12.B Board Vacancy Notice: Building Trades Examining Board

12.C Board Vacancy Notice: The Housing Authority currently has two (2) vacancies due to reappointment.

13. MAYOR AND COMMISSIONER COMMENTS

14. CITY CLERK'S REPORT

15. CITY ATTORNEY'S REPORT

15.A Settlement Proposal Emajin v. New Smyrna Beach

16. ADJOURNMENT

Pursuant to Florida Statutes 286.0105, if an individual decides to appeal any decision made by the board, agency or commission of the City of New Smyrna Beach with respect to any matter considered at this meeting, a record of the proceedings will be required and the individual will need to ensure that a verbatim transcript of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based. Such person must provide a method for recording the proceedings.

In accordance with the Americans with Disabilities Act, persons needing assistance to participate in any of these proceedings should contact the City Clerk's office in person or by mail at 210 Sams Avenue, New Smyrna Beach, Florida 32168, (386) 410-2630, prior to the meeting.

THE CITY OF NEW SMYRNA BEACH - LEISURE SERVICES

PROCLAMATION: DESIGNATION OF JULY AS PARKS AND RECREATION MONTH

July 14, 2026

Background:

In July 2026, Park and Recreation Month highlights ***"The Power Of"*** parks and recreation and the people who make it all possible. Parks and recreation brings us together, strengthens our health and well-being, and builds more resilient, connected communities.

Throughout the month, we're celebrating the many ways parks and recreation reveals the power of what connects us:

- The Power of Connection: Parks and recreation is where relationships grow, cultures meet and communities bond.
- The Power of Play: From playgrounds to programs to youth sports, play fuels creativity, joy, and lifelong learning.
- The Power of Community: Public spaces offer room for everyone to gather, celebrate and heal.
- The Power of Nature: Nature restores and inspires us, and parks ensure everyone can access its benefits.
- The Power of Belonging: Welcoming parks and programs make every person feel valued.
- The Power of Well-Being: Parks and recreation advances health, resilience and shared community benefits.

Join us this July to celebrate the transformative power of parks and recreation.

Designation of July as Parks and Recreation Month Proclamation 2026.pdf

City of New Smyrna Beach
Proclamation
Designation of July as
Parks and Recreation Month

WHEREAS, the City of New Smyrna Beach is distinguished by its exceptional coastal and community parks, including beloved destinations such as Riverside Park, Pettis Park, Rocco Park, and the nationally recognized Old Fort Park, where residents and visitors experience the natural beauty of our shoreline, riverfront, and preserved landscapes; and

WHEREAS, the City's Leisure Services Department enriches the community by activating these spaces through meaningful programming and events, including movie in the park, summer concerts, celebrations, and community functions hosted at iconic venues such as the Brannon Center, which serves as a premier location for civic events, cultural activities, and community celebrations along the Intracoastal Waterway; and

WHEREAS, New Smyrna Beach provides a wide array of recreational and sporting opportunities for all ages and abilities, including pickleball and tennis courts located throughout the city, the New Smyrna Beach Sports Complex with its tournament-quality fields and facilities, community dog parks, and the New Smyrna Beach Golf Club, all of which promote active lifestyles and community engagement; and

WHEREAS, the City's parks, marina, and waterfront amenities create spaces for recreation, connection, and economic vitality, attracting visitors from across Central Florida and the nation while reinforcing New Smyrna Beach as a vibrant coastal destination; and

WHEREAS, the work of the Leisure Services Department extends far beyond hosting events, fostering a sense of belonging, strengthening community ties, and contributing to the unique character that makes New Smyrna Beach a premier place to live, work, and visit;

NOW, THEREFORE, I, Fred E. Cleveland, Mayor of the City of New Smyrna Beach, do hereby proclaim the month of July 2026 as

PARKS AND RECREATION MONTH

in the City of New Smyrna Beach, and encourage all residents and visitors to explore, enjoy, and celebrate the parks, programs, and public spaces that define our community and make our city a destination known throughout Central Florida and the United States.

IN WITNESS WHEREOF, I have hereunto set my hand this 14th day of July, 2026.

ATTEST

Fred E. Cleveland
Mayor

Sharon Taylor-Harding
City Clerk

THE CITY OF NEW SMYRNA BEACH - CITY CLERK'S OFFICE

PRESENTATION: MARINE DISCOVERY CENTER - 2025 IMPACT YOUR SUPPORT, OUR LAGOON. LASTING IMPACT.

July 14, 2026

Background:

The Marine Discovery Center (MDC) remains a vital partner in our community, advancing Education, Conservation, Exploration, and Connection. Through its mission to inspire conservation of the Indian River Lagoon, MDC delivers meaningful impact across the community while supporting the city's environmental and economic priorities.

2025 Key Impacts

- Community & Economic Value
- Education & Workforce Development
- Environmental Stewardship
- Community Partnerships

Future Plans & Strategic Priorities (2025–2027)

- **Facility Expansion & Enhancements:** Upgrade exhibits, classrooms, and campus infrastructure to meet growing demand
- **Expanded Education Access:** Increase outreach to underserved populations and strengthen school partnerships
- **Eco-Tourism Growth:** Expand sustainable tour offerings to further support the local economy
- **Lagoon Conservation Leadership:** Deepen involvement in restoration, monitoring, and public engagement initiatives
- **Workforce Development:** Grow internship, volunteer, and training programs
- **Coastal Resilience:** Advance community awareness of the importance of Living Shoreline and environmental sustainability
- **Inclusive Community Access:** Ensure programs remain accessible, affordable, and inclusive

Findings:

In 2025, the Marine Discovery Center continued to enhance quality of life, strengthen the local economy, and protect the natural resources that define New Smyrna Beach. Since its founding in 1997, MDC has become a cornerstone of the community, recognized

for its wide-ranging conservation efforts and impactful education programs.

Through both the number of people it serves and the meaningful work it performs, MDC stands as one of the area's most valuable public attractions. Significant progress has been made over the years, and it is essential that this positive momentum continues to ensure lasting benefits for the environment, residents, and visitors alike.

MEMORANDUM

FROM THE OFFICE OF THE CITY MANAGER

To: Mayor and City Commission

From: Kevin Cowper, City Manager

Re: **City Manager's Report – July 14, 2026**

Date: July 8, 2026

- Continued preparations for the 2027 Fiscal Year Budget scheduled to be approved on September 22. Departmental Budget meetings have been conducted, as well as individual budget briefings with the City Commission. The first budget workshop is scheduled for July 16 beginning at 9:00am in the Commission Chambers. A workshop to discuss the possible implementation of a fire services fee will be conducted on July 14 beginning at 4:30pm prior to the regular City Commission meeting.
- Received notice from Volusia County Community Assistance on June 23 that the City has been awarded a $334,500 community development block grant for the construction of shade structures, artificial turf, and new outdoor furnishings at the Babe James Center. This represents phase 1 of a multi-phase project to improve the outdoor playground at the Babe James Center.
- The Finance Department issued an invitation to bid on July 1 for the Golf Cart Paths project which involves the repair and/or replacement of golf cart paths at the City's golf course. Bid opening is scheduled for August 4.
- The Finance Department issued an invitation to bid on July 2 for the Air Traffic Control Septic to Sewer project which involves replacing the existing septic system at the New Smyrna Beach Airport tower with a sewer which can serve not only the tower but also future construction. Bid opening is scheduled for August 11.
- Met with representatives from the Canal Street Classic Car Show on June 2 to discuss event logistics.
- Met with NSBU official on June 2 to discuss long-term planning efforts.

- Met with city staff on June 2 to discuss the current business tax receipt program including its' purpose, results, and revenue.
- Attended the Team Volusia Executive Committee Meeting on June 4 and received update regarding ongoing economic development activities.
- Participated in contract negotiations with FCC for solid waste services on June 22 and conducted a question and answer session with concerned citizens. The FCC contract has been fully executed and will take effect October 1.
- Attended the Volusia Manager's Meeting on June 24 to discuss matters of mutual interest within the County.
- Attended the US 1/Inlet Shores Drive Traffic Enhancement (roundabout concept) public meeting on June 24. At this time, no decision has been made to construct a roundabout or any other traffic improvement. The project is currently in the feasibility study phase, which is intended to determine whether an improvement is needed, what options are available, what impacts may exist, and whether a project is feasible before any decisions are made. The public meeting was held specifically to share some preliminary information and gather community feedback early in the process to share and hear questions, concerns, and ideas from residents. The study is designed to transparently answer community questions: whether there is a need, what alternatives exist, what impacts those alternatives may have, and what does the public have to say about it?
- Met with beachside residents on June 26 to discuss the City's ongoing sidewalk program and specifically planned sidewalk improvements located beachside.
- Key department directors attended a Hurricane Preparedness meeting on June 30.
- Met with building and development staff on June 30 to review potential ordinance and process changes necessary in response to Florida HB 803 being signed into law, on July 1, 2026. This law impacts building permit processes and fees.
- Met with the Marine Discover Executive Director on July 1 to discuss cooperative issues including the Discovery boat operation, amphitheater,

and the “Shuck and Share” program. FCC is committed to continuing the “Shuck and Share” program.

- Attended the SEVMTC Regional Strategy Luncheon on July 2 to discuss the Turnbull Creek-Old Mission Regional Resilience Corridor.
- Attended the America’s 250th Anniversary Celebration at the Brannon Center and Riverside Park on July 4.
- Met with Advent Health Hospital representatives on July 7 to discuss long term healthcare needs in NSB.
- As a reminder, the Strategic Plan is available on the City’s website at Strategic Plan | New Smyrna Beach, FL - Official Website. The plan includes nine strategic priority themes organized in three functional areas related to: Government, Residents and Business. Readers can review the nine priority themes and the tremendous progress that has been made toward implementing multiple action actions.
- Please find attached the Capital Project Monthly Report.
- Please find attached the Stormwater Monthly Report.
- Please find attached the Parking Monthly Report.
- Please find attached the 2nd Quarter Advisory Board Report.
- Should you have any questions or need additional information or clarification on any of the teams presented in this report, please let me know.

Stormwater Report (07/01/26)
Stormwater Projects

- **<u>City Wide Comprehensive Stormwater Master Plan (SWMP) Phase 2</u>:**
- **Task 1** is 100% complete (see below for Tasks description)
- **Task 2** is 88% complete (overall) with following sub-tasks and percentages complete:
  - **2.1** Identification areas of topographic voids & new developments for data capture – 100%
  - **2.2** Update stormwater model network in GWIS (Geographic Watershed Information System) with recent developments since 2021 - 75%
  - **2.3** Field reconnaissance to investigate recent developments & additional survey needs – 70%
  - **2.4** Field survey work consisting of about 90 cross-sections along primary canals & waterways and over 250 drainage structures data – 95%
  - **2.5** Hydraulic & Hydrologic basin input parameters and stormwater model network set-up in GWIS – 50%
  - **2.6** Prepare Task Memorandum to summarize Task 2 Project Geodatabase Development & Field Data Results – 10%
- Stormwater Master Plan (Phase 2) is **100% funded by Volusia County CDBG-DR Transform386 grant in amount of $1.667M**. Project schedule below from Notice to Proceed (NTP) commencing on January 29, 2026, for Tasks 1 through 7. Project completion in March 2027

Task	Days from NTP
1 – Data Collection and Cataloging	30
2 – Project Geodatabase Development	60
3 – Peer Review of Project Geodatabase Development	120
4 – Existing Conditions Model Execution and Verification	210
5 – Peer Review of Existing Conditions Model and Floodplains	270
6 – Level of Service (LOS) Determination and Conceptual Flood Control BMP Development	360
7 – Report Documentation	400

Parking Updates – July 2026

Right-Price Parking & Meter Technology

An agreement with a mobile payment provider was approved by the City Commission on May 12. PayByPhone will be rolled out on August 1 as a new way for visitors to pay for parking within the city. The kiosks will be retired on September 30. The new payment method will provide added convenience for users while saving the city money on maintenance and upkeep of the old system. This change does not affect annual permit holders, who do not need to pay for parking.

Technology & Data Integration

Parkopedia data remains accessible to the public.

All July road closures have been entered into Waze for real-time updates.

The re-bid for the Parking Guidance System (PGS) is now open, and five bids have been received from potential vendors. The committee will evaluate the bids throughout July to identify the system that best meets our needs and helps improve the parking experience. If everything goes as planned, we hope to make a recommendation to the City Commission on August 11.

Pursue Shared Parking Agreements

We continue to evaluate vacant and underutilized areas for potential City partnerships that could provide additional parking in strategic locations.

A property was recently brought to our attention that could add 21 spaces to the Flagler area parking inventory. We are currently working with City management to determine whether it is worth pursuing.

City & County Coordination

An interlocal agreement between the City and County to combine annual parking permits has been agreed upon and will be presented to the City Commission on July 14 and the County Commission on August 4. The goal is to create a one-stop option for both beach and city parking permits. This agreement is intended to reduce confusion and frustration caused by having two separate passes with different rules and regulations. Each entity will remain responsible for its own areas but permits other than standalone FIND permits will be handled by the County. We hope to roll this out in late summer or early fall. Several communication channels will be used to assist with the rollout.

Webpage & Public Information

The City webpage has been updated with the latest and most accurate parking information. We are also exploring alternative communication methods, such as Facebook and text alerts, to ensure information is shared in a timely manner. A new webpage design is coming soon to reflect the new agreements and payment changes.

All road closures are regularly entered into Google Maps and Waze to warn drivers of detours ahead of time.

We are currently developing a communication and marketing plan for the rollout of the new mobile payment provider and the agreement with the County.

Develop Multimodal Master Plan

New bike racks continue to be deployed in strategic areas around the City. New racks have been installed at the Flagler Boardwalk, 27th Avenue, Coronado Lot, and Detwiler Park.

We are in the early planning stages of assisting with western expansion plans and ensuring multiple mobility options are considered during design.

We are working with the City's legal team and Police Department on regulations regarding e-bikes following the veto of the statewide regulations.

Parking Optimization & Signage

Parts for the new crosswalk beacons are on site. They will be installed on South Riverside Drive and Live Oak Street very soon.

Additional signage has been added to the Coronado Lot to ensure ingress and egress are maintained.

New parking curbs have been installed in front of the Coronado Civic Center to optimize parking spaces and increase safety.

New no-parking signs have been added to strategic areas along 2nd Avenue to improve safety and visibility.

Enforcement continues to patrol trouble areas within the City to ensure parking regulations are followed. This also helps keep streets and sidewalks clear of illegal parking.

North Beach & Future Planning

Upon Commission approval, we will open a temporary parking lot on part of the vacant Smith Street property. This will provide 20–25 parking spaces in the hospital area, helping relieve pressure on street parking and providing additional parking for area businesses.

We are evaluating the viability of designating one City parking lot as a 24-hour lot to meet overnight parking needs. We will first need to assess any liability and safety concerns.

The North Beach parking area is close to its final condition. The new parallel parking area on Sapphire is open and performing well. Parking on Lakewood and North Atlantic has improved dramatically with new signage and the removal of overgrown brush, which has created ample room for vehicles to park off the roadway and allowed clear access throughout the area.

Public Works will add hash marks on the pavement adjacent to the parallel parking areas to help maximize the space. They will also add delineators in the no-parking areas to minimize illegal parking. We are awaiting permission from the FCT to add shell to some of the softer shoulder areas.

Paid parking will be introduced in this area on August 1 with the rollout of the new mobile payment provider. Those with a valid annual permit will not have to pay for parking in this area.

- **Corbin Park Stormwater Improvements:**
- Bi-Monthly progress meetings #2 through #6 were held in May & June between Contractor, Volusia County CEI, and City Engineer
- Contractor submitted two Work Directive Changes (WDC) to date, they were minor drainage structure modifications
- Existing Utilities Adjustments and Relocation work is (75%) complete by contractor
- Shop drawings review (100%) complete and drainage structures has been delivered to site
- Contractor is installing storm sewers & structures starting at the southern project areas and at proposed outfall locations
- Maintenance of Traffic (MOT) is on-going with single lane closures near the construction work areas
- Construction Schedule: Substantial completion in 600 days and Final completion in 630 days from NTP date March 9, 2026

Historic Westside Stormwater Improvements:

- 100% plans & specs complete including NSBU water & sewer plans, SJRWMD and FDOT Permits Issued
- City to submit for next cycle of Transform386 CDBG-DR (Hurricane Milton) funding window in Fall 2026

- **North Atlantic Drainage Improvements:**
- Project in close-out phase, received final survey as-builts and engineer's completion certification
- City Engineer has submitted final re-imbursement to FDEP for the Resiliency Grant portions

- **Dredging at Pine Shores, Cemetery Canal, & Gabordy Pond:**
- Pine Island is scheduled to be completed early summer
- Cemetery Canal is scheduled to start next month and be completed by end of summer
- Gabordy Pond is scheduled to be completed by Sept 2026

Airport Advisory Board

Name	Term	Appointment Dates
James E. Dempsey, chair	2nd	Sept. 10, 2023 to Sept. 9, 2026
Rulon Starley, vice chair	2nd	Sept. 10, 2024 to Sept. 9, 2027
Celeste Deloache Lester	3rd	Sept. 10, 2024 to Sept. 9, 2027

11.A Ordinance No. 29-26: Conduct a First Reading of an Ordinance, which, if adopted, upon the Second Reading and Public Hearing, would amend section 604.051 of the Land Development Regulations.

City Attorney Avallone read Ordinance No. 29-26 for the first time by title only. She announced that Second Reading and Public Hearing was scheduled for Tuesday, July 14, 2026.

11.B Ordinance No. 30-26: Conduct a First Reading of an Ordinance, which, if adopted, upon Second Reading and Public Hearing would amend sections Chapter 78, Traffic and Parking, Article II Parking.

City Attorney Avallone read Ordinance No. 30-26 for the first time by title only. She announced that Second Reading and Public Hearing was scheduled for Tuesday, July 14, 2026.

12. BOARDS AND COMMISSIONS

12.A Appointment: Consider the appointment of one (1) citizen to serve on the Planning and Zoning Board. The Planning and Zoning Board has one (1) vacancy due to resignation.

Annette Taylor was appointed to the Planning and Zoning Board to fill an unexpired term ending November 1, 2028.

12.B Appointment: Consider the appointment of one (1) citizen to serve on the Historic Preservation Commission. The Commission has one member whose terms is expiring and is eligible for reappointment.

Aniju Varughese was appointed to serve on the Historic Preservation Commission for a term set to expire on May 15, 2029.

12.C Board Vacancy Notice: Airport Advisory Board

13. MAYOR AND COMMISSIONER COMMENTS

Commissioner Martin commented on an awards ceremony at Read-Pattillo Elementary School, an educational recycling video, and requested consensus to prepare an ordinance regarding data centers.

Commissioner Perrine remarked on the Memorial Day service and thanked the Mayor for hosting the event.

Vice Mayor McGuirk commented on the Memorial Day and Veterans Day events and a stop sign at a pedestrian crosswalk.

Mayor Cleveland addressed the delay involving the solid waste proposal, thanked Vice Mayor McGuirk for serving in his absence, and commented on the Jack Bolt enshrinement in Pensacola and the Memorial Day event at the Brannon Center.

14. CITY CLERK'S REPORT

City Clerk Taylor-Harding provided an update regarding voter registration.

15. CITY ATTORNEY'S REPORT

16. ADJOURNMENT

As there was no further business to discuss, Mayor Cleveland adjourned the meeting at 9:03 PM.

THE CITY OF NEW SMYRNA BEACH - ENGINEERING

RESOLUTION NO. 12-26: CONSIDER THE ADOPTION OF A RESOLUTION WHICH IF ADOPTED WOULD APPROVE A FLORIDA DEPARTMENT OF EMERGENCY MANAGEMENT (FDEM) HAZARD MITIGATION GRANT PROGRAM - ELEVATE ONE HOME 2950 SUNSET DRIVE.

July 14, 2026

Background:

The City as a qualified grant sub-recipient of the Hazard Mitigation Grant Program (HMGP) applied for HMGP funding associated with damage from Hurricane Idalia. The City received a grant award to support mitigation efforts which requires approval of the subject Resolution. As a result of the property owner at 2950 Sunset Drive being subject to repetitive inundation and structural flooding, the property was placed on an initiative to the State through the Local Mitigation Strategy committee and found eligible (i.e. Benefit-Cost analysis was approved by the Division of Emergency Management). The property and the structure which is in the floodplain and does not meet current building code regulations is located on Turnbull Bay and will inevitably flood again qualifying the property for grant funding. The current owners understand the risks and are willing to proceed with their contribution to modify the home reducing the risk from future flooding.

Findings:

Based on staff's knowledge of the area and the property owner's commitment to participate throughout the process, approval of the sub-recipient agreement is recommended.

Fiscal Analysis:

The total project cost, not to exceed $547,158.50, will be fully funded through a combination of Hazard Mitigation Grant Program (HMGP) funding (75%) and contributions from the participating property owner (25%). A future budget amendment will be presented to recognize the grant revenue and homeowner contributions and to appropriate the related expenditures within Fund 117 – Hazard Mitigation Home Fund for the structure elevation project.

Strategic Plan Item:

No

Staff Report Created By: Kyle Fegley - City Engineer

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	PK4MA4NU92L5 / 596000387
Federal Award Identification Number (FAIN):	FEMA-DR-4734-FL
Federal Award Date:	March 9, 2026
Subaward Period of Performance Start and End Date:	March 26, 2024 – September 30, 2029
Amount of Federal Funds Obligated by this Agreement:	$547,158.50
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$547,158.50
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$547,158.50
Federal award project description (see FFATA):	Elevation
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Cody.Russell@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: “Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds.” Therefore, section 215.971, Florida Statutes, entitled “Agreements funded with federal or state assistance”, applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Cody Russell
Project Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 469-965-0243
Email: Cody.Russell@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399
Telephone: 850-815-4503
Email: Kathleen.Marshall@em.myflorida.com

1. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

   Kyle Fegley
   City Engineer
   210 Sams Avenue
   New Smyrna Beach, Florida 32168
   Telephone: 386-410-2811
   Email: kfegley@cityofnsb.com

2. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on March 26, 2024, and shall end on September 30, 2029, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of “period of performance” contained in 2 C.F.R. §200.1, the term “period of agreement” refers to the time during which the Sub-Recipient “may incur new obligations to carry out the work authorized under” this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement “only for allowable costs resulting from obligations incurred during” the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and FEMA approved Pre-Award costs shall be outlined in Attachment A of this Agreement (“Budget and Scope of Work”).

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$547,158.50**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) <u>RECORDS</u>

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and

Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The

Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract

provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

a. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

b. The Subrecipient acknowledges that compliance with this Section (26) is **material** to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated

at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will

not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$547,158.50**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to elevate one single-family residence in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4734-032-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to 2950 Sunset Drive, New Smyrna Beach, Florida 32168.

The scope of work of the proposed project shall elevate the existing structure a minimum of two (2.0) feet above the Base Flood Elevation (BFE) or the highest known flood level, whichever is higher, plus three feet to account for sea level rise. The property is a split-level wood frame structure built in 1987 on piers with a total living area of 2,876 square feet. The structure is located within the AE Flood Zone with a current Lowest Floor Elevation (LFE) of 1.8 feet NAVD88 and a Base Flood Elevation (BFE) of 6 feet NAVD88 in accordance with FEMA Elevation Certificate and the effective Flood Insurance Rate Map (FIRM), respectively. This residential property is prone to flooding during hurricanes and has experienced extensive structural flooding. This susceptibility is attributed to its location within the Special Flood Hazard Area (SFHA) and close proximity to the Turnbull Bay in East Volusia County.

The scope of work for this elevation project shall involve building and site preparation, along with the disconnection of utilities. The existing structure shall be raised on a new open foundation system based on pilings to the proposed Design Floor Elevation (DFE) of 11.8 feet (NAVD88). The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, and raise the structure to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. The City of New Smyrna Beach also proposes to install a medically required ADA-compliant access consisting of a lift platform. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed project intends to reduce or eliminate future flood damage to this low-lying property and protect the residents from imminent risk.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Location:

ID#	Location	Coordinates
1)	2950 Sunset Drive, New Smyrna Beach, Florida 32168	(29.070300, -80.963720)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

   The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per conceptual designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

   The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

   The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

   The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

   The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

   The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

   Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

   The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

   The project shall be implemented in accordance with conceptual designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

   The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

   The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Local Building Official Building Permit.

b) A Copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

    1. Certifying that the structure is code-compliant.

c) A Copy of the Elevation Certificate before mitigation, if available.

d) A Copy of the Final Elevation Certificate (FEMA Form ff-206-fy-22-152), after mitigation – ensuring the structure has been elevated to the proper elevation.

e) All Product Specification / Data Sheets (technical standards) satisfying protective requirements on all products utilized.

f) Signed notices from the affected property owner in the Special Flood Hazard Area (SFHA) that the Sub-Recipient shall record a Deed Notice applicable to their property, as described in section (h), below, and that they shall maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

    "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

i) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

j) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, not all project activities may be fully complete

prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient.

Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, conceptual designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of elevation of a single-family residence located on Sunset Drive, New Smyrna Beach, Florida 32168, to include building and site preparation, along with the disconnection and reconnection of utilities.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final Approval, as applicable.

3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.

4) The Sub-Recipient shall submit a copy of the Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.

5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.

6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.

7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) Environmental:

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission of the application to FEMA through the Division for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground-disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

4) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) Programmatic:

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must “obtain prior written approval for any budget revision which would result in a need for additional funds” [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

8) A copy of the recorded deed amendment for each property as required by HMA Guidance.

9) For structures located in the Special Flood Hazard Area (SFHA), the Sub-Recipient shall verify if the proposed project triggers a substantial improvement and confirm that the project will be in compliance with the current local floodplain management ordinance.

10) For structures that remain in the SFHA after implementation, flood insurance must be maintained for the life of the structure to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular properties.

    Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

    "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

11) Prior to project commencement, the Sub-Recipient must identify the source and location of fill material and provide this information to the Division and FEMA. If the borrow pit is privately owned, or is located on previously undisturbed land, or if the fill is obtained by the horizontal expansion of a pre-existing borrow pit, FEMA consultation with the State Historic Preservation Officer shall be required. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required prior to project commencement AND for project closeout.

12) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

13) A certificate of occupancy and the final Elevation Certificate (FEMA Form - Elevation Certificate -ff-206-fy-22-152) for each structure on the project to certify the structure is code compliant and was elevated to the required elevation.

14) A copy of the recorded deed for each property, including structure elevation project deed requirements for property maintenance and flood insurance requirements.

15) A signed Acknowledgement of Conditions for Properties Using FEMA Hazard Mitigation Assistance form for each structure.

16) A certification from a building official or licensed design professional verifying that the structure was designed and constructed to the minimum standard of the two most recently published editions of the International Codes, even in locations where no code has been adopted.

17) Front, rear and side photographs of the final structure(s), including the date of the photograph, property address, latitude/longitude to the nearest sixth decimal place and the source of the photograph.

18) Verification of flood insurance policy for each structure.

19) Closeout of structural elevation project, the Sub-Recipient shall provide:

    a) Updated property information for each location.

    b) A Certificate of Occupancy, certifying that each structure is code-compliant.

    c) A Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure to ensure the structure has been elevated to the proper elevation.

20) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

21) Special Conditions required on implementation of project:

    a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

22) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

    a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

    b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

    c) SRMC cannot exceed 5% of the total project costs awarded.

    d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

    e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

    f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4734-032-R.** It is funded under HMGP, FEMA-4734-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4734.

FEMA awarded this project on March 9, 2026; the Period of Performance for this project shall end on **September 30, 2029.**

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;
3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;
4) Withhold further awards for the program; or
5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must “obtain prior written approval for any budget revision which result in a need for additional funds” (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (I)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

If you are requesting an advance, indicate same by checking the box below.

[ ] **ADVANCE REQUESTED**

Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	**20___-20___ Anticipated Expenditures for First Three Months of Contract**
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION **(For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.**

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4734-032-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 547,158.50

OBLIGATION/ACTION DATE: March 9, 2026

SUBAWARD DATE (if applicable):

UEID/SAM#: PK4MA4NU92L5

*If your company or organization does not have a UEID/SAM number, you will need to obtain one from https://sam.gov/content/entity-registrationThe process to request a UEID/SAM number takes about ten minutes and is free of charge.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to 2950 Sunset Drive, New Smyrna Beach, Florida 32168.

The scope of work of the proposed project shall elevate the existing structure a minimum of two (2.0) feet above the Base Flood Elevation (BFE) or the highest known flood level, whichever is higher, plus three feet to account for sea level rise. The property is a split-level wood frame structure built in 1987 on piers with a total living area of 2,876 square feet. The structure is located within the AE Flood Zone with a current Lowest Floor Elevation (LFE) of 1.8 feet NAVD88 and a Base Flood Elevation (BFE) of 6 feet NAVD88 in accordance with FEMA Elevation Certificate and the effective Flood Insurance Rate Map (FIRM), respectively. This residential property is prone to flooding during hurricanes and has experienced extensive structural flooding. This susceptibility is attributed to its location within the Special Flood Hazard Area (SFHA) and close proximity to the Turnbull Bay in East Volusia County.

The scope of work for this elevation project shall involve building and site preparation, along with the disconnection of utilities. The existing structure shall be raised on a new open foundation system based on pilings to the proposed Design Floor Elevation (DFE) of 11.8 feet (NAVD88). The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, and raise the structure to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. The City of New Smyrna Beach also proposes to install a medically required ADA-compliant access consisting of a lift platform. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed project intends to reduce or eliminate future flood damage to this low-lying property and protect the residents from imminent risk.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

• As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

RESOLUTION NO. 12-26

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH AUTHORIZING THE APPROVAL OF THE FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT BETWEEN THE STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT AND THE CITY OF NEW SMYRNA PROJECT NUMBER 4734-032-R FOR THE ELEVATION OF ONE SINGLE-FAMILY HOME; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Florida Division of Emergency Management and the City of New Smyrna Beach desire to enter into the Federally-Funded Subaward and Grant Agreement Project Number 4734-032-R for the elevation of one single-family home located at 2950 Sunset Drive; and

WHEREAS, the State of Florida Division of Emergency Management has requested the City of New Smyrna Beach to execute and deliver the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4734-032-R.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Authorization.*** That the City Commission hereby authorizes the Mayor to make, execute, and deliver to the State of Florida Division of Emergency Management the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4734-032-R, which is more particularly described as:

SEE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF.

SECTION 2: ***Conflicting Resolutions.*** That all other resolutions or parts thereof that are in conflict with this resolution are hereby rescinded and repealed.

SECTION 3: ***Effective Date.*** That this resolution shall take effect immediately upon its final adoption.

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	PK4MA4NU92L5 / 596000387
Federal Award Identification Number (FAIN):	FEMA-DR-4734-FL
Federal Award Date:	March 9, 2026
Subaward Period of Performance Start and End Date:	March 26, 2024 – September 30, 2029
Amount of Federal Funds Obligated by this Agreement:	$547,158.50
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$547,158.50
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$547,158.50
Federal award project description (see FFATA):	Elevation
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Cody.Russell@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Cody Russell
Project Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 469-965-0243
Email: Cody.Russell@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399
Telephone: 850-815-4503
Email: Kathleen.Marshall@em.myflorida.com

1. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

   Kyle Fegley
   City Engineer
   210 Sams Avenue
   New Smyrna Beach, Florida 32168
   Telephone: 386-410-2811
   Email: kfegley@cityofnsb.com

2. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on March 26, 2024, and shall end on September 30, 2029, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.1, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and FEMA approved Pre-Award costs shall be outlined in Attachment A of this Agreement ("Budget and Scope of Work").

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$547,158.50**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and

Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The

Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract

provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

a. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

b. The Subrecipient acknowledges that compliance with this Section (26) is **material** to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated

at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will

not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

Name and Title: Kevin Guthrie, Director

Date: _____

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$547,158.50**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to elevate one single-family residence in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4734-032-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to 2950 Sunset Drive, New Smyrna Beach, Florida 32168.

The scope of work of the proposed project shall elevate the existing structure a minimum of two (2.0) feet above the Base Flood Elevation (BFE) or the highest known flood level, whichever is higher, plus three feet to account for sea level rise. The property is a split-level wood frame structure built in 1987 on piers with a total living area of 2,876 square feet. The structure is located within the AE Flood Zone with a current Lowest Floor Elevation (LFE) of 1.8 feet NAVD88 and a Base Flood Elevation (BFE) of 6 feet NAVD88 in accordance with FEMA Elevation Certificate and the effective Flood Insurance Rate Map (FIRM), respectively. This residential property is prone to flooding during hurricanes and has experienced extensive structural flooding. This susceptibility is attributed to its location within the Special Flood Hazard Area (SFHA) and close proximity to the Turnbull Bay in East Volusia County.

The scope of work for this elevation project shall involve building and site preparation, along with the disconnection of utilities. The existing structure shall be raised on a new open foundation system based on pilings to the proposed Design Floor Elevation (DFE) of 11.8 feet (NAVD88). The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, and raise the structure to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. The City of New Smyrna Beach also proposes to install a medically required ADA-compliant access consisting of a lift platform. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed project intends to reduce or eliminate future flood damage to this low-lying property and protect the residents from imminent risk.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Location:

ID#	Location	Coordinates
1)	2950 Sunset Drive, New Smyrna Beach, Florida 32168	(29.070300, -80.963720)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

   The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per conceptual designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

   The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

   The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

   The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

   The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

   The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

   Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

   The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

   The project shall be implemented in accordance with conceptual designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

   The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

   The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Local Building Official Building Permit.

b) A Copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

   1. Certifying that the structure is code-compliant.

c) A Copy of the Elevation Certificate before mitigation, if available.

d) A Copy of the Final Elevation Certificate (FEMA Form ff-206-fy-22-152), after mitigation – ensuring the structure has been elevated to the proper elevation.

e) All Product Specification / Data Sheets (technical standards) satisfying protective requirements on all products utilized.

f) Signed notices from the affected property owner in the Special Flood Hazard Area (SFHA) that the Sub-Recipient shall record a Deed Notice applicable to their property, as described in section (h), below, and that they shall maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

   "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

i) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

j) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, not all project activities may be fully complete

prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient.

Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, conceptual designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of elevation of a single-family residence located on Sunset Drive, New Smyrna Beach, Florida 32168, to include building and site preparation, along with the disconnection and reconnection of utilities.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final Approval, as applicable.

3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.

4) The Sub-Recipient shall submit a copy of the Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.

5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.

6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.

7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) Environmental:

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission of the application to FEMA through the Division for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground-disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

4) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) Programmatic:

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

8) A copy of the recorded deed amendment for each property as required by HMA Guidance.

9) For structures located in the Special Flood Hazard Area (SFHA), the Sub-Recipient shall verify if the proposed project triggers a substantial improvement and confirm that the project will be in compliance with the current local floodplain management ordinance.

10) For structures that remain in the SFHA after implementation, flood insurance must be maintained for the life of the structure to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular properties.

    Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

    "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

11) Prior to project commencement, the Sub-Recipient must identify the source and location of fill material and provide this information to the Division and FEMA. If the borrow pit is privately owned, or is located on previously undisturbed land, or if the fill is obtained by the horizontal expansion of a pre-existing borrow pit, FEMA consultation with the State Historic Preservation Officer shall be required. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required prior to project commencement AND for project closeout.

12) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

13) A certificate of occupancy and the final Elevation Certificate (FEMA Form - Elevation Certificate -ff-206-fy-22-152) for each structure on the project to certify the structure is code compliant and was elevated to the required elevation.

14) A copy of the recorded deed for each property, including structure elevation project deed requirements for property maintenance and flood insurance requirements.

15) A signed Acknowledgement of Conditions for Properties Using FEMA Hazard Mitigation Assistance form for each structure.

16) A certification from a building official or licensed design professional verifying that the structure was designed and constructed to the minimum standard of the two most recently published editions of the International Codes, even in locations where no code has been adopted.

17) Front, rear and side photographs of the final structure(s), including the date of the photograph, property address, latitude/longitude to the nearest sixth decimal place and the source of the photograph.

18) Verification of flood insurance policy for each structure.

19) Closeout of structural elevation project, the Sub-Recipient shall provide:

    a) Updated property information for each location.

    b) A Certificate of Occupancy, certifying that each structure is code-compliant.

    c) A Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure to ensure the structure has been elevated to the proper elevation.

20) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

21) Special Conditions required on implementation of project:

    a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

22) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

    a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

    b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

    c) SRMC cannot exceed 5% of the total project costs awarded.

    d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

    e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

    f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4734-032-R.** It is funded under HMGP, FEMA-4734-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4734.

FEMA awarded this project on March 9, 2026; the Period of Performance for this project shall end on **September 30, 2029.**

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

SCHEDULE OF WORK

State Contracting:	3	Months
Construction Plan/Technical Specifications:	3	Months
Bidding / Local Procurement:	3	Months
Permitting:	6	Months
Construction / Installation:	18	Months
Local Inspections / Compliance:	3	Months
State Final Inspection / Compliance:	3	Months
Closeout Compliance:	3	Months
Total Period of Performance:	**42**	**Months**

BUDGET

Line Item Budget*

	Project Cost	Federal Cost	Non-Federal Cost
Materials:	$325,408.00	$244,056.00	$81,352.00
Labor:	$301,652.00	$226,239.00	$75,413.00
Fees:	$56,898.00	$42,673.50	$14,224.50
Initial Agreement Amount:	**$683,958.00**	**$512,968.50**	**$170,989.50**
***Contingency Funds:	$0.00	$0.00	$0.00
Project Total:	**$683,958.00**	**$512,968.50**	**$170,989.50**
****SRMC**			
SRMC:	$8,840.00	$8,840.00	
SRMC-Pre-Award:	$25,350.00	$25,350.00	
SRMC Total:	**$34,190.00**	**$34,190.00**	

**Any line item amount in this Budget may be increased or decreased 10% or less, with the Division's approval, without an amendment to this Agreement being required, so long as the overall amount of the funds obligated under this Agreement is not increased.*

*** This project has an estimated $0.00 in contingency funds.** *Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.*

Project Management costs are included for this project in the amount of $0.00.

*** ***Sub-Recipient Management Costs (SRMC) are included for this project in the amount of $34,190.00 in Federal funding.*** *Per the Hazard Mitigation Grant Program Interim FEMA Policy 104-11-1, SRMC provides HMGP funding to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner. SRMC must conform to 2 CFR Part 200, Subpart E, ensuring costs are reasonable, allowable, allocable and necessary to the overall project.*

SRMC cannot exceed 5% of the approved total project costs awarded and shall be reimbursed at 5% for each Request for Reimbursement (RFR) submitted with the required documentation.

If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

*This project has a **SRMC Pre-Award,** approved by FEMA in the amount of $25,350.00, with a start date of **March 26, 2024.***

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must "obtain prior written approval for any budget revision which result in a need for additional funds" (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages,of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (l)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards)**, the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

If you are requesting an advance, indicate same by checking the box below.

[ ] **ADVANCE REQUESTED** Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	20___-20___ Anticipated Expenditures for First Three Months of Contract
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION **(For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.**

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4734-032-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 547,158.50

OBLIGATION/ACTION DATE: March 9, 2026

SUBAWARD DATE (if applicable):

UEID/SAM#: PK4MA4NU92L5

*If your company or organization does not have a UEID/SAM number, you will need to obtain one from https://sam.gov/content/entity-registrationThe process to request a UEID/SAM number takes about ten minutes and is free of charge.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to 2950 Sunset Drive, New Smyrna Beach, Florida 32168.

The scope of work of the proposed project shall elevate the existing structure a minimum of two (2.0) feet above the Base Flood Elevation (BFE) or the highest known flood level, whichever is higher, plus three feet to account for sea level rise. The property is a split-level wood frame structure built in 1987 on piers with a total living area of 2,876 square feet. The structure is located within the AE Flood Zone with a current Lowest Floor Elevation (LFE) of 1.8 feet NAVD88 and a Base Flood Elevation (BFE) of 6 feet NAVD88 in accordance with FEMA Elevation Certificate and the effective Flood Insurance Rate Map (FIRM), respectively. This residential property is prone to flooding during hurricanes and has experienced extensive structural flooding. This susceptibility is attributed to its location within the Special Flood Hazard Area (SFHA) and close proximity to the Turnbull Bay in East Volusia County.

The scope of work for this elevation project shall involve building and site preparation, along with the disconnection of utilities. The existing structure shall be raised on a new open foundation system based on pilings to the proposed Design Floor Elevation (DFE) of 11.8 feet (NAVD88). The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, and raise the structure to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. The City of New Smyrna Beach also proposes to install a medically required ADA-compliant access consisting of a lift platform. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed project intends to reduce or eliminate future flood damage to this low-lying property and protect the residents from imminent risk.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Location:

ID#	Location	Coordinates

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?
   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?
   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

- As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

THE CITY OF NEW SMYRNA BEACH - ENGINEERING

RESOLUTION NO. 13-26: CONSIDER THE ADOPTION OF A RESOLUTION WHICH IF ADOPTED WOULD APPROVE A FLORIDA DEPARTMENT OF EMERGENCY MANAGEMENT (FDEM) HAZARD MITIGATION GRANT PROGRAM - HMGP GRANT AGREEMENT - ELEVATE SIX HOMES

July 14, 2026

Background:

Following Hurricane Ian in 2022, many property owners reached out to the City for assistance to address repetitive flooding. Six (6) such properties were found cost effective and submitted as initiatives to the Florida Division of Emergency Management (FDEM) through the countywide Local Mitigation Strategy selection process. FDEM and FEMA thoroughly review the applications for technical, programmatic and environmental concerns and found all six properties were justified for 75% federal cost participation. The remaining 25% project costs are borne by the individual property owners. The City being the sub-recipient of the grant funds is required to enter into the agreement. While the City has no fiscal responsibility, the grant is reimbursable at the completion of construction so funds must be advanced. The overall project amount is estimated at $2,233,556 which does not include temporary living expenses or project management costs that are 100% reimbursed as well.

Findings:

The property owners understand their monetary commitment (i.e. 25% of the construction cost for their particular home.), longevity and hardships associated with the project and are dedicated as residents to move forward and elevate their home to be above the 100-year flood elevation and the fears of flooding with lesser rain events and high tide conditions.

As such staff recommends City Commission move forward with approving the sub-recipient agreement for this project. The total federal contribution amount within agreement H1383 for project is $1,765,467 which includes a contingency amount ($79,767) and SRMC costs ($90,300) in addition to the estimated construction cost ($1,595,400).

Fiscal Analysis:

No fiscal impact.

Strategic Plan Item:

No

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	PK4MA4NU92L5 / 596000387
Federal Award Identification Number (FAIN):	FEMA-DR-4673-FL
Federal Award Date:	March 09, 2026
Subaward Period of Performance Start and End Date:	June 29, 2023 – May 31, 2028
Amount of Federal Funds Obligated by this Agreement:	$1,685,700.00
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$1,765,467.00
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$1,765,467.00
Federal award project description (see FFATA):	Elevation
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Nicole.Rowe@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: “Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds.” Therefore, section 215.971, Florida Statutes, entitled “Agreements funded with federal or state assistance”, applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Nicole Rowe
Project Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 850-290-2511
Email: Nicole.Rowe@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399
Telephone: 850-815-4503
Email: Kathleen.Marshall@em.myflorida.com

1. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

   Kyle Fegley
   City Engineer
   210 Sams Avenue
   New Smyrna Beach, FL 32168
   Telephone: 386-410-2811
   Email: kfegley@cityofnsb.com

2. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on June 29, 2023 and shall end on May 31, 2028, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of “period of performance” contained in 2 C.F.R. §200.1, the term “period of agreement” refers to the time during which the Sub-Recipient “may incur new obligations to carry out the work authorized under” this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement “only for allowable costs resulting from obligations incurred during” the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and FEMA approved Pre-Award costs shall be outlined in Attachment A of this Agreement (“Budget and Scope of Work”).

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$1,685,700.00**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) <u>RECORDS</u>

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and

Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The

Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. “Except in those cases where applicable Federal statutes expressly mandate or encourage” otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 (“Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms”).

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract

provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

a. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

b. The Subrecipient acknowledges that compliance with this Section (26) is **material** to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated

at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will

not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

Name and Title: Kevin Guthrie, Director

Date:_____

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$1,685,700.00**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to elevate six (6) single-family residences in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4673-134-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to six (6) single-family residences located in New Smyrna Beach, Florida 32168 and 32169.

The scope of work of the proposed project shall involve building and site preparation, along with the disconnection of utilities. The six (6) structures included in this application have existing foundation types of slab-on-grade and piers. The existing structures shall be raised on a new open foundation on pilings to the proposed design elevation. Prior to the beginning of construction, a professional engineer shall verify that each home is structurally sound and can withstand elevation. The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, raise the structures to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. Four of the six homes include a lift platform.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

ID#	Address	Coordinates
1)	811 Bay Drive, New Smyrna Beach, Florida 32168	(29.031660, -80.957208)
2)	1300 Conrad Drive, New Smyrna Beach, Florida 32168	(29.060103, -80.959605)
3)	2621 Edgewater Ave, New Smyrna Beach, Florida 32168	(29.065018, -80.950482)
4)	501 S Peninsula Ave, New Smyrna Beach, Florida 32169	(29.034166, -80.902381)
5)	513 S Peninsula Ave, New Smyrna Beach, Florida 32169	(29.033135, -80.902475)
6)	610 Washington St, New Smyrna Beach, Florida 32168	(29.023900, -80.931768)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the

Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per conceptual designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

The project shall be implemented in accordance with conceptual designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Local Building Official Building Permit.

b) A Copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

    1. Certifying that the structure is code-compliant.

c) A Copy of the Elevation Certificate before mitigation, if available.

d) A Copy of the Final Elevation Certificate (FEMA Form ff-206-fy-22-152), after mitigation – ensuring the structure has been elevated to the proper elevation.

e) All Product Specification / Data Sheets (technical standards) satisfying protective requirements on all products utilized.

f) Signed notices from the affected property owner in the Special Flood Hazard Area (SFHA) that the Sub-Recipient shall record a Deed Notice applicable to their property, as described in section (h), below, and that they shall maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

    "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

i) Letter verifying if intact archaeological features or deposits or human remains were discovered during project activities and, if so, how they were handled in accordance with Florida Statutes, Section 872.05.

j) Letter verifying if prehistoric or historic artifacts were encountered at any time within the project site area, and if so, how they were handled in accordance with Florida Statutes, Section 872.05.

k) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

l) Verification letter confirming that a full-time SOI Qualified Archaeologist was present to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue.

m) A copy of the SOI Qualified Archaeologist final monitoring report, submitted within 45 days of completion of the project.

n) Letter verifying that construction vehicles and equipment were stored onsite during the project or at all existing access points within the Sub-Recipient's right-of-way.

o) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, not all project activities may be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient.

Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, conceptual designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of elevation of six (6) single-family residences located in New Smyrna Beach, Florida, including building and site preparation, along with the disconnection and reconnection of utilities.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final Approval, as applicable.

3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.

4) The Sub-Recipient shall submit a copy of the Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.

5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.

6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.

7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) <u>Environmental:</u>

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission of the application to FEMA through the Division for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground-disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

   If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery shall stop immediately and all reasonable measures to avoid or minimize harm to the finds shall be taken. The Sub-Recipient shall ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries.

   The Sub-Recipient's contractor shall provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall contact the Florida Division of Historic Resources and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary.

   In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with ***Florida Statutes, Section 872.05***.

4) If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the

vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)-245-6333. Project activities shall not resume without verbal and/or written authorization.

In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Section 872.05, Florida Statutes.

5) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

6) The Sub-Recipient shall provide a full-time on-site Secretary of Interior (SOI) Qualified Archaeologist to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue due to their proximity to the Dummitt's Mound (8VO00107). The archaeological monitor shall have full stop authority if anything of archaeological or historic concern is encountered. The archaeological monitor shall be on site during ALL construction activities for the course of the entire project and shall provide weekly updated to the Division and FEMA and a final monitoring report shall be submitted to the Division and FEMA within 45 days of the completion of the project and FEMA shall submit the report to the Florida SHPO.

7) Construction vehicles and equipment shall be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way.

8) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) <u>Programmatic:</u>

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

8) A copy of the recorded deed amendment for each property as required by HMA Guidance.

9) For structures located in the Special Flood Hazard Area (SFHA), the Sub-Recipient shall verify if the proposed project triggers a substantial improvement and confirm that the project will be in compliance with the current local floodplain management ordinance.

10) For structures that remain in the SFHA after implementation, flood insurance must be maintained for the life of the structure to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular properties.

    Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

    "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

11) Prior to project commencement, the Sub-Recipient must identify the source and location of fill material and provide this information to the Division and FEMA. If the borrow pit is privately owned, or is located on previously undisturbed land, or if the fill is obtained by the horizontal expansion of a pre-existing borrow pit, FEMA consultation with the State Historic Preservation Officer shall be required. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required prior to project commencement AND for project closeout.

12) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

13) A certificate of occupancy and the final Elevation Certificate (FEMA Form - Elevation Certificate -ff-206-fy-22-152) for each structure on the project to certify the structure is code compliant and was elevated to the required elevation.

14) A copy of the recorded deed for each property, including structure elevation project deed requirements for property maintenance and flood insurance requirements.

15) A signed Acknowledgement of Conditions for Properties Using FEMA Hazard Mitigation Assistance form for each structure.

16) A certification from a building official or licensed design professional verifying that the structure was designed and constructed to the minimum standard of the two most recently published editions of the International Codes, even in locations where no code has been adopted.

17) Front, rear and side photographs of the final structure(s), including the date of the photograph, property address, latitude/longitude to the nearest sixth decimal place and the source of the photograph.

18) Verification of flood insurance policy for each structure.

19) Closeout of structural elevation project, the Sub-Recipient shall provide:

    a) Updated property information for each location.

    b) A Certificate of Occupancy, certifying that each structure is code-compliant.

    c) A Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure to ensure the structure has been elevated to the proper elevation.

20) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

21) Special Conditions required on implementation of project:

a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

b) **NHPA CONDITION:** The Sub-Recipient will provide a full-time on-site SOI Qualified Archaeologist to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue due to their proximity to the Dummitt's Mound (8VO00107). The archaeological monitor will have full stop authority if anything of archaeological or historic concern is encountered. The archaeological monitor will be on site during ALL construction activities for the course of the entire project and will provide weekly updated to FDEM and FEMA and a final monitoring report will be submitted to the FDEM and FEMA within 45 days of the completion of the project and FEMA will submit the report to the Florida SHPO. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: Yes**

c) **NHPA CONDITION:** Construction vehicles and equipment will be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

d) **NHPA CONDITION:** If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery will stop immediately and all reasonable measures to avoid or minimize harm to the finds will be taken. The Sub-Recipient will ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries. The Sub-Recipient's contractor will provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall contact the Florida Division of Historic Resources and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Florida Statutes, Section 872.05. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

e) **NHPA CONDITION:** If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)-245-6333. Project activities shall not resume without verbal and/or written authorization. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Section 872.05, Florida Statutes. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

22) Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to

another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.

23) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

    a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

    b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

    c) SRMC cannot exceed 5% of the total project costs awarded.

    d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

    e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

    f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4673-134-R.** It is funded under HMGP, FEMA-4673-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4673.

FEMA awarded this project on March 9, 2026, and the Period of Performance for this project shall end on **May 31, 2028**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must “obtain prior written approval for any budget revision which result in a need for additional funds” (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (I)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

If you are requesting an advance, indicate same by checking the box below.

[ ] **ADVANCE REQUESTED**

Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	**20___-20___ Anticipated Expenditures for First Three Months of Contract**
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION **(For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.**

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4673-134-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 1,685,700.00

OBLIGATION/ACTION DATE: March 09, 2026

SUBAWARD DATE (if applicable):

UEID/SAM#: PK4MA4NU92L5

*If your company or organization does not have a UEID/SAM number, you will need to obtain one from https://sam.gov/content/entity-registrationThe process to request a UEID/SAM number takes about ten minutes and is free of charge.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to six (6) single-family residences located in New Smyrna Beach, Florida 32168 and 32169.

The scope of work of the proposed project shall involve building and site preparation, along with the disconnection of utilities. The six (6) structures included in this application have existing foundation types of slab-on-grade and piers. The existing structures shall be raised on a new open foundation on pilings to the proposed design elevation. Prior to the beginning of construction, a professional engineer shall verify that each home is structurally sound and can withstand elevation. The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, raise the structures to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. Four of the six homes include a lift platform.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

• As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

RESOLUTION NO. 13-26

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH AUTHORIZING THE APPROVAL OF THE FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT BETWEEN THE STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT AND THE CITY OF NEW SMYRNA PROJECT NUMBER 4673-134-R FOR THE ELEVATION OF SIX SINGLE-FAMILY HOMES; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Florida Division of Emergency Management and the City of New Smyrna Beach desire to enter into the Federally-Funded Subaward and Grant Agreement Project Number 4673-134-R for the elevation of six single-family homes located at 811 Bay Drive, 1300 Conrad Drive, 2621 Edgewater Avenue, 501 S Peninsula Avenue, 513 S Peninsula Avenue, and 610 Washington Street; and

WHEREAS, the State of Florida Division of Emergency Management has requested the City of New Smyrna Beach to execute and deliver the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4673-134-R.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Authorization.*** That the City Commission hereby authorizes the Mayor to make, execute, and deliver to the State of Florida Division of Emergency Management the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4673-134-R, which is more particularly described as:

SEE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF.

SECTION 2: ***Conflicting Resolutions.*** That all other resolutions or parts thereof that are in conflict with this resolution are hereby rescinded and repealed.

SECTION 3: ***Effective Date.*** That this resolution shall take effect immediately upon its final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	PK4MA4NU92L5 / 596000387
Federal Award Identification Number (FAIN):	FEMA-DR-4673-FL
Federal Award Date:	March 09, 2026
Subaward Period of Performance Start and End Date:	June 29, 2023 – May 31, 2028
Amount of Federal Funds Obligated by this Agreement:	$1,685,700.00
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$1,765,467.00
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$1,765,467.00
Federal award project description (see FFATA):	Elevation
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Nicole.Rowe@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Nicole Rowe
Project Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 850-290-2511
Email: Nicole.Rowe@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399
Telephone: 850-815-4503
Email: Kathleen.Marshall@em.myflorida.com

1. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Kyle Fegley
City Engineer
210 Sams Avenue
New Smyrna Beach, FL 32168
Telephone: 386-410-2811
Email: kfegley@cityofnsb.com

2. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on June 29, 2023 and shall end on May 31, 2028, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.1, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and FEMA approved Pre-Award costs shall be outlined in Attachment A of this Agreement ("Budget and Scope of Work").

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$1,685,700.00**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and

Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The

Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract

provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

a. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

b. The Subrecipient acknowledges that compliance with this Section (26) is **material** to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated

at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

> i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
>
> ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
>
> iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
>
> iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will

not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

Name and Title: Kevin Guthrie, Director

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$1,685,700.00**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to elevate six (6) single-family residences in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4673-134-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to six (6) single-family residences located in New Smyrna Beach, Florida 32168 and 32169.

