City of New Smyrna Beach

Proclamation

Recognizing

Gary Norville

Whereas, the New Smyrna Beach Airport stands as a testament to our nation's rich military history, serving as a pivotal component in today's national airspace system, and remains a beacon of pride for the community; and

Whereas, American Aero Services, under the leadership of Gary Norville, has been a major and valued tenant at New Smyrna Beach Airport since 1988, contributing significantly to both the local community and the aviation industry; and

Whereas, Gary Norville has demonstrated an unwavering commitment to the preservation and restoration of vintage warbirds, military vehicles, military armor, missiles, rockets, and other historically significant artifacts, ensuring that the legacy of those who have served is never forgotten; and

Whereas, Gary's deep knowledge of military history, particularly as it relates to the airport's past, has created a bridge between the past and the present, highlighting the importance of the airport's role in both history and the future of aviation; and

Whereas, Gary and his dedicated team have consistently provided critical support to the airport, especially during emergencies, by offering their expertise, equipment, and manpower to efficiently remove disabled aircraft from the runway, ensuring the safety and continued operation of the airport; and

Whereas, Gary Norville's contribution to New Smyrna Beach Airport goes far beyond business, embodying the spirit of service and dedication to both the preservation of aviation history and the community's ongoing success;

Now, therefore, we, the City of New Smyrna Beach, do hereby recognize and honor **Gary Norville** for his outstanding contributions, his tireless commitment to preserving our military heritage, and his integral role in supporting and strengthening New Smyrna Beach Airport. His work continues to enrich our community and aviation history, and we express our deepest gratitude for his service.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of New Smyrna Beach to be affixed this 8th day of April 2025.

Motion:

Vice Mayor Martin motioned to approve to award a contract to Masci General Contractor, Inc. for the North Atlantic Drainage Improvement Project. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.K Consider the termination of the Airport Property Temporary Occupancy Lease of 504 Industrial Park Avenue.

Motion:

Vice Mayor Martin motioned to approve the termination of the Airport Property Temporary Occupancy Lease of 504 Industrial Park Avenue. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.L Consider the approval of the Traffic Calming Improvements for Luna Bella Lane.

Motion:

Vice Mayor Martin motioned to approve the Traffic Calming Improvements for Luna Bella Lane. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.M Consider the approval of submission for the Firehouse Subs Public Safety Foundation grant to purchase seventeen new Automated External Defibrillators (AEDs) for NSBPD Police Officer use.

Motion:

Vice Mayor Martin motioned to approve the submission for the Firehouse Subs Public Safety Foundation grant to purchase seventeen new Automated External Defibrillators (AEDs) for NSBPD Police Officer use. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.N Consider the request for a fee waiver for "The Event" at the Sports Complex for April 12, 2025.

No action. This item was removed by City Manager Cowper.

7.O Special Event: Consider the approval of the Flagler Tavern Summer Solstice Celebration 2025, to be held on Saturday June 21, 2025.

Motion:

Vice Mayor Martin motioned to approve the Flagler Tavern Summer Solstice Celebration 2025, to be held on Saturday, June 21, 2025. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.P Special Event: Consider the approval of the Flagler Tavern Cinco de Mayo Celebration 2025 Event, to be held on Monday May 5, 2025.

Motion:

Vice Mayor Martin motioned to approve the Flagler Tavern Cinco de Mayo Celebration 2025 event, to be held on Monday, May 5, 2025. Commissioner Perrine seconded the motion, and the motion carried unanimously.

7.Q Special Event: Consider the approval of the Shark Bite Expo, Feeding Frenzy 5k, Half Marathon and 5k, to be held on Saturday, January 17, 2026 and Sunday January 18, 2026.

Motion:

Commissioner Perrine motioned to continue the approval of the Shark Bite Expo, Feeding Frenzy 5k, Half Marathon and 5K, to be held on Saturday, January 2026 and Sunday, January 18, 2026. Vice Mayor Martin seconded the motion, and the motion carried unanimously.

8. ADMINISTRATIVE ITEMS/NEW BUSINESS

8.A Discussion: New Smyrna Beach Multi-Modal Transportation Impact Fee Study 2025

Development Services Director Shane Corbin led the discussion on the New Smyrna Beach Multi-Modal Transportation Impact Fee Study 2025.

Nilgun Kamp, from Benesch, presented a PowerPoint on the study.

Commissioner Ashely inquired about the billing authority.

Commissioner McGuirk commented on traffic in the City of New Smyrna Beach, stating that transportation was underfunded and that roads needed to accommodate growth.

Vice Mayor Martin asked whether the multi-modal plan included bike paths.

Commissioner Perrine inquired about comparisons to other local cities.

Mayor Cleveland questioned the impact on the community and infrastructure.

9. QUASI-JUDICIAL HEARINGS

10. PUBLIC HEARINGS

10.A Ordinance No. 14-25: Conduct the Second Reading and Public Hearing of an Ordinance, which, if adopted, would grant a non-exclusive franchise agreement to SJP Enterprises LLC., DBA Prince Containers.

Motion:

Vice Mayor Martin moved to adopt Ordinance No. 14-25 which would grant a non-exclusive franchise agreement to SJP Enterprises LLC., DBA Prince Containers. Commissioner McGuirk seconded the motion, and the motion carried unanimously.

11. ORDINANCES FIRST READINGS

11.A Ordinance No. 16-25: Conduct the First Reading of an ordinance, which, if adopted, upon the Second Reading and Public Hearing, would grant a non-exclusive franchise agreement to Cliff Berry Inc.

City Attorney Avallone read Ordinance No. 16-25, the first time, by title only. She reported that Second Reading and Public hearing would be conducted during the April 8, 2025, regular City Commission meeting.

12. BOARDS AND COMMISSIONS

12.A Board Vacancy Notice: The Housing Authority currently has one (1) unfilled four-year term length vacancy, which will expire on August 31, 2027.

12.B Board Vacancy Notice: The Code Compliance Board currently has one (1) unfilled three-year term length vacancy, which will expire on March 3, 2028.

Interim City Clerk Taylor-Harding outlined a report.

13. MAYOR AND COMMISSIONER COMMENTS

Vice Mayor Martin commented on the Deering Park Innovation Center and the strategic planning workshop.

Commissioner McGuirk commented on the Deering Park Innovation Center workshop.

Commissioner Perrine commented on the strategic planning workshop, boards and commissions, and the importance of transparency.

Commissioner Ashely commented on the Deering Park Innovation Center and Turnbull Creek presentations.

Mayor Cleveland commented on the Turnbull Creek Land Preservation presentation and Glenn Storch's presentation, emphasizing the importance of transparency. He noted the commission's consensus on home rule regarding Senate Bill 1118. He thanked Interim Police Chief Kirk and the New Smyrna Beach Police Department for ensuring a safe spring break. Additionally, he commented on the upcoming Volusia League of Cities dinner on Thursday, March 28, 2025, and the Charming Home Tour.

14. CITY CLERK'S REPORT

No action.

15. CITY ATTORNEY'S REPORT

15.A Proposed Legislative Bill Summaries, weeks two and three of Florida's legislative session.

City Attorney Avallone reviewed pertinent legislative Senate Bills.

16. ADJOURNMENT

As there was no further business to discuss, Mayor Cleveland adjourned the meeting at 8:39 pm.

THE CITY OF NEW SMYRNA BEACH - ENGINEERING

CONSIDER THE APPROVAL TO INCREASE PURCHASE ORDER 240075 AND AMENDMENT #1 TO A FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) CONTRACT - VULNERABILITY ASSESSMENT GRANT.

April 8, 2025

Background:

As part of the resiliency program the City obtained a grant from the Florida Department of Environmental Protection (see attached original agreement 23PLN36) to conduct a comprehensive vulnerability assessment compliant with Florida Statute 380.093 to evaluate critical structures and a prerequisite to obtain future grant funds.

On September 26, 2023, the City Commission approved a scope of work from Michael Baker International (MBI) for the vulnerability assessment in compliance with Florida Statute Section 380.093. The approval included consultant fees in the amount of $250,000, which is 100% reimbursable via grant #23PLN36.

The City retained the services of Michael Baker International (MBI) to conduct the study, develop the steering committee, coordinate public input, perform stormwater modeling, etc. in the amount equal to the FDEP grant amount (i.e. no net out of pocket expense to the City).

Upon review, FDEP requested additional work be performed as part of the VA study. The City reached out to MBI who determined the additional cost associated with these tasks to be $54,094, revising their overall fees to $304,094.

Staff recommends approving a change order for PO 240075 in the amount of $54,094 and approving the FDEP Grant of $304,094 which is 100% reimbursable.

Findings:

Staff and MBI worked closely with FDEP to make sure there were no delays in approving

the additional scope of work along with grant dollars to cover such extra costs and have received the approved amendment (copy attached) allocating an additional $54,094 to the grant amount. Although the grant now being $304,094 is 100% reimbursable the monetary increase to MBI's contract still requires City Commission approval as endorsed by staff.

Fiscal Analysis:

In order to increase MBI's contract amount from $250,000 to $304,094 a budget amendment in the amount of $54,094 is required to account #101.54.541.54101.534099 with all costs being reimbursed by FDEP. The budget amendment will be submitted on the April 22 meeting agenda.

Strategic Plan Item:

No

Staff Report Created By: Kyle Fegley - City Engineer

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Standard Grant Agreement

This Agreement is entered into between the Parties named below, pursuant to Section 215.971, Florida Statutes:

1. Project Title (Project): **City of New Smyrna Beach Vulnerability Assessment**
Agreement Number: **23PLN36**

2. Parties: **State of Florida Department of Environmental Protection, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000** (Department)

Grantee Name: **City of New Smyrna Beach** Entity Type: **Local Government**

Grantee Address: **210 Sams Avenue, New Smyrna Beach, Florida 32168** FEID: **59-6000387** (Grantee)

3. Agreement Begin Date: **Upon Execution**
Date of Expiration: **9/30/2026**

4. Project Number: *(If different from Agreement Number)*
Project Location(s): **Volusia County, Florida**

Project Description: **The project will conduct a comprehensive Vulnerability Assessment pursuant to Section 380.093, Florida Statutes, for the City of New Smyrna Beach.**

5. Total Amount of Funding: **$ 250,000.00**

Funding Source?	Award #s or Line Item Appropriations:	Amount per Source(s):
☐ State ☒ Federal	**197-H23**	$ **250,000.00**
☐ State ☐ Federal		$
☐ Grantee Match		$
	Total Amount of Funding + Grantee Match, if any:	$ **250,000.00**

6. Department's Grant Manager
Name: **Hanna Tillotson** or successor
Address: **Resilient Florida Program**
2600 Blair Stone Road, MS235
Tallahassee, Florida 32399
Phone: **850-245-7540**
Email: **Hanna.Tillotson@FloridaDEP.gov**

Grantee's Grant Manager
Name: **Kyle Fegley** or successor
Address: **City of New Smyrna Beach**
214 Sams Avenue
New Smyrna Beach, Florida 32168
Phone: **386-410-2811**
Email: **kfegley@cityofnsb.com**

7. The Parties agree to comply with the terms and conditions of the following attachments and exhibits which are hereby incorporated by reference:

☒ Attachment 1: Standard Terms and Conditions Applicable to All Grants Agreements
☒ Attachment 2: Special Terms and Conditions
☒ Attachment 3: Grant Work Plan
☒ Attachment 4: Public Records Requirements

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments (i.e., cost reimbursement) under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for cost reimbursement and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price

negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.
b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.
c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.
d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.
e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.
b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole

discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:
    i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may

not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during

the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the

original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 23PLN36

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is City of New Smyrna Beach Vulnerability Assessment. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

No retainage is required under this Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.

There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States

according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Additional Terms.

Documentary Evidence Requirement for Subcontractor(s). If any work associated with this Agreement is completed by a subcontractor(s), the Grantee shall require that such subcontractor(s) submit documentary evidence (e.g., workshop agendas; meeting recordings) to Grantee demonstrating that the subcontractor(s) has fully performed its Project obligation(s). The Grantee shall forward copies of all such documentary evidence to the Department with the Grantee's relevant deliverable(s), using the approved Project Timeline set forth in Attachment 3 to this Agreement (Grant Work Plan).

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 23PLN36

ATTACHMENT 3

PROJECT TITLE: City of New Smyrna Beach Vulnerability Assessment

PROJECT LOCATION: The Project is located in New Smyrna Beach within Volusia County, Florida.

PROJECT DESCRIPTION:
The City of New Smyrna Beach (Grantee) will complete the City of New Smyrna Beach Vulnerability Assessment Project (Project) to include a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.). The Project will include public outreach and stakeholder engagement.

TASKS AND DELIVERABLES:

Task 1: Kick Off Meeting and Assemble Steering Committee

Description: The Grantee will develop an overall project management plan and address initial actions and then conduct a kick-off meeting for the project. Meeting attendees will discuss the project scope, project goals, schedule, key milestones, and deliverables in order to develop a consistent project approach. The kick-off meeting will be hosted by the Grantee and should identify potential representatives to serve on the project steering committee. Prior to the meeting, the Grantee will prepare the sign-in sheet, draft project schedule, and other meeting materials as necessary. The Grantee will prepare a draft list of representatives to serve on the project steering committee based on discussions with the Grantee. It is recommended that the committee be limited to no more than 10 representatives to better manage meeting outcomes. The Grantee will review and approve the steering committee list and then distribute the draft email to the steering committee members. The email requests steering committee member participation and to provide confirmation of acceptance or denial.

Deliverables: The Grantee will provide the following:

- **1.1:** Meeting agenda to include location, date, and time of meeting;
- **1.2:** Meeting sign-in sheets or attendance records with attendee names and affiliation;
- **1.3:** A copy of the presentation(s) and any materials created for distribution at the meeting, as applicable;
- **1.4:** Kick-off meeting minutes, which documents all decisions and agreed upon outcomes of the meeting;
- **1.5:** A draft list of steering committee members;
- 1**.6:** A draft email to potential steering committee members to request their participation on the committee. The email shall include the project purpose, goals, schedule, project meeting dates and locations, and overall desired outcomes; and
- **1.7:** The list of local representatives that have confirmed participation on the steering committee. The list shall include the name, organization/affiliation, position title, and contact information.

Task 2: Conduct Steering Committee Meetings

Description: The Grantee will coordinate and schedule the quantity, dates, times, and locations for the steering committee meetings, based on critical decision points in the project process. The purpose of the steering committee meetings is to assist in reviewing the goals of the project, review draft materials, provide input for study direction, assist in identifying geographic context, appropriate modeling methodologies, assist in identifying available data and resources, identify relevant assets, and review project findings and recommendations. A minimum of two steering committee meetings is recommended, at the beginning and end of the project, however, more may be necessary to provide guidance at critical decision points throughout the project process.

Deliverables: The Grantee will provide the following:

- **2.1:** Meeting agendas to include location, date, and time of meeting;
- **2.2:** Meeting sign-in sheets with attendee names and affiliation;
- **2.3:** A copy of the presentation(s) and any materials created for distribution at the meeting, as applicable; and
- **2.4:** A summary report of committee recommendations and guidance, to include attendee input, meeting outcomes, methodologies selected, appropriate resources and data, relevant assets and review of study deliverables for accuracy and applicability.

Task 3: Public Outreach Meeting #1

Description: The Grantee will conduct at least two public outreach meetings during the project. The purpose of the first meeting is to allow the public to provide input during the initial data collection stages, to include input on preferred methodologies, data for analyzing potential sea level rise impacts and/or flooding, guiding factors to consider, and critical assets important to the community. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will provide the following:

- **3.1:** Meeting agendas to include location, date, and time of meeting;
- **3.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **3.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **3.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable; and
- **3.5:** A summary report including attendee input and meeting outcomes.

Task 4: Acquire Background Data

Description: The Grantee will research and compile the data needed to perform the VA based on the requirements as defined in Section 380.093, F.S. Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related data. GIS metadata should incorporate a layer for each of the four asset classes as defined in paragraphs 380.093(2)(a)1-4, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. Sea level rise projection data shall include the 2017 National Oceanic and Atmospheric Administration (NOAA) intermediate-high and intermediate-low projections for 2040 and 2070, at a minimum. Other projections

can be used at the Grantees discretion. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of the results. The Grantee shall rectify any gaps of necessary data.

Deliverables: The Grantee will provide the following:

- **4.1:** A technical report to outline the data compiled and findings of the gap analysis;
- **4.2:** A summary report to include recommendations to address the identified data gaps and actions taken to rectify them, if applicable; and
- **4.3:** GIS files with appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a)1-4, F.S.

Task 5: Exposure Analysis

Description: The Grantee will perform an exposure analysis to identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The water surface depths (i.e. flood scenarios) used to evaluate assets shall include the following data: tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable, as well as the scenarios and standards used for the exposure analysis shall be pursuant to s. 380.093, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following:

- **5.1:** A draft VA report that provides details on the modeling process, type of models utilized, and resulting tables and maps illustrating flood depths for each flood scenario; and
- **5.2:** GIS files with results of the exposure analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers.

Task 6: Sensitivity Analysis

Description: The Grantee will perform the sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created in the Acquire Background Data Task. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset class and at each flood scenario and assign a risk level based on percentages of land area inundated and number of critical assets affected.

Deliverables: The Grantee will provide the following:

- **6.1:** An updated draft VA report that provides details on the findings of the exposure analysis and the sensitivity analysis, and includes visual presentation of the data via maps and tables, based on the statutorily-required scenarios and standards; and
- **6.2:** An initial list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset.

Task 7: Public Outreach Meeting #2

Description: The Grantee will conduct a second public meeting to present the results from the exposure analysis, sensitivity analysis, and draft VA. The purpose of the second meeting is to allow the public to provide community-specific input on the results of the analyses and to reconsider methodologies and

assumptions used in the analysis for refinement. Additionally, during this meeting, the Grantee will conduct exercises to encourage the public to prioritize focus areas of flooding, and the critical assets in preparation for the development of adaptation strategies and project development. Criteria should be established to guide the public's input for the selection of focus areas. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will provide the following:

- **7.1:** Meeting agendas to include location, date, and time of meeting;
- **7.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **7.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **7.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable; and
- **7.5:** A summary report including attendee input and meeting outcomes, to include defining focus areas recommended by the community.

Task 8: Final Vulnerability Assessment Report, Maps, and Tables

Description: The Grantee will finalize the VA report pursuant to the requirements in s. 380.093, F.S., and based upon the steering committee and public outreach efforts. The final VA must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks and assigned focus areas. It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following:

- **8.1:** Final VA Report that provides details on the results and conclusions, including illustrations via maps and tables, based on the statutorily-required scenarios and standards in s. 380.093, F.S.;
- **8.2:** A final list of critical and regionally significant assets that are impacted by flooding. The list of critical and regionally significant assets must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset;
- **8.3:** All electronic mapping data used to illustrate flooding and sea level rise impacts identified in the VA, to include the geospatial data in an electronic file format and GIS metadata; and
- **8.4** A signed Vulnerability Assessment Compliance Checklist Certification.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion.

An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	Budget Category	DEP Amount	Match Amount	Total Amount	Task Start Date	Task Due Date
1	Kick Off Meeting and Assemble Steering Committee	Contractual Services	$10,366	$0	$10,366	Upon Execution	6/30/2026
2	Conduct Steering Committee Meetings	Contractual Services	$11,643	$0	$11,643	Upon Execution	6/30/2026
3	Public Outreach Meeting #1	Contractual Services	$17,583	$0	$17,583	Upon Execution	6/30/2026
4	Acquire Background Data	Contractual Services	$76,562	$0	$76,562	Upon Execution	6/30/2026
5	Exposure Analysis	Contractual Services	$60,501	$0	$60,501	Upon Execution	6/30/2026

7	Public Outreach Meeting #2	Contractual Services	$12,316	$0	$12,316	Upon Execution	6/30/2026
8	Final Vulnerability Assessment Report, Maps, and Tables	Contractual Services	$37,090	$0	$37,090	Upon Execution	6/30/2026
		Total:	**$250,000**	**$0**	**$250,000**		

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

Telephone: **(850) 245-2118**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
Original Agreement	U.S. Department of Treasury	21.027	SLFRP0125	$250,000.00	197-H23
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$250,000.00	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
PROGRAM-SPECIFIC REQUIREMENTS
RESILIENT FLORIDA PROGRAM

ATTACHMENT 6

1. Permits. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state, or local permit will be issued for a particular activity. The Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant-funded activity that may fall under applicable federal, state, or local laws. Further, the Grantee shall abide by all terms and conditions of each applicable permit for any grant-funded activity. Upon request, the Grantee must provide a copy of all acquired and approved permits for the project.

2. Additional Documentation for Contractual Costs. In addition to the documentation requirements in paragraph 11 of Attachment 2 (Subcontracting), and in paragraph 9.c. of Attachment 1 (Contractual Costs (Subcontractors)), Grantee shall provide the following for all subcontractual agreements that the Grantee executes for this project:

   a. A valid link or documentation that outlines their entity's procurement processes as required in Attachment 1, paragraph 9.c; and
   b. A certification statement signed by the Grantee's designated grant manager indicating the procurement process that was utilized per their entities' policies and procedures for all subcontractors. The certification must include a listing of all subcontractor quotes/bids amounts, along with the company name, address, and the details of how and why they made their determinations for those subcontractors that were selected and utilized for this Agreement.

3. Attachment 3, Grant Work Plan, Performance Measures. All deliverables and reports submitted to the Department should be submitted electronically and must be compliant with the Americans with Disabilities Act, also known as "508 Compliant," in all formats provided.

4. Copyright, Patent and Trademark. The Department reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state government purposes:

   a. The copyright in any work developed under this Agreement; and
   b. Any rights or copyright to which the Grantee or subcontractor purchases ownership with grant support.

5. Grant funds may not be used to support ongoing efforts to comply with legal requirements, including permit conditions, mitigation, and settlement agreements.

6. Funding Source. With the exception of audiovisuals not intended for presentation to the general public that are produced either as research instruments or for documenting experimentation or findings (unless otherwise required under the special terms of this Agreement), Grantee agrees to include the Department's logo (which can be found on the Department's website at: https://floridadep.gov or by contacting the Grant Manager for a copy) on all publications, printed reports, maps, audiovisuals (including videos, slides, and websites), and similar materials, as well as the following language:

   "This work was funded in part through a grant agreement from the Florida Department of Environmental Protection's Office of Resilience and Coastal Protection Resilient Florida Program. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies."

The next printed line must identify the month and year of the publication.

7. Final Project Report. The Grantee shall submit Exhibit F, Final Project Report Form, prior to requesting final payment. The Final Project Report may be submitted in lieu of the final quarterly status report, only in instances where the next quarterly report falls after the project's completion date.

ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
   i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at: https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

All funds from SLFRF must be obligated by December 31, 2024 and expended by December 31, 2026.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project

workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;

ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;

iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;

iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and

v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

DEP AGREEMENT NO: 23PLN36

RELEASE FORM FOR PHOTOGRAPHS, VIDEOS, AUDIO RECORDINGS AND ARTWORKS

Owner/Submitter's Name: _____

Address: _____

City: _____ **State:** _____ **Zip:** _____

Phone Number: (_____) _____ **Email:** _____

License and Indemnification

I certify that I am the owner of the photograph(s), video(s), audio recording(s) and/or artwork(s) being submitted and am eighteen (18) years of age or older.

I hereby grant to the Florida Department of Environmental Protection the royalty-free and non-exclusive right to distribute, publish and use the photograph(s), video(s), audio recording(s) and art work(s) submitted herewith (the "Work") to promote the Florida Department of Environmental Protection. Uses may include, but are not limited to:

1. Promotion of FDEP (including, but limited to publications, websites, social media venues, advertisements, etc.); and
2. Distribution to the media; and
3. Use in commercial products.

The Florida Department of Environmental Protection reserves the right to use/not use any Work as deemed appropriate by the Florida Department of Environmental Protection. No Work will be returned once submitted.

I hereby acknowledge that the Florida Department of Environmental Protection shall bear no responsibility whatsoever for protecting the Work against third-party infringement of my copyright interest or other intellectual property rights or other rights I may hold in such Work, and in no way shall be responsible for any losses I may suffer as a result of any such infringement; and I hereby represent and warrant that the Work does not infringe the rights of any other individual or entity.

I hereby unconditionally release, hold harmless and indemnify the Florida Department of Environmental Protection, its employees, volunteers, and representatives of and from all claims, liabilities and losses arising out of or in connection with the Florida Department of Environmental Protection's use of the Work. This release and indemnification shall be binding upon me, and my heirs, executors, administrators and assigns.

I have read and understand the terms of this release.

CONTRACTUAL SERVICES CERTIFICATION

Exhibit H

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 23PLN36

Project Title: City of New Smyrna Beach Vulnerability Assessment

Grantee: City of New Smyrna Beach

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement; and
4. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 3. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

Required for all planning grant agreements.

DEP Agreement Number: 23PLN36

Project Title: City of New Smyrna Beach Vulnerability Assessment

Grantee: City of New Smyrna Beach

In accordance with subsection 380.093(3), F.S., the following components, scenarios, data, and information are required for a comprehensive Vulnerability Assessment (VA). The checklist must be completed and submitted with the final VA Report deliverable, pursuant to Attachment 3, Grant Work Plan. The Grantee must abide by the Department's GIS Data Standards found on the Resilient Florida Program webpage at the link below:

https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards

Part 1 – Subparagraph 380.093(3)(c)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
a	☐	Final Vulnerability Assessment Report that provides details on the results and conclusions, including illustrations via maps and tables.	
All electronic mapping data used to illustrate flooding and sea level rise impacts that are identified in the VA must be provided in the format consistent with the Department's GIS Data Standards and include the following three (3) items:			
b	◧	Geospatial data in an electronic file format.	
c	☐	GIS metadata.	
d	☐	List of critical assets for each jurisdiction, including regionally significant assets, that are impacted by flooding and sea level rise. The list must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset	

Part 2 – Subparagraphs 380.093(3)(d)1. and 380.093(3)(d)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
e	☐	Peril of Flood Compliance Plan amendments developed that address paragraph 163.3178(2)(f), F.S., if applicable.	

		☐ Not applicable ☐ Already in compliance	
f	☐	Depth of tidal flooding, including future high tide flooding, using thresholds published and provided by the Department.	
g	☐	To the extent practicable, analysis geographically displays the number of tidal flood days expected for each scenario and planning horizon. *(optional)*	
h	☐	Depth of current and future storm surge flooding using publicly available NOAA or FEMA storm surge data. (*check one*) ☐ NOAA data ☐ FEMA data	
i	☐	Initial storm surge event equals or exceeds current 100-year flood event.	
j	☐	Higher frequency storm analyzed for exposure of a critical asset. *(optional, but must provide additional detail if included)*	
k	☐	To the extent practicable, rainfall-induced flooding was considered using spatiotemporal analysis or existing hydrologic and hydraulic modeling results. *(required if item e is not applicable)*	
l	☐	Future boundary conditions have been modified to consider sea level rise and high tide conditions. *(optional)*	
m	☐	Depth of rainfall-induced flooding for 100-year storm and 500-year storm event. *(required if item e is not applicable)*	
n	☐	To the extent practicable, compound flooding or the combination of tidal, storm surge, and rainfall-induced flooding. *(optional)*	

Part 3 – Subparagraph 380.093(3)(d)3., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
o	☐	All analyses performed in North American Vertical Datum of 1988.	
p	☐	Includes at least two local sea level rise scenarios, which must include the 2017 NOAA intermediate-low and intermediate-high sea level rise projections.	
q	☐	Includes at least two planning horizons, which must include years 2040 and 2070.	
r	☐	Utilizes local sea level data that has been interpolated between the two closest NOAA tide gauges.	
s	☐	Local, publicly available, sea level data was taken from one of the two closest NOAA tide gauges, which must be the gauge with the highest mean sea level *(if so, provide Department approval)*.	

Identify all counties and municipalities that are included in this Vulnerability Assessment:

I certify that, to the Grantee's knowledge, all information contained in this completed Vulnerability Assessment Compliance Checklist is true and accurate as of the date of the signature below.

AMENDMENT NO. 1
TO AGREEMENT NO. 23PLN36
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
CITY OF NEW SMYRNA BEACH

This Amendment to Agreement No. 23PLN36 (Agreement) is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and City of New Smyrna Beach (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for City of New Smyrna Beach Vulnerability Assessment (Project), effective January 18, 2024; and,

WHEREAS, $54,094 in additional funding for this Project is provided under Line Item 197-H of the General Appropriations Act; and the total funding for this Agreement is now $304,094; and,

WHEREAS, the parties have agreed to update Attachment 2: Section 15. Financial Assistance and Payment of Invoices to Rural Communities or Rural Areas of Opportunity and Section 16. Additional Terms to the Agreement as set forth herein; and,

WHEREAS, the Department has requested an update to the Tasks and Deliverables, Performance Measures, Consequences for Non-Performance, Payment Request Schedule, and Project Timeline and Budget Detail in Attachment 3; and,

WHEREAS, the DEPARTMENT has requested an update to Attachment 1, Attachment 2, Attachment 3, Attachment 4, Attachment 5, Attachment 6, Attachment 8, Exhibit A, Exhibit H, and Exhibit I following updates from the Office of the General Counsel.

NOW THEREFORE, the Department and Grantee hereby agree as follows:

1. Attachment 1, Standard Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 1-A, Revised Standard Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 1 shall hereinafter refer to Attachment 1-A, Revised Standard Terms and Conditions.

2. Attachment 2, Special Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 2-A, Revised Special Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 2 shall hereinafter refer to Attachment 2-A, Revised Special Terms and Conditions.

3. Attachment 3, Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-A, Revised Grant Work Plan, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 3 shall hereinafter refer to Attachment 3-A, Revised Grant Work Plan.

4. Attachment 4, Public Records Requirements, is hereby deleted in its entirety and replaced with Attachment 4-A, Revised Public Records Requirements as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 4 shall hereinafter refer to Attachment 4-A, Revised Public Records Requirements.

5. Attachment 5, Special Audit Requirements, is hereby deleted in its entirety and replaced with Attachment 5-A, Revised Special Audit Requirements, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 5, shall hereinafter refer to Attachment 5-A, Revised Special Audit Requirements.

6. Attachment 6, Resilient Florida Program Specific Requirements, is hereby deleted in its entirety and replaced with Attachment 6-A, Revised Resilient Florida Program Specific Requirements, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 6 shall hereinafter refer to Attachment 6-A, Revised Resilient Florida Program Specific Requirements.

7. Attachment 8, Contract Provisions for Coronavirus SLFRF Agreements, is hereby deleted in its entirety and replaced with Attachment 8-A, Revised Contract Provisions for Coronavirus SLFRF Agreements, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 8 shall hereinafter refer to Attachment 8-A, Revised Contract Provisions for Coronavirus SLFRF Agreements. ‘

8. Exhibit A, Progress Report Form, is hereby deleted in its entirety and replaced with Exhibit A-1, Revised Progress Report Form, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit A shall hereinafter refer to Exhibit A-1, Revised Progress Report Form.

9. Exhibit H, Contractual Services Certification, is hereby deleted in its entirety and replaced with Exhibit H-1, Revised Contractual Services Certification, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit H shall hereinafter refer to Exhibit H-1, Revised Contractual Services Certification.

10. Exhibit I, Vulnerability Assessment Compliance Checklist Certification, is hereby deleted in its entirety and replaced with Exhibit I-1, Revised Vulnerability Assessment Compliance Checklist Certification, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit I shall hereinafter refer to Exhibit I-1, Revised Vulnerability Assessment Compliance Checklist Certification.

11. All other terms and conditions of the Agreement remain in effect.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1-A

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department

does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for invoice payments and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. For grants funded with federal funds, nonconsumable and/or nonexpendable personal property or equipment costing $10,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in 2 CFR 200. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-

price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For grants funded fully or in part with state funds, equipment is defined as capital outlay costing $5,000 or more. For grants funded fully with federal funds, equipment is defined as capital outlay costing $10,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform

that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant

Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first

arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Development, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.
This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where

there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized

Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

   i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

   ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

   iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect,

general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.
    ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.
    iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Development at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee

is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Disclosure of Gifts from Foreign Sources.

If the value of the grant under this Agreement is $100,000 or more, Grantee shall disclose to Department any current or prior interest of, any contract with, or any grant or gift received from a foreign country of concern, as defined in section 286.101, F.S., if such interest, contract, or grant or gift has a value of $50,000 or more and such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous 5 years. Such disclosure shall include the name and mailing address of the disclosing entity, the amount of the contract or grant or gift or the value of the interest disclosed, the applicable foreign country of concern and, if applicable, the date of termination of the contract or interest, the date of receipt of the grant or gift, and the name of the agent or controlled entity that is the source or interest holder. If the disclosure requirement is applicable as described above, then within 1 year before applying for any grant, Grantee must also provide a copy of such disclosure to the Department of Financial Services.

41. Food Commodities.

To the extend authorized by federal law, the Department, its grantees, contractors and subcontractors shall give preference to food commodities grown or produced in this state when purchasing food commodities, including farm products as defined in section 823.14, F.S., of any class, variety, or use thereof in their natural state or as processed by a farm operation or processor for the purpose of marketing such product.

42. Anti-human Trafficking.

If the Grantee is a nongovernmental entity, the Grantee must provide the Department with an affidavit signed by an officer or a representative of the Grantee under penalty of perjury attesting that the Grantee does not use coercion for labor or services as defined in section 787.06, F.S.

43. Iron and Steel for Public Works Projects.

If this Agreement funds a "public works project" as defined in section 255.0993, F.S., or the purchase of materials to be used in a public works project, any iron or steel permanently incorporated in the Project must be "produced in the United States," as defined in section 255.0993, F.S. This requirement does not apply if the Department determines that any of the following circumstances apply to the Project:

(1) iron or steel products produced in the United States are not produced in sufficient quantities, reasonably available, or of satisfactory quality;
(2) the use of iron or steel products produced in the United States will increase the total cost of the project by more than twenty percent (20%); or
(3) complying with this requirement is inconsistent with the public interest.

Further, this requirement does not prevent the Contractor's minimal use of foreign steel and iron materials if:

(1) such materials are incidental or ancillary to the primary product and are not separately identified in the project specifications; and
(2) the "cost" of such materials, as defined in section 255.0993, F.S., does not exceed one-tenth of one percent (1%) of the total Project Cost under this Agreement or $2,500, whichever is greater.

Electrical components, equipment, systems, and appurtenances, including supports, covers, shielding, and other appurtenances related to an electrical system that are necessary for operation or concealment (excepting transmission and distribution poles) are not considered to be iron or steel products and are, therefore, exempt from the requirements of this paragraph.

This provision shall be applied in a manner consistent with and may not be construed to impair the state's obligations under any international agreement.

44. Complete and Accurate information.

Grantee represents and warrants that all statements and information provided to DEP are current, complete, and accurate. This includes all statements and information in this Grant, as well as its Attachments and Exhibits.

45. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Terms and Conditions
AGREEMENT NO. 23PLN36

ATTACHMENT 2-A

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is City of New Smyrna Beach Vulnerability Assessment. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

No retainage is required under this Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.

There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States

according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Financial Assistance and Payment of Invoices to Rural Communities or Rural Areas of Opportunity
This agreement does not provide federal or state financial assistance to a county or municipality that is a rural community or rural area of opportunity as those terms are defined in s. 288.0656(2).

16. Additional Terms.
a. Paragraph 8.j. of Attachment 1 is deleted and replaced with a new paragraph 8.j.:

A final payment request should be submitted to the Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, if full or partial funding for this Project is provided by the federal American Rescue Plan Act (State and Local Fiscal Recovery Funds), as administered by the United States Department of the Treasury, a final payment request for any American Rescue Plan Act funding provided by this Agreement shall be submitted to the Department no later than October 31, 2026, unless an extension is granted by the Department in writing, to ensure the availability of funds and adequate time to process payment requests. If the Agreement or Task End Date is extended at any time, this payment request deadline shall still apply. All federal American Rescue Plan Act funds must be fully expended and reimbursed to Grantee Name no later than December 31, 2026, as the funds will no longer be available to the Department after that date. All work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of this Agreement.

b. Paragraph 8.i. of Attachment 1 is deleted.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED GRANT WORK PLAN
AGREEMENT NO. 23PLN36

ATTACHMENT 3-A

PROJECT TITLE: City of New Smyrna Beach Vulnerability Assessment

PROJECT LOCATION: The Project is located in New Smyrna Beach within Volusia County, Florida.

PROJECT DESCRIPTION:
The City of New Smyrna Beach (Grantee) will complete the City of New Smyrna Beach Vulnerability Assessment Project (Project) to include a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.). The Project will include public outreach and stakeholder engagement.

TASKS AND DELIVERABLES:

Task 1: City of New Smyrna Beach Vulnerability Assessment

The Grantee will complete the following under this Project:

Kick Off Meeting and Assemble Steering Committee
The Grantee will develop an overall project management plan and address initial actions and then conduct a kick-off meeting for the project. Meeting attendees will discuss the project scope, project goals, schedule, key milestones, and deliverables in order to develop a consistent project approach. The kick-off meeting will be hosted by the Grantee and should identify potential representatives to serve on the project steering committee. Prior to the meeting, the Grantee will prepare the sign-in sheet, draft project schedule, and other meeting materials as necessary. The Grantee will prepare a draft list of representatives to serve on the project steering committee based on discussions with the Grantee. It is recommended that the committee be limited to no more than 10 representatives to better manage meeting outcomes. The Grantee will review and approve the steering committee list and then distribute the draft email to the steering committee members. The email requests steering committee member participation and to provide confirmation of acceptance or denial.

Acquire Background Data
The Grantee will research and compile the data needed to perform the VA based on the requirements as defined in Section 380.093, F.S. Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related data. GIS metadata must be included for each of the four asset classes as defined in paragraphs 380.093(2)(a)1-4, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. Sea level rise projection data shall include the 2017 National Oceanic and Atmospheric Administration (NOAA) intermediate-high and intermediate-low projections (or the projection(s) required by Section 380.093, F.S.) for 2040 and 2070 (or the planning horizons selected in consultation with the Department) at a minimum. Other projections can be used at the Grantees discretion so long as additional scenarios do not require additional funds. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of the results. The Grantee shall rectify any gaps of necessary data.

Exposure and Sensitivity Analyses

The Grantee will perform exposure and sensitivity analyses. The exposure analysis will identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The sensitivity analysis measures the impact of flooding on assets by applying the data from the exposure analysis to the inventory of critical assets created in the Acquire Background Data Task. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset and at each flood scenario and assign a risk level. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Final Vulnerability Assessment Report

The Grantee will finalize the Vulnerability Assessment report. The final report shall include a summary of identified risks and, if applicable, assigned focus areas.

Project Meeting(s)

The Grantee is permitted to facilitate project meetings as deemed necessary. Project meetings shall be conducted to ensure effective project execution, stakeholder engagement, and compliance with grant requirements. Meeting types include but are not limited to the subtypes and descriptions below.

- *Steering Committee Meetings*
  The purpose of steering committee meetings is to oversee and assist a project from the management level. Steering committees may assist by reviewing the goals of the project, review draft materials, provide input for study direction, assist in identifying geographic context, appropriate modeling methodologies, assist in identifying available data and resources, identify relevant assets, and review project findings and recommendations. A minimum of two steering committee meetings is recommended, at the beginning and end of the project, however, more may be necessary to provide guidance at critical decision points throughout the project process.

  The Grantee should coordinate and schedule the quantity, dates, times, and locations for the steering committee meetings, based on critical decision points in the project process.

- *Public Outreach Meetings*
  The purpose of public outreach meetings is to inform and engage stakeholders in the project. These meetings will promote transparency, gather community input and local knowledge, and foster collaboration in addressing vulnerabilities identified in the assessment. It is recommended the Grantee conduct two public outreach meetings during the project. The purpose of the first meeting is to allow the public to provide input during the initial data collection stages, to include input on preferred methodologies, data for analyzing potential sea level rise impacts and/or flooding, guiding factors to consider, and critical assets important to the community.

  The purpose of the second meeting is to allow the public to provide community-specific input on the results of the VA results. Additionally, during this meeting, the Grantee may conduct exercises to encourage the public to prioritize focus areas of flooding and the critical assets in preparation for the development of adaptation strategies and project development. If focus areas are elected, criteria should be established to guide the public's input for the selection of focus areas.

- *Public Presentation of the Final VA*
  The purpose of a public presentation of the final VA to local governing boards, technical committees, or other appropriate officers and elected officials is to share the findings from the final VA and provide recommendations of actions for adaptation strategies and future project funding.

The presentation should also inform the public of the results and the future risk of sea level rise and increased flooding and encourage community participation when identifying mitigation strategies to address the flooding vulnerabilities.

Deliverables: The Grantee will submit the following:

- **1.1:** For a Kick-off Meeting and Assemble Steering Committee:
    - Meeting agenda to include location, date, and time of meeting;
    - Meeting sign-in sheets or attendance records with attendee names and affiliation;
    - A copy of the presentation(s) and any materials created for distribution at the meeting, as applicable;
    - Kick-off meeting minutes, which documents all decisions and agreed upon outcomes of the meeting;
    - A draft list of steering committee members;
    - A draft email to potential steering committee members to request their participation on the committee. The email shall include the project purpose, goals, schedule, project meeting dates and locations, and overall desired outcomes; and,
    - The list of local representatives that have confirmed participation on the steering committee. The list shall include the name, organization/affiliation, position title, and contact information.
- **1.2:** A Final Vulnerability Assessment Report that provides a summary of results and conclusions based on the statutorily-required scenarios and standards in s.380.093, F.S., to include, at a minimum:
    - Findings of the gap analysis;
    - Recommendations to address the identified data gaps and actions taken to rectify them, if applicable; and
    - Details on the modeling process and type of models used during the exposure and sensitivity analyses.
- **1.3:** GIS data including, at a minimum, those listed below. If available, the data should be provided in a single-file geodatabase.
    - Raster layers with appropriate metadata of the background data compiled that is not publicly available nor already included in the statewide flood vulnerability and sea level rise data set. This data should include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a)1-4, F.S.;
    - Raster layers with results of the exposure analysis (depth of flood water) for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers. Additionally, any other custom, combined or modified flood scenario raster layer used in the assessment and not publicly available; and
    - Feature class (or shapefile) of asset datasets with the results of the sensitivity analysis for all flood scenarios required by s. 380.093, F.S., including the appropriate metadata that identified the methods used to create the risk layers. The feature class must use the template provided in the GIS Data Standards.
- **1.4:** A list of critical and regionally significant assets that are impacted by flooding.
- **1.5:** A signed Vulnerability Assessment Compliance Checklist Certification.
- **1.6:** A final list of all meetings hosted or attended by the Grantee after the kick-off meeting, if applicable. The list must include the type of meeting (Steering Committee, Public Outreach, Public Presentation), location, date, and time of meeting(s).

- **1.7:** The Grantee will provide the following for each of the meetings identified through deliverable 1.6:
    - A copy of the presentation(s) and all materials created in the preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), including a meeting agenda;
    - A summary report or meeting minutes that include the meeting purpose, number of attendees, stakeholder recommendations and guidance, and documents decisions and agreed upon outcomes. Steering Committee meetings must also include information regarding the attendee including name, affiliation, position title, and contact information; and
    - A copy of the file or weblink of the video or audio recording from the meeting, if applicable.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to ResilientFloridaGrants@FloridaDEP.gov on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s) and will provide written acceptance or non-acceptance of the deliverable(s) to the Grantee within thirty (30) calendar days. Deliverables that the Department determines are not acceptable must be corrected and resubmitted within thirty (30) calendar days prior to the Agreement's Date of Expiration, and in coordination with the Department's Grant Manager. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter. All deliverables must be received by the Task Due Date and accepted by the Department on or before the Agreement's Date of Expiration, or the Consequences for Non-Performance set forth herein shall apply.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received and accepted by the Department at one hundred percent (100%) completion on or before the Agreement's Date of Expiration, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. For each task deliverable not received by the Department by the specified Task Due Date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) by five percent (5%) per calendar day, which will be imposed until the Department has received the task deliverable. The Consequence for Non-Performance will be applied to and included in the relevant task deliverable's payment request.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Begin Date. Upon the Department's

receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. For Projects funded with federal American Rescue Plan Act funds, requests for any change(s) must be submitted to the Department prior to October 1, 2024. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	DEP Amount	Task Start Date	Task Due Date
1	City of New Smyrna Beach Vulnerability Assessment	$304,094	Upon Execution	6/30/2026
	Total:	**$304,094**		

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Public Records Requirements

Attachment 4-A

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution and section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5-A

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
Amendment 1	U.S. Department of Treasury	21.027	SLFRP0125	$304,094.00	197-H23
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$304,094.00	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

[1] Subject to change by Change Order.
[2] Subject to change by Change Order.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED PROGRAM-SPECIFIC REQUIREMENTS
RESILIENT FLORIDA PROGRAM

ATTACHMENT 6-A

General

1. Deliverable and Payment Request Submissions. All grant deliverables and payment requests (Exhibit C) must be submitted to ResilientFloridaGrants@FloridaDEP.gov.

2. Contractual Services. For all grant agreements that include Contractual Services as an expenditure category, the Grantee must submit Exhibit H, Contractual Services Certification, and all required supporting documentation for all contractors conducting work under the grant agreement, prior to submitting a payment request for contractual services.

3. Grantee Match Form. If the grant agreement includes match requirements in Attachment 2, the Grantee must submit the Grantee Match Form upon execution of the grant agreement and at any time there are changes to the match funding amount and/or funding source throughout the grant agreement period.

4. Project Photos. The Grantee must submit Exhibit G, Photo Release Form, with the first submission of deliverables and reports (Exhibit A and F) that include photos.

5. DEP Logo and Funding Source Disclaimer. The final Vulnerability Assessment Report, Adaptation Plan report or document, and any permanent signage created for an implementation project included on the Statewide Flooding and Sea Level Rise Resilience Plan must include the Department's logo (which can be found on the Department's website at: https://floridadep.gov or by contacting the Grant Manager for a copy) as well as the following language:

   "This work was funded in part through a grant agreement from the Florida Department of Environmental Protection's Office of Resilience and Coastal Protection Resilient Florida Program. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies."

6. Final Project Report. The Grantee must submit Exhibit F, Final Project Report Form, prior to requesting final payment. The Final Project Report may be submitted in lieu of the final Exhibit A, Progress Report Form, only in instances where the next quarterly progress report falls after the Agreement's Date of Expiration. For grants funded with American Rescue Plan Act (ARPA) Funds that are not completed by the Agreement's Date of Expiration, Exhibit F must also be submitted to ResilientFloridaGrants@FloridaDEP.gov upon completion of the project, which may be after the Agreement's Date of Expiration.

7. Copyright, Patent and Trademark. The Department reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state government purposes:
   a. The copyright in any work developed under this Agreement; and
   b. Any rights or copyright to which the Grantee or subcontractor purchases ownership with grant support.

8. Geographic Information System (GIS) files and associated metadata. All GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (found on the Resilient Florida Program website: https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards), and raw data sources shall be defined within the associated metadata.

9. Program Deliverable Acceptance and Disclaimer. The Department's acceptance of any specific project's task deliverables required by that project's Resilient Florida Program grant agreement, does not guarantee the Department's acceptance of the same or similar task deliverables, as required by a different Resilient Florida Program grant agreement, notwithstanding the Grantee(s) and/or project(s) at issue being the same or similar. The Department will review and accept all deliverables individually, pursuant to the terms and conditions of each grant agreement for which they are submitted, including Attachment 3, Grant Work Plan. The Department's acceptance of a specific deliverable does not constitute the Department's confirmation that the conclusions or statements made within said deliverable are truthful or accurate, including, but not limited to, claims of scientific validity and the certification of engineering practices. If a dispute arises between the Department and Grantee regarding the veracity of a specific deliverable's content, the Department may request that the Grantee provide additional documentation (e.g., a certification statement signed and sealed by a licensed Professional Engineer), verifying that the conclusions or statements at issue are true and correct to the best of the Grantee's knowledge, prior to the Department's acceptance of said deliverable.

10. Sunshine Law Compliance. As per Paragraph 23 to Attachment 1, Standard Terms and Conditions, the Grantee is solely responsible for ensuring that its actions (and those of its agents) under the Agreement are made in compliance with Section 286.011, Florida Statutes—Florida's Government in the Sunshine Law—where applicable.

Implementation Grants

11. Sea Level Impact Projection Study Requirement. If a state-funded construction project is located within an area where a Sea Level Impact Protection (SLIP) study is required pursuant to Section 380.0937, Florida Statutes, the Grantee is responsible for conducting such a SLIP study and submitting the resulting report to the Department. The SLIP study report must be received by the Department, approved by the Department, and published on the Department's website for at least thirty (30) days before construction can commence. Upon submission to the Department, SLIP study reports must meet all relevant statutory requirements, as well as the standards and criteria indicated in Chapter 62S-7, Florida Administrative Code.

12. Permits. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state, or local permit will be issued for a particular activity. The Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant-funded activity that may fall under applicable federal, state, or local laws. Further, the Grantee shall abide by all terms and conditions of each applicable permit for any grant-funded activity. Upon request, the Grantee must provide a copy of all required, acquired, and approved permits for the project.

13. Grant funds may not be used to support ongoing efforts to comply with certain legal requirements or actions that were unanticipated, non-existent, or unknown to the Department at the time of this Agreement's execution, including regulatory and permit compliance requirements, non-compliance and citation fees, fees resulting from unanticipated permit conditions, settlement agreements, and compliance with formal or informal enforcement actions to resolve violations of applicable rules and statutes (including consent orders, Closed Without Official Enforcement agreements, and similar enforcement actions). Grant funds may be utilized to support ongoing efforts to comply with permit-required conditions, as approved by the Resilient Florida Program (e.g., pre-, during-, and post-construction monitoring and mitigation efforts).

Grants Funded with American Rescue Plan Act (ARPA) Funds

14. Match Expenditure Monitoring. For any match-funded deliverable(s) identified in Attachment 3, Grant Work Plan, not accepted by the Department by the Date of Expiration listed in Section 3 to the Standard Grant Agreement (as modified by any properly executed amendment(s), as applicable), the Grantee must submit Exhibit M, Match Expenditure Monitoring Form, to the Department prior to ARPA-funded grant closeout to identify all remaining deliverable(s) which are to be completed solely using Grantee match funding. Failure

to submit Exhibit M and all remaining Project deliverables to the Department, as well as meet the Match Requirements identified in Section 7 to Attachment 2, may hinder the Grantee's chances of receiving future grant awards from the Resilient Florida Program.

ATTACHMENT 8-A
Revised Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
    i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

The Department must obligate all funds from SLFRF by December 31, 2024, and all such obligated funds must be expended by December 31, 2026. As such, the Contractor must submit all invoices by September 30, 2026, unless approved in writing by the Department.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire

collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;
ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;
iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;
iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and
v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

REVISED CONTRACTUAL SERVICES CERTIFICATION

Exhibit H-1

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 23PLN36

Project Title: City of New Smyrna Beach Vulnerability Assessment

Grantee: City of New Smyrna Beach

Subcontractor: _____

Note: Submit separate Exhibit H Certification for each additional subcontractor.

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement;
4. A copy of the Grantee's executed subcontract agreement, as required by Attachment 2, Paragraph 11; and
5. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 4. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department

does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for invoice payments and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. For grants funded with federal funds, nonconsumable and/or nonexpendable personal property or equipment costing $10,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in 2 CFR 200. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-

price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For grants funded fully or in part with state funds, equipment is defined as capital outlay costing $5,000 or more. For grants funded fully with federal funds, equipment is defined as capital outlay costing $10,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform

that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant

Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first

arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Development, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.
This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where

there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized

Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

   i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

   ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

   iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect,

general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.
    ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.
    iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Development at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee

is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Disclosure of Gifts from Foreign Sources.

If the value of the grant under this Agreement is $100,000 or more, Grantee shall disclose to Department any current or prior interest of, any contract with, or any grant or gift received from a foreign country of concern, as defined in section 286.101, F.S., if such interest, contract, or grant or gift has a value of $50,000 or more and such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous 5 years. Such disclosure shall include the name and mailing address of the disclosing entity, the amount of the contract or grant or gift or the value of the interest disclosed, the applicable foreign country of concern and, if applicable, the date of termination of the contract or interest, the date of receipt of the grant or gift, and the name of the agent or controlled entity that is the source or interest holder. If the disclosure requirement is applicable as described above, then within 1 year before applying for any grant, Grantee must also provide a copy of such disclosure to the Department of Financial Services.

41. Food Commodities.

To the extent authorized by federal law, the Department, its grantees, contractors and subcontractors shall give preference to food commodities grown or produced in this state when purchasing food commodities, including farm products as defined in section 823.14, F.S., of any class, variety, or use thereof in their natural state or as processed by a farm operation or processor for the purpose of marketing such product.

42. Anti-human Trafficking.

If the Grantee is a nongovernmental entity, the Grantee must provide the Department with an affidavit signed by an officer or a representative of the Grantee under penalty of perjury attesting that the Grantee does not use coercion for labor or services as defined in section 787.06, F.S.

43. Iron and Steel for Public Works Projects.

If this Agreement funds a "public works project" as defined in section 255.0993, F.S., or the purchase of materials to be used in a public works project, any iron or steel permanently incorporated in the Project must be "produced in the United States," as defined in section 255.0993, F.S. This requirement does not apply if the Department determines that any of the following circumstances apply to the Project:

(1) iron or steel products produced in the United States are not produced in sufficient quantities, reasonably available, or of satisfactory quality;
(2) the use of iron or steel products produced in the United States will increase the total cost of the project by more than twenty percent (20%); or
(3) complying with this requirement is inconsistent with the public interest.

Further, this requirement does not prevent the Contractor's minimal use of foreign steel and iron materials if:

(1) such materials are incidental or ancillary to the primary product and are not separately identified in the project specifications; and
(2) the "cost" of such materials, as defined in section 255.0993, F.S., does not exceed one-tenth of one percent (1%) of the total Project Cost under this Agreement or $2,500, whichever is greater.

Electrical components, equipment, systems, and appurtenances, including supports, covers, shielding, and other appurtenances related to an electrical system that are necessary for operation or concealment (excepting transmission and distribution poles) are not considered to be iron or steel products and are, therefore, exempt from the requirements of this paragraph.

This provision shall be applied in a manner consistent with and may not be construed to impair the state's obligations under any international agreement.

44. Complete and Accurate information.

Grantee represents and warrants that all statements and information provided to DEP are current, complete, and accurate. This includes all statements and information in this Grant, as well as its Attachments and Exhibits.

45. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 25PLN53

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is City of New Smyrna Beach Vulnerability Assessment - Phase II. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The

Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Financial Assistance and Payment of Invoices to Rural Communities or Rural Areas of Opportunity
This agreement does not provide federal or state financial assistance to a county or municipality that is a rural community or rural area of opportunity as those terms are defined in s. 288.0656(2).

16. Additional Terms.
None.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 25PLN53

ATTACHMENT 3

PROJECT TITLE: City of New Smyrna Beach Vulnerability Assessment – Phase II

PROJECT LOCATION: The Project is located in New Smyrna Beach within Volusia County, Florida.

PROJECT DESCRIPTION:
The City of New Smyrna Beach (Grantee) will complete the City of New Smyrna Beach Vulnerability Assessment – Phase II Project (Project) to include phase II of a comprehensive Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.). Phase I of the VA was completed under DEP grant agreement, 23PLN36.

TASKS AND DELIVERABLES:

Task 1: Public Outreach Meeting #2

Description: The Grantee will conduct a second public meeting to present the results from the exposure analysis, sensitivity analysis, and draft VA. The purpose of the second meeting is to allow the public to provide community-specific input on the results of the analyses and to reconsider methodologies and assumptions used in the analysis for refinement. Additionally, during this meeting, the Grantee will conduct exercises to encourage the public to prioritize focus areas of flooding, and the critical assets in preparation for the development of adaptation strategies and project development. Criteria should be established to guide the public's input for the selection of focus areas. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable. Public Outreach Meeting #1 was completed under DEP grant agreement, 23PLN36.

Deliverables: The Grantee will provide the following:

- **1.1:** For each meeting, the agenda (including location, date, and time); a copy of the presentation, if applicable, and all materials created for the meeting; and a summary report or meeting minutes that includes the meeting purpose, stakeholder input, and outcomes.

Task 2: Conduct Steering Committee Meetings

Description: The Grantee will coordinate and schedule the quantity, dates, times, and locations for the steering committee meetings, based on critical decision points in the project process. The purpose of the steering committee meetings is to assist in reviewing the goals of the project, review draft materials, provide input for study direction, assist in identifying geographic context, appropriate modeling methodologies, assist in identifying available data and resources, identify relevant assets, and review project findings and recommendations. A minimum of two steering committee meetings is recommended, at the beginning and end of the project, however, more may be necessary to provide guidance at critical decision points throughout the project process. Steering Committee Meetings during earlier phases of the Project will be completed under DEP grant agreement, 23PLN36.

Deliverables: The Grantee will provide the following:

- **2.1:** For each meeting, the agenda (including location, date, and time); a copy of the presentation, if applicable, and all materials created for the meeting; and a summary report or meeting minutes that includes the meeting purpose, steering committee input, and outcomes.

Task 3: Final Vulnerability Assessment Report – Phase II

Description: The Grantee will finalize the VA Report pursuant to the requirements in s. 380.093, F.S. The final VA Report must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks as well as any assigned focus areas (if applicable). It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset.

Deliverables: The Grantee will provide the following:

- **3.1:** A Final VA Report that provides a summary of results and conclusions based on the statutorily-required scenarios and standards in s.380.093, F.S., to include, at a minimum:
    - Findings of the gap analysis;
    - Recommendations to address the identified data gaps and actions taken to rectify them, if applicable; and
    - Details on the modeling process and type of models used during the exposure and sensitivity analyses.
- **3.2:** GIS data including, at a minimum, those listed below. If available, the data should be provided in a single-file geodatabase.
    - Raster layers with appropriate metadata of the background data compiled that is not publicly available nor already included in the statewide flood vulnerability and sea level rise data set. This data should include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a)1-4, F.S.;
    - Raster layers with results of the exposure analysis (depth of flood water) for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers. Additionally, any other custom, combined or modified flood scenario raster layer used in the assessment and not publicly available; and
    - Feature class (or shapefile) of asset datasets with the results of the sensitivity analysis for all flood scenarios required by s. 380.093, F.S., including the appropriate metadata that identified the methods used to create the risk layers. The feature class must use the template provided in the GIS Data Standards.
- **3.3:** A list of critical and regionally significant assets that are impacted by flooding.
- **3.4:** A signed VA Compliance Checklist Certification (Exhibit I).

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to ResilientFloridaGrants@FloridaDEP.gov on or before the Task Due Date listed in the Project Timeline. The deliverables for each task must be submitted in chronological order, with the exception of the "Public Outreach Meetings and Stakeholder Engagement" and "Peril of Flood Compliance" tasks, if included. Grantees must have received a Deliverable Acceptance Letter from the Department's Grant Manager prior to submitting any subsequent deliverables. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or non-acceptance of the deliverable(s) to the Grantee within thirty (30) calendar days. Deliverables that the Department determines are not acceptable must be corrected and resubmitted within thirty (30) calendar days prior to the Agreement's Date of Expiration, and in coordination with the Department's Grant Manager. Tasks may

include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter. All deliverables must be received by the Task Due Date and accepted by the Department on or before the Agreement's Date of Expiration, or the Consequences for Non-Performance set forth herein shall apply.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received and accepted by the Department at one hundred percent (100%) completion on or before the Agreement's Date of Expiration, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. For each task deliverable not received by the Department by the specified Task Due Date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) by 5% per calendar day, which will be imposed until the Department has received the task deliverable. The Consequence for Non-Performance will be applied to and included in the relevant task deliverable's payment request.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Execution Date. For the reporting period beginning on the Agreement Begin Date and ending on the Agreement Execution Date, submittal of a single Exhibit A, Progress Report Form, covering only this reporting period will be acceptable. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below and must be an allowable expenditure category pursuant to Attachment 2, Special Terms and Conditions. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	DEP Amount	Match Amount	Total Amount	Task Start Date	Task Due Date
1	Public Outreach Meeting #2	$12,316	$0	$12,316	7/1/2024	12/31/2025
2	Conduct Steering Committee Meetings	$4,688	$0	$4,688	7/1/2024	3/31/2026

3	Final Vulnerability Assessment Report – Phase II	$37,090	$0	$37,090	7/1/2024	6/30/2026
	Total:	**$54,094**	**$0**	**$54,094**		

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution and section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

Telephone: **(850) 245-2118**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and time the reporting package was delivered to the recipient and any correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Agreement	Florida Department of Environmental Protection	FY 24/25	37.098	Resilient Florida Programs	54,094.00	140078
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$54,094.00	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
PROGRAM-SPECIFIC REQUIREMENTS
RESILIENT FLORIDA PROGRAM

ATTACHMENT 6

General

1. Deliverable and Payment Request Submissions. All grant deliverables and payment requests (Exhibit C) must be submitted to ResilientFloridaGrants@FloridaDEP.gov.

2. Contractual Services. For all grant agreements that include Contractual Services as an expenditure category, the Grantee must submit Exhibit H, Contractual Services Certification, and all required supporting documentation for all contractors conducting work under the grant agreement, prior to submitting a payment request for contractual services.

3. Grantee Match Form. If the grant agreement includes match requirements in Attachment 2, the Grantee must submit the Grantee Match Form upon execution of the grant agreement and at any time there are changes to the match funding amount and/or funding source throughout the grant agreement period.

4. Project Photos. The Grantee must submit Exhibit G, Photo Release Form, with the first submission of deliverables and reports (Exhibit A and F) that include photos.

5. DEP Logo and Funding Source Disclaimer. The final Vulnerability Assessment Report, Adaptation Plan report or document, and any permanent signage created for an implementation project included on the Statewide Flooding and Sea Level Rise Resilience Plan must include the Department's logo (which can be found on the Department's website at: https://floridadep.gov or by contacting the Grant Manager for a copy) as well as the following language:

   "This work was funded in part through a grant agreement from the Florida Department of Environmental Protection's Office of Resilience and Coastal Protection Resilient Florida Program. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies."

6. Final Project Report. The Grantee must submit Exhibit F, Final Project Report Form, prior to requesting final payment. The Final Project Report may be submitted in lieu of the final Exhibit A, Progress Report Form, only in instances where the next quarterly progress report falls after the Agreement's Date of Expiration. For grants funded with American Rescue Plan Act (ARPA) Funds that are not completed by the Agreement's Date of Expiration, Exhibit F must also be submitted to ResilientFloridaGrants@FloridaDEP.gov upon completion of the project, which may be after the Agreement's Date of Expiration.

7. Copyright, Patent and Trademark. The Department reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state government purposes:
   a. The copyright in any work developed under this Agreement; and
   b. Any rights or copyright to which the Grantee or subcontractor purchases ownership with grant support.

8. Geographic Information System (GIS) files and associated metadata. All GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (found on the Resilient Florida Program website: https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards), and raw data sources shall be defined within the associated metadata.

9. Program Deliverable Acceptance and Disclaimer. The Department's acceptance of any specific project's task deliverables required by that project's Resilient Florida Program grant agreement, does not guarantee the Department's acceptance of the same or similar task deliverables, as required by a different Resilient Florida Program grant agreement, notwithstanding the Grantee(s) and/or project(s) at issue being the same or similar. The Department will review and accept all deliverables individually, pursuant to the terms and conditions of each grant agreement for which they are submitted, including Attachment 3, Grant Work Plan. The Department's acceptance of a specific deliverable does not constitute the Department's confirmation that the conclusions or statements made within said deliverable are truthful or accurate, including, but not limited to, claims of scientific validity and the certification of engineering practices. If a dispute arises between the Department and Grantee regarding the veracity of a specific deliverable's content, the Department may request that the Grantee provide additional documentation (e.g., a certification statement signed and sealed by a licensed Professional Engineer), verifying that the conclusions or statements at issue are true and correct to the best of the Grantee's knowledge, prior to the Department's acceptance of said deliverable.

10. Sunshine Law Compliance. As per Paragraph 23 to Attachment 1, Standard Terms and Conditions, the Grantee is solely responsible for ensuring that its actions (and those of its agents) under the Agreement are made in compliance with Section 286.011, Florida Statutes—Florida's Government in the Sunshine Law—where applicable.

Implementation Grants

11. Sea Level Impact Projection Study Requirement. If a state-funded construction project is located within an area where a Sea Level Impact Protection (SLIP) study is required pursuant to Section 380.0937, Florida Statutes, the Grantee is responsible for conducting such a SLIP study and submitting the resulting report to the Department. The SLIP study report must be received by the Department, approved by the Department, and published on the Department's website for at least thirty (30) days before construction can commence. Upon submission to the Department, SLIP study reports must meet all relevant statutory requirements, as well as the standards and criteria indicated in Chapter 62S-7, Florida Administrative Code.

12. Permits. The Grantee acknowledges that receipt of this grant does not imply nor guarantee that a federal, state, or local permit will be issued for a particular activity. The Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any grant-funded activity that may fall under applicable federal, state, or local laws. Further, the Grantee shall abide by all terms and conditions of each applicable permit for any grant-funded activity. Upon request, the Grantee must provide a copy of all required, acquired, and approved permits for the project.

13. Grant funds may not be used to support ongoing efforts to comply with certain legal requirements or actions that were unanticipated, non-existent, or unknown to the Department at the time of this Agreement's execution, including regulatory and permit compliance requirements, non-compliance and citation fees, fees resulting from unanticipated permit conditions, settlement agreements, and compliance with formal or informal enforcement actions to resolve violations of applicable rules and statutes (including consent orders, Closed Without Official Enforcement agreements, and similar enforcement actions). Grant funds may be utilized to support ongoing efforts to comply with permit-required conditions, as approved by the Resilient Florida Program (e.g., pre-, during-, and post-construction monitoring and mitigation efforts).

Grants Funded with American Rescue Plan Act (ARPA) Funds

14. Match Expenditure Monitoring. For any match-funded deliverable(s) identified in Attachment 3, Grant Work Plan, not accepted by the Department by the Date of Expiration listed in Section 3 to the Standard Grant Agreement (as modified by any properly executed amendment(s), as applicable), the Grantee must submit Exhibit M, Match Expenditure Monitoring Form, to the Department prior to ARPA-funded grant closeout to identify all remaining deliverable(s) which are to be completed solely using Grantee match funding. Failure

to submit Exhibit M and all remaining Project deliverables to the Department, as well as meet the Match Requirements identified in Section 7 to Attachment 2, may hinder the Grantee's chances of receiving future grant awards from the Resilient Florida Program.

DEP AGREEMENT NO. 25PLN53

CITY OF NEW SMYRNA BEACH VULNERABILITY ASSESSMENT – PHASE II

City of New Smyrna Beach

Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

PHOTOGRAPHER RELEASE FORM
FOR PHOTOGRAPHS, VIDEOS, AUDIO RECORDINGS AND ARTWORKS

DEP AGREEMENT NO: 25PLN53

RELEASE FORM FOR PHOTOGRAPHS, VIDEOS, AUDIO RECORDINGS AND ARTWORKS

Owner/Submitter's Name: _____

Address: _____

City: _____ **State:** _____ **Zip:** _____

Phone Number: (_____) _____ **Email:** _____

License and Indemnification

I certify that I am the owner of the photograph(s), video(s), audio recording(s) and/or artwork(s) being submitted and am eighteen (18) years of age or older.

I hereby grant to the Florida Department of Environmental Protection the royalty-free and non-exclusive right to distribute, publish and use the photograph(s), video(s), audio recording(s) and art work(s) submitted herewith (the "Work") to promote the Florida Department of Environmental Protection. Uses may include, but are not limited to:

1. Promotion of FDEP (including, but limited to publications, websites, social media venues, advertisements, etc.); and
2. Distribution to the media; and
3. Use in commercial products.

The Florida Department of Environmental Protection reserves the right to use/not use any Work as deemed appropriate by the Florida Department of Environmental Protection. No Work will be returned once submitted.

I hereby acknowledge that the Florida Department of Environmental Protection shall bear no responsibility whatsoever for protecting the Work against third-party infringement of my copyright interest or other intellectual property rights or other rights I may hold in such Work, and in no way shall be responsible for any losses I may suffer as a result of any such infringement; and I hereby represent and warrant that the Work does not infringe the rights of any other individual or entity.

I hereby unconditionally release, hold harmless and indemnify the Florida Department of Environmental Protection, its employees, volunteers, and representatives of and from all claims, liabilities and losses arising out of or in connection with the Florida Department of Environmental Protection's use of the Work. This release and indemnification shall be binding upon me, and my heirs, executors, administrators and assigns.

I have read and understand the terms of this release.

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 25PLN53

Project Title: City of New Smyrna Beach Vulnerability Assessment - Phase II

Grantee: City of New Smyrna Beach

Subcontractor: _____

Note: Submit separate Exhibit H Certification for each additional subcontractor.

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement;
4. A copy of the Grantee's executed subcontract agreement, as required by Attachment 2, Paragraph 11; and
5. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 4. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

City Commission Regular Meeting
Tuesday, September 26, 2023 at 6:30 PM
Summary of Action

1. OPENING OF MEETING

Mayor Fred E. Cleveland called the meeting to order at 6:30 PM.

Present: Mayor Fred E. Cleveland, Vice Mayor Randy Hartman, Commissioner Lisa Martin, Commissioner Jason McGuirk and Commissioner Valli Perrine

2. INVOCATION/PLEDGE OF ALLEGIANCE

Police Department Chaplain Bill Kitchen gave the invocation. Retired Navy Captain and Habitat for Humanity Director Mark Billings led those present in the Pledge of Allegiance.

3. APPROVAL OF THE AGENDA

City Manager Resheidat reported a change to Consent Agenda Item 7.L, changing the word disapproval to approval in the title.

4. ANNOUNCEMENTS/PRESENTATION/RECOGNITIONS

4.A Team Volusia Economic Development Corporation Presentation.

Volusia EDC CEO & President Keith Norden outlined a brief presentation.

4.B Proclamation: Declaring October as Manufacturing Month in the City of New Smyrna Beach.

Director of Education and President Emeritus of Volusia Manufacturers Association Jayne Fifer and President of Southeast Volusia Manufacturing and Technology Coalition, Inc. Bliss Jamison accepted the proclamation.

5. CITY MANAGER'S REPORT

5.A City Manager's Report

6. PUBLIC PARTICIPATION

No action

7. CONSENT AGENDA

7.A Resolution No. 51-23: Consider the adoption of a Resolution, which if adopted, would amend Sections 4 and 7 of the Community Engagement Enhancement Committee establishing Resolution No. 26-22.
Denied 4-1, with Commissioner Martin, Commissioner Perrine, Commissioner McGuirk and Mayor Cleveland voting no.

7.B Resolution No. 52-23: Consider the adoption of a Resolution, which if adopted, would sunset the Facilities Advisory Committee.
Adopted 4-1, with Mayor Cleveland voting no.

7.C Resolution No. 53-23: Consider the adoption of a Resolution, which if adopted, would amend Sections 3 and 7 of the Economic Development Task Force establishing Resolution No. 27-22.
Denied 4-1, with Commissioner Martin, Commissioner Perrine, Commissioner McGuirk and Mayor Cleveland voting no.

7.D Consider the approval of the Fiscal Year 2024 Blanket Purchase Orders exceeding $25,000.
Unanimously approved

7.E Consider the approval to award RFQ 13-23-PLAN Professional Planning Consultant Services to Alfred Benesch & Company, GAI Consultants, Inspire Placemaking Collective, Inc. and Kimley-Horn and Associates, Inc.
Unanimously approved

7.F Consider the approval to award RFP 34-23-CRA Donation of City Owned Property for Affordable Housing including (3) city-owned vacant properties located in the CRA at 428 North Myrtle Avenue and 327 Dimmick Street to Southeast Volusia Habitat for Humanity and 1203 Enterprise Avenue to the New Smyrna Beach Housing Development Corporation.
Unanimously approved

7.G Consider the approval of the Michael Baker International Vulnerability Assessment Proposal.
Unanimously approved

7.H Consider the approval of the FY 23-24 Team Volusia Economic Development Corporation (EDC) Economic Development Cooperative Agreement with the City of New Smyrna Beach.
Unanimously approved

7.I Consider the approval of a proposal from Dredging and Marine Consultants for the Design, Engineering and Construction Administration for the North Causeway Boat Ramp Facility: Dock & Amenity Improvements (Phase II AOB site improvements) in the amount of $183,000.
Unanimously approved

7.J Consider the approval of the Coastal Crisis Negotiations Team (CCNT) MOU.
Unanimously approved

7.K Consider the approval/renewal of the Southeast Volusia Regional Special Weapons and Tactics (SEVR SWAT) MOU
Unanimously approved

7.L Special Event: Consider the disapproval of the Canal Christmas Classic 5K 2023, on December 23, 2023.
Unanimously denied

7.M Special Event: Consider the approval of the Hangar Hootenanny for October 21, 2023.
Unanimously approved

7.N Special Event: Consider the approval of the Night At the Museum Event 2023, on October 28, 2023.
Unanimously approved

7.O Special Event: Consider the approval of the New Smyrna Beach Plein Air Paint Out Event 2023, on October 17 - 21, 2023.
Unanimously approved

7.P Special Event: Consider the approval of the Shark Bite Expo, Half Marathon and 5k along with the Feeding Frenzy 5k 2024, on January 13 and 14, 2024.
Denied 3-2, with Commissioner Martin, Commissioner Perrine and Mayor Cleveland voting no.

8. ADMINISTRATIVE ITEMS/NEW BUSINESS

8.A Golf Course and Marina for FY 24

A majority consensus from the City Commission was given, directing Mr. Salazar to move forward with the golf fee changes, increasing greens fees by $3.00 and offering NSB residents a $3.00 discount.

Motion:
Commissioner Martin moved to move forward with the Marina fee revamp. Commissioner Perrine seconded the motion, and the motion carried 4-1, with Vice Mayor Hartman voting no.

8.B Consider the approval of two Real Estate Purchase Agreements for Turnbull Creek Conservation properties.
Unanimously approved

10. ORDINANCES - SECOND READING AND PUBLIC HEARINGS

9.A Ordinance No. 64-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would approve the Proposed Annual Budget of the Utilities Commission, New Smyrna Beach, for the Fiscal Year of October 1, 2023 through September 30, 2024.
Unanimously adopted

9.B Resolution No. 54-23: Consider the adoption of a Resolution, which if adopted, would adopt the New Smyrna Operating Maximum Millage Rate.
Unanimously adopted

9.C Resolution No. 55-23: Consider the adoption of a Resolution, which if adopted, would adopt the New Smyrna I & S 2005 Maximum Millage Rate.
Unanimously adopted

9.D Resolution No. 56-23: Consider the adoption of a Resolution, which if adopted, would adopt the New Smyrna I & S 2018 Maximum Millage Rate.
Unanimously adopted

9.E Resolution No. 57-23: Consider the adoption of a Resolution, which if adopted, would adopt the New Smyrna Beach Budget for Fiscal Year 2023-2024.
Unanimously adopted

9.F Resolution No. 58-23: Consider the adoption of a Resolution, which if adopted, would approve the Fiscal Year 2023-2024 CRA Budget.
Unanimously adopted

9.G Resolution No. 59-23: Consider the adoption of a Resolution, which if adopted, would approve re-appropriating the FY 22/23 Community Redevelopment Agency (CRA) Fund Balance to Specific and Amended CRA Projects in FY 23/24.
Unanimously adopted

9.H Ordinance No. 56-23: Conduct the Second Reading and Quasi-Judicial Hearing of an Ordinance, which if adopted, would allow the approval of a new Planned Unit Development (PUD) Master Development Agreement (MDA) for the previously approved and now expired Village Square PUD MDA, which would allow development within the remaining two existing undeveloped parcels of an approximately 6.4 acre total PUD property area located along SR 44, south of its intersection with Colony Park Road (PUD-3-21).

Unanimously continued to the October 24, 2023 meeting

Motion: (10:29 pm)

Commissioner Martin moved to extend the meeting to 11:00 pm. Commissioner Perrine seconded the motion, and the motion carried 4-1, with Mayor Cleveland voting no.

9.I Ordinance No. 57-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would annex approximately 0.62 acres of land located at 684 Corbin Park Road.

Unanimously adopted

9.J Ordinance No. 58-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would create a Small-Scale Comprehensive Plan amendment, changing the Future Land Use map to City Medium Density Residential for property located at 684 Corbin Park Road as part of an overall annexation application.

Unanimously adopted

9.K Ordinance No. 59-23: Conduct the Second Reading and Quasi-Judicial Public Hearing of an Ordinance, which if adopted, would rezone approximately 0.62 acres of land to City to City R-2, Single Family Residential for property located at 684 Corbin Park Road as part of an overall annexation application.

Unanimously adopted

9.L Ordinance No. 60-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would annex approximately 0.22 + acres of property located at 579 Palm Drive.

Unanimously adopted

9.M Ordinance No. 61-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would create a Small-Scale Comprehensive Plan amendment, changing the Future Land Use map to City Medium Density Residential for property located at 579 Palm Drive as part of an overall annexation application.
Unanimously adopted

9.N Ordinance No. 62-23: Conduct the Second Reading and Quasi-Judicial Public Hearing of an Ordinance, which if adopted, would rezone approximately 0.22 acres of land to City-to-City R-2, Single Family Residential for property located at 579 Palm Drive as part of an overall annexation application.
Unanimously adopted

9.O Ordinance No. 63-23: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would revise charges for household and commercial solid waste.
Unanimously adopted

10. ORDINANCES - FIRST READING

10.A Ordinance No. 55-23: Conduct the First Reading of an Ordinance, which if adopted upon the Second Reading and Public Hearing, would amend Section VIII, Benefits of the Personnel Policies and Procedures of the City of New Smyrna Beach.
City Attorney Avallone read Ordinance No. 55-23, the first time, by title only. She reported that the Second Reading and Public Hearing will be conducted during the October 10, 2023 regular City Commission meeting.

City Commission consensus directed the City Manager to coordinate with the City Attorney and Human Resources Director to adjust the verbiage in the Charter Officer's contract as to not negatively impact their annual leave amounts.

10.B Ordinance No. 65-23: Conduct the First Reading of an Ordinance, which if adopted upon the Second Reading and Public Hearing, would amend Section VIII, B (Holidays) of the Personnel Policies and Procedures of the City of New Smyrna Beach, to add Juneteenth as a City holiday.
City Attorney Avallone read Ordinance No. 65-23, the first time, by title only. She reported that the Second Reading and Public Hearing will be conducted during the October 10, 2023 regular City Commission meeting.

City Commission consensus was to include floating holidays in the ordinance.

THE CITY OF NEW SMYRNA BEACH - ENGINEERING

CONSIDER THE APPROVAL OF THE MICHAEL BAKER INTERNATIONAL VULNERABILITY ASSESSMENT PROPOSAL.

September 26, 2023

Background:

City staff has worked with Michael Baker International (MBI) developing the scope of work needed to provide a comprehensive approach for the vulnerability assessment in compliance with Florida Statute section 380.093. In doing so the vulnerability assessment including the exposure & sensitivity analysis along with depicting critical assets will be developed using the most recent topographical database available taking into account NOAA sea level rise, precipitation data and both tidal & storm surge information.

Findings:

The scope of work complies with and/or exceeds the Florida Statute requirements allowing the City to move forward and apply for State Grant funds that require the vulnerability assessment to be performed.

With the completion of the assessment this places the City in an advantageous position regarding future grant funding and financial opportunities to compete for resiliency funds.

Although the contract for service fees do not exceed the threshold defined within the Consultants' Competitive Negotiation Act (aka Florida Statute 287.055) to award a contract for professional services, the City's purchasing policy has a lower threshold value (being $200,000) that is below MBI's proposal, thus will require City Commission acknowledging and approving/waiving the deviation to the City's Purchasing Policy Manual guidelines defined within section 2.23.

Fiscal Analysis:

The Consultant's fees of $250,000 are 100% reimbursable via FRP grant #23PLN36, which grant agreement is forthcoming for Commission approval.

Strategic Plan Item:

No

PROFESSIONAL CONSULTING SERVICES AGREEMENT

ENGINEERING & PLANNING CONSULTING SERVICES FOR THE CITY AIRPORT REQUEST FOR QUALIFICATIONS (RFQ) 10-19-AIR

THIS AGREEMENT is made and entered into this 14th day of June, 2019, by and between **MICHAEL BAKER INTERNATIONAL, INC.,** duly authorized to conduct business in the State of Florida and whose address is 12740 Gran Bay Parkway West, Suite 2110, Jacksonville, FL 32258, hereinafter, called "CONSULTANT," and the **CITY OF NEW SMYRNA BEACH**, a political subdivision of the State of Florida, whose address is 210 Sams Ave., New Smyrna Beach, FL, hereinafter called "CITY."

SECTION 1. AGREEMENT. The terms of this Agreement, together with the incorporation of the terms and conditions of the REQUEST FOR QUALIFICATIONS RFQ 10-19-AIR PROFESSIONAL ENGINEERING AND PLANNING CONSULTING SERVICES FOR THE CITY OF NEW SMYRNA BEACH AIRPORT and any exhibits, schedules, and attachments hereto, and any and all amendments relating to same, and any and all submittals from CONSULTANT, constitute the entire Agreement between the individual City and CONSULTANT. This Agreement is the final, complete and exclusive expression of the terms and conditions of the parties' Agreement. Any and all prior agreements, representations, negotiations, and understandings made by the parties, oral or written, expressed or implied, are hereby superseded and merged herein.

SECTION 2. TERM OF AGREEMENT. The term of this Agreement shall be for five (5) years from the date of award.

SECTION 3. COMPENSATION. For Services rendered, the CITY shall pay the CONSULTANT based on their fee schedule provided. Unless otherwise agreed in a Scope of Services, the CONSULTANT shall invoice the City monthly based upon the CONSULTANT's fees for services completed during the billing period.

SECTION 4. CONTROLLING LAW, VENUE, AND ATTORNEY'S FEES. This Agreement is to be governed, construed, and interpreted by, through and under the laws of Florida. Venue for any litigation between the parties to this Agreement shall be in the County of Volusia, Florida and any trial shall be non-jury. The prevailing party in any litigation arising from or related to this Agreement shall be reimbursed reasonable attorney fees and costs, including all fees and costs of an appeal.

SECTION 5. RIGHTS AT LAW RETAINED. The rights and remedies of the City, provided for under this Agreement, are in addition and supplemental to any other rights and remedies provided by law.

SECTION 6. NOTICES. Whenever either party desires to give notice unto the other, it must be given by written notice, sent by registered or certified United States mail, return receipts

requested, addressed to the party for whom it is intended at the place last specified. The place for giving of notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice, to-wit:

For City:

Johnny Bledsoe, City Clerk
City of New Smyrna Beach
210 Sams Ave.
New Smyrna Beach, FL 32138
(386)410-2630

For Consultant:

Brian Russell, P.E., Vice President
(Name, Title)

MICHAEL BAKER INTERNATIONAL
(Company)

12740 Gran Bay Parkway West, Suite 2110
(Address)

Jacksonville, FL 32258
(City, State, Zip)

904-380-2507
(Phone)

SECTION 7. MODFICATIONS TO AGREEMENT. This Agreement and any exhibits, amendments and schedules may only be amended, supplemented, modified or canceled by a written instrument duly executed by the parties hereto of equal dignity herewith.

SECTION 8. SEVERABILITY. If, during the term of this Agreement, it is found that a specific clause or condition of this Agreement is illegal under federal or state law, the remainder of the Agreement not affected by such a ruling shall remain in force and effect.

SECTION 9. WAIVER OF JURY TRIAL. THE CITY AND CONSULTANT HAVE SPECIFICALLY WAIVED THE RIGHT TO A JURY TRIAL CONCERNNG ANY DISPUTES WHICH MAY ARISE CONCERNING THIS AGREEMENT.

SECTION 10. NON-WAIVER. No indulgence, waiver, election or non-election by CITY under this Agreement shall affect CONSULTANT's duties and obligations hereunder.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date written above for execution by the City of New Smyrna Beach.

Scope of Work

Proposal for City of New Smyrna Beach Comprehensive Vulnerability Assessment

By: Whitney Gray
Resilience Program Manager

July 28, 2023

EXHIBIT A
SCOPE OF SERVICES AND FEE ESTIMATE

CITY OF NEW SMYRNA BEACH, FLORIDA
COMPREHENSIVE VULNERABILITY ASSESSMENT

INTRODUCTION

The CITY of New Smyrna Beach (CITY) requests the services of Michael Baker International, Inc. (CONSULTANT), to conduct a comprehensive vulnerability assessment (VA) in fulfillment of the CITY's 2023 Resilient Florida planning grant. The vulnerability assessment will comply with Section 380.093, Florida Statutes (F.S.), and Chapter 62S-8, Florida Administrative Code (F.A.C.) and will leverage existing CITY data to the extent practical and develop new data as necessary. The CITY desires to comply with the statutory requirements to be eligible to apply for future Resilient Florida funding for infrastructure projects indicated by the vulnerability assessment. To that end, the vulnerability assessment will include the standard scope of work tasks as provided in FDEP's Standard Vulnerability Assessment: Scope of Work Guidance document. The following tasks describe the services which the CONSULTANT will provide.

TASK 1 – KICKOFF AND STEERING COMMITTEE MEETINGS AND PUBLIC OUTREACH

The CONSULTANT will conduct and/or support the following meetings, public outreach, and coordination efforts:

A. Kickoff Meeting

Following the Notice to Proceed (NTP), the CONSULTANT will support one (1) in-person kickoff meeting hosted by the CITY to develop the project management plan including the scope, goals, schedule, key milestones, and deliverables. The meeting will also be used to identify project steering committee members. The CONSULTANT will coordinate with the CITY to prepare the agenda, participant list, exhibits, and meeting materials, and will prepare the meeting notes following the kickoff.

Deliverable 1.A.: Kickoff meeting materials and notes to include a draft list of Steering Committee members

B. Steering Committee Meetings

The CONSULTANT will host at least two (2) virtual steering committee meetings at the beginning and end of the project. No more than two (2) additional virtual steering committee meetings will be held to provide guidance at critical decision points throughout the project process.

The CONSULTANT will coordinate with the CITY to develop the days and times for these meetings, develop the agenda, send out the meeting invitations, record attendance and meeting notes, and distribute meeting notes.

Deliverable 1.B: Steering Committee materials and meeting notes.

C. Public Outreach Workshops

The CONSULTANT will support the CITY for two (2) public meetings. The first meeting is to obtain public input on critical assets and to solicit comments that may assist in developing the goals of the study. The second public meeting will be to provide the public with the results of the study and obtain comments which may prompt reconsideration of the methodologies assumptions, and results. The CONSULTANT will prepare meeting exhibits, social media invitations, sign-in sheets and will collect written and verbal comments to be further reviewed by the steering committee.

Deliverable 1.C: Public Outreach materials and meeting notes

TASK 2: ACQUIRE BACKGROUND DATA

In coordination with the CITY, the CONSULTANT will collect critical asset, survey, and modeling data to be used in the vulnerability assessment. Existing data developed during the previous vulnerability assessment will be used as appropriate. The following sections describe these collection efforts in more detail:

A. Critical/Regionally Significant Assets Inventory

The CONSULTANT will collect the following types of assets using available published information and databases as well as public input:

1. Transportation Assets and Evacuation Routes
2. Critical Infrastructure
3. Critical Community and Emergency Facilities
4. Natural, Cultural, and Historical Facilities

B. Topographic Data

The CONSULTANT will use the most recent publicly available DEM for the City of New Smyrna Beach. This data has already been collected as part of the 3DEP Peninsular Florida LiDAR project. The survey data will be in the NAD83(2011) State Plane FL North (FIPS 0903) horizontal coordinate system with elevations reported in the NAVD88 vertical datum, as prescribed by the Resilient Florida statute.

C. Flood Scenario-Related Data

The CONSULTANT will collect data to be used in the hydrologic and hydraulic evaluations for the VA including:

1. Precipitation data from NOAA Atlas 14 and other sources including the St. Johns River Water Management District and USGS. The CONSULTANT will also collect and determine the applicability of using USGS information on change factors for rainfall distribution curves developed for South and Central Florida. Precipitation data will be included for the 100-year/24-hour storm and an additional longer-duration storms based on our evaluation of recent storm events and flood levels.

2. SEA level rise (SLR) projections will be sourced from NOAA's 2017 intermediate-high and intermediate-low SLR projections for 2040 and 2070 (and other projections and timeframes that may be determined during the project kickoff and steering committee meetings). SLR projections from the Florida Flood Hub may be used as available.

3. Tidal datums and tidal flooding will be sourced from the NOAA Tides and Currents website, the NOAA Digital Coast SLR Viewer, and the Florida Flood Hub (as available)

4. Storm surge data will be sourced from the Federal Emergency Management Agency (FEMA) flood depth grids and water surface elevation grids, National Hurricane Center's Sea, Lake, and Overland Surges from Hurricanes (SLOSH) model, or USACE Coastal Hazards System South Atlantic Coastal Study (SACS).

5. Other data as appropriate.

Deliverable 2: Technical report outlining the data compiled, findings, and recommendations to address any data gaps identified; GIS files with appropriate metadata.

TASK 3 – DRAFT VULNERABILITY ASSESSMENT

A. Exposure Analysis

This task will include the evaluation of existing flood models by FEMA and local sources in addition to newly developed Hydrologic & Hydraulic models of non-studied areas within the city. The purpose of this task is to identify the depth of water caused by each sea level rise, storm surge, rainfall, and/or compound flood scenario. All flood scenarios will be analyzed according to the requirements set out in s. 390.093, F.S., and c. 62S-8, F.A.C.

Deliverable 3.A.: Technical report outlining the modeling approach and results

B. Sensitivity Analysis

This task will include a sensitivity analysis with the purpose of measuring the impact of the increased flooding on assets. This assessment will include a breakdown of flood severity for each asset type for each flood scenario and will assign a risk level based on percentages of land area inundates and the number of critical assets affected.

Deliverable 3.B.: Draft Vulnerability Assessment detailing the findings of the exposure and sensitivity analyses, including visual presentation of the data in maps and tables. Will include an initial list of critical and regionally significant assets that are impacted by flooding.

TASK 4 – FINAL VULNERABILITY ASSESSMENT

Based on input from the steering committee and public outreach efforts, the CONSULTANT will further develop, refine, and finalize the VA per the guidelines in s. 380.093, F.S. as follows:

A. Report

The CONSULTANT will prepare a report documenting the approach and findings of the vulnerability assessment with graphics depicting the impact of the city's critical assets and pilot study area. The report will include the minimum information required as defined by FDEP's Scope of Work Guidance document dated May 2022.

B. Electronic Maps

The CONSULTANT will provide maps in electronic format, geospatially referenced, and compatible with the FDEDP's mapping tool. The relevant maps will also be included as exhibits in the report deliverable.

C. List of Critical Assets

The report will include a list of critical assets, including regionally significant assets, that are impacted by flooding or may be exposed to future flood risk.

Deliverable 4: Final Vulnerability Assessment

TASK 5 – PROJECT MANAGEMENT AND QUALITY CONTROL

The CONSULTANT will provide project management activities including but not limited to client and sub-CONSULTANT coordination, contract management, invoicing, and scheduling. Our Project Management fee is based on an 18-month schedule.

The CONSULTANT will provide quality reviews of all meeting materials and deliverables to the client and/or FDEP. A quality review will be included in our detailed scheduling and performed in accordance with our project-specific Project Management Plan which will be developed upon notice-to-proceed.

FEE AND SCHEDULE

CONSULTANT will provide the items required by FDEP within the grant-allotted timeframes. CONSULTANT proposes to perform the tasks provided herein for the LUMP SUM fee of $250,000. Please refer to Exhibit B for our staff hour and fee breakdown.

THE CITY OF NEW SMYRNA BEACH - CAPITAL IMPROVEMENTS PROJECT

CONSIDER THE APPROVAL OF AWARD OF ITB-06-25-CIP TO CONSTRUCT CO FOR THE CONSTRUCTION OF THE NORTH CAUSEWAY BOAT RAMP DOCK & AMENITY IMPROVEMENTS.

April 8, 2025

Background:

The North Causeway Boat Ramp is the most used boat launch in the City of New Smyrna Beach. This project is aimed at converting the fixed docks to a floating dock system that will increase the longevity of the docks, provide ease of access during all tidal conditions, and enhance boater safety.

In March 2022 city staff applied for a FIND Grant with a 50/50 match for design and was awarded the grant in November 2022.
Then in March 2023 city staff applied for another FIND Grant with a 50/50 match for construction, which was awarded in October 2023.

This project was advertised for construction January 13-February 19, with the bids being opened on February 20.
Seven bids were submitted. After careful review of the bid tabulations and reference check, DMC, has recommend, with city staff agreement, the contract to be awarded to Construct Co.

Once the Notice to Proceed has been issued to the contractor, the project duration is 150 days to Substantial Completion, then an additional 30 days for Final Completion.

Fiscal Analysis:

The project cost is $1,353,321. Funds for this project are available in Fund 302 Capital Projects Outlay. A budget amendment will be submitted at an upcoming commission meeting.

Strategic Plan Item:

No

I. Public Notice

I.A Notice to Bidders

06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1

The City of New Smyrna Beach is seeking sealed bids from qualified General Contractors to construct and install floating docks at the City of New Smyrna Beach North Causeway boat ramp located at 170 North Causeway, New Smyrna Beach, Florida 32169.

Bid documents are available through the City's eProcurement Portal at https://procurement.opengov.com/portal/cityofnsb, document 06-25-CIP.

This project will be partially funded by a Florida Inland Navigation District (F.I.N.D) Grant, Project number VO-NSB-24-E. The award of a contract will be contingent upon the concurrence of the City and funding partner(s).

All required documents shall be completed and submitted through the City's eProcurement Portal.

II. Introduction

Thank you in advance for your interest in doing business with the City of New Smyrna Beach.

If you are interested in preparing a response to this solicitation, please read the bid package in its entirety prior to submitting a bid response. Your response is considered a binding offer to perform in the manner described in the bid response and shall remain a firm offer for a period of ninety (90) days from public opening.

All Bidders are advised that under Chapter 119, Florida Statutes, all responses to this solicitation are deemed a public record and are open to the public as provided for in said Statute.

The successful Bidder(s) must demonstrate in their submittal to be the lowest, most responsible and responsive Bidder which best meets the specifications and serves the overall needs of the city. Bids should be prepared in accordance with the instructions herein and all bid prices are rechecked thoroughly. Failure to provide the response in the manner prescribed herein may be grounds for disqualification of the submittal. The city reserves the right to waive any and all

technicalities, formalities and to reject any or all bid submittals or to re-advertise for bid submittals for these commodities/services. The city may withdraw all or part of this ITB at any time to protect the interests of the city.

The awarded Contractor must be registered with the Florida Department of State and licensed to do business in the State of Florida.

II.A Summary

The City of New Smyrna Beach is seeking sealed bids from qualified General Contractors to improve the boat ramp facility at the City of New Smyrna Beach North Causeway located at 170 North Causeway, New Smyrna Beach, Florida 32169.

The North Causeway is a popular boat ramp and will be operational during the time of construction. The city will work with the awarded contractor on the timeline of the construction.

II.B Background

The city serves an area of 41.6 square miles in size and serves a population of approximately 32,400. It is located off of Florida's East Coast, in the County of Volusia, just north of Cape Canaveral with easy access to both Interstate 95 and Interstate 4. The City's fiscal year begins on October 1st and ends on September 30th.

The City was created in 1887 by adoption of its first charter, which was replaced by the present charter through Chapter 224.08, Special Acts of Florida, 1943.

The legislative branch of the city is composed of an elected five-member City Commission consisting of the mayor and four commissioners. The City Commission is governed by the City Charter and by state and local laws and regulations. The City Commission is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Commission-appointed City Manager.

Additional information on the government and can be found in City of New Smyrna's Comprehensive Annual Financial Report (CAFR). This report may be viewed on https://www.cityofnsb.com/105/Financial-Reports.

III. General Definitions

The following is a list of definitions for common purchasing terms. These terms are defined to provide a common understanding. Terms "Consultant", “Contractor”, “Company”, “Firm”, “Corporation”, “Business”, “Proposer,” “Respondent”, and/or “Vendor,” are used interchangeably within solicitations and are in reference to the person or entity submitting a response to a solicitation.

A complete, comprehensive reference guide for public purchasing terms and concepts can be found on the National Institute Government Purchasing (NIGP) website.

III.A Definitions

Agreement: An understanding, usually in writing, between two or more competent parties, under which one party agrees to certain performance as defined in the agreement and the

second party agrees to compensation for the performance rendered in accordance with the conditions of the agreement. Agreements and contracts are sometimes used synonymously.

Bid: A quotation of price for commodity or service in response to an invitation to offer a price for commodity or service. These quotations may be formal or informal as defined herein.

CCNA: Consultants Competitive Negotiation Act. Services Florida Statute 287.055. Professional services provided by Engineers, Surveyors, Architects and Landscape Architects.

City: City of New Smyrna Beach.

Claims and Notices: A notice is defined to be information rendered by either party to the other upon a condition becoming known pursuant to the following requirements. All claims, requests, substitutions, changes, notices, delays, and all other forms of notices or claims by the Contractor to the Owner must be in writing and promptly presented to the City Manager or designee. If none is so made, it is irrefutably presumed not to have been given by the contractor to the Owner.

Competitive Sealed Bids: The receipt of one or more sealed bids or proposals submitted by responsive and qualified bidders or offerors.

Construction: The process of utilizing labor to build, alter, repair, improve, or demolish any structure, building or public improvement; generally, does not apply to routine maintenance, repair, or operation of existing real property.

Consultant: A person or company that possesses unique qualifications that allow them to perform specialized advisory services usually for a fee.

Contract: The agreement executed by the Owner and the Contractor covering the work to be performed and including all Contract Documents.

Contractor: A person or firm who contracts to sell commodities or contractual services to the City.

Debarment: 1. Prohibits a seller or contractor from bidding on future requirements for cause for a certain period of time. 2. A sanction brought against a seller whereby they may not engage in future procurement actions. 3. To exclude or shut out of future solicitations and contracting opportunities.

Drawings: The drawings listed and described in the Contract Documents.

Engineer: For this project, reference to the Engineer shall refer to City Engineer, Tuan Huynh or his designee.

Evaluation Committee: A committee established to conduct an evaluation of proposals, interviews, and negotiations during the solicitation process for a specific product or service. Usually composed of representatives from the functional area identified in the solicitation. May also be described as a Review Committee.

