Darlington County Council
Regular Meeting
Thursday, September 10, 2026
6:00 PM
Courthouse Annex/EMS Building
1625 Harry Byrd Highway (Hwy. 151)
Darlington, SC 29532
www.darcosc.com

AGENDA

Darlington County Council meetings are in-person and live-streamed - To view the live stream of Darlington County Council meetings, visit the Darlington County Website at www.darcosc.com, scroll down to Online Services, and click on the live stream link.

1. PUBLIC HEARING

1.A. *Ordinance No. 26-05, An Ordinance To Impose A Nine (9) Month Moratorium On The Acceptance Of, Review Of, And/Or Action Upon Applications For Approvals, Development Permits, And Any Other Official County Action That Would Authorize Or Permit The Development Of New Solar Energy Systems And/Or Wind Farms In Darlington County, South Carolina; To Invoke The Pending Ordinance Doctrine; To Protect Existing Vested Rights As Required By Applicable Law; And To Provide For Other Matters Related Thereto - SECOND READING*
Ord. No. 26-05.docx

2. CALL TO ORDER

3. INVOCATION AND PLEDGE OF ALLEGIANCE

4. CITIZENS' COMMENTS

Darlington County Code of Ordinances, Chapter 2, Section 2-85 governs Citizens Comments. The following rules shall apply:
(1) Any citizen will be allowed a maximum of 2 minutes during this 30 minutes.
(2) The order of speakers shall be on a first-come, first serve basis as recorded on a log provided before and during the meeting.
(3) Input must be in the form of suggestions, information or comments pertaining to programs or activities of county government. Rules of order and conduct shall apply. Comments should not be made, either complimentary or critical, naming any citizen, board or commission member, employee, or councilmember.
(4) Speakers' comments will be received only as information. This time is provided for citizens to state their suggestions, information or comments, not for a debate or interrogation involving councilmembers or staff. If a member of council wishes to have discussion of a topic initiated during citizen comments, a member can make a motion to have the topic scheduled for council discussion and possible action at a subsequent meeting.
(5) Speakers desiring more time for a presentation should seek to make a scheduled appearance as

provided for by section 2-83(d).

5. PERSONAL APPEARANCES

Darlington County Code of Ordinances, Chapter 2, Section 2-83(d-e) governs appearances other than for public hearings. The length of scheduled appearances before Council shall be 10 minutes total for both presentations and questions/answers. The length of time can be extended or permitted at the end of the agenda by the unanimous consent of council or by a 3/4 vote; council may refer those wishing to communicate further to the county administrator or a committee of council; or individuals may be asked to come back at a later meeting. The purpose of appearances before council is for citizens to present their views and concerns in a manner consistent with the rules of order. This is not a forum for councilmembers to be interrogated or for a debate between parties to take place.

Darlington County Council
Agenda Item Form

Agenda Item No. 2026-336-DCC
Submitted by: J. Janet Bishop
Submitting Department: Administration
Meeting Date: September 10, 2026

SUBJECT:

Ordinance No. 26-05, An Ordinance To Impose A Nine (9) Month Moratorium On The Acceptance Of, Review Of, And/Or Action Upon Applications For Approvals, Development Permits, And Any Other Official County Action That Would Authorize Or Permit The Development Of New Solar Energy Systems And/Or Wind Farms In Darlington County, South Carolina; To Invoke The Pending Ordinance Doctrine; To Protect Existing Vested Rights As Required By Applicable Law; And To Provide For Other Matters Related Thereto - SECOND READING

CURRENT STATUS:

As stated in the ordinance, in light of this rapidly evolving industry and sphere of renewable energy, it is prudent to allow the County Council and the Darlington County Planning Commission adequate time to study, draft, and adopt updated development regulations to address these industry advancements. To prevent the filing and approval of development applications that may conflict with forthcoming amendments to the DSO, a moratorium is required.

POINTS TO CONSIDER:

As stated in the ordinance:
The Darlington County Planning Commission shall undertake a comprehensive review of Article 19 (Renewable Energy Systems) of the DSO and make recommendations to the County Council. The recommendations, as they relate to renewable energy systems and developments pertaining thereto, may include, but not be limited to: (1) size and density, (2) setbacks and buffering, (3) decommissioning, (4) financial assurance, and (5) environmental protection.

Approval of this ordinance will impose a nine (9) month moratorium on all activities relating to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future.

FINANCIAL IMPACT:

OPTION:

RECOMMENDATION:

Council's consideration of Ordinance No. 26-05.

Ord. No. 26-05.docx

STATE OF SOUTH CAROLINA)
) **ORDINANCE NO. 2026-05____**
COUNTY OF DARLINGTON)

AN ORDINANCE

TO IMPOSE A NINE (9) MONTH MORATORIUM ON THE ACCEPTANCE OF, REVIEW OF, AND/OR ACTION UPON APPLICATIONS FOR APPROVALS, DEVELOPMENT PERMITS, AND ANY OTHER OFFICIAL COUNTY ACTION THAT WOULD AUTHORIZE OR PERMIT THE DEVELOPMENT OF NEW SOLAR ENERGY SYSTEMS AND/OR WIND FARMS IN DARLINGTON COUNTY, SOUTH CAROLINA; TO INVOKE THE PENDING ORDINANCE DOCTRINE; TO PROTECT EXISTING VESTED RIGHTS AS REQUIRED BY APPLICABLE LAW; AND TO PROVIDE FOR OTHER MATTERS RELATED THERETO.

WHEREAS, Darlington County (the "County") provides services to its citizens, including the regulation of development and permitting, and Darlington County Council (the "County Council") finds that appropriate land development regulation and permitting of properties is vital to public interest, health, safety, welfare, and quality of life due to the impact such development has on the County services, infrastructure, and resources; and

WHEREAS, the Darlington County Development Standards Ordinance ("DSO") was first adopted on April 15, 1985, to regulate development and permitting in the County; and

WHEREAS, the DSO was amended on June 1, 2015, by Ordinance No. 15-16, which added Renewable Energy Systems provisions (Article 19), and which included the regulation of Solar Energy Systems and Wind Farms; and

WHEREAS, Article 19 of the DSO was amended March 6, 2017, by Ordinance No. 16-19, to clarify the process and regulations applicable to Renewable Energy Systems; and

WHEREAS, County Council amended Article 19 of the DSO on November 1, 2021, by Ordinance No. 21-09 (Public Notification) and on December 4, 2023, by Ordinance No. 23-18 (Wattage Designation Deletion) as part of its continuing efforts to regulate Renewable Energy Systems in a manner consistent with evolving technology, land-use considerations, and the public interest; and

WHEREAS, the County is currently experiencing the growth and proliferation of Solar Energy Systems; and

WHEREAS, approximately six hundred twenty-two (622) acres of tax parcels in the County are currently dedicated to solar energy generation, with approximately two hundred ten (210) of those acres being actually covered by solar panels; and

WHEREAS, approximately twelve thousand five hundred fifty-three (12,553) additional acres of tax parcels in the County are in various stages of the development process for solar energy generation; and

WHEREAS, more than eleven (11) years have passed since the County first regulated Solar Energy Systems and Wind Farms; and

WHEREAS, solar energy has experienced substantial technological advancements and changes in development practices since the adoption of Ordinance No. 15-16 and Ordinance No. 16-19; and

WHEREAS, in light of this rapidly evolving industry and sphere of renewable energy, it is prudent to allow the County Council and the Darlington County Planning Commission adequate time to study, draft, and adopt updated development regulations to address these industry advancements; and

WHEREAS, to prevent the filing and approval of development applications that may conflict with forthcoming amendments to the DSO, a moratorium is required.

NOW, THEREFORE, BE IT RESOLVED, by the County Council, as follows:

1. **Provision for Recommendations.** The Darlington County Planning Commission shall undertake a comprehensive review of Article 19 – Renewable Energy Systems – of the DSO and make recommendations to the County Council. The recommendations, as they relate to renewable energy systems and developments pertaining thereto, may include, but not be limited to: (1) size and density, (2) setbacks and buffering, (3) decommissioning, (4) financial assurance, and (5) environmental protection.

2. **Nine (9) Month Moratorium Adopted.** Based upon the foregoing, the County Council hereby resolves by this Ordinance that all activities related to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farm (both as defined by § 19.1 of the DSO) under Article 19 (Renewable Energy Systems) of the DSO, or create any vested rights that would authorize such new developments in the future, are temporarily suspended. Accordingly, there is hereby imposed a moratorium on all activities relating to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future. During the time this moratorium is in effect and subject to the terms of this Ordinance, the County will neither accept nor review any letters of intent, applications for development permits, site plan approvals, or take any other official action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future.

3. **Time.** The moratorium set forth in this Ordinance shall become effective upon final adoption by third reading of this Ordinance and shall terminate nine (9) months after third reading unless extended pursuant to the provisions of Section Four (4).

4. **Extension of Moratorium.** No earlier than ninety (90) days prior to the expiration date of the moratorium imposed herein, should the County Administrator determine that there is insufficient time for the County Council to consider the recommendations of the Planning Commission, the County Administrator shall notify the County Council of this time constraint and; thereafter, the County Council may extend the moratorium expiration by up to an additional ninety (90) day period.

5. **Effect on vested rights.** The State of South Carolina has vested rights laws which would prohibit the enforcement of this moratorium by the County for certain properties. It is not the intent of this Ordinance to violate state law. Therefore, any properties with such legally protected vested rights shall be exempt from the provisions of this moratorium to the extent such properties are lawfully protected by such vested rights.

6. **Effect on Contractual Matters.** This moratorium shall not apply to, and shall not restrict the completion of, any projects for which a Fee in Lieu of Taxes ("FILOT") agreement has been issued

7. **Pending Ordinance Doctrine.** The South Carolina Pending Ordinance Doctrine shall apply to this Ordinance, and the provisions regarding final adoption shall in no way adversely affect the enforceability, applicability, or legality of the pending ordinance status of this Ordinance.

8. **Incorporation of Recitals.** The recitals set forth hereinabove are true, accurate, and complete and are hereby incorporated by reference as the legislative findings and intent of the County Council in enacting this Ordinance. These recitals form the basis for the moratorium established herein.

9. **Severability.** If a section, subsection, or provision of this Ordinance shall be deemed or found to conflict with a provision of South Carolina law or other preemptive legal principle by a Court of competent jurisdiction then that section, subsection, or provision of this Ordinance shall be deemed ineffective, but the remaining portions of this Ordinance shall remain in full force and effect.

10. **Conflict with Previous Ordinances.** To the extent of any conflict, this Ordinance shall control during its term. No provision of any prior ordinance is repealed hereby.

11. **Third Reading.** This ordinance shall be and become finally binding after the same shall have received first reading, second reading, a public hearing, and third reading by the County Council.

Subject:	RE: Request to speak at council meeting on Aug 3
Attachments:	Appearances Before Council.pdf

I am in receipt of your request below to speak before Darlington County Council at its August 3rd meeting. Unfortunately, the deadline to be placed on the August 3rd agenda for a 10-minute Personal Appearance was noon on Monday, July 20, 2026. As explained in our conversation this morning, this agenda deadline was moved up one week earlier due to Council members and the staff being scheduled to attend the SCAC Annual Conference next week.

However, you are welcome to speak during the Citizens' Comment portion of the August 3rd meeting. Citizens are allotted up to two (2) minutes to address Council during this time. Please sign your name on the sign-in sheet that will be on the podium in the meeting room prior to the start of the meeting a 6 p.m.

As outlined in the attached rules governing the order of meeting, comments made during the Citizens' Comments segment are received as information only. This portion of the meeting is provided for citizens to state their suggestions, information or comments, not for a debate or interrogation involving councilmembers or staff.

I will use your request below to place your name on County Council's September 10th agenda to make a 10-minute Personal Appearance. The purpose of this time if for citizens to present their views and concerns in a manner consistent with the rules of order attached. This is not a forum for council members to be interrogated or for a debate between parties to take place.

Please keep in mind that the September10th meeting is on a Thursday due to the Labor Day holiday being on the first Monday. The time remains at 6 p.m. at the Courthouse Annex/EMS Building, 1625 Harry Byrd Highway, Darlington, SC.

I have added you to my agenda distribution email list. Again, apologize for any inconvenience and look forward to seeing you on August 3rd.

Sec. 2-83. Conduct of meetings.

(d) *Appearances other than for public hearings.* Should any person, group or organization request to be heard upon any matter at a regular or special meeting of council, such person, group or organization should request the chairman or county administrator to place such matter on the agenda for the meeting at least three working days prior to the day set for such meeting. The chairman must approve all matters to be placed on the agenda. The request must be in writing and specifically identify the subject to be addressed, the estimated length of time for the presentation and the name and address of the person appearing. Organizations or groups shall designate one spokesperson to make the presentation. The chair shall determine the appropriate meeting for the presentation, considering the availability of time.

(e) *Length of appearances.*

(1) The length of scheduled appearances before council by persons, groups or organizations shall be up to ten minutes total for both presentations and questions/answers.

(2) Presentations at public hearings can be limited by the chair to less than ten minutes so that all members of the public wishing to make a statement can do so. Persons wishing to exceed an initial time allotment may be granted the opportunity to continue once the others have had the opportunity to speak or other business to be handled, if approved by council.

(3) The length of time for scheduled appearances can be extended or can be permitted at the end of the agenda by the unanimous consent of council or by a three-fourths vote of the members present and voting.

(4) Council may also refer those wishing to communicate further to the county administrator or a committee of council. They may also be asked to come back at a later meeting.

(5) The purpose of appearances before council for citizens to present their views and concerns in a manner consistent with the rules of order contained herein. This is not a forum for councilmembers to be interrogated or for a debate between parties to take place.

(f) *Matters not within the council's jurisdiction.* No matter shall be entered on the agenda or heard by the council unless it is within the council's authority or jurisdiction; provided, the council may entertain requests that it make recommendations or inquiries to other governmental bodies, departments or agencies.

(g) *Recognition of persons.* When any person or persons, including employees of the council and of the county, are heard by the council as provided in subsection (e)(4) of this section, that person or persons, when they have completed their presentation, shall be seated and no person or persons other than a member of the council will be recognized to make any statement on such matter unless requested to do so by any member of the council through the chairman.

(h) *Nonbudgeted financial requests.* Council may receive for information nonbudgeted financial requests which shall be deferred for consideration until the regular budget cycle; however, council may, by a vote of three-fourths of the members present, decide to discuss the request at a subsequent meeting. By the same procedure, council may schedule the matter at a third

meeting for consideration of emergency funding. This does not apply to county government operating needs. It applies to agency/group requests from outside county government.

Sec. 2-85. Orders of meeting.

(f) ***Citizen comments.*** Up to one-half hour prior to approval of minutes of the previous meeting will be set aside as time for hearing from the public at regular council meetings, unless otherwise designated. The following rules shall apply:

(1) Any citizen will be allowed a maximum of two minutes during this 30 minutes.

(2) The order of speakers shall be on a first-come, first-serve basis as recorded on a log provided before and during the meeting.

(3) Input must be in the form of suggestions, information or comments pertaining to programs or activities of county government. Rules of order and conduct shall apply. Comments should not be made, either complimentary or critical, naming any citizen, board or commission member, employee, or councilmember.

(4) Speakers' comments will be received only as information. This time is provided for citizens to state their suggestions, information or comments, not for a debate or interrogation involving councilmembers or staff. If a member of council wishes to have discussion of a topic initiated during citizen comments, a member can make a motion to have the topic scheduled for council discussion and possible action at a subsequent meeting.

(5) Speakers desiring more time for a presentation should seek to make a scheduled appearance as provided for by section 2-83(d).

Sec. 2-86. Conduct of members and guests of council during session.

(a) *Decorum of members and guests.* When the council is called to order, every member and every guest shall take his seat and shall, during the session, act with decorum.

(b) *Chair to preserve order.* If any member violates the rules of order as recognized by the council, the chair shall (or other member may) call him to order. A member who is called to order shall immediately take his seat until the question of order is decided, unless he is allowed by the chair to explain his action.

(c) *Questions of order.* The chair shall decide all questions of order without debate, or with short conversation as the chair may permit; but any member may appeal to the council to overrule the decision of the chair which shall require at least three votes of the members present and voting.

(d) *Irregular conduct.* If repeated calls do not produce order, the chair may call by name any member persisting in irregularity. Such person may then explain his conduct but may be ordered by the chair to withdraw while council considers punishment or other proceeding to be had.

(e) *Disturbance or disorderly conduct.* In case of any disturbance or disorderly conduct by persons present, the chair shall have power to order the chamber cleared, and any member may move for such order. Any person guilty of flagrant contempt of council may be ordered into custody.

(f) *Penalty for disorderly conduct.* Disorderly conduct amounting to an open or direct contempt or willful interruption of the meeting shall be punishable by a fine up to $200.00 or a sentence of up to 15 days in jail.

Subject: Subject: Formal Opposition to Proposed Utility-Scale Solar Facility on Deer Run Drive and Clyde Road

Caution: CAUTION: This email originated from outside of Darlington County Govt. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Ms. Bishop,

I am following up on my request to speak at the September County Council meeting and to make this letter our formal statement of opposition to the proposed utility-scale solar facility located on Deer Run Drive and Clyde Road.

This proposed project would directly impact approximately 48 properties and 32 homes within an established residential neighborhood where we have lived for almost 40 years.

We respect the rights of landowners who wish to lease their property for a utility-scale solar project. However, those rights should be balanced with the rights of neighboring homeowners who purchased their homes with the reasonable expectation that Darlington County's zoning and land use regulations would help protect the character, compatibility, and long-term stability of residential neighborhoods.

Utility-scale solar facilities are industrial developments and should be located where they are compatible with surrounding land uses, not immediately adjacent to established residential communities. Simply put, a utility-scale solar facility does not belong in the middle of a neighborhood.

As a member of County Council, you have a responsibility to protect the interests of all property owners and to ensure that growth occurs in a manner that is fair, compatible, and consistent with Darlington County's commitment to responsible planning and development.

We respectfully ask the County Council to:

1. **Oppose any FILOT agreement** for the proposed Deer Run/Clyde Road utility-scale solar project.
2. **Support an immediate moratorium or other accelerated measures** to allow for the review and updating of county ordinances governing utility-scale solar facilities.
3. **Increase setback requirements** between utility-scale solar facilities and residential property lines.
4. **Increase the amount and duration of required decommissioning bonds** to ensure adequate funding for future site restoration.
5. **Require continuous, effective vegetative buffers** around the entire perimeter of all utility-scale solar projects to minimize visual impacts on neighboring properties.

Thank you for your time, your service to Darlington County, and your thoughtful consideration of our concerns. We respectfully ask the council to stand with the residents of Deer Run and Clyde Road in protecting our community and preserving the residential character of our neighborhood.

Warm regards,

Earl and Trena McElveen
944 Deer Run Drive

BOARD OF TRUSTEES MEETING MINUTES

March, 2026

Lamar Branch March 18, 2026

OPENING OF MEETING

A. The meeting was called to order by Vice President, Gail Gandy, at 5:05 p.m. A quorum was met with the following members present: Bobbie Gardner (attended remotely), Ken Hughes, Gene Norwood, Vernessia Patterson, Gail Gandy, JoAnn Lee (attended remotely), and Carol Hill.

B. Member(s) absent: Barbara Carraway.

C. The following visitor(s) attended and were recognized: Antoinette Fernandez, IT Manager; Kelly Shull, Lamar Branch Manager; and, the following member(s) attended remotely and were recognized: Christy Lamb, Administrative Assistant; Lynn Anderson, Society Hill Branch Manager; Martha Brown, Hartsville Branch Manager; Tracy Tuplin, Darlington Branch Manager.

D. A motion was made by JoAnn Lee, seconded by Gail Gandy, and carried to approve the agenda with recommended changes: discussion of the South Carolina Public Library Proclamation.

OPEN FORUM

A. BOARD PACKET/MATERIALS – Ken Hughes noted that board packets/materials are often received more than eight (8) days after mailing. He recommended distributing board packets/materials to each board member's respective branch for pickup to ensure timely receipt and reduce postage expenses. Library Director Jimmie Epling also suggested home delivery by Library personnel; however, branch pickup was the preferred option.

CONSENT AGENDA

A. Approval of Minutes – A motion was made by JoAnn Lee, seconded by Gail Gandy, and carried to approve the January minutes.

FINANCIAL REPORT

A. The Library is going into its fourth quarter with approximately 64% of its budget expended.

B. The FY 2025 Financial Audit showed an increase of $228,985 in the Library's fund balance. The total fund balance as of June 30, 2025 was $2,239,475.

DIRECTOR'S REPORT – The Director's report included the following:

A. Summer Reading and Learning Program swag and activities were shared with the board.

B. A Staff In-Service Day tentative agenda was distributed to the board. A SCLENDS representative will provide an overview of the new system at the In-Service Day. The

afternoon training sessions will include the presentation of the Ryan Dowd training on "Unattended Children" (60 minutes) and "Backup - How Coworkers Should Provide Backup During Conflict" (30 minutes). Staff will be encouraged to take additional courses outside of in-service day.

C. March 3rd through 5th was spent attending the South Carolina State Library's Directors Retreat. The retreat was funded by the State Library and included lodging and meals. Key discussions focused on hiring practices and evaluation processes for both employees and contractors.

D. The American Library Association's National Library Legislative Day 2026 was an event for librarians from across the country to meet with their Federal legislators to champion library interests. While on the ground in DC as part of the South Carolina delegation, I visited the offices of Senator Tim Scott, Senator Lindsey Graham, and Pee Dee Representative Russell Fry. We discussed public library issues with their offices' Legislative Assistants.

E. All four Branches participated in a system-wide Pokémon-themed reading initiative celebrating the 30th anniversary of Pokémon. The program included reading challenges, themed activities, prize incentives, and community events across multiple branches. Participation was strong system-wide, with support from local Friends groups and community partner Firefly Toys and Games, which donated prizes and promotional items for participants.

HOST BRANCH MANAGER'S REPORT – Kelly Shull, Lamar Branch Manager

A. Staff are enjoying the new 3D printer. The filament being used has proven to be stronger, more resilient, and offers greater versatility in color options. The Library is saving both time and money by 3D printing unique items for programming and promotional purposes.

B. Mobility and stretching classes were temporarily canceled due to the instructor sustaining an injury.

C. Staff and management are excitedly anticipating the installation of the new flooring.

D. Youth Services Librarian Ann Beasley received an excellent response to the KPop Demon Hunters Party and Pokémon programming. Collaboration and teamwork contributed to these programs being well-attended and positively received throughout the county.

COMMITTEE REPORTS

None

EXECUTIVE SESSION

A. FY 2027 BUDGET – PERSONNEL

a. A motion was made by Ken Hughes, seconded by Carol Hill, and carried to approve the Library Board entering executive session at 5:49 p.m.

b. A motion was made by Ken Hughes, seconded by Gene Norwood, and carried to approve the Library Board exiting executive session at 6:17 p.m. No action taken.

UNFINISHED BUSINESS

None

NEW BUSINESS

- **A.** FY 2027 BUDGET – A motion was made by Gene Norwood, seconded by Vernessia Patterson, and carried to approve the budget as proposed for FY 2027.
- **B.** BOARD MEETING TIME CHANGE – A motion was made by Bobbie Gardner, seconded by JoAnn Lee, and carried to approve all Board meetings begin at 3 p.m. permanently, rather than only in the winter months of November and January.
- **C.** BOARD MEMBER TERMS – A board member may serve an unlimited number of four year terms. A member's term expires at the end of the fiscal year, June 30th. Member terms expiring on June 30th: Gail Gandy (District 2).
- **D.** ELECTION OF BOARD OFFICERS – According to Board bylaws, the Board must elect new officers in July. Traditionally, the Board has waited until its July meeting to select officers, as the membership of the Board will have been set with returning and new members by that meeting.
- **E.** SC PUBLIC LIBRARY PROCLAMATION – South Carolina House and Senate Resolution (H 5041) "TO RECOGNIZE AND CELEBRATE THE HISTORICAL AND ONGOING CONTRIBUTIONS OF SOUTH CAROLINA PUBLIC LIBRARIES AND TO ENCOURAGE CONTINUED SUPPORT AND INVESTMENT FOR THE BENEFIT OF ALL THE PALMETTO STATE'S CITIZENS." The House presentation of the Library Concurrent Resolution celebrating the contributions of public libraries to South Carolinians will be presented March 25th in the House Chamber by Representative Chandra Dillard who sponsored it. Library Director Jimmie Epling will attend and encouraged board members to join him. A motion was made by Ken Hughes, seconded by Gene Norwood, and carried to approve a letter of appreciation be written to our delegation members.

PROPOSED AGENDA ITEMS FOR THE NEXT REGULAR MEETING

None.

REQUESTS/COMMENTS – MEMBERS OF THE BOARD

- **A.** GAIL GANDY inquired about the status of Hartsville branch custodian, Anhelina Kostiuchenko. Work authorization delays caused by federal processing backlogs have been resolved, and she has returned to work.

ADJOURNMENT

A motion was made by Gene Norwood, seconded by Carol Hill, and carried to adjourn the meeting at 6:32 p.m.

Respectfully Submitted by

Christy Lamb, Administrative Assistant

Workforce Innovation And Opportunity (WIOA) Quarterly Report, Fourth Quarter Program Year 2025

CURRENT STATUS:

The attached Quarterly WIOA report was prepared by Bridgette Coates, Workforce Development Director at Pee Dee Regional Council of Governments. She included in the report a narrative of several activities that took place in Darlington County between April and June 2026 as well as the end-of-quarter WIOA Expenditure/Balance of Funds Report.

They are especially proud of the partnership between Pee Dee Workforce Development Board and Darlington County School District which provided career pathway opportunities to over 30 Darlington County students during this past school year. Two success stories are included.

The Pee Dee Regional Council of Governments and Pee Dee Workforce Development Board are pleased to serve Darlington County.

Darlington County Council
Workforce Innovation and Opportunity Act (WIOA) Quarterly Report
Fourth Quarter Program Year 2025
07/31/2026

The Pee Dee Regional Council of Governments serves as the fiscal agent for the Pee Dee Local Workforce Development Area (LWDA). As such, we provide Workforce Innovation and Opportunity Act (WIOA) programs through a network of SC Works Centers. In Darlington County, Adult Education provides a space for the SC Works Hartsville Center at 437 W. Carolina Avenue, Bldg. 1 (2nd Floor), Hartsville. Below are just a few of the activities that took place in Darlington County during the final quarter of Program Year 2025 (04/01/2026-06/30/2026):

- Our SC Works Rapid Response Unit was able to provide re-employment services to five individuals laid off by RBC Bearings on April 28, 2026. We received a kind message from Kayla West, HR Manager, thanking us for our support of the individuals.