The scope of work of the proposed project shall involve building and site preparation, along with the disconnection of utilities. The six (6) structures included in this application have existing foundation types of slab-on-grade and piers. The existing structures shall be raised on a new open foundation on pilings to the proposed design elevation. Prior to the beginning of construction, a professional engineer shall verify that each home is structurally sound and can withstand elevation. The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, raise the structures to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. Four of the six homes include a lift platform.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

ID#	Address	Coordinates
1)	811 Bay Drive, New Smyrna Beach, Florida 32168	(29.031660, -80.957208)
2)	1300 Conrad Drive, New Smyrna Beach, Florida 32168	(29.060103, -80.959605)

4)	501 S Peninsula Ave, New Smyrna Beach, Florida 32169	(29.034166, -80.902381)
5)	513 S Peninsula Ave, New Smyrna Beach, Florida 32169	(29.033135, -80.902475)
6)	610 Washington St, New Smyrna Beach, Florida 32168	(29.023900, -80.931768)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the

Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per conceptual designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

The project shall be implemented in accordance with conceptual designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Local Building Official Building Permit.

b) A Copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

   1. Certifying that the structure is code-compliant.

c) A Copy of the Elevation Certificate before mitigation, if available.

d) A Copy of the Final Elevation Certificate (FEMA Form ff-206-fy-22-152), after mitigation – ensuring the structure has been elevated to the proper elevation.

e) All Product Specification / Data Sheets (technical standards) satisfying protective requirements on all products utilized.

f) Signed notices from the affected property owner in the Special Flood Hazard Area (SFHA) that the Sub-Recipient shall record a Deed Notice applicable to their property, as described in section (h), below, and that they shall maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

   "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

i) Letter verifying if intact archaeological features or deposits or human remains were discovered during project activities and, if so, how they were handled in accordance with Florida Statutes, Section 872.05.

j) Letter verifying if prehistoric or historic artifacts were encountered at any time within the project site area, and if so, how they were handled in accordance with Florida Statutes, Section 872.05.

k) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

l) Verification letter confirming that a full-time SOI Qualified Archaeologist was present to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue.

m) A copy of the SOI Qualified Archaeologist final monitoring report, submitted within 45 days of completion of the project.

n) Letter verifying that construction vehicles and equipment were stored onsite during the project or at all existing access points within the Sub-Recipient's right-of-way.

o) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, not all project activities may be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient.

Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, conceptual designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of elevation of six (6) single-family residences located in New Smyrna Beach, Florida, including building and site preparation, along with the disconnection and reconnection of utilities.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final Approval, as applicable.

3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.

4) The Sub-Recipient shall submit a copy of the Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.

5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.

6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.

7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) <u>Environmental:</u>

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission of the application to FEMA through the Division for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground-disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

   If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery shall stop immediately and all reasonable measures to avoid or minimize harm to the finds shall be taken. The Sub-Recipient shall ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries.

   The Sub-Recipient's contractor shall provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall contact the Florida Division of Historic Resources and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary.

   In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with ***Florida Statutes, Section 872.05***.

4) If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the

vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)-245-6333. Project activities shall not resume without verbal and/or written authorization.

In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Section 872.05, Florida Statutes.

5) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

6) The Sub-Recipient shall provide a full-time on-site Secretary of Interior (SOI) Qualified Archaeologist to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue due to their proximity to the Dummitt's Mound (8VO00107). The archaeological monitor shall have full stop authority if anything of archaeological or historic concern is encountered. The archaeological monitor shall be on site during ALL construction activities for the course of the entire project and shall provide weekly updated to the Division and FEMA and a final monitoring report shall be submitted to the Division and FEMA within 45 days of the completion of the project and FEMA shall submit the report to the Florida SHPO.

7) Construction vehicles and equipment shall be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way.

8) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) <u>Programmatic:</u>

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

8) A copy of the recorded deed amendment for each property as required by HMA Guidance.

9) For structures located in the Special Flood Hazard Area (SFHA), the Sub-Recipient shall verify if the proposed project triggers a substantial improvement and confirm that the project will be in compliance with the current local floodplain management ordinance.

10) For structures that remain in the SFHA after implementation, flood insurance must be maintained for the life of the structure to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular properties.

Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

"This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

11) Prior to project commencement, the Sub-Recipient must identify the source and location of fill material and provide this information to the Division and FEMA. If the borrow pit is privately owned, or is located on previously undisturbed land, or if the fill is obtained by the horizontal expansion of a pre-existing borrow pit, FEMA consultation with the State Historic Preservation Officer shall be required. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required prior to project commencement AND for project closeout.

12) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

13) A certificate of occupancy and the final Elevation Certificate (FEMA Form - Elevation Certificate -ff-206-fy-22-152) for each structure on the project to certify the structure is code compliant and was elevated to the required elevation.

14) A copy of the recorded deed for each property, including structure elevation project deed requirements for property maintenance and flood insurance requirements.

15) A signed Acknowledgement of Conditions for Properties Using FEMA Hazard Mitigation Assistance form for each structure.

16) A certification from a building official or licensed design professional verifying that the structure was designed and constructed to the minimum standard of the two most recently published editions of the International Codes, even in locations where no code has been adopted.

17) Front, rear and side photographs of the final structure(s), including the date of the photograph, property address, latitude/longitude to the nearest sixth decimal place and the source of the photograph.

18) Verification of flood insurance policy for each structure.

19) Closeout of structural elevation project, the Sub-Recipient shall provide:

    a) Updated property information for each location.

    b) A Certificate of Occupancy, certifying that each structure is code-compliant.

    c) A Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure to ensure the structure has been elevated to the proper elevation.

20) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

21) Special Conditions required on implementation of project:

a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

b) **NHPA CONDITION:** The Sub-Recipient will provide a full-time on-site SOI Qualified Archaeologist to monitor all construction activities during the building elevation projects at 501 South Peninsula Avenue and 513 South Peninsula Avenue due to their proximity to the Dummitt's Mound (8VO00107). The archaeological monitor will have full stop authority if anything of archaeological or historic concern is encountered. The archaeological monitor will be on site during ALL construction activities for the course of the entire project and will provide weekly updated to FDEM and FEMA and a final monitoring report will be submitted to the FDEM and FEMA within 45 days of the completion of the project and FEMA will submit the report to the Florida SHPO. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: Yes**

c) **NHPA CONDITION:** Construction vehicles and equipment will be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

d) **NHPA CONDITION:** If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery will stop immediately and all reasonable measures to avoid or minimize harm to the finds will be taken. The Sub-Recipient will ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries. The Sub-Recipient's contractor will provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall contact the Florida Division of Historic Resources and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Florida Statutes, Section 872.05. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

e) **NHPA CONDITION:** If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The Sub-Recipient shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)-245-6333. Project activities shall not resume without verbal and/or written authorization. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with Section 872.05, Florida Statutes. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required: No**

22) Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to

another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.

23) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

   a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

   b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

   c) SRMC cannot exceed 5% of the total project costs awarded.

   d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

   e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

   f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4673-134-R.** It is funded under HMGP, FEMA-4673-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4673.

FEMA awarded this project on March 9, 2026, and the Period of Performance for this project shall end on **May 31, 2028**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must "obtain prior written approval for any budget revision which result in a need for additional funds" (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (l)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards)**, the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

If you are requesting an advance, indicate same by checking the box below.

[ ] ADVANCE REQUESTED
Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	20___-20___ Anticipated Expenditures for First Three Months of Contract
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION (For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4673-134-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 1,685,700.00

OBLIGATION/ACTION DATE: March 09, 2026

SUBAWARD DATE (if applicable):

UEID/SAM#: PK4MA4NU92L5

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to six (6) single-family residences located in New Smyrna Beach, Florida 32168 and 32169.

The scope of work of the proposed project shall involve building and site preparation, along with the disconnection of utilities. The six (6) structures included in this application have existing foundation types of slab-on-grade and piers. The existing structures shall be raised on a new open foundation on pilings to the proposed design elevation. Prior to the beginning of construction, a professional engineer shall verify that each home is structurally sound and can withstand elevation. The contractor shall tunnel underneath the structure, install beams, cribbing and hydraulic jacks for raising the structure, raise the structures to the required height by utilizing a unified hydraulic jacking machine and shore up. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. Four of the six homes include a lift platform.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 or latest edition, the Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?
   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?
   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

- As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

THE CITY OF NEW SMYRNA BEACH - ENGINEERING

RESOLUTION NO. 14-26: CONSIDER THE ADOPTION OF A RESOLUTION WHICH IF ADOPTED WOULD APPROVE THE ACCEPTANCE OF A HMGP GRANT - DEMOLISH & REBUILD ONE HOME

July 14, 2026

Background:

As part of the devastation as a result of Hurricane Nicole the City received inquiries to re-establish the basics of restoring single family homes one in particular being at 216 North Duss Street. The property owners, James and Cheryl Booth, realize their long term homestead was decimated by flooding that damaged the interior and effectively shifted the structure, and became uninhabitable. They have been displaced from their home since November 2022. This has created an undesirable situation and discomfort on their behalf as they have applied to other grant opportunities (i.e. Elevate Florida, Transform386) without success but do qualify for the Hazard Mitigation Grant Program (HMGP) in order to restore their livelihood and rebuild to a higher flood proof elevation.

Findings:

The City on behalf of the property owners submitted the initiative through the Local Mitigation Strategy group that endorsed and submitted to the State which ultimately received approval from the Division of Emergency Management which sub-recipient agreement is attached for review and approval.

For demolition and rebuild projects FEMA allocates a set amount (i.e. not a percentage like elevation projects being 75%) and when submitted in December 2024, $150,000 was the maximum federal share for Mitigation Reconstruction projects. As a result, the State (FDEM) awarded the sub-recipient agreement with the maximum allowable FEMA awarded amount but FDEM understands this is not in line with escalating construction costs thus a s soon as the grant agreement is fully executed FDEM will process a request for increase to the federal match cap from $150,000 to $220,000 to reduce out of pocket expenses for the property owner.

The amendment will be brought back to City Commission as well and City staff will not proceed with project implementation until the grant modification increasing the federal match is approved.

The Booths are aware of their contribution and staff recommends approval of the agreement in order to move forward with the project to complete the additional federal funding process.

Fiscal Analysis:

No fiscal impact.

Strategic Plan Item:
No

Staff Report Created By: Kyle Fegley - City Engineer

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	596000387 / PK4MA4NU92L5
Federal Award Identification Number (FAIN):	FEMA-DR-4680-FL
Federal Award Date:	April 27, 2026
Subaward Period of Performance Start and End Date:	February 6, 2023 through February 29, 2028
Amount of Federal Funds Obligated by this Agreement:	$170,400.00
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$170,400.00
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$170,400.00
Federal award project description (see FFATA):	Mitigation Reconstruction
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Renee.Singh@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: “Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds.” Therefore, section 215.971, Florida Statutes, entitled “Agreements funded with federal or state assistance”, applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Renee Singh
Project Manager/Grant Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 850-570-5909
Email: Renee.Singh@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399-2100
Telephone: 850-528-4216
Email: Kathleen.Marshall@em.myflorida.com

i. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Kyle W. Fegley, P.E
City Engineer
210 Sams Avenue
New Smyrna Beach, FL 32168
Telephone: 386-410-2811
Email: Kfegley@cityofnsb.com

ii. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on **February 6, 2023** and shall end on **February 29, 2028**, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.1, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and approved Pre-Award costs shall be outlined in Attachment A of this Agreement ("Budget and Scope of Work").

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$170,400.00**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

a. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

b. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) RECORDS

a. As required by 2 C.F.R. §200.337, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2489 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are

completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be

construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled “Contract Provisions for Non-Federal Entity Contracts Under Federal Awards”).

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall “maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.”

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall “maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.” In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall “maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts.”

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement “in a manner providing full and open competition.” Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief

Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any

goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment

provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any

Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and

entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

m. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

n. The Subrecipient acknowledges that compliance with this Section (26) is material to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

a. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

c. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

a. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

b. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

c. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

d. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$170,400.00**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to improve and elevate flood-prone property in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4680-047-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per sealed engineering designs and construction plans as submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes mitigation reconstruction of property located at 216 North Duss Street, New Smyrna Beach, Florida 32168.

The HMGP proposed project scope of work for mitigation reconstruction of this flood-prone property shall include demolition of the existing one-story, 1,240-square-foot structure with a stem wall perimeter foundation and crawlspace underneath and reconstruct it a minimum of 2 feet above the Base Flood Elevation (BFE) in accordance with the Freeboard Value Approach for noncritical actions plus 3 feet to account for sea level rise. Appropriate means of access shall be constructed including a platform lift, allowing the homeowner to reach the newly elevated dwelling by assisted mobility device. The site shall be prepared for construction and restored upon completion with utilities and equipment reconnected and operational. The property is in Special Flood Hazard Area Zone AE where the BFE is 5 feet (NAVD88) according to the FEMA Flood Insurance Rate Map (FIRM), whereas the structure's lowest floor elevation is 4.8 feet (NAVD88) as per the FEMA Elevation Certificate. During Hurricane Ian, the home was inundated with floodwater reaching several inches high in the main living areas resulting in differential movement, minor racking, uneven settlement of the roof, and a Substantial Damage Determination. A licensed Professional Engineer assessed the property and determined that it is structurally unsound and unfit for elevation; thus, Mitigation Reconstruction is recommended. The project shall remediate structural damage and prevent flood recurrence, costly repairs, and displacement.

Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

ID#	Name	Address	Coordinates

1)	North Duss Street Residence	216 North Duss Street, New Smyrna Beach, Florida 32168	(29.02357, -80.93247)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

   The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

   The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

   The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

   The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

   The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

   The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

   Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

   The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

   The project shall be implemented in accordance with sealed engineering designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

   The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

   The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall

complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Signed and Sealed As-built project plans (drawings) by the Professional of Record, two hard copies and an electronic version (via email or CD).

b) Letter of Completion (by engineer, floodplain manager or senior level official):

   1. Affirming that the project was completed in conformance with the approved project drawings, specifications and scope; and

   2. Certifying Compliance with all applicable codes/ordinances; and

   3. NFIP regulations, including applicable NFIP Technical bulletins.

c) Certificate of Occupancy certifying that the structure is code compliant.

d) Final Elevation Certificate (FEMA Form FF-206-FY-22-152) ensuring each structure has been elevated to the proper elevation.

e) Verification that final square footage is within 10 percent of original structure square footage at the time of closeout per property.

f) Verification of Flood Insurance per property.

g) Digital Photographs: Front, rear, and side of final elevated structure, per property.

h) Local Building Official Inspection Report, Local Permits, Certificate of Completion, Lead-based Paint Report, and Final Approval, as applicable.

i) Letter from corresponding entities certifying the termination of any utilities. This may include but is not limited to decommissioning of septic systems and potable water wells.

j) Copy of Warranty Deeds.

k) Copy of letters issued by the utility companies involved, confirming that all services have been terminated, as applicable.

l) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

m) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, all project activities may not be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

   The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments

were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments shall be applied to larger awards, allowing smaller awards to be fully obligated. Obligations shall be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds shall be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separately from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and

that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party-in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, sealed engineering designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of Mitigation Reconstruction to improve and elevate flood-prone property in New Smyrna Beach, Florida to include the construction of a new hazard resistant and code-compliant structure, which shall provide protection from continuous flood damage. Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall submit a signed and sealed final copy of the completed project's As-built drawings and all necessary supporting documentation and provide a summary of all contract scope of work changes, if any.

3) The Sub-Recipient shall provide a copy of the Notice of Commencement, and any local official Inspection Report and/or Final Approval, as applicable.

4) The Sub-Recipient shall submit a certified letter of completion from Engineer of Record. The Sub-Recipient's Engineer of Record shall provide a formal certificate or letter affirming that the project has been completed in conformance with the approved project drawings, specifications, scope, and applicable codes.

D) <u>Environmental:</u>

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission to the Division and FEMA for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

4) The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) <u>Programmatic:</u>

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of the new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the Sub-Recipient-contractor/consultant executed contract agreements must be forwarded to the Division within 10 days of execution. Verification of the compliance with the Federal Procurement Standards and method of procurement documentation.

8) Verify that a Duplication of Benefits review was completed to ensure property owners did not receive federal assistance for the same purpose from another source (such as Increased Cost of Compliance or Individual Assistance) for project closeout.

9) Verification that any program income has been deducted from the total project costs as specified in Title 2 of the Code of Federal Regulations Section 200.307.

10) Documentation ensuring submitted expenses were eligible and all costs were incurred during the Period of Performance (POP) per each property.

11) Signed and Sealed As-built project plans (drawings), per property, by the Professional of Record for project closeout.

12) Letter of Completion (by engineer, floodplain manager or senior level official), for project closeout.

    a) Affirming that the project was completed in conformance with the approved project drawings, specifications and scope; and

    b) Certifying Compliance with all applicable codes/ordinances, and

    c) NFIP regulations, including applicable NFIP Technical bulletins, and

13) Certificate of Occupancy certifying that each structure is code compliant for project closeout.

14) Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure, ensuring each property has been elevated to the required elevation for project closeout.

15) Documentation of Flood Insurance for each structure for project closeout.

16) Signed “Acknowledgement of Conditions for Mitigation of Property in a Special Flood Hazard Area (SFHA) with FEMA Grant Funds” form for each structure located in the SFHA for project closeout.

17) Documentation for Verification that final square footage is within 10 percent of original structure square footage at the time of closeout.

18) An officially recorded copy of the property deed amendment that includes notice of flood insurance requirements for each property for project closeout.

19) Digital Photographs: Front, rear, and both sides of final elevated for each structure for project closeout.

20) Include a statement in the closeout request letter, which states what action was taken to address each environmental condition/requirement or explain why an action was not required with the prior approval that was requested and received from FDEM and FEMA.

21) Submit required permits, notices, correspondence, or other relevant documentation outlined in the environmental project conditions for project closeout.

22) Submittal of a Signed Final Progress Report, utilizing the Quarterly Report (QR) Milestones-Activities Workbook.

23) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division’s Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient’s Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division’s Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

24) Special Conditions required for the implementation of project:

    a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA

funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 Floodplains **Monitoring Required: No**

25) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

   a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

   b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

   c) SRMC cannot exceed 5% of the total project costs awarded.

   d) SRMC is 100% federally funded and shall be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

   e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

   f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

26) Eligible mitigation reconstruction costs are limited to $220,000.00 Federal share per property. Any construction activities over and above $220,000.00 are non-federal share. This needs to be taken into consideration when a construction cost increase is being considered.

This is FEMA project number **4680-047-R.** It is funded under HMGP, FEMA-4680-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4680.

FEMA awarded this project on April 27, 2026; with a Pre-Award date of February 6, 2023; and the Period of Performance for this project shall end on **February 29, 2028**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances. Some eligible activities, such as administrative allowances and permitting fees, need not be included in the $220,000.00 maximum Federal share.

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

SCHEDULE OF WORK

State Contracting:	2	Months
Construction Plan/Technical Specifications:	2	Months
Bidding / Local Procurement:	2	Months
Permitting:	2	Months
Construction / Installation:	10	Months
Local Inspections / Compliance:	2	Months
State Final Inspection / Compliance:	1	Month
Closeout Compliance:	1	Month
Total Period of Performance:	**22**	**Months**

BUDGET

Line-Item Budget*

Eligible mitigation reconstruction costs are limited to $220,000.00 Federal share per property address.

ID#1 Address	Project Cost	Federal Cost	Non-Federal Cost
Construction Materials:	$252,064.00	$92,972.92	$159,091.08
Construction Labor:	$168,043.00	$61,982.08	$106,060.92
Fees (Not subject to CAP):	$12,500.00	$4,610.58	$7,889.42
**Pre-Award:	$500.00	$184.42	$315.58
Initial Amount:	**$433,107.00**	**$159,750.00**	**$273,357.00**
***Contingency Funds:	$0.00	$0.00	$0.00
Property Project Total:	**$433,107.00**	**$159,750.00**	**$273,357.00**

Budget Summary	Project Cost	Federal Cost	Non-Federal Cost
Materials:	$252,064.00	$92,972.92	$159,091.08
Labor:	$168,043.00	$61,982.08	$106,060.92
Fees (Not subject to CAP):	$12,500.00	$4,610.58	$7,889.42
**Pre-Award:	$500.00	$184.42	$315.58
Initial Agreement Amount:	**$433,107.00**	**$159,750.00**	**$273,357.00**
***Contingency Funds:	$0.00	$0.00	$0.00

******SRMC**			
SRMC:	$0.00	$0.00	
SRMC-Pre-Award:	$10,650.00	$10,650.00	
SRMC Total:	**$10,650.00**	**$10,650.00**	

**Any line-item amount in this Budget may be increased or decreased 10% or less, with the Division's approval, without an amendment to this Agreement being required, so long as the overall amount of the funds obligated under this Agreement is not increased.*

NOTE: FEMA shall only pay $220,000.00 in construction costs. The Homeowner is responsible for construction costs in excess of $220,000.00. As a result, the line items in the construction budgets above shall not calculate to the exact percentage indicated. Also, Total Project Costs shall, in turn, not equal the percentage indicated.

***This project has a Pre-Award, approved by FEMA in the amount of $500.00 project costs with a start date of **February 6, 2023**.*

****** This project has an estimated $0.00 in contingency funds.** *Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen conditions related to the project arose that required the use of contingency funds.*

Project Management costs are included for this project in the amount of $0.00.

***** Sub-Recipient Management Costs (SRMC) are included for this project in the amount of $0.00 in Federal funding.** *Per the Hazard Mitigation Grant Program Interim FEMA Policy 104-11-1, SRMC provides HMGP funding to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner. SRMC must conform to 2 CFR Part 200, Subpart E, ensuring costs are reasonable, allowable, allocable and necessary to the overall project.*

SRMC cannot exceed 5% of the approved total project costs awarded and shall be reimbursed at 5% for each Request for Reimbursement (RFR) submitted with the required documentation.

If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

*This project has a **SRMC Pre-Award,** approved by FEMA in the amount of **$10,650.00**, with a start date of **October 10, 2023.***

Funding Summary Totals

Federal Share:	$159,750.00	(36.884649752%)
Non-Federal Share:	$273,357.00	(63.115350248%)
Total Project Cost:	**$433,107.00**	**(100.00%)**
SRMC (100% Federal)	$10,650.00	

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must “obtain prior written approval for any budget revision which result in a need for additional funds” (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for “kickbacks” of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase “Federal financial assistance” includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the “Uniform Federal Accessibility Standards,” (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (I)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4680-047-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 170,400.00

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes mitigation reconstruction of property located at 216 North Duss Street, New Smyrna Beach, Florida 32168.

The HMGP proposed project scope of work for mitigation reconstruction of this flood-prone property shall include demolition of the existing one-story, 1,240-square-foot structure with a stem wall perimeter foundation and crawlspace underneath and reconstruct it a minimum of 2 feet above the Base Flood Elevation (BFE) in accordance with the Freeboard Value Approach for noncritical actions plus 3 feet to account for sea level rise. Appropriate means of access shall be constructed including a platform lift, allowing the homeowner to reach the newly elevated dwelling by assisted mobility device. The site shall be prepared for construction and restored upon completion with utilities and equipment reconnected and operational. The property is in Special Flood Hazard Area Zone AE where the BFE is 5 feet (NAVD88) according to the FEMA Flood Insurance Rate Map (FIRM), whereas the structure's lowest floor elevation is 4.8 feet (NAVD88) as per the FEMA Elevation Certificate. During Hurricane Ian, the home was inundated with floodwater reaching several inches high in the main living areas resulting in differential movement, minor racking, uneven settlement of the roof, and a Substantial Damage Determination. A licensed Professional Engineer assessed the property and determined that it is structurally unsound and unfit for elevation; thus, Mitigation Reconstruction is recommended. The project shall remediate structural damage and prevent flood recurrence, costly repairs, and displacement.

Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

As used in this subsection, the term:

- "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

- "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

- "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is “Yes,” provide the information required in the “Total Compensation Paid to Non-Profit Personnel Using State Funds” form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is “No”, move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

RESOLUTION NO. 14-26

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH AUTHORIZING THE APPROVAL OF THE FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT BETWEEN THE STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT AND THE CITY OF NEW SMYRNA PROJECT NUMBER 4680-047-R FOR THE MITIGATION RECONSTRUCTION OF ONE SINGLE-FAMILY HOME; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Florida Division of Emergency Management and the City of New Smyrna Beach desire to enter into the Federally-Funded Subaward and Grant Agreement Project Number 4680-047-R for the mitigation reconstruction of one single-family home located at 216 North Duss Street; and

WHEREAS, the State of Florida Division of Emergency Management has requested the City of New Smyrna Beach to execute and deliver the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4680-047-R.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Authorization.*** That the City Commission hereby authorizes the Mayor to make, execute, and deliver to the State of Florida Division of Emergency Management the Federally-Funded Subaward and Grant Agreement for the aforementioned project, Project Number 4680-047-R, which is more particularly described as:

SEE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF.

SECTION 2: ***Conflicting Resolutions.*** That all other resolutions or parts thereof that are in conflict with this resolution are hereby rescinded and repealed.

SECTION 3: ***Effective Date.*** That this resolution shall take effect immediately upon its final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

Carrie Avallone

CARRIE AVALLONE
City Attorney

FEDERALLY-FUNDED SUBAWARD AND GRANT AGREEMENT

2 C.F.R. §200.1 states that a "subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract."

As defined by 2 C.F.R. §200.1, "pass-through entity" means "a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1 , "Sub-Recipient" means "an entity, usually but not limited to non-Federal entities that receives a subaward from a pass-through entity to carry out part of a Federal program."

As defined by 2 C.F.R. §200.1, "Federal award" means "Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity."

As defined by 2 C.F.R. §200.1, "subaward" means "an award provided by a pass-through entity to a Sub-Recipient for the Sub-Recipient to carry out part of a Federal award received by the pass-through entity."

The following information is provided pursuant to 2 C.F.R. §200.332:

Sub-Recipient's name:	City of New Smyrna Beach
Sub-Recipient's unique entity identifier (UEI/FEIN):	596000387 / PK4MA4NU92L5
Federal Award Identification Number (FAIN):	FEMA-DR-4680-FL
Federal Award Date:	April 27, 2026
Subaward Period of Performance Start and End Date:	February 6, 2023 through February 29, 2028
Amount of Federal Funds Obligated by this Agreement:	$170,400.00
Total Amount of Federal Funds Obligated to the Sub-Recipient by the pass-through entity to include this Agreement:	$170,400.00
Total Amount of the Federal Award committed to the Sub-Recipient by the pass-through entity	$170,400.00
Federal award project description (see FFATA):	Mitigation Reconstruction
Name of Federal awarding agency:	Federal Emergency Management Agency
Name of pass-through entity:	FL Division of Emergency Management
Contact information for the pass-through entity:	Renee.Singh@em.myflorida.com
Catalog of Federal Domestic Assistance (CFDA) Number and Name:	97.039 Hazard Mitigation Grant Program
Whether the award is R&D:	N/A
Indirect cost rate for the Federal award:	N/A

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and City of New Smyrna Beach, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Renee Singh
Project Manager/Grant Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Blvd.
Tallahassee, FL 32399-2100
Telephone: 850-570-5909
Email: Renee.Singh@em.myflorida.com

The Division's Alternate Grant Manager for this Agreement is:

Kathleen Marshall
Community Program Manager
Bureau of Mitigation
Florida Division of Emergency Management
2489 Shumard Oak Boulevard
Tallahassee, FL 32399-2100
Telephone: 850-528-4216
Email: Kathleen.Marshall@em.myflorida.com

i. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

Kyle W. Fegley, P.E
City Engineer
210 Sams Avenue
New Smyrna Beach, FL 32168
Telephone: 386-410-2811
Email: Kfegley@cityofnsb.com

ii. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on **February 6, 2023** and shall end on **February 29, 2028**, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.1, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and approved Pre-Award costs shall be outlined in Attachment A of this Agreement ("Budget and Scope of Work").

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$170,400.00**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

a. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

b. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) RECORDS

a. As required by 2 C.F.R. §200.337, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2489 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2489 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are

completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be

construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. "Except in those cases where applicable Federal statutes expressly mandate or encourage" otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 ("Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms").

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief

Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2489 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any

goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment

provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any

Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and

entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY AND MERIT-BASED SELECTION

m. In accordance with Executive Order 14173, "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," the Subrecipient hereby agrees that all procurement and employment actions funded in whole or in part with federal funds shall be identity-neutral and merit-based.

i. The Subrecipient and its contractors shall not discriminate against any employee, applicant for employment, or bidder because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

ii. The Subrecipient certifies that no contract award or employment decision shall be based on a demographic preference, quota, or "workforce balancing" requirement.

iii. All contract awards must be based solely on technical merit, cost-effectiveness, and the bidder's demonstrated ability to perform the work.

n. The Subrecipient acknowledges that compliance with this Section (26) is material to the federal government's decision to provide and reimburse funds. The Subrecipient further agrees that:

i. Failure to adhere to merit-based selection standards while certifying compliance through the submission of reimbursement requests may subject the Subrecipient to civil and/or criminal penalties under the False Claims Act (31 U.S.C. §§ 3729–3733).

ii. The Subrecipient shall include the provisions of this Section (26) in every subcontract or purchase order so that such provisions shall be binding upon each subcontractor or vendor.

iii. In the event of the Subrecipient's noncompliance with the merit-based provisions of this clause, FDEM may cancel, terminate, or suspend this Agreement in whole or in part and refer the matter to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

a. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

c. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

a. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

b. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

c. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

d. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

> Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

By: _____

Name and Title: _____

Date: _____

FEID#: _____

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

By: _____

Name and Title: Kevin Guthrie, Director

EXHIBIT – 1

THE FOLLOWING FEDERAL RESOURCES ARE AWARDED TO THE SUB-RECIPIENT UNDER THIS AGREEMENT:

Federal Program
Federal agency: **Federal Emergency Management Agency: Hazard Mitigation Grant**
Catalog of Federal Domestic Assistance title and number: **97.039**
Award amount: **$170,400.00**

THE FOLLOWING COMPLIANCE REQUIREMENTS APPLY TO THE FEDERAL RESOURCES AWARDED UNDER THIS AGREEMENT:

- 2 C.F.R. Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
- The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. 5121 et seq., and Related Authorities
- Sections 1361(A) of the National Flood Insurance Act of 1968, 42 U.S.C. 4104c, as amended by the National Flood Insurance Reform Act of 1994, Public Law 103-325 and the Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264
- 31 C.F.R. Part 205 Rules and Procedures for Funds Transfers

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to improve and elevate flood-prone property in New Smyrna Beach, Volusia County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4680-047-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, City of New Smyrna Beach, agrees to administer and complete the project per sealed engineering designs and construction plans as submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes mitigation reconstruction of property located at 216 North Duss Street, New Smyrna Beach, Florida 32168.

The HMGP proposed project scope of work for mitigation reconstruction of this flood-prone property shall include demolition of the existing one-story, 1,240-square-foot structure with a stem wall perimeter foundation and crawlspace underneath and reconstruct it a minimum of 2 feet above the Base Flood Elevation (BFE) in accordance with the Freeboard Value Approach for noncritical actions plus 3 feet to account for sea level rise. Appropriate means of access shall be constructed including a platform lift, allowing the homeowner to reach the newly elevated dwelling by assisted mobility device. The site shall be prepared for construction and restored upon completion with utilities and equipment reconnected and operational. The property is in Special Flood Hazard Area Zone AE where the BFE is 5 feet (NAVD88) according to the FEMA Flood Insurance Rate Map (FIRM), whereas the structure's lowest floor elevation is 4.8 feet (NAVD88) as per the FEMA Elevation Certificate. During Hurricane Ian, the home was inundated with floodwater reaching several inches high in the main living areas resulting in differential movement, minor racking, uneven settlement of the roof, and a Substantial Damage Determination. A licensed Professional Engineer assessed the property and determined that it is structurally unsound and unfit for elevation; thus, Mitigation Reconstruction is recommended. The project shall remediate structural damage and prevent flood recurrence, costly repairs, and displacement.

Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

ID#	Name	Address	Coordinates

1)	North Duss Street Residence	216 North Duss Street, New Smyrna Beach, Florida 32168	(29.02357, -80.93247)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

   The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per sealed engineering designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

   The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

   The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

   The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

   The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

   The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

   Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

   The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

   The project shall be implemented in accordance with sealed engineering designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

   The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

   The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall

complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Signed and Sealed As-built project plans (drawings) by the Professional of Record, two hard copies and an electronic version (via email or CD).

b) Letter of Completion (by engineer, floodplain manager or senior level official):

   1. Affirming that the project was completed in conformance with the approved project drawings, specifications and scope; and

   2. Certifying Compliance with all applicable codes/ordinances; and

   3. NFIP regulations, including applicable NFIP Technical bulletins.

c) Certificate of Occupancy certifying that the structure is code compliant.

d) Final Elevation Certificate (FEMA Form FF-206-FY-22-152) ensuring each structure has been elevated to the proper elevation.

e) Verification that final square footage is within 10 percent of original structure square footage at the time of closeout per property.

f) Verification of Flood Insurance per property.

g) Digital Photographs: Front, rear, and side of final elevated structure, per property.

h) Local Building Official Inspection Report, Local Permits, Certificate of Completion, Lead-based Paint Report, and Final Approval, as applicable.

i) Letter from corresponding entities certifying the termination of any utilities. This may include but is not limited to decommissioning of septic systems and potable water wells.

j) Copy of Warranty Deeds.

k) Copy of letters issued by the utility companies involved, confirming that all services have been terminated, as applicable.

l) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

m) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, all project activities may not be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

   The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments

were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments shall be applied to larger awards, allowing smaller awards to be fully obligated. Obligations shall be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds shall be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separately from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and

that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party-in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient. Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, sealed engineering designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) Deliverables:

Mitigation Activities consist of Mitigation Reconstruction to improve and elevate flood-prone property in New Smyrna Beach, Florida to include the construction of a new hazard resistant and code-compliant structure, which shall provide protection from continuous flood damage. Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall submit a signed and sealed final copy of the completed project's As-built drawings and all necessary supporting documentation and provide a summary of all contract scope of work changes, if any.

3) The Sub-Recipient shall provide a copy of the Notice of Commencement, and any local official Inspection Report and/or Final Approval, as applicable.

4) The Sub-Recipient shall submit a certified letter of completion from Engineer of Record. The Sub-Recipient's Engineer of Record shall provide a formal certificate or letter affirming that the project has been completed in conformance with the approved project drawings, specifications, scope, and applicable codes.

D) Environmental:

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission to the Division and FEMA for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

4) The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

5) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) Programmatic:

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of the new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the Sub-Recipient-contractor/consultant executed contract agreements must be forwarded to the Division within 10 days of execution. Verification of the compliance with the Federal Procurement Standards and method of procurement documentation.

8) Verify that a Duplication of Benefits review was completed to ensure property owners did not receive federal assistance for the same purpose from another source (such as Increased Cost of Compliance or Individual Assistance) for project closeout.

9) Verification that any program income has been deducted from the total project costs as specified in Title 2 of the Code of Federal Regulations Section 200.307.

10) Documentation ensuring submitted expenses were eligible and all costs were incurred during the Period of Performance (POP) per each property.

11) Signed and Sealed As-built project plans (drawings), per property, by the Professional of Record for project closeout.

12) Letter of Completion (by engineer, floodplain manager or senior level official), for project closeout.

    a) Affirming that the project was completed in conformance with the approved project drawings, specifications and scope; and

    b) Certifying Compliance with all applicable codes/ordinances, and

    c) NFIP regulations, including applicable NFIP Technical bulletins, and

13) Certificate of Occupancy certifying that each structure is code compliant for project closeout.

14) Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure, ensuring each property has been elevated to the required elevation for project closeout.

15) Documentation of Flood Insurance for each structure for project closeout.

16) Signed "Acknowledgement of Conditions for Mitigation of Property in a Special Flood Hazard Area (SFHA) with FEMA Grant Funds" form for each structure located in the SFHA for project closeout.

17) Documentation for Verification that final square footage is within 10 percent of original structure square footage at the time of closeout.

18) An officially recorded copy of the property deed amendment that includes notice of flood insurance requirements for each property for project closeout.

19) Digital Photographs: Front, rear, and both sides of final elevated for each structure for project closeout.

20) Include a statement in the closeout request letter, which states what action was taken to address each environmental condition/requirement or explain why an action was not required with the prior approval that was requested and received from FDEM and FEMA.

21) Submit required permits, notices, correspondence, or other relevant documentation outlined in the environmental project conditions for project closeout.

22) Submittal of a Signed Final Progress Report, utilizing the Quarterly Report (QR) Milestones-Activities Workbook.

23) The Sub-Recipient must ensure that persons responsible for the management of this grant, including the designated Point of Contact (POC), staff, and consultants, attend the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months. Any change in the Sub-Recipient's Point of Contact (POC), or in any other person responsible for the management of this grant, shall require the newly designated individual to also fulfill this training requirement by attending the Division's Sub-Recipient Responsibility Review training at least once every thirty-six (36) months, or by having completed it within the last thirty-six (36) months.

24) Special Conditions required for the implementation of project:

    a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA

funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 Floodplains **Monitoring Required: No**

25) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

   a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

   b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

   c) SRMC cannot exceed 5% of the total project costs awarded.

   d) SRMC is 100% federally funded and shall be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

   e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

   f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

26) Eligible mitigation reconstruction costs are limited to $220,000.00 Federal share per property. Any construction activities over and above $220,000.00 are non-federal share. This needs to be taken into consideration when a construction cost increase is being considered.

This is FEMA project number **4680-047-R.** It is funded under HMGP, FEMA-4680-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4680.

FEMA awarded this project on April 27, 2026; with a Pre-Award date of February 6, 2023; and the Period of Performance for this project shall end on **February 29, 2028**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances. Some eligible activities, such as administrative allowances and permitting fees, need not be included in the $220,000.00 maximum Federal share.

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;

2) Disallow all or part of the cost of the activity or action not in compliance;

3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;

4) Withhold further awards for the program; or

5) Take other remedies that may be legally available.

SRMC-Pre-Award:	$10,650.00	$10,650.00	
SRMC Total:	**$10,650.00**	**$10,650.00**	

**Any line-item amount in this Budget may be increased or decreased 10% or less, with the Division's approval, without an amendment to this Agreement being required, so long as the overall amount of the funds obligated under this Agreement is not increased.*

NOTE: FEMA shall only pay $220,000.00 in construction costs. The Homeowner is responsible for construction costs in excess of $220,000.00. As a result, the line items in the construction budgets above shall not calculate to the exact percentage indicated. Also, Total Project Costs shall, in turn, not equal the percentage indicated.

This project has a Pre-Award, approved by FEMA in the amount of $500.00 project costs with a start date of* ***February 6, 2023*.*

****** This project has an estimated $0.00 in contingency funds.*** *Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen conditions related to the project arose that required the use of contingency funds.*

Project Management costs are included for this project in the amount of $0.00.

***** Sub-Recipient Management Costs (SRMC) are included for this project in the amount of $0.00 in Federal funding.** *Per the Hazard Mitigation Grant Program Interim FEMA Policy 104-11-1, SRMC provides HMGP funding to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner. SRMC must conform to 2 CFR Part 200, Subpart E, ensuring costs are reasonable, allowable, allocable and necessary to the overall project.*

SRMC cannot exceed 5% of the approved total project costs awarded and shall be reimbursed at 5% for each Request for Reimbursement (RFR) submitted with the required documentation.

If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

*This project has a **SRMC Pre-Award,** approved by FEMA in the amount of **$10,650.00**, with a start date of **October 10, 2023.***

Funding Summary Totals

Federal Share:	$159,750.00	(36.884649752%)
Non-Federal Share:	$273,357.00	(63.115350248%)
Total Project Cost:	**$433,107.00**	**(100.00%)**
SRMC (100% Federal)	$10,650.00	

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) The applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide);

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must "obtain prior written approval for any budget revision which result in a need for additional funds" (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference the applicable Hazard Mitigation Assistance Program and Policy Guide (HMA Guide) Award Extensions guidance.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)
(22) Department of Justice regulations on disability discrimination, 28 C.F.R., Part 35 and Part 39
(23) 42 U.S.C. 5154a

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for "kickbacks" of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the "Uniform Federal Accessibility Standards," (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (l)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes

consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); and EO 11990 (Wetlands).

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present

c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

JUSTIFICATION OF ADVANCE PAYMENT

SUB-RECIPIENT: CITY OF NEW SMYRNA BEACH

If you are requesting an advance, indicate same by checking the box below.

[ ] ADVANCE REQUESTED

Advance payment of $ _____ is requested. Balance of payments will be made on a reimbursement basis. These funds are needed to pay staff, award benefits to clients, duplicate forms and purchase start-up supplies and equipment. We would not be able to operate the program without this advance.

If you are requesting an advance, complete the following chart and line item justification below. PLEASE NOTE: Calculate your estimated expenses at 100% of your expected needs for ninety (90) days. Submit Attachment D with the cost share breakdown along with Attachment E and all supporting documentation.

ESTIMATED EXPENSES

BUDGET CATEGORY/LINE ITEMS (list applicable line items)	20___-20___ Anticipated Expenditures for First Three Months of Contract
For example ADMINISTRATIVE COSTS (Include Secondary Administration.)	
For example PROGRAM EXPENSES	
TOTAL EXPENSES	

LINE ITEM JUSTIFICATION (For each line item, provide a detailed justification explaining the need for the cash advance. The justification must include supporting documentation that clearly shows the advance will be expended within the first ninety (90) days of the contract term. Support documentation should include quotes for purchases, delivery timelines, salary and expense projections, etc. to provide the Division reasonable and necessary support that the advance will be expended within the first ninety (90) days of the contract term. Any advance funds not expended within the first ninety (90) days of the contract term as evidenced by copies of invoices and cancelled checks as required by the Budget and Scope of work showing 100% of expenditures for the 90 day period shall be returned to the Division Cashier, 2489 Shumard Oak Boulevard, Tallahassee, Florida 32399, within thirty (30) days of receipt, along with any interest earned on the advance.

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

PROJECT #: 4680-047-R

FUNDING AGENCY: Federal Emergency Management Agency

AWARD AMOUNT: $ 170,400.00

OBLIGATION/ACTION DATE: April 27, 2026

SUBAWARD DATE (if applicable): _____

UEID/SAM#: PK4MA4NU92L5

*If your company or organization does not have a UEID/SAM number, you will need to obtain one from https://sam.gov/content/entity-registrationThe process to request a UEID/SAM number takes about ten minutes and is free of charge.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes mitigation reconstruction of property located at 216 North Duss Street, New Smyrna Beach, Florida 32168.

The HMGP proposed project scope of work for mitigation reconstruction of this flood-prone property shall include demolition of the existing one-story, 1,240-square-foot structure with a stem wall perimeter foundation and crawlspace underneath and reconstruct it a minimum of 2 feet above the Base Flood Elevation (BFE) in accordance with the Freeboard Value Approach for noncritical actions plus 3 feet to account for sea level rise. Appropriate means of access shall be constructed including a platform lift, allowing the homeowner to reach the newly elevated dwelling by assisted mobility device. The site shall be prepared for construction and restored upon completion with utilities and equipment reconnected and operational. The property is in Special Flood Hazard Area Zone AE where the BFE is 5 feet (NAVD88) according to the FEMA Flood Insurance Rate Map (FIRM), whereas the structure's lowest floor elevation is 4.8 feet (NAVD88) as per the FEMA Elevation Certificate. During Hurricane Ian, the home was inundated with floodwater reaching several inches high in the main living areas resulting in differential movement, minor racking, uneven settlement of the roof, and a Substantial Damage Determination. A licensed Professional Engineer assessed the property and determined that it is structurally unsound and unfit for elevation; thus, Mitigation Reconstruction is recommended. The project shall remediate structural damage and prevent flood recurrence, costly repairs, and displacement.

Any enclosed space at grade level shall have hydrostatic vents and can only be used for storage or parking only. The square footage of the newly constructed and elevated structure shall be no more than ten (10) percent greater than the original square footage. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structure was elevated to the required height.

Mitigation Reconstruction projects must complete an inspection prior to starting any construction, conducted by a qualified professional to demonstrate that a standard elevation is not technically feasible. A copy of the inspection report is attached.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

EXECUTIVE COMPENSATION INFORMATION:

1. In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (a) 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act, as defined at 2 C.F.R. 170.320; , (b) $25,000,000 or more in annual gross revenues from U.S. Federal procurement contracts (and subcontracts) and Federal financial assistance (e.g. loans, grants, subgrants, and/or cooperative agreements, etc.) subject to the Transparency Act?

   Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Does the public have access to information about the compensation of the executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) Section 6104 of the Internal Revenue Code of 1986?

   Yes ☐ No ☐

If the answer to Question 2 is "Yes," move to the signature block below to complete the certification and submittal process. [Note: Securities Exchange Commission information should be accessible at http//www.sec.gov/answers/execomp.htm. Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

FEMA created the 2019 PDAT Contract Provisions Template to assist non-Federal entities. It is *available at* https://www.fema.gov/media-library-data/1569959119092-92358d63e00d17639d5db4de015184c9/PDAT_ContractProvisionsTemplate_9-30-19.pdf.

Please note that the sub-recipient alone is responsible for ensuring that all language included in its contracts meets the requirements of 2 C.F.R. § 200.327 and 2 C.F.R. Part 200, Appendix II.

Attachment K

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Florida Accountability Contract Tracking System (FACTS)
Requirements for Non-profit Organizations Under Section 216.1366, Florida Statutes
Instructions and Worksheet

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

As used in this subsection, the term:

- "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.
- "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.
- "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

NON-PROFIT ORGANIZATION REMUNERATION INFORMATION

1. Is your business or organization a non-profit organization as defined in s. 215.97 (2)(m). F.S.?
Yes ☐ No ☐

If the answer to Question 1 is "Yes," continue to Question 2. If the answer to Question 1 is "No", move to the signature block below to complete the certification and submittal process.

2. Will state funds be used as remuneration to any member of the board of directors or an officer in your business or organization?
Yes ☐ No ☐

If the answer to Question 2 is "Yes," provide the information required in the "Total Compensation Paid to Non-Profit Personnel Using State Funds" form below. A separate form should be completed for each member of the board of directors or officer being compensated using state funds. If the answer to Question 2 is "No", move to the signature block below to complete the certification and submittal process.

FOREIGN COUNTRY OF CONCERN AFFIDAVIT –
PERSONAL IDENTIFYING INFORMATION CONTRACT

Section 287.138, Florida Statutes, prohibits a Florida "Governmental entity"[2] from entering into or extending contracts with any other entity whereby such a contract, or extension thereof, could grant the other entity access to an individual's personal identifying information if that entity is associated with a "Foreign Country of Concern."[3] Specifically, section 287.138(2), Florida Statutes, prohibits such contracts with any entity that is owned by the government of a Foreign Country of Concern, any entity in which the government of a Foreign Country of Concern has a "controlling interest,"[4] and any entity organized under the laws of or which has its principal place of business in a Foreign Country of Concern.

As the person authorized to sign on behalf of Respondent, I hereby attest that the company identified above in the section entitled "Respondent Vendor Name" is not an entity owned by the government of a Foreign Country of Concern, no government of a Foreign Country of Concern has a controlling interest in the entity, and the entity has not been organized under the laws of or has its principal place of business in a Foreign Country of Concern.

I understand that pursuant to section 287.138, Florida Statutes, I am submitting this affidavit under penalty of perjury.

THE CITY OF NEW SMYRNA BEACH - PUBLIC WORKS

CONSIDER THE APPROVAL OF CONTINUING SERVICE AGREEMENTS WITH BAYSIDE DREDGING LLC, KARINAS LAKEFRONT MAINTENANCE, AND ZULU MARINE SERVICES, INC. FOR ENVIRONMENTAL (DREDGING) SERVICES.

July 14, 2026

Background:

On April 7, 2026 the City issued a Request for Qualifications for Environmental Services (Dredging). Services include but are not limited to dredging, sediment removal and aquatic vegetation control services for city-owned canals, stormwater infrastructure and retention ponds. Five responses were received by the May 7, 2026 deadline. An evaluation committee met on June 17, 2026 to review the submissions and recommends continuing services agreements with the top three ranking vendors: Bayside Dredging LLC, Karinas Lakefront Maintenance, and Zulu Marine Services. Approval of these agreements will enable the Public Works Department to maintain critical stormwater/drainage infrastructure in a timely and efficient manner.

Fiscal Analysis:

Overall cost will be based on need and budget.

Strategic Plan Item:

No

II. Introduction

Thank you for your interest in doing business with the City of New Smyrna Beach, Florida.

If you are interested in preparing a response to this solicitation, please read the solicitation package in its entirety prior to submitting a response.

Under Chapter 119, Florida Statutes, all responses to this solicitation shall be considered public record, subject to distribution pursuant to the request for records by any interested party.

For purposes of this solicitation the terms "Consultant" "Proposer," "Respondent" and/or "Vendor," are used interchangeably, and are in reference to the person or entity submitting the response to this solicitation.

II.A Summary

The City of New Smyrna Beach, Florida (the "City") is soliciting proposals from qualified and experienced contractors for dredging services.

The selected Contractor, either through in-house staff or outside consultants/contractors, will serve as a construction manager and provide all services necessary for the completion of project(s) on an as needed basis.

The city makes no covenant or promises as to the number of available projects or that the firm(s) will perform any project for the city during the life of the contract. The contract does not

authorize the performance of any work or require the city to place orders for work. If made, the recommendation of award will be made to the best overall Proposer whose proposal is most advantageous to the City.

During this period, the City shall reserve the right to seek qualifications and/or proposals from other individuals or firms for specialized projects, as deemed to be in the best interest of the City.

II.B Background

The City serves an area of 41.6 square miles in size and serves a population of approximately 33,402. It is located off of Florida's East Coast, in the County of Volusia, just north of Cape Canaveral with easy access to both Interstate 95 and Interstate 4. The City's fiscal year begins on October 1st and ends on September 30th.

The City was created in 1887 by adoption of its first charter, which was replaced through Chapter 224.08, Special Acts of Florida, 1943, and subsequently amended, with the most recent update taking effect January 1, 2021.

The legislative branch of the City is composed of an elected five-member City Commission consisting of the Mayor and four Commissioners. The City Commission is governed by the City Charter and by state and local laws and regulations. The City Commission is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Commission-appointed City Manager.

More detailed information on the government and can be found in City of New Smyrna's Comprehensive Annual Financial Report (CAFR). This report may be viewed on https://www.cityofnsb.com/105/Financial-Reports.

The City of New Smyrna is exempt from any and all state, local and federal taxes.

III. Definitions

III.A General Definitions

The terms used in this specification are defined as follows:

Agreement: An understanding, usually in writing, between two or more competent parties, under which one party agrees to certain performance as defined in the agreement and the second party agrees to compensation for the performance rendered in accordance with the conditions of the agreement. Agreements and contracts are sometimes used synonymously.

Bid: A quotation of price for commodity or service in response to an invitation to offer a price for commodity or service. These quotations may be formal or informal as defined herein.

City: City of New Smyrna Beach.

Claims and Notices: A notice is defined to be information rendered by either party to the other upon a condition becoming known pursuant to the following requirements. All claims, requests, substitutions, changes, notices, delays, and all other forms of notices or claims by the Contractor to the Owner must be in writing and promptly presented to the City Manager or designee. If none is so made, it is irrefutably presumed not to have been given by the contractor to the Owner.

Competitive Sealed Bids: The receipt of one or more sealed bids or proposals submitted by responsive and qualified bidders or offerors.

Construction: The process of utilizing labor to build, alter, repair, improve, or demolish any structure, building or public improvement; generally, does not apply to routine maintenance, repair, or operation of existing real property.

Consultant: A person or company that possesses unique qualifications that allow them to perform specialized advisory services usually for a fee.

Contract: The agreement executed by the Owner and the Contractor covering the work to be performed and including all Contract Documents.

Contractor: A person or firm who contracts to sell commodities or contractual services to the City.

Debarment: 1. Prohibits a seller or contractor from bidding on future requirements for cause for a certain period of time. 2. A sanction brought against a seller whereby they may not engage in future procurement actions. 3. To exclude or shut out of future solicitations and contracting opportunities.

Drawings: The drawings listed and described in the Contract Documents.

Engineer: For this project, reference to the Engineer shall refer to City Engineer, Kyle Fegley, or his designee.

Evaluation Committee: A committee established to conduct an evaluation of proposals, interviews, and negotiations during the solicitation process for a specific product or service. Usually composed of representatives from the functional area identified in the solicitation. May also be described as a Review Committee.

Firm: A partnership or business unit of two or more persons not recognized as a corporation.

Formal Bid: A written quotation of price for a commodity or service submitted in response to a written invitation or legal advertisement to offer a price for said commodity or service. Such quotations are submitted in a sealed envelope and opened at a specified time and place. Also known as a Solicitation.

Informality or Waiver: The act of disregarding minor informalities, errors, or technical nonconformance in the bid or proposal that will not adversely affect the competition or prejudice one bidder in favor of another.

Owner: City of New Smyrna Beach

Projects: The entire construction, installation or work to be performed as set forth in the Contract Documents.

Protest: A written objection by an interested party to a solicitation or award of a contract with the intention of receiving a remedial result.

Request for Proposals/Qualifications: A written request for proposals or qualifications from interested vendors and service providers that may or may not ask for pricing information. Also known as an RFP or RFQ.

Specifications: A clear, complete, and accurate statement of the technical requirements descriptive of an item and if applicable, the procedure to be followed to determine if the requirements have been met.

Subcontractor: Any person, firm or corporation other than the Contractor supplying material or labor for work at the site of the project. Such person or firm has contractual relations with the Contractor, but not with the Owner.

Sunbiz: Sunbiz.org is a web site for companies to register to transact business in the State of Florida. It is run by the Florida Department of State, Division of Corporations.

Sunshine Law: A law that requires public disclosure of a government act. Laws that require state and local agencies to conduct their business in the sunshine. In 1992, Florida voters reaffirmed the right to open government by approving an amendment adoption Article 1, [section] 24(6) of the Florida Constitution, which "grant[ed] constitutional status to the public's right of access to all levels of government." Many other states have also adopted similar laws. Public officials have a duty to conduct meetings in the sunshine. They also have a duty to protect the trade secrets of the suppliers with whom they do business.

Surety: Any person, firm or corporation that has executed as Surety.

Vendor: A person or entity that provides goods and/or services, usually for low-cost, low-risk, and short-term engagements.

"Consultant" “Proposer,” “Respondent” and/or “Vendor,” are used interchangeably, and are in reference to the person or entity submitting the response to this solicitation.

IV. General Information

IV.A Ambiguity, Conflict, or Other Errors in the Solicitation

If a respondent discovers any ambiguity, conflict, discrepancy, omission, or other error in the solicitation, the respondent shall immediately notify the Purchasing Department, noted herein, of such error in writing and request modification or clarification of the document. The City shall make modifications by issuing an addendum through the City's e-Procurement portal. No interpretation shall be considered binding unless provided in writing by the City of New Smyrna Beach.

The respondent is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the solicitation prior to submitting the proposal or it shall be waived.

IV.B Americans with Disabilities Act

Persons with disabilities needing special accommodation at public meetings should contact the Purchasing Department at 386-410-2654, no later than seven (7) days prior to the appropriate date on which the accommodation is requested.

IV.C Assignment

The consultant(s) shall not assign, transfer, convey, sublet or otherwise dispose of this contract, or of any or all of its rights, or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the City.

IV.D City's Rights

The City of New Smyrna Beach reserves the right to retain all proposals submitted regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the respondent of the conditions contained in this solicitation, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of New Smyrna Beach and the awarded firm or consultant.

The City has the sole discretion and reserves the right to cancel or withdraw this solicitation at any time for any reason, to reject any/all proposals, to waive any/all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the best interest of the City to do so.

The City also reserves the right to award a contract based on experience and qualifications or to award only a portion of the services specified, if deemed to be in the City's best interest.

IV.E Award of Contract and Professional Services Agreement

A contract resulting from this solicitation shall be subject to the terms and conditions set forth in a standard City agreement. The City reserves the right to include in any contract document such terms and conditions as it deems necessary for the proper protection of the rights of the City. The City shall not be obligated to sign any contracts, maintenance and/or service agreements or other documents supplied by the Professional Consultant.

Contract Negotiations: After the ranking is completed, the City will attempt to negotiate an agreement with the top ranked firm or individual which is determined to be in the best interest of the City. The agreement will cover all aspects of the scope of services as described herein. If no agreement is reached with the top ranked firm or individual, negotiations will be terminated and initiated with the next-ranked firm or individual, and so on, until an agreement is reached.

The selected Consultant shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

Contract Term: Contract period of three (3) years, with the possibility one (1) optional two (2) year extension, for a total of five (5) years.

IV.F Cone of Silence/Lobbying

Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a City Commission Member, the City Manager, any requesting or

evaluating Department/Division/Office personnel and/or any member of the Evaluation Committee concerning an active solicitation during the black-out period.

A lobbying black-out period commences upon the issuance of this solicitation document.

If a recommendation to award is presented to City Commission for approval or for a request to provide authorization to negotiate a Contract(s) and the City Commission refers the item back to the City Manager, Procurement Department and/or the requesting Department further review or otherwise does not take action on the item, the Cone of Silence/Lobbying Black-out Period will be reinstated until such time as the City Commission meets to consider the item for action.

