BAC Minutes 042125 - Draft

MINUTES OF THE BUDGET & AUDIT COMMITTEE SPECIAL MEETING

MONDAY, APRIL 21, 2025

1. CALL TO ORDER AND ROLL CALL – The meeting was called to order at 4:00 p.m. by Mayor Trupiano held in-person in Hoyer Hall, Clayton Community Library, 6125 Clayton Road, Clayton, California. Committee members present: Vice Mayor Wan and Mayor Trupiano. Staff present: City Manager, Kris Lofthus; Assistant City Manager, Regina Rubier; Management Analyst, Dennis Bozanich; and City Clerk/Assistant to the City Manager, Stephanie Cabrera-Brown

2. PUBLIC COMMENT ON NON - AGENDA ITEMS

Members of the public may address the City Council on non-agendized items within the Council's jurisdiction. To ensure an orderly meeting and an equal opportunity for everyone, each speaker is limited to three (3) minutes, or the time established by the Mayor. In accordance with State Law, no action may take place on any item not appearing on the posted agenda. The Council may respond to statements made or questions asked or may at its discretion request Staff to report back at a future meeting concerning the matter.

Public comment and input on other agenda items will be allowed when each item is considered by the Council.

There were no members of the public wishing to speak under Public Comment.

3. ACTION ITEMS

(a) Approval of the April 7, 2025, Minutes

Mayor Trupiano opened the item for public comment; there were no members of the public wishing to speak to this item.

It was moved by Vice Mayor Wan and seconded by Mayor Trupiano to approve the April 7, 2025, Meeting Minutes. (Passed; 2-0)

Page 1

- (b) Budget Overview, Discussion, and Schedule
 - a. Update on the Fiscal Year (FY) 2025-26 Budget
 - b. Updated FY 2024-25 YTD Actual Revenue and Expenses, and Budget Amendment.

Regina Rubier, Assistant City Manager, presented an overview of the FY 2025-26 Budget and the Updated FY 2027-25 YTD Actual Revenue and Expenses, and Budget Amendment. Following discussion by the Committee, Mayor Trupiano opened the item to public comment;

Howard Kaplan – Requested additional information on the budget workshop scheduled for May 6th.

Frank Gavidia – Spoke regarding the audit and supported staff for the work they did.

Report was Heard and Filed. The Committee provided staff with feedback and directed staff to forward the presentation to the full city council.

4. <u>ADJOURNMENT</u> – on a call by Mayor Trupiano, The City Council adjourned its meeting at 5:00 p.m.

The next scheduled meeting of the Budget and Audit Committee will be May 12, 2025.

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: Regina Rubier, Assistant City Manager

DATE: May 19, 2025

SUBJECT: Receive Report Amending the Salary Schedule for Vacant Senior Planner

Position

RECOMMENDATION

Staff recommends amending the Salary Schedule for this position to attract a larger pool of qualified candidates for this important role within the City that contributes to the development of its future property tax revenues

BACKGROUND

On January 21, 2025, the Council adopted resolutions to authorize the revised Senior Planner job description and placement on the City's Salary Schedule. Since February 2025, the city has conducted an open recruitment process for multiple positions including Senior Planner. Only the Senior Planner position remains vacant. The multiple recruitments for the Senior Planner position yielded three viable candidates for the position. One individual was offered the position by the city but declined the offer due to the lack of promotional opportunities and higher benefit costs. Currently, a contractor provides the services that will be fulfilled by the Senior Planner. The vendor contract that is averaging about \$18,572 per month.

DISCUSSION

The January 21, 2025, Staff Report providing details on the proposed positions, their salary comparable and proposed City salary steps is attached for reference. As detailed in the Staff Report, the proposed Senior Planner top step pay was set at 13% below the average top step pay of fourteen other cities in Contra Costa County. The adopted January resolution set the following monthly pay steps:

Adopted Senior Planner Salary Steps - Monthly

Α	В	С	D	E
\$9,002	\$9,452	\$9,924	\$10,421	\$10,942

Staff recommend amending the Salary Schedule for this position to attract a larger pool of qualified candidates for this important role within the City that contributes to the development of its future property tax revenues. The proposed top step in proposed to be 15.75% higher than the adopted top step and the previous top step is now Step B. The proposed salary would match the average top step monthly pay rate of the other fourteen cities noted above. It is also

worth noting that the proposed top step is over 30% lower than the current average monthly contract invoices.

Proposed Senior Planner Salary Steps - Monthly

Α	В	С	D	E
\$10,395	\$10,942	\$11,489	\$12,063	\$12,666

FISCAL IMPACTS

The exact fiscal impact of this proposed salary schedule amendment will only be known following a successful hire. Based on current contract costs of \$210 an hour and fully loaded employee costs at the top step of \$95 an hour, the city can expect cost savings and a higher level of service to the community.

