    - 40+ Total Speakers – 1 minute each

2. The Reports to Council Public Comment periods are only accepted in person – public comment cards must be submitted before the public comment period begins for each report to Council. Speaker time limits will be determined by the Presiding Officer depending on how many public comment cards have been received at the commencement of each public comment period (as

shown below). Additional public comment cards will not be accepted once the public comment period commences.

- 1 – 20 Total Speakers – 3 minutes each
- 21 – 39 Total Speakers – 2 minutes each
- 40+ Total Speakers – 1 minute each

3. Written public comment may be submitted via eComment, available on the City website (www.burbankca.gov/web/city-clerks-office/ecomment) from the time the agenda is posted until 4:00 p.m. the day of the meeting. eComments will be distributed to the City Council in advance of the meeting.

4. The Presiding Officer has the discretion to reduce speaking time for each speaker in order to ensure that City business can be completed at a reasonable hour.

Public Disclosure:
Please be advised that any communication submitted to the City of Burbank, its officials, staff or City consultants, may be considered a public record under the Brown Act and California Public Records Act. This means that any information contained in the communication, including personal information, may be subject to public disclosure. The City reserves the right to disclose such information in accordance with the law.

This agenda contains a summary of each item of business which the City Council, Successor Agency, Housing Authority and Parking Authority may discuss or act on at this meeting. The agenda packet consisting of the staff reports and all other documentation relating to each item on this agenda will be posted on the City's website at www.burbankca.gov. Any writings or documents provided to the City Council regarding any item on this agenda subsequent to distribution of the agenda packet will be posted on the City's website at www.burbankca.gov. If you have a question about any matter on the agenda, please call the Office of the City Clerk at (818) 238-5851. The Council Chamber is disabled accessible. Auxiliary aids and services are available for individuals with speech, vision, or hearing impairments (48-hour notice is required). Please contact the ADA Coordinator at (818) 238-5051 with questions or concerns.

APPROVED DATE:

CITY OF BURBANK
SUCCESSOR AGENCY MINUTES
A JOINT MEETING WITH THE CITY COUNCIL
TUESDAY, MAY 5, 2026

Call to Order:
A Joint Meeting of the Successor Agency and the City Council of the City of Burbank was held in the Council Chamber, 275 East Olive Avenue, on the above date. The meeting was called to order at 6:16 p.m. by Chair Takahashi.

Moment of Reflection:
Chair Takahashi held a Moment of Reflection to begin the meeting with positive and collective support for our beloved community.

Flag Salute:
The Pledge of Allegiance was led by Chair Takahashi.

Roll Call:
Present: Member(s) Anthony, Rizzotti, Vice Chair Mullins, and Chair Takahashi
Absent: Perez
Also Present: Executive Director Hess, City Attorney McDougall, and Secretary Clark

Member Perez joined the meeting at 6:30 p.m. and participated remotely pursuant to Govt. Code §54953.8.3(c)(1).

Announcements, Council Presentations/Recognitions, City Manager Report, Reporting on Closed Session, Council Comments, Consideration of Previously Introduced Additional Agenda Items, and Introduction of Additional Agenda Items were City Council items only and can be found in the City Council Meeting Minutes.

Joint General Public Comment:
Appearing to comment were: Vanessa Bednar, Ron Bax, Roy Simison, Eric Conner, Mark Scroggs, Kreigh Hampel, Diana Fang, Bridget Underwood, Braeden Day, Kim Allender, Jacob Pierce, Andrea Goyan, Cameron Hunter, Janet Diel, Alfonso Directo Jr., Susan O'Carroll, Jo Pimienta, Jackie Waltman, Harry Timuryan, Paul Darrigo, Gina Mangiaracina, Ramy, Kristy Maloof, David Donahue, and Walter Lewis.

Calling in to comment were: Danielle, Jonathan Wilder, Rennie Gabriel, and Nathan Adair.

Council, City Manager, and/or City Attorney Comment:
Members and Staff responded to Public Comment.

Member Anthony left the dais at 8:21 p.m. and returned to the dais at 8:34 p.m.

Consent Calendar:
It was moved by Vice Chair Mullins, seconded by Member Anthony, to approve the Consent Calendar. The motion carried 5-0 with the following roll call vote: AYES: Anthony, Perez, Rizzotti, Mullins, and Takahashi. NOES: None.

Consent Calendar Item Nos. 1 and 3–6 were City Council items only and can be found in the City Council minutes.

2. Successor Agency Minutes

   Approve the Successor Agency Minutes of the Joint Meeting of April 7, 2026.

Reports to Council:

Reports to Council Item No. 1 was a City Council item only and can be found in the City Council minutes.

2. Review of the Proposed Fiscal Year 2026-27 Budget (with Successor Agency, Housing Authority, and Parking Authority)

   Jennifer Becker, Financial Services Director; Stephen Walker, Assistant Public Works Director – Wastewater Systems; John Molinar, Assistant Public Works Director – Streets and Waste Management; and Joseph Lillio, Chief Financial Officer, presented the PowerPoint presentation and responded to Successor Agency inquiries. Marisa Garcia, Parks and Recreation Director; Justin Hess, Executive Director; Patrick Prescott, Community Development Director; and Mandip Samra, General Manager – Burbank Water and Power, also responded to Agency inquiries.

   Public Comment:
   Appearing to comment were: Ralph Mundell and Brian Smith.

   Members voted by consensus to continue with City business past 11:00 p.m.

   Member Perez left the meeting at 11:01 p.m.

   Agency Action:
   It was approved by Agency consensus to review the proposed recommendations for the Fiscal Year 2025-26 Budget and Citywide Fee Schedule.

Member Anthony left the meeting at 11:16 p.m.

Adjournment:
There being no further business to come before the Successor Agency, the meeting was adjourned at 12:10 a.m. to Tuesday, May 19, 2026, for a Joint Meeting in the Council Chamber – 275 East Olive Avenue, Second Floor.

STAFF REPORT

CITY CLERK'S OFFICE

DATE: May 19, 2026

TO: Honorable Mayor and Members of the City Council

FROM: Kimberley Clark, City Clerk
BY: Eric Macis, Records Manager

SUBJECT: Approval of an Updated City of Burbank Records Retention Schedule and Adoption of a Resolution Amending the Citywide Records Retention Schedule

RECOMMENDATION

1. Approve the updated City of Burbank Records Retention Schedule.
2. Adopt A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK AMENDING THE CITYWIDE RECORDS RETENTION SCHEDULE.

BACKGROUND

Administrative Procedure I-8 prescribes the City's Records Management Program (RMP). Under the direction and supervision of the City Clerk, the RMP governs the creation, utilization, maintenance, retention, preservation, and disposition of all City records. Its purpose is to implement efficient, consistent, and cost-effective methods for managing records throughout their lifecycle, from creation through final disposition.

A Departmental Records Retention Schedule (DRRS) defines retention and disposition of City records in accordance with City, County, State, and Federal laws. Comprehensive revisions to the DRRS were approved by the Council in 2011, 2019, 2021, and 2024. Staff engaged Gladwell Governmental Services, Inc., a firm specializing in local government records management, to conduct a comprehensive update of the DRRS.

DISCUSSION

The DRRS (Attachment 2) guides the Citywide RMP and must be updated regularly to keep pace with rapidly advancing technology, current best practices, and evolving

legislative requirements. Regular updates ensure efficiency and consistency in the management of City records.

An updated DRRS supports the timely disposition of records, preservation of records that must be maintained beyond their active use, relocation of departmental records to the Records Center as appropriate, and safeguarding of records with historical value. Most importantly, the DRRS provides the legal authority for the disposition and destruction of departmental records that no longer need to be maintained, ensuring the City retains information only for as long as it is operationally or legally required while preventing unnecessary storage and maintenance of records whose informational value no longer justifies such costs.

The City Clerk's Office revised the DRRS in collaboration with representatives from each Department. The updated DRRS was subsequently reviewed and approved by the Executive Team, City Clerk, and City Attorney before submittal to the Council. The revised DRRS provides clear and specific descriptions of record series and their retention periods, and incorporates current law, City practices, and available technology into the governance of records disposition. The City will immediately benefit from increased operational efficiency through clearer designation of departmental responsibility for maintaining original records, reduced duplication, and standardized retention periods across all record series.

Consistent with past procedures, and in alignment with best practices, adoption of the Resolution (Attachment 1) by the City Council will allow for administrative destruction of records once consent is obtained from the Department Director, City Clerk, and City Attorney or their designees. These parties will review all records identified for destruction and authorize their disposition by signing an Authority to Destruct Records form.

ENVIRONMENTAL REVIEW

Amending the Citywide Records Retention Schedule involves administrative approvals related to existing and routine records maintenance, and thus has no potential to result in a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment. Accordingly, adoption of this resolution does not constitute a "project" under the California Environmental Quality Act (CEQA). See 14 Cal. Code Regs. § 15378.

FISCAL IMPACT

There is no fiscal impact associated with this item.

CONCLUSION

Staff recommend that Council approve and adopt the proposed Resolution amending and updating the City of Burbank Records Retention Schedule.

ATTACHMENTS

Attachment 1 – Resolution

Attachment 2 – Redlined Version of Existing Records Retention Schedule

RESOLUTION NO. _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK AMENDING THE CITYWIDE RECORDS RETENTION SCHEDULE

THE COUNCIL OF THE CITY OF BURBANK FINDS:

A. The City of Burbank Records Management Program was adopted in 1971 to maintain, utilize, retain, preserve, and dispose of City records in a lawful and organized manner. As part of that program, Departmental Records Retention Schedules (DRRS) were adopted and implemented, with the most recent update in 2024.

B. Best practices in records management require that the DRRS be periodically reviewed and updated to reflect technological advancements and changes in legal requirements. Updating the DRRS will improve efficiency, consistency, and transparency in the City's Records Management Program. The current DRRS has contributed to growth in stored records, which placed a significant burden on the City's limited storage capacity and available resources. A revised DRRS will ensure responsible, sustainable, and compliant records management practices.

C. California Government Code Section 34090 generally permits the destruction of City records after two years, with limited exceptions. However, many operational, legal, and historical circumstances require the City to retain certain records for periods longer than the statutory minimum. Accordingly, it is essential to maintain DRRS's that accurately reflect the City's specific needs and ensure the appropriate preservation of vital records.

D. City records may be destroyed with the written consent of the City Attorney and the approval of the City Council, which approval may be granted through the adoption of a DRRS by resolution. This process reflects recognized best practice, as it allows records to be destroyed on an as-needed basis throughout the year in accordance with an established, Council-approved schedule.

E. City staff, all departments, and a records management consultant engaged by the City have reviewed the current DRRS and contributed to the proposed revisions. The revised DRRS provides clear and specific descriptions of record types, establishes appropriate retention periods, and ensures consistency with applicable legal requirements.

F. Council previously adopted Resolution No. 24-29,509 approving the DRRS.

THE COUNCIL OF THE CITY OF BURBANK RESOLVES:

1. Resolution No. 24-29,509 is hereby rescinded.

2. The DRRS, attached as Exhibit A and incorporated by reference, is hereby approved. The City Clerk or their designee is authorized to make any non-substantive changes to finalize and implement the approved DRRS.

3. City records shall be retained for the minimum periods listed in the DRRS until approved for destruction in accordance with this Resolution.

4. City records as set forth in the DRRS are hereby authorized to be destroyed in accordance with the provision of the DRRS upon the request of the Department Director or designee, and with the consent in writing of the City Attorney and the City Clerk, or their designee.

PASSED and ADOPTED this _____ day of May 2026.

HOW TO USE RETENTION SCHEDULES

©1995-2026 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

A legend explaining the information presented in the retention schedule; please read this for an explanation of every column.

The specified retention period applies regardless of the media of the record: If a record is stored on paper and electronic format (a computer file on a hard drive), **all electronic and paper records should be destroyed (or deleted / erased) after the specified period of time has elapsed** and authorization to destroy has been obtained.

Copies or duplicates of records should never be retained longer than the prescribed period for the official (original) record, and drafts and copies should be destroyed as soon as they are no longer required.

The term "records" shall include all records as defined by the California Public Records Act.

STRUCTURE: CITY-WIDE, DEPARTMENTS & DIVISIONS

The City-wide retention schedule includes those records all departments have in common (e-mails, letters, memorandums, purchase orders, etc.). These records are NOT repeated in the Department retention schedule, unless that department is the Office of Record.

Each department has a separate retention schedule that describes the records that are unique to their department, or for which they are the Office of Record. The department retention schedules may be organized by Division within that Department. If a record is not listed in your department retention schedule, refer to the City-wide retention schedule, or look in the index to the schedules (provided after approval.)

BENEFITS

This retention schedule has been developed by Diane R. Gladwell, MMC, an expert in Municipal Government records, and will provide the City with the following benefits:

- Reduce administrative expenses, expedite procedures
- Free office space and computer storage space
- Reduce the cost of records storage – paper and electronic
- Eliminate duplication of effort within the City
- Find records faster
- Determine what media should be used to store records

AUTHORIZATION TO DESTROY RECORDS (Paper or Electronic Records):

Destruction or deletion of an **official (original) record** that has exceeded its retention period (and has SUBSTANTIVE CONTENT) must be **authorized prior to destruction or deletion.**

- If there is a **minimum** retention ("**Minimum 2 years**"), the destruction / deletion must be authorized before it is destroyed, as it is an official (original) record.

Copies, drafts, notes and non-records (or originals that do NOT have SUBSTANTIVE CONTENT) do **NOT require authorization,** and can be destroyed "**When No Longer Required**."

If there is **NOT** a minimum retention ("When No Longer Required"), it does NOT need to be authorized prior to destruction, as it is a preliminary draft, copy, or the Content is NOT Substantive.

On every page of the schedules (near the top, just under the column headings) are important instructions, including instructions regarding holds on destroying records. "**Litigation, complaints, claims, public records act requests, audits and/or investigations suspend normal retention periods (retention resumes after settlement or resolution).**"

RECORDS RETENTION SCHEDULE LEGEND

©1995 – 2025 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

OFR (Office of Record): The department that keeps the Official (original or "record copy") record for its retention period, then authorizes destruction. Usually, it is the department that originates the record. The official (original) record may be the paper / hard copy version of the record; however the electronic record may be the official (original) record. See the "Destroy Paper after Imaged & QC'd" below for the Legal Requirements for the electronic record to be the official (original) record.

Records Description: The record series (a group of like records).

Non-Record: Documents, studies, books and pamphlets produced by outside agencies, preliminary drafts not retained in the ordinary course of business.

Retention/Disposition:
Active *(guideline)*: How long the file remains in the immediate office area
Inactive *(guideline)*: How long the file is in off-site storage, stored electronically in accordance with law (see below)
Total Retention: The total number of years the record is retained

For file folders containing documents with different retention timeframes, use the document with the longest retention time.
P = Permanent
Indefinite = No fixed or specified retention period; used for databases, because the data fields are interrelated and certain data may require minimum retention.
Vital? = Those records that are needed for basic operations in the event of a disaster.

Media Options (*guideline*) **terms used in State law**:
Mag = Electronic Computer Magnetic Media (Hard drives, Networks, USB Drives, Cloud, etc.)
Mfr = Microforms (aperture cards, microfilm, microfiche, or jackets)
Ppr = Paper, Mylar, Linen, "Hard Copy"
OD = Optical Disk or other **Unalterable Media which does not allow changes**

Scan / Import (*guideline*)**:**
"S" indicates the record should be scanned into the document imaging system;
"I" indicates the record should be electronically imported into the document imaging system;
"M" indicates the record was microfilmed

Destroy Paper after Imaged & QC'd (quality checked) / Trustworthy Electronic Record: "Yes" means the **electronic** record may serve as the **OFFICIAL** record (and the paper version may be destroyed, or the record may be electronically generated and never exist in paper format) **IF (these are the legal requirements for the electronic record to serve as the official (original) record)** the electronic record is also **placed on Unalterable Media, Immutable Cloud Media, Optical Disk (OD), DVD-R, CD-R, Blue-ray-R, or WORM**, **or microfilmed**) which is **stored in a safe & separate location**.
Employees are required to Quality Check ("QC'd") both the images and the indexes, and ensure the electronic record **contains all significant details from the original and be an adequate substitute for the original document for all purposes;** other legal mandates may apply.

RESOLUTION NO. 26-29,693

A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK AMENDING THE CITYWIDE RECORDS RETENTION SCHEDULE

THE COUNCIL OF THE CITY OF BURBANK FINDS:

A. The City of Burbank Records Management Program was adopted in 1971 to maintain, utilize, retain, preserve, and dispose of City records in a lawful and organized manner. As part of that program, Departmental Records Retention Schedules (DRRS) were adopted and implemented, with the most recent update in 2024.

B. Best practices in records management require that the DRRS be periodically reviewed and updated to reflect technological advancements and changes in legal requirements. Updating the DRRS will improve efficiency, consistency, and transparency in the City's Records Management Program. The current DRRS has contributed to growth in stored records, which placed a significant burden on the City's limited storage capacity and available resources. A revised DRRS will ensure responsible, sustainable, and compliant records management practices.

C. California Government Code Section 34090 generally permits the destruction of City records after two years, with limited exceptions. However, many operational, legal, and historical circumstances require the City to retain certain records for periods longer than the statutory minimum. Accordingly, it is essential to maintain DRRS's that accurately reflect the City's specific needs and ensure the appropriate preservation of vital records.

D. City records may be destroyed with the written consent of the City Attorney and the approval of the City Council, which approval may be granted through the adoption of a DRRS by resolution. This process reflects recognized best practice, as it allows records to be destroyed on an as-needed basis throughout the year in accordance with an established, Council-approved schedule.

E. City staff, all departments, and a records management consultant engaged by the City have reviewed the current DRRS and contributed to the proposed revisions. The revised DRRS provides clear and specific descriptions of record types, establishes appropriate retention periods, and ensures consistency with applicable legal requirements.

F. Council previously adopted Resolution No. 24-29,509 approving the DRRS.

THE COUNCIL OF THE CITY OF BURBANK RESOLVES:

1. Resolution No. 24-29,509 is hereby rescinded.

2. The DRRS, attached as Exhibit A and incorporated by reference, is hereby approved. The City Clerk or their designee is authorized to make any non-substantive changes to finalize and implement the approved DRRS.

3. City records shall be retained for the minimum periods listed in the DRRS until approved for destruction in accordance with this Resolution.

4. City records as set forth in the DRRS are hereby authorized to be destroyed in accordance with the provision of the DRRS upon the request of the Department Director or designee, and with the consent in writing of the City Attorney and the City Clerk, or their designee.

PASSED and ADOPTED this 19th day of May 2026.

Kimberley Clark, City Clerk

HOW TO USE RETENTION SCHEDULES

©1995-2026 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

A legend explaining the information presented in the retention schedule; please read this for an explanation of every column.

The specified retention period applies regardless of the media of the record: If a record is stored on paper and electronic format (a computer file on a hard drive), **all electronic and paper records should be destroyed (or deleted / erased) after the specified period of time has elapsed** and authorization to destroy has been obtained.

Copies or duplicates of records should never be retained longer than the prescribed period for the official (original) record, and drafts and copies should be destroyed as soon as they are no longer required.

The term "records" shall include all records as defined by the California Public Records Act.

STRUCTURE: CITY-WIDE, DEPARTMENTS & DIVISIONS

The City-wide retention schedule includes those records all departments have in common (e-mails, letters, memorandums, purchase orders, etc.). These records are NOT repeated in the Department retention schedule, unless that department is the Office of Record.

Each department has a separate retention schedule that describes the records that are unique to their department, or for which they are the Office of Record. The department retention schedules may be organized by Division within that Department. If a record is not listed in your department retention schedule, refer to the City-wide retention schedule, or look in the index to the schedules (provided after approval.)

BENEFITS

This retention schedule has been developed by Diane R. Gladwell, MMC, an expert in Municipal Government records, and will provide the City with the following benefits:

- Reduce administrative expenses, expedite procedures
- Free office space and computer storage space
- Reduce the cost of records storage – paper and electronic
- Eliminate duplication of effort within the City
- Find records faster
- Determine what media should be used to store records

AUTHORIZATION TO DESTROY RECORDS (Paper or Electronic Records):

Destruction or deletion of an **official (original) record** that has exceeded its retention period (and has SUBSTANTIVE CONTENT) must be **authorized prior to destruction or deletion.**

- If there is a **minimum** retention ("**Minimum 2 years**"), the destruction / deletion must be authorized before it is destroyed, as it is an official (original) record.

Copies, drafts, notes and non-records (or originals that do NOT have SUBSTANTIVE CONTENT) do **NOT require authorization,** and can be destroyed "**When No Longer Required**."

If there is **NOT** a minimum retention ("When No Longer Required"), it does NOT need to be authorized prior to destruction, as it is a preliminary draft, copy, or the Content is NOT Substantive.

On every page of the schedules (near the top, just under the column headings) are important instructions, including instructions regarding holds on destroying records. "**Litigation, complaints, claims, public records act requests, audits and/or investigations suspend normal retention periods (retention resumes after settlement or resolution).**"

RECORDS RETENTION SCHEDULE LEGEND

©1995 – 2025 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

OFR (Office of Record): The department that keeps the Official (original or "record copy") record for its retention period, then authorizes destruction. Usually, it is the department that originates the record. The official (original) record may be the paper / hard copy version of the record; however the electronic record may be the official (original) record. See the "Destroy Paper after Imaged & QC'd" below for the Legal Requirements for the electronic record to be the official (original) record.

Records Description: The record series (a group of like records).

Non-Record: Documents, studies, books and pamphlets produced by outside agencies, preliminary drafts not retained in the ordinary course of business.

Retention/Disposition:
Active *(guideline)*: How long the file remains in the immediate office area
Inactive *(guideline)*: How long the file is in off-site storage, stored electronically in accordance with law (see below)
Total Retention: The total number of years the record is retained

For file folders containing documents with different retention timeframes, use the document with the longest retention time.
P = Permanent
Indefinite = No fixed or specified retention period; used for databases, because the data fields are interrelated and certain data may require minimum retention.
Vital? = Those records that are needed for basic operations in the event of a disaster.

Media Options (*guideline*) **terms used in State law**:
Mag = Electronic Computer Magnetic Media (Hard drives, Networks, USB Drives, Cloud, etc.)
Mfr = Microforms (aperture cards, microfilm, microfiche, or jackets)
Ppr = Paper, Mylar, Linen, "Hard Copy"
OD = Optical Disk or other **Unalterable Media which does not allow changes**

Scan / Import (*guideline*)**:**
"S" indicates the record should be scanned into the document imaging system;
"I" indicates the record should be electronically imported into the document imaging system;
"M" indicates the record was microfilmed

Destroy Paper after Imaged & QC'd (quality checked) / Trustworthy Electronic Record: "Yes" means the **electronic** record may serve as the **OFFICIAL** record (and the paper version may be destroyed, or the record may be electronically generated and never exist in paper format) **IF (these are the legal requirements for the electronic record to serve as the official (original) record)** the electronic record is also **placed on Unalterable Media, Immutable Cloud Media, Optical Disk (OD), DVD-R, CD-R, Blue-ray-R, or WORM**, **or microfilmed**) which is **stored in a safe & separate location**.
Employees are required to Quality Check ("QC'd") both the images and the indexes, and ensure the electronic record **contains all significant details from the original and be an adequate substitute for the original document for all purposes;** other legal mandates may apply.

STAFF REPORT

COMMUNITY DEVELOPMENT

DATE: May 19, 2026

TO: Justin Hess, City Manager/Housing Authority Executive Director

FROM: Patrick Prescott, Community Development Director/Housing Authority Assistant Executive Director
BY: Maribel Leyland, Assistant Community Development Director

SUBJECT: Adoption of Resolutions with the Burbank Housing Corporation Transitioning Activity Center Programming Off-Site and Allowing Alternate Uses; and Resolutions for Conditional Financial Commitment/Reservation/Award Letters for 2321-2335 North Fairview Street (The Village at Fairview Street)

RECOMMENDATION

1. Adopt four individual Resolutions of the Council of the City of Burbank (Attachments 1 – 4) each approving a Modification Agreement (Attachments 9 –12) regarding the use of 2321 North Catalina Street, 153 West Elmwood Avenue, 1819 Grismer Avenue, and 241 West Verdugo Avenue among the City of Burbank, the Housing Authority of the City of Burbank, and the Burbank Housing Corporation (BHC), making a determination of categorical exclusion under the National Environmental Policy Act (NEPA), and making a determination of categorical exemption under the California Environmental Quality Act (CEQA); and

2. Adopt four individual Resolutions of the Housing Authority of the City of Burbank (Attachments 5 – 8) each approving a Modification Agreement (Attachments 9 – 12) regarding the use of 2321 North Catalina Street, 153 West Elmwood Avenue, 1819 Grismer Avenue, and 241 West Verdugo Avenue among the City of Burbank, the Housing Authority of the City of Burbank, and the Burbank Housing Corporation and making a determination of categorical exemption under the California Environmental Quality Act (CEQA); and

3. Adopt A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK APPROVING A COMMITMENT LETTER TO ROLL-OVER AN EXISTING CITY LOAN OF $1,215,384.73 AND APPROVING A COMMITMENT LETTER TO CONDITIONALLY RESERVE HOME FUNDS FOR A NEW LOAN OF $2,592,389 TO THE BURBANK HOUSING CORPORATION FOR THE VILLAGE AT FAIRVIEW PROJECT; and

4. Adopt A RESOLUTION OF THE HOUSING AUTHORITY OF THE CITY OF BURBANK APPROVING A COMMITMENT LETTER TO ROLL-OVER AN EXISTING HOUSING AUTHORITY LOAN OF $1,664,040 AND TO EXTEND A NEW LOAN OF $5,772,883 TO THE BURBANK HOUSING CORPORATION FOR THE VILLAGE AT FAIRVIEW PROJECT, AND APPROVING AN AWARD OF PROJECT-BASED SECTION 8 VOUCHERS TO THE PROJECT.

BACKGROUND

The City and Housing Authority have long partnered with BHC to operate affordable housing units and community-serving activity centers. In a Joint Study Session with the City Council and the Housing Authority on April 21, 2026 (Study Session), BHC expanded on their multi-phase reorganization and financial sustainability plan. As part of the long-term plan, BHC proposed transitioning Activity Center programming for four centers off-site and utilizing those facilities in a way that would better serve long-term financial stability for the organization and provide additional affordable housing in the community, along with management office space (Attachment 18).

Additionally, BHC presented The Village at Fairview project, a 60-unit affordable housing project requiring the removal of the Fairview parcels from the Master Loan Agreement, restructuring of existing City and Housing Authority loans, issuance of new loan commitments, and approval of a preliminary award of Low-and Moderate-Income Housing Asset Funds (LMIHAF), Federal HOME funds, and project-based vouchers. These actions are a prerequisite to BHC's submitting a competitive tax credit application.

Based on the feedback from the Council and Housing Authority Board during the Study Session, this report outlines the required modification documents for the Activity Center programming and use changes and summarizes the terms in the proposed conditional commitment/reservation/award letters for review and consideration by the City Council and Housing Authority Board.

DISCUSSION

The proposal and actions presented during the Study Session related to Activity Center programming and The Village at Fairview Project, collectively support BHC's financial and

operational restructuring and the creation of additional affordable housing units. The requested actions follow:

1. Modification agreements allowing the conversion of four Burbank Housing Corporation (BHC) activity centers to other permitted uses; and
2. Conditional commitment/reservation/award letters to support BHC's tax credit application for The Village at Fairview affordable housing development.

Upon a tax credit award, staff will return with final financing documents for the Project and the MLA Phase II documents to release the Fairview properties from the BHC portfolio for new development.

TRANSITION ACTIVITY CENTER PROGRAMMING TO OFF-SITE/ALTERNATE USES

As described during the Study Session, BHC has declining participation at its onsite activity centers. Several households who originally benefited from the centers have aged out of school-based programming or attend elsewhere. Households requiring this service will transition to Activity Center programming managed by the Boys and Girls Club at individual school sites. BHC will provide financial and other support to individual households as needed. This change requires amendments to various agreements for the activity centers to remove on-site operational obligations and authorize new permitted uses. Transition of the Activity Center programming will occur in phases by property as summarized below:

- *Peyton Grismer Activity Center – 1819 Grismer Avenue*
  End all Activity Center obligations effective June 2026 and allow use of the current activity center space as a management office effective September 1, 2026.

- *Elmwood Achievement Center – 153 W. Elmwood Avenue*
  End all Achievement Center obligations effective Fall 2027 and permit conversion of the current achievement center space to two moderate-income 1-bed/1-bath units operative by January 1, 2029.

- *Golden State Activity Center – 2321 N. Catalina Street*
  End all Activity Center programming effective June 2026 and permit conversion of the current activity center space to a moderate-income 2-bed/1.5-bath unit operative by January 1, 2028.

- *Verdugo Activity Center – 241 W. Verdugo Avenue*
  End all Activity Center programming effective June 2026 and permit conversion of the current activity center space to a moderate-income 2-bed/1 bath unit operative by January 1, 2028.

The creation of additional affordable housing units will occur over the course of two to three years with the last of the spaces (Elmwood Achievement Center) transitioning to housing in 2029. With approval of the proposed modification agreements, BHC will begin working with their architect on schematic designs and begin the entitlement process.

PHASE II MLA AMENDMENTS AND THE VILLAGE AT FAIRVIEW FINANCING

The Village at Fairview project is estimated to cost $50 million. BHC submitted a financing proposal requesting financial assistance from the City and Housing Authority to finance the development with Low-and Moderate-Income Housing Asset funds (LMIHAF), federal Home Investment Partnerships funds (HOME) and project-based vouchers. In addition, BHC will submit a tax credit application later this year to finance the development.

Proposed New Financial Assistance

To submit their tax credit application, BHC has requested the City Council and Housing Authority Board consider authorizing the City Manager/Executive Director to execute conditional commitment/reservation/award letters for the City/Authority requested funds. If BHC is awarded funds through the tax credit application, staff will return to Council and the Housing Authority Board to execute complete loan documents and subordination agreements for the City funds and Housing Authority funds.

City/Authority Proposed Assistance and Funding Sources	Total
Authority Loan to BHC (LMIHAF)	$5,772,883
City Loan to BHC (HOME)	$2,592,389
Total City/Authority Sources	**$8,365,272**

Project Based Vouchers

BHC's proposal includes a reservation of 20 project-based vouchers (PBVs) in response to a Request for Proposals (RFP) issued by the Housing Authority. Of the 20 PBVs requested, 15 will be utilized for formerly homeless households. To support those households, BHC will provide services via a local service provider. BHC is also requesting a conditional award letter for the PBV allocation.

Conditional Commitment/Reservation/Award Letters

To support The Village at Fairview tax credit application, BHC requests the City and Housing Authority Board authorize the City Manager/Executive Director to execute conditional commitment/reservation/award letters as stated below:

City Council conditional commitment/reservation letters

1) Commitment letter to recast (roll-over) the existing $1,215,384.73 City loans,

contingent upon an award of tax credits and other terms and conditions set forth in the commitment letter (Attachment 14); and

2) Reservation letter to make a new loan of $2,592,389 in federal HOME funds, contingent upon an award of tax credits and other terms and conditions set forth in the commitment letter (Attachment 15).

Housing Authority Board conditional commitment/award letters:

1) Commitment letter to recast (roll-over) the existing $1,664,040 Housing Authority loans and to make a new loan of $5,772,883 from the Low- and Moderate-Income Housing Asset Fund, each contingent upon an award of tax credits and other terms and conditions set forth in the commitment letter (Attachment 14); and

2) Award letter for 20 Project-Based Vouchers, including 15 reserved for formerly homeless households, contingent upon an award of tax credits and other terms and conditions set forth in the award letter (Attachment 17).

Future Consideration of Complete Documents

Upon a tax credit award, staff will return to the City Council and Housing Authority Board to approve complete loan documents for the recast (roll-over) Housing Authority and City loans and related, updated and new loan and subordination documents for the new financial assistance of Low- and Moderate-Income Housing Asset Funds and federal HOME funds. Those documents will include removing the Fairview properties from all MLA-related agreements. The following is a summary of those future actions after a tax credit award:

1. Amendment of the MLA and MLA Promissory Notes
2. Termination of Affordable Housing Agreements relating to the Fairview parcels
3. Reconveyance and release of MLA deeds of trust and regulatory agreements from the Fairview parcels
4. Execution of a new loan agreement(s) and related loan documents regarding the roll-over of the existing City and Housing Authority loans, the new City and Housing Authority loans, and new regulatory agreements reflecting revised affordable unit counts and 55-year affordability requirements

As discussed during the Study Session, the proposed actions for MLA Phase II summarized above, along with the proposed changes to transition the activity center programming off-site, will provide BHC with the financial ability to develop The Village at Fairview project.

ENVIRONMENTAL REVIEW

The modification documents transitioning the activity centers off site, and the conditional commitment/reservation/award letters are not projects subject to the California Environmental Quality Act (CEQA) under State CEQA Guidelines § 15060(c)(2), in that document modifications and conditional commitment/reservation/award letters will not result in a direct or reasonably foreseeable indirect physical change in the environment, and is further and independently exempt from the California Environmental Quality Act under State CEQA Guidelines § 15061(b)(3), in that it can be seen with certainty there is no possibility the modification documents and conditional commitment letters will have a significant effect on the environment. When BHC processes entitlement applications for the alternate uses of the activity center spaces, the appropriate environmental review will be conducted at that time. CEQA/NEPA actions associated with The Village at Fairview are complete.

FISCAL IMPACT

Activity Center modification agreements do **not** result in a direct fiscal impact to the City General Fund or to the Burbank Housing Authority. Authorizing the City Manager/Executive Director to execute conditional commitment/reservation/award letters will **not** have a financial impact at this time.

However, if BHC successfully obtains a tax credit award, staff will return with amendments to loan and subordination documents for the City Council and Housing Authority Board Approval, which will reflect the following City and Housing Authority financing for The Village at Fairview:

- Recasting existing Housing Authority and City loans for the current project site
- A new $ $5,772,883 Housing Authority LMIHAF loan
- A new $2,592,389 City HOME loan
- A conditional award of 20 Project-Based Vouchers

The recommended action is the execution of conditional commitment of funds/resources required to assemble a complete financing package for the tax credit application. Final consideration of financing and resources will be presented to the Council and Housing Authority Board at a later date (estimated to be September 2026).

CONCLUSION

Staff recommends Council adopt the Resolutions accepting amendments to the four activity centers and adopt the Resolutions authorizing the City Manager/Executive Director to approve the attached commitment/reservation/award letters with the understanding that should BHC successfully receive a tax credit award, staff will return to

Council and the Housing Authority Board with formalized amendments reflecting the financial commitments.

RESOLUTION NO. _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK APPROVING A MODIFICATION AGREEMENT REGARDING THE USE OF 2321 NORTH CATALINA STREET AMONG THE CITY OF BURBANK, THE HOUSING AUTHORITY OF THE CITY OF BURBANK, AND THE BURBANK HOUSING CORPORATION, MAKING A DETERMINATION OF CATEGORICAL EXCLUSION UNDER THE NATIONAL ENVIRONMENTAL POLICY ACT (NEPA), AND MAKING A DETERMINATION OF CATEGORICAL EXEMPTION UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

THE COUNCIL OF THE CITY OF BURBANK FINDS:

A. The Burbank Housing Corporation (the “Owner”) is proposing the conversion of the use of the Activity Center located at 2321 North Catalina Street (the "Activity Center") to use as one moderate income two bedroom unit.

B. To document this change of use, the City of Burbank (the "City"), Housing Authority of the City of Burbank (the "Authority"), and Owner desire to enter into a Modification Agreement (the "Agreement") of their existing agreements regarding the use of the Activity Center space.

C. The Owner is not requesting City or Authority financial assistance for the change in use of the Activity Center space.

D. The City has duly considered all terms and conditions of the proposed Agreement and believes that the modification of the use of the Activity Center space pursuant thereto, is in the best interests of the City and the health, safety, and welfare of its residents, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

E. The project is categorically excluded under the National Environmental Policy Act (NEPA) pursuant to 24 CFR 58.35(a).

F. The project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 of the CEQA Guidelines as minor alteration of existing facilities.

THE COUNCIL OF THE CITY OF BURBANK RESOLVES:

1. The Modification Agreement for 2321 North Catalina Street in the form attached to the Staff Report dated May 19, 2026, together with all exhibits is approved.

2. The City Manager or their designee is authorized to execute the Agreement and all documents attached thereto, on behalf of the City. The City Manager and their designees are further authorized to implement the Agreement on behalf of the City and

take all further actions and execute all documents necessary or appropriate to carry out the Agreement. The City Attorney retains the authority to make minor modifications as long as the financial terms remain unaffected.

3. The aforementioned Agreement and any related documents shall be retained by the City Clerk as a permanent file.

MODIFICATION AGREEMENT
(Project No. 8A,
Golden State Activity Center (aka Community Resource Center),
2321 N. Catalina Street)

THIS MODIFICATION AGREEMENT (the "Modification Agreement") is entered into as of _____ 2026 (the "Effective Date") among the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Authority") as successor to the housing assets and duties of the dissolved Redevelopment Agency of the City of Burbank (the "Agency"), the **CITY OF BURBANK**, a municipal corporation and charter city (the "City"), and **BURBANK HOUSING CORPORATION,** a California nonprofit public benefit corporation ("BHC"). The Authority, the City, and BHC are each referred to as a "Party," and collectively are referred to as the "Parties."

RECITALS

A. BHC is the owner of certain property located at 2321-2323 N. Catalina Street, Burbank, California and more particularly described on Exhibit A attached hereto and made a part hereof (the "Property"). BHC desires to change the use of the activity center space currently located on the Property at 2321 N. Catalina Street (the "Activity Center Space") to one (1) moderate income 2 bedroom/1½ bath residential unit no later than January 1, 2028.

B. BHC and the Agency entered into an Affordable Housing Agreement dated June 17, 2004 (the "AHA"), whereby BHC agreed to rehabilitate the Property, along with 2321 North Fairview Street.

C. In connection with the AHA, BHC and the Agency entered into a Regulatory Agreement dated as of June 17, 2004, and recorded on the Property on June 23, 2004 as Document No. 04-1599871 in the Official Records (the "Regulatory Agreement"). The Regulatory Agreement was amended by Amendment No. 2 to Affordable Housing Agreements

and Related Regulatory Agreements dated as of September 23, 2010 (the "Global Amendment No. 2"), and the related Regulatory Agreement Amendment dated as of September 23, 2010 and recorded on the Property on October 19, 2010 as Document No. 20101493655 in the Official Records (the "Global Regulatory Agreement Amendment"). The Regulatory Agreement and the Global Regulatory Agreement Amendment were amended by that Third Amendment to Regulatory Agreement (Phase 1 – 2025 Master Loan Amendment – Catalina – Project No. 8A) dated as of September 22, 2025 and recorded on the Property on December 2, 2025 as Document No.20250862075 in the Official Records (the "Third Regulatory Agreement Amendment").

D. The Agency made a loan to BHC through the AHA. The City, the Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008, which combined the loans made by the City and Agency for the Property and other properties into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual properties as one large project (the "MLA"). On January 14, 2025, the Authority, the City and BHC entered into the Amended and Restated Master Loan Agreement (Phase 1) which amended and restated in their entirety the Loan Agreement (as amended), promissory note (as amended), deed of trust (as amended), MLA, and other agreements related to Property and twenty-three other properties (the "2025 MLA").

E. The Parties now desire to modify the AHA, the 2025 MLA, the Regulatory Agreement, the Global Amendment No. 2, the Global Regulatory Agreement Amendment, the Third Regulatory Agreement Amendment and any and all documents by or among any of the Parties related to Property in Burbank, California (the "Catalina Documents") attached as Exhibit B to permit the conversion of the Activity Center Space to one (1) moderate income 2 bedroom/1½ bath residential unit.

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by this reference, and the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, it is hereby declared, understood and agreed as follows:

1. Defined Terms. All capitalized terms not defined in this Modification Agreement shall have the meanings ascribed to them in the 2025 MLA.

2. Conversion of Use. The Parties agree that BHC can cease the use of the Activity Center Space as an activity center as of June 2026 and thereafter renovate the Activity Center Space as one (1) 2 bedroom/1½ bathroom residential unit to be occupied by and rented at affordable rent (as defined the Regulatory Agreement) by Low or Moderate Income Households (as defined in the Regulatory Agreement) no later than January 1, 2028. BHC is not requesting financial assistance from the City or the Authority for this renovation.

3. Amendment of AHA. Effective as of the Effective Date unless otherwise noted below, the AHA is hereby amended as follows:

(a) Effective as of January 1, 2028, the first paragraph on Section 301 is replaced with the following:

"The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), six (6) of the rehabilitated housing units on the Property to Lower Income Household as defined in Health and Safety Code Section 50079 .5 ("Lower Income Units"), and eight (8) of the rehabilitated housing units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 ("Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 302 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units and the other five Moderate Income Units are two-bedroom units (with at least one of these two-bedroom to include one and one-half baths). Other than complying with the affordability mix required by the first sentence of this paragraph, and the bedroom mix required of the second sentence of this paragraph, nothing in this Agreement shall be construed to require specific units within the Property to be restricted. After a tenant's initial occupancy of an Affordable Units, the tenant's income may increase above the levels prescribed for Very Low Income Households, Lower Income Households, or Persons and Families of Low or Moderate Income, as applicable, provided that if the tenant's income exceeds fifty percent (50%) for a Very Low Income Household, eighty percent (80%) for a Lower Income Household, or one hundred twenty (120%) for a Person or Family of Low or Moderate Income Household, adjusted for family size, the rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below."

4. Amendment of Regulatory Agreement. Effective as of the Effective Date unless otherwise noted below, the Regulatory Agreement is hereby amended as follows:

(a) The words "including the conversion of an existing building into an activity center," are hereby deleted from Recital C.

(b) Effective as of January 1, 2028, the first paragraph on Section 4 is replaced with the following:

"The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), six (6) of the rehabilitated housing units on

the Property to Lower Income Household as defined in Health and Safety Code Section 50079 .5 ("Lower Income Units"), and eight (8) of the rehabilitated housing units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 ("Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 5 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units and the other five Moderate Income Units are two-bedroom units (with at least one of these two-bedroom to include one and one-half baths). Other than complying with the affordability mix required by the first sentence of this paragraph, and the bedroom mix required of the second sentence of this paragraph, nothing in this Agreement shall be construed to require specific units within the Property to be restricted. After a tenant's initial occupancy of an Affordable Units, the tenant's income may increase above the levels prescribed for Very Low Income Households, Lower Income Households, or Persons and Families of Low or Moderate Income, as applicable, provided that if the tenant's income exceeds fifty percent (50%) for a Very Low Income Household, eighty percent (80%) for a Lower Income Household, or one hundred twenty (120%) for a Person or Family of Low or Moderate Income Household, adjusted for family size, the rent charged by Developer may be increased to the maximum rent set forth in Section 5 hereof. The Developer shall comply with the terms set forth below."

5. Amendment of 2025 MLA. Effective as of the Effective Date unless otherwise noted below, the 2025 MLA is hereby amended as follows:

(a) The last three sentences of Recital E are hereby deleted.

(b) The words "and construction of an activity center to be used for after school care by the focus neighborhood of the Grismer and Elliott projects" are hereby deleted from Recital I.6.

(c) The second sentence of Recital I.8 reading "An activity center serves the neighborhood" is hereby deleted.

(d) The fourth sentence of Recital I.9 reading "An activity center serves the neighborhood" is hereby deleted.

(e) Effective as of January 1, 2028, the text in (d) of the definition of "Operating Expenses in Section 1.2 reading "specific expenses required in the operation of on-site activity centers" is replaced with "INTENTIONALLY DELETED".

(f) The words "activity centers and" are hereby deleted from Section 1.9.

6. Amendment of the Global Amendment No. 2. Effective as of the Effective Date unless otherwise noted below, Global Amendment No. 2 is hereby amended as follows:

(a) The last three sentences in Recital D of Global Amendment No. 2 are hereby deleted.

(b) The second sentence in Recital N is hereby deleted.

(c) The second sentence in Recital O is hereby deleted.

7. References to Activity Center or Activity Center. All references to the activity center or activity center are hereby deleted from the Catalina Documents.

8. Full Force and Effect. Except as set forth in this Modification Agreement, the Catalina Documents remain unmodified and are in full force and effect.

9. Exhibits and Attachments Incorporated**.** All exhibits and attachments referred to in this Modification Agreement and attached to it are hereby incorporated in it by this reference. In the event there is a conflict between any of the terms of this Modification Agreement and any of the terms of any exhibit or attachment to this Modification Agreement, the terms of this Modification Agreement shall control the respective duties and liabilities of the parties hereto.

10. Successors and Assigns. This Modification Agreement shall be binding on and inure to the benefit of the legal representatives, heirs, successors and assigns of the parties.

11. California Law. This Modification Agreement shall be governed by and construed in accordance with the laws of the State of California.

12. Counterparts. This Modification Agreement may be signed by the different parties hereto in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement.

Exhibit A

Legal Description of the Property

That certain real property situated in the City of Burbank, County of Los Angeles, State of California, and described as follows:

LOTS 100 AND 101 OF TRACT NO. 9443, IN THE CITY OF BURBANK, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 144 PAGES 5 AND 6 OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY.

AFFORDABLE HOUSING AGREEMENT

THIS AFFORDABLE HOUSING AGREEMENT (the "Agreement") is entered into as of JUNE 17, 2004, by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

B. The Developer has entered into an agreement to purchase real property at 2321 North Fairview Street and 2321-2323 Catalina Street in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference. The Property is improved with a two-story apartment building containing six units at 2321 North Fairview Street and two one-bedroom detached single-family dwellings, a duplex comprised of studio units and an eight-unit apartment building at 2321-2323 Catalina Street.

D. By this Agreement, the Agency desires to provide financial assistance to the Developer in the form of a loan from the Housing Fund in the amount of Three Million One Hundred Forty Three Thousand ($3,143,000) (the "Agency Loan"), to acquire and rehabilitate the Property. In consideration for the Agency Loan, the Developer desires to acquire and rehabilitate the Property, and to maintain the Property as an affordable housing project.

E. The acquisition, rehabilitation and operation of the Property pursuant to this Agreement is in the vital and best interest of the City and the health, safety and welfare of the residents of the City, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

NOW, THEREFORE, the parties hereto agree as follows:

100. AGENCY ASSISTANCE

101. Agency Loan. The Agency agrees to loan to the Developer and the Developer hereby agrees to borrow from the Agency the amount of Three Million One Hundred Forty Three Thousand ($3,143,000) (the "Agency Loan"), subject to the terms and conditions set forth in this Agreement, and subject further to the terms and conditions set forth within the documents and instruments executed by the Developer in connection with this transaction, including the "Promissory Note," in substantially the form set forth in Exhibit B, the "Deed of Trust," in substantially the form set forth in Exhibit C, and the "Regulatory Agreement," in substantially the form set forth in Exhibit F. The terms of repayment and interest are set forth in the Promissory Note. The portion of the Agency Loan equal to $2,427,000 plus the amount of funds necessary to pay escrow, title, and other closing costs related to the acquisition of the Property shall be disbursed to or on behalf of the Developer for the acquisition of the Property. The portion of the Agency Loan remaining after

acquisition of the Property shall be disbursed to or on behalf of Developer for the purpose of causing the Rehabilitation of the Property, in compliance with Section 103, subsections (h), (i), and (j), as applicable. The Agency Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 103 hereof.

102. Use of Loan Proceeds. If there are any remaining proceeds of the Agency Loan after the completion of the Rehabilitation, such proceeds shall be paid back to the Agency in repayment of a portion of the Agency Loan. The proceeds of the Agency Loan shall not be used for project reserve accounts, monitoring, servicing and origination fees, or for expenditures made or incurred more than one year. The Agency Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 103 hereof.

103. Conditions Precedent to Disbursement of Agency Loan. The Agency Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the following conditions:

a. Execution and Delivery of Documents. Developer shall have executed and delivered into the escrow established for the acquisition of the Property the Promissory Note, the Deed of Trust, the Regulatory Agreement, and any other documents and instruments required to be executed and delivered by Developer (collectively, the "Loan Documents"). The Deed of Trust shall be a first priority lien upon the Property and shall be non-recourse obligations of the Developer.

b. Financing. The Agency shall have determined that the Developer has sufficient funds, in addition to the Agency Loan, if necessary, to finance the acquisition and Rehabilitation of the Property. In the event the Developer and Agency determine after the close of escrow that the Agency Loan are together insufficient to rehabilitate the Property, Developer may submit a proposal to the Agency to amend this Agreement.

c. Property Appraisal. Agency shall have conducted any appraisals of the Property and/or evaluations of market data which it desires, demonstrating to their satisfaction that the purchase price to be paid by the Developer for the Property is not greater than the fair market value of the Property.

d. Insurance. The Developer shall have presented a certificate to the Agency of the insurance policies which are required pursuant to Section 207 hereof.

e. Title Insurance. If desired by the Agency, the requesting party or parties shall have received from a title insurance company approved by the requesting party or parties a policy of lender's title insurance with mechanic's lien coverage, together with such endorsements as the insured party may require, which shall insure the deed of trust of the requesting party or parties as a valid lien upon the Property, in the lien priority required by this Agreement, and subordinate only to those liens and encumbrances reasonably approved by the insured party.

f. Title to Land. The Developer shall, as of the closing and disbursement of the Agency Loan, have good and marketable fee title to the Property, and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than the liens for current real property taxes and assessments not yet due and payable, and any other matters approved in writing by the Agency. The Developer hereby covenants and agrees to seek to acquire the Property in a timely manner and in accordance with the Schedule of Performance attached hereto.

g. Recordation. The Deed of Trust and the Regulatory Agreement shall be recorded against the Property concurrently with or prior to the time of the first disbursement of the Agency Loan.

h. Request for Payment. For payment of Rehabilitation costs, Developer shall have submitted a request for payment to the Agency on a form supplied by the Agency, together with invoices from contractors and subcontractors and any other requested information and documents, indicating that the particular item of Rehabilitation work for which payment is being requested is complete.

i. Inspection of Work. For payment of Rehabilitation costs, the Agency shall have inspected the particular item of Rehabilitation work for which payment is being requested and shall have determined that such Rehabilitation work has been completed in accordance with this Agreement and has been completed in a satisfactory manner in accordance with the standards of the construction industry.

j. Completion of Project. For payment of the development management fee to the Developer, the Rehabilitation of the Property shall have been completed in accordance with the requirements of this Agreement.

k. No Default. There shall exist no condition, event or act which would constitute an Event of Default (as hereinafter defined) hereunder or which, upon the giving of notice or the passage of time, or both, would constitute an Event of Default.

l. Representations and Warranties. All representations and warranties of Developer herein contained shall be true and correct.

104. Assignment of Agency Loan Prohibited. Except in connection with transfers approved or permitted pursuant to Section 504 hereof, the Note shall not be assignable to or assumable by successors and assigns of Developer. In no event shall the Note be assigned except in connection with the conveyance of the Property to the person or entity which acquires the Property in conformance with Section 504.

105. Condition of the Property. The following requirements shall apply to the Property:

105.1 Indemnification. Developer shall save, protect, pay for, defend, indemnify and hold harmless the Agency, the City of Burbank, and their officers, employees, representatives and agents, from and against any and all liabilities, suits, actions, claims, demands, penalties, damages (including, without limitation, penalties, fines and monetary sanctions), losses, costs or expenses (including, without limitation, consultants' fees, investigation and laboratory fees, attorneys' fees and remedial and response costs) (the foregoing are hereinafter collectively referred to as "Liabilities") which may now or in the future be incurred or suffered by the City, Agency or their officers, employees, representatives or agents by reason of, resulting from, in connection with or arising in any manner whatsoever as a direct or indirect result of the presence on or under, or the escape, seepage, leakage, spillage, discharge, emission or release from the Property of any Hazardous Materials which is caused by Developer, or its agents, employees, representatives, agents, contractors or invitees.

105.2 Duty to Prevent Hazardous Material Contamination. During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such

precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the Agency, and provide to the Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

105.3 Definitions.

For purposes of this Section 105, "Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the City, the Agency, the Developer or the Property.

For purposes of this Section 105, "Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

200. REHABILITATION OF THE IMPROVEMENTS

201. Rehabilitation of the Property. The Developer agrees to rehabilitate the Property in accordance with the Scope of Work which is attached hereto as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR §882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 hereof. The Developer further agrees to comply with and to cause any contractors and/or subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170u, and the implementing regulations, in

connection with the Rehabilitation of the Property. Developer shall submit to the Agency one or more construction contracts with a duly licensed contractor or contractors reasonably acceptable to the Agency providing for the Rehabilitation of the Property in conformance with the terms of this Agreement. Each such contractor or contractors shall have provided to the Agency the certification in appendix B of 24 CFR part 24 that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from this project, and the Agency shall be responsible for determining whether each contractor has been debarred. The Agency shall reasonably approve such contract or contracts if the Agency finds that such contractor or contractors have sufficient experience and expertise necessary to perform the Rehabilitation of the Property in a first class manner in accordance with all of the requirements of this Agreement.

202. Scope of Work. The Agency shall not be responsible to the Developer or to third parties in any way for any defects in the Scope of Work, nor for any structural or other defects in any work done according to the approved Scope of Work. The Developer shall hold harmless, indemnify and defend the Agency, the City of Burbank, and their officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the Scope of Work, including without limitation the violation of any laws, and for defects in any work done according to the approved Scope of Work.

203. Cost of Rehabilitation. The Rehabilitation of the Property shall be paid with the proceeds of the Agency Loan. The Developer shall be responsible for any additional funds necessary to complete the Rehabilitation of the Property; provided, however, that in the event that there are insufficient Agency Loan proceeds available to fund such work, the Agency shall reasonably consider deleting certain work from the Scope of Work, and the Developer shall defer payment of all or a portion of the development management fee, in order to assure that there are sufficient funds for the Rehabilitation.

204. Timing of Rehabilitation. The Developer hereby covenants and agrees to commence the Rehabilitation of the Property within the time set forth in the Schedule of Performance. The Developer further covenants and agrees to diligently prosecute to completion the Rehabilitation of the Property in accordance with the approved Scope of Work and to file a Notice of Completion pursuant to California Civil Code Section 3093 within the time set forth in the Schedule of Performance.

205. City and Other Governmental Permits. Before commencement of the Rehabilitation of the Property, the Developer shall secure or cause its contractor to be secured any and all permits which may be required by the City of Burbank or any other governmental agency affected by such construction, including without limitation building permits. The Developer shall pay all necessary fees and take all actions necessary to obtain such permits; the staff of the Agency will, without obligation to incur liability or expense therefor, use its best efforts to expedite the City's issuance of building permits for construction that meets the requirements of the City Code, and all other applicable laws and regulations.

206. Right of the Agency to Satisfy Other Liens on the Property After Agency Loan Disbursement. After the Developer has had written notice and has failed after a reasonable time to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Property which are not otherwise permitted under this Agreement, the Agency shall have the right but no obligation to satisfy any such liens or encumbrances. Notwithstanding the above, the Developer shall have the

right to contest the validity or amounts of any tax, assessment, or encumbrance applicable to the Developer in respect thereto.

207. Insurance and Indemnity. The Developer shall take out and maintain or shall cause its contractor to take out and maintain until the issuance of the Certificate of Completion pursuant to this Agreement, a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy. All policies shall protect the Developer and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. Developer shall also take out and maintain a policy of property damage insurance, with the policy amount in the full replacement value of the Property. The Developer shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Developer and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. Prior to the Closing of the Developer's acquisition of the Property, upon any procurement or renewal of an insurance policy, and not less than annually in any case, the Developer shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the Agency and its officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Developer shall be primary insurance and not be contributing with any insurance maintained by the Agency, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the Agency. The required certificate shall be furnished by the Developer at the time set forth therefor in the Schedule of Performance. Developer shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

In addition to the foregoing, the Developer shall defend, indemnify, assume all responsibility for, and hold the Agency and the City of Burbank, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Developer under this Agreement, whether such activities or performance thereof be by the Developer or by anyone directly or indirectly employed or contracted with by the Developer and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Developer shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

208. Entry by the Agency. Developer shall permit the Agency, through their officers, agents or employees, at all reasonable times to enter onto the Property and inspect the Property and work of Rehabilitation to determine that the same is in conformity with the Scope of Work and all the requirements hereof. The Agency intends that the Property will be inspected not less than annually to ensure compliance with the requirements of this Agreement. Developer acknowledges

that neither the Agency nor the City of Burbank are under any obligation to supervise, inspect, or inform Developer of the progress of construction, and Developer shall not rely upon the City or Agency therefor. Any inspection by the City or the Agency is entirely for its purposes in determining whether Developer is in default under this Agreement and/or compliance with City building codes and is not for the purpose of determining or informing Developer of the quality or suitability of construction. Developer shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

209. Compliance With Laws. The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq*.

209.1 Taxes and Assessments. From the execution of this Agreement until the end of the Affordability Period (as defined in Section 301 hereof). The Developer may apply for a full or partial exemption from the payment of property taxes and assessments that would be assessed upon the Property's restricted units. The Developer shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Developer's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes as provided above.

209.2 Relocation.

a. Survey. Developer shall conduct and submit to the Agency a tenant survey, completed by each tenant household currently residing in the Property and such other information as reasonably required by Agency necessary to evaluate the relocation obligations, if any, required by federal, state and/or local law with respect to the Developer's acquisition and Rehabilitation of the Property.

b. Existing Tenants. As soon as possible after the date of this Agreement, the Agency and the Developer shall cooperate in sending notices to the existing tenants of the Property, if any, notifying such persons of the Developer's duty to complete the Rehabilitation of the Property within the time frame set forth in the Schedule of Performance; notifying the tenants that if they are required to temporarily relocate from their units they will be entitled to payment for out-of-pocket expenses incurred in connection with the temporary relocation, The form of such notice shall be approved by the Agency prior to its delivery to the tenants.

c. Timing of Rehabilitation. In the event that any of the current tenants of the Property vacate their units voluntarily, or are evicted for cause based upon a serious or repeated violation of the terms of their lease or occupancy agreement, the Developer shall commence the Rehabilitation of such unit as soon as possible thereafter, and shall not re-lease such unit until after the completion of the Rehabilitation of such unit.

d. Cost of Relocation. In the event that any displacement of tenants of the Property occurs, the Agency shall provide relocation assistance in accordance with the California relocation law, Government Code Section 7260, *et seq*., and the regulations adopted pursuant thereto

by the United States, State of California and the Agency (collectively, the "Relocation Laws"), and in a manner approved by the Agency to each tenant household required to temporarily or permanently vacate a unit within the Property for purposes of completing the Rehabilitation. In the event of permanent displacement of existing tenants due to the implementation of this Agreement, despite the Developer's efforts to prevent such displacement as provided above, the Agency shall be fully responsible for administering determinations of eligibility and payments pursuant to the Relocation Laws. The Agency shall bear the cost of such relocation.

209.3 Liens and Stop Notices. The Developer shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Developer shall within thirty (30) days of such recording or service or within five (5) days of the demand of Agency, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the Agency a surety bond in sufficient form and amount, or otherwise; or provide the Agency with other assurance which the Agency deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Agency from the effect of such lien or bonded stop notice.

300. OPERATION OF HOUSING

301. Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), six (6) of the rehabilitated housing units on the Property to Lower Income Household as defined in Health and Safety Code Section 50079.5 ("Lower Income Units"), and seven (7) of the rehabilitated Housing Units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Cod Section 50093 (Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 302 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units and the other four Moderate Income Units are two-bedroom units. Other than complying with the affordability mix required by the first sentence of this paragraph, and the bedroom mix required of the second sentence of this paragraph, nothing in this Agreement shall be construed to require specific units within the Property to be restricted. After a tenant's initial occupancy of an Affordable Units, the tenant's income may increase above the levels prescribed for Very Low Income Households, Lower Income Households, or Persons and Families of Low or Moderate Income, as applicable, provided that if the tenant's income exceeds fifty percent (50%) for a Very Low Income Household, eighty percent (80%) for a Lower Income Household, or one hundred twenty (120%) for a Person or Family of Low or Moderate Income Household, adjusted for family size, the rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit F and incorporated herein by reference.

The Developer shall annually submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency. The Developer shall certify that each tenant of the Property meets the income restrictions of this Section 301. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Developer shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

The Property shall be subject to the requirements of this Article 300 in perpetuity commencing upon the date of the Developer's acquisition of the Property. For purposes of this Section 301, "in perpetuity" means the useful life of the Property with the land use controls imposed herein, but not less than fifty-five (55) years. The duration of this requirement shall be known as the "Affordability Period."

302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with the Community Redevelopment Law requirements and the following requirements:

a. The Monthly Rent payable by each tenant of the Very Low Income Unit shall not exceed the lesser of (i) thirty percent (30%) of fifty percent (50%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit, or (ii) thirty percent (30%) of fifty percent (50%) of Los Angeles County median Income, as determined by the United States Department of Housing and Urban Development ("HUD").

b. The Monthly Rent payable by each tenant of the Lower Income Units shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit, or (c) thirty percent (30%) of sixty-five percent (65%) of Los Angeles County median income, as determined by the HUD, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than sixty percent (60%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

c. Monthly Rent payable by each tenant of the Moderate Income Units shall not exceed thirty percent (30%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by HUD, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than one hundred twenty percent (120%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

303. Lease Requirements. Prior to rental of any of the Property, the Developer shall submit a standard lease form to the Agency for its approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Developer shall enter into a written lease, in the form approved by the Agency, with each tenant of the Property. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City of Burbank and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

305. Selection of Tenants. The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided herein. The Developer shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system insofar as practical for selection of tenants. The Developer shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

306. Intentionally Reserved.

307. Occupancy Standards. Occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of this Section 307.

308. Maintenance. The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable

portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the Agency, as appropriate, upon demand.

