Pollinator Team

Monika Aymar-Blair Karen Quiana Holly O'Grady

Summary of Pathway Development

Key factors for a successful outcome:

- Have a pollinator team– Monika, Karen & Holly
- Involve key stakeholders in the project: CAC, BCSD Superintendent, Facilities and Operations heads, school principals
- Secure resources including a budget and support to build three pathways
- Establish a planning schedule and communications with the stakeholders and schools
- Involve others at the schools including ecology, garden club teacher, the PTO and community members

Forrestal Project

- Lead Team: Monika Aymar-Blair and Jessica Jelliffe, Forrestal PTA
- Goal: Create a large pathway that would benefit the school and community as an educational resource
- School involvement: The environmental club lead by Meri Anne Keogh helped with the prep work
- Planting event: Sat., May 6 held a spring planting event inviting students and their parents to plant the garden
- Sustainability: Identifying next PTA members to sustain the pathway

Glenham Project- Work in Progress

- Lead Team: Mr. Contreras, Garden & Ecology Club teacher, Holly & Karen
- Goal: Creating first pathway at the school
- School involvement: The ecology club helped with the prep work. PTA contact, Kate Macaluso helping with summer maintenance
- Planting event: May 17 students from all grades helped with the planting. And a special thanks to a volunteer from the CAC, Justine Bienkowski.
- Sustainability: Identifying more teachers/PTA from Glenham to become involved in utilizing and maintaining the pathway

Sargent Project-Work in Progress

- Lead Team: Karen & Holly, high school student volunteer
- Goal: Creating first pathway at the school
- School involvement: Support from Sam Adels, Land to Learn, and interest from other PTA, school parents.
- Planting event: Memorial weekend with high school student
- Sustainability: Involve ecology club teachers/PTA from Sargent to become involved in utilizing and maintaining the pathway

What We Observed

- Children and teachers were excited to help create a new garden.
- Would have liked more time to share why we were planting these pathways with native plants.
- May is a very busy time of year for school staff and students.
- PTA engagement is critical to the success and sustainability of the pathways.

Next Steps

- Utilize pathways as learning centers for students and their parents to encourage use of native plants in individual gardens
- Engage existing partners who work with the schools, i.e., Land to Learn, Common Ground, to utilize the pathways in their curriculums
- Continue to recruit others to further develop the pathways at the schools and beyond!

“What if each American landowner converted half of his or her yard to productive native plant communities? Even moderate success could collectively restore some semblance of ecosystem function to more than 20 million acres of what is now ecological wasteland.”

PROPOSED

BUDGET

City of Beacon
New York

Lee Kyriacou
Mayor

Office of the Mayor

October 10, 2023

Dear Members of the Beacon City Council:

I am pleased to submit to you the Proposed 2024 Budget, which is the fourth and final budget I have developed during my first term as Mayor. I look forward to our upcoming Council Workshops at which we will discuss the Budget in much greater detail and hear from the public.

The 2024 Budget proposes rate decreases of 5.49% for homes ("homestead") and of 14.23% for commercial properties ("non-homestead"). The assessed value of all properties has continued to increase based on rising market values, but the Proposed Budget continues to cut tax rates, which are now at the lowest level in more than a decade. The Proposed Budget tax rates are 5.87 per $1,000 for homestead and 9.16 per $1,000 for non-homestead.

While I had hoped to propose no or very modest actual tax bill increases for both types of properties, the State's "Adjusted Base Proportions," which rebalances the tax responsibility between homestead and non-homestead properties, ended up substantially favoring non-homestead properties this year. After factoring in these Adjusted Base Proportions, the Budget would raise City taxes on an average homestead property 3.96%, while non-homestead property taxes would be reduced by 14.23%. We have also included increases in utility rates with a 4% increase in Water rates and a 6% increase in Sewer Rates.

