The Original Area and Annexation Area Nos. 1 and 3 did not receive favorable majority votes pursuant to Proposition 218 ballot assessment proceedings conducted in July of 2001. Therefore, the original assessment calculation method, commencing with Fiscal Year 1999-00, remains unchanged in these Areas. The originally approved calculation method allowed the maximum annual assessment per UOB to be adjusted annually by the cumulative percentage increase, if any, in the Consumer Price Index for All Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County Standard Metropolitan Statistical area (the "Index"), published by the Bureau of Labor Statistics of the United States Department of Labor (the BLS), provided that the increase did not exceed 4% in any fiscal year. The calculation used the cumulative increase in the Index as it stood in December of each year over the base Index of December 1998, which was 163.5.

In December 2017, the BLS revised the Consumer Price Indexes for Southern California, splitting the Los Angeles-Riverside-Orange County Index into two separate Indexes, the Los Angeles-Long Beach-Anaheim Index and the Riverside-San Bernardino-Ontario Index, with the Los Angeles-Long Beach-Anaheim Index maintaining the history of the original Index. The escalation methodology of the District has been updated to use the new Riverside-San Bernardino-Ontario Index, since it will more accurately reflect construction price increases in the Inland Empire.

Beginning with Fiscal Year 2019-20, the annual maximum assessment per UOB is based upon a combination of the cumulative increases, if any, in the original Los Angeles-Riverside-Orange County and the new Riverside-San Bernardino-Ontario Index. The original Index ended in December 2017 at 259.220, with a cumulative increase of 58.54% over the base year. Since the new Index only publishes every other month, the escalation month has been moved to January of each year. The increase in the new Index from January 2018 to January 2021 was 8.56%, making the cumulative increase for Fiscal Year 2021-22 67.10%.

Annexation Area Nos. 2, 4, and 6 received favorable majority votes pursuant to Proposition 218 ballot assessment proceeding conducted in July of 2001. The assessments will be levied on an annual basis for as long as the services are rendered and the amount of the assessment to be levied on each such parcel in each subsequent Fiscal Year shall be increased by the percentage increase, if any, in the cost of electric power which the Services District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such fiscal year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such fiscal year. For Fiscal Year 2021-22, the annual increase in the Maximum Assessment Rate for each Zone was calculated based upon the average increase in LS-2 rates 22w LED lamps and 84w LED lamps over the prior Fiscal Year. The Maximum Assessment Rate for each Zone has escalated 34.73% for FY 2021-22.

In March 2019, the majority of the streetlights within the Services District were purchased from Southern California Edison (SCE), with the exception of a few streetlights that were not available for purchase. Prior to the

purchase, SCE charged the City for both energy and operations and maintenance using the LS-1 Rate Schedule, which is updated periodically throughout the year, for all of the streetlights in the Services District. Since the purchase, SCE continues to charge the City using the LS-1 E Rate Schedule for all streetlights owned and maintained by SCE; however, for the streetlights purchased by the City, delivery-related and regulatory charges are now assessed based on the LS-2 Rate Schedule, and generation charges are based on the Western Community Energy Rate Schedule. The City has assumed responsibility for operations and maintenance, as can be seen in the Section 2 Cost Estimates (Tables 2-1 to 2-6).

All streetlights have been retrofitted, replacing the existing high-pressure sodium vapor (HPSV) lamps with energy efficient light-emitting diode (LED) lamps. As a result, the energy rates used to estimate costs for the City-owned streetlights are the LED rates from the LS-2 Rate Schedule, with a Public Utilities Commission effective date of February 1, 2021, and the WCE Rate Schedule with an effective date of April 1, 2021. The streetlights that were not available for purchase are still owned and operated by SCE and the costs have been based on the LS-1 E Rate Schedule with a Public Utilities Commission effective date of February 1, 2021.

As new parcels are annexed into the Assessment District, they will be subject to the same method of assessment apportionment as contained herein.

Duration

The duration of the assessments will be for as long as the streetlight maintenance services are provided.

APPENDIX A

Resolution No. 3114 Ordering Preparation of this Engineer's Report

RESOLUTION NO. 3114

RESOLUTION OF THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT ORDERING THE PREPARATION OF ENGINEER'S REPORTS FOR THE LEVY AND COLLECTION OF ASSESSMENTS IN LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS FOR FISCAL YEAR 2021-22

WHEREAS, as authorized by the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the "Act"), the Board of Directors of Jurupa Community Services District (the "Board of Directors" and the "District") has established the following landscape and lighting maintenance districts within the District (the "Landscape and Lighting Maintenance Districts"): Landscape Maintenance District No. 91-1, Landscape Maintenance District No. 98-1, Lighting Maintenance District No. 98-2, Lighting Maintenance District No. 2001-1, Lighting Maintenance District No. 2001-2, Lighting Maintenance District No. 2001-3, and Landscape Maintenance District No. 2003-1 (Commercial); and

WHEREAS, the Board of Directors has determined that the public interest, convenience, and necessity require the continued levy of assessments within the Landscape and Lighting Maintenance Districts for the purpose of installing, constructing, operating, acquiring and maintaining public landscaping and public street lighting and appurtenant facilities as authorized by the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

Section 1. The Board of Directors hereby initiates proceedings pursuant to the Act to levy and collect annual assessments for fiscal year 2021-22 on property within the Landscape and Lighting Maintenance Districts for the maintenance, servicing, acquisition and operation of public landscaping and public street lighting facilities and appurtenant facilities.

Section 2. The maintenance, acquisition and service or servicing to be performed consists of the furnishing of services and materials for the ordinary and usual operation, maintenance, acquisition and servicing of public lighting facilities and the maintenance and servicing of public landscape, including but not limited to all matters specified in Section 22531 and Section 22538 of the Streets and Highways Code.

Section 3. The proceedings for the annual levy of assessments are to be conducted pursuant to the Act.

Section 4. Albert A. Webb Associates, the District's assessment engineer, is hereby directed to prepare the written report provided for in Section 22567 of the Streets and Highways Code with respect to the levy of assessments for fiscal year 2021-22 in each of the Landscape and Lighting Maintenance Districts and to file such reports with the Secretary to the Board of Directors.

ADOPTED this 26th day of April 2021.

Betty A. Folsom

President of the Board of Directors

ATTEST:

Rosemary Hernandez for

Secretary to the Board of Directors

CERTIFICATION

Appendix

Appendix A. Resolution No. 3114 Ordering Preparation of this Engineer's Report ____ A-1

AGENCY: JURUPA COMMUNITY SERVICES DISTRICT,
RIVERSIDE COUNTY, CALIFORNIA

PROJECT: LIGHTING MAINTENANCE DISTRICT NO. 2001-1

TO: BOARD OF DIRECTORS

ENGINEER'S REPORT

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, said act being Part 2 of Division 15 of the Streets and Highways Code of the State of California, and pursuant to the provisions of Proposition 218 which were approved on November 5, 1996 and added Articles XIIIC and XIIID to the California Constitution, and in accordance with Resolution No. 3114 (Appendix A), adopted on April 26, 2021 by the Board of Directors of the Jurupa Community Services District (hereinafter referred to as the "Services District"), Riverside County, California, ordering preparation of the Engineer's Report for Lighting Maintenance District No. 2001-1, (hereinafter referred to as the "Assessment District") of the Services District, I, Sam I. Gershon, a Professional Civil Engineer (employed by Albert A. Webb Associates and retained through an agreement between my employer and Webb Municipal Finance, LLC), acting on behalf of the Jurupa Community Services District, submit herewith the Engineer's Report for the Assessment District consisting of four (4) Sections and Appendix A as follows. Please note that Albert A. Webb Associates provides engineering advice and related consulting engineering services. Albert A. Webb Associates is not a registered municipal advisor and does not participate in municipal advisory activities, and nothing in this Engineer's Report for the Assessment District is, or should be interpreted to be, municipal advisory services or advice.

SECTION 1 – DESCRIPTION OF IMPROVEMENTS

The Plans and Specifications for Improvements maintained by the Assessment District consist of a general description of the nature, location, and the extent of the improvements proposed to be maintained and are attached hereto.

SECTION 2 – ENGINEER'S ESTIMATE OF COSTS AND EXPENSES

An estimate of the maintenance costs of the improvements (Tables 2-1 through 2-30), including incidental costs and expenses in connection therewith for Fiscal Year 2021-22, is as set forth on the lists thereof, attached hereto.

SECTION 3 – ASSESSMENT DIAGRAMS

Shown on Figure 3-1 are the Assessment District's exterior boundaries of Lighting Maintenance District No. 2001-1. Shown on Figures 3-2 through 3-31 are the boundaries of Zone A (Tract No. 25085-2); Zone B (Tract No. 29490); Zone C (Tract No. 25674); Zone D (Tract No. 28808-1); Zone E (Plot Plan No. 16756); Zone F (Tract No. 28808-2); Zone G (Plot Plan No. 16785); Zone H (Tract No. 30671); Zone I (Parcel Map No. 29767); Zone J (Tract No. 29725); Zone K (Tract No. 28808-F); Zone L (Tract No. 24686); Zone M (Tract No. 22565); Zone N (CUP No.

3264); Zone O (Plot Plan No. 16686); Zone P (Plot Plan No. 16937); Zone Q (Tract No. 30288); Zone R (Tract No. 31301); Zone S (Plot Plan No. 18440); Zone T (Tract No. 28698); Zone U (Parcel Map No. 31081); Zone V (Tract No. 32124); Zone W (Parcel Map No. 36487); Zone X (Tract No. 31875); Zone Y (Tract No. 31635); Zone Z (Hastings Blvd. and Kenneth St.); Zone BB (Tract No. 33675); Zone CC (Tract No. 28851); Zone EE (Plot Plan 14420R1); and Zone FF (Plot Plan 16216S1); the areas within Lighting Maintenance District No. 2001-1. Each subdivision of land or parcel or lot, respectively, is shown as it existed at the time of the adoption of the Resolution of Intention and has been given a separate number upon the Assessment Roll contained herein. For details regarding the boundaries and dimensions of the respective parcels and subdivisions of land within the Assessment District, refer to the Riverside County Assessor's maps.

SECTION 4 – ASSESSMENT

A proposed assessment of the total costs and expenses of the improvements for Fiscal Year 2021-22 upon each parcel of land within the Assessment District, in proportion to the estimated benefits to be received by such parcels from said improvements, is described herein and is set forth in detail upon the assessment roll (Tables 4-1 through 4-29) on file in the Office of the Services District Secretary and made a part hereof. In addition, the amount of the assessment to be levied on each such parcel in each subsequent Fiscal Year shall be increased by the percentage increase, if any, in the cost of electric power which the Assessment District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such Fiscal Year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such Fiscal Year.

APPENDIX A – RESOLUTION NO. 3114

Resolution No. 3114 of the Board of Directors of the Services District ordering the preparation of this Engineer's Report is included in this report as Appendix A.

Dated: May 11, 2021

Respectfully,
ALBERT A. WEBB ASSOCIATES

REGISTERED PROFESSIONAL ENGINEER
SAM I. GERSHON
NO. C14489
CIVIL
STATE OF CALIFORNIA

SAM I. GERSHON, RCE NO. 14489
ASSESSMENT ENGINEER
LIGHTING MAINTENANCE
DISTRICT NO. 2001-1
JURUPA COMMUNITY SERVICES DISTRICT
COUNTY OF RIVERSIDE
STATE OF CALIFORNIA

1. Description of Improvements

Generally, the work to be performed consists of the maintenance, repair, acquisition, and replacement of street light poles and fixtures and of the energy charges, operation, maintenance, and administrative costs of the local and major streets streetlighting within the Assessment District (Figures 3-1 through 3-31).

Zone 1 Local Lighting streetlights are located within the boundaries of Zone A, Tract No. 25085-2 (Figure 3-2); Zone B, Tract No. 29490 (Figure 3-3); Zone C, Tract No. 25674 (Figure 3-4); Zone D, Tract No. 28808-1 (Figure 3-5); Zone E, Plot Plan No. 16756 (Figure 3-6); Zone F, Tract No. 28808-2 (Figure 3-7); Zone H, Tract No. 30671 (Figure 3-9); Zone J, Tract No. 29725 (Figure 3-11); Zone K, Tract No. 28808-F (Figure 3-12); Zone L, Tract No. 24686 (Figure 3-13); Zone M, Tract No. 22565 (Figure 3-14); Zone P, Plot Plan No. 16937 (Figure 3-17); Zone R, Tract No. 31301 (Figure 3-19); Zone T, Tract No. 28698 (Figure 3-21); Zone U, Parcel Map No. 31081 (Figure 3-22); Zone V, Tract No. 32124 (Figure 3-23); Zone W, Parcel Map No. 36487 (Figure 3-24); Zone X, Tract No. 31875 (Figure 3-25); Zone Y, Tract No. 31635 (Figure 3-26); Zone Z, Hastings Blvd. and Kenneth St. (Figure 3-27); Zone BB, Tract No 33675 (Figure 3-28); Zone CC, Tract No. 28851 (Figure 3-29); and Zone FF, Plot Plan No. 16216S1 (Figure 3-31), and consists of both 22 watt light-emitting diodes (LEDs), and 39 watt LEDs.

Zone 2 Major Streets streetlights are located along Camino Real, Jurupa Road, Pedley Road, Galena Street, Riverside Drive, Philadelphia Avenue, Granite Hill Drive, Harrel Street, Cantu Galleano Ranch Road, Wineville Avenue, Tyrolite Street, Alta Mar Drive, Milliken Avenue, Armstrong Road, Bellegrave Avenue, Hamner Avenue, Goodman Way, and Mission Boulevard (Figures 3-2 through 3-5, Figures 3-8 through 3-10, Figure 3-12, Figures 3-14 through 3-20, Figure 3-22, Figure 3-24, Figure 3-28, and Figure 3-30), and along Camino Real (Figure 3-18); all are 84 watt LEDs.

The existing streetlight improvements as shown in the Services District Streetlight Maps were purchased in March 2019 from Southern California Edison (SCE), with the exception of a few streetlights that were not available for purchase. The Streetlight Maps are on file in the office of the Director of Finance and Administration of the Services District and are made part of this report to the same extent as if attached hereto.

The streetlights that were purchased were retrofitted with energy-efficient LEDs. The streetlights that could not be purchased are still owned and maintained by SCE; these lamps have also been retrofitted with LEDs.

Annual costs per year provide for:

- Energy costs for street lighting.
- Operation and maintenance of the facilities.
- Maintenance, repair, acquisition, replacement, and retrofit of street light poles and fixtures.
- Incidental costs, including noticing, legal and report preparation expenses, finance department and administration expenses for the processing of revenues and Edison payments, and administration expenses for the maintenance of streetlight maps and monitoring of facilities.

The class, type, and number of streetlights currently designed and installed are listed by benefit zone as follows:

1. Description of Improvements

Table 1-1
Streetlight Counts by Benefit Zone and Type

	ZONE 1: LOCAL LIGHTING		ZONE 2: MAJOR STREETS
Benefit Zone	22 Watt Light-Emitting Diode	39 Watt Light-Emitting Diode	84 Watt Light-Emitting Diode

Zone EE	0	0	3
Zone FF	0	0	5

2. Engineer's Estimate of Costs and Expenses

Cost estimates have been prepared for each Zone in the Assessment District.

In 2019, a portion of the streetlights located within the boundaries of the District were purchased from SCE and retrofitted the lamps with energy-efficient LEDs. In 2020, the City of Eastvale and the Services District entered into a contract with Western Community Energy (WCE) in order to have Direct Access to purchasing energy. As a result of these changes, the cost estimate tables have been updated. Energy costs for District-owned streetlights are now calculated using the SCE LS-2 Rate Schedule for LEDs for delivery charges and regulatory fees and the WCE Rate Schedule for generation charges; an Operations and Maintenance line item on cost estimate tables shows the cost of servicing the District-owned streetlights. Additionally, until the purchase of the streetlights has been fully paid (which is anticipated to occur in 2034), the streetlight acquisition costs have been added to each Zone.

For the few streetlights that were not available for purchase, they are owned and maintained by SCE and have also been retrofitted with LEDs. As a result, these few lights are still subject to the LS-1 E Rate Schedule and are not included in the Operations and Maintenance line item nor the streetlight acquisition calculations.

The updates to the cost estimate tables will not cause the assessment rate for any Zone to exceed the Maximum Assessment Rate for that Zone.

The payment for FY 2021-22 for the acquisition of the streetlights purchased by the Services District is $144,684.96, which is $83.78 per streetlight, and the payment for the streetlights purchased by the City of Eastvale is $468,699.44, which is $113.24 per streetlight.

The estimates of the annual energy, maintenance, and acquisition costs are shown in Tables 2-1 through 2-28

TABLE 2-1
COST ESTIMATE
Lighting Maintenance District No. 2001-1
ORIGINAL AREA, ZONE A, TRACT NO. 25085-2

	Streetlights		FY 20-21		FY 21-22		
Luminaire Size and Type	FY 20-21	FY 21-22	Cost per Streetlight	Total Costs	Budgeted Cost per Streetlight	Budgeted Total Costs	
9,500 L HPSV (LS-1)							
22,000 L HPSV (LS-1)							
39 w LED (LS-1)							
22 w LED (WCE/LS-2)	7	7	$37.95	$265.65	$45.36	$317.52	
84 w LED (WCE/LS-2)	3	3	$60.65	$181.95	$87.48	$262.44	
ENERGY CHARGES				**$447.60**		**$579.96**	(1)
Percentage Change from FY 20-21 to FY 21-22						**29.57%**	

	FY 20-21		FY 21-22		
Operations & Maintenance		$89.10		$114.60	(2)
ENERGY AND MAINTENANCE COSTS		**$536.70**		**$694.56**	
Streetlight Acquisition Costs		$837.80		$855.10	
Staff, Legal, Engineer's Cost, and Contingency		$287.96		$282.05	
TOTAL ESTIMATED COSTS		**$1,662.46**		**$1,831.71**	
Lots		23		23	
Units of Benefit (UOB)		23		23	
Maximum Allowable Assessment Per UOB		**$96.71**	**34.73%**	**$130.29**	(3)
Cost per UOB		**$72.28**		**$79.64**	
Reserve Collection / (Contribution) Per UOB	50.00%	$11.67	30.00%	$9.06	
RIVERSIDE COUNTY ENROLLMENT CHARGES					(4)
Per Zone Converted to Per Lot	$91.17 per Zone	$3.96	$91.17 per Zone	$3.96	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$88.26**		**$93.01**	(5)
Total Assessment for Zone		**$2,029.98**		**$2,139.23**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Maximum Allowable Assessment Per UOB		**$48.94**	**34.73%**	**$65.93**	(3)
Cost per UOB		**$39.23**		**$40.48**	
Reserve Collection / (Contribution) Per UOB	10.00%	$0.67	10.00%	$0.81	
RIVERSIDE COUNTY ENROLLMENT CHARGES					(4)
Per Zone Converted to Per Lot	$91.17 per Zone	$6.51	$91.17 per Zone	$6.51	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$46.76**		**$48.15**	(5)
Total Assessment for Zone		**$654.64**		**$674.10**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Actual Assessment per UOB		**$335.57**		**$385.17**	(5)
Total Assessment for Zone		**$1,342.28**		**$1,540.68**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

4. Assessment

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218, entitled "Right to Vote on Taxes Act," which added Article XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts.

Proposition 218 does not define the term "streets," however, based on the opinions of the public agency officials, attorneys, assessment engineers, and Senate Bill 919, it has been determined that streets include all public improvements located within the street rights-of-way. This would include median and parkway landscaping, traffic signals, safety lighting, and street lighting.

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property." Cal. Const., art. XIIID, §2(b). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees, and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

By its nature, most public improvements financed through an assessment district contain an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that portion of the cost of the improvement, which benefits the public generally to be separated from that portion of the cost of the improvement, which specially benefits assessed properties. Proposition 218 provides the following definition of "special benefit":

"Special Benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Method of Assessment Apportionment

The "Landscaping and Lighting Act of 1972" and provisions of Article XIIID of the California Constitution require that the assessment be apportioned by a formula or method which fairly distributes the net amount among all assessable lots and parcels in proportion to the estimated special benefits to be received by each lot or parcel from the improvements. The act does not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings. The Services District has retained the firm of Webb Municipal Finance, LLC for the purpose of assisting the Services District in analyzing the facts in this Assessment District and recommending to the Services District the correct apportionment of the assessment obligation.

In performing the analysis, it was necessary to identify the benefits that the improvements being financed render to the properties within the boundaries of the Assessment District and to determine the extent to which such properties receive a direct and special benefit as distinguished from benefits received by the general public. Due to the variation in the nature, location, and extent of the improvements being maintained, the

4. Assessment

Assessment District consists of two (2) Assessment Zones which will be inclusive of all lots within the Assessment District and combined into one total charge per lot.

Special Benefits

Zone 1 consists of all parcels that have street lighting on the street fronting their lots or parcels. This local lighting is of benefit as it provides increased property protection, personal safety, visibility, traffic safety, and directly enhances the appearance of those lots or parcels fronting upon illuminated streets.

Zone 2 consists of the major streets encompassing the Zone 1 parcels. These lights are much brighter than the local streetlights described in Zone 1 and provide both traffic and pedestrian safety on those major streets and intersections that carry the traffic generated by the Zone 1 parcels. These higher intensity streetlights will additionally benefit the Zone 1 parcels as this lighting will discourage illegal activity at night and will directly enhance the property values.

General Benefits

The streetlights described within the two Assessment Zones are required as a condition of the development of the area encompassed by the Assessment District. The lighting is for the direct benefit and enjoyment of those parcels within the Assessment District; therefore, the improvements do not result in any general benefits.

Public Lands

This Assessment District contains a parcel that is owned by the County of Riverside, which is being assessed. The Assessment District also contains a parcel that is owned by the Services District, which is intended to be a well site, and is therefore not being assessed.

Allocation of Special Benefit Assessment

For details regarding the allocation of special benefit, see Cost Estimate Tables 2-1 through 2-28 in Section 2 of the Engineer's Report.

Original Area, Zone A (Tract No. 25085-2): The maximum assessment rate for Fiscal Year 2021-22 is $130.29 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $96.71. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,831.71. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $93.01 per UOB. This amount was established by dividing the total assessment of $2,139.23 (the actual assessment plus enrollment fees) by the number of UOBs (23) within the Zone (TABLE 2-1). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-1) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 1, Zone B (Tract No. 29490): The maximum assessment rate for Fiscal Year 2021-22 is $57.12 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $42.40. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,685.69. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $35.06 per UOB. This amount was established by dividing the total assessment of $2,909.98 (the actual assessment plus enrollment fees) by the number of UOBs (83) within the Zone (TABLE 2-2). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-2) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 2, Zone C (Tract No. 25674): The maximum assessment rate for Fiscal Year 2021-22 is $129.27 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $95.95. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,873.83. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $78.76 per UOB. This amount was established by dividing the total assessment of $2,047.76 (the actual assessment plus enrollment fees) by the number of UOBs (26) within the Zone (TABLE 2-3). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-3) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 3, Zone D (Tract No. 28808-1) The maximum assessment rate for Fiscal Year 2021-22 is $134.01 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $99.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,243.94. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $79.64 per UOB. This amount was established by dividing the total assessment of $6,610.12 (the actual assessment plus enrollment fees) by the number of UOBs (83) within the Zone (TABLE 2-4). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-4) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 4, Zone E (Plot Plan No. 16756): The maximum assessment rate for Fiscal Year 2021-22 is $136.83 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $101.56. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $835.40. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $119.89 per UOB. This amount was established by dividing the total assessment of $959.12 (the actual assessment plus enrollment fees) by the number of UOBs (8) within the Zone (TABLE 2-5). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-5) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 5, Zone F (Tract No. 28808-2): The maximum assessment rate for Fiscal Year 2021-22 is $135.06 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $100.25. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $5,943.31. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $81.85 per UOB. This amount was established by dividing the total assessment of $6,302.45 (the actual assessment plus enrollment fees) by the number of UOBs (77) within the Zone (TABLE 2-6). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-6) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 6, Zone G (Plot Plan No. 16785): The maximum assessment rate for Fiscal Year 2021-22 is $1,067.66 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $792.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $920.75. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $1,042.17 per UOB. This amount was established by dividing the total assessment of $1,042.17 (the actual assessment plus enrollment fees) by the number of UOBs (1) within the Zone (TABLE 2-7). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-7) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 7, Zone H (Tract No. 30671): The maximum assessment rate for Fiscal Year 2021-22 is $65.93 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $48.94. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $566.71. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $48.15 per UOB. This amount was established by dividing the total assessment of $674.10 (the actual assessment plus enrollment fees) by the number of UOBs (14) within the Zone (TABLE 2-8). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-8) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 8, Zone I (Parcel Map No. 29767): The maximum assessment rate for Fiscal Year 2021-22 is $90.86 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $67.44. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $650.95. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $95.59 per UOB. This amount was established by dividing the total assessment of $764.72 (the actual assessment plus enrollment fees) by the number of UOBs (8) within the Zone (TABLE 2-9). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-9) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 9, Zone J (Tract No. 29725): The maximum assessment rate for Fiscal Year 2021-22 is $47.75 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $35.44. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,986.32. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $27.34 per UOB. This amount was established by dividing the total assessment of $3,226.12 (the actual assessment plus enrollment fees) by the number of UOBs (118) within the Zone (TABLE 2-10). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-10) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 10, Zone K (Tract No. 28808-F): The maximum assessment rate for Fiscal Year 2021-22 is $106.18 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $78.81. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $893.49. However, only the total maximum assessment of $637.08 will be assessed, and the remainder of the costs will be contributed from the Reserve Fund. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $121.73 per UOB. This amount was established by dividing the total assessment of $730.38 (the actual assessment plus enrollment fees) by the number of UOBs (6) within the Zone (TABLE 2-11). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-11) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 11, Zone L (Tract No. 24686): The maximum assessment rate for Fiscal Year 2021-22 is $69.44 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $51.54. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $993.70. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $58.86 per UOB. This amount was established by dividing the total assessment of $1,177.20 (the actual assessment plus enrollment fees) by the number of UOBs (20) within the Zone (TABLE 2-12). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-12) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 12, Zone M (Tract No. 22565): The maximum assessment rate for Fiscal Year 2021-22 is $83.37 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $61.88. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights,

is $1,504.93. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $50.34 per UOB. This amount was established by dividing the total assessment of $1,661.22 (the actual assessment plus enrollment fees) by the number of UOBs (33) within the Zone (TABLE 2-13). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-13) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 13, Zone N (CUP No. 3264): The maximum assessment rate for Fiscal Year 2021-22 is $357.25 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $265.17. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $466.50. However, only the total maximum assessment of $357.25 will be assessed, and the remainder of the costs will be contributed from the Reserve Fund. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $448.77 per UOB. This amount was established by dividing the total assessment of $448.77 (the actual assessment plus enrollment fees) by the number of UOBs (1) within the Zone (TABLE 2-14). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-14) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 14, Zone O (Plot Plan No. 16686): The maximum assessment rate for Fiscal Year 2021-22 is $534.86 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $397.00. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,388.75. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $385.17 per UOB. This amount was established by dividing the total assessment of $1,540.68 (the actual assessment plus enrollment fees) by the number of UOBs (4) within the Zone (TABLE 2-15). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-15) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 15, Zone P (Plot Plan No. 16937): The maximum assessment rate for Fiscal Year 2021-22 is $913.42 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $677.98. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,602.15. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $774.63 per UOB. This amount was established by dividing the total assessment of $3,873.15 (the actual assessment plus enrollment fees) by the number of UOBs (5) within the Zone (TABLE 2-16). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-16) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 16, Zone Q (Tract No. 30288): The maximum assessment rate for Fiscal Year 2021-22 is $27.94 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $20.74. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,019.85. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $14.73 per UOB. This amount was established by dividing the total assessment of $1,178.40 (the actual assessment plus enrollment fees) by the number of UOBs (80) within the Zone (TABLE 2-17). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-17) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 17, Zone R (Tract No. 31301): The maximum assessment rate for Fiscal Year 2021-22 is $134.85 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $100.09. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,274.67. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit

(UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $79.24 per UOB. This amount was established by dividing the total assessment of $2,456.44 (the actual assessment plus enrollment fees) by the number of UOBs (31) within the Zone (TABLE 2-18). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-18) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 18, Zone S (Plot Plan 18440): The maximum assessment rate for Fiscal Year 2021-22 is $475.65 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $353.05. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,133.65. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $421.91 per UOB. This amount was established by dividing the total assessment of $1,265.73 (the actual assessment plus enrollment fees) by the number of UOBs (3) within the Zone (TABLE 2-19). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-19) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 19, Zone T (Tract No. 28698): The maximum assessment rate for Fiscal Year 2021-22 is $136.83 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $101.56. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,799.49. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $109.07 per UOB. This amount was established by dividing the total assessment of $1,963.26 (the actual assessment plus enrollment fees) by the number of UOBs (18) within the Zone (TABLE 2-20). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-20) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 20, Zone U (Parcel Map No. 31081): The maximum assessment rate for Fiscal Year 2021-22 is $303.70 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $225.42. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,757.65. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $241.35 per UOB. This amount was established by dividing the total assessment of $1,930.80 (the actual assessment plus enrollment fees) by the number of UOBs (8) within the Zone (TABLE 2-21). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-21) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 21, Zone V (Tract No. 32124): Per instruction from the Jurupa Community Services District, beginning in Fiscal Year 2017-18 Annexation 21, Zone V, will no longer be assessed as a part of LMD 2001-1 as the 14 streetlights Zone V was designed to fund are owned and maintained by the City of Jurupa Valley.

Annexation Area No. 22, Zone W (Parcel Map No. 36487): The maximum assessment rate for Fiscal Year 2021-22 is $77.21 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $57.31. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $8,159.35. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $47.53 per UOB. This amount was established by dividing the total assessment of $8,632.85 (the actual assessment plus enrollment fees) by the number of UOBs (190.45) within the Zone (TABLE 2-22). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-22) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 23, Zone X (Tract No. 31875): The maximum assessment rate for Fiscal Year 2021-22 is $117.58 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $87.27. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $993.70. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $79.87 per UOB. This amount was established by dividing the total assessment of $1,118.18 (the actual assessment plus enrollment fees) by the number of UOBs (14) within the Zone (TABLE 2-23). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-23) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 24, Zone Y (Tract No. 31635): The maximum assessment rate for Fiscal Year 2021-22 is $105.72 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $78.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $993.70. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $85.99 per UOB. This amount was established by dividing the total assessment of $1,117.87 (the actual assessment plus enrollment fees) by the number of UOBs (13) within the Zone (TABLE 2-24). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-24) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 25, Zone Z (Hastings Blvd. and Kenneth St.): The maximum assessment rate for Fiscal Year 2021-22 is $69.02 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $51.23. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,504.38. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $63.61 per UOB. This amount was established by dividing the total assessment of $10,241.21 (the actual assessment plus enrollment fees) by the number of UOBs (161) within the Zone (TABLE 2-25). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-25) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 27, Zone BB (Tract No. 33675): Per instruction from the Jurupa Community Services District, beginning in Fiscal Year 2020-21, Annexation 27, Zone BB, is no longer be assessed as a part of LMD 2001-1 as the streetlights Zone BB was designed to fund are owned and maintained by the City of Jurupa Valley.

Annexation Area No. 28, Zone CC (Tract No. 28851): The maximum assessment rate for Fiscal Year 2021-22 is $4.88 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $3.62. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $566.71. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $3.83 per UOB. This amount was established by dividing the total assessment of $735.36 (the actual assessment plus enrollment fees) by the number of UOBs (192) within the Zone (TABLE 2-26). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-26) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 30, Zone EE (Plot Plan 14420R1): The maximum assessment rate for Fiscal Year 2021-22 is $712.46 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $528.82. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $835.40. However, only the total maximum assessment of $712.46 will be assessed, and the remainder of the costs will be contributed from the Reserve Fund. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $803.98 per UOB. This amount was established by dividing the total assessment of $803.98 (the actual assessment plus enrollment fees) by the number of UOBs (1) within the Zone (TABLE 2-27). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-27) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 31, Zone FF (Plot Plan 16216S1): The maximum assessment rate for Fiscal Year 2021-22 is $1,080.09 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $801.69. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,204.30. However, only the total maximum assessment of $1,080.09 will be assessed, and the remainder of the costs will be contributed from the Reserve Fund. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $1,171.61 per UOB. This amount was established by dividing the total assessment of $1,171.61 (the actual assessment plus enrollment fees) by the number of UOBs (1) within the Zone (TABLE 2-28). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-28) on file in the office of the Services District Secretary and made a part hereof.

Future Maximum Annual Assessments

The assessments will be levied on an annual basis for as long as the services are rendered and the amount of the assessment to be levied on each such parcel in each subsequent fiscal year shall be increased by the percentage increase, if any, in the cost of electric power which the Services District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such fiscal year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such fiscal year. For Fiscal Year 2021-22, the annual increase in the Maximum Assessment Rate for each Zone was calculated based upon the average increase in LS-2 rates 22w LED lamps and 84w LED lamps over the prior Fiscal Year. The Maximum Assessment Rate for each Zone has escalated 34.73% for FY 2021-22.

In March 2019, the majority of the streetlights within the Services District were purchased from Southern California Edison (SCE), with the exception of a few streetlights that were not available for purchase. Prior to the purchase, SCE charged the City for both energy and operations and maintenance using the LS-1 Rate Schedule, which is updated periodically throughout the year, for all of the streetlights in the Services District. Since the purchase, SCE continues to charge the City using the LS-1 E Rate Schedule for all streetlights owned and maintained by SCE; however, for the streetlights purchased by the City, delivery-related and regulatory charges are now assessed based on the LS-2 Rate Schedule, and generation charges are based on the Western Community Energy Rate Schedule. The Services District has assumed responsibility for operations and maintenance, as can be seen in the Section 2 Cost Estimates (Tables 2-1 to 2-63).

All streetlights have been retrofitted, replacing the existing high-pressure sodium vapor (HPSV) lamps with energy efficient light-emitting diode (LED) lamps. As a result, the energy rates used to estimate costs for the City-owned streetlights are the LED rates from the LS-2 Rate Schedule, with a Public Utilities Commission effective date of February 1, 2021, and the WCE Rate Schedule with an effective date of April 1, 2021. The streetlights that were not available for purchase are still owned and operated by SCE and the costs have been based on the LS-1 E Rate Schedule with a Public Utilities Commission effective date of February 1, 2021.

As new parcels are annexed into the Assessment District, they will be subject to the same method of assessment apportionment as contained herein.

Duration

The duration of the assessments will be for as long as the lighting maintenance services are provided.

APPENDIX A

Resolution No. 3114 Ordering Preparation of the Engineer's Report

RESOLUTION NO. 3114

RESOLUTION OF THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT ORDERING THE PREPARATION OF ENGINEER'S REPORTS FOR THE LEVY AND COLLECTION OF ASSESSMENTS IN LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS FOR FISCAL YEAR 2021-22

WHEREAS, as authorized by the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the "Act"), the Board of Directors of Jurupa Community Services District (the "Board of Directors" and the "District") has established the following landscape and lighting maintenance districts within the District (the "Landscape and Lighting Maintenance Districts"): Landscape Maintenance District No. 91-1, Landscape Maintenance District No. 98-1, Lighting Maintenance District No. 98-2, Lighting Maintenance District No. 2001-1, Lighting Maintenance District No. 2001-2, Lighting Maintenance District No. 2001-3, and Landscape Maintenance District No. 2003-1 (Commercial); and

WHEREAS, the Board of Directors has determined that the public interest, convenience, and necessity require the continued levy of assessments within the Landscape and Lighting Maintenance Districts for the purpose of installing, constructing, operating, acquiring and maintaining public landscaping and public street lighting and appurtenant facilities as authorized by the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

Section 1. The Board of Directors hereby initiates proceedings pursuant to the Act to levy and collect annual assessments for fiscal year 2021-22 on property within the Landscape and Lighting Maintenance Districts for the maintenance, servicing, acquisition and operation of public landscaping and public street lighting facilities and appurtenant facilities.

Section 2. The maintenance, acquisition and service or servicing to be performed consists of the furnishing of services and materials for the ordinary and usual operation, maintenance, acquisition and servicing of public lighting facilities and the maintenance and servicing of public landscape, including but not limited to all matters specified in Section 22531 and Section 22538 of the Streets and Highways Code.

Section 3. The proceedings for the annual levy of assessments are to be conducted pursuant to the Act.

Section 4. Albert A. Webb Associates, the District's assessment engineer, is hereby directed to prepare the written report provided for in Section 22567 of the Streets and Highways Code with respect to the levy of assessments for fiscal year 2021-22 in each of the Landscape and Lighting Maintenance Districts and to file such reports with the Secretary to the Board of Directors.

ADOPTED this 26th day of April 2021.

Betty A. Folsom

President of the Board of Directors

ATTEST:

Rosemary Hernandez for

Secretary to the Board of Directors

CERTIFICATION

I, Rosemary Hernandez, for Secretary to the Board of Directors of Jurupa Community Services District, certify that the foregoing resolution was adopted by the Board of Directors at a regular meeting held on the 26th day of April 2021, by the following vote of the Directors:

AYES:	Betty Folsom, Jane F. Anderson, Lupe R. Nava, Bart Moreno

Appendix A. Resolution No. 3114 Ordering Preparation of this Engineer's Report _____ A-1

AGENCY: JURUPA COMMUNITY SERVICES DISTRICT,
RIVERSIDE COUNTY, CALIFORNIA

PROJECT: LIGHTING MAINTENANCE DISTRICT NO. 2001-2 (EASTVALE)

TO: BOARD OF DIRECTORS

ENGINEER'S REPORT

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, said act being Part 2 of Division 15 of the Streets and Highways Code of the State of California, and pursuant to the provisions of Proposition 218 which were approved on November 5, 1996 and added Articles XIIIC and XIIID to the California Constitution, and in accordance with Resolution No. 3114 (Appendix A), adopted April 26, 2021 by the Board of Directors of the Jurupa Community Services District (hereinafter referred to as the "Services District"), Riverside County, California, ordering preparation of the Engineer's Report for Lighting Maintenance District No. 2001-2 (Eastvale), (hereinafter referred to as the "Assessment District"), I, Sam I. Gershon, a Professional Civil Engineer (employed by Albert A. Webb Associates and retained through an agreement between my employer and Webb Municipal Finance, LLC), acting on behalf of the Jurupa Community Services District, submit herewith the Engineer's Report for the Assessment District consisting of four (4) Sections and Appendix A as follows. Please note that Albert A. Webb Associates provides engineering advice and related consulting engineering services. Albert A. Webb Associates is not a registered municipal advisor and does not participate in municipal advisory activities, and nothing in this Engineer's Report for the Assessment District is, or should be interpreted to be, municipal advisory services or advice.

SECTION 1 – DESCRIPTION OF IMPROVEMENTS

The Plans and Specifications for improvements maintained by the Assessment District consist of a general description of the nature, location, and the extent of the improvements proposed to be maintained, and are attached hereto.

SECTION 2 – ENGINEER'S ESTIMATE OF COSTS AND EXPENSES

An estimate of the maintenance costs of the improvements (Tables 2-1 through 2-12), including incidental costs and expenses in connection therewith for Fiscal Year 2021-22, is as set forth on the lists thereof, attached hereto.

SECTION 3 – ASSESSMENT DIAGRAMS

Shown on Figure 3-1 are the Assessment District's exterior boundaries of Lighting Maintenance District No. 2001-2 (Eastvale). Shown on Figures 3-2 through 3-15 are the boundaries of Zone A (Tract Nos. 28783 and 28784); Zone B (Tract No. 29093); Zone C (Plot Plan No. 16676); Zone D (Tract No. 29115); Zone E (Tract No. 29124); Zone F (Plot Plan No. 18045, and CUP No. 03405); Zone G (Tract No. 31107); Zone H (Tract No. 31496); Zone I (Tract No. 32136); Zone J (Tract No. 30466); Zone K (Tract No. 31606); Zone L (Plot Plan No. 19631); and Zone M (Parcel Map No. 35933); the areas within Lighting Maintenance District No. 2001-2 (Eastvale). Each subdivision of land or parcel or lot, respectively, is shown as it existed at the time of the adoption of the Resolution of Intention and has been given a separate number upon the Assessment Roll contained herein. For details regarding the boundaries and

dimensions of the respective parcels and subdivisions of land within said Lighting Maintenance District, refer to the Riverside County Assessor's maps.

SECTION 4 – ASSESSMENT

A proposed assessment of the total costs and expenses of the improvements for Fiscal Year 2021-22 upon each parcel of land within the Assessment District, in proportion to the estimated benefits to be received by such parcels from said improvements, is described herein and is set forth in detail upon the assessment roll on file in the Office of the Services District Secretary and made a part hereof (Tables 4-1 through 4-13). In addition, the amount of the assessment to be levied on each such parcel in each subsequent fiscal year shall be increased by the percentage increase, if any, in the cost of electric power which the Services District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such fiscal year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District costs, including the cost of electric power, for the operation and maintenance of streetlights in each such fiscal year.

APPENDIX A – RESOLUTION NO. 3114

Resolution No. 3114 of the Board of Directors of the Services District ordering the preparation of this Engineer's Report is included in this report as Appendix A.

Dated: May 12, 2021

Respectfully,
ALBERT A. WEBB ASSOCIATES

SAM I. GERSHON, RCE NO. 14489
ASSESSMENT ENGINEER
LIGHTING MAINTENANCE
DISTRICT NO. 2001-2 (EASTVALE)
JURUPA COMMUNITY SERVICES DISTRICT
COUNTY OF RIVERSIDE
STATE OF CALIFORNIA

1. Description of Improvements

Generally, the work to be performed consists of the maintenance, repair, acquisition, and replacement of street light poles and fixtures and of the energy charges, operation, maintenance, and administrative costs of the local and major streets streetlighting within the Assessment District (Figures 3-2 through 3-15).