Bidders, respondents, potential vendors, service providers, lobbyists, consultants, or vendor representatives shall not contact any City Commission member, the City Manager and/or any member of the evaluation committee concerning an active solicitation during the Cone of Silence/Lobbying Black-out Period.

IV.G Conflict of Interest

Submitted proposals shall include a completed Conflict-of-Interest Affidavit provide as an attachment in Section 9 of this solicitation. Disclosure of any potential or actual conflict of interest is subject to City staff review and does not in and of itself disqualify a firm from consideration.

These disclosures are intended to identify and or preclude conflict of interest situations during contract selection and execution.

IV.H Due Date For Questions

To ensure fair consideration for all parties, the city prohibits communication to or with any department, division, employee, or city representative from the issuance date of this solicitation until the City's final action. Unauthorized contact regarding this solicitation with any employee, and/or elected city officials of the City of New Smyrna Beach other than purchasing may result in disqualification from this procurement process of the contacting individual/firm submittal.

All questions related to this RFQ shall be submitted in writing via the OpenGov Question/Answer Tab via the City's e-Procurement portal, on or before 5:00 pm on Tuesday, April 21, 2026. Please include the section title for each question, if applicable, in order to ensure that questions asked are responded to correctly.

When asking questions, please be sure to enter each question separately.

Proposers must clearly understand that the only official answer or position of the City shall be the one stated in writing by the City. All questions submitted and answers provided shall be electronically distributed to proposers following this solicitation on the City's e-Procurement Portal.

All responses to questions will be in the form of an addendum that will be posted on OpenGov. Bidders are required to acknowledge receipt of the posted addendums, if any, by signing a posted addendum and submitting a signed copy with a submitted bid.

It is the responsibility of the prospective respondents to check OpenGov for addendum(s) and other important information pertaining to this solicitation. The City reserves the right to make a written request for additional information from a Contractor/Vendor to assist in understanding or clarifying a Bid Proposal. The responses are to be provided in writing.

The City is not responsible for the content of any public solicitation package received through any 3rd party bid service or any source not listed above. It is the sole responsibility of the contractor to ensure the completeness of the documents received from any 3rd party. The city is not responsible for errors and omissions occurring in the transmission or downloading of any specifications from our or any website.

IV.I Due Date For Proposals

Submittals shall be received prior to 2:00 pm on Thursday, May 7, 2026. Submittals shall be submitted through the City's e-Procurement Portal.

Submittals received after the designated time will not be permitted or accepted. There is no expressed or implied obligation for the City of New Smyrna Beach to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

IV.J Evaluation Meeting

Time and date of the evaluation meeting is provided in Section II.D of this document and on the city website.

IV.K Evaluation of Submittals

An evaluation committee consisting of City staff shall review and score each proposal based on the criteria set forth in the section of this document titled Evaluation Criteria.

Presentations or demonstrations may be scheduled for the top-ranked respondents. If an award of contract is recommended it will be based on the combined scores from the proposal review and presentations, if applicable. The consensus of the committee will be the deciding factor on how to move forward.

A submission of a proposal to the City offers no rights upon the respondent nor obligates the City in any manner. Acceptance of a proposal does not guarantee issuance of any other governmental approvals.

If made, the recommendation of award will be made to the best overall respondent whose proposal is most advantageous to the City, taking into consideration the evaluation factors set forth in this solicitation. The City will not use any other factors or criteria in the evaluation process.

The consensus of the committee will be the deciding factor on how to move forward.

IV.L E-Verify

The E-Verify System means an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

Pursuant to Florida Statute 448.095, any new contract or renewal with a public agency requires the vendor and any subcontractor thereof to register with and use the E-Verify system to verify the work authorization status of all new employees working in the state of Florida or the United States. If the contractor or vendor enters into a contract with a subcontractor, the subcontractor must provide an affidavit to the contractor or vendor that states that the subcontractor does not employ any unauthorized alien in Florida or the United States. The contractor shall provide and maintain proof of compliance with this statute upon request.

Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Every Vendor shall, upon request, provide evidence of compliance with this provision to the Owner. Failure to comply with this provision is a material breach of an Agreement, and the Owner may choose to terminate the Agreement at its sole discretion. The Vendor may be liable for all costs associated with the Owner securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

IV.M Federal and State Tax

The City of New Smyrna Beach is exempt from Federal and State Sales and Use Taxes for tangible personal property. Consultants doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City nor shall any Consultant be authorized to use the City's Tax Exemption Number in securing such materials.

IV.N Florida Public Records Act

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF

PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IV.O Foreign Corporation

In accordance with Section 607.150 of the Florida Statutes, and provided an exemption is not available, a foreign corporation may not transact business in Florida until it obtains a certificate of authority from the Florida Department of State.

Foreign corporations may submit bids or proposals prior to obtaining a certificate of authority from the Florida Department of State. A foreign corporation must be in compliance with F.S. 607.150, prior to entering into a Contract with the City.

IV.P Governing Law/Jurisdiction

The interpretation, effect, and validity of any contract(s) resulting from this solicitation shall be governed by the laws and regulations of the State of Florida. In the event that a suit is brought for the enforcement of any term of the contract(s), venue of any court action shall be in Volusia County, Florida.

IV.Q Human Trafficking

Compliant with Florida Statutes, 787.06.

A contract resulting from this solicitation is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided a complete Human Trafficking Affidavit provided in the Attachment Section of this document.

IV.R Immigration Reform and Control Act

Proposer acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the awarded firm(s) to comply with the laws referenced herein shall constitute a breach of the award agreement and the City shall have the discretion to unilaterally terminate said agreement immediately.

IV.S Inquiries

All questions related to this RFQ shall be submitted in writing via the OpenGov Question/Answer Tab via the City's e-Procurement portal, on or before 5:00 pm on Tuesday, April 21, 2026. Please include the section title for each question, if applicable, in order to ensure that questions asked are responded to correctly.

When asking questions, please be sure to enter each question separately.

Proposers must clearly understand that the only official answer or position of the City shall be the one stated in writing by the City. All questions submitted and answers provided shall be electronically distributed to proposers following this solicitation on the City's e-Procurement Portal.

IV.T Joint Ventures

Responders that are intending to submit a bid response as a joint venture are required to have filed proper documents with the Division of Corporations, and/or any other State or local licensing agency prior to submitting a bid response. Please refer to Section 489.119 Florida Statutes.

Joint venture firms must provide an affidavit attesting to the formulation of a joint venture and provide either proof of incorporation as a joint venture or a copy of the formal Joint Venture Agreement between all joint venture parties, indicating their respective roles, responsibilities, and levels of participation for the project.

IV.U Judgements/Legal Findings

By submitting a proposal for consideration, the proposer affirms that they currently have no judgements or other legal findings nor have any pending judgements or other legal findings against the company or any of its executives, with any federal, state or local governmental entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of this bid. Failure to disclose any such judgments and/or findings will result in the termination of any contracts and other penalties as deemed legal and appropriate by the City.

IV.V Legal Requirements

Federal, State, County and local laws, ordinances, rules and regulations that in any manner affect the item(s) covered herein apply. Lack of knowledge by the respondent will in no way be cause for relief from responsibility.

IV.W Liability

The City of New Smyrna Beach assumes no responsibility for the cost of preparing a response to this solicitation. The awarded consultant shall hold and save the City of New Smyrna Beach, its officers, agents and employees harmless from liability of any kind in the performance of or fulfilling the requirements of a contract which may result from award of this solicitation.

Neither party shall be held responsible for failure to complete contract due to causes beyond its control, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, Acts of Nature and similar occurrences making performance impossible or illegal.

The consultant shall hold and save the City of New Smyrna Beach, its officers, agents, and employees harmless against claims by third parties resulting from the consultant's or suppliers liability, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused but the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the contact . The city expressly reserves all rights, privileges, and benefits of sovereign immunity.

IV.X Method of Source Selection

The City of New Smyrna Beach is using the competitive sealed proposal methodology of source selection for this procurement, as authorized by the City Purchasing Policy.

IV.Y On-line Provider Disclaimer

It is recommended that respondents register and maintain their registration with OpenGov at www.OpenGov.com. This is a third-party provider that provides a platform to communicate solicitation information to the Public. OpenGov does not represent the City nor does communications through this provider constitute communications to the City. The City of New

Smyrna Beach is not responsible for errors and omissions occurring in the transmission or downloading of any documents from the online website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

IV.Z Opening of Proposals

Sealed proposals will remain sealed until the time of opening listed in Section II.D of this document. Through Microsoft Teams, the received proposals will be publicly opened, and the proposers' names read aloud at that time. It is important to note that this is public meeting, and the meeting will be recorded.

Proposers may contact the City's Purchasing Coordinator to obtain information to view the live bid opening. No discussion of the Proposals will occur at this time.

IV.AA Payment

Florida Statute 218.70, et seq, known as the "Florida Prompt Payment Act" sets forth "the policy of this state that payment for all purchases by local governmental entities is made in a timely manner". This is also the policy of the City of New Smyrna Beach. The City expects prompt and accurate service from our consultants/vendors, and it shall pay their invoices promptly and accurately.

IV.BB Principals/Collusion

By submission of this proposal, the undersigned, as proposer, does declare that the only person or persons interested in this solicitation as principal or principals is/are named therein and that no person other than therein mentioned has any interest in this solicitation or in the contract to be entered into; that this proposal is made without connection with any person, company or parties submitting a proposal, and that it is in all respects fair and in good faith without collusion or fraud.

IV.CC Prohibition of Gifts to City Employees

No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service or other item of value to any City employee, as set forth in Chapter 112, Part III, Florida Statutes, the current City Ethics Ordinance, and City Administrative Policy. Violation of this provision may result in one or more of the following consequences:

A. Prohibition by the individual, firm, and/or any employee of the firm from contact with City staff for a specified period of time;

B. Prohibition by the individual and/or firm from doing business with the City for a specified period of time, including but not limited to: submitting bids, RFQ, and/or quotes and;

C. Immediate termination of any contract held by the individual and/or firm for cause.

IV.DD Proposal, Presentation, and Protest Costs

The City shall not be liable in any way for any costs incurred by any proposer in the preparation of its bid in response to this RFQ, nor for the presentation of its bid and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

IV.EE Proposal Due Date

Submittals shall be received prior to 2:00 pm on Thursday, May 7, 2026. Submittals shall be submitted through the City's e-Procurement Portal.

Submittals received after the designated time will not be permitted or accepted. There is no expressed or implied obligation for the City of New Smyrna Beach to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

IV.FF Protest Procedures

1) Respondents who do not agree with the City's recommendation for award shall be afforded the opportunity to protest the recommendation by submitting written notice to the Purchasing Division. Proposals not meeting the minimum published requirements, including specifications, scope of service, or required documents, are not subject to protest.

2) Such notice shall be given within three (3) business days after the City posts its notice of intent to award.

3) A formal written protest shall be made to the Purchasing Division within five (5) working days after filing the notice of protest, which shall state the grounds for the protest and the action requested.

4) The formal written protest shall include with it a bid protest bond in the amount of one percent (1%) of the estimated contract amount, as provided in Florida Statutes § 287.042(2)(c) and Rule 28-110.005 of the Florida Administrative Code. The notice of protest must be either hand-delivered and date and time stamped by the Finance Department, or sent via Certified U.S. mail, return receipt requested. Failure to file a protest within the timeframe specified herein shall constitute a full waiver of all rights to protest the City's decision regarding award of the bid. For full bid protest guidance, consult Section 9.1, Notice of Protest, of the City of New Smyrna Beach's purchasing policy.

IV.GG Public Entity Crimes

Pursuant to Section 287.133(12)(a) of the Florida Statutes, "A person or affiliate, who has been placed on the convicted vendor list following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold

amount provided in Section 287.017, for CATEGORY TWO ($25,000) for a period of 36 months from the date of being placed on the convicted vendor list."

IV.HH Relation of City

It is the intent of the parties hereto that the consultant shall be legally considered an independent consultant, and that neither the consultant nor their employees shall, under any circumstances, be considered employees or agents of the City, and that the City shall be at no time legally responsible for any negligence on the part of said consultant, their employees or agents, resulting in either bodily or personal injury or property damage to any individual, firm, or corporation.

IV.II Requesting the Solicitation Document

The City of New Smyrna Beach Purchasing Department is the official source to obtain information relating to the City solicitations.

All documents regarding this solicitation are posted utilizing an online bid management system, OpenGov. There is no charge to register with OpenGov and/or to participate in the solicitation process.

IV.JJ Requests for Clarification

The City may, as it deems necessary, conduct discussions with responsible respondents for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

Requests by the Purchasing Coordinator to a proposer(s) for clarification of a submittal(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive and may be just cause to reject its proposal.

IV.KK Single Proposal

Each Proposer must submit, with their bid, the required forms included in this solicitation. Only one proposal from a legal entity as a primary shall be considered. A legal entity that submits a proposal as a primary or as part of a partnership or joint venture submitting as primary may not then act as a sub-consultant to any other firm submitting under the same solicitation.

All submittals in violation of this requirement shall be deemed non-responsive and rejected from further consideration.

IV.LL State Registration Requirements

Any corporation submitting a proposal in response to this solicitation shall either be registered or have applied for registration with the Florida Department of State in accordance with the

provisions of Chapter 607, Florida Statutes. A copy of the registration/application may be required prior to award of a contract.

Any partnership submitting a response to this Solicitation shall have complied with the applicable provisions of Chapter 620, Florida Statutes. For additional information on these requirements, please contact the Florida Secretary of State's Office, Division of Corporations at (800) 755-5111 or visit the following website: (http://www.dos.state.fl.us).

IV.MM Termination

Termination for Convenience: The City reserves the right to terminate the Agreement in whole or part at any time without penalty or cause, which termination date shall not be less than thirty (30) days after the date of such written notice. Upon receipt of the written notice, the Contractor shall immediately stop all work as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the City. In the event of termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and delivered to the City. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed, and materials accepted before the effective date of termination. Such compensation shall be the Contractor's sole remedy against the City in the event of termination under this provision.

Termination for Cause or Default: The City reserves the right to terminate the Agreement in whole or in part due to the failure of the Contractor to comply with any term or condition of the Agreement, including failure to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Agreement. The City shall provide written notice of the termination and the reasons for it to the Contractor. Upon termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and be delivered to the City on demand. The City may, upon termination of the Agreement, procure, on terms and in the manner that it deems appropriate, materials, or services to replace those under the Agreement. The Contractor shall be liable to the City for any excess costs incurred by the City in re-procuring the materials or services.

Contractor's Right to Terminate: If the work should be stopped for a period of three (3) months, under any order of any court or public authority, other than by the Owner, through no act of fault of the Contractor or of anyone employed by the Contractor, then the Contractor may, upon thirty (30) days written notice to the Owner, terminate the Contract and recover from the Owner payment for all work executed and any expense sustained plus a reasonable profit thereon.

Force Majeure: No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God

b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)

c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest

d) Government order or law

e) Actions, embargoes or blockades in effect on or after the date of this Agreement

f) Action by any governmental authority

g) National or regional emergency

h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and

i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice.

IV.NN Title VI

No person shall on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992 and other nondiscrimination authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity of the City of New Smyrna Beach.

IV.OO Validity of Submittal

Submittals cannot be withdrawn after they are filed unless the respondent makes their request in writing to the City prior to the time set for the closing of RFQ.

All submittals shall be valid for a period of one hundred eighty (180) days from the submission date to accommodate evaluation and selection process.

V. Description of Services

The objective of this solicitation is to obtain the services of consultants with the capability to Environmental Services. The Scope of services under this Contract will be unique for each project and will be identified by the City in writing prior to requesting a proposal from the Consultant.

V.A General Description of Services

The City of New Smyrna Beach, Florida (the "City") is soliciting proposals from qualified and experienced contractors for environmental services, including dredging. The intent is to contract with one or more contractors providing turnkey services related to dredging. The city makes no covenant or promises as to the number of available projects or that the firm(s) will perform any project for the city during the life of the contract. The contract does not authorize the performance of any work or require the city to place orders for work. A city issued work order be required for each project as they are assigned.

All work is to be completed in workman like manner according to best practices with special consideration to staging equipment and/or work within a right-of-way. The contractor must take extra caution when working adjacent to fences, private properties, and utilities and shall be responsible for any restoration/damage caused by the construction activity. Each project will have a scope of work that is independent and stand alone. This will be established at the time the City requests a pricing proposal from an awarded contractor for a specific project, or scope of work.

The selected Contractor(s), either through in-house staff or outside consultants/contractors, will serve as a construction manager and provide for all activities and services necessary for the completion of project(s) on an as needed basis. The selected Contractor(s) shall also provide the required and necessary supervision, labor, permitting, mobilization, site preparation, equipment, material, and transportation for each project.

Services shall include, but not limited to:

- Mechanical and hydraulic dredging.
- Shoreline restoration, sediment transport and disposal, outfall maintenance, and removal of aquatic vegetation and debris.
- Maintenance of flow and water quality in compliance with environmental standards.
- Dredging, sediment removal, and aquatic vegetation control services for city-owned canals, stormwater and retention ponds.
- The material to be dredged is unclassified and may contain silts, sand, clay, muck, rock, concrete, debris, steel cable, rope, tires, timber or other material which may have been cast overboard or sunken and may contain toxic chemicals. The Contractor shall exercise all available options for waterways, parking areas, docks, piers, boat ramps, and other associated infrastructure to remain open and accessible during dredging.
- Mowing/mulching, digging/reshaping, and/or removal of undesirable materials to allow unobstructed flow of water at each location.
- Projects may require the use of specialty equipment such as an All-Terrain Walking Excavator to access and clear.
- Bank Stabilization

- Pipe Cleaning: Remove all dirt, barnacles and foreign materials at each location up to twenty feet of pipe which is impeding the flow of storm water into the waterway. This item includes the use and placing of turbidity barriers. All outfall pipe cleaning shall include cleaning of the headwall structure 24 inches around all pipe sizes. Any additional cleaning more than 25 feet of pipe shall be pre-approved and considered as a contingency item.
- Alluvial Fan Removal: Remove sediment build up from the outfalls. This item shall be paid in cubic yards of material removed.
- Hauling and Disposing of Waste/Vegetation Material: Haul away and dispose of all waste and vegetation material from the assigned locations to an approved landfill site or a designated city site. This item includes all costs and incidentals associated with the hauling and disposal of the waste/vegetation material via a watertight truck. Materials removed from the outfalls shall be removed and disposed of according to all local and state regulations.
- Mangrove Trimming: If necessary, trim and remove mangroves when directed by the city. All tools used for trimming must be clean and free of oils. It is very important the tools are sharp for a clean cut.
- Box Culvert Cleaning (All sizes): Remove all dirt and foreign materials at the outfall and up to twenty feet of box culvert. This item includes the use and placing of turbidity barriers. Cleaning of box culverts shall include cleaning of the headwall structure 12 inches around all pipe sizes. Any additional culvert box cleaning required in excess of 25 feet shall be pre-approved and considered as a contingency item.
- Provide a timeline to include engineering services, Site surveys, Bathymetric survey after removal to determine if sediment needs further attention, and Permits (FDEP, USACE, SJWMD, Historical, etc.).
- Inspections, reporting, and cleaning of each assigned project.
- Signed and sealed as-built survey(s).

Note: Services not specifically mentioned but directly related to dredging, outfall maintenance and stormwater improvement may be added.

V.B Grant Related Projects

For grant related projects, the awarded proposer shall submit preliminary designs. Such designs will be reviewed by the Grantor prior to work being started. Regulatory reviews will be completed by the Grantor and the City at the following percentages: 25% completion, 50% completion, and 100% completion.

Should the project be grant funded. The awarded Firm will be required to:

A. Adhere to grant regulations within the grant
B. Be bound by all terms in the grant agreement

C. Be bound by all applicable and state and federal laws and regulations

D. Sign "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary

E. Before and after pictures are required for all sites

F. Signed and sealed as-built drawings certifying the volume of material removed

V.C Responsibilities of Contractor(s)

Upon award and issuance of a purchase order for any project, the Contractor(s) shall be required to satisfactorily complete the project, as required by the City, which shall include, at a minimum, the following:

Coordinator of Work: The Contractor shall be responsible for maintaining communication with the designated City representative(s) working on any project. The Contractor is responsible for coordination of authorizing paperwork, project changes, problems, and any other issues on a project, and shall designate a representative to whom all items shall be directed throughout the duration and completion of each project. Should the Contractor decide that an area needs to be closed by the City, for any reason, the Contractor shall notify the City, in writing, four weeks in advance of any closure and await approval from the City before the closure.

Debris Removal and Site Restoration: The Contractor shall be responsible for removing all work-related materials, trash, and other debris upon completion of each project, unless otherwise directed by the City. All trash, materials or other debris must be legally and properly disposed of at an appropriately licensed and permitted waste facility or landfill. The Contractor shall restore the site to pre-project conditions. The Contractor shall be responsible for documenting pre-project site conditions by submitting photographs to the City representative, prior to mobilization to the site. Any site deficiencies that are not documented with such photos as existing prior to the project, shall be corrected by the Contractor, at his expense, upon completion of the contract, and before final acceptance is granted. A letter must be provided by the Contractor to the City noting the approved disposal facility that will be receiving the dredge spoils, with a valid point of contact.

Maintenance of Traffic: Contractor shall provide a Maintenance of Traffic (MOT) Plan for each assigned project/location. Contractor shall provide, install and maintain all traffic control devices, barricades, warning signs, detour signs, flagmen and any other safety devices that are necessary to protect the public and the workers as required in the FDOT Roadway and Traffic Design Standards, latest revision or as directed by the City of New Smyrna Beach Permitting Department. Failure or neglect on the part of the Awardee to comply with this requirement may constitute contract default. The Contractor shall observe traffic movements through the work site and inspect all traffic control devices on a regular basis to ensure that all devices are properly installed and functioning as intended. The cost of maintaining traffic shall be included in quotes/proposals provided for each assigned project. No additional payment shall be made. If a closure is necessary, approval from the City will be necessary prior to commencement of any dredging. Work on weekends or holidays should not be expected. The Contractor shall

demonstrate the necessity to the City and request approval, in writing, for the closure no less than four (4) weeks in advance.

Labor, Materials, & Equipment: For each project, the Contractor shall be responsible for providing all labor, materials, and equipment, including necessary barricades (type 3), message boards, etc. to perform the work required to satisfactorily complete the project. Any exceptions to this requirement must be approved, in writing, by the City, and shall be on a project-by-project basis. Means and methods of dredging shall be determined by the Contractor.

Permits: The Contractor shall be responsible for either 1) verifying that the proposed dredging can be performed under existing permits or permit exemptions, or 2) obtaining any permits that may be required for the dredging, spoils processing area/facility, and spoils disposal. If new permits or permit exemptions are required for the project, the Contractor shall include in his proposed schedule the time that is anticipated for obtaining such permits or exemptions. At no time shall the Contractor do any dredging exceeding the permitted dredge template. At no time shall any work be performed under the awarded Contract(s) without a fully executed proposal and purchase order issued by the City. Contractor shall be responsible to provide the City a certificate of completion signed off and approved by the appropriate area agency.

Personnel: The Contractor shall be responsible for compliance with all local, state and federal regulations regarding identification of all personnel and employees, including work ready or temporary employees, and sub-contracted employees or personnel.

Safety: The Contractor shall be responsible for complying with all rules, regulations, laws, codes, and ordinances regarding the protection and safety for persons and property on the site of each project, always. All materials removed by the Contractor, or any sub-contractors, from any structures or portions of structures must be removed from the site daily and properly disposed of. When any part of any project must be left incomplete, or any material remains on the property at the conclusion of the workday, it shall be the responsibility of the Contractor to secure the area to minimize hazards. The Contractor shall provide for the safety and convenience of the general public to include the protection of people and property. The Contractor shall minimize disruptions to the public and maintain city operations. The Contractor shall designate a responsible member of his organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent, unless designated otherwise in writing by the Contractor, shall be on 24- hour call and able to respond to the work site within one hour of being notified. All construction shall be subject to the requirements and safety standards of Occupational Safety and Health Administration (O.S.H.A.).

Schedule: The awarded contractor shall provide to the City a schedule of activities on a weekly basis. The contractor shall notify and receive approval by the City of any alterations or deviations in advance of the work being started. The schedule can be e-mailed to the City Representative provided that it is accurate and complete. Verbal communication alone of this scheduling will not be acceptable.

Security: The Contractor shall be responsible for providing a secure area to prevent theft, accidents, or other hazards at the project site. The work area must be restricted to the Contractor's personnel, subcontractors, the City, or his designee, and state or local inspectors.

Sub-Contractors: The Contractor shall be required to submit all proposed sub-contractors in the pricing proposal provided to the City for each prospective project. All sub-contractors must be approved by the City before performing any work on any project authorized under the awarded Contract. Failure by the Contractor to receive City approval on any sub-contractor for any project, prior to performing work, will constitute default of the requirements of the Contract, and may result in termination. The Contractor is responsible for ensuring that all sub-contractors performing work on any project are in compliance with all terms and conditions included in the awarded Contract.

Survey: Post-dredge hydrographic surveys will be conducted by the Contractor, at the expense of the Contractor, upon dredge completion, to verify that the template has been met. If the template has not been met, Contractor shall perform additional dredging to meet the template. Upon completion of additional dredging, another post project hydrographic survey will be conducted by the City's contracted approved surveyor to verify that the template has been met and will be at the expense of the Contractor. When required, the assigned Contractor shall provide as-built surveys, including existing conditions, for assigned projects. Upon completion of the assigned projects, the Contractor shall provide new as-built surveys.

Water Quality: The contractor shall be required to carry out all projects with respect to the environment, reducing overflow and limiting turbidity. The goal will be to support the natural processes and uses of the waterway.

It shall also be understood and agreed that a contractor submitting a response acknowledges the following responsibilities and requirements:

- All ditch lines must at a minimum be excavated at or below the inverted elevation of the upstream culvert pipe as well as the downstream receiving culvert pipe/structure.
- Comply with all applicable federal, state, and local laws, ordinances, rules and regulations for the proper execution and completion of the work.
- DEP rules and guidelines must be followed when performing work should mangroves be impacted.
- Turn in records for work performed and quantities removed after each project/site is completed.
- Responsible for the necessary administrative work including environmental assessment & permitting (or exemption thereof), surveying, permitting and plans as required.

V.D Restoration and Project Clean-up

The Contractor shall take every precaution to avoid damage to surrounding properties. In the event that the Contractor has caused such damage, the Contractor shall repair, replace, and/or make good on any and all claims to the satisfaction of the City and the claimant.

Clean-up on this project is extremely important and the Contractor will be responsible for keeping the work site neat and clean with debris being removed on a daily basis as the work progresses.

If project cleanliness reaches an unacceptable level in the opinion of the City, the City will notify the Contractor in writing. If the Contractor does not act to correct the situation within 24 hours in the case of general cleanliness, the City will call upon outside forces to provide the appropriate services. Cost of all such activities shall be charged to the Contractor.

All debris, trash, sediment shall be picked up, vacuumed, and disposed of properly, not blown out into the waterways, rivers or estuaries. The Contractor is required to minimize pollution to the maximum extent practicable.

V.E Reports and Documentation

A. Documentation of pre and post site conditions, dredging, disposal of dredged material, monitoring, reporting, weekly progress meetings are required by Contractor for each project. If the spoils are transported by truck, the material must be sufficiently dried or hauled in sealed trucks, such that no leakage of the dredged material will be dropped on the roads. The Contractor shall be required to comply with the Florida Department of Transportation (FDOT) and/or other applicable local, state, and federal law, rule, regulation, code, and/or ordinance regarding the transportation of materials.

B. Contractor shall provide details reports for each project assigned. Reports shall include, but not limited to:

- Percent of blockage
- Length of pipe/box to be cleaned. Any cleaning in excess of 25 feet of pipe/box shall be noted
- Estimate of waste material to be removed
- Any damage found
- Estimate cost to repair damage
- Area of Mangrove Trimming that is required
- Verify pipe size and pipe material
- Location of project
- Photographs / Video

V.F Existing Underground Utilities

Representation of underground utilities is shown from information received from the various utility owners. The locations or elevations of utilities are not represented to be exact and are shown for the convenience of the Contractor. The Contractor shall contact the utility owner concerned for any available additional information and coordinate his construction activities accordingly. The utilities known to exist are listed in the Supplemental General Conditions, along with a list of their Owners. Any cost incurred for the protection of and/or damages to existing underground utilities shall be considered as part of the applicable Contract price for stage excavation and backfill and no additional compensation shall be paid to the Contractor. If, in the

judgment of the Engineer, it is impossible to construct a given improvement in the location shown on the drawings as a result of underground utility or utilities, either the utility owner shall move the existing underground utility, or an appropriate Change Order shall be executed for the moving by the Contractor.

The following is a list of utilities, which may be located within the public rights-of-way of the City of New Smyrna Beach:

- Gas Mains: Florida Public Utilities Company
- Electric and Power Lines and Underground Cable: Utilities Commission, City of New Smyrna Beach
- Telephone Lines and Underground Cable: AT&T
- Water Mains, Reclaimed Water Mains, and Sanitary Sewers: Utilities Commission City of New Smyrna Beach, Florida
- Storm Sewers: City of New Smyrna Beach, Florida
- Cable TV and Underground Cable: Spectrum, Wire 3, and Charter

V.G Inspection and Testing of Materials and Equipment

If applicable, the Contractor shall pay for all laboratory or environmental tests required at the project site or all laboratory tests required on material already delivered to the site. Copies of test or certifications on pipe, brick or other materials made at the factory shall be furnished in triplicate to the Engineer. The Engineer shall approve test reports on equipment before the equipment covered by the test is delivered to the project site. Test requirements are set out in the detailed specifications for the particular material.

V.H Federal Provisions

This contract may be used for federally funded projects; therefore, federal provisions are required and will apply if services are requested and rendered for federally funded projects. The awarded Contractor will be bound by the terms and conditions of Federally Funded Subaward and Grant Agreements between CITY and the Florida Division of Emergency Management (Division).

Regulatory Review: The awarded proposer shall submit preliminary designs. Such designs will be reviewed by the Grantor prior to work being started. Regulatory reviews will be completed by the Grantor and the City at the following percentages: (Preliminary Design - Project 25% complete - Project 50% complete - Project 100% complete).

VI. Minimum Qualifications

VI.A Minimum Qualifications

Proposers responding to this solicitation must demonstrate experience and qualifications in performing work similar in size and complexity to this project. Each Proposer must submit the following required information:

- Previous experience and references: Firms must demonstrate a minimum of five (5) years of experience in performing work similar in size and scope as detailed herein. Provide a brief description of work, including location, dates of contract, names, addresses, email addresses and current telephone numbers of owners.
- Evidence of authority to conduct commercial business in the State of Florida: Provide Sunbiz report showing your company registered with an "Active" status.
- Licenses: Provide all licenses that qualify the proposer and or company for the type of work as identified herein. Website: https://dos.fl.gov/sunbiz/search/
- Bonds: Provide applicable bond documents, when required.
- Financial Capacity: The Proposer may be required to provide financial performance information upon request by the City. The financial information must be received by the City within five Days (5) of the Proposer receiving the written request. Submittals requested pursuant to this subsection may be in addition to those required elsewhere.

Note: If you are not a single prime contractor, you will be required to list all subcontractors to be used for this project and their professional licenses.

The City of New Smyrna Beach reserves the right to require the proposer to submit such evidence of his/her qualifications and experience as it may deem necessary and may consider any evidence available to it of the financial, technical, and other qualifications and abilities of a proposer.

VI.B Licenses and Certificates

Respondents are required to possess the correct professional license, and any other authorizations necessary to carry out and perform the work in accordance with the specifications pursuant to all applicable Federal, State and Local Law, Statute, Ordinances, and rules and regulations of any kind.

If required and/or requested, copies of the required licenses must be submitted with the solicitation response indicating that the entity proposing, as well as the team assigned to the City account, are properly licensed to perform the activities or work included in the contract documents.

VII. Federal Conditions

Required for Federally Funded Projects. Will apply if services are requested and rendered for a disaster related project. If attached, the CONTRACTOR is bound by the terms and conditions of the Federally-Funded Subaward and Grant Agreement between CITY and the Florida Division of Emergency Management (Division).

VII.A Access to Records

The following access to records requirements apply to this contract:

A. The contractor agrees to provide the City of New Smyrna Beach, Florida, representative(s) access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

B. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

C. The contractor agrees to provide the FEMA Administrator or his authorized representative(s) access to construction or other work sites pertaining to the work being completed under the contract.

VII.B Americans with Disabilities Act of 1990

Americans with Disabilities Act of 1990, as amended (ADA), the Contractor will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the Contractor pursuant thereto.

VII.C Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

VII.D Clean Air Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§7401-7671q) and the Federal Water Pollution

Control Act as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000.

VII.E Compliance with Procurement of Recovered Materials

Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.322. CONTRACTOR must comply with section 6002 of the Solid Waste disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

VII.F Contract Work Hours and Safety Standards Act

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the CITY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

VII.G Davis Bacon Act

Davis Bacon Act as amended (40 U.S.C. §§3141-3148) when required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must

be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the CITY must place a current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The CITY must report all suspected or reported violations to the Federal awarding agency. When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The CITY must report all suspected or reported violations to the Federal awarding agency.

A. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

B. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

C. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

VII.H Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

VII.I Disadvantaged Business Enterprise (DBE) Policy and Obligation

Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the CITY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with CITY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The CITY and its CONTRACTOR agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The CITY and the CONTRACTOR and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement. 2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

A. If the CONTRACTOR, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the CONTRACTOR shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

B. Affirmative steps must include:

    1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

    2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

    3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

    4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

    5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

    6. Requiring the Prime contractor, if subcontractor are to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

VII.J E-Verify

The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify

system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

VII.K Equal Employment Opportunity

During the performance of this contract, the contractor agrees as follows:

A. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

C. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. A copy of Executive Order 11246 is provided in Attachments.

E. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

F. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

G. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

VII.L Hold Harmless

The CONTRACTOR shall hold the CITY harmless against all claims of whatever nature arising out of the CONTRACTOR's performance of work under this Agreement, to the extent allowed and required by law.

VII.M No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

VII.N Program Fraud and False or Fraudulent Statements or Related Acts

The contractor acknowledges that 31 U.S.C. Chapter 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

VII.O Rights to Inventions Made Under a Contract or Agreement

If any Federal award implicated in this solicitation meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

VIII. Submittal Requirements

Submittals shall be in strict compliance with the requirements listed herein. Failure to comply with all provisions of this solicitation may result in disqualification.

VIII.A Response Format

Submittals shall be deemed an offer to provide services to the City. In submitting, the professional consultant declares that he/she understands and agrees to abide by all specifications, provisions, terms and conditions of same, and all ordinances and policies of the City. The Proposer agrees that if the contract is awarded to him/her, he/she shall perform the work in accordance with the provisions, terms and conditions of the contract.

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below.

- Cover page with company logo
- Table of contents
- Tab 1: Introduction and Executive Summary
- Tab 2: Project Approach/Management
- Tab 3: Experience and Qualifications
- Tab 4: References, Financial Stability/Ligation, and Acceptance of Conditions
- Tab 5: City Required Forms and Documentation

Any portions of the proposal that do not comply with these guidelines or contain variances may be considered non-responsive. Confidential, proprietary information or trade secrets should be marked "Confidential" and uploaded in the proper area of Section XII of this document.

Proposals are a representation of the consultant and shall be submitted in a professional manner.

Any portions of the proposal that do not comply with these guidelines must be so noted and explained the Acceptance of Conditions section of the bid. However, proposals which contain such variances may be considered non-responsive.

VIII.B Evaluation Committee and Evaluation Factors

A committee of city employees shall evaluate and rank each submittal based on information provided.

Evaluation factors are based on the abilities of the proposer to efficiently perform the Scope of Services as generally outlined in this solicitation. The city shall seek to identify the submittal(s) which shall best meet the needs of the city as determined from the responses received.

A selected group of proposers may be required to make an oral presentation to the committee. Such presentation shall provide an opportunity for the proposers to clarify the information provided in their submittal. Oral presentations, if any, shall be considered in conjunction with the submitted data by the committee. The committee shall present its recommendation to the City Commission, which has the authority to make the final determination and award contracts.

The evaluation criteria may be modified for the oral presentation portion of the evaluation.

Submissions shall be evaluated on a total score basis, with a maximum score of one hundred (100) points per committee member. The following criteria shall be used in the evaluation process to determine the successful respondent(s):

EVALUATION CRITERIA MAXIMUM POSSIBLE POINTS

Project Approach / Management 30

Experience and Qualifications 35

Equipment 35

TOTAL POSSIBLE POINTS 100

VIII.C Tab 1: Introduction and Executive Summary

Provide an introduction and management summary of not more than two (2) pages that highlight each of the key areas of the proposal and that summarizes the Proposer's experience and qualifications as to why their firm shall be selected.

Executive summary shall be signed by a corporate officer or principal, or an authorized representative of the prime consultant authorized to obligate the firm and/or joint venture contractually. The letter shall include the business address, telephone number, facsimile number, e-mail and the name of the prime consultant or joint venture that the City can contact for additional information. The respondent or authorized representative is attesting that the information provided is current and factual and that all firms on the proposed team agree to work on the project together.

- Cover page that represents the firm that is submitting a proposal.
- A brief profile of the firm which should include their legal name (former name, if applicable); history; business structure; designation of the legal entity by which business operates (sole proprietor, partnership, corporate, LLC, etc.); type of ownership (small business, small disadvantaged business or women-owned business); length of company's existence; locations of their parent company, branch or subsidiary and proposed project team; total number of personnel including personnel by discipline
- Number of years in business, including operation under other firm names, providing services similar to those described herein.
- Number of years in business in the State of Florida.

Provide evidence the proposer maintains a permanent place or places of business and have adequate equipment, finances, and personnel to provide the specified services. This evidence shall include, but not be limited to the following items:

- A list of current contracts, their value, and a contact person with each firm
- At least three references who can verify work of a similar nature done by your firm in the last three years
- Name, address, phone number, and contact person of your surety
- Name, address, phone number, and contact person of your insurance company and a list of job-related losses that have been paid out in the last three years
- List of owned and/or leased equipment available for use on this award
- List of key personnel and a brief summary of their qualifications.

VIII.D Tab 2: Project Approach / Management

At a minimum shall include:

State your typical project management procedure from project inception through completion.

A. Approach to be taken with working with the City of New Smyrna Beach
B. List any innovative approaches or techniques your firm has implemented to ensure project schedule adherence.
C. Discuss your firm's cost estimating procedure and how you integrate new ideas or methodologies to assist your client in achieving a cost-effective project.
D. Examples of detailed reports and documentation that would be made available to the City.
E. Competitive advantage: A summary of key elements that differentiate your proposed approach, company, customers, etc., from your competition.
F. Discuss why your firm is a fit for the City and why your firm should be selected.
G. Provide timeline from conception to completion of project(s)

VIII.E Tab 3: Experience and Qualifications

At a minimum shall include:

Organizational Profile/staff charts: State the size of the organization including breakdown of the number of employees by job classification, including prime & sub consultants. The chart should specifically relate to the staff or team for this project including prime and sub-consultants.

- Number of years in business, including operation under other firm names, providing services similar to those described herein.

- Number of years in business in the State of Florida.

Project Team:

- Prime Consultant: Professional staff (name, project role, business address, phone number, and e-mail address) including job skills, education (degree and specification), professional training, total years of experience, total years of experience with current firm, professional registration, and other professional qualification. The respondent shall state the percent of prime's business performed by their sub consultant.
- Sub consultants: Same as above including number of years of experience working with the respondent, percent of sub consultant's business performed for prime and past relationships. List what services they will provide, the sub-consultant's qualifications in providing such services, firm location, and anticipated frequency of use.

Include: Provide resumes of all individuals listed on organizational chart that will have direct role in the performance and supervision of contract.

Copies of all applicable license(s) for the organization as well as for each individual that will have a direct role with this project.

Eligibility: Federal, State and Local licensing requirements shall apply.

VIII.F References

At a minimum, submittals shall include five (5) written letters in total from current and/or previous agencies that have contracted with the respondent to perform a scope of work of equal or greater value and scope as described herein. References shall be within the last five years of the project being completed or in process. Letters shall include project owner name, point of contact information, date(s) of service, and project information.

The City of New Smyrna Beach shall not be listed as a reference. Information must be current, and the City must be able to contact references for verification as part of the evaluation process).

VIII.G Financial Stability/Litigation

Respondent shall provide a statement certifying that they are financially stable and have the necessary resources, human and financial, to provide the services at the level required by the City of New Smyrna Beach. Respondent shall also list any lawsuits in which their team (firm & sub-consultants) are involved relative to the services performed or failed to perform over the last five (5) years. The respondent shall also list any work which their team failed to complete in the last five (5) years and describe when, where, how and why of such failure, including listing any officer or partner of their team who in the last five (5) years failed to complete a contract handled in his/her name and discuss the reasons. The companies Dunn & Bradstreet number shall be included.

Upon request, all respondents shall be prepared to supply a financial statement, preferably a certified audit, but a third party prepared financial statement and the latest Dunn & Bradstreet report will be accepted.

VIII.H Acceptance of Conditions

Provide a statement indicating any exceptions to the general terms and conditions, insurance requirements or any other requirements listed in this solicitation document. If there are no exceptions, upload a statement stating there are no exceptions.

VIII.I City Required Forms and Documentation

City Required Forms: Upload as one (1) PDF document, completed City required forms provided in the Attachment Section of this document. Including signed addendums, if applicable.

It is important to note that additional forms may be required as projects are assigned.

Documentation: Upload copies of active registration for Sam.Gov and Sunbiz.

- Sam.Gov: Upload as one (1) PDF copy of active registration on Sam.Gov as this a requirement when projects federal funds are utilized.
- Sunbiz: Upload as one (1) PDF copy of active registration on Sunbiz.com (Search Records - Division of Corporations - Florida Department of State).

IX. Insurance Requirements

IX.A Insurance Requirements

The Contractor shall maintain and carry in full force during the Term the insurance required herein. Upon the City's notification, the Contractor shall furnish to the City, Certificates of Insurance that indicate that insurance coverage has been obtained which meets the requirements as outlined below.

Regardless of the type and limit, the City of New Smyrna Beach must be shown as an additional insured with respect to this coverage. The mailing address of City of New Smyrna Beach, 210 Sams Avenue, City of New Smyrna Beach, Florida, 32168 as the certificate holder, must appear on the certificate of insurance.

A. Commercial General Liability Insurance on a comprehensive basis in an amount not less than $1,000,000 per occurrence for bodily injury and property damage, Products & Completed Operations with minimum limit of $1,000,000, Personal and Advertising Injury with minimum limit of $1,000,000.

B. Automobile Liability Insurance covering all owned, non-owned, and hired vehicles used in connection with the Services, in an amount not less than $1,000,000 per person and $1,000,000 per occurrence.

C. Worker's Compensation Insurance for all employees of the Contractor as required by Florida Statute 440. Must include Employers' Liability with a minimum limit of $100,000 each accident, Disease each employee minimum limit of $100,000, Disease policy limit of $500,000. Should the Contractor be exempt from this Statute, the Contractor and each employee shall hold the City harmless from any injury incurred during performance of the Contract. The exempt contractor shall also submit a written statement detailing the number of employees and that they are not required to carry Worker's Compensation insurance, and do not anticipate hiring any additional employees during the term of this contract or a copy of a Certificate of Exemption.

D. Pollution Liability Insurance must be afforded for Bodily Injury and Property Damage of not less than $1,000,000 each claim.

E. Professional Liability Insurance including Errors and Omissions with minimum limits of $1,000,000.00 per occurrence, if occurrence form is available; or claims made form with "tail coverage" extending three (3) years beyond completion and acceptance of the project with proof of "tail coverage" to be submitted with the invoice for final payment. In lieu of "tail coverage," Consultant/Firm may submit annually to the City a current Certificate of Insurance proving claims made insurance remains in force throughout the same (3) year period.

   - Notes: Cancellation: Thirty (30) days written notice of cancellation is required to Certificate Holder
   - Certificate Holder: City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168

IX.B Insurance Coverage

The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operation of the Contractor.

Note: City of New Smyrna Beach, Florida contract number and title must appear on each certificate of insurance.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

A. The company must be rated no less than "A-" as to management, and no less than "Class VII" as to financial strength, according to the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to the approval of the City's Risk Management Division.

B. Certificates of Insurance must indicate that for any cancellation of coverage before the expiration date, the issuing insurance carrier will mail thirty (30) day written advance

notice to the certificate holder and any additional insureds. In addition, the Contractor hereby agrees not to modify the insurance coverage without thirty (30) days written advance notice to the City.

C. Compliance with the foregoing requirements shall not relieve the Contractor of this liability and obligation under this section or under any other section in the Agreement.

D. Award of this Contract is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after City notification to Contractor to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in the Agreement, the Contractor shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the City. If the Contractor fails to submit the required insurance documents in the manner prescribed in the Agreement within twenty (20) calendar days after City notification to comply, the Contractor shall be in default of the contractual terms and conditions and award of the Contract will be rescinded, unless such time frame for submission has been extended by the City.

E. The Contractor shall be responsible for assuring that the insurance certificates required in conjunction with this Section remain in force for the duration of the contractual period of the Contract, including any and all option years or extension periods that may be granted by the City. If insurance certificates are scheduled to expire during the contractual period, the Contractor shall be responsible for submitting new or renewed insurance certificates to the City at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates which cover the contractual period, the City shall suspend the Contract until such time as the new or renewed certificates are received by the City in the manner prescribed herein; provided, however, that this suspended period does not exceed thirty (30) calendar days. Thereafter, the City may, at its sole discretion, terminate this contract.

IX.C Acknowledgment of Insurance Requirements

It should be noted by the Proposer that, in order to meet the City's requirements, there may be additional insurance costs to the Proposer's firm. It is, therefore, imperative that the proposer discuss these requirements with the Proposer’s insurance agent, as noted on the Insurance Check List, so that allowances for any additional costs can be made by the Proposer.

The Proposer's obligation under this provision shall not be limited in any way by the agreed upon contract price, or the Proposer's limit of, or lack of, sufficient insurance protection.

Proposer also understands that the evidence of required insurance may be required within five (5) business days following notification of its offer being accepted; otherwise, the City may rescind its acceptance of the Proposer’s bid.

Statement of Insurance Compliance Form provided in the Attachment Section shall be completed and submitted with proposal.

X. Required Responses

X.A Public Records*

Applicant must respond confirming they have received a copy of the Public Records Act, located in the attachment section.

Please provide the Employer Identification Number.

*Response required

X.E Proposer's Certification*

I have carefully examined this solicitation in its entirety, including but not limited to the qualifications, scope of services, and all other documents accompanying or made a part of this document.

I hereby propose to furnish the services specified herein at the prices, rates or discounts quoted in my proposal.

I agree that my proposal will remain firm for a period of up to one hundred eighty (180) days in order to allow the City adequate time to evaluate the proposals.

I agree to abide by all conditions of this proposal and understand that a background investigation may be conducted by the City of New Smyrna Beach Police Department prior to award.

I certify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the consultant as its act and deed and that the consultant is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service; no officer, employee or agent of the City of New Smyrna Beach or of any other Proposer interested in said proposal; and that the undersigned

executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

☐ Please confirm
*Response required

X.F Agreement*

Proposer acknowledges, that the selected Respondent(s) shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

☐ Please confirm
*Response required

X.G Potential Conflict of Interest*

- Upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project
- Or, on company letterhead, upload a statement that no potential conflicts exist.

*Response required

X.H Acknowledgment of Insurance Requirements*

By submitting a response to this solicitation, the Proposer acknowledges the required insurance conditions listed herein.

The proposer shall be required to submit their Certificate(s) of Insurance to the City of New Smyrna Beach no later than 24 hours following the selection of the recommended consultant(s). Failure to do so shall be just cause for forfeiture of the proposal guaranty.

☐ Please confirm
*Response required

X.I Conflict of Interest Disclosure*

PROJECT NUMBER: 01-26-PW - Environmental Services

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose within their submittal: the name of any officer, director, or agent who is also an employee of the City of New Smyrna Beach, Florida. Furthermore, all respondents must disclose the name of any City employee who owns, directly, or indirectly, an interest of more than five percent (5%) in the respondent's firm or any of its branches.

The purpose of this disclosure statement is to give the City the information needed to identify potential conflicts of interest for screening evaluation team members and other key personnel involved in the award of this contract.

The term "conflict of interest" refers to situations in which financial or other personal considerations may adversely affect, or have the appearance of adversely affecting, an employee's professional judgment in exercising any City duty or responsibility in administration, management, or other professional activities. The bias such conflicts could conceivable impart

may inappropriately affect the goals of the City. The City must be free of the undue influence of outside interests.

The mere appearance of a conflict may be as serious and potentially damaging as an actual conflict of interest. Reports of conflicts based on appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light. Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts.

☐ Please confirm
*Response required

X.J Complete Copy of Proposal*

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below and uploaded as one (1) document:

- Cover page with company logo
- Table of contents
- Tab 1: Introduction and Executive Summary
- Tab 2: Project Approach/Management
- Tab 3: Experience and Qualifications
- Tab 4: References, Financial Stability/Ligation, and Acceptance of Conditions
- Tab 5: City Required Forms and Documentation. Including signed addendums if applicable.

Any portions of the proposal that do not comply with these guidelines or contain variances may be considered non-responsive.

*Response required

PUBLIC RECORDS

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

RFQ 01-26-PW: Environmental Services
Company name

THIS AGREEMENT is made and entered into this _____ day of _____, 2026, by and between _____, duly authorized to conduct business in the State of Florida and whose address is _____, FL _____, hereinafter, called "CONSULTANT," and the **CITY OF NEW SMYRNA BEACH**, a political subdivision of the State of Florida, whose address is 210 Sams Ave., New Smyrna Beach, FL, hereinafter called "CITY."

SECTION 1. AGREEMENT. The terms of this Agreement, together with the incorporation of the terms and conditions of the RFQ 01-26-PW, Environmental Services, **FOR THE CITY OF NEW SMYRNA BEACH** and any exhibits, schedules, and attachments hereto, and any and all amendments relating to same, and any and all submittals from CONSULTANT, constitute the entire Agreement between the City and CONSULTANT. This Agreement is the final, complete and exclusive expression of the terms and conditions of the parties' Agreement. Any and all prior agreements, representations, negotiations, and understandings made by the parties, oral or written, expressed or implied, are hereby superseded and merged herein.

SECTION 2. TERM OF AGREEMENT. The initial term of this Agreement shall be for three (3) years from the date of the award. After the initial term, and upon consent of both parties, this Agreement may be renewed administratively under the same terms and conditions for one (1) optional two (2) year period. The maximum term for this Agreement and all renewals is a cumulative term of five (5) years.

SECTION 3. DESCRIPTION OF SERVICES. The Consultant agrees to perform the services outlined in the advertised solicitation document titled RFQ 01-26-PW, Environmental Services, and in the Consultant's submitted Proposal.

The Consultant shall diligently and in a professional and timely manner perform and provide these services. Unless modified in writing by the parties hereto, the duties of the Consultant shall not be construed to exceed the provision of the services pertaining to this Agreement.

The City and Consultant agree that there may be certain additional services required to be performed by the Consultant during the performance of the contract that cannot be defined sufficiently at the time of execution of this Agreement. These services shall be authorized in writing as an amendment to the contract and may contain additional instructions or provide specifications upon certain aspects of this Agreement pertaining to the work to be undertaken.

SECTION 4. COMPENSATION. For Services rendered, the CITY shall pay the CONSULTANT based on their fee schedule provided. Unless otherwise agreed in a Scope of Services, the CONTRACTOR shall invoice the City monthly based upon the CONSULTANT's fees for services completed during the billing period.

DRAFT

SECTION 5. COMPONENT PARTS OF THE CONTRACT. This Contract consists of the following contract documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Consultant:

A. City Advertised Bid with Addendums
B. Award Bid Proposal w Required City Forms
C. Presentation of Services

The Consultant must provide the Certificate of Insurance within fourteen (14) days upon acceptance of the bid by City Commission.

SECTION 6. CONTROLLING LAW, VENUE, AND ATTORNEY'S FEES. This Agreement is to be governed, construed, and interpreted by, through and under the laws of Florida. Venue for any litigation between the parties to this Agreement shall be in the County of Volusia, Florida and any trial shall be non-jury. The prevailing party in any litigation arising from or related to this Agreement shall be reimbursed reasonable attorney fees and costs, including all fees and costs of an appeal.

SECTION 7. RIGHTS AT LAW RETAINED. The rights and remedies of the City, provided for under this Agreement, are in addition and supplemental to any other rights and remedies provided by law.

SECTION 8. NOTICES. Whenever either party desires to give notice unto the other, it must be given by written notice, sent by registered or certified United States mail, return receipts requested, addressed to the party for whom it is intended at the place last specified. The place for giving notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice, with:

For City:

Sharon Taylor-Harding, City Clerk
City of New Smyrna Beach
210 Sams Ave.
New Smyrna Beach, FL 32138
(386)410-2631

For Consultant:

_____
(Name, Title)

_____
(Company)

_____
(Address)

_____
(City, State, Zip)

_____
(Phone)

DRAFT

SECTION 9. MODFICATIONS TO AGREEMENT. This Agreement and any exhibits, amendments and schedules may only be amended, supplemented, modified or canceled by a written instrument duly executed by both parties hereto of equal dignity herewith.

SECTION 10. SEVERABILITY. If during the term of this Agreement, it is found that a specific clause or condition of this Agreement is illegal under federal or state law, the remainder of the Agreement not affected by such a ruling shall remain in force and effect.

SECTION 11. WAIVER OF JURY TRIAL. The City and Consultant have specifically waived the right to a jury trial concerning any disputes which may arise concerning this agreement.

SECTION 12. EFFECT OF FAILURE TO INSIST ON STRICT COMPLIANCE WITH CONDITIONS. The failure of either party to insist on strict performance of any covenant or condition of this contract, or to exercise any option herein contained, shall not be construed as a waiver of such covenant, condition, or option in any other instance. This contract cannot be changed or terminated orally.

SECTION 13: HUMAN TRAFFICKING. This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided the Human Trafficking Affidavit.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date written above for execution by the City of New Smyrna Beach.

WORK ORDER NUMBER:_____DATE: _____, 2026

PROJECT: _____

CONTRACTOR/CONSULTANT:_____

MASTER AGREEMENT #:_____ CONTRACT TERM DATE: _____

AGENDA ITEM:_____ COMMISSION MEETING DATE: _____

Execution of this Work Order by the City of New Smyrna Beach, FLORIDA (the "City") shall serve as authorization for CONTRACTOR/CONSULTANT (the "Contractor") to proceed with the provision of goods and/or services and/or work in connection with the above project (the "Project"), and as referenced in the Master Agreement (referenced above) and listed in the documents that are attached hereto and incorporated herein by this reference (collectively the "Work").

Contractor shall provide or complete the Work to, or for the benefit of, the City pursuant to the terms of this Work Order and any attachment(s) hereto (collectively the "Work Order").

All services, programs and activities of the City are offered and solicited without regard to race, color, national origin, age, sex, religion, disability or family status in accordance with the City's Title VI Nondiscrimination Policy, Plan and Procedures.

ATTACHMENTS:

[ ] EXHIBIT A: SCOPE OF SERVICES
[ ] EXHIBIT B: PROJECT STATUS REPORT
[ ] EXHIBIT C: RATE SCHEDULE
[ ] EXHIBIT D: INSURANCE CERTIFICATE/ENDORSEMENTS
[ ] OTHER

The CONTRACTOR shall provide said services pursuant to this Work Order, its attachments, and the above-referenced Master Agreement, which is incorporated herein by reference as if it had been set out in its entirety. Whenever the Work Order conflicts with said Master Agreement, the Agreement shall prevail.

TIME FOR COMPLETION: The Work shall be completed within _____days after the date of the execution of this Work Order by the City, provided, however, if a notice to proceed is required pursuant to any of the attachments hereto or the underlying contract, then _____ days after the date of issuance of a notice to proceed by the City.

