AT COUNCIL MEETING:

Citizen comment will be accepted during the Citizen Comment portion of the meeting on any agenda item. Citizen comment related to any public hearing item shall be provided during the duly noticed public hearing in order to maintain an accurate record of the proceedings. All citizen comments related to quasi-judicial items are required to be under oath and such comments will be invited to be presented during the duly noticed public hearing for such items.

If an individual (or agent) wishes to address the City Council, they should complete a comment card available at the back of the Chamber and submit such card to the City Clerk.

At the appropriate time during the meeting, the Mayor will call speakers to come forward. After being recognized by the Mayor, the individual should come to the podium and, for the public record, state their name and address, and then provide any relevant comments or testimony related to the item they wish to address. In the case of an agent, they shall identify themselves and the party they represent. The speaker should then proceed to state their position or present their information.

An individual appearance for citizen comment will be limited to three (3) minutes

unless additional time is permitted by the Mayor or consensus of the Council. Additional time will be allowed (up to 10 minutes at the discretion of the Mayor or consensus of the Council) for public hearing items if the speaker is officially representing a group of five or more people, provided that written authorization is provided that the person is authorized to speak on behalf of the group.

Note: If handouts are being distributed, please provide a minimum of ten (10) copies to the City Clerk. If you wish to display a drawing or rendering, contact Tamara Melton, as indicated above, prior to the meeting. Any submissions commented on, photographs, letters, renderings, etc. will be kept by the City Clerk for the official record.

PURSUANT TO FLORIDA STATUTE 286.0105: If an individual decides to appeal any decision made by the board, council, agency, or commission at this meeting, such individual will need a record of the proceedings, and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
