Agenda
Special Meeting of the Board of Supervisors
Tuesday, September 22, 2026

County Administration Building
Board Chambers
481 4th Street
Hollister, CA 95023

Levine Act - Campaign Contributions (Government Code Section 84308)
As of January 1, 2023, the Levine Act (Government Code Section 84308) applies to Board of Supervisors proceedings involving a license, permit, or other entitlement for use.

Pursuant to Government Code Section 84308, no Board Member shall accept, solicit, or direct a contribution of more than $500 from any party or their agent, or from any participant or their agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the County or for 12 months after a final decision is rendered in that proceeding. Any Board Member who has received a contribution of more than $500 within the preceding 12 months from a party or their agent, or from a participant or their agent, shall disclose that fact on the record of the proceeding and shall not make, participate in making, or in any way attempt to use their official position to influence the decision.

Pursuant to Government Code Section 84308(d), any party to a covered proceeding before the Board is required, and any participant to such a proceeding is strongly urged, to disclose on the record of the proceeding any contribution, including aggregated contributions, of more than $500 made within the preceding 12 months by them or their agent to any Board Member. The disclosure must include the name of the party or participant and any other person making the contribution, if any; the name of the recipient; the amount of the contribution; and the date the contribution was made. The disclosure shall occur in the manner required under Government Code Section 84308 and any applicable state or local regulations, opinions, or policies. No party or their agent, and no participant or their agent, shall make a contribution of more than $500 to any Board Member during the proceeding or for 12 months after a final decision is rendered in that proceeding.

The foregoing statements do not constitute legal advice, and parties and participants are urged to consult with their own legal counsel regarding the requirements of the law.

CALL TO ORDER
The meeting will be available through Zoom, YouTube, and Peak Agenda for those who wish to join or require accommodations.

Members of the public may participate remotely via zoom at the following link https://zoom.us/join with the following Webinar ID and Password:

Webinar ID: 823 3394 3080
Webinar Password: 836725

By Phone: +1 408 638 0968 (San Jose)

*Those participating by phone who would like to make a comment can use the "raise hand" feature by dialing "*9". In order to receive the full zoom experience, please make sure your application is up to date.*

This Board of Supervisors meeting is open to the public. Staff and members of the public may observe the meeting remotely using the instructions listed under Call to Order. Remote viewing of the meeting via Zoom is provided to members of the public as a courtesy. If the Zoom connection malfunctions for any reason and no Board members are attending via teleconference, the Board of Supervisors will continue the public meeting in Chambers without remote access.

Remote Viewing:
Members of the public who wish to watch the meeting can view a livestream of the meeting online through either the:
A. San Benito County Facebook Page: *https://www.facebook.com/sbccalifornia*
B. San Benito County Government YouTube Page:
https://www.youtube.com/@sanbenitocountygovernment
C. Peak Agenda Page*: https://cosb.granicus.com/ViewPublisher.php?view_id=1*

Written Comments & Email Public Comment:
Members of the public may submit comments via email by 5:00 PM on the Monday prior to the Board of Supervisor's meeting to the Clerk of the Board at VDelgado@sanbenitocountyca.gov
Public Comment Guidelines

A. The San Benito County Board of Supervisors welcomes your comments.

B. If participating on Zoom, once you are selected, you will hear that you have been unmuted: At this time, please state your first name, last name, and county you reside in for the record.

C. Each individual speaker will be limited to a presentation total of three (3) minutes, or such other time as may be designated by the Chair.

D. If there are more than 10 speakers on any given item, speakers will be given (2) minutes to speak to be able to give everyone an opportunity to speak.

E. Speakers are encouraged to keep their comments brief and to the point, and not to repeat prior testimony, so that as many people as possible can be heard. Your cooperation is appreciated.

If you have any questions, please contact the Clerk of the Board, Vanessa Delgado, at (831) 636-4000, Ext. 13 or email VDelgado@sanbenitocountyca.gov

Pledge of Allegiance

The Pledge of Allegiance to be led by Supervisor Curro District #4.

1. REGULAR AGENDA

For each regular agenda item, the following schedule shall occur:

a) Staff report.

b) Public opportunity to address the Board on a particular agenda item. Please fill out a speaker card and present it to the Clerk prior to consideration of the item.

c) Consideration by the Board

1.A **BOARD OF SUPERVISORS**
1. Discuss potential impacts of El Nino in San Benito County and preparation efforts by the county; and
2. Provide staff direction as desired.
SBC FILE NUMBER: 156
Board Agenda Fact Sheet - Emergency Preparedness
Emergency Preparedness Presentation - Updated
Emergency Preparedness - Emergency Meal Support for County Disaster Workers

1.B **COUNTY COUNSEL - G.P. PRIAMOS**
1. Receive presentation regarding the statutory role of the Board of Supervisors during a locally declared emergency; and
2. Provide direction to staff.
SBC FILE NUMBER: 160
Board Agenda Fact Sheet - BOS Role in Emergency
Presentation - BOS Statutory Role During an Emergency

1.C **COUNTY COUNSEL - G.P. PRIAMOS - EMERGENCY ITEM ADDED**
Adopt a Resolution proclaiming a Local State of Emergency.
SBC FILE NUMBER: 160
RESOLUTION NO.: 2026-127
Executive Department State of California - Proclamation of a State of Emergency regarding El Nino
Fully Executed Resolution No. 2026-127 Local State of Emergency re El Nino Storm

2. CLOSED SESSION

Matters discussed during Closed Session include existing and pending litigation, personnel matters and real property negotiations. Reportable actions taken by the Board during Closed Session will be announced during open session. (Gov. Code Section 54957.1(a) and (b), Ralph M. Brown Act.)

2.A **CONFERENCE WITH LEGAL COUNSEL - SIGNIFICANT EXPOSURE TO LITIGATION**
Government Code Section 54956.9 (d)(2)(e)(1);
Number of Cases: 2

2.B **CLOSED SESSION – CONFERENCE WITH LABOR NEGOTIATOR(S)**
Conference with labor negotiator - Government Code Section 54957.6 Agency representatives:
Esperanza Colio Warren, CEO and Allyson Hauck, Sloan Sakai
Employee Organizations: All Bargaining Units including Management Employees Group (MEG), Law
Enforcement Management (LEM), Service Employees International Union (SEIU Local 521), Institutions

Heads, and Elected Department Heads.
SBC FILE NUMBER: 160

2.C **CLOSED SESSION – CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION**
Initiation of Litigation – Government Code Section 54956.9(d)(4)

Number of Cases: 1
SBC FILE NUMBER: 160

ADJOURNMENT

Adjourn to the next regular meeting of October 13, 2026.

NOTE: A copy of this Agenda is published, along with supportive documents, on the County's Web site on the Wednesday preceding each Board meeting and may be viewed at https://cosb.granicus.com/ViewPublisher.php?view_id=1. All proposed agenda items with supportive documents are also available for viewing at the San Benito County Administration Building, 481 Fourth Street, Hollister, CA between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday (except holidays). This is the same packet that the Board of Supervisors reviews and discusses at each Board meeting.

As required by Gov. Code Section 54957.5 any public record distributed to the Board of Supervisors less than 72 hours prior to this meeting in connection with any agenda item shall be made available for public inspection at the office of the Clerk of the Board, San Benito County Administration Building, 481 Fourth Street, Hollister, CA 95023. Public records distributed during the meeting will be available for public inspection at the meeting if prepared by the County. If the public record is prepared by some other person and distributed at the meeting it will be made available for public inspection following the meeting at the office of the Clerk of the Board.

In compliance with the Americans with Disabilities Act (ADA) the Board of Supervisors meeting facility is accessible to persons with disabilities. If you need special assistance to participate in this meeting, please contact the Clerk of the Board's office at (831) 636-4000 at least 48 hours before the meeting to enable the County to make reasonable arrangements to ensure accessibility.