- The SC Works Business Services Team participated in several events in Darlington County this quarter:

On 05/01/2026, Darlington County Community Action Agency (DCCAA) invited SC Works to participate in a community event. Congratulations to DCCAA for a successful event!

Also, on May 1, 2026, SC Works participated in Lamar High School's Career Fair! It is always an honor to connect with students, share career pathways and talk about the skills and opportunities needed by our local employers!

- The Pee Dee Workforce Development Board awarded $50,000 to Darlington County School District (DCSD) for the "Investing in Our Future" grant. The purpose of the grant was to connect high school seniors with paid Work-Experiences that explore career pathways and build job skills. DCSD enrolled 32 students in the grant. Here are a few employers that hosted students: Carolina Pines Regional Medical Center, Rubicon Family Counseling, MUSC Florence, Luxe Beauty, MedSpa, PolyQuest, City of Hartsville, Darlington County School District Maintenance and Operations. Here are two success stories submitted by Darlington County School District regarding students who participated in the grant.

Success Stories from "Investing In Your Future Grant"
with Darlington County School District (DCSD)

Claudia Dority - City of Hartsville

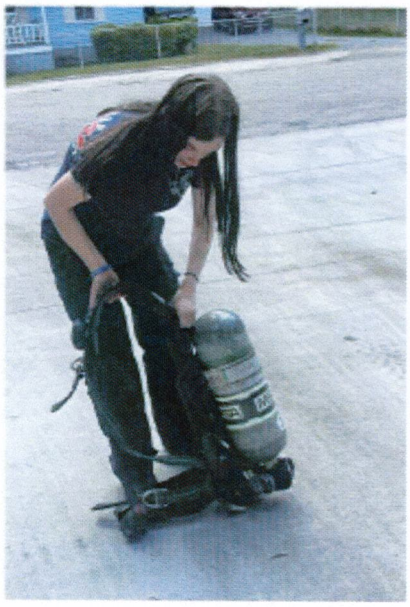

Claudia Dority, a senior at Hartsville High School, has always felt called to a career in public service. Through the Key to Career Internship Program and the Investing in Our Future Grant funded through WIOA, Claudia has been able to turn that passion into real-world experience with the City of Hartsville Fire Department.

During her internship, Claudia developed specialized skills in the fire service, including rescue methods, emergency planning, connecting fire hydrants, and servicing air packs for certified firefighters. Her dedication and work ethic have not gone unnoticed. Assistant Chief Les Baker has described her as one of the fastest learners he has worked with in recent years.

As Claudia prepares to graduate in May, she is also preparing for an important new chapter in her life as she becomes a mother this summer. Even with this transition ahead, she remains focused on her long-term goals. Claudia has already connected with her mentors at the City of Hartsville Fire Department about pursuing certification through the SC Fire Academy, and they have expressed their support in helping her take that next step when she is ready.

Claudia's journey reflects the power of early career exposure and the importance of creating opportunities for students to explore their passions while making meaningful progress toward their goals. Darlington County School District is proud to have Claudia Dority representing us and looks forward to the impact she will make in public service in the years ahead.

Corey Lucas - PolyQuest, Inc.

Corey Lucas, a senior at Darlington High School, will graduate this May with a clear direction for his future. Through the Key to Career Internship Program and the "Investing in Our Future Grant" funded through WIOA, Corey completed work experience with PolyQuest Industries in Darlington as a maintenance and operations intern.

Corey has faced his share of personal challenges and has been open about not always having strong role models in his life. Despite that, he made a decision to create a better future for himself—one built on purpose and meaningful work.

Through his participation in Machine Tool I at DCIT and his hands-on experience at PolyQuest, Corey has developed a new level of confidence in both himself and his abilities. He discovered a genuine interest in manufacturing and now knows this is the path he wants to pursue.

After graduation, Corey plans to attend Florence-Darlington Technical College to study Machine Tool Technology. The team at PolyQuest has already interviewed him for a full-time position, with the hope that he will join their workforce after graduation.

Corey fully embraced this opportunity and made the most of every moment. His story is a powerful example of the impact that work-based learning programs can have on students' lives.

Florence County Council Member Mumford Honored for Service with President's Cup

From left: Steve Mumford, Senora Mumford, Waymon Mumford and Mary Anderson. Anderson presented the 2026 SCAC President's Cup to Waymon Mumford on July 29.

Florence County Council Member (and Pee Dee COG Board Member) **Waymon Mumford** was recognized for his lifetime of public service and dedication to South Carolina county government with the 2026 David K. Summers Jr. President's Cup.

Each year, the SC Association of Counties' (SCAC) outgoing president honors someone who has merited special recognition for service to county government and assistance to the SCAC president.

"The recipient of the 2026 David K. Summers Jr. President's Cup is someone who has inspired me throughout my time on the SCAC Board and continues to be a role model for county government leaders across the state," said **Mary D. Anderson**, SCAC president for 2025-26. "Rev. Mumford has taught me and so many others that leadership isn't about being the loudest voice in the room. It's about listening first, leading with integrity, treating people with respect and never losing sight of why we serve."

Learn more about Rev. Mumford and his service to county government.

Pee Dee COG Supports SC Association of Counties Conference

The SC Association of Counties (SCAC) hosted its 2026 Annual Conference and Institute of Government for County Officials on August 27-30, 2026 at the Isle of Palms. It was packed with opportunities for attendees, mostly county leaders, to engage in advocacy, collaboration and education. **Joette Dukes** represented Pee Dee Regional Council of Governments at the Annual Conference and enjoyed the opportunities she had to connect

with representatives of county governments in the Pee Dee Region, many of whom are also members of Pee Dee COG's Board of Directors.

This conference was particularly special, because it was planned under the leadership of **Mary Anderson**, who is a member of Chesterfield County Council and the Pee Dee Regional Council of Governments' Board of Directors. Ms. Anderson served as President of SCAC for 2025-2026. As she ended her term as President, invited us to reflect on South Carolina's remarkable past as our nation celebrates its 250th anniversary. Chesterfield County played a pivotal role in the Revolutionary War, and it's just one of many South Carolina counties with powerful stories that shaped the founding of the United States.
If you are a member of the LinkedIn Community, you can hear her brief remarks **here**.

We applaud and salute Mary and the SCAC Team for a job well done!

More than 75 county officials celebrated a milestone in their education journey during the Annual Conference and Institute of Government for County Officials.

A total of 77 graduated from the Institute this year. A total of 56 county officials earned Level I certification, and 35 earned Level II certification. Fourteen county officials graduated from both levels this year.

Graduates from the Pee Dee Region are as follows:

Level I Graduates

Chesterfield County—Council Member Johnnie McLendon
Florence County—Emergency Management Director Kristy Burch, Finance Director Ashley Davison, Deputy Administrator - Emergency Services Mitch Fulmore, Council Member Toney Moore, GIS Director Reggie Sanders and Register of Deeds Felicia Simon
Marlboro County—Treasurer Sharea Bracey and Administrative Services Director Doris Sumpter*

Level II Graduates

Marion County—Council Chairman Dewayne Tennie and Council Member Taurus Gilchrist
Marlboro County—Administrative Services Director Doris Sumpter*

See a full list of 2026 graduates.

Please note that Doris Sumpter is one of the fourteen participants to complete both Levels I and II this year. Ms. Sumpter is presently serving as the Interim County Administrator for Marlboro County.

Additionally, Councilmen Toney Moore and Taurus Gilchrist presently serve on Pee Dee Regional Council of Governments' Board of Directors.

Congratulations to all of this year's graduates!

NADO National Association of Development Organizations

E·D·A U.S. ECONOMIC DEVELOPMENT ADMINISTRATION

RPO AMERICA

NADO Partners with EDA to Host Economic Development and Transportation Conferences

From Monday, July 20 to Wednesday, July 22, transportation practitioners from across the country attended the National Association of Development Organizations (NADO) and Rural Planning Organizations (RPO) America's 2026 National Regional Transportation Conference for three days of keynote addresses, best practices presentations, trainings, mobile workshops, and networking. Participants heard from national experts, engaged in practical discussions, and shared lessons learned on topics ranging from multimodal planning and infrastructure investment to emerging challenges and opportunities facing regions of all sizes. Pee Dee COG's Economic Development Director, **Lindsay Privette**, and our Grants and Planning Assistant, **Haley Poston**, attended this event.

In conjunction with the Transportation Conference, Lindsay remained in Atlanta to attend the 2026 Economic Development Conference for the Economic Development Administration (EDA) Atlanta Region. The Economic Development Conference brought together federal, state, regional, and local partners for timely conversations on economic resilience, regional collaboration, and strategies to strengthen communities within the U.S. Economic Development Administration's Atlanta Region. Attendees gained practical insights from expert speakers, engaged in meaningful peer discussions, and explored innovative approaches to advancing economic development in the southeast.

Pee Dee COG's Economic Development Director Participates in NADO's Emerging Leaders Program

The inaugural cohort of the Training Program for Emerging Leaders (TPEL) for the EDA Atlanta Region convened for the first time at the Economic Development Training for the EDA Atlanta Region held last week.

Before and after the training, the cohort completed site visits to **East Alabama Regional Planning and Development Commission** and **Northwest Georgia Regional Commission** where the Emerging Leaders learned from other Economic Development District (EDD) staff and saw project development up-close. The group's learning journey highlighted projects and discussions on workforce development and innovation, outdoor recreation, housing, downtown revitalization, community engagement, and navigating complex funding sources.

Our very own **Lindsay Privette**, Economic Development Director for **PEE DEE REGIONAL COUNCIL OF GOVERNMENTS** is one of 8 individuals in the Southeast Region to be chosen for this opportunity.

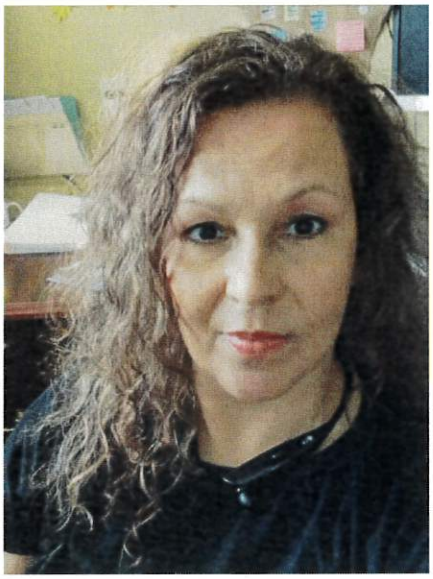

The cohort's curriculum the rest of the year will include site visits to five more EDDs, virtual training sessions, and attending the NADO Annual Training Conference in Reno, NV, this October.

Thank you to the **U.S. Economic Development Administration** Atlanta Regional Office for supporting this leadership development initiative and to the host EDDs in facilitating the site visits!

COG Team Members Celebrated Work Anniversaries in August

Kim Ethridge
Community Development Director
August 16
8 years

Teresa Jacobs
SCIIP Coordinator
August 16
9 years

Congratulations to the Town of Latta!

The SC Department of Commerce recently announced the award of $1,176,000 in Community Development Block Grant (CDBG) funding to the Town of Latta for their Wastewater Treatment Plan Upgrade project! We congratulate them on their successful competition for these funds for the betterment of their community.

The South Carolina Community Development Block Grant (CDBG) Program provides grants to eligible local governments (towns, cities and counties) that do not directly receive CDBG funding from the US Department of Housing and Urban Development (HUD). CDBG grants can fund a wide variety of projects from revitalizing neighborhoods to improving community infrastructure, providing public facilities and creating or retaining jobs.

The staff of Pee Dee COG hosted a peer group meeting of community development practitioners from across the State on August 5. Special thanks to **Kim Ethridge** for her dedication to this area of our work.

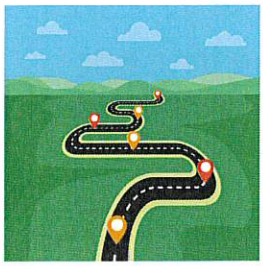

Fox & Spur Connector

Lindsay Privette and **Haley Poston** have been engaged with a workgroup seeking to transform a former railroad corridor into a scenic recreation trail system for walking, biking, and community connection. The proposed Fox & Spur Connector, is a 32-mile regional greenway trail project connecting communities from Sumter to Florence.

In early August, the proposed Fox & Spur Connector entered its public engagement phase and a series of open house events were held to invite the public's input in helping to shape the future of regional outdoor recreation. In addition to offering feedback, attendees had the opportunity to learn about the project and vision, view maps and proposed phases, meet the project team, and ask questions.

Meetings held in the Pee Dee Region took place at The Trailhead near Naturally Outdoors in Florence and at the Timmonsville Community Center. Both meetings were held on August 5.

Additional open houses will be held on October 19 in Florence and Timmonsville. The meeting in Timmonsville will be held at 4 p.m. and in Florence at 6 p.m. Additional details will be provided as the date approaches.

Executive Director Road Tour 2.0

The Executive Director Road Tour 2.0 began in 2025 and will continue through the end of 2026. In her role as Executive Director, **Joette Dukes** has visited the following localities as part of both Road Tours 1.0 and 2.0 thus far:

Chesterfield County
Dillon County
Marion County
Town of Coward
Town of Pageland
Town of Jefferson
Town of Scranton
Town of Cheraw
Town of Nichols
Town of Ruby
Town of Society Hill
Town of Lake View
Town of Lamar
City of Bennettsville

Darlington County
Florence County
Marlboro County
Town of Chesterfield
Town of Clio
Town of Latta
City of Marion
Town of Timmonsville
City of Darlington
City of Johnsonville
Town of McColl
Town of Tatum
City of Dillon

Additionally, Joette attended the Municipal Association of South Carolina's (MASC) Small Cities Summit on August 12. Her attendance at the event afforded her yet other opportunities to learn about the unique and common challenges facing small municipalities in our Region and State.

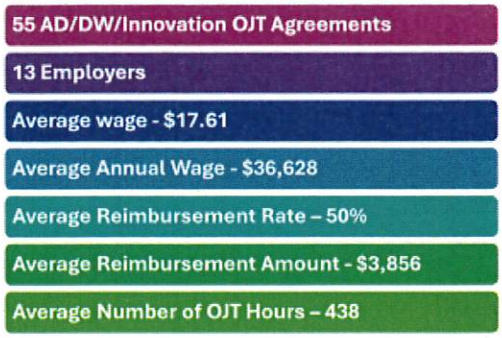

Thanks to our local governments for your hospitality and for allowing us to be a part of your government in action! Joette is looking forward to continuing her visits and will be headed your way soon. If, however, in the meantime you need something from our organization, please don't hesitate to reach out to a member of our team.

The Pee Dee's Premier Business Services Program: On-the-Job Training (OJT)

One of the five pillars of the "America's Talent Strategy" supported by the current administration is Industry Driven Strategies. What does that mean? The needs of employers must drive how the workforce system educates, trains, and prepares the American workforce. For this to occur, federal programs must be designed so that employers play a leading role in shaping and delivering training programs that help new and incumbent workers build the skills they need to succeed.

For decades, the Pee Dee Workforce Development Board has prioritized its On-the-Job Training (OJT) program. With this program, employers are indeed in the driver's seat. The program's purpose is to support an employer's effort to provide its own training to an individual it hires who does not have the particular skills needed to fulfill the occupation's requirements. During the prescribed training period, the employer receives reimbursement of one-half of the new employee's wage.

PY25 Pee Dee On-the-Job Training Impact

- **Over $212,080 obligated to support local employers**
- **Potential impact of wages in one year to the Pee Dee Area - $2,014,540**

During Program Year 2025 (07/01/2025 - 06/30/2026), the Pee Dee Workforce Development Board supported OJT activities using Workforce Innovation and Opportunity Act (WIOA) Title I funding, as well as funding from a special grant designed to support the hiring needs of energy-related employers. The slide below summarizes the impact of the PY'25 program. Thank you to the Workforce Department Staff of Pee Dee Regional COG, who provide oversight, and the Eckerd Connects' Business Service Team, who directly delivers business services, for your dedication to meet the needs of employers and your delivery of this important program.

The Pee Dee COG Team - A Great Team Continuing to Build

It is no secret that Pee Dee Regional Council of Governments has some of the most talented and dedicated team members on the face of this earth. We continually endeavor to take those individual capabilities and make them a powerful and synergistic whole for the benefit of our communities.

Each month, the team participates in an agency-wide meeting and each meeting begins with a team activity. August's activity was led by **Tawanda Epps** and provided insight to important aspects of teamwork, to include clear communication, trust, and acceptance of input from team members. Thanks, TaWanda, for the powerful reminders of what it takes to make a dynamic team! We are grateful for our small, but mighty, team!

South Carolina Department of Transportation

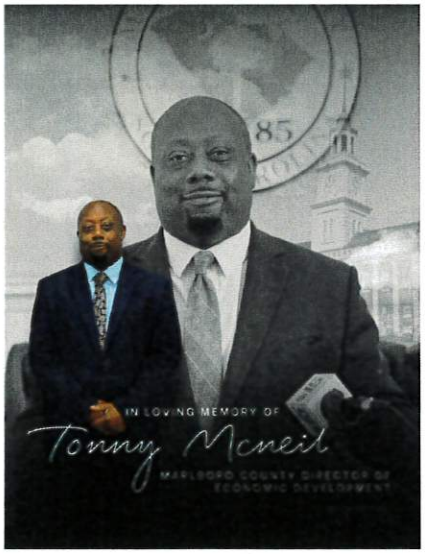

SCDOT to Hold Open House Public Meeting About Proposed Bridge Maintenance Project in Chesterfield County

The South Carolina Department of Transportation will hold an open house public information meeting to share plans for a proposed bridge maintenance project on US 1 over CSX Railroad in Chesterfield County. The purpose of the project is to preserve the service life of the bridge through repair, rehabilitation, and preservation services.

The drop-in style meeting will be held from **5 to 7 p.m.** on **Tuesday, September 1, 2026** at McBee Elementary School, 284 E Maple Avenue, McBee, SC 29101. There will not be a formal presentation. SCDOT representatives will be available to discuss project plans with attendees and answer questions.

Project Website
projectportal.scdot.gov/us-1-bridge-maintenance-over-CSX-railroad

SCDOT will accept public comments on this project through **September 16, 2026**. Comments may be submitted in-person at the public meeting, online through the project website, via email to **HartWD@scdot.gov**, or by mail to Warren Hart, SCDOT, P.O. Box 191, Columbia, SC 29202-0191. Please note, any information provided, including names and addresses, is subject to disclosure under the Freedom of Information Act.

In Memoriam

Our thoughts and prayers have been with the Marlboro County family, who mourns the loss of their Executive Director of Economic Development, Tonny Olando McNeil, who passed away on Monday, August 3, 2026.

Tonny joined Marlboro County in October 2023, bringing more than 14 years of economic development experience across South Carolina and North Carolina. A proud graduate of North Carolina A&T State University with a degree in Mechanical Engineering, he dedicated his career to strengthening communities, supporting businesses, and creating opportunities through economic development.

During his time with Marlboro County, Tonny made a lasting impact on their economic development efforts through his leadership, collaboration, and commitment to growing their local economy. He helped advance significant investments and expansions throughout the county, including Ferroglobe's

investment in Wallace, the Birch Creek Energy solar project, and the expansion operations of SOPAKCO, Bennettsville Printing, AAC East and Palmetto Brick to name a few. These projects represent new opportunities, continued investment, and the importance of supporting both new and existing industries in the community.

Tonny understood that economic development was built on relationships, partnerships, and a commitment to serving the community. He worked alongside local industries, regional partners, and community leaders to strengthen Marlboro County's economic foundation and support continued growth.

Tonny also served as Dillon County's Economic Development Director from 2010 to 2018, where he played a pivotal role in shaping the county's economic future. When he assumed the position in 2010, he developed an ambitious economic development plan focused not only on attracting new industries and creating jobs, but also on improving the quality of life for residents through additional restaurants, retail opportunities, and community investment.

Tonny often said his goal was simple: he wanted everyone who wanted a job to have a job. That vision guided his efforts throughout his tenure and helped transform the economic landscape of Dillon County.

During his leadership, Dillon County welcomed numerous new industries, business expansions, and commercial developments. Among the projects completed during his tenure were Wyman-Gordon; Harbor Freight Expansions I and II; the Dillon Furniture expansion; Diversified Plastics expansion; Spec Buildings I and II; KB Biotech Solutions; East Nile Farms; Pine Gate Renewables; Holiday Inn Express; Popeyes; Taco Bell; Cook Out; Little Caesars; the Harbor Freight retail store; Inland Port Dillon; Project Tiny Miracle; Project Unique; and Project Pretty Peaches, along with many other economic development initiatives.

Tonny's efforts helped bring approximately $500 million in investment to Dillon County while creating an estimated 2,500 new jobs, leaving a lasting legacy that continues to benefit the community today.

His vision, dedication, and commitment to the people of Dillon County helped lay the foundation for continued economic growth and opportunity. The impact of his work will be felt for years to come through the businesses, jobs, and investments he helped bring to the community.

Beyond his professional accomplishments, Tonny will be remembered for his dedication to service, his collaborative spirit, and the positive relationships he established. He will be greatly missed by his family, friends, co-workers, collaborating partners, and the citizens of Marlboro and Dillon Counties.

GRANT OPPORTUNITIES

Rural Development Initiative (RDI)

The South Carolina Department of Commerce is pleased to announce the opening of the Rural Development Initiative (RDI) annual competitive grant program. Eligible county and municipal governments are invited to submit implementation-ready projects through a competitive application process designed to strengthen South Carolina's rural communities through strategic public investment.

Program Timeline

- Funding Announcement: July 22, 2026
- Application Opens: September 1, 2026
- Application Deadline: October 30, 2026
- Award Announcements: January 8, 2027

Additional information regarding the initiative can be accessed **here**. Detailed program guidelines, application requirements, evaluation criteria, and workshop information will be released with the official Application Guide.

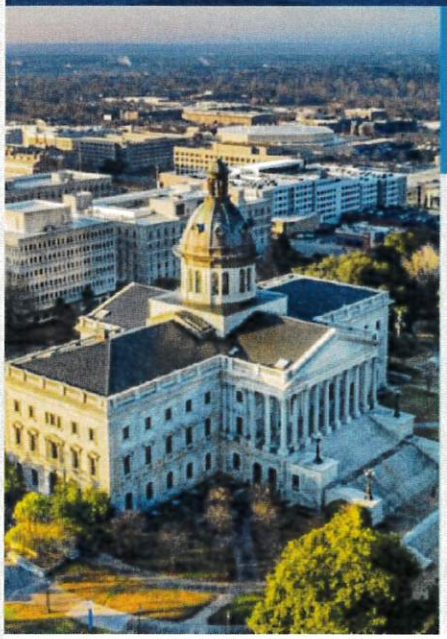

Questions regarding the Rural Development Initiative should be directed to:

Gilleon J. Frieson
Rural Program Manager-Business Incentives & Community Development
Email: **gfrieson@sccommerce.com**
Phone: (803) 413-6774

RIA South Carolina Rural Infrastructure Authority

Notice of Funding Availability

FY27 Grant Programs

MORE THAN **$34M** AVAILABLE FOR GRANTS IN FY27

ECONOMIC INFRASTRUCTURE	$7M+
BASIC INFRASTRUCTURE	$26M+
REGIONAL PLANNING	$1M

RIA is pleased to announce that our three state-funded grant programs will continue in the fiscal year that began on July 1. Although the state's budget is not yet finalized, **RIA estimates that $34M - $44M will be available in 2 competitive funding rounds.**

The pilot **Viability Improvement Program** for small systems will also continue this year.

Application Deadlines:

September 14, 2026

March 22, 2027

RIA State Grants

RIA Viability Improvement Program

For additional information and/or assistance, you may email Lindsay Privette at **lprivette@peedeecog.org** or call her at (843)702-3134.

IMPACT Fund Applications

The Municipal Association of South Carolina (MASC) launched the IMPACT Fund, an acronym for "Innovative Municipal Projects for Advancing Change and Transformation," in 2025. The program is supported by the Association's strategic partner for technology services, VC3. MASC is currently accepting grant applications through September 26, 2026.

Municipal Association of South Carolina

The Fund finances two distinct grant programs for South Carolina cities and towns:

Problem Solver Grants - $25,000 – Designed to fund smaller, more routine municipal projects and practical fixes for common problems facing South Carolina municipalities. These grants may fund repairs or upgrades to municipal facilities, comprehensive or strategic plans, hazard mitigation projects or anything that addresses a challenge and enhances daily life for municipal residents or employees. Grant judging criteria includes need and is generally focused on small-to-medium size cities and towns with financial challenges.

Big Idea Grants - $100,000 – Designed to fund bold, creative and forward-thinking ideas. Projects might include technology-driven service improvements, innovative uses of public space, community-wide initiatives or any other big idea that results in long-term impact. Grant judging criteria is heavily weighted toward creativity, community impact and project readiness.

The application and additional information can be accessed at **this link**.

ANNOUNCEMENTS

The SC Infrastructure Investment Program grants are rapidly coming to an end. SCIIP grantees are required to submit final Requests for Payment (RFP) to the Rural Infrastructure Authority (RIA) no later than October 1, 2026. To avoid delays, ensure that the Requests are completed accurately and that all backup documents are complete - numbers add up correctly, appropriate signatures are included, approved change orders are attached and work occurred prior to contract completion dates. To ensure that there is adequate time to resolve any discrepancies, correct errors, and meet the RIA deadline, complete packets must be submitted to Pee Dee COG as soon as possible, but no later than **September 15, 2026**.

If you have spent local funds first and need a reimbursement, please submit those immediately with appropriate backup documentation!

GENERAL INFORMATION AND RESOURCES

Pee Dee COG Is At Your Service

Pee Dee Regional Council of Governments has a long-standing tradition of successfully pursuing and administering grants for the benefit of our localities and we take pride in performing those duties with excellence. However, we can assist you with other needs you might have also.

Our team remains actively engaged in supporting the Pee Dee Region's workforce, economic, and community development priorities.