Just as households have faced steep increases in the cost of living over the past two years, the City of Beacon has also experienced sharp increases for many of the products and services on which our City relies. The largest single cost increase this year is the City's mandatory contribution to the State's pension system, which will jump nearly $436,000 in one year, an increase of 22.4% over 2023. Recognizing that the City faced this steep increase and other increased costs, I have limited new hiring in 2024. We will fully fund the two permanent positions created in summer 2023 (Deputy Building Inspector and Recreation Assistant) and have added one part-time Police Assistant for dispatch. I have offset some of the expense increases by the use of $250,000 in General Fund Balance and $96,500 in the Water Fund Balance. Additionally, in the General Fund, the City did not go to the allowable Tax Cap amount and stayed under cap by $536,425.

In the face of a challenging budget year, the modest increases we have proposed are aimed to continue moving the City of Beacon in a positive direction while limiting the tax impact on homeowners. The addition of the position in Recreation will allow the City to expand the number of afterschool sites from three to four starting in early 2024 and allow the summer

camp program at the Settlement Camp to expand by an additional two weeks. The additional part-time dispatcher will allow a Police Officer to be out in the community on weekend nights rather than at the dispatch desk.

The City is proposing its first "Employee Retention Initiative," which would add $1,000 to the base pay of every full-time employee (pro-rated for part-time employees). This Initiative was designed to help the City to retain its talented and dedicated workforce and to help our employees weather the high inflation of the past two years, which has eroded the cost-of-living adjustments we negotiated in 2021 when inflation was low. Retaining our skilled, dedicated employees in an increasingly competitive regional labor market will not only help to reduce costs for training and overtime, but also to ensure that the high-quality services which the City provides to residents and businesses in Beacon continue.

The City is continuing to invest in its physical infrastructure and equipment, and you can see the results around the City. In the past several years, we have reconstructed two dams and repaved Main Street along with new pedestrian "bump-outs" and signals. We are working to complete generational investments in our Wastewater Treatment Plant and are reconstructing our central fire station, which is slated for completion in late summer 2024. Although those capital expenses are included in the Capital Program, the financing costs of these project do impact our annual operating budgets. Fortunately, our debt financing in 2024 will drop by more than $500,000 in 2024 due to the payoff of long-term debt obligations, which helped us absorb the significant escalation in pension costs. However, our financing costs will rise again in the coming years due to the fire station project and other capital investments. Therefore, we must continue to be cautious about adding new positions or services beyond what we know we can sustain without large spikes in property taxes.

As Mayor, I remain committed to providing high quality critical services, reinvesting in our infrastructure, improving our City's quality of life, and maintaining fiscal responsibility to avoid large tax increases. I thank the Council for its strong support for these and other initiatives and look forward to our upcoming discussions regarding this Proposed 2024 Budget.

Respectfully,

Lee Kyriacou
Mayor

- November 20: Water, Sewer, Highway
- December 4: Proposed Changes and Final Rates
- December 11: Budget Adoption

PROPOSED 2024 BUDGET OVERVIEW

- The proposed operating budget includes the general fund, water fund, and sewer fund. It does not include capital budget items.
- The proposed spending plan totals $35.0 Million
  - $25.4 Million in the General Fund (Increase of 3.3 % from 2023 Adopted Budget)
  - $5.3 Million in the Sewer Fund (Increase of 2.5 % from 2023 Adopted Budget)
  - $4.2 Million in the Water Fund (Increase of 5.6 % from 2023 Adopted Budget)
- The budget proposes to decrease property tax rates and modestly increase water and sewer rates (4% for Water; 6% for Sewer).
- Average homes will see an estimated 3.96% tax increase, and commercial properties will see a 14.23% decrease based on Adjusted Rate Proportions. The tax impact has been mitigated by the addition to the tax rolls of approximately $27 Million in new or improved properties.

SIGNIFICANT ITEMS

- The budget increases are primarily due to cost-of-living adjustments for employees, sharply increased State pension contribution, and inflation for materials and supplies.

