Martin moved to approve Regular Commission Meeting Minutes and Indigent Board Meeting Minutes of January 14, 2025.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTION:	Seth Martin, Commissioner
SECOND:	Dusty Leatherwood, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

III – RECOGNITION OF VISITORS AND PUBLIC INPUT FOR WHICH NO ACTION WILL BE TAKEN – None.

IV. PRESENTATIONS

1. Eastern New Mexico Sentinel Landscape Update – Marco Lueras

Marco Antonio Lueras, ENMSL Coordinator, addressed commission. LegacyWorks Group is supporting the evolution of the program at the national and local levels to better enable each Sentinel Landscape Partnership to set and achieve landscape scale conservation, community and climate resilience goals. Provides direct experience, assistance, and support for ENMSL; fiscal agent of the ENMSL program; and liaison between ENMSL and the Federal Coordinating Committee. Lueras brief commission on overview of Key Landscape Statistics, as well as Procedures and relationships. Future of the ENMSL: Implementation Plan is priority in 2025. Water is biggest landscape risk; groundwater extraction exceeds groundwater recharge. The key to success lies in ability to create a shared vision for successful ecological sustainability. Water underlies the entire landscape, literally and figuratively. Martin asked if ENMSL goals referenced in presentation are shared with landowners. Lueras: ENMSL works directly with landowners; a summary report can be provided.

V – CONSENT AGENDA

1. Request Approval of Intergovernmental Agreement Between Curry County, the Administrative Office of the Courts and the Ninth Judicial District Court for Improvements to the Courthouse - Ben Roberts

2. Request Approval of Third Renewal for Chip Seal Aggregate with Nick Griego & Sons Construction, Inc, Running from February 23, 2025 to February 22, 2027, Not Washed Priced at $36.48 Per Ton, Washed at $38.29 Per Ton - Walon Jones

VI – REPORTS OF BOARDS, COMMITTEES, DEPARTMENTS AND PRESENTATIONS

1. Adult Detention Center January 2025 Report – Joe Alaniz

In collaboration with Sheriff's Department, ADC is working to launch new web page specifically designed for recruitment for both agencies. Both departments have a couple of projects in creation they would like included in the initial launch, but may have to be added later. Ideas are being also being discussed regarding joint venture recruitment job fairs. The plans will give both departments an opportunity to showcase benefits, upward mobility potential, and departmental equipment. January 2025 Population Data- Average Daily County Population: 188 Detainees; Total Detainee Bookings: 188; Total New First Time Bookings: 43; Total Previous Booking:140; Total Females Booked: 31; Total Males Booked: 157; Released Males: 151; Released Females: 61; Total Male Felonies: 581; Total Female Felonies: 214; Total Male Misdemeanors: 477; Total Female Misdemeanors: 326; Total Sentenced Detainees -25; Out of State Fugitives: 4. ADC continues to facilitate and manage approved and scheduled attorney access with their clients. In January there were 47 attorney phone calls, 28-attomey on site client visits, 19 rehabilitation services phone calls; 3 detainees were accepted into a rehabilitation program. Detainees continue to visit with loved ones via visitation on the tablets; 895 detainee video visitations in the reporting month. Volunteer Programing continues to provide diverse opportunities to detainee population. 3 baptisms were performed in January. The facility staff continues to assist in delivering religious materials and other articles to detainees to facilitate in the practice of designated faith, up to and including meeting the standard on Special Religious Diets provided for detainees whose religious beliefs require the adherence to religious dietary laws. ADC continues to facilitate Detainee Medication Assisted Treatment Program. In January there were 9 participants approved for substance abuse medications as well as additional counseling two times a week within ADC by Mental Health Resources. 2954 educational and self-help resources are available to ADC population through Edovo. The certificates of completion and transcripts are available to participants and can be submitted to courts on the behalf of the detainee, submitted with the detainee's goodtime request. The on-site audit assessment was conducted on January 30 and 31, 2025; all protocols and process indicators were reviewed by assessor to verify ADC is compliant with the Adult Detention Professional Standards prior to awarding accreditation. Upon completion of the assessment, assessors met with Alaniz and administrative team to present a verbal summary of the findings and recommendations that will be made to the Council. A copy of the written report will be mailed to the facility and county manager, as well as to each member of the Council before the Council meets to consider reaccrediting the facility. Employee Development/Facility Training: monthly NM Counties Risk Awareness Program Training, Response to Active Aggression/ Active Resistance, and Mechanical Restraints. Total overtime from pay period January 5-18, 2025, time and a half above 86 hours: 227.38 hours. January 2025 Juvenile Detention Billing Total: $37,275.00; 2 at Lea County Juvenile Detention Center, 62 Days, $18,600.00; 3 at Bernalillo County Juvenile Detainees, 83 Days, $18,675.00. January 2025 Adult Detention Billing Total: $37,515.00; NMDOC: $10,556.00; Adult Probation and Parole: $23,606.00; Guadalupe County: $2,325.00; Roosevelt County $500.00.

2. Presentation/Update on Curry County Senior Programs – Diana Cassidy

Cassidy briefed commission on the three (current) senior programs: Foster Grandparent Program (FGP), Senior Companion Program (SCP), and Retired Senior Volunteer Program (RSVP).

3. Presentation of Events Center and Fairground Financial Statements Ending November 30, 2024 – Kyle Messick

Messick reported one event hosted. Total indirect expenses were $80,500. Total revenue was down due to the flooding in arena and cancellation of the High Plains Junior Rodeo. Messick: That put us down about $4,200 in stall rentals, under $1,500 in RV rentals, and $7,000 in concession sales. The month of November finished with $16,544 over budget, with majority of overages through the month of November due to temporary labor and equipment rental. Messick: Since then, we have eliminated all temporary labor and are using minimal part time staff to operate. Currently operating without a Director of Operations and Finance Director. Finance Department is being fully supported by OVG360 corporate until the position is filled and trained. Messick confirmed Events Center and Fairgrounds is over budget $108,000 through November.

4. Presentation of Events Center and Fairgrounds Financial Statements Ending December 31, 2024 – Kyle Messick

Messick reported and indirect expense of $67,281; $31,891 under approved budget. Event income was up $9,223 due to the Winter Wonderland Trade Show. Majority of the overages through December came from building repairs and property maintenance. Part-time labor was cut

down by $3,368 for December. Current at $108,000 through December; $108,692 over approved budget for the year. Messick looks to finish strong in June with the addition of Gearhead Gathering for Draggin' Main, a proposed outdoor show and party for PRMC, and a Monster Truck Show.

5. Road Department Report for January 2025 – Walon Jones

Jones provided report for January 2025 stating CR26 (inhouse) and CR L from CR 16 to CR 18.2 are complete. Projects CR 22 and CR D Site 1 are complete; CR D Site 2 - chipseal will be completed in spring. Construction on CR L from CR 18 to CR 21 has begun. Miles worked: 120 bladed, 4 patched, 767.72 snow cleared. Maintenance crew is spotting 140 loads of caliche in the Melrose area. Work should be complete by Monday, then crew will begin in the north and south of area of Clovis. Jones explained the funding for spotting was figured into this year's newly created maintenance budget. There are two general maintenance and two equipment operator positions open. Maintenance and projects crew are currently being pulled to fill in as blade man for Area 1, south of Clovis, until position is filled. Equipment update: Two Mack haul trucks are scheduled for pick up next week; two road graders are down; one in Albuquerque for repairs and one in yard awaiting repairs from CAT mechanic. Jones attended a SERTPO meeting on January 30 and a Sub-Committee meeting last week; Jones will attend a zoom meeting March 5 to accept changes on TPF scoring. During the legislative conference, DOT stated it is hoping to have $200 million awarded towards TPF funding for the entire state. Jones states Pettigrew & Associates hopes to have study for Safe Streets and Roads for All complete in the next two weeks. Jones will have a meeting next Monday with DOT over NM 77, right south of CR D. Engineers are working together in an effort to redo ditches and line them with concrete; project is to be about $4 million. DOT is waiting on lights and poles to complete traffic light at NM 467 and CR N.

VII – ACTION ITEMS

Chairman Bender stated Action Items 10 and 20 on the agenda would be heard as Action Items 4 and 5 due to public in attendance for those items.

1. Request Action to Waive a Purchasing Policy for Obtaining a Purchase Order for Youth Litter Pick Up by Melrose Volleyball Club in the Amount of $400.00 on Invoice Number 001 Prior to Services Rendered – Karina Baeza

Baeza, Grant Manager for the Clean and Beautiful Grant Program, works with local youth organizations to host litter pickup events as a fundraising opportunity. There was a litter pickup event scheduled for 12/20/24. Event took place before Baeza pulled the purchase order, deeming it 'unauthorized'. To compensate the youth group who participated, several alternative payment solutions were explored, but unfortunately were unsuccessful. All necessary documentation to support this request was provided.

Bender moved to approve waiver of purchasing policy.

RESULT:	**ADOPTED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Fidel Madrid, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

2. Request Action to Offer Exclusivity to the Citizens Bank of Clovis for Building Naming Rights Sponsorships for Banking Services on Fairgrounds Buildings – Kyle Messick

Messick stated Commission approved moving forward with naming rights for the Events Center with Citizens Bank of Clovis and the contract is currently in the negotiation phase. Discussion has been brought up that no competing brand or financial institution should overshadow the partnership with Citizens Bank of Clovis by adding another bank or financial institution to another building. Messick requested exclusivity belong to Citizens Bank of Clovis as far as naming rights on any other buildings on the property. Martin requested that exclusivity be clear. Messick: Citizens Bank of Clovis is aware that if an event comes in and are sponsored by another bank, that does not go against exclusivity. Language in the contract would read similar to: *Citizens Bank of Clovis would be the exclusive partner of all facility naming rights of the property at the Curry County Events Center*. Messick read how language reads currently: *Operator shall be able to engage or permit its licensees, promoters, or sponsors of events at the facility to engage any firm company or other person primarily engaged in the business of the product or the competition as sponsors or advertisers as onetime or limited engagements events at the facility.*

Madrid moved to offer exclusivity to the Citizens Bank of Clovis for building naming rights sponsorships for banking services on fairgrounds buildings.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Fidel Madrid, Commissioner
SECOND:	Brad Bender, Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

3. Discussion and Request Action to Negotiate the Cost of the Annual Events Center Naming Rights Sponsorship to be Paid over the Term of the Contract to Assist with the Signage Cost - Kyle Messick

Messick stated as previously discussed by Commission, years two, three, four, and five of a five-year contract would stay at a set price of $40,000. Commission decided OVG360 could negotiate year one to take into consideration the cost of signage around $46,000. Messick is proposing to Citizens Bank of Clovis, the possibility of spreading that out over five years. Citizens Bank of Clovis would pay the County $32,000 a year starting year one and $32,000 across the five years.

Messick: The advantage would be the County earning revenue in year one and infrastructure for signage would remain with Events Center if there was no renewal after the five years. Citizens Bank of Clovis President Richard Hadley confirmed he was comfortable with proposal.

Cain moved to approve negotiation the cost of the annual Events Center naming rights sponsorship to be paid over the term of the contract to assist with the signage cost.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Kyle Cain, Commissioner
SECOND:	Fidel Madrid, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

Martin referenced $32,000 over a five-year period for the record.

4. Request Action on Resolution #2025-10 A Resolution of the Board of County Commissioners of Curry County, New Mexico, Expressing Support for Local Government Control and Participation as a Cooperating Agency under the National Environmental Policy Act (NEPA) - Seth Martin and Kyle Cain

Martin: purpose of the proposed resolution is to request cooperation and communication under NEPA as it relates to the proposed NIETC Corridor. Cain: important to make it known where we stand in our community. Martin: Curry County does own land in the identified area, although the majority is privately owned; Commission would like those that have interest to have input. Bender asked Macke if he had any concerns; Macke noted none. Bender allowed public input from Nancy Bonney, Curry County resident, who asked how these entities will be made aware of landowner opposition. Bender: These resolutions are put in place to show support for the community, landowners, and constituents.

Bender moved to approve Resolution 2025-10.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

5. Request Action on Resolution #2025-14 a Resolution Opposing the National Interest Electric Transmission Corridors - Kyle Cain

Cain: proposed resolution is in line with the last action item, referencing the County's position.

Cain moved to approve Resolution #2025-14 a Resolution Opposing the National Interest Electric Transmission Corridors.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Kyle Cain, Commissioner
SECOND:	Seth Martin, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

6. Request Action to Expand the Liquor License at the Curry County Fairgrounds to Include the Livestock Pavilion and Surrounding Area - Kyle Messick

Messick stated OVG360 is asking to pursue an expansion to include the new livestock pavilion in the liquor license floor plan. Process includes submitting a new floor plan to the state to include the Events Center, indoor livestock pavilion, and outdoor arena. Submission 1 includes livestock pavilion in itself; Submission 2 extends to the outdoor arena as highlighted in agenda packet. Messick confirmed liquor sales are prohibited by the state of any youth driven event. Messick: Fencing will be put up to secure and utilize the outdoor area. Martin asked for the cost to fence option 2. Messick stated the question would be whether to go with temporary or permanent fencing. Bender believed this was previously approved by Commission. Messick: The east and west of pavilion has already been approved; this would be a new floor plan submission. Bender requested events come before Commission for approval to prevent liquor sales at youth driven events. Cain suggested approving option 1 and reviewing option 2 at a later time.

Cain moved to approve expansion of the Liquor License at the Curry County Fairgrounds to option 1.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Kyle Cain, Commissioner
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

7. Request Action on the 2025 Curry County Fair Entertainment Budget - Kyle Messick

Messick provided budget proposal for entertainment portion of the fair; total of $129,050. Messick: amount is the same as the last two fairs; both years have come in under that amount. OVG360 is looking to expand on the area grounds attractions to be more family friendly and to keep activity moving on the fairgrounds itself other than the carnival. Budget as shown in agenda packet: Grounds Attractions $2,650: Area Attraction $18,000; Stage/Rover Act $7,000. Pavilion Stage $3,000: Local Band (Tuesday) $500; Local Band (Wednesday) $500; Regional Band (Thursday) $1,500; Battle of the Bands (Friday) $5,400; Regional Band (Saturday) $1,500. Events Center Stage $19,000; Hispanic Heritage Night (Thursday) $30,000; Jimmy Buffet Tribute (Saturday) $10,000. Arena: Renegade Rodeo (Friday & Saturday) $29,750. Other: Old Timers' Luncheon (Saturday) $250. OVG360 is looking to bring in a regional act to put on stage by the indoor pavilion to coincide with the rodeo on Saturday as Messick states Saturday night concerts have significantly decreased in attendance. Thursday night would still be Hispanic Heritage Night as it

seems to stay steady in attendance. Plan is to utilize local bands on Tuesday and Wednesday, a regional band on Thursday and Saturday, Renegade Rodeo on Friday and Saturday; as well as Old Timers Luncheon and the Battle of the Bands. Bender stated cleanup will be paramount after the concerts for the Livestock Auction. Martin suggested having Battle of the Bands indoors. Messick: Battle of the Bands is outside because the livestock auction is on Friday in the Events Center. Messick suggested possibility of moving Battle of the Bands to Saturday night and hosting some other type of event outdoors.

Martin moved to approve 2025 Curry County Fair Entertainment Budget, with modifications brought before Commission before being finalized.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

Cain thanked Messick for allowing County and NM Cattle Growers Association to use the facility for the town hall meeting regarding the NIETC Corridor.

8. Request Action on Closing the Courthouse at 4:00 p.m. Daily with the Hours of Operation to be 7:45 a.m. to 4:00 p.m. Monday through Friday – Sheriff Michael Brockett

Brockett: proposal aligns District Court hours. Kevin Spears, Court Executive Officer, spoke in support.

Martin moved to approve Closing the Courthouse at 4:00 p.m. Daily with the Hours of Operation to be 7:45 a.m. to 4:00 p.m. Monday through Friday.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

9. Request Action on Resolution #2025-09 for Certifying 1,330.147 Miles of Roads Maintained by Curry County as of February 18, 2025 - Walon Jones

Jones explained process, including how roads are identified with assistance from Assessor's Office GIS staff. In the process of review, 5 miles were identified as section lines; that portion was removed, resulting in a decrease of 5 miles in comparison to last year's resolution.

Martin moved to approve Resolution 2025-09.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

10. Request Action on Invitation to Bid 2024/25-12 and Contracts for Spec Caliche with Frank Levacy Trucking, K. Barnett & Sons, Inc, and Lansford, Inc. - Walon Jones

Jones presented invitation to bid and contracts stating County has always used non-spec caliche. Currently one pit is being utilized for projects within the County. Jones proposed going out to bid for spec caliche, stating it gives vendors an even playing field. The County received three bids from vendors: Frank Levacy $7.00; Lansford, Inc. $9.50; K Barnett & Sons Inc. $10.00. Jones explained pit location specification was not added to allow the County to buy from different locations. The current pit utilized by the County is in Grier, NM and projects are spread throughout the County. This will allow for shorter truck routes, saving costs, and shortening project time by spreading the pits throughout the County. Jones stated it was decided to do all three bids and each have a separate contract to sign as provided in the agenda packet.

Martin moved to approve Invitation to Bid 2024/25-12 and Contracts for Spec Caliche with Frank Levacy Trucking, K. Barnett & Sons, Inc, and Lansford, Inc.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

11. Request Action of 5 Year Road Plan to Change Curry Road D from Curry Road 19 to Curry Road 22, to Curry Road C from Curry Road 19 to Curry Road 22 - Walon Jones

Jones stated request is to remove CR D from CR 19 to CR 22 and replaced with CR C from CR 19 to CR 22. Jones states CR D was approved for LGRF2024 and DHSEM; Jones views it as a waist to put funds towards its maintenance due to recurring rain and flooding. While Jones spoke with individuals in that area, CR C came to mind and Jones is looking at adding it to the 5-year road plan; CR C is one mile over with more residents. Jones was instructed by DOT to send a letter with the reason for the change. Jones confirmed with Martin that CR D will be brought back to where it was with DHSEM; Jones has no plans in turning CR D from a dirt road to caliche.

Martin moved to approve 5 Year Road Plan with Change Curry Road D from Curry Road 19 to Curry Road 22, to Curry Road C from Curry Road 19 to Curry Road 22.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Dusty Leatherwood, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

12. Request Action of Resolution #2025-11 to Apply for 2026 Transportation Project Fund (TPF) Maintenance Application for a Total Amount of $1,396,525.89, Includes Local Match of $69,826.29 - Walon Jones

Jones: projects have been combined to include: CR 15 from CR I to SR 209, CR 14 from SR 311 to CR T, CR G from SR 77 to CR 17, CR O from CR 9 to US60/84, CR 9 from CR O to SR 467, CR 19 from CR C to CR E, and CR 16 from CR L to SR 311, is an approved capital improvement project as noted in the Infrastructure Capital Improvement Plan FY 2024-2029 for Curry County, an eligible project under the NM Transportation Project Fund requirements. Curry County is submitting an application for FY26 Transportation Project Fund in the amount of $1,396,525.89 and has agreed to provide matching funds at a percentage rate of 5% or $69,826.29 of the cost of Construction, Reconstruction, Blading & Shaping, Pavement Rehab Improvements, Misc.

Bender moved to approve Resolution 2025-11.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

13. Request Action on Curry County Resolution #2025-13, Amending Resolution #2024-46, Amending Resolution #2023-57, for Local Government Road Fund 23/24, Control Number L200605, Amending Curry Road D from Curry Road 19 to Curry Road 22 Changing to Curry Road C from Curry Road 19 to Curry Road 22 - Walon Jones

Jones stated proposed resolution is a follow-up to the 5-year road plan item. Projects and costs, including county match, remains the same. Jones referenced email correspondence between NM DOT and his department that was included in agenda packet; NM DOT supported.

Cain moved to approve Resolution 2025-13.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Kyle Cain, Commissioner
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

14. Request Action of Contract with Limited Physics Engineering in the Amount of $71,777.00 plus GRT to Replace the Guardrails at the Curry County Mounted Patrol Arena - Ben Roberts

County issued a bid to replace the guardrails at the Mounted Patrol Arena, two bids were received with lowest bid to Limited Physics Engineering. Before Commission is the contract to replace the guardrails. Scope of services consists of the demolition of certain existing guardrails at the existing grandstands and replacement of those guardrails with new guardrails and hand rails to meet code compliance per the drawings provided by Formative Architects which are attached hereto as Exhibit A; cost is $71,777.00 plus GRT. Contractor has until June 15, 2025 to complete the project. There are liquidated damages in the amount of $250 per day if schedule is exceeded.

Bender moved to approve Limited Physics Engineering in the Amount of $71,777.00 plus GRT to Replace the Guardrails at the Curry County Mounted Patrol Arena.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

15. Request Approval of Resolution #2025-20 Authorizing Budgetary Adjustments and Revisions Due to Award of IGA for Courthouse Improvements and for Mounted Patrol Handrails - Troy Hall

Pyle stated proposed resolution follows items previously approved by the Commission throughout the meeting, authorizing necessary budgetary adjustments to appropriate funds.

Bender moved to approve Resolution #2025-20 Authorizing Budgetary Adjustments and Revisions Due to Award of IGA for Courthouse Improvements and for Mounted Patrol Handrails.

RESULT:	**APPROVED BY ROLL CALL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

16. Request Action of Construction Change Request # 1 for the Indoor Pavilion Project in the Amount of $66,831.61 to be Credited Back to the County for a Change in Insulation Type - Ben Roberts

Roberts stated this is a credit back to the County in changing the insulation type of the ceiling in the indoor pavilion project. Specifications had specified to use Simple Saver method. Roberts sees this as a benefit to the County as the change was the intent in the original plan.

Bender moved to approve Construction Change Request # 1 for the Indoor Pavilion Project in the Amount of $66,831.61 to be Credited Back to the County for a Change in Insulation Type.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

17. Request Action of Construction Change Request # 2 for the Indoor Pavilion Project in the Amount of $6,033.49 to be Credited Back to the County for a Change in Fence Height - Ben Roberts

Roberts: height of fence will be decreased from 6' tall to 4' tall.

Cain moved to approve Construction Change Request # 2 for the Indoor Pavilion Project in the Amount of $6,033.49 to be Credited Back to the County for a Change in Fence Height.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Kyle Cain, Commissioner
SECOND:	Seth Martin, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

18. Request Action of Construction Change Request # 3 for the Indoor Pavilion Project in the Amount of $10,101.24 to be Credited Back to the County for Unused Landscape Allowance - Ben Roberts

Roberts: Contract includes a $100,000 allowance for landscaping around facility. Roberts and subcontractor were able to come in under budget; resulting in a credit back to the County. Included is additional concrete curbing, not in the original plans, specifically around the playground.

Martin moved to approve Construction Change Request # 3 for the Indoor Pavilion Project in the Amount of $10,101.24 to be Credited Back to the County for Unused Landscape Allowance.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

19. Request Action of Construction Change Request #7 for the Indoor Pavilion Project in the Amount of $6,670.35 to be Credited Back to the County for a Change in Tongue and Groove Lumber Material - Ben Roberts

Roberts: Allows for use of standard tongue and groove lumber instead of fire treated lumber in certain areas.

Bender moved to approve Construction Change Request #7 for the Indoor Pavilion Project in the Amount of $6,670.35 to be Credited Back to the County for a Change in Tongue and Groove Lumber Material.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

20. Request Action of Construction Change Request # 8 for the Indoor Pavilion Project in the Amount of $4,254.18 to be Added to the Project Cost for Replacing Bracing in the Ceiling - Ben Roberts

Roberts: Replaces bent double c-channels in two areas that were discovered after removing existing lay in ceiling. Also replace one bent rod brace and install one missing rod brace in ceiling.

Leatherwood moved to approve Construction Change Request # 8 for the Indoor Pavilion Project in the Amount of $4,254.18 to be Added to the Project Cost for Replacing Bracing in the Ceiling.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Dusty Leatherwood, Vice Chairman
SECOND:	Kyle Cain, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

21. Request Action of Construction Change Request # 9 for the Indoor Pavilion Project for Modifications to Door and Window Locations and Sizes - Ben Roberts

Roberts: window and door locations on the East, South, and West walls of the Special Events Hall of the Curry County Indoor Pavilion had to be resized and relocated. Window shade structures have been relocated and resized to match.

Bender moved to approve Construction Change Request # 9 for the Indoor Pavilion Project for Modifications to Door and Window Locations and Sizes.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Fidel Madrid, Commissioner
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

22. Request Approval for Curry County to Serve as the Fiscal Agent for the City of Texico for any 2026 Capital Outlay Appropriations through the New Mexico Aging and Long-Term Services Department – Ben Roberts

Roberts explained the application window is now open for capital outlay appropriations through New Mexico Aging and Long-Term Services Department which supports Senior Centers throughout the community. This approval would grant the County authority to be the fiscal agent for Texico for any applications submitted for the Texico Senior Center. Roberts added the County takes these opportunities as a case-by-case basis until Texico is eligible to apply themselves. Pyle: This does not compete with anything the County has, except for La Casa Senior Center. If Texico is successful for additional funding for in the water project, the Commission will have a recommendation from management to look at some sort of administration fee to help offset the costs relating to assisting administratively. Pyle explained if the County was not acting as the fiscal agent for Texico, Texico would not be eligible for the funding to make the improvements that are needed and would have to find another governmental entity to take on that responsibility. Martin asked if the state would have to take over Texico if that were the case. Pyle was not aware of the state taking over a city. Texico has a representative from DFA assisting with finances and getting audits in line. Martin asked if County was made aware of Texico's audit findings. Pyle: only what is public record. Texico is still two years behind on their audit and are trending in the opposite direction. Pyle meets regularly with Texico, EPCOR, State Environmental Department, and the County team to discuss these issues.

Bender moved to approve Curry County to Serve as the Fiscal Agent for the City of Texico for any 2026 Capital Outlay Appropriations through the New Mexico Aging and Long-Term Services Department.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Brad Bender, Chairman
SECOND:	Dusty Leatherwood, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

VIII – ORDINANCES

1. Request Action on Notice of Intent to Rescind Ordinance 2019-05, an Ordinance by Which Curry County Can Track the Location of Any and All Commercial Wireless Telecommunication Facilities, Wind Towers, Wind Generators, Cell Towers, and Other Similar Facilities that are Built or Constructed in Curry County – Ben Roberts

Bender confirmed that Macke has reviewed.

Martin moved to approve Notice of Intent to Rescind Ordinance 2019-05.

RESULT:	**APPROVED BY VERBAL VOTE [UNANIMOUS]**
MOTON:	Seth Martin, Commissioner
SECOND:	Kyle Cain, Vice Chairman
AYES:	Bender, Leatherwood, Madrid, Martin, Cain

X – COUNTY COMMISSIONER'S REPORTS

Cain attended NIETC town hall meeting and DWI Task Force meeting. Leatherwood attended an Ogallala Land & Water Conservation meeting and NIETC town hall meeting. Madrid attended an EPCOG meeting and a meeting in Santa Fe related to NIETC. Martin attended the NIETC town hall meeting, a SERTPO meeting, and IT Committee meeting. Bender attended NIETC townhall meeting, Legislative Dinner in Santa Fe, PRMC Awards Dinner, and DWI Task Force meeting.

X – COUNTY MANAGER'S REPORT

Pyle reported February 20 is the last day for bills to be filed in legislative session; session ends March 22. The County was notified that the state has $240,000 available in additional Health Council funds. Stipulation to the grant: funds must be spent by June 30, so the County must apply this week. The County is interested in applying and Pyle will sign contract if funds are received and brief Commission. Amount should be anywhere from $5,700 to $10,000 to add to the $80,977 already received. Martin and Leatherwood will operate the booth to showcase Curry County for County Day at the Roundhouse. Pyle asked Commission to respond via email to requests to change the dates to a few upcoming Commission Meetings. Pyle noted the Commissioner's Affiliate Retreat is in April and may conflict with Commission Meeting if there are any Commissioners attending. The County received a grant several years ago to contract a grant writer with the goal of assisting the County's rural communities. That grant is complete; however, the grant writer is still under contract with the County. If Commission has no objections, Pyle will notify the rural communities of Texico, Melrose, and Grady to contract directly with the contract writer if grant writing assistance is needed. Pyle would like the grant writer to assist the various departments in the County as needed utilizing funding set aside in the Commission budget. Martin mentioned there was a comment made at the NM Counties joint affiliate meeting regarding Curry County being one of three counties of concern and asked if that was something the County needed to address. Pyle continues to research and review information. The amount of millage reported at the meeting referenced by Martin was incorrect; currently at 9.86% and can go up to

11%. Pyle and Hall remain in contact with Department of Finance and Administration; Pyle does not think the County will see any potential impact until next fiscal year.

XI – INDIGENT BOARD MEETING

Entered Indigent Board Meeting at 11:46am and returned to Regular Meeting at 11:50am.

XII – FUTURE AGENDA ITEMS

Martin has a conflict with the meeting scheduled in in May, due to WIR Meeting. Martin asked if Macke could look into the County possibly enacting a lodger's tax. Leatherwood was approached by a company interested in offering government auction services to the County. Leatherwood was instructed to have the company contact the County's purchasing agent.

XIII – ADJOURNMENT

This meeting was adjourned by Chairman Bender at 11:54 am.

PROCLAMATION

Celebration of Service – March 18, 2025

WHEREAS, the mission of the Curry County DWI Task Force is to provide a positive impact on the health and welfare of Curry County residents by decreasing the incidence of DWI, alcohol and substance use, and alcohol-related domestic violence consequential from misuse, through prevention, awareness, treatment, enforcement, compliance probation and intervention services; and

WHEREAS, Mr. Lonnie Leslie has served as the Curry County DWI Task Force Chair for more than 20 years; and

WHEREAS, Mr. Leslie has dedicated his adult life to reducing the incidence of DWI and alcohol use; and

WHEREAS, Mr. Leslie has served as a speaker at quarterly Victim Impact Panel (VIP) meetings sharing his testimony of how driving while intoxicated impacted his life and how he overcame all obstacles and led a life his mother, father, and aunt could be proud of; and

WHEREAS, today, the Curry County DWI Task Force presents a Celebration of Service award to Mr. Lonnie Leslie as he retires from his service as the Task Force Chair; and

WHEREAS, in honor of Mr. Leslie, the Curry County DWI Task Force would like to dedicate today, March 18, 2025, to Mr. Leslie for his extraordinary leadership, public service, and advocacy for DWI prevention and enforcement.

NOW THEREFORE, BE IT RESOLVED, that I, Brad Bender, Chairman of the Board of Curry County Commission, do hereby proclaim March 18, 2025 as Mr. Lonnie Leslie's Celebration of Service. We appreciate Mr. Leslie's commitment to making Curry County a safer place for all generations.

DONE, this 18th day of March 2025.

PROCLAMATION

Curry County Month of the Military Child – April 2025

WHEREAS, thousands of brave military members across New Mexico have demonstrated their courage and commitment to freedom by serving in the Armed Forces of the United States, both on active duty and in the National Guard and Reserves; and

WHEREAS, the County of Curry is honored to work with Cannon Air Force Base communities and school districts to provide social, emotional and academic support to children of service members as they transition between schools to address their distinct needs; and

WHEREAS, the County of Curry has 1,561 military children that are an active part of our community whose parent(s) is/are stationed at Cannon Air Force Base; and

WHEREAS, children and youth of our service members continue to make significant contributions to family, school, communities, our state, and the nation, despite prolonged and repeated absences of one or both parents; and

WHEREAS, these children are a source of pride and honor to us all, and it is only fitting that we take the time to recognize their contributions, celebrate their spirit, and let our men and women in uniform know that while they are taking care of us, we are taking care of their children; and

NOW, THEREFORE, I Brad Bender, Chairman of the Board of Curry County Commission do proclaim throughout Curry County, New Mexico, April 2025 as

"Curry County Month of the Military Child"

DONE, this 18th day of March, 2025.

PROCLAMATION

National County Government Month - April 2025

WHEREAS, the nation's 3,069 Counties, Parishes, and Boroughs serve more than 300 million Americans and provide essential services to create healthy, safe, and vibrant communities; and

WHEREAS, Counties provide public health services, administer justice, keep communities safe, foster economic opportunities, and much more; and

WHEREAS, Curry County and all Counties take pride in their responsibility to protect and enhance the health, wellbeing, and safety of our residents in efficient and cost-effective ways; and

WHEREAS, each year since 1991, the National Association of Counties has encouraged counties across the country to elevate awareness of County responsibilities, programs, and services; and

WHEREAS, Curry County will recognize and showcase National County Government Month by holding coloring contests for students in Kindergarten through Third Grade, a photo contest hosted on the County's Facebook page, and offering the opportunity to all Curry County juniors and seniors to apply to be County Manager for a Day; and

WHEREAS, the County hosts several programs and events throughout the year to promote and serve the County, such as annual blood drives, litter and beautification projects, and initiatives that promote literacy, such as Read Across America and the Curry County Imagination Library Program, substance use and behavioral health prevention and education, and more; and

WHEREAS, the County has several projects under construction to improve residents' quality of life such as the several Fairgrounds renovation projects, courthouse upgrades including secure parking for the Sheriff's Office and 9th Judicial District Court and the Magistrate Court addition, broadband infrastructure, and numerous county road improvements.

NOW, THEREFORE, BE IT RESOLVED, THAT I, Brad Bender, Chairman of the Curry County Commission, do hereby proclaim April 2025 as National County Government Month and encourage all county officials, employees, schools, and residents to participate by attending county activities, volunteering and supporting local initiatives.

DONE, this 18th day of March, 2025.

JOINT POWERS AGREEMENT

This agreement is entered into between the Board of Commissioners for Curry County, Curry County Sheriff's Office, and the Governing Body of the Village of Grady, NM pursuant to the New Mexico Joint Powers Agreement Act, NMSA 1978, Section 11-1-1 through 11-1-7

PURPOSE OF THE AGREEMENT

Grady, as a Village, is required to provide a position of Law Enforcement Officer for the safety, protection, and welfare of its citizens and the property of Grady, pursuant to NMSA 1978, Section 3-12-4(A). A Municipal Police Officer's powers and duties are delineated at NMSA 1978, Section 3-13-2. Currently Grady is unable to provide adequate Law Enforcement coverage within the Village limits. Grady is requesting the assistance of the Sheriff's Office to provide sufficient coverage. Pursuant to NMSA 1978, Section 4-41-2, the Curry County Sheriff is a countywide Law Enforcement authority.

METHOD AND MANNER BY WHICH THE PURPOSE OF THE AGREEMENT WILL BE ACCOMPLISHED AND POWERS TO BE EXERCISED THEREUNDER

A. The Curry County Sheriff's Office agrees to provide Law Enforcement within the Village limits of Grady, including, but not limited to, the enforcement of all State Laws, Regulations, and Ordinances of the Village of Grady, as set forth herein.

B. Curry County Sheriff's Office Deputies assigned duties within Grady Village limits will be under the direction and control of the Curry County Sheriff's Office at all times; however, they may receive dispatch or other information from any appropriate authority including within Grady Village limits.

C. The Deputy(s) assigned to work within the Village of Grady will continue to work out of the Sheriff's Office in the Curry County Courthouse.

D. Pursuant to NMSA 1978, Section 11-1-4, the parties agree to be strictly accountable for receipts and disbursements that may be issued under this agreement. The parties included herewith will cooperate in providing information to one another to support the most effective public protection and enforcement within Grady Village limits. The Village of Grady receives Law Enforcement Protection Funds on an annual basis and shall allow the Sheriff of Curry County to use said funds to purchase Law Enforcement Equipment, supplies, or for training of Curry County staff, for the purposes of this agreement. All property currently owned and purchased by the Village for the Village of Grady shall remain property of said department, with the use of the same at the discretion of the Sheriff's Office of Curry County within the regulations of the state law. Any property acquired pursuant to this agreement will remain the property of the Village of Grady Law Enforcement Division.

E. The Village of Grady will purchase and provide various equipment, training and supplies as needed or requested by the Curry County Sheriff's Office employees and may be utilized by them throughout the duration of this Joint Powers Agreement.

F. The Village of Grady and the Curry County Sheriff's Office each agree to provide the other with notice of any tort claims or notices of liability or litigation concerning police protection within the Village limits within five (5) days of receipt of notice.

G. Neither party of this agreement shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this agreement and is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1 et seq.

H. The Curry County Sheriff's Office will be available at all times on a 24 hours/7 days basis, and the Sheriff's Office deputies will promptly respond to all calls.

I. The Curry County Sheriff's Office will provide documentation for requested purchases to the Grady Village Clerk which will be presented to the Village Governing Body at the Regular monthly Village Council meeting for approval. All requests must be approved before any funds are spent. The Village Mayor may approve up to $500.00 of purchase without approval from the Governing Body of the Village to expedite the purchasing process.

J. At the end of each calendar month, Grady shall provide County with a detailed itemized breakdown of the expenditures of the law enforcement protection funds which shall include copies of any documentation submitted by the Curry County Sheriff's Office and documentation of any payments made by Grady to Curry County Sheriff's Office or any of the Curry County Sheriff's officers.

DURATION

This agreement will become effective upon execution by the parties and approval by the New Mexico Department of Finance and Administration and shall remain in effect for a period of one (1) year from date of adoption. For termination or rescission of this agreement, either party must provide in writing to the other a request for termination to become effective within thirty (30) days. Nothing in this Agreement shall be constructed as barring any right or remedy incident to such termination or rescission provided by or available under the laws of the United States and the State of New Mexico.

JOINT POWERS AGREEMENT

This agreement is entered into between the Board of Commissioners for Curry County and Curry County Sheriff's Office, and the Governing Body of the Village of Melrose, NM ("Melrose") pursuant to the New Mexico Joint Powers Agreement Act, NMSA 1978, Section 11-1-1 through 11-1-7

PURPOSE OF THE AGREEMENT

Melrose, as a Village, is required to provide a position of Law Enforcement Officer for the safety, protection, and welfare of its citizens and the property of Melrose, pursuant to NMSA 1978, Section 3-12-4(A). A Municipal Police Officer's powers and duties are delineated at NMSA 1978, Section 3-13-2. Currently Melrose is unable to provide adequate Law Enforcement coverage within the Village limits. Melrose is requesting the assistance of the Sheriff's Office to provide sufficient coverage. Pursuant to NMSA 1978, Section 4-41-2, the Curry County Sheriff is a countywide Law Enforcement authority.

METHOD AND MANNER BY WHICH THE PURPOSE OF THE AGREEMENT WILL BE ACCOMPLISHED AND POWERS TO BE EXERCISED THEREUNDER

A. The Curry County Sheriff's Office agrees to provide Law Enforcement within the Village limits of Melrose, including, but not limited to, the enforcement of all State and County Laws, Regulations, and Ordinances, as set forth herein.
B. Curry County Sheriff's Office Deputies assigned duties within Melrose Village limits will be under the direction and control of the Curry County Sheriff's Office at all times; however, they may receive dispatch or other information from any appropriate authority including within Melrose Village limits.
C. The Deputy(s) assigned to work within the Village of Melrose will continue to work out of the Sheriff's Office in the Curry County Courthouse.
D. Pursuant to NMSA 1978, Section 11-1-4, the parties agree to be strictly accountable for receipts and disbursements that may be issued under this agreement. The parties included herewith will cooperate in providing information to one another to support the most effective public protection and enforcement within Melrose Village limits. The Village of Melrose receives Law Enforcement Protection Funds on an annual basis and shall allow the Sheriff of Curry County to use said funds to purchase Law Enforcement Equipment, supplies, or for training of Curry County staff, for the purposes of this agreement. All property currently owned and purchased by the Village for the Village of Melrose shall remain property of said department, with the use of the same at the discretion of the Sheriff's Office of Curry County within the regulations of the state law. Any other property acquired pursuant to this agreement will remain the property of the Village of Melrose Law Enforcement Division, unless otherwise agreed to in writing between the Parties.
E. The Village of Melrose will purchase and provide various equipment, training and supplies as needed or requested by the Curry County Sheriff's Office employees and may be utilized by them throughout the duration of this Joint Powers Agreement.
F. The Village of Melrose and the Curry County Sheriff's Office each agree to provide the other with notice of any tort claims or notices of liability or litigation concerning police protection within the Village limits within five (5) days of receipt of notice.
G. Neither party of this agreement shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this agreement and is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1 et seq.