CEQA

This action is an administrative action and not a "project" under CEQA.

City Council Agenda Item 8a

STAFF REPORT

TO: Honorable Mayor and Councilmembers

FROM: Regina Rubier, Assistant City Manager

DATE: January 21, 2025

SUBJECT: Adopt a Resolution Authorizing The Revised Job Descriptions For The Full-

Time Administrative Clerk, the Part-Time Community Services Leader and Approving the Additions of a Full-Time Management Analyst, Senior Planner and Community Development Technician, and a Resolution Approving a Publicly Available Pay Schedule for the Full-Time Positions of Administrative Clerk, Management Analyst, Senior Planner and Community Development Technician and the Part-Time Community Services Leader

RECOMMENDATION

Staff recommends, and the Budget and Audit Committee concurs that the City Council approve two Resolutions authorizing:

- 1. Update the job description for Administrative Clerk
- 2. Reclassify the Community Development Director and Assistant Planner positions to a Senior Planner to include the related job specification, benefit package and pay range with a low annual salary of \$108,021 and a high annual salary of \$131,300
- 3. Reclassify the Facilities Attendant to Community Services Leader and update the job description and pay range with a low hourly wage of \$17.92 and a high hourly wage of \$21.78. This is a part-time position and scheduled to work as needed.
- 4. A Full-time-time classification of Management Analyst to include the related job specification, benefit package and pay range with a low annual salary of \$88,896 and a high annual salary of \$108,054.
- 5. A Full-time classification of Community Development Technician to include the related job specification, benefit package and pay range with a low annual salary of \$61,675.53 and a high annual salary of \$74,966.99.

PREVIOUS ACTION

On June 4, 2024, the City Council approved the FY 2024-25 budget, which allocated funds for an Administrative Assistant, a Community Development Director, an Assistant Planner and Facilities Attendant. A need for a Management Analyst position was identified for mid-year.

Planner, Management Analyst and Community Development Technician, Job Specifications

Date: January 21, 2025

Page 2 of 9

While this role was considered during the budget planning process, it was decided that the new City Manager would conduct their own analysis and provide further recommendations regarding the realignment of the City's administrative staff. There was additional discussion regarding a Code Enforcement Officer and during the budget process, it was decided that the position would be hired using a consultant. The on-going cost of the consultant has been determined not cost effective, therefore, it is staff's recommendation to add a Community Development Technician to address Code Enforcement Officer and Permit Technician duties.

BACKGROUND

The City's Classification and Compensation Plan, along with the publicly accessible Master Pay Schedule and approved Position List, provides comprehensive details on job descriptions, classifications, pay ranges, and allocated positions for all City employees. While developing and approving the FY 2024-25 budget, significant discussion arose around staffing vacancies.

- (1) The City currently includes an Administrative Clerk position in its official list of job classifications, however, the job description is outdated.
- (2) Currently, the City's official list of job classifications includes both a Community Development Director position and an Assistant Planner position. However, staff is proposing to consolidate these two roles into a single Senior Planner position.
- (3) Staff recommend reclassifying the Facilities Attendant position to Community Services Leader. This job description is more in line with the needs and expectations of the role.
- (4) During budget discussions, it was identified that adding a Management Analyst could address high-level administrative responsibilities. It was ultimately decided to leave the final decision to the incoming City Manager, allowing them to shape their team as needed.
- (5) When the Fiscal Year 2024-25 budget was initially created, Code Enforcement services were being managed by an external consulting firm.

DISCUSSION

The City currently needs assistance with the following roles. From May 2024 through current, the City is using outside consultants to provide some of these services. External contracting is far more expensive, management does not always get to select the most qualified employees from the various firms and the time in the office is limited. In addition, it has been determined by management that fulfilling these positions with a city employee better serves the community.

(1) The City currently includes an Administrative Clerk position in its official list of job classifications. Currently, staff is seeking approval for updated language to reflect changes to the position's responsibilities, qualifications, or other relevant details. These updates are intended to ensure the job description aligns with the current

Planner, Management Analyst and Community Development Technician, Job Specifications

