Event Name	LUNG FORCE Run/Walk
Purpose of Event	The purpose of the LUNG FORCE Run/Walk is to raise money for the American Lung Association's lung cancer research and treatment. This event serves as an opportunity for attendees to celebrate lung cancer survivors in their lives, honor the memory of those they have lost, and provide hope for those facing lung cancer and lung disease.
Description of Event	The LUNG FORCE Run/Walk is an annual fundraising event put on by the American Lung Association in South Carolina. We have been fortunate to hold this event at Folly Beach over the past 16 years. The last few years, we have held our Run/Walk at The Dunes House with participants running/walking on the beach. We are requesting to hold the race on the beach again this year, starting at the beach access at the Dunes House at Folly Beach County Park. Participants will have the option to run or walk in the

	<p>direction of the Folly Beach Pier and turn around at the 5K halfway mark (approximately 1.55 miles), finishing at The Dunes House. The Dunes House will be used for tables to set up with lung disease resource materials and a grab and go breakfast. LUNG FORCE brings the community together to stand for lung health and against lung cancer. We are so grateful for the opportunity to host this event at Folly Beach over the years with support from local residents and business owners. We are also thankful for the ban on smoking to help eliminate cigarette litter at Folly Beach. Info about our 2024 event can be found here: https://action.lung.org/site/TR?fr_id=26769&pg=entry</p>

Estimated Number of Attendees	25 campsites for families, plus daytime only attendees ~ 80 total
Event Name	FamCamp
Event Purpose	A community event hosted by Folly Beach Civic Club to offer a special night of camping on the beach for residents and City employees.
Description of Event	<p>The afternoon begins with family friendly games while tents are being set up, music on the deck (TBD) grilling and pizza delivery for dinner. We grilled in 2023 and it seemed to work and not overwhelm the snack bar. In the evening, campers gather around the fire for s'mores and fireside fun. The campers usually start settling down about 9pm, with lights out at 10p. The following day, we will have donuts and coffee while everyone packs up.</p> <p>Registration will be managed by the Civic Club, with support from the city as needed. Campsites will be limited to 25 total. We will also offer a daytime only version for those who do not want to spend the night.</p>

	<p>This is a cherished Family event that we would love to bring back in 2025. We postponed 2024 due to the renourishment. We have received approval from the County Park and are requesting approval for camping on the beach and use of a propane fire pit on the beach.</p>