H. The Curry County Sheriff's Office will be available at all times on a 24 hours/7 days basis, and the Sheriff's Office deputies will promptly respond to all calls.

I. The Curry County Sheriff's Office will provide documentation for requested purchases to the Melrose Village Clerk which will be presented to the Village Governing Body at the Regular monthly Village Council meeting for approval. All requests must be approved before any funds are spent. The Village Mayor may approve up to $500.00 of purchase without approval from the Governing Body of the Village to expedite the purchasing process.

J. At the end of each calendar month, Melrose shall provide County with a detailed itemized breakdown of the expenditures of the law enforcement protection funds which shall include copies of any documentation submitted by the Curry County Sheriff's Office and documentation of any payments made by Melrose to Curry County Sheriff's Office or any of the Curry County Sheriff's officers.

DURATION

This agreement will become effective upon execution by the parties and approval by the New Mexico Department of Finance and Administration and shall remain in effect for a period of one (1) year from date of adoption. For termination or rescission of this agreement, either party must provide in writing to the other a request for termination to become effective within thirty (30) days. STATUTORY COMPLIANCE CERTIFICATION

Under penalty of law, I hereby certify that to the best of my knowledge and belief, my local law enforcement agency is in compliance with the statutory requirements stated below: *[Police Chief or Sheriff must initial each section. Indicate "N/A" if section doesn't apply to your local law enforcement agency.]*

1. _____ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-3-11.C. NMSA 1978:** Every law enforcement agency in the state shall: (1) submit crime incident reports to the department of public safety on forms or in the format prescribed by the department; (2) submit any other crime incident information as may be required by the department of public safety; and (3) use the unique code assigned to the crime from the master charge code table distributed by the New Mexico justice information sharing council for the automated fingerprint identification system and use uniform crime incident reporting as provided by the department for all incidents and arrests.

2. _____ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7-7.1.B. NMSA 1978:** Each certified police officer shall provide proof of completing in-service law enforcement training requirements to the officer's law enforcement agency and the executive director no later than **March 1** of the year in which the requirements must be met. The executive director shall provide annual notice to all certified police officers regarding in-service law enforcement training requirements. **Failure to complete** in-service law enforcement training requirements or failure to report completion to the board may be grounds for suspension of a police officer's certification and **may result** in the state **withholding** the law enforcement agency's **law enforcement protection fund distribution**. A police officer's certification may be reinstated by the board when the police officer presents the board with evidence of satisfying in-service law enforcement training requirements.

3. _____ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7-7.2. NMSA 1978:** Every law enforcement agency within the state shall submit quarterly a report to the director on the status of each police officer employed by the law enforcement agency. The reports shall include the status of in-service law enforcement training. The reporting forms and submittal dates shall be prescribed by the director.

4. _____ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7C-7. NMSA 1978:** A. In-service telecommunicator training consists of at least twenty hours of board-approved advanced training, including one hour of crisis management, including crisis intervention, confrontation de-escalation practicum and proper interaction with persons with mental impairments training, for each certified telecommunicator during each two-year period. The first training course shall commence no later than twelve months after graduation from a board-approved basic telecommunicator training program. B. A certified telecommunicator shall provide proof of completion of in-service training requirements to the director no later than March 1 of the year subsequent to the year in which the requirements are met. The director shall provide annual notice to all certified telecommunicators regarding in-service training requirements. Failure to complete in-service training requirements may be grounds for suspension of a telecommunicator's certification at the director's discretion. A telecommunicator may be reinstated at the discretion of the director when the telecommunicator presents to the director evidence the telecommunicator has satisfied the in-service training requirements.

5. _____ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7C-8. NMSA 1978:** A. A safety agency that operates within the state shall submit a quarterly report to the director on the status of each telecommunicator. The reporting forms and submittal dates shall be prescribed by the director. B. The director shall maintain a roster of all certified telecommunicators.

APPLICATION CERTIFICATION

Under penalty of law, we hereby certify that to the best of our knowledge and belief, the information contained in this application and supporting documentation is correct, and that all expenditures of Law Enforcement Protection Fund monies will be made in accordance with Sections 29-13-7 and 29-13-9 NMSA 1978 as well as Rule 2 NMAC 110.3; and may be subject to ACADIS verification.

County/Municipality/School District/University

Application for Law Enforcement Protection Funds (LEPF)

For Fiscal Year July 1, 2025 – June 30, 2026

Name of Local Entity Applying for LEPF: Village of Melrose

STATUTORY COMPLIANCE CERTIFICATION

Under penalty of law, I hereby certify that to the best of my knowledge and belief, my local law enforcement agency is in compliance with the statutory requirements stated below: *[Police Chief or Sheriff must initial each section. Indicate "N/A" if section doesn't apply to your local law enforcement agency.]*

1. MB **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-3-11.C. NMSA 1978**: Every law enforcement agency in the state shall: (1) submit crime incident reports to the department of public safety on forms or in the format prescribed by the department; (2) submit any other crime incident information as may be required by the department of public safety; and (3) use the unique code assigned to the crime from the master charge code table distributed by the New Mexico justice information sharing council for the automated fingerprint identification system and use uniform crime incident reporting as provided by the department for all incidents and arrests.

2. MB **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7-7.1.B. NMSA 1978:** Each certified police officer shall provide proof of completing in-service law enforcement training requirements to the officer's law enforcement agency and the executive director no later than **March 1** of the year in which the requirements must be met. The executive director shall provide annual notice to all certified police officers regarding in-service law enforcement training requirements. **Failure to complete** in-service law enforcement training requirements or failure to report completion to the board may be grounds for suspension of a police officer's certification and **may result** in the state **withholding** the law enforcement agency's **law enforcement protection fund distribution**. A police officer's certification may be reinstated by the board when the police officer presents the board with evidence of satisfying in-service law enforcement training requirements.

3. MB **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7-7.2. NMSA 1978:** Every law enforcement agency within the state shall submit quarterly a report to the director on the status of each police officer employed by the law enforcement agency. The reports shall include the status of in-service law enforcement training. The reporting forms and submittal dates shall be prescribed by the director.

4. ___ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7C-7. NMSA 1978:** A. In-service telecommunicator training consists of at least twenty hours of board-approved advanced training, including one hour of crisis management, including crisis intervention, confrontation de-escalation practicum and proper interaction with persons with mental impairments training, for each certified telecommunicator during each two-year period. The first training course shall commence no later than twelve months after graduation from a board-approved basic telecommunicator training program. B. A certified telecommunicator shall provide proof of completion of in-service training requirements to the director no later than March 1 of the year subsequent to the year in which the requirements are met. The director shall provide annual notice to all certified telecommunicators regarding in-service training requirements. Failure to complete in-service training requirements may be grounds for suspension of a telecommunicator's certification at the director's discretion. A telecommunicator may be reinstated at the discretion of the director when the telecommunicator presents to the director evidence the telecommunicator has satisfied the in-service training requirements.

5. ___ **By initialing, I hereby certify that my local law enforcement agency is in compliance with Section 29-7C-8. NMSA 1978:** A. A safety agency that operates within the state shall submit a quarterly report to the director on the status of each telecommunicator. The reporting forms and submittal dates shall be prescribed by the director. B. The director shall maintain a roster of all certified telecommunicators.

APPLICATION CERTIFICATION

SECOND RENEWAL OF CONTRACT
FOR FURNINSHING AND/OR APPLICATION OF ASPHALT MATERIALS

THIS SECOND RENEWAL CONTRACT is entered into this 18th day of March, 2025 by and between the Board of County Commissioners of Curry County, hereinafter referred to as "County" and Desert West Enterprises, LLC hereinafter referred to as "Contractor" and collectively referred to hereinafter as the "Parties".

WHEREAS, the Parties have previously entered into a Contract for Professional Services on the 25th day of April, 2023; and,

WHEREAS, said original Contract had a term commencing on the 25th day of April, 2023 and running through April 24, 2024 with a provision granting the Parties the right to renew the Contract for three (3) additional one (1) year terms; and,

WHEREAS, the first renewal had a term commencing on the 25th day of April 2024 and running through April 24, 2025 with a provision granting the Parties the right to renew the Contract for two (2) additional one (1) year terms; and,

WHEREAS, through agreement, the Parties, as evidenced by their signature hereto, have mutually agreed to renew and extend the above referenced Contract, with the same terms and conditions, for an additional one (1) year period through April 24, 2026.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is acknowledged by both Parties, as evidenced by their signatures hereto, the Parties stipulate and agree as follows:

1. Pricing for High Float Emulsion-90 will remain the same at $649.49 per ton. The price for Asphalt Emulsified Prime will remain the same at $715.50 per ton.

2. All other terms and conditions set forth in the original Contract, not specifically altered or amended hereinabove shall remain in full force and affect through the term of this agreement.

RE: Installation of Septic System and
Oil and Water Separator
Addition to Pleasant Hill
Fire Station
CES Contract #2023-05-R1217-ALL

Ben

WWRC, Inc. Proposes Material, Equipment, and Labor for the following:

It was discovered during the design process that the new Trench drain requires an Oil and water separator and must feed into its own septic system.

- Install new 1000 gallon oil and sand separator
- Install new 1250 gallon Concrete Septic Tank
  - located on the east side between existing Septic System and County Road C.
- Additional Trenching and Backfilling for Sewer piping from the addition to the location of the new septic system.
- Install new water Hose bibb on the East Wall of the new Addition.
- Relocate existing gas service from in front of Addition rise up and over building to existing Gas Service on the North West corner of the existing bldg.

Base Bid	$63,608.69
Tax @ 5.875%	$ 3,737.01
Total	$67,345.70

Excludes: Relocation of any underground utilities that may be discovered under the location of the new slab, Excavation of any Rock or Caliche that may be encountered, any upgrades to the existing water service.

Price is valid for 30 days from this date; however, material pricing right now is very volatile due to shortages in raw materials and the covid 19 pandemic. WWRC, Inc. reserves the right to review material pricing prior to accepting contract/purchase order once issued.

Respectfully

Scott Hays
Vice President

Extended Warranty Terms – Curry County, New Mexico

(a) PRODUCT WARRANTY - TERM. ODSNA warrants only to Customer for a period of ( ) year from the date of new warranty term that the Equipment manufactured by it shall be free from defects in material and workmanship under normal use and service and fit for the ordinary use for which designed if operated by a trained and competent operator and properly serviced and maintained. ODSNA's obligation under this warranty is limited to correction, without charge for parts or labor, of any defect, which is reported to ODSNA during the warranty period, and which ODSNA determines in the exercise of reasonable judgment impairs the ordinary use of the Equipment. ODSNA's warranties and its obligation hereunder shall terminate without notice to Customer if Equipment is subjected to misuse or alteration or is repaired by other than an ODSNA representative which, within ODSNA's judgment alone, shall result in an adverse effect, including effects upon performance or reliability, upon the Equipment.

(b) WARRANTY SERVICE. Warranty service shall only apply to replacement of Warranty parts (See exclusions in subsection (d)). When Customer calls for warranty service prior to twelve-noon, ODSNA will attempt to reply to such service requests within the normal work-day. No charges will be made to Customer for completion of such work. When Customer calls after twelve noon and demands same day service, such service will be rendered, if possible within

normal working hours. If it is not possible to accomplish such work within normal working hours, then such service will be rendered the following day.

(c) CUSTOMER RESPONSIBILITIES. ODSNA's warranties and its obligations hereunder shall terminate without notice to Customer unless Customer or user (i) maintains the site and environment (including temperature and humidity control), incoming power quality, and fire protection in a condition suitable for operation of the Equipment. (ii) notifies ODSNA as soon as any unusual operating peculiarity appears; (iii) operates the Equipment in a safe and competent manner in strict compliance with established safety operating procedures; (iv) regularly and properly services and maintains the Equipment. It is the responsibility of the Customer to verify upon delivery and installation of the equipment its specifications and affirm the equipment received, installed and put to use is as stated in Quotation/order. Acceptance by Customer of equipment at first use absolves ODSNA of any breach of contract or tort action on said equipment.

(d) LIMITATION OF LIABILITY - EXCLUSION OF IMPLIED WARRANTIES. THE WARRANTIES IN THIS SECTION ARE EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE AND OF ANY OTHER OBLIGATIONS OR LIABILITY ON THE PART OF ODSNA WHETHER IN CONTRACT, WARRANTY, NEGLIGENCE OR OTHERWISE. ODSNA NEITHER ASSUMES NOR HAS AUTHORIZED ANY PERSON TO ASSUME FOR IT ANY OTHER WARRANTY OR LIABILITY IN CONNECTION WITH THE EQUIPMENT. This warranty we provide does not apply to defects or performance deficiencies arising from (1) accident, (2) abuse, (3) misuse, (4) operation of your Equipment outside of its environmental electrical, or performance specifications, conditions, capabilities or standards, (5) power fluctuations or failure, (6) vandalism or any other damage or unauthorized alteration of your Equipment or its operating software, (7) its use in combination with incompatible products, (8) fires, floods and other natural causes, (9) damage or any other impairment of your Equipment resulting from causes or conditions not associated with ordinary storage, handling, installation, maintenance, service or use or maintenance or service by any party other than other by us or our authorized representatives, (10) parts or accessories not provided by us or, (11) any acts, omissions, causes or events beyond our control.

(e) CONSEQUENTIAL AND OTHER LOSS OR DAMAGE. In no event shall ODSNA be liable, by reason of any breach of contract or warranty or of any act or omission on its part related to the Equipment, for prospective, consequential or special damages, economic loss, or damages resulting from loss of use of the Equipment.

Joe,

I've noticed that you have artificial intelligence software for the body scanner on the agenda. Do we have a contract for that?

Todd - have you reviewed the software? Is everything good?

Cc: Joe Alaniz <jalaniz@currycountynm.gov>, Melynda Crouch <mcrouch@currycountynm.gov>, Lance Pyle <lpyle@currycountynm.gov>

I have reviewed this.

It is the upgrade to the software they are already using with the body scanner and provides them with improved detection abilities.

Thanks

Todd

Board of Curry County Commissioners

Subject: Request for Approval of Additional Software within Triadic Enterprises ERP System

Dear Commissioners,

I am writing to request approval for the addition of enhanced software features within our current ERP system, Triadic Enterprises, Inc. These enhancements will provide significant operational efficiencies and modernize our financial and human resource processes.

The requested features include but are not limited to:

- **Electronic Distribution of Employee and Vendor Documents** – Securely email paystubs, W-2s, and 1099s to employees and vendors, reducing printing and mailing costs.
- **Human Resources Document Scanning** – Enable digital storage of personnel documents for improved accessibility, security, and compliance.
- **ACH Vendor Payments** – Allow electronic payments to vendors, increasing efficiency, reducing check-processing costs, and enhancing security. This feature will also help reduce the number of outstanding checks, improving overall financial reconciliation and operational efficiency.

These enhancements were presented to the IT Committee and received approval for implementation. The investment for these improvements includes a **one-time cost of $10,860** and an **annual maintenance cost of $3,205 plus applicable GRT**.

Implementing these features will not only improve efficiency but also reduce administrative overhead and enhance data security. The digital distribution of payroll and tax documents aligns with best practices for modern financial operations and employee convenience. Additionally, ACH payments will help streamline vendor transactions, minimize outstanding checks, and improve payment processing efficiencies.

I respectfully request the Board's approval to move forward with this software upgrade. If needed, I would be happy to provide additional details or participate in discussions to address any questions.

Thank you for your time and consideration. I appreciate your support in improving the County's operational processes.

Sincerely,

Troy Hall

Troy Hall
Finance Director

FROM: Ben Roberts
DATE: March 18, 2025
SUBJECT: **Request Approval of Use Agreement with Arise Sexual Assault Services for the Use of County Property Located at 1523 W. 13th Street in Clovis - Ben Roberts**

Prepared by Kaitlin Bentley
Last updated on 03/11/2025

ATTACHMENTS:

- Arise Use Agreement 3-18-25.pdf

USE AGREEMENT FOR COUNTY BUILDING

THIS USE AGREEMENT (hereinafter referred to as "Agreement") is made and executed this 18th day of March, 2025, by and between the County of Curry, a political subdivision of the State of New Mexico, hereinafter referred to as "County," and the Arise Sexual Assault Services, a New Mexico non-profit corporation, hereinafter referred to as "Arise."

WHEREAS, County is the owner of the property located at 1523 W. 13th Street, Clovis, Curry County, New Mexico, hereinafter referred to as the **"Premises";** and,

WHEREAS, Arise is a non-profit entity working with and providing services to the Ninth Judicial District Attorney's Office, the Ninth Judicial District Courts and various other agencies and entities of the State of New Mexico; and,

WHEREAS, in order to serve and meet the needs of the residents of Curry County, as well as those of the various state and local agencies, Arise needs a safe environment to conduct "Services" to include, but not limited to medical and forensic exams for victims of sexual assault, domestic violence, child abuse including DNA collection, forensic photography, and STI medications; advocacy services including emotional support, assistance in navigating the law enforcement and legal systems, and community and statewide referrals; professional specialized counseling services; community outreach and education designed to prevent sexual assault and violence of all kinds; expert testimony provided by Arise nurses to assist the Ninth Judicial District Court and a 24 hour helpline.

WHEREAS, County presently has no current need or use for the **Premises** and is not aware of any other entity associated with County that would need to use the **Premises.** County has determined that the services to be provided by Arise, at the **Premises,** are necessary and needed in Curry County. County has established to its satisfaction that the cost and expenses to County of servicing, maintaining and/or operating and ensuring the **Premises** would exceed any fair market price the County might obtain for the **Premises;** and,

WHEREAS, Arise has determined that the **Premises** is suitable and appropriate for their purposes and desires to use the **Premises** at 1523 W. 13th Street, Clovis, Curry County, New Mexico, pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which is acknowledged, the parties mutually stipulate and agree as follows;

1. **PREMISES.** County, Pursuant to the terms and conditions set forth herein, authorizes Arise to use the **Premises** for the sole purpose of providing the Services set forth above.

2. **TERM.** The initial term of this agreement will be two (2) years, beginning April 1, 2025 and ending March 31, 2027. The parties may renew this Agreement for one (1) additional two (2) year term, upon the same terms and conditions set forth herein. Either party may terminate this agreement upon giving sixty (60) days advance written notice to the other party. Arise, upon termination of this agreement or any extension hereof, shall vacate and return possession of the **Premises** to County. In the event Arise shall hold over or fail or refuse to give County possession of the **Premises,** County shall have the right to physically take possession of the **Premises** and remove Arise and Arise's employees and property from the **Premises.** Arise shall not have any rights to the **Premises** as may exist under New Mexico law including but not limited to the Landlord Tennant Act.

3. **CONSIDERATION.** The County has obtained an independent Fair Market Rental Analysis which indicates the estimated annual rental value of the **Premises** to be six thousand dollars ($6,000). As for consideration of the use of the **Premises,** Arise shall pay County the sum of two hundred and fifty dollars ($250) per year. The parties stipulate and acknowledge that the payment plus the Services Arise conducts are just and proper consideration for use of the **Premises** that would exceed the fair market rent the County would receive. Arise shall provide County with an annual written report and present each July to the County Commission of the services and benefits that have been provided to the citizens of Curry County by its use of the **Premises.** The report shall be indicating the type and number of services within the reporting period, but shall not contain any confidential information. Arise shall coordinate with the County Manager on the presentation to County Commission. County may request additional information regarding the Services provided during the term of the Agreement.

4. **NOTICES.** Any notice concerning this Agreement shall be in writing and shall be deemed sufficiently given when sent to the respective addresses of each party at:

County (County):
Curry County Manager
Lance A. Pyle
417 Gidding, Suite 100
Clovis, NM 88101
Telephone: 575-763-6016
Email: lpyle@currycountynm.gov

Arise Sexual Assault Services (Arise):
Executive Director
Sarah Long
PO Box 5586
Clovis, NM 88101
Telephone: 575-468-1010
Email: sarah@arisenm.org

5. **USE OF THE PREMISES.** Arise covenants and agrees that the **Premises** will

only be used as an office and to provide the services set forth above, and for no other purpose without having first obtained the written consent of County. In the event Arise fails to use the **Premises** for those activities reasonably related to Services set forth above, without having first obtained the prior written consent of County, County shall have the right to terminate this agreement and to re-enter the **Premises.** Notwithstanding anything contained herein to the contrary, in no event shall Arise use the **Premises** in any way that will increase the risks covered by insurance on the **Premises** or result in a cancellation of any insurance required to be obtained by this Agreement. Arise at its expense shall conform with and comply with all applicable regulations, ordinances, and laws relating to its use and occupancy of the **Premises.**

6. **DEFAULT OF ARISE.** This Agreement shall remain in full force and effect for as long as Arise uses the **Premises** to provide the services set forth above, and to maintain the required insurance coverage. If Arise ceases to use the **Premises** for the purposes set forth herein or fails to maintain insurance, this agreement will terminate and the **Premises** shall revert back to the County. This Agreement shall also terminate upon County giving Arise sixty (60) days written notice that Arise is in default, and upon Arise's failure to cure such default within sixty (60) days from the date of such notice.

7. **LIABILITY OF ARISE.** Arise agrees to defend, indemnify and save County harmless against any and all loss, damage, claim or expense arising out of its use of the **Premises** by Arise, it's agents, employees, invitees, or trespassers, or out of any accident or other occurrence arising out of the use of the **Premises,** which causes injury to any person whomsoever, or property whatsoever, due directly or indirectly to the possession and/or use of the **Premises,** or any part thereof, by Arise, it's agents, employees, customers, patrons, or other persons using the **Premises.**

County shall not be liable to Arise or any person for any damage or injury arising out of the use or possession of the **Premises** by Arise. Arise agrees and covenants to defend, indemnify, and save harmless County from all such liability and expense in connection with Arise's use or possession of the **Premises.**

8. **COUNTY'S ACCESS TO THE PREMISES.** County, it's employees and agents shall have the right to enter the **Premises** during normal business hours to inspect the same. Notwithstanding anything contained herein, County shall have no duty whatsoever to make any inspection, and County shall not be held liable for any failure to discover, observe, or remedy any defects on or about the **Premises.** In addition, County shall have the right to enter the **Premises** during normal business hours during the last ninety (90) days of the term of this agreement or any renewal or extension thereof, for the purpose of showing the **Premises** to any perspective tenant. County shall inspect the **Premises** with Arise at the beginning of this amended agreement.

9. **INSURANCE.** Arise shall, at their own expense during the term of the

agreement and any extensions hereof, maintain in full force and effect a policy of public liability insurance and property damage liability and deliver to County a copy of the same, with respect to the **Premises.** Such a policy shall name both the County and Arise as insured, and have limits of at least a $1,050,000 for injury or death to any persons and $1,050,000 for any one occurrence. Such policies shall be in whatever form and within such insurance companies as are reasonably satisfactory to County, and shall provide for at least ten (10) days prior to notice to County of cancellation. At least ten (10) days before any such policy expires, Arise shall supply County with a substitute therefore, together with evidence that the premiums therefore were paid. If Arise fails to do so, County may procure such policies or pay such premiums. In such event, Arise shall be responsible for reimbursing County the cost of said insurance.

County agrees to maintain insurance for the **Premises** covering cost of fire, and other extending coverage insuring all buildings, fixtures and other improvements owned by County and located on the **Premises.**

10. **ASSIGNMENT AND SUBLETTING.** Arise will not sublet the **Premises,** nor allow others to occupy the same, nor assign this agreement, nor transfer it in any manner without the prior written consent of the County being first obtained. Any such written consent shall not operate as a consent to further assignment or subletting, or as a waiver of this Agreement against assignment and subletting.

11. **CONDITION OF PREMISES AND REPAIRS.** No representation or warranty as to the condition or repair of the **Premises** has been made by County. At the expiration of the term of this Agreement or any renewal or extension thereof, Arise will yield up peaceably the said **Premises** to County in as good order and condition as when the same was entered upon by Arise, reasonable use and wear expected. Arise shall be entirely responsible for maintaining both the interior and exterior of the **Premises** and be solely responsible for the cost of any and all repairs up to the amount of $5,000 which may become necessary in conjunction with its use of the **Premises,** whether they are structural, mechanical, or otherwise. It is the parties' intention that County shall be responsible for those items covered under County's insurance policy on the building and Arise will be responsible for the first $5,000 for each repair covered under County's insurance policy. County will then pay (through its insurance) any expenses over and above the initial $5,000 paid by Arise. County shall only be responsible for those items specifically addressed and covered in County's insurance policy. Additionally, if repairs over $5,000 are needed and not covered under County's insurance policy and County agrees with the need for the repairs, County will cover the amount over $5,000. County is not obligated to cover repair costs if determined by the County it is not in the best interest to do so. No repairs or work shall be performed or permitted on or upon the **Premises** without County's prior written consent and approval.

12. **ALTERATIONS, ADDITIONS AND IMPROVEMENTS.** Arise shall not make

any alternations, additions or improvements in or about the **Premises** without County's prior written consent and then only with the express condition that any and all alterations, additions and improvements shall be done at Arise's expense and in compliance with all applicable municipal, state and federal ordinances, laws, rules, and regulations and that no liens of mechanics, material men, laborers, architects, artisans, contractors, sub-contractors, or any other lien of any kind whatsoever shall be created against or imposed upon the **Premises,** or any part thereof. Arise shall indemnify and hold harmless County from any and all liability and claims for damages of every kind and nature which might be made or judgments rendered against County or against the **Premises** on account of or arising out of such alterations, additions or improvements.

13. **OWNERSHIP OF ALTERATIONS, ADDITIONS AND IMPROVEMENTS.** Unless otherwise set forth herein, all alterations, additions and improvements shall be made at Arise's expense, and whether attached to the walls, floors or other parts of the **Premises** or not, shall, unless otherwise agreed to by the parties in writing, belong to the County and will merge with and become a permanent part of the **Premises,** and any and all interest of Arise therein shall immediately vest in County, and all such alterations, additions, and improvements shall not be removed from the **Premises** by Arise without the written permission of County.

14. **UTILITY AND OTHER CHARGES.** Arise shall promptly pay all utility and other charges of whatsoever kind and nature, including charges for electrical, water, gas, garbage, telephone and other services plus all other occupation fees or charges which may become payable or which are incurred in connection with Arise's use of the **Premises.**

15. **TAXES AND OTHER ASSESSMENTS.** Arise shall be responsible for all taxes and assessments which have been or may be levied upon the **Premises.**

16. **HOLDOVER.** Arise covenants and agrees to deliver up and surrender possession of the **Premises** to County at the termination of this agreement, by expiration of the term or otherwise, in as good condition and repair as the same shall be at the commencement of this agreement, and in as good condition and repair as shall be required of Arise during the term hereof, excepting only natural wear and decay which cannot reasonably be attested by regular repair and maintenance.

17. **ENVIRONMENTAL LIABILITY.** Arise shall fully comply with all applicable local, state or federal environmental law, rules and regulations applicable to Arise's use or occupancy of the **Premises.** Arise covenants and agrees that Arise shall not commit or permit any spills of hazardous materials or any other conditions which may endanger the environment and will not dump hazardous materials onto the ground or into the sewer.

Arise shall not keep and/or store hazardous materials on the **Premises.**

18. **EMBODIMENT OF AGREEMENTS BETWEEN THE PARTIES.** This Agreement incorporates all of the agreements, covenants and understandings between the parties hereto and all such covenants, agreements, and understandings, written or oral, have been merged into this written Agreement.

19. **AMENDMENT.** This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto.

20. **SEVERABILITY.** The invalidity, unlawfulness or unenforceability of any party, clause, provision or condition of this Agreement shall not affect any other of the provisions hereto, which shall be effective as though the invalid, unlawful or unenforceable provision had never been contained herein

21. **GOVERNING LAW**. This Agreement and the rights of the parties hereto shall be governed and construed in accordance with the laws of the State of New Mexico. Jurisdiction and venue for any action involving this Agreement shall be in the District Court of Curry County, New Mexico.

22. **BINDING EFFECT.** This Agreement shall extend to, be binding upon and inure to the benefit of the parties hereto, their agents, employees, heirs, personal representatives, administrators, assigns and successor in interest.

23. **APPROPRIATIONS.** The terms of this Agreement are contingent upon sufficient appropriations and authorization being made for/by County for the performance of this Agreement. If sufficient appropriations and authorizations are not made by/to the County, this Agreement shall terminate upon written notice given by County to Arise. The County's decision as to whether sufficient appropriations and authorizations exist, shall be accepted by Arise and shall be final.

24. **SCOPE OF AGREEMENT.** This Agreement incorporates all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof and that all such covenants, agreements, and understandings have been merged into this written Agreement. No prior agreement or understanding, verbal or otherwise, of their parties or their agents shall be valid or enforceable unless embodied in this Agreement

DETENTION ADMINISTRATOR JOE ALANIZ

1) February 2025 DATA:

New Hires
2
Promotions
1
Detention Officer Vacancies
17
Lieutenant Vacancy
1

2) Recruitment Spotlight:

The Curry County Adult Detention Center is pursuing a collaborative agreement with Clovis Community College. The purpose of this Memorandum of Understanding is to establish a collaborative apprenticeship and training program to certify detention officers in Curry County. The program's goals are to enhance the professional development and training for recruitment of detention staff, improve safety and security within the detention center, and ensure compliance with state and federal detention standards.

3) February 2025 Population Data

Average Daily Count Population 188 Detainees

1. Total Detainee Bookings -166
2. Total New First Time Bookings -36
3. Total Previous Bookings -130
4. Total Females Booked - 43
5. Total Males Booked - 123
6. Released Males -124
7. Released Females - 45
8. Total Male Felonies - 498
9. Total Female Felonies - 172
10. Total Male Misdemeanors - 421
11. Total Female Misdemeanors - 265
12. Total Sentenced Detainees -18
13. Out of State Fugitives -5

4) February 2025 Events:

1. The Curry County Adult Detention Center continues to facilitate and manage approved and scheduled attorney access with their clients. In the month of February, there were 44 attorney phone calls, 28 attorney on-site client visits, 17 rehabilitation services phone calls; 1 detainee was accepted to a rehabilitation program.

2. Detainees continue to visit with their loved ones via visitation on the tablets. For the reporting month there were 713 completed detainee video visitations.

3. Our Volunteer Programing is providing wonderful opportunities to the detainee population. The diversity of the programing offers something for everyone, to include baptisms on the 2nd Sunday of the month. In the month of February, there were 4 baptisms performed. The facility staff continues to assist in delivering religious materials and other articles to detainees to facilitate in the practice of designated faith. That is up to and including meeting the standard on Special Religious Diets which are provided for detainees whose religious beliefs require the adherence to religious dietary laws. The facility has currently incorporated Islamic Religious Services in the facility currently there are 9 active participants.

4. The Curry County Detention Center continues to facilitate the Detainee Medication Assisted Treatment Program. For the month of February there were 11 participants that were approved for substance abuse medications as well as additional counseling two times a week within the detention center by Mental Health Resources.

5. There are 3181 educational and self-help resources available to the Curry County Adult Detention Center detainee population through Edovo. The certificates of completion and transcripts are available to the participants, which can be submitted to the courts on the behalf of the detainee. The certificates of completion are submitted with the detainee's goodtime request. Within this reporting timeline the total learning items completed was 1027 with 114 active learners for a total 614 total learning hours.

5) Audits and Compliance

Firetrol Protection Systems, Inc., the facilities fire suppression contractor, conducted a Kitchen Fire Suppression Hood semiannual inspection and a Fire Sprinklers Wet System quarterly inspection. The inspection was completed without discrepancies.

6) Employee Development/Facility Training

1. Monthly New Mexico Counties Risk Awareness Program Training
2. The Administrator attended a Crisis Intervention ECHO CIT Knowledge Network Training on "Delirium".
3. The facility sent 9 staff to the Trauma Informed Approach Training held at the Clovis Community College.
4. Lieutenant Holman and Sergeant Garcia went to a Peer Support Training for First Responders in Albuquerque.

7) Overtime Report from Pay Period: February 02, 2025 to February 15, 2025

1.Time and Half above 86 hours - Total –255.29 hours.

8) February 2025 Juvenile Detention Billing - Total Bill $51,600.00

1. 10 at Lea County Juvenile Detention Center- 105 Days Total $31,500.00
2. 4 at Bernalillo County Juvenile Detainees- 84 Days Total: $18,900.00

9) February 2025 Adult Detention Billing Total $ 31,750.00

1. New Mexico Department of	$8,667.00
2. Adult Probation and Parole	$21,808.00
3. Guadalupe County	$1,275.00

END OF REPORT

Road Dept Department

TO: Board of County Commissioners
FROM: Walon Jones
DATE: March 18, 2025
SUBJECT: **Road Department Report for February 2025 - Walon Jones**

Road Department Projects

Curry County Cooperative Extension Service

ANNUAL REPORT
2024

Mindy Turner, Family & Consumer Sciences Agent

Curry County Commission Meeting | March 18, 2025

BE BOLD. Shape the Future.

The Mission

- Providing the people of Curry County with practical, research-based knowledge and programs to improve their quality of life.

Curry County Cooperative Extension Service Faculty and Staff

Cindy Boney
Administrative Assistant

Zandy Bunch
ICAN Educator

Lindsay Keller
Ag Agent

Kandy Hutchins
4-H Agent

Mindy Turner
FCS Agent

Diana Wood
Program Assistant

Countywide Outreach

In our ever changing environment, Extension continues to identify timely ways to distribute information to clientele.

525
Newsletters

Newsletters containing timely updates and educational resources are distributed monthly.

63
Educational Videos

Educational resources published online have received over **10,796** views.

321,854
Social Media Contacts

Staff utilize social media to provide education and promote programs across the county.

Advisory Committees

The Cooperative Extension Service uses advisory committees to establish lines of communication between CES and the community in order to define what/how programs will work best in Curry County.

Ag	FCS	4-H & Youth

Committee members are selected with the intent to create a diverse group of community members that come together to provide oversight for program direction stemming from the grass roots level. A variety of factors are considered in selection, including geographical location, county demographics and the role of the member in the group they represent.

Ag & Natural Resources

A trusted resource for ag producers and the home gardener to get real-world answers to their questions.

Ag Producer Education

93% of producers gained new knowledge related to crop insurance and potential risks.

243
Ag Related Calls

Clientele are assisted with questions related to trees, shrubs, weeds, crops and livestock.

Family & Consumer Sciences

Focus on Health, Family Life, Personal Finance/Family Resource Management, Nutrition and Cooking, Diabetes and Food Safety and Technology.

Mental Health 1st Aid

Youth **Mental Health First Aid** teaches adults how to identify, understand and respond to signs of mental health and substance use challenges among adolescents.

Mental Health Breaks

- Joy
- Nutrition
- Health Awareness
- Gratitude
- Focus
- Encouragement

Extension Clubs

The Extension Homemakers Council has three clubs that provide educational and service projects in their area.

Educational Series

- Stress Management
- Preserving Memories
- Cooking For
- Personal Safety
- Seasonal Transitions
- Look Back

ICAN

ICAN's Mission is to inspire New Mexico's limited resource youth and adults to make healthy food and lifestyle choices.

- Food Bank of Eastern New Mexico

ICAN's Mission is to inspire New Mexico's limited resource youth and adults to make healthy food and lifestyle choices.

Dedicated to providing opportunities for youth to develop leadership and management skills, positive self-esteem, effective communication skills, a solid sense of personal responsibility and the ability to make sound decisions.

223 4-H Club Members	Youth ages 5-18 are enrolled in 8 area clubs and participate in age-appropriate programs.
32 4-H Volunteers	Adult volunteers serve as caring adults and educational resources for our 4-H youth.
3 Ag Literacy Field Trips	Every 3rd, 4th and 5th grader in the County has the opportunity to expand their knowledge of Agriculture.

4-H LEADERSHIP SKILLS
CURRY COUNTY 4-H

Our commitment is to empower youth to become active agents of change, utilizing their unique perspectives to tackle challenges and build a stronger future. Youth involved in the Curry County 4-H Youth Development Program were asked to complete a survey based on their 4-H experiences.

1 **COMMUNICATION**
100% believe they can communicate their skills and qualifications and ensure that others understand the message they are trying to project.

2 **DIVERSITY**
95% believe they can can resolve conflict in positive ways and effectively work with people who are different from them.

3 **GOAL SETTING**
98% believe they can set goals for and know how to handle unexpected situations.

4 **PLANNING**
95% state that once they know what needs to be done, they can plan how to do it.

5 **DECISION MAKING**
93% say they can consider all the choices before making a decision and will teach others what they have learned.

6 **VALUE**
By empowering young individuals with the skills and confidence to actively participate in their communities, we cultivate a future generation of leaders who drive positive change, fostering a more equitable and vibrant society through responsible decision-making and innovative solutions.

Cultivating a Safety Mindset in Third Graders

If you attended the third grade in Roosevelt County within the last 30 years, there is a good chance you remember attending Progressive Ag Safety Day. This event has become a tradition and is an event teachers and volunteers look forward to each fall. For the past 14 years, Shawna Neece has joined other third-grade teachers in Portales in taking her students to this annual event.

Through corporate sponsorship from communications provider Plateau, many locations in Eastern New Mexico have had the opportunity to host this safety event. While it is called Progressive Ag Safety Day, the program covers a broad range of topics that are essential for all children, whether they are around a farm or not. The program strives to provide training and awareness of a variety of safety measures from lawn mower safety to electricity, general water safety and first aid. Prior to attending the event, one of Neece's students found themselves in a position where they had to call 911 for help. He did not know what information the operator needed or what details might help in the situation, this of the 911 training during Ag Safety Day, he felt better prepared for how to communicate information during a 911 emergency phone call.

Doug Schwartz, a third-grade teacher at Texico, has been attending the event in Curry County for the past seven years. Schwartz shared how the program has brought large machinery awareness to many of his students over the years. Many of them see a tractor in a field as they are driving down the road, but do not understand how large the machines are in size until they see them in person at this event. Schwartz noted that after attending the event the kids have a better understanding of the dangers surrounding large machinery and how to be cautious and stay safe when they are near.

The event offers hands-on activities available for the students to help them learn and retain the safety information. The event begins with an opening ceremony, and then students rotate through a series of 10 educational stations. Station topics vary from year to year, but they are always something important for every child to learn and share

Questions?

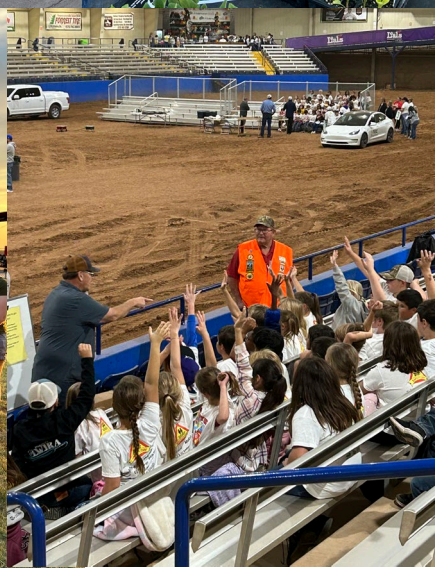

Curry County Cooperative Extension Service

Providing the people of Curry County with practical, research-based knowledge and programs to improve their quality of life.

