Threats, threatening language, or any other acts of aggression or violence made toward or by any Company associate will not be tolerated. For purposes of this policy, a threat includes any verbal or physical harassment or abuse, any attempt at intimidating or instilling fear in others, menacing gestures, flashing of weapons, stalking, and any other hostile, aggressive, injurious, and/or destructive action undertaken for the purpose of domination or intimidation.

Weapons are prohibited on Company premises unless such prohibition is restricted by applicable law. For detailed information regarding the Company's prohibition on weapons, please refer to the Weapons-Free Policy available in the Policy Library.

Associates should immediately report all potentially dangerous situations, including threats by co-workers, to any member of management with whom they feel comfortable. Reports of threats may be maintained confidential to the extent maintaining confidentiality does not impede our ability to investigate and respond to the complaints. All threats will be promptly investigated. No associate will be subjected to retaliation, intimidation, or corrective action as a result of reporting a threat in good faith under this policy.

If an investigation confirms that a threat of a violent act or violence itself has occurred, the Company will take swift and appropriate corrective action.

Associates threatened by an outside party should follow the steps detailed in this policy. It is important for us to be aware of any potential danger in our places of work. Indeed, the Company wants to take effective measures to protect everyone from the threat of a violent act by an associate or by anyone else.

Questions about this policy should be directed to management.

To this end, the Company must rely upon associates to ensure that work areas are kept safe and free of hazardous conditions. Associates are required to be conscientious about workplace safety, including proper operating methods and known dangerous conditions or hazards. Associates should report any unsafe conditions or potential hazards to a manager immediately, even if the problem appears to be corrected. Any suspicion of a concealed danger present on the Company's premises, or in a product, facility, piece of equipment, process, or business practice for which the Company is responsible, should be brought to the attention of the associate's manager, supervisor, Safety manager or a member of the Human Resources Department.

Tab 3 – Qualifications and Experience

Company History – Purchase Smaart GPS

- Purchase Smaart (PS) is a GPS (Group Procurement Services) company founded in 2015 by Scott Rivera. It is family owned and operated. PS provides Group Procurement Services to both distributors, hospitality, and restaurant Members.
- PS has its origins firmly planted in its founder's industry experience.
- Scott's career path has led him through a variety of positions within foodservice. The majority of those involved national sales in general, and GPOs in specific.
- Rising to the senior executive level (VP of National Sales) for one of US Foods largest houses, his knowledge and abilities earned him accountability for the nationwide management of Navigator GPO, the industry's largest Senior Living focused GPO.
- Over time, Scott's association with GPO operations from a distributor's perspective began to arouse his interest in their direct management. Subsequently, he agreed to accept a Senior VP position with Navigator GPO to manage their non-Healthcare, Manufacturer Vendor Incentive Program (MVIP) Rebates segment.
- Recognizing the segment was a challenging "fit" for Navigator and its core business, Scott began to identify ways to restructure and improve the operation.
- Following lengthy internal discussions at Navigator, Scott formed Purchase Smaart and in 2019, as President of Purchase Smaart, Scott negotiated a working agreement with Navigator to allow PS to run the MVIP in the Non-Healthcare segment (PS/Navigator).
- In support of that agreement, PS signed a national contract with Entegra, the world's largest food group purchasing organization, to provide procurement services.
- PS signed an additional national agreement with Entegra to provide software and technology services.
- In 2019, PS acquired sole ownership of PS/Navigator MVIP-Rebates
- In 2021, PS expanded their operations to include the K-12 segment and currently provides procurement services to 29 Florida school districts.

Today, Purchase Smaart GPS represents a rapidly growing membership of over 5,000 businesses nationwide. We work with several distribution partners whose footprints range from regional, to national, to global. Our willingness to work with any qualified distributor partner allows Purchase Smaart GPS the opportunity to reach, and to assist nearly any customer wanting to leverage our purchasing and rebate power to help them control their costs.

Should Purchase Smaart be fortunate enough to retain your business, we would want to continue our association with Sysco, our chosen distributor partner. With that in mind, we are

including a short history of that storied company, who since their establishment, has been a leader and an innovator in the foodservice distribution industry.

Company History – Sysco

Sysco was founded in 1969 by Herbert Irving, John F. Baugh, and Harry Rosenthal. At that time, these men were all active participants in the foodservice industry and well acquainted with distribution, although on a small scale, serving regional customers in various parts of the country. Also happening in 1969, and a driving force behind the creation of Sysco, was a noticeable, rapid increase in the dining out segment of foodservice. As more and more families were becoming "two earner" households, with both parents working away from home, there was less time to prepare meals, greater fatigue from working all day, and an increasing desire to have someone else cook for them. The result was obvious and inevitable. As more restaurants opened, and existing businesses expanded, a better, more efficient system of distribution was needed to handle that growth. Sysco's founders recognized the opportunity and developed a plan to satisfy restaurants' (and consumers') demands through what they hoped would become a nationwide distribution operation – an operation and a company focused on quality, consistency, and integrity. John Baugh became the guiding strength behind this plan and under his leadership, 9 small food distributors merged to form Sysco (SYstems and Service COmpany). At the initial public offering on March 3, 1970, those 9 companies had aggregate sales of $115 million and were serving a foodservice market of $35 billion.