We invite you to take advantage of the many services we can offer. For a menu of services that can be delivered by our planning, economic, and community development department, click **here**.

Pee Dee COG also oversees the public workforce system for the Region. In addition to services delivered to jobseekers, the SC Works System delivers services to employers. Units of government are considered employers and can access most of the services available to private businesses. A menu of employer services can be accessed **here**.

With an in-house Professional Engineer and engineering technician, the Pee Dee Regional COG provides a broad range of engineering support services to local governments, including engineering design, construction observation and/or general technical advice. For additional information regarding our engineering services, click **here** .

Minutes
Airport Commission – In Person and Virtual
April 16, 2026
08:30 AM
Darlington County Airport

1. **Call To Order** by Chairman – John Ramsey

   a. **Airport Commission Members Present**:
   John Ramsey, Kenneth Krueger Jr, Rick Atkinson, Alton Jeffords, and Troy Abraham

   b. **Airport Commission Members not Present**:
   Thomas Blackmon, Reginald Gardner, and Bobby Dempsey

2. **Invocation**
   Barry Kennett

3. **Chairman asks for motion to accept meeting agenda**
   Motion made, seconded, voted, and accepted unanimously

4. **Chairman asks for motion to approve last meeting minutes for January 15th 2026**
   Motion made, seconded, voted on, approved unanimously.

5. Report by Airport Manager:

a. Everything is operational. Great lengths have been made to replace the runway lights. An order for replacements has arrived to replace the 5 that were out, with a couple of spares. Will start on the taxiway lights, which will be a little bit more involved because they are different fixtures and each of them need to be built ahead of time with parts. Need more actual fixtures, but that will be taken care of when we begin our project.

b. Av gas is in and our current price is $5.30. Jet A is operational. Barry will go to Myrtle Beach and get some OJT because they also have SkyMark trucks. The manager is all for the training session. Just needs to be scheduled. We received our load of Av gas before the Middle East conflicts arose, so we have not raised the prices on that, particularly with the quantity on hand. WE have been busy with refueling because of Sun and Fun in Florida for the week. We received a lot of Jet fuel just after the conflict started and prices do seem to be trending down somewhat now. Are some problems witj the Av gas system because there is a self-check required before us and if the flow is below 2600 gallons it flags an error. DHEC does not care what the error is and if it is not cleared, you can't use the system. Now below 2600 is considered the empty state.

c. We are at the permit and bid stage for the pavement and lighting rehabilitation. 100 percent of the design work is done. The FAA says they have money because there was some extra for South Carolina, so there is no need to do a bid compete. The Request for Bids will be put in the local paper, Internet and there will be a pre-bid discovery day at the airport. The bid opening event will be at the Darlington County Admin building (old courthouse). We will have a room assigned next month or so. We are looking

forward to having the convenience and robustness of all LED lights. The work will be done in phases so the runways will stay open, particularly for Sonoco. It may require 4 or 5 days of closing the Sonoco ramp for the work. Paving could start possibly in the Fall. We have copies of the CIP with the county verses state contributions. We are still waiting on the FAA to release who got the terminal building under the ATP grant.

d. During race weekend we had 15 aircraft. We had two charter companies bring aircraft in. Flexjet with their Challengers and NetJets with their Latitudes. There was not a problem parking the Challengers were not a problem due to their maximum wingspan, but the latitudes were a problem and we could only accommodate on eof the Netjets' aircraft. There was some discussion with the Netjets people, but the bottom line was any other Netjets would need to go to Florence.

e. The airport made $17,000 on jet fuel resulting in a $4000.00 profit.

f. SportClips haircut chain, the VFW, and other local businesses sponsored Dream Flights to come in the Darlington County Airport and fly veterans for free on some of their Steerman aircraft. They used other airports as well, but were very complimentary of our facilities and the efforts to make then feel welcome. It was the first day of their season and they said it was their most successful launch. They liked the facility. The building became a little crowded. The group was very respectful and cleaned up after themselves nicely and even offered to mop the floors, for which they were told that they need not do that. Now, they sponsor only one race, but are thinking about more and have expressed a great interest in making Darlington County Airport their home base.

g. The county has purchased the Integrated Systems Facility near the airport.

6. <u>Unfinished Business</u>:
None

7. <u>New Business</u>:
We discussed the possibility of a new solar farm being installed near the airport and any possible effects it could have on Darlington County Airport traffic because of being located in the flight path. It was said that Morgan Peshoff who is the GIS Technician for the County Planning office stated there would be nothing in the flight path from the resulting installation.

8. <u>Personal Appearances:</u>
None

9. <u>Motion to adjourn:</u>
The motion to adjourn was made, seconded, and voted unanimously to adjourn.

10. **<u>FOIA Compliance</u>**: In compliance with the Freedom of Information Act, a copy of the agenda giving the date, time and place of the meeting was mailed in advance to the local newspapers, persons requesting notifications, and posted on the bulletin board at the meeting location.

Respectfully Submitted,
Kenneth W Krueger
Recording Secretary

PUBLIC HEARING & REGULAR MEETING
DARLINGTON COUNTY COUNCIL
DARLINGTON, SC

August 3, 2026

A Public Hearing and Regular Meeting of the County Council of Darlington County was held this 3rd day of August 2026, at 6 p.m., at the Courthouse Annex/EMS Building, 1625 Harry Byrd Highway (Highway 151), Darlington, South Carolina.

NOTICE OF MEETING

In compliance with the Freedom of Information Act, a copy of the agenda providing the date, time, and place of the meeting was emailed to the local newspapers, persons requesting notification, and posted on the county's website and on the bulletin board in the lobby of the Darlington County Government Building located at 1 Public Square in Darlington, SC.

NOTICE OF PUBLIC HEARING

A Notice of Public Hearing for Ordinance No. 25-24 was published in the Hartsville Messenger and the News and Press on July 8, 2026.

COUNCIL MEMBERS PRESENT

Chairman Bobby Hudson, Vice-Chairman Marvin Le Flowers, Chaplain Dannie Douglas, Jr., Mr. Michael Kirk Askins, Mr. David Coker, Mr. Albert Davis, III., Mrs. Angie Stone Godbold, and Ms. Joyce W. Thomas.

ALSO PRESENT

County Administrator Marion Charles Stewart, III, County Attorney James H. Lucas, County Attorney Adam Gainey, Clerk to Council J. JaNet Bishop, Central Communications Director Michelle Hall, Codes Enforcement Director Terri Cribb, Economic Development Director Stephanie Shaw, Emergency Management Director Molly Odom, Emergency Services Director Kenny Bowen, Finance Director Sherman Dibble, Human Resources Director Ginger Winburn, Library Director Jimmie Epling, Sheriff Michael August, Administrative Executive Assistant Emily Wenteler, Coker University President Natalie Harder, and others.

REPORTERS PRESENT

WPDE/ABC TV 15 News.

PUBLIC HEARING

Ordinance No. 25-24, An Ordinance Authorizing Pursuant To Chapter 1 Of Title 4, South Carolina Code Of Laws, 1976, As Amended, The Purchase Of Real Property Located Within

DRAFT

The Southern Portion Of Darlington County, South Carolina, For Purposes Of Economic Development - THIRD READING

Chairman Hudson declared the public hearing open at 6 p.m. to receive comments on Ordinance 25-24.

Ms. Belinda Valle presented concerns about the county purchasing 233 acres of land near Lamar for $1,570,000 for economic development purposes. She stated that according to the website, the county already has seven industrial sites, and the information implies that they are vacant. She reported that the Mark White Site, consisting of 197 acres, and the Dowling Site, consisting of 72 acres, are both located in the same vicinity near Interstate 20 and near the 233 acres (Mims Site) the county is proposing to buy. Ms. Valle questioned whether the proposed site was being offered privately. If so, would it be a good use of the county's money to buy it? She also asked whether the county has assurance that the property will be purchased since there are other nearby vacant sites; whether there is someone in mind to purchase this property; and whether the county hopes that someone will buy the property in the future. Ms. Valle questioned the county buying more property at such a high cost if facilities are available, unless there is a company wanting to buy it. She suggested getting all the sites filled before buying something new, especially since the county already has property near the proposed site that appears to be vacant according to information on the website. Ms. Valle concluded by stating that the proposed purchase involves a lot of money, which can be used on other things in the county.

Mr. Rocky Scarborough, who resides in front of the 233-acre site the county is proposing to purchase, stated that he does not want a solar facility in front of his home. Such a facility would not add any value to his property or to the Town of Lamar and would be a distraction near the highway. He also added that the $1,570,000 to purchase this site using taxpayers' money could be used on taxes instead of this project. Mr. Scarborough stated that he believes that this purchase does not show any long-term benefits. He emphasized that he opposes this purchase.

Ms. Charlene Windham Copeland stated that she did not have any facts or figures but feelings and heritage. She talked about her happy place being on her family's homeplace and safeguarding it for generations; her belief in using the sun's power in a safe and responsible way and not at the expense of our woods, cropland, natural resources, and natural habitat for animals; and solar farms and data centers being placed where there once were tobacco, soybeans, corn, cotton, vegetables, and woods. Ms. Copeland encouraged everyone to speak out, band together, and save this space.

Mr. Alex Warr reported that three generations of his family and he reside across the road from the proposed property. He stated that he does not see this purchase adding any value to the area, and that the county should reconsider this purchase. Mr. Warr stated that he believes that the county should develop economically but, he does not agree with the cost of $1,570,000 for the property.

Mr. Brady Hill said he found the proposed property listed on the county website at $2,000 per acre. He emailed someone questioning whether it was a typo or error and received a response indicating that the county does not own the property and could not talk about the price. Mr. Hill said the price is not overly inflated, but a lot of people are asking why the time is now to purchase it when it has been available for several years. He hopes that the county has a company who wants this property. Mr. Hill stated that from the feedback he is receiving, everyone wants clarity.

There being no further comments, the public hearing was closed at 6:11 p.m.

REGULAR MEETING

Call To Order / Invocation / Pledge Of Allegiance

Chairman Hudson called the meeting to order at 6:11 p.m. Mr. Douglas presented the invocation, and Mr. Askins led the Pledge of Allegiance.

Citizens' Comments

Mrs. Trena McElveen requested Council's support to place a moratorium on utility scale solar projects in the county. She talked about her family purchasing their property 40 years ago to live in the country. However, they now worry about the future of their home, neighborhood, and quality of life. Mrs. McElveen stated that regardless of where people stand on solar energy, she believes that everyone can agree that projects of this size deserve careful consideration. These are industrial scale power generations facilities as opposed to small agriculture style solar farms. She said the uncertainty surrounding these projects has created division, anxiety, and fear throughout communities. Therefore, she was requesting more time, and a moratorium would allow for the opportunity to further evaluate these projects; to considerer appropriate restrictions and setbacks; and to ensure that the rights of existing property owners are protected before more projects move forward. Mrs. McElveen respectfully requested Council's support of a moratorium for careful consideration of the people and the communities.

Ms. Gail Campbell requested Council's support of a moratorium to allow a pause to investigate and update county ordinances regarding solar panels. She referenced Article 19 (Renewable Energy Systems), Section 19.4(22) regarding the requirements for a bond to provide insurance protection if a contractor does not finish or fails to do the job correctly, walks away, or goes out of business. Ms. Campbell stated that the bond amount should equal the cost for decommission. She talked about how decommissioning costs are calculated and the costs to decommission small scale utility projects. Ms. Campbell reported that it would cost between $6 million and $7 million to decommission the proposed Stripes Solar project near her home.

Mr. Rob Campbell reported that when a solar company falls short on a project or the project goes offline, the county's current ordinance requiring a $50,000 bond will not cover the costs to decommission a small 12-acre site and certainly not enough to cover the costs to decommission a large utility scale solar project as planned next to his property. He asked who would pay the cost for decommissioning when the bond falls short, or if the project fails before six years and thirty days. Would it be the county or the taxpayers? He also questioned whether the current plan addresses the shortcomings of the ordinance. Reflecting on the county's mission statement, Mr. Campbell said he understands that all landowners have rights but asked whether Council was meeting the stated commitment about equal treatment. He also asked that Council support a moratorium to protect the citizens and taxpayers of the county and allow more time to review the ordinances and have further discussions regarding the projects.

Mr. Billy Earle reported that Stripe Solar's 418-acre industrial site will go through several neighborhoods near Hartsville, touching approximately seventy different pieces of property. He talked about how proud he is of his property and neighbors and questioned whether these property owners should have rights just as larger landowners? Mr. Earle also asked whether Council was willing to ignore the rights of seventy homeowners. He concluded by stating that he and his neighbors are requesting Council's support of a moratorium so that County Council can study the current ordinance and make reasonable changes.

Ms. Tracy Woodard spoke in favor of a moratorium and against the purchase of the land near Lamar. She stated that these issues are very similar and relate to the same thing. Ms. Woodard said some people would say that the issue is property rights. She talked about property ownership and pointed out that the issue is planning and development. She also stated that developments such as data centers and solar energy have never been navigated. Ms. Woodard also stated that she would like to trust the process and County Council to make unbiased and responsible decisions. They want a transparent and trusted process that the citizens can feel good about.

Ms. Tammy Wilks stated that she supports a moratorium. She talked about her family farm and how it has been divided due to greed and will now be surrounded by 290 acres of solar panels. She also talked about how people have forgotten the value of simple things such as family, morals, character, and the value of land that has been passed down through generations, but not leaving much for the next generation. Ms. Wilks asked Council to grant a moratorium.

Ms. Charlene Windham and Mr. Rocky Scarborough spoke during the public hearing, and Mr. Randy Bell signed up but did not want to speak.

Ms. Belinda Valle thanked Council for the proposed ordinance imposing a nine-month moratorium on solar farms. However, she wanted to clarify that the current solar farms (the

30 plus solar farms listed on the county's website) would not be affected by the moratorium. The moratorium would only affect new solar projects. She mentioned that state and federal funds had dropped, and if a solar farm was not started by last month, it would have to be completed by December. Ms. Valle thanked Council for doing this for the future, but she wished Council could do something about the solar farms that are already in place.

Mr. Alex Warr spoke during the public hearing.

Personal Appearance - Dr. Natalie Harder, Coker University President - Coker University's Strategic Plan

Dr. Harder provided an update of where Coker University is, where they will be going, and a transformational opportunity for the county and the university. She reported that Coker University was created in 1908 as a women's college and in 1970, men began matriculating into what was called Coker College. Today the university has about 1,000 students; 500 to 550 residential students; students from almost every state with the majority being from South Carolina; and international students. Dr. Harder stated that performances and events at Coker University bring in people who fill hotels and restaurants during weekends and has place the university in a strong position as higher education continues to change. She explained that the University's focus is how to remain relevant; how to remain accessible; and how to ground everything they do in excellence and integrity.

Dr. Harder referred to Coker University's Strategic Plan that was included in the informational packet that Council members received. She explained that the University's 2020 Strategic Plan was very foundational wherein the 2025-2028 Strategic Plan, called *Mastering Knowledge. Expanding Networks. Shaping Futures*. focuses on what happens to students after they graduate. The students' experience at Coker University includes personalized learning, student experience, and career development/vibrant professionalism. Dr. Harder talked about how these experiences will set the students up professionally for the rest of their life.

Dr. Harder reported that the university has closed some programs and started new ones such as their nursing program that began in 2022 and is about to become the largest program and the only doctoral program at the university. After four years, the nursing program is full, and the university cannot accept any more students. Therefore, she wanted to present the possibility of the county supporting the university to grow health professions. She talked about per capita income and starting salaries for nurses in Darlington County, and the possibility to expand these numbers.

Dr. Harder explained that the university is very aware of the lack of support for mental and behavioral health. She referred to the information packet that also contained information on programs that the university can expand or start if they had more space. She also talked about the ability to not just meet health care needs in Darlington County, but to raise the economic standards of those who are here and decrease productivity loss for people who must travel outside the county for services. Dr. Harder requested Council's consideration of the University's requested for $6.5 million to help them be more impactful

in the county in terms of graduates, supporting one another, and healthcare needs. They have the space on campus and are ready to go. They just need the funds.

Consent Agenda (Receive As Information)

Included in the Consent Agenda were the following:

6.A. Darlington County Humane Society's Animal Shelter Quarterly Report, April - June 2026
6.B. Fire District Call Volume Report, June 2026
6.C. Darlington County Humane Society Board of Directors Meeting Minutes, June 15, 2026
6.D. PDRTA Quarterly Newsletter, July 2026
6.E. Pee Dee Regional Council of Governments COGnitive Connections Newsletter, July 2026
6.F. Thank You Letter From Kalmia Gardens Of Coker University
6.G. Rubicon Family Counseling Center's Invitation To Upcoming Community Training Sessions
6.H. Parks and Recreation Activities, August 2026
6.I. Full-Time Employees Five-Year Service Milestone Recognition, July 2026

MOTION made by Mr. Douglas and seconded by Mr. Davis to receive the Consent Agenda items as information.

The motion carried unanimously.

Mr. Flowers recognized the employees who reached a five-year service milestone in July. He read their names although they were not present at the meeting (Dristian Byrd and Carolyn Cole of EMS, Willie McCain and Aaron Smith of Environmental Services, and William Sumner of Sheriff's Office).

Approval Of Minutes – Minutes Of Public Hearing & Regular Meeting, July 6, 2026

MOTION made by Mr. Coker and seconded by Mr. Davis to approve the minutes of the public hearing and regular meeting held on July 6, 2026.

The motion carried unanimously.

Ordinances

Ordinance No. 25-24, An Ordinance Authorizing Pursuant To Chapter 1 Of Title 4, South Carolina Code Of Laws, 1976, As Amended, The Purchase Of Real Property Located Within The Southern Portion Of Darlington County, South Carolina, For Purposes Of Economic Development - THIRD READING

MOTION made by Mr. Douglas and seconded by Mr. Flowers to approve third reading of Ordinance No. 25-24.

Mr. Coker asked about tabling this matter for a month to talk about the questions that were presented during the meeting tonight.

Mr. Flowers suggested that the ordinance be carried over as opposed to tabling it.

MOTION made by Mr. Coker and seconded by Ms. Thomas to carry over third reading of Ordinance No. 25-24 to next month to obtain more information on the questions that were asked during this meeting.

Those voting in favor of the motion were Mr. Coker, Ms. Thomas, Mr. Askins and Mrs. Godbold. Opposing were Mr. Davis, Mr. Douglas, Chairman Hudson, and Mr. Flowers. With the vote being 4 to 4, Mr. Flowers stated that he would change his vote and vote to carry over third reading of the ordinance with the understanding that he intends to vote in favor of this ordinance (Ordinance No. 25-24).

The motion to carry over third reading of Ordinance No. 25-24 carried with Mr. Davis, Mr. Douglas, and Chairman Hudson opposing.

MOTION made by Mr. Flowers to rescind his second to the motion to approve third reading of Ordinance No. 25-24. Mr. Douglas rescinded his motion to approve third reading of Ordinance No. 25-24.

Ordinance No. 26-05, An Ordinance To Impose A Nine (9) Month Moratorium On The Acceptance Of, Review Of, And/Or Action Upon Applications For Approvals, Development Permits, And Any Other Official County Action That Would Authorize Or Permit The Development Of New Solar Energy Systems And/Or Wind Farms In Darlington County, South Carolina; To Invoke The Pending Ordinance Doctrine; To Protect Existing Vested Rights As Required By Applicable Law; And To Provide For Other Matters Related Thereto - FIRST READING

The title of Ordinance No. 26-05 was read for first reading. No action required.

Resolutions

Resolution No. 819, A Resolution Authorizing An Amendment To The Fee In Lieu Of Tax Agreement By And Between PolyQuest, Inc., DAK Americas, Inc., And Darlington County, South Carolina, Providing For An Extension Of The Investment Period Thereunder, And Other Matters Related Thereto

MOTION made by Mr. Flowers and seconded by Mr. Coker to approve Resolution No. 819 authorizing an amendment to the fee-in-lieu-of-tax agreement by and between PolyQuest, Inc., DAK Americas, Inc., and Darlington County, providing for an extension of the investment period thereunder, and other matters related thereto.

The motion carried unanimously.

Committee Reports

There were no Committee Reports.

Other Items

Appointments To Boards/Commissions/Committees

Alcohol And Drug Citizen Advisory Committee. Chairman Hudson nominated Ms. Nikki Watford for appointment to the Alcohol and Drug Citizen Advisory Committee.

MOTION made by Mr. Flowers and seconded by Mr. Coker to appoint Ms. Kikki Watford to the Alcohol and Drug Citizen Advisory Committee.

The motion carried unanimously. Ms. Watford will serve a term commencing July 1, 2026, and extending through June 30, 2030.

(Note: During the County Council meeting held on July 6, 2026, the vote was unanimous to appoint Ms. Nikki Watford to the Opioid Recovery Act Funds Committee to represent local pharmacists. It was later presented that Ms. Watford was not a pharmacist. She was now being appointed to serve on the Alcohol and Drug Citizen Advisory Committee instead of the Opioid Recovery Act Funds Committee.)

MOTION made by Mr. Askins and seconded by Mr. Coker to reappoint Mr. Clay Parker to the Alcohol and Drug Citizen Advisory Committee.

The motion carried unanimously. Mr. Parker will serve a second term commencing July 1, 2026, and extending through June 30, 2030.

Historical Commission. Chairman Hudson nominated Ms. Beverly DuBose for reappointment to the Historical Commission.

MOTION made by Mr. Flowers and seconded by Mr. Coker to reappoint Ms. DuBose to the Historical Commission.

The motion carried unanimously. Ms. DuBose will serve a third term commencing July 1, 2026, and extending through June 30, 2030.

Recreation Commission. **MOTION** made by Ms. Thomas and seconded by Mr. Flowers to appoint Mr. John Davis to the Recreation Commission.

The motion carried unanimously. Mr. Davis will replace Mr. Franklin Jordan for a term commencing July 1, 2026, and extending through June 30, 2030.

Opioid Recovery Act Funds Committee. **MOTION** made by Mr. Askins and seconded by Mrs. Godbold to appoint Mr. Tripp Byrd to the Opioid Recovery Act Funds Committee to represent local pharmacists.

The motion carried unanimously. Mr. Byrd will fill the unexpired term created by the resignation of Mr. Colin Hungerpiller. His term will continue through June 30, 2027.

The remaining appointments/vacancies listed in the August 2026 Report included in the agenda packet were carried over.

Sheriff's Department Request For Surplus Weapon To Be Gifted To Retiring Officers

MOTION made by Mr. Douglas and seconded by Mrs. Godbold to approve the Sheriff's request for a surplus 9mm Glock 43X with serial number CGFU400 be gifted to Lieutenant Bobby Bryant who was retiring from the Sheriff's Department after 25 years of dedicated service and a surplus 9mm Glock 43X with serial number CHFU459 be gifted to Corporal William Sumner who was retiring from the Sheriff's Department after 33.5 years of service.

The motion carried unanimously.

Request To Purchase A Caterpillar D5 Track Type Bulldozer From Blanchard Machinery Company, Environmental Services

MOTION made by Mr. Flowers and seconded by Mr. Douglas to approve the purchase of a new Caterpillar D5 Bulldozer with all standard equipment, in addition to the additional specifications listed in the quote, from Blanchard Machinery for $438,380.59 to replace an aging bulldozer.

Ms. Thomas stated that she would like to be notified when the equipment comes in so she can see it.

Mr. Stewart responded that it could take up to six months for the county to receive the equipment. However, he will notify council when the equipment is received. He also mentioned that this was a budgeted purchase.

The motion carried unanimously.

Administrative Update

Mr. Stewart pointed out that a copy of the Darlington County Library System Calendar of Events for August was placed at Council's desk and is available online.

Requests / Comments - Members Of Council

Mr. Coker thanked everyone for attending the meeting and promised them that their voices were heard.

Mr. Davis thanked everyone for attending the meeting and voicing their opinions. He also thanked Dr. Harder for her work.

Mr. Douglas and Ms. Thomas thanked everyone for attending the meeting.

Mr. Askins clarified that a moratorium will not end solar projects, affect any current projects, or take away any landowners' rights. A moratorium will allow Council time to revisit the ordinance. He explained that Council had voted in favor of stricter requirements in some of the Fee-In-Lieu-Of-Tax Agreements, and it would only make sense for Council to make those requirements permanent in the ordinance. Mr. Askins also explained that a moratorium is needed because the process to amend the ordinance takes time. The ordinance must be reviewed by the Planning Commission that is composed of volunteers who meet once per month, and it could take two to three months before the information gets back to Council. Once Council receives the information, the ordinance would require three readings of Council. He urged his fellow council members to consider the moratorium so that Council can get the ordinance right.

Mrs. Godbold thanked everyone for attending the meeting and stated that she would echo Mr. Askins' comments. She explained that when the ordinance was established years ago, solar projects were very small in scale with the largest being under fifty acres. Due to

the size of the projects and the number of applications coming in, the county was being hammered. Therefore, a moratorium would give Council the opportunity to revisit this matter and make the necessary changes to find the right balance for everyone.

Chairman Hudson thanked everyone for their time and assured them that Council does listen and would get back to them.

Vote For Executive Session

MOTION made by Mr. Flowers and seconded by Mr. Coker to vote for executive session for:

14.A. Discussion Of Matters Relating To The Proposed Location, Expansion, Or The Provision Of Services Encouraging Location Or Expansion Of Industries Or Other Businesses In Lamar Area

14.B. The Receipt Of Legal Advice From Where The Legal Advice Relates To A Matter Covered By The Attorney Client Privilege, Darlington County Development Standards Ordinance And Fee In Lieu Of Tax (FILOT) Agreements

14.C. Receipt Of Legal Advice Regarding Case No. 26CP160286 Plaintiffs: Marjorie Dudley, Evelyn Hopson, James B. Knight, Aimee O. Knight, Deborah Martin, Jerry S. Martin V. Defendants: Darlington County; Darlington County Council; Darlington County Planning Commission; Darlington County Administrator, BNRG Renewables/Innovateus Solar; Pit Stop Solar, LLC

14.D. Discussion Of Negotiations Incident To Proposed Contractual Arrangements; The Receipt of Legal Advice Where The Legal Advice Relates To A Pending, Threatened, Or Potential Claim Or Other Matter Covered By The Attorney-Client Privilege, Settlement Of Legal Claims, Or The Position Of The Public Agency In Other Adversary Situations Involving The Assertion Against The Agency Of A Claim; And Discussion Regarding The Development Of Security Devices, As May Relate To A Network Event Disrupting Certain County Systems

The motion carried unanimously.