Date: January 21, 2025

Page 3 of 9

- needs and expectations of the role, as well as to provide clarity for future hiring and operational efficiency.
- (2) Currently, the City's official list of job classifications includes two distinct positions: Community Development Director and Assistant Planner, However, to improve efficiency and make better use of available resources, staff is proposing to merge these two roles into a single position titled Senior Planner. This proposed restructuring is intended to streamline departmental operations by reducing redundancy and fostering a more cohesive approach to community development tasks. The financial savings and reallocation resulting from this consolidation would be directed toward the creation of a new position, the Community Development Technician. This role is envisioned as a key addition to the department, with a focus on addressing critical operational priorities such as enhancing code compliance efforts, facilitating smoother and more efficient permit processing, and providing support for a variety of community development activities. By reorganizing the department in this manner, the City aims to align its staffing structure with evolving community needs, ensuring more effective service delivery while maintaining fiscal responsibility. This change is expected to result in a more dynamic and responsive team capable of better serving residents and supporting the City's growth objectives.
- (3) Staff recommend reclassifying the Facilities Attendant position to Community Services Leader. This job description is more in line with the needs and expectations of the role.
- (4) During budget discussions, it was identified that adding a Management Analyst could address high-level administrative responsibilities. It was ultimately decided to leave the final decision to the incoming City Manager, allowing them to shape their team as needed. This position is responsible for providing comprehensive support across a range of administrative and operational functions. Key responsibilities include assisting with human resources activities such as recruitment, onboarding, employee relations, and record maintenance. The role also involves managing contracts by ensuring compliance, tracking timelines, and maintaining accurate documentation. Additionally, the position will oversee procurement processes, including vendor selection, purchase orders, and inventory management. Staff reporting duties will require compiling and analyzing data to prepare regular updates and performance summaries. The position will also play an integral role in supporting the preparation of budgets by gathering financial data, monitoring expenditures, and ensuring alignment with organizational goals. This multifaceted role is essential in ensuring the smooth operation and efficiency of administrative functions.
- (5) When the Fiscal Year 2024-25 budget was initially created, Code Enforcement services were being managed by an external consulting firm. However, after a comprehensive review, staff have determined that hiring a full-time Community Development Technician is essential to effectively support the operations of the Community Development front counter. This role will not only assist with general inquiries and provide customer service but will also handle a range of important responsibilities, including processing temporary use permits, special event permits, park and facility rental applications, and aid the Senior Planner. They will

Planner, Management Analyst and Community Development Technician, Job Specifications

Date: January 21, 2025

Page 4 of 9

also conduct complaint-based code enforcement actions as needed. The addition of this position is expected to enhance the efficiency and responsiveness of the department, addressing both code enforcement needs and permit processing in a more streamlined and integrated manner.

Staff are prepared to recruit for these positions. When making a salary recommendation, we first look to the regional labor market and the City's comparable entities; we looked at all cities in Contra Costa County with populations less than 40,000 and found a representative data set to find classifications that are most comparable Clayton's classification. Then we look internally at parity throughout the City's compensation plan.

The salary recommendations and appropriate market surveys for the Administrative Clerk, the Senior Planner, the Management Analyst, the Community Development Technician and the part-time Community Services Leader are on the following pages.

Administrative Clerk

The Administrative Clerk will be responsible for the following duties

- Provide exceptional customer service to the public at the front counter of city hall.
- Monitor phone calls and provide information as requested and to also connect callers with appropriate staff members.
- Construct City Council, Planning Commission, and other committee agenda packets.
- Provide general office support to administrative staff
- Create and maintain various paper and digital files as instructed by the City Clerk.

Currently, there is not an established pay range for this position on the City's publicly accessible pay schedule, however, there is a Police Administrative Clerk position. The Administrative Clerk is comparable in duties and scope to use the same pay scale for both positions. This recommendation aligns with industry standards and the City's compensation framework, ensuring transparency and consistency across similar positions while fulfilling operational needs.

Staff recommends setting pay with a 5-step model and the top annual step of \$66,342.71 for full-time Administrative Clerk and approved benefits package as stated in the "Terms and Conditions of Employment for the Undesignated Miscellaneous City Employees Unit Effective the Fiscal Years of 2023-24 and 2024-25. This results in a five-step pay range as shown below.

Administrative Clerk Salary Steps:

A	В	C	D	E
54,580.31	57,309.33	60,174.80	63,183.54	66,342.71

Senior Planner

The market survey for the Senior Planner (below) shows the average top monthly wage for a full-time position at \$139,501.

Senior Planner							
Agency		Class Title Annual					
				Min		Max	
Discovery Bay							
El Cerrito		Senior Planner		95,448		119,316	
Hercules		Senior Planner		104,649		133,578	
Lafayette		Senior Planner		106,548		148,944	
Martinez		Senior Planner		116,229		148,339	
Moraga		Senior Planner		109,448		133,031	
Orinda		Senior Planner		117,276		140,744	
Pleasant Hill		Senior Planner		106,548		152,556	
Pinole							
San Pablo							
		Number of Matches		7			
		Median of Comparators		106,548		140,744	
		Average of Comparators		108,021		139,501	

Once market average and mean are established, staff reviewed how the pay aligned with other similar classifications and class levels in the compensation plan. Because there are no similar classifications currently in use in the City, staff recommends setting pay at the market average for the full-time Senior Planner as shown below and approved benefits package as stated in the "Terms and Conditions of Employment for the Undesignated Miscellaneous City Employees Unit Effective the Fiscal Years of 2023-24 and 2024-25. The recommended salary steps are based on the average low of the comparators and each step is increased by 5%.

