To: Mayor and City Commission

From: Kevin Cowper, City Manager

Re: **City Manager's Report – November 10, 2026**

Date: November 4, 2026

- Effective October 1, New Smyrna Beach transitioned from Waste Pro to FCC Environmental Services for solid waste collection services. Information about solid waste services can be found here: Solid Waste Services | New Smyrna Beach, FL - Official Website. Public Works staff are continuing to develop plans for more effective recycling opportunities including a manned recycling drop-off center on the former transfer station property on Industrial Park Avenue.
- The Leisure Services Department held their 4th Annual fall Festival at the NSB Sports Complex on October 24 from 4:00 – 8:00 pm. The festival offered amusements, carnival games, inflatables, local vendors, and food trucks. Estimated attendance was one thousand attendees.
- Attended the Volusia Managers Association meeting on October 28 and discussed matters of mutual interest including stormwater management, Amendment 3, fire service fees and building permit fees.
- Met with the Executive Director of the SEV Chamber of Commerce on October 28 to receive monthly update on Chamber Activities.
- Met with representatives of the Ocean Gate Planned Unit Development (PUD) on October 29 to review their proposed PUD amendment. The Ocean Gate PUD, located on 181 acres at the Southwest quadrant of SR 44 and I-95, was originally approved in 2013 and was previously amended in 2017 and 2021. The property owner, Lagacy Acquisitions Group LLC, is requesting a 3rd amendment to the PUD which is scheduled for first reading on December 8 and second reading and public hearing on January 12, 2027.

- Met with city staff on November 3 to discuss the potential regulation of data centers.
- Met with newly elected city commissioners Curtis Hodges and Jennifer Devine after the conclusion of the election process.
- Attended an introductory meeting with the new VP of Operations for SEV Habitat for Humanity on November 5.
- The annual Veterans Day celebration is scheduled for November 11, beginning at 11:00 am at the Brannon Center.
- Please be aware of City Commission meeting dates during the Holiday Season. There will be two regular meetings in November, on November 10 and 17. There will be a single regular meeting in December on December 8.
- Join us shaping the future of New Smyrna Beach's North Causeway and 3rd Avenue corridors during two community workshops from 5:30-7:30 p.m. Monday, Nov. 16 and Wednesday, Nov. 18 in the Brannon Center at 105 S. Riverside Dr. The first workshop will introduce the project and explore its vision; the second will gather feedback on initial concepts, sketches, and themes.
- The New Smyrna Beach Annual Christmas Parade is scheduled for Saturday, December 5 beginning at 3:00pm. The parade will commence from the beachside on Atlantic Avenue, proceeding westbound on Flagler Avenue crossing the North Causeway turning southbound on Riverside Drive then turning onto westbound Canal Street before ending at Orange Street around 6:00pm.
- Starting January 1, 2027, New Smyrna Beach residents will use a single ParkVolusia resident permit for participating City and County off-beach parking locations and boat ramps. Register for your permit online or schedule an in-person appointment now at https://www.parkvolusia.org. See attached flyer for additional information.
- A New Smyrna Golf Club customer experience survey is available is available online at New Smyrna Golf Club Survey.
- As a reminder, the Strategic Plan is available on the City's website at Strategic Plan | New Smyrna Beach, FL - Official Website. The plan includes nine strategic priority themes organized in three functional areas related to: Government, Residents and Business. Readers can review the nine priority

themes and the tremendous progress that has been made toward implementing multiple action items.

- As a reminder, financial information is available on the City's website at Finance Department | New Smyrna Beach, FL - Official Website. Monthly financial information is also provided as part of the City Manager's Monthly Report (see below and attached).
- As a reminder, the semi-monthly utilities bill electronic newsletter inserts covering current events and City Commission meetings can be found on the City's website at Utilities Bill Newsletter | New Smyrna Beach, FL - Official Website.

Parking Updates
|November 2026

Right-Price Parking & Meter Technology

PayByPhone, the City's new mobile payment provider, has been in service for three months. This payment option has increased convenience for users while reducing maintenance and upkeep costs associated with the previous system. We continue to refine the system and signage to ensure the payment process is clear. Since the program launched, more than 13,000 transactions have been completed, with new users accounting for 36% of transactions. The high proportion of returning users reflects continued adoption of the service.

Technology & Data Integration

All November road closures have been entered into Waze to provide real-time updates.

The Parking Guidance project is underway, and materials have been ordered. Pre-application meetings have been held with the City and FDOT regarding permits for the digital message signs. Brief parking closures will be necessary during installation, and advance notice will be provided.

Parking Enforcement continues to test a mobile license plate recognition (LPR) camera in paid parking areas. The goal is to improve the efficiency and accuracy of parking payment and permit verification.

Pursue Shared Parking Agreements

We continue to evaluate vacant and underutilized properties for potential partnerships that could expand parking availability in strategic locations.

We are also evaluating the potential purchase of a vacant property in the Flagler area to expand parking capacity. We are working with appraisers as an initial step in the acquisition process.

City & County Coordination

The City and County Commissions have approved an interlocal agreement to consolidate annual parking permits. As the end of the year approaches, we have begun notifying permit holders of the changes and any required actions. Beginning January 1, Park Volusia will be the sole provider of resident and nonresident parking permits. A single permit will provide access to City and County parking areas, excluding County parks. Current County permit holders do not need to take any action. City permit holders without a County permit must register with Park Volusia to maintain complimentary parking privileges. FIND parking permits will continue to be issued by the City, and each entity will remain responsible for enforcement within its jurisdiction. Two rounds of reminder emails have been sent to permit holders. In early December, we will test data integration between the City and County systems to confirm that information is being exchanged correctly.

Webpage & Public Information

The City's parking webpage has been updated to reflect the latest information to ensure accuracy. We are exploring additional communication channels, including Facebook and text alerts, to share timely updates. A redesigned webpage is also planned to reflect the new permit agreement and payment changes.

We have partnered with Visit NSB to communicate parking program changes and updates to out-of-town visitors.

Develop Multimodal Master Plan

A new bike brochure and map is in development highlight the city's biking facilities. This should be public in the near future.

We are participating in the early planning stages of the City's western expansion to help ensure multiple mobility options are considered during the design process.

We continue to collaborate with City leadership, the New Smyrna Beach Police Department (NSBPD), and the City Attorney on a new e-bike policy. Recommendations were presented to the City Commission on August 25. Adoption was deferred pending a public meeting, which was held on September 29. Feedback from that meeting informed revisions to the proposed policy. The City Commission is scheduled to vote on the policy on November 10.

We are working with Public Works on proposed sidewalk expansion along Ocean and Cooper in the beachside area. A public meeting was held on September 21 to gather feedback and ideas from residents. This input will be considered as planning continues, and another public meeting is anticipated.

Parking Optimization & Signage

New crosswalk signage has been installed at Cooper and Flagler to remind drivers to watch for pedestrians.

A new parking gate has been installed at the Garden Club parking lot near the dog park. The gate will allow the Garden Club to close portions of the lot for events while maintaining parking availability for dog park visitors.