Firm: A partnership or business unit of two or more persons not recognized as a corporation.

Formal Bid: A written quotation of price for a commodity or service submitted in response to a written invitation or legal advertisement to offer a price for said commodity or service. Such

quotations are submitted in a sealed envelope and opened at a specified time and place. Also known as a Solicitation.

Informality or Waiver: The act of disregarding minor informalities, errors, or technical nonconformance in the bid or proposal that will not adversely affect the competition or prejudice one bidder in favor of another.

Owner: City of New Smyrna Beach

Professional Services: Services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of the state, or those performed by any architect, professional engineer, landscape architect, or registered surveyor and mapper in connection with his or her professional employment or practice. Florida Statute 287.055.

Projects: The entire construction, installation or work to be performed as set forth in the Contract Documents.

Protest: A written objection by an interested party to a solicitation or award of a contract with the intention of receiving a remedial result.

Request for Proposals/Qualifications: A written request for proposals or qualifications from interested vendors and service providers that may or may not ask for pricing information. Also known as an RFP or RFQ.

Specifications: A clear, complete, and accurate statement of the technical requirements descriptive of an item and if applicable, the procedure to be followed to determine if the requirements have been met.

Subcontractor: Any person, firm or corporation other than the Contractor supplying material or labor for work at the site of the project. Such person or firm has contractual relations with the Contractor, but not with the Owner.

Sunbiz: Sunbiz.org is a web site for companies to register to transact business in the State of Florida. It is run by the Florida Department of State, Division of Corporations.

Sunshine Law: A law that requires public disclosure of a government act. Laws that require state and local agencies to conduct their business in the sunshine. In 1992, Florida voters reaffirmed the right to open government by approving an amendment adoption Article 1, [section] 24(6) of the Florida Constitution, which "grant[ed] constitutional status to the public's right of access to all levels of government." Many other states have also adopted similar laws. Public officials have a duty to conduct meetings in the sunshine. They also have a duty to protect the trade secrets of the suppliers with whom they do business.

Surety: Any person, firm or corporation that has executed as Surety.

Vendor: A person or entity that provides goods and/or services, usually for low-cost, low-risk, and short-term engagements.

IV. General Information

All bids shall remain firm for ninety (90) days after the day of the bid opening, but City may, in its sole discretion, release any bid and return the bid security prior to that date.

Responses shall conform in all material respects to the solicitation in order to be considered for award. Any bid which fails to conform to the solicitation's essential requirements may be rejected. Any Bid which is not provided on the City form or fails to include the requested information, may be considered non-responsive and disqualified from consideration for award. The City shall notify any bidder in writing whose bid has been deemed non-responsive.

IV.A Acceptance of Conditions

Within ninety (90) days after the opening of the bids, the City shall accept one of the bids or shall act in accordance with Information for Bidders Right to accept and reject Bids. Bids shall be awarded in accordance with the Federal, State and Local regulations. The project shall be awarded to the lowest, most responsive, and responsible bidder whose bid meets the specifications. Before an award of the contract, the City reserves the right to request additional information to clarify a bid submittal.

IV.B Ambiguity, Conflict, or Other Errors

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or any other errors in this document, the bidder shall immediately notify the Purchasing Agent, noted herein, of such error in writing and request a modification or clarification of the document. The Purchasing Agent shall make modifications by issuing an addendum and shall post to the City's e-Procurement portal and give written notice to all parties who have received this document. No interpretation shall be considered binding unless provided in writing by the City of New Smyrna Beach.

The bidder is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in this document prior to submitting a response or it shall be waived.

IV.C Americans with Disabilities Act

Persons with disabilities needing special accommodation at public meetings should contact the Purchasing Department at 386-410-2654, no later than seven (7) days prior to the appropriate date on which the accommodation is requested.

IV.D Assignment

The Bidder shall not assign or transfer any contract resulting from this solicitation, including any rights title or interest therein, or its power to execute such contract to any person, company, or corporation without the prior written consent of the City.

IV.E Bid Bond

The bid response shall be accompanied by a Bid Security of no less than ten (10%) percent of the amount of the Bid Proposal. Failure of the Bidder to supply same, in the amount and type required, shall automatically render the Bidder as non-responsive resulting in the disqualification from further consideration of their bid response.

The Bid Security Bond shall be submitted in the form of a Bid Bond in the amount of ten (10%) percent of the total Bid price, made payable to the City of New Smyrna Beach, issued by a surety firm and through a reputable and responsible surety bond agency licensed to do business in the State of Florida.

The surety must be rated as "A" or better as to strength by Best's Insurance Guide, published by A. M. Best Company, Inc., located at 1 Ambest Road, Oldwick, New Jersey 08858. For the latest ratings and Insurance Guide, access www.ambest.com.

In lieu of a Bid Bond, the Bidder may submit cash (U.S. currency only), money order, certified or cashier's check drawn from a national or state bank whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC), in the amount of ten (10%) percent of the total Bid price. Money orders and checks must be made payable to the City of New Smyrna Beach.

The terms of the ITB Security Bond shall be:

A. The Bidder shall enter into an agreement if awarded to the Bidder;

B. The surety (or alternate form of security forfeit) shall be responsible for the costs resulting from the failure of the Bidder to enter into an Agreement if awarded to the Bidder; including the increased costs associated with awarding to the next most responsive, responsible Bidder and costs associated with conducting the Bid process and letting the agreement;

C. To promptly enter into an agreement to perform the work and furnish the required Performance and Payment Bond, if applicable; and

D. Any interest earned as a result of the City depositing the accepted money order, certified or cashier's check, or cash received as bid security bond into an interest-bearing account, shall be retained by the City.

A copy of the bid bond must be uploaded with the proposal response in the form of a Bid bond, certified funds or an irrevocable letter of credit in a sum equal to the amount of ten (10%) percent of the amount of the bid proposal. The contractor shall guarantee the total proposal price for a period of 90 days from the date of the proposal opening.

If the contractor selects to submit a cashiers' check or cash bond it must be received by the City no later than 5:00 pm on Thursday, January 30, 2025. Please submit in a sealed envelope to the following address:

City of New Smyrna Beach

210 Sam's Avenue

New Smyrna Beach, Florida 32168

Attention: Purchasing Department

Return of Bid Security Bond: As soon as the bid responses have been evaluated, the City may, at its sole discretion, return or release the bid security bonds accompanying such bid responses, which in its sole judgment, would not likely be considered for award. All other Bid Security Bonds will be held until award of this project and the agreement has been executed by the successful Bidder; after which any remaining Bid Security Bonds will be returned to the respective Bidders. It shall be the sole responsibility of the Bidder to request in writing from the City the return of the Bid Security Bond or alternative form of security used. Bid Security Bond or alternative form of security used shall not be returned unless requested by the Bidder in writing.

IV.F Bid Opening

Electronic bids will remain sealed until the time of the opening listed in the Timeline of Section II.D of this document. Through Microsoft Teams, the received bids will be publicly opened, and the Bidders' names read aloud at that time. It is important to note that this is public meeting, and the meeting will be recorded.

Bidders may contact the City's Purchasing Agent to obtain information to view the live bid opening. No discussion of the proposals will occur at this time.

IV.G Cancellation

The City reserves the right to cancel, in whole or in part, any solicitation when it is in the best interest of the City. Availability of all information related to a cancelled solicitation is subject to Chapter 119, Florida Statutes.

IV.H City's Rights

The Owner reserves the unqualified right, in the Owner’s sole and absolute discretion, to reject any and all bids, to waive any irregularities, or to accept that bid or combination of bids, which in the Owner’s sole and absolute judgment, shall, under all circumstances, best serve the public interest.

Any bid may be rejected which contains any omissions, erasures, alterations, additions, irregularities of any kind, or items not called for, or which does not contain prices set opposite to each of the several items in the bid form, or in which any of the prices are obviously unbalanced, or which shall in any manner fail to conform to the conditions of the published notice inviting bids.

The City also reserves the right to award a contract based on experience and qualifications or to award only a portion of the services specified, if deemed to be in the City’s best interest.

IV.I Collusion

More than one (1) bid from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that a

Bidder is involved in more than one bid will be cause for rejection of all bids in which such Bidders are believed to be involved. Any or all bids will be rejected if there is reason to believe that collusion exists between Bidders. Bids in which the prices obviously are unbalanced will be subject to rejection.

The Bidder, by affixing its signature to a submitted bid, certifies that its bid is made without previous understanding, agreement, or connection with any person, firm or corporation submitting making a bid for the same item(s), and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

IV.J Completeness and Compliance

Submitted Bids shall contain the information as required in this solicitation. Failure to submit the required information, or bids that are incomplete and/or lack key information, may be rejected by the City.

All items contained in the bid must be in total compliance with the specifications of this solicitation. Alternate bids will not be considered unless specifically called for in this solicitation. Bidders' attention is specifically called to the terms, conditions, and special provisions of this solicitation. Please be aware that, under the competitive process, the stipulations set forth herein are fully binding on the Bidder to the extent that you confirm acceptance by your electronic submission.

By submitting a bid response, the Bidder certifies that the Bidder has fully read and understands this solicitation document and has full knowledge of the scope, nature, quantity, and quality of work to be performed; the detailed requirements of the services to be provided; and the conditions under which the services are to be performed.

IV.K Contract

The City shall evaluate the received submittals prior to execution of contract or submittal of a recommendation of contract or agreement to the City Commission.

A contract resulting from this solicitation shall be subject to the terms and conditions set forth in a standard City agreement. The City reserves the right to include in any contract document such terms and conditions as it deems necessary for the proper protection of the rights of the City. The City shall not be obligated to sign any contracts, maintenance and/or service agreements, or other documents supplied by the bidder.

The successful Bidder shall execute and return the agreement to the City, within fourteen (14) days after receipt. Component Parts of the Contract are outlined in the draft contract, which is available as an attachment to this solicitation.

In no event shall an agreement be considered binding upon the City until it has been properly executed by all parties.

In conjunction with the agreement, a purchase order or other form of payment will be established by the City prior to the start of any project, service, or work by the Bidder.

Failure on the part of the successful Bidder to execute an Agreement(s) as required will be just cause for the rescindment of the award. In this event, the Bidder shall forfeit his bid guarantee to the City in the manner previously described herein. The award may then be made to the next lowest most responsive and responsible bidder, or the City may opt to re-advertise the work if found to be in its overall best interest.

In the event of a conflict in the interpretation of the Contract or the terms of the Contract, the interpretation most favorable to the Owner shall prevail.

IV.L Cone of Silence/Lobbying

Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a City Commission Member, the City Manager, any requesting or evaluating Department/Division/Office Personnel, concerning an active solicitation during the black-out period.

A lobbying black-out period commences upon the issuance of this solicitation document.

If a recommendation to award is presented to City Commission for approval or for a request to provide authorization to negotiate a contract and the City Commission refers the item back to the City Manager, Procurement Department and/or the requesting Department for further review or otherwise and does not take action on the item, the cone of silence/lobbying black-out period will be reinstated until such time as the City Commission meets to consider the item for action.

Bidders, proposers, potential vendors, service providers, lobbyists, consultants, or vendor representatives shall not contact any City Commission member, the City Manager, City Staff, and/or any member of the evaluation committee concerning an active solicitation during the cone of silence/lobbying black-out period.

IV.M Conflict of Interest

The award of any contract hereunder is subject to the provisions of Chapter 112, Florida Statutes. Bidders must disclose with their proposal the name of any officer, director, partner, proprietor, associate, or agent who is also an officer or employee of the City or any of its agencies. Further, all Bidders must disclose the name of any officer or employee of the City who owns, directly or indirectly, any interest in the Offeror's firm or any of its branches or affiliate companies.

IV.N Cost of Submittal

The Bidder understands that any and all costs related to the submittal of a proposal is considered an operational cost to the Bidder and shall not be passed on to or be borne by the City. By submission of a bid, the Bidder agrees that any and all costs associated with the preparation of the bid will be the sole responsibility of the Bidder. The Bidder also agrees that the City shall bear no responsibility for any costs associated with the preparation of the bid

including but not limited to any administrative or judicial proceedings resulting from the solicitation process.

IV.O Determining Responsibility

The determination as to whether a Bidder is considered responsible shall be at the sole discretion of the City. The City may request information relating to contracts similar to the requirements of this solicitation.

The City also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete projects timely, whose investigations show bidder is not in a position to perform the contract.

In determining responsibility, the following qualifications, in addition to price, may be considered:

A. The Bidder's ability, capacity, and skill to provide the goods or to perform the service within the time specified;

B. The character, integrity, reputation, judgement, experience and efficiency of the Bidder;

C. The quality of performance of previous contracts or services including previous performance with the City;

D. The sufficiency of financial resources to meet the obligations of the required contract and to perform the services;

E. Quality Control Program.

F. Contract claims, litigation filed against the Bidder or filed by the Bidder for equitable adjustment; Reprimand of any nature or suspension by the Department of professional Regulation or any other regulatory agency or professional association in the past five (5) years.

G. Ability to provide future maintenance, service, and support of the goods/services under contract; and,

H. Whether the Bidder is in arrears to the City on a debt or a contract or is a defaulter on surety to the City; or whether the Bidder's taxes or assessments are delinquent.

I. Such other information as may be relevant or secured.

IV.P Due Date

Electronic bids shall be received prior to 5:00 pm on Thursday, January 30, 2025, via the City's e-Procurement Portal.

Submittals will not be permitted or accepted after this date and time. There is no expressed or implied obligation for the City of New Smyrna Beach to reimburse responding bidders for any expenses incurred in preparing a response to this solicitation.

Contact OpenGov technical support at support@opengov.com if technical difficulties arise during bid submission.

Received bids are subject to the conditions specified herein and on any attached sheets, specifications, special conditions, or vendor notes.

The City is not responsible for the failure of a Bidder or the Bidder's agent to submit responses in a timely manner. Bid submittals by email, telephone or fax shall be rejected as non-responsive.

IV.Q Evaluation of Bids

If a recommendation of an award is made, it shall be made to the most responsive and responsible bidder whose bids are determined to be the most advantageous to the City, taking into consideration the evaluation factors set forth herein.

The successful bidder must be registered on Sunbiz and licensed to do business in the State of Florida.

IV.R Federal and State Tax

In accordance with Section 607.150 of the Florida Statutes, and provided an exemption is not available, a foreign corporation may not transact business in Florida until it obtains a certificate of authority from the Florida Department of State.

Foreign corporations may submit bids or proposals prior to obtaining a certificate of authority from the Florida Department of State. A foreign corporation must be in compliance with F.S. 607.150, prior to entering into a Contract with the City.

IV.S Governing Law/Jurisdiction

The interpretation, effect, and validity of any contract resulting from this solicitation shall be governed by the laws and regulations of the State of Florida. In the event that a suit is brought for the enforcement of any term of the contract, venue of any court action shall be in Volusia County, Florida.

IV.T Immigration Reform and Control Act

Bidder acknowledges, and without exception or stipulation, any bidder receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the awarded bidder to comply with the laws referenced herein shall constitute a breach of the award agreement and the City shall have the discretion to unilaterally terminate said agreement immediately.

IV.U Inquiries

To ensure fair consideration for all parties, the city prohibits communication to or with any department, division, employee, or city representative from the issuance date of this solicitation until the City's final action. Unauthorized contact regarding this solicitation with any employee,

and/or elected city officials of the City of New Smyrna Beach other than purchasing may result in disqualification from this procurement process of the contacting individual/firm submittal.

All questions related to this solicitation shall be submitted in writing via the OpenGov Question/Answer Tab via the City's e-Procurement portal, on or before 5:00 pm on Thursday, January 30, 2025. Please include the section title for each question, if applicable, in order to ensure that questions asked are responded to correctly.

When asking questions, be sure to enter each question separately.

Bidders must clearly understand that the only official answer or position of the City shall be the one stated in writing by the City.

All responses to questions will be in the form of an addendum that will be posted on OpenGov. Bidders are required to acknowledge receipt of the posted addendums, if any, by signing a posted addendum and submitting a signed copy with a submitted bid.

It is the responsibility of the prospective respondents to check OpenGov for addendum(s) and other important information pertaining to this solicitation. The City reserves the right to make a written request for additional information from a Contractor/Vendor to assist in understanding or clarifying a Bid Proposal. The responses are to be provided in writing.

The City is not responsible for the content of any public solicitation package received through any 3rd party bid service or any source not listed above. It is the sole responsibility of the contractor to ensure the completeness of the documents received from any 3rd party. The City is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from our or any website.

IV.V Joint Ventures

Bidders that are intending to submit a bid as a joint venture are required to have filed proper documents with the Division of Corporations, and/or any other State or local licensing agency prior to submitting a bid. Please refer to Section 489.119 Florida Statutes.

Joint venture bidders must provide an affidavit attesting to the formulation of a joint venture and provide either proof of incorporation as a joint venture or a copy of the formal Joint Venture Agreement between all joint venture parties, indicating their respective roles, responsibilities, and levels of participation for the project or services outlined herein.

IV.W Judgements/Legal Findings

By submitting a bid for consideration, the bidder affirms that they currently have no judgements or other legal findings nor have any pending judgements or other legal findings against the company or any of its executives, with any federal, state or local governmental entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of this solicitation. Failure to disclose any such judgments and/or findings will result in the termination of any contracts and other penalties as deemed legal and appropriate by the City.

IV.X Legal Requirements

Federal, State, County and local laws, ordinances, rules, and regulations that in any manner affect the item(s) covered herein apply. Lack of knowledge by the bidder will in no way be cause for relief from responsibility.

IV.Y Liability

The City of New Smyrna Beach assumes no responsibility for the cost of preparing a response to this solicitation. The awarded bidder shall hold and save the City of New Smyrna Beach, its officers, agents, and employees harmless from liability of any kind in the performance of or fulfilling the requirements of a contract which may result from award of this solicitation.

Neither party shall be held responsible for failure to complete contract due to causes beyond its control, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, acts of nature and similar occurrences making performance impossible or illegal.

The bidder shall hold and save the City of New Smyrna Beach, its officers, agents, and employees harmless against claims by third parties resulting from the bidder's breach of contract or negligence, including all attorney's fees and costs, and shall pay any and all damages, fees, and costs assessed on behalf of the City. The City expressly reserves all rights, privileges, and benefits of sovereign immunity.

IV.Z Method of Source Selection

The City of New Smyrna Beach is using the competitive sealed bid methodology of source selection for this procurement, as authorized by the City Purchasing Policy.

IV.AA On-line Provider Disclaimer

The City of New Smyrna Beach is the official source to obtain information relating to the City solicitations.

All documents regarding this solicitation are posted utilizing an online bid management system, OpenGov. There is no charge to register with OpenGov and/or to participate in the solicitation process.

It is recommended that bidders register and maintain their registration with OpenGov at www.OpenGov.com. This is a third-party provider that provides a platform to communicate solicitation information to the Public. OpenGov does not represent the City nor does communications through this provider constitute communications to the City. The City of New Smyrna Beach is not responsible for errors and omissions occurring in the transmission or downloading of any documents from the online website.

In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

IV.BB Payment

Florida Statute 218.70, et seq, known as the "Florida Prompt Payment Act" sets forth "the policy of this state that payment for all purchases by local governmental entities is made in a timely manner". This is also the policy of the City of New Smyrna Beach.

IV.CC Pre-Bid Meeting

There will be a non-mandatory pre-bid meeting and site visit for this project. Attendance is strongly encouraged to understand the requirements of the Scope of Work.

The date and time of the pre-bid site visit is provided in Section II.D, Timeline

IV.DD Prohibition of Gifts to City Employees

No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service, or other item of value to any City employee, as set forth in Chapter 112, Part III, Florida Statutes, the current City Ethics Ordinance, and City Administrative Policy. Violation of this provision may result in one or more of the following consequences:

A. Prohibition by the individual, contractor, and/or any employee of the contractor from contact with City staff for a specified period of time;

B. Prohibition by the individual and/or contractor from doing business with the City for a specified period of time, including but not limited to: submitting bids, proposals, responses, and/or quotes and;

C. Immediate termination of any contract held by the individual and/or bidder for cause.

IV.EE Proposal, Presentation, and Protest Costs

The City shall not be liable in any way for any costs incurred by any bidder in the preparation of its bid or proposal in response to this solicitation, nor for the presentation of its bid or proposal and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

IV.FF Proprietary Information

In accordance with Chapter 119 of the Florida Statutes (Public Records Law), and except as may be provided by other applicable State and Federal Law, all bidders should be aware that Invitation to Bids and the responses thereto are in the public domain. However, the bidders are requested to identify specifically any information contained in their proposals which they consider confidential and/or proprietary and which they believe to be exempt from disclosure, citing, specifically the applicable exempting law.

A generic notation that information is “confidential” is not sufficient. Failure to provide the Procurement Agent with a detailed explanation and justification including statutory cites and specific reference to your bid submittal detailing what provisions, if any, you believe are exempt

from disclosure, may result in your entire bid submittal being subject to disclosure in accordance with Chapter 119 of the Florida Statutes

All proposals received from bidders in response to this Invitation to Bid will become the property of the City of New Smyrna Beach and will not be returned to the bidders. In the event of contract award, all documentation produced as part of the contract will become the exclusive property of the City.

IV.GG Protest Procedures

A. Bidders or proposers who do not agree with the City's recommendation for award shall be afforded the opportunity to protest the recommendation by submitting written notice to the Purchasing Division. Bids or proposals not meeting the minimum published requirements, including specifications, Scope of Services, or required documents, are not subject to protest.

B. Such notice shall be given within three (3) business days after the City posts its notice of intent to award.

C. A formal written protest shall be made to the Purchasing Division within five (5) working days after filing the notice of protest, which shall state the grounds for the protest and the action requested.

D. The formal written protest shall include with it a bid protest bond in the amount of one percent (1%) of the estimated contract amount, as provided in Florida Statutes § 287.042(2)(c) and Rule 28-110.005 of the Florida Administrative Code. The notice of protest must be either hand-delivered and date and time stamped by the Finance Department, or sent via Certified U.S. mail, return receipt requested. Failure to file a protest within the timeframe specified herein shall constitute a full waiver of all rights to protest the City's decision regarding award of the bid. For full bid protest guidance, consult Section 9.1, Notice of Protest, of the City of New Smyrna Beach's purchasing policy.

IV.HH Public Entity Crimes

Pursuant to Section 287.133(12)(a) of the Florida Statutes, "A person or affiliate, who has been placed on the convicted vendor list following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or contractor under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO ($25,000) for a period of 36 months from the date of being placed on the convicted vendor list."

IV.II Public Records Act

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The proposer should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a proposer does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONSTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

A. Keep and maintain public records required by the public agency to perform the service.

B. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

D. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IV.JJ Relation of City

It is the intent of the parties hereto that the contractor shall be legally considered an independent contractor, and that neither the contractor nor their employees shall, under any circumstances, be considered employees or agents of the City, and that the City shall be at no

time legally responsible for any negligence on the part of said contractor, their employees or agents resulting in either bodily or personal injury or property damage to any individual, consultant, or corporation.

IV.KK Requests for Clarification

The City may, as it deems necessary, conduct discussions with responsible bidders for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

Requests by the Purchasing Agent to a bidder for clarification of a submittal shall be in writing. Bidder's failure to respond to request for clarification may deem proposer to be non-responsive and may be just cause to reject its bid.

IV.LL Single Proposal

Each bidder must submit, with their bid, the required forms included in this solicitation. Only one bid from a legal entity as a primary shall be considered. A legal entity that submits a bid as a primary or as part of a partnership or joint venture submitting as primary may not then act as a sub-contractor to any other bidder submitting under the same solicitation.

The received bids in violation of this requirement shall be deemed non-responsive and rejected from further consideration.

IV.MM State Registration Requirements

Bidders submitting a bid in response to this solicitation shall either be registered or have applied for registration with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes. A copy of the registration/application may be required prior to award of a contract.

Any partnership submitting a response to this Solicitation shall have complied with the applicable provisions of Chapter 620, Florida Statutes. For additional information on these requirements, please contact the Florida Secretary of State's Office, Division of Corporations at (800) 755-5111 or visit the following website: (http://www.dos.state.fl.us).

IV.NN Title VI

No person shall on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992 and other nondiscrimination authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity of the City of New Smyrna Beach.

IV.OO Unbalanced Bids

As determined by the City, the city may consider a solicitation response irregular and reject it if any of the prices are excessively unbalanced (either above or below the amount of a reasonable response) to the potential detriment of the City. The City further reserves the right to require backup documentation from the respondent if, in the City's opinion, the prices are, or appear to be, excessively unbalanced.

IV.PP Certification of Independent Price Determination

By submission of a response, the Bidder certifies that in connection with this bid submittal:

A. The pricing and/or fees associated with this bid submittal have been arrived at independently, without consultation, collusion, communication, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor.

B. Unless otherwise required by law, the prices which have been quoted on this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly to any other Bidder or to any competitor.

C. No attempt has been made or shall be made by the Bidder to induce any other person or Bidder to submit or not submit a bid for the purpose of restricting competition.

IV.QQ Corporate Standing and Authorized Signatory

The Proposer must demonstrate that the company is in good standing and that the person signing this proposal is an authorized signatory on behalf of the Proposer to negotiate and/or sign contracts, agreements, amendments and related documents to which the Proposer will be duly bound. Examples of satisfactory demonstration documents include:

A. A copy of your Articles of Incorporation listing the approved signatories of the corporation.

B. A letter from a corporate officer listing the members of staff that are authorized signatories for the company.

Failure to sign and witness the Proposer's signature form may result in disqualification of the bid. Please be sure the bid is signed, properly witnessed, and sealed.

V. Project Specific

V.A Statement of Work:

The City of New Smyrna Beach is seeking sealed bids from qualified General Contractors to remove the existing fixed docks and replace them with the new floating dock system at the City

of New Smyrna Beach North Causeway boat ramp located at 170 North Causeway, New Smyrna Beach, Florida 32169. This site was previously called "AOB Site"

The new proposed floating dock system will be a combination of timber docks, aluminum gangways, and ADA accessible concrete floating docks; along with replacing the concrete sidewalks leading up to the docks. The project also consists of mechanical dredging of up to 440 cubic yards of material prior to construction taking place.

V.B Minimum Qualifications

Bidders responding to this ITB must demonstrate experience and qualifications in performing work similar in size and complexity to this project. Each Bidder must submit the following required information:

- Previous experience and references: Firms must demonstrate a minimum of five (5) years of experience in performing work similar in size and scope as detailed herein. Provide a brief description of work, including location, dates of contract, names, addresses, email addresses and telephone numbers of owners by completing the Reference Form included herein.
- In addition to the completed Reference Form, Proposer's shall provide each reference a copy of the Reference Questionnaire that is provided in the Attachment Section of this document. References shall email the completed form to purchasing@cityofnsb.com prior to 5:00 pm on Wednesday, February 19, 2025, with 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1 in the subject line of the email.
- Evidence of authority to conduct commercial business in the State of Florida: Provide Sunbiz report showing your company registered as “Active”.
- Professional Licenses: Provide all licenses that qualify the firm for the type of work as identified herein.
- Bonds: Provide applicable bond documents, when required.
- Financial Capacity: The Bidder may be required to provide financial performance information upon request by the City. The financial information must be received by the City within five Days (5) of Bidder receiving the written request. Submittals requested pursuant to this subsection may be in addition to those required elsewhere.

Note: If you are not a single prime contractor, you will be required to list all subcontractors to be used for this project and their professional licenses.

The City of New Smyrna Beach reserves the right to require the bidder to submit such evidence of his/her qualifications and experience as it may deem necessary and may consider any evidence available to it of the financial, technical and other qualifications and abilities of a bidder.

V.C Drawings and Technical Specifications

Drawings are provided as Attachment F in Section 11 of this document and are incorporated by reference to the awarded agreement, which contains technical specifications for the work to be completed, in addition to drawings and other terms and conditions with which Contractor shall comply.

The general character and scope of the work are illustrated by the drawings provided as Attachment F and G in Section XII of this document.

CITY OF NEW SMYRNA BEACH, FLORIDA

Checking of Drawings and Dimensions:

A. The Contractor shall check all drawings and specifications immediately upon their receipt and shall promptly notify the Owner, in writing, of any discrepancies.

B. The Contractor shall compare all drawings and verify the figures before laying out the work and shall be responsible for any errors, which might have been reasonably avoided thereby. When the type of equipment selected affects dimensions on the drawings, the Contractor shall adjust such dimensions as conditions may require to achieve the intent of the bid specifications.

Copies of Drawings and Specifications Furnished: The Owner shall furnish to the Contractor an electronic file of drawings and specifications necessary for the execution of the work. One complete set of all drawings and specifications shall be maintained at the job site and shall be available to the Engineer at all times.

V.D Changes

Compliance with Specifications and Drawings: All specifications and drawings and terms of the Contract shall be strictly complied with by the Contractor except as specifically provided in these Contract Documents.

Changes in the Work:

A. The Owner, without invalidating the Contract, may order extra work or make changes by altering, adding to, or deducting from the work. If applicable, the Contract total amount will be adjusted accordingly. All such work shall be executed under the conditions of the original Contract except that any claim for extensions of time caused thereby shall be adjusted at the time of ordering such changes.

B. The value of any such extra work or change shall be determined in one or more of the following ways: (a) by contract unit prices or (b) by an agreed lump sum price. In the event that the contract unit prices are not available and a lump sum price is not agreed upon, then the value of the extra work shall be determined by (c) the actual cost of: Labor, including foremen; Materials entering permanently into the work; The rental cost of equipment during the time of use on the extra work; Power and consumable supplies for the operation of power equipment; Insurance; Social Security, Old Age and Unemployment Contributions.

C. As a result of the preceding requirements, a Change Order shall be prepared in a form to be approved by the Owner.
The value of the extra work or change shall be determined at the time that the Change Order is authorized and agreed upon. In the event that the Change Order is of such nature as to fall under a Contract unit price, the Contract unit price shall be the value of such extra work, whether representing a deletion, or an addition, and method (b) or (c) shall be employed only if there is not an applicable Contract unit price. To the cost under (c), there shall be added a fixed fee to be agreed upon, but not to exceed fifteen percent (15%) of the actual cost of the work. The fee shall be compensation to cover the cost of supervision, overhead, bond, profit, and any other general expenses.

D. It is the Contractor's responsibility to notify this Surety of any changes affecting the general scope of the work or change in the Contact Price and the amount of the applicable Bonds shall be adjusted accordingly. The Contractor shall furnish proof of such adjustment to the Owner.

E. No change orders that are a result of the Contractor's failure to reasonably anticipate any difficulties or complexities in the Project shall be the responsibility of Owner to pay.

V.E Clean-Up

The Contractor shall keep the construction site free of rubbish and waste materials and shall restore to it to its original condition or better those portions of the site disrupted by the construction. Clean-up and restoration shall be accomplished on a continuing basis throughout the contract period and in such a manner as to maintain a minimum of nuisance and interference to the Owner, residents, and works at or adjacent to the project site. The Contractor shall also remove, when no longer needed, all temporary structures and equipment used in his operations. It is the intent of this specification that the construction areas and those other areas not designed for alteration by the contract documents shall be restored to their original condition as nearly as possible.

V.F Conditions of Work

Each bidder shall have read and be thoroughly familiar with the drawings, specifications and other Contract Documents. Failure to do so shall not relieve the successful bidder of his obligation to furnish all labor, materials and equipment necessary to carry out the previsions of the Contract Documents and to complete the contemplated work for the consideration set forth in his bid. No effort is made to emphasize any particular provision of the Contract, but bidders must familiarize themselves with every provision and its effect. The Owner makes no representations other than those stated or shown directly in the Contract Documents.

In case there is any item in the drawings, specifications or other Contract Documents which is not clear to the bidder or which may, in the Contractor's opinion, be impossible to comply with, the bidder is urged to immediately notify the City by submitting all inquiries via the City's e-Procurement Portal, located at https://procurement.opengov.com/portal/cityofnsb.. If it is

considered necessary and time permits, an addendum shall be forwarded to each holder of the drawings and specifications to clarify the question.

The bidder, by and through the submission of this bid, agrees that it shall be held responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and underground obstructions, the nature of the ground water conditions and all other physical characteristics of the work, in order that it may include in the prices which it bid, all costs pertaining to the work and thereby provide for the satisfactory completion thereof, including the removal, relocation or replacement of any objects or obstructions which shall be encountered in doing the proposed work.

V.G Existing Underground Utilities

Representation of underground utilities is shown from information received from the various utility owners. The locations or elevations of utilities are not represented to be exact and are shown for the convenience of the Contractor. The Contractor shall contact the utility owner concerned for any available additional information and coordinate his construction activities accordingly. The utilities known to exist are listed in the Supplemental General Conditions, along with a list of their Owners. Any cost incurred for the protection of and/or damages to existing underground utilities shall be considered as part of the applicable Contract price for stage excavation and backfill and no additional compensation shall be paid to the Contractor. If, in the judgment of the Engineer, it is impossible to construct a given improvement in the location shown on the drawings as a result of underground utility or utilities, either the utility owner shall move the existing underground utility, or an appropriate Change Order shall be executed for the moving by the Contractor.

The following is a list of utilities, which may be located within the public rights-of-way of the City of New Smyrna Beach:

- Gas Mains – Florida Public Utilities Company
- Electric and Power Lines and Underground Cable - Utilities Commission, City of New Smyrna Beach
- Telephone Lines and Underground Cable - AT&T
- Water Mains and Sanitary Sewers - Utilities Commission City of New Smyrna Beach, Florida
- Storm Sewers - City of New Smyrna Beach, Florida
- Cable TV and Underground Cable - Spectrum

V.H Inspection and Testing of Materials and Equipment

If applicable, the Contractor shall pay for all laboratory or environmental tests required at the project site or all laboratory tests required on material already delivered to the site. Copies of test or certifications on pipe, brick or other materials made at the factory shall be furnished in

triplicate to the Engineer. The Engineer shall approve test reports on equipment before the equipment covered by the test is delivered to the project site. Test requirements are set out in the detailed specifications for the particular material.

V.I Inspections and Tests

If applicable, the Contractor shall pay for all laboratory or environmental tests required at the project site or all laboratory tests required on material already delivered to the site. Copies of test or certifications on pipe, brick or other materials made at the factory shall be furnished in triplicate to the Engineer. The Engineer shall approve test reports on equipment before the equipment covered by the test is delivered to the project site. Test requirements are set out in the detailed specifications for the particular material.

VI. Total Bid Proposal

This project will be partially funded by a Florida Inland Navigation District (F.I.N.D) Grant, Project number VO-NSB-24-E. The award of a contract will be contingent upon the concurrence of the City and funding partner(s). The City reserves the right to cancel this solicitation at any time up to the execution of the Agreement if funding authorization is not received.

The uploaded price proposal in Section XII must be the same price submitted below. There shall be no hidden costs associated with this project. Full disclosure of nature and amount of all fees and charges is mandatory.

AOB PHASE 1

LS=Lump Sum; LF= Linear Foot; CY=Cubic Yard; SY= Square Yard; EA= Each; TN=Ton; SF= Square Foot

12	Concrete Sidewalk	42	SY		
TOTAL					

VII. Terms and Conditions

In the event of a conflict in the interpretation of the Contract or the terms of the Contract, the interpretation most favorable to the Owner shall prevail.

VII.A Notice to Proceed

When the Contract has been executed on the part of the Owner, it shall be forwarded to the Contractor together with the Notice to Proceed. The Notice to Proceed shall include the time for completion. The Contractor shall begin construction operations at the site within ten (10) days after the date of such notice. The contact time shall begin ten (10) days after the date of the Notice to Proceed.

VII.B Claims and Damages

Requirement for Notice: Any requirements of the Contract Documents for notice of direction to the City shall be a condition precedent to be complied with by the Contractor before any claim for extra compensation can be made. See definition of Notice To Proceed.

Claims for Extra Cost: If the Contractor claims that any instructions in writing or by drawings or otherwise involve extra cost under this Contract, the Contractor shall give the City written notice on a form to be furnished by the City within a reasonable time after the receipt of such instructions, and in any event before proceeding to execute the work, except in emergency of endangering life or property. A decision by the City shall then be made as specified in "The Authority and Duties of the City - Status of the City" of this division. If this decision requires a

Change Order, the procedure shall be as provided for in "Changes in the Work" Section. See definition of Terms and Conditions. No claim shall be valid unless so made.

Claims for Damages: Any claims for damages by the Contractor against the City arising under this Contract shall be made in writing to the party liable within thirty (30) days of the first observance of such damage, except as expressly stipulated otherwise in the case of faulty work or materials and shall be adjusted by agreement validated by a Change Order. Any claim not reported within thirty (30) days shall not be considered valid. See definition in Terms and Conditions.

Liquidated Damages: If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with such diligence as shall insure its completion within the time specified in the bid, or any extension thereof, or fails to complete said work within such time, the Owner may, by written notice to the Contractor, terminate his right to proceed with the work or such part of the work on which there has been delay. In such event, the Owner may take over the work and prosecute the same to completion by Contract or otherwise, and the Contractor and his Sureties shall be liable to the Owner for any excess cost occasioned the Owner thereby. If the Contractor's right to proceed is so terminated, the Owner may take possession of and utilize in completing the work such materials, and appliances as may be on the site of the work, or contained within any storage facility. If the Owner does not terminate the right of the Contractor to proceed, the Contractor shall pay to the Owner the sum specified in the Supplemental General Conditions as fixed, agreed, and liquidated damages for each calendar day of the delay until the work is finally accepted by the Owner, and the Contractor and his Sureties shall be liable to the Owner for any excess cost occasioned the Owner thereby.

The amount of and provision for liquidated damages as specified in this solicitation and as otherwise set forth in the Contract Document, shall be ONE HUNDRED FIFTY ($150.00) FOR EACH CALENDAR DAY of the delay until the work is completed or accepted. Said amount is agreed upon because the injury that the Owner may sustain by reason of contracting breach would be impossible to ascertain or estimate; such sum is agreed upon as liquidated damages and is intended as compensation for the injury suffered by the Owner, rather than as a penalty.

Additional Owner Expense:

Should the Contractor fail to complete the work during the specified number of calendar days, it is agreed that for each day of overrun until final completion, all expenses of engineering supervision and inspection furnished by the City shall be at the expense of the Contractor and /or Surety. Such engineering expense shall be considered to be equal to the job payroll of the City plus One Hundred Fifty (150%) Percent thereof for overhead, plus on-the-job mileage. Such engineering expense shall be deducted from monies due the Contractor. The amount of such expenses shall be construed to be in addition to other damages for delays that might be assessed by the City.

VII.C Commencement of Work

The bidder agrees to commence work within TEN (10) CALENDAR DAYS after the date of the Notice to Proceed letter and shall complete the work within ONE HUNDRED FIFTY (150) CALENDAR DAYS thereafter.

The City understands that lead times are becoming an issue throughout the construction industry. Consideration for extensions will be made for documented delays on purchase orders and substantiated lead time provided by suppliers.

VII.D Effectiveness and Duration

The draft agreement provided in the "Attachment" Section of this document will be the contracting mechanism for the bid award. The agreement may not be amended, and any exceptions noted by the bidder to this document will not be considered. The draft agreement is provided as an example and shall not be included as part of your submittal.

An executed agreement or contract alone will not authorize the work or purchase of materials or require the City to place any orders for work or materials.

During the term of a contract, the City may require changes which alter the contract specifications provided that such changes are within the general scope of the contract. The parties agree to renegotiate to comply with any applicable current or revised state laws, regulation, or increases/decreases in allocations making any changes in the contract necessary.

Modifications of provisions shall only be valid through execution of a formal contract amendment, and duly signed by both parties. There are no obligations to agree by either party.

VII.E Notice to Proceed

When the contract has been executed on the part of the Owner, it shall be forwarded to the Contractor together with the Notice to Proceed. The Notice to Proceed shall include the time for completion. The Contractor shall begin construction operations at the site within ten (10) days after the date of such notice. The contact time shall begin ten (10) days after the date of the Notice to Proceed.

VII.F Off-Site Liability Coverage

In addition to all other terms, covenants and conditions, the Contractor agrees that in the event the structure is moved off-site, and during said move, the said structure either collapses or otherwise cannot be moved in the normal and customary manner, he shall be responsible for all costs to the City and any liability, tort or otherwise, imposed by law, and shall secure a policy of insurance to cover such an event in an amount of at least one million dollars and shall have the City of New Smyrna Beach as co-insured on said policy of insurance.

VII.G Payments to the Contractor

Monthly Payments to the Contractor: The Contractor shall plan his work for construction on the basis of monthly pay periods. So long as the work is prosecuted in compliance with the provisions of the contract, the Contractor shall, on or about the last day of the pay period, make an approximate estimate, in writing on a form approved by the Engineer, of the proportionate value of the work done, items and locations of the work performed up to and including the last day of the period then ending. The Contractor is responsible for all payments for stored material, and no payment shall be included in the Pay Request for stored materials. The Engineer shall then review said estimate and make the necessary revisions so that the estimate can receive his approval. If the Contractor and the Engineer do not agree on the approximate estimate of the proportionate value of the work done for any pay period, the determination of the Engineer shall be binding. The amount of said estimate, after deducting the retainage and all previous payments, shall be due and payable to the Contractor within thirty (30) days after presentation of the estimate to the Owner. Any Periodical Pay Estimate signed by the Contractor shall be final as to the Contractor for any or all work covered by the Periodical Pay Estimate.

Contractor's Warranty of Title:

A. The Contractor warrants and guarantees that title to all work, materials and equipment covered by an application for payment, whether incorporated in the project or not, shall pass to the Owner at the time of payment, free and clear of all liens, claims, security interests and encumbrances (hereafter referred to as "Liens" in these General Conditions).

B. The Contractor agrees to furnish an affidavit stating that all laborers, materialmen and subcontractors have been paid on the project for work covered by the application for payment and that a partial or complete release of lien, as may be necessary, be properly executed by the material men, laborers and subcontractors on the project for the work covered by the application for payment, sufficient to secure the Owner from any claim whatsoever arising out of the aforesaid work.

Correction of Work Before Final Payment:

A. The Contractor shall promptly remove from the premises all material condemned by the Engineer as failing to conform to the Contract whether incorporated in the work or not, and the Contractor shall promptly replace and re-execute his own work in accord with the Contract and without expense to the Owner and shall bear the expense of making good all work of other Contracts destroyed or damaged by such removal or replacement.

B. If the Contractor does not remove such condemned work and materials within a reasonable time, fixed by written notice, the Owner may remove them and may store the materials at the expense of the Contractor. If the Contractor does not pay the expense of such removal within ten (10) days time thereafter, the Owner may, upon ten (10) days written notice, sell such materials at auction or at private sale and shall account for the net proceed thereof after deducting all the cost and expenses that should have been borne by the Contractor.

Liens: Neither the final payment nor any part of the retained percentage shall become due until the Contractor shall deliver to the Owner a complete release of all liens arising out of this Contract, or receipts in full in lieu thereof. In addition, thereto, in either case, the Contractor shall provide an affidavit that so far as the Contractor has knowledge or information, all includes receipts or releases for all the labor and material for which a lien could be filed. The Contractor may, should any subcontractor refuse to furnish a release or receipt in full, furnish a bond satisfactory to the Owner to indemnify that payments are made. The Contractor shall refund to the Owner all money payments that the latter may be compelled to pay in discharging such a lien, including all interest, costs, and reasonable attorney's fees.

Final Inspections: When the Contractor has completed the work in compliance with the terms of Contract Documents, the Contractor shall notify the Engineer in writing that the project is ready for final inspection.

The City shall then advise the Contractor as to the arrangements for final inspection and what work, if any, is required to prepare the project or a portion thereof for final inspection. When the Engineer determines the project or portion thereof is ready for final inspection, the Engineer shall perform the same. Upon completion of the final inspection, the City shall prepare a list of errors of either commission or omission by the Contractor, reasonably observable, and determined under the conditions governing and restricting said final inspection. When all such errors have been corrected, a final re-inspection shall be made. The process shall be repeated until, in the opinion of the City, the project has been completed in compliance with the terms of the Contract Documents as can best and reasonable be observed and determined under the conditions governing and restricting said final inspection. The Engineer shall, pursuant to such inspection and re-inspection, certify to the City as to the completion of the final inspection. It is understood that the certification covers only those items which can be physically inspected, and the Engineer's certification indicates compliance within the standards of the construction industry, as interpreted by the Engineer.

Final Acceptance: When the City shall certify the completion of the final inspection, the Contractor may make request for final payment. With the request for final payment, the Contractor shall furnish evidence satisfactory to the Owner's legal advisors that the Contractor has fully paid all debts for labor, materials and equipment incurred in connection with the work. The Contractor must provide all evidence required by the Contract to assure the Owner of complete compliance with all terms of the Contract. When the Owner has acknowledged the compliance with the terms of the Contract, and has received certification of final inspection, the Owner shall notify the Contractor of final acceptance by the Owner. The date of final acceptance shall be assumed as the date of final completion of the project, unless the Owner, with the Contractor, has made previous agreement.

Final Payment: When the Owner has made final acceptance, the City shall then review the amount of final request for payment and certify the amount of this approval. Upon approval by the Engineer, the Owner shall make final payment of the contract amount, plus all approved additions, less approved deductions and previous payments made.

Termination of Contractor's Responsibility: The Owner shall consider the Contract complete when all work has been finished, the final Inspection certified by the City, and the project finally

accepted in writing. The Contractor's responsibility shall then terminate except as otherwise required and set out in the Contract Documents.

VII.H Performance Bond, Material Bond, and Warranty of Title

A. Within fourteen (14) days upon acceptance of the bid by City Commission, the successful bidder shall deliver to the Owner a Performance Bond and a Labor and Material Payment Bond, each in an amount equal to 100 percent of the Contract Price.

The Bonds shall be secured from a surety company acceptable to the City. The forms of the Bonds the successful Bidder will be required to execute are included in the Bidding Documents. The Bonds shall name the City as obligee and shall be in such form and by sureties of financial standing having a rating from A.M. Best Company (or other equivalent rating company) equal to or better than A- Class VI and must be included on the approved list of sureties issued by the United States Department of Treasury. Each Bond shall be accompanied by an effectively dated Power of Attorney. The successful Bidder shall, before commencing the work, record said Payment and Performance Bond in the public records of Volusia County where the improvement is located in accordance with Chapter 255.05 of the Florida Statutes.

B. If the Contractor is a partnership, the bond shall be signed by each of the individuals who are partners. If the Contractor is a corporation, the bond shall be signed in the correct corporate name by a duly authorized officer, agent, or attorney-in-fact. There shall be executed an appropriate number of counterparts of the bond corresponding to the number of counterparts in the Contract. Each executed bond shall be accompanied by the (a) appropriate acknowledgement of the respective parties; (b) appropriate duly certified copy of the Power-of-Attorney or other certification of authority where the bond is executed by the agent, officer or other representative of the Contractor or Surety; (c) duly certified extract from By-Laws or resolutions of Surety under which the Power-of-Attorney, or other certificate of authority of its agent, officer or representative was issued.

C. Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

VII.I Preconstruction Conference

Prior to starting the work, a preconstruction conference shall be held to review the work schedules, to establish procedures for processing periodical pay estimates, and such other matters as may be pertinent to the project.

VII.J Progress and Control of the Work

Schedules and Progress Reports: The Contractor must submit a proposed schedule of the work at the preconstruction conference. The purpose of this schedule is to enable the Owner to govern the work, to protect the functions of the local government and its citizens, and to aid in providing appropriate surveillance. The Owner shall have the right to reschedule work provided such rescheduling is in accordance with the remainder of the terms of this Contract. The

schedule shall show, as a minimum, the approximate dates on which each segment of the work is expected to be started and finished, the anticipated earnings by the Contractor for each month, and the approximate number of crews and equipment to be used. The Engineer shall review and approve the schedule. If rescheduling is needed, then a new updated schedule should be provided to the Engineer for approval. The Contractor shall also forward to the Owner, as soon as practicable after the first day of each month, a summary report of the progress of the various parts of the work under the Contract, stating the existing status, estimated time of completion, and cause of delay, if any. Together with the summary report, the Contractor shall submit any necessary revisions to the original schedule for the Engineer's review and approval. The Engineer, for purpose of evaluation, may require additional more detailed schedules.

Approval of Subcontracts:

A. The Contractor shall, as soon as practicable after the signing of the Contract, notify the Owner in writing of the names of subcontractors, including material suppliers proposed for the work, and shall not employ any that have not been approved by the Owner.

B. The Contractor agrees to be fully responsible to the Owner for the acts and omissions of subcontractors and for payment of services rendered by the subcontractor.

C. Nothing contained in the contract Documents shall create any contractual relationship between any subcontractor and the Owner.
The Contractor shall furnish the Owner copies of any and all contracts entered into with subcontractors for performance of any work identified in the Contract Documents.

Prosecution of Work:

A. The work shall be prosecuted at such time and in or on such part or parts of the project with such forces of workers, materials, and equipment as may be ordered by the Engineer, in writing, to complete the project as contemplated in the drawings, specifications, Contract, and schedules. If, at any time, the materials and equipment to be used appear to the Engineer as insufficient or improper for securing the quality of work required, or the required rate of progress, he may order the Contractor to increase his efficiency or to improve the character of his work, and the Contractor shall conform to such an order. The failure of the Engineer to demand any increase of such efficiency or any improvement shall not release the Contractor from his obligation to secure the quality of work or the rate of progress necessary to complete the work within the limits imposed by the Contract.

B. Contractor shall perform the work and take such precautions as he may deem necessary to complete the project so all work shall be in first-class and acceptable condition within the Contract time according to the schedule.

Workmanship, Material, and Workmen:

A. Unless otherwise stated in the detailed specifications, all workmanship, materials, and articles incorporated in the work covered by this Contract shall be of the most suitable grade of their respective kinds for the purpose and acceptable to the Engineer. The Engineer shall decide the question of quality where the expression "or approved equal" is

used in the specifications following reference to a specific manufacturer of equipment or materials. If the contractor wishes to make a substitution request for an alternate material or installation procedure, he will need to present to the Engineer for approval prior to proceeding with said alternate. Samples of materials shall be submitted for approval when so directed. Machinery, materials, articles installed or used, or unusual methods of work used without such approval shall be at the risk of subsequent rejection.

B. The Engineer or the Owner may require the Contractor to remove from the work such employees as the Engineer or the Owner deems incompetent, careless, insubordinate, or otherwise objectionable, or whose continued employment on the work is deemed to be contrary to the Owner's interest.

Delays and Extension of Time:

A. If the Contractor is delayed at any time in the progress of the work by any act or neglect of the Owner or his employees, or by any other Contractor employed by the Owner, or by changes ordered in the work, or by strikes, fire, lockouts, unusual delay in transportation, unavoidable causalities or by delay authorized by the Owner pending arbitration, or by any cause which the Owner shall decide to justify the delay, then the time of completion may be reasonably extended by the Owner.

B. No extension shall be made for delay unless notice of a claim is made by the Contractor in writing to the Owner within seven (7) days of the event or incident causing the delay and as otherwise provided by the definition of "notice", referenced in "Definitions and Terms".

C. The article does not exclude the recovery of damages for delay by owner under the liquidated damages clause.

NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME SHALL BE MADE OR ASSERTED AGAINST THE CITY BY REASON OF ANY DELAYS. The CONTRACTOR shall not be entitled to an increase in the Contract Sum or payment or compensation of any kind from the City for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference or hindrance from any cause whatsoever; provided, however, that this provision shall not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the City or its agents. Otherwise, the CONTRACTOR shall be entitled only to extensions of the Contract Time as the sole an exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

VII.K Rights and Responsibilities of the Owner During Construction

Surveys and Lands for Work:

A. The Owner shall provide the lands upon which the work under this Contract is to be done; additional land will not be provided for storing materials.

B. Except that the Contractor shall provide all necessary additional land required for the erection of temporary construction facilities and storage of his material, together with right-of-access to the same. The Owner shall furnish all land surveys for this project.

C. The Contractor shall provide the Owner the information as to where material(s) are stored, the right of access to the material(s), and if applicable, keys to access locked areas.

Use of Completed Portions: The Owner shall have the right to take possession of and use any completed portions of the work, although the time for completing the entire work or such portions may not have expired, but such taking possession and use shall not be deemed an acceptance of any work not completed in accordance with the Contact Documents.

The Owner's Right to Do Work: If the Contractor should neglect to prosecute the work properly or fail to perform any provision of this Contract, the Owner, after seven (7) days written notice to the Contractor, may, without prejudice to any other remedy available to the Contractor, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due the Contractor.

Right to Retain Imperfect Work: If any part or portion of the work done or material furnished under this Contract shall prove defective and not in accord with the plans and specification, and if the Owner decides that any part or portion of the imperfect work is not of sufficient magnitude or importance as to make the work dangerous or undesirable, or if the Engineer decides that removing the work is warranted for whatever reason, then the owner has the right to reject and hold the contractor accountable for its removal and corrective action.

Suspension of Work:

A. If the work is defective, or the Contractor fails to supply sufficient skilled workmen or suitable materials or equipment, or if the Contractor fails to make prompt payments to subcontractors or for labor, material, or equipment, or if the Contractor fails to comply with work schedules, the Owner or Engineer may order the Contractor to stop all work, or any portion thereof, and terminate payments to the Contractor until the cause for such order has been eliminated. No extension of contract time shall be allowed for this suspension.

B. The Owner or Engineer may, at any time and without cause, suspend the work or any portion thereof for a period of not more than ninety (90) days by notice in writing to the Contractor, which notice shall fix the date on which the work shall be resumed. The Contractor shall resume the work on the date so fixed. The Contractor shall be allowed an increase in contract price or an extension of the contract time directly attributable to any suspension if he makes a claim therefore as provided in the section of this Contract titled: Progress and Control of the Work, Delays and Extension of Time.

Termination of the Contract:

A. If the Contractor is adjudged as bankrupt or insolvent, or if makes a general assignment for the benefit of his creditors, or if a trustee or receiver is appointed for the Contractor or for any of his property, or files a petition to take advantage of any debtor's act, or to

reorganize under the bankruptcy or similar laws, or if repeatedly fails to supply sufficient skilled workmen or suitable materials or equipment, or repeatedly fails to make prompt payments to subcontractors for labor, materials, or equipment, or disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction, or disregards the authority of the Engineer, or otherwise violates any provision of the Contract Documents, then the Owner may, without prejudice to any other right or remedy and after giving the Contractor and the Contractor's surety seven (7) days written notice, terminate the services of the Contractor and take possession of the project and of all materials, equipment, tools, construction equipment, and machinery thereon owned by the Contractor, and finish the work by whatever method the Owner may deem expedient. In cases where the actual cost of the work to be done by the Owner exceeds the amount in the Performance Bond, then the Contractor shall pay such to the owner.

B. Where the Contractor's services have been so terminated by the Owner, said termination shall not affect any rights of the Owner against the Contractor then existing or which may thereafter accrue. Any retention or payment of monies by the Owner due the Contractor shall not release the Contractor from liability.

C. Upon seven (7) days written notice to the Contractor, the Owner may, without cause and without prejudice to any other right or remedy, elect to abandon the project and terminate the agreement. In such case, the Contractor shall be paid for all work executed and any expense sustained plus a reasonable profit not to exceed five (5%) percent over the cost incurred.

VII.L Royalties and Patents

The Contractor shall pay all royalties and license fees for equipment or processes in conjunction with the equipment that the Contractor is furnishing. The Contractor shall defend all suits or claims for infringement of any patented right and shall save the City harmless from loss on account thereof and cost and attorney's fees incurred, therefore.

VII.M Safety and Health Regulations

A. The Contractor shall comply with the Department of Labor Safety and Health Regulations for construction promulgated under the Occupational Safety and Health Act of 1970 (PL-91-596) and under Section 107 of the Contract Work Hours and Safety Standards Act (PL-91-54).

B. The Contractor shall allow representatives of the Department of Labor full access to the project for inspection.

VII.N Sanitary Regulations

Adequate sanitary conveniences for the use of persons employed on the work site shall be provided at Contractor's expense and shall be properly secluded from public observations. The

Contractor shall construct and maintain the sanitary facilities in such a manner and at such points as approved by the Owner. These conveniences shall be maintained at all times without nuisance and their use shall be strictly enforced. Upon completion of the work, they shall be removed from the premises, leaving all clean and free from nuisance.

VII.O Save Harmless Clause

The Contractor covenants and agrees to indemnify and save harmless the City, its employees, officials, and agents, and defend them from all costs, expenses, damages, attorney's fees, injury or loss, to which the City may be subject by any person, firm, corporation or organization by reason of any wrongdoing, misconduct, want or need of care or skill, negligence or default or breach of Contract, guaranty or warranty, by the Contractor, his employees, his agents or assigns.

VII.P Termination

Termination for Convenience: The City reserves the right to terminate the Agreement in whole or part at any time without penalty or cause, which termination date shall not be less than thirty (30) days after the date of such written notice. Upon receipt of the written notice, the Contractor shall immediately stop all work as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the City. In the event of termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and delivered to the City. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed, and materials accepted before the effective date of termination. Such compensation shall be the Contractor's sole remedy against the City in the event of termination under this provision.

Termination for Cause or Default: The City reserves the right to terminate the Agreement in whole or in part due to the failure of the Contractor to comply with any term or condition of the Agreement, including failure to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Agreement. The City shall provide written notice of the termination and the reasons for it to the Contractor. Upon termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and be delivered to the City on demand. The City may, upon termination of the Agreement, procure, on terms and in the manner that it deems appropriate, materials, or services to replace those under the Agreement. The Contractor shall be liable to the City for any excess costs incurred by the City in re-procuring the materials or services.

Contractor's Right to Terminate: If the work should be stopped for a period of three (3) months, under any order of any court or public authority, other than by the Owner, through no act of fault of the Contractor or of anyone employed by the Contractor, then the Contractor may, upon thirty (30) days written notice to the Owner, terminate the Contract and recover from the Owner payment for all work executed and any expense sustained plus a reasonable profit thereon.

Force Majeure: No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God

b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)

c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest

d) Government order or law

e) Actions, embargoes or blockades in effect on or after the date of this Agreement

f) Action by any governmental authority

g) National or regional emergency

h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and

i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement.

VII.Q Warranty and Guarantee Provisions

All materials and equipment furnished by the Contractor and all construction work and workmanship involved in the Contract is hereby guaranteed and warranted by the Contractor for a period of one (1) year from written final acceptance by the Owner as defined here in to be free from defects due either to faulty materials, equipment and/or faulty workmanship, and all materials, equipment and /or workmanship furnished, installed and performed by the Contractor is warranted and guaranteed by the Contractor to the Owner to be such as to meet the required standards and to accomplish the purposes and functions of the project as defined, detailed and

specified in these Contract Documents. The Owner shall, following discovery thereof, promptly give written notice to the Contractor of faulty materials, equipment, and/or workmanship within the period of the guarantee. Any part of the warranty and guarantee shall be promptly replaced by the Contractor at his own cost and without cost to the Owner. These warranty and guarantee provisions create no limitations on the Owner as to any claims or actions for breach of guarantee or breach of warranty that the Owner might have against parties other than the Contractor, and do not constitute exclusive remedies of the Owner against the Contractor and are not intended to, and shall not limit any other rights, remedies or causes of action which the Owner might exercise against the Contractor, and shall not alter nor modify the application of the Statute of Limitations as established by the Statutes of the State of Florida. This Contract is governed by the Laws of the State of Florida.

VII.R Work by Others

The Owner reserves the right to allow the continuation and/or creation of other contracts it deems necessary at the site of the work subject to this Contract, provided such do not unreasonably burden or impair the work anticipated in the Contract. The Contractor shall afford other Contractors reasonable opportunity for the introduction and storage of their materials and execution of their work and shall promptly connect and coordinate this work with theirs.

VIII. Federal Conditions

VIII.A Access to Records

The following access to records requirements applies to this contract:

A. The contractor agrees to provide the City of New Smyrna Beach, Florida, representative(s) access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

B. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

C. The contractor agrees to provide the FEMA Administrator or his authorized representative(s) access to construction or other work sites pertaining to the work being completed under the contract.

VIII.B Americans with Disabilities Act of 1990

Americans with Disabilities Act of 1990, as amended (ADA) – The CONTRACTOR will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the CONTRACTOR pursuant thereto.

VIII.C Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

VIII.D Clean Air Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000.

VIII.E Compliance with Procurement of Recovered Materials

Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.322. CONTRACTOR must comply with section 6002 of the Solid Waste disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

VIII.F Contract Work Hours and Safety Standards Act

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the CITY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the

work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

VIII.G Davis Bacon Act

Davis Bacon Act as amended (40 U.S.C. §§3141-3148) when required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the CITY must place a current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The CITY must report all suspected or reported violations to the Federal awarding agency. When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The CITY must report all suspected or reported violations to the Federal awarding agency.

A. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

B. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

C. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

VIII.H Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

VIII.I Disadvantaged Business Enterprise (DBE) Policy and Obligation

Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the CITY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with CITY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The CITY and its CONTRACTOR agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The CITY and the CONTRACTOR and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement. 2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

A. If the CONTRACTOR, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the CONTRACTOR shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

B. Affirmative steps must include:

   1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

   2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

   3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.
6. Requiring the Prime contractor, if subcontractor are to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

VIII.J E-Verify

The E-Verify System means an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

Pursuant to Florida Statute 448.095, any new contract or renewal with a public agency requires the vendor and any subcontractor thereof to register with and use the E-Verify system to verify the work authorization status of all new employees working in the state of Florida or the United States. If the contractor or vender enters into a contract with a subcontractor, the subcontractor must provide an affidavit to the contractor or vendor that states that the subcontractor does not employ any unauthorized alien in Florida or the United States. The contractor shall provide and maintain proof of compliance with this statute upon request.

Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Every Vendor shall, upon request, provide evidence of compliance with this provision to the Owner. Failure to comply with this provision is a material breach of an Agreement, and the Owner may choose to terminate the Agreement at its sole discretion. The Vendor may be liable for all costs associated with the Owner securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

VIII.K Equal Employment Opportunity

During the performance of this contract, the contractor agrees as follows:

A. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

C. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. A copy of Executive Order 11246 is provided in Attachments.

E. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

F. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

G. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

VIII.L Hold Harmless

The CONTRACTOR shall hold the CITY harmless against all claims of whatever nature arising out of the CONTRACTOR’s performance of work under this Agreement, to the extent allowed and required by law.

VIII.M No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

VIII.N Program Fraud and False or Fraudulent Statements or Related Acts

The contractor acknowledges that 31 U.S.C. Chapter 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

VIII.O Rights to Inventions Made Under a Contract or Agreement

If any Federal award implicated in this solicitation meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

IX. Insurance Requirements

Contractor's and Subcontractor's Insurance Requirements

IX.A Type of Insurance

Workers Compensation: Florida Statutory Coverage

Waiver of Subrogation

Commercial General Liability: Each Occurrence $1,000,000

Occurrence Basis General Aggregate $2,000,000

Blanket Contractual Liability Premises - Operations $1,000,000

Waiver of Subrogation Products & Completed Ops $1,000,000

City Additional Insured Personal and Adv Ini $1,000,000

Fire Damage: $ 50,000

Auto Liability: Combined Single Limit $1,000,000

Any Auto Bodily Injury (Per Person) $ 300,000

Contractor, its subcontractors & independent contractors shall name City as Additional Insured Bodily Injury (Per Accident) $

Property Damage (Per Accident) $ 500,000

Note: If contractor does not have "Coverage Symbol 1: Any Auto," contractor is limited to the use of covered autos only.

THE INSURANCE SHALL NAME THE OWNER AS AN ADDITIONAL INSURED.

IX.B Cancellation

Thirty (30) days written notice of cancellation is required to:

Certificate Holder:

City of New Smyrna Beach

210 Sams Avenue

New Smyrna Beach, FL 32168

ATTN: Purchasing Coordinator

IX.C Additional Types of Insurance

Builder's Risk Insurance - a special type of property insurance which indemnifies against damage to buildings while they are under construction. The City required this insurance at a level of 100% Value of Project.

Longshoreman Insurance - required insurance coverage for many contractors and workers that work in and around a body of water. The Longshore and Harbor Worker's Compensation Act (LHWCA) was passed by Congress in 1927 and protects over 678,000 workers who may be injured or have an employment-related injury or occupational disease on navigable waters of the United States of America, or in adjoining areas. Longshoreman Insurance is the federal type of workers compensation insurance.

IX.D Worker's Compensation Insurance

The Contractor shall procure and shall maintain during the life of this Contract, Worker's Compensation Insurance for all employees to be engaged in work on the project under this Contract, and in case any such work is sublet, the Contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter’s employees to be engaged in such work unless such employees are covered by the protection afforded by the contractor’s Worker's Compensation Insurance. In case any class of employees engaged in hazardous work on the project under this Contract is not protected under the Workmen’s Compensation statue, the Contractor shall provide and shall cause each subcontractor to provide employer’s general liability insurance for the protection of the subcontractor's employees not otherwise protected under such provisions.

IX.E Contractor's Public Liability and Property Damage Insurance

The Contractor shall procure and shall maintain during the life of this Contract, Contractor's Public Liability and Property Damage Insurance naming the Owner as an additional insured in the amounts not less than those specified in the Supplemental General Conditions. A certificate of such insurance is to be filed with the Owner before any work begins.

IX.F Subcontractor's Public Liability and Property Damage Insurance

The Contractor shall require each of his subcontractors to procure and to maintain during the life of the subcontract, Subcontractor's Public Liability and Property Damage Insurance of the type and in the amount specified for the Contractor naming the contractor and Owner as the Additional Insured. A certificate of such insurance is to be filed with the Owner before any work begins.

IX.G Scope of Insurance and Special Hazards

The insurance required in this solicitation shall provide adequate protection for the Contactor and Subcontractors, respectively, against damage claims which may arise from operations under this Contract, whether such operations be by the insured or by anyone directly or indirectly employed the Contractor, and also against and of the special hazards which may be encountered in the performance of this Contract.

IX.H Proof of Carriage of Insurance

The Contractor shall furnish the Owner with satisfactory proof of carriage of the insurance as required above.

IX.I Subcontractor Insurance Requirements

The Contractor shall either (a) require each Subcontractor to procure and maintain during the life of the Subcontractor, the Subcontractor's Public Liability and Property Damage of the type and in the same amounts as in the preceding paragraphs; or (b) insure the activities of the Subcontractors in his own policy.

IX.J Additional Insurance Requirements

The insurance required in the preceding paragraphs shall also provide adequate protection against the following special hazards if applicable:

A. Property damage arising out of blasting or explosions;

B. Property damage arising out of collapse of, or structural injury to any building, caused by grading, excavating, burrowing or filling.

C. Property damage below the surface of the ground including the destruction of wires, conduits, pipe, water mains, sewers and gas mains by digging or burrowing by any mechanical device.

D. The Contractor shall furnish the Owner with satisfactory proof of coverage of the insurance required.

IX.K Off-Site Liability Coverage

In addition to all other terms, covenants and conditions, the Contractor agrees that in the event the structure is moved off-site, and during said move, the said structure either collapses or otherwise cannot be moved in the normal and customary manner, he shall be responsible for all costs to the City and any liability, tort or otherwise, imposed by law, and shall secure a policy of insurance to cover such an event in an amount of at least one million dollars and shall have the City of New Smyrna Beach as co-insured on said policy of insurance.

X. Contractor Specific

X.A Authority and Duties of the Engineer

Status of the Engineer: The work shall be subject at all times to the review of the Engineer or designee. The Engineer shall decide any and all questions which may arise as to the quality and acceptability of materials furnished, work performed, rate of progress of work, areas of work, maintenance of schedules, interpretation of drawings and specifications, and all questions as to the acceptable fulfillment of the Contract on the part of the Contractor. In case of differences between the drawings and specifications, the Engineer shall make a determination as to whether the specifications or drawings represent the intent of the Contract, and such determinations shall be communicated to the Contractor in writing. All claims of the Contractor shall be made in writing within a reasonable time. All decisions of the Engineer shall be final except in cases where time and/or financial considerations are involved. See definition of “Notice”, referenced in "Definitions and Terms".

Inspection and Examination of the Work:

A. The Engineer and authorized assistants shall have free access to the work of the Contractor at any time for purposes of inspection.

B. Duly authorized inspectors, who shall perform their duties periodically on the project, may be assigned to the project or any part thereof at any time. The number of inspectors shall be at the discretion of the Owner. The presence or absence of an inspector shall in no way lessen the responsibility of the Contractor to perform properly the Contractor’s duties to the Owner under these Contract Documents. An inspector is not authorized to revoke, alter, enlarge, relax, release or amend any of the specifications or requirements

thereof, nor to issue any instructions on, nor to approve or accept any portion of the work, or materials, or equipment which are contrary to the drawings and specifications; nor are any of his actions to be construed as doing so.

C. All materials shall be subject to inspection; examination and test by the Engineer at any time during manufacture, and at all places where such manufacture is being carried on. The right is reserved to reject defective materials during manufacture or before they have been incorporated into work. If the contractor fails to replace defective work or rejected materials, the Owner may replace such materials or correct such defective work and charge the cost thereof to the Contractor or may terminate the right of the Contractor to proceed as addressed in Terms and Conditions.

D. Since no inspection, either final or interim, can be complete within itself, no final inspection, acceptance of work, materials or equipment of final or interim acceptance of same by the Owner, or certificate of Engineer, shall relieve the obligation of the Contractor to the Owner to do the work in a good workmanlike manner, and to furnish proper, specified equipment and materials, and to perform properly all and any obligations and duties to the Owner under the terms of the Contract Documents.

X.B Contractors and Subcontractors

A. Contractors and all subcontractors shall maintain financial records and reports relating to funds paid to any parties for work on the matters which are the subject of this project and submit reports to the Division of Economic Development, State of Florida, or the Owner.

B. Contractors and all subcontractors shall maintain books, records, documents and other evidence according to generally accepted accounting principles, procedures and practices which sufficiently and properly reflects all costs of any nature expended in the performance of the contract, and retain said copies for a period of three (3) years after termination of the contract.

C. All subcontracts shall include the aforementioned audit and record keeping requirements.

X.C Contractor's Representative

The Contractor shall keep a competent superintendent and any necessary assistants, all satisfactory to the Owner at all times during the execution of the work. The superintendent shall not be changed without the consent of the Owner unless the superintendent proves to be unsatisfactory to the Contractor and ceases to be employed. The superintendent shall represent the Contractor in Contractor’s absence, and all directions given to the superintendent shall be as binding as if given to the Contractor. The Contractor shall give sufficient supervision to the work, using his best skill and attention.

X.D Contractor's Right to Terminate

If the work should be stopped for a period of three (3) months, under any order of any court or public authority, other than by the Owner, through no act of fault of the Contractor or of anyone employed by Contractor, then the Contractor may, upon thirty (30) days written notice to the Owner, terminate his Contract and recover from the Owner payment for all work executed and any expense sustained plus a reasonable profit thereon.

X.E Contractor's Understanding

A. It is understood and agreed that the Contractor is familiar with the nature and location of the work, the confirmation of the ground, the character, quality and quantity of the materials to be encountered, the character of equipment and facilities needed preliminary to and during the persecution of the work, the general and local conditions, and all other matters which can in any way affect the work under this Contract. No verbal agreement or conversation with any officer, agent or employee of the Owner, either before or after the execution of this Contract, shall affect or modify any of the terms or obligations herein contained.

B. If the Contractor, in the course of the work, finds any discrepancy between the drawings and the physical conditions of the locality, or any error or omissions in the drawings or in the layout as given by points and instructions, or discovers unforeseen underground or above-ground conditions or any other unexpected conditions requiring additional work by the Contractor, it shall be Contractor's duty to immediately inform the Engineer, in writing, and the Engineer shall promptly check the accuracy of the information. Any work done after such discovery, until any necessary changes are authorized, shall be done at the Contractor's risk. See definitions in Terms and Conditions.

C. If any part of the Contractor's work depends for proper execution or results upon the work of another Contractor, the Contractor shall inspect and measure work already in place and shall at once report to the Engineer any discrepancy between the executed work and the drawings. The Contractor is at all times fully responsible for the work of the subcontractor as if it were the Contractor's own work.

X.F E-Verify (Verification of Employment Status)

The E-Verify System means an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

Pursuant to Florida Statute 448.095, any new contract or renewal with a public agency requires the vendor and any subcontractor thereof to register with and use the E-Verify system to verify the work authorization status of all new employees working in the state of Florida or the United States. If the contractor or vender enters into a contract with a subcontractor, the subcontractor must provide an affidavit to the contractor or vendor that states that the

subcontractor does not employ any unauthorized alien in Florida or the United States. The contractor shall provide and maintain proof of compliance with this statute upon request.

Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Every Vendor shall, upon request, provide evidence of compliance with this provision to the Owner. Failure to comply with this provision is a material breach of an Agreement, and the Owner may choose to terminate the Agreement at its sole discretion. The Vendor may be liable for all costs associated with the Owner securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

X.G Permits, Licenses, Taxes and Regulations

A. All permits and licenses necessary for the prosecution of the work shall be secured and paid for by the Contractor.

B. The Contractor shall give all notices and comply with all laws, ordinances, rules and regulations bearing on the conduct of the work as drawn and specified. If the Contractor observes that the drawings and specifications are at variance therewith, he shall promptly notify the Engineer in writing, and any necessary changes shall be adjusted as provided in the Contract under Paragraph VIIJ, Changes in the Work. If the Contractor performs any work contrary to such laws, ordinances, rules and regulations, and does not comply with the aforesaid procedure, he shall bear all cost incident to such violation.

X.H Protection of Work, Persons and Property

A. The Contractor shall continuously maintain adequate protection of all his work from damage and shall protect all property from injury or loss arising in connection with the Contract. He shall make good any such damage, injury or loss, except such as may be directly due to errors in Contract Documents or caused by agents or employees of the Owner. He shall adequately protect adjacent property as provided by law and the Contract Documents. He shall provide and maintain all passageways, guard fences, lights and other facilities for protection required by public authority or local conditions. He shall provide reasonable maintenance of traffic ways for public and preservation of the continuation of the Owner's business, taking into full consideration all local conditions. He shall comply with the Florida Dept. of Commerce Safety Regulations and any local safety regulations.

B. In case of failure on the part of the Contractor to promptly restore damaged property, or make good such damage or injury, the Owner may, after 48 hours' notice to the Contractor, proceed to repair, rebuild or otherwise restore such property as may be deemed necessary and the cost thereof shall be deducted from any monies due or which may become due the Contractor under this Contract.

X.I Quality of Material, Equipment or Work

When any material or equipment not conforming to the requirements of the specifications and drawings has been delivered to the project, or incorporated in the work of the project, or whenever any work performed is of inferior quality, then such material or equipment or work, whether known or unknown to the Owner, shall be considered to be defective, and shall be removed and replaced, or made satisfactory to the Owner at no cost to the Owner.

X.J Removal of Equipment

In the case of annulment of this Contract before completion, from any cause, except that stated in Contractor's Right to Terminate, the Contractor, if notified to do so by the Owner, shall promptly remove any part of all of his equipment and supplies at the expense of the Contractor.

X.K Responsibility for the Work

Prior to the completion of the work by the Contractor and the acceptance thereof by the Owner and/or final recommendation of the Engineer, the work shall remain at the risk of the Contractor and said Contractor shall be required to repair, replace, renew and make good at his own expense all damages cause by force or violence of the elements or any cause whatsoever provided, however, that in such cases the Contractor shall be entitled to a reasonable extension of time within which to complete said work. If the cause of the delay shall be due to the negligence, fault, or omission of the Contractor, the Contractor shall not be entitled to the extension of time mentioned in the said paragraph.

X.L Scope of the Contractor's Service

A. Unless otherwise stipulated, the Contractor shall provide and pay for all bonds, insurance, materials, labor, tools, equipment, light, power, water, transportation and other facilities necessary for the execution and completion of the work.

B. The Contractor shall furnish free of charge all labor, stakes, surveys, batter boards for structures, grade lines and other materials and supplies and shall set construction stakes and batter boards for establishing lines, position of structure, slopes and other controlling points necessary for the proper prosecution of the construction work. The Engineer shall check the stakes, as set, before construction is commenced. These stakes and marks shall constitute the field control by and in accord with which the Contractor shall govern and execute the work. The Contractor shall be held responsible for the preservation of all stakes, marks, and, if for any reason, any of the stakes, marks or batter boards becomes destroyed or disturbed, they shall be immediately and accurately replaced by the Contractor.

XI. Required Responses

Bids/Proposals shall include all the information solicited in this document. The Bidder should not withhold any information from the written responses in anticipation of presenting the information orally or in a demonstration, since oral presentations or demonstrations may not be solicited. Failure to provide all of the information shall result in the bid being excluded from consideration. The City of New Smyrna Beach reservices the right to request information or clarification from bidders following the bid opening if omissions are deemed curable.

Complete and upload the following information/documents as one (1) PDF.

XI.A Public Records Act*

Applicant must respond confirming they have received a copy of the Public Records Act, located in the attachment section.

☐ Yes
☐ No
*Response required

XI.B Company Name and Address*

By submitting this response, you hereby designate the company name and address listed here as the office to which notices may be delivered or mailed.

*Response required

XI.C Employer Identification Number*

Please provide the Employer Identification Number

*Response required

XI.D Professional Licenses *

Upload as one (1) PDF the appropriate required licenses related to the type of work as identified herein.

If the respondent to this solicitation is not a single prime contractor a list all subcontractors to be used for this project and their professional licenses must also be included.

*Response required

XI.E Solicitation Document Review*

The bidder hereby represents that he has carefully examined the drawings and the Contract, including all Contract Documents, and shall execute the Contract and perform all its items, covenants and conditions, all in strict compliance with the requirements of the specifications and drawings. The bidder, by and through the submission of his bid, agrees that he has examined and that he shall be held responsible for having heretofore examined the site, the location and route of all proposed work and for having satisfied himself as to the character of the route, the location, surface and underground obstruction, the nature of the ground water conditions, and

all other physical characteristics of the work, in order that he may include the prices which he bid, all costs pertaining to the work and hereby provide for the satisfactory completion thereof, including the removal, relocation or replacement of any objects or obstructs which shall be encountered in doing the proposed work.

☐ Please confirm
*Response required

XI.F Bid Bond*

Each bid shall be accompanied by a Bid Security of no less than ten (10) percent of the amount of the Bid Proposal.

The Bid Security shall consist of a Certified Check, a Cashier's Check or a Bid Bond payable to the City of New Smyrna Beach ("Owner.)

A copy of the bid bond must be uploaded with the proposal response in the form of a Bid bond, certified funds or an irrevocable letter of credit in a sum equal to the amount of ten (10) percent of the amount of the bid proposal. The proposer shall guarantee the total proposal price for a period of 90 days from the date of the proposal opening.

If requested by the City, the lowest responsible/responsive bidder agrees to produce the hard copy of the original Bid Bond prior to the Notice of Recommendation or Commission Meeting. Failure to do so may result in the bid being deemed non-responsive.

Alternately a cash bond or cashiers' check will be acceptable. All checks shall be made payable to the City of New Smyrna Beach on a bank or trust company located in the State of Florida and insured by the Federal Deposit Insurance Corporation, as a guarantee that the proposer, if its proposal is accepted, will promptly execute the Agreement.

If the vendor selects to submit a cashiers' check or cash bond it must be received by the City no later than 5:00 pm on Wednesday, February 19, 2025. Please submit in a sealed envelope to the following address:

City of New Smyrna Beach

210 Sam's Avenue

New Smyrna Beach, Florida 32168

Attention Finance Department

*Response required

XI.G Contract Execution, Payment Bond, and Performance Bond*

The contract shall be executed by the successful bidder and shall be returned, together with the Payment Bond, Performance Bond and Certificate(s) of Insurance to City of New Smyrna Beach so that it is received within 14 working daysafter the bidder has received the contract for execution. Failure to do so shall be just cause for forfeiture of the proposal guaranty.

☐ Please confirm
*Response required

XI.H Potential Conflict of Interest

Please upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project here.

XI.I Drug-Free Workplace Certification Site Information*

The Firm may insert in the space provided below the site(s) for the performance of work done in connection with the specific contract:

Place of performance (street address, city, county, state, zip code)

If there are workplaces on file that are not identified here, please type "On File".

*Response required

XI.J Required Documentation and City Required Forms*

Upload as one (1) PDF a completed document packet provided in the Attachment Section of this document.

Important note: The uploaded price proposal must be the same price submitted in Section IV of this solicitation. There shall be no hidden costs associated with this project. Full disclosure of nature and amount of all fees and charges is mandatory.

Documents must be signed by an authorized Officer within your organization.

PUBLIC RECORDS

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

CONSTRUCTION CONTRACT

CITY OF NEW SMYRNA BEACH
VOLUSIA COUNTY, FLORIDA

This Agreement, dated this ____ day of _ _ _ _ _ _, 2025, by and between the **CITY OF NEW SMYRNA BEACH**, hereinafter called the **OWNER**, and _____ Inc. (a corporation organized and existing under the laws of the State of Florida and hereinafter called the **CONTRACTOR,** is awarded as a result of solicitation **ITB 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1.**

WITNESSETH: The Owner and the Contractor, for the consideration stated herein, agree as follows:

ARTICLE I: Scope of Work

The Contractor shall perform all required work and shall provide and furnish all labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to complete the construction of and all appurtenant work thereto, described in the following document, hereby fully incorporated into this Contract:

ITB 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
City of New Smyrna Beach, Florida

All work shall be in strict compliance with the drawings and specifications, including any and all Addenda, and together with all Contract Documents hereinafter enumerated and made a part thereof.

It is understood and agreed that said labor, materials, tools, equipment, and service shall be furnished and said work performed and completed subject to the approval of the Owner.

ARTICLE II: Contract Price

The Owner shall pay the Contractor for performance of the work in accordance with the Contract Documents in current funds as follows:

$ _____

Spelled out: _____

Payment will be made in accordance to the awarded bid proposal and the above negotiated agreed upon Contract Price. Change orders, including additions and deductions, must be approved in writing by the Owner. Any change, where the Contractor has materially deviated from the proposed design shall be borne by the Contractor unless such deviation is agreed to in writing by Owner.

ARTICLE III: Contract Time

The Contractor agrees to commence work within **Ten (10) CALENDAR DAYS** after the date of the Notice to Proceed letter and shall achieve Substantial Completion within One Hundred Fifty **(150)**

consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ARTICLE IV: Inspection by Contractor

The undersigned Contractor agrees that he has carefully inspected all Contract Documents and is familiar with same; the Contractor agrees that he is responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and under-ground obstructions and nature thereof, the nature of the groundwater conditions and other physical characteristics of the work and work area in order that he may include in the prices which he has bid and the prices of the Contract, all costs pertaining to the work and thereby provide for the satisfactory completion thereof and determination of the Contract prices herein agreed upon, and that this Contract price is based upon these inspections and examination.

ARTICLE V: Liquidated Damages

If the work is not completed within the time specified in Article III of this Contract, the Contractor shall pay the Owner, as liquidated damages, the sum of **ONE HUNDRED FIFTY DOLLARS ($150)** for each consecutive calendar day thereafter until the work is completed, and as outlined in the Supplemental General Conditions.

ARTICLE VI: Right to Require Performance

The failure of the City at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the City thereafter to enforce same or be considered a waiver of such provision, nor shall a waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

ARTICLE VII: Component Parts of the Contract

This Contract consists of the following Contract Documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

- City Advertised Bid w Addendums
- Construction Specifications
- Drawings
- Awarded Bid Proposal
- Bid Bond

The Contractor must provide the following documents within fourteen (14) days upon acceptance of the bid by City Commission. All of which are familiar to the Contractor and are component parts of the contract.

- Certificate of Insurance
- Performance/Payment Bond

Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

DRAFT

ARTICLE VIII: Severability

Should any term, covenant, condition, provision or sentence or part thereof of this Contract, including all Contract Documents which comprise the entire agreement, be held invalid or unenforceable by any court of competent jurisdiction, the remaining terms and provisions shall nevertheless remain in full force and effect.

ARTICLE IX: Force Majeure

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God
b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)
c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest
d) Government order or law
e) Actions, embargoes or blockades in effect on or after the date of this Agreement
f) Action by any governmental authority
g) National or regional emergency
h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and
i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement

ARTICLE X: Human Trafficking

This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided the Human Trafficking Affidavit.

Executive Order 11246

SOURCE: The following is the text of Executive Order 11246 of September 28, 1965, as it appears at 30 FR 12319, 12935, 3 CFR, 1964-1965 Comp., p.339, unless otherwise noted.

Under and by virtue of the authority vested in me as President of the United States by the Constitution and statutes of the United States, it is ordered as follows:

Part I — Nondiscrimination in Government Employment

[Part I superseded by EO 11478 of Aug. 8, 1969, 34 FR 12985, 3 CFR, 1966-1970 Comp., p. 803]

Part II - Nondiscrimination in Employment by Government Contractors and Subcontractors

Subpart A - Duties of the Secretary of Labor

SEC. 201. The Secretary of Labor shall be responsible for the administration and enforcement of Parts II and III of this Order. The Secretary shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to achieve the purposes of Parts II and III of this Order.

[Sec. 201 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

Subpart B - Contractors' Agreements

SEC. 202. Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advancements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

4. The contractor will comply with afl provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States." [Sec. 202 amended by EO 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684, EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 203.

a. Each contractor having a contract containing the provisions prescribed in Section 202 shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.

b. Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.

c. Whenever the contractor or subcontractor has a collective bargaining agreement or other contract or understanding with a labor union or an agency referring workers or providing or supervising apprenticeship or training for such workers, the Compliance Report shall include such information as to such labor union's or agency's practices and policies affecting compliance as the Secretary of Labor may prescribe: Provided, That to the extent such information is within the exclusive possession of a labor union or an agency referring workers or providing or supervising apprenticeship or training and such labor union or agency shall refuse to furnish such information to the contractor, the contractor shall so certify to the Secretary of Labor as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

d. The Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with which the bidder or prospective contractor deals, with supporting information, to the effect that the signer's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this Order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the Secretary of Labor may require.

[Sec. 203 amended by EO 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684; EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 204

a. The Secretary of Labor may, when the Secretary deems that special circumstances in the national interest so require, exempt a contracting agency from the requirement of including any or all of the provisions of Section 202 of this **Order** in any specific contract, subcontract, or purchase **order**.

b. The Secretary of Labor may, by rule or regulation, exempt certain classes of contracts, subcontracts, or purchase orders (1) whenever work is to be or has been performed outside the United States and no recruitment of workers within the limits of the United States is involved; (2) for standard commercial supplies or raw materials; (3) involving less than specified amounts of money or specified numbers of workers; or (4) to the extent that they involve

subcontracts below a specified tier.

c. Section 202 of this **Order** shall not apply to a Government contractor or subcontractor that is a religious corporation, association, educational institution, or society, with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities. Such contractors and subcontractors are not exempted or excused from complying with the other requirements contained in this **Order**.

d. The Secretary of Labor may also provide, by rule, regulation, or order, for the exemption of facilities of a contractor that are in all respects separate and distinct from activities of the contractor related to the performance of the contract: provided, that such an exemption will not interfere with or impede the effectuation of the purposes of this **Order**: and provided further, that in the absence of such an exemption all facilities shall be covered by the provisions of this **Order**."

[Sec. 204 amended by EO 13279 of Dec. 16, 2002, 67 FR 77141, 3 CFR, 2002 Comp., p. 77141 - 77144]

Subpart C - Powers and Duties of the Secretary of Labor and the Contracting Agencies

SEC. 205. The Secretary of Labor shall be responsible for securing compliance by all Government contractors and subcontractors with this Order and any implementing rules or regulations. All contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.

[Sec. 205 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 206.

a. The Secretary of Labor may investigate the employment practices of any Government contractor or subcontractor to determine whether or not the contractual provisions specified in Section 202 of this Order have been violated. Such investigation shall be conducted in accordance with the procedures established by the Secretary of Labor.

b. The Secretary of Labor may receive and investigate complaints by employees or prospective employees of a Government contractor or subcontractor which allege discrimination contrary to the contractual provisions specified in Section 202 of this Order.

[Sec. 206 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 207. The Secretary of Labor shall use his/her best efforts, directly and through interested Federal, State, and local agencies, contractors, and all other available instrumentalities to cause any labor union engaged in work under Government contracts or any agency referring workers or providing or supervising apprenticeship or training for or in the course of such work to cooperate in

the implementation of the purposes of this Order. The Secretary of Labor shall, in appropriate cases, notify the Equal Employment Opportunity Commission, the Department of Justice, or other appropriate Federal agencies whenever it has reason to believe that the practices of any such labor organization or agency violate Title VI or Title VII of the Civil Rights Act of 1964 or other provision of Federal law.

[Sec. 207 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 208.

a. The Secretary of Labor, or any agency, officer, or employee in the executive branch of the Government designated by rule, regulation, or order of the Secretary, may hold such hearings, public or private, as the Secretary may deem advisable for compliance, enforcement, or educational purposes.

b. The Secretary of Labor may hold, or cause to be held, hearings in accordance with Subsection of this Section prior to imposing, ordering, or recommending the imposition of penalties and sanctions under this Order. No order for debarment of any contractor from further Government contracts under Section 209(6) shall be made without affording the contractor an opportunity for a hearing.

Subpart D - Sanctions and Penalties

SEC. 209. In accordance with such rules, regulations, or orders as the Secretary of Labor may issue or adopt, the Secretary may:

1. Publish, or cause to be published, the names of contractors or unions which it has concluded have complied or have failed to comply with the provisions of this Order or of the rules, regulations, and orders of the Secretary of Labor.
2. Recommend to the Department of Justice that, in cases in which there is substantial or material violation or the threat of substantial or material violation of the contractual provisions set forth in Section 202 of this Order, appropriate proceedings be brought to enforce those provisions, including the enjoining, within the limitations of applicable law, of organizations, individuals, or groups who prevent directly or indirectly, or seek to prevent directly or indirectly, compliance with the provisions of this Order.

3. Recommend to the Equal Employment Opportunity Commission or the Department of Justice that appropriate proceedings be instituted under Title VII of the Civil Rights Act of 1964.

4. Recommend to the Department of Justice that criminal proceedings be brought for the furnishing of false information to any contracting agency or to the Secretary of Labor as the case may be.

5. After consulting with the contracting agency, direct the contracting agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with equal

employment opportunity provisions of the contract. Contracts may be cancelled, terminated, or suspended absolutely or continuance of contracts may be conditioned upon a program for future compliance approved by the Secretary of Labor.

6. Provide that any contracting agency shall refrain from entering into further contracts, or extensions or other modifications of existing contracts, with any noncomplying contractor, until such contractor has satisfied the Secretary of Labor that such contractor has established and will carry out personnel and employment policies in compliance with the provisions of this Order.

(b) Pursuant to rules and regulations prescribed by the Secretary of Labor, the Secretary shall make reasonable efforts, within a reasonable time limitation, to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation, and persuasion before proceedings shall be instituted under subsection (a)(2) of this Section, or before a contract shall be cancelled or terminated in whole or in part under subsection (a)(5) of this Section.

[Sec. 209 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 210. Whenever the Secretary of Labor makes a determination under Section 209, the Secretary shall promptly notify the appropriate agency. The agency shall take the action directed by the Secretary and shall report the results of the action it has taken to the Secretary of Labor within such time as the Secretary shall specify. If the contracting agency fails to take the action directed within thirty days, the Secretary may take the action directly.

[Sec. 210 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p 230]

SEC. 211. If the Secretary shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless the bidder or prospective contractor has satisfactorily complied with the provisions of this Order or submits a program for compliance acceptable to the Secretary of Labor.

[Sec. 211 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 212. When a contract has been cancelled or terminated under Section 209(a)(5) or a contractor has been debarred from further Government contracts under Section 209(a)(6) of this Order, because of noncompliance with the contract provisions specified in Section 202 of this Order, the Secretary of Labor shall promptly notify the Comptroller General of the United States.

[Sec. 212 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

Subpart E - Certificates of Merit

SEC. 213. The Secretary of Labor may provide for issuance of a United States Government Certificate of Merit to employers or labor unions, or other agencies which are or may hereafter be engaged in work under Government contracts, if the Secretary is satisfied that the personnel and employment practices of the employer, or that the personnel, training, apprenticeship, membership,

grievance and representation, upgrading, and other practices and policies of the labor union or other agency conform to the purposes and provisions of this Order.

SEC. 214. Any Certificate of Merit may at any time be suspended or revoked by the Secretary of Labor if the holder thereof, in the judgment of the Secretary, has failed to comply with the provisions of this Order.

SEC. 215. The Secretary of Labor may provide for the exemption of any employer, labor union, or other agency from any reporting requirements imposed under or pursuant to this Order if such employer, labor union, or other agency has been awarded a Certificate of Merit which has not been suspended or revoked.

Part III - Nondiscrimination Provisions in Federally Assisted Construction Contracts

SEC. 301. Each executive department and agency, which administers a program involving Federal financial assistance shall require as a condition for the approval of any grant, contract, loan, insurance, or guarantee thereunder, which may involve a construction contract, that the applicant for Federal assistance undertake and agree to incorporate, or cause to be incorporated, into all construction contracts paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to such grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the provisions prescribed for Government contracts by Section 202 of this Order or such modification thereof, preserving in substance the contractor's obligations thereunder, as may be approved by the Secretary of Labor, together with such additional provisions as the Secretary deems appropriate to establish and protect the interest of the United States in the enforcement of those obligations. Each such applicant shall also undertake and agree (1) to assist and cooperate actively with the Secretary of Labor in obtaining the compliance of contractors and subcontractors with those contract provisions and with the rules, regulations and relevant orders of the Secretary, (2) to obtain and to furnish to the Secretary of Labor such information as the Secretary may require for the supervision of such compliance, (3) to carry out sanctions and penalties for violation of such obligations imposed upon contractors and subcontractors by the Secretary of Labor pursuant to Part II, Subpart D, of this Order, and (4) to refrain from entering into any contract subject to this Order, or extension or other modification of such a contract with a contractor debarred from Government contracts under Part II, Subpart D, of this Order.

[Sec. 301 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 302.

a. "Construction contract" as used in this Order means any contract for the construction, rehabilitation, alteration, conversion, extension, or repair of buildings, highways, or other improvements to real property.

b. The provisions of Part II of this Order shall apply to such construction contracts, and for purposes of such application the administering department or agency shall be considered the

contracting agency referred to therein.

c. The term "applicant" as used in this Order means an applicant for Federal assistance or, as determined by agency regulation, other program participant, with respect to whom an application for any grant, contract, loan, insurance, or guarantee is not finally acted upon prior to the effective date of this Part, and it includes such an applicant after he/she becomes a recipient of such Federal assistance.

SEC. 303.

a. The Secretary of Labor shall be responsible for obtaining the compliance of such applicants with their undertakings under this Order. Each administering department and agency is directed to cooperate with the Secretary of Labor and to furnish the Secretary such information and assistance as the Secretary may require in the performance of the Secretary's functions under this Order.

b. In the event an applicant fails and refuses to comply with the applicant's undertakings pursuant to this Order, the Secretary of Labor may, after consulting with the administering department or agency, take any or all of the following actions: (1) direct any administering department or agency to cancel, terminate, or suspend in whole or in part the agreement, contract or other arrangement with such applicant with respect to which the failure or refusal occurred; (2) direct any administering department or agency to refrain from extending any further assistance to the applicant under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received by the Secretary of Labor from such applicant; and (3) refer the case to the Department of Justice or the Equal Employment Opportunity Commission for appropriate law enforcement or other proceedings.

c. In no case shall action be taken with respect to an applicant pursuant to clause (1) or (2) of subsection (b) without notice and opportunity for hearing.

[Sec. 303 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 304. Any executive department or agency which imposes by rule, regulation, or order requirements of nondiscrimination in employment, other than requirements imposed pursuant to this Order, may delegate to the Secretary of Labor by agreement such responsibilities with respect to compliance standards, reports, and procedures as would tend to bring the administration of such requirements into conformity with the administration of requirements imposed under this Order: Provided, That actions to effect compliance by recipients of Federal financial assistance with requirements imposed pursuant to Title VI of the Civil Rights Act of 1964 shall be taken in conformity with the procedures and limitations prescribed in Section 602 thereof and the regulations of the administering department or agency issued thereunder.

Part IV - Miscellaneous

SEC. 401. The Secretary of Labor may delegate to any officer, agency, or employee in the Executive branch of the Government, any function or duty of the Secretary under Parts II and III of this Order.

[Sec. 401 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 402. The Secretary of Labor shall provide administrative support for the execution of the program known as the "Plans for Progress."

SEC. 403.

a. Executive Orders Nos. 10590 (January 19, 1955), 10722 (August 5, 1957), 10925 (March 6, 1961), 11114 (June 22, 1963), and 11162 (July 28, 1964), are hereby superseded and the President's Committee on Equal Employment Opportunity established by Executive Order No. 10925 is hereby abolished. All records and property in the custody of the Committee shall be transferred to the Office of Personnel Management and the Secretary of Labor, as appropriate.

b. Nothing in this Order shall be deemed to relieve any person of any obligation assumed or imposed under or pursuant to any Executive Order superseded by this Order. All rules, regulations, orders, instructions, designations, and other directives issued by the President's Committee on Equal Employment Opportunity and those issued by the heads of various departments or agencies under or pursuant to any of the Executive orders superseded by this Order, shall, to the extent that they are not inconsistent with this Order, remain in full force and effect unless and until revoked or superseded by appropriate authority. References in such directives to provisions of the superseded orders shall be deemed to be references to the comparable provisions of this Order.

[Sec. 403 amended by EO 12107 of Dec. 28, 1978, 44 FR 1055, 3 CFR, 1978 Comp., p, 264]

SEC. 404. The General Services Administration shall take appropriate action to revise the standard Government contract forms to accord with the provisions of this Order and of the rules and regulations of the Secretary of Labor.

SEC. 405. This Order shall become effective thirty days after the date of this Order.

FEDERAL CONTRACT PROVISIONS

In addition to any other provisions required herein, the following provisions apply, as applicable.

All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

1. **Equal Employment Opportunity**. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor**."** ***Contractor must complete enclosed certification***

2. **Davis-Bacon Act**, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

3. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708)**. Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

4. **Rights to Inventions Made Under a Contract or Agreement**. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding

agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

5. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387)**, as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office ofthe Environmental Protection Agency (EPA).