309. Management Plan. The Developer shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

If the Agency determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the Agency shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 401 hereof, the Agency shall each have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the Developer, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health and Safety Code Section 33418 and shall annually complete and submit to Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the Agency may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of

discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. Developer shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the Agency and their successors and assigns, and shall remain in effect in perpetuity.

312. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the Agency Loan are set forth in the "Regulatory Agreement" which is attached hereto as Exhibit F and incorporated herein by reference. The execution and recordation of the Regulatory Agreement is a condition precedent to the disbursement of the Agency Loan, as set forth in Section 103 hereof.

400. DEFAULT AND REMEDIES

401. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Repayment Note, the Deferred Note, or the deeds of trust securing either Note, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within five (5) days if the claimed Default is a failure to pay amounts due pursuant to the Repayment Note or the Deferred Note, or thirty (30) days from receipt of such notice for all other claimed Defaults hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter.

402. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement and/or the Repayment Deferred Note, the Deferred Note, the Repayment Note Deed of Trust, the Deferred Note Deed of Trust or Regulatory Agreement (collectively, the "Loan Documents"), including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under the Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Loan Documents, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Developer will relieve the Agency of any obligation to perform hereunder, including without limitation to make or continue the Agency Loan, and the right to cause all indebtedness of the Developer to the Agency under this Agreement and the Repayment Note and the Deferred Note, together with any accrued interest thereon, to become immediately due and payable.

403. Force Majeure. Subject to the party's compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be in default, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions,

freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, or acts or failures to act of any public or governmental entity (except that the acts or failure to act of the Agency shall not excuse performance of the Agency hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Developer for purposes of this Section 403.

404. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder or under any of the Loan Documents, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

405. Remedies Cumulative. No right, power, or remedy given by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise.

406. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

407. Non-Liability of City and Agency Officials and Employees. No member, official, employee or agent of the Agency or the City of Burbank shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Agency or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

500. GENERAL PROVISIONS

501. Time. Time is of the essence in this Agreement.

502. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

Developer: Burbank Housing Corporation
241 West Verdugo Avenue
Burbank, California 91502
Attention: Judith S. Arandes, Executive Director

Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Assistant Executive Director

Such addresses may be changed by notice to the other party given in the same manner as provided above.

503. Representations and Warranties of Developer. Developer hereby represents and warrants to the Agency as follows:

a. Organization. Developer is a duly organized, validly existing nonprofit corporation in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

b. Authority of Developer. Developer has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, to acquire, Rehabilitate and operate the Property, and to perform and observe the terms and provisions of all of the above.

c. Valid Binding Agreements. This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Developer enforceable against it in accordance with their respective terms.

d. Pending Proceedings. Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Developer, threatened against or affecting Developer or the Property, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Developer, materially affect Developer's ability to repay the Agency Loan or impair the security to be given to the Agency pursuant hereto.

504. Limitation Upon Change in Ownership, Management and Control of the Developer.

a. Prohibition. The identity and qualifications of Developer as a locally based, experienced and successful operator of affordable housing projects, and as a "Community Housing Development Organization" (as defined in the HOME Program regulations), are of particular concern to the Agency. It is because of this identity and these qualifications that the Agency has entered into this Agreement with the Developer. No voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Developer make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property, without the prior written approval of the Agency pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

b. Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency approval of an assignment or transfer of this Agreement, the Agency Loan, the Repayment Note, the Deferred Note, Deeds of Trust, the Regulatory Agreement, or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 504, shall not be required in connection with any of the following (the "Permitted Transfers"):

(i) Subject to the restrictions of Sections 301 through 311 of this Agreement and the Regulatory Agreement, the lease of the Affordable Unit within the Property to qualified tenants.

(ii) Assignment for financing purposes, subject to such financing being reasonably considered and approved by the Agency.

In the event of an assignment by Developer not requiring the prior approval of the Agency, Developer nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to Agency of such assignment or transfer.

c. Agency Consideration of Requested Transfer. The Agency agrees that it will not unreasonably withhold approval of a request made pursuant to this Section 504, provided (a) the Developer delivers written notice to the Agency requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability, and comparable net worth and resources, as the proposed transferor or assignor, and (c) the assignee or transferee assumes the obligations of the Developer under this Agreement in a form which is reasonably acceptable to the Agency, and (d) the assignee or transferee is a Community Housing Development Organization. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 504(c) and other criteria as reasonably determined by the Agency. The Agency shall approve or disapprove the request within thirty (30) days of its receipt of the Developer's notice and all information and materials required herein. In no event, however, shall the Agency be obligated to approve the assignment or transfer of the Agency Loan, Repayment Note, Deferred Note, or Deeds of Trust pursuant to this Section 504, except to an approved transferee or assignee of the Developer's rights in and to the Property.

d. Successors and Assigns. This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Developer and the permitted successors and assigns of the Developer. Whenever the term "Developer" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

505. No Third Parties Benefited. This Agreement is made and entered into for the sole protection and benefit of the Agency and Developer and their permitted successors and assigns, and no other person or persons shall have any right of action hereon.

506. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

507. Governing Law. This Agreement and the Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State

of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

508. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer and Agency.

509. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the Agency, such approval may be given on behalf of the Agency by the Agency Executive Director or his or her designee. The Agency Executive Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Agency, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, revisions to the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Agency hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date set forth above.

EXHIBIT B

PROMISSORY NOTE

$3,143,000 _____, 2004

Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit corporation ("Developer"), promises to pay to the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK,** a public body, corporate and politic (the "Agency"), or order, at the Agency's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the Agency may designate in writing, the principal sum of Three Million One Hundred Forty Three Thousand Dollars ($3,143,000) (the "Note Amount"), in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreement.** This Promissory Note (the "Note") is given in accordance with that certain Affordable Housing Agreement executed by the Agency and the Developer, dated as of _____, 2004 (the "Agreement"). The rights and obligations of the Developer and the Agency under this Note shall be governed by the Agreement and by the additional terms set forth in this Note.

2. **Interest.** The Note Amount shall accrue interest at the rate of three percent (3%) per annum, amortized over the period commencing on the date of this Note and ending on April 1, 2061.

3. **Repayment of Note Amount. Repayment of Note Amount.** The Note Amount shall be paid by the Developer's annual payment to the Agency of an amount equal to fifty percent (50%) of the Residual Receipts (as defined below) from operation of the Property (as defined in the Agreement), as determined by a residual receipts calculation from the operation of the Property the preceding calendar year. Annual residual receipts payments shall be made by the Developer by cashier's check and shall be delivered on or before April 1 of each year during the term of this Note, commencing on April 1, 2006, until the Note Amount has been repaid in full. Any remaining portion of the Note Amount shall be due and payable on April 1, 2061. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

As used in this Note "Income" shall mean all gross income and all revenues of any kind from the Property in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

As used herein, "Residual Receipts" shall mean Income less the sum of the Operating Expenses (as defined below) for each calendar year.

As used herein, "Operating Expenses" shall mean actual, reasonable and customary (for comparable affordable housing projects in Los Angeles County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance, and management of the Property in a calendar year, including: (a) property management fee not greater than five percent (5%) of gross rents from the Property or $35 per unit per month; (b) payments to a capital replacement reserve account in an amount not greater than $300 per apartment unit per year; (c) payments to an operating

reserve capitalized at two percent of gross rents from the Property; (d) painting, cleaning, repairs, alterations, landscaping, utilities, refuse removal, certificates, permits and licenses, sewer charges, real and personal property taxes, assessments, insurance, security, advertising and promotion, janitorial services not included in property management, cleaning and building supplies, purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishings, fees and expenses of accountants, attorneys and other professionals; (e) payment of the operating expenses for the activity center on the Property in an amount not greater than $51,700 per year; and (f) other actual, reasonable and customary operating costs and capital costs which are directly incurred and paid by the Developer. The Operating Expenses shall not in any event include non-cash expenses, including without limitation, depreciation.

The Residual Receipts shall be reported to the Agency annually in the form of the residual receipts report which is attached hereto as Exhibit B and incorporated herein, and at the request of the Agency the Developer shall also submit to the Agency annual financial statements with respect to the Property that have been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statements present the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles.

Notwithstanding the foregoing, however, the total amount of the principal, interest and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the Property, as that term is defined in the Agreement (other than transfers approved or permitted pursuant to Section 504 of the Agreement); or

b. in the event of a default by the Developer under the Agreement, the Deed of Trust securing this Note, the Regulatory Agreement, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the Agency to declare them due subsequently.

4. Security. This Note is secured by a Deed of Trust dated the same date as this Note. This Note and the Deed of Trust shall not be subordinated to any other debt without the express written consent of the Agency in its sole and absolute discretion.

5. Waivers

a. Developer expressly agrees that this Note or any payment hereunder may be extended from time to time at the Agency's sole discretion and that the Agency may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Developer.

b. No extension of time for payment of this Note made by agreement by the Agency with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Developer under this Note, either in whole or in part.

c. The obligations of Developer under this Note shall be absolute and Developer waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. Attorneys' Fees and Costs. Developer agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

7. Deed of Trust Acceleration. The Deed of Trust and the Agreement provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Agreement.

8. Amendments and Modifications. This Note may not be changed orally, but only by an amendment in writing signed by Developer and by the Agency.

9. Agency May Assign. Agency may, at its option, assign its right to receive payment under this Note without necessity of obtaining the consent of the Developer.

10. Developer Assignment Prohibited. Except in connection with transfers permitted pursuant to Section 504 of the Agreement, in no event shall Developer assign or transfer any portion of this Note without the prior express written consent of the Agency, which consent may be given or withheld in the Agency's sole discretion.

11. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

DEED OF TRUST WITH ASSIGNMENT OF RENTS
(SHORT FORM)

This **DEED OF TRUST WITH ASSIGNMENT OF RENTS** (this "Deed of Trust"), is made as of _____, 2004, by **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Trustor"), whose address is 241 West Verdugo Avenue, Burbank, California 91502, to _____ (and in such capacity herein called the "Trustee"), for the benefit of the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK,** a public body, corporate and politic (and in such capacity herein called the "Beneficiary"), having an office located at 275 East Olive Avenue, Burbank, California 91510-6459.

WITNESSETH: that Trustor grants to Trustee in Trust, with Power of Sale, that property in the County of Los Angeles, State of California, described as:

See attached Exhibit A, incorporated herein

Together with the rents, issues and profits thereof, subject, however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the purpose of securing (1) payment of indebtedness in the principal amount of Three Million One Hundred Forty Three Thousand Dollars ($3,143,000), according to the terms of a promissory note or notes of even date herewith made by Trustor, payable to order of Beneficiary, and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference or contained herein (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictitious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

SCHEDULE OF PERFORMANCE

1. Close of Escrow	Upon satisfaction of Conditions Precedent to Disbursement of the Agency Loan, but not later than June 30, 2004.
2. Developer's commencement of the Rehabilitation.	Within 90 days of the Developer's acquisition of the Property, but not later than September 1, 2004.
3. Developer's completion of the Rehabilitation.	Within 4 months after the commencement of the Rehabilitation, but not later than May 1, 2005.
4. Issuance of Certificate of Completion	Within 45 days of completion of Rehabilitation, but not later than June 30, 2005.

EXHIBIT E

SCOPE OF DEVELOPMENT

The Scope of Development will consist of rehabilitation of the buildings and grounds located at 2321 North Fairview Street and 2321-2323 Catalina Street in the city of Burbank. The rehabilitation work will at a minimum bring the Property into conformance with all uniform codes and municipal standards designed to protect the public welfare and safety. Prior to commencement of work, an assessment will be completed to determine the condition of the building. The housing unit will be rehabilitated based upon the findings of the assessment survey. The rehabilitation work on an as-needed basis would include repairs and/or replacement in the following areas:

Apartment Interiors:	Bathrooms, kitchens, bedrooms, living rooms and halls
Building Exteriors:	Walls, roofs, door and windows
Common Areas:	Landscape and hardscape areas, parking and garage/carport areas

In addition, the Rehabilitation will consist of the demolition of the duplex comprised of two studio units and a small one-bedroom single-family dwelling at the rear of the site at 2321-2323 North Catalina Street. The remaining building on 2321-2323 North Catalina Street will be converted into an activity center by adding square footage and reconfiguring the internal layout, all with compliance with City Codes.

AMENDED AND RESTATED MASTER LOAN AGREEMENT
(Phase 1)

THIS AMENDED AND RESTATED MASTER LOAN AGREEMENT (the "Agreement") is entered into this 14th day of January, 2025 (the "Effective Date", among the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Authority"), the **CITY OF BURBANK**, a municipal corporation and charter city, and **BURBANK HOUSING CORPORATION,** a California nonprofit public benefit corporation (the "Borrower" and/or "BHC"). This Agreement amends and restates in their entirety the Loan Agreements, Promissory Notes, and Deed of Trust, and other agreements related to the projects and properties listed in Recital I below. This Agreement is Phase 1 of a series of anticipated amendments to the Master Loan Agreement approved by the City and Agency on March 21, 2006 and signed by the parties on January 2, 2007, and as amended on November 20, 2008 (the "Master Loan Agreement"), and is intended to modify the loan; future phases may modify project related capital and reserve fund accounts and set forth a process to remove projects from the Master Loan Agreement for redevelopment.

RECITALS

The following recitals are a substantive part of this Agreement:

A. In 1997, the former Redevelopment Agency of the City of Burbank established a nonprofit corporation, the Burbank Housing Corporation, ("BHC") to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City of Burbank receives funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. Sec. 12701, et seq, ("HOME"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also has Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 et seq.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, et seq., (hereafter "Community Redevelopment Law") the Agency was required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City of Burbank's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency established a Low and Moderate Income Housing Fund, which is now known as the Low and Moderate Income Housing Asset Fund (the "Housing Fund").

D. Effective February 1, 2012, redevelopment agencies were dissolved in the State of California; the law authorized local housing authorities to accept the former redevelopment agencies assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Housing Authority of the City of Burbank ("Authority") accepted the Redevelopment Agency of the City of Burbank ("Agency") housing duties and assets, including the Housing Fund.

E. BHC, the City, and the Agency/Authority have to date worked together to provide and preserve 322 units for low-to-moderate income tenants/owners. Based on the successful

Elmwood model, the parties recognize that affordable housing requires social centers/services to invigorate neighborhoods and to keep projects successful. In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school childcare, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

F. To further this partnership, the City, Agency and BHC entered the Master Loan Agreement which modified agreements and combined all properties into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual properties as one large project, The Master Loan Agreement combined Agency (now Authority) funds ("Authority Loan") and City HOME and CDBG funds ("City Loan"). The Master Loan Agreement included, among other things, cross-collaterization and cross-default clauses as further security for the Authority Loan and the City Loan. The Authority Loan and City Loan together are referred to as the "Loan".

G. The required affordability under the HOME program is 15 years for rehabilitation projects and 20 years for new construction projects; there is no required affordability period under the CDBG program. The City promissory note before this modification required compliance with the HOME or CDBG regulations for the term of the note, which exceeded the minimum HOME and CDBG requirements. BHC and the City desire to reduce the maturity date for each portion of the City Loan to reflect the original maturity date for each portion of the Loan (which matched or exceeded the HOME and/or CDBG requirements, as applicable), while increasing the term of the affordability requirements on projects assisted by the City Loan . The result of this modification will eliminate ties with the federal government for the HOME and CDBG funds sooner, while extending the term of the affordability restrictions on the projects assisted with HOME and/or CDBG funds. Each portion of the City Loan is or will immediately be forgivable as of the initial term of each loan except for loans associated with certain properties identified in this Agreement. However, BHC and the City also desire to extend the affordability period for each project assisted by the City Loan despite any partial or full forgiveness of the City Loan as further provided in this Agreement.

H. Now the parties desire to further modify, restate, and replace in its entirety the Master Loan Agreement by entering into this Amended and Restated Master Loan Agreement to modify and restate the terms of the Loan to specifically 1) make forgivable each portion of the City Loan as of the initial term of the original note evidencing that portion of the City Loan as set forth in more detail on Schedule 1 to the City Amended and Restated Promissory Note (attached here to as Exhibit A-2) except for the loans related to specified properties as noted in Section 1.1 and on Exhibit A-2; 2) make the annual Authority Loan payment forgivable after the completion of each year of the affordability covenant commencing April 1, 2025 except for the loans related to specified properties as noted in Section 1.1 and on Exhibit A-1; 3) define "affordability covenant period" to be 55 years and three months for the Loan commencing January1, 2025 and ending April 1, 2080 ("Affordability Period"); 4) eliminate the concept of "residual receipts payments" which had resulted in loan payments only when certain conditions existed; 5) eliminate interest on Authority Loan, including existing outstanding and new interest payments for Authority Loan, to make consistent with City Loan; 6) continue the requirement that two BHC board of director members be comprised of individuals appointed by the City/Authority; and 7) continue certain limitations that currently and must always exist in BHC's Articles of Incorporation and By-laws to restrict any business and mission of BHC to the geographic area of the City of Burbank; this restriction includes but is not

limited to use of any City/Authority funds only for projects located in the City of Burbank (which precludes investing in any non-City of Burbank projects).

I. The projects and properties subject to this Amended and Restated Master Loan Agreement are the following, as well as any future projects which specifically incorporate the Amended and Restated Master Loan Agreement in any City/Authority loan documents regarding those future projects:

1. On October 26, 1999, BHC entered into an affordable housing agreement with the City and Agency to assist in the rehabilitation of 2331-2333 North Fairview Street, then improved as a single-family home and a three-unit apartment building. The City provided an interest free loan of HOME funds and the Agency provided a loan (hereafter referred to as "Project No. 1").

2. On April 25, 2001, BHC entered into an affordable housing agreement with the City and Agency to acquire, rehabilitate and manage a then duplex and two-unit apartment building located at 3000-3006 Thornton Avenue (hereafter referred to as "Project No.2"), with financial assistance by the Agency and City HOME funds.

3. On July 10, 2001, BHC entered into an affordable housing agreement with the City and the Agency to acquire, rehabilitate and manage real property located at 199 West Elmwood Avenue which was then improved with a six-unit apartment building. The transaction also consolidated the prior purchase agreement obligations entered into on November 30, 1999 (the Elmwood model), concerning the acquisition of 153, 158-159,164-165, 170-171, 188, 194 Elmwood. BHC provided a consolidated Promissory Note to the Agency, in exchange for Agency funds. This Elmwood project is collectively referred to as "Project No.3".

4. On July 16, 2002, BHC entered into an affordable housing agreement with the City and Agency concerning the acquisition, rehabilitation, and management of 1721 Elliot Drive, then improved with an eight-unit apartment building. Under the terms of the affordable housing agreement, the City agreed to loan BHC funds, a portion from CDBG, and a portion from HOME funds. The Agency also lent BHC funds for this project. The Elliot project is hereafter referred to as "Project No. 4".

5. On May 27, 2003, BHC and the Agency entered into an affordable housing agreement concerning 3030 Thornton Avenue, which was then improved with a single family dwelling. The Agency provided a loan to BHC. The 3030 Thornton Avenue project is hereafter referred to as "Project No. 5".

6. On September 23, 2003, BHC and Agency entered into a disposition and development agreement ("DDA") and lease agreement whereby BHC agreed to rehabilitate and then lease the property at 1801-1815 Grismer Avenue, 1819 Grismer Avenue and 1729-1735 Elliott Drive. As part of the DDA, the Agency provided BHC a loan for the rehabilitation of existing structures and construction of an activity center to be used for after school care by the focus neighborhood of the Grismer and Elliott projects. The aforementioned project is hereafter referred to as "Project No. 6".

7. On November 18, 2003, BHC entered into an affordable housing agreement with the City for assistance to purchase and rehabilitate seven units at 2325 and 2335 Fairview Street. The City provided a loan to BHC from HOME funds (hereafter "Project No. 7").

8. On June 15, 2004, BHC and the Agency entered into an affordable housing agreement whereby Agency provided a loan to fund the acquisition, rehabilitation and management of the property located at 2321 North Fairview Street and 2321-2323 North Catalina Street and related relocation costs for displaced households. An activity center serves the neighborhood. This Project involves multiple unrelated properties. Though this amendment, this Project is being divided into two separate projects: 1) 2321- 2323 N. Catalina ("Project No. 8A") and 2) 2321 N. Fairview Street ("Project No. 8B"). The loan amounts and promissory notes are also being divided as follows: 1) 65%; to Project No. 8A; and 2) 35% to Project No. 8B.

9. On May 4, 2004, the Agency and BHC restructured and consolidated affordable housing agreements in the Lake-Verdugo Focus Neighborhood, as to 220 West Tujunga Avenue, 237, 241-243, and 257 West Verdugo Avenue, which had been entered into separately in 2000-01. The City (HOME and CDBG) and the Agency had provided funding under the initial agreements. The restructured debt included additional Agency funds lent to BHC to pay off certain private financing. An activity center serves the neighborhood. The Verdugo-Lake Focus Neighborhood projects are hereafter referred to as "Project No. 9".

10. On July 19, 2005, BHC entered into an affordable housing agreement with the Agency whereby the Agency lent BHC funds to assist in the acquisition of the property located at 1902 Keeler Street. The Keeler project is hereafter referred to as "Project No. 10." As part of the Keeler Homeownership Development June 16, 2009, Project No. 10 has been removed from the Master Loan process and treated individually. However, the documents that went before Council in January, 2025 inadvertently included Property No. 10, Administratively, the City Attorney through Resolution No. 25-29,585 and the Assistant Executive Director (authority to issue estoppels and interpretations of the Regulatory Agreement) have opined that this property should be deleted from the final agreement and all of the exhibits, for the debt had been released from the MLA in 2009 (Council Resolution No. 27,924 and Redevelopment Agency Resolution R-2215). Therefore, Project No. 10 is hereby intentionally deleted.

11. On January 31, 2006, the Agency and City approved a Disposition and Development Agreement and a Lease with BHC for the property located at 313 and 427 West Valencia Avenue ("Project No. 11").

12. On April 4, 2006 , the City (HOME funds) and Agency lent BHC funds for the purchase and rehabilitation ten rental units at 157 West Linden Avenue and 160 West Elm Court/159 West Linden Avenue ("Project No. 12").

13. On January 23, 2007, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 261 West Verdugo Avenue which was rehabilitated to provide for eight affordable rental units using City HOME funds and Agency funds ("Project No. 13").

14. On January 23, 2007, Agency and BHC entered into an Affordable Housing Agreement whereby BHC agreed to provide six rental units at 2219 and 2329 North Niagara Street. Agency funds were lent to allow for BHC to purchase and rehabilitate the property ("Project No. 14").

15. On November 25, 2008, and amended on Oct. 9, 2009, BHC recorded a regulatory agreement, whereby BHC agreed to acquire and rehabilitate four (4) rental units to low and very low income households. Agency funds and City HOME funds were lent to BHC for this property located at 2406 North Naomi Street ("Project No. 15").

16. On January 15, 2009, BHC recorded a regulatory agreement agreeing to maintain 34 affordable units at 275 W. Verdugo. Agency funds were lent to BHC for this Property ("Project No. 16").

17. On October 13, 2009, BHC recorded a regulatory agreement agreeing to maintain four affordable units at 2615 Thorton Avenue, Agency and City (HOME) lent BHC funds to acquire and rehab the property ("Project No. 17").

18. On August 27, 2010, BHC recorded a regulatory agreement agreeing to maintain four affordable units at 225 W. Linden Avenue. Agency and City (HOME) lent BHC funds for this property ("Project Property No. 18").

19. On December 17, 2010, BHC recorded a regulatory agreement agreeing to maintain seven affordable units at 2234 N. Catalina Street. Agency and City (HOME) lent BHC funds for this property ("Project No. 19").

20. On May 25, 2011, BHC recorded a regulatory agreement agreeing to maintain 20 affordable units at 2223-2235 N. Catalina Street. Agency and City lent BHC funds for this property ("Project No. 20").

21. On November 1, 2012, BHC recorded a regulatory agreement agreeing to maintain three affordable units at 2300 Niagara Street . City lent HOME funds for this property ("Project No 21").

22. On August 22, 2013, BHC recorded a regulatory agreement agreeing to maintain eleven affordable units at 1101 W, Verdugo Avenue and 1108 W. Angeleno Avenue. City (along with multiple other funding sources, MHP and federal fund) lent BHC HOME funds for this property ("Project No. 22").

23. On July 11, 2017, Authority, City and BHC entered into an Affordable Housing Agreement whereby BHC agreed to rehabilitate 10 rental units at 153, 159 and 199 Elmwood Avenue. City HOME funds were lent to allow for BHC to rehabilitate 10 units in the existing three buildings on the properties ("Project No. 23").

24. On March 6, 2018, BHC recorded a regulatory agreement agreeing to maintain three affordable units at 1932 N. Ontario. Authority and City (HOME) lent BHC funds for this property ("Project No. 24").

25. On November 15, 2018, BHC recorded a regulatory agreement agreeing to maintain three affordable units at 2300 N. Fairview. City (HOME) and Authority lent BHC funds for this property ("Project No. 25").

J. It is intended by the parties to amend and/or restate the applicable Affordable Housing Agreements, Promissory Notes, Deed of Trust, Regulatory Agreements, and Ground Leases, as necessary, as to the changes set forth herein, for all projects mentioned in Recital I above, to be made consistent with this Amended and Restated Master Loan Agreement ("Related Agreements").

NOW, THEREFORE, Authority, City and **BHC** (or the Borrower) hereby agree as follows:

1. Loans for individual properties. The Promissory Notes in favor of the Authority or Agency, and those in favor of the City, applicable to the Project Nos. 1-9 and 11- 25 shall be amended and restated to conform to this Agreement, with Exhibit A-1 as the form promissory note for Authority Loan and Exhibit A-2 as the form promissory note for City (HOME and CDBG) Loan ("Notes"). Exhibits A-1 and A-2 are incorporated herein by reference. However, it is not intended to amend any portion of the Promissory Notes relating to the Development Fee. Provisions relating to the Development Fee shall begin with Project No. 15 only, and then apply to all future projects that specifically provide for it. Notwithstanding the foregoing, this Agreement amends and restates each separate loan agreement, where such existed, or other applicable document, and related Agreement, such as Affordable Housing Agreements and to the extent that this Agreement is inconsistent with any prior agreement affecting the aforementioned Projects, this Agreement shall prevail. The Notes and Deed of Trust continue to provide that a default on any one Note can result in a default on all of the projects subject to the Agreement now and from time to time any future project in which the Authority/City documents state that that project shall conform to this Agreement , which can result in the Authority or City exercising foreclosure rights on all of the projects. Accounting shall be maintained for each individual project in compliance with this Agreement.

1.1 Repayment of Amended Loan; Interest The Borrower's obligation to repay the Amended and Restated Master Loan shall be set forth in the Authority Note and City Note. The payments on the Authority Note shall be due annually commencing April 1, 2026 for the period of January 1, 2025 - December 31, 2025. No payment shall be due for the period from December 31, 2024 to April 1, 2025. The term of the Authority Loan and Authority Note shall be for fifty-five (55) years and three (3) months commencing January 1, 2025. As long as there is no breach of the affordability terms during the Affordability Period, payments on the Authority Loan and Authority Note shall be forgiven after every 12 months on April 1 of each year for the immediately preceding calendar year by the amount $1/55^{th}$ of the initial balance (as to the total balance and for the amount of such loan for each project which received Authority Loan funds as shown on Schedule 1 to the Authority Amended and Restated Promissory Note (attached hereto as Exhibit A-1); and completely, for the Authority Note, upon the expiration of the Affordability Period (April 1, 2080); provided however, that the portions of the Authority Loan and Authority Note attributable to Project No. 1, Project No. 7, and Project No. 8B (2331-2333 North Fairview, 2325-2335 North Fairview, and 2321 North Fairview properties (the "Fairview Properties")) shall have terms for fifty-five (55) years and three (3) months commencing January 1, 2025 and expiring at the end of the Affordability Period, April 1, 2080, shall not bear interest, and shall not be forgiven and instead will be due and payable at the end of the Affordability Period. The term for each portion of the City Loan and City Note is as set forth in on Schedule 1 to the City Amended and Restated Promissory Note (attached here to as Exhibit A-2). As long as there is no breach of the affordability terms during the Affordability Period,

no payments shall be due on the City Loan or City Note, and each portion of the City Loan is hereby forgiven or will be forgiven as of the initial term of the original note evidencing the applicable portion of the City Loan as set forth on Schedule 1 to the City Amended and Restated Promissory Note (attached here to as Exhibit A-2); provided however, that the portions of the City Loan and City Note attributable to the Fairview Properties shall have terms for fifty-five (55) years and three (3) months commencing January 1, 2025 and expiring at the end of the Affordability Period, shall not bear interest, and shall not be forgiven and instead will be due and payable at the end of the Affordability Period. Upon a breach of the affordability terms during the Affordability Period, then any remaining principal balance of the Notes shall be due immediately. Borrower shall no longer make an annual payment or any Loan payment unless payments are accelerated in accordance with the Notes. No interest shall be incurred or owed on the Loan or under the Notes or any other document evidencing the Loan effective as of December 31, 2024, and all Note balances shall be reset as of that date. This modified repayment schedule eliminates any payment from residual receipts, and references to residual receipts in any documents involving the projects subject to this Agreement are hereby deleted.

If the Fairview Properties have not been released from the terms of this Agreement and Deed of Trust by the date five (5) years after the Effective Date, or earlier if requested by BHC, the terms of the Loan associated with those properties will revert to the terms for the other properties covered by this Agreement for the Authority Loan and City Loan respectively. In that case, the notes for the Fairview Properties will be modified to reflect those terms.

1.2 Definitions. As used in this Master Loan Agreement the following definitions apply:

"Approved General Administrative Costs" shall mean costs incurred by Borrower as a nonprofit corporation which are not directly attributable to a specific project, but which are directly related to preserving affordable housing for low-to moderate-income households in accordance with Health & Safety Code Sec. 33334.2(e) and consistent to the mission statement and goals of Borrower in accordance with Articles of Incorporation and By-laws.

"Developer Fee" shall mean a compensation to Borrower as a developer fee as set forth in the Affordable Housing Agreements, for the time and risk involved to develop the specific project. The Developer Fee can only be used to further Borrower's mission and goals, and for no other purposes. The Developer Fee shall be kept in a separate account by Borrower which shall be capped at $600,000. During the Annual Budget process, Borrower shall provide a proposed budget as to the anticipated expenditure of these funds. Developer Fees further shall be paid as specified in the individual project Affordable Housing Agreement, or set forth in this Agreement.

"Income" shall mean all gross income and all revenues of any kind from the Property (each Project is hereafter referred to as Property) in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

"Operating Expenses" shall mean actual, reasonable and customary (for comparable affordable housing projects in Los Angeles County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance, and management of the Property in a calendar year, including: (a) property management fee from the Property; (b) painting, cleaning, repairs, alterations, landscaping, utilities, sidewalk repair; refuse removal, certificates, permits and licenses, sewer

charges, real and personal property taxes, assessments, insurance, security, advertising and promotion, janitorial services not included in property management, cleaning and building supplies, purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishings, fees and expenses of accountants, attorneys and other professionals; (c) asset management fee; (d) specific expenses required in the operation of on-site activity centers; (e) other costs consistent with Borrower's Articles of Incorporation and By-Laws, and Borrower's operating deficiencies of other Affordable Housing Projects not covered by operating reserves; and (f) other actual, reasonable and customary operating costs which are directly incurred and paid by the Borrower. The Operating Expenses shall not in any event include non-cash expenses, including without limitation, depreciation.

"Reserve Deposits" shall mean (a) payments to a capital replacement reserve account in accordance with a capital reserve study, which shall be updated from time to time to the extent payable from cash flow from the Projects; and (b) payments to an operating reserve which shall be equal to six months of then operating expenses. The exact amounts to be deposited annually into the capital replacement reserve account has been initially determined by the Authority's Assistant Executive Director in accordance with the Borrower submitted capital reserve study in a form reasonably acceptable to the Authority's Assistant Executive Director. The capital reserve study shall be updated periodically at the request of the Authority's Assistant Executive Director, and in which case, the amount of capital replacement reserve account shall reflect the updated capital reserve study. Two accounts shall be maintained at all times, each account though can be combined with other Projects' reserve accounts for capital replacement and other Projects' operating reserve accounts. The operating reserve account shall be built up and maintained at an amount equal to six months then operating expenses. It is intended that this operating reserve account shall be capped at the then six month operating expense amount. The capital replacement reserve account and the operating reserve account may then be used on any of the Projects as necessary.

1.3 Annual Budget Process Required. Not later than. November 1 of each year, Borrower shall begin conferring with Authority's Assistant Executive Director and shall present a proposed budget for the following calendar year. During this budget process, the parties shall meet, and the Authority's Assistant Executive Director shall determine at that time, reserve amounts, the anticipated use of the Developer Fee, as well as the reasonableness of the other estimated expenses and income. With respect to consideration of Approved General Administrative Costs, the Authority's Assistant Executive Director shall determine that the planning and administrative expenses are necessary for the production, improvement, or preservation of low-and moderate-income housing. Before December 31, the Authority's Assistant Executive Director shall provide Borrower with approval as to Approved General Administrative Costs. No later than April 1, Borrower shall obtain annual audited financial statements with respect to Borrower's operations that have been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statements present the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles. One statement can be provided for all Projects as long as each Project is clearly delineated, or separate statements can be provided for each Project. Further, the Authority may audit Borrower at any time, by providing reasonable notice. The audit shall be at Authority's expense.

Notwithstanding the foregoing, however, the total amount of the principal and any other amounts owing under the Notes shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the real property, or any portion thereof, that is subject to the Deed of Trust securing the Notes (other than transfers specifically approved by the City and/or Authority); or

b. in the event of a default by the Borrower under this Agreement, the Affordable Housing Agreements related to any of the Projects as amended, any Regulatory Agreement recorded against any property subject to the Deed of Trust securing the Notes, the Deed of Trust securing the Notes, or the Notes, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the Agency to declare them due subsequently.

1.4 Security for Agency and City Loan. The Notes for Project Nos. 1-9 and 11-25 have previously been secured by one Deed of Trust with Assignment Rents (Short Form) recorded on October 26, 2006 as Instrument No. 06-2369323 in the Official Records of Los Angeles County (the "Deed of Trust") as an encumbrance to the Borrower's interest in the collective Projects. An Amended and Restated Deed of Trust will be recorded to reflect the loan modification in the form attached hereto as Exhibit B, and incorporated herein by this reference. The Amended and Restated Deed of Trust secures all of the outstanding Agency/Authority and City Notes related to the Projects. Each Note includes all of the provisions for cross-default and cross-collateralization. The Amended and Restated Deed of Trust is intended to secure future amounts lent to Borrower from either City and/or Agency in which the future documents state that those amounts are secured by the Amended and Restated Deed of Trust, and other future modifications to this Agreement. This Agreement can be amended at any time to include additional loans from either City alone or the Authority alone, without the consent of the other (either City or Authority). The entire security, therefore, can be foreclosed upon a default in any one of the specific Notes. Once recorded, the Instrument Number of the Amended and Restated Deed of Trust shall be noted here: 20250809610.

1.5 Amendments to Affordable Housing Agreements. As part of this Agreement, the Affordable Housing Agreement for each Project subject to the Loan, if any, shall be modified as provided in this Agreement.

1.6 Affordability Period set forth in Regulatory Agreements. As part of this Agreement, the Regulatory Agreement for each property subject to the Loan shall be modified to provide for a set term of 55 years and three months for the Affordability Period, commencing with January1, 2025, and expiring April 1, 2080. The form of the Third Amendment to Regulatory Agreement shall be in the form set forth as Exhibit C-1 for all Projects other than Project No. 8A and Project No. 8B, the Third Amendment to Regulatory Agreement for Project No. 8A shall be in the form set forth as Exhibit C-2, and the Third Amendment to Regulatory Agreement for Project No. 8B shall be shall be in the form set forth as Exhibit C-3, attached hereto and incorporated herein by this reference.

1.7 Subordination. The Deed of Trust shall not be subordinate to any other deeds of trust, unless expressly approved by the Authority and/or City, which approval or denial may be made in its sole and absolute discretion. In the event this provision is in conflict with any other provision in a Related Agreement, this provision shall prevail. Approval by Authority is required as to subordination related to Authority Note; similarly, approval by City is required as to subordination related to City Note.

1.8 Assignment. The Promissory Notes shall not be assigned by Borrower without the prior written consent of the Authority and/or City.

1.9 Amendments to Articles and By-laws; City Representatives on Board. As further consideration for the Authority Loan and the City Loan, BHC agrees to maintain its Articles of Incorporation and By-laws to reflect that its mission is expanded to provide community services in the City of Burbank and general administrative activities associated with the development, improvement, and preservation of low- and moderate-income housing in the City of Burbank, including but not limited to activity centers and child care, and that its powers and purpose be limited to the geographic boundaries of the City of Burbank. The amended provisions required by this section shall not be changed without Authority and City prior approval. The required provisions shall be reflected in the Articles and By-laws. Whether or not the provisions are incorporated into the articles and by-laws, any violation of this section will further be deemed to be a default of the Amended and Restated Master Loan Agreement, causing acceleration of the Loan herein. Two representatives from the City or Authority shall be on the BHC Board of Directors as appointed by the City or Authority. The two members shall have full Board membership rights including but not limited to voting rights.

1.10 Modification of Ground Leases to Conform to New Term of Affordability Covenants, and Deletion of Residual Receipts Payments. In 2006, BHC and the Agency entered into several fifty-five (55) year leases with a promissory note and payments including interest and residual receipts as repayment. The financial terms of the leases at 1) 427 West Valencia and 313 West Valencia, and 2) 1729-1735 Elliot Dr., 1801-1818 and 1819 Grismer; are modified to eliminate interest past and future, to eliminate any payment from residual receipts, to forgive payments when not in default, and to extend the terms of the leases for 55 years to correspond to the new Affordability Period. The forms of the modifications of the leases are attached as Exhibits D-1 and D-2.

2. Minimum Requirements.

2.1 Operation of Development in Compliance with Affordable Housing Agreements. To the extent not already completed, the Borrower shall rehabilitate (where applicable), operate and maintain each Project in compliance with the requirements of each respective Regulatory Agreement, as amended.

2.2 Maintenance. The Borrower shall maintain each Project in good condition, free of debris, waste and graffiti, in a clean and presentable manner, and in compliance with the Regulatory Agreement associated with each Project, this Agreement and all applicable provisions of the Burbank Municipal Code and other laws Each Project shall be maintained in accordance with this Section 2.2 until the termination of the Affordability Period specified in this Agreement. If a Project is not so maintained, and such condition is not corrected within a reasonable period after written notice thereof from the Authority, then the Authority may perform the necessary maintenance, and Borrower shall pay such costs as are reasonably incurred for such maintenance.

2.3 Indemnity and Insurance. Borrower shall furnish the City and Authority with proper evidence of the insurance which is required pursuant to the Regulatory Agreements and this Agreement. At a minimum the following standards shall apply: The Borrower shall take out and maintain or shall cause its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars

($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Borrower shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Borrower or its contractors, subcontractors, agents or employees with respect to the Property. Borrower shall also require all property managers to maintain comparable insurance, and to also maintain fidelity (employee dishonesty) insurance in a commercially reasonable amount. All policies shall protect the Borrower, City and Authority from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Authority. Such policy or policies shall be written on an occurrence form. The Borrower shall also furnish or cause to be furnished to the Authority Assistant Executive Director evidence satisfactory to the City Attorney that Borrower and any contractor with whom it has contracted for the performance of work on any Project or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Borrower shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Authority setting forth the general provisions of the insurance coverage each year. This countersigned certificate shall name the City and the Authority and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Authority of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Borrower shall be primary insurance and not be contributing with any insurance maintained by the Authority or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Authority. The required certificate shall be updated annually, and the City and Authority reserve the right to increase these amounts no more than once every five years in a commercially reasonable amount determined by the City's Risk Manager. Borrower shall also take out and maintain until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

In the event Borrower is unable to obtain any of the insurance coverages required herein, the Authority or City may find BHC in default of this Agreement; provided, however, the Borrower may request the Authority's Executive Director to pay for the insurance or to waive said insurance coverage requirements and place the Property and Rehabilitation on the Authority's insurance policy(ies). The Authority's Executive Director may approve or deny Borrower's waiver request in its sole and absolute discretion. Concurrently with Borrower's waiver request, the Borrower shall provide written correspondence from at least three (3) insurance underwriters evidencing Borrower's inability to obtain insurance coverage, regardless of cost. Any cost to the Authority caused by a purchase of insurance or a waiver of insurance coverage, including increased premium, may be added to the amount of the collective Notes under this Amended and Restated Master Loan Agreement, and shall be repaid pursuant to the terms thereof, or Authority may pursue a separate action (such as acceleration of the Notes, nonjudicial foreclosure, or litigation) for repayment of the insurance policy cost, Such action is not limited to the real property.

In addition to the foregoing, the Borrower shall defend, indemnify, assume all responsibility for, and hold the former Agency, the Authority and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorney's fees and costs), which may be caused by any acts or omissions of the Borrower under this Agreement, whether such activities or performance thereof be by the Borrower or by anyone directly or indirectly employed or contracted with by the Borrower and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Borrower shall not be liable for property damage or bodily injury to the extent occasioned by the willful misconduct or sole negligence of the City, the Agency, the Authority or their respective agents or employees.

2.4 [Intentionally reserved.]

2.5 Compliance With Laws. The Borrower shall develop, maintain and operate the Property in conformity with all applicable laws, including all applicable state labor standards, the zoning and development standards of the City of Burbank, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, all applicable environmental laws, all state and federal fair housing laws, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.,* Government Code Section 4450, *et seq.,* Government Code Section 11135, *et seq.,* and the Unruh Civil Rights Act, Civil Code Section 51, *et seq*. HUD regulations as required for HOME funds shall be complied with whenever HOME funds have been used in a Project.

2.6 Nondiscrimination. Borrower for itself and its successors and assigns, agrees that there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, rental, transferring, use, occupancy, tenure, or enjoyment of the Property nor shall the Borrower or any person claiming under or through the Borrower establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, leases, sublessees, subtenants, contractors or vendees in the Property. Borrower shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations, as amended.

2.7 Condition of the Property.

a. Borrower Precautions. Borrower shall take all necessary precautions to prevent the release into the environment of any Hazardous Materials which may be located in, on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. In addition, Borrower shall install and utilize such equipment and implement and adhere to such procedures as are consistent with commercially reasonable standards as respects the disclosure, storage, use, removal and disposal of Hazardous Materials.

b. Environmental Indemnity. Borrower shall indemnify, defend and hold Agency harmless from and against any claim, action, suit, proceeding, loss, cost, damage, liability, deficiency, fine, penalty, punitive damage, or expense (including, without limitation, attorneys' fees), resulting from, arising out of, or based upon (i) the release from the Property, use

on the Property, generation on the Property, discharge from the Property, storage on the Property, disposal on or from the Property, or transportation to or from the Property, of any Hazardous Materials during the term of this Agreement, or (ii) the violation, or alleged violation, of any statute, ordinance, order, rule, regulation, permit, judgment or license relating to the use, generation, release, discharge, storage, disposal or transportation of Hazardous Materials on, under, in or about, to or from, the Property. This indemnity shall include, without limitation, any damage, liability, fine, penalty, parallel indemnity after closing, cost or expense arising from or out of any claim, action, suit or proceeding, including injunctive, mandamus, equity or action at law, for personal injury (including sickness, disease or death), tangible or intangible property damage, compensation for lost wages, business income, profits or other economic loss, damage to the natural resource or the environment, nuisance, contamination, leak, spill, release or other adverse effect on the environment; provided, however, under no circumstances shall these indemnity obligations of Borrower include any obligation for payment of punitive damages assessed against former Agency, Authority or City or their officers, employees, agents or representatives.

c. Definitions. For purposes of this Agreement, "Hazardous Materials" means any substance, material, or waste which is or becomes regulated by any local governmental authority, Los Angeles County, the State of California, regional governmental authority, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §9601, *et seq.*

2.8 Liens and Stop Notices. Borrower shall use its best efforts to prevent any lien or stop notice from being placed on the Property or any part thereof, except as to those liens which are approved encumbrances under this Agreement or the Regulatory Agreement. If a claim of a lien or stop notice is given or recorded affecting the Property, the Borrower shall within thirty (30) days of such recording or service:

a. pay and discharge the same; or

b. effect the release thereof by recording and delivering to Authority a surety bond in sufficient form and amount, or otherwise; or

c. provide Authority and City, if applicable, with indemnification from a title insurance company reasonably acceptable to the Authority against such lien or other assurance which Agency deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Authority from the effect of such lien or bonded stop notice.

2.9 Taxes and Assessments. Borrower shall pay prior to delinquency all ad valorem real estate taxes and assessments on the properties subject to this Agreement, subject to Borrower's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes.

3. Borrower's Representations and Warranties. Borrower represents and warrants to Agency as follows:

3.1 Legal Authority. Borrower has full right, power and lawful authority to undertake all obligations as provided herein, and the execution, performance and delivery of this Agreement by Borrower has been fully authorized by all requisite actions on the part of the Borrower. The parties who have executed this Agreement on behalf of Borrower are authorized to bind Borrower by their signatures hereto.

3.2 Litigation. To the best of Borrower's knowledge, there are no actions, suits, material claims, legal proceedings, or any other proceedings affecting the Borrower or any parties affiliated with Borrower, at law or in equity before any court or governmental agency, domestic or foreign, which if adversely determined, would materially impair the right or ability of Borrower to execute or perform its obligations under this Agreement or any documents required hereby to be executed by Borrower, or which would materially adversely affect the financial condition of Borrower or any parties affiliated with Borrower.

3.3 No Conflict. To the best of Borrower's knowledge, Borrower's execution, delivery, and performance of its obligations under this Agreement will not constitute a default or a breach under any contract, agreement or order to which Borrower or any parties affiliated with Borrower is a party or by which it is bound.

3.4 No Bankruptcy. No attachments, execution proceedings, assignments for the benefit of creditors, insolvency, bankruptcy, reorganization, receivership or other proceedings have been filed or are pending or threatened against the Borrower or any parties affiliated with Borrower, nor are any of such proceedings contemplated by Borrower or any parties affiliated with Borrower.

3.5 [Intentionally deleted.]

4. Remedies for Default. A failure by any party to perform any action or covenant required by this Agreement, the Affordable Housing Agreements, the Regulatory Agreements, the Promissory Notes, the Deed of Trust, or any loan or deed of trust for the acquisition, rehabilitation, or operation of the Projects subject to this Agreement, which is senior to the Agency Loan, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other

party shall not be in Default if such party cures such default within sixty (60) days of the claimed Default is a failure to pay amounts due pursuant to the Promissory Notes, or one hundred twenty (120) days from receipt of such notice for all other claimed Defaults hereunder, unless a longer cure period is provided in the Regulatory Agreements, Promissory Notes, Deed of Trust or other applicable Related Agreement. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within one hundred twenty (120) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Borrower is in default on any loan or deed of trust senior to the Loan, the Borrower shall immediately deliver to the Authority a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the Authority shall have the right (but not be obligated to) cure such default. In such event, the Authority shall be entitled to reimbursement from the Borrower of all costs and expenses actually incurred by the Authority in curing such default. The Authority shall be entitled to add such amount to the amounts owing pursuant to the Promissory Notes, and secured by the Deed of Trust, or in the alternative, Authority may pursue a separate action (such as acceleration of the Notes or specific Note in issue, nonjudicial foreclosure, or litigation) for repayment of the cost, not limited to the real property.

4.1 Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. The Authority may also cause all indebtedness of the Borrower under this Agreement and the Promissory Note to become immediately due and payable, and may institute an action for judicial or nonjudicial foreclosure pursuant to the Deed of Trust. Legal actions must be instituted in the Superior Court of the County of Los Angeles, State of California, in an appropriate municipal court in that county, or in the United States District Court for the Central District of California.

4.2 Acceptance of Service of Process. In the event that any legal action is commenced by the Borrower against Authority, service of process on Authority shall be made by personal service upon the Secretary or Executive Director of Authority or in such other manner as may be provided by law. . In the event that any legal action is commenced by the Borrower against City, service of process on Authority shall be made by personal service upon the City Clerk or City Manager or in such other manner as may be provided by law. In the event that any legal action is commenced by Authority and/or City against the Borrower, service of process shall be made in such manner as may be provided by law and shall be effective whether served inside or outside of California.

4.3 Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same Default or any other Default by another party.

4.4 Inaction Not a Waiver of Default. Any failures or delays by any party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default

or of any such rights or remedies, or deprive any party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

4.5 Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

4.6 Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

5. General Provisions.

5.1 Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which any party may desire to give to the other parties under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

With copy to : Attn: City Attorney

Any written notice, demand or communication shall be deemed received immediately upon personal delivery or three (3) days after deposit in the United States mail; provided, however, that refusal to accept delivery after reasonable attempts thereto shall constitute receipt. Any notices attempted to be delivered to an address from which the receiving party has moved without notice shall be effective on the third day from the date of the attempted delivery or deposit in the United States mail.

5.2 Non-Liability of Officials and Employees of Authority and City. No member, official, officer or employee of Authority or the City shall be personally liable to the

Borrower, or any successor in interest, in the event of any Default or breach by Authority(or the City) or for any amount which may become due to the Borrower or its successors, or on any obligations under the terms of this Agreement.

5.3 Counterparts. This Agreement may be signed in multiple counterparts which, when signed by all parties, shall constitute a binding agreement. This Agreement is executed in two (2) originals, each of which is deemed to be an original.

5.4 Integration. This Agreement (including Exhibits A-1, A-2, B, C-1, C-2, and C-3, D-1, and D-2, together with the Related Agreements, contain the entire understanding between the parties relating to the transaction contemplated by this Agreement. All prior or contemporaneous agreements, understandings, representations and statements, oral or written are merged in this Agreement and shall be of no further force or effect. Each party is entering this Agreement based solely upon the representations set forth herein and upon each party's own independent investigation of any and all facts such party deems material. In the event there is any inconsistencies among the documents this Amended and Restated Master Loan Agreement shall prevail; then the Amended and Restated Promissory Notes; then the Amended Regulatory Agreements; and lastly, the Amended and Restated Deed of Trust.

5.5 No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

5.6 Modifications. Any alteration, change, or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

5.7 Severability. If any term, provision, condition, or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

5.8 Legal Advice. Each party represents and warrants to the other the following: they have carefully read this Agreement, and in signing this Agreement, they do so with full knowledge of any right which they may have; they have received independent legal advice from their respective legal counsel as to the matters set forth in this Agreement, or have knowingly chosen not to consult legal counsel as to the matters set forth in this Agreement; and, they have freely signed this Agreement without any reliance upon any agreement, promise, statement or representation by or on behalf of the other party, or their respective agents, employees, or attorneys, except as specifically set forth in this Agreement, and without duress or coercion, whether economic or otherwise.

5.9 Time of Essence. Time is expressly made of the essence with respect to the performance by the parties of each and every obligation and condition of this Agreement.

5.10 Cooperation. Each party shall cooperate with the other in this transaction and, in that regard, sign any and all documents which may be reasonably necessary, helpful, or

appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

5.11 Definitions. Any terms used in this Agreement but not separately defined herein shall have the meaning given to such terms in the Regulatory Agreements.

5.12 Exhibits. City Manager and Authority Executive Director shall prepare, are authorized to sign for the City and Authority, respectively, and shall record, as applicable, Amended and Restated Promissory Notes, Amendment and Restated Deed of Trust, amendments to Regulatory Agreement and amendments to Lease(s), substantially in the form attached as exhibits to this Agreement.

[END OF TEXT. SIGNATURE PAGE TO FOLLOW.]

IN WITNESS WHEREOF, Authority, City and the Borrower have executed this Agreement as of the Effective Date.

EXHIBIT A-1

Promissory Note Form for Authority Loan

AMENDED AND RESTATED PROMISSORY NOTE (AUTHORITY)

$43,822,258.70

January 14, 2025
Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit public benefit corporation ("Borrower"), promises to pay to the **HOUSING AUTHORITY OF THE CITY OF BURBANK,** a public body, corporate and politic (the "Authority"), at the Authority's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the Authority/City may designate in writing, the principal sum calculated as of the Effective Date of Forty-Three Million Eight Hundred Twenty-Two Thousand Two Hundred Fifty-Eight and Seventy Hundredths Dollars ($43,822,258.70) (the "Note Amount"), in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreement.** This Amended and Restated Promissory Note (the "Note") is given in accordance with that certain **Amended and Restated Master Loan Agreement** executed by the Authority, the City of Burbank and the Borrower, dated as of January 14, 2025 (the "Agreement") which is incorporated herein by this reference. The Agreement further incorporates this Note, the Deed of Trust, and Regulatory Agreements affecting twenty-four (25) projects from time to time, which now have the same terms, having been modified by the Agreement. The Note Amount collectively combines all amounts owed to the Authority for all of the projects, with Schedule 1 to this Note specifying the amounts due to the Authority for each project. The rights and obligations of the Borrower and the Authority under this Note shall be governed by the Agreement (including its exhibits) and by the additional terms set forth in this Note. In the event of any conflict, the Agreement prevails, then this Note, then the Regulatory Agreements, and then the Deed of Trust. This Note, Regulatory Agreements, Deed of Trust, and Affordable Housing Agreements are collectively referred as the Related Agreements to the Amended and Restated Master Loan Agreement.

2. **Interest and Term.** As of December 31, 2024, no interest shall accrue on the Note Amount. The term of the Note shall be fifty-five years, commencing on January 1, 2024 and ending on January 1, 2080.

3. **Repayment of Note Amount.** Payments are due annually, commencing with April 1, 2026, for the annual payment from January 1, 2025-December 31, 2025; however, each twelve month payment shall be forgiven by 1/55th of the initial balance (for the total amount and the amount associated with each project) and completely upon expiration of the Affordability Period (April 1, 2080), as long as Borrower does not breach of the affordability terms during the Affordability Period; provided however, that the portions of the Authority Loan and Authority Note attributable to Project No. 1, Project No. 7, and Project No. 8B (2331-2333 North Fairview, 2325-2335 North Fairview and 2321 North Fairview properties) (the "Fairview Projects")

shall have terms for fifty-five (55) years and three (3) months commencing January 1, 2025 and expiring at the end of the Affordability Period, April 1, 2080, and shall not be forgiven and instead will be due and payable at the end of the Affordability Period. No payments shall be due between December 31, 2024 and April 1, 2025.

The Note Amount shall be immediately due and payable in the event that one of the repayment conditions set forth herein, to wit: Borrower commits a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreements, and fails to cure said default within the time periods provided in those documents, if any. Otherwise, Borrower shall have no obligation to pay this Note or make any installment payment thereon. On April 1, 2080, this obligation shall be paid in full, provided Borrower has not committed or caused the occurrence of a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreements, the Note Amount will be forgiven in its entirety except that the portions of the Authority Loan and this Note attributable to the Fairview Properties shall not be forgiven and instead will be due and payable on December 31, 2080. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

Notwithstanding the foregoing, however, the total amount of the principal, interest and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the real property, or any portion thereof, that is subject to the Deed of Trust (other than transfers approved or permitted pursuant to the Agreement); or

b. in the event of a default by the Borrower under the Agreement, the Deed of Trust securing this Note, the Regulatory Agreements, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the Authority to declare them due subsequently.

4. Security. The Notes for Project Nos. 1-9 and 11-25 (as defined in the Agreement) have previously been secured by one Deed of Trust with Assignment Rents (Short Form) recorded on October 26, 2006 as Instrument No. 06-2369323 in the Official Records of Los Angeles County (the "Deed of Trust") as an encumbrance to the Borrower's interest in the collective Projects. An Amended and Restated Deed of Trust will be recorded to reflect the loan modification in the form attached hereto as Exhibit B, and incorporated herein by this reference. The Amended and Restated Deed of Trust secures all of the outstanding Agency/Authority and City Notes related to the Projects. Each Note includes all of the provisions for cross-default and cross-collateralization. The Amended and Restated Deed of Trust is intended to secure future amounts lent to Borrower from either City and/or Authority in which the future documents state that those amounts are secured by the Amended and Restated Deed of Trust, and other future modifications to this Agreement. This Agreement can be amended at any time to include additional loans from either City alone or the Authority alone, without the consent of the other (either City or Authority). The entire security, therefore, can be foreclosed upon a default in any

one of the specific Notes. Once recorded the Instrument Number of the Amended and Restated Deed of Trust shall be noted here:_____.

5. Waivers

a. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the Authority's sole discretion and that the Authority may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

b. No extension of time for payment of this Note made by agreement by the Authority with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

c. The obligations of Borrower under this Note shall be absolute, and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. Attorneys' Fees and Costs. Borrower agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note if suit is filed.

7. Deed of Trust Acceleration. The Deed of Trust and the Agreement provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Agreement.

8. Amendments; Modifications.; Assignments. This Note may not be changed orally, but only by an amendment in writing signed by Borrower and by the Authority. In the event Authority at some time in the future, and from time-to -time, agrees in its sole and absolute discretion, to release Borrower as to a specific property subject to the Agreement, then this Note, the Deed of Trust and respective Regulatory Agreement can be released, reconveyed and/or modified to so reflect. In the event of any release, the affordability restrictions may be renegotiated.

9. Assignment Prohibited. Except in connection with transfers permitted pursuant to the Agreement or a dissolution context, in no event shall Borrower assign or transfer any portion of this Note without the prior express written consent of the other party, which consent may be given or withheld in the other party's sole discretion.

10. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Amended and Restated Master Loan Agreement.

EXHIBIT A-2

Sample Promissory Note for City Loan

PROMISSORY NOTE
(CITY)

$7,047,124.73

January 14, 2025
Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit public benefit corporation ("Borrower"), promises to pay to the **CITY OF BURBANK**, a California municipal corporation (the "City"), or order, at the City's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the City may designate in writing, the principal sum as of the Effective Date of Seven Million Forty Seven Thousand One Hundred Twenty-Four and Seventy-Three Hundredths Dollars (7,047,124.73) (the "Note Amount") in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreement.** This Amended and Restated Promissory Note (the "Note") is given in accordance with that certain **Amended and Restated Master Loan Agreement** executed by the Housing Authority of the City of Burbank, the City and the Borrower, dated as of January 14, 2025 (the "Agreement") which is incorporated herein by this reference. The Agreement further incorporates this Note, the Deed of Trust, and Regulatory Agreements affecting twenty-four (24) projects from time to time, which now have the same terms, having been modified by the Agreement. The Note Amount collectively combines all amounts owed to the City for all of the projects with Schedule 1 to this Note specifying the amounts due to the City for each project by funding source. The rights and obligations of the Borrower and the City under this Note shall be governed by the Agreement (including its exhibits) and by the additional terms set forth in this Note. In the event of any conflict, the Agreement prevails, then this Note, then the Regulatory Agreements, and then the Deed of Trust . This Note, Regulatory Agreements, Deed of Trust, and Affordable Housing Agreements are collectively referred as the Related Agreements to the Amended and Restated Master Loan Agreement.

2. **Interest and Term.** No interest shall accrue on the Note Amount, past or future. The term of the Note shall remain as set forth in the attached Schedule 1 and shall not be extended herein, except for Projects 1 and 7 which shall have a term of fifty-five years, commencing on January 1, 2024 and ending on January 1, 2080.

3. Repayment of Note Amount. Payments are due annually, commencing with April 1, 2026 for the annual payment from January 1, 2025-December 31, 2025. No payments shall be due between December 31, 2024 and April 1, 2025. As long as there is no breach of the affordability terms during the Affordability Period, no payments shall be due on the City Loan or City Note, and each portion of the City Loan is hereby forgiven or will be forgiven as of the initial term of the original note evidencing that portion of the City Loan and this Note as set forth on Schedule 1 attached to this Note; provided however, that the portions of the City Loan and this Note attributable to Project No. 1 and Project No. 7 (2331-2333 North Fairview and 2325-2335 North Fairview properties) shall not be forgiven and instead will be due and payable on December 31, 2080.

The Note Amount shall be immediately due and payable in the event that one of the repayment conditions set forth herein, to wit: Borrower commits a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreements, and fails to cure said default within the time periods provided in those documents, if any. Otherwise, Borrower shall have no obligation to pay this Note or make any installment payment thereon. to the extent not previously forgiven. On April 1, 2080, this obligation shall be paid in full, provided if Borrower has not committed or caused the occurrence of a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreements, the Note Amount will be forgiven in its entirety, except for the portions of the City Loan and this Note attributable to Project No. 1 and Project No. 7 (2331-2333 North Fairview and 2325-2335 North Fairview properties) shall not be forgiven and instead will be due and payable on December 31, 2080. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

Notwithstanding the foregoing, however, the total amount of the principal, interest and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the real property, or any portion thereof, that is subject to the Deed of Trust (other than transfers approved or permitted pursuant to the Agreement); or

b. in the event of a default by the Borrower under the Agreement, the Deed of Trust securing this Note, the Regulatory Agreements, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the City to declare them due subsequently.