SUBJECT:

BOARD OF SUPERVISORS
1. Discuss potential impacts of El Nino in San Benito County and preparation efforts by the county; and
2. Provide staff direction as desired.
SBC FILE NUMBER: 156

AGENDA SECTION:

REGULAR AGENDA

BACKGROUND/SUMMARY:

COUNTY ADMINISTRATION DEPARTMENT:
The County Executive Department has reached out to various community restaurants and local businesses to request their assistance in supporting the county's disaster service workers during a declared emergency by being available on short notice to prepare cost-effective meal options or possible food donations.

PROBATION DEPARTMENT:
The San Benito County Probation Department staff recognize that we are Disaster Service Workers and will be available to assist as needed. Bilingual staff can provide translation services and support to the Sheriff's Office for notifying tenants of impending evacuation orders. Sworn staff will be available to assist with the evacuation efforts, public information officer communications, and other areas as identified by the Incident Commander.

PUBLIC WORKS DEPARTMENT:

Public Works continues storm preparedness activities throughout the County. Staff continues too meet to review ongoing preparation efforts, priority locations, and resources that may be needed during a storm event. CSA/CFD detention and retention basins have been mowed, and Public Works crews are cleaning catch basins and drainage facilities to improve drainage capacity. Staff is also continuing roadway and drainage maintenance, including culvert inspections, vegetation removal, and clearing areas that could affect stormwater flow.

On September 11, Public Works staff conducted a field review of Pacheco Creek with the Pacheco Storm Water District and area residents. The review identified vegetation, organic debris, branches, tree trunks, and other potential flow obstructions near the San Felipe Road and Lovers Lane bridges. Staff continues to identify contractors, equipment, and other resources that may be needed for storm response and is working to procure services.

The Notice to Residents to Clean Property for Drainage has been drafted by Public Works staff with the assistance of the County Counsel's Office. It is also being translated into Spanish and will be mailed, posted on the County's website, and on social media.

COUNTY COUNSEL'S OFFICE:

The County Counsel has trained his staff on the role of the County Counsel during a locally declared emergency as the legal advisor to the Board of Supervisors, the Director of Emergency Services, the Disaster Council, and all other county officials and employees participating in the emergency response. On September 22, as part of this agenda item, the County Counsel will make a presentation on the statutory role of the Board of Supervisors during an emergency.

The County Counsel has already drafted and has ready all emergency proclamations, resolutions, orders, and ordinances that may be needed throughout the course of the local emergency. The County Counsel's Office is also working with various county departments on pre-positioned contracts for goods, services, and equipment as well as memoranda of understanding for assistance from other public agencies, private businesses, and non-profits.

HEALTH AND HUMAN SERVICES AGENCY:

The Health and Human Services Agency (HHSA) has been conducting preparedness activities in anticipation of potential winter storms and flooding. These efforts focus on the Agency's responsibilities under Mass Care and Shelter and Public Health and Medical Services.

HHSA coordinates mass care and emergency shelter operations. HHSA also coordinates public health, medical, and supports behavioral health services. This work is conducted in partnership with the County Office of Emergency Services, other County departments, State agencies, community-based organizations, and emergency response partners.

The objective is to strengthen the County's ability to quickly assist residents who may be displaced or otherwise affected by a significant weather event.

Mass Care and Shelter Preparedness

HHSA is evaluating potential emergency shelter locations throughout San Benito County based on capacity, availability, accessibility, facility needs, and operational requirements. Potential locations include:

- **San Benito Farm Labor Housing:** Preliminary capacity of approximately 288 beds, with access to cafeteria and kitchen facilities. The site is seasonally available from December 1 through April 1. Discussions regarding terms, availability, and costs are ongoing.
- **Veterans Memorial Building:** Preliminary capacity of approximately 75–100 individuals. Additional cots, blankets, restrooms, and handwashing facilities may be needed depending on occupancy.
- **Schools and community facilities:** Outreach is underway with local school districts and other organizations to identify additional facilities that may support shelter operations.

HHSA is also evaluating hotels and motels within the County as potential temporary lodging resources, particularly for individuals with access and functional needs or other circumstances for which a congregate shelter may not be appropriate.

Shelter Supplies, Food, and Essential Resources

HHSA has coordinated with the American Red Cross regarding shelter operations and available resources. Current planning indicates that approximately 500–700 cots and blankets may be available locally, with additional resources potentially available depending on the size and duration of the emergency. Planning also addresses meals, clothing, infant supplies, hygiene items, and other essential needs.

HHSA has also coordinated with the California Department of Social Services Disaster Services Branch regarding resources that may be available during an activation. Potential resources include cots, blankets, comfort kits, durable medical equipment, shelter and Emergency Operations Center staffing support, functional-needs assistance, emergency-services coordination, and a mobile command unit for extended deployments. HHSA is completing the necessary agreements to facilitate access to applicable State resources.

Community Partnerships

HHSA is contacting community-based organizations to identify resources that could supplement the County's emergency response capabilities.

The Community Food Bank of San Benito County has discussed entering into a Memorandum of Understanding with HHSA and assisting with donation drives and the distribution of food and meals during an emergency.

Youth Alliance has identified several potential areas of support, including food and diaper distribution, community outreach, emergency messaging, Local Assistance Center operations, and services for

young adults experiencing homelessness as they transition from emergency shelter to longer-term recovery.

Planning also addresses sheltering for pets belonging to displaced residents. Pet Friends & Rescue indicated that, depending on available capacity, it may be able to accommodate a limited number of dogs and cats. Outreach to other local animal organizations is continuing.

Shelter Operations and Staffing

If emergency sheltering is activated, HHSA will coordinate mass care operations and communicate resource needs through the County's emergency response structure.

County employees are designated Disaster Service Workers and may be assigned to support shelter operations. HHSA employees are aware that the Agency is designbated as the lead entity for sheltering. The Agency leadership is developing a staffing plan that can provide sustained shelter coverage and incorporate bilingual employees to address residents' language needs.

HHSA is also updating its Continuity of Operations planning to support the continuation of essential public assistance, public health, social services, and other mandated functions during an extended emergency.

Public Health, Medical, and Behavioral Health Preparedness

HHSA is planning for public health, medical, and behavioral health needs that may arise during a winter storm or flooding emergency.

The County's Medical Health Operational Area Coordinator structure will coordinate medical and health resources during an emergency.

Current planning includes public health supplies, nursing resources, medical support within shelters, behavioral health response, and coordination with healthcare and emergency medical partners.

Continuing Preparedness Activities

HHSA's preparedness work is ongoing. Current priorities include:

- Finalizing or updating agreements with shelter and resource partners;
- Confirming additional shelter capacity;
- Evaluating hotels and motels for emergency lodging;
- Further developing plans for residents with access and functional needs;
- Coordinating resources for displaced pets;

- Strengthening medical and behavioral health response planning;
- Developing family reunification procedures; and
- Completing an inventory of community-based organizations and available resources.

HHSA will continue working with the County Office of Emergency Services, other County departments, the American Red Cross, the California Department of Social Services, healthcare partners, community-based organizations, and other local and regional partners to confirm available resources, address remaining operational needs, and strengthen the County's readiness for the winter storm season.

SUPER EL NIÑO

What is El Niño?

El Niño is formed when temperatures in the equatorial Pacific are 0.5°C above average for several consecutive months.

