Absent: Sarah Colandro and Christine Turner

CRA Staff: Dr. Jeff Burton, Executive Director, Jean G. Farmer, Public Art Coordinator

Visitors: Mary Fragapane and Jeramiah Bowman

1) Meeting Call to Order
Meeting was called to order at 8:29 am by Chair Aristizabal.

2) Citizen Comments on Items Not on the Agenda
None

3) Minutes from Board Meeting 10-31-2023
Board Member Simon-McDonald made the motion to approve the minutes. Board Member Collins seconded and the motion passed 4/0.

4) Introduction of Student Board Member, Edna Diaz Morales
Ms. Dias Morales introduced herself and told the board she is a senior at Manatee High School. The rest of the board introduced themselves and welcomed her to the board.

5) Update from Public Art Coordinator

a. Mineral Springs Park
The Artist Agreement for the Mineral Springs Park Sculpture was pulled from the agenda and will go before the CRA board on December 19th.

c. Maintenance on Public Art Pieces
The downtown art bike racks are being powder coated by AGG Restoration and will be back in operation in a few weeks. They are also repairing the wooden bench on the marble orb that is in front of the shops at the City Center Parking Facility.

d. Sidewalk Poetry Stamping
The sidewalk stamp template arrived yesterday, so the board was able to see it. The goal is to use it on upcoming sidewalk projects to learn the process while preparing for a call for poets.

e. Signal Box Wraps

Mrs. Farmer presented the technical aspects of creating the signal box wraps from original artwork and asked the board for their opinions on the process. They felt the process was not too onerous and that staff should get started on the call for artists.

6) Mural City Center Parking Facility

Looking for a project that could be facilitated in a relatively short time, the northwest side of the City Center Parking Facility was identified as a potential place for a mural. Local artist, Mary Fragapane was recently vetted during the jury process of The Met apartment complex. Ms. Fragapane introduced herself and gave a brief overview of her background and design process for a project such as this. The first step is to go before the City Council for approval of the wall for a mural. Ms. Fragapane will create a design that will come back to the PAAB for approval before being presented to the CRA Board.

7) Judging of School District of Manatee County Banner Art

Jeramiah Bowman, Visual and Performing Arts Specialist of the School District of Manatee County brought over 200 original pieces of student artwork from over ten schools that were reviewed By the Public Art Advisory Board for display starting in January 2024 in downtown Bradenton, the Riverwalk, and the Village of the Arts.

8) Other Discussion/New Business

Mrs. Farmer updated the board on new changes in the CRA. The advisory boards will now be called "Community Advisory Committees" (CAC). The Public Art Advisory Board (PAAB) By-Laws and Resolution are being reviewed by legal to have them align more closely with the general CAC outline. The CRA is working on some new grants, and one will be a matching public art grant on private property. This board will be asked to review the art for those. The PAAB meetings are now going to be once a quarter, and if a special meeting needs to be called, that is still possible. The meeting place will eventually be moving from the Bishop Museum to the CRA office located in City Hall. The goal is to have virtual capabilities as well.

4) Adjourn

Board Member Simon-McDonald made the motion to adjourn the meeting. Board Member McKeithen seconded and the motion passed 4/0.

Meeting was adjourned at 10:27 am.