Zone 1 Local Lighting streetlights are located within the boundaries of Tract Numbers 28783 (Figure 3-2); 28784 (Figure 3-3); 29093 (Figure 3-4); 29115 (Figure 3-6); 29124 (Figure 3-7); 31107 (Figure 3-9); 31496 (Figure 3-10); 32136 (Figure 3-11); and 30466 (Figure 3-12)); all are 22 watt light-emitting diodes (LEDs).

Zone 2 Major Streets streetlights are located along 65th Street, 68th Street, Wells Springs Street, Hamner Avenue, Schleisman Road, Limonite Avenue, Pats Ranch Road, Wineville Avenue, and Bellegrave Avenue (Figures 3-2 through 3-15); all are 84 watt LEDs. All of the above described streetlights are within the Services District boundaries.

The existing streetlight improvements as shown in the Services District Streetlight Maps were purchased in March 2019 from Southern California Edison (SCE), with the exception of a single streetlight that was not available for purchase. The Streetlight Maps are on file in the office of the Director of Finance and Administration of the Services District and are made part of this report to the same extent as if attached hereto.

Annual costs per year provide for:

- Energy costs for street lighting.
- Operation and maintenance of the facilities.
- Maintenance, repair, acquisition, replacement, and retrofit of street light poles and fixtures.
- Incidental costs, including noticing, legal and report preparation expenses, finance department and administration expenses for the processing of revenues and Edison payments, and administration expenses for the maintenance of streetlight maps and monitoring of facilities.

The class, type, and number of streetlights currently designed and installed are listed by benefit zone as follows:

Table 1-1
Streetlight Counts by Benefit Zone and Type

	ZONE 1: LOCAL LIGHTING	ZONE 2: MAJOR STREETS
Benefit Zone	22 Watt Light-Emitting Diode	84 Watt Light-Emitting Diode
Zone A	85	7
Zone B	40	9
Zone C	0	2
Zone D	29	3
Zone E	55	18
Zone F	0	0
Zone G	43	6
Zone H	65	10
Zone I	33	9
Zone J	45	6
Zone K	0	3
Zone L	0	1
Zone M	0	4

2. Engineer's Estimate of Costs and Expenses

Cost estimates have been prepared for each Zone in the Assessment District.

In 2019, the streetlights located within the boundaries of the District were purchased from SCE and retrofitted the lamps with energy-efficient LEDs. In 2020, the City of Eastvale and the Services District entered into a contract with Western Community Energy (WCE) in order to have Direct Access to purchasing energy. As a result of these changes, the cost estimate tables have been updated. Energy costs for District-owned streetlights are now calculated using the SCE LS-2 Rate Schedule for LEDs for delivery charges and regulatory fees and the WCE Rate Schedule for generation charges; an Operations and Maintenance line item on cost estimate tables shows the cost of servicing the District-owned streetlights. Additionally, until the purchase of the streetlights has been fully paid (which is anticipated to occur in 2034), the streetlight acquisition costs have been added to each Zone.

The updates to the cost estimate tables will not cause the assessment rate for any Zone to exceed the Maximum Allowable Assessment for that Zone.

The payment for FY 2021-22 for the acquisition of the streetlights purchased by the Services District is $144,684.96, which is $85.51 per streetlight, and the payment for the streetlights purchased by the City of Eastvale is $468,699.44, which is $113.24 per streetlight.

The estimates of the annual energy, maintenance, and acquisition costs are shown in Tables 2-1 through 2-12.

TABLE 2-1

COST ESTIMATE

Lighting Maintenance District No. 2001-2

ORIGINAL AREA, ZONE A, TRACT NOS. 28783 and 28784

	Streetlights		FY 20-21		FY 21-22		
Luminaire Size and Type	FY 20-21	FY 21-22	Cost per Streetlight	Total Costs	Budgeted Cost per Streetlight	Budgeted Total Costs	
9,500 L HPSV (LS-1)							
22,000 L HPSV (LS-1)	1		$204.88	$204.88			
22 w LED (WCE/LS-2)	85	85	$37.95	$3,225.75	$45.36	$3,855.60	
84 w LED (WCE/LS-2)	6	7	$60.65	$363.90	$87.48	$612.36	
ENERGY CHARGES				**$3,794.53**		**$4,467.96**	(1)
Percentage Change from FY 20-21 to FY 21-22						**17.75%**	

	FY 20-21		FY 21-22		
Operations & Maintenance		$726.18		$1,120.56	(2)
ENERGY AND MAINTENANCE COSTS		**$4,520.71**		**$5,588.52**	
Streetlight Acquisition Costs		$10,304.84		$10,418.08	
Staff, Legal, Engineer's Cost, and Contingency		$555.72		$521.16	
TOTAL ESTIMATED COSTS		**$15,381.27**		**$16,527.76**	
Lots		413		413	
Units of Benefit (UOB)		413		413	
Maximum Allowable Assessment Per UOB		**$48.27**	**34.73%**	**$65.03**	(3)
Cost per UOB		**$37.24**		**$40.02**	
Reserve Collection / (Contribution) Per UOB	10.00%	$1.09	10.00%	$1.35	
RIVERSIDE COUNTY ENROLLMENT CHARGES					(4)
Per Zone Converted to Per Lot	$91.17 per Zone	$0.22	$91.17 per Zone	$0.22	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$38.90**		**$41.94**	(5)
Total Assessment for Zone		**$16,065.70**		**$17,321.22**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$55.48**		**$59.98**	(5)
Total Assessment for Zone		**$8,876.80**		**$9,596.80**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

4. Assessment

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218 entitled “Right to Vote on Taxes Act” which added Article XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts.

Proposition 218 does not define this term “streets,” however, based on the opinions of the public agency officials, attorneys, assessment engineers, and Senate Bill 919, it has been determined that streets include all public improvements located within the street rights-of-way. This would include median and parkway landscaping, traffic signals, safety lighting, and street lighting.

Proposition 218 defines “assessment” as “any levy or charge upon real property by an agency for a special benefit conferred upon the real property.” Cal. Const., art. XIIID, §2(b). A special assessment, sometimes called a “benefit assessment,” is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees, and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that “only special benefits are assessable” and requires a local government to “separate the general benefits from the special benefits conferred on a parcel.”

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that portion of the cost of the improvement which benefits the public generally to be separated from that portion of the cost of the improvement which specially benefits assessed properties. Proposition 218 provides the following definition of “special benefit”:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Method of Assessment Apportionment

The "Landscaping and Lighting Act of 1972" and provisions of Article XIIID of the California Constitution require that the assessment be apportioned by a formula or method which fairly distributes the net amount among all assessable lots and parcels in proportion to the estimated special benefits to be received by each lot or parcel from the improvements. The act does not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings. The District has retained the firm of Webb Municipal Finance, LLC for the purpose of assisting the Services District in analyzing the facts in this Assessment District and recommending to the Services District the correct apportionment of the assessment obligation.

In performing the analysis, it was necessary to identify the benefits that the improvements being financed render to the properties within the boundaries of the Assessment District and to determine the extent to which such properties receive a direct and special benefit as distinguished from benefits received by the general public. Due to the variation in the nature, location, and extent of the improvements being maintained, the Assessment District

consists of two (2) Assessment Zones which will be inclusive of all lots within the Assessment District and combined into one total charge per lot.

Special Benefits

Zone 1 consists of all parcels that have street lighting on the street fronting their lots or parcels. This local lighting is of benefit as it provides increased property protection, personal safety, visibility, traffic safety, and directly enhances the appearance of those lots or parcels fronting upon illuminated streets.

Zone 2 consists of the major streets encompassing the Zone 1 parcels. These lights are much brighter than the local streetlights described in Zone 1 and provide both traffic and pedestrian safety on those major streets and intersections that carry the traffic generated by the Zone 1 parcels. These higher intensity streetlights will additionally benefit the Zone 1 parcels as this lighting will discourage illegal activity at night and will directly enhance the property values.

General Benefits

The streetlights described within the two Assessment Zones are required as a condition of the development of the area encompassed by the Assessment District. The lighting is for the direct benefit and enjoyment of those parcels within the Assessment District; therefore, the improvements do not result in any general benefits.

Public Lands

This Assessment District contains a parcel that is owned by the County of Riverside, which is being assessed. The District also contains a parcel that is owned by the Services District, which is intended to be a well site, and it therefore not being assessed.

Allocation of Special Benefit Assessment

For details regarding the allocation of special benefit, see Cost Estimate Tables 2-1 through 2-12 in Section 2 of the Engineer's Report.

Original Area, Zone A (Tract Nos. 28783 and 28784): The maximum assessment rate for Fiscal Year 2021-22 is $65.03 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $48.27. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $16,527.76. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $41.94 per UOB. This amount was established by dividing the total assessment of $17,321.22 (the actual assessment plus enrollment fees) by the number of UOBs (413) within the Zone (TABLE 2-1). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-1) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 1, Zone B (Tract No. 29093): The maximum assessment rate for Fiscal Year 2021-22 is $86.31 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $64.06. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,268.46. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $52.11 per UOB. This amount was established by dividing the total assessment of $9,744.57 (the actual assessment plus enrollment fees) by the number of UOBs (187) within the Zone (TABLE 2-2). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-2) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 2, Zone C (Plot Plan No. 16676): The maximum assessment rate for Fiscal Year 2021-22 is $1,067.66 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $792.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $946.96. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $1,058.41 per UOB. As this Zone has one (1) UOB, the total assessment is also the applied rate per UOB. (TABLE 2-3). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-3) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 3, Zone D (Tract No. 29115): The maximum assessment rate for Fiscal Year 2021-22 is $69.87 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $51.86. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,112.48. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $49.21 per UOB. This amount was established by dividing the total assessment of $6,446.51 (the actual assessment plus enrollment fees) by the number of UOBs (131) within the Zone (TABLE 2-4). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-4) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 4, Zone E (Tract No. 29124): The maximum assessment rate for Fiscal Year 2021-22 is $84.39 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $62.64. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $11,669.41. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $47.11 per UOB. This amount was established by dividing the total assessment of $12,342.82 (the actual assessment plus enrollment fees) by the number of UOBs (262) within the Zone (TABLE 2-5). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-5) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 5, Zone F (Plot Plan No. 18045 and CUP No. 03405): Per instruction from the Jurupa Community Services District, beginning in Fiscal Year 2018-19 Annexation No. 5, Zone F, will no longer be levied as a part of LMD 2001-2, as the seven streetlights Zone F was designed to fund are owned by the City of Eastvale.

Annexation Area No. 6, Zone G (Tract No. 31107): The maximum assessment rate for Fiscal Year 2021-22 is $92.18 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $68.42. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,142.10. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $59.98 per UOB. This amount was established by dividing the total assessment of $9,596.80 (the actual assessment plus enrollment fees) by the number of UOBs (160) within the Zone (TABLE 2-6). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-6) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 7, Zone H (Tract No. 31496): The maximum assessment rate for Fiscal Year 2021-22 is $67.89 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $50.39. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $13,750.86. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $46.37 per UOB. This amount was established by dividing the total assessment of $14,421.07 (the actual assessment plus enrollment fees) by the number of UOBs (311) within the Zone (TABLE 2-7). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-7) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 8, Zone I (Tract No. 32136): The maximum assessment rate for Fiscal Year 2021-22 is $95.14 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $70.62. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,878.10. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $57.41 per UOB. This amount was established by dividing the total assessment of $7,291.07 (the actual assessment plus enrollment fees) by the number of UOBs (127) within the Zone (TABLE 2-8). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-8) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 9, Zone J (Tract No. 30466): The maximum assessment rate for Fiscal Year 2021-22 is $61.96 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $45.99. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,483.66. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $40.90 per UOB. This amount was established by dividing the total assessment of $9,979.60 (the actual assessment plus enrollment fees) by the number of UOBs (244) within the Zone (TABLE 2-9). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-9) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 10, Zone K (Tract No. 31606): The maximum assessment rate for Fiscal Year 2021-22 is $5.46 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $4.05. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,159.86. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $4.43 per UOB. This amount was established by dividing the total assessment of $1,391.02 (the actual assessment plus enrollment fees) by the number of UOBs (314) within the Zone (TABLE 2-10). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-10) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 11, Zone L (Plot Plan No. 19631): The maximum assessment rate for Fiscal Year 2021-22 is $13.92 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $10.33. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $705.61. However, only the total maximum assessment of $417.60 will be assessed, and the remainder of the costs will be contributed from the Reserve Fund. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $17.31 per UOB. This amount was established by dividing the total assessment of $519.30 (the actual assessment plus enrollment fees) by the number of UOBs (30) within the Zone (TABLE 2-11). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-11) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 12, Zone M (Parcel Map No. 35933): The maximum assessment rate for Fiscal Year 2021-22 is $144.14 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $106.99. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,372.76. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $150.74 per UOB. This amount was established by dividing the total assessment of $1,507.40 (the actual assessment plus enrollment fees) by the number of UOBs (10) within the Zone (TABLE 2-12). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-12) on file in the office of the Services District Secretary and made a part hereof.

4. Assessment

Future Maximum Annual Assessments

The assessments will be levied on an annual basis for as long as the services are rendered and the amount of the assessment to be levied on each such parcel in each subsequent fiscal year shall be increased by the percentage increase, if any, in the cost of electric power which the Services District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such fiscal year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such fiscal year. For Fiscal Year 2021-22, the annual increase in the Maximum Assessment for each Zone was calculated based upon the average increase in LS-2 rates 22w LED lamps and 84w LED lamps over the prior Fiscal Year. The Maximum Assessment Rate for each Zone has escalated 34.73% for FY 2021-22.

In March 2019, the streetlights in the District were purchased from Southern California Edison (SCE). Prior to the purchase, SCE charged the City for both energy and operations and maintenance using the LS-1 Rate Schedule, which is updated periodically throughout the year, for all of the streetlights in the Services District. Since the purchase, delivery-related and regulatory charges are now assessed based on the LS-2 Rate Schedule, and generation charges are based on the Western Community Energy Rate Schedule. The Services District has assumed responsibility for operations and maintenance, as can be seen in the Section 2 Cost Estimates (Tables 2-1 to 2-63).

All streetlights have been retrofitted, replacing the existing high-pressure sodium vapor (HPSV) lamps with energy efficient light-emitting diode (LED) lamps. As a result, the energy rates used to estimate costs for the City-owned streetlights are the LED rates from the LS-2 Rate Schedule, with a Public Utilities Commission effective date of February 1, 2021, and the WCE Rate Schedule with an effective date of April 1, 2021.

As new parcels are annexed into the Assessment District, they will be subject to the same method of assessment apportionment as contained herein.

Duration

The duration of the assessments will be for as long as the lighting maintenance services are provided.

APPENDIX A

Resolution No. 3114 Ordering Preparation of the Engineer's Report

RESOLUTION NO. 3114

RESOLUTION OF THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT ORDERING THE PREPARATION OF ENGINEER'S REPORTS FOR THE LEVY AND COLLECTION OF ASSESSMENTS IN LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS FOR FISCAL YEAR 2021-22

WHEREAS, as authorized by the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the "Act"), the Board of Directors of Jurupa Community Services District (the "Board of Directors" and the "District") has established the following landscape and lighting maintenance districts within the District (the "Landscape and Lighting Maintenance Districts"): Landscape Maintenance District No. 91-1, Landscape Maintenance District No. 98-1, Lighting Maintenance District No. 98-2, Lighting Maintenance District No. 2001-1, Lighting Maintenance District No. 2001-2, Lighting Maintenance District No. 2001-3, and Landscape Maintenance District No. 2003-1 (Commercial); and

WHEREAS, the Board of Directors has determined that the public interest, convenience, and necessity require the continued levy of assessments within the Landscape and Lighting Maintenance Districts for the purpose of installing, constructing, operating, acquiring and maintaining public landscaping and public street lighting and appurtenant facilities as authorized by the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

Section 1. The Board of Directors hereby initiates proceedings pursuant to the Act to levy and collect annual assessments for fiscal year 2021-22 on property within the Landscape and Lighting Maintenance Districts for the maintenance, servicing, acquisition and operation of public landscaping and public street lighting facilities and appurtenant facilities.

Section 2. The maintenance, acquisition and service or servicing to be performed consists of the furnishing of services and materials for the ordinary and usual operation, maintenance, acquisition and servicing of public lighting facilities and the maintenance and servicing of public landscape, including but not limited to all matters specified in Section 22531 and Section 22538 of the Streets and Highways Code.

Section 3. The proceedings for the annual levy of assessments are to be conducted pursuant to the Act.

Section 4. Albert A. Webb Associates, the District's assessment engineer, is hereby directed to prepare the written report provided for in Section 22567 of the Streets and Highways Code with respect to the levy of assessments for fiscal year 2021-22 in each of the Landscape and Lighting Maintenance Districts and to file such reports with the Secretary to the Board of Directors.

ADOPTED this 26th day of April 2021.

Betty A. Folsom

President of the Board of Directors

ATTEST:

Rosemary Hernandez for

Secretary to the Board of Directors

Appendix

Appendix A. Resolution No. 3114 Ordering Preparation of this Engineer's Report _____ A-1

AGENCY: JURUPA COMMUNITY SERVICES DISTRICT,
RIVERSIDE COUNTY, CALIFORNIA

PROJECT: LIGHTING MAINTENANCE DISTRICT NO. 2001-3 (EASTVALE)

TO: BOARD OF DIRECTORS

ENGINEER'S REPORT

Pursuant to the provisions of the Landscaping and Lighting Act of 1972, said act being Part 2 of Division 15 of the Streets and Highways Code of the State of California, and pursuant to the provisions of Proposition 218 which were approved on November 5, 1996 and added Articles XIIIC and XIIID to the California Constitution, and in accordance with Resolution No. 3114 (Appendix A), adopted on April 26, 2021 by the Board of Directors of the Jurupa Community Services District (hereinafter referred to as the "Services District"), Riverside County, California, ordering preparation of the Engineer's Report for Lighting Maintenance District No. 2001-3, (hereinafter referred to as the "Assessment District"), I, Sam I. Gershon, a Professional Civil Engineer (employed by Albert A. Webb Associates and retained through an agreement between my employer and Webb Municipal Finance, LLC), acting on behalf of the Jurupa Community Services District, submit herewith the Engineer's Report for the Assessment District consisting of four (4) Sections and Appendix A as follows. Please note that Albert A. Webb Associates provides engineering advice and related consulting engineering services. Albert A. Webb Associates is not a registered municipal advisor and does not participate in municipal advisory activities, and nothing in this Engineer's Report for the Assessment District is, or should be interpreted to be, municipal advisory services or advice.

SECTION 1 – DESCRIPTION OF IMPROVEMENTS

The Plans and Specifications for improvements maintained by the Assessment District consist of a general description of the nature, location, and the extent of the improvements proposed to be maintained and are attached hereto.

SECTION 2 – ENGINEER'S ESTIMATE OF COSTS AND EXPENSES

An estimate of the maintenance costs of the improvements, including incidental costs and expenses in connection therewith for Fiscal Year 2021-22, Tables 2-1 through 2-63, is as set forth on the lists thereof, attached hereto.

SECTION 3 – ASSESSMENT DIAGRAMS

Shown on Figure 3-1 are the Assessment District's exterior boundaries of Lighting Maintenance District No. 2001-3 (Eastvale). Shown on Figures 3-2 through 3-65 are the boundaries of Zone A (Tract No. 29208); Zone B (Tract No. 28946-1); Zone C (Tract No. 29104); Zone D (Tract No. 28821); Zone E (Tract Nos. 29148 and 29533); Zone F (Tract No. 29207); Zone G (Tract No. 29248); Zone H (Tract No. 29542); Zone I (Tract No. 28880); Zone J (Tract No. 28943-2); Zone K (Tract No. 28943-1); Zone L (Tract No. 28946-2); Zone M (Tract Nos. 30816 and 30817); Zone N (Tract No. 30633); Zone O (Tract No. 30567); Zone P (Tract Nos. 30701 and 30702); Zone Q (Tract No. 29694); Zone R (Plot Plan No. 18477); Zone S (Tract No. 31323); Zone T (Tract No. 30480); Zone U (Tract No. 30735); Zone V (Tract No. 29677); Zone W (Tract No. 30576); Zone X (Tract No. 30904); Zone Y (Tract No. 30905); Zone Z (Tract No. 30820); Zone AA (Tract No. 30785); Zone BB (Tract No. 30895); Zone CC (Tract No. 31386);

Zone DD (Tract Nos. 30575 and 31580); Zone EE (Tract No. 30762); Zone FF (Tract Nos. 28880 and 29334); Zone GG (Tract No. 28742); Zone HH (Tract No. 31405); Zone II (Tract Nos. 30893 and 30933); Zone JJ (Tract No. 31220); Zone KK (Parcel Map No. 31526); Zone LL (Tract No. 31734); Zone MM (Tract No. 31063); Zone NN (Tract No. 31476); Zone OO (Tract No. 31725); Zone PP (Tract No. 31803); Zone QQ (Tract No. 30825); Zone RR (Tract No. 30913); Zone SS (Tract No. 31726); Zone TT (Tract No. 31622); Zone UU (Tract No. 32125); Zone VV (Tract No. 31931); Zone WW (Tract No. 31492); Zone XX (Tract No. 30971); Zone YY (Tract No. 31252); Zone ZZ (Tract 30896); Zone AAA (Tract No. 31309); Zone BBB (Tract No. 32491); Zone CCC (Tract 30931); Zone DDD (Tract No. 31826); Zone EEE (Tract No. 28943); Zone FFF (Tract Nos. 31961 and 31643); Zone GGG (Tract No. 31406); Zone HHH (Tract Nos. 32821 and 32821-1); Zone III (Tract No. 36382); Zone JJJ (Tract No. 36423); Zone LLL (Tract No. 34014); and Zone MMM (Tract No. 29997); the areas within Lighting Maintenance District No. 2001-3 (Eastvale). Each subdivision of land or parcel or lot, respectively, is shown as it existed at the time of the adoption of the Resolution of Intention and has been given a separate number upon the Assessment Roll contained herein. For details regarding the boundaries and dimensions of the respective parcels and subdivisions of land within said Lighting Maintenance District, refer to the Riverside County Assessor's maps.

SECTION 4 - ASSESSMENT

A proposed assessment of the total costs and expenses of the improvements for Fiscal Year 2021-22 upon each parcel of land within the Assessment District, in proportion to the estimated benefits to be received by such parcels from said improvements, is described herein and is set forth in detail upon the assessment roll, Tables 4-1 through 4-64, on file in the Office of the Services District Secretary and made a part hereof. In addition, the amount of the assessment to be levied on each such parcel in each subsequent Fiscal Year shall be increased by the percentage increase, if any, in the cost of electric power which the District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such Fiscal Year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such Fiscal Year.

APPENDIX A – RESOLUTION NO. 3114

Resolution No. 3114 of the Board of Directors of the Services District ordering the preparation of this Engineer's Report is included in this report as Appendix A.

Dated: May 12, 2021

Respectfully,
ALBERT A. WEBB ASSOCIATES

SAM I. GERSHON, RCE NO. 14489
ASSESSMENT ENGINEER
LIGHTING MAINTENANCE
DISTRICT NO. 2001-3 (EASTVALE)
JURUPA COMMUNITY SERVICES DISTRICT
COUNTY OF RIVERSIDE
STATE OF CALIFORNIA

1. Description of Improvements

Generally, the work to be performed consists of the maintenance, repair, acquisition, and replacement of street light poles and fixtures and of the energy charges, operation, maintenance, and administrative costs of the local and major streets streetlighting within the Assessment District (Figures 3-1 through 3-65).

Zone 1 Local Lighting streetlights are located within the boundaries of Tract Numbers 29208 (Figure 3-2); 28946-1 (Figure 3-3); 29104 (Figure 3-4); 28821 (Figure 3-5); 29148 and 29533 (Figure 3-6); 29207 (Figure 3-7); 29248 (Figure 3-8); 29542 (Figure 3-9); 28880 (Figure 3-10); 28943-2 (Figure 3-11); 28943-1 (Figure 3-12); 28946-2 (Figure 3-13); 30816 and 30817 (Figure 3-14); 30633 (Figure 3-15); 30567 (Figure 3-16); 30701 and 30702 (Figure 3-17); 29694 (Figure 3-18); 31323 (Figure 3-20); 30480 (Figure 3-21); 30735 (Figure 3-22); 29677 (Figure 3-23); 30576 (Figure 3-24); 30904 (Figure 3-25); 30905 (Figure 3-26); 30820 (Figure 3-27); 30785 (Figure 3-28); 30895 (Figure 3-29); 31386 (Figure 3-30); 30575 and 31580 (Figure 3-31); 30762 (Figure 3-32); 28880 and 29334 (Figure 3-33); 28742 (Figure 3-34); 31405 (Figure 3-35); 30893 and 30933 (Figure 3-36); 31220 (Figure 3-37); 31734 (Figure 3-39); 31063 (Figure 3-40); 31476 (Figure 3-41); 31725 (Figure 3-42); 31803 (Figure 3-43); 30825 (Figure 3-44); 30913 (Figure 3-45); 31726 (Figure 3-46); 31622 (Figure 3-47); 32125 (Figure 3-48); 31931 (Figure 3-49); 31492 (Figure 3-50); 31252 (Figure 3-52); 30896 (Figure 3-53); 31309 (Figure 3-54); 32491 (Figure 3-55); 30931 (Figure 3-56); 31826 (Figure 3-57); 28943 (Figure 3-58); 31961 and 31643 (Figure 3-59); 31406 (Figure 3-60); 36382 (Figure 3-62); 36423 (Figure 3-63); and 29997 (Figure 3-65), and consists of both 22 watt light-emitting diodes (LEDs) and 39 watt LEDs.

Zone 2 Major Streets streetlights are located along Bellegrave Avenue, Sumner Avenue, Chandler Street, Cleveland Avenue, Hamner Avenue, Harrison Avenue, Schleisman Road, Cedar Creek Road, River Road, Citrus Street, Archibald Avenue, 65th Street, 68th Street, "A" Street, Orange Street, Hellman Avenue, Chandler Street, Whispering Hills Drive, Limonite Avenue, Riverboat Drive, and Scholar Way (Figures 3-2 through 3-28 and 3-30 through 3-65); these consist of 84 watt LEDs. All of the streetlights described above are within the District's boundaries.

The streetlights that were purchased were retrofitted with energy-efficient LEDs. The streetlights that could not be purchased are still owned and maintained by SCE; these lamps have also been retrofitted with LEDs.

Annual costs per year provide for:

- Energy costs for street lighting.
- Operation and maintenance of the facilities.
- Maintenance, repair, acquisition, replacement, and retrofit of street light poles and fixtures.
- Incidental costs, including noticing, legal and report preparation expenses, finance department and administration expenses for the processing of revenues and Edison payments, and administration expenses for the maintenance of streetlight maps and monitoring of facilities.

The class, type, and number of streetlights currently designed and installed are listed by benefit zone as follows:

1. Description of Improvements

Table 1-1

2. Engineer's Estimate of Costs and Expenses

Cost estimates have been prepared for each Zone in the Assessment District.

In 2019, the City of Eastvale purchased a portion of the streetlights located within the boundaries of the District and retrofitted the lamps with energy-efficient LEDs. In 2020, the City entered into a contract with Western Community Energy (WCE) in order to have Direct Access to purchasing energy. As a result of these changes, the cost estimate tables have been updated. Energy costs for District-owned streetlights are now calculated using the SCE LS-2 Rate Schedule for LEDs for delivery charges and regulatory fees and the WCE Rate Schedule for generation charges; an Operations and Maintenance line item on cost estimate tables shows the cost of servicing the District-owned streetlights. Additionally, until the purchase of the streetlights has been fully paid (which is anticipated to occur in 2034), the streetlight acquisition costs have been added to each Zone.

For the few streetlights that were not available for purchase, they are owned and maintained by SCE and have also been retrofitted with LEDs. As a result, these few lights are still subject to the LS-1 E Rate Schedule and are not included in the Operations and Maintenance line item nor the streetlight acquisition calculations.

The updates to the cost estimate tables will not cause the assessment rate for any Zone to exceed the Maximum Assessment Rate for that Zone.

The payment for FY 2021-22 for the acquisition of the streetlights is $468,699.44, which is $113.24 per streetlight.

The estimates of the annual energy, maintenance and acquisition costs are shown in Tables 2-1 through 2-63.

TABLE 2-1
COST ESTIMATE
LIGHTING MAINTENANCE DISTRICT NO. 2001-3
ORIGINAL AREA: ZONE A TRACT NO. 29208

	Streetlights		FY 20-21		FY 21-22

9,500 L HPSV (LS-1)							
22,000 L HPSV (LS-1)							
39 w LED (LS-1)							
22 w LED (WCE/LS-2)	32	32	$37.95	$1,214.40	$45.36	$1,451.52	
84 w LED (WCE/LS-2)	8	8	$60.65	$485.20	$87.48	$699.84	
ENERGY CHARGES				**$1,699.60**		**$2,151.36**	(1)
Percentage Change from FY 20-21 to FY 21-22						**26.58%**	

	FY 20-21		FY 21-22		
Operations & Maintenance		$319.20		$487.20	(2)
ENERGY AND MAINTENANCE COSTS		**$2,018.80**		**$2,638.56**	
Streetlight Acquisition Costs		$4,529.60		$4,529.60	
Staff, Legal, Engineer's Cost, and Contingency		$264.27		$252.95	
TOTAL ESTIMATED COSTS		**$6,812.67**		**$7,421.11**	
Lots		151		151	
Units of Benefit (UOB)		151		151	
Maximum Allowable Assessment Per UOB		**$59.64**	**34.73%**	**$80.35**	(3)
Cost per UOB		**$45.12**		**$49.15**	
Reserve Collection / (Contribution) Per UOB	50.00%	$6.68	30.00%	$5.24	
RIVERSIDE COUNTY ENROLLMENT CHARGES					(4)
Per Zone Converted to Per Lot	$91.17 per Zone	$0.60	$91.17 per Zone	$0.60	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$52.75**		**$55.34**	(5)
Total Assessment for Zone		**$7,965.25**		**$8,356.34**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Zone Converted to Per Lot	$91.17 per Zone	$0.58	$91.17 per Zone	$0.58	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$46.81**		**$50.07**	(5)
Total Assessment for Zone		**$7,349.17**		**$7,860.99**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$40.25**		**$43.48**	(5)
Total Assessment for Zone		**$12,517.75**		**$13,522.28**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Zone Converted to Per Lot	$91.17 per Zone	$0.52	$91.17 per Zone	$0.52	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$37.65**		**$40.67**	(5)
Total Assessment for Zone		**$6,551.10**		**$7,076.58**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Cost per UOB		**$56.37**		**$61.21**	
Reserve Collection / (Contribution) Per UOB	10.00%	$1.77	10.00%	$2.22	
RIVERSIDE COUNTY ENROLLMENT CHARGES					(4)
Per Zone Converted to Per Lot	$91.17 per Zone	$0.32	$91.17 per Zone	$0.32	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$58.81**		**$64.10**	(5)
Total Assessment for Zone		**$16,584.42**		**$18,076.20**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Zone Converted to Per Lot	$91.17 per Zone	$15.20	$91.17 per Zone	$15.20	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$216.87**		**$243.44**	(5)
Total Assessment for Zone		**$1,301.22**		**$1,460.64**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Actual Assessment per UOB		**$63.49**		**$68.85**	(5)
Total Assessment for Zone		**$18,539.08**		**$20,104.20**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Zone Converted to Per Lot	$91.17 per Zone	$0.45	$91.17 per Zone	$0.45	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$44.58**		**$48.40**	(5)
Total Assessment for Zone		**$9,094.32**		**$9,873.60**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

Per Zone Converted to Per Lot	$91.17 per Zone	$0.28	$91.17 per Zone	$0.28	
Per Lot	$0.35 per Lot	$0.35	$0.35 per Lot	$0.35	
Actual Assessment per UOB		**$53.40**		**$57.54**	(5)
Total Assessment for Zone		**$17,408.40**		**$18,758.04**	

(1) Budgeted Energy Charges for the prior year were calculated using the Southern California Edison (SCE) LS-2 Rate Schedule from January 2020. Budgeted Energy Charges for the current year have been estimated using the combined Western Community Energy (WCE) Generation Charges as published in the April 1, 2021 WCE Rate Schedule, along with the SCE Delivery Charges, as published in the SCE LS-2 Rate Schedule dated February 1, 2021.

(2) Prior to purchasing the streetlights from SCE, LS-1 Rates, which include both Operations & Maintenance (O&M) and Energy Costs, were used to calculate Total Energy Costs. In FY 2020-21, the LS-1 Rates, which included O&M, applied to the HPSV lights only and the LEDs costs listed O&M separately. In FY 2021-22, the rates used are the combined WCE/SCE rates as noted above for the 22w and 84w LED Energy Costs and the O&M component is listed as a separate charge. LS-1 E Rates apply to the 39w LEDs.

(3) The Maximum Allowable Assessment Per UOB is escalated based on the increase in the SCE LS-2 rate schedule from January 2020 to the combined WCE/SCE LS-2 Rates from February and April 2021.

(4) Riverside County Enrollment Charges are estimated using the Fixed Charge Processing Guide published by the County for the 2020-21 Fiscal Year.

(5) The Actual Assessment per UOB may appear to exceed the Maximum Allowable Assessment per UOB due to the addition of enrollment fees charged by the County. All enrollment fees collected are disbursed to the County.

4. Assessment

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218, entitled "Right to Vote on Taxes Act", which added Article XIIID to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts.

Proposition 218 does not define the term "streets," however, based on the opinions of the public agency officials, attorneys, assessment engineers, and Senate Bill 919, it has been determined that streets include all public improvements located within the street rights-of-way. This would include median and parkway landscaping, traffic signals, safety lighting, and street lighting.

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property." Cal. Const., art. XIIID, §2(b). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees, and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements, which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

By its nature, most public improvements financed through an assessment district contain an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that portion of the cost of the improvement, which benefits the public generally to be separated from that portion of the cost of the improvement, which specially benefits assessed properties. Proposition 218 provides the following definition of "special benefit":

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Method of Assessment Apportionment

The "Landscaping and Lighting Act of 1972" and provisions of Article XIIID of the California Constitution require that the assessment be apportioned by a formula or method which fairly distributes the net amount among all assessable lots and parcels in proportion to the estimated special benefits to be received by each lot or parcel from the improvements. The act does not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings. The District has retained the firm of Albert A. Webb Associates for the purpose of assisting the Services District in analyzing the facts in this Assessment District and recommending to the Services District the correct apportionment of the assessment obligation.

In performing the analysis, it was necessary to identify the benefits that the improvements being financed render to the properties within the boundaries of the Assessment District and to determine the extent to which such properties receive a direct and special benefit as distinguished from benefits received by the general public. Due to the variation in the nature, location, and extent of the improvements being maintained, the

4. Assessment

Assessment District consists of two (2) Assessment Zones which will be inclusive of all lots within the Assessment District and combined into one total charge per lot.

Special Benefits

Zone 1 consists of all parcels that have street lighting on the street fronting their lots or parcels. This local lighting is of benefit as it provides increased property protection, personal safety, visibility, traffic safety, and directly enhances the appearance of those lots or parcels fronting upon illuminated streets.

Zone 2 consists of the major streets encompassing the Zone 1 parcels. These lights are much brighter than the local streetlights described in Zone 1 and provide both traffic and pedestrian safety on those major streets and intersections that carry the traffic generated by the Zone 1 parcels. These higher intensity streetlights will additionally benefit the Zone 1 parcels as this lighting will discourage illegal activity at night and will directly enhance the property values.

General Benefits

The streetlights described within the two Assessment Zones are required as a condition of the development of the area encompassed by the Assessment District. The lighting is for the direct benefit and enjoyment of those parcels within the Assessment District. Therefore, the improvements do not result in any general benefits.

Public Lands

This Assessment District contains one school site and three well sites which will receive no special benefit from the improvements and will not be assessed.

Allocation of Special Benefit Assessment

For details regarding the allocation of special benefit, see Cost Estimate Tables 2-1 through 2-63 in Section 2 of this Engineer's Report.

Original Area, Zone A (Tract No. 29208): The maximum assessment rate for Fiscal Year 2021-22 is $80.35 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.64. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $7,421.11. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.34 per UOB. This amount was established by dividing the total assessment of $8,356.34 (the actual assessment plus enrollment fees) by the number of UOBs (151) within the Zone (TABLE 2-1). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-1) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 1, Zone B (Tract No. 28946-1): The maximum assessment rate for Fiscal Year 2021-22 is $55.80 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $41.42. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,906.47. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.74 per UOB. This amount was established by dividing the total assessment of $7,301.94 (the actual assessment plus enrollment fees) by the number of UOBs (131) within the Zone (TABLE 2-2). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-2) on file in the office of the Services District Secretary and made a part hereof. Effective beginning in Fiscal

Year 2002-03, Zone B of the Assessment District was detached from Lighting Maintenance District No. 98-2 and annexed into Lighting Maintenance District No. 2001-3.