Page 9 of 9

FISCAL IMPACT

These positions will not require a budget adjustment for FY 2024-25. We anticipate, if the City Council approves the motion on January 17, 2025, that these positions will be staffed for the last three months of the fiscal year.

CEQA IMPACT

None.

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: Kris Lofthus

DATE: May 19, 2025

SUBJECT: Update Report on DRAFT Fiscal Year 2025-27 Budget

RECOMMENDATION

Receive report and provide directions, if necessary, on the draft proposed City of Clayton Fiscal Years (FY) 2025-26 and 2026-27 Budgets for the General Fund, Landscape Maintenance District Fund, Fiduciary Funds and Other Funds.

BACKGROUND

On May 6, 2025, the City Council and community participated in a Budget Workshop that provided an update on the current year's budget and a two-year Preliminary Budget for FY2025-27. The workshop resulted in comments, questions and requests from the Council and the community.

DISCUSSION

Following the discussion on May 6, 2025, staff have made adjustments to the budget in response to feedback received from both the Council and the community. All feedback—submitted before, during, and after the workshop—was compiled into a comprehensive log (attached). Each of the more than sixty questions and comments was thoroughly reviewed, with the outcomes documented in the log.

One specific request was to provide explanations for any year-over-year budget changes exceeding 10% or \$10,000. Given the volume of information involved, these explanations have been compiled in a separate attachment.

•

The following chart provides a quick summary of the General Fund budget changes made between May 5th and today:

		FY2025-26	FY2025-26	FY2026-27	FY2026-27
	Final Budget FY2024-25	Preliminary from May 6 ,	DRAFT Proposed from	Preliminary from May 6,	DRAFT Proposed from
		2025	May 19, 2025	2025	May 19, 2025
Starting Fund Balance	\$7,695,787	\$7,386,301	\$7,386,301	\$6,730,843	\$6,837,494
Total Revenue	\$5,811,063	\$6,025,920	\$6,184,442	\$6,227,719	\$6,390,665
Total Expenses	\$6,120,550	\$6,681,375	\$6,733,248	\$7,065,514	\$6,932,846
Variance from balance	(\$309,486)	(\$655,458)	(\$548,806)	(\$837,795)	(\$542,180)
Ending Fund Balance	\$7,386,301	\$6,730,843	\$6,837,494	\$5,893,048	\$6,295,314

The changes in revenue projection between May 6, 2025, and today are +\$158,522 (+2.6%) for FY 2025-26 and +\$162,946 (+2.5%) for FY2026-27. The changes in expenditure projections between May 6, 2025, and today are +\$51,870 (+0.8%) for FY2025-26 and -\$132,668 (-1.9%).

FISCAL IMPACTS

There is no fiscal impact because of this update for the Committee.

CEQA

This item is not a "project" as defined by CEQA and therefor exempt from CEQA.

City of Clayton Budget Inquiry Log for Fiscal Years 2024-25, 2025-26 & 2026-27 Based on Preliminary Budget Presented at the City Council Budget Workshop on May 5, 2025

Original Question/Comment	Response
Q1: Is this Preliminary Budget for Fiscal Years	A1: Yes, it is, but we have reserve funds to
2025-26 and 2026-27 deficit spending?	balance the budget. Reserves are available once
	and then unavailable after that. A structurally
	balanced budget uses ongoing revenues for
	ongoing expenses and one-time sources (e.g.,
	reserves) for one time uses
Q2: What are the results of the water analysis?	A2: The water analysis has not been initiated at
	this time. It will await the arrival of the new
	Public Works Director/City Engineer.
Q3: How have utility bills been budgeted?	A3: We based the utility bill budget on the
	current year's actual costs and adjusted to
	account for anticipated rate increases.
Q4: When can we expect our first statement of	A4: That statement arrived and was posted on
investment revenue from UBS under the new	the City's website on May 9, 2025.
investment agreement?	
Q5: When are we planning on implementing an	A5: Work has begun. Staff anticipate bringing an
update to the Master Fee Schedule?	updated Master Fee Schedule to the June Budget
	and Audit Committee and then to the City Council
	Meeting on June 17, 2025.
Q6: What FY2025-26 savings are associated with	A6: Contractor to staff transition funding has
the transition from contracted engineering	been budgeted in FY2025-26. The budget for the
services to the new Public Works Director/City	transition and ongoing salary and benefits are
Engineer?	largely in the special assessment budgets where
	most of the work is done.
Q7: Is the new Public Works Director/City	A7: Yes.
Engineer position accounted for in both FY2025-	
26 and Fy2026-27?	
Q8: Will the job description for the Public Works	A8: Staff will add proficiency in maintenance
Director/City Engineer include technical	management software as well as the role of
proficiency in maintenance software (e.g., 311)?	General Manager of the Geological Hazard
	Abatement District (GHAD).
Q9: Will the Public Works Director/City Engineer	A9: No.
carry out and planning functions?	
Q10: Will the Public Works Director/City Engineer	A10: Yes. Various types of maintenance are
address general maintenance needs for the city?	mentioned throughout the job description.