Annual Report

2024

College of Agricultural, Consumer and Environmental Sciences
Cooperative Extension Service
Curry County Extension Office

600 Woods St, Clovis, NM · 575-763-6505 · curry@nmsu.edu · curryextension.nmsu.edu

**New Mexico State University is an equal opportunity/affirmative action employer and educator.
NMSU and the U.S. Department of Agriculture cooperating.**

Ag

Agronomic crops, particularly feed crops such as hay, grain sorghum, grain corn and silage corn push Curry County to number one in the state in total agricultural commodity cash receipts. Extension continued a partnership with Agri-plan Crop insurance to provide a basic workshop on **crop insurance** to help producers better understand potential risks. Timing of workshops is determined by planting season and application deadlines. Evaluations indicated that 93% of producers gained new knowledge of crop insurance by attending the program. 100% said they would attend another program like this in the future.

Many new and seasoned **gardeners** call the extension office to ask for help with numerous issues. This is an opportunity to create a positive outlook of extension to the Curry County community and deliver research based information across the county.

FCS

The FCS agent coordinated with the Curry County Extension Council to host a **Craft/Business Fair** to assist local artisans and direct sales in increasing revenue and customer base while fostering relationships with other area entrepreneurs. This was the fourth year this opportunity was made available. Vendors are provided space free of charge with the event open to the public for shopping. Twenty vendors participated in the 2024 event.

Kitchen Creations is a cooking school for people with diabetes and their families offered for two sessions in Curry County in 2024. Classes provide 12 hours of hands-on group instruction led by Extension Agents, Registered Dietitian Nutritionists, and Certified Diabetes Care and Education Specialists. Participants received a comprehensive manual and diabetes-friendly cookbooks. Kitchen Creations empowers New Mexicans to manage diabetes effectively, improving health outcomes while increasing community awareness of Extension's and partnering organizations' broad support efforts. The Kitchen Creations program's potential healthcare and productivity cost savings exceed $345,000 statewide.

The FCS Agent partnered with County Youth and Adult Services to conduct **Mental Health First Aid** trainings for adults working with youth and/or other adults. While only 45-50% of participants believed they could have a supportive conversation with a youth or adult experiencing a mental health or substance abuse challenge or crises prior to the training, after the training, 70-85% reported a high likelihood. 100% of participants reported they strongly agreed they could respond to a substance abuse challenge or crisis with a youth or adult. 85% of participants reported they consider themselves very knowledgeable in recognizing signs and symptoms of mental health and substance abuse challenges following the training. 80% of participants strongly agree that they could ask a youth or adult directly if they are considering killing themselves. 85% of participants in Youth Mental Health First Aid reported an increase in knowledge related to explaining the impact of trauma experiences and the role of resilience in youth mental health. By equipping individuals with the skills to recognize and respond to mental health challenges in their communities, MHFA empowers people to provide initial support, reduce stigma, and connect those experiencing mental health concerns to appropriate professional help, ultimately fostering a more supportive and mentally well society.

Curry County has three active **Extension Clubs** under the umbrella of the Curry County Extension Council. Members engage in educational programs related to family finance and other topics monthly and provide service projects in their communities.

Subject: Curry County 2024 Report

Date: 7-March 2025

To: Lance Pyle, County Manager and Curry County Commissioners

This report is in accordance with the Work/Financial Plan between USDA/APHIS/WS and Curry County.

During CY2024, WS helped protect 1,165 head of livestock valued at almost $2 million in Curry County. In the absence of predator damage management, research has shown that predator losses for calves, adult sheep, and lambs would be approximately 3%, 5.6%, and 17.5% respectively. Using these estimates, we believe we prevented approximately **$22,522.50** in livestock predation in Curry County last year. We also provided other services including airport wildlife hazard management at Cannon AFB.

Predator damage management was conducted by three WS Specialists and one Wildlife Biologist on seven properties (work agreements) encompassing **950,768** total acres of private and state land. Field hours worked during 2024 totaled approximately **862** hours.

We provide other services as well, including feral pigeon management, rodent damage management, migratory bird damage management, along with surveillance for wildlife diseases like tularemia, Swine Brucellosis, plague, rabies, pseudorabies, and Classical Swine Fever in Curry County.

WS appreciates your continued support as we work to help protect the economic stability and integrity of local rural economies through our predator damage management and other wildlife management activities.

Sincerely,

LISA SELNER Digitally signed by LISA SELNER

Clovis, NM 88101

Dear Mr. Lance Pyle:

Please consider this request for **$7,500** to continue the USDA Wildlife Services cooperative program for FY26. These local funds are supplemented by federal and state money to pay salaries and benefits, purchase equipment and supplies, vehicles, fuel, and other expenses for your local WS Specialist.

During CY24, WS helped protect 1,165 head of livestock valued at almost $2 million in Curry County. In the absence of predator damage management, research has shown that predator losses for calves, adult sheep, and lambs would be approximately 3%, 5.6%, and 17.5% respectively. Using these estimates, we believe we prevented approximately **$22,522.50** in livestock predation in Curry County last year. We also provided other services including airport wildlife hazard management.

USDA Wildlife Services is committed to helping protect the economic stability and integrity of local rural economies through our predator damage management and other activities. Thank you for considering this request for **$7,500** for FY26 to help fund our cooperative program.

Please feel free to call me at (505) 208-3003 if you have any questions or would like us to attend an upcoming commission meeting or budget workshop.

Sincerely,

LISA SELNER Digitally signed by LISA SELNER

NM STATE UNIVERSITY

College of Agricultural, Consumer and Environmental Sciences
Cooperative Extension Service
Eastern District Office
3005 N. Prince St., Clovis, NM 88101

February 17, 2025

Brad Bender, Chairman
Curry County Commission
c/o Lance Pyle, Curry County Manager

417 Giddings Street
Clovis, NM 88101

Dear Mr. Bender,

This letter is to request for the Cooperative Extension Service of New Mexico State University, financial support for the Curry County Extension Office, fiscal year beginning July 1, 2025. Extension programs in Agriculture, 4-H and Youth Development, Family and Consumer Sciences and Community/Economic Development are financed by appropriations from federal, state and county governments. Each level of government contributes its share (approximately 1/3) to the total cost of the County Extension Program, wherein county constituents and clientele receive 100% of program services. This request reflects the anticipated County costs for the local County Extension Office FY 25/26 budget, representing contributions to salaries and operations, in the request amount of:

2025-2026 FY Request $131,473.54

Explanation of increases in request:

Projected State legislative increase for budget and fringe

ADDITIONAL RETURN on INVESTMENT to COUNTY: Curry County clientele receive full Snap-Ed Nutrition Education services (a federally funded grant), delivered and administered at no additional charge to the County, in the amount of $51,799. NMSU also offers Extension Specialist assistance, publications, and administrators who assist the local County Extension Staff, in return for your support. For every $1 the county contributes to this budget formula, the county receives $3-$5 (up to $10) in return (see attached supplemental information outlining NMSU CES Specialist contribution to services).

We truly value and appreciate our outstanding partnership with county government and understand the challenges and need to work together for next year's budgets in order to continue making the many positive impacts in our New Mexico communities.

We will appreciate your favorable consideration of this request.

Mindy Turner
Curry County Program Director

Patrick Kircher
Eastern District Department Head

Cooperative Extension Funding Format

(Prepared for Curry County Commission as funding partners)

The Curry County Cooperative Extension Service is funded through a three-way partnership:

Every $1 provided by the County = **$3-5 (up to $10)** return back to the County in DIRECT services, in-kind services, and grant $$

Local (1/3)
County Government

Any 1% increase is matched by an additional **3-5%** from State and Federal sources. State and Federal match **hinge** on County input--see attached NMSU Specialist sheet

State Partner (1/3)
NMSU—Land Grant University

Federal Partner (1/3)
USDA

The unique design of the Cooperative Extension Service allows 100% program services to be provided to County clientele in the program areas of Agriculture, 4-H/Youth Development, Family and Consumer Sciences and Economic Development, at 1/3 the overall program cost. This includes 1/3 salary & benefits match for Extension Faculty & Staff, as well as County O&M. The County houses the CES program as an in-kind to the FULL-SERVICE benefits received. State appropriations match another 1/3 salary & benefits, plus provide addition support/service dollars, which include: NMSU Extension Specialist services; Extension publications and Administration Services. Federal funds provide another 1/3 match through USDA, PLUS adds in 100% Snap-Ed Grant funds for administration and services associated with the ICAN Nutrition Education Program. ***The County receives an additional estimated $35K-$40,000 per educator which includes: salary, benefits and O&M cost associated with this program and delivery @ NO additional charge to the county.***

See funding TOTALS and SPLITS below:

Curry County CES Budget Split, FY '25/26:

	TOTAL	County	State	Federal
Salaries & Benefits	$412,782.85	$107,323.54	$168,002.62	$137,456.69
O&M		$ 24,150.00		
TOTAL	**$436,932.85**	****$131,473.54**	$168,002.62	$137,456.69
% total budget split		30%	38%	31%
**SNAP-Ed funding	****$51,799**			****$51,799**

Nutrition education funds **added as 100% federal support to Curry clientele at **NO** cost to the County*

*****TOTAL Curry CES Budget including Federally funded ICAN Snap-Ed Grant dollars*** ***$488,731.85***

Total Budget % Split *County--28.5%* *State--35%* *Federal--37.5%*

CURRY COUNTY RESOLUTION

Resolution No. 2025-23

A RESOLUTION OF THE COMMISSION OF CURRY COUNTY, NEW MEXICO, AUTHORIZING THE SUBMISSION OF A DESTINATION FORWARD GRANT PROGRAM APPLICATION TO THE NEW MEXICO TOURISM DEPARTMENT.

WHEREAS, Curry County strives to improve the infrastructure, accessibility, and quality of the Curry County Events Center and Fairgrounds; and

WHEREAS, the Commission finds it necessary to encourage residents and visitors alike to visit, attend events and participate in activities held at the Curry County Events Center and Fairgrounds; and

WHEREAS, the Commission finds that there is a significant need to commence improvements to Curry County to increase tourism and economic development to the area; and

WHEREAS, the Commission determines that the project listed in the application meets the needs and requirements of the Destination Forward Grant Program by ensuring the project will generate value of a minimum of ten (10) years, provide long-term benefit and public access.

NOW, THEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF CURRY COUNTY, NEW MEXICO, that

1. Curry County is hereby authorized to prepare and submit a Destination Forward Grant application to the New Mexico Tourism Department for renovations and improvements to the Kevin Roberts Arena at the Curry County Fairgrounds;
2. That the Curry County Commission directs and designates the County Manager as the County's Chief Executive Officer and Authorized Representative to act in all matters in connection with this application and the County's participation in the Destination Forward Grant Program;
3. Curry County officials and staff are directed to do any and all acts necessary to carry out the intent of this Resolution;
4. That the grant request amount not exceed $500,000 for the renovations and improvements to the Kevin Roberts Arena;
5. That it further be stated that Curry County will provide up to $70,000 as a cash contribution toward the project.

PASSED, ADOPTED AND APPROVED this 18th day of March 2025

CONTRACT FOR HEAVY EQUIPMENT TO BE USED/RENTED

BY THE CURRY COUNTY ROAD DEPARTMENT

WHEREAS, Curry County, a New Mexico governmental entity, pursuant to the New Mexico Procurement Code, issued Invitation to Bid (ITB) #2024/25-11 entitled "Heavy Equipment Rental for the Curry County Road Department and Fairgrounds"; and,

WHEREAS, Curry County received six (6) bids, five (5) bids from Kirby Smith Machinery, Inc., 4 Rivers Equipment, Power Equipment Company, H & E Equipment Services, Inc., and Equipment Share were deemed responsive; and,

WHEREAS, Curry County Invitation to Bid #2024/25-11 provided and allowed Curry County to award, and enter into contracts with one or more of the responsive bidders; and,

WHEREAS, all of the bids submitted by the five (5) entities identified above have been reviewed by the County and determined to be responsive to at least one (1) of the eighteen (18) items of equipment that County was requesting in ITB 2024/25-11; and,

NOW, THEREFORE, BE IT RESOLVED, Kirby Smith Machinery, Inc., 4 Rivers Equipment, Power Equipment Company, H & E Equipment Services, Inc., and Equipment Share, hereinafter individually referred to as "Contractor" and jointly referred to as "Contractors", do hereby enter into this Contract with Curry County to make available and provide one (1) or multiple pieces of equipment as identified on the Bid Form of each of the four parties, which are attached. The comparison of pricing for the equipment is attached hereto as Exhibit 1 and incorporated herein as though set forth in full. Each party, by their signature hereto, acknowledges the comparison of pricing as set forth in Exhibit 1. Each contractor has provided their standard Rental Agreement that is attached hereto as Exhibit 2 and incorporated herein as though set forth in full.

1. SCOPE OF SERVICES

Whenever County needs equipment, the County will contact the Contractor with the lowest unit price for the equipment requested as shown on the Comparison of Pricing, which are attached hereto as Exhibit 1 and incorporated herein as though set forth in full. If the first Contractor is nonresponsive or is unable to provide the equipment when and as requested by County within the time period established by County, County will move on to the second lowest cost Contractor and if County is unable to enter into a Contract with the second lowest cost Contractor, County will contact the third lowest cost Contractor and if County is unable to enter into a Contract with the third lowest cost Contractor, County will contact the fourth lowest cost Contractor. Depending on various factors, including but not limited to the type of the machine, it's usual availability and number of bids on the item, County may obtain the equipment from one or more Contractors for each piece of equipment.

The County Road Superintendent shall have authority to sign each individual Rental Agreement, with ratification from the Board of County Commissioners at a later date. Any rental terms outside of what is included in Rental Agreements shown on Exhibit 2 shall be approved by the County.

2. COMPENSATION

For and in return for the services provided by each Contractor, for the various pieces of equipment as set forth above, County shall pay Contractors pursuant to the Comparison of Pricing, which is attached hereto as Exhibit 1 and incorporated herein as set forth in full. Payment shall commence on the date that said equipment is delivered to Curry County and received by the County Road Superintendent and/or his designee and shall terminate when each said piece of equipment is returned to said Contractor, or within five (5) working days after written notification is provided by County to said Contractor that the equipment is no longer needed, whichever occurs first.

3. TERM AND SCHEDULE

This Contract shall become effective on the 18th day of March, 2025 and continue for a period of two years through March 17, 2027. The Contract may be renewed according to the terms stated herein for one (1) additional two (2) year period, not to exceed four (4) years.

4. DELIVERIES

Deliveries are required to any job site in Curry County. Portal to portal mileage will be measured from the Contractor's designated base station to the job site or from an existing job site to a new job site, whichever is less. The County Road Superintendent or his designee will verify the distance used for payment and his decisions shall be final. The County at its own discretion will utilize its own transport truck and trailers to pick up and/or relocate any rental equipment. The County shall notify the Contractor of any relocation.

5. REPRESENTATION AND WARRANTIES

Contractors, by their signatures hereto, do hereby acknowledge that each and every piece of equipment provided to County, at any and all times during the term of this Contract, shall be in good working condition with all of the parts and all of the safety devices in good working order and fully capable of satisfying the needs of County for each piece of equipment. Equipment must be new and of most current production. County reserves the right to inspect any and all pieces of equipment when provided and if necessary, to require Contractors to provide maintenance, repairs and even a replacement piece of equipment if necessary at no additional cost to the County. Final inspection and acceptance will be made at the destination. Equipment rejected at the destination for nonconformance with specifications shall be removed at the Contractor's risk and expense, promptly after notice of rejection.

6. MATERIAL ESCALATION

In the event of a product cost increase, each escalation request must be timely submitted for review to the County Road Superintendent on an individual basis. This measure is not intended to allow any increase in profit margin and is solely intended to allow compensation for actual cost increases directly related to bid items. To facilitate prompt consideration, any request for price increase must include all information: 1. Contract Item Number 2. Current Item Price 3. Proposed New Price 4. Percentage of Increase 5. Mill/Supplier notification of price increase indicating percentage of increase including justification for increase. The Curry County Road Superintendent upon review

of an escalation request may require additional supporting documentation prior to providing a written recommendation to the Board of County Commissioners. The final determination on the approval or disapproval of the escalation request will be made by the Curry County Board of County Commissioners.

7. INDEPENDENT CONTRACTOR

Contractor(s) is, and at all times throughout the term of this Contract, acting as an independent contractor, and not an agent, employee or representative of County and, Contractor(s) shall be responsible for the management of its business affairs. In the performance of the work under this Contract, Contractors will at all times be acting and performing as an independent contractor, as that term is understood for federal and state law purposes, and not as an employee of County. Without limitation upon the foregoing, Contractors shall not accrue sick leave, jury duty pay, retirement, insurance, bonding, welfare benefits, or any other benefits, which may or may not be afforded employees of County. Contractors will not be treated as an employee for purposes of: Workers' Compensation benefits; the Federal Unemployment Tax Act; Social Security; other payroll taxes, federal or any state income tax withholding; or the employee benefit provisions described in the Internal Revenue Code of 1986, as amended. Neither County, nor its agents or representatives, shall have the right to control or direct the manner, details or means by which Contractor(s) accomplishes and performs its services.

Nevertheless, Contractors shall be bound to fulfill the duties and responsibilities contained in the Contract.

Contractor(s) represents that it has, or will secure, at its own expense, all personnel require in performing the services under this Contract. Such personnel shall not be employees of, nor have any contractual relationship with County. Contractor(s), consistent with its status as an independent contractor, further agrees that its personnel will not hold themselves out as, nor claim to be officers or employees of County by reason of this Contract.

To the extent that Contractor(s) employs any employees, Contractor(s) shall be solely responsible for providing its own form of insurance for its employees and in no event, shall Contractors' employees be covered under any policy of County.

Contractors' retention hereunder is not exclusive. Subject to the terms and provisions of this Contract: (i) Contractor(s) is able, during the Term hereof, to perform services for other parties; and (ii) Contractor(s) may perform for its own account other professional services outside the scope of this Contract.

8. NO JOINT VENTURE OR PARTNERSHIP

Nothing contained in this Contract shall create any partnership, association, joint venture, fiduciary or agency relationship between Contractors and County. Except as otherwise specifically set forth herein, neither Contractors nor County shall be authorized or empowered to make a representation or commitment or to perform any act which shall be binding on the other unless expressly authorized or empowered in writing.

9. ASSIGNMENT

Contractors shall perform all the services under this Contract and shall not assign any interest in this Contract or transfer any interest in same or assign any claims for money due or to become due under this Contract without the prior written consent of County.

10. INSURANCE

Contractor(s) agrees to obtain and maintain in full force throughout the duration of this Contract, a general liability policy of insurance with a minimum coverage of $1,050,000 single limit and $2,000,000 aggregate per occurrence, which specifically covers, and applies to the type and nature of work Contractors are performing for County under this Contract. Contractors shall also obtain and provide County with proof of Workers' Compensation Insurance as maybe required by New Mexico State Statutes, Rules and/or Regulations.

The purpose of this insurance coverage is to hold harmless and indemnify County, as required in Paragraph 11 of this Contract, from any and all claims, causes of action, demands or otherwise as may be asserted, made, alleged or filed against County or any of its employees, agents, representatives or properties. Contractors shall obtain said insurance and provide County with proof of insurance as may be required at any/all times during the duration of this Contract and any extension thereof.

11. DISCLAIMER

County, by entering into this contract, shall not assume or otherwise be held liable for any act or omission of Contractors or any of their agents, employees and/or representatives in their performance or fulfillment of the terms and obligations of this contract.

12. INDEMNITY AND LIMITATION

Contractors shall indemnify, defend, and hold harmless County from and against any and all claims, suits, actions, judgments, demands, losses, costs, expenses, damages, and liability caused solely by, resulting solely from, or arising solely out of the negligent, intentional and/or criminal acts, errors, or omissions of Contractors, their officers, employees, agents, or representatives in the performance of services under this Contract.

13. BREACH

In the event Contractors breach any obligation contained in this Contract, prior to instituting any action or dispute resolution procedure, County shall give Contractors written notice of such breach. In the event Contractors fail to remedy the breach within five (5) working days of receiving such written notice, County, at its sole discretion, without any obligation to do so and in addition to other remedies available under applicable law, may remedy Contractors' breach and recover any and all costs and expenses in so doing from Contractors.

14. NOTIFICATION

All notice required or permitted under this Contract shall be in writing and shall be deemed sufficiently served if served by Registered Mail addressed as follows:

15. APPLICABLE LAW

Contractor(s), by submitting its response to the County and entering into this contract, consents and acknowledge that this contract and the rights and obligations of the parties shall be governed by and construed by the laws of the State of New Mexico applicable to agreements between New Mexico parties made and performed in that state, without regard to conflicts of law principles. Contractor(s) also stipulates and agrees that by submitting its response and doing business in Curry County, venue for any legal proceeding shall be in Clovis, in the Ninth Judicial District Court.

Contractors shall abide and be governed by all applicable state law, County ordinances and laws regarding Contractors' services or any work done pursuant to this Contract.

16. DISPUTE RESOLUTION

In the event that a dispute arises between County and Contractors under this Contract, or as a result of breach of this Contract, the parties agree to act in good faith to attempt to resolve the dispute.

In the event of termination, Contractors shall be compensated for all services performed and costs incurred up to the effective date of termination for which Contractors have not been previously compensated.

Upon receipt of notice of termination from County, Contractors shall discontinue the services unless otherwise directed and upon final payment from County deliver to the County all data, reports, summaries, and such other information and materials as may have been accumulated by Contractors in the performance of this Contract.

17. CONFLICTS

Contractor(s) represents to County that the services to be provided to County pursuant to this Contract are not in violation of or contrary to the terms and the provisions of the New Mexico Governmental Conduct Act, Sections 10-16-1 through 10-16-18, NMSA 2008. Contractors also agrees that in the performance of this contract shall comply with those terms and conditions set forth in said Governmental Conduct Act that apply or may apply to those services provided by Contractors to County pursuant to this Contract.

18. CONFLICT OF INTEREST; GOVERNMENTAL CONDUCT ACT

Contractor(s) warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this contract. Contractor(s) certifies that the requirements of the Governmental Conduct Act, Section 10-16-1 through 10-16-18, NMSA1978 regarding contracting with a public officer or state employee, or former state employee, have been followed.

19. PENALTIES FOR VIOLATION UNDER LAW

In addition to the Governmental Conduct Act, the Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation, in addition, the New Mexico Criminal Statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

20. FORCE MAJEURE

Neither party will be liable to the other for any delay or interruption in performance as to any obligation hereunder resulting from governmental emergency orders, judicial or governmental action, emergency regulations, fires, floods, sabotage, riots, wards, vandalism, labor strikes or disputes, acts of God, electrical failure, major computer hardware or software failures, equipment delivery delays, acts of third parties, or delays or interruptions in performance beyond its reasonable control.

21. SCOPE OF CONTRACT.

This Contract incorporates all of the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof and that all such covenants, agreements, and understandings have been merged into this written Contract. No prior agreement or understanding, verbal or otherwise, of their parties or their agents shall be valid or enforceable unless embodied in this Contract.

IN WITNESS WHEREOF, the parties have executed this Contract.

Signature **Date**

TERMS AND CONDITIONS

USAGE
RENTAL DAY is the first to elapse of a calendar day or eight hours of equipment use. Any period of equipment use less than eight hours or any period of time less than 24 hours during which the equipment is held by Lessee shall constitute a full Rental Day.

RENTAL WEEK is the first to elapse of three calendar days or 40 hours of equipment use.

RENTAL MONTH means the first to elapse of three rental weeks or 176 hours of equipment use. Overtime usage is determined by service meter hour readings. The contract shall extend beyond the term, at the same rate, if the Lessee holds the machine over the specified term of the lease.

SAFETY
Lessee acknowledges that they are familiar with the operation of the rented equipment and that all necessary and proper safety equipment, including the operators manual, is in place and they agree not to permit any such safety equipment to be removed or tampered with. Lessee also acknowledges they are aware of the limitations of the equipment and agree not to exceed them.

Lessee agrees that they are responsible for ensuring that all operators read all warnings and operating instructions. Lessee agrees not to allow use by any operator not properly trained in the use or operation of the equipment or who fails to use equipment in accordance with all safety procedures. Failure to comply could result in injury or death to operator or others.

Lessee shall comply with all laws, ordinances and regulations relating to the possession, use or maintenance of the equipment. Lessee is solely responsible to advise any persons operating the equipment or in the vicinity of the equipment of all safety operating procedures and safety precautions.

MAINTENANCE AND EQUIPMENT CONDITION
This equipment furnished by Lessor is understood to be in good working order at the time of shipment and upon receipt. If the Lessee finds it otherwise, Lessor shall be notified within 24 hours after arrival and Lessor has the right to put the same in good working order at its expense, but will not be responsible for any expenses contracted without their written consent. Failure to send notification will be construed to mean acceptance by the Lessee and shall necessitate maintenance of all the equipment in good condition by the Lessee throughout the term of the rent. This unit may have a remote monitoring device installed. Lessee agrees that Lessor for any purpose may utilize remote monitoring for data collection such as location, hours of usage, operation, theft, and any other data available.

LESSOR MAKES NO WARRANTIES EXPRESS OR IMPLIED AS TO THE CONDITION OF THE EQUIPMENT RENTED NOR AS TO VISIBLE OR HIDDEN DEFECTS IN MATERIAL, WORKMANSHIP, OR CAPACITY OF THE EQUIPMENT.

Lessee is responsible for all maintenance of this equipment and will pay for all fuel, oil and filters used during the term of this agreement and will **MAINTAIN PROPER OIL, COOLANT AND OTHER FLUID LEVELS AT ALL TIMES**. Recommended service intervals for this equipment are set forth in the operator's manual.

Any damage to this equipment arising from any source whatsoever will be charged to the Lessee. Any repairs which become necessary to said equipment shall be done by the Lessor unless permission has been given in writing to the Lessee to do such repairs. The terms and conditions as set forth herein continue during the period of repair. The cost of repairs for normal use is to be borne by Lessor. If Lessee returns equipment with less than a full tank of fuel, it will be refueled and charged to Lessee.

Lessee shall not expose the Equipment to any hazardous material or waste. In the event the Equipment is exposed to any hazardous material or waste, Lessee shall immediately (1) notify Lessor, (2) remove the Equipment from such exposure and (3) completely clean and decontaminate the Equipment. If the Equipment cannot be completely cleaned, decontaminated and otherwise discharged from all adverse effects of such exposure, Lessee shall pay Lessor the full value of the Equipment, together with interest thereon from that date until the said sum is paid in full. Lessee indemnifies and holds Lessor harmless from any and all claims, actions, expenses, damages, costs and liabilities arising from any such exposure of the Equipment to hazardous material or waste. This indemnification survives and continues after the term of this rent.

The Lessee agrees and guarantees to return the rented equipment in as good condition as when received or to pay the expense of putting it in such condition, less ordinary wear incident to normal use in the hands of a competent operator. This includes physical cleanliness. This guarantee is absolute and may not be excused by theft, acts of God, or for any other reason whatsoever.

If at any time, Lessor in its sole discretion determines its rights to the equipment are endangered or that the equipment is in any manner improperly cared for or abused or if there shall be any default by Lessee in the terms and conditions of this rent, Lessor may without notice REPOSSESS the equipment and cancel this rent.

The rented equipment is to be used at the location shown on the face of this agreement and is not to be removed from that location except with the written consent of Lessor. Upon request by Lessor, Lessee shall provide to Lessor the following information: (a) a copy of the contract governing all projects on which the equipment is used, (b) a copy of a payment bond, if any, issued pursuant to the contract and the name and location of all projects where the equipment has been used throughout the term of this agreement. Lessee agrees to promptly provide to Lessor on request, any and all other information whatsoever, as Lessor shall in its sole judgment deem appropriate. Failure to provide such information shall be deemed a default of the rent.

The rented equipment is to be used solely by the Lessee or Lessee's agents.

PURCHASE OF EQUIPMENT:
The lessee has no option to purchase the equipment leased on this agreement unless a separate RPO agreement has been executed.

INSURANCE REQUIREMENTS FOR ALL RENTALS:
Lessee shall provide and maintain **Commercial General Liability** insurance and other insurance necessary to protect the Lessor and its affiliates continuously during the life of this Agreement from any and all claims for bodily injury, death or property damage (including the loss of use thereof) made or arising out of the operation, handling or transportation of the equipment rented under this Agreement with limits of not less than One Million Dollars ($1,000,000.00) combined single limit per occurrence and general aggregate. The latter is to be provided on a per location or per job site basis. Such insurance shall be endorsed, without limitation, condition or exclusion, to include the Lessor as an additional insured. All insurance required by this agreement shall include a waiver of rights of recovery against Kirby-Smith Machinery, Inc or its insurers by the Lessee and its insurers, as well as a waiver of subrogation against Kirby-Smith Machinery, Inc or its insurers.

Lessee shall provide **All Risk Physical Damage** insurance on all rented equipment, written to the full replacement value subject to a deductible acceptable to the Lessor and shall insure against but not be limited to the perils of fire, theft, vandalism, malicious mischief, overload, collapse, water damage and such other perils as may be required by Lessor in its sole judgment. Lessor shall be shown as loss payee.

Lessee shall provide and maintain **Workers Compensation** Insurance written to comply with all state laws in which the equipment shall be used or operated by Lessee.

If Lessee chooses to pay for the **Limited Damage and Theft Waiver (LDW)**, Lessor agrees to waive its right to recover from the Lessee the amount of physical loss or damage (excluding supply items) to the rented equipment which exceeds the standard monthly rental rate. Lessor's rights are not waived if the loss or damage occurred under the following circumstances: Use or operation was without the Lessor's permission or in violation of this agreement; loss or damage to the equipment was caused by war, nuclear reaction, nuclear radiation or radioactive contamination; loss or damage was caused by normal wear and tear; loss or damage caused by abuse, neglect or carelessness; loss or damage caused by overturn, tipping, use of machine beyond its rated capacity (overload); loss or damage to tires, tubes and/or tools that was caused by normal work application; vandalism or malicious mischief, unless such loss or damage coincides with other waived loss or damage; loss or damage was caused by dishonesty or the intentional act of the Lessee or Lessee's employees; wrongful conversion by any person to whom the property is entrusted by the Lessee; mysterious disappearance; disappearance, theft, or conversion of the equipment NOT documented by the Lessee's prompt filing with applicable public authorities of a formal theft or conversion report; or failure to perform or pay for all normal periodic and basic service, adjustments and lubrication. Limited Damage and Theft Waiver is not available for crane rentals. The charge for the LDW is 14% of the total rental rate and will be included as a miscellaneous charge on each invoice.

PAYMENT OF LIMITED DAMAGE & THEFT WAIVER DOES NOT RELIEVE THE LESSEE OF THE REQUIREMENT FOR ANY INSURANCE COVERAGES OTHER THAN PHYSICAL DAMAGE TO THE RENTED EQUIPMENT.

ADDITIONAL INSURANCE REQUIREMENTS FOR CRANE RENTALS:
The all-risk physical damage insurance listed above must be endorsed to include boom damage and overload damage. This may be written on a blanket or machine specific basis. In the latter case the Make, Model, Year, Vin# and value must be stated on the Insurance Certificate.

ADDITIONAL INSURANCE REQUIREMENTS FOR ON-HIGHWAY EQUIPMENT:
Lessee agrees to provide and maintain full automobile liability insurance with combined single limits of not less than One Million Dollars ($1,000,000.00), Lessor shall be shown as additional insured.

PROOF OF INSURANCE:
All required insurance coverage and contract terms shall be evidenced on a certificate of insurance and shall provide that in the event the liability and/or physical loss policies are canceled prior to the expiration date shown on the certificate, the issuing insurance companies shall be required to provide Lessor with thirty (30) days written notice of such cancellation prior to the effective date of cancellation, The cost of any insurance policies, endorsements and deductibles shall be the obligation of Lessee.

INDEMNIFICATION:
Lessee agrees to indemnify and hold Lessor and its affiliates harmless from any and all claims whatsoever relating to or arising from transportation, use, maintenance or possession of rented equipment, for injury to persons or damage to property, and from any and all expense incurred in the defense of any such claims. In no event shall Lessor be held responsible for injury, delays or damages consequential or otherwise, resulting by reason of delays on the part of Lessor or railroads or trucking companies in making delivery, or loss or damage to equipment in transit or from strikes or other contingencies beyond its control or from any cause whatsoever. In case of an accident, Lessee must notify Lessor immediately. Lessor retains the right to conduct a complete investigation on site in the event of an accident. Lessee further agrees to leave accident scene undisturbed unless life threatening or other injurious concerns prevent Lessee from doing so.

CHARGES:
The rent period shall begin at the time when the equipment is loaded at shipping point and end when equipment is returned. Lessee shall pay all transportation charges to the place of work and return to Lessor's yard, or to such place as Lessor shall designate.

All amounts charged will be due on date of receipt of invoice or later date as specified on invoice and a FINANCE CHARGE (18% APR) will be imposed on this account if said account is not paid on date the amount comes due.

In the event of Lessee's default in making payments as billed the balance of rent for the entire term herein described shall immediately become due and payable.

In the event of default in payment of any installment mentioned herein, Lessor may enter the premises, repossess said equipment, and lock or remove the equipment. Lessor is hereby designated as lessee's attorney-in-fact for that purpose.

Any holdover beyond the term of this rent as set forth above shall extend the term of the rent on the same terms and conditions as set forth herein except that during any holdover period Lessor may repossess the equipment and terminate the rent, without default, upon 24 hour notice. On termination of this rent during any holdover period the rent for the entire rent period shall be computed on the lowest basis provided above and adjusted with Lessee accordingly.

Lessor shall have any and all remedies provided in this rent, at law or equity, including, but not limited to, the right to sue for damages, collection of unpaid rent, repossession and consequential damages for Lessee's breach of this rent.

All remedies given Lessor, hereunder are cumulative, and the exercise of any one remedy by Lessor shall not be to the exclusion of any other remedy.

In the event any sales, use or other personal property tax or assessment are hereafter levied by any public authority upon the transaction herein specified, or on the property which is the subject of this transaction or any part thereof, then the Lessee agrees to pay any such taxes or assessments upon demand.

GENERAL TERMS:
This contract shall not be considered in full force until accepted by the Lessor and executed by its proper officer.

This agreement shall not only be binding upon the parties hereto but shall inure to and be binding upon their heirs, successors in interest, personal representative, and assigns, (where permission to assign by Lessor is given). Lessee's rights under this rent are not assignable without Lessor's written permission.

If any word, phrase, clause, sentence, or paragraph of this agreement is or shall be invalid for any reason, the same shall be deemed severable from the remainder hereof and shall in no way effect or impair the validity of this agreement or any other portion thereof.

It is hereby agreed that title to the rented equipment remain in the Lessor and it is not intended hereby to vest any rights in the Lessee to said equipment other than as specifically provided herein.

Time is of the essence.

This writing contains the entire agreement between the parties hereto, and any oral representation or agreement not contained herein shall be of no force or effect whatsoever, unless reduced to writing signed by the parties, hereto.

The termination or cancellation of this rent by Lessor, for any reason shall not terminate or cancel Lessor's right to pursue any remedies provided herein or at law or equity against Lessee.

This agreement is enforceable under the laws of the State of Oklahoma, Oklahoma County, Oklahoma, and is agreed to be the sole and exclusive jurisdiction and venue to litigate or enforce this contract. It is further agreed by the parties that should litigation become necessary to enforce this contract, the debtor shall be liable and bear the expense for all reasonable attorney's fees and court costs.

EQUIPMENT LEASE

The following Lease is made by and between Power Equipment Company (Owner) whose address is 500 E. 62nd. Avenue, Denver, CO 80201 and CURRY COUNTY (Lessee), whose address is: 417 GIDDING ST, CLOVIS, NM 88101

1. Lease: Owner agrees to lease the Customer the following items (the "Equipment") subject to the terms and conditions set forth below.