El Niño tends to be strongest during the winter months, and its global impacts are typically most significant in the northern hemisphere winter *

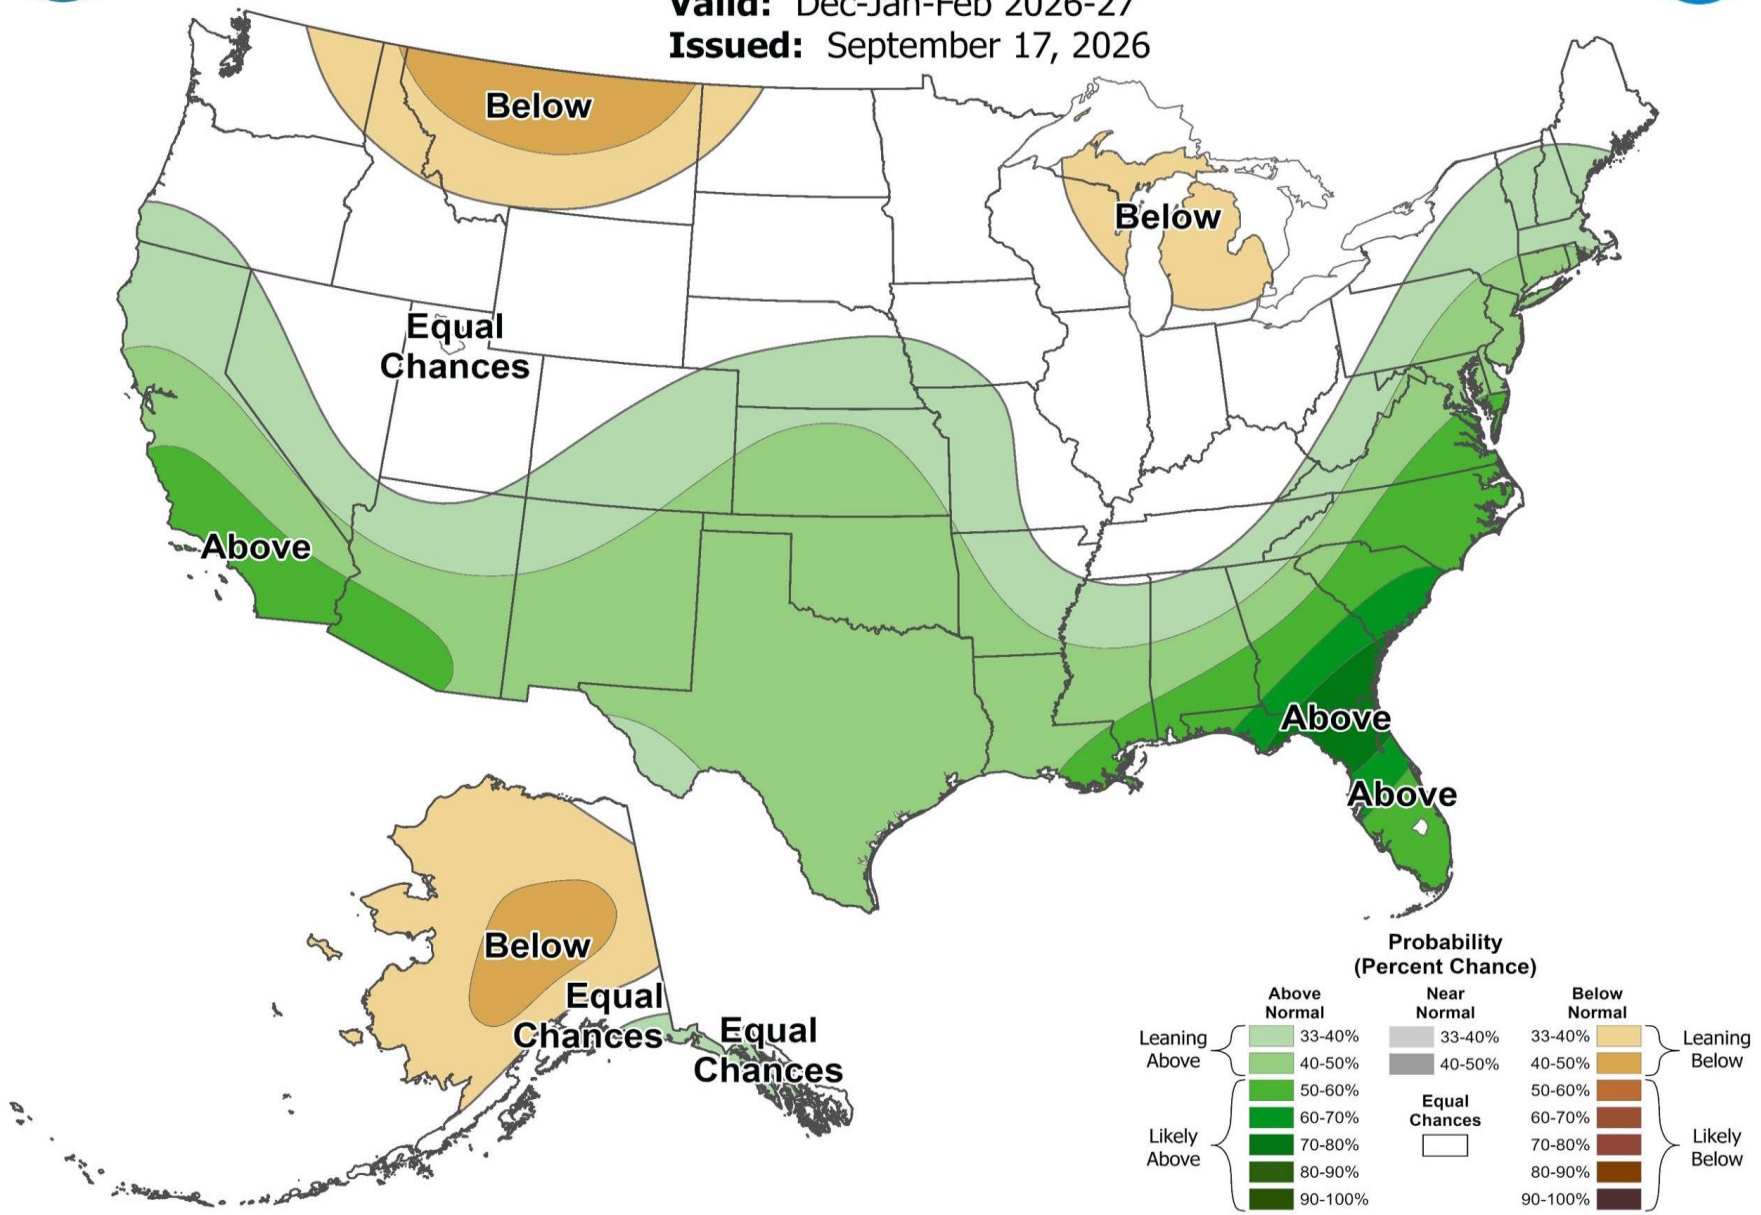

Source: *National Oceanic and Atmospheric Administration NOAA Climate.gov*

On September 21, 2026, California Governor Newsom proclaimed a statewide State of Emergency to help California prepare for the upcoming storms.

COMMUNITY ENGAGEMENT

- September 11, 2026 – met with water district and residents
- Walked the area: Levy, San Felipe Bridge, Shore Road, Lovers Lane
- Emergency alerts (Bilingual)
  - Nixle sign up link
  - SBCAlert
  - National Weather Service

STAY INFORMED

SIGN UP FOR EMERGENCY ALERTS

San Benito County encourages all residents to sign up before severe weather or another emergency occurs. Multiple alert services provide timely evacuation warnings, road closures, flooding, severe-weather and public-safety information.

SBCAlert

The County's primary location-based emergency-notification system. It provides location-based emergency messages by phone call, text message and email.

Register at: https://sbcalert.genasys.com/portal/en

Confirm that your address and contact information are current.

Nixle Community Alerts

Nixle provides public-safety alerts and community information from participating local agencies.