6. **Debarment and Suspension (Executive Orders 12549 and 12689)**—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. ***Contractor must complete enclosed certification***

7. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—**Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non- Federal award. ***Contractor must complete enclosed certification***

8. **Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms. See 2 CFR 200.321.**
   (a) The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area □rms are used when possible.

   (b) Affirmative steps must include:
      1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
      2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
      3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
      4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
      5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
      6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmation steps listed in paragraphs (b)(1) through (5) of this section.

9. **Procurement of recovered materials. See 2 CFR 200.323.**

   A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the

Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

10. Prohibition on certain telecommunications and video surveillance services or equipment. See 2 CFR 200.216.

Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

Procure or obtain;

Extend or renew a contract to procure or obtain; or

Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Telecommunications or video surveillance services provided by such entities or using such equipment.

Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

See Public Law 115-232, section 889 for additional information.

11. Telecommunication costs and video surveillance costs. See 2 CFR 200.471.

Costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, cloud servers are allowable except for the following circumstances:
Obligating or expending covered telecommunications and video surveillance services or equipment or services as described in §200.216 to:

Procure or obtain, extend or renew a contract to procure or obtain;

Enter into a contract (or extend or renew a contract) to procure; or

Obtain the equipment, services, or systems.

12. Domestic preferences for procurements. See 2 CFR 200.322.

(a) As appropriate and to the extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

(b) For purposes of this section:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

(c) Federal agencies providing Federal financial assistance for infrastructure projects must implement the Buy America preferences set forth in 2 CFR part 184.

13. Energy Policy and Conservation Act

The Contractor agrees to comply with the mandatory standards and policies relating to energy efficiency contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 U.S.C. 6201.

14. Civil Rights

The following requirements will apply to the Contract and any subcontracts:

(a) Age. In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(b) Disabilities. In accordance with Section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F .R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

15. Access to Records

The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

16. Compliance with Federal Law, Regulation and Executive Orders

The Contractor agrees to comply with all applicable federal law, regulations and executive orders.

17. No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

18. Program Fraud and False or Fraudulent Statements or Related Acts

The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

19. Termination By Contractor For Cause

(a) The contractor may terminate this Agreement only if the City fails to pay the contractor in accordance with this Agreement.

(b) In the event of the cause described in Subsection (a), the contractor shall send a certified letter requesting that the City show cause why the Agreement should not be terminated. If adequate assurances are not given to the contractor within fifteen (15) days of the receipt by the City of said show cause notice, then the contractor may consider the City to be in default, and may immediately terminate this Agreement.

20. Termination By The City For Convenience And Without Cause

(a) Notwithstanding any other provision of this Agreement, the City shall have the right at any time to terminate this Agreement in its entirely without cause, or terminate any specific Purchase/Work Order without cause, if such termination is deemed by the City to be in the public interest, in writing of deficiencies or default in the performance of its duties under the Agreement and the contractor shall have ten (10) days to correct same or to request, in writing, a hearing.

(b) Failure of the contractor to remedy said specified items of deficiency or default in the notice by either the City's designated representative within ten (10) days of receipt of such notice of such decisions, shall result in the termination of the Agreement, and the City shall be relieved of any and all responsibilities and liabilities under the terms and provisions of the Agreement.

(c) The City shall have the right to terminate this Agreement without cause with a one-hundred twenty (120) day written notice to the contractor. The City reserves the right to terminate any Agreement for cause with a five (5) day written notice to the contractor. Notice shall be served to the Parties as specified in the Agreement.

(d) In the event that this Agreement is terminated, the City shall identify any specific Purchase/Work Order(s) being terminated and the specific Purchase/Work Order(s) to be continued to completion pursuant to the provisions of this Agreement.

(e) This Agreement will remain in full force and effect as to all authorized Purchase/Work Order(s) that is/are to be continued to completion.

(f) In the event that after the City's termination for cause for failure of the contractor to fulfill its obligations under this Agreement it is found that the contractor has not so failed, the termination shall be deemed to have been for convenience and without cause.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)
(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acquisition.gov/far/index.html see section 52.209-6.

The Contractor _____ certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

   This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

   The Contractor _____ certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See **Specific Instructions** on page 2.

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ .....
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.)

Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here **Signature of U.S. person ▶** **Date ▶**

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by _____
(Print Individual's Name and Title)
for _____
(Print Name of Entity Submitting Sworn Statement)
whose business is _____

and (if applicable) its Federal Employer Identification Number (FEIN) is _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: _____

Consultant E-Verify Registration Number: _____

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we _____ ,

(hereinafter called Principal) and _____
(hereinafter called the Surety) a corporation chartered and existing under the Laws of the State of_____, with its principal offices in the City of _____, authorized to do business in the State of Florida, in the full and just sum of _____ Dollars ($_____), good and lawful money of the United State of America, to be paid upon demand of the _____, Florida, to which payment well and truly to be made we bind ourselves, our heirs, executors, administrators, and assigns, jointly and severally and firmly by these presents,

WHEREAS, the Principal is about to submit, or has submitted to the _____, Florida, a bid for the construction of _____in, and for the said City, and

WHEREAS, the Principal desires to file this bond in accordance with the law, in lieu of a Certified or Cashier's Check otherwise required to accompany this Bid,

NOW, THEREFORE, the conditions of this obligation are such that if the Bid be accepted, the Principal shall within ten (10) days after the receipt of notification of the acceptance thereof, execute a contract in accordance with the Bid and upon the terms, conditions and unit or lump sum prices set forth therein, in the form and manner required by the Owner, and execute a sufficient and satisfactory Contract Bond payable to the Owner, in an amount not less than the total contract price, as indicated by the approximate quantities shown in the Bid, in form and with security satisfactory to the said City, then this obligation to be void; otherwise to be and remain in full force and virtue in law; and the Surety shall upon the failure of the Principal to comply with any or all of the foregoing requirements within the time specified above, immediately pay to the aforesaid City upon demand the amount hereof in good and lawful money of the United States of America, not as a penalty, but as liquidated damages.

IN TESTIMONY WHEREOF, the Principal and Surety have caused these presents to be duly signed and sealed this _____ day of _____, 20_____.

NOTE TO CONTRACTOR:

THESE DRAWINGS AND THE PROJECT SPECIFICATIONS ARE COMPLEMENTARY, AND ANY REQUIREMENT OF ONE SHALL BE A REQUIREMENT OF THE OTHER. IT IS THE CONTRACTOR'S RESPONSIBILITY TO EXAMINE THE DRAWINGS AND SPECIFICATIONS AND TO COMPARE THE REQUIREMENTS OF EACH DIVISION AND ENSURE THAT EACH TRADE OR SUBCONTRACTOR IS MAKING THE ALLOWANCES NECESSARY TO PROVIDE THE OWNER A COMPLETE FACILITY, OPERATIONAL IN ALL RESPECTS, UNLESS OTHERWISE SPECIFICALLY STATED IN THE DRAWINGS OR PROJECT MANUAL.

IT IS ALSO THE CONTRACTOR'S RESPONSIBILITY TO NOTIFY THE ENGINEER OF RECORD (EOR) OF ANY DEFICIENCIES OR DISCREPANCIES AMONG THE DIVISIONS OF THE DRAWING AND SPECIFICATIONS PRIOR TO THE DEADLINE FOR BID SUBMITTAL. NEITHER THE OWNER OR ENGINEER WILL BE RESPONSIBLE FOR ANY DEFICIENCIES OR DISCREPANCIES RAISED AFTER THE BID OPENING. ACCORDINGLY, IN LIGHT OF THESE OBLIGATIONS, THE ENGINEER IS OBLIGATED TO INTERPRET THE DRAWINGS SPECIFICATIONS IN A MANNER THAT WILL PROVIDE THE OWNER WITH A COMPLETE, FUNCTIONING FACILITY FOR THE BID PRICE.

ENGINEER CERTIFICATION:

I HEREBY CERTIFY THAT I AM A REGISTERED PROFESSIONAL ENGINEER IN THE STATE OF FLORIDA PRACTICING WITH DMC, DREDGING & MARINE CONSULTANTS LLC, A CORPORATION, AUTHORIZED TO OPERATE AS AN ENGINEERING BUSINESS, CERTIFICATE OF AUTHORIZATION # 9410, BY THE STATE OF FLORIDA DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION, AND THAT I, OR OTHERS UNDER MY DIRECT SUPERVISION, HAVE PREPARED OR APPROVED THE EVALUATIONS, FINDINGS, OPINIONS, CALCULATIONS, CONCLUSIONS OR TECHNICAL ADVICE HEREBY REPRESENTED BY THESE DRAWINGS.

PLACEMENT ADDRESS:
1292 TURNBULL BAY ROAD,
NEW SMYRNA BEACH, FL 32168

DREDGE DISPOSAL PLAN
1" = 60'

BERM CROSS-SECTION
1" = 5'

NOTES:
1. THIS SITE USAGE MAY BE MONITORED BY CITY OF NEW SMYRNA BEACH AND PLACEMENT OF MATERIAL MAY BE SUBJECT TO CHANGE. CONTRACTOR IS RESPONSIBLE FOR PROVIDING PERSONNEL, EQUIPMENT AND ALL SUPPLIES FOR CLEARING AND GRUBBING, PLACEMENT AND GRADING OF MATERIAL, ALL MAINTENANCE OF TRAFFIC, AND HAULING OF ANY UNDESIRABLE MATERIAL OFF SITE. ANY MATERIALS SPILLED SHALL BE CLEARED IMMEDIATELY AT NO COST TO THE CITY. ALL DISTURBED AREAS AND NEW BERM MATERIAL WILL BE TREATED WITH LIME, SEEDED AND MULCHED FOR SEED GERMINATION. CONTRACTOR WILL BE RESPONSIBLE FOR WATERING AS NEEDED. SEED MIX WILL BE 50 LBS/ACRE BAHIA GRASS, 50 LBS/ACRE BERMUDA GRASS, AND 50 LBS/ACRE BROWN TOP.
2. MULCHES SHALL BE DRY PRODUCTS. THE STANDARD APPLICATION RATE OF STRAW/HAY MULCH IS MINIMUM 2.0 TONS/ACRE WITH 80% TO 100% GROUND COVERAGE OF MATERIAL HAVING MINIMUM FIBER LENGTHS OF 6 INCHES TO 8 INCHES. DRY MULCHES MUST BE HELD IN PLACE, USUALLY CRIMPING, WHICH FORCES, OR PUNCHES, FIBERS INTO THE GROUND BY USE OF WEIGHTED DISK.
3. FROM PLACEMENT TO CONSTRUCTION OF BERMS, THE CONTRACTOR SHALL BE RESPONSIBLE FOR DUST CONTROL USING WATER OR OTHER ACCEPTABLE MEAN UNTIL GRASS COVER IS ESTABLISHED.
4. BALANCE OF DEWATERED DREDGE MATERIAL TO BE PLACED WITHIN BERM AREA ONCE BERM CONSTRUCTION IS COMPLETE. PLACEMENT TO BE PER CITY DIRECTION.
5. ALL VEGETATION TO BE CLEARED AND GRUBBED SHALL BE MULCHED AND STOCKPILED AT SITE.

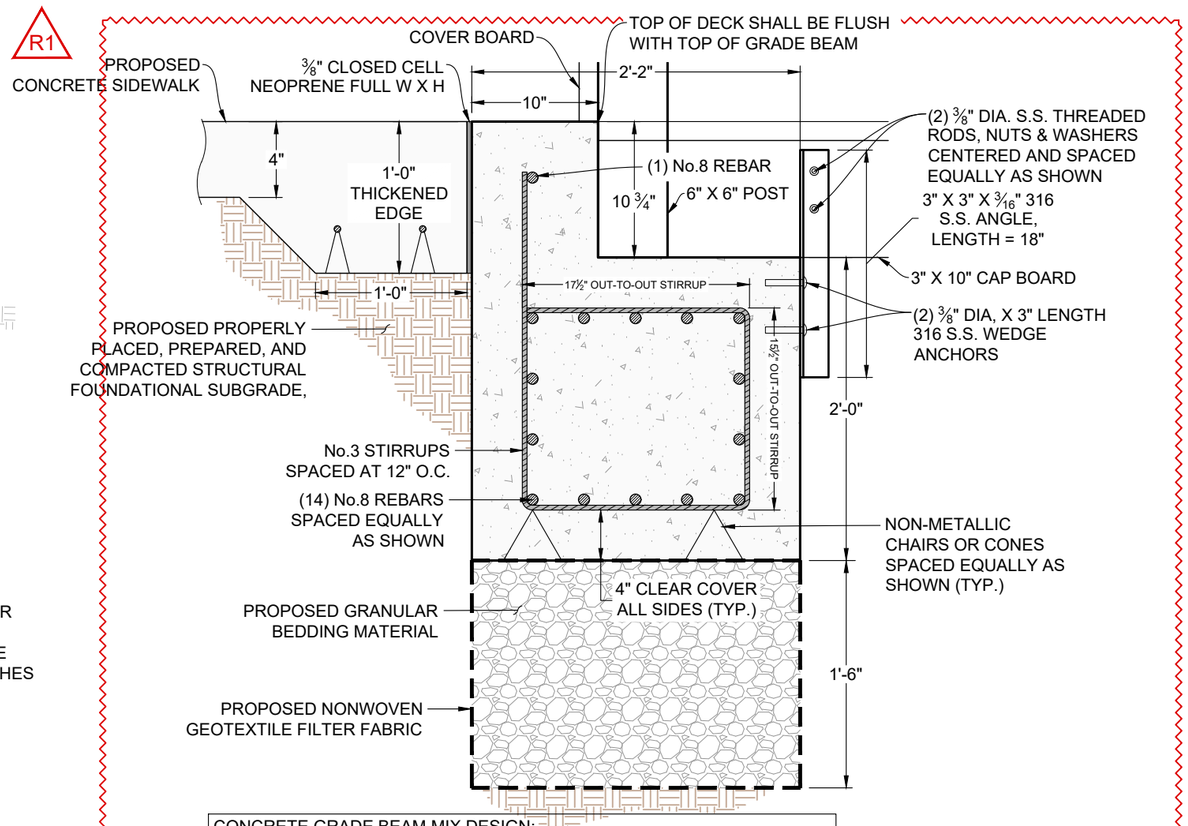
CONTRACTION JOINT



EXPANSION JOINT

CONCRETE SIDEWALK NOTES:

1. THE BEARING SUBGRADE SHALL HAVE ALL ORGANIC, LOOSE, AND DELETERIOUS MATTER REMOVED AND THE REMAINING CLEAN SOIL SHALL BE SMOOTH, SOUND AND SOLID. COMPACT TO 98% MODIFIED PROCTOR PER AASHTO T-180. ANY FILL MATERIAL SHALL BE COMPACTED WITH A VIBRATORY OR IMPACT COMPACTION MACHINE IN MAXIMUM 12 INCHES LIFTS OR COMPACTED WITH A HAND TAMPER IN MAXIMUM 4 INCH LIFTS TO 98% PER AASHTO T-180.
2. MINIMUM 28 DAY CONCRETE COMPRESSIVE STRENGTH f'c = 4,500 PSI.
3. LARGE AND SMALL ANGULAR AGGREGATE. NO PEA GRAVEL.
4. REINFORCED WITH 1.5 LBS. PER CUBIC YARD. FIBERMESH 150 VIRGIN HOMOPOLYMER POLYPROPYLENE MULTIFILAMENT FIBERS CONTAINING NO OLEFIN MATERIALS.
5. 1½" DEEP CONTRACTION JOINTS AS-SHOWN.
6. EXPANSION JOINTS SHALL BE PLACED AS SHOWN ON THE PLANS AND SHALL BE CLOSED-CELL NEOPRENE, FULL W X H
7. OTHER NOTES SEE "GENERAL NOTES - CONCRETE SIDEWALK" SHEET C-26.

SIDEWALK DETAILS

N.T.S.

CONCRETE GRADE BEAM MIX DESIGN:

1. MINIMUM 28 DAY CONCRETE COMPRESSIVE STRENGTH f'c= 6,000 psi
2. WATER-CEMENT RATIO w/c ≤ 0.40
3. 6% MICROSILICA
4. NO PEA GRAVEL

ALL OTHER SPECIFICATIONS, SEE GENERAL NOTE SHEET C-26

NOTE:

1. CONTRACTOR TO FIELD VERIFY ALL ELEVATIONS PRIOR TO PLACEMENT OF CONCRETE GRADE BEAM.

Drawing Name: C:\Users\DMC-CAD\Dredging & Marine Consultants\DMC - Documents\DMC Projects\128 - City of New Smyrna Beach\23-128-11 North Causeway Boat Ramp Facility Improvements\Drawings\North Causeway Boat Ramp_100.dwg By: DMC-CAD Tab: 23-GANGWAY 2/10/2025

IMPORTANT NOTES TO BIDDERS:

1. The Contractor shall keep a pile driving log as specified in the plans and may not cut off piles until the Engineer has given approval to do so. The Contractor must provide advanced notification of a request to cut off piles so that the Engineer may make field observations, if necessary. The Engineer will not make a structure certification if the Contractor does not comply with this requirement. If vibratory hammer equipment is used to install piles, the time needed to hammer each pile shall be recorded.
2. The Contractor shall retain all material delivery tickets, material testing reports and cut-sheets/shop drawings for manufactured products for the project and provide copies to the Engineer on a weekly basis. The Engineer will not make a structure certification if the Contractor does not comply with this requirement.
3. The Engineer must be given advanced notice of the critical stages of construction including but not limited to initial construction stakeout, Type II floating turbidity barrier placement, false-work, dredging, first pile driving, initial framing of timber docks, placement of gangways and floating docks, forming of concrete, etc. The Engineer will not make a structural certification if the Contractor does not comply with this requirement.
4. The location of existing utilities, utility services, facilities, and structural features shown on these plans has been determined from the information available at the time of the preparation of these plans, but do not purport to be absolutely correct and are provided for only the convenience of the Contractor. Any inaccuracy or omission in such information shall not relieve the Contractor of its responsibility to protect the existing features from damage and unscheduled interruption of service or from the responsibility to relocate utilities are required. Should a discrepancy arise between these plans and actual field conditions which would appreciably affect the execution of the plans the Contractor shall stop construction and notify the County and utility or facility owner immediately. The Contractor shall verify, prior to construction, the exact location, elevation, dimensions of all existing utilities, facilities, structures, and other features (whether or not shown in the plans). The Contractor shall be solely responsible for coordination of any utilities to be adjusted by others for the construction of this project and shall coordinate with other utilities and entitles as required to ensure the successful implementation of this project.
5. A pre-construction meeting must be scheduled before start of construction and all parties are to attend including: Owner or Owner's Representative, Engineer, Prime Contractor, Subcontractor(s), Surveyor, Applicable Tradesmen, etc. The Engineer will lead the meeting and provide a list of critical items to discuss. Any work performed on site, without approval from the engineer of record and the owner, prior to the pre-construction meeting will be at the contractors expense.

GENERAL:

1. Owner hereinafter refers to Owner's Representative, City, County, Town, Developer or Private Entity.
2. All elevations in the project plans are referenced to feet North Atlantic Vertical Datum 1988 (NAVD 88) and Mean Low Water (MLW).
3. The project shall be straight, plumbed, level, and elevations are correct as shown in plans.
4. Any deviation from these plans, notes or specifications must be approved in writing by the Owner or Engineer, or else the deviation will be considered construction non-compliant with the plans and specifications.
5. Any discrepancies amongst the plans, notes, specifications and other bid documents must be resolved in writing by the Owner or Engineer prior to continuing the work in question.
6. These plans, notes and specifications, along with the other components of the project bidding documents, constitute the only instructions to bidders/contractors, unless written addenda are issued.
7. All construction, manufacturing, fabrication and testing of materials shall be performed under the guidelines set forth in applicable local, state and federal codes, and/or under recommendations provided in technical publications of respected professional or industry organizations. Material testing programs, where applicable, shall be presented to the Engineer for review and approval prior to construction.
8. All products constructed or manufactured/supplied for the project shall be accompanied by industry acceptable warranties or guarantees.
9. For the purpose of these specifications. "Project Completion" is defined as completion of an agreed upon list of punchlist items compiled in a planned project walkthrough held at a time the Contractor considers the project to be "Substantially Complete". The Contractor shall notify the Owner and Engineer at least 72 hours in advance of substantial completion and schedule a mutually agreeable walkthrough.
10. A portion of the site lies within flood zones “AE" with a base flood elevation of 5.0 as indicated on Federal Emergency Management Agency Flood Insurance Rate Map Community Panel No.12127C0541J dated September 29, 2017.
11. Any materials interfering with construction, and all abandoned utility lines, pipes, structures and other subterranean objects to be removed, shall be disposed of as directed by the Owner. All materials not claimed by the Owner shall be disposed of at the Contractor's expense in areas provided by the Contractor.
12. The Contractor shall endeavor to protect private property. Any damage caused by the Contractor in the performance of his work shall be corrected to the satisfaction of the Engineer at the Contractor's expense. Payment shall not be made for this work.
13. Any damage to state, county, or local roads caused by the Contractor's hauling or excavation equipment shall be repaired by the Contractor to the satisfaction of the Engineer. Payment shall not be made for this work.
14. The construction lengths indicated in these plans are approximate. Actual limits may be set in the fields as directed by the Engineer.
15. During land alteration and construction activities, it shall be unlawful to remove vegetation by grubbing, or to place soil deposits, debris, solvents, construction material, machinery or other equipment of any kind within the dripline of a tree to remain on site unless approved by the Engineer.
16. All trimming undertaken on a tree protected by provisions of the land development code shall be pruned in accordance with the National Arborist Association (NAA) Pruning Standards.
17. The Owner and the Engineer reserve the right to perform quality assurance testing on all materials delivered to project and to reject all materials not meeting acceptable standards.
18. The Contractor shall be responsible for the complete stake-out of the project, i.e., line, grade, slope stake, utility relocations or any other stake-out that may be required to complete the project in accordance with the plans and specifications. Any and all expenses incurred for this work shall be included in the unit price bid for other items. No additional payment shall be made for this work. Contractor shall also be required to provide a certified as-built survey of the grading, drainage and earthwork improvements and meet any minimum requirements of Owner.
19. Overall cleanup shall be accomplished by the Contractor in accordance with Owner standards or as directed by the Engineer. Any and all expenses incurred for this work shall be included in the unit price bid for other items.
20. If, during construction activities, any evidence of historic resources including, but not limited to, aboriginal or historic pottery, prehistoric stone tools, bone or shell tools, historic trash pits, or historic building foundations are discovered, work shall come to an immediate stop and the client and the Florida Division of Historical Resources shall be notified within two working days.
21. All materials and construction shall be in accordance with the more stringent of the current FDOT Standards and Specifications or City of New Smyrna Beach Standards and Specifications.
22. Contractor shall be responsible for independently calculating all quantities for the project including earthwork. It is the Contractors responsibility to verify the Engineers estimated quantities included on the bid schedule.
23. The Contractor shall provide pumping equipment and devices to properly remove and dispose of water during construction, if needed.
24. Refer to construction pollution prevention plan for erosion control notes.

SURVEY INFORMATION:

Topographic information shown hereon from survey performed by Arc Surveying, Inc. on June 20, 2023, is in referenced to the North American Vertical Datum 1988 (NAVD 88) and Mean Low Water (MLW).

SOIL BORINGS:

Structural calculations based on the Geotechnical Engineering Evaluation, dated March 5, 2024 by Universal Engineering Sciences, LLC. The Geotechnical Report has a total of eight borings, B-1, B-2, B-3, B-4, B-5, B-6, B-7 and B-8. Refer to the Geotechnical Report.

ENVIRONMENTAL AND PERMITS:

1. The U.S. Army Corps of Engineers (USACE), Florida Department of Environmental Protection (FDEP) and the local city or county may exert jurisdiction over construction of the project. The Contractor shall be responsible to understand and comply with all applicable permit conditions imposed by the jurisdictional agencies, if permits are necessary. The Contractor is responsible for all permits required for construction, including but not limited to mangrove trimming, mangrove removal, etc. as stated in the USACE and FDEP permits indicated on the cover sheet of this plan set.
2. Contractor must comply with general state water quality standards for siltation and guidelines for encounters with threatened and endangered species.
3. All building and construction-related permits from the local (city or county) or state authorities are the responsibility of the Contractor.
4. The Contractor shall be responsible for penalties and/or fines levied due to work that is not in accordance with permit conditions.
5. National Marine Fisheries Services has special conditions for manatees. See sheet C-27 titled "Environmental Notes".

SUBMITTALS:

All submittals shall be made to the Engineer of Record for review and approval, in writing, prior to ordering and before construction. Submittals also include but are not limited to, shop drawings, mark-up drawings, sketches, cut-sheets, product literature, additional specifications, photographs and letters.

Submittals list:

1. Schedule for completion of work with tasks and durations defined.
2. Shipping, Stockpile and Site Administration Plan (SSSAP).
3. Temporary Traffic Control plan (TTC) for vehicles and pedestrians, including material deliveries, stockpile area(s), worker's parking and construction equipment.
4. Site-Specific Safety Plan shall be distributed and reviewed with all site workers prior to said workers commencing work on the project site. See "Site Safety" heading.
5. Complete list of required shop drawing submittals shall be provided by the Engineer at the pre-construction meeting.
6. Changes, alternates or other methods different from project plans must be approved, in writing, via submittals required by the Engineer and/or Owner.
7. After completing the punchlist in the field, the Contractor must submit a itemized punchlist, as-built survey and record drawings for final changes and the Engineer of Record approving in writing.
8. The Contractor shall be responsible for keeping a log of change orders, RFI's and shop drawings. The log shall be updated and available upon request.

INSPECTION COORDINATION:

1. The Engineer will be conducting routine observations and observations at critical stages of construction. A minimum of 72 hours notice shall be given to the Engineer prior to commencing the critical stages of construction. In general, critical stages are the initial work on the major structure components. Examples of critical stages of construction include but are not limited to: initial construction stakeout, Type II floating turbidity barrier placement, false-work, dredging, first pile driving, initial framing of timber docks, placement of gangways and floating docks, forming of concrete, etc.
2. The local city or county may perform their own construction observations in addition to the Engineer. No observers other than the Engineer or his/her designated representative shall have the authority to determine compliance with plans and specifications.
3. Other observers may relay information to the Engineer, but it will be the Contractor's ultimate responsibility to maintain contact and resolve disputes, questions, field changes, payment requests, etc. directly with the Owner or Engineer.

CONSTRUCTION SURVEYING:

1. Stake-out survey of the project is the responsibility of the Contractor. Beginning and end points will be provided by the Owner or Engineer in the project drawings.
2. The staked project must be approved by the Engineer prior to commencing construction. The Engineer reserves the right to make alignment changes based on conditions portrayed by the initial stakeout.
3. Methods and frequency of continuing stake-out during construction shall be submitted to the Engineer for approval prior to beginning construction.
4. The Contractor must perform an independent construction record survey (as-built survey) as a check for compliance at the end of the project. The record survey must be signed and sealed by a State of Florida Licensed Professional Surveyor. The record survey must be referenced to feet NAVD 88 and MLW.
5. The Prime Contractor is advised that certification of the project elevations and alignment is required by the Engineer for final acceptance of work.

SITE SAFETY:

The Contractor shall prepare and adhere to a Site-Specific Safety Plan. The contents of the plan are:

1. Identification of potential hazards and injuries pertaining to the specific site and project.
2. Location of nearest hospital.
3. Assure availability of at least one working cell phone and one vehicle on site at all times.
4. Emergency contacts within the Subcontractor's organization and at the Prime Contractor's organization.
5. All field personnel shall wear appropriate safety attire and utilize appropriate personal protection equipment for a given task/operation such as safety glasses/goggles, masks, shields, gloves, harnesses, hard hats, steel-toed boots,etc.
6. Safety kit shall be available onsite at all times with appropriate materials for potential hazards and injuries.
7. The Site-Specific Safety Plan shall be distributed and reviewed with all site workers prior to said workers commencing work on the project site.
8. The Contractor shall follow all applicable local, state, and federal codes regarding site safety.
9. The Contractor shall adjust the means and methods of this plan as appropriate for maintaining site and operational safety.

NEW SMYRNA BEACH

Drawing Name: C:\Users\DMC-CAD\Dredging & Marine Consultants\DMC - Documents\DMC Projects\128 - City of New Smyrna Beach\23-128-11 North Causeway Boat Ramp Facility Improvements\Drawings\North Causeway Boat Ramp_100.dwg By: DMC-CAD Tab: 24-G NOTES 1 2/10/2025

SITE MAINTENANCE:

1. The Contractor shall maintain a clean and neat site, void of loose debris, trash, remnant parts or materials.
2. Trash receptacles and removal service shall be maintained by the Contractor specifically for this project. Pre-existing trash/debris facilities shall not be used to maintain the project.
3. Temporary debris piles shall be limited in number as much as practical and contained in designated areas until removal. Debris and trash shall not be scattered in areas outside the limited designated areas at any time.
4. Removal of trash/debris shall be scheduled as appropriate to not allow piles to reach five-feet in height or greater than ten-feet in diameter. Debris individually larger than these dimensions shall be removed from the site within five working days. Receptacles shall not overflow at any time.
5. Where necessary, the Contractor shall employ a Temporary Traffic Control plan (TTC) for vehicles and pedestrians, including material deliveries, stockpile area(s), worker parking and construction equipment. The plan must be in writing, including sketches or drawings, and must be submitted to the Owner or Engineer for review and approval before commencement of any work.
6. The Contractor shall follow all applicable local, state and federal codes regarding site maintenance.

MOBILIZATION AND DEMOBILIZATION:

1. It is understood that this project will require work in and over water. Access to near water construction areas is required for material storing, hauling, erection and construction. All facilities, public or private, used for such purposes shall be repaired to their original condition following "Completion" of the project, including grade and topping (sod, tree/vegetation cover, established road, etc.)
2. The Contractor shall present a Shipping, Stockpile and Site Administration Plan (SSSAP) to the Owner or Engineer for approval. The plan shall be specific to the project requirements for the particular materials to be delivered to the site, describing delivery points, stockpile areas, temporary debris/trash storage areas, temporary field office (including utilities maintained there), fencing, security and a statement of commitment and details for maintaining safety on the site.
3. The Owner or Engineer shall have the right to exercise reasonable alterations or additions to the SSSAP.
4. It is the Contractor's responsibility to coordinate, and pay for, necessary utilities to occupy the site and perform the work.
5. The Contractor shall not demobilize until project completion, and all parties have agreed and signed off in writing.

TECHNICAL SPECIFICATIONS FOR SITE PLAN TESTING:

1. MATERIAL
   The inspection and testing of materials and finished articles to be incorporated in the work shall be made by bureaus, laboratories, or agencies approved by the Engineer of Record. The Contractor shall submit such samples, or such special or test pieces of materials as the Engineer of Record may require. The Contractor shall not incorporate any material or finished article into the work until the results of the inspections or tests are known and the Contractor has been notified by the Engineer of Record that the material or finished article is accepted. All materials must be of the specified quality and be equal to the approved sample if a sample has been submitted. Certified copies of all tests made shall be submitted to the Engineer of Record as well as to the Owner's designated site inspector. The Owner's designated site inspector must receive copies of all testing reports and certificates prior to the Engineer of Record requesting a final project inspection from the Owner.
2. LABORATORY CONTROL AND CERTIFICATES SPECIFICATIONS:
   Sampling, testing, and laboratory methods shall be in accordance with the standard specifications of the AASHTO or ASTM. Where AASHTO or ASTM specifications are used, the reference shall be construed to be the most recent standard specifications or tentative specifications of the AASHTO or ASTM in force on the date of the test.
   TEST AND CERTIFICATES:
   The Contractor shall engage an approved testing laboratory to provide the following tests and certifications signed by a registered Engineer of the State of Florida. All technicians performing the tests shall be state certified for the testing performed. Additional tests that may be required by either the Engineer of Record or the Owner shall also be provided by the Contractor, and the following shall not be taken as a complete and exhaustive list of the Contractor's testing responsibilities.
   a. Soil analysis for structural fill material prior to installation.
   b. Proctor densities, moisture content, compacted field densities and Atterberg limits.

EROSION AND TURBIDITY CONTROL:

The following measures represent minimum standards to be adhered to by the Contractor throughout the construction of this project. The Owner reserves the right to require additional measures to be employed when warranted by extreme conditions and/or the failure of the Contractor to employ the appropriate erosion and turbidity control best management practices. Failure to comply with these provisions shall result in the issuance of a "stop work order".

1. It shall be the responsibility of the Contractor to have all protective vegetation barricades, erosion and turbidity control structures and measures in place prior to the commencement of any work. These measures include, but are not limited to, temporary construction fences, hay bales, silt fences, and floating turbidity barriers. Further, it shall be the responsibility of the Contractor to maintain all erosion control devices throughout the duration of the entire project. Maintenance shall include periodic inspection and removal of debris abutting erosion control devices.
2. Prior to the installation of any fill materials on subject site, silt fences shall be installed (1) along subject site boundary and property lines, (2) at the edge of conservation easements and wetlands, (3) adjacent to natural landscape buffers, (4) around the perimeter of existing storm water treatment facilities, and (5) at any additional areas that the Owner deems necessary to be protected from potential erosion impacts during construction. These conditions shall apply in all instances where fill material is being installed within 25-feet of any of the aforementioned locations. While these items represent the minimum requirements, the Owner reserves the right to impose additional protective measures, as determined during actual site visits conducted throughout project construction.
3. At a minimum, the Contractor shall seed and mulch all disturbed areas. Sufficient grass coverage is to be established within thirty days.
4. Soils are to be stabilized by water or other means during construction. This is intended to reduce soil erosion and the impact to neighboring communities. Adequate watering methods should be employed to allow daily coverage of the entire limits of all areas that do not have an established vegetative cover. Methods to be employed include, but are not limited to, water trucks, permanent irrigation systems, temporary sprinkler systems operated by pumping units connected to wet retention ponds, water cannons, temporary irrigation systems mounted atop stockpile areas, and other methods as deemed necessary by the Owner.
5. Any permitted demolition or removal from submerged lands or adjacent uplands shall be fully contained within siltation devices such that permit turbidity requirements and state water quality standards are met.

DEMOLITION, CLEARING AND RESTORATION:

1. Demolition or clearing may require permits. The Contractor shall acquire all necessary building permits from the local municipality prior to commencing work.
2. Clearing and removal of vegetation, rocks and debris will be required within the project structure footprint.
3. Demolition or removal of objects, debris, or material specified or obstructing construction shall take place only to the extent necessary.
4. The site shall be restored by removing and finishing all evidence of construction including temporary haul roads, vehicle ruts, stockpile areas, shoreline slopes and vegetation, sod and areas subject to project work.

AS-BUILT SURVEY AND RECORD DRAWINGS:

1. As-built survey and record drawings shall be submitted at the time of the punchlist review and shall be reviewed by the Engineer for completeness and correctness.
2. The record drawings shall be a designated set of drawings maintained on site for the purpose of hand-making all changes and deviations from the original design, no matter how slight. Color markings are preferred.
3. The record drawings shall also contain any and all field changes with respect to location, alignment, height, width, length, depth, materials, products, etc.

TIMBER

1. Southern Yellow Pine (S.Y.P.) Lumber:
   a. Deck Boards, Vertical Rails, and Horizontal Rails: S.Y.P. No.1 Prime Grade
   b. Posts and Mid-Posts: S.Y.P. No.1 Grade
   c. Stringers and Cap Boards: S.Y.P. No.2 Grade
2. Piles: Southern Yellow Pine (S.Y.P.) treated round timber pile grade in accordance with ASTM D25.
3. All ramps established within the wooden dock sections should be established to ADA requirements. Slopes must not exceed 1:12 (V:H) and handrails must be established on both sides of the ramp according to the typical section found in plans. Transition of the wooden access ramps should be flush with the deck and a minimum clearance of 36-inch of space should be between handrails.
4. Treatment of timber shall be as follows: Handrails and decking; 0.40 PCF ACQ (Alkaline Copper Treatment), stringers, pile cap boards and other components except piles; 0.6 CCA (Copper Chromium Arsenate), piles/posts; 2.5 CCA. All timber, lumber and pilings shall be marine grade and identified by the grade and treatment mark of a recognized organization or independent agency certified by the American Lumber Standards Committee.
5. All timber, lumber and piles shall be marine grade and identified by the grade and treatment mark of a recognized organization or independent agency certified by the American Lumber Standards Committee.
6. Decking shall be placed with ¼-inch gaps between boards.
7. One layer of roofing felt shall be placed between deck (each board) and stringers. All boards for decking shall be installed crown down.

PILES:

1. 12" diameter, round timber pile
   a. Southern Yellow Pine (S.Y.P.) Lumber
   b. Marine Grade per ASTM D25
2. 14-inch, square, pre-stressed concrete, FDOT, Marine Grade piles must have strict occurrence of:
   a. Fabricated at a plant that is currently on the listing of FDOT Production Facility.
   b. f'c = 6,000 psi.
   c. w/c ≤ 0.40.
   d. (8) - ½" dia. strands (minimum).
   e. 3" minimum clear cover.
3. Provide and install concrete piles in accordance with FDOT specification 455.
4. Concrete shall be FDOT class IV (special) for extremely aggressive (marine) environment. Provide sufficient fly ash or slag to cement content to increase impermeability of concrete.
5. The piles shall be of the size and length shown in the plans.
6. All piles shall be set full length with top elevation as shown in plans. Cut-offs are not allowed except for minimal required (maximum 6") to remove tops damaged by the pile driving equipment.
7. The pile-setting equipment used must be of proper size, set-up and maintenance as to not cause excessive damage to piles. Damaged piles must be removed, discarded and replaced at the Contractor's expense. The Contractor shall provide information regarded the model and operating specifications of the pile-driving equipment to be used on the job for approval by the Engineer prior to commencing pile-driving.
8. Prior to signing of the construction contract, the Contractor being considered shall have all major equipment items available for inspection. Any deficiencies in quality and quantity or type of equipment shall be corrected prior to commencing work and such correction shall be a required condition to properly fulfill the contract. This inspection and subsequent approval shall in no way relieve the Contractor from his obligation to provide all equipment required to properly perform the work.
9. The Contractor shall make an earnest attempt to drive piles to grade, utilizing alternate methods or ideas to make the grade at no additional cost to the Owner.
   a. Larger hammer.
   b. Alternate hammer type.
   c. Tool Punch.
   d. Steel "shoe".
   e. Auger
10. Cut-off of piles is strictly not allowed unless approved by the Engineer. When requesting permission to cut off sheet piles, the Contractor shall provide a minimum of 72 hours advance notice to the Engineer to inspect the site and make recommendations. The pile must remain "as-is" until the Engineer completes the field inspection and makes recommendations. The Engineer may request multiple driving attempts over the course of 48 hours at no additional cost to the Owner. Any pile cut off without written approval by the Engineer shall be removed and replaced at the contractors expense at no additional cost to the Owner.
11. Contractor shall keep a pile driving log on the site at all times which shall include the following information: date, time, weather conditions, equipment used, pile location designation, blows per foot over entire driving sequence, total length of pile (after driving and cut-off, if cut-off allowed), amount of jetting or punching (if requested and approved), unusual pile behavior, damage and re-driving. This log shall be available to the Engineer or Owner at any time during the job. Updated copies of log pages shall be provided to the Engineer at least weekly throughout the project. If a vibratory hammer equipment is used to install piles, the time needed to hammer each pile shall be recorded. The Engineer will not make a structural certification if the contractor fails to provide pile driving logs.
12. Jetting of piles is not permitted without approval from the Engineer of Record. If jetting is requested, Contractor shall submit request to Engineer of Record for approval prior to jetting piles. Contractor shall provide information including but not limited to, the pile driving logs of all piles driven, the type of jetting prposed, the length of pile proposed to be jetted, the location of proposed jetting, etc. The final five (5) feet of all piles must be driven.
13. If solid rock, debris or refusal is encountered prior to achieving the minimum penetration, then the pile shall be tool-punched. No additional payment will be made for pile driving where this work is required. It is the Contractor's responsibility to investigate the site and make preliminary probes if necessary. Arrange site visits for this purpose directly with the Owner.
14. The pile handling and driving procedure shall not subject the piles to excessive abuse causing damage. The pile-driver connection shall be made such as to minimize damage to the pile and eliminate or reduce cut-off. Any pile so damaged in handling or driving shall be replaced by a new pile, or otherwise corrected, as directed by the Owner or Engineer and at the expense of the Contractor.
15. Proper care shall be taken for aligning piles. Pile alignment must be approved by Engineer of Record prior to framing. Piles shall be plumb and placed precisely as shown on plans, Contractor shall remove and replace any piles not meeting these requirements at no additional cost to the Owner.

Drawing Name: C:\Users\DMC-CAD\Dredging & Marine Consultants\DMC - Documents\DMC Projects\128 - City of New Smyrna Beach\23-128-11 North Causeway Boat Ramp Facility Improvements\Drawings\North Causeway Boat Ramp_100.dwg By: DMC-CAD Tab: 25-G NOTES 2 2/10/2025

BOLTS, SCREWS & FASTENERS:

1. All fasteners, including nails, screws, threaded rods, bolts, nuts, washers, plates, lags, etc. shall be grade 316 stainless steel (S.S.). Washers used with single-bolted or double bolted connections (for example: stringer to piling connection, cap board connections or cross-bracing) shall be minimum 3-inch diameter "dock washers". Standard washers for splice block and railings.
2. Bolts shall extend fully through the nuts but not extend beyond the nut more than ½-inch.
3. Stainless Steel (S.S.) screws as shown in plans.
4. Simpson Strong Tie Twist Straps (stainless steel hurricane straps), MTS. Screws shall be Simpson Strong Tie 9-inch x 1½-inch Stainless Steel (S.S.).

FLOATING DOCKS:

1. The gangways may, or may not be, provided by the floating dock manufacturer, at the manufacturer's and/or contractor's preference. Gangway ramps shall be of length and width shown on the plans. Gangway ramps shall be constructed of Aluminum Alloy 6061-T6 and designed to carry its own dead load plus a live load of 50 pounds per square foot (psf). Gangway handrails shall be 42-inches in height and designed for 50 pounds per linear foot (plf) applied horizontally along the top rail and a point load of 200 pounds applied on the top rail mid-way between posts. The decking shall be a non-skid surface to prevent slippage when wet at maximum angle. The deck material shall be aluminum planking unless otherwise directed by the owner/developer. Gangway hardware shall be aluminum or stainless steel. The fixed hinge shall be at the top of the ramp and shall freely rotate over the entire range of design water level fluctuations.
2. Piling design (number, size, length, shape and type) has been performed by the project engineer. Where pilings are shown in plans, the floating dock manufacture shall provide stainless steel four-roller pile guides with UHMW rollers and stainless steel roller pins. Other pile guide hardware and metal sections required shall be stainless steel. The pile guides shall have 3-inches of clearance from the piling to each roller.
3. Floating Dock System shall be compromised of the following basic components:
    a. Individual concrete float units with main pier, when attached, forming a continuous walkway surface of the material and finish desired by the City.
    b. Aluminum gangway onto the float of the size and at locations shown in the plans.
    c. Pilings and pile guides, which shall be the primary support of the floating dock system.
    d. Industry standard "D" shaped bumpers to surround the entire floating dock.
    e. Transition plates as detailed in plans.
    f. Aluminum or Grade 316 Stainless Steel hardware and components, Hot Dipped Galvanized will not be accepted.
4. Contractor is responsible for ensuring that the floating dock system properly functions and that no debris hinders its functionality. If debris is located within the footprint of the floating system then the contractor must remove the hindrances in order to allow proper function.
5. The method and material type of floatation, deck system, and connection between floatation units shall be clearly described in detailed shop drawings for review by the owner and owner's representatives. For the purposes of this project, the floating dock shall be of concrete composition. System hardware shall be HDG or stainless steel, roller pins shall be stainless steel.
   The environmental forces and criteria for the floating docks design shall be as follows:
    a. Wind Speed:
    b. Wave Height:
    c. Surge: Upper Category 2
    d. Vessel Impact: 30-foot power boat at 1.5 knots
    e. Live Load (LL): 50 pounds per square foot (psf)
    f. Dock freeboard (no load/dead load): 19-inch +/- 1-inch
    g. Dock Freeboard (DL+LL): 9-inch minimum
6. Pre-stressed FDOT Marine Grade 14-inch square concrete piles to be 45 linear feet.
7. The contractor shall provide and properly install industrial aluminum cleats on the floating concrete system as located on the plans.
8. White square composite caps shall be properly placed and secured on all newly installed concrete piles. This cost should be incorporated into the cost of the floating dock.

DREDGING NOTES:

1. DREDGING
    a. This project consists of mechanical dredging of up to 440 cubic yards of material. Prior to construction, the Contractor is required to provide evidence of the proper equipment to the Engineer of Record prior to commencement of construction.
    b. The Contractor shall account for providing/maintaining safe navigation and marina access, lighted buoys, markers, and all equipment needed to stabilize and maintain visibility of the pipeline, booster pumps, and all other equipment and construction activities until all work is complete.

   SURVEY:
    a. Prior to commencement of construction, the Contractor is required to stakeout the limits and stationing of the dredge area. Throughout the duration of the project, the Contractor is required to maintain the stakeout of the dredge area, stationing and all referenced to Mean Low Water (MLW).
    b. The method of payment is strictly determined only by the comparison of the pre-and post-survey. The Contractor shall received no compensation for any quantity of overdredge material other than limits depicted in this planset.
    c. The Contractor is required to secure dredge barge when dredging is stopped. The dredge barge shall be equipped with lights, and lights must be activated 30 minutes before sunset and shall remain illuminated until 30 minutes after sunrise.
    d. The Contractor shall submit a hurricane preparedness plan to the Engineer of Record.
    e. The Contractor is required to have a permanent tide gage on site, gage shall be utilized for measuring the tide while dredging to ensure correct dredge depth.
    f. The Contractor shall contact the Engineer of Record 14 days in advanced, if any vessels are located in the dredge area. The Owner shall removed all vessels from the dredge area prior to the project commencement.
    g. A minimum of a 10 to 15 foot buffer shall be maintained from the outermost extent of all structures and mangrove habitats while dredging.

ENVIRONMENT COMPLIANCE:

    a. The Contractor shall install Type II floating turbidity barriers as shown in the plan set.
    b. The Contractor is required to measure turbidity of the water outside of the turbidity barrier surrounding the dredge barge and 150 feet downstream of the dredge two times a day, once from after the start of dredging to noon and once from noon to before the end of dredging. The turbidity measurements shall be no greater than 29 NTU's above the background NTU's located at the project site. If the measured turbidity is greater than 29 NTU's above the background NTU's, the Contractor shall provide a secondary turbidity barrier around the dredge barge.
    c. Contractor shall keep a log of the turbidity measurements on site throughout the duration of the project. The Contractor is required to submit turbidity logs to the Engineer of Record at the end of every week throughout the duration of the project for submittal to regulatory agencies as required.
    d. This is mechanical dredging project and operations are limited by the abutting boat activity and navigation, and standard conditions for in water work and the Manatee Key as specified by the U.S. Army Corps of Engineers.
    e. No dredging activities shall occur between November 1 and March 31. For dredging activities that occur between April 1 and October 31, observers shall be dedicated for manatee observation.
    f. The Contractor is required to have a marine mammal/manatee observer present at the project site at all times throughout the duration of the project. The Contractor is to abide by the Standard Manatee Conditions for in-water Work 2011, refer to Sheet C-27 "Environmental Notes" and post resource protection signage on all floating equipment and barges.
    g. The Contractor shall be responsible for all best management practices to prevent erosion and water quality violation at all times.

CONCRETE GENERAL NOTES:

1. All mix designs by the concrete supplier or Contractor must be submitted to the Engineer for approval prior to submitting order.
2. Concrete cover from all exterior faces shall be 4" clear to the outermost face of any reinforcement, including stirrups, unless otherwise noted in the plans.
3. Strict adherence to concrete cover, water-cement (w/c) ratio, admixture additions, handling and curing will provide the optimum chance to achieve the longest service life possible for the project cast-in-place or pre-cast concrete components.
4. No greater than 45 minutes may transpire between individual castings. Trucks may not sit on site for greater than 45 minutes. Trucks sitting full on site for greater than 45 minutes shall be rejected at the Contractor's expense. Delays in casting a given form greater than 45 minutes shall be rejected unless an acceptable construction join can be made.
5. A working concrete vibrator must be on site prior to delivery of first concrete. The Owner or Engineer shall not allow concrete to be cast otherwise.
6. Vibrate concrete fully, particularly at corners and edges, in a continuous vertical plunging motion, never allowing the vibrator to become motionless in the concrete. Concrete with submittals voids or honeycombing will be rejected.
7. Non-metallic chairs and spacers must be used in reinforcement placing.
8. Concrete materials testing shall be performed per acceptable ASTM methods and intervals. A material testing program must be prepared by the Contractor and/or manufacture for review and approval by the Engineer. At least one set of four cylinders shall be cast for any one day's work, or work between construction joints, or more if prescribed by ASTM.
9. Continually wet water cure horizontal surfaces for at least three days and all exposed concrete surfaces after concrete is set. For the purpose of this specification "set" is when the concrete surface is hard enough so that when "knocked" with the knuckles the concrete is not dented. The Contractor is responsible for arranging a water source for curing purposes prior to commencing casting of concrete.
10. Apply Master Builders/BASF “ConFilm” or Euclid Chemical “Eucobar” product immediately after first float and then after final finish. Refer to manufacturer's recommendations for mixing and application.
11. The final alignment of the concrete to be straight and level per elevations and plans provided.
12. Expansion joints must be ⅜" thick closed-cell neoprene.

SIDEWALK CONCRETE:

1. All sidewalk concrete shall be:
    a. 28 Day Compressive Strength: 4,500 PSI minimum.
    b. Water-cement raitio less than or equal to 0.45
    c. Air Entrainment: Minimum 2 to 3%
    d. Potable water, no chlorides.
    e. Type I Cement
    f. Large (¾-inch minimum) and small aggregates washed and free of chlorides or reactive chemicals. Aggregate shall be crushed stone, no pea gravel or rounded gravel.
    g. Retarders or accelerators not allowed unless justified to the Engineer prior to their use.
    h. See plans for expansion and contraction joints.
    i. Reinforced with 1.5 pounds per cubic yard. Fibermesh 150 virgin homopolymer polypropylene multi-filiment fibers containing no olefin materials.
2. All concrete shall be broom finished.

CONCRETE GRADE BEAM:

1. Grade beam shall be:
    a. 28 Day Compressive Strength: 6,000 psi minimum.
    b. Water-cement raitio less than or equal to 0.40
    c. 6% microsilica per weight of binders.
    d. Air Entrainment: Minimum 2 to 3%
    e. Potable water, no chlorides.
    f. Type I Cement
    g. Large (¾-inch minimum) and small aggregates washed and free of chlorides or reactive chemicals. Aggregate shall be crushed stone, no pea gravel or rounded gravel.
    h. Retarders or accelerators not allowed unless justified to the Engineer prior to their use.
    i. All reinforcing steel shall be grade 60 rebar.
2. All concrete shall be broom finished.
3. See "Concrete General Notes".

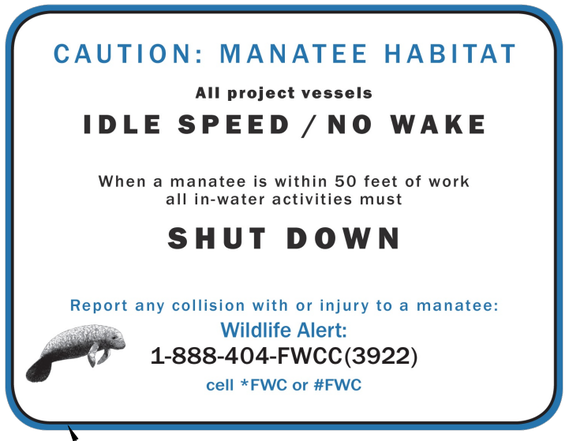
STANDARD MANATEE CONDITIONS FOR IN-WATER WORK
2011

The permittee shall comply with the following conditions intended to protect manatees from direct project effects:

a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.



b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

c. Siltation or turbidity barriers shall be made of material in which manatees cannot become entangled, shall be properly secured, and shall be regularly monitored to avoid manatee entanglement or entrapment. Barriers must not impede manatee movement.

d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.

e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and to FWC at ImperiledSpecies@myFWC.com

f. Temporary signs concerning manatees shall be posted prior to and during all in-water project activities. All signs are to be removed by the permittee upon completion of the project. Temporary signs that have already been approved for this use by the FWC must be used. One sign which reads *Caution: Boaters* must be posted. A second sign measuring at least 8 ½" by 11" explaining the requirements for "Idle Speed/No Wake" and the shut down of in-water operations must be posted in a location prominently visible to all personnel engaged in water-related activities. These signs can be viewed at MyFWC.com/manatee. Questions concerning these signs can be sent to the email address listed above.

SEE NOTE "f." ON STANDARD MANATEE CONDITIONS FOR IN-WATER WORK NOTE, THIS SHEET.

UNITED STATES DEPARTMENT OF COMMERCE
National Oceanic and Atmospheric Administration
NATIONAL MARINE FISHERIES SERVICE
Southeast Regional Office
263 13th Avenue South
St. Petersburg, FL 33701

SEA TURTLE AND SMALLTOOTH SAWFISH CONSTRUCTION CONDITIONS

The permittee shall comply with the following protected species construction conditions:

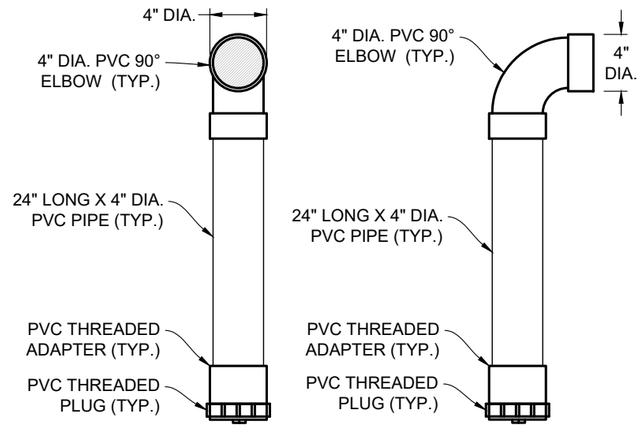
a. The permittee shall instruct all personnel associated with the project of the potential presence of these species and the need to avoid collisions with sea turtles and smalltooth sawfish. All construction personnel are responsible for observing water-related activities for the presence of these species.

b. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing sea turtles or smalltooth sawfish, which are protected under the Endangered Species Act of 1973.

c. Siltation barriers shall be made of material in which a sea turtle or smalltooth sawfish cannot become entangled, be properly secured, and be regularly monitored to avoid protected species entrapment. Barriers may not block sea turtle or smalltooth sawfish entry to or exit from designated critical habitat without prior agreement from the National Marine Fisheries Service's Protected Resources Division, St. Petersburg, Florida.

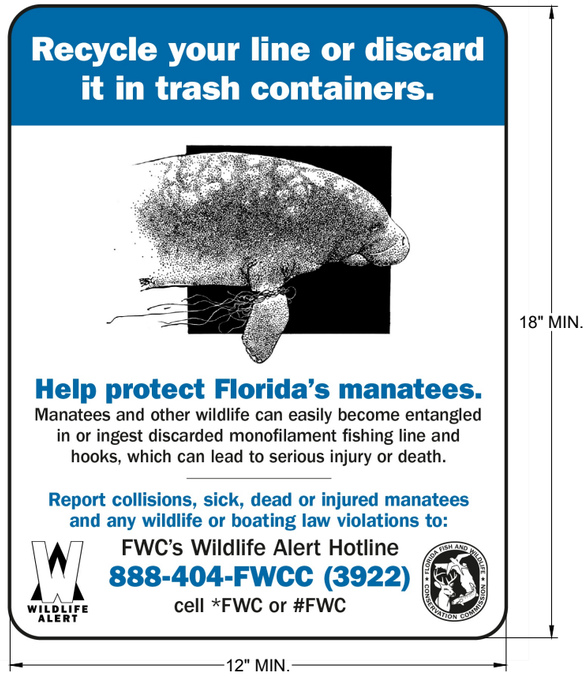
d. All vessels associated with the construction project shall operate at "no wake/idle" speeds at all times while in the construction area and while in water depths where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will preferentially follow deep-water routes (e.g., marked channels) whenever possible.

e. If a sea turtle or smalltooth sawfish is seen within 100 yards of the active daily construction/dredging operation or vessel movement, all appropriate precautions shall be implemented to ensure its protection. These precautions shall include cessation of operation of any moving equipment closer than 50 feet of a sea turtle or smalltooth sawfish. Operation of any mechanical construction equipment shall cease immediately if a sea turtle or smalltooth sawfish is seen within a 50-ft radius of the equipment. Activities may not resume until the protected species has departed the project area of its own volition.



f. Any collision with and/or injury to a sea turtle or smalltooth sawfish shall be reported immediately to the National Marine Fisheries Service's Protected Resources Division (727-824-5312) and the local authorized sea turtle stranding/rescue organization.

g. Any special construction conditions, required of your specific project, outside these general conditions, if applicable, will be addressed in the primary consultation.



Revised: March 23, 2006
O:\forms\Sea Turtle and Smalltooth Sawfish Construction Conditions.doc

SIGNS AND MONOFILAMENT BIN:
1. ALL SIGNS SHALL FOLLOW ALL FWC SIGN SPECIFICATIONS INCLUDING:
   a. SIGN SHALL BE FIBERGLASS OR METAL WITH ROUNDED CORNERS (HAND-SANDED TO REMOVE ALL SHARP EDGES AND BURRS).
   b. CONSTRUCTED OF 0.08 GAUGE 5052-H38 ALUMINUM.
   c. HAVE AN ALODINE 1200 CONVERSION COATING.
   d. HAVE ENGINEER GRADE TYPE I REFLECTIVE SHEETING.
   e. ALL MOUNTING HARDWARE SHALL BE 316 STAINLESS STEEL.
   f. NYLON WASHERS SHALL BE PLACED BETWEEN ALL STAINLESS STEEL AND ALUMINUM COMPONENTS.
2. FWC APPROVED "RECYCLE YOUR LINE OR DISCARD IT IN CONTAINERS" MONOFILAMENT BIN TO BE FURNISHED AND INSTALLED ONTO (1) POST ON THE INFORMATION KIOSK WITH 316 S.S. HARDWARE (SEE DETAIL THIS SHEET). MONOFILAMENT BIN SHALL HAVE ALL FWC REQUIRED STICKERS DISPLAYED PROPERLY AND CLEARLY. **CONTRACTOR SHALL SUBMIT MOUNTING DETAIL TO ENGINEER OF RECORD FOR APPROVAL PRIOR TO ORDERING AND INSTALLING.**
3. MONOFILAMENT BIN SHALL BE FURNISHED WITH THE FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION'S REQUIRED DECALS. DECALS SHALL BE VISIBLY LOCATED ON THE MONOFILAMENT BIN; DECALS THAT ARE DAMAGED SHALL BE REMOVED AND REPLACE AT THE CONTRACTORS EXPENSE. CONTRACTOR SHALL FURNISH ONE MONOFILAMENT BIN AT EACH TIMBER DOCK ENTRANCE.

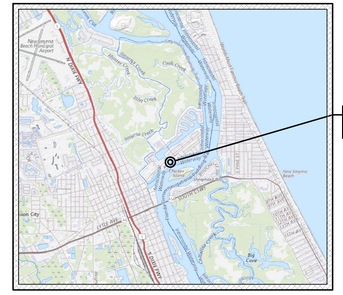
MAP SHOWING TOPOGRAPHIC AND HYDROGRAPHIC SURVEY OF



A PORTION OF INDIAN RIVER NORTH, ALONG WITH A PORTION OF LAND, LYING IN VOLUSIA COUNTY, FLORIDA

40 0 20 40 80

SCALE: 1" = 40'

VICINITY MAP
(NOT TO SCALE)

SURVEYOR'S NOTES:

1) This survey is limited to above ground visible improvements, except as shown hereon, and that nothing below the ground was located including, but not limited to foundations (footings), utilities, etc.

2) There may be additional restrictions that are not shown on this survey that may be found in the Public Records of this county.

3) All dimensions, unless otherwise noted, are US Survey Feet.

4) Additions or Deletions to survey maps or reports by other than the signing party or parties is prohibited without the written consent of the signing party or parties.

5) Topographic elevations shown hereon are based on the North American Vertical Datum of 1988 (NAVD88), being derived utilizing a Trimble RTK base station referenced to a NGS Brass Disk stamped "872 1164 A", having a published elevation of 6.47 feet (NAVD88)

6) Hydrographic elevations shown hereon are based on Mean Low Water (MLW), lying 1.68 above NAVD88, being derived utilizing a Trimble RTK base station referenced to a NGS Brass Disk stamped "872 1164 A", having a published elevation of 6.47 feet (NAVD 88).

7) The hydrographic and topographic surface have been split at the extents of the hydrographic survey, which is approximately around the edge of mangroves labeled on the map.

8) Horizontal Datum is reference to Florida State Plane Coordinate System, East, Zone, North American Datum of 1983 (NAD83), being derived utilizing VRS procedures base station referenced to a NGS Brass Disk stamped "872 1164 A", having coordinates of 1704808.448, 681966.286.

9) Lines and points shown on this map are for 2D visual purposes only, as points and lines will be altered/deleted for aesthetic reasons. Unaltered 3D data should only be viewed and utilized in the *-SURF drawing (.dwg) file, either directly or as an external reference.

10) Some points are on frozen layers for uncluttering purposes, please unfreeze all points to see if points in question appear.

11) Use of this survey for purposes other than intended, without written verification, will be at the user's sole risk and without liability to the surveyor. Nothing hereon shall be construed to give any rights or benefits to anyone other than those certified to.

12) On this drawing, certify means to state or declare a professional opinion of conditions regarding those findings or facts which are the subject of the certification and does not constitute a warranty or guarantee, either implied or expressed. This certification is only for the lands as described. This certification is not a certificate of title, easements, zoning, or freedom of encumbrances.

13) Adjoining information (lot lines, right-of-way lines, section lines, etc.) that does not have a measured dimension may not be drawn to accuracy, may be for aesthetic reasons only, and should not be taken as the true location of said feature.

14) Subaqueous measurements were made with an ODOM CV100 Single Beam Sounder operating at a frequency of 200kHz.

15) Surface built from a generated 5' grid interpolated from a combination of single beam and pole soundings. Single beam and pole soundings are turned off in drawing and can be view by unfreezing all layers. Spot shots shown at 10' grid intervals.

16) The information depicted on this map represents the results of a survey performed on the indicated date and can only be considered as indicating the general conditions at that time.

17) This site has a Mean High Water (MHW) Elevation of 0.6 Feet (NAVD88), and a Mean Low Water (MLH) Elevation of -1.68 Feet (NAVD88), per LABINS Tide interpolation point 6072.

18) Right-of-way shown hereon per FDOT RIGHT-OF-WAY MAP SECTION 79170-2514.

The City of New Smyrna Beach

North Causeway
Boat Ramp Facility Improvements
Project Technical Specifications

December 17, 2024

Item 1 **Mobilization and Demobilization:**

The work specified in this section consists of the preparatory work and operations necessary for the movement of personnel, equipment, supplies and incidentals to the project site, and for the establishment of temporary offices, buildings, safety equipment and first aid supplies, sanitary and other facilities, as required by these technical specifications, the construction plans, and State and local laws and regulations. All costs for the necessary bonds as indicated in the bid document shall be included in this item.

All costs for permits and any required insurance, and any other pre-construction expense necessary for the start of the work, as well as the cost of the removal of the above items, shall also be included in this item. All costs associated with trimming/clearing of trees, other vegetation, turf removal, any other materials, and any other site preparation tasks necessary to allow construction of the project, shall also be included in this item. **The CONTRACTOR is responsible for all work and costs associated with acquiring all necessary documents including but not limited to permits required for dewatering, mangrove trimming, mangrove removal, etc. as necessary for the removal of the existing structures and construction of the proposed structures.** All costs associated with collecting complete photographic and video documentation of the site prior to construction shall also be included in this item. All costs associated with grading and grassing the project site once work is complete to restore the site to pre-work conditions shall also be included in the cost of this bid item. The CONTRACTOR shall be responsible for irrigating newly placed grass to ensure establishment and long-term viability of grass cover.

At the pre-construction meeting, the CONTRACTOR shall submit a tentative work schedule, safety plan, a shipping, stockpile and site administration plan (SSSAP), a complete list of all SUBCONTRACTORS that will be employed by the PRIME CONTRACTOR, and complete contact information for PRIME CONTRACTOR staff and all SUBCONTRACTOR staff. Personnel to be included in the contact lists shall include, but not necessarily be limited to: CONTRACTOR and SUBCONTRACTOR Principals, CONTRACTOR and SUBCONTRACTOR Project Managers, CONTRACTOR and SUBCONTRACTOR Site Superintendents and/or Foremen. In addition, emergency contact information should be included for the PRIME CONTRACTOR and all SUBCONTRACTORS.

The basis of payment for **Mobilization and Demobilization** shall be LUMP SUM. Fifty (50%) percent of this lump sum cost shall be paid upon mobilization of equipment to the project site. An additional 30% of this cost shall be paid as the project progresses. The final 20% of this cost, less retainage, shall be paid upon removal of all equipment from the project site.

Item 2 **Construction, As-Built, and Pre/Post Dredge Survey:**

The bid price for this item shall include all necessary survey work for the CONTRACTOR to complete all construction activities. Elevations for the plans are based on the North American Vertical Datum 1988 (NAVD 88) and Mean Low Wate (MLW).

The CONTRACTOR shall furnish the services of a State of Florida licensed land surveyor for the field layout of all work. The CONTRACTOR'S licensed land

surveyor shall perform all initial site layout and shall provide follow-up verification of all work underway at a frequency of no less than once a week. All deviations from the construction plans, no matter how minor, that are noted during the follow-up verifications shall be recorded on the project redline plan set which shall always be maintained on the site and submitted to the ENGINEER prior to project close-out. The ENGINEER must approve the initial site stakeout before any work begins; the CONTRACTOR shall provide a minimum of 72 hours' notice to the ENGINEER of the anticipated completion of the initial stake-out so the inspection and field verification can be scheduled. **Prior to start of construction, the surveyor shall also locate any mangroves and other protected/threatened vegetative species located within or adjacent to (within 25 feet) the project area so these may be flagged, and appropriate protective measures set up prior to starting work.** All intermediate construction surveys shall be included in this item. The CONTRACTOR is cautioned that the survey must be conducted with respect to adjacent site aspects and must contact the ENGINEER for any clarification prior to any construction.

The bid price for this item shall include all necessary survey work for the CONTRACTOR to furnish an as-built survey of the completed project. The as-built survey shall be referenced to the North American Vertical Datum 1988 (NAVD 88). The CONTRACTOR shall submit two (2) hard copies and two (2) electronic copies of the as-built survey for the completed project. These documents shall be signed and sealed by a professional surveyor registered in the State of Florida and then submitted to the ENGINEER for approval. The CONTRACTOR shall accurately record the location and elevations of all constructed grades and structures including but not limited to: fixed timber docks (elevations at minimum 10-foot intervals, all landings/change in slope, and at all corners), gangways (at all corners), concrete floating dock (at all corners of section), all pre-stressed concrete pile and timber pile locations and finished top elevations.

In addition, the CONTRACTOR shall coordinate a pre and post dredge survey of the access channel, referenced to Mean Low Water (MLW) vertical datum. These surveys will be used to determine the dredging and disposal quantity in Item 8.

The basis of payment for **Construction, As-Built, and Pre/Post Survey** shall be LUMP SUM. Thirty (30%) percent of the lump sum cost shall be paid upon acceptance of the initial site stakeout by the ENGINEER. The remainder of the cost, less retainage, shall be paid as the project progresses.

Item 3 **Demolition, Hauling and Disposal:**

The bid price for this item shall include the required manpower, equipment, materials and other costs involved in the removal and disposal of all items indicated for demolition in the construction plans, including but not limited to; existing fixed dock, concrete accessory dock and any base or subbase material, and all other demolition, hauling, and disposal required to construct the project as indicated in the construction plans.

The CONTRACTOR shall take all necessary precautions to avoid damage to upland and wetland vegetation and trees to be preserved during removal,

demolition and hauling of debris. In addition, the CONTRACTOR shall take all necessary precautions to avoid impacts to in-water resources during demolition and removal of the existing structures. All environmental protection measures shall be in place before any demolition or other construction activity commences. The CONTRACTOR shall be responsible for requesting utility locates from Sunshine 811 prior to commencing any demolition or other earthwork activities. All silt fence, turbidity curtains and other erosion and sediment control measures must be in place prior to commencing construction and demolition activities.

The basis of payment for **Demolition, Hauling and Disposal** shall be LUMP SUM.

Item 4 **Vibration Monitoring:**

The bid price for this item shall include the required manpower, equipment, materials and other costs involved in vibration monitoring throughout construction duration.

CONTRACTOR shall provide a third-party monitoring service with a calibrated seismograph; costs of seismograph/vibration monitoring shall be included in the bid price for this item. Vibration monitoring reports shall be submitted to the ENGINEER weekly for approval, and copies of the reports shall be made available to the CITY OF NEW SMYRNA BEACH and the ENGINEER at any time upon request. CONTRACTOR is responsible for ensuring vibration monitoring measures and means/methods utilized during construction are non-destructive and will not compromise or create any adverse impacts to all existing structures.

The basis of payment for **Vibration Monitoring** shall be LUMP SUM. Fifty (50%) percent of the lump sum cost shall be paid upon mobilizing and properly installing all vibration monitoring control measures. The remainder of the cost (less retainage) shall be paid as the project progresses. Removal of all vibration monitoring control measures from the project site once the work has been completed is required before final acceptance of the project by the CITY OF NEW SMYRNA BEACH.

Item 5 **Environmental Compliance:**

The bid price for this item shall include, but not be limited to, the necessary manpower, equipment and materials needed to maintain regulatory compliance and environmental protection during all phases of construction. This item includes all costs related to obtaining an NPDES permit and complying with all NPDES permit requirements. FDOT Type II Turbidity curtains and silt fencing shall always be installed around construction areas and the CONTRACTOR shall take all proactive measures to reduce loss of sediment and turbidity generation in receiving waters during all construction activities. The bid price for this item shall include all costs for monitoring and reporting turbidity of water discharged from the site as required by the NPDES or other permits, as well as all costs for corrective measures taken to correct measured turbidity levels in excess of permitted conditions. These monitoring and testing requirements also apply to discharges from the site from any required dewatering measures. Turbidity monitoring reports shall be submitted to the ENGINEER weekly for approval, and copies of the reports shall be made available to the CITY OF NEW SMYRNA BEACH and the ENGINEER at any time upon request.

The bid price for this item shall also include all costs associated with regularly inspecting and maintaining all other erosion, sediment, and turbidity control measures employed during construction of this project, as well as any necessary repairs and/or replacement of these measures, with the need determined through regular inspections conducted at minimum intervals as specified in the NPDES and other project permits, and/or at the direction of the ENGINEER and/or CITY OF NEW SMYRNA BEACH. Copies of the control measure inspection reports shall be submitted to the ENGINEER within one week of the inspection, and a summary of corrective measures taken to address noted deficiencies shall be included. A weekly log of these inspections shall be provided to the ENGINEER.

In addition, the CONTRACTOR shall comply with all permits for this project and all federal, state, and local water quality standards throughout the duration of the project.

The CONTRACTOR shall take all necessary precautions to avoid damage to wetland vegetation and trees to be preserved. This item includes costs related to flagging and marking protected vegetation, as well as protective measures for these.

The basis of payment for **Environmental Compliance** shall be LUMP SUM. Fifty (50%) percent of the lump sum cost shall be paid upon obtaining an NPDES permit and properly installing all erosion and turbidity control measures. The remainder of the cost (less retainage) shall be paid as the project progresses. Removal of all control measures from the project site once the work has been completed is required before final acceptance of the project by the CITY OF NEW SMYRNA BEACH.

Item 6 **Temporary Traffic Control:**

The bid price for this item shall include, but not be limited to, the necessary manpower, equipment and materials needed to provide temporary traffic control through the project area for the duration of construction. Public access to businesses adjacent to the project area must be maintained at all times, and parking for these businesses shall be made available at all times. The CONTRACTOR shall give a minimum of 2 weeks' advance notice to the CITY and the ENGINEER for any request for lane closures on nearby streets.

At the preconstruction meeting, the CONTRACTOR shall submit a temporary traffic control plan (TTC) to the ENGINEER and the CITY for approval. This TTC Plan shall conform to the requirements of Standard Plans Indexes 102-000, 102-005 and other applicable indexes of the Florida Department of Transportation Standard Plans (FY 2023-24). The TTC Plan shall also include details ensuring the safe delivery and removal of materials by trucks from temporary stockpile areas established near the project area. Any personnel utilized as flaggers must have completed a Temporary Traffic Control Flagger Training course offered by an FDOT-approved provider, and set-up, inspection and maintenance of temporary traffic control devices must be performed under the supervision of personnel who have completed an Intermediate level TTC course offered by an FDOT-approved provider. The CONTRACTOR shall maintain copies of all training certificates on the project site at all times. The ENGINEER must be informed once TTC measures have been fully implemented so an inspection may be scheduled. The

CONTRACTOR shall regularly inspect barricades, signs, fencing and other TTC devices employed on the job site, and shall repair or replace these as needed.

The basis of payment for **Temporary Traffic Control** shall be LUMP SUM. Fifty (50%) percent of the lump sum cost shall be paid once TTC devices and signage have been deployed per the approved TTC plan. The remainder of the cost (less retainage) shall be paid as the project progresses. Removal of TTC devices and signage from the project site once the work has been completed is required before final acceptance of the project by the CITY.

Item 7 **Clearing, Grubbing, and Restoration:**

The bid price for this item shall include, but not be limited to, the required manpower, equipment, material, and other costs involved in clearing and stripping the project area for the proposed construction as indicated in the construction plans. The work shall include the complete removal and legal disposal of all sod, brush, rubbish, vegetation, roots, debris, borrowed material and any other remaining obstructions, AS NEEDED, within the project limits.

The CONTRACTOR shall take all necessary precautions to avoid damage to existing utilities and structures that are to remain. Any damage to utilities or existing structures shall be repaired at the CONTRACTOR'S expense.

The basis of payment for **Clearing, Grubbing, and Restoration** is LUMP SUM.

Item 8 **Mechanical Dredging (Hauling and Placement at Final Disposal Site):**

The bid price for this item shall include, but not be limited to the required manpower, equipment, materials, and any other items necessary, including any dewatering techniques, and all applicable safety measures to dredge and dispose of the material as indicated in the plans.

The material quantity indicated in the bid sheet is approximate and based on a survey indicated in the construction plan set included in the bid. The actual total and section quantities of material to be dredged will be determined by the CONTRACTOR's pre/post dredge surveys. The pre-dredge survey must be submitted to the ENGINEER for approval prior to starting any dredging activities.

It is the CONTRACTOR'S responsibility to investigate the existing material and determine the equipment needed to successfully complete the dredging, however, a geotechnical report has been provided.

The limits of dredging are shown on the construction plans. CONTRACTOR shall be paid per cubic yard of sediment removed within the dredge template as determined by comparison of the initial and final mudline elevations within the dredge template area as determined by the pre- and post-dredge surveys. CONTRACTOR will not be paid for any material dredged outside the proposed dredge template indicated in the plans and permits.

CONTRACTOR shall provide, operate, and maintain for the entire duration of the dredging project portable dredging equipment capable of completing the work outlined in these specifications and in the construction plans. It is CONTRACTOR'S responsibility to determine the size of barge, dredge, and

support equipment necessary to complete the project based on their assessment of the project site conditions and time limitations. The CONTRACTOR shall account for all tidal conditions and size all equipment accordingly.

The dredge and off load location must be surrounded by turbidity barriers at times when dredging. The dredge barge must be lighted and marked in accordance with FWC rules and regulations for navigation. CONTRACTOR and CITY will confirm the location of offloading the dredged material during the pre-construction meeting.

The CONTRACTOR is responsible for hauling and disposing of the dredge material. The spilling of the material will not be tolerated; the CONTRACTOR shall bear sole responsibility for any and all costs associated with the clean-up of spilled material. The existing park can be used to temporarily store and dry material before hauling offsite. All precautions and best management practices for erosion control must be in place at all times; the CONTRACTOR shall take all measures necessary to ensure sediments or turbid water do not enter nearby storm sewers or inlets. Trucks must be sealed; spilling and loss of material will not be acceptable.

The basis of payment for **Mechanical Dredging (Hauling and Placement at Final Disposal Site)** shall be paid per CUBIC YARD.

Item 9 **Fixed Timber Dock (Includes 12-Inch Timber Piles):**

The bid price for this item shall include, but not be limited to, the necessary manpower, equipment, materials, hardware and incidentals needed to construct all components of the timber pier, as indicated in the construction plans. Components to be constructed include, but are not limited to: timber piles, cap boards, stringers, deck boards, handrail posts, splice blocks, mid-post spacer boards, vertical rails, horizontal rails, and the stainless steel cable rail system, etc. All timber must be free of splinters, cracks, knots, or sap. All timber must be treated with wood preservative products as indicated in the plans, to the treatment retention levels indicated in the plans, and must be southern yellow pine (SYP) meeting the grade requirements indicated in the plans. Any timber deemed unsuitable by the ENGINEER will be replaced at the CONTRACTOR'S expense.

The CONTRACTOR shall furnish timber piles meeting the dimensions and specifications indicated in the construction plans. The CONTRACTOR shall submit shop drawings and technical data sheets for the piles to the ENGINEER for approval prior to ordering or driving piles. Any piles driven without this approval shall be removed and replaced by the CONTRACTOR at the CONTRACTOR'S expense. The CONTRACTOR shall be responsible providing pile-driving equipment and methodology which is capable of delivering sufficient energy to drive the piles to the design tip elevation without excessive impacts which may damage the piles and shall be responsible for maintaining the equipment in a safe and operable condition. The CONTRACTOR shall submit technical data and specifications on the vibratory or impact hammer to be used for driving to the ENGINEER for approval prior to starting any pile driving activity.

All in-water piles must be wrapped with a mechanically tensioned PVC membrane as per the details in the plans. All pile wraps must have a rolled, positive vertical closure that significantly restricts leeching of pile preservative from the pile into the surrounding environment while preventing oxygenated water from entering the

wrap. In addition, all piles must be wrapped with a hermetic top seal (compressed and banded).

Jetting of piles is not permitted without prior approval of the ENGINEER, and in all cases where jetting of piles is approved, the final five (5) feet of the piles must be driven. If solid rock, debris, or refusal is encountered prior to achieving design tip elevation, the pile must be tool punched into the strata. The ENGINEER will make the final determination on if refusal is encountered.

Absolutely no piles shall be cut to design top elevation, beyond the top six (6) inches of the pile, which is damaged by driving, without prior written approval of the ENGINEER. If the CONTRACTOR requests to cut off piles, the piles must remain “in-place, as-is”, and the ENGINEER notified a minimum of 72 hours in advance so a site visit and recommendations based on observed field conditions can be made. Any pile cut off without prior written approval from the ENGINEER shall be removed and replaced at the CONTRACTOR’S expense.

The CONTRACTOR shall always maintain a pile driving log on the site, and this log shall be available for inspection by the CITY OF NEW SMYRNA BEACH or the ENGINEER at any time on request. The information to be recorded in the log shall be per note section titles “Piles” of the General Notes, Sheet C-25 of the construction plans. The CONTRACTOR shall submit the final pile driving logs so the ENGINEER may review them prior to final project acceptance. The ENGINEER shall not make a structural certification without this submittal.

The CONTRACTOR shall survey the location of each pile, and once all piles have been installed, shall submit this survey to the ENGINEER for approval prior to starting any additional work on the observation pier. Any pile located more than three (3) inches from its design position as indicated in the construction plans shall be removed and reinstalled by the CONTRACTOR at no additional cost to the CITY OF NEW SMYRNA BEACH.

All hardware used for the construction of the dock system must be grade 316-alloy stainless-steel; under no circumstances will any alternative materials or other stainless-steel alloys be accepted. The CONTRACTOR shall ensure that all handrail components fight tightly and are sanded, beveled, and finished as needed to eliminate the potential for injury to observation pier users from gouges or contact with sharp edges.

The CONTRACTOR must make submittals of the timber, hardware, pile wraps, stainless steel cable rail system, and stainless-steel hardware, etc. to the ENGINEER prior to purchase or construction. Absolutely no piles shall be cut to final top elevation without the approval of the ENGINEER. Any products or materials manufactured, purchased, or installed prior to shop drawing approval will be replaced at the CONTRACTOR’S expense if the above noted approvals have not been obtained.

The basis of payment for **Fixed Timber Dock (Includes 12-Inch Timber Piles)** shall be per SQUARE FOOT.

Item 10 **Aluminum Gangway (30’ x 5’):**

The bid price for this item shall include, but not be limited to, the necessary manpower, equipment, materials and hardware needed to properly furnish and install the aluminum gangway as indicated in the plans. The gangway kick plates must provide smooth transitions to the floating dock system for all water elevation conditions. The gangway shall have fixed railings with ADA-compliant grab rails on both sides.

The CONTRACTOR shall submit a shop drawing of the gangway, connection detail to the timber dock and roller detail at the termination of the gangway to the ENGINEER for approval prior to manufacturing, purchase, or installation. Any products or materials manufactured, purchased, or installed prior to shop drawing approval will need to be replaced at the CONTRACTOR’S expense if the ENGINEER does not approve corresponding shop drawings.

The CONTRACTOR is responsible for rejecting any gangway sections that are delivered to the project site damaged to an extent where they are unusable. Any repairs to damaged gangways shall be made by or under the supervision of the manufacturer, using methods and materials approved by the manufacturer, and a letter from the manufacturer stating that the repaired items will meet the structural requirements of the project shall be submitted to the ENGINEER before they will be accepted. Any damaged gangway sections that have been installed without this acceptance by the ENGINEER will be removed and replaced at the CONTRACTOR’S expense.

The basis of payment for **Aluminum Gangways (30’ X 5’)** is per EACH.

Item 11 **Concrete Floating Dock (Includes 14-Inch Concrete Piles & 12-Inch Timber Mooring Piles):**

The bid price for this item shall include, but not be limited to, the required manpower, equipment and material involved in purchasing and properly installing the floating concrete dock system as indicated in the construction plans. Proper installation of the floating system is the responsibility of the CONTRACTOR, and such installation methodology must be submitted to the ENGINEER for verification before proceeding. Dock segments should be properly supported during transportation and installation, and the CONTRACTOR is responsible for replacing any damaged segments at their own expense.

All shop drawings must be submitted to the ENGINEER for approval prior to manufacturing, purchase, or installation. Any products or materials manufactured, purchased, or installed prior to shop drawing approval will need to be replaced at the CONTRACTOR’S expense if corresponding shop drawings are not approved by the ENGINEER.

In addition, this item shall include the required manpower, equipment and materials needed to purchase and properly install the 14" Square FDOT Marine Grade Pre-Stressed Concrete Piles with White Composite Pile Caps for the floating concrete dock system, in the locations identified in the plans. The CONTRACTOR is responsible for providing pile driving equipment and methods that will deliver sufficient energy to drive the piles to the indicated embedment depth without causing excessive damage to the piles. Piles should be properly supported during

transportation and installation, and the CONTRACTOR will be responsible for replacing any damaged piles at their own expense.

If solid rock, debris, or refusal is encountered prior to achieving design tip elevation, the pile must be tool punched through the strata. The ENGINEER will make the final determination on if refusal is encountered.

Absolutely no piles shall be cut to design top elevation, beyond the top six (6) inches of the pile, which is damaged by driving, without prior written approval of the ENGINEER. If the CONTRACTOR requests to cut off piles, the piles must remain “in-place, as-is”, and the ENGINEER notified a minimum of 72 hours in advance so a site visit and recommendations based on observed field conditions can be made. Any pile cut off without prior written approval from the ENGINEER shall be removed and replaced at the CONTRACTOR’S expense.

The CONTRACTOR shall maintain a pile driving log on the site at all times, and this log shall be available for inspection by the CITY OF NEW SMYRNA BEACH or the ENGINEER on request. The information to be recorded in the log shall be per the note section titled “Piles” located in the General Notes, Sheet C-25 of the construction plans. The CONTRACTOR shall submit the final pile driving logs prior to project closeout so the ENGINEER may review them prior to final project acceptance. The ENGINEER shall not make a structural certification without this submittal.

Shop drawings and technical data sheets for the floating dock sections and the piles, and the FDOT certification for the pre-cast plant supplying the prestressed concrete piles, must be submitted to the ENGINEER for approval prior to manufacturing, purchase, or installation.

The CONTRACTOR is responsible for rejecting any piles or floating dock sections that are delivered to the project site damaged to an extent where they are unusable. Any repairs to damaged piles or floating dock sections shall be made by or under the supervision of the manufacturer, using methods and materials approved by the manufacturer, and a letter from the manufacturer stating that the repaired items will meet the structural requirements of the project shall be submitted to the ENGINEER before they will be accepted. Any damaged piles or floating dock sections that have been installed without this acceptance by the ENGINEER will be removed and replaced at the CONTRACTOR’S expense.

The CONTRACTOR is responsible for ensuring required submittals are made promptly so that fabrication time for the piles does not adversely impact the project schedule. Any products or materials manufactured, purchased, or installed prior to shop drawing approval will need to be replaced at the CONTRACTOR’S expense if the ENGINEER does not approve corresponding shop drawings.

CONCRETE FLOATING DOCK SYSTEM
TECHNICAL SPECIFICATIONS

1. GENERAL

1.1 THE SCOPE

The Contractor shall furnish all tools, equipment, materials, and supplies and shall perform all labor, supervision, fabrication, assembly, and installation of a complete concrete float system.

1.2 CONTRACTOR SITE INSPECTION

The Contractor shall examine the jobsite before preparing his shop drawings to verify all physical conditions and surroundings.

1.3 TECHNICAL

The flotation system shall consist of modular sections designed in such a manner that modules may be replaced with standard modules in case of repairs.

Float modules shall be structurally connected by a treated timber or other approved type of waler system that will allow replacement without affecting the float modules. Connection methods that create structural failure of the float module when over stressed will not be allowed. Concrete float modules must have concrete cover for protection on all six sides. Floats without concrete bottoms will not be allowed. Minimum concrete deck, bottom and wall sections shall be as follows:

Deck: 2.00 inches
Walls: 1.50 inches
Bottom: 1.25 inches

Sufficient flotation shall be provided to support a live load of fifty (50) pounds per square foot of deck area with a minimum freeboard of nine (9) inches.

Freeboard under dead load only shall not be less than seventeen (17) inches or exceed twenty (20) inches.

The Contractor should exercise caution to ensure that all deadloads are accurately determined and included in buoyancy calculations. These loads should include appropriate safety factors if used and any specific manufacturing considerations that will affect the final freeboard.

Dead loads shall consist of the floats, framing, waler system, attachment steel, miscellaneous connection devices, and all other permanently attached equipment such as utilities, boxes, fire protection equipment, etc.

Special floats must be designed to support the additional concentrated loads as imposed by gangways, transformers, or other equipment. Floats with special loadings shall have the same freeboard as floats with no such loading, so that there will be residual stresses or tilting when such floats are interconnected unless specifically approved by the float system engineer.

The weight of lumber for these calculations shall be assumed at no less than forty (40) pounds per cubic foot.

The walking surface of concrete floats shall be level and flush with respect to the adjacent floats.

Floats shall be designed to float level under dead load only. The decks of the floats shall be within the followings tolerances of being level:

- Maximum transverse slope for main floats: two (2) inches per ten (10) feet of width
- Maximum longitudinal slope: two (2) inches per ten (10) feet

Flotation units shall be located within the structure so as to be capable of supporting a 300-pound point load moving in any area on a float without excessive rolling or tilting on the dock. When a 400-pound load is applied one foot from the end of the finger, that finger will lose no more than four inches of freeboard. When a 300-pound load is applied to one outer corner of the finger there should be no more than 2 inches in freeboard differential per three feet of width between the outer corners of the finger. This should be done once the system is totally connected and in its final intended condition.

Float and anchorage systems shall be designed for the following load cases as a minimum:

- Wind pressure of 15 PSF (77 MPH fastest mile wind at 33 feet standard elevation, Exposure C, per ASCE 7-16) acting on the projected area of all docks and moored vessels assuming full occupancy of the marina.
- Minimum current pressure of 0 PSF (0 feet per second current velocity) acting on the projected area of all docks and moored vessels assuming occupancy levels will reflect those expected during the flood season.
- Vertical wave loads, as they exist at the specific site.
- Lateral wave loads for waves having a significant wave height exceeding one foot if they are expected to occur at the specific site.
- Load cases should be combined based upon the probability of simultaneous occurrence of the events.
- Lateral pile loads at the maximum surge level.

1.4 STANDARDS

All docks, structures and components must be designed per one of the following codes or authorities, depending upon the application:

UBC (Uniform Building Code)
SBC (Standard Building Code)
MBMA (Metal Building Mfg. Assoc.)
BOCA (Building Official Congress of America)
City/State/City Building Code
Army Corps Manual SR-2
ASTM Standards
AISI (American Iron and Steel Institute)
AISC (American Institute of Steel Construction)
AWPA (American Wood Preservers Assoc.)
PCI (Prestressed Concrete Institute)

CRSI (Concrete Reinforcing Steel Institute)

Parameters

- Wind load calculations shall be based on an average vessel profile height equal to 15% of the slip length.
- Current load calculations shall be based on the average vessel draft determined by the intended vessel types.
- Calculations are to be performed for wind and current loads both parallel to and perpendicular to the slips.
- Full wind and current loads shall be applied to all exposed vessels. To account for sheltering effects, 15% of the full load shall be applied to all vessels sheltered by the exposed vessel.
- Calculations shall assume that any given boat/slip may be exposed during a design event.
- Allowable material stresses shall be based on the latest edition of the Uniform Building Code.
- Minimum evaluation of the design wave environment shall include identifying the Significant Wave Height, Peak Spectral Wavelength, Wave Period and Wave Approach Angle.

1.5 DRAWINGS

Prior to fabrication or construction, the Contractor shall furnish sufficient information to describe the floating dock system and shall submit complete shop drawings and calculations for approval by the CITY OF NEW SMYRNA BEACH. Dock and anchorage drawings and calculations shall be affixed with the appropriate stamps and signatures of a registered professional coastal engineer, maintaining professional liability insurance with a minimum policy limit of $2,000,000. The Engineer of Record shall seal all drawings with a stamp identifying him/her as a registered Professional Engineer licensed in the state in which the project is located. The Engineer shall have designed at least ten previous marina projects of a size and function similar to this project that has been in use for a minimum of five years.

Shop drawings shall show the layout of the dock system, layout of complete mooring/anchoring system, details of all connections, waler sizing and splice pattern, anchorage connections, utility routings and all other details necessary and pertinent to the construction of the floating dock system.

1.6 CALCULATIONS

All design calculations shall assume that all slips are occupied, that any individual slip may be exposed during a design event and that all reasonable deadloads have been incorporated into the system.

Once the loads are determined by the applicable codes listed above, the design and calculations shall be prepared in accordance with AISI and AISC specifications and guidelines.

All engineering and calculations shall be done in accordance with these guidelines using the appropriate allowable capacities and safety factors. Calculations are to be stamped by a registered professional coastal engineer,

maintaining professional liability insurance with a minimum policy limit of $2,000,000. The engineer of record shall seal all calculations with a stamp identifying him/her as a registered Professional Engineer licensed in the state in which the project is located. The Engineer shall have designed at least ten previous marina projects of a size and function similar to this project that has been in use for a minimum of five years.

In addition to sizing all members for these codes and specifications, the following calculations shall be submitted as a minimum for the dock system:

- Anchorage attachment points to insure reactions shall be appropriately and rationally distributed throughout the system.
- Finger lateral loads from current and wind in the shielded and unshielded condition for each finger length. Calculations will provide transfer assumptions for both cantilever and non-cantilever type fingers, including finger-to-walk connections.
- Overall system loads under full occupancy with consideration for shielding factors and deflections of the system and its effects on anchor loading.
- Anchorage system capacity for individual and overall load considerations.
- If anchor piles are utilized for mooring, the special design information should include:

  Pile size and cross section.
  Overall pile length
  Minimum embedment

- Vertical loading due to wave action and live load requirements including both walkways and fingers.

1.7 QUALITY ASSURANCE

The manufacturer must have an ongoing quality management system. This quality system must be regularly assessed and currently certified as meeting the ISO 9001 Standard. The scope of this certification must be for the design and manufacture of floating docks and pertain to the company or portion of the company providing the products and services for the project. The registrar providing this certification must be accredited according to EN 45012.

All steel fabrication and welding will be performed in a facility currently certified as meeting the ISO 9001 Standard. All structural steel welders shall be qualified in accordance with the requirements of ANSI/AWS D1.1, 2010 Structural Welding Code.

All structural steel welding shall be completed in accordance with requirements of ANSI/AWS D1.1, 2010 Structural Welding Code-Steel, and utilizing 0.035 welding wire AWS A5.18, ABS ER70S-6.

All aluminum welding shall be completed in accordance with requirements of ANSI/AWS D1.2 Structural Welding-Aluminum, utilizing 3/64” ER4043 Welding Wire, ANSI/AWS A5.10.

2. MATERIALS

2.1 GENERAL

The Contractor shall submit for approval by the CITY OF NEW SMYRNA BEACH, all he/she intends on using for the construction of this project, as well as any alternate materials.

The CITY OF NEW SMYRNA BEACH will be allowed access to all sites where materials pertaining to this contract are manufactured or constructed for purposes of inspection.

Materials delivered and stored at either the manufacturing facility, staging area, or jobsite shall be properly stored on dunnage or by other appropriate means to prevent direct contact with the ground and unnecessary damage.

2.2 CONCRETE FLOATS

Manufacturing

The float manufacturer has a minimum of ten (10) consecutive years' experience in the design and manufacturing of concrete floats as their primary business.

The manufacturing facility shall be located in the United States and meet the requirements for the designation of "Made in the USA" as designated by the US Federal Trade Commission. The facility shall be designed to provide the proper environment and physical conditions necessary for float casting. The facility shall provide adequate workspace, equipment, level casting surfaces, and protection from direct sunlight, wind, moisture and freezing.

The manufacturing facility must have an ongoing quality management system. This quality system must be regularly assessed and currently certified as meeting the ISO 9001 Standard. The scope of this certification must be for the design and manufacture of floating docks and pertain to the company or portion of the company providing the products and services for the project. The registrar providing this certification must be accredited according to EN 45012.

Float modules shall be cast monolithically in a single pour. There shall be no cold joints of any type. All modules are to have concrete bottoms and walls.

Float modules shall have a minimum deck thickness of 2" inches and a minimum side wall, end wall thickness of 1-1/2" and bottom thickness of 1-1/4" inches.

Forms

Floats shall be cast in steel forms, with a smooth, true surface.

Forms shall be designed in such a way to prevent unsightly finished surfaces or definite lines that could result in crack planes. Any rough edges, form marks, or defects shall be cleaned, ground smooth, or patched.
Float forms shall have a tolerance of not more than 1/4 inch from the dimensions shown on the shop drawings. Floats cast from forms more than ½"

out of square (when measured diagonally) shall be rejected.

Concrete shall be vibrated internally and/or externally to assure a smooth dense finish. The placement will be such that the concrete float is monolithic with no cold joints in any part of the finished float.

Concrete Mix Design

Prior to the manufacturing of any flotation units, the concrete mix design shall be approved by the CITY OF NEW SMYRNA BEACH.

Concrete shall have a minimum twenty-eight (28) day compressive strength of 5,000 psi, per ASTM C-94. Floats made of concrete with less than specified strength may be rejected by the CITY OF NEW SMYRNA BEACH.

The mix shall contain a minimum of 611 pounds (six and one-half sacks) of Portland cement per cubic yard, either Type I or Type II modified, and low alkali. Type III cement may be used if the Tri-Calcium Aluminate of the cement is certified by the manufacturer to be between five (5) and eight (8) percent, and alkali content (Na20) and (K20) is less than 0.6 percent.

Concrete for the flotation units shall contain polypropylene fibrous reinforcement in the deck area at a rate recommended by its supplier.

The theoretical concrete unit weight shall not be more than 120 pounds per cubic foot.

Coarse and fine aggregates shall conform to ASTM C-33-86, ASTM C-330 lightweight aggregates for structural concrete.

All concrete shall be air-entrained from four (4) to seven (7) percent and shall be tested in accordance with ASTM C-138, C-173, or C-231.

The water/cement ratio shall not exceed 0.45 for light-weight concrete.

The slump range shall be three (3) inches to six (6) inches when tested in accordance with ASTM C-143-78.

Concrete Testing

All concrete testing shall be done under the guidance of certified personnel. Certification shall be in accordance with the National Ready Mix Concrete Association guidelines or equivalent. All concrete testing methods shall be done in accordance with the respective ASTM specifications.

Four (4) compressive test cylinders shall be taken daily per mix, cured, and tested by either an independent testing laboratory or by an on-site, CITY OF NEW SMYRNA BEACH approved, certified testing facility. Test results will be submitted on one (1) each, seven (7) day; one (1) each, 14-day, one (1) each, twenty-eight (28) day; and one (1) hold cylinder.

Unit weight and entrained air tests will be taken daily from the same material

sample used for the compressive test cylinders.

Daily concrete cylinder test reports shall be submitted to the CITY OF NEW SMYRNA BEACH on a job complete basis. All concrete testing shall be done at the Contractor's expense.

Concrete Reinforcement

Galvanized welded wire fabrication used as concrete reinforcement shall be 2" X 2" - 14/14. Welded wire fabric is required in the deck and the bottom sections with a minimum of a two (2) inch return to the sides and ends. Where splicing occurs, the overlap will be a minimum of four (4) inches. Galvanized wire mesh shall meet ASTM A-185.

Reinforcing steel bars shall be grade 40 or 60, conform to ASTM 615, and shall be epoxy coated in accordance with ASTM A775 or galvanized in accordance with ASTM A 767.

Expanded Polystyrene Core (EPS)

The closed cell expanded polystyrene core used inside the concrete unit shall meet Federal Specification C-578-85, which superseded Federal Specification HH-I-524C. The expanded polystyrene core must be fully encapsulated by concrete (all six sides).

The foam shall weigh between .95 and 1.10 pounds per cubic foot.