Stock #	Year	Make	Model	Description	Serial Number	Rental Rate	Equipment Value
EQ0006260	2018	BOM	BW206AD-5	BW206AD-5 w/	101921211029	$0.00	$24,000.00
					Rental Total:	$0.00	

2. JOB LOCATION: The Equipment shall be used at the following job location, unless otherwise agreed to in writing by Owner. Job Location: , , , County
3. LEASE TERM: The term of this lease shall commence on the date of delivery, currently scheduled for Tuesday, February 11, 2025, and shall continue until terminated by customer. For the purpose of this contract a one month period is equal to 28 days.
4. RENT: Lessee agrees to pay rent to Owner at the above address for the Equipment in DEMO Installments of $0.00, net due upon receipt of invoice.
5. HOURS OF OPERATION: Customer agrees to operate the Equipment no more than 176 hours per month. If the Equipment is operated more than the stated hours, Lessee agrees to pay additional rent of $0.00 per hour or part thereof. Lessee agrees to notify Owner in writing of all such excess hours within the month period such hours are accrued. Such additional rent is due net upon invoice.
6. DELIVERY AND POSSESSION: Lessee shall take possession of the Equipment at the Customer Job Location and shall pay all charges for loading, unloading, and transportation of the Equipment to the job location and its return to Owner's possession at the Owner's location. Lessee shall inspect the Equipment within forty-eight hours after taking possession. Unless Customer within that time gives written notice to the Owner specifying any objection to the Equipment, it shall be conclusively presumed that the Lessee has fully inspected the Equipment, has found the Equipment in good condition and repair, and has accepted the Equipment.
7. ADDITIONAL RENT: If the Equipment has not been returned to Owner at the expiration of the term, Lessee agrees to pay rent from the expiration of the term until the Equipment is delivered to Owner's possession. Such rent shall be computed and paid on a monthly basis, at the same pro rata rate and upon the same terms as the original term of this Lease.
8. USE: Lessee shall: (a) Use the Equipment in a careful and proper manner, and not permit the Equipment to be neglected or abused or to be used for any purpose for which it is not designed or intended; (b) Comply with all laws, ordinances and regulations relating to the transportation, possession, use, or maintenance of the Equipment; (c) Keep affixed all Owner or Manufacturer supplied labels, plates, warning or other markings in a proper and appropriate place on the Equipment; (d) Cause the Equipment to be operated by trained and competent employees only, knowledgeable in the function, operation and all safety features of the Equipment; and (e) Pay all expenses of operation.
9. ENVIRONMENTAL FEE: Due to the hazardous nature of some waste and other products, to comply with federal and state environmental regulations, and to promote a clean environment, Owner charges an Environmental Service charge. The is not a government-mandated charge. Lessee acknowledges the items indicated above are subject to the Environmental Service Charge and agrees to pay that charge.
10. REPAIR AND MAINTENANCE: Lessee agrees to keep the Equipment in good repair and perform all manufacturers recommended periodic maintenance at Lessee's sole expense, and to return the Equipment in good repair and at the termination of this Lease. For the purpose of this Lease, “good repair” shall mean in full operating condition and working order, with all parts of the Equipment in the substantially equivalent condition as when the Equipment was delivered to the Lessee. Lessee at its sole expense shall repair or replace any and all parts, mechanisms, or devices required to keep the Equipment in good repair. Any replacement parts incorporated into the Equipment shall immediately become the property of the Owner. In the event the Equipment for any reason is not in good repair when returned to the Owner, Lessee agrees to pay all reasonable charges and expenses incurred by the Owner in repairing the equipment.
11. ADDITION OF ACCESSORIES: Lessee will not, without the written consent of the Owner, install any accessories or devices on the Equipment if such installation will impair the originally-intended function or use of the Equipment. Such items installed on the Equipment shall automatically become the property of the Owner unless such item can be removed without in any way affecting the function, use or appearance of the Equipment. Any damage to the Equipment caused by the removal of such items shall be repaired at Lessee's expense.
12. PERSONAL PROPERTY: The Equipment is, and shall at all times remain, personal property. If all or any part of the Equipment is attached to, imbedded in or permanently resting upon any real property or any building thereon, or attached in any manner to what is permanent, by means of cement, plaster, nails, bolts, screws or otherwise, the Equipment shall nonetheless remain personal property.
13. INSPECTION BY OWNER: Lessee shall, whenever requested, advise Owner of the exact location of the Equipment. Owner and its representatives may, for the purposes of inspection, at all reasonable times, enter upon any job, building or place where the Equipment is located. Owner may remove the Equipment without notice to the Lessee if, in the opinion of the Owner, the Equipment is being used beyond its capacity or in any other manner improperly cared for or abused.
14. TITLE, ASSIGNMENTS, AND ENCUMBRANCES: All of this Equipment shall remain personal property and title thereto shall remain in Owner exclusively. Neither this Lease, nor the Lessee's rights hereunder shall be assignable except with the Owner’s written consent. Lessee shall not lease, sublease, mortgage or otherwise encumber or part with possession of the Equipment or any part thereof, except with the written consent of the Owner. Lessee shall keep the Equipment free from any and all liens and claims, and shall not do or permit any act or omission whereby Owner’s title or rights may be encumbered or impaired. Lessee agrees to pay all license fees and taxes applicable to the Lease, other than income taxes and personal property taxes and license fees on the Equipment. The Lessee shall also provide all permits, if any, necessary for the installation, movement and operation of the Equipment or any parts thereof.
15. WARRANTIES: It is expressly agreed that, except as stated below, THE OWNER HAS MADE AND MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE CONDITION OF THE EQUIPMENT, ITS MECHANTABILITY, OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. ANY DEFECT IN, OR UNFITNESS OF THE EQUIPMENT SHALL NOT RELIEVE THE LESSEE FROM THE OBLIGATION TO PAY RENT OR ANY OBLIGATION UNDER THIS LEASE. Lessee represents that it is skilled and experienced in the use and operation of the Equipment, and makes the selection and decision on whether to lease on the basis of Lessee's own judgment, without reliance on any statements or representations by Owner. It is expressly agreed that Lessee shall take the equipment as is, except as stated herein. It is further agreed that Owner extends no warranties or guarantees for new Equipment. Owner shall extend and transfer unto Lessee all of the vendor’s warranties and guarantees, if any, for new Equipment. Notwithstanding any failure of the vendor to honor any warranty or guarantee, Lessee agrees to maintain the Equipment in good repair, as described herein, and to make all rental payments required herein.
16. INSURANCE: During all times the equipment is in Lessee's possession. Lessee shall keep the Equipment insured against all risks of loss or damage from every cause whatsoever for not less than the full replacement value of the Equipment as determined by Owner, and shall carry public liability, contractual liability, and property damage insurance covering the Equipment, its operation and use. All such insurance shall be in the form and amount and with companies approved by the Owner, and shall designate Owner and Lessee as insureds under such policy. Lessee shall pay the premium for such insurance, and shall deliver to Owner a copy of such policy or a certificate of insurance executed by the insurer prior to taking possession of the Equipment. Such policies shall explicitly provide that the insurer shall give Owner thirty days written notice before the policy in question shall be altered or canceled. The proceeds of such insurance, at the option of the Owner, shall be applied: (a) toward the replacement, restoration, or repair of the Equipment, or (b) toward payment of the

obligations of the Customer hereunder. If the Owner has failed to receive policies or certificates of insurance in accordance with this paragraph, the Owner shall, at Owner's option, have the right to (a) declare this Lease in default and exercise its remedies as set forth below, or (b) procure such insurance, in which event Lessee shall reimburse Owner for the cost of procuring insurance, which amount shall be payable in its entirety on the next rental payment date or within thirty days, whichever is sooner.

17. SUBSTITUTION: Owner shall have the absolute right to substitute the Equipment with substantially similar equipment in approximately the same or better condition and of similar size and capacity ratings upon 24 hours of notice to Lessee. Upon Owner's notice to Lessee, Lessee shall advise Owner of the exact location of the Equipment and a 2-hour window during normal business hours (7:30 AM to 6:30 PM local time) within 24 hours of Owner's notice to Lessee, during which Lessee will have the Equipment accessible and available for removal, and Owner will schedule delivery of the replacement Equipment and removal of the original Equipment, at Owner's sole expense. Owner shall attempt to schedule such substitution of Equipment so that it minimizes impact to Lessee's use of the Equipment, but in no case will Owner be prohibited or unduly delayed in accomplishing delivery of the replacement Equipment and removal of the original Equipment. For the avoidance of doubt, such Equipment substitution process shall not cause Owner to be liable to Lessee or any third party for any delay, disruption, suspension, or other damages, nor will such substitution process entitle Lessee to any reduction in Rental Rate or Rent due for its use of the Equipment.

18. INDEMNITY: The Lessee shall indemnify the Owner against, and shall hold the Owner harmless from, any and all claims, actions, suits, proceedings, costs, expenses, damages, and liabilities, including attorneys' fees, arising out of, connected with or resulting from the Equipment, including without limiting the generality of: the manufacture, selection, delivery, possession, use, operation, or return of the Equipment.

19. DEFAULT: If Lessee fails to perform any obligation required herein or to pay any sum when due, or if an attachment is levied against the Equipment or attempted by a creditor of the Lessee, or if the condition of the affairs of the Lessee or any guarantor changes so as to, in the sole opinion of the Owner, significantly increase the Owner's risk of loss, the Owner shall have the right to exercise one or more of the following remedies: (a) To declare the entire amount of rent hereunder immediately due and payable as to any and all items of Equipment, without any notice or demand to the Customer; (b)To sue for and recover all rents, and other payments then accrued, or thereafter accruing with respect to any or all items of Equipment; (c) To take possession of the Equipment, without demand or notice, wherever the same may be located, without any court order or other process of law. The Lessee hereby waives any damage occasioned by such taking of possession. Such taking of possession shall not constitute a termination of this lease unless the Owner expressly so notifies the Lessee in writing; (d) To terminate this Lease to any or all items of Equipment; (e) pursue any other remedy at law or in equity. Notwithstanding any such repossession or other action, which Owner may take, the Lessee shall remain liable for the full performance of all obligations under this Lease. In the event Owner regains possession of the Equipment, Owner may relet the Equipment for a term and at a rental which may be equal to, greater than, or less than the rental and term herein provided. Any rental payments received under the new Lease for the period prior to the expiration of this Lease, less Owner's expenses of taking possession, storage, reconditioning and releasing, shall be applied on Lessee's obligations here-under, and Lessee shall remain liable for the balance of the unpaid aggregate rental set forth above. Lessee's liability shall not be reduced by reason of any failure of the Owner to relet. Lessee hereby agrees to pay all expenses, including all attorneys' fees and expenses, which may be incurred by Owner in enforcing this agreement, or in collecting the rent provided herein, or in repossessing the Equipment.

20. INTEREST AND ATTORNEY'S FEES: In the event that any amount due under the terms of this Lease is not paid when due, Lessee agrees to pay Owner, in addition to all amounts due, interest at the rate of 24% per annum, together with all costs, expert witness fees, and reasonable attorneys' fees incurred in collection these amounts.

21. CHOICE OF LAW AND FORUM: This agreement shall be enforced and construed pursuant to the laws of the State of Colorado. Any action to enforce, interpret, construe, or collect damages under this Lease, or for any claims arising our of the manufacture, sale, selection, use, operation, maintenance, or repair of the Equipment, shall be brought in the District Court for the City and County of Denver, Colorado. Owner and Customer, and any guarantors of this Lease, hereby agree to the jurisdiction of such court.

22. GENERAL CONDITIONS: (a) Time is of the essence to this Lease. (b) Owner's failure at any time to require strict performance by Lessee of any of the provisions of this Lease shall not waive or diminish Owner's right thereafter to demand strict compliance therewith or with any provision. (c) Waiver of any default shall not waive any other default. (d) Any alteration or modification of this Lease shall be in writing and signed by the Owner and Lessee. (e) This Lease constitutes the entire agreement of the parties, and supersedes all prior representations or agreements between the parties.

23 OTHER CONDITIONS:

IN WITNESS WHEREOF, the parties have caused this Lease to be executed as of the last date written below.

H&E EQUIPMENT SERVICES, INC.

RENTAL AGREEMENT TERMS AND CONDITIONS

THIS AGREEMENT CONTAINS PROVISIONS RELATING TO INDEMNIFICATION, LIABILITY RELEASE, LIMITATION OF REMEDY, ALLOCATION OF RISK AND INSURANCE.
This agreement may be delivered and or received by electronic transmission or facsimile which shall be deemed to be an original.

1. DEFINITIONS. The term "agreement" shall mean this agreement, all pages, front and back. The term "Equipment" shall reference and mean all pieces of equipment referenced in this agreement as well as all attachments or parts rented or sold to Lessee. The term "manual" shall mean any operating manual, safety manual, or other information provided by the Equipment manufacturer. The term "H&E" shall include H&E Equipment Services, Inc. and any of its subsidiaries, related entities, divisions, or controlled affiliates including, but not limited to, Great Northern Equipment, Inc., H&E Equipment Services (California), L.L.C., and H&E Equipment Services (Mid-Atlantic, Inc.).

2. INSURANCE. Lessee is responsible for the full value of loss or damage to the Equipment, regardless of fault, including lost rental income. Lessee shall, *prior to delivery of the Equipment and throughout the rental period*, maintain Commercial General Liability/Commercial Auto Liability, Physical Damage Insurance, and Workers' Compensation Insurance (if required by law). Commercial General Liability/ Commercial Automobile Liability must name H&E as primary and non-contributory additional insured with waiver of subrogation, and must have a per occurrence limit of at least $1,000,000. Physical Damage Insurance must cover the full replacement value all Equipment with a deductible acceptable to H&E, name H&E as loss payee, and shall be on an "all-risk" form insuring against all perils attendant to Lessee's use, maintenance or possession of the Equipment. Lessee shall provide a Certificate of Insurance and shall provide that the issuing companies shall give H&E thirty (30) days written notice prior to any cancellation. Lessee will bear all costs associated with this insurance, including any deductible(s) and any loss or damage not covered by insurance.

3. LOSS DAMAGE WAIVER. In the event proof of acceptable insurance coverage is not provided prior to delivery of the Equipment, Lessee agrees to purchase Loss Damage Waiver (LDW). The LDW charge will be 15% of the gross rental charge. Lessee is not entitled to any refund or credit of Loss Damage Waiver charges invoiced or paid. If LDW is paid, Lessee will not be responsible for loss or damage to the Equipment above $2,500 per incident from any cause except: (a) overloading or exceeding rated capacity, (b) misuse, abuse, or improper servicing of the Equipment; (c) damage to tires (d) violation of the manual; (e) disappearance or wrongful conversion; (f) damage to glass; or (g) damage resulting from Lessee breach of any provision of this agreement. **LDW IS NOT INSURANCE** and only applies to physical loss or damage to the Equipment. Regardless of and in addition to any LDW, Lessee must maintain Commercial General Liability / Commercial Automobile Liability and Workers' Compensation insurance pursuant to the requirements above.

FOR LEASES SUBJECT TO THE TEXAS BUSINESS AND COMMERCE CODE ONLY: This contract offers an optional loss damage waiver for an additional charge to cover your responsibility for loss of or damage to the Equipment. You do not have to purchase this coverage. Before deciding whether to purchase this loss damage waiver, you may consider whether your insurance policies afford you coverage for loss of or damage to the Equipment rented and the amount of the deductible you would pay under your policies. H&E reserves the right to not rent to any Lessee. The following exclusions apply to Lessee's loss damage waiver purchase: loss or damage to the Equipment that is caused by an unexplained disappearance or abandonment of the Equipment; damage that is intentionally caused by Lessee; or damage that results from Lessee's willful or wanton misconduct.

4. RENTAL PERIOD, CALCULATION OF RENT. The rental period begins when the Equipment leaves H&E's possession and ends when the Equipment is returned to H&E in good condition or is put in good condition by H&E. No deduction shall be made for Sundays, holidays, time in transit, or any period of time the Equipment is not in use. A rental day is 24 hours. Any rental period less than 24 hours shall constitute a full rental day. A rental week is seven calendar days. A rental month is four weeks (there are 13 rental months in a calendar year). All rental rates are based on 8 hours of Equipment use per day, 40 hours per rental week and 160 hours per rental month. If the Equipment is used more hours than allotted, an overtime rate will apply. Lessee agrees to immediately notify H&E if Equipment is used more than the allotted hours in any rental period(s) and to permit H&E to inspect its records upon request. Lessee shall pay all drayage charges, all taxes associated with the agreement, including but not limited to sales tax, use tax, tax on damage repairs, fuel taxes, or any other levied taxes, and any recovery fees/surcharges as required or permitted by law. Lessee shall hold H&E harmless against any liability or expense resulting from Lessee's failure to pay taxes or file tax returns.

5. MISC. FEES AND CHARGES. To the extent other charges apply to this agreement, including but not limited to permit charges, freight charges, delivery or pick-up charges, fuel charges, supply charges, environmental charges and LDW charges, these charges are not designated for any particular use and are used at H&E's discretion.

6. OPERATION / KNOWLEDGE. Lessee has studied and understands the manual. Lessee agrees to restrict the use of the Equipment to only its employees, and only those employees who are competent and qualified operators, who are familiar with the Equipment, who understand the manual, and the limitations of the Equipment. Lessee agrees to use the Equipment within its rated capacity, with all safety devices fully operational, and only for purposes for which it was designed. Lessee shall maintain and use the Equipment pursuant to applicable law and regulation. Customer represents and warrants that Customer and its employees are familiar with and shall at all times comply with applicable safety regulations, including but not limited to ANSI Safety Requirements for Excavating (ANSI/ASSP A10.12-1998 (R2016)), OSHA Excavating standards (29 CFR Part 1926, Subpart P), and OSHA Trenching and Excavation Safety (OSHA 2226-10R 2015). Lessee shall not operate the Equipment, and shall notify H&E, if any safety device or label is missing or damaged.

7. EQUIPMENT RETURN AND LESSEE DUTY TO MAINTAIN EQUIPMENT. Lessee is solely responsible for the Equipment until H&E regains physical possession of the Equipment, regardless of any "call-off". Lessee agrees to return the Equipment in the same condition as when received. If damaged, subject to applicable LDW provisions, Lessee agrees to pay the expenses of returning the Equipment to its original condition, subject to normal wear. This guarantee is unconditional and may not be excused by theft, act of God, or for any other reason. Lessee agrees, while Equipment is in its possession, to check engine oil, water, tire condition, cooling systems, and fuel each day, and to perform routine preventive maintenance pursuant to the manual. Equipment returned unclean will be cleaned by H&E and a cleaning fee determined in H&E's discretion shall be imposed.

8. REPAIRS. Lessee will immediately notify H&E of any accidents, failures, or breakdowns involving the Equipment. Lessee expressly agrees all repairs must be conducted by only H&E. The cost of all repairs outside of normal wear and tear shall be borne by Lessee, subject to any applicable LDW provisions, and shall be considered additional rent owed by Lessee. In the event the Equipment requires repair, this agreement, including the invoicing of rent, shall continue during the repair period.

9. EQUIPMENT LOCATION, JOBSITE AND BOND INFORMATION. Lessee shall use the Equipment only at the address shown on the face of this agreement. The Equipment may not be moved without prior written consent of H&E. Upon H&E's request, Lessee shall promptly provide (a) copies of any contracts governing the projects on which the Equipment is used; (b) copies of any payment and/or performance bond(s) issued on said projects; and (c) the name and location of all projects where the Equipment has been used. Lessee agrees to provide any other information requested by H&E.

10. OWNER CONTROL OF EQUIPMENT. Lessee agrees that H&E shall retain all ownership rights in the Equipment, and agrees to execute any financing statements or other document necessary to disclose and protect H&E's ownership. If necessary, Lessee agrees to subordinate any of its interests arising from this agreement to any interest that H&E or its lender may have in the Equipment. During this lease, in the event the Equipment is liened for any reason, this agreement shall immediately terminate and H&E, or anyone acting on H&E's behalf, may take possession of the Equipment. H&E and its agents shall have free access to the Equipment at all times for any lawful purpose.

11. ASSIGNMENT/SUBLEASE. Lessee may not assign, sublease, or loan the Equipment. Any act by Lessee in violation of this provision shall be void.

12. HAZARDOUS WASTE. Lessee agrees that it is familiar with all hazardous waste laws and regulations and all hazards that may be encountered on the job, project, or work on which the Equipment will be used. Lessee shall not expose the Equipment to any hazardous material or waste. In the event of exposure, Lessee shall immediately notify H&E and, if applicable, the appropriate regulatory authority and have the Equipment removed from such exposure, and completely clean and decontaminate the Equipment, all pursuant to applicable local, state, or federal laws and regulations. If the Equipment cannot be completely cleaned and decontaminated, Lessee shall pay for the full value of the Equipment.

13. HOLDOVER. If Lessee keeps the Equipment beyond the agreed upon end date, this agreement shall extend and continue until the Equipment is returned pursuant to section 7. During this holdover period, H&E may terminate the agreement and take possession of the Equipment for any reason without notice.

14. INDEMNIFICATION/HOLD HARMLESS. LESSEE AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS H&E AND ANY OF H&E DIRECTORS, OFFICERS, OR AGENTS (COLLECTIVELY, THE "INDEMNITEE") FROM ANY AND ALL CLAIMS OR DAMAGES (WHETHER SOUNDING IN TORT, CONTRACT, PRODUCTS LIABILITY, STATUTE OR OTHERWISE) ARISING FROM, RELATING TO OR CONNECTED WITH LESSEE'S USE, SELECTION, ACCEPTANCE, REJECTION, TRANSPORTATION, OPERATION, RENTAL, MAINTENANCE, PURCHASE OR POSSESSION OF THE EQUIPMENT, OR FROM EXPOSURE OF THE EQUIPMENT TO HAZARDOUS WASTE OR MATERIAL, INCLUDING BUT NOT LIMITED TO ANY LOSS OR DAMAGE TO THE EQUIPMENT, ANY LOSS, DAMAGE, OR INJURIES TO PERSONS OR PROPERTY, INCLUDING EMPLOYEES, THIRD PARTIES AND THEIR PROPERTY, OR FROM ANY INACCURACY IN OR BREACH OF ANY OF THE REPRESENTATIONS MADE BY INDEMNITY TO LESSEE OR ANY BREACH OR NON-FULFILLMENT OF ANY COVENANT, AGREEMENT, OR OBLIGATION TO BE PERFORMED BY INDEMNITEE, AND ANY AND ALL EXPENSES INCURRED IN THE DEFENSE OF SUCH CLAIMS INCLUDING ATTORNEY FEES AND COSTS. THE LESSEE ACKNOWLEDGES, UNDERSTANDS AND AGREES ITS OBLIGATION TO INDEMNIFY, DEFEND AND HOLD HARMLESS INDEMNITEE PURSUANT TO THIS AGREEMENT SHALL APPLY REGARDLESS OF WHETHER THE LOSS OR DAMAGE IS CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE, ACTS, OR OMISSIONS OF INDEMNITEE OR ANY THIRD PARTY. IN NO EVENT SHALL INDEMNITEE BE HELD RESPONSIBLE FOR INJURY, DELAYS, OR DAMAGES, CONSEQUENTIAL OR OTHERWISE, RESULTING BY REASON OF THE CONDITION, FAILURE, OR OPERATIONAL DIFFICULTY OF THE EQUIPMENT, INCLUDING, WITHOUT LIMITATION, LATENT OR OTHER DEFECTS IN THE EQUIPMENT, WHETHER OR NOT DISCOVERABLE BY INDEMNITEE OR LESSEE, DELIVERY DELAYS, LOSS OR DAMAGE TO THE EQUIPMENT IN TRANSIT OR WHILE IN USE BY LESSEE, STRIKES OR ANY CONTINGENCIES BEYOND THE CONTROL OF THE H&E, OR ANY OTHER CAUSE. INDEMNITEE SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGE UNDER ANY CIRCUMSTANCE.

15. GOODS SOLD. Any option to purchase the Equipment must be in a separate written contract, signed by authorized officers of both H&E and Lessee. In the event that goods are sold as part of this agreement, the goods that are sold shall be clearly identified on the face of this agreement. In the event that goods are defective, buyer's sole remedy from H&E, and H&E's sole obligation to buyer, is for H&E to use its best efforts to secure repair and/or replacement of the goods pursuant to the existing manufacturer's warranty. As to these goods, H&E PROVIDES NO OTHER WARRANTIES, EITHER WRITTEN, ORAL, IMPLIED OR STATUTORY, PARTICULARLY NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. Returned goods shall be subject to a reasonable restocking charge.

16. TERMS AND REMEDIES. Except for extended term agreements, invoices are payable upon receipt and Lessee agrees to pay the amount due within thirty (30) days of the invoice date. Balances that are unpaid beyond 30 days of the date of the invoice will be subject to a finance or interest charge per month at the highest rate allowable by law. Lessee's account will be delinquent when any part of the account is 30 days past due. H&E reserves the right to apply payments at its discretion. H&E may, at its option and without notice, raise or allow charges in excess of any credit limit granted. Lessee understands it is responsible for all charges to the account. Lessee shall be liable for all costs and fees, including attorney and/or collection agency fees and expenses, incurred in pursuit and/or collection of any amounts past due, including interest charges. H&E shall have any and all remedies provided in this agreement, at law or equity, including but not limited to the right to sue for damages, collection of unpaid rent or other charges, repossession, and consequential damages for Lessee's breach of this agreement. All remedies provided to H&E in this agreement are cumulative, and the exercise of any one remedy by H&E shall not affect H&E's right to exercise any other remedy. Termination of this agreement shall not affect H&E's right to pursue any remedy provided here or at law or equity. If at any time H&E, in its sole discretion, determines that the Equipment is being used beyond its capacity, improperly maintained, damaged, or that H&E's rights to the Equipment are endangered, or if Lessee defaults on any term or condition set forth in this agreement, H&E may: (a) demand return of the Equipment and Lessee shall return the Equipment to H&E **within 72 hours** of such demand; or (b) promptly repossess the Equipment, lock up or remove the Equipment from the job site, and immediately terminate this agreement without demand or notice to Lessee. H&E will deem Lessee's failure to timely return Equipment as theft. Lessee grants H&E the right to enter the premises where the Equipment is located for the purpose of taking possession of the Equipment.

17. AGREEMENT BINDING, ENTIRE AGREEMENT AND SEVERABILITY. This agreement shall be binding upon Lessee, H&E, and their heirs, successors, personal representatives, agents, and assigns. This writing constitutes the entire agreement between the parties regarding the subjects addressed, and any representation or agreement not contained in this agreement shall be of no force or effect. The provisions in this agreement cannot be waived or amended unless made in a writing signed by H&E's authorized corporate officer. If any word, phrase, clause, sentence, or paragraph of this agreement is or shall be invalid for any reason, it shall be severed from the remainder of this agreement and shall in no way affect or impair the validity of the remaining provisions of this agreement.

18. NOTICE OF NON-WAIVER. H&E's failure to insist upon strict performance of any provision of this agreement shall not be construed as a waiver of H&E's right to demand strict performance of any and all provisions, and Lessee waives notice of demand for strict compliance.

19. VENUE, JURISDICTION, CHOICE OF LAW, JURY WAIVER. This agreement shall be construed under Louisiana law. Lessee agrees that the sole and exclusive venue for any dispute arising from or relating to this agreement is East Baton Rouge Parish, except that H&E, in its sole discretion, may file suit in the parish or county of Lessee's domicile or where the transaction occurred. Lessee agrees to waive any right to a trial by jury in any proceeding arising from or relating to this agreement.

20. CLASS ACTION WAIVER. Lessee agrees that any claims or proceedings that it brings against H&E will be conducted on an individual basis, and not on a class-wide, collective, or representative basis, and that any one person's or entity's claims shall not be consolidated with any other claims or proceedings. Lessee will not sue H&E as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against H&E. Nothing in this provision limits Lessee's right to bring an individual claim, action, or lawsuit against H&E.

21. ACCEPTANCE. Lessee will be deemed to have accepted the provisions of this agreement, regardless of Lessee signing this agreement, upon Lessee's acceptance, use, or possession of the Equipment. Lessee's signature will also be deemed acceptance.

EQUIPMENTSHARE RENTAL AGREEMENT

EquipmentShare.com Inc
5710 Bull Run Dr.
Columbia, MO 65201

Renter Information

Name _____

Billing Address_____

This Rental Agreement, together with the EquipmentShare Terms of Use (https://equipmentshare.com/terms), Privacy Policy (https://equipmentshare.com/privacy) and Rental Protection Plan (https://www.equipmentshare.com/rental-protection-plan), and all Rental Confirmation Documents (defined herein) which are hereby incorporated into this Rental Agreement in their entirety (collectively the "Agreement"), is between the renter identified above ("Renter") and EquipmentShare.com Inc ("EquipmentShare"). **This Agreement sets forth the terms and conditions governing Renter's rental of equipment, including all parts, tools and accessories, from EquipmentShare (collectively the "Equipment"); provided that the Equipment shall not be deemed to include vehicles that will be used by Renter on public highways or byways. Vehicles that will be used on public highways or byways are subject to EquipmentShare's standard form On-Road Vehicle Rental Agreement. For avoidance of doubt, the parties agree that this Agreement shall govern all future rentals of Equipment by Renter from the date hereof unless it has been superseded or amended by a new rental agreement, or by another writing in accordance with Section 16 below**. By entering this Rental Agreement, Renter is representing that Renter has read and agreed to the Terms of Use, Privacy Policy and Rental Protection Plan (if purchased) and understands that their terms are legally binding on Renter.

Section 1 Rental Period

The Rental Period will begin upon delivery of Equipment to Renter (unless otherwise agreed to) and end at the earlier of when Renter calls or texts EquipmentShare to schedule pickup of the Equipment or 28 days after the beginning of the Rental Period. If Renter has not scheduled the Equipment to be picked up by the end of a given Rental Period, the Rental Period will automatically renew for an additional 28-day Rental Period. Renter may decrease the length of any renewal Rental Period by scheduling pick up of the Equipment prior to the expiration of the Rental Period. EquipmentShare may elect to not renew the Rental Period at any time by notifying Renter prior to the expiration of the current Rental Period. EquipmentShare shall have the right to replace the Equipment with other similar equipment at any time and for any reason.

Section 2 Billing and Rental Rates

Except for COD customers (as determined by EquipmentShare in its sole discretion), Renter will be billed for all rental and other charges accumulated during the Rental Period at the conclusion of the Rental Period. Payment of the invoice(s) is due by the date indicated on the invoice. **This record and the obligations evidenced or secured hereby are subject to the security interest of Capital One, National Association and Citibank, N.A., each as agent for the benefit of certain secured parties and any sale or other disposition violates the rights of Capital One, National Association and Citibank, N.A.**

The total charges specified in this Agreement are: (a) estimated based upon Renter's representation of the estimated Rental Period identified herein (rental rates beyond the estimated Rental Period may change) and other information conveyed by Renter to EquipmentShare; and (b) for the Equipment's use for One Shift, unless otherwise noted. "One Shift" means not more than 8 hours per day, 40 hours per week and 160 hours every 4-week period. Hours accrued on machines in excess of One Shift will be charged an overage fee assessed at the daily rate of the contract. Rental charges accrue during Saturdays, Sundays and holidays. Rental rates for the Equipment will be set forth in the applicable purchase order confirmation, description of equipment, and/or schedule (each a "Rental Confirmation Document") issued to Renter in connection with each rental of Equipment pursuant to this Agreement. Renter agrees that it will be bound by and pay the rates set forth in any Rental Confirmation Document unless it notifies EquipmentShare that there is an error in the Rental Confirmation Document within twenty-four (24) hours of such Rental Confirmation Document being sent to Renter's email address or otherwise delivered to Renter.

Section 3 Taxes and Other Fees

The rental rates do not include and Renter is responsible for determining and paying all sales, use, other applicable taxes, and any personal property tax surcharges or recovery fees that Renter may owe as a consequence of renting the Equipment and using any associated services provided by EquipmentShare including, but not limited to, environmental recovery fees, consumables, licenses, and delivery fees.

Delivery fees will be calculated based on the type of Equipment being delivered or picked up, the requested delivery and pickup time, the distance of the delivery or pickup, and other relevant considerations. Delivery and pickup charges will be negotiated with the Renter prior to the pickup or delivery.

EquipmentShare may assess a surcharge for credit card transactions except in states where surcharges are not allowed.

IN CALIFORNIA ONLY: Customer acknowledges that an estimated personal property tax reimbursement charge will be applied to all rented Equipment at a rate of up to 0.75% of the rental amount. By signing this Agreement, Customer agrees to pay this charge.

Section 4 Technology and Data

EquipmentShare has created an advanced telematics platform ("T3") that collects information from telematics devices on equipment and retains such information related to the operation and maintenance of equipment and enables the Renter to access and utilize that data through an intuitive and user-friendly interface on certain enabled equipment. Renter acknowledges that the devices and T3 collect, record, store and transmit information about the Equipment, user and use of the Equipment including equipment settings, speed, geolocation, maintenance history and status, Equipment performance, inspection data, diagnostic data, engine alerts, error codes, activity logs, hours of operation data, usernames and certifications, and more (collectively "Renter Data"). The telematics devices transmit all collected Renter Data to a central server or servers so that the data can be accessed by Renter via T3. Access to certain T3 services is included in the rental charges billed to Renter. Renter shall retain ownership of all right, title and interest in and to the Renter Data associated with Renter's account. Renter hereby grants to EquipmentShare a worldwide, royalty-free, fully paid, transferable, assignable, sub-licensable (through multiple tiers), perpetual license to collect, analyze, use, and otherwise exercise control over any and all Renter Data, including the right to share the Renter Data with its subsidiaries, affiliates, partners and/or others authorized by EquipmentShare. EquipmentShare has no obligation under this Agreement to provide Renter with the Renter Data except pursuant to the terms of this Agreement. Renter's access to T3 and the ability of the telematics devices to communicate with and transmit data to the EquipmentShare servers may be interrupted or otherwise adversely affected by the location of the Equipment, weather conditions, issues with partners' cellular networks and GPS satellite networks, as well as numerous other factors. Certain features of T3 may not function or be available for all types of equipment. Additionally, EquipmentShare may, from time to time, need to interrupt Renter's access to T3 to perform system maintenance, testing or for other purposes and may not always be able to give Renter advance notice prior to such service interruptions. Renter agrees and understands that EquipmentShare will not be liable for any loss or unavailability of the Renter Data or T3 access. EquipmentShare reserves the right to introduce new technology, features, or services at any time to T3 and charge additional fees for those services. EquipmentShare reserves the right to modify T3 at any time including the option to remove, add or modify existing technology, features, or services. EquipmentShare reserves the right to immediately suspend or discontinue access to T3 for any reason at any time, including for non-payment of any monies due EquipmentShare, without penalty or liability.

Section 5 Rental Protection Plan and Prepayment Deposit

Renter must comply with the requirements set forth in Section 6 of this Agreement and provide EquipmentShare with proof of insurance meeting the property insurance coverage requirements specified therein and maintain current proof of insurance on file with EquipmentShare while the Equipment is on-rent. EquipmentShare may require Renter to purchase Rental Protection Plan ("RPP") coverage during any rental term where Renter has not provided EquipmentShare with proof of current property insurance coverage. Subject to the terms and conditions of the RPP (https://www.equipmentshare.com/rental-protection-plan), if RPP coverage has been purchased, Renter will only be responsible for the first $1,000.00 of any loss, damage, or destruction of the Equipment.

Section 6 Required Insurance Coverage

Renter will maintain and carry, from the time Renter takes possession of the Equipment or the Equipment is delivered to Renter (whichever is earlier) until the time the Equipment is picked up from Renter by EquipmentShare or otherwise returned to EquipmentShare's care, custody and control, at Renter's sole cost and expense, the following insurance:

a) Comprehensive or Commercial Form General Liability Insurance including, but not limited to, coverage for any property damage, bodily injury, personal injury, death, and contractual liability with a minimum limit of liability of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate; and

b) Automobile Liability Insurance if Renter will be transporting with their own vehicle or trailer the Equipment on any public highways or byways, including underinsured and uninsured motorist coverage, with a minimum combined single limit of liability of $1,000,000.00 per occurrence for bodily injury, personal injury, death and/or property damage.

Renter will also:

a) Carry Property Insurance with a minimum limit of liability of $100,000.00 per occurrence for damage or losses to Equipment; or
b) If Renter fails to satisfy the requirements set forth in this Section 6, EquipmentShare reserves the right to invoice Renter for the RPP, however, RPP is not insurance and Renter remains responsible for pursuing all claims for liability under this Agreement with its insurer even if no Certificate of Insurance has been provided to EquipmentShare.

All insurance policies described above must contain, or be endorsed to contain, the following provisions:

a) EquipmentShare and its officers, directors, employees, agents, representatives, and assigns are to be covered as additional insureds on the general liability and automobile liability insurance policies and as loss payees on the property insurance policy;
b) The Equipment Owner and his, her or its officers, directors, employees, agents, representatives, and assigns are to be covered as additional insureds on the general liability and automobile liability insurance policies and as loss payees on the property insurance policy;
c) A waiver of rights of recovery against EquipmentShare and the Equipment Owner, and their insurers, by the Renter and its insurers as well as a waiver of subrogation against EquipmentShare, Equipment Owner, and their insurers; and
d) A provision that EquipmentShare must receive at least 30 days written notice prior to any cancellation or change in Renter's coverage.

Renter shall exercise all rights available under its insurance policies required by this Section 6 and take all actions necessary to process and pursue all insurance claims against those policies in force at the time of the rental and/or loss. EquipmentShare reserves the right to require Renter to submit Certificates of Insurance and/or Letters of Endorsement verifying that Renter holds and carries policies meeting the above criteria and containing the specified endorsements.

Section 7 Inspection of Equipment and Acceptance

Renter represents and warrants that Renter is capable of and qualified to inspect the Equipment to determine its condition, state of repair, whether it is in good working order, safe to use and suitable for Renter's intended use. **RENTER FURTHER REPRESENTS THAT PRIOR TO TAKING POSSESSION OF THE EQUIPMENT AND BEFORE ATTEMPTING TO USE THE EQUIPMENT (EXCEPT TO THE EXTENT NECESSARY TO PERFORM SUCH INSPECTION) THAT IT HAS INSPECTED THE EQUIPMENT AND FOUND IT TO BE IN GOOD WORKING ORDER AND REPAIR AND FIT FOR RENTER'S INTENDED USE. RENTER WILL BE DEEMED TO HAVE ACCEPTED THE EQUIPMENT AT THE TIME IT TAKES POSSESSION THEREOF, EITHER BY PICKING UP THE EQUIPMENT AT AN EQUIPMENTSHARE RENTAL YARD OR BY DELIVERY OF THE EQUIPMENT TO RENTER'S JOBSITE** ("DELIVERY ADDRESS")**.**

Section 8 Renter's Representations and Warranties

a. Renter represents and warrants that Renter is qualified to operate the Equipment and has obtained all necessary licenses, certifications, credentials, permits and variances required by the jurisdiction(s) in which Renter will operate the Equipment for operation of the Equipment and Renter's intended use of the Equipment and has met any other requirements or conditions set by such jurisdiction(s).

b. Renter represents and warrants that only Renter or Renter's qualified agents or employees operating under Renter's direct supervision will operate the Equipment and that Renter has verified that every employee and agent who will be operating the Equipment has satisfied all requirements and conditions for operation of the Equipment set by the jurisdiction(s) where the Equipment will be operated including, but not limited to, obtaining any required licenses or certifications.

c. Renter represents and warrants that Renter's use of the Equipment will be for legal purposes only and that Renter's use of the Equipment will comply with all applicable federal, state, local and other laws, rules, directives, regulations, ordinances, and requirements. **RENTER AGREES TO DEFEND, INDEMNIFY AND HOLD EQUIPMENTSHARE HARMLESS FROM ALL FINES, PENALTIES AND COSTS INCURRED BY EQUIPMENTSHARE FOR RENTER'S FAILURE TO COMPLY.**

d. Renter represents and warrants that the Equipment will only be used and stored at the Delivery Address identified in the Rental Confirmation Document, and the Equipment may not be driven or operated on public highways or byways. If at any time during the Rental Period, Renter wants to use or store the Equipment at another location(s), Renter may request permission from EquipmentShare to use or store the Equipment at the additional location(s) by sending an email to

info@equipmentshare.com. Renter may not use or store the Equipment at the additional location(s) unless and until Renter receives a confirmation email from EquipmentShare approving the additional location(s).

e. Renter represents and warrants that Renter is familiar with the manufacturer's specifications for the Equipment as contained in the manufacturer's operation and maintenance manual or other similar guide or manual, is qualified and able to perform any routine maintenance required or recommended by the manufacturer for the Equipment, and will perform, at Renter's expenses, any such required or recommended maintenance in the manner and at the intervals specified or recommended by the manufacturer. For the avoidance of doubt, routine maintenance shall not include oil changes, hands-on inspections, or repairs to the Equipment, and those functions shall be performed by a qualified EquipmentShare technician. Renter shall immediately notify EquipmentShare if any such actions are required. Routine maintenance that is the responsibility of Renter shall include, without limitation, daily walk around safety inspections and visible inspections for damages or loose components, greasing all grease points, using proper fuel and DEF fluids, and maintaining oil, coolant, and tire pressure levels in accordance with manufacturer recommendations. Renter further represents and warrants that Renter will not (i) make any changes, adjustments or alterations to the Equipment (other than in connection with the performance of Renter's maintenance requirements set forth above) or (ii) use the Equipment in a manner that is likely to result in anything other than ordinary wear and tear of the Equipment and Renter acknowledges that, except as otherwise provided in this Agreement, Renter will be solely responsible for any damages to the Equipment beyond ordinary wear and tear. Ordinary wear and tear of the Equipment shall mean only the normal deterioration of the Equipment caused by ordinary and reasonable use on a One Shift basis, unless otherwise agreed. The following shall not be deemed ordinary wear and tear: (1) damage resulting from lack of lubrication, insertion of improper or dyed fuel, or maintenance of necessary oil, water and air pressure levels; (2) any damage resulting from lack of servicing or preventative maintenance suggested in the manufacturer's operation and maintenance manual; (3) damage resulting from any collision, overturning, or improper operation, including overloading or exceeding the rated capacity of the Equipment; (4) damage in the nature of dents, bending, tearing, staining, corrosion or misalignment to or of the Equipment or any part thereof; (5) wear resulting from use in excess of shifts for which rented; and (6) any other damage to the Equipment which is not considered ordinary and reasonable in the equipment rental industry. Notwithstanding the foregoing, Renter agrees that EquipmentShare will be permitted during the Rental Period to perform inspections, tests, and any necessary repairs or alterations to the Equipment as necessary for EquipmentShare to comply with applicable laws and regulations, and Renter hereby grants to EquipmentShare an irrevocable right to enter the premises where the Equipment is located to perform such inspections, tests, repairs, and/or alterations.

f. Renter represents and warrants that if at any time the Equipment is involved in an accident, suffers a malfunction, becomes unsafe, or is damaged Renter shall immediately (i) cease using the Equipment and (ii) notify EquipmentShare. If such condition is the result of a defect in the Equipment, EquipmentShare will, if possible, repair the Equipment or replace the Equipment with similar equipment. Renter's sole remedy for any failure or defect in Equipment shall be the termination of any rental charges accrued during the time the Renter was not able to use the Equipment due to the failure or defect. EquipmentShare has no obligation to repair or replace Equipment that was damaged due to negligence, misuse, abuse, or neglect.