COMPENSATION: The City shall compensate Contractor a fixed fee in the amount of $_____ (the "Fee") for the Work required to be performed by Contractor pursuant to the terms of this Work Order. Contractor shall perform all Work and provide all associated goods as required by the terms of this Work Order. In no event, shall Contractor be paid more than the Fee set forth above. Payment of the Fee shall be in accordance with to the method described in the City's terms and conditions listed on the City website OR in accordance with the terms and conditions set forth herein or in the underlying contract.

It is expressly understood by the CONTRACTOR That this Work Order, until executed by the CITY, does not authorize the performance of any services by the CONTRACTOR and that the CITY, prior to its execution of the Work Order, reserves the right to authorize a party other than the CONTRACTOR to perform the services called for under this Work Order if it is determined that to do so is in the best interest of the CITY.

INSURANCE: If the Contractor maintains broader insurance coverage and/or higher limits than the minimums the City requires to be maintained, then City shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

The **Effective Date** of this Work Order shall be the date of execution by the City of New Smyrna Beach, Florida.

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See **Specific Instructions** on page 2.

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ .....
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.)

Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here **Signature of U.S. person ▶** **Date ▶**

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by _____
(Print Individual's Name and Title)
for _____
(Print Name of Entity Submitting Sworn Statement)
whose business is _____

and (if applicable) its Federal Employer Identification Number (FEIN) is _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: _____

Consultant E-Verify Registration Number: _____

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

Required Form: Designated List of Subcontractors TB
RFQ 01-26-PW: Environmental Services

The Proposer proposes that the following subcontractors are qualified to perform the referenced work and have successfully done so on recent projects similar in nature and size. All subcontractors whose work product accounts for 5% or more of the total contract value shall be listed. Upon approval of subcontractors listed, the successful Proposer shall not substitute subcontractors without approval from the City. Vendor shall attach additional sheets as necessary.

Notice of intent to award
June 4, 2026

Notice of Intent to award is hereby posted and subject to final award by Commission.

Any actual bidder, proposer, or contractor who is aggrieved in connection with the notice of intent to award a contract (Protestor), where such grievance is asserted to be the result of a violation of the requirements of the advertised solicitation or any applicable provision of law by the officers, agents, or employees of the City, may file a protest with the Purchasing Manager at purchasing@cityofnsb.com.

Solicitation Number	RFP 01-26-PW	**Solicitation Title:**	Environmental Services
Number of Responses Received:	5	**Proposals Submitted:**	• Bayside Dredging • Enercon Services, Inc. • Karinas Lakefront Maintenance • Turquoise America • Zulu Marine Services, Inc.

Type of Contract: Continuing contract with one or more contractors providing turnkey services related to dredging services. Selected Contractors, either through in-house staff or outside consultants/contractors, will serve as construction manager and provide all services necessary for the completion of project(s) on an as needed basis.

Contract Term: Contract period of three (3) years, with the possibility of one (1) optional two (2) year extension, for a total of five (5) years.

Evaluation Ranking:

- **Bayside Dredging, LLC** **96.67**
- Enercon Services, Inc. 74.00
- **Karinas Lakefront Maintenance** **85.00**
- Turquoise America 71.67
- **Zulu Marine Services, Inc.** **90.67**

INDIVIDUAL PROPOSAL SCORES

Bayside Dredging LLC

Project Approach/Management | Points Based | 30 Points (30%)

Evaluator 1: 30

Truly turnkey organization with engineering and design capabilities to provide qualified/experienced personnel equipped with the necessary tools to perform either hydraulic or mechanical dredging. Added benefit of providing all facets "in house" for a comprehensive approach.

Evaluator 2: 30

All field work is kept in house. They team up with YBE Consulting for permitting, documentation, etc. Provide and detailed schedule, including daily logs.

Evaluator 3: 30

good approach and overall timeline ability for projects. Inhouse workforce.

Experience and Qualifications | Points Based | 35 Points (35%)

Evaluator 1: 32

Firm is relatively new but bring a tremendous amount of experience in the same sector from prior marine & dredging related organizations. Like that they are budget conscientious..

Evaluator 2: 30

Founded in 2022. Well qualified management team has been working together 14+ years (came from same company). YBE was established in 2016. Multiple local projects completed or ongoing.

Evaluator 3: 33

Plenty of exp and qualified staff. Do not use subs. All staff is hired by Bayside for physical work. Permitting they use YBE which is local and headquartered in Edgewater.

Equipment | Points Based | 35 Points (35%)

Evaluator 1: 35

They have an extensive inventory of equipment on hand even customizing such for specific projects providing control of the construction efforts.

Evaluator 2: 35

Long list of equipment. Includes information on custom built dredges for hydraulic and mechanical dredging.

Evaluator 3: 35

Full list of equipment to get any job done. Primarily for dredging and stabilization and invasive removal

Enercon Services, Inc

Project Approach/Management | Points Based | 30 Points (30%)

Evaluator 1: 26

Approach is good with team management, updating schedules, continuously tracking progress, cost control, etc.

Evaluator 2: 25

Enercon manages projects by coordinating a network of subcontractors. For each project, they develop a task specific plan. Proposal shows a good overview of their methodologies.

Evaluator 3: 25

Overall decent approach. They will handle all aspects of the project from permitting to bringing in their subs to final completion.

Experience and Qualifications | Points Based | 35 Points (35%)

Evaluator 1: 32

Well rounded staff with a diversity of project aspects, permitting, geotechnical investigation, modeling, design, archaeologist, etc.

Evaluator 2: 30

Founded in 1983, been in Florida for 39 years. Focus is permitting and project management. Key personnel have good experience.

Evaluator 3: 29

Since 1983 and over 2300 employees. They oversee the permitting and regulatory portion and will hire subcontractors to do the actual work in the field.

Equipment | Points Based | 35 Points (35%)

Evaluator 1: 7

The firm does have a comprehensive approach which includes construction management and inspection but did not see an inventory or list of construction related equipment.

Evaluator 2: 18

No in-house equipment listed. Uses subcontractors for equipment.

Evaluator 3: 30

Equipment provided by their subs.

Karinas Lakefront Maintenance

Project Approach/Management | Points Based | 30 Points (30%)

Evaluator 1: 22

Decent general approach with high pressure system and drone oversight.

Evaluator 2: 25

Detailed plan and approach to the project. Good plans for RFP and putting into action. Weekly reports and post completion reports. Dredging is subbed to Paragon.

Evaluator 3: 28

Good approach. Like that work will begin within 5 days. Will have the use of subcontractors. Weekly and post reports

Experience and Qualifications | Points Based | 35 Points (35%)

Evaluator 1: 25

IMP Plan lays out protocol for project approach surveying, MOT, engineered plans, etc. Didn't see much reference to agency permitting.

Evaluator 2: 35

Company was founded in Florida in 2012. The team has quality experience, most have been with Karinas 5+ years. Good list of current contracts.

Evaluator 3: 34

Been in business for 14 years. Good experience in all sorts of jobs for dredging, pipe cleaning, bank stabilization.

Equipment | Points Based | 35 Points (35%)

Evaluator 1: 27

Adequate in-house equipment otherwise heavy equipment relied upon lease. Sufficient equipment to perform primarily lake & pond maintenance.

Evaluator 2: 27

Good list of equipment

Evaluator 3: 32

Basic general equipment. All heavy equipment needed would be rented from a local vendor. Partners with Paragon for dredging equipment.

Turquoise america

Project Approach/Management | Points Based | 30 Points (30%)

Evaluator 1: 27

The five phase framework approach to projects seems productive, effective and provides a thorough understanding of the required outcome. Good program management approach with single access contact person.

Evaluator 2: 25

Five phase project management is well laid out. Good overview of hydraulic and mechanical dredging methods, along with sediment removal and restoration services.

Evaluator 3: 25

Decent Approach. Laid out for each specific job the city would ask. Providing weekly reports.

Experience and Qualifications | Points Based | 35 Points (35%)

Evaluator 1: 31

Experienced tea members that understand accountability for overall project requirements in a cost effective manner. Well balanced with administrative capabilities and construction management throughout the project cycle.

Evaluator 2: 18

Information on experience and qualifications is limited. Proposal speaks to public sector coordination, compliance, and oversight, but not very detailed.

Evaluator 3: 31

They would be the GC for any project that would come up. Overall experienced staff. They have subcontractors that they have under contract for the physical work.

Equipment | Points Based | 35 Points (35%)

Evaluator 1: 15

Did not see an equipment list although the firm appears to readily have access to the needed dredging equipment to accomplish dredging, handling and disposal of dredged material.

Evaluator 2: 18

No list of equipment, uses subcontractors. References "maintain access to specialized equipment and resources ..."

Evaluator 3: 25

Did not show. All equipment is provided by subcontractors.

Zulu Marine Services, Inc.

Project Approach/Management | Points Based | 30 Points (30%)

Evaluator 1: 25

The approach of allocating one point of contact provides a "go to" person who is familiar with the project and can provide uniform communication with the City is a plus. This along with online Project Management Portal keeps the client engaged with the project progress. Individual site assessment is thorough for each project to determine constraints, permitting, access for hauling, environmental impacts, etc. through site restoration.

Evaluator 2: 30

Very well laid out plan and approach. Gives a detailed timeline for their project plan. Speaks to both mechanical and hydraulic dredging.

Evaluator 3: 29

Good approach and laid out plans. Thorough plans for cost estimating on each job. I like the app that they would be using to allow city to follow along with the project.

Experience and Qualifications | Points Based | 35 Points (35%)

Evaluator 1: 20

The firm provides four Divisions with an array of dredging, debris removal, shoreline and marine related services which is good to have expertise in each field. The firm seemingly has in-depth experience field personnel and dredging capabilities but did not expand upon or provide reference to design and permitting experience and capabilities.

Evaluator 2: 30

Founded in 2006. Most of the team (other than COO) have not been with Zulu long, but all have good experience. Good list of projects, both current and past.

Evaluator 3: 33

Been in business since 2006 based out of Georgia, but have the sunbiz in FL. Plenty of contracts and experience. Cover everything from dredging to mapping to docks and piers.

Equipment | Points Based | 35 Points (35%)

Evaluator 1: 35

The firm has a variety of equipment on hand for various dredging operations (mechanical & hydraulic) along with transporting material, drones and safety being a priority is a valued commitment.

Evaluator 2: 35
Long list of equipment (2 pages)
Evaluator 3: 35
Plenty of equipment for any job.

May 5, 2026

Introduction & Executive Summary

Bayside Dredging LLC was founded in 2022 and is a fully licensed, insured, and bondable (25M+) certified marine specialty contractor (SCC#131152825) capable of handling all environmental restoration, stormwater management, marine engineering, permitting, and dredging needs. The principles of Bayside Dredging LLC are Bret Sapp, John Schamp, Kevin Davis, and Garrett Ceslok. Bayside Dredging has created a company that combines their engineering knowledge and dredging experience to cut down time and costs from start to finish, while maintaining the highest quality of work. Based out of Clearwater, we perform work all over the state of Florida.

Bayside Dredging owners have over 60+ years of experience in the hydraulic and mechanical dredging industry. With each of Bayside Dredging's partners starting with 12+years of experience from our previous employer, Gator Dredging, we've managed to hit the ground running without skipping a beat. Our engineering and design team have come up with innovative ways to complete projects with little to no access or little to no dewatering areas and still finish under budget. Our operations and management team have decades of experience with the use of dewatering bags and polymer as well. Our custom-built environmentally friendly dredges are designed to meet the projects' needs and goals while not impacting natural resources, in-water structures, or private/ public property during the process. Every job is different depending on the access, dewatering area, and material type, but we have both hydraulic and mechanical methods to get the job done efficiently.

Our hydraulic method specifically allows us to dredge long stretches of water, such as canals or other narrow bodies of water, with almost zero or very limited access to offload the material. We're able to run our temporary dredge hoses through the side of private/public properties that provide as little as 3ft of access from front to back. A hose runs from our dredge out to our watertight dewatering trucks on the road. The dredge material gets hydraulically pumped into our watertight dewatering trucks, where the material settles, and the clean effluent water gravity flows back out to the dredge area. The watertight dewatering trucks have been fabricated and designed by the Bayside Dredging welding and design team with a weir system that allows the dredge material to settle and effluent water discharging through a temporary return dredge hose back out to the dredge area. This process is minimally invasive and allows us to dredge thousands of feet while we move hoses down from property to property roughly every 1,500ft.

Our mechanical method is designed with a minimal draft water barge that stages a excavator and hopper container. The barge drafts a minimal 2.5ft which allows us to mechanically dredge canals, lakes, ponds, and other dredge locations that are very shallow at the start of the project. We're able to dredge with our excavator staged on the barge to a depth of 12ft, which is usually more than sufficient for most dredge projects. We dig the dredge material, spin, and place the material in a hopper container within the barge. Once the barge is full, we then push the barge to land to be offloaded directly into our watertight dewatering trucks. The material is then hauled offsite to the designated disposal site.

BAYSIDE DREDGING

12924 49TH ST N • CLEARWATER, FLORIDA 33762

OFFICE (727) 436-5044 • FAX (727) 436-5003 • www.baysidedredging.com

Our stormwater methods can include both options above but sometimes the work must be done by hand. We've cut our teeth with our hand dredging method for over 20 years and have improved efficiency from our years of experience. From the customized equipment we use to the means and method we use it, there were thousands of hours of trial and error that got us to this point. We currently have multiple stormwater piggy-back contracts with cities and counties all over the state of Florida. With the recent hurricanes, restoring stormwater capacity and functionality is at an all-time high. Over 50% of our revenue is collected from cleaning stormwater boxes, pipes, canals, and ditches.

Bank restoration is another facet of our capabilities. Bank restoration projects are becoming more prevalent within dredging bids as they usually go hand and hand. Eroding banks fill in the canals or ponds which leads to both services being needed. Bank restoration provides reduced property loss, improved water quality, lowers flood risks, and enhances recreation and aesthetics. Here at Bayside, we have the means and methods to do both aspects simultaneously which will save time and money.

Even though Bayside Dredging is a relatively new company, our work and reputation reflects the standards of a well-established operation. Backed by an experienced team with decades of knowledge, a large inventory of dredging equipment, and some of the industry's top operators, we're equipped to handle projects of any size and complexity.

Thank you for your consideration.

CITY OF NEW SMYRNA BEACH
210 SAMS AVENUE
NEW SMYRNA BEACH, FL 32168

RE**: Bayside Dredging LLC**
Project: **RFQ 01-26-PW / ENVIRONMENTAL SERVICES**

To Whom It May Concern:

This is to advise you that our office provides bid, performance, and payment bonds for **Bayside Dredging LLC.** The name of their surety is **Harco National Insurance Company**, which carries an A.M. Best Rating of **A- X**, and it is listed in the Department of Treasury's Federal Register.

Based upon normal and standard underwriting criteria at the time of the request**,** we should be able to provide **Bayside Dredging LLC** performance and Payment Bonds for the single projects in the amount of **$15,000,000** and aggregate support in the amount of **$30,000,000**. We reserve the right to review final contractual documents, bond forms and obtain satisfactory evidence of funding prior to final commitment to issue bonds.

Bayside Dredging LLC is an excellent contractor, and we hold them in the highest regard. We feel extremely confident in our contractor and encourage you to offer them an opportunity to execute any upcoming projects.

This letter is not an assumption of liability, nor is it a bid or performance and payment bond. It is issued only as a bonding reference requested by our respected client. If you should have any questions, please do not hesitate to give me a call.

Sincerely,

Kevin Wojtowicz
FL Licensed Resident Agent

Experience

- **President, Bayside Dredging**
  August 2022 – Present

- **Operations Manager, Gator Dredging**
  August 2006 – August 2022
  • Worked on and managed over 1000 projects in the last 20 years
  • Overseeing multiple municipal and private projects at the same time and responsible for staffing of 120 employees on average throughout the year.
  • Lead Bid Estimator and responsible for the preparation of bid proposals and government submittals

Education

- **BS Environmental Science And Policy, University Of South Florida Fall 2008**

State Certified Marine Specialty Contractor SCC# 131152825

Technical Skills/Certifications

- Microsoft Office 365 Software • Confined Space Certified
- QuickBooks Desktop • OSHA 10 Certified
- Trimble Hardware • PADI Certified
- Surveying in/out water elevations • TWIC Card
- FDEP Stormwater, Erosion, Sedimentation Control Inspector 2
- Turbidity Monitor and Trainer • Florida Phosphate Training

Key Project Experience

- Pinellas County-Lake Seminole Muck Removal Brevard County – Turkey Creek Muck Removal
- Kings Bay Restoration Project
- Florida Power & Light - Turkey Point Cooling Canal Dredging
- USACOE - Stevenson Creek Ecosystem Restoration
- City of Cape Coral – Citywide Master Canal Dredging
- Tierra Verde Island HOA - Shell Island Channel Dredging
- Tierra Verde Island HOA - Oceanview Channel Dredging
- City of Destin - Emergency Old Pass Lagoon Dredging
- City of Pinellas Park-Annual Pond Maintenance Dredging
- City of Tampa-Stormwater Annual Maintenance
- Multiple Marine Max and ELS Marinas around the state

Johns Pass Dredging and Hauling Project
CIty of NSB-Turnbull Creek Restoration Project

Project(s) Approach

Environmental Services

Over the past two decades, Bayside Dredging staff has worked with dozens of municipalities around the state specifically designing, permitting, constructing, and handling the disposal of stormwater runoff. With that experience, we have built specialized equipment to deal with limited access and space for dewatering. Every project has its unique constraints, and each location needs different approaches, sometimes multiple ones.

Communication is key to all successful projects and Bayside Dredging makes it a priority from start to finish. We will start with a pre-construction meeting. Bayside Dredging and Young Bear Environmental Consulting (YBE) will be in attendance to meet with city staff to go over the work needed/ requested for the project(s). Bayside Dredging and YBE can provide input with the city as well to help develop a functioning project operationally and economically. After that, design and engineering are the next phases.

Bayside Dredging and YBE shall gather information on existing conditions including surveys, reports, etc. from the project site. Bayside Dredging and YBE shall conduct site visits to document existing conditions (depth of silt, amount of obstruction, species present, general site features, etc.). YBE shall determine which agencies have jurisdiction (State - FDEP or SJRWMD; Federal - FDEP 404 or USACE). YBE shall review and search for relevant permits, documentation regarding the limits of Waters of the State, etc. YBE shall then request and attend pre-application meetings with the appropriate state and federal agencies. City staff will be invited to attend the pre-application meetings. After determining the appropriate permit type, YBE shall identify the documents necessary for each permit application. Bayside Dredging will provide a “typical cross-section" of the existing and proposed work, haul routes, material type and quantity estimates and other required exhibits for the permit.

Bayside Dredging has a surplus of inventory with equipment, dump trucks, pumps, and hoses, with backups on every level of the operation to ensure minimal downtown and schedule adherence.

Bayside Dredging provides all services in-house and makes the project turnkey from start to finish for the client. We have the capability to survey, design, permit, construct, and dispose, so every project is efficient and cost effective. By handling every aspect of the project in-house, it leads to saving the client and the contractor time and money.

For everyday of construction, a daily log is generated to recap the work completed for that day. Daily logs consist of crew members, start and end time, morning safety meeting for the onsite crew, daily production, total project production to date, and notes on loss of time for breakdowns, weather, etc. Also, any dredge material being hauled and disposed of can be tracked with dump tickets or logs that can be provided to the city as well.

BAYSIDE DREDGING

12924 ULMERTON ROAD • CLEARWATER, FLORIDA 33762

OFFICE (727) 436-5044 • FAX (727) 436-5003 • www.baysidedredging.com

Bayside Dredging has over 60+ years of experience in the industry and has the capability to perform all services in-house. This allows our company to combine our engineering knowledge and dredging experience to cut down time and costs from start to finish, while maintaining the highest quality of work. Our engineering and operations team have come up with innovative ways to complete projects of all sizes with little to no access and little to no dewatering areas. Our quality of work and reputation speaks for itself. You can visit us on our google site to see we have over 100 five-star reviews. These reviews are all in-depth and one-of-a-kind reviews from our genuinely satisfied clients. Bayside Dredging ownership and staff are rooted in honesty and integrity when it comes to the core values and beliefs of the company.

Bayside Dredging is very familiar with the city as we're currently completing and have completed several projects with and for the City of New Smyrna Beach. This work is right in line with what our company does day in and day out and we have extreme confidence that can handle any job requested within the timeline and under budget.

All in house

Company Profile

Bayside Dredging LLC was founded in 2022 and is fully licensed, insured, and bondable (25M+) certified marine specialty contractor (SCC# 131152825) capable of handling all your environmental restoration, marine engineering, permitting, and dredging needs. The principles of Bayside Dredging LLC are Bret Sapp, John Schamp, Kevin Davis, and Garrett Ceslok. Bayside Dredging has created a company that combines their engineering knowledge and dredging experience to cut down time and costs from start to finish, while maintaining the highest quality of work.

Bayside Dredging owners have over 60 years of experience in hydraulic and mechanical dredging. Our engineering and design team have come up with innovative ways to complete projects with little to no access or little to no dewatering areas and still finish under budget. Our operations and management team have decades of experience in dewatering bags and polymer as well. Our custom-built environmentally friendly dredges are designed to meet the projects' needs and goals while not impacting our natural resources first and foremost. Every job is different depending on the dewatering area and material type, but we have both hydraulic and mechanical methods to get the job done.

Bayside Dredging might be a new company, but you couldn't tell with the quality and difficulty of work that gets accomplished day after day. On private residential projects, we pride ourselves on protecting the owner's property, so when the work is complete, it requires very little or no restoration. We're able to accomplish this all while managing cost, safety, and scheduling. With an extensive inventory of dredging equipment, and some of the best operators in the industry, there's simply no dredging project that Bayside Dredging can't handle.

Please take a moment to review the attached projects that were managed and completed by Bayside Dredging staff and see for yourself why we feel confident in making these statements. For additional information, and to learn more about our company's capabilities, visit our website (www.baysidedredging.com), Check out our reviews on Google.

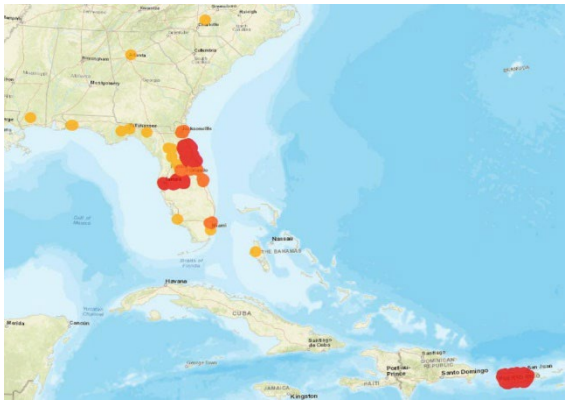
FIRM PROFILE



YBE Consulting, Inc. (YBE) is a firm of environmental professionals who have lived and worked in east central Florida throughout their more than 60 years of combined experience. YBE was created with a vision to combine environmental expertise with the value of good business for their clients. The YBE team takes pride in its civic and scientific responsibilities giving back to those communities, always eager to inform and educate.

YBE Project Managers have been providing environmental services since 1995. These services have included state and federal level environmental resource permitting requiring wetland delineations, functional assessments, impact analysis, as well as mitigation design and implementation. In addition, YBE staff consists of licensed professionals and all staff members have strong backgrounds in environmental science, permitting, and conservation. Our relationships with our regulatory agency peers at the local, state, and federal level are unparalleled. We pride ourselves on the cooperation we receive from these agencies that allows for seamless progress from start to finish of every project. Our staff has committed itself to maintaining a thorough and comprehensive understanding of the rules and regulations set by these agencies. This understanding allows our clients assurance that their projects will start off with a sound permitting strategy, a logistical feasible means of maintaining compliance, and protecting valuable assets and entitlements throughout the process.

At YBE, we realize that each project is unique, therefore each project is evaluated as such and given a unique strategy which helps to identify potential permitting obstacles, address them, and work with clients and agencies to provide logical solutions.

Business & Ownership Information:

- YBE Consulting, Inc. (S Corp.)
  d/b/a Young Bear Environmental Consulting
- Established: August 29, 2016
- Office Location: 1848 Date Palm Drive
  Edgewater, FL 32141
- Owner: Daniel J. Young (100%)
- Key Personnel: Daniel J. Young & Chris Schlageter

YBE Project Locations

Relevant Project Experience

Turnbull Canal Dredging – South Section, NSB: YBE provided permitting services to the City of New Smyrna Beach for the dredging of Turnbull Creek from SR 44 to Old Mission Road. Permitting included both state and federal agency permitting and review. This project was conducted with the Prime for this bid package.

Relevance to this project:

- Dredging – design and permitting
- Conducted for New Smyrna Beach
- Conducted with Prime on this Bid

Turnbull Canal Dredging – North Section, NSB: YBE provided permitting services to the City of New Smyrna Beach for the dredging of Turnbull Creek from Jungle Road to the walking trail. Permitting included both state and federal agency permitting and review. This project was conducted with the Prime for this bid package.

Relevance to this project:

- Dredging – design and permitting
- Conducted for New Smyrna Beach
- Conducted with Prime on this Bid

Aqua Court and Pine Island Dredging, NSB: YBE provided permitting services to the City of New Smyrna Beach for the dredging of canals in the Aqua Court and Pine Island area. Permitting included both state and federal agency permitting and review. This project was conducted with the Prime for this bid package.

Relevance to this project:

- Dredging – design and permitting
- Conducted for New Smyrna Beach
- Conducted with Prime on this Bid

Gabordy Canal Dredging, NSB: YBE provided permitting services to the City of New Smyrna Beach for the dredging of Gabordy Canal from South Riverside Drive to the Intracoastal Waterway. Permitting included both state and federal agency permitting and review. This project was conducted with the Prime for this bid package.

Relevance to this project:

- Dredging – design and permitting
- Conducted for New Smyrna Beach
- Conducted with Prime on this Bid

18th Street Canal Dredging, Edgewater: YBE provided permitting services to the City of Edgewater for the dredging of the 18th Street Canal from South Riverside Drive to the Intracoastal Waterway. Permitting included both state and federal agency permitting and review. This project was conducted with the Prime for this bid package.

Relevance to this project:

- Dredging – design and permitting

Indian Mound Fish Camp Dredging, Volusia County: YBE provided permitting services to the Indian Mound Fish Camp for the dredging of the Canal between the Fish Camp and Riverbreeze Park. Permitting included state, federal and county agency permitting and review.

Relevance to this project:

- Dredging – design and permitting

Private Residential Shoreline Restoration, Fairway Drive, NSB: YBE provided design, permitting and construction of living shorelines for multiple residential lots on Fairway Drive. These lots had suffered severe erosion and the slope of their property was failing. YBE restored the slopes and installed hardscape and native plantings that provides long term protection and ecological benefits.

Relevance to this project:

- Located on the Pine Island Canal
- Shoreline stabilization / restoration
- Environmental design, permitting and construction

Conrad Pond Maintenance Dredging, NSB: YBE provided permitting services to confirm the proposed dredging was covered under the Operations and Maintenance phase of an existing Environmental Resource Permit. YBE's knowledge of the permit system and process allowed this project to be completed quickly and at a low cost to the City.

Relevance to this project:

- Dredging – environmental permitting
- Conducted for New Smyrna Beach

Industrial Avenue Mangrove Trimming, NSB: YBE provided permitting services to the City of New Smyrna Beach to trim mangroves in the Industrial Avenue. YBE's Professional Mangrove Trimmer provided oversight for City staff to conduct the mangrove trimming. In addition, YBE provided treatment of invasive species growing in the canal, especially Brazilian pepper. This project was critical to improve visibility for the Sheriff's Office.

Relevance to this project:

- Mangroves – Permitting, oversight, Professional Mangrove Trimmer
- Conducted for New Smyrna Beach

Yacht Clubs Dredge Permitting, NSB: YBE provided environmental assessments, sediment testing and permitting assistance for the NSB and Diamondhead Yacht Clubs (two separate projects). YBE coordinated with the Florida Department of Environmental Protection (FDEP) on the methodology and specific testing requirements prior to implementation to reduce permitting timeframes and the likelihood of Requests for Additional Information (RAIs).

Relevance to this project:

- Dredging – environmental permitting
- Conducted within the limits of New Smyrna Beach

Chris Schlageter conducting prescribed fire activities on Conservation FL managed lands, 2023

Daniel Young teaching children at the 2023 Earth Day event in Ormond Beach, FL

BUSINESS STATUS

Active Venues:

The following areas represent the majority of YBE's current venues:

- Unincorporated Counties:
  - Volusia
  - Flagler
  - Charlotte
  - Lee
  - Orange
  - St. Johns
- Incorporated Areas:
  - New Smyrna Beach
  - Deland
  - Deltona
  - Edgewater
  - Palm Coast
  - Osteen

Current Continuing Services Contracts:

- D Ranch, Prescribed fire activities for Conservation Florida
- County of Volusia, Professional Land Management Consulting Services
- County of Volusia, Professional Environmental Protected Species Specialist Services
- St. Johns County, Prescribed Burn
- City of Edgewater, Environmental Consulting Services
- City of Edgewater, Arborist Services
- City of Groveland, Environmental Services

In accordance with the City of St. Petersburg's Small Business Enterprise Ordinance #789-G, your business is certified as a Small Business Enterprise by the City of St. Petersburg. You will need to show proof of your new Occupational License each year, as well as renew your certification with this agency every three years. If at anytime the composition of the SBE status of your firm changes, you need to complete another SBE affidavit. The City of St. Petersburg Government reserves the right to terminate or cancel this certification at anytime when it is found that the composition of the Organization has changed and no longer meets the definition established for SBE certification.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

2 Business name/disregarded entity name, if different from above.

Bayside Dredging LLC

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☑ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . . S

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.

12924 49th St N

Requester's name and address (optional)

6 City, state, and ZIP code

Clearwater, FL 33762

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number: ☐☐☐ - ☐☐ - ☐☐☐☐

or

Employer identification number: 88 - 2719169

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Bret Sapp President
(Print Individual's Name and Title)
for Bayside Dredging LLC
(Print Name of Entity Submitting Sworn Statement)
whose business is Marine Contractor

and (if applicable) its Federal Employer Identification Number (FEIN) is 88-2719169

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Florida

County of Pinellas

Bret Sapp, being first duly sworn, deposes and says that:

He/she is President of Bayside Dredging LLC, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Bayside Dredging LLC

Consultant E-Verify Registration Number: 2083443

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of Clearwater

Before me, the undersigned authority, personally appeared Bret Sapp

who was duly sworn, deposes, and states:

1. I am the President of Bayside Dredging LLC with a local office in Clearwater, Florida (City & State) and principal office in Clearwater, Florida (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFQ 01-26-PW, Environmental Services.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

X. Required Responses

X.A Public Records*

Applicant must respond confirming they have received a copy of the Public Records Act, located in the attachment section.

[X] Please confirm
*Response required

X.B Company Name and Address*

By submitting this response, you hereby designate the company name and address listed here as the office to which notices may be delivered or mailed.

*Response required

X.C Title of Position and Company Name*

Please provide the title of the Prime Proposer and company name of the organization.

*Response required

X.D Employer Identification Number**

Please provide the Employer Identification Number.

*Response required

X.E Proposer's Certification*

I have carefully examined this solicitation in its entirety, including but not limited to the qualifications, scope of services, and all other documents accompanying or made a part of this document.

I hereby propose to furnish the services specified herein at the prices, rates or discounts quoted in my proposal.

I agree that my proposal will remain firm for a period of up to one hundred eighty (180) days in order to allow the City adequate time to evaluate the proposals.

I agree to abide by all conditions of this proposal and understand that a background investigation may be conducted by the City of New Smyrna Beach Police Department prior to award.

I certify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the consultant as its act and deed and that the consultant is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service; no officer, employee or agent of the City of New Smyrna Beach or of any other Proposer interested in said proposal; and that the undersigned

executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

☒ Please confirm
*Response required

X.F Agreement*

Proposer acknowledges, that the selected Respondent(s) shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

☒ Please confirm
*Response required

X.G Potential Conflict of Interest*

- Upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project
- Or, on company letterhead, upload a statement that no potential conflicts exist.

*Response required

X.H Acknowledgment of Insurance Requirements*

By submitting a response to this solicitation, the Proposer acknowledges the required insurance conditions listed herein.

The proposer shall be required to submit their Certificate(s) of Insurance to the City of New Smyrna Beach no later than 24 hours following the selection of the recommended consultant(s). Failure to do so shall be just cause for forfeiture of the proposal guaranty.

☐ Please confirm
*Response required

X.I Conflict of Interest Disclosure*

PROJECT NUMBER: 01-26-PW - Environmental Services

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose within their submittal: the name of any officer, director, or agent who is also an employee of the City of New Smyrna Beach, Florida. Furthermore, all respondents must disclose the name of any City employee who owns, directly, or indirectly, an interest of more than five percent (5%) in the respondent's firm or any of its branches.

The purpose of this disclosure statement is to give the City the information needed to identify potential conflicts of interest for screening evaluation team members and other key personnel involved in the award of this contract.

The term "conflict of interest" refers to situations in which financial or other personal considerations may adversely affect, or have the appearance of adversely affecting, an employee's professional judgment in exercising any City duty or responsibility in administration, management, or other professional activities. The bias such conflicts could conceivable impart

may inappropriately affect the goals of the City. The City must be free of the undue influence of outside interests.

The mere appearance of a conflict may be as serious and potentially damaging as an actual conflict of interest. Reports of conflicts based on appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light. Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts.

☒ Please confirm
*Response required

X.J Complete Copy of Proposal*

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below and uploaded as one (1) document:

- Cover page with company logo
- Table of contents
- Tab 1: Introduction and Executive Summary
- Tab 2: Project Approach/Management
- Tab 3: Experience and Qualifications
- Tab 4: References, Financial Stability/Ligation, and Acceptance of Conditions
- Tab 5: City Required Forms and Documentation. Including signed addendums if applicable.

Any portions of the proposal that do not comply with these guidelines or contain variances may be considered non-responsive.

*Response required

Karina Lake & Pond Services

Tab 1:

Introduction and Executive Summary

Page left blank Intentionally

Karina Lake & Pond Services

To the City of New Smyrna Beach:

We are pleased to submit this Request for Qualifications and are enthusiastic about the opportunity to support the City's efforts. We value working in communities that prioritize environmental stewardship and the protection of natural resources. We are a local (Orlando) mid-size firm and our team is highly familiar with the New Smyrna area.

Over the past decade, rapid growth in Florida has placed increasing pressure on lakes and stormwater infrastructure. Addressing pollution, debris accumulation, impacts from human activity, and the spread of nuisance vegetation is central to our work and increasingly important to the conservation of our public land. Our approach, as outlined in this RFQ, is specifically tailored to meet the City's environmental service needs, and we are confident in our ability not only to meet but exceed expectations. We will ensure to consistently prioritize the City's objectives and deliver results with professionalism and integrity.

Water-focused environmental services are at the core of our expertise, and we are well-positioned to provide effective, cost-efficient solutions across stormwater systems, canals, shorelines, conservation areas, and ponds. We are committed to serving the public interest, safeguarding local ecosystems, and maintaining full accountability to government agencies. We aim to serve as a comprehensive, single-source provider for aquatic environmental services, minimizing confusion, reducing costs and timelines, and delivering cohesive, well-integrated solutions that are often fragmented when multiple vendors are involved. We are also known for our collaborative approach and strong partnerships with industry experts and fellow contractors when needed.

In the next page, you will find an executive summary which outlines a brief profile of our business and some of our strongest differentiators.

We sincerely appreciate the efforts of everyone involved in this request for the high level of organization, concise instructions and apparent commitment to the improvement of our stormwater infrastructure which ultimately affect us all.

With gratitude,

Karina Perez, President

Karina Lake & Pond Services

Executive Summary

Karina's Lakefront was born with no capital investment or acquisition; but rather with much dedication, long work days and willingness to work in challenging Florida conditions. We are a Florida Limited Liability Company established in April of 2012. Since inception we have worked exclusively in the state and specialize in restoration and maintenance of lakes, canals, ponds, public lands, conservation areas and recreational waters. In 2024, we created our current DBA: Karina Lake & Pond Services to appropriately include the scope of all other aquatic and environmental services we offer. We are a mid-sized, family-owned business. Decisions are made by Ana Karina Perez (owner), Ana Gabriela Roosen (biologist, chemical specialist and daughter), Tomas Roosen (currently environmental engineering student and son), and William Sandberg (Professional Engineer, construction license holder, and son-in-law). The rest of our staff includes heavy machine operators (3), boat operators (4), stormwater inspectors (4), dredging and shoreline stabilization crew (6), manual crew (13), herbicide specialist (4), project managers (2), bathymetric survey specialist (2) and all of the administrative support staff that ensure our business runs smoothly, priorities of admin staff involves permits, accounts, estimation and budget, safety, among others (6). Our staff is comprised of approximately 30 employees, all which are treated like family, some of the employees have multiple functions within the company. Being Hispanic and women owned, Karina Lake & Pond Services holds DBE status with FDOT, Private Sector, Federal and State MWBE. Our permanent place of business is our office at 1450 Seminola Blvd. Casselberry FL 32707 which the company owns since 2021.

Clients are a blend of commercial, private homeowners, general contractors and governmental agencies. Our strongest differentiator is the ability to perform large jobs with a boutique style approach. Each project is treated with thoughtfulness and individuality. We believe in integrated solutions that usually involve more than one technique for successful project completion. We are able to perform high quality work with a targeted approach by blending manual, mechanical and hydraulic techniques. By combining strategies, we aid in the preservation of our native habitat and wildlife. We employ a large amount of manual field labor for specialized and sensitive areas in conjunction of heavy machines. Our manual crew leaders are well trained in harvesting, dredging, shoreline stabilization, rip-rap installations and maintenance of stormwater systems and pipes. Additionally, we are developing an in-house nursery to offer all plant material services for the installation of native aquatic gardens, alternative shoreline stabilization and restoration of sensitive areas. This ensures that we are able to revegetate areas impacted by the activities related to this RFQ (Example: limited access areas or machine collateral damage).

Our strongest partnership is with an environmental firm; Paragon Environmental. They act as our re-enforcement for supply of larger/specialized or additional equipment, complex dredging scopes, complex surveying or mapping and drone analysis. They do not own any stake in our business and do not influence business decisions. We intend to execute in-house all of the management activities provided in the description of services on page 20 of this RFQ but plan to utilize Paragon as our subcontractor for complex activities and aid our in-house personnel. In the next pages you will find the evidence to demonstrate adequate equipment, finances and personnel as requested.

Karina Lake & Pond Services

List of Current Contracts

Our current recurrent billables and maintenance clients involve a mix of 450 costumers which we visit on a monthly or bimonthly rotation. About 18% of these clients have been with us for over 10 years. The scope provided in the recurrent client categories include; aquatic vegetation removal (submerged, emerged and woody.) Assurance of waterflow in recreational areas, inspections of stormwater systems, repair and maintenance of irrigation lines, shoreline maintenance, chemical applications, debris removal, boat access dredging, boat ramp cleaning, water quality sampling, raking, mowing and trimming maintenances.

In addition, we are the current providers for task authorizations for several private and public agencies or one-off jobs. The current clients below contracted similar services as the scope of work of this RFQ.

Karina Lake & Pond Services

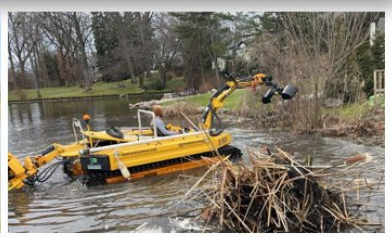
In- House Equipment List

- Weedoo GreenBoat Aquatic Harvester equipped with cutters, pullers and bucket, and reinforced costume made steel bucket made to order for Karina Lake. This Machinery can be use in shallow waters minimal of 2ft.
- Carolina Skiff Boat equipped with dredge pump and herbicide pump
- (3) Medium and small size John Boats with engines
- Debris Collection Pantoon Boat
- Pumps of 50 Gallons, 30 Gallons and 20 Gallons
- John Deer 4x4 Large Utility Tractor (for pulling and removing Vegetation)
- Medium bobcat excavator
- Large Hydraulic Dump Trailer
- (6) Water pump systems for dredging, root system removal and sediment collection -300 ft hoses
- Drones for visual survey of vegetation
- Isuzu Dump truck
- (10) Ford F-150 with different sized trailers
- (2) Ford F-350
- (1) Ford F-250
- Soil Hydrolic Platecompactor
- Ride-on lawnmowers
- (8) Aquatic Weed Razors
- Large, Medium and small Kayaks.
- Many General Landscaping equipment tools such as: Weed Trimmers, Hedgers, Diggers, Blowes. Approximately 100 individual equipments
- (50) Turbidity type III re-usable floating silt barriers 50 ft long each
- Biobase aquatic sonar and topographic survey equipment
- Water quality analysis probes

*All other heavy machinery is rented from local vendor as needed. These include Excavators, Trenching Machines, Heavy Power Tools and Loaders.



Karina Lake & Pond Services

Additional Available Equipment by Paragon

PARAGON

Mechanical Dredging / P-Rex

- 55 HP diesel engine
- Hydraulic augers with adjustable depth and tilt
- Operates on water and land
- Tracked pontoon system for shallow access
- Variable speed up to 3.75 mph
- 7'10" working reach with 270° swing
- Compact footprint for confined areas
- Designed for weed free, controlled excavation
- Reliable electrical control system

P-REX performs reliably across a wide range of shallow water and shoreline applications

- Weed Harvesting
- Cattail Removal
- Shoreline Edging
- Extremely Versatile
- No Ramp Needed

Aquatic Weed Harvesting

- The perfect piece of equipment for aquatic weed removal.
- Paragon's Weed Harvester also known as Brontosaurus can use a cutter head or the
- Wheel system that you see in the picture to the right, which uses the two-wheel tumblers to pull in and pinch weeds that are attached to the bottom of the lake or pond and pinch the stem to pull it from the roots and remove them.

The Weed Harvester Excels in

- Ponds
- Lakes
- HOA's
- Golf Courses

Karina
Lake & Pond Services

Hydraulic Dredging / Para 10 Dredge

- 10 inch hydraulic dredge system
- High volume slurry pump
- Designed for large scale sediment removal
- Operates in ponds, lakes, and waterways
- Continuous dredging without dewatering
- Deep cutting capability for heavy material
- Diesel powered for high output performance
- Built for long run time and reliability

Para 10 delivers high production hydraulic dredging for large volume capacity restoration

- Large Pond Restoration
- Catch Basins
- Rivers & Waterways
- High Volume Sediment Removal

Mechanical Dredging / Mini Dredge

Platform:
•Length: 18'3"
•Width: 8'
•Height: 9'10"
•Total Weight: 3800 lbs.
•Draft: 12 inches

Pontoons:
•Ultra High Molecular Polyethylene
•Modular/Foam Filled

Excavation:
•Excavation Depth: 0-40 feet
•Traverse Speed: 0-38 fpm

Dredge Pump:
•Type: Severe Duty Slurry/Agitator

Motor:
•20 hp, 1170 RPM, 460v
•Service Factor: 1.35

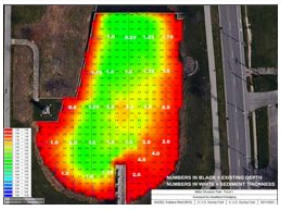
Max. Spherical Solids:
•1.5 inch

High-Control Dredging for Areas Larger Equipment Cannot Reach

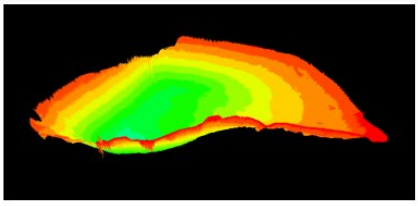
- Retention Ponds
- Digester Tanks
- WWTP Lagoons
- Farm Slurry/Ash Ponds

Karina
Lake & Pond Services

Bathymetic / Remotely Operated Surveying Boat



Controls
- Remotely Operated via GPS



Battery:
•12V, 88 Ah Electrical Control System

Dimensions (Overall):
•Length: 6'
•Width: 3'
•Height: 2'

Dimensions (Hull):
•Length: 6'
•Width: 3'
•Height: 2'

Built for the Most Challenging Water Environments

- Mine Tailings Ponds
- Wastewater Treatment Digesters
- Chemical Plants
- Pulp Mills
- Rock–Stone-Sand Quarries
- Farm Slurry
- Ash Ponds

Dewater Bag Option

Pros

- Lower upfront mobilization compared to mechanical separation systems
- Simple setup using flexible, modular bags
- Effective for short duration or limited volume projects
- Minimal equipment footprint

Cons

- **Requires significant land area depending on sediment volume**
- **Long dewatering timelines, often 45 to 60 days**
- **Bags can become a visual and site management issue**
- **Material still requires secondary handling and disposal**

Karina Lake & Pond Services

Other Resources and Equipment Available for this Contract

We pride ourselves in outsourcing most locally

Leased Equipment:

Large Excavators, Skid Steers, Loaders, Bulldozers, Backhoe, Soil Compactors, and others.
- Synergy Equipment Rentals (Orlando, FL)
- Sunbelt Rentals (Winter Haven, FL)
- United Rentals (Orlando, FL)

Debris/ Sediment Transport & Support:

- Gaston Grapple and Trucking (Zellwood, FL)
- J & J Grapple and Trucking Service (Apopka, FL)
- Tree Monkeys (Chuluota, FL)
- Central Florida Arbor Care (Ocoee, FL)
- Parker Brothers Trucking (Orlando, FL) – Road base and soil materials
- Lieffer Excavation (Orlando, Fl) – Road base and soil materials

Specialized Pipe Repair, Jet-Vac Cleaning, Sinkhole Support, Water Sealed Truck Support:

- Cloud9 Services (Orlando, FL)
- Florida Jetclean (Tarpon Springs, FL)
- SCA Sweeping Corp of America (Longwood, FL)
- Shenandoah (Gibsonton, FL)
- Your Environmental Solution (Orlando, FL)

Specialized Material:

- Ferguson Waterworks (Sanford, FL) -Piping, erosion and other materials
- Pemberton Steel (Longwood, FL) -Grates, barriers, stormwater system parts
- Nikki's Rep Services (Casselberry, FL) -Concrete demo, design, build
- Pebble Junction (Sanford, FL)- For Natural stone
- 3 Volcanos Farm (Leesburg, FL) –Native vegetation material
- ACF Environmental (Sanford, FL)- For Eco-Friendly supplies and materials
- SiteOne (Orlando, FL)- Sod and soil, plant material
- Biosphere Nursery (Winter Garden, FL)- native aquatic marginal plants

Professional Resources:

- Enrique Torrens P.E (Winter Springs, FL)– Engineer consultant for plans and stamped drawings
- Eurofin Environmental (Altamonte Springs, FL)– Lab for water quality analysis, environmental testing
- Ardaman & Associates, Inc (Orlando, FL)- Soil exploration and reports
- Ireland Surveying, Inc (Orlando, FL)- Licensed surveying services
- Lebron Surveying, Inc (Winter Park, FL) – Licensed surveying services
- Orlando tree Consultant (Orlando, FL)- Licensed arborist services

Network Informational & Educational Resources Include:

We strive to expand our technical knowledge by gaining experience and through the leading scholars in the field. When complex scenarios arise in which the most effective treatment or solution is not clear, we are able to seek support within our large network of resources. For example, we may discuss our findings with professors at the UF agronomy center to evaluate or obtain expert recommendations. We value scholar knowledge as much as field knowledge and encourage our staff to seek support and exercise and inquisitive mind and creative solutions. I believe this is what has made us successful in a challenging industry. Our philosophy is to provide safe, honest and quality work while maintaining responsibility to our environment.

The list below identifies some of the key resources in our network when support is needed.

- Stephen Enloe PhD, UF/IFAS professor at the center for Aquatics- For questions regarding invasive species or environmental issues.
- Lynn Gettis PhD, UF/IFAS director for center of Aquatics – For any question aquatic and eco-friendly solutions
- Kelli Gladding, President of the Florida Aquatics Plant Management Society- For question regarding invasive species eradication, herbicide use.
- Michael McCabe, PE, American Public Works Association and Deputy District Engineer - For questions regarding stormwater control and installation.
- Dharmen Setaram, Windfield Solutions- For aquatic vegetation management and support
- Lorne Malo, Consultant- Seasoned/Retired FWC employee, with much knowledge on permitting and Florida Ecosystem including endangered species and sensitive vegetation.

Karina
Lake & Pond Services

Key Personnel and Qualifications

For this RQP the following staff will be available to carry out tasks for the City of New Smyrna

1-Ana Karina Perez: Owner, General Supervisor, Estimating, Planning and Development of Project, Erosion Installation Project Manager, Certified Stormwater Inspector. Business owner and management experience for over 40years.

2-Ana Gabriela Roosen: 9 years performing duties as Biologist, Aquatic License Holder, Stormwater Inspector, Community Outreach, Administrative Manager, Permitting Procedures, FWC contact, Fish-Barrier Inspector. Current student for Natural Areas License.

3-Tomas Roosen: 6 years acting as Assistant Project Manager, OSHA Certified Safety Inspector and Engineer Tech. 2 years as Aquatic License Holder.

4-William Sandberg: 8 Years experience working with Water/Waste Water project Management, 4 years working with Karina as Project Manager Estimator, Stormwater Inspector and Pond Mapping and surveying supervisor, 3 yrs as Professional Civil Engineer and Florida Construction License holder for Karina. Osha Certified

5-Joanna Sanchez: 10 years in the administrative field and 3 yrs Permitting Procedures, HR, Client Relations and Invoicing wit Karina Lake & Pond Services.

6-Victor Fajardo: 15 yrs + Supervisor and Foreman of Manual Removal of Vegetation, Landscaping, Tree Removal and Install, Experience sod installation supervisor and tech, Native Vegetation Installation and Nursery Supervisor, Shoreline Mitigation Installation lead. Working with Karina for 8 yrs.

7-Kalima Brooks: 20 yrs + Experienced heavy equipment operator and trainer. Specialized in Dredging and challenging terrains. Osha Certified.

8-Oscar Mejia: 10 years working as Foreman, Mechanical Water Harvesting Operator, Manual Vegetation Removal, Heavy Equipment Operator, Debris Transportation Coordinator. Working with Karina for 9yrs.

9-Nelson Tellez: 20+ years Manager of Dock, Rip-Rap Restorations, Erosion Control Installation, Dredge Equipment Operation Consultant, Repair of Stormwater System structures. Working with Karina for 5yrs.

10-Oscar Rey: 8 yrs+ field staff supervisor and project manager. Working with Karina for 3yrs.

11-Arturo Alfredo Roosen- 35+ yrs experience. Mechanical and Agronomy Engineer, Heavy Machine Repairs and safety inspector.

Paragon Staff to be involved:

12- Brian Bradford: 13 years in Oil and Gas Industry as a Solids Control Supervisor. 1 Year as Shoreline Stabilization Manger/Assistant Environmental Operations Manager.

13-Brian Lawson: 25+ years in Environmental Management, Equipment Operator, Dredging and Soil Control, Weed Harvesting.

14-Edward Moyer: 26 years in Environmental Industry as a Fluids and Solids Separation Engineer. VP of Operations. 3 Years as Environmental Operations Manager.

15- Lee Ford: 8 years in Environmental industry, Operating centrifuges, dredges and aquatic weed harvesters.

16-Brion Talkington: 14 + years in environmental industry specializing in fluid and solids separation. Supervise logistics along with heavy equipment, centrifuge and dewatering operations.

Karina Lake & Pond Services

Project Management Procedure

Work Flow & Timeline for the City of New Smyrna

Upon a request for proposal, we will activate the following workflow within 24 hrs:

1- Inspection and evaluation of site and waterbody. Including accessibility, soil and vegetation identification.
2- If requested, we can provide our opinion related to the task or analysis of site conditions
3- Development of a proposal and integrative approach presentation (if needed or recommended)
4- Provide a description of work and price, including labor, materials and disposal of debris.
5- List of employees involved as well as subcontractors or firms
6- Timeline and possible dates for project completion

When Task Authorization is issued, we will proceed as follows:

7- Waiting for PO before commencement of activities, timeline will be provided
8- We can begin administrative work to begin the scope within 24hrs
9- Permit processing & Surveying
10- Maintenance of traffic will be planned (MOT plan approval by the city needed)
11- Timeline of events and weekly updates. Once permit and approval receive work will be scheduled to begin within 5 days. We are very receptive to the City's need and will prioritize suggested Schedule from City Project manager or supervisor.
12- File notice of commencement (if required by the city or county), install message boards
13- Stormwater runoff devices and MOT devices will be installed
14- Work will commence
15- Weekly project progress reports and timelines
16- Request of inspection of work completion by City official or Project manager for signoff.
17- Post Completion report with pictures, permits closures and drawings
18- Invoice will be generated with PO number and instructions provided.

*We take pride and are available to problem solve, recommend or provide solutions to stormwater infrastructure issues without a request for proposal (if desired).

Karina Lake & Pond Services

Technical Approach

The selections of techniques to be utilized on a given job involve understanding how the environment may be affected. No two waterbodies are the same and the careful examination of the jobsite is necessary to establish a step-by-step solution with the least environmental impact possible. All of our jobs begin with an initial site visit where the goals and priorities of the project are established. Good communication with other contractors and the city representative is crucial.

Our approach often involves developing Integrated Management Plan (IMP) that utilize different methods to successfully complete the job in a timely manner, optimize the process, reduce cost, reduce the negative impact on the desired ecosystem, reduce the amount of waste or dead vegetation, and decrease the probability of creating resistance in the nuisance vegetation or soil alteration.

Our standard IMP may include initial studies or surveys, engineered plans as required depending on the scope. An aquatic application (usually at low rates of chemicals or Alum treatments to flock sediment or turbid water before dewatering or post dredging), Water analysis may be recommended depending on the issue, for example a faulty stormwater drainage leaking Coliform to the waterbody or a HAB (Harmful Algae Bloom). Depending on analysis we may suggest water treatments or issue notifications to nearby public. We will then weight the benefits of techniques: mechanical (aquatic harvesters and heavy equipment) or manual harvesting of the vegetation (for better preservation of the native environment), or dredging with mechanical, manual or hydraulic equipment or a combination. We determine optimal plan analyzing the specific site conditions, goals of the city and associated cost. Additionally, we may suggest other piggyback restorative work such as the installation of shoreline stabilization fabric, geo-cell, sox bank installation, rip-raps, aquatic gardens or native vegetation as well as other areas of concern within the project area. If additional issues at the site are noted, a report will be provided with the city with the issue and the recommended action. Our IPMs includes appropriate installation of sediment control barriers before commencement of work, maintenance of traffic plan, if necessary, optimal and contained debris and vegetation removal from the site. We make a through report of our visit and document current conditions of the wildlife, sensitive species, water, soil, vegetation and weather which includes pictures and drawings of the work performed. Lastly, we may suggest maintenance of stormwater structures, pipes or outfalls to preserve the job completed at ensure best performance all year. By owning drones, probes, boats and surveying equipment we are able to perform studies as we see fit for a transient determination of our success and measure the progress of our scope without incurring additional fees from surveyors or outside parties.

We always inform of possible permits necessary for activity and make sure permits are active before commencing. If permits are necessary, we are able to process them in house. We have Engineer on staff to utilize when a PE signature is needed for the restoration and to provide as-build reports and drawings.

Karina Lake & Pond Services

Innovative Concepts and Future Developments

As part of our innovative approaches, we have developed unique techniques utilizing high pressure water jets to remove root systems or silt removal from water drainage systems. When we are unable to see status of the blockage, we may utilize technology such as drones, self-driving boats, pipe camps or sonars surveys where visuals are not available that will allow for a more precise cost estimate and reduce the probability of unforeseen costs.

Our current developmental goal is the expansion and improvement of our equipment and assets. It involves the work with a naval architect who is designing a large barge that can hold a large excavator for collection of the debris and sediment surrounded by deep areas. We are in the process of purchasing an all-terrain excavator that will allow us to work in expansive flooded shallow wetlands and marsh. By expanding our equipment and assets we are able to provide more cost-effective solutions by reducing upcharge costs related to subcontractor profit margins, allowing us to better control the costs associated with a scope and the cost of labor. This will enhance our Integrated Project Management by providing more “tools in our toolbox”. All of the profit currently generated by Karina Lake & Pond Services is being re-invested into the business and the professional development of our employees.