Executive Session

MOTION made by Mr. Flowers and seconded by Mr. Coker for Council to take a five minute recess before going into executive session for:

15.A. Discussion Of Matters Relating To The Proposed Location, Expansion, Or The Provision Of Services Encouraging Location Or Expansion Of Industries Or Other Businesses In Lamar Area

15.B. The Receipt Of Legal Advice From Where The Legal Advice Relates To A Matter Covered By The Attorney Client Privilege, Darlington County Development Standards Ordinance And Fee In Lieu Of Tax (FILOT) Agreements

15.C. Receipt Of Legal Advice Regarding Case No. 26CP160286 Plaintiffs: Marjorie Dudley, Evelyn Hopson, James B. Knight, Aimee O. Knight, Deborah Martin, Jerry S. Martin V. Defendants: Darlington County; Darlington County Council; Darlington County Planning Commission; Darlington County Administrator, BNRG Renewables/Innovateus Solar; Pit Stop Solar, LLC

15.D. Discussion Of Negotiations Incident To Proposed Contractual Arrangements; The Receipt of Legal Advice Where The Legal Advice Relates To A Pending, Threatened, Or Potential Claim Or Other Matter Covered By The Attorney-Client Privilege, Settlement Of Legal Claims, Or The Position Of The Public Agency In Other Adversary Situations Involving The Assertion Against The Agency Of A Claim; And Discussion Regarding The Development Of Security Devices, As May Relate To A Network Event Disrupting Certain County Systems

The motion carried unanimously.

Council went into executive session at 6:55 p.m. and reconvened at 8:12 p.m. Upon reconvening, Chairman Hudson announced that no action was taken in executive session.

Adjournment

MOTION made by Mr. Flowers and seconded by Mr. Davis to adjourn the meeting. There being no further comments, the meeting was adjourned at 8:13 p.m.

Respectfully submitted,

_____
J. JaNet Bishop
Clerk to Council

_____
Bobby Hudson, Chairman
Darlington County Council

Approved at meeting of September _____, 2026.

ORDINANCE NO. 25-24

AN ORDINANCE AUTHORIZING PURSUANT TO CHAPTER 1 OF TITLE 4, SOUTH CAROLINA CODE OF LAWS, 1976, AS AMENDED, THE PURCHASE OF REAL PROPERTY LOCATED WITHIN THE SOUTHERN PORTION OF DARLINGTON COUNTY, SOUTH CAROLINA, FOR PURPOSES OF ECONOMIC DEVELOPMENT.

WHEREAS, Darlington County, South Carolina (the "County") acting by and through its County Council (the "County Council") is authorized under Title 4 of the Code of Laws of South Carolina, as amended, to acquire real property by purchase or gift;

WHEREAS, the County desires to purchase approximately 233.70 acres of real property located outside the Town of Lamar in the old Newman Swamp School District in the County of Darlington, State of South Carolina, identified by Darlington County TMS No.: 066-00-01-041, (the "Property") for the purposes of economic development;

WHEREAS, representatives for the County and the Sellers have negotiated the Agreement to Sell and Purchase Real Estate attached hereto as Exhibit 1 (the "Agreement") for the purchase of the Property.

NOW, THEREFORE, be it ordained by the County Council in meeting duly assembled that:

1. The County Council hereby approves the purchase of real property as negotiated in the Agreement between the County and the Sellers, a copy of which is attached hereto as Exhibit 1. The Chairman of County Council and the County Administrator are hereby authorized, empowered, and directed to execute, acknowledge, and deliver all documents in the name of, and on behalf of, the County to carry out the transaction contemplated by this Ordinance, including without limitation, affidavits, settlement statements, and other such documents necessary and appropriate to purchase the Property.

2. The Chairman of the County Council is hereby authorized, empowered, and directed to execute, acknowledge, and deliver all documents in the name of, and on behalf of, the County to carry out the transaction contemplated by this Ordinance, including, without limitation, the Agreement, and such other documents necessary and appropriate to purchase the Property.

3. All Ordinances, Orders, Resolutions, and actions of the County Council inconsistent herewith are, to the extent of such inconsistency only, hereby repealed, revoked, and rescinded.

4. Should any part or provision of this Ordinance be deemed unconstitutional or unenforceable by a court of competent jurisdiction, such determination shall not affect the rest and remainder of this Ordinance, all of which is hereby deemed severable.

5. This Ordinance shall take effect and be in full force upon third reading and enactment by the County Council.

ORDAINED in meeting duly assembled this ___ day of August, 2026.

AGREEMENT TO SELL AND PURCHASE
REAL ESTATE

THIS AGREEMENT TO SELL AND PURCHASE REAL ESTATE (this "Agreement") is made and entered into as of the date of the last party to execute, which is the 14th day of November, 2025, (the "Effective Date") by and between **W. Howard Morgan, IV, Ryan J. Morgan, Meredith Josey Mims, Sharon Mims Morgan, and Katherine Sydney Mims Trust**, residents of the State of South Carolina ("Sellers") and **Darlington County, South Carolina**, a political subdivision of the State of South Carolina ("Purchaser").

W I T N E S S E T H:

WHEREAS, Sellers desire to sell to Purchaser, and Purchaser desires to purchase from Sellers, the Property, on the terms set forth below.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Sellers agree to sell and convey to Purchaser, and Purchaser agrees to purchase from Sellers, the real property situated in the County of Darlington near the City of Lamar, State of South Carolina, consisting of approximately 233.70 acres of real property being more particularly described on **EXHIBIT A** attached to and made a part of this Agreement, together with all easements, rights, and appurtenances thereunto belonging and all improvements (the "Property"), subject to the terms and conditions set forth in this Agreement.

1. PURCHASE PRICE. Purchaser will pay to Sellers a total purchase price, subject to adjustment as set forth in this Agreement (the "Purchase Price") of ONE MILLION FIVE HUNDRED SEVENTY THOUSAND AND NO/100 DOLLARS ($1,570,000.00) to be paid as set forth below:

(a) FIVE THOUSAND AND NO/100 DOLLARS ($5,000.00) to be paid within five (5) days of the execution of this Agreement by the parties and delivered to Meredith Josey Mims, Sellers' designee to receive these funds on behalf of Sellers, in immediately available funds; and

(b) SIX THOUSAND SIX HUNDRED NINETY-SIX AND 62/100 DOLLARS ($6,696.62) per acre[1] to be paid at the Closing unless adjusted as otherwise set forth in this Agreement[2] (at the execution of this Agreement, the total amount to be paid at Closing is expected to be approximately ONE MILLION FIVE HUNDRED SIXTY-FIVE THOUSAND AND NO/100 DOLLARS (~$1,565,000.00) to be paid at the Closing unless adjusted by acreage or as otherwise set forth in this Agreement).

[1] As determined by a pre-Closing survey of the Property.
[2] As stated in the Land Appraisal Report of G. Brian Meadows dated September 29, 2025: "The adjusted sales create a range of value for the subject property from $6,273 to $8,372 per acre."

2. EXAMINATION PERIOD.

(a) *Examination Period.* Purchaser will, at Purchaser's expense and within one hundred eighty (180) days from the Effective Date (unless extended as set forth herein) (the "Examination Period"), determine whether the Property is suitable, in Purchaser's sole and absolute discretion, for its use. During the Examination Period, Purchaser may conduct or order, as applicable, any reports, tests, analyses, surveys, and investigations (together with the Title Commitment and the Survey, the "Inspections") that Purchaser deems necessary to determine to Purchaser's satisfaction with the Property's engineering, architectural, and environmental characteristics; zoning and zoning restrictions; subdivision statutes; soil and grade; availability of access to public roads, water and other utilities; consistency with local, state and regional growth management plans; availability of permits, government approvals, and licenses; marketability and status of title; and suitability for the Purchaser's intended use of the Property for economic development ("Intended Use"). Purchaser may extend the Examination Period for any reason for one (1) additional ninety (90) day period.

(b) *Zoning.* The obligations of Purchaser under this Agreement are in all respects conditioned upon and subject to the Property being zoned at Closing as acceptable to Purchaser to allow Purchaser to develop and operate the Property for the Intended Use and upon there then being no pending or proposed application for any rezoning or change in zoning not consented to by Purchaser that would apply to the Property or any portion thereof which would inhibit or prohibit Purchaser from developing and utilizing the Property for the Intended Use or which would increase the costs of developing the Property for the Intended Use. If the Property is not zoned for the Intended Use within the Examination Period, Purchaser, in Purchaser's sole discretion, shall have the option of terminating this Agreement by delivering written notice to Sellers and the parties hereto shall have no further rights, obligations, or liabilities with respect to each other hereunder, except for matters that expressly survive termination. Sellers shall cooperate, at no cost to Sellers, in any rezoning of the Property, including executing any rezoning application as required to rezone the Property for the Intended Use.

(c) *Title.* Sellers agree to convey marketable, fee simple insurable title to the Property to Purchaser without exception for mechanics' liens except liens placed on the Property or to which the Property is subject due to any activities performed by or on behalf of Purchaser regarding or relating to the Property, which shall be permitted exceptions, free and clear of all liens, encumbrances, and defects of title other than: (a) zoning ordinances affecting the Property, (b) liens for real estate taxes and assessments and taxes which are not yet due and payable, and (c) matters disclosed by Purchaser's title examination, and matters disclosed by survey and specific instruments on the public record at the Effective Date agreed to by Purchaser (not objected to by Purchaser prior to the end of the Examination Period), which items shall be enumerated in the deed referenced in Section 3(b) as "Permitted Exceptions;" provided, that Sellers shall be required to satisfy, at or prior to Closing, any title items (other than Permitted Exceptions) to which Purchaser may object prior to the expiration of the Examination Period and encumbrances that may be satisfied by the payment of a fixed sum of money, such as deeds of trust, mortgages, or statutory

liens. If Purchaser determines, in its reasonable discretion, that it is impracticable or impossible for Sellers to be able to satisfy or resolve a title objection of Purchaser, then this Agreement may be terminated by Purchaser. Sellers shall not enter into or record any instrument that affects the Property after the Effective Date without the prior written consent of Purchaser, which consent shall not be unreasonably withheld, conditioned, or delayed.

(d) *Entitlements*. Purchaser may submit its application(s) for all necessary governmental and utility approvals and processes for the operation of the Property for its Intended Use, including, as deemed by Purchaser to be necessary: rezoning or other applications for site plan approval, approval for erecting a free-standing pole sign on the Property and Purchaser's standard building sign, special use permits, utility service (including, but not limited to, water, gas, electricity, telephone, sanitary sewer, and storm drainage, collectively, the "Utilities"), or any other necessary governmental permits or approvals with conditions satisfactory to Purchaser (collectively, "Permits"). At no cost to Sellers, Sellers agree to cooperate in a timely manner and in good faith with Purchaser in obtaining all such Permits.

(e) *Deliveries*. Sellers agree to use commercially reasonable efforts to deliver to Purchaser as soon as reasonably possible after the Effective Date, but no later than thirty (30) days after the Effective Date, copies of all information relevant to the Property in the possession of Sellers, including but not limited to: title insurance policies (and copies of any documents referenced therein), surveys, soil test reports, environmental surveys or reports, agreements, site plans, civil drawings, building plans, maintenance records, restrictive covenants, copies of all presently effective warranties or service contracts related to the Property, and all current operating restrictions that would impair the ability to operate Purchaser's Intended Use on the Property (collectively, the "Due Diligence Materials"). Sellers authorize (1) any attorney presently or previously representing Sellers to release and disclose any title insurance policy in such attorney's file to Purchaser and both Purchaser's and Sellers' agents and attorneys; and (2) the Property's title insurer or its agent to release and disclose all materials in the Property's title insurer's (or title insurer's agent's) file to Purchaser and both Purchaser's and Sellers' agents and attorneys. If Purchaser does not consummate the Closing for any reason other than Sellers' default, then Purchaser shall (which covenants shall survive termination) (i) return to Sellers all materials delivered by Sellers to Purchaser pursuant to this Section, if any. Notwithstanding any provision in this Agreement to the contrary, copies of information delivered by or on behalf of Sellers (i) shall be used at the sole risk of Purchaser or other recipients, (ii) are being delivered without any warranty or representation by Sellers or Sellers' agents or attorneys as to the contents, accuracy or correctness thereof, and (iii) shall not include costs or other estimates, appraisals or proprietary or any work product of Sellers relating to the Property or the ownership thereof.

(f) Sellers give Purchaser, its agents, contractors, and assigns, the right to enter the Property at any time prior to the Closing for the purpose of conducting the Inspections.

(g) Purchaser will not engage in any activity that could result in a construction or mechanics' lien being filed against the Property without Sellers' prior written consent.

3. CLOSING.

(a) The closing of the transactions contemplated hereby shall occur within thirty (30) days after the expiration of the Examination Period (the "Closing"); provided, however, Purchaser may extend the Closing for any reason for one (1) additional ninety (90) day period. The Closing shall take place at the offices of the Purchaser's attorney, via mail or overnight delivery, or at such other location as Purchaser and Sellers agree.

(b) Sellers shall deliver the following items, all of which will be duly executed and acknowledged (where appropriate):

(i) a general warranty deed and, if requested by Purchaser, a non-warranty deed that includes the surveyor's legal description of the Property;

(ii) non-foreign person (FIRPTA) affidavit(s);

(iii) an executed closing escrow instruction letter to be signed by the closing agent;

(iv) Sellers' closing settlement statement;

(v) Written consent of Sellers to enter into the transactions contemplated by this Agreement and such other evidence as Purchaser and/or the title company may reasonably require as to the authority of the person or persons executing documents on behalf of Sellers, to indemnify Purchaser and/or the title company from mechanic's, materialmen's, and broker's liens, and such other documents as may be required by governmental authorities;

(vi) A valid Certificate of Tax Compliance obtained from the South Carolina Department of Revenue; and

(vii) such additional documents as might be reasonably required by or of Sellers to consummate the purchase of the Property by Purchaser.

(c) Purchaser shall deliver the following items, all of which will be duly executed and acknowledged (where appropriate):

(i) Funds in the amount of the Purchase Price;

(ii) an executed closing escrow instruction letter to be signed by the closing agent;

(iii) Purchaser's closing settlement statement; and

(iv) such additional documents as might be reasonably required by or of Purchaser to consummate the purchase of the Property by Purchaser.

(d) At the Closing, Sellers will convey marketable and insurable fee simple title to the Property to, or at the direction of, Purchaser by general warranty deed free and clear of all liens and encumbrances except for those liens and encumbrances set forth as exceptions to any owners' title insurance policy obtained by Purchaser in connection with the transaction contemplated by this Agreement. At the Closing, Sellers shall deliver to Purchaser its affidavit in a form reasonably sufficient to allow the standard exceptions for construction liens and claims of parties in possession to be deleted from any owners' title insurance policy to be obtained by Purchaser. Sellers will have the right, but not the obligation, to retain and remove from the Property prior to Closing, any trade fixtures, signage, and business equipment not already removed from the Property.

4. CONDITIONS PRECEDENT TO PURCHASER'S OBLIGATIONS. It shall be an express condition precedent to Purchaser's obligation to close on the purchase of the Property under this Agreement that as of the date of Closing the following conditions have been satisfied or waived in writing by Purchaser, with any waiver to be effective only if the same is executed by an authorized officer of Purchaser, expressly waives a particular condition and expressly refers to this Section 4:

(a) All representations and warranties made by Sellers pursuant to this Agreement shall be true and correct in all material respects;

(b) All covenants and other obligations of Sellers set forth in this Agreement shall have been fully and timely performed in all material respects;

(c) From the Effective Date until Closing, there shall have been no material adverse change to the Property or any part thereof;

(d) Sellers shall have cured or removed any objections to title which are not deemed to be Permitted Exceptions;

(e) Purchaser determines, in its sole discretion, that the Property is suitable for its Intended Use;

(f) Sellers shall have removed any Hazardous Materials from the Property that are required to be removed pursuant to Section 10(h) of this Agreement or, if permitted pursuant to Section 10(h) of this Agreement, provided a Hazardous Materials Notice (as defined below) to Purchaser; and

(g) Purchaser's governing body, the County Council of Darlington County, South Carolina, has passed an Ordinance authorizing the purchase of the Property and empowering an agent to execute all necessary closing documents.

Seller

If all of the above described conditions are not fully satisfied or waived by Purchaser in the manner specified above, Purchaser shall have the right, but not the obligation, to terminate this Agreement in which event neither party shall have any further rights, duties, or obligations hereunder; provided, however, that nothing contained in this Section 4 is intended to be or shall be construed as a limitation of any remedies available to Purchaser hereunder if Sellers default under this Agreement.

5. REAL ESTATE TAXES. Purchaser shall be responsible for the payment of all real property taxes for the year of Closing. The provisions of this Section 5 shall survive Closing.

6. CLOSING COSTS. Sellers and Purchaser will each pay their own attorneys' fees and costs. Purchaser will pay all costs of its Inspections, including, without limitation, any surveys, appraisals, reports, studies, or opinions obtained by or on behalf of Purchaser with respect to the Property, title search costs, and any title insurance purchased by Purchaser, and will also pay all other typical buyer costs, fees, and recording charges for the Closing, except that Sellers shall provide or pay for preparation of the deed, the deed recording fee assessed pursuant to S.C. Code Ann. § 12-24-10,[3] fees to record lien satisfactions, and property taxes, user fees, and assessments to the day of Closing. If it is necessary for Purchaser to record a plat, then Purchaser shall pay for the recording fees for such plat.

7. DEFAULT.

(a) Sellers Default. Notwithstanding anything to the contrary contained in this Agreement, if Closing does not occur due to a default by Sellers hereunder, which default is not cured by or on behalf of Sellers within ten (10) days following receipt of written notice thereof, then Purchaser may terminate this Agreement, and this Agreement shall be null and void, and neither party shall have any rights or obligations under this Agreement (except as may expressly survive termination of this Agreement), and in no event shall Purchaser be entitled to recover additional money damages against Sellers except Sellers shall promptly reimburse Purchaser for all costs and expenses actually incurred by Purchaser in connection with the Property and this Agreement, including attorneys' fees, based upon reasonable supporting documentation; provided, however, in the event of Sellers' willful or bad faith refusal to consummate the transaction, Purchaser may seek any additional damages available at law including, without limitation, consequential, exemplary, punitive, special damages, and/or lost profits; or (B) seek specific performance of Sellers' obligations hereunder, together with all enforcement fees and costs thereof.

(b) Purchaser Default. If Purchaser fails to complete Closing as a result of any default by Purchaser hereunder, which default is not cured by or on behalf of Purchaser within ten (10) days following receipt of written notice thereof, then this Agreement may be terminated by Sellers.

[3] Although it is anticipated that this transaction will be exempt from deed recording fees pursuant to S.C. Code Ann. § 12-27-40(2).

8. RISK OF DAMAGE. Sellers will bear the risk of all damage to the Property prior to Closing, ordinary wear and tear excepted. In the event of any material damage to the Property prior to Closing, Purchaser, at its option, by written notice, may (a) declare this Agreement null and void, in which event Purchaser and Sellers will be discharged from all liability under this Agreement; or (b) complete the purchase of the Property with the purchase price reduced by an amount equal to the loss suffered.

9. CONDEMNATION. Should any governmental entity having the power of condemnation initiate eminent domain proceedings prior to the time of Closing hereunder to condemn any portion of or any interest in the Property, Purchaser, at its sole option, may elect to:

(a) Terminate Purchaser's obligation to purchase the Property by giving written notice to Sellers within twenty (20) days after written notification of such condemnation; or

(b) Complete the purchase of the Property in accordance with the terms of this Agreement without diminution of the purchase price or change of the terms hereof, in which event at Closing Sellers shall assign to Purchaser all sums awarded, or to be awarded, in connection with said condemnation; Sellers shall not negotiate a settlement of any pending or threatened eminent domain proceeding without the prior written consent of Purchaser.

10. SELLERS REPRESENTATIONS.

Sellers do hereby warrant, represent, and agree to and with Purchaser as follows:

(a) That Sellers holds fee simple and marketable title to the Property subject to all encumbrances of record, and will convey the same free and clear of all restrictions, encumbrances, liens, easements, Uniform Commercial Code financing statements, security interests, leases, rights of first refusal, exceptions, or reservations of any kind and character other than those that may be approved by Purchaser in writing prior to or at Closing per the title commitment to be obtained by Purchaser and the following:

(i) Real estate taxes for the year of Closing that are not yet due and payable; and

(ii) Easements and restrictions of record and zoning and other land use controls imposed by a public authority, provided:

(b) That Sellers are not a party to any service contracts, management agreements, or other agreements that are in force and will survive Closing and that relate to the operation, management, or maintenance of the Property;

(c) That Sellers have not received any written notice of and does not know of any actual or threatened action; litigation, or proceeding (including, but not limited to, condemnation or restrictive covenants) by any organization, person, individual, or governmental agency against

either Sellers or the Property, or with respect thereto, nor do Sellers know of any basis for any such action;

(d) To Sellers' knowledge, the Property and the buildings and improvements thereon, if any, comply in all respects with the rules, regulations, ordinances and laws of all governmental authorities having jurisdiction over the Property and any restrictive covenants burdening the Property and Sellers have not received notice alleging that the Property or the buildings or improvements thereon do not so comply;

(e) That Sellers have not received written notice of any dispute relating to the boundary lines and corners of the Property;

(f) There are no actions, suits, claims, assessments, or proceedings pending against Sellers nor, to the best of Sellers' knowledge, after due inquiry, threatened against Sellers that could materially adversely affect the ownership, operation, use, enjoyment, development or redevelopment of the Property by Purchaser or adversely affect Sellers' ability to perform hereunder;

(g) That, except as specifically provided herein, Sellers have not received any written notice that any part of the Property is in violation of or subject to any existing, pending, or threatened investigation or inquiry by any governmental authority or to any remedial obligations under Environmental Laws (as defined below).

(h) Sellers have no knowledge of any of the following:

(i) The existence of any Hazardous Substances (as such term is hereinafter defined) on, under, or about the Property; claims, litigation, administrative or other proceedings, whether actual or threatened, or judgments or orders, relating to the use, generation, manufacture, storage or disposal of any Hazardous Substances in, on, under or about the Property. As used in this Agreement, the term "Hazardous Substances" means any and all substances, materials and wastes which are or become regulated under applicable local, state or federal Environmental Laws or that are classified as hazardous or toxic under local, state or federal Environmental Laws or regulations, including, without limitation, (i) those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances," "solid waste," "pollutant" "contaminant" or words of similar import as such terms are defined by or listed in the Comprehensive Environmental Response Compensation and Liability Act of 1980 (42 U.S.C. § 9601 et seq.) ("CERCLA"), as amended by Superfund Amendments and Reauthorization Act of 1986 ("SARA"), the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. § 11001 et seq.) ("EPCRA"), the Hazardous Materials Transportation Act (49 U.S.C. § 5101 et seq.), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901 et seq.) ("RCRA"), as amended by the Hazardous and Solid Waste Amendments of 1984, the Toxic Substance Control Act (15 U.S.C. § 2601 et seq.), the Federal Insecticide, Fungicide and Rodenticide Control Act (7 U.S.C. § 136 et seq.), the Occupational Safety

and Health Act of 1970 (29 U.S.C. § 651 et seq.), the Federal Clean Air Act (42 U.S.C. § 7401 et seq.), and in the regulations promulgated pursuant to such laws, all as amended, (ii) those substances listed in the United States Department of Transportation Table (49 CFR 172.101) or 40 CFR Part 302, both as amended, (iii) any material, waste or substance which is (A) oil, gas or any petroleum or petroleum by-product, (B) asbestos, in any form, (C) polychlorinated biphenyls, (D) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act (33 U.S.C. § 1251 et seq.), as amended, (E) flammable explosives, or (F) radioactive materials, and in the regulations promulgated pursuant to any of such laws, all as the same may be amended from time to time (collectively "Environmental Laws"); or

(ii) The existence of any underground storage tanks on the Property or the removal of same from the Property.

Sellers agree to and shall indemnify, defend and hold Purchaser harmless from and against any and all claims, demands, judgments, damages, actions, causes of actions, injuries, administrative orders, consent agreements and orders, liabilities, penalties, costs and expenses of any kind whatsoever, including claims arising out of loss of life, injury to persons, property or business, or damage to the environmental or natural resources arising out of or in any way caused by the generation, treatment, disposal, transportation to or from or location of Hazardous Substances (as such term is defined by this Agreement) in, under, or on the Property, by or at the direction of Sellers. This indemnification provision shall survive the Closing.

(i) That there are no parties other than Sellers in possession of all or any portion of the Property;

(j) That Sellers have full power and authority to enter into this Agreement and all other agreements contemplated by this Agreement and to assume and perform all its obligations hereunder.

The foregoing representations, warranties, and agreements are materially true as of the date hereof, and shall be materially true as of the date and time of Closing, and said representations and warranties and agreements shall survive Closing.