Section 9 Risk of Loss and Indemnification

RENTER SHALL BE RESPONSIBLE FOR ALL LOSSES TO THE EQUIPMENT, UP TO THE FULL REPLACEMENT VALUE OF THE EQUIPMENT, DAMAGE OR INJURY CAUSED BY, RESULTING FROM OR IN ANY WAY CONNECTED WITH THE EQUIPMENT, ITS OPERATION, POSSESSION OR USE, FROM THE TIME RENTER TAKES POSSESSION OF THE EQUIPMENT OR THE EQUIPMENT IS DELIVERED TO RENTER (WHICHEVER IS EARLIER) UNTIL THE TIME EQUIPMENT IS PICKED UP FROM RENTER BY EQUIPMENTSHARE OR OTHERWISE RETURNED TO EQUIPMENTSHARE'S CARE, CUSTODY, AND CONTROL. RENTER IS RESPONSIBLE FOR ALL DAMAGE INCLUDING TIRES. A CLEANING CHARGE WILL APPLY TO EQUIPMENT RETURNED WITH EXCESSIVE DIRT, CONCRETE, AND/OR PAINT. A FUEL CHARGE WILL BE APPLIED TO ALL UNITS NOT RETURNED FULL OF FUEL. IN NO EVENT SHALL EQUIPMENTSHARE BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES.

A "Loss" is any loss to the Equipment including, but not limited to losses caused by theft, accident, misuse, damage (other than ordinary wear and tear) or destruction of the Equipment. After a Loss occurs, Renter shall immediately: (a) notify EquipmentShare of the Loss; (b) notify the police of the Loss if the Loss is due to theft or other applicable cause(s); (c) secure and maintain the Equipment unless it is not safe to do so; (d) cooperate with EquipmentShare and/or its agents and local law enforcement in investigating the Loss; and (e) in addition to all sums otherwise owed under this Rental Agreement and, except as modified by Renter's purchase of the Rental Protection Plan, pay EquipmentShare the full cost of repairs for any damages to the Equipment or, if the Equipment is lost, stolen or destroyed, pay to EquipmentShare the full replacement cost of the Equipment.

TO THE FULLEST EXTENT PERMITTED BY LAW, RENTER AGREES TO INDEMNIFY, DEFEND AND HOLD EQUIPMENTSHARE, AND ANY OF ITS RESPECTIVE OFFICERS, AGENTS, SERVANTS, OR EMPLOYEES, AND AFFILIATES, PARENTS AND SUBSIDIARIES, HARMLESS FROM AND AGAINST ANY AND ALL LIABILITY, CLAIMS, LOSS, DAMAGE OR COSTS (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS FEES, LOSS OF PROFIT, BUSINESS INTERRUPTION OR OTHER

SPECIAL OR CONSEQUENTIAL DAMAGES, DAMAGES RELATING TO PROPERTY DAMAGE, BODILY INJURY, OR DAMAGES RELATING TO WRONGFUL DEATH) ARISING OUT OF OR RELATED TO THE OPERATION, USE, POSSESSION OR RENTAL OF THE EQUIPMENT. THIS INDEMNITY PROVISION ALSO APPLIES TO ANY CLAIMS ASSERTED AGAINST EQUIPMENTSHARE BASED UPON STRICT OR PRODUCT LIABILITY CAUSES OF ACTION. HOWEVER, RENTER SHALL NOT BE OBLIGATED TO INDEMNIFY EQUIPMENTSHARE FOR THAT PART OF ANY LOSS, DAMAGE OR LIABILITY CAUSED SOLELY BY THE INTENTIONAL MISCONDUCT OR SOLE NEGLIGENCE OF EQUIPMENTSHARE. IN FURTHERANCE OF, BUT NOT IN LIMITATION OF THE INDEMNITY PROVISIONS IN THIS AGREEMENT, RENTER EXPRESSLY AND SPECIFICALLY AGREES THAT THE FOREGOING OBLIGATION TO INDEMNIFY SHALL NOT IN ANY WAY BE AFFECTED OR DIMINISHED BY ANY STATUTORY OR CONSTITUTIONAL LIMITATION OF LIABILITY OR IMMUNITY RENTER ENJOYS FROM SUITS BY ITS OWN EMPLOYEES. THE DUTY TO INDEMNIFY WILL CONTINUE IN FULL FORCE AND EFFECT NOTWITHSTANDING THE EXPIRATION OR EARLY TERMINATION OF THE AGREEMENT.

Nothing in this Section shall be construed to waive, limit, or otherwise reduce Renter's liability for any loss, damage, or injury arising out of Renter's possession, custody, operation and use of the Equipment, including liability to third parties.

Section 10 Disclaimer of Warranties

EQUIPMENTSHARE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY OF THE EQUIPMENT OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. THERE IS NO WARRANTY THAT THE EQUIPMENT IS SUITED FOR RENTER'S INTENDED USE, OR THAT IT IS FREE FROM DEFECTS. EXCEPT AS MAY BE SPECIFICALLY SET FORTH IN THIS RENTAL AGREEMENT, EQUIPMENTSHARE DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, MADE IN CONNECTION WITH THIS RENTAL AGREEMENT.

Section 11 Default

Renter shall be in default of this Agreement if Renter fails to pay any rent charges or other charges or fees when due or if Renter breaches any other terms of this Agreement, or if Renter becomes insolvent or ceases to do business as a going concern, or if a petition of bankruptcy is filed by or against Renter. In the event that the Renter is considered in default of this Agreement, EquipmentShare reserves the right to file Mechanic liens and/or claim on any bond, on any and or all Equipment leased, subject to all state and local ordinances in relations to the filing and claim on any lien/bond. All notifications will be sent via certified mail to any applicable party including, but not limited to, a general contractor, property owner, and subcontractors. Any applicable fees, charges and interest due at time of claim are the responsibility of the Renter and shall be included in the total amount owed. All past due accounts are subject to a 1.5% finance charge on all invoices 30 days or more past due, which is an annual percentage rate of 18%. Renter agrees to pay all costs of collections, including attorney's fees and court costs, whether or not a lawsuit is filed.

Renter also agrees that in the event of Renter's default EquipmentShare shall have, in addition to all rights and remedies at law or in equity, the right to enter onto the property where the Equipment is being held and to take all actions necessary to repossess the Equipment without legal process or notice. Renter hereby consents to such repossession and waives all claims for damages and losses caused by such repossession and shall pay all costs and expenses incurred by EquipmentShare in repossessing the Equipment. This Agreement is governed by the laws of the State of Missouri, without regard to its conflict of laws principles. Renter and EquipmentShare agree that exclusive jurisdiction and venue for any suit or collection action to enforce the terms of this Agreement shall lie in Boone County, Missouri, and both parties consent to venue and personal jurisdiction in such courts.

Section 12 Returned Payment

Should a payment on any account be returned by the bank for any reason, there will be a fee imposed by EquipmentShare of $15 to be due immediately, further, any account(s) that have a check returned by the bank shall be immediately suspended from credit terms and placed on a COD payment status for no less than 30 calendar days. Review of said account is subject to approval by EquipmentShare's Collections Manager.

Section 13 Credit Accounts

Any and all accounts are subject to suspension from credit at any time at the discretion of EquipmentShare if they become outstanding beyond established and approved credit limits or become delinquent outside of the agreed upon credit terms. Reinstatement of credit terms is at the discretion of EquipmentShare. Should an account be referred to "Collections," any and all legal fees, attorney fees, and collection fees associated with the collection of the outstanding debt, shall become the sole responsibility of the Renter and subject to any interest accrued per this Agreement.

Section 14 Assignment

Renter shall not sublease, sub-rent, assign, loan, pledge as collateral, or otherwise encumber the Equipment or assign or attempt to assign any interest in the Equipment without prior written authorization from EquipmentShare, and any attempt to do so shall be void. EquipmentShare can freely assign this Agreement and its rights hereunder to affiliates and third parties.

Section 15 Title and Subordination

Title to the Equipment does not transfer to Renter, and Renter understands and agrees that Renter's rights to the Equipment pursuant to this Agreement are subordinate to the rights of any bank, lender or other secured party holding a lien or other security interest against the Equipment. Renter shall keep the Equipment free and clear of all mechanics liens and other encumbrances.

Section 16 Only Agreement; Counterparts

This Agreement along with any subsequent Rental Confirmation Documents represent the entire agreement between Renter and EquipmentShare with respect to Renter's rental of Equipment from EquipmentShare. Any terms and conditions, whether oral or written, contained in any customer issued purchase order or similar document are rejected by EquipmentShare to the extent they are inconsistent with or different from the terms contained herein. The terms and conditions of this Agreement shall control over any conflicting terms contained in a Rental Confirmation Document, customer purchase order or similar document. This Agreement may only be altered, modified, amended or superseded by a writing signed by authorized representatives of each party hereto.

Renter agrees that, if Renter elects to sign this Agreement using electronic signatures, the electronic signatures, whether digital or encrypted, of the respective signatories hereto are intended to authenticate such signatures and to have the same force and effect as the use and delivery of manual signatures and give rise to a valid, enforceable, and fully effective agreement to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act or any other similar state laws, acts, or statutes based on the Uniform Electronic Transactions Act. Renter may sign this Agreement manually or electronically, and the Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which, when taken together, shall constitute one and the same Agreement.

Section 17 Waiver & Severability

EquipmentShare's failure to enforce a provision of this Agreement is not a waiver of its right to do so later. If a provision of this Agreement is found to be unenforceable, the remaining provisions of this Agreement will remain in full force and effect.

I acknowledge and affirm that I have fully read, fully understood, and agree to be bound by the terms and conditions contained in this Rental Agreement, the EquipmentShare Terms of Use and Privacy Policy, that I am over 18 years of age, that, if signing the Agreement electronically I agree to use Electronic Records and Signatures, and that I have the power and authority to enter into this Rental Agreement for the rental of the Equipment, including all parts and accessories, as well as any additional Equipment Renter may subsequently rent from or through EquipmentShare.

Contract Notes

Lessor hereby leases to Lessee the equipment identified above ("Equipment") for the term and with the rental payments set out above. Rental payments shall be made to Lessor at the address shown above, subject to the provisions of paragraph 4 on the reverse side hereof. The Equipment will be transported to and from Lessor's place of business during the rental term at Lessee's expense. Lessee also agrees to pay any additional charges noted above upon or before receiving the Equipment from the Lessor.

It is contemplated that the Equipment will be operated for not more than:

NO. OF HOURS IN ANY ONE DAY	NO. OF HOURS IN ANY ONE WEEK	NO. OF HOURS IN ANY 4 WEEKS
8	40	160

Lessee agrees to pay additional rental prorated at the applicable daily, weekly or 4 week rate for each hour the Equipment is used in excess of such time. The additional rent for excess hours of use will be paid at the time the Equipment is returned or, if the Equipment is leased for more than thirty days, on the first day of the month following such use. If an hour meter is furnished, (1) Lessee agrees to keep it connected to the Equipment and in good working condition at all times, and (2) it will be used as the conclusive measure of the number of hours of operation.

If Lessee fails to return the Equipment by the end of the rental term, Lessee will pay additional rental, prorated at one and one-half times the normal rental, for each day that the Equipment remains unreturned.

Lessee assumes all risks and liability for and agrees to hold Lessor and its assign harmless from all personal injuries and death, property damage, suits, claims (including third party claims), losses, expenses, costs, and attorney fees, arising from or in connection with the Lessee's use, possession, entrustment to others, or transportation of the Equipment. Lessee, at Lessee's own expense, will carry general liability insurance with limits of liability not less than $1,000,000 per occurrence and $1,000,000 aggregate, unless greater liability limits are specified below.

PER OCCURRENCE LIMIT	PER AGGREGATE LIMIT
$0.00	$0.00

Lessee agrees to furnish a certificate of insurance to Lessor's satisfaction evidencing Lessee's compliance with the foregoing requirement and name the Lessor as an additional insured on the Lessee's general liability policy upon demand by Lessor.

ORIGINAL

Lessee shall indemnify Lessor against all loss or damage to the Equipment while it is out of Lessor's possession. The amount of any such loss or damage will be based on the value shown above. Damage to the Equipment, other than a total loss, will not abate or excuse the making of prescribed rental payments. Lessee agrees to use and care for the Equipment in a careful and prudent manner.

Lessee agrees to pay all operating and maintenance expenses while the Equipment is out of the Lessor's possession, and to make or secure any needed repairs. All repairs shall be at Lessee's expense, except to the extent that Lessor performs repairs and obtains compensation for doing so from the manufacturer. To the extent permitted by law, neither Lessor, its assigns, the wholesale distributor or manufacturer makes any representation or promise as to the quality, performance or freedom from defect of the Equipment, and NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS IS MADE. Neither Lessor, its assigns, the wholesale distributor or manufacturer will be liable for any incidental or consequential damages which may result from the use, performance or failure of the Equipment. Lessee acknowledges that the Equipment is of a size, design and capacity selected by Lessee and that Lessee is satisfied that the Equipment is suitable for Lessee's purposes.

Lessee will return the Equipment to Lessor in as good condition as received, reasonable wear and tear excepted, by the end of the rental term. If the Equipment is not in such good condition upon its return to Lessor and Lessor elects to repair it, Lessee will pay for such repairs at Lessor's regular shop rates.

Lessor may, at Lessor's option, replace the Equipment with a similar machine at any time during the rental term. Lessor will notify Lessee if Lessor intends to exercise this option, and Lessee will have three (3) business days following such notice in which to exercise the purchase option provided below or return the Equipment to Lessor. Upon return of the Equipment to Lessor, the rental term hereunder shall terminate, and the parties will enter into a new original Rental Agreement covering the replacement machine. Such new Rental Agreement shall extend, at a minimum, for the remainder of this Rental Agreement's rental term and have a rental rate no greater than the rate for rental of the Equipment hereunder.

Upon or before the end of the rental term, Lessee may elect to purchase the Equipment for the "Total Present Value" specified on this Rental Agreement, and may apply to such purchase price [0] % of all rentals previously paid. An election to purchase will be evidenced by execution of a purchase order form supplied by Lessor.

THIS RENTAL AGREEMENT IS SUBJECT TO ALL OF THE TERMS AND CONDITIONS SET OUT BELOW.

LESSEE (Customer) - All new equipment rented hereunder was received with Operator's Manuals, and operation and servicing have been explained to me.	**LESSOR (Dealer) -** The equipment rented hereunder was set up, inspected and, if new, adjusted according to factory recommendations before delivery. Operation and servicing have been explained to the Lessee.
SIGNATURE _____ DATE _____	SIGNATURE _____ DATE _____

CONTRACT NUMBER 156474

RENTAL AGREEMENT

1. Addition of Accessories
Lessee will not, without Lessor's written consent, install any accessories or devices on the Equipment if such installation will impair the originally intended function or use of the Equipment. All accessories or devices affixed to the Equipment will become the property of Lessor unless such accessory or device can be removed without in any way affecting the originally intended function or use of the Equipment. Any damage to the Equipment caused by the removal of such accessories or devices will be repaired at Lessee's expense.

2. Compliance with Regulations
Lessee will comply with all laws and regulations relating to ownership, possession, use or maintenance of the Equipment.

3. Inspection
Lessee will, whenever requested, advise Lessor of the exact location of the Equipment. Lessor and its representatives may, for the purpose of inspection, enter upon any job, building or place where the Equipment is located at any reasonable time. Lessor may remove the Equipment without notice to Lessee if, in the opinion of the Lessor, it is being used beyond its capacity or in any other manner improperly cared for or abused.

4. Assignment
Lessee agrees that Lessor may assign this Rental Agreement and all right, title and interest of Lessor in and to the Equipment, and all sums due or to become due to Lessor hereunder (of which assignment Lessee hereby waives notice), and Lessee agrees to recognize such assignment. Lessee's obligation to pay rent under this Rental Agreement will not as to any such assignee be subject to any diminution arising out of any breach of any obligation hereunder or other liability of Lessor to Lessee. Lessee may not assign this Rental Agreement.

Lessee further agrees to make rental payments directly to John Deere Construction Equipment Company ("Deere"), if Deere becomes Lessor's assignee, upon and following receipt from Deere of evidence of assignment and a written request to do so, and Lessor agrees to recognize any payment so made as satisfaction of Lessee's obligation to make that payment hereunder.

5. Default
If Lessee fails to make any rental payment when due, attempts to sell or encumber the Equipment, ceases operating, institutes or has instituted against it proceedings under any bankruptcy or insolvency law, makes an assignment for the benefit of creditors or fails to comply with any other provision of this Rental Agreement, or if any attachment, execution, writ or process is levied against the Equipment or any of Lessee's property, or if for any reason Lessor deems itself insecure or the Equipment unsafe, Lessor may terminate the rental term hereunder by giving Lessee written notice thereof, in which event Lessee will deliver the Equipment to Lessor on demand, and Lessor may enter upon any job, building or place where the Equipment is located and take possession of it without notice to Lessee. In the event of such termination, Lessee agrees to pay all guaranteed rentals and all other rentals due, damages for any injury to the Equipment, legal expenses, costs of removal of the Equipment from the possession of Lessee, and all freight, storage, transportation and other charges incurred in such removal and return to Lessor at its place of business.

The parties further agree that Deere, if Deere becomes Lessor's assignee, also may terminate the rental term hereunder and take possession of the Equipment upon any of the events specified above, including without limitation Deere's determination that its interest is insecure or the Equipment is unsafe, regardless of whether Lessor concurs in Deere's judgment or desires to terminate the rental term. The parties further agree that, in the event Deere elects to terminate the rental term, Lessee shall pay to Deere all rentals due, damages for any injury to the Equipment, legal expenses, and costs or removal of the Equipment from the possession of Lessee.

6. Construction
This is an agreement for rental only. Nothing herein will be construed as conveying to Lessee any right, title or interest in or to the Equipment, except as a lessee.

7. Guaranteed Rental - Return of Equipment
Provided the guaranteed rental set forth on the reverse side is or has been paid, Lessee may return the Equipment and terminate the rental term hereunder on three days notice to Lessor.

8. General
Time is of the essence of this Rental agreement. Lessor's failure at any time to require strict performance by Lessee of any provision of this Rental Agreement will not waive or diminish Lessor's right thereafter to demand strict compliance with that or any other provision. Waiver by Lessor of any default will not waive any other default. This Rental Agreement may not be modified except by a written revision signed by the parties hereto. Lessee acknowledges receipt of a signed copy of this Agreement.

Contract for ITB 2024.25.11 Heavy Equipment

Daniel Macke <dan@mackelaw.com> Thu, Feb 27, 2025 at 6:28 AM
To: Melynda Crouch <mcrouch@currycountynm.gov>
Cc: Lance Pyle <lpyle@currycountynm.gov>, Troy Hall <thall@currycountynm.gov>

See attached. If they are going to sign the contract, they should consider knocking out and initialing their respective rental agreements choice of law provisions, Oklahoma, Missouri, Louisiana, Colorado. The contract provides for jurisdiction in NM and there is a conflict. It's simple enough to just strike out and initial, I think. Not sure those provisions would be enforceable anyway.

Introduction

Purpose of a Compensation Program

A Compensation Program is one of several primary programs or functions that serve as the basis of effective human resource management. Compensation Programs are designed to provide equitable and competitive employee compensation, both direct (salary plan) and indirect (employee benefits), intended to attract and retain the organization's workforce considering the needs of employees, the financial needs and obligations of the organization and compliance with relevant laws and regulations.

Characteristics of an Effective Job Classification and Salary Plan

The success of any Job Classification and Salary Plan is judged by the degree to which it achieves five basic goals:

- **INTERNALLY EQUITABLE:** It provides salary ranges for all positions that fairly reflect the value of each position relative to all others within the organization.

- **EXTERNALLY COMPETITIVE:** It provides salary ranges for all positions at a dollar level that is as competitive as the organization feels it can afford to be while still at a level required to attract and retain effective employees.

- **PERSONALLY MOTIVATING:** It is conceived as a vital management tool, playing a fundamental role in motivating employees toward specific achievement of essential end results.

- **EFFECTIVELY ADMINISTERED:** It lends itself to adequate central guidance and control. It should be structured in a way that facilitates specific budgeting of pay increases for any given year, forecasting employee costs, sound analyses of actual compensation practices throughout the organization, and accurate comparisons of the organization's pay policy and practice to those of other, similar organizations on a timely and ongoing basis.

- **CONTINUING PROGRAM:** It provides for the inclusion of new jobs as they are created and the reassignment of jobs as changes in content and reporting relationships occurs to fulfill organizational requirements for the future. It must be an orderly and integral part of the management process.

Methodology and Approach

An effective means to achieve internal equity or to reflect the value of each job classification relative to all others within the organization is to place each position into the salary range structure based on the position's relative value in the labor market. This is achieved through the extraction and analysis of pay data that best reflects the classifications that comprise the County's workforce and within the comparable labor market that reflects the nature of work and geographic areas from which employees are drawn for the Curry County workforce. This pay data also serves as the basis to determine the organization's external competitiveness within its respective labor market.

Position Classification & Salary Plan History - Activities in Support of the Project

In 2006, Curry County contracted for the development of a Position Classification and Salary Plan. This plan was updated in 2008, 2011, 2014, 2019 and again in 2021. In an effort to maintain this initial Position Classification and Salary Plan; Curry County engaged S Resource, Incorporated to review the classification structure, update to the Salary Plan, and survey personnel practices and incentive pay levels for fiscal year 2026. This report contains the findings and recommendations formulated as the result of this review. In support of this effort S Resource, Incorporated has:

1. Conferred with the County Manager Human Resources Director identify position classification and pay plan issues and to fully develop knowledge of any updates to organization work activities and service delivery systems.

2. Maintained regular communication with the County Manager and Human Resources Director in support of project goals.

3. Reviewed County job descriptions, distributed and review position description questionnaires, evaluated job classification FLSA designations, and formulated specific recommendations on adjustments to the County's job classification structure to accommodate new and/or updated positions.

4. Reviewed position classification benchmarks common to its competitive market including, as appropriate county and municipal governments, other governmental subdivisions in the region, and other relevant employers.

5. Conducted Google meet conference calls with County Department Heads and Elected Officials to better understand classification issues, recruiting and retention challenges.

6. Reviewed previous survey comparators, prepared requests for salary plans and pay information, and conducted regular follow-up and communications with survey participants.

7. Developed and distributed a customized survey of Personnel Practices and Incentive Pay, focused on paid time off, specialty and incentive pay.

8. Verified and collected data from a variety of sources, including established salary surveys and organizational pay plans.

9. Collected salary information on the County's appointed positions to provide meaningful data for the County Commission to evaluate appointed position compensation levels.

10. Extracted salary data from comparative employers and those that compete with the Curry County in recruiting and retaining high quality employees.

11. Discussed the findings of salary plan analysis, personnel practices, and incentive pay findings with the County Manager.

12. Conducted competitive pay practice analysis for all County job classifications illustrating the County's position in relation to its labor market.

13. Documented the results of the analysis of the county's competitive position in the labor market.

14. Developed recommendations for the maintenance of the County's Classification and Salary Plan.

Position Classification Review

As requested, S Resource, Incorporated conducted a review of the County's position classifications to verify appropriate classification and increase understanding of the County's job classification structure to draw valid job content comparisons within the labor market. This effort consisted of a review of current job descriptions, position description questionnaires (PDQs) and discussions with the County Manager.

Classifying positions involves the systematic arrangement of jobs into series and groups based on the application of criteria such as similarity of duties, responsibility levels, occupational function, etc.

Relying on the current job descriptions, PDQs and insights gained from discussions with management; seventy five (75) distinct job classifications were verified within the County structure. An outline of identified job classifications is contained in **Comp 1, Schematic of Occupational Position Classes**.

New classifications identified since the 2021 study include the Court Compliance Supervisor, DWI Program Manager, GIS Data Technician/Appraiser Trainee, Fire Director, Payroll Coordinator, Personnel & Safety Coordinator, and the RISE Program Manager.

The County positions were subject to a thorough review and recommended classification changes are reflected in **Comp 2, Index of Current to Recommended Position Classes.** A summary of this review is as follows:

	Class Transaction	% of Total
(N) No change	65	88.0%
(J) New Job Class	7	9.3%
(T) Title Modification	3	2.7%
(D) Delete Classification	1

Market Data Analysis

Market Data Sources

The competitive pay analysis draws on two primary data sources to provide the foundation for this report and accompanying recommendations relating to internal equity and external competitiveness. These sources and a brief description are as follows:

Market Comparator Pay Plans and Salary Schedules

S Resource, Incorporated obtained pay plans and salary schedules from governmental public sector organizations that comprise the market comparators that compete for qualified personnel with Curry County or are similar to the County in terms of size, budget, community population, etc.

The following comparators were included in this group:

Chaves County
Cibola County
City of Clovis
City of Portales
Clovis Community College
Clovis Municipal Schools
Eddy County
Luna County
Otero County
Roosevelt County
Sandoval County
San Miguel County
State of New Mexico
Torrance County
Valencia County

New Mexico Eastern WIA Area - Wage Survey, 2024, compiled and published by the New Mexico Department of Workforce Solutions.

This survey reports data for a broad variety of job classifications and provides a breakdown of data based on the state's Eastern Workforce Investment Act (WIA) area. This area includes Chavez, Curry, De Baca, Eddy, Guadalupe, Lea, Lincoln, Harding, Otero, Quay, Roosevelt, and Union Counties.

Data to Current Levels

Data from each survey was "aged" to provide a current analysis of the County's position in relationship to reported pay levels. In order to provide a current analysis, data was "aged" by a factor of two percent (2.0%) per year from the reporting date of the data through January 1, 2026.

Salary Range Midpoint Comparison

In conducting this analysis, a "structure-to-structure" method was utilized to compare the County's salary structures to the prevailing rates. The prevailing rates are represented by the comparator organization's Midpoints, which are the amounts employers pay for sustained competent job performance.

The Midpoint is the most objective, occupation-specific and consistent component of salary structures among employers, as the varying widths of salary ranges are too great to utilize Minimum or Maximum. Midpoint is not affected by actual salary averages which may reflect longevity, pay-for-performance, and a myriad of subjective salary plan administration characteristics of the comparator employers.

Market Survey Data – Classified Positions

Survey position data were extracted from the market data sources based on a match of position content. Curry County positions were compared on the basis of job duties and responsibilities as specified in the County job descriptions and Position Description Questionnaires (PDQs). Survey positions identified with approximately 85% - 115% of comparable job content where considered a match and the respective

salary range data from each available market data source was utilized for determining the External Aged Midpoint. Of the seventy-six (76) job classifications identified in Comp 1; data were extracted for fifty (50) or 65.8% of the job classifications where sufficient job content comparability was identified.

The market survey data extracted and analyzed for this study is summarized in **Comp 4, External Prevailing Rate Comparison – Classified Positions**, and detailed in **Appendix A - Salary Survey – Classified Positions**.

The External Prevailing Rate Comparison illustrates the relationship of the Curry County midpoint for each survey job classification to the External Aged Midpoint. The study compares County midpoints to Survey midpoints; it is reasonable to consider that job classifications within +/- 5% of the External Aged Midpoint are competitive in the market. The breakdown of all County survey benchmarks is summarized as follows:

External Prevailing Midpoint Summary for Classified Positions – Table 1

Relationship to the Market	Number of Survey Job Classifications	Percentage of Survey Job Classifications
Above the External Aged Midpoint	0	0.0%
Within 5% of Aged Survey Midpoint	6	12.0%
Below the External Aged Midpoint	42	84.0%
Vacant/New Position No Midpoint	2	4.0%

Market Survey Data – Appointed Positions

Within the Curry County government there have been five (5) positions appointed by Elected Officials. These positions are appointed by the County Commission or a specific Elected Official and include the County Manager, Chief Deputy Assessor, Chief Deputy Clerk, Chief Deputy Treasurer, and the Undersheriff. Appointed positions serve at the pleasure of their respective Elected Officials and are not included in the organization's salary plan. It should also be noted that the rate of pay for Appointed Positions is set by the Board of County Commissioners by resolution, the County Manager's rate of pay is established by an employment agreement.

The market survey data extracted for Appointed Positions is detailed in **Appendix B - Salary Survey - Appointed Positions**.

Salary Range Structure

For fiscal year 2007, Curry County adopted a Permanent Salary Range Structure, shown on the following page. This structure is characterized by a 50% spread from the Minimum to the Maximum; and Salary Ranges are separated by a uniform 2.5%, facilitating the precise assignment of job classes to ranges closest to the External Aged Midpoint. It is recommended the County continue with this single consolidated salary structure, designed to be administered on the basis of each employee's objectively measured job performance.

Salary Range Adjustments

Job classes should be individually reassigned to different salary ranges on a regular basis to reflect the varying movement in the External Aged Midpoint (if any) for each job class. The Permanent Salary Range Structure should not be adjusted by blanket percentages or flat dollar amounts, as that will adversely impact the County's external competitiveness and the internal equity of the salary plan.

The recommended base salary range structure is shown in the **Permanent Salary Range Structure**.

Curry County
Permanent Salary Range Structure

Salary Range	Minimum	Midpoint	Maximum		Salary Range	Minimum	Midpoint	Maximum
1	$10,712	$13,390	$16,068		49	$35,044	$43,805	$52,566

Salary Range Assignments

Position Classification Market Pricing

The review of the County's job classifications identified seventy-six (76) job classifications. These job classifications provided the basis for extracting the available market data represented in the survey sources previously identified. Job descriptions provided the basis for job matching within each survey source. Of the seventy-six (76) survey job classifications identified within the County; market data were identified, extracted and analyzed for forty-nine (50) or 65.8% of the survey job classifications.

Position Classification Assignment to Salary Ranges

As reported, fifty (50) of the County job classifications were determined to have a direct market value as a result of the analysis mentioned above. These job classifications were then placed into the recommended salary range with the Midpoint that most closely matched the job classification's External Aged Midpoint.

A complete listing of recommended pay grade assignments is shown in **Comp 5, Salary Ranges per Position Class (Position Class Order)** and in salary range order in **Comp 6, Salary Ranges per Position Class (Salary Range Order)**.

The remaining job classifications were slotted into the Salary range structure based on professional judgment and analysis of the current value comparability in relation to job classifications for which data were available. The relationship of non-benchmark to benchmark job classifications is detailed in **Comp 7, Non-Benchmark to Benchmark Linkage Table**.

Comp 7 - Non-Benchmark to Benchmark Linkage Table

This table is to be utilized as a guide during annual salary plan updates, permitting non-benchmark job classes to be adjusted by the same number of salary ranges as the salary survey benchmark job class to which they have been linked.

Non-Benchmark Position Class	Benchmark Position Class
Administrative Assistant Senior	Administrative Assistant
Assistant Detention Administrator	Detention Administrator
Appraiser II, III	Appraiser Certified
Chief of Security	Detention Lieutenant
Community Program Manager	Community Program Coordinator
Community Program Specialist	Community Program Coordinator
Community Program Assistant	Office Support Specialist
Construction Safety Officer	Facilities Maintenance Superintendent
Court Compliance Supervisor	Court Compliance Officer
Court Corporal	Court Deputy
Court Deputy - Special Services	Court Deputy
Criminal Investigator	Sheriff Sergeant
Detention Officer Senior	Detention Officer
Detention Captain	Detention Lieutenant
GIS Data Technician/Appraiser Trainee	GIS Technician
Facilities Maintenance Supervisor	Facilities Maintenance Superintendent
Indigent Coordinator	Accounting Specialist
Inmate Services Coordinator	Senior Accounting Specialist
Office Intern	Office Support Specialist
Process Server	Detention Officer
Public Service Director	Finance Director
RISE Program Manager	Grants Administrator
Records Specialist	Records Specialist/Dispatcher
Sheriff Deputy Senior	Sheriff Deputy
Sheriff Deputy Cadet	Sheriff Deputy

Estimated Fiscal Impact of Recommended Salary Plan

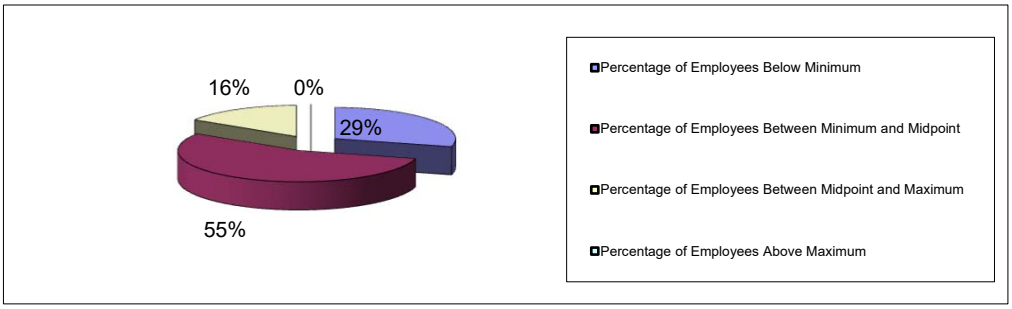

In 2008, the County adjusted its competitive position to 100% of the External Aged Midpoint. The County is encouraged to continue to assign positions within the County to salary ranges at the 100% level of the External Aged Midpoint.

Comp 8, Estimated Fiscal Impact of FY 2026 Salary Plan summarizes the estimated fiscal impact for the total salary plan. At 100% of the market, it will cost an estimated $95,138 or 1.42% of payroll to bring the 42 employees (29.17%) of the total employees) to the Minimum of their assigned salary range. **It should be noted this calculation is based on direct pay and does not include additional cost related but not limited to employee benefits including PERA, FICA, Medicare, and unemployment.**

Comp 9, Estimated Fiscal Impact of FY 2026 Salary Plan by Department summarizes the estimated fiscal impact for the total salary plan by department/division.

Personnel Practices

This study collected data on numerous personnel practices, and as a general observation the Curry County personnel practices appears, on balance, to be in line with the competitive market. The following is a review of each practice surveyed:

The following comparators were included in this group:

Chaves County
Cibola County
City of Clovis
Otero County
Roosevelt County
Sandoval County
San Miguel County
City of Portales
Eddy County
Luna County
Torrance County
Valencia County

The respective Personnel Practices are summarized below and the complete survey is detailed in **Appendix C – Personnel Practices Survey.**

Paid Holidays – All survey participants provide paid holidays with a survey average of 12.9 holidays per year. The County provides 12.5 paid Holidays per year.

Annual Leave or Paid Time Off (PTO) – Curry County and all survey participants provide Annual Leave or PTO. Luna provides PTO to all regular employees and Sandoval County provides PTO to unclassified personnel, the remaining organizations provide Annual and Sick Leave. PTO provides a bank of hours in which the employer pools sick days, vacation days, and personal days that allows employees to use as the need or desire arises.

Payout for Unused Sick Leave – Luna County provides a payout of 50% of the PTO leave balance upon separation up to 320 hours. Of those organizations providing sick leave, six (6) payout some portion of the sick leave balance upon separation, these amounts are generally 25% - 50% of the accrued sick leave balance and in the case of Sandoval County capped at 532 hours.

Work Schedules – Ten (10) of the twelve (12) organizations surveyed provided information on work schedules. The survey asked for work schedule information for each of three categories: general employees, law enforcement and detention. Only the City of Clovis reported a traditional five (5) day, eight (8) hour schedule for general and law enforcement personnel. The remaining survey organizations have schedules ranging from the traditional five (5) day, eight (8) hour schedule to 3-4 days per week with twelve hours shifts. Typically, the organizations indicate the decisions are made by Department Heads or Elected Officials with the approval of the County or City Manager.

Sign -on or Hiring Bonus – of the organizations surveyed only one (1) provided a sign-on or hiring bonus; but did not provide specific details of their program.

Relocation Expenses – None of the organizations surveyed reported providing relocation expense allowances or reimbursement.

Bilingual Pay – The survey revealed four (4) of twelve survey organizations provided additional pay for bilingual skills. These organizations reported additional pay averaging approximately $0.29/hour.

Longevity Pay – Six (6) of the survey organizations reported providing some form of Longevity Pay; of these two (2) of the organizations appeared to limit Longevity payments to law enforcement and/or detention personnel.

Incentive Pay

Also, at the request of Curry County, a survey of various forms of Incentive Pay was conducted. The survey collected data on Incentive Pay including Appraiser Certifications, Instructor Certifications, Special Assignments, Professional Certifications, and Professional Licenses. This information was included with the Employee Benefits Survey and collected for the fourteen survey organizations.

The primary conclusion regarding incentive pay is that Curry County appears to have the broadest array of incentive pay and that incentive pay offerings appear to be pinpoint programs to address specific organizational needs or objectives.

The complete survey is detailed in **Appendix D – Incentive Pay Survey.**

Appraiser Certifications

Eight (8) of the ten (10) counties surveyed reported providing incentive pay for each level of Appraiser Certification within the Assessor's Office. Amounts reported are progressive beginning with the Level I Certification and increasing in amount through Level IV. Specific amounts paid for each level of certification vary from organization to organization and are detailed in **Appendix D – Incentive Pay Survey.**

Instructors' Certifications

Does your organization provide incentive payments to employees for instructor certifications? If yes, indicate the certification, amount of incentive and frequency of payments:

General City/County

Certification – Curry provides Instructor $750 for Defensive Driving, Emergency Vehicle Operations Course, First Aid/CPR
Clovis - $ .295/hour
Portales - $23.08 bi-weekly for Defensive Driving and CDL License, GIS Competency, MS06 Sprinkler Installation, $11.54 bi-weekly for Certified Sampler, Wastewater Lab, Safety Certificate (OSHA shoring & trenching, SCBA, Fork Lift, Pesticide Application, Flagger & Work Zone control, Dump truck flagger, Blade and Work Zone, Welding, Tree and Lawn Care NMDA, Floor care chemical, Transfer Station License, Freon Removal, $46.15 biweekly for Water/Wastewater Level I & II, $69.23 biweekly for Water/Wastewater Level III, $92.31 bi-weekly for Water/Wastewater Level IV.
Eddy - $.15/hour per certification, maximum 3 certifications
Roosevelt - $250 for Defensive Driving and First Aid/CPR; $.29/hour for Train the Trainer

Public Safety

Does your organization provide incentive payments to Law Enforcement and Detention Center employees for instructor certifications? If yes, indicate the certification, amount of incentive and frequency of payments:

Certification - Special Ops Response Team (Detention) Curry $1200; Commander $2000
Chaves - $100/month paid bi-annually
Eddy - $ .15/hour

Certification – Field Training Officer Curry $750

Clovis - $.49/hour
Eddy - $.15/hour
Roosevelt - $.45/hour
Portales - $36.15 bi-weekly
Otero - $.75/hour

Additional Certifications

Clovis reported incentive pay, in addition to those listed, for the following certifications: SWAT - $.295/hour, Physical Fitness - $.15/hour, Advanced - $.50/hour. First Line - $.61/hour, Command - $.73/hour.

Eddy reported incentive pay, in addition to those listed, for the following SWAT - $1.50/hour, Digital Media/Cell Phone Technology - $.75/hour, AFIX Fingerprinting - $.75/hour, Violent Crimes Suppression Unit - $.75/hour, Law Enforcement Instructor - $1.50/hour, Crash Reconstruction - $1.00/hour, Vehicle Identification Number (VIN) Inspector - $.75/hour, Hostage Negotiator - $.75/hour, K-9 - $1.00/hour, Drug Recognition Expert - $.75/hour

Professional Certifications

Does your organization provide incentive payments to employees for holding professional certifications? If yes, indicate the certification, amount and frequency of payments.