Parking Enforcement continues to patrol areas beyond paid parking facilities to promote compliance with parking regulations and keep streets and sidewalks clear of illegally parked vehicles.

New signage has been installed to reflect changes to parking payment options, including the removal of cash payments.

We are developing signage for the January launch of the joint parking permit program.

North Beach & Future Planning

We are evaluating the feasibility of designating a City parking lot for 24-hour use to address overnight parking needs. This evaluation will include potential liability and safety concerns.

Paid parking continues to perform well in the North Beach area. Additional signage remains in place to inform drivers of the changes and minimize confusion.

In partnership with Leisure Services and the Public Information Officer (PIO), we have developed a comprehensive communication plan for this year's Christmas Parade. The plan includes a map showing parking areas and road closures, as well as targeted outreach to local hotels to help inform guests arriving around the event. Additional information will also be shared with residents.

We participated in a kickoff session for the development of new master plans for the 3rd Avenue and North Causeway corridors. We hope to incorporate improved mobility options for pedestrians and cyclists in both areas.

THE CITY OF NEW SMYRNA BEACH - POLICE DEPARTMENT

ORDINANCE NO. 44-26: CONDUCT A SECOND READING AND PUBLIC HEARING, WHICH, IF ADOPTED, WOULD AMEND CHAPTER 70, SECTION 70-4 REGARDING OPERATION OF BICYCLES, ELECTRIC BICYCLES, MICROMOBILITY DEVICES, MOTORIZED SCOOTERS, OR OTHER SIMILAR DEVICES.

November 10, 2026

Background:

This ordinance was developed in response to increased community concern regarding the safety of e-bike usage on multiuse paths and sidewalks.

Cities and Counties throughout Florida are implementing policies and regulations to address the growing use of various mobility devices, including e-bikes, motorized scooters, and other motorized or electric mobility devices, on public streets, sidewalks, and multi-use paths.

Over the past several years, increased use of these devices has raised community concerns regarding the safe interaction between riders, pedestrians, motorists, and other users of public spaces. As mobility technology continues to evolve, existing regulations may not clearly address where and how these devices may be operated.

The proposed ordinance is intended to modernize and clarify the City's regulations by establishing clear expectations for users regarding permitted and prohibited activities. It will also provide the Police Department with clear and consistent guidelines to support education, enforcement, and the safe operation of mobility devices.

The City recognizes that e-bikes and other alternative transportation options can provide convenient alternatives to automobile travel and may help reduce parking demand and traffic congestion. The goal of the proposed ordinance is to support these transportation options while prioritizing the safety of pedestrians, riders, motorists, and the community.

Fiscal Analysis:

No cost for ordinance implementation or enforcement. Estimated less than $5,000 for

signage and striping.

Ord. No. 44-26 E-bikes.pdf

ARTICLE I. IN GENERAL

Sec. 70-4. Operation of bicycles, electric bicycles, micromobility devices, motorized scooters or other similar devices on streets and sidewalks.

(a) Definitions: For purposes of this section, the following, words terms, and phrases shall have the meanings ascribed to them in this section except when the context otherwise requires. In the event a term utilized herein is not defined, then it shall have the meaning ascribed to it in Chapter 316, Florida Statute, as amended from time to time :

(1) Bicycle

(2) Bicycle Lane

(3) Bicycle Path

(4) Business District

(5) *Electric bicycle (e-bike)*

(6) *Motorized scooter*

(3) (7) *Micromobility device*

(8) *Uni-wheel or One wheel Device* means a single-wheel electric device, including a device consisting of a platform or footrests and one wheel located beneath or within the device, whether commonly referred to as an electric unicycle, one-wheel device, or similar device.

(9) *Multi-use path* means a public pathway maintained by the City, separate from a roadway, and designed for shared use by pedestrians, nonmotorized or motorized devices regulated by this section.

(10) *Rider or Operator* means a person riding, driving, or otherwise operating a device regulated by this section.

(12) *Shopping Center* means a group of commercial establishments planned, developed, owned, and managed as a unit.

(11) *Stage or Staging* means the parking or placing of electric bicycles, micromobility devices, motorized scooters, or other devices regulated by this section on a right-of-way, within a public park, or on other public property for the purpose of advertising, displaying, or making such devices available to the general public for use or rental.

~~(4) *Stage* or *staging* means the parking and/or placing of electric bicycles, micromobility devices or motorized scooters on a right-of-way, within a public park or on other public property for the purpose of advertising or displaying such micromobility devices to the general public for use or rental~~.

(b) Use of Bicycles, e-bikes, micromobility devices, motorized scooters, uni-wheels or similar devices on multi use paths:

(1) The City Manager is authorized to prohibit or restrict the use of devices regulated by this section on sidewalks, bicycle paths, or multi-use paths where such use is deemed to pose a potential hazard to

pedestrians, provided that such prohibition or restriction shall be effective upon designation by official signs, markings, or other traffic-control devices..

(2) Where the City has designated and posted a usable bicycle path or multi-use path for use by devices regulated by this section, operators of such devices shall use the designated path and shall not operate such devices on the adjacent roadway or sidewalk, unless otherwise directed by official traffic-control devices or authorized City personnel

(3) Where the City has designated and posted a specific lane or area of a bicycle path or multi-use path for use by devices regulated by this section, operators of such devices shall operate within the designated lane or area, unless otherwise directed by official traffic-control devices or authorized City personnel. The designated lane will be identified by specific coloring on the path, lane markers, or both, to alert riders and operators of the proper lane in which to operate such device.

(4) A person operating a device regulated by this section on a sidewalk, roadway, bicycle path, or multi-use path shall yield the right-of-way to pedestrians and shall give an audible signal before overtaking and passing a pedestrian, consistent with section 316.2065(10), Florida Statutes, as amended. However, no signal is needed to be given if such device is being operated in a specifically designated lane for such device as provided above.

(c) Prohibitions:

(1) It shall be unlawful at any time for any person, with the exclusion of law enforcement in the course and scope of duty, upon roller skates, a skateboard, or riding in or by means of any coaster, toy vehicle, micromobility device, motorized scooter, uni-wheel or similar device, or riding a bicycle, tricycle or unicycle, to ride or otherwise operate such vehicle or device upon the public sidewalks within the Mainland Special Parking District or the Flagler Avenue Special Parking District or a business district or shopping center of this city. Nothing in this section shall prohibit a person from walking a bicycle or operating a wheelchair upon a sidewalk in such areas, or the operation of bicycles or micromobility devices upon designated bike routes in other areas of this city where available and so long as their use will not endanger the safety of pedestrians.

(2) E-bikes, motorized scooters, uni-wheels, and similar motorized devices shall not be ridden or otherwise operated within City recreational parks, including on sidewalks, pathways, trails, open areas, or other pedestrian areas located within such parks, unless official signage expressly authorizes such use. This prohibition does not prohibit a person from dismounting and walking such device through a recreational park or along a sidewalk or pathway within or adjacent to the park.