4. Security. The Notes for Projects 1-9 and 11-25 (as defined in the Agreement) have previously been secured by one Deed of Trust with Assignment Rents (Short Form) recorded on October 26, 2006 as Instrument No. 06-2369323 in the Official Records of Los Angeles County (the "Deed of Trust") as an encumbrance to the Borrower's interest in the collective Projects. An Amended and Restated Deed of Trust will be recorded to reflect the loan modification in the form attached hereto as Exhibit B, and incorporated herein by this reference. The Amended and Restated Deed of Trust secures all of the outstanding Agency/Authority and City Notes related to the Projects. Each Note includes all of the provisions for cross-default and

cross-collateralization. The Amended and Restated Deed of Trust is intended to secure future amounts lent to Borrower from either City and/or Authority in which the future documents state that those amounts are secured by the Amended and Restated Deed of Trust, and other future modifications to this Agreement. This Agreement can be amended at any time to include additional loans from either City alone or the Authority alone, without the consent of the other (either City or Authority). The entire security, therefore, can be foreclosed upon a default in any one of the specific Notes. Once recorded the Instrument Number of the Amended and Restated Deed of Trust shall be noted here:_____.

5. Waivers.

a. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the City's sole discretion and that the City may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

b. No extension of time for payment of this Note made by agreement by the City with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

c. The obligations of Borrower under this Note shall be absolute, and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. Attorneys' Fees and Costs. Borrower agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

7. Deed of Trust Acceleration. The Deed of Trust and the Agreement provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Agreement. .

8. Amendments and Modifications. This Note may not be changed orally, but only by an amendment in writing signed by Borrower and by the City. In the event City at some time in the future, and from time-to -time, agrees in its sole and absolute discretion, to release Borrower as to a specific property subject to the Agreement, then this Note, the Deed of Trust and respective Regulatory Agreement can be released, reconveyed and/or modified to so reflect. In the event of any release, the affordability restrictions may be renegotiated.

9. Assignment Prohibited. Except in connection with transfers permitted pursuant to the Agreement or a dissolution context, in no event shall Borrower assign or transfer any portion of this Note without the prior express written consent of the other party, which consent may be given or withheld in the other party's sole discretion.

10. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Amended and Restated Master Loan Agreement.

AMENDED AND RESTATED DEED OF TRUST

THIS AMENDED AND RESTATED DEED OF TRUST is made ____ day of _____, 2025 by **BURBANK HOUSING CORPORATION**, a California nonprofit public benefit corporation (the "Trustor or Grantor") whose address is 1819 Grismer Avenue, Burbank, CA 91510 to Chicago Title Co., a California Corporation, (and in such capacity herein called "Trustee"), for the benefit of the **CITY OF BURBANK**, a California municipal corporation (the "City"), and the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Authority") (and in such capacity herein collectively called the "Beneficiary").

RECITALS

A. Trustor previously signed and recorded that certain Deed of Trust with Assignment of Rents (Short Form) dated October 23, 2006 for the benefit of the Beneficiary and recorded on October 25, 2006 in the Official Records of Los Angeles County as Document No. 06-2369323 (the "Deed of Trust") to secure indebtedness under a Loan Agreement ("MLA") approved in 2006, but executed on January 2, 2007.

B. Trustor and Beneficiary have amended and restated the MLA, and desire to amend the Deed of Trust to reflect such modification and to reflect the new amount of the indebtedness.

WITNESSETH: that Trustor grants to Trustee in Trust, with the Power of Sale, that property in the County of Los Angeles, State of California, described as

See attached Exhibit A, incorporated herein.

Together with the rents, issues and profits thereof, subject however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the purpose of securing (1) payment of all indebtedness owed to Beneficiary in the principal amount of $50,869,383.43 according to the terms of the Amended and Restated Master Loan Agreement

(MLA) and the two promissory notes dated as of January 14, 2025 made by Trustor payable to the order of Beneficiary (the "2025 Amended and Restated Promissory Notes"), and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference into the 2025 Amended and Restated Promissory Notes or as contained herein; (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or its successors or assigns, when evidenced promissory notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly remakes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964 in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of each county, namely

shall inure to and bind the parties hereto, with respect to the property above described. Said agreements, terms and provisions contained in said subdivision A and B, (identical in all counties), are by the within reference thereto, incorporated herein and made a part of this Deed of Trust for all purposes as if fully as if set forth at length herein, and Beneficiary may charge for a statement regarding the obligation secured hereby, provided the charge therefore does not exceed the maximum allowed by law.

The undersigned Trustor, requests that a copy of any notice of default and any notice of sale hereunder be mailed to it.

This Amended and Restated Deed of Trust is intended to replace and supersede Instrument No 06-2369323.

This document is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

THIRD AMENDMENT TO REGULATORY AGREEMENT (Phase 1 - 2025 Master Loan Amendment)

THIS THIRD AMENDMENT TO REGULATORY AGREEMENT is entered into as of January _____, 2025 among the Housing Authority of the City of Burbank, a public body, corporate and politic (the "Authority") , the City of Burbank , a charter city and municipal corporation ("City"), and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Developer or BHC").

Subject Properties

listed in Attachment No. 1 with prior recorded instrument numbers and/or legal descriptions (collectively "Subject Properties")

RECITALS

The following recitals are a substantive part of this Agreement:

A. In 1997, the former Redevelopment Agency of the City of Burbank (the "Agency") established a nonprofit corporation, the Burbank Housing Corporation ("BHC"), to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City receives funds from the HOME Investment Partnership Act of the united States, 42 U.S.C. Sec. 12701, et seq, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also receives Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 et seq.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, et seq., (the "Community Redevelopment Law") the Agency was required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency established a Low and Moderate Income Housing Fund, which is now known as the Low and Moderate Income Housing Asset Fund (the "Housing Fund").

D. Effective February 1, 2012, redevelopment agencies were dissolved in the State of California; the law authorized local housing authorities to accept the former redevelopment agencies assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Authority accepted the Agency's housing duties and assets, including the Housing Fund.

E. BHC, the City, and the Agency/Authority have to date worked together to provide and preserve 322 units for low-to-moderate income households at the Subject Properties. In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school childcare, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

F. To further this partnership, the City, Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008 (the "Loan Agreement"), which modified agreements and combined the loans made by the City and Agency for the Subject Properties into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual properties as one large project. The Loan Agreement combined Agency (now Authority) loans ("Authority Loan") and City HOME and CDBG loans ("City Loan"). The Loan Agreement included, among other things, cross-collaterization and cross-default clauses as further security for the Authority Loan and the City Loan. The loan is secured by a single Deed-of-Trust recorded on the Subject Properties.

G. The parties further modified restated, and replaced in its entirety, the Loan Agreement by entering into the Amended and Restated Master Loan Agreement (Phase 1- January 2025) (the "A&R MLA") to modify and restate the terms of the loan (the "Loan") to specifically 1) make forgivable each portion of the City Loan as of the initial term of the original note evidencing that portion of the City Loan except for the principal associated with certain of the Subject Properties as identified in the A&R MLA;

2) make the annual Authority Loan payment forgivable after the completion of each year of the affordability covenant commencing April 1, 2025 except for the principal associated with certain of the Subject Properties as identified in the A&R MLA; 3) define "affordability covenant period" to be 55 years and 3 months for the Authority Loan and City Loan commencing January 1, 2025 and ending April 1, 2080 ("Affordability Period"); 4) eliminate the concept of "residual receipts payments" which had resulted in Loan payments only when certain conditions existed; 5) eliminate interest on Authority Loan, including existing outstanding and new interest payments for the Authority Loan, to make consistent with City Loan; 6) continue the requirement that two BHC board of director members be comprised of individuals appointed by the City/Authority; and 7) continue certain limitations that currently and must always exist in BHC's Articles of Incorporation and By-laws to restrict any business and mission of BHC to the geographic area of the City of Burbank; this restriction includes but is not limited to use of any City/Authority funds only for projects located in the City of Burbank (which precludes investing in any non-City of Burbank projects).

H. The Subject Properties include Twenty Four (24) projects, which in turn oftentimes involved multiple parcels. Each individual parcel is subject to a regulatory agreement, separate for City or Authority, which restricts certain units to be affordable for a specific time period and is recorded in the official records of the Los Angeles County Recorder's Office (the "Original Regulatory Agreement"). The Original Regulatory was modified after adoption and amendment of the Loan Agreement in 2006-7 to reflect changes by the Loan Agreement as amended and in 2010 to reflect a modification requested by Developer (collectively "Regulatory Agreement"). Those legal descriptions or instrument numbers for the recorded documents of the Original Regulatory Agreement and the two amendments thereto are set forth in Attachment No 1.

I. The Regulatory Agreement is now further being amended by the Third Amendment in conjunction with the terms set forth in the A&R MLA, specifically the extension of affordability covenants to April 1, 2080.

J. As part of the Keeler Homeownership Development June 16, 2009, Project No. 10 has been removed from the Master Loan process and treated individually. However, the documents that went before Council in January, 2025 inadvertently included Property No. 10, Administratively, the City Attorney through Resolution No. 25-29,585 and the Assistant Executive Director (authority to issue estoppels and interpretations of the Regulatory Agreement) have opined that this property should be deleted from the final agreement and all of the exhibits, for the debt had been released from the MLA in 2009 (Council Resolution No. 27,924 and Redevelopment Agency Resolution R-2215). Therefore, Project No. 10 is hereby intentionally deleted from this global amendment.

K. Intentionally excluded from this global amendment is the property referenced in the A&R MLA as Project No. 8, specifically 2321 North Fairview Street and 2321-2323 North Catalina Street. The regulatory agreement for Project No. 8 required, among other things, specific affordability requirements together with operation

of an activity center to serve the neighborhood. Though the A&R MLA, Project No. 8 is divided into two separate projects - the project located at 2321-2323 North Catalina Street ("Project No. 8A") and the project located at 2321 North Fairview Street ("Project No. 8B"), with separate amended regulatory agreements.

NOW, THEREFORE, the parties hereto agree as follows:

1. Amendment: This Third Amendment modifies each individual regulatory agreement for each property identified in Attachment No. 1 as Subject Properties as follows.

    a. Extension of Affordability Covenants. This Third Amendment extends the affordability covenant period as to Subject Properties for fifty-five years and three months commencing upon January 1, 2025 to April 1, 2080.

    b. Conforming to A&R MLA. This Third Amendment amends the Regulatory Agreement for each property identified in Attachment 1 to conform it to any conflicting term in the A&R MLA, and any term in a future amendment to A&R MLA.

2. No Other Changes. Except as amended pursuant this Third Amendment, all terms of the Regulatory Agreement remain the same and the Regulatory Agreement remains in full force and effect.

3. Interpretation and Estoppel Certificates. While it is not the intent to modify any other term, should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation. The interpretation may, if requested by BHC, be provided to Council by memo, and Council may, if it desires to do so as a body, call up the matter for discussion and further interpretation. The Assistant Executive Director is authorized to execute an estoppel certificate stating that BHC is in full compliance with the Regulatory Agreement as amended by this Third Amendment, and that the Regulatory Agreement with this Third Amendment is a true and complete copy, and if applicable, to memorialize an interpretation authorized herein.

4. Monitoring. As to a matter between the Authority and City, Authority agrees to monitor the Regulatory, as amended by this Third Amendment as to Authority affordability covenants and also monitor City affordability covenants, at Authority's cost.

5. Performance secured by Deed of Trust. Performance of the obligations hereunder are secured by a Deed of Trust recorded on Subject Properties by Instrument No. 06-2369323, and as amended and restated by Instrument No. _____, recorded on _____, 2025.

6. Counterparts. This Third Amendment may be executed in counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

7. Successors and Assigns. The Regulatory Agreement as amended by this Third Amendment shall run with the land, and all of the terms, covenants and conditions of the Regulatory Agreement as amended by this Third Amendment shall be binding upon BHC and the permitted successors and assigns of BHC.

IN WITNESS WHEREOF, the parties hereto have executed this Third Amendment to the Regulatory Agreement as of the date and year set forth above.

Form of Third Amendment to Regulatory Agreement (Phase 1 – 2025 Master Loan Agreement) (Catalina – Project No. 8A)

RECORDING REQUESTED BY
AND WHEN RECORDED MAIL TO:

City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Housing Director

This document is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

THIRD AMENDMENT TO REGULATORY AGREEMENT (Phase 1 -2025 Master Loan Amendment) (Catalina – Project No. 8A)

THIS THIRD AMENDMENT TO REGULATORY AGREEMENT (this "Third Amendment") is entered into as of January _____, 2025 among the Housing Authority of the City of Burbank, a public body, corporate and politic (the "Authority") , the City of Burbank , a charter city and municipal corporation (the "City"), and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Developer or BHC").

Subject Property:

2321-2323 Catalina St, Burbank, CA and more particularly described in Attachment No. 1.

RECITALS

The following recitals are a substantive part of this Agreement:

A. In 1997, the former Redevelopment Agency of the City of Burbank (the "Agency") established a nonprofit public benefit corporation, the Burbank Housing Corporation ("BHC"), to improve and preserve the existing housing inventory in the City

of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City receives funds from the HOME Investment Partnership Act of the united States, 42 U.S.C. Sec. 12701, et seq, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also receives Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 et seq.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, et seq., (the "Community Redevelopment Law") the Agency was required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency established a Low and Moderate Income Housing Fund, which is now known as the Low and Moderate Income Housing Asset Fund (the "Housing Fund").

D. Effective February 1, 2012, redevelopment agencies were dissolved in the State of California; the law authorized local housing authorities to accept the former redevelopment agencies assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Authority accepted the Agency's housing duties and assets, including the Housing Fund.

E. BHC, the City, and the Agency/Authority have to date worked together to provide and preserve 322 units for low-to-moderate income households at on twenty-four properties throughout the City (the "Projects"). In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school childcare, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

F. To further this partnership, the City, Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008 (the "Loan Agreement"), which modified agreements and combined the loans made by the City and Agency for the Projects into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual Projects as one large project. The Loan Agreement combined Agency (now Authority) loans ("Authority Loan") and City HOME and CDBG loans ("City Loan"). The Loan Agreement included, among other things, cross-collaterization and cross-default clauses as further security for the Authority Loan and the City Loan. The loan is secured by a single Deed-of-Trust recorded on the Projects.

G. The parties further modified restated, and replaced in its entirety the Loan Agreement by entering into the Amended and Restated Master Loan Agreement (Phase 1- January 2025) (the "A&R MLA") to modify and restate the terms of the loan (the "Loan") to specifically 1) make forgivable each portion of the City Loan as of the initial term of the original note evidencing that portion of the City Loan except for the principal associated with certain Projects as identified in the A&R MLA; 2) make the annual Authority Loan payment forgivable after the completion of each year of the affordability covenant commencing April 1, 2025 except for the principal associated with certain Projects as identified in the A&R MLA; 3) to define "affordability covenant period" to be 55 years and 3 months for the Authority Loan and City Loan commencing January 1, 2025 and ending April 1, 2080 ("Affordability Period"); 4) to eliminate the concept of "residual receipts payments" which had resulted in Loan payments only when certain conditions existed; 5) to eliminate interest on Authority Loan, including existing outstanding and new interest payments for the Authority Loan, to make consistent with City Loan (with certain exceptions); 6) continue the requirement that two BHC board of director members be comprised of individuals appointed by the City/Authority; and 7 continue certain limitations that currently and must always exist in BHC's Articles of Incorporation and By-laws to restrict any business and mission of BHC to the geographic area of the City of Burbank; this restriction includes but is not limited to use of any City/Authority funds only for projects located in the City of Burbank (which precludes investing in any non-City of Burbank projects).

H. Subject Property, along with 2321 North Fairview Street, is referenced in the A&R MLA as collectively Project No. 8. Through the A&R MLA, the Project No. 8 is divided into two separate projects - the project located at Subject Property-2321-2323 North Catalina Street ("Project No. 8A") and the project located at 2321 North Fairview Street ("Project No. 8B"), with separate amended regulatory agreements. The regulatory agreement requires among other things, specific affordability requirements, together with operation of an activity center located on Subject Property to serve the neighborhood.

I. A Regulatory Agreement was recorded on the Subject Property as Instrument No. 04-1599871 on June 17, 2004, and amended by an Amended Regulatory Agreement Instrument No. 06-2369324 on October 25, 2006 (the "First Amendment") and as further amended by a Regulatory Agreement Amendment Instrument No. 20101493655 on October 19, 2010 (the "Second Amendment").

J. The Regulatory Agreement, as amended by the First Amendment and the Second Amendment, is now further being amended (this Third Amendment) to 1) reflect the modification to the A&R MLA, specifically the extension of affordability covenants to April 1, 2080, and 2) to separate the Subject Property from the adjacent parcels 2321 North Fairview Street.

NOW, THEREFORE, the parties hereto agree as follows:

1. Recital B is amended to read as follows: The Developer purchased with Authority and City assistance the Subject Property. The Subject Property is improved with an eight unit apartment building 2323 Catalina Street and an activity center.

2. Affordable Units. The first two sentences of Section 4 Affordable Units are amended to read as follows:

   Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), four (4) of the rehabilitated housing units on the Property to Lower Income Household as defined in Health and Safety Code Section 50079.5 ("Lower Income Units"), and three (3) of the rehabilitated Housing Units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 (Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 5 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units.

3. Extension of Affordability Covenants. The final paragraph of Section 4 is amended to read as follows:

   "The Property shall be subject to the requirements of this Section 4 in perpetuity commencing on the date of the Developer's acquisition of the Property. For purposes of this Section 4, "in perpetuity" means the useful life of the Property with the land use controls imposed herein, but not less than fifty-five years and three months commencing January 1, 2025 and expiring April 1, 2080. The duration of this requirement shall be known as the "Affordability Period"."

4. Conforming to A&R MLA. This Third Amendment further amends the Regulatory Agreement to conform it to any conflicting term in the A&R MLA and any term in a future amendment to the A&R MLA.

5. No Other Changes. Except as amended pursuant this Third Amendment, all terms of the Regulatory Agreement, as amended by the First and Second Amendments, remain the same and the Regulatory Agreement, as amended by the First and Second Amendments, remains in full force and effect.

6. Interpretation and Estoppel Certificates. While it is not the intent to modify any other term, should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation. The interpretation may, if requested by BHC, be provided to Council by memo, and Council may, if it desires to do so as a body, call up the matter for discussion and further interpretation. The Assistant Executive Director is authorized to execute an estoppel certificate stating that BHC is in full compliance with the Regulatory Agreement , as amended by the First Amendment, the Second Amendment, and this Third Amendment, and that the Regulatory Agreement together with the First

Amendment, the Second Amendment, and this Third Amendment is a true and complete copy, and if applicable, to memorialize an interpretation authorized herein.

7. Monitoring. As to a matter between the Authority and City, Authority agrees to monitor the Regulatory, as amended by this Third Amendment as to Authority affordability covenants and also monitor City affordability covenants, at Authority's cost.

8. Performance Secured by Deed of Trust. Performance of the obligations hereunder are secured by a Deed of Trust recorded on Subject Property by Instrument No. 06-2369323, as amended and restated on January___, 2025, recorded as Instrument No._____ on _____, 2025.

9. Counterparts. This Third Amendment may be executed in counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

10. Successors and Assigns. The Regulatory Agreement as amended by the First Amendment, the Second Amendment, and this Third Amendment shall run with the land, and all of the terms, covenants and conditions of the Regulatory Agreement, as amended by the First Amendment, the Second Amendment, and by this Third Amendment, shall be binding upon BHC and the permitted successors and assigns of BHC.

IN WITNESS WHEREOF, the parties hereto have executed this Third Amendment to the Regulatory Agreement as of the date and year set forth above.

THIRD AMENDMENT TO REGULATORY AGREEMENT (Phase 1 -2025 Master Loan Amendment) (2321 N. Fairview)

THIS THIRD AMENDMENT TO REGULATORY AGREEMENT (this "Third Amendment") is entered into as of January _____, 2025 among the Housing Authority of the City of Burbank, a public body, corporate and politic (the "Authority"), the City of Burbank, a charter city and municipal corporation (the "City"), and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Developer" or BHC").

Subject Property

2321 N. Fairview, Burbank, CA and more particularly described in Attachment No. 1.

RECITALS

The following recitals are a substantive part of this Agreement:

A. In 1997, the former Redevelopment Agency of the City of Burbank (the "Agency") established a nonprofit public benefit corporation, the Burbank Housing Corporation ("BHC"), to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City receives funds from the HOME Investment Partnership Act of the united States, 42 U.S.C. Sec. 12701, et seq, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also receives Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 et seq.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, et seq., (the "Community Redevelopment Law"), the Agency was required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency established a Low and Moderate Income Housing Fund, which is now known as the Low and Moderate Income Housing Asset Fund (the "Housing Fund").

D. Effective February 1, 2012, redevelopment agencies were dissolved in the State of California; the law authorized local housing authorities to accept the former redevelopment agencies assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Authority accepted the Agency's housing duties and assets, including the Housing Fund.

E. BHC, the City, and the Agency/Authority have to date worked together to provide and preserve 322 units for low-to-moderate income households on twenty-four properties throughout the City (the "**Projects**"). In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school childcare, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

F. To further this partnership, the City, Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008 (the "Loan Agreement"), which modified agreements and combined the loans made by the City and Agency for the Projects into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual Projects as one large project. The Loan Agreement combined Agency (now Authority) loans ("Authority Loan") and City HOME and CDBG loans ("City Loan"). The Loan Agreement included, among other things, cross-collaterization and cross-default clauses as further security for the Authority Loan and the City Loan. The loan is secured by a single Deed of Trust recorded on the Projects.

G. The parties further modified restated, and replaced in its entirety the Loan Agreement by entering into the Amended and Restated Master Loan Agreement (Phase 1- January 2025) (the "A&R MLA") to modify and restate the terms of the loan (the "Loan") to specifically 1) make forgivable each portion of the City Loan as of the initial term of the original note evidencing that portion of the City Loan except for the

principal associated with certain Projects as identified in the A&R MLA; 2) make the annual Authority Loan payment forgivable after the completion of each year of the affordability covenant commencing April 1, 2025 except for the principal associated with certain Projects as identified in the A&R MLA; 3) define "affordability covenant period" to be 55 years and 3 months for the Authority Loan and City Loan commencing January 1, 2025 and ending April 1, 2080 ("Affordability Period"); 4) eliminate the concept of "residual receipts payments" which had resulted in Loan payments only when certain conditions existed; 5) eliminate interest on Authority Loan, including existing outstanding and new interest payments for Authority Loan, to make consistent with City Loan; 6) continue the requirement that two BHC board of director members be comprised of individuals appointed by the City/Authority; and 7) continue certain limitations that currently and must always exist in BHC's Articles of Incorporation and By-laws to restrict any business and mission of BHC to the geographic area of the City of Burbank; this restriction includes but is not limited to use of any City/Authority funds only for projects located in the City of Burbank (which precludes investing in any non-City of Burbank projects).

H. Subject Property, along with 2321-2323 N. Catalina Street, is referenced in the A&R MLA as collectively Project No. 8, specifically 2321 North Fairview Street and 2321-2323 North Catalina Street. The regulatory agreement required, among other things, specific affordability requirements together with operation of an activity center to serve the neighborhood. Though the A&R MLA, Project No. 8 is divided into two separate projects - the project located at 2321-2323 North Catalina Street ("Project No. 8A") and the project located at Subject Property-2321 North Fairview Street ("Project No. 8B"), with separate amended regulatory agreements.

I. A Regulatory Agreement was recorded on Subject Property as Instrument No. 04-1599871 on June 17, 2004, as amended by an Amended Regulatory Agreement recorded on Subject Property as Instrument No. 06-2369324 on October 25, 2006 (the "First Amendment"). On September 23, 2010, the parties agreed to amend the Regulatory Agreement to allow BHC to have flexibility to lease affordable units below income level designations (the "Second Amendment"). The Second Amendment did not appear on a title report for Subject Property due to administrative recording error, and shall be recorded prior to the recording of this Third Amendment.

J. The Regulatory Agreement, as amended by the First and Second Amendments, is now further being amended by this Third Amendment to 1) reflect the modification to the A&R MLA, specifically the extension of affordability covenants to April 1, 2080, and 2) separate the Subject Property from the adjacent parcels 2321-2323 Catalina St.

NOW, THEREFORE, the parties hereto agree as follows:

1. Recital B is amended to read as follows: The Developer purchased with Authority and City assistance the Subject Property The Subject Property is improved with a two-story apartment building containing six units at 2321 North Fairview Street.

2. Affordable Units. The first two sentences of Section 4 Affordable Units are amended to read as follows:

Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease two (2) of the rehabilitated housing units on the Subject Property to Lower Income Household as defined in Health and Safety Code Section 50079.5 ("Lower Income Units"), and four (4) of the rehabilitated Housing Units on the Subject Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 (Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 5 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Low Income Units are all one-bedroom units, and that four Moderate Income Units are two-bedroom units.

3. Extension of Affordability Covenants. The final paragraph of Section 4 is amended to read as follows:

"The Property shall be subject to the requirements of this Section 4 in perpetuity commencing on the date of the Developer's acquisition of the Property. For purposes of this Section 4, "in perpetuity" means the useful life of the Property with the land use controls imposed herein, but not less than fifty-five years and three months commencing January 1, 2025 and expiring April 1, 2080. The duration of this requirement shall be known as the "Affordability Period"."

4. Conforming to A&R MLA. This Third Amendment further amends the Regulatory Agreement to conform it to any conflicting term in the A&R MLA and any term in a future amendment to the A&R MLA.

5. No Other Changes. Except as amended pursuant this Third Amendment, all terms of the Regulatory Agreement, as amended by the First and Second Amendments, remain the same and the Regulatory Agreement, as amended by the First and Second Amendments, remains in full force and effect.

6. Interpretation and Estoppel Certificates. While it is not the intent to modify any other term, should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation. The interpretation may, if requested by BHC, be provided to Council by memo, and Council may, if it desires to do so as a body, call up the matter for discussion and further interpretation. The Assistant Executive Director is authorized to execute an estoppel certificate stating that BHC is in full compliance with the Regulatory Agreement, as amended by the First Amendment, the Second Amendment, and this Third Amendment, and that the Regulatory Agreement together with the First Amendment, the Second Amendment, and this Third Amendment is a true and complete copy, and if applicable, to memorialize an interpretation authorized herein.

7. Monitoring. As to a matter between the Authority and City, Authority agrees to monitor the Regulatory, as amended by this Third Amendment as to Authority affordability covenants and also monitor City affordability covenants, at Authority's cost.

8. Performance secured by Deed of Trust. Performance of the obligations hereunder are secured by a Deed of Trust recorded on Subject Property by Instrument No. 06-2369323, as amended and restated on January___, 2025, recorded as Instrument No._____ on _____, 2025.

9. Counterparts. This Third Amendment may be executed in counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

10. Successors and Assigns. The Regulatory Agreement as amended by the First Amendment, the Second Amendment, and this Third Amendment shall run with the land, and all of the terms, covenants and conditions of the Regulatory Agreement, as amended by the First Amendment, the Second Amendment, and by this Third Amendment shall be binding upon BHC and the permitted successors and assigns of BHC.

IN WITNESS WHEREOF, the parties hereto have executed this Second Amendment to the Regulatory Agreement as of the date and year set forth above.

LOT 188 OF TRACT NO. 9443, IN THE CITY OF BURBANK, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 144, PAGES 5 AND 6 OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY.

APN: 2464-005-030

EXHIBIT D-1

Form of the Amendment of Leases (313 West Valencia and 427 West Valencia)

AMENDMENT OF LEASES

313 West Valencia and 427 West Valencia
(Project No. 11)

This Amendment of Leases ("Amendment") is made as of January 14, 2025, by and between the Housing Authority of the City of Burbank ("Authority" or "Lessor"), a public body, corporate and politic, and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Nonprofit" or "Lessee").

RECITALS

A. The Authority's predecessor-in-interest and the Lessee entered into a Lease dated February 21, 2006, regarding the real property located at 313 West Valencia Avenue in Burbank, California ("313 Lease").

B. The Authority's predecessor-in-interest and the Lessee entered into a Lease dated February 21, 2006, regarding the real property located at 427 West Valencia Avenue in Burbank, California ("427 Lease"; and together with the 313 Lease, "Leases" and each individually, "Lease").

C. The Authority's predecessor-in-interest had previously made loans to Lessee regarding the properties subject to the Leases ("Property").

D. On January 14, 2025, the Authority, the City of Burbank, and the Lessee entered into an Amended and Restated Master Loan Agreement ("A&R MLA"), which modified the loan terms. by forgiving accrued interest due and eliminating future interest on the Authority loans, eliminating any residual receipts payments, as well as agreeing to forgive 1/55th of the total loan balance each year that Lessee is in compliance with the regulatory agreements recorded on the Property. The modifications also extended the Term of the loan and the Affordability Period to April 1, 2080.

E. The parties desire to modify the Leases to conform with the financial modifications in the A&R MLA.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Lessor and Lessee agree as follows:

1. Capitalized terms not defined in this Amendment shall have the meanings set forth in each Lease.

2. Section 3 of each Lease is hereby amended to extend the Term of each Lease to April 1, 2080.

3. Section 5.2 of each Lease is hereby amended to replace the first paragraph as follows:

> "5.2 Rent: During the Term of this Lease, Lessee agrees to pay in advance on the Commencement Date, and thereafter on April 1 of each year thereafter rent in the amount of One Dollar."

4. Section 6.2 of each Lease is hereby amended to replace the second sentence as follows: " For purposes of this Section 6.2, "in perpetuity" means the useful life of the Property with the land use controls imposed, but at least until April 1, 2080."

5. The first two paragraphs of subsection 10(i) of each Lease are hereby deleted.

6. Except as amended pursuant to this Amendment, all other terms of each Lease remain the same and each Lease remains in full force and effect.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Modification of Lease as of the date first set forth above.

Form of the Amendment of Leases (1729-1735 Elliot Dr., 1801-1815 and 1819 Grismer Ave. (Project No. 6)

AMENDMENT OF LEASE

1729-1735 Elliot Dr., 1801-1815 and 1819 Grismer Ave.
(Project No. 6)

This Amendment of Lease ("Amendment") is made as of January 14, 2025, by and between the Housing Authority of the City of Burbank ("Authority" or "Lessor"), a public body, corporate and politic, and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Nonprofit" or "Lessee").

RECITALS

A. The Authority's predecessor-in-interest and the Lessee entered into a Lease dated April 14, 2004, regarding the real property located at 1729-1735 Elliot Dr., 1801-1815 and 1819 Grismer Ave in Burbank, California ("Lease").

B. The Authority's predecessor-in-interest had previously made loans to Lessee regarding the properties subject to the Lease ("Property").

C. On January 14, 2025, the Authority, the City of Burbank, and the Lessee entered into an Amended and Restated Master Loan Agreement ("A&R Master Loan Agreement"), which modified the loan terms by forgiving accrued interest due and eliminating future interest on the Authority loans, eliminating any residual receipts payments, as well as agreeing to forgive 1/55th of the total loan balance each year that Lessee is in compliance with the regulatory agreement recorded on the Property. The modifications also extended the Term of the loan and the Affordability Period to April 1, 2080.

D. The parties desire to modify the Leases to conform with the financial modifications in the A&R MLA.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Lessor and Lessee agree as follows:

1. Capitalized terms not defined in this Amendment shall have the meanings set forth in each Lease.

2. Section 3 of the Lease is hereby amended to extend the Term of the Lease to April 1, 2080.

3. Section 5.2 of the Lease is hereby amended to replace the first paragraph as follows:

"5.2 Rent: During the Term of this Lease, Lessee agrees to pay in advance on the Commencement Date, and thereafter on April 1 of each year thereafter rent in the amount of One Dollar."

4. Section 6.2 of the Lease is hereby amended to replace the second sentence as follows: " For purposes of this Section 6.2, "in perpetuity" means the useful life of the Property with the land use controls imposed, but at least until April 1, 2080."

5. The first two paragraphs of subsection 10(i) of the Lease are hereby deleted.

6. Except as amended pursuant to this Amendment, all other terms of each Lease remain the same and each Lease remains in full force and effect.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Modification of Lease as of the date first set forth above.

REGULATORY AGREEMENT

2464-005-030
2464-008-030

THIS REGULATORY AGREEMENT (the "Agreement") is entered into as of June 17, 2004 by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

B. The Developer has entered into an agreement to purchase real property at 2321 North Fairview Street and 2321-2323 Catalina Street in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference. The Property is improved with a two-story apartment building containing six units at 2321 North Fairview Street and two one-bedroom detached single-family dwellings, a duplex comprised of studio units and an eight-unit apartment building at 2321-2323 Catalina Street.

C. The Agency and the Developer have entered into an Affordable Housing Agreement dated as of June 17, 2004, pursuant to which the Agency has agreed to provide financial assistance to Developer to rehabilitate and acquire the Property, including the conversion of an existing building into an activity center, and the Developer has agreed to rehabilitate and acquire the Property with such financial assistance.

D. The execution and recording of this Agreement is a condition to Agency making assistance available to the Developer pursuant to the Affordable Housing Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. Duty to Prevent Hazardous Material Contamination. During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the Agency, and provide to the Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist

06/23/04

3

orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

For purposes of this Section 1, "Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Developer or the Property.

For purposes of this Section 1, "Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, et seq. (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, et seq.

2. **Rehabilitation of the Property.** The Developer agrees to rehabilitate the Property in accordance with the provisions of the Affordable Housing Agreement, the Scope of Work which is attached to the Affordable Housing Agreement as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR § 882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 of the Affordable Housing Agreement.

3. **Compliance With Laws.** The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, et seq., Government Code Section 4450, et seq., Government Code Section 11135, et seq., and the Unruh Civil Rights Act, Civil Code Section 51, et seq.

66 287 044

4

4. Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), six (6) of the rehabilitated housing units on the Property to Lower Income Household as defined in Health and Safety Code Section 50079.5 ("Lower Income Units"), and seven (7) of the rehabilitated Housing Units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 (Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 302 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units and the other four Moderate Income Units are two-bedroom units. Other than complying with the affordability mix required by the first sentence of this paragraph, and the bedroom mix required of the second sentence of this paragraph, nothing in this Agreement shall be construed to require specific units within the Property to be restricted. After a tenant's initial occupancy of an Affordable Units, the tenant's income may increase above the levels prescribed for Very Low Income Households, Lower Income Households, or Persons and Families of Low or Moderate Income, as applicable, provided that if the tenant's income exceeds fifty percent (50%) for a Very Low Income Household, eighty percent (80%) for a Lower Income Household, or one hundred twenty (120%) for a Person or Family of Low or Moderate Income Household, adjusted for family size, the rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit F and incorporated herein by reference.

The Developer shall annually submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency. The Developer shall certify that each tenant of the Property meets the income restrictions of this Section 301. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Developer shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

The Property shall be subject to the requirements of this Article 300 in perpetuity commencing upon the date of the Developer's acquisition of the Property. For purposes of this Section 301, "in perpetuity" means the useful life of the Property with the land use controls imposed herein, but not less than fifty-five (55) years. The duration of this requirement shall be known as the "Affordability Period."

5. Affordable Rent.

The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with the Community Redevelopment Law requirements and the following requirements:

a. The Monthly Rent payable by each tenant of the Very Low Income Unit shall not exceed the lesser of (i) thirty percent (30%) of fifty percent (50%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit, or (ii) thirty percent (30%) of fifty percent (50%) of Los Angeles County median Income, as determined by the United States Department of Housing and Urban Development ("HUD").

b. The Monthly Rent payable by each tenant of the Lower Income Units shall not exceed thirty percent (30%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit, or (c) thirty percent (30%) of sixty-five percent (65%) of Los Angeles County median income, as determined by the HUD, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than sixty percent (60%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

c. The Monthly Rent payable by each tenant of the Moderate Income Units shall not exceed thirty percent (30%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by HUD, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than one hundred twenty percent (120%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

6. Lease Requirements. Prior to rental of any of the Property, the Developer shall submit a standard lease form to the Agency for its approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Developer shall enter into a written lease, in the form approved by the Agency, with each tenant of the Property. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

7. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City of Burbank and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

8. Selection of Tenants. The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided herein. The Developer shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list

6622044

system insofar as practical for selection of tenants. The Developer shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

9. Occupancy Standards. Occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of this Section 9.

10. Reserves. The Developer shall establish and pay into the following reserve accounts in the following manner: (a) payments to a capital replacement reserve account in an amount not greater than $300 per apartment unit per year; (b) payments to an operating reserve capitalized at two percent of gross rents from the Property;

11. Maintenance. The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the Agency, as appropriate, upon demand.

12. Management Plan. The Developer shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 7 hereof, the tenant selection process in accordance with Section 8 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 6 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

If the Agency determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the Agency shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 14 hereof, the Agency shall have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the

68232044

Developer, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

13. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to the Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the Agency may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

14. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. Developer shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 13 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the Agency and its successors and assigns, and shall remain in effect in perpetuity.

15. Defaults and Remedies. Defaults of this Agreement and remedies therefor shall be governed by the provisions of Article 400 of the Affordable Housing Agreement.

16. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

17. Non-Liability of City Officials and Employees. No member, official, employee or agent of the Agency shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Agency or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

18. Time. Time is of the essence in this Agreement.

19. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

Such addresses may be changed by notice to the other party given in the same manner as provided above.

20. Successors and Assigns. This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Developer, the Agency and the permitted successors and assigns of the Developer and the Agency. Whenever the term "Developer," or "Agency" is used in this Agreement, such term shall include any other successors and assigns as herein provided.

21. No Third Parties Benefited. This Agreement is made and entered into for the sole protection and benefit of the Agency and its successors and assigns, and Developer and its successors and assigns, and no other person or persons shall have any right of action hereon.

22. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

23. Governing Law. This Agreement and the Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

24. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer and the Agency.

IN WITNESS WHEREOF, the parties hereto have executed this Regulatory Agreement as of the date and year set forth above.

AMENDMENT NO. 2 TO AFFORDABLE HOUSING AGREEMENTS AND RELATED REGULATORY AGREEMENTS

THIS AMENDMENT NO. 2 TO AFFORDABLE HOUSING AGREEMENTS AND RELATED REGULATORY AGREEMENTS (the "Amendment") is entered into as of September 23, 2010, among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency") and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer" or "BHC").

RECITALS

A. In 1997, the Redevelopment Agency of the City of Burbank established a non-profit corporation to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City of Burbank receives funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. Sec. 12701, *et seq*, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also has Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 *et seq*.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, *et seq*., (hereafter "Community Redevelopment Law") the Agency is required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City of Burbank's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

D. BHC, the City, and the Agency have to date worked together to provide and preserve Two Hundred and Seventy-Five (275) units of low-to-moderate income households. Based on the successful Elmwood model, the parties recognize that affordable housing requires social centers/services to invigorate neighborhoods and to keep projects successful. In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school child care, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

E. On October 26, 1999, the Agency, City, and BHC entered into an affordable housing agreement for the property located at 2331-2333 North Fairview to acquire, rehabilitate, and provide three (3) affordable rental units. (hereafter referred to as "Project No.1").

F. On April 25, 2001, BHC entered into an affordable housing agreement with the City and Agency to acquire, rehabilitate and provide four (4) affordable rental units located at 3000-3006 Thornton Avenue ("Project No.2").

G. On July 10, 2001, BHC entered into an affordable housing agreement with the City and the Agency to acquire, rehabilitate and provide 65 affordable units located at 199 West Elmwood Avenue 153, 158-159,164-165, 170-171, 188, 194 Elmwood. This Elmwood project is collectively referred to as "Project No.3".

H. The Elmwood Project, Project No. 3, is being amended through the Amendment No. 2 to the Affordable Housing Agreements and related Regulatory Agreement, to modify the joint, consolidated restrictions on the affordable housing income restrictions. The number of affordable units remains unchanged.

I. On July 16, 2002, BHC entered into an affordable housing agreement with the City and Agency concerning the acquisition, rehabilitation, and provide seven (7) affordable rental units located at 1721 Elliot Drive. The Elliot project is hereafter "Project No. 4".

J. On May 27, 2003, BHC and the Agency entered into an affordable housing agreement concerning 3030 Thornton Avenue to acquire, rehabilitate, and provide one (1) affordable rental unit. The 3030 Thornton Avenue project is hereafter "Project No. 5".

K. On September 23, 2003, BHC and Agency entered into a disposition and development agreement ("DDA") and lease agreement and amended on January 15, 2008 (Amendment No. 2) whereby BHC agreed to rehabilitate and provide 70 affordable rental units located at 1801-1815 Grismer Avenue, 1819 Grismer and 1729-1735 Elliott Drive. The aforementioned project is hereafter referred to as "Project No. 6".

L. The Peyton- Grismer Project, Project No. 6, is being amended through Amendment No. 2 to the Affordable Housing Agreements and related amended Regulatory Agreements, to modify the joint, consolidated restrictions on the affordable housing income restrictions. The number of affordable units remains unchanged.

M. On November 18, 2003, BHC entered into an affordable housing agreement with the City for assistance to purchase and rehabilitate seven (7) units at 2325 and 2335 Fairview Street (hereafter "Project No. 7").

N. On June 15, 2004, BHC and the Agency entered into an affordable housing agreement to acquire, rehabilitate, and provide fourteen (14) affordable rental units located at 2321 North Fairview Street and 2321-2323 North Catalina Street. An activity center serves the neighborhood. This project is hereafter referred to as "Project No. 8".

O. On May 4, 2004, the Agency and BHC restructured and consolidated certain affordable housing agreements in the Lake-Verdugo Focus Neighborhood to provide thirty (30) affordable housing rentals located at 220 West Tujunga Avenue, 237, 241-243, and 257 West Verdugo Avenue, which had been entered into separately in 2000-01. An activity center serves the neighborhood. The Verdugo-Lake Focus Neighborhood projects are hereafter referred to as "Project No. 9".

P. As part of the Keeler Homeownership Development June 16, 2009, 1902 Keeler Avenue ("Project No. 10") has been removed from the Master Loan process and treated individually. Therefore, Project No. 10 is hereby intentionally deleted.

Q. On January 31, 2006, the Agency and City approved a Disposition and Development Agreement and a Lease with BHC to provide five (5) affordable rental units located at 313 and 427 West Valencia Avenue. The aforementioned property is hereafter referred to as "Property No. 11".

R. On April 4, 2006, the City, Agency, and BHC entered into an Affordable Housing Agreement for the purchase and rehabilitation of ten (10) rental units at 157 West Linden Avenue and 160 West Elm Court/159 West Linden Avenue (Property No.12).

S. On January 23, 2007, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 261 West Verdugo Avenue which was rehabilitated to provide eight (8) affordable rental units. (Property No. 13).

T. On January 23, 2007, Agency and BHC entered into an Affordable Housing Agreement whereby BHC agreed to provide six (6) rental units at 2219 and 2329 North Niagara Street. (Property No. 14).

U. On November 18, 2008, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 2406 North Naomi Street which was acquired and rehabilitated to provide four (4) affordable rental units. (Property No. 15.)

V. On January 6, 2009, the Agency and BHC entered into an Affordable Housing Agreement whereby BHC agreed to acquire, rehabilitate, and provide34 affordable rental units at 275 West Verdugo Avenue. (Property No. 16.)

W. On September 29, 2009, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 2615 Thornton Avenue which was acquired and rehabilitated to provide four (4)affordable rental units. (Property No. 17.)

X. On August 17, 2010, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 225 Linden Avenue which was acquired and rehabilitated to provide four (4) affordable rental units. (Property No. 18.)

Y. BHC has performed or is currently performing all of its obligations under the affordable housing agreements (the "AHA") with respect to the acquisition and rehabilitation of each applicable property and currently maintains and operates the property subject to individual AHA's and Regulatory Agreements exclusive to each property. The parties desire to amend each of the AHAs and the corresponding Regulatory Agreements for Projects 1-18 to provide for flexibility in the affordability restrictions to meet community demand.

NOW, THEREFORE, the parties hereto agree as follows:

1. Amendment to Properties No. 3 and No. 6. Each Affordable Housing Agreement designates the number of affordable units and the targeted restricted household income level. The Affordable Housing Agreement applicable for Property No. 3 and Property No. 6 is amended as set forth in this section. Property No. 3 initially required the following designation of affordable housing units:

Property No. 3	Affordability	Initial
Elmwood	Extremely-Low	0
	Very-Low	19
	Low	23
	Moderate	23

This Amendment changes that designation to:

Property No. 3	Affordability	New
Elmwood	Extremely-Low	7
	Very-Low	25
	Low	23
	Moderate	10

Property No. 6 initially required the following designation of affordable housing units:

Property No. 6	Affordability	Initial
Peyton-Grismer	Extremely-Low	0
	Very-Low	14
	Low	19
	Moderate	37

This Amendment changes that designation to:

Property No. 6	Affordability	New
Peyton-Grismer	Extremely-Low	13
	Very-Low	20
	Low	25
	Moderate	12

2. A new provisions shall be added to each of the AHA and respective Regulatory Agreements:

Leasing Affordable Units Below Income Level Designations as to all Properties. In the event Developer is unable to lease an Affordable Unit at its designated income level, Developer may submit a request to the Agency's Executive Director, or its designee, to lease a particular Affordable Unit at a level that is below the agreed unit designation set forth in its respective AHA. The Executive Director, or its designee, may, in his or her sole discretion, approve such requests upon making a finding that, for a period of not less than ninety (90) days, Developer has made all reasonable efforts to market the Affordable Unit to prospective tenants at the designated income level, that there are no apparent qualified applicants at the designated income level, and that there are no significant financial impacts to the project. The Executive Director, or its designee, may authorize one or more lower income designations. The new tenants for the temporarily redesignated Affordable Unit must have a household income that meets the appropriate income designation (depending on the unit redesignation) as set forth below:

a. Extremely-Low Households ("Extremely-Low Households") that do not exceed the following: i) the qualifying limits for Extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50106 for extremely-low income households, adjusted for household size. Monthly rent chargeable by the tenant must be the lesser of (a) the extremely low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

b. Very-Low Income Households ("Very-Low Income Households") that do not exceed the following: i) qualifying limits for extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for extremely-low income households, adjusted for household size; and includes extremely-low income households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the very low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

c. Low-Income Households ("Low-Income Households") that do not exceed the following: i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50053 for Low-Income Households, as adjusted for households size; and includes Very-Low Income Households as defined above. For Lower Income Households: Monthly rent chargeable by the tenant must be the lesser of (a) the lower income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit; or (d) HOME program High HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

d. Moderate-Income Households ("Moderate-Income Households") that do not exceed the following: i) the qualifying limits defined under California Health and Safety Code Section 50093 for Moderate-Income Households, as adjusted for household size; and includes Extremely-Low, Very-Low, and Low-Income Households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the moderate income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; or (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD.

In order to maintain the household income mix set forth in each respective AHA, Developer shall lease the next available Affordable Unit at the income level subject to the any waiver granted pursuant to this section. Developer shall re-apply for approval to vary from such designation, in the event Developer is unable to again lease an Affordable Unit at the designated income level.

3. **Amendment to the Regulatory Agreement.** The Affordable Housing Agreements and Regulatory Agreements applicable to Projects No. 1-17 are hereby amended to reflect the changes set forth in this AHA No. 2. The AHA's and Regulatory Agreements for Projects No. 1-17, shall remain in full force and effect except as to that reflected in this Agreement (Amendment No.2) and the attached Regulatory Agreement. It is not the intent to modify any other provision of the documents as to all of the aforementioned projects except for Projects Nos. 3 and 6. Should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the date set forth above.

REGULATORY AGREEMENT AMENDMENT

THIS REGULATORY AGREEMENT AMENDMENT (the "Agreement") is entered into as of this 23RD day of September, 2010 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower and very low income families.

B. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

C. The Developer has negotiated and acquired, and operated seventeen (17) properties of which the Agency and/or City have financed (collectively the "Affordable Housing Projects"). The Developer recorded a Regulatory Agreement on each respective Affordable Housing Project to reflect the affordability restrictions. Each Regulatory Agreement further reflected the individual restrictions imposed on each Affordable Housing Project through the respective Affordable Housing Agreement ("AHA"). The recordation numbers of each Regulatory Agreement of the seventeen (17) properties is set forth in detail on Exhibit A and incorporated herein by this reference.

D. The City, the Agency and the Developer have entered into an Affordable Housing Agreement Amendment No. 2 dated as of September 23, 2010, pursuant to which the City and Agency have agreed to provide flexibility to Developer in the implementation of the affordability restrictions . The parties further modified the specific affordability designations in Properties No. 3 and 6. This Amendment to the Regulatory Agreement shall apply to all seventeen (17) properties.

NOW, THEREFORE, the parties hereto agree as follows:

1. A new provisions shall be added to each of the AHA and respective Regulatory Agreements:

Leasing Affordable Units Below Income Level Designations as to all Properties. In the event Developer is unable to lease an Affordable Unit at its designated income level, Developer may submit a request to the Agency's Executive Director, or its designee, to lease a particular Affordable Unit at a level that is below the agreed unit designation set forth in its respective AHA. The Executive Director, or its designee, may, in his or her sole discretion, approve such requests upon making a finding that, for a period of not less than ninety (90) days, Developer has made all reasonable efforts to market the Affordable Unit to prospective tenants at the designated income level, that there are no apparent qualified applicants at the designated income level, and that there are no significant financial impacts to the project. The Executive Director, or its designee, may authorize one or more lower income designations. The new tenants for the temporarily redesignated Affordable Unit must have a household income that meets the appropriate income designation (depending on the unit redesignation) as set forth below:

a. Extremely-Low Households ("Extremely-Low Households") that do not exceed the following: i) the qualifying limits for Extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50106 for extremely-low income households, adjusted for household size. Monthly rent chargeable by the tenant must be the lesser of (a) the extremely low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

b. Very-Low Income Households ("Very-Low Income Households") that do not exceed the following: i) qualifying limits for extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for extremely-low income households, adjusted for household size; and includes extremely-low income households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the very low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

c. Low-Income Households ("Low-Income Households") that do not exceed the following: i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50053 for Low-Income Households, as adjusted for households size; and includes Very-Low Income Households as defined above. For Lower Income Households: Monthly rent chargeable by the tenant must be the lesser of (a) the lower income rents set forth in Health & Safety Code Section 50053 based on the methodology established

by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit; or (d) HOME program High HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

d. Moderate-Income Households ("Moderate-Income Households") that do not exceed the following: i) the qualifying limits defined under California Health and Safety Code Section 50093 for Moderate-Income Households, as adjusted for household size; and includes Extremely-Low, Very-Low, and Low-Income Households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the moderate income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; or (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD.

In order to maintain the household income mix set forth in each respective AHA, Developer shall lease the next available Affordable Unit at the income level subject to the any waiver granted pursuant to this section. Developer shall re-apply for approval to vary from such designation, in the event Developer is unable to again lease an Affordable Unit at the designated income level.

2. **Amendment to Properties No. 3 and No. 6.** Each Affordable Housing Agreement and Regulatory Agreement designates the number of affordable units and the targeted restricted household income level. The Affordable Housing Agreement and Regulatory Agreement applicable for Property No. 3 and Property No. 6 is amended as set forth in this section. Property No. 3 initially required the following designation of affordable housing units:

Property No. 3	Affordability	Initial
Elmwood	Extremely-Low	0
	Very-Low	19
	Low	23
	Moderate	23

This Amendment changes that designation to:

Property No. 3	Affordability	New
Elmwood	Extremely-Low	7
	Very-Low	25
	Low	23
	Moderate	10

Property No. 6 initially required the following designation of affordable housing units:

Property No. 6	Affordability	Initial
Peyton-Grismer	Extremely-Low	0
	Very-Low	14
	Low	19
	Moderate	37

6

This Amendment changes that designation to:

Property No. 6	Affordability	New
Peyton-Grismer	Extremely-Low	13
	Very-Low	20
	Low	25
	Moderate	12

3. **Amendment.** This Agreement may not be changed orally, but only by agreement in writing signed by Developer, the Agency and the City.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment to the Regulatory Agreement as of the date and year set forth above.

REGULATORY AGREEMENT AMENDMENT

THIS REGULATORY AGREEMENT AMENDMENT (the "Agreement") is entered into as of this 23RD day of September, 2010 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States. 42 U.S.C. §12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower and very low income families.

B. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

C. The Developer has negotiated and acquired, and operated seventeen (17) properties of which the Agency and/or City have financed (collectively the "Affordable Housing Projects"). The Developer recorded a Regulatory Agreement on each respective Affordable Housing Project to reflect the affordability restrictions. Each Regulatory Agreement further reflected the individual restrictions imposed on each Affordable Housing Project through the respective Affordable Housing Agreement ("AHA"). The recordation numbers of each Regulatory Agreement of the seventeen (17) properties is set forth in detail on Exhibit A and incorporated herein by this reference.

D. The City, the Agency and the Developer have entered into an Affordable Housing Agreement Amendment No. 2 dated as of September 23, 2010, pursuant to which the City and Agency have agreed to provide flexibility to Developer in the implementation of the affordability restrictions. The parties further modified the specific affordability designations in Properties No. 3 and 6. This Amendment to the Regulatory Agreement shall apply to all seventeen (17) properties.

memorandum

DATE: September 14, 2010

TO: City Council and Redevelopment Agency Board

BY: RDG

FROM: Greg Herrmann, Interim Community Development Director/Interim Assistant Executive Director
Ruth Davidson-Guerra, Assistant Community Development Director for Housing and Redevelopment
BY: Arelene Roldan, Housing Development Manager

SUBJECT: BURBANK HOUSING CORPORATION PROPOSAL TO AMEND AFFORDABLE HOUSING AGREEMENTS TO INCREASE HOUSING OPPORTUNITIES FOR LOWER INCOME HOUSEHOLDS TO MEET COMMUNITY NEED

PURPOSE

The purpose of this report is to provide information to the Burbank City Council (City) and Burbank Redevelopment Agency Board (Agency) to consider amending agreements that will redefine the income and affordability requirements as previously approved by and between the City and the Burbank Housing Corporation (BHC) and by and between the Agency and BHC. The objective of these amendments is to increase affordable housing opportunities to meet the current housing demand of the community. This action will meet the City Council's goal of Sustainability by improving environmental and social sustainability within the City.

BACKGROUND

Since 1997, the City has implemented a pro-active approach to neighborhood revitalization in partnership with BHC. The City and the Agency have extended funding to BHC to assist in the acquisition and rehabilitation of distressed residential properties as a strategy for upgrading neighborhoods in decline and maintaining rents at an affordable rate. By investing resources to improve the housing stock, provide affordable housing opportunities, and develop neighborhood-based Family Resource Centers, our partnership with BHC has improved the quality of life for Burbank residents in the Elmwood, Verdugo-Lake, Golden State, Peyton-Grismer, and Lake-Alameda Focus Neighborhoods (Focus Neighborhoods).

These efforts have been consistent with several housing objectives and programs of the City's Affordable Housing Strategy, first set forth by the Blue Ribbon Task Force on Affordable Housing as approved by the City and Agency in 2003.

R-2239

Affordable Housing Properties

BHC currently operates or is in the process of improving properties with over 270 affordable housing units within the Focus Neighborhoods. Each of these properties have been developed to provide affordable rental housing opportunities to assist Burbank households earning 120 percent of area median income, defined by California Redevelopment Law (CRL) as Low and Moderate Income Households. The table below reflects the number of housing units produced within each Focus Neighborhood. The table also includes the total units within the BHC's Transitional Housing Program.

Burbank Housing Corporation
Affordable Housing Portfolio

Focus Neighborhoods & Transitional Housing Program	Number of Units
Elmwood Focus Neighborhood	65
Verdugo-Lake Focus Neighborhood	72
Golden State Focus Neighborhood*	36
Peyton-Grismer Focus Neighborhood**	77
Lake-Alameda Focus Neighborhood	9
Transitional Housing Program*	16
TOTAL	275

* Includes properties currently being rehabilitated by BHC.
** Excludes eight units within the Keeler-Elliott Homeownership Development.

Income and Affordability Requirements

Each of the affordable housing properties are subject to agreements imposing long-term covenants and restrictions securing affordability for the longest feasible time. CRL's affordability duration is 55 years for rental housing; BHC's affordability term is in perpetuity. These agreements have been recorded with Los Angeles County and will run with the land. The affordability restrictions require BHC to lease units to income-qualified households at the defined affordable housing rent, and the restrictions vary from project to project. The U.S. Department of Housing and Urban Development (HUD) annually establishes income limits for each State based on the area median income. Thereafter, the Department of Housing and Community Development (HCD) officially publishes the income qualification standards for each County, adjusted by household size and applicable rents are established using the methodology established by CRL[1].

[1] Pursuant to California Redevelopment Law Section 50106, 50105, 50079.5, and 50093.

BHC's affordable housing units are targeted to households that fall within four basic income categories. Using the 2010 affordability standards, below is a sample of income limits adjusted by household size.

State Income Limits for Los Angeles County (2010)

Income Level	1 person household	2 person household	3 person household	4 person household
Extremely-Low (30% of AMI)	$17,400	$19,900	$22,400	$24,850
Very-Low (50% of AMI)	$29,000	$33,150	$37,300	$41,400
Low (80% of AMI)	$46,400	$53,000	$59,650	$66,250
Moderate (120% of AMI)	$52,900	$60,500	$68,050	$75,600

Area Median Income (AMI): $63,000

As mentioned earlier, the affordability requirements vary from project to project. Over the years, the terms of affordability and rent requirements have changed to assist the varying income of households, as well as providing BHC with the greatest flexibility to meet the changing needs of the community. For example, older agreements impose affordability requirements that are specific to bedroom size. Some agreements include "floating" units, which authorize BHC to assign affordability requirements to any bedroom size as long as the total number of units and bedroom mix satisfies the overall unit requirements. Finally, more recent agreements allow BHC with the most flexibility by designating units "up to" the affordability benchmark (described above). This final structure is included in more recent agreements, such as the acquisition of four units located at 225 Linden Avenue (approved in August 2010). Three of the four units are designated to households who earn "up to" the very-low income limit, and one unit is designated to a household who earns "up to" the moderate-income limit. BHC can technically rent the three very-low income units to a household who does not exceed the very-low income household limit, which includes extremely-low income households. The moderate-income unit can be rented to all income categories, which includes extremely-low, very-low, and low income households.

The table below summarizes the number of units for each target income category within BHC's portfolio:

Income Category	# of Restricted Units
Extremely-Low	7
Very-Low	72
Low	110
Moderate	86
TOTAL	**275**

Moderate-Income Vacancy Challenges

Due to increasing unemployment rates, housing vacancies are rising and rents are falling across the country. Due to the downward economic and housing market trends, BHC has faced challenges in leasing the units designated to moderate-income households. The recession has decreased market-rents to levels equivalent to or below moderate-income rent designations, leaving moderate-income restricted units vacant for extended periods of time due to more attractive market rates and areas elsewhere in the city. During the 2008 and 2009 calendar years, the highest number of units vacant at one time was 13 and 22 moderate units, respectively.

As part of the Agency's continuous housing market analysis[2], a rent survey was conducted in May 2010 to evaluate rental trends within Burbank. Included in the analysis was a detailed comparison of rental trends over the past three years within the city and regionally. The housing analysis reports the average monthly rent declining 3.2 percent between 2008 and 2009, and vacancy rates increasing by 0.4 percent between 2008 and 2009. Below is a rent survey comparison of restricted moderate-income rents within the Focus Neighborhoods and of the average market-rate rents. The chart exhibits that the market rents are less than the restricted rents. Therefore, the demand for moderate-income rental units does not exist in the community based on market-rate rents.

Bedroom Size	Market-Rate Rent (2010)	Moderate-income Rent[3] (2010)
1	$1,056	$1,386
2	$1,243	$1,559
3	$1,472	$1,733

Marketing Campaign

Even with market-rate rents declining, BHC continued to market the moderate units to meet agreement obligation. Over a two-year time period, both BHC and Agency staff developed an aggressive marketing strategy to fill the vacant moderate units and to build up a moderate-income waiting list. The marketing strategy was implemented in March 2009 and included new advertising materials, expanded and targeted marketing, rent specials and promotions. BHC also systematically reviewed the waiting list identifying families at the high end of the low-income category that could graduate into the moderate-income category; and have the ability to pay moderate-income rent in the near future. The following was executed over a one-year term[4]:

- In March 2009, a marketing flier and e-mail was targeted to employers of the Burbank Workforce (i.e. Burbank Unified School District, Chamber of Commerce,

[2] Housing market trends are published annually within the Agency's Housing Profile summarizing statistics of the previous year.

[3] Pursuant to Health and Safety Code Section 50053 (b)(4) and established by HCD, affordable rents for moderate income households are calculated using the following formula: Product of 30% times 110% of area median income, adjusted for household size appropriate for the unit.

[4] Modifications were approved by Agency staff and modifications are consistent with existing agreements.

Los Angeles Superior Court, Woodbury University, studios, childcare centers, and other local educational institutions.) In April 2009, a separate advertisement was placed in the Burbank City Employee Hotline for four weeks (two pay periods).

- Since June 2009, a leasing strategy has been implemented where BHC modifies new applicant criteria/eligibility, waived credit report fees, offered rent reductions, and offered rent/move-in specials.
- Since July 2009, marketing continues with posting vacancy banners and running multiple advertisements in various mediums such as the Burbank Leader, Craigslist, Penny Saver, and Westside Rentals.