Certification	Curry	Portales	Roosevelt
Certified Chief Procurement Officer	$ 1,500	$ 300	$ 1,000
Certified Floodplain Manager	$ 1,500		$ 1,000

iPro/Video Insight Certification (IT)	$ 500		
A+, Ubiqiti, Network+, Security+, Ethical Hacker (IT)	$ 300/ certification		

*From the New Mexico State University Edge Program

Professional Certifications - Other

Portales – Certifications	Amount	Frequency
Clerk Training	$ 11.54	B-weekly

Roosevelt County - Certification	Amount	Frequency
Certified ADA Coordinator	$ 1,000	Annually

Licenses

Does your organization provide incentive payments for licenses that are beneficial to their position? Such as; GB 98, MM 98, EE 98.

License – Please specify	Curry	Portales
GB 98	$ 1,000	$ 1,200
MM 98	$ 1,000	
EE 98	$ 1,000	

Educational Attainment

Does your organization provide additional compensation based on educational attainment (i.e. Associate's, Bachelor's, Master's Degree?

Curry – 2% per degree level, unless required by the position specifications. Equivalent to 2% - Associates, 4% Bachelors, 6% Master's Degree.

Portales - $23.08 bi-weekly for an Associate's Degree, $34.62 bi-weekly for a Bachelor's Degree, $46.15 biweekly for a Master's degree, $57.69 be-weekly for a Doctorate Degree.

Eddy - $.50/hour for an Associate's Degree, $1.00/hour for a Bachelor's Degree, $1.50/hour for a Master's Degree.

Sandoval – provides additional compensation for educational attainment; but did not provide details.

Salary Administration Guidelines and Options

The implementation of the recommendations for the County's salary plan will be controlled by the County's financial resources, and therefore balanced between the County's desire to pay all employees at the market rates for the occupations and the available funds.

Plan implementation involves three basic considerations; the first is the adjustments to the salary range minimum for any employee with a pay level below the minimum, second the treatment of employees whose current pay is above the salary range maximum, and finally an adjustment for employees in the salary range to move their pay level closer to the midpoint or market rate for of their assigned salary range.

Pay Levels below the Salary Range Minimum

We continue to strongly recommend that pay levels of all employees whose current pay is below the minimum of the salary range for their position classification be increased to the minimum of their assigned salary range on the effective date of the pay plan.

Pay Levels above the Salary Range Maximum

There are no employees whose current rate of pay is above the maximum of their assigned salary range. The County should maintain a policy not to pay employees above the maximum of the salary range and freeze the pay level of employees above the maximum of their assigned salary range.

In-Range Pay Adjustments

Position In-Range Approach

In-range pay adjustments are an important step in utilizing the new salary ranges. By adjusting current employees in their assigned salary ranges, the County will recognize prior service, lessen the potential impact of pay compression, and open the bottom of the pay ranges for newly hired personnel.

While there are several approaches for in-range adjustments, we generally recommend an initial step to "manage to market" as a means of increasing pay levels closer to the market rate for position classifications within the County's structure. Managing to the market involves the granting of variable percentage pay increases based on an employee's position in relation to the market rate for their position classification. The relationship to the market rate is expressed as an individual's "compa-ratio"; calculated by dividing their current rate of pay by the midpoint or market rate for their position classification.

The table that follows illustrates three possible variations and funding levels for managing to market. The exact formula and approach implemented should be based on the County's available financial resources and budget.

Position In-Range Alternatives

Salary Range Quartile	Compa - Ratio	Alternative Funding Levels		
		Option 1	Option 2	Option 3
First	80.0% - 89.9%	5%	4%	3%
Second	90.0% - 99.9%	4%	3%	2%
Third	100.0% - 109.9%	3%	2%	0%
Fourth	110.0% - 120.0%	2%	0%	0%

This approach moves the pay levels of employees furthest from the market rate at a faster pace than those nearer to or above the market rate for their respective positions; while providing some level of in-range adjustment for most employees.

Sequential Percentage Approach

Under this approach sequential 1% increases are provided according to each incumbent's compa-ratio until available funds are expended.

1. All eligible employees whose compa-ratio is 80% are provided a 1% increase, then
2. All eligible employees whose compa-ratio is 81% are provided a 1% increase, then
3. All eligible employees whose compa-ratio is 82% are provided a 1% increase, then
4. All eligible employees whose compa-ratio is 83% are provided a 1% increase, then
5. All eligible employees whose compa-ratio is 84% are provided a 1% increase, then

Where there are funding limitations, this approach tends to provide in-range increases only to those incumbents whose pay levels are furthest below the market rate for their position classification.

Hiring Rates

We recommend the County adopt a flexible approach to determining hiring rates of pay. The minimum of the salary range is an extension of the midpoint of market rate; a generally applied to candidates for employment that are minimally qualified. The County should use the entire salary range for hiring purposes, generally limiting starting rates of pay between the salary range minimum and the salary range midpoint. This should provide sufficient flexibility to compete for highly qualified individuals and when desired skills are scarce within the labor market.

Effective administration of this flexible approach requires significant management controls to provide for equitable administration. The County should adopt a set of guidelines to be administered on a consistent basis that define specific criteria for determining hiring rates above the minimum of the pay range. In addition, the County should not hire new personnel at rates of pay in excess of current employees within the same position classification. While circumstances may necessitate the practice on rare occasions; this practice must be applied on a limited basis and subject to approval at the highest administrative levels.

Promotional Increases

A promotion occurs when an employee moves to a position classification with a higher salary grade than his/her current salary grade. Salary grades within the recommended fixed range structure increase progressively at 2.5% increments. We recommend that promotional increases range from increasing an employee's pay to the minimum of the new salary grade to a maximum pay increase equivalent to 2.5% per salary grade above their current assigned salary grade.

As with determining appropriate hiring rates of pay, the County should adopt a set of guidelines to be administered on a consistent basis that define specific criteria for determining promotional rates of pay above the minimum of the salary range.

Part-time and Temporary Employee Salary Levels

Since salary levels are based on the value of the work performed in the labor market, part-time and temporary employees should be paid within the same salary range as full-time employees in the same position classification. Normally, temporary employees can be paid at the minimum of the salary range for the position classification; however, this may vary in cases where the employee has specialized knowledge and skills.

Position Classification and Salary & Benefit Plan Recommendations

Recommendations:

Approve Updates to the Job Classification Plan

Maintain the job classification plan to reflect current duties and responsibilities of the County's job classifications detailed in Comp 1 Schematic of Job Classifications

Approve Recommended Job Classification Assignments

Adopt the recommended job classification assignments as recommended and illustrated in Comp 3 – Recommended Classification of Individual Positions.

Reaffirm the External Aged Midpoint Pay Practice

Reaffirming the External Aged Midpoint (100%) provides the basis for the County's competitive position in the market and provides central guidance to County management for ongoing pay administration.

Salaries to the Minimum of the Salary Range

Increase the rate of pay of each individual employee whose current rate of pay is below the minimum of their assigned salary range to the minimum of the range.

Salaries above the Maximum of the Salary Range

There are no employees whose current rate of pay is above the maximum of their assigned salary range. The County should maintain a policy not to pay employees above the maximum of the salary range and freeze the pay level of employees above the maximum of their assigned salary range.

In-Range Pay Adjustments

Consider adopting a method of in-range adjustments that distributes available salary increase funds on a variable basis with the goal to "manage to market" as a means of increasing pay levels closer to the market rate for position classifications within the County's structure.

Maintain a Continuing Program

Continue to maintain an ongoing program for the County by conducting regular reviews (every 2 - 3 years) to determine position in the labor market and provide for maintenance of the program.

Grant Funded Positions

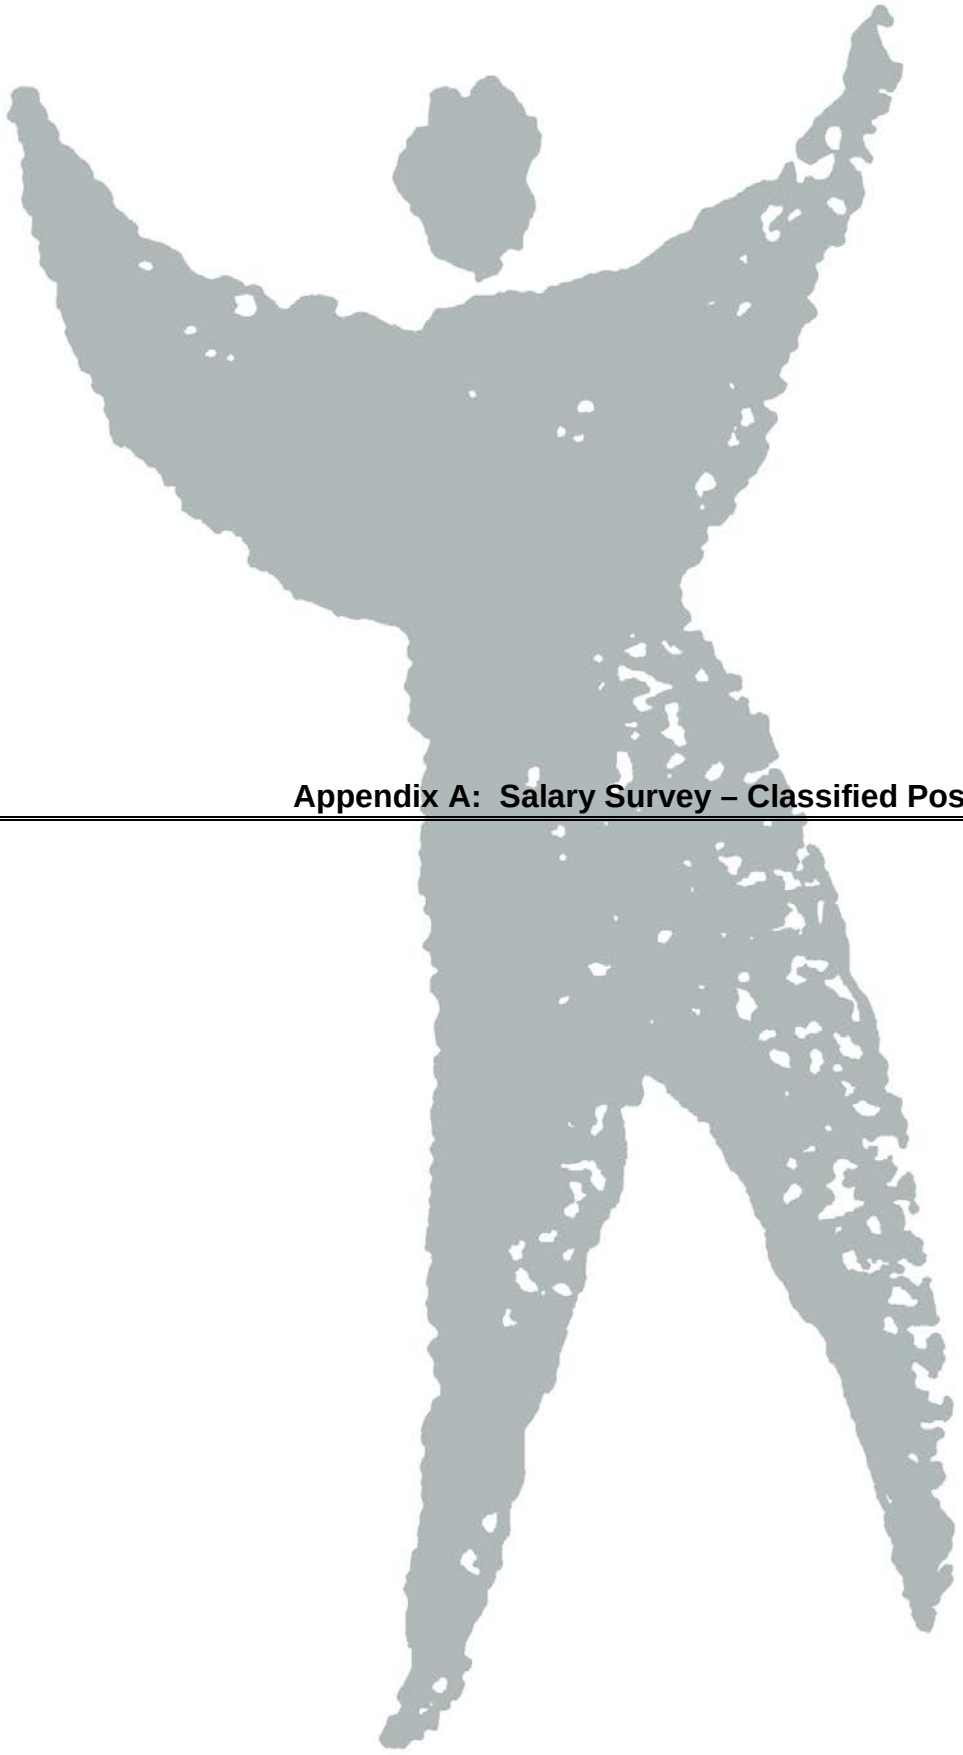

Grant funded positions' salaries should be administered within the limits of the grant funding and not based upon the market rate established within this report.

Hiring Rates

Maintain a flexible approach to determining hiring rates of pay. The minimum of the salary range is applied to candidates for employment that are minimally qualified. The County should use the entire salary range for hiring purposes, generally limiting starting rates of pay between the salary range minimum and the salary range midpoint. Hiring rates between the minimum and maximum of the salary range must be approved by the County Manage.

MEMORANDUM

TO: **Board of County Commissioners**
FROM: **Kristian Price, Community Services Administrator**
DATE: **March 12, 2025**
RE: **Curry County Congressionally Directed Spending Requests**

Annually, the US Senate Committee on Appropriations accepts requests from Senators reflecting their funding priorities. This provides an opportunity for communities to engage with Senators and gain their support to advocate for programs and projects necessary for our nation to thrive. CDS items promote economic development, infrastructure, public safety, education, health care initiatives, and other worthy investments in communities across the country.

Following our discussions, we have identified three projects that we believe are competitive and address important needs within Curry County. We recommend the following projects for submission.

1. **County Training Facility - $2,500,000**
   This facility will directly support the Curry County Sheriff's Office and Adult Detention Center staff through training and fitness programming. The facility will have an office space located in the front, a large open space for virtual reality simulation training, and exercise equipment. This project is crucial to boost performance, increase productivity, and enhance skills in our staff leading to increased employee engagement and retention.

2. **Inmate Transport Vehicle - $185,000**
   This transport vehicle will improve the ability for the Curry County Sheriff's Office to transport detainees throughout the State of New Mexico. This vehicle will include safety features such as seat belts for detainees, blind spot detection, backup cameras, lane departure warning and more.

3. **Curry County Sheriff Office Safety Equipment - $65,000**
   Safety equipment in any job is necessary to reduce the risk of injuries and possible fatalities. This request will entail a variety of safety equipment the Sheriff's Office can utilize in their day to day operations to minimize exposure to hazards.

Grants Department

© NATIONAL ASSOCIATION OF COUNTIES
RESEARCH FOUNDATION, INC.

March 7, 2025
Attn: Lance A. Pyle, County Manager
Curry County, N.M.
417 Gidding St. Suite 100
Clovis, NM. 88101

Dear Manager Pyle,

The National Association of Counties Research Foundation (the "Foundation") has approved a grant in the amount of $50,000 (the "Grant") to Curry County (the "Grantee") in support of county capacity for implementation and integration of data and evidence-based policies to advance equitable economic mobility, as described in more detail in the attached Exhibit A (the "Project"). The Grant is subject to the terms and conditions of this grant agreement (this "Agreement").

These terms apply to the Grantee's use of the Grant:

1) Term. This Agreement shall be effective as of March 18, 2025 (the "Grant Start Date") and shall expire on November 30th, 2025 (the "Grant End Date"), unless terminated prior to that time in accordance with Paragraph 13 of this Agreement.

2) Payment of Grant Funds. Payment of the Grant will be made according to the following schedule:

Payment Amount	**Milestone**
$25,000	Upon approval of grant use of funds narrative and receipt of countersigned copy of Agreement
$25,000	After first round grant disbursements are depleted.

3) Use of Grant Funds.

   a) The Grant funds, including any income earned thereon, may be expended only for:

      i) charitable, religious, scientific, literary, or educational purposes within the meaning of Section 170(c)(2)(B) of the Internal Revenue Code of 1986, as amended (the "Code"); and

      ii) the purposes stated in this Agreement.

   b) Grant funds may not be used by the Grantee:

i) To carry on propaganda, or otherwise to attempt, to influence any legislation (within the meaning of Section 4945(d)(1) of the Code;

ii) To influence the outcome of any specific public election or carry on, directly or indirectly, any voter registration drive (within the meaning of Section 4945(d)(2) of the Code);

iii) To undertake any activity for any purpose other than one specified in Section 170(c)(2)(B) of the Code; or

iv) In support of activities (i) prohibited by U.S. laws relating to combating terrorism; (ii) conducted by persons on the List of Specially Designated Nationals or entities owned or controlled by such persons; or (iii) in or with countries or territories against which the U.S. maintains comprehensive sanctions, including paying or reimbursing the expenses of persons from such countries or territories.

c) The Grantee also shall not offer or provide money, gifts, or any other things of value directly or indirectly to anyone in order to improperly influence any act or decision relating to the Grant, the Foundation, or the Project.

4) Recordkeeping; Evaluation and Monitoring.

a) The Grantee is responsible for maintaining complete and accurate records of receipts and expenditures of the Grant funds. Expenditures made in furtherance of the purposes of the Grant shall be charged against the Grant, and records of such expenditures sufficient to enable the use of the Grant funds to be checked readily shall be kept. Although the Grant funds need not be physically segregated, the receipt and expenditure of the Grant funds must be shown separately in the Grantee's accounting records. Those accounting records, as well as copies of any reports submitted to the Foundation as described in Paragraph 5, must be kept by the Grantee for at least four (4) years after completion of the use of the Grant funds and shall be made available to the Foundation for examination upon reasonable request.

b) The Foundation may monitor and conduct an evaluation of operations under the Grant, which may include discussion of the program with the Grantee's personnel, and review of financial and other records and materials connected with the activities financed by the Grant.

5) Reporting. Grantee shall submit reports to the Foundation according to the following schedule:

Report Type	**Due Date**
Interim Report: Narrative Report detailing use of funds, Line Item Budget Report detailing use of funds with receipts	Upon full expenditure of $25,000 Estimated to be July 18, 2025
Final Report: Narrative Report detailing use of funds, Line Item Budget Report detailing use of funds with receipts	Upon full expenditure of $25,000 No later than December 30, 2025 (30 days after Grant End Date)

Each report required hereunder shall contain a financial statement and a narrative account of what was accomplished by the expenditure of the Grant funds, including a description of the progress made toward achieving the purposes of the Grant and a confirmation of the Grantee's compliance with the terms of the Grant. Each financial statement must show all receipts and expenditures of the Grant funds during the period covered by the report using the form of report attached hereto as Exhibit B. Failure to submit any report required hereunder may result in (a) termination of the Grant, and (b) loss of any future funding by the Foundation to the Grantee.

6) Publicity. Either Party may publicly disclose information about the award of this Grant, including the other Party's name, the total amount awarded, and a description of the Project, provided that such Party obtains prior written approval before using the other Party's name for any purpose.

7) Not an Endorsement. Other than with respect to the rights under Paragraph 6, the Grantee shall not state or otherwise imply to third parties that the Foundation directly funds or otherwise endorses the Grantee's Activities.

8) Certifications.

a) The Grantee certifies that it is either

i) a governmental unit described in section 170(c)(1) of the Code; or

ii) exempt from federal income tax under section 501(a) of the Code by reason of being described in section 501(c)(3) and is not a private foundation as defined in Section 509(a) or a Type III supporting organization under section 509(a)(3)(iii).

b) If at any time the tax status of the Grantee is revoked or modified, the Grantee shall notify the Foundation in writing immediately. No further payment hereunder shall be required should the Grantee's tax status change.

c) If Grantee is a governmental unit described in section 170(c)(1) of the Code, the Grantee certifies that

i) it is authorized to receive the grant funds on behalf of the County; and

ii) it has received all approvals required by the applicable appropriations, ethics, and government procurement laws.

9) Intellectual Property. The Grantee hereby grants to the Foundation a perpetual, world-wide, irrevocable, non-exclusive, royalty free, sublicensable license to use, reproduce, distribute, prepare derivative works, publicly perform, publicly display, and translate any materials created or developed using the Grant funds (the "Grant Materials"). Grantee hereby agrees that the Grant Materials shall only be used for charitable, religious, scientific, literary, or educational purposes and shall not be used in violation of any term of this Agreement.

10) Future Funding. The Grantee acknowledges and agrees that the Foundation has not made any actual or implied promise of funding except in the amount and under the terms and conditions stated herein.

11) Notification of Material Change. The Grantee agrees to notify the Foundation immediately of (a) any change in the organizational leadership or key personnel (including, without limitation, directors and officers) of the Grantee, or (b) any material change or adverse development relative to the Grantee's financial condition, operations, activities, or affairs.

12) Compliance with Law. The Grantee agrees to comply with all applicable law.

13) Termination. The Foundation reserves the right to terminate this Agreement if, in its sole discretion, the Foundation determines that the Grantee has made any misrepresentations, has in any way misappropriated funds, or has failed to comply with the terms and conditions of this Agreement, including but not limited to satisfying the reporting requirements. If the Foundation terminates the Agreement, the Foundation may refuse to make any further grant payments to Grantee, and Foundation may demand in writing the return of all or part of the Grant Funds, which Grantee shall immediately repay to Foundation.

14) Entire Agreement. This Agreement represents the entire agreement between the parties with respect to its subject matter.

15) Amendment. This Agreement may not be amended or modified except in a writing with respect to its subject matter.

16) No Waiver. A party's failure to exercise any of its rights under this Agreement is not a waiver of those rights.

17) Severability. Each of this Agreement's provisions is separately enforceable if the intent of the parties can still be fulfilled, and the invalidity of one provision does not affect the validity or enforceability of any other provision.

18) Governing Law. The laws of the District of Columbia apply to this Agreement and all matters arising under it, regardless of any choice-of-law principles otherwise applicable.

19) Notices. Each notice, request, or other communication made under this Agreement shall be in writing addressed to the attention of the person indicated below.

202.942.4238	575.763.6016

20) Counterparts and Signatures. The parties may sign this Agreement in counterparts, each one of which is considered an original, but all of which together, upon delivery, constitute a single instrument. Facsimile or electronic signatures on this Agreement are as binding and enforceable as original signatures.

[*Remainder of page intentionally blank; signature page follows*]

If this Agreement correctly sets forth the Grantee's understanding of the terms of this Grant, please indicate the Grantee's agreement to such terms by having the enclosed copy of this Agreement countersigned by an authorized officer of the Grantee and returned to the Foundation.

We wish you success.

Sincerely,

National Association of Counties Research Foundation

MEMORANDUM

TO: **Board of County Commissioners**
FROM: **Kristian Price, Community Services Administrator**
DATE: **March 12, 2025**
RE: **Curry County Economic Mobility Priorities**

Curry County was selected to participate in the 2024-2025 Rural Leaders for Economic Mobility Program through NACo. NACo has partnered with the Bill & Melinda Gates Foundation to create a peer-learning opportunity for rural local leaders to advance equitable upward economic mobility to move individuals and families out of poverty. NACo selected 10 participant counties, with two individuals from each county. Curry County is the only county in the state of NM selected. Commissioner Seth Martin and the Community Services Administrator, Kristian Price, are the two representatives.

This 18-month program offers many unique opportunities to network with other rural communities and gain ideas for implementing economic mobility programs and strategies for our residents. It will also provide Curry County with $50,000 in grant funding to aid with the planning and implementation of such programming.

Through this process, we are tasked with developing an Economic Mobility Action Plan (MAP) to assist Curry County in making informed decisions about economic growth for its residents and moving individuals out of poverty.

Through meetings with county department heads and elected officials, we have identified the recommendations below to determine your top three that should move forward on the MAP. Once we determine and rank the top three priorities, we must decide on the best route to utilize our $50,000 sub-grant as an investment in our community.

While these recommendations are provided below, please let me know if you have additional thoughts and ideas.

- Childcare
- Film/Tourism/Entertainment
- Natural Resources – water/solar
- Job skills development

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the budgetary comparisons of the General Fund and major special revenue fund of Curry County (the County), as of and for the year ended June 30, 2024, and the related notes to the financial statements which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the budgetary comparisons of the General Fund and major special revenue fund of Curry County, as of June 30, 2024, and the respective changes in financial position and where applicable, cash flows thereof, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Curry County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Curry County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Curry County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Curry County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require Schedules A-1 through B-2 and notes to the Required Supplementary Information on pages 74 through 87 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the *Management Discussion and Analysis* that accounting principles, generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the

Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Curry County's basic financial statements. The combining and individual fund financial statements, the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Supporting Schedules I through VI required by 2.2.2 NMAC are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements, the Schedule of Expenditures of Federal Awards and the Supporting Schedules I through VI required by 2.2.2 NMAC are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 26, 2024 on our consideration of Curry County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Curry County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Curry County's internal control over financial reporting and compliance.

CURRY COUNTY
Governmental Funds
Reconciliation of the Balance Sheet to the Statement of Net Position
June 30, 2024

Amounts reported for governmental activities in the Statement of Net Position are different because:		
Fund balances - total governmental funds	$	35,688,624
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds		84,317,079
Right of use asset, net of accumulated amortization, used in governmental activities are not financial resources and, therefore, are not reported in the funds		43,505
Delinquent property taxes not collected within sixty days after year end are not considered "available" revenues and are considered to be unavailable revenue in the fund financial statements, but are considered revenue in the Statement of Activities		315,901
Deferred outflows and inflows of resources related to pensions and OPEB are applicable to future periods and therefore, are not reported in funds:		
Deferred outflows- pension		3,066,534
Deferred outflows- OPEB		605,348
Deferred inflows- pension		(439,908)
Deferred inflows- OPEB		(2,696,842)
Certain liabilities, including loans and bonds payable and related components, accrued interest, and current and long-term portions of accrued compensated absences, and net pension and OPEB liabilities are not due and payable in the current period and, therefore, are not reported in the funds:		
Accrued compensated absences		(276,299)
Accrued interest		(47,980)
Bond discount (net of amortization)		45,794
Bond premium (net of amortization)		(300,697)
Financed purchase payable		(60,993)
Lease payable		(49,839)
Loans and bonds payable		(14,219,658)
Net pension liability		(13,228,646)
Net OPEB liability		(1,919,189)
Net position of governmental activities	$	90,842,734

The accompanying notes are an integral part of these financial statements.

CURRY COUNTY
Governmental Funds
Reconciliation of the Statement of Revenues, Expenditures, and Changes
in Fund Balances of Governmental Funds to the Statement of Activities
For the Year Ended June 30, 2024

Amounts reported for governmental activities in the Statement of Activities are different because:	
Net change in fund balances - total governmental funds	$ (1,322,513)
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:	
Capital outlay additions reported in capital outlay expenditures	8,366,401
Depreciation expense	(4,154,257)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenue in the funds:	
Change in deferred inflows related to the property taxes receivable	(296,504)
Expenses in the Statement of Activities that are not paid from current financial resources are not reported as expenditures in the funds:	
Amortizaton expense on right of use asset	(130,514)
Governmental funds report County pension and OPEB contributions as expenditures. However in the Statement of Activities, the cost of pension and OPEB benefits earned net of employee contributions is reported as pension and OPEB income (expense):	
County pension contributions subsequent to measurement date	809,126
Net pension expense	(1,455,491)
County OPEB contributions subsequent to the measurement date	147,735
Net OPEB income	732,243
Expenses in the Statement of Activities that do not require current financial resources are not reported as expenditures in the funds:	
Increase in accrued compensated absences	(55,671)
Decrease in accrued interest	4,395
The issuance of long-term debt (e.g. bonds, notes, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities:	
Amortization of bond premium	23,130
Amortization of bond discount	(3,522)
Principal payments on financed purchase payable	18,964
Principal payments on leases	143,689
Principal payments on bonds and loans	1,149,796
Change in net position of governmental activities	$ 3,977,007

The accompanying notes are an integral part of these financial statements.

Total deductions	14,911,185
Change in custodial funds due to others	509,758
Beginning - custodial funds due to others	1,266,085
Ending - custodial funds due to others	$ 1,775,843

The accompanying notes are an integral part of these financial statements.

NOTE 1. Summary of Significant Accounting Policies

Curry County (the "County") is a political sub-division of the State of New Mexico established under the provisions of Section 4-5-1 of NMSA, 1978 compilation and regulated by the constitution of the State of New Mexico. The County operates under a Board of County Commissions-manager form of government and provides the following services as authorized by public law: public safety (sheriff, fire, emergency medical, etc.), roads, health and social services, recreation, sanitation, planning and zoning, property assessment, tax collection and general administrative services. Curry County is a body politic and corporate under the name and form of government selected by its qualified electors. The County may:

1. Sue or be sued;
2. Enter into contracts and leases;
3. Acquire and hold property, both real and personal;
4. Have common seal, which may be altered at pleasure;
5. Exercise such other privileges that are incident to corporations of like character or degree that are not inconsistent with the laws of New Mexico.
6. Protect generally the property of its County and its inhabitants; and
7. Preserve peace and order within the County

The summary of significant accounting policies of the County is presented to assist in the understanding of the County's financial statements. The financial statements and notes are the representation of County's management, who is responsible for their integrity and objectivity. The financial statements of the County have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standard Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The County does not have any material tax abatements to disclose in accordance with GASB Statement No. 77 as of June 30, 2024.

The more significant of the County's accounting policies are described below.

A. Financial Reporting Entity

The financial reporting entity consists of (a) the primary government, (b) organizations for which the primary government is financially accountable and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

In evaluating how to define the County, for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the financial reporting entity was made by applying the criteria set forth in GASB Statement No. 14, as amended by GASB Statement No. 39 and GASB Statement No. 61. Blended component units, although legally separate entities, are in substance part of the government's operations. Each discretely presented component unit is reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the government.

The basic-but not the only-criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters.

NOTE 1. Summary of Significant Accounting Policies (continued)

A. Financial Reporting Entity (continued)

A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the government and/or its citizens.

A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the government is able to exercise oversight responsibilities. Finally, the nature and significance of a potential component unit to the primary government could warrant its inclusion within the reporting entity.

Based upon the application of these criteria, the County has no component units, and is not a component unit of another governmental agency.

B. Government-wide and fund financial statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The Statement of Net Position and the Statement of Activities were prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, gains, losses, assets and liabilities resulting from non-exchange transactions are recognized in accordance with the requirements of GASB Statement No. 33, *Accounting and Financial Reporting for Non-exchange Transactions.*

In the government-wide Statement of Net Position, the governmental activities column (a) is presented on a consolidated basis by column, (b) and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt obligations. The County's net position is reported in three parts – net investments in capital assets; restricted net position; and unrestricted net position.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as *general revenues.*

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

NOTE 1. Summary of Significant Accounting Policies (continued)

C. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements of time, reimbursement and contingencies imposed by the provider are met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting.* Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Sales and use taxes are classified as derived tax revenues and are recognized as revenue when the underlying exchange takes place and the revenues are measurable and available. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met and the susceptible to accrual criteria have been met. All other revenue items are considered to be measurable and available only when cash is received by the County.

Program revenues included in the Statement of Activities are derived directly from the program itself or from parties outside the County's taxpayer or citizenry, as a whole; program revenues reduce the cost of the function to be financed from the County's general revenues. Program revenues are categorized as (a) charges for services, which include revenues collected for fees and use of County facilities, etc., (b) program-specific operating grants, which includes revenues received from state and federal sources to be used as specified within each program grant agreement, and (c) program-specific capital grants and contributions, which include revenues from state sources to be used for capital projects. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

The County reports all direct expenses by function in the Statement of Activities. Direct expenses are those that are clearly identifiable with a function. The County does not currently employ indirect cost allocation systems. Depreciation expense is specifically identified by function and is included in the direct expense of each function. Interest on general long-term debt is considered an indirect expense and is reported separately on the Statement of Activities.

NOTE 1. Summary of Significant Accounting Policies (continued)

C. Measurement focus, basis of accounting, and financial statement presentation (continued)

Proprietary funds distinguish operating revenues and expense from non-operating items. Operating revenues and expenses generally result from providing services in connection with the fund's principal ongoing operations. The principal operating revenue for the County's enterprise funds is charges for services for the County's utilities. Operating expenses for enterprise funds include the cost of services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses

When both restricted and unrestricted resources are available for use, it is the County's policy to use restricted resources first, then unrestricted resources as they are needed.

Under the requirements of GASB Statement No. 34, the County is required to present certain of its governmental funds as major based upon certain criteria. The major funds presented in the fund financial statements include the following, which includes funds that were not required to be presented as major but were at the discretion of management:

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. Revenues are provided through property and other taxes, federal sources, state sources, charges for services, licenses and fees, and other miscellaneous recoveries and revenue. Expenditures include all costs associated with the daily operation of the County except for items included in other funds.

The *American Rescue Plan- Federal Special Revenue Fund is* used to account for COVID-19 relief expenses. Authorized by Public Law No: 117-2 American Rescue Plan Act of 2021.

The *Renovation/ Addition Capital Projects Fund* Is used to provide for additional funding that will be necessary for the renovating and for the addition now in progress for the Adult Detention Center (ADC) Bond Project. With a predetermined amount of bond funding and a determination that additional funding will be necessary to complete the project, the Board of Commission approved the set aside of general fund dollars in anticipation of the need and submitted with the budget to Department of Finance and Administration for approval.

The County reports its proprietary funds as major funds. Proprietary funds include:

The *Events Center and Fairgrounds Fund* accounts for the provision of the County Events Center and fairgrounds to the County residents. All activities necessary to provide such services are accounted for in this fund, including, but not limited to, administration, operations, maintenance, financing and related debt service. The County entered into a management contract with Global Spectrum, LP, to manage and operate the Events Center and Fairgrounds on behalf of the County.

Additionally, the government reports the following fund types:

The Fiduciary Funds are purely custodial (assets equal liabilities) and do not involve measurement of results of operations. The County's fiduciary funds are used to account for the collection and payment of property taxes and special fees to other governmental agencies. The custodial fund is used to account for collection and disbursement of inmate funds for the Curry County Detention Center.

NOTE 1. Summary of Significant Accounting Policies (continued)

C. Measurement focus, basis of accounting, and financial statement presentation (continued)

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported in the Statement of Activities.

D. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position or Equity

A "Pooled Cash" concept is used in maintaining the cash in the accounting records. Under this method, all cash is pooled and each fund has equity in the pooled amount. All amounts included in pool cash are considered to be cash equivalents for the purposes of the statement of cash flows. Negative cash balances in certain funds have been reclassified as due to other funds at year end.

Deposits and Investments: The County's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the County to invest in Certificates of Deposit, obligations of the U.S. Government, and the State Treasurer's Investment Pool.

Investments for the County are reported at fair value. The State Treasurer's Pool operates in accordance with appropriate state laws and regulations. The reported value of the pool is the same as the fair value of the pool shares.

Receivables and Payables: Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds or internal balances" (i.e., the current portion of interfund loans) or "advances to/from other funds or internal balances" (i.e., the non-current portion of inter-fund loans). All other outstanding balances between funds are reported as "due to/from other funds." If one fund has overdrawn its share of an internal investment pool, an inter-fund liability to the fund that loaned the amount is reported.

All receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible. In the government-wide and governmental fund financial statements, delinquent property taxes are recorded when levied. Property taxes attach as an unsubordinated enforceable lien on property as of January 1 of the assessment year. Current year taxes are levied on November 1, unless a formal extension of time is obtained from the Property Tax Division of the New Mexico Department of Finance and Administration. Taxes are due in total on November 10, or optionally in two equal installments on November 10 and April 10 of the next tax year. Although due on November 10 and April 10, the taxes are not delinquent until December 10 and May 10, respectively. In the event the original levy date is formally extended, the respective due dates and delinquency dates are correspondingly extended.

Property taxes are levied on November 1 based on the assessed value of property as listed on the previous January 1 and are due in two payments by November 10 and April 10. Property taxes uncollected after November 10 and April 10 are considered delinquent and the County may assess penalties and interest. The taxes attached as an enforceable lien on property thirty (30) days thereafter, at which time they become delinquent.

NOTE 1. Summary of Significant Accounting Policies (continued)

D. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position or Equity (continued)

Restricted Assets: Restricted assets consist of those funds expendable for debt service purposes but restricted by donors or other outside agencies as to the specific purpose for which they may be expended. Restricted cash in the amount of $137,112 at June 30, 2024 is reported in the statement of net position.

Capital Assets: Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than $5,000 (amount not rounded) and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Curry County was a phase II government for purposes of implementing GASB 34. Therefore, the County was required to report its major general infrastructure assets retroactively to June 30, 1980. The County has made the required restatement for infrastructure assets retroactive to June 30, 1980, in order to properly implement GASB 34. Information Technology Equipment including software is being capitalized and included in furniture, fixtures and equipment in accordance with NMAC 2.20.1.9 C (5).

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

There was no interest expense capitalized by the County during fiscal year 2024. No interest was included as part of the cost of capital assets under construction.

Property, plant, and equipment of the primary government are depreciated using the straight line method over the following estimated useful lives:

Assets	Years
Buildings and building improvements	20-40
Infrastructure	20-40
Equipment and furnishings	5-10

Accrued Expenses: Accrued expenses are comprised of the payroll expenditures based on amounts earned by the employees through June 30, 2024, along with applicable PERA, FICA, RHC and Medicare accruals.

Deferred Outflows of Resources: In addition to assets, the balance sheet reports a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a use of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expenditure) until that time. The County has four types of items that qualify for reporting in this category related to the pension and OPEB plans which are discussed at Notes 10 and 11.

NOTE 1. Summary of Significant Accounting Policies (continued)

D. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position or Equity (continued)

Deferred Inflows of Resources: In addition to liabilities, the balance sheet reports a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Revenue must be susceptible to accrual (measurable and available to finance expenditures of the current fiscal period) to be recognized. If assets are recognized in connection with a transaction, but those assets are not yet available to finance expenditures of the current fiscal period, then the assets must be offset by a corresponding liability for deferred inflows of resources. The County has one type of item, which arises under the modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, the item, unavailable revenue – property taxes, are reported only in the governmental funds balance sheet. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The County has recorded $315,901 related to property taxes that are considered "unavailable". The County also has items that qualify for this category related to leases and the pension and OPEB plans which are discussed at Notes 10 and 11.

Compensated Absences: Qualified employees are entitled to accumulate annual leave according to a graduated leave schedule of ten days to twenty days per year, depending on length of service. Employees must use accumulated leave by the end of the next calendar year or it is lost. Special permission to carry forward accumulated leave beyond the next calendar year must be obtained from the county manager on a case by case basis. Upon termination, employees will be paid for up to 320 hours (forty days) of accrued annual leave. Qualified employees are entitled to accumulate sick leave at a rate of twelve days per year. Sick leave can be carried over from year to year up to 960 hours (120 days). Upon termination employees receive no pay for sick time accumulated.

Vested or accumulated vacation leave that is expected to be liquidated with expendable available financial resources is reported as an expenditure and a fund liability of the governmental fund that will pay it. In prior years, substantially all of the related expenditures have been liquidated by the general fund. Amounts of vested or accumulated vacation leave that are not expected to be liquidated with expendable available financial resources are reported in the government-wide statement of net position.

Long-term Obligations: In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts, are deferred and amortized over the life of the bonds using the effective interest method or the straight-line method if the difference is minimal. Bonds payable are reported net of the applicable bond premium or discount. For fund financial reporting, bond premiums and discounts, as well as issuance costs, are recognized in the period the bonds are issued.