(3) No device regulated by this section shall be ridden on any City owned recreational court, to include any city basketball court, tennis court, or pickleball court.

(d) Use of Helmets Required:

(1) In addition to the requirements of Florida Statute § 316.2065(3)(d), a person operating or riding on a bicycle, e-bike, motorized scooter, uni- wheel or micromobility device who is 16 and 17 years of age must wear a bicycle helmet that is properly fitted and is fastened securely upon the operator, rider, or passengers head by a strap and that meets the federal safety standard for bicycle helmets, final rule, 16 C.F.R. part 1203.

(2) It shall be unlawful for the parent or legal guardian of a minor to knowingly permit or allow such minor to operate, be a rider, or passenger on any of the device listed in subsection (a) without the required helmet.

(3) Penalties: A violation of the provision of this section shall be a non-criminal, civil infraction punishable by a fine of $25.00 plus any applicable court cost.

(e) Staging of Micromobility devices prohibited: It shall be unlawful for a shared mobility company or rental operators to stage micromobility devices within the limits of the city.

(f) Improper parking of devices: No device regulated by this section shall be parked, abandoned or otherwise left upon any street, right-of-way or sidewalk in such a manner as to obstruct traffic, either of vehicles or pedestrians, or to obstruct any stopping or parking space.

(g) Penalties: Except as provided in 70-4(d), a first violation of the provision of this section, shall result in a non-criminal, civil infraction punishable by a fine of $150.00 plus any applicable court costs. Any second or subsequent violation shall be punishable as provided in section 1-14, City Code. Second and subsequent violations of this section may result in the bicycle, e-bike, electric scooter, uni-wheel or micromobility devices being seized by the New Smyrna Beach Police Department. Any seized device will be stored at the New Smyrna Beach Police Department. The device will be released upon proper proof of ownership, and payment of any outstanding fines and fees owed to the City.

Sec. 70-5. Objects and obstructions in public rights-of-way.

(a) The placement or maintenance of objects or obstructions, such as signs, pyramid-shaped cement or concrete curbstones, loose construction materials, concrete blocks, boulders, rocks, metal pipe, or any other sharp-edged or pointed object or obstruction in a public right-of-way is prohibited without an approved license agreement. It shall be the obligation of the real property owner immediately abutting a public right-of-way to maintain the right-of-way free of prohibited objects and obstructions.

(b) Remedies for violation.

(1) The owner of the real property abutting a public right-of-way where a violation of this section exists shall correct said violation within five days from the date of receipt of notice from the city. After expiration of the five-day period, the city may correct the violation by removing and disposing of the obstruction. The city shall not be responsible for the storage, maintenance or returning to the owner of any object removed from a public right-of-way. The cost of correcting the violation may be charged to the owner of the abutting real property, and such cost may be collected and a lien made upon the property in the same manner as a tax lien in favor of the city. The city manager or designee is authorized to require the immediate removal of any object or obstruction which is determined to constitute an imminent safety hazard.

(2) Violations of this section are punishable as provided in section 1-14, City Code.

Secs. 70-6—70-35. Reserved.

ORDINANCE NO. 44-26

AN ORDINANCE OF THE CITY OF NEW SMYRNA BEACH AMENDING CHAPTER 70, STREETS AND SIDEWALKS AND OTHER PUBLIC PLACES, ARTICLE I, IN GENERAL, TO AMEND SECTION 70-4, OPERATION OF BICYCLES, ELECTRIC BICYCLES, MICROMOBILITY DEVICES, MOTORIZED SCOOTERS OR OTHER SIMILAR DEVICES ON STREETS AND SIDEWALKS, TO REVISE THE REGULATIONS RELATED TO ELECTRIC BICYCLES AND SIMILAR DEVICES; PROVIDING FOR CODIFICATION; PROVIDING FOR PUBLIC HEARING; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Chapter 166, Florida Statutes, provides the City of New Smyrna Beach's authority to exercise any power for municipal purposes, including the protection of public health, safety, and welfare; and

WHEREAS, the City Commission desires to revise the regulations related to the operation of bicycles, electric bicycles, motorized scooters, uni-wheels, and other similar devices within the City of New Smyrna Beach; and

WHEREAS, Section 316.20655, Florida Statutes, electric bicycle regulations, permits a local government to adopt an ordinance governing the operation of electric bicycles on streets, highways, sidewalk areas, including bike paths, multiuse paths, and trail networks under the local government's jurisdiction; and

WHEREAS, the City Commission finds that sidewalks, multi-use paths, bicycle paths, parks, and other public areas are intended to be safely shared by pedestrians and other lawful users; and

WHEREAS, the operation of bicycles, electric bicycles, motorized scooters, micromobility devices, uni-wheels, and similar devices in areas heavily used by pedestrians may create safety concerns if not reasonably regulated; and

WHEREAS, the City Commission recognizes the need to protect pedestrians, including children, older adults, and other vulnerable users, from unreasonable risks associated with the operation of motorized or high-speed devices in pedestrian areas; and

WHEREAS, the City Commission finds that protecting pedestrian safety while allowing appropriate use of bicycles, electric bicycles, micromobility devices, motorized scooters, uni-

wheels, and similar devices serve the public health, safety, and welfare of the city's residents and visitors; and

WHEREAS, reasonable regulations governing the operation, parking, and use of such devices are necessary to promote orderly movement, reduce conflicts between users, protect pedestrian safety, and allow reasonable shared use of sidewalks, bicycle paths, and multi-use paths where such use can be achieved without unnecessarily placing riders at risk in adjacent streets; and

WHEREAS, the City Commission desires to adopt reasonable regulations that consider public safety and ensures that public property remains safe and functional for its intended purposes; and

WHEREAS, the City Commission deems it in the best interests of the citizens of the City of New Smyrna Beach to amend Chapter 70, Section 70-4, as more particularly set forth herein.

~~(4) *Stage* or *staging* means the parking and/or placing of electric bicycles, micromobility devices or motorized scooters on a right-of-way, within a public park or on other public property for the purpose of advertising or displaying such micromobility devices to the general public for use or rental~~.

(b) Use of bicycles, e-bikes, micromobility devices, motorized scooters, uni-wheels or similar devices.

(1) The city manager is authorized to prohibit or restrict the use of devices regulated by this section on sidewalks, bicycle paths, or multi-use paths where such use has several documented instances of conflicts between pedestrians and riders, provided that such prohibition or restriction is designated by official signs, markings, or other traffic-control devices.

(2) Where the city has designated and posted a usable bicycle path, multi-use path, or a specific lane or area of a bicycle path for use by devices regulated by this section, operators of such devices shall operate within the designated path, lane, or area, unless otherwise directed by official traffic-control devices or authorized city personnel. Any designated lane

will be identified by specific coloring on the path, lane markers, or both, to alert riders and operators of the proper lane in which to operate such device.

(3) A person operating a device regulated by this section on a sidewalk, roadway, bicycle path, or multi-use path shall yield the right-of-way to pedestrians and shall give an audible signal before overtaking and passing a pedestrian, consistent with section 316.2065(10), Florida Statutes, as amended. However, no signal is needed to be given if such device is being operated in a specifically designated lane for such device as provided above.