Ana Gabriela continues to keep up with aquatic technologies and attends almost all of the conferences of FAPMS and UF/IFAS to further her knowledge in the industry. She is recognized as SePro Stewardess of Water and will be in the board committee of Florida Aquatic Plant Management Society beginning October 2026.

Tomas will graduate with as an Environmental Engineering Degree late next year and we hope we can develop new and innovative techniques that are less impactful for the environment.

Because we are local (about 45 mins from New Smyrna) and we expect most of the work requested in this RFQ to be done in house, we are confident that we can provide schedule adherence. Being a medium size family business, the city will have close contact with decision making managers and tailored, timely services. This RFQ will be prioritized as the scope is exactly what we are looking to aid in our expansion.

Our expansion plan also involves developing the native nursery portion of our business and expanding relationships with the Governmental/Public Agencies. We are working in obtaining our Marine Contractor License which will allow us to participate in marine construction related projects such docks, decks, piers, seawalls, retention walls and design of brand-new stormwater drainage structures and ponds. Working with Paragon has allowed us to propose work-related to large-scale dredging of lakes and ponds.

We are eager to become one of the most competitive environmental firms that encompass everything aquatic in a wholesome manner all across Florida.

Karina Lake & Pond Services

Cost Estimating Procedures

We have internally developed formulas and costs sheets to successfully compare prices of cubic/yard of debris or sediment against the different equipment and methodology. For example, a dollar amount for manual cubic/yard of removal of terrestrial vegetation, compared to submerged, or silt or muck by utilizing manual, mechanical or hydraulic methods. Most of the time, the methods are combined to be most efficient and to preserve the environment as much as possible.

This allows us to determine which machines and what transportation and labor costs are associated with each technique to select the option that is optimal for timeline of completion and cost.

When subcontractors are required for the completion of the scope, we always obtain several quotes from them before carrying the price.

To be aid in the proper estimating, we utilize our surveying equipment and probes to avoid unforeseen challenges or price adjustments. All of the jobsites will be inspected prior to estimating. We are very serious about completing the job within budget. Often time will provide reports of conditions of sites as part of our estimates free of charge.

Next Maintenance scheduled for: 11/13/2025 by KLM **Report performed by :** Ana Roosen - Biologist Karina Lakefront **Date:** 09/25/2025

Management activities for next maintenance: Spray with Glysophate 2% concentration between plants for the control of Torpedo Grass, Alligatorweed

Spray with Diquat/Glysophate mixture in Mitigation areas 1 and 2 for Duckweed control being mindful of native vegetation, pull torpedograss between plants

Success Criteria
1) 0% coverage of FLEPPC Category 1 and 2 exotic vegetation immediately following a maintenance activity
2) Coverage of exotic species shall not exceed 5% and coverage of nuisance plant species shall not exceed 10% of total cover between maintenance
3) A minimum of 80% survival for the aquatic shoreline plantings after one (1) year

Description of Maintenance Activities
Consist of hand clearing and herbicide application, as required. These management practices will be utilized in an effort to control and eradicate any nuisance, exotic, or invasive species within the restoration area. These quarterly (4 per year) maintenance inspections will occur to determine what, if any, management activities are required. Details of the management activities will be noted.

Scope of Work

Complete pre dredge survey. Open line dredge 13,300 cubic yards from Mixing Lagoon into dewatering area with a Mudcat 225D dredge. Closely monitor dredge flows and watch for leaks. Perform post dredge survey to ensure removal of the 13,300 cubic yards. Once complete we will remove the Mudcat 225D dredge and launch a 460 SL dredge in the East channel and dredge out an additional 30,000 cubic yards that will be verified with a pre and post dredge survey.

Current Operational Comments

We are still on stand by waiting on survey results so that we can begin rig down. Today we organized the conex,cleaned out the push boat and the survey boat,changed the oil in the generator, and fueled all equipment on site.

RECIPIENT:

Amberleigh HOA
337 Lake Amberleigh Drive
Winter Garden, Florida 34787

Estimate #5684	
Sent on	07/24/2025
Total	[redacted]

Product/Service	Description	Total
1. Jet-Vac Stormwater Cleaning	Scope of Work: 1. Install turbidity barrier in the pond 2. Mobilize jet-vac truck 3. Spray jet the one storm inlet box and the approximately 60 LF of 15" diameter storm pipe with water to loosen and liquify sediment 4. Vacuum remove the sediment, up to 10 cubic yards 5. Cleanup, demobilize, haul and dispose offsite Subcontractor Notes and Clarifications: 1. Jet-vac truck will park in the roadway or in a driveway if allowed, to access the work area. Traffic control, if required, will be limited to minor cone placement 2. Hoses required to reach the work area from the truck are included. 3. Due to the lack of direct access to the work area (use of hoses), some sediment may remain within the pipe. We will do our best to remove as much as possible and make the pipeline as clean as possible 4. Jet water is included. Wash water will be put on the ground next to the pond, or whereas directed by the client 5. Offsite disposal is included for one load (10 cubic yards). Additional disposal is $1,200 each load 6. Environmental/hauling fees are included 7. Scope of Work includes only one inlet and one run of pipe to the pond, understood to be the entire stormwater system. If additional pipes and additional structures are found, these will be added on in the invoice, or quoted separately if requested. 8. Scheduling for subcontractor is approximately 2 weeks after approval	[redacted]
2. Sod Installation (Erosion Control)	Scope of Work: 1. Grade and level approx. 400 square foot area around storm inlet grate, so that the top of grass sod is roughly at or 1" below the top of the inlet grate, for ease of mowing, and that there is no more than 2:1 slope to the inlet 2. Removal and hauling of up to 3 cubic yards of soil/vegetation 3. Add thin (approx. 1/2") loose layer of top soil, loosen/aerate soil 4. Install one (1) pallet of sod. Sod will be Palmetto St. Augustine, or other shade-resilient St. Augustine such as Citrablue or Cobalt 5. Clean up area and lightly water with homeowner's hose if available	[redacted]

Intro -BC PROJECTS (1) Stormwater Restoration of Slopes	The scope of this proposal is for the re-BID of the prior authorized work behind Tulip Way that was suspended as requested by county officials. We sincerely appreciate the opportunity to be considered for this project. Please feel free to reach out to us directly for any questions related to this quote or to request another on site meeting. The scope provided in each job is based on what was discussed on site meeting 10/21/24 and from the last set of maps provided by county. Dimensions where estimated utilizing these maps. To properly regrade slope a minimum of 5 ft width working area is needed. The estimate includes replacing the sod in those areas. Please see attached pictures for further information on scope and for visuals of area estimated. We hope to hear from you soon, Karina	$0.00

Site Plans and description of Scope Example:

Engineer Cross-Sections Examples:

Karina Lake & Pond Services

Inspection and Recommendation for Scope Example:

1501 Lake Howard Park Restoration

Scope of Work: **Estimated Time: Approx. 5 Weeks**

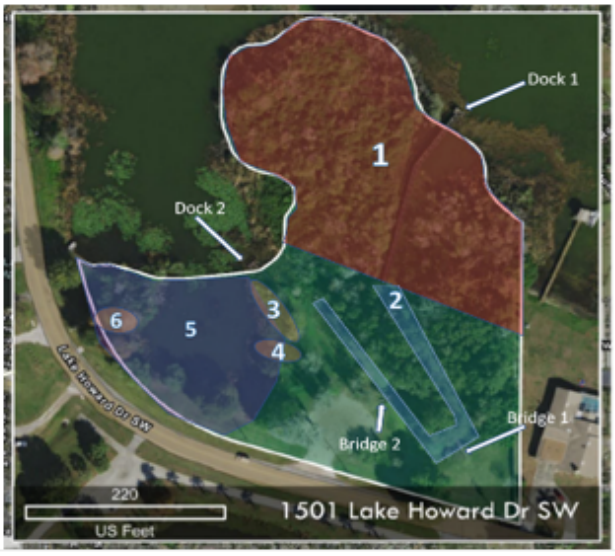
Karina Lakefront Maintenance, LLC shall create an integrated management plan that involves a combination of techniques: Manual & Mechanical Harvesting, Targeted Herbicide Application, Planting of Native Species, Debris Removal and other recommendations as described in this restoration proposal designed specifically for Lake Howard Park and the City of Winter Haven.

Goals:

To restore ecological balance, reduce the population of nuisance vegetation, promote the growth of native species populations, promote fluid stormwater run-off, create a debris free (natural and plastic) environment, and improve the overall aesthetical appeal of the park.

Identification of Existing Vegetation:

Noted Nuisance Vegetation: The park exhibits dense areas of Peruvian Primrosewillow, Water Hyacinth, Floating Waterfern, Duckweed, Water Spangle, Filamentous Algae, Marsh Pennywort and Torpedo Grass.



Noted Desirable Vegetation: Pickerelweed, Arrowheads, Alligator Flags and Cattails. Water Lilies and Spatterdocks. Trees of Wax Myrtle, Red Oak Trees and Carolina Willow. Due to the ecological benefit of these plants we would like to conserve these species and redistribute some of the marginal plant patches along the park.

Integrated Management Program:

In order to better describe the services to be provided, we have separated the park into sections as follows:

Area 1 (North Area of the Park): Approximately 1.35 acres of Overgrowth Primrosewillow and Torpedo grass, mixed in with native trees of Wax Mytles, Red Oak and Carolina Willow. Large quantities of plastic debris along both sides of the dock. Some native cattails, Water Lilies and Spatterdocks on the East side of the dock.

Recommended Action: Due to the high density of vegetation in the area we would begin by strategically manually removing some of the

Primrose to create a path and easier access to some of the denser areas. This will allow for a more targeted herbicide sprays and easier removal of debris. The goal is to eradicate and remove the Primrose while saving as much of the native vegetation as possible. The area will be divided in about 6 sections. The Primrose and Torpedo grass would be sprayed with a combination of Triclopyr and Glysophate, starting from the shoreline section and outward. Then vegetation would be cut and removed. We will utilize our harvester Weedoo boat to cut and remove the vegetation in sections where water depth is over 2 ft. The plan includes removing all of the plastic debris and the large branches not fully submerged.

Area 2 (Retention Canal): Approx. 10,000sq Ft retention canal of stagnant water due to high density of Duckweed, Water Spangles, Waterfern, Filamentous Algae and Pennywort. The canal has become eutrophic due to the high density of leaves and decomposing plant matter in the water and the high nuisance vegetation density. Large amounts of branches and marginal grasses along the shore.

Recommended Action: Herbicide treatment of Clipper/Diquat along the entire canal. After the treatment has killed the nuisance species, we will manually remove the dead vegetation along the canal and all of the debris such as branches along the shoreline. Installation of marginal native species along the bank is recommended to Increase with nutrient uptake. We recommend relocating some of the natives from the overcrowded patches in other areas of the park. This will improve the water flow and general condition of the canal.

Area 3 (Wet Retention Area): Area with dense vegetation of Pennywort, Water Spangles, Duckweed as well as large patches of Pickerelweed. Large amounts of branches and debris around the area.

Recommended Action: Transplant some of these Pickerelweed to the retention canal and carefully spray the nuisance vegetation with Clipper/Diquat combination. General cleanup of the area by removing the large branches and removing the dead vegetation

Area 4 (Wet Retention Area): Dense area of Water Hyacinth, Torpedo Grass & Pennywort. Dense patches of Alligator Flags, Pickerelweed and large Arrowheads present. Wax Myrtle and Cypress trees present.

Recommended Procedure: The water Hyacinth and Pennywort to be sprayed with Glysophate. The Alligator Flags, Pickerelweeds and Arrowheads to be pruned and some relocated to the canal area for a better distribution of the specie. Dead vegetation and debris to be removed from property. The Arrowheads and Pickerels to remain untouched. Wax Myrtle to be cleaned up, by removing dead branches

Area 5 (South-West Shoreline): Torpedo grass, Arrowheads, Pickerelweed, Softstem Bullrush and Cattails noted. Peruvian Primrose around the edges as well as overgrown terrestrial grasses. Wax Myrtle and Red Oaks along the shoreline

Recommended Action: Spray the Torpedo grass with Glysophate, cleanup of debris and branches along the shoreline, trimming of the terrestrial grasses, manual removal of Primrose, pruning of Spanish moss. The Arrowheads, Pickerelweed and Alligator Flags to not be touched.

Area 6 (Stormwater Drain): Small stormwater outflow retention pond with high density of Duckweed, Water Spangles, Waterfern. Large number of branches and Peruvian Primrose

Recommended Action: Herbicide treatment of Clipper/Diquat along the entire canal. After the treatment has killed the nuisance species, we will manually remove the dead vegetation along the canal and all of the debris such as branches along the shoreline

Additional Recommendations:

-Additional plating of Native species, such as Cannas, Soft Rush and Giant Bulrush along the park to create diversity and competition of native species.

-Restoration of bridges and docks. Pressure wash, board repair, re-stain.

-Quarterly maintenance of the park to keep nuisance vegetation in check, and promote healthy growth of desirable vegetation. Removal of plastic debris and fallen branches, as well as raking and mowing of the public pathways and along the shorelines.

- If the city desires, we are willing to work with subcontractor and obtain other resources to perform some dredging of the canals to improve waterflow and stormwater retention.

Restoration and Mechanical Debris and Vegetation Removal Report

- Completion time: 40 Working hours
- Total Crew: 8 Members.
- Density Coverage of Nuisance Vegetation and Debris: 85% of the total volume of the lake.
- Total Amount of Vegetated Acreage Cleared: 7.5 acres of dese hydrilla were mechanically removed, Approximately 26-28 tons. This corresponds to close to 70% of the total volume of the lake (12 acres).
- Equipment Used: Weedoo boat, Pantoon boat, California skiff boat as well as removal with hand tools due to the shallow conditions of the first 30ft of shoreline where the boat could not navigate.
- Max Water Depht of Removed Vegetation: 4ft Deep.
- Disposal and Handling of Material: Grapple trucks after vegetation dried at the bank. Sealed Grapple truck disposed of at the County dump station handled as vegetation debris. All the equipment is rinsed thoroughly after use to avoid translocation of the plant into other systems. Additional turbidity barriers were placed in the lake to separate the treatment area and avoid further spread.
- Additional Recommendations -The results of manual harvesting are instantaneous but not long lasting when not combined with other treatment options. Hydrilla is a difficult plant to manage and it is almost impossible to eradicate 100%. Therefore, it is important to monitor the plant's growth, we recommend applying a volume treatment herbicide application and adding carp to halt and manage the growth as well as treating nearby ponds that can contribute to new infestations with normal translocation of the water within the system. The timing and season of both the herbicide application and grass carp introduction are critical to achieving optimal results. Fall and spring present the most favorable conditions for both methods, as water temperatures typically range between 60–75°F. Grass carp generally require approximately six months to acclimate to their environment, after which they will begin consuming Hydrilla. In comparison, herbicide treatments typically produce results within one to two months following application. The selected herbicide is a slow acting systemic herbicide that targets Hydrilla specifically and is safe for fish when applied at the correct rates, allowing both management methods to be implemented independently or concurrently. Whichever approach can be initiated first will benefit the lake's overall condition since Hydrilla grows at about an inch per day in optimal conditions and neither method is recommended during winter months. Due to the current low water conditions, we recommend proceeding with the chemical treatment first, since the total volume of the

Karina
Lake & Pond Services

Karina Lake & Pond Services
1450 Seminola Blvd
Casselberry, FL 32707
P: 407-255-4642
Karinalakefront.com

water is decreased. Ultimately, the combined use of both methods will provide the most effective long-term control of Hydrilla.

Karina
Lake & Pond Services

BEFORE & AFTER

Karina Lake & Pond Services

Competitive advantage

Our competitive advantage is rooted in our ability to deliver comprehensive, high-quality aquatic environmental services with a personalized, boutique approach. As a family-owned, Florida-based company, decision-making is direct, responsive, and led by a multidisciplinary team with expertise in biology, engineering, and field operations. This structure enables fast, informed decisions and strong client communication, unlike larger, less agile competitors.

We differentiate ourselves through its Integrated Management Plans, combining manual, mechanical, and hydraulic techniques to create customized, environmentally sensitive solutions for each project. Our in-house capabilities include permitting, engineering, surveying, inspections, bank stabilization, dredging, sediment removal, aquatic vegetation control services, mowing, mulching, trimming of woody vegetation, bank stabilization, erosion control, rip-rap installation, stormwater pipe cleaning, disposal of debris and redesign and native planting. We reduce reliance on outside vendors, resulting in lower costs, tighter schedules, and better-quality control.

Additionally, our skilled and versatile workforce, strong desire for investment in advanced equipment and emerging technologies (such as drones, sonar, and specialized dredging methods), and partnerships for complex projects allows us to handle small and large-scale alike.

Our commitment to environmental stewardship, innovation, and continuous learning, combined with strong local presence and DBE/MWBE certifications, positions us as a reliable, cost-efficient, and community-focused provider. A key advantage over competitors who offer fragmented or less adaptive services.

Assurance of Selection

In Conclusion, Why We Should Be Selected….

Karina Lake & Pond Services offers a unique combination of **technical expertise, operational efficiency, and personalized service** that directly aligns with the City's needs. Our proven ability to **deliver projects on time and within budget**, while maintaining strict environmental and safety standards, reduces risk and ensures long-term success of each project. With **local knowledge, in-house resources, and a proactive, solutions-driven approach**, we are well-equipped to provide consistent, accountable, and high-quality results. Selecting means partnering with a team that is not only capable of executing the scope, but also committed to **protecting public resources, enhancing infrastructure performance, and exceeding expectations through integrity and professionalism**.

Karina Lake & Pond Services

Summaries of Services Offered to the City of New Smyrna

-Dredging -Mechanical, Manual or Hydraulic dredging including disposal in water sealed trucks and jetvac services. Also includes trash pumps dredging and dewatering techniques for cost reduction.

-Removal of silt or sediment from pipes and structures- To ensure functionality and integrity of the stormwater systems including outfalls, alluvial fans and box culverts

-Bank Stabilization- Work utilizing natural stone retention walls, rip-raps, GeoCell, Sox Solution technologies as part of erosion control. Installation of sod. Installation of native vegetation as a bank stabilization measure.

-Stormwater System Inspections- Inspections of water flow and analysis of function of culverts, outfalls and pipes, report of soil leaks, etc.

-Manual or Mechanical Vegetation and Debris Removal - With manual labor crew submerged, floating, emerged, upland wetland, mangrove removal or trimming, tree trunks, damaged structures and man-made debris (for sensitive areas we usually recommend manual more boutique cleanup with our field crew). With harvester boats, standard excavators and other heavy equipment or a combination of both. This always includes transportation and disposal of said debris.

-Inspection and Analysis of Waterbodies– To help identify sensitive, endangered, vegetation/species, and suggest a plan of action, if desired. this may include water chemistry and/or other laboratory tests. We like to "think outside the box" and always inspect before pricing to come up with an Integrative Solution.

-Installation and Maintenance of Sod, Mulch, Upland, Marginal, Lowland and Aquatic Vegetation - To reduce damages of harvesting, improve ecosystems and to satisfy permit and governmental agencies conditions. We are currently growing in-house about 40% of our wetland obligates and marginal vegetation. Sod is installed by us but bough from local source

-Silt and Turbidity Barrier Installation- As a good environmental practice in all manual removal or sediment removal jobs. We are trained and certified stormwater Inspectors.

-Waterbody Chemical Treatments – Herbicide, Flocking agents, Nutrient Reduction, Algaecides , Alum, Dye.

-Maintenance of Shorelines – Post vegetation. These services include manual, mechanical or chemical treatments in a monthly, bimonthly, or quarterly cycles. Includes maintenance of natural beaches, parks or recreation areas.

-Repair, Maintenance or Pressure Washing -of seawalls, inlets, decks, docks and other marine wooden structures, skimmers, fish barriers, or other parts of stormwater systems (not mechanical)

-Replacement of Parts – Replacement of grates, bolts, pipes, skimmers, barriers, etc. related to stormwater systems, ponds or lakes.

-Introduction of biological agents for vegetation control – triploid grass carp or other Including all necessary barriers, testing and permitting related.

-Professional Services: Engineer signed and sealed surveys and as builds, Certified surveys, Bathymetric reports, Hydrologic reports, soil reports, water quality analysis reports by certified lab or on field sampling

-Required Permit Processing by State, Federal or Local Agency – In house.

-Short Notice, Emergency or Force Manure event debris removal- We will prioritize the needs of the city

-Repair of Dock, Deck, Ramp or Platform- around or in ponds, wetlands, lakes or shoreline

-Stormwater Infrastructure Problem Identification -Provide comprehensive plans of problem ID, problematic vegetation, suggested solutions and budget.

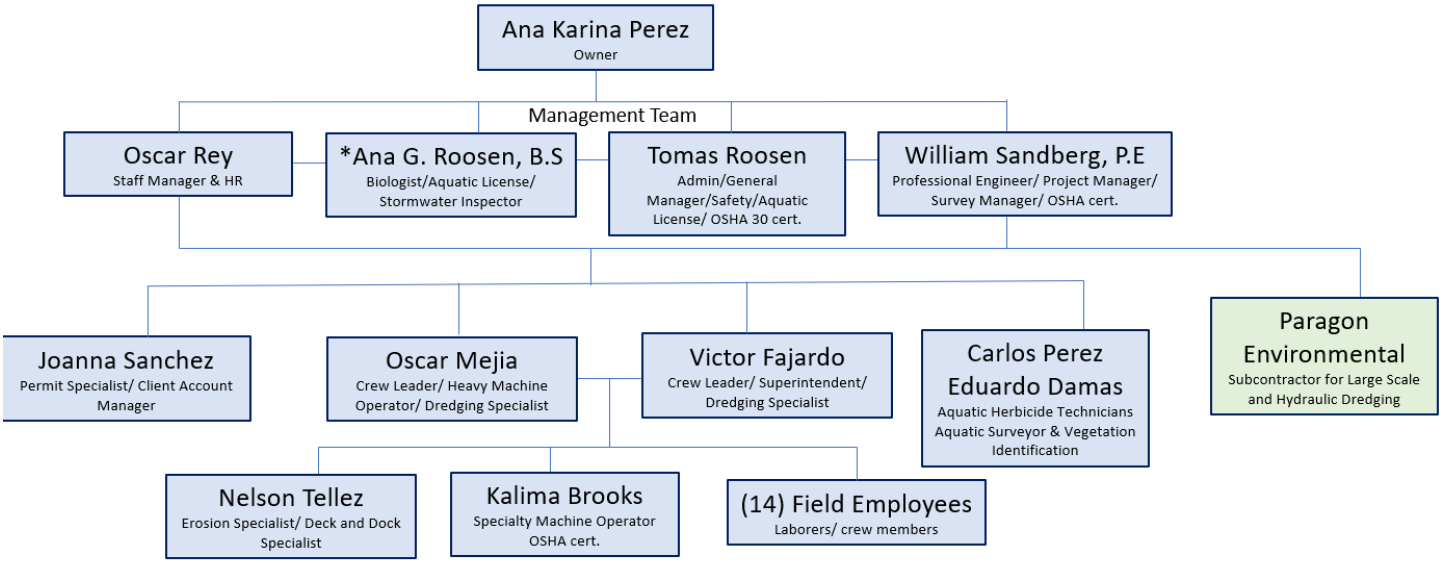
Karina Lake & Pond Services

Project Team for New Smyrna

Prime:

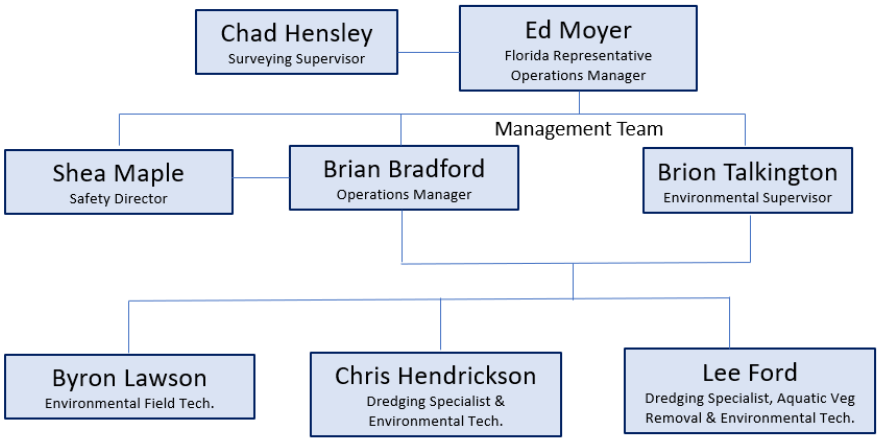
Karina Lakefront Maintenance, DBA: Karina Lake & Pond Services, no operation under other firm names. Number of Years in Business: 14 years, Florida Company, Total in-house Employee: 30, MWBE & DBE Certified.



Dredging, Dewatering or Remote Boat Surveying Subcontractor:

Paragon Environmental Services, ownership by Palladium Equity, Number of Years in Business: 29 yrs in Marine Oil and Gas, 6 years in Freshwater Systems of Florida, Headquarters in Houston, work across all of the U.S, Total in-house Employees in freshwater division: 100 Team members. We expect we will partner with them for the dredging, dewatering and complex surveying scopes in this RFQ. Percent of business approx. 10%-15%. Florida Business License: M24000009278. See attached. Our business has partnered with Paragon for the last year in bidding work related to this scope. We are waiting for answer on Large Dredging and Clearing Project in Lake Toho in Central Florida valued at $2,000,000.

*See Page 12 for other resources & professionals, as well as brief description of their services used. All of these we have partnered in the past and could be utilized in a specific project in an as needed basis. We expect to do most of the work in house but certain scopes may need additional support or material. City will be made aware when additional resources will be used.



Karina Lake & Pond Services

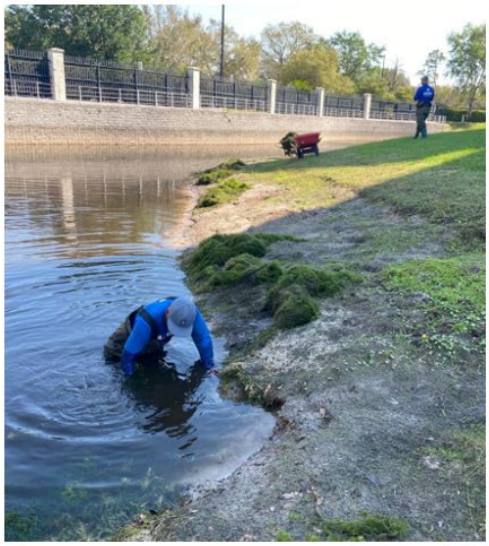
Relevant Experience

#1: University of Central Florida

Description of site and conditions: This project involved restoration of 26 stormwater and retention ponds and lakes in university property. The ponds are scattered over a large amount of land and range from .1 acres to 10 acres. The site was being maintained by a prior contractor who let the conditions of the waterbodies deteriorate. Every pond displayed different poor health conditions. Some of them include, muck and & sediment buildup, harmful algae blooms, clogging on of street runoff, malfunction of the drainage systems, overgrown vegetation and silt in water intakes, Asian Marsh weed Bloom, Hydrilla Bloom, large amounts of human debris, shoreline invasive species such as primrose, wax myrtle trees and cattails and some displayed poor water quality conditions.

Karina Lakefront met with owners on site and the different issues/concerns where discussed. We gave particular importance to their wishes to restore ecological balance. They did not want to eradicate all of the species and leave most of the ponds bare, which we appreciated. We developed a specific treatment for each pond. We performed water quality testing on each and provide the owner with an initial report as well as an action plan. Additionally, we help owner resolve an issue with high levels of Fecal Coliform in Lake Claire which had to be handled delicately and safely. We currently test Lake Clair for Coliform on a monthly basis as well. Most of the ponds have been restored and hold a healthy number of native species in “natural look” category. Maintenance includes collection of human waste, chemical treatment, inspection and repair of stormwater structures, manual removal of vegetation, re-installation of native vegetation and monthly reports/documentation. We also provided emergency services after Ian collecting large amounts of debris along the shoreline.

Karina
Lake & Pond Services



Karina
Lake & Pond Services

#2: Lake Gem – Aventon Apartments (Maitland, FL)

Description of Work: This was an all-encompassing service that lasted several years. This project involved most of Lake Gem and Park Lake in Maitland Florida as part as a new apartment complex development. The total amount of shoreline was nearly 3 miles including 2 stormwater system canals that ran off under the street and into other lake systems in Maitland Avenue. The project involved approx. 6 total acres of dense vegetation in the water, upland and along the shoreline. The canals where completely clogged with muck, silt and human debris. As the lake contractors we were responsible for aiding Engineers on shoreline design, surveys and planting drawings, installation of turbidity barriers and silt fences, aquatic herbicide spray of all emerged, shoreline, terrestrial, woody, submerged and floating vegetation in a large portion of the whole lake, manual and mechanical removal of all vegetation, silt removal, dredging, soil stabilization and compaction, installation of aquatic and marginal vegetation following specs, attending inspections, issue resolution and permit compliance, irrigation of newly installed plants, continued maintenance on monthly cycles which includes manual removal of vegetation and debris, submitting reports to St. johns and maintaining the stormwater infrastructure of ponds.

Karina
Lake & Pond Services

After Cleaning and Vegetation Restoration:

Karina Lake & Pond Services

#3 -Lakeview Reserve Recreation Area Restoration

Description of the firm's scope of responsibility: Our scope for this project was to restore the public area belonging to the community. The area involved a drainage pond and a public dock on Lake Apopka. For this job we pulled permits with engineered drawings from the City of Winter Garden and FWC. It involved a large removal of floating vegetation, sediment removal, cattails and woody vegetation such as primrose. After obtaining the permit we performed an aquatic herbicide spray followed by manual and mechanical debris and sediment removal and restoration of the bank installing native vegetation to comply with the permits. Vegetation installed included pickerelweed, lilies, spikerush and duck potatoes. We are now on a maintenance contract with the HOA to manage the shoreline and inhibit invasive growth. This job was especially difficult as we tried to preserve as much native vegetation that was mixed with invasives as possible.

Karina
Lake & Pond Services

Karina Lake & Pond Services

#4: RB Storage – Ramser Cay Developers (Altamonte Springs, FL)

Description of Work: Full restoration of stormwater infrastructure, clearing of pipes, dredge of canal and pond for the facility. Project involved first spraying and clearing vegetation including trees from the pond, clearing the drainage structures, culverts, pipes, outfalls, removing bottom sediment to aid in proper water flow. Post bathymetric studies done. Installing erosion and sediment control measures. Hauling and disposing of all debris off site. This scope includes continued monthly maintenance which we are currently performing on a regular month cycle until 2027.

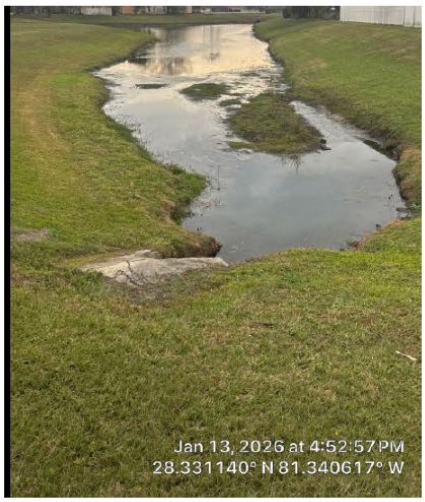
Karina Lake & Pond Services

#5: Brighton Landings Pond Stormwater Infrastructure Analysis and Repair

Description of Work: Provided inspection, surveys and reports of all stormwater structures of the pond. Repaired 5 damaged inlets and catch basins along the shoreline. The structures where compromised due to the erosion of the soil behind and underneath the structures, the water was not flowing properly and causing damage in other areas of the residents' yards. The scope involved cleaning of vegetation around and inside the structures (Including submerged Hydrilla and Algae in catch basins), removing sediment, creating rip-raps around the outlets for additional support and to ensure proper movement of the stormwater. Provided report and pictures upon completion.

Karina
Lake & Pond Services

DURING/ AFTER



Karina Lake & Pond Services

#6: Pebble Pointe Pond 519 Dredging, Sediment Removal and Infrastructure Repair

Description of Work: Inspection and report of poor water movement of stormwater pond due to the buildup of sediment and damaged stormwater system in the northeast canal. Placed Turbidity barrier and sediment control measures prior to performance of work. Remove approximately 50 tons of sediment from the affected section of the canal to ensure proper waterflow and depth. Reshaped slopes to original design (Approx. 300 ft). Installed Geocell erosion control grid along the shoreline. Provided stability and repair of the pond outlet structure. Re seeded all of the slopes. Provided report and pictures upon job completion. Job was completed with budget and timeline estimated. This pond is an example of approximately other 20 ponds repaired in similar manner, under the same contract across Osceola County. All of these ponds have been repaired within the last 6 months.

Lake & Pond Services

Karina Lake & Pond Services

#7: Large Scale Dredging, Hydraulic Dredging, Dewatering Past Experience Examples (Paragon) -Will work hand in hand for the New Smyrna Scopes as Needed.

Marine Research Infrastructure Project:

Education & Marine Research Infrastructure
Restoring Critical Access Without Disrupting Operations
Capabilities Deployed: Dredging • On Site Separation • Custom Disposal Planning

What was done

- Designed a custom dewatering and disposal plan for a tight footprint
- Dredged selectively to restore depth without restricting access
- Maintained full site access for staff, vessels, and daily operations

Sediment buildup reduced marina depth, grounding vessels and disrupting research operations.

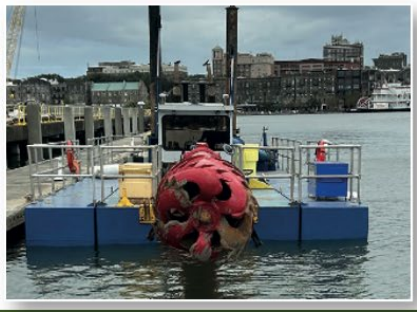
- Inability for critical boats to enter or exit
- Delayed research and enforcement activity
- High visibility site with limited working space

The Outcome

- **Full marina depth restored**
- **Zero interruption to research or vessel traffic**
- **Strong stakeholder trust and on site cooperation**

Barge Operation and Dredging for Canal Maintenance

Municipal & Public Infrastructure
Keeping Navigation Open Under Public and Schedule Pressure
Capabilities Deployed: Dredging • Barge Operations • Government Coordination



What was done

- Mobilized rapidly after prolonged delays
- Deployed high-capacity dredging in a confined navigation area
- Coordinated closely with county officials and permit holders

Severe shoaling blocked vessel access at a high visibility public waterfront site.

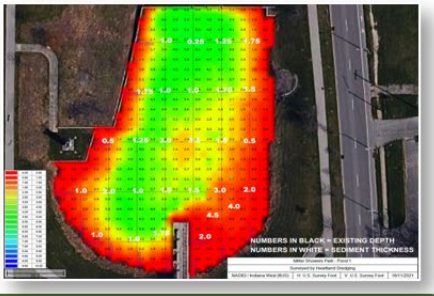
- Disrupted marine access for businesses and visitors
- Construction delays during a major convention center expansion
- Regulatory and public scrutiny with no margin for error

The Outcome

- **Full navigational access restored**
- **Zero disruption to ongoing construction or events**
- **Project delivered on schedule and within compliance**

Karina Lake & Pond Services

Power Plant Project for Water Flow Restoration:



Power Generation Infrastructure

Restoring Cooling Flow to Protect Power Generation

Capabilities Deployed: Bathymetrics • Dredging

Sediment buildup restricted intake flow, threatening the plant's cooling system and output.

- Reduced cooling capacity and forced derating
- Risk of power interruption during peak demand
- Long term asset and equipment exposure

The Outcome

- Full cooling flow restored
- Zero interruption to power generation
- Earned repeat work based on performance

What was done

- Surveyed intake channels to identify flow restrictions
- Deployed multiple dredges to remove sediment at scale
- Maintained continuous plant operations throughout execution

Large Scale Vegetation Removal:

Municipal & Preventative Waterway Maintenance

Preventative Vegetation Control Through a Long Term Municipal Partnership

Capabilities Deployed: Aquatic Weed Harvesting • Shallow Water Operations • Municipal Coordination

Seasonal organic buildup and invasive weeds were reducing depth and flow in shallow coves.

- Gradual loss of usable water depth
- Increased risk of future dredging and compliance issues
- Ongoing maintenance burden for the Borough

The Outcome

- Improved flow and usable depth in targeted coves
- Reduced long term sediment and vegetation buildup
- Efficient, repeatable maintenance with clear municipal coordination

What was done

- Executed seasonal hydro raking program
- Deployed site-specific harvesting equipment
- Cleared organic material and invasive weeds
- Coordinated shoreline staging and haul off

ANA KARINA PEREZ

Entrepreneur

Karina's Lakefront Maintenance

Business Owner

PROFILE

As a business owner and upper management employee, I have over 30 years of experience on how to build and run a successful company. Through these 30 years, I have gathered knowledge on estimating, planning, developing, managing and supervising a great variety of different projects. I have also obtained expertise on aquatic ecosystems and all the it takes to make them flourish. This expertise makes me proficient on native vegetation, mechanical and manual nuisance removal, and erosion control.

Congratulations on successfully completing the Florida Stormwater Erosion and Sedimentation Control Inspector Training Program. We greatly appreciate your participation in and successful completion of this course. We hope that it has helped you to better understand Florida's stormwater problems and the importance of proper design, construction, and maintenance of erosion and sediment controls during construction, in order to assure the proper long-term operation and maintenance of stormwater systems after construction is completed.

Attached you will find your numbered certificate and wallet card. Please let us know if there are any errors in the certificate or card, or in the grading of your exam. You can contact us at admin@fsesci.com, or at the Training Program's website: www.FSESCI.com.

TOMAS ROOSEN 407-755-8557
tomas@karinalakefront.com
Winter Park, FL

Employment Objective

To gain experience and exposure in the civil/environmental field in the design and construction of large-scale projects at an established reputable firm in the industry, under senior management and Professional Engineers. I aim to further my team's positive industry presence, continue building relationships, earn my professional licensure, OSHA and LEED certification and develop my skillset while pushing quality, safety, environmental awareness/alliance and technological improvements.

Summary of Qualifications

University of Central Florida student seeking a bachelor's degree in Environmental Engineering. Completed courses in Calculus, Physics with Calc Analytics, Psychology, Physical Geography and other core classes. Experience with Word, Excel, Zoom, Microsoft teams and Solidworks, as well as various other CRMS. Certified in OSHA Excavator safety course.

Work Experience

KARINA'S LAKEFRONT MAINTENANCE, Winter Park, FL June 2019 – Current

- Assistant project manager of government and commercial projects
- Experienced the field labor first-hand while learning the importance of and caretaking of the machinery and various hand tools.
- Responsible for inventory, staff, purchase of materials, maintenance of vehicles and upkeep of the office space.
- Training in OSHA and safety standard for the field employees
- Direct client contact for quote and program jobs.

DUNKIN DONUTS, Winter Park, FL August 2019 – May 2020

- Events coordinator/marketer
- Experience with multi-tasking, scheduling, and customer communication.
- Helping to manage my budget while paying for and earning my degree at UCF.

Education/Community Involvement

A.C.Y.S, Orlando, FL August 2016-May 2019

- Youth soccer coach, ages 6-11
- Managed players development and understanding of the game, while maintaining their love and devotion at an all-time high.
- Taught the importance of teamwork and modeled the essentialism of hard work.

100+ HOURS OF COMMUNITY SERVICE

High School Graduate (Summa Cum Laude), Lake Howell High School May, 2019
GPA: 4.1 SAT (1600 scale): 1260

Student, University of Central Florida, Orlando, FL August, 2019 – Current

- Manage client accounts, answer questions and relay information to the crews
- Scheduler
- Job specific permit processing for clients

Public Adjuster

Century Public Adjusters Feb 2022- present

- Represent Homeowners against insurance.
- Defend Homeowners with any new, open or closed claim.
- Perform inspection and can identify water damage and damage caused by wind
- Communicate with DA/FA to settle claims

Assembly Supervisor

Signature Systems Group, LLC - Orlando, FL November 2021 to Feb 2023

- Process checks to ensure the mats are properly built with no defects.
- Manage 25 associates.
- Follow cGMP and JHA
- Follow general 5's , lean , and six sigma and currently a yellow belt in lean.
- I changed the work environment with 5S to provide a safer work environment
- Operated CNC and did minor repairs such as but not limited to, changing blades,recalibrated table and assisted in code changes.
- Operated grinder machine and assisted in minor repairs with technicians.
- Successfully received my white and yellow belt and started my green belt in Lean.
- Successfully turned the assembly team into a 100% white and yellow belt certified lean
- Performed daily meetings to and weekly safety meetings.

Lead Direct

Xymogen- Orlando FL March 2019 to October 2021

- Manage 25+ associates with the supervision of a manager.
- Fulfilled work orders in a timely matter while following cGMP and SOP's
- Ordered components and assure each component is released and FDA approved prior tousage.
- Follow general 5's to ensure the safety of my associates.

Education & Skills

Central Islip Senior High School Sept 2008 Central Islip NY 11722

- Graduated with a Regents diploma
- College course – Forensic and Pre- Calculus
- Honor roll member all four years
- Bilingual- Spanish and English

VICTOR FAJARDO

Orlando, Florida 32818
(407) 406-7050
Vmanuel.fajardo0127@gmail.com

OBJECTIVE

As a hard and motivated worker, I take every new task as a personal challenge. I take great pride on completing every single job efficiently within the schedule time, while keeping in mind the importance of quality and client satisfaction.

SKILLS & ABILITIES

Leadership skills. Knowledge of native and invasive vegetation. Extensive experience handling landscape equipment and machinery. Implementation of erosion control via seawalls and rip-raps. Bilingual Fluent in Spanish and English.

EXPERIENCE

Foreman, Karina's Lakefront Maintenance — **October 2018-Prensent**

As a foreman for Karina's Lakefront Maintenance, I am responsible for a variety of different tasks, such as; supervision of the employees, and maintaining quality control in every job. Coordinating maintenances, cleanings and erosion control. Mechanical and manual removal undesired vegetation and debris. Planting of native aquatic vegetation and desired plants. Meeting client's requests while maintaining efficiency and a safe environment.

Laborer, K-Aquatic — **January 2017-Ocrober 2018**

As a laborer for K-Aquatic, I was a team member in monthly maintenances and cleanings. Some of my responsibilities included mechanical and manual removal of invasive vegetation, debris and waste. I was in charge of operating landscaping equipment and machinery. Planting and relocating desired native vegetation. Implementing erosion control techniques such as seawalls and rip-raps. Ultimately, I was responsible for completing daily maintenance and cleaning schedules.

Head Chef, Star Station — **2014-2016**

Overseeing and managing the restaurant staff and quality of each meal. Coordinated production phases. Developed new techniques for efficiency control and production quality standars.

KALIMA A. BROOKS

Orlando, FL | 808-217-6454 | kalimaabrooks@gmail.com |

Heavy Equipment Operator working as an independent contractor with over 24 years of experience operating in a variety of sites and landscapes.

EXPERIENCE

2021-2023 (SEASONAL)

CRYSTAL MOUNTAIN RANCH

Hired by company to operate Front-End Loader to assist in cutting roads into the mountainside as well as grubbing and grading pads as required.

2020-CURRENT

KARINA'S LAKEFRONT MAINTENANCE

Hired by company to assist in services such as grubbing and clearing land around lake and marsh areas with the use of an excavator. Was also in charge of finer clearing work such as clearing plants in the water with the operation of a Weedo boat and track loaders.

2004-2019

LOGGER, INDEPENDENT CONTRACTOR

Was in charge of operating a bulldozer for cutting in skid roads, and operating an excavator for decking logs, harvesting trees, and cutting pads for sawmill sites.

2000-2003

INDEPENDENT CONTRACTOR

Assisted in grading and loading trucks using heavy equipment such as track loaders, backhoes, and front-end loaders.

EDUCATION

SUBJECT: Letter of Recommendation – Karina's Lakefront Maintenance

To Whom it May Concern;

As an owner, developer, and general contractor, I have worked with Karina's Lakefront Maintenance through multiple facets of their operation. From the initial survey, through construction and continued shoreline maintenance, the Karina's Lakefront team has been a pleasure to work with. The hands on approach of Ana and Karina was well received and aided to the success of our recent project.

Our firm has recently completed a multi-acre site development project which incorporated over ½ mile of lake shoreline improvement and ¾ acre of wetland mitigation. Karina's Lakefront Maintenance assisted with design, removed invasives, performed aquatic planting installation and continues to maintain these newly improved area. My experience with Karina's Lakefront Maintenance was outstanding. Ana and Karina proved to be a valuable resource during final design decisions and supported our permitting process. The installation and maintenance personnel are hardworking and dependable for the scope they perform. Their work was performed timely, accommodating to the overall project schedule, and delivered within budget.

I highly recommend Karina's Lakefront Maintenance for any new development projects or maintenance of existing shorelines and ponds.

Should you have any questions please contact me at (407) 644-3151 or morgan@sydgan.com

Sincerely,

Morgan S. Bellows, CGC
Vice President, Construction – Sydgan Corp.

UCF | **Utilities and Engineering Services**

UNIVERSITY OF CENTRAL FLORIDA

May 5, 2026

RE: Letter of Referral — Karina Lake & Pond Management

To Whom It May Concern,

It is my pleasure to recommend Karina Lake & Pond Management as an aquatic and stormwater services provider. In my capacity as Stormwater Manager for the University of Central Florida, I have overseen our contractual relationship with Karina Lake & Pond since 2021. Over the course of this partnership, they have demonstrated consistent professionalism, technical expertise, and a genuine commitment to quality that I am confident recommending without reservation.

Karina Lake & Pond has been responsible for the maintenance and restoration of approximately 25 stormwater ponds and canals across our campus. Their scope of work has been comprehensive, encompassing monthly aquatic vegetation control, shoreline restoration, trimming and removal of woody vegetation, repair of outflow structures, dredging, and sediment and debris removal. In every instance, vegetation and debris have been hauled and disposed of in full compliance with applicable state and local regulations.

One of the qualities that truly sets Karina Lake & Pond apart from other contractors I have worked with is their use of hand removal techniques in combination with chemical treatment. Their willingness and ability to perform manual aquatic vegetation removal reflects a level of care and environmental conscientiousness that is not common in this industry. This approach has made a meaningful difference in the health and appearance of our water features.

From an administrative standpoint, Karina Lake & Pond has been equally exemplary. They provide detailed monthly reports and water quality analyses for each location, and are proactive in identifying and communicating any issues or concerns as they arise. Their reporting practices have made it easy for our team to remain informed and compliant at all times. In five years of service, they have never failed to meet their regulatory obligations.

Perhaps most importantly, Karina Lake & Pond is highly responsive. Over the past five years, whenever unexpected issues have arisen, their team has engaged promptly and collaboratively to resolve them. They approach challenges as partners, working with us

to find practical solutions rather than simply meeting minimum contract requirements. This responsiveness has built a strong foundation of trust between our organizations.

I recommend Karina Lake & Pond Management without hesitation to any institution or municipality seeking a knowledgeable, reliable, and professional stormwater and aquatic management contractor. Please feel free to contact me directly with any questions.

Sincerely,

Amanda Charnock

05/01/2026

To Whom It May Concern,

I am writing to provide a professional reference for Karina Lakefront Maintenance based on my experience working with them during my time with Osceola County Special Assessments.

Karina Lakefront successfully completed multiple projects for our department, including large-scale erosion repairs exceeding $350,000, as well as ongoing aquatic vegetation control services valued at approximately $30,000 per month. Over the course of three years, this represents over $1,000,000 in contracted services.

Throughout these projects, they consistently demonstrated a high level of professionalism, strong communication, and the ability to manage and deliver complex scopes of work. Their team is very familiar with government processes, including compliance, reporting, scheduling, and coordination with multiple stakeholders.

From project execution to responsiveness in the field, Karina Lakefront has been one of the top-performing vendors I have worked with. Their quality of work, reliability, and attention to detail set them apart.

I would confidently recommend them for any similar work, particularly in erosion control, stormwater maintenance, and aquatic services.

If you have any questions, please feel free to contact me.

Sincerely,

Edwin Torres
Project Manager

Osceola County

Isleworth

COMMUNITY ASSOCIATION, INC.

May 4th, 2026

Re: Recommendation for Karina's Lakefront Services

To Whom It May Concern,

I am pleased to provide this recommendation for Karina's Lakefront Services, which has been a valued service provider to the Isleworth Community Association since 2017.

I began working with Karina and her team at the start of my tenure at Isleworth in 2021, when they were assisting the previous manager with shoreline permitting and remediation efforts within our conservation areas. From the outset, her company demonstrated a high level of expertise and professionalism in addressing complex environmental and regulatory matters.

Karina's Lakefront Services played a critical role in helping the Association resolve shoreline violations caused by non-compliant property owners, which had exposed the community to potential regulatory risk. Following the removal of multiple lake service vendors operating within our conservation tracts, Karina's firm was selected as the exclusive provider for the care and maintenance of these sensitive areas.

Due to the consistent quality of their work, responsiveness, and technical knowledge, Karina's Lakefront Services has since become the primary provider for many of our estate home lakefront properties.

Additionally, upon my arrival, several of the community's retention and amenity ponds—with integrated water features—were in a state of disrepair. Karina's team has since restored these systems and now serves as the exclusive provider for pond management. Their scope of services includes preparing and submitting stamped restoration drawings, securing all required permits, and delivering post-completion documentation and ongoing monitoring reports to the appropriate regulatory agencies.

Their services include, but are not limited to:

- Aquatic control services and shoreline maintenance, including removal of debris, sediment, and invasive vegetation
- Monthly pond maintenance, including inspections, water quality analysis, and application of appropriate treatments (e.g., herbicides, alum, and dye)
- Manual and mechanical removal of debris and vegetation
- Installation of native plantings for shoreline restoration and bank stabilization

Karina's Lakefront Services has consistently demonstrated reliability, environmental stewardship, and a strong understanding of regulatory compliance. I would highly recommend their services to any community or organization seeking a knowledgeable and

Isleworth

COMMUNITY ASSOCIATION, INC.

dependable lake and pond management provider.

Please feel free to contact me directly if you have any questions.

Sincerely,

Dan O'Connell
Community Association Director
Isleworth Community Association

DAMAS CONSTRUCTION CO., INC._____

Architectural, Engineering & Construction Services. General Contractors CGC058911

Date: July 12th 2023

To Whom it may concern:

I am writing this letter to highly recommend Karina's Lakefront Maintenance for their exceptional services as a lake contractor. Our recent collaboration demonstrated their outstanding professionalism, responsiveness, effective communication, and high standard of work.

Throughout the duration of the project, I was consistently impressed with Ana's & Karina's responsiveness to our inquiries and concerns. They promptly addressed any questions we had, providing clear and concise explanations that helped us make informed decisions. Their commitment to open communication played a crucial role in fostering a positive working relationship, and it significantly contributed to the overall success of the project.

In our opinion, the attention to detail and dedication exceeded industry standards. The team consistently demonstrated a deep understanding of the unique challenges posed by our lake project and implemented innovative solutions to ensure its successful completion. The project was completed on targeted deadlines and managed efficiently.

I sincerely recommend Karina's Lakefront Maintenance and their staff for any lake-related construction projects. I am confident that they will bring the same level of excellence to any project they undertake.

If you have any further questions or would like more information about our experience working with Karina's Lakefront Maintenance please feel free to contact me at damasconstruction1@gmail.com or 407-285-8878.

Sincerely,

Rafael Damas

Proceedings Questions

Is your business or organization, as represented by the Unique Entity ID on this entity registration, responding to a Federal procurement opportunity that contains the provision at FAR 52.209-7, subject to the clause in FAR 52.209-9 in a current Federal contract, or applying for a Federal grant opportunity which contains the award term and condition described in 2 C.F.R. 200 Appendix XII?

No

Does your business or organization, as represented by the Unique Entity ID on this specific SAM record, have current active Federal contracts and/or grants with total value (including any exercised/unexercised options) greater than $10,000,000?

Not Selected

Within the last five years, had the business or organization (represented by the Unique Entity ID on this specific SAM record) and/or any of its principals, in connection with the award to or performance by the business or organization of a Federal contract or grant, been the subject of a Federal or State (1) criminal proceeding resulting in a conviction or other acknowledgment of fault; (2) civil proceeding resulting in a finding of fault with a monetary fine, penalty, reimbursement, restitution, and/or damages greater than $5,000, or other acknowledgment of fault; and/or (3) administrative proceeding resulting in a finding of fault with either a monetary fine or penalty greater than $5,000 or reimbursement, restitution, or damages greater than $100,000, or other acknowledgment of fault?

Account #: 181540

Class and Required Document Number: REGULATED 48011943

State Registration Number: 48011943

Physical Business Location: Unincorporated Seminole County

ANA K PEREZ DE ROOSEN / OFFICER

Receipt #: TSS-TAX-25-00204583 Amount Paid: $ 45.00 Date Paid: 08/28/2025

BUSINESS OWNER, PLEASE NOTE THE FOLLOWING:

• **DISPLAY THE ABOVE RECEIPT PROMINENTLY:** This Business Tax Receipt shall be displayed conspicuously at the place of business in such a manner that it can be open to the view of the public and subject to inspection by all duly authorized officers of the County. Upon failure to do so the business shall be subject to the payment of another business tax for the same business or profession.

• **RENEW THIS TAX BEFORE IT EXPIRES:** Pursuant to Florida Statutes, all Business Tax Receipts shall be issued by the Tax Collector beginning July 1st of each year, and it shall expire on September 30th of the succeeding year. Those Business Tax Receipts issued as renewal accounts beginning October 1st shall be delinquent and subject to a delinquency penalty of 10% for the month of October, plus an additional 5% penalty for each month of delinquency thereafter until paid; provided that the total penalty shall not exceed 25% of the business tax for the delinquent establishment (Florida Statute [FS] 205.053 [1]).

A 25% penalty shall be imposed on any individual engaged in any new business or profession without first obtaining a Seminole County Business Tax Receipt ([FS] 205.053 [2]).

This Business Tax Receipt is only a receipt for business taxes paid. It does not permit the taxpayer to violate any existing regulatory or zoning laws of the state, county, or municipality, nor does it exempt the taxpayer from any other required licenses, registrations, certifications, or permits. Business Tax requirements are subject to legislative change.

REPORT ALL CHANGES: The holder of this Business Tax Receipt is required to report a change in the following: Ownership, Business Location, Mailing Address, or any other information that would alter the status of the current year's information. This includes, but is not limited to, the loss of or a change in a State or Regulatory License which was used to qualify for the business identified on the current County Business Tax Receipt. If you have any changes to report, contact the Business Tax Department at 407-665-7636.

X. Required Responses

X.A Public Records*

Applicant must respond confirming they have received a copy of the Public Records Act, located in the attachment section.

☒ Please confirm
*Response required

X.B Company Name and Address*

By submitting this response, you hereby designate the company name and address listed here as the office to which notices may be delivered or mailed.

*Response required

X.C Title of Position and Company Name*

Please provide the title of the Prime Proposer and company name of the organization.

*Response required

X.D Employer Identification Number**

Please provide the Employer Identification Number.

*Response required

X.E Proposer's Certification*

I have carefully examined this solicitation in its entirety, including but not limited to the qualifications, scope of services, and all other documents accompanying or made a part of this document.

I hereby propose to furnish the services specified herein at the prices, rates or discounts quoted in my proposal.

I agree that my proposal will remain firm for a period of up to one hundred eighty (180) days in order to allow the City adequate time to evaluate the proposals.

I agree to abide by all conditions of this proposal and understand that a background investigation may be conducted by the City of New Smyrna Beach Police Department prior to award.

I certify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the consultant as its act and deed and that the consultant is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service; no officer, employee or agent of the City of New Smyrna Beach or of any other Proposer interested in said proposal; and that the undersigned

executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

☒ Please confirm
*Response required

X.F Agreement*

Proposer acknowledges, that the selected Respondent(s) shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

☒ Please confirm
*Response required

X.G Potential Conflict of Interest*

- Upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project
- Or, on company letterhead, upload a statement that no potential conflicts exist.