- Only one part-time position for police dispatcher added for 2024. Positions created in 2023 for Deputy Building Inspector and Recreation Assistant carried for 2024.

- Budget includes "*Employee Retention Initiative*" adding $1,000 to each employee's compensation in addition to the cost-of-living adjustment (COLA) in the collective bargaining agreements negotiated in 2021 when inflation was low.

- Water rates are proposed to increase 4% and sewer rates increase 6% to help cover the rapidly rising costs for treatment chemicals, fuel, supplies, and repairs.

PROPOSED 2024 BUDGET SUMMARY

	General Fund	Water Fund 4% Increase	Sewer Fund 6% Increase
Appropriations	$25,418,651	$4,243,011	$5,293,477

Re: Appointing Sofire Henry to the position of Deputy City Clerk

Please accept this recommendation to appoint Sofire Henry to the position of Deputy City Clerk within the City Clerk's Office in the City of Beacon.

Ms. Henry has held numerous positions in customer service focused industries since 2004. Along with customer service experience, Ms. Henry is familiar with records management practices and proficient in various software programs. As for her educational background, she has obtained multiple certificates and an A.A.S. degree.

After reviewing all the qualified candidates and interviewing four candidates, I believe Ms. Henry is best suited for the position. Between her ability to connect with clients and her experience with detail-oriented data entry, Ms. Henry's skillset is impressive and will be an ideal fit into the Deputy City Clerk position.

Thank you for your consideration.

Re: Change in Zoning Designation for 6 Commerce St

Dear Mayor Kyriacou, Councilmembers Rhodes, McCray, Longno, Aymar-Blair, Mansfield, and Wake:

We are writing to request a change of zoning for the property located at 6 Commerce St. … from the current designation of R1-7.5 to designation as Central Main Street (CMS) zone.

6 Commerce St has a varied history and the current R1-7.5 zone reflects only its use in recent years as a single-family residence. Other properties on this (North) side of Commerce St carry the Central Main Street (CMS) zone designation, except for the parcel at 5 Cliff St. property, which is in the Transition (T) zone and used for surface parking. A change to CMS designation for 6 Commerce St would be consistent with adjoining properties, allow compatible and supportive uses, and contribute to the vitality of Beacon's Main St. commercial corridor.

The R1-7.5 residential properties across Commerce Street to the south are not in appreciable dialogue with 6 Commerce, as they are well separated via elevation differences, landscaping, and building orientations. However, the entire immediate neighborhood around 6 Commerce is in the Central Main Street (CMS) zone. The building shares outdoor space, trash and utility services, and parking with its directly adjoining neighbors – all of which are in CMS with their accompanying CMS uses, e.g retail, hospitality, food and bev on the ground floor with rental apartments above

We have been speaking with multiple local individuals and businesses that are interested in renting 6 Commerce. They propose uses that include professional office, café, retail, etc … all permitted uses in the CMS and are uses these business owners believe would thrive in this location.

Thank you very much for your consideration of this request. We would be very happy to follow with more information and to continue the conversation to whatever extent is helpful and necessary.

Sincerely,

Joe Donovan

Re: **Rezoning Request for 6 Commerce Street**

In a May 31, 2023 letter to the Mayor and City Council, the property owner of 6 Commerce Street requested a rezoning from R1-7.5 to the Central Main Street (CMS) district. While the Council has no obligation to consider this type of zoning request, in this case the proposed rezoning to CMS has some merit.

The 0.05-acre parcel with an existing 2½-story building does not meet the minimum 7,500 square feet required for a conforming lot in the R1-7.5 district. It was apparently attached to the larger-lot residential district on the south side of Commerce Street because at the time the building was being used as a single-family home. One-family detached dwellings are not a permitted use in the CMS district. All the adjoining parcels on the block north of Commerce Street are in the CMS district.

The property owner has renovated the building and is now interested in renting it out for a commercial use. Permitted uses in the CMS district include retail businesses, restaurants, service uses, professional offices, live-work units, and multi-family residential.