(c) Prohibitions.

(1) It shall be unlawful at any time for any person, with the exclusion of law enforcement in the course and scope of duty, upon roller skates, a skateboard, or riding in or by means of any coaster, toy vehicle, micromobility device, motorized scooter, uni-wheel or similar device, or riding a bicycle, tricycle or unicycle, to ride or otherwise operate such vehicle or device upon the public sidewalks within the Mainland Special Parking District or the Flagler Avenue Special Parking District or a business district or shopping center of this city. Nothing in this section shall prohibit a person from walking a bicycle or operating a wheelchair upon a sidewalk in such areas, or the operation of bicycles or micromobility devices upon designated bike routes in other areas of this city where available and so long as their use will not endanger the safety of pedestrians.

(2) E-bikes, motorized scooters, uni-wheels, and similar motorized devices shall not be ridden or otherwise operated within city recreational parks, including on sidewalks, pathways, trails, open areas, or other pedestrian areas located within such parks, unless official signage expressly authorizes such use. This prohibition does not prohibit a person from dismounting and walking such device through a recreational park or along a sidewalk or pathway within the park.

(3) No device regulated by this section shall be ridden on any city owned recreational court, to include any city basketball court, tennis court, or pickleball court.

(d) Use of Helmets.

(1) In addition to the requirements of Florida Statute § 316.2065(3)(d), a person operating or riding on a bicycle, e-bike, motorized scooter, uni-wheel or micromobility device who is 16 and 17 years of age must wear a bicycle helmet that is properly fitted and is fastened securely upon the operator, rider, or passengers head by a strap and that meets the federal safety standard for bicycle helmets, final rule, 16 C.F.R. part 1203.

(2) It shall be unlawful for the parent or legal guardian of a minor to knowingly permit or allow such minor to operate, be a rider, or passenger on any of the device listed in subsection (a) without the required helmet.

(3) Penalties: A violation of the provision of this section shall be a non-criminal, civil infraction punishable by a fine of $25.00 plus any applicable court cost.

(e) Staging of micromobility devices. It shall be prohibited for a shared mobility company or rental operators to stage micromobility devices within the limits of the city.

(f)~~(e)~~Improper parking of devices. No ~~micromobility~~ device regulated by this section shall be parked, abandoned or otherwise left upon any street, right-of-way or sidewalk in such a

manner as to obstruct traffic, either of vehicles or pedestrians, or to obstruct any stopping or parking space.

~~(d) It shall be unlawful to stage micromobility devices within the limits of the city.~~

(g)~~(e)~~Penalties. Except as provided in 70-4(d), a first violation of the provision of this section, shall result in a non-criminal, civil infraction punishable by a fine of $150.00 plus any applicable court costs. Any second or subsequent violation shall be punishable as provided in section 1-14, City Code. Second and subsequent violations of this section may result in the bicycle, e-bike, electric scooter, uni-wheel or micromobility devices being seized by the New Smyrna Beach Police Department. Any seized device will be stored at the New Smyrna Beach Police Department. The device will be released upon proper proof of ownership, and payment of any outstanding fines and fees owed to the city. The parent or legal guardian of a minor (anyone under the age of 18) who commits a violation of this section shall be provided notice of the minor's commission of a first violation, either by written notice, or by verbal notice documented in an associated report.

SECTION 2: ***Codification.*** Following adoption of this ordinance, the city clerk shall transmit a copy of this ordinance to Municipal Code Corporation of Tallahassee, Florida, to be codified into the City's Code of Ordinance. Municipal Code Corporation's usual and customary fee for said codification service is hereby approved. The provisions of this ordinance are intended to be incorporated into the code of Ordnance of the City of New Smyrna Beach, Florida, and the sections of this ordinance may be renumber, re-lettered, and the word "ordinance" may be changed to "sections, "article," or such other word or phrase in order to accomplish such intention.

SECTION 3: ***Public Hearing.*** That the public hearing considering the adoption of this ordinance shall be held at 5:30 p.m. on September 8, 2026, continued to November 10, 2026, in the City Commission Chambers at City Hall, 214 Sams Avenue, New Smyrna Beach, Florida, after notice published pursuant to §166.041(3)(a), F.S.

SECTION 4: ***Conflicting Ordinances.*** That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Administrative Correction of Scrivener's Errors.*** The administrative correction of typographical and/or scrivener's errors in this Ordinance which do not affect the intent may be authorized by the City Manager or designee, without need of public hearing, by filing a corrected or recodified copy of same with the City Clerk.

SECTION 6: ***Severability.*** That if any section, sentence, clause or phrase of this ordinance is held invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance.

SECTION 7: ***Effective Date.*** That this ordinance shall take effect immediately upon its final adoption.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

ORDINANCE NO. 63-26: CONDUCT A SECOND READING AND PUBLIC HEARING, WHICH, IF ADOPTED, WOULD ANNEX APPROXIMATELY 0.77 ACRES OF CITY OWNED LAND LOCATED AT 101 LINDA ROAD.

November 10, 2026

Background:

Applicant: Kevin Cowper, City Manager, 210 Sams Avenue, New Smyrna Beach, Florid 32168.

Property Owner: City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, Florida, 32168.

Request: Voluntary annexation:

- **From:** Unincorporated Volusia County.
- **To:** City of New Smyrna Beach.

Site Information:

- **Size:** 0.77 ± acres.
- **Location:** Northeast corner of Linda Road and State Road 44.
- **Tax I.D. Number:** 7343-01-00-0010.

Findings:

On April 23, 2013, the City Commission adopted an Interlocal Service Boundary Agreement (ISBA). The ISBA, which is permitted under Chapter 171, Part II, Florida Statutes, allows the City of New Smyrna Beach to annex any parcels that are within the designated annexation area, even if they are not contiguous to the current municipal boundaries. The agreement, which is between the Volusia County and the City of New Smyrna Beach, was also approved by the County on May 2, 2013. A new updated agreement was approved on May 2, 2022.

The subject property is within the annexation area designated in the ISBA. The subject property on Linda Road is currently vacant. A location map is attached as **Exhibit A** and an aerial map is attached as **Exhibit B**. Existing land uses are shown on the map attached as **Exhibit C**.

The established City Commission policy is that when properties are annexed into the City, the City will assign future land use categories and zoning designations that would be as similar as possible to existing County categories and designations. In this application, the land was purchased by the City of New Smyrna Beach as part of the Turnbull Creek Preservation and the FLU and zoning will be downgraded for preservation. The existing County FLU category is Urban Medium Intensity. The existing County zoning designation is R-4, Urban Single Family Residential. The proposed City FLU category is Conservation. The proposed City zoning designation is Conservation.

This annexation request is within the City's annexation area and within the City's water and sewer service area **(Exhibit D).** The property located at 101 Linda Road is undeveloped. An 8" PVC water line is located within the Linda Road right-of-way, but sewer and reclaimed water services are not available. A map of the soil limitations for septic systems is attached as **Exhibit E**.