Annexation Area No. 2, Zone C (Tract No. 29104): The maximum assessment rate for Fiscal Year 2021-22 is $75.10 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $55.74. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $7,467.83. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $50.07 per UOB. This amount was established by dividing the total assessment of $7,860.99 (the actual assessment plus enrollment fees) by the number of UOBs (157) within the Zone (TABLE 2-3). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-3) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 3, Zone D (Tract No. 28821): The maximum assessment rate for Fiscal Year 2021-22 is $83.33 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $61.85. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $15,529.71. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $54.27 per UOB. This amount was established by dividing the total assessment of $16,281.00 (the actual assessment plus enrollment fees) by the number of UOBs (300) within the Zone (TABLE 2-4). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-4) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 4, Zone E (Tract Nos. 29148 and 29533): The maximum assessment rate for Fiscal Year 2021-22 is $92.25 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $68.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $33,794.15. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $59.90 per UOB. This amount was established by dividing the total assessment of $35,341.00 (the actual assessment plus enrollment fees) by the number of UOBs (590) within the Zone (TABLE 2-5). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-5) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 5, Zone F (Tract No. 29207): The maximum assessment rate for Fiscal Year 2021-22 is $79.64 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.11. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $12,970.31. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.75 per UOB. This amount was established by dividing the total assessment of $13,603.00 (the actual assessment plus enrollment fees) by the number of UOBs (244) within the Zone (TABLE 2-6). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-6) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 6, Zone G (Tract No. 29248): The maximum assessment rate for Fiscal Year 2021-22 is $73.61 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $54.64. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $7,527.65. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $57.23 per UOB. This amount was established by dividing the total assessment of $7,954.97 (the actual assessment plus enrollment fees) by the number of UOBs (139) within the Zone (TABLE 2-

7). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-7) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 7, Zone H (Tract No. 29542): The maximum assessment rate for Fiscal Year 2021-22 is $82.22 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $61.03. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $5,331.93. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $37.45 per UOB. This amount was established by dividing the total assessment of $5,654.95 (the actual assessment plus enrollment fees) by the number of UOBs (151) within the Zone (TABLE 2-8). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-8) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 8, Zone I (Tract No. 28880): The maximum assessment rate for Fiscal Year 2021-22 is $73.41 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $54.49. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $20,653.11. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $47.03 per UOB. This amount was established by dividing the total assessment of $21,633.80 (the actual assessment plus enrollment fees) by the number of UOBs (460) within the Zone (TABLE 2-9). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-9) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 9, Zone J (Tract No. 28943-2): The maximum assessment rate for Fiscal Year 2021-22 is $84.02 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $62.36. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,057.17. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.14 per UOB. This amount was established by dividing the total assessment of $6,396.24 (the actual assessment plus enrollment fees) by the number of UOBs (116) within the Zone (TABLE 2-10). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-10) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 10, Zone K (Tract No. 28943-1): The maximum assessment rate for Fiscal Year 2021-22 is $65.71 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $48.77. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,270.07. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $39.27 per UOB. This amount was established by dividing the total assessment of $6,636.63 (the actual assessment plus enrollment fees) by the number of UOBs (169) within the Zone (TABLE 2-11). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-11) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 11, Zone L (Tract No. 28946-2): The maximum assessment rate for Fiscal Year 2021-22 is $81.11 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $60.20. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,695.87. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $51.62 per UOB. This amount was established by dividing the total assessment of $7,071.94 (the actual assessment plus enrollment fees) by the number of UOBs (137) within the Zone (TABLE 2-

12). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-12) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 12, Zone M (Tract Nos. 30816 and 30817): The maximum assessment rate for Fiscal Year 2021-22 is $76.86 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $57.05. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $19,113.97. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $56.00 per UOB. This amount was established by dividing the total assessment of $20,048.00 (the actual assessment plus enrollment fees) by the number of UOBs (358) within the Zone (TABLE 2-13). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-13) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 13, Zone N (Tract No. 30633): The maximum assessment rate for Fiscal Year 2021-22 is $66.03 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $49.01. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for purchase of the streetlights, is $13,831.91. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. Each single-family residential parcel within Zone N will receive a similar benefit; accordingly, each developed single family residential lot within Zone N has been assessed on the basis of one (1) UOB. Each commercial parcel within Zone N will be assessed on the basis of three and seven tenths (3.7) UOBs per acre which is consistent with the average density of the Assessment District. The applied assessment rate for single-family residential parcels, with the addition of Riverside County enrollment fees, will be $43.12 per UOB, which was established by dividing the total assessment for residential of $13,324.08 (the actual assessment plus enrollment fees) by the number of residential UOBs (309) within this Zone. The assessment for the (7) commercial parcels in the Zone is $1,193.92, making the total assessment for the Zone $14,518.00 (TABLE 2-14). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-14) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 14, Zone O (Tract No. 30567): The maximum assessment rate for Fiscal Year 2021-22 is $104.16 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $77.31. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,386.55. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $71.32 per UOB. This amount was established by dividing the total assessment of $2,567.52 (the actual assessment plus enrollment fees) by the number of UOBs (36) within the Zone (TABLE 2-15). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-15) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 15, Zone P (Tract Nos. 30701 and 30702): The maximum assessment rate for Fiscal Year 2021-22 is $65.27 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $48.45. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $12,888.37. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $43.48 per UOB. This amount was established by dividing the total assessment of $13,522.28 (the actual assessment plus enrollment fees) by the number of UOBs (311) within the Zone (TABLE 2-16). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-16) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 16, Zone Q (Tract No. 29694): The maximum assessment rate for Fiscal Year 2021-22 is $80.40 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.68. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $5,269.99. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $46.96 per UOB. This amount was established by dividing the total assessment of $5,588.24 (the actual assessment plus enrollment fees) by the number of UOBs (119) within the Zone (TABLE 2-17). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-17) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 17, Zone R (Plot Plan No. 18477): The maximum assessment rate for Fiscal Year 2021-22 is $98.94 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $73.44. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $891.65. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $92.42 per UOB. This amount was established by dividing the total assessment of $1,016.62 (the actual assessment plus enrollment fees) by the number of UOBs (11) within the Zone (TABLE 2-18). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-18) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 18, Zone S (Tract No. 31323): The maximum assessment rate for Fiscal Year 2021-22 is $67.47 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $50.08. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,685.99. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $48.87 per UOB. This amount was established by dividing the total assessment of $2,883.33 (the actual assessment plus enrollment fees) by the number of UOBs (59) within the Zone (TABLE 2-19). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-19) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 19, Zone T (Tract No. 30480): The maximum assessment rate for Fiscal Year 2021-22 is $97.23 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $72.17. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $18,779.13. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $62.29 per UOB. This amount was established by dividing the total assessment of $19,621.35 (the actual assessment plus enrollment fees) by the number of UOBs (315) within the Zone (TABLE 2-20). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-20) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 20, Zone U (Tract No. 30735): The maximum assessment rate for Fiscal Year 2021-22 is $79.41 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $58.94. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $12,821.83. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $52.81 per UOB. This amount was established by dividing the total assessment of $13,466.55 (the actual assessment plus enrollment fees) by the number of UOBs (255) within the Zone (TABLE 2-21). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-21) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 21, Zone V (Tract No. 29677): The maximum assessment rate for Fiscal Year 2021-22 is $82.13 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $60.96. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $20,870.61. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $52.33 per UOB. This amount was established by dividing the total assessment of $21,821.61 (the actual assessment plus enrollment fees) by the number of UOBs (417) within the Zone (TABLE 2-22). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-22) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 22, Zone W (Tract No. 30576): The maximum assessment rate for Fiscal Year 2021-22 is $62.41 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $46.32. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,698.17. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $40.67 per UOB. This amount was established by dividing the total assessment of $7,076.58 (the actual assessment plus enrollment fees) by the number of UOBs (174) within the Zone (TABLE 2-23). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-23) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 23, Zone X (Tract No. 30904): The maximum assessment rate for Fiscal Year 2021-22 is $81.68 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $60.63. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,044.99. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $61.52 per UOB. This amount was established by dividing the total assessment of $2,214.72 (the actual assessment plus enrollment fees) by the number of UOBs (36) within the Zone (TABLE 2-24). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-24) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 24, Zone Y (Tract No. 30905): The maximum assessment rate for Fiscal Year 2021-22 is $70.87 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $52.60. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,240.45. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $47.45 per UOB. This amount was established by dividing the total assessment of $3,463.85 (the actual assessment plus enrollment fees) by the number of UOBs (73) within the Zone (TABLE 2-25). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-25) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 25, Zone Z (Tract No. 30820): The maximum assessment rate for Fiscal Year 2021-22 is $80.23 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.55. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,582.01. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $53.74 per UOB. This amount was established by dividing the total assessment of $3,815.54 (the actual assessment plus enrollment fees) by the number of UOBs (71) within the Zone (TABLE 2-26). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-26) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 26, Zone AA (Tract No. 30785): The maximum assessment rate for Fiscal Year 2021-22 is $85.05 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $63.13. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,344.43. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $63.07 per UOB. This amount was established by dividing the total assessment of $2,522.80 (the actual assessment plus enrollment fees) by the number of UOBs (40) within the Zone (TABLE 2-27). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-27) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 27, Zone BB (Tract No. 30895): The maximum assessment rate for Fiscal Year 2021-22 is $80.08 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.44. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,131.53. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $60.51 per UOB. This amount was established by dividing the total assessment of $2,299.38 (the actual assessment plus enrollment fees) by the number of UOBs (38) within the Zone (TABLE 2-28). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-28) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 28, Zone CC (Tract No. 31386): The maximum assessment rate for Fiscal Year 2021-22 is $94.94 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $70.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $8,146.35. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $63.06 per UOB. This amount was established by dividing the total assessment of $8,576.16 (the actual assessment plus enrollment fees) by the number of UOBs (136) within the Zone (TABLE 2-29). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-29) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 29, Zone DD (Tract Nos. 30575 and 31580): The maximum assessment rate for Fiscal Year 2021-22 is $99.28 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $73.69. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $17,259.81. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $64.10 per UOB. This amount was established by dividing the total assessment of $18,076.20 (the actual assessment plus enrollment fees) by the number of UOBs (282) within the Zone (TABLE 2-30). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-30) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 30, Zone EE (Tract No. 30762): The maximum assessment rate for Fiscal Year 2021-22 is $73.55 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $54.59. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $8,616.57. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $49.60 per UOB. This amount was established by dividing the total assessment of $9,076.80 (the actual assessment plus enrollment fees) by the number of UOBs (183) within the Zone (TABLE 2-31). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-31) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 31, Zone FF (Tract Nos. 28880 and 29334): The maximum assessment rate for Fiscal Year 2021-22 is $71.00 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of

$52.70. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $10,534.97. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $46.41 per UOB. This amount was established by dividing the total assessment of $11,091.99 (the actual assessment plus enrollment fees) by the number of UOBs (239) within the Zone (TABLE 2-32). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-32) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 32, Zone GG (Tract No. 28742): The maximum assessment rate for Fiscal Year 2021-22 is $78.24 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $58.07. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $5,331.93. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $53.20 per UOB. This amount was established by dividing the total assessment of $5,639.20 (the actual assessment plus enrollment fees) by the number of UOBs (106) within the Zone (TABLE 2-33). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-33) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 33, Zone HH (Tract No. 31405): The maximum assessment rate for Fiscal Year 2021-22 is $80.38 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $59.66. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $4,307.25. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $57.86 per UOB. This amount was established by dividing the total assessment of $4,570.94 (the actual assessment plus enrollment fees) by the number of UOBs (79) within the Zone (TABLE 2-34). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-34) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 34, Zone II (Tract Nos. 30893 and 30933): The maximum assessment rate for Fiscal Year 2021-22 is $78.07 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $57.95. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,217.75. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $50.96 per UOB. This amount was established by dividing the total assessment of $9,682.40 (the actual assessment plus enrollment fees) by the number of UOBs (190) within the Zone (TABLE 2-35). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-35) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 35, Zone JJ (Tract No. 31220): The maximum assessment rate for Fiscal Year 2021-22 is $66.45 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $49.32. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,832.09. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $51.11 per UOB. This amount was established by dividing the total assessment of $1,993.29 (the actual assessment plus enrollment fees) by the number of UOBs (39) within the Zone (TABLE 2-36). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-36) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 36, Zone KK (Parcel Map No. 31526): The maximum assessment rate for Fiscal Year 2021-22 is $298.05 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $221.23.

The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,317.45. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $243.44 per UOB. This amount was established by dividing the total assessment of $1,460.64 (the actual assessment plus enrollment fees) by the number of UOBs (6) within the Zone (TABLE 2-37). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-37) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 37, Zone LL (Tract No. 31734): The maximum assessment rate for Fiscal Year 2021-22 is $63.17 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $46.89. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,668.55. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $42.92 per UOB. This amount was established by dividing the total assessment of $3,905.72 (the actual assessment plus enrollment fees) by the number of UOBs (91) within the Zone (TABLE 2-38). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-38) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 38, Zone MM (Tract No. 31063): The maximum assessment rate for Fiscal Year 2021-22 is $91.74 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $68.09. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,067.37. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $69.92 per UOB. This amount was established by dividing the total assessment of $3,286.24 (the actual assessment plus enrollment fees) by the number of UOBs (47) within the Zone (TABLE 2-39). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-39) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 39, Zone NN (Tract No. 31476): The maximum assessment rate for Fiscal Year 2021-22 is $67.46 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $50.07. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,485.27. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $45.33 per UOB. This amount was established by dividing the total assessment of $6,844.83 (the actual assessment plus enrollment fees) by the number of UOBs (151) within the Zone (TABLE 2-40). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-40) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 40, Zone OO (Tract No. 31725): The maximum assessment rate for Fiscal Year 2021-22 is $88.02 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $65.33. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,398.73. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.34 per UOB. This amount was established by dividing the total assessment of $6,751.48 (the actual assessment plus enrollment fees) by the number of UOBs (122) within the Zone (TABLE 2-41). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-41) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 41, Zone PP (Tract No. 31803): The maximum assessment rate for Fiscal Year 2021-22 is $69.73 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $51.76. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $7,425.71. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $42.75 per UOB. This amount was established by dividing the total assessment of $7,823.25 (the actual assessment plus enrollment fees) by the number of UOBs (183) within the Zone (TABLE 2-42). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-42) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 42, Zone QQ (Tract No. 30825): The maximum assessment rate for Fiscal Year 2021-22 is $137.51 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $102.07. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,196.03. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $97.50 per UOB. This amount was established by dividing the total assessment of $3,412.50 (the actual assessment plus enrollment fees) by the number of UOBs (35) within the Zone (TABLE 2-43). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-43) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 43, Zone RR (Tract No. 30913): The maximum assessment rate for Fiscal Year 2021-22 is $110.72 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $82.18. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $19,224.93. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $68.85 per UOB. This amount was established by dividing the total assessment of $20,104.20 (the actual assessment plus enrollment fees) by the number of UOBs (292) within the Zone (TABLE 2-44). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-44) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 44, Zone SS (Tract No. 31726): The maximum assessment rate for Fiscal Year 2021-22 is $61.08 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $45.34. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $7,210.51. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $40.70 per UOB. This amount was established by dividing the total assessment of $7,610.90 (the actual assessment plus enrollment fees) by the number of UOBs (187) within the Zone (TABLE 2-45). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-45) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 45, Zone TT (Tract No. 31622): The maximum assessment rate for Fiscal Year 2021-22 is $54.04 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $40.11. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,156.21. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $35.56 per UOB. This amount was established by dividing the total assessment of $3,378.20 (the actual assessment plus enrollment fees) by the number of UOBs (95) within the Zone (TABLE 2-46). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-46) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 46, Zone UU (Tract No. 32125): The maximum assessment rate for Fiscal Year 2021-22 is $122.47 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $90.90. The

estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,473.09. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $75.75 per UOB. This amount was established by dividing the total assessment of $2,651.25 (the actual assessment plus enrollment fees) by the number of UOBs (35) within the Zone (TABLE 2-47). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-47) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 47, Zone VV (Tract No. 31931): The maximum assessment rate for Fiscal Year 2021-22 is $87.80 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $65.17. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,131.53. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $48.99 per UOB. This amount was established by dividing the total assessment of $2,302.53 (the actual assessment plus enrollment fees) by the number of UOBs (47) within the Zone (TABLE 2-48). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-48) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 48, Zone WW (Tract No. 31492): The maximum assessment rate for Fiscal Year 2021-22 is $72.46 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $53.78. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $8,532.33. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $51.91 per UOB. This amount was established by dividing the total assessment of $8,980.43 (the actual assessment plus enrollment fees) by the number of UOBs (173) within the Zone (TABLE 2-49). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-49) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 49, Zone XX (Tract No. 30971): The maximum assessment rate for Fiscal Year 2021-22 is $5.95 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $4.42. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for purchase of the streetlights, is $1,530.35. The special benefit assessment will be allocated to parcels within the Services District on a unit of benefit (UOB) basis. Each single-family residential parcel within Zone XX will receive a similar benefit; accordingly, each developed single-family residential lot within Zone XX has been assessed on the basis of one (1) UOB. Each commercial parcel within Zone XX will be assessed on the basis of three and seven tenths (3.7) UOBs per acre which is consistent with the average density of the Assessment District. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $3.17 per UOB. This amount was established by dividing the total assessment for residential of $1,729.70 (the actual assessment plus enrollment fees) by the number of residential UOBs (490) within this Zone. The total assessment for the (9) commercial parcels in the Zone is $125.67, making the total assessment for the Zone $1,855.37 (TABLE 2-50). The assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-50) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 50, Zone YY (Tract No. 31252): The maximum assessment rate for Fiscal Year 2021-22 is $74.61 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $55.38. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $9,386.23. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $48.40 per UOB. This amount was established by dividing the total assessment of $9,873.60 (the actual assessment plus enrollment fees) by the number of UOBs (204) within the Zone (TABLE 2-

51). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-51) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 51, Zone ZZ (Tract No. 30896): The maximum assessment rate for Fiscal Year 2021-22 is $81.94 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $60.82. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $3,923.57. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $57.12 per UOB. This amount was established by dividing the total assessment of $4,169.76 (the actual assessment plus enrollment fees) by the number of UOBs (73) within the Zone (TABLE 2-52). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-52) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 52, Zone AAA (Tract No. 31309): The maximum assessment rate for Fiscal Year 2021-22 is $77.04 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $57.18. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $15,875.87. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $49.78 per UOB. This amount was established by dividing the total assessment of $16,626.52 (the actual assessment plus enrollment fees) by the number of UOBs (334) within the Zone (TABLE 2-53). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-53) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 53, Zone BBB (Tract No. 32491): The maximum assessment rate for Fiscal Year 2021-22 is $94.29 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $69.99. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $10,324.37. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $62.29 per UOB. This amount was established by dividing the total assessment of $10,838.46 (the actual assessment plus enrollment fees) by the number of UOBs (174) within the Zone (TABLE 2-54). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-54) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 54, Zone CCC (Tract No. 30931): The maximum assessment rate for Fiscal Year 2021-22 is $85.91 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $63.77. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $22,272.07. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $55.63 per UOB. This amount was established by dividing the total assessment of $23,308.97 (the actual assessment plus enrollment fees) by the number of UOBs (419) within the Zone (TABLE 2-55). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-55) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 55, Zone DDD (Tract No. 31826): The maximum assessment rate for Fiscal Year 2021-22 is $86.59 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $64.27. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $18,648.17. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $56.39 per UOB. This amount was established by dividing the total assessment of $19,510.94 (the actual assessment plus enrollment fees) by the number of UOBs (346) within the Zone (TABLE 2-

56). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-56) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 56, Zone EEE (Tract No. 28943): The maximum assessment rate for Fiscal Year 2021-22 is $67.81 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $50.33. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,594.85. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $35.74 per UOB. This amount was established by dividing the total assessment of $2,823.46 (the actual assessment plus enrollment fees) by the number of UOBs (79) within the Zone (TABLE 2-57). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-57) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 57, Zone FFF (Tract Nos. 31961 and 31643): The maximum assessment rate for Fiscal Year 2021-22 is $88.00 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $65.32. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $17,930.01. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $57.54 per UOB. This amount was established by dividing the total assessment of $18,758.04 (the actual assessment plus enrollment fees) by the number of UOBs (326) within the Zone (TABLE 2-58). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-58) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 58, Zone GGG (Tract No. 31406): The maximum assessment rate for Fiscal Year 2021-22 is $114.98 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $85.34. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $6,888.95. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $79.00 per UOB. This amount was established by dividing the total assessment of $7,268.00 (the actual assessment plus enrollment fees) by the number of UOBs (92) within the Zone (TABLE 2-59). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-59) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 59, Zone HHH (Tract Nos. 32821 and 32821-1): The maximum assessment rate for Fiscal Year 2021-22 is $10.19 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $7.56. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $1,743.25. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $6.19 per UOB. This amount was established by dividing the total assessment of $2,166.50 (the actual assessment plus enrollment fees) by the number of UOBs (350) within the Zone (TABLE 2-60). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-60) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 60, Zone III (Tract No. 36382): Per instruction from the Jurupa Community Services District, beginning in Fiscal Year 2021-22 Annexation 60, Zone III, will no longer be assessed as a part of LMD 2001-3 as the streetlights Zone III was designed to fund are owned and maintained by the City of Eastvale.

Annexation Area No. 61, Zone JJJ (Tract No. 36423): The maximum assessment rate for Fiscal Year 2021-22 is $73.39 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $54.47. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $10,326.67. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit

(UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $48.43 per UOB. This amount was established by dividing the total assessment of $10,848.32 (the actual assessment plus enrollment fees) by the number of UOBs (224) within the Zone (TABLE 2-61). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-61) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 62, Zone LLL (Tract No. 34014): The maximum assessment rate for Fiscal Year 2021-22 is $19.51 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $14.48. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for the purchase of the streetlights, is $2,594.85. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $12.83 per UOB. This amount was established by dividing the total assessment of $2,873.92 (the actual assessment plus enrollment fees) by the number of UOBs (224) within the Zone (TABLE 2-62). The total assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-62) on file in the office of the Services District Secretary and made a part hereof.

Annexation Area No. 63, Zone MMM (Tract No. 29997): The maximum assessment rate for Fiscal Year 2021-22 is $75.11 per UOB, which is a 34.73% increase over the prior year's maximum assessment rate of $55.75. The estimated total cost for Fiscal Year 2021-22, which includes acquisition costs for purchase of the streetlights, is $7,250.33. The special benefit assessment will be allocated to parcels within the Zone on a unit of benefit (UOB) basis. Each single-family residential parcel within Zone MMM will receive a similar benefit; accordingly, each developed single-family residential lot within Zone MMM has been assessed on the basis of one (1) UOB. Each commercial parcel within Zone MMM will be assessed on the basis of three and seven tenths (3.7) UOBs per acre which is consistent with the average density of the Assessment District. The applied assessment rate for Fiscal Year 2021-22, with the addition of Riverside County enrollment fees, will be $50.34 per UOB. This amount was established by dividing the total assessment for residential of $6,141.48 (the actual assessment plus enrollment fees) by the number of residential UOBs (122) within this Zone. The total assessment for the one (1) commercial parcel in the Zone is $1,500.75, making the total assessment for the Zone $7,642. 23. (TABLE 2-63). The assessment applicable to each parcel for Fiscal Year 2021-22 is shown on the assessment roll (TABLE 4-63) on file in the office of the Services District Secretary and made a part hereof.

Future Maximum Annual Assessments

The assessments will be levied on an annual basis for as long as the services are rendered and the amount of the assessment to be levied on each such parcel in each subsequent fiscal year shall be increased by the percentage increase, if any, in the cost of electric power which the Services District will pay to Southern California Edison Company, or any successor thereto, for electric power for the operation and maintenance of the streetlights for each such fiscal year, so that the total amount of the assessments on all such lots and parcels will not be less than the Services District's costs, including the cost of electric power, for the operation and maintenance of streetlights in each such fiscal year. For Fiscal Year 2021-22, the annual increase in the Maximum Assessment for each Zone was calculated based upon the average increase in LS-2 rates 22w LED lamps and 84w LED lamps over the prior Fiscal Year. The Maximum Assessment Rate for each Zone has escalated 34.73% for FY 2021-22.

In March 2019, the majority of the streetlights within the Services District were purchased from Southern California Edison (SCE), with the exception of a few streetlights that were not available for purchase. Prior to the purchase, SCE charged the City for both energy and operations and maintenance using the LS-1 Rate Schedule, which is updated periodically throughout the year, for all of the streetlights in the Services District. Since the purchase, SCE continues to charge the City using the LS-1 E Rate Schedule for all streetlights owned and maintained by SCE; however, for the streetlights purchased by the City, delivery-related and regulatory charges are now assessed based on the LS-2 Rate Schedule, and generation charges are based on the Western

Community Energy Rate Schedule. The Services District has assumed responsibility for operations and maintenance, as can be seen in the Section 2 Cost Estimates (Tables 2-1 to 2-63).

All streetlights have been retrofitted, replacing the existing high-pressure sodium vapor (HPSV) lamps with energy efficient light-emitting diode (LED) lamps. As a result, the energy rates used to estimate costs for the City-owned streetlights are the LED rates from the LS-2 Rate Schedule, with a Public Utilities Commission effective date of February 1, 2021, and the WCE Rate Schedule with an effective date of April 1, 2021. The streetlights that were not available for purchase are still owned and operated by SCE and the costs have been based on the LS-1 E Rate Schedule with a Public Utilities Commission effective date of February 1, 2021.

As new parcels are annexed into the Assessment District, they will be subject to the same method of assessment apportionment as contained herein.

Duration

The duration of the assessments will be for as long as the lighting maintenance services are provided.

APPENDIX A

Resolution No. 3114 Ordering Preparation of this Engineer's Report

RESOLUTION NO. 3114

RESOLUTION OF THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT ORDERING THE PREPARATION OF ENGINEER'S REPORTS FOR THE LEVY AND COLLECTION OF ASSESSMENTS IN LANDSCAPE AND LIGHTING MAINTENANCE DISTRICTS FOR FISCAL YEAR 2021-22

WHEREAS, as authorized by the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the "Act"), the Board of Directors of Jurupa Community Services District (the "Board of Directors" and the "District") has established the following landscape and lighting maintenance districts within the District (the "Landscape and Lighting Maintenance Districts"): Landscape Maintenance District No. 91-1, Landscape Maintenance District No. 98-1, Lighting Maintenance District No. 98-2, Lighting Maintenance District No. 2001-1, Lighting Maintenance District No. 2001-2, Lighting Maintenance District No. 2001-3, and Landscape Maintenance District No. 2003-1 (Commercial); and

WHEREAS, the Board of Directors has determined that the public interest, convenience, and necessity require the continued levy of assessments within the Landscape and Lighting Maintenance Districts for the purpose of installing, constructing, operating, acquiring and maintaining public landscaping and public street lighting and appurtenant facilities as authorized by the Act;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF JURUPA COMMUNITY SERVICES DISTRICT AS FOLLOWS:

Section 1. The Board of Directors hereby initiates proceedings pursuant to the Act to levy and collect annual assessments for fiscal year 2021-22 on property within the Landscape and Lighting Maintenance Districts for the maintenance, servicing, acquisition and operation of public landscaping and public street lighting facilities and appurtenant facilities.

Section 2. The maintenance, acquisition and service or servicing to be performed consists of the furnishing of services and materials for the ordinary and usual operation, maintenance, acquisition and servicing of public lighting facilities and the maintenance and servicing of public landscape, including but not limited to all matters specified in Section 22531 and Section 22538 of the Streets and Highways Code.

Section 3. The proceedings for the annual levy of assessments are to be conducted pursuant to the Act.

Section 4. Albert A. Webb Associates, the District's assessment engineer, is hereby directed to prepare the written report provided for in Section 22567 of the Streets and Highways Code with respect to the levy of assessments for fiscal year 2021-22 in each of the Landscape and Lighting Maintenance Districts and to file such reports with the Secretary to the Board of Directors.

ADOPTED this 26th day of April 2021.

Betty A. Folsom

President of the Board of Directors

ATTEST:

Rosemary Hernandez for

Secretary to the Board of Directors

CERTIFICATION

I, Rosemary Hernandez, for Secretary to the Board of Directors of Jurupa Community Services District, certify that the foregoing resolution was adopted by the Board of Directors at a regular meeting held on the 26th day of April 2021, by the following vote of the Directors:

AYES:	Betty Folsom, Jane F. Anderson, Lupe R. Nava, Bart Moreno
NOES:	None
ABSENT:	Kenneth J. McLaughlin
ABSTAINED:	None

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of Jurupa Community Services District this 26th day of April 2021.

Rosemary Hernandez for
Secretary to the Board of Directors

CITY OF EASTVALE

AGENDA STAFF REPORT

City Council Meeting
CITY COUNCIL BUSINESS
Agenda Item No. 13.1
June 22, 2022

Adoption of the Fiscal Year 2022-2023 Annual Operating and Capital Improvement Budget

Prepared By:

Amanda Wells, Finance Director/City Treasurer

Recommended Action(s)

Staff recommends that the City Council approve and adopt the following:

1. Fiscal Year 2021-2022 Annual Operating and Capital Improvement Budget; and
2. A Resolution of the City Council of the City of Eastvale, California, Approving and Adopting the Annual Appropriations Limit Pursuant to Article XIII (B) of the California Constitution for Fiscal Year 2022-2023; and
3. A Resolution of the City Council of the City of Eastvale, California, Adopting An Operating Budget and Capital Improvement Budget for the Fiscal Year Commencing July 1, 2022 and Ending June 30, 2023, and Appropriating Funds for Purposes Therein Set Forth; and
4. A Resolution of the City Council of the City of Eastvale, California, Approving the Commitment of Fund Balance Pursuant to GASB 54; and
5. A Resolution of the City Council of the City of Eastvale, California, Establishing Revised Salary Schedules and Range Tables Effective July 1, 2022 and January 1, 2023; and
6. A Resolution of the City of Council of the City of Eastvale, California, Establishing the Authorized Positions for the Fiscal Year 2022-2023, Effective July 1, 2022

Summary

The goal of the Annual Operating and Capital Improvement Budget serves to establish both long-term and short-term financial planning for the City while adhering to regulations set by the Governmental Accounting Standards Board (GASB) and criteria for the Government Finance Officers

Association (GFOA) budget award. The comprehensive budget illustrates City Council's commitment to providing cost effective municipal services. City Council adopts an operating and capital improvement budget every year, which commits resources for the accomplishment of the City's Strategic Plan, provision of services to the public, regulatory and statutory requirements, and adherence to policies. The budget report identifies target areas while measuring achievements to ensure departments remain effective, efficient, and perform. An abundant amount of time, analysis, and data from various resources helps establish projections to forecast proper revenue and expenditure budgets. Early financial planning by the City Manager's Office and the Finance Department is followed with the identification of key goals identified by City Council, City departments, stakeholders, and members of the community supporting the determination of how the City should manage its assets and liabilities.

The budget is a dynamic document that is amended throughout the year for various reasons, including City Council actions on department requests, actions by third parties which impact the budget plan, or changes in the economy. At the Mid-Year review, Finance projected a General Fund surplus of $38.2 million, mostly attributable to the increased sales tax receipts from a local business that changed business structure.

This proposed Fiscal-Year 2022-23 Annual Operating and Capital Improvement Budget document represents the City of Eastvale's conservative estimate of the City's financial performance in the coming year. The proposed budget plan includes $94,336,724 in total revenues and $91,282,736 in total expenditures (excludes transfers of $9,286,747). The proposed budget estimates General Fund revenues at $63,709,435 and expenditures at $37,976,460, creating a budget surplus of $25,732,975 (figures include transfers). After compiling budget estimates, a proposed fiscal-year budget is brought to the full City Council for consideration and adoption. Although the primary emphasis is on the General Fund, the comprehensive budget document includes special revenue, capital improvement projects, internal service funds, underlying rationale, long-term forecasts, and investment strategy necessary to meet the projects and policies set fourth by the City Council.

Background

FISCAL YEAR 2022-23 BUDGET ANALYSIS

GENERAL FUND – REVENUES, EXPENDITURES & AVAILABLE RESOURCES

Overall, general fund revenue projections are $63,709,435 and expenditures are $37,976,460 (inclusive of transfers). General fund revenues exceed expenditures by $25,732,975, creating a budget surplus. Of the $63.7 million in revenues, $29.3 are attributable to operating revenues, $34.4 are non-operating revenues. Of the $38.0 million in expenditures, $29.4 are attributable to operating expenditures, $8.6 are non-operating expenditures. As a result, the city is expected to end the 2022-23 fiscal year with a $93,375 operating deficit, however an estimated $25.8 million in non-operating surplus is available to cover the deficit. The fiscal year 2022-23 budget includes $8,605,020 in transfers out to the General Capital Projects Fund, Capital Replacement Funds and general contribution for special assessment districts.

General Fund Operating Statement

The General Fund is projected to bring in $29,309,435 in operating revenues and $29,402,810 in operating expenditures. Expenditures exceed revenues and as a result, the General Fund has an

operating deficit of $93,375. On the non-operating side, staff projects $34,400,000 in non-operating revenues and $8,573,650 in non-operating expenditures. Non-operating revenues exceed expenditures and as a result, the General Fund has a non-operating surplus of $25,826,350. In order to balance the budget, the city must use non-operating revenues for its operating deficit of $93,375. Sales tax and franchise fees comprise the two sources of non-operating revenues. The franchise fees are one-time in nature and represent a $4.0 million waste hauler retention fee. The sales tax revenue represents a local company in the business and industry category that changed business structure and as a result caused a significant increase in the city's sales tax receipts.

General Fund Revenue Forecast

Revenues total $63,709,435; operating revenues total $29,309,435 and non-operating revenues total $34,400,000 for the fiscal year 2022-23. Net of transfers, revenues total $63,709,435.

General Fund Revenue highlights include the following:

- *Sales and Use Tax* – In fiscal year 2020-21 a company in the city changed business structure, which significantly increased the city's sales tax revenues. As a result, staff is recommending budget for sales tax revenues for fiscal year 2022-23 at $44.0 million, based on HdL's projections (City's vendor for sales tax projections). Of the sales tax revenues, $13.6 million is considered operating revenue and $30.4 is considered non-operating revenue. Staff continues to utilize the non-operating sales tax for one-time non-operating expenditures, such as funding future capital maintenance and replacement projects, future capital projects, and current capital projects. It is unknown how long these non-operating revenues will last, point of sale location for any business could change at any time for a multitude of reasons, as such it is a conservative approach to only use these revenues sparingly for operating costs and utilize a majority of the funding for non-operating capital equipment and infrastructure projects.
- *Property Tax* – A wave of commercial parcel assessment valuation appeals has been occurring throughout the county. Although home prices have remained steady and the city experienced development of new commercial property, the influx of assessment appeals will keep the city's overall assessed property valuation from growing at the same pace encountered over the past several years. As a result, staff recommends increasing property tax revenues at 4.76% higher than the prior year, based on projections provided by HdL Coren and Cone.
- *Franchise Fees* – The city expects to see an increase in refuse franchise fees as a new agreement with Waste Management takes effect on July 1, 2022. Additionally, a final $4.0 million waste hauler retention fee will be received in the new fiscal year; this one-time, non-operating revenue source will increase franchise fees in the new year, but will not be repeated in future years. Franchise fees are set at a 26% increase over the prior fiscal year at $6.07 million.
- *Licenses, Fees, and Permits* - Building and Safety activity has remained steady over the past few fiscal years and saw a heavy increase in permits during the pandemic. Development activity is expected to decrease. Staff recommends budgeting building permits, development revenue, and encroachment fees with a 12% decrease from 2021-22 fiscal year projections at $2.5 million.
- *Fines, Penalties, and Forfeitures* - Staff recommends increasing this revenue category to $586,000 for fiscal year 2022-23, an increase of 20% from the previous year. Although this category was impacted by the COVID-19 pandemic and subsequent economic shutdown, staff

expects activities in this category to continue to increase towards 2019-20 levels.

- *Intergovernmental* – Intergovernmental revenue consists primarily of Vehicle License Fee Adjustment Account (VLFAA) Revenue, resulting from the passing of SB130 in April 2017. VLFAA revenues are based on property valuations, which have continued to steadily increase in the city over the last few years. Intergovernmental revenue is expected to decrease from $6,099,611 to $5,725,000 or a reduction of 6.14% in fiscal year 2022-23. In prior years, special assessment district revenue from Jurupa Community Services District (JCSD) is also included in this category. When the city purchased streetlights from Southern California Edison for LED retrofit project, a majority of the streetlights were located in JCSD assessment districts. As a result, JCSD annually transfers maintenance cost reimbursements to the city. However, the city recently took over administration of the Lighting Maintenance Districts and as a result has moved this revenue into the appropriate funds to properly account for this revenue.

General Fund Expenditures

Overall, the total expenditures for the General Fund total $37,976,460 in fiscal year 2022-23; operating expenditures total $29,402,810 and non-operating expenditures total $8,573,650

Personnel

- *Salaries and Benefits* costs are projected at $7,691,230 for fiscal year 2022-23. The personnel projections were prepared based on current pay rates plus 5% merit for all employees. Budget estimates include full benefits, including health and retirement contributions. Vacant positions are budgeted at top step with full benefits. Also included, a 2.5% COLA approved during the last budget cycle effective January 1, 2023. The proposed full-time equivalent (FTE) of City employees is 56.25 for fiscal year 2022-23, an increase of 0.50 positions from 55.75 in the 2021-22 budget. Personnel costs increased $1,197,620 over the prior year. Although there is a nominal change in positions, the budget change is primarily due to a ten-position increase during the mid-year budget process. These positions were not budgeted for a full twelve-month period in the prior year, however the full impact to the budget has been included in the calculations for the new fiscal year. Total proposed staffing includes 53 full-time staff and 3.25 part-time staff.
- *Position Changes* for the 2022-23 budget plan include several title changes, three reclassifications and one new position. In total the changes will equate to a $46,522 savings, as a public works contract service is transferred to in-house with the Public Works Superintendent position. Other reclassifications include changing one Assistant Planner to Associate Planner, one Office Specialist to Human Resources Technician, and one Office Specialist to Senior Administrative Specialist.

Operations

- *Law Enforcement* costs are $12,943,390 as compared to $12,302,638 for fiscal year 2021-22. During the 2021-22 mid year process, Council authorized two additional motor deputies. The full annual cost of these two dedicated positions is budgeted for the new fiscal year. Additionally, the city continues to fund a $136,000 line item for special overtime operations within the city. Finally, the Riverside Sheriff Office announced a 2.0 to 2.5% contract increase for the new fiscal year. Budget projections include the higher 2.5%.
- *General Government and Building Maintenance* includes city wide costs such as copier

maintenance, revenue neutrality with Riverside County, transfers out to other funds, and maintenance costs for city owned and maintained buildings and facilities. This category previously held the sales tax abatement with Tarpon properties, which was paid off in the 2021-22 fiscal year. Riverside County revenue neutrality will continue until 2040; budget projections are $278,100 for the new year. Total expenditures for the general government and building maintenance category are $9,387,150 for fiscal year 2022-23, a decrease of $887,322 from the prior fiscal year. Transfers represent the largest expenditure in this category at $8,605,020 million. Transfers out to the new capital replacement funds for information technology, vehicles, street maintenance, and facility maintenance totals $915,000. Capital projects transfers total $7,658,650 and include new vehicle purchases, civic center design, modular offices, and the Limonite Gap Bridge project. Finally, $31,370 of transfers are for general benefit contribution to four special assessment districts.

- *Community Development* expenditures are forecasted at $5,773,000, an increase of $1,091,948 from the prior fiscal year. Several factors caused the increase. The Economic Development Manager position was moved back to this department from the City Manager's department. The Business Incentive Program increased from $300,000 to $500,000. Approximately $350,000 has been requested for development of the Leal property. One position added at mid-year 2021-22, the Landscape and Facilities Superintendent is also budgeted now at a full 12 months, versus four months increasing budget for the new year.
- *Community Safety* expenditures are forecasted at $2,995,930 an increase of 18.9% or $476,231 over the prior year. At mid-year an Environmental Compliance Analyst and Intern position were added, however they were not budgeted for the full 12 months of the fiscal year, this budget plan includes costs for the full 12 months. Additionally, approximately $155,000 for Leal related development has been included in the budget. The new Community Enhancement Volunteer program also was fully added for the new budget plan.

General Fund Available Resources

The beginning balance for the fiscal year 2022-23 budget reflects the projected General Fund ending balances for fiscal year 2021-22. The general fund is anticipated to end the 2022-23 fiscal year with an estimated total fund balance of $125.8 million.

- Nonspendable:
  - Prepaid items not yet expensed in the new fiscal year total $92,329 and are considered nonspendable fund balance.
- Assigned reserves:
  - The General Fund Emergency Contingency (based upon 50% of operating expenditure appropriations) is fully funded at $14.7 million and is classified as an assigned reserve.
- Committed reserves:
  - The City continues to also maintain a committed reserve of $33.0 million for City Hall construction, $10.0 million for Library construction, $8.0 million for police substation construction, $1.84 million for the Hamner Place land acquisition final payment, $1.62 million committed reserve for pension liabilities, and $1.0 million for public safety rate increase stabilization.
- Committed Appropriations Limit: Qualified Capital Outlay reserves:
  - In the 2020-21 fiscal year the city had an appropriations limit surplus, the city is again expected to have an appropriations limit surplus. The surplus may be set aside for qualified capital outlay that exceeds $100,000 and has at least 10 years of useful life. The city has set aside the following surplus amounts for qualified capital outlay projects in addition to the amounts stated above: $23.9 million City Hall construction, $17.6

million Library construction, $1.5 million Fire Truck equipment purchase, $2.0 million Fire Station 27 storage facility construction.

- Unassigned reserves:
  - Total projected unassigned general fund reserves are projected at approximately $10.5 million.

SUMMARY OF OTHER GENERAL PURPOSE FUNDS: FIRE FUND

The *Fire Fund* houses general purpose property taxes levied specifically for the purpose of fire protection services and funds are restricted through the City's incorporation procedures and revenue neutrality agreement by the County of Riverside for fire protection services and operations. Revenues are projected at $8.0 million and expenditures total $7.7 million and the fund is projected to end the fiscal year with a $329,800 surplus and $14.3 million in fund balance. The main revenue source for the fund is property tax, which makes up $7.2 million or 96% of the revenue. Expenditures in the fund are contract fire services at $7.0 million, building maintenance and operations for the two City owned fire stations at $384,600, and revenue neutrality with Riverside County at $278,100. The City contracts for 2 medic engines and one medic squad at the two fire stations.

Fire Fund Available Resources

The Fire Fund is anticipated to end the 2022-23 fiscal year with an estimated total fund balance of $14.3 million. Fire Fund fund balance is restricted by the County of Riverside, however City Council has assigned and committed the following fund balances in order to ensure the ability to continue operations in down economic situations and ensure available resources are available to purchase apparatus and build vital infrastructure, such as the City's third fire station:

- Assigned reserves:
  - The Fire Fund Emergency Contingency (based upon 75% of expenditure appropriations) is fully funded at $5.7 million and is classified as an assigned reserve.
- Committed reserves:
  - The City continues to also maintain a committed reserve of $8.0 million for a third fire station construction, and $400,000 for apparatus replacement.
- Restricted fund balance:
  - Total projected remaining restricted Fire Fund fund-balance are approximately $211,145.

SUMMARY OF SPECIAL REVENUE FUNDS

- *Gas Tax Fund* revenues are forecasted at $1.9 million and expenditures are projected at $5.5 million, including $2.0 million in continuing appropriations. Although expenditures exceed revenues, the Gas Tax fund has available fund balance, projected to end the fiscal year at $192,829. Gas tax revenues are lower than originally anticipated; the Governor's final budget included less Gas Tax allocations for local agencies. This fund is solely utilized to fund vital street infrastructure and maintenance projects.
- *Measure A Fund* revenues are projected at $2.0 million and expenditures are projected at $5.7 million, including $1.3 million in continuing appropriations. Expenditures exceed revenues; however, the Measure A fund has available fund balance, projected to complete fiscal year 2022-23 at $5,794. Similar to Gas Tax, these funds are solely utilized for street related projects. Riverside County allocates the funding to local agencies.

- *Miscellaneous Grant Fund* revenues are projected at $7.8 million and expenditures are projected at $19.3 million, including $2.5 million in continuing appropriations. The Grants Fund does not have available fund balance and is projected to end the fiscal year at negative $10,634,568. This is primarily due to the reimbursement nature of the fund and the Limonite Gap Bridge project which will likely be reimbursed in the following fiscal year. A bulk of the construction is projected to take place in the Winter and Spring of 2023, resulting in grant reimbursements from other government agencies being received in the following 2023-24 fiscal year.

Special Revenue Funds Available Resources

A majority of the special revenue funds are forecasted to finish the 2022-23 fiscal year with a positive fund balance. Funds with an expected negative fund balance are the TUMF Reimbursement Fund, a few of the City's landscape and lighting maintenance districts (LLMD), and one community facility district (CFD). The TUMF fund is reimbursed after projects are completed, similar to the city's miscellaneous grants fund. The City is completing an internal audit of the LLMD and CFD funds to ensure that revenues and expenditures have been properly accounted for dating back to each district's formation. Funds 403-490 are the new LMD and Illumination District funds that were recently transferred from Jurupa Community Services District (JCSD). JCSD has not yet completed final accounting and transfer of remaining fund balances and as a result, many of the funds will reflect negative fund balances until the final transfer is completed. Any funds with negative fund balances will utilize General Fund unassigned fund balances to balance to zero on the city's Annual Comprehensive Financial Report.

SUMMARY OF DEBT SERVICE FUND

The *Debt Service Fund* is used to track revenues and expenditures related to repayment of principal and interest costs associated with borrowing money for long-term obligations. In fiscal year 2019-20, the City entered into its first long-term debt obligation with Banc of America for the Streetlight Acquisition from Southern California Edison and LED Retrofit with Siemens. The city paid off the debt in May 2022. No revenues and expenditures are expected for the 2022-23 budget. The fund will continue to hold a net zero fund balance.

SUMMARY OF CAPITAL PROJECT FUND

The *Capital Project Fund* is used to track capital projects funded solely by the General Fund. Funds are transferred into the Capital Projects Fund from the General Fund. For the 2022-23 budget, revenues are projected at $7.6 million and expenditures are projected at $8.6 million, plus $1.7 million in continuing appropriations. The fund is expected to end the 2022-23 fiscal year with $70,000 in fund balance. Expenditures for 2022-23 include the Limonite Gap Bridge Construction, Civic Center Design, Modular Offices Project, Vehicle Purchases for Law Enforcement and Public Works.

SUMMARY OF CAPITAL REPLACEMENT FUNDS

Staff established four new capital replacement and maintenance funds for the new fiscal year. Each was seeded by the General Fund with an estimated amount of fund balance to start the funds. During the next fiscal year Finance staff will build replacement schedules and calculate annual contribution amounts for each of the funds, depending on the type of future maintenance and replacement the fund will supply. The expectation is to build adequate fund balance to prepare the city to replace and maintain public equipment infrastructure and support the General Fund during lean economic periods.