To sign up: Text your ZIP Code to 888777; or register online at https://local.nixle.com/register/

National Weather Service

Official weather forecasts, watches, warnings and advisories affecting San Benito County:

https://www.weather.gov/mtr/

Residents should also make sure that Wireless Emergency Alerts are enabled in their cellphone settings. These alerts can provide urgent warnings without requiring advance registration.

SIGN UP TODAY. DO NOT WAIT FOR AN EMERGENCY

Keep your contact information current and encourage family members, friends and neighbors to register. During an emergency, follow all instructions issued by public-safety officials.

MANTÉNGASE INFORMADO

INSCRÍBASE PARA RECIBIR ALERTAS DE EMERGENCIA

El Condado de San Benito recomienda que todos los residentes se inscriban antes de una emergencia o evento meteorológico severo. Varios sistemas proporcionan avisos oportunos de evacuación, cierres, inundaciones y seguridad pública.

SBCAlert

El principal sistema de notificación de emergencias del Condado. Envía mensajes de emergencia según su ubicación por llamada telefónica, mensaje de texto y correo electrónico.

Inscríbase en: https://sbcalert.genasys.com/portal/en

Confirme que su dirección e información estén actualizadas.

Alertas comunitarias de Nixle

Nixle proporciona alertas de seguridad pública e información comunitaria de las agencias locales participantes.

Para inscribirse: Envíe su código postal por mensaje de texto al 888777; o **Inscríbase en línea en** https://local.nixle.com/register/

Servicio Meteorológico Nacional

Pronósticos, avisos, alertas y advertencias meteorológicas oficiales para el Condado de San Benito:

https://www.weather.gov/mtr/

Los residentes también deben verificar que las Alertas Inalámbricas de Emergencia estén activadas en la configuración de sus teléfonos celulares. Pueden proporcionar advertencias urgentes sin inscripción previa.

INSCRÍBASE HOY. NO ESPERE HASTA QUE OCURRA UNA EMERGENCIA

Mantenga actualizada su información de contacto y anime a familiares, amigos y vecinos a inscribirse. Durante una emergencia, siga todas las instrucciones de las autoridades de seguridad pública.

SECURING WINTER STORM RESOURCES

1. Establish on-call contracts for critical storm-response services

- Tree removal services for potential downed trees blocking roadways
- Heavy equipment to supplement what the county has
- Electrical services for streetlights, traffic signals
- Hauling dump trucks to haul off debris
- Traffic control services to close off roadways when needed

2. Secure heavy equipment and qualified operators

3. Identify and pre-position essential materials and supplies

- Sandbags and material at strategic locations
- Traffic control devices stored at strategic locations (barricades and signs)
- Heavy equipment is at strategic locations in case it is needed for debris removal or to clear a roadway blockage.
- Cold-mix asphalt material for major roads failure.
- Rocks and boulders are to be placed near areas where the levee may breach or even go over the roadway.

4. Confirm contractor availability before the winter storm season

HHSA's Roles in a Disaster

PEOPLE | HEALTH | SAFETY | STRONGER TOGETHER

Healthy People
Safe Communities
Resilient Together

Mass Care and Shelter

Leads:
Tracey Belton, Agency Director
Amanda Duffy, Assistant Director

Leads alternate EOC level coordination in **12-hour** shifts for the duration of the disaster.

HHSA Executive team coordinates shelter set up, staffing, and various mandated agency responses as directed.

Medical Health Operational Area Coordinators (MHOAC)

Dr. Cheryl Scott, Health Officer and **Dr. Michael Bogey** at Hazel Hawkins Hospital are the designated contacts for coordination of medical needs.

Other Key HHSA Functions

Environmental Health
Checks shelters and food, responds to HAZMAT disasters.

HHSA Employees
Disaster Service Workers, if a sustained incident all other county staff may be asked to support.

Public Assistance
Provides Emergency benefits.

Children and Adult Services
Responsible for foster children and vulnerable adults in a disaster.

HHSA Partnership Updates

American Red Cross (ARC)

SHELTER SUPPORT & ESSENTIAL NEEDS

The American Red Cross is a key partner in providing immediate support during emergencies, including shelter operations, food, and essential supplies.

AVAILABLE RESOURCES

Cots & Blankets
Approximately 500–700 cots and blankets available locally (stored in a trailer at Salvation Army, located at the Cal Fire station on Fairview). Additional supplies can be delivered as needed.

Food Services
Hot meals and all food for County-operated shelters.

Infant Supplies
Diapers, formula, and other baby supplies.

Clothing
Clothes for all ages.

The American Red Cross works closely with the County to ensure rapid deployment of resources when shelters are activated.

California Department of Social Services (CDSS)

STATE RESOURCES & SUPPORT

The CDSS Disaster Services Branch (ESF-6) provides resources and support to help meet the needs of individuals and families during emergencies.

AVAILABLE RESOURCES

Shelter Supplies
Cots, blankets, comfort kits, durable medical equipment, and other essential items.

Staffing Support
Voluntary Emergency Services Team (VEST) and Functional Assessment Service Team (FAST) to assist at shelters and the EOC.

Supply Trailers
CDSS supply trailers can be requested to stage in the County (dependent on available funding).

Mobile Command Unit (MCU)
Available for longer-scale deployments to support field operations.

Agreement Required
A Memorandum of Understanding (MOU) is needed to access CDSS shelter supplies and/or a supply trailer.

HHSA Partnership Updates

Community Based Organization (CBO) Outreach

LOCAL SUPPORT | STRONGER PARTNERSHIPS | A MORE RESILIENT SAN BENITO COUNTY

HHSA is engaging with local community-based organizations to identify resources and services that can support residents during and after a winter storm. These organizations play a vital role in meeting community needs and strengthening local response and recovery efforts.

AREAS OF SUPPORT IDENTIFIED THROUGH CBO OUTREACH

Food Assistance
Support with food distribution, meal services, and donation coordination.

Essential Supplies
Diapers, clothing, and other basic needs items.

Outreach & Communication
Support with community outreach, multilingual messaging, and dissemination of emergency information.

Support for Vulnerable Populations
Services for children, older adults, individuals with disabilities, those experiencing homelessness, and other at-risk residents.

Animal Support
Coordination for displaced domestic animals, including limited sheltering capacity through local partners.

Facility Support
Potential use of community sites for sheltering, Local Assistance Centers, or other services.

OFFICE OF THE SHERIFF

The Sheriff's Office will assume Incident Command in the field during any disaster event

We will utilize a Unified Command with Hollister Fire Department, CHP and other partners

We have contacts in place with the swift-water rescue team out of Oakland Fire Department

Our Search and Rescue Volunteers are on standby 24/7/365 to respond and help in evacuations, rescues, etc.

EVACUATIONS

The Sheriff may have direct authority to issue an evacuation order under Penal Code § 409.5 when the statutory conditions exist.

A county emergency plan may also designate who is responsible for issuing evacuation warnings, evacuation orders, and public notifications.

The distinction is important:

Warning: A threat exists, and people should prepare to leave.

Order: People must leave the affected area under a lawful evacuation directive.

Cal OES describes an evacuation order as a lawful directive to leave an affected area that is closed to public access.