The *Land Development Regulations* requires any proposed development to conform to the Concurrency Management System. That system includes traffic, parks and recreation, potable water, wastewater treatment, solid waste collection, stormwater management, and public-school facilities. Because the subject property is undeveloped, and because no new improvements are proposed, staff did not prepare a concurrency analysis table for this case.

A map showing the subject properties incorporated into Commission Zone 1 is attached as **Exhibit F**. The ISBA map is attached as **Exhibit G**. The legal description and Warranty Deed are attached as **Exhibits H** and **I**.

Recommendations:

At its regular scheduled meeting on September 14, 2026, the Planning and Zoning Board voted, 7-0, to give a positive recommendation to the City Commission to **approve** the requested annexation application.

The Planning Department also recommends the City Commission to **approve** the requested annexation application.

Business Impact Estimate

This form should be included in agenda packet for the item under which the proposed ordinance is to be considered, and must be posted on the City of New Smyrna Beach website by the time notice of the proposed ordinance is published.

Proposed ordinance's title/reference:
ORD 63-26 101 Linda Rd.

This Business Impact Estimate is provided in accordance with section 166.041(4), *Florida Statutes*. If one or more boxes are checked below, this means the City of New Smyrna Beach is of the view that a business impact estimate is not required by state law[1] for the proposed ordinance, but the City of New Smyrna Beach is, nevertheless providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant, or other financial assistance accepted by the municipal government.
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
    a. A development order or development permit, as defined in s. 163.3164, F.S.; a development agreement as authorized by ss. 163.3220-163.3243, F.S.; or a comprehensive plan amendment or land development regulation amendment initiated by an application by a private party other than the municipality;
    b. Sections 190.005 and 190.046, *Florida Statutes*, regarding community development districts;
    c. Section 553.73, *Florida Statutes*, relating to the *Florida Building Code*; or
    d. Section 633.202, *Florida Statutes*, relating to the *Florida Fire Prevention Code*.

In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City of New Smyrna Beach hereby publishes the following information:

[1] *See* Section 166.041(4)(c), *Florida Statutes*.

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

Ordinance 63-26 annexes land purchased by the City for the protection of the Turnbull Creek watershed.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of New Smyrna Beach, if any:
(a) An estimate of direct compliance costs that businesses may reasonably incur;
(b) Any new charge or fee imposed by the proposed ordinance, or for which businesses will be financially responsible; and
(c) An estimate of the City of New Smyrna Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

None.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

None.

4. Additional information the governing body deems useful (if any):
[*You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: City of New Smyrna Beach staff solicited comments from businesses in the City of New Smyrna Beach as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on City of New Smyrna Beach website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.*).

None.

ORDINANCE NO. 63-26

AN ORDINANCE OF THE CITY OF NEW SMYRNA BEACH ANNEXING .8± ACRES OF PROPERTY GENERALLY LOCATED ON THE NORTHEAST CORNER OF LINDA ROAD AND STATE ROAD 44; PROVIDING FOR REDEFINING BOUNDARIES OF THE CITY; DESIGNATING THE PROPERTY WITHIN COMMISSION ZONE 1; PROVIDING FOR PUBLIC HEARING; PROVIDING FOR REQUIRED FILINGS; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Kevin Cowper, City Manager, 210 Sams Avenue, New Smyrna Beach, Florida 32168, applicant on behalf of City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, Florida 32168, property owner, has requested the annexation of .8± acres of property generally located on the northeast corner of Linda Road and State Road 44; and

WHEREAS, the Planning and Zoning Board, at its regularly scheduled meeting on September 14, 2026, by a vote of 7-0, recommended that the City Commission approve the requested annexation; and

WHEREAS, the City Commission of the City of New Smyrna Beach is desirous of annexing the real property described in the first paragraph above, and the City Commission hereby finds and determines that the petition for annexation bears the signature of the owner of the property in the area proposed to be annexed, and the property is within the Interlocal Service Boundary Agreement area.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Annexation.*** That the real property is located in Volusia County, State of Florida, legally described as:

SEE EXHIBIT "A" LEGAL DESCRIPTION AND LOCATION MAP ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF.

Applicant: Kevin Cowper, City Manager, 210 Sams Avenue, New Smyrna Beach, Florid 32168.

Property Owner: City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, Florida, 32168.

Request: Small-Scale *Comprehensive Plan* amendment:

- **From:** Volusia County Future Land Use (FLU) category of Urban Medium Intensity.
- **To:** City FLU category of Conservation.

Site Information:

- **Size:** 0.77 ± acres.
- **Location:** Northeast corner of Linda Road and State Road 44.
- **Tax I.D. Number:** 7343-01-00-0010.

Findings:

On April 23, 2013, the City Commission adopted an Interlocal Service Boundary Agreement (ISBA). The ISBA, which is permitted under Chapter 171, Part II, Florida Statutes, allows the City of New Smyrna Beach to annex any parcels that are within the designated annexation area, even if they are not contiguous to the current municipal boundaries. The agreement, which is between the Volusia County and the City of New Smyrna Beach, was also approved by the County on May 2, 2013. A new updated agreement was approved on May 2, 2022.

The subject property is within the annexation area designated in the ISBA. The subject property on Linda Road is currently vacant. A location map is attached as **Exhibit A** and

an aerial map is attached as **Exhibit B**.

The existing Volusia County Future Land Use (FLU) category of the subject property is shown on the following map as **Exhibit C**. The text description of the existing Future Land Use category for the subject property is attached as **Exhibit D**. Existing land uses are shown on the map attached as **Exhibit E**.

The established City Commission policy is that when properties are annexed into the City, the City will assign future land use categories and zoning designations that would be as similar as possible to existing County categories and designations. In this application, the land was purchased by the City of New Smyrna Beach as part of the Turnbull Creek Preservation and the FLU and zoning will be downgraded for preservation. As discussed above, the existing County FLU category is Urban Medium Intensity. The existing County zoning designation is R-4, Urban Single Family Residential. The proposed City FLU category is Conservation. The proposed City zoning designation is Conservation. A text description of the proposed City Conservation Future Land Use category is attached as **Exhibit F,** with a map of this proposed change also attached as **Exhibit G**.

This annexation request is within the City's annexation area and within the City's water and sewer service area **(Exhibit H).** The property located at 101 Linda Road is undeveloped. An 8" PVC water line is located within the Linda Road right-of-way, but sewer and reclaimed water services are not available. A map of the soil limitations for septic systems is attached as **Exhibit I**.

The *Land Development Regulations* requires any proposed development to conform to the Concurrency Management System. That system includes traffic, parks and recreation, potable water, wastewater treatment, solid waste collection, stormwater management, and public-school facilities. Because the subject property is undeveloped, and because no new improvements are proposed, staff did not prepare a concurrency analysis table for this case.