This concerted effort has allowed BHC to fill the vacant moderate units, but the issue persists. To date, approximately ten moderate units remain vacant, while a pool of over 200 extremely-low, very-low, and low-income families remain on BHC's waiting list for an available affordable unit.

ANALYSIS

Despite best efforts, the moderate-income units remain vacant for extended periods of time while the demand for affordable units for households who earn less than moderate-income households is evidenced by the waiting list. To better meet the community need for affordable housing and fill the current moderate-income unit vacancies, BHC submitted a proposal (EXHIBIT A) requesting the City and Agency to consider amending certain agreements to increase the number of extremely-low, very-low, and low-income units by reducing the number of moderate-income units.

Unit Re-Designation Proposal

The proposal identifies two properties containing the highest percentage of moderate units and the greatest number of vacancies: the Elmwood Focus Neighborhood consisting of 65 units and Peyton Grismer Focus Neighborhood consisting of 70 units[5]. following proposed unit re-designations by property will create additional housing opportunities for lower income Burbank families and eliminate chronic vacancies:

Property	Affordability	Current	Proposed	Change
Elmwood[6]	Extremely-Low	0	7	+7
	Very-Low	19	25	+6
	Low	23	23	0
	Moderate	23	10	-13
Peyton-Grismer[7]	Extremely-Low	0	13	+13
	Very-Low	14	20	+6
	Low	19	25	+6
	Moderate	37	12	-25

[5] The proposal excludes units within the Keeler-Elliott Homeownership Development and 1721 Elliott Avenue. These properties maintain their own agreement and will not be modified.
[6] Elmwood consists of 153, 158, 159, 164, 165, 170, 171, 188, 194, and 199 Elmwood.
[7] Peyton-Grismer consists of 1729-1735 Elliott and 1801-1815 Grismer.

Provide consistency for all BHC properties

As previously mentioned, the affordability and rent restrictions that BHC must follow are project-specific and varies with each property acquisition. Each property has its own affordability and restriction terms that prohibit BHC from renting to households other than the designations, limiting their ability to adjust to the demands of the community. At the time those agreements were approved, the designations and restrictions fit with the economic climate and housing need. However, to effectively respond to shifts in the economy and the housing market, staff recommends amending all previously executed agreements to allow, upon Agency staff approval, BHC to lease their affordable units below the income level designation or to rent "up to" the designations noted for the property. This ability has already been implemented with recent acquisition transactions. The purpose of this change is to establish consistency within all BHC agreements, reduce vacancy rates, and optimize the City's affordable housing production. This new structure of affordability and rent restrictions would be used for future property acquisitions.

If approved it is the intent of Agency and BHC staff to utilize the "up to" method as a last resort to prevent long-term vacancies over 90 days. Upon 90 days, BHC will be required to obtain Agency approval to rent a unit to a household below the targeted unit designation; BHC must restore affordability requirements with the next available unit. In addition, BHC will be responsible for maintaining a healthy mix of rental units that will generate enough income to cover operational expenses when implementing the "up to" method.

PROS and CONS of Proposed Re-Designation

Based on analysis conducted by staff, if the re-designations are approved, the immediate benefit to BHC is filling the vacancies that will effectively generate income. Furthermore, BHC would be able to provide new housing opportunities to lower income Burbank residents who have been waiting for an extensive length of time, in some instances the wait has been as long as four years.

In addition, as part of the City's housing production requirements, funds spent from the Low Moderate Income Housing Fund must be at least in proportion to the community's need for housing for households of such income levels. As identified in the 2009-2014 Implementation Plan (Plan), based on the housing fund allocation for the Plan period, an increase of very-low income units must be produced to meet this income target goal by 2014.

While income targeting has improved within the last few years, the income targeting goals for the 2009-2014 Plan period fall short of the extremely-low and very-low requirement, which is currently at 35 percent for the Plan period in comparison to the required 43 percent. The proposed re-designations within BHC's portfolio will increase the extremely-low and very-low percentage to 48 percent; surpassing the Agency's goal of 43 percent. It should be noted that the existing and proposed income target goals will

change as additional affordable housing is developed. Therefore, staff will continue to monitor proportionality requirements hand-in-hand with affordable housing production.

The table below provides a comparison of the Agency's proportionality goals for the Plan period; estimated production as identified within the Implementation Plan; and estimated production as a result of the proposed affordability modifications.

2009-2014 Plan Period
Proportionality Income Target Goals

	Required	Estimated	Proposed
Extremely-Low & Very-Low	>43%	35%	48%
Low	>27%	38%	35%
Moderate	<30%	27%	17%

As discussed above, with the proposed changes to re-designate the moderate units to lower designations, BHC will be able to fill the units immediately with households awaiting an affordable housing opportunity and the Agency will surpass the extremely-low and very-low proportionality income targeting goal.

Based on a preliminary budget provided by BHC, staff concluded that there are no significant financial implications to the Agency or BHC. However, a potential long-term financial implication may be a reduction of residual receipt payments. The revised designations will coincide with an appropriate and reduced rental rate which will effectively reduce BHC's annual rental income, therefore, reducing the amount of residual receipt payments to the Agency. The reduction of rents will not affect the integrity and operations of the properties as BHC will have sufficient cash flow funding to maintain all of the properties within their portfolio. While there could be an argument that the proposed adjustments would lower BHC's rental income revenue, a counter argument would suggest that this proposal would enhance BHC's cash flow as units currently sit vacant, generating no income revenue. More importantly, these proposed adjustments will provide housing for households having an immediate need for affordable housing.

FISCAL IMPACT
There is no fiscal impact to the General Fund.

There is no immediate fiscal impact to the Agency. The long-term financial implications may be a reduction of residual receipt payments from BHC.

CONCLUSION
To meet the demands of the community and fill the current moderate-income unit vacancies, BHC submitted a proposal requesting the City and Agency consider amending certain agreements by reducing the number of moderate-income units and increasing the number of extremely-low, very-low, and low-income units. The proposal

identifies two properties that have the highest vacancies: the Elmwood Focus Neighborhood and Peyton-Grismer Focus Neighborhood. Both are the two largest properties that BHC oversees and have the highest number of moderate-income unit designations. If this proposal is approved, it would allow BHC to immediately fill their vacancies with households that have been languishing on the wait list and stop the loss of rental income. In addition, the long-term benefit would address the community need by increasing the number of affordable units that best fit the housing demand.

In addition to the proposed re-designations of moderate units, in order to limit the potential of vacancies, staff is recommending amending affordability and rent restrictions to allow BHC to rent "up to" the target designation. This language has been implemented with recent acquisitions, as well as the acquisition of 225 Linden Avenue approved in August 2010. Staff recommends that all previous agreements be amended to maintain consistency in all BHC properties. If approved, BHC would be able to rent units to households below any given income category; reduce vacancy rates; and optimize the City's affordable housing production. This consistent affordability and rent restriction would also be used for future property acquisitions.

RECOMMENDATION

Staff recommends that the City of Burbank and Burbank Redevelopment Agency Board adopt the attached resolutions approving agreements with the Burbank Housing Corporation that will modify the affordable housing income and affordability restrictions.

1208

AMENDMENT NO. 2 TO AFFORDABLE HOUSING AGREEMENTS AND RELATED REGULATORY AGREEMENTS

THIS AMENDMENT NO. 2 TO AFFORDABLE HOUSING AGREEMENTS AND RELATED REGULATORY AGREEMENTS (the "Amendment") is entered into as of September 23, 2010, among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency") and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer" or "BHC").

RECITALS

A. In 1997, the Redevelopment Agency of the City of Burbank established a non-profit corporation to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City of Burbank receives funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. Sec. 12701, *et seq*, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also has Community Development Block Grant ("CDBG") funds authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 *et seq*.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, *et seq*., (hereafter "Community Redevelopment Law") the Agency is required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City of Burbank's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

D. BHC, the City, and the Agency have to date worked together to provide and preserve Two Hundred and Seventy-Five (275) units of low-to-moderate income households. Based on the successful Elmwood model, the parties recognize that affordable housing requires social centers/services to invigorate neighborhoods and to keep projects successful. In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school child care, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

E. On October 26, 1999, the Agency, City, and BHC entered into an affordable housing agreement for the property located at 2331-2333 North Fairview to acquire, rehabilitate, and provide three (3) affordable rental units. (hereafter referred to as "Project No.1").

F. On April 25, 2001, BHC entered into an affordable housing agreement with the City and Agency to acquire, rehabilitate and provide four (4) affordable rental units located at 3000-3006 Thornton Avenue ("Project No.2").

G. On July 10, 2001, BHC entered into an affordable housing agreement with the City and the Agency to acquire, rehabilitate and provide 65 affordable units located at 199 West Elmwood Avenue 153, 158-159,164-165, 170-171, 188, 194 Elmwood. This Elmwood project is collectively referred to as "Project No.3".

H. The Elmwood Project, Project No. 3, is being amended through the Amendment No. 2 to the Affordable Housing Agreements and related Regulatory Agreement, to modify the joint, consolidated restrictions on the affordable housing income restrictions. The number of affordable units remains unchanged.

I. On July 16, 2002, BHC entered into an affordable housing agreement with the City and Agency concerning the acquisition, rehabilitation, and provide seven (7) affordable rental units located at 1721 Elliot Drive. The Elliot project is hereafter "Project No. 4".

J. On May 27, 2003, BHC and the Agency entered into an affordable housing agreement concerning 3030 Thornton Avenue to acquire, rehabilitate, and provide one (1) affordable rental unit. The 3030 Thornton Avenue project is hereafter "Project No. 5".

K. On September 23, 2003, BHC and Agency entered into a disposition and development agreement ("DDA") and lease agreement and amended on January 15, 2008 (Amendment No. 2) whereby BHC agreed to rehabilitate and provide 70 affordable rental units located at 1801-1815 Grismer Avenue, 1819 Grismer and 1729-1735 Elliott Drive. The aforementioned project is hereafter referred to as "Project No. 6".

L. The Peyton- Grismer Project, Project No. 6, is being amended through Amendment No. 2 to the Affordable Housing Agreements and related amended Regulatory Agreements, to modify the joint, consolidated restrictions on the affordable housing income restrictions. The number of affordable units remains unchanged.

M. On November 18, 2003, BHC entered into an affordable housing agreement with the City for assistance to purchase and rehabilitate seven (7) units at 2325 and 2335 Fairview Street (hereafter "Project No. 7").

N. On June 15, 2004, BHC and the Agency entered into an affordable housing agreement to acquire, rehabilitate, and provide fourteen (14) affordable rental units located at 2321 North Fairview Street and 2321-2323 North Catalina Street. An activity center serves the neighborhood. This project is hereafter referred to as "Project No. 8".

O. On May 4, 2004, the Agency and BHC restructured and consolidated certain affordable housing agreements in the Lake-Verdugo Focus Neighborhood to provide thirty (30) affordable housing rentals located at 220 West Tujunga Avenue, 237, 241-243, and 257 West Verdugo Avenue, which had been entered into separately in 2000-01. An activity center serves the neighborhood. The Verdugo-Lake Focus Neighborhood projects are hereafter referred to as "Project No. 9".

P. As part of the Keeler Homeownership Development June 16, 2009, 1902 Keeler Avenue ("Project No. 10") has been removed from the Master Loan process and treated individually. Therefore, Project No. 10 is hereby intentionally deleted.

Q. On January 31, 2006, the Agency and City approved a Disposition and Development Agreement and a Lease with BHC to provide five (5) affordable rental units located at 313 and 427 West Valencia Avenue. The aforementioned property is hereafter referred to as "Property No. 11".

R. On April 4, 2006, the City, Agency, and BHC entered into an Affordable Housing Agreement for the purchase and rehabilitation of ten (10) rental units at 157 West Linden Avenue and 160 West Elm Court/159 West Linden Avenue (Property No.12).

S. On January 23, 2007, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 261 West Verdugo Avenue which was rehabilitated to provide eight (8) affordable rental units. (Property No. 13).

T. On January 23, 2007, Agency and BHC entered into an Affordable Housing Agreement whereby BHC agreed to provide six (6) rental units at 2219 and 2329 North Niagara Street. (Property No. 14).

U. On November 18, 2008, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 2406 North Naomi Street which was acquired and rehabilitated to provide four (4) affordable rental units. (Property No. 15.)

V. On January 6, 2009, the Agency and BHC entered into an Affordable Housing Agreement whereby BHC agreed to acquire, rehabilitate, and provide34 affordable rental units at 275 West Verdugo Avenue. (Property No. 16.)

W. On September 29, 2009, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 2615 Thornton Avenue which was acquired and rehabilitated to provide four (4)affordable rental units. (Property No. 17.)

X. On August 17, 2010, the Agency, City and BHC entered into an Affordable Housing Agreement for the property located at 225 Linden Avenue which was acquired and rehabilitated to provide four (4) affordable rental units. (Property No. 18.)

Y. BHC has performed or is currently performing all of its obligations under the affordable housing agreements (the "AHA") with respect to the acquisition and rehabilitation of each applicable property and currently maintains and operates the property subject to individual AHA's and Regulatory Agreements exclusive to each property. The parties desire to amend each of the AHAs and the corresponding Regulatory Agreements for Projects 1-18 to provide for flexibility in the affordability restrictions to meet community demand.

NOW, THEREFORE, the parties hereto agree as follows:

1. Amendment to Properties No. 3 and No. 6. Each Affordable Housing Agreement designates the number of affordable units and the targeted restricted household income level. The Affordable Housing Agreement applicable for Property No. 3 and Property No. 6 is amended as set forth in this section. Property No. 3 initially required the following designation of affordable housing units:

Property No. 3	Affordability	Initial
Elmwood	Extremely-Low	0
	Very-Low	19
	Low	23
	Moderate	23

This Amendment changes that designation to:

Property No. 3	Affordability	New
Elmwood	Extremely-Low	7
	Very-Low	25
	Low	23
	Moderate	10

Property No. 6 initially required the following designation of affordable housing units:

Property No. 6	Affordability	Initial
Peyton-Grismer	Extremely-Low	0
	Very-Low	14
	Low	19
	Moderate	37

This Amendment changes that designation to:

Property No. 6	Affordability	New
Peyton-Grismer	Extremely-Low	13
	Very-Low	20
	Low	25
	Moderate	12

2. A new provisions shall be added to each of the AHA and respective Regulatory Agreements:

Leasing Affordable Units Below Income Level Designations as to all Properties. In the event Developer is unable to lease an Affordable Unit at its designated income level, Developer may submit a request to the Agency's Executive Director, or its designee, to lease a particular Affordable Unit at a level that is below the agreed unit designation set forth in its respective AHA. The Executive Director, or its designee, may, in his or her sole discretion, approve such requests upon making a finding that, for a period of not less than ninety (90) days, Developer has made all reasonable efforts to market the Affordable Unit to prospective tenants at the designated income level, that there are no apparent qualified applicants at the designated income level, and that there are no significant financial impacts to the project. The Executive Director, or its designee, may authorize one or more lower income designations. The new tenants for the temporarily redesignated Affordable Unit must have a household income that meets the appropriate income designation (depending on the unit redesignation) as set forth below:

a. Extremely-Low Households ("Extremely-Low Households") that do not exceed the following: i) the qualifying limits for Extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50106 for extremely-low income households, adjusted for household size. Monthly rent chargeable by the tenant must be the lesser of (a) the extremely low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

b. Very-Low Income Households ("Very-Low Income Households") that do not exceed the following: i) qualifying limits for extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for extremely-low income households, adjusted for household size; and includes extremely-low income households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the very low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

c. Low-Income Households ("Low-Income Households") that do not exceed the following: i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50053 for Low-Income Households, as adjusted for households size; and includes Very-Low Income Households as defined above. For Lower Income Households: Monthly rent chargeable by the tenant must be the lesser of (a) the lower income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit; or (d) HOME program High HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

d. Moderate-Income Households ("Moderate-Income Households") that do not exceed the following: i) the qualifying limits defined under California Health and Safety Code Section 50093 for Moderate-Income Households, as adjusted for household size; and includes Extremely-Low, Very-Low, and Low-Income Households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the moderate income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; or (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD.

In order to maintain the household income mix set forth in each respective AHA, Developer shall lease the next available Affordable Unit at the income level subject to the any waiver granted pursuant to this section. Developer shall re-apply for approval to vary from such designation, in the event Developer is unable to again lease an Affordable Unit at the designated income level.

3. Amendment to the Regulatory Agreement. The Affordable Housing Agreements and Regulatory Agreements applicable to Projects No. 1-17 are hereby amended to reflect the changes set forth in this AHA No. 2. The AHA's and Regulatory Agreements for Projects No. 1-17, shall remain in full force and effect except as to that reflected in this Agreement (Amendment No.2) and the attached Regulatory Agreement. It is not the intent to modify any other provision of the documents as to all of the aforementioned projects except for Projects Nos. 3 and 6. Should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the date set forth above.

REGULATORY AGREEMENT AMENDMENT

THIS REGULATORY AGREEMENT AMENDMENT (the "Agreement") is entered into as of this ____ day of _____, 2010 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower and very low income families.

B. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

C. The Developer has negotiated and acquired, and operated seventeen (17) properties of which the Agency and/or City have financed (collectively the "Affordable Housing Projects"). The Developer recorded a Regulatory Agreement on each respective Affordable Housing Project to reflect the affordability restrictions. Each Regulatory Agreement further reflected the individual restrictions imposed on each Affordable Housing Project through the respective Affordable Housing Agreement ("AHA"). The recordation numbers of each Regulatory Agreement of the seventeen (17) properties is set forth in detail on Exhibit A and incorporated herein by this reference.

D. The City, the Agency and the Developer have entered into an Affordable Housing Agreement Amendment No. 2 dated as of _____, pursuant to which the City and Agency have agreed to provide flexibility to Developer in the implementation of the affordability restrictions . The parties further modified the specific affordability designations in Properties No. 3 and 6. This Amendment to the Regulatory Agreement shall apply to all seventeen (17) properties.

NOW, THEREFORE, the parties hereto agree as follows:

1. A new provisions shall be added to each of the AHA and respective Regulatory Agreements:

Leasing Affordable Units Below Income Level Designations as to all Properties. In the event Developer is unable to lease an Affordable Unit at its designated income level, Developer may submit a request to the Agency's Executive Director, or its designee, to lease a particular Affordable Unit at a level that is below the agreed unit designation set forth in its respective AHA. The Executive Director, or its designee, may, in his or her sole discretion, approve such requests upon making a finding that, for a period of not less than ninety (90) days, Developer has made all reasonable efforts to market the Affordable Unit to prospective tenants at the designated income level, that there are no apparent qualified applicants at the designated income level, and that there are no significant financial impacts to the project. The Executive Director, or its designee, may authorize one or more lower income designations. The new tenants for the temporarily redesignated Affordable Unit must have a household income that meets the appropriate income designation (depending on the unit redesignation) as set forth below:

a. Extremely-Low Households ("Extremely-Low Households") that do not exceed the following: i) the qualifying limits for Extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50106 for extremely-low income households, adjusted for household size. Monthly rent chargeable by the tenant must be the lesser of (a) the extremely low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

b. Very-Low Income Households ("Very-Low Income Households") that do not exceed the following: i) qualifying limits for extremely-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for extremely-low income households, adjusted for household size; and includes extremely-low income households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the very low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; or (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

c. Low-Income Households ("Low-Income Households") that do not exceed the following: i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50053 for Low-Income Households, as adjusted for households size; and includes Very-Low Income Households as defined above. For Lower Income Households: Monthly rent chargeable by the tenant must be the lesser of (a) the lower income rents set forth in Health & Safety Code Section 50053 based on the methodology established

by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD; (c) HOME program Low HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit; or (d) HOME program High HOME income rents as established and amended annually by HUD, adjusted for number of bedrooms in the unit.

d. Moderate-Income Households ("Moderate-Income Households") that do not exceed the following: i) the qualifying limits defined under California Health and Safety Code Section 50093 for Moderate-Income Households, as adjusted for household size; and includes Extremely-Low, Very-Low, and Low-Income Households as defined above. Monthly rent chargeable by the tenant must be the lesser of (a) the moderate income rents set forth in Health & Safety Code Section 50053 based on the methodology established by HCD, adjusted for number of bedrooms in the unit, including a reasonable monthly utility allowance; or (b) prevailing fair market rent for existing housing for comparable units in the area established by HUD.

In order to maintain the household income mix set forth in each respective AHA, Developer shall lease the next available Affordable Unit at the income level subject to the any waiver granted pursuant to this section. Developer shall re-apply for approval to vary from such designation, in the event Developer is unable to again lease an Affordable Unit at the designated income level.

2. **Amendment to Properties No. 3 and No. 6.** Each Affordable Housing Agreement and Regulatory Agreement designates the number of affordable units and the targeted restricted household income level. The Affordable Housing Agreement and Regulatory Agreement applicable for Property No. 3 and Property No. 6 is amended as set forth in this section. Property No. 3 initially required the following designation of affordable housing units:

Property No. 3	Affordability	Initial
Elmwood	Extremely-Low	0
	Very-Low	19
	Low	23
	Moderate	23

This Amendment changes that designation to:

Property No. 3	Affordability	New
Elmwood	Extremely-Low	7
	Very-Low	25
	Low	23
	Moderate	10

Property No. 6 initially required the following designation of affordable housing units:

Property No. 6	Affordability	Initial
Peyton-Grismer	Extremely-Low	0
	Very-Low	14
	Low	19
	Moderate	37

This Amendment changes that designation to:

Property No. 6	Affordability	New
Peyton-Grismer	Extremely-Low	13
	Very-Low	20
	Low	25
	Moderate	12

3. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer, the Agency and the City.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment to the Regulatory Agreement as of the date and year set forth above.

AMENDED AND RESTATED
REGULATORY AGREEMENT

THIS AMENDED AND RESTATED REGULATORY AGREEMENT (the "Agreement") is entered into as of October 4, 2002, by and among the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), the **CITY OF BURBANK**, a charter city and municipal corporation (the "City"), and **BURBANK HOUSING CORPORATION,** a California nonprofit corporation (the "Nonprofit").

RECITALS

A. Pursuant to the terms of a Purchase and Sale Agreement between the Agency and the Nonprofit, dated as of November 30, 1999 (the "Purchase Agreement" recorded on December 28, 1999, recording no. 99-2382117), the Nonprofit has acquired from the Agency nine multifamily apartment complexes (the "First Project Buildings") in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (collectively, the "First Project Property").

B. Pursuant to the terms of an Affordable Housing Agreement by and among the Agency, the City and Nonprofit, dated as of July 10, 2001 (the "AHA"), the City and Agency agreed to provide financial assistance to the Nonprofit to acquire one six-unit apartment complex (the "Second Project Building") in the City of Burbank, located at 199 West Elmwood Avenue (the "Second Project Property"). The AHA also amended the terms of the Promissory Note executed pursuant to the Purchase Agreement to integrate the debt and revenue generate by the First Project Property under the Purchase Agreement and the Second Project Property under the AHA. The First Project Buildings and the Second Project Building are referred to herein collectively as the "Buildings." The First Project Property and Second Project Property are referred to herein collectively as the "Property."

C. The Property is further described in the Legal Description which is attached hereto as Exhibit A, which is incorporated herein. A portion of the cost of acquisition

of the Buildings has been provided with funds from the Agency's Low and Moderate Income Housing Fund, and the remainder of the cost of acquisition of the Buildings has been provided with HOME Program funds.

D. Pursuant to the Purchase Agreement and AHA, the Nonprofit has agreed to lease the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households

E. The Purchase Agreement and the AHA each required the execution and recording of Regulatory Agreements (the "Purchase Regulatory Agreement" and the AHA Regulatory Agreement," respectively) to set forth the ongoing affordability, maintenance, and other obligations of the Purchase Agreement and the AHA.

F. The Agency, City, and Nonprofit desire to execute this Agreement, which will amend and restate both the Purchase Regulatory Agreement and AHA Regulatory Agreement and set forth the obligations of the Parties under one Agreement. The purpose of this Amended and Restated Regulatory Agreement is to provide flexibility to the in leasing the housing units in all of the Buildings on the Property, while still requiring the same overall affordability levels set forth in the Purchase Regulatory Agreement and AHA Regulatory Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

100. DEFINITIONS

"Achievement Center" is defined in Section 406 hereof.

"Affordable Rent" is defined in Section 402.6 hereof.

"Agency" means the Redevelopment Agency of the City of Burbank, a public body, corporate and politic, exercising governmental functions and powers and organized and existing under Chapter 2 of the Community Redevelopment Law and any assignee of or successor to its rights, powers and responsibilities.

"Agreement" means this Amended and Restated Regulatory Agreement among the Agency, the City, and the Nonprofit.

"AHA" is defined in Recital B above.

"AHA Regulatory Agreement" is defined in Recital E above.

"Buildings" means those multifamily apartment complexes located on the Property.

"Capital Replacement Reserve" is defined in Section 405 hereof.

"City" means the City of Burbank, a California charter city and municipal corporation.

"Community Redevelopment Law" means California Health and Safety Code Section 33000, *et seq.* as the same now exist or may hereinafter be amended.

"County" means Los Angeles County.

"Date of Agreement" means the date set forth in the first paragraph hereof.

"Default" means the failure of a party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and opportunity to cure, as set forth in Section 501 hereof.

"First Project Buildings" is defined in Recital A above.

"First Project Property" is defined in Recital A above.

"Governmental Requirements" means all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the State, the County, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Nonprofit or the Property.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

"Legal Description" means the description of the Property which is attached hereto as Exhibit A and incorporated herein.

"Low and Moderate Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 120%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50093.

5

"Lower Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 80%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50079.5.

"Nonprofit" means Burbank Housing Corporation, a California nonprofit corporation, and its successors and assigns.

"Notice" shall mean a notice in the form prescribed by Section 601 hereof.

"Property" means that certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, 194 West Elmwood, and 199 West Elmwood. The Property is legally described in the Legal Description and depicted on the Map.

"Purchase Agreement" is defined in Recital A above.

"Purchase Regulatory Agreement" is defined in Recital E above.

"Rent" shall mean the total of monthly payments by the tenants of an apartment unit for use and occupancy for the unit and facilities associated therewith, including a reasonable allowance for utilities for an adequate level of service, as defined in 25 California Code of Regulations § 6918.

"Second Project Building" is defined in Recital B above.

"Second Project Property" is defined in Recital B above.

"State" means the State of California.

"Transfer" is defined in Section 603.1 hereof.

"Very Low Income Household" shall mean a household earning not greater than fifty percent (50%) of Los Angeles County median income which is set forth from time to time by regulation of the United States Department of Housing and Urban Development.

200. COMPLETION OF REHABILITATION; DISCLOSURE

201. Rehabilitation of the Second Project Property. The Nonprofit agrees to rehabilitate the Second Project Property in accordance with the provisions of the Affordable Housing Agreement, the Scope of Work which is attached to the Affordable Housing Agreement as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR § 882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant

displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 of the Affordable Housing Agreement.

202. Disclosure. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Landlords must, before renting pre-1978 housing, disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a Federally approved pamphlet on lead poisoning prevention. The Agency has undertaken a program to abate lead-based paint which existed in the First Project Buildings, some of which was removed and some of which was encapsulated and allowed to remain in place in the First Project Buildings. The Agency has made available to the Nonprofit all of the reports and records which it has commissioned pertaining to lead-based paint and/or lead-based paint hazards in the First Project Buildings, and Nonprofit acknowledges receipt thereof. However, the Agency believes that the First Project Buildings were constructed prior to 1978, and, therefore, may contain lead-based paint. Nonprofit shall provide to its tenants all disclosures required by applicable law with respect to lead paint exposure. Moreover, Nonprofit shall comply with all applicable laws pertaining to lead-based paint for the Second Project Building.

300. OPERATION OF THE PROPERTY

301. Insurance Requirements. The Nonprofit shall take out and maintain or shall cause its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Nonprofit shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Nonprofit or its contractors, subcontractors, agents or employees with respect to the Property. All policies shall protect the Nonprofit, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. The Nonprofit shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Nonprofit and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Nonprofit shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City

and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Nonprofit shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Nonprofit at the time set forth therefor in the Schedule of Performance. Nonprofit shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

302. Indemnity. The Nonprofit shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Nonprofit under this Agreement, whether such activities or performance thereof be by the Nonprofit or by anyone directly or indirectly employed or contracted with by the Nonprofit and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Nonprofit shall not be liable for property damage or bodily injury to the extent occasioned by the willful misconduct or sole negligence of the Agency, the City, or their agents or employees.

303. Rights of Access. Representatives of the Agency and/or City shall have the right to inspect the Property so long as Agency and/or City representatives comply with all safety rules.

304. Compliance With Laws. The Nonprofit shall carry out the operation of the Property in conformity with all applicable laws, including all applicable City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City's Municipal Code. A portion of the cost of acquisition of the Buildings has been financed through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, pursuant to the implementing regulations set forth at 24 CFR 92 (the "HOME Program"). Accordingly, the Nonprofit shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Upon request, the Agency/City shall provide to the Nonprofit a copy of applicable HOME Program requirements.

305. Financing of the Acquisition of the Property. The Nonprofit shall not enter into any conveyance for financing without the prior written approval of the Agency and City.

400. COVENANTS AND RESTRICTIONS

401. Duty to Prevent Hazardous Material Contamination. During the Rehabilitation of the Second Project Property and operation of the Property, the Nonprofit shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all

Governmental Requirements with respect to Hazardous Materials. The Nonprofit shall notify the City and Agency, and provide to the City and Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Nonprofit shall report to the City and Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

402. Affordable Housing Requirements.

402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent nineteen (19) of the apartment units in the Buildings to Very Low Income Households, twenty-three (23) of the apartment units in the Buildings to Lower Income Households, and twenty-three (23) of the apartment units in the Buildings to Low- and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof.

402.2 Lease Requirements. Prior to rental of any of the apartment units in the Buildings to new tenants, Nonprofit shall submit a standard lease form to the Agency and City for their approval. Each such lease shall contain a waiver of relocation rights and benefits in a form which is reasonably acceptable to the Agency and City. The Agency and City shall approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program, HOME Regulations, and the Community Redevelopment Law. The Nonprofit shall enter into a lease, in the form approved by the Agency and City, with each new tenant of an apartment unit within the Buildings, and each existing tenant whose existing lease has expired. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

402.3 Duration of Affordability Requirements. The Buildings shall be subject to the requirements of this Section 402 in perpetuity commencing upon the date of this Agreement. The duration of this requirement shall be known as the "Affordability Period."

402.4 Selection of Tenants. Each apartment unit in the Buildings shall be leased to tenants selected by the Nonprofit who meet all of the requirements provided herein. The Agency and/or City may, from time to time, assist in the leasing of the apartment units in the Buildings by providing to the Nonprofit names of persons who have expressed interest in renting such units. The Nonprofit shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The tenant selection system shall include, without limitation, a method for investigation of the credit history of proposed tenants through obtaining a credit report on the proposed tenant. Highest priority in the selection of tenants shall be given to those applicants who have been displaced by Agency projects, if any. The Nonprofit shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other

tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

402.5 Income of Tenants. Prior to the rental or lease of any apartment unit in the Buildings to a tenant, and annually thereafter, the Nonprofit shall obtain an income certification from the tenant of each apartment unit. The Nonprofit shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain a credit report from a commercial credit reporting agency.

f. obtain an alternate form of income verification reasonably requested by the Nonprofit, if none of the above forms of verification is available to the Nonprofit.

A person or family who at the time of income certification qualified as a Very Low, Lower or Low- and Moderate Income Household, as applicable, shall continue to be deemed so qualified, until such time as the person or family's income is redetermined and the person or family is determined by the Nonprofit to no longer be so qualified, even if such person or family's income has subsequently increased to an amount above the applicable income level. Upon the Nonprofit's determination that the tenant is no longer qualified as either a Very Low, Lower or Low- and Moderate Income Household, such tenant's monthly rent, instead of the amount set forth in Section 402.6 hereof, shall be adjusted to the lesser of thirty percent of the tenant's monthly income or fair market rent, as reasonably determined by the Agency and the Nonprofit. In addition, the Nonprofit shall annually submit to the Agency and City, prior to July 15 each year, a certification of the number of apartment units in the Buildings actually occupied by Very Low, Lower and Low- and Moderate-Income Households in such form as may be provided by the Agency.

402.6 Determination of Affordable Rent. Each apartment unit in the Buildings shall be rented at an "Affordable Rent" to be established by the Agency and City as provided herein. The maximum Monthly Rent chargeable for the apartment units within the Buildings shall be established by the Agency on an annual basis by written notice to the Nonprofit, upon publication of annual median income limits by the United States Department of Housing and Urban Development and the California Department of Housing and Community Development, at the following amounts:

10

a. For Very Low Income Households: the lesser of (a) One-Twelfth (1/12th) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household size appropriate for the unit, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. For Lower Income Households: One-Twelfth (1/12th) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household size appropriate for the unit.

c. For Low and Moderate Income Households: One-Twelfth (1/12th) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household size appropriate for the unit.

For purpose of determining "Affordable Rent" only, "household size appropriate to the unit" shall mean one person for a studio apartment unit, two persons for a one bedroom apartment unit, three persons for a two bedroom apartment unit, four persons for a three bedroom apartment unit, and five persons for a four bedroom apartment unit. The rents of the apartment units in the Buildings may be increased simultaneously, once per year, regardless of when particular tenants commenced occupancy of their units. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Nonprofit which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Nonprofit. The Agency and City, may in their discretion, base the utilities allowance on a utilities allowance adopted by the Los Angeles County Housing Authority, or established in connection with the Section 8 program administered by the United States Department of Housing and Urban Development. Upon the approval of the Agency, rents may be established at amounts which are lower than the maximum monthly rental amounts set forth above.

402.7 Occupancy Standards. Based on a standard of two persons per bedroom plus one additional person, occupancy of studio apartment units shall be limited to two persons, occupancy of one bedroom apartment units shall be limited to three persons, occupancy of two bedroom apartment units shall be limited to five persons, occupancy of three bedroom apartment units shall be limited to seven persons, and occupancy of four bedroom apartment units shall be limited to nine persons. For those housing units originally subject to the Purchase Regulatory Agreement, the requirements of this section shall only be applied to tenants occupying the units after the Date of Agreement. All tenants occupying housing units in the First Project Buildings prior to the Date of Agreement shall comply with Section 402.6 of the Purchase Regulatory Agreement.

402.8 Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted

by the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

402.9 Property Tax Exemption. The Nonprofit shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency and City do not represent or warrant to the Nonprofit that such an exemption will be available to the Nonprofit.

403. Maintenance Covenants. The Nonprofit shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. None of the apartment units on the Property shall at any time be utilized on a transient basis nor shall the Property or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home, or be converted to condominium ownership. If at any time Nonprofit fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency and/or City with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency and/or City with respect to landscaping and building improvements, then the Agency and/or City, in addition to whatever remedies they may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Buildings and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or City and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Nonprofit to the Agency and/or City upon demand.

404. Management. Nonprofit shall manage or cause the Buildings to be managed in a prudent and business-like manner, consistent with first-class multifamily rental housing in Los Angeles County, California, and in accordance with the operating budget for the Buildings which has been approved by the Agency and City. Nonprofit may contract with a management company or manager to operate and maintain the Buildings in accordance with the terms of this Agreement (the "Property Manager"); provided, however, that the hiring and termination of the Property Manager shall be subject to approval by Agency Assistant Executive Director and the City's Community Development Director, or their designee(s). The Agency has assigned to Nonprofit the management agreement which the Agency has entered with Jenkins Properties, and Nonprofit has assumed such management agreement or entered a new management agreement with Jenkins Properties. The fees payable to the Property Manager shall not exceed six percent (6%) of the gross rents of the Buildings. Nonprofit may not itself act as the Property Manager, nor may any of Nonprofit's directors or officers, or any entity with which they are affiliated, act as the Property Manager. Approval of the Property Manager by Agency and City shall not be unreasonably withheld. If, at any time, the Property Manager is not performing to the reasonable satisfaction of the Agency and City, the Agency and City may direct the Nonprofit to use its best efforts to correct any defects in management at the earliest feasible time and, if necessary, to replace the Property Manager prior to the elapsing of such time period. If the management defects identified by Agency and/or City have not been corrected within thirty

(30) days after notice to Nonprofit, the Agency and/or City may in their sole discretion direct the Nonprofit to immediately terminate the Property Manager.

405. Reserve Accounts. The Nonprofit shall also, or cause the Property Manager to, annually set aside not less than Two Hundred Fifty Dollars ($250) per unit, per year, into a separate interest-bearing trust account (the "Capital Replacement Reserve"). Notwithstanding the foregoing, however, no payments shall be made into the Capital Replacement Reserve which cause the balance thereof to exceed Sixty-Five Thousand Dollars ($65,000), except that interest accruing on the Capital Reserve Account shall remain in such account until withdrawn for the purposes hereof. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Nonprofit of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Nonprofit, at its expense, shall submit to the Agency and City an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

406. Achievement Center. Nonprofit shall operate within the Buildings an educational center (the "Achievement Center") which provides an after-school educational services program to children in grades kindergarten through 12 who reside in the Buildings. The Achievement Center shall provide (i) learning enrichment services, including homework assistance, self-study and reading, (ii) mentoring opportunities, including formal mentor relationships and after-school learning sessions, and (iii) community service opportunities, including volunteer opportunities and neighborhood involvement.

The following services shall be provided by the Achievement Center on a daily basis:

(a) Enrollment of students, including recruitment, orientation, assessment, development of strategy, monitoring and reevaluation.

(b) Monitoring of individual student progress, including review of program performance, grade reports, parent and community feedback.

(c) Observation of student behavior in multiple settings, supplying intervention when necessary.

(d) Maintaining a comfortable, safe and positive environment for all students.

The Achievement Center shall provide opportunities for mentoring relationships to be developed and strengthened, including (i) recruiting, evaluating and selecting mentors, (ii) promoting cooperative relationships with other individuals, such as teachers, older students and community members, and (iii) providing opportunities for participation in special events.

The Achievement Center shall be administered by a full-time Achievement Center Director. The hiring and termination of the Achievement Center Director shall be subject to approval by the Agency Assistant Executive Director, or his or her designee.

Participation in the Achievement Center shall be limited to residents of the Buildings and residents of apartment complexes in the 100 block of West Elmwood Avenue with which the Agency has entered into affordable housing agreements.

407. Monitoring and Recordkeeping. Throughout the Affordability Period, Nonprofit shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to City a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency and City shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to the Affordable Units, and to conduct an independent audit or inspection of such records. The Nonprofit agrees to cooperate with the Agency and City in making the Property available for such inspection or audit. If for any reason the Agency and/or City are unable to obtain the Nonprofit's consent to such an inspection or audit, the Nonprofit understands and agrees that the Agency and/or City may obtain at Nonprofit's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Nonprofit agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

408. Nondiscrimination Covenants. The Nonprofit covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Nonprofit itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein

14

03 1634472

conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

b. **In leases:** "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

500. DEFAULTS AND REMEDIES

501. Default Remedies. Subject to the extensions of time set forth in Section 602 of this Agreement, failure by either party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such failure within thirty (30) days from receipt of such notice, or if the nature of such Default is such that more than thirty (30) days is reasonable required to cure such deficiency, if such party immediately, with due diligence, commences to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with diligence.

502. Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. Such actions shall be instituted in the Superior Court of State of California, Los Angeles County.

503. Acceptance of Service of Process. In the event that any legal action is commenced by the Nonprofit against the Agency and/or the City, service of process on the Agency shall be made by personal service upon the Agency's Secretary or in such other manner as may be provided by law and service of process on the City shall be made by personal service upon the City Clerk or in such other manner as may be provided by law. In the event that any legal action is commenced by the Agency or City against the Nonprofit, service of process on the Nonprofit shall be made by personal service in such manner as may be provided by law.

504. Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

505. Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

506. Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

507. Non-Liability of Officials and Employees of the Agency and City. No member, official or employee of the Agency or the City shall be personally liable to the Nonprofit, or any successor in interest, in the event of any Default or breach by the Agency (or the City) or for any amount which may become due to the Nonprofit or its successors, or on any obligations under the terms of this Agreement.

508. Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to damages, injunctive relief, or any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

600. GENERAL PROVISIONS

601. Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given by first class mail, postage prepaid, or reputable overnight delivery service, addressed to the party to whom the Notice is directed as set forth below, or at any other address as that party may later designate by Notice.

03 1634472

To Agency:	Redevelopment Agency of the City of Burbank 275 East Olive Avenue P.O. Box 6459 Burbank, California 91510-6459 Attention: Assistant Executive Director
To City:	City of Burbank 275 East Olive Avenue P.O. Box 6459 Burbank, California 91510-6459 Attention: Community Development Director
To Nonprofit:	Burbank Housing Corporation 241 West Verdugo Avenue Burbank, California 91510 Attention: Judith S. Arandes, Executive Director

Any written notice, demand or communication shall be deemed received immediately if delivered by hand and shall be deemed received on the third day from the date it is postmarked if delivered by registered or certified mail.

602. Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to events which are outside of the reasonable control of the party claiming an extension, which may include, without limitation: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; acts or failures to act of any other public or governmental agency or entity (other than the acts or failures to act of the Agency and/or City which shall not excuse performance by the Agency and/or City respectively); or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of Agency and Nonprofit.

603. Transfers of Interest in Property or Agreement.

603.1 Prohibition. The qualifications and identity of the Nonprofit are of particular concern to the Agency and City. It is because of those qualifications and identity that the Agency and City have entered into this Agreement with the Nonprofit. Accordingly, for the

period commencing upon the date of this Agreement and throughout the Affordability Period, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under this Agreement, (b) nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property (collectively referred to herein as a "Transfer"), without the prior written approval of the Agency and City, except as expressly set forth herein.

603.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency and City approval of a Transfer shall not be required in connection with any of the following:

(a) The conveyance or dedication of any portion of the Property to the City or other appropriate governmental agency.

(b) Any lease of an apartment unit in the Property to individual tenants in the ordinary course of business.

603.3 Agency Consideration of Requested Transfer. The Agency and City agree that they will not unreasonably withhold approval of a request for approval of a Transfer made pursuant to this Section 603, provided the Nonprofit delivers written notice to the Agency and City requesting such approval. Such notice shall be accompanied by evidence regarding the proposed transferee's qualifications and experience, and its financial commitments and resources, in sufficient detail to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 603 and as reasonably determined by the Agency and City. The Agency may, in considering any such request, take into consideration such factors as (i) the quality of any new and/or replacement owner, (ii) the transferee's past performance as owner and operator of affordable multifamily apartment complexes, (iii) the current financial condition of the transferee, and similar factors. The Agency and City agree not to unreasonably withhold its approval of any such requested Transfer, taking into consideration the foregoing factors.

An assignment and assumption agreement in form satisfactory to the Agency's legal counsel and the City Attorney shall also be required for all proposed Transfers. Within thirty (30) days after the receipt of the Nonprofit's written notice requesting Agency approval of a Transfer pursuant to this Section 603, the Agency and City shall either approve or disapprove such proposed assignment or shall respond in writing by stating what further information, if any, the Agency reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Nonprofit shall promptly furnish to the Agency and City such further information as may be reasonably requested.

603.4 Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon the Nonprofit and its permitted successors and assigns. Whenever the term "Nonprofit" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

603.5 Assignment by Agency or City. The Agency or City may assign or transfer any of their rights or obligations under this Agreement with the approval of the

Nonprofit, which approval shall not be unreasonably withheld; provided, however, that the Agency may assign or transfer any of its interests hereunder to the City and vice versa, at any time without the consent of the Nonprofit.

604. Agency and City Approvals and Actions. The Agency and City shall maintain authority of this Agreement and the authority to implement this Agreement through the Agency's Assistant Executive Director (or his or her duly authorized representative) and the Community Development Director, respectively.. The Agency's Assistant Executive Director and the City's Community Development Director shall have the authority to make approvals, issue interpretations, execute documents, waive provisions, extend time periods, and/or enter into amendments of this Agreement on behalf of the Agency and City, respectively, so long as such actions do not materially or substantially change the uses permitted on the Property, or add to the costs incurred or to be incurred by the Agency and City, respectively, as specified herein. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and written consent of the Agency Board and City Council, respectively.

605. No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

606. Modifications. Any alteration, change or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

607. Severability. If any term, provision, condition or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

608. Time of Essence. Time is expressly made of the essence with respect to the performance by the Agency and the Nonprofit of each and every obligation and condition of this Agreement.

609. Cooperation. Each party agrees to cooperate with the other in this transaction and, in that regard, to sign any and all documents which may be reasonably necessary, helpful, or appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

610. Amendment and Supersession of Prior Agreements. This Agreement amends and supersedes the Purchase Regulatory Agreement, dated November 30, 1999, by and between Agency and Nonprofit, and the AHA Regulatory Agreement, dated July 17, 2001, among the Agency, City, and Nonprofit, which, except as set forth in Section 402.7 of this Agreement, shall be of no further force or effect as of the Date of Agreement.

03 1634472 19

IN WITNESS WHEREOF, the Agency and the Nonprofit have executed this Amended and Restated Regulatory Agreement as of the date first set forth above ("Date of Agreement").

SUBJECT: Amendment to Regulatory Agreements Between the City of Burbank, the Burbank Redevelopment Agency and the Burbank Housing Corporation Governing Properties on West Elmwood

PURPOSE

The purpose of this report is to provide information for the City of Burbank and the Burbank Redevelopment Agency (hereinafter generally referred to as City/Agency) to consider terminating the Regulatory Agreement with the Burbank Housing Corporation (BHC) for 199 West Elmwood and including those conditions in an amended Regulatory Agreement governing ownership of 59 units sold to the BHC (153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue) under a Purchase and Sale Agreement. The intent of this action is to integrate the terms of occupancy and affordability into one master recorded document.

BACKGROUND

On November 30, 1999, the City/Agency approved a Purchase and Sale Agreement with the BHC for the disposition of 153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue. The sale of these 59-housing units plus the Achievement Center included various conditions restricting housing operations, e.g., occupancy, and affordability. On July 10, 2001, the City/Agency entered into an Affordable Housing Agreement to assist the BHC acquire and rehabilitate a six-unit apartment building at 199 West Elmwood Avenue and to amend and restate the Promissory Note for the earlier approved 59-unit BHC project on Elmwood to integrate the debt and revenue generated by the two projects on Elmwood.

R-2041
26,334
10-1-02

ANALYSIS

The Affordable Housing Agreement for 199 West Elmwood and the Purchase and Sale Agreement for other BHC-owned properties on West Elmwood each provide for a Regulatory Agreement that serves as the recording instrument for the covenants, conditions and restrictions placed on the BHC's property operations by the City/Agency for each project. While all the terms are identical for the two projects, occupancy and affordability restrictions are project specific and thereby unduly complicate BHC lease-up of units. This is a property management issue that would only increase should the BHC later acquire other properties on West Elmwood with each also generating a separate Regulatory Agreement. Consequently, staff is supporting the BHC's recommendation that the two Regulatory Agreements be melded together into one Regulatory Agreement that applies to both transactions, and that provides BHC with greater flexibility when leasing units. Staff is also recommending adjusting the occupancy standard to conform to recent transactions with the BHC. Following is a synopsis of the proposed amended Regulatory Agreement.

- **Occupancy and Affordability Requirements**

  Occupancy (also referenced as income restrictions) and affordability (rent restrictions) set forth in the Purchase and Sale Agreement (59-unit project) and the Affordable Housing Agreement (six-unit project at 199 West Elmwood Avenue) were recorded via a Regulatory Agreement for each project. The Regulatory Agreement for the purchase by BHC of the 59 Elmwood units distributed occupancy and affordability accordingly: 19 very low-income units, 20 lower-income units and 20 moderate- income units. Under the Regulatory Agreement (Section 4) for 199 West Elmwood, affordability and income covenants stipulate that three two-bedroom units will be HOME restricted for low-income households and the remaining three two-bedroom units will be affordable to moderate-income households.

  The amended Regulatory Agreement will combine the terms of the two aforementioned agreements as shown below.

Income/Rent Requirements	Regulatory Agreements		
	Elmwood (59-Units)	199 Elmwood	Amended Agreement
Very Low-Income/Set-Aside Rents	1		1
Very Low-Income/HOME Rents	18		18
Lower-Income/Set-Aside Rents	20		20
Lower-Income/HOME Rents		3	3
Moderate-Income/Set-Aside Rents	20	3	23
Totals	**59**	**6**	**65**

The Affordability Period in the Amended Regulatory Agreement will continue requiring income and rent restrictions to extend in perpetuity.

- **Property Maintenance**

  This section would be unchanged, except as it relates to occupancy standards described below. The BHC is required to maintain the Project in accordance with all applicable local codes, rehabilitation standards, ordinances and zoning ordinances as required by Section 92.251 of the HOME Regulations and at a standard of maintenance commensurate with similar housing units within Los Angeles County.

  An occupancy standard is imposed to guard against overcrowded conditions. The amended Regulatory Agreement reduces the maximum household size from an earlier limit of two persons per bedroom plus two additional persons (e.g., a two-bedroom unit would have a maximum household size of six persons) to two persons per bedroom plus one additional person (the same example for a two-bedroom would have a maximum occupancy of five persons). However, no residents as of the date of this amended Regulatory Agreement would be evicted from their apartment units if they do not meet the revised occupancy standards requirements.

  At the request of the Council and Agency, staff has attached a report regarding an alternative occupancy standard (Exhibit B) under the Uniform Housing Code of UHC (Section 503.2). The UHC provides for an occupancy standard tied the square footage of a unit; however, staff believes that the current standard of two persons per bedroom plus one person, which is patterned after federal housing quality standards, is a preferable requirement.

  The amended Regulatory Agreement would continue requiring periodic inspections and allow the City/Agency to abate property violation and attach a lien upon the Project or assess the BHC, if the BHC fails to maintain the Project. The City/Agency has authority to require replacement of a property manager due to poor performance and to approve another property manager or property management company.

- **Approval of Sale, Transfer or Assignment**

  This section remains unaltered. Covenants run with the land and all of the terms, covenants and conditions are binding upon the BHC and any "permitted" successors and assigns. The Project may not be sold, transferred, conveyed, encumbered to secure financial experience and capability, who would be required to assume the obligations of the BHC under the Agreement and would be considered a community housing development organization or CHDO.

FISCAL IMPACT

Amending the Regulatory Agreement for West Elmwood properties owned by the BHC will have no financial impact to the City/Agency.

RECOMMENDATION

City Council

Staff recommends that the City Council adopt the proposed resolution.

Redevelopment Agency

Staff recommends that the Redevelopment Agency adopt the proposed resolution.

AMENDED AND RESTATED REGULATORY AGREEMENT

THIS AMENDED AND RESTATED REGULATORY AGREEMENT (the "Agreement") is entered into as of _____, 2002, by and among the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), the **CITY OF BURBANK**, a charter city and municipal corporation (the "City"), and **BURBANK HOUSING CORPORATION,** a California nonprofit corporation (the "Nonprofit").

RECITALS

A. Pursuant to the terms of a Purchase and Sale Agreement between the Agency and the Nonprofit, dated as of November 30, 1999 (the "Purchase Agreement"), the Nonprofit has acquired from the Agency nine multifamily apartment complexes (the "First Project Buildings") in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (collectively, the "First Project Property").

B. Pursuant to the terms of an Affordable Housing Agreement by and among the Agency, the City and Nonprofit, dated as of July 10, 2001 (the "AHA"), the City and Agency agreed to provide financial assistance to the Nonprofit to acquire one six-unit apartment complex (the "Second Project Building") in the City of Burbank, located at 199 West Elmwood Avenue (the "Second Project Property"). The AHA also amended the terms of the Promissory Note executed pursuant to the Purchase Agreement to integrate the debt and revenue generate by the First Project Property under the Purchase Agreement and the Second Project Property under the AHA. The First Project Buildings and the Second Project Building are referred to herein collectively as the "Buildings." The First Project Property and Second Project Property are referred to herein collectively as the "Property."

C. The Property is further described in the Legal Description which is attached hereto as Exhibit A, which is incorporated herein. A portion of the cost of acquisition

of the Buildings has been provided with funds from the Agency's Low and Moderate Income Housing Fund, and the remainder of the cost of acquisition of the Buildings has been provided with HOME Program funds.

D. Pursuant to the Purchase Agreement and AHA, the Nonprofit has agreed to lease the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households

E. The Purchase Agreement and the AHA each required the execution and recording of Regulatory Agreements (the "Purchase Regulatory Agreement" and the AHA Regulatory Agreement," respectively) to set forth the ongoing affordability, maintenance, and other obligations of the Purchase Agreement and the AHA.

F. The Agency, City, and Nonprofit desire to execute this Agreement, which will amend and restate both the Purchase Regulatory Agreement and AHA Regulatory Agreement and set forth the obligations of the Parties under one Agreement. The purpose of this Amended and Restated Regulatory Agreement is to provide flexibility to the in leasing the housing units in all of the Buildings on the Property, while still requiring the same overall affordability levels set forth in the Purchase Regulatory Agreement and AHA Regulatory Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

100. DEFINITIONS

"Achievement Center" is defined in Section 406 hereof.

"Affordable Rent" is defined in Section 402.6 hereof.

"Agency" means the Redevelopment Agency of the City of Burbank, a public body, corporate and politic, exercising governmental functions and powers and organized and existing under Chapter 2 of the Community Redevelopment Law and any assignee of or successor to its rights, powers and responsibilities.

"Agreement" means this Amended and Restated Regulatory Agreement among the Agency, the City, and the Nonprofit.

"AHA" is defined in Recital B above.

"AHA Regulatory Agreement" is defined in Recital E above.

"Buildings" means those multifamily apartment complexes located on the Property.

"Capital Replacement Reserve" is defined in Section 405 hereof.

"City" means the City of Burbank, a California charter city and municipal corporation.

"Community Redevelopment Law" means California Health and Safety Code Section 33000, *et seq.* as the same now exist or may hereinafter be amended.

"County" means Los Angeles County.

"Date of Agreement" means the date set forth in the first paragraph hereof.

"Default" means the failure of a party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and opportunity to cure, as set forth in Section 501 hereof.

"First Project Buildings" is defined in Recital A above.

"First Project Property" is defined in Recital A above.

"Governmental Requirements" means all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the State, the County, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Nonprofit or the Property.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

"Legal Description" means the description of the Property which is attached hereto as Exhibit A and incorporated herein.

"Low and Moderate Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 120%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50093.

"Lower Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 80%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50079.5.

"Nonprofit" means Burbank Housing Corporation, a California nonprofit corporation, and its successors and assigns.

"Notice" shall mean a notice in the form prescribed by Section 601 hereof.

"Property" means that certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, 194 West Elmwood, and 199 West Elmwood. The Property is legally described in the Legal Description and depicted on the Map.

"Purchase Agreement" is defined in Recital A above.

"Purchase Regulatory Agreement" is defined in Recital E above.

"Rent" shall mean the total of monthly payments by the tenants of an apartment unit for use and occupancy for the unit and facilities associated therewith, including a reasonable allowance for utilities for an adequate level of service, as defined in 25 California Code of Regulations § 6918.

"Second Project Building" is defined in Recital B above.

"Second Project Property" is defined in Recital B above.

"State" means the State of California.

"Transfer" is defined in Section 603.1 hereof.

"Very Low Income Household" shall mean a household earning not greater than fifty percent (50%) of Los Angeles County median income which is set forth from time to time by regulation of the United States Department of Housing and Urban Development.

200. COMPLETION OF REHABILITATION; DISCLOSURE

201. Rehabilitation of the Second Project Property. The Nonprofit agrees to rehabilitate the Second Project Property in accordance with the provisions of the Affordable Housing Agreement, the Scope of Work which is attached to the Affordable Housing Agreement as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR § 882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant

displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 of the Affordable Housing Agreement.

202. Disclosure. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Landlords must, before renting pre-1978 housing, disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a Federally approved pamphlet on lead poisoning prevention. The Agency has undertaken a program to abate lead-based paint which existed in the First Project Buildings, some of which was removed and some of which was encapsulated and allowed to remain in place in the First Project Buildings. The Agency has made available to the Nonprofit all of the reports and records which it has commissioned pertaining to lead-based paint and/or lead-based paint hazards in the First Project Buildings, and Nonprofit acknowledges receipt thereof. However, the Agency believes that the First Project Buildings were constructed prior to 1978, and, therefore, may contain lead-based paint. Nonprofit shall provide to its tenants all disclosures required by applicable law with respect to lead paint exposure. Moreover, Nonprofit shall comply with all applicable laws pertaining to lead-based paint for the Second Project Building.

300. OPERATION OF THE PROPERTY

301. Insurance Requirements. The Nonprofit shall take out and maintain or shall cause its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Nonprofit shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Nonprofit or its contractors, subcontractors, agents or employees with respect to the Property. All policies shall protect the Nonprofit, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. The Nonprofit shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Nonprofit and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Nonprofit shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City

and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Nonprofit shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Nonprofit at the time set forth therefor in the Schedule of Performance. Nonprofit shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

302. Indemnity. The Nonprofit shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Nonprofit under this Agreement, whether such activities or performance thereof be by the Nonprofit or by anyone directly or indirectly employed or contracted with by the Nonprofit and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Nonprofit shall not be liable for property damage or bodily injury to the extent occasioned by the willful misconduct or sole negligence of the Agency, the City, or their agents or employees.

303. Rights of Access. Representatives of the Agency and/or City shall have the right to inspect the Property so long as Agency and/or City representatives comply with all safety rules.

304. Compliance With Laws. The Nonprofit shall carry out the operation of the Property in conformity with all applicable laws, including all applicable City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City's Municipal Code. A portion of the cost of acquisition of the Buildings has been financed through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, pursuant to the implementing regulations set forth at 24 CFR 92 (the "HOME Program"). Accordingly, the Nonprofit shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Upon request, the Agency/City shall provide to the Nonprofit a copy of applicable HOME Program requirements.

305. Financing of the Acquisition of the Property. The Nonprofit shall not enter into any conveyance for financing without the prior written approval of the Agency and City.

400. COVENANTS AND RESTRICTIONS

401. Duty to Prevent Hazardous Material Contamination. During the Rehabilitation of the Second Project Property and operation of the Property, the Nonprofit shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all

Governmental Requirements with respect to Hazardous Materials. The Nonprofit shall notify the City and Agency, and provide to the City and Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Nonprofit shall report to the City and Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

402. Affordable Housing Requirements.

402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent nineteen (19) of the apartment units in the Buildings to Very Low Income Households, twenty-three (23) of the apartment units in the Buildings to Lower Income Households, and twenty-three (23) of the apartment units in the Buildings to Low- and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof.

402.2 Lease Requirements. Prior to rental of any of the apartment units in the Buildings to new tenants, Nonprofit shall submit a standard lease form to the Agency and City for their approval. Each such lease shall contain a waiver of relocation rights and benefits in a form which is reasonably acceptable to the Agency and City. The Agency and City shall approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program, HOME Regulations, and the Community Redevelopment Law. The Nonprofit shall enter into a lease, in the form approved by the Agency and City, with each new tenant of an apartment unit within the Buildings, and each existing tenant whose existing lease has expired. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

402.3 Duration of Affordability Requirements. The Buildings shall be subject to the requirements of this Section 402 in perpetuity commencing upon the date of this Agreement. The duration of this requirement shall be known as the "Affordability Period."

402.4 Selection of Tenants. Each apartment unit in the Buildings shall be leased to tenants selected by the Nonprofit who meet all of the requirements provided herein. The Agency and/or City may, from time to time, assist in the leasing of the apartment units in the Buildings by providing to the Nonprofit names of persons who have expressed interest in renting such units. The Nonprofit shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The tenant selection system shall include, without limitation, a method for investigation of the credit history of proposed tenants through obtaining a credit report on the proposed tenant. Highest priority in the selection of tenants shall be given to those applicants who have been displaced by Agency projects, if any. The Nonprofit shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other

tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

402.5 Income of Tenants. Prior to the rental or lease of any apartment unit in the Buildings to a tenant, and annually thereafter, the Nonprofit shall obtain an income certification from the tenant of each apartment unit. The Nonprofit shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain a credit report from a commercial credit reporting agency.

f. obtain an alternate form of income verification reasonably requested by the Nonprofit, if none of the above forms of verification is available to the Nonprofit.

A person or family who at the time of income certification qualified as a Very Low, Lower or Low- and Moderate Income Household, as applicable, shall continue to be deemed so qualified, until such time as the person or family's income is redetermined and the person or family is determined by the Nonprofit to no longer be so qualified, even if such person or family's income has subsequently increased to an amount above the applicable income level. Upon the Nonprofit's determination that the tenant is no longer qualified as either a Very Low, Lower or Low- and Moderate Income Household, such tenant's monthly rent, instead of the amount set forth in Section 402.6 hereof, shall be adjusted to the lesser of thirty percent of the tenant's monthly income or fair market rent, as reasonably determined by the Agency and the Nonprofit. In addition, the Nonprofit shall annually submit to the Agency and City, prior to July 15 each year, a certification of the number of apartment units in the Buildings actually occupied by Very Low, Lower and Low- and Moderate-Income Households in such form as may be provided by the Agency.

402.6 Determination of Affordable Rent. Each apartment unit in the Buildings shall be rented at an "Affordable Rent" to be established by the Agency and City as provided herein. The maximum Monthly Rent chargeable for the apartment units within the Buildings shall be established by the Agency on an annual basis by written notice to the Nonprofit, upon publication of annual median income limits by the United States Department of Housing and Urban Development and the California Department of Housing and Community Development, at the following amounts:

a. For Very Low Income Households: the lesser of (a) One-Twelfth (1/12th) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household size appropriate for the unit, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. For Lower Income Households: One-Twelfth (1/12th) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household size appropriate for the unit.

c. For Low and Moderate Income Households: One-Twelfth (1/12th) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household size appropriate for the unit.