5/16/2025

Q11: At the May 6, 2025 City Council Budget Workshop, why was there a \$347, 921 difference in the General Fund Expenditure budget between the FY2024-25 Final Budget and expenditures presented Year to Date?	A11: The data presented on May 6, 2025 was dynamic, real-time data to show where we are, not necessarily where we will end the fiscal year on June 30, 2025.
Q12: For 2025 we're budgeting for \$2,177,462 and then \$2,381,860 for the following year. Why lower next year?	A12: Some items were cut or reduced to help produce a balanced budget.
Q13: For the current budget year (FY2024-25), several budget items appeared to be too high. Salaries, HVAC, dues and subscriptions, insurance premiums, Audit services, IT, professional services and contracted seasonal labor were specifically mentioned.	A13: There was a formula error in the spreadsheets used for the FY2024-25 Year to Date Budget totals at the May 6 th Budget Workshop. The errors were fixed on May 7, 2025.
Q14: The presentation at the May 6 th Budget Workshop presented Revenues under/over Expenditures: \$309,486 - is that the correct number? It seems different in every report	A14: The data presented at the Budget Workshop is dynamic data from the city's financial management system. The data changes based on the latest transactions. Staff work to present the most up to date information possible. Some variances are the result of when a report is pulled, and a presentation is created. The FY2025-26 and FY2026-27 Proposed Budgets will have stable numbers for the Council to consider and the public to comment upon.
Q15: What is happening with the FEMA storm damage reimbursements?	A15: The city received \$419,000 from FEMA to repair damaged portions of the city's infrastructure. The repairs will commence in the summer of 2026 after completing environmental analysis and permitting.
Q16: At the May 6 th Budget Workshop, why is "other taxes" going from \$1,574,005 in FY2025-26 to \$919,641 in FY 2026-27? It was \$1,515,336 in FY2024-25. Same with "Other Allocations? Yet, property taxes were expected to grow.	A16: Total taxes decrease in FY 2026-27 because of a budgeting assumption that only six months of revenue will be collected due to the expiration of the Landscape and Maintenance District assessment.
Q17: At the May 6 th Budget Workshop, a graph showed the City of Clayton receives 6.63% of the 1% assessed value of each property. This is a lower rate than other nearby cities. Is there anything the city can do about our property tax rate?	Q17: The percentage of the taxes received by the city from the 1% assessed value goes back to the implementation of Proposition 13 in the late 1970's. It is unlikely to change.
Q18: Why is the starting fund balance for 2026-2027 12% lower than 2025-2026? Q19: We are saving \$100,000 in FY 2025-26 by transitioning to Public Works Director/City Engineer but then down \$100,000 the following year. Why?	A18: Fund balance will continue to decrease as long as the budget is not structurally balanced. A19: Engineering expenses were removed as possible out of the General Fund to help make it balance. Any engineering expenses for the transition are in the special assessment district budgets.

5/16/2025

Q20: What is the difference between PERS and	A20: DERS is retirement nayments for current
PERS UAL?	A20: PERS is retirement payments for current employees. PERS UAL is the payments toward the
TEIG OAL:	unfunded liability.
Q21: What is the true cost of Granicus per	A21: Based on the contract, Granicus charges in
year? Where is that contract?	FY2024-25 were \$28,815 and will be \$30,832 in
year: Where is that contract:	FY 2025-26.
Q22: Is the \$48,000 for APEX, annual? Is there	A22: That is the correct annual charges for APEX's
anyone else on the staff that could take on that	IT support contract. We do not have any IT
job?	professionals
Q23: What are the additional HdL fees identified	A23: They are for the preparation of sales and
as contributing to the FY2025-26 expenditure	property tax reports and analysis used for long
gap?	range financial planning.
Q24: What are Lexipol and Nixle charges	A24: Lexipol is used to maintain police policies
identified as contributing to the FY2025-26	and procedures and Nixle is used for emergency
expenditure gap?	alerting of residents.
Q25: What is the difference between	A25: The Administration budget contains all of
Administration and General Services when	the personnel that support the City Manager and
looking at the General Fund budget?	core business support functions. General Services
	contains things like postage, insurance premiums,
	leases, etc.
Q26: Why are the costs for library going up from	A26: None of these amounts include funding set
\$141,000 to \$177,000 to \$182,000? Is any of this	aside for the "refresh." These amounts are for the
the library interior "refresh" project?	cost of basic maintenance, HVAC, and utilities
	required for the library services to be delivered in
	the city-owned library building. Additionally, staff
	worked to "build the budget from the bottom up"
	as requested. This led to identification of needed
	budget changes to "right-size" budgets as
027: Is the Police Department hudget going up	needed. A27: Yes, because of salary and benefit increases,
Q27: Is the Police Department budget going up \$500,000 over two years?	overtime and workers compensation insurance
2300,000 over two years!	premiums. Additionally, staff worked to "build the
	budget from the bottom up" as requested. This
	led to identification of needed budget changes to
	"right-size" budgets as needed.
Q28: Is the Public Works Department budget	A28: Yes. Most of the changes in Public Works is
going down from \$294,000 to \$203,000 to \$209,	the reallocation of expenditures from the General
000?	Fund to Special Revenue Funds to support the
000.	maintenance requirements of those assets.
	Additionally, staff worked to "build the budget
	from the bottom up" as requested. This led to
	identification of needed budget changes to "right-
	size" budgets as needed.
Q29: Salaries are going up \$800,000 over a two-	A29: Yes. The Police Department salary and
year period?	benefit increases are \$500,000 of \$800,000.
	Additionally, Funding for a Public Works
	Director/City Engineer (net +1.0 FTEs) has been
L	, , ,