There are numerous *Comprehensive Plan* maps that must be amended to incorporate the subject property into the *Comprehensive Plan* (see **Exhibits J through V)**. A map showing the subject properties incorporated into Commission Zone 1 is attached as **Exhibit W**. The ISBA map is attached as **Exhibit X**. The legal description and Warranty Deed are attached as **Exhibits Y** and **Z**.

Recommendations:

At its regular scheduled meeting on September 14, 2026, the Planning and Zoning Board voted, 7-0, to give a positive recommendation to the City Commission to **approve** the

requested Small Scale *Comprehensive Plan* amendment amending the Future Land Use to City Conservation as part of an overall annexation application.

The Planning Department also recommends the City Commission to **approve** the requested Small Scale *Comprehensive Plan* amendment amending the Future Land Use to City Conservation as part of an overall annexation application.

Urban Medium Intensity (UMI) –

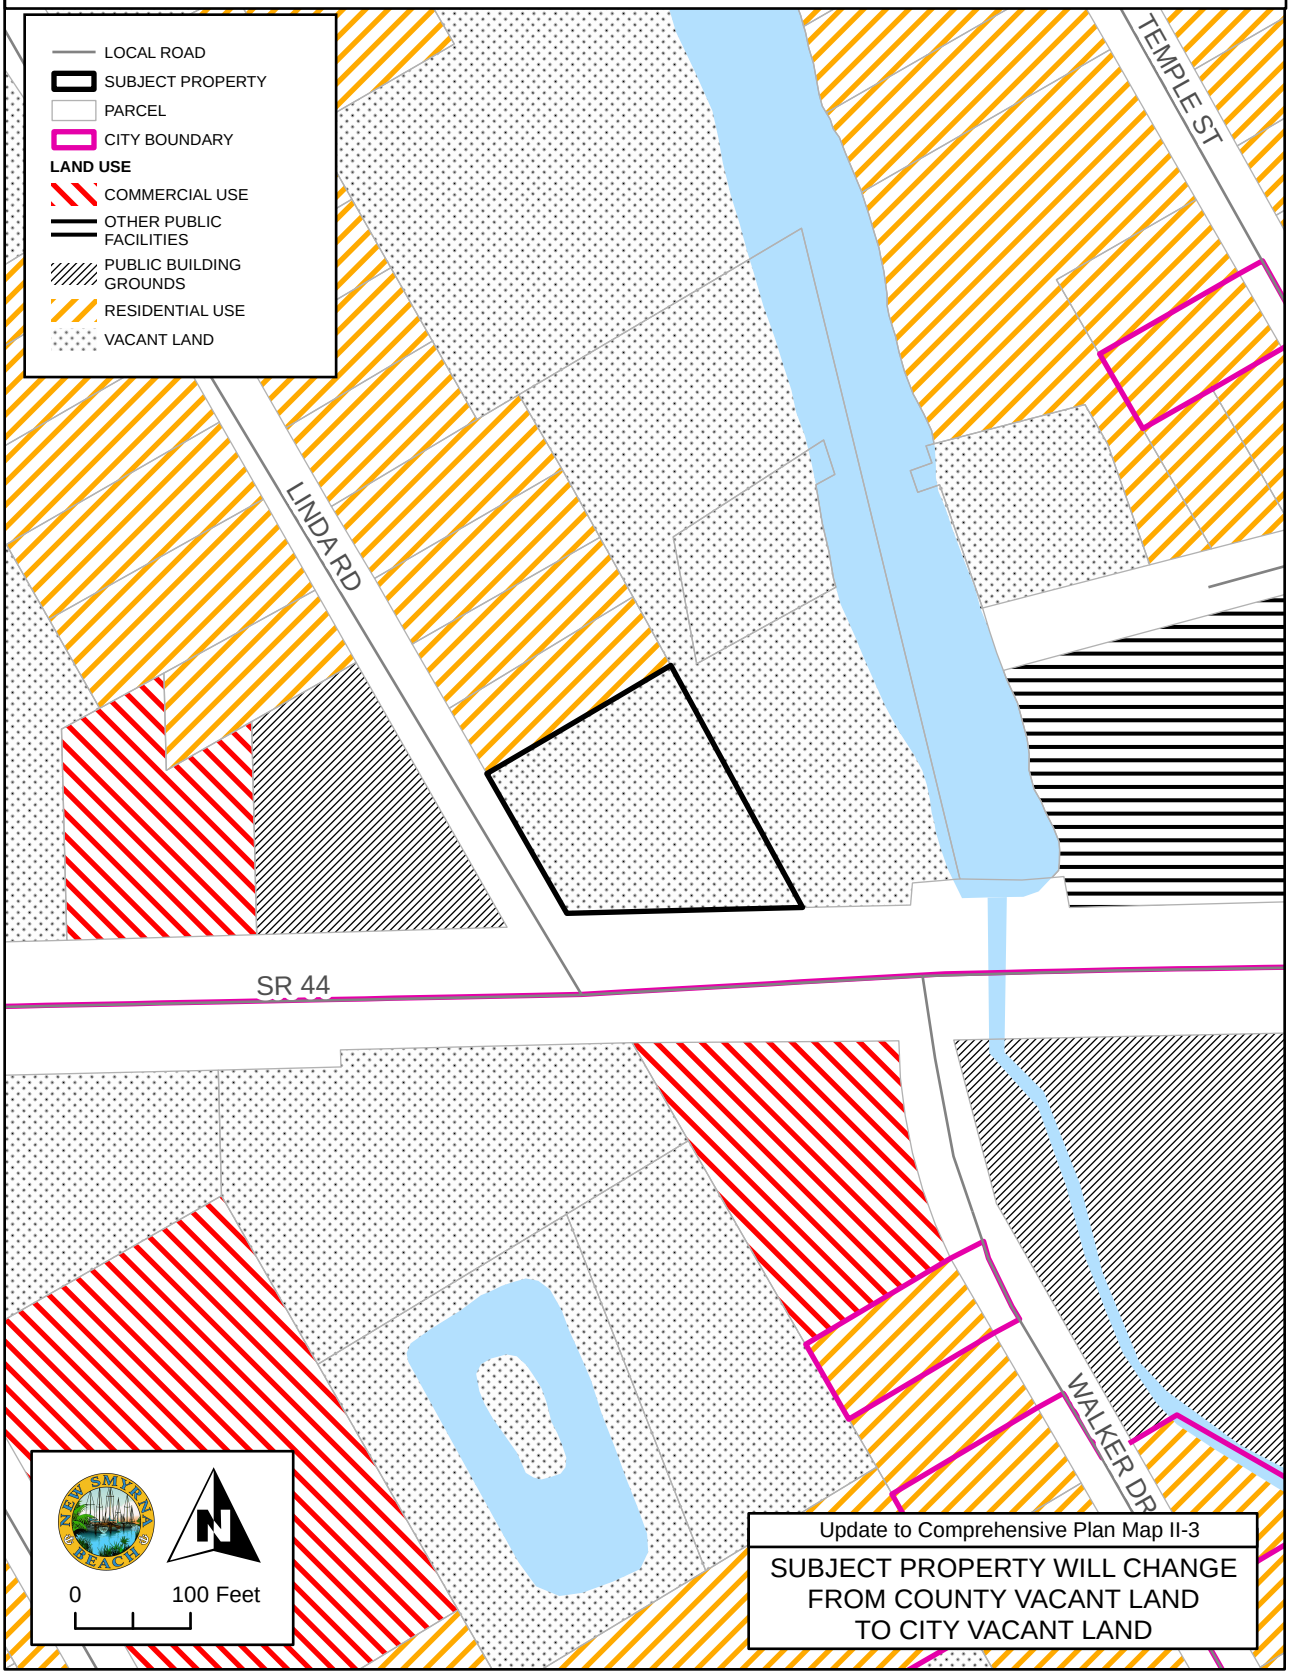

Areas that contain residential development at a range of up to eight (8) dwelling units per acre. The types of housing typically found in areas designated urban medium intensity include single family homes, townhouses and low-rise apartments.