EPS to have a maximum absorption of three (3) percent by volume as tested by ASTM Method C-272.

The foam core shall be held in a true position during the casting operation with an allowable variation of 1/8 inch from the dimensions shown on the shop drawings.

Foam billets will have a dimensional tolerance of plus 0.125 inch and minus 0.125 inch.

Foam core may not have more than ten (10) percent reground EPS foam material. Reground foam pieces shall not exceed 3/8 inch in diameter.

Foam core shall be made up of not more than four (4) laminated sections.

The laminated foam core shall be glued with low solvent glue and shall be strapped to prevent delamination during transportation and handling.

No horizontal lamination may occur in the upper ten (10) inches of the foam core.

Utility Raceways

Section deleted, Not Applicable.

FRP Thru-Rod Connections

The minimum dimension for all thru-rods for structural attachment is 3/4-inch thread diameter.

All thru-rods shall be placed within PVC sleeves cast in the float units. The maximum inside diameter of PVC shall not exceed 7/8 inch.

All cast in inserts will be stainless steel, 3/4-inch diameter, with a welded loop or horizontal restraining bar.

Walers shall be securely fastened to the concrete floats using fiber reinforced plastic (FRP) of high strength pultruded rods. At the time of manufacture the pultruded tie rods shall meet the following specifications:

1. Profile Dimensions and Tolerances
   - Diameter 0.782 ± 0.008 in
   - Nominal weight 0.405 lb/ft ± 5% (weight is for rod before grinding)
   - Density (nominal) 125 lb./ft3 ± 5%
   - Cut length Customer advised length ± 0.1 in up to 6.6 ft lengths ± 0.2 in for lengths above 6.6 ft.
   - Straightness Customer advised length ± 0.1 in up to 6.6 ft lengths ± 0.2 in for lengths above 6.6 ft.

2. Raw Materials
   - Matrix is based on hybrid epoxy vinyl ester resin.
   - ECR glass

3. Resin matrix properties.
   - Glass transition temperature of resin ≥ 291 ˚F
   - Onset reaction temp ≥ 212 ˚F
   - Heat of cure ≥ 72 kJ/lb.
   - Peak Exotherm ≥ 248 ˚F

4. Reinforcement properties
   - Direct roving's, Boron-free ECR glass ASTM D5780
   - Single filament tensile Strength 450 to 550 ski, ASTM D2101
   - Young's modulus 11.5 to 11.7 mis Sonic method

5. Physical Properties
   - Transverse shear > 13.5 kip (single sided shear), ASTM D7617/D7617M
   - Nut pull off strength > 15.7 kip, In house test.
   - Dynamic Flexural Modulus > 6 mis, ASTM E1640
   - Moisture absorption < 0.1%, ASTM D570 Method 7.1
   - Glass transition temperature of finished rod measured by Dynamic Mechanical Thermal Analysis 284˚F Storage modulus curve, 320˚F Tan curve peak ASTM E1640
   - Cure Ratio >95% CSA S870-10

6. Other

- Color - Dark Grey
- Surface finish - Surface to be free from cracking, loose fibers, and blistering.

7. Test Certificate. A test certificate for each production batch shall include:
   - QA/QC Inward Raw Materials
   - Glass type
   - Resin type
   - Resin release number.
   - Incoming Resin QC Differential Scanning Calorimeter (DSC)
   - Test & Analysis (ASTM E1356)
   - Onset reaction temperature
   - Heat of cure
   - Peak exothermic
   - Glass transition temperature (Tag)
   - QA/QC Product and Production
   - Surface finish
   - Diameter (Ø)
   - Product glass transition temperature (Tag) (ASTM E1640)
   - Nut pull off strength.
   - Transverse shear strength
   - DSC and DMTA Thermogram graphs

All bolted connections shall include ¾" (nominal) nylon nuts manufactured from a high toughness 50% glass filled nylon 6 and contain high quality UV stabilizers for maximum longevity.

A minimum of four (4) thru-rods per float unit are required, with a minimum average of one (1) thru-rod per two (2) lineal feet of float length. The quantity and configuration of the thru-rods will be determined by the float system structural engineer's load calculations on each dock section.

Thru-rods shall be placed through each float unit within six (6) inches of each end of that unit, and within six (6) inches of each lumber splice.

No connecting device shall protrude beyond the fascia into the berth area. Any connecting device protruding above the surface of the deck shall have a low, rounded profile.

All nuts at triangle frame connections shall Bracket ¾" (nominal) Nylon Nuts. Nuts at the triangle frame shall be re-tightened immediately before receiving utility covers.

Nylon Nuts

1. Raw Materials: Nylon nuts shall be manufactured from a high toughness 50% glass filled nylon 6, which contains high quality UV stabilizers for maximum longevity.
2. Physical Properties: Nut pull off strength shall be >15.7 kip
3.Other:

- Nylon nuts shall be black in color.
- All internal surfaces shall be smooth.
- Hexagonal surfaces shall be textured for increased grip; all other surfaces shall be smooth. Small injection marks are acceptable.

Deck Finish

The float deck surface shall be trowel finished with a steel trowel and a slip-resistant finish applied transversely to the walking surface.

The contractor shall establish finishing methods and procedures to insure an even and consistent broom or screed finish on all deck surfaces.

All top edges shall have a 3/8-inch tooled radius with a minimum 1-1/2-inch-wide smooth hard steel finished face.

Outside top edges and corners shall be filed smoothly.

All work shall be performed by persons experienced and skilled in their trade.

Curing, Handling, and Storage

Except as otherwise approved, floats shall be cured for a minimum of seven (7) days or until they have reached 80% of design strength before transporting or assembling.

The Contractor shall select his own method of curing and be responsible for the result, except that all curing shall include the application of a curing compound as soon as practical after finishing and that the concrete modules be placed under cover with complete protection from direct sunlight, wind, and freezing for a period of three (3) days or until they have reached 70% of design strength.

Curing compound referenced shall meet the following requirements:

- Must be a balanced combination of sodium, potassium and meta silicate compounds with a surface reducing agent.
- Must not contain any chlorides, waxes, resins, or oils.
- Must not separate or settle out.
- Must not leave a residue on the concrete that would prevent the application of sealers or epoxies.
- Must combine chemically with the free lime in concrete to form a barrier to reduce moisture evaporation to a level that allows the complete hydration of the concrete.

The Contractor shall take care in establishing handling methods to avoid damage to floats during form removal, storage, assembly, and installation. Storage of flotation units shall be on level surfaces, and it shall be the responsibility of the Contractor to determine how high to stack units to avoid damage. Care shall be taken to avoid damage caused by over-stacking.

Floats shall be protected against damage from any cause.

Any damaged units shall be rejected and removed from the assigned job.

Cracks
Concrete cracking shall be minimized through proper design and control methods. However, it is typical for precast concrete to develop cracks. The structural nature of concrete is that the concrete must crack in order to mobilize the steel reinforcing.

Cracks that are determined to be structural in nature by the float system design engineer and not located in the deck of the module shall be V-cut out and patched with a non-shrink patching compound approved by the engineer. Cracks that are determined to be structural in nature by the float system design engineer which are located in the deck of the float module shall be patched in accordance with methods and materials approved by the CITY OF NEW SMYRNA BEACH and the design engineer on a case-by-case basis.

The design engineer shall determine if excessive cracking in a single flotation unit shall be the cause for rejecting that unit. Rock pockets exceeding one (1) inch in diameter and/or 1/2 inch in depth and/or honeycombing, shall be patched with an approved non-shrink grout of a color similar to the cured concrete. Any pockets which expose mesh or rebar shall be chipped out, cleaned, and filled with an approved epoxy patching compound.

Float Weight
The weight of the complete flotation units shall not vary from the theoretical weight or mean weight of all similar units by more than six (6) percent.

Submit program to verify actual float weights, quantity to be weighed, and method of record keeping.

Float Identification
All floats are to be clearly identified on one side between the bottom of the waler and the waterline with the date of manufacture, specific float type, and job number.

2.3 LUMBER
All timber walers and structural lumber shall be of Southern Yellow Pine; "No. 1" or better in accordance with either the Southern Pine Inspection Bureau or the Timber Products Inspection Bureau grading rules.

Lumber shall be fabricated accurately to provide uniform gaps and butt joint connections. Lumber splices shall not exceed 1/2 inch between adjoining ends.

All walers, fascia, spacers, plywood, or any other member, which is subject to foot traffic, shall be flushed with the concrete walking surface.

2.4 LUMBER TREATMENT
All lumber shall be pressure preservative treated with CCA to .6-pound retention after fabrication.

All lumber, with the exception of laminated beams, will be cut to length and all holes drilled prior to pressure treatment as far as is possible.

Tie bands used for delivery must have plates between the bands and the wood to prevent crushing. Bundle identification shall be done so as not to stain lumber surfaces.

2.5 STEEL

All structural steel channels, angles, and plates shall be fabricated from stainless steel conforming to ASTM A-240.

All steel fabrication and welding will be performed in a facility currently certified as meeting the ISO 9001 Standard. All structural steel welders shall be qualified in accordance with the requirements of ANSI/AWS D1.1, 2010 Structural Welding Code.

All structural steel welding shall be completed in accordance with requirements of ANSI/AWS D1.1, 2010 Structural Welding Code-Steel, and utilizing 0.035 welding wire AWS A5.18, ABS ER70S-6.

All aluminum welding shall be completed in accordance with requirements of ANSI/AWS D1.2 Structural Welding-Aluminum, utilizing 3/64" ER4043 Welding Wire, ANSI/AWS A5.10.

2.6 HARDWARE

Bolts, nuts, washers, and thru-rods shall be 316 stainless steel, in accordance with ASTM A-193 and A-194, and have a minimum of 1-1/2 inch of thread.

Washers shall be used with all nuts and bolts, which bear on wood or steel. Round plate washers shall be used on all thru-rods bearing on wood surfaces. Cut washers shall be used on all surfaces bearing steel surfaces.

2.7 WELDMENT AND TRENCH COVER PANELS

Cover panels, which provide continuous walking surfaces with the concrete deck, shall be of medium-density copolymer polyethylene or FRP, specially formulated to provide toughness and durability in a marine environment. The plastic shall contain UV stabilization for optimum performance in direct sunlight and weigh a minimum of 0.0342-lbs/cubic inch. The material shall be fabricated with a non-slip surface molded in the panels.

The basis of payment for **Concrete Floating Dock (Includes 14-Inch Concrete Piles & 12-Inch Timber Mooring Piles)** is per SQUARE FOOT. Payment shall be made once the floating docks are installed and have been accepted by the ENGINEER and the CITY OF NEW SMYRNA BEACH.

Item 12 **Concrete Sidewalk**

The bid price for this item shall include, but not be limited to, the necessary manpower, equipment, materials, and any other provision needed to properly construct concrete sidewalks throughout the project area as indicated in the construction plans. All products, dimensions, testing methods, application

methods, etc. must conform to the requirements of the Florida Department of Transportation Standard Specifications for Road and Bridge Construction (Latest Edition), which is the source of the specification for this item.

SECTION 522
CONCRETE SIDEWALK

522-1 Description.
Construct concrete sidewalks as indicated in the construction plans.

522-2 Materials.
Meet the requirements specified in the construction plans.

522-3 Forms.
522-3.1 Form Materials: Construct forms for this work of either wood or metal. Provide forms that are straight, free from warp or bends, and of sufficient strength, when staked, to resist the pressure of the concrete without deviation from line and grade. For all items constructed on a radius, use flexible forms.

522-3.2 Depth of Forms: Ensure that forms have a depth equal to the plan dimensions for the depth of concrete being deposited against them.

522-4 Foundation.
Compact fill areas, including cut areas under the sidewalk that have been excavated more than 6 inches below the bottom of sidewalk, to a minimum of 98% of AASHTO T180 density. All organics and other unsuitable material shall be removed from compacted areas prior to compaction and replaced with clean structural fill to the required grade. The area to be compacted is defined as that area directly under the sidewalk and 1 foot beyond each side of the sidewalk when right-of-way allows.

522-5 Joints.

522-5.1 Expansion Joints: Form 3/8-inch expansion joints between the sidewalk and the curb or driveway or at fixed objects and sidewalk intersections with a preformed joint filler meeting the requirements specified in the construction plans.

522-5.2 Contraction Joints:
522-5.2.1 Types: The CONTRACTOR may use open type or sawed contraction joints.

522-5.2.2 Open-Type Joints: Form open type contraction joints by staking a metal bulkhead in place and depositing the concrete on both sides. After the concrete has been set sufficiently to preserve the width and shape of the joint, remove the bulkhead. After finishing the sidewalk over the joint, edge the slot with a tool having a 1/2-inch radius.

522-5.2.3 Sawed Joints: If electing to saw the contraction joints, cut a slot approximately 3/16 inch wide and not less than 1-1/2 inches deep with a concrete saw after the concrete has set, and within the following periods of time:

Joints at not more than 30 feet intervals - within 12 hours after finishing.
Remaining joints - within 96 hours after finishing.

522-6 Placing Concrete.
Place the concrete in the forms, and tamp and spade it to prevent honeycombing, and until the top of the structure can be floated smoothly and the edges rounded to the radius shown in the plans. CONTRACTOR shall utilize sufficient chairs and non-metallic tie downs to minimize movement of reinforcing steel during concrete placement and shall place concrete in a manner which minimizes movement of reinforcing steel.

522-7 Finishing.
522-7.1 Screeding: Strike-off the concrete by means of a wood or metal screed, used perpendicular to the forms, to obtain the required grade and remove surplus water and laitance.

522-7.2 Surface Requirements: Provide a broom finish. Ensure that the surface variations are not more than 1/4 inch under a 10-foot straightedge or more than 1/8 inch on a 5-foot transverse section. Finish the edge of the sidewalk with an edging tool having a radius of 1/2 inch.

522-8 Curing.
522-8.1 General: Continuously cure the concrete for a period of at least 72 hours. Commence curing after completely finishing and as soon as the concrete has hardened sufficiently to permit application of the curing material without marring the surface. Immediately replace any curing material removed or damaged during the 72-hour period. After removing the forms, cure the surfaces exposed by placing a berm of moist earth against them or by any of the methods described below, for the remainder of the 72-hour curing period.

522-8.2 Wet Burlap Method: Place burlap, as specified in 925-1(FDOT Standard Specifications for Road and Bridge Construction (Latest Edition)), over the entire exposed surface of the concrete, with sufficient extension beyond each side to ensure complete coverage. Overlap adjacent strips a minimum of 6 inches. Hold the burlap securely in place such that it will be in continuous contact with the concrete at all times, and do not allow any earth between the burlap surfaces at laps or between the burlap and the concrete. Saturate the burlap with water before placing it, and keep it thoroughly wet throughout the curing period.

522-8.3 Membrane Curing Compound Method: Apply clear membrane curing compound or white pigmented curing compound, as specified in 925-2 (FDOT Standard Specifications for Road and Bridge Construction (Latest Edition)), by a hand sprayer meeting the requirements of 350-3.10 (FDOT Standard Specifications for Road and Bridge Construction (Latest

Edition)), in a single coat continuous film at a uniform coverage of at least one gallon per 200 square feet. Immediately recoat any cracks, checks, or other defects appearing in the coating. Thoroughly agitate the curing compound in the drum prior to application, and during application as necessary to prevent settlement of the pigment.

522-8.4 Polyethylene Sheeting Method: Place polyethylene sheeting, as specified in 925-3 (FDOT Standard Specifications for Road and Bridge Construction (Latest Edition)), over the entire exposed surface of the concrete, with sufficient extension beyond each side to ensure complete coverage. Overlap adjacent strips a minimum of 6 inches. Hold the sheeting securely in place and in continuous contact with the concrete at all times.

522-9 Method of Measurement.
The quantity to be paid will be the planned quantity, in square feet, completed and accepted. Ramps, reconstructed sidewalks, walk around sidewalks, sidewalk landings, sidewalk curb, and driveways will be included in the area to be paid.

522-10 Basis of Payment.
Price and payment will be full compensation for all work specified in this Section. Excavation for new installations will be paid for under the items for the grading work on the project.

Shop drawings of the sidewalk concrete mix design, microfiber, admixtures, and other components must be submitted to the ENGINEER in writing for approval before any construction begins. All concrete mix tickets shall be copied and submitted to the ENGINEER. In addition, the CONTRACTOR is responsible for all concrete testing, testing must occur once each day for each mix poured on site.

Square foot quantities do not account for grade changes; it is the CONTRACTOR'S responsibility to account for changes in grade.

The basis of payment for **Concrete Sidewalk** shall be per SQUARE YARD.

CITY OF NEW SMYRNA BEACH, FLORIDA
ITB 06-25-CIP: NORTH CAUSEWAY BOAT RAMP: DOCK & AMENITY IMPROVEMENTS PHASE 1
Reference Questionnaire for: _____

Name and title of Individual completing this form: _____

Name of Organization: _____

Telephone Number: _____ Email Address: _____

Dates of services received: _____

Description of services provided by the above-mentioned firm to your organization: _____

_____

The City of New Smyrna Beach received a proposal from the above-mentioned Firm listing you as a current or previous client. Kindly answer the following questions, then email your completed form. Your response provides valuable information in our evaluation process.

Each criteria listed below shall be rated on a scale of 1 to 5, with 5 representing exceptional and you would hire the firm or individual again; 4 representing above average; 3 representing average; 2 representing below average; 1 representing poor; and N/A representing that you do not have sufficient knowledge of the Firm or individuals past performance.

Item	Criteria	Score (1-5)
1	Rate the responsiveness and how well the contractor communicated significant issues or concerns with you.	
2	Rate how well the contractor stayed within the budget.	
3	Rate the quality of work provided by the contractor.	
4	Rate the timeliness of service provided by the contractor.	
5	Rate your level of overall satisfaction with the contractor/vendor at the completion of your project.	

Did the contractor/vendor stay within budget: _____

Were change orders necessary, and if so, how many and the reasons why? _____

_____

_____

Is there anything additional you would like to add regarding the level of service and expertise of the firm, or the auditor(s) assigned to your organization?

If yes, please describe.

Please email this completed survey to: purchasing@cityofnsb.com by 5 PM on February 12, 2025

ADDENDUM 1
ITB 06-25-CIP: North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
JANUARY 23, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to ITB 06-25-CIP, **North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1,** issued January 13, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question: What is the budget/ engineer estimate?**

   Answer: $1.4 million

2. **Question: What is the project duration? Substantial and Final Completion.**

   Answer: The Contractor agrees to commence work within Ten (10) calendar days after the date of the Notice to Proceed letter and shall achieve Substantial Completion within One Hundred Fifty (150) Contractor's consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

3. **Question: Can you confirm that Davis-Bacon Act applies to this project and if so, please provided the applicable Wage Determination Information**.

   Answer: The Davis-Bacon Act does not apply to this project.

4. **Question: Please confirm that Builders Risk will be required for this project?**

   Answer: Yes, Builders Risk will be required.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

Received by (Print): _____ Proposer Signature: _____

Firm Name (Please Print)

ADDENDUM 2
ITB 06-25-CIP: North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
JANUARY 27, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to ITB 06-25-CIP, **North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1,** issued January 13, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Recording: The recording for the January 23rd Prebid meeting is provided.

Clarification: Clarification for question two (2) to on Addendum one (1) 1 is provided below:

- **Question:** What is the project duration? Substantial and Final Completion.

  Answer: The Contractor agrees to commence work within Ten (10) CALENDAR DAYS after the date of the Notice to Proceed letter and shall achieve Substantial Completion within One Hundred Fifty (150) consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ADDENDUM 3
ITB 06-25-CIP: North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
February 6, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 3 to ITB 06-25-CIP, **North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1,** issued January 13, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Revised Timeline:

Bid Due Date: Prior to 5:00 pm on February 19, 2025
Bid Opening: 9:00 am on February 20, 2025
Microsoft Teams
Meeting ID: 270 252 917 596
Password: hh3Az2AX

Dial by Phone: 786-636-1338
Conference id: 914 504 196#

Recommendation to Commission: March 25, 2025

- **Please note, an additional addendum will be posted providing responses to recently received questions.**

ADDENDUM 4
ITB 06-25-CIP: North Causeway Boat Ramp:
Dock & Amenity Improvements, Phase 1
February 11, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 4 to ITB 06-25-CIP, **North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1,** issued January 13, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Attachment: Revised Plans

Questions/Answers:

1. **Question:** Upon excavation from the dredging where do we place the spoils temporarily to dry before we load and haul them off to their permanent designated locations?

   Answer: The dredged materials will be dewatered at the final disposal site. The contractor shall implement best management practices to minimize loading and prevent spills.

2. **Question:** We understand that your project specifies concrete floating docks, and we would like to inquire whether our aluminum-framed docks could be considered an approved equal. Aluminum-framed floating docks are designed to offer exceptional durability, stability, and versatility, while providing several advantages over traditional concrete docks, such as reduced weight, easier installation, and lower maintenance requirements.

   Answer: Aluminum frame docks will not be accepted.

3. **Question:** Refer to C-07, are dredge materials to be placed as a berm as shown in the berm cross-section detail?

   Answer: The dredge material shall be placed as shown in the construction plans. The berm cross-section detail on sheet C-07 depicts the maximum height, slopes, and widths.

4. **Question:** Refer to C-10, Different lengths are listed for the 14" square prestressed concrete pile. Text indicates length = 30'-0", Pile table indicates 34"-0'. Please confirm the length of all concrete piles is to be 34'-0".

   Answer: Please see revised plans included in this response. The 14” square prestressed concrete piles shall be 34’-0” in length.

5. **Question:** Refer to C-14 and C-15. different lengths are listed for the timber pies. C-14 states timber piles to be 30'-0" while C-15 shows timber piles to be 40'-0". Please confirm the length of all timber piles is to be 30'-0".

   Answer: Please see revised plans included in this response. The timber piles shall be 30’-0” in length.

6. **Question**: If carriage bolts are unavailable for the rail to post connections, what is an acceptable alternative?

   Answer: Contractor shall submit an alternate product that is of equivalent or greater strength and material properties.

7. **Question:** What is the hardware connection/detail for the timber dock to concrete grade beam?

   Answer: Please see revised plans included in this response.

8. **Question:** We assume vibration monitoring will only be required during the piling work. Please confirm

   Answer: Vibration monitoring shall be required throughout pile installation work.

9. **Question:** Given the scope of work, please confirm a general contractor's license is required.

   Answer: A general contractor’s license is required.

10. **Question:** Will the building permit fees be waived? If no, who is responsible for permit fees?

    Answer: No. The contractor is responsible for any federal, state, and local permitting fees, as all work associated with the applications and obtaining all necessary permits.

11. **Question:** Will the City allow time for submittals and procurement of the concrete floating docks prior to Notice to Proceed for construction? (150 calendar days in not realistic to procure and install concrete floating docks.)

    Answer: The Contractor is responsible for making a reasonable effort to furnish and install concrete floating docks in a timely matter; the contractor shall communicate the time needed to procure and install the concrete floating docks with the Engineer of record and the City of New Smyrna Beach. Reasonable accommodations shall be made as needed for procurement of the concrete floating docks, and can be discussed with the City upon award of bid.

12. **Question:** Will the city consider adding to the scope of work to include replacing the currently underwater gangway that is located between the proposed floating docks C and D?

    Answer: These components are currently not in this project’s scope of work.

13. **Question:** Will the city consider adding to the scope of work to include replacing the fixed timber dock that is slated to remain, located to the right of proposed floating dock D?

    Answer: These components are currently not in this project's scope of work.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

811 Know what's **below.** **Call** before you dig.

NOTE TO CONTRACTOR:

THESE DRAWINGS AND THE PROJECT SPECIFICATIONS ARE COMPLEMENTARY, AND ANY REQUIREMENT OF ONE SHALL BE A REQUIREMENT OF THE OTHER. IT IS THE CONTRACTOR'S RESPONSIBILITY TO EXAMINE THE DRAWINGS AND SPECIFICATIONS AND TO COMPARE THE REQUIREMENTS OF EACH DIVISION AND ENSURE THAT EACH TRADE OR SUBCONTRACTOR IS MAKING THE ALLOWANCES NECESSARY TO PROVIDE THE OWNER A COMPLETE FACILITY, OPERATIONAL IN ALL RESPECTS, UNLESS OTHERWISE SPECIFICALLY STATED IN THE DRAWINGS OR PROJECT MANUAL.

IT IS ALSO THE CONTRACTOR'S RESPONSIBILITY TO NOTIFY THE ENGINEER OF RECORD (EOR) OF ANY DEFICIENCIES OR DISCREPANCIES AMONG THE DIVISIONS OF THE DRAWING AND SPECIFICATIONS PRIOR TO THE DEADLINE FOR BID SUBMITTAL. NEITHER THE OWNER OR ENGINEER WILL BE RESPONSIBLE FOR ANY DEFICIENCIES OR DISCREPANCIES RAISED AFTER THE BID OPENING. ACCORDINGLY, IN LIGHT OF THESE OBLIGATIONS, THE ENGINEER IS OBLIGATED TO INTERPRET THE DRAWINGS SPECIFICATIONS IN A MANNER THAT WILL PROVIDE THE OWNER WITH A COMPLETE, FUNCTIONING FACILITY FOR THE BID PRICE.

PLACEMENT ADDRESS:
1292 TURNBULL BAY ROAD,
NEW SMYRNA BEACH, FL 32168

DREDGE DISPOSAL PLAN
1" = 60'

BERM CROSS-SECTION
1" = 5'

NOTES:
1. THIS SITE USAGE MAY BE MONITORED BY CITY OF NEW SMYRNA BEACH AND PLACEMENT OF MATERIAL MAY BE SUBJECT TO CHANGE. CONTRACTOR IS RESPONSIBLE FOR PROVIDING PERSONNEL, EQUIPMENT AND ALL SUPPLIES FOR CLEARING AND GRUBBING, PLACEMENT AND GRADING OF MATERIAL, ALL MAINTENANCE OF TRAFFIC, AND HAULING OF ANY UNDESIRABLE MATERIAL OFF SITE. ANY MATERIALS SPILLED SHALL BE CLEARED IMMEDIATELY AT NO COST TO THE CITY. ALL DISTURBED AREAS AND NEW BERM MATERIAL WILL BE TREATED WITH LIME, SEEDED AND MULCHED FOR SEED GERMINATION. CONTRACTOR WILL BE RESPONSIBLE FOR WATERING AS NEEDED. SEED MIX WILL BE 50 LBS/ACRE BAHIA GRASS, 50 LBS/ACRE BERMUDA GRASS, AND 50 LBS/ACRE BROWN TOP.
2. MULCHES SHALL BE DRY PRODUCTS. THE STANDARD APPLICATION RATE OF STRAW/HAY MULCH IS MINIMUM 2.0 TONS/ACRE WITH 80% TO 100% GROUND COVERAGE OF MATERIAL HAVING MINIMUM FIBER LENGTHS OF 6 INCHES TO 8 INCHES. DRY MULCHES MUST BE HELD IN PLACE, USUALLY CRIMPING, WHICH FORCES, OR PUNCHES, FIBERS INTO THE GROUND BY USE OF WEIGHTED DISK.
3. FROM PLACEMENT TO CONSTRUCTION OF BERMS, THE CONTRACTOR SHALL BE RESPONSIBLE FOR DUST CONTROL USING WATER OR OTHER ACCEPTABLE MEAN UNTIL GRASS COVER IS ESTABLISHED.
4. BALANCE OF DEWATERED DREDGE MATERIAL TO BE PLACED WITHIN BERM AREA ONCE BERM CONSTRUCTION IS COMPLETE. PLACEMENT TO BE PER CITY DIRECTION.
5. ALL VEGETATION TO BE CLEARED AND GRUBBED SHALL BE MULCHED AND STOCKPILED AT SITE.

CONCRETE SIDEWALK NOTES:

1. THE BEARING SUBGRADE SHALL HAVE ALL ORGANIC, LOOSE, AND DELETERIOUS MATTER REMOVED AND THE REMAINING CLEAN SOIL SHALL BE SMOOTH, SOUND AND SOLID. COMPACT TO 98% MODIFIED PROCTOR PER AASHTO T-180. ANY FILL MATERIAL SHALL BE COMPACTED WITH A VIBRATORY OR IMPACT COMPACTION MACHINE IN MAXIMUM 12 INCHES LIFTS OR COMPACTED WITH A HAND TAMPER IN MAXIMUM 4 INCH LIFTS TO 98% PER AASHTO T-180.
2. MINIMUM 28 DAY CONCRETE COMPRESSIVE STRENGTH f'c = 4,500 PSI.
3. LARGE AND SMALL ANGULAR AGGREGATE. NO PEA GRAVEL.
4. REINFORCED WITH 1.5 LBS. PER CUBIC YARD. FIBERMESH 150 VIRGIN HOMOPOLYMER POLYPROPYLENE MULTIFILAMENT FIBERS CONTAINING NO OLEFIN MATERIALS.
5. 1½" DEEP CONTRACTION JOINTS AS-SHOWN.
6. EXPANSION JOINTS SHALL BE PLACED AS SHOWN ON THE PLANS AND SHALL BE CLOSED-CELL NEOPRENE, FULL W X H
7. OTHER NOTES SEE "GENERAL NOTES - CONCRETE SIDEWALK" SHEET C-26.

SIDEWALK DETAILS

N.T.S.

CONCRETE GRADE BEAM MIX DESIGN:

1. MINIMUM 28 DAY CONCRETE COMPRESSIVE STRENGTH f'c= 6,000 psi
2. WATER-CEMENT RATIO w/c ≤ 0.40
3. 6% MICROSILICA
4. NO PEA GRAVEL

ALL OTHER SPECIFICATIONS, SEE GENERAL NOTE SHEET C-26

NOTE:

1. CONTRACTOR TO FIELD VERIFY ALL ELEVATIONS PRIOR TO PLACEMENT OF CONCRETE GRADE BEAM.

IMPORTANT NOTES TO BIDDERS:

1. The Contractor shall keep a pile driving log as specified in the plans and may not cut off piles until the Engineer has given approval to do so. The Contractor must provide advanced notification of a request to cut off piles so that the Engineer may make field observations, if necessary. The Engineer will not make a structure certification if the Contractor does not comply with this requirement. If vibratory hammer equipment is used to install piles, the time needed to hammer each pile shall be recorded.
2. The Contractor shall retain all material delivery tickets, material testing reports and cut-sheets/shop drawings for manufactured products for the project and provide copies to the Engineer on a weekly basis. The Engineer will not make a structure certification if the Contractor does not comply with this requirement.
3. The Engineer must be given advanced notice of the critical stages of construction including but not limited to initial construction stakeout, Type II floating turbidity barrier placement, false-work, dredging, first pile driving, initial framing of timber docks, placement of gangways and floating docks, forming of concrete, etc. The Engineer will not make a structural certification if the Contractor does not comply with this requirement.
4. The location of existing utilities, utility services, facilities, and structural features shown on these plans has been determined from the information available at the time of the preparation of these plans, but do not purport to be absolutely correct and are provided for only the convenience of the Contractor. Any inaccuracy or omission in such information shall not relieve the Contractor of its responsibility to protect the existing features from damage and unscheduled interruption of service or from the responsibility to relocate utilities are required. Should a discrepancy arise between these plans and actual field conditions which would appreciably affect the execution of the plans the Contractor shall stop construction and notify the County and utility or facility owner immediately. The Contractor shall verify, prior to construction, the exact location, elevation, dimensions of all existing utilities, facilities, structures, and other features (whether or not shown in the plans). The Contractor shall be solely responsible for coordination of any utilities to be adjusted by others for the construction of this project and shall coordinate with other utilities and entitles as required to ensure the successful implementation of this project.
5. A pre-construction meeting must be scheduled before start of construction and all parties are to attend including: Owner or Owner's Representative, Engineer, Prime Contractor, Subcontractor(s), Surveyor, Applicable Tradesmen, etc. The Engineer will lead the meeting and provide a list of critical items to discuss. Any work performed on site, without approval from the engineer of record and the owner, prior to the pre-construction meeting will be at the contractors expense.

GENERAL:

1. Owner hereinafter refers to Owner's Representative, City, County, Town, Developer or Private Entity.
2. All elevations in the project plans are referenced to feet North Atlantic Vertical Datum 1988 (NAVD 88) and Mean Low Water (MLW).
3. The project shall be straight, plumbed, level, and elevations are correct as shown in plans.
4. Any deviation from these plans, notes or specifications must be approved in writing by the Owner or Engineer, or else the deviation will be considered construction non-compliant with the plans and specifications.
5. Any discrepancies amongst the plans, notes, specifications and other bid documents must be resolved in writing by the Owner or Engineer prior to continuing the work in question.
6. These plans, notes and specifications, along with the other components of the project bidding documents, constitute the only instructions to bidders/contractors, unless written addenda are issued.
7. All construction, manufacturing, fabrication and testing of materials shall be performed under the guidelines set forth in applicable local, state and federal codes, and/or under recommendations provided in technical publications of respected professional or industry organizations. Material testing programs, where applicable, shall be presented to the Engineer for review and approval prior to construction.
8. All products constructed or manufactured/supplied for the project shall be accompanied by industry acceptable warranties or guarantees.
9. For the purpose of these specifications. "Project Completion" is defined as completion of an agreed upon list of punchlist items compiled in a planned project walkthrough held at a time the Contractor considers the project to be "Substantially Complete". The Contractor shall notify the Owner and Engineer at least 72 hours in advance of substantial completion and schedule a mutually agreeable walkthrough.
10. A portion of the site lies within flood zones “AE" with a base flood elevation of 5.0 as indicated on Federal Emergency Management Agency Flood Insurance Rate Map Community Panel No.12127C0541J dated September 29, 2017.
11. Any materials interfering with construction, and all abandoned utility lines, pipes, structures and other subterranean objects to be removed, shall be disposed of as directed by the Owner. All materials not claimed by the Owner shall be disposed of at the Contractor's expense in areas provided by the Contractor.
12. The Contractor shall endeavor to protect private property. Any damage caused by the Contractor in the performance of his work shall be corrected to the satisfaction of the Engineer at the Contractor's expense. Payment shall not be made for this work.
13. Any damage to state, county, or local roads caused by the Contractor's hauling or excavation equipment shall be repaired by the Contractor to the satisfaction of the Engineer. Payment shall not be made for this work.
14. The construction lengths indicated in these plans are approximate. Actual limits may be set in the fields as directed by the Engineer.
15. During land alteration and construction activities, it shall be unlawful to remove vegetation by grubbing, or to place soil deposits, debris, solvents, construction material, machinery or other equipment of any kind within the dripline of a tree to remain on site unless approved by the Engineer.
16. All trimming undertaken on a tree protected by provisions of the land development code shall be pruned in accordance with the National Arborist Association (NAA) Pruning Standards.
17. The Owner and the Engineer reserve the right to perform quality assurance testing on all materials delivered to project and to reject all materials not meeting acceptable standards.
18. The Contractor shall be responsible for the complete stake-out of the project, i.e., line, grade, slope stake, utility relocations or any other stake-out that may be required to complete the project in accordance with the plans and specifications. Any and all expenses incurred for this work shall be included in the unit price bid for other items. No additional payment shall be made for this work. Contractor shall also be required to provide a certified as-built survey of the grading, drainage and earthwork improvements and meet any minimum requirements of Owner.
19. Overall cleanup shall be accomplished by the Contractor in accordance with Owner standards or as directed by the Engineer. Any and all expenses incurred for this work shall be included in the unit price bid for other items.
20. If, during construction activities, any evidence of historic resources including, but not limited to, aboriginal or historic pottery, prehistoric stone tools, bone or shell tools, historic trash pits, or historic building foundations are discovered, work shall come to an immediate stop and the client and the Florida Division of Historical Resources shall be notified within two working days.
21. All materials and construction shall be in accordance with the more stringent of the current FDOT Standards and Specifications or City of New Smyrna Beach Standards and Specifications.
22. Contractor shall be responsible for independently calculating all quantities for the project including earthwork. It is the Contractors responsibility to verify the Engineers estimated quantities included on the bid schedule.
23. The Contractor shall provide pumping equipment and devices to properly remove and dispose of water during construction, if needed.
24. Refer to construction pollution prevention plan for erosion control notes.

SURVEY INFORMATION:

Topographic information shown hereon from survey performed by Arc Surveying, Inc. on June 20, 2023, is in referenced to the North American Vertical Datum 1988 (NAVD 88) and Mean Low Water (MLW).

SOIL BORINGS:

Structural calculations based on the Geotechnical Engineering Evaluation, dated March 5, 2024 by Universal Engineering Sciences, LLC. The Geotechnical Report has a total of eight borings, B-1, B-2, B-3, B-4, B-5, B-6, B-7 and B-8. Refer to the Geotechnical Report.

ENVIRONMENTAL AND PERMITS:

1. The U.S. Army Corps of Engineers (USACE), Florida Department of Environmental Protection (FDEP) and the local city or county may exert jurisdiction over construction of the project. The Contractor shall be responsible to understand and comply with all applicable permit conditions imposed by the jurisdictional agencies, if permits are necessary. The Contractor is responsible for all permits required for construction, including but not limited to mangrove trimming, mangrove removal, etc. as stated in the USACE and FDEP permits indicated on the cover sheet of this plan set.
2. Contractor must comply with general state water quality standards for siltation and guidelines for encounters with threatened and endangered species.
3. All building and construction-related permits from the local (city or county) or state authorities are the responsibility of the Contractor.
4. The Contractor shall be responsible for penalties and/or fines levied due to work that is not in accordance with permit conditions.
5. National Marine Fisheries Services has special conditions for manatees. See sheet C-27 titled "Environmental Notes".

SUBMITTALS:

All submittals shall be made to the Engineer of Record for review and approval, in writing, prior to ordering and before construction. Submittals also include but are not limited to, shop drawings, mark-up drawings, sketches, cut-sheets, product literature, additional specifications, photographs and letters.

Submittals list:

1. Schedule for completion of work with tasks and durations defined.
2. Shipping, Stockpile and Site Administration Plan (SSSAP).
3. Temporary Traffic Control plan (TTC) for vehicles and pedestrians, including material deliveries, stockpile area(s), worker's parking and construction equipment.
4. Site-Specific Safety Plan shall be distributed and reviewed with all site workers prior to said workers commencing work on the project site. See "Site Safety" heading.
5. Complete list of required shop drawing submittals shall be provided by the Engineer at the pre-construction meeting.
6. Changes, alternates or other methods different from project plans must be approved, in writing, via submittals required by the Engineer and/or Owner.
7. After completing the punchlist in the field, the Contractor must submit a itemized punchlist, as-built survey and record drawings for final changes and the Engineer of Record approving in writing.
8. The Contractor shall be responsible for keeping a log of change orders, RFI's and shop drawings. The log shall be updated and available upon request.

INSPECTION COORDINATION:

1. The Engineer will be conducting routine observations and observations at critical stages of construction. A minimum of 72 hours notice shall be given to the Engineer prior to commencing the critical stages of construction. In general, critical stages are the initial work on the major structure components. Examples of critical stages of construction include but are not limited to: initial construction stakeout, Type II floating turbidity barrier placement, false-work, dredging, first pile driving, initial framing of timber docks, placement of gangways and floating docks, forming of concrete, etc.
2. The local city or county may perform their own construction observations in addition to the Engineer. No observers other than the Engineer or his/her designated representative shall have the authority to determine compliance with plans and specifications.
3. Other observers may relay information to the Engineer, but it will be the Contractor's ultimate responsibility to maintain contact and resolve disputes, questions, field changes, payment requests, etc. directly with the Owner or Engineer.

CONSTRUCTION SURVEYING:

1. Stake-out survey of the project is the responsibility of the Contractor. Beginning and end points will be provided by the Owner or Engineer in the project drawings.
2. The staked project must be approved by the Engineer prior to commencing construction. The Engineer reserves the right to make alignment changes based on conditions portrayed by the initial stakeout.
3. Methods and frequency of continuing stake-out during construction shall be submitted to the Engineer for approval prior to beginning construction.
4. The Contractor must perform an independent construction record survey (as-built survey) as a check for compliance at the end of the project. The record survey must be signed and sealed by a State of Florida Licensed Professional Surveyor. The record survey must be referenced to feet NAVD 88 and MLW.
5. The Prime Contractor is advised that certification of the project elevations and alignment is required by the Engineer for final acceptance of work.

SITE SAFETY:

The Contractor shall prepare and adhere to a Site-Specific Safety Plan. The contents of the plan are:

1. Identification of potential hazards and injuries pertaining to the specific site and project.
2. Location of nearest hospital.
3. Assure availability of at least one working cell phone and one vehicle on site at all times.
4. Emergency contacts within the Subcontractor's organization and at the Prime Contractor's organization.
5. All field personnel shall wear appropriate safety attire and utilize appropriate personal protection equipment for a given task/operation such as safety glasses/goggles, masks, shields, gloves, harnesses, hard hats, steel-toed boots,etc.
6. Safety kit shall be available onsite at all times with appropriate materials for potential hazards and injuries.
7. The Site-Specific Safety Plan shall be distributed and reviewed with all site workers prior to said workers commencing work on the project site.
8. The Contractor shall follow all applicable local, state, and federal codes regarding site safety.
9. The Contractor shall adjust the means and methods of this plan as appropriate for maintaining site and operational safety.

NEW SMYRNA BEACH

Drawing Name: C:\Users\DMC-CAD\Dredging & Marine Consultants\DMC - Documents\DMC Projects\128 - City of New Smyrna Beach\23-128-11 North Causeway Boat Ramp Facility Improvements\Drawings\North Causeway Boat Ramp_100.dwg By: DMC-CAD Tab: 24-G NOTES 1 2/10/2025

SITE MAINTENANCE:

1. The Contractor shall maintain a clean and neat site, void of loose debris, trash, remnant parts or materials.
2. Trash receptacles and removal service shall be maintained by the Contractor specifically for this project. Pre-existing trash/debris facilities shall not be used to maintain the project.
3. Temporary debris piles shall be limited in number as much as practical and contained in designated areas until removal. Debris and trash shall not be scattered in areas outside the limited designated areas at any time.
4. Removal of trash/debris shall be scheduled as appropriate to not allow piles to reach five-feet in height or greater than ten-feet in diameter. Debris individually larger than these dimensions shall be removed from the site within five working days. Receptacles shall not overflow at any time.
5. Where necessary, the Contractor shall employ a Temporary Traffic Control plan (TTC) for vehicles and pedestrians, including material deliveries, stockpile area(s), worker parking and construction equipment. The plan must be in writing, including sketches or drawings, and must be submitted to the Owner or Engineer for review and approval before commencement of any work.
6. The Contractor shall follow all applicable local, state and federal codes regarding site maintenance.

MOBILIZATION AND DEMOBILIZATION:

1. It is understood that this project will require work in and over water. Access to near water construction areas is required for material storing, hauling, erection and construction. All facilities, public or private, used for such purposes shall be repaired to their original condition following "Completion" of the project, including grade and topping (sod, tree/vegetation cover, established road, etc.)
2. The Contractor shall present a Shipping, Stockpile and Site Administration Plan (SSSAP) to the Owner or Engineer for approval. The plan shall be specific to the project requirements for the particular materials to be delivered to the site, describing delivery points, stockpile areas, temporary debris/trash storage areas, temporary field office (including utilities maintained there), fencing, security and a statement of commitment and details for maintaining safety on the site.
3. The Owner or Engineer shall have the right to exercise reasonable alterations or additions to the SSSAP.
4. It is the Contractor's responsibility to coordinate, and pay for, necessary utilities to occupy the site and perform the work.
5. The Contractor shall not demobilize until project completion, and all parties have agreed and signed off in writing.

TECHNICAL SPECIFICATIONS FOR SITE PLAN TESTING:

1. MATERIAL
   The inspection and testing of materials and finished articles to be incorporated in the work shall be made by bureaus, laboratories, or agencies approved by the Engineer of Record. The Contractor shall submit such samples, or such special or test pieces of materials as the Engineer of Record may require. The Contractor shall not incorporate any material or finished article into the work until the results of the inspections or tests are known and the Contractor has been notified by the Engineer of Record that the material or finished article is accepted. All materials must be of the specified quality and be equal to the approved sample if a sample has been submitted. Certified copies of all tests made shall be submitted to the Engineer of Record as well as to the Owner's designated site inspector. The Owner's designated site inspector must receive copies of all testing reports and certificates prior to the Engineer of Record requesting a final project inspection from the Owner.
2. LABORATORY CONTROL AND CERTIFICATES SPECIFICATIONS:
   Sampling, testing, and laboratory methods shall be in accordance with the standard specifications of the AASHTO or ASTM. Where AASHTO or ASTM specifications are used, the reference shall be construed to be the most recent standard specifications or tentative specifications of the AASHTO or ASTM in force on the date of the test.
   TEST AND CERTIFICATES:
   The Contractor shall engage an approved testing laboratory to provide the following tests and certifications signed by a registered Engineer of the State of Florida. All technicians performing the tests shall be state certified for the testing performed. Additional tests that may be required by either the Engineer of Record or the Owner shall also be provided by the Contractor, and the following shall not be taken as a complete and exhaustive list of the Contractor's testing responsibilities.
   a. Soil analysis for structural fill material prior to installation.
   b. Proctor densities, moisture content, compacted field densities and Atterberg limits.

EROSION AND TURBIDITY CONTROL:

The following measures represent minimum standards to be adhered to by the Contractor throughout the construction of this project. The Owner reserves the right to require additional measures to be employed when warranted by extreme conditions and/or the failure of the Contractor to employ the appropriate erosion and turbidity control best management practices. Failure to comply with these provisions shall result in the issuance of a "stop work order".

1. It shall be the responsibility of the Contractor to have all protective vegetation barricades, erosion and turbidity control structures and measures in place prior to the commencement of any work. These measures include, but are not limited to, temporary construction fences, hay bales, silt fences, and floating turbidity barriers. Further, it shall be the responsibility of the Contractor to maintain all erosion control devices throughout the duration of the entire project. Maintenance shall include periodic inspection and removal of debris abutting erosion control devices.
2. Prior to the installation of any fill materials on subject site, silt fences shall be installed (1) along subject site boundary and property lines, (2) at the edge of conservation easements and wetlands, (3) adjacent to natural landscape buffers, (4) around the perimeter of existing storm water treatment facilities, and (5) at any additional areas that the Owner deems necessary to be protected from potential erosion impacts during construction. These conditions shall apply in all instances where fill material is being installed within 25-feet of any of the aforementioned locations. While these items represent the minimum requirements, the Owner reserves the right to impose additional protective measures, as determined during actual site visits conducted throughout project construction.
3. At a minimum, the Contractor shall seed and mulch all disturbed areas. Sufficient grass coverage is to be established within thirty days.
4. Soils are to be stabilized by water or other means during construction. This is intended to reduce soil erosion and the impact to neighboring communities. Adequate watering methods should be employed to allow daily coverage of the entire limits of all areas that do not have an established vegetative cover. Methods to be employed include, but are not limited to, water trucks, permanent irrigation systems, temporary sprinkler systems operated by pumping units connected to wet retention ponds, water cannons, temporary irrigation systems mounted atop stockpile areas, and other methods as deemed necessary by the Owner.
5. Any permitted demolition or removal from submerged lands or adjacent uplands shall be fully contained within siltation devices such that permit turbidity requirements and state water quality standards are met.

DEMOLITION, CLEARING AND RESTORATION:

1. Demolition or clearing may require permits. The Contractor shall acquire all necessary building permits from the local municipality prior to commencing work.
2. Clearing and removal of vegetation, rocks and debris will be required within the project structure footprint.
3. Demolition or removal of objects, debris, or material specified or obstructing construction shall take place only to the extent necessary.
4. The site shall be restored by removing and finishing all evidence of construction including temporary haul roads, vehicle ruts, stockpile areas, shoreline slopes and vegetation, sod and areas subject to project work.

AS-BUILT SURVEY AND RECORD DRAWINGS:

1. As-built survey and record drawings shall be submitted at the time of the punchlist review and shall be reviewed by the Engineer for completeness and correctness.
2. The record drawings shall be a designated set of drawings maintained on site for the purpose of hand-making all changes and deviations from the original design, no matter how slight. Color markings are preferred.
3. The record drawings shall also contain any and all field changes with respect to location, alignment, height, width, length, depth, materials, products, etc.

TIMBER

1. Southern Yellow Pine (S.Y.P.) Lumber:
   a. Deck Boards, Vertical Rails, and Horizontal Rails: S.Y.P. No.1 Prime Grade
   b. Posts and Mid-Posts: S.Y.P. No.1 Grade
   c. Stringers and Cap Boards: S.Y.P. No.2 Grade
2. Piles: Southern Yellow Pine (S.Y.P.) treated round timber pile grade in accordance with ASTM D25.
3. All ramps established within the wooden dock sections should be established to ADA requirements. Slopes must not exceed 1:12 (V:H) and handrails must be established on both sides of the ramp according to the typical section found in plans. Transition of the wooden access ramps should be flush with the deck and a minimum clearance of 36-inch of space should be between handrails.
4. Treatment of timber shall be as follows: Handrails and decking; 0.40 PCF ACQ (Alkaline Copper Treatment), stringers, pile cap boards and other components except piles; 0.6 CCA (Copper Chromium Arsenate), piles/posts; 2.5 CCA. All timber, lumber and pilings shall be marine grade and identified by the grade and treatment mark of a recognized organization or independent agency certified by the American Lumber Standards Committee.
5. All timber, lumber and piles shall be marine grade and identified by the grade and treatment mark of a recognized organization or independent agency certified by the American Lumber Standards Committee.
6. Decking shall be placed with ¼-inch gaps between boards.
7. One layer of roofing felt shall be placed between deck (each board) and stringers. All boards for decking shall be installed crown down.

PILES:

1. 12" diameter, round timber pile
   a. Southern Yellow Pine (S.Y.P.) Lumber
   b. Marine Grade per ASTM D25
2. 14-inch, square, pre-stressed concrete, FDOT, Marine Grade piles must have strict occurrence of:
   a. Fabricated at a plant that is currently on the listing of FDOT Production Facility.
   b. f'c = 6,000 psi.
   c. w/c ≤ 0.40.
   d. (8) - ½" dia. strands (minimum).
   e. 3" minimum clear cover.
3. Provide and install concrete piles in accordance with FDOT specification 455.
4. Concrete shall be FDOT class IV (special) for extremely aggressive (marine) environment. Provide sufficient fly ash or slag to cement content to increase impermeability of concrete.
5. The piles shall be of the size and length shown in the plans.
6. All piles shall be set full length with top elevation as shown in plans. Cut-offs are not allowed except for minimal required (maximum 6") to remove tops damaged by the pile driving equipment.
7. The pile-setting equipment used must be of proper size, set-up and maintenance as to not cause excessive damage to piles. Damaged piles must be removed, discarded and replaced at the Contractor's expense. The Contractor shall provide information regarded the model and operating specifications of the pile-driving equipment to be used on the job for approval by the Engineer prior to commencing pile-driving.
8. Prior to signing of the construction contract, the Contractor being considered shall have all major equipment items available for inspection. Any deficiencies in quality and quantity or type of equipment shall be corrected prior to commencing work and such correction shall be a required condition to properly fulfill the contract. This inspection and subsequent approval shall in no way relieve the Contractor from his obligation to provide all equipment required to properly perform the work.
9. The Contractor shall make an earnest attempt to drive piles to grade, utilizing alternate methods or ideas to make the grade at no additional cost to the Owner.
   a. Larger hammer.
   b. Alternate hammer type.
   c. Tool Punch.
   d. Steel "shoe".
   e. Auger
10. Cut-off of piles is strictly not allowed unless approved by the Engineer. When requesting permission to cut off sheet piles, the Contractor shall provide a minimum of 72 hours advance notice to the Engineer to inspect the site and make recommendations. The pile must remain "as-is" until the Engineer completes the field inspection and makes recommendations. The Engineer may request multiple driving attempts over the course of 48 hours at no additional cost to the Owner. Any pile cut off without written approval by the Engineer shall be removed and replaced at the contractors expense at no additional cost to the Owner.
11. Contractor shall keep a pile driving log on the site at all times which shall include the following information: date, time, weather conditions, equipment used, pile location designation, blows per foot over entire driving sequence, total length of pile (after driving and cut-off, if cut-off allowed), amount of jetting or punching (if requested and approved), unusual pile behavior, damage and re-driving. This log shall be available to the Engineer or Owner at any time during the job. Updated copies of log pages shall be provided to the Engineer at least weekly throughout the project. If a vibratory hammer equipment is used to install piles, the time needed to hammer each pile shall be recorded. The Engineer will not make a structural certification if the contractor fails to provide pile driving logs.
12. Jetting of piles is not permitted without approval from the Engineer of Record. If jetting is requested, Contractor shall submit request to Engineer of Record for approval prior to jetting piles. Contractor shall provide information including but not limited to, the pile driving logs of all piles driven, the type of jetting prposed, the length of pile proposed to be jetted, the location of proposed jetting, etc. The final five (5) feet of all piles must be driven.
13. If solid rock, debris or refusal is encountered prior to achieving the minimum penetration, then the pile shall be tool-punched. No additional payment will be made for pile driving where this work is required. It is the Contractor's responsibility to investigate the site and make preliminary probes if necessary. Arrange site visits for this purpose directly with the Owner.
14. The pile handling and driving procedure shall not subject the piles to excessive abuse causing damage. The pile-driver connection shall be made such as to minimize damage to the pile and eliminate or reduce cut-off. Any pile so damaged in handling or driving shall be replaced by a new pile, or otherwise corrected, as directed by the Owner or Engineer and at the expense of the Contractor.
15. Proper care shall be taken for aligning piles. Pile alignment must be approved by Engineer of Record prior to framing. Piles shall be plumb and placed precisely as shown on plans, Contractor shall remove and replace any piles not meeting these requirements at no additional cost to the Owner.

DRAWING: GENERAL NOTES

Drawing Name: C:\Users\DMC-CAD\Dredging & Marine Consultants\DMC - Documents\DMC Projects\128 - City of New Smyrna Beach\23-128-11 North Causeway Boat Ramp Facility Improvements\Drawings\North Causeway Boat Ramp_100.dwg By: DMC-CAD Tab: 25-G NOTES 2 2/10/2025

BOLTS, SCREWS & FASTENERS:

1. All fasteners, including nails, screws, threaded rods, bolts, nuts, washers, plates, lags, etc. shall be grade 316 stainless steel (S.S.). Washers used with single-bolted or double bolted connections (for example: stringer to piling connection, cap board connections or cross-bracing) shall be minimum 3-inch diameter "dock washers". Standard washers for splice block and railings.
2. Bolts shall extend fully through the nuts but not extend beyond the nut more than ½-inch.
3. Stainless Steel (S.S.) screws as shown in plans.
4. Simpson Strong Tie Twist Straps (stainless steel hurricane straps), MTS. Screws shall be Simpson Strong Tie 9-inch x 1½-inch Stainless Steel (S.S.).

FLOATING DOCKS:

1. The gangways may, or may not be, provided by the floating dock manufacturer, at the manufacturer's and/or contractor's preference. Gangway ramps shall be of length and width shown on the plans. Gangway ramps shall be constructed of Aluminum Alloy 6061-T6 and designed to carry its own dead load plus a live load of 50 pounds per square foot (psf). Gangway handrails shall be 42-inches in height and designed for 50 pounds per linear foot (plf) applied horizontally along the top rail and a point load of 200 pounds applied on the top rail mid-way between posts. The decking shall be a non-skid surface to prevent slippage when wet at maximum angle. The deck material shall be aluminum planking unless otherwise directed by the owner/developer. Gangway hardware shall be aluminum or stainless steel. The fixed hinge shall be at the top of the ramp and shall freely rotate over the entire range of design water level fluctuations.
2. Piling design (number, size, length, shape and type) has been performed by the project engineer. Where pilings are shown in plans, the floating dock manufacture shall provide stainless steel four-roller pile guides with UHMW rollers and stainless steel roller pins. Other pile guide hardware and metal sections required shall be stainless steel. The pile guides shall have 3-inches of clearance from the piling to each roller.
3. Floating Dock System shall be compromised of the following basic components:
    a. Individual concrete float units with main pier, when attached, forming a continuous walkway surface of the material and finish desired by the City.
    b. Aluminum gangway onto the float of the size and at locations shown in the plans.
    c. Pilings and pile guides, which shall be the primary support of the floating dock system.
    d. Industry standard "D" shaped bumpers to surround the entire floating dock.
    e. Transition plates as detailed in plans.
    f. Aluminum or Grade 316 Stainless Steel hardware and components, Hot Dipped Galvanized will not be accepted.
4. Contractor is responsible for ensuring that the floating dock system properly functions and that no debris hinders its functionality. If debris is located within the footprint of the floating system then the contractor must remove the hindrances in order to allow proper function.
5. The method and material type of floatation, deck system, and connection between floatation units shall be clearly described in detailed shop drawings for review by the owner and owner's representatives. For the purposes of this project, the floating dock shall be of concrete composition. System hardware shall be HDG or stainless steel, roller pins shall be stainless steel.
   The environmental forces and criteria for the floating docks design shall be as follows:
    a. Wind Speed:
    b. Wave Height:
    c. Surge: Upper Category 2
    d. Vessel Impact: 30-foot power boat at 1.5 knots
    e. Live Load (LL): 50 pounds per square foot (psf)
    f. Dock freeboard (no load/dead load): 19-inch +/- 1-inch
    g. Dock Freeboard (DL+LL): 9-inch minimum
6. Pre-stressed FDOT Marine Grade 14-inch square concrete piles to be 45 linear feet.
7. The contractor shall provide and properly install industrial aluminum cleats on the floating concrete system as located on the plans.
8. White square composite caps shall be properly placed and secured on all newly installed concrete piles. This cost should be incorporated into the cost of the floating dock.

DREDGING NOTES:

1. DREDGING
    a. This project consists of mechanical dredging of up to 440 cubic yards of material. Prior to construction, the Contractor is required to provide evidence of the proper equipment to the Engineer of Record prior to commencement of construction.
    b. The Contractor shall account for providing/maintaining safe navigation and marina access, lighted buoys, markers, and all equipment needed to stabilize and maintain visibility of the pipeline, booster pumps, and all other equipment and construction activities until all work is complete.

   SURVEY:
    a. Prior to commencement of construction, the Contractor is required to stakeout the limits and stationing of the dredge area. Throughout the duration of the project, the Contractor is required to maintain the stakeout of the dredge area, stationing and all referenced to Mean Low Water (MLW).
    b. The method of payment is strictly determined only by the comparison of the pre-and post-survey. The Contractor shall received no compensation for any quantity of overdredge material other than limits depicted in this planset.
    c. The Contractor is required to secure dredge barge when dredging is stopped. The dredge barge shall be equipped with lights, and lights must be activated 30 minutes before sunset and shall remain illuminated until 30 minutes after sunrise.
    d. The Contractor shall submit a hurricane preparedness plan to the Engineer of Record.
    e. The Contractor is required to have a permanent tide gage on site, gage shall be utilized for measuring the tide while dredging to ensure correct dredge depth.
    f. The Contractor shall contact the Engineer of Record 14 days in advanced, if any vessels are located in the dredge area. The Owner shall removed all vessels from the dredge area prior to the project commencement.
    g. A minimum of a 10 to 15 foot buffer shall be maintained from the outermost extent of all structures and mangrove habitats while dredging.

ENVIRONMENT COMPLIANCE:

    a. The Contractor shall install Type II floating turbidity barriers as shown in the plan set.
    b. The Contractor is required to measure turbidity of the water outside of the turbidity barrier surrounding the dredge barge and 150 feet downstream of the dredge two times a day, once from after the start of dredging to noon and once from noon to before the end of dredging. The turbidity measurements shall be no greater than 29 NTU's above the background NTU's located at the project site. If the measured turbidity is greater than 29 NTU's above the background NTU's, the Contractor shall provide a secondary turbidity barrier around the dredge barge.
    c. Contractor shall keep a log of the turbidity measurements on site throughout the duration of the project. The Contractor is required to submit turbidity logs to the Engineer of Record at the end of every week throughout the duration of the project for submittal to regulatory agencies as required.
    d. This is mechanical dredging project and operations are limited by the abutting boat activity and navigation, and standard conditions for in water work and the Manatee Key as specified by the U.S. Army Corps of Engineers.
    e. No dredging activities shall occur between November 1 and March 31. For dredging activities that occur between April 1 and October 31, observers shall be dedicated for manatee observation.
    f. The Contractor is required to have a marine mammal/manatee observer present at the project site at all times throughout the duration of the project. The Contractor is to abide by the Standard Manatee Conditions for in-water Work 2011, refer to Sheet C-27 "Environmental Notes" and post resource protection signage on all floating equipment and barges.
    g. The Contractor shall be responsible for all best management practices to prevent erosion and water quality violation at all times.

CONCRETE GENERAL NOTES:

1. All mix designs by the concrete supplier or Contractor must be submitted to the Engineer for approval prior to submitting order.
2. Concrete cover from all exterior faces shall be 4" clear to the outermost face of any reinforcement, including stirrups, unless otherwise noted in the plans.
3. Strict adherence to concrete cover, water-cement (w/c) ratio, admixture additions, handling and curing will provide the optimum chance to achieve the longest service life possible for the project cast-in-place or pre-cast concrete components.
4. No greater than 45 minutes may transpire between individual castings. Trucks may not sit on site for greater than 45 minutes. Trucks sitting full on site for greater than 45 minutes shall be rejected at the Contractor's expense. Delays in casting a given form greater than 45 minutes shall be rejected unless an acceptable construction join can be made.
5. A working concrete vibrator must be on site prior to delivery of first concrete. The Owner or Engineer shall not allow concrete to be cast otherwise.
6. Vibrate concrete fully, particularly at corners and edges, in a continuous vertical plunging motion, never allowing the vibrator to become motionless in the concrete. Concrete with submittals voids or honeycombing will be rejected.
7. Non-metallic chairs and spacers must be used in reinforcement placing.
8. Concrete materials testing shall be performed per acceptable ASTM methods and intervals. A material testing program must be prepared by the Contractor and/or manufacture for review and approval by the Engineer. At least one set of four cylinders shall be cast for any one day's work, or work between construction joints, or more if prescribed by ASTM.
9. Continually wet water cure horizontal surfaces for at least three days and all exposed concrete surfaces after concrete is set. For the purpose of this specification "set" is when the concrete surface is hard enough so that when "knocked" with the knuckles the concrete is not dented. The Contractor is responsible for arranging a water source for curing purposes prior to commencing casting of concrete.
10. Apply Master Builders/BASF “ConFilm” or Euclid Chemical “Eucobar” product immediately after first float and then after final finish. Refer to manufacturer's recommendations for mixing and application.
11. The final alignment of the concrete to be straight and level per elevations and plans provided.
12. Expansion joints must be ⅜" thick closed-cell neoprene.

SIDEWALK CONCRETE:

1. All sidewalk concrete shall be:
    a. 28 Day Compressive Strength: 4,500 PSI minimum.
    b. Water-cement raitio less than or equal to 0.45
    c. Air Entrainment: Minimum 2 to 3%
    d. Potable water, no chlorides.
    e. Type I Cement
    f. Large (¾-inch minimum) and small aggregates washed and free of chlorides or reactive chemicals. Aggregate shall be crushed stone, no pea gravel or rounded gravel.
    g. Retarders or accelerators not allowed unless justified to the Engineer prior to their use.
    h. See plans for expansion and contraction joints.
    i. Reinforced with 1.5 pounds per cubic yard. Fibermesh 150 virgin homopolymer polypropylene multi-filiment fibers containing no olefin materials.
2. All concrete shall be broom finished.

CONCRETE GRADE BEAM:

1. Grade beam shall be:
    a. 28 Day Compressive Strength: 6,000 psi minimum.
    b. Water-cement raitio less than or equal to 0.40
    c. 6% microsilica per weight of binders.
    d. Air Entrainment: Minimum 2 to 3%
    e. Potable water, no chlorides.
    f. Type I Cement
    g. Large (¾-inch minimum) and small aggregates washed and free of chlorides or reactive chemicals. Aggregate shall be crushed stone, no pea gravel or rounded gravel.
    h. Retarders or accelerators not allowed unless justified to the Engineer prior to their use.
    i. All reinforcing steel shall be grade 60 rebar.
2. All concrete shall be broom finished.
3. See "Concrete General Notes".

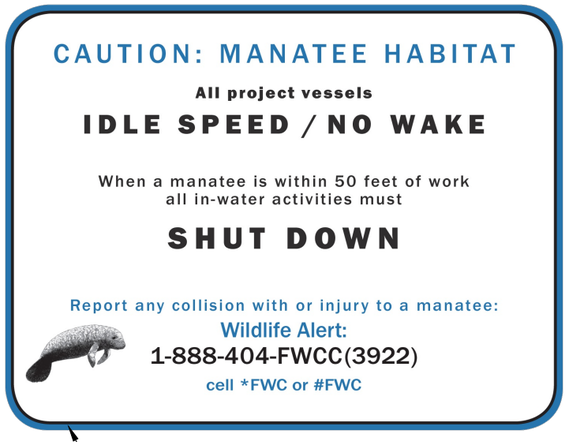
STANDARD MANATEE CONDITIONS FOR IN-WATER WORK
2011

The permittee shall comply with the following conditions intended to protect manatees from direct project effects:

a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.



b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

c. Siltation or turbidity barriers shall be made of material in which manatees cannot become entangled, shall be properly secured, and shall be regularly monitored to avoid manatee entanglement or entrapment. Barriers must not impede manatee movement.

d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.

e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and to FWC at ImperiledSpecies@myFWC.com

f. Temporary signs concerning manatees shall be posted prior to and during all in-water project activities. All signs are to be removed by the permittee upon completion of the project. Temporary signs that have already been approved for this use by the FWC must be used. One sign which reads *Caution: Boaters* must be posted. A second sign measuring at least 8 ½" by 11" explaining the requirements for "Idle Speed/No Wake" and the shut down of in-water operations must be posted in a location prominently visible to all personnel engaged in water-related activities. These signs can be viewed at MyFWC.com/manatee. Questions concerning these signs can be sent to the email address listed above.

SEE NOTE "f." ON STANDARD MANATEE CONDITIONS FOR IN-WATER WORK NOTE, THIS SHEET.

UNITED STATES DEPARTMENT OF COMMERCE
National Oceanic and Atmospheric Administration
NATIONAL MARINE FISHERIES SERVICE
Southeast Regional Office
263 13th Avenue South
St. Petersburg, FL 33701

SEA TURTLE AND SMALLTOOTH SAWFISH CONSTRUCTION CONDITIONS

The permittee shall comply with the following protected species construction conditions:

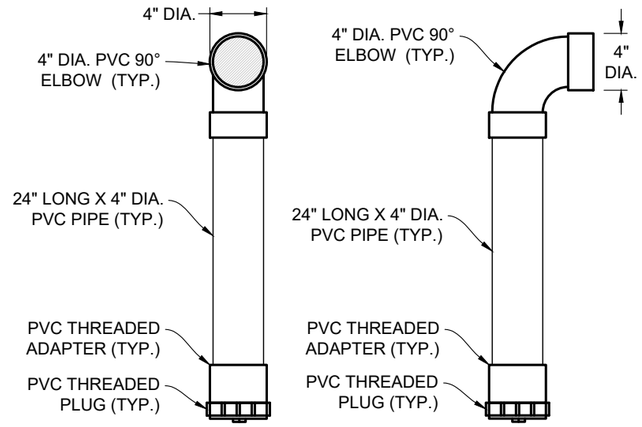
a. The permittee shall instruct all personnel associated with the project of the potential presence of these species and the need to avoid collisions with sea turtles and smalltooth sawfish. All construction personnel are responsible for observing water-related activities for the presence of these species.

b. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing sea turtles or smalltooth sawfish, which are protected under the Endangered Species Act of 1973.

c. Siltation barriers shall be made of material in which a sea turtle or smalltooth sawfish cannot become entangled, be properly secured, and be regularly monitored to avoid protected species entrapment. Barriers may not block sea turtle or smalltooth sawfish entry to or exit from designated critical habitat without prior agreement from the National Marine Fisheries Service's Protected Resources Division, St. Petersburg, Florida.

d. All vessels associated with the construction project shall operate at "no wake/idle" speeds at all times while in the construction area and while in water depths where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will preferentially follow deep-water routes (e.g., marked channels) whenever possible.

e. If a sea turtle or smalltooth sawfish is seen within 100 yards of the active daily construction/dredging operation or vessel movement, all appropriate precautions shall be implemented to ensure its protection. These precautions shall include cessation of operation of any moving equipment closer than 50 feet of a sea turtle or smalltooth sawfish. Operation of any mechanical construction equipment shall cease immediately if a sea turtle or smalltooth sawfish is seen within a 50-ft radius of the equipment. Activities may not resume until the protected species has departed the project area of its own volition.



f. Any collision with and/or injury to a sea turtle or smalltooth sawfish shall be reported immediately to the National Marine Fisheries Service's Protected Resources Division (727-824-5312) and the local authorized sea turtle stranding/rescue organization.

g. Any special construction conditions, required of your specific project, outside these general conditions, if applicable, will be addressed in the primary consultation.

Revised: March 23, 2006
O:\forms\Sea Turtle and Smalltooth Sawfish Construction Conditions.doc

SIGNS AND MONOFILAMENT BIN:
1. ALL SIGNS SHALL FOLLOW ALL FWC SIGN SPECIFICATIONS INCLUDING:
   a. SIGN SHALL BE FIBERGLASS OR METAL WITH ROUNDED CORNERS (HAND-SANDED TO REMOVE ALL SHARP EDGES AND BURRS).
   b. CONSTRUCTED OF 0.08 GAUGE 5052-H38 ALUMINUM.
   c. HAVE AN ALODINE 1200 CONVERSION COATING.
   d. HAVE ENGINEER GRADE TYPE I REFLECTIVE SHEETING.
   e. ALL MOUNTING HARDWARE SHALL BE 316 STAINLESS STEEL.
   f. NYLON WASHERS SHALL BE PLACED BETWEEN ALL STAINLESS STEEL AND ALUMINUM COMPONENTS.
2. FWC APPROVED "RECYCLE YOUR LINE OR DISCARD IT IN CONTAINERS" MONOFILAMENT BIN TO BE FURNISHED AND INSTALLED ONTO (1) POST ON THE INFORMATION KIOSK WITH 316 S.S. HARDWARE (SEE DETAIL THIS SHEET). MONOFILAMENT BIN SHALL HAVE ALL FWC REQUIRED STICKERS DISPLAYED PROPERLY AND CLEARLY. **CONTRACTOR SHALL SUBMIT MOUNTING DETAIL TO ENGINEER OF RECORD FOR APPROVAL PRIOR TO ORDERING AND INSTALLING.**
3. MONOFILAMENT BIN SHALL BE FURNISHED WITH THE FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION'S REQUIRED DECALS. DECALS SHALL BE VISIBLY LOCATED ON THE MONOFILAMENT BIN; DECALS THAT ARE DAMAGED SHALL BE REMOVED AND REPLACE AT THE CONTRACTORS EXPENSE. CONTRACTOR SHALL FURNISH ONE MONOFILAMENT BIN AT EACH TIMBER DOCK ENTRANCE.

MONOFILAMENT BIN DETAILS

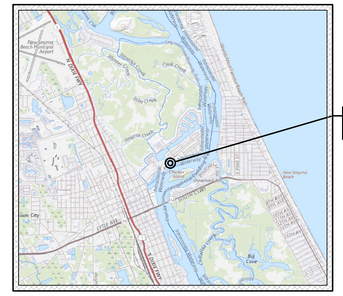
MAP SHOWING TOPOGRAPHIC AND HYDROGRAPHIC SURVEY OF



A PORTION OF INDIAN RIVER NORTH, ALONG WITH A PORTION OF LAND, LYING IN VOLUSIA COUNTY, FLORIDA

40 0 20 40 80

SCALE: 1" = 40'

VICINITY MAP
(NOT TO SCALE)

SURVEYOR'S NOTES:

1) This survey is limited to above ground visible improvements, except as shown hereon, and that nothing below the ground was located including, but not limited to foundations (footings), utilities, etc.

2) There may be additional restrictions that are not shown on this survey that may be found in the Public Records of this county.

3) All dimensions, unless otherwise noted, are US Survey Feet.

4) Additions or Deletions to survey maps or reports by other than the signing party or parties is prohibited without the written consent of the signing party or parties.

5) Topographic elevations shown hereon are based on the North American Vertical Datum of 1988 (NAVD88), being derived utilizing a Trimble RTK base station referenced to a NGS Brass Disk stamped "872 1164 A", having a published elevation of 6.47 feet (NAVD88)

6) Hydrographic elevations shown hereon are based on Mean Low Water (MLW), lying 1.68 above NAVD88, being derived utilizing a Trimble RTK base station referenced to a NGS Brass Disk stamped "872 1164 A", having a published elevation of 6.47 feet (NAVD 88).

7) The hydrographic and topographic surface have been split at the extents of the hydrographic survey, which is approximately around the edge of mangroves labeled on the map.

8) Horizontal Datum is reference to Florida State Plane Coordinate System, East, Zone, North American Datum of 1983 (NAD83), being derived utilizing VRS procedures base station referenced to a NGS Brass Disk stamped "872 1164 A", having coordinates of 1704808.448, 681966.286.

9) Lines and points shown on this map are for 2D visual purposes only, as points and lines will be altered/deleted for aesthetic reasons. Unaltered 3D data should only be viewed and utilized in the *-SURF drawing (.dwg) file, either directly or as an external reference.

10) Some points are on frozen layers for uncluttering purposes, please unfreeze all points to see if points in question appear.

11) Use of this survey for purposes other than intended, without written verification, will be at the user's sole risk and without liability to the surveyor. Nothing hereon shall be construed to give any rights or benefits to anyone other than those certified to.

12) On this drawing, certify means to state or declare a professional opinion of conditions regarding those findings or facts which are the subject of the certification and does not constitute a warranty or guarantee, either implied or expressed. This certification is only for the lands as described. This certification is not a certificate of title, easements, zoning, or freedom of encumbrances.

13) Adjoining information (lot lines, right-of-way lines, section lines, etc.) that does not have a measured dimension may not be drawn to accuracy, may be for aesthetic reasons only, and should not be taken as the true location of said feature.

14) Subaqueous measurements were made with an ODOM CV100 Single Beam Sounder operating at a frequency of 200kHz.

15) Surface built from a generated 5' grid interpolated from a combination of single beam and pole soundings. Single beam and pole soundings are turned off in drawing and can be view by unfreezing all layers. Spot shots shown at 10' grid intervals.

16) The information depicted on this map represents the results of a survey performed on the indicated date and can only be considered as indicating the general conditions at that time.

17) This site has a Mean High Water (MHW) Elevation of 0.6 Feet (NAVD88), and a Mean Low Water (MLH) Elevation of -1.68 Feet (NAVD88), per LABINS Tide interpolation point 6072.

18) Right-of-way shown hereon per FDOT RIGHT-OF-WAY MAP SECTION 79170-2514.

TREE NOTE

Trees by nature are irregular in size and shape. Every effort is made to accurately locate trees. The tree size is determined at diameter breast height. The tree location is the center of the tree. This location may be different if located from a different direction. All tree locations should be field checked if critical to design.

TREE NOTE

Trees by nature are irregular in size and shape. Every effort is made to accurately locate trees. The tree size is determined at diameter breast height. The tree location is the center of the tree. This location may be different if located from a different direction. All tree locations should be field checked if critical to design.

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See Specific Instructions on page 2.

Name (as shown on your income tax return) Construct Co Inc

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☒ Corporation ☐ Partnership
☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ► .....
☐ Other (see instructions) ►

☐ Exempt payee

Address (number, street, and apt. or suite no.) PO Box 536488

Requester's name and address (optional)

City, state, and ZIP code Orlando FL 32853

List account number(s) here (optional)

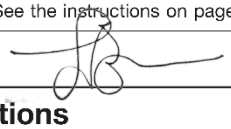
Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or



Employer identification number 59 3591183

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ►  Date ► 02/18/25

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

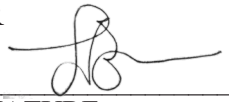
Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,



STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

DRUG-FREE WORKPLACE CERTIFICATION FORM

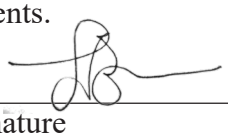
IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;



5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Lindsey Buchanan, Vice President
(Print Individual's Name and Title)
for Construct Co Inc
(Print Name of Entity Submitting Sworn Statement)
whose business is construction, located at PO Box 536488, Orlando FL 32853

and (if applicable) its Federal Employer Identification Number (FEIN) is 59-3591183

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

x Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of FL

County of ORANGE

Lindsey Buchanan, being first duly sworn, deposes and says that:

He/she is Vice President of Construct Co Inc, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Construct Co Inc

Consultant E-Verify Registration Number: 884672

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of New Smyrna Beach

Before me, the undersigned authority, personally appeared Lindsey Buchanan

who was duly sworn, deposes, and states:

1. I am the Vice President of Construct Co Inc with a local office in Orlando FL (City & State) and principal office in Orlando FL (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as ITB 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

ADDENDUM 1
ITB 06-25-CIP: North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
JANUARY 23, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to ITB 06-25-CIP, **North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1,** issued January 13, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question: What is the budget/ engineer estimate?**

   Answer: $1.4 million

2. **Question: What is the project duration? Substantial and Final Completion.**

   Answer: The Contractor agrees to commence work within Ten (10) calendar days after the date of the Notice to Proceed letter and shall achieve Substantial Completion within One Hundred Fifty (150) Contractor's consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

3. **Question: Can you confirm that Davis-Bacon Act applies to this project and if so, please provided the applicable Wage Determination Information**.

   Answer: The Davis-Bacon Act does not apply to this project.

4. **Question: Please confirm that Builders Risk will be required for this project?**

   Answer: Yes, Builders Risk will be required.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Attachment: Revised Plans

Questions/Answers:

1. **Question:** Upon excavation from the dredging where do we place the spoils temporarily to dry before we load and haul them off to their permanent designated locations?

   Answer: The dredged materials will be dewatered at the final disposal site. The contractor shall implement best management practices to minimize loading and prevent spills.

2. **Question:** We understand that your project specifies concrete floating docks, and we would like to inquire whether our aluminum-framed docks could be considered an approved equal. Aluminum-framed floating docks are designed to offer exceptional durability, stability, and versatility, while providing several advantages over traditional concrete docks, such as reduced weight, easier installation, and lower maintenance requirements.

   Answer: Aluminum frame docks will not be accepted.

3. **Question:** Refer to C-07, are dredge materials to be placed as a berm as shown in the berm cross-section detail?

   Answer: The dredge material shall be placed as shown in the construction plans. The berm cross-section detail on sheet C-07 depicts the maximum height, slopes, and widths.

4. **Question:** Refer to C-10, Different lengths are listed for the 14" square prestressed concrete pile. Text indicates length = 30'-0", Pile table indicates 34"-0'. Please confirm the length of all concrete piles is to be 34'-0".

   Answer: Please see revised plans included in this response. The 14” square prestressed concrete piles shall be 34’-0” in length.

5. **Question:** Refer to C-14 and C-15. different lengths are listed for the timber pies. C-14 states timber piles to be 30'-0" while C-15 shows timber piles to be 40'-0". Please confirm the length of all timber piles is to be 30'-0".

   Answer: Please see revised plans included in this response. The timber piles shall be 30’-0” in length.

6. **Question**: If carriage bolts are unavailable for the rail to post connections, what is an acceptable alternative?

   Answer: Contractor shall submit an alternate product that is of equivalent or greater strength and material properties.

7. **Question:** What is the hardware connection/detail for the timber dock to concrete grade beam?

   Answer: Please see revised plans included in this response.

8. **Question:** We assume vibration monitoring will only be required during the piling work. Please confirm

   Answer: Vibration monitoring shall be required throughout pile installation work.

9. **Question:** Given the scope of work, please confirm a general contractor's license is required.

   Answer: A general contractor’s license is required.

10. **Question:** Will the building permit fees be waived? If no, who is responsible for permit fees?

    Answer: No. The contractor is responsible for any federal, state, and local permitting fees, as all work associated with the applications and obtaining all necessary permits.

11. **Question:** Will the City allow time for submittals and procurement of the concrete floating docks prior to Notice to Proceed for construction? (150 calendar days in not realistic to procure and install concrete floating docks.)

    Answer: The Contractor is responsible for making a reasonable effort to furnish and install concrete floating docks in a timely matter; the contractor shall communicate the time needed to procure and install the concrete floating docks with the Engineer of record and the City of New Smyrna Beach. Reasonable accommodations shall be made as needed for procurement of the concrete floating docks, and can be discussed with the City upon award of bid.

12. **Question:** Will the city consider adding to the scope of work to include replacing the currently underwater gangway that is located between the proposed floating docks C and D?

    Answer: These components are currently not in this project’s scope of work.

13. **Question:** Will the city consider adding to the scope of work to include replacing the fixed timber dock that is slated to remain, located to the right of proposed floating dock D?

    Answer: These components are currently not in this project's scope of work.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions: This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

CONSTRUCT CO.

January 1, 2020

CORPORATE RESOLUTION
OF
CONSTRUCT CO, INC.

We, the undersigned, being the Owner of Construct Co, Inc., organized and existing under the laws of Florida, and having its principal place of business at 1510 E Colonial Dr., STE 300, Orlando FL 32803 (the "Corporation"), hereby certify that the following is a true and correct copy of a resolution duly adopted at a meeting held and convened on January 1, 2020, and that such resolution has not been modified, rescinded or revoked, and is at present in full force and effect.

Therefore, it is resolved:

Lindsey Buchanan is the Vice President of Construct Co, Inc. and as such has express authority to execute proposals, bid submissions and contract documents on behalf of Construct Co, Inc.

Signed,

Sealed

Basil S Buchanan
President
Construct Co Inc

CITY OF NEW SMYRNA BEACH, FLORIDA

Letter of Reference

TO: Lindsey Buchanan **DATE:** February 4, 2025

FROM: Jon Walsh
Coastal Division Construction Manager

RE: Edwin W Peck Sr. Park Storm Repairs a $1,238,625.00 project
Dates of Service March 2024 through December 2024

Volusia County Coastal Division partnered with Construct Co Inc. for the Hurricane Nicole Storm Damage Repair Project at Edwin W Peck Sr. Park. This project included restoration of 200ft of seawall, aluminum guardrail, colored concrete promenade, ADA timber dune walkover, reestablishment of water and power utilities to the building, installation of bollard lighting, irrigation system and site restoration. Construct Co. Inc. is a top tier construction company that performs at the highest level of expertise and professionalism. They excelled on this project, and I would recommend them for future projects.

February 4, 2025

Subject: Reference for Construct Co., Inc.

To Whom it may Concern:

I served as the Project Manager on a few City Projects built by Construct Co., Inc., one being Pal & Irma Parker Park and Kayak Launch - Phase I. The project was the development of a passive city park, on flood prone property the city purchased to limit the non-pervious building in the area and create a natural water retention for percolation. The project included the installation of four hundred sixty linear feet of a six-foot-wide elevated boardwalk, a sixteen by twelve foot elevated observation deck, six-foot- wide crushed shell pathway, a forty by fifty foot tidal pool kayak launch area, ADA parking space and ancillary park equipment, including directional, educational and regulatory signage, as well as selective clearing to beautify the nature path and boardwalk areas.

The project cost totaled $469,436.00 and was constructed between the dates of June and September 2022. There were several change orders associated with the project, but they were Value Engineering Proposals at the request of the city and included direct purchases and changes in material such as composite in place of timber decking, along with requested signage and a turnaround area. Construct Co. was quite agreeable and reasonable in negotiating cost and time for these change orders. The project was completed without delay and no liquidated damages were assessed.

Construct Co. has been awarded other project by the city including, repair of our iconic Atlantic Ocean Pier, reconstruction of dune walkovers damaged by hurricanes, construction of a deck area at our Pier Restaurant. The quality of their work and craftsmanship has been top notch on each project they have completed for the city. I would not hesitate to engage with Construct Co again. Lindsey and Shawn are professionals and were responsive to our requests.

Please feel free to contact me for further information regarding this project.

Sincerely,

Penny Overstreet, CMC
City Clerk

Construct Co Inc

1510 E Colonial Dr.

STE 300, Orlando, FL 32803

To Whom it may Concern,

I am pleased to provide this letter of recommendation for Construct Co Inc., recognizing their outstanding performance and professionalism during the project life of October 2023 – March 2024. Throughout our engagement with them for the Porpoise Point Shore Protection project, they consistently demonstrated exceptional quality workmanship, strong project management, and a commitment to excellence. The installation of approximately 172 linear feet of steel sheet piling with a reinforced concrete cap and additional revetment provides additional storm surge protection for the community and heightened level of resiliency.

Construct Co Inc. successfully delivered our project under budget at $754,350, while maintaining the highest standards of quality control. Their attention to detail, efficiency in execution, and strategic planning ensured that every phase of the project was completed seamlessly. Their ability to adhere to timelines and financial constraints without compromising quality is a testament to their expertise and reliability. Not to mention their donation of 100 sea oats that were planted in conjunction with our Beaches Division.

Their professionalism and responsiveness were evident in every interaction. The team was always available to address concerns, adapt to changes, and provide insightful solutions. Their well-structured operational approach ensured smooth coordination between stakeholders, minimizing disruptions and maximizing efficiency.

Beyond their technical capabilities, Construct Co Inc. upholds strong community relations**.** They demonstrated a deep understanding of the local environment, fostering positive relationships with the local residents and businesses. Their respect for community concerns and proactive communication helped ensure a harmonious construction process.

I highly recommend Construct Co Inc. for any project requiring top-tier workmanship, cost efficiency, and a professional approach**.** Their dedication to excellence makes them a trusted partner in the industry. Please feel free to contact me if you require further details.

Sincerely,

Morgan A Hughes

BID BOND

Bond # BND1011386-00

KNOW ALL MEN BY THESE PRESENTS, that we Construct Co., Inc. ,

(hereinafter called Principal) and Fair American Insurance and Reinsurance Company (hereinafter called the Surety) a corporation chartered and existing under the Laws of the State of New York, with its principal offices in the City of New York, NY, authorized to do business in the State of Florida, in the full and just sum of Ten Percent of Amount of Bid Dollars ($ 10% of Amount of Bid), good and lawful money of the United State of America, to be paid upon demand of the City of New Smyrna Beach, Florida, to which payment well and truly to be made we bind ourselves, our heirs, executors, administrators, and assigns, jointly and severally and firmly by these presents,

WHEREAS, the Principal is about to submit, or has submitted to the City of New Smyrna Beach, Florida, a bid for the construction of North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1in, and for the said City, and

WHEREAS, the Principal desires to file this bond in accordance with the law, in lieu of a Certified or Cashier's Check otherwise required to accompany this Bid,

NOW, THEREFORE, the conditions of this obligation are such that if the Bid be accepted, the Principal shall within ten (10) days after the receipt of notification of the acceptance thereof, execute a contract in accordance with the Bid and upon the terms, conditions and unit or lump sum prices set forth therein, in the form and manner required by the Owner, and execute a sufficient and satisfactory Contract Bond payable to the Owner, in an amount not less than the total contract price, as indicated by the approximate quantities shown in the Bid, in form and with security satisfactory to the said City, then this obligation to be void; otherwise to be and remain in full force and virtue in law; and the Surety shall upon the failure of the Principal to comply with any or all of the foregoing requirements within the time specified above, immediately pay to the aforesaid City upon demand the amount hereof in good and lawful money of the United States of America, not as a penalty, but as liquidated damages.

IN TESTIMONY WHEREOF, the Principal and Surety have caused these presents to be duly signed and sealed this 12th day of February, 2025.

FAIR AMERICAN INSURANCE AND REINSURANCE COMPANY

One Liberty Plaza, 165 Broadway, New York, NY 10006

POWER OF ATTORNEY

Know all men by these Presents, that Fair American Insurance and Reinsurance Company ("Company"), a New York corporation, had made, constituted and appointed, and by these presents does make, constitute and appoint, Stefan E. Tauger of Parker, Colorado; Arthur S. Johnson of Atlanta, Georgia; James E. Feldner of West Lake, Ohio; Jeffery L. Booth of Blacklick, Ohio; Melanie J. Stokes of Atlanta, Georgia; Scott E. Stoltzner of Birmingham, Alabama; Jason S. Centrella of Jacksonville, Florida; or Alane Skaff of Tampa, Florida, EACH as its true and lawful attorney-in-fact to sign, execute, seal, deliver for, and on behalf of the said Company, and as its act and deed any place in the United States any and all surety, bonds, undertakings, recognizances and contracts of suretyship to be given to all obligees provided that no bond or undertaking or contract of suretyship executed under this authority shall exceed in amount of the sum of $7,000,000 (Seven Million Dollars), any single instance. Provided, however, that this power of attorney limits the acts of those named herein; and they shall have no authority to bind the Company except in the manner stated and to the extent of any limitation herein.

This Power of Attorney is granted and is signed and sealed by facsimile under and by the authority of the following Resolutions adopted pursuant to due authorization by the Board of Directors of the Company on the 2nd day of February 2016.

RESOLVED, that the President, Chairman, or any Senior Vice President or Vice President of the Company, in conjunction with any Senior Vice President or Vice President, be, and that each or any of them hereby is, authorized to appoint Attorneys-in-fact of the Company as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all bonds, undertakings, recognizances, contracts of suretyship and other surety obligations. Such Attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the President and attested by the Secretary.

FURTHER RESOLVED, that any and all Powers of Attorney and Certified Copies of such Powers of Attorney and certification in respect thereto, granted and executed by the President or Senior Vice President, in conjunction with any Senior Vice President or Vice President of the Company, shall be binding on the Company to the same extent as if all signatures therein were manually affixed, even though one or more of any such signatures thereon may be facsimile.

IN WITNESS WHEREOF, the Company has caused its official seal to be hereto affixed, and these presents to be sealed with its corporate seal and duly attested to by the President and this Vice President this 18th day of August 2023.

Senior Vice President and Chief Financial Officer

Executive Order 11246

SOURCE: The following is the text of Executive Order 11246 of September 28, 1965, as it appears at 30 FR 12319, 12935, 3 CFR, 1964-1965 Comp., p.339, unless otherwise noted.

Under and by virtue of the authority vested in me as President of the United States by the Constitution and statutes of the United States, it is ordered as follows:

Part I — Nondiscrimination in Government Employment

[Part I superseded by EO 11478 of Aug. 8, 1969, 34 FR 12985, 3 CFR, 1966-1970 Comp., p. 803]

Part II - Nondiscrimination in Employment by Government Contractors and Subcontractors

Subpart A - Duties of the Secretary of Labor

SEC. 201. The Secretary of Labor shall be responsible for the administration and enforcement of Parts II and III of this Order. The Secretary shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to achieve the purposes of Parts II and III of this Order.

[Sec. 201 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

Subpart B - Contractors' Agreements

SEC. 202. Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advancements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

4. The contractor will comply with afl provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States." [Sec. 202 amended by EO 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684, EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 203.

a. Each contractor having a contract containing the provisions prescribed in Section 202 shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.

b. Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.

c. Whenever the contractor or subcontractor has a collective bargaining agreement or other contract or understanding with a labor union or an agency referring workers or providing or supervising apprenticeship or training for such workers, the Compliance Report shall include such information as to such labor union's or agency's practices and policies affecting compliance as the Secretary of Labor may prescribe: Provided, That to the extent such information is within the exclusive possession of a labor union or an agency referring workers or providing or supervising apprenticeship or training and such labor union or agency shall refuse to furnish such information to the contractor, the contractor shall so certify to the Secretary of Labor as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

d. The Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with which the bidder or prospective contractor deals, with supporting information, to the effect that the signer's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this Order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the Secretary of Labor may require.

[Sec. 203 amended by EO 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684; EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 204

a. The Secretary of Labor may, when the Secretary deems that special circumstances in the national interest so require, exempt a contracting agency from the requirement of including any or all of the provisions of Section 202 of this **Order** in any specific contract, subcontract, or purchase **order**.

b. The Secretary of Labor may, by rule or regulation, exempt certain classes of contracts, subcontracts, or purchase orders (1) whenever work is to be or has been performed outside the United States and no recruitment of workers within the limits of the United States is involved; (2) for standard commercial supplies or raw materials; (3) involving less than specified amounts of money or specified numbers of workers; or (4) to the extent that they involve

subcontracts below a specified tier.

c. Section 202 of this **Order** shall not apply to a Government contractor or subcontractor that is a religious corporation, association, educational institution, or society, with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities. Such contractors and subcontractors are not exempted or excused from complying with the other requirements contained in this **Order**.

d. The Secretary of Labor may also provide, by rule, regulation, or order, for the exemption of facilities of a contractor that are in all respects separate and distinct from activities of the contractor related to the performance of the contract: provided, that such an exemption will not interfere with or impede the effectuation of the purposes of this **Order**: and provided further, that in the absence of such an exemption all facilities shall be covered by the provisions of this **Order**."

[Sec. 204 amended by EO 13279 of Dec. 16, 2002, 67 FR 77141, 3 CFR, 2002 Comp., p. 77141 - 77144]

Subpart C - Powers and Duties of the Secretary of Labor and the Contracting Agencies

SEC. 205. The Secretary of Labor shall be responsible for securing compliance by all Government contractors and subcontractors with this Order and any implementing rules or regulations. All contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.

[Sec. 205 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 206.

a. The Secretary of Labor may investigate the employment practices of any Government contractor or subcontractor to determine whether or not the contractual provisions specified in Section 202 of this Order have been violated. Such investigation shall be conducted in accordance with the procedures established by the Secretary of Labor.

b. The Secretary of Labor may receive and investigate complaints by employees or prospective employees of a Government contractor or subcontractor which allege discrimination contrary to the contractual provisions specified in Section 202 of this Order.

[Sec. 206 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 207. The Secretary of Labor shall use his/her best efforts, directly and through interested Federal, State, and local agencies, contractors, and all other available instrumentalities to cause any labor union engaged in work under Government contracts or any agency referring workers or providing or supervising apprenticeship or training for or in the course of such work to cooperate in

the implementation of the purposes of this Order. The Secretary of Labor shall, in appropriate cases, notify the Equal Employment Opportunity Commission, the Department of Justice, or other appropriate Federal agencies whenever it has reason to believe that the practices of any such labor organization or agency violate Title VI or Title VII of the Civil Rights Act of 1964 or other provision of Federal law.

[Sec. 207 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 208.

a. The Secretary of Labor, or any agency, officer, or employee in the executive branch of the Government designated by rule, regulation, or order of the Secretary, may hold such hearings, public or private, as the Secretary may deem advisable for compliance, enforcement, or educational purposes.

b. The Secretary of Labor may hold, or cause to be held, hearings in accordance with Subsection of this Section prior to imposing, ordering, or recommending the imposition of penalties and sanctions under this Order. No order for debarment of any contractor from further Government contracts under Section 209(6) shall be made without affording the contractor an opportunity for a hearing.

Subpart D - Sanctions and Penalties

SEC. 209. In accordance with such rules, regulations, or orders as the Secretary of Labor may issue or adopt, the Secretary may:

1. Publish, or cause to be published, the names of contractors or unions which it has concluded have complied or have failed to comply with the provisions of this Order or of the rules, regulations, and orders of the Secretary of Labor.
2. Recommend to the Department of Justice that, in cases in which there is substantial or material violation or the threat of substantial or material violation of the contractual provisions set forth in Section 202 of this Order, appropriate proceedings be brought to enforce those provisions, including the enjoining, within the limitations of applicable law, of organizations, individuals, or groups who prevent directly or indirectly, or seek to prevent directly or indirectly, compliance with the provisions of this Order.

3. Recommend to the Equal Employment Opportunity Commission or the Department of Justice that appropriate proceedings be instituted under Title VII of the Civil Rights Act of 1964.

4. Recommend to the Department of Justice that criminal proceedings be brought for the furnishing of false information to any contracting agency or to the Secretary of Labor as the case may be.

5. After consulting with the contracting agency, direct the contracting agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with equal

employment opportunity provisions of the contract. Contracts may be cancelled, terminated, or suspended absolutely or continuance of contracts may be conditioned upon a program for future compliance approved by the Secretary of Labor.

6. Provide that any contracting agency shall refrain from entering into further contracts, or extensions or other modifications of existing contracts, with any noncomplying contractor, until such contractor has satisfied the Secretary of Labor that such contractor has established and will carry out personnel and employment policies in compliance with the provisions of this Order.

(b) Pursuant to rules and regulations prescribed by the Secretary of Labor, the Secretary shall make reasonable efforts, within a reasonable time limitation, to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation, and persuasion before proceedings shall be instituted under subsection (a)(2) of this Section, or before a contract shall be cancelled or terminated in whole or in part under subsection (a)(5) of this Section.

[Sec. 209 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 210. Whenever the Secretary of Labor makes a determination under Section 209, the Secretary shall promptly notify the appropriate agency. The agency shall take the action directed by the Secretary and shall report the results of the action it has taken to the Secretary of Labor within such time as the Secretary shall specify. If the contracting agency fails to take the action directed within thirty days, the Secretary may take the action directly.

[Sec. 210 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p 230]

SEC. 211. If the Secretary shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless the bidder or prospective contractor has satisfactorily complied with the provisions of this Order or submits a program for compliance acceptable to the Secretary of Labor.

[Sec. 211 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 212. When a contract has been cancelled or terminated under Section 209(a)(5) or a contractor has been debarred from further Government contracts under Section 209(a)(6) of this Order, because of noncompliance with the contract provisions specified in Section 202 of this Order, the Secretary of Labor shall promptly notify the Comptroller General of the United States.

[Sec. 212 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

Subpart E - Certificates of Merit

SEC. 213. The Secretary of Labor may provide for issuance of a United States Government Certificate of Merit to employers or labor unions, or other agencies which are or may hereafter be engaged in work under Government contracts, if the Secretary is satisfied that the personnel and employment practices of the employer, or that the personnel, training, apprenticeship, membership,

grievance and representation, upgrading, and other practices and policies of the labor union or other agency conform to the purposes and provisions of this Order.

SEC. 214. Any Certificate of Merit may at any time be suspended or revoked by the Secretary of Labor if the holder thereof, in the judgment of the Secretary, has failed to comply with the provisions of this Order.

SEC. 215. The Secretary of Labor may provide for the exemption of any employer, labor union, or other agency from any reporting requirements imposed under or pursuant to this Order if such employer, labor union, or other agency has been awarded a Certificate of Merit which has not been suspended or revoked.