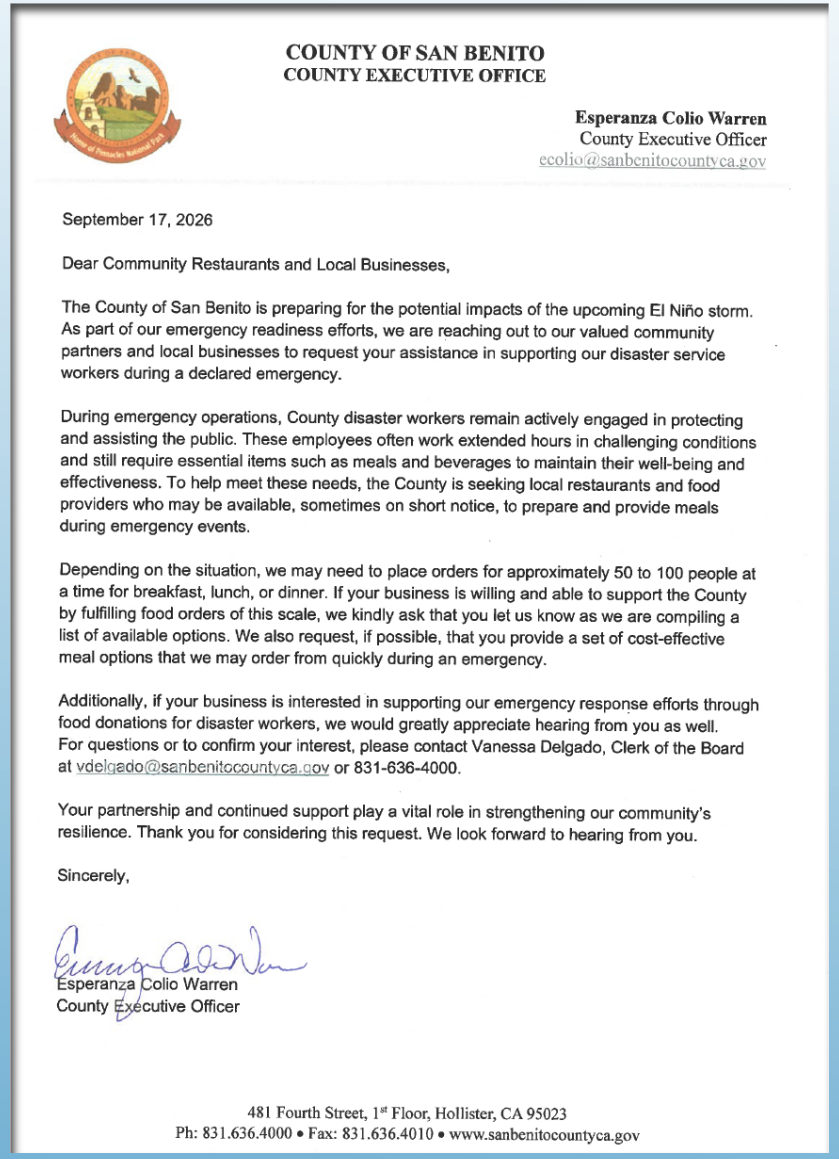

OFFICE OF THE SHERIFF

BOARD DIRECTION NEEDED

Creation of a CIP Project with funding allocation for preparedness purposes:

1. Contracts for the rental of heavy equipment and qualified operators to clean areas of concern
2. MOU's with nonprofits for shelter locations, water, food, and supplies
3. MOU's with Bolado Park Event Center to shelter large animals (Ag Commissioner)
4. Secure essential materials & supplies (PW)
5. Setup of Emergency Operations Center (EOC) at Sheriff's Conference Building
6. Potential overtime to workers' crews (to clean roads, creeks, etc.)
7. County's roof repairs for District Attorney, Probation, and Administration buildings) Other building may need repairs.

Emergency Meal Support for County and Volunteer Disaster Workers at the County's EOC

COUNTY OF SAN BENITO
COUNTY EXECUTIVE OFFICE

Esperanza Colio Warren
County Executive Officer
ecolio@sanbenitocountyca.gov

September 17, 2026

Dear Community Restaurants and Local Businesses,

The County of San Benito is preparing for the potential impacts of the upcoming El Niño storm. As part of our emergency readiness efforts, we are reaching out to our valued community partners and local businesses to request your assistance in supporting our disaster service workers during a declared emergency.

During emergency operations, County disaster workers remain actively engaged in protecting and assisting the public. These employees often work extended hours in challenging conditions and still require essential items such as meals and beverages to maintain their well-being and effectiveness. To help meet these needs, the County is seeking local restaurants and food providers who may be available, sometimes on short notice, to prepare and provide meals during emergency events.

Depending on the situation, we may need to place orders for approximately 50 to 100 people at a time for breakfast, lunch, or dinner. If your business is willing and able to support the County by fulfilling food orders of this scale, we kindly ask that you let us know as we are compiling a list of available options. We also request, if possible, that you provide a set of cost-effective meal options that we may order from quickly during an emergency.

Additionally, if your business is interested in supporting our emergency response efforts through food donations for disaster workers, we would greatly appreciate hearing from you as well. For questions or to confirm your interest, please contact Vanessa Delgado, Clerk of the Board at vdelgado@sanbenitocountyca.gov or 831-636-4000.

Your partnership and continued support play a vital role in strengthening our community's resilience. Thank you for considering this request. We look forward to hearing from you.

Sincerely,

Esperanza Colio Warren
County Executive Officer

481 Fourth Street, 1st Floor, Hollister, CA 95023
Ph: 831.636.4000 • Fax: 831.636.4010 • www.sanbenitocountyca.gov

The Clerk of the Board contacted seventeen (17) Community Restaurants and Local Businesses by e-mail and twenty-three(23) by mail, requesting assistance from local restaurants and food providers who may be available on short notice to prepare cost-effective meal options or possible food donations.

COUNTY EXECUTIVE OFFICER:
Esperanza Colio Warren

COUNTY COUNSEL:
Gregory P Priamos

CLERK OF THE BOARD:
Vanessa Delgado

Item Number: 1.B

MEETING DATE: **09/22/2026**

DEPARTMENT: COUNTY COUNSEL

AGENDA ITEM PREPARER: Vanessa Delgado

DEPT HEAD/DIRECTOR: Gregory P. Priamos

SUBJECT:

COUNTY COUNSEL - G.P. PRIAMOS
1. Receive presentation regarding the statutory role of the Board of Supervisors during a locally declared emergency; and
2. Provide direction to staff.
SBC FILE NUMBER: 160

AGENDA SECTION:

REGULAR AGENDA

BACKGROUND/SUMMARY:

The statutory, legislative, and policy-making roles of the Board of Supervisors during a locally declared emergency are multifaceted and essential to ensuring that the County's emergency response is sufficient to protect life and property.
The Board's powers are specifically enumerated under state and local law and are designed to permit the Board of Supervisors, its Director of Emergency Services, County appointed and elected officials, and County employees to act swiftly and effectively during the local emergency and in the County's recovery and reconstruction.
The purpose of the presentation is to better inform and educate the Board of Supervisors, County officials and employees, and the public on the critical roles that the Board play in a local emergency with emphasis on the Board's specific emergency powers, duties, and functions.
Neither the current Emergency Services Ordinance (Chapter 11.01) nor the County's 2023 Emergency Operations Plan adequately details the roles of the Board of Supervisors, the Director of Emergency Services (County Executive Officer), or the County Counsel in a local emergency. Both the ordinance

and the plan will be updated and revised to so detail and will be presented to the Board at a future meeting for review and consideration.

Statutory Role of the Board of Supervisors During a Locally Declared Emergency

Everything that you wanted to know but were afraid to ask!

County of San Benito

September 22, 2026

prentice|LONG PC

Statutory and Regulatory Framework

01

The legal foundation for county emergency powers under California law.

Statutory and Regulatory Framework

California's Emergency Services Act establishes the comprehensive framework for all emergency preparedness, response, and recovery.

- California Emergency Services Act (Gov. Code §§ 8550 et seq.)
- CalOES – California State Emergency Plan 2024
- County Code Chapter 11.01 – Emergency Services
- County Emergency Operations Plan
- County Disaster Medical Response Plan
- County Multi-Jurisdictional Hazard Mitigation Plan

DEFINITION OF "LOCAL EMERGENCY"

"the duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, city and county, or city"

— Government Code § 8558, subdivision (c)(1)

Triggering conditions: fire, flood, storm, epidemic, riot, drought, earthquake, cyberterrorism, sudden and severe energy shortage, and other conditions beyond control of the political subdivision.