11. COVENANTS OF SELLERS.

Sellers do hereby covenant to and with Purchaser as follows:

(a) Sellers shall promptly deliver to Purchaser any new or updated Due Diligence Materials in Sellers' possession or control, including any correspondence that Sellers receive from a third party with respect to the Property;

(b) Subsequent to the Effective Date, Sellers will not, without the prior written consent of Purchaser, transfer, sell, assign, or otherwise convey the Property or enter into any (or modify

any existing) agreement of purchase and sale, earnest money contract, option agreement, right of first refusal, letter of intent, lease, employment agreement, management agreement, license or other agreement affecting the Property;

(c) Subsequent to the Effective Date, Sellers will (i) maintain and operate the Property in a good and businesslike manner and the same manner as Sellers have previously maintained and operated the same, (ii) not commit or permit to be committed any waste to the Property, and (iii) continue all existing insurance policies concerning the ownership, operation, use and enjoyment of the Property in full force and effect;

(d) Sellers shall notify Purchaser immediately after the same occurs of any material change concerning the Property, the representations and warranties contained in Section 10 hereof, or any other information heretofore or hereafter furnished to Purchaser concerning the Property;

(e) Subsequent to the Effective Date, Sellers will not, without the prior written consent of Purchaser, create, assume or permit to exist any further mortgage, pledge, or lien or encumbrance upon the Property;

(f) Subsequent to the Effective Date, Sellers will not take actions that would place the Property in noncompliance with any applicable ordinances, statutes, or regulations of any government or government agency;

(g) Subsequent to the Effective Date, Sellers shall not release any Hazardous Substances at or near the Property;

(h) Subsequent to the Effective Date, Sellers will not enter into any lease, contract, commitment, or transaction outside customary property management activities in respect to the Property without the prior written consent of Purchaser; provided, however, that Sellers shall have the right to enter into agreements in accordance with its past practices and sign services contracts that can be canceled on thirty (30) days' notice; and

(i) If Hazardous Materials are located on the Property, Sellers shall deliver the Property to Purchaser at Closing free and clear of any Hazardous Materials if the cost to render the Property free and clear of any Hazardous Materials is equal to or less than $40,000 as determined in the reasonable discretion of Purchaser and Sellers. If Hazardous Materials are located on the Property and it is determined to cost more than $40,000 to remove such Hazardous Materials from the Property, then Sellers may provide written notice to Purchaser that it will not remove the Hazardous Materials from the Property (a "Hazardous Materials Notice"). If Sellers deliver a Hazardous Materials Notice, Purchaser can elect to either (A) terminate this Agreement and receive a refund of all funds already paid to Sellers under this Agreement and receive payment from Sellers for Purchaser's costs and expenses actually incurred to date in connection with the Property and this Agreement, including attorneys' fees, and all based upon reasonable documentation, or (B) waive the requirement that the Hazardous Materials be removed and proceed with Closing as contemplated herein with a $40,000 reduction in the Purchase Price.

(with a copy to)	James H. Lucas, Esq. County Attorney P.O. Box 1408 Hartsville, South Carolina 29551 E-mail: jlucaslaw@gmail.com

13. BINDING EFFECT. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, heirs, devisees, executors, representatives, and assigns. Upon written notification by Purchaser of the designation of a nominee or of an assignment of Purchaser's rights hereunder, Sellers agree to recognize such nominee or assignee as the holder of all of Purchaser's rights hereunder.

14. ATTORNEYS' FEES. In the event it becomes necessary for either party to enforce the terms of this Agreement, the prevailing party shall be entitled, in addition to such damages or other relief as may be granted, to recover reasonable attorneys' fees and costs, such attorneys' fees to include those incurred on any appeal.

15. CONFIDENTIALITY. Sellers hereby agree that they shall each hold in strict confidence all terms and conditions of this Agreement, except that Sellers may disclose such terms and conditions to their agents and attorneys, provided, however, that such party shall notify all such persons to whom such information is disclosed that the same must be kept confidential in

accordance with the terms of this Section. Notwithstanding the foregoing, Purchaser may disclose to third parties the fact that it has entered into a contract to purchase the Property in order to obtain information necessary for its Inspections. Additionally, both parties agree that Purchaser will have to disclose and publish this Agreement when passing the Ordinance contemplated in Section 4(g) of this Agreement.

16. TIME IS OF THE ESSENCE. Time is of the essence with respect to this Agreement.

17. COUNTERPARTS. This Agreement may be executed in any number of counterparts with the same effect as if all signatures on the counterpart pages appeared in the same instrument. When this Agreement is signed by either party, such party may deliver copies of this Agreement to the other party via electronic delivery, including, without limitation, e-mail or fax. Delivery of a party's signed counterpart of this Agreement via electronic delivery will be as valid and binding upon the panics as are original ink signatures.

18. MISCELLANEOUS. This Agreement may be modified only by an instrument in writing signed by both parties. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns. The waiver of any breach of any term or condition hereof shall not be deemed a waiver of any other or subsequent breach, whether of like or of different nature. The captions contained herein are only for the convenience of the parties and do not modify, amplify or give full notice of any of the terms, covenants and conditions of any article, paragraph, section, clause or provision of this Agreement. This Agreement shall be interpreted and construed in accordance with the laws of the State of South Carolina. The invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of the remainder of this Agreement. Whenever used herein, the singular form shall include the plural and vice versa, and the use of any gender shall include all genders, as appropriate.

19. ENTIRE AGREEMENT. This Agreement and the exhibits attached hereto contain the entire agreement between the parties. There are no promises, agreements, conditions, undertakings, warranties or representations, oral, written, express or implied, between the parties other than as herein set forth.

20. JOINT DRAFTING. Sellers and Purchaser hereby agree that this Agreement and the exhibits have been jointly drafted, negotiated and agreed upon by Sellers and Purchaser and that any rule of contract interpretation that provides that ambiguity will be construed against the drafting party is inapplicable to this Agreement and the exhibits and shall not be used in connection with the interpretation of this Agreement or the exhibits.

21. EXPIRATION OF TIME PERIODS. If any time period set forth in this Agreement ends or expires on a Saturday, Sunday or federal public holiday, such time period shall end or expire on the next business day which is not a Saturday, Sunday or federal public holiday thereafter. Time periods set forth in this Agreement shall be calculated using calendar days unless business days are expressly provided for.

22. FURTHER ASSURANCES. Both Sellers and Purchaser agree that it will without further consideration execute and deliver such other documents and take such other action, whether prior or subsequent to Closing, as may be reasonably requested by the other party to consummate more effectively the transaction contemplated hereby. The provisions of this Section shall survive Closing.

23. JOINT AND SEVERAL LIABILITY. If Sellers are comprised of more than one person or entity, then each such underlying person or entity hereby acknowledges and agrees that they are jointly and severally liable for all Sellers obligations and liabilities under this Agreement.

Exhibit A
Legal Description

All that certain parcel or tract of land in Newman Swamp School District of the County of Darlington, State of South Carolina, containing two hundred thirty five (235) acres, more or less, and generally bounded, now or formerly, as follows: on the Southeast in part by U.S. Highway No. 401 leading from Darlington to Lamar and in part by land of Rozelle Andrews; on the Southwest by the run of Newman Swamp; on the Northwest by land formerly of J. G. Woods; and on the North in part by land of Marvin Jordan, in part by land of Caleb Windham, in part by land of Floyd Howell, and in part by land of Asa Windham.

LESS, the 1.50 acres, more or less, already conveyed by Sellers to Purchaser by deed executed August 26, 2025, and filed with the Office of the Clerk of Court for Darlington County on August 27, 2025 at Deed Book 1121 at Page 10. Said parcel of land is now identified by Darlington County Tax Map No.: 066-00-01-090.

This being the same property conveyed to Sellers by the following Deed references: See Deed Book 634 at Page 559; Deed Book 1101 at Page 9963, and also Deed Book 1118 at Page 9453 filed in the Office of the Clerk of Court for Darlington County, South Carolina. It should be noted that a prior deed referenced the life estate unto Woodward Howard Morgan, III, whose life estate is now extinguished by the date of his death on December 10, 2024.

Darlington County Council
Agenda Item Form

Agenda Item No. 2026-336-DCC
Submitted by: J. Janet Bishop
Submitting Department: Administration
Meeting Date: September 10, 2026

SUBJECT:

Ordinance No. 26-05, An Ordinance To Impose A Nine (9) Month Moratorium On The Acceptance Of, Review Of, And/Or Action Upon Applications For Approvals, Development Permits, And Any Other Official County Action That Would Authorize Or Permit The Development Of New Solar Energy Systems And/Or Wind Farms In Darlington County, South Carolina; To Invoke The Pending Ordinance Doctrine; To Protect Existing Vested Rights As Required By Applicable Law; And To Provide For Other Matters Related Thereto - SECOND READING

CURRENT STATUS:

As stated in the ordinance, in light of this rapidly evolving industry and sphere of renewable energy, it is prudent to allow the County Council and the Darlington County Planning Commission adequate time to study, draft, and adopt updated development regulations to address these industry advancements. To prevent the filing and approval of development applications that may conflict with forthcoming amendments to the DSO, a moratorium is required.

POINTS TO CONSIDER:

As stated in the ordinance:
The Darlington County Planning Commission shall undertake a comprehensive review of Article 19 (Renewable Energy Systems) of the DSO and make recommendations to the County Council. The recommendations, as they relate to renewable energy systems and developments pertaining thereto, may include, but not be limited to: (1) size and density, (2) setbacks and buffering, (3) decommissioning, (4) financial assurance, and (5) environmental protection.

Approval of this ordinance will impose a nine (9) month moratorium on all activities relating to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future.

FINANCIAL IMPACT:

OPTION:

RECOMMENDATION:

Council's consideration of Ordinance No. 26-05.

ATTACHMENTS (Relevant Documentation):
Ord. No. 26-05.docx

STATE OF SOUTH CAROLINA)
) **ORDINANCE NO. 2026-05____**
COUNTY OF DARLINGTON)

AN ORDINANCE

TO IMPOSE A NINE (9) MONTH MORATORIUM ON THE ACCEPTANCE OF, REVIEW OF, AND/OR ACTION UPON APPLICATIONS FOR APPROVALS, DEVELOPMENT PERMITS, AND ANY OTHER OFFICIAL COUNTY ACTION THAT WOULD AUTHORIZE OR PERMIT THE DEVELOPMENT OF NEW SOLAR ENERGY SYSTEMS AND/OR WIND FARMS IN DARLINGTON COUNTY, SOUTH CAROLINA; TO INVOKE THE PENDING ORDINANCE DOCTRINE; TO PROTECT EXISTING VESTED RIGHTS AS REQUIRED BY APPLICABLE LAW; AND TO PROVIDE FOR OTHER MATTERS RELATED THERETO.

WHEREAS, Darlington County (the "County") provides services to its citizens, including the regulation of development and permitting, and Darlington County Council (the "County Council") finds that appropriate land development regulation and permitting of properties is vital to public interest, health, safety, welfare, and quality of life due to the impact such development has on the County services, infrastructure, and resources; and

WHEREAS, the Darlington County Development Standards Ordinance ("DSO") was first adopted on April 15, 1985, to regulate development and permitting in the County; and

WHEREAS, the DSO was amended on June 1, 2015, by Ordinance No. 15-16, which added Renewable Energy Systems provisions (Article 19), and which included the regulation of Solar Energy Systems and Wind Farms; and

WHEREAS, Article 19 of the DSO was amended March 6, 2017, by Ordinance No. 16-19, to clarify the process and regulations applicable to Renewable Energy Systems; and

WHEREAS, County Council amended Article 19 of the DSO on November 1, 2021, by Ordinance No. 21-09 (Public Notification) and on December 4, 2023, by Ordinance No. 23-18 (Wattage Designation Deletion) as part of its continuing efforts to regulate Renewable Energy Systems in a manner consistent with evolving technology, land-use considerations, and the public interest; and

WHEREAS, the County is currently experiencing the growth and proliferation of Solar Energy Systems; and

WHEREAS, approximately six hundred twenty-two (622) acres of tax parcels in the County are currently dedicated to solar energy generation, with approximately two hundred ten (210) of those acres being actually covered by solar panels; and

WHEREAS, approximately twelve thousand five hundred fifty-three (12,553) additional acres of tax parcels in the County are in various stages of the development process for solar energy generation; and

WHEREAS, more than eleven (11) years have passed since the County first regulated Solar Energy Systems and Wind Farms; and

WHEREAS, solar energy has experienced substantial technological advancements and changes in development practices since the adoption of Ordinance No. 15-16 and Ordinance No. 16-19; and

WHEREAS, in light of this rapidly evolving industry and sphere of renewable energy, it is prudent to allow the County Council and the Darlington County Planning Commission adequate time to study, draft, and adopt updated development regulations to address these industry advancements; and

WHEREAS, to prevent the filing and approval of development applications that may conflict with forthcoming amendments to the DSO, a moratorium is required.

NOW, THEREFORE, BE IT RESOLVED, by the County Council, as follows:

1. **Provision for Recommendations.** The Darlington County Planning Commission shall undertake a comprehensive review of Article 19 – Renewable Energy Systems – of the DSO and make recommendations to the County Council. The recommendations, as they relate to renewable energy systems and developments pertaining thereto, may include, but not be limited to: (1) size and density, (2) setbacks and buffering, (3) decommissioning, (4) financial assurance, and (5) environmental protection.

2. **Nine (9) Month Moratorium Adopted.** Based upon the foregoing, the County Council hereby resolves by this Ordinance that all activities related to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farm (both as defined by § 19.1 of the DSO) under Article 19 (Renewable Energy Systems) of the DSO, or create any vested rights that would authorize such new developments in the future, are temporarily suspended. Accordingly, there is hereby imposed a moratorium on all activities relating to the acceptance of, review of, and action upon applications for the issuance of development permits, site plan approvals, and any other official county action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future. During the time this moratorium is in effect and subject to the terms of this Ordinance, the County will neither accept nor review any letters of intent, applications for development permits, site plan approvals, or take any other official action that would authorize or permit the development of Solar Energy Systems and/or Wind Farms under Article 19 (Renewable Energy Systems) of the DSO or create any vested rights that would authorize such new developments in the future.

3. **Time.** The moratorium set forth in this Ordinance shall become effective upon final adoption by third reading of this Ordinance and shall terminate nine (9) months after third reading unless extended pursuant to the provisions of Section Four (4).

4. **Extension of Moratorium.** No earlier than ninety (90) days prior to the expiration date of the moratorium imposed herein, should the County Administrator determine that there is insufficient time for the County Council to consider the recommendations of the Planning Commission, the County Administrator shall notify the County Council of this time constraint and; thereafter, the County Council may extend the moratorium expiration by up to an additional ninety (90) day period.

5. **Effect on vested rights.** The State of South Carolina has vested rights laws which would prohibit the enforcement of this moratorium by the County for certain properties. It is not the intent of this Ordinance to violate state law. Therefore, any properties with such legally protected vested rights shall be exempt from the provisions of this moratorium to the extent such properties are lawfully protected by such vested rights.

6. **Effect on Contractual Matters.** This moratorium shall not apply to, and shall not restrict the completion of, any projects for which a Fee in Lieu of Taxes ("FILOT") agreement has been issued

7. **Pending Ordinance Doctrine.** The South Carolina Pending Ordinance Doctrine shall apply to this Ordinance, and the provisions regarding final adoption shall in no way adversely affect the enforceability, applicability, or legality of the pending ordinance status of this Ordinance.

8. **Incorporation of Recitals.** The recitals set forth hereinabove are true, accurate, and complete and are hereby incorporated by reference as the legislative findings and intent of the County Council in enacting this Ordinance. These recitals form the basis for the moratorium established herein.

9. **Severability.** If a section, subsection, or provision of this Ordinance shall be deemed or found to conflict with a provision of South Carolina law or other preemptive legal principle by a Court of competent jurisdiction then that section, subsection, or provision of this Ordinance shall be deemed ineffective, but the remaining portions of this Ordinance shall remain in full force and effect.

10. **Conflict with Previous Ordinances.** To the extent of any conflict, this Ordinance shall control during its term. No provision of any prior ordinance is repealed hereby.

11. **Third Reading.** This ordinance shall be and become finally binding after the same shall have received first reading, second reading, a public hearing, and third reading by the County Council.

Darlington County Council
Agenda Item Form

Agenda Item No. 2026-343-DCC
Submitted by: J. Janet Bishop
Submitting Department: Planning
Meeting Date: September 10, 2026

SUBJECT:

Ordinance No. 26-06, An Ordinance To Amend Darlington County Code Of Ordinances, Appendix A (Development Standards Ordinance), Article Nineteen (Renewable Energy Systems), Section 19.4 (Solar Energy Systems And Wind Farm Facilities) To Amend The Requirements For Renewable Energy Systems, To Update The Name For South Carolina Department Of Health And Environmental Control Throughout The Article, And Establish The Effective Date Of This Ordinance - FIRST READING

CURRENT STATUS:

Darlington County Planning Commission has recommended proposed amendments to the Development Standards Ordinance, Article 19, Renewable Energy Systems, as indicated in Ordinance No. 26-06 (attached). The proposed amendments are consistent with the requirements currently utilized by Darlington County Council when providing Fee-In-Lieu-Of-Tax (FILOT) agreements for renewable energy systems.

The Planning Commission will undertake a careful and diligent research to develop propose changes to Article 19 governing renewable energy systems. This process could take up to nine months. Therefore, the Planning Commission is requesting that the proposed minimal changes be incorporated into the Code immediately to ensure that all solar sites receiving planning completion certification going forward are subject to the same standards regardless of whether the site will receive a FILOT arrangement.

Also, South Carolina Department of Health and Environmental Control (SCDHEC) has changed its name to South Carolina Department of Environmental Services (SCDES). This name has been updated throughout Article 19.

POINTS TO CONSIDER:

The Planning Commission's recommendation statements and Article 19 with the proposed amendments are attached.

FINANCIAL IMPACT:

OPTION:

RECOMMENDATION:

No action is needed for First Reading.

ATTACHMENTS (Relevant Documentation):

Article 19, with amendments (Ord 26-06).docx

Explanation of Agenda Item

XIV. New Business

Recommended changes to the Development Standards Ordinance Article 19 Renewable Energy Systems.

Planning Commission recommends the minimal changes bulleted below be incorporated immediately. These requirements are consistent with requirements currently utilized by Darlington County Council when providing FILOTs for renewable energy systems. The County Council has used these additional requirements in the FILOT contractual agreements that must be met by any solar site project if the project is receiving a FILOT and the Planning Commission recommends that these requirements be required for all solar site facilities that are subject to the Darlington County Development Standard Ordinances – Article 19.

The Darlington County Planning Commission will undertake the careful and diligent research and development of proposed changes to the Darlington County Development Standards Ordinances – Article 19. This process may take six to nine months, and the below minimal changes should be immediately incorporated so that all solar sites receiving planning completion certification going forward are subject to the same standards regardless of whether the site is receiving a FILOT or not.

Incorporate the following additional restrictions into the Darlington County Development Standards Ordinance, Article 19 - Renewable Energy Systems, immediately while Planning Commission undergoes a detailed review process to recommend additional requirements for renewable energy systems:

- No solar panels shall be located within one hundred feet of the property boundary of any parcel owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

- No solar panels shall be located within six hundred feet of any properly permitted residential structure owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

- The developer shall install a continuous horizontal vegetative buffer, that reaches at a minimum height within three years of the project becoming operational, that of the tallest installed solar panel between the Project site and any roadways or residences. The buffer must be established in a manner that shields the solar panels from ground level views both horizontally and vertically from any roadways adjacent to the Project site or properly permitted residences on parcels adjacent to the Project site.

- Decommission Costs: Within six months of first date upon which the Project produces electricity, developers shall procure and deliver to the County a surety or performance bond or irrevocable letter of credit in the amount of $50,000 or 125% of the estimated decommissioning costs associated with the Project, whichever is greater and shall not consider salvage value in determining the decommissioning cost. The estimated decommissioning costs shall be determined by an engineer licensed to practice in South Carolina and agreeable by Darlington County.

STATE OF SOUTH CAROLINA)
) **ORDINANCE NO. 26-06**
COUNTY OF DARLINGTON)

An Ordinance To Amend Darlington County Code Of Ordinances, Appendix A (Development Standards Ordinance), Article Nineteen (Renewable Energy Systems), Section 19.4 (Solar Energy Systems And Wind Farm Facilities) To Amend The Requirements For Renewable Energy Systems, To Update The Name For South Carolina Department Of Health And Environmental Control Throughout The Article, And Establish The Effective Date Of This Ordinance

WHEREAS, the Darlington County Planning Commission has recommended amending the requirements for solar energy systems facilities to reflect the requirements currently included in Fee-In-Lieu-Of-Tax Agreements for renewable energy systems.

NOW, THEREFORE, BE IT ORDAINED, by the governing body of Darlington County, South Carolina, the Darlington County Council, that:

SECTION 1

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.3 (Integrated energy systems permitting process), Item 4, **which currently reads:**

4. Approval is subject to:
   a. Stormwater NPDES permit from SCDHEC or the county.
      i. Land disturbance of one-acre or more requires a SWPPP prepared by either a licensed landscape architect, engineer in the State of South Carolina, or tier B land surveyor. Project may be required to comply with Article 17, Municipal Separate Storm Sewer System (MS4) Area Stormwater Management Protection Overlay District.

Be amended to read as follows:

4. Approval is subject to:
   a. Stormwater NPDES permit from ***South Carolina Department of Environmental Services (SCDES)*** or the county.
      i. Land disturbance of one-acre or more requires a SWPPP prepared by either a licensed landscape architect, engineer in the State of South Carolina, or tier B land surveyor. Project may be required to comply with Article 17, Municipal Separate Storm Sewer System (MS4) Area Stormwater Management Protection Overlay District.

SECTION 2

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.4 (Solar energy system and wind farm facilities), Item 3., **which currently reads:**

3. *Setbacks.* Solar Energy Systems must be set back 50 feet from adjoining property lines or 200 feet from the nearest residence.

Be amended to read as follows:

3. *Setbacks.*
   No solar panels shall be located within one hundred feet of the property boundary of any parcel owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

   No solar panels shall be located within six hundred feet of any properly permitted residential structure owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

SECTION 3

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.4 (Solar energy system and wind farm facilities), Item 4., **which currently reads:**

4. Water and sewer systems approved by South Carolina Department of Health and Environmental Control (SCDHEC) and/or Darlington County Water and Sewer Authority (DCWSA).

Be amended to read as follows:

4. Water and sewer systems approved by South Carolina Department of ***Environmental Services (SCDES)*** and/or Darlington County Water and Sewer Authority (DCWSA).

SECTION 4

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.4 (Solar energy system and wind farm facilities), Item 13., **which currently reads:**

13. *Screening.* A continuous vegetative buffer shall be installed around the perimeter of the solar energy system/wind farm. This buffer shall be 36" to 48" in height at planting and must reach 100 percent of the panel height within three (3) years of planting. The vegetation must be planted in two staggered rows at a spacing interval between 8' to 10' on center. The fence must be located on the inside of the

vegetative buffer. Screening is not required along properties adjacent to non-residential uses or along roadways.

Be amended to read as follows:

13. *Screening. The developer shall install a continuous horizontal vegetative buffer, that reaches at a minimum height within three years of the project becoming operational, that of the tallest installed solar panel between the Project site and any roadways or residences. The buffer must be established in a manner that shields the solar panels from ground level views both horizontally and vertically from any roadways adjacent to the Project site or properly permitted residences on parcels adjacent to the Project site.*

SECTION 5

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.4 (Solar energy system and wind farm facilities), Item 22., **which currently reads:**

22. Submit and maintain an updated facility decommission plan. The latest facility decommission plan shall be recorded in the county's clerk of courts office.

    An applicant must include a decommissioning plan that describes the anticipated life of the solar energy system. Following a continuous six (6) month period in which no electricity is generated, the permit holder will have six (6) months to complete decommissioning of the solar energy system. Decommissioning includes removal of solar panels, buildings, cabling, electrical components and any other associated facilities below grade as described in the decommissioning plan. No later than thirty (30) days following the sixth (6^{th}) anniversary of the operation date of the solar energy system, the owner of the solar energy system must provide Darlington County with a $50,000 surety or performance bond to be maintained by the solar energy system owner or subsequent owner(s) until the solar energy system is decommissioned. Prior to the issuance of any electrical permit, the owner of the solar energy system must submit a notarized affidavit acknowledging the above decommissioning obligations. Decommissioning Plan must be passed by conveyance to successive owner(s).

Be amended to read as follows:

22. Submit and maintain an updated facility decommission plan. The latest facility decommission plan shall be recorded in the county's **C**lerk of **Court** office.

    Decommission Costs: Within six months of first date upon which the Project produces electricity, developers shall procure and deliver to the County a surety or performance bond or irrevocable letter of credit in the amount of $50,000 or 125% of the estimated decommissioning costs associated with the Project, whichever is greater and shall not

consider salvage value in determining the decommissioning cost. The estimated decommissioning costs shall be determined by an engineer licensed to practice in South Carolina and agreeable by Darlington County.

SECTION 6

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.6 (Solar energy system/wind farm permitting process), Item 8., **which currently reads:**

8. Mandatory Permits/Agreements:
   - Utility Company Agreement
   - Lease Agreement
   - Stormwater NPDES Permit from South Carolina Department of Health and Environmental Control
   - Encroachment Permit by South Carolina Department Of Transportation or Darlington County Roads and Bridges
   - Fire Department Review and Approval per the International Fire Code

Be amended to read as follows:

8. Mandatory Permits/Agreements:
   - Utility Company Agreement
   - Lease Agreement
   - Stormwater NPDES Permit from South Carolina Department of **Environmental Services**
   - Encroachment Permit by South Carolina Department Of Transportation or Darlington County Roads and Bridges
   - Fire Department Review and Approval per the International Fire Code

SECTION 7

Darlington County Code of Ordinances, Appendix A (Development Standards Ordinance), Section 19.6 (Solar energy system/wind farm permitting process), Item 9., **which currently reads:**

9. If applicable approval letters:
   - MS4 approval (mandatory for wind/solar energy system within MS4 district)
   - FAA letter (mandatory for wind/solar energy system within Airport district)
   - Septic systems approved by South Carolina Department of Health and Environmental Control indicating sewer capacity/existing septic tank affidavit
   - South Carolina Department of Health and Environmental Control letter approving well or Darlington County Water and Sewer Authority approving water tap

- Receipt of road and stop signage paid (for new roads only)
- South Carolina Public Services Commission Approval (If applicable)

Be amended to read as follows:

9. If applicable approval letters:
   - MS4 approval (mandatory for wind/solar energy system within MS4 district)
   - FAA letter (mandatory for wind/solar energy system within Airport district)
   - Septic systems approved by South Carolina Department of **Environmental Services** indicating sewer capacity/existing septic tank affidavit
   - South Carolina Department of **Environmental Services** letter approving well or Darlington County Water and Sewer Authority approving water tap
   - Receipt of road and stop signage paid (for new roads only)
   - South Carolina Public Services Commission Approval (If applicable)

SECTION 8

The provision of this ordinance shall be included and incorporated in the Code of Ordinances of the County of Darlington, as an amendment thereto.

SECTION 9

This ordinance shall become effective on Third Reading.

DARLINGTON COUNTY COUNCIL

ATTEST:

First Reading:
Second Reading:
Public Hearing:
Third Reading:

ARTICLE NINETEEN. RENEWABLE ENERGY SYSTEMS

Sec. 19.1. Definitions.