For purpose of determining "Affordable Rent" only, "household size appropriate to the unit" shall mean one person for a studio apartment unit, two persons for a one bedroom apartment unit, three persons for a two bedroom apartment unit, four persons for a three bedroom apartment unit, and five persons for a four bedroom apartment unit. The rents of the apartment units in the Buildings may be increased simultaneously, once per year, regardless of when particular tenants commenced occupancy of their units. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Nonprofit which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Nonprofit. The Agency and City, may in their discretion, base the utilities allowance on a utilities allowance adopted by the Los Angeles County Housing Authority, or established in connection with the Section 8 program administered by the United States Department of Housing and Urban Development. Upon the approval of the Agency, rents may be established at amounts which are lower than the maximum monthly rental amounts set forth above.

402.7 Occupancy Standards. Based on a standard of two persons per bedroom plus one additional person, occupancy of studio apartment units shall be limited to two persons, occupancy of one bedroom apartment units shall be limited to three persons, occupancy of two bedroom apartment units shall be limited to five persons, occupancy of three bedroom apartment units shall be limited to seven persons, and occupancy of four bedroom apartment units shall be limited to nine persons. For those housing units originally subject to the Purchase Regulatory Agreement, the requirements of this section shall only be applied to tenants occupying the units after the Date of Agreement. All tenants occupying housing units in the First Project Buildings prior to the Date of Agreement shall comply with Section 402.6 of the Purchase Regulatory Agreement.

402.8 Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted

by the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

402.9 Property Tax Exemption. The Nonprofit shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency and City do not represent or warrant to the Nonprofit that such an exemption will be available to the Nonprofit.

403. Maintenance Covenants. The Nonprofit shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. None of the apartment units on the Property shall at any time be utilized on a transient basis nor shall the Property or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home, or be converted to condominium ownership. If at any time Nonprofit fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency and/or City with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency and/or City with respect to landscaping and building improvements, then the Agency and/or City, in addition to whatever remedies they may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Buildings and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or City and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Nonprofit to the Agency and/or City upon demand.

404. Management. Nonprofit shall manage or cause the Buildings to be managed in a prudent and business-like manner, consistent with first-class multifamily rental housing in Los Angeles County, California, and in accordance with the operating budget for the Buildings which has been approved by the Agency and City. Nonprofit may contract with a management company or manager to operate and maintain the Buildings in accordance with the terms of this Agreement (the "Property Manager"); provided, however, that the hiring and termination of the Property Manager shall be subject to approval by Agency Assistant Executive Director and the City's Community Development Director, or their designee(s). The Agency has assigned to Nonprofit the management agreement which the Agency has entered with Jenkins Properties, and Nonprofit has assumed such management agreement or entered a new management agreement with Jenkins Properties. The fees payable to the Property Manager shall not exceed six percent (6%) of the gross rents of the Buildings. Nonprofit may not itself act as the Property Manager, nor may any of Nonprofit's directors or officers, or any entity with which they are affiliated, act as the Property Manager. Approval of the Property Manager by Agency and City shall not be unreasonably withheld. If, at any time, the Property Manager is not performing to the reasonable satisfaction of the Agency and City, the Agency and City may direct the Nonprofit to use its best efforts to correct any defects in management at the earliest feasible time and, if necessary, to replace the Property Manager prior to the elapsing of such time period. If the management defects identified by Agency and/or City have not been corrected within thirty

(30) days after notice to Nonprofit, the Agency and/or City may in their sole discretion direct the Nonprofit to immediately terminate the Property Manager.

405. Reserve Accounts. The Nonprofit shall also, or cause the Property Manager to, annually set aside not less than Two Hundred Fifty Dollars ($250) per unit, per year, into a separate interest-bearing trust account (the "Capital Replacement Reserve"). Notwithstanding the foregoing, however, no payments shall be made into the Capital Replacement Reserve which cause the balance thereof to exceed Sixty-Five Thousand Dollars ($65,000), except that interest accruing on the Capital Reserve Account shall remain in such account until withdrawn for the purposes hereof. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Nonprofit of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Nonprofit, at its expense, shall submit to the Agency and City an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

406. Achievement Center. Nonprofit shall operate within the Buildings an educational center (the "Achievement Center") which provides an after-school educational services program to children in grades kindergarten through 12 who reside in the Buildings. The Achievement Center shall provide (i) learning enrichment services, including homework assistance, self-study and reading, (ii) mentoring opportunities, including formal mentor relationships and after-school learning sessions, and (iii) community service opportunities, including volunteer opportunities and neighborhood involvement.

The following services shall be provided by the Achievement Center on a daily basis:

(a) Enrollment of students, including recruitment, orientation, assessment, development of strategy, monitoring and reevaluation.

(b) Monitoring of individual student progress, including review of program performance, grade reports, parent and community feedback.

(c) Observation of student behavior in multiple settings, supplying intervention when necessary.

(d) Maintaining a comfortable, safe and positive environment for all students.

The Achievement Center shall provide opportunities for mentoring relationships to be developed and strengthened, including (i) recruiting, evaluating and selecting mentors, (ii) promoting cooperative relationships with other individuals, such as teachers, older students and community members, and (iii) providing opportunities for participation in special events.

The Achievement Center shall be administered by a full-time Achievement Center Director. The hiring and termination of the Achievement Center Director shall be subject to approval by the Agency Assistant Executive Director, or his or her designee.

Participation in the Achievement Center shall be limited to residents of the Buildings and residents of apartment complexes in the 100 block of West Elmwood Avenue with which the Agency has entered into affordable housing agreements.

407. Monitoring and Recordkeeping. Throughout the Affordability Period, Nonprofit shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to City a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency and City shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to the Affordable Units, and to conduct an independent audit or inspection of such records. The Nonprofit agrees to cooperate with the Agency and City in making the Property available for such inspection or audit. If for any reason the Agency and/or City are unable to obtain the Nonprofit's consent to such an inspection or audit, the Nonprofit understands and agrees that the Agency and/or City may obtain at Nonprofit's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Nonprofit agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

408. Nondiscrimination Covenants. The Nonprofit covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Nonprofit itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein

conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

b. **In leases:** "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

500. DEFAULTS AND REMEDIES

501. Default Remedies. Subject to the extensions of time set forth in Section 602 of this Agreement, failure by either party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such failure within thirty (30) days from receipt of such notice, or if the nature of such Default is such that more than thirty (30) days is reasonable required to cure such deficiency, if such party immediately, with due diligence, commences to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with diligence.

502. Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. Such actions shall be instituted in the Superior Court of State of California, Los Angeles County.

503. Acceptance of Service of Process. In the event that any legal action is commenced by the Nonprofit against the Agency and/or the City, service of process on the Agency shall be made by personal service upon the Agency's Secretary or in such other manner as may be provided by law and service of process on the City shall be made by personal service upon the City Clerk or in such other manner as may be provided by law. In the event that any legal action is commenced by the Agency or City against the Nonprofit, service of process on the Nonprofit shall be made by personal service in such manner as may be provided by law.

504. Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

505. Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

506. Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

507. Non-Liability of Officials and Employees of the Agency and City. No member, official or employee of the Agency or the City shall be personally liable to the Nonprofit, or any successor in interest, in the event of any Default or breach by the Agency (or the City) or for any amount which may become due to the Nonprofit or its successors, or on any obligations under the terms of this Agreement.

508. Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to damages, injunctive relief, or any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

600. GENERAL PROVISIONS

601. Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given by first class mail, postage prepaid, or reputable overnight delivery service, addressed to the party to whom the Notice is directed as set forth below, or at any other address as that party may later designate by Notice.

To Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91510-6459
Attention: Assistant Executive Director

To City: City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91510-6459
Attention: Community Development Director

To Nonprofit: Burbank Housing Corporation
241 West Verdugo Avenue
Burbank, California 91510
Attention: Judith S. Arandes, Executive Director

Any written notice, demand or communication shall be deemed received immediately if delivered by hand and shall be deemed received on the third day from the date it is postmarked if delivered by registered or certified mail.

602. Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to events which are outside of the reasonable control of the party claiming an extension, which may include, without limitation: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; acts or failures to act of any other public or governmental agency or entity (other than the acts or failures to act of the Agency and/or City which shall not excuse performance by the Agency and/or City respectively); or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of Agency and Nonprofit.

603. Transfers of Interest in Property or Agreement.

603.1 Prohibition. The qualifications and identity of the Nonprofit are of particular concern to the Agency and City. It is because of those qualifications and identity that the Agency and City have entered into this Agreement with the Nonprofit. Accordingly, for the

period commencing upon the date of this Agreement and throughout the Affordability Period, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under this Agreement, (b) nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property (collectively referred to herein as a "Transfer"), without the prior written approval of the Agency and City, except as expressly set forth herein.

603.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency and City approval of a Transfer shall not be required in connection with any of the following:

(a) The conveyance or dedication of any portion of the Property to the City or other appropriate governmental agency.

(b) Any lease of an apartment unit in the Property to individual tenants in the ordinary course of business.

603.3 Agency Consideration of Requested Transfer. The Agency and City agree that they will not unreasonably withhold approval of a request for approval of a Transfer made pursuant to this Section 603, provided the Nonprofit delivers written notice to the Agency and City requesting such approval. Such notice shall be accompanied by evidence regarding the proposed transferee's qualifications and experience, and its financial commitments and resources, in sufficient detail to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 603 and as reasonably determined by the Agency and City. The Agency may, in considering any such request, take into consideration such factors as (i) the quality of any new and/or replacement owner, (ii) the transferee's past performance as owner and operator of affordable multifamily apartment complexes, (iii) the current financial condition of the transferee, and similar factors. The Agency and City agree not to unreasonably withhold its approval of any such requested Transfer, taking into consideration the foregoing factors.

An assignment and assumption agreement in form satisfactory to the Agency's legal counsel and the City Attorney shall also be required for all proposed Transfers. Within thirty (30) days after the receipt of the Nonprofit's written notice requesting Agency approval of a Transfer pursuant to this Section 603, the Agency and City shall either approve or disapprove such proposed assignment or shall respond in writing by stating what further information, if any, the Agency reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Nonprofit shall promptly furnish to the Agency and City such further information as may be reasonably requested.

603.4 Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon the Nonprofit and its permitted successors and assigns. Whenever the term "Nonprofit" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

603.5 Assignment by Agency or City. The Agency or City may assign or transfer any of their rights or obligations under this Agreement with the approval of the

Nonprofit, which approval shall not be unreasonably withheld; provided, however, that the Agency may assign or transfer any of its interests hereunder to the City and vice versa, at any time without the consent of the Nonprofit.

604. Agency and City Approvals and Actions. The Agency and City shall maintain authority of this Agreement and the authority to implement this Agreement through the Agency's Assistant Executive Director (or his or her duly authorized representative) and the Community Development Director, respectively.. The Agency's Assistant Executive Director and the City's Community Development Director shall have the authority to make approvals, issue interpretations, execute documents, waive provisions, extend time periods, and/or enter into amendments of this Agreement on behalf of the Agency and City, respectively, so long as such actions do not materially or substantially change the uses permitted on the Property, or add to the costs incurred or to be incurred by the Agency and City, respectively, as specified herein. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and written consent of the Agency Board and City Council, respectively.

605. No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

606. Modifications. Any alteration, change or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

607. Severability. If any term, provision, condition or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

608. Time of Essence. Time is expressly made of the essence with respect to the performance by the Agency and the Nonprofit of each and every obligation and condition of this Agreement.

609. Cooperation. Each party agrees to cooperate with the other in this transaction and, in that regard, to sign any and all documents which may be reasonably necessary, helpful, or appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

610. Amendment and Supersession of Prior Agreements. This Agreement amends and supersedes the Purchase Regulatory Agreement, dated November 30, 1999, by and between Agency and Nonprofit, and the AHA Regulatory Agreement, dated July 17, 2001, among the Agency, City, and Nonprofit, which, except as set forth in Section 402.7 of this Agreement, shall be of no further force or effect as of the Date of Agreement.

IN WITNESS WHEREOF, the Agency and the Nonprofit have executed this Amended and Restated Regulatory Agreement as of the date first set forth above ("Date of Agreement").

DATE: October 1, 2002

TO: Robert R. Ovrom, City Manager/Executive Director

FROM Susan Georgino, Community Development Director/ Asst. Executive Director
Susan Evans, Asst. CDD for Housing, Redevelopment and Economic Development
By: Duane Solomon, Housing Development Manager

SUBJECT: Occupancy Standards

At the August 27, 2002 joint meeting of the Council and Agency, staff was instructed to return with information regarding an alternative occupancy standard predicated upon the square footage of a unit. In recent years, the Agency has established an occupancy standard in all projects it assists that limits the number of household members to two persons per bedroom plus one additional member, which meets the federal Housing Quality Standards or HQS definition under 24 CFR.982.401 (d)(2)(iii). The U. S. Department of Housing and Urban Development (HUD) requires that a Housing Authority administering HQS must "provide for the smallest number of bedrooms needed to house a family without overcrowding" and comply with HQS space requirements, which stipulates that "The dwelling unit must have at least one bedroom or living/sleeping room for each two person."[1]

As with many jurisdictions, the Agency (and the City's Housing Authority) has increased the HQS minimum standard to allow an additional household member. In addition to not reducing the HQS standard below HQS occupancy limits, this measure also accommodates households with children of differing genders, while also staving off any fair housing concern about the Agency dictating housing choices.

---

[1] *(d) Space and security-- (1) Performance requirement. The dwelling unit must provide adequate space and security for the family.*
(2) Acceptability criteria.
(ii) The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.

EXHIBIT B

Occupancy based on a unit's square footage (as compared to the number of bedrooms as used under the current City/Agency occupancy standard) is codified in the Uniform Housing Code or UHC (Section 503.2), which sets forth the following definition of the number of permitted occupants in a dwelling:

> Dwelling units and congregate residences shall have at least one room, which shall not have less than 120 square feet of floor area. Other habitable rooms, except kitchens, shall have an area of not less than 70 square feet. Where more than two persons occupy a room used for sleeping purposes, the required floor area shall be increased at the rate of 50 square feet for each occupant in excess of two.

Under the UHC, 70 square feet of living space exclusive of the kitchen and each bathroom is required for two persons, while a minimum of 50 square feet is needed for each additional occupant. The maximum occupancy is then determined by subtracting 70 square feet from the unit's total square footage, subtracting the square footage of the kitchen and each bedroom and then dividing the remaining square footage (the habitable area) by 50.

Occupancy under the UHC is a variable, sometimes confusing standard that too often legitimizes overcrowding. Following are two examples of UHC standards that help illustrate the methodology used under the UHC to calculate maximum occupancy.

One-Bedroom/One-Bath Unit *487 Square Feet*	*Total Occupants*	Two-Bedroom/Two-Bath Unit *932 Square Feet (SF)*	*Total Occupants*
Bedroom equals 120 SF (70 for first two persons and 50 SF for third person)	3	First bedroom equals 120 SF (70 for first two persons and 50 SF for third person)	3
487 SF minus 120 SF (Bedroom) minus 50 SF (Bath) minus 100 SF (Kitchen) equals 217 SF/50 SF	4	932 SF minus 120 SF (First Bedroom) minus 100 SF (2 Baths at 50 SF each) minus 100 SF (Kitchen) equals 612 SF/50 SF	12
Total Maximum Occupants	**7**	**Total Maximum Occupants**	**15**
Current Maximum Occupancy	**3**	***Current Maximum Occupancy***	**5**

Using this calculation, a sampling (Attachment A) of Burbank Housing Corporation (BHC) units would suggest the following occupancy limits:

Property Address	Maximum Occupancy					
	One Bedroom/One Bath		Two Bedroom/One Bath		Three Bedroom/Two Bath	
	UHC	Current Standard	UHC	Current Standard	UHC	Current Standard
W. Elmwood Apts. (averaged)	13	3	14	5	NA	NA
237 West Verdugo	10	3	NA	NA	NA	NA
257 West Verdugo	NA	NA	16	5	NA	NA
241 West Verdugo	14	3	NA	NA	NA	NA
220 West Tujunga	7	3	NA	NA	15	7

There is a plethora of issues that must be addressed if the Agency opts for a standard that links maximum occupancy to a unit's square footage (UHC) rather than to one based upon persons per bedroom (housing quality standards or HQS).

- *Site Constraints.* Many of the projects the Agency assists the BHC to acquire have limited on-site parking, often one space per unit. Increasing the number of occupants creates greater demands for parking that will spill off-site.

- *Property Maintenance.* The quintessential issue is to ensure Agency assisted properties are maintained appropriately. In doing so, the Agency specifically avoided a standard that allows for an excessive number of occupants, one that far exceeds the normal wear and tear on residential units and resultantly escalates maintenance costs.

- *Service Costs.* Fire Department staff's perception is that increasing the number of occupants adds to the calls for service for safety services; "Responses or call volume is directly linked to population numbers." As density increases, there typically is a corresponding increase in the volume of calls for service. Fire Department staff observed that,

> There are more incidents of fires and medical emergencies among [residents] in overcrowded multiple dwellings. Occupancy units designed to accommodate a family unit, for instance, of 2-6 people become overtaxed when that usage swells to twice that number. Kitchens designed to accommodate cooking requirements for 2-6 people will have increased risks do to the added usage.

- *Occupancy Determination/Monitoring.* The contorted calculation used to determine occupancy under the UHC would make the initial determination and subsequent monitoring of units more difficult than the current standard. The

UHC standard will also create differing occupancy limits subject to unit configuration that can result in a number of anomalies as illustrated below.

- A household may find in that it meets occupancy standard in one unit and not in another unit with the same number of bedrooms due to the differing square footage.
- A household could occupy a unit with more square footage but with less bedrooms but not qualify for another unit with more bedrooms but with less square footage.
- Two households of identical size can apply for two units with comparable number of bedrooms, one household meeting the occupancy limit and the other household not meeting the occupancy limit again due to the square footage of the units.

- *Public Perception.* Overcrowding and substandard housing are interrelated terms often associated with poorly maintained projects. The Agency should balance the need to house larger households with public confidence that Agency assisted projects improve, not erode, housing conditions. This point was emphasized recently when Agency staff frequently had to assure residents surrounding the Peyton-Grismer neighborhood that the proposed acquisition/rehabilitation project at 1801-1819 Grismer Avenue would improve housing conditions and reduce overcrowding.

RECOMMENDATION

Staff recommends the Agency retain the current occupancy standard of two persons per bedroom plus one additional household member.

THIRD AMENDMENT TO REGULATORY AGREEMENT
(Phase 1 -2025 Master Loan Amendment)
(Catalina – Project No. 8A)

THIS THIRD AMENDMENT TO REGULATORY AGREEMENT (this "Third Amendment") is entered into as of January September 22, 2025 among the Housing Authority of the City of Burbank, a public body, corporate and politic (the "Authority") , the City of Burbank , a municipal corporation and charter city (the "City"), and Burbank Housing Corporation, a California nonprofit public benefit corporation (the "Developer or BHC").

Subject Property:

2321-2323 Catalina St, Burbank, CA and more particularly described in Attachment No. 1.

RECITALS

The following recitals are a substantive part of this Agreement:

A. In 1997, the former Redevelopment Agency of the City of Burbank (the "Agency") established a nonprofit public benefit corporation, the Burbank Housing Corporation ("BHC"), to improve and preserve the existing housing inventory in the City of Burbank, California that is affordable to low-income and moderate-income persons and to provide community assistance and property management services at affordable housing projects within the City of Burbank.

B. The City receives funds from the HOME Investment Partnership Act of the united States, 42 U.S.C. Sec. 12701, et seq, ("HOME funds"), for the purpose of the production and operation of housing affordable to lower and very low income families. The City also receives Community Development Block Grant ("CDBG") funds

authorized under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. Sec. 5301 et seq.

C. Pursuant to Section 33334.2 of the California Health and Safety Code Section 33000, et seq., (the "Community Redevelopment Law") the Agency was required to expend a certain percentage of property taxes allocated to it for the purposes of increasing, improving and preserving the City's supply of low-and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency established a Low and Moderate Income Housing Fund, which is now known as the Low and Moderate Income Housing Asset Fund (the "Housing Fund").

D. Effective February 1, 2012, redevelopment agencies were dissolved in the State of California; the law authorized local housing authorities to accept the former redevelopment agencies assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Authority accepted the Agency's housing duties and assets, including the Housing Fund.

E. BHC, the City, and the Agency/Authority have to date worked together to provide and preserve 322 units for low-to-moderate income households at on twenty-four properties throughout the City (the "Projects"). In conjunction with some of the neighborhood projects, activity centers have been built which directly benefit the occupants, and for example, provide after school childcare, homework assistance; community service opportunities, including volunteer opportunities and neighborhood involvement, among other vital services to the low and moderate occupants. BHC manages those centers as its owner.

F. To further this partnership, the City, Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008 (the "Loan Agreement"), which modified agreements and combined the loans made by the City and Agency for the Projects into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual Projects as one large project. The Loan Agreement combined Agency (now Authority) loans ("Authority Loan") and City HOME and CDBG loans ("City Loan"). The Loan Agreement included, among other things, cross-collaterization and cross-default clauses as further security for the Authority Loan and the City Loan. The loan is secured by a single Deed-of-Trust recorded on the Projects.

G. The parties further modified restated, and replaced in its entirety the Loan Agreement by entering into the Amended and Restated Master Loan Agreement (Phase 1- January 2025) (the "A&R MLA") to modify and restate the terms of the loan (the "Loan") to specifically 1) make forgivable each portion of the City Loan as of the initial term of the original note evidencing that portion of the City Loan except for the principal associated with certain Projects as identified in the A&R MLA; 2) make the annual Authority Loan payment forgivable after the completion of each year of the affordability covenant commencing April 1, 2025 except for the principal associated with certain Projects as identified in the A&R MLA; 3) to define "affordability covenant period"

to be 55 years and 3 months for the Authority Loan and City Loan commencing January 1, 2025 and ending April 1, 2080 ("Affordability Period"); 4) to eliminate the concept of "residual receipts payments" which had resulted in Loan payments only when certain conditions existed; 5) to eliminate interest on Authority Loan, including existing outstanding and new interest payments for the Authority Loan, to make consistent with City Loan (with certain exceptions); 6) continue the requirement that two BHC board of director members be comprised of individuals appointed by the City/Authority; and 7 continue certain limitations that currently and must always exist in BHC's Articles of Incorporation and By-laws to restrict any business and mission of BHC to the geographic area of the City of Burbank; this restriction includes but is not limited to use of any City/Authority funds only for projects located in the City of Burbank (which precludes investing in any non-City of Burbank projects).

H. Subject Property, along with 2321 North Fairview Street, is referenced in the A&R MLA as collectively Project No. 8. Through the A&R MLA, the Project No. 8 is divided into two separate projects - the project located at Subject Property-2321-2323 North Catalina Street ("Project No. 8A") and the project located at 2321 North Fairview Street ("Project No. 8B"), with separate amended regulatory agreements. The regulatory agreement requires among other things, specific affordability requirements, together with operation of an activity center located on Subject Property to serve the neighborhood.

I. A Regulatory Agreement was recorded on the Subject Property as Instrument No. 04-1599871 on June 17, 2004, and amended by an Amended Regulatory Agreement Instrument No. 06-2369324 on October 25, 2006 (the "First Amendment") and as further amended by a Regulatory Agreement Amendment Instrument No. 20101493655 on October 19, 2010 (the "Second Amendment").

J. The Regulatory Agreement, as amended by the First Amendment and the Second Amendment, is now further being amended (this Third Amendment) to 1) reflect the modification to the A&R MLA, specifically the extension of affordability covenants to April 1, 2080, and 2) to separate the Subject Property from the adjacent parcels 2321 North Fairview Street.

NOW, THEREFORE, the parties hereto agree as follows:

1. Recital B is amended to read as follows: The Developer purchased with Authority and City assistance the Subject Property. The Subject Property is improved with an eight unit apartment building 2323 Catalina Street and an activity center.

2. Affordable Units. The first two sentences of Section 4 Affordable Units are amended to read as follows:

   Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease one (1) of the rehabilitated housing units on the Property to Very Low Income Households as defined in Health and Safety Section 50105 ("Very Low Income Unit"), four (4) of the rehabilitated housing units on the Property to Lower

Income Household as defined in Health and Safety Code Section 50079.5 ("Lower Income Units"), and three (3) of the rehabilitated Housing Units on the Property to Persons and Families of Low or Moderate Income as defined in Health and Safety Code Section 50093 (Moderate Income Units"), all at Affordable Rents for the respective income levels as set forth in Section 5 (the "Affordable Units"). The Developer shall further restrict the units by ensuring that the Very Low Income Unit is a one-bedroom unit, that the Low Income Units are all one-bedroom units, and that three of the Moderate Income Units are one-bedroom units.

3. Extension of Affordability Covenants. The final paragraph of Section 4 is amended to read as follows:

"The Property shall be subject to the requirements of this Section 4 in perpetuity commencing on the date of the Developer's acquisition of the Property. For purposes of this Section 4, "in perpetuity" means the useful life of the Property with the land use controls imposed herein, but not less than fifty-five years and three months commencing January 1, 2025 and expiring April 1, 2080. The duration of this requirement shall be known as the "Affordability Period"."

4. Conforming to A&R MLA. This Third Amendment further amends the Regulatory Agreement to conform it to any conflicting term in the A&R MLA and any term in a future amendment to the A&R MLA.

5. No Other Changes. Except as amended pursuant this Third Amendment, all terms of the Regulatory Agreement, as amended by the First and Second Amendments, remain the same and the Regulatory Agreement, as amended by the First and Second Amendments, remains in full force and effect.

6. Interpretation and Estoppel Certificates. While it is not the intent to modify any other term, should any interpretation question result due to this modification, the Assistant Executive Director and the City Attorney shall provide an interpretation. The interpretation may, if requested by BHC, be provided to Council by memo, and Council may, if it desires to do so as a body, call up the matter for discussion and further interpretation. The Assistant Executive Director is authorized to execute an estoppel certificate stating that BHC is in full compliance with the Regulatory Agreement , as amended by the First Amendment, the Second Amendment, and this Third Amendment, and that the Regulatory Agreement together with the First Amendment, the Second Amendment, and this Third Amendment is a true and complete copy, and if applicable, to memorialize an interpretation authorized herein.

7. Monitoring. As to a matter between the Authority and City, Authority agrees to monitor the Regulatory, as amended by this Third Amendment as to Authority affordability covenants and also monitor City affordability covenants, at Authority's cost.

8. Performance Secured by Deed of Trust. Performance of the obligations hereunder are secured by a Deed of Trust recorded on Subject Property by Instrument No. 06-2369323, as amended and restated on September 22, 2025, recorded as Instrument No. 20250809610 on November 17, 2025.

9. Counterparts. This Third Amendment may be executed in counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

10. Successors and Assigns. The Regulatory Agreement as amended by the First Amendment, the Second Amendment, and this Third Amendment shall run with the land, and all of the terms, covenants and conditions of the Regulatory Agreement, as amended by the First Amendment, the Second Amendment, and by this Third Amendment, shall be binding upon BHC and the permitted successors and assigns of BHC.

IN WITNESS WHEREOF, the parties hereto have executed this Third Amendment to the Regulatory Agreement as of the date and year set forth above.

MODIFICATION AGREEMENT
(Project No. 3, Elmwood Achievement Center, 153 W. Elmwood Avenue)

THIS MODIFICATION AGREEMENT (the "Modification Agreement") is entered into as of _____, 2026 (the "Effective Date") among the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Authority") as successor to the housing assets and duties of the dissolved Redevelopment Agency of the City of Burbank (the "Agency"), the **CITY OF BURBANK**, a municipal corporation and charter city (the "City"), and **BURBANK HOUSING CORPORATION,** a California nonprofit public benefit corporation ("BHC"). The Authority, the City, and BHC are each referred to as a "Party", and collectively are referred to as the "Parties".

RECITALS

A. BHC is the owner of certain property located at 153, 158-159, 164-165, 170-171, 188, 194 and 199 W. Elmwood Avenue, Burbank, California and more particularly described on Exhibit A attached hereto and made a part hereof (the "Property"). BHC desires to change the use of the achievement center space currently located on the Property at 153 W. Elmwood Avenue (the "Achievement Center Space") to two (2) moderate income 1 bedroom/1 bath residential units no later than January 1, 2029.

B. The Agency and BHC entered into a Purchase and Sale Agreement dated as of November 30, 1999 (the "PSA"), recorded on December 28, 1999, Document No. 99-2382117 in the Los Angeles County Official Records (the "Official Records") regarding 153, 158-159, 164-165, 170-171, 188, and 194 W. Elmwood Avenue.

C. BHC, the City and the Agency entered into an Affordable Housing Agreement dated July 17, 2001 (the "2001 AHA"), regarding 199 W. Elmwood Avenue.

D. BHC, the City and the Agency entered into another Affordable Housing Agreement dated July 11, 2017 (the "2017 AHA"), whereby BHC agreed to rehabilitate a portion of the Property, specifically 153, 159, and 199 W. Elmwood Avenue.

E. In connection with the PSA and 2001 AHA, BHC, the City and the Agency entered into an Amended and Restated Regulatory Agreement dated as of October 4, 2002 (the "A&R Regulatory Agreement"), and recorded on the Property as Document No. 03-1634472 in the Los Angeles County Official Records (the "Official Records"). In connection with the 2017 AHA, BHC, the City and the Agency entered into a Regulatory Agreement dated as of July 11, 2017 (the "2017 Regulatory Agreement"). The A&R Regulatory Agreement was amended by Amendment No. 2 to Affordable Housing Agreements and Related Regulatory Agreements dated as of September 23, 2010 (the "Global Amendment No. 2"), and the related Regulatory Agreement Amendment dated as of September 23, 2010 and recorded on the Property on October 19, 2010 as Document No. 20101493655 in the Official Records (the "Second Regulatory Agreement Amendment"). The A&R Regulatory Agreement, the 2017 Regulatory Agreement and the Second Regulatory Agreement Amendment were amended by that Third Amendment to Regulatory Agreement (Phase 1 – 2025 Master Loan Amendment) dated as of September 22, 2025 and recorded on the Property on December 2, 2025 as Document No. 20250862074 in the Official Records (the "Third Regulatory Agreement Amendment").

F. The City and the Agency/Authority made loans to BHC through the PSA, 2001 AHA and 2017 AHA (the "Elmwood Loans"). The City, the Agency and BHC entered into a consolidated loan agreement approved by the City and Agency on March 21, 2006 and executed on January 2, 2007, and as amended on November 20, 2008, which combined the loans made by the City and Agency for the Property and other properties into one loan agreement to assure that all of the terms remained consistent and to treat all of the individual properties as one large project (the "MLA"). The loan made pursuant to the 2017 AHA was incorporated into the MLA, through an Master Loan Agreement Amendment dated as of July 11, 2017 among the City, the Authority and BHC. On January 14, 2025, the Authority, the City and BHC entered into the Amended and Restated Master Loan Agreement (Phase 1) which amended and restated in their entirety the Loan Agreement (as amended), promissory note (as amended), deed of trust (as amended), MLA, and other agreements related to Property and twenty-three other properties (the "2025 MLA").

G. The Parties now desire to modify the PSA, 2001 AHA, the 2017 AHA, the 2025 MLA, the A&R Regulatory Agreement, the 2017 Regulatory Agreement, the Global Amendment No. 2, the Second Regulatory Agreement Amendment, the Third Regulatory Agreement Amendment and any and all documents by or among any of the Parties related to Property in Burbank, California (the "Elmwood Documents") attached as Exhibit B to permit the conversion of the Achievement Center Space to two (2) moderate income 1 bedroom/1 bath residential units.

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by this reference, and the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, it is hereby declared, understood and agreed as follows:

1. Defined Terms. All capitalized terms not defined in this Modification Agreement shall have the meanings ascribed to them in the 2025 MLA.

2. Conversion of Use. The Parties agree that BHC can cease the use of the Achievement Center Space as an achievement center in the Fall of 2027 and thereafter renovate the Achievement Center Space as two (2) 1 bedroom/1 bathroom residential units to be occupied by and rented at affordable rent (as defined in Section 402.6 of the A&R Regulatory Agreement, as amended) by Low and Moderate Income Households (as defined in the A&R Regulatory Agreement) no later than January 1, 2029. BHC is not requesting financial assistance from the City or the Authority for this renovation.

3. Amendment of PSA. Effective as of the Effective Date unless otherwise noted below, the PSA is hereby amended as follows:

(a) The definition of "Achievement Center" is deleted from Section 100, Definitions.

(b) Effective as of January 1, 2029, the text in the definition of "Operating Expenses" in Section 100 reading "costs of operating the Achievement Center, which shall not exceed $62,000 during calendar year 2000, with the maximum amount subject to an increase of3.5% in each subsequent year" is replaced with "INTENTIONALLY DELETED".

(c) The text in Section 406 is deleted and replaced with "INTENTIONALLY DELETED".

4. Amendment of 2025 MLA. Effective as of the Effective Date unless otherwise noted below, the 2025 MLA is hereby amended as follows:

(a) The last three sentences of Recital E are hereby deleted.

(b) The words "and construction of an activity center to be used for after school care by the focus neighborhood of the Grismer and Elliott projects" are hereby deleted from Recital I.6.

(c) The second sentence of Recital I.8 reading "An activity center serves the neighborhood" is hereby deleted.

(d) The fourth sentence of Recital I.9 reading "An activity center serves the neighborhood" is hereby deleted.

(e) Effective as of January 1, 2028, the text in (d) of the definition of "Operating Expenses in Section 1.2 reading "specific expenses required in the operation of on-site activity centers" is replaced with "INTENTIONALLY DELETED".

(f) The words "activity centers and" are hereby deleted from Section 1.9.

5. Amendment of the Global Amendment No. 2. Effective as of the Effective Date unless otherwise noted below, Global Amendment No. 2 is hereby amended as follows:

(a) The last three sentences in Recital D of Global Amendment No. 2 are hereby deleted.

(b) The second sentence in Recital N is hereby deleted.

(c) The second sentence in Recital O is hereby deleted.

(d) Effective as of January 1, 2029, the third and fourth sentence of Section 1 are amended to read as follows:

"Property No. 3 currently requires the following designation of affordable housing units:

Property No. 3	Affordability	Current
Elmwood	Extremely-Low	7 (0)
	Very-Low	25 (19)
	Low	23 Low & MOD
	Moderate	10

This Amendment changes that designation to:

Property No. 3	Affordability	Current
Elmwood	Extremely-Low	7
	Very-Low	25
	Low	23
	Moderate	12

6. Amendment of A&R Regulatory Agreement. Effective as of the Effective Date unless otherwise noted below, the A&R Regulatory Agreement is hereby amended as follows:

(a) Effective as of January 1, 2028, the definition of "Achievement Center" is hereby deleted from Section 100.

(b) The definition of "Extremely Low Income Household" is added to Section 100 as follows:

"***Extremely Low Income Household***" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 30%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50106.

(c) Effective as of January 1, 2029, Section 402.1 is replaced as follows:

"402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent seven (7) of the apartment units in the Buildings to Extremely Low Income Households, twenty-five (25) of the apartment units in the Buildings to Very Low Income Households, twenty-three (23) of the apartment units in the Buildings to Lower Income Households, and twelve (12) of the apartment units in the Buildings to Low and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof."

(d) Effective as of January 1, 2029, items a., b., and c. of Section 402.6 are replaced as follows:

"a. For Extremely Low Income Households: the rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(B) based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

b. For Very Low Income Households: the rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(C) based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

c. For Lower Income Households: the rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(D) based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

d. For Low and Moderate Income Households: the rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(E) based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance."

(e) Effective as of January 1, 2028, Section 406 is hereby deleted.

(f) All references related to the rent and income level requirements of the HOME program or regulations are hereby deleted as the HOME affordability period required by the United States Department of Housing and Urban Development has expired.

7. Amendment of the 2017 Regulatory Agreement Amendment. Effective as of the Effective Date unless otherwise noted below, the 2017 Regulatory Agreement Amendment is hereby amended as follows:

(a) Effective as of January 1, 2029, the first sentence of Section 4 is replaced as follows:

"4. Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease at an Affordable Rent (the "Affordable Units"):

Three (3) two-bedroom units within the Property to households with incomes that do not exceed the limits defined under California Health and Safety Code Section 50105 for Very-Low Income Households, adjusted for household size;

Two (2) two-bedroom units and five (5) one-bedroom units within the Property to households with income that do not exceed the limits defined under California Health and Safety Code Section 50079.5 for Low-Income Households, as adjusted for household size; and

Two (2) one-bedroom one-bathroom units within the Property to households with income that do not exceed the limits defined under California Health and Safety Code Section 50093 for persons and families of Low or Moderate income, as adjusted for household size."

(b) Effective as of January 1, 2029, Section 5 is replaced as follows:

"**5. Affordable Rent.**

The maximum Monthly Rent chargeable to income eligible households shall be annually determined by the City and Authority and the maximum rent that the Developer may change any household occupying an affordable unit shall meet the following requirements:

a. The Monthly Rent payable by a tenant who meets the income limits for very-low income households shall not exceed the very-low income rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(C) based on the methodology established by the California Housing and Community Development Department ("HCD"), adjusted

for number of bedrooms in the unit, less the reasonable monthly utility allowance.

b. The Monthly Rent payable by a tenant who meets the income limits for low income households shall not exceed the lower income rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(D) based on the methodology established by HCD, adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

c. The Monthly Rent payable by a tenant who meets the income limits for low or moderate income households shall not exceed the moderate income rents calculated as set forth in Health & Safety Code Section 50053(b)(1)(E) based on the methodology established by HCD, adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

d. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than the qualifying limits as set forth above, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

e. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and required facilities associated therewith (including parking fees), (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer."

(c) All references related to the rent and income level requirements of the HOME program or regulations are hereby deleted as the HOME affordability period required by the United States Department of Housing and Urban Development has expired.

8. Amendment of the Second Regulatory Agreement Amendment. Effective as of the Effective Date unless otherwise noted below, the Second Regulatory Agreement Amendment is hereby amended as follows:

(a) Effective as of January 1, 2029, the third and fourth sentence of Section 2 are amended to read as follows:

"Property No. 3 currently requires the following designation of affordable housing units:

Property No. 3	Affordability	Current
Elmwood	Extremely-Low	7
	Very-Low	25
	Lower	23
	Low and Moderate	10

This Amendment changes that designation to:

Property No. 3	Affordability	Current
Elmwood	Extremely-Low	7
	Very-Low	25
	Lower	23
	Low and Moderate	12

9. References to Activity Center or Achievement Center. All references to the activity center or achievement center are hereby deleted from the Elmwood Documents.

10. Deletion of HOME references. All references related to the rent and income level requirements of the HOME program or regulations are hereby deleted from the Elmwood Documents as the HOME affordability period required by the United States Department of Housing and Urban Development has expired.

11. Full Force and Effect. Except as set forth in this Modification Agreement, the Elmwood Documents remain unmodified and are in full force and effect.

12. Exhibits and Attachments Incorporated. All exhibits and attachments referred to in this Modification Agreement and attached to it are hereby incorporated in it by this reference. In the event there is a conflict between any of the terms of this Modification Agreement and any of the terms of any exhibit or attachment to this Modification Agreement, the terms of this Modification Agreement shall control the respective duties and liabilities of the parties hereto.

13. Successors and Assigns. This Modification Agreement shall be binding on and inure to the benefit of the legal representatives, heirs, successors and assigns of the parties.

14. California Law. This Modification Agreement shall be governed by and construed in accordance with the laws of the State of California.

15. Counterparts. This Modification Agreement may be signed by the different parties hereto in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement.

REGULATORY AGREEMENT

THIS REGULATORY AGREEMENT (the "Agreement") is entered into as of November 30, 1999, by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK,** a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION,** a California nonprofit corporation (the "Nonprofit").

RECITALS

A. Pursuant to the terms of a Purchase and Sale Agreement between the Agency and the Nonprofit, dated as of November 30, 1999 (the "Purchase Agreement"), the Nonprofit has acquired from the Agency nine multifamily apartment complexes (the "Buildings") in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (collectively, the "Property"). The Property is further described in the Legal Description which is attached hereto as Exhibit A, and depicted in the Map which is attached hereto as Exhibit B, which are both incorporated herein. A portion of the cost of acquisition of the Buildings has been provided with funds from the Agency's Low and Moderate Income Housing Fund, and the remainder of the cost of acquisition of the Buildings has been provided with HOME Program funds provided to the Agency by the City.

B. Pursuant to the Purchase Agreement, the Nonprofit has agreed to lease the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households

C. The execution and recording of this Agreement is a requirement of the Purchase Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

100. DEFINITIONS

"Achievement Center" is defined in Section 406 hereof.

"Affordable Rent" is defined in Section 402.6 hereof.

"Agency" means the Redevelopment Agency of the City of Burbank, a public body, corporate and politic, exercising governmental functions and powers and organized and existing under Chapter 2 of the Community Redevelopment Law and any assignee of or successor to its rights, powers and responsibilities.

"Agreement" means this Regulatory Agreement between the Agency and the Nonprofit.

"Buildings" means those multifamily apartment complexes located on the Property.

"Capital Replacement Reserve" is defined in Section 405 hereof.

"City" means the City of Burbank, a California municipal corporation.

"Community Redevelopment Law" means California Health and Safety Code Section 33000, *et seq.* as the same now exist or may hereinafter be amended.

"County" means Los Angeles County.

"Date of Agreement" means the date set forth in the first paragraph hereof.

"Default" means the failure of a party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and opportunity to cure, as set forth in Section 501 hereof.

"Governmental Requirements" means all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the State, the County, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Nonprofit or the Property.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

"Legal Description" means the description of the Property which is attached hereto as Attachment No. 2 and incorporated herein.

"Low and Moderate Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 120%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50093.

"Lower Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 80%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50079.5.

"Map" means the map of the Property which is attached hereto as Attachment No. 1 and incorporated herein.

"Nonprofit" means Burbank Housing Corporation, a California nonprofit corporation, and its successors and assigns.

"Notice" shall mean a notice in the form prescribed by Section 601 hereof.

"Operating Reserve" is defined in Section 405 hereof.

"Property" means that certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood. The Property is legally described in the Legal Description and depicted on the Map.

"Rent" shall mean the total of monthly payments by the tenants of an apartment unit for use and occupancy for the unit and facilities associated therewith, including a reasonable allowance for utilities for an adequate level of service, as defined in 25 California Code of Regulations § 6918.

"State" means the State of California.

"Transfer" is defined in Section 603.1 hereof.

"Very Low Income Household" shall mean a household earning not greater than fifty percent (50%) of Los Angeles County median income which is set forth from time to time by regulation of the United States Department of Housing and Urban Development.

200. CONDITION OF THE PROPERTY

201. Disclosure. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Landlords must, before renting pre-1978 housing, disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a Federally approved pamphlet on lead poisoning prevention. The Agency has undertaken a program to abate lead-based paint which existed in the Buildings, some of which was removed and some of which was encapsulated and allowed to remain in place in

the Buildings. The Agency has made available to the Nonprofit all of the reports and records which it has commissioned pertaining to lead-based paint and/or lead-based paint hazards in the Buildings, and Nonprofit acknowledges receipt thereof. However, the Agency believes that the Buildings were constructed prior to 1978, and, therefore, may contain lead-based paint. Nonprofit shall provide to its tenants all disclosures required by applicable law with respect to lead paint exposure.

300. OPERATION OF THE PROPERTY

301. Insurance Requirements. The Nonprofit shall take out and maintain or shall cause its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Nonprofit shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Nonprofit or its contractors, subcontractors, agents or employees with respect to the Property. All policies shall protect the Nonprofit, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. The Nonprofit shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Nonprofit and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Nonprofit shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Nonprofit shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Nonprofit at the time set forth therefor in the Schedule of Performance. Nonprofit shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

302. Indemnity. The Nonprofit shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Nonprofit under this Agreement, whether such activities or performance thereof be by the Nonprofit or by anyone directly or indirectly employed or contracted with by the Nonprofit and whether such damage shall accrue or be discovered before or

after termination of this Agreement. The Nonprofit shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

303. Rights of Access. Representatives of the Agency shall have the right to inspect the Property so long as Agency representatives comply with all safety rules.

304. Compliance With Laws. The Nonprofit shall carry out the operation of the Property in conformity with all applicable laws, including all applicable City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City's Municipal Code. A portion of the cost of acquisition of the Buildings has been financed through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, pursuant to the implementing regulations set forth at 24 CFR 92 (the "HOME Program"). Accordingly, the Nonprofit shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Upon request, the Agency shall provide to the Nonprofit a copy of applicable HOME Program requirements.

305. Financing of the Acquisition of the Property. The Nonprofit shall not enter into any conveyance for financing without the prior written approval of the Agency.

400. COVENANTS AND RESTRICTIONS

401. Use in Accordance with Redevelopment Plan. The Nonprofit covenants and agrees for itself, its successors, assigns, and every successor in interest to the Property or any part thereof, that upon the Closing and during the Affordability Period, the Nonprofit shall devote the Property to the uses specified in the Redevelopment Plan and this Agreement for the periods of time specified therein. All uses conducted on the Property, including, without limitation, all activities undertaken by the Nonprofit pursuant to this Agreement, shall conform to the Redevelopment Plan and all applicable provisions of the City Municipal Code.

402. Affordable Housing Requirements.

402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent nineteen (19) of the apartment units in the Buildings to Very Low Income Households, twenty (20) of the apartment units in the Buildings to Lower Income Households, and twenty (20) of the apartment units in the Buildings to Low- and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof. A summary of the affordable housing requirements of this Section 402 is attached hereto as Attachment No. 6 to the Purchase Agreement, which is hereby incorporated herein by this reference.

402.2 Lease Requirements. Prior to rental of any of the apartment units in the Buildings to new tenants, Nonprofit shall submit a standard lease form to the Agency for Agency's approval. Each such lease shall contain a waiver of relocation rights and benefits in a form which is reasonably acceptable to the Agency. The Agency shall approve such lease form upon finding that such lease form is consistent with this Lease and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Nonprofit shall enter into a lease, in the form approved by the Agency, with each new tenant of an apartment unit within the Buildings, and each existing tenant whose existing lease has expired. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

402.3 Duration of Affordability Requirements. The Buildings shall be subject to the requirements of this Section 402 in perpetuity commencing upon the date of this Agreement. The duration of this requirement shall be known as the "Affordability Period."

402.4 Selection of Tenants. Each apartment unit in the Buildings shall be leased to tenants selected by the Nonprofit who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the apartment units in the Buildings by providing to the Nonprofit names of persons who have expressed interest in renting such units. The Nonprofit shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The tenant selection system shall include, without limitation, a method for investigation of the credit history of proposed tenants through obtaining a credit report on the proposed tenant. Highest priority in the selection of tenants shall be given to those applicants who have been displaced by Agency projects, if any. The Nonprofit shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

402.5 Income of Tenants. Prior to the rental or lease of any apartment unit in the Buildings to a tenant, and annually thereafter, the Nonprofit shall obtain an income certification from the tenant of each apartment unit. The Nonprofit shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain a credit report from a commercial credit reporting agency.

f. obtain an alternate form of income verification reasonably requested by the Nonprofit, if none of the above forms of verification is available to the Nonprofit.

A person or family who at the time of income certification qualified as a Very Low, Lower or Low- and Moderate Income Household, as applicable, shall continue to be deemed so qualified, until such time as the person or family's income is redetermined and the person or family is determined by the Nonprofit to no longer be so qualified, even if such person or family's income has subsequently increased to an amount above the applicable income level. Upon the Nonprofit's determination that the tenant is no longer qualified as either a Very Low, Lower or Low- and Moderate Income Household, such tenant's monthly rent, instead of the amount set forth in Section 402.6 hereof, shall be adjusted to the lesser of thirty percent of the tenant's monthly income or fair

market rent, as reasonably determined by the Agency and the Nonprofit. In addition, the Nonprofit shall annually submit to the Agency, prior to July 15 each year, a certification of the number of apartment units in the Buildings actually occupied by Very Low, Lower and Low- and Moderate-Income Households in such form as may be provided by the Agency.

402.6 Determination of Affordable Rent. Each apartment unit in the Buildings shall be rented at an "Affordable Rent" to be established by the Agency as provided herein. The maximum monthly rental amount for the apartment units within the Buildings shall be established by the Agency on an annual basis by written notice to the Nonprofit, upon publication of annual median income limits by the United States Department of Housing and Urban Development and the California Department of Housing and Community Development, at the following amounts:

a. For Very Low Income Households: the lesser of (a) One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County median income for a household size appropriate for the unit, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. For Lower Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County median income for a household size appropriate for the unit.

c. For Low and Moderate Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County median income for a household size appropriate for the unit.

Household size appropriate to the unit shall mean one person for a studio apartment unit, two persons for a one bedroom apartment unit, three persons for a two bedroom apartment unit, four persons for a three bedroom apartment unit, and five persons for a four bedroom apartment unit. The rents of the apartment units in the Buildings may be increased simultaneously, once per year, regardless of when particular tenants commenced occupancy of their units. The maximum monthly rental amount for apartment units in the Buildings shall include a reasonable utilities allowance to be determined by the Agency, which utilities allowance shall be set at an amount which will cover the projected charge for all utilities (whether paid for by Nonprofit or paid directly by the individual tenant), including gas and electrical service, water, sewer and garbage collection, but excluding telephone service and cable television. The Agency may in its discretion base the utilities allowance on a utilities allowance adopted by the Los Angeles County Housing Authority, or established in connection with the Section 8 program administered by the United States Department of Housing and Urban Development. Upon the approval of the Agency, rents may be established at amounts which are lower than the maximum monthly rental amounts set forth above. The current maximum rents allowable under this Section 402.6 are set forth in Attachment No. 6.

402.7 Occupancy Standards. Occupancy of studio apartment units shall be limited to three persons, occupancy of one bedroom apartment units shall be limited to four persons, occupancy of two bedroom apartment units shall be limited to six persons, occupancy of three bedroom apartment units shall be limited to eight persons, and occupancy of four bedroom apartment units shall be limited to ten persons.

402.8 Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by

the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

402.9 Property Tax Exemption. The Nonprofit shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency does not represent or warrant to the Nonprofit that such an exemption will be available to the Nonprofit.

403. Maintenance Covenants. The Nonprofit shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. None of the apartment units on the Property shall at any time be utilized on a transient basis nor shall the Property or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home, or be converted to condominium ownership. If at any time Nonprofit fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Buildings and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Nonprofit to the Agency upon demand.

404. Management. Nonprofit shall manage or cause the Buildings to be managed in a prudent and business-like manner, consistent with first-class multifamily rental housing in Los Angeles County, California, and in accordance with the operating budget for the Buildings which has been approved by the Agency. Nonprofit may contract with a management company or manager to operate and maintain the Buildings in accordance with the terms of this Agreement (the "Property Manager"); provided, however, that the hiring and termination of the Property Manager shall be subject to approval by Agency Executive Director, or his or her designee. The Agency has assigned to Nonprofit the management agreement which the Agency has entered with Jenkins Properties, and Nonprofit has assumed such management agreement or entered a new management agreement with Jenkins Properties. The fees payable to the Property Manager shall not exceed five percent (5%) of the gross rents of the Buildings. Nonprofit may not itself act as the Property Manager, nor may any of Nonprofit's directors or officers, or any entity with which they are affiliated, act as the Property Manager. Approval of the Property Manager by Agency shall not be unreasonably withheld. If, at any time, the Property Manager is not performing to the reasonable satisfaction of the Agency, the Agency may direct the Nonprofit to use its best efforts to correct any defects in management at the earliest feasible time and, if necessary, to replace the Property Manager prior to the elapsing of such time period. If the management defects identified by Agency have not been corrected within thirty (30) days after Agency's notice to Nonprofit, the Agency may in its sole discretion direct the Nonprofit to immediately terminate the Property Manager.

405. Reserve Accounts. The Nonprofit shall also, or cause the Property Manager to, annually set aside not less than Two Hundred Fifty Dollars ($250) per unit, per year, into a separate interest-bearing trust account (the "Capital Replacement Reserve"). Notwithstanding the foregoing,

however, no payments shall be made into the Capital Replacement Reserve which cause the balance thereof to exceed Fifty-Nine Thousand Dollars ($59,000), except that interest accruing on the Capital Reserve Account shall remain in such account until withdrawn for the purposes hereof. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Nonprofit of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Nonprofit, at its expense, shall submit to the City an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

406. Achievement Center. Nonprofit shall operate within the Buildings an educational center (the "Achievement Center") which provides an after-school educational services program to children in grades kindergarten through 12 who reside in the Buildings. The Achievement Center shall provide (i) learning enrichment services, including homework assistance, self-study and reading, (ii) mentoring opportunities, including formal mentor relationships and after-school learning sessions, and (iii) community service opportunities, including volunteer opportunities and neighborhood involvement.

The following services shall be provided by the Achievement Center on a daily basis:

(a) Enrollment of students, including recruitment, orientation, assessment, development of strategy, monitoring and reevaluation.

(b) Monitoring of individual student progress, including review of program performance, grade reports, parent and community feedback.

(c) Observation of student behavior in multiple settings, supplying intervention when necessary.

(d) Maintaining a comfortable, safe and positive environment for all students.

The Achievement Center shall provide opportunities for mentoring relationships to be developed and strengthened, including (i) recruiting, evaluating and selecting mentors, (ii) promoting cooperative relationships with other individuals, such as teachers, older students and community members, and (iii) providing opportunities for participation in special events.

The Achievement Center shall be administered by a full-time Achievement Center Director. The hiring and termination of the Achievement Center Director shall be subject to approval by the Agency Executive Director, or his or her designee.

Participation in the Achievement Center shall be limited to residents of the Buildings and residents of apartment complexes in the 100 block of West Elmwood Avenue with which the Agency has entered into affordable housing agreements.

407. Monitoring and Recordkeeping. Throughout the Affordability Period, Nonprofit shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to City a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to the Affordable Units, and to conduct an independent audit or inspection of such records. The Nonprofit agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Nonprofit's consent to such an inspection or audit, the Nonprofit understands and agrees that the Agency may obtain at Nonprofit's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Nonprofit agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

408. Nondiscrimination Covenants. The Nonprofit covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Nonprofit itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her,

establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

500. DEFAULTS AND REMEDIES

501. Default Remedies. Subject to the extensions of time set forth in Section 602 of this Agreement, failure by either party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such failure within thirty (30) days from receipt of such notice, or if the nature of such Default is such that more than thirty (30) days is reasonable required to cure such deficiency, if such party immediately, with due diligence, commences to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with diligence.

502. Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. Such actions shall be instituted in the Superior Court of State of California, Los Angeles County.

503. Acceptance of Service of Process. In the event that any legal action is commenced by the Nonprofit against the Agency, service of process on the Agency shall be made by personal service upon the Agency's Executive Director or in such other manner as may be provided by law. In the event that any legal action is commenced by the Agency against the Nonprofit, service of process on the Nonprofit shall be made by personal service in such manner as may be provided by law.

504. Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

505. Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

506. Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

507. Non-Liability of Officials and Employees of the Agency. No member, official or employee of the Agency or the City shall be personally liable to the Nonprofit, or any successor in interest, in the event of any Default or breach by the Agency (or the City) or for any amount which may become due to the Nonprofit or its successors, or on any obligations under the terms of this Agreement.

508. Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to damages, injunctive relief, or any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

600. GENERAL PROVISIONS

601. Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given by first class mail, postage prepaid, or reputable overnight delivery service, addressed to the party to whom the Notice is directed as set forth below, or at any other address as that party may later designate by Notice.

To Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Executive Director

To Nonprofit: Burbank Housing Corporation
153 West Elmwood Avenue
Burbank, California 91510
Attention: Judith S. Arandes, Executive Director

Any written notice, demand or communication shall be deemed received immediately if delivered by hand and shall be deemed received on the third day from the date it is postmarked if delivered by registered or certified mail.

602. Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to events which are outside of the reasonable control of the party claiming an extension, which may include, without limitation: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; acts or failures to act of the City or any other public or governmental agency or entity (other than the acts or failures to act

of the Agency which shall not excuse performance by the Agency); or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of Agency and Nonprofit.

603. Transfers of Interest in Property or Agreement.

603.1 Prohibition. The qualifications and identity of the Nonprofit are of particular concern to the Agency. It is because of those qualifications and identity that the Agency has entered into this Agreement with the Nonprofit. Accordingly, for the period commencing upon the date of this Agreement and throughout the Affordability Period, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under this Agreement, (b) nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property (collectively referred to herein as a "Transfer"), without the prior written approval of the Agency, except as expressly set forth herein.

603.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency approval of a Transfer shall not be required in connection with any of the following:

(a) The conveyance or dedication of any portion of the Property to the City or other appropriate governmental agency.

(b) Any lease of an apartment unit in the Property to individual tenants in the ordinary course of business.

603.3 Agency Consideration of Requested Transfer. The Agency agrees that it will not unreasonably withhold approval of a request for approval of a Transfer made pursuant to this Section 603, provided the Nonprofit delivers written notice to the Agency requesting such approval. Such notice shall be accompanied by evidence regarding the proposed transferee's qualifications and experience, and its financial commitments and resources, in sufficient detail to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 603 and as reasonably determined by the Agency. The Agency may, in considering any such request, take into consideration such factors as (i) the quality of any new and/or replacement owner, (ii) the transferee's past performance as owner and operator of affordable multifamily apartment complexes, (iii) the current financial condition of the transferee, and similar factors. The Agency agrees not to unreasonably withhold its approval of any such requested Transfer, taking into consideration the foregoing factors.

An assignment and assumption agreement in form satisfactory to the Agency's legal counsel shall also be required for all proposed Transfers. Within thirty (30) days after the receipt of the Nonprofit's written notice requesting Agency approval of a Transfer pursuant to this Section 603, the Agency shall either approve or disapprove such proposed assignment or shall respond in writing by stating what further information, if any, the Agency reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Nonprofit shall promptly furnish to the Agency such further information as may be reasonably requested.

603.4 Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon the Nonprofit and its permitted successors and assigns. Whenever the term "Nonprofit" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

603.5 Assignment by Agency. The Agency may assign or transfer any of its rights or obligations under this Agreement with the approval of the Nonprofit, which approval shall not be unreasonably withheld; provided, however, that the Agency may assign or transfer any of its interests hereunder to the City at any time without the consent of the Nonprofit.

604. Agency Approvals and Actions. The Agency shall maintain authority of this Agreement and the authority to implement this Agreement through the Agency's Executive Director (or his or her duly authorized representative). The Agency's Executive Director shall have the authority to make approvals, issue interpretations, execute documents, waive provisions, extend time periods, and/or enter into amendments of this Agreement on behalf of the Agency so long as such actions do not materially or substantially change the uses permitted on the Property, or add to the costs incurred or to be incurred by the Agency as specified herein. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and written consent of the Agency Board.

605. No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

606. Modifications. Any alteration, change or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

607. Severability. If any term, provision, condition or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

608. Time of Essence. Time is expressly made of the essence with respect to the performance by the Agency and the Nonprofit of each and every obligation and condition of this Agreement.

609. Cooperation. Each party agrees to cooperate with the other in this transaction and, in that regard, to sign any and all documents which may be reasonably necessary, helpful, or appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

IN WITNESS WHEREOF, the Agency and the Nonprofit have executed this Regulatory Agreement as of the date set forth above.

DEED OF TRUST WITH ASSIGNMENT OF RENTS
(SHORT FORM)

This **DEED OF TRUST WITH ASSIGNMENT OF RENTS** (this "Deed of Trust"), is made as of November 30, 1999, by the **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Trustor"), whose address is 153 West Elmwood Avenue, Burbank, California 91510, to Lawyers Title (and in such capacity herein called the "Trustee"), for the benefit of **THE REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (and in such capacity herein called the "Beneficiary"), having an office located at is 275 East Olive Avenue, Burbank, California 91510-6459.

WITNESSETH: that Trustor grants to Trustee in Trust, with Power of Sale, that property in the County of Los Angeles, State of California, described as:

See attached Exhibit A, incorporated herein

Together with the rents, issues and profits thereof, subject, however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the purpose of securing (1) payment of indebtedness in the principal amount of $2,800,000, according to the terms of a promissory note or notes of even date herewith made by Trustor, payable to order of Beneficiary, and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference or contained herein (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictitious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is entered into as of _____, 1999, by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Nonprofit").

RECITALS

The following recitals are a substantive part of this Agreement:

A. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost.

B. The City of Burbank (the "City") has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. § 12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower and very low income families.

C. The Agency has acquired and rehabilitated nine multifamily apartment complexes (the "Buildings") in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (collectively, the "Property"). The Property is further described in the Legal Description and depicted in the Map, which are both attached hereto and incorporated herein. A portion of the cost of acquisition of the Buildings was provided with funds from the Agency's Low and Moderate Income Housing Fund, and the remainder of the cost of acquisition of the Buildings was provided with HOME Program funds provided to the Agency by the City.

D. The Agency and the Nonprofit have entered into a "Lease" dated as of November 1, 1998, pursuant to which the Agency has leased all of the Property to Nonprofit, and the Nonprofit has subleased the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households. The term of the Lease ends on October 31, 1999.