5/16/2025

	added to the City's Position Schedule.
	Additionally, staff worked to "build the budget from the bottom up" as requested. On salary and
	benefits, this led to identification of needed
	budget changes to PERS, workers comp and
	COLAs and step increase calculations through a more sophisticated salary model than was
	available for past budgets.
Q30: Business Services and Business Supplies are	A30 : Yes. However, the FY2025-26 & FY26-27
increasing by \$40,000 each?	Preiminary Budget is based on existing spending
	to date in these line accounts. Some reductions on these expenses are being examined for the
	Proposed Budgets to be considered on June 3,
	2025.
Q31: Asset Maintenance expenditures are	A31: Asset maintenance is the cost of maintaining
currently budgeted to decrease in the FY2025-26	city owned vehicles, buildings, parks and
& FY26-27 Preliminary Budget from \$168,000 to \$110,000.	infrastructure. The decreases noted in question are in the General Fund. It is important to look at
\$110,000.	the Special Revenue Fund asset maintenance,
	including the LMD for the re-allocation of those
	expenditures to where the revenue resides. This
	allocation of expenditures is another example of
O22: How are IIIITA and DMDA on average?	"build(ing) the budget from the bottom up".
Q32: How are HUTA and RMRA an expense?	A32: HUTA and RMRA funds each have project costs associated with their revenue sources.
Q33: Why is the LMD budget going down next	A33: The LMD budget goes down next year
year?	because it did not expend all its funds this year.
	Additionally, LMD went down to coincide with
	contract maximum amounts as part of staff
Q34: Did GHAD expenditures remain status quo	efforts to build a bottom-up budget. A34: Yes. Primarily because of better estimates
with current FY2024-25 expenditure amounts?	on administrative charges and the changes to the
·	city engineer contract.
Q35: Won't utilities start going down because of	A35: Staff believe that utility cost reductions very
the Climatec energy project?	likely could be a factor in the future. However, we
	have not seen reduced utility bills to date. The incompleteness of the project and future,
	scheduled utility rate increases, provides no basis
	for budget adjustments currently. This will be
	monitored closely over the next year after
	completion of the solar panel project.
Q36: Why did vendor services decrease from	A36: This cost reduction is largely a result of
\$1.428M now, \$1.178M next year and \$1.210M for FY 2026-27?	moving from contracted services to a city employee.
Q37: What are the expenses for travel meetings	A37: The charts presented at the May Budget
and conferences? What are the expenses for	Workshop (Page 21 and 23) failed to show the
Transfer Out? And what is that?	expenses for travel and conferences and