The following words, terms, and phases, used in this article, shall have the ascribed meanings to them unless stated otherwise:

Building-integrated solar system. An active solar system incorporated into the principal and/or accessory building/structure(s) as an architectural component. Architectural design include, but are not limited to, roof material, windows, parking facilities, awnings, section of wall, and etcetera.

Engineer. Designs materials, structures, and systems while considering the limitations imposed by practicality, regulation, safety, and cost. Engineer must be licensed in the State of South Carolina.

Height. The vertical distance measured from ground to the foremost tip/end of a roof or the ground-mounted solar/wind apparatus.

Ground-mounted. Freestanding pole and tower used to support renewable energy systems (RES).

Integrated energy systems. Flexible energy techniques used through solar building/-integration, and roof and ground-mounted solar and/or wind systems to produce on-site energy. Integrated energy systems serve as accessory structures on properties with principal structure (i.e. home or business).

Meteorological tower (MET tower). Free standing tower or a removed mast, which carries measuring instruments with meteorological instruments such as thermometers and wind velocity measures. MET towers shall comply with standards permitted for wind turbines.

Renewable energy system. Energy generated through solar and wind technology for residential, commercial, and industrial uses, and geographical areas in partnership with utility companies.

Rotor. The windmill which includes the blades, hub, and shaft.

Roof-mounted. RES affixed to a roof utilizing solar panels and/or wind turbine to produce energy.

Setbacks. Setbacks must be from the fence line of the renewable energy system to the adjoining property line or residence.

Solar collector. A solar device absorbs and accumulates solar rays for use as a source of energy. The device may be roof-mounted as an accessory use or ground-mounted.

Solar energy. Radiant energy received from the sun collected in the form of heat or light by a solar collector to produce energy.

Solar energy system. A series of ground mounted solar collectors placed in an area for generating photovoltaic (PV) power as a commercial enterprise. The minimum size for a solar energy system is one acre.

Thermal energy. Solar and/or wind technology converted into heat energy.

Tower, monopole. Freestanding, or guyed structure that supports a wind generator.

Wind energy. Wind currents harnessed through a rotor and turbine system to produce energy.

Wind farm. Two or more ground-mounted wind turbines placed in an area of generating power as a commercial enterprise. The minimum for a wind farm is one acre.

Wind Turbine. A rotor mechanism employed to harness wind currents as a source of energy.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, §§ 1—4, 3-6-17; Ord. No. 23-18, § 1, 1-2-24)

Sec. 19.2. Integrated energy systems.

Flexible energy techniques incorporated into building/structure(s), and/or employed onto a roof and ground-mounted structure(s) shall comply with the following designs and development standards:

1. Site plans shall be prepared by a licensed land surveyor, landscape architect, or engineer in the State of South Carolina. Plans must be sealed.
2. Power lines shall be located underground to the extent practical.
3. Electric solar system components shall have an Underwriters Laboratories (UL) listing.
4. Solar collectors shall be designed with anti-reflective coating to minimize glare. Textured glass coupled with the anti-reflective coating further minimizes solar glare. Textured glass is optional. Mirrors are prohibited.
5. Architectural design consideration shall be used when integrating solar panels into any exterior wall, window, or component.
6. A system(s) discontinued for more than six months is considered abandoned and shall be removed at property owner's expense.
7. No system shall exceed one acre.
8. Solar panels.

Roof-mounted

   a. Sealed structural details with mounting specifications and roof dead load capacity certification by a licensed engineer in the State of South Carolina.
   b. Roof diagram with panels and any elevation changes.

Ground-mounted

   c. Setback at least 20 feet from property line. (Height maximum standards: up to 10,000 square feet — 5 ft; 10,001 to 20,000 square feet — 10 ft, and greater than 20,000 square feet — 15 ft)
   d. Vertical illustration of panels with height.
   e. Sealed structural details with foundation plans certified by a licensed engineer in the State of South Carolina.
   f. Solar layouts, between a quarter of an acre and one acre, shall be screened by vegetative landscaping on sides adjacent residential properties.

9. Wind turbines.
   1. Solar panels may be used as a complimentary energy source.
   2. Wind turbine system shall be engineered to survive a 100 mph wind load or greater.
   3. No appurtenances (i.e. lighting, flags, signs, or decorations) shall be attached to the system. Lighting would be required by the Federal Aviation Administration (FAA).
   4. Noise levels shall not exceed 50 decibels (dba).
   5. Wind turbine system designed not to exceed 100 kilowatts (kw).

6. A fail-safe breaking system, auto-furling system, or similar system shall be incorporated to prevent uncontrolled rotation, over-speeding, and excessive pressure on system.

7. Wind equipment shall be white or earth toned and remained painted and finished. The intent is to minimize glare/flicker and attraction to birds.

Roof-mounted

a. Sealed structural details with mounting specifications and roof dead load capacity certification by a licensed engineer in the State of South Carolina.

b. Roof diagram with panels/turbine and any elevation changes.

c. Maximum height of all components shall be seven feet above the highest point of the roof.

d. Rotor blades shall not extend beyond the horizontal roof line.

e. Wind turbine shall be at least ten feet from overhead utility lines.

f. Up to three wind turbines mounted to a roof with ten feet between each of them.

Ground-mounted

g. Sealed structural details with foundation plans certified by a licensed engineer.

h. Height shall not exceed 40 feet with a minimum setback equal to its height from all property lines, overhead utility lines, and structures.

i. Rotor blades shall have at least a 20-foot ground clearance.

j. One wind turbine per parcel.

k. Wind turbine climbing apparatus shall be no lower than 12 feet from the ground.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, §§ 5—8, 3-6-17)

Sec. 19.3. Integrated energy systems permitting process.

Applicants shall apply to the planning department and meet the following requirements:

1. Complete and submit integrated energy systems application.

2. Submit three scaled 11-inch by 17-inch or larger site plans by licensed land surveyor, landscape architect, or engineer in the State of South Carolina. The site plan contains: developer and property owner's name, address, and phone; road(s) layout; tax map number, scale, and date; vicinity map and north arrow; identify existing and proposed structures, include dimensions (i.e. equipment location, fencing); property boundaries with dimensions, and identify adjacent property owners land uses (i.e. residential, commercial, farmland, or wooded); public road(s); bodies of water (i.e. lakes, ponds, and streams) with minimum 50 foot buffer shown, flood hazard areas, wetlands, adjacent ditches, and easements; proposed surface covers (i.e. grass, gravel, etc.); and, area and size of land disturbance.

3. Submit sealed structural plans with foundation details certified by licensed engineer in the State of South Carolina, wiring/thermal diagram, vertical illustrations with maximum height, roof diagram for roof-mounted panels/turbines.

4. Approval is subject to:

a. Stormwater NPDES permit from ~~SCDHEC~~ ***South Carolina Department of Environmental Services (SCDES)*** or the county.

i. Land disturbance of one-acre or more requires a SWPPP prepared by either a licensed landscape architect, engineer in the State of South Carolina, or tier B land surveyor. Project may be required to comply with Article 17, Municipal Separate Storm Sewer System (MS4) Area Stormwater Management Protection Overlay District.

b. Fire department review and approval.

c. Interconnection utility agreement (grid-tied systems).

d. Restrictive covenants affidavit.

e. Approved site plan.

f. FAA letter (applicable within airport districts).

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, §§ 9—11, 3-6-17)

Sec. 19.4. Solar energy systems and wind farm facilities.

The establishment and operation of solar energy systems and wind farm facilities shall comply with the following design and development standards:

1. Site plans shall be prepared by a licensed land surveyor, landscape architect, or engineer in the State of South Carolina. Plans must be sealed.
2. All internal roads servicing the farm must be named. E-9ll Addressing per Chapter 54, Article III shall approve new road names.
3. *Setbacks.* ~~Solar Energy Systems must be set back 50 feet from adjoining property lines or 200 feet from the nearest residence.~~

   No solar panels shall be located within one hundred feet of the property boundary of any parcel owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

   No solar panels shall be located within six hundred feet of any properly permitted residential structure owned by any person or entity other than the developer or any developer's affiliate, or any lessor to any developer or developer's affiliate.

4. Water and sewer systems approved by South Carolina Department of ~~Health and Environmental Control (SCDHEC)~~ ***Environmental Services (SCDES)*** and/or Darlington County Water and Sewer Authority (DCWSA).
5. *Height.* Solar structures shall not exceed 15 feet in height. Wind turbine structures including rotor blades shall not exceed 170 feet in height.
6. Wind turbine system shall be engineered to survive a 100 mph wind load or greater.
7. No appurtenances (i.e. lighting, flags, signs, or decorations) shall be attached to the system. Lighting would be required by the Federal Aviation Administration (FAA).
8. Noise levels shall not exceed 55 decibels (dba).

9. Wind turbines climbing apparatus shall be no lower than 12 feet from the ground.

10. Wind equipment shall be white or earth toned and remained painted and finished. The intent is to minimize glare/flicker and attraction to birds.

11. A fail-safe breaking system, auto-furling system, or similar system shall be incorporated to prevent uncontrolled rotation, over-speeding, and excessive pressure on system.

12. Developer shall make practical efforts to preserve natural features and landscape.

13. *Screening.* ~~A continuous vegetative buffer shall be installed around the perimeter of the solar energy system/wind farm. This buffer shall be 36" to 48" in height at planting and must reach 100 percent of the panel height within three (3) years of planting. The vegetation must be planted in two staggered rows at a spacing interval between 8' to 10' on center. The fence must be located on the inside of the vegetative buffer. Screening is not required along properties adjacent to non-residential uses or along roadways.~~

    The developer shall install a continuous horizontal vegetative buffer, that reaches at a minimum height within three years of the project becoming operational, that of the tallest installed solar panel between the Project site and any roadways or residences. The buffer must be established in a manner that shields the solar panels from ground level views both horizontally and vertically from any roadways adjacent to the Project site or properly permitted residences on parcels adjacent to the Project site.

14. Development shall maintain a 50-foot vegetated buffer from any body of water (i.e. lakes, streams, ponds, and rivers) to preserve the county's water quality and prevent any adverse stormwater effects.

15. All lighting shall be shielded or directed in a downward position to prevent noxious glare. A light fixture is required at the ends of all turnarounds.

16. Fencing shall be at least six feet in height to secure the perimeter. The fence must be secure at all times.

17. *Signage.* A warning sign concerning voltage must be placed at the main gate to include the address and name of the solar energy system or wind farm operator and a 24-hour phone number for the solar energy system or wind farm operator in case of an emergency.

18. Power lines must be located underground to the extent practical.

19. Solar collectors shall be designed with anti-reflective coating to minimize glare. Textured glass coupled with the anti-reflective coating further minimizes solar glare. Textured glass is optional. Mirrors are prohibited.

20. Electric solar system components must have an Underwriters Laboratories (UL) listing.

21. All active solar energy systems and wind systems shall meet all requirements of the county building codes department.

22. Submit and maintain an updated facility decommission plan. The latest facility decommission plan shall be recorded in the county's c**C**lerk of c**C**ourt~~s~~ office.

    ~~An applicant must include a decommissioning plan that describes the anticipated life of the solar energy system. Following a continuous six (6) month period in which no electricity is generated, the permit holder will have six (6) months to complete decommissioning of the solar energy system. Decommissioning includes removal of solar panels, buildings, cabling, electrical components and any other associated facilities below grade as described in the decommissioning plan. No later than thirty~~

~~(30) days following the sixth (6th) anniversary of the operation date of the solar energy system, the owner of the solar energy system must provide Darlington County with a $50,000 surety or performance bond to be maintained by the solar energy system owner or subsequent owner(s) until the solar energy system is decommissioned. Prior to the issuance of any electrical permit, the owner of the solar energy system must submit a notarized affidavit acknowledging the above decommissioning obligations. Decommissioning Plan must be passed by conveyance to successive owner(s)~~

Decommission Costs: Within six months of first date upon which the Project produces electricity, developers shall procure and deliver to the County a surety or performance bond or irrevocable letter of credit in the amount of $50,000 or 125% of the estimated decommissioning costs associated with the Project, whichever is greater and shall not consider salvage value in determining the decommissioning cost. The estimated decommissioning costs shall be determined by an engineer licensed to practice in South Carolina and agreeable by Darlington County.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, §§ 12—19, 3-6-17)

Ord. No. 16-19, § 12, adopted March 6, 2017, amended the title of § 19.4 to read as set out herein. Previously § 19.4 was titled "Solar and wind farm facilities."

Sec. 19.5. Public notification.

Upon receipt of a completed solar energy system application, the county planning staff shall send, by first class mail, a notice of the application to all property owners within 1,320 feet of the proposed solar energy system/wind farm. The notification shall include projected date of the public hearing to be held by the planning department staff. Public notification includes posting in the local newspaper and mail notice to residents postmarked at least 15 days prior to the public hearing.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, § 20, 3-6-17; Ord. No. 21-09, § 1, 12-6-21)

Sec. 19.6. Solar energy system/wind farm permitting process.

Applicants shall apply to the planning department and meet the following requirements:

1. Request for district of location letter.
2. Submit solar energy system/wind farm application and payment.
3. E-911 Address Inquiry and Approval.
4. Restrictive Covenants Affidavit.
5. Submit three (3) 11" x 17" (or larger) site plans by land surveyor, engineering, or landscape architecture to include:
   (a) Developer's name, address, and phone number.
   (b) Property boundaries with dimensions and identify adjacent property owners and land uses (i.e. residential, commercial, farmland, or wooded).
   (c) Road(s) layout and public roads.
   (d) North arrow and vicinity map (may attach Assessor's tax map of vicinity).

(e) Identify existing and proposed structures, include dimensions (i.e. equipment location, fencing).

(f) Tax Map Number, Scale (engineer scale: i.e. 1 inch = 30 feet or 1" = 30'), and date.

(g) Bodies of water (i.e. lakes, ponds, and streams) with minimum 50-foot buffer shown flood hazard areas, wetlands, adjacent ditches, and easements.

(h) Proposed surface covers (i.e. grass, gravel, etc.), location and size of land disturbance, and vegetated landscaping.

6. Submit a complete set of sealed construction plans and specifications including the design of all structures, foundation details, wiring/thermal diagrams, vertical illustrations of panels with maximum height, a grading plan with drainage details, and maintenance service road plan certified by licensed engineer in South Carolina.

7. Facility Decommission Plan.

8. Mandatory Permits/Agreements:

- Utility Company Agreement

- Lease Agreement

- Stormwater NPDES Permit from South Carolina Department of ~~Health and Environmental Control~~ **Environmental Services**

- Encroachment Permit by South Carolina Department Of Transportation or Darlington County Roads and Bridges

- Fire Department Review and Approval per the International Fire Code

9. If applicable approval letters:

- MS4 approval (mandatory for wind/solar energy system within MS4 district)

- FAA letter (mandatory for wind/solar energy system within Airport district)

- Septic systems approved by South Carolina Department of ~~Health and Environmental Control~~ **Environmental Services** indicating sewer capacity/existing septic tank affidavit

- South Carolina Department of ~~Health and Environmental Control~~ **Environmental Services** letter approving well or Darlington County Water and Sewer Authority approving water tap

- Receipt of road and stop signage paid (for new roads only)

- South Carolina Public Services Commission Approval (If applicable)

10. Public hearing once all other conditions are met.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, § 21, 3-6-17; Ord. No. 23-18, § 2, 1-2-24)

Editor's note(s)—Ord. No. 16-19, § 21, adopted March 6, 2017, amended the title of § 19.6 to read as set out herein. Previously § 19.6 was titled "Solar/wind farm permitting process."

Sec. 19.7. Nonconformity.

Solar energy systems in existence prior to this article are grandfathered. Grandfathering is applicable as long as the current design and use remains unchanged. Changes, additions, and expansions shall comply with this article.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, § 22, 3-6-17)

Sec. 19.8. Fees.

Fees are the following: Integrated Energy Systems — $25.00; Solar energy system or Wind Farm — $1,000.00 plus cost. Cost refers to expenses (i.e. public notice local newspapers, mailings, and etcetera) associated with the public participation process. Stormwater permit fees reflect 17.5.4.

(Ord. No. 15-15, § 4, 6-1-15; Ord. No. 16-19, § 23, 3-6-17)

Sec. 19.9. Failure to comply with notice.

Upon the failure or refusal of the owner or operator given notice of violation (NOV) of this article to comply with said violations, the code enforcement department shall issue a uniform summons for the ordinance violation or institute legal action under the appropriate state and county statutes.

(Ord. No. 15-15, § 4, 6-1-15)

Subject: Request for County Council Resolution for National Preparedness Month & South Carolina State Guard

County Clerks to Council:

As September approaches, we look forward to National Preparedness Month, an annual observance that highlights the importance of emergency preparedness, resilience, and community readiness across our state.

In recognition of National Preparedness Month, the South Carolina State Guard (SCSG) respectfully requests your assistance in encouraging your County Council to consider adopting a resolution recognizing National Preparedness Month and the contributions of the South Carolina State Guard.

The SCSG's dedicated volunteers serve communities across South Carolina by supporting local, state, and federal partners during emergencies and disasters. Working alongside emergency management, law enforcement, public safety officials, and other agencies, our members help strengthen preparedness and response capabilities throughout the state.

We kindly ask that you place this request for a resolution on an upcoming County Council meeting agenda. A sample resolution is available for your consideration and may be adapted to meet the needs of your Council.

Please respond directly to 1LT Jessica Varney at jessica.varney@sg.sc.gov with the date and time of the Council meeting at which the resolution will be considered so that SCSG representatives can make arrangements to attend. While we recognize that meeting agendas are only required to be posted 24 hours prior to a public meeting, we would greatly appreciate as much advance notice as possible so that we can coordinate the attendance of SCSG leadership.

Should your County Council pass a resolution, we would greatly appreciate your assistance in obtaining photos during the meeting and/or your county tagging the S.C. State Guard social media in any subsequent post made by your county:

Facebook: https://www.facebook.com/scstateguard/
Instagram: https://www.instagram.com/scstateguard/
X: https://x.com/SCSG1670
LinkedIn: https://www.linkedin.com/in/south-carolina-state-guard-0027093a4

Thank you for your continued partnership and commitment to the safety, preparedness, and resilience of South Carolina communities. We look forward to recognizing and celebrating our shared commitment to public service during National Preparedness Month.

Respectfully,

Major General Leon Lott
Commander
South Carolina State Guard

STATE OF SOUTH CAROLINA }
}
COUNTY OF DARLINGTON }

RESOLUTION NO. 820

Resolution Recognizing And Honoring The Members Of The South Carolina State Guard And September 2026 As National Preparedness Month

WHEREAS, September is observed as **National Preparedness Month**, an annual observance dedicated to raising awareness about the importance of preparing for emergencies and disasters and strengthening the resilience of individuals, families, businesses, and communities; and

WHEREAS, South Carolina communities face a variety of natural and man-made hazards, including hurricanes, flooding, severe storms, ice storms, earthquakes, wildfires, and other emergencies that can threaten lives, property, and critical infrastructure; and

WHEREAS, effective preparedness requires strong partnerships among individuals, local governments, emergency management organizations, law enforcement, first responders, state agencies, nonprofit organizations, and other community partners; and

WHEREAS, the South Carolina State Guard is a professional military organization and a component of the South Carolina Military Department, established under the South Carolina Code of Laws as a state military force separate and distinct from the National Guard; and

WHEREAS, the South Carolina State Guard is composed of volunteer officers and enlisted personnel who stand ready to serve the citizens of South Carolina when called upon to support state and local authorities; and

WHEREAS, the South Carolina State Guard supports preparedness and emergency response efforts through a variety of capabilities, including disaster relief, search and rescue, medical support, logistics, engineering, legal services, chaplain and counseling services, communications, and other specialized support; and

WHEREAS, the South Carolina State Guard works in coordination with the South Carolina Military Department, South Carolina Emergency Management Division, National Guard, local emergency management agencies, law enforcement, first responders, and county and municipal governments to help communities prepare for, respond to, and recover from emergencies and disasters; and

WHEREAS, the members of the South Carolina State Guard exemplify a commitment to public service by volunteering their time, skills, and expertise to assist their fellow South

Carolinians and strengthen the State's ability to respond when disaster strikes; and

WHEREAS, National Preparedness Month provides an important opportunity for South Carolina communities to recognize the importance of preparedness, encourage residents to take steps to protect themselves and their families, and acknowledge the public servants and organizations that help build safer and more resilient communities; and

WHEREAS, the Darlington County Council recognizes the importance of preparedness and the value of strong partnerships among county government, emergency management, public safety agencies, and the South Carolina State Guard in protecting the citizens of Darlington County; and

NOW, THEREFORE, BE IT RESOLVED, that the Darlington County Council hereby recognizes **September 2026 as NATIONAL PREPAREDNESS MONTH** in Darlington County and encourages all residents, businesses, organizations, and community partners to take meaningful steps to prepare for emergencies and disasters.

BE IT FURTHER RESOLVED, that the Darlington County Council recognizes and honors the members of the **South Carolina State Guard** for their dedicated volunteer service to the people of South Carolina and commends their continued commitment to preparedness, public service, disaster response, and the safety and resilience of communities throughout the State.

BE IT FURTHER RESOLVED, that the Darlington County Council encourages continued cooperation and partnership among county governments, emergency management agencies, first responders, the South Carolina State Guard, and other state and local partners to strengthen preparedness and ensure South Carolina communities are ready to respond when emergencies occur.

ADOPTED AND APPROVED this the 10th day of September 2026.

Agenda Item Form

Agenda Item No. 2026-335-DCC
Submitted by: J. Janet Bishop
Submitting Department: Administration
Meeting Date: September 10, 2026

SUBJECT:

Appointments To Boards/Commissions/Committees

CURRENT STATUS:

The attached Boards & Commissions Vacancies & Term Expiration Report lists current vacancies and term expirations for members serving on Council-appointed Boards, Commissions, and Committees.

As stated in Sec. 2-201 (Membership) of Darlington County Code of Ordinances, all boards, commissions, and committees of the county, limited to those enumerated in section 2-204, shall be limited to eight members appointed by each county councilmember to represent each of the eight council districts, except those boards, commissions, and committees where the number of members has been specifically established in the S.C. Code of Laws or Darlington County ordinances. The chairman of each board, commission, and committee shall be elected at the first regular meeting after July 1 of each year by the then members. Each board, commission, and committee shall continue in full force and effect and shall have such authority and powers as previously granted by the general assembly and the county council.

POINTS TO CONSIDER:

Sec. 2-203 states, "Members appointed to a board, commission, or committee shall serve staggered four-year terms and all terms shall commence July 1 and end June 30 of the appropriate year, except as terms may be specifically established in the S.C. Code of Laws or Darlington County Code of Ordinances, chapter 2 (administration), article IV, (boards, commissions and committees). Members shall serve until their successors are appointed and qualified. Unexpired terms shall be filled for the duration of the term in the manner prescribed for the original appointment."

This information is being provided in compliance with Sec. 2-32(a) of Darlington County Code of Ordinances, which states, "... The clerk shall report to the council at each regularly scheduled meeting concerning all impending vacancies occurring within 90 days from such meeting of county boards and commissions which the council has the legal responsibility to fill. Elections to fill such vacancies shall be held at a public meeting of the council prior to the expiration of the terms of those boards or commission members whose successors are to be elected."

FINANCIAL IMPACT:

Board members are compensated $25 for each meeting they attend, not to exceed one meeting in any one month (Darlington County Code of Ordinances, Section 2-202 Compensation).

OPTION:

RECOMMENDATION:

Appointment/Reappointment of individuals to the various Boards/Commissions/Committees.

Serve Your Community
Apply To Serve On A Darlington County Board/Commission

Darlington County residents are encouraged to get involved and make a meaningful impact by serving on a county Board or Commission. These Boards and Commissions play a vital role in shaping local policies, guiding responsible growth, supporting public services, and advising County Council on issues that affect our communities.

Whether you bring professional expertise, community involvement, or simply a desire to serve, your participation matters. We are currently seeking dedicated residents who are willing to volunteer their time and talents to move Darlington County forward. Please complete and submit the application below to apply.

If you have questions, please contact the Clerk to Council at 843-944-8270 or jbishop@darcosc.net.

Get involved. Stay engaged. Help shape the future of Darlington County.

Office of the Fire Chief
John Shoemake
137 N. Center Rd. Hartsville, SC 29550
Phone: (843)250-9271 Email: Jshoemake@darcosc.net

Dear Members of Darlington County Council:

I respectfully recommend the following individuals for appointment with the Darlington County Board of Fire Control:

- Lonnie Eldridge, representing Swift Creek Station 2
- Barry Kennett, representing Lydia Station 9
- Kenneth Perry Kelly, reappointed to represent Dovesville Station 13

These individuals are recommended to represent their respective fire stations and communities on the Board of Fire Control. I believe they will serve the citizens of Darlington County and the Darlington County Fire District with dedication and professionalism.

Thank you for your consideration of these recommendations. Please contact me if any additional information is needed.

Respectfully,

John Shoemake, Fire Chief

BOARD OF FIRE CONTROL

Agenda Item No. 2026-337-DCC
Submitted by: J. Janet Bishop
Submitting Department: Administration
Meeting Date: September 10, 2026

SUBJECT:

Pee Dee Workforce Area, SC Works System Memorandum Of Agreement And Pee Dee Workforce Development Board PY 2026 Budget

CURRENT STATUS:

MOU Regarding Conflict of Interest for and Entity Performing Multiple Functions â€“ Earlier this year, effective July 1, 2026, based upon a competitive procurement process, Eckerd Connects was selected to continue to 1) serve as the operator of the SC Works Pee Dee System and to 2) deliver career services to customers coming to the Centers. Federal regulations allow a single entity to perform multiple functions within a service delivery area, provided that adequate firewalls are established to avoid conflict of interest and the duties and responsibilities of each role is clearly outlined. To ensure that a clear division of responsibility was provided to Eckerd, a document was created that informs them how to operate in their differing roles in a manner that eliminates conflict of interest.

The State of South Carolina requires that county council chairs sign the agreement as an indication that they are aware that a single contractor is operating in dual roles and that the Pee Dee Regional Council of Governments, as administrative entity, has established an agreement with them to clarify those roles. Eckerd Connects and Workforce Board Chair, Les Echols, have already signed the document.