E. The parties now desire for the Agency to sell the Property to the Nonprofit, and for the Nonprofit to agree to continue to lease the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households

F. The transaction contemplated by this Agreement is in the vital and best interest of the City and the health, safety and welfare of its residents, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

NOW, THEREFORE, the Agency and the Nonprofit hereby agree as follows:

100. DEFINITIONS

"Achievement Center" is defined in Section 406 hereof.

"Actual Knowledge" is defined in Section 208.1 hereof.

"Affordable Rent" is defined in Section 402.6 hereof.

"Agency" means the Redevelopment Agency of the City of Burbank, a public body, corporate and politic, exercising governmental functions and powers and organized and existing under Chapter 2 of the Community Redevelopment Law and any assignee of or successor to its rights, powers and responsibilities.

"Agency's Conditions Precedent" means the conditions precedent to the Closing to the benefit of the Agency, as set forth in Section 204.1 hereof.

"Agreement" means this Purchase and Sale Agreement between the Agency and the Nonprofit.

"Buildings" means those multifamily apartment complexes located on the Property.

"Capital Replacement Reserve" is defined in Section 405 hereof.

"City" means the City of Burbank, a California municipal corporation.

"Closing" means the close of Escrow for the Conveyance of the Property from the Agency to the Nonprofit, as set forth in Section 202 hereof.

"Closing Date" means the date of the Closing, as set forth in Section 202.4 hereof.

"Community Redevelopment Law" means California Health and Safety Code Section 33000, *et seq.* as the same now exist or may hereinafter be amended.

"Condition of Title" is defined in Section 203 hereof.

"Conveyance" means the conveyance of the Property by the Agency to the Nonprofit on the Closing Date.

"Corporation Expenses" shall mean the reasonable and necessary operating expenses of the Nonprofit, whether or not directly attributable to the rental and operation of the Buildings, including without limitation the cost of salaries, wages and other compensation of the executive director of the nonprofit and other employees, employee education, training and travel, rent, taxes, property, liability, automobile and directors' and officers' insurance, utilities, copying, postage and other communications costs, equipment, materials and supplies.

"County" means Los Angeles County.

"Date of Agreement" means the date set forth in the first paragraph hereof.

"Deed of Trust" means the short form Deed of Trust and Assignment of Rents to be executed by the Nonprofit in favor of the Agency and recorded as an encumbrance to the Property as security for the payment of amounts due under the Promissory Note, in the form of Attachment No. 5 which is incorporated herein.

"Default" means the failure of a party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and opportunity to cure, as set forth in Section 501 hereof.

"Eligible Persons" means any individual, partnership, corporation or association which qualifies as a "displaced person" pursuant to the definition provided in Government Code Section 7260(c) of the California Relocation Assistance Act of 1970, as amended, and any other applicable federal, state, or local regulations or laws.

"Environmental Reports" means the collective environmental investigations of the Property as reported in the Nonprofit's Environmental Report and any investigations conducted by or for the Agency performed pursuant to Section 207 hereof.

"Escrow" is defined in Section 202 hereof.

"Escrow Agent" is defined in Section 202 hereof.

"Exceptions" is defined in Section 203 hereof.

"Governmental Requirements" means all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the State, the County, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Nonprofit or the Property.

"Grant Deed" means the grant deed for the conveyance of the Property from the Agency to the Nonprofit, in the form of Attachment No. 3 hereto which is incorporated herein.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

"Income" means all gross income and all revenues of any kind from the Property in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

"Legal Description" means the description of the Property which is attached hereto as Attachment No. 2 and incorporated herein.

"Low and Moderate Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 120%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50093.

"Lower Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 80%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50079.5.

"Map" means the map of the Property which is attached hereto as Attachment No. 1 and incorporated herein.

"Net Profits" shall mean all gross income from the Buildings, including without limitation rents and interest on security deposits, less the sum of the Operating Expenses and Corporation Expenses.

"Nonprofit" means Burbank Housing Corporation, a California nonprofit corporation, and its successors and assigns.

"Nonprofit's Conditions Precedent" means the conditions precedent to the Closing to the benefit of the Nonprofit, as set forth in Section 205.2.

"Nonprofit's Environmental Consultant" means the environmental consultant which may be employed by the Nonprofit pursuant to Section 208.2 hereof.

"Nonprofit's Environmental Report" means the environmental investigation of the Property which may be conducted for the Nonprofit by Nonprofit's Environmental Consultant, as set forth in Section 208.2 hereof.

"Notice" shall mean a notice in the form prescribed by Section 601 hereof.

"Operating Expenses" shall mean actual, reasonable and customary (for comparable affordable housing projects in Los Angeles County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance, and management of the Property in a calendar year, including: (a) property management fee not greater than six percent (6%) of gross rents from the Property; (b) asset management fee not greater than two percent (2%) of gross rents from the Property; (c) payments to a capital replacement reserve account in an amount set forth in Section 405 of the Purchase Agreement; (d) painting, cleaning, repairs, alterations, landscaping, utilities, refuse removal, certificates, permits and licenses, sewer charges, real and personal property taxes, assessments, insurance, security, advertising and promotion, janitorial services not included in property management, cleaning and building supplies, purchase, repair, servicing and installation of

appliances, equipment, fixtures and furnishings, fees and expenses of accountants, attorneys and other professionals, (e) costs of operating the Achievement Center, which shall not exceed $62,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, (f) the Corporation Expenses, which shall not exceed $101,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, and (g) other actual, reasonable and customary operating costs and capital costs which are directly incurred and paid by the Nonprofit. The Operating Expenses shall not in any event include non-cash expenses, including without limitation, depreciation.

"Outside Date" shall mean the last date the Closing shall occur, as set forth in Section 202.4 hereof.

"Promissory Note" means the Promissory Note to be executed by the Nonprofit in favor of the Agency for the Purchase Price, in the form of Attachment No. 4 which is incorporated herein.

"Property" means that certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood. The Property is legally described in the Legal Description and depicted on the Map.

"Purchase Price" is defined in Section 201 hereof.

"RAP" is defined in Section 207.3 hereof.

"Remedial Work" is defined in Section 207.3 hereof.

"Rent" shall mean the total of monthly payments by the tenants of an apartment unit for use and occupancy for the unit and facilities associated therewith, including a reasonable allowance for utilities for an adequate level of service, as defined in 25 California Code of Regulations § 6918.

"Report" means the preliminary title report, as described in Section 203 hereof.

"Residual Receipts" means, for each calendar year during the term of the Promissory Note, the Income less the Operating Expenses.

"State" means the State of California.

"Threshold Amount" is defined in Section 207.3 hereof.

"Title Company" is defined in Section 202 hereof.

"Title Policy" is defined in Section 203 hereof.

"Transfer" is defined in Section 603.1 hereof.

"Very Low Income Household" shall mean a household earning not greater than fifty percent (50%) of Los Angeles County median income which is set forth from time to time by regulation of the United States Department of Housing and Urban Development.

200. CONVEYANCE OF THE PROPERTY

201. Disposition of Property. The Nonprofit agrees to purchase the Property from the Agency, and the Agency agrees to sell the Property to the Nonprofit, in accordance with and subject to all of the terms, covenants, and conditions of this Agreement, for the all-inclusive purchase price of Two Million Eight Hundred Thousand Dollars ($2,800,000) (the "Purchase Price"). Payment of the Purchase Price represents the agreed upon reuse value of the Property, at the use and with the covenants, conditions precedent, conditions subsequent and development costs authorized by this Agreement. The Purchase Price shall be payable by the Nonprofit's deposit into the Escrow of a promissory note in the full amount of the Purchase Price, in the form of Attachment No. 4 which is attached hereto and incorporated herein (the "Promissory Note"). The Promissory Note shall accrue no interest, and shall be payable in annual installments from the Residual Receipts of the Property, beginning April 1, 2001. The Operating Expenses, Income and Residual Receipts shall be reported to the Agency annually before April 1 of each year, accompanied by an annual financial statement with respect to the Property that has been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statement presents the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles, and that the payment made is the amount due under this Section 201. The Promissory Note shall be secured by the recordation in the official records of the County of a deed of trust in the form of Attachment No. 5 which is attached hereto and incorporated herein (the "Deed of Trust"). The Deed of Trust shall be prior and superior to all other liens and encumbrances upon the Property, except as otherwise approved by the Agency.

202. Escrow. The parties shall open escrow ("Escrow") with Galaxy Escrow at its office located at 325 North Victory Boulevard, Burbank, California, 91502, or another escrow company mutually satisfactory to both parties (the "Escrow Agent").

202.1 Costs of Escrow. Agency and Nonprofit shall pay their respective portions of the premium for the Title Policy as set forth in Section 204 hereof, the Agency shall pay for the documentary transfer taxes, if any, due with respect to the conveyance of the Property, and Nonprofit and Agency each agree to pay one-half of all other usual fees, charges, and costs which arise from Escrow.

202.2 Escrow Instructions. This Agreement constitutes the joint escrow instructions of Nonprofit and Agency, and the Escrow Agent to whom these instructions are delivered is hereby empowered to act under this Agreement. The parties hereto agree to do all acts reasonably necessary to close this Escrow in the shortest possible time. Insurance policies for fire or casualty are not to be transferred, and Agency will cancel its own policies after the Closing. All funds received in the Escrow shall be deposited with other escrow funds in a general escrow account(s) and may be transferred to any other such escrow trust account in any State or National Bank doing business in the State. All disbursements shall be made by check from such account. However, if Escrow does not close within one business day from deposit of the Purchase Price, the funds shall be deposited into an interest bearing account with such interest accruing to the benefit of the Nonprofit.

If in the opinion of either party it is necessary or convenient in order to accomplish the Closing of this transaction, such party may require that the parties sign supplemental escrow instructions; provided that if there is any inconsistency between this Agreement and the supplemental escrow instructions, then the provisions of this Agreement shall control. The parties agree to execute such other and further documents as may be reasonably necessary, helpful or appropriate to

effectuate the provisions of this Agreement. The Closing shall take place within thirty (30) days after the date when both the Agency's Conditions Precedent and the Nonprofit's Conditions Precedent as set forth in Section 205 have been satisfied or waived by the respective parties. Escrow Agent is instructed to release Agency's escrow closing statement to the Agency and Nonprofit's escrow closing statement to the Nonprofit.

202.3. Authority of Escrow Agent. Escrow Agent is authorized to, and shall:

(a) Pay and charge the Nonprofit and the Agency for their respective shares of the premium of the Title Policy and any endorsements thereto as set forth in Section 204 and any amount necessary to place title in the condition necessary to satisfy Section 203 of this Agreement.

(b) Pay and charge Nonprofit and Agency for their respective shares of any escrow fees, charges, and costs payable under Section 202.1 of this Agreement.

(c) Disburse funds, deliver the Promissory Note to the Agency and deliver and record the Grant Deed, the Deed of Trust and the Regulatory Agreement when both the Nonprofit's Conditions Precedent and the Agency's Conditions Precedent have been fulfilled or waived by Nonprofit and Agency.

(d) Do such other actions as necessary, including, without limitation, obtaining the Title Policy, to fulfill its obligations under this Agreement.

(e) Within the discretion of Escrow Agent, direct the Agency and the Nonprofit to execute and deliver any instrument, affidavit, and statement, and to perform any act reasonably necessary to comply with the provisions of FIRPTA and any similar state act and regulation promulgated thereunder. Agency agrees to execute a Certificate of Non-Foreign Status by individual transferor and/or a Certification of Compliance with Real Estate Reporting Requirement of the 1986 Tax Reform Act as may be required by Escrow Agent, on the form to be supplied by Escrow Agent.

(f) Prepare and file with all appropriate governmental or taxing authorities a uniform settlement statement, closing statement, tax withholding forms including an IRS 1099-S form, and be responsible for withholding taxes, if any such forms are provided for or required by law.

202.4 Closing. This transaction shall close (the "Closing") within thirty (30) days of the parties' satisfaction of all of Agency's and Nonprofit's Conditions Precedent to Closing as set forth in Section 205 hereof, but in no event later than April 1, 2000 (the "Outside Date"). The "Closing" shall mean the time and day the Grant Deed is filed for record with the County Recorder. The "Closing Date" shall mean the day on which the Closing occurs.

202.5 Termination. If (except for deposit of money by Nonprofit, which shall be made by Nonprofit before the Closing) Escrow is not in condition to close by the Outside Date, then either party which has fully performed under this Agreement may, in writing, demand the return of money or property and terminate the Escrow. If either party makes a written demand for return of documents or properties, the Escrow shall not terminate until five (5) days after Escrow Agent shall have delivered copies of such demand to all other parties at the respective addresses shown in this Agreement. If any objections are raised within said five (5) day period, Escrow Agent is authorized

to hold all papers and documents until instructed by a court of competent jurisdiction or by mutual written instructions of the parties. Nonprofit, however, shall have the sole option to withdraw any money deposited by it with respect to the Closing less Nonprofit's share of costs of Escrow. Termination of the Escrow shall be without prejudice as to whatever legal rights either party may have against the other arising from this Agreement. If no demands are made, the Escrow Agent shall proceed with the Closing as soon as possible.

202.6 Closing Procedure. Escrow Agent shall close Escrow for the Property as follows:

(a) Deliver the Promissory Note to the Agency;

(b) Record the Grant Deed, the Deed of Trust and the Regulatory Agreement;

(c) Instruct the Title Company to deliver the Title Policy to the Nonprofit and the Lender's Policy to the Agency;

(d) File any informational reports required by Internal Revenue Code Section 6045(e), as amended, and any other applicable requirements; and

(e) Deliver the FIRPTA Certificate, if any, to the Nonprofit; and

(f) Forward to both the Nonprofit and the Agency a separate accounting of all funds received and disbursed for each party and copies of all executed and recorded or filed documents deposited into Escrow, with such recording and filing date and information endorsed thereon.

203. Review of Title. The Agency shall cause Stuart Title Company, or another title company mutually agreeable to both parties (the "Title Company"), to deliver to Nonprofit a preliminary title report (the "Report") with respect to the title to the Property, together with legible copies of the documents underlying the exceptions ("Exceptions") set forth in the Report, within thirty (30) days from the date of this Agreement. The Nonprofit shall have the right to reasonably approve or disapprove the Exceptions; provided, however, that the Nonprofit hereby approves the lien of any non-delinquent property taxes and assessments (to be prorated at close of Escrow). Nonprofit shall have thirty (30) days from the date of its receipt of the Report to give written notice to Agency and Escrow Agent of Nonprofit's approval or disapproval of any of such Exceptions set forth in the Report. Nonprofit's failure to give written disapproval of the Report within such time limit shall be deemed approval of the Report. If Nonprofit notifies Agency of its disapproval of any Exceptions in the Report, Agency shall have the right, but not the obligation, to remove any disapproved Exceptions within thirty (30) days after receiving written notice of Nonprofit's disapproval or provide assurances satisfactory to Nonprofit that such Exception(s) will be removed on or before the Closing. If Agency cannot or does not elect to remove any of the disapproved Exceptions within that period, Nonprofit shall have fifteen (15) days after the expiration of such thirty (30) day period to either give the Agency written notice that Nonprofit elects to proceed with the purchase of the Property subject to the disapproved Exceptions or to give the Agency written notice that the Nonprofit elects to terminate this Agreement. The Exceptions to title approved by Nonprofit as provided herein shall hereinafter be referred to as the "Condition of Title." The Nonprofit shall have the right to approve or disapprove any further Exceptions reported by the Title Company after the Nonprofit has approved the Condition of Title for the Property (which are not

created by Nonprofit). The Agency shall not voluntarily create any new exceptions to title following the date of this Agreement.

204. Title Insurance. Concurrently with recordation of the Grant Deed conveying title to the Property, there shall be issued to Nonprofit a CLTA owner's policy of title insurance (the "Title Policy"), together with such endorsements as are reasonably requested by the Nonprofit, issued by the Title Company insuring that the title to the Property is vested in Nonprofit in the condition required by Section 203 of this Agreement. The Title Company shall provide the Agency with a copy of the Title Policy. The Title Policy shall be for the amount of the Purchase Price. The Agency agrees to remove on or before the Closing any deeds of trust or other monetary liens against the Property. The Agency shall pay that portion of the premium for the Title Policy equal to the cost of a CLTA standard coverage title policy in the amount of the Purchase Price. Any additional costs, including the incremental additional cost of an ALTA policy or any endorsements requested by the Nonprofit, shall be borne by the Nonprofit.

In addition to the foregoing, there shall be issued to the Agency a lender's policy of title insurance (the "Lender's Policy"), together with such endorsements as are reasonably requested by the Agency, issued by the Title Company insuring the first priority of the lien of the Deed of Trust. The Title Company shall provide the Nonprofit with a copy of the Lender's Policy. The Lender's Policy shall be for the amount of the Promissory Note. The Nonprofit shall pay the premium for the Lender's Policy. Any additional costs, including the cost of any endorsements requested by the Agency, shall be borne by the Agency.

205. Conditions of Closing. The Closing is conditioned upon the satisfaction of the following terms and conditions within the times designated below:

205.1 Agency's Conditions of Closing. Agency's obligation to proceed with the Closing of the Conveyance of the Property is subject to the fulfillment or waiver by Agency of each and all of the conditions precedent (a) through (d), inclusive, described below ("Agency's Conditions Precedent"), which are solely for the benefit of Agency, and which shall be fulfilled or waived by the time periods provided for herein:

(a) No Default. Prior to the Close of Escrow, Nonprofit shall not be in default in any of its obligations under the terms of this Agreement and all representations and warranties of Nonprofit contained herein shall be true and correct in all material respects.

(b) Execution of Documents. The Nonprofit shall have executed the Grant Deed, the Promissory Note, the Deed of Trust, the Regulatory Agreement and any other documents required hereunder and delivered such documents into Escrow.

(c) Payment of Funds. Prior to the Close of Escrow, Nonprofit shall have paid all required costs of Closing into Escrow in accordance with Section 202 hereof.

(d) Insurance. The Nonprofit shall have provided proof of insurance as required by Section 306 hereof.

205.2 Nonprofit's Conditions of Closing. Nonprofit's obligation to proceed with the purchase of the Property is subject to the fulfillment or waiver by Nonprofit of each and all of the conditions precedent (a) through (e), inclusive, described below ("Nonprofit's Conditions

Precedent"), which are solely for the benefit of Nonprofit, and which shall be fulfilled or waived by the time periods provided for herein:

(a) **No Default.** Prior to the Close of Escrow, Agency shall not be in default in any of its obligations under the terms of this Agreement and all representations and warranties of Agency contained herein shall be true and correct in all material respects.

(b) **Execution of Documents.** The Agency shall have executed the Grant Deed, the Regulatory Agreement and any other documents required hereunder, and delivered such documents into Escrow.

(c) **Review and Approval of Title.** Nonprofit shall have reviewed and approved the condition of title of the Property, as provided in Section 203 hereof.

(d) **Review and Approval of Environmental Condition of Property.** Nonprofit shall have reviewed and approved the environmental condition of the Property, as provided in Section 208 hereof.

(e) **Title Policy.** The Title Company shall, upon payment of Title Company's regularly scheduled premium, have agreed to provide to the Nonprofit the Title Policy for the Property upon the Close of Escrow, in accordance with Section 204 hereof.

206. Representations and Warranties.

206.1 Agency Representations. Agency represents and warrants to Nonprofit as follows:

(a) **Authority.** Agency is a public body, corporate and politic, existing pursuant to the Community Redevelopment Law, which has been authorized to transact business pursuant to action of the City. Agency has full right, power and lawful authority to grant, sell and convey the Property as provided herein, and the execution, performance and delivery of this Agreement by Agency has been fully authorized by all requisite actions on the part of the Agency.

(b) **FIRPTA.** The Agency is not a "foreign person" within the parameters of FIRPTA or any similar state statute, or is exempt from the provisions of FIRPTA or any similar state statute, or that the Agency has complied and will comply with all the requirements under FIRPTA or any similar state statute.

(c) **No Conflict.** To the best of Agency's knowledge, Agency's execution, delivery and performance of its obligations under this Agreement will not constitute a default or a breach under any contract, agreement or order to which Agency is a party or by which it is bound.

(d) **Litigation.** There are no claims, causes of action or other litigation or proceedings pending or, to the Best Knowledge of the Agency, threatened with respect to the ownership, operation or environmental condition of the Property or any part thereof (including disputes with mortgagees, governmental authorities, utility companies, contractors, adjoining landowners or suppliers of goods and services).

(e) **Violation.** To the Best Knowledge of the Agency, there are no violations of any health, safety, pollution, zoning or other laws, ordinances, rules or regulations with

respect to the Property, which have not heretofore been entirely corrected. In the event Agency has actual knowledge of any such violations, Agency shall (i) immediately provide Nonprofit with copies of all documents evidencing such violation, and (ii) cure such violation prior to Closing.

(f) **No Proffers.** Agency has not made, and prior to the Closing Date will not make, any commitments to any governmental authorities, utility company, school board, church or other religious body, or any homeowner or homeowner's association, or to any other organization, group or individual, relating to the Property which would impose any obligation on the Nonprofit, or its successors or assigns, after the Closing Date to make any contributions of money, dedications of land or grant of easements or rights of way, or to construct, install or maintain any improvements of a public or private nature on or off the Property, without the approval of the Nonprofit.

Until the Closing, the Agency shall, upon learning of any fact or condition which would cause any of the warranties and representations in this Section 206.1 not to be true as of the Closing, immediately give written notice of such fact or condition to the Nonprofit. Such exception(s) to a representation shall not be deemed a breach by the Agency hereunder, but shall constitute an exception which the Nonprofit shall have a right to approve or disapprove if such exception would have an effect on the value and/or development of the Property. If the Nonprofit elects to close Escrow following disclosure of such information, Agency's representations and warranties contained herein shall be deemed to have been made as of the Closing, subject to such exception(s). If, following the disclosure of such information, the Nonprofit elects to not close Escrow, then this Agreement and the Escrow shall automatically terminate, and neither party shall have any further rights, obligations or liabilities hereunder. The representations and warranties set forth in this Section 206.1 shall survive the Closing.

206.2 **Nonprofit's Representations.** The Nonprofit represents and warrants to Agency as follows:

(a) **Authority.** Nonprofit is a duly organized nonprofit corporation incorporated within and in good standing under the laws of the State of California. The copies of the documents evidencing the organization of the Nonprofit which have been delivered to the Agency are true and complete copies of the originals, as amended to the date of this Agreement. The Nonprofit has full right, power and lawful authority to purchase and accept the conveyance of the Property and undertake all obligations as provided herein and the execution, performance and delivery of this Agreement by Nonprofit has been fully authorized by all requisite actions on the part of the Nonprofit.

(b) **No Conflict.** To the best of Nonprofit's knowledge, Nonprofit's execution, delivery and performance of its obligations under this Agreement will not constitute a default or a breach under any contract, agreement or order to which the Nonprofit is a party or by which it is bound.

(c) **No Nonprofit Bankruptcy.** The Nonprofit is not the subject of a bankruptcy proceeding.

Until the Closing, the Nonprofit shall, upon learning of any fact or condition which would cause any of the warranties and representations in this Section 206.2 not to be true as of the Closing, immediately give written notice of such fact or condition to the Agency. Such exception(s) to a representation shall not be deemed a breach by the Nonprofit hereunder, but shall constitute an

exception which Agency shall have a right to approve or disapprove if such exception would have an effect on the value and/or development of the Property. If the Agency elects to close Escrow following disclosure of such information, Nonprofit's representations and warranties contained herein shall be deemed to have been made as of the Closing, subject to such exception(s). If, following the disclosure of such information, the Agency elects to not close Escrow, then this Agreement and the Escrow shall automatically terminate, and neither party shall have any further rights, obligations or liabilities hereunder. The representations and warranties set forth in this Section 206.2 shall survive the Closing.

207. Studies and Reports. Prior to the Closing, representatives of the Nonprofit shall have the right of access to all portions of the Property for the purpose of obtaining data and making surveys and tests necessary to carry out this Agreement, including the investigation of the soils and environmental condition of the Property pursuant to Section 208 hereof. Any preliminary work undertaken on the Property by Nonprofit prior to the Closing shall be done at the sole expense of the Nonprofit, and following the Nonprofit's execution of a right of entry agreement to be provided by the Agency. Any preliminary work shall be undertaken only after securing any necessary permits from the appropriate governmental agencies.

208. Condition of the Property.

208.1 Disclosure. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Landlords must, before renting pre-1978 housing, disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a Federally approved pamphlet on lead poisoning prevention. The Agency has undertaken a program to abate lead-based paint which existed in the Buildings, some of which was removed and some of which was encapsulated and allowed to remain in place in the Buildings. The Agency has made available to the Nonprofit all of the reports and records which it has commissioned pertaining to lead-based paint and/or lead-based paint hazards in the Buildings, and Nonprofit acknowledges receipt thereof. However, the Agency believes that the Buildings were constructed prior to 1978, and, therefore, may contain lead-based paint. Nonprofit shall provide to its tenants all disclosures required by applicable law with respect to lead paint exposure.

Agency hereby represents that to the best of its knowledge, except for the foregoing, it is not aware of and has not received any notice or communication from any government agency having jurisdiction over the Property notifying Agency of the presence of surface or subsurface zone Hazardous Materials in, on, or under the Property, or any portion thereof, except as may be set forth in the environmental reports which the Agency has submitted to the Nonprofit prior to the date of this Agreement. "Best knowledge," as used herein, shall not impose a duty of investigation, and shall be limited to the actual knowledge of Agency employees and agents who manage the Property or have participated in the preparation of this Agreement, and all documents and materials in the possession of Agency and City.

208.2 Investigation of Property. The Nonprofit shall have the right, at its sole cost and expense, to engage its own environmental consultant (the "Nonprofit's Environmental Consultant") to make such investigations as Nonprofit deems necessary, including any "Phase 1" and/or "Phase 2" investigations of the Property, and the Agency shall promptly be provided a copy of all reports and test results provided by the Nonprofit's Environmental Consultant (the "Nonprofit's Environmental Report").

208.3 Remediation of Property. If either the Nonprofit or the Agency, based upon the above Environmental Reports, reasonably believes that Hazardous Substances are present on the Property, then either party may terminate this Agreement by Notice to the other party; provided, however, that if the other party, at its option, agrees in writing to perform the remediation of the Property at its expense, such termination shall be ineffective. The party agreeing to perform the remediation shall deliver to the other party a proposed remedial action plan ("RAP"), which RAP shall be approved by all applicable public agencies asserting jurisdiction over the remedial work to be performed pursuant to the RAP (the "Remedial Work"). The Remedial Work shall be diligently and continuously performed in accordance with applicable Governmental Requirements. In the event a party has elected to remediate the Property, such party's compliance with the provisions of this Section 208.3, and the issuance of closure letters without any requirement of further remedial work by all governmental agencies which have asserted jurisdiction over the remediation of the Property, shall each be a Condition Precedent to the Closing.

208.4 Nonprofit Precautions After Closing. Upon the Closing, the Nonprofit shall use commercially reasonable efforts to prevent the release into the environment of any Hazardous Materials which are located in, on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials.

208.5 Required Disclosures After Closing. After the Closing, the Nonprofit shall notify the Agency, and provide to the Agency a copy or copies, of all environmental permits, disclosures, applications, entitlements or inquiries relating to the Property, including notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks. Upon request, the Nonprofit shall furnish to the Agency a copy or copies of any and all other environmental entitlements or inquiries relating to or affecting the Property including, but not limited to, all permit applications, permits and reports including, without limitation, those reports and other matters which may be characterized as confidential.

208.6 Nonprofit Indemnity. Upon the Closing, Nonprofit agrees to indemnify, defend and hold Agency and the City and their respective officers, employees, agents, representatives and volunteers harmless from and against any claim, action, suit, proceeding, damage, liability, deficiency, fine, penalty, or punitive damage (including, without limitation, reasonable attorneys' fees), resulting from, arising out of, or based upon (i) the presence, release, use, generation, discharge, storage or disposal of any Hazardous Materials on, under, in or about, or the transportation of any such Hazardous Materials to or from, the Property which occurs after the Closing, or (ii) the violation, or alleged violation, of any statute, ordinance, order, rule, regulation, permit, judgment or license relating to the use, generation, release, discharge, storage, disposal or transportation of Hazardous Materials on, under, in or about, to or from, the Site which occurs after the Closing. At the request of the Nonprofit, the Agency shall cooperate with and assist the Nonprofit in its defense of any such claim, action, suit, proceeding, loss, cost, damage, liability, deficiency, fine, penalty, punitive damage, or expense; provided that the Agency shall not be obligated to incur any expense in connection with such cooperation or assistance.

300. OPERATION OF THE PROPERTY

301. Insurance Requirements. The Nonprofit shall take out and maintain or shall cause

its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Nonprofit shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Nonprofit or its contractors, subcontractors, agents or employees with respect to the Property. All policies shall protect the Nonprofit, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. The Nonprofit shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Nonprofit and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Nonprofit shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Nonprofit shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Nonprofit at the time set forth therefor in the Schedule of Performance. Nonprofit shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

302. Indemnity. The Nonprofit shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Nonprofit under this Agreement, whether such activities or performance thereof be by the Nonprofit or by anyone directly or indirectly employed or contracted with by the Nonprofit and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Nonprofit shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

303. Rights of Access. Representatives of the Agency shall have the right to inspect the Property so long as Agency representatives comply with all safety rules.

304. Compliance With Laws. The Nonprofit shall carry out the operation of the Property in conformity with all applicable laws, including all applicable City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City's

Municipal Code. A portion of the financing for the acquisition of the Buildings has been provided through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, pursuant to the implementing regulations set forth at 24 CFR 92 (the "HOME Program"). Accordingly, the Nonprofit shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Upon request, the Agency shall provide to the Nonprofit a copy of applicable HOME Program requirements.

305. Financing of the Acquisition of the Property. The financing for the acquisition of the Property shall be provided through the Agency's loan of the Purchase Price pursuant to Section 201 hereof. The Nonprofit shall not enter into any other conveyance for financing without the prior written approval of the Agency.

400. COVENANTS AND RESTRICTIONS

401. Use in Accordance with Redevelopment Plan. The Nonprofit covenants and agrees for itself, its successors, assigns, and every successor in interest to the Property or any part thereof, that upon the Closing and during the Affordability Period, the Nonprofit shall devote the Property to the uses specified in the Redevelopment Plan and this Agreement for the periods of time specified therein. All uses conducted on the Property, including, without limitation, all activities undertaken by the Nonprofit pursuant to this Agreement, shall conform to the Redevelopment Plan and all applicable provisions of the City Municipal Code.

402. Affordable Housing Requirements.

402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent nineteen (19) of the apartment units in the Buildings to Very Low Income Households, twenty (20) of the apartment units in the Buildings to Lower Income Households, and twenty (20) of the apartment units in the Buildings to Low- and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof. A summary of the affordable housing requirements of this Section 402 is attached hereto as Attachment No. 6, which is attached hereto and incorporated herein.

402.2 Lease Requirements. Prior to rental of any of the apartment units in the Buildings to new tenants, Nonprofit shall submit a standard lease form to the Agency for Agency's approval. Each such lease shall contain a waiver of relocation rights and benefits in a form which is reasonably acceptable to the Agency. The Agency shall approve such lease form upon finding that such lease form is consistent with this Lease and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Nonprofit shall enter into a lease, in the form approved by the Agency, with each new tenant of an apartment unit within the Buildings, and each existing tenant whose existing lease has expired. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

402.3 Duration of Affordability Requirements. The Buildings shall be subject to the requirements of this Section 402 in perpetuity commencing upon the Closing. The duration of this requirement shall be known as the "Affordability Period."

402.4 Selection of Tenants. Each apartment unit in the Buildings shall be leased to tenants selected by the Nonprofit who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the apartment units in the Buildings by providing to the Nonprofit names of persons who have expressed interest in renting such units. The Nonprofit

shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The tenant selection system shall include, without limitation, a method for investigation of the credit history of proposed tenants through obtaining a credit report on the proposed tenant. Highest priority in the selection of tenants shall be given to those applicants who have been displaced by Agency projects, if any. The Nonprofit shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

402.5 Income of Tenants. Prior to the rental or lease of any apartment unit in the Buildings to a tenant, and annually thereafter, the Nonprofit shall obtain an income certification from the tenant of each apartment unit. The Nonprofit shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain a credit report from a commercial credit reporting agency.

f. obtain an alternate form of income verification reasonably requested by the Nonprofit, if none of the above forms of verification is available to the Nonprofit.

A person or family who at the time of income certification qualified as a Very Low, Lower or Low- and Moderate Income Household, as applicable, shall continue to be deemed so qualified, until such time as the person or family's income is redetermined and the person or family is determined by the Nonprofit to no longer be so qualified, even if such person or family's income has subsequently increased to an amount above the applicable income level. Upon the Nonprofit's determination that the tenant is no longer qualified as either a Very Low, Lower or Low- and Moderate Income Household, such tenant's monthly rent, instead of the amount set forth in Section 402.6 hereof, shall be adjusted to the lesser of thirty percent of the tenant's monthly income or fair market rent, as reasonably determined by the Agency and the Nonprofit. In addition, the Nonprofit shall annually submit to the Agency, prior to July 15 each year, a certification of the number of apartment units in the Buildings actually occupied by Very Low, Lower and Low- and Moderate-Income Households in such form as may be provided by the Agency.

402.6 Determination of Affordable Rent. Each apartment unit in the Buildings shall be rented at an "Affordable Rent" to be established by the Agency as provided herein. The maximum monthly rental amount for the apartment units within the Buildings shall be established by

the Agency on an annual basis by written notice to the Nonprofit, upon publication of annual median income limits by the United States Department of Housing and Urban Development and the California Department of Housing and Community Development, at the following amounts:

a. For Very Low Income Households: the lesser of (a) One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County median income for a household size appropriate for the unit, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. For Lower Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County median income for a household size appropriate for the unit.

c. For Low and Moderate Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County median income for a household size appropriate for the unit.

Household size appropriate to the unit shall mean one person for a studio apartment unit, two persons for a one bedroom apartment unit, three persons for a two bedroom apartment unit, four persons for a three bedroom apartment unit, and five persons for a four bedroom apartment unit. The rents of the apartment units in the Buildings may be increased simultaneously, once per year, regardless of when particular tenants commenced occupancy of their units. The maximum monthly rental amount for apartment units in the Buildings shall include a reasonable utilities allowance to be determined by the Agency, which utilities allowance shall be set at an amount which will cover the projected charge for all utilities (whether paid for by Nonprofit or paid directly by the individual tenant), including gas and electrical service, water, sewer and garbage collection, but excluding telephone service and cable television. The Agency may in its discretion base the utilities allowance on a utilities allowance adopted by the Los Angeles County Housing Authority, or established in connection with the Section 8 program administered by the United States Department of Housing and Urban Development. Upon the approval of the Agency, rents may be established at amounts which are lower than the maximum monthly rental amounts set forth above. The current maximum rents allowable under this Section 402.6 are set forth in Attachment No. 6.

402.7 Occupancy Standards. Occupancy of studio apartment units shall be limited to three persons, occupancy of one bedroom apartment units shall be limited to four persons, occupancy of two bedroom apartment units shall be limited to six persons, occupancy of three bedroom apartment units shall be limited to eight persons, and occupancy of four bedroom apartment units shall be limited to ten persons.

402.8 Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

402.9 Property Tax Exemption. The Nonprofit shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency does not represent or warrant to the Nonprofit that such an exemption will be available to the Nonprofit.

403. Maintenance Covenants. The Nonprofit shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. None of the apartment units on the Property shall at any time be utilized on a transient basis nor shall the Property or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home, or be converted to condominium ownership. If at any time Nonprofit fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Buildings and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Nonprofit to the Agency upon demand.

404. Management. Nonprofit shall manage or cause the Buildings to be managed in a prudent and business-like manner, consistent with first-class multifamily rental housing in Los Angeles County, California, and in accordance with the operating budget for the Buildings which has been approved by the Agency. Nonprofit may contract with a management company or manager to operate and maintain the Buildings in accordance with the terms of this Agreement (the "Property Manager"); provided, however, that the hiring and termination of the Property Manager shall be subject to approval by Agency Executive Director, or his or her designee. The Agency has assigned to Nonprofit the management agreement which the Agency has entered with Jenkins Properties, and Nonprofit has assumed such management agreement or entered a new management agreement with Jenkins Properties. The fees payable to the Property Manager shall not exceed six percent (6%) of the gross rents of the Buildings. Nonprofit may not itself act as the Property Manager, nor may any of Nonprofit's directors or officers, or any entity with which they are affiliated, act as the Property Manager. Approval of the Property Manager by Agency shall not be unreasonably withheld. If, at any time, the Property Manager is not performing to the reasonable satisfaction of the Agency, the Agency may direct the Nonprofit to use its best efforts to correct any defects in management at the earliest feasible time and, if necessary, to replace the Property Manager prior to the elapsing of such time period. If the management defects identified by Agency have not been corrected within thirty (30) days after Agency's notice to Nonprofit, the Agency may in its sole discretion direct the Nonprofit to immediately terminate the Property Manager.

405. Reserve Accounts. The Nonprofit shall also, or cause the Property Manager to, annually set aside not less than Two Hundred Fifty Dollars ($250) per unit, per year, into a separate interest-bearing trust account (the "Capital Replacement Reserve"). Notwithstanding the foregoing, however, no payments shall be made into the Capital Replacement Reserve which cause the balance thereof to exceed Fifty-Nine Thousand Dollars ($59,000), except that interest accruing on the Capital Reserve Account shall remain in such account until withdrawn for the purposes hereof. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Nonprofit of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Nonprofit, at its

expense, shall submit to the City an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

406. Achievement Center. Nonprofit shall operate within the Buildings an educational center (the "Achievement Center") which provides an after-school educational services program to children in grades kindergarten through 12 who reside in the Buildings. The Achievement Center shall provide (i) learning enrichment services, including homework assistance, self-study and reading, (ii) mentoring opportunities, including formal mentor relationships and after-school learning sessions, and (iii) community service opportunities, including volunteer opportunities and neighborhood involvement.

The following services shall be provided by the Achievement Center on a daily basis:

(a) Enrollment of students, including recruitment, orientation, assessment, development of strategy, monitoring and reevaluation.

(b) Monitoring of individual student progress, including review of program performance, grade reports, parent and community feedback.

(c) Observation of student behavior in multiple settings, supplying intervention when necessary.

(d) Maintaining a comfortable, safe and positive environment for all students.

The Achievement Center shall provide opportunities for mentoring relationships to be developed and strengthened, including (i) recruiting, evaluating and selecting mentors, (ii) promoting cooperative relationships with other individuals, such as teachers, older students and community members, and (iii) providing opportunities for participation in special events.

The Achievement Center shall be administered by a full-time Achievement Center Director. The hiring and termination of the Achievement Center Director shall be subject to approval by the Agency Executive Director, or his or her designee.

Participation in the Achievement Center shall be limited to residents of the Buildings and residents of apartment complexes in the 100 block of West Elmwood Avenue with which the Agency has entered into affordable housing agreements.

407. Monitoring and Recordkeeping. Throughout the Affordability Period, Nonprofit shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to City a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with

respect to the Affordable Units, and to conduct an independent audit or inspection of such records. The Nonprofit agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Nonprofit's consent to such an inspection or audit, the Nonprofit understands and agrees that the Agency may obtain at Nonprofit's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Nonprofit agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

408. Nondiscrimination Covenants. The Nonprofit covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Nonprofit itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

(a) **In deeds:** "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

(b) **In leases:** "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

> "That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

(c) **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or

enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

409. Regulatory Agreement. The requirements of this Agreement which are applicable after the Closing are set forth in the "Regulatory Agreement" which is attached hereto as Attachment No. 7 and incorporated herein by reference. The execution and recordation of the Regulatory Agreement as an encumbrance to the Property is a condition precedent to the Closing, as set forth in Section 205 hereof.

500. DEFAULTS AND REMEDIES

501. Default Remedies. Subject to the extensions of time set forth in Section 602 of this Agreement, failure by either party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such failure within thirty (30) days from receipt of such notice, or if the nature of such Default is such that more than thirty (30) days is reasonable required to cure such deficiency, if such party immediately, with due diligence, commences to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with diligence.

502. Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. Such actions shall be instituted in the Superior Court of State of California, Los Angeles County.

503. Termination by the Nonprofit Prior to the Conveyance. In the event that prior to the Conveyance the Nonprofit is not in default under this Agreement and (a) the Agency does not tender title to the Property pursuant to the Grant Deed in the manner and condition and by the date provided in this Agreement, or (b) one or more of the Nonprofit's Conditions Precedent to the Closing is not fulfilled on or before the time set forth in the Schedule of Performance, or (c) any default of the Agency prior to the Closing is not cured within the time set forth in Section 501 hereof, after written demand by the Nonprofit, or (d) the Nonprofit timely disapproves the environmental condition of the Property pursuant to Section 207 hereof, then this Agreement may, at the option of the Nonprofit, be terminated by written Notice thereof to the Agency. From the date of the written Notice of termination of this Agreement by the Nonprofit to the Agency and thereafter this Agreement shall be deemed terminated, and there shall be no further rights or obligations between the parties with respect to the Property by virtue of or with respect to this Agreement.

504. Termination by the Agency Prior to the Conveyance. In the event that prior to the Conveyance the Agency is not in Default under this Agreement and (a) one or more of the Agency's Conditions Precedent to the Closing is not fulfilled on or before the time set forth in the Schedule of Performance; or (b) the Nonprofit is otherwise in default of this Agreement and fails to cure such default within the time set forth in Section 501 hereof; then this Agreement and any rights of the

Nonprofit or any assignee or transferee with respect to or arising out of the Agreement or the Property, shall, at the option of the Agency, be terminated by the Agency by written Notice thereof to the Nonprofit. From the date of the written Notice of termination of this Agreement by the Agency to the Nonprofit and thereafter this Agreement shall be deemed terminated, and there shall be no further rights or obligations between the parties pursuant to this Agreement.

505. Acceptance of Service of Process. In the event that any legal action is commenced by the Nonprofit against the Agency, service of process on the Agency shall be made by personal service upon the Agency's Executive Director or in such other manner as may be provided by law. In the event that any legal action is commenced by the Agency against the Nonprofit, service of process on the Nonprofit shall be made by personal service in such manner as may be provided by law.

506. Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

507. Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

508. Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

509. Non-Liability of Officials and Employees of the Agency. No member, official or employee of the Agency or the City shall be personally liable to the Nonprofit, or any successor in interest, in the event of any Default or breach by the Agency (or the City) or for any amount which may become due to the Nonprofit or its successors, or on any obligations under the terms of this Agreement.

510. Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to damages, injunctive relief, or any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

600. GENERAL PROVISIONS

601. Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given by first class mail, postage prepaid, or reputable overnight delivery service, addressed to the party to whom the Notice is directed as set forth below, or at any other address as that party may later designate by Notice.

To Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Executive Director

To Nonprofit: Burbank Housing Corporation
153 West Elmwood Avenue
Burbank, California 91510
Attention: Judith S. Arandes, Executive Director

Any written notice, demand or communication shall be deemed received immediately if delivered by hand and shall be deemed received on the third day from the date it is postmarked if delivered by registered or certified mail.

602. Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to events which are outside of the reasonable control of the party claiming an extension, which may include, without limitation: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; acts or failures to act of the City or any other public or governmental agency or entity (other than the acts or failures to act of the Agency which shall not excuse performance by the Agency); or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of Agency and Nonprofit.

603. Transfers of Interest in Property or Agreement.

603.1 Prohibition. The qualifications and identity of the Nonprofit are of particular concern to the Agency. It is because of those qualifications and identity that the Agency has entered into this Agreement with the Nonprofit. Accordingly, for the period commencing upon the date of this Agreement and throughout the Affordability Period, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under this Agreement, (b) nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property (collectively referred to herein as a "Transfer"), without the prior written approval of the Agency, except as expressly set forth herein.

603.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency approval of a Transfer shall not be required in connection with any of the following:

(a) The conveyance or dedication of any portion of the Property to the City or other appropriate governmental agency.

(b) Any lease of an apartment unit in the Property to individual tenants in the ordinary course of business.

603.3 Agency Consideration of Requested Transfer. The Agency agrees that it will not unreasonably withhold approval of a request for approval of a Transfer made pursuant to this Section 603, provided the Nonprofit delivers written notice to the Agency requesting such approval. Such notice shall be accompanied by evidence regarding the proposed transferee's qualifications and experience, and its financial commitments and resources, in sufficient detail to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 603 and as reasonably determined by the Agency. The Agency may, in considering any such request, take into consideration such factors as (i) the quality of any new and/or replacement owner, (ii) the transferee's past performance as owner and operator of affordable multifamily apartment complexes, (iii) the current financial condition of the transferee, and similar factors. The Agency agrees not to unreasonably withhold its approval of any such requested Transfer, taking into consideration the foregoing factors.

An assignment and assumption agreement in form satisfactory to the Agency's legal counsel shall also be required for all proposed Transfers. Within thirty (30) days after the receipt of the Nonprofit's written notice requesting Agency approval of a Transfer pursuant to this Section 603, the Agency shall either approve or disapprove such proposed assignment or shall respond in writing by stating what further information, if any, the Agency reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Nonprofit shall promptly furnish to the Agency such further information as may be reasonably requested.

603.4 Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon the Nonprofit and its permitted successors and assigns. Whenever the term "Nonprofit" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

603.5 Assignment by Agency. The Agency may assign or transfer any of its rights or obligations under this Agreement with the approval of the Nonprofit, which approval shall not be unreasonably withheld; provided, however, that the Agency may assign or transfer any of its interests hereunder to the City at any time without the consent of the Nonprofit.

604. Relationship Between Agency and Nonprofit. It is hereby acknowledged that the relationship between the Agency and the Nonprofit is not that of a partnership or joint venture and that the Agency and the Nonprofit shall not be deemed or construed for any purpose to be the agent of the other. Accordingly, except as expressly provided herein or in the Attachments hereto, the Agency shall have no rights, powers, duties or obligations with respect to the development, operation, maintenance or management of the Improvements.

605. Agency Approvals and Actions. The Agency shall maintain authority of this Agreement and the authority to implement this Agreement through the Agency's Executive Director (or his or her duly authorized representative). The Agency's Executive Director shall have the authority to make approvals, issue interpretations, execute documents, waive provisions, extend time periods, and/or enter into amendments of this Agreement on behalf of the Agency so long as such actions do not materially or substantially change the uses permitted on the Property, or add to the costs incurred or to be incurred by the Agency as specified herein. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and

written consent of the Agency Board.

606. Counterparts. This Agreement may be signed in multiple counterparts which, when signed by all parties, shall constitute a binding agreement. This Agreement is executed in three (3) originals, each of which is deemed to be an original.

607. Integration. This Agreement contains the entire understanding between the parties relating to the transaction contemplated by this Agreement, notwithstanding any previous negotiations or agreements between the parties or their predecessors in interest with respect to all or any part of the subject matter hereof. All prior or contemporaneous agreements, understandings, representations and statements, oral or written, are merged in this Agreement and shall be of no further force or effect; provided, however, the term of the Lease shall remain in effect until the first to occur of the Closing or the termination of this Agreement. Each party is entering this Agreement based solely upon the representations set forth herein and upon each party's own independent investigation of any and all facts such party deems material. This Agreement includes Attachment Nos. 1 through 6, which are incorporated herein.

608. Real Estate Brokerage Commission. Each of the Agency and the Nonprofit represents to the other party that it has not engaged the services of any finder or broker and that it is not liable for any real estate commissions, broker's fees, or finder's fees which may accrue by means of the acquisition of all or part of the Property, and agrees to hold harmless the other party from such commissions or fees as are alleged to be due from the party making such representations.

609. Titles and Captions. Titles and captions are for convenience of reference only and do not define, describe or limit the scope or the intent of this Agreement or of any of its terms. Reference to section numbers are to sections in this Agreement, unless expressly stated otherwise.

610. Interpretation. As used in this Agreement, masculine, feminine or neuter gender and the singular or plural number shall each be deemed to include the others where and when the context so dictates. The word "including" shall be construed as if followed by the words "without limitation." This Agreement shall be interpreted as though prepared jointly by both parties.

611. No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

612. Modifications. Any alteration, change or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

613. Severability. If any term, provision, condition or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

614. Computation of Time. The time in which any act is to be done under this Agreement is computed by excluding the first day (such as the day escrow opens), and including the last day, unless the last day is a holiday or Saturday or Sunday, and then that day is also excluded.

The term "holiday" shall mean all holidays as specified in Section 6700 and 6701 of the California Government Code. If any act is to be done by a particular time during a day, that time shall be Pacific Time Zone time.

615. **Legal Advice.** Each party represents and warrants to the other the following: they have carefully read this Agreement, and in signing this Agreement, they do so with full knowledge of any right which they may have; they have received independent legal advice from their respective legal counsel as to the matters set forth in this Agreement, or have knowingly chosen not to consult legal counsel as to the matters set forth in this Agreement; and, they have freely signed this Agreement without any reliance upon any agreement, promise, statement or representation by or on behalf of the other party, or their respective agents, employees, or attorneys, except as specifically set forth in this Agreement, and without duress or coercion, whether economic or otherwise.

616. **Time of Essence.** Time is expressly made of the essence with respect to the performance by the Agency and the Nonprofit of each and every obligation and condition of this Agreement.

617. **Cooperation.** Each party agrees to cooperate with the other in this transaction and, in that regard, to sign any and all documents which may be reasonably necessary, helpful, or appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

618. **Conflicts of Interest.** No member, official or employee of the Agency shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested.

619. **Time for Acceptance of Agreement by Agency.** This Agreement, when executed by the Nonprofit and delivered to the Agency, must be authorized, executed and delivered by the

Agency on or before thirty (30) days after signing and delivery of this Agreement by the Nonprofit or this Agreement shall be void, except to the extent that the Nonprofit shall consent in writing to a further extension of time for the authorization, execution and delivery of this Agreement.

IN WITNESS WHEREOF, the Agency and the Nonprofit have executed this Purchase and Sale Agreement as of the date set forth above.

GRANT DEED

For valuable consideration, receipt of which is hereby acknowledged,

The **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), hereby grants to **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Nonprofit"), the real property hereinafter referred to as the "Property," described in Exhibit A attached hereto and incorporated herein, subject to the existing easements, restrictions and covenants of record described there.

1. **Conveyance in Accordance with Purchase and Sale Agreement.** The Property is conveyed in accordance with and subject to the Purchase and Sale Agreement entered into between Agency and Nonprofit dated _____, 1999 (the "Purchase Agreement"), a copy of which is on file with the Agency at its offices as a public record and which is incorporated herein by reference. All terms used herein shall have the same meaning as those used in the Purchase Agreement.

2. **Permitted Uses.** The Nonprofit covenants and agrees for itself, its successors, its assigns, and every successor in interest to the Property or any part thereof, that upon the date of this Grant Deed and during construction through completion of development and thereafter, the Nonprofit shall devote the Property to the uses specified in this Grant Deed for the periods of time specified therein. All uses conducted on the Property, including, without limitation, all activities undertaken by the Nonprofit pursuant to the Purchase Agreement, shall conform to the Purchase Agreement and all applicable provisions of the City Municipal Code. The foregoing covenants shall run with the land.

3. **Restrictions on Transfer.** The Nonprofit further agrees as follows:

a. For the period commencing upon the date of this Grant Deed and throughout the Affordability Period as provided in the Purchase Agreement, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under the Purchase Agreement or this Grant Deed, nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property, without the prior written approval of the Agency or as otherwise permitted pursuant to Section 603 of

the Purchase Agreement.

b. The Nonprofit shall not place or suffer to be placed on the Property any lien or encumbrance other than the Deed of Trust in favor of the Agency.

All of the terms, covenants and conditions of this Grant Deed shall be binding upon the Nonprofit and the permitted successors and assigns of the Nonprofit. Whenever the term "Nonprofit" is used in this Grant Deed, such term shall include any other successors and assigns as herein provided.

4. Nondiscrimination. The Nonprofit herein covenants by and for itself, its heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the Nonprofit itself or any person claiming under or through Nonprofit, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

(a) **In deeds:** "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

(b) **In leases:** "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

> "That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

(c) **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

6. **Violations Do Not Impair Liens.** No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust or security interest permitted by the Purchase Agreement; provided, however, that any subsequent owner of the Property shall be bound by such remaining covenants, conditions, restrictions, limitations and provisions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.

7. **Covenants Run With Land.** All covenants contained in this Grant Deed shall be covenants running with the land. All of Nonprofit's obligations hereunder except as provided hereunder shall terminate and shall become null and void upon the expiration of the Affordability Period. Every covenant contained in this Grant Deed against discrimination contained in paragraph 5 of this Grant Deed shall remain in effect in perpetuity.

8. **Covenants For Benefit of Agency.** All covenants without regard to technical classification or designation shall be binding for the benefit of the Agency, and such covenants shall run in favor of the Agency for the entire period during which such covenants shall be in force and effect, without regard to whether the Agency is or remains an owner of any land or interest therein to which such covenants relate. The Agency, in the event of any breach of any such covenants, shall have the right to exercise all the rights and remedies and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach.

9. **Revisions to Grant Deed.** Both Agency, its successors and assigns, and Nonprofit and the successors and assigns of Nonprofit in and to all or any part of the fee title to the Property shall have the right with the mutual consent of the Agency to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants, or restrictions contained in this Grant Deed without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust or any other person or entity having any interest less than a fee in the Property. However, Nonprofit and Agency are obligated to give written notice to and obtain the consent of any first mortgagee prior to consent or agreement between the parties concerning such changes to this Grant Deed.

PROMISSORY NOTE

$_____ _____, 199_

Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit corporation ("Nonprofit"), promises to pay to the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), or order, at the Agency's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the Agency may designate in writing, the principal sum of Two Million Eight Hundred Thousand Dollars ($2,800,000) (the "Note Amount"), in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreement.** This Promissory Note (the "Note") is given in accordance with that certain Purchase and Sale Agreement executed by the Agency and the Nonprofit, dated as of _____, 1999 (the "Agreement"). The rights and obligations of the Nonprofit and the Agency under this Note shall be governed by the Agreement and by the additional terms set forth in this Note.

2. **Interest.** The Note Amount shall accrue no interest.

3. **Repayment of Note Amount.** The Note Amount shall be paid by the Nonprofit's annual payment to the Agency of an amount equal to ~~eighty percent (80%)~~ one hundred (100%) of the "Residual Receipts" (as defined below) from operation of the Property (as defined in the Agreement), as determined by a residual receipts calculation from the operation of the Property in the preceding calendar year. Annual residual receipts payments shall be made by the Nonprofit by cashier's check and shall be delivered on or before April 1 of each year during the term of this Note, commencing on April 1, 2001, until the Note Amount has been repaid in full. Any remaining portion of the Note Amount shall be due and payable on the thirtieth (30th) anniversary of the date of this Note. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

As used herein, "Residual Receipts" shall mean Income less the Operating Expenses (as defined below) for each calendar year.

As used in this Note "Income" shall mean all gross income and all revenues of any kind from the Property in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

As used herein, "Operating Expenses" shall mean actual, reasonable and customary (for comparable affordable housing projects in Los Angeles County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance, and management of the Property in a calendar year, including: (a) property management fee not greater than six percent (6%) of gross rents from the Property; (b) asset management fee not greater than two percent (2%) of gross rents from the Property; (c) payments to a capital replacement reserve account in an amount set forth in Section 405 of the Purchase Agreement; (d) painting, cleaning, repairs, alterations, landscaping, utilities, refuse removal, certificates, permits and licenses, sewer charges, real and personal property

taxes, assessments, insurance, security, advertising and promotion, janitorial services not included in property management, cleaning and building supplies, purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishings, fees and expenses of accountants, attorneys and other professionals, (e) costs of operating the Achievement Center, which shall not exceed $62,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, (f) the Corporation Expenses, which shall not exceed $101,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, and (g) other actual, reasonable and customary operating costs and capital costs which are directly incurred and paid by the Nonprofit. The Operating Expenses shall not in any event include non-cash expenses, including without limitation, depreciation.

The Operating Expenses, Income and Residual Receipts shall be reported to the Agency annually before April 1 of each year, accompanied by an annual financial statement with respect to the Property that has been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statement presents the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles, and that the payment made is the amount due under this Note.

Notwithstanding the foregoing, however, the total amount of the principal and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the Property, as that term is defined in the Agreement; or

b. in the event of a default by the Nonprofit under the Agreement, the Regulatory Agreement, the Deed of Trust securing this Note, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the Agency to declare them due subsequently.

4. **Security.** This Note is secured by a Deed of Trust dated the same date as this Note.

5. **Waivers**

a. Nonprofit expressly agrees that this Note or any payment hereunder may be extended from time to time at the Agency's sole discretion and that the Agency may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Nonprofit.

b. No extension of time for payment of this Note made by agreement by the Agency with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Nonprofit under this Note, either in whole or in part.

c. The obligations of Nonprofit under this Note shall be absolute and Nonprofit waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. **Attorneys' Fees and Costs.** Nonprofit agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

7. **Deed of Trust Acceleration.** The Deed of Trust and the Purchase Agreement provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Purchase Agreement.

8. **Amendments and Modifications.** This Note may not be changed orally, but only by an amendment in writing signed by Nonprofit and by the Agency.

9. **Agency May Assign.** Agency may, at its option, assign its right to receive payment under this Note without necessity of obtaining the consent of the Nonprofit.

10. **Nonprofit Assignment Prohibited.** Except in connection with transfers permitted pursuant to Section 603 of the Agreement, in no event shall Nonprofit assign or transfer any portion of this Note without the prior express written consent of the Agency, which consent may be given or withheld in the Agency's sole discretion.

11. **Terms.** Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

DEED OF TRUST WITH ASSIGNMENT OF RENTS
(SHORT FORM)

This **DEED OF TRUST WITH ASSIGNMENT OF RENTS** (this "Deed of Trust"), is made as of _____, 1999, by the **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Trustor"), whose address is 153 West Elmwood Avenue, Burbank, California 91510, to _____ (and in such capacity herein called the "Trustee"), for the benefit of **THE REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (and in such capacity herein called the "Beneficiary"), having an office located at is 275 East Olive Avenue, Burbank, California 91510-6459.

WITNESSETH: that Trustor grants to Trustee in Trust, with Power of Sale, that property in the County of Los Angeles, State of California, described as:

See attached Exhibit A, incorporated herein

Together with the rents, issues and profits thereof, subject, however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the purpose of securing (1) payment of indebtedness in the principal amount of $2,800,000, according to the terms of a promissory note or notes of even date herewith made by Trustor, payable to order of Beneficiary, and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference or contained herein (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictitious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

EXHIBIT "A"

LEGAL DESCRIPTION

That real property located in the State of California, County of Los Angeles, City of Burbank, and described as follows:

[To Be Inserted]

ATTACHMENT NO. 6

SUMMARY OF AFFORDABLE HOUSING REQUIREMENTS

1. **Number of Affordable Units:**

Very Low	19
Lower Income	20
Low/Moderate Income	20

2. **Affordable Rent Definitions:**

a. **Very Low Income:**

1 Bedroom - Very Low Income. The maximum monthly rent for one bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of two (2) persons, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. .

2 Bedroom - Very Low Income. The maximum monthly rent for two bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of three (3) persons, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. .

3 Bedroom - Very Low Income. The maximum monthly rent for three bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of four (4) persons, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. .

4 Bedroom - Very Low Income. The maximum monthly rent for four bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of five (5) persons, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. .

b. **Lower Income:**

1 Bedroom - Lower Income. The maximum monthly rent for one bedroom Affordable Units required to be rented to Lower Income Households shall be established at

One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of two (2) persons.

2 Bedrooms - Lower Income. The maximum monthly rent for two bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of three (3) persons.

3 Bedroom - Lower Income. The maximum monthly rent for three bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of four (4) persons.

4 Bedrooms - Lower Income. The maximum monthly rent for four bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of five (5) persons.

c. Low and Moderate Income:

1 Bedroom - Low and Moderate Income. The maximum monthly rent for one bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of two (2) persons.

2 Bedrooms - Low and Moderate Income. The maximum monthly rent for two bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of three (3) persons.

3 Bedroom - Low and Moderate Income. The maximum monthly rent for three bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of four (4) persons.

4 Bedrooms - Low and Moderate Income. The maximum monthly rent for four bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of five (5) persons.

d. Los Angeles County Annual Median Income. "Los Angeles County annual median income" is the median gross income adjusted by actual household size for households in Los Angeles County, California, as determined pursuant to regulation of the California Housing and Community Development Department with respect to the Lower Income and Low and Moderate Income units, and the United States Department of Housing and Urban Development with respect to the Very Low Income units. Current Los Angeles County annual median income is as follows:

Income Level	*1 person household*	*2 person household*	*3 person household*	*4 person household*	*5 person household*	*6 person household*	*7 person household*	*8 person household*
Very Low	$17,950	$20,500	$23,100	$25,650	$27,700	$29,750	$31,800	$33,850
Lower	$28,750	$32,850	$36,950	$41,050	$44,300	$47,600	$50,900	$54,150
Median	$35,900	$41,050	$46,150	$51,300	$55,400	$59,500	$63,600	$67,700
Moderate	$43,100	$49,250	$55,400	$61,550	$66,450	$71,400	$76,300	$81,250

e. **Rent.** "Rent" is defined in the Lease as the total of monthly payments by the tenants of an Affordable Unit for (a) use and occupancy of the Affordable Unit and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, (c) a reasonable allowance for utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels (but not telephone service) for an adequate level of service, as reasonably determined by the Agency, and (d) possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit. The Agency shall base its determination of a reasonable allowance for utilities on the utilities allowance adopted by the Los Angeles County Housing Authority, or if such utilities allowance is discontinued another index reasonably acceptable to the Agency.