5/16/2025 4

	"Transfers Out" because they were so small on the chart. The FY2025-26 budget for Travel, Conferences and Training is \$16,627 and \$16,960 in FY 2026-27.
	Transfer Outs are funds that are moving to another fund to cover expenses (e.g., overhead) in another fund. On the Preliminary FY2025-26 ALL Fund Budget that is currently budgeted to be \$9,677 and \$9,967 in the FY2026-27 budget.
Q38: Why did Capital Expenditure go up \$1.0M?	A38: Paving and pavement maintenance project expenses.
Q39: Why are Business Supplies over \$309,000?	A39: The Adopted FY2024-25 All Funds Final Budget for Business Supplies was over \$309, 000. This category of spending includes Irrigation Supplies and Materials, General Supplies, Office Supplies, Postage, Printing, Books/Periodicals, Dues and Subscriptions, EBRCSA System Subscription, Rentals/Leases, Vehicles: Gas, Oil & Supplies and Miscellaneous Expense.
Q40: What is the difference between Business Supplies and Business Services?	A40: Supplies are tangible goods that are generally consumed and may require replacement. Services are capacity or expertise purchased to meet business needs.
Q41: What is the Financial Software and how will you use it?	A40: Currently to develop the city's budget, staff are using Excel, manually importing the budget and actuals from accounting software. Pulling the data and then working with it "offline" introduces timing variance between the "live" accounting software and the downloaded data in Excel used to develop the budget. The staff believes that purchasing budgeting software that is designed to link dynamically with the city's accounting software would improve the accuracy and efficiency of the budget development process.
Q42: Do we have a list of all software programs with one time and annual costs?	A42: The software used by the city is report this in the ACFR under GASB 68.
Q43: Are we required to purchase a new police vehicle each year? Doesn't maintenance need vehicles first?	A43: It helps improve vehicle reliability, but it is not mandated to buy a new police vehicle each year. Whether maintenance needs vehicles more than police is a policy call for the City Council.
Q44: Maintenance Vehicles: Can we do a Fleet Contract? Leasing contract?	A44: Staff will research to determine if this is an option. This will take time and will not be available in time for the budget hearing.
Q45: A couple of general revenue questions:	A45: Per Couty Tax assessor's office, we should not anticipate seeing any additional ad valorem tax for at least two years. We should have the

5/16/2025 5

When will the city receive additional money from	transfer tax within the next 6 months. On the					
the shopping center transaction? What is the	Climatec question, let's review again after					
timing on the Climatec - IRA refund?	meeting with Climatec					
Q46: The library refresh was included in the	A46: That has now been completed.					
presentation but not in the budget.	·					
Q47: How do we anticipate draining the reserves	A47: Staff will edit and represent the Ten-Year					
in five years? We have over \$7 million in the	Reserve Funds chart to show the line					
reserves? How is that possible in five years?	representing the 40% reserve policy for each year.					
Q48: Was the Landscape Maintenance District in	A48: LMD revenue was included for FY 25-26 and					
the budget, or wasn't it?	half of 26-27 and all LMD expenses were included					
	in FY 25-26 and 26-27.					
Q49: Why has Account # 101-7220 (PERS –	A49: That cost is determined by CalPERS and is					
Normal Costs) increased 34.79% when salaries	determined by the prorate impact of positive or					
have increased by 7.82%	negative investment fund performance by					
	CalPERS. Increased rates beyond salary growth is					
	indicative of poor investment performance.					
Q50: Basically, the same questions regarding FICA	A50: We are budgeting this amount based on					
- FICA is increasing 44.57% compared to salaries	Year-to-Date actual expenditures for FICA using					
at 7.82%	bottom-up budgeting. In the prior year, staff may					
OF4. In the James is one in Date and Cale anisations	have just added a percentage increase.					
Q51: Is the large jump in Dues and Subscriptions	A51: The reason for the large jump in this account					
(101-7324) all due to new contracts? And, are all of them essential?	is due to reconciliation of contracts with the					
or them essential?	budget. The significant increase in these charges					
	from the previous years was the result of staff adding a set percentage increase. Subscription					
	essentiality was reviewed, and actual budget year					
	expenses were determined from the service					
	contracts as a part of bottom-up budgeting.					
Q52: What are Granicus, HdL Fees, Lexipool, and	A52: Granicus is the agenda software; HdL is for					
Nixle?	business licenses management, property tax					
	analysis and sales tax analysis; Lexipool is					
	software that manages the police policy records;					
	and Nixle is a community alerting system that the					
	police department uses.					
Q53: Why the large increases in	A53: Responses:					
• Travel (101-7371),	Staff budgeted all five council members and					
Legal Services Retainer (101-7411).	the city manager to attend the League of CA					
Computer/IT Services (101-7415), and	Cities annual conference. The Police					
Other Professional Services (101-7419)?	Department also increased its training and					
	travel budget.					
	Legal retainer was fixed to coincide with an					
	average increase of 4%.					
	Computer/IT services went up in the general					
	fund because they were previously budgeted					
	in the PEG Fund.					
	• \$30,000 is for the council meeting production					
	(used to be budgeted in the PEG Fund;					

5/16/2025 6

\$15,000 is for HdL which was not budgeted in prior years; \$27,000 is Police (Peregrine and Axon Taser).