Proclamation Procedures

KEY REQUIREMENTS

A local emergency may be proclaimed only by the Board of Supervisors or by an official designated by ordinance adopted by the governing body.

GC § 8630

CRITICAL TIMELINES

Ratification:
7 days if proclaimed by designated official

State Assistance Eligibility:
10 days to proclaim + notify Cal OES Director
(19 Cal. Code Regs. § 2970)

County Disaster Councils

01

GC § 8610 authorizes counties to create disaster councils by ordinance.

02

Tasked with developing plans for meeting any condition constituting a local or state emergency.

03

Governing body may authorize public officers, employees, and registered volunteers to command the aid of citizens.

County Code Section 11.01.003-.004

Role of the County Director of Emergency Services

02

Operational leadership and designated powers during emergencies.

Emergency Leadership Structure

DIRECTOR OF EMERGENCY SERVICES

County Executive Officer serves as Director (Section 11.01.005). Duties prescribed by state law, executive order, CA Disaster and Civil Defense Master Mutual Aid Agreement, mutual aid operational plans, and county ordinances and resolutions (GC § 26621). Powers detailed in Section 11.01.006.

OPERATIONAL AREA

Each county is designated an "operational area" under GC § 8605 for coordination of emergency activities between the county and its political subdivisions. Governed locally by County Code Section 11.01.007.

EMERGENCY APPROPRIATIONS

GC § 29127 — Board may appropriate by four-fifths vote after resolution stating facts. Three qualifying cases: (1) emergency caused by war, fire, flood, explosion, storm, earthquake, epidemic, riot, or insurrection; (2) immediate preservation of order or public health; (3) relief of a stricken community overtaken by calamity.

Role of the Board of Supervisors

03

Governing body powers and duties during a locally declared emergency.

Board of Supervisors— Governing Authority

All emergency powers flow from the Board of Supervisors. Normal rules of governmental power are temporarily suspended.

- Must formally act on behalf of the County throughout the pendency of the local emergency.
- Protection of life and property takes priority.
- Proclamation: Board or designated official; must meet statutory definition with facts demonstrating conditions of disaster or extreme peril.
- Ratification: Board must ratify within 7 days if proclaimed by designated official.

Emergency Lifecycle

PROCLAIM

Board or designated official declares local emergency (GC § 8630).

RATIFY

Board ratifies within 7 days if proclaimed by designated official.

REVIEW

Board reviews need at least every 60 days (GC § 8630(c)).

TERMINATE

Board proclaims termination at earliest possible date (GC § 8630(d)).

COUNSEL'S NOTE

County Counsel should advise on the legal implications of termination, including the effect on existing emergency contracts and procurement authority.

Legal Authority for Emergency Orders

AUTHORITY

GC § 8634 authorizes the governing body to promulgate orders and regulations necessary for protection of life and property, including curfew orders within designated boundaries.

REQUIREMENTS

Orders must be in writing with widespread publicity and notice.

County Counsel should draft all proposed emergency orders for legal sufficiency, constitutional limitations (including due process and First Amendment), and compliance with the Act.

Powers and Limitations During Local Emergency

POWERS (GC § 8643)

- Ascertain damage and needs, including subpoena power to compel testimony and production of records.
- Reconstitute itself by filling vacancies and reconstitute the county by appointment.
- Preserve law and order and furnish local services.

LIMITATIONS

(1) Proportional to actual conditions.

(2) Reasonably related to protection of life/property.

(3) Constitutional protections remain in effect.

(4) Subordinate to Governor's state of emergency.

(5) Procedural requirements (e.g., four-fifths vote) observed.

LEGAL CONSTRAINTS — SUBORDINATION TO GOVERNOR

“The emergency power vested in a local governing body or public official during a state of emergency is subject or subordinate to the powers vested in the Governor.”

— Government Code

County ordinances, orders, and regulations continue in effect during a state of emergency, except as suspended or superseded by the Governor’s orders.

Each department, officer, and employee of each political subdivision must render all possible assistance to the Governor and to the state Director of Emergency Services.

Additional Powers

04

Emergency procurement, expenditures, orders, mutual aid, and recovery.

Emergency Contracts and Procurement

1 **DEFINE**

PCC § 1102 defines “emergency” as a sudden, unexpected occurrence posing clear and imminent danger requiring immediate action.

2 **AUTHORIZE**

PCC § 22050 — four-fifths vote to repair/replace/procure without competitive bidding. Board reviews at each regular meeting.

3 **PROCURE**

GC § 25502.7 — purchasing agent engages contractors after § 8630 proclamation. PCC § 20168 — four-fifths vote for immediate expenditure.

4 **PREPARE**

Seek pre-positioned procurement contracts with multiple vendors for equipment, goods, and services.

Emergency Expenditures

01

GC §§ 29127 and 29128— Board may appropriate by four-fifths vote after adopting resolution stating facts constituting emergency.

02

All emergency expenditures paid from county treasury from any fund from which expenditure may properly be paid.

03

GC § 53790— notwithstanding budget limitations and restrictions (except constitutional), county may incur all necessary expenses and permit use of public property or personnel to meet emergency.

Emergency Orders and Regulations

- Evacuation Orders
- Curfew Orders and Ordinances
- Order Suspending Competitive Bidding
- Order Commandeering Property for Temporary Housing and Medical Facilities
- Order Conscripting Personnel to Support Emergency Response

AUTHORITY

The governing body or any designated official has authority to issue and enforce orders and regulations necessary for the protection of life and property during the local emergency.

Mutual Aid and Intergovernmental Coordination

MUTUAL AID

GC § 8631: during local emergency, political subdivisions have full power to provide mutual aid to any affected area.

Board should direct review of existing mutual aid agreements and ensure new agreements comply with applicable legal requirements.

STATE AND FEDERAL COORDINATION

Board must ensure County staff coordinates with Cal OES and FEMA.

Includes eligibility requirements for disaster assistance, timely proclamation/notification, and review of conditions attached to aid.

Recovery and Reconstruction

GC § 8877.6 authorizes each county to take actions necessary for orderly transition from emergencies to recovery and reconstruction, including:

01 Activating ordinances and plans.

02 Coordinating actions and identifying areas of damage.

03 Reviewing recovery plans and determining financing methods.

The Board's powers are specifically enumerated under state and local law and are designed to permit swift and effective action.

Conclusion

- The statutory, legislative, and policy-making roles of the Board of Supervisors during a locally declared emergency are multifaceted and essential.
- Powers ensure the County's emergency response is sufficient to protect life and property.
- Designed to permit the Board, its Director of Emergency Services, appointed and elected officials, and employees to act swiftly and effectively during the local emergency and in the County's recovery and reconstruction.

Adopt a Resolution proclaiming a Local State of Emergency.
SBC FILE NUMBER: 160
RESOLUTION NO.: 2026-127

AGENDA SECTION:

REGULAR AGENDA

BACKGROUND/SUMMARY:

Governor Newsom has proclaimed a statewide State of Emergency via Proclamation on September 21, 2026. The National Oceanic and Atmospheric Administration's National Weather Service Climate Prediction Center, in its August 13, 2026, diagnostic report, found that the El Niño event is strengthening, with a greater than 90 percent chance of a very strong event during Northern Hemisphere fall and winter of 2026–2027.