2. **1999 Maximum Rent Calculations:**

Very Low Income Units

a. ***One Bedroom Very Low Income Units.*** The maximum monthly rent for one bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of two (2) persons ($41,050), or $513.13 per month, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. If (i) the current utility allowance is $70, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$443.13** per month, or the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. ***Two Bedroom Very Low Income Units.*** The maximum monthly rent for two bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser or (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of three (3) persons ($46,150), or $576.88 per month, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. If (i) the current utility allowance is $84, and (ii) there are no separately charged fees or

service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$492.88** per month, or the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

c. ***Three Bedroom Very Low Income Units.*** The maximum monthly rent for one bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of four (4) persons ($51,300), or $641.25 per month, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. If (i) the current utility allowance is $91, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$550.25** per month, or the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

d. ***Four Bedroom Very Low Income Units.*** The maximum monthly rent for two bedroom Affordable Units required to be rented to Very Low Income Households shall be established at the lesser of (a) One-Twelfth (1/12) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County annual median income for a household of five (5) persons ($55,400), or $692.50 per month, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111. If (i) the current utility allowance is $100, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$592.50** per month, or the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

Lower Income Units

a. ***One Bedroom Lower Income Units.*** The maximum monthly rent for one bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of two (2) persons ($41,050), or $615.75 per month. If (i) the current utility allowance is $70, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$545.75** per month.

b. ***Two Bedroom Lower Income Units.*** The maximum monthly rent for two bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual

median income for a household of three (3) persons ($46,150), or $692.25 per month. If (i) the current utility allowance is $84, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$608.25** per month.

c. ***Three Bedroom Lower Income Units.*** The maximum monthly rent for three bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of four (4) persons ($51,300), or $769.50 per month. If (i) the current utility allowance is $91, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$678.50** per month.

d. ***Four Bedroom Lower Income Units.*** The maximum monthly rent for four bedroom Affordable Units required to be rented to Lower Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County annual median income for a household of five (5) persons ($55,400), or $831.00 per month. If (i) the current utility allowance is $100, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$731.00** per month.

Low and Moderate Income Units

a. ***One Bedroom Low and Moderate Income Units.*** The maximum monthly rent for one bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of two (2) persons ($41,050), or $1,128.88 per month. If (i) the current utility allowance is $70, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$1,058.88** per month.

b. ***Two Bedroom Low and Moderate Income Units.*** The maximum monthly rent for two bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of three (3) persons ($46,150), or $1,269.13 per month. If (i) the current utility allowance is $84, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$1,185.13** per month.

c. ***Three Bedroom Low and Moderate Income Units.*** The maximum monthly rent for one bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of four (4) persons ($51,300), or $1,410.75 per month. If (i) the current utility allowance is $91, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$1,319.75** per month.

d. ***Four Bedroom Low and Moderate Income Units.*** The maximum monthly rent for two bedroom Affordable Units required to be rented to Low and Moderate Income Households shall be established at One-Twelfth (1/12) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County annual median income for a household of five (5) persons ($55,400), or $1,523.50 per month. If (i) the current utility allowance is $100, and (ii) there are no separately charged fees or service charges assessed by the Nonprofit which are required of all tenants of the Buildings, other than security deposits, and (iii) no possessory interest, taxes or other fees or charges assessed for the use of the Buildings and facilities associated therewith by a public or private entity other than Nonprofit, the maximum rent chargeable by the Nonprofit for these units is **$1,423.50** per month.

REGULATORY AGREEMENT

THIS REGULATORY AGREEMENT (the "Agreement") is entered into as of _____, 1999, by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Nonprofit").

RECITALS

A. Pursuant to the terms of a Purchase and Sale Agreement between the Agency and the Nonprofit, dated as of _____, 1999 (the "Purchase Agreement"), the Nonprofit has acquired from the Agency nine multifamily apartment complexes (the "Buildings") in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (collectively, the "Property"). The Property is further described in the Legal Description which is attached hereto as Exhibit A, and depicted in the Map which is attached hereto as Exhibit B, which are both incorporated herein. A portion of the cost of acquisition of the Buildings has been provided with funds from the Agency's Low and Moderate Income Housing Fund, and the remainder of the cost of acquisition of the Buildings has been provided with HOME Program funds provided to the Agency by the City.

B. Pursuant to the Purchase Agreement, the Nonprofit has agreed to lease the apartment units in the Buildings at an Affordable Rent to Very Low, Lower and Low and Moderate Income Households

C. The execution and recording of this Agreement is a requirement of the Purchase Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

100. DEFINITIONS

"Achievement Center" is defined in Section 406 hereof.

"Affordable Rent" is defined in Section 402.6 hereof.

"Agency" means the Redevelopment Agency of the City of Burbank, a public body, corporate and politic, exercising governmental functions and powers and organized and existing under Chapter 2 of the Community Redevelopment Law and any assignee of or successor to its rights, powers and responsibilities.

"Agreement" means this Regulatory Agreement between the Agency and the Nonprofit.

"Buildings" means those multifamily apartment complexes located on the Property.

"Capital Replacement Reserve" is defined in Section 405 hereof.

"City" means the City of Burbank, a California municipal corporation.

"Community Redevelopment Law" means California Health and Safety Code Section 33000, *et seq.* as the same now exist or may hereinafter be amended.

"County" means Los Angeles County.

"Date of Agreement" means the date set forth in the first paragraph hereof.

"Default" means the failure of a party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and opportunity to cure, as set forth in Section 501 hereof.

"Governmental Requirements" means all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the State, the County, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the Agency, the Nonprofit or the Property.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

"Legal Description" means the description of the Property which is attached hereto as Attachment No. 2 and incorporated herein.

"Low and Moderate Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 120%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50093.

"Lower Income Household" shall mean a household earning not greater than the applicable portion of Los Angeles County median income (generally 80%) which is set forth from time to time by regulation of the California Department of Housing and Community Development, pursuant to Health and Safety Code Section 50079.5.

"Map" means the map of the Property which is attached hereto as Attachment No. 1 and incorporated herein.

"Nonprofit" means Burbank Housing Corporation, a California nonprofit corporation, and its successors and assigns.

"Notice" shall mean a notice in the form prescribed by Section 601 hereof.

"Operating Reserve" is defined in Section 405 hereof.

"Property" means that certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood. The Property is legally described in the Legal Description and depicted on the Map.

"Rent" shall mean the total of monthly payments by the tenants of an apartment unit for use and occupancy for the unit and facilities associated therewith, including a reasonable allowance for utilities for an adequate level of service, as defined in 25 California Code of Regulations § 6918.

"State" means the State of California.

"Transfer" is defined in Section 603.1 hereof.

"Very Low Income Household" shall mean a household earning not greater than fifty percent (50%) of Los Angeles County median income which is set forth from time to time by regulation of the United States Department of Housing and Urban Development.

200. CONDITION OF THE PROPERTY

201. Disclosure. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Landlords must, before renting pre-1978 housing, disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a Federally approved pamphlet on lead poisoning prevention. The Agency has undertaken a program to abate lead-based paint which existed in the Buildings, some of which was removed and some of which was encapsulated and allowed to remain in place in

the Buildings. The Agency has made available to the Nonprofit all of the reports and records which it has commissioned pertaining to lead-based paint and/or lead-based paint hazards in the Buildings, and Nonprofit acknowledges receipt thereof. However, the Agency believes that the Buildings were constructed prior to 1978, and, therefore, may contain lead-based paint. Nonprofit shall provide to its tenants all disclosures required by applicable law with respect to lead paint exposure.

300. OPERATION OF THE PROPERTY

301. Insurance Requirements. The Nonprofit shall take out and maintain or shall cause its contractor to take out and maintain during the Affordability Period a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy, and a comprehensive automobile liability policy with limits of not less than One Hundred Thousand Dollars ($100,000) per person and Three Hundred Thousand Dollars ($300,000) per accident for bodily injury and not less than Twenty-Five Thousand Dollars ($25,000) per accident for property damage. Nonprofit shall maintain insurance in the amount of Two Million Dollars ($2,000,000) against damages sustained by reason of any action, claim or demand made by reason of breach or claim for breach of contract, or by reason of any contractual liability or alleged contractual liability on any contract entered into by the Nonprofit or its contractors, subcontractors, agents or employees with respect to the Property. All policies shall protect the Nonprofit, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. The Nonprofit shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Nonprofit and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. The Nonprofit shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Nonprofit shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Nonprofit at the time set forth therefor in the Schedule of Performance. Nonprofit shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

302. Indemnity. The Nonprofit shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Nonprofit under this Agreement, whether such activities or performance thereof be by the Nonprofit or by anyone directly or indirectly employed or contracted with by the Nonprofit and whether such damage shall accrue or be discovered before or

after termination of this Agreement. The Nonprofit shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

303. Rights of Access. Representatives of the Agency shall have the right to inspect the Property so long as Agency representatives comply with all safety rules.

304. Compliance With Laws. The Nonprofit shall carry out the operation of the Property in conformity with all applicable laws, including all applicable City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City's Municipal Code. A portion of the cost of acquisition of the Buildings has been financed through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, pursuant to the implementing regulations set forth at 24 CFR 92 (the "HOME Program"). Accordingly, the Nonprofit shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Upon request, the Agency shall provide to the Nonprofit a copy of applicable HOME Program requirements.

305. Financing of the Acquisition of the Property. The Nonprofit shall not enter into any conveyance for financing without the prior written approval of the Agency.

400. COVENANTS AND RESTRICTIONS

401. Use in Accordance with Redevelopment Plan. The Nonprofit covenants and agrees for itself, its successors, assigns, and every successor in interest to the Property or any part thereof, that upon the Closing and during the Affordability Period, the Nonprofit shall devote the Property to the uses specified in the Redevelopment Plan and this Agreement for the periods of time specified therein. All uses conducted on the Property, including, without limitation, all activities undertaken by the Nonprofit pursuant to this Agreement, shall conform to the Redevelopment Plan and all applicable provisions of the City Municipal Code.

402. Affordable Housing Requirements.

402.1 Number of Units. The Nonprofit agrees to make available, restrict occupancy to, and rent nineteen (19) of the apartment units in the Buildings to Very Low Income Households, twenty (20) of the apartment units in the Buildings to Lower Income Households, and twenty (20) of the apartment units in the Buildings to Low- and Moderate Income Households, at the rents established pursuant to Section 402.6 hereof. A summary of the affordable housing requirements of this Section 402 is attached hereto as Attachment No. 6 to the Purchase Agreement, which is hereby incorporated herein by this reference.

402.2 Lease Requirements. Prior to rental of any of the apartment units in the Buildings to new tenants, Nonprofit shall submit a standard lease form to the Agency for Agency's approval. Each such lease shall contain a waiver of relocation rights and benefits in a form which is reasonably acceptable to the Agency. The Agency shall approve such lease form upon finding that such lease form is consistent with this Lease and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Nonprofit shall enter into a lease, in the form approved by the Agency, with each new tenant of an apartment unit within the Buildings, and each existing tenant whose existing lease has expired. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

402.3 Duration of Affordability Requirements. The Buildings shall be subject to the requirements of this Section 402 in perpetuity commencing upon the date of this Agreement. The duration of this requirement shall be known as the "Affordability Period."

402.4 Selection of Tenants. Each apartment unit in the Buildings shall be leased to tenants selected by the Nonprofit who meet all of the requirements provided herein. The Agency may, from time to time, assist in the leasing of the apartment units in the Buildings by providing to the Nonprofit names of persons who have expressed interest in renting such units. The Nonprofit shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the Agency in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The tenant selection system shall include, without limitation, a method for investigation of the credit history of proposed tenants through obtaining a credit report on the proposed tenant. Highest priority in the selection of tenants shall be given to those applicants who have been displaced by Agency projects, if any. The Nonprofit shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

402.5 Income of Tenants. Prior to the rental or lease of any apartment unit in the Buildings to a tenant, and annually thereafter, the Nonprofit shall obtain an income certification from the tenant of each apartment unit. The Nonprofit shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain a credit report from a commercial credit reporting agency.

f. obtain an alternate form of income verification reasonably requested by the Nonprofit, if none of the above forms of verification is available to the Nonprofit.

A person or family who at the time of income certification qualified as a Very Low, Lower or Low- and Moderate Income Household, as applicable, shall continue to be deemed so qualified, until such time as the person or family's income is redetermined and the person or family is determined by the Nonprofit to no longer be so qualified, even if such person or family's income has subsequently increased to an amount above the applicable income level. Upon the Nonprofit's determination that the tenant is no longer qualified as either a Very Low, Lower or Low- and Moderate Income Household, such tenant's monthly rent, instead of the amount set forth in Section 402.6 hereof, shall be adjusted to the lesser of thirty percent of the tenant's monthly income or fair

market rent, as reasonably determined by the Agency and the Nonprofit. In addition, the Nonprofit shall annually submit to the Agency, prior to July 15 each year, a certification of the number of apartment units in the Buildings actually occupied by Very Low, Lower and Low- and Moderate-Income Households in such form as may be provided by the Agency.

402.6 Determination of Affordable Rent. Each apartment unit in the Buildings shall be rented at an "Affordable Rent" to be established by the Agency as provided herein. The maximum monthly rental amount for the apartment units within the Buildings shall be established by the Agency on an annual basis by written notice to the Nonprofit, upon publication of annual median income limits by the United States Department of Housing and Urban Development and the California Department of Housing and Community Development, at the following amounts:

a. For Very Low Income Households: the lesser of (a) One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Fifty Percent (50%) of Los Angeles County median income for a household size appropriate for the unit, or (b) the fair market rent for existing housing for comparable units in the area as established by the United States Department of Housing and Urban Development under 24 CFR 888.111.

b. For Lower Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of Sixty Percent (60%) of Los Angeles County median income for a household size appropriate for the unit.

c. For Low and Moderate Income Households: One-Twelfth ($1/12^{th}$) of Thirty Percent (30%) of One Hundred Ten Percent (110%) of Los Angeles County median income for a household size appropriate for the unit.

Household size appropriate to the unit shall mean one person for a studio apartment unit, two persons for a one bedroom apartment unit, three persons for a two bedroom apartment unit, four persons for a three bedroom apartment unit, and five persons for a four bedroom apartment unit. The rents of the apartment units in the Buildings may be increased simultaneously, once per year, regardless of when particular tenants commenced occupancy of their units. The maximum monthly rental amount for apartment units in the Buildings shall include a reasonable utilities allowance to be determined by the Agency, which utilities allowance shall be set at an amount which will cover the projected charge for all utilities (whether paid for by Nonprofit or paid directly by the individual tenant), including gas and electrical service, water, sewer and garbage collection, but excluding telephone service and cable television. The Agency may in its discretion base the utilities allowance on a utilities allowance adopted by the Los Angeles County Housing Authority, or established in connection with the Section 8 program administered by the United States Department of Housing and Urban Development. Upon the approval of the Agency, rents may be established at amounts which are lower than the maximum monthly rental amounts set forth above. The current maximum rents allowable under this Section 402.6 are set forth in Attachment No. 6.

402.7 Occupancy Standards. Occupancy of studio apartment units shall be limited to three persons, occupancy of one bedroom apartment units shall be limited to four persons, occupancy of two bedroom apartment units shall be limited to six persons, occupancy of three bedroom apartment units shall be limited to eight persons, and occupancy of four bedroom apartment units shall be limited to ten persons.

402.8 Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by

the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

402.9 Property Tax Exemption. The Nonprofit shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency does not represent or warrant to the Nonprofit that such an exemption will be available to the Nonprofit.

403. Maintenance Covenants. The Nonprofit shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. None of the apartment units on the Property shall at any time be utilized on a transient basis nor shall the Property or any portion thereof ever be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium or rest home, or be converted to condominium ownership. If at any time Nonprofit fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Buildings and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Nonprofit to the Agency upon demand.

404. Management. Nonprofit shall manage or cause the Buildings to be managed in a prudent and business-like manner, consistent with first-class multifamily rental housing in Los Angeles County, California, and in accordance with the operating budget for the Buildings which has been approved by the Agency. Nonprofit may contract with a management company or manager to operate and maintain the Buildings in accordance with the terms of this Agreement (the "Property Manager"); provided, however, that the hiring and termination of the Property Manager shall be subject to approval by Agency Executive Director, or his or her designee. The Agency has assigned to Nonprofit the management agreement which the Agency has entered with Jenkins Properties, and Nonprofit has assumed such management agreement or entered a new management agreement with Jenkins Properties. The fees payable to the Property Manager shall not exceed five percent (5%) of the gross rents of the Buildings. Nonprofit may not itself act as the Property Manager, nor may any of Nonprofit's directors or officers, or any entity with which they are affiliated, act as the Property Manager. Approval of the Property Manager by Agency shall not be unreasonably withheld. If, at any time, the Property Manager is not performing to the reasonable satisfaction of the Agency, the Agency may direct the Nonprofit to use its best efforts to correct any defects in management at the earliest feasible time and, if necessary, to replace the Property Manager prior to the elapsing of such time period. If the management defects identified by Agency have not been corrected within thirty (30) days after Agency's notice to Nonprofit, the Agency may in its sole discretion direct the Nonprofit to immediately terminate the Property Manager.

405. Reserve Accounts. The Nonprofit shall also, or cause the Property Manager to, annually set aside not less than Two Hundred Fifty Dollars ($250) per unit, per year, into a separate interest-bearing trust account (the "Capital Replacement Reserve"). Notwithstanding the foregoing,

however, no payments shall be made into the Capital Replacement Reserve,which cause the balance thereof to exceed Fifty-Nine Thousand Dollars ($59,000), except that interest accruing on the Capital Reserve Account shall remain in such account until withdrawn for the purposes hereof. Funds in the Capital Replacement Reserve shall be used for capital replacements to the Property fixtures and equipment which are normally capitalized under generally accepted accounting principles. The non-availability of funds in the Capital Replacement Reserve does not in any manner relieve the Nonprofit of the obligation to undertake necessary capital repairs and improvements and to continue to maintain the Project in the manner prescribed herein. Not less than once per year, Nonprofit, at its expense, shall submit to the City an accounting for the Capital Replacement Reserve. Capital repairs to and replacement of the Property shall include only those items with a long useful life, including without limitation the following: carpet and drape replacement; appliance replacement; exterior painting, including exterior trim; hot water heater replacement; plumbing fixtures replacement, including tubs and showers, toilets, lavatories, sinks, faucets; air conditioning and heating replacement; asphalt repair and replacement, and seal coating; roofing repair and replacement; landscape tree replacement and irrigation pipe and controls replacement; gas line pipe replacement; lighting fixture replacement; elevator replacement and upgrade work; miscellaneous motors and blowers; common area furniture replacement, and common area repainting.

406. Achievement Center. Nonprofit shall operate within the Buildings an educational center (the "Achievement Center") which provides an after-school educational services program to children in grades kindergarten through 12 who reside in the Buildings. The Achievement Center shall provide (i) learning enrichment services, including homework assistance, self-study and reading, (ii) mentoring opportunities, including formal mentor relationships and after-school learning sessions, and (iii) community service opportunities, including volunteer opportunities and neighborhood involvement.

The following services shall be provided by the Achievement Center on a daily basis:

(a) Enrollment of students, including recruitment, orientation, assessment, development of strategy, monitoring and reevaluation.

(b) Monitoring of individual student progress, including review of program performance, grade reports, parent and community feedback.

(c) Observation of student behavior in multiple settings, supplying intervention when necessary.

(d) Maintaining a comfortable, safe and positive environment for all students.

The Achievement Center shall provide opportunities for mentoring relationships to be developed and strengthened, including (i) recruiting, evaluating and selecting mentors, (ii) promoting cooperative relationships with other individuals, such as teachers, older students and community members, and (iii) providing opportunities for participation in special events.

The Achievement Center shall be administered by a full-time Achievement Center Director. The hiring and termination of the Achievement Center Director shall be subject to approval by the Agency Executive Director, or his or her designee.

Participation in the Achievement Center shall be limited to residents of the Buildings and residents of apartment complexes in the 100 block of West Elmwood Avenue with which the Agency has entered into affordable housing agreements.

407. Monitoring and Recordkeeping. Throughout the Affordability Period, Nonprofit shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and shall annually complete and submit to City a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property with respect to the Affordable Units, and to conduct an independent audit or inspection of such records. The Nonprofit agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Nonprofit's consent to such an inspection or audit, the Nonprofit understands and agrees that the Agency may obtain at Nonprofit's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Nonprofit agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

408. Nondiscrimination Covenants. The Nonprofit covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Nonprofit itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Property. The foregoing covenants shall run with the land.

The Nonprofit shall refrain from restricting the rental, sale or lease of the Property on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her,

establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. **In contracts:** "There shall be no discrimination against or segregation of, any person, or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises."

500. DEFAULTS AND REMEDIES

501. Default Remedies. Subject to the extensions of time set forth in Section 602 of this Agreement, failure by either party to perform any action or covenant required by this Agreement within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such failure within thirty (30) days from receipt of such notice, or if the nature of such Default is such that more than thirty (30) days is reasonable required to cure such deficiency, if such party immediately, with due diligence, commences to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with diligence.

502. Institution of Legal Actions. In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, either party may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. Such actions shall be instituted in the Superior Court of State of California, Los Angeles County.

503. Acceptance of Service of Process. In the event that any legal action is commenced by the Nonprofit against the Agency, service of process on the Agency shall be made by personal service upon the Agency's Executive Director or in such other manner as may be provided by law. In the event that any legal action is commenced by the Agency against the Nonprofit, service of process on the Nonprofit shall be made by personal service in such manner as may be provided by law.

504. Rights and Remedies Are Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

505. Inaction Not a Waiver of Default. Any failures or delays by either party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

506. Applicable Law. The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

507. Non-Liability of Officials and Employees of the Agency. No member, official or employee of the Agency or the City shall be personally liable to the Nonprofit, or any successor in interest, in the event of any Default or breach by the Agency (or the City) or for any amount which may become due to the Nonprofit or its successors, or on any obligations under the terms of this Agreement.

508. Attorneys' Fees. In any action between the parties to interpret, enforce, reform, modify, rescind, or otherwise in connection with any of the terms or provisions of this Agreement, the prevailing party in the action shall be entitled, in addition to damages, injunctive relief, or any other relief to which it might be entitled, reasonable costs and expenses including, without limitation, litigation costs and reasonable attorneys' fees.

600. GENERAL PROVISIONS

601. Notices, Demands and Communications Between the Parties. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given by first class mail, postage prepaid, or reputable overnight delivery service, addressed to the party to whom the Notice is directed as set forth below, or at any other address as that party may later designate by Notice.

To Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Executive Director

To Nonprofit: Burbank Housing Corporation
153 West Elmwood Avenue
Burbank, California 91510
Attention: Judith S. Arandes, Executive Director

Any written notice, demand or communication shall be deemed received immediately if delivered by hand and shall be deemed received on the third day from the date it is postmarked if delivered by registered or certified mail.

602. Enforced Delay; Extension of Times of Performance. In addition to specific provisions of this Agreement, performance by either party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to events which are outside of the reasonable control of the party claiming an extension, which may include, without limitation: war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation; unusually severe weather; inability to secure necessary labor, materials or tools; delays of any contractor, subcontractor or supplier; acts or omissions of the other party; acts or failures to act of the City or any other public or governmental agency or entity (other than the acts or failures to act

of the Agency which shall not excuse performance by the Agency); or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. Notwithstanding anything to the contrary in this Agreement, an extension of time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of Agency and Nonprofit.

603. Transfers of Interest in Property or Agreement.

603.1 Prohibition. The qualifications and identity of the Nonprofit are of particular concern to the Agency. It is because of those qualifications and identity that the Agency has entered into this Agreement with the Nonprofit. Accordingly, for the period commencing upon the date of this Agreement and throughout the Affordability Period, no voluntary or involuntary successor in interest of the Nonprofit shall acquire any rights or powers under this Agreement, (b) nor shall the Nonprofit make any total or partial sale, transfer, conveyance, assignment, subdivision, refinancing or lease of the whole or any part of the Property (collectively referred to herein as a "Transfer"), without the prior written approval of the Agency, except as expressly set forth herein.

603.2 Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, Agency approval of a Transfer shall not be required in connection with any of the following:

(a) The conveyance or dedication of any portion of the Property to the City or other appropriate governmental agency.

(b) Any lease of an apartment unit in the Property to individual tenants in the ordinary course of business.

603.3 Agency Consideration of Requested Transfer. The Agency agrees that it will not unreasonably withhold approval of a request for approval of a Transfer made pursuant to this Section 603, provided the Nonprofit delivers written notice to the Agency requesting such approval. Such notice shall be accompanied by evidence regarding the proposed transferee's qualifications and experience, and its financial commitments and resources, in sufficient detail to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 603 and as reasonably determined by the Agency. The Agency may, in considering any such request, take into consideration such factors as (i) the quality of any new and/or replacement owner, (ii) the transferee's past performance as owner and operator of affordable multifamily apartment complexes, (iii) the current financial condition of the transferee, and similar factors. The Agency agrees not to unreasonably withhold its approval of any such requested Transfer, taking into consideration the foregoing factors.

An assignment and assumption agreement in form satisfactory to the Agency's legal counsel shall also be required for all proposed Transfers. Within thirty (30) days after the receipt of the Nonprofit's written notice requesting Agency approval of a Transfer pursuant to this Section 603, the Agency shall either approve or disapprove such proposed assignment or shall respond in writing by stating what further information, if any, the Agency reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Nonprofit shall promptly furnish to the Agency such further information as may be reasonably requested.

603.4 Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon the Nonprofit and its permitted successors and assigns. Whenever the term "Nonprofit" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

603.5 Assignment by Agency. The Agency may assign or transfer any of its rights or obligations under this Agreement with the approval of the Nonprofit, which approval shall not be unreasonably withheld; provided, however, that the Agency may assign or transfer any of its interests hereunder to the City at any time without the consent of the Nonprofit.

604. Agency Approvals and Actions. The Agency shall maintain authority of this Agreement and the authority to implement this Agreement through the Agency's Executive Director (or his or her duly authorized representative). The Agency's Executive Director shall have the authority to make approvals, issue interpretations, execute documents, waive provisions, extend time periods, and/or enter into amendments of this Agreement on behalf of the Agency so long as such actions do not materially or substantially change the uses permitted on the Property, or add to the costs incurred or to be incurred by the Agency as specified herein. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and written consent of the Agency Board.

605. No Waiver. A waiver by either party of a breach of any of the covenants, conditions or agreements under this Agreement to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions of this Agreement.

606. Modifications. Any alteration, change or modification of or to this Agreement, in order to become effective, shall be made in writing and in each instance signed on behalf of each party.

607. Severability. If any term, provision, condition or covenant of this Agreement or its application to any party or circumstances shall be held, to any extent, invalid or unenforceable, the remainder of this Agreement, or the application of the term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected, and shall be valid and enforceable to the fullest extent permitted by law.

608. Time of Essence. Time is expressly made of the essence with respect to the performance by the Agency and the Nonprofit of each and every obligation and condition of this Agreement.

609. Cooperation. Each party agrees to cooperate with the other in this transaction and, in that regard, to sign any and all documents which may be reasonably necessary, helpful, or appropriate to carry out the purposes and intent of this Agreement including, but not limited to, releases or additional agreements.

IN WITNESS WHEREOF, the Agency and the Nonprofit have executed this Regulatory Agreement as of the date set forth above.

BL 11-22

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on Tuesday, November 30, 1999, at 7:00 p.m. in the COuncil Chambers, City Hall, 275 East Olive Avenue, Burbank, California, the Redevelpment Agency of the City of Burbank (Agency) will conduct a public hearing on the Purchase Agreement between the Agency and the Burbank Housing Corporation (Developer) for the disposition of 153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue (Project). The Agency acting as the lead agency determined that, pursuant to the California Environmental Quality Act, this project is Categorically Exempt pursuant to Seciton 15312, Surplus Government Property Sales, of the State Environmental Impact report Guidelines and a Public Notice of Environmental Determination has been posted at the Planning Division counter. This hearing will be conducted pursuant to Redevelopment Law (Section 33431, Health and Safety Code, State of California). The project is not being conveyed for development under Redevelopment Law and, as such, does not require a joint public hearing with the Burbank City Council.

The Project entails the sale by the Agency to the Developer of nine rental apartment buildings representing 59 residential units restricted by household income and affordability, and an Achievement Center to provide certain educational services and administrative offices. A copy of the proposed draft Purchase Agreement together with other exhibits, including a Regulatory Agreement between the Agency and the Developer is available for public inspection in the Community Development Department, second floor of the Municipal Services Building, 275 East Olive Avenue, Burbank, California, weekdays between 8 a.m. and 5 p.m. Any person or organization is invited and may appear at the public hearing to offer oral testimony relative to the subject sale. Any person or organization may file written testimony of the proposed redevelopment of said property with the City Clerk, 275 East Olive Avenue, Post Office Box 6459, Burbank, California 91510.

If you have any questions regarding this application, please telephone Duane Solomon, Housing Development Manager at (818) 238-5180, weekdays between 8-9 a.m. and 1-4 p.m.

The file on this matter, the draft Purchase Agreement and related exhibits between the Agency and the Developer and a copy of the Burbank Municipal Code are on file in the office of the City Clerk and are available for public inspection.

SUBJECT: Consideration of a Purchase and Sale Agreement between the Redevelopment Agency and the Burbank Housing Corporation

PURPOSE

The purpose of this report is to provide information to the Burbank Redevelopment Agency (Agency) to consider a Purchase and Sale Agreement (Exhibit A) between the Agency and the Burbank Housing Corporation (BHC) for the disposition of 153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue.

BACKGROUND

In 1995, the Agency acquired with federal HOME and Housing Set-Aside funds nine apartment buildings on the 100 Block of West Elmwood Avenue (Property) in connection with the Elmwood Beautification Program. The apartment buildings were rehabilitated and two of the units converted into the Achievement Center to provide an after-school educational program targeted to Property residents. Insofar as State law prohibits redevelopment agencies to own and operate housing for an extended period, it was anticipated that the Agency would eventually sell the Property.

Consequently, on September 8, 1998, the Agency entered into a one-year Lease Agreement with the Burbank Housing Corporation, which was intended to facilitate the orderly transition of the management and ownership of the Property from the Agency to the BHC. It was the Agency's expectation that the BHC would have demonstrated by the end of the Lease a level of administrative capacity and property management ability that warranted the sale of the Property to the BHC.

Since that time, the Agency and BHC have initiated a series of actions that gives the Agency staff confidence in recommending the disposition of the Property to the BHC. On March 31, 1999, Agency staff concluded that the BHC met all required federal criteria and certified to the U.S. Department of Housing and Urban Development (HUD) that BHC was now designated as a

community housing development organization or CHDO. On June 22, 1999, the City Council approved a HOME Fund Reservation Agreement (Reservation Agreement) to reserve federal HOME funds for the BHC and on October 26, 1999 the Agency and Council jointly approved an action providing funds to the BHC to rehabilitate, operate and ultimately purchase (subject to project management performance) Agency-owned rental property at 3221 Fairview Street. Finally, Agency staff concluded after a desk review and property inspection of the Property that the BHC was in substantial compliance with the terms of the Lease.

ANALYSIS

The Purchase and Sale Agreement and its attendant exhibits comprised of a Regulatory Agreement, Grant Deed, Promissory Note and Deed of Trust (Agreement), is presented for Agency consideration and is intended to accomplish the following: 1) extend purchase financing to the BHC by the Agency in the form of a Note secured by a Trust Deed recorded against the Property; 2) continue lease terms in perpetuity by recording covenants that restrict occupancy and affordability and that prescribe property maintenance standards; and 3) structure loan repayment through residual receipts as a means to maintain the administrative capacity of the BHC, as well as the operations of the Property and of the Achievement Center.

Summarized below are the salient provisions of the proposed Agreement under which the Agency agrees to sell the Property to the BHC.

- Purchase Price

  The Agency will sell the Property to the BHC for $2.8 million, which is the fair market value established through an independent appraisal that considered the after-rehabilitation fair market value of the Property, inclusive of 59 income and rent restricted units, an Achievement Center and corporate office for the BHC. The Agency previously expended approximately $5.76 million in development costs comprised of rehabilitation and various soft costs including tenant relocation payments, as well as $3.32 million for property acquisition. The difference between the initial acquisition price and the resale value is attributable to rent loss when several income-generating rental units were reconfigured into the Achievement Center coupled with the effect of restricting rents on all 59 units.

  Keyser Marston Associates, Inc. (KMA) prepared an economic analysis for the Agency, which concluded that there is insufficient cash flow to repay entirely the Agency loan given projected operating standards. The Agency at the end of 30 years will have received an estimated $1.97 million repaid in nominal dollars, leaving a remaining balance of approximately $830 thousand, which will be due and payable.

- Financing Terms

  The BHC will owe the Agency the $2.8 million purchase price, which will be secured by a Note and Trust Deed on the property with a term of 30 years at zero percent interest. Financing for the potential acquisition of the Property will be paid through residual receipts from the Property's net profits beginning on the first anniversary of the Agreement. Net

profit is defined as gross income from the Property less payment of operating expenses that includes the Achievement Center and BHC expenses.

The Purchase and Sale Agreement stipulates that the Agency will be repaid from net revenues (rents after deducting operating expenses). Annual receipts will be prorated between the Agency and City at, respectively, 80 percent and 20 percent, which is commensurate with the amount of Set-Aside and HOME funds expended for development costs.

To mitigate the implicit risk that the Property's operating expenses are markedly different than projected in the pro forma, the Purchase and Sale Agreement requires that by or before April 1 of each year, BHC is to provide an audited financial statement verifying that the amount of net profit being remitted to the Agency for the ending calendar year conforms to industry standards for operating costs of projects of similar size and including the following key elements.

- Operating expenses refer to actual cash expenses to operate the Property and include such eligible costs as maintenance and utilities, a Capital Replacement Reserve that will be capitalized at $250 per unit per year with a cap of $59,000, as well as an asset management fee and property management fee of, respectively, two percent and six percent of gross rents.

- The Agency has always recognized that an educational center should be an integral element to improving the Elmwood neighborhood, and that the Achievement Center's operations would require funding from the Property's income. Operating expenses include, therefore, the annual expenses to operate Achievement Center, which may not exceed during the first year a budgeted amount of $62,000 and, thereinafter, may increase by a nominal inflationary adjustment of up to 3.5 percent above the prior year.

- The Agency's purpose in creating BHC was to establish a community housing development organization (CHDO) that could be the recipient of HOME funds reserved for a CHDO to own or develop affordable housing projects. In doing so, the Agency recognized that a stable source of funding was needed for BHC to maintain its administrative capacity. Consequently, operating expenses include funding the annual corporation expenses in an amount of approximately $101,000 for the first year with a subsequent allowable increase of up to 3.5 percent above the previous fiscal year.

Example:

Purchase Price (Appraised Value)	*$2,800,000*
Anticipated Income	*379,000*
Operating Expenses	*<300,000>*
Net Profits	*$ 79,000*
▪ *Agency share (80%)*	*<63,000>*
▪ *City share (20%)*	*<16,000>*

- **Affordability and Income Restrictions**

  Covenants restricting household income (occupancy) and rental rates (affordability) are attached in perpetuity to all 59 residential units (Section 402.3 of the Agreement and Regulatory Agreement). Occupancy and affordability for individual buildings described in the Lease will continue under the terms of sale based upon the following distribution initially established in the Lease: 19 very low-income units, 20 lower-income units and 20 moderate-income units. Occupancy standards are established at two persons per bedroom plus two additional persons (e.g., maximum occupancy for a two-bedroom is six persons).

- **33433 Report**

  Section 33433 of the California Redevelopment Law requires the Agency to prepare a report whenever property purchased with Agency tax increment funds is to be sold or leased for development. The 33433 Report sets forth the costs and benefits of the transaction to the Agency, but is not required for the sale or lease of land for a project that does not constitutes development (Health and Safety Code Section 33013).

  Although a 33433 Report is not required, the Agency retained KMA to prepare an economic analysis of the Agency transaction. KMA's analysis concluded that: 1) insofar as the BHC is required to repay to the Agency 100 percent of the cash flow after payment of operating costs, the loan structure would not provide a windfall profit to the BHA; and 2) that there is insufficient cash flow being generated from rental income on the completed project to fully repay the Agency.

ENVIRONMENTAL REVIEW

The Agency, acting as the lead agency pursuant to the California Environmental Quality Act (CEQA), determined that this project is Categorically Exempt. The project entails the disposition of Agency held properties and is considered categorically exempt under Section 15312 of the State EIR Guidelines, surplus government property sales. A Public Notice of Environmental Determination has been posted at the Planning Division counter.

FISCAL IMPACT

Having purchased the property for $3.32 million, the Agency will sell the property to BHC for $2.8 million. The $520,000 difference between the sales price and the after-rehabilitation appraisal is attributable to the loss of two rental units for the Achievement Center and the impact of affordability covenants. The Agency also expended $2.44 million for other development expenditures: rehabilitation ($1.35 million) that included reconstruction of the Achievement Center, relocation payments, professional services and street improvements. A fully amortized Note and First Trust Deed will secure the purchase price at zero percent for 30 years repaid through the Property's net profits with any remaining balance due and payable at year 30.

RECOMMENDATION

It is recommended that the Redevelopment Agency adopt a resolution entitled "A Resolution of the Redevelopment Agency of the City of Burbank Approving a Purchase and Sale Agreement between the Agency and the Burbank Housing Corporation".

A Purchase and Sale Agreement

elmwdagr.doc

HEARING SCRIPT

Hearing Date: November 30, 1999
Subject: Purchase and Sale Agreement: 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood.

Chairperson: "This is the time and place for the public hearing on the sale of the land and apartment buildings located on the 100 block of West Elmwood.

Chairperson: "Ms. Sarquiz, have the notices as required by law been given?"

[Affirmative response by Ms. Sarquiz]

Chairperson: "Do we have the complete file of exhibits, correspondence and other documents?"

[Affirmative response by Ms. Sarquiz.]

Chairperson: "Are there any written communications on this matter?"

[If the answer is 'yes' ask Ms. Sarquiz to read the communications, or hand them to the Agency members for their perusal, then order them made a part of the record if there are no objections.]

Chairperson: "Will the representative of the Redevelopment Agency please introduce yourself and summarize the matter for us."

[At the conclusion of the Agency staff member presentation,]

Chairperson: "We will now hear from any persons in the audience who wish to speak on this matter. Each person may address the Council for five minutes.

[At the conclusion of the public testimony,]

Chairperson: "I now declare the hearing closed and the Agency will now deliberate. What is the Agency's pleasure? Is there any discussion or a motion?"

SUBJECT: Amendment to Regulatory Agreements Between the City of Burbank, the Burbank Redevelopment Agency and the Burbank Housing Corporation Governing Properties on West Elmwood

PURPOSE

The purpose of this report is to provide information for the City of Burbank and the Burbank Redevelopment Agency (hereinafter generally referred to as City/Agency) to consider terminating the Regulatory Agreement with the Burbank Housing Corporation (BHC) for 199 West Elmwood and including those conditions in an amended Regulatory Agreement governing ownership of 59 units sold to the BHC (153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue) under a Purchase and Sale Agreement. The intent of this action is to integrate the terms of occupancy and affordability into one master recorded document.

BACKGROUND

On November 30, 1999, the City/Agency approved a Purchase and Sale Agreement with the BHC for the disposition of 153, 158, 159, 164, 165, 170, 171, 188 and 194 West Elmwood Avenue. The sale of these 59-housing units plus the Achievement Center included various conditions restricting housing operations, e.g., occupancy, and affordability. On July 10, 2001 the City/Agency entered into an Affordable Housing Agreement to assist the BHC acquire and rehabilitate a six-unit apartment building at 199 West Elmwood Avenue and to amend and restate the Promissory Note for the earlier approved 59-unit BHC project on Elmwood to integrate the debt and revenue generated by the two projects on Elmwood.

ANALYSIS

The Affordable Housing Agreement for 199 West Elmwood and the Purchase and Sale Agreement for other BHC-owned properties on West Elmwood each provide for a Regulatory Agreement that serves as the recording instrument for the covenants, conditions and restrictions placed on the BHC's property operations by the City/Agency for each project. While all the terms are identical for the two projects, occupancy and affordability restrictions are project specific and thereby unduly complicate BHC lease-up of units. This is a property management issue that would only increase should the BHC later acquire other properties on West Elmwood with each also generating a separate Regulatory Agreement. Consequently, staff is supporting the BHC's recommendation that the two Regulatory Agreements be melded together into one Regulatory Agreement that applies to both transactions, and that provides BHC with greater flexibility when leasing units. Staff is also recommending adjusting the occupancy standard to conform to recent transactions with the BHC. Following is a synopsis of the proposed amended Regulatory Agreement.

- **Occupancy and Affordability Requirements**

  Occupancy or income restrictions and affordability or rent restrictions set forth in the Purchase and Sale Agreement (59-unit project) and the Affordable Housing Agreement (six-unit project at 199 West Elmwood Avenue) were recorded via a Regulatory Agreement for each project. The Regulatory Agreement for the purchase by BHC of the 59 Elmwood units distributed occupancy and affordability accordingly: 19 very low-income units, 20 lower-income units and 20 moderate-income units. Under the Regulatory Agreement (Section 4) for 199 West Elmwood, affordability and income covenants stipulate that three two-bedroom units will be HOME restricted for low-income households and the remaining three two-bedroom units will be affordable to moderate-income households.

  The amended Regulatory Agreement will combine the terms of the two aforementioned agreements as shown below.

Income/Rent Requirements	Regulatory Agreements		
	Elmwood (59-Units)	199 Elmwood	Amended Agreement
Very Low-Income/Set-Aside Rents	1		1
Very Low-Income/HOME Rents	18		18
Lower-Income/Set-Aside Rents	20		20
Lower-Income/HOME Rents		3	3
Moderate-Income/Set-Aside Rents	20	3	23
Totals	59	6	65

The Affordability Period in the Amended Regulatory Agreement will continue requiring income and rent restrictions to extend in perpetuity.

- **Property Maintenance**

This section would be unchanged, except as it relates to occupancy standards described below. The BHC is required to maintain the Project in accordance with all applicable local codes, rehabilitation standards, ordinances and zoning ordinances as required by Section 92.251 of the HOME Regulations and at a standard of maintenance commensurate with similar housing units within Los Angeles County.

An occupancy standard is imposed to guard against overcrowded conditions. The amended Regulatory Agreement reduces the maximum household size from an earlier limit of two persons per bedroom plus two additional persons (e.g., a two-bedroom unit would have a maximum household size of six persons) to two persons per bedroom plus one additional person (the same example for a two-bedroom would have a maximum occupancy of five persons). However, no residents as of the date of this amended Regulatory Agreement would be evicted from their apartment units if they do not meet the revised occupancy standards requirements.

The amended Regulatory Agreement would continue requiring periodic inspections and allow the City/Agency to abate property violation and attach a lien upon the Project or assess the BHC, if the BHC fails to maintain the Project. The City/Agency has authority to require replacement of a property manager due to poor performance and to approve another property manager or property management company.

- **Approval of Sale, Transfer or Assignment**

This section remains unaltered. Covenants run with the land and all of the terms, covenants and conditions are binding upon the BHC and any "permitted" successors and assigns. The Project may not be sold, transferred, conveyed, encumbered to secure financing, assignment or lease without the prior written approval of the City/Agency, except for permitted transfers, viz., the City/Agency (a) subordinates its loan to accommodate financing or (b) the Project is sold, transferred or assigned and the City/Agency's restrictions related to housing operations (income, affordability, occupancy, maintenance) are continued. Approval of sales, transfers or assignments would be restricted to only those proposed assignees or transferees demonstrating comparable operational experience and capability, who would be required to assume the obligations of the BHC under the Agreement and would be considered a community housing development organization or CHDO.

FISCAL IMPACT

Amending the Regulatory Agreement for West Elmwood properties owned by the BHC will have no financial impact to the City/Agency.

RECOMMENDATION

City Council

Staff recommends that the City Council adopt the proposed resolution.

Redevelopment Agency

Staff recommends that the Redevelopment Agency adopt the proposed resolution.

EXHIBITS:

A Amended Regulatory Agreement

AFFORDABLE HOUSING AGREEMENT

THIS AFFORDABLE HOUSING AGREEMENT (the "Agreement") is entered into as of July 17, 2001, by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower and very low income families.

B. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

C. The Developer is negotiating an agreement to purchase real property improved with a six-unit apartment building at 199 West Elmwood Avenue in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference.

D. By this Agreement, and subject to the terms and conditions herein, the City desires to provide financial assistance to Developer in the form of a loan of HOME funds in the amount of One Hundred Sixty Thousand Dollars ($160,000) (the "City Loan"), and the Agency desires to provide financial assistance to the Developer in the form of a loan of Housing Funds in the amount of One Hundred Thousand Dollars ($100,000) (the "Agency Loan"), to acquire and rehabilitate the Property. In consideration for the City Loan and the Agency Loan, the Developer desires to acquire and rehabilitate the Property, and to maintain the Property as an affordable housing project.

E. The acquisition, rehabilitation and operation of the Property pursuant to this Agreement is in the vital and best interest of the City and the health, safety and welfare of the residents of the City, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

NOW, THEREFORE, the parties hereto agree as follows:

100. CITY AND AGENCY ASSISTANCE

101. Agency Loan and City Loan. The Agency agrees to loan to the Developer and the Developer hereby agrees to borrow from the Agency the amount of One Hundred Thousand Dollars ($100,000) (the "Agency Loan"), and the City agrees to loan to the Developer and the Developer agrees to borrow from the City One Hundred Sixty Thousand Dollars ($160,000) (the "City Loan"), subject to the terms and conditions set forth in this Agreement, and subject further to the terms and conditions set forth within the documents and instruments executed by the Developer in connection with this transaction, including the "Amended and Restated Promissory Note," in substantially the

26,052 + R-2008
7-10-01

form set forth in Exhibit B, the "Deed of Trust," in substantially the form set forth in Exhibit C, and the "Regulatory Agreement," in substantially the form set forth in Exhibit F. The amount owing under the Amended and Restated Promissory Note shall be the principal amounts of the Agency Loan and City Loan added to the principal amount owing under that certain promissory note executed on November 30, 1999 by and between the Agency and Developer, which promissory note is secured by a deed of trust upon certain real property improved with nine multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, and 194 West Elmwood (the "Adjacent Developer Properties"). As of the date of this Agreement, the outstanding balance of the promissory note secured by the Adjacent Developer Properties was Two Million Seven Hundred Thousand Two Hundred Sixty Five and 48/100 Dollars (2,747,265.48). The Amended and Restated Promissory Note shall accrue no interest, and shall be payable in annual installments of one hundred percent (100%) of the Residual Receipts (as defined in the Amended and Restated Promissory Note) of the Property and Adjacent Developer Properties ("Annual Residual Receipts Payment"), beginning April 1, 2002. Any remaining balance still owing under the Amended and Restated Promissory Note as of November 30, 2029 shall be due and payable on that date. The Operating Expenses, Income and Residual Receipts (as those terms are defined in the Amended and Restated Promissory Note) shall be reported to the Agency annually before April 1 of each year, accompanied by an annual financial statement with respect to the Property that has been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statement presents the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles, and that the payment made is the amount due under this Section 101. The Amended and Restated Promissory Note shall be secured by the recordation in the official records of the County of a deed of trust in the form of Exhibit C which is attached hereto and incorporated herein (the "Deed of Trust"). The Deed of Trust shall encumber the Property and Adjacent Developer Properties. The Deed of Trust shall be prior and superior to all other liens and encumbrances upon the Property and the Adjacent Developer Properties, except as otherwise approved by the Agency.

The Agency Loan and City Loan shall be disbursed to or on behalf of the Developer for the cost of the acquisition and for the Rehabilitation (as defined in Section 201 herein) of the Property. Agency Loan and City Loan funds may be used for the hard costs of the Rehabilitation, including a ten percent construction contingency as well as approved soft costs for issuance of permits, architectural, engineering, and legal services, and closing costs for the Property. Any remaining balance may be applied to reduce the amount owing on the Agency Loan. The proceeds of the Agency Loan and City Loan shall not be used for project reserve accounts, monitoring, servicing and origination fees, or for expenditures made or incurred more than one year after project completion. The Agency Loan and City Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 103 hereof.

102. Agency Administration of City Loan.

By this Agreement, the City agrees to administer the City Loan, it being agreed and understood that payment by Developer of the Annual Residual Receipts Payments is for the City Loan, as well as the Agency Loan and the loan made pursuant to the original Promissory Note secured by the deed of trust against the Adjacent Developer Properties. The Agency shall administer and monitor the City Loan, and upon receipt of each Annual Residual Receipts Payment, make a payment to the City in an amount equal to twenty percent (20%) of the Annual Residual Receipts Payment, which payment shall constitute developer's annual payment on the City Loan.

103. Conditions Precedent to Disbursement of Agency Loan and City Loan. The Agency Loan and the City Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the following conditions:

a. Execution and Delivery of Documents. Developer shall have executed and delivered into the escrow established for the acquisition of the Property the Amended and Restated Promissory Note, the Deed of Trust, the Regulatory Agreement, and any other documents and instruments required to be executed and delivered by Developer (collectively, the "Loan Documents"). The Deed of Trust shall replace that certain deed of trust executed by Developer on November 30, 1999 and recorded against the Adjacent Developer Properties. The Agency shall, if necessary, execute a reconveyance deed of the original deed of trust recorded against the Adjacent Developer Properties as part of the recordation process for the Deed of Trust.

b. Financing. The City and Agency shall have determined that the Developer has sufficient funds, in addition to the City Loan and the Agency Loan, if necessary, to finance the acquisition and Rehabilitation of the Property.

c. Property Appraisal. City and Agency shall have conducted any appraisals of the Property and/or evaluations of market data which it desires, demonstrating to their satisfaction that the purchase price to be paid by the Developer for the Property is not greater than the fair market value of the Property.

d. Insurance. The Developer shall have presented a certificate to the City and Agency of the insurance policies which are required pursuant to Section 207 hereof.

e. Title Insurance. If desired by the City and/or Agency, the requesting party or parties shall have received from a title insurance company approved by the requesting party or parties a policy of lender's title insurance with mechanic's lien coverage, together with such endorsements as the insured party may require, which shall insure the deed of trust of the requesting party or parties as a valid lien upon the Property, in the lien priority required by this Agreement, and subordinate only to those liens and encumbrances reasonably approved by the insured party.

f. Title to Land. The Developer shall, as of the closing and disbursement of the Agency Loan and City Loan, have good and marketable fee title to the Property, and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than the liens for current real property taxes and assessments not yet due and payable, and any other matters approved in writing by the City and Agency. The Developer hereby covenants and agrees to seek to acquire the Property in a timely manner and in accordance with the Schedule of Performance attached hereto.

g. Recordation. The Deed of Trust and the Regulatory Agreement shall be recorded against the Property concurrently with or prior to the time of the first disbursement of the Agency Loan and City Loan.

h. Request for Payment. For payment of Rehabilitation costs, Developer shall have submitted a request for payment to the City and Agency on a form supplied by the City and Agency, together with invoices from contractors and subcontractors and any other requested information and documents, indicating that the particular item of Rehabilitation work for which payment is being requested is complete.

i. **Inspection of Work.** For payment of Rehabilitation costs, the City shall have inspected the particular item of Rehabilitation work for which payment is being requested and shall have determined that such Rehabilitation work has been completed in accordance with this Agreement and has been completed in a satisfactory manner in accordance with the standards of the construction industry.

j. **Completion of Project.** For payment of the development management fee to the Developer, the Rehabilitation of the Property shall have been completed in accordance with the requirements of this Agreement.

k. **No Default.** There shall exist no condition, event or act which would constitute an Event of Default (as hereinafter defined) hereunder or which, upon the giving of notice or the passage of time, or both, would constitute an Event of Default.

l. **Representations and Warranties.** All representations and warranties of Developer herein contained shall be true and correct.

104. Assumption of Agency Loan and City Loan. Except in connection with transfers approved or permitted pursuant to Section 504 hereof, the Amended and Restated Promissory Note shall not be assignable to or assumable by successors and assigns of Developer. In no event, however, shall the Amended and Restated Promissory Note be assigned except in connection with the conveyance of the Property to the person or entity which acquires the Property.

105. Condition of the Property. The following requirements shall apply to the Property:

105.1 Indemnification. Developer shall save, protect, pay for, defend, indemnify and hold harmless the City and the Agency and their officers, employees, representatives and agents, from and against any and all liabilities, suits, actions, claims, demands, penalties, damages (including, without limitation, penalties, fines and monetary sanctions), losses, costs or expenses (including, without limitation, consultants' fees, investigation and laboratory fees, attorneys' fees and remedial and response costs) (the foregoing are hereinafter collectively referred to as "Liabilities") which may now or in the future be incurred or suffered by the City, Agency or their officers, employees, representatives or agents by reason of, resulting from, in connection with or arising in any manner whatsoever as a direct or indirect result of the presence on or under, or the escape, seepage, leakage, spillage, discharge, emission or release from the Property of any Hazardous Materials which is caused by Developer, or its agents, employees, representatives, agents, contractors or invitees.

105.2 Duty to Prevent Hazardous Material Contamination. During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the City and Agency, and provide to the City and Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the City and Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

105.3 Definitions.

For purposes of this Section 105, "Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the City, the Developer or the Property.

For purposes of this Section 105, "Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

106. Additional Agency Assistance. As additional consideration for the Developer's performance hereunder, the Agency will provide additional funds for due diligence activities related to the Rehabilitation of the Property, including appraisals, lead and asbestos testing of the Property, and relocation services (the "Due Diligence Funds), in an amount not to exceed Thirty Thousand Dollars ($30,000.00). The Due Diligence Funds will be paid by Agency to the consultants and/or contractors performing the due diligence work, at Agency's sole and absolute discretion.

200. REHABILITATION OF THE IMPROVEMENTS.

201. Rehabilitation of the Property. The Developer agrees to rehabilitate the Property in accordance with the Scope of Work which is attached hereto as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR §882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 hereof. The Developer further agrees to comply with and to cause any contractors and/or subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170u, and the implementing regulations, in connection with the Rehabilitation of the Property. Developer shall submit to the City one or more construction contracts with a duly licensed contractor or contractors reasonably acceptable to the City

providing for the Rehabilitation of the Property in conformance with the terms of this Agreement. Each such contractor or contractors shall have provided to the City the certification in appendix B of 24 CFR part 24 that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from this project, and the City shall be responsible for determining whether each contractor has been debarred. The City shall reasonably approve such contract or contracts if the City finds that such contractor or contractors have sufficient experience and expertise necessary to perform the Rehabilitation of the Property in a first class manner in accordance with all of the requirements of this Agreement.

202. Scope of Work. The City and Agency shall not be responsible to the Developer or to third parties in any way for any defects in the Scope of Work, nor for any structural or other defects in any work done according to the approved Scope of Work. The Developer shall hold harmless, indemnify and defend the City and the Agency and their officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the Scope of Work, including without limitation the violation of any laws, and for defects in any work done according to the approved Scope of Work.

203. Cost of Rehabilitation. The Rehabilitation of the Property shall be paid with the proceeds of the City Loan and a portion of the Agency Loan. The Developer shall be responsible for any additional funds necessary to complete the Rehabilitation of the Property; provided, however, that in the event that there are insufficient City Loan proceeds available to fund such work, the City shall reasonably consider deleting certain work from the Scope of Work, and the Developer shall defer payment of all or a portion of the development management fee, in order to assure that there are sufficient funds for the Rehabilitation.

204. Timing of Rehabilitation. The Developer hereby covenants and agrees to commence the Rehabilitation of the Property within the time set forth in the Schedule of Performance. The Developer further covenants and agrees to diligently prosecute to completion the Rehabilitation of the Property in accordance with the approved Scope of Work and to file a Notice of Completion pursuant to California Civil Code Section 3093 within the time set forth in the Schedule of Performance.

205. City and Other Governmental Permits. Before commencement of the Rehabilitation of the Property, the Developer shall secure or cause its contractor to be secured any and all permits which may be required by the City or any other governmental agency affected by such construction, including without limitation building permits, and a conditional use permit and required variances for the conversion of the single family house on the Property into the Activity Center and administrative office. The Developer shall pay all necessary fees and take all actions necessary to obtain such permits; the staff of the City and Agency will, without obligation to incur liability or expense therefor, use its best efforts to expedite the City's issuance of building permits for construction that meets the requirements of the City Code, and all other applicable laws and regulations.

206. Right of the City and Agency to Satisfy Other Liens on the Property After City Loan Disbursement. After the Developer has had written notice and has failed after a reasonable time to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Property which are not otherwise permitted under this Agreement, the City and the Agency shall have the right but no obligation to satisfy any such liens or encumbrances. Notwithstanding the above, the Developer shall have the right to contest the validity or amounts of any tax, assessment, or encumbrance applicable to the Developer in respect thereto.

207. Insurance and Indemnity. The Developer shall take out and maintain or shall cause its contractor to take out and maintain until the issuance of the Certificate of Completion pursuant to this Agreement, a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy. All policies shall protect the Developer, City and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. Developer shall also take out and maintain a policy of property damage insurance, with the policy amount in the full replacement value of the Property. The Developer shall also furnish or cause to be furnished to the City and Agency evidence satisfactory to the City and Agency that Developer and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. Prior to the Closing of the Developer's acquisition of the Property, upon any procurement or renewal of an insurance policy, and not less than annually in any case, the Developer shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the City and Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Agency and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Developer shall be primary insurance and not be contributing with any insurance maintained by the Agency or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Agency. The required certificate shall be furnished by the Developer at the time set forth therefor in the Schedule of Performance. Developer shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

In addition to the foregoing, the Developer shall defend, indemnify, assume all responsibility for, and hold the Agency and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Developer under this Agreement, whether such activities or performance thereof be by the Developer or by anyone directly or indirectly employed or contracted with by the Developer and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Developer shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

208. Entry by the City and Agency. Developer shall permit the City and the Agency, through their officers, agents or employees, at all reasonable times to enter onto the Property and inspect the Property and work of Rehabilitation to determine that the same is in conformity with the Scope of Work and all the requirements hereof. The City and Agency intend that the Property will be inspected not less than annually to ensure compliance with the requirements of this Agreement. Developer acknowledges that the City is under no obligation to supervise, inspect, or inform Developer of the progress of construction, and Developer shall not rely upon the City or Agency

therefor. Any inspection by the City and/or Agency is entirely for its purposes in determining whether Developer is in default under this Agreement and/or compliance with City building codes and is not for the purpose of determining or informing Developer of the quality or suitability of construction. Developer shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

209. Compliance With Laws. The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq*.

209.1 Taxes and Assessments. The Developer shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Developer's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes as provided above. The Developer agrees that it will not apply for a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property even though it may be so entitled by virtue of its nonprofit status.

209.2 Relocation.

a. Survey. Developer shall conduct and submit to the City and Agency a tenant survey, completed by each tenant household currently residing in the Property and such other information as reasonably required by City and Agency necessary to evaluate the relocation obligations, if any, required by federal, state and/or local law with respect to the Developer's acquisition and Rehabilitation of the Property.

b. Existing Tenants. As soon as possible after the date of this Agreement, the City, the Agency and the Developer shall cooperate in sending notices to the existing tenants of the Property notifying such persons of the Developer's duty to complete the Rehabilitation of the Property within two years from the date of this Agreement, (ii) notifying the tenants that they will be entitled to continue to lease their existing units, (iii) notifying the tenants that if they are required to temporarily relocate from their units they will be entitled to payment for out-of-pocket expenses incurred in connection with the temporary relocation, and (iv) offering such tenants the opportunity to lease their current units in the Property for not less than one year after completion of the Rehabilitation, upon reasonable terms and conditions, in conformance with the requirements of Section 92.353(c)(2)(1)(C)(1) of the HOME Program regulations. The form of such notice shall be approved by the City and Agency prior to its delivery to the tenants.

c. Timing of Rehabilitation. The Rehabilitation of the Property shall be conducted in such a manner as to prevent, to the maximum extent feasible, any permanent or temporary displacement of existing tenants of the Property in accordance with applicable law. In the event that any of the current tenants of the Property vacate their units voluntarily, or are evicted for cause based upon a serious or repeated violation of the terms of their lease or occupancy agreement, the Developer shall commence the Rehabilitation of such unit as soon as possible thereafter, and shall not re-lease such unit until after the completion of the Rehabilitation of such unit.

d. Cost of Relocation. In the event that any displacement of tenants of the Property occurs, the City shall provide relocation assistance in accordance with the Federal Uniform Relocation Assistance and Real Property Acquisition Act, 42 U.S.C. § 4201, *et seq.*, the California relocation law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the United States, State of California and the City (collectively, the "Relocation Laws"), and in a manner approved by the City and Agency to each tenant household required to temporarily or permanently vacate a unit within the Property for purposes of completing the Rehabilitation. In the event of permanent displacement of existing tenants due to the implementation of this Agreement, despite the Developer's efforts to prevent such displacement as provided above, the City and Agency shall be fully responsible for administering determinations of eligibility and payments pursuant to the Relocation Laws. The City shall bear the cost of such relocation.