Bond proceeds are reported as another financing source net of the applicable premium or discount. Issuance costs, even if withheld from the actual net proceeds received, are reported as debt service expenditures.

NOTE 1. Summary of Significant Accounting Policies (continued)

D. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position or Equity (continued)

Pensions: For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the New Mexico Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Postemployment Benefits Other Than Pensions (OPEB): For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the New Mexico Retiree Health Care Authority (NMRHCA) and additions to and deductions from NMRHCA's fiduciary net position have been determined on the same basis as they are reported by NMRHCA. For this purpose, NMRHCA recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Fund Balance Classification Policies and Procedures: In the governmental fund financial statements, fund balance is reported in five classifications:

Nonspendable – This classification includes amounts that cannot be spent because they are either (a) not in spendable form, for example, inventories, prepaid amounts, long term amount of loans and note receivable; or (b) legally or contractually required to be maintained intact, for example, debt service reserves. The County has nonspendable fund balance of $811,461 at June 30, 2024.

Restricted – This classification includes amounts that are restricted to a specific purpose. Fund balances are restricted when constraints placed on the use of resources are either: (a) externally imposed by creditors (such as debt covenants) grantors, contributors, or laws or regulations of other governments; (b) enabling legislation, as the term is used authorizes the County to assess, levy, charge, or otherwise mandate payment of resources and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation. The County has $14,752,025 restricted fund balances at June 30, 2024.

Committed – This classification includes amounts that can only be used for specific purposes to constraints imposed by formal action of the highest level of Authority, the County Commission. Those committed amounts cannot be used for any other purpose unless the Council removes or changes the specific use by taking the same type of action (for example, resolution or ordinance) it employed to previously commit those amounts. The County has $4,356,563 in committed fund balance at year end June 30, 2024.

Assigned – This classification includes amounts that are constrained by the County's *intent* to be used for specific purposes, but are neither restricted nor committed and should be reported as assigned fund balance. The County Commission has delegated the authority to assign amounts to be used for specific purposes, however the County does not have assigned fund balances at June 30, 2024.

NOTE 1. Summary of Significant Accounting Policies (continued)

D. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position or Equity (continued)

Minimum Fund Balance Policy: The County's policy for maintaining a minimum amount of fund balance for operations is to minimize any sudden and unplanned discontinuity to programs and operations and for unforeseen contingencies. At a minimum, the budget shall ensure that the County holds cash reserves of 3/12th the General Fund expenditures and a cash reserve of 1/12th the Road Special Revenue Fund. The County has also presented committed fund balance on the governmental funds balance sheet including $4,034,122 for minimum fund balance for the general fund and $322,441 for the road fund for the year ended June 30, 2024.

Net Position: Equity is classified as net position and displayed in three components:

a. Net Investment in Capital Assets: Net investment in capital assets consist of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

b. Restricted Net Position: Consist of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulation of other governments; or (2) law through constitutional provisions or enabling legislation. Descriptions for the related restrictions for net position restricted for "special revenue, and capital projects" are described on pages 35 and 90-96. The government-wide statement of net position reports $15,243,552 of restricted net position, all of which is restricted by enabling legislation.

c. Unrestricted Net Position: All other net position that do not meet the definition of "restricted" or "net investment in capital assets."

Interfund Transactions: Quasi-external transactions are accounted for as revenues, expenditures or expenses. Transactions that constitute reimbursements to a fund from expenditures/expenses initially made from it that are properly applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund and as reductions of expenditures/expenses in the fund that is reimbursed.

All other interfund transactions, except quasi-external transactions and reimbursements, are reported as transfers. Nonrecurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other interfund transfers are reported as operating transfers.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Newly Adopted Accounting Pronouncements

During the year ended June 30, 2024 the County adopted GASB Statement *No. 100 Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62.* This pronouncement does not have a significant impact on these financial statements.

NOTE 2. Stewardship, Compliance, and Accountability

Budgetary Information

Preliminary annual budgets of the County are prepared prior to June 1 and must be approved by resolution of the County Commissioners, and submitted to the Local Government Division of the State Department of Finance and Administration for approval. The budget is formally approved prior to July 31. Any amendments must also be approved by the Board of County Commissioners and the Department of Finance and Administration.

A separate budget is prepared for each fund. Line items within each budget may be over expended; however, it is not legally permissible to over expend at the fund level.

These budgets are prepared on the Non-GAAP cash basis and secure appropriation of funds for only one year. Carryover funds must be re-appropriated in the budget of the subsequent year.

The budget information presented in these financial statements has been amended in accordance with the above procedures.

Formal budgetary integration is employed as a management control device during the year for the General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds, and Proprietary Funds. The County is required to balance its budgets each year. Accordingly, amounts that are excess or deficient are presented as changes in cash designated for expenditures, not as an excess or deficiency of revenues over expenditures.

The budgetary information presented in these financial statements has been properly amended by County Commissioners in accordance with the above procedures. These amendments resulted in the following changes:

	Excess (deficiency) of revenues over expenditures Operating income (loss)	
	Original Budget	Final Budget
Budgeted Funds:		
General Fund	$ 4,030,196	$ 8,556,043
American Rescue Plan	$ (6,676,627)	$ (6,671,047)

The accompanying Statements of Revenues, Expenditures, and Changes in Fund Balance – Budget (Non-GAAP Budgetary Basis) and Actual and Statements of Revenues, Expenses and Changes in Net Position – Budget (Non-GAAP Budgetary Basis) and Actual present comparisons of the legally adopted budget with actual data on a budgetary basis.

Since accounting principles applied for purposes of developing data on a budgetary basis differ significantly from those used to present financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP), a reconciliation of resultant basis, perspective, equity and timing differences in the excess (deficiency) of revenues and other sources of financial resources for the year ended June 30, 2024 is presented. Reconciliations between the Non-GAAP budgetary basis amounts and the financial statements on the GAAP basis by fund can be found on each individual budgetary statement.

NOTE 3. Deposits and Investments

State statutes authorize the investment of County funds in a wide variety of instruments including certificates of deposit and other similar obligations, state investment pool, money market accounts, and United States Government obligations. All invested funds of the County properly followed State investment requirements as of June 30, 2024. There are no specific state laws governing the ability to spend net appreciation and investment income.

Deposits of funds may be made in interest or non-interest bearing checking accounts in one or more banks or savings and loan associations within the geographical boundaries of the County. Deposits may be made to the extent that they are insured by an agency of the United States or collateralized as required by statute. The financial institution must provide pledged collateral for 50% of the deposit amount in excess of the deposit insurance.

The rate of interest on non-demand interest-bearing accounts shall be set by the State Board of Finance, but in no case shall the rate of interest be less than one hundred percent of the asked price on United States treasury bills of the same maturity on the day of deposit.

Excess funds may be temporarily invested in securities which are issued by the State or by the United States government, or by their departments or agencies, and which are either direct obligations of the State or the United States or are backed by the full faith and credit of those governments.

All of the County's accounts at an insured depository institution, including all noninterest-bearing transaction accounts, will be insured by the FDIC up to the standard maximum deposit insurance amount of $250,000.

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. The County does not have a deposit policy for custodial credit risk, other than following state statutes as set forth in the Public Money Act (Section 6-10-1 to 6-10-63, NMSA 1978). Section 6-10-17, New Mexico Statutes Annotated, 1978 Compilation requires that all depositories provide collateral equal to at least one-half of the amount of public monies on deposit that are uninsured by FDIC limits. All depositories, had collateral exceeding the amount required by law. As of June 30, 2024, none of the County's bank balance of $71,646 were exposed to custodial credit risk.

NOTE 3. Deposits and Investments (continued)

	New Mexico Bank &Trust	Total
Amount of deposits	$ 71,646	$ 71,646
FDIC Coverage	(71,646)	(71,646)
Total uninsured public funds	-	-
Collateralized by securities held by pledging institution or by its trust department or agent in other than the County's name	-	-
Uninsured and uncollateralized	$ -	$ -
Collateral requirement (50% of uninsured funds)	$ -	$ -
Pledged Collateral	-	-
Over (Under) collateralized	$ -	$ -

The collateral pledged is listed on Schedule II of this report. The types of collateral are limited to direct obligations of the United States Government and all bonds issued by any agency, County, or political subdivision of the State of New Mexico.

Investments

As of June 30, 2024, the County had the following short-term investment maturities:

Short-term Investment Types	Fair Value	Maturities Less than 1 year
Repurchase Agreements	$ 13,260,428	$ 13,260,348

Statutes require collateral pledged for repurchase agreements in excess of the federal deposit insurance to be delivered, or a joint safekeeping receipt be issued, to the County for at least one hundred and two percent of the amount on deposit with the institution. The schedule listed below discloses requirements on reporting the insured portion of the County's repurchase agreements.

Custodial Credit Risk – Deposits. Custodial credit risk is the risk that in the event of bank failure, the County's deposits may not be returned to it. The County does not have a deposit policy for custodial credit risk, other than the following state statutes as put forth in the Public Money Act (Section 6-10-1 to 6-10-63, NMSA 1978.) At June 30, 2024, $13,010,428 of the County's deposits of $13,260,428 was exposed to custodial credit risk. $13,010,428 was uninsured and collateralized by collateral held by the pledging bank's trust department, not in the County's name. As of June 30, 2024, there were no amounts uninsured and uncollateralized. New Mexico State Statutes require collateral pledged for deposits in excess of the federal deposit insurance to be delivered, or a joint safekeeping receipt be issued, to the County for a least one half of the amount on deposit with the institution. The schedule listed below will meet the State of New Mexico, Office of the State Auditor's requirements in reporting the insured portion of the deposits.

NOTE 3. Deposits and Investments (continued)

	New Mexico Bank &Trust
Amount of deposits	$ 13,260,428
FDIC Coverage	(250,000)
Total uninsured public funds	13,010,428
Collateralized by securities held by pledging institution or by its trust department or agent in other than the County's name	13,010,428
Uninsured and uncollateralized	$ -
Collateral requirement (102% of uninsured funds)	$ 13,270,637
Pledged Collateral	13,530.903
Over (Under) collateralized	$ 260,266

Credit Risk

The New MexiGROW Local Government Investment Pool's (LGIP) investments are valued at fair value based on quoted market prices as of the valuation date. The LGIP is not SEC registered. The New Mexico State Treasurer is authorized to invest the short-term investment funds, with the advice and consent of the State Board of Finance, in accordance with Sections 6-10-10(I) through 6-10-10(P) and Sections 6-10-10.1(A) and (E), NMSA 1978. The LGIP's investments are monitored by the same policies and procedures that apply to all other state investments. The pool does not have unit shares. Per Section 6-10-10.1(F), NMSA 1978, at the end of each month all interest earned is distributed by the State Treasurer to the contributing entities in amounts directly proportionate to the respective amounts deposited in the fund and the length of time the fund amounts were invested. Participation in the LGIP is voluntary.

The County has investments held in U.S. Treasury Money Market Mutual Funds, as well as U.S. Fixed Income Securities as of June 30, 2024. Also, the County has investments which are managed by NMFA, on deposit with the State Treasurer's office, in NMFA's name for the benefit of the County.

As of June 30, 2024, the County had the following investments and maturities:

Investment Type	Weighted Average Maturities	Fair Value	Rating**
New Mexico Local Government Investment Pool	30 Day (R); 39 Days (F)	$ 5,023,351	AAAm
U.S Government Mutual Funds	<365 days	24,323,732	Not Rated
U.S. Treasury Money Market Fund	<365 days	222,520	Aaa
		$ 29,569,603	

**Based off Moody's rating

NOTE 3. Deposits and Investments (continued)

As of June 30, 2024, all investments are classified as cash equivalents as they can be converted to cash within 90 days. The County has funds which are managed by NMFA which are considered restricted cash and cash equivalents totaling $137,112.

Interest Rate Risk – Investments. The County has a formal investment policy limiting investment maturities to reduce interest rate risk. The County's policy outlines that the maximum maturity or duration of the securities purchased for an account shall not be greater than ten (10) years. The maximum maturity or duration of time deposits for an account shall not be greater than five (5) years. The average weighted maturity or duration of any portfolio shall be three (3) years or less. The Investment Officer may require any portfolio to have a lower maturity or duration. In the case of Mortgage Backed Securities, (MBS) the average life of the MBS pools should not exceed seven (7) years.

Concentration of Credit Risk – Investments. For an investment, concentration of credit risk is when any one issuer is 5% or more of the investment portfolio of the County. All investments listed above, are above the 5% threshold. Since the County only purchases investments with the highest credit rating, the concentration is not viewed to be an additional risk by the County. The County's policy related to concentration of credit risk is to comply with the state statute as put forth in the Public Money Act (Section 6-10-1 to 6-10-63, NMSA 1978).

The County utilizes pooled accounts for their funds. The General, Special Revenue, Capital Projects, and Fiduciary Funds are all in multiple accounts.

Fair Value Measurement

The fair value framework uses a hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the County has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. See above for discussion of valuation methodologies used to measure fair value of investments.

NOTE 3. Deposits and Investments (continued)

The valuation methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the County believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the County's assets at fair value as of June 30, 2024:

Total	Level 1	Level 2	Level 3
$ 29,569,603	$ -	$ 29,569,603	$ -

Primary Government

Reconciliation to the Statement of Net Position:

Cash and cash equivalents per Exhibit A-1	$ 37,701,307
Restricted cash and cash equivalents per Exhibit A-1	137,112
Cash - Statement of Fiduciary Assets and Liabilities per Exhibit E-1	64,248
Total cash, investments, and cash equivalents	37,902,667
Add: outstanding checks and other reconciling items	5,000,248
Less: NMFA restricted accounts	(222,520)
Less: U.S Government Securities	(24,323,732)
Less: New Mexico State Treasurer Local Government Investment Pool	(5,023,351)
Less: petty cash	(1,238)
Bank balance of deposits	$ 13,332,074

NOTE 4. Receivables

Governmental receivables as of June 30, 2024 are comprised of the following:

Governmental activities

	General Fund	Other Governmental Funds	Total
Taxes receivable:			
Property taxes	$ 523,471	$ -	$ 523,471
Gross receipts taxes	1,788,731	313,740	2,102,471
Oil and gas taxes	-	48,813	48,813
MVD taxes	22,326	122,499	144,825
Other	-	17,518	17,518
Total taxes receivable	2,334,528	502,570	2,837,098
Due from other governments:			
State grants	-	819,189	819,189
Federal grants	-	540,721	540,721
Total due from other governments	-	1,359,910	1,359,910
Accounts receivable, net	$ 2,334,528	$ 1,862,480	$ 4,197,008

In accordance with GASB Statement No. 33, property tax revenues in the amount of $315,901 that were not collected within the period of availability have been reclassified as unearned revenue in the governmental fund financial statements as of June 30, 2024.

NOTE 5. Interfund Receivables, Payables, and Transfers

The County records temporary interfund receivables and payables to cover cash deficits related to accounts payable. All interfund balances are to be repaid within one year.

Due from other funds	Due to other funds	Amount
General Fund	Field Fire District	$ 44,931

Total	$ 15,670,039	$180,513	$ 1,293,602	$ 14,556,950	$ 1,485,153

NOTE 7. Long-term Debt (continued)

Gross Receipts Revenue Bonds

Bonds outstanding at June 30, 2024 consisted of the following:

Gross Receipts Tax Revenue Bond – 12/24/2014 Issue
Original issue – $13,750,000
Interest due – December 1 and June 1
Principal due – December 1
Maturity Date – December 1, 2036
Interest rates from 2.00% to 5.00%

The annual requirements to amortize the governmental activity bonds as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 615,000	$ 356,328	$ 971,328
2026	645,000	324,825	969,825
2027	680,000	298,500	978,500
2028	700,000	277,800	977,800
2029	720,000	255,600	975,600
2030-2034	3,975,000	900,526	4,875,526
2035-2039	2,730,000	196,287	2,926,287
Total	$ 10,065,000	$ 2,609,866	$ 12,674,866

Gross Receipts Revenue Bonds have been liquidated by the ¼% county hold harmless gross receipt tax transferred to the County pursuant to Section 7-1-613 NMSA 1978.

NOTE 7. Long-term Debt (continued)

PPRF-4776

On November 21, 2018 the County entered into a loan agreement with the New Mexico Finance Authority for the renovation of the ADC and courthouse. The original amount of the loan is $3,526,449. Interest on the loan is 1.860-3.660%. The term of the loan is for twenty years and payments are made from the NMFA/ADC/CH-REN fund.

The annual requirements to amortize the PPRF-4776 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 159,217	$ 88,436	$ 247,653
2026	163,277	84,376	247,653
2027	167,603	80,050	247,653
2028	172,179	75,474	247,653
2029	177,017	70,636	247,653
2030-2034	973,517	264,746	1,238,263
2035-2039	907,090	83,522	990,612
Total	$ 2,719,900	$ 747,240	$ 3,467,140

PPRF-5197

On June 26, 2020 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and equip of four new motor graders. The original amount of the loan is $1,191,400. Interest on the loan is 1.05%. The term of the loan is for five years and payments are made from the Road Fund.

The annual requirements to amortize the PPRF-5197 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 250,419	$ 2,930	$ 253,349
Total	$ 250,419	$ 2,930	$ 253,349

NOTE 7. Long-term Debt (continued)

PPRF-5558

On June 25, 2021 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and equip new public works utility vehicles. The original amount of the loan is $636,372. Interest on the loan is .15 % to .49%. The term of the loan is for five years and payments are made from the Road Fund.

The annual requirements to amortize the PPRF-5197 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 76,676	$ 1,902	$ 78,578
2026	330,308	1,619	331,927
Total	$ 406,984	$ 3,521	$ 410,505

PPRF-5570

On June 25, 2022 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and fire equipment. The original amount of the loan is $181,677. Interest on the loan is .11 % to 1.39 %. The term of the loan is for twelve years and payments are made from the Pleasant Hill Fire District Fund.

The annual requirements to amortize the PPRF-5570 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 17,956	$ 1,140	$ 19,096
2026	18,010	1,086	19,096
2027	18,091	1,004	19,095
2028	18,194	902	19,096
2029	18,321	774	19,095
2030-2034	55,949	1,336	57,285
Total	$ 146,521	$ 2,226	$ 38,192

NOTE 7. Long-term Debt (continued)

PPRF-5574

On June 25, 2022 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and fire equipment. The original amount of the loan is $278,087. Interest on the loan is .11 % to 1.94%. The term of the loan is for twelve years and payments are made from the Ranchvale Fire District.

The annual requirements to amortize the PPRF-5574 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending Jnne 30,	Principal	Interest	Total Debt Service
2025	$ 24,896	$ 2,094	$ 26,990
2026	24,971	2,018	26,989
2027	25,083	1,906	26,989
2028	25,226	1,764	26,990
2029	25,403	1,587	26,990
2030-2034	104,052	3,906	107,958
Total	$ 229,631	$ 13,275	$ 242,906

PPRF-5622

On June 25, 2022 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and fire equipment. The original amount of the loan is $278,087. Interest on the loan is .2% to 1.61 %. The term of the loan is for ten years and payments are made from the Broadview Fire District Fund.

The annual requirements to amortize the PPRF-5622 as of June 30, 2024, including interest payments are as follows:

2026	30,182	2,310	32,492
2027	30,357	2,136	32,493
2028	30,590	1,902	32,492
2029	30,872	1,620	32,492
2030-2034	94,760	2,719	97,479
Total	$ 246,813	$ 13,641	$ 260,454

NOTE 7. Long-term Debt (continued)

PPRF-5833

On August 19, 2022 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and fire equipment. The original amount of the loan is $86,800. Interest on the loan is 2%. The term of the loan is for ten years and payments are made from the Countyline Fire Fund.

The annual requirements to amortize the PPRF-5833 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 8,197	$ 1,600	$ 9,797
2026	8,361	1,436	9,797
2027	8,528	1,268	9,796
2028	8,698	1,098	9,796
2029	8,872	924	9,796
2030-2034	37,300	1,883	39,183
Total	$ 79,956	$ 8,209	$ 88,165

PPRF-5842

On August 19, 2022 the County entered into a loan agreement with the New Mexico Finance Authority for the purchase and fire equipment. The original amount of the loan is $80,000. Interest on the loan is 2%. The term of the loan is for ten years and payments are made from the Pleasant Hill Fire District Fund.

The annual requirements to amortize the PPRF-5833 as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 6,798	$ 1,488	$ 8,286
2026	6,934	1,352	8,286
2027	7,072	1,214	8,286
2028	7,214	1,072	8,286
2029	7,358	928	8,286
2030-2034	39,058	2,376	41,434
Total	$ 74,434	$ 8,430	$ 82,864

NOTE 7. Long-term Debt (continued)

Financed Purchases Payable

In February 2021 the County entered into a financed purchase agreement of a full body scanner. The original amount of the lease was $137,424. The lease is for 7 years at 3.524%.

The annual requirements to amortize the financed purchase with John Deere as of June 30, 2024, including interest payments are as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 19,643	$ 2,440	$ 22,083
2026	20,346	2,310	22,656
2027	21,004	2,136	23,140
Total	$ 60,993	$ 6,886	$ 67,879

Compensated Absences – Employees of the County are able to accrue a limited amount of vacation and other compensatory time during the year. During fiscal year June 30, 2024, compensated absences for governmental activities increased $55,671 from the prior year accrual.

NOTE 8. Risk Management

The County is subject to risk of loss through areas of general liability, worker's compensation, and natural disaster. To minimize the risk of loss for general liability, the County has insurance coverage through a private common carrier. The coverage includes commercial general liability, property, inland marine, crime, errors and omissions and automobile. The coverage limitation varies for each type of coverage purchased.

The assumption of risk transfers upon payment of premiums within the policy limits. To minimize the risk of loss for workers' compensation, the County participates in the New Mexico County Insurance Association (a risk pool of counties within the State of New Mexico). The pool is self-insured for workers' compensation claims up to $300,000. Above that amount, the pool maintains an Excess Employers' Reinsurance Policy.

NOTE 9. Other Required Individual Fund Disclosures

Generally accepted accounting principles require disclosures of certain information concerning individual funds including:

A. Deficit fund balance of individual funds. The following funds had a deficit fund balance for the year ended June 30, 2024.

Non-major Funds	
Special DWI Grant	$ 2,176
Safe Streets for All	1,969
CAP Cost Overruns	438
Summer Enrichment Internship	1,262
CC Fire VFA Grant Fed	13,735
VFA Fire Fighting Equipment	1
Bulletproof Vest Program Vest	1,494
Crime Reduction Grant	3,380
Total	$ 24,455

B Excess of expenditures over appropriations. There were no funds expenditures were in excess of the budgeted appropriations for the year ended June 30, 2024.

C Designated cash appropriations in excess of available balances. There were one fund with designated cash appropriation in excess of available balances for the year ended June 30, 2024. American Rescue Plan Special Revenue Fund had cash appropriations in excess of available balances in the amount of $5,579.

NOTE 10. Pension Plan – Public Employee Retirement Association of NM

General Information about the Pension Plan

Public Employees Retirement Fund is a cost-sharing, multiple employer defined benefit pension plan. This fund has six divisions of members, including State General, State Police/Adult Correction Officers, Municipal General, Municipal Police/Detention Officers, Municipal Fire, and State Legislative Divisions, and offers 24 different types of coverage within the PERA plan. All assets accumulated may be used to pay benefits, including refunds of member contributions, to any of the plan members or beneficiaries, as defined by the terms of this plan. Certain coverage plans are only applicable to a specific division. Eligibility for membership in the Public Employees Retirement Fund is set forth in the Public Employees Retirement Act (Chapter 10, Article 11, NMSA 1978). Except as provided for in the Volunteer Firefighters Retirement Act (10-11A-1 to 10-11A-7, NMSA 1978), the Judicial Retirement Act (10-12B-1 to 10-12B-19, NMSA 1978), the Magistrate Retirement Act (10-12C-1 to 10-12C-18, NMSA 1978), and the Educational Retirement Act (Chapter 22, Article 11, NMSA 1978), each employee and elected official of every affiliated public employer is required to be a member in the Public Employees Retirement Fund, unless specifically excluded. PERA issues a publicly available annual comprehensive financial report that can be obtained at https://www.nmpera.org/financial-overview/.

Benefits Provided – Benefits are generally available at age 65 with five or more years of service or after 25 years of service regardless of age for TIER I members. Provisions also exist for retirement between ages 60 and 65, with varying amounts of service required. Certain police and fire members may retire at any age with 20 or more years of service for Tier I members. Generally, the amount of retirement pension is based on final average salary, which is defined under Tier I as the average of salary for the 36 consecutive months of credited service producing the largest average; credited service; and the pension factor of the applicable coverage plan. Monthly benefits vary depending upon the plan under which the member qualifies, ranging from 2% to 3.5% of the member's final average salary per year of service. The maximum benefit that can be paid to a retiree may not exceed a range of 60% to 90% of the final average salary, depending on the division. Benefits for duty and non-duty death and disability and for post-retirement survivors' annuities are also available.

TIER II

The retirement age and service credit requirements for normal retirement for PERA state and municipal general members hired increased effective July 1, 2013. Under the new requirements (Tier II), general members are eligible to retire at any age if the member has at least five years of service credit and the sum of the member's age and service credit equals at least 85 or at age 65 with 5 or more years of service credit. General members hired on or before June 30, 2013 (Tier I) remain eligible to retire at any age with 25 or more years of service credit. Under Tier II, police and firefighters in Plans 3, 4 and 5 are eligible to retire at any age with 25 or more years of service credit. State police and adult correctional officers, peace officers and municipal juvenile detention officers will remain in 25-year retirement plans, however, service credit will no longer be enhanced by 20%. All public safety members in Tier II may retire at age 60 with 5 or more years of service credit. Generally, under Tier II pension factors were reduced by .5%, employee Contribution increased 1.5 percent and effective July 1, 2014 employer contributions were raised .05 percent. The computation of final average salary increased as the average of salary for 60 consecutive months.

NOTE 10. Pension Plan – Public Employee Retirement Association of NM (continued)

Contributions – See PERA's annual comprehensive financial report that can be obtained on PERA's website for contribution description.

PERA Contribution Rates and Pension Factors in effect during FY23						
Coverage Plan	Employee Contribution Percentage		Employer Contribution Percentage	Pension Factor per year of Service		Pension Maximum as a Percentage of the Final Average Salary

NOTE 10. Pension Plan – Public Employee Retirement Association of NM (continued)

Pension Liabilities, Pensian Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions –

PERA Fund Division Municipal General: At June 30, 2024, the County reported a liability of $10,596,931 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2022. The total pension liability was rolled-forward from the valuation date to the plan year ending June 30, 2023 using generally accepted actuarial principles. Therefore, the employer's portion was established as of the measurement date of June 30, 2022. There were no significant events or changes in benefit provision that required an adjustment to the roll-forward liabilities as of June 30, 2023. The County's proportion of the net pension liability was based on a projection of the County's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2023, the County's proportion was 0.50045%, which was an increase of 0.00115% from its proportion measured as of June 30, 2023.

For the year ended June 30, 2024, the County recognized pension expense of $1,125,049. At June 30, 2024, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	$ 795,343	$ 129,327
Net difference between projected and actual earnings on pension plan investments	996,361	-
Changes of assumptions	-	-
Changes in proportion	13,357	281,976
County's contributions subsequent to the measurement date	640,833	-
Total	$ 2,445,894	$ 411,303

$640,833 reported as deferred outflows of resources related to pensions resulting from the County's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pensions expense as follows:

NOTE 10. Pension Plan – Public Employee Retirement Association of NM (continued)

Year ended June 30:		
2025	$	294,850
2026		80,744
2027		927,440
2028		90,724
Thereafter		-
Total	$	1,393,758

PERA Fund Division Municipal Police: At June 30, 2024, The County reported a liability of $2,631,715 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2022. The total pension liability was rolled-forward from the valuation date to the plan year ending June 30, 2023 using generally accepted actuarial principles. Therefore, the employer's portion was established as of the measurement date of June 30, 2022. There were no significant events or changes in benefit provision that required an adjustment to the roll-forward liabilities as of June 30, 2023. The County's proportion of the net pension liability was based on a projection of the County's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2024, the County's proportion was 0.27289 percent, which was an increase of 0.00411 percent from its proportion measured as of June 30, 2023.

For the year ended June 30, 2024, the County recognized pension expense of $330,442. At June 30, 2024, The County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	**Deferred Inflows of Resources**
Difference between expected and actual experience	$ 225,438	$ -
Net difference between projected and actual earnings on pension plan investments	218,572	-
Changes of assumptions	-	-
Changes in proportion	8,337	28,605
County's contributions subsequent to the measurement date	168,293	-
Total	$ 620,640	$ 28,605

$168,293 reported as deferred outflows of resources related to pensions resulting from the County's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pensions expense as follows:

NOTE 10. Pension Plan – Public Employee Retirement Association of NM (continued)

Year ended June 30:		
2025	$	151,502
2026		46,509
2027		205,775
2028		19,956
Thereafter		-
Total	$	423,742

Actuarial assumptions. The total pension liability in the June 30, 2022 actuarial valuation was determined using the following significant actuarial assumptions, applied to all periods included in the measurement:

PERA FUND	
Actuarial Valuation Date	June 30, 2022
Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll for all divisions except for the Legislative division with is Level Dollar.
Amortization Period	25 years
Actuarial Assumptions:	
Investment Rate of Return	7.25% annual rate, net of investment expense
Projected benefit payment	100 years
Projected Salary increases	3.25% to 13.50% annual rate
Includes Inflation at	2.50%
	2.75% all other years
Mortality Assumption	The mortality assumptions are based on the RPH-2014 Blue Collar mortality table with female ages set forward one year. Future improvement in mortality rates is assumed using 60% of the MP-2017 projection scale generational. For non- public safety groups, 25% of in-service deaths are assumed to be duty related and 35% are assumed to be duty-related for public safety groups.
Experience Study Dates	July 1, 2008 to June 30, 2017 (demographic) and July 1, 2013 through June 30, 2017 (economic)

The total pension liability, net pension liability, and certain sensitivity information are based on an actuarial valuation performed as of June 30, 2022. The total pension liability was rolled-forward from the valuation date to the plan year ended June 30, 2023. These assumptions were adopted by the Board use in the June 30, 2022 actuarial valuation.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

NOTE 10. Pension Plan – Public Employee Retirement Association of NM (continued)

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Global Equity	38.00%	6.90%
Risk Reduction & Mitigation	17.00%	3.90%
Credit Oriented Fixed Income	19.00%	6.00%
Real Assets to include Real Estate Equity	18.00%	7.00%
Multi-Risk Allocation	8.00%	0.61%
Total	100.00%	

Discount rate. A single discount rate of 7.25% was used to measure the total pension liability as of June 30, 2023. This single discount rate was based on a long-term expected rate of return on pension plan investments of 7.25% compounded annually, net of expense. Based on the stated assumptions and the projection of cash flows, the plan's fiduciary net position and future contributions were projected to be available to finance all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the total pension liability.

The projections of cash flows used to determine this single discount rate assumed that plan member and employer contributions will be made at the current statutory levels.

Sensitivity of the County's proportionate share of the net pension liability to changes in the discount rate. The following presents the County's proportionate share of the net pension liability calculated using the discount rate of 7.25 percent, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.25 percent) or 1-percentage-point higher (8.25 percent) than the current rate:

PERA Fund Municipal General Division	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
County's proportionate share of the net pension liability	$ 15,363,967	$ 10,596,931	$ 6,633,520

PERA Fund Municipal Police Division	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
County's proportionate share of the net pension liability	$ 3,789,887	$ 2,631,715	$ 1,683,690

Pension plan fiduciary net position. Detailed information about the pension plan's fiduciary net position is available in separately issued PERA'S financial reports.

Payables to the pension plan. At June 30, 2024, the County had payables to the plan in the amount of $76,342.

NOTE 11. Post-Employment Benefits – State Retiree Health Care Plan

General Information about the OPEB

Plan description. Employees of the District are provided with OPEB through the Retiree Health Care Fund (the Fund)—a cost-sharing multiple-employer defined benefit OPEB plan administered by the New Mexico Retiree Health Care Authority (NMRHCA). NMRHCA was formed February 13, 1990, under the New Mexico Retiree Health Care Act (the Act) of New Mexico Statutes Annotated, as amended (NMSA 1978), to administer the Fund under Section 10-7C-1-19 NMSA 1978. The Fund was created to provide comprehensive group health insurance coverage for individuals (and their spouses, dependents and surviving spouses) who have retired or will retire from public service in New Mexico.

NMRHCA is an independent agency of the State of New Mexico. The funds administered by NMRHCA are considered part of the State of New Mexico financial reporting entity and are OPEB trust funds of the State of New Mexico. NMRHCA's financial information is included with the financial presentation of the State of New Mexico.

Benefits provided. The Fund is a multiple employer cost sharing defined benefit healthcare plan that provides eligible retirees (including terminated employees who have accumulated benefits but are not yet receiving them), their spouses, dependents and surviving spouses and dependents with health insurance and prescription drug benefits consisting of a plan, or optional plans of benefits, that can be contributions to the Fund and by co-payments or out-of-pocket payments of eligible retirees.

Employees covered by benefit terms – At June 30, 2023, the Fund's measurement date, the following employees were covered by the benefit terms:

Plan membership	
Current retirees and surviving spouses	52,978
Inactive and eligible for deferred benefit	12,552
Current active members	93,595
	159,125
Active membership	
State general	18,462
State police and corrections	1,260
Municipal general	17,283
Municipal police	3,169
Municipal fire	2,419
Educational Retirement Board	51,002
	93,595

Contributions – Employer and employee contributions to the Fund total 3% for non-enhanced retirement plans and 3.75% of enhanced retirement plans of each participating employee's salary as required by Section 10-7C-15 NMSA 1978. The contributions are established by statute and are not based on an actuarial calculation. All employer and employee contributions are non-refundable under any circumstance, including termination of the employer's participation in the Fund. Contributions to the Fund from the County were $147,735 for the year ended June 30, 2024.

NOTE 11. Post-Employment Benefits – State Retiree Health Care Plan (continued)

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At June 30, 2024, the County reported a liability of $1,919,189 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2023, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as June 30, 2023. The County's proportion of the net OPEB liability was based on actual contributions provided to the Fund for the year ending June 30, 2023. At June 30, 2023, the County's proportion was 0.1127 percent.

For the year ended June 30, 2024, the County recognized OPEB income of $732,243. At June 30, 2024 the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 32,444	$ 347,470
Net difference between expected and actual investments on OPEB plan investments	41,035	-
Change of assumptions	369,341	1,B10,438
Changes in proportion	14,793	53B,934
County's contributions subsequent to the	147,735	-
Total	$ 605,34B	$ 2,696,842

Deferred outflows of resources totaling $147,735 represent County contributions to the Fund made subsequent to the measurement date and will be recognized as a reduction of net OPEB liability in the year ending June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in OPEB expense as follows:

Year ended June 30:	
2025	$ (692,998)
2026	(478,044)
2027	(600,454)
202B	(356,961)
2029	(110,772)
Total	$ (2,239,229)

NOTE 11. Post-Employment Benefits – State Retiree Health Care Plan (continued)

Actuarial assumptions. The total OPEB liability as of June 30, 2023 was determined by an actuarial valuation using the following actuarial assumptions:

Validation date	June 30, 2023
Actuarial cost method	Entry age normal, level percentof pay, calculated on individual employee basis
Asset valuation method	Market value ofassets
Actuarial assumptions:	
Inflation	2.30% for ERB; 2.50% for PERA members
Projected payroll increases	3.00% to 13.00%, based on years of service, including inflation
Investment rate of return	7.00%, net of OPEB plan investment expense and margin for adverse deviation including inflation
Health care cost trend rate	8% graded down to 4.50% over 14 years for Non-Medicare medical plan costs and 8.50% graded down to 4.50% over 16 years for Medicare medical plan costs
Mortality	ERB members: 2020 GRS Southwest Region Teacher Mortality Table, set back one year (and scaled at 95% for males). Generational mortality improvements in accordance with the Ultimate MP scales are projected from the year 2020. PERA members: Headcount-Weighted RP-2014 Blue Collar Annuitant Mortality, set forward one year for females, projected generationally with Scale MP-2017 times 60%.

Rate of Return. The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which the expected future real rates of return (net of investment fees and inflation) are developed for each major asset class. These returns are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adding expected inflation and subtracting expected investment expenses and a risk margin. The target allocation and projected arithmetic real rates of return for each major asset class, after deducting inflation, but before investment expenses, used in the derivation of the long-term expected investment rate of return assumptions.

NOTE 11. Post-Employment Benefits – State Retiree Health Care Plan (continued)

The best estimates for the long-term expected rate of return is summarized as follows:

Asset Class	Long-Term Rate of Return
U.S. core fixed income	1.6%
U.S. equity - large cap	6.9%
Non U.S. - emerging markets	8.7%
Non U.S. - developed equities	7.2%
Private equity	10.0%
Credit and structured finance	3.7%
Real estate	3.6%
Absolute return	3.2%
U.S. equity - small/mid cap	6.9%

Discount Rate. The discount rate used to measure the Fund's total OPEB liability is 6.22% as of June 30, 2023. The projection of cash flows used to determine the discount rate assumed that employer contributions will be made at rates proportional to the actuary determined contribution rates. For this purpose, employer contributions that are intended to fund benefits of current plan members and their beneficiaries are included. Projected employer contributions that are intended to fund the service costs for future plan members and their beneficiaries are not included. Based on those assumptions, the Authority's fiduciary net position was projected to be available to make all projected future benefit payments for current plan members through the fiscal year ending June 30, 2059. The 7.00% discount rate, which includes the assumed inflation rate of 2.30% for ERB members and 2.50% for PERA members, was used to calculate the net OPEB liability through 2052. Beyond 2059, the index rate for 20-year, tax exempt general obligation municipal bonds with an average rating of AA/Aa or higher (3.54%) was applied. Thus, 6.22% is the blended discount rate.

Sensitivity of the net OPEB liability to changes in the discount rate and healthcare cost trend rates. The following presents the net OPEB liability, calculated using the discount rate of 6.22% as of June 30, 2023, as well as what the Fund's net OPEB liability would be if it were calculated using a discount rate that is 1-percent lower or 1-percent higher than the current rate:

	1% Decrease (5.22%)	Current Discount Rate (6.22%)	1% Increase (7.22%)
County's proportionate share of the net OPEB liability	$ 2,419,623	$ 1,919,189	$ 1,513,539

NOTE 11. Post-Employment Benefits – State Retiree Health Care Plan (continued)

The following presents the net OPEB liability of the County, as well as what the County's net OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rates:

	Trend Rate Sensitivity Analysis		
	1% Decrease	Rate	1% Increase
County's proportionate share of the net OPEB liability	$ 1,588,893	$ 1,919,189	$ 2,298,523

OPEB plan fiduciary net position. Detailed information about the OPEB plan's fiduciary net position is available in NMRHCA's audited financial statements for the year ended June 30, 2023.

Payable Changes in the Net OPEB Liability. At June 30, 2024, the County reported a payable of $8,694 for outstanding contributions due to NMRHCA for the year ended June 30, 2024.

NOTE 12. Leases

As Lessee

During the year 2022 the County implemented GASB Statement No. 87, Leases and the County has long term agreements for the use of equipment which began on July 1, 2021 and will continue through fiscal year 2026. These leases are paid monthly with payments ranging from $12,616 to $22,770 and started on July 1, 2021. The equipment has useful lives that range from 4 to 6 years with no purchase option and a discount rate of 3%.