Pee Dee Workforce Development Board Budget â€“ Each year, from the appropriations received for the Pee Dee Local Workforce Development Area, the workforce board votes on a budget to cover the expenses related to their doing business on behalf of the Board. The budget is itemized and principally covers the cost of meetings, consultants, conferences, mileage reimbursement, and tort liability insurance. This is a document that each county council chair signs on an annual basis.

POINTS TO CONSIDER:

FINANCIAL IMPACT:

OPTION:

RECOMMENDATION:

Council's acceptance of Pee Dee Workforces Area, SC Works System Memorandum of Agreement and Pee Dee Workforce Development Board PY 2026 Budget.

Greetings, Clerks to Pee Dee Region County Councils!

I hope that you are well.

Attached are two documents that require the signature of the council chairs of each of our six counties. Following is a brief description of each document:

1. **Pee Dee Workforce Development Board Budget** – Each year, from the appropriations received for the Pee Dee Local Workforce Development Area, the workforce board votes on a budget to cover the expenses related to their doing business on behalf of the Board. The budget is itemized and principally covers the cost of meetings, consultants, conferences, mileage reimbursement, and tort liability insurance. This is a document that each county council chair signs on an annual basis.
2. **MOU Re: Conflict of Interest for and Entity Performing Multiple Functions** – Earlier this year, effective July 1, 2026, based upon a competitive procurement process, Eckerd Connects was selected to continue to 1) serve as the operator of the SC Works Pee Dee System and to 2) deliver career services to customers coming to the Centers. Federal regulations allow a single entity to perform multiple functions within a service delivery area, provided that adequate firewalls are established to avoid conflict of interest and the duties and responsibilities of each role is clearly outlined. To ensure that a clear division of responsibility was provided to Eckerd, a document was created that informs them how to operate in their differing roles in a manner that eliminates conflict of interest. The State of South Carolina requires that county council chairs sign the agreement as an indication that they are aware that a single contractor is operating in dual roles and that the Pee Dee Regional Council of Governments, as administrative entity, has established an agreement with them to clarify those roles. The signature page for the council chairs can be found on page 6. I have already collected signatures from Eckerd Connects and our Workforce Board Chair, Les Echols.

I am requesting the signature of your county council chair on each of the aforementioned documents. I am aware that counties have differing policies regarding what the Chair can sign without Council

action. If County Council action is required prior to the Chair's signature, please place these items on your next Council agenda for consideration. We would love to have the documents back as soon as feasible, but all documents are effective July 1, 2026, regardless of when they are signed by the Chair. When the documents have been signed, please scan and e-mail them to my attention. It is not necessary to scan the full document. Just the signature page is sufficient.

Thank you in advance for your assistance with this matter. If you have any questions or need any further clarification, I'd be happy to assist you.

Sincerely,

Bridgette

THE PEE DEE WORKFORCE AREA
SC WORKS SYSTEM
MEMORANDUM OF AGREEMENT
PURSUANT TO THE
WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)
CONFLICT OF INTEREST REGARDING ENTITIES PERFORMING MULTIPLE FUNCTIONS

The parties included in this MOU are the Pee Dee Workforce Development Board (LWDB), Chief Elected Officials (CEO) and Eckerd Youth Alternatives (Eckerd) who serves as the SC Works Operator (OSO) and service delivery provider for the WIOA Title I adult, dislocated worker, and youth programs. The parties' respective signatories are identified on the signature pages of this agreement.

The purpose of this agreement is to identify responsibilities and clarify how Eckerd will carry out responsibilities as the local One Stop Operator and WIOA service provider, while demonstrating compliance with WIOA, corresponding regulations and relevant OMB circulars, specifically 2 CFR Part 200 (Uniform Guidance). This agreement will identify the firewalls and internal controls in place that prevent a conflict of interest.

Guidance:

§ 20 CFR 678.620

(a) At a minimum, the one-stop operator must coordinate the service delivery of required one-stop partners and service providers. Local WDBs may establish additional roles of one-stop operator, including, but not limited to: Coordinating service providers across the one-stop delivery system, being the primary provider of services within the center, providing some of the services within the center, or coordinating service delivery in a multi-center area, which may include affiliated sites. The competition for a one-stop operator must clearly articulate the role of the one-stop operator.

(b)

(1) Subject to paragraph (b)(2) of this section, a one-stop operator may not perform the following functions: Convene system stakeholders to assist in the development of the local plan; prepare and submit local plans (as required under sec. 107 of WIOA); be responsible for oversight of itself; manage or significantly participate in the competitive selection process for one-stop operators; select or terminate one-stop operators, career services, and youth providers; negotiate local performance accountability measures; or develop and submit budget for activities of the Local WDB in the local area. The functions will be carried out by the Pee Dee Workforce Development Board and/or, under the oversight and on behalf of the Board, by the staff of Pee Dee Regional Council of Governments.

(2) An entity serving as a one-stop operator, that also serves a different role within the one-stop delivery system, may perform some or all of these functions when it is acting in its other role, if it has established sufficient firewalls and conflict of interest policies and procedures. The policies and procedures must conform to the specifications in § 679.430 of this chapter for demonstrating internal controls and preventing conflict of interest.

The Role of the One-Stop Operator

Implementation of Operational Requirements:

Eckerd Connects/Youth Alternatives is the competitively procured entity that serves in the One-Stop Manager's role in the Pee Dee Workforce Development Area. Eckerd has aligned the role of the One-Stop Manager to comply with WIOA, corresponding guidance, including TEGL 15-16, State Instruction Number 17-07 and relevant OMB circulars, specifically 2 CFR Part 200 (Uniform Guidance). Due to the broad scope of the one-stop delivery system, this agreement outlines the primary components of the One-Stop Manager's responsibilities and demonstrates a clear firewall between One-Stop Operations and WIOA Service Delivery.

Partner Convening Related to the Memorandum of Understanding (MOU)

In collaboration with and under the general oversight of the Pee Dee Regional Council of Governments, the One-Stop Manager will facilitate regular convening of partner programs and entities responsible for workforce development, education, and other human resources programs to collaborate in the creation of a seamless customer-focused service delivery network that enhances access to the programs' services. Staff of Pee Dee Regional Council of Governments work with all partners to develop an MOU, executed by the Local WDB and the one-stop partners, with the agreement of CEO and the one-stop partners, relating to the operation of the one-stop delivery system (20 CFR 678.500, 34 CFR 463.500).

The Workforce Innovation and Opportunity Act (WIOA) identifies the following entities as required partners in the workforce system:

1. Adult, Dislocated Worker, and Youth Programs
2. Adult Education and Family Literacy Act Programs
3. Wagner-Peyser Employment Services Programs
4. Rehabilitation Programs for Individuals with Disabilities
5. Post-Secondary Education Programs (Perkins)
6. Community Services Block Grant Employment and Training Activities
7. Native American Programs
8. HUD Employment and Training Activities
9. Job Corps Programs
10. Veterans Employment and Training Programs
11. Migrant and Seasonal Farmworker Programs
12. Senior Community Service Employment Programs
13. Trade Adjustment Assistance Programs
14. Unemployment Compensation Programs
15. YouthBuild Programs
16. Temporary Assistance for Needy Families (TANF) Programs
17. Second Chance Programs

The development and implementation of this System require the One-Stop Manager to develop mutual trust and teamwork between the Parties all working together to accomplish shared goals and in keeping with the main purposes and priorities of WIOA.

Center Management

The One-Stop Manager is responsible for the day-to-day operation of facilities designated as SC Works Pee Dee Centers. One-Stop Manager will coordinate with Parties to ensure staff is scheduled appropriately within the Center, respond to questions of an operational nature, manage the facilities, and coordinate the sharing of resources. The One-Stop Manager will be the primary point of contact when the Board evaluates SC Works Centers to certify them, and to address customer flow and referrals, outreach, accessibility, the menu of available services, staff development, performance, continuous improvement, customer service/feedback, and other matters related to the operation of the SC Works Pee Dee system.

The Operator agrees that partner staff will have access to their assigned work areas during standard business hours during the work week and during extended work hours, including weekend hours, if necessary, as special projects, information technology maintenance, extraordinary circumstances or workload may require.

The Role of WIOA Title I Program Service Staff

Section 121(b) of WIOA identifies the required and additional one-stop partners. Generally, the entity that carries out the program serves as the one-stop partner. One of the critical requirements that a one-stop partner must satisfy is signing the local MOU, which describes the services to be provided, infrastructure and additional costs and contributions, the duration of the agreement, and other elements described in section 6 of TEGL 16-16 and additionally outlined in section 121 (c) of WIOA and 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500. Eckerd is the procured entity that operates the WIOA Title I program and staff operating under the WIOA Program Service Staff arm of the organization chart are considered a one-stop partner within the system. The WIOA Program Service Staff facilitate the following services:

Career Services

Career services will be provided by WIOA Program Service Staff. Career Services include but are not limited to:

- **Initial Assessment:** Begins with intake and focuses on determining a customer's job readiness level, including workforce skills and access to appropriate services.
- **Job Counseling:** Either individually or in group sessions that helps the jobseeker make the best use of the information and services available.
- **Job Referral:** Services that are tailored to the needs of specific employers and jobseekers. Both workers and employers may also choose to post job announcements and resumes on an electronic system that is open to all.
- **Employer Services:** Access to labor market information; recruitment, screening, and referral of qualified applicants; access to economic development information and resources; posting job vacancies; offering customized job training options; connecting firms to SC Works information; technical assistance on assessment, recruitment, and human resource strategies; advocating for targeted employers in key economic sectors; and assistance with major layoffs and plant closures.
- **Labor Market Information:** Current and projected occupational supply and demand information, current occupational wage information; occupational skill standards; nonproprietary information on employers; and information on education and training program outcomes, including completion rates, placement rates, and wage rates of graduates.
- **Information and Referral:** Access to information regarding services needed by jobseekers, such as income assistance, housing, food, or medical care. Referrals to off-site services within the system will be made electronically in accordance with this agreement.

- **Training Related Information:** Access to and information about vocational exploration, basic skills and literacy training, job search skills, self-employment/entrepreneurial training, training leading to the award of skills certificates, work-based learning, two-year or four-year degree programs and state-approved apprenticeship programs.
- **Eligibility Determination:** Access to information regarding employment and training services needed by job seekers and eligibility for federal and state funded programs.
- **Outreach/Orientation/Intake:** Promoting local workforce services and activities to provide individuals with the information necessary to register for programs.
- **Follow-up Services:** Including retention services and counseling regarding the workplace.

WIOA Program Service Staff provide services to customers based on individual needs, including the seamless delivery of multiple services to each customer. There is no required sequence of services.

Role of the Pee Dee Workforce Development Board

The Pee Dee Workforce Development Board (PDWDB) is responsible for the strategic vision of the SC Works Pee Dee system. The Board's Bylaws state that the PDWDB has sole authority for the oversight, monitoring, and evaluation of performance of the duties performed by the One-Stop Operator and Service Provider. The PDWDB will support creation of an environment of impartiality to ensure fairness and equitable distribution of referrals, resources and resource deployment (as it relates to space allocation, resource sharing agreements), grievance procedures, and shared/common policies and procedures. These activities will be retained by or conducted under the direct supervision of staff assigned to support the Pee Dee Workforce Development Board.

PDWDB is responsible for the selection or termination of the One Stop Operator and/or WIOA Title I Adult, Dislocated Worker, and/or Youth Service Provider.

Role of the Fiscal Agent

The Pee Dee Regional Council of Governments (PDRCOG) will provide the following oversight of one stop operations on behalf of the Pee Dee Local Workforce Development Board:

1. Competitive procurement of the One Stop Operator and WIOA Title I Service Provider.
2. Continual evaluation of the functions of the One-Stop Operator and Service Delivery staff to identify any conflicts of interest.
3. Negotiation of infrastructure funding agreements (IFA) and reconciliation of the one stop costs included in the IFA.
4. Mediation between partners regarding disputes and/or unresolved issues between partners
5. Convener of system stakeholders to assist in the development of the local plan
6. Preparation and submission of local plans as required under sec 107 of WIOA
7. Negotiation of local performance accountability measures
8. Development or submission of the budget for activities of the local Workforce Development Board

Modification and Assignment

This MOA may be modified at any time by written mutual agreement of the parties involved. Oral modifications shall have no effect. Assignment of responsibilities under this MOA by any of the parties shall be effective upon written notice to the other parties. If any provision of this agreement is found to be unenforceable for any reason, all remaining provisions shall remain in full force and effect.

Termination

Withdrawal from the agreement requires ninety (90) calendar days written notice to the local Board who is then responsible for notifying all other Parties in the agreement. In accordance with WIOA, required Parties are not permitted to withdraw from the agreement. Furthermore, upon the withdrawal of any non-required partner, the future costs associated with this agreement shall be reallocated among the remaining Parties, and this agreement shall be modified in writing, accordingly.

PEE DEE WORKFORCE DEVELOPMENT BOARD (WDB)
PY 2026 BUDGET

Section 107(d)(12)(A) of the Workforce Innovation and Opportunity Act (WIOA) states that "the local board shall develop a budget for the purpose of carrying out the duties of the local board as defined in this section, subject to the approval of the chief elected officials."

Section 107(d)(1-13) of WIOA outlines duties of the Local Workforce Development Board, which include development of the local plan; workforce research and regional labor market analysis; convening, brokering, and leveraging local workforce stakeholders; employer engagement; career pathways development; promotion of proven and promising practices; developing strategies to use technology to maximize accessibility to services; program oversight; negotiation of local performance accountability measures; selection of operator and providers; coordination with education providers; development of a budget for the activities of the local board; and assessing physical and programmatic accessibility in accordance with the provisions of the Americans with Disabilities Act.

	PY'26
Total Budget for 21-Member Workforce Board	**$32,981**
Board Development (Conferences, registrations, strategic planning, travel, accommodations, per diem, consultants)	$ 18,661
Board & Committee Meetings (Meals/mileage)	$ 2,000
Board Tort Liability Insurance	$ 12,320

This line-item **Board of Directors Expense** is included in the administration allowance for the Pee Dee Regional Council of Governments, the fiscal agent. All payments are made by the fiscal agent. The above itemized budget is approved by:

Agenda Item No. 2026-320-DCC
Submitted by: J. Janet Bishop
Submitting Department: Environmental Services
Meeting Date: September 10, 2026

SUBJECT:

Request To Purchase Two (2) Compactors From Baker Waste Equipment, LLC, Environmental Services

CURRENT STATUS:

Replacement compactors are needed because some units at the convenience centers are outdated and beyond additional repair.

POINTS TO CONSIDER:

The purchase of two (2) 35-yard compactors from Baker Waste Equipment, LLC would improve availability for County residents. Quotes were solicited from South Carolina State Contract and North Carolina Sheriff's Association Cooperative Purchasing, and the lowest quote received was from Baker Waste Equipment, LLC. Funds were allocated in Capital Budget Request to replace two (2) compactors per fiscal year.

FINANCIAL IMPACT:

Total cost from Environmental Services Fund will be $60,610.68 within budgeted funds.

OPTION:

Approve/Deny

RECOMMENDATION:

Approve the purchase of two (2) compactors from Baker Waste Equipment, LLC for $23,928.00 for Environmental Services to be used at Convenience Centers.

Order Terms and Conditions:

ORDER CONFIRMATION - Quotes are converted into orders upon receipt of a purchase order or written confirmation.
All information contained in a confirmed quote is considered accurate at the time of order.
Pricing is subject to change based on any subsequent changes to quantity, product design/specifications, logistics, or delivery schedule.

ORDER CANCELLATIONS - Canceled or revised orders are subject to a 30% restock/change order fee.

PAYMENT TERMS - Payment Terms are confirmed at the time of Order.
New and cash-in-advance accounts require a 30% nonrefundable deposit, with the remaining 70% due prior to delivery.
Credit card payments are subject to a 4% convenience fee (excluding parts orders).

TAX RATES - Sales Tax Rates are subject to change from the time of Quote to Invoice.

SHIPMENT AND F.O.B POINT - Shipments are made upon completion of manufacture unless otherwise agreed in writing.
If delivery is delayed or postponed by the purchaser, the equipment will be invoiced immediately (less freight) and payment will be due per these terms. Storage is at the purchaser's risk, and BWE is liable only for ordinary care of the property. Unless otherwise stated, all pricing is F.O.B. point of manufacture.
Completed equipment will be held at no charge for 21 days from the due date; thereafter, a $120/week storage fee will apply until pickup or shipment.

DETENTION AND LAYOVER FEE - If offloading exceeds 2 hours, a detention fee of $75/hour (up to 5 hours) will apply. Delays exceeding 5 hours will incur an additional $350 layover fee.

SHIPPING DAMAGES - Any damage must be noted with the delivering freight carrier at the time of delivery.
Failure to do so may jeopardize claims for repair, return, or replacement.
Some products may be nested or stacked; minor cosmetic scratches during offloading are not covered under warranty.
The customer is responsible for offloading and any related damages.
Any shortages or missing parts must be noted at delivery. Customer is responsible for inspecting the shipment prior to signing the Bill of Lading (BOL); failure to do so may void claims.

All products are invoiced upon completion when the sales order has reached its due date. Payment must be received by the invoice due date. Any unpaid balances may be subject to late fees at the maximum allowable rate per applicable regulations.

WARRANTY - Standard BWE warranty applies to all new products. Warranty begins upon receipt.

SUBJECT:

Request To Purchase A 2026 Mack PR64TV04 Day Cab Truck, Roads And Bridges

CURRENT STATUS:

The current International Day Cab is 16 years old and nearing the end of its life. Parts are extremely difficult to find and expensive to replace and install.

POINTS TO CONSIDER:

The replacement Day Cab truck will be paid for from the Roads and Bridges Fund. The quoted price is based on Sourcewell Cooperative Purchasing pricing. Funds were allocated in the Roads and Bridges Capital Budget request for the replacement of this unit. The purchase was approved in the FY27 budget.

FINANCIAL IMPACT:

Total cost from Roads and Bridges Fund will be $152,995.00 within budgeted funds.

OPTION:

Approve/Deny

RECOMMENDATION:

Approve the purchase of a 2025 Mack PR64TV04 Day Cab truck from Florence Truck Center, Inc., at a cost of $152,995.00 to replace a 2010 International Day Cab NVSTR truck nearing the end of its life.

SUBJECT:

Request To Purchase Eventide NexLog 740 DX Series System To Upgrade The 911 Recording System

CURRENT STATUS:

The current recording system is at end of life, and parts will not be available to replace.

POINTS TO CONSIDER:

NexLog 740 has already exceeded the commonly used five-year hardware-refresh window. It is a 24/7 mission-critical recorder, so an unexpected hardware failure could create operational and liability concerns. The original NexLog 740 is an end-of-sale product; Eventide lists July 2020 as its end-of-sale date and identifies the NexLog 740 DX-Series as the recommended replacement.

The DX-Series provides newer computing resources, updated Linux, modernized interfaces, expanded storage options, and ongoing software/security updates.
Funds have been allocated in the Emergency Services Fund Capital Budget to replace this equipment.

FINANCIAL IMPACT:

OPTION:

RECOMMENDATION:

To approve the purchase of the Eventide NexLog 740 DX series system from Carolina Recording System (CRS) in the amount $86,207.50 from Emergency Service Fund Capital Budget to upgrade the 911 recording system.

RE: Quote # Q-00817

Dear Michelle Hall,

Carolina Recording Systems (CRS) is thrilled to submit the enclosed proposal for Darlington County 911. We have had the privilege of serving Darlington County 911 for many years, and we are grateful for the strong partnership we have built together.

As part of our commitment to delivering cutting-edge solutions and ensuring continued efficiency of your operations, we are excited to present a proposal for the refresh of your current logging recording system to the Eventide NexLog 740DX. Our goal is to enhance performance, increase reliability, and security while ensuring seamless integrations with your existing systems.

The dedicated CRS team is passionate about creating an unparalleled partnership with our customers and those they serve to ensure exceptional and focused service. We believe that this refresh will improve the performance of your operations and position Darlington County 911 for future growth.

Thank you for this opportunity. We value our partnership Darlington County 911 and remain dedicated to delivering exceptional service and innovative solutions.

Respectfully,

Rodney Watson

Rodney Watson

Carolina Recording Systems

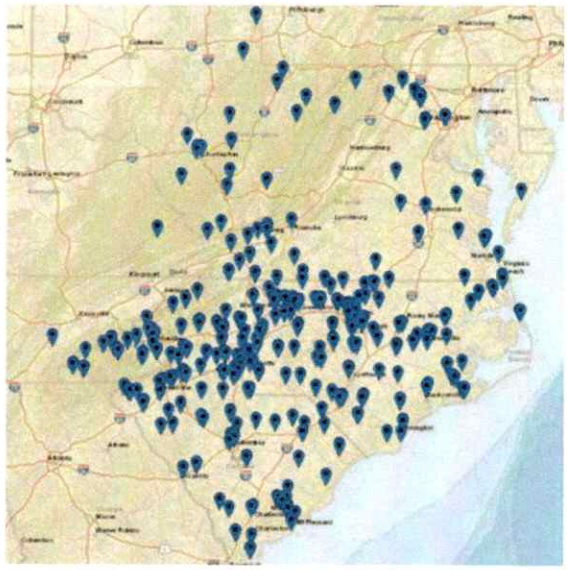

CAROLINA RECORDING SYSTEMS

EXECUTIVE SUMMARY

Carolina Recording Systems is a leading managed service provider of mission-critical communication recording systems based in Charlotte, North Carolina. Operating since 2001, we pride ourselves in supplying solutions designed specifically to exceed the needs and requirements of mission-critical communication centers. We currently support over 250 customers, including public safety communications, hospitals, colleges & universities, airports, utilities, transit, and manufacturing organizations.

The Carolina Recording Systems Difference

Carolina Recording Systems understands the importance of personal relationships, customer service and accessibility. As a trusted partner to Darlington County 911, our team's sole focus is to provide unrivaled customer service and direct support with knowledgeable Customer Account Managers, experienced and manufacturer certified Recording System Specialists, and focused Project Management.

Dedicated Customer Service & Support

Darlington County 911 will have direct access to CRS Recording Systems Specialists that are strategically located for comprehensive on-site implementation, rapid response service, and personalized training. Our Recording Systems Support Specialists are available 24x7 to monitor system alerts, provide remote and on-site support and unlimited training. We specialize in implementing and supporting solutions to enhance performance and increase efficiency. Our focus is to deliver solutions that align with your goals by prioritizing open communication and collaboration to ensure the success of every project.

CAROLINA RECORDING SYSTEMS

EXPERIENCE

Proposed Solution

To fulfill the recording requirements of Darlington County 911, we are proposing the Eventide NexLog DX mission-critical communications recording system. Eventide currently has over 6,000 recorders deployed around the world, providing mission critical recording to over 3,600 Emergency Communication Centers. Eventide's recording systems are designed, assembled, tested, and supported exclusively in the USA.

Eventide's NexLog DX mission-critical communications logging system reliably captures, stores, protects, reproduces, and helps you manage important interactions and critical data. NexLog logging systems have been designed to help you securely document and retrieve incidents, comply with regulations, and improve your facility's operations. Eventide's NexLog recorders are stable purpose- built Linux appliances with over 45 integrations with other systems and applications found in Emergency Communications Centers.

System Design and Specifications

The Eventide NexLog operates on the purpose-built Linux operating system configured with multiple levels of resilience, including dual hot-swap redundant power supplies, redundant hard disk drives, redundant network capability (via NIC bonding), and multiple choices for archive redundancy and network archiving to another NexLog recorder. Eventide's recording systems are designed, assembled, tested, and supported exclusively in the USA.

Configuration, playback, retrieval, and incident management are accessed via a secured web interface. The web-based application eliminates the need for software to install or updates to manage. The system can also be accessed over a VPN without the need to install additional software, creating a simplified PC deployment process.

A multi-tier security system controls user access based on role and channel assignments. Password policy options include complex enforcement, automatic aging, change reminders, expiration, and lock-out. System access can also be controlled by an SMB share or active directory. In addition, each user's access and actions are audited and available for review.

The proposed NexLog recorder is equipped with RAID Array Storage that combines multiple hard disks into a logical drive for redundancy and increased performance. In the event of a drive failure, the logical drive is not affected. Data integrity and recording functions are unaffected and redundancy is automatically restored once the failed component is replaced.

CAROLINA RECORDING SYSTEMS

STATEMENT OF WORK

CRS will complete the following steps for Darlington County 911:

- Conduct an initial project kickoff and site walkthrough to assess installation environment and requirements and structure cabling details and requirements.
- Document critical technical details required to complete recorder configuration such as TCP/IP addresses, system hostname, NTP server, channel definition and requirements, etc.
- Complete NexLog DX system burn-in and staging to ensure no immediate component failure.
- If purchased, complete NAS system burn-in and staging to ensure no immediate component failure.
- Configure basic recording solution system parameters as a part of the system staging process for recorder(s).
- Transport the recording solution to the Darlington County 911 data center for onsite staging.
- Mount new 66 blocks and run new analog cabling.
- Rack and power the NexLog DX(s), and NAS if purchased, within respective data center locations.
- Configure advanced recording solution system parameters required for radio and phone integration for recorder(s).
- If purchased, install screen agents onto CAD systems for agent desktop recording for recorder(s).
- If purchased, configure add-on integrations for recorder.
- Conduct end user training for Darlington County 911 personnel.

In addition to completing the above steps as a part of the recording solution implementation, CRS will provide a dedicated project manager to ensure consistent project status communication and on-time, on budget project delivery.

Customer Responsibilities

- Provide access to facilities for the installation team.
- Ensure availability of necessary network connections.
- Coordinate with relevant personnel for integration purposes.
- Coordinate with required third party vendors to provide the proper inputs, identified and terminated,
- Ensure required third party licensing, installation, and integration work is completed by appropriate vendor.

Subject: Eventide Fully Certified Factory Trained Sales & Service Center

Eventide has certified **Carolina Recording Systems** as the only Premier Dealer and fully authorized Eventide **factory trained sales and service center** for the region covering North Carolina, South Carolina, West Virginia, Virginia, & District of Columbia. As such, superior sales support and after sales service support can be guaranteed.

Carolina Recording Systems is the **only company** in this region to receive this certification from Eventide.