209.3 Liens and Stop Notices. The Developer shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Developer shall within thirty (30) days of such recording or service or within five (5) days of the demand of the City or Agency, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the City and Agency a surety bond in sufficient form and amount, or otherwise; or provide the City with other assurance which the City and Agency deem, in their sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of City and Agency from the effect of such lien or bonded stop notice.

209.4 HOME Program Requirements. The City Loan will be provided through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, as it now exists and as it may hereafter be amended, pursuant to the implementing regulations set forth at 24 CFR 92, as they now exist and as they may hereafter be amended (the "HOME Program"). Accordingly, the Developer shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Specifically, without limitation, as applicable, the Rehabilitation shall comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. §327a - 332) and other federal laws and regulations pertaining to labor standards. Upon request, the City shall provide to the Developer a copy of applicable HOME Program requirements.

300. OPERATION OF HOUSING

301. Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease three of the six housing units within the Property to households with incomes that do not exceed sixty percent (60%) of Los Angeles County median income ("AMI"), adjusted for family size ("Low Income Households"), as established and amended from time to time by the United States Department of Housing and Urban Development ("HUD"), and the remaining three units to households with incomes that do not exceed one hundred twenty percent (120%) of AMI as established by HUD, all at an Affordable Rent (the "Affordable Units"). After the tenant's initial occupancy of an Affordable Unit designated for Low Income Households or as High Home Rent Units, the tenant's income may increase above such level, provided that if the tenant's income exceeds eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit F and incorporated herein by reference.

The Developer shall annually submit to the City and the Agency a completed income computation and certification form, in a form to be provided by the City and Agency. The Developer

shall certify that each tenant of the Property meets the income restrictions of this Section 301. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. The Developer shall verify the income certification of the tenant in one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

The Property shall be subject to the requirements of this Article 300 in perpetuity commencing upon the date of the Developer's acquisition of the Property. The duration of this requirement shall be known as the "Affordability Period."

302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the City and Agency in accordance with the HOME Program requirements, Community Redevelopment Law requirements, and the following requirements:

a. The Monthly Rent payable by each tenant of an Affordable Unit designated for Low Income Households shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD pursuant to CFR 888.111, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by HUD, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income. Agency and Developer acknowledge and agree that the three units available and affordable to Low Income Households meet the guidelines for High HOME Rent Units.

b. The Monthly Rent payable by the tenant of the three Affordable Units designated for Moderate Income Households shall not exceed the (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit.

For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and facilities associated therewith, (b) any separately charged fees or service charges assessed by the Developer which are required of all

tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

303. Lease Requirements. Prior to disbursement of the City Loan, the Developer shall submit a standard lease form to the City for its approval. The City shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Developer shall enter into a written lease, in the form approved by the City, with each tenant of the Property. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

305. Selection of Tenants. The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided herein. The Developer shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the City in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Developer shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

306. Intentionally Reserved

307. Occupancy Standards. Occupancy of one bedroom housing units shall be limited to three persons and occupancy of the two-bedroom housing unit shall be limited to five persons.

308. Maintenance. The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, and the standard of maintenance of similar housing units within Los Angeles County, California. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the City or Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the City or Agency with respect to landscaping and building improvements, then the City and Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the City or Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the City or Agency, as appropriate, upon demand.

309. Management Plan. The Developer shall submit for the approval of the City and Agency a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the City and Agency.

If the City or Agency determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the City and/or Agency shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 401 hereof, the City and the Agency shall each have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the City and Agency, which is not related to or affiliated with the Developer, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health and Safety Code Section 33418 and shall annually complete and submit to City and Agency a Certification of Continuing Program Compliance in the form provided by the City and Agency. Representatives of the City and Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the City and Agency in making the Property available for such inspection or audit. If for any reason the City or Agency is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the City and Agency may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. Developer shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the City and Agency and their successors and assigns, and shall remain in effect in perpetuity.

312. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the Agency Loan and City Loan are set forth in the "Regulatory Agreement" which is attached hereto as Exhibit F and incorporated herein by reference. The execution and recordation of the Regulatory Agreement is a condition precedent to the disbursement of the Agency Loan and the City Loan, as set forth in Section 103 hereof.

400. DEFAULT AND REMEDIES

401. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Amended and Restated Promissory Note, and/or the Deed of Trust, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within five (5) days if the claimed Default is a failure to pay amounts due pursuant to the Amended and Restated Promissory Note, or thirty (30) days from receipt of such notice for all other claimed Defaults hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Developer is in default on any loan or deed of trust, the Developer shall immediately deliver to the City and Agency a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the City and Agency shall each have the right (but not be obligated to) cure such default. In such event, the City and Agency shall be entitled to reimbursement from the Developer of all costs and expenses they have actually incurred in curing such default. The City or Agency (as applicable) shall be entitled to add the amount incurred by it to the amounts owing pursuant to the Amended and Restated Promissory Note, and secured by the Deed of Trust.

402. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement and/or the Amended and Restated Promissory Note, the Deed of Trust or Regulatory Agreement (collectively, the "Loan Documents"), including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under the Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Loan Documents, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Developer will relieve the City and Agency of any obligation to perform hereunder, including without limitation to make or continue the City Loan and Agency Loan, and the right to cause all indebtedness of the Developer to the City under this Agreement and the Amended and Restated Promissory Note, together with any accrued interest thereon, to become immediately due and payable.

403. Force Majeure. Subject to the party's compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be in default, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots, floods,

earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, or acts or failures to act of any public or governmental entity (except that the acts or failure to act of the City or Agency shall not excuse performance of the City or Agency hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Developer for purposes of this Section 403.

404. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder or under any of the Loan Documents, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

405. Remedies Cumulative. No right, power, or remedy given by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise.

406. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

407. Non-Liability of City and Agency Officials and Employees. No member, official, employee or agent of the City or Agency shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the City or Agency or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

500. GENERAL PROVISIONS

501. Time. Time is of the essence in this Agreement.

502. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

Developer: Burbank Housing Corporation
153 West Elmwood Avenue
Burbank, California 91510
Attention: Judith S. Arandes, Executive Director

City: City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Community Development Director

Agency: Redevelopment Agency of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: Assistant Executive Director

Such addresses may be changed by notice to the other party given in the same manner as provided above.

503. Representations and Warranties of Developer. Developer hereby represents and warrants to the City as follows:

a. Organization. Developer is a duly organized, validly existing nonprofit corporation in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

b. Authority of Developer. Developer has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, to acquire, Rehabilitate and operate the Property, and to perform and observe the terms and provisions of all of the above.

c. Valid Binding Agreements. This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Developer enforceable against it in accordance with their respective terms.

d. Pending Proceedings. Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Developer, threatened against or affecting Developer or the Property, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Developer, materially affect Developer's ability to repay the City Loan or impair the security to be given to the City pursuant hereto.

e. Layering Review. The Developer acknowledges that a layering review was performed in accordance with 24 CFR 92.250 (b). The Developer hereby represents and certifies to the City that no government assistance other than the City Loan and the Agency Loan has been obtained or is contemplated to be obtained for the acquisition and rehabilitation of the Property. The Developer agrees to notify the City in the event that it applies for or proposes to use other governmental funds for the Property prior to the end of the Affordability Period.

504. Limitation Upon Change in Ownership, Management and Control of the Developer.

a. Prohibition. The identity and qualifications of Developer as a locally based, experienced and successful operator of affordable housing projects, and as a "Community Housing Development Organization" (as defined in the HOME Program regulations), are of particular concern to the City and Agency. It is because of this identity and these qualifications that the City and Agency have entered into this Agreement with the Developer. No voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Developer make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property, without the prior written approval of the City and Agency pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

b. Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, City and Agency approval of an assignment or transfer of this Agreement, the City Loan, the Promissory Note, the Deed of Trust, the Regulatory Agreement, or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 504, shall not be required in connection with any of the following (the "Permitted Transfers"):

(i) Subject to the restrictions of Sections 301 through 311 of this Agreement and the Regulatory Agreement, the lease of units within the Property to qualified tenants.

(ii) Assignment for financing purposes, subject to such financing being reasonably considered and approved by the City and Agency.

In the event of an assignment by Developer not requiring the prior approval of the City and Agency, Developer nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to City and Agency of such assignment or transfer.

c. City and Agency Consideration of Requested Transfer. The City and Agency agree that they will not unreasonably withhold approval of a request made pursuant to this Section 504, provided (a) the Developer delivers written notice to the City and Agency requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability, and comparable net worth and resources, as the proposed transferor or assignor, and (c) the assignee or transferee assumes the obligations of the Developer under this Agreement in a form which is reasonably acceptable to the City, and (d) the assignee or transferee is a Community Housing Development Organization. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the City and Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 504(c) and other criteria as reasonably determined by the City and Agency. The City and Agency shall approve or disapprove the request within thirty (30) days of its receipt of the Developer's notice and all information and materials required herein. In no event, however, shall the City be obligated to approve the assignment or transfer of the City Loan, Promissory Note or Deed of Trust pursuant to this Section 504, except to an approved transferee or assignee of the Developer's rights in and to the Property.

d. Successors and Assigns. This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Developer and the

permitted successors and assigns of the Developer. Whenever the term "Developer" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

505. No Third Parties Benefited. This Agreement is made and entered into for the sole protection and benefit of the City, the Agency and Developer and their permitted successors and assigns, and no other person or persons shall have any right of action hereon.

506. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

507. Governing Law. This Agreement and the Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

508. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer, City and Agency.

509. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the City, such approval may be given on behalf of the City by the City Manager or his or her designee. The City Manager or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the City, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, revisions to the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the City hereunder. Where this Agreement requires an approval or consent of the Agency, such approval may be given on behalf of the Agency by the Agency Executive Director or his or her designee. The Agency Executive Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Agency, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, revisions to the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Agency hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date set forth above.

LEGAL DESCRIPTION

That real property located in the State of California, County of Los Angeles, City of Burbank, and described as follows:

LOT 1, TRACT NO. 14564, IN THE CITY OF BURBANK, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 420, PAGES 33 AND 34 OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY.

EXHIBIT B

PROMISSORY NOTE

$3,007,265.48

July 17, 2001

Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit corporation ("Developer"), promises to pay to the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK,** a public body, corporate and politic (the "Agency"), or order, at the Agency's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the Agency may designate in writing, the principal sum of Three Million Seven Thousand Two Hundred Sixty Five and 48/100 ($3,007,265.48) (the "Note Amount"), in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreements.** This Promissory Note (the "Note") is given in accordance with that certain Purchase and Sale Agreement by and between the Agency and Developer, dated November 30, 1999 ("Purchase Agreement"), and an Affordable Housing Agreement executed by the Agency, the City of Burbank and the Developer, dated as of _____, 2001 (the "AHA"). Under the Purchase Agreement, the Agency provided a loan of 2.8 million dollars to acquire the real property subject to the purchase agreement. As of the date of this Note, the Developer has repaid $52,734.52. Under the AHA, the Agency agreed to loan Developer $100,000 and the City of Burbank agreed to loan Developer $160,000, to which the Agency will collect and administer on behalf of City. The purpose of the Agency Loan and City Loan under the AHA is to assist Developer with the acquisition and rehabilitation of a six-unit rental apartment complex at 199 W. Elmwood Avenue in the City of Burbank. This Note is intended to consolidate the outstanding debt owed by Developer to Agency/City under the Purchase Agreement Note and the AHA. The rights and obligations of the Developer and the Agency under this Note shall be governed by the Purchase Agreement, the AHA, and by the additional terms set forth in this Note.

2. **Interest.** The Note Amount shall accrue no interest.

3. **Repayment of Note Amount.** The Note Amount shall be paid by the Developer's annual payment to the Agency of an amount equal to one hundred percent (100%) of the "Residual Receipts" (as defined below) from operation of the Property (which for the purpose of this Note and the Deed of Trust consists of certain real property improved with ten multifamily apartment complexes in the City of Burbank, located at 153 West Elmwood, 158 West Elmwood, 159 West Elmwood, 164 West Elmwood, 165 West Elmwood, 170 West Elmwood, 171 West Elmwood, 188 West Elmwood, 194 West Elmwood and 199 West Elmwood), as determined by a residual receipts calculation from the operation of the Property in the preceding calendar year. Annual residual receipts payments shall be made by the Developer by cashier's check and shall be delivered on or before April 1 of each year during the term of this Note, commencing on April 1, 2002, until the Note Amount has been repaid in full. Any remaining balance of the Note Amount still owing as of November 29, 2029 shall be due and payable on that date. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

As used herein, "Residual Receipts" shall mean Income less the Operating Expenses (as defined below) for each calendar year.

As used in this Note "Income" shall mean all gross income and all revenues of any kind from the Property in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

As used herein, "Operating Expenses" shall mean actual, reasonable and customary (for comparable affordable housing projects in Los Angeles County) costs, fees and expenses directly incurred, paid, and attributable to the operation, maintenance, and management of the Property in a calendar year, including: (a) Notwithstanding anything to the contrary stated in the Purchase Agreement or the Agency Regulatory Agreement encumbering the real property subject to the Purchase Agreement, a property management fee not greater than six percent (6%) of gross rents from the Property; (b) asset management fee not greater than two percent (2%) of gross rents from the Property; (c) payments to a capital replacement reserve account in an amount set forth in Section 405 of the Purchase Agreement and Section 12 of the Regulatory Agreement attached as Exhibit F to the AHA, shall not exceed $65,000; (d) painting, cleaning, repairs, alterations, landscaping, utilities, refuse removal, certificates, permits and licenses, sewer charges, real and personal property taxes, assessments, insurance, security, advertising and promotion, janitorial services not included in property management, cleaning and building supplies, purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishings, fees and expenses of accountants, attorneys and other professionals, (e) costs of operating the Elmwood Achievement Center at 153 West Elmwood Avenue, which shall not exceed $62,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, (f) the Corporation Expenses, which shall not exceed $101,000 during calendar year 2000, with the maximum amount subject to an increase of 3.5% in each subsequent year, and (g) other actual, reasonable and customary operating costs and capital costs which are directly incurred and paid by the Developer. The Operating Expenses shall not in any event include non-cash expenses, including without limitation, depreciation.

The Operating Expenses, Income and Residual Receipts shall be reported to the Agency annually before April 1 of each year, accompanied by an annual financial statement with respect to the Property that has been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statement presents the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles, and that the payment made is the amount due under this Note.

Notwithstanding the foregoing, however, the total amount of the principal and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the Property that is subject to the Deed of Trust securing this Note, or any portion of the Property; or

b. in the event of a default by the Developer under the Purchase Agreement, the AHA, any Agency Regulatory Agreement recorded against any property subject to the Deed of Trust securing this Note, the Deed of Trust securing this Note, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the Agency to declare them due subsequently.

4. **Security.** This Note is secured by a Deed of Trust dated the same date as this Note. This Note and the Deed of Trust shall be prior and superior to all other liens and encumbrances upon the Property, except as otherwise approved by the Agency.

5. **Waivers**

a. Developer expressly agrees that this Note or any payment hereunder may be extended from time to time at the Agency's sole discretion and that the Agency may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Developer.

b. No extension of time for payment of this Note made by agreement by the Agency with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Developer under this Note, either in whole or in part.

c. The obligations of Developer under this Note shall be absolute and Developer waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. **Attorneys' Fees and Costs.** Developer agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

7. **Deed of Trust Acceleration.** The Deed of Trust, the Purchase Agreement, and the AHA provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Agreement.

8. **Amendments and Modifications.** This Note may not be changed orally, but only by an amendment in writing signed by Developer and by the Agency.

9. **Agency May Assign**. Agency may, at its option, assign its right to receive payment under this Note without necessity of obtaining the consent of the Developer.

10. **Developer Assignment Prohibited.** Except in connection with transfers permitted pursuant to Section 504 of the Agreement, in no event shall Developer assign or transfer any portion of this Note without the prior express written consent of the Agency, which consent may be given or withheld in the Agency's sole discretion.

11. **Terms.** Any terms not separately defined herein shall have the same meanings as set forth in the Agreement.

DEED OF TRUST WITH ASSIGNMENT OF RENTS
(SHORT FORM)

This **DEED OF TRUST WITH ASSIGNMENT OF RENTS** (this "Deed of Trust"), is made as of July 12, 2001, 200_, by **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Trustor"), whose address is 153 West Elmwood Avenue, Burbank, California 91510, to Lawyers Title (and in such capacity herein called the "Trustee"), for the benefit of the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK,** a public body, corporate and politic (and in such capacity herein called the "Beneficiary"), having an office located at 275 East Olive Avenue, Burbank, California 91510-6459.

WITNESSETH: that Trustor grants to Trustee in Trust, with Power of Sale, that property in the County of Los Angeles, State of California, described as:

See attached Attachment A, incorporated herein

Together with the rents, issues and profits thereof, subject, however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

For the purpose of securing (1) payment of indebtedness in the principal amount of $3,007,265.48 according to the terms of a promissory note or notes of even date herewith made by Trustor, payable to order of Beneficiary, and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference or contained herein (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictitious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

End of Legal Description

EXHIBIT D

SCHEDULE OF PERFORMANCE

1. Close of Escrow	Upon satisfaction of Conditions Precedent to Disbursement of the Agency Loan and the City Loan, but not later than September 3, 2001.
2. Developer's commencement of the Rehabilitation.	Within 90 days of the Developer's acquisition of the Property, but not later than December 1, 2001.
3. Developer's completion of the Rehabilitation.	Within 4 months after the commencement of the Rehabilitation, but not later than April 1, 2002.
4. Issuance of Certificate of Completion	Within 45 days of completion of Rehabilitation, but not later May 16, 2002.

EXHIBIT E

SCOPE OF DEVELOPMENT

The Scope of Development will consist of rehabilitation of the buildings and grounds located at 199 W. Elmwood Avenue in the City of Burbank. The rehabilitation work will at a minimum bring the Property into conformance with all uniform codes and municipal standards designed to protect the public welfare and safety. Prior to commencement of work, an assessment will be completed to determine the condition of each apartment and the project common area. Each apartment will be rehabilitated based upon the findings of the assessment survey. The rehabilitation work for each apartment on an as-needed basis would include repairs and/or replacement in the following areas:

Apartment Interiors:	Bathrooms, kitchens, bedrooms, living rooms and halls
Building Exteriors:	Walls, roofs, door and windows
Common Areas:	Landscape and hardscape areas, parking and garage/carport areas.

AFFORDABLE HOUSING AGREEMENT

THIS AFFORDABLE HOUSING AGREEMENT (the "Agreement") is entered into this 11th day of July, 2017 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"),the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic ("Authority"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, for the purpose of the rehabilitation and operation of housing affordable to lower, very low, and extremely low income families.

B. Effective February 1, 2012, the redevelopment dissolution bill, AB 1X 26, eliminated redevelopment agencies in the State of California but authorized local housing authorities to accept the former redevelopment agencies housing assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Housing Authority of the City of Burbank ("Authority") consented to accept the Redevelopment Agency of the City of Burbank ("Agency") housing duties.

C. The Developer is proposing the rehabilitation of 10 units located at 153, 159 and 199 Elmwood Avenue, in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference. The exact units may be located in one or each of the three buildings at Developer's selection.

D. City desires to provide financial assistance to Developer in the form of a loan of HOME funds up to the amount of Four Hundred, Forty-Two Thousand, Five Hundred Dollars ($442,500) (the "City Loan"), towards the rehabilitation of the Property. In consideration for the City Loan, the Developer desires to rehabilitate the Property, and to maintain the Property as an affordable housing project.

E. The rehabilitation and operation of the Property pursuant to this Agreement is in the vital and best interest of the City and the health, safety and welfare of the residents of the City, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

F. On March 21, 2006, Developer, Agency, and City entered into a Loan Agreement which restated and amended prior Affordable Housing Agreements as to eleven (11) income-restricted projects, and combined all properties into one loan agreement. Subsequently ten (10) additional properties were added which either restated the Loan Agreement or amended it (157 West Linden Avenue/160 West Elm Court; 261 West Verdugo Avenue; 2219-2329 North Niagara Street, 2406 N. Naomi Street, 275 Verdugo Avenue, 2615 Thornton Avenue, 225 Linden Avenue, 2234 Catalina, 2223-2235 Catalina Street and 2300 Niagara Street). A new Master Loan Agreement includes cross collateralization and cross default clauses, as further security for the Authority and City. Additionally, a new deed of trust was recorded on all projects securing the combined debt of Developer. The deed of trust recorded on October 25, 2006 as Instrument No. 06 2369323 in the Los Angeles County Recorders Office, states that it "secures all indebtedness owed to Beneficiary [City and Agency] ....for future amounts made from time to time, according to the terms of promissory notes made by Trustor [BHC]" and as to "payment of additional sums and interest thereon which

may hereafter be loaned to Trustor…when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust as modified, and when this Deed of Trust is amended to include additional obligation.

G. In conjunction with the approval of this Agreement, the parties have amended the Master Loan Agreement on July 11, 2017, the terms of which are incorporated herein by this reference.

NOW, THEREFORE, the parties hereto agree as follows:

100. CITY ASSISTANCE

101. City Loan. In accordance with HOME Regulations, 24 CFR Part 92, the City agrees to loan to the Developer the amount of Four Hundred, Forty-Two Thousand, Five Hundred ($442,500) (the "City Loan") for the rehabilitation of the Property. The Loan subject to the terms and conditions set forth in this Agreement, and subject further to the terms and conditions set forth within the documents and instruments executed by the Developer in connection with this transaction, including the notes and deed of trust attached hereto as Exhibit "B-1" and Exhibit "B-2" and "C" and the "Regulatory Agreement," in substantially the form set forth in Exhibit D and subject to the Master Loan Agreement. No interest shall accrue on the City Note, the term of which shall be fifty-five years from the date the Promissory Note is executed (the "Note Term"). Developer shall have no obligation to repay the City Loan or Promissory Note, or make any installment payments thereon, unless and until Developer commits a material default of this Agreement, the Promissory Note, Deed of Trust, or Regulatory Agreement, and fails to cure said default within the time periods provided in those documents, if any. Upon the occurrence of any uncured material default by the Developer, the City Loan shall be immediately repaid to the City. At the end of the Note Term, provided Developer has not committed or caused the occurrence of a material default of this Agreement, the Promissory Note, Deed of Trust, or the Regulatory Agreement, the City Loan shall be forgiven in its entirety and the City shall, upon the request by Developer, execute and record a partial reconveyance deed removing the portion of the deed of trust attributable to the City Loan from title. The City Loan shall be disbursed to or on behalf of the Developer for the remaining portion of the cost of the rehabilitation of the Property. The City Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 103 hereof. The City Loan shall be used to fund Four Hundred, Forty-Two Thousand, Five Hundred ($442,500), towards the rehabilitation and household moving expenses for those who voluntarily move in or outside of the Property.

102. Reserved.

103. Conditions Precedent to Disbursement of City Loan. The City Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the following conditions (and without any retention requirements):

a. Execution and Delivery of Documents. Developer shall have executed and delivered to the Burbank Housing Authority the respective Promissory Note, the Deed of Trust, and the Regulatory Agreement, and any other documents and instruments required to be executed and delivered by Developer (collectively, the "Loan Documents"). The Deed of Trust shall be a first priority lien upon the Property and shall be a non-recourse obligation of the Developer.

b. Insurance. The Developer shall have presented a certificate to the City and Authority of the insurance policies which are required pursuant to this Agreement.

c. Title Insurance. If desired by the City, the requesting party or parties shall have received from a title insurance company approved by the requesting party or parties a policy of lender's title insurance with mechanic's lien coverage, together with such endorsements as the insured party may require, which shall insure the deed of trust of the requesting party or parties as a valid lien upon the Property, in the lien priority required by this Agreement, and subordinate only to those liens and encumbrances reasonably approved by the insured party.

d. Title to Land. The Developer has good and marketable fee title to the Property, and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than the liens for current real property taxes and assessments not yet due and payable, and any other matters approved in writing by the City and Authority.

e. Recordation. The Deed of Trust and the Regulatory Agreement shall be recorded against the Property concurrently with or prior to the time of the first disbursement of the City Loan.

f. Request for Payment. For payment of Rehabilitation costs, Developer shall have submitted a request for payment to the City and Authority on a form supplied by the City and Authority, together with invoices from contractors and subcontractors and any other requested information and documents, indicating that the particular item of Rehabilitation work for which payment is being requested is complete.

g. Inspection of Work. The City shall have inspected and determined that such Rehabilitation work has been completed in accordance with this Agreement and has been completed in a satisfactory manner in accordance with the standards of the construction industry.

h. No Default. There shall exist no condition, event or act which would constitute an Event of Default (as hereinafter defined) hereunder or which, upon the giving of notice or the passage of time, or both, would constitute an Event of Default.

i. Representations and Warranties. All representations and warranties of Developer herein contained shall be true and correct.

104. Assumption of City Loans. Except in connection with transfers approved or permitted pursuant to this Agreement, no Promissory Note may be assigned or assumed by successors and assigns of Developer. In no event, however, shall Promissory Note be assigned except in connection with the conveyance of the Property to the person or entity which acquires the Property, as approved by the City in its sole and absolute discretion.

105. Condition of the Property. The following requirements shall apply to the Property:

105.1 Indemnification. Developer shall save, protect, pay for, defend, indemnify and hold harmless the City and the Authority and their officers, employees, representatives and agents, from and against any and all liabilities, suits, actions, claims, demands, penalties, damages (including, without limitation, penalties, fines and monetary sanctions), losses, costs or expenses (including, without limitation, consultants' fees, investigation and laboratory fees, attorneys' fees and remedial and response costs) (the foregoing are hereinafter collectively referred to as "Liabilities") which may now or in the future be incurred or suffered by the City, Authority or their officers, employees, representatives or agents by reason of, resulting from, in connection with or arising in any manner whatsoever as a direct or indirect result of the presence on or under, or the escape,

seepage, leakage, spillage, discharge, emission or release from the Property of any Hazardous Materials which is caused by Developer, or its agents, employees, representatives, agents, contractors or invitees.

105.2 Duty to Prevent Hazardous Material Contamination. During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the City and Authority, and provide to the City and Authority a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the City and Authority, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

105.3 Definitions.

"Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the City, the Developer or the Property.

"Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, *et seq.* (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, *et seq.*

200. REHABILITATION OF THE IMPROVEMENTS.

201. Rehabilitation of the Property. The Developer agrees to rehabilitate the Property in accordance with the Scope of Work, attached hereto as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR §882.109, the City Municipal Code and all other applicable state and local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR

part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 hereof. The Developer further agrees to comply with and to cause any contractors and/or subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170u, and the implementing regulations, in connection with the Rehabilitation of the Property. Developer shall submit to the City and Authority one or more construction contracts with a duly licensed contractor or contractors reasonably acceptable to the City and Authority providing for the Rehabilitation of the Property in conformance with the terms of this Agreement. Each such contractor or contractors shall have provided to the City and Authority the certification in appendix B of 24 CFR part 24 that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from this project, and the City and Authority shall be responsible for determining whether each contractor has been debarred. The City and Authority shall reasonably approve such contract or contracts if the City and Authority finds that such contractor or contractors have sufficient experience and expertise necessary to perform the Rehabilitation of the Property in a first class manner in accordance with all of the requirements of this Agreement.

202. Scope of Work. The City and Authority shall not be responsible to the Developer or to third parties in any way for any defects in the Scope of Work, nor for any structural or other defects in any work done according to the approved Scope of Work. The Developer shall hold harmless, indemnify and defend the City and the Authority and their officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the Scope of Work, including without limitation the violation of any laws, and for defects in any work done according to the approved Scope of Work.

203. Cost of Rehabilitation. Developer shall be responsible for funds necessary to complete the Rehabilitation of the Property; provided, however, that in the event that Developer has insufficient funds to fund such work, the Authority shall reasonably consider deleting certain work from the Scope of Work, in order to assure that there are sufficient funds for the Rehabilitation.

204. Timing of Rehabilitation. The Developer hereby covenants and agrees to commence the Rehabilitation of the Property within 12 months as set forth in the Schedule of Performance, attached hereto as Exhibit F and incorporated herein by reference. The Developer further covenants and agrees to diligently prosecute to completion the Rehabilitation of the Property in accordance with the approved Scope of Work and to file a Notice of Completion pursuant to California Civil Code Section 3093 within the time set forth in the Schedule of Performance.

205. City and Other Governmental Permits. Before commencement of the Rehabilitation of the Property, the Developer shall secure or cause its contractor to be secured any and all permits which may be required by the City or any other governmental agency affected by such construction, including without limitation building permits. The Developer shall pay all necessary fees and take all actions necessary to obtain such permits; the staff of the City and Authority will, without obligation to incur liability or expense therefor, use its best efforts to expedite the City's issuance of building permits for construction that meets the requirements of the City Code, and all other applicable laws and regulations.

206. Right of the City and Authority to Satisfy Other Liens on the Property After City Loans Disbursement. After the Developer has had written notice and has failed after a reasonable time to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Property which are not otherwise permitted under this Agreement, the City and the Authority shall have the right but no obligation to satisfy any such liens or encumbrances. Notwithstanding the

above, the Developer shall have the right to contest the validity or amounts of any tax, assessment, or encumbrance applicable to the Developer in respect thereto.

207. Insurance and Indemnity. The Developer shall take out and maintain or shall cause its contractor to take out and maintain until the issuance of the Certificate of Completion pursuant to this Agreement, a comprehensive general liability policy in the amount of not less than Two Million Dollars ($2,000,000) combined single limit policy. All policies shall protect the Developer, City and Authority from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Authority. Such policy or policies shall be written on an occurrence form. Developer shall also take out and maintain a policy of property damage insurance, with the policy amount in the full replacement value of the Property. The Developer shall also furnish or cause to be furnished to the City and Authority evidence satisfactory to the City and Authority that Developer and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. Prior to the Developer's procurement or renewal of an insurance policy, and not less than annually in any case, the Developer shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the City and Authority setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the City and the Authority and their respective officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify City and the Authority of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage provided hereunder by the Developer shall be primary insurance and not be contributing with any insurance maintained by the Authority or City, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the City and the Authority. The required certificate shall be furnished by the Developer at the time set forth therefor in the Schedule of Performance. Developer shall also take out and maintain, until the end of the Affordability Period, a policy of property damage insurance with the policy amount in the full replacement value of the Property.

In addition to the foregoing, the Developer shall defend, indemnify, assume all responsibility for, and hold the Authority and the City, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Developer under this Agreement, whether such activities or performance thereof be by the Developer or by anyone directly or indirectly employed or contracted with by the Developer and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Developer shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Authority or City or its agents or employees.

208. Entry by the City and Authority. Developer shall permit the City and the Authority, through their officers, agents or employees, at all reasonable times to enter onto the Property and inspect the Property and work of Rehabilitation to determine that the same is in conformity with the Scope of Work and all the requirements hereof. The City and Authority intend that the Property will be inspected not less than annually to ensure compliance with the requirements of this Agreement. Developer acknowledges that the City or Authority is under no obligation to

supervise, inspect, or inform Developer of the progress of construction, and Developer shall not rely upon the City or Authority therefor. Any inspection by the City and/or Authority is entirely for its purposes in determining whether Developer is in default under this Agreement and/or compliance with City building codes and is not for the purpose of determining or informing Developer of the quality or suitability of construction. Developer shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

209. Compliance with Laws. The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable federal and state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq.*

209.1 Taxes and Assessments. The Developer shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Authority does not represent or warrant to the Developer that such an exemption will be available to the Developer. The Developer shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Developer's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes as provided above.

209.2 Relocation.

a. Timing of Rehabilitation. The Rehabilitation of the Property shall be conducted in such a manner as to prevent, any permanent or temporary displacement of existing tenants of the Property in accordance with applicable law. All current tenants of the Property will vacate their units voluntarily. The Developer shall commence the Rehabilitation of an available unit(s) as soon as possible thereafter consistent with the Schedule of Performance, and shall not release such unit until after the completion of the Rehabilitation of such unit.

b. Cost of Relocation. This Project does not involve the displacement of tenants.

209.3 Liens and Stop Notices. The Developer shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Developer shall within thirty (30) days of such recording or service or within five (5) days of the demand of the City or Authority, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the City and Authority a surety bond in sufficient form and amount, or otherwise; or provide the City with other assurance which the City and Authority deem, in their sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of City and Authority from the effect of such lien or bonded stop notice.

209.4 HOME Program Requirements. The City Loans will be provided through funds provided to the City from the HOME Investment Partnership Act, 42 U.S.C. § 12701, *et seq.*, as it now exists and as it may hereafter be amended, pursuant to the implementing regulations set forth at 24 CFR 92, as they now exist and as they may hereafter be amended (the "HOME

Program"). Accordingly, the Developer shall comply with all applicable requirements of the HOME Program, as it now exists or may hereafter be amended. Specifically, without limitation, as applicable, the Rehabilitation shall comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. §327a - 332) and other federal laws and regulations pertaining to labor standards. Upon request, the City shall provide to the Developer a copy of applicable HOME Program requirements.

300. OPERATION OF HOUSING

301. Affordable Units. The Developer agrees to make available, restrict occupancy to, and lease at an Affordable Rent (the "Affordable Units"):

> Three (3) two-bedroom units within the Property to households with incomes that do not exceed the stricter of: (i) the qualifying limits for Very-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or (ii) the limits defined under California Health and Safety Code Section 50105 for Very-Low Income Households, adjusted for household size; and
>
> Two (2) two-bedroom units and five (5) one-bedroom units within the Property to households with income that do not exceed the stricter of: (i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or (ii) the limits defined under California Health and Safety Code Section 50079.5 for Low-Income Households, as adjusted for households size.

The HOME affordable units will float within the Property. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit D and incorporated herein by reference. Any variation from these requirements must comply with the procedure set forth in Section 313 of this Agreement.

The Developer shall annually submit to the City and the Authority a completed income computation and certification form, in a form to be provided by the City and Authority, and such forms may change from time to time. The Developer shall certify that each tenant of the Property meets the income restrictions of this Section 301. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. Unless otherwise specified by the Authority or City, the Developer shall verify the income certification of the tenant in accordance with HUD or HCD regulations which may include one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

302. Affordable Rent. The maximum Monthly Rent chargeable to income eligible households shall be annually determined by the City and Authority in accordance with the HOME Program requirements. The maximum rent that the Developer may change any household occupying an affordable unit shall meet the following requirements:

a. The Monthly Rent payable by a tenant who meets the income limits for very-low income households shall not exceed the lesser of: a.) HOME Program Low HOME income rents as established and amended annually by the United States Department of Housing and Urban Development (HUD), adjusted for number of bedrooms in the unit, as well as the reasonable monthly utility allowance; or b.) the very-low income rents set forth in Health & Safety Code Section 50053 and Section 50106 based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance

b. The Monthly Rent payable by a tenant who meets the income limits for Low Income Households shall not exceed the lesser of: a.) HOME program High HOME income rents as established and amended annually by the United States Department of Housing and Urban Development (HUD), adjusted for number of bedrooms in the unit, as well as the reasonable monthly utility allowance; or b.) the Low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

c. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than the qualifying limits set forth above, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

e. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and required facilities associated therewith (including parking), (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

303. Lease Requirements. Prior to disbursement of the City Loans, the Developer shall submit a standard lease form to the City for its approval. The City shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Developer shall enter into a written lease, in the form approved by the City, with each tenant of the Property. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City and the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

305. Selection of Tenants. The Property shall be leased to current tenants selected by the Developer who meet all of the requirements provided herein. The Developer shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the City in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Developer shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

306. Affordability Period. Affordability Period means the duration of the affordable housing requirements which are set forth in this Agreement and the Regulatory Agreement. The project shall be subject to the requirements herein in perpetuity commencing upon the completion of the rehabilitation. For purposes of this Section, "in perpetuity" was defined with the last project approval in 2015 and means the useful life of the Property with the land use controls imposed, but not less than fifty-five (55) years, which exceeds the HOME minimum affordability requirement of 15 years. The duration of this requirement shall be known as the "Affordability Period."

307. Occupancy Standards. To the extent legally possible, occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of this Section 307.

308. Maintenance. The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner, in accordance with the HUD Housing Quality Standards and the maintenance standards required by Section 92.251 of the HOME Regulations, the standard of maintenance of similar housing units within Los Angeles County, California, and the standards required by the City Municipal Code. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the City or Authority with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the City or Authority with respect to landscaping and building improvements, then the City and Authority, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the City or Authority and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the City or Authority, as appropriate, upon demand.

309. Management Plan. The Developer shall submit for the approval of the City and Authority a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant

participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the City and Authority.

If the City or Authority determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the City and/or Authority shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 401 hereof, the City and the Authority shall each have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the City and Authority, which is not related to or affiliated with the Developer, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements set forth in Section 92.508 (or successor regulation) of the HOME Regulations and Health and Safety Code Section 33418 and shall annually complete and submit to City and Authority a Certification of Continuing Program Compliance in the form provided by the City and Authority. Representatives of the City and Authority shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the City and Authority in making the Property available for such inspection or audit. If for any reason the City or Authority is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the City and Authority may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. Developer shall also comply with the equal opportunity and fair housing requirements set forth in Section 92.350 of the HOME Regulations. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the City and Authority and their successors and assigns, and shall remain in effect in perpetuity.

312. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the City Loans are set forth in the "Regulatory Agreement" which is attached hereto as Exhibit D and incorporated herein by reference. The execution and recordation of the Regulatory Agreement is a condition precedent to the disbursement of the City Loans.

313. Leasing Affordable Units Below Income Level Designations. In the event Developer is unable to lease an Affordable Unit at its designated income level, Developer may submit a request to the Authority's Executive Director, or its designee, to lease a particular Affordable Unit at a level that is below the agreed unit designation set forth in Section 301 of this

Agreement. The Executive Director, or its designee, may, in his or her sole discretion, approve such requests upon making a finding that, for a period of not less than ninety (90) days, Developer has made all reasonable efforts to market the Affordable Unit to prospective tenants at the designated income level, that there are no apparent qualified applicants at the designated income level, and that there are no significant financial impacts to the project. The Executive Director, or its designee, may authorize one or more lower income designations. The new tenants for the temporarily redesignated Affordable Unit must have a household income that meets the appropriate income designation (depending on the unit redesignation) as set forth below:

a.) Very-Low Income Households ("Very-Low Income Households") that do not exceed the following: i) qualifying limits for Very-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for Very-Low Income Households, adjusted for household size; and includes Extremely-Low Income Households.

b.) Low-Income Households ("Low-Income Households") that do not exceed the following: i) the qualifying limits for Low-Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50053 for Low-Income Households, as adjusted for households size; and includes Extremely Low and Very-Low Income Households.

In order to maintain the household income mix set forth in Section 301 above, Developer shall lease the next available Affordable Unit at the income level subject to the any waiver granted pursuant to this section. Developer shall re-apply for approval to vary from such designation, in the event Developer is unable to again lease an Affordable Unit at the designated income level.

400. DEFAULT AND REMEDIES

401. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Promissory Notes , and/or the Deed of Trust, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within five (5) days if the claimed Default is a failure to pay amounts due pursuant to the Promissory Note, or thirty (30) days from receipt of such notice for all other claimed Defaults hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Developer is in default on any loan or deed of trust, the Developer shall immediately deliver to the City and Authority a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the City and Authority shall each have the right (but not be obligated to) cure such default. In such event, the City and Authority shall be entitled to reimbursement from the Developer of all costs and expenses they have actually incurred in curing such default. The City or Authority (as

applicable) shall be entitled to add the amount incurred by it to the amounts owing pursuant to the Promissory Note, and secured by the Deed of Trust.

402. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement and/or, the Promissory Note, the Deed of Trust or Regulatory Agreement (collectively, the "Loan Documents"), including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under the Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Loan Documents, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Developer will relieve the City and Authority of any obligation to perform hereunder, including without limitation to make or continue the City Loans, and the right to cause all indebtedness of the Developer to the City under this Agreement and the Promissory Note, together with any accrued interest thereon, to become immediately due and payable.

403. Force Majeure. Subject to the party's compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be in default, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, or acts or failures to act of any public or governmental entity (except that the acts or failure to act of the City or Authority shall not excuse performance of the City or Authority hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Developer for purposes of this Section 403.

404. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder or under any of the Loan Documents, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

405. Remedies Cumulative. No right, power, or remedy given by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise.

406. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

407. Non-Liability of City and Authority Officials and Employees. No member, official, employee or agent of the City or Authority shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the City or Authority or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

500. GENERAL PROVISIONS

501. Time. Time is of the essence in this Agreement.

502. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

Developer: Burbank Housing Corporation
1819 Grismer Avenue
Burbank, California 91504
Attn: Executive Director

City: City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91510-6459
Attention: Community Development Director

Authority: Housing Authority of the City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91510-6459
Attention: Assistant Executive Director

Such addresses may be changed by notice to the other party given in the same manner as provided above.

503. Representations and Warranties of Developer. Developer hereby represents and warrants to the City as follows:

a. Organization. Developer is a duly organized, validly existing nonprofit corporation in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

b. Authority of Developer. Developer has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, to acquire, Rehabilitate and operate the Property, and to perform and observe the terms and provisions of all of the above.

c. Valid Binding Agreements. This Agreement and the Loan Documents and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of Developer enforceable against it in accordance with their respective terms.

d. Pending Proceedings. Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of Developer, threatened against or affecting Developer or the Property, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to Developer, materially affect Developer's ability to repay the City Loans or impair the security to be given to the City and/or Authority pursuant hereto.

e. Layering Review. The Developer acknowledges that a layering review was performed in accordance with 24 CFR 92.250 (b). The Developer hereby represents and certifies to the City that no government assistance other than the City Loans has been obtained or is contemplated to be obtained for the acquisition and rehabilitation of the Property. The Developer agrees to notify the City and Authority in the event that it applies for or proposes to use other governmental funds for the Property prior to the end of the Affordability Period.

504. Limitation Upon Change in Ownership, Management and Control of the Developer.

a. Prohibition. The identity and qualifications of Developer as a locally based, experienced and successful operator of affordable housing projects, and as a "Community Housing Development Organization" (as defined in the HOME Program regulations), are of particular concern to the City and Authority. It is because of this identity and these qualifications that the City and Authority have entered into this Agreement with the Developer. No voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Developer make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property, without the prior written approval of the City and Authority pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

b. Permitted Transfers. Notwithstanding any other provision of this Agreement to the contrary, City and Authority approval of an assignment or transfer of this Agreement, the City Loans, the Promissory Note, the Deed of Trust, the Regulatory Agreement, or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 504, shall not be required in connection with any of the following (the "Permitted Transfers"):

(i) Subject to the restrictions of Sections 301 through 311 of this Agreement and the Regulatory Agreement, the lease of units within the Property to qualified tenants.

(ii) Assignment for financing purposes, subject to such financing being considered and approved by the City and Authority.

In the event of an assignment by Developer not requiring the prior approval of the City and Authority, Developer nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to City and Authority of such assignment or transfer.

c. City and Authority Consideration of Requested Transfer. The City and Authority agree that they will not unreasonably withhold approval of a request made pursuant to this Section 504, provided (a) the Developer delivers written notice to the City and Authority requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability, and comparable net worth and resources, as the proposed transferor or assignor, and (c) the assignee or transferee assumes the obligations of the Developer under this

Agreement in a form which is reasonably acceptable to the City and Authority, and (d) the assignee or transferee is a Community Housing Development Organization. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the City and Authority to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 504(c) and other criteria as reasonably determined by the City and Authority. The City and Authority shall approve or disapprove the request within thirty (30) days of its receipt of the Developer's notice and all information and materials required herein. In no event, however, shall the City or Authority be obligated to approve the assignment or transfer of the City Loans, Promissory Note or Deed of Trust pursuant to this Section 504, except to an approved transferee or assignee of the Developer's rights in and to the Property.

d. Successors and Assigns. This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Developer and the permitted successors and assigns of the Developer. Whenever the term "Developer" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

505. No Third Parties Benefited. This Agreement is made and entered into for the sole protection and benefit of the City, the Authority and Developer and their permitted successors and assigns, and no other person or persons shall have any right of action hereon.

506. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

507. Governing Law. This Agreement and the Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

508. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer, City and Authority. City and Authority shall maintain authority of this Agreement and the authority to implement this Agreement through the City Manager and through the Authority's Executive Director (or their respective duly authorized representatives). The City Manager and the Authority's Executive Director (or their respective duly authorized representatives) shall have the authority to make approvals, issue interpretations, execute documents, and/or enter into certain amendments of this Agreement, on behalf of City and Authority, respectively, including but not limited to reasonable requests of Developer, or the requirements of the HOME Program, so long as such actions do not materially or substantially change the uses or development permitted on the Property, or add to the costs incurred or to be incurred by City and Authority as specified herein, and such approvals, interpretations and/or amendments may include extensions of time to perform as specified in the Schedule of Performance. All other material and/or substantive interpretations, waivers, or amendments shall require the consideration, action and written consent of the City Council and Authority Board.

509. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the City, such approval may be given on behalf of the City by the City Manager or his or her designee. The City Manager or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the City, including without limitation the execution of such documents or

agreements as may be contemplated by this Agreement, revisions to the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the City hereunder. Where this Agreement requires an approval or consent of the Authority, such approval may be given on behalf of the Authority by the Authority Executive Director or his or her designee. The Authority Executive Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Authority, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, revisions to the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Authority hereunder.

510. Exhibits if executed. When Exhibits are executed as if an original document, then it will be assumed that the intent of the signatory was that such exhibit be treated as a stand alone original, and not merely as an exhibit.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date set forth above.

LEGAL DESCRIPTION

That real property located in the State of California, County of Los Angeles, City of Burbank, and described as follows:

153 and 159 West Elmwood Avenue
LOTS 8, 9, 10 AND 11 OF TRACT NO. 14564, IN THE CITY OF BURBANK, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 420, PAGES 33 AND 34 OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY.

199 West Elmwood Avenue
LOT 1, TRACT NO. 14564, IN THE CITY OF BURBANK, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 420, PAGES 33 AND 34 OF MAPS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY.

PROMISSORY NOTE

[See the page that follow]

PROMISSORY NOTE
(CITY)

153, 159 and 199 Elmwood Avenue, in the City of Burbank, California

$442,500 _____, 2017
Burbank, California

FOR VALUE RECEIVED, BURBANK HOUSING CORPORATION, a California nonprofit corporation ("Borrower"), promises to pay to the **CITY OF BURBANK**, a California municipal corporation (the "City"), or order, at the City's office at 275 East Olive Avenue, Burbank, California 91510-6459, or such other place as the City may designate in writing, the principal sum of **Four Hundred, Forty-Two Thousand, Five Hundred Dollars ($442,500 .00)** in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

1. **Agreement.** This Promissory Note (the "Note") is given in accordance with that certain Affordable Housing Agreement executed by the City, Housing Authority and the Borrower, dated as of _____, 2017 (the "Agreement") and the Master Loan Agreement dated July ___, 2017, each of which is incorporated herein by this reference. The rights and obligations of the Borrower and the City under this Note shall be governed by the Agreement and by the additional terms set forth in this Note. In the event of any conflict, the Master Loan Agreement prevails, then the Affordable Housing Agreement, then the Promissory Note.

2. **Interest.** No interest shall accrue on the Note Amount.

3. **Repayment of Note Amount.** The Note Amount shall be immediately due and payable in the event that one of the repayment conditions set forth herein, to wit: Borrower commits a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreement, and fails to cure said default within the time periods provided in those documents, if any. Otherwise, Borrower shall have no obligation to pay this Note or make any installment payment thereon. At the fifty-fifth (55th) anniversary of the date this Note is executed, provided Borrower has not committed or caused the occurrence of a material default of the Agreement, this Note, the Deed of Trust securing this Note, or the Regulatory Agreement, the Note Amount will forgiven in its entirety. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

Notwithstanding the foregoing, however, the total amount of the principal, interest and any other amounts owing under this Note shall become immediately due and payable upon the earlier to occur of the following:

a. the sale, lease, exchange or other conveyance of the Property, as that term is defined in the Agreement (other than transfers approved or permitted pursuant to the Agreement); or

b. in the event of a default by the Borrower under the Agreement, the Deed of Trust securing this Note, the Regulatory Agreement, or this Note, which has not been cured within the period of time set forth in those documents.

Failure to declare such amounts due shall not constitute a waiver on the part of the City to declare them due subsequently.

4. Security. This Note shall be secured by the Deed of Trust recorded as Instrument No. 06 2369323 in Official Records of the Los Angeles County Recorders Office on 10/25/06. A second Deed of Trust, which incorporated the initial deed of trust and which reflects the additional security shall be recorded on the property described in the Agreement. The underlying loan requires that the property act as security for all of the Notes provided to Authority and City by Borrower through a cross collectivization and cross default provision. A default of this Note could result in foreclosure of all projects identified in the 10/25/06 Deed of Trust, plus the new properties identified in the supplemental Deed of Trust, and any future properties which secure future indebtedness .

5. Waivers.

a. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the City's sole discretion and that the City may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

b. No extension of time for payment of this Note made by agreement by the City with any person now or hereafter liable for the payment of this Note shall operate to release, discharge, modify, change or affect the original liability of Borrower under this Note, either in whole or in part.

c. The obligations of Borrower under this Note shall be absolute and Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this Note for any reasons whatsoever.

6. Attorneys' Fees and Costs. Borrower agrees that if any amounts due under this Note are not paid when due, to pay in addition, all costs and expenses of collection and reasonable attorneys' fees paid or incurred in connection with the collection or enforcement of this Note, whether or not suit is filed.

7. Deed of Trust Acceleration. The Deed of Trust and the Agreement provide for acceleration of the payments due under this Note in the event of default under the Deed of Trust or Agreement.

8. Amendments and Modifications. This Note may not be changed orally, but only by an amendment in writing signed by Borrower and by the City.

9. City May Assign. City may, at its option, assign its right to receive payment under this Note without necessity of obtaining the consent of the Borrower.

10. Borrower Assignment Prohibited. Except in connection with transfers permitted pursuant to the Agreement, in no event shall Borrower assign or transfer any portion of this Note without the prior express written consent of the City, which consent may be given or withheld in the City's sole discretion.

11. Terms. Any terms not separately defined herein shall have the same meanings as set forth in the Agreement and the Master Loan Agreement.

DEED OF TRUST WITH ASSIGNMENT OF RENTS
(SHORT FORM)

This **DEED OF TRUST WITH ASSIGNMENT OF RENTS** (this "Deed of Trust"), is made as of July 11, 2017, by **BURBANK HOUSING CORPORATION**, a California nonprofit corporation ("Trustor"), whose address is 1819 Grismer Avenue, Burbank, California 91504, to Chicago Title Company (and in such capacity herein called the "Trustee"), for the benefit of the **CITY OF BURBANK**, a municipal corporation and charter city (and in such capacity herein called the "Beneficiary"), having an office located at 275 East Olive Avenue, Burbank, California 91510-6459.

WHEREAS, On March 21, 2006, Trustor entered into a Loan Agreement ("Loan Agreement") with Beneficiary which restated and amended the prior Affordable Housing Agreements as to twelve income-restricted properties, and combined all properties into one loan agreement. The new loan agreement includes cross collateralization and cross default clauses, as further security for Beneficiary. On July 11, 2017, the parties amended the Loan Agreement and entered into a Master Loan Agreement.

WHEREAS, a deed of trust recorded on 10/25/06 in Official Records of the Los Angeles County Recorder's Office as Instrument No. 06 2369323, secures all of the indebtedness owed to Beneficiary as to the amounts owed on October 23, 2006, plus future amounts made from time to time, according to the terms of promissory notes and the deed of trust made by Trustor and as to "payment of additional sums and interest thereon which may hereafter be loaned to Trustor…when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust as modified, and when this Deed of Trust is amended to included additional obligation."

WHEREAS, Trustor executed an amendment to the Loan Agreement which increase the Loan amount by Four Hundred, Forty-Two Thousand Five Hundred ($442,500) evidenced through a City Note, and such amendments stated that the October 23, 2006 Deed of Trust was automatically modified and amended to secure payment of the new amount of indebtedness. Now, the aforementioned additional loans by Beneficiaries has been provided to Trustor, to finance the rehabilitation of 153, 159 and 199 Elmwood Avenue, in the City of Burbank.

WITNESSETH: that Trustor grants to Trustee in Trust, with Power of Sale, that property in the County of Los Angeles, State of California, described as:

See attached Exhibit A, incorporated herein

REGULATORY AGREEMENT

[See the pages that follow]

RECORDING REQUESTED BY)
AND WHEN RECORDED MAIL TO:)

Elmwood Preservation Project

City of Burbank
275 East Olive Avenue
P.O. Box 6459
Burbank, California 91519-6459
Attention: City Clerk

This document is exempt from the payment of a recording fee pursuant to Government Code Section 27383.

REGULATORY AGREEMENT

THIS REGULATORY AGREEMENT (the "Agreement") is entered into as of this 11th day of July, 2017 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **HOUSING AUTHORITY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Authority"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City has received funds from the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, for the purpose of the production and operation of housing affordable to lower, very low, and extremely low income families.

B. Effective February 1, 2012, the redevelopment dissolution bill, AB1X26, eliminated redevelopment agencies in the state of California but authorized local housing authorities to accept the former redevelopment agencies housing assets and housing functions previously performed by the redevelopment agency. On January 31, 2012, the Authority consented to accept the former Redevelopment Agency of the City of Burbank ("Agency") housing duties.

C. The Developer is negotiating an agreement to rehabilitate ten (10) rental units located at 153, 159 and 199 Elmwood Avenue, the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference.

D. The City, the Authority and the Developer have entered into an Affordable Housing Agreement dated as of July 11, 2017, pursuant to which the City have agreed to provide financial assistance to Developer to rehabilitate the Property, and the Developer has agreed to rehabilitate the Property with such financial assistance.

E. The City, the Agency, now Authority as successor, and the Developer have entered into Master Loan Agreement Amendment dated July 11, 2017, pursuant to which City and Agency, now Authority as successor, have required on-going requirements of the loans. If there is any inconsistency between the Agreement and the Master Loan Agreement, the latter prevails.

F. Beginning with this project, the parties intend to extend the term of the Affordability Period of the Agreement so that it is the same as all future regulatory agreements for future projects. It is the intent of the parties to extend this term of this Agreement, as part of all future projects.

G. The execution and recording of this Agreement is a condition to the City making assistance available to the Developer pursuant to the Affordable Housing Agreement.

G. The execution and recording of this Agreement is a condition to the City making assistance available to the Developer pursuant to the Affordable Housing Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. **Duty to Prevent Hazardous Material Contamination.** During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the City and Authority, and provide to the City and Authority a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the City and Authority, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

For purposes of this Section 1, "Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the City, the Developer or the Property.

For purposes of this Section 1, "Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated byphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, et seq. (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, et seq.

2. **Rehabilitation of the Property.** The Developer agrees to rehabilitate the Property in accordance with the provisions of the Affordable Housing Agreement, the Scope of Work which is attached to the Affordable Housing Agreement as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR § 882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize

Together with the rents, issues and profits thereof, subject, however, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits.

The October 23, 2006 Deed of Trust recorded as Instrument No. 06 2369323 is incorporated herein by this reference and the property described in Exhibit A is intended to be added to such properties already listed in the incorporated Deed of Trust to secure (1) payment of indebtedness as of the date of this deed of trust according to the terms of a promissory note or notes of even date herewith made by Trustor, payable to order of Beneficiary, and extensions or renewals thereof, and (2) the performance of each agreement of Trustor incorporated by reference or contained herein (3) payment of additional sums and interest thereon which may hereafter be loaned to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust.

To protect the security of this Deed of Trust, and with respect to the property above described, Trustor expressly makes each and all of the agreements, and adopts and agrees to perform and be bound by each and all of the terms and provisions set forth in subdivision A, and it is mutually agreed that each and all of the terms and provisions set forth in subdivision B of the fictitious deed of trust recorded in Orange County August 17, 1964, in all other counties August 18, 1964, in the book and at the page of Official Records in the office of the county recorder of the county where said property is located, noted below opposite the name of such county, namely:

shall inure to and bind the parties hereto, with respect to the property above described. Said agreements, terms and provisions contained in said subdivision A and B, (identical in all counties), are by the within reference thereto, incorporated herein and made a part of this Deed of Trust for all purposes as fully as if set forth at length herein, and Beneficiary may charge for a statement regarding the obligation secured hereby, provided the charge therefor does not exceed the maximum allowed by law.

Notice: This deed of trust adds the properties described in Exhibit A to the multiple properties described in Instrument No. 062369323 and may be foreclosed upon should a default occur on any of those properties.

The undersigned Trustor, requests that a copy of any notice of default and any notice of sale hereunder be mailed to him at his address hereinbefore set forth.

BURBANK HOUSING CORPORATION, a California nonprofit corporation

By: Peter McGrath

Name: Peter J. McGrath

Title: President

tenant displacement, in accordance with the provisions of Section 209.2 of the Affordable Housing Agreement.

3. **Compliance with Laws.** The Developer shall carry out the design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, et seq., Government Code Section 4450, et seq., Government Code Section 11135, et seq., and the Unruh Civil Rights Act, Civil Code Section 51, et seq.

4. **Affordable Units.** The Developer agrees to make available, restrict occupancy to, and lease at an Affordable Rent (the "Affordable Units"):

> Three (3) two-bedroom units within the Property to households with incomes that do not exceed the stricter of: (i) the qualifying limits for Very-Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or (ii) the limits defined under California Health and Safety Code Section 50105 for Very-Low Income Households, adjusted for household size; and
>
> Two (2) two-bedroom units and five (5) one-bedroom units within the Property to households with income that do not exceed the stricter of: (i) the qualifying limits for Low Income Households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or (ii) the limits defined under California Health and Safety Code Section 50079.5 for Low-Income Households, as adjusted for households size.

The HOME affordable units will float within the Property. Any variation from these requirements must comply with the procedure set forth in Section 10.1 of this Agreement.

The Developer shall annually submit to the City and the Authority a completed income computation and certification form, in a form to be provided by the City and Authority, and such forms may change from time to time. The Developer shall certify that each tenant of the Property meets the income restrictions of Section 301 of the Affordable Housing Agreement. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. Unless otherwise specified by the Authority or City, the Developer shall verify the income certification of the tenant in accordance with HUD or HCD regulations which may include one or more of the following methods:

a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.

b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.

c. obtain an income verification certification from the employer of the tenant.

d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.

e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

5. Affordable Rent.

The maximum Monthly Rent chargeable to income eligible households shall be annually determined by the City and Authority in accordance with the HOME Program requirements,. The maximum rent that the Developer may change any household occupying an affordable unit shall meet the following requirements:

a. The Monthly Rent payable by a tenant who meets the income limits for very-low income households shall not exceed the lesser of: a.) HOME program Low HOME income rents as established and amended annually by the United States Department of Housing and Urban Development (HUD), adjusted for number of bedrooms in the unit, as well as the reasonable monthly utility allowance; or b.) the very-low income rents set forth in Health & Safety Code Section 50053 and Section 50106 based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

b. The Monthly Rent payable by a tenant who meets the income limits for Low Income Households shall not exceed the lesser of: a.) HOME program High HOME income rents as established and amended annually by the United States Department of Housing and Urban Development (HUD), adjusted for number of bedrooms in the unit, as well as the reasonable monthly utility allowance; or b.) the Low income rents set forth in Health & Safety Code Section 50053 based on the methodology established by the California Housing and Community Development Department (HCD), adjusted for number of bedrooms in the unit, less the reasonable monthly utility allowance.

c. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than the qualifying limits as set forth above, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

d. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and required facilities associated therewith (including parking fees), (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

6. Lease Requirements. Prior to rental of any of the Property, the Developer shall submit a standard lease form to the City and Authority for its approval. The City and Authority and shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement and contains all of the provisions required pursuant to the HOME Program and the HOME Regulations. The Developer shall enter into a written lease, in the form approved by the City and Authority, with each tenant of the Property. No lease shall contain any of the provisions which are prohibited pursuant to Section 92.253 of the HOME Regulations.

7. **Affirmative Marketing.** The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the City and Authority, the requirements of Section 92.351, or successor regulation, of the HOME Regulations and other applicable HOME Program requirements.

8. **Selection of Tenants.** The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided herein. The Developer shall adopt a tenant selection system in conformance with Section 92.253(e) of the HOME Regulations, which shall be approved by the City and Authority in its reasonable discretion, which establishes a chronological waiting list system and/or random lottery system for selection of tenants. The Developer shall not refuse to lease to a holder of a certificate of family participation under 24 CFR part 882 (Rental Certificate Program) or a rental voucher under 24 CFR part 887 (Rental Voucher Program) or to the holder of a comparable document evidencing participation in a HOME Program, Section 8 program or other tenant-based assistance program, who is otherwise qualified to be a tenant in accordance with the approved tenant selection criteria.

9. **Affordability Period.** Affordability Period means the duration of the affordable housing requirements which are set forth in this Agreement and the Regulatory Agreement. The project shall be subject to the requirements herein in perpetuity commencing upon the completion of the rehabilitation. For purposes of this Section, "in perpetuity" means the useful life of the Property with the land use controls imposed, but not less than fifty-five (55) years, which exceeds the HOME minimum affordability period of 15 years. The duration of this requirement shall be known as the "Affordability Period."

10. **Occupancy Standards.** To the extent legally possible, occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of Section 307 of the Affordable Housing Agreement.