Sysco's dream of becoming a nationwide distributor moved ahead quickly. Through an initial growth strategy of acquiring existing, successful regional suppliers carefully chosen for their geographic locations, Sysco's delivery footprint expanded rapidly. The goal of providing quality, uniform services to customers across the country was being realized. In addition to these early acquisitions, throughout the 1970's Sysco built many new facilities, increased its ability to handle the increase in frozen food demand, and began to use multi-temperature trucks for deliveries which greatly improved operational efficiencies, reduced costs, and made life much easier for their customers.

The changing landscape of distribution and the needs and wants of their customers was not missed by Sysco. In addition to the expansion of their equipment and facilities, Sysco recognized that their customers were looking for ways to reduce the number of vendor deliveries. They wanted "one stop shopping". Time and effort spent by customers to receive multiple deliveries from multiple vendors was a huge concern. Sysco provided the solution by further expanding their product lines into fish, meat, and produce. With the additional product lines and the utilization of their multi-temperature trailers, many customers were then able to buy all their products from one source and receive them all on one delivery. This decreased the

amount of time and labor costs allocated to ordering and receiving, while simultaneously cutting the number of invoices and payments to process. As this concept grew and became more accepted by their customer base, Sysco acquired and/or created specialty companies to better address specific needs. FreshPoint Produce, Buckhead and Newport Meat & Seafood, European Imports, and Greco and Sons Italian Specialty represent just a few of the brands created by Sysco to provide our customers with access to one stop shopping and help them improve the efficiency of their operations.

Through proactive thinking, innovation, and dedication to servicing their customers, Sysco continue to grow and by the end of the 1970's they had passed the $1 billion mark in sales for the first time. By 1981, Sysco was recognized as the largest U.S. foodservice distribution company. Throughout the 1980's, Sysco continued to expand through acquisitions and by 1988 they were servicing 148 of the top 150 markets. At the end of the decade, Sysco sales were nearly $7 billion and twice as large as its closest competitor.

The 1990's were much the same regarding growth. Additional acquisitions continued to improve their ability to provide food services to more markets. To refine its services and to become a better partner with its larger, multi-outlet customers, in 1991 Sysco created Sygma, a company designed to consolidate and improve distribution services for chain restaurants. By 1997, Sygma consisted of 11 distribution centers servicing customers in 37 states and having sales of $1.3 billion. With this steady stream of growth, Sysco realized in 1995 that their 58 operating companies, which had been functioning in a largely autonomous manner, were all reporting directly to the corporate staff. To promote better guidance and control, and to create value for customers and further enable Sysco's transformation for scale and efficiency, Sysco reorganized their management structure and created 4 new senior vice-presidents of operations positions, each managing several of the operating companies.

Near the end of the 1990's, Sysco added an additional expansion strategy for new markets. At a distance from current operating sites, new sales bases were established, and new distribution centers built to create a new, stand-alone operating site to serve the new market. This strategy was successfully implemented in numerous markets across the country and continued our push to provide consistent food distribution to the entire country. The decade ended with Sysco posting record sales and earnings of approximately $15 billion and $302 million respectively.

As Sysco moved into the 21st century, their dedication to the process of continued improvement in both customer service and operations resulted in steady, yearly double-digit growth in sales and profitability. In 2009, Fortune magazine ranked Sysco as #204 in the world based on sales volume. It was also ranked as the 55th largest company in the U.S. by total

revenue. Currently, Sysco's growth is outpacing the industry, by 1.5 times. Enhancements in critical focus areas have fueled our progress:

- **Digital** – Improvements and innovations in our digital customer interfaces are making their purchase experiences personalized and efficient. We have expanded our social media presence, embraced the possibilities that AI offers, and constantly reviewed and upgraded our Sysco Shop customer communications platform.
- **Products and Solutions** – We are providing more and better customer focused merchandising and marketing solutions that help to bring new trends and new products to the market.
- **Customer Support Teams** – We have placed a renewed focus on our associates. Our greatest strength is our people. Our team of passionate, food and service driven associates bring unrivaled expertise and service to their customers and are always looking for ways to help them improve and enhance their businesses.
- **Supply Chain** – Over the past few years, it has become apparent that the established supply chain concept has shortcomings. Sysco is working closely with manufacturers and shipping companies to identify and understand weaknesses, discover and develop opportunities, and where possible, undertake courses of action that provide viable options in the system to help preserve a consistent flow of products from manufacturer to end user.

Today, Sysco has an international reach, employing a diverse workforce of over 71,000 associates worldwide in 333 distribution centers and generating over $68.6 billion in annual gross profit. We service an ever-widening range of customers including restaurants, healthcare, education facilities, and lodging establishments. We offer over 520,000 unique line items that include equipment and supplies for the foodservice and hospitality industries. To better service our various types of customers and their needs, Sysco offers virtually every type of food service product, and backs them all with the knowledge and experience essential to assist our customers in their preparation and application.

Sysco has long recognized the value of the K12 market as a whole and has successfully serviced this segment for 25+ years across many markets. As time has passed, however, and recent events have changed the way much of the industry operates, we have put together a team of our best and brightest to analyze those changes and develop a plan to better address them. While this review is still underway, we are very optimistic that the results will be innovative and beneficial for all concerned.

Sysco proudly operates its businesses by taking meaningful actions to care for people, to source products responsibly, and to protect the planet. Sustainability is fully integrated into their

purpose, and its recipe for growth strategy to ensure responsibility and accountability as they move into the future.