LONG RANGE PLANNING

Within the budget document, long range planning is discussed for all the city's major funds on page 97. The General Fund is projected to complete the five year long range plan with substantial fund balances. However, the Fire Fund is projected to require a General Fund subsidy by fiscal year 2026-27. This is due to several factors, including the construction of the city's third fire station, the purchase and staffing of a fire truck, and the fund's reliance on one source of revenue, property tax. If the projections hold, the General Fund will need to subsidize the Fire Fund by approximately $5.0 million starting in fiscal year 2027-28. Additionally, the General Fund will need to set aside adequate fund balance to cover the Fire Fund's assigned fund balance of 75%, which will equate to approximately $10.5 million in 2027-28. These requirements assume that the city grows fire services and staffs a new fire truck apparatus. In total, starting in 2027-28 the General Fund will need to source and provide approximately $15.5 million to support fire operations and services in the city.

CAPITAL IMPROVEMENT PLAN

The five-year CIP identifies the highest priority capital needs that can be addressed within the available and forecasted revenue. These capital needs are matched with the previous year's continuing appropriations and five-year revenue projections identified by the Finance department. Additionally, capital needs are delineated to eligible funding sources and programs available to the City's capital improvements.

Over the next five-years of this CIP, Eastvale will utilize the approximately $88.4 million of revenues to provide City Street Improvements, Maintenance, Roadway and Traffic Safety Improvements, and purchase of a future Civic Center site. For the fiscal year 2022-23, the City will commit $52.6 million to fund projects within the categories of citywide street improvements, roadway/traffic safety improvements, citywide maintenance, and land, buildings, facilities, and equipment.

Major CIP projects for fiscal year 2022-23 include the Annual Overlay and Slurry Seal, Limonite Gap Bridge, Schleisman Road Mobility, Safety, and Connectivity Project, Southeast Safe Routes to School, Citywide Traffic Signal Synchronization, Citywide Branding, Civic Center Design, I-15 Corridor Landscaping, and the Eastvale 2040 General Plan Update.

GFOA AWARD

The city has been awarded the Government Finance Officer's Association (GFOA) Distinguished Budget Award for three consecutive years. Over the past several years GFOA has made changes to the award criteria. As a result, the city's budget document has been adjusted. New this year is a section titled "Financial Structure, Policy, and Process" that consolidates policy discussions into one section of the document. Additionally, major and non-major funds are now identified throughout the document. Long range operational financial plans must now incorporate all appropriated funds, of which the city has 134 funds. In an effort to expand long-range planning, staff will prepare plans for the city's four major funds and two additional funds. At the time of the publication of this agenda, staff is still compiling information for the long range planning section of the budget document. The long range plans are expected to be completed in time for the final budget adoption on June 22, 2022. Staff will submit the 2022-23 budget document for the GFOA distinguished budget

award.

Environmental

Government fiscal activities and budget adoption are not considered a Project as defined by the California Environmental Quality Act (CEQA) and no environmental review is required.

Strategic Plan Action - Priority Level: 3 | Target #: 3 | Goal #: 6

Ensure that City revenues align with expenditures.

Fiscal Impact

Overall, the proposed resolutions and reports are technical in nature and will enable the City Council to direct staff in making necessary budget adjustments to the accounts to reflect the adopted City of Eastvale Fiscal Year 2022-23.

Prior City Council/Commission Action

In preparation for the adoption of the Fiscal-Year 2022-23 Annual Operating Budget staff has followed the budget timeline as presented at the December 8, 2022 council meeting. On March 15, 2022 the budget plan was presented to the Finance Committee. Additionally, City Council also conducted a budget goal setting workshop on March 23, 2022. Since the draft workshop, the budget deficit was reduced from $570,000 to $93,375 and no major program changes have been incorporated into the budget plan. On June 8. 2022, the City Council and staff completed a budget study session of the proposed fiscal year 2022-23 Operating and Capital Improvement Budget. City Council provided direction that included no changes to the proposed budget at the first study session. On June 8th, City Council and staff completed a second budget study session of the proposed budget; no changes we made by staff or the City Council. For reference, the presentation from the June 8th Budget Study Session is attached to this agenda item under attachment 11. The budget under consideration tonight is the same budget presented on June 8th.

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE APPROVING AND ADOPTING THE ANNUAL APPROPRIATIONS LIMIT PURSUANT TO ARTICLE XIII (B) OF THE CALIFORNIA CONSTITUTION FOR FISCAL YEAR 2022-2023

WHEREAS, Ar?cle XIII (B) of the California Cons?tu?on provides that the total annual appropria?ons subject to limita?on of the State and of each local government en?ty for the prior year is to be adjusted for changes in either the growth in the California Per Capita Income or the growth in the non-resident assessed valua?on due to new construc?on and the changes in Popula?on within either its own jurisdic?on or county in which the public en?ty is located; and

WHEREAS, the City Council of the City of Eastvale adopted Resolu?on 10-16 on October 1, 2010 establishing a provisional appropria?ons limit of $13,938,809 as determined by the Riverside Local Agency Forma?on Commission; and

WHEREAS, the voters of the City at the first municipal elec?on held on November 6, 2012 established a permanent appropria?ons limit for Fiscal Year 2012-2013 of $15,518,412 under the provisions of Government Code Sec?on 56812; and

WHEREAS, the voters of the City at the municipal elec?on held on March 2, 2021 established a temporary appropria?ons limit for Fiscal Year 2020-2021 of $33,000,000 under the provisions of Government Code Sec?on 56812; and

WHEREAS, pursuant to said Ar?cle XIII (B) of the California Cons?tu?on, the City Council of the City deems it to be in the best interest of the City of Eastvale to establish an appropria?ons limit for Fiscal Year 2022-2023.

NOW, THEREFORE, the City Council of the City of Eastvale, California, does hereby resolve, declare, determine and order that said appropria?ons limit for Fiscal Year 2022-2023 be in the amount of $39,253,023, calculated pursuant to Government Code §7901 using the growth factor in the California Per Capita Income of 7.55% and change in popula?on for the County of Riverside, of 0.42% as reported by the California Department of Finance.

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE, CALIFORNIA, APPROVING THE COMMITMENT OF FUND BALANCE PURSUANT TO GASB 54

WHEREAS, the Governmental Standards Board (GASB) has issued Statement No. 54, Fund Balance Repor?ng and Governmental Type Defini?ons, with the intent of improving financial repor?ng by providing fund balance categories that will be more easily understood; and

WHEREAS, the City Council may commit fund balance amounts for specific purposes by taking formal ac?on, and the commi?ed amounts cannot be used for any other purpose unless the City Council removes and changes the specific use through the same formal ac?on taken to establish the commitment; and

WHEREAS, the City Council deems it appropriate that the current and prior years' commitments of fund balance be released; and

WHEREAS, the City Council deems appropriate that a commitment of $58,960,500 of the General Fund unassigned fund balance be established for Reserve for the following projects in the following amounts: Facility Construc?on: City Hall $36,500,000; Facility Construc?on: Library $10,000,000; Facility Construc?on: Police Substa?on $8,000,000; Hamner Place Land Acquisi?on Final Payment $1,840,000; Pension Liability $1,620,500; Public Safety Rate Increase Stabiliza?on $1,000,000; and

WHEREAS, the City Council wishes to commit certain amounts of fund balance surplus a? ributed to the City's Gann Appropria?on Limit for qualified capital outlay reserves; and

WHEREAS, the City Council deems appropriate that a commitment of $42,540,429 of the General Fund unassigned fund balance be established for Appropria?ons Limit Qualified Capital Outlay Reserve for the following projects in the following amounts: Facility Construc?on: City Hall – Appropria?ons Limit $21,445,429; Facility Construc?on: Library – Appropria?ons Limit $17,595,000; Equipment Purchase: Fire Truck – Appropria?ons Limit $1,500,000; Facility Construc?on: Fire Sta?on 27 Storage Facility – Appropria?ons Limit $2,000,000; and

WHEREAS, the General Fund balance will be adjusted to final fund balance at the end of the fiscal year; and

WHEREAS, the City Council deems appropriate that a commitment of $8,400,000 of the Fire Fund unassigned fund balance be established for Reserve for the following projects in the following amounts: Third Fire Sta?on Construc?on $8,000,000; Apparatus Replacement $400,000; and

WHEREAS, the Fire Fund balance will be adjusted to final fund balance at the end of the fiscal year.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EASTVALE DOES HEREBY FIND, DETERMINE, AND RESOLVE AS FOLLOWS:

SECTION 1. the City Council establishes and approved the release of all prior years' commitments of unassigned fund balance of the General Fund and the Fire Fund to the unassigned category of fund balance as specified in the approved budget for fiscal year 2022-2023.

SECTION 2. The City Council establishes and approves the commitment of $58,960,500 of the unassigned fund balance of the General Fund to the commi? ed category of fund balance.

SECTION 3. The City Council establishes and approves the commitment of $42,540,429 of the unassigned fund balance of the General Fund to the commi? ed category of fund balance for appropria? ons limit qualified capital outlay reserve.

SECTION 4. The City Council establishes and approves the commitment of $8,400,000 of the unassigned fund balance of the Fire Fund to the commi? ed category of fund balance.

Note: Step Y refers to an amount above range due to reclassification. Employees who are assigned a "y-rate" receive their prior salary, prior to reclassification. The salary is frozen until such time that the range catches up.
Note: Reference the current budget for authorized and funded positions.
Note: Extra Help position applies to retired annuitant

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE, CALIFORNIA, ESTABLISHING THE AUTHORIZED POSITIONS FOR THE FISCAL-YEAR 2022-2023, EFFECTIVE, JULY 1, 2022

WHEREAS, the City of Eastvale's Personnel Policies and Procedures ("Personnel Rules") require that the City classification titles, salary schedule and range table be adopted by resolution by the City Council for providing adequate and appropriate staffing levels to provide efficient and effective public services for fiscal year 2022-2023; and

WHEREAS, the City seeks to change titles of seven (7) titles for existing classifications "Deputy Talent & Special Projects Director" to "Deputy Human Resources/Risk Management Director," "Talent & Special Projects Manager" to "Human Resources/Risk Manager," "Talent Analyst" to "Human Resources/Risk Management Analyst," "Talent Specialist" to "Human Resources Specialist," "Senior Office Specialist" to "Senior Administrative Specialist," "Office Specialist" to "Administrative Specialist" "Community Development Director" to "Community Development/Public Works Director;" and

WHEREAS, the City of Eastvale seeks to eliminate one (1) Extra Help-Acting City Manager position; and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Administrative Specialist (currently Office Specialist title) to Human Resources Technician at a compensation rate of Range 12 ($3,988.78 - $5,612.61 monthly) within the Human Resources & Risk Management Division; and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Administrative Specialist (currently Office Specialist title) at a compensation rate of Range 7 ($3,125.31-$4,397.63 monthly) to Senior Administrative Specialist at a compensation rate of Range 12 ($3,988.78 - $5,612.61 monthly); and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Assistant Planner at a compensation rate of Range 19 ($5,612.61-$7,897.50 monthly) to Associate Planner at a compensation rate of Range of 22 ($6,497.30 - $9,142.35 monthly) in the Community Development Department within the Planning Division; and

WHEREAS, the City of Eastvale seeks to authorize one (1) Public Works Superintendent at a compensation rate of Range 24 ($7,163.27 - $10,079.44 monthly) within the Engineering Division; and

WHEREAS, the City of Eastvale desires to adopt the authorized positions in the Council approved budget for the fiscal year 2022-23.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EASTVALE DOES HEREBY FIND, DETERMINE, AND RESOLVE AS FOLLOWS:

SECTION 1. The City Council of the City of Eastvale orders that the proposed Authorized Position list in the City of Eastvale proposed budget for fiscal year 2022-2023 shall be adopted, effective July 1, 2022, as shown in Exhibit "E".

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

Net Non-Operating Revenues/Surplus	**25,826,350**
Total Net Revenue/Surplus	**$25,732,975**

2022-23
Balanced Budgeting

CITY OF EASTVALE

Balanced Budget Policy

- Expenditures may not exceed revenues
- No delineation between operating and non-operating revenues and expenditures
- Staff recommends not appropriating expenditures in excess of 103% of operating revenues
    - Approximately $900,000

Items Changed to Balance Budget

- Original Operating Deficit: $1.2 million
- Reduced to $570k by reducing department budget requests
- Reduced to $93,375 by finalizing revenue projections and further reducing department requests

Adopted Annual Operating and Capital Improvement Budget

Fiscal Year 2022-2023

City of Eastvale | 12363 Limonite Avenue, Suite 910, Eastvale, CA 91752 | (951) 361-0900 | **www.eastvaleca.gov**

User Guide Highlights

A local government budget is a plan to match existing resources with the needs of the community. The functions of local government stem from three levels of policy direction: federal, state, and local. Within this intergovernmental system, the local government of the City of Eastvale has the responsibility to provide basic public services such as maintaining streets and roadways, providing traffic management systems, providing community services, and ensuring public safety. Local government must also fulfill certain state and national policy objectives such as transportation, housing, and environmental protection while implementing the expectations and values of its citizens. This guide is designed to assist readers in understanding the information provided in the fiscal year 2022-23 Budget, as well as how the document is organized.

CITY MANAGER'S BUDGET MESSAGE

Provides an executive overview of the budget including a summary of critical economic issues. It includes information on core values and the strategic plan.

INTRODUCTION & BUDGET OVERVIEW

Provides a list of the City of Eastvale elected officials, information about the Eastvale Community with demographic and statistical information, and the Government Finance Officers Association Distinguished Budget Presentation Award. The Budget Overview provides the Strategic Plan and Council Direction for the budget. Provides a budget calendar, budget highlights and overview.

FINANCIAL STRUCTURE, POLICY & PROCESS

Provides an organizational structure diagram by department. Presents the budget guidelines and the basis for the budget. Describes the City's financial management policies. Includes long-term planning, debt summary, fund structure, Appropriations (GANN) Limit calculations, and other information.

FINANCIAL SUMMARIES

Provides a summary of the fund balance projections by fund, a comprehensive overview of revenues and expenditures for all funds, including a General Fund revenue overview, description of revenue assumptions and methodology used to develop revenue estimates, revenue summary by category.

DETAIL AND DEPARTMENTAL SECTIONS

Provides detail revenue and expenditure projections. Provides a description of the methodology used to develop expenditure estimates. Presents summary information on the City's operating departments. Each section includes staffing, program descriptions, goals and objectives, and major program expenditures.

PERSONNEL AND STAFFING

Presents a summary of funded personnel and the authorized position list, a listing of full-time personnel classifications and part-time staffing classifications with the position salary range. Provides the City's adopted salary schedule and range table.

CAPITAL IMPROVEMENT PROGRAM

Provides an overview of the City's Capital Improvement Program budget (CIP) and includes a summary of project costs for the current and next four years, detail project descriptions and costs, funding sources, and impacts on operations and maintenance costs.

APPENDIX

Provides ten appendices with a summary of acronyms, glossary, the City's chart of accounts, department performance measures, the Appropriations Limit Price and Population letter, strategic plan action plans, and all relevant resolutions related to the adoption of the City's budget.

City Manager's Budget Message

June 8, 2022

Honorable Mayor Lorimore and Members of the City Council:

In accordance with Eastvale Municipal Code Section 2.08.060(7), it is my pleasure to present the proposed Fiscal Year 2022-2023 Budget and Capital Improvement Plan for the City of Eastvale. This proposal represents the City's 13th budget and the City's continued commitment to residents through provision of quality public services with a focus on financial sustainability.

Welcome to the Budget Message

The future depends on what we do today, and with that knowledge the City of Eastvale is taking action on managing our future. The city's fiscal year 2022-2023 budget plan focuses on preparing the city for the construction of key infrastructure and saving for future vital infrastructure improvements. The combined budget, inclusive of transfers, consists of $103.6 million in total revenues and $100.6 million in total expenditures. Total combined fund balance on July 1, 2022, is projected at $137.2 million.

Strategic Plan

The budget plan incorporates the City Council's strategic plan adopted on March 24, 2021. Top priorities from the planning session include economic development, financial planning, inclusion, infrastructure, innovation and technology, organizational development, and public safety. The budget plan incorporates department action and management plans for achieving the priorities.

Operating versus Non-Operating Budget

As the city enters into the 13th budgeting cycle, staff continues to evaluate appropriate methods of reporting financial and performance data to the City Council and the public. It has become imperative that operating and non-operating revenues and expenditures be clearly separated and discussed. Operating revenues represent normal, recurring, and ongoing revenues the city expects to receive every fiscal year, such as property tax and permit revenues. Non-operating revenues represent one-time non-recurring revenues such as franchise retention payments and grant revenue. Operating and non-operating expenditures follow the same formula; operating expenditures represent normal and recurring expenditures such as salaries and public safety contracts whereas non-operating expenditures represent non-recurring expenditures such as capital infrastructure and equipment purchases. As a result, operating and non-operating surpluses and deficits are identified throughout the budget plan and document. Ensuring information is available, accessible, and understandable regarding the city's ability to fund operating expenditures with operating revenues is paramount to the city's financial success in future years.

General Fund Budget Status and Operating Statement

The General Fund is projected to complete the 2022-23 fiscal year with a $93,375 operating budget deficit. This means that the city's operating expenditures exceed operating revenues. However, it is important to note that the General Fund is also projected to complete the fiscal year with a $25.8 million non-operating surplus. The non-operating surplus is caused by two elements of non-operating revenues. The first represents new sales tax revenues attributable to a business within the business and industry category that recently changed business structure, causing a redistribution of sales tax from county pools to the local municipality where the business is located. This revenue source amounts to $30.4 million in the new fiscal year and is difficult to project in terms of stability, however the city is projected to continue to receive the revenue into at least the next fiscal year. As a result, staff has categorized this revenue as one-time in nature. The second is a one-time franchise fee retention payment of $4.0 million from Waste Management. In order to balance the operating budget, one-time non-operating funds have been utilized. Should non-operating revenues cease, the city would need to make operational cuts such as reducing programs and services to balance the budget. The approach is conservative, but necessary in order to effectively and responsibly manage our future.

Fire Fund Budget Status and Operating Statement

The Fire Fund is projected to complete the 2022-23 fiscal year with a $356,800 operating budget surplus. In the past, the budget surplus consistently exceeded $1.0 million, until last year when the surplus dipped below the $1.0 million mark at $680,000. Contract costs increased 13.7% from fiscal year 2020-21 to 2021-22 and 12.0% from 2021-22 to 2022-23. Although the fund is currently operating at a surplus, the surplus is projected to continue decrease into the future.

Factors Affecting the Budget, Current and Future

Current and Future Expenditures

Fire Staffing: The city contracts for fire services with Riverside County; Riverside County then contracts for county fire services from the state via CalFIRE. When the state was hit by the COVID-19 pandemic, the California Governor cut CalFIRE personnel costs and salaries as a method of finding budget savings. As of the printing of this budget document, CalFIRE has reinstated personnel costs to pre-pandemic levels in addition to reevaluating benefit cost projections passed through to member agencies. CalFIRE increased benefit cost allocations by 20%. As a result, the city's' contract with Riverside County for fire services has increased significantly causing the fire fund to experience an $800,000 budget increase. In prior years fire services were fully funded by property tax collected solely for fire protection within the fire fund and the fund built a strong reserve over the years. However, staff projects that the cost of fire service provision will outpace the fire specific property tax revenues and the fire fund will require a general fund subsidy or a change in service levels.

Debt Service Payoff: In the 2021-2022 fiscal year, the city fully paid off its streetlight and LED retrofit debt service, a developer agreement with Tarpon Properties, and again fully paid off CalPERS pension liabilities. The complete payoff of these three items amounted to an approximate $1.2 million operating savings to the operating budget. The savings allowed the city to expand law enforcement services. The operating budget plan includes a continuation of fully funding the city's two CalPERS pension funds and making the full required contribution to the city's Other Post Employment Benefit (OPEB) plan, further ensuring stability for the city's financial future.

Future Downtown | The Leal Property Development: The Leal property development impacted the General Fund by approximately $350,000 for miscellaneous services relating to the development of the city's portion of the site. These costs will likely extend into the next several fiscal years as the city continues to provide oversight for the development and strategic vision of the downtown. The Leal project is the City's opportunity to create a downtown and civic center. The civic center will consist of City Hall, Library, Police and Fire Stations. The Downtown will consist of mixed-use and commercial development with a hotel, restaurants, shopping, entertainment, and retail. The city has a twenty-year option on 17 acres of land to construct the civic center and implement a plan to develop the downtown. Costs to complete the architectural and landscape plans with the City's consultant Griffith structures are included in the budget plan. Funds will also be utilized to start developing a comprehensive plan for the downtown and to secure legal, real estate, and economic professionals to assist with the leasing or selling land to perspective commercial buyers.

Current and Future Revenues

Sales Tax: In early 2020 a change in business activities by some companies within the city boundaries resulted in sales tax re-allocations from the County Pools directly to the City of Eastvale. The resulting increase in regular sales tax receipts and county pool allocations increased the sales tax revenue category by 325% from fiscal year 2019-2020 to present. However, there remains no guarantee that this new sales tax revenue source will continue into the future. As such, staff has recommended using the new sales tax revenue to plan for future infrastructure investments, including the city's first civic center and capital replacement reserves. In addition to the singular change in business activities that led to a significant increase in the city's sales tax revenues, new development within the city played a

key role in revenue growth. As compared to fiscal year 2019-2020 the sales tax revenues in fiscal year 2021-2022 increased by over $3.0 million, and staff expects sales tax revenues to continue to increase as commercial and retail businesses continue to open within the city.

Transient Occupancy Tax: The city's first hotel is under construction and currently projected to open near the end of the 2022 calendar year. With the completion of the hotel comes a new revenue source, Transient Occupancy Tax (TOT). When incorporated, the city adopted the county TOT rate of 10%; staff estimates the hotel will generate roughly $600,000 per year in new tax revenue.

Current and Future Challenges: Appropriations Limit

The California State imposed Gann Appropriations Limit continues to have an impact on the operational effectiveness of both the General and Fire Funds. The limit applies to tax revenue and provides an operating threshold which the city cannot cross, effectively limiting the city's ability to appropriate revenues towards operating expenditures. In March 2020 the voters passed Measure A, which provided a temporary higher limit for the city to operate under. The temporary limit will expire in March 2024. In order to manage the city's future ability to provide operating services such as police and fire the appropriation limit will need to be closely monitored and the city will likely require an extension via ballot measure to the temporary limit voted in 2024. For reference, the current temporary limit is $39.3 million and the permanent limit stands at $30.7 million.

Infrastructure for the Future: Five Year Capital Improvement Plan

Limonite Gap Bridge

By and far, the largest infrastructure project the city has undertaken is the Limonite Gap Bridge project, which is set to start construction in the 2022-23 fiscal year. The bridge will connect Limonite Avenue from Hellman Avenue to the west and Archibald Avenue to the east. The almost $30.0 million project will be funded largely by Transportation Uniform Mitigation Fees and a grant from the California Transportation Commission. The bridge is expected to be completed by 2024, providing residents and visitors with a new roadway to and from the Chino area.

Street Maintenance

Perhaps not as exciting as a bridge project, the city continues to regularly fund street maintenance through both the slurry seal and overlay projects. Funded primarily through state funding specifically for street infrastructure, these projects are guided by the city's recently completed pavement management system. The system project was completed in 2022 and included a target pavement quality index (PQI), as a result budget has been increased to improve the city's PQI. Utilization of the system to plan for street maintenance into the future will ensure the city's ability to fund vital street maintenance and infrastructure projects.

Future Civic Center and Reserves

Assigned Reserves: Emergency Operating Reserve

The city continues to fully fund the General Fund 50% operating reserve. This reserve ensures that in times of economic strife or other emergency situations impacting the city's ability to collect revenue, the city can continue to operate. Additionally, the city is fully funding the Fire Fund 75% operating reserve.

Committed Reserves: Capital Infrastructure

With the 2022-2023 fiscal year budget plan, the city is expanding capital reserves. Total committed reserves for the city's future civic center, which consists of a city hall, library, fire station, and police station, total over $93.4 million. This is an increase of $30.4 million over the fiscal year 2021-22 mid-year budget.

Capital Maintenance and Replacement Reserves

The city implemented a new reserve for information technology during the last budget development process. During development of the fiscal year 2022-23 budget, it became clear that in order to adequately manage the city's financial

future staff needed to expand reserves for other types of infrastructure and equipment maintenance and replacement. Although the city is still young, effectively planning for the future is easier than scrambling for funding sources to expand infrastructure maintenance or replace equipment. As a result, staff formed three new funds: Facility Maintenance, Fleet Replacement, and Street Maintenance. Of the three new reserves, street maintenance is likely the most important for the city's future. The city is still young and has relatively new streets, however as time passes the city's streets will likely need additional maintenance that may exceed the city's Gas Tax and County of Riverside Measure A allocations. The street maintenance reserve will ensure the city is capable of maintaining streets long into the future, by pre-funding future street maintenance with current surplus capital project funds. Within the next year, staff plans to develop payment plans and incorporated into the long-term financial plan to ensure that these reserves are adequately funded into the future.

Conclusion

The focus of the 2022-23 Operating and Capital Improvement Plan Budget is managing our future: successfully maintaining operations and strategically saving for the future while maintaining the highest level of efficiency of service provision for residents and businesses. The budget plan will allow the City Council to accomplish goals and priorities for the next fiscal year and offers the added benefit of growing the City's assigned and committed reserves.

I would like to take this opportunity to thank the Mayor and City Council for their outstanding leadership, strategic direction, and priority setting. I would also like to acknowledge the hard work and time commitment of each department's budget team and their contribution to the City's budget and capital improvement process. Additionally, a special recognition to the Finance Department staff for their work in developing the budget plan, long-term financial strategy, and document, which is likely to be yet another award-winning budget document.

Respectfully Submitted,

Henry Garcia

ECONOMIC AND COMMUNITY PROFILE

Location

The City of Eastvale is one of the newest cities not only in Western Riverside County, but of the entire State of California (2nd youngest). The City of Eastvale incorporated on October 1, 2010, and has an ever-growing population of over 69,929 residents as of January 1, 2022 (according to California Department of Finance) and a total area of 13.1 square miles. The City of Eastvale is located in northwestern Riverside County, California, the Inland Empire region of Southern California. The proximity of Los Angeles County, approximately 8 miles northwest of Eastvale and Orange County approximately 5 miles to the southwest, has made Eastvale an ideal community to serve both major employment destinations.

The proximity of these last two heavily commercialized counties (two of the City's borders are adjacent to San Bernardino County), and the fact that Eastvale is roughly squared between Interstate 15 and California State Routes 91, 60, and 71, has made Eastvale popular for those that commute to these three counties for employment, making Eastvale a community with ties across County borders. In addition, Eastvale is land locked by the cities of Chino and Ontario within San Bernardino County to the north and west and the cities of Corona, Norco, and Jurupa Valley in Riverside County to the south and east. According to the Eastvale area plan, Eastvale has a total area of 13.1 square miles, of which 12.5 square miles is land and 0.6 square miles, or 4.76%, is water.

History

Eastvale's history is greatly tied to that of its neighbors—the cities of Chino and Ontario. For at least the last 176 years, the land was used for farming and the dairy industry. By 1834, the Mexican government had seized Spain's missions and taken control over its land from Native Americans and Spaniards. In an effort to colonize the area and encourage farming and raising livestock, the government handed out land grants to influential and wealthy Mexican politicians.

After California became the 31st state in 1850, the land in Riverside County was shared between San Bernardino and San Diego Counties (as of 1853). It was not until 1893 that Riverside County was created. In the minutes of one of the first meetings of the Riverside County Board of Commissioners, "East Vale" is listed as one of 53 school districts.

Historical Populations

Year	Population	% Change
1940	755	-------
1970	1,587	110%
2000	6,011	279%
2010	47,635	692%
2017	64,613	34%
2018	64,855	1.78%
2019	66,078	0.54%
2020	66,413	1.22%
2021	70,444	1.64%
2022	69,929	(0.73%)

By the 1950s, Los Angeles' population had expanded into outlying farmlands. Dairymen began moving their operations into the valley. Dairies in Eastvale, the Chino Valley and Ontario were owned and operated primarily by Dutch and Portuguese families. During the late 1990s, the area started to suburbanize to accommodate the influx of people coming from neighboring Orange and Los Angeles Counties who were seeking affordable housing.

On October 1, 2010, this farming community turned dairy enclave turned suburban hub became Riverside County's 27th City. According to the California Department of Finance, Eastvale experienced immense growth and investment and at one time was the fastest growing City in Riverside County, with an increase in population of 3.8% from 2015 to 2016.

The City

Eastvale has a Council-Manager form of government. The City Council consists of 5 Council Members, elected within districts, including a Mayor and Mayor Pro Tempore, appointed by the Council each year. Biannual elections are held in November. The terms of office are 4 years but are overlapping so that the City is provided with a continuity of knowledge in the City business and legislative matters.

Introduction: The Community of Eastvale: Economic and Community

This report includes all funds of the City. The city provides a wide range of services including City Clerk, Communications, Community Development (Economic Development, Engineering, Planning, and Public Works), Community Safety (Building Safety and Community Enhancement and Safety), and internal administrative services including Finance and Human Resources. Animal control, library services, and public safety (fire protection and law enforcement) services are provided through contracts with the County of Riverside. Other services are provided directly through other agencies, water and sewer through the Jurupa Community Services District, parks and recreation through the Jurupa Community Services District and Jurupa Area Recreation and Parks District, and public transit through the Riverside Transit Agency. The city has franchise agreements for electricity service through Southern California Edison, natural gas through SoCalGas, refuse collection through Waste Management, and cable service through state franchise agreements with Pacific Bell (AT&T), Time Warner and Charter Communications.

The Council is responsible for enacting ordinances, resolutions, and regulations governing the City, as well as the appointment of members of various statutory and advisory boards, in addition to the City Manager and Contract City Attorney. The City Manager holds the responsibility of administering programs in accordance with policies established by the City Council and within the guidelines of the annual budget adopted by the Council.

Local Economy

Eastvale in its twelfth year of operation. Several commercial projects are under construction or have recently completed construction, including the Goodman Commerce Center at Hamner and Cantu Galleano, Hamner Place on Hamner Avenue and Schleisman, and three new developments at Archibald and Limonite, the Merge, the Campus, and the Ranch. The Leal property at Hamner and Limonite Avenues should be under construction soon. These new developments bring a mix of commercial retail and industrial to the city and are attracting new businesses and restaurants. The largest source of revenue in the general fund is sales tax, which makes up 70% of the total general fund revenues received, with intergovernmental (funded largely by Vehicle License Fees) and franchise fees (funded largely by a one-time $4.0 million payment) tied at 9% each.

Statistical Data

Date of Incorporation	October 1, 2010
Form of Government	Council-Manager
Area in Square Miles	13.1
Population	69,929 (California Department of Finance, January 1, 2022)
Number of Full-time Equivalents	56.25
Public Facilities	18 Parks Provided by Jurupa Community Services District and Jurupa Area Recreation and Park District; 1 Library (shared space at ERHS) Provided by Riverside County; 2 Fire Stations
Fire Services	Provided by Riverside County Fire Department / Cal Fire
Police Services	Provided by Riverside County Sheriff's Department from the Jurupa Valley substation
Schools	Provided by Corona-Norco Unified School District: 7 Elementary; 2 Middle Schools; 1 High School
Miles of Streets	535 miles
Building Permits Issued	1,572 (January – December 2021)
Median Home Value	$750,000 (Riverside County Recorder via HDL; 18% increase over prior year)
Median Household Income	$127,881 (U.S. Census Bureau)

BUDGET OVERVIEW

Department position organization charts are located in the detail section of the budget document

STRATEGIC PLAN AND COUNCIL DIRECTION

In January 2021, the City of Eastvale hosted a Strategic Planning and Goal Setting Workshop that included the City Council, City Management, City Hall Team, and public input. The purpose of this workshop was to assist the City Council and City Management in developing a plan that includes clearly defined targets and goals to provide the Eastvale Team with clear direction and prioritization. Also included was the scientific community satisfaction survey that also took place in January 2021 with over 1,100 participants. On March 24, 2021 the City Council adopted the Strategic Plan & Priority Goals. Quarterly updates will be provided at City Council Meetings.

The following "Targets" were developed at the original Strategic Planning/Goal Setting Workshop. The City Council selected the following target areas (in no particular order):

- Organizational Development
- Economic Development
- Financial Planning
- Public Safety
- Infrastructure
- Inclusion
- Innovation & Technology

Under the identified targets new goals were established and prioritized for the new year. Those goals included:

- Attract and retain Business
- Create "Destination Eastvale"
- Develop and Construct Civic Center (City Hall and County Public Library)
- Construct a Police Substation building & Third Fire Station
- Evaluate Parks & Recreation as a City Service
- Develop branding and identity for Eastvale
- Improve traffic mobility and management throughout the city's major corridors and around the schools
- Develop long-term financial model
- Ensure that City revenues align with expenditures
- Conduct financial planning for newly proposed infrastructure
- Collaborate to provide cultural and diverse events and celebration (include food)
- Develop City-wide WIFI
- Develop and Implement a Smart City

During the fiscal year 2022-23 budget cycle, the City Council will continue efforts to achieve the objectives as outlined in the City's Strategic Plan, adopted in March 2021. The Strategic Plan identifies the City's vision and mission statement and is intended to help guide the city in setting priorities. Strategic goals were identified to help staff attain the city's vision while adhering to the mission statement. One of the key components to this year's budget is its alignment with the city's Strategic Plan.

STRATEGIC PLAN – ACTION PLAN

Target #1 – Organizational Development
Target #2 – Economic Development
Target #3 – Financial Planning
Target #4 – Public Safety
Target #5 – Infrastructure
Target #6 – Inclusion
Target #7 – Innovation & Technology

Actions/Schedule for Priority "Level 1" Goals

- Attract and retain Business (Target #2, Goal #1)
- Create "Destination Eastvale" (Target #2, Goal #3)
- Develop and Construct Civic Center, City Hall & County Public Library (Target #5, Goal #1)
- Construct a Police Substation building & third Fire Station (Target #4, Goal #1)
- Evaluate Parks & Recreation as a City Service (Target #5, Goal #3)

Actions/Schedule for Priority "Level 2" Goals

- Develop branding and identity for Eastvale (Target #2, Goal #4)
- Improve traffic mobility and management throughout the city's major corridors and around the schools (Target #5, Goal #7)

Actions/Schedule for Priority "Level 3" Goals

- Develop long-term financial model (Target #3, Goal #3)
- Ensure that City revenues align with expenditures (Target #3, Goal #6)
- Conduct financial planning for newly proposed infrastructure (Target #3, Goal #10)
- Collaborate to provide cultural and diverse events and celebration (include food) (Target #6, Goal #1)
- Develop City-wide WIFI (Target #7, Goal # 2)
- Develop and Implement a Smart City (Target #7, Goal #6)

Detailed action plans for the adopted strategic plan are located under Appendix D

STRATEGIC PLAN – BUDGET INITIATIVES

General Fund

- **Law Enforcement**
  - Fully fund two Additional Dedicated Motor Deputies: $742,000
    - Target 4
  - Maintain overtime budget of $136,000 for additional quality of life operations
    - Target 4
- **Other Public Services**
  - Public Works Superintendent: contract to in-house: $151,563
    - Target 1, Goal 6
  - Community Services Events: $525,000
    - 5 EATSvale events, EEK!vale, Miracle on Citrus Street, International Food Festival, Lantern Festival, 9/11 memorial service, Veteran's Day, and miscellaneous outreach/support
    - Target 6, Goal 1
  - Eastvale Community Enhancement Volunteer Program: $88,000
    - Target 4, Goals 2 & 5
  - Leal development/Civic Center investment strategies: $350,000
    - Target 3, Goal 10; Target 5, Goal 1
  - Engineering asset and project management software: $50,000
    - Target 7, Goal 7
  - Business Incentive Loan Program increase $300,000 to $500,000
    - Target 2, Goal 1 & 3
- **Contingency Reserves**
  - 100% funded Emergency Contingency Reserve, $14.7 million (Assigned Fund Balance); 50% operating expenditure budget
    - Target 3
- **Construction and Equipment Reserves**
  - Increase $4.0 million Police Substation Construction Reserve to $8.0 million
    - Target 4, Goal 1 & Target 3, Goal 10
  - Increase Library Construction Reserve from $20.6 million to $27.6 million
    - Target 5, Goal 1
  - Increase City Hall Construction Reserve from $48.4 million to $57.8 million
    - Target 5, Goal 1
  - $2.0 million Fire Station 27 Storage Facility Reserve (Committed Fund Balance)
    - Target 5, Goal 1
  - $1.5 million Fire Truck Purchase Reserve (Committed Fund Balance)
    - Target 4, Goal 7

Fire Fund

- **Fire Services**
  - Wildland Fire Protection Agreement; $70,000
    - Target 4, Goal 7
  - 100% funded Emergency Contingency Reserve (Assigned Fund Balance); 75% of expenditure budget
    - Target 3, Goal 4; Target 4, Goal 7

- Maintain $8.0 million Third Fire Station Construction Reserve (Committed Fund Balance)
  - Target 5, Goal 1
- Maintain $400,000 Apparatus Replacement Reserve (Committed Fund Balance)
  - Target 4, Goal 7

Other Funds

- **Capital Improvement Projects**
  - Smart City Masterplan (Broadband and City-wide WiFi): Total Project $7.2 million
    - Target 7, Goal 2 & 6
  - Citywide Branding: Entryway and Median Improvements: Total Project $1.2 million
    - Target 2, Goal 4
  - Traffic Signal Synchronization: Total Project $700,000
    - Target 5, Goal 4 & 6; Target 7, Goal 6
  - Civic Center Planning: $3.1 million
    - Target 3, Goal 10; Target 5, Goal 1
- **Capital Replacement and Maintenance Equipment Reserves**
  - Create and fund Information Technology Capital Replacement Fund: $433,652
    - Target 3, Goal 3
  - Create and fund Fleet Capital Replacement Fund: $120,000
    - Target 3, Goal 3
  - Create and fund Street Maintenance Capital Fund: $500,000
    - Target 5, Goal 3; Target 3, Goal 3
  - Create and fund Facility Maintenance Capital Fund: $250,000
    - Target 3, Goal 10; Target 3, Goal 3

BUDGET DEVELOPMENT

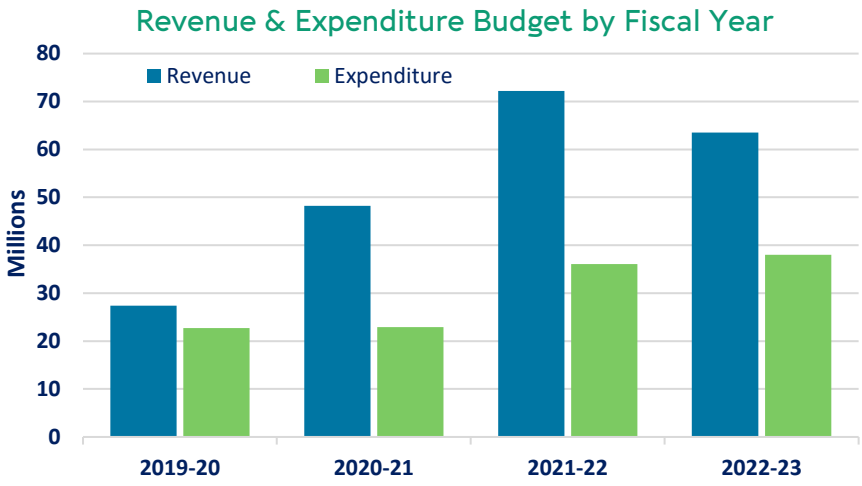
Budget Development

The budgetary process begins as a team effort in January of each year, starting with building budget targets and key projections followed by two City Council goal setting budget workshop sessions. The Finance Department works in cooperation with all City departments to formulate revenue projections for the upcoming fiscal year. From this, the individual departments use the projected revenues to prioritize and recommend the next fiscal year's objectives. The City Manager's Office and the Finance Department review each budget proposal, revenue assumptions, and all current financial obligations, before preparing the proposed document for the City Council. Additionally, the Finance Department projects fund balances for the next five years; this provides a guideline for funding within the Capital Improvement Plan. At this time revenue and expenditure estimates and projected fund balances are also keyed into the city's Long Term Planning model. The draft budget is prepared for the City Manager's review. The City Council reviews the Proposed Budget, through a series of committees and/or workshops, with the final adoption scheduled during the first City Council meeting in June.

The following is a general timeline for completing the budget process:

January 12	***City Council Meeting***: Fiscal Year 2021-21 Mid-Year budget review presentation and adoption of mid-year budget appropriations
January 26	***City Council Meeting***: Approval of transfer of 90 Jurupa Community Services District (JCSD) streetlight assessment districts to the city
February 3	Finance department commenced building targets and key revenue projections based on January month-end close and Mid-Year projections
February 7-9	Staff Meetings – Finance, Department Heads, Public Safety Leadership, and Managers, review: ▪ *Budget instructions/targets issued to departments* ▪ *Budget preparation training commences* ▪ *All departments review narratives, goals, performance measures, and prepare the detailed budgets*
February 21	Finance provided revenue and expenditure estimates for City Manager review
March 2	Department detailed operating budget requests due ▪ *Finance reviews and reconciles all department budgets*
March 15	***Finance Committee Meeting****:* Present Revenue and Expenditure projections
March 17	Department narratives and performance measures due
March 23	***City Council Meeting****:* Public Workshop: Budget Priorities & Capital Improvement Plan ▪ *Review Strategic Plan* ▪ *Review General Fund revenue and expenditure projections* ▪ *Review public safety priorities, programs, staffing and related contract costs and goals* ▪ *Review Capital Improvement Plan* ▪ *Obtain public input for priorities, programs, staffing, costs and goals* ▪ *Obtain Council input for balanced budgeting approach*
March 24	Capital Improvement Plan Budget detail due ▪ *Finance reviews and reconciles*
April 11-13	Staff Meetings – Finance, Department Heads, Public Safety Leadership, and City Manager, review submitted budgets and implement Council direction

Mid-April	Finance reviews and reconciles: ▪ *Final fund balances* ▪ *Long term planning model updated* ▪ *CIP budget, continuing appropriations, and five-year fund balances* ▪ *Special revenue funds* ▪ *Preliminary budget reviewed by City Manager*
Late-May	Finance compiles draft budget document for City Manager Review
June 8	***City Council Meeting**:* Draft budget study session
June 22	***City Council Meeting**:* Adoption of Annual Operations and Capital Improvement Budget Fiscal year 2021-2022



The process of developing the budget provides Department Heads and the City Manager an opportunity to review departmental work programs, to propose changes in services, to recommend revisions in organizational structure, to hear and discuss budget requests, and provide feedback regarding City operations.