Part III - Nondiscrimination Provisions in Federally Assisted Construction Contracts

SEC. 301. Each executive department and agency, which administers a program involving Federal financial assistance shall require as a condition for the approval of any grant, contract, loan, insurance, or guarantee thereunder, which may involve a construction contract, that the applicant for Federal assistance undertake and agree to incorporate, or cause to be incorporated, into all construction contracts paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to such grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the provisions prescribed for Government contracts by Section 202 of this Order or such modification thereof, preserving in substance the contractor's obligations thereunder, as may be approved by the Secretary of Labor, together with such additional provisions as the Secretary deems appropriate to establish and protect the interest of the United States in the enforcement of those obligations. Each such applicant shall also undertake and agree (1) to assist and cooperate actively with the Secretary of Labor in obtaining the compliance of contractors and subcontractors with those contract provisions and with the rules, regulations and relevant orders of the Secretary, (2) to obtain and to furnish to the Secretary of Labor such information as the Secretary may require for the supervision of such compliance, (3) to carry out sanctions and penalties for violation of such obligations imposed upon contractors and subcontractors by the Secretary of Labor pursuant to Part II, Subpart D, of this Order, and (4) to refrain from entering into any contract subject to this Order, or extension or other modification of such a contract with a contractor debarred from Government contracts under Part II, Subpart D, of this Order.

[Sec. 301 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 302.

a. "Construction contract" as used in this Order means any contract for the construction, rehabilitation, alteration, conversion, extension, or repair of buildings, highways, or other improvements to real property.

b. The provisions of Part II of this Order shall apply to such construction contracts, and for purposes of such application the administering department or agency shall be considered the

contracting agency referred to therein.

c. The term "applicant" as used in this Order means an applicant for Federal assistance or, as determined by agency regulation, other program participant, with respect to whom an application for any grant, contract, loan, insurance, or guarantee is not finally acted upon prior to the effective date of this Part, and it includes such an applicant after he/she becomes a recipient of such Federal assistance.

SEC. 303.

a. The Secretary of Labor shall be responsible for obtaining the compliance of such applicants with their undertakings under this Order. Each administering department and agency is directed to cooperate with the Secretary of Labor and to furnish the Secretary such information and assistance as the Secretary may require in the performance of the Secretary's functions under this Order.

b. In the event an applicant fails and refuses to comply with the applicant's undertakings pursuant to this Order, the Secretary of Labor may, after consulting with the administering department or agency, take any or all of the following actions: (1) direct any administering department or agency to cancel, terminate, or suspend in whole or in part the agreement, contract or other arrangement with such applicant with respect to which the failure or refusal occurred; (2) direct any administering department or agency to refrain from extending any further assistance to the applicant under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received by the Secretary of Labor from such applicant; and (3) refer the case to the Department of Justice or the Equal Employment Opportunity Commission for appropriate law enforcement or other proceedings.

c. In no case shall action be taken with respect to an applicant pursuant to clause (1) or (2) of subsection (b) without notice and opportunity for hearing.

[Sec. 303 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 304. Any executive department or agency which imposes by rule, regulation, or order requirements of nondiscrimination in employment, other than requirements imposed pursuant to this Order, may delegate to the Secretary of Labor by agreement such responsibilities with respect to compliance standards, reports, and procedures as would tend to bring the administration of such requirements into conformity with the administration of requirements imposed under this Order: Provided, That actions to effect compliance by recipients of Federal financial assistance with requirements imposed pursuant to Title VI of the Civil Rights Act of 1964 shall be taken in conformity with the procedures and limitations prescribed in Section 602 thereof and the regulations of the administering department or agency issued thereunder.

Part IV - Miscellaneous

SEC. 401. The Secretary of Labor may delegate to any officer, agency, or employee in the Executive branch of the Government, any function or duty of the Secretary under Parts II and III of this Order.

[Sec. 401 amended by EO 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

SEC. 402. The Secretary of Labor shall provide administrative support for the execution of the program known as the "Plans for Progress."

SEC. 403.

a. Executive Orders Nos. 10590 (January 19, 1955), 10722 (August 5, 1957), 10925 (March 6, 1961), 11114 (June 22, 1963), and 11162 (July 28, 1964), are hereby superseded and the President's Committee on Equal Employment Opportunity established by Executive Order No. 10925 is hereby abolished. All records and property in the custody of the Committee shall be transferred to the Office of Personnel Management and the Secretary of Labor, as appropriate.

b. Nothing in this Order shall be deemed to relieve any person of any obligation assumed or imposed under or pursuant to any Executive Order superseded by this Order. All rules, regulations, orders, instructions, designations, and other directives issued by the President's Committee on Equal Employment Opportunity and those issued by the heads of various departments or agencies under or pursuant to any of the Executive orders superseded by this Order, shall, to the extent that they are not inconsistent with this Order, remain in full force and effect unless and until revoked or superseded by appropriate authority. References in such directives to provisions of the superseded orders shall be deemed to be references to the comparable provisions of this Order.

[Sec. 403 amended by EO 12107 of Dec. 28, 1978, 44 FR 1055, 3 CFR, 1978 Comp., p, 264]

SEC. 404. The General Services Administration shall take appropriate action to revise the standard Government contract forms to accord with the provisions of this Order and of the rules and regulations of the Secretary of Labor.

SEC. 405. This Order shall become effective thirty days after the date of this Order.

FEDERAL CONTRACT PROVISIONS

In addition to any other provisions required herein, the following provisions apply, as applicable.

All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

1. **Equal Employment Opportunity**. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor**."** ***Contractor must complete enclosed certification***

2. **Davis-Bacon Act**, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

3. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708)**. Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

4. **Rights to Inventions Made Under a Contract or Agreement**. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding

agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

5. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387)**, as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office ofthe Environmental Protection Agency (EPA).

6. **Debarment and Suspension (Executive Orders 12549 and 12689)**—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. ***Contractor must complete enclosed certification***

7. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—**Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non- Federal award. ***Contractor must complete enclosed certification***

8. **Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms. See 2 CFR 200.321.**
   (a) The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area □rms are used when possible.

   (b) Affirmative steps must include:
      1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
      2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
      3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
      4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
      5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
      6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmation steps listed in paragraphs (b)(1) through (5) of this section.

9. **Procurement of recovered materials. See 2 CFR 200.323.**

   A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the

Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

10. Prohibition on certain telecommunications and video surveillance services or equipment. See 2 CFR 200.216.

Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

Procure or obtain;

Extend or renew a contract to procure or obtain; or

Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Telecommunications or video surveillance services provided by such entities or using such equipment.

Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

See Public Law 115-232, section 889 for additional information.

11. Telecommunication costs and video surveillance costs. See 2 CFR 200.471.

Costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, cloud servers are allowable except for the following circumstances:
Obligating or expending covered telecommunications and video surveillance services or equipment or services as described in §200.216 to:

Procure or obtain, extend or renew a contract to procure or obtain;

Enter into a contract (or extend or renew a contract) to procure; or

Obtain the equipment, services, or systems.

12. Domestic preferences for procurements. See 2 CFR 200.322.

(a) As appropriate and to the extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

(b) For purposes of this section:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

(c) Federal agencies providing Federal financial assistance for infrastructure projects must implement the Buy America preferences set forth in 2 CFR part 184.

13. Energy Policy and Conservation Act

The Contractor agrees to comply with the mandatory standards and policies relating to energy efficiency contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act 42 U.S.C. 6201.

14. Civil Rights

The following requirements will apply to the Contract and any subcontracts:

(a) Age. In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(b) Disabilities. In accordance with Section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F .R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

15. Access to Records

The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

16. Compliance with Federal Law, Regulation and Executive Orders

The Contractor agrees to comply with all applicable federal law, regulations and executive orders.

17. No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

18. Program Fraud and False or Fraudulent Statements or Related Acts

The contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

19. Termination By Contractor For Cause

(a) The contractor may terminate this Agreement only if the City fails to pay the contractor in accordance with this Agreement.

(b) In the event of the cause described in Subsection (a), the contractor shall send a certified letter requesting that the City show cause why the Agreement should not be terminated. If adequate assurances are not given to the contractor within fifteen (15) days of the receipt by the City of said show cause notice, then the contractor may consider the City to be in default, and may immediately terminate this Agreement.

20. Termination By The City For Convenience And Without Cause

(a) Notwithstanding any other provision of this Agreement, the City shall have the right at any time to terminate this Agreement in its entirely without cause, or terminate any specific Purchase/Work Order without cause, if such termination is deemed by the City to be in the public interest, in writing of deficiencies or default in the performance of its duties under the Agreement and the contractor shall have ten (10) days to correct same or to request, in writing, a hearing.

(b) Failure of the contractor to remedy said specified items of deficiency or default in the notice by either the City's designated representative within ten (10) days of receipt of such notice of such decisions, shall result in the termination of the Agreement, and the City shall be relieved of any and all responsibilities and liabilities under the terms and provisions of the Agreement.

(c) The City shall have the right to terminate this Agreement without cause with a one-hundred twenty (120) day written notice to the contractor. The City reserves the right to terminate any Agreement for cause with a five (5) day written notice to the contractor. Notice shall be served to the Parties as specified in the Agreement.

(d) In the event that this Agreement is terminated, the City shall identify any specific Purchase/Work Order(s) being terminated and the specific Purchase/Work Order(s) to be continued to completion pursuant to the provisions of this Agreement.

(e) This Agreement will remain in full force and effect as to all authorized Purchase/Work Order(s) that is/are to be continued to completion.

(f) In the event that after the City's termination for cause for failure of the contractor to fulfill its obligations under this Agreement it is found that the contractor has not so failed, the termination shall be deemed to have been for convenience and without cause.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)
(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

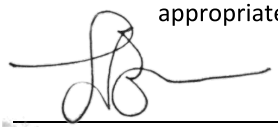
3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.



8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acquisition.gov/far/index.html see section 52.209-6.

The Contractor Construct Co Inc certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

THIS PAGE INTENTIONALLY LEFT BLANK

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

   This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

   The Contractor Construct Co Inc certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

BID BOND

Bond # BND1011386-00

KNOW ALL MEN BY THESE PRESENTS, that we Construct Co., Inc. ,

(hereinafter called Principal) and Fair American Insurance and Reinsurance Company (hereinafter called the Surety) a corporation chartered and existing under the Laws of the State of New York, with its principal offices in the City of New York, NY, authorized to do business in the State of Florida, in the full and just sum of Ten Percent of Amount of Bid Dollars ($ 10% of Amount of Bid), good and lawful money of the United State of America, to be paid upon demand of the City of New Smyrna Beach, Florida, to which payment well and truly to be made we bind ourselves, our heirs, executors, administrators, and assigns, jointly and severally and firmly by these presents,

WHEREAS, the Principal is about to submit, or has submitted to the City of New Smyrna Beach, Florida, a bid for the construction of North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1in, and for the said City, and

WHEREAS, the Principal desires to file this bond in accordance with the law, in lieu of a Certified or Cashier's Check otherwise required to accompany this Bid,

NOW, THEREFORE, the conditions of this obligation are such that if the Bid be accepted, the Principal shall within ten (10) days after the receipt of notification of the acceptance thereof, execute a contract in accordance with the Bid and upon the terms, conditions and unit or lump sum prices set forth therein, in the form and manner required by the Owner, and execute a sufficient and satisfactory Contract Bond payable to the Owner, in an amount not less than the total contract price, as indicated by the approximate quantities shown in the Bid, in form and with security satisfactory to the said City, then this obligation to be void; otherwise to be and remain in full force and virtue in law; and the Surety shall upon the failure of the Principal to comply with any or all of the foregoing requirements within the time specified above, immediately pay to the aforesaid City upon demand the amount hereof in good and lawful money of the United States of America, not as a penalty, but as liquidated damages.

IN TESTIMONY WHEREOF, the Principal and Surety have caused these presents to be duly signed and sealed this 12th day of February, 2025.

FAIR AMERICAN INSURANCE AND REINSURANCE COMPANY

One Liberty Plaza, 165 Broadway, New York, NY 10006

POWER OF ATTORNEY

Know all men by these Presents, that Fair American Insurance and Reinsurance Company ("Company"), a New York corporation, had made, constituted and appointed, and by these presents does make, constitute and appoint, Stefan E. Tauger of Parker, Colorado; Arthur S. Johnson of Atlanta, Georgia; James E. Feldner of West Lake, Ohio; Jeffery L. Booth of Blacklick, Ohio; Melanie J. Stokes of Atlanta, Georgia; Scott E. Stoltzner of Birmingham, Alabama; Jason S. Centrella of Jacksonville, Florida; or Alane Skaff of Tampa, Florida, EACH as its true and lawful attorney-in-fact to sign, execute, seal, deliver for, and on behalf of the said Company, and as its act and deed any place in the United States any and all surety, bonds, undertakings, recognizances and contracts of suretyship to be given to all obligees provided that no bond or undertaking or contract of suretyship executed under this authority shall exceed in amount of the sum of $7,000,000 (Seven Million Dollars), any single instance. Provided, however, that this power of attorney limits the acts of those named herein; and they shall have no authority to bind the Company except in the manner stated and to the extent of any limitation herein.

This Power of Attorney is granted and is signed and sealed by facsimile under and by the authority of the following Resolutions adopted pursuant to due authorization by the Board of Directors of the Company on the 2nd day of February 2016.

RESOLVED, that the President, Chairman, or any Senior Vice President or Vice President of the Company, in conjunction with any Senior Vice President or Vice President, be, and that each or any of them hereby is, authorized to appoint Attorneys-in-fact of the Company as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all bonds, undertakings, recognizances, contracts of suretyship and other surety obligations. Such Attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the President and attested by the Secretary.

FURTHER RESOLVED, that any and all Powers of Attorney and Certified Copies of such Powers of Attorney and certification in respect thereto, granted and executed by the President or Senior Vice President, in conjunction with any Senior Vice President or Vice President of the Company, shall be binding on the Company to the same extent as if all signatures therein were manually affixed, even though one or more of any such signatures thereon may be facsimile.

IN WITNESS WHEREOF, the Company has caused its official seal to be hereto affixed, and these presents to be sealed with its corporate seal and duly attested to by the President and this Vice President this 18th day of August 2023.

RE: BID No. 06-25-CIP North Causeway Boat Ramp: Dock & Amenity Improvements, Ph.1

Dear Mr. Kobe,

Based on the evaluation of the bids that were submitted for the above referenced project, Dredging & Marine Consultants, LLC recommends awarding the contract to Construct Co, Inc. for the construction of this project.

Should you require additional information, please contact us. Thank you for this opportunity to be of service to the City of New Smyrna Beach and we look forward to the successful completion of the North Causeway Boat Ramp Dock & Amenity Improvements.

Respectfully,
Dredging & Marine Consultants, LLC

Shailesh K. Patel, M.Sc., CPSSc.
Senior Project Manager

CONSTRUCTION CONTRACT

CITY OF NEW SMYRNA BEACH
VOLUSIA COUNTY, FLORIDA

This Agreement, dated this ____ day of _ _ _ _ _ _, 2025, by and between the **CITY OF NEW SMYRNA BEACH**, hereinafter called the **OWNER**, and **Construct Co., Inc.,** a Florida Profit corporation organized and existing under the laws of the State of Florida and hereinafter called the **CONTRACTOR,** is awarded as a result of solicitation **ITB 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1.**

WITNESSETH: The Owner and the Contractor, for the consideration stated herein, agree as follows:

ARTICLE I: Scope of Work

The Contractor shall perform all required work and shall provide and furnish all labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to complete the construction of and all appurtenant work thereto, described in the following document, hereby fully incorporated into this Contract:

ITB 06-25-CIP, North Causeway Boat Ramp: Dock & Amenity Improvements, Phase 1
City of New Smyrna Beach, Florida

All work shall be in strict compliance with the drawings and specifications, including any and all Addenda, and together with all Contract Documents hereinafter enumerated and made a part thereof.

It is understood and agreed that said labor, materials, tools, equipment, and service shall be furnished and said work performed and completed subject to the approval of the Owner.

ARTICLE II: Contract Price

The Owner shall pay the Contractor for performance of the work in accordance with the Contract Documents in current funds as follows:

$ 1,353,321.00

Spelled out: One million three hundred fifty-three thousand three hundred twenty-one dollars and 00/100

Payment will be made in accordance to the awarded bid proposal and the above negotiated agreed upon Contract Price. Change orders, including additions and deductions, must be approved in writing by the Owner. Any change, where the Contractor has materially deviated from the proposed design shall be borne by the Contractor unless such deviation is agreed to in writing by Owner.

ARTICLE III: Contract Time

The Contractor agrees to commence work within **Ten (10) CALENDAR DAYS** after the date of the Notice to Proceed letter and shall achieve Substantial Completion within **One Hundred Fifty (150)** consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ARTICLE IV: Inspection by Contractor

The undersigned Contractor agrees that he has carefully inspected all Contract Documents and is familiar with same; the Contractor agrees that he is responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and under-ground obstructions and nature thereof, the nature of the groundwater conditions and other physical characteristics of the work and work area in order that he may include in the prices which he has bid and the prices of the Contract, all costs pertaining to the work and thereby provide for the satisfactory completion thereof and determination of the Contract prices herein agreed upon, and that this Contract price is based upon these inspections and examination.

ARTICLE V: Liquidated Damages

If the work is not completed within the time specified in Article III of this Contract, the Contractor shall pay the Owner, as liquidated damages, the sum of **ONE HUNDRED FIFTY DOLLARS ($150)** for each consecutive calendar day thereafter until the work is completed, and as outlined in the Supplemental General Conditions.

ARTICLE VI: Right to Require Performance

The failure of the City at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the City thereafter to enforce same or be considered a waiver of such provision, nor shall a waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

ARTICLE VII: Component Parts of the Contract

This Contract consists of the following Contract Documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

- City Advertised Bid with Construction Specifications, Drawings and Addendums
- Awarded Bid Proposal with Bid Bond

The Contractor must provide the following documents within fourteen (14) days upon acceptance of the bid by City Commission. All of which are familiar to the Contractor and are component parts of the contract.

- Certificate of Insurance
- Performance/Payment Bond

Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

ARTICLE VIII: Severability

Should any term, covenant, condition, provision or sentence or part thereof of this Contract, including all Contract Documents which comprise the entire agreement, be held invalid or unenforceable by any court of competent jurisdiction, the remaining terms and provisions shall nevertheless remain in full force and effect.

ARTICLE IX: Force Majeure

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God
b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)
c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest
d) Government order or law
e) Actions, embargoes or blockades in effect on or after the date of this Agreement
f) Action by any governmental authority
g) National or regional emergency
h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and
i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement

ARTICLE X: Human Trafficking

This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided the Human Trafficking Affidavit.

ARTICLE XI: Construction

The headings and subheadings used throughout the Contract Documents are for convenience only and have no other significance in the interpretation of the body of the Contract Document.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date written above for execution by the City of New Smyrna Beach.

THE CITY OF NEW SMYRNA BEACH - HUMAN RESOURCES

CONSIDER THE APPROVAL TO AWARD RFP 08-25-HR, COMPENSATION AND BENEFITS STUDY, TO EVERGREEN SOLUTIONS, INC.

April 8, 2025

Background:

Per the City's Personnel Policies and Procedures, Section VI Salary and Compensation Plan, E. Amendments "...in an effort to maintain the utmost integrity in the city's salary/compensation plan, every three years, the city shall engage the services of an independent professional to review and recommend any changes to the plan."

The City issued a Request for Proposal (RFP 08-25-HR) for a Compensation and Benefits Study on January 21, 2025. In response to the advertisement, the City received five (5) proposals:

- Evergreen Solutions, LLC
- Gallagher Benefit Services, Inc.
- Management Advisory Group International, Inc.
- MGT Impact Solutions, LLC
- RSC Insurance Brokerage, dba: Risk Strategies Company

A committee consisting of three staff members independently reviewed each proposal. On March 3, 2025, the committee attended a virtual Teams meeting that was open to the public. During this meeting, the committee openly discussed each proposal. The scores for references and fees were not included as staff was unable to validate the references and the fee proposals were unclear.

The combined scores without those two areas are provided below:

Firm	Score	Rank
Evergreen, LLC	65.00	1
Management Advisory Group International, Inc.	58.33	2
RSC Insurance Brokerage, dba: Risk Strategies Company	58.00	3
Gallagher Benefit Services, Inc.	57.67	4
MGT Impact Solutions, LLC	56.33	5

Due to the natural break in scores, it was a consensus of the evaluation committee that the top four (4) ranked firms be invited to present to the committee. The scores from the initial proposal evaluation did not carry forward to the presentation phase. Oral presentations provided an opportunity for the firms to provide additional information and clarify the information provided in their submittal, including fees. During the time

between the submittals and the presentations, additional references were provided. The final scores include the scores for fees and references. The top four firms presented to the committee virtually on March 11, 2025.

The final rankings, including all areas, are provided below:

Firm	Score	Rank
Evergreen, LLC	98.70	1
Management Advisory Group International, Inc.	85.05	2
RSC Insurance Brokerage, dba: Risk Strategies Company	81.00	3
Gallagher Benefit Services, Inc.	77.70	4

Each firm's presentation provided the additional information and clarification on serval areas for the submitted proposals substantiating the committee's original rankings. Evergreen, LLC received the highest scores after final scoring. The original proposal and the presentation demonstrated a clear understanding and commitment to provide the items in the scope of service requested by the City. They find that 40% of their clients become repeat customers whether in subsequent studies or additional human resource consulting opportunities. Many of their top leaders are respected in their field and requested to make presentations at national conferences on compensation and benefits. Evergreen uses a project management philosophy when performing their studies to ensure the project defines and meets goals, objectives, and timelines. The steps they would follow for our study were clearly defined and laid out in a timeline that fits the desire of the city with the final goal to help the city build a compensation philosophy and strategy tied to our strategic goals. They assist in designing an overall compensation package that includes total cash and total compensation details.

Evergreen, LLC was deemed the most responsive and responsible firm meeting the specifications within the RFP. It was a consensus of the committee that the top ranked firm be recommended the award of the contract - Evergreen, LLC.

Fiscal Analysis:

The total cost of the contract is $35,500. If awarded, the budget change would be presented at a future meeting.

Strategic Plan Item:

No

THE CITY OF NEW SMYRNA BEACH - HUMAN RESOURCES

CONSIDER THE APPROVAL OF THE ISSUANCE OF A REQUEST FOR PROPOSAL (RFP) FOR A FULL COMPENSATION AND BENEFITS SURVEY FOR ALL POSITIONS AND EMPLOYEES OF THE CITY.

January 14, 2025

Background:

The City's position classification plan provides a systematic arrangement and inventory of all positions. The plan groups the various positions into classes indicative of the range of duties, responsibilities, and the level of work performed. The class titles standardize the meaning, allocation, and usage of the plan based upon the similarity of the work and duties performed. The salary/compensation plan is directly related to the classification plan and provides the basis of compensation for employees in each class and position. The Human Resources Director is tasked with maintaining the classification plan so that it will reflect the duties performed and the class to which each position is allocated. The HR Director prepares the salary/compensation plan for the classes. This is approved by the City Manager and part of the approved budget each fiscal year.

Amendments to the salary/compensation plan are considered by the HR Director and approved by the City Manager when changes in responsibilities, availability of labor supply, prevailing rates of pay in the market, or other pertinent considerations apply. In addition, per the City's Personnel Policies and Procedures, Section VI Salary and Compensation Plan, E. Amendments "...in an effort to maintain the utmost integrity in the city's salary/compensation plan, every three years, the city shall engage the services of an independent professional to review and recommend any changes to the plan."

In 2020, through RFP process, the City engaged with Evergreen Solutions to conduct a salary/benefits study. The full scope of the work included the following:

1. Conduct a comprehensive evaluation of the City’s Pay Plan and compensation policies
as they relate to an estimated 105 classifications, involving approximately 205 full-time employees and 23 part-time employees.
2. Evaluate existing pay policies and practices.
3. Conduct a job-task analysis/job audit of all employee positions to verify and validate information from existing job descriptions. Conduct personal interviews with employees, supervisors, and directors, as needed.
4. Determine if job classifications are in compliance with federal and state laws including
proper designation of classifications as “exempt” vs. “non-exempt”.

5. Conduct a comprehensive compensation survey of those entities considered as the appropriate labor market within the City's competitive area, to include employer provided
benefits.

The following are core jurisdictions for surveying:

Daytona Beach	Daytona Beach Shores
South Daytona	Palm Coast
DeLand	Deltona
DeBary	Edgewater
Holly Hill	Ormond
Ponce Inlet	Port Orange
Volusia County	

The study began just before the onset of the COVID pandemic and the final report was made available late that year. Changes recommended through the study were implemented retroactively to the three bargaining units and non-bargaining employees. This included classification, position title, and pay rate changes throughout the City's classification plan and salary/compensation plan.

Staff recommends the Commission consider and approve the issuance of RFP for a new classification, salary, and benefit study to provide information and recommendation to amendments to the City's classification plan and salary/compensation plan, as well as benefits offered. During this year, the City will engage in union negotiations with our two bargaining units as both contracts expire on September 30, 2025. In addition, over the last four years, we have experienced drastic changes in the market pay rates for most of the classes and positions in the City. The information gathered through the study will allow the HR Director and City Manager to evaluate each class and position to recommend and budget for appropriate changes as required.

Fiscal Analysis:

Fiscal impact is contingent upon the contract awarded.

Strategic Plan Item:

No

II. Introduction

Thank you for your interest in doing business with the City of New Smyrna Beach, Florida.

If you are interested in preparing a response to this solicitation, please read the solicitation package in its entirety prior to submitting a response.

Under Chapter 119, Florida Statutes, all responses to this solicitation shall be considered public record, subject to distribution pursuant to the request for records by any interested party.

For purposes of this solicitation the terms "Consultant" "Proposer," "Respondent" and/or "Vendor," are used interchangeably, and are in reference to the person or entity submitting the response to this solicitation.

II.A Summary

The City of New Smyrna Beach currently has approximately 150 job classifications under its compensation system. There are 323 full-time employees included in the FY2025 budget. The City has two (2) unions which represent approximately 35% of the workforce. The City currently has a pay range classification plan for employees, which are normally increased each year based on Commission Approval and/or Collective Bargaining Agreement requirements.

The City of New Smyrna Beach (herein after, "City") is seeking proposals from qualified and experienced consultants with demonstrated skills and success in conducting employee classification, compensation, and benefits studies to assist the City in updating its classification

plan and developing a strategy to ensure employee's pay and benefits are at a competitive level that aligns with the results of the study.

If an award is made it shall be made to the best overall proposer(s) whose proposal is most advantageous to the City, taking into consideration the evaluation factors set forth in this document. The successful proposer will hereinafter be referred to as the "Consultant".

II.B Background

The City serves an area of 41.6 square miles in size and serves a population of approximately 33,402. It is located off of Florida's East Coast, in the County of Volusia, just north of Cape Canaveral with easy access to both Interstate 95 and Interstate 4. The City's fiscal year begins on October 1st and ends on September 30th.

The City was created in 1887 by adoption of its first charter, which was replaced through Chapter 224.08, Special Acts of Florida, 1943, and subsequently amended, with the most recent update taking effect January 1, 2021.

The legislative branch of the City is composed of an elected five-member City Commission consisting of the Mayor and four Commissioners. The City Commission is governed by the City Charter and by state and local laws and regulations. The City Commission is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Commission-appointed City Manager.

Additional detailed information on the government can be found in City of New Smyrna's Comprehensive Annual Financial Report (CAFR). This report may be viewed on https://www.cityofnsb.com/105/Financial-Reports.

The City of New Smyrna is exempt from any and all state, local and federal taxes.

Recommendation of award to City Commission	April 8, 2025

III. General Information

III.A Ambiguity, Conflict, or Other Errors in the Solicitation

If a respondent discovers any ambiguity, conflict, discrepancy, omission, or other error in the solicitation, the respondent shall immediately notify the Purchasing Department, noted herein, of such error in writing and request modification or clarification of the document. The City shall make modifications by issuing an addendum through the City's e-Procurement portal. No interpretation shall be considered binding unless provided in writing by the City of New Smyrna Beach.

The respondent is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the solicitation prior to submitting the proposal or it shall be waived.

III.B Americans with Disabilities Act

Persons with disabilities needing special accommodation at public meetings should contact the Purchasing Department at 386-410-2654, no later than seven (7) days prior to the appropriate date on which the accommodation is requested.

III.C Assignment

The consultant(s) shall not assign, transfer, convey, sublet or otherwise dispose of this contract, or of any or all of its rights, or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the City.

III.D City's Rights

The City of New Smyrna Beach reserves the right to retain all proposals submitted regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the respondent of the conditions contained in this solicitation, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of New Smyrna Beach and the awarded firm or consultant.

The City has the sole discretion and reserves the right to cancel or withdraw this solicitation at any time for any reason, to reject any/all proposals, to waive any/all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the best interest of the City to do so.

The City also reserves the right to award a contract based on experience and qualifications or to award only a portion of the services specified, if deemed to be in the City's best interest.

III.E Award of Contract and Professional Services Agreement

A contract resulting from this solicitation shall be subject to the terms and conditions set forth in a standard City agreement. The City reserves the right to include in any contract document such terms and conditions as it deems necessary for the proper protection of the rights of the City. The City shall not be obligated to sign any contracts, maintenance and/or service agreements or other documents supplied by the Professional Consultant.

Contract Negotiations: After the ranking is completed, the City will attempt to negotiate an agreement with the top ranked firm or individual which is determined to be in the best interest of the City. The agreement will cover all aspects of the scope of services as described herein. If no agreement is reached with the top ranked firm or individual, negotiations will be terminated and initiated with the next-ranked firm or individual, and so on, until an agreement is reached.

The selected Consultant shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

Contract Term: Contract period is one hundred twenty (120) Calendar days, or less) of all tasks for the classification, compensation, and benefits study.

III.F Cone of Silence/Lobbying

Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a City Commission Member, the City Manager, any requesting or evaluating Department/Division/Office personnel and/or any member of the Evaluation Committee concerning an active solicitation during the black-out period.

A lobbying black-out period commences upon the issuance of this solicitation document.

If a recommendation to award is presented to City Commission for approval or for a request to provide authorization to negotiate a Contract(s) and the City Commission refers the item back to the City Manager, Procurement Department and/or the requesting Department further review

or otherwise does not take action on the item, the Cone of Silence/Lobbying Black-out Period will be reinstated until such time as the City Commission meets to consider the item for action.

Bidders, respondents, potential vendors, service providers, lobbyists, consultants, or vendor representatives shall not contact any City Commission member, the City Manager and/or any member of the evaluation committee concerning an active solicitation during the Cone of Silence/Lobbying Black-out Period.

III.G Conflict of Interest

Submitted proposals shall include a completed Conflict-of-Interest Affidavit provided as an attachment in Section 9 of this solicitation. Disclosure of any potential or actual conflict of interest is subject to City staff review and does not in and of itself disqualify a firm from consideration.

These disclosures are intended to identify and or preclude conflict of interest situations during contract selection and execution.

III.H Evaluation of Submittals

An evaluation committee consisting of City staff shall review and score each proposal based on the criteria set forth in the section of this document titled Evaluation Criteria.

Presentations or demonstrations may be scheduled for the top-ranked respondents. If an award of contract is recommended it will be based on the combined scores from the proposal review and presentations, if applicable. The consensus of the committee will be the deciding factor on how to move forward.

A submission of a proposal to the City offers no rights upon the respondent nor obligates the City in any manner. Acceptance of a proposal does not guarantee issuance of any other governmental approvals.

If made, the recommendation of award will be made to the best overall respondent whose proposal is most advantageous to the City, taking into consideration the evaluation factors set forth in this solicitation. The City will not use any other factors or criteria in the evaluation process.

The consensus of the committee will be the deciding factor on how to move forward.

III.I E-Verify

The E-Verify System means an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

Pursuant to Florida Statute 448.095, any new contract or renewal with a public agency requires the vendor and any subcontractor thereof to register with and use the E-Verify system to verify the work authorization status of all new employees working in the state of Florida or the United

States. If the contractor or vendor enters into a contract with a subcontractor, the subcontractor must provide an affidavit to the contractor or vendor that states that the subcontractor does not employ any unauthorized alien in Florida or the United States. The contractor shall provide and maintain proof of compliance with this statute upon request.

Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Every Vendor shall, upon request, provide evidence of compliance with this provision to the Owner. Failure to comply with this provision is a material breach of an Agreement, and the Owner may choose to terminate the Agreement at its sole discretion. The Vendor may be liable for all costs associated with the Owner securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

III.J Federal and State Tax

The City of New Smyrna Beach is exempt from Federal and State Sales and Use Taxes for tangible personal property. Consultants doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City nor shall any Consultant be authorized to use the City's Tax Exemption Number in securing such materials.

III.K Florida Public Records Act

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

III.L Foreign Corporation

In accordance with Section 607.150 of the Florida Statutes, and provided an exemption is not available, a foreign corporation may not transact business in Florida until it obtains a certificate of authority from the Florida Department of State.

Foreign corporations may submit bids or proposals prior to obtaining a certificate of authority from the Florida Department of State. A foreign corporation must be in compliance with F.S. 607.150, prior to entering into a Contract with the City.

III.M Governing Law/Jurisdiction

The interpretation, effect, and validity of any contract(s) resulting from this solicitation shall be governed by the laws and regulations of the State of Florida. In the event that a suit is brought for the enforcement of any term of the contract(s), venue of any court action shall be in Volusia County, Florida.

III.N Human Trafficking

Compliant with Florida Statutes, 787.06.

A contract resulting from this solicitation is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided a complete Human Trafficking Affidavit provided in the Attachment Section of this document.

III.O Immigration Reform and Control Act

Proposer acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the awarded firm(s) to comply with the laws referenced herein shall constitute a breach of the award agreement and the City shall have the discretion to unilaterally terminate said agreement immediately.

III.P Inquiries

All questions related to this RFP shall be submitted in writing via the OpenGov Question/Answer Tab via the City's e-Procurement portal, on or before 5:00 pm on Tuesday, February 4, 2025. Please include the section title for each question, if applicable, in order to ensure that questions asked are responded to correctly.

When asking questions, please be sure to enter each question separately.

Proposers must clearly understand that the only official answer or position of the City shall be the one stated in writing by the City. All questions submitted and answers provided shall be electronically distributed to proposers following this solicitation on the City's e-Procurement Portal.

III.Q Joint Ventures

Responders that are intending to submit a bid response as a joint venture are required to have filed proper documents with the Division of Corporations, and/or any other State or local licensing agency prior to submitting a bid response. Please refer to Section 489.119 Florida Statutes.

Joint venture firms must provide an affidavit attesting to the formulation of a joint venture and provide either proof of incorporation as a joint venture or a copy of the formal Joint Venture Agreement between all joint venture parties, indicating their respective roles, responsibilities, and levels of participation for the project.

III.R Judgements/Legal Findings

By submitting a proposal for consideration, the proposer affirms that they currently have no judgements or other legal findings nor have any pending judgements or other legal findings against the company or any of its executives, with any federal, state or local governmental entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of this bid. Failure to disclose any such judgments and/or findings will result in the termination of any contracts and other penalties as deemed legal and appropriate by the City.

III.S Legal Requirements

Federal, State, County and local laws, ordinances, rules and regulations that in any manner affect the item(s) covered herein apply. Lack of knowledge by the respondent will in no way be cause for relief from responsibility.

III.T Liability

The City of New Smyrna Beach assumes no responsibility for the cost of preparing a response to this solicitation. The awarded consultant shall hold and save the City of New Smyrna Beach, its officers, agents and employees harmless from liability of any kind in the performance of or fulfilling the requirements of a contract which may result from award of this solicitation.

Neither party shall be held responsible for failure to complete contract due to causes beyond its control, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, Acts of Nature and similar occurrences making performance impossible or illegal.

The Consultant shall hold and save the City of New Smyrna Beach, its officers, agents, and employees harmless against claims by third parties resulting from the Consultant's breach of contract or negligence, including all attorney's fees and costs, and shall pay any and all damages, fees, and costs assessed on behalf of the City. The City expressly reserves all rights, privileges, and benefits of sovereign immunity.

III.U Method of Source Selection

The City of New Smyrna Beach is using the competitive sealed proposal methodology of source selection for this procurement, as authorized by the City Purchasing Policy.

III.V On-line Provider Disclaimer

It is recommended that respondents register and maintain their registration with OpenGov at www.OpenGov.com. This is a third-party provider that provides a platform to communicate solicitation information to the Public. OpenGov does not represent the City nor does communications through this provider constitute communications to the City. The City of New Smyrna Beach is not responsible for errors and omissions occurring in the transmission or downloading of any documents from the online website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

III.W Opening of Proposals

Sealed proposals will remain sealed until the time of opening listed in Section 2 of this document. Through Microsoft Teams, the received proposals will be publicly opened, and the proposers' names read aloud at that time. It is important to note that this is public meeting, and the meeting will be recorded.

Proposers may contact the City's Purchasing Coordinator to obtain information to view the live bid opening. No discussion of the Proposals will occur at this time.

III.X Payment

Florida Statute 218.70, et seq, known as the "Florida Prompt Payment Act" sets forth "the policy of this state that payment for all purchases by local governmental entities is made in a timely manner". This is also the policy of the City of New Smyrna Beach. The City expects prompt and accurate service from our consultants/vendors, and it shall pay their invoices promptly and accurately.

III.Y Pre-Proposal Meeting

There will be no pre-proposal conference for this solicitation.

III.Z Principals/Collusion

By submission of this proposal, the undersigned, as proposer, does declare that the only person or persons interested in this solicitation as principal or principals is/are named therein and that no person other than therein mentioned has any interest in this solicitation or in the contract to be entered into; that this proposal is made without connection with any person, company or parties submitting a proposal, and that it is in all respects fair and in good faith without collusion or fraud.

III.AA Prohibition of Gifts to City Employees

No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service or other item of value to any City employee, as set forth in Chapter 112, Part III, Florida Statutes, the current City Ethics Ordinance, and City Administrative Policy. Violation of this provision may result in one or more of the following consequences:

A. Prohibition by the individual, firm, and/or any employee of the firm from contact with City staff for a specified period of time;

B. Prohibition by the individual and/or firm from doing business with the City for a specified period of time, including but not limited to: submitting bids, RFP, and/or quotes and;

C. Immediate termination of any contract held by the individual and/or firm for cause.

III.BB Proposal, Presentation, and Protest Costs

The City shall not be liable in any way for any costs incurred by any proposer in the preparation of its bid in response to this RFP, nor for the presentation of its bid and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

III.CC Proposal Due Date

Submittals shall be received prior to 5:00 pm on Thursday, February 20, 2025. Submittals shall be submitted through the City's e-Procurement Portal.

Submittals received after the designated time will not be permitted or accepted. There is no expressed or implied obligation for the City of New Smyrna Beach to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

III.DD Protest Procedures

1) Respondents who do not agree with the City's recommendation for award shall be afforded the opportunity to protest the recommendation by submitting written notice to the Purchasing Division. Proposals not meeting the minimum published requirements, including specifications, scope of service, or required documents, are not subject to protest.

2) Such notice shall be given within three (3) business days after the City posts its notice of intent to award.

3) A formal written protest shall be made to the Purchasing Division within five (5) working days after filing the notice of protest, which shall state the grounds for the protest and the action requested.

4) The formal written protest shall include with it a bid protest bond in the amount of one percent (1%) of the estimated contract amount, as provided in Florida Statutes § 287.042(2)(c) and Rule 28-110.005 of the Florida Administrative Code. The notice of protest must be either hand-delivered and date and time stamped by the Finance Department, or sent via Certified U.S. mail, return receipt requested. Failure to file a protest within the timeframe specified herein shall constitute a full waiver of all rights to protest the City's decision regarding award of the bid. For full bid protest guidance, consult Section 9.1, Notice of Protest, of the City of New Smyrna Beach's purchasing policy.

III.EE Public Entity Crimes

Pursuant to Section 287.133(12)(a) of the Florida Statutes, "A person or affiliate, who has been placed on the convicted vendor list following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO ($25,000) for a period of 36 months from the date of being placed on the convicted vendor list."

III.FF Relation of City

It is the intent of the parties hereto that the consultant shall be legally considered an independent consultant, and that neither the consultant nor their employees shall, under any circumstances, be considered employees or agents of the City, and that the City shall be at no time legally responsible for any negligence on the part of said consultant, their employees or agents, resulting in either bodily or personal injury or property damage to any individual, firm, or corporation.

III.GG Requesting the Solicitation Document

The City of New Smyrna Beach Purchasing Department is the official source to obtain information relating to the City solicitations.

All documents regarding this solicitation are posted utilizing an online bid management system, OpenGov. There is no charge to register with OpenGov and/or to participate in the solicitation process.

III.HH Requests for Clarification

The City may, as it deems necessary, conduct discussions with responsible respondents for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

Requests by the Purchasing Coordinator to a proposer(s) for clarification of a submittal(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive and may be just cause to reject its proposal.

III.II Single Proposal

Each Proposer must submit, with their bid, the required forms included in this solicitation. Only one proposal from a legal entity as a primary shall be considered. A legal entity that submits a proposal as a primary or as part of a partnership or joint venture submitting as primary may not then act as a sub-consultant to any other firm submitting under the same solicitation.

All submittals in violation of this requirement shall be deemed non-responsive and rejected from further consideration.

III.JJ State Registration Requirements

Any corporation submitting a proposal in response to this solicitation shall either be registered or have applied for registration with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes. A copy of the registration/application may be required prior to award of a contract.

Any partnership submitting a response to this Solicitation shall have complied with the applicable provisions of Chapter 620, Florida Statutes. For additional information on these requirements,

please contact the Florida Secretary of State's Office, Division of Corporations at (800) 755-5111 or visit the following website: (http://www.dos.state.fl.us).

III.KK Termination

Termination for Convenience: The City reserves the right to terminate the Agreement in whole or part at any time without penalty or cause, which termination date shall not be less than thirty (30) days after the date of such written notice. Upon receipt of the written notice, the Contractor shall immediately stop all work as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the City. In the event of termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and delivered to the City. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed, and materials accepted before the effective date of termination. Such compensation shall be the Contractor's sole remedy against the City in the event of termination under this provision.

Termination for Cause or Default: The City reserves the right to terminate the Agreement in whole or in part due to the failure of the Contractor to comply with any term or condition of the Agreement, including failure to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Agreement. The City shall provide written notice of the termination and the reasons for it to the Contractor. Upon termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and be delivered to the City on demand. The City may, upon termination of the Agreement, procure, on terms and in the manner that it deems appropriate, materials, or services to replace those under the Agreement. The Contractor shall be liable to the City for any excess costs incurred by the City in re-procuring the materials or services.

Contractor's Right to Terminate: If the work should be stopped for a period of three (3) months, under any order of any court or public authority, other than by the Owner, through no act of fault of the Contractor or of anyone employed by the Contractor, then the Contractor may, upon thirty (30) days written notice to the Owner, terminate the Contract and recover from the Owner payment for all work executed and any expense sustained plus a reasonable profit thereon.

Force Majeure:

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God

b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)

c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest

d) Government order or law

e) Actions, embargoes or blockades in effect on or after the date of this Agreement

f) Action by any governmental authority

g) National or regional emergency

h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and

i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said event shall not prevent CONTRACTOR from timely performing its functions under this Agreement.

III.LL Title VI

No person shall on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992 and other nondiscrimination authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity of the City of New Smyrna Beach.

III.MM Validity of Submittal

Submittals cannot be withdrawn after they are filed unless the respondent makes their request in writing to the City prior to the time set for the closing of RFP.

All submittals shall be valid for a period of one hundred eighty (180) days from the submission date to accommodate evaluation and selection process.

IV. Description of Services

IV.A General Description of Services

The City of New Smyrna Beach is seeking proposals from qualified and experienced consultants with demonstrated skills and success in conducting employee classification, compensation, and benefits studies to assist the City in updating its classification plan and developing a strategy to ensure employee's pay and benefits are at a competitive level that aligns with the results of the study. In addition, the awarded Consultant will assist in updating information on all position descriptions including essential job functions, responsibilities, required knowledge, skills and abilities, and physical demands of each position.

The consultants must review all background materials provided by the City, including but not limited to organizational charts, existing pay plans, job descriptions, collective bargaining agreements, policies, budgets, and any other related information. The consultants shall establish a methodology to conduct a comprehensive employee compensation, classification, and benefits study that includes but is not limited to those areas included in the scope of service. The consultants may propose additions, alternative tasks or additional value-added activities deemed necessary to complete the scope of service.

The City's goal is to have a thorough study along with accurate job descriptions utilizing accepted best practices in the management and design of compensation and benefit systems. The City's objectives are as follows:

- Attract and retain qualified workers who will be paid equitable salaries;
- Provide equitable salaries and benefits for all employees of the City; and
- Provide the City with a salary and benefit structure that enables the City to maintain a competitive position within the same geographic area but will be financially sustainable for the long term.

It is expected that the study will recommend adjustments to the City's pay and benefit plans, to allow for appropriate compensation and benefits, rectify internal compression/equity issues along with compensation comparisons from surrounding jurisdictions and other comparators. It is the City's intent to obtain fixed price proposals from qualified firms to conduct a comprehensive compensation study.

Current Job Classifications: The City of New Smyrna Beach currently has approximately 150 job classifications under its compensation system. There are 323 full-time employees included in the FY2025 budget. The City has two (2) unions which represents approximately 35% of the workforce. The City currently has a pay range classification plan for employees, which are normally increased each year based on Commission Approval and/or Collective Bargaining Agreement requirements.

IV.B Scope of Work

The consultants shall establish a methodology to conduct a comprehensive compensation and classification study that includes but is not limited to those areas included in the scope of service. This project shall include, but is not limited to, the following: (The consultant may propose additions, alternative tasks or additional value-add activities deemed necessary to complete the scope of work, subject to the approval of the City).

Job Classifications

- Conduct a comprehensive evaluation of the City's current job classification structure, related policies and practices and provide a comparative analysis which benchmarks other similar agencies within the same geographic area.
- Conduct a comprehensive evaluation of the City's job classifications/titles as they relate to all city positions and provide recommendations to classify/reclassify positions as appropriate.
- Conduct a job audit of all positions which may include interviews with employees, managers, department directors and the human resources staff to verify and validate current job descriptions.
- Evaluate all job descriptions to include a review as they relate to Fair Labor Standards Act (FLSA) and Americans with Disabilities Act (ADA) compliance. Also include verification of the Equal Employment Opportunity (EEO) designation. Provide recommended updates and/or revisions.
- Provide recommendations for job descriptions to uniformly reflect the distinguishing characteristics; primary duties and responsibilities, minimum qualifications (education/experience and knowledge/skills/efforts), working conditions (physical demands, work environment and travel requirements), and certifications/licenses/registration requirements for classification as needed.
- Evaluate current job description template and recommend template format, content and/or revisions.
- Refine job classifications/titles to accurately represent job duties and responsibilities as necessary. Review supervisor/management titles and recommend titling structure which defines consistent levels of responsibility across the organization.
- Conduct a comprehensive evaluation and comparative analysis of every job within the City to determine relative work within the organization for internal equity.
- Based upon the recommended classification grade, review existing salaries to determine proper placement within proposed classification.

Compensation and Classification

- Conduct a comprehensive compensation survey to include actual salaries, tenure in positions, supplemental pay, and benefits comparing benchmark positions with other

similar agencies, both public and private, to identify the city's competitive position in the regional central Florida labor market.

- Review the current pay grade and salary ranges of the city positions, including recommending appropriate salary ranges based on compensation survey and study results and appropriate salary range for each position.
- Evaluate current pay structure [i.e., number of pay grades, including additions, deletions and/or consolidations, appropriateness of pay range spread from salary minimum to maximum and/or Market Reference Point (MRP)].
- Review existing pay practices and policies at the city and provide recommendations based upon analysis of external market competitiveness and internal equity that will allow the city to attract and retain qualified workers but is also financially sustainable.
- Conduct internal pay equity assessment based upon actual work performed as communicated by employees and managers through interviews, value of work performed to the organization, years of experience, and the length of service for all 323 employees. Identify potential pay compression issues if any and provide potential solutions and/or recommended equity adjustments.
- Develop and recommend an implementation plan for adoption of the proposed classification plan and salary adjustments to include estimated fiscal impact, with options for a step plan (multiple years) implementation.
- Develop guidelines to assist the city staff with determining the starting pay for new employees based on knowledge and experience above the minimum requirements of the position, how difficult the position is to fill, and marketing competitiveness.
- Develop guidelines and/or tools for assigning pay grade to future/new or reclassified positions.
- Provide methodology for maintaining and updating the proposed new/modified compensation plan. Train Human Resources personnel in the maintenance and administration of the proposed new/modified internal maintenance of the compensation plan.

Benefits

- Conduct a comprehensive benefits survey for the overall benefit package for the surveyed entities including retirement plans, paid time off, and employee insurance coverages and contribution rates for health, dental, vision, group life, group short term disability and other ancillary benefits.
- The recommended pay and benefits system must meet all legal requirements, be nondiscriminatory and provide for compliance with all pertinent federal, state, and local requirements (e.g. ADA, FLSA, EEO/ADA, etc.).

Recommended Report: The final recommendation report shall include, but shall not be limited to the following elements:

- Summarize methodology, techniques and data used to develop the proposed new/modified plan; outreach efforts, assessment of the City's current pay plan and pay practices and existing labor market conditions of comparable government agencies.
- Recommendations for a classification and compensation structure that reflects the city's overall classification and compensation strategies as well as accommodating for organizational change, growth and long-term financial sustainability.
- Recommend/revise pay grades and salary ranges for all existing and proposed classifications.
- Recommend a proposed implementation plan that ensures salary ranges remain competitive with reasonably similar positions in the labor market where the City recruits for employees, and which are consistent with the economic conditions of the City and surrounding comparable agencies.
- Allocate all employees included within the scope of service to an appropriate job title, pay grade and designate each job classification as either exempt or non-exempt pursuant to the requirements of the Fair Labor Standards Act (FLSA).
- Assign a salary range to each pay grade/classification included with the scope of service that reflects the results of the market survey and the analysis of the internal salary relationships.
- Individual employee analysis of current pay rate and recommendations for individual pay adjustments in accordance with recommended compensation structure comparative to the labor market and surveyed entities and considering internal equity.
- Recommend an implementation schedule that includes any fiscal impacts (short-term and long-term) of implementing the recommendations.

IV.C City of New Smyrna Beach Responsibilities

The city shall provide the awarded Consultant with all the relevant information pertaining to the City and its operations including but not limited to the following:

A. Current employee salary data
B. Current personnel policies
C. Job descriptions
D. Employee insurance categories and plan documents
E. Any additional information required for consultant to fulfill the Scope of Services

IV.D Communication Expectations, Technology, and Required Deliverables

Communication: Effective communication is the utmost importance to the success of this study. Ongoing and open communication between the designated city representative and the consultant is required from the initiation of the contract through to completion of the study.

Deliverables: Required deliverables include but not limited to:

- It is expected that the awarded proposer will provide bi-weekly verbal check-ins and monthly written detailed progress reports as well as periodically presenting the information to the City Commission throughout the process. Presentation to the City Commission may be electronically or in person as required.
- Provide a detailed final written report to the city designated representative within one hundred twenty (120) days of all tasks for the classification, compensation, and benefits study. Report to include the research performed, methodology, compensation philosophy, findings and policy update recommendations based on proposed/revised pay plan, implementation, and financial impact.
- Awarded proposer will be required to present the final completion of the study to staff and/or the City Commission.

Technology: Proposers must demonstrate technologically advanced software other than Microsoft Excel to provide statistically accurate data analysis, comparative charts or graphs, and enhanced reporting capabilities.

IV.E Contract

It is the City's intent to enter into an agreement with one company for 120 days. Contract may be extended, upon approval of the City Commission. Prices shall not increase during the term of the contract.

Assignment: The awarded Firm or Consultant shall not assign, transfer, convey, sublet or otherwise dispose of this contract, or of any or all of its rights, or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the City.

IV.F Compliance With Laws, Rules, and Regulations

Each Proposer is responsible for full and complete compliance with all laws, rules, and regulations, including those of the Department of Insurance, which may be applicable to it. Failure or inability on the part of the Proposer to comply with such laws, rules, and regulations (including failure to obtain Department of Insurance approval for filings) shall not relieve any Respondent from its obligation to honor its Submittal and perform completely in accordance with its Submittal.

V. Minimum Qualifications

V.A Minimum Qualifications

Proposers wishing to be considered for an award of contract must meet the below minimum qualifications.

Proposers that do not meet the minimum requirements as determined by the city, at its sole discretion, will be deemed non-responsive and not considered for award. All decisions made by the city are final.

Office: Have a staffed office within the State of Florida

Florida Division of Corporations:

- The Firm must be licensed by the State of Florida, Department of Business & Professional Regulation, and State Board of Accountancy, to practice in the State of Florida.
- The firm is independent and licensed to practice in Florida and registered through Sunbiz with an "Active" Status.

License/Certificates:

- Proposers are required to possess the correct professional license, and any other authorizations necessary to carry out and perform the work in accordance with the specifications pursuant to all applicable Federal, State and Local Law, Statute, Ordinances, and rules and regulations of any kind.
- Copies of the required licenses must be submitted with the solicitation response indicating that the entity proposing, as well as the team assigned to the City account, are properly licensed to perform the activities or work included in the contract documents.

Experience:

- Demonstrated skills and success in conducting employee classification, compensation, and benefits studies to assist a municipality in updating its classification plan and developing a strategy to ensure employees' pay and benefits are at a competitive level that aligns with the results of the study.
- At least five (5) years' experience performing surveys and analyses for public employers
- Have expertise in multi-classification systems.

VI. Submittal Requirements

Submittals shall be in strict compliance with the requirements listed herein. Failure to comply with all provisions of this solicitation may result in disqualification.

VI.A Evaluation Committee and Evaluation Factors

A committee of city employees shall evaluate and rank each submittal based on information provided. It is the intent of the City that all proposers responding to this RFP, who meet the requirements, will be ranked in accordance with the criteria established in these documents. The City will consider all responsive and responsible proposals received in its evaluation and award process.

Evaluation factors are based on the abilities of the proposer to efficiently perform the Scope of Services as generally outlined in this solicitation. The city shall seek to identify the submittal(s) which shall best meet the needs of the city as determined from the responses received.

A selected group of proposers may be required to make an oral presentation to the committee. Such presentation shall provide an opportunity for the proposers to clarify the information provided in their submittal. Oral presentations, if any, shall be considered in conjunction with the submitted data by the committee. The committee shall present its recommendation to the City Commission, which has the authority to make the final determination and award contracts.

Each Committee member will award points according to the Evaluation Criteria described in each Category for the Phase I and Phase II evaluation processes. The points indicated as "Points Possible" will be totaled to achieve the Total Points awarded to each Proposer. The greatest cumulative of Total Points will be ranked 1, the next greatest total ranked 2, etc. The ranking of each Proposer will be tabulated from each Committee member.

Submissions shall be evaluated on a total score basis, with a maximum score of one hundred (100) points per committee member. The following criteria shall be used in the evaluation process to determine the successful respondent(s):

Evaluation Criteria	Maximum Points Per Evaluation Committee Member
Background and Experience of the Firm	25
Skills and Credentials of the Designated Project Team	20
Scope Approach, Anticipated Timeframe, and Technological Resources	20
Fee Proposal	20
References	15
Total	**100**

In general, the City wishes to avoid the expense to the City and to proposers of unnecessary oral interviews. Therefore, the City will make every reasonable effort to achieve the ranking using written submittals alone. If no single top-ranked firm can be clearly identified by review of the written submittals alone, presentations shall be scheduled with the top ranked firm(s) for oral presentations/interviews. If Oral Presentations are required, the shortlisted firms will be re-ranked based solely on the presentations.

VI.B Response Format

Submittals shall be deemed an offer to provide services to the City. In submitting, the professional consultant declares that he/she understands and agrees to abide by all specifications, provisions, terms and conditions of same, and all ordinances and policies of the City. The Proposer agrees that if the contract is awarded to him/her, he/she shall perform the work in accordance with the provisions, terms and conditions of the contract.

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below. Proposals shall be submitted in a professional manner and is a representation of the consultant.

Any portions of the proposal that do not comply with these guidelines must be so noted and explained in the Acceptance of Conditions section of the bid. However, proposals which contain such variances may be considered non-responsive.

VI.C Introduction and Management Summary

At a minimum shall include:

Cover Page: Representing the firm that is submitting a proposal.

Letter of interest: Not more than two (2) pages to include names of the individuals who will be authorized to make representations for the proposer, their titles, addresses, and telephone numbers, e-mail address, location of office(s) that will be providing the service. Include the location of your firm's main office and address of the office location that will serve the City of New Smyrna. Include key areas of the proposal and that summarizes the Firm’s experience and qualifications as to why they shall be recommended the award of contract.

Management summary: Submit a brief abstract, of not more than three (3) pages, stating the firm's understanding of the nature and scope of the services to be provided, the anticipated project approach and the firm's ability to comply with all the requirements. Information shall be signed by a corporate officer or principal, or an authorized representative of the consultant authorized to obligate the firm and/or joint venture contractually. The letter shall include the business address, telephone number, facsimile number, e-mail and the name of the consultant that the City can contact for additional information. The respondent or authorized representative is attesting that the information provided is current and factual and that all firms on the proposed team agree to work on the project together.

VI.D Background and Experience of the Firm

Provide an overview of the consulting firm, including information on size, years in business, and location of office. Submit summaries of salary surveys and comparative analyses performed by the firm within five (5) years prior to the due date of the RFP. A minimum of five years' experience is required. Proposers with experience performing these surveys and analyses for public employers will receive additional consideration in scoring. Proposers must demonstrate specific experience and expertise in multiclassification systems.

VI.E Skills and Credentials of the Designated Project Team

Provide resumes of the project team and identify similar projects (preferably those responsive to criteria no. 1 above) successfully completed by the members of the project team, indicating their role on the team, with reference contact information, demonstrating the professional skills and credentials of staff to be assigned to the study.

VI.F Scope Approach, Deliverables, Anticipated Timeframe, and Technological Resources

Approach: Describe the Proposer's approach to the performance of the study and actions anticipated to ensure all of the city's requirements are satisfied and provide an anticipated timeframe to complete the project. Additionally, provide a project schedule with major milestones noted. Describe the advanced technological resources to be used for data collection, analysis, and presentation.

Deliverables and anticipated timeframe: Provide examples of detailed reports and anticipated timeframe for verbal and written reports provided to the city designated representative. Also include proposed timeline of periodic presentations to City Commission. The city is open to considering other deliverables and timelines based on the consultant(s) resources. Any recommendations need to be provided, in detail, in the consultant(s) proposal.

Technological Resources: Provide detailed information and experience of technologically advanced software other than Microsoft Excel to provide statistically accurate data analysis, comparative charts or graphs, and enhanced reporting capabilities.

VI.G Fee Proposal

Submittals shall include a detailed fee proposal. Fee proposal shall include salary cost, fringe benefits, overhead, operating margin and profit, and all direct and indirect expenses. Fee proposal shall include options to add or remove services that may be required along with the associated costs.

Any work performed by the Consultant without approval by the City is performed at the Consultant's own election.

Compensation to the Consultant for the services performed shall be as set forth on City issued purchase order as a result of a detailed proposal from the awarded consultant.

The City shall not pay for reimbursable items such as gas, tolls, mileage, meals, etc. and other items not directly attributable to items produced for each project.

In the event the City fails to provide compensation under the terms and conditions of this Agreement, the Consultant shall notify the City's Designated Representative in order that the City may take remedial action.

The fee structure will be evaluated utilizing the equation provided in the example below. Lowest cost proposed gets total points = 20 points

Example	Submitted Fee Structure	Lowest Cost	% For Lowest	Multiplier	Points Awarded
Company A	$100,000	$100,000	100.00%	20	20
Company B	$110,000	$100,000	90.91%	20	18.18
Company C	$120,000	$100,000	83.33%	20	16.67
Company D	$130,000	$100,000	76.92%	20	15.38
Company E	$140,000	$100,000	71.43%	20	14.29

VI.H References

Provide a list of a minimum of three (3) of the company's projects/customers similar in size and scope to the services described herein, both present and past customers, within the past five (5) years. If applicable, please list examples of services rendered in the State of Florida, particularly within municipalities. This list must include complete and current addresses, contact person(s), e-mail addresses, telephone and fax numbers, and length of contract. Please use the reference form provided in Attachment A.

In addition to the completed Reference Form, Proposer's shall provide each reference a copy of the Reference Questionnaire that is provided in the Attachment Section of this document. References shall email the completed form to purchasing@cityofnsb.com prior to 5:00 pm on Tuesday, February 4, 2025, with 08-25-HR Compensation and Benefits Study in the subject line of the email.

The City of New Smyrna Beach shall not be listed as a reference. Information must be current, and the City must be able to contact references for verification as part of the evaluation process).

VI.I Financial Stability/Litigation

Provide a statement certifying that they are financially stable and have the necessary resources, human and financial, to provide the services at the level required by the City of New Smyrna Beach. Respondent shall also list any lawsuits in which their team (firm & sub-consultants) are involved relative to the services performed or failed to perform over the last five (5) years. The respondent shall also list any work which their team failed to complete in the last five (5) years and describe when, where, how and why of such failure, including listing any officer or partner of

their team who in the last five (5) years failed to complete a contract handled in his/her name and discuss the reasons. The companies Dunn & Bradstreet number shall be included.

Provide a financial statement, preferably a certified audit, but a third party prepared financial statement and the latest Dunn & Bradstreet report will be accepted.

VI.J Complete Copy of Submittal

Upload as one (1) PDF a complete copy of the proposal as one (1) PDF in the organized in the below format. Proposal must be signed by an authorized officer of your organization.

- Cover page with company logo
- Introduction and Management Summary
- Background and Experience of the Firm
- Skills and Credentials of the Designated Project Team
- Scope Approach, Anticipated Timeframe and Technological Resources
- Fee Proposal
- References
- Completed City forms provided in the Attachment Section of this document.
- Sign copies of any addendums that have been posted.

VII. Insurance Requirements

VII.A Insurance Requirements

The selected Firm or Individual will be required to name the City as an additional named insured with the following minimum coverages.

A. Workers' Compensation shall be maintained by the selected firm or individual for all employees engaged in the work under this solicitation in accordance with the laws of the

State of Florida. Employers' Liability Insurance shall be maintained by the selected firm or individual at limits not less than the following:
$500,000 Each Accident
$500,000 Disease Each Employee
$500,000 Policy Limit for Disease

B. Commercial General Liability Insurance shall be maintained by the selected firm or individual with limits not less than the following:
$1,000,000 Bodily Injury & Property Damage-each occurrence
$2,000,000 Personal & Advertising Injury-each occurrence
$2,000,000 General Aggregate
$2,000,000 Products/Completed Operations Aggregates limit
$ 5,000 Medical Payments
$ 100,000 Fire Damage Legal Liability
Coverage shall include Contractual Liability and Independent Contractors Liability.

C. Professional Liability Insurance shall be maintained by the selected firm or individual with a combined single limit of not less than $3,000,000, protecting the selected firm against claims of the City for negligence, errors, mistakes, or omissions in the performance of services to be performed and furnished by the selected firm or individual.

If the consultant maintains broader coverage and/or higher limits than the minimums shown above, The City of New Smyrna Beach requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Consultant.
Cancellation: Thirty (30) days written notice of cancellation is required to Certificate Holder

Certificate Holder: City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, FL 32168

The proposer shall be responsible for subcontractors and their insurance. All deductibles or self-insured retention shall appear on the certificate(s) and shall be subject to approval by the City. At the option of the City, the insurer shall reduce or eliminate such deductible or self-insured retention; or the contractor shall be required to procure a bond guaranteeing payment of losses and related claims expenses. All insurance companies must be authorized to transact business in the State of Florida. The City shall be exempt from, and in no way liable for, any sums of money, which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the proposer and/or subcontractor providing such insurance. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default. Neither approval by the City of any insurance supplied by the proposer, nor a failure to disapprove that insurance, shall relieve the proposer of full responsibility of liability, damages, and accidents as set forth herein.

VII.B Acknowledgment of Insurance Requirements

It should be noted by the Proposer that, in order to meet the City's requirements, there may be additional insurance costs to the Proposer's firm. It is, therefore, imperative that the proposer discuss these requirements with the Proposer’s insurance agent, as noted on the Insurance Check List, so that allowances for any additional costs can be made by the Proposer.

The Proposer's obligation under this provision shall not be limited in any way by the agreed upon contract price, or the Proposer's limit of, or lack of, sufficient insurance protection.

Proposer also understands that the evidence of required insurance may be required within five (5) business days following notification of its offer being accepted; otherwise, the City may rescind its acceptance of the Proposer's bid.

Statement of Insurance Compliance Form provided in the Attachment Section shall be completed and submitted with proposal.

*Response required

VIII.G Potential Conflict of Interest*

- Upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project
- Or, on company letterhead, upload a statement that no potential conflicts exist.

*Response required

VIII.H Conflict of Interest Disclosure*

PROJECT NUMBER: 08-25-HR - Compensation and Benefits Study

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose within their submittal: the name of any officer, director, or agent who is also an employee of the City of New Smyrna Beach, Florida. Furthermore, all respondents must disclose the name of any City employee who owns, directly, or indirectly, an interest of more than five percent (5%) in the respondent's firm or any of its branches.

The purpose of this disclosure statement is to give the City the information needed to identify potential conflicts of interest for screening evaluation team members and other key personnel involved in the award of this contract.

The term "conflict of interest" refers to situations in which financial or other personal considerations may adversely affect, or have the appearance of adversely affecting, an employee's professional judgment in exercising any City duty or responsibility in administration,

management, or other professional activities. The bias such conflicts could conceivable impart may inappropriately affect the goals of the City. The City must be free of the undue influence of outside interests.

The mere appearance of a conflict may be as serious and potentially damaging as an actual conflict of interest. Reports of conflicts based on appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light. Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts.

PUBLIC RECORDS

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

Company name
Compensation and Benefits Study

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between **_____**, duly authorized to conduct business in the State of Florida and whose address is _____, FL _____, hereinafter, called "CONSULTANT," and the **CITY OF NEW SMYRNA BEACH**, a political subdivision of the State of Florida, whose address is 210 Sams Ave., New Smyrna Beach, FL, hereinafter called "CITY."

SECTION 1. AGREEMENT. The terms of this Agreement, together with the incorporation of the terms and conditions of the RFP **08-25-HR, Compensation and Benefits Study, FOR THE CITY OF NEW SMYRNA BEACH** and any exhibits, schedules, and attachments hereto, and any and all amendments relating to same, and any and all submittals from CONSULTANT, constitute the entire Agreement between the City and CONSULTANT. This Agreement is the final, complete and exclusive expression of the terms and conditions of the parties' Agreement. Any and all prior agreements, representations, negotiations, and understandings made by the parties, oral or written, expressed or implied, are hereby superseded and merged herein.

SECTION 2. TERM OF AGREEMENT. The initial term of this Agreement shall be for one hundred twenty (120) days, or less, of all tasks for the classification, compensation, and benefit study.

SECTION 3. DESCRIPTION OF SERVICES. The Consultant agrees to perform the services outlined in the advertised solicitation document titled RFP 08-25-HR, Compensation and Benefits Study, and in the Consultant's submitted Proposal.

The Consultant shall diligently and in a professional and timely manner perform and provide these services. Unless modified in writing by the parties hereto, the duties of the Consultant shall not be construed to exceed the provision of the services pertaining to this Agreement.

The City and Consultant agree that there may be certain additional services required to be performed by the Consultant during the performance of the contract that cannot be defined sufficiently at the time of execution of this Agreement. These services shall be authorized in writing as an amendment to the contract and may contain additional instructions or provide specifications upon certain aspects of this Agreement pertaining to the work to be undertaken.

SECTION 4. COMPENSATION. For Services rendered, the CITY shall pay the CONSULTANT based on their fee schedule provided. Unless otherwise agreed in a Scope of Services, the CONSULTANT shall invoice the City monthly based upon the CONSULTANT's fees for services completed during the billing period.

DRAFT

SECTION 5. COMPONENT PARTS OF THE CONTRACT. This Contract consists of the following contract documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

A. City Advertised Bid
B. Addendums
C. Awarded Bid Proposal w Fee Proposal
D. Presentation of Services

The Consultant must provide the Certificate of Insurance within fourteen (14) days upon acceptance of the bid by City Commission.

SECTION 6. CONTROLLING LAW, VENUE, AND ATTORNEY'S FEES. This Agreement is to be governed, construed, and interpreted by, through and under the laws of Florida. Venue for any litigation between the parties to this Agreement shall be in the County of Volusia, Florida and any trial shall be non-jury. The prevailing party in any litigation arising from or related to this Agreement shall be reimbursed reasonable attorney fees and costs, including all fees and costs of an appeal.

SECTION 7. RIGHTS AT LAW RETAINED. The rights and remedies of the City, provided for under this Agreement, are in addition and supplemental to any other rights and remedies provided by law.

SECTION 8. NOTICES. Whenever either party desires to give notice unto the other, it must be given by written notice, sent by registered or certified United States mail, return receipts requested, addressed to the party for whom it is intended at the place last specified. The place for giving of notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice, to-wit:

For City:
Kelly McQuillen, City Clerk
City of New Smyrna Beach
210 Sams Ave.
New Smyrna Beach, FL 32138
(386)410-2637

For Consultant:

SECTION 9. MODFICATIONS TO AGREEMENT. This Agreement and any exhibits, amendments and schedules may only be amended, supplemented, modified or canceled by a written instrument duly executed by both parties hereto of equal dignity herewith.

SECTION 10. SEVERABILITY. If during the term of this Agreement, it is found that a specific clause or condition of this Agreement is illegal under federal or state law, the remainder of the Agreement not affected by such a ruling shall remain in force and effect.

SECTION 11. WAIVER OF JURY TRIAL. The City and Consultant have specifically waived the right to a jury trial concerning any disputes which may arise concerning this agreement.

SECTION 12. EFFECT OF FAILURE TO INSIST ON STRICT COMPLIANCE WITH CONDITIONS. The failure of either party to insist on strict performance of any covenant or condition of this contract, or to exercise any option herein contained, shall not be construed as a waiver of such covenant, condition, or option in any other instance. This contract cannot be changed or terminated orally.

SECTION 13: HUMAN TRAFFICKING. This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided the Human Trafficking Affidavit.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date written above for execution by the City of New Smyrna Beach.

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See **Specific Instructions** on page 2.

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ .....
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.)

Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here **Signature of U.S. person ▶** **Date ▶**

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by _____
(Print Individual's Name and Title)
for _____
(Print Name of Entity Submitting Sworn Statement)
whose business is _____

and (if applicable) its Federal Employer Identification Number (FEIN) is _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: _____

Consultant E-Verify Registration Number: _____

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

Reference Questionnaire for: _____

Name and title of Individual completing this form: _____

Name of Organization: _____

Telephone Number: _____ Email Address: _____

Dates of services received: _____

Description of services provided by the above-mentioned firm to your organization: _____

_____

The City of New Smyrna Beach received a proposal from the above-mentioned Firm listing you as a current or previous client. Kindly answer the following questions, then email your completed form. Your response provides valuable information in our evaluation process.

Each criteria listed below shall be rated on a scale of 1 to 5, with 5 representing exceptional and you would hire the firm or individual again; 4 representing above average; 3 representing average; 2 representing below average; 1 representing poor; and N/A representing that you do not have sufficient knowledge of the Firm or individuals past performance.

Item	Criteria	Score (1-5)
1	Rate how well they communicated significant issues or concerns.	
2	Rate their understanding and ability to apply market trends.	
3	Rate timeliness of gathering and providing information.	
4	Rate how well they were able to provide a plan that adhered to any budgetary restrictions faced.	
5	Rate overall satisfaction with the process and product provided.	

Is there anything additional you would like to add regarding the level of service and expertise of the firm, or the auditor(s) assigned to your organization?

If yes, please describe.

Please email this completed survey to: purchasing@cityofnsb.com by February 20, 2025.

ADDENDUM 1
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
JANUARY 28, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** Section V. Minimum Qualifications states the proposer must have a staffed office within the State of Florida. The Archer Company has a consultant on our team based in Florida, who offices out of her home, like the majority of our team. This is not unusual in the HR consulting space these days. Will the presence of a consultant in a home-based office in Florida be sufficient to meet this requirement?

   Answer: Yes

2. **Question:** Are all job classifications to be reviewed and benchmarked as part of the study? Or will the City accept proposals where a percentage of the classifications are reviewed and benchmarked as is a common practice?
   Answer: All job classifications should be reviewed.

3. **Question:** Is the $2 Million Personal and Advertising Injury Insurance limit able to be waived? We have $1 Million Personal & Advertising but $2 Million for General Aggregate and Products/Completed Operations.?
   Answer: $1 Million personal and advertising injury insurance is acceptable.

4. **Question:** Is it acceptable for a consultant to bid on only portions of the work? For example, our firm's expertise is in compensation and not benefits, so the benefits section may be better handled by a separate firm, while our compensation process and structure may be more favorable.
   Answer: The preference is for a consultant who can bid the entire survey.

5. **Question:** Section VI.H states that the reference questionnaires are due back to CoNSB by 2/4/25; but the questionnaires state that they are due back to CoNSB by 2/20/25. Can you confirm which date is correct?
   Answer: Reference questionnaires are due back to the City prior to 5:00 pm on February 20, 2025.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

ADDENDUM 2
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
February 5, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 2 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024. This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** What was the date of the last study completed? Was it of the same scope as the current request? Did it include updated job descriptions?
   Answer: 2020. It was in the original scope but due to Covid it was modified and not completed.

2. **Question:** Was the study completed internally or with the assistance of an outside firm? Who was the outside firm if one was used?
   Answer: Externally by Evergreen.

3. **Question:** How many unique job titles are covered in the study?
   Answer: About 150

4. **Question:** Can you advise us on the anticipated start date of the project?
   Answer: As soon as possible after contract is awarded.

5. **Question:** When do you need to have your results for the study?
   Answer: As soon as possible after all data is gathered and analyzed. Prefer 120 days.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Re: **RFP # 08-25-HR – Compensation & Benefits Study**

Dear Evaluation Committee Member:

Gehring Group, a Risk Strategies Company (Tax ID: 16-1689464), is pleased to provide this proposal in response to the City of New Smyrna Beach's (the "City") RFP # 08-25-HR for Compensation and Benefits Study. Through our extensive experience over the past 30+ years serving as public sector consultant for over 140 Florida public sector entities, we are confident that our firm will offer hands-on public sector experience, and an unparalleled service standard with our ongoing goal of not merely meeting the City's needs but exceeding its expectations. Our team of experienced HR consultants is well equipped to successfully execute the tasks outlined in the scope of this RFP, not only meeting expectations but exceeding the City's expectations.

Gehring Group has grown to become one of the most respected consulting agencies in Florida. Our Human Capital Advisory is comprised of former public sector HR leaders with decades of experience in Human Resources. Upon becoming a division of RSC Insurance Brokerage, Inc. (d/b/a Risk Strategies Company) on January 1, 2022, Gehring Group now has even more to offer. RSC has over 5,000 valued team members, vast resources, and access to other markets and data. Our Palm Beach Gardens, FL location will service the City of New Smyrna Beach. **The persons authorized to make representations for Gehring Group/Risk Strategies include the following:**

Kurt Gehring (Binding Authority)
National Practice Leader – Public Entities
3500 Kyoto Gardens Drive
Palm Beach Gardens, FL 33410
Tel: 561-626-6797 | (800) 244-3696

John Muller (Project Lead)
Sr. Director - Human Capital Advisory Svcs.
3500 Kyoto Gardens Drive
Palm Beach Gardens, FL 33410
Tel: 561-626-6797 | (800) 244-3696
Email: john.muller@gehringgroup.com

The Gehring Group/Risk Strategies office that will be serving the City of New Smyrna Beach employs 80+ personnel and is located at 3500 Kyoto Gardens Drive, Palm Beach Gardens, FL 33410. Risk Strategies' corporate office is located at 160 Federal Street, 4th Floor, Boston, MA 02110.

In summary, Gehring Group makes a positive commitment to perform the services outlined in the City's RFP. Gehring Group's approach to the business, coupled with our extensive public sector experience, familiarity with applicable regulations, relevant market relationships, and enthusiasm make us the consultant of choice.

We thank the members of the selection committee in advance for the review of our comprehensive response and stand ready to provide any additional clarification upon review of this proposal's contents.

Sincerely,

Kurt N. Gehring, Managing Director & National Practice Leader – Public Entities
Gehring Group, a Risk Strategies Company

Tab B: Management Summary

Submit a brief abstract, of not more than three (3) pages, stating the firm's understanding of the nature and scope of services to be provided, the anticipated project approach and the firm's ability to comply with all the requirements. Information shall be signed by a corporate officer or principal, or an authorized representative of the consultant authorized to obligate the firm and/or joint venture contractually. The letter shall include the business address, telephone number, facsimile number, e-mail, and the name of the consultant that the City can contact for additional information. The respondent or authorized representative is attesting that the information provided is current and factual and that all firms on the proposed team agree to work on the project together.

Understanding of City's Scope of Services

Per the City's RFP 08-25 for Compensation and Benefits Study, Risk Strategies Company understands the general scope and deliverables to include, but not be limited to, the following:

Job Classifications

- Conduct a comprehensive evaluation of the City's current job classification structure, related policies and practices and provide a comparative analysis which benchmarks other similar agencies within the same geographic area.
- Conduct a comprehensive evaluation of the City's job classifications/titles as they relate to all city positions and provide recommendations to classify/reclassify positions as appropriate.
- Conduct a job audit of all positions which may include interviews with employees, managers, department directors and the human resources staff to verify and validate current job descriptions.
- Evaluate all job descriptions to include a review as they relate to Fair Labor Standards Act (FLSA) and Americans with Disabilities Act (ADA) compliance. Also include verification of the Equal Employment Opportunity (EEO) designation. Provide recommended updates and/or revisions.
- Provide recommendations for job descriptions to uniformly reflect the distinguishing characteristics; primary duties and responsibilities, minimum qualifications (education/experience and knowledge/skills/efforts), working conditions (physical demands, work environment and travel requirements), and certifications/licenses/registration requirements for classification as needed.
- Evaluate current job description template and recommend template format, content and/or revisions.
- Refine job classifications/titles to accurately represent job duties and responsibilities, as necessary. Review supervisor/management titles and recommend titling structure which defines consistent levels of responsibility across the organization.
- Conduct a comprehensive evaluation and comparative analysis of every job within the City to determine relative work within the organization for internal equity.
- Based upon the recommended classification grade, review existing salaries to determine proper placement within proposed classification.

Compensation and Classification

- Conduct a comprehensive compensation survey to include actual salaries, tenure in positions, supplemental pay, and benefits comparing benchmark positions with other similar agencies, both

public and private, to identify the city's competitive position in the regional central Florida labor market.

- Review the current pay grade and salary ranges of the city positions, including recommending appropriate salary ranges based on compensation survey and study results and appropriate salary range for each position.
- Evaluate current pay structure [i.e., number of pay grades, including additions, deletions and/or consolidations, appropriateness of pay range spread from salary minimum to maximum and/or Market Reference Point (MRP)].
- Review existing pay practices and policies at the city and provide recommendations based upon analysis of external market competitiveness and internal equity that will allow the city to attract and retain qualified workers but is also financially sustainable.
- Conduct internal pay equity assessment based upon actual work performed as communicated by employees and managers through interviews, value of work performed to the organization, years of experience, and the length of service for all 323 employees. Identify potential pay compression issues if any and provide potential solutions and/or recommended equity adjustments.
- Develop and recommend an implementation plan for adoption of the proposed classification plan and salary adjustments to include estimated fiscal impact, with options for a step plan (multiple years) implementation.
- Develop guidelines to assist the city staff with determining the starting pay for new employees based on knowledge and experience above the minimum requirements of the position, how difficult the position is to fill, and marketing competitiveness.
- Develop guidelines and/or tools for assigning pay grade to future/new or reclassified positions.
- Provide methodology for maintaining and updating the proposed new/modified compensation plan. Train Human Resources personnel in the maintenance and administration of the proposed new/modified internal maintenance of the compensation plan.

Benefits

- Conduct a comprehensive benefits survey for the overall benefit package for the surveyed entities including retirement plans, paid time off, and employee insurance coverages and contribution rates for health, dental, vision, group life, group short term disability and other ancillary benefits.
- The recommended pay and benefits system must meet all legal requirements, be nondiscriminatory and provide for compliance with all pertinent federal, state, and local requirements (e.g., ADA, FLSA, EEO/ADA, etc.).

Recommended Report

The final recommendation report shall include, but shall not be limited to the following elements:

- Summarize methodology, techniques and data used to develop the proposed new/modified plan; outreach efforts, assessment of the City's current pay plan and pay practices and existing labor market conditions of comparable government agencies.
- Recommendations for a classification and compensation structure that reflects the city's overall classification and compensation strategies as well as accommodating for organizational change, growth, and long-term financial sustainability.
- Recommend/revise pay grades and salary ranges for all existing and proposed classifications.
- Recommend a proposed implementation plan that ensures salary ranges remain competitive with reasonably similar positions in the labor market where the City recruits for employees, and which are consistent with the economic conditions of the City and surrounding comparable agencies.

- Allocate all employees included within the scope of service to an appropriate job title, pay grade and designate each job classification as either exempt or non-exempt pursuant to the requirements of the Fair Labor Standards Act (FLSA).
- Assign a salary range to each pay grade/classification included with the scope of service that reflects the results of the market survey and the analysis of the internal salary relationships.
- Individual employee analysis of current pay rate and recommendations for individual pay adjustments in accordance with recommended compensation structure comparative to the labor market and surveyed entities and considering internal equity.
- Recommend an implementation schedule that includes any fiscal impacts (short-term and long-term) of implementing the recommendations.

In Summary…

We are fully prepared to meet the requirements outlined in the City's RFP for the Compensation and Benefits Study. Our approach will ensure a thorough methodology to conduct a comprehensive compensation and classification study, providing tailored recommendations to promote internal equity, market competitiveness, and long-term sustainability.

Business address, telephone number, facsimile number, e-mail, and the name of the consultant that the City of New Smyrna Beach can contact for additional information.

Authorized representative attesting that the information provided is current and factual and that all members on the proposed team agree to work on the project together:

Kurt Gehring, National Practice Leader – Public Entities

Tab C: Background & Experience of Firm

Provide an overview of the consulting firm, including information on size, years in business, and location of office. Submit summaries of salary surveys and comparative analyses performed by the firm within five (5) years prior to the due date of the RFP. A minimum of five years' experience is required. Proposers with experience performing these surveys and analyses for public employers will receive additional consideration in scoring. Proposers must demonstrate specific experience and expertise in multiclassification systems.

Firm Background

Gehring Group, now a Risk Strategies Company, has provided employee benefits, human resources, and risk management services to public sector clients for over 30 years.

The Human Capital Advisory practice has grown nationally and is made up of public sector HR leaders that have worked for over 60 years with and for Florida public sector organizations. The Team has vast knowledge and experience in many areas including but not limited to:

- Classification and compensation programs
- Benefits Analysis
- Job Description redesign, including all legally required aspects of all job descriptions
- Recruitment and Retention
- Career path development and implementation
- Benchmarking surveys and research
- Policy Development and Implementation
- Total Reward Strategy
- Organizational performance and design
- Performance management and incentive compensation

In addition, members of the proposed service team have experience working extensively on compensation, classification, and benefits analysis projects of public entities including city and county governments, special taxing districts, county constitutional offices, aviation authorities, public utilities, colleges, and school boards. We have the knowledge necessary to recruit and retain employees in the public sector by creating plans that attract the right talent, and we can address the specific challenges faced by public institutions. We collaborate with our clients to fully understand their needs and align our services to meet the scope of each project. **(Exhibit 1)**

Detailed below we have included the specific relevant experience of the team in direct relation to understanding and analyzing compensation and classification programs for public sector positions as well as bargaining units and management positions. The following includes examples of specific positions that the Gehring Group team have extensive knowledge:

- Management Level Positions Specific to Municipal & County Operations
- Supervisor/ Manager/Department Director at all levels
- Administrative positions at all levels
- Utility Service Workers/ Plant Operators

- Building Officials/ Code Enforcement/Permitting and Field Inspection Representatives
- Equipment Operators, including Solid Waste & Streets
- Professional office positions such as IT, Human Resources, Risk Management, Finance & Accounting
- Marketing, Public information, and Events positions
- Purchasing/Buyers
- Storekeepers/Inventory/Asset Technicians
- Parks & Grounds Maintenance positions, including Cemetery Operations
- Fleet Maintenance
- Engineers
- Electronics Technician
- Law Enforcement (Sworn) officers/Detention Deputies
- Non-Sworn public safety positions

In summary, Gehring Group is proud to be a trusted partner to public sector clients, offering tailored solutions that address their unique challenges and opportunities. With a proven track record of over 30 years in Florida and a nationally recognized Human Capital Advisory team boasting more than 60 years of collective expertise, we bring unparalleled knowledge and dedication to every project.

Our team's deep understanding of public sector operations, combined with a collaborative and client-focused approach, ensures that our strategies align seamlessly with your goals. Whether it's optimizing classification and compensation systems, enhancing recruitment and retention efforts, or developing comprehensive total rewards strategies, we are committed to delivering innovative, actionable, and impactful solutions.

We look forward to leveraging our experience and insights to support your organization's mission and workforce success. Thank you for considering us as your partner in achieving excellence.

Public Sector Experience

Serving Florida public sector entities for over 30 years, our team has accumulated a vast amount of work experience relevant to what is necessary to serve the needs of the Utility. Please refer to the following list of Gehring Group's Florida public entity clients for your review:

Tab D: Skills & Credentials of Designated Project Team

Provide resumes of the project team and identify similar projects (preferably those responsive to criteria above) successfully completed by the members of the project team, indicating their role on the team, with reference contact information, demonstrating the professional skills and credentials of staff to be assigned to the study.

Project Manager

John Muller, SPHR, SHRM-SCP – Sr. Director, Human Capital Advisory Services

Education: University of Miami, Florida Atlantic University
Degree: B.B.A. Business Management/Organizational Development, M.B.A. International Business
Additional Certifications: SPHR, SHRM-CP
Industry Tenure: 20+ years

Experience & Qualifications

John Muller is a Human Resources leader with over 20 years of experience. He leads Risk Strategies' Human Capital Advisory practice nationally.

Having worked in public sector HR at the Federal and local levels, John has a strong background both in Talent Acquisition and Retention as well as in performing the developmental work needed to improve HR programs and personnel policies, including staffing analysis, job classification, and compensations studies with Federal and local government entities, including Hillsborough County Aviation Authority. While with U.S. Department of State, he was charged with assessing staffing plans and hiring professionals in diplomatic services, IT, Education, finance, and other key civilian advisory roles to work in Afghanistan and Iraq. He was highly successful in accomplishing the goals set for this challenging task and then identified as a strong HR leader to support the US Embassy Baghdad's mission in Iraq. John volunteered to serve in Iraq for the period of one year introducing important and valued improvements to the office of Human Resources at US Embassy Baghdad. John has also worked on job classification and compensation studies with local government entities.

John earned a Bachelor's Degree in Business Administration majoring in Business Management and Organizational Development from the University of Miami and an MBA from Florida Atlantic University. He holds his SPHR and SHRM-SCP as well as becoming a certified Predictive Index Analyst. John is also an active member of SHRM, and its local Chapter (PBC SHRM) as a member of the Board of Directors, as well as serving as Chair of the Council of Insurance Agents and Brokers (CIAB) HR working group as well as a graduate and lifetime member of Leadership Florida (Class XL).

Public Sector Experience

John's extensive experience includes HR leadership, talent acquisition, total rewards, training & development, and HR consulting services for such large public sector employers as the U.S. Department of State, Palm Beach County Clerk & Comptroller, City of Palm Bay, City of Cocoa Beach, Sarasota County Sheriff's Office, Martin County School District, Martin County Board of County Commissioners, Keys Energy, Hillsborough County Aviation Authority, and St. Lucie Fire Rescue District. He has worked on compensation and classification projects for more than 10 years, including the City of Coral Springs, City of Margate, City of Apopka, Adams County, Waushara County, and City of Arcadia.

Lead Consultant

Kristen Biazar, MPA, IPMA-CP, CLRP – Senior HR & Risk Services Consultant

Education: Barry University
Degree: M.S. Public Administration
Additional Certifications: CLRP, IPMA-CP
Industry Experience: 9+ years

Experience & Qualifications

Kristen Biazar is an experienced professional with over nine years of Human Resources experience in private and public entities. Kristen obtained a Bachelor's degree in Hospitality Management and a Master's degree in Public Administration. Kristen started her career in Human Resources focusing on employee onboarding, compliance, and recruitment with a luxury hotel brand.

Kristen continued her career working for a municipality in Palm Beach County holding five positions (Human Resources and Risk Coordinator I-III, HR Administrator, Senior HR Manager) over the span of six and half years. She prioritized building a rapport with all departmental leadership teams and their employees. Kristen frequently engaged with the employees and staff learning specifics of the various public sector positions and their job requirements. Kristen focused on recruitment & selection, compensation and classification, employee relations, leave management and HR administration. Kristen was an integral part of creating career paths, including developing job descriptions, assessments, implementation and placement, training, and education.

Kristen understands the public sector environment and working with bargaining units. She is a Certified Labor Relations Professional (CLRP) through the Florida Public Labor Relations Association (FPELRA). She is also certified through the Public Sector Human Resources Association. Kristen is also an active member of SHRM, and its local Chapter (PBC SHRM). Kristen values communication and keeping individuals informed during her engagements. Paired with her innovative approach and public sector knowledge, Kristen will diligently work to provide the best information and be available for any questions along the way.

Public Sector Experience

Kristen began working for the City of Boynton Beach in 2017, quickly becoming the Senior HR Manager. Kristen worked in various capacities with the City, including office administration, new hire orientation and onboarding, recruitment and selection, employee relations, benefits, billing, leave management administration, and compensation and classification.

Throughout Kristen's employment with the City of Boynton Beach, she recruited for the following departments: Information Technology Services (ITS), Fire and Life Safety, Development, City Manager's Office, Marketing, Library Services, Code Enforcement, City Clerk's Office, Recreation & Parks, Utilities, Public Works (Sanitation), Engineering, Financial Services, and Human Resources & Risk Management. Along with recruitment, Kristen worked strategically with division leadership to create job descriptions, career paths, and assessments. Kristen worked on numerous compensation and classification engagements, including completing compensation surveys and review, and updating existing classification specifications for accuracy, relevance, and consistency. Her recent projects as a consultant include, City of Apopka, City of Margate, Adams County and Waushara County.

Additional Support

The Human Capital Advisory team also includes a tenured group of analysts with specific experience in developing and analyzing public sector compensation, classification, and all aspects of employee benefits programs. With strong analytical backgrounds and experience in human resources and benefits, they can provide insight into various total compensation and benefit funding costing options. We deploy these team members as needed, and they work under the supervision of the named project team.

Tab E: Scope Approach, Deliverables, Anticipated Timeframe & Technological Resources

Approach: Describe the Proposer's approach to the performance of the study and actions anticipated to ensure all the city's requirements are satisfied and provide an anticipated timeframe to complete the project. Additionally provide a project schedule with major milestones noted. Describe the advanced technological resources to be used for data collection, analysis, and presentation.

Deliverables and anticipated timeframe: Provide examples of detailed reports and anticipated timeframe for verbal and written reports provided to the city designated representative. Also include proposed timeline of periodic presentations to City Commission. The city is open to considering other deliverables and timelines based on the consultant(s) proposal.

Technological Resources: Provide detailed information and experience of technologically advanced software other than Microsoft Excel to provide statistically accurate data analysis, comparative charts or graphs, and enhanced reporting capabilities.

Project Approach

Our team will take a unique and systematic approach to accomplish this scope of work, project, and objectives for total review of current compensation and classification for all employee groups. **We do not rely on surveys, other studies, or the HR teams from the sample agencies to complete the study. All data gathered is reviewed and benchmarked by our team for each classification included in the project.** The project team's previous public sector experience afforded them the opportunity to conduct internal compensation and classification studies and the ability to understand the client's perspective of outsourcing a compensation study for their entire organization. Our team puts the client's experience first to ensure that we not only provide thorough and detailed information based on the scope of the project, but also an interactive partnership with the Suwanee County providing meaningful updates, flexibility, and comprehensive information that is clear and concise.

This approach includes gathering background information from staff (if necessary), determining sources for the market data, analyzing the data, developing alternative proposals with cost calculations, recommendations on how to implement the proposals, and implementation training. Gehring Group will ensure that recommendations assist with achieving the County's objectives.

To create a well-designed classification and compensation program, the Gehring Group team will meet with staff to ensure our understanding of the current objectives and strategic plan initiatives as they relate to compensation. The team uses a multiple step approach starting with in-person meetings, data gathering, job classification review, market research, analysis and finally drafting multiple recommendations for consideration. Additionally, the team will provide monthly progress updates during the project which allows for transparency, flexibility, and the ability to address concerns and feedback from the County. Details for each of these steps are listed below:

Step 1 – Project Planning – Week 1

1

- Gehring Group team to schedule a discovery meeting with staff to discuss scope of project, milestones, and deliverables
- Discuss business goals, objectives, and organizational needs
- Discuss budget available for suggested adjustment for the compensation and classification study
- Discuss and review peer agencies used in the study
- Review Gehring Group's method of data collection
- Complete an overall assessment of current programs
- Request a list of data to include current employee pay, benefits and demographics
- Discuss communication strategies for project commencement, regular updates, and final completion
    - Provide e-mail templates for the County to communicate with Staff **(Exhibit 2)**
- Schedule recurring conference call at agreed upon time

Step 2 – Review Current Program with HR – Week 2

2

Discuss and collect data on the current pay programs and relevant Human Resources policies for evaluation and review.

- Pay Grades
- Pay Ranges
- Pay Increase History
- Job Descriptions and number of classifications
- Current Total Rewards Package (monetary and non-monetary rewards)
- Any additional applicable policies

Step 3 – Leadership/Management Discovery – Week 3

3

It is important to gather compensation philosophy input from the leadership/management team through a collaborative process. This will assist with obtaining buy-in from key decision makers.

Meet with leadership and management to discuss current pay and benefits programs' effectiveness

- Pay challenges, strengths, and weaknesses
- Talent pool considerations/obstacles
- Competitors in job market

Step 4 – Job/Organization audit - Ongoing

4

- Conduct thorough analysis of job descriptions and classifications
    - Input may be requested on specific jobs from employees or department leadership
    - Use of Job Assessment Tool to engage employees **(Exhibit 3)**
- Review organization structure and assess staffing levels
    - Confirm correct roles and responsibilities are in place

    - Identify staffing gaps and future staffing needs
    - Develop a plan to address staffing needs going forward and implementation strategy
- Review, revise, and develop job descriptions as needed **(Exhibit 4)**
- Ensure compliance (ADA)
- Perform FLSA testing

Step 5 – Conduct Market Study – Weeks 4 through 8

Finding one data source that meets all your organization's needs is rare. Therefore, at Gehring Group, we use multiple sources to ensure the data is accurate.

- Conduct a review of all 150+ job classifications at noted in Addendum 2.
- Determine which jobs will be used for compensation benchmarking
- Collect total compensation information from comparable agencies and National Compensation Survey data for Local, State, and Federal compiled by the U.S. DOL Bureau of Labor Statistics, including:
    - Salary & wages and benefits (medical, dental, PTO, etc.)
- Benchmark each of the 150+ job classifications as stated in Addendum 1 based on essential functions:
    - Review each job's essential functions against those from the comparable agencies
    - Determine appropriate competitive labor market and data sources (municipal and local)
    - Gather data based on local, regional, national markets
    - Utilize relevant trade and professional association data
- Review positions based on internal and external equity

Step 6 – Data Analysis – Weeks 9 through 10

Based on initial meetings, Gehring Group will match the County's pay philosophy to the market data.

- Create market comparison spreadsheets
- Compare market data to current pay plan
- Evaluate current employee pay to market data based on compression
    - Identify compression issues and provide possible solutions
    - Consideration may be given for years of service/experience in job
- Conduct review of all benefits using CAVU, proprietary benchmarking tool with benefits information of more than 160 entities throughout Florida
- Review job family data and organizational charts
- Properly age data based on implementation timelines

Step 7 – Review Initial Findings with Staff – Weeks 11 through 12

Once all the data is gathered it will be reviewed for extreme variables and adjusted appropriately.