Adopted Resolution No. 2026-127 per staff recommendation. (4/0 vote)

ATTACHMENTS:

Executive Department State of California - Proclamation of a State of Emergency regarding El Nino

Fully Executed Resolution No. 2026-127 Local State of Emergency re El Nino Storm

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS in the past several years, California has experienced increasingly severe and destructive storms, including atmospheric river events that have caused widespread flooding, mud and debris flows, landslides, high winds, power outages, road and highway closures, evacuation orders, damage to homes and critical infrastructure, and disruption of essential services; and

WHEREAS climate change is intensifying these weather and hydrologic extremes in California, contributing to increasingly severe swings between drought and flooding, and heightening the risks that extreme storms pose to communities, infrastructure, natural resources, and the economy; and

WHEREAS California is entering the 2026–2027 wet season amid the ongoing development of a strong and likely historic El Niño event in the Pacific Ocean; and

WHEREAS the National Oceanic and Atmospheric Administration's National Weather Service Climate Prediction Center, in its August 13, 2026, diagnostic report, found that the El Niño event is strengthening, with a greater than 90 percent chance of a very strong event during Northern Hemisphere fall and winter of 2026–2027; and

WHEREAS the Climate Prediction Center projected a 69 percent chance that the event will reach historic strength during the October through December 2026 season, defined as a three-month Relative Oceanic Niño Index, and exceeding the strength of all prior El Niño events in the historical record beginning in 1950; and

WHEREAS the National Weather Service Climate Prediction Center has found that atmospheric conditions over the tropical Pacific are consistent with a strengthening El Niño, including changes in equatorial winds and an eastward shift in enhanced convection and rainfall toward the central and eastern Pacific, making it more likely that at least some parts of California will experience stronger storms in coming months; and

WHEREAS elevated baseline coastal water levels, combined with high tides, large waves, high surf, and coastal storms, can increase risks of coastal flooding, beach erosion, bluff erosion, transportation disruption, and damage to public and private infrastructure; and

WHEREAS California has already begun to experience effects attributed to this El Niño event, including unusual precipitation and significant coastal flooding; and

WHEREAS historical experience demonstrates that very strong El Niño events do not produce uniform statewide outcomes, but can be associated with exceptionally wet and destructive winter conditions in California; and

WHEREAS California's recent experience with atmospheric rivers, debris flows following wildfires, flash flooding, coastal erosion, inundation, and damage to transportation and flood-control infrastructure demonstrates the importance of procuring and positioning resources, clearing waterways, and taking additional actions to prepare before severe storms arrive; and

WHEREAS areas affected by recent wildfires are particularly susceptible to flash flooding, mud and debris flows, erosion, sediment transport, and road closures during high-intensity rainfall; and

WHEREAS in light of that experience, local governments, local water agencies, and local flood control authorities have requested action now to enable them to move quickly to begin preparations for preventing and responding to the impacts of potential flooding; and

WHEREAS low-income communities, farmworker families, rural residents, seniors, persons with disabilities, residents with limited transportation access, people experiencing homelessness, and communities in flood-prone, coastal, or post-fire areas may face disproportionate risks; and

WHEREAS the demonstrated potential for a very strong or historic-strength El Niño event to cause elevated coastal water levels and high-impact storms in California warrants early, coordinated, and targeted preparedness actions to protect Californians, critical infrastructure, agricultural lands, natural resources, and the State's economy; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the developing El Niño event; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the developing El Niño event is likely to cause conditions that, by reason of their magnitude, are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the extreme peril posed by the developing El Niño event; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of the developing El Niño event.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist statewide due to the developing 2026–2027 El Niño event.

IT IS HEREBY ORDERED THAT:

1. All agencies of the state government are to utilize and employ state personnel, equipment, and facilities for the performance of any and all activities consistent with the direction of the Governor's Office of Emergency Services and the State Emergency Plan. The Governor's Office of Emergency Services shall coordinate statewide preparedness activities for potential severe weather, flooding, coastal flooding, erosion, mud and debris flows, and related impacts associated with conditions resulting from the El Niño event, including atmospheric rivers and other severe storm systems. The Governor's Office of Emergency Services shall work with local and tribal governments to support emergency planning, resource coordination, and requests for state assistance. To protect their safety, all residents are to obey the direction of emergency officials with regard to this emergency.

2. As necessary to assist local governments and for the protection of public safety and the environment, state agencies shall enter into contracts to arrange for the procurement of materials, goods, and services necessary to quickly assist with the response to and recovery from the impacts of this emergency. Applicable provisions of the Government Code and the Public Contract Code, including but not limited to travel, advertising, and competitive bidding requirements, are suspended to the extent necessary to address the effects of this emergency.

3. The California Environmental Protection Agency and the California Natural Resources Agency, including boards, departments, and offices within those agencies, are directed to prioritize work to help local agencies prepare for anticipated impacts from the El Niño event. In particular, those state agencies are directed to prioritize permitting, consultation, and technical assistance to support local efforts to prevent or mitigate impacts from anticipated or potential flooding, landslides, and mud and debris flows, including local efforts to expedite levee and other flood management infrastructure repairs, vegetation management, debris removal, sediment management, bridge scour protection, and channel-capacity improvements. State agencies are directed to work with local agencies to issue any necessary permits or other approvals for such efforts as quickly as possible, including by identifying and invoking existing emergency authorities or other pathways for streamlined review. On or before October 16, 2026, the Secretary for Environmental Protection and the Secretary of the Natural Resources Agency shall submit a joint recommendation to my office as to whether further action or emergency suspensions are necessary to support and expedite this work.

4. The Governor's Office of Emergency Services shall coordinate the State's preparation for and response to the developing El Niño event, including by working with the Department of Water Resources and other appropriate government agencies to prepare to pre-position personnel, equipment, supplies, commodities, and other resources based on forecast conditions, local needs, and identified risks. In particular, this work shall draw on the Department of Water Resources' guidance regarding flood-risk-reduction activities.

5. The Department of Water Resources shall take appropriate action to procure, maintain, stage, pre-position, distribute, and replenish flood-fight supplies, equipment (including, but not limited to, sandbags, riprap and other rock materials, plastic sheeting, and pumps), and other materials necessary to support statewide flood preparedness, response, and protective actions in connection with the El Niño event. The Department of Water Resources shall coordinate with appropriate government agencies to identify priority areas for flood-fight material staging and plans to make these materials available where they are needed, when they are needed.

6. The Department of Water Resources, through its Division of Safety of Dams, shall conduct outreach to owners of jurisdictional dams regarding potential severe conditions during the El Niño event and shall reiterate to dam owners their responsibilities to inspect, operate, maintain, repair, and safely manage their dams and appurtenant structures in accordance

with applicable law, permit conditions, emergency action plans, and directives of the Division of Safety of Dams.

7. The Governor's Office of Emergency Services, in coordination with the Department of Water Resources, shall conduct outreach to counties, cities, and relevant local agencies that are responsible for levees, flood-control facilities, and associated structures that may be vulnerable to impacts of the El Niño event to take appropriate actions to procure, maintain, stage, pre-position, distribute, and replenish flood-fight supplies, commodities, equipment, and materials necessary to support flood preparedness, response, and protective actions.

8. The Department of Water Resources, in coordination with the State Water Resources Control Board, shall conduct outreach and education to advance groundwater recharge projects and to use flood flows to recharge groundwater aquifers under existing law with the goal of reducing flood impacts and strengthening local water supplies.

9. Consistent with Paragraph 3 of this Proclamation, the Coastal Commission is directed to expedite review and action on proposed development by coastal communities to prepare for the impacts of this El Niño event. Coastal communities are encouraged to submit permit applications, as appropriate, to facilitate timely Coastal Commission review, technical assistance, and other support for El Niño preparations. After an application is received, the Commission shall respond with notification of any incomplete items within five days. After an application is complete, it shall be scheduled for hearing at the next Commission meeting. For emergency permit requests, the Commission shall accept both written and oral requests to its district offices. When necessary to address an urgent need related to this emergency, the Commission shall take action on emergency permit requests as quickly as possible and within twenty-four hours of receipt.