Q54: Please explain the changes to the following line items from 24-25 budget:

- 101-7307 Irrigation supplies and materials -47.72%
- 101-7311 General supplies 44.77%
- 101-7234 Dues and Subscription +118.2%
- 101-7486 CERF Why -0- then \$99,704 the next year?
- 101-7371 Travel +1031.53%
- 101-7338 Water Services -8.00%
- 101-7419 Other Professional Services +149.19% Does this include specialist consulting services to complement staff skills?
- 101-7435 Contract Seasonal Labor -29.19%
- 101-7440 Tree Trimming Services -29.19

A54:

- 101-7307 Irrigation supplies and materials -47.72% Staff believes following the purchasing policy more closely this amount will be reduced
- 101-7311 General supplies 44.77% Staff believes following the purchasing policy more closely this amount will be reduced
- 101-7234 Dues and Subscription +118.2%
 This account increased due to the "bottom up" budgeting process.
- 101-7486 CERF Why -0- then \$99,704 the next year? Due to trying to keep a balanced budget and the funding available in the Capital Equipment Replacement Fund (CERF) budget, staff elected not to contribute to the CERF budget
- 101-7371 Travel increased by 1031.53% because we budgeted for all 5 council members and the City Manager to attend the League of California Cities annual conference. The Police Department also has some additional training budget that requires travel.
- 101-7338 Water Services we are anticipating an -8.00% savings due to the Climatec water project being completed at the parks.
- 101-7419 Other Professional Services +149.19% Does this include specialist consulting services to complement staff skills? \$30,000 is for the council meeting production (used to be budgeted in the PEG Fund); \$15,000 is for HdL which was not budgeted in prior years but identified through bottom-up budgeting process; \$27,000 is Police (Peregrine and Axon Taser).
- 101-7435 Contract Seasonal Labor is reduced by -29.19%, we anticipate using more contract seasonal labor in the various special funds and not through the General Fund.

5/16/2025 7

	101-7440 Tree Trimming Services was reduced by -29.19% so the amount spent on the service would align with the vendor contract.
Q55: Can you include an explanation of any variance in FY25 that is over \$10K and 10% for GF expenditures?	A55: These were answered in A26, A28, A30, A36, A49, A50, A51, A53, and A54. Staff have created a separate List of 10% or \$10K Line-Item Changes with explanations. It is attached to the Staff Report for the May 19, 2025, Budget & Audit Committee meeting.
Q56: Can you verify that the forward year projections are apples to apples with the LMD. We can either assume the LMD revenue is consistent as an assumption or assume that the associated costs will be cut - I understand this will likely mean people.	A56: The forward year projections are "apples to apples" for FY 25-26. For FY 26-27, the staff recommend budgeting one half the year of revenue but a full year of expenses, still providing a positive ending fund balance.
Q57: Can you clarify what 101-7433 Integrated Justice System represents?	A57: All public safety agencies, including police, fire and ambulance in the county pay into this fund for interoperability for the radio system.
Q58: Can you clarify if any of the requests identified by department directors are included in FY26 and beyond budget?	A58: The vehicle requests for both Maintenance and Police were included. The finance software and library refresh project were not.
Q59: Can you confirm what the maximum possible increase in sales tax is?	A59: The countywide max tax rate is 9.75, therefore, Clayton can increase the sales tax rate by 1%.
Q60: Can you confirm any changes in the organization that are included in the report? New/updated/removed positions?	A60: The budget included 28.6 employees. The differences are – removing a Maintenance Superintendent and replacing it with a Public Works Director/City Engineer and adding a Sr. Maintenance Worker.
Q61: Can we include a slide that outlines what's new for 2025-26 and 2026-27 that was not in the 2024-2025 budget? Maybe even highlight those lines that are "new" expenses.	A61: Nothing "new" was included in the Preliminary Budget. However, some expenses lost a dedicated revenue source and is now part of the General Fund expenditures. For example, expenses related to the Council broadcasts formerly were supported by funds dedicated from the cable franchise fees, however, those funds are no longer available. The General Fund is your largest discretionary revenue that could be applied to this expense.
Q62: Could we include a slide about the upcoming "one-offs" - like vehicle replacement, library refresh, and the fund that those expenses will be coming out of (General, Capital, etc.)?	A62: Except for the vehicles that are budgeted in the Capital fund, no other "one-offs" are included in the budget. Staff anticipate receiving directions from the Budget and Audit Committee or the Council majority prior to budget adoption.

Q63: Where can we find the leftover ARPA funds	A62, ¢1 2M is the correct amount
*	A63: \$1.3M is the correct amount.
from last year? I think it was around \$1.3	
million. Are those in General Fund Reserves?	
Q64: For library refresh, I'm assuming you will be	A64: The expenses for the proposed "library

Ten-Year General Fund Balance (Reserves)

Council & Community Budget Inquiries

- Received sixty questions from councilmembers and the community
- Staff created a log of the inquiries and developed responses to each inquiry
- The Budget Inquiry Log is attached to the Staff Report
- Question #55 asked for an explanation for each variance of ten percent or \$10K between the current year and the budget year. The related document is also attached.

Questions