*Response required

X.H Acknowledgment of Insurance Requirements*

By submitting a response to this solicitation, the Proposer acknowledges the required insurance conditions listed herein.

The proposer shall be required to submit their Certificate(s) of Insurance to the City of New Smyrna Beach no later than 24 hours following the selection of the recommended consultant(s). Failure to do so shall be just cause for forfeiture of the proposal guaranty.

☒ Please confirm
*Response required

X.I Conflict of Interest Disclosure*

PROJECT NUMBER: 01-26-PW - Environmental Services

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose within their submittal: the name of any officer, director, or agent who is also an employee of the City of New Smyrna Beach, Florida. Furthermore, all respondents must disclose the name of any City employee who owns, directly, or indirectly, an interest of more than five percent (5%) in the respondent's firm or any of its branches.

The purpose of this disclosure statement is to give the City the information needed to identify potential conflicts of interest for screening evaluation team members and other key personnel involved in the award of this contract.

The term "conflict of interest" refers to situations in which financial or other personal considerations may adversely affect, or have the appearance of adversely affecting, an employee's professional judgment in exercising any City duty or responsibility in administration, management, or other professional activities. The bias such conflicts could conceivable impart

may inappropriately affect the goals of the City. The City must be free of the undue influence of outside interests.

The mere appearance of a conflict may be as serious and potentially damaging as an actual conflict of interest. Reports of conflicts based on appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light. Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts.

☒ Please confirm
*Response required

X.J Complete Copy of Proposal*

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below and uploaded as one (1) document:

- Cover page with company logo
- Table of contents
- Tab 1: Introduction and Executive Summary
- Tab 2: Project Approach/Management
- Tab 3: Experience and Qualifications
- Tab 4: References, Financial Stability/Ligation, and Acceptance of Conditions
- Tab 5: City Required Forms and Documentation. Including signed addendums if applicable.

Any portions of the proposal that do not comply with these guidelines or contain variances may be considered non-responsive.

9/3/2024

Ana Perez
KARINA'S LAKEFRONT MAINTENANCE, LLC
3656 BOUGAINVILLEA CT
WINTER PARK, FL 32792

Dear Ana Perez:

Congratulations! The U.S. Small Business Administration (SBA) has certified your firm as a Women-Owned Small Business (WOSB) eligible to participate in the Women-Owned Small Business Federal Contract Program (WOSB Program), as set forth in Title 13, Part 127 of the Code of Federal Regulations (CFR).

Your firm's WOSB Program renewal date is **4/28/2027** to align with your SBA approved Third-Party Certifier certification.

To maintain its WOSB Program certification, your firm must undergo a program examination every three years conducted by SBA or a third-party certifier. Instructions for maintaining WOSB Program certification are available at 13 CFR 127.400 and at https://wosb.certify.sba.gov.

Your firm must immediately notify SBA of any material changes that could affect its eligibility in accordance with 13 CFR 127.401. This notification must be in writing and must be uploaded into the firm's profile within WOSB.Certify.sba.gov. Your firm must not misrepresent its WOSB Program certification status to any other party, including any local or State government contracting official or the Federal government or any of its contracting officials.

As a certified WOSB Program participant, there are valuable free resources available to you. These include:

- SBA Resource Partners: For general assistance on various topics, information on SBA programs, and upcoming small business events in your area. You can find your local resource partner by visiting: https://www.sba.gov/tools/local-assistance.

- WOSB website: For specific resources on government contracting and the WOSB Federal Contract Program, please visit: https://www.sba.gov/wosbready.

As a certified firm participating in the WOSB Program, **you CAN** use the WOSB Icon on your business' website, business cards, social media profiles, and in your capability statements and proposal bids. However, **you CANNOT** use the digital icon to express or imply endorsement of any goods, services, entities, or individuals. Thus, **the digital icon CANNOT be used** on a company's letterhead, marketing materials or advertising, paid or public service announcements, in traditional or digital format. The following are instructions to access your digital icon:

1. Visit the following link: https://www.sba.gov/brand/for-partners/resource-partners-grantees/;
2. Under General Materials, click on "Decals and Web Icons";
3. The Icons should download on your computer; select "Open File"; and
4. Select/use only the Icon(s) that reflect the Program(s) in which you are currently certified

If you have general questions regarding the WOSB Program, you may submit them to the SBA via the help tab at https://wosb.certify.sba.gov/help/ or check the SBA web site, www.sba.gov/wosbready.

Wishing you much success!

Sincerely,

Alisa Sheard
WOSB Federal Contract Program Director

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See Specific Instructions on page 2.

Name (as shown on your income tax return)
Karina's Lakefront Maintenance

Business name, if different from above
Karina Lake & Pond Services

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☒ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ .....
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.)
1450 Seminola Blvd

Requester's name and address (optional)

City, state, and ZIP code
Casselberry FL 32707

List account number(s) here (optional)

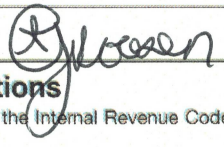
Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or



Employer identification number
90 : 0818800

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ▶  Date ▶ 05/06/2026

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

DRUG-FREE WORKPLACE CERTIFICATION FORM

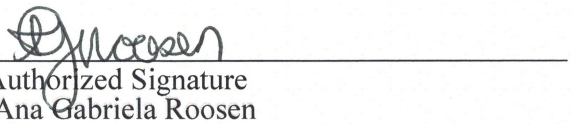
IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;



5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Ana Gabriela Roosen Co-Owner and Development
(Print Individual's Name and Title)
for Karina's Lakefront Maintenance
(Print Name of Entity Submitting Sworn Statement)
whose business is Environmental Services, Lake & Pond Services

and (if applicable) its Federal Employer Identification Number (FEIN) is 90-0818800

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

X Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Florida

County of Seminole

Ana Gabriela Roosen, being first duly sworn, deposes and says that:

He/she is Co-Owner of Karina's Lakefront Maintenance, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Karina's Lakefront Maintenance DBA: Karina Lake & Pond Services

Consultant E-Verify Registration Number: 1557538

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

Human Trafficking Affidavit
(Section 787.06, Florida Statutes)

Instruction: "Contractor", defined as any person or nongovernmental entity seeking to engage in business with the City of New Smyrna ("City"), must complete the following form.

The undersigned, on behalf of Contractor, hereby attests as follows:

A. Contractor understands and affirms that Section 787.06(13), Florida Statutes, prohibits the City from executing, renewing, or extending a contract to entities that use coercion for labor or services.

B. Contractor hereby attests, under penalty of perjury, that Contractor does not use coercion for labor or services as defined in Section 787.06(2), Florida Statutes.

I, the undersigned, am an officer or representative of the nongovernmental entity named below, and hereby represent that I: make the above attestation based upon personal knowledge; am over the age of 18 years and otherwise competent to make the above attestation; and am authorized to legally bind and make the above attestation on behalf of the Contractor. **Under penalties of perjury, I declare that I have read the foregoing document and that the facts stated in it are true.** Further Affiant sayeth naught.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of Casselberry

Before me, the undersigned authority, personally appeared Ana Gabriela Roosen

who was duly sworn, deposes, and states:

1. I am the Co-Owner and Development of Karina's Lakefront with a local office in Casselberry, FL (City & State) and principal office in Casseleberry, FL (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFQ 01-26-PW, Environmental Services.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

TAB 1:
INTRODUCTION AND EXECUTIVE SUMMARY

ABOUT ZULU

COMPANY OVERVIEW

Zulu Marine was founded in 2006 to perform marine operations utilizing purpose-built equipment and highly trained personnel. In 2010, we incorporated as Zulu Marine Services, Inc. We are incorporated in the State of Georgia and are a registered business in Florida, South Carolina, and North Carolina. We maintain facilities in McIntosh County, GA, and New Hanover County, NC, though we are largely mobile and work throughout the Southeast. We have conducted business in Florida since 2006, and have been registered with SunBiz since March 2022. We are categorized as a small business under SAM guidelines.

Zulu follows all OSHA guidelines, observes strict safety protocols, and we have zero job-site safety violations. We have a dedicated project manager and safety officer at each jobsite. Zulu is a Drug-Free Workplace with a written policy in place.

We are adept at and specialize in working in sensitive environments, including wetlands, and strive to leave no permanent trace.

We provide an online portal for our clients and their stakeholders, which allows for easy sharing of daily documented project imagery, to include pre-project, progression and post-project photos and video, which can be used for workflow and reporting. Our focus is to provide complete project management and fulfillment to our customers.

We are fully bonded and insured.

TAB 2:
PROJECT APPROACH/MANAGEMENT

A. APPROACH TO WORKING WITH THE CITY OF NEW SMYRNA BEACH

Zulu understands that the City of New Smyrna Beach is seeking a responsive, qualified contractor capable of providing turnkey environmental and dredging services on an as-needed, task order basis. Our approach is built around clear communication, safe execution, environmental compliance, schedule accountability, and complete project closeout documentation.

Upon receipt of a City-issued task order or request for proposal, Zulu will assign a primary point of contact who will be responsible for coordinating directly with the City's designated representative from project inception through completion. This individual will manage scope review, site investigation, estimating, permitting coordination, scheduling, field execution, documentation, and closeout. Maintaining one consistent point of responsibility allows the City to receive timely updates, quick answers, and clear accountability throughout each assigned project.

Zulu's first step for each project will be to review the City's requested scope, site conditions, access constraints, utility considerations, environmental requirements, disposal requirements, and public access needs. We will then perform a site review, document existing conditions with photographs and/or video, identify potential staging areas, and review access for equipment and trucking.

Zulu recognizes that many of the City's potential work locations may involve canals, stormwater ponds, retention ponds, outfalls, shorelines, rights-of-way, private property interfaces, utilities, public access areas, docks, piers, boat ramps, and environmentally sensitive waters. Our approach is to plan each project around minimizing disruption to the public, maintaining access where practical, protecting adjacent property, controlling turbidity, and restoring the site to equal or better condition upon completion.

For each assigned project, Zulu will provide the necessary supervision, labor, equipment, materials, site preparation, restoration, survey coordination, and closeout documentation required to complete the work in accordance with the City's expectations and all applicable local, state, and federal requirements.

B. INNOVATIVE APPROACHES OR TECHNIQUES USED TO ENSURE PROJECT SCHEDULE ADHERENCE

Zulu Marine Services understands that schedule adherence is critical for municipal dredging, stormwater, and environmental maintenance projects. Many projects must be performed around weather, tides, property access, permitting windows, public use areas, disposal site availability, trucking logistics, and environmental controls. To manage these variables, Zulu uses a proactive scheduling approach that begins before mobilization.

For each project, Zulu will develop a project-specific schedule that identifies major activities, including site review, permitting or permit verification, utility coordination, MOT planning if applicable, survey requirements, mobilization, dredging or cleaning operations, hauling and disposal, site restoration, post-work/as-built surveys, and final documentation. This schedule will be updated as required and provided to the City on a weekly basis or more frequently when project conditions require.

Zulu's schedule control techniques include:

- Pre-mobilization planning meetings to confirm scope, access, staging, disposal, work hours, public access needs, safety requirements, and environmental controls before equipment arrives onsite.
- Look-ahead scheduling to identify upcoming activities, required City decisions, subcontractor needs, disposal coordination, and potential delays before they affect the project.
- Daily field communication between the project manager and superintendent to track production, site conditions, weather, equipment status, and any changes in field conditions.
- Early procurement and equipment allocation to ensure that the correct dredging equipment, support equipment, turbidity control materials, trucking, and disposal resources are available when needed.
- Flexible dredging methods allowing Zulu to evaluate whether mechanical dredging, hydraulic dredging, or a combined method will best meet the City's cost, schedule, access, and environmental objectives.
- Production tracking to compare actual field production against the planned schedule and make adjustments quickly if productivity, access, disposal, weather, or site conditions vary from expectations.
- Documented change communication so that scope changes, field conflicts, unforeseen obstructions, additional disposal needs, or permitting issues are identified and communicated to the City before they impact completion.

Continued on next page.

Zulu also places strong emphasis on contingency planning. Dredging and stormwater projects often involve unknown subsurface or underwater conditions, including debris, muck, rock, roots, concrete, tires, timber, utilities, or unsuitable material. By identifying these risks early and assigning equipment suited to the work, Zulu reduces the likelihood of avoidable downtime and helps the City maintain project momentum.

C. COST ESTIMATING PROCEDURE AND COST-EFFECTIVE PROJECT DELIVERY

Zulu Marine Services approaches cost estimating with the goal of providing the City with realistic, transparent, and cost-effective pricing for each work order. Our estimating process begins with a complete review of the City's requested scope, available plans, photographs, surveys, permits, access limitations, disposal requirements, and known site constraints. When appropriate, Zulu will perform a site visit before finalizing pricing to verify access, staging, trucking routes, disposal logistics, equipment needs, and potential risks.

Each estimate is developed by evaluating the major cost components of the work, including:

- Labor and supervision
- Equipment type and expected duration
- Mobilization and demobilization
- Mechanical or hydraulic dredging production
- Turbidity control and environmental protection
- Surveying and layout needs
- Permitting or permit exemption support
- Hauling, dewatering, and disposal
- Maintenance of traffic, if required
- Site restoration and cleanup
- Subcontracted services, if any
- Project documentation and closeout

Zulu's estimating process is production-based. We evaluate the most efficient means and methods for the specific site rather than applying a one-size-fits-all approach. For example, a confined canal, stormwater pond, or outfall area may be best served by long-reach excavation, small floating equipment, hydraulic dredging, watertight trucking, or a combination of methods depending on access, material type, water depth, disposal distance, and environmental restrictions.

Zulu integrates cost-saving ideas into the planning stage by reviewing alternate access points, staging options, equipment sizes, sequencing methods, dewatering approaches, trucking routes, and disposal options. Where appropriate, we will present the City with practical recommendations that may reduce cost, shorten the schedule, minimize disturbance, or reduce risk. These recommendations may include adjusting the dredging sequence, combining nearby work areas into one mobilization, using hydraulic dredging where it reduces handling, using mechanical dredging where it provides better debris control, or coordinating survey and disposal activities to avoid duplicate efforts.

Our goal is to provide pricing that is fair, complete, and aligned with the actual project conditions so that the City can make informed decisions before authorizing the work.

D. REPORTS AND DOCUMENTATION AVAILABLE TO THE CITY

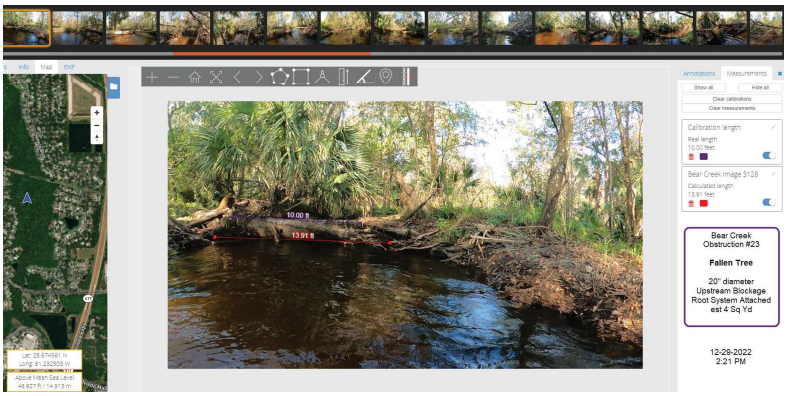
Zulu Marine Services will provide clear, organized documentation for each assigned project. We understand that municipal work requires accurate records for project tracking, payment verification, regulatory compliance, grant compliance when applicable, and long-term City records.

Depending on the specific scope of work, Zulu can provide the following reports and documentation:

- Pre-construction photographs and/or video documenting existing conditions.
- Site inspection notes and access/staging observations.
- Project-specific schedule and weekly schedule updates.
- Daily field reports documenting labor, equipment, weather, production, visitors, issues, and work completed.
- Safety documentation and job hazard analysis.
- Turbidity control and environmental BMP documentation.
- Water quality monitoring records, if required by the project or permit.
- Disposal facility information and disposal documentation.
- Trucking logs, load tickets, disposal tickets, or manifests, as applicable.

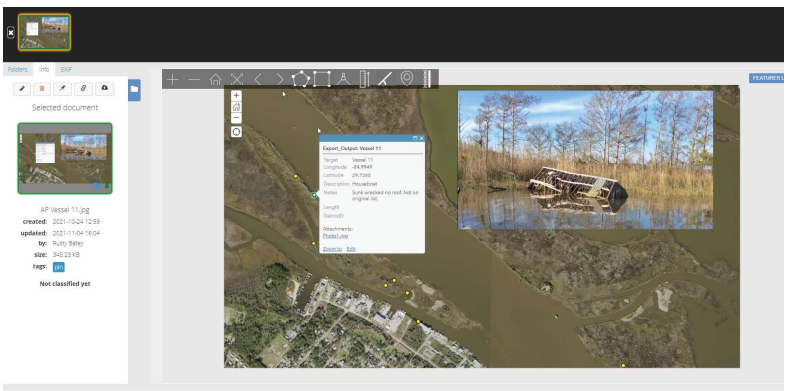
- Quantity tracking for sediment, vegetation, debris, or other material removed.
- Pipe, box culvert, outfall, or drainage structure condition observations.
- Documentation of blockages, pipe/box lengths cleaned, pipe sizes, pipe materials, and damaged areas.
- Photographs and/or video of completed work.
- Before-and-after photographs for each site.
- Survey records, bathymetric survey coordination, and signed/sealed as-built surveys when required.
- Permit closeout documentation or agency sign-off when applicable.
- Final project report summarizing work performed, quantities removed, disposal location, issues encountered, and completion status.

Zulu will format reports in a clear and practical manner so that City staff can quickly understand the status of the work, quantities completed, conditions encountered, and any decisions needed.



PROJECT MANAGEMENT PORTAL

Zulu utilizes an online Project Management Portal that enables us to provide our clients with digital deliverables in standard and downloadable file formats. This portal allows you a range of views and interactive tools that allow you to see individual project sites on map overlays, to measure volumetrics, and more – allowing for better project management during planning, work, and post-project stages.



Highlighting

This feature allows users to assign specific tasks, highlight issues, or make annotations to any file requiring special attention.

File View

The individual file view provides an assortment of interactive tools and relative data.

Compatibility

Files can be download and utilized in other platforms, such as ESRI.

E. COMPETITIVE ADVANTAGES

Zulu's competitive advantages include our 20+ years of waterway service experience, specialized equipment, financial security, our highly-trained technicians (and low turnover rate), environmental stewardship, our technology, and our safety record.

Our methodologies:

• Our ability to provide practical, field-driven dredging solutions supported by responsive project management and the ability to perform both mechanical and hydraulic dredging. This flexibility allows Zulu to match means and methods to the City's specific project conditions rather than forcing every project into one method. Zulu's dredging division is built around marine, stormwater, and environmental dredging work rather than treating dredging as a secondary service.

• Zulu has become an industry leader in nature-based shoreline stabilization methods and we have worked extensively with Natural Resource agencies and conservation organizations in a range of environmental repair, restoration and installation projects in the Southeast.

Zulu participated in the "Living Shoreline Training Program" hosted by Clemson University in conjunction with South Carlina DeparTment of Natural Resources in February 2026. We completed Georgia DNRs "Livng Shoreline Practitioner Program" in 2024, earning certification as a "Trained Livng Shoreline Practitioner." We also completed the "Living Shoreline Training for Marine Construction Professionals," hosted by the North Carolina Coastal Federation and North Carolina Sea Grant, in 2021, which included both virtual classes and field classes. Each of these programs addressed permitting, coastal ecology and best practices for shoreline stabilization.

These multi-state training programs, along with our experience working closely with state agencies and with environmental engineers, allows us to deliver projects that align with a wide range of environmental conditions, permitting requirements, and regulatory frameworks.

We are the top provider of living shoreline installations and natural bank stabilization methods in Georgia and were key in developing the standards for these methodologies in the state of Georgia, in conjunction with the Georgia Department of Natural Resources.

• Zulu has extensive experience in waterway debris removal, to include hurricane clean-up. We have honed our processes over time to operate in an organized manner, quickly, efficiently, and thoroughly, while adhering to safety protocols, as well as local, state and federal regulations. We have invested in specialized equipment suited to minimizing environmental impact and our crews are experienced in use of all equipment and processes. We have conducted waterway debris removal projects ranging in size from 3,000 linear feet to over 70 miles, in both aquatic and marine environments. We routinely use U.S. Army Corps of Engineers Best Management Practices for Waterway Debris Removal standards, as well as other county, state and federal guidelines.

Key elements that differentiate Zulu include:

• Municipal work-order mindset. Zulu understands that the City's needs may range from small outfall cleaning assignments to larger canal, pond, shoreline, or stormwater improvement projects.
• Responsive management. Zulu provides a direct point of contact and field supervision to keep the City informed and reduce delays.
• Environmental awareness. Zulu plans work around turbidity control, proper disposal, protection of waterways, and compliance with applicable environmental requirements.
• Ability to work in constrained areas. Zulu is well suited for inland and protected coastal waters, canals, stormwater ponds, retention ponds, outfalls, docks, ramps, and areas with limited access.
• Practical estimating and sequencing. Zulu focuses on cost-effective means and methods, proper equipment selection, and efficient sequencing to reduce unnecessary cost to the City.
• Complete closeout documentation. Zulu understands the importance of pre-work documentation, quantity tracking, disposal records, photographs, survey verification, and final reporting.

Zulu's approach is hands-on, accountable, and focused on completing work safely, efficiently, and with minimal disruption to the City, residents, businesses, and the environment.

Why choose Zulu Marine?

Our experience – Zulu has extensive experience in waterway debris removal. We have an excellent history in working closely with city, county, state and federal agencies in meeting their needs in a timely, efficient and cost effective manner.

Our people – From executive staff to laborers, our people are dedicated and experienced professionals who show up on time and go above and beyond expectations. All are trained according to their areas of responsibility and have years of experience. We work as a team from start to finish and have an extremely low turnover rate.

Our environmental stewardship – Zulu is adept at and specializes in working in environmentally sensitive areas, including wetlands, and we strive to leave no permanent trace of our activities, above or below the waterline. We select equipment designed to be low-impact, practice safe maintenance procedures, and all of our work is conducted with the goal of protecting, repairing and restoring environmental health to the waterways in which we work.

Our portal – Zulu utilizes an online Project Management Portal that enables us to provide our clients with digital deliverables in standard and downloadable file formats. This portal allows the client and their stakeholders a range of views and interactive tools and has proven repeatedly to be not only beneficial to project management but also to set us apart from competitors.

Our equipment – Zulu has invested in a range of equipment purpose-built for the services we provide, and ideal for sensitive marine and aquatic environments. It is well-maintained and we upgrade as needed to remain positioned to meet our client's needs efficiently and effectively.

Our safety record – Zulu follows all OSHA guidelines, observes strict safety protocols, and we have zero job-site safety violations. We have a dedicated project manager and safety officer at each jobsite and conduct daily safety briefings. We have written Drug-free Workplace, and Health and Safety polices.

Our customer satisfaction record – Zulu strives to achieve absolute customer satisfaction on each and every job, as our references testify. We are committed to developing excellent relationships with all clients and ensuring that we have exceeded expectations.

Summary

Zulu Marine Services is a strong fit for the City of New Smyrna Beach because the City's anticipated work aligns directly with Zulu's waterway services capabilities. The RFQ identifies services such as mechanical and hydraulic dredging, sediment removal, stormwater pond and canal dredging, shoreline restoration, outfall maintenance, vegetation and debris removal, pipe and box culvert cleaning, hauling and disposal, permitting, surveys, and site restoration. These are the types of services Zulu is structured to provide and has provided, sucessfully, for 20 years.

The City needs a contractor that can respond to individual work orders, evaluate site-specific conditions, provide practical recommendations, furnish the necessary labor and equipment, coordinate required permits or exemptions, manage environmental controls, maintain safe public access, remove and dispose of material properly, and provide complete documentation at closeout. Zulu's team is prepared to support the City through that full process.

Zulu should be selected because we offer the City a responsive and capable services with the flexibility to perform a wide range of project sizes and site conditions. Our team understands that each City project will have its own constraints, including public access, utilities, private property, environmental protection, disposal requirements, and schedule limitations. We approach each project with careful planning, open communication, and a focus on completing the work correctly the first time.

Zulu's goal is to become a trusted long-term resource for the City of New Smyrna Beach by delivering safe, efficient, environmentally responsible, and well-documented waterway maintenance services.

G. TYPICAL PROJECT TIMELINE FROM CONCEPTION TO COMPLETION

Because each project will be issued by separate work order and may vary in size, permitting requirements, access, disposal needs, and complexity, the following represents Zulu's typical project timeline. Actual durations will be refined for each assigned project. Not all tasks will require all steps, and some steps will require less time.

Phase	*Activities*	*Approximate Duration*
1. Work order review/kickoff	Review City scope, available plans, location, access, constraints, and requested outcome. Assign project manager and superintendent.	1 - 3 business days
2. Site visit, conditions review	Inspect work area, document existing conditions, review access and staging, identify utilities, assess public access needs, and evaluate dredging method.	1 - 5 business days
3. Survey/quantity verification	Coordinate topographic or bathymetric survey if required. Confirm limits of work and estimated quantities	3-10 business days
4. Permitting or permit verification	Verify whether work can proceed under existing permits or exemptions, or coordinate required FDEP, USACE, SJRWMD, historical, or local approvals.	Varies by permitting needs
5. Proposal/cost estimate	Develop project-specific scope, means and methods, schedule, equipment plan, disposal plan, and pricing for City review.	3-7 business days, after required information is available
6. City authorization/purchase order	Receive fully executed proposal, work order, and/or purchase order before beginning field work.	Determined by City
7. Pre-mobilization planning	Confirm schedule, safety plan, staging, access, MOT if required, disposal site, trucking, and turbidity controls.	2-5 business days
8. Mobilization	Mobilize labor, equipment, turbidity controls, materials, and support resources to the project site.	3-10 business days
9. Field work underway	Perform dredging, sediment removal, pipe/box cleaning, vegetation/debris removal, hauling, disposal, and daily cleanup.	Varies by project size and conditions.

Phase	*Activities*	*Approximate Duration*
10. Progress Reporting	Provide weekly schedule updates, field reports, photographs, production tracking, and issue logs as needed.	Throughout project
11. Post-work survery/verification	Complete post-dredge or as-built survey as required to verify template, grades, or quantities.	3-10 business days
12. Site clean-up and restoration	Remove work materials, restore disturbed areas, confirm disposal completion, and clean the project site. Site inspection by City.	5-14 business days
13. Close-out documentation	Submit final report, photographs/ video, disposal records, quantities removed, survey/as-built documentation, and agency sign-off if applicable.	5-10 days after field completion

Zulu will provide the City with a project-specific schedule for each assignment and will update that schedule weekly or as otherwise requested by the City. Any anticipated changes to the schedule, work sequence, access, permitting, disposal, or field conditions will be communicated to the City in advance whenever practical.

EQUIPMENT

PRIMARY EQUIPMENT LIST

Vessels	Manufacturer	Year
45-foot barge with twin 300hp outboards	Element Boats	2026
41-foot Zulu Chief landing craft (500hp motors, large winches)	Munson	2006
40-foot Zulu Witch barge (150hp, winch, crane)	Silverships	2013
28-foot Zulu Picker barge (200 hp, winch, crane)	Zulu Shipworks	2020
26-foot dropgate airboat with dual 12K winches	Panther	2022
25-foot Zulu Scout support vessel (150hp, davit, winch)	Monarch	1992
24-foot push boat with twin 150hp outboards	Sea Ark	2025
21-foot Skiff	Carolina Skiff	2020
16-foot Zulu Responder rigid hull (drop ramp, 1-foot draft)	Whaley	2019
70'x30' configurable barge (5 sections) with 30-ton Linkbelt crane	Shugart	2017-2025
60'x30' configurable barge (5 sections) with long-reach excavator	Shugart	2017-2025
40'x20' configurable barge (2 sections) with PL5 hydraulic winches	Shugart	2017-2025
30'x10' barge with 3000-lb crane	Zulu Shipworks	2021
24-foot aluminum pontoon barge with outboard	Zulu Shipworks	2018
Modular pontoon (multiple configurations)	Zulu Shipworks	2017
20-foot composite barge with mud motor	Zulu Shipworks	2019
18-foot jon boat with mud motor	Sea Ark	2025
18-foot jon boat with mud motor	Gator Tail	2025
17-foot jon boat with mud motor	Excel	2023
Six 14-foot jon boats with mud motors	Various	2020-2024
Four “sit in” and two "sit on top" kayaks	Various	2018-2023

General Marine Equipment		
Amphibious excavator Bobcat E50 (15,000-pound winch)	Wilson	2018
Amphibious excavator Cat 305	Wetlands Equipment	2025
Wheeled 55-foot long-reach excavator	Caterpillar	1995
Amphibious UTV and trailer	Mudd Ox	2022
Amphibious skid-steer/mini hydraulic dredge (multiple attachments)	Truxor	2023
770 air pile driver	Mantis	2024
Vibratory pile driver	Epiroc	2025
Two PL5 hydraulic winches with 22hp power units	Pullmaster	2026
Four H12 hydraulic winches with 59hp power units	Pullmaster	2026
ROV	VideoRay Pro 4	2024
Hydraulic underwater chainsaws (three)	Stanley	2018-2022
Professional dive gear w/comms	Multiple	2018-2023
Oil containment boom	Oil Stop	2020
Debris containment boom	Oil Stop	2022
Turbidity curtain	Oil Stop	Various

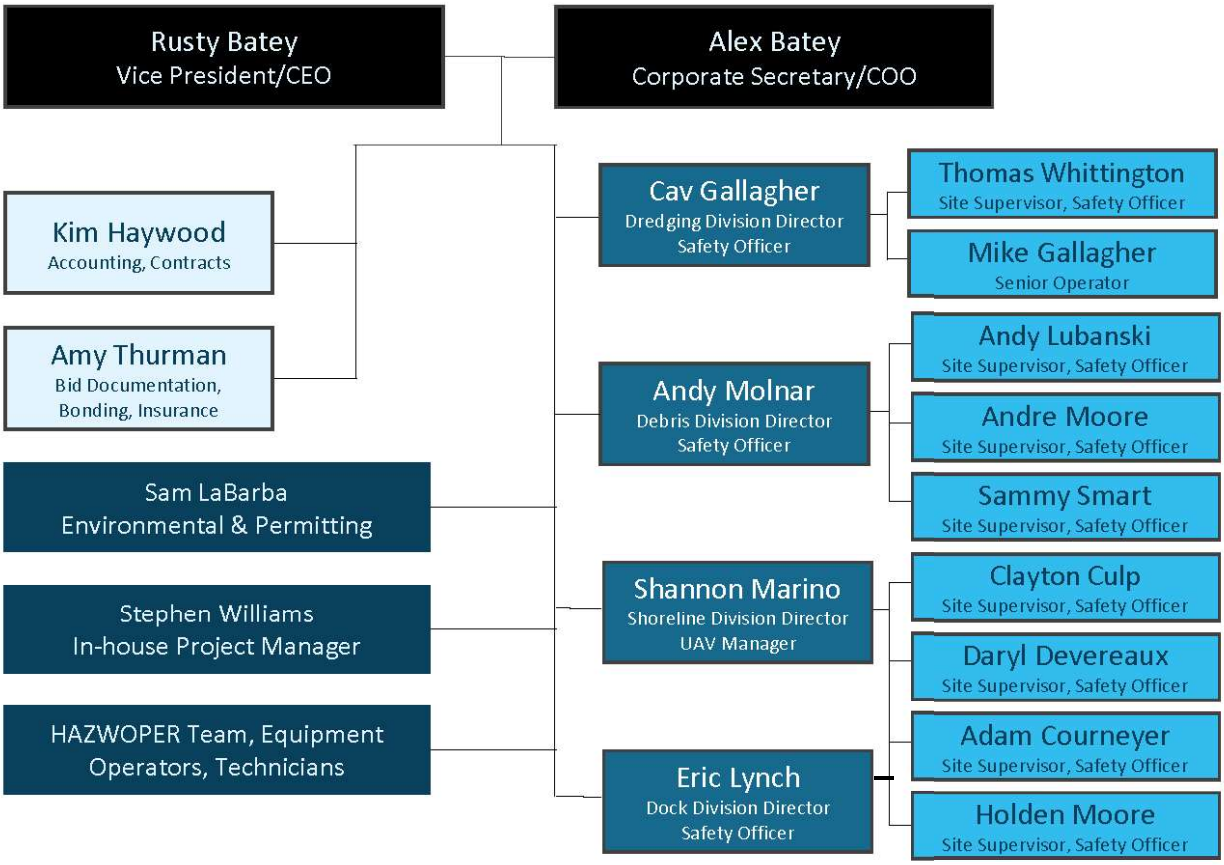
Dredging Specific Equipment		
8x8 Auger dredge	Gulf Atlantic	2021
8-inch submersible dredge package	Dragflow	2025
6-inch auger dredge	Mud Cat	Refurb 2021
Multiple booster pumps	Various	Various
8-inch & 12-inch submersible dredge pumps	Toyo	2020 & 2021
Larger cutter head dredges (standing lease agreements)	Ellicot	Various
Long-reach excavator (standing lease agreement)	Various	Various
4000 feet dredge pipe (multiple sizes)	Various	Various

Continued on next page

Equipment - General

Midi excavator SK85CS-7	Kobelco	2025
Mini excavator SK55SRX	Kobelco	2025
Tracked skid steer TL12 with grapple	Takeuchi	2017
Tracked skid steer T740 with multiple attachments	Bobcat	2025
Six-way dozer blade for skid steer	Erskine	2025
Two MT100 mini skid steers	Bobcat	2023/2024
4x4 Utility vehicle	Polaris	2020
Four bush hogs	Various	2015-2020
11,200gph trash pump	H&H Pumps	2004
Two dump trailers with grapples	AM Machinery	2021-2024
Two dump trailers	Various	2018/2021
Four heavy equipment trailers (up to 40 feet)	Various	2017-2025
Four utility trailers	Various	2013-2025
Four enclosed cargo trailers	Various	2013-2025
Fifteen (15) heavy-duty work trucks (Ram, Ford, Chevrolet)	Various	2018-2025
Six pole saws	Various	2020-2025
Twenty-five (25) chainsaws 362a and 462s	Stihl	2023-2025
Fecon cutting head	Fecon	2015
Timber ground protecting mats (multiple)	Various	2020-2024
Poly mats	Blue Gator	2024
Modern land surveying equipment	Trimble	2021
360-degree cameras	Garmin	2020
Commercial mobile air compressors	Rolair	2024
Multiple portable generators	Various	2020-2024

Zulu maintains standing lease agreements with several vendors for additional equipment on demand.



Aerial (Unmanned Aerial Systems/UAS/Drones)

Two industrial drones EVO Max 4TV2	Autel Robotics	2026
Two foldable camera drones Mavic 3 Pro	DJI	2025
High capacity AG50 drone	DJI	2026
M600 Z30 camera drone	DJI	2018
Five Phantom 4 Pro drones	DJI	2016-2021
Two Inspire Pro drones	DJI	2018/2020
Three Inspire 1 drones	DJI	2015-2018
One fixed-wing drone	Parrot	2018
Phantom 4 Pro drone	RTK	2019
H520 drone	Yuneec	2018

Drones are utilized in locating and assessing debris volumetrics, mapping project areas, and more. Imagery is made available to clients through our portal.

TAB 3:
EXPERIENCE AND QUALIFICATIONS

OUR TEAM

LEADERSHIP TEAM:

Alex Batey – Director of Operations: Schedules and supervises all projects, project estimates, provides guidance and direction to division leads, and serves as Zulu's liaison with clients and stakeholders. His role also includes leading the roster of HAZWOPER technicians, planning and coordinating projects, compliance, training, and safety.

Shannon Marino – Shoreline Division Director: Shannon has four years' experience in shoreline stabilization projects and has been with Zulu for over 10 years. He is also an FAA licensed UAS pilot and oversees aerial operations.

Andy Molnar – Waterway Debris Division Director: Andy oversees Zulu's stream debris and vessel removal projects. Is responsible for project manager supervision, jobsite management, and safety briefings.

Cav Gallagher – Dredging Division Director: Cav has over 10 years' experience managing dredge and sediment removal projects and has been instrumental in developing our dredge program.

Eric Lynch – Marine Construction Division Director: Eric brings over 25 years' experience in dock building and marine construction to Zulu and is assisting in building this division.

Sam LaBarba – Environmental & Permitting Specialist: Sam is responsible for securing all necessary permits and advising on environmental concerns. He has over eight years experience in these fields, including four years with the Georgia DNR.

ADMINISTRATIVE STAFF INFORMATION:

Kim Haywood: Responsible for preparing invoices, billing documentation as needed, release of claims, aging statements and all other accounts receivable activities.

Amy Thurman: Responsible for bid and quote preparation, insurance certificates, bonding documentation, change orders, other project-specific documentation, and back-up point of contact.

RESUMES

Following are abbreviated resumes of key team members.

Michael "Alex" Batey

(910) 232-0290 alex.batey@zuludiscovery.com

Corporate Secretary/Chief Operations Officer

CERTIFICATIONS AND LICENSES

- USCG 100-ton Master License
- SC Contractor License, GC Marine MR3 #CLG.125995
- NC Contractor License, General Unlimited #101596
- FL Contractor License, Marine Specialty #SCC131153660
- Pesticide License, #19677 (Georgia)
- Certified Diver
- HAZWOPER Certified
- Part 107 Remote Pilot License
- Certified VideoRay ROV Pilot
- FEMA ICS 100 and IS 700 Certified
- Florida Stormwater Inspection Certified
- Commercial Drivers License

SPECIALIZED SKILLS

- Disaster debris assessment and mapping
- Marine technology operations
- Stream gauge installation
- HAZWOPER operations
- Project estimating
- All aspects of project management
- All aspects of vessel operations
- Heavy equipment operations, to include amphibious excavation equipment

RESPONSIBILITIES

- Operations planning and scheduling
- Supervision of division leads
- Project estimating and review of division lead estimates
- Coordinating mobilization and demob activities
- Leading assessment and mapping teams
- Supervising stream gauge installation projects
- Supervising herbicide application processes
- Maintaining roster of HAZWOPER technicians
- Client liaison
- Supervising safety officers and protocols
- Supervising technician training programs
- Equipment purchasing and commissioning

PROFESSIONAL PROFILE

Alex joined the company as a teenager and began working full time with Zulu after achieving a degree in Marine Technology from Cape Fear Community College. Over the last 15 years he has worked his way up from field technician to project manager, then to chief operations officer.

In this role he oversees all field projects, provides guidance and direction to division leads, organizes mobilizations, is responsible for equipment purchases and inventory, and serves as Zulu's liaison with clients and stakeholders. His role also includes leading the roster of HAZWOPER technicians, planning and coordinating projects, compliance, training, and safety.

He has a passion for the marine industry and exploring new ways Zulu can engage within it. He stays current with industry trends and is a member of several related organizations such as The Propeller Club (currently serving as Treasurer), the Marine Technology Society, and the Western Dredging Association.

Shannon Marino

(912) 257-9616 shannon.marino@zuludiscovery.com

Shoreline Division Director

CERTIFICATIONS AND LICENSES

- FAA Licensed UAS Pilot with over 3000 hours logged flight time
- Certified TIA Auditor
- ASE Certified Technician
- Licensed Claims Adjuster

PROFESSIONAL PROFILE

- Assisted in the development of Zulu Marine's Living Shoreline Division. Planned, directed and executed operational procedures required to successfully construct multiple types of living shorelines.
- Assisted with design and directed logistics and operations for multiple different DNR Nest, Shell Rake & Reef installations
- FEMA Hurricane response – Planned and directed marine debris location and recovery operations at seven major hurricane disaster sites
- FEMA UAS Mapping Project – Planned, directed and executed the operational procedures required to successfully collect and process UAS data spanning a hurricane disaster area of more than 150,000 acres.
- Experienced heavy marine equipment & barge operator
- Proficient photogrammetry programs operator and with mapping/survey software
- Proficient with landscape architect software
- Licensed UAV pilot with over 3000 hours of logged flight time

Cav Gallagher

(772) 538-9889 cav.gallagher@zuludiscovery.com

Dredging Division Director

CERTIFICATIONS AND LICENSES

- MSHA Certified
- AT/RT Crane Certified

PROFESSIONAL PROFILE

Cav joined Zulu in early 2024 to lead the dredging division, bringing along his expertise and resources from his previous position as vice president with Submersible Pumps and Systems, Inc. He was raised in the industry and began his career in the family dredging business, which has over 30 years experience in the dredging industry. He began operating cutter-heads and dredging related equipment at a young age which quickly transitioned to overseeing a wide range of dredge projects. He has extensive experience in both hydraulic and mechanical dredging applications.

Since joining Zulu he has overseen our dredging, sediment removal and vegetation removal projects (outlined in Experience section). He has been responsible for bringing in multiple large-scale dredging projects and has developed his division to be a significant contributor to Zulu's bottom line.

Prior to joining Zulu, Cav oversaw a Port Everglades birth expansion project (100,000 $yd.^3$ pumped via 12 inch submersible pump at depths of 50 feet), multiple mining applications which entailed pumping sand and gravel, and multiple inland lake dredges utilizing mechanical and hydraulic methods.

Andy Molnar

(219) 718-3276 andy.molnar@zuludiscovery.com

Disaster Debris Division Director

CERTIFICATIONS AND LICENSES

- USCG Licensed Captain
- Certified Diver
- HAZWOPER Certified
- Advanced shipboard firefighting
- Unit Safety Coordinator

SPECIALIZED SKILLS:

- All aspects of vessel operations
- Heavy equipment operations, to include amphibious excavation equipment
- Project management

PROFESSIONAL PROFILE

Andy served in the US Coast Guard for 30 years, focusing on naval engineering and response operations, leaving service as a Chief Warrant Officer 4 with over 20 years of sea time.

Since coming aboard with Zulu in 2020 he's overseen most of our waterway debris removal and hurricane recovery projects, veseel removal projects, supervised HAZWOPER response efforts, and served as site safety officer.

Andy is a member of the Coast Guard Chief Warrant Officers Association.

Eric Lynch

(912) 507-3720 eric.lynch@zuludiscovery.com

Marine Construction Division Director

SPECIALIZED SKILLS:

- Deepwater dock construction and piling installation
- Crane operator
- Tug operator
- Heavy equipment operations, to include excavators
- Marine demolition
- Vessel salvage operations
- Project management

PROFESSIONAL PROFILE

Eric has worked in marine industry for 25 years, primarily in construction and most recently with Diversified Dock Builders, before joining Zulu in 2025 to expand our marine construction division.

He is proficient in the construction of docks, piers, seawalls, and bulkheads, and ancillary projects such as dock houses and observation towers, as well as the demolition of marine structures.

In addition to those skills, Eric also brings project management experience and equipment maintenance practices to the table. He was born and raised on the Georgia coast and understands the challenges and special environmental considerations required in conducting operations on the Southeast coastline.

Letter of Recommendation – Zulu Marine Services

To Whom It May Concern,

I am writing to provide my strong recommendation for Zulu Marine Services based on their performance on the CEPP EAA Canal Conveyance Improvement North New River Canal project, where they were contracted to execute hydraulic and mechanical dredging operations and strategic planning.

During this project, Zulu Marine Services demonstrated a high level of technical proficiency in both hydraulic dredging and mechanical dredging. Their ability to efficiently remove and manage hard rock formations utilizing alternative methods and equipment from normal operating procedures, while maintaining production targets was notable. Throughout the duration of the project, the team maintained strict adherence to environmental regulations, permit conditions, and safety standards.

Additionally, Zulu Marine Services exhibited strong project management capabilities, including:

- Maintaining schedule and production rates despite site constraints
- Proactive communication with Ryan (General Contractor/Prime)
- Effective coordination with subcontractors and inspection teams
- Rapid response to unforeseen field conditions

Their workmanship, attention to detail, communication and commitment to delivering a quality end product resulted in the successful completion of the project, meeting or exceeding all contractual requirements.

Based on my experience, I would confidently recommend Zulu Marine Services for future projects involving hydraulic dredging and mechanical dredging.

Should you require any additional information, please feel free to contact me directly.

Sincerely,

Trevor Simanski, PE
Project Manager

May 6, 2026

To Whom It May Concern:

We entered into a contract with Zulu Marine Services on December 10, 2024, to provide waterway debris removal (WWDR) services across multiple project sites. Since the commencement of this agreement, Zulu Marine Services has successfully completed a number of critical debris removal operations, including:

1. Sunshine Drive Canal WWDR (Bay County, FL) – Removal of tornado and hurricane debris from approximately 1,800 linear feet of canal.
2. Bonifay WWDR Project – Debris removal and site restoration efforts of 1500 linear feet of ditch within the Bonifay area.
3. Bayou George Creek and Bear Creek WWDR – Removal and proper disposal of approximately 1,226 tons of woody debris from approximately 12 miles waterways impacted by Hurricane Michael.
4. Sunshine Drive Canal Phase II – Continued debris removal and channel restoration efforts of approximately 5 acres to improve water flow and safety.
5. Holmes County WWDR Projects – Debris and mitigation efforts of 2000 linear feet within the county.
6. Econfina Creek WWDR (Ongoing) – Clearing of storm-related debris from approximately 12 miles of creek from Hurricane Michael to restore natural flow and environmental conditions.

Across all of these projects, Zulu Marine Services has consistently delivered exceptional performance. Their team demonstrates a high level of professionalism, strong project management, and clear, timely communication throughout each phase of work. They have shown an ability to meet project timelines while maintaining a strong focus on safety, environmental responsibility, and quality of work.

In addition, Zulu's personnel are courteous, respectful, and highly effective when interacting with local residents and stakeholders. Their presence in the community reflects positively on all parties involved, and they handle public engagement with professionalism and care.

If you require any additional information, please do not hesitate to contact us.

Sincerely,

John B. Crowe

TSI Disaster Recovery

2323 South Babcock Street • Melbourne, FL 32901 • 407.891.8005 •
www.tsidisaster.com

To Whom it May Concern,

This letter serves to strongly recommend Zulu Marine Services, Inc., (Zulu) for all forms of bank stabilization, debris removal, and dredging as well as the associated restoration work.

Zulu has been an integral partner to TSI Disaster Recovery on several projects in the Central Florida area recovering from Hurricane Ian, Helene, and Milton. The projects ran from 2023 through 2025 and were successfully completed on time.

Zulu's subcontract responsibilities performed for TSI as follows:

- 8/2023 to 2/2024: Storm debris removal from multiple waterways in Seminole County within environmentally sensitive areas including both commercial and residential areas
- 4/2024: Storm debris removal from Shingle and Boggy Creeks in Osceola County
- 9/2024 to 12/2024: Sediment dredging and bank stabilization for Howell Creek in the City of Winter Park
- 7/2025 to 12/2025: Storm debris removal from multiple waterways in Seminole County within environmentally sensitive areas including both commercial and residential areas

From our experience, Zulu's performance has been efficient and precise. They consistently meet or exceed all necessary specifications while efficiently managing their time. Their efforts have resulted in final products that passed inspections and were completed in a timely manner. Zulu has reliably manned these projects with qualified, professional personnel utilizing the proper equipment. Zulu has proven to us that they respect the property and the owners, they are knowledgeable in the given scopes of work, and that they are able to maintain an excellent working relationship with all parties involved.

Zulu has been easy to work with and has exceeded our expectations in both workmanship and service. TSI Disaster Recovery would not hesitate in recommending Zulu and would gladly use their services again in the future.

If you have any questions, please feel free to give me a call.

Respectfully,

Henry W. Elmore
Managing Member

05/05/2026

Kevin Monser
City of Winter Springs
1126 E SR 434 Winter Springs, FL 32708
407-327-6567

The purpose of this letter is to recommend Zulu Marine Services based on my own experience with the company. We used Zulu Marine Services to provide debris assessments, sediment removal, and debris removal of our creeks and were extremely pleased with the quality of the work they were able to provide. We plan to work with them again, and can recommend them without reservation to others in need of similar services.

A few examples of their high quality jobs include:

- Creek debris assessments- December 2022 and 2024
- Creek and pond sediment removal- March- April 2024
- Creek debris removal- June- August 2025
- Creek sediment removal- August- October 2025

I am very happy to recommend Zulu Marine Services to you, and trust that your experience with them will be as positive as mine. If I can answer any additional questions about my experience as a customer of Zulu Marine Services, please feel free to contact me. My telephone number is 407-327-6567and my email address is kmmonser@winterspringsfl.org
Sincerely,

Kevin Monser

Public Works Superintendent
City Of Winter Springs

DREDGING & SEDIMENT REMOVAL EXPERIENCE & REFERENCES

CEPP EAA CANAL CONVEYANCE – RYAN SOUTHERN

April - October 2025 Project Value: $1 million

Zulu worked in conjunction with other contractors to dredge and widen an 11-mile section of the canal to improve conveyance and water capacity for Lake Okechobee discharge. This was a highly complex and multi-faceted project. Equipment included our 30-ton excavator with rock-grinding attachment on sectional barges.

Reference: Lee Henderson, District Manager (954) 498-5101 lhenderson@ryanfl.com
1700 South Powerline Road, Suite H, Deerfield Beach, FL 33442

CREEK SEDIMENT REMOVAL – CITY OF WINTER SPRINGS, FL

August - October 2025 Project Value: $272,285

Zulu was contracted to remove excess sediment from creek beds in the city to restore waterflow. Our small hydraulic dredge was used and 670 cubic yards of sediment were removed and disposed of offsite.

Reference: Kevin Monser, Superintendent (407) 327-6567 kmmonser@winterspringsfl.org
1126 East State Road 434, Winter Springs, FL 32708

HOWELL CREEK DREDGE, WINTER PARK, FL – SUBCONTRACTED FROM TSI DISASTER RECOVERY

July – August 2024 Project Value: $70,000

Zulu dredged 800 cubic yards of sand with approximately 20% silt to improve waterflow in the creek. Dredge materials was pumped into geotubes for dewatering and left onsite for later use in a shoareline stabilization project.

Reference: Robert Tyson (407) 460-0395 robert@tsidisaster.com
2323 South Babcock Street, Melbourne, FL 32901

LAKE DREDGE – COUNTRY CLUB OF CHARLESTON

June 2024 Project Value: $24,000

Zulu utilized our Truxor hydraulic dredge to remove 500 cubic yards of material from a small lake to restore depth and improve water quality. Dredge material was pumped into Geotube dewatering bags.

Reference: Paul Corder (843) 270-4157 pcorder@countryclubofcharleston.com
1 Country Club Drive, Charleston, SC 29412

LAKE REHABILITATION DREDGING & SHORELINE STABILIZATION – ROSWELL, GA

April 2024 Project Value: $245,000

Zulu dredged 1300 cubic yards of sediment from the inflow area of a large lake in the East Spring Lake community. Some of the dredge material was placed in sox erosion control blankets and used for bank stabilization, while the remainder was placed in dewatering bags then removed for disposal.

Reference: Donald Lewis, East Spring Lake HOA (404) 979-4591 donaldlewis20@gmail.com
2849 Long Lake Drive NE, Roswell, GA 30075

CREEK SEDIMENT REMOVAL & POND SEDIMENT REMOVAL – CITY OF WINTER SPRINGS, FL

March – April 2024 Project Value: Creeks $333,379.00 Ponds $169,010.00

Zulu was contracted on two projects to remove excess sediment from creek beds in the city to restore waterflow. Our small hydraulic dredge was used and 680 cubic yards of sediment were removed and disposed of. The pond sediment project entailed the excavation of 735 cubic yards of sediment and accumulated debris from six stormwater pipe outfalls in five stormwater ponds throughout the city, to restore functionality.

BANK STABILIZATION EXPERIENCE & REFERENCES

MCAS BEAUFORT OBSERVATION DECK SHORELINE STABILIZATION – JACOBS ENGINEERING

February – March 2026 Project Value: $241,793

Zulu was subcontracted by Jacobs Engineering to provide bank stabilization at the Marine Corps Air Station using all natural materials and native plantings. The project area was 150 linear feet, utilizing Filtrexx for vertical stabilization and native species plantings.

Reference: Daniel Tomczak, CFM Project Manager (919) 637-0633 daniel.tomczak@jacobs.com
111 Corning Road, Suite 200, Cary, NC 27518

LAGOON SLOPE STABILIZATION – HAMPTON HALL CLUB

November 2025 - January 2026 Project Value: $476,506

Approximately 500 feet of lagoon bank was excavated and repaired using encapsulated soil lifts and rip rap toe, to repair erosion. Sod was installed when restoration was complete.

Reference: Angie Nicolini (843) 816-3256 anicolini@hamptonhallsc.com
170 Hampton Hall Blvd, Bluffton, SC 29910

MCAS BEAUFORT FISHING PIER SHORELINE STABILIZATION – JACOBS ENGINEERING

March – April 2025 Project Value: $217,000

Zulu was subcontracted by Jacobs Engineering to provide bank stabilization using all natural materials and native plantings. The project area was 120 feet by 40 feet, utilizing Coir encapsulated compacted soil lift construction. This was a heavily engineered project to provide erosion control.

Reference: Daniel Tomczak, CFM Project Manager (919) 637-0633 daniel.tomczak@jacobs.com
111 Corning Road, Suite 200, Cary, NC 27518

WINTER PARK HOWELL CREEK BANK STABILIZATION – TSI DISASTER RECOVERY

(December 2024 – March 2025) Project Value: $167,000

Zulu was subcontracted by TSI to stabilize approximately 1,600 feet of creek bank. The project consisted of using Envirolok engineered interlocking geo-bags filled with organic material to create a compacted back-filled "wall."

Reference: Henry Elmore, Managing Member (321) 831-8336 henry@tsidisaster.com
2323 S. Babcock Street, Melbourne, FL 32901

BOYD LIVING SHORELINE – THE NATURE CONSERVANCY, SC CHAPTER

August – October 2024 Project Value: $275,000

Zulu constructed a 400-foot section of shoreline using manufactured wire reefs and a nature-based tidebreak designed to naturally regenerate the shoreline, restore the bank and prevent future erosion.

Reference: Elizabeth Fly, Dir. of Resilience (314) 757-0294 elizabeth.fly@tnc.org
1417 Stuart Engalls Blvd. Suite 100, Mount Pleasant, SC 29464

LIVING SHORELINE INSTALLATION – GEORGIA DNR

June 2023 Project Value: $177,204

With this project, for the Georgia Department of Natural Resources, Zulu utilized six different erosion control methods, all variations of our coir design, to replace 200 feet of failing bulkhead at the DNR Coastal Headquarters in Brunswick, Ga. This project is being used for demonstration and research by DNR scientists.

Reference: Jan Mackinnon, Georgia DNR (912) 264-7218 jan.mackinnon@dnr.ga.gov
1 Conservation Way, Brunswick, GA 31520

STREAMBANK STABILIZATION – GREER, SC

August – September 2023 Project Value: $450,000

Zulu completed this bank rehabilitation project for a private club using Flexamat, an engineered geotextile, as well as native vegetation plantings and live stakes along 1800 feet of freshwater streambank.

Reference: Jack Moran, Ecological Improvements (508) 208-1444 jack.moran@ecologicalimprovements.com

Additional references available on request.

VEGETATION REMOVAL EXPERIENCE & REFERENCES

AQUATIC PLANT REMOVAL SERVICES – PINELLAS COUNTY, FL

February 2026 Project Value: $45,000.00

Zulu was selected as a vendor to remove invasive and nuisance aquatic and wetland vegetation and associated organic detrital material for the purpose of enhancing valuable fish and wildlife habitat within its lakes as part of an ongoing service contract by task order. The first project covered approximately three acres.

Reference: Robert Burns, Environmental Manager (727) 269-7227 rburns@pinellas.gov
400 S. Fort Harrison Avenue, 6th Floor, Clearwater, Florida 33756

NORTH LAKE TOHOPEKALIGA VEGETATION HARVEST & REMOVAL – OSCEOLA COUNTY, FL

October 2025 - March 2026 Project Value: $640,000

Zulu is a pre-qualified vendor for the County to provide aquatic vegetation removal. This project consisted of the removal of submerged and emergent over approximately 100 acres of the lake. We have subsequently been awarded additional projects under the same contract.