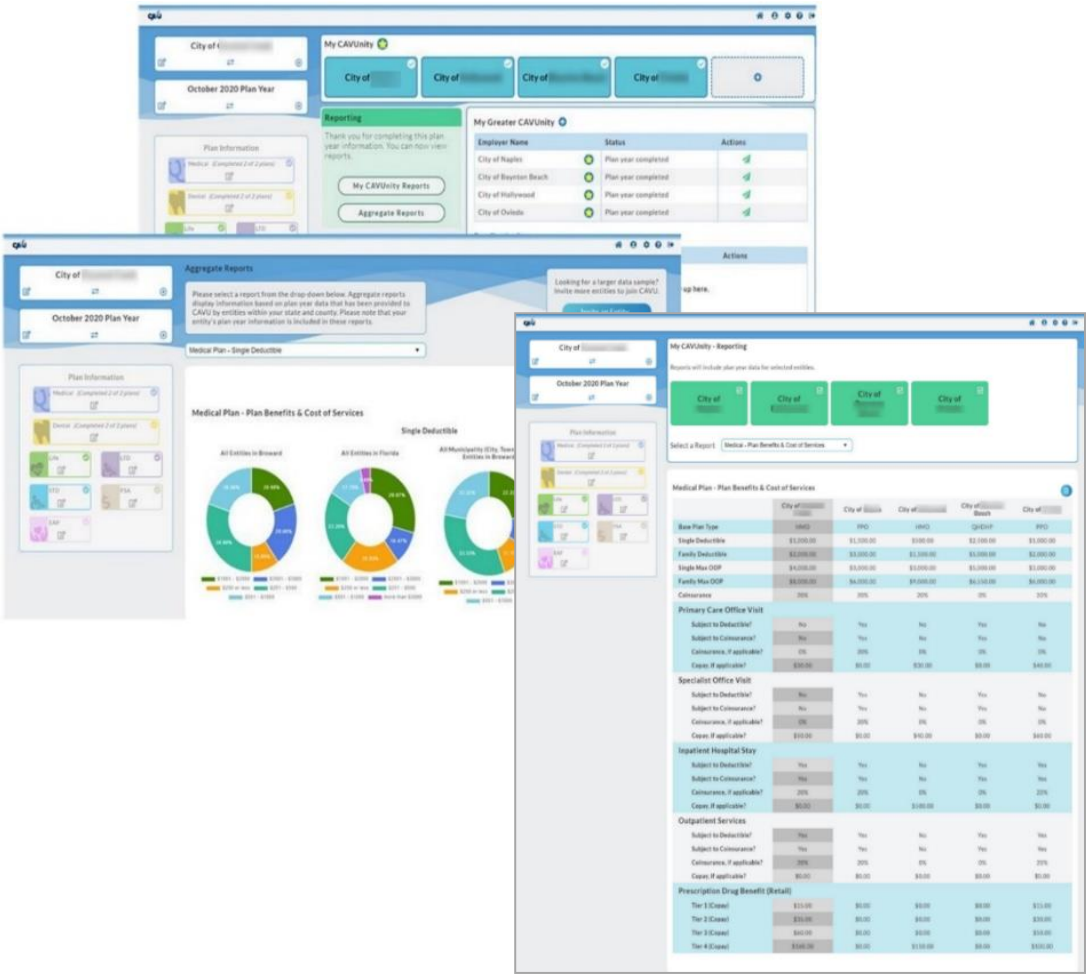
- Review market/target data draft proposals with the HR and Executive Management **(Exhibit 4)**

- Provide job descriptions used and review with the City to validate roles and responsibilities for equity
- Define the market position in relation to the base pay
- Clarify any anomalies or outliers
- Adjust pay data as needed

Step 8 – Proposal Pay Plan Design Changes – Weeks 13 through 14

Based on market data and internal equity, provide proposals for new/adjusted pay grades and ranges

- Propose consistent recommendations specific to out of pay range incumbents and employees who have reached the maximum of the newly proposed pay grade
- Conduct compression analysis for all positions based on new pay ranges
- Discuss the potential impact to employee pay for each of the proposals
- Create best practice options and costing proposals for all employee groups and provide
- Provide ongoing support through implementation of the final report
- Provide implementation plan, including procedures, policies, and methods to maintain an on-going Classification and Compensation Plan that is fair and competitive.
- Deliver final written report, including discussion of methods, techniques, and data used to develop the Classification and Compensation Plan, and provide estimated financial impact. **(Exhibit 6)**
- Present the findings and recommendations to staff and leadership



Throughout the above steps, the Gehring Group team will meet with staff to review progress to date and ask any questions relevant at that point. We anticipate this project concluded within 14 weeks of commencement, assuming full cooperation from the County and the surveyed agencies.

Technological Resources

The team assigned to this project has access to our proprietary public sector benefits database called CAVU® as well as a Job Analysis Tool **(Exhibit 3)**. Both systems assist us in gathering extensive data outside of the normal custom survey tools available. This additional information gives us the advantage of making sure we can be efficient and creative in the final proposal which will include several alternative approaches and costing for implementing an effective classification and benefits program. As an employer, having access to a competitive compensation and benefits model is essential to your recruiting and retention efforts.

– CAVU Benefits Benchmarking

Gehring Group, a Risk Strategies Company, has developed its own public sector benefits benchmarking tool named CAVU. CAVU® is an online employee benefits benchmarking software system specifically built to house public sector information. CAVU provides valuable information on costs and benefit trends to aid our team with the information necessary to conduct a detailed benefits benchmarking analysis. Using this tool we will be able to provide direct benefits comparisons as well as macro reporting on information across all of Florida.

Tab F: Fee Proposal

Submittals shall include a detailed fee proposal. Fee proposal shall include salary cost, fringe benefits, overhead, operating margin and profit, and all direct and indirect expenses. Fee proposal shall include options to add or remove services that may be required along with the associated costs.

Gehring Group, a Risk Strategies Company proposes an all-inclusive project fee of **$75,000** to complete all objectives outlined in this proposal and corresponding RFP for the initial report. This fee includes all work, materials and expenses related to completing the project. Gehring Group/Risk Strategies will invoice the City of New Smyrna Beach in equal monthly installments through completion of the project. We will not invoice for any additional expenses under the scope contained in this RFP.

Post implementation support for the first year is included in the above fee and broken out below. Should the City require additional support, an additional annual fee of $25,000 will be billed, including refreshing the data.

Any work performed outside the scope of this proposal will be invoiced at a rate of $200/hr.

Task	Project Manager Hours	Consultant Hours	Support Team	Total Hours
Discovery Phase	10	40	-	50
Audit/Review Job Classifications	10	40	50	100
Benchmarking/Data Analysis	40	90	80	210
Create Proposal/Pay Bands	10	40	10	60
Final Report	20	10	-	30
Total Hours	90	220	140	450
Hourly Rate	$300	$150	$100	-
Travel	-	-	-	$1,000
Total Report Fees	$27,000	$33,000	$14,000	$75,000

Tab G: References

Provide a list of a minimum of three (3) of the company's projects/customers similar in size and scope to the services described herein, both present and past customers, within the past five (5) years. If applicable, please list examples of services rendered in the state of Florida, particularly within municipalities. The list must include complete and current addresses, contact person(s), email addresses, telephone and fax numbers, and length of contract. Please use the reference form provided in Attachment A.

1. City of Coral Springs

Address: 9500 West Sample Road, Coral Springs, FL 33065
Primary contact: Kathy Reul, Director of Human Resources
E-mail: kreul@coralsprings.gov
Telephone: (954) 344-1167

Gehring Group was contracted to provide a compensation analysis for the City of Coral Springs. Our team was asked to identify comparable peer agencies and conduct a market analysis for each of the City's 300 plus job classifications and benchmark them at the 75th percentile. Upon completion of the analysis, we developed a new pay plan for the City as well as re-classifying several positions. After reviewing with City HR staff, Gehring Group conducted a compression analysis for all classifications and employees in each classification. This information was reviewed, with an estimated cost proposal, with the City Manager. The City Manager accepted Gehring Group's recommendation, and after a final review with HR, Gehring Group presented the final pay plan to the City during meeting with City Leadership. Project Completion – Q3 2023.

2. City of Apopka

Address: 120 East Main Street, Apopka, FL 32703
Primary Contact: Joseph Patton, Ph.D., Director of Human Resources
E-mail: jpatton@apopka.net
Telephone: (407) 703-1803

Gehring Group contracted with the City of Apopka to conduct a class and compensation study for over 170 classifications, to include reviewing and updating the City's job descriptions; and conducting a benefits comparison study with peer agencies. Our team has worked with the City to finalize the data collected using our Job Analysis Tool. The project was presented to the City Council in March 2024 and adopted. Project completion – Q1 2024. (Exhibit A)

3. **City of Arcadia**

Address: 23 N. Polk Avenue, Margaret Way Bldg., Arcadia, FL 34266
Primary Contact: Beth Carsten, Assistant City Manager
E-mail: ecarsten@arcadia-fl.gov
Telephone: (863) 494-4114

Gehring Group contracted with the City of Arcadia in April to conduct a thorough review of the City's 50 plus job classifications, compensation plan, and benefits offerings. Collecting data from more than ten entities in surrounding, rural areas proved a challenge. Our team has completed the review of all compensation and developed benchmarks. We will review the findings with the City of Arcadia shortly to make a final recommendation to be implemented in October 2024. Project completion – Q3 2024.

4. **City of Margate**

Address: 5790 Margate Boulevard, Margate, FL 33063
Primary Contact: Laurie Meyer, Director of Human Resources
E-mail: lmeyer@margatefl.com
Telephone: (954) 935-5342

In addition to our full scope of benefits services, the City contracted with Gehring Group to implement a compensation study for the City's 250 plus job classifications across more than 4 separate pay plans. The plans are dictated through collective bargaining agreements with complex step methodologies based on tenure and job type. Our team collected data from 13 entities to conduct a market survey. Based on the market survey data we conducted a compression analysis and provided cost options for implementation. The team is currently discussing cost options and implementation with the City.

Tab H: Financial Stability/Litigation

Provide a statement certifying that they are financially stable and have the necessary resources, human and financial, to provide the services at the level required by the City of New Smyrna Beach. Respondent shall also list any lawsuits in which their team (firm and sub-consultants) are involved relative to the services performed or failed to perform over the last five (5) years. The respondent shall also list any work with their team failed to complete in the last five (5) years and describe when, where, how, and why of such failure, including listing any officer or partner of their team who in the last five (5) years failed to complete a contract handled in his/her name and discuss the reasons. The companies Dunn & Bradstreet report shall be included.

Respondent's Financial Stability Certification

Respondent hereby certifies that it is financially stable and has the resources, human and financial, to provide the services at the level required by the City.

Kurt Gehring, National Practice Leader – Public Entities
& Managing Director

Respondent's Litigation Statement

RSC Insurance Brokerage, Inc. d/b/a Risk Strategies Company is subject to litigation in the ordinary course of business commensurate with the size and scope of its insurance brokerage business activity for which Respondent maintains is confidential and not relevant to the services requested in the RFP.

Provide a financial statement, preferably a certified audit, but a third-party prepared financial statement and the latest Dunn & Bradstreet report will be accepted.

A copy of Respondent's financial statement will be sent directly to the City's procurement department under separate cover via FedEx prior to the RFP response deadline. Risk Strategies Company confirms that it does not file a Dunn & Bradstreet report.

Request for Taxpayer Identification Number and Certification

► **Go to *www.irs.gov/FormW9* for instructions and the latest information.**

Give Form to the requester. Do not send to the IRS.

Print or type. See **Specific Instructions** on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

RSC Insurance Brokerage Inc

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☑ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ► _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ►

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

160 Federal Street Floor 4

Requester's name and address (optional)

6 City, state, and ZIP code

Boston MA 02110

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Kurt N. Gehring, Managing Director
(Print Individual's Name and Title)
for Gehring Group, a division of RSC Insurance Brokerage, Inc. d/b/a Risk Strategies Company
(Print Name of Entity Submitting Sworn Statement)
whose business is 3500 Kyoto Gardens Drive, Palm Beach Gardens, FL 33410

and (if applicable) its Federal Employer Identification Number (FEIN) is 16-1689464

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

__✓__ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Florida

County of Palm Beach

Kurt N. Gehring, being first duly sworn, deposes and says that:

He/she is Managing Director of Gehring Group, a division of RSC Insurance Brokerage, Inc. d/b/a Risk Strategies Company, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Gehring Group, a division of RSC Insurance Brokerage, Inc. d/b/a Risk Strategies Company

Consultant E-Verify Registration Number: 1561523

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of Palm Beach Gardens
County of : Palm Beach
Before me, the undersigned authority, personally appeared Kurt N. Gehring

who was duly sworn, deposes, and states:

1. I am the Managing Director of Gehring Group, a division of RSC Insurance Brokerage, Inc. d/b/a Risk Strategies Company with a local office in Palm Beach Gardens, FL (City & State) and principal office in Boston, MA (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFP 08-25-HR, Compensation and Benefits Study.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
JANUARY 28, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** Section V. Minimum Qualifications states the proposer must have a staffed office within the State of Florida. The Archer Company has a consultant on our team based in Florida, who offices out of her home, like the majority of our team. This is not unusual in the HR consulting space these days. Will the presence of a consultant in a home-based office in Florida be sufficient to meet this requirement?

   Answer: Yes

2. **Question:** Are all job classifications to be reviewed and benchmarked as part of the study? Or will the City accept proposals where a percentage of the classifications are reviewed and benchmarked as is a common practice?

   Answer: All job classifications should be reviewed.

3. **Question:** Is the $2 Million Personal and Advertising Injury Insurance limit able to be waived? We have $1 Million Personal & Advertising but $2 Million for General Aggregate and Products/Completed Operations.?

   Answer: $1 Million personal and advertising injury insurance is acceptable.

4. **Question:** Is it acceptable for a consultant to bid on only portions of the work? For example, our firm's expertise is in compensation and not benefits, so the benefits section may be better handled by a separate firm, while our compensation process and structure may be more favorable.

   Answer: The preference is for a consultant who can bid the entire survey.

5. **Question:** Section VI.H states that the reference questionnaires are due back to CoNSB by 2/4/25; but the questionnaires state that they are due back to CoNSB by 2/20/25. Can you confirm which date is correct?
   Answer: Reference questionnaires are due back to the City prior to 5:00 pm on February 20, 2025.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

ADDENDUM 2
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
February 5, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 2 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024. This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** What was the date of the last study completed? Was it of the same scope as the current request? Did it include updated job descriptions?
   Answer: 2020. It was in the original scope but due to Covid it was modified and not completed.

2. **Question:** Was the study completed internally or with the assistance of an outside firm? Who was the outside firm if one was used?
   Answer: Externally by Evergreen.

3. **Question:** How many unique job titles are covered in the study?
   Answer: About 150

4. **Question:** Can you advise us on the anticipated start date of the project?
   Answer: As soon as possible after contract is awarded.

5. **Question:** When do you need to have your results for the study?
   Answer: As soon as possible after all data is gathered and analyzed. Prefer 120 days.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Exhibit 1
Case Study

City of Apopka

- Objective
  - Conduct an independent, market-based compensation study
  - Develop a total rewards strategy that retains and attracts talent
- Background
  - Located close to Orlando
  - Over 500 employees
  - More than 160 job classifications across 20 pay bands
  - 1 Union
  - City has generous merit pay increase
  - 100% health coverage, onsite health center
  - Typical talent and pay challenges
  - Several years between compensation studies

Environment & Challenges

- Police recruiting and pay challenges
  - Police had recent pay increases
  - Difficult to entice new recruits to the profession (not Apopka specific)
- Competition in the area
  - Larger cities (i.e. Orlando)
  - Increased wages in the area
    - Cities and police
    - Private sector (Disney & Universal)
- Recruiting challenges
  - Customer Service
  - Engineers and Waste Water
  - Police Communications

Approach

- Held discovery meeting to confirm understanding of project goals, scope, milestones, and deliverables
- Completed an overall assessment of the current pay plan
- Reviewed current pay program
  - Pay ranges, classifications, specialty pay
  - Job descriptions
  - Benefit plans and pension
  - Employee pay data
  - Compression needs
- Obtained and reviewed pay, classification, and benefits data (16 entities)
- Collaborated with City and Department Leadership to review purpose, needs and challenges throughout

Approach

- Reviewed and benchmarked each job classification against the other entities
  - More than 160 classifications
- Constructed new pay ranges and matched all classifications
  - Initially proposed at 75th percentile
- Reviewed proposed pay plan with the City
  - Increased pay plan above 80th percentile
- Reviewed all employees pay, adjusted for new pay ranges and compression
- Presented findings and recommendations to City Council

Outcome

- Adjustment to pay grades above 80th percentile
- Employees below the minimum of the new pay band: 141
  - Total Cost: $762,755
- Employees receiving a compression cost adjustment: 78
  - Total Cost: $544,725
- Financial Impact including benefits: Over $1.6 million
- 223 employees impacted
- City of Apopka more than competitive in the market
  - Minimum pay at the City competitive with private

Subject: Important: Compensation & Classification Survey Information

Hello all,

Adams County has contracted with Risk Strategies to conduct a Compensation and Classification Study for our organization. Risk Strategies specializes in assisting government agencies with this type of study, so they are familiar with the process. We are conducting this survey to ensure our pay is competitive with other entities in the area.

An important part of this process is hearing from you, our employees. Risk Strategies created a survey for you to complete that will provide them with insight into your position and job functions. Please note, this survey is to be completed individually and not as a group, nor are you to complete this on behalf of someone else. You should be able to work on this survey at your leisure as it resumes where you left off. Once the surveys are completed, your responses will be reviewed by appropriate personnel.

Please click here to complete the survey:

LINK PROVIDED TO JOB ASSESSMENT TOOL

The deadline to complete the survey is January 22, 2024, at 4:30 pm. Please contact Carol Wood, Human Resources Manager, with any questions pertaining to the survey.

Respectfully,

ASSISTANT PARK MANAGER

Parks

Purpose

The purpose of this position is to perform intermediate technical work assisting in the operations of County parks and grounds, supervising park personnel, opening and closing park facilities, and related work as apparent or assigned. Work is performed under the general supervision of the Park Manager. Limited oversight is exercised over Park Aides, Groundkeepers, and Park Patrol.

Essential Functions

The following essential functions represent the primary duties of this position but should not be considered an all-inclusive list of responsibilities. Other duties may be required and assigned.

- Supervise and assist subordinate park personnel involved in the general operations of the park.
- Open and close the office and Visitor Center.
- Maintain grounds, facilities, and manages the sanitary facilities.
- Assist the Park Manager in the operation of Castle Rock or Petenwell Park & outlying parks.
- Assist the Park Manager in implementing all park directives, policies, and enforcement of County Park ordinances.
- Requires preparing and analyzing written or computer data.
- Requires visual inspection involving small defects and/or small parts.
- Requires use of measuring devices.
- Perform other related functions and duties as assigned or required.

To perform this job successfully, an individual must be able to perform each essential function satisfactorily.

It is unlikely an employee will perform all the duties listed on a regular basis, nor is the list exhaustive in the sense it covers all the duties that an employee may be required to perform. The examples are merely indicative, not restrictive.

Knowledge, Skills, and Abilities

- Knowledge of County and department policies and procedures to include emergency and inclement weather policies.
- Knowledge of park policies.
- Kowledge of County Ordinances related to park operations.
- Knowledge and ability to use position-specific software.
- Ability to prioritize and manage multiple, concurrent projects.
- Ability to pay attention to detail.
- Ability to organize time and anticipate, plan, and successfully respond to changing circumstances.
- Ability to make arithmetic computations using whole numbers, fractions, and decimals.
- Ability to operate and use standard office equipment.
- Ability to communicate both verbally and in writing.
- Ability to establish and maintain effective and amiable relationships with leadership, supervisors, residents, customers, employees, other departments, and agencies.

Minimum Qualifications

- High school diploma or equivalent.
- Experience in parks & recreation, landscaping, management, or equivalent combination of education and experience.
- Valid State of Wisconsin driver's license. A valid out of state License is acceptable, but selected candidates must obtain and provide a valid Wisconsin driver's license within thirty (30) days of the start date.

An equivalent combination of education and experience may be considered, provided that the education and experience is in a relevant and related field.

Positions Conditions

Physical Requirents: Work requires the regular exertion of up to 10 lbs. of force, frequent exertion of up to 50 lbs. of force and occasional exertion of up to 100 lbs. of force. Regularly requires using hands to finger, handling or feel, and lifting. Requires standing, walking, sitting,

climbing, or balancing, reaching with hands and arms, pushing, or pulling and repetitive motions and occasionally requires stooping, kneeling, crouching, or crawling. Work requires assembly or fabrication of parts within arm's length, operating machines, operating motor vehicles or equipment and observing general surroundings and activities.

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodation may be made to enable individuals with disabilities to perform the essential functions of this job.

Environmental Conditions: Exposure to outdoor weather conditions. Requires working near moving mechanical parts, exposure to vibration. Requires working in high, precarious places, exposure to fumes or airborne particles, exposure to toxic or caustic chemicals and exposure to the risk of electrical shock. Work is generally in a loud noisy location (e.g. grounds maintenance, heavy traffic). Exposure to bloodborne pathogens is considered low for this position.

Sensory Requirements: Some tasks require the ability to perceive and discriminate visual cues or signals. Standard vision requirements required. Speaking and vocal communication are required for expressing or exchanging ideas by means of the spoken word and conveying detailed or important instructions to others accurately, loudly, or quickly. Hearing is required to perceive information at normal spoken word levels and to receive detailed information through oral communications and/or to make fine distinctions in sound.

ADA Statement

Adams County is an equal opportunity/affirmative action employer committed to achieving excellence and strength through diversity. The County seeks a wide range of applicants for its positions so that one of our core values, a qualified and diverse workforce, will be affirmed. Americans with Disabilities Act (ADA) compliance requires the County to provide reasonable accommodations.

Position Validation – Classification Review

Maintenance Info Session / July 19, 2023

1

Position Classification and Pay Grade Validation Overview

- **Why did HCAA conduct a compensation analysis?** – In order to recruit and retain top talent for all positions within the organization it was important to establish a compensation structure that remained competitive for **recruitment efforts** and continued to promote employee engagement and high performance for **retention efforts**.
- **How did HCAA accomplish this?** – Summer of 2022 a market analysis was conducted utilizing data from similar industries as well as the local geographic area which resulted in the following:
  - Consolidation of Exempt and Non-Exempt Pay Grades
  - Streamlined the pay grades from15 to 10
- Each pay grade is comprised of multiple HCAA job positions
- Salary for each position within a pay grade is determined based on the duties, experience and skill level required for the position
- March of 2023, a validation process was conducted which resulted in increasing the spread (Min to Max) of each pay grade and readjusting some positions

2

Position Classification and Pay Grade Validation Overview

- Validation Process:
  - Review involved department leadership and external Comp/Class consultant
  - Job duties and department structure were considered
  - Employee career path and growth opportunity assessed
  - Enterprise-wide standardization was considered

- Maintenance Department Results:
  - Pay grades of 25 positions, involving 120 employees, will be revised
  - Pay grade changes will not affect current pay

Janet Vivian, Purchasing Agent
City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, Florida 32168

Dear Ms. Vivian:

Evergreen Solutions, LLC is pleased to submit a proposal to conduct a Compensation and Benefits Study for the City of New Smyrna Beach. Our response is based on our review of your Request for Proposal (RFP #08-25-HR), our understanding of the Florida labor market, our experience working with hundreds of local governments and other public sector organizations, and our knowledge of best practices in local government human resources management. **Evergreen believes it is the most qualified to provide the services being requested by the City of New Smyrna Beach as we have conducted more than 1,400 similar studies throughout the country.**

Evergreen was formed in 2004 in Florida to provide an alternative to traditional consulting practices. We provide an innovative and effective option by focusing on clients needing partners and not simply another service provider. Evergreen is licensed to transact business in the State of Florida (#L04000073478).

As a national firm, Evergreen Solutions continues to grow, and our territory now includes clients in 47 states. In the State of Florida, Evergreen has conducted more than 200 compensation and/or classification related studies for local governments and other public sector organizations. The following is just a sample of some of the local government clients we have worked with: **City of New Smyrna Beach;** City of Jacksonville; City of Jacksonville Beach; City of Gainesville; City of High Springs; City of Green Cove Springs; City of Holmes Beach; City of Holy Hill; City of Cocoa; City of Indian Harbour Beach; City of Maitland; City of Lake City; City of Ocala; City of Plant City; City of Wildwood; City of Bunnell; City of Bushnell; City of Zephyrhills; City of Groveland; City of Alachua; City of Kissimmee; City of St. Cloud; City of Clermont; City of Winter Park; City of Orlando; City of Deltona; City of St. Petersburg; City of Dunedin; City of Clearwater; City of New Port Richey; City of Palm Bay; City of Fort Myers; City of North Port; City of Cape Coral; City of Daytona Beach; City of Daytona Beach Shores; City of Punta Gorda; City of Sarasota; City of Orange City; City of Venice; City of Sebring; City of Bartow; City of Coral Springs; City of Dania Beach; City of Melbourne; City of Miramar; City of Cooper City; City of Naples; City of West Melbourne; City of Boca Raton; City of Temple Terrace; City of Sunrise; City of Tamarac; City of Hollywood; City of Plantation; City of Delray Beach; City of Doral; City of Palm Beach Gardens; City of Parkland; City of Miami Beach; City of North Miami Beach; City of South Miami; City of Sunny Isles Beach; City of Coral Gables; City of Homestead; City of Key West; City of Largo; City of Marathon; City of Destin; City of Panama City; City of Panama City Beach; City of Fort Walton Beach; City of Pensacola; City of Apalachicola; City of Sopchoppy; Flagler County; Lake County; Alachua County; Hernando County; Osceola County; Citrus County; Brevard County; Seminole County; Sumter County; Charlotte County; DeSoto County; Hardee County; Collier County; Highlands County; Sarasota County; Pinellas County; Hillsborough County; Marion County; Manatee County; Martin County; Orange County; Monroe County; Palm Beach County; Miami-Dade County; Bay County; Santa Rosa County; Okaloosa County; Walton County; Gadsden County; Gulf County; Leon County; Wakulla County; Franklin County; Miami Shores Village; Village of North Palm Beach; Village of Pinecrest; Village of Islamorada; Town of Lake Park; Town of Jupiter; Town of Cutler Bay; Town of Davie; Town of Longboat Key; Town of Lake Hamilton; Town of Lady Lake; Town of Orange Park; Town of Palm Beach; and many others. A

detailed description of the services provided to some of these clients as they relate to the services being requested can be found in **Section 2** of our proposal.

Evergreen Solutions is able to fully comprehend the challenges and goals of the City of New Smyrna Beach because of our vast understanding of local government human resources, and the fact that we possess the necessary experience and qualifications. Our team has significant expertise in conducting compensation and benefits studies for local governments and other public sector organizations, as evidenced in **Section 3** of our proposal. Detailed resumes are available upon request.

Some of the human resource services Evergreen Solutions has focused on include: compensation and benefits studies; classification studies; performance management studies; recruitment, hiring, and retention studies; workload analyses; HR department reviews; organizational assessments; strategic and workforce planning; and staffing studies. Through our experiences in conducting this wide range of projects, we have gained the knowledge of every aspect of the management and operations involved in local government human resources management. As a result, our team understands how critical a classification and compensation system is to the overall operation of a proficient and progressive municipality. We have developed helpful methods and tools that assist clients in implementing and maintaining our study recommendations.

Evergreen's approach to conducting a compensation and benefits study draws not only from extensive human resources work with local government clients, but also from direct feedback of our past clients. Some of the key facets of our approach as identified in **Section 4** of our response includes:

- Major emphasis is placed on communication as the key to a successful study as well as its implementation. Our Team understands that compensation by its very nature creates anxiety in staff and managers alike. In order to ensure a successful study process and "buy-in" at implementation, administrators, department heads, and employees need be involved in every step of the process. Our communication plan is a critical component of any study and to ensure our clients are informed of statuses or potential challenges, we provide continuous communication through the use of regular meetings and written progress reports.

- Our methodology utilizes the latest technology in order to reduce the cost to our client partners and enhance wider participation by offering of our tools in an electronic format. In essence, every step of the process can be completed on the Web. Further, our web-based ***JobForce Manager*** tool allows our client partners to facilitate implementation and eases the ongoing maintenance of the compensation system.

- We understand that one size does not fit all. Some consultants provide the same overall solution to every client. We take great pride in providing a variety of alternatives that allow our client partners to select the solution that best meets their business and human capital needs.

As President of Evergreen Solutions, I am authorized to commit our firm contractually to this engagement. We have read your terms and conditions and believe we can successfully work within your requirements.

We appreciate this opportunity and commit to you our best effort if selected for this engagement. If you have any questions, please feel free to call me at (850) 383-0111 or via email at jeff@consultevergreen.com.

Sincerely,

Jeffrey Ling, PhD, President

1.0 – Management Summary

Evergreen Solutions understands that the City is looking to hire an outside consultant to conduct a Compensation and Benefits Study that will address the following goals and objectives as outlined in the general description of services of the Request for Proposal.

- attract and retain qualified workers who will be paid equitable salaries;
- provide equitable salaries and benefits for all employees of the City; and
- provide the City with a salary and benefit structure that will enable the City to maintain a competitive position within the same geographic area but will be financially sustainable for the long term.

Evergreen further understands that the City desires recommend adjustments to its pay and benefit plans, to allow for appropriate compensation and benefits, rectify internal compression/equity issues along with compensation comparisons from surrounding jurisdictions and other comparators. In addition, the City would like the hired consultant to create accurate job descriptions utilizing accepted best practices in the management and design of compensation and benefit systems.

Evergreen's approach to conducting the Compensation and Benefits Study is built on working collaboratively with the City to make sound, implementation-focused recommendations. Specifically, we have developed a methodology that: focuses on market competitiveness; is based on the City's compensation philosophy; recognizes that compensation is comprised of more than just base pay levels; reflects changes in recent compensation strategies; designs custom solutions that take into account the diversity of needs present in the City and allows you to select the components and options that best meet your overall needs; and produces a structure that will improve the City's ability to recruit, reward, motivate, and retain talent in a competitive environment that includes both public and private sector employers.

As President of Evergreen Solutions, I am attesting that the information provided in our proposal is current and factual and that all members of the proposed project team agree to work together to ensure a successful study.

Sincerely,

Jeffrey Ling, PhD, President
Evergreen Solutions, LLC

Section 2.0
Background and Experience of the Firm

2.0 Background and Experience of the Firm

Evergreen Solutions is well qualified to conduct a Compensation and Benefits Study for the City of New Smyrna Beach as we have conducted more than 1,400 similar studies for local governments and other public sector organizations throughout the country, including more than 200 within the State of Florida. In this section, we provide the history and background of our firm; and a list of similar studies we have performed or are currently under contract to perform.

2.1 Firm's Background and History

Evergreen Solutions, LLC is a national, multidisciplinary, public sector management consulting company, which specializes in working with public sector organizations, including hundreds of local governments, across the nation. We provide a unique approach, rather than the "consulting as usual" method, by partnering with our clients to find innovative, real-world solutions to public management.

Evergreen was formed in 2004 in the State of Florida to provide a modern, practical alternative to the typical consulting options. Evergreen is made up of management and human resource professionals as well as strategic partners who came together to form an innovative alternative that places clients and their needs before any individual, model, or corporate goal.

Evergreen's philosophy is based on an understanding that there is not a "one size that fits all" solution to compensation management. Our approach is built on working collaboratively with all parties to make sound, implementation-focused recommendations.

Evergreen employs 25 full- and five part-time staff who provide a variety of human resources consulting work. Evergreen is located in Tallahassee, Florida with additional offices in Orlando, Tampa, and Fort Lauderdale. Evergreen is licensed in the State of Florida (#L04000073478).

Our main focus is on people, management, and technology. This focus allows our team to provide a broad variety of services, including, but not limited to: compensation and benefits studies; classification studies; performance appraisal reviews; workload analyses; staffing studies; disparity studies; training assessments; and strategic planning.

We invite you to browse our Web site at **www.ConsultEvergreen.com** or visit us on Facebook at www.facebook.com or LinkedIn at www.linkedin.com for more information about our services, staff, and past experience.

Evergreen Solutions was founded with the intent of offering public sector leaders an alternative to the "business as usual" consulting approach. We assist public sector professionals in exercising control over the inter-related elements that determine success or failure.

We accomplish this by applying a situation-responsive discipline that emphasizes:

- full visibility into the entire organization through research and discovery;
- a spirit of partnership with local government staff and leadership;
- sound recommendations based on best practices and proven methods; and
- a practical go-forward plan that leads to quantifiable results.

Collectively, the members of the Evergreen Solutions Team have:

- extensive experience in conducting compensation and benefits studies for local governments and other public sector organizations throughout the country, including many in the State of Florida;
- comprehensive experience in all components vital to the successful completion of this engagement;
- knowledge of relevant Florida statutes and regulations as well as federal regulations;
- objectivity and flexibility due to the fact that we have no vested interests; and
- specialized analytical tools that we bring to this engagement.

Clients nationwide have been successfully implementing recommendations from our team of professional consultants for decades. Evergreen has contracted with public sector, quasi-governmental, and non-profit organizations in 46 states throughout the country, the majority of which have been located in the State of Florida.

Exhibit 2-1 includes a list of some of the local governments and other public sector organizations in the State of Florida that Evergreen has worked with, or is currently on contract to work with, in providing work similar in scope to the services being requested. Note: Evergreen has also worked with many school districts and institutions of higher education in Florida that are not listed in the exhibit.

2.2 Select Relevant Florida Experience

Because Evergreen has conducted more than 1,400 compensation and/or classification studies throughout the country, we include in this section only a sample of some of our similar local government work in the State of Florida.

Classification and Compensation Study
City of New Smyrna Beach

Evergreen Solutions was retained by the City of New Smyrna Beach to conduct a Classification and Compensation Study. Evergreen's consultants conducted a comprehensive evaluation of the City's Pay Plan and compensation policies as they related to all City position classifications and provided recommendations to classify/reclassify positions and provided updates to job descriptions.

Evergreen further conducted a comprehensive compensation survey to include salaries, wages, supplemental pay, and benefits of like cities considered as the appropriate labor market within the State of Florida. Based upon results of the survey, Evergreen recommended revised a salary classification and compensation plan for the City Commission's consideration. Based upon the recommended classification grades, and existing salaries, Evergreen's consultant recommended proper placement within proposed classifications, and recommended appropriate "equity adjustments".

In the end, Evergreen developed and recommended an implementation plan for adoption of the proposed classification plan and salary adjustments to include an estimated fiscal impact, with options for a multi-year implementation.

Job Classification and Compensation Study
City of Melbourne

Evergreen Solutions was retained by the City of Melbourne to conduct a Job Classification and Compensation Study. Evergreen reviewed the City's salary and benefit structure and assist in updating information on essential job functions, responsibilities, required knowledge, skills and abilities, and physical demands of each position. Evergreen examined all job descriptions to include a review of position FLSA designations; essential functions; minimum qualifications, license requirements, working conditions, etc.., provided recommended updates and/or changes, established criterion for the selection of survey participants with City staff members, prepared a survey to send to the participants, and prepared recommendations based on the results.

Evergreen addressed compression/equity issues between pay grades and classifications and established an equitable classification methodology and salary ranges to provide for the recruitment and retention of qualified staff as well as the equitable relationships of one job to another within the organization. Recommendations were provided to classify/reclassify positions as appropriate. In addition, a recommendation was made for a new

compensation plan that is fair and equitable in order to attract, motivate, and retain a quality workforce. Evergreen provided three (3) separate proposed pay plan structures based on salary scales that are 90%, 100% and 110% of the surveyed labor market.

Compensation and Classification Study and Staffing Analysis
City of Dayton Beach Shores

Evergreen Solutions was retained by the City of Daytona Beach Shores to conduct a Compensation and Classification Study that included a staffing analysis and the development of a Performance Appraisal System. Evergreen's consultants assessed the conditions within the City's current compensation and classification systems and provided a summary. The Job Assessment Tool (JAT) and Management Issues Tool (MIT) was used to build a projected classification plan and develop preliminary recommendations. Evergreen prepared and conducted a customized market salary survey and provided an external assessment summary, as well as a staffing analysis. Comparison data from a representative group of comparable targets were included in the analysis. A final report was developed, outlining the methodology and results of the study, including all market research and recommendations. Recommendations were also developed for future Compensation Administration and updating and creating new job descriptions.

Classification and Compensation Study
City of Cocoa

Evergreen Solutions was hired by the City of Cocoa, located in Brevard County, to conduct a Classification and Compensation Study for its 444 employees. Evergreen's consultants performed a comprehensive survey of the City's job classifications, pay structures and benefits and provided recommendations to the City for implementation of the proposed changes in order for the City to maintain internal and external equity.

The City's objectives for the study were: to attract and retain qualified workers who will be paid an equitable salary and benefit package; provide fair salaries for all workers of the City; and provide a salary structure that enables the City to maintain a competitive position with other cities and companies within the same geographic area.

The City's current Pay and Classification Plan consisted of four different classifications:

- General Employees: The current pay structure is set up in pay grades with steps (varying in numbers, up to 16 steps).

- Laborers' International Union of North America (LIUNA): These positions consist of 16 different pay grades with established minimum and maximum pay ranges.

- Coastal Florida Police Benevolent Association (PBA): These positions consist of three (3) different pay grades with established minimum and maximum pay ranges.

- International Association of Firefighters (IAFF): These positions consist of two different pay grades with established minimum and maximum pay ranges.

Pay and Classification Study
City of Jacksonville Beach

Evergreen was retained by the City of Jacksonville to conduct a Pay and Classification Study. Evergreen evaluated the current system, collected and reviewed current environment data, and evaluated and built the projected classification plan. Evergreen Identified a list of market survey benchmarks and conduct a market survey. Evergreen provided the City with the external assessment summary, developed strategic positioning recommendations, and developed and submitted draft and final reports and recommendations for compensation administration.

Compensation Study
City of Jacksonville

Evergreen Solutions was retained by the City of Jacksonville to conduct a Compensation Study for Forensic Pathologists. Evergreen conducted a market salary and benefits survey with 25 peer organizations in order to produce a pay plan(s) for the positions of District Chief Medical Examiner and Associate Medical Examiner that best met the needs of the City from an external equity standpoint. In conducting the market salary and benefits survey, Evergreen examined the following:

- base salary, bonuses, incentive, etc.;
- health, dental, vision, and life benefits;
- accrued time off;
- holidays;
- retirement plan options;
- estimated future adjustments due to cost-of-living increases, general wage adjustments, or for any other reason;
- minimum requirements of the positions; and
- cost of living analysis as compared to Jacksonville.

Evergreen provided a final report for the City of Jacksonville's Leadership that included recommendations for employee salary adjustments.

Classification and Compensation Study
City of Lake City

Evergreen Solutions was retained by the City of Lake City to conduct a Classification and Compensation Study. Evergreen's consultants reviewed the City's current classification and compensation plan and identified and recommended a consistent and competitive market position that the City could strive to maintain based on a salary survey results from peer organizations. Evergreen recommended an appropriate salary range for each position in the City based on a review and analysis of the classification plan, the compensation survey results, internal relationships, and external and internal equity. Evergreen further provided recommendations for the ongoing internal administration and maintenance of the proposed compensation and classification plan. **Note:** Evergreen also completed a second study in 2019 by updating the City's Compensation Plan.

Compensation Study
City of Flagler Beach

Evergreen Solutions is retained by the City of Flagler Beach to conduct a Compensation Study. Evergreen will conduct a salary survey to determine the City's competitiveness in the market. **Note:** This project is nearing completion.

Compensation Study
City of Bunnell

Evergreen Solutions was again engaged with the City of Bunnell to conduct a Compensation Study. Evergreen's consultants compared the City to what other local jurisdictions were doing as it related to salary ranges, steps within ranges, and range spreads and made recommendations that will improve the City's position in the market and its ability to recruit and retain qualified employees. **Note:** Evergreen previously conducted a Classification and Compensation Study for the City in 2007.

Classification and Compensation
City of Wildwood

Evergreen Solutions was retained by the City of Wildwood to conduct a Classification and Compensation Study. Evergreen conducted a job analysis in order to determine internal equity and to update job descriptions. Evergreen's consultants also reviewed the City's current compensation plan and identified and recommended a consistent and competitive market position that the City could strive to maintain based on a salary survey results from peer organizations.

Salary and Benefits Survey
City of St. Cloud

Evergreen Solutions was retained in 2014 by the City of St. Cloud to conduct a Salary and Benefits Survey. Evergreen's consultants reviewed the effectiveness of the City's current salary and benefits plan as it related to the market competitiveness for attracting and retaining quality employees. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs and recommendations were provided to improve the fairness and equity in the current system.
Note: Evergreen was previously hired to conduct a Compensation and Classification Study for the City.

Salary Survey and Job Analysis on Selected Positions
City of Kissimmee

Evergreen Solutions was hired last year by the City of Kissimmee to conduct a Salary Survey as well as a Job Analysis on selected positions (i.e., Police and Fire). The intent of the study was to compare and contrast the City's current salary structure and levels with those of key competing employers so that a determination could be made regarding the City's competitive position within the marketplace. **Note:** Evergreen previously conducted a Salary, Benefits, and Classification Study for the City. In addition, Evergreen was recently hired to conduct a comprehensive Classification and Compensation Study.

Evergreen was hired again in 2023 to conduct a Classification and Compensation Plan Update.

Classification, Compensation and Other Related Services Study
City of Maitland

Evergreen Solutions was retained by the City of Maitland to conduct a comprehensive evaluation of their compensation and classification plans and practices. Employees participated in the project by attending focus groups, participating in interviews, and completing Job Assessment Tool surveys to determine the accuracy and equity of the classification plan. In addition, pay ranges were analyzed in the public and private sector to determine the competitiveness of the City's pay plan for all included jobs. Recommendations were provided to improve the accuracy, fairness and equity of the overall plan.

Classification and Compensation Study
City of Winter Park

Evergreen Solutions assisted the City of Winter Park's Human Resources Department with conducting a comprehensive classification and compensation study for all full-time employees. The project centered on providing the City with a revised system that was characterized by internal and external equity. To ensure internal equity, Evergreen utilized its Job Assessment Tool (JAT) and Management Issues Tool (MIT) to properly classify work performed and highlight issues to be addressed by management. Employees at all levels were also provided a forum to voice concerns with the current system through focus groups. Evergreen also selected benchmarks and peer organizations to survey for wages in comparison to the market. This information was combined with the job analysis to provide a comprehensive solution. The recommended solutions were costed out and presented to the City for review.

Compensation and Classification Study
City of Deltona

Evergreen Solutions was hired by the City of Deltona to conduct a Compensation and Classification Study including all non-sworn positions and provide recommendations for implementation of a revised pay plan. The study included all non-sworn employees and classifications in the City. As part of the study, the Evergreen Solutions Team conducted orientations, focus groups, and interviews with employees and collected Job Assessment Tools (JATs) from employees. Evergreen Solutions consultants conducted a comprehensive salary survey of local and regional employers to assess the market competitiveness of the City. A detailed plan was developed to provide the City with specific steps to implement an equitable and competitive compensation plan. Finally, revised class descriptions were developed using information obtained during the JAT process, and training was provided to City staff to maintain the recommended compensation and classification system.

Compensation Consulting Services
City of Orlando

Evergreen was retained by the City of Orlando to provide compensation consulting services. Evergreen analyzed the current labor market trends in the Orlando metro area, including the pay increases being offered by Disney between 2019 and 2020; collected information from public entities in the Orlando metro area regarding how they were responding to turnover and talent shortages; examined best practices on implementing wage floors to address local market changes; proposed several alternatives to the City to address local market changes, especially those related to the increase in the minimum wage to $15 per hour by some private organizations; worked with the City HR staff to model and cost different implementation scenarios; and provided a short summary of the analysis and recommendations.

Note: Evergreen has worked with the City on more than five occasions providing a variety of human resource consulting, including compensation and classification studies for various employee groups.

Classification / Compensation Study
City of Orlando

Evergreen was again hired in 2023 to conduct both a Classification and Compensation Study of its total workforce (i.e., 4,500 employees). Evergreen has already completed the compensation study and provided recommendations on how the City can be more competitive in the market. Evergreen is currently completing a classification study to determine whether the City's more than 50 classifications are internal equitable and properly classified.

Classification and Compensation Job Classification Analysis
City of St. Petersburg

Evergreen Solutions was retained by the City of St. Petersburg to conduct a Job Classification Analysis in order to update and produce approximately 648 legally-compliant job descriptions that would include 6 – 8 core competencies each. Evergreen's consultants: analyzed all city job descriptions, both full-time and part-time positions, and determined the core competencies for each classification; and revised classifications and competencies that formed the foundation of the City's recruitment, learning management, performance management, and succession planning programs.

Evergreen met with HR staff and department heads to discuss roles, competency model options, and project processes and adjusted the competency survey that was used in conjunction with the Job Assessment Tool (JAT) that was administered to a representative sample of the City's 3,150 full- and part-time staff. Evergreen reviewed the work performed by each classification and scored and reviewed supervisory comments for any anomalies or discrepancies discovered. Evergreen created task inventory and job families based on JAT responses and organizational charts and identified the degree of overlap in tasks between jobs in similar job families. From this, Evergreen identified root factors in each task grouping and linked to any underlying behavioral factors.

Classification and Compensation Study
City of Clearwater

Evergreen Solutions was retained by the City of Clearwater to conduct a Classification and Compensation Study. Evergreen's consultants reviewed and evaluated the existing classification/compensation system and benefits structures; developed a new methodology for pay structures and guidelines to address internal equity and external competitiveness (a salary survey or market study of benchmark jobs against comparable positions in other governments and relevant industries); and prepared updated pay plan schedules.

Classification and Compensation Services
City of Dunedin

Evergreen Solutions was engaged with the City of Dunedin to provide and Classification and Compensation Services. Evergreen analyzed each position within the City by conducting interviews; evaluating employee position descriptions and duties; interviewing department heads; assessing classifications within positions; and making FLSA determinations. Evergreen presented a proposed classification structure to City management, including a cost analysis for positions that would require adjustments. Evergreen also conducted a comprehensive survey of public and private labor market comparable designed to include salary ranges, and actual salaries to ensure that the City's compensation was equitable and competitive relative to internal factors and external markets.

Classification and Compensation Study
City of Fort Myers

Evergreen Solutions was hired the City of Ft. Myers to conduct a Classification and Compensation Study for all employee groups (i.e., Police Union – Sworn only; Fire Union and General Union and Non-bargaining). The study will include comprehensive classification analysis using Evergreen Solutions' Job Assessment Tool job valuation methodology in addition to a statistical assessment of current conditions. An evaluation of external equity including a salary survey of competing organizations will also be conducted. The project will conclude with a series of findings and recommendations designed to identify and recommend resolution of any inequities in the system and, if necessary, redesign the existing system in place for the City
Note: Evergreen was again hired in 2020 to conduct a Compensation Study for the City as well as a Staffing Study of the Police Department.

Compensation and Classification Study
City of North Port

Evergreen Solutions was retained by the City of North Port to conduct a Compensation and Classification Study by performing a market study to assess the City's existing compensation and classification plan. The goals for the study were to: assess the current compensation and classification structure; identify and address internal compensation inequities and recommend adjustments to job titles to better fit assigned duties where necessary; review job families/hierarchies throughout the organization; support a market-driven compensation plan and system that is designed to incentivize, recognize and retain its employees; recommend changes to pay plan and classification structure; review the total compensation package (salary plus benefits); recommend how to implement tools and techniques to support an ongoing reclassification process that will enable the organization to maintain its competitive place in the market; and provide findings and recommendations in a comprehensive report.

Classification and Compensation Study
City of Sarasota

Evergreen Solutions was retained by the City of Sarasota to conduct a classification and compensation analysis of its workforce. Employees participated in focus groups, interviews, and a job analysis was conducted to determine the best classifications for the work performed. In addition, pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs. Recommendations were provided to improve the fairness and equity in the current system.

Compensation, Classification, and Benefits Study
City of Palm Beach Gardens

The City of Palm Beach Gardens entered into a contract with Evergreen to conduct a comprehensive Compensation and Classification Study to assess the city's internal and external equity. The City had established track record of regular studies of this nature and seeks up-to-date competitive salary and benefits information from both the private and public sector. A salary survey of peer organizations in the local and regional market, to include benefits and total compensation, was conducted to ascertain the City's relative market position. The City maintained the objective of being among the compensation leaders in Palm Beach County, and regular evaluation of this kind was essential in achieving this progressive goal.

The study included a complete classification analysis using Evergreen Solutions' Job Assessment Tool job valuation methodology in addition to a statistical assessment of current conditions. The study concluded with a series of findings and recommendations in a written report that was designed to identify and recommend resolution of any inequities in the system and, if necessary, update the existing classification structure. The City had gone through a considerable reduction in force, which had caused many responsibilities to be shuffled.

Compensation Study
City of Hollywood

The City Hollywood retained Evergreen to conduct a compensation study of all non-represented employees and then again for AFSCME employees (i.e., approximately 66 Professional and Supervisory employees in 38 different job classifications). A job-task analysis/job audit was conducted to determine whether classifications were correctly placed in the organizational hierarchy and whether individual job positions were classified correctly. Evergreen reviewed job descriptions using the Job Assessment Tool job valuation methodology and conducted a statistical assessment of current conditions to ensure compliance with federal and state laws including proper designation of classifications as "exempt" vs. "non-exempt".

Evergreen conducted a comprehensive survey to ensure that the City of Hollywood's compensation plan was equitable and competitive in its total compensation package relative to internal factors and external markets (The City's goal was to be in the top 25% in salary). Evergreen's consultants reviewed existing salaries to determine proper placement within proposed classifications, and recommend appropriate "equity adjustments" as needed, based upon the results of the salary survey and the recommended pay plan.

Evergreen concluded the study with recommendations designed to alleviate any strains on the current compensation and classification system. Evergreen further recommended procedures, policies, and methods to maintain an on-going Classification & Compensations Plan that was performance based, fair and competitive. In addition, Evergreen's consultants developed policies and procedures for developing and maintaining a career track/progression/ retention program and reviewed existing performance appraisal system in order to make recommendations to integrate the performance appraisal system with new Classification & Compensation Plan.

Benchmark Compensation Study
City of Plantation

Evergreen Solutions was retained by the City of Plantation to conduct a Benchmark Compensation Study and develop a city-wide compensation plan for the City, taking into account internal and external equity. Evergreen developed recommendations and guidelines for the continued administration and maintenance of the compensation structure, including recommendations and guidelines related to how employees will move through the pay structure/system as a result of transfers, promotions, demotions and employees whose base pay is at the maximum of their pay range in their positions; including proposal for the proper mix of pay, how often to adjust pay scales and survey the market, and how to keep the system fair and competitive over time. **Note:** Evergreen was again hired in 2021 to conduct a Job Classification and Compensation Study and in 2023 to conduct a Compensation Plan Update.

Job Classification and Compensation Study
City of Sunrise

Evergreen Solutions was engaged with the City of Sunrise to conduct a Job Classification and Compensation Study of its 1,200 employees. The City is at the geographic center of the tri-county metropolitan area comprised of Miami-Dade, Broward and Palm Beach Counties and has a reputation for strong financial management, aggressive economic development, outstanding police and fire rescue services, leadership on regional issues, and support for its public schools.

Evergreen conducted a comprehensive evaluation of the City's current classification structure and related policies and practices as well as a comparative analysis of position classifications to determine relative work within the organization and for the establishment of appropriate pay grades. Evergreen worked with the City to identify the proposed labor market and benchmark classes and public and private agencies/markets that were similarly situated to the City to include in the salary survey. A comprehensive total compensation and benefits survey was distributed to comparable peers that not only assessed job titles but also accounted for actual corresponding job duties and responsibilities.

Evergreen further conducted interviews with employees in single position classifications, a representative sample of employees in multiple position classifications, and appropriate management personnel in order to validate the information pertaining to job duties. Information was obtained from employees through the distribution of a job assessment tool Evergreen used the information obtained from the JAT to perform a job analysis to verify and validate information with existing job descriptions to determine if classifications were correctly allocated in an organizational hierarchy.

In the end, Evergreen summarized the methodology, techniques, and data used to develop the proposed compensation and classification plan and provided recommendations for a classification and compensation structure that reflected the City's overall classification and compensation strategies. Evergreen further recommended pay grades, grade pricing and salary ranges for all existing and proposed classifications.

Employee Compensation Consultant Services
City of Coral Springs

Evergreen Solutions was engaged with the City of Coral Springs to provide employee compensation consultant services. The purpose and intent of the study was to compare and contrast the City's current salary structure and levels with those of key competing employers and to determine the City's competitive position within the marketplace. Evergreen analyzed each position within the City by conducting interviews and evaluating position descriptions and duties. Evergreen also interviewed department heads and assessed classifications within positions to determine whether classifications need to be revised. Based on the review, Evergreen recommended pay and classification strategies for the City in order to attract and retain talented employees. **Note:** Evergreen Solutions was again hired in 2021 by the City of Coral Springs to conduct a market salary survey.

Classification and Compensation Study
City of Sunny Isles Beach

Evergreen Solutions was retained by the City of Sunny Isles Beach to conduct a classification and compensation study for all its employees. Employees participated in focus groups, interviews, and a job analysis was conducted to determine the best classifications for the work performed. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs and recommendations were provided to improve the fairness and equity in the current system. **Note:** Evergreen was again hired in 2024 to conduct a pay plan update.

Salary Survey
City of Dania Beach

Evergreen Solutions was retained by the City of Dania Beach to conduct a salary survey to compare 40 benchmark positions against municipalities of comparable size within the tri-county area, and to make recommendations to improve the competitiveness of the City in recruiting and retaining qualified staff.

Compensation Study
City of Boca Raton

Evergreen was hired by City of Boca Raton to conduct a Compensation Study for its workforce of 1,550 employees. Evergreen will conduct a comprehensive market-based survey and analysis of the City's current salary ranges and employee compensation. Evergreen will also produce a pay plan for the City, develop strategic positioning recommendations and opportunities, and provide options to address salary progression and compression considering internal and external equity to ensure competitiveness within the market. Evergreen will prepare implementation strategies and a cost analysis for the pay plan and compensation recommendations.

Compensation and Classification Study
City of Miami Beach

Evergreen Solutions is retained by the City of Miami Beach to conduct a Compensation and Classification Study for 600 benchmark jobs that were identified by the City Human Resources Department. Evergreen worked with the City to identify comparable cities and public sector organizations in South Florida to review the effectiveness of the City's current salary plan as it related to market competitiveness for attracting and retaining quality employees. The study was conducted in two phases. Phase 1 consisted of 300 positions (i.e., classifications) and Phase 2 also consisted of 300 positions. Therefore, only those employees that were covered by the 300 positions were included in each phase of the study. **Note:** This project is nearing completion.

Compensation Study
City of North Miami Beach

Evergreen Solutions was retained by the City of North Miami Beach to conduct a compensation study. Evergreen consultants reviewed pay ranges in the public and private sector to determine the appropriate pay levels for all included jobs (up to 60 benchmarks). Recommendations were provided to improve the fairness and equity within the City. Evergreen provided City staff with the necessary training and materials so that an understanding of the methodology— and how to implement, administer, and maintain the recommended compensation system—was accomplished. **Note:** Evergreen was again hired in 2021 to conduct a Compensation and Classification Study.

Classification and Compensation Study
City of South Miami

Evergreen Solutions was retained by the City of South Miami to conduct a Classification and Compensation Study. Evergreen conducted a job analysis to ensure internal equity and to update job descriptions. Evergreen also conducted a market salary survey by collecting salary data from peer organizations in order to provide recommendations that will allow the City to better retain and attract a well qualified workforce.

Pay and Classification Study
City of Doral

Evergreen Solutions was engaged with the City of Doral to conduct a Pay and Classification Study. Employees participated in focus groups, interviews, and a job analysis was conducted to determine the best classifications for the work performed. In addition, salaries were analyzed in the public and private sector to determine the appropriate salary for all included jobs. Recommendations were provided to improve the fairness and equity in the current classification and compensation system. **Note:** Evergreen was previously hired to conduct a Compensation, Classification, and Value Engineering Study.

Classification and Compensation Study
City of Coral Gables

Evergreen Solutions was retained by the City of Coral Gables to conduct a Classification and Compensation Study. Evergreen's consultants conducted a job analysis in order to determine the appropriate classification structure for the City and to update job descriptions. Evergreen also conducted a salary survey for the purpose of ensuring that the City's pay plan was competitive in the market for retaining and recruiting a talented workforce.

Compensation and Benefits Study
City of Homestead

Evergreen Solutions was engaged with the City of Homestead to conduct a Compensation and Benefits Study. Evergreen conducted an analysis of pay and leave benefits including holidays, sick leave, administrative leave, and vacation against the market and provided recommendations to allow the City to be more competitive in the market for retaining and recruiting employees.

Compensation Analysis
City of Orange City

Evergreen Solutions was engaged with the City of Orange City to conduct a Compensation Analysis. Evergreen's consultants estimated the City's market position, refined pay plan, and slotted incumbents based on data that was collected from the region.

Salary Survey
City of Temple Terrace

Evergreen Solutions was retained by the City of Temple Terrace to conduct a Salary Survey. Benchmark positions were selected and compared against market peers to determine equitable pay for City employees. Evergreen's recommendations improved the competitiveness of the City and helped prepare it for future recruitment challenges.

Comprehensive Classification and Compensation Study
City of Panama City Beach

Evergreen Solutions was hired by the City of Panama City Beach to conduct a Comprehensive Classification and Compensation Study by reviewing job descriptions, position classification schedules, pay plans, and compensation programs for approximately 255 non-union City employees. Evergreen presented a methodology that accurately and fairly measured compensable factors, allowed proper and equitable cross comparisons of compensable factors for classes, and minimized the appearance of possible prejudices on the part of the City administration.

In the end, Evergreen provided written procedures for maintaining pay plans, reviewed general practices, and made recommendations for improvements to the current classification and compensation structure based upon the results of the market and benefit survey and the classification analysis. Further, Evergreen designed and recommended an implementation plan for the updated compensation strategy with the lowest impact to both the minimum and maximum points of the updated pay plan and the greatest gain to positions that fell outside of the updated and designated range. Evergreen also recommended administrative procedures to maintain fairness and competitiveness of the position classification and compensation plan after implementation and recommended final pay schedules with projected costs based on a range of alternative implementation plans.

Compensation Study
City of Panama City Beach

Evergreen Solutions was hired in 2023 by the City of Panama City Beach to conduct a Compensation Study. Evergreen collected relevant data; identified up to 15 targets and 30 classifications for a market salary survey; developed and conducted a salary survey and analyzed results; reviewed up to 10 job descriptions for possible reclassification; provided recommendations for updates/changes to the pay plan, including implementation options, based on market survey results; and prepared and deliver a draft and final report. **Note:** Evergreen previously conducted a Classification and Compensation Study for the City.

Comprehensive Classification and Compensation Study
City of Panama City

Evergreen was retained by the City of Panama City to conduct a Comprehensive Classification and Compensation Study for 545 non-union positions/employees, including approximately 79 firefighters, 92 police officers, and 5 elected officials in 190 job classifications. Employees participated in focus groups, interviews, and a job analysis to determine the best classifications for the work performed. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs. Evergreen reviewed the City's current performance evaluation system, tools and procedures, and made recommendations for necessary changes to the system. Recommendations were also provided to improve fairness and equity of all jobs within the City. Select City staff were provided the necessary training and materials so that an understanding of the methodology and how to implement, administer, and maintain the recommended total classification and compensation system were accomplished. Evergreen made recommendations regarding enhancements to the City's current performance evaluation system and provided the City with a performance evaluation tool. **Note:** Evergreen was again hired by the City of Panama City to conduct a salary survey update.

Pay and Classification Study
City of Fort Walton Beach

Evergreen Solutions was hired by the City of Fort Walton Beach to conduct a Pay and Classification Study for its 320 employees. Evergreen conducted a job-task analysis/job audit of all employee positions to verify and validate information from existing job descriptions and conducted personal interviews with employees, supervisors, and directors to determine whether classifications were correctly placed in organizational hierarchy and if individual positions were classified correctly.

Evergreen conducted a comprehensive survey of public and private labor market comparables designed to include salary ranges, actual salaries, and

benefits information to ensure the City of Fort Walton Beach's compensation was equitable and competitive in its total compensation package relative to internal factors and external markets. Evergreen conducted a comparison of existing benefits with market data and comment.

Evergreen recommended and implemented a classification system that could be utilized by City staff at the conclusion of the project. To accomplish this Evergreen's consultants: grouped positions based upon duties performed, knowledge, skills and abilities for the position; conducted and analysis that addressed the issue of internal equity; recommended the assignment of each classification to a pay grade; reviewed current job descriptions and revised/updated as necessary; reviewed the City's current assignment of exempt versus non-exempt status as it related to the FLSA and made appropriate recommendations with justification; and provided appropriate adjustments to account for regional cost of living variations.

Compensation Management Services
Flagler County

Evergreen Solutions was hired by Flagler County to provide Compensation Management services. Evergreen Solutions performed the following: conducted a salary and benefits survey of coastal county peers; collected secondary data on the private sector for those classifications that were more impacted by private industry; analyzed benefits and quality of life data to estimate total compensation for County classifications; developed a new pay plan based on market findings and slotted all included classifications; recommended several methods for placing classifications into the new pay plan and estimated the associated cost; ensured that the adopted pay plan and placement methodology supported a three-level method of employee increases; developed an implementation strategy for enacting the recommended changes to the pay grades and placement; provided a written report summarizing the findings and recommendations; and developed and provided training for a new performance evaluation system.

Note: Evergreen was previously hired by the County to conduct a Job Classification and Pay Study in 2016.

Compensation and Classification Study
Alachua County

Evergreen Solutions was engaged with Alachua County to conduct a Compensation and Classification Study of jobs under the Board of County Commissioners, the Sheriff, Tax Collector, Property Appraiser, Supervisor of Elections, and the Library District. Specifically, the County desired the following services to be performed by Evergreen:

- develop and administer a job analysis questionnaire for the purpose of having employees state their job duties and qualifications including education, experience, licenses and certificates; working conditions (physical and environmental) and all other pertinent information;

- prepare and present to the Board of County Commissioners a report documenting the results of the job analysis by classification and recommendations concerning a classification structure and pay adjustments;

- allocate each employee with regard to the new classification structure;

- identify benchmark classifications to be used to determine appropriate markets for salary survey purposes, as well as to determine the position of the county with regard to salaries for comparable jobs in appropriate markets;

- administer a salary survey for the purpose of recommending appropriate salaries based on external (market) and internal (equity) considerations;

- recommend a salary structure, including the number of pay grades, and pay ranges;

- recommend salaries for each classification, as well as recommended salaries for each employee;

- provide a classification maintenance plan;

- provide guidelines and procedures for administering the resulting classification plan to include the following: Initial placement in the salary range and means for movement through the range; and

- train HR and departmental staff on the methodology and maintenance of the recommended classification and pay plan.

Compensation Study
Lake County

Evergreen Solutions was retained by Lake County to conduct and furnish a comprehensive compensation survey for Lake County government itself, and for select positions at Lake Emergency Medical Services, Inc. Evergreen made recommendations for improvements and modifications to the current compensation and overall pay structure, including number of pay grades, and appropriate pay ranges (minimum, maximum, percentage between grades, etc.). The recommendations also included appropriate salary ranges and midpoints for each job classification and recommendation for ranges that

lagged, matched, or led the relevant labor market. Evergreen surveyed the relevant labor market for merit pay practices being used and recommended pay administration practices to include consideration of merit pay, alternative reward strategies, including non-monetary rewards and cost savings/efficiency incentives as may be suitable.

Compensation Market Salary Survey
Sumter County

Evergreen Solutions was retained by Sumter County to conduct a comprehensive market salary study designed to ascertain the external equity of its compensation plan. The County wanted Evergreen to evaluate its competitiveness with not only the public sector, but the private sector as well. Evergreen employed a methodology that included data from both of these critical markets and took into account the importance of total compensation, including salaries, benefits, and supplements, and provide recommendations for improvements as needed. In addition, Evergreen evaluated the County's classifications to determine whether a functional combination of positions was possible or appropriate, and made administrative recommendations that were designed to assist the County in maintaining the system over time.

Salary and Benefits Review
Hernando County

Evergreen Solutions was retained by Hernando County to conduct a Salary and Benefits Review of its workforce. Evergreen's consultants reviewed the effectiveness of the County's current salary and benefits plan as it related to the market competitiveness for attracting and retaining quality employees. To accomplish this, Evergreen conducted a comprehensive survey of public and private labor market comparables designed to include salary ranges, pay grade factoring system, actual salaries, and benefits (retirement plans, health and dental insurance) information to ensure the County's compensation was equitable and competitive in its total compensation package relative to internal factors and external markets for substantially similar classifications. Evergreen also conducted a job-task analysis/job audit of all 766 employee positions to verify and validate information from existing job descriptions. Personal interviews with employees, supervisors, and directors were conducted to determine whether classifications were correctly placed in organizational hierarchy and whether individual positions were classified correctly. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs and recommendations were provided to improve the fairness and equity in the current system.

Classification and Compensation Study Analysis
Suwannee County

Evergreen was hired by Suwannee County to conduct a Classification and Compensation Study Analysis. Evergreen will perform the following tasks: provide a comprehensive evaluation of every job in the County; establish appropriate benchmarking standard and conduct salary surveys; analyze and recommend changes to the present compensation structure to meet market analysis; update job descriptions; recommend and identify a consistent and competitive market position; conduct a compression analysis to include any recommendations for implementation; and conduct a training program for the Human Resources staff.

Compensation and Benefits Study
Seminole County

Evergreen Solutions was hired by Seminole County to assist with a county-wide Compensation and Benefits Study. The study included employees who served in various capacities for the Board of County Commissioners. As part of the review, orientation sessions, focus groups, and interviews were conducted throughout the county. All employees were asked to complete the Job Assessment Tool (JAT) and job analysis was conducted with the results in order to create a classification plan. A salary survey was issued to local and regional employers to assess competitiveness. Based on the classification and compensation findings, a new pay plan as well as policies and procedures were recommended to the County. **Note:** Evergreen also conducted two other studies for Seminole County (i.e., Compensation and Classification Study and a Performance Evaluation Study).

Compensation Study
Osceola County

Evergreen Solutions was retained by Osceola County to review its compensation system and structure for areas of improvement. The Evergreen team examined current pay plan's organization, market responsiveness, and adaptability. A detailed report was prepared to that summarized findings and recommendations for improvement.

Compensation Study
Orange County

Evergreen Solutions was retained by Orange County to conduct a Compensation Study for non-represented staff. Evergreen's consultants conducted a salary survey to determine the County's market position and prepared a final report with cost analysis for implementation of all recommendations.

Compensation Study
Sarasota County

Evergreen Solutions was retained by Sarasota County to conduct a Compensation Study. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs. Recommendations were provided to improve the fairness and equity in the current system. **Note:** Evergreen was again hired in 2023 to conduct a Compensation Study Update.

Classification and Compensation Study
Pinellas County

Evergreen Solutions was retained by Pinellas County to conduct a comprehensive classification and compensation study that included recommendations and suggestions for an implementation and maintenance process that would effectively provide the County with the resources and expertise to further enhance its classification and compensation program. A comprehensive job classification and pay study hadn't been conducted since 2004 so the County believed it was important to invest in a study that would look at both internal and external equity.

The objective of the study was be to have a credible classification and compensation plan that: allows positions performing similar work with similar levels of complexity, responsibility, and knowledge, skills and abilities to be classified appropriately; identifies salaries for assigned duties; outlines promotional opportunities and possible compensation growth; identifies pay differential between individual classifications; and identifies relevant labor markets.

Compensation Study
Hillsborough County

Evergreen Solutions was hired in 2022 to conduct a Compensation Study on select positions to determine the County's market position as it related to those positions.

Compensation, Classification, and Performance Management Study
Manatee County

Evergreen Solutions was hired by Manatee County to assist with a county-wide Compensation and Classification Study. At the time of the study, Manatee County was a growing county with a population of over 300,000 located on the southwestern coast of FL between Pinellas and Sarasota Counties. An appointed County Administrator oversaw 16 departments, with approximately 2,900 employees within approximately 600 classifications and 58 pay ranges/grades.

The study included all employees that serve in capacities for the Board of County Commissioners. As part of the review, orientation sessions, focus groups, and interviews were conducted in throughout the county. All employees were asked to complete the Job Assessment Tool (JAT) and job analysis was conducted with the results in order to create a classification plan. A salary survey was issued to local and regional employers to assess competitiveness. Based on the classification and compensation findings, a new pay plan as well as policies and procedures were recommended to the County. Evergreen Solutions helped the County attain their goal of maintaining a sound process providing a classification and pay structure that is fair, equitable, and systematic with a compensation plan comparable with other governmental jurisdictions and the private sector. In addition, Evergreen reviewed the performance management system in place within the County, and provided recommendations for improvement.

Note: Evergreen completed a market survey and compensation analysis update in 2012 and also conducted a Compensation and Classification study of the Information Technology Services Department in 2014.

Salary Study
Highlands County

Evergreen Solutions was retained by Highlands County to conduct a Salary Study for its workforce. The primary goal of the study was to ensure that the County maintained a sound process that provided a classification and pay structure that was fair, equitable, and systematic with a compensation plan that was comparable with other governmental jurisdictions as well as the private sector. The County desired a pay program that was fair, equitable, and competitive with both public and private employers in the surrounding geographic market area from which the County recruited, and was supportive

of the County's compensation philosophy to be competitive with area markets in order to attract, motivate, and retain quality employees.

Evergreen's consultants evaluated current pay grades (i.e., number of pay grades, including additions, deletions, and/or consolidations) and recommended a strategy for improvements. Evergreen further developed a classification system that facilitated ongoing compensation analysis and reporting and was based on similarly-situated employees, similar skills, qualifications, responsibilities, and pay, using job family groupings and EEO job categories that comported with EEOC guidelines for government employers. Evergreen reviewed position titles (including supervisory/management) and recommended a titling structure which defined consistent levels of responsibility across the County.

Classification and Compensation Study
Hardee County

Evergreen Solutions was engaged with Hardee County to conduct a Compensation and Classification Study. Evergreen reviewed existing classification plans, conducted a job analysis, performed a custom salary study, prepared pay plan option schedules, and reviewed and revised select job descriptions.

Classification and Compensation Study
Charlotte County

Evergreen Solutions was retained by Charlotte County to conduct a classification and compensation study for approximately 900 full-time and part-time employees in 250 classification specifications. Employees participated in focus groups, interviews, and a job analysis was conducted to determine the best classifications for the work performed. A review of all current classification specifications and job descriptions was made to ensure consistency, compliance with current industry best practices as to form, and compliance with applicable provisions of the Fair Labor Standards Act (FLSA), ADA, PERC (Florida Statute 447.203), and other applicable State and federal laws.

A salary survey was conducted within the appropriate public and private job markets to determine current market pay grade assignment and salary structure commensurate with the job assignment. Evergreen offered criteria for a candidate's or an employee's placement within corresponding zones of the pay range. Recommendations were made for resolving pay compression issues that had been created due to 5 – 6 years of wage freezes compounded by ever-increasing market competitiveness. **Note:** Prior to this study, Evergreen was hired by the County to conduct a Market Salary Survey.

Compensation and Classification Study
DeSoto County

Evergreen Solutions was engaged with DeSoto County to conduct a Compensation and Classification Study. Evergreen reviewed existing classification plans, conducted a job analysis, performed a salary study, prepared pay plan option schedules, and reviewed and revised job descriptions.

Employee Compensation and Classification Study
Indian River County

Evergreen Solutions was retained by Indian River County to conduct an Employee Compensation and Classification Study. The objectives of the study were to:

- perform an audit and analysis of position classifications and determine appropriate classifications and job titles;
- determine FLSA status of exempt or non-exempt for each classification;
- analyze the organizational structure to determine hierarchal structure, realign positions consistent with the market, and identify career ladders;
- provide updated job descriptions for each classification;
- develop a competitive pay plan (administrative, exempt, non-union, Teamsters, and IAFF) and placement of each classification within the pay plan that will support recruitment and retention;
- provide implementation options based on budgetary factors;
- develop compensation and pay administration strategy necessary to maintain a competitive pay plan;
- identify possible disparate wage or organizational compensation concerns and recommended corrective actions;
- provide a job analysis tool to be used when evaluating new positions to be placed in the pay and classification plan;
- provide a performance evaluation tool to assess job performance; and
- provide requested services and deliverables that comply with any and all federal, state and local laws and regulations.

Classification and Compensation Study
Palm Beach County

Evergreen Solutions was retained by Palm Beach County to conduct a Classification and Compensation Study in order to update the current classification and compensation structure. Evergreen performed the following tasks: conducted a job analysis across the County to ensure job descriptions matched the duties performed by the employee; provided an analysis of all positions— assigning an appropriate salary grade to ensure fairness and equity—and included recommendations for all positions that were found to be above or below the assigned salary grade; and conducted a market compensation analysis of salaries and wages of like or similar jobs of comparable Florida public organizations with similar position and organizational characteristics.

Compensation Survey
Miami-Dade County

Evergreen Solutions was retained by Miami-Dade County to conduct a Compensation Survey. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs and recommendations will be provided to improve the fairness and equity in the current system.

Compensation and Classification Study Services
Monroe County

Evergreen was retained by Monroe County to conduct a Compensation and Classification Study for 265 non-union employees in 178 classifications as well as 124 union employees in 46 classifications who are represented by the Teamsters bargaining unit. Employees participated in focus groups, interviews, and a job analysis to determine the best classifications for the work performed. Evergreen's consultants compared the County's positions to other similar positions within other County departments to determine the relative value of each position to every other position in the County. Comparisons were made with regard to the actual work being performed and based on the current job description. In addition, positions were compared to other similar positions in other private and public sector organizations throughout the Florida Keys and South Florida. Characteristics such as size of the organization, geographic proximity, economic and budget characteristics, and other appropriate demographic data were taken into consideration when making comparisons. Evergreen's consultants analyzed pay ranges in the public and private sector to determine the appropriate pay and benefit levels for all included jobs.

Recommendations were provided to improve fairness and equity of all jobs within the County. Select County staff were provided the necessary training and materials so that an understanding of the methodology and how to implement, administer, and maintain the recommended total classification and compensation system could be accomplished.

Note: Evergreen was again hired by Monroe County in September of 2016 to implement a minimum Living Wage of $31,200 year/$15.00 an hour (This included a determination of issues that arose with supervisory duties or compression of positions; what needed to be done to fix those issues; cost for County implementation with variable options; and publication of analysis). Evergreen also completed a compensation plan update for the County in 2023.

Pay and Classification Study
Gulf County

Evergreen Solutions was engaged with Gulf County to conduct a Pay and Classification Study for its workforce. Evergreen analyzed each position within the County by conducting interviews; evaluating employee position descriptions and duties; interviewing department heads; and assessing classifications within positions. In addition, Evergreen reviewed current job descriptions, focusing on the purpose, job scope, essential duties and responsibilities, education/training requirements, physical job requirements, and working conditions, and determined FLSA status (exempt/non-exempt) for positions under federal regulations. Based on this review, Evergreen presented a proposed classification structure to County management, including a cost analysis for positions that required adjustments.

Evergreen also conducted a comprehensive survey of public and private labor market comparables designed to include salary ranges, and actual salaries to ensure that Gulf County's compensation was equitable and competitive in its total compensation package relative to internal factors and external markets.

Pay and Classification Study
Bay County

Evergreen Solutions was engaged with Bay County in 2015 to conduct a Pay and Classification study. A job analysis was conducted using existing job descriptions to determine the best classifications for the work performed. In addition, a salary survey was conducted in the public sector to determine the appropriate pay ranges for 30 benchmarked positions. Recommendations were provided to improve the fairness and equity in the current classification and compensation system. **Note:** Evergreen also previously performed a Pay and Classification Study for the County.

Compensation Study
Santa Rosa County

Evergreen Solutions was retained by Santa Rosa County to conduct a Comprehensive Compensation Study. Evergreen performed the following tasks: established criteria for the selection of survey participants; conducted salary survey prepare an analysis based on the results; established equitable salary ranges to provide for the recruitment and retention of qualified staff, equitable relationships of one job to another within the organization, and addressed compression/equity issues between pay grades and classifications; evaluated existing compensation policies and proposed any recommended changes; and prepared and delivered the final report to the County Commission. **Note:** Evergreen was hired again in 2022 to conduct a Compensation Study for the County.

Classification, Compensation, and Benefits Study
Town of Jupiter

Evergreen Solutions was retained by the Town of Jupiter to conduct a classification, compensation, and benefits study of its workforce. Evergreen's consultants reviewed the effectiveness of the Town's current salary and benefits plan as it related to the market competitiveness for attracting and retaining quality employees. Evergreen conducted a job analysis for ensuring proper classification and internal equity. Employees participated in focus groups, interviews, and a job analysis was conducted to determine the best classifications for the work performed. Pay ranges were analyzed in the public and private sector to determine the appropriate pay levels for all included jobs. Recommendations were provided to improve the fairness and equity in the current system.

Compensation and Classification Analysis
Village of Pinecrest

Evergreen Solutions was hired by the Village of Pinecrest to conduct Classification Reviews and compensation market analysis utilizing Job Assessment Tool responses and salary survey processes. Evergreen Solutions consultants conducted on-site orientation sessions and focus group meetings where employees were informed of the content of the JAT and coordinated with Village representatives to conduct the JAT in a timely manner. The Village also contributed to a list of benchmark classifications and targeted peer organizations for the external market analysis. At the conclusion of the study the Village was presented with revised and formatted Job Descriptions which reflect up-to-date job tasks and requirements as well as recommendations and implementation strategies for addressing internal and external equity. Each classification was also reviewed for FLSA compliance.

Compensation Study
Village of North Palm Beach

Evergreen Solutions was retained to conduct a compensation study for the Village of North Palm Beach. The study included evaluating private and public labor market, and making recommendations to improve competitiveness in alignment with the Village's strategic goals. Evergreen's recommendations improved the competitiveness of the Village and helped prepare it for future recruitment challenges.

Compensation and Classification Study
Town of Davie

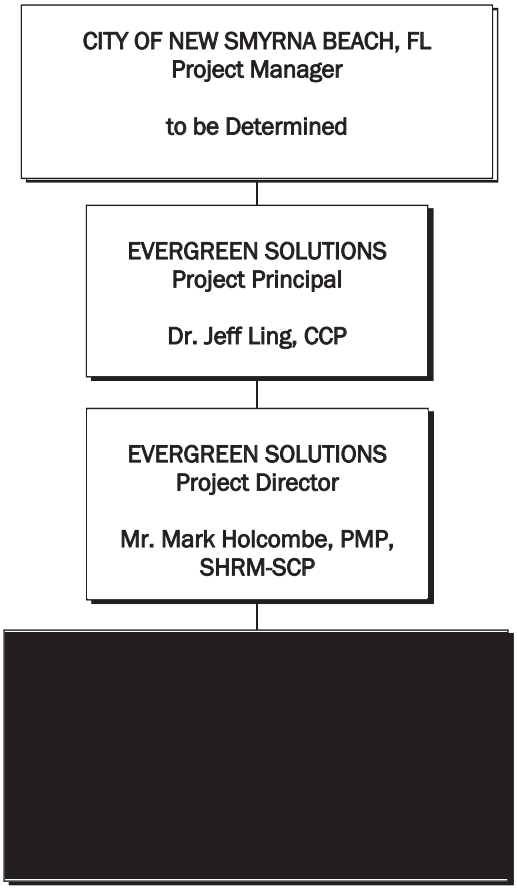
Evergreen Solutions was engaged with the Town of Davie to conduct a Compensation and Classification Study. Evergreen conducted a comparison analysis of all employees within the Town and analyzed the job tasks for each position surveyed by best match and benchmark pay ranges to local public sector markets. Evergreen conducted a review of job classifications for appropriate internal equity and identify functional overlap and efficiencies in departmental structures and relationships. Evergreen further conducted a job task analysis/job audit of all employee positions to verify and validate information from existing job descriptions and conduct personal interviews with employees, supervisors, and directors, as needed. Evergreen identified and designated all high-risk and/or safety-sensitive classifications and included the appropriate pre-employment screening requirements as mandated by federal, state and local statutes.

Evergreen reviewed existing salaries to determine proper placement within proposed classifications, and recommended appropriate "equity adjustments" as needed. Evergreen determined if classifications were correctly placed in organizational hierarchy and reviewed whether individual positions were classified correctly. In the end, Evergreen provided the Town a recommended classification and compensation structure and a system for maintaining the recommended structure.

Compensation Study
Town of Lady Lake

The Town of Lady Lake hired Evergreen Solutions to conduct a Compensation Study. Evergreen's consultants reviewed and evaluated the Town's compensation policies and procedures and made an assessment of the current conditions. Further, Evergreen worked with the Town to identify peer organizations to use as targets for a survey of salary and benefits. A Final Report was generated, documenting the previous steps of the study, and presented to the Town Commission. Recommendations were made for continued administration of the new compensation system, and training and guidance was provided to the Human Resources Department staff.

Section 3.0
Skills and Credentials of the Designated Team



3.0 Skills and Credentials of the Designated Team

In this section, we provide you with the qualifications of our proposed project team through summary resumes. Detailed resumes are available upon request.

3.1 Proposed Project Team

Exhibit 3-1 reflects our proposed project management and personnel assignments. The structure has been designed to clearly define the roles and responsibilities of each part of the Compensation and Benefits Study so that there will be no confusion as to who is responsible for any aspect of this engagement with the City of New Smyrna Beach.

Exhibit 3-1
Proposed Project Management Organization and Personnel Assignments

City of New Smyrna Beach Project Manager. With each project engagement, we work with the client to identify one specific point of contact to serve as a Project Manager. The City's Project Manager (CPM) will be our reference point throughout the engagement. We will take project direction, leadership, and guidance from the CPM and all project deliverables will be filtered through the CPM throughout the duration of the project.

Evergreen Solutions' Project Principal. Our Project Principal will have ultimate accountability for the success of this project. Evergreen Solutions' Project Principal is always a senior leader in our firm, typically the President. The Project Principal will have contractual authority over the contract and will be our top level of project responsibility.

Evergreen Solutions' Project Director. Evergreen Solutions designates a Project Director for each HR consulting project. The Project Director will work with the Project Principal regarding the scheduling of the project with the City. The Project Director will have the most frequent contact with the City and will assign project activities to the Project Consultants and will ensure that deliverables are met within specified timelines.

Evergreen Solutions' Project Consultants. Our Project Consultants are a team of consultants who have worked together on numerous projects, and who will provide consulting and analytical work on all project activities. The Project Consultants will review pay plans, conduct orientation sessions and focus groups, administer the Job Assessment Tool (JAT) and Management Issues Tool (MIT), conduct a salary and benefits survey, review and revise job descriptions, and prepare draft and final reports.

Consultant Team Members must be thoroughly knowledgeable in the portion of the project they are responsible for, as well as have expertise in the issues that are unique to each individual client. Our firm is proposing an exceptional team of consultants who have worked together on many similar projects. We always make sure each project is sufficiently staffed to handle any additional tasks or unforeseen issues that may arise during the course of the study. The combination of our individual knowledge and skills form a superior team who will be able to competently perform all of the pieces of the Compensation and Benefits Study to the City of New Smyrna Beach.

3.2 Key Personnel

The following paragraphs provide summaries of each team member's qualifications and experience related to his/her role in this engagement.

Project Principal Dr. Jeff Ling, CCP

Dr. Jeff Ling is the President of Evergreen Solutions who has been with the firm since its inception in 2004. He is a Certified Compensation Professional (CCP) who has more than 25 years consulting experience in the following areas: human resources; performance improvement; process analysis; strategic planning; statistical analysis; research methodology; data management; surveys and polling; technology analysis; change management; and risk analysis.

Dr. Ling has planned, organized, and managed studies on human resources assessment, survey analysis, government efficiency, technology planning, information utilization, public opinion, market expansion, and privatization. Each of these studies dealt with summarizing major alternatives for decision makers and providing viable recommendations. He has consulting experience in public sector Evaluation, research management, efficiency analysis, survey analysis, statistical modeling, and technology planning.

Dr. Ling has worked with a multitude of clients in the capacity of Project Principal. He has worked on hundreds of engagements across the nation and includes work in state and local governments, school districts, institutions of higher education, quasi-governmental agencies, and private industry.

Dr. Ling has been instrumental in creating, reviewing, and evaluating the methodology employed by Evergreen Solutions on all human resource engagements. His background and skill set make him uniquely qualified for assessing organizational critical needs and strategy. He is also an expert in policy development and long-term planning.

A sample of the types of studies Dr. Ling has been involved with includes:

- **Compensation/Classification**– He developed the methodology and techniques for organizations to employ for successful data collection and implementation based on internal and external equity needs. He has been the Project Principal for numerous projects related to classification and/or compensation. **Note: He has served as the Project Principal or Project Director for more than 1,400 public sector projects related to Classification and/or Compensation, including more than 200 in the State of Florida.**

- **Performance Evaluation** – He has provided the framework for many organizations transitioning into goal-based performance evaluation systems or fully functional merit-based pay structures. He understands the importance of a well stratified, objective based review process and has been instrumental in assisting a number of large organizations transition from traditional systems into merit-based pay structures with minimal transitional costs and interruption.

- **Market Research** – He provided the basis for which market research was collected, analyzed, and review. He ensured that data collection procedures and methods were statistically reliable using his knowledge of statistics and overall market research.

- **Policy Development** – He has a thorough and firm understanding of policy development and has assisted many clients with implementing tailored policies and practices that reflect best practices.

Dr. Ling holds a Doctorate's Degree from Florida State University in Political Science and has taught courses addressing research methodology, statistical analysis, technological innovations, and political economy at various universities.

Project Director
Mr. Mark Holcombe, SHRM-SCP, PMP

Mr. Mark Holcombe has more than ten years of management and consulting experience and is recognized as a certified Project Management Professional (PMP) and a SHRM Senior Certified Professional (SHRM-SCP). He has been at Evergreen Solutions seven years, during which time he has been promoted through the organization and has led Evergreen's largest local government practice for the past two years. His academic foundation in micro and macroeconomics, combined with his experience leading a business before

joining Evergreen, has given him significant experience in leading teams, modeling and controlling costs, and working to provide a product that meets the needs of all stakeholders. This experience has been instrumental in ensuring that his team is able to translate complex and comprehensive data into actionable insights for his clients.

At Evergreen, Mr. Holcombe's emphasis has been in compensation and classification studies of varying size and scope. He has led projects with cities and counties, colleges and universities, K-12 school districts, transportation organizations, and statewide government organizations. Some of his principal areas of expertise are:

- Refining client compensation and classification systems, ensuring alignment with HR best practices and meeting specific client needs.
- Leading initiatives focusing on market competitiveness for large and complex public sector clients.
- Constructing reports and visuals to share complex findings in an approachable way.
- Crafting complex cost models to facilitate accurate budgetary projections for clients.
- Assessing market data, synthesizing information from a variety of sources to provide comprehensive compensation insights.
- Redesigning classification systems to modernize and streamline titling conventions for entire organizations or within job families.
- Conducting reviews centered around gender and racial equity in compensation systems, ensuring their adherence to local, state, and federal laws and regulations.

A sample of some of the public sector projects that Mr. Holcombe has been involved with include: a Compensation Study for the Flagler County Tax Collector, FL; a Compensation Study for the Manatee County Clerk of the Circuit Court and Comptroller, FL; a Compensation Study for the Highlands County Clerk of Court and Comptroller, FL; a Compensation Study for Highlands County, FL; a Classification and Compensation Study for DeSoto County, FL; a Compensation Study for Northwest FL Beaches International Airport, FL; a Compensation Study for the City of North Miami, FL; a Compensation Study for the South Walton Fire District, FL; a Compensation Study for Manatee County, FL; a Classification and Compensation Study Analysis for Suwannee County, FL; a Classification and Compensation Study for the Hillsborough County Clerk of Court and Comptroller, FL; a Compensation Study for the City of Boca Raton, FL; a Classification and Compensation Study for the City of North Miami Beach, FL; a Compensation Study for the City of New Port Richey, FL; a Compensation and Classification Study for the Town of Davie, FL; a Classification and Compensation Study for the Early Learning Coalition, FL; a Classification and Compensation Study for Palm Beach County, FL; a Classification and Compensation Study for the Leon County Sheriff's Office, FL; a Classification and Compensation Study for the Manatee County Sheriff's Office, FL; a Classification and Compensation Study for the Broward County Sheriff's Office, FL; a Compensation Study for the City of Key West, FL; a Performance Evaluation Study for the City of Key West, FL; a Classification and Compensation Study for Okaloosa County, FL; a Classification and Compensation Study for the Wakulla County Board of County Commissioners, FL; a Classification and Compensation Study for Franklin County, FL; a Pay and Classification Study for Jefferson County, FL; a

Compensation Plan Update for the Florida Sheriff's Association; a Classification and Compensation Study for the Monroe County Sheriff's Office, FL; a Compensation Study for Brevard County, FL; a Salary Survey for the City of Sopchoppy, FL; a Classification and Compensation Study for the City of Apalachicola, FL; a Compensation Study for the City of Fort Myers, FL; a Strategic Plan for the Leon County Clerk of the Court and Comptroller, FL; a Classification and Compensation Study for the Leon County Clerk of the Court and Comptroller, FL; a Classification and Compensation Study for the Town of Hilliard, FL; a Review of Compensation for the Fire Department for Sarasota County, FL; a Staffing Study for the Fort Myers Police Department, FL; a Classification and Compensation Study for Pinellas County, FL; a Compensation Study for the City of Zephyrhills, FL; a Classification and Compensation Study for the City of Rome, GA; a Classification and Compensation Study for the City of Milton, GA; a Classification and Compensation Study for the City of South Fulton, GA; a Staffing Study for the City of Fayetteville, GA; a Compensation Study for the City of Commerce, GA; a Classification and Compensation Study for the City of Thomasville, GA; a Comprehensive Position Classification and Compensation-Benefits Study and Analysis for the City of Kennesaw, GA; a Classification and Compensation Study for Barrow County, GA; a Classification and Compensation Study for the City of East Point, GA; a Classification and Compensation Study and Analysis for Columbus Consolidated Government, GA; a Classification and Compensation Study for the City of Auburn, AL; a Pay and Classification Study for Dorchester County, SC; a Classification and Compensation Study for the City of Mauldin, SC; a Compensation Study for Laurens County, SC; an Organizational Assessment of the HR Department for York County, SC; a Comprehensive Classification and Compensation Study for the City of Fayetteville, NC; a Market Salary Survey for the City of Rocky Mount, NC; a Classification System and Pay Plan Development Study for Franklin County, NC; a Classification and Compensation Plan for the City of Petersburg, VA; a Classification and Compensation Study for the City of Hopewell, VA; a Classification and Compensation Study for Loudoun County, VA; a Compensation and Classification Study for Mecklenburg County, VA; a Compensation Consulting Services for Chesterfield County, VA; a Market Salary Survey for Chesterfield County, VA; a Classification and Compensation Study for the City of Norfolk, VA; a Classification and Compensation Study for the City of Falls Church, VA; a Compensation and Classification Study for Bedford County, VA; a Compensation Consultation Services for Genesee County, NY; a Classification and Compensation Study for Frederick County, MD; a Compensation Study for the City of Baltimore, MD; a Classification Study for Talbot County, MD; a Compensation Study for Allegany County, MD; an Employee Compensation and Classification Study for the City of Takoma Park, MD; a Compensation Study for the City of Seaford, DE; a Classification and Compensation Study for the City of Milford, DE; an Employee a Compensation Study for the County of Montgomery, PA; a Comprehensive Classification and Compensation Study for the Kentucky League of Cities; a Classification/Pay Plan Structure and Compensation Study for the Louisville Regional Airport Authority, KY; a Compensation Study for the Knox County Sheriff's Office, TN; Classification and Compensation Consulting Services to the City of Clarksville, TN; a Classification and Compensation Study for Jasper County, MO; a Compensation Study for the City of Jefferson, MO; an Employee Classification and Compensation Study for the City of St. Louis, MO; a Compensation Study for the City of Fulton, MO; a Classification and Benefits Study for the City of St. Peters, MO; a Classification and

Compensation Study for the City of Leawood, KS; a Comprehensive Compensation Study for Shawnee County, KS; a Classification and Compensation and Race/Gender Equity Study for the City of Salina, KS; a Classification and Compensation Study/ Gender Pay Equity Analysis for the City of Santa Fe, NM; a Compensation Study for the City of Buda, TX; a Classification and Compensation Study for the City of Montgomery, TX; a Classification and Compensation Study and Analysis for Taylor County, TX; a Classification and Compensation Study for the City of Alpine, TX: a Compensation Study and FSLA Review for the City of La Porte, TX; a Compensation and Benefits Study for the City of Portland, TX; a Compensation Benchmarking and Structure Analysis for the City of Seguin, TX; a Compensation and Classification Study for the Woodlands Township, TX; a Classification and Compensation Study for the Town of Prosper, TX; a Classification and Compensation Study for the City of Mont Belvieu, TX; a Compensation and Classification for the City of Denton, TX;; a Classification and Compensation Study for the City of Beaumont, TX; a Compensation and Benefits Survey and Analysis for the City of Deer Park, TX; a Compensation Study for the City of Big Spring, TX; a Comprehensive Classification and Compensation Study for the City of Odessa, TX; a Compensation Study for the City of Brownsville, TX; a Wage and Compensation Study for Jefferson County, TX; a Compensation Study for Aransas County, TX; a Classification and Compensation Study and Analysis for Waller County, TX; a Classification and Compensation Study for the City of Kingsville, TX; a Classification and Compensation Study and Analysis for Matagorda County, TX; a Compensation Study for Sedgwick County, KS; a Compensation Study for Grand County, CO; a Compensation and Classification Study for Garfield County, CO; a Classification and Compensation Study for the City of Prescott, AZ; a PTO Survey for the City of Prescott, AZ; A Compensation Study for the City of Flagstaff, AZ: a Classification, Compensation, and Benefits Study for Yavapai County, AZ: a Compression Analysis and Pay Equity Study for the Town of Prescott Valley, AZ; a Classification and Compensation Study for the City of Albuquerque, NM; a Classification and Compensation Study for the City of Yucaipa, CA; a Comprehensive Compensation Study for the City of Crescent City, CA; a Consultant Services for a Study of the City's Compensation Plan and Benefits for the City of Sangar, CA; A Classification and Compensation Study for the City of Sacramento, CA; a Classification and Compensation Study Services for the City of Santa Ana, CA; a Classification and Compensation Study for the City of West Hollywood, CA; a Classification and Compensation Study for the City of Thousand Oaks, CA; a Comprehensive Classification and Compensation Study for the City of Camarillo, CA; a Classification and Compensation Study for the City of Fresno, CA; a Total Compensation Study for the City of Moorpark, CA; a Compensation Study for the Long Beach Management Association, CA; a Compensation Review for Mariposa County, CA; a Classification and Compensation Study Services for the City of Bell Gardens, CA; a Classification and Compensation Study for Inyo County, CA; a Compensation Study for the City of Bend, OR; a Professional Technical and Expert Services for the City of Portland, OR; a Classification and Compensation Study for the City of Ridgefield, WA; and a Job Classification Market Study for the City of Bellingham, WA.

Mr. Holcombe holds a Bachelor's Degree with a dual major in Economics and Criminology from Florida State University. He is a certified Project Management Professional (PMP) and holds a SHRM-SCP certification.

Project Consultant
Mr. Rob Williamson

Mr. Rob Williamson is a Project Manager with Evergreen. He brings more than 20 years of proven leadership experience serving both private and public sector clients. His diverse leadership includes time as a business owner, County Commissioner, CEO of a mid-sized water and wastewater treatment utility, Executive Director of a three-member regional water utility provider, and most recently, Manager of the Florida Association of Counties' 23-county insurance trust.

During his career, Mr. Williamson has served on boards of directors for more than two dozen public, private, civic and charitable organizations. This includes time as Chairman of the Santa Rosa County Board of County Commissioners, RESTORE Council, Tourist Development Council, Florida/Alabama Transportation Planning Organization and as a member of the Florida Gulf Consortium, Florida Association of Counties Executive Board, Leadership Santa Rosa, and the Institute for County Government to name a few. He is also a member of the Florida Rural Water Association. He was a Keynote speaker for the Florida American Water Works Association for its Fall Conference Opening General Session in 2023.

Mr. Williamson helps organizations create new strategic pathways to solve complex problems. His areas of focus include policy development, strategic planning, change management, government services, transportation planning, master planning, tourism, RESTORE Act implementation and leadership development.

A sample of some of the public sector projects that Mr. Williamson has directed or been involved with include: a Classification and Compensation Study for the City of Wildwood, FL; a Classification and Compensation Study for the City of Brooksville, FL; a Compensation Study for the City of Holmes Beach, FL; a Classification and Compensation Study for the City of South Miami, FL; a Classification and Compensation Study for the City of Palm Beach Gardens, FL; a Staffing Study for the City of Naples, FL; a Compensation Study for the City of Okeechobee, FL; a Compensation Study for the City of Palmetto, FL; a Comprehensive Compensation Study for Keys Energy Services, FL; a Compensation Study for the Indian River County Property Appraiser's Office, FL; an Employee Classification and Compensation Survey for the Okeechobee Utility Authority, FL; a Classification and Compensation Study for DeSoto County, FL; a Compensation Study for the Lake Apopka Natural Gas District, FL; a Classification and Pay Plan Study for Peace River Manasota River Water Supply Authority, FL; a Human Resources Compensation Study for the Florida Municipal Power Agency, FL; a Comprehensive Classification and Compensation Study for Citrus County, FL; a Classification and Compensation Study for the City of Apalachicola, FL; a Compensation Study for the Miami Shores Village, FL; a Compensation Study for the City of Naples, FL; a Compensation Study for the City of New Port Richey, FL; a Classification and Compensation Study for the City of Oldsmar, FL; a Classification and Pay Plan Study for the City of Panama City Beach, FL; a Compensation Study for the City of Panama City Beach, FL; a Classification and Compensation Study for the City of Boynton Beach, FL; a Compensation Study for the Florida Bar, FL; a Compensation Study for the City of Bradenton,

FL; a Classification and Compensation Study for the Town of Lake Hamilton, FL; a Compensation Study for the City of Plantation, FL; a Classification and Compensation Study for the City of Kissimmee, FL; a Compensation Study for the Town of Oakland, FL; a Classification Study for Cherokee County, GA; a Compensation Study for Spalding County, GA; a Classification and Compensation Study for Barrow County, GA; a Classification and Compensation Study and Analysis for Columbus Consolidated Government, GA; a Classification and Compensation Study for the City of Jackson, GA; a Compensation Study for Cherokee County, GA; a Classification and Compensation Study for the City of Johns Creek, GA; a Classification and Compensation Study and Analysis for the City of Riverdale, GA; a Classification Study for the City of Clarkston, GA: a Salary Survey for the City of Garden City, GA; a Classification and Compensation Study for the City of Jackson, GA; a Classification and Compensation Study for the City of Calhoun, GA; a Classification and Compensation Study for the City of Dalton, GA; a Classification and Compensation Study for the City of Hampton, GA; a Classification and Compensation Study for the City of Sylvester, GA; a Classification and Compensation Study and Analysis for the City of Lawrenceville, GA; a Compensation Study for the City of Sandersville, GA; a Compensation Study for the City of Cedartown, GA; a Classification and Compensation Study for the City of Vienna, GA; a Compensation Study for the City of Duluth, GA; a Classification and Compensation Study for the City of Madison, AL; a Classification and Compensation Study for the City of Auburn, AL; a Compensation Study for the City of Daphne, AL; a Compensation Study for the City of Opelika, AL; a Compensation and Benefits Study for the City of Mobile, AL; Classification and Compensation Study Services for Dillon County, SC; a Compensation and Classification Study for Greenwood County, SC; a Compensation Study for the Town of Central, SC; a Classification and Compensation Study and Analysis for Darlington County, SC; an Employee Compensation and Classification Study for the City of Greenwood, SC; a Compensation Study for the City of Pickens, SC; a Compensation Study for the City of Orangeburg, Department of Public Utilities, SC; a Classification and Compensation Study for Ashe County, NC; a Classification and Compensation Study for the Town of Huntersville, NC; a Compensation and Classification Study for the Town of Wendell, NC; a Classification and Compensation Study for the City of Burlington, NC; a Classification and Compensation Study for the City of Southport, NC; a Classification and Compensation Study for the City of High Point, NC; a Compensation Study and Pay Equity and Representative Analysis for the Town of Chapel Hill, NC; a Classification and Compensation Study for Onslow County, NC; a Classification and Compensation Study for Dare County, NC; a Classification and Compensation Study for Culpeper County, VA; an HR Market Study for Botetourt County, VA; a Job Classification and Compensation Study for the Town of Wethersfield, CT; a Classification and Total Compensation Study for the Town of Plainville, CT; a Compensation Study for the City of Portsmouth, NH; a Classification and Total Compensation Review for the City of Manchester, NH; a Compensation Study for the City of Morristown, TN; a Compensation Study for the City of White House, TN; a Compensation Study and Analysis for McLean County, IL; a Classification and Compensation Study for the City of Moline, IL; a Compensation and Classification Study for the City of Minneapolis Department of Public Works, MN; a Total Compensation

Study for Genesee County, MI; a Job Market Survey for New Braunfels Utilities, TX; a Compensation Study for the City of Aransas Pass, TX; a Classification and Compensation Study for the City of Del Rio, TX; a Comprehensive Classification and Compensation Study for the City of Port Arthur, TX; a Classification and Compensation Study for Blanco County, TX; a Classification and Compensation Study for the Town of Addison, TX; a Total Compensation and Benefits Study for Calaveras County Water District, CA; and a Classification and Compensation Study for the West Basin Municipal Water District, CA.