A summary of the right to use the assets and changes occurring during the year ended June 30, 2024 follows:

	Balance June 30, 2023	Additions	Dispositions	Balance June 30, 2024
Right of Use Asset				
Equipment	$ 652,570	$ -	$ -	$ 652,570
Total right of use asset	652,570	-	-	652,570
Less accumulated amortization for:				
Equipment	$ 478,551	$ 130,514	$ -	$ 609,065
Total accumulated amortization	478,551	130,514	-	609,065
Right of use asset, net	$ 174,019	$ (130,514)	$ -	$ 43,505

NOTE 12. Leases (continued)

During the year ended June 30, 2024, the following changes occurred in the lease liability related to the right of use assets reported above in the government-wide statement of net position:

	Balance June 30, 2023	Additions	Retirements	Balance June 30, 2024	Due Within One Year
Lease liability	$ 193,528	$ -	$ 143,689	$ 49,839	$ 49,839
	$ 193,528	$ -	$ 143,689	$ 49,839	$ 49,839

The annual requirements to amortize the lease as of June 30, 2024, including interest payments, is as follows:

Fiscal Year Ending June 30,	Principal	Interest	Total Debt Service
2025	$ 49,839	$ 625	$ 50,464
	$ 49,839	$ 625	$ 50,464

NOTE 13. Contingent Liabilities

The County is party to various claims and lawsuits arising in the normal course of business. The County is insured through the New Mexico County Insurance Authority. In the opinion of management, the outcome of these matters will not have a material effect on the financial position of the County.

In the normal course of operations, the County receives grant funds from various federal and state agencies. Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

NOTE 14. Subsequent Events

The date to which events occurring after June 30, 2024, the date of the most recent statement of net position, have been evaluated for possible adjustment to the financial statements or disclosures is November 26, 2024 which is the date on which the financial statements were issued. The County signed a contract with WWRC for Renovations of the Indoor Pavilion on October 1st in the amount of $3,544,705 plus GRT.

NOTE 15. Commitments

As of June 30, 2024, the County had various projects ongoing and significant commitments exist to complete these projects.

Contract	Contract Commitment	Remaining Amount
Multipurpose Livestock Pavilion	7/25/2023	$ 4,071,980
Courthouse elevators Renovations	6/23/2023	228,374
Detention Center Doors	12/19/2023	1,933,808
Correctional Healthcare for Inmates	1/1/2023	913,896
		$ 7,148,058

NOTE 16. Subsequent Accounting Pronouncements

In June 2024, GASB Statement No. 101 Compensated Absences, was issued. Effective Date: The provisions of this Statement are effective for fiscal years beginning after December 15, 2023. The County does not expect this pronouncement to have a material effect on the financial statements.

In December 2023, GASB Statement No. 102 Certain Risk Disclosures, was issued. Effective Date: The provisions of this Statement are effective for fiscal years beginning after June 15, 2024. The County does not expect this pronouncement to have a material effect on the financial statements.

In April 2024, GASB Statement No. 103 Financial Reporting Model Improvements, was issued. Effective Date: The provisions of this Statement are effective for fiscal years beginning after June 15, 2025. The County does not expect this pronouncement to have a material effect on the financial statements.

SUPPLEMENTARY INFORMATION

CURRY COUNTY
Nonmajor Fund Descriptions
June 30, 2024

Special Revenue Funds

Road Fund – Is used to account for the distribution of gasoline taxes and motor vehicle registration fees to the County and the expenditure for construction, reconstruction, resurfacing or other improvement or maintenance of public roads as authorized by NMSA 1978 Section 7-24A-5.

Ranchvale Fire District Fund – Notified of grant award from 2020 New Mexico Fire Protection Grant Council to purchase a dedicated fire suppression water supply for Ranchvale Volunteer Fire Department, approved by Commission on Feb. 6. 2020 by Res. # 2020-05.

LG Abatement Fund – To account for New Mexico Opioid Allocation Agreement. Authorized by County Commission.

Fire Service Administration Fund – To account for the revenues from the FY17 Fire Protection Fund Distribution that was awarded to Curry County Administration for a separate Fire Chief for the administration and coordination of the Three Volunteer Fire Districts. Funding is provided by allotments from the New Mexico State Fire Marshall's Office. The fund was created under the authority of state statute. Section 59A-93-5-8 and 59A-53-5, NMSA 1978 Compilation.

Indigent Hospital Fund – is used to account for revenues received from state shared gross receipts taxes for hospital service for indigent citizens of the County. The fund was created by authority of state statute. Section 7-20E-9, NMSA 1978 Compilation.

Fire District Funds – To account for revenues and expenditures of fire protection funds for the communities of Broadview, Field, Ranchvale and Pleasant Hill. Funding is provided by allotments from the New Mexico State Fire Marshall's Office. The funds were created under the authority of state statute. Section 59A-93-5-8 and 59A-53-5, NMSA 1978 Compilation.

Clerk Equipment Record Fund – To account for revenues and expenditures for control of equipment. The fees collected are restricted in that they may only be used for the purchase of equipment associated with the recording, filing, maintaining, or reproducing of documents in the Office of the County Clerk. This fund was created by authority of state statute. See Section 14-8-2.2, NMSA 1978 Compilation.

Commissary Recreation Fund – To account for funds used to acquire commissary items for resale to jail inmates and to purchase equipment to be used for the welfare of the inmates. Authorized by County Commission.

Countyline Fire Fund – To account for revenues and expenditures of fire protection funds for the communities of Countyline. Funding is provided by allotments from the New Mexico State Fire Marshall's Office. The funds were created under the authority of state statute. Section 59A-93-5-8 and 59A-53-5, NMSA 1978 Compilation.

2021 Regular Local Election – To Account for MOU with The New Mexico Secretary of State whereas the SOS was appropriated funds from the legislature to pay for the cost of conducting and administering the 2023 Regular Local Election. The MOU resulted in funds being provided to the County to pay the costs incurred as a result of the Election.

Primary Election – To Account for MOU with the New Mexico Secretary of State whereas the SOS was appropriated funds from the legislature to pay for the cost of conducting and administering the Primary Election. The MOU Resulted in funds being provided to the County to pay the cost incurred as a result of the Election.

NMC Annual Conference – To Account for funding received to host the NMC Annual Conference.

Elections Security Subgrant – To Account for Subgrant from the Office of the Secretary of State for Federal Election Assistance Commission funds for election security initiatives with respect to federal elections.

Special Revenue Funds (continued)

Court Complex Parking AOC – To Account for Intergovenmental Agreement with the Administrative Office of the Courts for appropriation to provide improvements improvements (Court Complex Secured Parking) to the County Courthouse.

Pretrial Services Office AOC – To Account for Intergovernmental Agreement with the Administrative Office of the Courts for appropriation to provide improvements improvements (Pretrial Services Office Renovation Project) to the County Courthouse.

Environmental Gross Receipts Tax Fund – To account for a gross receipts tax imposed to fund environmental activities, mainly sanitary landfill closure and disposal of solid waste. Authority is local ordinance authorized by NMSA 1978 7-20E-17.

Reappraisal Fund – To account for funds used to provide valuation services to the County and other local entities. This fund was created by authority of state statute. Section 7-38-38.1, NMSA 1978 Compilation.

Correction Fees Fund – To account for correction fees. Such revenues are used to supplement general funds for the care of prisoners. Authorized by Section 35-14-11, NMSA, 1978.

DWI Partnership Grant Fund – To account for funds generated by DWI probationary fees and fundraising activities to be used for teen events and other DWI related activities. Activities are in accordance with the County's DWI Plan as authorized pursuant to State Statute 43-3-15 NMSA, 1978 Compilation.

Law Enforcement and Law Enforcement Protection Fund – To account for revenues and expenditures for maintaining and improving the County's law enforcement department in order to enhance its efficiency and effectiveness. Funding is from the State appropriation authorized by Section 29-13-3f, NMSA.

DWI Grant, Special DWI, and Community DWI Grant Funds – To account for grant funds from the Department of Finance and Administration to provide quality substance abuse treatment, community education, outreach and primary prevention services to citizens of Curry County. These funds were created by authority of state statute. Section 11-6A- 5 of NMSA and Chapter 65.

CHW Partnership – To account for Community Health Worker Partnership for Behavioral Health Equity with the University of New Mexico Health Sciences and Health System. Authorized by County Commission.

Cannabis Regulation Act – To record Cannabis Excise Tax which was authorized by HB-2, passed in the 2021 Special Session and signed into law by the Governor for the more established medical cannabis industry, and the adult use cannabis industry.

CURRY COUNTY
Joint Powers Agreements
June 30, 2024

Inmate Housing – City of Clovis

Participants: Curry County and City of Clovis

Responsible Party: Both parties

Description: Curry County has agreed to house prisoners from the City of Clovis. The City has agreed to pay the County the sum of $11,065.57 a month for housing inmates.

Period: Entered into on May 15, 2018 and shall expire on June 30, 2028.

Project Costs: $1,350,000.00

County Contribution: Undeterminable

Audit Responsibility: Both parties

Inmate Housing – Village of Melrose

Participants: Curry County and Village of Melrose

Responsible Party: Both parties

Description: Curry County has agreed to provide detention services for the Village. Detention services shall include but not limited to the booking, care, housing, feeding, administration of prisoners, and all other mandated, necessary common functions of a constitutional and statutory detention center for all Village prisoners. Period: Entered into on August ,28, 2008 and has the option to renew the contract at the end of every year. Either party may terminate the agreement by providing the other party with 30 days prior written notice of their intent to terminate. Project Costs: The Village agrees to pay $45.00 per day, per adult inmate and $75.00 per day, per juvenile inmate for care. Total consideration paid by the Village for any fiscal year shall not exceed $150,000. This is done on an "as needed" basis and costs vary year to year.

County Contribution: Undeterminable

Audit Responsibility: Both parties

CURRY COUNTY
Joint Powers Agreements
June 30, 2024

Wildland Fire Protection and Suppression – Energy, Minerals and Natural Resources Department, Forestry Division

Participants: Curry County and the Energy, Minerals and Natural Resources Department, Forestry Division (EMNRD)

Responsible Party: Both parties

Description: EMNRD has responsibility for wildland fire suppression on non-municipal and nonfederal lands within New Mexico and the County has responsibility for wildland fire suppression on lands within the boundaries of its designated fire protection districts. EMNRD shall reimburse the County in an initial attack fire suppression, extended attack wildland fire suppression and wildland fire management activities.

Period: Entered into on May 4, 2010 and is automatically renewed indefinitely unless modified by the parties sooner. Either party may terminate participation of this agreement by written notification to the other at least 90 days prior to the termination date.

Project Costs: Undeterminable

County Contribution: Undeterminable

Audit Responsibility: Both parties

Assistance in Implementing the City of Clovis Master Water Assurance Plan

Participants: Curry County and the City of Clovis

Responsible Party: Both parties

Description: This agreement was entered into to form a Water Planning Task Force that has submitted and proposed a City of Clovis Master Water Assurance Plan.

Period: Entered into on May 15, 2018 and for 10 years thereafter commencing July 1, 2018

Project Costs: $1,350,000

County Contribution: The County agrees to pay the City over the full term of the agreement $350,000, payable $35,000 annually from its environmental gross receipts tax, or other funding source. In addition, the County agrees to create a separate line item in budget for the sum of $1,000,000 from its environmental gross receipts tax revenues.

Audit Responsibility: City of Clovis

CURRY COUNTY
Joint Powers Agreements
June 30, 2024

New Mexico County Insurance Authority JPA

Participants: Curry County and 30 other Counties of New Mexico

Responsible Party: All parties

Description: To amend and combine the Workers' Compensation Fund JPA and Multi-Line Pool JPA and to further define the terms and conditions under the Members will jointly operate, maintain and administer the Authority. To provide a means of securing benefits, services, coverage or protection for Members, their employees, and other political subdivisions or local public bodies approved by the Board, relating to insurance or self-insurance, as authorized by law.

Period: July 1, 2020 to June 30, 2022 with option to renew each year

Project Costs: Undeterminable

County Contribution: Undeterminable

Audit Responsibility: All parties

COMPLIANCE SECTION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Joseph M. Maestas, CFE, P.E.
New Mexico State Auditor
U.S. Office of Management and Budget
Curry County Commission
Curry County
Clovis, New Mexico

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the budgetary comparisons for the General Fund and major special revenue fund of the County (the County), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise County's basic financial statements, and have issued our report thereon dated November 26, 2024.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2024-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

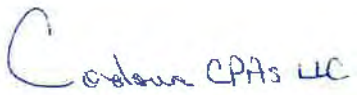

We noted a certain matter that is required to be reported per section 12-6-5 NMSA 1978 that we have described in the accompanying schedule of findings and questioned costs as item 2024-002.

Curry County's Responses to Findings

The County's responses to the finding identified in our audit were described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FEDERAL FINANCIAL ASSISTANCE

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITORS' REPORT

Joseph M. Maestas, CFE, P.E.
New Mexico State Auditor
U.S. Office of Management and Budget
Curry County Commission
Curry County
Clovis, New Mexico

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Curry County's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Curry County's major federal programs for the year ended June 30, 2024. Curry County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Curry County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Curry County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Curry County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Curry County's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Curry County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Curry County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Curry County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Curry County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Curry County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

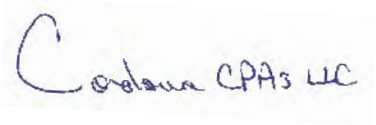

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

See independent auditors' report
See accompanying notes to schedule of expenditures of federal awards.

Notes to Schedule of Expenditures of Federal Awards

1. **Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal grant activity of Curry County and is presented on the modified accrual basis of accounting, which is the same basis as was used to prepare the fund financial statements. The information in this Schedule is presented in accordance with the requirements of *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the financial statements.

2. **Loans**

The County did not expend federal awards related to loans or loan guarantees during the year.

3. **10% de minimus Indirect Cost Rate**

The County did not elect to use the allowed 10% indirect cost rate.

4. **Federally Funded Insurance**

The County has no federally funded insurance.

5. **Reconciliation of Federal Revenues to the SEFA**

Total Federal expenditures	$ 2,399,256
Less: Advanced payments received in prior years	(2,103,282)
Less: State revenues included with federal revenue accounts	(17,541)
Total Federal operating and capital grant revenues	$ 278,433

See independent auditors' report.

1.	Type of auditors' report issued	Unmodified
2.	Internal control over financial reporting:	
	a. Material weaknesses identified?	None noted
	b. Significant deficiencies identified not considered to be material weaknesses?	Yes
	c. Noncompliance material to the financial statements noted?	None noted

Federal Awards:

1.	Internal control over major programs:	
	a. Material weaknesses identified?	None noted
	b. Significant deficiencies identified not considered to be material weaknesses?	None noted
2.	Type of auditors' report issued on compliance for major programs	Unmodified
3.	Any audit findings disclosed that are required to be reported in accordance with 2 CFR section 200.516(a)?	No

4. Identification of major programs:

Assistance Listing Number	Federal Program
21.027	Coronavirus State and Local Fiscal Recovery Fund

5.	Dollar threshold used to distinguish between type A and type B programs:	$750,000
6.	Auditee qualified as low-risk auditee?	No

CURRY COUNTY
Schedule of Findings and Questioned Costs
June 30, 2024

SECTION II - FINANCIAL STATEMENT FINDINGS

2024-001 (2023-001) —Year end Financial Close (Significant Deficiency)

Condition: During our audit, we noted internal control close weaknesses and deficiencies as follows:

- The County did not include the Inmate Trust- Trinity bank account on the County Treasurer's Report or general ledger at year-end 2024 which totaled $3,732.
- The County did not include the Summit FS Bank account on the County Treasurer's Report of general ledger at year-end 2024 which totaled $21,033.
- The County was not able to identify an adjustment to cash on the County Treasurer's Report in amount of $39,222, which was needed to reconcile cash at year end.

The County has made some progress over this finding, the County corrected its reporting of accounts receivable which was reported as an issue in the prior year.

Criteria: The Committee of Sponsoring Organizations (COSO) COSO Internal Control – Integrated Framework (2013), consists of five critical elements that must be present in carrying out the achievement objectives of an organization. These elements are known as the control environment, risk assessment, control activities, information and communication and monitoring, which includes the implementation of internal controls with financial close functions to produce accurate and timely financial information in accordance with generally accepted accounting principles.

Effect: The County was missing two bank accounts on its Treasurer's report and the cash did not agree to the general ledger.

Cause: The County had an oversight by management, and the missing bank accounts were never added to the Treasurer's Report. Also, the Treasurer's office did not properly account for the receipts and disbursements throughout the year.

Auditors' Recommendations: We recommend the following:

- The County should ensure all bank accounts are properly reconciled and included on the monthly treasurer's report, along with ensuring all accounts are properly closed at year end.
- The general ledger should agree to the bank reconciliations in the previous bullet point.
- The County should have training for the Treasurer's office to ensure that in the future these issues are resolved.

Agency's Response: The Treasurer will ensure all bank accounts are properly reconciled and included on the monthly treasurer's report ensuring all required documentation is submitted and applicable accounts are properly closed at year end. The Treasurer will document any adjustments to cash on the Treasurer's Report and will work to implement new processes in its monthly reporting and procedures to reconciling any cash adjustments in timely manner. A new Treasurer is taking office January 1st and the County will encourage additional training for the Treasurer's office to ensure that future issues are resolved and periodic updates are given to the Board of County Commissioners regarding training occurring within the office

Person Responsible: Treasurer
Timeline: June 30, 2025

CURRY COUNTY
Schedule of Findings and Questioned Costs
June 30, 2024

SECTION III - FEDERAL FINDINGS

None noted

SECTION IV - SECTION 12-6-5 NMSA FINDINGS

2024-002 -- Deficiency in the Property Valuation Assessment Process (Other Matter)

Condition: During our audit we the final assessed ad valerom property values that were certified was incorrect for one tax district. The tax rate was entered at a rate of 0.025373 when it should have been 0.025378. The County had a quantified tax shortage of $2,874.05 because of this error.

Criteria: As noted in section 7-36-16 (A) NMSA 1978, the County assessors shall determine values of property for property taxation purposes in accordance with the Property Tax Code and the regulations, orders, rulings, and instructions of the department. Except as limited in Section 7-36-21.2 NMSA 1978, they shall also implement a program of updating property values so that current and correct values of property are maintained and shall have sole responsibility and authority at the county level for property valuation maintenance, subject only to the general supervisory powers of the director. Also 7-38-6 NMSA 1978 states, Values of property for property taxation purposes determined by the division or the county assessor are presumed to be correct. Determinations of tax rates, classification, allocations of net taxable values of property to governmental units and the computation and determination of property taxes made by the officer or agency responsible therefor under the Property Tax Code are presumed to be correct.

Effect: Due to the error above the County was not in compliance 7-36-16 (A) NMSA 1978, or 7-38-6 1978. Also, the County lost out on receiving $2,874.05 because of this error.

Cause: The error was made due to a number being entered incorrectly and then in the two reviews done subsequently to entering the amount, the error of the rate of 0.000005 was not discovered.

Auditors' Recommendation: We recommend that the County ensure that when reviews are being completed that all numbers and amounts are recalculated and checked to ensure the amounts are accurate.

Agency's Response: Sam Kelley, Curry County Assessor, has implemented a revised procedure for entering correct tax rates. The process now requires the Assessor, Treasurer and the Chief Deputies of each department to review the tax rates as determined by the State, ensuring that the rates entered by the Assessor's office match those rates. All four individuals must then sign off that the rates are correct and all four must be in unanimous agreement that all tax rates are current, correct and final.

MEMBERSHIP PRICE AGREEMENT

This Membership Price Agreement is entered into this __ day of March, 2025 by and between Curry County, a New Mexico Governmental entity, hereinafter referred to as “County” and Fortitude Fitness, hereinafter referred to as “Fortitude”, herein agree as follows, that:

1. Fortitude will offer and the County will accept, on behalf of their employees, memberships for County employees at the discounted rate of sixteen dollars ($16.00) per month, plus any applicable gross receipts or other tax, which shall entitle such employees to all benefits of full membership to Fortitude, until cancellation by any party to this agreement, at the end of each respective monthly membership paid for under this Agreement

2. County, at the first pay period of each month shall provide payment to Fortitude for all employees enrolled in the program and include a listing of said employees which shall cover employees’ membership for the current month. The County will notify Fortitude when any employee enrolled terminates employment or wishes to cancel its membership. Said termination will be effective the following month. No additions/removals will be processed mid-month.

3. This Contract shall become effective on the _____day of March, 2025 and the terms and conditions herein shall be binding upon and continue until terminated by either party, as set forth herein.

4. This Contract may be terminated by either party hereto for cause upon fifteen (15) calendar days’ written notice. In the event of any such termination, an employee’s membership at the rate agreed upon herein shall continue until the end of the monthly period then paid for under this Agreement.

5. County, by entering into this contract, shall not assume or otherwise be held liable for any act or omission of Fortitude, nor will County be deemed a party to any membership agreement between Fortitude and any County employee.

6. In the event of any breach of any obligation contained in this Agreement, prior to instituting any action or dispute resolution procedure, the Parties shall give written notice of such breach.

7. In the event that a dispute arises between the Parties, or as a result of breach of this Agreement, the parties agree to act in good faith to attempt to resolve the dispute.

CURRY COUNTY RESOLUTION 2025-28

RESOLUTION APPROVING AND ADOPTING COUNTY POSITION CLASSIFICATION AND SALARY PLAN UPDATE

The Board of County Commissioners of Curry County has previously instructed the County Manager to obtain a revised Fiscal Year 2026 Position Classification and Salary Plan Update for all Curry County employees.

WHEREAS, the Board of County Commissioners of Curry County believes that all employees of Curry County should receive equitable and competitive compensation both direct, by salary and indirect, through benefits; and,

WHEREAS, Curry County has, in the past, adopted an employee salary plan for the purposes of recruiting and maintaining qualified, competent employees; and,

WHEREAS, the Board of County Commissioners of Curry County desires to adopt an updated Fiscal Year 2026 Position Classification and Salary Plan Update; and,

WHEREAS, Curry County engaged the services of S Resource, Incorporated, based in Santa Fe, New Mexico, to review the County's existing salary plan and provide the County with an updated salary plan; and,

WHEREAS, the Board of County Commissioners has reviewed the proposed update prepared by S Resource and believes that it sets forth the priorities and goals of the Board with regard to recruiting and maintaining qualified competent County employees to serve the citizens of Curry County; and,

WHEREAS, the Board of County Commissioners of Curry County do hereby determine that it is in the best interest of Curry County to adopt the Fiscal Year 2026 Position Classification and Salary Plan Update that is attached hereto.

IT IS HEREBY RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CURRY COUNTY that the Fiscal Year 2026 Position Classification and Salary Plan Update, as set forth herein is hereby adopted and Management is directed to implement the same for all County employees.

IT IS FURTHER RESOLVED that the Fiscal Year 2026 Position Classification and Salary Plan Update shall have an effective date commencing March 30, 2025 and the 2026 fiscal year County Position Classification and Salary Plan with the recommendations set forth herein are hereby approved and adopted by the Commission:

1. Any County employee, who, upon the adoption of this Fiscal Year 2026 Position Classification and Salary Plan Update that is below the minimum salary of the Plan shall be raised to the minimum level for that position as set forth therein on March 30, 2025.

2. The position of Sheriff Lieutenant shall be non-exempt (eligible for overtime)

3. The County Manager and Finance Director are directed to present in-range pay adjustments utilizing the new salary range to lessen the potential impact of pay compression and open the bottom of the pay ranges for newly hired personnel in fiscal year 26 Considering, as a guide, compa ratio; option 1, option 2, or option 3 specified in the Position In-Range Approach within the Salary Administration Guidelines and Options of the report.

4. Minimum starting pay shall not be less than $15.31 for all positions with the exception of interns; which shall be $12.50.

5. Salaries or pay for grant funded County employees are to be administered within the terms and bounds of the applicable grant funding and shall not be based on market rate(s) established by this Salary Plan.

6. All other terms and provisions set forth in the Fiscal Year 2026 Position Classification and Salary Plan Update, not specifically altered or modified herein, shall remain the same.

DONE THIS 18th DAY OF MARCH, 2025.

January 16, 2025

To Whom It May Concern,

The Curry County Assessor's Office supports the recension and/or vacation of the 2019-05 Wind Ordinance. There have only been two applications filed under this Ordinance since its inception and the projects were very small with a GIS shape file unnecessary based on size. The Assessor's Office is also not qualified to be screening the application for capacity and or coverage. The County does not conduct any permitting regarding building regulations so they have no inspector on staff to review structures, modulation, class or transmissions. The assessments of these properties all are either state assessed (utilities) or done with IRB's and have PILOT payments going directly to the various entities. The State Industries Construction Division has been providing the county with copies of all state permits which include wind and cell towers, as well as location. At this time, this is sufficient for our purposes and are fully in support of simplifying the process.

Thanks,

Sam Kelley

CURRY COUNTY ORDINANCE NO. 2019-05

AN ORDINANCE BY WHICH CURRY COUNTY CAN TRACK THE LOCATION OF ANY AND ALL COMMERCIAL WIRELESS TELECOMMUNICATION FACILITIES, WIND TOWERS, WIND GENERATORS, TOWERS AND OTHER SIMILAR FACILITIES THAT ARE BUILT OR CONSTRUCTED IN CURRY COUNTY

WHEREAS, commercial developers are recognizing the rural lands in Curry County are excellent locations for the placement of Wireless Telecommunications Facilities, Wind Towers, Wind Generators (WECS), Towers and other similar facilities; and,

WHEREAS, alternative energy is being made available through Wind Turbines located in Curry County; and,

WHEREAS, Pursuant to §3-21-1 *et seq.* and §4-37-1 *et seq.*, NMSA 1978, and the Telecommunications Act of 1996, §704.47 U.S.C., §6409(a) of the Middle Class Tax Relief and Job Creation Act of 2012, the Board of County Commissioners of the County of Curry is empowered to enact regulations regarding the location, placement, construction, appearance, design, and modification of Wireless Telecommunications Antennae, Towers, Wireless Telecommunications Facilities and other similar structures on lands and properties within the County; and,

WHEREAS, an Ordinance requiring the submission of an Application with the County providing the specific location, size and other pertinent data and the owners and operators name and contact information, the placement and construction of Wireless Telecommunications Antennae, Wind Towers, Wind Generators, Towers and other Facilities would serve a valid public purpose and will otherwise serve to promote the prosperity, public health, safety, and welfare of the residents of Curry County; and,

WHEREAS, this Ordinance does not restrict, limit or otherwise regulate the placement, construction and/or modification of Wireless Telecommunications Facilities, Wind Towers, Wind Generators, Towers and other similar Facilities; and,

WHEREAS, for the proper assessment of property, as well as emergency services, Curry County must have recorded current and accurate documentation in its data base showing the physical location and contact information of each individual Wireless Telecommunication Facility, Wind Tower, Wind Generator, Tower and all similar Facilities together with information on physical access to the same.

NOW, THEREFORE, BE IT HEREBY ORDAINED, by the Board of County Commissioners of Curry County that the following policies and procedures set forth herein are adopted.

SECTION 1. PURPOSE

The purpose of this Ordinance is to ensure that for tax purposes and purposes of appropriate emergency response including but not limited to fire, Sheriff and medical, the County has the correct contact information and GPS coordinates for each individual structure identified in this Ordinance that is currently located in Curry County or that will be erected, built, installed or put up in Curry County after the date of this Ordinance.

SECTION 2. DEFINITIONS

1996 TELECOMMUNICATIONS ACT: those aspects of the Act that enable the County to protect its rights and ensures that the County respects the rights of the wireless industries.

ACCESSORY FACILITY OR ACCESSORY STRUCTURE: Accessory Facility or Accessory Structure serving or being used in conjunction with any Wireless Telecommunications Facilities, Wind Towers, Wind Generators, and other similar Facilities and located on the same property including, but not limited to, utility or transmission equipment storage sheds or cabinets.

TOWERS: The support structure where antennae and electronic communication equipment are placed, individually or as part of a Cellular Network, also referred to as Telecommunications Structures, Wireless Telecommunications Facilities, Radio Towers or Sites.

CELLULAR NETWORK: A telecommunication site or system of Towers distributed over land where each Tower includes a fixed location transceiver.

MODIFICATION: The addition, removal or change of any of the physical and visually discernable components or aspects of a Unit as defined herein. Modified does not include the replacement of any component where the replacement is identical to the component being replaced.

OPERATOR: The name and contact information for the entity responsible for the day-to-day operation and maintenance of each Unit or system.

OWNER: The full name of the individual, entity or entities with an equity interest in each Unit or system including their respected successor and assigns.

PROPERTY OWNER: The full name(s), physical and mailing address, telephone number and email address of the individual, entity or entities that owns the surface property where each Unit or system will be located.

ROAD: Includes private or public roads or other physical means of vehicular access to each Unit.

SHAPE FILE: A Geospatial Vector Data Format for Geographic Information System (GIS) Software. Shape file format can spatially describe vector features such as points, lines and polygons representing Wind Towers, Towers, etc.

SITES: The physical location on the ground of each and every Unit, including the recorded rights-of-way, easement, roads that connect the site to a Curry County road or New Mexico State highway.

SUBSTATION: The facility that connects the electrical collection system of the Unit(s) and increases or decreases the voltage for connection with utility transmission lines.

SURVEY: An examination and record of the area and features of an area of land so as to construct a map, plan and description of a graphical representation locating all feature pertaining to a site.

UNIT: A Unit for purposes of this Ordinance shall be defined as each and every separate and stand-alone structure, Tower, Network, Site, Substation and WECS regardless of whether the structure is connected to another structure by cables, wiring or lines. All structures that are built on the surface, including buildings, Towers, poles, transformers, Storage Facilities, and similar structures for purposes of this Ordinance, are separate Units.

WIND ENERGY CONVERSION SYSTEM (WECS): All necessary devices that together convert Wind energy into electricity, including the rotor, nacelle, generator, Wind Tower, electrical components, Wind Tower foundation, transformer, and electrical cabling from the Wind Tower to the substation(s).

WIND TOWER: The support structure to which the nacelle and rotor are attached.

WIND TOWER HEIGHT: The distance between the rotor blade at its highest point to the top surface of the Wind Tower.

WIRELESS TELECOMMUNICATION FACILITY: the concrete pads Towers Antennae, out buildings and support structures used for or associated with Wireless Telecommunication.

SECTION 3. APPLICABILITY

A. This Ordinance applies to any and all Units built, repaired, maintained, monitored, operated or situated in the County but outside areas within the territorial limits of the City of Clovis, or the City of Texico, Village of Grady and Melrose. The following shall also be exempt from this Ordinance:

    1. Utility line transmission and distribution poles, except to the extent that those poles or Towers are used for siting of WECS.

2. The County Fire Departments, Sheriff's Department, Road Department and other public service Facilities owned and operated by a government entity.

3. Any Facilities expressly exempt from the County's siting, building and permitting authority.

4. Over-the-Air reception Devices including the reception antennas for direct broadcast satellites (DBS), multi-channel multipoint distribution (wireless cable) providers (MMDS), television broadcast stations (TVBS) and other customer-end antennas that receive and transmit fixed wireless signals that are primarily used for reception.

5. Facilities exclusively for private, non-commercial radio and television reception and private citizen's bands, licensed amateur radio and other similar non-commercial Telecommunications.

6. Facilities used exclusively for providing unlicensed spread spectrum technologies (such as IEEE 802.11a, b, g (Wi-Fi) and Bluetooth) where the facility does not require a new tower.

7. Those poles or towers that do not exceed 150 feet in height from the surface used by private individuals or part of a telecommunication system.

SECTION 4. APPLICATION

Prior to any Unit(s) being placed, constructed, modified, erected or built on any real property in the unincorporated lands of Curry County, the owner/operator must complete and file an Application with the Curry County Assessor's Office. The Application shall be obtained from the Curry County Assessor's office, and can be found online at https://www.currycounty.org/. Each Application shall be submitted together with the payment of a recording fee in the amount approved by the Board of County Commissioners of Curry County.

Each Application will require the Applicant to provide proof of liability insurance as required by Section 7 and shall acknowledge Applicant's obligation to indemnify Curry County as set forth in Section 8 of this Ordinance.

SECTION 5. ASSURANCES

A. At all proposed sites, an access road, turn-around space and parking shall be provided to assure adequate emergency and service access. Maximum use of existing roads, whether public or private, shall be made to the extent practicable. All road construction shall, at all times, minimize ground disturbance and the cutting of vegetation.

B. All Units shall be constructed, operated, maintained, repaired, provided for removal of, modified and restored in strict compliance with all current applicable technical, safety and safety-related codes adopted by the County, State, or United States, including but not limited to the most recent editions of the National Electrical Safety Code and the National Electrical Code, as well as accepted and responsible workmanlike industry practices and recommended practices of the National Association of Tower Erectors. The codes referred to are codes that include, but are not limited to, construction, building, electrical, fire, safety, health, and land use codes. In the event of a conflict between or among any of the preceding, the more stringent shall apply.

C. Reasonable requests from Curry County to use space on any Tower (Unit) and available space within the existing or planned site shall be made available for Curry County's use in deploying and operating public service radio frequencies (e.g. Police, Fire, Emergency, Homeland Security and the communication needs of the Curry County Road Department, etc.) on an existing Tower or Unit. Should the addition of this County requirement exceed the structural limits for that Tower, or Unit, as shown by proper documentation presented, the request by County may be denied as to that Tower or Unit. Curry County will not be charged or accessed and will not pay fees for space on any Towers (Unit) or for space within the Facility. Curry County will also require, and be granted access to its equipment on a 24 hours 7-day basis for maintenance and operating requirements. The County will work with the respective Owner/Operators to ensure they receive adequate advance notice for routine activities, excluding emergencies.

SECTION 6. REGISTRATION FOR PURPOSES OF FILING

Any and all documents required pursuant to Section 4 of this Ordinance must be submitted for filing in a shape file, together with the payment of the filing fee and the attribute tables which includes details on the specific points and locations for each individual Unit, with the Curry County Assessor's Office at 417 Gidding St., Ste. 160, Clovis, NM 88101. Each shape file shall, at a minimum, include the .shp file and corresponding .cpg, .dfg, .prj, .sbn, .sbx, and .shx files.

SECTION 7. LIABILITY INSURANCE

A. The Owner/Operator of any Unit shall secure and at all times maintain (1) public liability insurance for personal injuries, death and property damage, and (2) umbrella insurance coverage for the duration of the time that each Unit is situated in Curry County in amounts as set forth below:

1. Commercial General Liability covering personal injuries, death and property damage- a minimum of $1,000,000.00 per occurrence/$2,000,000.00 aggregate;
2. Automobile Coverage a minimum of $1,000,000.00 per occurrence/$2,000,000.00 aggregate;

3. Workers Compensation and Disability – a minimum of Statutory amounts.

B. The Commercial General liability insurance policy shall specifically include Curry County and its officers, councils, employees, agents, attorneys, and consultants as additional named insureds.

C. The insurance policies shall be issued by an agent or representative of an insurance company licensed to do business in the State of New Mexico and with a Best's rating of at least "A".

D. The insurance policies shall contain an endorsement obligating the insurance company to furnish Curry County with at least thirty (30) days prior written notice in advance of the cancellation of the insurance.

E. Renewal or replacement policies or certificates shall be delivered to the Curry County Manager's Office at least fifteen (15) days before the expiration of the insurance that such policies are to renew or replace.

F. Before construction of a Unit is initiated, but in no case later than fifteen (15) days after the registration of each Unit, the Owner/Operator shall deliver to the County a copy of each of the policies or certificates representing the insurance in the required amounts.

SECTION 8. INDEMNIFICATION

A. An Application for any Unit(s) that are constructed, built, erected or otherwise placed for County property, pursuant to this Ordinance, shall contain a provision with respect to indemnification. Such provision shall require the Applicant, to the extent permitted by law, to at all times defend, indemnify, protect, save, hold harmless, and exempt Curry County and its officers, councils, employees, committee members, attorneys, agents, and consultants from any and all penalties, damages, costs, or charges arising out of any and all claims, suits, demands, causes of action, or award of damages, whether compensatory or punitive, and expenses arising therefrom, either at law or in equity, which might arise out of, or are caused by the placement, construction, erection, modification, location, products performance, use, operation, maintenance, repair, installation, replacement, removal, or restoration of said Unit(s), excepting, however, any portion of such claims, suits, demands, causes of action, or award of damages as may be attributable to the negligent or intentional acts or omissions of Curry County or its servants or agents. With respect to the penalties, damages or charges referenced herein, reasonable attorney's fees, consultant's fees, and expert witness fees are included in those costs that are recoverable by Curry County.

B. Notwithstanding the requirements noted in subsection A of this section, an indemnification provision will not be required in those instances where the County itself applies for and secures a Unit.

SECTION 9. PENALTY

A. This Ordinance applies to any individual, business, partnership, corporation and all other entities and all Units and/or Facilities that are built, erected, constructed, modified or operated upon any real property in the unincorporated parts of Curry County on or after the effective date of this Ordinance. Every structure or Unit that is not fully completed and operational as of the effective date of this Ordinance shall also be required to comply with and shall be subject to the terms of this Ordinance and a separate Application for the same must be submitted to the Curry County Assessor's Office. Failure by any person, individual, party, entity, owner, operator or builder, to comply with all of these terms and conditions as hereinabove required, shall be a separate violation of this Ordinance and subject to a penalty of $250.00 per month for each and every month of non-compliance.

B. Any Person who violates any of the provisions of this Ordinance shall be punished by a fine of up to three hundred dollars ($300) and/or imprisonment of no more than ninety (90) days, or both, upon conviction.

C. Each month continued violation shall constitute a separate, additional violation.

D. Notwithstanding anything in this Ordinance, the Owners/Operators of any Unit or Facility may not use the payment of fines, liquidated damages or other penalties, to evade or avoid compliance with this Ordinance or any section of this Ordinance. An attempt to do so shall subject the holder of the Special Use Permit to termination and revocation of the Special Use Permit. Curry County may also seek injunctive relief to prevent the continued violation of this Ordinance, without limiting other remedies available to the County.

SECTION 10. PERIODIC REGULATORY REVIEW BY THE COUNTY

A. Curry County may at any time conduct a review and examination of this entire Ordinance.

B. If after such a periodic review and examination of this Ordinance, Curry County determines that one or more provisions of this Ordinance should be amended, repealed, revised, clarified, or deleted; then Curry County may take whatever measures are necessary in accordance with applicable law in order to accomplish the same. It is noted that where warranted, and in the best interests of Curry County, the County may repeal this entire Ordinance at any time.

C. Notwithstanding any of the provisions of this Ordinance, Curry County may at any time and in any manner (to the extent permitted by Federal, State, or local law) amend, add, repeal, and/or delete one or more provisions of this Ordinance.

SECTION 11. SEVERABILITY

It is hereby declared to be the intention of the Board of County Commissioners of Curry County that the sections, paragraphs, sentences, clauses and phrases in this Ordinance shall be deemed severable, and if any phrase, clause, sentence, paragraph, or section of this Ordinance is declared unconstitutional or otherwise invalid by the valid judgment of a court of competent jurisdiction, such unconstitutionality or invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs or sections hereof.

ADOPTED on this 5 day of November, 2019.

Chet Spear, Chairman
Board of County Commissioners

ATTEST:

COUNTY CLERK

CERTIFICATE OF CURRY COUNTY CLERK

I, Annie Hogland, Curry County Clerk, hereby certify that Curry County Ordinance Number 2019-05, an Ordinance by Which Curry County Can Track the Location of Any and All Commercial Wireless Telecommunication Facilities, Wind Towers, Wind Generators, Towers and Other Similar Facilities that are Built or Constructed in Curry County, was passed, approved and adopted by the Curry County Board of County Commissioners on this 5th day of November, 2019.

Annie Hogland, Curry County Clerk