OVERVIEW OF THE OPERATING BUDGET

The purpose of the City of Eastvale's budget is to serve as a "blueprint" for providing City services and as a working financial plan for the fiscal year. It also represents the official organization plan, by which City policies, priorities, and programs are implemented. It provides the means to communicate to the residents, businesses, and employees how the city's financial resources are utilized to provide services to the community. The budget includes both the operating costs to manage the city and the capital improvement projects that the city plans to undertake during the fiscal year.

General Fund Overview

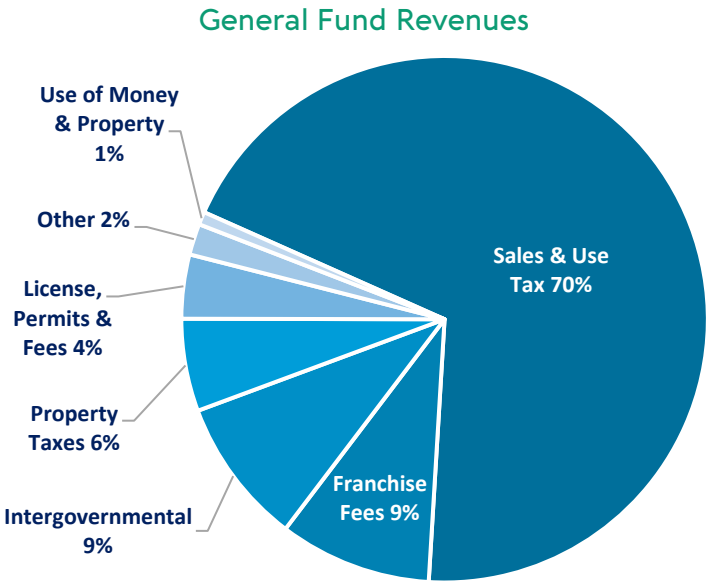
The General Fund is the main operating fund for the city and has the largest percentage of revenues. Revenues received in the General Fund are not restricted for specific purposes and include property tax, sales tax, permitting and license fees, and vehicle license fee revenues. When the city's first hotel opens it will generate the city's first transient occupancy tax; the hotel is planned to open later in fiscal year 2022-23. The majority of the city's expenditures are used for operations of city services.

The city proposes herein a budget for fiscal year 2022-23 with total General Fund revenues projected at $63,709,435 and expenditures projected at $37,976,640 (inclusive of transfers); revenues exceed expenditures, creating a budget surplus of $25,732,975. The surplus is directly linked to a large revenue budget increase in sales tax due to continued development and economic growth. Total revenues are down 11.75 % from the prior fiscal year, solely attributed to a one-time prior year receivable of $8.0 million for sales tax. Total expenditures are up 5.12% over the prior fiscal year, due to increases in law enforcement, personnel, and reductions in all other categories.

General Fund Operating Statement - The General Fund is projected to bring in $29,309,435 in operating revenues and $29,402,810 in operating expenditures. Expenditures exceed revenues and as a result, the General Fund has an operating deficit of $93,375. On the non-operating side, staff projects $34,400,000 in non-operating revenues and $8,573,650 in non-operating expenditures. Non-operating revenues exceed expenditures and as a result, the General Fund has a non-operating surplus of $25,826,350. In order to balance the budget, the city must use non-operating revenues for its operating budget to cover the deficit of $93,375. The non-operating revenues is comprised of two sources of revenue, sales tax and franchise fees. The franchise fees are one-time in nature and represent a $4.0 million waste hauler retention fee. The sales tax revenue represents a local business in the business and industry category that changed business structure and as a result

General Fund Operating Statement		
Operating Revenue Budget	29,309,435	
Operating Expenditure Budget	(29,402,810)	
Operating Deficit		**(93,375)**
Non-Operating Revenue Budget	34,400,000	
Non-Operating Expenditure Budget	(8,573,650)	
Non-Operating Surplus		**25,826,350**
Net Revenue		**25,639,174**

county pool sales tax was redistributed to host cities. At this time, staff considers this new sales tax source as one-time and non-recurring revenues as the stability of the revenue is unknown. As a result, the revenue will be set aside for future capital improvement projects, such as the city's civic center development at the Leal Property.



Of the $29.4 million in operating expenditures, $12.9 million or 44% of general fund operating expenditures is allocated to law enforcement services.

Cost Allocation Plan

The city implemented a Cost Allocation Plan that allows an organization to fairly and completely allocate its administrative costs. The General Fund will receive $293,075 in 2022-23. This plan allows the General fund to recover costs essential to operating the government and providing services to the public. Examples include costs incurred for a City Council, Commissioners, City Manager's Office, Human Resources, Financial Management, government facilities, insurance, purchasing, records management, and information technology. These costs are funded by Eastvale's general fund, and the city has many other types of funds that provide a variety of services that use these administrative and overhead resources. These indirect services are provided to the city's operating departments such as police, fire, development services, public works and other non-general funds which recognize the need for these services and permit the allocation. For more information on the city's Cost Allocation Plan, please see page 72.

General Fund Revenues

Overall, the total revenues for the General Fund total $63,709,435 in fiscal year 2022-23; operating revenues total $29,309,435 and non-operating revenues total $34,400,000. The City of Eastvale receives revenue from a variety of sources. The principal revenue sources for the General Fund are Sales and Use Taxes, Franchise Fees, and Intergovernmental revenue. The chart below is a summary of General Fund operating and non-operating sources estimated for fiscal year 2022-23 compared to revenues budgeted in the prior year 2021-22. The sales tax category is the city's largest revenue contributor, comprising 70% of the General Fund. Franchise fees are the second largest category at 9%. Intergovernmental is tied with Franchise fees at 9% and is comprised of Vehicle License Fees. Although property tax is often a top revenue source for a municipality, this category is the fourth largest at the City of Eastvale at 6%. This is likely due to the fact that this represents only the General Fund portion of property tax, the restricted Fire Fund property tax revenues are located and discussed in the Fire Fund section. Licenses, permits, and fees is the fifth largest category at 4%. Miscellaneous revenues and transfers-in make up the category of other, coming in at 2% of the General Fund. Use of money and property is projected at a low rate of return as the economy and interest rates continue to recover from the COVID-19 pandemic.

General Fund Operating and Non-Operating Revenue Sources					
Revenue Sources	Amended Budget 2021-22	Projected Actuals 2021-22	Adopted Budget 2022-23	Budget Difference	% Change
Property Taxes	$3,445,652	$3,444,800	3,609,500	163,848	5%
Sales & Use Tax	52,000,000	52,000,000	44,000,000	(8,000,000)	(15%)

General Fund Revenue Forecast Key Assumptions:

Sales and Use Tax – Throughout the COVID-19 pandemic, retail sales activity in Eastvale positively exceeded expected pandemic related economic impacts. Additionally, in fiscal year 2020-21 a company in the city changed business structure, which increased the city's sales tax revenues; this change led to redistribution of the sales tax for these businesses from the statewide pool to the city hosting the facility. Economic development efforts combined with commercial and retail growth also attributed to the increase. Overall, the city projects that sales tax revenues will continue to be higher than previous quarters as development such as Goodman Commerce Center, the Merge, and Hamner Place continue to bring businesses online. However, it should be noted that although the sales tax projection is increasing, overall budget is decreasing. Budget for fiscal year 2020-21 included a one-time true-up payment attributable to quarter 2, 2020 of approximately $8.0 million. As a result, staff is recommending budget for sales tax revenues for fiscal year 2022-23 at $44.0 million, based on Hinderliter, De Llamas & Associates projections (City's vendor for sales tax projections).

Sales Tax by Quarter				
Quarter	Actuals 2018-19	Actuals 2019-20	Actuals 2020-21	Actuals 2021-22
Quarter 1	2,454,597	2,986,937	2,873,677	10,585,286
Quarter 2	2,693,017	2,807,803	3,144,645	12,241,575
Quarter 3	2,129,355	2,272,291	10,892,874	7,558,642*
Quarter 4	2,332,606	2,281,948	11,208,862	*
Total Sales Tax	**9,609,575**	**10,348,979**	**28,120,058**	**30,385,503**
**Quarter 3 not complete and Quarter 4 not yet received*				
Annual Budget	9,609,575	9,735,138	52,000,000	44,000,000

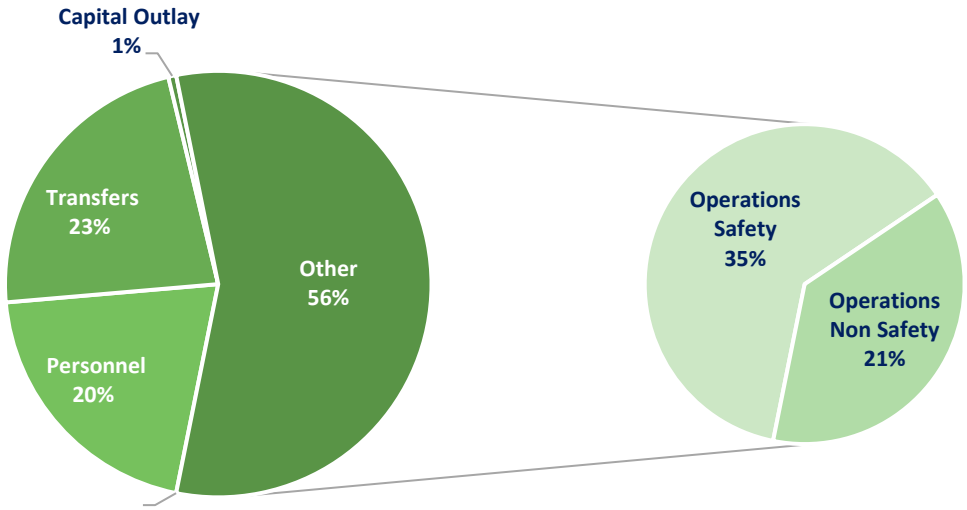
Property Valuations		
Calendar Year	Median Home Value	Gross Assessed Property Valuation
2018	$580,000	$9,085,096,396
2019	$580,000	$9,818,965,078
2020	$636,000	$10,420,259,204
2021	$750,500	$10,896,904,569
2022	unavailable	$11,418,959,422

Property Tax – As the state of California continues to face a housing shortage, home prices in the city have continued to remain high and have stabilized over the past several months. However, commercial properties continue to appeal parcel assessment valuations. As a result, property tax is expected to increase, however not at a rate that would be expected for a municipality developing as quickly as Eastvale. The city is on the County of Riverside teeter plan, which guarantees revenues equal to the levied amounts in exchange for the loss of penalty revenue. Staff based 2022-

23 estimates as a 4.76% increase over the prior fiscal year in all property tax categories, in alignment with HdL Coren and Cone projections. Teeter plan levy information will likely not be available until after the city's budget is adopted. The city is approaching $11.5 billion in assessed property values.

Franchise Fees – The city expects to see an increase in refuse franchise fees as the new agreement with Waste Management becomes effective in July 2022 and will increase the refuse franchise fee rate. As such, regular franchise fees are expected to increase by approximately $426,000. The city has continued to see slight decreases in the revenue received from its franchise agreements, including cable, refuse, gas and electric utilities from year to year. Franchise fees continue to increase as residential and commercial property develops, however a Public Utilities Commission of California decision in April 2016 changed the methodology of calculating the utility surcharge and allocation to cities, which has ultimately negatively impacted franchise fee revenues. In addition, the city will receive the second installment of an $8.0 million one-time waste hauler retention fee from Waste Management relating to a new agreement for solid waste services that begins on July 1, 2022. The second installment of $4.0 million will be received on July 1, 2022. This one-time revenue increases franchise fees, but will not be repeated in the new fiscal year.

Licenses, Fees, and Permits - Building and Safety activity has remained steady over the past few fiscal years and saw a heavy increase in permits during the pandemic. Development activity is expected to start to decrease. Staff recommends budgeting building permits, development revenue, and encroachment fees with a 12% decrease from 2021-22 fiscal year projections.



Fines, Penalties, and Forfeitures - Staff recommends increasing this revenue category to $586,000 for fiscal year 2022-23, an increase of 20% from the previous year. Although this category was impacted by the COVID-19 pandemic and subsequent economic shutdown, staff expects activities in this category to continue to increase towards 2019-20 levels.

Intergovernmental – Intergovernmental revenue consists primarily of Vehicle License Fee Adjustment Account (VLFAA) Revenue, resulting from the passing of SB130 in April 2017. VLFAA revenues are based on property valuations, which have continued to steadily increase in the city over the last few years. Intergovernmental revenue is expected to decrease from $6,099,611 to $5,725,000 or a reduction of 6.14% in fiscal year 2022-23. In prior years, special assessment district revenue from Jurupa Community Services District (JCSD) is also included in this category. When the city purchased streetlights from Southern California Edison for LED retrofit project, a majority of the streetlights were located in JCSD assessment districts. As a result, JCSD annually transfers maintenance cost reimbursements to the city. However, the city recently took over administration of the Lighting Maintenance Districts and as a result has moved this revenue into the appropriate funds to properly account for this revenue.

General Fund Expenditures

Overall, the total expenditures for the General Fund total $37,976,460 in fiscal year 2022-23; operating expenditures total $29,402,810 and non-operating expenditures total $8,573,650. The following table is a comparison by expenditure type.

General Fund Expenditure Categories

General Fund Expenditure Categories					
Expenditure Category	Amended Budget 2021-22	Projected Actuals 2021-22	Adopted Budget 2022-23	Difference	% Change
Personnel	6,493,610	6,593,150	7,691,230	1,197,620	18%
Operations	22,611,262	22,580,821	21,452,210	(1,164,952)	(0.5%)
Capital Outlay	263,613	262,630	228,000	(35,613)	(14%)
Transfers Out	6,750,668	6,648,171	8,605,020	1,924,352	27%

Personnel

In order to continue to provide quality city service operations and fulfill City Council strategic priorities, the Human Resources Division collaborated with each department to evaluate individual staffing needs. Staff is committed to efficiency enhancements along with delivering quality day to day responsibilities to ensure superior service is provided. Over the years, the city has improved the focus on organizational development and employee retention to reduce the fiscal impact created by turnover. Remaining competitive with the labor market along with right sizing the organization is necessary to execute strategic initiatives, projects, and program operations. Therefore, it has determined that a minor modification of current staffing levels is required. Recommended staffing levels adjustments usually take place during mid-year and fiscal year.

The personnel expenditures for fiscal year 2022-23 were prepared based on current pay rates plus 5% merit for all employees. Budget estimates include full benefits, including health and retirement contributions. Vacant positions are budgeted at top step with full benefits. Also included, a 2.5% COLA approved during the last budget cycle effective January 1, 2023. The proposed full-time equivalent (FTE) of City employees is 56.25 for fiscal year 2022-23, an increase of 0.50

positions from 55.75 in the 2021-22 budget. Personnel costs are increasing by $1,197,620. Although there is a nominal change in positions, the budget change is primarily due to a ten-position increase during the mid-year budget process. These positions were not budgeted for a full twelve-month period in the prior year, however the full impact to the budget has been included in the calculations for the new fiscal year. Total proposed staffing includes 53 full-time staff and 3.25 part-time staff.

Authorized Positions				
Department	Amended Budget 2019-20	Amended Budget 2020-21	Amended Budget 2021-22	Adopted Budget 2022-23
City Manager	6.50	6.00	9.00	7.50
City Clerk and Communications	5.75	4.75	8.25	8.25
Finance	5.75	5.00	7.50	7.50

Community Safety*	0.00	0.00	16.50	16.50
Total Positions	**30.75**	**35.75**	**55.75**	**56.25**
				**New department for fiscal year 2021-22*

The following position changes are included in the 2022-23 budget plan

New Classification: Public Works Superintendent - The new Public Works Superintendent position will provide oversight to construction, streets and storm drain maintenance, inspections, street cleaning programs, tree, park and landscape maintenance contracts, enhance right-of-way locations in accordance with city specifications. Administers division budget, contract administration, review capital improvement plans for services and planning future maintenance activities.

Reclassifications and Title Change

Associate Planner (New Classification) - The reclassification of the Associate Planner (currently Assistant Planner title) within the Planning Division is currently performing in the following duties involving complex and advanced planning project entitlements, researches and resolves plan implementation, zoning requirements, field surveying and environmental impact plans in accordance with CEQA guidelines. Other related duties include evaluation of the current development projects for general plan, zoning and design requirements.

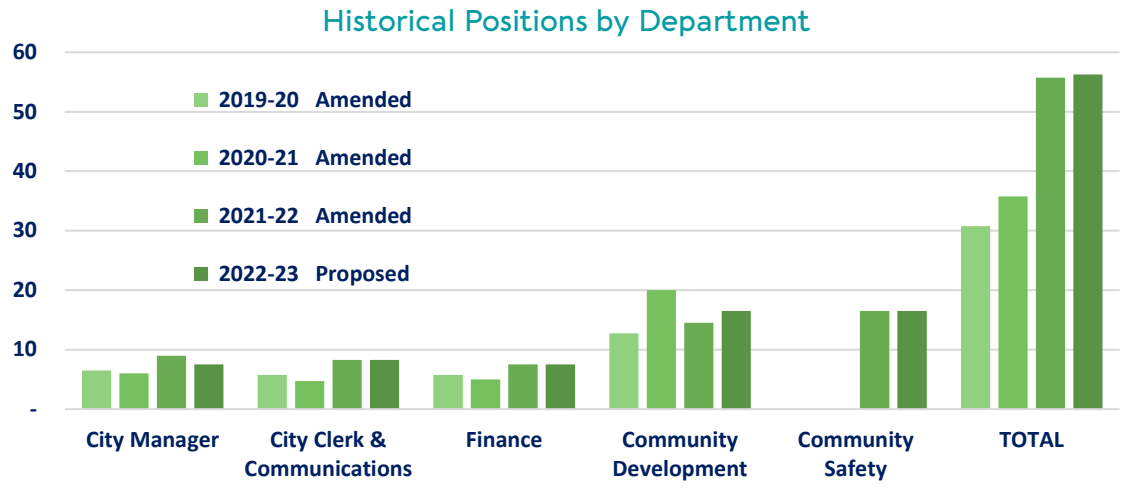
Human Resources Technician (New Classification) - The reclassification of the Human Resources Technician (currently Office Specialist title) within the Human Resources Division is performing duties and responsibilities in areas related to recruitment and selection, employee onboarding, HRIS administration, open enrollment, personnel record administration and organizational training and development.

Senior Administrative Specialist (New Classification) - The reclassification of the Senior Administrative Specialist (currently Office Specialist title) within the Community Development Department to align with complex clerical duties and general office processes requiring high level of independent judgement. Responsibilities in areas related to researching reports, creating agendas, proofreading correspondence, scheduling meetings, and additional administrative tasks.

Title Changes

1. Community Development Director to Community Development/Public Works Director
2. Deputy Talent & Special Projects Director to Deputy Human Resources/Risk Management Director
3. Talent & Special Projects Manager to Human Resources/Risk Manager
4. Talent Analyst to Human Resources/Risk Management Analyst
5. Talent Specialist to Human Resources Specialist
6. Senior Office Specialist to Senior Administrative Specialist
7. Office Specialist to Administrative Specialist

Defund and Deauthorize Position: Extra Help (Existing Classification) - Staff is requesting to defund one (1) Extra Help position from the 2022-23 budget. The Extra Help is no longer necessary to budget as the city is currently recruiting for a City Manager.



A salary survey was conducted involving six comparable agencies including Ontario, Riverside, Chino Hills, Rancho Cucamonga, Corona, and Perris. The proposed staffing changes, and recommended salary ranges are in line with the City's Strategic Target #1 Goal #2 to implement strategies to remain competitive in attracting and retaining top talent.

Authorized Position Changes

Title	Dept	Note	Employee Costs 2022-23	Annual Savings	Cost (Savings) Per Position
Associate Planner	CD: Planning	Reclassification	118,783		
Assistant Planner	CD: Planning	Remove		(112,515)	6,268
Human Resources Technician	CM: Human Resources	Reclassification	88,155

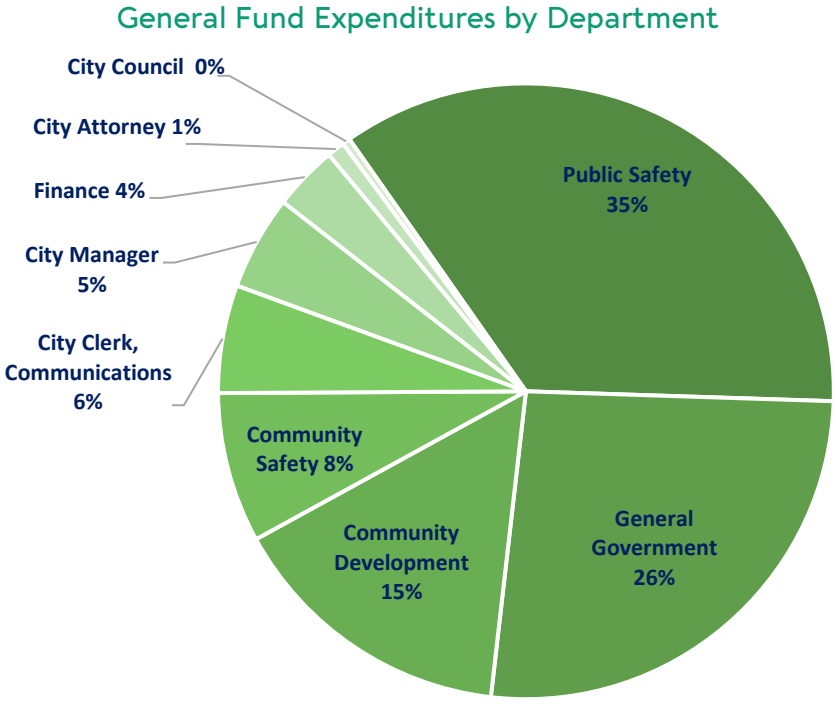
Public Works Superintendent	CD: Public Works	New Classification	165,943		
Contract	CD: Public Works	Remove		(247,520)	(81,577)
Total			**474,815**	**(521,337)**	**(46,522)**

To address additional possible future retirement liabilities and remain consistent with prior budgeting techniques, a line item totaling $126,030 exists in general government. The intent is to pay off the city's current unfunded CalPERS for both Classic and PEPRA retirement plans. Also included is a $50,000 annual Other Post Employment Benefit (OPEB) prefunding payment. The city also has a $1.6 million Pension Liability Reserve to help offset any future pension liability costs or CalPERS audit costs.

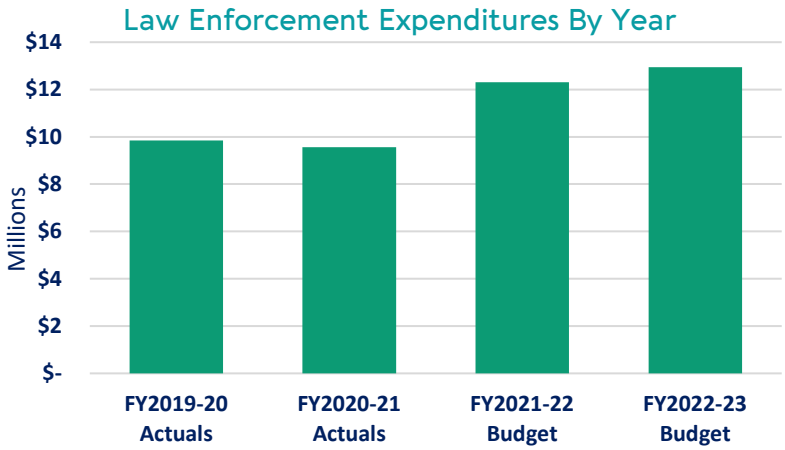


Personnel costs, as a percentage of the total general fund budget, equals 20%, or $7.7 million in Fiscal Year 2022-23. Although personnel budget has increased, contract services for building, engineering, and planning has been reduced. Transitioning contract services to in-house services has allowed the city to save money, improve effectiveness, and continue to be compliant with public employee retirement laws.

Departments

The city will enter its thirteenth year of operations with the 2022-23 budget year. The city continues to grow along with the services it provides.

The Operations expenditure type includes all contract services, professional services, and supplies (that are not capital related). Most of the increase is a result of a 2.5% increase to Police services contract rates and the full year budget realization of two new dedicated Motor Deputies added at the fiscal year 2021-22 mid-year. Additionally, as discussed above, the city added ten new authorized positions and the budget appropriation at the mid-year budget adoption included appropriations at 50% of the total annual personnel costs. The budget plan for the new fiscal year includes full budget for the ten positions. Significant changes to the General Fund expenditures are discussed by department on the following page.



General Fund Expenditures by Department				
Description	Amended Budget 2021-22	Adopted Budget 2022-23	Difference	% Difference
General Services				
City Council	215,695	152,570	(63,125)	(29.3%)

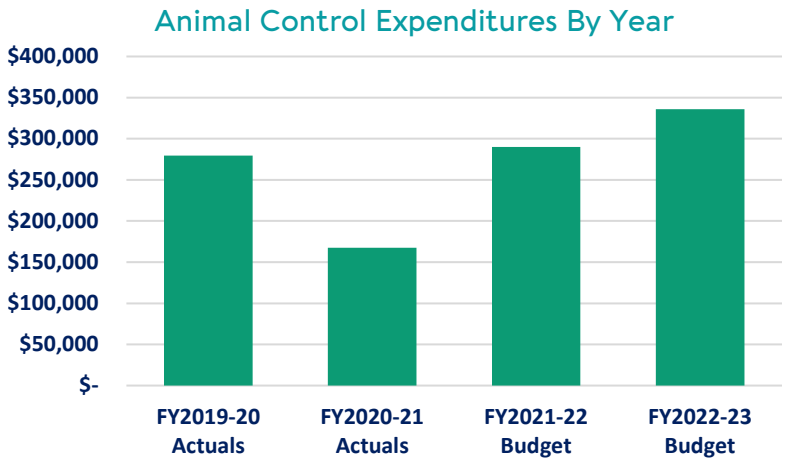
Departments: Public Safety

Law Enforcement – The City Council is committed to providing superior levels of public safety and law enforcement occupies 45% of the general fund operating budget. Law Enforcement is provided by the Riverside County Sheriff's Department (RSO). During budget workshops for fiscal year 2021-22 Council discussed increasing daily law enforcement staffing via several options. For the 2021-22 budget, City Council approved the addition of two dedicated Special Enforcement Team (SET) Deputies. Additionally, at the January 12th Mid-Year Budget Adoption, Council added two new dedicated Motor Deputies in addition to increasing daily patrol hours from 92 to 96.



Law Enforcement Positions					
Department	Amended Budget 2018-19	Amended Budget 2019-20	Amended Budget 2020-21	Amended Budget 2021-22	Adopted Budget 2022-23
Patrol Deputy Hours	100	100	92	96	96
Special Enforcement Team	2	2	2	4	4
Traffic Deputies	2	2	2	2	2
Motor Deputies	2	2	2	2	4
Community Service Officers	2	2	4	4	4
Budget % Increase	14.98%	5.38%	4.53%	10.15%	5.21%

City Council also increased law enforcement overtime budget in 2021-22 and the city will continue to fund $136,000 towards the continuation of overtime operations in the city. This allows for approximately 1,040 hours of special overtime operations.

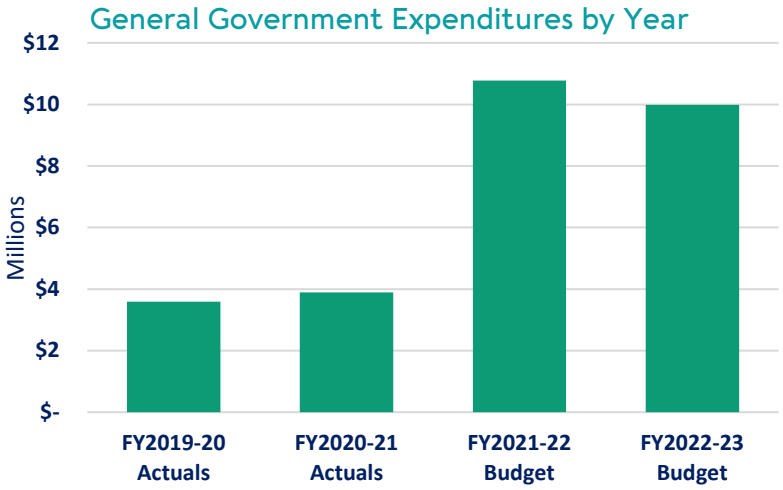
In late April 2022 the RSO announced a 2.0% - 2.5% increase to contract costs. At the time of budget adoption, the city was unsure what the RSO rate increase would be for the 2022-23 fiscal year, as a result staff has utilized the higher 2.5% increase in budget estimates. Total proposed 2022-23 budget for law enforcement is $12,943,390 as compared to $12,302,638 for fiscal year 2021-22, a total of 5.21% increase. Public safety generates approximately $533,000 in contributing revenue to the General Fund.

This department also houses the School Resource Officer expenditures at Eleanor Roosevelt High School (ERHS). The city and Corona-Norco Unified School District have an agreement that the city will reimburse the district for 50% of the costs for the second ERHS Resource Officer. On average the School Resource Officer budget totals $60,000 for a fiscal year.

Animal Control – The City of Eastvale contracts with Riverside County for animal control services. The County is moving towards a 100% cost recovery model, as a result, animal control service costs increased over the last several fiscal years. For fiscal year 2022-23 it is anticipated that the county will reach the full cost recovery model, with fees increasing for sheltering services, field services, and licensing fees. The increase over the prior fiscal year is approximately 16%. Total costs are estimated at $336,000. The contract costs include a half-time Animal Control Officer for the City of Eastvale. Animal Control generates approximately $100,000 in contributing revenue to the General Fund.

Crossing Guard Expenditures Year-Over-Year					
Audited Actuals 2017-18	Audited Actuals 2018-19	Audited Actuals 2019-20*	Audited Actuals 2020-21*	Amended Budget 2021-22	Adopted Budget 2022-23
68,388	75,765	57,664	23,563	97,200	102,060
*COVID-19 School Closure Impacts					

Crossing Guards– The city of Eastvale has an agreement with Corona-Norco Unified School District (CNUSD) to reimburse 50% of crossing guard costs. CNUSD contracts with a vendor for crossing guards and those costs are transferred to the city; the increase over the prior year is approximately 5%. Total budget is estimated to increase from $97,200 in the prior year to $102,060.



Departments: General Services

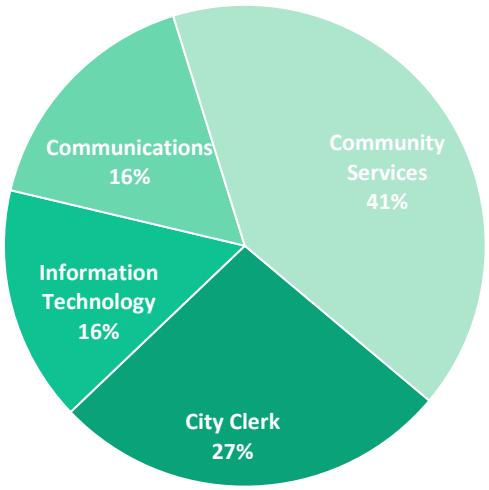
City Council – Total proposed expenditures for the City Council for 2022-23 are $152,570, a decrease of $63,125 from Fiscal Year 2021-22. The decrease is solely attributable to the lobbyist service contract now being housed in the City Manager department, accounting for the increase in budget for the new fiscal year.

City Attorney – Total proposed expenditures for the City Attorney for 2022-23 are $352,400, a decrease from the previous year. Staff anticipates the City Attorney contract to include a CPI inflator and budgeted an 8.0% increase in anticipation of the finalized CPI increase. Budget was set at $390,000 for the prior year, $280,000 for retainer fees and $110,000 for other special project work in the city. However, some of the special project budget moved to Human Resource in anticipation of increased legal fees for this department. In the new year budget is proposed at $302,400 for retainer fees and $50,000 for special project legal fees.

General Government – The city's General Government includes services applicable to all teams, including city wide software, copier leases and maintenance, general fund transfers out, CalPERS and Other Post Employment Benefit (OPEB)

liability payments, and County of Riverside Revenue Neutrality. Total proposed expenditures for General Government Department are $9,387,150, a decrease of $887,322 compared to fiscal year 2021-22, or 8.6%. Typically, the city budgets for contingency in this department, however due to the structural deficit staff recommended removing the contingency budget for fiscal year 2022-23. Staff also removed contingency budget for fiscal year 2020-21 during the COVID-19 pandemic and staff continues to recommend the elimination of contingency in the fiscal year 2022-23. Any budget anomalies will be brought to the Council for approval during the fiscal year; any requests will be accompanied by a fund balance analysis.

Transfers Out – Overall transfers out from the General Fund to other funds totals $8,605,020. Transfers out to the Capital Projects Fund total $7,658,650 and are for the following projects: Civic Center Design, $3,100,000; Limonite Gap Bridge, $3,653,650; Modular Officers, $800,000; and Vehicle Purchases, $105,000. Transfers out to the debt service fund stands at $0, as the city paid off the streetlight purchase and LED retrofit debt service, as a result the transfer is no longer necessary for the new fiscal year. The general contribution to the city's special assessment districts totals $31,370, similar to the prior year. Finally, staff set up four new capital reserve funds for information technology, fleet replacement, facility maintenance, and street maintenance. Budget for capital contribution to the reserve funds is set at $915,000 for the new fiscal year.



Revenue Neutrality – The annual revenue neutrality payment to the County of Riverside is also partially located in this department. Revenue neutrality is a requirement that the city pay a portion of General Fund and Fire Fund revenues to the County of Riverside. The General Fund and Fire Fund both contribute 50% of the total revenue neutrality payment. In fiscal year 2022-23 revenue neutrality impact to the General Fund is $278,100. The revenue neutrality agreement with the County is effective until June 30, 2040.

Sales Tax Abatement – The city's sales tax abatement agreement with Tarpon Properties was located in this department. The balance of the agreement totaling $2,559,045 was paid in fiscal year 2021-22, as a result the proposed budget for fiscal year 2022-23 is $0.

Building & Facilities– The city's Building Maintenance Department includes services applicable to City owned and City maintained buildings and facilities, including the Citrus property. Proposed expenditures for Building and Facilities are $602,600, an increase of $29,663 from fiscal year 2021-22, or 5.2%. The increase is primarily due to an increase in lease rates for the City Hall location at the Gateway shopping center on Limonite Avenue. This department primarily bears the cost of utilities, landscaping, janitorial, leases for City Hall, and maintenance and repair budgets.

Departments: City Clerk and Communications

City Clerk & Communications Expenditures by Division

City Clerk Division – Total proposed expenditures for the City Clerk's division for 2022-23 is $576,600, an increase of $43,674 from the prior fiscal year. The greatest change is an increase in election costs for the new fiscal year. This is a typical increase for the City Clerk division, which houses the costs related to the general election every two years. The City Clerk division generates approximately $48,150 in revenue to the General Fund through passport services.

Communications Division – Total proposed expenditures for Communications for 2022-23 is $355,250, a slight increase of $4,004 from the prior fiscal year.

Community Services/Events Division – The Community Services division was a new addition for the prior fiscal year and has been expanded in the new budget plan. The division will host five different events: five EATSvale food truck events during the summer months, EEK!vale in October, Miracle on Citrus in December, the Lantern Festival in February, and the International Food Festival in the spring. Additionally, the division is responsible for the 9/11 event, Veterans Day, and miscellaneous event outreach. Current expenditures for this department cover three authorized positions and operations for the events.

Information Technology Division – The Information Technology division budget plan includes a $60,088 increase over the prior fiscal year for a total of $341,100. A $50,000 increase is due to the IT services contract, which was recently increased from three days of service to four. The remaining $10,000 increase is housed in the miscellaneous equipment category to cover costs as the city continues to replace outdated equipment.

Departments: City Manager's Department

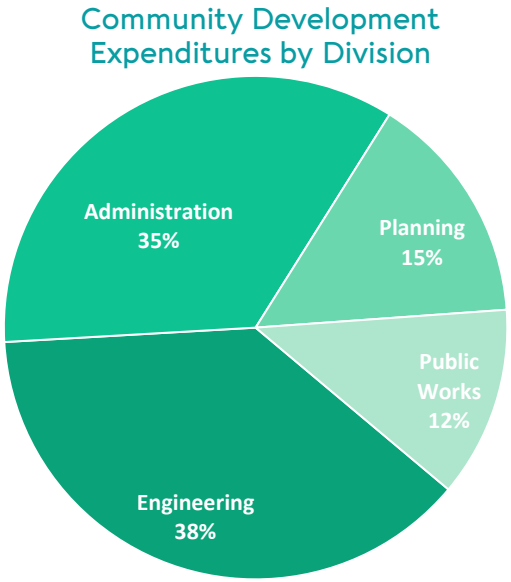
Total proposed expenditures for the City Manager's Department for 2022-23 are $1,883,800 an increase of $84,668 from fiscal year 2021-22, or 4.7%. The City Manager's Department also includes Human Resources Division and the Risk Management Division.

City Manager Expenditures by Division

City Manager – Total proposed expenditures for the City Manager Division are $651,700, a decrease of $67,706 from the prior year. This is attributable to two factors. The first is an increase as the lobbyist contract was reclassified from the City Council department. The second is a large decrease in personnel costs as the Economic Development Manager position was moved back to the Community Development Department.

Human Resources Division – Total proposed expenditures for the Human Resources Division for 2022-23 are $871,900 an increase of $231,634 over the prior fiscal year. The increase is primarily due to two new positions added during the fiscal year 2021-22 mid-year process; a payroll

coordinator and intern were added and the full annual budget for these positions is included in the new fiscal year. As a result, personnel in the Human Resources Division shows an increase of $124,730. Additionally, this division has a $110,000 increase in legal services related to the ongoing CalPERS audit. Expenditures also include a one-time request for a classification and compensation study, this budget should not carry forward into the following 2023-24 fiscal year.



Risk Management Division – Total proposed expenditures for the Risk Management Division for 2022-23 are $360,200 a decrease of $79,260 from the prior year. The change is caused by two factors. First the city is experiencing an 8% increase in general liability insurance premiums through the city's insurance carrier. This increase is primarily due to city insurance increases both for general liability and workers compensation as staff has continued to grow. The city contracts with PERMA for general liability insurance and the State Compensation Fund for workers compensation. Second, the fiscal year 2021-22 budget included a $120,000 expenditure for a one-time true up payment to the PERMA liability pool. This should not be carried forward into future fiscal years and as a result, the fiscal year 2022-23 budget for general liability shows a savings over the prior year.

Departments: Finance

Total proposed expenditures for the Finance Department for 2022-23 are $1,293,050, up 12.8% from the prior fiscal year. The increase is mainly due to the addition of a Senior Accountant and Intern at the mid-year 2021-22 budget. When the mid-year budget was appropriated a full 12 months for these new positions was not appropriated, as a result personnel in the Finance Department shows an increase of $166,255. The Finance Department generates approximately $91,150 in contributing revenue to the General Fund; the main category of revenues is business, rental, and sidewalk registration fees.

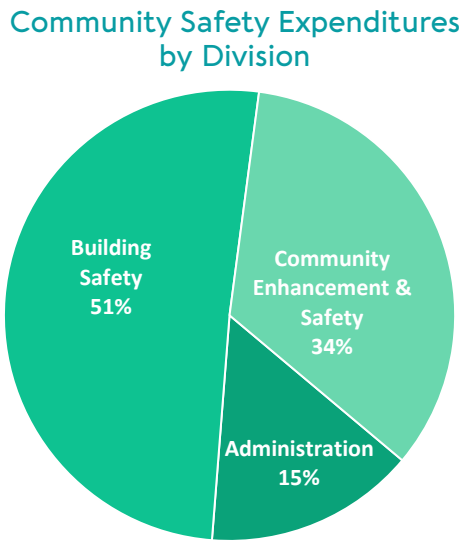
Departments: Community Development Department

Community Development Administration – The total proposed expenditures for the Community Development Administration Department for 2022-23 are $5,773,000, an increase over the prior fiscal year of $1,091,948. The department contributes approximately $1,285,000 in revenue to the General Fund.

Community Development Administration Division –Total proposed expenditures for the Administration Division are $2,011,500, an increase of $706,004 over the previous fiscal year. A portion, $293,604, is due to personnel increases. The Economic Development Manager position moved back to Community Development Administration from City Manager in fiscal year 2022-23. A new intern position was added during mid-year 2021-22. Budget for the city's Business Incentive Program increased from $300,000 to $500,000 for the new fiscal year, a request of the Business Incentive Ad Hoc Committee. Approximately $230,000 is specifically set aside for the development of the Leal property for future civic and public use.

Planning Division –Total proposed expenditures for the Planning Division for 2022-23 are $862,210, up $49,303 from fiscal year 2021-22. The increase is primarily due to personnel related merit increases and contract services

CPI increases.



Engineering Division – Proposed expenditures for Engineering for the new fiscal year total $2,192,390, an increase from fiscal year 2021-22 of $360,371. Contracts related to permits is expected to increase by $250,000 for land development city-wide, including land development at the Leal site. The department also requested $60,000 for software and equipment in order to better account for the city's assets via asset and project management software.

Public Works Division – Total proposed expenditures for Public Works for 2022-23 are $706,900, a decrease of $23,730 from fiscal year 2021-22. The change is primarily due to vacant positions now being filled and budgeted at the appropriate step versus budgeted at top step, as a result this division is projected to have a budget savings for the new year as compared to the previous year.