There are several issues related to this parcel if it was in the CMS district:

1. While there are multiple parcels along Main Street that are as small as 0.05 acres in size, most all of them meet the minimum CMS lot depth of 75 feet. This parcel is only 46 feet deep and would thereby be non-conforming in terms of lot depth.

2. There is only one parking space on the parcel. Any commercial use would likely need a parking waiver or variance, although the Planning Board often grants waivers for commercial uses on small existing lots in the CMS district under Section 223-41.18G(3) and (4). Finding parking along Commerce Street can be difficult, but the Municipal Building and County Center parking lots generally have available public parking spaces within 800 feet of this parcel. The planned Tompkins Firehouse public lot will offer a third nearby option.

3. The rezoning could potentially remove one housing unit when the rental market is particularly tight. However, the building could also support a ground floor commercial use and an apartment on the upper floor with the parking space for the residential tenant.

All these concerns seem minor or manageable. If the City Council decides this rezoning is worthy of consideration, the next steps would be to draft a Zoning Map change law and to set a public hearing on the proposal. The applicant will be present at the meeting to answer any questions.

LOCAL LAW NO. 4 OF 2023

CITY COUNCIL
CITY OF BEACON

LOCAL LAW
AMENDING THE ZONING MAP OF THE CITY OF BEACON

A LOCAL LAW to amend the zoning map of the City of Beacon

BE IT ENACTED by the City Council of the City of Beacon as follows:

Section 1. The Zoning Map of the City of Beacon is hereby amended to change the Zoning District designation of the following parcel, owned by Hudson Todd, LLC (4 Cross Street, Beacon NY 12508) from the R1-7.5 Zoning District to the Central Main Street ("CMS") Zoning District:

City of Beacon Tax Parcel No.: 130200-5954-27-757950, which is located at 6 Commerce Street.

Section 2. Ratification, Readoption and Confirmation

Except as specifically modified by the amendments contained herein the Code of the City of Beacon is otherwise to remain in full force and effect and is otherwise ratified, readopted and confirmed.

Section 3. Numbering for Codification

It is the intention of the City of Beacon and it is hereby enacted that the provisions of this Local Law shall be included in the Code of the City of Beacon; that the sections and subsections of this Local Law may be re-numbered or re-lettered by the Codifier to accomplish such intention; that the Codifier shall make no substantive changes to this Local Law; that the word "Local Law" shall be changed to "Chapter," "Section" or other appropriate word as required for codification; and that any such rearranging of the numbering and editing shall not affect the validity of this Local Law or the provisions of the Code affected thereby.

Section 4. Severability. The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words or parts of this Local Law or their petition to other persons or circumstances. It is hereby declared to be the legislative intent that this Local law would have been adopted if such illegal, invalid or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and if such person or circumstance to which the Local Law or part hereof is held inapplicable had been specifically exempt there from.

Section 5. Effective Date

This local law shall take effect immediately filing with the Office of the Secretary of State.

Subject: **City Council Referral of Local Law to Rezone 6 Commerce Street from R1-7.5 to the CMS District**

On referral from the City Council, the City of Beacon Planning Board reviewed the proposed Local Law to rezone 6 Commerce Street from R1-7.5 to the CMS District during the July 11, 2023 Planning Board meeting. The Board discussed the current zoning of 6 Commerce Street within the R1-7.5 zone. Board members explored whether there was any reason to retain the parcel's R1-7.5 designation rather than rezone it to the CMS District, with particular attention to possible reasons the City Council retained the parcel's single family zoning when it created the CMS District. At that time, the parcel was likely used as a single family home. City Planner John Clarke noted that the property owners requested the change in zoning because they are anticipating a commercial use. The Board members further discussed that it appears based on signage that a commercial use may have already commenced at the property and referred that issue to the Building Inspector.