Mr. Williamson has certifications from the Cambridge Leadership Institute and the Kenan-Flagler Business School Leadership Institute and possesses a Bachelor of Science Degree in Sociology from Florida State University.

Project Consultant
Mr. Karl Fuchs

Mr. Karl Fuchs serves as a Senior Consultant at Evergreen Solutions. He has over 25 years of distinguished experience, specializing in public sector human resources, organizational design, and performance management. He excels in collaborating with clients to deliver targeted and impactful solutions utilizing his extensive knowledge of human resources best practices, employment law, and regulatory compliance.

Before joining Evergreen, Mr. Fuchs held the position of Human Resources Director for a local government. In that role, he implemented innovative recruiting strategies that effectively reduced time to hire, enhanced employee retention through targeted incentives and streamlined legacy processes which expedited personnel actions. He also effectively engaged in labor relations with collective bargaining units. As a retired veteran of the Marine Corps, he has an extensive background in leading diverse teams and is a recognized authority in assessing organizational climate. His prior experience with the military as a Manpower, Plans, and Operations Analyst is marked by his ability to conduct thorough staffing analyses and operationalize organizational design.

A sample of some of the public sector projects that Mr. Fuchs has been involved with include: a Compensation Study for Highlands County Clerk of the Circuit Court and Comptroller, FL; a Classification and Compensation Study for the Town of Ft Myers Beach, FL; a Classification and Compensation Study for the City of South Miami, FL; a Classification and Compensation Study for DeSoto County, FL; a Compensation Study for the City of Okeechobee, FL; a Compensation Study for the City of Palmetto, FL; a Compensation Study for the City of Naples, FL; a Compensation Study for Manatee County, FL; a Classification and Compensation Study for Okaloosa County, FL; Compensation Consulting Services for Pasco County, FL; a Compensation and Classification Study for Jefferson County, FL; a Classification and Compensation Study for Franklin County, FL; a Compensation Study for Sarasota County, FL; a Human Resources Compensation Study for the Florida Municipal Power Agency, FL; a Compensation and Classification Study for the City of Clearwater, FL; a Compensation Study for the City of Okeechobee, FL; a Compensation Study for the City of New Port Richey, FL; a Classification Study for the City of

Orlando, FL; a Compensation Study for the City of Doral, FL; a Compensation Study for the Town of Oakland, FL; a Pay Plan, Classification and Compensation Study for Okaloosa Gas District, FL; a Custom Salary Survey and Analysis for St. Johns River Water Management District, FL; a Compensation Study for South Walton Fire District, FL; a Classification and Compensation Study for the Broward County Sheriff's Office, FL; a Classification and Compensation Study for the City of South Fulton, GA; a Salary Survey for the City of Garden City, GA; a Comprehensive Position Classification and Compensation-Benefits Study and Analysis for the City of Kennesaw, GA; a Classification and Compensation Study for City of Atlanta, GA; a Classification and Compensation Study for the City of East Point, GA; a Classification and Compensation Study for the City of Thomasville, GA; a Classification and Compensation Study and Analysis for the City of Lawrenceville, GA; a Classification and Compensation Study for the City of Mauldin, SC; a Classification and Compensation Study for Richland County, SC; a Compensation Study for the City of Isle Palms, SC; a Compensation and Classification Study for Greenwood County, SC; a Classification and Compensation Study for Jackson County, NC; a Classification and Compensation Study for Onslow County, NC; a Classification and Compensation Study for the Town of Huntersville, NC; a Compensation and Classification Study for the Town of Wendell, NC; a Classification and Compensation Study for the City of Falls Church, VA; Consulting Services for a Compensation Program Transition for the City of Newport News, VA; a Classification and Compensation Plan for the City of Petersburg, VA; a Compensation Study for the City of Baltimore, MD; a Classification and Compensation Study for Garrett County, MD; a Classification and Total Compensation Study for the Town of Plainville, CT; a Total Compensation Study for Genesee County, MI; a Compensation Study for the City of Fulton, MO; a Compensation Study for Sedgwick County, KS; a Classification and Compensation Study and Analysis for Taylor County, TX; a Classification and Compensation Study for Burnet County, TX; a Classification and Compensation Study and Analysis for Matagorda County, TX; a Comprehensive Classification, Compensation, and Staffing Analysis Study for the City of Odessa, TX; a Classification and Compensation Study for the City of Del Rio, TX; a Compensation and Classification Study for the City of Denton, TX; a Classification and Compensation Study for the City of Albuquerque, NM; a Classification and Compensation Study/ Gender Pay Equity Analysis for the City of Santa Fe, NM; a Classification and Compensation Study for the City of Yucaipa, CA; a Classification and Compensation Study for the City of Fresno, CA; a Comprehensive Classification and Compensation Study for the City of Camarillo, CA; a Compensation and Benefits Study for the Long Beach Management Association, CA; a Compensation Review for Mariposa County, CA; and a Professional Technical and Expert Services for the City of Portland, OR.

Mr. Fuchs holds a Juris Master in Employment Law and HR Risk Management from Florida State University, College of Law, and a Bachelor of Arts in Business Administration, Management from Saint Leo University. He is currently expanding his expertise by completing a Master of Public Administration at the University of North Carolina at Chapel Hill, School of Government.

Project Consultant
Mr. Peter Backhaus

Mr. Peter Backhaus is a Senior Consultant with Evergreen who specializes in salary benchmarking, pay plan design, and public safety markets. He focuses on delivering strategic compensation solutions tailored to meet the unique needs of each client. He has also assisted clients in developing innovative strategies and implementing best practices in classification and compensation. He has worked with a diverse range of clients across various areas of the public sector, including public utilities, public safety units, specialized service districts, transportation authorities, and general local governments.

Mr. Backhaus began his career working in sales through various markets. He quickly transitioned into a role with Verizon's most prominent partner as an account manager, focusing on business relationships and growth. Most prominently in his sales path, he joined a startup as the sales manager to lead a team through client growth and retention, while also developing outbound strategy for adopting new verticals for the company. With the startup, projected targets were exceeded, and several notable clients were guided to successful business paths. He strongly values the relationships developed with his clients and communication through all modes of life.

A sample of some of the public sector projects that Mr. Backhaus has been involved with include: a Classification and Compensation Study for DeSoto County, FL; a Compensation Study for the City of Bradenton, FL; a Classification and Compensation Study for Boynton Beach, FL; a Comprehensive Classification and Compensation Study for Citrus County, FL; a Compensation Study for the Lake Apopka Natural Gas District, FL; a Classification and Compensation Study for the City of Apalachicola, FL; a Compensation Study for the City of New Port Richey, FL; a Compensation Study for the City of Zephyrhills, FL a Compensation Study for the Marion County Property Appraiser, FL; a Classification and Compensation Study for Okaloosa County, FL; a Classification and Compensation Study for Franklin County, FL; a Classification and Compensation Study for the Manatee County Sheriff's Office, FL; a Compensation Study for the City of Flagler Beach, FL; a Classification and Compensation Study for the Broward County Sheriff's Office, FL; a Classification and Compensation Study for the City of Auburn, AL; a Compensation and Benefits Study for the City of Mobile, AL; a Classification and Compensation Study for Riviera Utilities, AL; a Classification and Compensation Study for Barrow County, GA; a Classification and Compensation Study for the City of Jackson, GA; a Classification and Compensation Study for the City of Calhoun, GA; a Classification and Compensation Study for the City of South Fulton, GA; a Classification and Compensation Study for the City of Hampton, GA; a Classification and Compensation Study and Analysis for Columbus Consolidated Government, GA; a Compensation Study for Cherokee County, GA; a Classification and Compensation Study for the City of Jackson, GA; a Classification and Compensation Study for the City of Sylvester, GA; a Classification and Compensation Study for the City of Rome, GA; a Classification and Compensation Study for the City of Eastpoint, GA; a Comprehensive Position Classification and Compensation/Benefits Study and Analysis for the City of Kennesaw, GA; a Classification and Compensation Study for the City of Vienna, GA; a Compensation Study for the

City of Duluth, GA; a Classification and Compensation Study for the City of Johns Creek, GA; a Compensation Study for the Town of Central, SC; an Employee Compensation and Classification Study for the City of Greenwood, SC; a Classification and Compensation Study and Analysis for Darlington County, SC; a Classification and Compensation Study for Dare County, NC; a Classification and Compensation Study for Culpeper County, VA; a Classification and Compensation Study for the City of Hopewell, VA; an HR Market Study for Botetourt County, VA; a Compensation and Classification Study for Mecklenburg County, VA; a Compensation Study and Analysis for McLean County, IL; a Classification and Compensation Study for the City of Moline, IL; a Compensation Study for the City of Jefferson, MO; an Employee Classification and Compensation Study for the City of St. Louis, MO; a Classification and Benefits Study for the City of St. Peters, MO; a Compensation Study for City of Aransas Pass, TX; a Classification and Compensation Study for Blanco County, TX; a Classification and Compensation Study for the City of Beaumont, TX; a Compensation Study for the City of Buda, TX; a Compensation and Benefits Study for the City of Portland, TX; a Classification and Compensation Study for Waller County, TX; a Classification and Compensation Study for the City of Kingsville, TX; Compensation Benchmarking and Structure Analysis for the City of Seguin, TX; a Classification and Compensation Study for the City of Montgomery, TX; a Classification and Compensation Study for the Town of Prosper, TX; a Compensation and Classification Study for the City of Denton, TX; a Classification and Compensation Study for the City of Albuquerque, NM; a Classification and Compensation Study for the City of Fresno, CA; a Classification and Compensation Study Services for the City of Santa Ana, CA; a Consultant Services for a Study of the City's Compensation Plan and Benefits for the City of Sanger, CA; a Classification and Compensation Study for Inyo County, CA; a Compensation and Benefits Study for the Victor Valley Transit Authority, CA; a Compensation Study for the City of Bend, OR; and a Professional Technical and Expert Services for the City of Portland, OR.

Mr. Backhaus has a Bachelor's of Science in Economics with Minors in Sociology and Communication.

Project Consultant
Ms. Tara Tabachnik

Ms. Tara Tabachnik is a Consultant with Evergreen Solutions. She began her career at Evergreen as a Junior Analyst and has since developed exceptional skills and knowledge in Human Resources consulting that she applies in her current role as a Consultant. Since joining Evergreen, she has mastered the art of conducting market surveys and market research and has been a great resource to the project teams. She has taken on a lead role with Evergreen's market surveying efforts through the creation of Evergreen's internal data team. She works closely with all project teams by conducting salary surveys, benefits surveys, staffing surveys, and market research for various types of clients.

A sample of some of the more recent public sector projects that Ms. Tabachnik has been involved with include: a Classification and Compensation Study for the Broward County Sheriff's Office, FL; a Compensation Study for the Highlands County Clerk of Court and

Comptroller, FL; a Compensation Study for Broward College, FL; a Classification and Compensation Study for St. Petersburg College, FL;A Comprehensive Compensation Study for Valencia College, FL; a Staffing Study for the City of Naples, FL; a Compensation Study for the South Walton Fire District, FL; a Classification and Compensation Study for DeSoto County, FL; a Compensation Study for the City of Fort Myers, FL; a Classification and Compensation Study for the City of Atlanta, GA; a Classification and Compensation Study for the City of Thomasville, GA; a Classification and Compensation Study and Analysis for Columbus Consolidated Government, GA; a Market Salary Survey for the City of Rocky Mount, NC; Classification and Compensation Study for the City of Norfolk, VA; a Classification and Compensation Study for the City of Falls Church, VA; Consulting Services for a Compensation Program Transition for the City of Newport News, VA; a Position Classification and Compensation Analysis for the College of Southern Maryland; a Classification and Compensation Study for Prince George's County, MD; an Employee Compensation and Classification Study for the City of Takoma Park, MD; a Compensation Consultation Services for Genesee County, NY; a Compensation Study for the City of Seaford, DE; a Classification and Compensation Study for the City of Milford, DE; an Employee Classification and Compensation Study for the City of St. Louis, MO; a Compensation Study for the City of Jefferson, MO; a Classification and Compensation Study for Jasper County, MO; a Classification and Benefits Study for the City of St. Peters, MO; a Classification and Compensation and Race/Gender Equity Study for the City of Salina, KS; a Classification and Compensation Study for the City of Leawood, KS; a Compensation Study for Sedgwick County, KS; a Classification and Compensation Study for Randall County, TX; a Classification and Compensation Study for the Town of Addison, TX; a Comprehensive Classification and Compensation Study for the City of Odessa, TX; a Classification and Compensation Study for the Town of Prosper, TX; a Compensation and Classification for the City of Denton, TX; a Compensation Benchmarking and Structure Analysis for the City of Seguin, TX; a Classification and Compensation Study for the City of Albuquerque, NM; a Classification and Compensation Study/ Gender Pay Equity Analysis for the City of Santa Fe, NM; a Compensation and Classification Study for Garfield County, CO; a Classification and Compensation Study for the Superior Court of California, County of Monterey, CA; a Classification and Compensation Study for the City of Fresno, CA; a Classification and Compensation Study for the City of Thousand Oaks, CA; a Classification and Compensation Study for Inyo County, CA; a Classification and Total Compensation Study for Whatcom Transportation Authority, WA; a Professional Technical and Expert Services for the City of Portland, OR.

Ms. Tabachnik has an MBA and a Bachelor's Degree in Finance from Florida State University.

Note: A team of experienced analytical and clerical support staff will contribute to this study, as needed.

Section 4.0
Scope, Approach, Anticipated Timeframe and Technological Resources

4.0 Scope Approach, Deliverables, Anticipated Timeframe and Technological Resources

In this section, we provide our approach and methodology for conducting the Compensation and Benefits Study for the City of New Smyrna Beach; a detailed work plan— identifying the tasks, activities, and milestones necessary to accomplish the deliverables in the scope of work of the Request for Proposal; and our project timeframe. Note: Our technological resources are described in our approach (e.g., communication plan, software – Job Assessment Tool/*JobForce Manager*, etc.). Evergreen also utilizes excel for much of its analysis. We will train City staff on how to use our resources so that they can maintain recommendations following the conclusion of the study.

4.1 Approach and Methodology

Evergreen Solutions is uniquely qualified to conduct the Compensation and Benefits Study for the City of New Smyrna Beach as our team includes recognized experts in local government human resources management and understands that there is not a "one size fits all" solution to compensation management. Our approach is built on working collaboratively with all parties to make sound, implementation-focused recommendations. Specifically, we have developed a methodology that:

- focuses on market competitiveness;
- is based on the organization's compensation philosophy;
- recognizes that compensation is comprised of more than just base pay levels;
- reflects changes in recent compensation strategies;
- designs custom solutions that take into account the diversity of needs present in the organization and allows you to select the components and options that best meet your overall needs; and
- produces a structure that improves the organization's ability to recruit, reward, motivate, and retain talent in a competitive environment that includes both public and private sector employers.

We will work closely with the City's designated Project Manager, and the Human Resources Department throughout the process to ensure constant communication of issues, concerns, and potential outcomes. We work closely with your staff to gain a solid understanding of your current operational realities, challenges, and desired outcomes. Moreover, Evergreen will work with you to balance your need to meet your performance goals while carefully managing your resources.

Compensation management has undergone significant transformation in the private sector and over time public sector organizations have mirrored these changes. While compensation once centered on the separate administration of base pay and core benefits, a shift has occurred that has transformed compensation management.

Progressive organizations now recognize that to effectively recruit, reward, motivate, and retain employees, compensation management requires strategic thinking and planning. Compensation management must support an organization's overall strategic direction. To accomplish this, effective organizations design a compensation philosophy that details where an organization wants to be in relation to the market in key areas. These key areas include cash compensation, benefits, and work/life balance. Compensation is thus a reflection of the organization's philosophy.

Evergreen realizes that we will need to tailor our approach to fit the operating, fiscal, and competitive needs of the organization. Recommendations must always reflect competitive needs while supporting the organization's overall mission.

Listed below is an overview of the typically recommended approach that Evergreen takes when conducting a study of this nature.

Kick Off Meeting

Evergreen begins each engagement by meeting with our client's leadership team. Frequently, this initial meeting will accomplish several goals, including:

- finalizing the project work plan;
- identifying milestone and deliverable dates;
- gaining insight into the management structure and approach;
- collecting classification, compensation, and benefits data;
- identifying additional data needs; and
- developing preliminary schedules for subsequent tasks.

At this time, we will also request a copy of the employee database that reflects current classification and compensation data.

Communication Plan

Communication is a critical component of a Compensation and Benefits Study. Communicating with employees directly and early in the process builds support for the process and the accompanying outcomes. As part of our communication plan, we meet first with key project staff to fully understand the nature and scope of the project. The results of these meetings are then communicated to employees during the project outreach through employee orientation sessions, focus groups, and interviews. Regular updates are provided to the client's Project Manager and can be posted on the client's intranet site, if available and desired. Additionally, the communication plan for the distribution of the end product, particularly how the results will be distributed to employees, is also critical.

Employee Orientation and Focus Groups

Based on client feedback and a review of best practices, we have designed an orientation curriculum that provides employees insight into the process as well as provides a forum for answering questions and soliciting participation. Following the orientation sessions, we begin the focus group process. Focus groups are used to gain detailed insight into employee perceptions, concerns, and issues. The protocol for the sessions is provided to your project team in advance and refined to meet your needs.

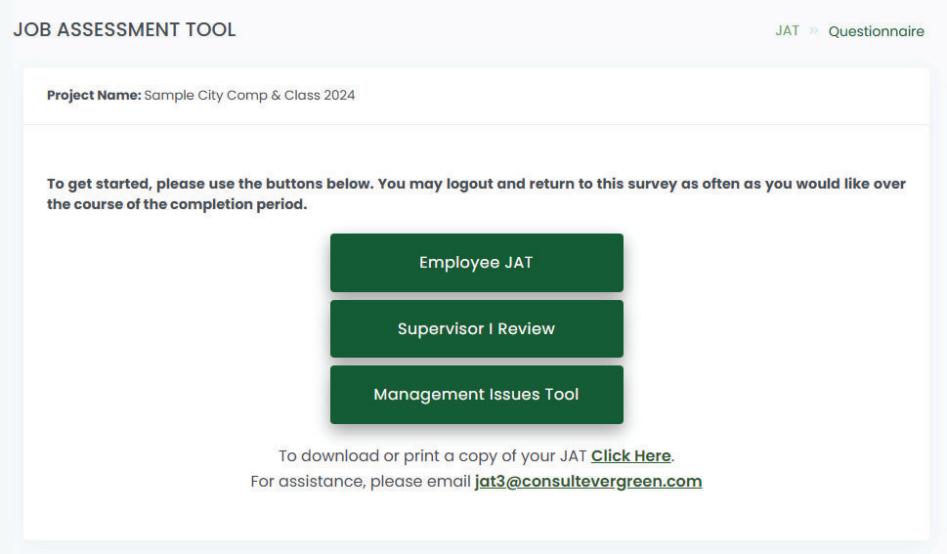
We have found that employee orientation sessions and focus groups are critical venues for building employee participation and buy-in. Since they take place at the outset of the project, they are a critical introduction to the project and the question-and-answer formats allow employees to become engaged in the process. During these sessions, Evergreen's consultants can also help to manage expectations since some employees may have unrealistic expectations based on anecdotal information.

Department Head Interviews

Evergreen staff conduct one-on-one interviews with department heads/senior management (in addition to any other employees the client determines is necessary) to identify challenges for consideration. These interviews will allow our staff to add details to our understanding of the organization and its needs. They also allow our consultants the opportunity to better understand the organizational structure of each department as well as the unique recruiting and retention issues that may be present in each department. Frequently, department directors and senior management serve as invaluable resources in explaining how internal equity relationships have evolved over time and explaining the nuances between the differences in jobs.

Job Assessment Tool and Management Issue Tool

Another important activity undertaken at this time is the distribution of Evergreen's Job Assessment Tool© (JAT). These questionnaires are central components of the job evaluation process. The JAT asks a series of questions regarding an employee's job that captures the nature of the job and how it interacts with work within the organization.



The JAT contains questions that ask about each of the following areas:

- scope of duties;
- complexity of work;
- supervision received and exercised;
- physical requirements;
- financial responsibilities;
- analytical/mental requirements;
- knowledge and skills required for the job; and
- level of responsibility/reporting relationships.

Evergreen will contact the client's Project Manager should there be a need to clarify question responses or issues with information collected from the JAT. Due to budgetary constraints faced by many of our clients, we have designed the JAT as a web-based tool so that data can be collected electronically. If requested, we can also provide a paper-based version of the tool.

Exhibit 4-1 below depicts a screenshot of the JAT home screen showing the levels of access for a Supervisor. Supervisors have access to their own surveys in addition to the ability to review and approve the surveys of their direct reports. The supervisor review process ensures validation of the JAT data collected from employees and prevents comments made by employees from being taken out of context.

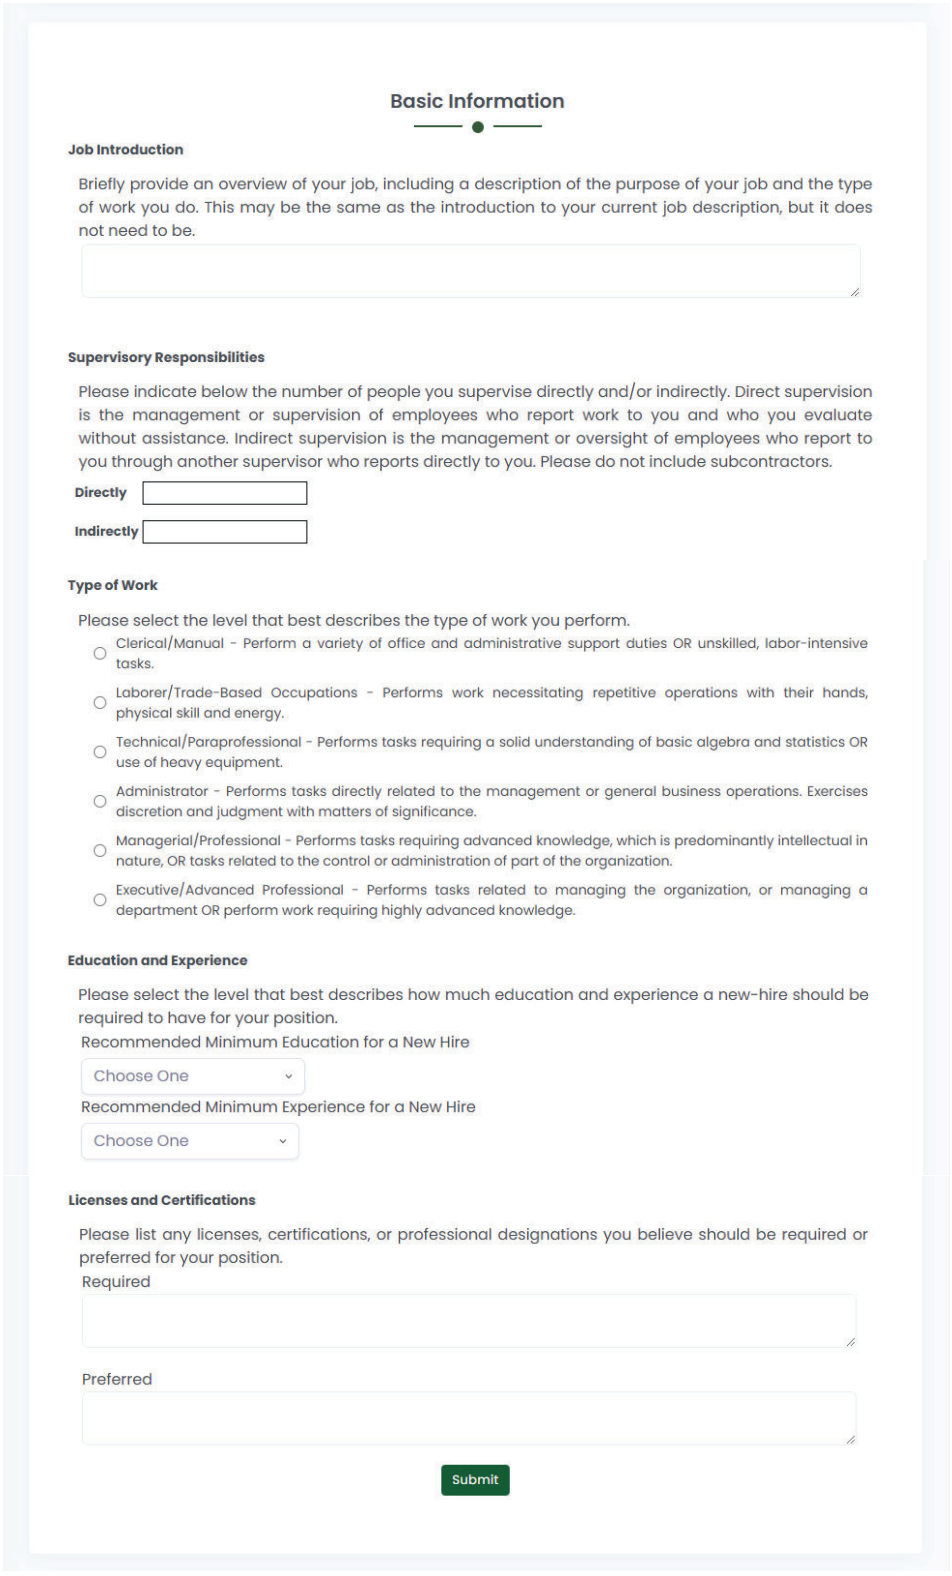


Exhibit 4-1
Supervisor's JAT Home Screen

Source: Evergreen Solutions, 2024

Exhibit 4-2 illustrates how Evergreen uses the JAT to collect functional details of employee's jobs. Seeking to understand how employees summarize their responsibilities in their own words allows our analysis to expand beyond what may be conveyed in a traditional job description. An informal survey of municipal employees revealed that 90 percent felt that the job descriptions held on file with their employers were inaccurate or incomplete representations of their duties. Understanding this, Evergreen designed the JAT to fill in those gaps to ensure that the entirety of an employee's job is analyzed within the context of the study.

Exhibit 4-2
Job Description and Responsibilities

Basic Information

Job Introduction

Briefly provide an overview of your job, including a description of the purpose of your job and the type of work you do. This may be the same as the introduction to your current job description, but it does not need to be.

Supervisory Responsibilities

Please indicate below the number of people you supervise directly and/or indirectly. Direct supervision is the management or supervision of employees who report work to you and who you evaluate without assistance. Indirect supervision is the management or oversight of employees who report to you through another supervisor who reports directly to you. Please do not include subcontractors.

Directly

Indirectly

Type of Work

Please select the level that best describes the type of work you perform.

- Clerical/Manual - Perform a variety of office and administrative support duties OR unskilled, labor-intensive tasks.
- Laborer/Trade-Based Occupations - Performs work necessitating repetitive operations with their hands, physical skill and energy.
- Technical/Paraprofessional - Performs tasks requiring a solid understanding of basic algebra and statistics OR use of heavy equipment.
- Administrator - Performs tasks directly related to the management or general business operations. Exercises discretion and judgment with matters of significance.
- Managerial/Professional - Performs tasks requiring advanced knowledge, which is predominantly intellectual in nature, OR tasks related to the control or administration of part of the organization.
- Executive/Advanced Professional - Performs tasks related to managing the organization, or managing a department OR perform work requiring highly advanced knowledge.

Education and Experience

Please select the level that best describes how much education and experience a new-hire should be required to have for your position.

Recommended Minimum Education for a New Hire

Choose One

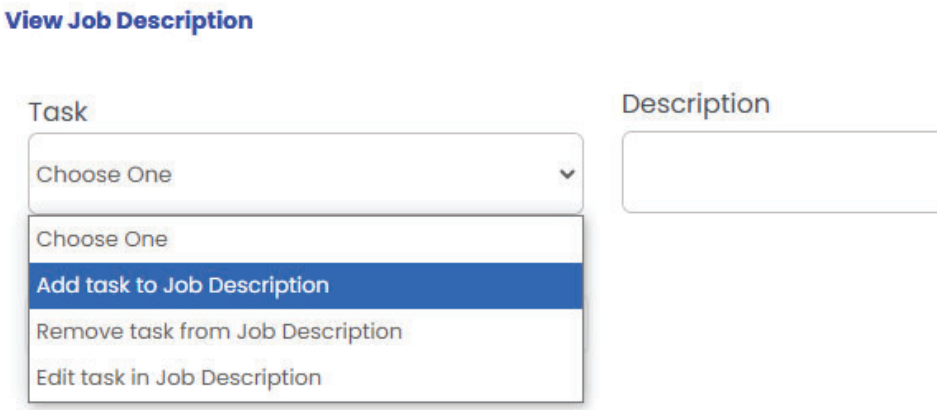
Recommended Minimum Experience for a New Hire

Choose One

Licenses and Certifications

Please list any licenses, certifications, or professional designations you believe should be required or preferred for your position.

Required



Preferred

Exhibit 4-3 shows a similar page in which employees are asked to list the Essential Functions of their job using their current job description as a starting point (if available). These are the tasks and activities that define the classification and make it unique. Gathering information such as this allows Evergreen to assess the validity of the present classification structure and identify classifications or individuals within classifications that need to be restructured or reclassified.

Exhibit 4-3
Job Functions

Source: Evergreen Solutions, 2024

In addition to the JAT, Evergreen will also distribute our Management Issues Tool (MIT). The MIT is distributed to supervisors and managers and is used to collect specific information from supervisors and managers related to such issues as recruitment and retention problems, classification issues, pay equity issues, problems with titles, and other related issues. Each MIT will be logged and a specific response will be provided. The MIT process is designed to allow supervisors and managers to give direct input into the process and they serve as "red flags" to Evergreen staff during the analysis portion of the project.

Preliminary Assessment

As a starting point for analysis, Evergreen's project consultants review the client's database in comparison to the pay plan and information collected from the JATs to produce a preliminary assessment. The preliminary assessment summarizes the strengths and weaknesses of your human resource management system. The compensation analysis focuses on the number of pay grades, range widths, percentage differences between grades, step plans versus open range plans, and the expected time to reach full job competency. The overall analysis focuses on structure, movement, and equity (internal) as well as specific concerns such as turnover, longevity, compression, and range anomalies. The issues we identify in the assessment become core considerations in creating the potential solutions later in the process.

Job Evaluation

The next step in the process is to review responses to the JATs and identify any possible misclassifications. Once the review of the JATs has been completed, Evergreen's consultants will evaluate all jobs on each of the

compensatory factors, score each position, and determine if there is any need for further investigation of specific positions. If serious discrepancies exist, Evergreen's consultants will work directly with the Client Project Manager to resolve any issues.

Once work has been properly classified, changes in the current classification system rankings can be recommended. Our goal is to produce a classification system that reflects the internal equity relationships suggested by the JAT scoring conducted earlier.

Compensation

Our approach to compensation analysis is based on the belief that compensation should be organization-specific, fair, equitable, and directly tied to strategic goals. To ensure that all these criteria are met, we will conduct an extensive analysis on the relevant labor market, the internal structure and inter-relatedness of jobs within the organization, and the relative worth of jobs within the organization vis-à-vis the compensation philosophy.

The most traditional component of a total compensation program is base pay (fixed pay). However, inclusion of benefits in total compensation strategy is not a new concept. Provision of benefits was originally a recruitment tool, though over time the provision of core benefits has become an expectation. Research shows that public sector organizations commonly use superior benefits packages as a way to offset structural disadvantages in base pay. The purpose of the survey is to collect information for comparison to current offerings, and making recommendations for change consistent with the parameters of the organization's compensation philosophy.

Market Salary and Benefits Survey

A key component of assessing compensation is to consider market position, which is sometimes referred to as external equity or competitiveness. Evergreen's consultants wait until well into the classification analysis to design the market survey to ensure that jobs are understood, anomalies in classification characteristics are documented, and sufficient input has been received. The market survey will obtain standard range information related to minimum, midpoint, and maximum salaries. Data collection will focus on the public sector, but will include information from the private sector where applicable. Further, we will look to include any employers to whom the organization has recently lost employees.

In addition, a benefits survey will also be administered in tandem with the market survey. Special consideration can be given to select highly competitive, market-driven positions if necessary.

Benchmarks

One of the most important components of the external assessment is in the selection and utilization of benchmark positions for the labor market survey. We will work with the client to identify the appropriate number of benchmark positions to best suit the client's needs in the labor market survey. Based on our experience, we have found that it is simply not practical to survey all positions within the organization—the resulting surveys become too cumbersome for labor market peers to complete, and the response rate on the whole suffers. We ensure, through multiple checks and balances, that

the benchmark positions chosen will represent a broad spectrum of positions across the organization, from all job families, pay levels, and functional areas.

Targets

To conduct an external labor market assessment, we work with the client to identify the most appropriate targets to survey. Evergreen selects peer organizations based on the local labor competition, regional markets, and class-specific markets. Peer organizations should be those organizations that compete with the client for labor in at least one job family. An appropriate mix of peers in the public and private sectors will be included in the survey, and if necessary, augmented with published secondary data sources.

Typically, Evergreen waits until the outreach process has been completed to identify the complete list of market peers. This is because we often will uncover specific information during the focus group and interview sessions that identifies potentially critical survey targets. Ideally, we would like to work with the client after the outreach has been concluded to identify the final list of potential market peers.

An important factor of our methodology is that the client has the final approval of all aspects of the study. We will not proceed with the analysis unless the client is completely comfortable with the survey targets chosen. Often, there are different factors impacting an organization, such as proximity to a major metropolitan area, technology corridor, or specific market (i.e., military base), that have a direct effect on its ability to recruit and retain employees in specific positions. These factors have to be taken into account when selecting survey targets. Once the targets are selected and approved, the survey instrument is developed and sent to the client for final approval. Subsequent to client approval, the survey is then distributed to the targets in both paper and electronic formats.

Evergreen uses a four-fold method of communicating with respondents. Our staff notifies the target group that the survey is being sent or made available, confirms receipt, and encourages participation. Once the data are received, they are cleaned, validated, and summarized. A separate report is issued that shows the results of the salary survey.

Unifying the Solution

After determining the appropriate division of work and market position, the compensation structure can be created. There is not a single, perfect solution for every client partner. The nuances and unique characteristics of each client necessitate a customized solution to best meet the organization's needs.

The Evergreen Team has considerable experience in developing multiple solutions and working with client partners to determine the one that best meets their needs. Our analytical team uses a variety of tools to produce various potential solutions: regression analysis, market thresholds, and other human resource models. Several major options are presented to the client's team before the implementation plan is created.

It is at this stage in the process that we typically meet with the client to identify the direction of the final solution. We will present to the client a draft report for review and comment. We typically ask the client to examine the draft solution objectively and provide insights and recommendations on the direction of the report. When this process is completed, Evergreen's consultants will proceed with the final solution. The solution also contains information regarding fiscal impact and implementation.

Compensation Administration Guidelines

In order for clients to maintain the recommended compensation system, Evergreen develops compensation administration guidelines for use by the client after completion of the study. The guidelines will include recommendations on installation and continuing administration of the system. The team first conducts a review of current practices and procedures then assesses their effectiveness, compliance with legal guidelines, and applicability to the recommended system.

Once this review and assessment are complete, revisions to the current practices and/or new guidelines can be recommended, as needed. At a minimum, the recommendations will address areas such as:

- how employees will move through the pay structure/system as a result of transfers, promotions, or demotions;
- how to pay employees whose base pay has reached the maximum of their pay range or value of their position;
- the proper mix of pay and benefits;
- how often to adjust pay scales and survey the market;
- timing of implementation; and
- how to keep the system fair and competitive over time.

System Maintenance

Our goal is to produce recommendations that are effective and that can be maintained by our clients. We are strongly committed to providing transparent and replicable solutions. In essence, when we complete our core assignment, our goal is that our client's staff can maintain and update the system on their own. We are readily available to provide assistance, but our goal is to give our clients all the tools and training that are needed. Towards this end we will provide the Human Resources Department with all necessary tools and training to maintain the system over time.

Based on client needs and industry best practices, Evergreen has developed a compensation and classification maintenance tool to assist our clients with implementing, managing, and updating the solutions: ***JobForce Manager***. This tool allows our clients to estimate future pay plan changes, update market information, make determinations on reclassifications, and create new jobs. By automating these tasks, ***JobForce Manager*** allows our clients to not only streamline, but also increase the fairness and transparency of regular compensation and classifications tasks after solution implementation.

Exhibit 4-4 displays the interface from ***JobForce Manager*** for determining a positions pay grade; additional features include a job scoring tabulation sheet, market survey results database and summary report, pay plan report, and employee salary calculators for modeling fiscal impacts of

compensation changes at the employee level. All data and reports are downloadable and printable, so they can be provided to key decision makers.

4.2 Detailed Work Plan

The detailed work plan that Evergreen proposes to use to conduct Compensation and Benefits Study for the City of New Smyrna Beach is provided in this section. Evergreen understands the City currently has approximately 323 employees in 150 classifications that will be included in the study.

Our work plan consists of the following 11 work tasks:

- Task 1: Project Initiation
- Task 2: Evaluate the Current System
- Task 3: Collect and Review Current Environment Data
- Task 4: Evaluate and Build Projected Classification Plan and Make FLSA Determinations
- Task 5: Identify List of Market Survey Benchmarks and Approved List of Targets
- Task 6: Conduct Market Salary and Benefits Survey and Provide External Assessment Summary
- Task 7: Develop Strategic Positioning Recommendations
- Task 8: Conduct Solution Analysis
- Task 9: Develop and Submit Draft and Final Reports
- Task 10: Develop Recommendations for Compensation Administration
- Task 11: Provide Revised Class Descriptions

Task 1.0 Project Initiation

TASK GOALS

- Finalize the project plan with the City.
- Gather all pertinent data.
- Finalize any remaining contractual negotiations.
- Establish an agreeable final timeline for all project milestones and deliverables.

TASK ACTIVITIES

1.1 Discuss with the City's Project Manager (CPM) and any other key personnel the following objectives:

- the classification and pay plan study process;
- understand mission and current compensation philosophy;
- review our proposed methodology, approach, and project work plan to identify any necessary revisions;
- reach agreement on a schedule for the project including all assignments and project milestones/deliverables; and
- establish an agreeable communication schedule.

1.2 Identify potential challenges and opportunities for the study. Discuss the strategic direction of the City and some of the short- and long-term priorities. This activity serves as the basis for assessing where the City is going and what type of pay plan will reinforce current and future goals.

1.3 Obtain relevant materials from the City, including:

- any previous projects, research, evaluations, or other studies that may be relevant to this project;
- organizational charts for the departments and divisions, along with related responsibility descriptions;
- current position and classification descriptions, salary schedule(s), benefits plans, and classification system; and

1.4 Review and edit the project work plan and submit a timeline for the completion of each project task.

1.5 Provide bi-weekly verbal check-ins and monthly written detailed progress reports to the CPM throughout the study.

KEY PROJECT MILESTONES

- Comprehensive project management plan
- Comprehensive database of City staff

Task 2.0
Evaluate the Current System

TASK GOAL

- Conduct a comprehensive preliminary evaluation of the existing compensation plan(s) for the City.

TASK ACTIVITIES

2.1 Obtain the existing pay structure and compensation philosophy (if any). Review the existing pay structure and look for potential problems and issues to be resolved.

2.2 Identify the strengths and weaknesses of the current pay plan(s) for the City. Identify pay compressions issues and discuss solutions with the CPM.

2.3 Complete an assessment of current conditions that details the pros and cons of the current system, taking into consideration compensation and benefits, as well as highlights areas for potential improvement in the final adopted solution.

KEY PROJECT MILESTONES

- Review of existing compensation plan(s)
- Assessment of current conditions

Task 3.0 Collect and Review Current Environment Data

TASK GOALS

- Conduct statistical and anecdotal research into the current environment within the City.
- Guide subsequent analytical tasks.

TASK ACTIVITIES

3.1 Schedule and conduct employee orientation sessions to describe the scope of work and methodology.

3.2 Interview department directors to obtain relevant information and statistical data on specific compensation issues and policies. Obtain insight into perceived current compensation system strengths and weaknesses.

3.3 Hold up focus groups to obtain additional relevant information and statistical data on specific compensation issues and policies.

3.4 Work with the CPM and Human Resources staff to administer the JATs and MITs to employees. Our staff utilizes a web-based tool for data collection, but we can provide paper copies as well as those for classifications without computers or Internet access. We will seek approval from the CPM before distribution of the JAT/MIT questionnaire.

3.5 Review any data provided by the City that may provide additional relevant insight.

KEY PROJECT MILESTONES

- Department director interviews
- Employee focus groups and orientation sessions
- JAT/MIT distribution

Task 4.0 Evaluate and Build Projected Classification Plan and Make FLSA Determinations

TASK GOALS

- Identify the classification of existing positions utilizing the approved method for job evaluation.
- Characterize internal equity relationships within the City's staff.

TASK ACTIVITIES

4.1 Ensure that all draft class specifications for the City are provided to Evergreen by the CPM.

4.2 Review the work performed by each classification and score based on job evaluation. Include an evaluation of supervisory comments.

4.3 Review job evaluation scores and identify the classification of positions.

4.4 Schedule and conduct additional follow-up with employees for jobs where uncertainty exists over data obtained from job evaluation.

4.5 Develop preliminary recommendations for the classification structure and discuss with the CPM. The classification system designed at this point would be based solely on internal equity relationships and would be guided by the job evaluation scores for each classification. Essentially, a structure of classifications would be established, and classifications with similar scoring would be grouped and spacing between jobs would be determined.

4.6 Develop recommendations of FLSA (exemption) status based on results of the job evaluation (JAT) review and federal requirements.

4.7 Review recommendations with the CPM.

KEY PROJECT MILESTONES

- Job evaluation scores by class
- Recommended classification changes
- FLSA determinations
- Preliminary job structure based on internal equity

Task 5.0 Identify List of Market Surveys Benchmarks and Approved List of Targets

TASK GOALS

- Identify positions to benchmark for the market salary and benefits survey.
- Identify and develop a comprehensive list of targets for conducting a successful external labor market salary and benefits assessment.

TASK ACTIVITIES

5.1 Identify and review with the CPM the classifications that will be used as benchmarks for the market salary and benefits survey. **Note:** Evergreen will work with the CPM to identify up to 100 classifications to use as benchmarks for the market salary and benefits survey.

5.2 Finalize the list of positions with the CPM.

5.3 Develop a preliminary list of organizations for the external labor market survey of salary and benefits, placing a comparative emphasis on characteristics such as:

- size of the organization;
- geographic proximity to the New Smyrna Beach area;

- economic and budget characteristics; and
- other demographic data.

5.4 Review and finalize with the CPM up to 20 peer organizations that will be included in the market salary and benefits survey.

5.5 Develop a system for use of secondary data including potential sources and weighting of secondary data, if necessary.

5.6 Review survey methodology with the CPM and refine survey methodology prior to distribution of surveys.

5.7 After approval of survey methodology, develop contact list of peer organizations and notify peers of impending surveys.

KEY PROJECT MILESTONES

- Initial list of survey peers
- Survey methodology
- Final list of survey organizations and contacts

Task 6.0 Conduct Market Salary and Benefits Survey and Provide External Assessment Summary

TASK GOALS

- Conduct the external labor market salary survey.
- Conduct a benefits survey.
- Provide a summary of the market salary and benefits survey results to the CPM.

TASK ACTIVITIES

6.1 Prepare a customized external labor market salary survey for the CPM's approval. Discuss questions and categories for the market survey.

6.2 Develop a listing of the current benefits (i.e., retirement plans; paid time off; and employee insurance coverages and contribution rates for health, dental, vision, group life, group short term disability and other ancillary benefits) provided by the City for comparisons with peer organizations, and any additional benefits.

6.3 Using the list of City provided benefits and major benefits offerings not provided by the City develop a list of benefits to include in the external labor market survey.

6.4 Prepare benefits survey to be included with salary survey developed in Task 6.1.

6.5 Contact the targets for electronic completion of the survey. Provide paper copies by fax, if requested.

6.6 Conduct necessary follow-up through e-mails, faxes, and phone calls.

6.7 Collect and enter survey results into Evergreen's electronic data analysis tools.

6.8 Validate all data submitted.

6.9 Develop summary report of external labor market salary and benefits assessment results.

6.10 Submit summary report of external labor market salary and benefits assessment results to the CPM.

KEY PROJECT MILESTONES

- Market survey instrument
- Benefits survey instrument
- Summary report of external labor market salary and benefits assessment results

Task 7.0 Develop Strategic Positioning Recommendations

TASK GOALS

- Determine the City's compensation philosophy.
- Develop a plan for all employees, providing issue areas and preliminary recommendations for strategic improvement.

TASK ACTIVITIES

7.1 Identify the accepted compensation philosophy and accompanying thresholds.

7.2 Using the market salary survey data collected in **Task 6.0,** and the classification data reviewed in **Task 4.0**, recommend the appropriate salary structure/ranges (s) for the City's positions.

7.3 Produce a revised or new pay plan that best meets the needs of the City from an internal and external equity standpoint.

KEY PROJECT MILESTONES

- Proposed compensation strategic direction, taking into account internal and external equity
- Plan for addressing unique, highly competitive positions

Task 8.0 Conduct Solution Analysis

TASK GOALS

- Conduct analysis comparing job evaluation values.
- Survey results for the benchmark positions.
- Produce several possible solutions for implementation.

TASK ACTIVITIES

8.1 Conduct regression analysis or other appropriate techniques to properly slot each classification into the proposed pay plan for the City.

8.2 Place all classifications into pay grades based on **Task Activity 8.1**. Sort alphabetically by job class title, in descending order by range, and by old class title and new class specifications.

8.3 Create implementation solutions for consideration that take into account the current position of the City as well as the findings from the classification and compensation analysis. Identify and prepare a range of compensation policy alternatives.

8.4 Discuss with the CPM potential solutions.

8.5 Determine the best solution to meet the needs of the City in the short-term and long-term.

8.6 Document the accepted solution.

KEY PROJECT MILESTONES

- Initial regression analysis
- Potential solutions
- Documented final solution

Task 9.0 Develop and Submit Draft and Final Reports

TASK GOALS

- Develop and submit a draft and Final Report of the Compensation and Benefits Study to the City of New Smyrna Beach.
- Present the Final Report.

TASK ACTIVITIES

9.1 Produce a comprehensive draft report that captures the results of each previous step, including a complete listing of the allocation of job classes to salary range requirements. Provide the CPM with a draft final report for review that will include all costs associated with recommendations as well as implementation strategies.

9.2 Make edits and submit an electronic and hard copy of the Final Report to the CPM.

9.3 Present the Final Report to City Commission

9.4 Develop a communication plan for sharing study results with employees.

9.5 Develop a plan for maintaining recommendations over time.

KEY PROJECT MILESTONES

- Draft and final reports
- Final presentation
- Communication plan
- Implementation and maintenance database

Task 10.0 Develop Recommendations for Compensation Administration

TASK GOALS

- Develop recommendations for continued administration by City staff to sustain the recommended compensation and classification system.
- Conduct training.

TASK ACTIVITIES

10.1 Develop recommendations and guidelines for continued administration and maintenance of the classification and compensation system by City staff including recommendations and guidelines related to:

- how employees will move through the pay structure/system as a result of transfers, promotions, or demotions;
- how to pay employees whose base pay has reached the maximum of their pay range or value of their position;
- the proper mix of pay and benefits;
- how often to adjust pay scales and survey the market;
- the timing of implementation; and
- how to keep the system fair and competitive over time.

10.2 Provide recommendations to the CPM for review.

10.3 Finalize recommendations.

10.4 Provide training and instructional tools to the Human Resources Department staff and Management Team to ensure that staff can conduct individual salary audits/adjustments consistent with study methods until the next formal study is conducted using Evergreen's ***JobForce Manager*** tool that will enable Human Resources staff to estimate future pay plan changes, update market information, make determinations on reclassifications, and create new jobs – allowing for streamlining, and an increase in fairness and transparency of regular compensation and classification tasks after solution implementation.

KEY PROJECT MILESTONES

- Recommendations for compensation administration
- Training on Evergreen's ***JobForce Manager*** tool

Task 11.0 Provide Revised Class Descriptions

TASK GOALS

- Update existing class descriptions.
- Create new class descriptions for only those classifications recommended by Evergreen as a result of the job evaluation process.
- Provide final version of all class descriptions/specifications in electronic format (i.e., MS Word).

TASK ACTIVITIES

11.1 Assess current class descriptions for form, content, validity, and ADA, FLSA, EEO compliance, etc.

11.2 Discuss any necessary changes to the class description format with the CPM.

11.3 Update classification descriptions based on data gathered from the job evaluation process.

11.4 Create new class descriptions only for those classifications recommended by Evergreen as a result of the job evaluation process.

11.5 Recommend a systematic, regular process for reviewing class descriptions.

KEY PROJECT MILESTONES

- Updated class descriptions
- New class descriptions, as needed
- Recommendations for regular review of class descriptions

4.3 Proposed Project Timeframe

Evergreen possesses the ability, staff, skills, and tools to conduct a Compensation and Benefits Study in approximately 4.5 months of the project start date and execution of a contract. Our proposed project timeline is based on a tentative start date of April 15, 2025, and a completion date of August 31, 2025, which is within the recommended timeframe in the RFP.

Our proposed project timeframe, as identified in **Exhibit 4-5**, can be modified in any way to best meet the needs of the City of New Smyrna Beach.

Exhibit 4-5
Proposed Project Timeframe

PROJECT TASKS	2025				
	APR	MAY	JUN	JUL	AUG
1.0: Project Initiation					
2.0: Evaluate the Current System					
3.0: Collect and Review Current Environment Data					
4.0: Evaluate and Build Projected Classification Plan and Make FLSA Determinations					
5.0: Identify List of Market Salary and Benefits Survey Benchmarks and Approved List of Targets					
6.0: Conduct Market Salary Survey and Provide External Assessment Summary					
7.0: Develop Strategic Positioning Recommendations					
8.0: Conduct Solution Analysis					
9.0: Develop and Submit Draft and Final Reports					
10.0: Develop Recommendations for Compensation Administration					
11.0: Provide Updated Class Descriptions					

Section 5.0
Fee Proposal

5.0 Fee Proposal

Evergreen Solutions, LLC is pleased to present our proposed fee to conduct a Compensation and Benefits Study for the City of New Smyrna Beach. We are committed to providing the highest quality consulting services to our client partners for a reasonable price. Our firm is fortunate that our overhead is minimal and our fees are reasonable so we can pass that cost savings on to our clients.

Our total, not-to-exceed, fixed fee to complete all tasks identified in our detailed work plan in **Section 4** of our proposal is **$35,500**. Our fee is all inclusive, and includes travel cost (meals and lodging), transportation, fringe benefits, indirect cost (overhead), clerical support, and all other out-of-pocket fees. Our fee includes two onsite visits to the City to perform the requested work as most of the work can be conducted virtually. **Note:** Any work outside of the scope of work would be billed at $150 per hour or would be negotiated with the City depending on the type of work requested.

Our preferred payment schedule for all tasks is as follows:

- 25% - upon completion of Tasks 1 – 2
- 25% - upon completion of Tasks 3 – 4
- 25% - upon completion of Tasks 5 – 6
- 15% - upon completion of Tasks 7 – 8
- 10% - upon completion of Tasks 9 – 11

Note: All invoices are due within 30 days of receipt or the project may be delayed in moving to the next deliverable identified in the detailed work plan for the project.

We are willing to negotiate the time, scope, and price of the basic tasks, or any other options that the City of New Smyrna Beach wishes to identify.

Section 6.0
References

6.0 References

We have provided three references on the attached reference form (Attachment A of the RFP) that we feel demonstrate the breadth and quality of the work our team has performed as it relates to the services being requested by the City of New Smyrna Beach. We invite you to contact our client references as to the quality and timeliness of our consulting projects. Additional references are available upon request.

REFERENCES

The Firm shall complete and submit this Reference Form as a part of their bid response. **Provide a minimum of three (3) projects performed by the Firm and completed within the last five (5) years**, which are similar in type of scope and complexity. References from projects that are at substantial completion will be accepted. (A Reference from the City of New Smyrna Beach is not acceptable). The contact person provided shall be a person who has personal knowledge of the Bidder's performance for the specific requirements listed and is aware the City may be contacting them.

Name (as shown on your income tax return) Evergreen Solutions, LLC

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☑ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ P
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.) 2528 Barrington Circle, Unit 201

Requester's name and address (optional)

City, state, and ZIP code Tallahassee, Florida 32308

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number
: :

or

Employer identification number
20 : 1833438

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ▶ [signature] Date ▶ 2/19/2025

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Jeffrey Ling, PhD, President
(Print Individual's Name and Title)

for Evergreen Solutions LLC
(Print Name of Entity Submitting Sworn Statement)

whose business is an LLC

and (if applicable) its Federal Employer Identification Number (FEIN) is 20-1833436

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

✓ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Florida

County of Leon

Jeffrey Line, being first duly sworn, deposes and says that:

He/she is President of Evergreen Solutions, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Evergreen Solutions, LLC

Consultant E-Verify Registration Number: 341059

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of Tallahassee

Before me, the undersigned authority, personally appeared Jeffrey Ling

who was duly sworn, deposes, and states:

1. I am the President of Evergreen Solutions with a local office in Tallahassee FL (City & State) and principal office in Tallahassee FL (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFP 08-25-HR, Compensation and Benefits Study.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

ADDENDUM 1
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
JANUARY 28, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** Section V. Minimum Qualifications states the proposer must have a staffed office within the State of Florida. The Archer Company has a consultant on our team based in Florida, who offices out of her home, like the majority of our team. This is not unusual in the HR consulting space these days. Will the presence of a consultant in a home-based office in Florida be sufficient to meet this requirement?

   Answer: Yes

2. **Question:** Are all job classifications to be reviewed and benchmarked as part of the study? Or will the City accept proposals where a percentage of the classifications are reviewed and benchmarked as is a common practice?
   Answer: All job classifications should be reviewed. ✓

3. **Question:** Is the $2 Million Personal and Advertising Injury Insurance limit able to be waived? We have $1 Million Personal & Advertising but $2 Million for General Aggregate and Products/Completed Operations.?
   Answer: $1 Million personal and advertising injury insurance is acceptable.

4. **Question:** Is it acceptable for a consultant to bid on only portions of the work? For example, our firm's expertise is in compensation and not benefits, so the benefits section may be better handled by a separate firm, while our compensation process and structure may be more favorable.
   Answer: The preference is for a consultant who can bid the entire survey.

5. **Question:** Section VI.H states that the reference questionnaires are due back to CoNSB by 2/4/25; but the questionnaires state that they are due back to CoNSB by 2/20/25. Can you confirm which date is correct?
   Answer: Reference questionnaires are due back to the City prior to 5:00 pm on February 20, 2025.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

ADDENDUM 2
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
February 5, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 2 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024. This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** What was the date of the last study completed? Was it of the same scope as the current request? Did it include updated job descriptions?
   Answer: 2020. It was in the original scope but due to Covid it was modified and not completed.

2. **Question:** Was the study completed internally or with the assistance of an outside firm? Who was the outside firm if one was used?
   Answer: Externally by Evergreen.

3. **Question:** How many unique job titles are covered in the study?
   Answer: About 150

4. **Question:** Can you advise us on the anticipated start date of the project?
   Answer: As soon as possible after contract is awarded.

5. **Question:** When do you need to have your results for the study?
   Answer: As soon as possible after all data is gathered and analyzed. Prefer 120 days.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, FL 32168

We appreciate the opportunity to present this proposal regarding services Gallagher's Human Resources & Compensation Consulting practice is able to offer the City of New Smyrna Beach (the City). Gallagher is highly capable and qualified to work with the City based on our extensive experience with public sector organizations across the country. We would consider it a privilege to serve the City in this capacity.

It is our understanding that the City is seeking a qualified consultant partner to conduct a classification and compensation study, which includes a review of benefits, in order to position the City as a leader in the market, providing equitable and competitive pay. Our recommendations will ensure the City is able to attract and retain talent, and pay equitably to employees.

We believe we will provide the City with the most diversely experienced project team of any consulting practice in the country, which enhances the solutions and recommendations we will provide on this engagement. The questions and perspective provided by our team ensure we anticipate any issues the City may face throughout this project, as well as the ongoing management of the updated classification and compensation system.

We have prepared the following proposal in response to your request. We appreciate having the opportunity to submit this proposal and look forward to assisting the City in this engagement.

Sincerely,

Erik Smetana, MBA, SPHR, SHRM-SCP, SWP
Managing Director & Operations Leader

PROJECT ADVISOR

ERIK HENRY-SMETANA, MBA, SHRM-SCP, SPHR, SWP, Managing Director - *20 years of experience*
Erik manages operations for Gallagher's public sector & higher education Human Resources & Compensation Consulting practice. Erik's 20-plus-year work history has led him to serve in various diverse roles across human resource management, particularly in compensation and benefits, talent management and organizational development, people analytics, and employee relations and policy development. Erik has extensive experience in private and public sectors, working with an eclectic mix of dynamic organizations, including Fortune 500 companies across multiple industries, international not-for-profit organizations, membership associations, media outlets (e.g., NPR and NBC affiliates), institutions of higher education and research, and others. Before joining Gallagher, he served as the enterprise-wide Deputy CHRO with the University of Missouri System and Vanderbilt University as the Executive Director of People & Engagement, leading, designing, and implementing compensation and people-focused programs and initiatives.

PROJECT LEADERSHIP & LEADERSHIP SUPPORT

MICHAEL BURTON, Principal Consultant - *20 years of experience*
With over two decades of experience in the field of compensation and benefits, he brings a wealth of knowledge and expertise that spans various industries, including utilities, business services, educational institutions, pharmaceuticals, and financial services. His career journey has equipped him with a deep understanding of total rewards strategies, enabling him to design and manage innovative programs that attract, retain, and motivate top talent. Michael has a proven record of accomplishment of crafting and implementing intricate compensation and benefits programs tailored to meet the unique needs of diverse organizations. Whether it's developing competitive compensation structures, designing executive and variable incentive plans, or managing comprehensive benefits packages, Michael has consistently delivered solutions that align with business goals while ensuring fairness and transparency.

SHARI FALLON, PHR, SHRM-CP, Senior Consultant & Project Manager - *24 years of experience*
Prior to joining Gallagher, Shari worked for Cornell University as a Senior Compensation & Workforce Analytics Consultant for 24 years. In her role at Cornell University, Shari was responsible for providing expertise and consultation to campus constituents and resolving conflicts among functional areas to support best practice standards. She developed and designed the institutional foundation for assessing, delivering, and applying workforce planning analytics, advancing HR interests and shared responsibility in the consistency of practice across recruiting, compensation, staffing patterns, performance management, training, and transaction processing. Prior to Cornell, she worked in Human Resources for Retail and Health organizations. Shari has a bachelor's degree in political science/history from the College of St. Rose in Albany, NY, and is certified as a Professional in Human Resources from the Society of Human Resource Management.

Qualifications

Gallagher's public sector & higher education consulting practice includes extensive experience in developing and communicating a compensation philosophy, designing and implementing market-aligned pay structures, and developing job evaluation methods to maintain internal equity. We conduct benchmark analyses, including conducting custom tailored salary surveys (if needed), and recommend appropriate administrative and procedural guidelines to maintain the compensation system. We ensure that our clients comply with applicable laws and regulations, such as the Fair Labor Standards Act (FLSA), the Americans with Disabilities Act (ADA), and Equal Employment Opportunity (EEO) standards and have pay systems that are appropriate for their organization and market strategy. We serve clients across an array of strategic and value-adding HR services with **classification and compensation as a core specialty**.

Management summary

As noted above, Classification and Compensation studies are a core specialty of ours. We have completed hundreds of similar engagements in the last few years. Our team is designed to be partners with our clients, not just giving data, but giving sound recommendations. We understand the City is seeking a study which updates your classification plan and ensures employees' pay and benefits are at a competitive level. All 323 full-time employees are included in the FY2025 budget, and will be accounted for, which includes attention paid to the two unions representing 35% of the workforce. Our general approach follows:

- ***Job Description Review***
  We will review existing job documentation for consistency in format and accuracy in job functions. We will use the current job descriptions provided by the City to review and revise the current classification structure. If there are concerns or questions on the descriptions, we will follow-up with discussions with Human Resources, management, or employees to ensure our understanding of the job responsibilities. Through this work we will ensure appropriate job matches and internal alignment in the potential salary structures. Additionally, we can make recommendations on job description content to ensure compliance with applicable laws and regulations.

- ***Internal Equity***
  We will work with the City to evaluate each job title with the current job evaluation methodology to determine internal equity. Our project plan and cost reflect diagnostically reviewing all the City job titles and ensuring internal consistency and accuracy of job functions. We have significant experience in applying job evaluation methods but will work with the City to ensure our understanding of the method and the jobs. In many cases, we will verify the current evaluations of the City and ask follow-up questions to clarify any questions.

- ***Market Comparison***
  We will work with the City to identify benchmark job classes for the purposes of competitive market analysis. We will survey both current rates of pay, minimum and maximum rates of pay, in addition to the relevant benefits and the employer and employee cost. We will also integrate private sector salary information in the market comparison process from survey sources that represent the local area market.

- ***Salary Structure Development & Implementation Analysis***
  To develop a reliable salary structure, we integrate market data and custom survey results with the internal equity ratings from job evaluation, so that the structure is internally equitable and externally competitive. In this step, we assign all jobs to the right pay grade and all employees to the right place in the range based on agreed upon criteria. During this phase, we also discuss how pay progression is integrated in a sustainable system that grows with the City and allows for employee development and contribution to goal achievement. Up to three implementation scenarios will be provided to the City. These resulting pay structures and implementation scenarios will be reviewed to ensure a gender and race neutral system.

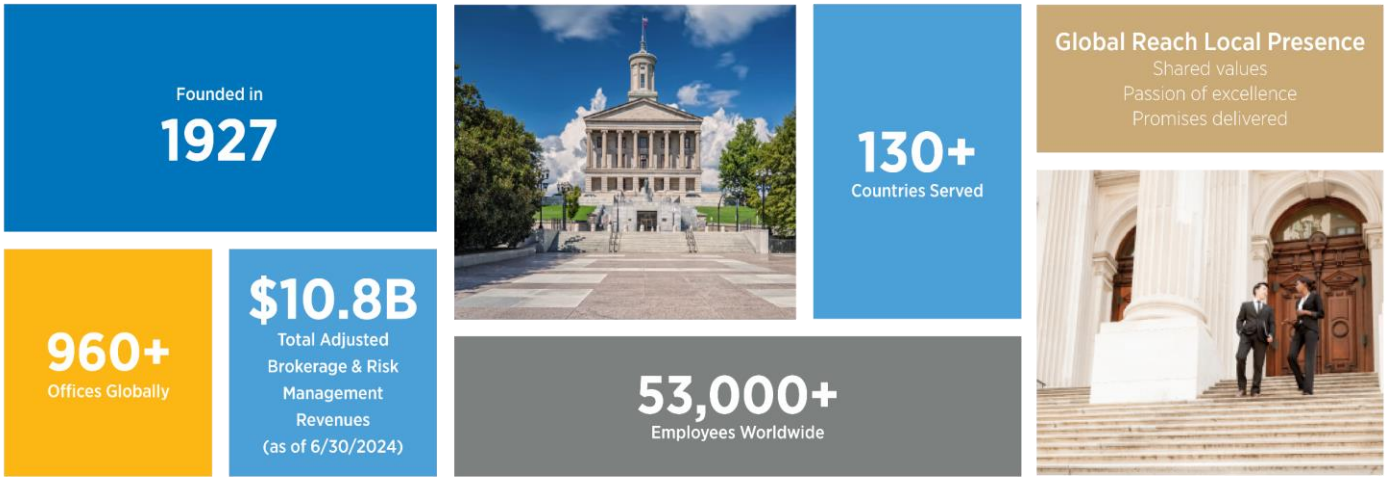
- ***Final Report***
  As mentioned above, our final report will be prepared which outlines the process, methods, techniques and findings and recommendations of the study. It will include a financial impact analysis and recommended ways to implement and maintain the system in the future. We will provide the data in a format that can be used to update your HRIS system based on your implementation approach. Finally, we will train the HR staff in the proper procedure and methods to manage and maintain the system. Additionally, we will provide the necessary documentation and other materials so the City will be able to maintain the system independent of the consultant following implementation.

We will complete this study in 6 months, ensuring that all internal deadlines are met.

Gallagher's Human Resources & Compensation Consulting practice empowers clients to **attract talent, manage staff, develop leaders**, and **reward success**—leveraging the power of Gallagher and wisdom of experience to produce an engaged and productive workforce. Tapping into expertise that spans the spectrum of human resources at every level, we can assemble flexible compensation and consulting solutions that improve efficiency and build bottom lines. Our practice is a combination of some of the most respected names in human resources and compensation consulting. Bringing together experts from compensation, performance, search, survey, and leadership fields, Gallagher empowers clients with tools for the entire lifecycle of employment management.

Sincerely,

Erik Smetana, MBA, SPHR, SHRM-SCP, SWP
Managing Director & Operations Leader
314.494.4849 | Erik_HenrySmetana@ajg.com



VI.D Background and Experience of the Firm

Value Proposition:

The ability to deliver comprehensively structured human capital solutions to clients is Gallagher's signature in the marketplace. At Gallagher, we want to know what makes your organization unique. We listen intently to learn about your culture and priorities and delve deeply into all the details that matter when balancing human capital needs with your bottom line. This single-minded focus on excellence — characterized by innovation and creativity — is the driving force behind every Gallagher engagement.

Company History:

Arthur J. Gallagher & Co. opened its doors for business in 1927 and is still "growing strong" because of a practiced ability to help clients think ahead. Founded by its namesake who was previously the leading producer for Chicago's largest insurance brokerage, Gallagher is now one of the world's largest human capital, insurance brokerage and risk management services firms. We have operations in 33 countries and extend our client-service capabilities to more than 90 countries through a global network of correspondent brokers and consultants. Since 1961, we've been helping clients overcome business barriers and create new opportunities to cost-effectively attract, retain and productively engage the best performers in their field. Gallagher started trading on the NYSE under the symbol AJG in 1984.

Company Culture & Philosophy:

The ideals, principles and values embodied by the founder whose name still appears on our door are part of our corporate DNA. Gallagher's approach to business, cultivated through three generations of family leadership, has always centered on creating relationship value as true partners to our clients. Gallagher's interactions with you will be straightforward and candid. By earning the trust of our clients, we've sustained a reputation for ethics and a commitment to transparency that continue to contribute to our growth.

The high standards of conduct we've set for our external professional relationships are the same rules we follow internally. The Gallagher Way, a one-page document that outlines our 25 shared values, was written in 1984 but is just as culturally relevant today. It speaks to the value of relationships and several tenets set guidelines for ethical behavior. Gallagher combines innovative solutions, thoughtful advice and honest business practices to minimize risk and help fuel your success.

Human Resource and Compensation Consulting Practice:

Gallagher's Human Resources & Compensation Consulting practice empowers clients to **attract talent, manage staff, develop leaders**, and **reward success**—leveraging the power of Gallagher and wisdom of experience to produce an engaged and productive workforce. Tapping into expertise that spans the spectrum of human resources at every level, we can assemble flexible compensation and consulting solutions that improve efficiency and build bottom lines. Our practice is a combination of some of the most respected names in human resources and compensation consulting. Bringing together experts from compensation, performance, search, survey, and leadership fields, Gallagher empowers clients with tools for the entire lifecycle of employment management.

With an experienced team of consultants located in offices across the United States and Canada, our services include:

- Executive compensation
- Board of directors compensation

Engagement Solutions

- Workforce engagement surveys
- Customer surveys
- Post-survey action plan development and execution
- Leading-edge capabilities for measuring loyalty and retention drivers

Human Resources Policy & Strategy

- HR assessment and optimization
- Employee policy creation and review
- HR compliance support
- Diversity, equity and inclusion
- Gallagher HRnow Program

Leadership Development & Organizational Strategy

- Data-driven leadership performance and effectiveness assessments
- Organizational design
- Succession planning
- Leadership development through coaching and training programs

Executive Search

- Executive through director-level candidate search
- Interim leadership placements
- Executive onboarding
- Diverse candidate search

Data & Research

- Conducts largest survey of employee benefit programs in the U.S.
- Produces 25+ national (U.S.) compensation benchmarking surveys annually

Public Sector Consulting Practice:

Gallagher's public sector & higher education consulting practice includes extensive experience in developing and communicating a compensation philosophy, designing and implementing market-aligned pay structures, and developing job evaluation methods to maintain internal equity. We conduct benchmark analyses, including conducting custom tailored salary surveys (if needed), and recommend appropriate administrative and procedural guidelines to maintain the compensation system. We ensure that our clients comply with applicable laws and regulations, such as the Fair Labor Standards Act (FLSA), the Americans with Disabilities Act (ADA), and Equal Employment Opportunity (EEO) standards and have pay systems that are appropriate for their organization and market strategy. We serve clients across an array of strategic and value-adding HR services with **classification and compensation as a core specialty**.

We have a strategic alliance with the Public Sector Human Resources Association (PSHRA), the National Public Employers Labor Relations Association (NPELRA), and the Colleges and Universities Professional Association for Human Resources (CUPA - HR) and have conducted a series of training seminars/workshops on compensation, classification, job evaluation, and employee benefits management throughout the nation in conjunction with these organizations. Gallagher Benefit Services also focuses on the higher education market. Our consultants have demonstrated leadership in the compensation and strategic HR fields by completing training and certifications from WorldatWork, ERI, HRCI, Human Capital Institute, SHRM, and others in addition to serving as instructors and presenters for ICMA, CUPA-HR, NAPO, WorldatWork, NPELRA, PSHRA and other regional and national associations.

Our partners have been featured speakers at national, regional, and state conferences for more than 25 years. **Our managing directors have 30 years of experience assisting organizations in classification and compensation issues.**

Case Studies

We have completed over 500 classification and compensation studies for municipalities in the last ten (10) years. The following case studies show our specific experience in conducting similar studies for other government organizations. The experience we have gained in conducting these studies will inform our analyses and recommendations to the City.

CITY OF LEXINGTON, NC - Beginning in 2023, the City collaborated with Gallagher to conduct a comprehensive classification and compensation study. The classification study included Gallagher reviewing updated job descriptions and working with Human Resources to clarify any roles that needed additional information. Once that information was reviewed, Gallagher utilized the information to develop a new classification structure for the City and Gallagher consultants assigned job evaluation ratings to all classifications. For the comprehensive compensation study, Gallagher worked with the City to determine what positions should be included in a custom survey sent to 29 comparator organizations. For positions that are cross industry, Gallagher utilized published survey sources to market price some positions. The analyzed information was then used to create salary structures for general employees, police and fire that were internally equitable and externally competitive. Upon the completion of the study, Gallagher reviewed the data with the City's project team and incorporated feedback into the draft and final reports. Recommendations with implementation options were provided to the project team and shared with City Leadership.

CLAY COUNTY, IA - In 2023, the County engaged with Gallagher to conduct a classification and compensation study, which included the development of a compensation strategy, job evaluation using employee questionnaires, employee interviews and panels. Gallagher consultants used this collective information to develop a simplified and flexible class structure and assigned job evaluation ratings to all classifications. For the comprehensive compensation study, Gallagher worked with the County to deliver a custom survey that was sent to 19 comparator organizations. For positions that are cross industry, Gallagher utilized published survey sources to market price positions. This analysis was used to develop a pay structure with implementation costs and best practices guidance to move through the structure and remain competitive with the market. Upon the completion of the study, Gallagher reviewed the data with the County's project team and incorporated feedback into the draft and final reports. Recommendations shared with County Leadership.

CITY OF BLOOMINGTON, IL - The City collaborated with Gallagher to conduct a comprehensive classification and compensation study. The classification study included Gallagher reviewing updated job descriptions and working with Human Resources to clarify any roles that needed additional information. Once that information was reviewed, Gallagher utilized the information to revise the City's current classification structure. Gallagher consultants closed this phase by assigning job evaluation ratings to all classifications. For the comprehensive compensation study, Gallagher worked with the City to determine what positions should be included in a custom survey sent to 29 comparator organizations. For positions that are not easily found in the public sector, Gallagher utilized published survey sources to market price these positions. The analyzed information was then used to create a salary structure that was internally equitable and externally competitive. Upon the completion of the study, Gallagher reviewed the data with the City's project team and incorporated feedback into the draft and final reports. Recommendations with implementation options were provided to the project team. Final presentations were made to the City's leadership team.

PRINCE WILLIAM COUNTY, VA - The County collaborated with Gallagher to conduct a comprehensive classification, compensation, and pay equity study. The classification study included Gallagher assisting the County in the administration of a Position Description Questionnaire (PDQ) to gather information about each employee's respective role. Gallagher also interviewed a sample of employees in an effort to gain clarity where needed. Once that information was received and reviewed, Gallagher consultants utilized the information to create a new classification structure and classification descriptions for the resulting classifications. Gallagher consultants closed this phase by assigning job evaluation ratings to all classifications.

For the comprehensive compensation study, Gallagher consultants worked with the County to determine what positions should be included in a custom survey that was sent to 25 comparator organizations. For positions that are not easily found in the public sector, Gallagher consultant's utilized published survey sources to market price these positions. The analyzed information was then utilized to create a salary structure that was internally equitable and externally competitive.

Gallagher consultants also performed a pay equity study for the County to identify potential pay disparities on the basis of race, age or gender. Upon the completion of the analysis, Gallagher consultants reviewed the data with the County's project team and incorporated feedback into the draft and final reports. Recommendations with implementation options were provided to the project team. Final presentations were made to leadership team and to the County's Board.

CITY OF RALEIGH, NC - The City collaborated with Gallagher to conduct a classification and compensation redesign study that began in June 2016. The objectives of this study included:

- Review duties and responsibilities of current jobs and employees to develop a new classification system.
- Develop new classification specifications.
- Evaluate jobs for internal value relationships.
- Collect market compensation data from private and public organizations.
- Develop a new/revised compensation system that is externally competitive and internally equitable.
- Review and update compensation policies and practices.
- Develop a transition plan.

The classification review was conducted to assess the types and levels of work across all jobs in the City and provide recommendations for an updated, simplified, and sustainable classification system. The more than 700 current City job classes were consolidated by type and level of work into an updated class system that incorporated approximately 260 job classes across 34 job families. The type and level of work for each class was rated using the Decision Band Method® job evaluation tool. Class specifications addressing the type and level of work for each job consistent with the approved class structures were developed. Employees were allocated to the new class systems based on PDQs and management input.

A customized data collection instrument was developed to collect pay data on each of the benchmark classifications from the City's national and local labor market. Survey data was analyzed to develop four separate pay structures tailored for specific groups of employees, which was coordinated with the job evaluation results. Structures consisted of broad-banded open ranges and step structures. Gallagher provided implementation cost options for the City's consideration. In addition, pay practice, classification, and compensation policy recommendations were provided to the City.

HENRICO COUNTY, VA - In the November of 2022, Gallagher was engaged to conduct a compensation study for Henrico County covering 779 job classifications, covering 11,250 full time and part time employees. This study included collecting market data on as many of the job titles as possible through the use of published survey sources to analyze and evaluate all data in an objective manner and make recommendations designed to assist Henrico County in attracting, recruiting, and retaining top performing talent. Gallagher also provided recommendations to update Henrico County's compensation system to facilitate effective use and maintenance of the County's updated compensation structure.

CITY OF AUSTIN, TX - Beginning in 2016, we initiated an ongoing working relationship with the City - including the conduct of multiple function-specific pay equity studies, comprehensive compensation studies including but not limited to executive positions, emergency management, and currently the execution of studies focused on non-sworn police positions and mobility services roles as well as studies focused on COVID-19 workforce impacts and council member and staff compensation and classification. Recent and ongoing studies focus on pay equity, compensation, and organizational/administrative review. In 2016, 2018, and 2019, the City hired Gallagher to conduct a comprehensive evaluation of pay equity in comparison to its prior studies to identify if there are any pay equity issues in the organization. We conducted detailed statistical analysis of the current pay levels and identified possible pay equity issues at both organizational and department levels. The objective of the analysis was to determine if there were indications of systematic pay disparities between employees of different race or gender, isolate specific areas as possible, and identify key contributing factors. In 2017, we were hired to assist the City with a review and assessment of the compensation strategy and conduct a compensation study for the Human Resources and Legal departments. In 2019, Gallagher conducted another custom salary survey for the City. In 2020, we were engaged to conduct compensation studies for the Forensic positions and City-wide Executive positions. In 2021, we were engaged to conduct a classification and compensation study for transportation mobility services positions, a pay equity study, and a classification and compensation study for select non-sworn police department positions. In recent years, our team has conducted a range of studies for the city, including pay equity studies, compensation studies, organizational review studies, a benchmarking study, and various ad-hoc studies.

VI.E Skills and Credentials of the Designated Project Team

Gallagher fosters a commitment of excellence, professionalism, integrity, collaboration, and urgency to each of our clients. With each unique client, Gallagher combines these principles to deliver client services customized, specifically to meet your needs. Your Gallagher consulting team has years of experience consulting to public sector clients, including public employers, with a significantly diverse employee workforce.

Each member of Gallagher's public sector compensation consulting practice has achieved one or more of the following certifications and/or degrees:

- Certified Compensation Professional from WorldatWork
- IPMA-SCP from the Public Sector Human Resources Association
- PHR and SPHR from the Human Resources Certification Institute
- SHRM-CP and SCP from the Society for Human Resource Management
- SWP and HCS from the Human Capital Institute
- Master's degree or above, in Human Resources, Business Administration, and/or Organizational Psychology

PROJECT ADVISOR

ERIK HENRY-SMETANA, MBA, SHRM-SCP, SPHR, SWP, Managing Director - *20 years of experience*
Erik manages operations for Gallagher's public sector & higher education Human Resources & Compensation Consulting practice. Erik's 20-plus-year work history has led him to serve in various diverse roles across human resource management, particularly in compensation and benefits, talent management and organizational development, people analytics, and employee relations and policy development. Erik has extensive experience in private and public sectors, working with an eclectic mix of dynamic organizations, including Fortune 500 companies across multiple industries, international not-for-profit organizations, membership associations, media outlets (e.g., NPR and NBC affiliates), institutions of higher education and research, and others. Before joining Gallagher, he served as the enterprise-wide Deputy CHRO with the University of Missouri System and Vanderbilt University as the Executive Director of People & Engagement, leading, designing, and implementing compensation and people-focused programs and initiatives.

PROJECT LEADERSHIP & LEADERSHIP SUPPORT

MICHAEL BURTON, Principal Consultant - *20 years of experience*
With over two decades of experience in the field of compensation and benefits, he brings a wealth of knowledge and expertise that spans various industries, including utilities, business services, educational institutions, pharmaceuticals, and financial services. His career journey has equipped him with a deep understanding of total rewards strategies, enabling him to design and manage innovative programs that attract, retain, and motivate top talent. Michael has a proven record of accomplishment of crafting and implementing intricate compensation and benefits programs tailored to meet the unique needs of diverse organizations. Whether it's developing competitive compensation structures, designing executive and variable incentive plans, or managing comprehensive benefits packages, Michael has consistently delivered solutions that align with business goals while ensuring fairness and transparency.

SHARI FALLON, PHR, SHRM-CP, Senior Consultant & Project Manager - *24 years of experience*
Prior to joining Gallagher, Shari worked for Cornell University as a Senior Compensation & Workforce Analytics Consultant for 24 years. In her role at Cornell University, Shari was responsible for providing expertise and consultation to campus constituents and resolving conflicts among functional areas to support best practice standards. She developed and designed the institutional foundation for assessing, delivering, and applying workforce planning analytics, advancing HR interests and shared responsibility in the consistency of practice across recruiting, compensation, staffing patterns, performance management, training, and transaction processing. Prior to Cornell, she worked in Human Resources for Retail and Health organizations. Shari has a bachelor's degree in political science/history from the College of St. Rose in Albany, NY, and is certified as a Professional in Human Resources from the Society of Human Resource Management.

BEVERLY MOULTRIE, SPHR, IMPA-SCP, Principal Consultant - *25 years of experience*
Beverly has over 25 years of professional human resources experience in all facets of HR Operations including Talent Acquisition, Compensation, Benefits, Employee & Labor Relations, Diversity Equity & Inclusion, Talent Development and Safety & Health. Beverly also brings a wide range of expertise working with large, mid-sized, and start-up organizations (both public and private) in government, higher education, healthcare, manufacturing, non-profit and service environments. Beverly is particularly adept at managing complex projects and has led the adoption of employee relation strategies and human resource systems where no prior system existed. Her experience also includes a progressive career in HR leadership roles as a Senior HR Leader and Corporate Diversity & Inclusion Manager for Fortune 500 companies. Additionally, Beverly has served as the CHRO for the City of Chattanooga, where she launched the strategic development of the City's equity & inclusion work with the Government Alliance on Race and Equity. Beverley has a master's degree in business with an emphasis on organization development and is a certified senior human resource professional.

LARRY ROBERTSON, Senior Consultant & Project Manager - *26 years of experience*
Larry's 27-plus-year work history includes a variety of roles that included compensation, human resources information systems, and recruiting as well as serving in a primary leadership role as acting vice president for human resources for several months. Larry has experience in both private and public sectors, working in a manufacturing environment before moving to higher education for the 21 years prior to coming to Gallagher. He has previously earned professional certifications with the Human Resources Certification Institute (PHR and SPHR). He has been actively involved in CUPA-HR on chapter, regional, and national boards. He is a 2022 CUPA-HR Distinguished Service Award Recipient.

ZAK SHTULBERG, Senior Consultant & Project Management Office Lead – *12 years of experience*
Since starting as an HR consulting intern at Buck (now Gallagher) in 2012, Zak has been mission-driven and passionate about collaboration with clients and partners on transformative people, compensation, and other HR initiatives that improve the lives of employees and their communities. Projects have spanned a broad spectrum, including compensation strategy design, change management and communications, workforce planning, project management, analytics and technology enablement, and organization design, among many others. With both internal and external partners, he is recognized for blending strategic and technical advice with innovative analytics and technology and grown as a trusted partner and subject matter expert in HR and compensation. Prior to starting his career, he earned a Bachelor of Science in Industrial and Labor Relations from Cornell University.

DEREK SMITH, PhD, Senior Consultant & Project Manager - *15 years of experience*
Prior to joining Gallagher, Derek served as the National Executive Director of the Higher Education Recruitment Consortium and as a part-time consultant with Sawgrass Consulting, following more than 15+ years in higher education leadership roles at places like UNLV, Kansas State University, the University of Missouri System, and the University of Pittsburgh. Derek has a bachelor's degree in history, a master's degree in science, a master's degree in business administration, and a PhD in public policy and leadership. He has earned professional certifications with the Human Resources Certification Institute (PHR), the Society for Human Resource Management (SHRM-CP), and the Korn Ferry Leadership Architect.

CATHERINE THORP, Senior Consultant & Project Manager - *10 years of experience*
Ms. Thorp holds a Bachelor of Business Administration degree in Management from the University of Mary Hardin-Baylor. Before joining Gallagher, Catherine worked as a Senior Compensation Manager at Dun & Bradstreet and in roles ranging from analyst to senior manager at McLane Company, Inc. Catherine has applied her compensation knowledge in market analysis, salary structure design, pay equity, career competencies, strategic planning, system integration, and process optimization. Catherine will complete her CCP in 2023.

PROJECT STAFF SUPPORT

MARY GAUTHE, SHRM-CP, Associate Consultant - *6 years of experience*
Mary has 5 years of experience from Louisiana State University, where she's worked within the University's Central HR unit as a Compensation Consultant. Mary has a bachelor's degree in management with a concentration in Human Resources from Nicholls State University and is currently set to graduate from Louisiana State University in August with her master's in leadership and human resource development.

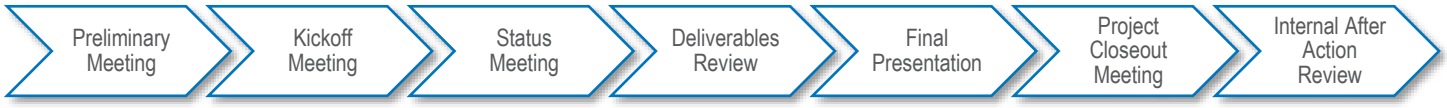
KEVIN GRANGER, Senior Analyst - *12 years of experience*
Kevin received his bachelor's degree in mathematics from Texas Southern University in 2020. Prior to joining this team, Kevin worked at Gallagher as an Associate Account Manager for 2 years. Kevin is a Houston native and loves his city.

CHARMAIN KOHLER, Consultant II & Client Liaison – *10+ years of experience*
Charmain has over 25 years of human resources experience in a variety of roles and industries. She has a bachelor's degree in business administration with a concentration in Management from Saginaw Valley State University. Prior to joining Gallagher, she was the Senior Compensation Analyst at Numotion and at Saginaw Chippewa Indian Tribe of Michigan. Her professional experience also includes 10 years as a Human Resources Consultant in higher education.

CARISSA MARTO, MA in I/O Psychology, Lead Analyst - *3 years of experience*
Carissa has a bachelor's degree in psychology from Anderson University (SC) and a master's degree in industrial & organizational psychology from Middle Tennessee State University. Prior to joining Gallagher, she held project-based roles working in performance and promotional assessments related to test design.

TRACY MORRIS, Consultant II & Client Liaison - *10+ years of experience*
Tracy has more than 10 years of experience working in the strategic HR space with significant public sector HR and compensation consulting. Tracy holds a bachelor's degree in applied economics and a Master of Business Administration, both from Texas Tech University, and she is a SHRM Certified Professional (SHRM-CP).

JAIME PARKER, Consultant II & Client Liaison – *15+ years of experience*
Jaime has 15 years of experience in Higher Education with 7.5 of those years in compensation and organizational effectiveness. Prior to joining Gallagher, she worked at Kansas State University in Human Capital Services, and also in the Office of Institutional Effectiveness. Before her career in Higher Education, Jaime worked in the Banking Industry as a Banking Center Manager and Customer Service Manager. Jaime is a graduate of Kansas State University with a bachelor's degree in accounting.



AMBER SHANG, MA in I/O Psychology, Associate Consultant - *4+ years of experience*
Amber holds a BS with honors in Psychology from the University of Washington and an MA in Industrial & Organizational Psychology from New York University. Before joining Gallagher, Amber has applied her knowledge of people analytics in roles ranging from Talent Acquisition at VNS Health to Compensation Analysis at Willis Towers Watson, and Selection & Assessment at DCI Consulting Group. At WTW and DCI, she helped clients from various sectors to tackle challenges and identify strategic solutions.

XIAOWEN YANG, BS IN MATHEMATICS, Senior Analyst – *5+ years of experience*
Xiaowen comes to Gallagher with five years of analytical experience in learning & development, product management, sales operations, and employee & physician engagement. Xiaowen most recently managed the full-cycle employee engagement survey program – encompassing design, development, analysis, reporting, and action planning - at West Monroe.

VI.F Scope Approach, Deliverables, Anticipated Timeframe, and Technological Resources

Approach

Our practice takes a thoughtful and collaborative approach to all of our client engagements, where we work to ensure our efforts are ones which demonstrate how the Public Sector & Higher Education practice **C.A.R.E.S.** - collaborate/consult, advise/assess, recommend/resource, engage/endorse, and strategize/serve - about our clients and their needs. To that end, our project approach starts with our process and client communications.

Our significant experience has resulted in a comprehensive understanding of the scope of work described by the City. Additionally, we understand the importance of this study as one of many strategies to address current human resources issues and appreciate the delicate nature of public sector spending. Below are some key considerations we have in this type of project, followed by our approach to the areas identified by the City, our detailed work plan, and the estimated project timeline.

Key Considerations:

- **Employee Involvement**. The study should be introduced to employees so they know what will happen and can ask questions, and then we suggest summarizing the study findings at the end of the project in an open session so they can see the results. Updates throughout the process will go a long way toward acceptance of the results. We believe that if employees know how and why they are compensated the way they are, they will accept the results better than if the system was created without their involvement.

- **Leadership Sponsorship**. Change is complicated! Updating classification and compensation systems requires strong and visible support of an organization's management and governance.

- **Internal Equity**. While market parity is important, most employees want to make sure that they are paid fairly in relation to other employees. We have extensive experience with designing pay systems that take into consideration internal equity and mitigate compression.

- **Project Timing**. Doing it right produces a better study outcome than trying to meet unrealistic deadlines.

- **Data/Exceptions**. Rely on data but make decisions based on humans. It has been our philosophy that the results and recommendations should be based on verifiable, auditable and valid data. Once the basic structure is in place, adjustments may be needed for special conditions or other factors. However, the classification and compensation systems should be based on verifiable facts and solid professional standards.

- **Communication**. These systems need to be understood. They need to be simple, straightforward and transparent.

- **Pay Compression**. Give adequate attention to implementation costs when employees are placed in the pay ranges and there is potential for creating or increasing pay compression

Our Approach:

- ***Job Description Review***
  We will review existing job documentation for consistency in format and accuracy in job functions. We will use the current job descriptions provided by the City to review and revise the current classification structure. If there are concerns or questions on the descriptions, we will follow-up with discussions with Human Resources, management, or employees to ensure our understanding of the job responsibilities. Through this work we will ensure appropriate job matches and internal alignment in the potential salary structures. Additionally, we can make recommendations on job description content to ensure compliance with applicable laws and regulations.

- ***Internal Equity***
  We will work with the City to evaluate each job title with the current job evaluation methodology to determine internal equity. Our project plan and cost reflect diagnostically reviewing all the City job titles and ensuring internal consistency and accuracy of job functions. We have significant experience in applying job evaluation methods but will work with the City to ensure our understanding of the method and the jobs. In many cases, we will verify the current evaluations of the City and ask follow-up questions to clarify any questions.

- ***Market Comparison***
  We will work with the City to identify benchmark job classes for the purposes of competitive market analysis. We will survey both current rates of pay, minimum and maximum rates of pay, in addition to the relevant benefits and the employer and employee cost. We will also integrate private sector salary information in the market comparison process from survey sources that represent the local area market.

- ***Salary Structure Development & Implementation Analysis***
  To develop a reliable salary structure, we integrate market data and custom survey results with the internal equity ratings from job evaluation, so that the structure is internally equitable and externally competitive. In this step, we assign all jobs to the right pay grade and all employees to the right place in the range based on agreed upon criteria. During this phase, we also discuss how pay progression is integrated in a sustainable system that grows with the City and allows for employee development and contribution to goal achievement. Up to three implementation scenarios will be provided to the City. These resulting pay structures and implementation scenarios will be reviewed to ensure a gender and race neutral system.

- ***Final Report***
  As mentioned above, our final report will be prepared which outlines the process, methods, techniques and findings and recommendations of the study. It will include a financial impact analysis and recommended ways to implement and maintain the system in the future. We will provide the data in a format that can be used to update your HRIS system based on your implementation approach. Finally, we will train the HR staff in the proper procedure and methods to manage and maintain the system. Additionally, we will provide the necessary documentation and other materials so the City will be able to maintain the system independent of the consultant following implementation.

Work Plan:

The work plan proposed is designed to provide the flexibility necessary to attract, retain, and motivate employees to provide quality services and ensure the system is not an administrative and/or costly burden to the City now or in the future. Gallagher has integrated the Scope of Services into our phased approach and deliverables to address the City's requests. All phases will require that designated the City - team members and Gallagher have ongoing status meetings to explain the process, review the project's progress, review draft materials, address questions, and discuss next steps.

The phased work plan is as follows:

PHASE 1: STUDY ADMINISTRATION

Meeting via telephone/online platform to initiate project and discuss timelines and key deliverables.

Organization & salary material collected.

Discussion/review of the strengths and weaknesses of the City's current classification system. Discussion of the City's current philosophy and supporting strategies.

Project timetable confirmed.

Employee orientation sessions conducted.

Virtual Meetings are included. On-site visits are available at an additional charge to the City.

PHASE 2: CLASSIFICATION & COMPENSATION STUDY

Conduct of meetings with HR/leadership/project team at critical intervals to discuss deliverables.

CLASSIFICATION STUDY

Review of and analysis of job descriptions/documentation for all employees covered by the study.

Conduct interviews with managers/supervisors (and with individual employees, as necessary) to verify/clarify job information.

Analysis of existing classifications and recommendations on any changes to current classification plan.

Review exempt and non-exempt classifications to ensure proper Fair Labor Standards Act (FLSA) status.

Recommendation of standard classification and titling conventions.

If applicable, allocate employees to an appropriate job class in the new classification structure.

Conduct a complete diagnostic review of current the City's practices to identify areas of concern.

COMPENSATION STUDY

CUSTOM SURVEY

Labor market confirmed and survey participants identified to gather data from local, state and regional sources.

Benchmark jobs identified and summarized (includes one [1] round of client revision).

Benefit and pay practice questions determined for inclusion in the custom survey. Custom survey developed and conducted (includes two [2] rounds of client revision).

INTEGRATE PUBLISHED SURVEY SOURCES

Identify appropriate published survey sources.

Collect market data from published survey sources using data cuts from public, private, local, state and regional sources.

The following activities will be performed on all data:

Comprehensive internal salary relationship analysis of data to ensure the structure is internally equitable and externally competitive.

Competitive analysis of market data (salary, benefits, and contracts) performed.

Diagnostic review of current salary structures conducted to identify opportunities for simplification, reduction in pay compression.

Recommended pay structure developed or existing structures updated (includes 1 revision requested).

PHASE 2: CLASSIFICATION & COMPENSATION STUDY
Internal review conducted and consolidated feedback provided by the City. The City approves the updates to the pay plan(s) and other recommendations and implementation options. Provide the City with up to three (3) transition options, recommendations and next steps/ongoing maintenance (includes one round of client revision).

PHASE 3: PROJECT FINALIZATION, DRAFT & FINAL REPORTS
Consultant shall make presentations to the HR/leadership prior to completion and at the time of completion, at times and in a manner agreed upon with the City. Conduct of meetings with HR/leadership/project team at critical intervals to discuss deliverables. Draft and final report and presentations developed, and quality assurance reviews conducted. Training provided for staff including necessary tools to maintain the system.

Deliverables and anticipated timeframe

The following is an estimate to complete each phase by month. We will discuss the details of each phase during Phase 1 and identify specific deadlines for the project at that time. We will conduct frequent conference calls with the City to ensure the schedule is monitored throughout the project. In today's world, speed is very important. However, given the significance of this project, it is just as important for the City officials, department heads, and employees to have sufficient time to review and approve the recommendations of Gallagher and to ensure proper communications occur. We have prepared a timeline to ensure the City has the work products in an expeditious manner. Our phases run concurrently; in that we do not wait until the full completion of a phase to begin another phase. We are prepared to commence the work within two weeks of receiving your authorization to proceed.

Month	PHASE 1 Study Administration	PHASE 2 Classification & Compensation Study	PHASE 3 Project Finalization, Draft & Final Reports
1			
2			
3			
4

VI.G Fee Proposal

Our fees to conduct the study outlined above (including out-of-pocket expenses) will be $59,825. The table below outlines the price per phase.

Phase	Fees
PHASE 1: Study Administration * *Includes virtual meeting and ongoing project management meetings throughout.* *On-site meetings are available at an additional cost**	**$7,000**
PHASE 2: Classification & Compensation Study **	**Classification Study: $26,275** **Compensation Study: $19,750**
PHASE 3: Project Finalization, Draft & Final Reports *Includes virtual meeting; On-site meetings are available at an additional cost **	**$6,800**
TOTAL COST (inclusive of all tasks) will not exceed: $59,825	

**On-site meetings are available at an additional cost.*

***Should the City request Gallagher to update/write job descriptions, those services will be priced separately since we are unable to determine the number that will be required. Pricing would be $550 per job description and is in addition to the "Total Cost" identified above.*

Our study costs are directly derived from estimating the number of hours needed to perform the work and the level of the consultant charged with performing the work. Gallagher typically bills on a monthly basis up to the maximum of each deliverable. Please note, as phases sometimes run concurrently, a phase may not be completed at the time it is billed. All expenses are included in this quote. Should the City wish to have additional on-site presentation days or meetings, the estimated cost would be $4,000 per day.

Any change to the scope of the assignment (beyond what is described above) as well as other work requested beyond this assignment will be billed based on our hourly rates, unless we mutually agree on a fixed fee for the additional work.

VI.H References

Contact names and phone numbers are listed for each project. These projects are relevant to demonstrating our ability to meet the needs of the City and show considerable experience in developing compensation systems for a variety of public sector organizations. Our references can attest to the timeliness, quality, and responsiveness of the services we provide, our understanding of job classification and pay equity, and our knowledge of legal issues, such as the ADA and FLSA, and our expertise in working with public organizations and sensitive personnel issues. The projects listed below were completed by members of your project team and within similar timeframes to what the City is requesting.

CITY OF RUSTON, LA | *401 North Trenton Street, Ruston, LA 71270*
Julie Keen, Finance Director, 318.251.8651, JulieKeen@RustonLA.gov

In 2022, Gallagher contracted with the City of Ruston to perform a compensation study for all city employees. The study utilized a custom survey and published data to complete the study. The study included police, fire, and utility workers.