Cordially,

Gordon Moore General Manager Eventide

Agenda Item Form

Agenda Item No. 2026-352-DCC
Submitted by: J. Janet Bishop
Submitting Department: Environmental Services
Meeting Date: September 10, 2026

SUBJECT:

Request To Purchase Two (2) Peterbilt Roll-Off Trucks, Environmental Services

CURRENT STATUS:

The current roll-off trucks are aging and nearing the end of their useful lives. The units show heavy wear and tear and are constantly in the shop for repairs. Parts are extremely difficult to find and expensive to replace or install.

POINTS TO CONSIDER:

The replacement roll-off trucks will be paid for from the Environmental Services Fund. The quoted price is based on Sourcwell Cooperative Purchasing (Contract Number # 032824-PMC). Funds for these units were allocated in the Capital Budget Request.

FINANCIAL IMPACT:

$254,969.00 per truck. Total cost of $509,938.00 from Environmental Services Fund within budgeted funds.

OPTION:

Approve/Deny

RECOMMENDATION:

Approve the purchase of two (2) 2027 Peterbilt 567 Roll-Off trucks from the Larson Group of Florence at $ 254,969.00 each to replace aging units currently used at Environmental Services.

Mr. Tim Dargan,

On behalf of The Larson Group – Peterbilt of Florence, I appreciate the opportunity to quote Darlington County Environmental for your 2027 transportation needs. Listed below is pricing you have requested for a 2027MY Peterbilt 567 Rolloff based on specification # QUO-1279429-S5C5P1. Thank you again and we look forward to future opportunities to continue doing business with Darlington County Environmental.

2027MY Peterbilt 567 Rolloff

Peterbilt 567 Rolloff **$254,969.00**
Excludes FET

Options Included in Price

AMROH22 - Roll Off 80K 22ft / 24ft Capacity

*Price includes Pre-delivery inspection, SC Sales Tax, & DOT. FOB TLG Peterbilt Florence

Pricing good for 30days or until Peterbilt pricing programs change or slots run out.

Std/ Opt	Description	Weight
Base Model		
S	**Model 567** The Model 567 is available in both a set-forward and set-back front axle configuration to provide customers with maximum versatility for their application requirements. For weight-sensitive applications, the set-forward front axle provides optimized weight distribution and compliance with bridge laws. The Model 567 has steer axle ratings up to 22,000 lbs. The 567 also offers single, tandem or tridem drive axles and a variety of lift axles for added versatility. Available with a 115" or 121" BBC and as a day cab or with a selection of detachable sleeper configurations, the 567 is as versatile as it is reliable.	**14,800**
O	**Refuse, Scrap, Recycling**	**0**
O	**Refuse/Landfill** Truck which picks up refuse or recycled material from curbside containers in residential areas. Operation typically includes very frequent stops and starts. Unloading can be at transfer station or at landfill (may enter landfill).	**0**
O	**Roll-Off**	**0**
S	**United States Registry** Canadian Registry PackageRequires Air Conditioning Excise Tax Canada, Speedometer to be KPH ipo MPH, Daytime Running Lights and Rubber Battery Pad in Bottom of Battery Box.	**0**
Configuration		
S	**Not Applicable** Secondary Manufacturer	**0**
Frame & Equipment		
O	**10-5/8" Steel Rails 326-384"** 10.625 x 3.45 x .313 Dimension, 1,776,000 RBM; Yield Strength: 120,000 psi. Section Modulus: 14.8 cubic inches. Weight: 1.44 lbs/inch pair	**248**
O	**Full Steel Inner Liner**	**731**
O	**Heavy-Duty Iron Front Spring Brackets** With Front Air Leaf the front spring bracket is iron but not the shackle bracket	**35**
O	**Zinc Coated Anti Corrosion Treated Frame Rails** Requires Frame Rail Code. Zinc Phosphate coating will replace the standard frame rail primer and provide added corrosion prevention for your customer's operating in severe conditions or in climates where vehicle rust is common.	**4**
S	**Aluminum Frame Rail Crossmembers** Excludes suspension	**0**
O	**EOF Square without Crossmember** End-of-frame square without crossmember. For use with body builder installed crossmember.	**-64**
O	**Omit Rear Mudflaps and Hangers**	**-25**

Std/ Opt	Description	Weight
Front Axle & Equipment		
O	**PACCAR FX-20 Steer Axle 20,000 lbs. 4" Drop** Axle is designed for applications with a gross axle weight rating (GAWR) of 20,000 pounds. Front axle is designed for demanding applications such as construction, heavy haul, refuse, and other vocational uses. Robust forged steel beam construction for long-lasting performance. It utilizes innovative tapered kingpin roller bearings for more efficient operation and improved steering efficiency. The PACCAR Steer Axle comes standard with the PACCAR warranty of 5 years, 750,000 miles.	**137**
O	**Taper Leaf Springs, Shocks 20,000 lb** Standard with Heavy Resistance Shocks.	**119**
O	**Power Steering TRW THP60 Dual Gear** For use with 16,000 to 20,000 lb. axle ratings. Glidekote splines on steering shaft extend service life of components.	**74**
O	**Power Steering Reservoir Frame Mounted w/Cooler** A power steering cooler helps reduce the heat of the power steering fluid. This is commonly used with systems that may experience more stress from towing or off-road driving.	**2**
O	**PHP10 Iron PreSet PLUS Hubs - Air Disc** Preset iron hub assemblies are designed for demanding conditions and require less maintenance while stilll overing dependability and superior performance. Precisely engineered to minimize roller stress under heavy loads and increase bearing life when used in demanding conditions such as wide-based single wheels and misalignment due to spindle wear.	**42**
O	**Severe Service Disc Brake Rotor** For refuse applications, providing the braking torque necessary to slow or stop the vehicle.	**97**
O	**Greasable Front Spring Pins**	**0**
O	**Bendix Air Disc Front Brakes** Bendix air disc front brakes use a floating caliper design to provide foundation braking on all axles and complies with reduced stopping distance regulations.	**0**
S	**Tenneco Shocks For Steer Axle** Integrated front suspension to suit heavy duty truck market, combining the air spring and the damper into one module.	**0**
O	**PACCAR FX Wide Track IPO Standard** 71in KPI IPO 69in front axle for improved turning radius.	**15**
Rear Axle & Equipment		
O	**Dana Spicer D46-172 46,000 LBS** Dana Spicer D46-172 46,000 lbs tandem drive axles offer efficiency improvement, axle weight reduction and reduced lube quantity.	**521**
O	**PHP10 Iron PreSet PLUS Hubs**	**0**
O	**Refuse Service Brakes, Steer And Drive Axles** Designed for heavy-duty applications for refuse industry, providing long brake life, safety and performance.	**0**

Std/ Opt	Description	Weight
O	**Rear Brake Camshaft Reinforcement** Rear brake camshaft reinforcement helps guard against wear and corrosion.	**9**
O	**Heavy Wall, Drive Axle(s)**	**88**
O	**SBM Valve** Full trucks require a spring brake modulation (SBM) system for emergency braking application. This system requires an SBM valve and a relay valve with spring brakes on the rear axles. The SBM valve allows the foot valve to operate the rear axle spring brakes if a failure exists in the rear air system.	**0**
O	**Pneumatic Park Brake**	**0**
O	**Stability System Not Selected Or Not Available**	**0**
S	**Anti-Lock Braking System (ABS) 6S6M** ABS-6. Includes air braking system.	**0**
S	**Tire Pressure Monitoring System**	**0**
S	**Synthetic Axle Lubricant All Axles** Peterbilt heavy duty models include Fuel Efficient Cognis EMGARD FE75W-90 which provides customers performance advantages over current synthetic lubricants with reduced gear wear and extended maintenance intervals, resulting in increased uptime. In addition, the lubricant provides improved fluid flow to protect gears in extreme cold conditions and withstand the stress from high temperatures, extending component life.	**0**
S	**Bendix Air Cam Rear Drum Brakes 16.5x7** Bendix Air Cam Rear Drum Brakes to fit all heavy haul, contruction, refuse and highway truck and tractor applications. Includes Automatic Slack Adjusters & Outboard Mounted Brake Drums.	**0**
O	**Diff Lock Tandem Axles** With Speed Interlock. Automatically Disengages Wheel Diff Lock at Speeds Above 25 mph.	**60**
O	**Ratio 4.56 Rear Axle**	**0**
O	**Hendrickson HMX EX 460 46,000 LBS., 52"** Haulmaax, 70K Creep Rating. Includes Traax Rod as standard, option 1920905 is not needed or available. Progressive load spring system easily adjusts to the load for an enhanced combination of empty-ride quality and loaded stability.	**163**
O	**16.5" Saddle Height HMX EX 400/460** IPO Std 18.5"	**0**
O	**Dash Mtd Dump Switch with Indicator Light** Dash mounted dump switch with indicator light for suspension.	**2**

Std/ Opt	Description	Weight
S	**PACCAR 160 Amp Alternator, Brushed** PACCAR 160 AMP alternator, brushed producing 160 Amps at road speed and 100 Amps at idle.	**0**
S	**Immersion Type Block Heater 110-120V** Standard location is left-hand under cab, Model 520 is in bumper, and for Model 220 it is at the driver step. Plug includes a weather-proof cover that protects the receptacle. This pre-heater keeps the coolant in the engine block from freezing when the engine is not running.	**0**
S	**PACCAR Premium Starter - P Engines Only** PACCAR Premium 12 volt. Better cranking power, lower current draw and improved warranty to 36 months / 350,000 mi / 560,000 km.	**0**
S	**3 PACCAR Premium 12V Dual Purpose Batt 2190 CCA** Threaded stud type terminal. Stranded copper battery cables are double aught (00) or larger to reduce resistance.	**0**
S	**Low Voltage Disconnect System**	**0**
O	**2-Speed Fan Clutch For Frequent Start/Stops** A 2-speed fan clutch is ideal for vocational applications where the fan clutch engagement time exceeds 10% of the engine run time. When the fan clutch is disengaged, the fan still rotates at 15-25% of the engine RPM. This fan rotation provides crucial airflow to the engine and draws virtually no horsepower.	**0**
S	**WABCO 25.9 CFM Air Compressor** MX, WABCO 25.9 CFM air compressor, MX only, provides greater air output aiding in cleaner operation, higher efficiency, and durability.	**0**
S	**Compression Brake, Paccar Engines** The Mx brake features a Jacobs Brake with an integrated compression-release brake and engine overhead. the specially designed exhaust came lobe provides both exhaust cam motion and deicated Compression release timing. This results in precise timing of the valve opening, unleashing higher retarding performance with minimum loading on the engine.	**0**
S	**PACCAR Fuel/Water Separator On Engine** Extended life fuel filter, optimized for MX engines and Includes fuel heat, 12V electric heat and WIF sensor.	**0**
S	**High Efficiency Cooling System** Cooling module is a combination of steel and aluminum components, with aluminum connections to maximize performance and cooling capability. Silicone radiator & heater hoses enhance value, durability, & reliability. Constant tension band clamps reduce leaks. Chevron Delo Extended Life Coolant (NOAT) extends maintenance intervals reducing maintenance costs. Anti-freeze effective to -30 degrees F helps protect the engine. Low coolant level sensor warns of low coolant condition to prevent engine damage. Radiator Size by Model: 520 1242 sq in, 579 1325 sq in, 535/536/537/548 949.3 sq in, 537/548 VOC 1000.3 sq in, 567 1440 sq in, 589 1604 sq in.	**0**
O	**Dual Pre-Cleaners, Under Hood Mounted,** Self Cleaning	**0**
S	**(1) Air Cleaner Firewall Mounted** Molded rubber air intake connections with lined stainless steel clamps seal to prevent contaminants in air intake.	**0**

Std/ Opt	Description	Weight
S	**Exhaust Single RH Side of Cab** DPF/SCR RH Under Cab, Single Module	**0**
O	**Curved Tip Standpipe(s)**	**1**
O	**36" Ht, 5" Dia Chrome, Clear Coat Standpipe(s)**	**4**

Transmission & Equipment

O	**Allison 4500 RDS-P Transmission, Gen 6** Rugged Duty Series	**528**
O	**1810 HD Driveline, 2 Midship Bearings** 4.5in x .180 wall tubing	**215**
O	**1710 Driveline Interaxle** For tandem rear axles	**0**
O	**(1) Dash Mounted Single Acting EOH PTO Control** Electric-over-hydraulic, spec'ing PTO switch does not ensure the PTO will fit. Sends signal to Allison to engage PTO.	**0**
O	**Allison FuelSense Not Desired** Dynamic Shift Sensing	**0**
O	**Allison Neutral At Stop** Neutral at Stop features and benefits: Reduces or eliminates the load on the engine when vehicle is stopped, can help lower fuel consumption and C02 emissions, and is included in FuelSense 2.0 Plus and Max packages only.	**0**
O	**Allison 6-Speed Configuration, Wide Ratio Gears** Allison 4500 transmission only	**0**
O	**Dash Mounted Push Button Shifter** Available with Allison transmissions	**0**

Air & Trailer Equipment

O	**Bendix AD-HF EP Air Dryer, Heater** Coalescing filter, extended purge. Bendix AD-HF air filters protects the life of your engine system and components. Proven PuraGuard oil coalescing technonlgy in the the air dryer catridge. This oil coalescing filter ensures the removal of oil and oil aerosols before they can contaminate the moisture removing desiccant.	**6**
O	**Pull Cords All Air Tanks**	**1**
S	**Nylon Chassis Hose**	**0**
O	**Aluminum Painted Air Tanks** All air tanks are aluminum with painted finish except when Code 4543330 Polish Aluminum Air Tanks is also selected (then exposed air tanks outside the frame rails will be polished aluminum). Peterbilt will determine the optimal size and location of required air tanks. Narratives requesting a specific air tank size or location will not be accepted for factory installation. See ECAT to determine number or location of air tanks installed.	**-45**
S	**Self-Returning Brake Hand Valve** Dash mounted controls	**0**
O	**AE Connection EOF, 7-Way Socket, Connection EOF**	**15**

Std/ Opt	Description	Weight
	Strapped to the rail	
Tires & Wheels		
O	**FF: CN 20ply 315/80R22.5 HSR2 SA**	**52**
O	**RR: CN 20ply 315/80R22.5 HAU3 WT** Efficiency Rating: Fair Waste transportation and other high scrub, urban applications.	**344**
S	**Code-rear Tire Qty 08**	**0**
O	**FF: Accur 41730SP 22.5X9.00 Aluminum Wheel** Semipolished, 6.02 inch inset.	**-18**
O	**RR: Accur 41730SP 22.5X9.00 Aluminum Wheel** Standard polish.	**-72**
S	**Code-rear Rim Qty 08**	**0**
O	**Schrader Double Sealing Extensions** Schrader on tire valve extensions provide a seal against contaminants while extending the valve mouth for convenient access. Fits standard .305-32" valve cap threads. Maximum operating pressure, 150 psi.	**0**
Fuel Tanks		
O	**26" Aluminum 80 Gallon Fuel Tank LH U/C** Includes steps for cab access. Paddle handle filler cap with threadless filler neck. Top draw fuel plumbing reduces chance of introducing air into the fuel system during low fuel level conditions due to the central placement of fuel pickup tube. Wire braid fuel lines increase durability & reduce potential for leaks.	**20**
O	**Location LH U/C 80 Gallon**	**0**
S	**DEF Tank Mounted LH BOC** Models 220 and 520 mounted left hand back-of-cab.	**0**
O	**DEF To Fuel Ratio 2:1 Or Greater**	**0**
O	**Polished Stainless Steel Cover For DEF Tank**	**0**
S	**DEF Tank Small, HD 14 Gal 2.1M MD 5.5 Gal**	**0**
O	**RH Tank None Furnished**	**-86**
Battery Box & Bumper		
O	**Aluminum Space Saver Battery Box RH BOC** Battery access from side	**-60**
S	**Aftertreatment Aluminum Non-Slip Cab Entry** Aftertreatment right-hand under cab step. DPF/SCR for diesel engines, catalyst for natural gas engines. On Models 579 specifying chassis fairings, the box is aerodynamic.	**0**
S	**Aluminum Bumper Swept Back Polished Without FEPTO** SBFA, two tow pins and step plates on top of bumper	**0**
O	**Heavy Duty External Tow Eye** IPO Standard, N/A With FETPO	**42**
Cab & Equipment		

Std/ Opt	Description	Weight
S	**Vocational 115" BBC Alum Cab and Metton Hood SBFA** Stainless crown and grille with tilt assist.	**0**
O	**Peterbilt Keyless Entry** The Peterbilt key fob functions to lock or unlock the vehicle. With a single click, the drivers door is locked or unlocked and with a double click all doors are locked or unlocked. The third button, depicted by a picture of a lamp, will start the exterior light self-test sequence, helpful when performing the daily pre-trip inspection.	**2**
S	**No Sleeper Selected**	**0**
O	**Fender Lips 2.25" Wide**	**6**
S	**Peterbilt ST Driver** Peterbilt ST air seat, high height backrest, adjustable seat track length, 1 chamber lumbar support, suspension with fixed damping, fore-aft isolator with lockout, Vinyl bellows over suspension. Adds 40mm of increased space for steering wheel to chest and improved driver ingress/egress into cab and sleeper (knee sweep) with improved passenger side ingress/egress for personal carog/luggage. Standand vinyl finish - color coordinate with interior color.	**0**
S	**Peterbilt ST Non-Adjustable Passenger Seat** Standard vinyl, no suspension cover, no seat back recline.	**0**
O	**Drivers Armrest - RH Only**	**2**
O	**Passenger Armrest - LH only** Required with Evolution LX seats, optional with Evolution ST Seats.	**2**
O	**Black Seat Color IPO Standard Color**	**0**
O	**Seat Belt Color Orange IPO Standard Black**	**0**
O	**Toolbox Under Passenger Seat** Non-Suspension Seat	**11**
S	**Air Ride Driver**	**0**
S	**High Back Driver**	**0**
S	**Vinyl Driver**	**0**
S	**Non-Air Ride Passenger**	**0**
S	**High Back Passenger**	**0**
S	**Vinyl Passenger**	**0**
S	**Steering Wheel With Multi-Function** Includes Peterbilt logo on horn button , audio volume, seek, mute and mode button on LH pod with cruise control on/off/cancel, set/resume and accelerate/coast on the right pod.	**0**
S	**Adjustable Steering Column - Tilt/Telescope**	**0**
S	**Prestige Interior - Sterling Gray** Features single tone dash with tough, scratch resistant materials including soft touch points on top of dash. Top of dash, door panel uppers, and kick panel are charcoal to conceal dirt and mitigate wear. Includes unique technical grained A,B, C & D instrument panels with contoured doorpads, padded fabric headliner and vinyl wall panels. Superior ergonomics are achieved while maximizing productivity	**0**

Std/ Opt	Description	Weight
	featuring: multiple power ports, (2) coat hooks, header-mounted domelight, power lift driver and passenger windows, LH and RH door mounted map pockets with built-in courtesy lights, driver and passenger dome/reading lights and footwell lighting. Comfort features include automatic temperature HVAC controls, 18 inch 4-spoke soft-touch steering wheel, soft-touch steering column cover, rubber flooring, (3) inside sunvisors, integrated "dead pedal, cup holder and map bin in dash.	
O	**Exterior Cab Entry Grabhandle** Textured; NFPA compliant. Available on Day Cab specifications only.	**6**
S	**Day Cab Rear Window** Day cab rear window flush to back of cab.	**0**
S	**1-Piece Glass Rear Cab Window Fixed**	**0**
S	**1-Piece Curved Windshield**	**0**
S	**Power Door Locks and Power Window Lifts** Standard	**0**
S	**Combo Fresh Air Heater/Air Conditioner** With radiator mounted condenser, dedicated side window defrosters, Bi-Level Heater/Defroster Controls, 54,500 BTU/HR, and silicone heater hoses.	**0**
O	**Outside Sunvisor - Stainless Steel** Not available with 2.1M high roof sleeper.	**8**
O	**Peterbilt Aero Rear View Mirror, Motorized** Includes top mirror with motorized, adjustable dual axis heated glass. Bottom mirror is an integrated convex surface. Includes black textured arms with breakaway feature.	**3**
O	**Aero Rear View Mirror Housing - Body Color** (Same Color as Vehicle Body)	**0**
S	**Look Down Mirror Over Passenger Door** with Black Housing	**0**
S	**Air Horn Mounted Under Cab**	**0**
O	**ConcertClass, AM/FM, Weatherband, 3.5 Aux**	**10**
O	**Standard Speaker Package For Cab** (2) Speakers	**4**
O	**Radio Mute When In Reverse** For automatic or automated transmission	**0**
O	**Bluetooth Phone and Audio Requires USB Port**	**0**
O	**USB Port**	**0**
O	**Uniden PC78LTX CB Radio Mounted Center of Header** Without weatherband.	**10**
O	**(1) Antenna for Factory Installed or F/O CB** Mounted LH cowl, low mount only, with antenna cable. Provides clear top of cab.	**1**
O	**Radio Antenna Mounted Logger Style** Models 579 and 567 Antenna Mounted LH Roof In Place Of Center Roof position.	**2**
S	**Global Telematics Hardware**	**0**
O	**Rear Wall Deep Record/Map Pocket**	**2**

SUBJECT: Sourcewell Customer Pricing CY2026-2028 **DB # 26-07**

Peterbilt is excited to announce the Sourcewell Customer Pricing program for 2026-2028. Sourcewell holds national contracts that offer an easy, time-saving procurement process for all levels of government and education. The discount by model represents the "% Off List" price the customer will pay when ordering units on the Sourcewell program.

Sourcewell Customer Pricing CY-2026-2028

Darlington County Council
Agenda Item Form

Agenda Item No. 2026-350-DCC
Submitted by: J. Janet Bishop
Submitting Department: Emergency Medical Services
Meeting Date: September 10, 2026

SUBJECT:

Request To Purchase Ambulance Medical Equipment, EMS

CURRENT STATUS:

The purchase of this durable equipment would outfit a new ambulance for service.

POINTS TO CONSIDER:

FINANCIAL IMPACT:

Ongoing maintenance cost to keep the equipment clinically operational for service.

OPTION:

RECOMMENDATION:

Approve purchase of the quoted equipment for $202,277.41 as a sole source purchase from Stryker for a new ambulance.

ATTACHMENTS (Relevant Documentation):

PENDING APPROVAL

August 2026

Dear Valued Customer,

Stryker is the sole-source provider in the Hospital (hospitals and hospital-owned facilities), Emergency Response Services and Emergency Response Training (paramedics, professional and volunteer fire) markets in the U.S. for the following products:

- New and certified-preowned LIFEPAK® 35 monitor/defibrillators
- New and certified-preowned LIFEPAK 15 monitor/defibrillators
- New and certified-preowned LIFEPAK 20e defibrillator/monitors
- New LIFEPAK CR2 automated external defibrillators
- New LIFEPAK CR2 cellular automated external defibrillators
- New LIFEPAK 1000 automated external defibrillators
- New HeartSine Samaritan PAD automated external defibrillators
- New and certified-preowned LUCAS® chest compression systems
- CODE-STAT™ data review software and service

Stryker is the sole source provider for the following products and services:

- RELI™ (Refurbished Equipment from the Lifesaving Innovators) devices
- LIFENET® system and related software
- New and certified-preowned ACLS (non-clinical) LIFEPAK monitor/defibrillators
- LIFELINKcentral™ Government Campus Solution
- MultiTech 4G and Titan III gateways
- LIFEPAK 35 Docking Station
- LIFEPAK FLEX®
- LIFEPAK Printer
- Crash Cart Stand
- Storage Bag Kit (left, right, and rear)
- Factory-authorized inspection and repair services which include repair parts, upgrades, inspections and repairs.

Stryker does not authorize any third-party companies to sell these products or services in the markets listed above. We will not fulfill orders placed by non-authorized businesses seeking to resell our products or services. If you have any questions, please contact your local Stryker Account Manager, or call 1-800-STRYKER.

Sincerely,

Matt Van Der Wende
Vice President, Americas Sales

A healthcare professional must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a patient and must refer to the instructions for use before using any Stryker product. Stryker Corporation or its divisions or other corporate affiliated entities own, use or have applied for the following trademarks or service marks: LIFELINKcentral, LIFEPAK, LIFEPAK FLEX, LUCAS, CODE-STAT, RELI, LIFENET, Stryker. August 2026

To whom it may concern,

Stryker's Medical division certifies that it is the original equipment manufacturer (OEM) or sole source distributor of parts for Emergency Care products. All parts are either manufactured by Stryker or outside suppliers and are new, tested and approved for use on Stryker's products.

Our field service team, ProCare® Services, uses OEM parts for repairs and has exclusive use of certain proprietary tools for diagnostics and repairs. Stryker's Emergency Care products that use such proprietary tools include, but are not limited to:

- Power-PRO 2 powered ambulance cot (Model 6507), high configuration
- MTS Power-LOAD powered cot fastener
- Performance-LOAD (Model 6392)
- Lithium battery
- Battery charger assembly
- Power cord assembly

Stryker's quality team reviews and documents service repairs. We track and trend service to help ensure the highest level of product performance. Preventive maintenance (PM) and service history documentation is available

Please contact your sales representative for further information. Sincerely,

John Guyeskey
Senior Marketing Manager

- Please see the award documents for selection item exclusions and additional discounts

Pricing

- Discount: 28% off Bound Tree Medical price list
- Pricing available to all eligible BuyBoard members
- Orders may be placed directly through Bound Tree Medical using the BuyBoard contract

How to Use This Contract
BuyBoard members may utilize Contract No. 804-26 to purchase eligible products from Bound Tree Medical without conducting a separate competitive solicitation, in accordance with local procurement requirements.

For product questions, quotes, or ordering assistance, customers may contact their Bound Tree Medical Account Manager or Customer Care at 800-533-0523.

How to Join BuyBoard

- BuyBoard is a national cooperative.
- To join, governmental entities should complete the required fields on the BuyBoard site to execute the National Purchasing Cooperative Interlocal Participation Agreement: https://www.buyboard.com/join.aspx
- If a hard copy is preferred, the signed agreement can be emailed to buyboard@nsba.org.
- If the entity's governing body needs to approve participation, follow internal procedures before submitting the agreement.

Purchase Order Process:

- All purchase orders must be processed through BuyBoard.
- Orders should not be accepted directly from members unless authorized by BuyBoard's administrator.
- With approval, purchase orders can be emailed to info@buyboard.com.
