Statement on Candidate Forum Recordings

The League of Women Voters Minnesota and our local Leagues conduct candidate forums to provide the public with an opportunity to hear candidates discuss the issues that are important to members of the public. The League is a nonpartisan organization that does not support or oppose any political party or candidate. The views expressed in each forum are those of the candidates, not those of the League of Women Voters. LWV Minnesota and our local Leagues post complete, unedited recordings of forums. Editing is authorized only for official media reporting. Excerpts or edited clips of candidate forums may not be used for partisan or political purposes.