After concluding its discussion of the proposed local law, upon a motion by Mr. Williams, seconded by Ms. Quiana, the Board unanimously voted to issue a positive recommendation that the City Council adopt the proposed Local Law.

Very truly yours,

John Gunn

City of Beacon

Name of Action or Project:

Local Law to rezone 6 Commerce Street from R1-7.5 to the CMS district.

Project Location (describe, and attach a location map):

City of Beacon, 6 Commerce Street (Parcel ID No. 5954-27-757950).

Brief Description of Proposed Action:

The property owner of 6 Commerce Street requested a rezoning from R1-7.5 to the Central Main Street (CMS) district. The 0.05-acre parcel contains an existing 2½-story building which does not meet the minimum 7,500 square feet required for a conforming lot in the R1-7.5 district. All the adjoining parcels on the block north of Commerce Street are in the CMS district. The City Council held a public hearing on the rezoning and referred the Proposed Action to the City's Planning Board which then recommended that the City Council adopt the Proposed Action to rezone the subject property to be part of the CMS District as are adjoining properties along the northern side of Commerce Street.

City of Beacon

Short Environmental Assessment Form
Part 1 – Project Information

Project Narrative

The City Council of the City of Beacon is considering the adoption of a local law (the "Proposed Action") which would amend the City's Zoning Map thereby rezoning a parcel located at 6 Commerce Street, known and designated as Parcel Tax ID No. 5954-27-757950 (the "Property") from the R1-7.5 Zoning District to the Central Main Street (CMS) District. All adjacent and abutting properties along the northern side of Commerce Street are within the Central Main Street ("CMS") District.

The Proposed Action would affect the 0.05-acre Property which contains an existing 2½-story building which presently does not meet the minimum 7,500 square feet required for a conforming lot in the R1-7.5 District. The properties directly across from the Property along the southern side of Commerce Street are within the R1-7.5 District. However, those properties are separated from the subject Property by the Commerce Street right-of-way, differing elevations, landscaping and building orientations. Moreover, most of the immediate neighborhood surrounding the Property is in the CMS District. Further, the proposed local law has no effect on the Property's designation within the Historic District and Landmark Overlay Zone.

The Proposed Action would allow the Property to be utilized for all permitted uses within the CMS District, which includes, but is not limited to, retail businesses, restaurants, service uses, professional offices, livework units, and multi-family residential, subject to all required permits and approvals.

Although the Property will have a nonconforming lot depth if the Proposed Action is approved, several parcels in the CMS District are nonconforming in a similar manner. Future changes in use or redevelopment of the Property would be reviewed and/or subject to approval by the City's Building Department and land use boards, as applicable. Additionally, if the Property is rezoned to be within the CMS District then future buildings on the property would be subject to the CMS District design standards. Finally, the Proposed Action is consistent with the City's Comprehensive Plan.

In sum, the City Council is presently considering a local law to amend the City's Zoning Map, which if adopted would rezone a parcel from the R1-7.5 District to the CMS District.

Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.
Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	☑	☐
2. Will the proposed action result in a change in the use or intensity of use of land?	☑	☐
3. Will the proposed action impair the character or quality of the existing community?	☑	☐
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	☑	☐
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	☑	☐
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	☑	☐
7. Will the proposed action impact existing: a. public / private water supplies?	☑	☐
b. public / private wastewater treatment utilities?	☑	☐
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	☑	☐
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	☑	☐
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	☑	☐
11. Will the proposed action create a hazard to environmental resources or human health?	☑	☐

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed local law would amend the Zoning Map for the City of Beacon (the "City") by changing a single parcel's R1-7.5 Zoning District designation to the Central Main Street ("CMS") District. The City of Beacon received a rezoning request from the owner of the property at 6 Commerce Street, known and designated on the Tax Map as Parcel ID No. 5954-27-757950. The City Council referred the proposed Zoning Map amendment to the City's Planning Board for review and recommendation. On July 25, 2023, the City of Beacon Planning Board issued a positive recommendation in support of the rezoning. On August 18, 2023, the Dutchess County Department of Planning and Development issued its response, without comment, that the matter is of local concern. For the reasons set forth below, the Proposed Action will not have a significant adverse environmental impact.