Reference: Andrew Kohler, Natural Resources Coordinator (407) 728-2606 andrew.kohler@osceola.org
1300 Coral Springs Drive, Coral Springs, FL 33071

SOUTH SUMTER CANAL CLEANING PROJECT – SUMTER COUNTY, FL

August 2025 Project Value: $261,785

Zulu treated approximately 12 miles of canals to control multiple species of woody plants and broadleaves. Various methods were used, to include spraying from a boat and walking the banks with battery-powered sprayers.

Reference: Eslie Oxedine, Operations Superintendent (352) 689-4400 eslie.oxendine@sumtercountyfl.gov
107 North Main Street, Bushnell, FL 33513

ENVIRONMENTAL POND VEGETATION REMOVAL – CORAL SPRINGS, FL

March 2025 Project Value: $68,000

Open-ended contract for the removal of cattails, willows, spatterdock, and lily pads from multiple ponds with special care taken to protect and preserve native vegetation. Care was taken to avoid damage to native plants.

Reference: Louis Goldstein, Asst. Director, Parks & Rec (954) 345-2112 lgoldstein@coralsprings.gov
1300 Coral Springs Drive, Coral Springs, FL 33071

MEHER CENTER CATTAIL REMOVAL – MYRTLE BEACH, SC

February - March 2025 Project Value: $42,000.00

Zulu provided cattail removal services in a 20-acre lake using our Truxor mini hydraulic dredge and jon boats. Seven acres of cattails were cleared.

Reference: Buz Connor, Director (843) 267-2227 buzconnor@mehercenter.org
10200 N. Kings Highway, Myrtle Beach, SC 29572

VILLAGES AT LAKE RIDGE – RIVERDALE, GA

August 2024 Project Value: $20,000

Zulu contracted with Aqua Doc Lake & Pond Management to remove saplings and various aquatic vegetation over five acres of an 18 acre lake in a residential community. Removal was conducted mechanically and debris was hauled offsite for disposal.

Reference: Trevor Telman, Project Manager (770) 833-9370 ttelman@aquadocinc.com
8302 Ball Ground Highway, Ball Ground, GA 30107

LEAMINGTON AND MARINERS ORGANIC MATERIAL HARVESTING – HILTON HEAD, SC

May 2024 Project Value: $27,000.00

Zulu contracted with Palmetto Dunes Property Owner's Association to remove 400 cubic yards of organic material from two project sites in a brackish lagoon system. Removal was conducted mechanically in confined sites in occupied residental areas.

Reference: Sydney Wan, Palmetto Dunes POA (843) 785-1109 swan@pdpoa.org
16 Queens Folly Road, Hilton Head Island, SC 29928

Additional references available on request.

STREAM DEBRIS REMOVAL EXPERIENCE & REFERENCES

BAYOU GEORGE AND BEAR CREEK WATERWAY DEBRIS REMOVAL – NW FLORIDA WATER MANAGEMENT DISTRICT

September 2025 - April 2026 Project Value: $2.7 million

Zulu provided waterway debris removal services for the District with emphasis on environmentally sensitive methods and turbidity management in two waterways, totalling 12 miles. We are currently working for the District on another large project on Econfina Creek.

Reference: John Crowe, Emergency Coordinating Officer (850) 539-5999 ext. 226 john.crowe@nwfwater.com
81 Water Management Drive, Havana, FL 32333

TREE DEBRIS REMOVAL – CITY OF ALTAMONTE SPRINGS, FL

June to August 2025 Project Value: $159,960

The scope of work for this project was to remove downed trees and woody/vegetative debris from the Little Wekiva River stretching about three miles. Debris was removed manually and transported out on jon boats for offsite disposal.

Reference: April Davis, Water Resources Engineer (407) 571-8334 adavis@altamonte.org
225 Newburyport Avenue, Altamonte Springs, FL 32701

CREEK DEBRIS REMOVAL – CITY OF WINTER SPRINGS, FL

June to August 2025 Project Value: $394,449

Zulu removed woody and vegetative debris resulting from Hurricane Milton from seven creeks, totaling approximately 30,000 linear feet, and disposed of it offsite. Before and after photos were taken throughout the project and made available to the City.

Reference: Kevin Monser, Superintendent (407) 327-6567 kmmonser@winterspringsfl.org
1126 East State Road 434, Winter Springs, FL 32708

HURRICANE DEBRIS REMOVAL (3 CREEKS) – CHARLOTTE COUNTY, FL

June 2024 to September 2024 Project Value: $485,760

Zulu was selected to remove waterway debris in Oyster, Alligator and Snapper Creeks resulting from Hurricane Ian. Woody, vegetative and man-made debris was removed from approximately 5.75 miles and disposed of off-site. Debris was removed using hand labor and small vessels. Over 100 tons of debris was removed.

Reference: Karen Bliss, Projects Manager (941) 575-3642 karen.bliss@charlottecountyfl.gov
18500 Murdock Circle, Suite 205, Port Charlotte, FL 32401

WACCAMAW RIVER DEBRIS REMOVAL – HORRY COUNTY, SC

March – September 2022 Project Value: $715,840

Zulu was awarded a river debris removal contract for 36 miles of the Waccamaw River. In the course of fulfilling that contract, we were tasked with assessing over 34 miles of additional debris sites as Phases 2 through 6, then removal of the debris. Zulu removed and disposed of trees, logs, stumps, brush, tops, and blockages deposited in and adjacent to the navigable channel, using mud boats and grapple boats, as well as assorted saws.

Reference: Adam Jordan (843) 798-0538 jordanad@horrycountysc.gove
4401 Privetts Road, Conway, SC 29526

HURRICANE MICHAEL DEBRIS REMOVAL – BAY AND FRANKLIN COUNTIES, FL

December 2021 – September 2022 Project Value: $930,000

Zulu contracted with the University of Florida and Florida Sea Grant through their Marine Debris Program to remove debris resulting from Hurricane Michael, in Bay and Franklin counties. 3,500 cubic yards of debris was removed, as well as 30 vessels. Turbidity booms were deployed when loose debris was present. Care was taken to leave no trace of the vessels or any debris when work was completed.

Reference: L. Scott Jackson (850) 866-2300 lsj@ufl.edu
2728 East 14th Street, Panama City, FL 32401

Additional references available on request.

FINANCIAL STABILITY/LITIGATION

FINANCIAL STABILITY

Zulu Marine Services, Inc. has been experiencing steady growth every year. We have worked to achieve and maintain a balance between healthy cashflow availability and investing in equipment, facilities, personnel, and general overhead. We possess the necessary cashflow to undertake and complete any project the City has need of, without interruption.

We have the necessary equipment, as well as standing lease agreements for specialized or additional equipment that might be required.

Our staffing is more than adequate to achieve any project goals the City might require. If additional staffing is needed, we have multiple sub-contractors who would meet City approval, as well as agreements with labor staffing agencies.

We are fully bonded with a current bonding capacity of $4 million. We are in the process of changing surety's and increasing that capacity.

We are fully insured and more than meet City insurancce requirements. We routinely add covereages as needed depending on job specific requirements or client agency requirements.

LITIGATION

Zulu has never been involved in any lawsuits, or litigation of any kind. We have never broken a contract or failed to complete a project.

ENTITY IDENTIFICATION

SAM Unique Entity ID: M3N2HB144RA6
CAGE: 67KH4
Dun & Bradstreet: 052226022

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

Zulu Marine Services, Inc.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☐ C corporation ☑ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.

PO Box 695

6 City, state, and ZIP code

Hazlehurst, GA 31539

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

2	7	–	3	6	0	0	9	1	3

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here | **Signature of U.S. person** Michael Bates **Date** January 2, 2026

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

****THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by Michael "Alex" Batey, Corporate Secretary
(Print Individual's Name and Title)
for Zulu Marine Services, Inc.
(Print Name of Entity Submitting Sworn Statement)
whose business is a Georgia Corporation

and (if applicable) its Federal Employer Identification Number (FEIN) is 27-3600913

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

__X__ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of Georgia

County of Liberty

Michael "Alex" Batey, being first duly sworn, deposes and says that:

He/she is COO of Zulu Marine Services, Inc., Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: Zulu Marine Services, Inc.

Consultant E-Verify Registration Number: 1310654

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of New Smyrna Beach

Before me, the undersigned authority, personally appeared Michael "Alex" Batey

who was duly sworn, deposes, and states:

1. I am the COO/Corporate Secretary of Zulu Marine Services, Inc. with a local office in N/A (City & State) and principal office in Darien, GA (City & State).
2. The above named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFQ 01-26-PW, Environmental Services.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

Bayside Dredging, LLC
RFQ 01-26-PW Environmental Services

THIS AGREEMENT is made and entered into this 18th day of June, 2026, by and between **Bayside Dredging, LLC.,** duly authorized to conduct business in the State of Florida and whose address is 12924 49th Street N., Clearwater, Florida 33762, hereinafter, called "CONSULTANT," and the **CITY OF NEW SMYRNA BEACH**, a political subdivision of the State of Florida, whose address is 210 Sams Ave., New Smyrna Beach, FL, hereinafter called "CITY."

SECTION 1. AGREEMENT. The terms of this Agreement, together with the incorporation of the terms and conditions of the RFQ 01-26-PW, Environmental Services, **FOR THE CITY OF NEW SMYRNA BEACH** and any exhibits, schedules, and attachments hereto, and any and all amendments relating to same, and any and all submittals from CONSULTANT, constitute the entire Agreement between the City and CONSULTANT. This Agreement is the final, complete and exclusive expression of the terms and conditions of the parties' Agreement. Any and all prior agreements, representations, negotiations, and understandings made by the parties, oral or written, expressed or implied, are hereby superseded and merged herein.

SECTION 2. TERM OF AGREEMENT. The initial term of this Agreement shall be for three (3) years from the date of the award. After the initial term, and upon consent of both parties, this Agreement may be renewed administratively under the same terms and conditions for one (1) optional two (2) year extension. The maximum term for this Agreement and all renewals is a cumulative term of five (5) years.

SECTION 3. DESCRIPTION OF SERVICES. The Consultant agrees to perform the services outlined in the advertised solicitation document titled **RFQ 01-26-PW, Environmental Services,** and in the Consultant's submitted Proposal.

The Consultant shall diligently and in a professional and timely manner perform and provide these services. Unless modified in writing by the parties hereto, the duties of the Consultant shall not be construed to exceed the provision of the services pertaining to this Agreement.

The City and Consultant agree that there may be certain additional services required to be performed by the Consultant during the performance of the contract that cannot be defined sufficiently at the time of execution of this Agreement. These services shall be authorized in writing as an amendment to the contract and may contain additional instructions or provide specifications upon certain aspects of this Agreement pertaining to the work to be undertaken.

SECTION 4. COMPENSATION. The CITY shall issue a written Work Order for each Project. Each Work Order shall be based on a proposal submitted by the CONSULTANT and approved by the CITY. The proposal shall define the scope of services, schedule, and compensation for the Project.

The CITY shall compensate the CONSULTANT in accordance with the CONSULTANT's fee schedule, unless otherwise agreed upon in the approved Scope of Services or Work Order. Work Orders with a value exceeding $50,000 shall require approval by the City Commission, unless otherwise authorized for administrative approval in accordance with applicable City policy.

SECTION 5. COMPONENT PARTS OF THE CONTRACT. This Contract consists of the following contract documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

A. City Advertised Bid with addendums

B. Award Bid Proposal

The Consultant must provide the Certificate of Insurance within fourteen (14) days upon acceptance of the bid by City Commission.

SECTION 6. CONTROLLING LAW, VENUE, AND ATTORNEY'S FEES. This Agreement is to be governed, construed, and interpreted by, through and under the laws of Florida. Venue for any litigation between the parties to this Agreement shall be in the County of Volusia, Florida and any trial shall be non-jury. The prevailing party in any litigation arising from or related to this Agreement shall be reimbursed reasonable attorney fees and costs, including all fees and costs of an appeal.

SECTION 7. RIGHTS AT LAW RETAINED. The rights and remedies of the City, provided for under this Agreement, are in addition and supplemental to any other rights and remedies provided by law.

SECTION 8. NOTICES. Whenever either party desires to give notice unto the other, it must be given by written notice, sent by registered or certified United States mail, return receipts requested, addressed to the party for whom it is intended at the place last specified. The place for giving of notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice, to-wit:

For City:
Sharon Taylor-Harding, City Clerk
City of New Smyrna Beach
210 Sams Ave.
New Smyrna Beach, FL 32138
(386)410-2631

For Consultant:
Bret Sapp, President
Bayside Dredging, LLC
12924 49th St N
Clearwater, Florida 33762
(727)-436-5044

SECTION 9. MODFICATIONS TO AGREEMENT. This Agreement and any exhibits, amendments and schedules may only be amended, supplemented, modified or canceled by a written instrument duly executed by both parties.

SECTION 10. SEVERABILITY. If during the term of this Agreement, it is found that a specific clause or condition of this Agreement is illegal under federal or state law, the remainder of the Agreement not affected by such a ruling shall remain in force and effect.

SECTION 11. WAIVER OF JURY TRIAL. The City and Consultant have specifically waived the right to a jury trial concerning any disputes which may arise concerning this agreement.

SECTION 12. EFFECT OF FAILURE TO INSIST ON STRICT COMPLIANCE WITH CONDITIONS. The failure of either party to insist on strict performance of any covenant or condition of this contract, or to exercise any option herein contained, shall not be construed as a waiver of such covenant, condition, or option in any other instance. This contract cannot be changed or terminated orally.

SECTION 13: HUMAN TRAFFICKING. This Contract is subject to the terms, conditions, provisions and requirements of Section 787.06 of the Florida Statutes and Contractor hereby represents, warrants, and certifies that Contractor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes and that Contractor has provided the Human Trafficking Affidavit.

SECTION 14: MISCELLANEOUS. Any other governmental agency, department, or municipality which avails itself of this contract will establish its own contract, place its own orders, issue its own purchase orders, and issue its own exemption certificates as required by the Bidder. It is understood and agreed that the City of New Smyrna Beach is not a legally bound party to any contractual agreement made between any other governmental entity and the Bidder as a result of this Bid.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date written above for execution by the City of New Smyrna Beach.

THE CITY OF NEW SMYRNA BEACH - PUBLIC WORKS

CONSIDER THE APPROVAL OF ROOF REPAIRS TO VARIOUS CITY FACILITIES AND PARKS.

July 14, 2026

Background:

The FY26 budget includes funding for roof repairs at multiple City facilities and parks. The Public Works Department has initiated the overall repair program and identified the Fleet facility roof, Flagler Avenue boardwalk and restroom roofs, 27th Avenue park restroom roof, and North Beach pavilion roofs as priority projects for replacement. Staff is proceeding with Tremco on these replacements using OMINIA R230404 because each of the six roofs has exceeded its useful service life and is no longer considered repairable.

The project scope for the Fleet facility includes replacement of designated purlins to enhance structural stability, together with removal and replacement of the existing metal roofing system. The project scope for the Flagler Avenue boardwalk and restrooms includes removal of the existing tile roof and installation of a metal roof in the current blue color in order to improve hurricane resistance and extend the useful life of the facilities. For the 27th Avenue and North Beach projects, the scope will be to tear out and replace the roofs with like material.

Funding for these projects is included in the FY26 budget for citywide roofing repairs. Any final contract documents and associated expenditures will be processed in accordance with applicable City purchasing and approval requirements.

Staff recommends approving the roof replacement projects for the Fleet facility, Flagler Avenue boardwalk and restroom facilities, and 27th Avenue and North Beach roofs; and authorize the appropriate City officials to execute the necessary documents to move the projects forward.

Fiscal Analysis:

Funding is available within project code CWROF, which has an approved budget of $500,000. Of that amount, approximately $239,285 is allocated to Fleet improvements, $104,856 to the Flagler Avenue Boardwalk and Bathrooms project, $77,145 to the 27th

Avenue project, and $39,500 to the North Beach project. Approval of this item will also authorize the Public Works Director to approve and execute change orders as necessary, provided total expenditures remain within the approved budget.

Strategic Plan Item:

No

WTI GENERAL SERVICES PROPOSAL

3020 Reynolds Rd Suit #7
Lakeland, FL 33803

Phone: (407) 221-0539

Proposal Submitted To: Mr. David Ray	**Date:** May 14, 2026
Client: City of NSB	**Job Address:** 124 Industrail Park Ave
Client Phone: (386) 424 - 2202	**Job City, State, Zip:** New Smyrna Beach, FL 32168
Job Name: Public Works Reroof	**Tremco Representative:** Justin A. Ranck, RRO & Thomas Wessels, RRO

We hereby propose to furnish the materials and perform the labor necessary for the completion of the following facade work as outlined below:

Metal Reroof and Purlin Replacement

OMNIA R230404

1. General Conditions & Mobilization

1. Mobilization to site, including delivery of materials, equipment, and personnel
2. Coordination with Owner and/or GC for access, staging, and work sequencing
3. Provide all necessary lifts, tools, and standard safety equipment required to perform scope
4. Work will be performed in a phased manner as required to maintain structural integrity and minimize exposure

2. Structural Purlin Replacement

5. Remove and replace existing roof purlins in designated areas (Bay 4 and one additional purlin in Bay 1 as currently identified)
6. Purlins will be removed and replaced sequentially to maintain structural stability of the building
7. Furnish and install new steel purlins to match existing size and configuration (to be field verified prior to fabrication)
8. Weld new purlins to existing structural framing members
9. Perform minor field alignment and re-squaring of framing as required to facilitate installation
10. Provide connection improvements and reinforcement as necessary to secure new member

3. Metal Roof Deck Tear-Off & Replacement

11. Remove existing metal roof panels, fasteners, closures, and associated trim components as required to access structural framing
12. Dispose of removed materials in accordance with local regulations
13. Furnish and install new 26-gauge metal roof panels, profile to match existing building configuration as closely as possible

14. Install panels using self-tapping fasteners with EPDM gaskets to provide watertight connections
15. Provide and install new closures, ridge caps, trim, and accessory components required for proper system performance
16. Installation to be performed in accordance with manufacturer recommendations and standard industry practices
17. Coordinate panel layout and fastening patterns to ensure proper attachment to newly installed purlins
18. Seal penetrations, laps, and transitions as required for weather resistance

4. Closed Cell Spray Foam Insulation

19. Furnish and install closed cell spray foam insulation to the underside of the new metal roof deck system
20. Surface preparation as required prior to application
21. Apply spray foam insulation to a uniform thickness (final thickness and R-value to be determined based on project requirements or Owner direction)
22. Trim and finish insulation as required for a consistent application
23. System intended to provide air sealing, moisture control, and improved thermal performance

5. Weather Protection & Phasing

24. Perform work in controlled phases to limit exposure of interior spaces
25. Provide temporary dry-in measures as reasonably required during active construction
26. Final system to be returned to a weather-tight condition upon completion of scope

6. Engineering and Drawings Fees are Included.

7. EXCLUSIONS / CLARIFICATIONS

27. The following items are specifically excluded unless otherwise noted in writing:
28. Structural deficiencies beyond visible and accessible purlins, including but not limited to rafters, frames, columns, or connections not identified at time of proposal
29. Any structural upgrades required to meet current building code or wind load requirements

NOTICE TO OFFEROR

Solicitation Number 23-04

Request for Proposal ("RFP")

by

Region 4 Education Service Center ("ESC")

for

Roofing Products, Services and Job-Order-Contracting (JOC) Services

SUBMITTAL DEADLINE: Tuesday, June 20, 2023, 2:00 PM CENTRAL TIME

Questions regarding this RFP must be submitted in writing to Crystal Wallace, Business Operations Specialist, at questions@esc4.net no later than May 26, 2023. All questions and answers will be posted to https://www.esc4.net/services/purchasing/region-4-omnia-solicitations. Offerors are responsible for viewing the website to review all questions and answers prior to submitting proposals. Oral communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.

Proposals must be sealed, prominently marked with the RFP solicitation number, RFP title, RFP opening time/date and name of Offeror. Submissions must be received by the Region 4 ESC office at: 7145 West Tidwell Road, Houston, TX 77092 no later than 2:00 p.m. central time. Proposals received prior to the submittal deadline will be time-stamped upon receipt and kept secure and unopened. At the submittal deadline, Region 4 ESC will collect all proposals received before the deadline in the room designated for the proposal opening. Proposals will be opened and recorded publicly. Any proposal received later than the specified time, whether delivered in person, courier or mailed, will not be considered. Late proposals will be returned to sender unopened.

VIRTUAL ONLY NON-MANDATORY PRE-PROPOSAL CONFERENCE
Offerors are strongly encouraged, but not required to participate in a pre-proposal conference with the Business Operations Specialist, which will be held on May 24, 2023 at 02:00 pm. To attend the conference, potential Offeror must notify Crystal Wallace, Business Operations Specialist, at cwallace@esc4.net, by May 23, 2023. Offeror's who anticipate attending the pre-proposal conference and send notification will receive an email with call instructions prior to the date and time of the pre-proposal conference. The purpose of this conference is to clarify the contents of this RFP in order to prevent any misunderstanding of Region 4 ESC's position. Any doubt as to the requirements of this RFP or any apparent omission or discrepancy should be presented to Region 4 ESC at this conference. Region 4 ESC will then determine the appropriate action necessary, if any, and may issue a written addendum to the RFP. Oral statements or instructions will not constitute an addendum to this RFP.

Publication Date: May 10, 2023

I. SCOPE OF WORK

Region 4 Education Service Center ("Region 4 ESC") requests proposals from qualified Offerors with the intent to enter into a Contract for Roofing Products, Services, and Job-Order-Contracting (JOC) Services. Region 4 ESC is seeking a provider that has the depth, breadth and quality of resources necessary to complete all phases of the Contract. Awarded Offeror(s) shall deliver products and services under the terms of this agreement. While this solicitation specifically covers Roofing Products, Services, and Job-Order-Contracting (JOC) Services, each awarded Offeror may offer their complete product and service offering, or balance of line. Region 4 ESC reserves the right to accept or reject any or all balance of line items offered.

Region 4 ESC is an education service center established by the Texas Legislature in 1967 to assist school districts and charter schools in improving efficiencies. Region 4 serves a seven-county area comprised of 47 public school districts and 40 open-enrollment charter schools, representing more than 1.2 million students, 105,000 educators and 1,500 campuses. Through cooperative contracts Region 4 ESC extends the opportunity to operate more efficiently and economically to agencies nationwide through OMNIA Partners (see below).

Roofing Products, Services and Job-Order-Contracting Services will consist of contracts with contractors for the purpose of performing "Roofing Products, Services, and JOC Services Work Order Assignments" ("WO" in the singular and "WOs" in the plural) on a recurring basis. Offeror may choose to use RSMeans; when doing so, the unit prices established for the contracts shall be specified by the latest version of the RSMeans Construction Procurement Catalog (Unit Price Book "UPB"); the UPB utilized by the awarded Contractor(s) is hereby incorporated by reference into this RFP.

The Contract is based on the need to provide the economic benefits of volume purchasing and reduction in administrative costs through cooperative purchasing to schools and other members. Although the awarded Offeror(s) may restrict sales to certain public units (for example, state agencies or local government units), any proposal that prohibits sales from being made to public school districts may not be considered. Sales without restriction are preferred. These types of contracts are commonly referred to as being "piggybackable."

NATIONAL CONTRACT

Region 4 ESC, as the Principal Procurement Agency, defined in ATTACHMENT A, has partnered with OMNIA Partners, Public Sector ("OMNIA Partners") to make the resultant contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. Region 4 ESC is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a "Participating Public Agency") and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of a Master Intergovernmental Cooperative Purchasing Agreement, a form of which is attached hereto on ATTACHMENT A, or as otherwise agreed to. ATTACHMENT A contains additional information about OMNIA Partners and the cooperative purchasing program.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners

public sector subsidiaries and affiliates, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. With corporate, pricing and sales commitments from the Offeror, OMNIA Partners provides marketing and administrative support for the Offeror that directly promotes the Offeror's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Participating Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Offeror benefits from a contract that generally allows Participating Public Agencies to directly purchase goods and services without the Offeror's need to respond to additional competitive solicitations. As such, the Offeror must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Offeror and respond to the OMNIA Partners documents (ATTACHMENT A).

While no minimum volume is guaranteed to the Contractor, the estimated annual volume of Roofing Products, Services, and Job-Order-Contracting (JOC) Services purchased under the Master Agreement through OMNIA Partners is approximately $500M. This projection is based on the current annual volumes among Region 4 ESC, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Contractor and OMNIA Partners.

Customer Support

Contractor shall provide timely and accurate technical advice and sales support to Region 4 ESC staff and Participating Agencies. Contractor shall respond to such requests within one (1) working day after receipt of the request.

PRODUCT / SERVICES SPECIFICATIONS

It is the intention of Region 4 ESC to establish an annual contract with highly qualified Offeror(s) for **Roofing Products, Services, and Job-Order Contracting Services** on a national basis. Offeror(s) shall, at the request of any Participating Public Agency, provide these covered services under the terms of this RFP and the CONTRACT TERMS AND CONDITIONS. Offeror shall assist the Participating Public Agency with making a determination of its individual needs, as stated below. Although this section reflects the needs and requirements of Region 4 ESC, OMNIA Partners Participating Agencies may have different requirements. The awarded Offeror(s) will have the ability to offer their comprehensive Roofing Products, Services, and Job-Order-Contracting Services on a national basis. The Roofing Products, Services, and Job-Order-Contracting Services may include products and services associated with roofing products, including but not limited to roof-mounted or carport-mounted utility interactive solar panel/photovoltaic (PV) system, and job-order-contracting services which Participating Public Agencies may elect to use. Participating Public Agencies may sign a supplemental or usage agreement with the awarded Offeror(s) substantially based on the terms and conditions of the Region 4 ESC contract. Participating Public Agencies may elect to negotiate certain terms to conform to their purchasing and contracting requirements.

The Offeror shall furnish all necessary labor, materials, tools, supplies, equipment, transportation, supervision, management and shall perform all operations necessary and required for construction work. All work shall be performed in accordance with the requirements set forth in the resulting contract and each mutually agreed upon work request or purchase order issued by the Participating Public Agency. All products/materials/supplies shall be new and not previously used.

Should an Awarded Offer utilize distributors, dealers, or subcontractors, Participating Public Agencies may choose to issue work directly to the distributor, dealer, or subcontractor if allowed by the Awarded Offeror and Participating Public Agency.

Offerors are encouraged to offer turn-key solutions to address the full range of roofing products and services being sought in this solicitation, including installation, maintenance, repair, and asset management. However, offering a turn-key solution is not a requirement that must be met in order to be considered for award.

If Offeror is awarded a contract for the requested states and later decides to request additional states to work in under the contract, then a written request must be made to Region 4 ESC requesting the additional state(s). In addition, the Awarded Offeror must provide proof of license and bonding capability to work in the requested new state(s) along with proof of insurance and other relevant documents.

If an Offeror is awarded a contract for the requested states and later decides to request that additional affiliates be allowed to work on this contract, then a written request must be made to Region 4 ESC regarding the addition of the affiliate(s). Successful respondents must also submit a written request to Region 4 ESC if they wish to discontinue an affiliate from doing work on this contract. All work done under this contract by affiliates, subcontractors or other parties will be the responsibility of the primary contract holder.

Offeror should describe in its business plan how it will include and work with local subcontractors and how it will work with local architects and engineers, especially those architectural and engineering firms already working with Participating Public Agencies.

Region 4 ESC encourages the use of HUBs, MWBEs and SBEs both as prime and subcontractors. However, they must meet the same minimum standards and requirements as the Awarded Offeror. It will be the responsibility of the Awarded Offeror to pre-qualify any subcontractors. Some Participating Public Agencies will have a set goal for subcontracting requirements and will require that a plan be attached as an addendum to the purchase order outlining how the contractor will endeavor to meet their goal. Specific plans as part of the Offeror's business plan to meet these goals will be part of the overall Offeror's evaluation process as well as selection process for certain Participating Public Agencies as a requirement for their delivery orders.

Awarded Offeror(s), at its expense and included as part of overhead, will provide adequate insurance coverage meeting at a minimum the requirements of the State of Texas or the state where the job is located. The Offeror, if awarded a contract, will provide within 14 days but prior to the commencement of work, a certificate of insurance showing that Region 4 ESC has been named as an additional insured. If the member has higher insurance requirements, those requirements may be added as an addendum to the purchase order.

Recognized holidays include: Presidents Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Year's Day. Regular work hours will be 7am to 6pm local time unless otherwise agreed by the Participating Public Agency. A schedule for performance of work that can be met without planned overtime is the responsibility of the Awarded Offeror, unless otherwise requested by the owner.

JOB-ORDER-CONTRACTING DELIVERY METHOD

As appropriate and allowed by chapter 2269 of the Texas Government Code, contractors may deliver projects through the job order contracting delivery method under this contract.

PRODUCT PERFORMANCE MINIMUM REQUIREMENTS

All roof systems must meet the regulatory requirements of the International Building Code, all applicable state and local codes for public buildings, including, but not limited to, UL 790, Class A, and FM Class 1-90 Fastening Standards. The prime contractor awarded a contract will comply with the latest, most stringent industry-standard construction details published by the National Roofing Contractors Association's the NRCA Roofing and Waterproofing Manual, 5th edition. (NRCA, 10255 W. Higgins road, Suite 600, Rosemont, IL 60018 || 847-299-9070 || Fax 847-299-1183). Any deviations, such as the use of proprietary designs of the prime contractor or special construction for regional climatic conditions, must be identified and explicitly agreed to by the Participating Public Agency.

SOLAR PANEL SERVICES

Offeror may provide, but is not limited to the following, solar panel/photovoltaic (PV) systems and services as follows:

- Pre & Post Solar installation Inspections
- Product Procurement
    - Solar Slip Sheets, Solar Ballast, Solar Mounts, Solar Mounting Pads, Solar Panels
- Construction and Installation

- Solar Financing
- System Design and Layout
- Maintenance and Monitoring

ASSOCIATED PROJECT SUPPORT REQUIREMENTS

The Offeror shall remove movable furniture in the work area and place it back in the required location upon completion. The purchase, delivery and storage of project construction materials should not interfere with the Participating Public Agency's operations. Damages that occur to the Participating Public Agency's facilities or equipment must be repaired or purchased to like or better condition by the Offeror at no charge. All permits will be acquired by the Offeror and invoiced at cost as part of the purchase order, unless they are provided by the Participating Public Agency.

Region 4 ESC or its representative reserves the right to inspect any project and review the contractor's project files, documentation, and correspondence.

Utilities at the job sites will be furnished free of charge to the Offeror by the Participating Public Agency. Water will be furnished free, with all the taps, connections and associated equipment supplied free of charge to the Offeror or supplied by the Offeror and charged to the Participating Public Agency. Upon project completion, the connections will be removed at the direction of the Participating Public Agency.

It is the Offeror's responsibility to analyze their electrical needs and the ability of the Participating Public Agency's facility to accommodate this request. The electricity at the job site will be free to the Offeror. It will be the responsibility of the Offeror to coordinate his requests and needs with the Participating Public Agency. If additional capacity is required, the Offeror is responsible for arranging for the equipment, the installation and removal at his own expense. If possible, toilet facilities will be made available by the Participating Public Agency or the Offeror will make arrangements for portable toilets.

The Participating Public Agency reserves the right to require the Offeror's employees, representatives and consultants to wear identification and stay in designated work areas at all times while on the Participating Public Agency's property. The Participating Public Agency shall have the right to affect the immediate removal of any person associated with the Offeror from the Participating Public Agency's property for failure to wear identification, for being outside a designated work area, or for engaging in any behavior that the agency deems inappropriate directed toward or in the vicinity of students, employees, officials, or guests of the Participating Public Agency.

Offeror shall perform the appropriate background checks of any personnel that will be performing the services within the proximity of minors. Offeror shall notify the participating public agency of any proposed employee who has been convicted, pled guilty or pled "no contest" to a criminal offense, and the participating public agency reserves the right to reject the proposed employee with a criminal background. No person employed by the Offeror who has been found guilty of any criminal offenses shall be allowed into the work site without prior approval of the participating public agency.

Description of Products and Services Offered

(Note: Pricing is to be provided separately in the Pricing tab)

A listing of products and services that should be offered under this contract is provided in the Pricing tab, but the offering need not be limited by this listing. Offeror may provide additional products and services either in this section or the value-add section. Pricing on these non-line items products and services can be addressed through a margin, a unit price book, or any other auditable pricing mechanism. Any product or service offered must have pricing that can be audited as outlined in the Pricing section in this solicitation. Offeror may propose a Unit Price Book to be used as an alternate pricing mechanism for special situations and for JOC delivery. Provide the coefficient(s) for all applicable regions for the unit price book proposed on the final page provided in the Pricing tab.

II. CALENDAR OF EVENTS (ALL DATES ARE TENTATIVE AND SUBJECT TO CHANGE):

Event	Date
Issue RFP	May 10, 2023
Pre-proposal Conference	May 24, 2023
Deadline for receipt of questions via email	May 26, 2023
Issue Addenda (if required)	May 31, 2023
Proposal Due Date	June 20, 2023
Approval from Region 4 ESC	October 24, 2023
Contract Effective Date	November 1, 2023

III. INSTRUCTIONS TO OFFERORS

1. Key Definitions
   Contract: The legal agreement executed between Region 4 ESC and the awarded Offeror. A draft of the Contract is provided as Appendix A.
   Contractor: Any provider or seller of goods or services who, as a result of the competitive solicitation process, is awarded a Contract by Region 4 ESC.
   Days: calendar days
   Offeror: A supplier submitting a proposal in response to a solicitation.

2. Inquiries and Discrepancies: Questions regarding this solicitation must be submitted in writing to Crystal Wallace, Business Operations Specialist, at questions@esc4.net no later than May 26, 2023. All questions and answers will be posted to https://www.esc4.net/services/purchasing/region-4-omnia-solicitations. Offerors are responsible for viewing the website to review all questions and answers prior to submitting proposals. Oral communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.

3. Restricted and Prohibited Communications with Region 4 ESC**:** During the period between the date Region 4 ESC issues this RFP and the selection of the Contractor by Region 4 ESC, if any, Offerors shall restrict all contact with Region 4 ESC and direct all questions regarding this RFP, including questions regarding terms and conditions, only to the individual identified above in section "Inquiries and Discrepancies" in the specified manner. Do not contact members of the Board of Directors, other employees of Region 4 ESC or any of Region 4 ESC's agents or administrators. Contact with any of these prohibited individuals after issuance of this RFP and before selection is made, may result in disqualification of the Offeror.

   The communications prohibition shall terminate when the Contract is recommended by the administration, considered by the Board of Directors at a noticed public meeting, and the Contract has been awarded. In the event the Board of Directors refers the recommendation back to staff for reconsideration, the communications prohibition shall continue. Additionally, during the time period between the award of the Contract by the Board of Directors and the execution of the Contract, Offerors shall not engage in any prohibited communications as described in this section.

   Prohibited communications includes direct contact, discussion, or promotion of any Offeror's response with any member of Region 4 ESC's Board of Directors or employees except for communications with Region 4 ESC's designated representative as set forth in this RFP and only in the course of inquiries, briefings, interviews, or presentations. This prohibition is intended to create a level playing field for all potential Offerors, assure that decisions are made in public, and to protect the integrity of the RFP process. Except as provided in the above stated exceptions, the following communications regarding this RFP are prohibited:

   - Communications between a potential Offeror, Offeror, their lobbyist or consultant and any member of Region 4 ESC's Board of Directors;
   - Communications between any Region 4 ESC Director and any member of a selection or evaluation committee; and
   - Communications between any Region 4 ESC Director and administrator or employee.

   The communications prohibition shall not apply to the following:

- Communications with Region 4 ESC's purchasing staff specifically named and authorized to conduct and receive such communications under this RFP or upon the request of Region 4 ESC, with Region 4 ESC's legal counsel; and
- Presentations made to the Board of Directors during any duly noticed public meeting.

Nothing contained herein shall prohibit any person or entity from publicly addressing Region 4 ESC's Board of Directors during any duly noticed public meeting, in accordance with applicable Board policies, on a matter other than this RFP or in connection with a presentation requested by Region 4 ESC's representatives.

4. Current products: Proposals shall be for new materials and equipment in current production and marketed to the general public, education and government agencies at the time the proposal is submitted.

5. Proposal Format: Proposals must contain two (2) electronic copies on flash drives with signed copies of the solicitation. Offeror must also submit two (2) electronic proposals free of proprietary information to be posted, if awarded a Contract. Offerors may also provide two (2) bound and signed original copies of the solicitation, however bound copies are not required.

   Only sealed responses will be accepted. Faxed or electronically transmitted responses will not be accepted. Sealed responses may be submitted on any or all items, unless stated otherwise.

   If bound copies are provided, responses must be provided in a three-ring binder or report cover using 8.5 x 11 paper clearly identified with the name of the Offeror's company and the solicitation name and number on both the outside front cover and vertical spine.

   Tabs should be used to separate the proposal into sections. The following items identified must be included behind the tabs listed below. Each section should contain both the section of the RFP referenced and the Offeror's response to that section. Offerors failing to organize in the manner listed may be considered non-responsive and may not be evaluated.

6. **Binder Tabs:**

   Tab 1 – Draft Contract and Offer and Contract Signature Form (Appendix A)

   a. Terms and Conditions Acceptance Form (Appendix B)

   Tab 2 – Products/Pricing Tab and Pricing Coefficients

   Tab 3 – Performance Capability

   a. OMNIA Partners documents

   Tab 4 – Qualification and Experience

   a. References

   Tab 5 – Additional Required Documents (Appendix C)

   a. Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy (Appendix C, Doc #1)

b. Antitrust Certification Statement (Tex. Government Code § 2155.005) (Appendix C, Doc #2)

c. Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295) (Appendix C, Doc #3)

d. Texas Government Code 2270 Verification Form (Appendix C, Doc #4)

e. Felony Conviction Notification (Appendix C, Doc #5)

f. Any additional agreements Offeror will require Participating Agencies to sign

7. Additional Agreements: If an Offeror requires additional agreements, a copy of the proposed agreement must be included with the proposal.

8. Open Records Policy: Proposals submitted in response to this RFP become a matter of public record subject to release after Contracts are executed. If an Offeror believes its response, or parts of its response, may be exempt from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the Offeror must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Offeror must provide this information on the "Acknowledgement and Acceptance of Region 4 ESC's Open Records Policy" (Appendix C, Doc #1). Any unmarked information will be considered public information and released, if requested under the Public Information Act. Price is not confidential and will not be withheld.

   The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror or Contractor. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information. After completion of award, these documents will be available for public inspection.

9. Disclosures: By signing the Offer and Contract Signature Form, Offeror affirms:

   a) Offeror has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this proposal and any subsequent Contract.

      Offerors must include a complete description of any and all relationships that might be considered a conflict of interest in doing business with Region 4 ESC.

   b) To the best of Offeror's knowledge, the proposal has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other Offerors or potential Offerors in the award of a Contract resulting from this RFP.

   c) Offeror is not currently delinquent in the payment of any franchise taxes.

d) The individual signing the submittal is an authorized agent for the Offeror and has the authority to bind the Offeror to the Contract.

10. Waiver: By submitting a proposal, Offeror expressly agrees to waive any claim it has or may have against Region 4 ESC, its directors, officers, its trustees, or agents arising out of or in connection with (1) the administration, evaluation, recommendation of any proposal; (2) any requirements under the solicitation, proposal package, or related documents; (3) the rejection of any proposal or any part of any proposal; and/or (4) the award of a Contract, if any.

    Region 4 ESC shall not be responsible or liable for any costs incurred by Offerors or the successful Offeror in connection with responding to the RFP, preparing for oral presentations, preparing and submitting a proposal, entering or negotiating the terms of a Contract, or any other expenses incurred by an Offeror. The Offeror is wholly responsible for any such costs and expenses and shall not be reimbursed in any manner by Region 4 ESC.

11. Conditions of Submitting Proposal: Submission of a proposal confers no right on an Offeror to an award or Contract. Region 4 ESC, in its sole discretion and for any reason or no reason, reserves the rights to reject any or all proposals, accept only a part of any proposal, accept the proposal deemed most advantageous to Region 4 ESC, and waive any technicalities. The issuance of this RFP does not obligate Region 4 ESC to make an award or negotiate or execute a Contract. Prior to submission due date and time, Region 4 ESC reserves the right to amend the terms and provisions of the RFP, extend the deadline for submission of proposals, or withdraw the RFP entirely for any reason solely at Region 4 ESC's discretion. A proposal may be rejected if it fails to meet any requirement of this RFP.

12. Mailing of Proposals: All proposals submitted in response to the solicitation must be clearly identified as listed below with the solicitation number, title, name and address of the company responding. All packages must be clearly identified as listed below, sealed and delivered to the Region 4 ESC office no later than the submittal deadline assigned for this solicitation.

    From_____

    Company_____

    Address_____

    City, State, Zip _____

    Solicitation Name and Number _____Due Date and Time_____

13. Amendment of Proposal: A proposal may be amended prior to the time of opening by submitting a sealed letter to the location indicated on the front page of this solicitation.

14. Withdrawal of Proposals: Withdrawal of proposals prior to the opening date will be permitted by a written letter or electronic mail from the Offeror. Telephonic or oral withdrawals shall not be considered. After the opening date consideration may be given in cases where Offeror advises that it made a clerical error that is substantially lower than it intended. In such case, Offeror must provide written notice of their desire to withdraw, along with supporting documents, within 3 business days of receiving the acceptance letter or of being requested by Region 4 ESC for clarification of the proposal, whichever is later. Any Contract entered into prior to Region 4 ESC receiving notice must be honored. No Offeror should assume their

withdrawal request has been accepted unless, and until, they receive written acknowledgment and acceptance of their proposal withdrawal.

15. Offer and Acceptance Period: In order to allow for an adequate evaluation, Region 4 ESC requires a proposal in response to this RFP to be valid and irrevocable for one-hundred twenty (120) days after the proposal due date and time.

16. Non-Responsive Proposals: All proposals will be reviewed for responsiveness to the material requirements of the solicitation. A proposal that is not materially responsive shall not be eligible for further consideration for award of the Contract, and the Offeror shall receive notice of the non-award of its proposal.

17. Discussions: Region 4 ESC reserves the right to conduct discussion with Offerors for the purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the proposal in order to clarify a proposal and assure full understanding of, and responsiveness to, the RFP requirements.

18. Negotiations: In the event Region 4 ESC decides to conduct negotiations, exclusive or concurrent negotiations may be conducted with Offerors reasonably susceptible for award. During the course of negotiations, no Offeror's proposal, including pricing, shall be revealed to any other Offeror or to any other person who is not involved with the evaluation process. Exclusive or concurrent negotiations shall not constitute a Contract award, nor shall it confer any property rights to the successful Offeror. In the event Region 4 ESC deems negotiations are not progressing, Region 4 ESC may formally terminate these negotiations and may enter into subsequent exclusive or concurrent negotiations with the next most qualified Offeror(s).

19. Best and Final Offer: Region 4 ESC, in its sole discretion, may request Offerors reasonably susceptible for award to submit a Best and Final Offer. Offerors must submit their Best and Final Offers in writing. If an Offeror does not respond to the request for a Best and Final Offer, that Offeror's most recent prior submission will be considered its Best and Final Offer.

20. Specifications: When a solicitation contains a specification that states no substitutions, no deviation from this requirement will be permitted. Offeror must comply with the true intent of the specifications and drawings and not take advantage of any unintentional error or omission. In cases where no type and kind of product is specified, specifications have been developed to indicate minimal standards as to the usage, materials, and contents based on the needs of the members. References to manufacturer's specifications ("Design Guides"), when used by Region 4 ESC, are to be considered informative to give the Offeror information as to the general style, type and kind requested. Responses proposing goods, materials or equipment regularly produced by a reputable manufacturer shall be evaluated by Region 4 ESC which will, in its sole discretion, determine whether such proposed goods, materials or equipment are substantially equivalent to the Design Guides, considering quality, workmanship, economy of operation, and suitability for the purpose intended. Offerors should include all documentation required to evaluate whether or not their proposed goods, materials or equipment are substantially equivalent to the Design Guides.

21. Quality of Materials or Services: Offeror shall state the brand name and number of the materials being provided. If none is indicated, it is understood that the Offeror is proposing the exact brand name and number specified or mentioned in the solicitation. However, unless specifically stated otherwise, comparable substitutions will be permitted in cases where the material is equal to that specified, considering quality, workmanship, economy of operation and suitability for the purpose intended.

22. Samples: Upon request, samples shall be furnished, free of cost, within seven (7) days after receiving notice of such request. By submitting the proposal Offeror certifies that all materials conform to all applicable requirements of this solicitation and of those required by law. Offeror agrees to bear the costs for laboratory testing, if results show the sample does not comply with solicitation requirements. Submissions may no longer be considered for failing to submit samples as requested.

23. Formation of Contract: A response to this solicitation is an offer to contract with Region 4 ESC based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation does not become a Contract until it is awarded by Region 4 ESC. A Contract is formed when Region 4 ESC's board signs the Offer and Contract Signature Form. The signed Offer and Contract Signature Form provided with the RFP response eliminates the need for a formal signing process.

24. Multiple Awards: Region 4 ESC reserves the right to award Contract(s) to multiple Offerors. The decision to award multiple Contracts, award only one Contract, or to make no awards rests solely with Region 4 ESC.

25. Non-Exclusive: Any Contract resulting from this solicitation shall be awarded with the understanding and agreement it is for the sole convenience and benefit of Region 4 ESC. Region 4 ESC reserves the right to obtain like goods and services from other sources.

26. Protest Procedure: Any protest of an award or proposed award must be filed in writing within ten (10) days from the date of the official award notification and must be received by 5:00 pm Central Time. No protest shall lie for a claim that the selected Offeror is not a responsible Offeror. Protests shall be filed with Robert Zingelmann, Chief Financial Officer, Finance and Operations Services, and sent to the Region 4 ESC office at: 7145 West Tidwell Road, Houston, TX 77092. Protests shall include the following:

    a) Name, address and telephone number of protester;
    b) Original signature of protester or its representative;
    c) Identification of the solicitation by RFP number;
    d) Detailed statement of legal and factual grounds including copies of relevant documents; and
    e) the form of relief requested.

    Any protest review and action shall be considered final with no further formalities being considered.

IV. EVALUATION PROCESS AND CRITERIA

1. Region 4 ESC will conduct a comprehensive, fair and impartial evaluation of submittals received in response to this request. A committee will review and evaluate all responses and make a recommendation for award of Contract(s). The recommendation for Contract awards will be based on the predetermined criteria factors outlined in this section, where each factor is assigned a point value based on its importance. Experiences with Region 4 ESC and entities that evaluation committee members represent may be taken into consideration when evaluating qualifications and experience. In evaluating the responses, the following predetermined criteria is considered:

   a) Products/Pricing (40 Points)
   b) Performance Capability (30 Points)
   c) Qualification and Experience (20 Points)
   d) Value Add (10 Points)

2. Offeror's proposal should, at a minimum, include the following for Region 4 ESC's evaluation:

   a) Products/Pricing

   i. Offerors shall provide pricing based on a discount from a manufacturer's price list or catalog, or fixed price, or a combination of both with indefinite quantities. Prices listed will be used to establish the extent of a manufacturer's product lines, services, warranties, etc. that are available from Offeror and the pricing per item. Multiple percentage discounts are acceptable if, where different percentage discounts apply, the different percentages are specified. Additional pricing and/or discounts may be included. Products and services proposed are to be priced separately with all ineligible items identified. Discounts proposed shall remain the same throughout the term of the contract and at all renewal options. At a minimum the Awarded Offeror must hold the proposed price list firm for the first 12 months after the contract award. Offerors may elect to limit their proposals to any category or categories. Services such as installation, delivery, technical support, training, and other services must be priced or listed as free in order to be offered on the contract. Unlisted services will not be accepted.

   ii. Offerors shall complete and provide pricing and pricing coefficients in the Pricing Tab attached herein.

   iii. Is pricing available for all products and services?

   iv. Provide pricing for warranties on all products and services.

   v. Describe any additional discounts or rebates available. Additional discounts or rebates may be offered for large projects, single ship to location, growth, annual spend, guaranteed quantity, etc.

   vi. Describe how customers verify they are receiving Contract pricing.

   vii. Describe payment methods offered.

   viii. Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category discounts should not change over the term of the Contract.

ix. Describe how future product introductions will be priced and align with Contract pricing proposed.

x. Quality Assurance/Quality Control Program - Offeror shall submit a QA/QC plan within with their submittal. This plan shall detail the day-to-day surveillance of work and provide documentation of deficiencies and corrective actions. It should note subcontractor compliance issues and trend analysis and how inspectors will interface and work with both the subcontractors and the Participating Public Agency's staff.

xi. Provide any additional information relevant to this section.

Special Offers/Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, Contractor may conduct sales promotions involving price reductions for a specified lesser period. Contractor may offer Participating Agencies competitive pricing which is lower than the not-to-exceed price set forth herein at any time during the Contract term and such lower pricing shall not be applied as a global price reduction under the Contract.

Not to Exceed Pricing. Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary pricing structure is not acceptable.

Federal Funding Pricing**.** Due to products and services potentially being used in response to an emergency or disaster recovery situation in which federal funding may used, provide alternative pricing that does not include cost plus a percentage of cost or pricing based on time and materials; if time and materials is necessary, a ceiling price that the contract exceeds at its own risk will be needed. Products and services provided in a situation where an agency is eligible for federal funding, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited to the FEMA Special Conditions section located in the Federal Funds Certifications Exhibit.

b) Performance Capability

i. Include a detailed response to Appendix D, Exhibit A, OMNIA Partners Response for National Cooperative Contract. Responses should highlight experience, demonstrate a strong national presence, describe how Offeror will educate its national sales force about the Contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.

ii. The successful Offeror will be required to sign Appendix D, Exhibit B, OMNIA Partners Administration Agreement prior to Contract award. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to OMNIA Partners

Administration Agreement on Appendix B, Terms and Conditions Acceptance Form.

iii. Include completed Appendix D, Exhibits F. Federal Funds Certifications and G. New Jersey Business Compliance.
iv. Describe how Offeror responds to emergency services request.
v. Describe Offeror's ability to meet service and warranty needs.
vi. Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.
vii. Describe Offeror's invoicing process. Include payment terms and acceptable methods of payments. Offerors shall describe any associated fees pertaining to credit cards/p-cards.
viii. Describe Offeror's contract implementation/customer transition plan.
ix. Describe the financial condition of Offeror.
x. Provide a website link in order to review website ease of use, availability, and capabilities related to ordering, returns and reporting. Describe the website's capabilities and functionality.
xi. Describe the Offeror's safety record.
xii. Performance Bond Plan - Offeror shall submit a detailed performance bond plan that will meet the Participating Public Agency's local and state statutory requirements. The Offeror is required to be knowledgeable and current on all statutory requirements for bonding. This should include, but is not limited to, a letter from a surety company that is licensed to do business in the states being proposed in the submittal. Offerors shall also provide a written statement acknowledging that they can provide surety letters for any affiliates to Region 4 ESC or participating agencies upon request. Offerors may need to provide additional capacity as work orders increase. Bonds will not require that a fee be paid to Region 4 ESC. The actual cost of the bond will be a pass-through expense to the Participating Public Agency and added to the purchase order.
xiii. Safety/Environmental Plan - Offeror shall submit a detailed safety plan with their submittal. It should specifically address how the Offeror will implement this plan with the subcontractors. The safety plan will need to address OSHA compliance, environmental compliance, drug testing, trend analysis and noncompliance corrective action. It should also state whether a safety officer will interact with the Participating Public Agency's staff and management of safety and environmental issues while working in occupied areas.
xiv. Provide any additional information relevant to this section.

c) Qualification and Experience

i. Provide a brief history of the Offeror, including year it was established and corporate office location.
ii. Describe Offeror's reputation in the marketplace.
iii. Describe Offeror's reputation of products and services in the marketplace.
iv. Describe the experience and qualification of key employees.
v. Describe Offeror's experience working with the government sector.

vi. Describe past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.

vii. References: Provide a minimum of 5 public agency customer references relating to the products and services within this RFP. Two (2) of these customer references should be for projects delivered through the job order contracting (JOC) delivery method. All references should be for services within the past three (3) years. Include entity name, contact name and title, contact phone and email, city, state, years serviced, description of services and annual volume.

viii. Subcontracting Plan and/or Explanation of Applicable Affiliate Relationships - Offeror shall submit a subcontracting plan with their submittal. This plan will explain the subcontracting procedures providing assurances that the subcontractors meet the same high standards as the contractor. This will include a subcontractor's log, subcontractor qualification form, felony conviction notice and child and sex offender notice. This plan will also address how the Offeror will implement this safety plan with subcontractors (may reference the Offeror's safety plan). The subcontractors will be held to the same standards as the Awarded Offeror.

A distinct portion of the subcontracting plan must deal with attracting, utilizing and mentoring small and disadvantaged businesses including how your company will attract these firms. Describe how your company will institute a prompt payment plan upon completion and acceptance of their work and how your company will make progress payments to subcontractors on long term job orders.

The Offeror shall submit a plan detailing the relationship with any applicable affiliates that may do work under this contract. This submittal should include, but is not limited to, work history, credentials, PO processes, and process to maintain upstanding workmanship and service.

ix. Provide any additional information relevant to this section.

d) Value Add

i. Provide any additional information related to products and services Offeror proposes to enhance and add value to the Contract.

3. Competitive Range: It may be necessary to establish a competitive range. Factors from the predetermined criteria will be used to make this determination. Responses not in the competitive range will not receive further award consideration. Region 4 ESC may determine establishing a competitive range is not necessary.

4. Past Performance: An Offeror's past performance and actions are relevant in determining whether or not the Offeror is likely to provide quality goods and services; the administrative aspects of performance; the Offeror's history of reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Offeror's businesslike concern for the interests of the customer may be taken into consideration when evaluating proposals, although not specifically mentioned in the RFP.

5. Additional Investigations: Region 4 ESC reserves the right to make such additional investigations as it deems necessary to establish the capability of any Offeror.