The UMI designation is primarily a residential designation but may allow neighborhood business areas (see Shopping Center definition in Chapter 20) and office development that meet the Comprehensive Plan's location criteria. The commercial intensity shall be no more than a fifty percent Floor Area Ratio (0.50 FAR) and shall be limited in a manner to be compatible with the allowable residential density. In order to be considered compatible, the commercial development should reflect similar traffic patterns, traffic generation, building scale, landscaping and open space, and buffers. More intensive commercial use, other than neighborhood business areas, shall be reserved to areas designated for Commercial.

All requests for nonresidential uses within one- quarter (¼) mile of another jurisdiction shall require notification to that jurisdiction.

EXISTING LAND USE DESIGNATIONS

A-8-26

CONSERVATION

Maximum allowed Floor Area Ratio (FAR): 0.10

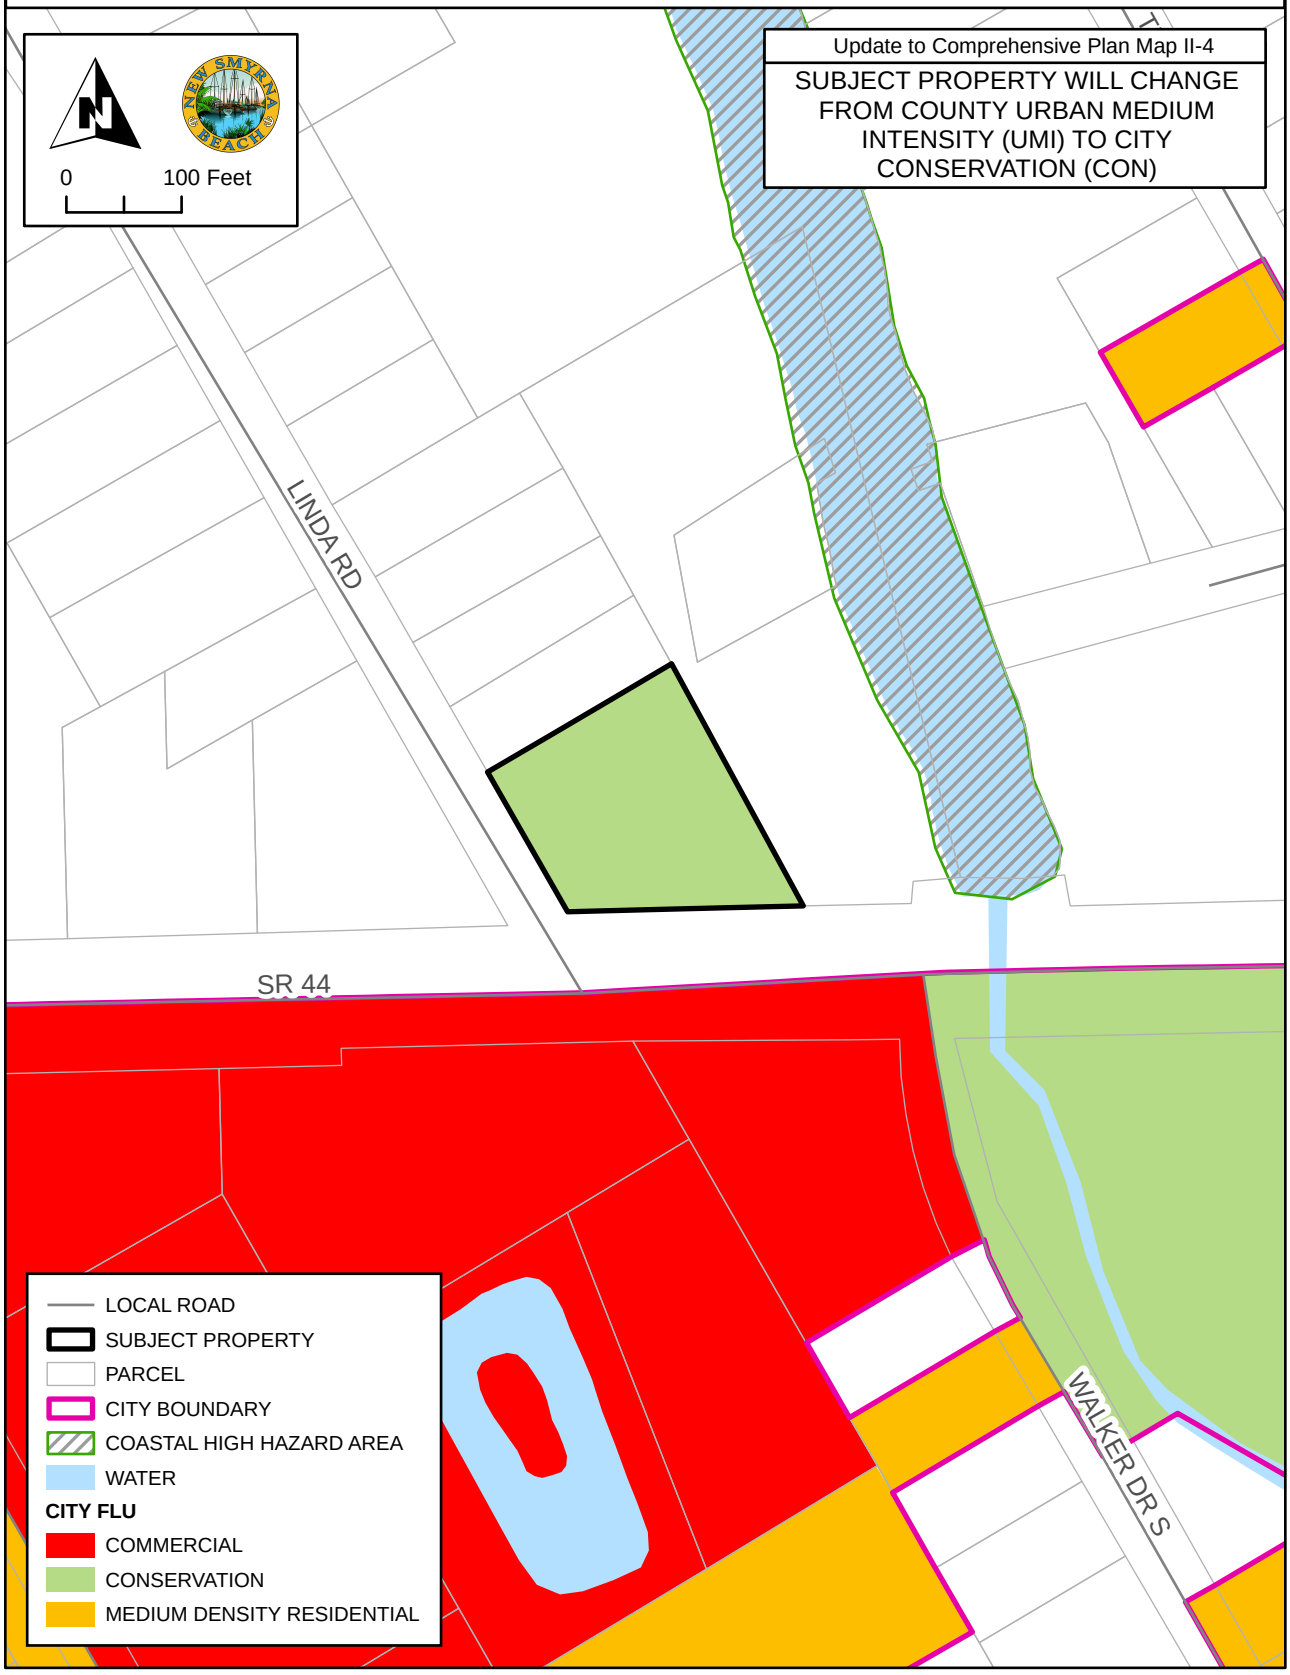

The general boundaries of those areas known to require environmental protection from development have been designated as conservation on the Future Land Use Map.

Designations are based on the best information available. Owners of lands designated as conservation on the Future Land Use Map may petition the City to adjust the boundaries of the conservation zone based upon a qualified biologist's determination of the boundaries made in accordance with §701.07 of the *Land Development Regulations*.

The Planning and Zoning Department shall review the owner's petition and automatically adjust the Future Land Use Map to correctly represent said area and upland buffer. The Local Planning Agency's approval shall be required if the area to be changed is greater than five (5) acres. Environmentally sensitive areas shall include, but not be limited to, jurisdictional wetlands, wetland buffers, uplands included as part of designated environmental corridors, and public beaches.

- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
    a. A development order or development permit, as defined in s. 163.3164, F.S.; a development agreement as authorized by ss. 163.3220-163.3243, F.S.; or a comprehensive plan amendment or land development regulation amendment initiated by an application by a private party other than the municipality;
    b. Sections 190.005 and 190.046, *Florida Statutes*, regarding community development districts;
    c. Section 553.73, *Florida Statutes*, relating to the *Florida Building Code*; or
    d. Section 633.202, *Florida Statutes*, relating to the *Florida Fire Prevention Code*.

In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City of New Smyrna Beach hereby publishes the following information:

[1] *See* Section 166.041(4)(c), *Florida Statutes*.

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

Ordinance 64-26 amends the City Comprehensive Plan to include the property annexed in Ordinance 63-26 and apply conservation land use.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of New Smyrna Beach, if any:
(a) An estimate of direct compliance costs that businesses may reasonably incur;
(b) Any new charge or fee imposed by the proposed ordinance, or for which businesses will be financially responsible; and
(c) An estimate of the City of New Smyrna Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

None.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

None.

4. Additional information the governing body deems useful (if any):
[*You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: City of New Smyrna Beach staff solicited comments from businesses in the City of New Smyrna Beach as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on City of New Smyrna Beach website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.*).

None.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