Departments: Community Safety Department

Community Safety Administration – The Community Safety Department was newly created in fiscal year 2021-22. The Building Safety division and Community Enhancement and Safety division moved from the Community Development Department into the new Community Safety Department. The total proposed expenditures for the Community Safety Department for 2022-23 are $2,995,930, an increase of 18.9% over the prior year. The department contributes approximately $839,000 in General Fund revenue.

Community Safety Administration – Proposed expenditures for administration for 2022-23 are $453,030, an increase of $170,344. The personnel category is projected to increase by $142,194, a result of a full annual budget appropriation for the mid-year approved Environmental Compliance Analyst and Intern. Both positions were only budget for a small portion of the prior fiscal year. The remaining increase is due to the addition of the Eastvale Community Enhancement Volunteer Program.

Building & Safety Division – Total proposed expenditures for Building & Safety for 2022-23 are $1,522,150, an increase of $277,641, or 22%. A portion, $96,000, of the increase is in the personnel category due to the full annual budgeting for three inspector positions that were added during the last fiscal year; at that time only a portion of the annual budget was added as HR anticipated the positions remaining vacant until Spring 2022. In anticipation of development at the Leal project contract services for plan check and additional building inspections are expected to increase by $155,000. The final adjustment is an approximate $15,000 request to finalize the implementation of Accela software for building permit processing.

Community Enhancement & Safety Division – Total proposed expenditures for Community Enhancement & Safety (CES) for 2022-23 are $1,020,750. This equates to a $25,747 increase from fiscal year 2021-22, or 3%. The full increase is attributable to the addition of one Community Enhancement and Safety Officer during the 2021-22 mid-year budget process. The position was not budgeted for the full fiscal year, and for fiscal year 2022-23 the budget was set at 100%.

Revenue and Expenditures summaries can be found in schedules following the Budget Overview.

General Fund Available Resources

The Reserve Policy for the General Fund establishes the procedures for reporting unrestricted fund balance in the financial statements. Certain commitments and assignments of fund balance will help ensure that there will be adequate financial resources to protect the city against unforeseen circumstances and events such as revenue shortfalls and unanticipated expenditures or to set aside reserves for specific one-time initiatives. Available reserve changes for Fiscal Year 2022-23 resulting from General Fund revenues, expenditures, and transfers are summarized below:

Although the total estimated general fund balance for June 30, 2023, is projected at $125,802,856, certain assignments and commitments totaling $115,294,663 limit the available balance to $10,508,193. The available balance is higher than typical years, this is purposeful planned to have adequate fund balance in the General Fund to cover expected negative fund balances in reimbursable grant funds as of June 30, 2023. For more information on the city's Reserve Policy and available fund balance, please refer to page 54 for fiscal and budgetary policies and page 62 for available fund balances.

*For detail regarding nonspendable, restricted, assigned and committed fund balances, see page 62, Fund Balances

Restricted Fund Balance

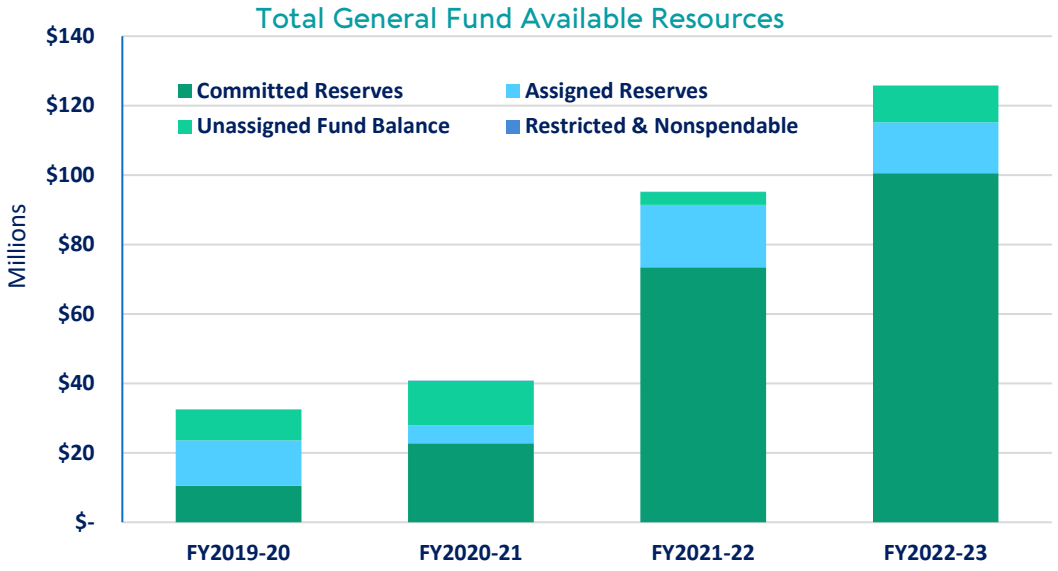
Restricted Fund Balance are resources that are subject to externally enforceable legal restrictions. These restrictions would be either 1) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or 2) imposed by law through constitutional provisions or enabling legislation. Some of these restrictions include:

- *Fire Protection Operations/Improvements* - The city receives a separate General Fund property tax allocation to pay for the provision of fire protection services. Because these revenues are restricted for uses of Fire Protection, the cumulative Fire Fund Balance is also restricted. Fire Fund balance for June 30, 2023 is estimated at $14,439,545. The city anticipates this fund balance will need to be for operational costs within the next several fiscal years. Additionally, fund balance will be used for one-time costs such as a truck, medic squad replacement, and a third fire station at the Leal development.
- *Street Maintenance and Infrastructure Improvements* – Reserves from Gas Tax and Measure A fund balance.
- *Landscape, Streetlight, Storm Drain Maintenance* – Reserves from assessments specific to parcels in various maintenance districts.
- *Air Quality* – Fund balance related to the city's portion of motor vehicle registration collected pursuant to AB2766.
- *Capital Projects City Facilities* – Fund balance from development impact fees collected for construction of infrastructure and City facilities.

Committed Fund Balance

The City Council, as the city's highest level of decision-making authority, may commit fund balance for specific purposes pursuant to constraints imposed by formal actions taken, such as an ordinance or resolution. These committed amounts cannot be used for any other purpose unless the City Council removes or changes the specified use through the same type of formal action taken to establish the commitment. City Council action to commit fund balance needs to occur within the fiscal reporting period; however, the amount can be determined subsequently. City Council has approved the following commitments through formal action:

- *Facility Construction: Civic Center* - As a new City, Eastvale has relatively new infrastructure and facilities in place, but also faces significant costs to complete critical infrastructure systems including a City Hall and Library. The city has proposed increasing the commitment of $14,405,000 for a future City Hall/Library to $85,540,429. Other funding sources, such as Development Impact Fees, grant funding, and bond financing are being evaluated for the future construction of a City Hall and Library.
  - *City Hall*: $33,000,000
  - *Library*: $10,000,000
  - *City Hall Appropriations Limit Reserve*: $23,945,429
  - *Library Appropriations Limit Reserve*: $17,595,000
- *Facility Construction: Police Substation* – The City Council committed fund balance for a future police station during the Mid-Year review process for fiscal year 2020-21. Negotiations for a new waste hauler franchise agreement led to a one-time payment from Waste Management to the city totaling $4.0 million. A second $4.0 million payment is due from Waste Management on July 1, 2022, and will be added to the reserve. Staff recommends that the City Council increase this reserve from $4.0 million to $8.0 million for a future Police Substation.



- *Hamner Place Land Acquisition Final Payment* – The city purchased land at the Hamner Place Development. The land purchase is not yet complete. When the developer delivers the final grading improvements the city will need to process the final payment. Staff proposes maintaining a Hamner Place Land Acquisition Final Payment reserve of $1,840,000 for fiscal year 2021-22.
- *Pension Liability Reserve* - City staff propose continuing increasing the $1,500,000 committed reserve for pension liabilities to $1,620,500; the increase is attributable to 2.0% of personnel costs in the current fiscal year. This set aside is intended to offset any future California Public Employees Retirement System (CalPERS) liabilities and potential settlements for audit findings.
- *Public Safety Rate Increase Stabilization* - To mitigate the consistent increases of public safety contract rates for future years and before reducing service levels should economic conditions reduce City resources to pay for police and fire services, staff proposes maintain a Public Safety Rate Stabilization reserve of $1,000,000 for fiscal year 2022-23.
- *Equipment Purchase: Fire Truck Appropriations Limit Reserve:* New for the fiscal year 2022-23 year is a specific reserve to purchase a new fire truck for the new third fire station planned to be constructed at the Leal Development. Staff proposes $1.5 million of General Fund fund-balance for this reserve. At this time, the Fire Fund cannot fund this reserve.
- *Facility Construction: Fire Station 27 Storage Facility Appropriations Limit Reserve:* Another new reserve category this year is a specific reserve to construct a storage facility at Fire Station 27. Staff proposes $2.0 million for this reserve category. Similar to the fire truck reserve, the Fire Fund is unable to contribute fund balance to this project.

Assigned Fund Balance

Amounts that are constrained by the city's intent to be used for specific purposes, but are neither restricted nor committed, should be reported as assigned fund balance. The reserve policy delegates to the City Manager, the City Manager's designee, the authority to assign unrestricted fund balance amounts where the city's intent is for those amounts to be used for specific purposes. This delegation of authority is for the sole purpose of reporting these amounts in the annual financial statements.

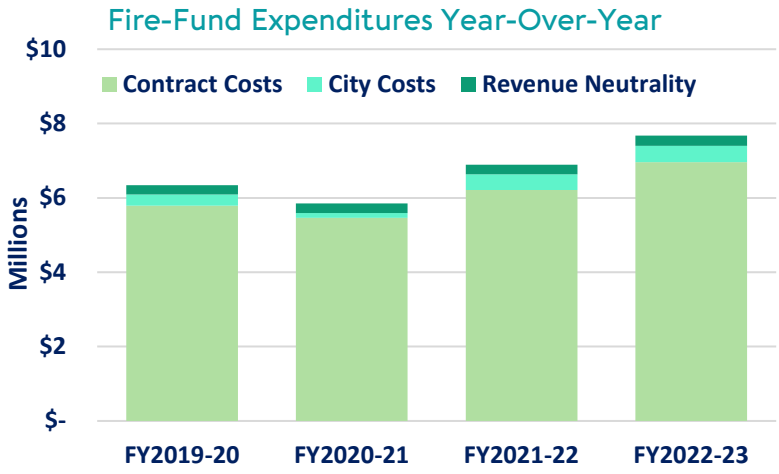
- *General Fund Emergency Contingency* - The city's General Fund Balance assigned for emergency contingency is established at six (6) months or 50% of annual regular General Fund operating expenditures in any fiscal year in which recurring sources exceed recurring uses in the General Fund. The City Council may, by the affirming vote of three members, change the amount of this assignment and/or the specific uses of these monies. The Emergency Contingency for the 2022-23 budget year is $14,701,405 or 50% of the proposed General Fund operating expenditure budget of $29,402,810.

- *Continuing Appropriations* - An example of assigned fund balance is Continuing Appropriations. Fund balance levels must be sufficient to meet funding requirements for projects approved in prior years and which must be carried forward into the new fiscal year. Please see Capital Improvement Program on page 323 for all continuing appropriations.

The above graph represents fund balance over the past four years of operations and shows total fund balance, less the amount of reserves that are restricted, committed, and assigned leaving the remaining amount in unassigned fund balance.

OTHER FUNDS OVERVIEW

City Wide Net Revenues



The total combined projected revenues for fiscal year 2022-23 for all funds are $103,623,471, including transfers in of $9,286,747. Total expenditures proposed for fiscal year 2022-23 for all funds are $100,569,483, including transfers out of $9,286,747 and continuing appropriations of $9,316,647. Expenditures exceed revenues in several funds for multiple reasons, including continuing appropriations from prior fiscal years in which the revenues were received and are now being expensed, reimbursable grants, and reimbursement agreements with other government agencies such as the TUMF reimbursement from WRCOG for the Limonite Gap Closure capital project. Reimbursable grants and reimbursement agreements are pre-approved by the granting agency but funded after the project is completed.

Fiscal Year 2022-2023 Net Revenues & Fund Balance					
Fund	Estimated Fund Balance 06/30/2022	Revenues	Expenditures	Change in Fund Balance (Rev minus Exp)	Estimated Fund Balance 06/30/2023
General Fund	100,069,881	63,709,435	37,969,460	25,739,975	125,802,856
Fire Fund	14,019,745	8,008,000	7,678,200	329,850	14,349,545
Gas Tax Fund	3,807,193	1,907,980	5,522,344	(3,614,364)	192,829
Road Maintenance and Rehabilitation Fund	667,699	1,505,500	1,545,000	(39,500)	628,199
Measure A Fund	3,689,383	2,032,000	5,715,589	(3,683,589)	5,794
Miscellaneous Grants Fund	908,782	7,793,400	19,336,750	(11,543,350)	(10,634,568)
TUMF Reimbursement Fund	(306,100)	4,050,000	5,600,000	(1,550,000)	(1,856,100)
General Capital Projects Fund	2,713,050	7,659,450	10,302,500	(2,643,050)	70,000

- See page 62, Fund Balance Summary for more information.

Other Purpose General Fund: Fire Protection (Major Fund)

For the 2022-23 budget, the Fire fund is expected to have a budget surplus of $329,800, which is unusually low for this fund. Fire Fund revenues total $8.0 million and expenditures total $7.7 million. The surplus is caused by two factors. The first is an increase in property tax revenues for the new fiscal year, due to new development. The second, which caused the lower-than-normal surplus, is a 20% increase in CalFIRE related personnel benefits; this equates to almost an $800,000 increase in contract costs to the city.

Revenues - The Fire Fund is primarily funded by general purpose property taxes specifically levied for the purpose of fire protection services. Any license, permits, and fees and fines, penalties, and forfeitures linked to fire protection are also collected in this fund. Property tax budget is proposed at $7,785,000, an increase of $486,069 or 6.7%. Licenses, fees, and permits are proposed at $110,000 a reduction of $55,000 compared to the prior year; this projection is based on actual fees collected during the 2021-22 fiscal year. The property tax funds are restricted through the city's incorporation procedures and revenue neutrality agreement by the County of Riverside for fire protection services and operations in addition to the maintenance of buildings and equipment.

Expenditures - Fire services provided by CalFIRE through Riverside County is the largest expenditure in the fire fund, totaling $7,182,000. Non fire service operations total $218,100 and primarily consist of utilities, landscaping, and building maintenance costs associated with the two city-owned fire stations. Debt service is the other large category in this fund, totaling $278,100. This is the Fire Fund portion of the city's revenue neutrality agreement with Riverside County; the Fire Fund is responsible for 50% of the payment. The revenue neutrality agreement is in place until 2040. This expenditure increases annually by CPI.

A new expenditure category for the prior fiscal year that continues into the new fiscal year is Wildland Fire protection services for the city's Santa Ana River basin. The city has approximately 1,600 acres of undeveloped river basin land that is often subject to wildfires. The Wildland Fire agreement with CalFIRE will provide for 100% of fire protection services without an incident charge. The agreement essentially acts as an insurance policy and costs approximately $60,000 annually.

Fund Balance - The Fire Fund is projected to finish the fiscal year 2022-23 with $14.3 million in fund balance. The primary revenue source of this fund is property tax, which generates 97% of total revenues in this fund. As a result, fire service provision relies heavily on one revenue source. It becomes imperative that the city continue to maintain a healthy fund balance should a change in the economy occur in the future. The city also has plans to construct a third fire station and $8.0 million is committed for the future third fire station construction in the north sector of the city during the Leal Property development. The second fund balance commitment is $200,000 for future apparatus replacement, this committed reserve will grow annually to ensure that adequate reserves exist to replace costly apparatus. Finally, the fund houses an assigned reserve consisting of 75% of expenditure appropriations; for fiscal year 2022-23 this reserve category totals $5,735,363.

Fire Fund Fund-Balance Changes	% of Appropriations	Fund Balance
Total Estimated Restricted Fund Balance at June 30, 2022	**183%**	**14,019,745**

Special Revenue Fund: Gas Tax (Major Fund)

The Gas Tax is funded by apportionments under the California Street and Highways Code Sections 2105, 2106, 2107, and 2107.5. The funds may be used towards maintenance, rehabilitation or improvement of public streets. The funds specific to code section 2107.5 may be used for engineering services and gas tax audit costs. Just prior to publication of this document, new estimates for gas tax revenues were released; the projections dropped by $100,000. For the 2022-23 budget, Gas Tax revenues are projected at $1.95 million, and expenditures are projected at $5.5 million, including $2.0 million in continuing appropriations. Although expenditures exceed revenues, the Gas Tax fund has available fund balance, projected to end the fiscal year at $192,829.

Expenditures within the gas tax fund for fiscal year 2022-23 include street maintenance and street sweeping contract services, storm drain maintenance, General Plan 2040 contract services, catch basin annual maintenance, the city-wide traffic signal synchronization project, traffic signal battery backup system project, citywide branding, and Limonite Avenue and city-wide signal synchronization.

Special Revenue Fund: Measure A (Non-Major Fund)

The Measure A fund is funded by apportionments from the Riverside County Transportation Commission (RCTC). The funds are specific to a voter approved ½ percent sales tax in Riverside County to specifically fund transportation projects. For the 2022-23 budget, Measure A revenues are projected at $2.0 million, and expenditures are projected at $4.4 million, plus $1.3 million in continuing appropriations. Expenditures exceed revenues; however, the Measure A fund has available fund balance, projected to complete fiscal year 2022-23 at $5,794.

The Measure A funds some landscape maintenance and street sweeping maintenance within the City. Additional expenditures include annual street overlay and slurry seal, arterial crack sealing, and the traffic signal communication master plan.

Special Revenue Fund: Miscellaneous Grants Fund (Non-Major Fund)

The Miscellaneous Grants Fund is comprised of one-time grant funding. The funds are specific to each grant's requirements. This fund mainly houses reimbursable grants, the city does not receive the funding until after the completion of the project. As a result of the reimbursable nature of these grants, the fund normally operates at a deficit. For the 2022-23 budget, Miscellaneous Grant revenues are projected at $7.8 million, and expenditures are projected at $16.8 million, plus $2.5 million in continuing appropriations. The Grants Fund is expected to complete the fiscal year with a negative $10,634,568 fund balance.

Two major grants account for a major portion of the new budget, the LPP grant for the Limonite Gap Bridge Construction project totals approximately $9.5 million and the Active Transportation Grant for the Bike Network Connectivity project totals $5.6 million. It is expected that a majority of the revenues related to these grants will be reimbursed after the fiscal year ends and will be recognized as fiscal year 2023-24 revenues. Other grants accounted for in this fund include the CalFIRE grant for I-15 Corridor Landscaping, SB2 grant for General Plan Update, Rubberized Pavement Grant, and the Highway Safety Improvement Grant Cycle 8 funding for both the Citywide Traffic Signal Retroflective Backplate project and the Traffic Signal Dilemma Zone Detection and Mitigation project.

Special Revenue Fund: American Rescue Plan Act Grant Fund (Major Fund)

The American Rescue Plan Act (ARPA) Grant Fund is comprised of one-time grant funding through the State and Local Fiscal Recovery Fund (SLFRF). Although revenues are booked for the new 2022-23 fiscal year, the funds have been expensed as of June 30, 2022. As a result, no expenditure activity is expected for the budget year. The funds must be spent in accordance with the US Treasury Department's "final rule." The final rule allowed agencies to elect a one-time $10.0 million standard allowance towards the revenue loss category of eligible expenditures. The revenue loss category allows cities to fund general public services with the SLFRF funding. As a result, the city may utilize the full $7.36 million grant allocation towards revenue loss in the city's General Fund. The city has elected to utilize the funding towards the contract costs for law enforcement services provided by the Riverside Sheriff Office, thus freeing the $7.36 million for other unrestricted uses within the General Fund. The fund is expected to complete the fiscal year with a net zero fund balance.

Special Revenue Fund: General Capital Projects Fund (Non-Major Fund)

The General Capital Projects fund is used to track capital projects funded by the general fund. Funds are transferred into the Capital Projects Fund from the General Fund. For the 2022-23 budget, revenues are projected at $7.6 million, and expenditures are projected at $8.6 million plus $1.7 million in continuing appropriations. The fund is expected to end the 2022-23 fiscal year with a small fund balance of $70,000. Capital project expenditures for 2022-23 include $4.5 million for the Limonite Gap Bridge Construction Project, Hellman Avenue Street Widening, Hamner Place beautification, new vehicle purchases, Civic Center Design, Modular Offices, and General Plan 2040 services.

Special Revenue Fund: Capital Reserve- Information Technology Capital Replacement (Non-Major Fund)

The Information Technology Capital Replacement Fund is used to track expenditures for new and replacement equipment relating to the city's computer systems. The fund primarily functions as a reserve for large information technology purchases. Fiscal year 2022-23 is the first operational year for this capital replacement fund; information technology replacement expenditures were previously located within the General Fund. Funds are transferred into the Information Technology Fund from the General Fund. For the 2022-23 budget, revenues are projected at $433,652 and expenditures are projected at zero. The fund is expected to end the 2022-23 fiscal year with a fund balance of $433,652.

Special Revenue Fund: Capital Reserve- Fleet Replacement (Non-Major Fund)

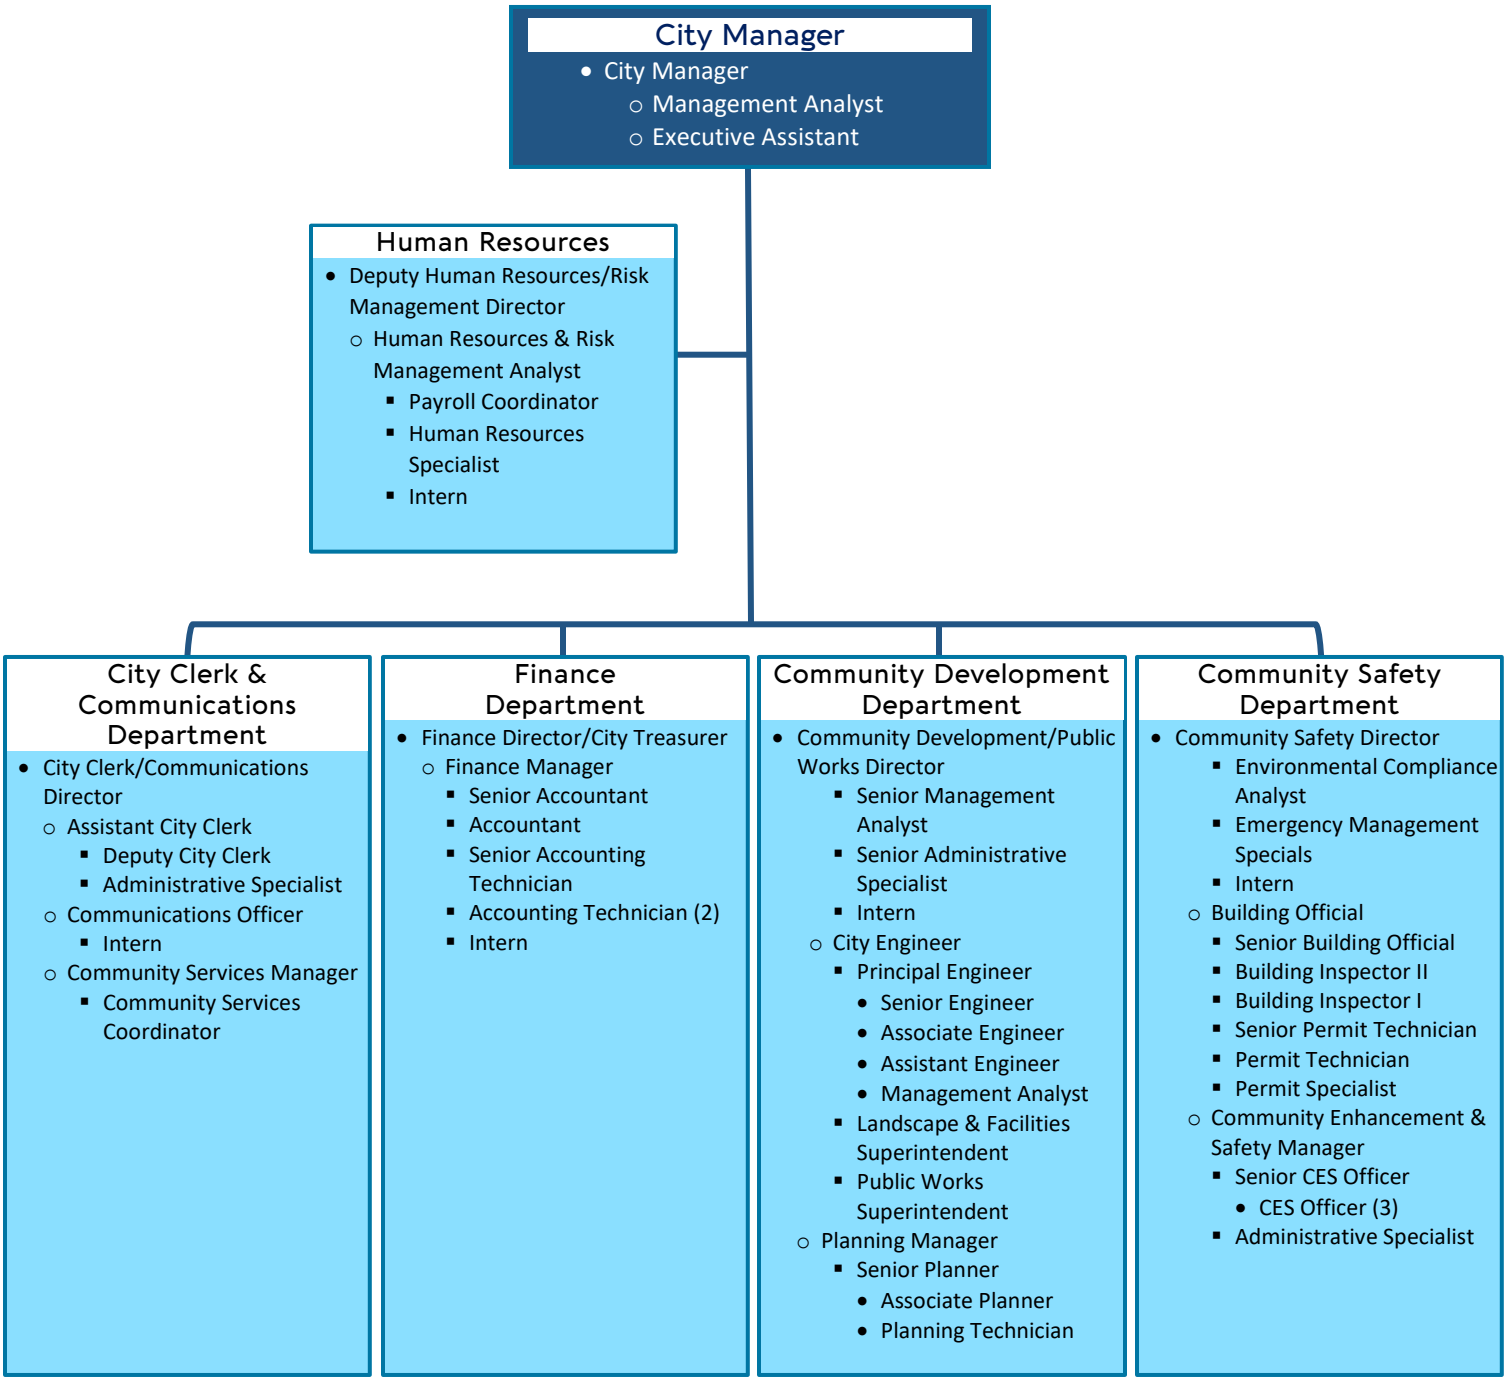
The Fleet Replacement Capital Replacement Fund is used to track reserves specifically related vehicle replacement. Fiscal year 2022-23 is the first operational year for this capital replacement fund and fleet replacement reserves have never been maintained. Funds are transferred into the Fleet Capital Replacement Fund from the General Fund. For the 2022-23 budget, revenues are projected at $120,000 and expenditures are projected at zero. The fund is expected to end the 2022-23 fiscal year with a fund balance of $120,000. Staff plans to create an annual allocation based on vehicle depreciation and replacement schedules in order to set aside adequate fund balance to ensure vehicles can be purchased years into the future. Departments with vehicles include Community Enhancement and Safety, Building, Law Enforcement Motorcycles, CalFIRE Inspection program, and the City's Volunteer Program.

Special Revenue Fund: Capital Reserve- Street Maintenance (Non-Major Fund)

The Street Maintenance Capital Replacement Fund is used to track reserves specifically related future street maintenance. Fiscal year 2022-23 is the first operational year for this capital replacement fund and street maintenance reserves have never been maintained. Funds are transferred into the Street Maintenance Capital Replacement Fund from the General Fund. For the 2022-23 budget, revenues are projected at $500,000 and expenditures are projected at zero. The fund is expected to end the 2022-23 fiscal year with a fund balance of $500,000. Staff plans to create an annual allocation based on annual street miles maintained in concert with the pavement management program in order to set aside adequate fund balance to ensure street maintenance can be maintained years into the future.

Special Revenue Fund: Capital Reserve- Facility Maintenance (Non-Major Fund)

The Facility Maintenance Capital Fund is used to track reserves specifically related facility maintenance. Fiscal year 2022-23 is the first operational year for this capital replacement fund and facility maintenance reserves have never been maintained. Funds are transferred into the Facility Maintenance Capital Fund from the General Fund. For the 2022-23 budget, revenues are projected at $250,00 and expenditures are projected at zero. The fund is expected to end the 2022-23 fiscal year with a fund balance of $250,000. Staff plans to create an annual allocation based on facility depreciation schedules, capital improvement plans, and trend data in order to set aside adequate fund balance to ensure city facilities can properly maintained years into the future. Deferring maintenance on facilities costs more over time that properly and adequately funding maintenance. Creating this capital fund now, before the City's Civic Center develops, should help to mitigate future maintenance expenditures. Current facilities include two fire stations, the Citrus property and event space, the leased City Hall. Future facilities include city hall, library, third fire station, police substation, city park at the Leal development, and possible parking structures.



Special Revenue Fund: Landscape Maintenance Districts 98-2, 2001-1, 2001-2, 2001-3 and Illumination District No. 2 (Non-Major Funds)

Funds 403-490 comprise the Landscape Maintenance Districts and Illumination District transferred to the city from Jurupa Community Services District for the 2022-23 assessment year. Fund balance activity reflected in this budget plan is not accurate. The transfer occurred in the middle of the fiscal year, as a result JCSD and the city have not yet finalized accounting for these particular funds. Furthermore, JCSD has not yet advised the city of available fund balances in these funds as of the publication of this budget plan. Per an agreement approved by the JCSD Board of Directors on January 24, 2022, and City Council on January 26, 2022 calls for the final fund balance transfer from JCSD to the city before August 31, 2022. As a result, many of these funds reflect a negative fund balance as of both June 30, 2022, and June 30, 2023. However, once the final accounting documentation and final transfer of fund balances is received it is likely that a large majority of the funds will reflect a positive fund balance.

FINANCIAL STRUCTURE, POLICY & PROCESS

Department position organization charts are located in the detail section of the budget document

The City utilizes funds to budget. A fund is a separate accounting entity created to track specific revenue and expense activity. Typical fund structures include governmental funds, proprietary funds, and fiduciary funds. The City of Eastvale has governmental funds and fiduciary funds. The graphic below displays the fund groupings that comprise the financial structure of the City.

*Fund not budgeted

DESCRIPTION OF FUNDS

General Fund – Major Fund

This is the primary fund used to account for all general revenues of the City (property tax, sales tax, vehicle license fees). In general, these funds are allocated at the discretion of the City Council. This revenue is used to support city-wide services such as public safety, community services, community development, and administrative support services.

Fund 100 – General Fund: The General Fund is the largest and most flexible of the City's funds. It is the depository for all unrestricted revenue except those revenues required to be accounted for in another fund. It is also the fund that gives City Council the most discretion in expenditures. Major General Fund revenue sources include, but are not limited to, sales taxes, property taxes, franchise fees, service fees, and a variety of other revenue sources.

Other Purpose General Funds – Major Fund

Fund 110 – Fire Protection Special District Fund: The Fire Fund is used to account for revenue and expenditures of money levied as a general property tax by the County of Riverside. The funds are restricted by the County of Riverside for fire protection services and operations in addition to the maintenance of buildings and equipment. For financial statement purposes, this fund is rolled into the General Fund.

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of revenues that are designated for specific or restricted uses. These funds include gas tax funds from the state, state traffic relief funds, storm water, and local transportation funds. Other special revenue funds include the Miscellaneous Grants Fund, Community Development Block Grants (CDBG) funds from the federal government, and development impact fees related to public facilities, fire facilities, and transportation facilities.

Fund 200 – Gas Tax Fund – Major Fund : Gas Tax Fund is used to account for revenue and expenditures of money apportioned under Street and Highways Code, Sections 2105, 2106, 2107, and 2107.5 of the State of California. These funds are earmarked for maintenance, rehabilitation or improvement of public streets. Section 2107.5 funds can be used for engineering and gas tax audit costs.

Fund 205 – Road and Maintenance Rehabilitation Fund: The Road Maintenance and Rehabilitation Account (RMRA — Streets and Highways Code Sec 2030 et sec.) allocates funds from the following taxes enacted by the Road Repair and Accountability Act of 2017: the 12 cent gasoline excise tax, 20 cent diesel fuel excise tax, and transportation improvement fees (vehicle registration taxes). RMRA local streets and roads allocations must be used for projects "that include, but are not limited to," road maintenance and rehabilitation, safety projects, or traffic control devices.

Fund 210 – Measure A Fund: Measure A revenue represents funds apportioned by the Riverside County Transportation Commission (RCTC) and received by the City as a result of the voter-approved initiative that increased sales tax by ½ percent in Riverside County to fund transportation projects. Measure A funds were originally approved by voters in 1988, and an extension was approved in 2002, which will fund projects through 2039.

Fund 211 – TDA Fund: The Transportation Development Act (TDA) of 1971 provides funding to be allocated to transit and non-transit related purposes that comply with regional transportation plans.

Fund 230 – Air Quality Management District (AQMD): The AQMD fund was established to account for the City's share of vehicle registration fees collected under Assembly Bill 2766 passed during the 1990 State Legislative session. This fee was levied to fund programs to reduce air pollution from mobile sources such as cars, trucks and buses. Allocations to agencies are made through an apportionment basis and also through a competitive process. The South Coast Air Quality Management District distributes these funds to the City.

Fund 240 – Miscellaneous Grants Fund: The City receives a variety of one-time grant funding. Because these grants are not on-going, the City will record both the revenue and expenditures for those grants in this fund. Unlike the Community Development Block Grant, (CDBG) which is a separate fund, any grant that is a onetime occurrence would be recorded in this fund.

Fund 241 – Coronavirus CRF Grant Fund: This fund accounts for the City's Coronavirus Relief Funding from the CARES Act, received from the Federal government thought the State of California. Funds are considered Federal grants and can only be used to mitigate the Coronavirus pandemic.

Fund 242 – American Rescue Plan Act Grant Fund: This fund accounts for the City's State and Local Fiscal Recovery Fund Funding from the American Rescue Plan Act, received direct from the Federal government. Funds are considered Federal grants and can only be used to support response and recovery from the COVID-19 public health emergency in accordance with the Final Rule.

Fund 250 – Community Development Block Grant (CDBG): This fund accounts for the City's Community Development Block Grant revenues and expenditures. The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. Funding is provided by the U.S. Department of Housing and Urban Development.

Fund 260 – Local Law Enforcement Services Fund: As a part of the 2011 realignment of various public safety programs from the state to local government, the Legislature approved the Local Law Enforcement Services Act (AB118) and shifted all remaining motor vehicle license fee (VLF) revenue that was previously cities to pay for various local law enforcement grant programs including the COPS/SLESA programs (SB89). Funding is provided for front-line law enforcement.

Fund 270 – TUMF Reimbursement Fund: This special revenue fund is utilized to track TUMF project related expenditures and reimbursement funds from WRCOG credit agreements.

Fund 290-293 Development Impact Fees (DIF) Funds: Development Impact Fees (DIF) are used to account for activity generated and funded by development applications in order to offset the impacts of the development. Funding may be used for mitigation projects such as roads, traffic signals, and public facilities which may be needed due to growth stimulated by development:

- **Fund 290 –DIF Transportation Facilities Fund:** Funds transportation capital investments made by the City, which are necessary to provide traffic amenities adequate to accommodate a growing service population within the standards and needs defined by the City's master planning process.
- **Fund 291 – DIF Fire Facilities Fund:** Funds fire protection related capital investments made by the City, which are necessary to provide fire protection, fire suppression and other fire safety services adequate to accommodate a growing service population within the standards and needs defined by operational standards and planning criteria.
- **Fund 292 – DIF Public Facilities Fund:** Funds public facilities capital investments made by the City, which are necessary to provide general governmental and related civic services adequate to accommodate a growing service population within the standards and needs defined by the City's capital improvement programs, long-range planning, and strategic planning.
- **Fund 293 – DIF Road and Bridge Benefit District:** The Road and Bridge Benefit District ("District") DIF is inherited from the County of Riverside associated with incorporation of the City. The City accepted responsibility for the portion of the District within the City's footprint. The District was created to ensure that new development within

the District's boundaries pays its proportionate share of the necessary capital investments required to provide the road and bridge improvements within the District adequate for the growing service population, consistent with the standards and needs defined by the City's capital improvement programs, long-range planning, and strategic planning. Areas of benefit include Archibald, Limonite, and Hamner Avenues, and Schleisman Road. The District fees are assessed on new development projects.

Fund 300-310 – Lighting and Landscape Maintenance District 89-1: These funds are the original LLMD's from Riverside County before the City was incorporated; upon incorporation the zones assessments were transferred to the City of Eastvale along with the maintenance and operations costs. Each fund represents a zone: 10, 33, 41, 79, 85, 111, 115, 116, 147, 151, and 156. The City collects assessments to fund the maintenance of landscaping, lighting, and traffic signal maintenance in these funds. The City also collects assessments to fund the servicing of utilities in these funds. The Districts are special assessment districts formed under the Lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500):

- **Fund 300 – Landscape and Lighting Maintenance District 89-1; Zone 10 Fund:** Provides electricity to streetlights in public right-of-way at Hamner and Limonite Avenues.
- **Fund 301 – Landscape and Lighting Maintenance District 89-1; Zone 33 Fund:** Provides electricity to streetlights within the public right-of-way at Miliken Avenues and Riverside Drive.
- **Fund 302 – Landscape and Lighting Maintenance District 89-1; Zone 41 Fund:** Provides maintenance and servicing of fossil filters within the public right-of-way at locations throughout the City.
- **Fund 303 – Landscape and Lighting Maintenance District 89-1; Zone 79 Fund:** Provides maintenance and servicing of fossil filters within the public right-of-way at Private Street.
- **Fund 304 – Landscape and Lighting Maintenance District 89-1; Zone 85 Fund:** Provides maintenance and servicing of fossil filters within the public right-of-way at Hamner Avenue.
- **Fund 305 – Landscape and Lighting Maintenance District 89-1; Zone 111 Fund:** Provides maintenance and servicing of fossil filters and traffic signals within the public right-of-way at locations throughout the City.
- **Fund 306 – Landscape and Lighting Maintenance District 89-1; Zone 115 Fund:** Provides maintenance and servicing of fossil filters and traffic signals within the public right-of-way at A Street, Cleveland Avenue, Flower Street, Hamner Avenue, and Schleisman Road.
- **Fund 307 – Landscape and Lighting Maintenance District 89-1; Zone 116 Fund:** Provides maintenance and servicing of fossil filters and traffic signals within the public right-of-way at Aldergate Drive, Tiburon Drive, Schleisman Road, and Whimbrel Drive.
- **Fund 308 – Landscape and Lighting Maintenance District 89-1; Zone 147 Fund:** Provides maintenance and servicing of fossil filters and traffic signals within the public right-of-way at Schleisman Road and Whitewell Road.
- **Fund 309 – Landscape and Lighting Maintenance District 89-1; Zone 151 Fund:** Provides maintenance and servicing of, and provision of electricity for, traffc signals within the public right-of-way at the intersections of: Limonite Ave & Eastvale Gateway, Limonite Ave & Hamner Ave, Hamner Ave & Eastvale Gateway, Hamner Ave & Oakdale St.
- **Fund 310 – Landscape and Lighting Maintenance District 89-1; Zone 156 Fund:** Provides maintenance and servicing of, and provision of electricity for, traffic signals within the public right-of-way at the intersections of: Archibald Ave & Schleisman Rd, Archibald Ave & Soleil Dr, Schleisman Rd & Enclave Dr.

Fund 311 – Benefit Assessment District 2014-2 Fund: The City has one Benefit Assessment District, 2014.2. A Benefit Assessment District is a special assessment district formed to provide benefitting property owners the opportunity to pay for enhanced public systems such as drainage, flood control, and street lighting. Benefit Assessment Districts are formed under the Benefit Assessment Act of 1982 to finance the maintenance and operation of public systems such as drainage, flood control, and street lighting. BAD 2014-2 provides funding for the administration, maintenance, operation and servicing of various improvements located within the boundaries of the district. The district includes the maintenance of

one traffic signal to be operated and maintained at the following location: Limonite Avenue & Scholar Way. The district includes the maintenance and management of the fossil filters at the following locations: seven along Scholar Way between Limonite Avenue and Primrose Road; one on 58th Street west of Scholar Way.

Fund 312-314 LLMD: Unlike District 89-1 the 2014 series of Landscape and Lighting Maintenance Districts were formed by the City after incorporation. The City collects assessments to fund the installation, construction, and maintenance of landscaping, lighting, and traffic signals within three districts throughout the City. The Districts are special assessment districts formed under the Lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500):

- **Fund 312 – Landscape and Lighting Maintenance District 2014-1 Fund:** Maintenance and servicing of, and provision of electricity for, traffic signals within the public right-of-way at the intersections of: Sumner Avenue & Citrus Street, Citrus Street & Scholar Way, Citrus Street & Roosevelt High School/Granja Vista Del Rio.
- **Fund 313 – Landscape and Lighting Maintenance District 2014-2 Fund:** Maintenance and servicing of, and provision of electricity for, traffic signals within the public right-of-way at the intersections of: Archibald Avenue & 65th Street.
- **Fund 314 – Landscape and Lighting Maintenance District 2014-4 Fund:** Maintenance and servicing of, and provision of electricity for, traffic signals within the public right-of-way at the intersections of: Archibald Avenue & Providence Way.