CITY OF AUSTIN, TX | *301 West Second Street, Austin, TX 78701*
Bryan Dore, Compensation Manager, 512.974.3216, bryan.dore@austintexas.gov

We have been retained to do numerous projects with the City since 2017. In 2017, we were hired to assist the City with a review and assessment of the compensation strategy and to conduct a compensation study for the Human Resources and Legal departments. In 2019, Gallagher conducted another custom salary survey for the City and a comprehensive evaluation of pay equity in comparison to its prior studies to identify if there are any pay equity issues in the organization. Since 2021, we have been engaged in several more compensation projects.

CITY OF GILLETTE, WY | *201 East 5th Street, Gillette, WY 82716-4303*
Déca Wasson, Human Resources Director, 307.686.5222, decaw@gillettewy.gov

From 2022 to 2023, we were contracted by the City to perform compensation and HR advisory services.

HARRIS COUNTY, TX | *3100 Main Street, Houston TX 77002*
Amanda Porter, Senior Manager, Compensation and Position Control, 713.274.3018, Amanda.Porter@harriscountytx.gov

We are currently engaged with the County for a compensation, classification, and pay equity study. This study encompasses over 18,000 employees across 4,000 classifications. The study involves writing job descriptions, creating guidelines, and training for salary administration to ensure pay equity.

Additional references and/or case studies are available upon request to support client decision-making.

Our clients were not able to complete the reference form in time to submit our proposal. If chosen as a finalist, we will ensure these reference forms are completed and given to the City.

VI.I Financial Stability/Litigation

Financial Viability:

Our parent company, Arthur J. Gallagher & Company, is a publicly held corporation, and confirms strong revenue every year. In 2024, our annual revenue was over 10 billion. Due to the sheer size of our financial reports, please visit https://investor.ajg.com/financial-reports to view our past years' annual reports.

Litigation & Proceedings:

Arthur J. Gallagher & Co. and its affiliates may be involved in multiple actions at any given time that are proportionate in number for a broker of our size and profile. Gallagher treats these matters as confidential, and SEC guidelines prohibit us from providing material information in this RFP response that is not currently disclosed to the public. Any material items are noted in reports to the SEC, which are available on investor.ajg.com under Investor Relations > SEC Filings. However, nobody on the project team assigned is involved in any ongoing lawsuits.

Contractual Considerations

Gallagher is pleased to submit this proposal to the City. While this proposal is not meant to constitute a formal offer, acceptance, or contract, notwithstanding anything to the contrary contained in the proposal, Gallagher is submitting this proposal with the understanding the parties would negotiate and sign a contract containing terms and conditions that are mutually acceptable to both parties.

Our legal team has provided the following exceptions to the terms and conditions outlined in this proposal. We are open to discussion on these.

- Gallagher is not a federal contractor or subcontractor. Therefore, Gallagher cannot agree to federal contracting provisions contained within the RFP.

Require_City_Forms

- Copy of Sam's Gov Registration (PDF Page 1) - Gallagher is not a federal contractor (or subcontractor) and is not registered in SAM, and has made an informed business decision not to enter into this space.

RFP_City of New Smyrna Beach FL 1-21-25

- Section III.T (PDF Page 11) - Indemnification should be limited to grossly negligent acts and omissions, breaches of the contract, intentional misconduct, or violations of law.

- Section III.T (PDF Page 11) – A limitation of liability clause must be added. We would set this limit at $1,000,000.

- Section III.KK (Termination for Convenience) (PDF page 15) - Note that City can terminate the agreement at any time for any reason by giving 30 days' notice. We request at least 90 days' advance notice.

- Section III.KK (Termination for Convenience and Termination for Cause or Default) (PDF Page 15) - This section should make clear that Client shall own all final deliverables provided to Client by Gallagher as part of the services provided under this Agreement, provided however, Gallagher shall retain sole and exclusive ownership of all right, title, and interest in, and to, its intellectual property and derivatives thereof which no data or Confidential Information of the Client was used to create and which was developed entirely using Gallagher's own resources, including any and all pre-existing or independently developed know-how, methods, processes and other materials prepared by Gallagher. To the extent Gallagher's intellectual property is necessary for the Client to use the deliverables provided under this Agreement, Gallagher grants to Client a non-exclusive, royalty-free license to Gallagher's intellectual property solely for Client's use of such deliverables.

- Section VII (PDF Pages 27 - 29) - Below are Gallagher's insurance representations based on AJG Risk Management policies. These are not changed on a client by client basis:

  - Gallagher shall at all times during the term of this Agreement and for a period of two (2) years thereafter, obtain and maintain in force the following minimum insurance coverages and limits at its own expense:

  - Commercial General Liability (CGL) insurance on an ISO form number CG 00 01 (or equivalent) covering claims for bodily injury, death, personal injury, or property damage occurring or arising out of the performance of this Agreement, including coverage for premises, products, and completed operations, on an occurrence basis, with limits no less than $2,000,000 per occurrence and $4,000,000 in the aggregate;

  - Workers Compensation insurance with statutory limits, as required by the state in which the work takes place, and Employer's Liability insurance with limits no less than $1,000,000 per accident for bodily injury or disease. Insurer will be licensed to do business in the state in which the work takes place;

  - Automobile Liability insurance on an ISO form number CA 00 01 covering all hired and non-owned automobiles with limit of $1,000,000 per accident for bodily injury and property damage;

  - Umbrella Liability insurance providing excess coverage over all limits and coverages with a limits no less than $10,000,000 per occurrence or in the aggregate;

  - Errors & Omissions Liability insurance, including extended reporting conditions of two (2) years with limits of no less than $5,000,000 per claim, or $10,000,000 in the aggregate;

- Cyber Liability, Technology Errors & Omissions, and Network Security & Privacy Liability insurance, including extended reporting conditions of two (2) years with limits no less than $2,000,000 per claim and in the aggregate, inclusive of defense cost; and

- Crime insurance covering third-party crime and employee dishonesty with limits of no less than $1,000,000 per claim and in the aggregate.

All commercial insurance policies shall be written with insurers that have a minimum AM Best rating of no less than A-VI, and licensed to do business in the state of operation. Any cancelled or non-renewed policy will be replaced with no coverage gap, and a Certificate of Insurance evidencing the coverages set forth in this section shall be provided to Client upon request.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See ***Specific Instructions*** on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

GALLAGHER BENEFIT SERVICES, INC.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☑ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) 5

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) E

(Applies to accounts maintained outside the United States.)

5 Address (number, street, and apt. or suite no.). See instructions.

2850 GOLF ROAD

6 City, state, and ZIP code

ROLLING MEADOWS, IL 60008

Requester's name and address (optional)

7 List account number(s) here (optional)

P.O. Box 71696, Chicago, IL 60694-1696

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–		–				

or

Employer identification number

3	6	–	4	2	9	1	9	7	1

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person** Amy McClary **Date** 4/15/2024

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Erik Henry-Smetana, Managing Director
(Print Individual's Name and Title)
for Gallagher Benefit Services, Inc.
(Print Name of Entity Submitting Sworn Statement)
whose business is Consulting Services.

and (if applicable) its Federal Employer Identification Number (FEIN) is 36-4291971

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Minnesota

County of Hennepin

Erik Henry-Smetana, being first duly sworn, deposes and says that:

He/she is Managing Director of Gallagher Benefit Services, Inc., Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Gallagher Benefit Services, Inc.

Consultant E-Verify Registration Number: Company ID Number: 87458

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of ~~Florida.~~ Minnesota City of Minneapolis

Before me, the undersigned authority, personally appeared Erik Henry-Smetana

who was duly sworn, deposes, and states:

1. I am the Managing Director of Gallagher Benefit Services, Inc. with a local office in Minneapolis, MN (City & State) and principal office in Rolling Meadows, IL (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFP 08-25-HR, Compensation and Benefits Study.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

ADDENDUM 1
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
JANUARY 28, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 1 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** Section V. Minimum Qualifications states the proposer must have a staffed office within the State of Florida. The Archer Company has a consultant on our team based in Florida, who offices out of her home, like the majority of our team. This is not unusual in the HR consulting space these days. Will the presence of a consultant in a home-based office in Florida be sufficient to meet this requirement?
   Answer: Yes

2. **Question:** Are all job classifications to be reviewed and benchmarked as part of the study? Or will the City accept proposals where a percentage of the classifications are reviewed and benchmarked as is a common practice?
   Answer: All job classifications should be reviewed.

3. **Question:** Is the $2 Million Personal and Advertising Injury Insurance limit able to be waived? We have $1 Million Personal & Advertising but $2 Million for General Aggregate and Products/Completed Operations.?
   Answer: $1 Million personal and advertising injury insurance is acceptable.

4. **Question:** Is it acceptable for a consultant to bid on only portions of the work? For example, our firm's expertise is in compensation and not benefits, so the benefits section may be better handled by a separate firm, while our compensation process and structure may be more favorable.
   Answer: The preference is for a consultant who can bid the entire survey.

5. **Question:** Section VI.H states that the reference questionnaires are due back to CoNSB by 2/4/25; but the questionnaires state that they are due back to CoNSB by 2/20/25. Can you confirm which date is correct?
   Answer: Reference questionnaires are due back to the City prior to 5:00 pm on February 20, 2025.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

ADDENDUM 2
RFP 08-25-HR: COMPENSATION AND BENEFTIS STUDY
February 5, 2025

TO ALL PROPOSERS:

Notice is hereby given to all Proposers that this is Addendum 2 to RFP 08-25-HR, Compensation and Benefits Study, issued January 21, 2024. This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Questions/Answers:

1. **Question:** What was the date of the last study completed? Was it of the same scope as the current request? Did it include updated job descriptions?
   Answer: 2020. It was in the original scope but due to Covid it was modified and not completed.

2. **Question:** Was the study completed internally or with the assistance of an outside firm? Who was the outside firm if one was used?
   Answer: Externally by Evergreen.

3. **Question:** How many unique job titles are covered in the study?
   Answer: About 150

4. **Question:** Can you advise us on the anticipated start date of the project?
   Answer: As soon as possible after contract is awarded.

5. **Question:** When do you need to have your results for the study?
   Answer: As soon as possible after all data is gathered and analyzed. Prefer 120 days.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

RE: RESPONSE TO RFP #08-25-HR COMPENSATION AND BENEFITS STUDY

Dear Ms. Vivian:

MGT Impact Solutions, LLC (MGT) is pleased to present this response to your recent request for proposals (RFP) for a Compensation And Benefits Study for the City of New Smyrna Beach ("City"). MGT's response provides the City with related firm qualifications, key experience, a detailed work plan with timeline, and associated fees to provide services that exceed expectations. Our highly trained staff are experts in providing quality classification and compensation studies that ensure competitive and equitable pay. Since we are familiar with working with similar organizations in Florida compensation improvements desired. We are experts in classification and compensation studies and know we would be a perfect fit for the City.

Why is MGT the Most Qualified to Conduct the City's Study?

- ✓ ***Experience***. MGT has the experience and certifications that human resources (HR) departments need. MGT staff are certified as Senior Human Resources Management Certified Professionals (SHRM-SCP & SHRM-CP), Project Management Professionals (PMP), Six Sigma Lean certified professionals, and Certified Change Management Professionals (CCMP). Additionally, MGT has conducted numerous human capital studies nationwide, such as HR audits, compensation and classification studies, staffing reviews, benefits reviews, recruiting, leadership development, performance system updates, and organizational and staffing reviews. Furthermore, many of our clients are repeat clients, attesting to our acumen for local government HR consulting services and our desire to work with each public sector client to create a lasting bond that ensures their success over time.

- ✓ ***Best Practices Comparisons***. MGT offers the City our extensive experience to identify exemplary management practices — reflective of the City's input and that of comparable localities. This experience gives us not only a ready reference point for reviewing the City's classification and compensation system, but also provides us with practices that have been proven successful in other similar organizations. This knowledge is of significant value when we design recommendations for improvements.

- ✓ ***Sound Findings and Data-Driven Recommendations***. In our experience, most major improvements in local government operations require bold thinking. In helping the City reconcile its pay system with its evolution and workforce changes, our team members will not hesitate to question existing organizational structures, programs, policies, rules, statutes, operations, work processes, and staffing patterns. We will make sound recommendations for improvements that produce real — *not just on paper* — results and ease of future pay administration for the City.

- ✓ ***Assistance in the Implementation of Recommendations***. We will create detailed implementation strategies to support the City with initial implementation and best practice guidance for maintaining and sustaining an equitable compensation study and classification system over the long-term.

Strategic MGT Partnership Benefits

- Our team of professionals will meticulously gather data across departments to present information that is integral to ensure that the City is both attracting and retaining top quality staff.
- Our team of seasoned professionals offers the expertise and knowledge necessary to determine equitable salaries and benefits for all employees of the City.
- MGT will deliver a salary and benefit study that ensures the City remains competitive within its area while maintaining long-term financial sustainability by leveraging the expertise of our experienced, certified management professionals. Through the application of our proven methodology, which has enhanced hundreds of organizations, we will help the City attract and retain top talent, strengthening its position as an employer of choice.

Management Summary

Management Summary

Project Understanding & Methodology

MGT understands the City's desire for a Compensation And Benefits Study to ensure the current program is up-to-date, equitable, and market competitive. We have provided a project team that has full availability, training and resources to comply with the City's requirements. The primary outcomes for this study will include:

- A comprehensive evaluation of all 150 positions and current pay plan(s).
- Evaluation of existing pay policies and practices.
- A market survey of comparable organizations within the market area.
- Recommendations for updated job titles, reclassifications, or consolidations.
- Recommendations for Fair Labor Standards Act (FLSA) exemptions statuses of jobs.
- Updated job descriptions in an approved template, as needed, to ensure industry best practices and appropriate language, ensuring accurate descriptions of duties, minimum requirements, responsibilities, physical requirements, and work environment details.
- Recommendations for a revised pay plan(s) with position plan/grade assignments.
- A comparative benefits review and recommendations for enhancing current offerings.
- Estimate of the fiscal impact of the recommended changes.
- Development of implementation strategies for making any recommended adjustments.
- Best practice guidance for policies and procedures for developing and maintaining a fair and competitive pay plan.
- Presentation of the completed study, if desired.

PROJECT DELIVERABLES

- MGT will provide bi-weekly verbal check-ins and monthly written detailed progress reports as well as periodically presenting data to the City Commission electronically (or in-person as required) throughout the process.
- MGT will provide a detailed final written report to the city designated representative within one hundred twenty (120) days of all tasks for the classification, compensation, and benefits study. Report to include the research performed, methodology, compensation philosophy, findings and policy update recommendations based on proposed/revised pay plan, implementation, and financial impact.
- MGT will present the final completion of the study to staff and/or the City Commission.

INITIAL MEETING(S)

Upon agreement to proceed, MGT's project team will hold a virtual meeting with the City's Project Officer and key staff to discuss the study's objectives and to review the project scope, methodology, and timeline. This will include a review of data collection activities and expectations relative to the type and extent of employee involvement needed. MGT will also share a Data Request Checklist of initial data and documents requested for the project team's review and establish a deadline for receipt of the necessary information for the study. During initial meetings, MGT will also discuss with the Project Officer and key staff about the City's compensation philosophy, or market goals, and the strengths and limitations of the current compensation system. These discussions will provide the MGT project team with an understanding of current concerns and opportunities to address them during the study. The MGT project team will maintain frequent contact with the City's Project Officer, and other key

stakeholders as appropriate, to ensure the final components of the revised compensation system meet the City's goals and expectations for the project.

PROJECT ORIENTATION

MGT offers a variety of communications support to help introduce and orient the City's employees to the goals and expected outcomes of the study. Communications support includes, but is not limited to, study announcement templates, a Study Frequently Asked Questions (FAQs) sheet, and orientation sessions. Orientation sessions include an introduction to the study's data collection activities, outlines of expected employee involvement, and provide an overview and training to encourage staff engagement and a high-quality data collection of job information. MGT also provides exemplary service during our data collection, providing technical assistance and 1:1 engagements with staff to ensure optimal participation in study processes, which may include additional hard copy survey reviews, focus groups, or interviews in addition to regular data collection processes.

REPORTS

MGT will provide a draft report with detailed recommendations and implementation cost estimates to the City's Project Officer to ensure all aspects of the proposed report meet the City's standards and provide viable recommendations. We will meet virtually with the Project Officer to review the results and recommendations in the final report and implementation options, which may include multi-year phase-in approaches. After reviewing the draft report, we will make any needed revisions and submit the final reports, which include a confidential version with employee-specific data for Human Resources, and a public version for wider dissemination and to support the City's adherence to any public information requests.

MGT always strives to perform above and beyond client expectations for our projects. Each project engagement has its own challenges, and MGT is an active partner in weathering the fiscal and political concerns of our clients to ensure there is an accepted, practical, and implementable result at the end of our studies. MGT's team often provide additional communications support, particularly at the end of projects with executive leadership and unions, for supporting the implementation of recommendations. We also provide additional implementation support to clients for consultation regarding any changes that may be needed for implementation plans.

TRAINING AND POST-STUDY SUPPORT

During the study, the MGT project team will work closely with the Project Officer and key staff to provide training on the study processes and as the systems are developed. MGT will train key staff on the study's files to support implementation and ongoing maintenance and administration of the system. As part of all MGT's compensation studies, we offer ***optional post-study support*** to ensure our clients have the guidance and support needed for the successful implementation of study recommendations.

PROJECT MANAGEMENT

MGT uses proven project management methodologies — multiple practitioners have their PMP and Prosci Change Management certifications — to ensure we deliver project results that are on time, on budget, and meet or exceed client expectations by identifying long-term, decision-making solutions.

We find that the two most critical keys to project success are **planning** and **communication**.

We take very intentional measures to define milestones, responsibilities, and delivery dates in our **planning** process, and to track work progress against the work plan daily, providing weekly project status reports. As soon as the contract is awarded, we enhance the project work plan that was included in our proposal by adding specific milestones, delivery dates, and consultant responsibilities. We refine this plan with input from our project initiation meeting(s) with the client. We employ problem-solving skills, technology, and staff adaptability to react to variances between work plan projections and actuals to meet the City's deadline.

Throughout this process, we remain in frequent **communication** with the client to avoid surprises or conflict. Our project teams are in regular contact with the Project Officer, providing weekly project status updates and bi-weekly status calls to provide a summary of progress and to address any risks or variances from the planned schedule.

A Social Impact Commitment

DEFINED BY IMPACT

Making a profound impact on society is at the heart of who we are and what we do. The City of New Smyrna Beach should be proud to make a difference in the lives of the citizens in your community, and we are proud to work with you toward this goal. Our experienced team will conduct a comprehensive salary and benefit study, ensuring the City remains competitive in attracting and retaining top talent while maintaining long-term financial sustainability. With over 350 equity-related studies conducted, we will leverage our proven methodology to provide equitable compensation solutions that strengthen the City's position as an employer of choice. Our team empowers organizations through innovations in people, processes, and technology to lift and strengthen your solutions.

MGT's Expertise

Our firm includes more than **900 professionals**, structured into the following primary groups, along with various internal infrastructure groups to support our operations and growth.

Strategy & Implementation

Working alongside an organization's C-suite, we help leaders co-create strategy through organizational reviews and data analytics to create actionable roadmaps for success.

IT Infrastructure & Digital

We provide engineering expertise to modernize IT infrastructure and ensure your technology implementation is properly designed, integrated, modernized, and maintained.

Cyber Security & Resilience

From real-time, 24/7 monitoring to proactive threat detection and rapid incident response, we can give you the tools to heighten your network's security posture and keep it there.

Performance & Operations

Bridging the gap between strategy and enduring change, we support efficient revenue allocation, promote economic development, and create fairness in hiring and contracting systems.

Experience & Qualifications

Incomparable Consulting Expertise.

We are proud to offer the exceptional expertise of our team members, and our understanding and knowledge of the City of New Smyrna Beach's scope based on years of relevant experience. We bring the breadth and depth of knowledge and expertise vital to identifying real, practical solutions that meet our clients' needs. Part of our success is based upon our commitment to be flexible and responsive. We are acutely aware of the political, economic, social, and technological atmosphere of today's public sector environment. More specifically, MGT is adept in compensation consulting in the state of Florida and for similar organizations as illustrated by our sample list of completed projects below.

MGT has conducted compensation, classification, and human resources studies for clients nationwide. Our Human Capital practice is dedicated to helping our clients find the procedures and people they need to deliver quality services to their constituents. An equitable and competitive compensation program is key to reaching that goal. As the City of New Smyrna Beach pursues an update of its compensation system, assuring a fair, competitive, and attractive compensation package to its employees will go far towards assuring continued quality in the provision of the City's services.

The list below presents a sample list of clients, by state, for which MGT has completed classification, compensation, and other human capital projects.

Florida Specific Studies

CITY OF APOPKA, FL CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor
10/1/2018 – 12/31/2019
Edward Bass, City Administrator
120 East Main Street | Apopka, Florida 32703
(407) 703-1750 | ebass@apopka.net

In direct coordination with the Office of the Mayor, MGT performed a review of the existing classification plan, performed a salary study, updated job descriptions, reviewed staffing levels and structure, conducted a market survey of five comparable regional localities, reviewed the current evaluation system, and prepared pay plan option schedules, to include implementation costs.

CITY OF ST. CLOUD, FL CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor
7/13/2021 – 10/31/2021

Mimi Tran, Director of Human Resources & Risk Management
1300 9th Street | St. Cloud, Florida 34769
(407) 957-7359 | trucmai.tran@stcloud.org

The City of St. Cloud sought a qualified and experienced consultant to provide professional services to review the City's current compensation and classification program and to provide guidance on the proper structuring and implementation of a fair and equitable compensation and classification program. A thorough and comprehensive compensation and classification study and analysis of the City and those organizations that draw on a shared labor market indicated the City's current positions and its ability now and in the future to recruit and retain talented employees to provide quality services to the City. The study indicated what actions should be taken to avoid loss of qualified staff and difficulties in recruiting new employees for City employment, while competitively compensating its 642 current employees in 234 job classifications. An Evaluation and benchmarking of the City's total compensation package was reviewed.

DISABILITY RIGHTS FLORIDA CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director
2/12/2019 – 3/1/2019
Cherie E. Hall, Interim Executive Director
2473 Care Drive, Suite 200 | Tallahassee, Florida 32308
(850) 488-9071

MGT's Compensation and Classification Study for Disability Rights Florida included 64 positions in 37 job classifications. In order to provide Disability Rights Florida with a fair and equitable compensation and classification system, MGT completed the following tasks: gathered and evaluated current employee job data, identified relevant recruitment markets, developed the compensation system, and developed implementation strategies.

FLORIDA DEVELOPMENTAL DISABILITIES COUNCIL CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director
10/4/2017 – 4/30/2018
Valerie Breen, Executive Director
124 Marriott Drive, #203 | Tallahassee, Florida 32301
(850) 488-4180 | fddc@fddc.org

MGT utilized its most updated and time-tested methodology and detailed work plan to conduct a thorough review of the Council’s current classification and compensation plan. The study evaluated the Council's 16 employees. The new plan will maintain internal equity, provide updated job descriptions, and allow ease of ongoing administration and maintenance by internal HR staff.

FLORIDA LOTTERY COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director
1/1/2016 – 9/30/2016
Nyla Davis, Former HR Director at Florida Lottery; Current HR Director at Tallahassee Community College
250 Marriott Drive | Tallahassee, Florida 32301
(850) 201-8510 | davisn@tcc.fl.edu

MGT provided a comprehensive review of the current duties and responsibilities and minimum qualifications required to perform each position and the internal consistency of those positions.

The study included a review of current positions for relevant minimum qualifications, knowledge, skills, abilities, and job duties. The review of 119 positions included Accounting, Finance, Legal, Sales, Information Technology, Procurement, Communications, Product Development, Marketing, Brand Management, Graphics, Human Resources, Support Services, Security, Claims Processing, and Retailer Contracting.

FLORIDA OFFICE OF THE ATTORNEY GENERAL ATTORNEY COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director
1/6/2016 – 6/1/2016
Deborah Strickland, Human Resources Administrator
The Capitol PL-01 | Tallahassee, Florida 32399
(850) 414-3406 | deborah.strickland@myfloridalegal.com

MGT conducted an Attorney Compensation study to determine the extent of salary disparity existing between attorneys who work for the Office and attorneys who work for other public entities including other state agencies in Florida and neighboring states.

TAMPA BAY WATER

CLASSIFICATION AND COMPENSATION ADD-ON SERVICES

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor | Rachel King, Consultant
11/9/2020 – 3/20/2024
Michelle Stom, Chief of Staff / Chief Strategy Officer
2575 Enterprise Road | Clearwater, Florida 33763
(727) 791-2305 | mstom@tampabaywater.org

MGT assisted Tampa Bay Water in the ad-hoc evaluation and update of its classification and compensation system previously developed by MGT through the provision of Add-On Classification and Compensation services, which included position evaluations, job description updates/development, and market reviews and recommendations for grade placements.

COMPENSATION STUDY UPDATE

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor | Rachel King, Consultant
1/2/2023 – 10/24/2023
Roberta F. Kety, J.D., M.S.M., Human Resources Director
2575 Enterprise Road | Clearwater, Florida 33763
(727) 791-2333 | rkety@tampabaywater.org

MGT engaged with Tampa Bay Water to provide a Compensation Study Update on the agency's current positions to ensure that positions are accurately classified and to provide an updated competitive pay plan to ensure the agency can continue to recruit and retain quality talent.

COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor | Rachel King, Consultant
4/30/2019 – 4/30/2020
Roberta F. Kety, J.D., M.S.M., Human Resources Director
2575 Enterprise Road | Clearwater, Florida 33763
(727) 791-2333 | rkety@tampabaywater.org

MGT updated Tampa Bay Water's current classification and compensation system according to federal and state laws and accepted best practices for its 150 employees in 123 job classifications.

BREVARD PUBLIC SCHOOLS, FL DISTRICT-WIDE COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director
5/1/2017 – 4/1/2018
Dr. Carol Kindt, Deputy Superintendent of Human Resources
2700 Judge Fran Jamieson Way | Viera, Florida 32940
(321) 633-1000 | kindt.carol@brevardschools.org

MGT provided services to update the School Board's compensation program to best support its mission. Upon completion of the project, MGT provided recommendations that reflected the identified mission and vision of the School Board for a well-defined compensation philosophy. A final report was issued with study results, funding recommendations, and implementation options that include a multi-year phase-in.

GULF COAST STATE COLLEGE, FL COMPENSATION AND CLASSIFICATION STUDY

Project Team Members: Sheena Horton, Project Director
2/16/2017 – 5/31/2017
Jay Sullins, Management and Operations
5230 West US Highway 98 | Panama City, Florida 32401
(850) 872-3843 | accpay@gulfcoast.edu

MGT assisted the College in the review and update of its compensation program. To achieve the mission and vision of the College, GCSC employs approximately 373 full-time employees. For this project, MGT evaluated approximately 80 position titles comprising administrative staff, executive staff, support staff, and career services positions that were the focus of this engagement. The study included reviewing existing classification and compensation policies and structures; gathering and evaluating current employee job data; recommending job description revisions; conducting a market salary survey; developing recommendations and implementation strategies; and preparing and presenting the final report.

HILLSBOROUGH COMMUNITY COLLEGE, FL ADMINISTRATOR CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor
2/12/2019 – 4/10/2019
Kristen Smuder, Executive HR Director
P.O. Box 31127 | Tampa, Florida 33631
(813) 253-7187 | ksmuder@hccfl.edu

MGT conducted an Administrator Classification and Compensation Study for Hillsborough Community College (HCC). The study included approximately 55 administrators, which included deans, directors, executive directors, vice presidents, and campus presidents. The results of the study were intended to provide the current market position of HCC; a documented and realistic compensation philosophy; up-to-date classification specifications and job descriptions; formalized salary administration guidelines and procedures for typical and hard-to-fill positions; and training across HCC's Human Resources function to maintain the division compensation program moving forward.

SANTA FE COLLEGE, FL JOB CLASSIFICATION AND COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor
12/14/2017 – 6/30/2018
Lela Frye, Human Resources Director
3000 NW 83rd Street | Gainesville, Florida 32606
(352) 395-5420 | lela.frye@sfcollege.edu

MGT conducted a comprehensive job Classification and Compensation Study of the College's administrative, professional, technical, skilled trades, environmental services, and other support and clerical positions. The College desired to pay the highest amount possible within budgetary constraints guided by appropriate market comparisons and keeping up to date with all current and pending federal and state laws and regulations. To complete the study, MGT reviewed salary structure and existing titles with recommendations for competitiveness with peer colleges and market, to put the College in a position to attract and retain well qualified employees; provided appropriate salary ranges, determined the appropriate grades, and the minimum, midpoint, and maximum for each grade; included an analysis, ranking, and assignment of each job to an appropriate salary grade level to ensure fairness and internal equity; provided recommended policies and procedures to ensure the results will be maintained and updated appropriately; defined career paths within job families, the promotional structure within the career path and what education, experience, and milestones are necessary for each step in the career path; and provided a cost analysis based on each recommendation.

GLADES COUNTY, FLORIDA EMPLOYEE HANDBOOK AND JOB DESCRIPTION UPDATES

Project Team Members: Sheena Horton, Project Director
3/8/2019 – 5/31/2019
Martin Murphy, County Manager
500 Avenue J, Room 102 | Moore Haven, Florida 33471
(863) 946-6000 | countymanager@myglades.com

MGT developed a comprehensive and legally compliant employee handbook for the County. The handbook included information about obligations, standards of behavior, and disciplinary procedures that provide structure, consistency, fairness, and reasonableness in the way in which employees are treated. In addition, MGT completed a thorough review and evaluation of existing job descriptions, and created new job descriptions where none existed. The project was completed on time and within budget.

HILLSBOROUGH AREA TRANSIT AUTHORITY COMPENSATION STUDY

Project Team Members: Sheena Horton, Project Director | Brandon Ledford, Project Advisor
10/2/2019 – 1/2/2020
Crystal Hundley, Interim Chief People Officer
1201 East Seventh Avenue, Tampa Florida 33605
(813) 384-6385 | hundleyc@gohart.org
MGT provided a comprehensive review of the current duties and responsibilities, and minimum qualifications required to perform each position and the internal consistency of those positions. The study included a review of current positions for relevant minimum qualifications, knowledge, skills, abilities, and job duties. MGT completed the following tasks: gathering and evaluating current employee job data, identifying relevant recruitment market(s), developing the compensation system, and developing implementation strategies.

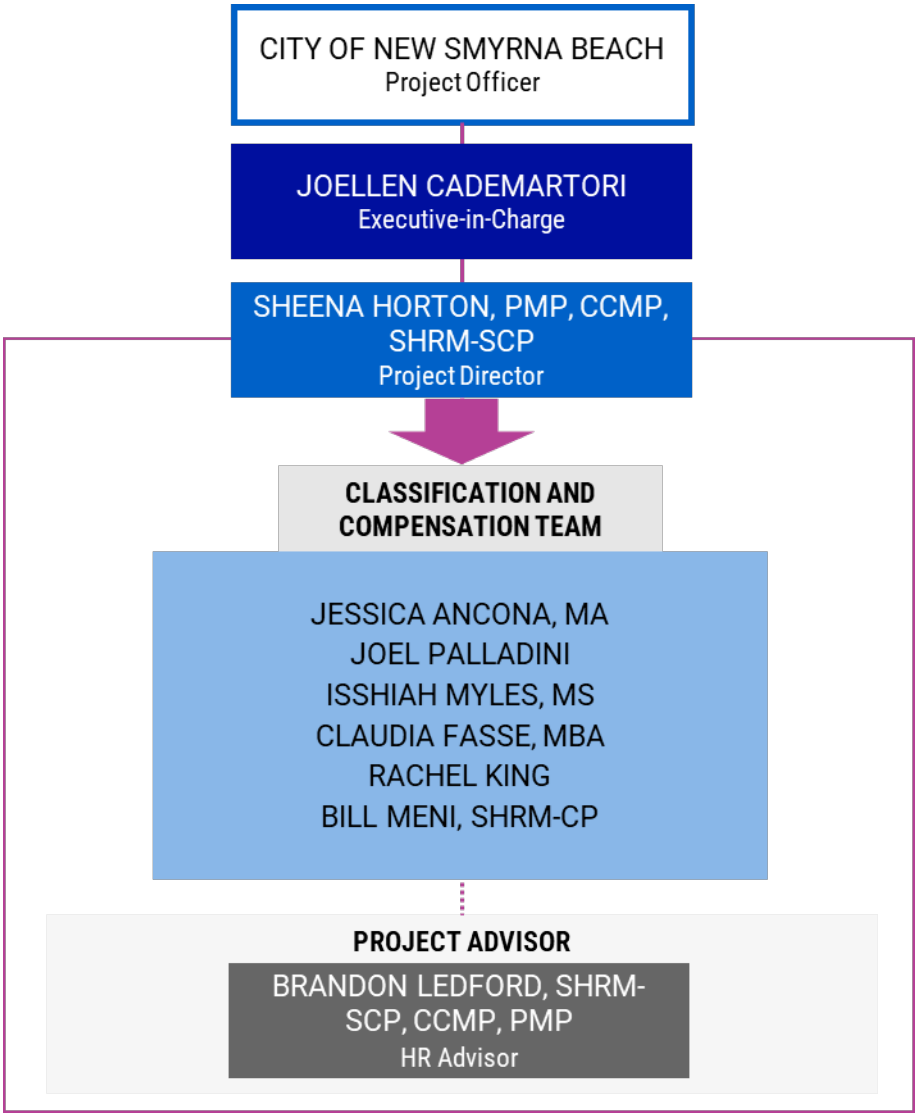
TAMPA HILLSBOROUGH EXPRESSWAY AUTHORITY | COMPENSATION SURVEY

Project Team Members: Sheena Horton, Project Director | Rachel King, Consultant
3/2/2023 - 4/21/2023
Greg Slater, Executive Director/CEO
1104 E. Twiggs Street | Tampa, Florida 33602
(813) 272-6740 Ext. 111 | greg.slater@tampa-xway.com
Tampa Hillsborough Expressway Authority (THEA) in Florida contracted with HR Soul and MGT Consulting (MGT) in March 2023 to conduct a Compensation Survey for 31 positions. As HR Soul's compensation experts partner, MGT led the execution of this engagement for THEA. The

purpose of the Compensation Survey was to conduct a market salary survey and assessment of comparable positions at peer organizations to provide THEA with recommendations for updating their compensation plan. The study included market comparisons to 11 comparable transit agencies and resulted in recommendations for pay plan updates, grade placements, and reclassifications to update and increase the competitiveness of THEA's compensation system.

SKILLS AND CREDENTIALS OF THE DESIGNATED PROJECT TEAM

The success of a consulting engagement is founded on the qualifications of the project team and the way in which the review is structured and managed.



Our work with clients is characterized by the belief that we can only be successful if our clients develop the knowledge, capacity, and mechanisms to help themselves. To that end, all our services:

- Build on our clients' existing strengths and resources while empowering them to address present challenges.
- Assist our clients to learn about widely recognized best practices and emerging research.
- Encourage our clients to develop the habit of identifying, collecting, and acting on essential, current, and relevant data.
- Help our clients maximize the efficiency and effectiveness of their human and fiscal resources.
- Provide pragmatic and affordable solutions that will be deliverable and sustainable over the long-term.

Illustrated in **Exhibit 1** is the proposed management structure for this project, which has been designed to define the roles and responsibilities of each team member assigned to this project and to facilitate project management. The strength and experience of our team will allow for efficient and effective project management and results. Each team member has a wide range of project experience working with clients similar to the City of New Smyrna Beach. The team we have designated is highly experienced with this type of engagement, and therefore requires little orientation time.

MGT cross-trains staff to ensure appropriate coverage for our projects. Should any member of the team take leave or resign during the engagement, MGT is prepared to orient and assign a comparable staff member with similar expertise and skill to cover the member's duties. This guarantees project continuity and ensures that deliverables remain on schedule.

Exhibit 1. Project Organizational Structure

Project Staff Roles and Responsibilities

ROLE ASSIGNED	RESPONSIBILITIES
CITY OF NEW SMYRNA BEACH'S REPRESENTATIVE	We look forward to working with the City's Representative to build a long-lasting and trustworthy partnership that produces innovative solutions.
EXECUTIVE-IN-CHARGE *Joellen Cademartori*	The Executive-in-Charge holds the following responsibilities: ▪ Overseeing contractual process at the start of the project. ▪ Ensuring the team fulfills all contractual requirements. ▪ Managing resources appropriately. ▪ Resolving any conflicts or point of escalation for any challenges. ▪ Final authority over project deliverables.

ROLE ASSIGNED	RESPONSIBILITIES
DIRECTOR *Sheena Horton, SHRM-SCP, PMP, CCMP*	The Director holds the following responsibilities: ▪ Administrative management over project and team. ▪ Point of contact for the City in addition to Project Lead. ▪ Oversight over service and deliverable quality. ▪ Practice and Project Team management.
PROJECT LEAD & SUPPORT TEAM *Jessica Ancona, MA* *Joel Palladini* *Isshiah Myles, MS* *Claudia Fasse, MBA* *Rachel King* *Bill Meni, SHRM-CP* *Brandon Ledford, SHRM-SCP, CCMP, PMP*	The Project Lead & Support Team holds the following responsibilities: ▪ Project Lead serves as the main point of contact for the City and the management of the project, tasks, and deliverables. ▪ Work closely with the City under the direction of the Project Lead and Director to carry out the various tasks and deliverables. ▪ Utilize individual subject matter expertise to customize and execute each work task and fulfill the City's stated expectations. ▪ Conduct collection and analysis of relevant data. ▪ Review, document, evaluate, and generate recommendations in accordance with each component of the work plan.

Resumes

Resumes of each team member are provided on the following pages. The personnel described in our proposal are the professionals who will provide the services for this project.

Joellen Cademartori

Senior Vice President

Joellen Cademartori, Senior Vice President at MGT, brings nearly 30 years of comprehensive experience in municipal leadership, human resources, and management consulting within the public sector. Renowned for her exceptional communication skills, Joellen has fostered strong relationships with peers, elected officials, and government partners nationwide. Her dedication to local government excellence has positioned her as an industry leader in executive recruiting, interim staffing, and human resources consulting.

Throughout her career, Joellen has been privileged to serve on numerous local, state, and national committees. A personal and professional highlight for her was being on the International City/County Management Association (ICMA) Executive Board as a representative from the Northeast Region. Joellen regularly speaks in front of groups and writes about a variety of local government topics, which include organizational analysis, generational diversity, succession planning, performance management, resume development, and interviewing skills and techniques.

Sheena Horton

SHRM-SCP, P.M.P, C.C.M.P.

Director, Human Capital Consulting

Sheena Horton is a certified Project Management Professional (PMP) and Prosci Change Management Practitioner (CCMP) with over 18 years of expertise in evaluation and 15 years in management consulting. As a Director at MGT, she specializes in human capital projects, focusing on classification and compensation studies, program/performance evaluations, needs assessments, and strategic planning. Sheena's comprehensive skill set includes empowerment evaluation, quality assurance, efficiency reviews, market research, organizational reviews, and business process analyses. Her multifaceted experience extends to supporting student housing studies, facilities assessments, student literacy and safety program evaluations, and community engagement initiatives.

Sheena's academic background includes a Master's degree in Criminology and Criminal Justice and dual Bachelor's degrees in Sociology and English. She also holds a certification in Diversity, Equity, and Inclusion in the Workplace from the University of South Florida. Her notable contributions to human capital and organizational solutions have earned her prestigious awards, including the Seminole 100 Honoree and MGT's Bull by the Horns MVP Award.

Joel Palladini

Analyst

Joel Palladini is a U.S. Army Veteran and mid/senior-level Analyst with 7+ years of experience in data analysis, project management, and working with dynamic cross-functional teams. He provides oversight and project management for classification and compensation studies and has broad experience conducting analyses on classification and compensation studies, and organizational expertise in managing software and collaboration tools to keep the human capital team on track in completing projects. He also provides the team with excellent technical expertise in various systems and methodologies.

Joel's time in the military established a baseline career as an Analyst. He served as an Intelligence Analyst in the 82nd Airborne Division based out of Fort Bragg, North Carolina. Joel had one deployment to the Middle East in support of Operation Inherent Resolve. In addition to his work on human capital, he assists key leaders with client relations support, processing opportunities, and providing guidance on next steps with future clients.

Joel holds a Bachelor of Science degree from Kent State University in Integrative Studies with concentration in Business Administration, Accounting, and Marketing.

Areas of Expertise

- Project Management
- Data Analysis
- Classification and Compensation Studies
- Intelligence Analysis
- Client Relations

Education

- B.S., Integrative Studies, with a Concentration in Business Administration, Accounting, and Marketing, Kent State University

Recognitions

- 2022 Army Commendation Medal
- National Defense Service Medal
- Global War on Terrorism Service Medal – Expeditionary
- Professional Development Ribbon

Claudia Fasse, M.B.A.

Analyst

Claudia Fasse is deeply committed to staying abreast of the latest trends and best practices in HR, particularly in Compensation and Classification, Training and Development, and Employee Relations. In her recent role, she focused on supporting compensation processes, strategies, and concepts, specializing in job description writing and job levels. Claudia played a pivotal role in enhancing the skills of her team by spearheading initiatives to strengthen job profiles. Moreover, she collaborated closely with Human Resource Information Systems (HRIS) to implement Workday enhancements, resulting in improved team efficiency. She also managed communication for quarterly salary and budget surveys, overseeing survey participation and data management, as well as maintaining vendor relationships and managing invoices with survey providers. Claudia's dedication extended to creating mission-critical process documentation and emphasizing the importance of broader technological and business changes impacting compensation processes.

With a Master of Business Administration degree, Claudia brings a wealth of experience in customer service, communication, and analysis. Her overarching career goal is to leverage her education and expertise to contribute to organizational growth and success, striving to make meaningful contributions in her field.

Bill Meni, SHRM-CP, PHR

Independent Contractor

Bill Meni is a seasoned Senior Human Resources Analyst with a robust background in recruitment, retention, employee engagement, and team building. He excels in developing comprehensive HR management systems that support business growth and streamline operations. With extensive experience in classification and compensation analysis, safety and risk management, benefits and payroll administration, and compliance, Bill is adept at enhancing staff management and performance. His commitment to continuous improvement and his proficiency in all HR facets has consistently driven successful outcomes in diverse organizational settings.

Throughout his career, Mr. Meni has established and refined HR processes to ensure efficient and effective operations. He has a proven track record in managing employee relations, conducting compensation studies, and overseeing recruitment processes. His leadership in HR functions has significantly contributed to organizational stability and growth, particularly in educational and regional business environments.

SCOPE APPROACH, DELIVERABLES. ANTICIPATED TIMEFRAME, AND TECHNOLOGICAL RESOURCES

Strict adherence to a detailed work plan and schedule designed for conducting a quality compensation study with clear reporting dates for each major activity.

Our team's approach to compensation studies is based on the methodologies, models, and tools that we have developed for this specific type of work, coupled with **+50 years** of service to public sector organizations across the country. To successfully conduct a study, it is important to fully understand the environment in which an organization operates and the objectives of the study to provide a complete, forward-thinking compensation program and final report.

MANAGEMENT ISSUES PAPER© SURVEY

As part of MGT's staff engagement and data collection activities, we also conduct a Management Issues Paper© (MIP) survey to gather input from department heads and/or supervisors regarding concerns for positions under their supervision. These concerns may include, but are not limited to, issues of recruitment, retention, salary or pay range concerns, career advancement gaps, outdated position titles, or exemption status concerns. A sample MIP is provided in **Appendix A** of this proposal. Early insights into classification or compensation concerns gathered at the start of the study help the MGT project team to refine our job data and market data collections and to ensure that all aspects of the study are specifically tailored to the areas of most concern to the City to support relevant and practical recommendations and strategies at study completion.

JOB CONTENT QUESTIONNAIRE©

MGT anticipates certain job description information may be outdated and that job incumbents (or their supervisors) may be asked to complete a partial or full Job Content Questionnaire© (JCQ) to ensure the MGT project team has the most up-to-date job data for the study. This information provides a better understanding of a position's job duties and the job's minimum education, experience, and training requirements (including certification and licenses). A sample JCQ is provided in **Appendix B** of this proposal. MGT's JCQ is a standardized instrument that collects detailed data on a position's duties and qualifications and allows for objective analyses of job content across organizations. MGT will provide orientation sessions via Microsoft Teams, Zoom, or a tool preferred by the City, to explain to employees how to complete the questionnaire and the types of data required. Supervisors and department heads will be asked to review the forms completed by employees for completeness and accuracy, making additional comments as necessary. MGT appreciates the fiscal constraints that are common to our public sector clients. As such, we are prepared to facilitate the JCQ process remotely, as appropriate, ensuring an efficient data collection process with minimal interruption to staff and their workday.

Proposed Work Plan

The tasks below represent MGT's proven work plan for Classification and Compensation Studies. The nature of these tasks requires that some be done sequentially, while others may occur simultaneously.

WORK PLAN TASKS	
TASK 1.0:	Conduct Initial Meeting and Finalize Project Details
TASK 2.0:	Implement a Communications Strategy
TASK 3.0:	Review Existing Data and the Current Compensation System
TASK 4.0:	Gather Employee Input and Job Data for Analysis
TASK 5.0:	Identify Recruitment Market(s) and Conduct Market Survey(s)
TASK 6.0:	Evaluate and Benchmark Positions
TASK 7.0:	Update Job Descriptions as Needed
TASK 8.0:	Gather Data and Conduct Benefits Comparisons
TASK 9.0:	Conduct Market Review and Develop Compensation System
TASK 10.0:	Develop Cost Estimates and Implementation Strategies
TASK 11.0:	Prepare and Submit Draft and Final Reports
TASK 12.0:	Conduct Project Management Activities
TASK 13.0:	Provide Post-Study Support

TASK 1.0: CONDUCT INITIAL MEETING AND FINALIZE PROJECT DETAILS

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To conduct introductions of the project teams and to establish roles and responsibilities for the project. ▪ To gain a comprehensive and mutual understanding of the project's background, goals, and scope. ▪ To discuss the strengths and limitations of the current system. ▪ To identify specific needs or concerns, strategies, and the level of staff involvement needed for input and data gathering during the study. ▪ To modify, if needed, and agree upon a work plan, timeline, deliverables, and monitoring procedures for the study.	▪ Kick-off meeting. ▪ Data Request Checklist. ▪ Updated work plan and timeline.

Work Activities

1.1 Meet with the designated Project Officer and key client staff members (as appropriate) to accomplish the following:

- Conduct team introductions and establish roles and responsibilities during the study.
- Review the technical approach and work plan to make any necessary modifications.
- Finalize the project schedule.
- Discuss the project's background, strengths and limitations of the current system, and key desired outcomes.

- Identify key stakeholders and degree of involvement and communications.
- Determine how and when to best communicate project activities with the Project Officer, the City's staff, and administration, as appropriate.

1.2 Review the Data Requests Checklist to obtain relevant existing reports and data, including but not limited to:

- Current job descriptions with detailed accounts of primary duties, responsibilities, and minimum requirements, as available.
- Organizational charts detailing position titles and supervisory authorities.
- Current pay plan(s) with position assignments
- Existing related policies that relate to recruitment, retention, position creation or reclassification, position placement, and compensation administration and maintenance.
- Current employee data for calculating implementation cost estimates, such as current position title, department, hire date, position date, and current salary/wage.
- Any previous studies, evaluations, or other reports applicable to this project.

1.3 Provide an updated and finalized work plan, timeline, and deliverables list to the Project Officer.

TASK 2.0: **IMPLEMENT A COMMUNICATIONS STRATEGY**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To establish a communications strategy for key stakeholders to introduce the study and provide information regarding study goals and objectives at the beginning of the process. ▪ To provide supplemental materials to support communications with staff. ▪ To establish a strategy and expectations for communicating project status updates and involvement in key decisions to the Project Officer and other key staff during the study.	▪ Study Announcement template. ▪ Customized Frequently Asked Questions (FAQ) document. ▪ Virtual orientation presentation, if desired. ▪ Communications plan for status updates.

Work Activities

2.1 Identify with the Project Officer the key stakeholder groups for the study and determine their degree of involvement and communication needs. This includes employees at large for announcing the study, and for key stakeholders who may need to be included in project status updates or key decision-making points.

2.2 Establish a communications strategy with the Project Officer regarding communicating the study's goals, objectives, anticipated outcomes, and participation expectations for employees in data collection activities. This may include a Study Announcement template and/or Study FAQ sheet provided to the Project Officer to share with employees, or a virtual or recorded orientation presentation provided by MGT.

2.3 Identify any critical issues and resolve and/or prepare a strategy for addressing critical issues.

2.4 Agree upon, and document, future communication expectations, including periodic update meetings and project status updates with the Project Officer and other key staff,

as well as any additional meetings to present the final report to designated stakeholders.

TASK 3.0: REVIEW EXISTING DATA AND THE CURRENT COMPENSATION SYSTEM

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To obtain and perform a comprehensive review of current data and system documentation. ▪ To review the current job descriptions for employees. ▪ To review related compensation administration policies and the factors currently used in determining pay grade or salary level. ▪ To review the current compensation philosophy documentation, if available, or to discuss compensation goals relative to market standing.	▪ Data cleaning, conversions, and organization, as needed. ▪ Assessment of current data and system documentation. ▪ Development of Study Main File (Excel format).

Work Activities

3.1 Obtain, clean, organize, and evaluate current data and system documentation.

3.2 Review current pay ranges and plan construction, including job placements in the existing system using current job description data, policy information, employee longevity, and other relevant data.

3.3 Request and verify data for each employee, including but not limited to, name, current salary, years of service, rank in the organization, and assigned department. Develop Study Main File to use during the study as a repository for employee information and related market data, analyses, and cost reports.

3.4 Note initial observations and potential issues to be resolved.

TASK 4.0: GATHER EMPLOYEE INPUT AND JOB DATA FOR ANALYSIS

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To administer MGT's MIP survey, if desired, to supervisory employees to identify compensation and classification concerns for specific positions. ▪ To administer MGT's JCQ, as needed, to employees to collect job data for analysis. ▪ To review collected survey data and related information.	▪ Administration of MGT online surveys, as appropriate (MIP, JCQ). ▪ Survey status updates. ▪ Analysis of collected input and job data. ▪ MIP Results Summary Report. ▪ JCQ Data Output File copy.

Work Activities

4.1 Determine, in collaboration with the Project Officer, survey needs relative to supervisor input and updated job data collection.

4.2 Work with the Project Officer to modify and administer the **MIP** survey to supervisory employees included in this engagement. The MIP online survey (found in **Appendix A**) serves two major purposes: 1) to offer supervisory employees the opportunity to briefly express their concerns regarding the current compensation and classification system, as well as organizational structure, to the project team; and 2) to identify key areas of

focus to set the analysis and review process in the proper direction. This includes identifying positions that may have outdated job descriptions or position titles, recruitment or retention concerns, exemption status issues, or concerns relative to present pay assignments.

4.3 Work with the Project Officer to identify and administer the **JCQ** to employees included in this engagement, as needed, to conduct job audits. The JCQ online survey (found in **Appendix B**) is used to capture specific job data on factors such as primary duties, education requirements, experience requirements, financial authority, job complexity, decision-making authority, specific knowledge, skills, and abilities, physical demands, and work environment (i.e., FLSA and Americans with Disabilities Act [ADA] requirements). The JCQ may be administered via online survey, interviews, and/or focus groups. The JCQ may be utilized to gather partial or full job data from employees, or to provide supervisors the opportunity to provide job data on positions under their authority in cases where there are no incumbents or there are minimal differences between the updates and current job descriptions. MGT tailors the use of the JCQ process to gather any necessary data for study analyses while minimizing interruptions to employees' daily work routines.

4.4 Provide regular status updates on survey progress to the Project Officer.

4.5 Review the MIP surveys completed by administrators, managers, and supervisors to identify concerns regarding position levels and descriptions, organizational structure, and other issues as needed. Develop and provide a summary report of MIP data collected to the Project Officer.

4.6 Review the results from the JCQ data collection and conduct data cleaning as needed to prepare data for analyses. Prepare and share a copy of the JCQ Data Output file with the Project Officer.

TASK 5.0: IDENTIFY RECRUITMENT MARKET(S) AND CONDUCT MARKET SURVEY(S)

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To identify the appropriate market data sources and recruitment market(s) for positions included in the study. ▪ To determine appropriate public and/or private organizations to use for benchmark comparisons. ▪ To select sample benchmark positions that meet the approval of the Project Officer and are appropriate to use in conducting a market survey. ▪ To administer MGT's Custom Market Survey to gather market data for comparisons.	▪ Market data source(s) identified. ▪ Recruitment market(s) identified. ▪ Creation and administration of market survey(s). ▪ Survey status updates. ▪ Review of survey results.

Work Activities

5.1 Identify appropriate data sources and recruitment markets for benchmarking positions. Data sources may include:

- Data gathered through MGT's Custom Market Survey from comparable organizations for a sample (50%) of the City's positions to be compared to this source.
- Salary.com CompAnalyst's employer-reported market data, updated monthly, which is designed to support unique situations, such as hybrid positions. CompAnalyst data can be controlled for geographic area, industry, and/or organizational full time

equivalent (FTE) or budget size. All the City's positions included in the scope of this study will be benchmarked to this data source. This data source is also utilized to address gaps in peer data responses from the Custom Market Survey and to provide additional data verification for gathered market survey data.

- Additional market survey data provided by the City. (See Work Plan Assumptions.)

5.2 Work with the Project Officer to identify appropriate public and/or private organizations that offer comparable employment opportunities to use for benchmark comparisons. Market levels may include City-recommended local jurisdictions at the state, county, town, or other locality level. Additional regional and national benchmarks may be included for more uniquely competitive positions, such as senior leadership/executive roles. The Market Survey will include up to eight comparison agencies including the City for comparisons. Consideration will be given to the following criteria:

- **Geographic Area (Location)**. The geographical scope of the labor market survey (i.e., local, statewide, regional, or national areas).
- **Service Structure.** Organizations with comparable jobs and similar organizational structure and economic characteristics.
- **Size.** Comparability of organizational size (measured through number of management and non-management positions, budget, population served, etc.).

5.3 Review and select an appropriate sample of the City's positions (up to 50% of those included in the study's scope, as appropriate) to benchmark to the data collected through MGT's Custom Market Survey. The sample benchmarks selected for the market survey should be based on the following criteria:

- Be reasonably well-known and concisely described.
- Have a clear and identifiable relationship with other positions in their occupational group to ensure they will serve as a good reference point in relating and establishing salaries for other positions within their job category.
- Be representative of the various functional areas, job categories, and pay levels.
- Be directly affected by the selected comparable organizations relative to recruitment and retention challenges (i.e., identified as hard-to-recruit or highly competitive positions).

5.4 Prepare and administer MGT's Custom Market Survey. Includes providing survey status updates to the Project Officer and conducting online research and outreach to non-responsive organizations. Includes the collection of pay, supplemental pay, benefits, and policy data for analysis.

5.5 Compile and analyze Custom Markey Survey data.

TASK 6.0: **EVALUATE AND BENCHMARK POSITIONS**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To evaluate all positions relative to current job duties and qualifications to determine appropriate job titles, FLSA statuses, and benchmarks for market comparisons.	▪ Identified benchmarks, as available and appropriate. ▪ Job title recommendations. ▪ FLSA status recommendations.

Work Activities

6.1 Evaluate collected job data for each position in the determination of the following:

- Current primary job duties, minimum qualifications, job scope and responsibilities, level of authority, specializations, work environment, and physical requirements.
- Job title/classification updates, as needed, to ensure accurate and industry-standard job titles recognizable to job candidates and reflective of the position's function in the organization.
- FLSA exemption status recommendations.
- Selection of appropriate benchmarks for conducting market comparisons and assessing the competitiveness of the existing pay ranges.

6.2 Review and discuss the draft recommendations regarding position titles and FLSA statuses with the Project Officer.

6.3 Share and discuss the selected benchmarks with the Project Officer, addressing any questions or outliers, and making any remaining benchmark modifications.

TASK 7.0: **UPDATE JOB DESCRIPTIONS AS NEEDED**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To review and update job descriptions, as needed, in an agreed upon format.	▪ A set of updated job descriptions.

Work Activities

7.1 Review and develop an updated draft job description format to uniformly reflect the distinguishing characteristics. All job descriptions will be updated in Microsoft Word format.

7.2 Evaluate collected job data for each position to determine each position's current primary job duties, minimum qualifications, job scope and responsibilities, level of authority, knowledge, skills, abilities, specializations, equipment used, and ADA characteristics of the position (i.e., physical, environmental, and sensory). Also include verification of the Equal Employment Opportunity (EEO) designation. Provide recommended updates and/or revisions.

7.3 Update job descriptions and submit copies to the Project Officer. Job descriptions will be provided as two sets: one set that includes proofreading marks denoting changes, and a clean set with all changes accepted and that are ready for use.

TASK 8.0: **GATHER DATA AND CONDUCT BENEFITS COMPARISONS**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To obtain current benefits information and review current state. ▪ To conduct a market survey data collection of benefits information from comparable peer/competitor organizations. ▪ To conduct benefits comparisons to the City's benefits. ▪ To summarize data findings and provide recommendations for enhancing current benefit offerings.	▪ Review of current benefits. ▪ Peer benefits data collection. ▪ Benefits comparisons. ▪ Benefits recommendations.

Work Activities:

8.1 Gather current benefits data from the City for review and to clarify any questions about the data with the Project Officer.

8.2 Identify, in collaboration with the Project Officer, comparable peer/competitor organizations to include in the Custom Market Survey and gather contact information.

8.3 Prepare and administer the Custom Market Survey to gather benefits information, including conducting online market research and outreach to non-responsive organizations. Includes the data collection of retirement plans, paid time off, and employee insurance coverages and contribution rates for health, dental, vision, group life, group short term disability and other ancillary benefits.

8.4 Provide survey status updates to the Project Officer.

8.5 Clean and summarize the benefits data collected and conduct data comparisons.

8.6 Develop and share recommendations with the Project Officer.

8.7 Prepare a draft benefits review report chapter detailing the process, findings, and recommendations from the review.

TASK 9.0: CONDUCT MARKET REVIEW AND DEVELOP COMPENSATION SYSTEM

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To conduct a market review of benchmark data in relation to the existing system to determine appropriate adjustments. ▪ To conduct pay plan modeling to make necessary adjustments to the compensation system to reflect the market and the City's compensation goals. ▪ To determine appropriate plan/grade assignments for positions.	▪ Market review. ▪ Updated compensation plan. ▪ Position assignments.

Work Activities

9.1 Review and compare the selected benchmark data for the given positions against the current pay plan to determine appropriate plan adjustments.

9.2 Confirm with the Project Officer and other appropriate staff the desired characteristics of the City's updated compensation and classification system.

9.3 Develop draft pay plan models for the City's consideration. The draft will include details regarding market point placement and the distance between grades and within the ranges between minimum and maximum salaries. The draft will provide steps for transitioning employees from their current positions and/or pay plan(s) to the proposed system. MGT will provide an updated plan that:

- Reflects the City's mission, goals, and strategic plan.
- Reflects the identified competitive recruitment markets.
- Is flexible to manage and update for ongoing maintenance and administration.
- Contributes to the overall efficiency and effectiveness of operations.
- Provides guidance for moving employees into the new structure(s).

9.4 Assign positions to the pay plan model and review position placements and hierarchies with the Project Officer and finalize. Includes consideration of employee longevity in

placements within the ranges. Includes adjustments to address internal equity and compression.

TASK 10.0: DEVELOP COST ESTIMATES AND IMPLEMENTATION STRATEGIES

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To provide cost projections, phase-in options, and best practice guidance for implementing the proposed updates. ▪ To provide key staff any remaining training on study files and components. ▪ To assist in communicating the results of the classification and compensation study to key stakeholders.	▪ Cost projections. ▪ Phase-in options. ▪ Implementation guidance. ▪ HR staff training on files. ▪ Communication of study results.

Work Activities

10.1 Integrate employee and position data into compensation and implementation reports.

10.2 Identify the financial impact of the revised compensation system, including phase-in options.

10.3 Review the draft compensation system and financial impact with the Project Officer and other appropriate staff.

10.4 Review study results with the Project Officer and other key staff, as directed, to identify and determine options for migrating the City from its current system to the recommended system.

10.5 Provide HR staff with any remaining and needed training on the updated system and study files to support implementation.

10.6 Communicate study results to the City's designated leadership, including staff and administration, as desired. This may include a Study Results Summary handout and/or a Final Presentation, if desired.

TASK 11.0: PREPARE AND SUBMIT DRAFT AND FINAL REPORTS

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To provide a copy of the final Study Main File for the City's records and use. ▪ To develop and provide draft and final reports containing a detailed narrative about the study's methodology, results, implementation strategies, guidelines for maintenance, and implementation costs.	▪ Finalized Study Main File (Excel format). ▪ Draft report. ▪ Final reports.

Work Activities

11.1 Provide a finalized copy of the Study Main File to the Project Officer. The Study Main File is provided in Excel format and includes all employee information, market data, and cost reports generated as part of the study.

11.2 Develop and provide a Draft Report to the Project Officer for review and feedback.

11.3 Complete revisions, if any and as appropriate, and prepare and provide the Final Reports. Specifically, the final report will include the following:

- Executive summary.

- Overview of the study's purpose and background.
- Preliminary profile of the current state of the compensation system.
- Detailed narrative regarding the study's methodology, processes, and data selection.
- Identification of the organizations surveyed and the selected benchmarks.
- Recommendations for classification system updates, including job titles and FLSA statuses.
- Detailed description of the creation and characteristics of the proposed system.
- Tables reflecting proposed pay plan(s) and the recommended pay ranges and salaries for each position.
- Cost projections to implement the recommendations, including phase-in options.
- Identification of outliers (i.e., employees falling above or below current proposed minimum and maximum salaries).
- Guidelines for initial implementation and ongoing system maintenance and administration. Includes best practices on promotions, transfers, job analyses, and other compensation practices and policies.

TASK 12.0: **CONDUCT PROJECT MANAGEMENT ACTIVITIES**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To provide regular updates and engagement with the Project Officer and key stakeholders on study progress. ▪ To identify and address any critical issues to ensure project success. ▪ To provide oversight and management of the project team on key project activities and deliverables. ▪ To ensure the project complies with the project's scope, deliverables, and timeline.	▪ Project status updates. ▪ Project team management. ▪ Risk management. ▪ Project monitoring and control activities.

Work Activities

12.1 Provide project status updates and maintain in regular contact with the Project Officer to ensure all components of the study maintain alignment with the City's goals and expectations for the study.

12.2 Identify and address any critical issues during the study and keep the Project Officer apprised of any concerns requiring their input or key decisions.

12.3 Maintain contact with identified stakeholder groups, as appropriate.

12.4 Provide project team management and conduct project monitoring and control activities to ensure the project remains in compliance with the project's determined scope, work plan, deliverables, and timeline.

TASK 13.0: **PROVIDE POST-STUDY SUPPORT**

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To provide post-study consultation to address any questions regarding the study's components and recommendations. ▪ To provide guidance on the implementation of study recommendations.	▪ On-call consultation for three months post-study up to 20 hours. (MGT maintains ongoing

OBJECTIVE(S)	PROJECT DELIVERABLE(S)
▪ To provide refresher training to HR staff on the study's files. ▪ To provide support in the review of any reconsiderations.	relationships with all clients.)

Work Activities

13.1 Provide consultation to HR on the maintenance and administration of the system.

13.2 Follow up with the City's key staff to address any questions related to system implementation.

13.3 Provide refresher training to HR staff on the study's files, which includes file content orientation and guidance on formula calculations.

13.4 Provide support, as needed, in the review of employee reconsiderations regarding the study's recommendations, including job title, FLSA status, or grade recommendations.

Work Plan Assumptions

Providing assumptions helps the entire team (client and consultant) fully understand each other's expectations for the project. The following outlines our work plan assumptions:

1) The City will designate a Project Officer for this project in concert with (or prior to) project kick-off. This person will function as the primary point of contact for the project, and coordinate and facilitate the flow of information and communication between the City, key stakeholders, and MGT.
2) All phases of the project will involve input from the City's key identified stakeholders, including the Project Officer. MGT views our studies as a partnership and we value the critical insights provided by the Project Officer and key stakeholders, which ensure project outcomes reflect the mission, vision, and goals of the City.
3) MGT will work with the City to find the appropriate balance between onsite and virtual work. MGT can and has successfully performed all tasks virtually.
4) MGT will request employee/position data in a standard database format (Excel). The City will need to provide a usable database within a reasonable amount of time (e.g., two weeks) to meet the agreed upon study schedule. The initial work conducted by MGT's team will be dependent on receiving the requested information in this database request. MGT will provide immediate notification if the database does not meet specifications. All employee-specific data (e.g., employee names, titles, hire dates, position dates, salaries, etc.) provided by the City will be considered accurate and valid.
5) If the City prefers that MGT utilize additional sources of salary data (e.g., a subscriber service, or regional salary survey), the City will facilitate MGT's access and bear any associated costs.
6) MGT will be available to the City for up to 20 hours of ongoing support consultation following the completion of the project. The Ongoing Support Task is invoiced in full at the start of the ongoing support period beginning on the submission date of the study's final report. MGT's Project Director or Project Lead will provide updates to the City's Project Officer regarding hours or time remaining in this task during the effective period. Ongoing support includes:
   - Consultation to HR on the maintenance and administration of the system.
   - Addressing questions related to system implementation.

- Refresher training to HR staff on the study's files, which includes file content orientation and guidance on formula calculations (i.e., pay plan development calculations, implementation cost calculations). Training will relate specifically to the study's methodology and formulas used and will not include training staff on specific professional development software skills, such as Microsoft Excel.

The Ongoing Support Task does not include the evaluation of new positions or post-study position changes. The market evaluation and grade placement of new or changed positions since the study may be conducted as Add-On Services, as well as FLSA checks and job description creation or updates. MGT offers these Add-On Services at an affordable fixed rate for all our clients to support the ongoing maintenance of their compensation systems.

The entire classification and compensation study process is transparent, and all data collection instruments, methodology, and final outcomes will be documented in the Final Report in detail. All files are provided to the City in Excel, PDF, or Word formats for maximum implementation efficiency and periodic updating. MGT also utilizes data visualization tools, including Tableau and Bento, data visualization tools designed to help leaders easily understand and communicate data findings to support informed decision-making.

Timeline

Based on MGT's experience conducting similar studies and the RFP requirements, we anticipate the proposed project can be completed within 4 months of project initiation as illustrated in Exhibit 2. Proposed Schedule MGT proposes to complete the study by August 6, 2025.

Appendix H: Outliers Report - REDACTED
Appendix I: Implementation Report - REDACTED
Appendix J: Implementation Strategy Report - REDACTED

SECTION 1. BACKGROUND & APPROACH

REDACTED contracted with MGT Consulting (MGT) in REDACTED 2023 to conduct a Classification and Compensation Study. The overall objective of the study was to strengthen the City's compensation system to ensure that the system is accurate, equitable, and market competitive. The recommendations provided in this report will help support the City in its goal to compensate employees fairly and at market competitive rates to continue to recruit and retain the quality talent.

Project Initiation & Approach

Upon agreement to proceed, MGT held a project kick-off call on REDACTED, 2023, with REDACTED Project Officer to discuss the study's objectives, timeline, and strengths and weaknesses of the current system. This discussion was preceded by the completion of another study conducted by MGT regarding current City human resources policies and practices and helped reaffirm MGT's understanding of Stonecrest's priorities for the Classification and Compensation Study. MGT maintained frequent contact with REDACTED Project Officer throughout the course of the study to ensure the activities of the study met the City's needs and goals for the compensation review.

Below summarizes MGT's approach for the Classification and Compensation Study that was executed to address the specific issues, concerns, and objectives of REDACTED.

Task 1: Conduct Initial Meeting(s) and Finalize Project Work Plan

- Review of the technical approach and strategies to be employed, to establish a mutually agreed upon project work plan, schedule, and team responsibilities, and to begin data collection.

Task 2: Review Current System and Gather Job Data

- Gather and evaluate employee job data for analysis. This task included the review of collected data to prepare for benchmarking and developing recommendations.

Task 3: Identify Relevant Recruitment Market(s), Conduct Market Survey, and Benchmark Positions

- Identify market data sources and verify the appropriate recruitment markets and competitor/comparable organizations for surveying, benchmarking, and market comparisons.

Task 4: Revise and Prepare Job Descriptions

- Review job descriptions and job data collected from REDACTED to ensure positions are accurately classified and to update job descriptions as needed.

Task 5: Develop Compensation System and Submit Report

- Provide the City with a competitive compensation system and a study report, detailing the study's methodology, market sources, recommendations, cost estimates, implementation strategies, and best practices for ongoing maintenance and administration.

Task 6: Develop Implementation Strategies

- Provide guidance and cost projections relative to the compensation system recommendations and policy for implementation and with phase-in options

The remainder of this report provides a summary of MGT's methodology for conducting a market analysis for all included positions, information on the proposed compensation plan with a summary of the total cost to implement the model, and a final section detailing best practice guidelines for administering and maintaining the system to support future pay plan management decisions.

Job Data Collection

MGT received updated job data collected internally by REDACTED for analysis. REDACTED supervisors reviewed the City's current job descriptions and provided updates to position duties and qualifications for MGT's review. The data was used to determine the primary duties of each position, the required minimum education, experience, skills, and training for each position, and to compare jobs to identified comparable markets. This job information was also used for reviewing classifications for title or FLSA updates, and for updating the City's job descriptions to a consistent style and format and to reflect best practices relative to content. A total of 73 positions were reviewed for this study.

Market Sources and Comparison Process

One of the key components of a salary study is the market review. Relevant comparison organizations and recruitment markets were identified for retrieving market data and for benchmarking classifications. The market data sources analyzed in this study are shown in **Exhibit 1-1**.

EXHIBIT 1-1: MARKET DATA SALARY SOURCES AND RECRUITMENT AREAS

MGT CONSULTING	**MGT Custom Market Salary Survey, March-April 2023** In collaboration with REDACTED, MGT identified peer/competitor organizations to survey to collect salary and information for comparisons through MGT's Custom Market Survey. A copy of the Custom Market Survey is provided in **Appendix A,** and a copy of the Custom Market Survey Results is provided in **Appendix B.**
	REDACTED •
salary.com CompAnalyst®	**Salary.com CompAnalyst Online Database, March-April 2023** The following recruitment areas were reviewed for benchmarking classifications: • REDACTED Within these recruitment markets, the following scopes were used during analysis: • REDACTED MGT's partnership with Salary.com provides MGT with access to employer-reported salary data that is updated monthly for numerous industries. Annual average salaries were referenced for the market review. REDACTED

Sources: MGT Market Survey, REDACTED

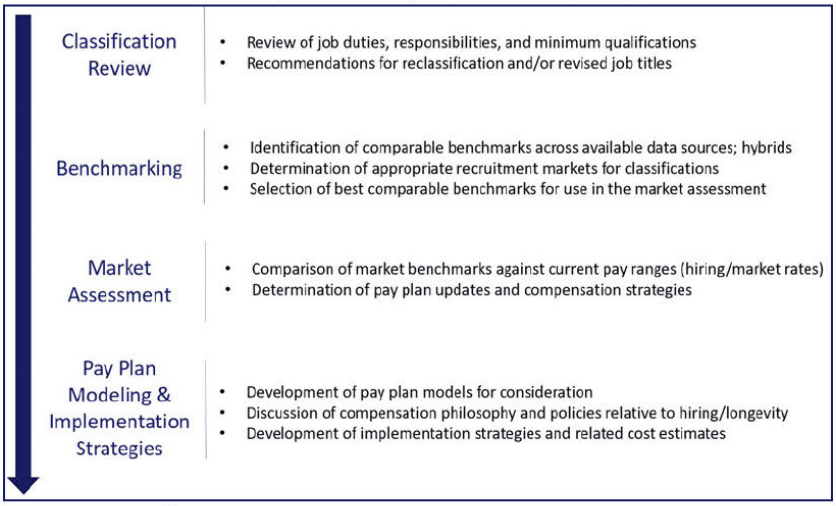
MGT Custom Market Salary Survey Process

MGT conducted a Market Salary Survey of peer organizations as a data source for benchmarking and comparisons. Salary data was gathered for the following organizations through MGT's Market Salary Survey and online research:

1. REDACTED

*Peers marked with * were unresponsive and/or data was unavailable.*

Peer organizations were invited to participate in MGT's online Market Salary Survey on REDACTED, 2023. The survey queried the comparison organizations for specific details of their positions to REDACTED positions, including match titles and descriptions, incumbent headcount and years in the position, current salary, and pay range details regarding minimum, midpoint, and maximum salaries. The Market Salary Survey included a market assessment of REDACTED positions relative to base salary. The survey and scope of the study did not include benefits comparisons as part of compensation comparisons.



Several e-mail reminders and follow-up calls were made to peer organizations to encourage participation. The survey was closed on April 4th. A copy of the survey tool used in this data collection is included in **Appendix A,** and a copy of the Market Salary Survey results is provided in **Appendix B.**

Position Review and Comparison Process

MGT reviewed all REDACTED positions relative to their job duties, qualifications, and responsibilities to determine appropriate benchmark comparisons. Generally, market benchmarks in classification and compensation studies reflect the overall market annual average salary of incumbents in a classification. Dependent on market data availability, other market salaries may also be referenced, including the market range minimum, midpoint, and maximum salary rates, to determine appropriate placement in an organization's pay plan. Through a detailed compilation and comprehensive review of the determined competitive markets, one can establish a general guide to assess market conditions. In reviewing Stonecrest's positions, a considerable amount of data was generated to select appropriate competitive markets and position benchmarks to conduct comparisons and provide recommendations for adjustments.

Exhibit 1-2 provides an overview of MGT's process for assessing the City's positions, assessing market competitiveness, and developing pay plan recommendations.

EXHIBIT 1-2: OVERVIEW OF REVIEW PROCESSES

Source: MGT Consulting, 2023.

MGT conducted an extensive review of the City's positions relative to their job duties, qualifications, and responsibilities to determine any recommended position title updates or reclassifications. Following review, the following positions were identified for recommended title adjustments to improve accuracy and reflect industry standards.

Current Job Title	Proposed Job Title
Audio/Video Technician	Multimedia Specialist
Community Development Director	Division Director of Community Development
Custodian Worker	Custodian
Director of Communications and Technology	Public Information Officer
IT Manager	Director of Information Technology
Lead Coordinator	Recreation Program Coordinator
Operations Manager	Parks Operations Manager
Facilities Coordinator	Facility Operations Manager
Program Manager	Recreation Program Manager
Seasonal Pool Coordinator	Pool Coordinator (Seasonal/Temporary)

Positions were also reviewed relative to FLSA status to recommend appropriate exemption statuses. A listing of recommended FLSA statuses for REDACTED positions is provided in **Appendix C.**

A database of all benchmark data reviewed during the study were provided to the Project Officer for reference and to support implementation and future maintenance and administration. **Appendix E** provides a summary of the selected market sources and benchmarks used in the final market assessment and development of the recommendations in this report.

A summary of the data findings and recommendations is provided in **Section 2** of this report.

SECTION 2. FINDINGS & RECOMMENDATIONS

This report section includes an overview of REDACTED current pay ranges and recommendations for updating the City's pay plan and position assignments to ensure accuracy, equity, and competitiveness.

A copy of REDACTED current pay plan with position assignments is provided in **Appendix D. Exhibit 2-1** shows an overview of the City's current pay plan, which includes 12 pay ranges with 18 percent spread between each pay grade.

- The current minimum wage of the plan is $9.53 ($19,823 annually).
- The percentage spread between the minimum and midpoint of each range is 33 percent.
- The percentage spread between the midpoint and maximum of each range is 20 percent.
- The total percentage spread between the minimum and maximum of each range is 53 percent.

EXHIBIT 2-1: REDACTED CURRENT PAY PLAN

Grade	Min	25%	Mid	75%	Max

Sources: REDACTED 2023.

The current pay plan maintains consistent percentage spreads within the ranges and between pay grades, which supports ease of administration and maintenance of the plan. The 18 percent spread between grades is larger than what is common practice (5-10% most common). This greater spread between grades and the low number of pay grades decreases the pay plan's utility in providing specificity in assigning positions to pay ranges that most closely reflect their competitive markets. A 12-grade pay plan would also be considered small for a growing city with REDACTED position classifications and an annual revenue of $REDACTED. The percentage spread from minimum to maximum is slightly higher than common practice, which is often between 40-50 percent depending on an organization's extent of employee longevity and longevity rewards practices.

REDACTED pay plan was assessed for market competitiveness by using the benchmarks' market salaries from this study's review to determine if the pay plan's structure was adequate to accommodate any needed adjustments of positions to new grade assignments, and that the pay ranges were still able to provide adequate room for salary progression in the ranges. As a result of this assessment, MGT developed an updated pay plan for the City to adjust positions appropriately to their respective markets,

allow room for career advancement, correct and avoid salary compression, and strengthen the City's market competitiveness (see **Appendix F** for the proposed pay plan).

Exhibit 2-2 shows the proposed pay plan from this market assessment. The market point for each pay range represents the average market salary rate for the positions assigned to the pay range except for classifications that were identified as highly competitive or difficult to recruit, in which case the minimum salary is representative of the market rate. The pay plan includes 30 pay ranges with 6.4 percent spread between each pay grade.

- The proposed minimum wage of the plan is $13.64 ($28,380 annually).
- The percentage spread between the minimum and market point of each range is 12 percent.
- The percentage spread between the market point and maximum of each range is 32 percent.
- The total percentage spread between the minimum and maximum of each range is 44 percent.

EXHIBIT 2-2: PROPOSED PAY PLAN

Grade	Minimum	Marketpoint	Maximum
1	$ 28,380.00	$ 32,250.00	$ 42,570.00
2	$ 30,190.16	$ 34,307.00	$ 45,285.24
3	$ 32,115.60	$ 36,495.00	$ 48,173.40
4	$ 34,163.36	$ 38,822.00	$ 51,245.04
5	$ 36,342.24	$ 41,298.00	$ 54,513.36
6	$ 38,660.16	$ 43,932.00	$ 57,990.24
7	$ 41,125.92	$ 46,734.00	$ 61,688.88

25	$ 125,136.88	$ 142,201.00	$ 187,705.32
26	$ 133,116.72	$ 151,269.00	$ 199,675.08
27	$ 141,606.08	$ 160,916.00	$ 212,409.12
28	$ 150,636.64	$ 171,178.00	$ 225,954.96
29	$ 160,242.72	$ 182,094.00	$ 240,364.08
30	$ 170,456.17	$ 193,700.19	$ 255,684.25

*Sources: MGT Consulting, 2023. Also see **Appendix F**.*

Positions were assigned to pay grades per their market benchmarks (see **Appendix G**) and were reviewed and adjusted relative to recruiting needs, job family hierarchies, and supervisory lines as

necessary. Positions assigned to pay ranges that have a market point within -10/+10 percent of the market average are considered market competitive per best practices. To determine proposed base salaries for current employees, each employee's years of service in their current position were used to identify the appropriate increment along their position's assigned pay range. Current employee longevity across the organization was taken into consideration to determine the number of appropriate increments, in which 15 years was selected to divide the earning potential between each grade's minimum and maximum salaries. Each employee was assigned a proposed base salary according to this incremental amount or was determined to remain at their present salary without adjustment if the current salary exceeded the incremental amount, whichever was higher. It is recommended that employee salaries be either maintained at their current level or adjusted upward according to the proposed pay plan and policy recommendations provided in this report, and that no employee salaries be reduced.

Exhibit 2-3 summarizes the estimated fiscal impact of the proposed pay system. **The total estimated fiscal cost of the proposed recommendations for 100% of the market implementation is $88,751.30.**

EXHIBIT 2-3: TOTAL ADJUSTMENT COST ESTIMATES

Current Payroll	Adjustment to Minimum	Remaining Adjustment Cost	Total Adjustment Cost	Resulting Percent Increase to Payroll	Proposed Payroll
$ REDACTED	$ REDACTED	$ REDACTED	$ REDACTED	%	$ REDACTED

Source: MGT Consulting, 2023.

The Adjustment to Minimum cost shown in the Exhibit represents the cost of adjusting any employee's salary that is currently below the proposed minimum up to the minimum of their proposed pay grade. This represents the first adjustment cost. The Remaining Adjustment Cost shown in the Exhibit represents the costs that remain after any adjustment to minimum is made for moving employees to their proposed base salaries. The Total Adjustment Cost represents these two adjustments combined and is the total cost for adjusting an employee to their proposed base salary.

MGT encourages the expeditious implementation of the proposed pay plan recommendations proposed in this report as the recommendations are based on the most current competitive market data available. MGT recommends that the following phase-in priorities be established:

1. All employees below the minimum salary of their recommended assigned pay grade should be adjusted to the minimum salary as soon as possible (within 1-year as best practice).

2. A proportion of the remaining adjustment costs should be applied during the first year of implementation to avoid compression (15-25%).

3. All remaining adjustments should be completed based upon a set implementation schedule (and as budget allows) to avoid compression, maintain internal equity, and ensure classifications stay competitive with the market.

The estimates provided are based on the latest employee information provided to MGT by REDACTED (REDACTED 2023). Any employee data changes occurring after this date should be accounted for in the implementation plan prior to taking effect.

In the appendices of this report, MGT has provided several study reports that will assist the City with implementing the proposed pay plan recommendations. These reports are as follows:

Grade Order List Report - Appendix G indicates the pay grade to which each job would be assigned under the proposed plan, and the minimum, midpoint, and maximum pay for each grade.

Outliers Report - Appendix H contains a list of employees who have a current salary that is below the minimum of their assigned pay grade and the cost estimates for adjustment to minimum. REDACTED

Implementation Report - Appendix I identifies the total fiscal impact of the recommendations by employee. REDACTED

Implementation Strategy Report – Appendix J provides implementation cost breakouts for 1-year and 2-year implementation strategies. REDACTED

SECTION 3. ADMINISTRATION BEST PRACTICES

Pay plans must provide for employee advancement through salary increases. Regardless of an organization's philosophy concerning advancement opportunities by way of promotions afforded to employees, it is essential that movements in the economy — and, more specifically, the labor market in which the organization competes — are addressed through salary increases and that career ladders are developed (i.e., the progression from entry-level positions to higher levels of pay, skill, responsibility, and/or authority). Salary administration procedures should be based upon organization funding levels and philosophies of pay. Although MGT cannot dictate a philosophy, it is recommended that a balance be achieved between compensation of individual employees and potential compensation to encourage recruitment and retention.

Compensation systems should be adjusted regularly based on the Consumer Price Index (CPI) and appropriate market data sources to maintain market competitiveness and adjust for inflation. Pay plan maintenance and related salary adjustments should be guided by market changes and be applied consistently throughout the compensation system, adjusting all salary ranges.

MGT recommends REDACTED

Minimum Wage Adjustments

Presently, the federal minimum wage is $7.25/hour, effective July 24th, 2009, for covered non-exempt employees under the Fair Labor Standards Act (FLSA). The Raise the Wage Act, first introduced in Congress in 2017, and again in 2019 and 2021, are the latest efforts on the federal level for increasing the federal minimum wage. The latest 2021 bill, introduced in January 2021, proposed to gradually increase the federal minimum wage from $7.25/hour to $15/hour, effective January 1st, 2025, as shown in **Exhibit 3-1**.

EXHIBIT 3-1: RAISE THE WAGE ACT, ANNUAL MINIMUM WAGE INCREASES

The multi-year gradual adjustments as part of the Act provides REDACTED

REDACTED

Initial Assignments
REDACTED

- REDACTED

New Hires and Hiring at or Above Minimum Rate
Best practices recommend REDACTED

In addition to the candidate's qualifications and competitiveness of the recruitment market, other factors that should be considered relative to determining an appropriate starting salary include comparable internal salaries and/or positions (internal equity), the turnover history of the classification, and the salary expectations of the potential employee. Salary assignments should REDACTED

Salary Advancement

Salary advancement within a pay grade is commonly based upon longevity and/or merit. Merit pay rewards an employee's performance while longevity pay can reward an employee's length of service. A merit policy and related salary advancement is determined by annual performance evaluations. If an employee achieves a "satisfactory" or higher rating, the employee should REDACTED

Promotion

A promotion is defined as an assignment to a higher-level position with increased responsibilities and job duties for which the candidate is qualified. All job vacancies should be posted according to approved policies and procedures, and the most qualified candidates should be selected. Promotions may REDACTED

Demotion

A demotion is the assignment of an employee to a position in a lower classification, with a lower maximum salary, than the classification from which the employee was previously assigned. Demotion is normally due to the removal of higher-level duties and responsibilities, organizational restructuring, or the inability of the employee to assume or perform duties of the position. A supervisor may recommend the demotion of an employee. Approval to demote an employee should be dictated by personnel rules, and the recommendation for a demotion should be made in writing, citing the reasons.

The following guidelines may be referenced for determining salary for demoted employees:

- REDACTED

Supplemental Pay

Supplemental pay is usually given to employees who hold certifications not required for their position, for undesirable work hours or shifts, as hazard pay, or when employees are assigned duties that demand a considerable number of hours outside their normal duties. Supplemental pay may REDACTED

Reassignments / Transfers

A reassignment or transfer is the non-competitive movement of an employee from their current position to another position within an organization for non-disciplinary reasons without demotion or promotion. Reassignments can be voluntary or involuntary (initiated by the employee versus by the organization or department).

REDACTED

Reassignments Under Reduction-in-Force

Employers often allow reassignments after initiating a reduction-in-force, in which employees are offered reassignment to a different vacant position instead of being laid off or furloughed.

Reassignments in which the employee is reassigned to a position in the same pay grade should REDACTED

Classification Creation and Reclassification

Organizations treat the development of new classifications and reclassifications in several ways. Classification creation or reclassification can take place when REDACTED

Job Analysis

A job analysis is a thorough review of the key elements of a job to determine the activities and responsibilities of a job, the relative importance to other jobs, the qualifications necessary for performance of the job, and the conditions under which the work is performed. An important concept in job analysis is that the job, not the person doing the job, is assessed, even though some job analysis data may be collected from incumbents.

A job analysis does not include:

- REDACTED

A job analysis commonly includes the following process steps:

- REDACTED

Job data are often collected through questionnaires/surveys, direct observation, interviews, job shadowing, and work time studies (logs). The most effective technique when collecting information for a job analysis is to obtain information through questionnaires/surveys, and/or interviews with incumbents and leadership. The information collected from the questionnaire is reviewed to make distinctions about job duties, roles, and responsibilities to determine if positions are accurately titled, FLSA designation, and to inform pay analyses and adjustments, if any. The average market salary is an indication of REDACTED

Fair Labor Standards Act (FLSA)

The Fair Labor Standards Act (FLSA) establishes minimum wage, overtime pay, record-keeping, and youth employment standards affecting employees in the private sector and in Federal, State, and local

EXECUTIVE SUMMARY

REDACTED contracted with MGT in August 2023 to conduct a Recruitment, Retention, Technical Classification, and Industry Alignment Study for the REDACTED. The following report discusses the methodology, findings, and recommendations for **Module I: Technical Classification, Compensation, and Industry Alignment Study** of the IT Recruitment, Retention, Technical Classification, and Industry Alignment Study.

The overall objectives of Module I was to review the REDACTED classifications and compensation to provide recommendations for any classification updates and market compensation adjustments to support the Division in its goals to recruit and retain quality talent and provide an attractive and equitable compensation package. An equitable and competitive classification and compensation system is essential for attracting and maintaining a skilled workforce to drive organizational performance and growth, increasing retention, employee satisfaction, and organizational effectiveness.

MGT has provided commendations and recommendations in this report for strengthening the District's and Division's current classification and compensation system. MGT's key findings and recommendations are highlighted below.

- **Classification Review**:
  MGT evaluated REDACTED

CHAPTER 1. BACKGROUND, METHODOLOGY, & CURRENT STATE

1.1 STUDY BACKGROUND

Purpose and Background

REDACTED

The following report discusses the methodology, findings, and recommendations for **Module I: Technical Classification, Compensation, and Industry Alignment Study**. The overall objective of the study was to review the Division's classifications and compensation to provide recommendations for any classification updates and market compensation adjustments to support the Division in its goals to recruit and retain quality talent and provide an attractive and equitable compensation package.

The recommendations provided in this report will assist the Division with its goal to attract and retain quality talent that provide the District with REDACTED

Overview of the REDACTED

REDACTED

To meet the Division's goals, ITS provides the following core services to the District:

- IT Infrastructure and Network Management
- Software Applications and Educational Technology Integration
- Data Management and Analytics
- IT Security and Cybersecurity
- IT Customer Support and Maintenance
- Project Management and Special Projects/Initiatives

The ITS Division is divided into the following five departments to deliver these functions:

1. **Office of the Chief Information Officer (CIO)**
   - Includes ***IT Support Services*** and the ***IT Project Management Office***
2. **IT Security**
   - IT Governance, Risk, and Compliance, IT Cyber Security Operations
3. **IT Customer Support**
   - Enterprise Endpoint Management, Technology Partnerships, IT and Parent Community Help Desks, Central Office and Community of Schools Support, and Remote Services
4. **IT Infrastructure**
   - IT Infrastructure Architecture, Infrastructure Projects and Operations, Facilities Technology Services
5. **Software Applications**
   - Software Application Architecture, Business and Instructional Applications, Enterprise Applications Development, Enterprise Data Management, IT Partnerships

1.2 PROJECT METHODOLOGY

Project Initiation

Upon agreement to proceed, MGT held a project kick-off call on August 22nd, 2023 with the Project Officer and key staff to discuss the study's objectives, timeline, and strengths and weaknesses of the current classification and compensation system as it pertains to REDACTED positions. MGT provided the Project Officer with a Data Request Checklist for gathering initial documentation for MGT's review, including but not limited to existing job descriptions, organizational charts, pay range and position placements, benefits data, and relevant compensation policy and administration documentation. MGT maintained frequent contact with Project Officer and key staff throughout the course of the study to provide status updates and to ensure the activities of the study met the Division's needs and goals for the review.

Project Work Plan and Activities

Below summarizes MGT's approach for Module I: Technical Classification, Compensation, and Industry Alignment Study review. A copy of MGT's full project work plan for Module I is provided in **Appendix A**.

Task 1: Initiate Project & Hold Project Kick-off Meeting

- Introductions and a review of the technical approach and strategies to be employed, to establish a mutually agreed upon project work plan, schedule, develop communications strategies, confirm team responsibilities, discuss strengths and limitations of current system, and to begin initial data collection.

Task 2: Develop & Implement a Communications Strategy; Hold Orientation Sessions

- Create a strategy for communicating the compensation and classification study process to ITS stakeholder groups, obtaining input from employees on the study goals and objectives, and documenting future communications and cadence, including status updates and meetings.

Task 3: Review Existing Classification & Compensation System

- Obtain and perform a current state review of existing classification and compensation data and system documentation, review current related policies, and prepare data and study files for data collection and analyses.

Task 4: Gather & Evaluate Current Organizational & Employee Job Data

- Gather relevant stakeholder input and job data from supervisors and incumbents, as needed in preparation of job analyses and market benchmarking.

Task 5: Identify Relevant Recruitment Market(s)

- Identify the appropriate recruitment market(s) for positions included in the study and for use in the selection of relevant market data sources.

Task 6: Conduct Market Survey(s) & Benchmark Positions

- Determine appropriate public and private organizations, in collaboration with LAUSD, that offer comparable employment opportunities to use for benchmark comparisons, select benchmark positions for use in a custom market survey of comparable peer/competitor organizations, conduct market data collection, and benchmark positions to identified sources.

Task 7: Revise & Prepare Job Descriptions as Needed to Align with Industry Standards

- Review collected job data and input, evaluate jobs, and make appropriate revisions to job descriptions and titles as needed to align with industry standards, and provide a documented process for evaluating new or updated jobs.

Task 8: Develop Compensation & Classification System; Present Report

- Provide the Division with recommendations and a study report, detailing the study's methodology, data collection, findings, and recommendations (with any fiscal implications) for updating the Division's current classifications and compensation system placements to ensure market competitiveness.

Task 9: Develop Implementation Strategies

- Provide implementation best practice strategies, phase-in options, and cost projections for proposed recommendations, and assist with communicating study results to key stakeholders, as needed.

Task 10: Provide Ongoing Assistance

- Provide staff consultation for a period of 12 months post-study.

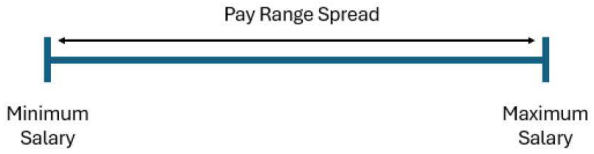
All study deliverables and files, as applicable, were provided in Excel or Word formats to the REDACTED project team for their study records and for maximum implementation efficiency and periodic updating.

The remainder of this report provides an overview of the Division's current state as it relates to its classification and compensation, followed by the results of the above project activities and MGT's recommendations for the Division's consideration.

1.3 CURRENT STATE REVIEW

This section provides a summary of MGT's initial observations of REDACTED current compensation system and related documentation received at the beginning of the study. MGT reviewed current pay ranges associated with the Division's positions as well as current compensation policies.

Summary of Current Recruitment and Retention Strategies

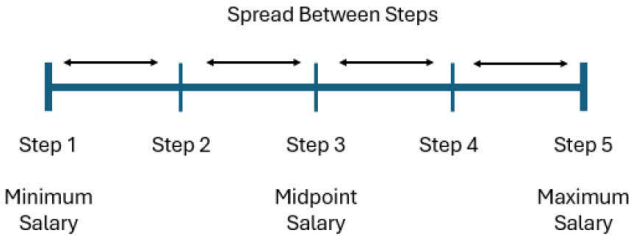


Effective recruitment and retention strategies are crucial for attracting and maintaining a skilled workforce for driving organizational performance and growth. The ITS Division employs many different strategies for recruitment and retention, including:

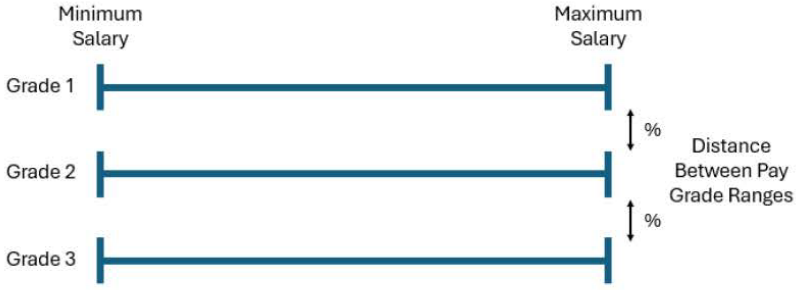
REDACTED

Observations Summary of Initial Data Review

Appendix B of this report provides a current Grade Order List of REDACTED positions by their pay range. At the start of the study, REDACTED had 120+ positions that spanned across more than 80 pay ranges. The number of pay ranges needed in a pay plan is guided by compensation administration policies and the need for accommodating positions relative to market competitiveness, internal equity, and hierarchies. The complexity of the organization's workforce and the need for flexibility in managing compensation may also affect the number of grades needed. Some organizations may opt for a broader range of grades to accommodate a diverse workforce with varying skill sets and career paths, while others may prefer a more streamlined approach with fewer grades for simplicity and ease of administration. ***The number of pay ranges utilized by REDACTED positions points to an excess and granular level of specificity, particularly considering the slim distance between the ranges.*** This can minimize the fiscal difference between positions of different complexity, responsibility level, and qualifications, and can lead to inequity and compression between jobs.



The current pay ranges have an average percentage spread of REDACTED



Each pay range occupied by REDACTED positions is divided into 5 steps, with Step 1 representing the minimum salary, Step 3 representing the midpoint salary, and Step 5 representing the maximum salary of the ranges. A few select positions were identified as using only three steps. Step plans are compensation structures where employees' salaries are determined based on predefined steps, or increments, within each pay grade. Step plans provide a structured progression for career advancement and rewards employees for their tenure and performance. These plans also provide clarity and transparency to employees regarding pay potential of their assigned pay range. The steps help ensure consistency and fairness in compensation through defined criteria for movement step to step. REDACTED

Similar to the number of pay ranges in a pay plan, the number of steps within pay ranges can vary depending on the needs of the organization, administration policies, and/or fiscal constraints. ***Most organizations*** REDACTED

Each step in the pay ranges occupied by REDACTED positions is separated by an average of 5.5 percent spread with some variation across the pay ranges, ranging from 4.2 percent to 5.7 percent. ***REDACTED***

The distance between pay ranges in a pay plan refers to the percentage difference in salary between adjacent pay ranges, such as the percentage distance between a Grade 1 minimum salary and a Grade 2 minimum salary, or a Grade 1 maximum salary and a Grade 2 maximum salary. The pay ranges that are occupied by REDACTED positions have slight variation in the percentage distance between each pay grade range, which is on average 2.2 percent. In some instances, REDACTED

Compression occurs when there is little difference, or distance, between a lower pay grade and a higher pay grade (i.e., there is little difference in pay and earning potential of an employee and director supervisor, or between new hires and long-term employees). Compression can lead to employees acquiring salaries that are comparable or surpass those salaries of positions with higher qualifications or supervisory authority. In addition, compression can occur when an incumbent stagnates at the top of their pay range. This can occur in cases where there is limited or no opportunity for advancement in a job hierarchy, or when a higher role is not attractive to the incumbent, such as not having a significant enough pay difference between the incumbent's present position and the higher role with significantly more responsibility. ***MGT identified multiple areas of compression of*** REDACTED

$ 97,063.89	$ 120,264.66	REDACTED
$ 103,851.49	$ 128,341.78	
6.99%	6.72%	*distance between pay ranges*

REDACTED

Pay grade ranges should reflect an organization's commitment to fairness and consistency in compensation. The number of grades and distance between them should allow for meaningful differentiation in pay while ensuring employees in similar roles are fairly compensated relative to others in the organization. MGT's market review will further address these questions and issues, among others, in the determination of appropriate pay ranges to house the REDACTED

workforce as well as individual position placements to best reflect their respective markets while aligning to internal hierarchies and supervisory lines.

MGT's initial review of REDACTED position titles ***identified several positions with job titles that contained unnecessary or outdated details, or that fell outside industry standard naming conventions***, which included but are not limited to the following examples:

- REDACTED
-