There will be no physical changes to the land or water because the Proposed Action is to amend the Zoning Map of the City of Beacon. The Proposed Action does not conflict with existing land use plans or zoning because all properties immediately abutting the subject parcel on the northern side of Commerce Street are within the CMS District as are most properties north of Commerce Street. Properties on the southern side of Commerce Street are zoned R1-7.5 but are separated by Commerce Street, grade changes, landscaping, and building orientations. The Proposed Action would allow the property to be used for different uses, however, such uses would be similar to the uses and intensities of neighboring properties in the CMS District and is thus not significant. There would not be a significant negative environmental impact from the Proposed Action because a zoning map amendment in of itself does not impact the land. There are no critical environmental areas within the vicinity. Furthermore, because the Proposed Action is only for a zoning map amendment, it will not have a significant environmental impact on traffic, transportation or pedestrian activities. Finally, as there are no proposed alterations to the land or water associated with the Proposed Action there will be no to little impacts on energy, water, historic, archaeological, architectural, or aesthetic resources, nor will be there a significant impact on erosion, flooding or drainage, or human health stemming from the Proposed Action. Future redevelopment of the property, if any, would be subject to applicable zoning and land use review regulations in effect at that time including any required environmental review.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☑ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RESOLUTION NO. 105 OF 2023

ADOPTING A LOCAL LAW TO AMEND THE ZONING MAP OF THE CITY OF BEACON TO REZONE TAX PARCEL NO.: 5954-27-757960, LOCATED AT 6 COMMERCE STREET, FROM THE R1-7.5 DISTRICT TO THE CMS DISTRICT

WHEREAS, the City of Beacon City Council received a request from Hudson Todd, LLC, property owner, dated March 31, 2023, requesting the City Council adopt a local law to amend the Zoning Map to rezone property located at 6 Commerce Street (Tax Parcel No. 5954-27-757960) from the One Family Residence (R1-7.5) Zoning District to the Central Main Street (CMS) Zoning District; and

WHEREAS, the proposed local law has been determined to be an Unlisted Action pursuant to the regulations set forth under 6 NYCRR Part 617 of the New York State Environmental Quality Review Act ("SEQRA"); and

WHEREAS, on June 12, 2023, pursuant to City Zoning Code Section 223-66, the City Council referred the proposed local law to the City of Beacon Planning Board and the Dutchess County Planning Board for report and recommendation; and

WHEREAS, by memorandum dated July 25, 2023, the City of Beacon Planning Board issued a positive recommendation that the City Council adopt the proposed Local Law; and

WHEREAS, on August 18, 2023, the Dutchess County Department of Planning and Development, issued its response that the proposed Local Law is a matter of local concern without comment; and

WHEREAS, notice for the Public Hearing was published in the Poughkeepsie Journal on September 15, 2023; and

WHEREAS, on September 25, 2023, the City Council opened and closed a duly noticed Public Hearing on the proposed local law, and all those in attendance wishing to be heard were given the opportunity to comment on the proposed Local Law.

NOW, THEREFORE, BE IT RESOLVED, that the City Council has reviewed the local law in accordance with the State Environmental Quality Review Act ("SEQRA") and after taking a "hard look" at each of the relevant areas of environmental concern through review of the Short Environmental Assessment Form and all other materials prepared, hereby adopts the attached Negative Declaration for the proposed Local Law finding that the adoption of the proposed Local Law will not result in any significant adverse environmental impacts; and

BE IT FURTHER RESOLVED, that the City Council of the City of Beacon hereby adopts the proposed Local Law amending the Zoning Map of the City of Beacon to rezone City of Beacon Tax Parcel No.: 5954-27-757960, located at 6 Commerce Street, from the R1-7.5 Zoning District to the CMS District.