Fund 315, 400-402 Community Facilities Districts: A Community Facility District is a special assessment district formed to provide benefitting property owners the opportunity to pay for enhanced public facilities and/or services such as public safety. Community Facility Districts are formed under the Mello-Roos Community Facilities Act of 1982 to finance public improvements and services such as the construction, or acquisition of designated capital facilities and/or to finance public services. The services and improvements that Mello-Roos CFDs can finance include streets, sewer systems and other basic infrastructure, police protection, fire protection, ambulance services, schools, parks, libraries, museums and other cultural facilities. The CFD's formed by the City are all non-bonded, maintenance service districts:

- **Fund 315 – Community Facility District 2019-1 Fund:** Fund services for facilities related to the Cloverdale development project located generally at the southeast corner of Limonite Avenue and Scholar Way. No bonds were issued for the CFD and the special tax is projected to be levied in perpetuity.
- **Fund 400 – Community Facility District 2017-1 (Goodman Commerce Center) Fund:** Funds services for facilities at Goodman Way and traffic signals in the surrounding vicinity. No bonds have been issued for the CFD and the special tax is projected to be levied in perpetuity
- **Fund 401 – Community Facility District 2017-2 (Sendero) Fund:** Funds services for facilities related to the Sendero development project located generally at the northwest corner of Limonite and Harrison avenues. No bonds were issued for the CFD and the special tax is projected to be levied in perpetuity.
- **Fund 402 – Community Facility District 2020-1 (Hamner Place) Fund:** Funds ongoing maintenance and operation of landscaping, streetlights, pedestrian and architectural lighting, drainage facilities, and other facilities permitted under the Mello-Roos Community Facilities Act of 1982 at Hamner Place. No bonds were issued for the CFD.

Fund 403-408 Lighting Maintenance District 89-2: These funds are the original LMD's from Riverside County before the City was incorporated; Jurupa Community Services District administered these districts until 2022, when the districts were transferred to the City of Eastvale. The city began maintenance of streetlights in 2019 and has since provided maintenance and operations costs through an agreement with JCSD. The City collects assessments to fund the maintenance of streetlights in these funds. The Districts are special assessment districts formed under the lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500). As the city is still in the process of transferring the districts with the County of Riverside with NBS consulting services, detail regarding what each zone below provides was not available at the time this document was published:

- **Fund 403 – Lighting Maintenance District 98-2 Original Fund**
- **Fund 404 – Lighting Maintenance District 98-2 Annex 01, Zone A Fund**
- **Fund 405 – Lighting Maintenance District 98-2 Annex 02, Zone B Fund**
- **Fund 406 – Lighting Maintenance District 98-2 Annex 03, Zone C Fund**
- **Fund 407 – Lighting Maintenance District 98-2 Annex 04, Zone D Fund**
- **Fund 408 – Lighting Maintenance District 98-2 Annex 06, Zone F Fund**

Fund 409-411 Lighting Maintenance District 2001-1: These funds are the original LMD's from Riverside County before the City was incorporated; Jurupa Community Services District administered these districts until 2022, when the districts were transferred to the City of Eastvale. The city began maintenance of streetlights in 2019 and has since provided maintenance and operations costs through an agreement with JCSD. The City collects assessments to fund the maintenance of streetlights in these funds. The districts are special assessment districts formed under the lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500). As the city is still in the process of transferring the districts with the County of Riverside with NBS consulting services, detail regarding what each zone below provides was not available at the time this document was published:

- **Fund 409 – Lighting Maintenance District 2001-1 Zone G**
- **Fund 410– Lighting Maintenance District 2001-1 Zone S**
- **Fund 411– Lighting Maintenance District 2001-1 Zone W**

Fund 412-421 Lighting Maintenance District 2001-2: These funds are the original LMD's from Riverside County before the City was incorporated; Jurupa Community Services District administered these districts until 2022, when the districts were transferred to the City of Eastvale. The city began maintenance of streetlights in 2019 and has since provided maintenance and operations costs through an agreement with JCSD. The City collects assessments to fund the maintenance of streetlights in these funds. The districts are special assessment districts formed under the lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500). As the city is still in the process of transferring the districts with the County of Riverside with NBS consulting services, detail regarding what each zone below provides was not available at the time this document was published:

- **Fund 412– Lighting Maintenance District 2001-2 Zone A**
- **Fund 413– Lighting Maintenance District 2001-2 Zone B**
- **Fund 414– Lighting Maintenance District 2001-2 Zone C**
- **Fund 415– Lighting Maintenance District 2001-2 Zone D**
- **Fund 416– Lighting Maintenance District 2001-2 Zone F**
- **Fund 417– Lighting Maintenance District 2001-2 Zone G**
- **Fund 418– Lighting Maintenance District 2001-2 Zone H**
- **Fund 419– Lighting Maintenance District 2001-2 Zone J**
- **Fund 420– Lighting Maintenance District 2001-2 Zone K**
- **Fund 414– Lighting Maintenance District 2001-2 Zone C**
- **Fund 415– Lighting Maintenance District 2001-2 Zone D**
- **Fund 416– Lighting Maintenance District 2001-2 Zone F**
- **Fund 417– Lighting Maintenance District 2001-2 Zone G**
- **Fund 418– Lighting Maintenance District 2001-2 Zone H**
- **Fund 419– Lighting Maintenance District 2001-2 Zone J**
- **Fund 420– Lighting Maintenance District 2001-2 Zone K**

Fund 422-485 Lighting Maintenance District 2001-3 Zones A-MMM: These funds are the original LMD's from Riverside County before the City was incorporated; Jurupa Community Services District administered these districts until 2022, when the districts were transferred to the City of Eastvale. The city began maintenance of streetlights in 2019 and has since

provided maintenance and operations costs through an agreement with JCSD. The City collects assessments to fund the maintenance of streetlights in these funds. The districts are special assessment districts formed under the lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500). As the city is still in the process of transferring the districts with the County of Riverside with NBS consulting services, detail regarding what each zone within LMD 2001-3 provides was not available at the time this document was published.

Fund 486-489 Illumination District No 2, Subareas 35, 42, 46, 49, 55: These funds are the original Illumination Districts from Riverside County before the City was incorporated; Jurupa Community Services District administered these districts until 2022, when the districts were transferred to the City of Eastvale. The city began maintenance of streetlights in 2019 and has since provided maintenance and operations costs through an agreement with JCSD. The City collects assessments to fund the maintenance of streetlights in these funds. The districts are special assessment districts formed under the lighting and Landscaping Act of 1972 (State of California Streets and Highways Code, Division 15, Part 2, as amended, commencing with Section 22500). As the city is still in the process of transferring the districts with the County of Riverside with NBS consulting services, detail regarding what each subarea within Illumination District No 2 provides was not available at the time this document was published:

Debt Service Funds

Debt financing is occasionally undertaken for the purchase, replacement, or rehabilitation of capital assets. Separate funds are established to account for the accumulation of resources for, and the repayment of, long term debt principal, interest, and related costs other than those financed by Proprietary funds. The City currently utilizes one Debt Service Fund.

Fund 500 – General Debt Service Fund: The General Debt Service Fund tracks principal and interest expenditures relating to the fiscal year 2019-20 streetlight and retrofit lease purchase agreement. The project was facilitated by WRCOG on behalf of the City for Street Light acquisition from Southern California Edison, which was financed through Banc of America.

Capital Projects Funds

Revenues and expenses for capital projects are also accounted for in separate funds. Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major facilities other than those financed by Proprietary, Special Assessment, and/or Trust Funds. The City currently utilizes one Capital Project Fund.

Fund 600 – General Capital Projects Fund: Capital Projects Fund 600 is solely used to account for capital projects funded by the General Fund.

Capital Maintenance and Replacement Funds

These funds are established to account for a variety of business services provided by one City department (or division) to other City departments. Information services, facility, and equipment maintenance, general liability, and workers compensation are typical services provided for through internal service funds. Departments are charged for services based on their respective utilization.

Fund 601 – General Information Technology Capital Replacement Fund: The Information Technology Replacement Fund is solely used to accrue fund balance for in accordance with future IT equipment maintenance and/or replacement schedules.

Fund 602 – General Fleet Capital Replacement Fund: The Fleet Capital Replacement fund is solely used to accumulate fund balance to replace law enforcement motorcycles and other city vehicles in accordance with depreciation and replacement schedules.

Fund 603 – General Street Maintenance Capital Fund: The Street Maintenance Fund is solely used to accrue fund balance for future maintenance of city street infrastructure in accordance with the city's pavement management program

Fund 604 – General Facility Maintenance Capital Fund: The Facility Maintenance Fund is solely used to accumulate fund balance for future maintenance of the city's facilities, including current facilities and future facilities.

ACCOUNT STRUCTURE GUIDE

The finance system is organized by fund, by department, and by object code or account. This accounting string is called the chart of accounts and can be found in the appendix C.

- **Fund** - a fund is defined as a fiscal accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and balances, which are segregated for carrying on specific activities in accordance with special regulations, restrictions, or limitations.
- **Department** – A department (e.g., Finance Department) is an organizational unit within a fund providing a specific governmental function.
- **Object Code** – An object code is a line item account that provides the details of the type of expenditure that each department/division spends – e.g. salaries, benefits, supplies, etc.
    - The account hierarchy is as follows: Fund > Department > Object/Account. An example shown below for Finance Department Salaries is 100 (General Fund) > 210 (Finance Department) > 6010 (Full-time Salaries), 100-210-6010.

BUDGET BASIS AND PROCEDURES

The annual budget assures the effective, efficient, and economic uses of the City's resources, as well as establishes that the highest priority objectives are accomplished. Through the budget, the City Council sets the direction for the City, allocates its resources, and establishes its priorities.

The annual budget serves the fiscal year from July 1 to June 30 and is a vehicle to accurately and openly communicate these priorities and investments to the community, businesses, vendors, employees, and other public agencies. In addition, it establishes the foundation of effective financial planning. The budget provides resource planning, performance measures, and controls that permit the evaluation and adjustment of the City's performance.

The City of Eastvale's budget is prepared and based on four expenditure categories: personnel, operations, capital outlay, and debt service.

The personnel, operations, and debt service are considered operational in nature and are known as *recurring* or *operational* costs. Capital outlay or capital improvement projects (CIP) are asset acquisitions, investments, facilities, systems, and infrastructure improvements, etc., typically over $5,000, and/or those items "outside" of the normal operational budget, known as *one-time* or *non-operational* costs.

Basis of Budgeting and Description of Fund Types

Basis of accounting refers to the timing of revenue and expenditure recognition for budgeting and financial reporting. The City's financial statements and accounting records are maintained in accordance with Generally Accepted Accounting Principles (GAAP) and outlined by the Governmental Accounting Standards Board (GASB). The accounts of the City are organized based on funds, each of which is considered a separate accounting entity. The City collects and records revenues and expenditures within the following categories: Governmental Funds and Fiduciary Funds (Agency).

Governmental Funds include the General Funds, Special Revenue, and Capital Project funds. These funds are accounted for using the modified accrual basis where revenues are recognized in the accounting period in which they become both measurable and available to finance the expenditures of the current period. Accordingly, revenues are recorded when received in cash, except that revenues subject to accrual (generally 60 days after year-end) are recognized when due. The primary revenue sources, which have been treated as susceptible to accrual by the City, are property tax, sales tax, intergovernmental revenues, and other taxes. Expenditures are recorded in the accounting period in which the related fund liability is incurred. The City's Fiduciary Funds represent Agency Funds, which are custodial in nature (assets equal liabilities) and are accounted for on the accrual basis of accounting.

Department oversight is essential for the successful management of the budgeted resources. The highest level of oversight is the department as a whole. The components of the department budget include various divisions, which are comprised of multiple specific budget line item spending categories. The spending details support the strategic goals established by the City Council, departmental objectives, and mandated activities/services. The division narratives, accomplishments, and performance measurements provide another perspective of the level of work and services performed by each department.

Budget Approach

Each year, departments develop an annual work plan and a budget to accomplish the work plan. The proposed budget is compiled from detailed information furnished by the various departments and includes estimates of revenues and expenditures for the ensuing year. The budget is developed according to the following priorities and criteria.

The Annual Budget meets the following criteria:

- **Balanced Budget** – The City shall strive to maintain a balanced budget. Per the City's adopted Budget policy, the total appropriations shall not exceed the total of estimated revenues. General Fund unassigned fund balance shall only be appropriated for one-time type expenditures. In the fiscal year 2021-22 budget, total General Fund revenues exceed expenditures by $801,892 creating a budget surplus.
- **Continuing Appropriations** – Capital project appropriations not spent by the end of the fiscal year are carried forward to the next fiscal year, unless the project has been completed or closed out. Grants are carried forward to the next fiscal year based on the terms and duration of the grant as approved by the City Council. All other operating appropriations lapse at fiscal year-end.
- **Appropriations Limit** – Appropriations in the Annual Budget comply with the City's appropriation limit as calculated in accordance with Article XIII-B of the Constitution of the State of California and Government Code section 7900.

Budget Development

The budgetary process begins as a team effort in January of each year, starting with building budget targets and key projections followed by two City Council goal setting budget workshop sessions. The Finance Department works in cooperation with all City departments to formulate revenue projections for the upcoming fiscal year. From this, the individual departments use the projected revenues to prioritize and recommend the next fiscal year's objectives. The City Manager's Office and the Finance Department review each budget proposal, revenue assumptions, and all current financial obligations, before preparing the proposed document for the City Council. The City Council reviews the Proposed Budget, through a series of committees and/or workshops, with the final adoption scheduled during the first City Council meeting in June.

For a detailed budget development calendar, see the Budget Overview, starting on page 15.

FISCAL AND BUDGETARY POLICIES

Financial policies are reviewed annually and updated as needed. All updated policies are approved by the City Council. The exception is the investment policy, which is updated each year.

Appropriations, Budgetary Control, and Budget Amendments

The City shall strive to maintain a balanced budget. Per the City's adopted Budget policy, the total appropriations shall not exceed the total of estimated revenues. Unassigned fund balance may only be utilized for non-operating one-time expenditures, replacement of temporary declines in revenue, or to offset future increases in revenue not yet recognized.

The City Council adopts the City's annual budget after its presentation at public meeting(s). The City Council may modify appropriations at any time with majority approval. The City Manager is authorized to transfer budgeted appropriations in any sum of appropriated funds between accounts, departments, programs and funds, provided no change is made to the total amount of appropriations for the City. At year end, all unencumbered budgeted amounts lapse, subject to requests for continuing appropriations. Outstanding encumbrances related to Capital Improvement Projects will be carried forward into the new fiscal year with City Manager approval.

Budget Amendments - Department Heads are responsible for maintaining control of expenditures in the expedient administration of programs. If increased budget appropriation needs are identified at an interim period during the fiscal year the following procedures are implemented. If additional appropriations are not required, Department Heads may request approval from the City Manager to transfer budget appropriations between accounts, departments, or programs. If additional appropriations are required, formal budgetary authority via resolution will be requested from the City Council.

Fund Balance Reserve Policies

The City sets aside certain fund balances as reserves to save and plan for the future. Many of fund balances are set aside and unavailable for general use due to the nature of the revenues for which they were received (i.e. Gas Tax, Measure A, Fire Fund, and Landscape Maintenance). The remaining fund balances can be set aside or committed for other purposes as determined by the City Council. These committed reserves are a way to invest in the future and save for a "rainy day."

The City Council adopted Resolution 13-21 on June 12, 2013, establishing a reserve policy and Fund Balance classification. The policy establishes the priority for spending reserves and authorizes and directs the Finance Director/City Treasurer to prepare financial reports which accurately categorize fund balance as per Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions.

Accounting Financial Reporting Policies

The basis of accounting within Governmental Fund types used by the City is modified accrual. Under this method of accounting, revenue is recorded when susceptible to accrual, which is when earned, measurable, and available for the funding of current appropriations. Further, expenditures are recognized when the related fund liability is incurred. Under the modified accrual basis of accounting, principal and interest on long-term debt are recorded as fund liabilities when due. All Proprietary and Fiduciary Funds follow the accrual basis of accounting. Under this method of accounting, revenues are recognized when earned and expenses are recorded when incurred.

The city places continued emphasis on maintenance of an accounting system that provides strong internal budgetary and accounting controls. The City's accounting system is designed to provide reasonable assurances regarding both the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and reports. These statements and reports include the adopted budget and the City's Comprehensive Annual Financial Report, as well as the maintenance and accountability of assets.

An independent audit of the City's financials is performed annually and the City of Eastvale issues a CAFR prepared in accordance with GAAP outlined by the Governmental Accounting Standards Board (GASB).

Revenue and Expenditure Policies

The City will strive to adopt an annual General Fund budget in which expenditures, net of one-time expenditures, do not exceed projected recurring operating revenues. A five-year forecast, including revenues and expenditures, is prepared annually for all funds to provide strategic perspective to each annual budget process. The City is in the process of developing a long-term financial planning model.

Department Heads are responsible for maintaining control of expenditures in the expedient administration of programs. If increased budget appropriation needs are identified at an interim period during the fiscal year, at the department level, formal budgetary authority, via resolution, will be requested from the City Council.

Capital Improvement Plan

The city will strive to adopt a five-year budget plan for Capital Improvements. The budget plan must include cost estimates, methods of financing, time schedules, and future operating or maintenance costs.

The city will strive to maintain a high reliance on pay-as-you-go financing for its capital improvements.

Capital Financing and Debt Management Policies

The city will strive to maintain and improve the current credit ratings assigned to the City's outstanding debt by the major credit rating agencies.

All debt issued, including use of the lease-purchase method, will be repaid within a period not to exceed 120% of the expected useful lives of the improvements financed by the debt and in no event should exceed the lesser of 30 years or the period of time until the sunset of a revenue source used to repay the bonds. The city will refrain from utilizing long-term borrowing to finance current operational costs. Short-term borrowing may be utilized for the temporary funding of operational cash flow deficits or anticipated revenues, where anticipated revenues are defined as an assured revenue source with the anticipated amount based on conservative estimates. The City may issue short-term debt when there is a defined repayment source and amortization of principal.

The city will utilize the most cost advantageous financing alternative available while limiting the City's risk exposure.

Treasury Management

The City will invest cash balances in conformance with the City Council adopted Investment Policy. The investment of the funds of the City of Eastvale shall be guided by the goals of safety, liquidity, diversification and return on investments in that order of priority. The city will adhere to the prudent investor standard and best practices in Treasury Management.

Investments shall be made only in those instruments specifically authorized by California State laws (section 53600-53609), and to no greater an extent than those authorized by those laws. The City will limit investments in any one issuer, except U.S. Treasuries, Federal Agencies, supranational, and pooled funds (i.e., money market funds, local government investment pools, and LAIF), to no more than 5% regardless of security type.

The City Treasurer shall submit a quarterly investment report to the City Council; however, in order to comply with Government Code 53607 and 53646 the City currently issues a monthly investment report.

The majority of unrestricted cash is combined into one pooled operating bank account to facilitate effective management of the City's resources. The Finance Director/City Treasurer invests temporarily idle funds in accordance with Government Code Sections 53600 et al, 16429.1 and 53684 and a formal investment policy approved by the City Council and the Budget, Investment and Technology Commission each year. Permissible investments include obligations of the U.S. Government, Federal Agencies, Government Sponsored Enterprises, Medium Term Corporate Notes, Certificates of Deposit, Bankers' Acceptances, Commercial Paper rated A-1 by Standard and Poor's Corporation, P-1 by Moody's Investors Service or F-1 by Fitch Ratings, State of California Local Agency Investment Fund, Repurchase Agreements, Reverse Repurchase Agreements, Supranational, and Money Market Mutual Funds.

DEBT SUMMARY

The debt summary section of the budget is intended to provide an overview of the City's debt capacity and provide a listing of outstanding debt, including bond repayment schedules.

The City of Eastvale does not expect to incur additional indebtedness for general government operations over the next several years. However, as the city continues to plan for the construction of City Hall, it is likely that the City will utilize debt in order to construct City Hall infrastructure within the next five years. All other capital improvements will be paid on a pay-as-you-go basis (utilizing fund balances) and through the use of mitigation and developer fees.

Bond Ratings

The city does not currently carry a bond rating as the city has never sold bonds on the market. The ratings are published by credit rating agencies and represent the likelihood that a debt will be repaid. If or when the City requires the ability to issue bond debt, the City will need to obtain a bond rating.

Debt Capacity/Legal Debt Limit

California Government Code, Section 43605 sets the debt limit at 15%. The Code section was enacted when assessed valuations were based on 25% of full market value. This has since changed to 100% of full market value. Thus, the limit shown is 3.75% (one-fourth the limit of 15%).

The City is subject to a legal general bonded debt limit equal to 3.75 percent of the total assessed value of property in Eastvale. The City's total assessed property value is approximately $10.9 billion, resulting in a legal general bonded debt limit of $410.1 million. The City has no general obligation bonds nor outstanding bond principal, the City's net debt margin is $410.1 million; effectively the City utilizes none of its legal debt limit.

Computation of Legal Debt Margin
For Fiscal Year Ending June 30, 2022

Total Assessed Value		$11,457,816,902
Calculation Factor	X	0.0375
Debt Limit (3.75% of total assessed value)	=	$ 429,668,134

Outstanding City Debt

The following is a summary of both external and internal City debt:

Equipment Lease-Purchase Agreement

The city entered into its first long-term debt obligation with Banc of America for the Streetlight Acquisition from Southern California Edison and LED retrofit through Siemens. The debt has been fully paid off as of June 30, 2022.

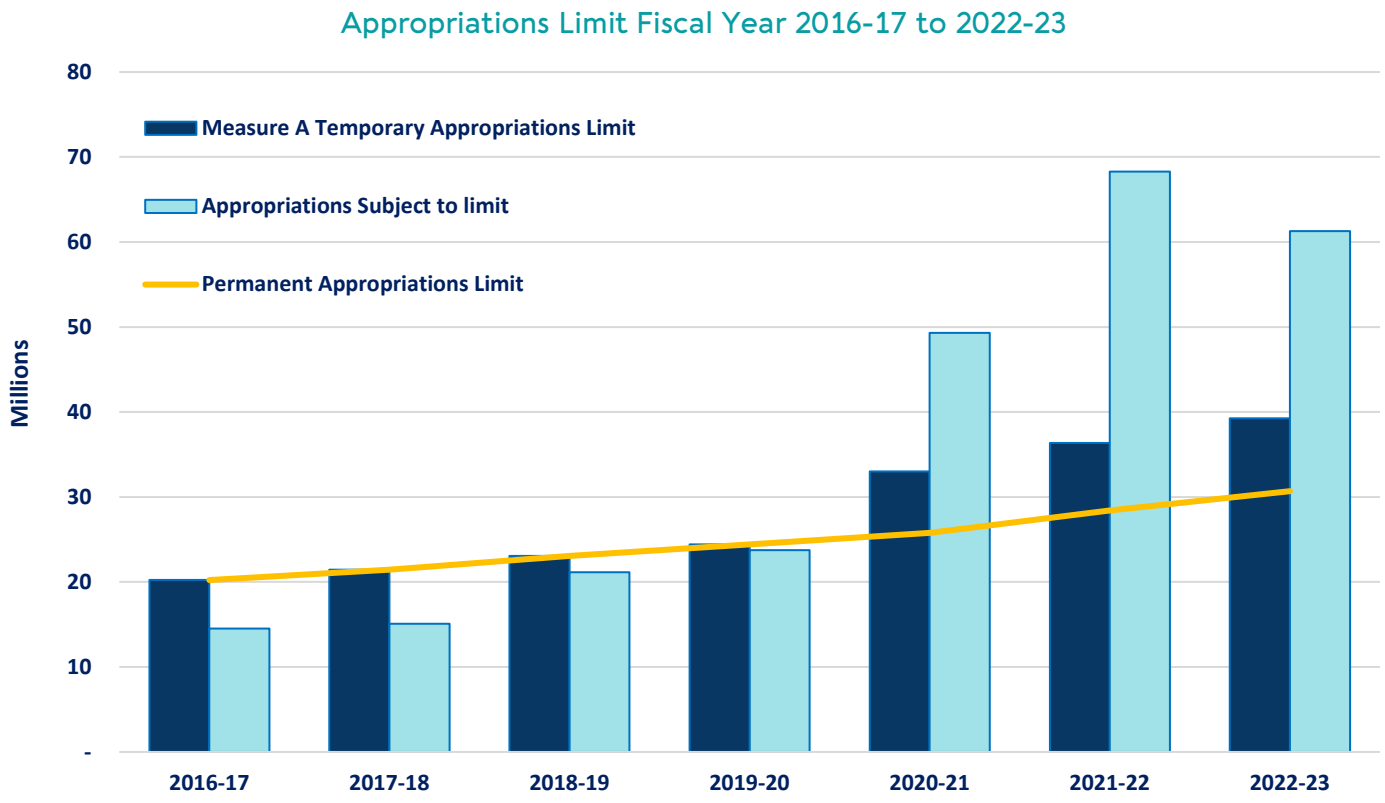
General Debt Service Fund	Date Issued	Amount Issued	Outstanding June 30, 2021	Outstanding June 30, 2022
2018 Equipment Lease Purchase Agreement	09/2019	$4,491,640.00	$4,206,300.96	$0.00

The amortization schedule is not included here, as the debt has been fully paid off.

CONSTITUTIONAL (GANN) SPENDING LIMITS

In November 1979, voters passed Proposition 4, also known as the Gann Initiative. Proposition 4 Article XIII (B) of the California Constitution provides that the City's annual appropriations be subject to certain State limitations. This appropriation limit is referred to as the Gann Spending Limitation or GANN Appropriations Limit. The calculation limits the increase in annual appropriations to a factor which is based on a combination of population growth, State per capita income change, and the change in assessment value for non-residential property.

The Gann spending limitation is calculated by taking the prior year's limitation and adjusting it by the growth factor in California per capita personal income and the change in the population of Riverside County, as determined by the California Department of Finance (the Price Factor and Population Information letter can be found in the Appendix section of the document). The calculation is prepared using the City's revenue estimates. Revenue is classified by proceeds of taxes and non-proceeds. Interest earnings are pro-rated based on proceeds of taxes. This amount is then compared to the Gann spending limit. The voters of the City at the first municipal election held on November 6, 2012 established a permanent appropriation limit of $15,518,412. The permanent limit was established without the VLFAA revenues, that were rescinded by the California Governor earlier in 2012 and before the appropriations limit was adopted, as a result the VLFAA revenues could not be included in the appropriations limit calculation.



On March 2, 2021, the voters passed Measure A that temporarily increased the City's Gann Limit for a period of four years; the established appropriations limit was $33,000,000 as of March 3, 2021. As the temporary limit is only valid for a period of four years, staff will continue to calculate the City's previous Gann Limit, as once the temporary limit expires the previous limit is re-enacted at the adjusted level.

The City of Eastvale calculated the Gann Limit of $39,253,023 for Fiscal Year 2022-23 using the $36,344,816 limit approved from the prior year multiplied by the (1.0755) increase in per capita income multiplied by the (1.0042) increased population growth for the County of Riverside. The City's appropriations that are subject to the limit are $61,278,923. Total General Fund appropriations are 156.11% of the limit. Please see the fund balance schedule for appropriations capital reserve commitments on page 62.

Appropriations Limit Calculation: Fiscal Year 2022-23

I Appropriations Limit		
Prior Year 2021-22 Adopted Limit March 2, 2021 (Note 3)		$ 36,344,816
Change Factors:		
Change in County of Riverside Population (Note 1)	1.0042	
Change in Per Capita Income (Note 2)	1.0755	
Total Adjustments		1.0800
Current Year, 2022-23 Appropriations Limit		$ 39,253,023
II Appropriations Subject to Limit		
Projected 2022-23 Proceeds of Tax Revenues		61,278,923
III Amount Over/(Under) Limit (I – III)		**22,025,900**
IV Total City Appropriations as a % of Limit		**156,11%**

Note 1: Change in County of Riverside population growth, 0.42% exceeded City of Eastvale's growth of (0.73%). Total City population as of January 1, 2022 is 69,929.
Note 2: Change in California per capita income, 7.55% provided by the State of California.
Note 3: Measure A temporary Gann Limit of $33,000,000 approved March 2, 2021.

City of Eastvale Cost Allocation Plan

A Cost Allocation Plan allows an organization to fairly and completely allocate its administrative costs. This plan allows the General fund to recover costs from non-General Funds and will also determine the overhead costs on the hourly rates of staff providing fee services. Local governments have overhead and administrative costs essential to operating the government and providing services to the public. Examples include costs incurred for a city council, a board of commissioners, a city manager, human resources, financial management, government facilities, insurance, purchasing, records management, and information technology. These costs are funded by Eastvale's general fund and the City has many other types of funds that provide a variety of services that use these administrative and overhead resources. These indirect services are provided to the City's operating departments such as police, fire, development services, public works, and other non-general funds which recognize the need for these services and

Cost Allocation Plan

Fund Name & Type	Audited Actual 2019-20	Audited Actual 2020-21	Amended Budget 2021-22	Proposed Budget 2022-23

permit the allocation.

The total cost plan which Eastvale uses is able to allocate all indirect costs like the private sector routinely does. This type of plan is preferred whenever the goal is to fully allocate indirect costs for inter-fund transfers and fee calculations. Specifically, the City of Eastvale's cost allocation plan model develops an indirect cost rate representing the ratio between the total indirect costs and the benefiting direct costs. This enables each program, activity or fund to assume its fair share of support costs when the indirect cost rate is applied.

Annually, the model is prepared based on budgeted costs and estimated overhead ratios. At year end and after the costs are audited by the external auditors, the model is updated for actual experiences and previous inter-fund transfers are reconciled and the "true-up" adjustments are made in the current year's inter- fund transfers.

The cost allocation plan for non-General Funds are transferred to the General Fund. For all transfers, please refer to page 69.

REVENUE SUMMARIES

Revenue Overview

Revenue Projections

Revenue estimates are developed by the City of Eastvale Finance Department with input from various City departments, external sources such as Riverside County, California State, and vendors. The estimates are developed using actual revenue data received during prior fiscal years to produce trends, estimates of commercial and residential construction, and general economic factors.

Explanation of major revenue sources are as follows:

General Fund

Sales & Use Taxes – Sales and Use Taxes are imposed on retail transactions and are collected and administered by the California Department of Tax and Fee Administration. In accordance with the California Revenue and Taxation Code, the State of California imposes a tax of 7.0%, plus 0.5% in Riverside County for Measure A (passed in 1988) and 0.25% to Riverside County Transportation Authority, for a total of 7.75% on all taxable sales. The city is expected to continue to experience a large jump in sales tax revenues for the 2022-23 fiscal year, however staff expects this increase to not continue into the foreseeable future. A local fulfillment center changed its business structure. This resulted in an annual average increase of $30.0 million over regular sales tax revenue. A majority of these revenues will be set aside for future capital improvement infrastructure, a small amount has been utilized in the budget for specific capital improvement projects. The City utilizes economic development data and projections from Hinderliter, De Llamas & Associates to budget for sales tax revenues.

Property Taxes – Property taxes include Secured and Unsecured Property Taxes, Penalties and Interest, Supplemental Property Taxes, and property transfer tax. The valuation of property within the City is determined by the Riverside County Tax Assessor. The County levies a base tax for secured property at the rate of 1% of the assessed valuation. Typical CPI increases on property valuations is 2.0%; we are projecting that the state will reinstate the 2.0% inflator this year. Although the city is experiencing property valuation growth through single family residence transfers, commercial properties continue to appeal county valuations and it is expected that appeals will increase into the next fiscal year. The City is enrolled in the County's teeter plan, and receives all levy amounts due to the City, whether or not taxes have been paid by property owners. The City utilizes data from the County and HdL Coren and Cone to budget property tax revenues.

Motor Vehicle License Fees – Vehicle License Fee (VLF) revenue was a subvention collected by the State and allocated to cities and counties based on a statutory formula. Assembly Bill 1602, signed into law in 2006, allocated VLF to newly incorporating cities on a per capita basis and multiplied the population factor by 1.50 in the first year of incorporation, 1.4 in the second year, 1.3 in the third year, 1.2 in the fourth year, and 1.1 in the fifth year. On June 30, 2011, Governor Jerry Brown signed SB 89, which eliminated the essential discretionary VLF revenues and shifted the funding source to a special state law enforcement account beginning July 1, 2011. The city has since had the VLF revenues reinstated and receives the revenues twice annually. Calculations are now based on property valuations; as property valuations grow so does the City's VLF allocation. The city utilizes data from HdL Coren and Cone to budget for VLF revenues.

Franchise Fees – The State Public Utilities Code provides cities the ability to impose fees on gas, electric, and cable television companies operating within a city. The city also imposes a franchise fee for refuse services. The fees range from 1% to 8% of gross receipts derived from business activities conducted within the city. This fiscal year the city will receive a final $4.0 million franchise retention fee payment from Waste Management. The funds will be set aside for the city's future police station.

License, Permits & Fees – The City collects both fixed fee and deposit-based permits for planning, building and safety, and engineering services for residential and commercial development. The fees are based on the type of development activity

and were adopted by resolution resulting from the Citywide comprehensive user fee and rate study. Staff is currently conducting a user fee study and will likely be moving away from deposit-based permits and relying more on fixed fee permits. This is inline with other surrounding cities.

Other Funds

Gas Tax – The State of California assesses a tax on gasoline purchases as authorized by Sections 2103, 2105, 2106, 2107, and 2107.5 of the California Streets and Highway Code. A portion of the tax is allocated back to the city based on a per capita formula. The use of this money is limited to maintenance, rehabilitation, or improvement of public streets.

Road Maintenance and Rehabilitation Account – The Road Maintenance and Rehabilitation Account (RMRA — Streets and Highways Code Sec 2030 etc.) allocates funds from the following taxes enacted by the Road Repair and Accountability Act of 2017: the 12-cent gasoline excise tax, 20 cent diesel fuel excise tax, and transportation improvement fees (vehicle registration taxes). RMRA local streets and roads allocations must be used for projects "that include, but are not limited to," road maintenance and rehabilitation, safety projects, or traffic control devices.

Measure A – Measure A is generated by Riverside County one-half percent sales tax approved by the voters in 1989. This money is used to maintain and construct local streets and roads.

Air Quality Management District - Revenues received resulting from Assembly Bill 2766 which imposed an additional registration fee on motor vehicles. These revenues are used to reduce air pollution from motor vehicles.

Grants – The City receives various grant funds from various local, state, and federal agencies. These grants include funding for various programs such as recycling and public safety.

Community Development Block Grant - Revenues received from the Department of Housing and Urban Development. These revenues must be expended to accomplish the elimination of blight or to benefit low- and moderate-income persons by providing loans or grants for various programs.

Local Law Enforcement Services Fund - Also known as the Citizens Option for Public Safety (COPS) grant, funding is provided for the purpose of front-line law enforcement services that are not already funded by the City.

Landscape Maintenance District - Revenue collected through special assessments levied to benefitting property owners to cover the cost of associated with providing landscape maintenance. For fiscal year 2022-23 the city took over administration of roughly 90 LMD's from JCSD. The city is now responsible for administering and assessing tax levies for these districts. All 90 are related to the streetlight pole purchase the city initiated in 2019.

Community Facilities District – Revenue collected through special assessments levied to benefitting property owners to cover the cost associated with publicly owned facility maintenance.

Development Impact Funds – The City charges fees for development related activities such as infrastructure and public facilities. The city performed a nexus study that determined the scope of impact fees adopted by the City of Eastvale.

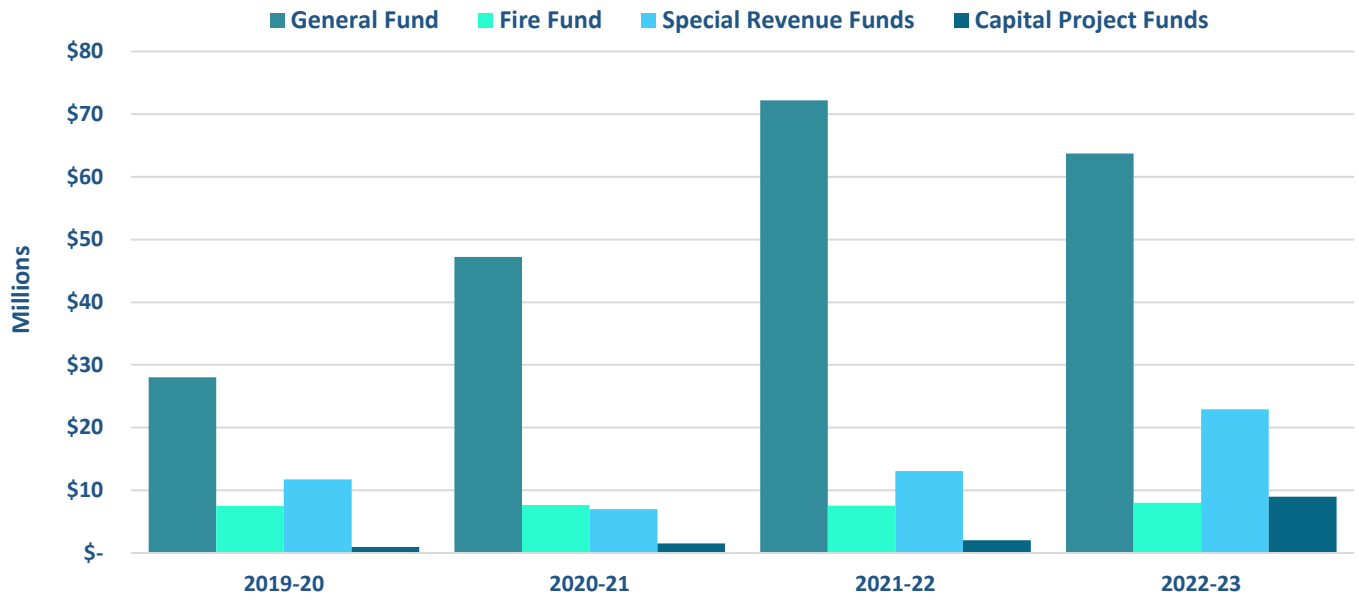
Revenue at a Glance

Revenues By Fund Fiscal Year 2022-23



The majority of revenues are found in the General Fund. The General Fund includes all services that are funded through general taxes and fees. In other words, it includes all city programs except those that are paid for through dedicated taxes or fees or otherwise restricted for a specific purpose. The General Fund includes city administration, community development, and public safety.

EXPENDITURE SUMMARIES

2160

Expenditure Projections

Estimating expenditures can be challenging, because throughout any given year, there are many factors substantially changing community service needs. Other expenditures are driven by the cost of goods (such as fuel or other types of supplies) and economic factors outside of the control of the city. In addition to the expenditure service driven aspect and uncertain economic factors, the city continues to expand the services it provides to the community during its thirteenth year of incorporation. Because of these factors, the expenditure estimation is a local government resource allocation plan. During budget development, these factors are considered, and the resulting estimates become the adopted expenditure budget.

In the schedules on the following pages, departmental expenditures are grouped by broad categories:

General Government - This category includes departments that provide the overall general administration of the city such as City Council, City Attorney, City Clerk, City Manager, Finance, and Building and Facilities.

Community Development – This category includes departments that address the City's overall development, marketing, planning needs and infrastructure needs through Economic Development, Planning, Engineering, and Public Works.

Community Safety – This category includes departments that address the City's overall safety, permitting, municipal code compliance needs, and emergency management through Community Enhancement and Safety and Building Safety.

Public Safety – This category includes departments such as Law Enforcement, Animal Control, Fire, Rescue, and Emergency that address community protection.

City staff works closely with public safety partners including the Riverside County Sheriff and Riverside County Fire/CalFIRE to project expenditures related to law enforcement and fire service provision. Rates for the new fiscal year were provided by both the Sheriff and CalFIRE during the budget development process. As of the publication date of this document, Riverside County had not adopted Animal Control rates for the new fiscal year. Riverside County is moving towards a full cost recovery for animal services; staff estimated the full cost recovery model during the last budgeting cycle and utilized the projection to estimate costs for the new fiscal year.

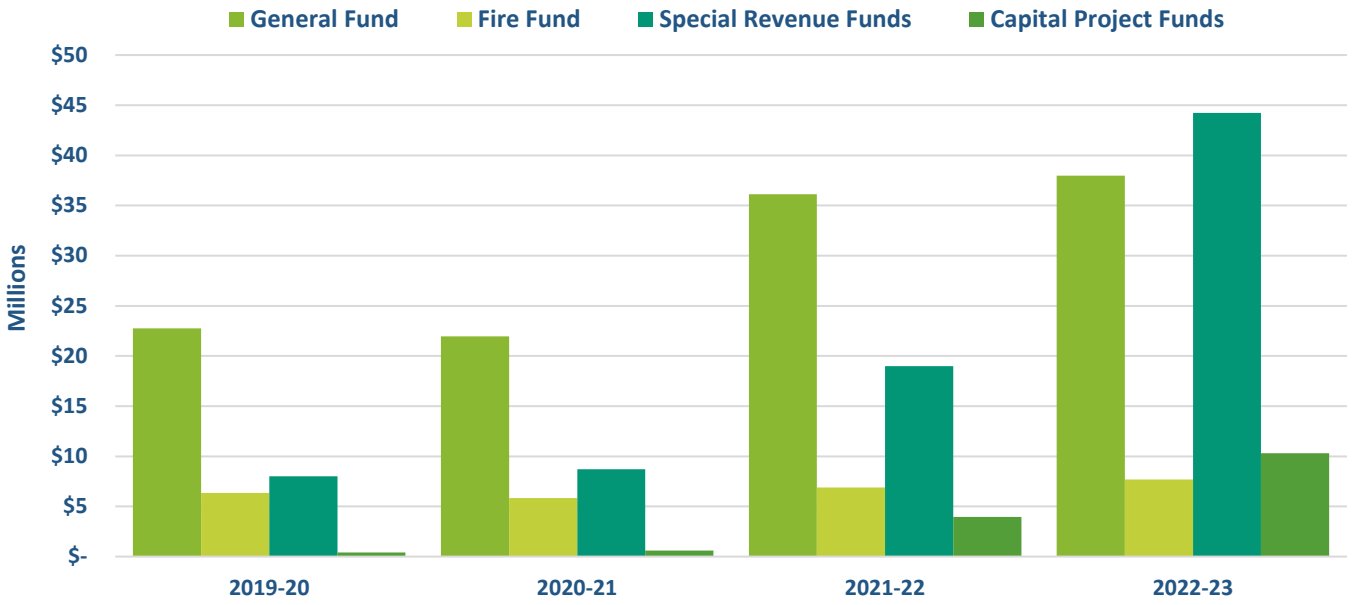
Expenditures at a Glance

Expenditures By Fund Fiscal Year 2022-23



The majority of expenditures are found in the General Fund. The General Fund is the main operating fund for the City. Services provided by the General Fund include city administration, legal, city council, city clerk, finance, general services, planning, building and safety, community enhancement & safety, public works, police, fire, animal control and crossing guards. Most capital projects and transportation expenses are provided through other special revenue funds.