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
	Water Resistant Roofing		
1	Pressure cleaning, vertical walls	SF	
2	Pressure cleaning, horizontal surfaces	SF	
3	Roof scanning to identify wet or substandard room components to be removed	SF	
4	Asphalt emulsion coating, waterproofing, brush applied, per coat	SF	
5	Rubberized coating waterproofing, brush applied, per coat	SF	
6	Vinyl/acrylic resin, damp proofing, brush applied per coat.	SF	
7	Non-pigmented synthetic resin, waterproofing, one coat sprayed on	SF	
8	Caulking: remove existing, clean and prime joint	LF	
9	Caulking, epoxied urethane compound, 2 component, 1/4” x 1/4”, in place	LF	
10	Caulking, polyurethane, 1 component, 1/4” x 1/4”, in place	LF	
11	Caulking, polyurethane, 1 component, 1/2” x 1/2”, in place	LF	
12	Caulking, silicone rubber, 1 component, 1/4” x 1/4”, in place	LF	
13	Caulking, epoxied urethane compound, 2 component, 1/4” x 1/4”, in place	LF	
14	Caulking, silicone rubber, 1 component, 3/4” x 3/8”, in place	LF	
15	Backer rod, polyethylene, 3/8” diameter, installed in prepared opening	LF	
16	Backer rod, polyethylene, 1/2” diameter, installed in prepared opening	LF	
17	Backer rod, polyethylene, 3/4” diameter, installed in prepared opening	LF	
18	Backer rod, polyethylene, 1” diameter, installed in prepared opening	LF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
19	Building paper, asphalt felt sheathing paper, 1 ply, 15#, in place	SF	
20	Building paper, asphalt felt sheathing paper, 1 ply, 40#, in place	SF	
21	Building paper, red rosin paper, 5 square rolls, 4#, in place	SF	
22	Vapor retarder adhered, 2 ply inorganic, glass Type 15, applied in Type IV (or appropriate type) asphalt, in place	SF	
23	Vapor retarder, 2 ply organic, Type 15 pound, applied in Type IV asphalt (or appropriate type), in place	SF	
24	Vapor retarder; 2-ply inorganic, glass, Type IV, applied in cold adhesive to 4’ x 8’ x 1/4” glass-mat embedded, water resistant gypsum core panel mechanically fastened	SF	
	Insulation		
1	Demolition of roof insulation, per inch of depth	SF	
2	Demolition of lightweight cementitious fills, per inch of depth	SF	
3	Roof deck insulation, Isocyanurate in 4’ x 4’ or 4’ x 8’ sheets with fiberglass facers, 1” thick, R-6.6, applied Type IV asphalt		
3a	Hot applications	SF	
3b	Cold applications	SF	
4	Roof deck insulation, Isocyanurate in 4’ x 4’ or 4’ x 8’ sheets with fiberglass facers, 1 1/2” thick, R-10.0, applied Type IV asphalt		
4a	Hot applications	SF	
4b	Cold applications	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
5	Roof deck insulation, Isocyanurate in 4’ x 4’ or 4’ x 8’ sheets, 1” thick, R-6.6, mechanically fastened	SF	
6	Roof deck insulation, Isocyanurate in 4’ x 4’ or 4’ x 8’ sheets with fiberglass facers, 1 1/2” thick, R-10.0, mechanically fastened	SF	
7	Roof deck insulation, fiberboard in 4’ x 4’ sheets, 1/2” thick, R-1.39, applied Type IV asphalt		
7a	Hot applications	SF	
7b	Cold applications	SF	
8	Roof deck insulation, fiberboard in 4’ x 8’ sheets, 25/32” thick, R-2.4, installed hot/cold or mechanically attached coated six sides		
8a	Hot applications	SF	
8b	Cold applications	SF	
8c	Mechanically attached	SF	
9	Roof deck insulation, fiberboard in 4’ x 4’, 1” thick, R-2.78, applied Type IV asphalt (or appropriate asphalt), coated six sides		
9a	Hot applications	SF	
9b	Cold applications	SF	
10	Roof deck insulation, fiberboard in 4' x 4' sheets, 1/2” thick, R-1.39, mechanically fastened, coated six sides	SF	
11	Roof deck insulation, fiberboard in 4’ x 4’, 1” thick, R-2.78, mechanically fastened, coated six sides	SF	
12	Roof deck insulation, lightweight cellular wire reinforced concrete fill, R-value depending on thickness, per inch of depth	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
13	Roof deck insulation, vermiculite at 1/8:12, R-value depending on thickness, per inch of depth	SF	
14	Roof deck insulation, vermiculite at 1/4:12, R-value depending on thickness, per inch of depth	SF	
15	Roof deck insulation, gypsum panels, 3” thick	SF	
16	Roof deck insulation, Isocyanurate (black facer only), tapered, 1/8” per foot slope, Type IV asphalt, per inch of depth	SF	
17	Roof deck insulation, Isocyanurate (black facer only), tapered, 1/4” per foot slope, Type IV asphalt, per inch of depth	SF	
18	Cold insulation adhesive	SF	
19	CDX Gypsum, 1/4" x 4' x 8'		
19a	Mechanically attached	SF	
19b	Set into adhesive	SF	
20	CDX Gypsum, 1/2" x 4' x 8'		
20a	Mechanically attached	SF	
20b	Set into adhesive	SF	
21	CDX Gypsum with fiberglass, facer: 1/4" x 4' x 8'		
21a	Mechanically attached	SF	
21b	Set into adhesive	SF	
22	CDX Gypsum with fiberglass facer: 1/2” x 4’ x 8’		
22a	Mechanically attached	SF	
22b	Set into adhesive	SF	
	Roof Tiles and Shingles		
1	Remove composition shingles and felts to decking	SF	
2	Test for asbestos prior to removal	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
3	Remove clay, concrete, or slate roof tiles to decking	SF	
4	Remove wood shingles and felts to decking	SF	
5	Shingles, fiberglass, Class A, 25-year strip shingles, slopes 3:12 or greater	SF	
6	Shingles, fiberglass, Class A, 30-year, premium laminated multilayered	SF	
7a	Replace clay or concrete roof tiles	Each	
7b	Replace/repair other shingles	Each	
8	Self-adhering ice and water shield membrane for shingles, tiles, metal waterways, penetrations, valleys, ridges, edges, etc.	SF	
	Roofing and Roof Restoration		
1	Remove built-up roof, multi-ply aggregate, non-asbestos, 1" thick or less	SF	
2	Remove single-ply roof: ballast, and membrane only	SF	
3	Remove single-ply roof, membrane partially or fully adhered	SF	
4	Remove single-ply roof, membrane mechanically attached	SF	
5	Remove copper sheet roofing	SF	
6	Base sheet, 3-ply fiberglass, Type IV (or appropriate type) asphalt (17 year roof)	SF	
7	Base sheet, 4-ply fiberglass, mechanically attached (17-year roof)	SF	
8	Fiberglass cap finishing membrane	SF	
9	Base sheet with 2 ply, fiberglass felts, Type IV asphalt (or appropriate type)	SF	
10	Base sheet with 3 ply, fiberglass felts, Type IV asphalt (or appropriate type)	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
11	Base sheet mechanically attached with 4 ply, Type VI fiberglass felts, Type IV (or appropriate type) asphalt	SF	
2	Nail base sheet, 3 ply Type VI fiberglass felts, fiberglass cap, Type IV (or appropriate type) asphalt.	SF	
13	Base sheet with 4 ply; 2 polyester and 2 fiberglass felts, Type IV (or appropriate type) asphalt (20 year roof)	SF	
14	Built-up roof, base sheet with 3 ply polyester roofing sheet, Type IV (or appropriate type) asphalt (20 year roof)	SF	
15	Built-up roof, base sheet with 3 ply Type GS fiberglass, cold process adhesive (20 year roof)	SF	
16	Built-up roof base sheet plus 4 ply Type G2 fiberglass, cold process adhesive (30 year roof)	SF	
17	Built-up roof, base sheet, 1 ply Type VI fiberglass, 1 ply modified bitumen sheet, fire rated, Type IV asphalt (15 year roof)	SF	
18	Built-up roof, base sheet, 2 ply polyester roofing sheet, 1 ply modified bitumen sheet, fire rated, Type IV asphalt (or appropriate type) (20 year roof)	SF	
19	Built-up roof, base sheet, G-2, 33 lb., mechanically attached	SF	
20	Built-up roof, base sheet, G-2, 33 lb., Type IV asphalt	SF	
21	Built-up roof, premium asphalt, added cost per ply per square foot	SF	
22	Built-up roof, modified bitumen adhesive, added cost per ply per square foot	SF	
23	Built-up roof, surface with cold asphaltic surfacing adhesive and gravel	SF	
24	Built-up roof, surface with emulsion and granules	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
25	Built-up roof, surface with emulsion and aluminum coating	SF	
26	Built-up roof, surface with emulsion and white elastomeric coating	SF	
27	Built-up roof, surface with aluminum coating or paint	SF	
28	Built-up roofing, surface with high solids white elastomeric coating	SF	
29	Built-up roofing repairs; fibered asphalt mastic, brush grade, with fiberglass mesh.	SF	
30	Built-up roofing repairs; pitch-based mastic, with fiberglass mesh	SF	
31	Built-up roofing repairs; elastomeric mastic, with fiberglass mesh	SF	
32	Built-up roofing restoration, coal tar pitch roofs	SF	
33	Built-up roofing restoration, odorless, coal tar pitch or asphalt roofs	SF	
34	Single-ply roof, CSPE, 45 mils reinforced, asbestos free, mechanically fastened	SF	
35	Single-ply roof, CSPE, 60 mils reinforced, asbestos free, mechanically fastened	SF	
36	Single-ply roofing repairs (CSPE, PVC, and EPDM)		
36a	CSPE	SF	
36b	PVC	SF	
36c	EPDM	SF	
37	Flashing membrane, 2 ply, Type IV or Type VI fiberglass	SF	
38	Flashing membrane, 1 ply polyester and 1 ply modified bitumen	SF	
39	Flashing membrane, 2 ply, polyester	SF	
40	Flashing membrane, CSPE	SF	
41	Flashing membrane, CSPE with aluminum coating	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
42	Polyurethane foam roofing	SF	
43	Additional Polyurethane foam coating	SF	
44	Single-ply roof, EDPM, 45 mils reinforced, mechanically fastened	SF	
45	Single-ply roof, EDPM, 60 mils fully adhered	SF	
46	Built-up roof, base sheet with 3 ply trilaminate ply, cold process adhesive (25 year roof)	SF	
47	Built-up roof, surface with premium asphalt, and gravel.	SF	
48	Built-up roof, surface with Fire Retardant Aluminum coating or paint, single coat	SF	
49	Modified Bitumen roof, base sheet, cap sheet, cold Modified Bitumen Adhesive	SF	
50	Built-up roof, 3 ply fiberglass felts, Type IV asphalt	SF	
51	Single ply Roof, 45 mils fully adhered with bonding adhesive	SF	
52	Single ply roof, TPA Fleece Back, 45 mils fully adhered with hot asphalt	SF	
53	Single ply roof, 45 mils mechanically attached	SF	
54	Base sheet mechanically attached with 3 ply fiberglass felts, Type 1 - Coal Tar Pitch	SF	
55	Base sheet mechanically attached with 3 ply Organic felts, Type 1 - Coal Tar Pitch	SF	
56	Built-up roof, 4 ply Fiberglass felts, Type 1 Coal Tar Pitch	SF	
57	Build-up roof, 4 ply Organic felts, Type 1 Coal Tar Pitch	SF	
58	Built-up roof, surface with hot Coal Tar Pitch and gravel	SF	
59	Single ply repairs using 2 coat polyurethane, elastomeric coating system	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
60	Single ply repairs at laps or defects using 2 coats elastomeric coating system with reinforcement	SF	
61	Single ply roof, TPA fleece back, 60 mils fully adhered with hot asphalt	SF	
62	Single ply roof 60 mils fully adhered with bonding adhesive	SF	
63	Built-up roof, 1 ply Trilaminate, 1 ply Modified Bitumen Sheet, fire rated	SF	
	Masonry		
1	Brick, remove and reset, 1 to 50 sq ft	SF	
2	Brick, remove and reset, over 50 sq ft	SF	
3	Block, remove and reset	SF	
4	Coping stones, remove and reset	Each	
5	Brick, block or coping removal	Each	
6a	Brick, block and brick exterior wall maintenance, repair and application of protective coatings.		
6b	Selective Demolition of Concrete Block Masonry Units (CMU) with perimeter saw cutting- swingstage 4", 6" and 8" block (high-rise)	Each	
6c	Selective Demolition of Brick Masonry Units with perimeter saw cutting - swingstage one, two, and three wythe (high-rise)	SF	
6d	Selective Demolition of Brick Masonry Units with perimeter saw cutting - scaffolding one, two and three wythe (low-rise)	SF	
7	Selective Demolition of Mortar Joint with Perimeter Sawcutting – Swingstage (high-rise)		
7a	Removal of existing mortar (½" wide by ¾" depth)	SF	
7b	Removal of existing mortar (¾" wide by ¾" depth)	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
7c	Removal of existing mortar (½" wide by 1½" depth)	SF	
7d	Removal of existing mortar (¾" wide by 1½" depth)	SF	
8	Selective Demolition of Mortar Joint with Perimeter Sawcutting – Scaffolding (low-rise)		
8a	Removal of existing mortar (½" wide by ¾" depth)	SF	
8b	Removal of existing mortar (¾" wide by ¾" depth)	SF	
8c	Removal of existing mortar (½" wide by 1½" depth)	SF	
8d	Removal of existing mortar (¾" wide by 1½" depth)	SF	
9	New Pointing Work – Swingstage (high-rise)		
9a	Furnish and install new mortar (½" wide by ¾" depth)	SF	
9b	Furnish and install new mortar (¾" wide by ¾" depth)	SF	
9c	Furnish and install new mortar (½" wide by 1 ½" depth)	SF	
9d	Furnish and install new mortar (¾" wide by 1 ½" depth)	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
10	New Pointing Work – Scaffolding (low-rise)		
10a	Furnish and install new mortar (½" wide by ¾" depth)	SF	
10b	Furnish and install new mortar (¾" wide by ¾" depth)	SF	
10c	Furnish and install new mortar (½" wide by 1 ½" depth)	SF	
10d	Furnish and install new mortar (¾" wide by 1 ½" depth)	SF	
11	Removal of Roof Parapets – Swingstage (high-rise)		
11a	Removal of 3 wythe brick parapet wall (24" high)	SF	
11b	Removal of 3 wythe brick parapet wall (42" high)	SF	
11c	Removal of 2 wythe brick parapet wall (24" high)	SF	
11d	Removal of 3 wythe brick parapet wall (42" high)	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
12	Removal of Roof Parapets – Scaffolding (low-rise)		
12a	Removal of 3 wythe brick parapet wall (24” high)	SF	
12b	Removal of 3 wythe brick parapet wall (42” high)	SF	
12c	Removal of 2 wythe brick parapet wall (24” high)	SF	
12d	Removal of 3 wythe brick parapet wall (42” high)	SF	
13	Reconstruction of Brick Masonry Roof Parapets – Swingstage (high-rise)		
13a	New brick masonry parapet w/stone coping and flashings (3 wythe - 24” high)	SF	
13b	New brick masonry parapet w/stone coping and flashings (3 wythe - 42” high)	SF	
13c	New brick masonry parapet w/stone coping and flashings (2 wythe - 24” high)	SF	
13d	New brick masonry parapet w/stone coping and flashings (2 wythe - 42” high)	SF	
14	Reconstruction of Brick Masonry Roof Parapets – Scaffolding (low-rise)		

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
14a	New brick masonry parapet w/stone coping and flashings (3 wythe - 24" high)	SF	
14b	b) New brick masonry parapet w/stone coping and flashings (3 wythe - 42" high)	SF	
14c	c) New brick masonry parapet w/stone coping and flashings (2 wythe - 24" high)	SF	
14d	d) New brick masonry parapet w/stone coping and flashings (2 wythe - 42" high)	SF	
15	New Throughwall Flashings – Swingstage (high-rise)		
15a	Removal of 4 courses 1 wythe brick wall w/Temporary Shoring	SF	
15b	Removal and replacement of steel lintel	SF	
15c	Furnish and install new flashings (Bituthane)	SF	
15d	Furnish and install new flashings (Lead coated copper)	SF	
15e	Parging and waterproofing of back-up wall	SF	
16	New Throughwall Flashings – Scaffolding (low-rise)		
16a	Removal of 4 courses 1 wythe brick wall w/Temporary Shoring	SF	
16b	Removal and replacement of steel lintel	SF	
16c	Furnish and install new flashings (Bituthane)	SF	
16d	Furnish and install new flashings (Lead coated copper)	SF	
16e	Parging and waterproofing of back-up wall	SF	
17	Brick Masonry/Stone Stabilization		

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
17a	Drilling and installation of new friction pins with mortar cap	SF	
17b	Drilling and installation of new friction pins for lime stone with mortar cap	SF	
18	Limestone Removal and Replacement.		
18a	Removal of existing deteriorated architectural limestone	SF	
18b	Furnish and install new limestone replacement.	SF	
18c	Replacement of stone with lightweight polymer resin to match	SF	
18d	Minor patching of existing stone to match	SF	
19	Terra Cotta Removal and Replacement.		
19a	Removal of existing deteriorated architectural Terra Cotta	SF	
19b	Furnish and install new Terra Cotta replacement.	SF	
19c	Replacement of stone with lightweight polymer resin to match	SF	
19d	Minor patching of existing stone to match	SF	
20	Roof Coping Stones.		
20a	Removal of existing roof coping stones (16 inches)	SF	
20b	Removal and parging of existing substrate	SF	
20c	Furnish and install new lead coated copper flashings	SF	
20d	Drilling and epoxy grouting stainless steel pins	SF	
20e	Reinstallation of existing stones with cleaning	SF	
20f	Furnish and install new coping stones	SF	
20g	Furnish and install new sealants between coping stones.	SF	
20h	Cleaning and coating of existing stones.	SF	
21	CMU Backup Wall Repair and Waterproofing.		

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
21a	Replacement of Deteriorated CMU Back-up	SF	
21b	Parging of CMU back-up wall	SF	
21c	Waterproofing of back-up wall	SF	
22	Brick Masonry Piers		
22a	Isolated repair of existing masonry piers (removal and replacement)	SF	
22b	Reconstruction of isolated areas of pier	SF	
22c	Construction of new masonry piers.	SF	
23	Crack Repair		
23a	Drill and install new stainless steel pins.	Each	
23b	Grouting of open cracks	SF	
23c	Replacement of cracked bricks	SF	
24	Concrete Removal		
24a	Perimeter sawcutting	SF	
24b	Removal of existing concrete (2” depth).	SF	
24c	Removal of existing concrete (3.5” depth).	SF	
25	New Concrete and Coating		
25a	Placement of new high strength patching mortar (2” depth)	SF	
25b	Placement of new high strength patching mortar (3.5” depth).	SF	
25c	Cleaning and coating of concrete surface.	SF	
25d	Sidewalk Bridging.	SF	
25e	Temporary Roof Protection	SF	
26	**Metal Work**		
26a	Remove standard metal decking	SF	
26b	Install metal decking; 1-1/2" deep, 20 gauge, standard profile	SF	
27	Install steel plate, two sizes	SF	
27a	10 Gauge, standard application	SF	
27b	Extra heavy-duty 1/4th inch	SF	
28	Remove metal counterflashing	LF	
28a	Counterflashing, galvanized, 24 gauge, 6" width	LF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
28b	Counterflashing, copper, 16 oz., 6" width	LF	
29	Remove metal edge, gravel stop, eave strip, or coping	LF	
29a	Metal edge raised, galvanized steel fascia/eave drip; 6" face, hemmed, continuous cleat, 3" deck flange	LF	
29b	Gravel stop, galvanized steel, 24 gauge, 6" face	LF	
30	Remove metal gutter	LF	
30a	Gutter, galvanized steel, ASTM 526, with 12.5oz./square foot galvanized coating, 24 gauge, 5" box or ogee style, joints and end caps shall be soldered	LF	
30b	Gutter, aluminum, .050" thick 5" box or ogee, painted, Kynar finish	LF	
30c	Gutter, copper, 16 oz, half round, 5" wide	LF	
30d	Gutter, copper, 16 oz, half round, 6" wide	LF	
31	Remove metal downspouts	LF	
31a	Downspouts, aluminum, .024" thick, 3" x 4", painted, installed	LF	
31b	Downspouts, GI, 24 gauge 3" x 4" installed	LF	
31c	Downspouts, GI, 24 gauge, 4" round, installed	LF	
31d	Downspouts, copper, 16 oz., 6" round, installed	LF	
31e	Downspouts, strainer	Each	
31f	Metal flashing, apron flashing, 9" wide	LF	
31g	Metal flashing, step flashing	Each	
31h	Metal splash pan, 16 oz.	Each	
31i	Metal trim, aluminum, .032" thick, painted	SF	
31j	Metal storm collar	Each	
31k	Metal coping, galvanized steel, 24 gauge, standing seam	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
31L	Metal coping, galvanized steel, 24 gauge, with butt plate	SF	
31m	Resolder joints in sheet metal	LF	
31n	Metal edge, aluminum, 0.50 thick 6" face painted	SF	
31n	Metal edge, aluminum, free floating fascia system	SF	
31o	Parapet wall metal	SF	
31p	Metal edge, anodized finished aluminum, free floating fascia system 8 inches	SF	
31q	Metal edge, high performance fluorocarbon finished aluminum, free floating fascia system 8 inches	SF	
31r	Metal edge, anodized finished aluminum, free floating fascia system 6 inches	SF	
31s	Metal edge, high performance fluorocarbon finished aluminum, free floating fascia system 6 inches	SF	
32	New Aluminum Metal Cladding		
32a	Furnish and install new uninsulated aluminum wall cladding	SF	
32b	Furnish and install new insulated aluminum wall cladding	SF	
32c	Furnish and install new insulated aluminum wall cladding panels (Architecture	SF	
32d	Cladding of roof parapet walls with copings.	SF	
33	New Exterior Insulation and Finish System (EIFS)		
33a	New Exterior Insulation and Finish System (EIFS)	SF	
33b	New Exterior Insulation Finish System (EIFS) w/o insulation	SF	
33c	New Metal Copings.	SF	
34	Surface Preparation		
34a	Cleaning of existing steel and surface.	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
34b	Coating of existing reinforcement	SF	
34c	Exterior rated gypsum board sheathing and substrate	SF	
35	**Woodwork**		
35a	Demolition of plywood or standard 1” x 6” decking	SF	
35b	Demolition of standard 2” x 6” tongue and groove decking	SF	
35c	Plywood decking, CDX, 1/2” thick (or 15/32" optional)	SF	
35d	Plywood decking, CDX, 5/8” thick	SF	
35e	Plywood decking, CDX, 3/4” thick	SF	
35f	Standard 1” x 6” decking, tongue and groove	SF	
35g	Standard 2” x 6” tongue and groove decking	SF	
35h	Cants, wood fiber, trapezoidal, 1 1/2” x 5 5/8”	LF	
35i	Cants, SBX treated wood, 4” x 4” diagonal	LF	
35j	Nailer, SBX treated wood, 1” x 4”	LF	
35k	Nailer, SBX treated wood, 2” x 4”	LF	
36	Nailer, SBX treated wood		
36a	2" x 6"	LF	
36b	2" x 8" optional	LF	
36c	Curbing, SBX treated wood, 2” x 12”	LF	
37	Joist, fir		
37a	2” x 6”	LF	
37b	2" x 8" optional	LF	
38	Joist, fir		
38a	2" x 10"	LF	
38b	2" x 12" optional	LF	
39	**Standing Seam Metal Roof System (SSMRS) Price Each Specification Using Line Items**		

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
39a	Pre-Engineered SSMRS, products (20-year roof)	SF	
39b	Subpurlins	LF	
39c	Roof panel installation	SF	
39d	Field forming of panels	SF	
39e	Concealed anchor clips	Each	
39f	Vapor retarder installation	SF	
39g	Insulation installation	SF	
39h	Gutters (SSMRS only)	LF	
39i	Gutter liners	SF	
39j	Flashing	LF	
39k	Expansion joints	LF	
40	Finishing touches (no additional cost in contract)		
40a	Snow retention assemblies	LF	
40b	Self-adhering ice and water shield membrane for shingles, tiles, metal waterways, penetrations, valleys, ridges, edges, etc.	LF	
41	**Roof Specialties and Accessories**		
41a	Remove roof hatch	Each	
41b	Roof hatch, aluminum, 2’6” x 3’0”	Each	
41c	Roof hatch, aluminum, larger sizes	SF	
41d	Remove existing roof drain, except plumbing	Each	
41e	Install new roof 4" drain, except plumbing	Each	
41f	Install new roof 6" drain, except plumbing	Each	
41g	Reflash existing roof drain	Each	
41h	Plumbing stack, 4# lead flashing	Each	
41i	Scupper, sheet steel, 24 gauge ASTM A 526, match existing configuration	Each	
41j	Remove existing walkway, built-up roofs	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
41k	Walkway, built-up roofs, desert tan fiberglass	LF	
41L	Walkway, built up roofs, non skid	LF	
42	Walkway, single ply roof		
42a	30" wide roll goods, tape attached	LF	
42b	30" wide roll, hot asphalt attached	LF	
42c	30" wide roll, adhesive attached	LF	
42d	Roof ventilators	Each	
42e	Roof ladder, steel, bolted to concrete, up to 20 feet, without cage	LF	
42f	Roof ladder, steel, bolted to concrete, 20 feet and up, with cage; with intermediate landings as required by Code	LF	
42g	Roof ladder, security ladder guard	Each	
42h	Termination bar, aluminum, 1/4” x 1”	LF	
42i	Pitch pocket, 24 gauge, GI, 6” x 6”, with storm collar hemmed to outside, soldered corners and seams	Each	
42j	Pitch pocket, 24 gauge, GI, 8” x 8”, with storm collar, hemmed to oytside, soldered corners and seams	Each	
43	Pitch pocket, resurface top only		
43a	8" x 8"	Each	
43b	12" x 12"	Each	
43c	Expansion joint, butyl or neoprene bellows, galvanized flange	LF	
43d	Expansion joint, CSPE reinforced	LF	
43e	Repair kit for dry repairs	Each	
43f	Repair kit for wet repairs	Each	
44	Skylights (price each size and lens combination)		
44a	Standard 3' x 5', 4' x 4', 4' x 8' with single clear lenses	SF	
44b	Standard 3' x 5', 4' x 4', 4' x 8' with clear double lenses	SF	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
44c	Skylight lense replacement only, clear	SF	
44d	Skylight lense replacement only, double clear	SF	
45	Security/fall bars for skylights		
45a	3' x 5'	Each	
45b	4' x 4'	Each	
45c	4' x 8'	Each	
45d	Special sizes	SF	
46	**Roof Services**		
46a	Asbestos core testing and patch of existing roof surface	Each	
46b	Core analysis, 14” x 14” and patch of existing roof surface	Each	
46c	Non destructive roof scan, up to 50,000 sq ft, full service each	Each	
46d	Additional foot over 50,000 sq ft	SF	
46e	Non destructive roof scan, up to 50,000 sq ft, limited service	Each	
46f	Additional foot over 50,000 sq ft	Each	
46g	Roof inspection services (visual inspection of roofing service/membrane, flashings, counterflashings, copings, parapets, trims, hatches, penetrations, curbs, roof-mounted equipment, etc. with a written report of findings and recommendations	Day	
46h	Field/shop drawings, up to 10,000 sq ft	SF	
46i	Field/shop drawings, 10,000-50,000 sq ft	SF	
46j	Field/shop drawings, over 50,000 sq ft	SF	
46k	Prime contractor’s warranty, restoration, less than 10,000 sq ft, minimum charge	Per Project	
46L	Prime contractor’s warranty, restoration, over 10,000 sq ft, minimum charge	Per Project	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
46m	Prime contractor's warranty, re-roof, total system, 15 year, less than 10,000 sq ft, minimum charge (Standard)	Per Project	
46n	Prime contractor's warranty, re-roof, total system, 15 year, less than 10,000 sq ft, minimum charge (includes 2, 5, 7, 10, 15 year inspections)	Per Project	
46o	Prime contractor's warranty, re-roof, total system, 15 year, more than 10,000 sq ft, minimum charge (Standard)	Per Project	
46p	Prime contractor's warranty, re-roof, total system, 15 year, more than 10,000 sq ft, minimum charge (includes 2, 5, 7, 10, 15 year inspections)	Per Project	
46q	Per diem rate per worker per 24 hour period of time	Per Day	
46r	Prime contractors per diem/costs for asbestos abatement planning	Day	
46s	Asbestos abatement activities, BUR removal and disposal of waste	SF	
46t	Project site is located 65 or more miles from the contractor's/subcontractor's yard/home location.	SF	
46u	Asbestos site monitoring	Day	
47	Annual or semi-annual roof housekeeping-per location		
47a	Cost once a year per location if less than 20,000 sq. ft.	SF	
47b	Cost per Sq.ft. per year per location if greater than 20,000 sq.ft.	SF	
47c	Cost semi-annual per location if less than 20,000 sq. ft	SF	
47d	Cost per Sq.ft. semi annual per location if greater than 20,000 sq.ft.	SF	
47e	Roof leak investigation	Day	
47f	Minor roof repair calls	Day	
47g	Difficult access or fall restriction; surcharge	Each	

Number	Description of Cost Factors	Unit of Measure	Offeror's Bid
47h	Excessive hauling	Each	
47i	Work in secured areas or compounds; surcharge	Each	
48	Additional and occasional supplies, materials, equipment and services		
48a	Additional and occasional services Roofing supplies Discount off Retail Price List	% of Discount	
48b	Alternative Methods of Costing - percent of overhead/markup and profit added to cost	% of O/P	
48c	Discounts Offered Off Alternative Costing Methods (cost plus profit and overhead) Less Rate of Discount	% of discount	
48d	Multiplier/factor to be applied to the R.S. Means costs.	% to be applied	
49	Deducts and add-ons for in lieu products (Place behind Tab 6)		
50	Special Rental Equipment (Priced based on 9.11.2 above)		
51	Cold and bad weather storage identify extra cost if any	Day	
52	Hourly Services Rates		
53	Structural Analysis/engineering services	Per Hour	
54	Architect/design professional services	Per Hour	
55	Roofing Consultant	Per Hour	
56	Labor Rate for Roofer	Per Hour	
57	**General Cost Factors**		
57a	Mileage rate	Per Mile	
57b	Performance and payment bond - bonding rate (percent of project)	Percent	
57c	Bonding capacity - total amount of capacity available	Dollar Amount

Proposed Pricing Coefficient (s)

Please provide Coefficients for products and services not listed in the provided line items for states that you are proposing to do work in.

- **COEFFICIENTS NORMAL WORKING HOURS**; the priced coefficients for each region that you are willing to work in shall be listed for both regular hours (7A.M. to 6 P.M.)
- **COEFFICENT NON-NORMAL WORKING HOURS**; the priced coefficient for weekends, holidays and hours outside of regular hours. The coefficient must be rounded to the nearest second decimal place, e.g. .793 would be rounded to .79.

Coefficients:

State	Coefficient Normal Working Hours	Coefficient Non-Normal Working Hours	State	Coefficient Normal Working Hours	Coefficient Non-Normal Working Hours
Alabama			Missouri		
Alaska			Montana		
Arizona			Nebraska		
Arkansas			Nevada		
California			New Hampshire		
Colorado			New Jersey		
Connecticut			New Mexico		
Delaware			New York		
District of Columbia			North Carolina		
Florida			North Dakota		
Georgia			Ohio		
Hawaii			Oklahoma		
Idaho			Oregon		
Illinois			Pennsylvania		
Indiana			Rhode Island		
Iowa			South Carolina		
Kansas			South Dakota		
Kentucky			Tennessee		
Louisiana			Texas		
Maine			Utah		
Maryland			Vermont		
Massachusetts			Virginia		
Michigan			Washington		
Minnesota			West Virginia		
Mississippi			Wisconsin		
			Wyoming		

Note: Provide coefficients for the state(s) that you would like to be awarded. Region 4 ESC is looking for proposers that can provide service in multiple states.

Provide markup percentage on non-prepriced items _____.

APPENDIX A

DRAFT CONTRACT

This Contract ("Contract") is made as of _____, 202X by and between _____ _____ ("Contractor") and Region 4 Education Service Center ("Region 4 ESC") for the purchase of _____("the products and services").

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number R_____ for _____ ("RFP"), to which Contractor provided a response ("Proposal"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

1) Term of agreement. The term of the Contract is for a period of three (3) years unless terminated, canceled or extended as otherwise provided herein. Region 4 ESC shall have the right to renew the Contract for two (2) additional one-year periods or portions thereof. Region 4 ESC shall review the Contract prior to the renewal date and notify the Contractor of Region 4 ESC's intent renew the Contract. Contractor may elect not to renew by providing three hundred sixty-five days' (365) notice to Region 4 ESC. Notwithstanding the expiration of the initial term or any subsequent term or all renewal options, Region 4 ESC and Contractor may mutually agree to extend the term of this Agreement. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Agreement.

   The anticipated full term of the contract is five (5) years. The Contractor shall have the right to enter local "service" agreements with Participating Public Agencies accessing the contract through OMNIA Partners, so long as the effective date of such agreement is prior to the expiration of the Contract. All local agreements may have a full potential term (any combination of initial and renewal periods) not to exceed five years.

Any job orders, project agreements or maintenance agreements executed against this Master Agreement during the effective term may survive beyond the expiration of the Master Agreement as established and agreed to by both parties.

2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.

3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s).

4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:

   i. This Contract
   ii. Offeror's Best and Final Offer
   iii. Offeror's proposal
   iv. RFP and any addenda

5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.

6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e. bankruptcy, change of ownership, merger, etc.).

8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.

9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.

10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can only be made to the Contractor unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing.

11) TERMINATION OF CONTRACT

   a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period.

Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:

i. Providing material that does not meet the specifications of the Contract;
ii. Providing work or material was not awarded under the Contract;
iii. Failing to adequately perform the services set forth in the scope of work and specifications;
iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. In such event, all documents, data, studies, surveys, drawings, maps, models and reports prepared by Contractor will become the property of the Region 4 ESC. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.

d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots; epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having

the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract.

14) Delivery. Conforming product shall be shipped within 7 days of receipt of Purchase Order. If delivery is not or cannot be made within this time period, the Contractor must receive authorization for the delayed delivery. The order may be canceled if the estimated shipping time is not acceptable. All deliveries shall be freight prepaid, F.O.B. Destination and shall be included in all pricing offered unless otherwise clearly stated in writing.

15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the Contractor at no cost to Region 4 ESC. The Contractor agrees to pay all shipping costs for the return shipment. Contractor shall be responsible for arranging the return of the defective or incorrect material.

16) Payments. Payment shall be made after satisfactory performance, in accordance with all provisions thereof, and upon receipt of a properly completed invoice.

17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty and one (1) year labor warranty unless otherwise agreed to in writing.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a

material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the Contractor's responsibility to protect all materials and equipment. Contractor warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.

29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.

30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.

31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.

32) Certificates of Insurance. Certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall give Region 4 ESC a minimum of ten (10) days' notice prior to any modifications or cancellation of policies. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.

33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

TERMS & CONDITIONS ACCEPTANCE FORM

Signature on the Offer and Contract Signature form certifies complete acceptance of the terms and conditions in this solicitation and draft Contract except as noted below with proposed substitute language (additional pages may be attached, if necessary). The provisions of the RFP cannot be modified without the express written approval of Region 4 ESC. If a proposal is returned with modifications to the draft Contract provisions that are not expressly approved in writing by Region 4 ESC, the Contract provisions contained in the RFP shall prevail.

Check one of the following responses:

☐ Offeror takes no exceptions to the terms and conditions of the RFP and draft Contract.

(*Note: If none are listed below, it is understood that no exceptions/deviations are taken.)*

☐ Offeror takes the following exceptions to the RFP and draft Contract. All exceptions must be clearly explained, reference the corresponding term to which Offeror is taking exception and clearly state any proposed modified language, proposed additional terms to the RFP and draft Contract must be included:

(*Note: Unacceptable exceptions may remove Offeror's proposal from consideration for award. Region 4 ESC shall be the sole judge on the acceptance of exceptions and modifications and the decision shall be final.*

If an offer is made with modifications to the contract provisions that are not expressly approved in writing, the contract provisions contained in the RFP shall prevail.)

ACKNOWLEDGMENT AND ACCEPTANCE OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

- ☐ We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

- ☐ We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Appendix C, DOC # 3

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Staring on January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. This process is known as acknowledging the certificate. The commission will post the acknowledged Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency. The posted acknowledged form does not contain the declaration of signature information provided by the business.

A certificate will stay in the pending state until it is acknowledged by the governmental agency. Only acknowledged certificates are posted to the commission's website.

Appendix C, DOC # 4

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, _____, as an authorized representative of

_____, a contractor engaged by
Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

Appendix C, DOC #5

FELONY CONVICTION NOTIFICATION

Section 44.034, Texas Education Code, Notification of Criminal History, Subsection (a), states "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Subsection (b) states "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

This Notice is Not Required of a Publicly-Held Corporation

CRIMINAL HISTORY REVIEW OF CONTRACTOR EMPLOYEES

Offeror shall review §22.0834, Texas Education Code and 19 Texas Administrative Code §§153.1101 and 153.1117 regarding criminal history checks of school contractor employees. The rules define continuing duties related to contracted services, direct contact with students, covered contract employee and other relevant terms within the statute.

Except as otherwise provided herein, Offeror will obtain and certify in writing, before work begins, that the Offeror has received all criminal history record information that relates to an employee, applicant, agent or Subcontractor of the Offeror/Contractor or Subcontractor, if the person has or will have continuing duties related to the contracted services, and the duties are or will be performed on Region 4 ESC's, or Participating Public Agency as applicable to the Texas Education Code, property where students are regularly present or at another location where students are regularly present. Awarded Offer(s) shall assume all expenses associated with the background checks and shall immediately remove any employee or agency who was convicted of, receive probation for, or received deferred adjudication for any felony as outlined below or any misdemeanor involving moral turpitude, from Region 4 ESC's property or other location where students are regularly present.

Offeror/Contractor or sub-contractors may not work on Region 4 ESC's, or Participating Public Agency where the Texas Education Code may be applicable, property where students are present when they have been convicted, received probation, or deferred adjudication for the following felony offenses:

1. Any offense against a person who was, at the time the offense occurred, under 18 years of age or enrolled at a public school;

2. Any sex offense;

3. Any crimes against persons involving:

    a. Controlled substances; or

    b. Property; or

4. Any other offense Region 4 ESC, or Participating Public Agency where the Texas Education Code may be applicable, believes might compromise the safety of students, employees or property.

I, _____, as an authorized representative of _____, the Offeror verify that:

A. My company **is not** owned nor operated by anyone who has been convicted of a felony.

Signature of Company Official: _____ Date: _____

B. My company **is owned** or operated by the following individual(s) who has/have been convicted of a felony:

Name of Felon(s): _____

Details of Conviction(s) : _____

Date: _____

C. My company is a **publicly held** corporate, therefore, this reporting requirement is not applicable.

Signature of Company Official: _____ Date: _____

Appendix D

Requirements for National Cooperative Contract To Be Administered by OMNIA Partners

The following documents are used in evaluating and administering national cooperative contracts and are included for Offeror's review and response.

Exhibit A – Response for National Cooperative Contract

Exhibit B – Administration Agreement, Example

Exhibit C – Master Intergovernmental Cooperative Purchasing Agreement, Example

Exhibit D – Principal Procurement Agency Certificate, Example

Exhibit E – Contract Sales Reporting Template

Exhibit F – Federal Funds Certifications

Exhibit G – New Jersey Business Compliance

Exhibit H – Advertising Compliance Requirement

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

Region 4 Education Service Center (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Roofing Products, Services and Job-Order-Contracting (JOC) Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $500M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Public Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Public Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed

pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Public Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and

conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

Supplier must supply the following information for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.1 Company

A. Brief history and description of Supplier to include experience providing similar products and services.

B. Total number and location of salespersons employed by Supplier.

C. Number and location of support centers (if applicable) and location of corporate office.

D. Annual sales for the three previous fiscal years.

    a. Submit FEIN and Dunn & Bradstreet report.

E. Describe any green or environmental initiatives or policies.

F. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

G. Indicate if supplier holds any of the below certifications in any classified areas and include proof of such certification in the response:

   a. Minority Women Business Enterprise

      ☐ Yes ☐ No

      If yes, list certifying agency: _____

   b. Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)

      ☐ Yes ☐ No

      If yes, list certifying agency: _____

   c. Historically Underutilized Business (HUB)

      ☐ Yes ☐ No

      If yes, list certifying agency: _____

   d. Historically Underutilized Business Zone Enterprise (HUBZone)

      ☐ Yes ☐ No

      If yes, list certifying agency: _____

   e. Other recognized diversity certificate holder

      ☐ Yes ☐ No

      If yes, list certifying agency: _____

H. List any relationships with subcontractors or affiliates intended to be used when providing services and identify if subcontractors meet minority-owned standards. If any, list which certifications subcontractors hold and certifying agency.

I. Describe how supplier differentiates itself from its competitors.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

K. Felony Conviction Notice: Indicate if the supplier

   a. is a publicly held corporation and this reporting requirement is not applicable;

   b. is not owned or operated by anyone who has been convicted of a felony; or

   c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

L. Describe any debarment or suspension actions taken against supplier

3.2 Distribution, Logistics

A. Each offeror awarded an item under this solicitation may offer their complete product and service offering/a balance of line. Describe the full line of products and services offered by supplier.

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

C. Describe how Participating Agencies are ensured they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

E. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

3.3 Marketing and Sales

A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:

   i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

   ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

   i. Creation and distribution of a co-branded press release to trade publications

   ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days

   iii. Design, publication and distribution of co-branded marketing materials within first 90 days

iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement

vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)

viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:

i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency

ii. Best government pricing

iii. No cost to participate

iv. Non-exclusive

F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:

i. Key features of Master Agreement
ii. Working knowledge of the solicitation process
iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
iv. Knowledge of benefits of the use of cooperative contracts

G. Provide the name, title, email and phone number for the person(s), who will be responsible for:

i. Executive Support
ii. Marketing
iii. Sales
iv. Sales Support
v. Financial Reporting
vi. Accounts Payable
vii. Contracts

H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

L. Provide the Contract Sales (as defined in Section 12 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$_____.00 in year one
$_____.00 in year two
$_____.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

ADMINISTRATION AGREEMENT

THIS ADMINISTRATION AGREEMENT (this "**Agreement**") is made this ___ day of _____ 20__, between National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("**OMNIA Partners**"), and _____ ("**Supplier**").

RECITALS

WHEREAS, the _____ (the "**Principal Procurement Agency**") has entered into a Master Agreement effective _____, Agreement No_____, by and between the Principal Procurement Agency and Supplier, (as may be amended from time to time in accordance with the terms thereof, the "**Master Agreement**"), as attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, for the purchase of _____ (the "**Product**");

WHEREAS, said Master Agreement provides that any or all public agencies, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (collectively, "**Public Agencies**"), that register (either via registration on the OMNIA Partners website or execution of a Master Intergovernmental Cooperative Purchasing Agreement, attached hereto as Exhibit B) (each, hereinafter referred to as a "**Participating Public Agency**") may purchase Product at prices stated in the Master Agreement;

WHEREAS, Participating Public Agencies may access the Master Agreement which is offered through OMNIA Partners to Public Agencies;

WHEREAS, OMNIA Partners serves as the cooperative contract administrator of the Master Agreement on behalf of Principal Procurement Agency;

WHEREAS, Principal Procurement Agency desires OMNIA Partners to proceed with administration of the Master Agreement; and

WHEREAS, OMNIA Partners and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies and to set forth certain terms and conditions governing the relationship between OMNIA Partners and Supplier.

NOW, THEREFORE, in consideration of the payments to be made hereunder and the mutual covenants contained in this Agreement, OMNIA Partners and Supplier hereby agree as follows:

DEFINITIONS

1. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings given to them in the Master Agreement.

TERMS AND CONDITIONS

2. The Master Agreement and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement. Supplier acknowledges and agrees that the covenants and agreements of Supplier set forth in the solicitation and Supplier's response thereto resulting in the Master Agreement are incorporated herein and are an integral part hereof.

3. OMNIA Partners shall be afforded all of the rights, privileges and indemnifications afforded to Principal Procurement Agency by or from Supplier under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to OMNIA Partners, its agents, employees, directors, and representatives under this Agreement including, but not limited to, Supplier's obligation to obtain appropriate insurance.

4. OMNIA Partners shall perform all of its duties, responsibilities and obligations as the cooperative contract administrator of the Master Agreement on behalf of Principal Procurement Agency as set forth herein, and Supplier hereby acknowledges and agrees that all duties, responsibilities and obligations will be undertaken by OMNIA Partners solely in its capacity as the cooperative contract administrator under the Master Agreement.

5. With respect to any purchases by Principal Procurement Agency or any Participating Public Agency pursuant to the Master Agreement, OMNIA Partners shall not be: (i) construed as a dealer, re-marketer, representative, partner or agent of any type of the Supplier, Principal Procurement Agency or any Participating Public Agency; (ii) obligated, liable or responsible for any order for Product made by Principal Procurement Agency or any Participating Public Agency or any employee thereof under the Master Agreement or for any payment required to be made with respect to such order for Product; and (iii) obligated, liable or responsible for any failure by Principal Procurement Agency or any Participating Public Agency to comply with procedures or requirements of applicable law or the Master Agreement or to obtain the due authorization and approval necessary to purchase under the Master Agreement. OMNIA Partners makes no representation or guaranty with respect to any minimum purchases by Principal Procurement Agency or any Participating Public Agency or any employee thereof under this Agreement or the Master Agreement.

6. OMNIA Partners shall not be responsible for Supplier's performance under the Master Agreement, and Supplier shall hold OMNIA Partners harmless from any liability that may arise from the acts or omissions of Supplier in connection with the Master Agreement.

7. Supplier acknowledges that, in connection with its access to OMNIA Partners confidential information and/or supply of data to OMNIA Partners, it has complied with and shall continue to comply with all laws, regulations and standards that may apply to Supplier, including, without limitation: (a) United States federal and state information security and privacy statutes, regulations and/or best practices, including, without limitation, the Gramm-Leach-Bliley Act, the Massachusetts Data Security Regulations (201 C.M.R. 17.00 et. seq.), the Nevada encryption statute (N.R.S. § 603A), the California data security law (Cal. Civil Code § 1798.80 et. seq.) and California Consumer Privacy Act (Cal. Civil Code § 1798.100 et. seq.); and (b) applicable industry and regulatory standards and best practices (collectively, "**Data Regulations**").

With regard to Personal Information that Supplier collects, receives, or otherwise processes under the Agreement or otherwise in connection with performance of the Agreement, Supplier agrees that it will not: (i) sell, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, such Personal Information to another business or third party for monetary or other valuable consideration; or (ii) retain, use, or disclose such Personal Information outside of the direct business relationship between Supplier and OMNIA Partners or for any purpose other than for

the specific purpose of performance of the Agreement, including retaining, using, or disclosing such Personal Information for a commercial purpose other than for performance of the Agreement. By entering into the Agreement, Supplier certifies that it understands the specific restrictions contained in this Section 7 and will comply with them. For purposes hereof, "**Personal Information**" means information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household, and includes the specific elements of "personal information" as defined under Data Regulations, as defined herein. Supplier will reasonably assist OMNIA Partners in timely responding to any third party "request to know" or "request to delete" (as defined pursuant to Data Regulations) and will promptly provide OMNIA Partners with information reasonably necessary for OMNIA Partners to respond to such requests. Where Supplier collects Personal Information directly from Public Agencies or others on OMNIA Partners' behalf, Supplier will maintain records and the means necessary to enable OMNIA Partners to respond to such requests to know and requests to delete.

8. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, OMNIA PARTNERS EXPRESSLY DISCLAIMS ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING OMNIA PARTNERS' PERFORMANCE AS A COOPERATIVE CONTRACT ADMINISTRATOR OF THE MASTER AGREEMENT. OMNIA PARTNERS SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF OMNIA PARTNERS IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM OF AGREEMENT; TERMINATION

9. This Agreement shall be in effect so long as the Master Agreement remains in effect, provided, however, that the provisions of Sections 3 – 8 and 11 – 22, hereof and the indemnifications afforded by the Supplier to OMNIA Partners in the Master Agreement, to the extent such provisions survive any expiration or termination of the Master Agreement, shall survive the expiration or termination of this Agreement.

NATIONAL PROMOTION

10. OMNIA Partners and Supplier shall publicize and promote the availability of the Master Agreement's products and services to Public Agencies and such agencies' employees. Supplier shall require each Public Agency to register its participation in the OMNIA Partners program by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector) or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency's first sales order. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases.

11. Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and OMNIA Partners. Supplier shall be responsible for obtaining permission or license of use and payment of any license fees for all content and images Supplier provides to OMNIA Partners or posts on the OMNIA Partners website. Supplier shall indemnify, defend and hold harmless OMNIA Partners for use of all such content and images including copyright infringement claims. Supplier and OMNIA Partners each hereby grant to the other party a limited, revocable, non-transferable, non-sublicensable right to use such party's logo (each, the "**Logo**") solely for use in marketing the Master Agreement. Each party shall provide the other party with the standard terms of use of such party's Logo, and such party shall comply with such terms in all material respects. Both parties shall obtain approval from the other party prior to use of such party's Logo. Notwithstanding the

foregoing, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party's Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party's Logo.

ADMINISTRATIVE FEE, REPORTING & PAYMENT

12. An "Administrative Fee" shall be defined and due to OMNIA Partners from Supplier in the amount of three percent (3%) ("**Administrative Fee Percentage**") multiplied by the total purchase amount paid to Supplier, less refunds and credits on returns, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) ("**Contract Sales**"). From time to time the parties may mutually agree in writing to a lower Administrative Fee Percentage for a specifically identified Participating Public Agency's Contract Sales.

13. Supplier shall provide OMNIA Partners with an electronic accounting report monthly, in the format prescribed by OMNIA Partners, summarizing all Contract Sales for each calendar month. The Contract Sales reporting format is provided as Exhibit C ("**Contract Sales Report**"), attached hereto and incorporated herein by reference. Contract Sales Reports for each calendar month shall be provided by Supplier to OMNIA Partners by the 10th day of the following month. Failure to provide a Contract Sales Report within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion.

14. Administrative Fee payments are to be paid by Supplier to OMNIA Partners at the frequency and on the due date stated in Section 13, above, for Supplier's submission of corresponding Contract Sales Reports. Administrative Fee payments are to be made via Automated Clearing House (ACH) to the OMNIA Partners designated financial institution identified in Exhibit D. Failure to provide a payment of the Administrative Fee within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency's sole discretion, and/or this Agreement, at OMNIA Partners' sole discretion. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners' costs and expenses related to such audit.

GENERAL PROVISIONS

16. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between OMNIA Partners and Supplier, the provisions of this Agreement shall prevail.

17. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any Administrative Fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which it may be entitled.

18. This Agreement and OMNIA Partners' rights and obligations hereunder may be assigned at OMNIA Partners' sole discretion to an affiliate of OMNIA Partners, any purchaser of any or all or substantially all of the assets of OMNIA Partners, or the successor entity as a result of a merger, reorganization, consolidation, conversion or change of control, whether by operation of law or otherwise. Supplier may not assign its obligations hereunder without the prior written consent of OMNIA Partners.

19. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below.

20. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

21. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

22. This Agreement shall inure to the benefit of and shall be binding upon OMNIA Partners, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.

23. This Agreement will be construed under and governed by the laws of the State of Delaware, excluding its conflicts of law provisions and any action arising out of or related to this Agreement shall be commenced solely and exclusively in the state or federal courts in Williamson County Tennessee.

24. This Agreement may be executed in counterparts, each of which is an original but all of which, together, shall constitute but one and the same instrument. The exchange of copies of

this Agreement and of signature pages by facsimile, or by .pdf or similar electronic transmission, will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile, or by .pdf or similar electronic transmission, will be deemed to be their original signatures for any purpose whatsoever.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (this "**Agreement**") is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate ("**Principal Procurement Agencies**") with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector, Communities Program Management, LLC, a California limited liability company d/b/a U.S. Communities, and/or NCPA LLC, a Texas limited liability company d/b/a National Cooperative Purchasing Alliance (collectively, "**OMNIA Partners**"), in its capacity as the cooperative administrator, to be appended and made a part hereof and such other public agencies ("**Participating Public Agencies**") who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the "**OMNIA Partners Parties**") by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into "**Master Agreements**" (herein so called) to provide a variety of goods, products and services ("**Products**") to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.

2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency's procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies' participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(j), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable "safe harbor" regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider; provided that the foregoing shall not prohibit Participating Public Agency from furnishing health care services so long as the furnishing of health care services is not in furtherance of a primary purpose of the Participating Public Agency.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization ("**GPO**") agreements directly or indirectly by enrolling the Participating Public Agency in another GPO's purchasing program, provided that the purchase of Products through the OMNIA Partners Parties or any other GPO shall be at the Participating Public Agency's sole discretion.

7. The Participating Public Agencies (each a "**Procuring Party**") that procure Products through any Master Agreement or GPO Product supply agreement (each a "**GPO Contract**") will make timely payments to the distributor, manufacturer or other vendor (collectively, "**Supplier**") for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE OMNIA PARTNERS PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO

CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) registration on the OMNIA Partners website or the execution of this Agreement by a Participating Public Agency, as applicable.

PRINCIPAL PROCUREMENT AGENCY CERTIFICATE

In its capacity as a Principal Procurement Agency (as defined below) for National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("**OMNIA Partners**"), [PPA Name] agrees to pursue Master Agreements for Products as specified in the attached Exhibits to this Principal Procurement Agency Certificate.

I hereby acknowledge, in my capacity as _____ of and on behalf of **[PPA Name]** ("**Principal Procurement Agency**"), that I have read and hereby agree to the general terms and conditions set forth in the attached Master Intergovernmental Cooperative Purchasing Agreement regulating the use of the Master Agreements and purchase of Products that from time to time are made available by Principal Procurement Agencies to Participating Public Agencies nationwide through OMNIA Partners.

I understand that the purchase of one or more Products under the provisions of the Master Intergovernmental Cooperative Purchasing Agreement is at the sole and complete discretion of the Participating Public Agency.

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
(b) Is not organized primarily for profit; and
(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Public Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions.

52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (Oct 2020)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at 52.204-26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at 52.212-3, Offeror Representations and Certifications-Commercial Items. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at 52.204-26, or in paragraph (v)(2)(ii) of the provision at 52.212-3.

(a) *Definitions.* As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) *Prohibition*.

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (https://www.sam.gov) for entities excluded from receiving federal awards for "covered telecommunications equipment or services".

(d) *Representation.* The Offeror represents that—

(1) It □ will, □ will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds "will" in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It □ does, □ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds "does" in paragraph (d)(2) of this section.

(e) *Disclosures.*

(1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded "will" in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer.

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded "does" in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (Aug 2020).

(a) *Definitions.* As used in this clause—

Backhaul means intermediate links between the core network, or backbone network, and the small subnetworks at the edge of the network (*e.g.*, connecting cell phones/towers to the core telephone network). Backhaul can be wireless (e.g., microwave) or wired (*e.g.*, fiber optic, coaxial cable, Ethernet).

Covered foreign country means The People's Republic of China.

Covered telecommunications equipment or services means–

(1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

(2) For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

(3) Telecommunications or video surveillance services provided by such entities or using such equipment; or

(4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Critical technology means–

(1) Defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations;

(2) Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled-

(i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or

(ii) For reasons relating to regional stability or surreptitious listening;

(3) Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities);

(4) Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material);

(5) Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or

(6) Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817).

Interconnection arrangements means arrangements governing the physical connection of two or more networks to allow the use of another's network to hand off traffic where it is ultimately delivered (*e.g.*, connection of a customer of telephone provider A to a customer of telephone company B) or sharing data and other information resources.

Reasonable inquiry means an inquiry designed to uncover any information in the entity's possession about the identity of the producer or provider of covered telecommunications equipment or services used by the entity that excludes the need to include an internal or third-party audit.

Roaming means cellular communications services (*e.g.*, voice, video, data) received from a visited network when unable to connect to the facilities of the home network either because signal coverage is too weak or because traffic is too high.

Substantial or essential component means any component necessary for the proper function or performance of a piece of equipment, system, or service.

(b) *Prohibition*.

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. The Contractor is prohibited from providing to the Government any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR 4.2104.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract, or extending or renewing a contract, with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR 4.2104. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract.

(c) *Exceptions.* This clause does not prohibit contractors from providing—

(1) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(2) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(d) Reporting requirement.

(1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the Contracting Officer, unless elsewhere in this contract are established procedures for reporting the information; in the case of the Department of Defense, the Contractor shall report to the website at https://dibnet.dod.mil. For indefinite delivery contracts, the Contractor shall report to the Contracting Officer for the indefinite delivery contract and the Contracting Officer(s) for any affected order or, in the case of the Department of Defense, identify both the indefinite delivery contract and any affected orders in the report provided at https://dibnet.dod.mil.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause

(i) Within one business day from the date of such identification or notification: the contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

(ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts.* The Contractor shall insert the substance of this clause, including this paragraph (e) and excluding paragraph (b)(2), in all subcontracts and other contractual instruments, including subcontracts for the acquisition of commercial items.

The following certifications and provisions may be required and apply when Participating Public Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Public Agency and the Participating Public Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Public Agency expends federal funds, the Participating Public Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Public Agency expends federal funds, the Participating Public Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(**C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."**

Pursuant to Federal Rule (C) above, when a Participating Public Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the

acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when a Participating Public Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Public Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Public Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Public Agency, the offeror certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

In the event Federal Transit Administration (FTA) or Department of Transportation (DOT) funding is used by Participating Public Agency, Offeror also agrees to include Clean Air and Clean Water requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Public Agency, the offeror certifies that during the term of an award for all contracts by Participating Public Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Public Agency, the offeror certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Public Agency.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
