Resolution 23-14, Calling for Hearing on Proposed Assessment for the 7th Street Northeast Reconstruction Project

DESCRIPTION:

The assessment roll has been prepared by the City Engineer Andrew Aakre, so the next step in the 429 process is to formally accept the roll and call for the final assessment hearing.

Andrew and I will review with council the assessment roll and area-wide procedure utilized when calculating the roll. One thing to note, the per lot assessment presented in the PER (preliminary engineering report) vs. post-bid analysis - just under a year ago - ended up being about \$300 when we accounted for the LRIP funds being split (approximate \$2,700 assessment vs. \$3,000 assessment). The newest numbers reflect virtually the same \$2,700 number from the PER (slightly less, actually). The main savings came from the bonding costs being estimated much higher than what it ended up being.

The assessment hearing for the 7th Street Northeast Reconstruction Project will be held at the Dilworth Community Center on April 10, 2023. Contestations aside, the assessment roll will be sent to Clay County in mid-November for certification to begin collection in 2024.

RESOLUTION CALLING FOR HEARING ON PROPOSED ASSESSMENT FOR THE 7TH STREET NORTHEAST RECONSTRUCTION PROJECT

WHEREAS, by a resolution passed by the City Council on February 27, 2023 (Resolution 23-12), the City Administrator, with the assistance of the City Engineer, was directed to prepare a proposed assessment of the cost of Improvement No. 2021-1 ("7th Street Northeast Reconstruction Project"), the reconstruction of 7th Street Northeast from HWY 10 to 15th Avenue North; and

WHEREAS, the City Administrator has notified the City Council that such proposed assessment has been completed and filed at City Hall for public inspection.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF DILWORTH, MINNESOTA:

1. A hearing shall be held at the regularly scheduled City Council meeting at 6:00 p.m. on April 10, 2023 at the Dilworth Community Center located at 709 1st Avenue Northwest to pass upon such proposed assessment. All persons owning property affected by such improvement will be given an opportunity to be heard with reference to such assessment.
2. The City Administrator is hereby directed to cause a notice of the hearing on the proposed assessment to be published once in the official newspaper at least two weeks prior to the hearing, and will state in the notice the total cost of the improvement. The City Administrator shall also cause mailed notice to be given to the owner of each parcel described in the assessment roll not less than two weeks prior to the hearing.
3. The owner of any property so assessed may, at any time prior to certification of the assessment to the County Auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to Dilworth City Hall, except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption of the assessment. An owner may at any time thereafter, pay to the County Auditor entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year.
