Resolution 2026-1

A RESOLUTION BY THE CITY OF CLARKESVILLE GEORGIA, TO REQUEST LOCAL LEGISLATION TO PROVIDE FOR A TECHNOLOGY FEE TO BE CHARGED BY THE MUNICIPAL COURT OF THE CITY OF CLARKESVILLE; AND FOR OTHER PURPOSES.

WHEREAS, the Mayor and Council for the City of Clarkesville, Georgia (the “City”) is the duly elected governing authority for the City; and

WHEREAS, the City of Clarkesville is committed to maintaining a judicial service; and

WHEREAS, the City of Clarkesville strives to maintain a resilient and vibrant community for its residents and visitors alike; and

WHEREAS, the Mayor and Council support connecting fees to those who use the services rather than placing an additional burden on property owners for expenses within the City; and

WHEREAS, the quality of the Municipal Court operations and services is determined by seeking funding opportunities from a number of sources rather than a single source as to ensure technical costs and information requirements are budgeted; and

WHEREAS, the City of Clarkesville can influence the determinants of the quality of the Municipal Court services to the community by adopting a public policy approach to Municipal Court fees whereby individuals adjudicated before the court will support Court operations through assessed fees specifically designated to facilitate and meet current and future Municipal Court technology needs

NOW, THEREFORE BE IT ORDAINED by the Mayor and Council of the City of Clarkesville, Georgia, that the City of Clarkesville shall impose a ten (\$10.00) dollar technology fee for each case docketed before the Municipal Court.

SO RESOLVED, this the ____ day of _____, 2026.

Franklin Brown, Mayor

ATTEST:

Julie Poole, City Clerk