ORDINANCE NO. 65-26: CONDUCT A SECOND READING AND PUBLIC HEARING, WHICH, IF ADOPTED, WOULD REZONE APPROXIMATELY 0.77 + ACRES OF CITY OWNED LAND TO CONSERVATION FOR A PARCEL LOCATED AT 101 LINDA ROAD AS PART OF AN OVERALL ANNEXATION APPLICATION.

November 10, 2026

Background:

Applicant: Kevin Cowper, City Manager, 210 Sams Avenue, New Smyrna Beach, Florid 32168.

Property Owner: City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, Florida, 32168.

Request: Rezoning:

- **From:** Volusia County zoning of R-4, Urban Single Family Residential with a "A" attached for Airport Height Notification Zone.

- **To:** City zoning of Conservation with a "A" attached for Airport Height Notification Zone.

Site Information:

- **Size:** 0.77 ± acres.
- **Location:** Northeast corner of Linda Road and State Road 44.
- **Tax I.D. Number:** 7343-01-00-0010.

Findings:

On April 23, 2013, the City Commission adopted an Interlocal Service Boundary Agreement (ISBA). The ISBA, which is permitted under Chapter 171, Part II, Florida Statutes, allows the City of New Smyrna Beach to annex any parcels that are within the designated annexation area, even if they are not contiguous to the current municipal boundaries. The agreement, which is between the Volusia County and the City of New Smyrna Beach, was also approved by the County on May 2, 2013. A new updated agreement was approved on May 2, 2022.

The subject property is within the annexation area designated in the ISBA. The subject

property on Linda Road is currently vacant. A location map is attached as **Exhibit A** and an aerial map is attached as **Exhibit B**.

The existing Volusia County zoning designation of the subject property is shown on the following map as **Exhibit C**. The current zoning text description for the subject property is attached as **Exhibit D**. Existing land uses are shown on the map attached as **Exhibit E**.

The established City Commission policy is that when properties are annexed into the City, the City will assign future land use categories and zoning designations that would be as similar as possible to existing County categories and designations. In this application, the land was purchased by the City of New Smyrna Beach as part of the Turnbull Creek Preservation and the FLU and zoning will be downgraded for preservation. The existing County FLU category is Urban Medium Intensity. The existing County zoning designation is R-4, Urban Single Family Residential. The proposed City FLU category is Conservation. The proposed City zoning designation is Conservation. A text description of the proposed City Conservation zoning designation, and a map of the proposed change is attached as **Exhibits F** and **G**.

The *Land Development Regulations* requires any proposed development to conform to the Concurrency Management System. That system includes traffic, parks and recreation, potable water, wastewater treatment, solid waste collection, stormwater management, and public-school facilities. Because the subject property is undeveloped, and because no new improvements are proposed, staff did not prepare a concurrency analysis table for this case.

The ISBA map is attached as **Exhibit H**. The legal description and Warranty Deed are attached as **Exhibits I** and **J**.

Recommendations:

At its regular scheduled meeting on September 14, 2026, the Planning and Zoning Board voted, 7-0, to give a positive recommendation to the City Commission to **approve** the requested rezoning to City Conservation with an “A” attached for Airport Height Notification Zone as part of an overall annexation application.

The Planning Department also recommends the City Commission to **approve** the requested rezoning to City Conservation with an “A” attached for Airport Height Notification Zone as part of an overall annexation application.