10. The California Department of Transportation and California State Transportation Agency shall identify those state highways, bridges, culverts, drainage facilities, slopes, and other transportation infrastructure most at risk of flooding, erosion, debris flows, rockslides, mudslides, or other significant impacts from severe storms caused by the El Niño event, and transmit to the Governor's Office of Emergency Services a prioritized list of projects to address such risks within 30 days of this Proclamation.

11. The California Department of Transportation shall develop plans to pre-position personnel and materials (including directional signage, traffic-control devices, road-closure devices, warning signs, delineators, emergency communications equipment, and other resources) at or near locations that may be identified as at risk of severe impacts from the El Niño event. This shall include plans to prepare and pre-position snow-removal, snow-control, and ice-control equipment as appropriate, including snowplows, snow blowers, graders, loaders, chain-control equipment, salt, sand, and other materials necessary to maintain safe travel and restore access on state highways during the El Niño event.

12. The Adjutant General and the California Military Department shall, in coordination with the Director of the Governor's Office of Emergency

Services, identify California National Guard personnel, equipment, and capabilities that may be available to support state and local emergency operations, if activated or tasked, in relation to this El Niño event. Such planning shall include readiness for high-water vehicle operations; aviation operations, including reconnaissance, search and rescue, transport, and heavy-lift support, as appropriate; engineering support; emergency communications; transportation and logistics; evacuation support; flood-fight activities; debris removal and route clearance; commodity distribution; shelter support; and other life-safety and emergency-support missions.

13. California Volunteers, in coordination with the Governor's Office of Emergency Services and other appropriate agencies, shall prepare to mobilize volunteers and trained service members, consistent with their training, mission, safety requirements, and applicable law, to support state and local preparedness, response, and recovery activities in connection with the El Niño event.

14. The California Conservation Corps shall prepare to deploy Corpsmembers, consistent with its statutory mission, training, available resources, safety requirements, and applicable law, to support severe weather preparedness and response activities in connection with the El Niño event.

15. The California Energy Commission, the Office of Energy Infrastructure Safety, and the State Water Resources Control Board and regional water quality control boards are directed, and the California Public Utilities Commission is requested, to coordinate, consistent with their respective authorities, with electrical, natural-gas, water, wastewater, telecommunications, transportation, and other critical-service providers to enhance readiness and support timely restoration of essential services following storm impacts.

16. The Governor's Office of Emergency Services, in consultation with relevant state agencies, shall expand accessible, multilingual public preparedness communications related to severe weather, flooding, emergency alerts, evacuation readiness, power outages, safe travel, disaster assistance, and household emergency planning.

17. Agencies under my direct authority shall cooperate in their response to this emergency. Other agencies are requested to assist in responding to this emergency, as appropriate.

18. The restrictions set forth in Penal Code section 396, which are automatically triggered upon proclamation of a state of emergency, are suspended, and no such restrictions are imposed, with respect to this El Niño event, at this time.

I FURTHER DIRECT that as soon as hereafter possible, this Proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Proclamation.

This Proclamation is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 21st day of September 2026.

GAVIN NEWSOM
Governor of California

ATTEST:

SHIRLEY WEBER, PH. D
Secretary of State

Docusign Envelope ID: 53D765BF-97AE-87FE-80E9-2A45E3BEBE5C

RESOLUTION NO. 2026-127

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN BENITO CALIFORNIA, PROCLAIMING EXISTENCE OF A LOCAL EMERGENCY.

WHEREAS, the California Emergency Services Act (California Government Code Sections 8550, et seq.) empowers the Board of Supervisors to proclaim the existence or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county constituting a local emergency; and

WHEREAS, the Governor of the State of California proclaimed a State of Emergency on September 21, 2026 to exist statewide due to the developing 2026–2027 El Niño event; and

WHEREAS, in said Proclamation, the Governor stated that:

1. California is entering the 2026–2027 wet season amid the ongoing development of a strong and likely historic El Niño event in the Pacific Ocean; and
2. The National Oceanic and Atmospheric Administration's National Weather Service Climate Prediction Center, in its August 13, 2026, diagnostic report, found that the El Niño event is strengthening, with a greater than 90 percent chance of a very strong event during Northern Hemisphere fall and winter of 2026–2027; and
3. The Climate Prediction Center projected a 69 percent chance that the event will reach historic strength during the October through December 2026 season, defined as a three-month Relative Oceanic Niño Index, and exceeding the strength of all prior El Niño events in the historical record beginning in 1950; and
4. The National Weather Service Climate Prediction Center has found that atmospheric conditions over the tropical Pacific are consistent with a strengthening El Niño, including changes in equatorial winds and an eastward shift in enhanced convection and rainfall toward the central and eastern Pacific, making it more likely that at least some parts of California will experience stronger storms in coming months; and
5. In light of that experience, local governments, local water agencies, and local flood control authorities have requested action now to enable them to move quickly to begin preparations for preventing and responding to the impacts of potential flooding; and

Docusign Envelope ID: 53D765BF-97AE-87FE-80E9-2A45E3BEBE5C

6. Low-income communities, farmworker families, rural residents, seniors, persons with disabilities, residents with limited transportation access, people experiencing homelessness, and communities in flood-prone, coastal, or post-fire areas may face disproportionate risks; and

7. The demonstrated potential for a very strong or historic-strength El Niño event to cause elevated coastal water levels and high-impact storms in California warrants early, coordinated, and targeted preparedness actions to protect Californians, critical infrastructure, agricultural lands, natural resources, and the State's economy; and

WHEREAS, the Governor has made the following factual findings in support of his State of Emergency:

1. That conditions of extreme peril to the safety of persons and property exist due to the developing El Niño event; and

2. That the developing El Niño event is likely to cause conditions that, by reason of their magnitude, are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

3. That local authority is inadequate to cope with the magnitude of the extreme peril posed by the developing El Niño event; and

WHEREAS, the Governor has ordered, among other provisions, that:

- As necessary to assist local governments and for the protection of public safety and the environment, state agencies shall enter into contracts to arrange for the procurement of materials, goods, and services necessary to quickly assist with the response to and recovery from the impacts of this emergency. Applicable provisions of the Government Code and the Public Contract Code, including but not limited to travel, advertising, and competitive bidding requirements, are suspended to the extent necessary to address the effects of this emergency.

- The Governor's Office of Emergency Services, in coordination with the Department of Water Resources, shall conduct outreach to counties, cities, and relevant local agencies that are responsible for levees, flood control facilities, and associated

Docusign Envelope ID: 53D765BF-97AE-87FE-80E9-2A45E3BEBE5C

structures that may be vulnerable to impacts of the El Niño event to take appropriate actions to procure, maintain, stage, pre-position, distribute, and replenish flood-fight supplies, commodities, equipment, and materials necessary to support flood preparedness, response, and protective actions.

WHEREAS, pursuant to Section 8630, the Board of Supervisors does hereby find:

1. That conditions of disaster or extreme peril to the safety of persons and property exist due to the developing El Niño event; and
2. That the County has experienced significant and destructive flooding in recent years and that certain areas of the County are very susceptible to flooding; and

3.. That the aforesaid conditions of extreme peril warrant and necessitate the proclamation of the existence of a local emergency; and

4. That this proclamation will greatly assist the County in preparing for and mitigating the effects of the impending wet and destructive winter conditions;

5. That the Governor has proclaimed a statewide State of Emergency and the Proclamation is attached hereto and incorporated by this reference.

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that a local emergency now exists throughout the County of San Benito.

IT IF FURTHER PROCLAIMED AND ORDERED that during the existence of said local emergency the powers, functions and duties of the Director of Emergency Services and the emergency organization of this County shall be those prescribed by state law, ordinances and resolutions of the County of San Benito.

IT IS FURTHER PROCLAIMED AND ORDERED that said local emergency shall be deemed to continue to exist until its termination is proclaimed by the Board of Supervisors of the County of San Benito.

ADOPTED by the Board of Supervisors this 22nd day of September, 2026.