THIS PAGE LEFT BLANK INTENTIONALLY

LONG RANGE PLANNING

All revenue and expenditure projections undergo considerable review during the budget preparation process, not only for the new fiscal year, but for future years' impacts as well. The following are some issues that may potentially impact the city in the upcoming years:

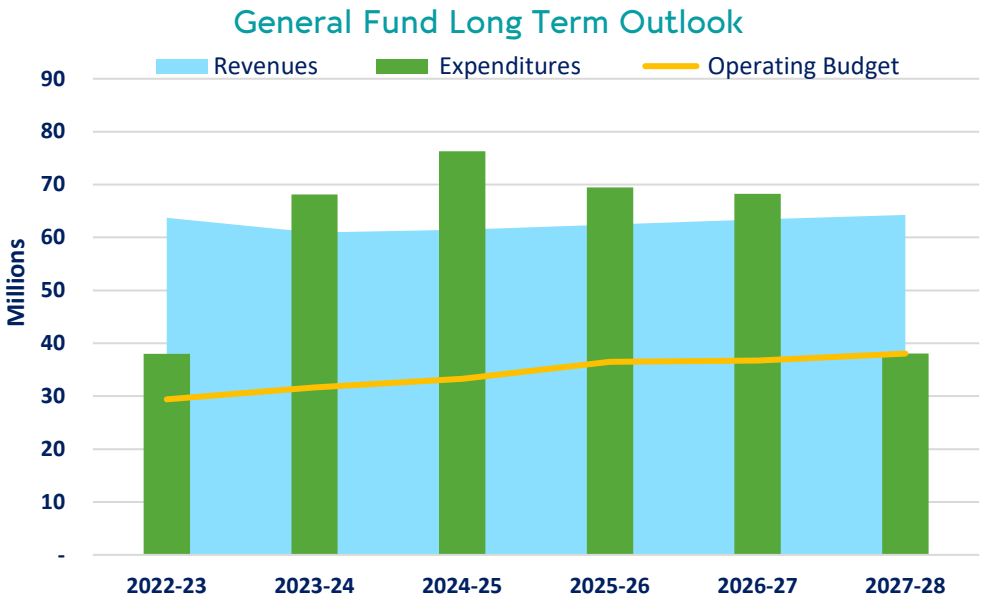
- State budgetary impacts on local governments
- Rising costs of utilities, contract services, and health care
- Maintaining adequate levels of fund balance reserve in major funds
- Building and maintaining city infrastructure including City Hall, Library, Police Substation and Fire Station
- Increasing public safety (police, animal control, crossing guards, and fire) contract costs
- COVID-19 impacts to public safety contracts
  - CalFIRE contract increases as COVID-19 salary cuts reinstated
- Sales tax revenue risks as business change structure and/or change location
- New Transient Occupancy Tax revenues within the next 12-18 months
- Continued Gann Appropriations Limit surplus and limitations to operating budgets

Long range planning is a financial exercise that informs policies regarding the city's financial future. However, it is imperative to note that the assumptions used within the long-range plans were relevant at the time of budget publication and it is highly likely that actual revenues and expenditures will differ from the projections. Revenues will fluctuate with market and economic variations and expenditures will vary with City Council priorities, service provision levels, and economic cycles. As a result, the assumptions presented within the long-range plans represent staff's best estimate as of May 2022.

Additionally, the city is in the midst of a user fee study. New user fee schedules should be adopted before the 2023-24 budget, the adoption of the new user fee schedules will impact the city's fee revenue. User fee changes are not included in the assumptions.

The Finance Department began presenting interim financial reports to the Council on a quarterly basis in order to keep the Council and public informed regarding COVID-19 impacts as new information was made available. The first interim report was presented in September 2020 for the quarter ending June 30, 2020. The regular presentation of quarterly budget performance allows staff to recommend budgetary revenue and expenditure related changes in a timely fashion as revenues are received quarterly. Interim reporting allows staff to monitor economic bubbles affecting key revenue sources and report to the City Council, assisting in the Council in making key policy decisions.

Five Year General Fund Forecast



This year's budget plan includes only model for long-range planning, based on trend analysis for current revenues and expenditures and including known Capital Improvement Projects and future infrastructure maintenance, including construction and operations of the new Civic Center.

General Fund Long Range Summary

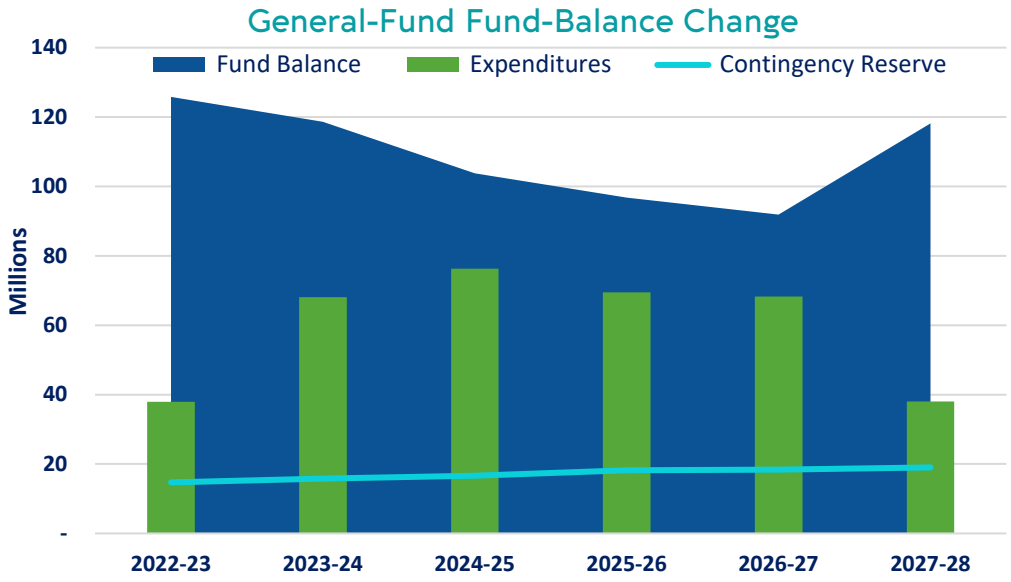
Fiscal Year	Revenues	Expenditures	Operating Budget	Contingency Reserve	Total Fund Balance
2022-23	63,709,435	37,976,460	29,402,810	14,701,405	125,802,856
2023-24	60,951,763	68,119,968	31,619,969	15,809,985	118,634,651
2024-25	61,478,351	76,304,651	33,304,652	16,652,326	103,808,351
2025-26	62,430,502	69,481,797	36,481,798	18,240,899	96,757,055
2026-27	63,417,891	68,259,334	36,759,335	18,379,668	91,915,613
2027-28	64,259,854	38,046,870	38,046,871	19,023,436	118,128,596

Two key assumptions not included in the model are the Gann Appropriations Limit and the impact of any negative fund balances that require operational contributions from the General Fund. Regarding the appropriations limit, the forecast for the specific tax related revenues in relation to operating budgets has not been included in the model. Staff is working to add this information to the model and will report to Council as soon as the specific forecast is complete. Regarding negative fund balances, this will be a specific impact caused by the fire fund, which is discussed in depth in the next fund section. Any contributions to other funds due to negative fund balances have not been addressed in the projections for the General Fund, these typically include the city's grant funds that are reimbursement based and only apply within the city's financial statements.

Revenues

The model forecasts a 6.0% property tax increase for 2023-24, a smaller 4.0% increase for 2024-25 and an average of 2% to 3% increases over the following years. The property tax calculations are based on HdL projections and the eventual slowing of commercial retail and industrial development throughout the city, except for at the Leal Property starting in 2023-24. Sales tax projections are also based on HdL data and an analysis of remaining commercial retail development. This category is expected to increase roughly 1% in over the next five years. However, this model assumes continued collection of one-time and non-operational sales tax receipts of approximately $35.0 million per fiscal year. Franchise fees are expected to increase moderately 2-3% year over year, depending on the category of franchises. Revenues based on development are currently expected to increase over the five-year period at approximately 1%. This forecast is conservative and does not take into consideration the Leal Project, as additional information was not available at the time of publication of the budget document. Fines, penalties, and forfeitures are expected to increase back to pre-COVID-19 levels in 2023-24 on a scale of 5% to 50% based on the City's ability to reinstate citations in Community Enhancement and Safety and Law Enforcement. Interest income is expected to remain flat with nominal increases throughout the forecast. Additionally, the likelihood of the City's new transient occupancy tax for the City's first hotel is expected in fiscal year 2022-23. Overall, the model forecasts revenues recovering to pre COVID-19 levels in fiscal year 2023-24 and the trend continuing throughout the forecast.

Expenditures



Expenditures are forecasted at a flat 4% increase year over year in a majority of categories. Law Enforcement, which comprises over 45% of the General Fund operating budget is expected to increase at 3-5% year over year. Animal Control expenditures are expected for increase between 2% and 5% over the five-year model. The current 2022-23 fiscal year includes a full cost recovery model that Riverside County recently implemented. Transfers out of the General Fund for special assessment district contributions are forecasted to remain steady. Transfer out to the Capital Improvement Fund is expected to mirror costs identified in the five-year CIP document. It should be noted that the plan is only through fiscal year 2026-27 and as a result a sharp drop off in non-operating costs is observed in fiscal year 2027-28. This model does

take into consideration changes relating to the construction of City Hall, Library, and Police Substation. The model assumes construction starting in fiscal year 2023-24 through 2025-26. Additional utility, maintenance, and operation costs associated with completion of the buildings is included in the operating budget forecasts, starting in fiscal year 2025-26. The plan includes continued funding of the city's new capital replacement reserves, totaling roughly $1.0 million per fiscal year. Overall, expenditure budget increases from $38.0 million in fiscal year 2022-23 to $68.1 million in 2023-24. Expenditure budget falls back to $38.0 in 2027-28, as the expectation that Civic Center building construction completes.

The model does not include the required coverage of other funds that may require General Fund support such as the Fire Fund, which is expected to have a negative fund balance as of fiscal year 2026-27.

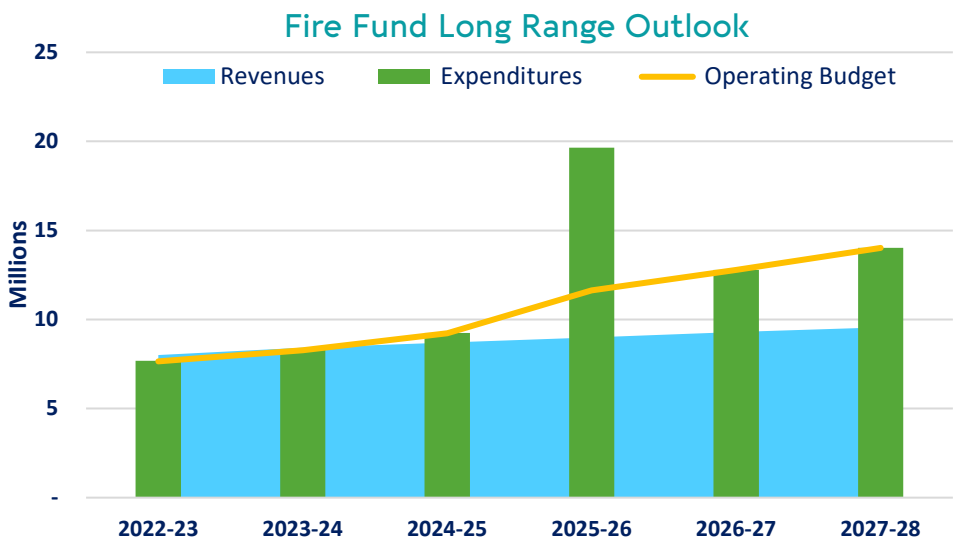
Fund Balance

This model takes into consideration the city's major infrastructure project, City Hall, Library, and Police Substation. It should be noted that the city's CIP document does not carry projects through to 2027-28, which is why fund balances increase and expenditures drop. As expenditures increase, the City's assigned 50% emergency contingency reserve will grow. Overall, fund balances remain unusually healthy despite an estimated $136 million expensed for the Civic Center project. It should be noted that this model assumes continued collection of non-operational, one-time in nature sales tax revenues.

Five Year Fire Fund Forecast

Key assumptions in the Fire Fund long-range plan include the construction and operations of the city's third fire station, an increase in fire services, and continued revenue neutrality payments to Riverside County.

Fire Fund Long Range Summary



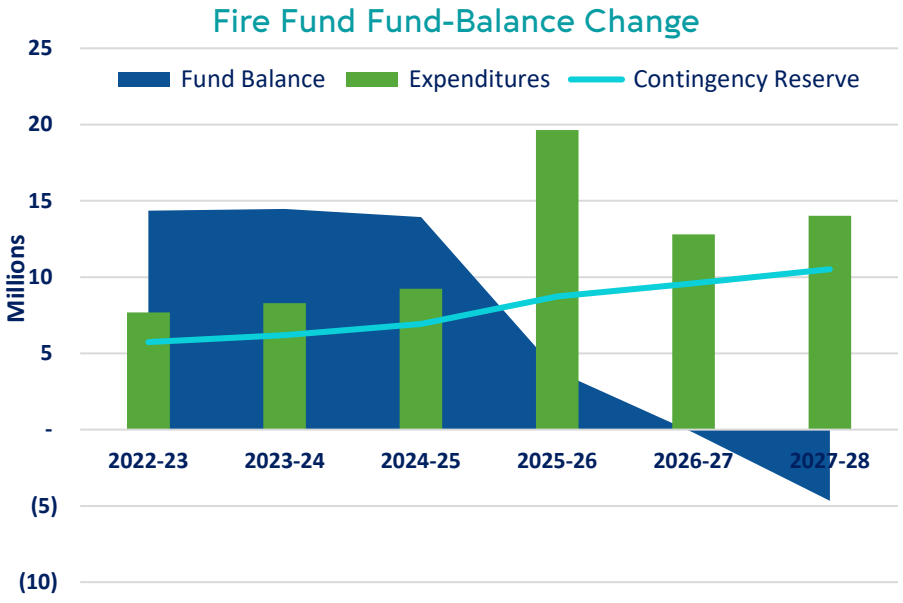
Fiscal Year	Revenues	Expenditures	Operating Budget	Contingency Reserve	Total Fund Balance
2022-23	8,008,000	7,678,200	7,651,200	5,738,400	14,349,545
2023-24	8,415,080	8,296,428	8,270,179	6,202,634	14,468,197
2024-25	8,700,383	9,239,017	9,233,505	6,925,129	13,929,563
2025-26	8,997,025	19,639,788	11,634,001	8,725,501	3,814,493
2026-27	9,304,769	12,793,186	12,787,109	9,590,332	(201,618)
2027-28	9,558,620	14,025,244	14,018,864	10,514,148	(4,668,242)

Revenues

The model forecasts property tax similar to the General Fund. The model forecasts a 6.0% property tax increase for 2023-24, a smaller 4.0% increase for 2024-25 and an average of 2% to 3% increases over the following years. The property tax calculations are based on HdL projections and the eventual slowing of commercial retail and industrial development, except for at the Leal Property starting in 2023-24. Property tax makes up over 96% of the Fire Fund revenues. The other nominal categories are licenses, permits, and fees, and fines, penalties and forfeitures. Overall, the model forecasts

revenues recovering to pre COVID-19 levels in fiscal year 2022-23 and the trend continuing throughout the forecast.

One opportunity for additional revenue recovery will be presented to the City Council with the new user fee study model, which will create adequate rates for revenue recovery regarding fire business inspections that are housed in the structural fire fund.



Expenditures

One key assumption for the model is the construction completion of the city's third fire station in fiscal year 2025-26. However, it should be noted that the construction is only assumed at $8.0 million, matching the city's current construction reserve. The model assumes the City's fire staffing will increase in the 2025-26 year as the Fire Station construction is complete. The increase in staff is directly related to the funding of a new fire engine or truck, estimated at $1.5 million. The purchase and increase in staff are both expected to occur in 2025-26, and the model shows expenditures exceeding revenues as fund balance is utilized to purchase the apparatus and construct the fire station. Most concerning is the operating budget exceeding revenues starting in fiscal year 2025-26 as the city purchases and staffs a fire truck for expanded fire services. As the model projects, revenues will likely not match expenditures once the city staffs an additional fire apparatus. Should the city desire to expand fire services, once fund balances are depleted (in fiscal year 2026-27) the General Fund will be required to contribute the difference between revenues and expenditures, which is expected to be approximately $5.0 million in 2027-28.

Fund Balance

The most concerning aspect of the fund balance assumption is that as of 2026-27 the fund will fall into negative fund balance. Fund balance will continue into the negatives beyond the five-year model, as the expenditures are expected to exceed the fund's revenue sources. This is a direct result of two aspects. The first is the construction of the third fire station, totaling only $8.0 million in fiscal year 2025-26. The second is a staffing increase due to the purchase and operation of a fire truck apparatus, also assumed to begin in 2025-26. Additionally, as expenditures increase, the City's assigned 75% emergency contingency reserve will need to grow. As of 2025-26, the city's structural

fire fund will no longer hold enough reserve balances to fund the 75% emergency contingency reserve and fund balances become negative in 2026-27. As a result, the General Fund will be required to fund the contingency reserve, projected to total $10.5 million by fiscal year 2027-28.

Five Year Other Major Fund Forecasting

Gas Tax Fund

Revenues

The model forecasts gas tax revenues in alignment with trended projections provided by the California City Finance Group through 2022-23 and estimated annual population change and expected specific tax category growth. Remaining fiscal years use prior year data multiplied by section 210 estimated growth, multiplied by Eastvale specific population growth divided by statewide population growth. The Highway Users Tax Account (HUTA) is expected to grow by approximately 2.1% for 2023-24, a smaller 1.6% increase for 2024-25 and an average of 1.0% increases over the following years. HUTA makes up 99% of the Gas Tax Fund revenues, with interest income providing the balance of revenues. Overall, the model forecasts continuing to increase, from approximately $1.9 million in the 2022-23 fiscal year to approximately $2.0 million in 2027-28.

Expenditures

Gas Tax expenditures are restricted to maintenance, rehabilitation, and improvement of the city's public street infrastructure. Expenditures include nominal annual maintenance for storm drain and traffic signals. The largest expenditures relate to the city's Capital Improvement Plan. Projects for fiscal years 2023-24 through 2026-27 include annual overlay, traffic signal battery backups, catch basin and storm drain maintenance, and citywide entryway and median improvements. The CIP does not extend to fiscal year 2027-28.

Fund Balance

Fund balance is expected to decline at the end of June 30, 2023; however, it is expected to increase throughout the five-year period. June 30, 2023, fund balance is projected at $192,000 and climbs to $6.5 million at June 30, 2028. This will likely be used for currently unidentified capital improvement projects.

American Rescue Plan Act Grant Fund

The American Rescue Plan Act grant fund, although listed as a major fund for the last financial statement, has no expected revenues or expenditures for the next fiscal year and five-year plan.

City Council Summary

The City Council provides policy direction upon which all actions, programs, priorities, and performance are based. The Council relies on input from appropriate committees, commissions, and constituents interested in the issues under consideration to assist the public debates to formulate policies that reflect the needs and priorities of the residents of Eastvale. The City Council strives to promote the economic, cultural, and governmental well-being of the community and to establish and maintain cooperative and effective relationships with state, local, and federal agencies to influence policy decisions, legislation, and services which affect the City of Eastvale.

CITY COUNCIL ACCOMPLISHMENTS

1. Continue to navigate through the COVID-19 pandemic and its variants under guidance from the Riverside County Public Health Department, the Occupational Safety and Health Administration (OSHA), and the Governor's office.
2. City of Eastvale's 2021-2022 Fiscal Year Budget received the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA).
3. Recognized as the 2nd least financially at-risk City in the State by the California State Auditor.
4. Approved a three-year Cost of Living Increase (COLA) for City Staff (Years 2021-2023).
5. Ranked 29th by SafeWise's 2021 survey of Top 50 Safest Cities in California.
6. Roadway Adoption Program Community Wide Clean-ups.
7. 9/11 20th anniversary ceremony & memorial unveiling at Fire Station 27.
8. Partnered with JCSD and the Eastvale Chamber of Commerce on the annual Veterans Day Ceremony and the dedication of plaques for Ike Bootsma and Ric Welch at American Heroes Park.
9. Partnered with the Eastvale Chamber of Commerce to host the State of the City and Taste of Eastvale events

10. Introduced new, diverse and inclusive events to the community such as Eek!vale, Miracle on Citrus Street, and the Chinese Lantern Festival.

CITY COUNCIL GOALS

1. Execute priorities and targets as part of the Strategic Plan.
2. Provide quality City and Public Safety services.
3. Work towards bringing the City's Parks and Recreation Programs in-house (currently with JCSD).
4. Create and promote new and existing community events such as the International Food Festival: Taste of Eastvale, EATSvale, etc.

City Attorney Department

Department Summary					
City Attorney	307,082	299,975	390,000	390,000	352,400

Department Summary

The City Attorney's Department provides comprehensive legal services for the City Council, City Manager, and City Departments. The City Attorney's Department provides legal advice and research on municipal law matters; reviews, drafts, and approves as to form contracts, ordinances, resolutions, and other documents; advises on personnel matters; and, as needed, represents the City in litigation and before administrative bodies. The City Attorney is appointed by the City Council.

DEPARTMENT ACCOMPLISHMENTS

The City Attorney's Department has achieved the following:

1. Continued to assist and advise the City in implementing COVID-19 related modifications to City operations and policies, including but not limited to tracking changes to CalOSHA regulations and revising the City's COVID-19 Prevention Plan accordingly, implementing teleconferencing for Council and Commission meetings under AB 361.
2. Assisted the City with several personnel matters, including the contracts for Acting and Interim City Manager services, and worked closely with outside special counsel.
3. Worked closely with the Community Development Director and Planning staff on large planning projects, including the Housing Element update, the Leal property development, the Chandler/Archibald project. Drafted the Density Transfer Ordinance to keep the City in compliance with SB 330 and other State Housing Laws.
4. Supervised outside special counsel representing the City in appeals filed by individuals of determinations by CalPERS with respect to the employer compliance review related to the City's use of independent contractors. Negotiated and finalized cost sharing agreements with Interwest and Michael Baker International for arrears contributions to CalPERS requires as a result of the employer compliance review.
5. Worked closely with staff on the transfer of streetlight districts from JCSD to the City, assessing the viability of the takeover of frontage landscaping responsibilities, and other matters related to JCSD.
6. Negotiated a Charitable Gift Agreement to facilitate the donation of $2.5 Million to the City for its future library by Randall and Janell Lewis.
7. Advised the Community Enhancement and Safety Team on numerous code compliance issues.

8. Drafted, reviewed and approved numerous professional services agreements and advised staff on compliance with the City's purchasing ordinance requirements, Public Contracts Code requirements, and prevailing wage issues.
9. Reviewed numerous records requested by members of the public under the California Public Records Act for confidential and exempt information and assisted the City Clerk's Department in responding to such requests.

DEPARTMENT GOALS

1. Continue to provide efficient, high-quality legal services and serve as a trusted advisor to the City Council, City Manager, and Departments.
2. Support the City and provide strategic advice and counsel as it continues to work toward achieving the Strategic Plan goals.
3. Work with staff to identify and prioritize updates to the Municipal Code and administrative policies.

City Clerk Division Summary

General Fund: 100; Department 120

The City Clerk's office of the City of Eastvale is committed to ethically serving the needs of the residents of our community by providing equal access to open and transparent government, ensuring the integrity of the participatory process, bridging internal and external communication pathways, and enhancing the public's trust in local government.

- Conducting regular and special general municipal elections in consolidation with the County of Riverside for the election of City Council members and local initiatives, referendums, and recalls.
- Administering Political Reform Act requirements related to campaign disclosure statements, conflict of interest filings, and AB 1234 Ethics Training.

- Administering Brown Act requirements ensuring meetings, agendas, minutes, reports, public notices, resolutions, and ordinances are prepared, posted, and published pursuant to law.
- Ensuring open and transparent access through records-related services including records management, retention, and Public Records Act programs.
- Administering boards and commissions programs related to vacancies, orientation, commission handbook, and Maddy Act compliance.

DEPARTMENT ACCOMPLISHMENTS

1. Processed nearly 800 passports and over 400 passport photos between June 2021 - March 2022.
2. Implemented an online portal for booking passport appointments.
3. Fully implemented livestreaming of meetings and utilized GoToWebinar.
4. Implemented electronic voting for City Council/Commission meetings.
5. Started City-wide Scanning Project.
6. Completed the City Council Redistricting project.

DEPARTMENT GOALS

1. Continue to improve the City's records management system to enable quick response to public records requests, as well as to more efficiently assist City staff with document research.
2. Maintain compliance with the City's records retention policy on a quarterly basis.
3. Host up to two (2) Passport Days on Saturdays.
4. Continue to maintain all City records in digital format.
5. Implement an online portal for submitting public records requests.
6. Conduct the 2022 November General Municipal Election.

Communications Division Summary

General Fund: 100; Department 260

The City of Eastvale Communications Division, under the direction of the City Clerk/Communications Department, works to provide important and valuable information to the community to ensure constituents are kept up to date with City occurrences. This information is disseminated through various platforms including the City's website, social media outlets, and coordinated press releases. All outreach efforts are rooted in the Communications Division's guiding principles which focus on providing proactive and strategic communication, creating awareness, increasing collaboration efforts, inspiring inclusive community, and maintaining ongoing dialogues of two-way communication.

DIVISION ACCOMPLISHMENTS

1. Launched several city-wide initiatives including a safe driving initiative, health initiative, and business promotion initiative.
2. Coordinated and hosted City-ran events including our Veterans Day event, 9/11 event, State of the City, inaugural Halloween event, inaugural Christmas event, and several community clean-up events.
3. Enhanced social media presence and increased following with elevated templates, prevalent branding, and consistent posting.
4. Updated the City's Adopt A Roadway Program to ensure full functionality.
5. Awarded a Gold MarCom Award in the category of Digital Media for our Economic Development website and an award from the Municipal Management Association of Southern California for Organizational Excellence.
6. Expanded Eastvale's demographic outreach by reformatting Eastvale's bi-weekly newsletter and printed newspaper ads.
7. Initiated Eastvale's first-ever "Year In Review" to highlight the City's victories.
8. Partnered with DeGrave Communications to develop the City's first-ever Communications Plan that outlines goals and strategies to maximize the City's communications efforts through a variety of channels.
9. Enhanced social media management through a social media policy update.

DIVISION GOALS

1. Invest in innovative video projects, supplemental equipment, and broader outreach efforts.
2. Implement a City-wide emergency text system.
3. Increase community engagement through social media management, the City's official website, and community outreach events.
4. Enhance social media management through continuous social media policy and communications strategy updates.
5. Maintain a relationship with the community through City-hosted events.
6. Continue to invest in relationships with community partners.
7. Look for possible award recognition and innovative campaign opportunities.

8. Maintain the annual purchasing of graphic design tools and video editing software.
9. Encourage staff to frequent trainings and seminars that encourage growth and learning opportunities.

Community Services Division Summary

General Fund: 100; Department 720

The Community Services Team, under the direction of the City Clerk/Communications Director, works to provide and improve the physical, social, and economic health of the Eastvale community by delivering inclusive, innovative and engaging recreational and community-focused events and programs. The Community Services Division is committed to ensuring that the City of Eastvale continues to be a wonderful place to live, work and play, which in turn contributes to a healthy, vibrant and diverse community.

DIVISION ACCOMPLISHMENTS

1. Hosted three (3) successful EATSvale Food Truck Festival monthly events in July, August, and September with an average of 1,500 people in attendance per event. EATSvale event included a diverse line-up of 10-14 gourmet food trucks, dessert food booths, family game area, and live entertainment. Additional and themed EATSvale events were hosted in March, April and June which also included a new fun zone inflatable area and mini-beer garden.
2. Launched the City's first culturally diverse focused community event, Eek!vale, which incorporated a "Dia De Los Muertos" theme that included folkloric performances, artisan craft vendors, and a traditional altar display. Over 6,000 people were in attendance and 112 volunteers from Eleanor Roosevelt High School helped make the event possible.
3. Supported the enhancements of annual City remembrance and engagement events (9/11 ceremony, State of the City, Veterans Day) by securing live musical performances from local musicians and coordinating volunteer efforts to assist with logistical needs.
4. Launched the City's first holiday season 2-day event, Miracle on Citrus, which highlighted traditional Dutch culture and offered the over 12,000 visitors a unique train ride excursion to visit the North Pole (and see actual reindeer). 134 volunteers supported the event, which included multiple snow play and snow slide areas.
5. Procured event logistics equipment (portable fencing, crowd barriers, portable stage) that will be repeatedly used for a variety of City events; part of a plan to decrease overall costs of renting necessary items when hosting events.
6. Helped launch the 1st annual Eastvale Lantern Festival in partnership with the Eastvale Chinese American Association and Panana Events. The 2-day event drew over 15,000 visitors and was filled with a rich line-up of live cultural performances, craft booths, and food vendor options celebrating Asian culture.
7. Collected community event participant surveys, via QR code signage, at the conclusion of every event to help assist with enhancing future events.
8. Launched the inaugural "Taste the World, In Eastvale" International Food Festival event, which was held from May 21-22 and hosted on Scholar Way between Citrus St. and Baltimore Ave. The event included over 80 vendors (40 food/40 retail) highlighting all cultures around the world. Over 20,000 visitors were in attendance to enjoy the 2-day event that also included multiple cultural performances, live concerts, children's play area, and a special flag procession to celebrate the diversity of the Eastvale community.

DIVISION GOALS

1. Continue to plan for and enhance all community events to include opportunities to decrease costs where permissible.
2. Continue to collaborate with and support community groups to increase recreational opportunities and services to Eastvale residents.
3. Continue to collaborate with partner agencies to seek venue-sharing or joint-use agreements to offer additional recreational opportunities.
4. Continue to develop internal policies and procedures to streamline the even planning and administration process.
5. Seek corporate sponsorship opportunities for community events.
6. Seek and apply for state and federal grant opportunities to provide and enhance recreational services and programs.
7. Actively participate in state and federal professional recreation associations to enhance staff development and community service offerings.
8. Develop and implement a comprehensive City-wide volunteer policy to include processes for recruitment, training, and recognition.
9. Develop and successfully launch the City's first International Film Festival in collaboration with community groups and local businesses.

10. Develop and implement low-cost and/or free recreational opportunities for senior residents and disadvantaged youth.

City Manager Department Summary

General Fund: 100; Department 200

The City Manager is appointed by the City Council and serves as the Chief Executive Officer of the City. The City Manager is responsible for the daily administration of the City and appoints and supervises all department directors. The goal of

the City Manager's office, with the assistance of the Executive Assistant, Management Analyst, and Economic Development Manager, is to provide comprehensive coordination and direction of city activities, finances, and personnel to deliver effective, efficient, and economical municipal services, along with overseeing the coordination of Public Safety contracts for CalFire and the Riverside County Sheriff (RSO). In addition, the City Manager promotes economic development to encourage business investment within Eastvale. The focus of economic development is to create jobs and provide long-term revenue to support essential City services.

DEPARTMENT ACCOMPLISHMENTS

1. Continued to navigate through the COVID-19 pandemic and its variants under the direction of the City Council
2. Accomplished over 160 action items from the Strategic Plan
3. Awarded the 2021 MMASC Organizational Excellence Award
4. Coordinated new military banner installations in May and November to honor and recognize 15 active resident military members
5. Organized the installation of 45 2021 ERHS graduation banners along Scholar Way and Citrus Avenue
6. Organized four Roadway Adoption City Staff clean-ups
7. Partnered with the Eastvale Chamber of Commerce on the 2021 State of the City/Taste of Eastvale event
8. Hosted two Free Residential Clean-up and Shredding event for Eastvale residents
9. Partnered with the Eastvale Chamber of Commerce on the Veterans Day recognition campaign (120 signs delivered)
10. Randall and Janelle Lewis donated $2.5 million towards the Eastvale Giving Library Campaign
11. Partnered with Eastvale's Youth Council
12. Created Eastvale's first Leadership Academy
13. Designated Leal property as the future Civic Center site
14. Selected Griffin Structures and LPA, Inc. as the Owner's Representative/Program Management and Bridging Architect for the Civic Center Project
15. Selected Renne Public Policy Group (RPPG) as our Lobbyist
16. Adopted ordinance to comply with SB1383 which establishes statewide targets to reduce the amount of organic waste that is disposed of in landfills. The ordinance also sets a goal to rescue at least 20% of currently disposed edible food by 2025 and redirect that food to people in need.

DEPARTMENT GOALS

1. Continue to work towards securing an independent zip code for the City of Eastvale
2. Continue working with the architect on the Library/Innovation Center, Police Station, Fire Station, City Hall & Civic Center
3. Continue to partner with Waste Management & CalRecycle to educate residents and businesses on SB1383
4. Update the City's administrative policies to maintain compliance and help establish the legitimacy of management's actions by creating uniformity across departments
5. Continue collaboration with city partners to provide cultural and diverse events and celebrations to the community
6. City Hall space planning

Human Resources Division Summary

General Fund: 100; Department 220

The City of Eastvale staff strives to positively impact the lives of thousands of people who choose to live, work, and play within city limits. The Human Resources Division is responsible for benefits administration, recruitment, worker's compensation, employee safety, organizational development. Our people focused organization encourages collaboration, and respect committed to creating a workplace of diversity and inclusion while adhering to federal and state laws and regulations.

DIVISION ACCOMPLISHMENTS

1. Evaluated and enhanced employee benefits to remain competitive, compliant, and to provide cost savings to the organization.

   a. Transitioned to Colonial Life Insurance Company for supplemental insurance to enhance employee benefit options.
   b. Addition of United Pet Care to enhance employee benefit options.
   c. Partnered with ScholarShare 529 to aid employees in planning for costs associated with higher education.
   d. Transitioned to Sterling Administration for Cafeteria Plan Administration, Flexible Spending Accounts, and Dependent Care Accounts.
   e. Coordinated a Virtual Open Enrollment with Building Block for Business to provide benefit education to employees and to maintain compliance with benefit requirements.
2. Attracted and retained top talent through organizational and cultural development:
   a. Office Specialist – Community Enhancement & Safety Division
   b. Office Specialist – Finance Department
   c. Permit Specialist
   d. Community Services Manager
   e. Senior Planner
   f. Principal Engineer
   g. Senior Community Enhancement & Safety Officer
   h. Interim Community Safety Director
   i. Communications Specialist
   j. Community Enhancement & Safety Officer (2x)
   k. Management Analyst
   l. Accounting Technician (2x)
   m. WRCOG Fellow – Economic Development
   n. Volunteer – City Manager's Department
   o. Volunteer – Engineering Division
   p. Payroll Coordinator
   q. Permit Specialist
   r. Community Services Coordinator (2x)
   s. Environmental Compliance Analyst
   t. Senior Building Inspector
   u. Landscape & Facilities Superintendent
   v. Senior Accountant
3. Implemented new software to streamline employee processes and provide cost savings to the organization.
   a. Launch of Innovative Business Solutions, a timekeeping system aimed to simplify and expedite the timekeeping process, while enhancing transparency for employees.
   b. Implementation of eForms module within NEOGOV, used as a document management system which digitizes all personnel forms, and allows the team to self-initiate payroll and employee personnel processes and track statuses.
4. Provided professional growth and development opportunities through mentoring, job shadowing and one on one coaching.
5. Enhanced opportunities for community engagement & volunteer opportunities through the Employee Recognition Committee.
6. Reinstated the CommUNITY Leader Development Intern Program which will allow further development of future public sector leaders.

DIVISION GOALS

1. Conduct Employee Recognition and Engagement Survey to gain insight for enhancing employee/team morale and culture to retain top talent.
2. Implement strategies to remain competitive in attracting and retaining top talent:
    a. Strategically plan personal, professional, and organizational growth for employees.
    b. Establish Career Ladders.
3. Continue to develop Strengths Based Leadership and incorporate the City's Purpose and Values.
4. Continue to provide community engagement and volunteer opportunities to staff through Employee Recognition Committee led initiatives.
5. Host employee Benefits Fair to provide relevant, timely information regarding employee benefits.
6. Conduct benefits survey to ensure we are offering competitive benefits while maintaining cost savings to the organization.

Department Summary

The Finance Department's role is to manage and maintain financial records in conformity with generally accepted governmental accounting principles and in compliance with federal, state, and local laws. The department accounts for all revenues and expenditures, monitors internal controls, and processes warrants. Additionally, the department oversees the investment of public funds and cash management. The department prepares the Annual Comprehensive Financial Report in conjunction with, and subject to, the opinion of the City's independent audit firm. Under direction of the City Manager, the department prepares the City's annual budget and mid-year review. Additionally, the department also maintains a financial planning document, allowing the department to simultaneously prepare the budget document and multi-year financial forecasts for all funds. The department prepares quarterly interim financial reports, which are presented to Council four times per fiscal year. The department also prepares monthly investment reports to the City Council. Finance collaborates with the City Manager and all City departments, providing timely financial information and assistance to meet the organizational, departmental, and strategic plan objectives.

Specific activities include:

- **Fiscal Policy Maintenance and Guidance -** Prepare and implement policies and plans for effectively managing the City's financial resources and maintaining long-term financial health; advise the City Manager on fiscal matters; review Council agenda reports and other policy documents for fiscal impacts.
- **General Accounting Services -** Maintain compliance with various applicable pronouncements and in particular those established by the Governmental Accounting Standards Board (GASB); maintain City's enterprise resource planning software, general ledger, and chart of accounts; monthly reconciliation of bank accounts. Responsible for the daily financial transactions for the City, and timely and accurate presentation of financial reports. Administer city-wide developer deposit accounts.
- **Investments, Banking Services, and Debt Service Administration -** Manage the City's investment portfolios in accordance with adopted policies including daily cash management and cash flow; coordinate project financing and debt service obligations.
- **Business Registration, Sidewalk Vendor Registration, and Rental Registration -** Manage the business registration program; Manage the sidewalk vendor registration program; manage the rental registration program; issues new registrations and annual renewals for all three programs.
- **Accounts Payable –** Process accounts payable, issuing timely disbursements to vendors; review, maintain, and ensure internal controls and adherence to established payable procedures; file annual reports required by regulatory agencies; maintain vendor files.
- **Accounts Receivable –** Maintain organization-wide accounts receivable and collection system.
- **Purchasing –** Process department purchase requisition requests, maintain City purchase orders, and ensure purchases comply with the City's purchasing ordinance.
- **Special District Formation & Administration –** Participate in formation procedures and annual administration of 107 LLDs, LLMDs, CFDs, and BADs, levy setting, and budgeting.

DEPARTMENT ACCOMPLISHMENTS

1. Completed the 2020-21 annual audits for the City's Annual Comprehensive Financial Report, Measure A (county funding), and Western Riverside County Regional Conservation Authority.
    a. Received the GFOA Certificate of Achievement for Excellence in Financial Reporting for fiscal year 2020-21, for the tenth consecutive year.
    b. Completed the city's first Federal Single Audit for the city's American Rescue Plan Act, State and Local Fiscal Relief Fund (ARPA SLFRF) allocation.
    c. No findings from audits.
2. Completed the 2021-22 Budget process and adopted the 2021-22 budget document on June 23, 2021.
    a. Received GFOA Distinguished Budget Presentation award for fiscal year 2021-22, a third-time achievement for the City.
3. Completed Mid-Year analysis in January 2022.
4. Completed phase one of a Parks Feasibility Study.
5. Completed User Fee Study.
6. Began implementation of OpenGov budgeting software.
7. Met all Federal reporting requirements for the city's ARPA SLFRF allocation.
8. Completed a five-year Financial Planning Model (Target #3, Goal #3).
9. Transitioned business registration to HdL.
10. Evaluated 1,500 developer deposit accounts and selected 300 inactive accounts for write off and unclaimed money procedures.
11. Implemented credit card processing within the Building Division and Passports for flat fees.

12. Coordinated with Community Development and Community Safety to create new processes related to developer deposits (Target #3, Goal #5).
13. Transitioned 90 special assessment districts from Jurupa Community Facilities District for streetlight operations and maintenance.

DEPARTMENT GOALS

1. Implement Cost Allocation Plan and User Fee Study (Target #3, Goal #6).
    a. Present results to Council and adopt new user fee schedules.
2. Complete implementation of OpenGov budgeting and transparency software; issue online budget book, interim financial reports, and budget-in-brief.
3. Prepare a Popular Annual Financial Report.
4. RFP for a collection agency for outstanding accounts receivable.

Department Summary

The Information Technology (IT) Services Department is under the direction of the City Clerks/Communications Director, who works to implement, maintain, support, and enhance citywide technologies, which is primarily conducted through contract IT services. The Division's primary goals are to provide both strategic vision, connectivity, and enterprise solutions to fulfill the City's IT objectives in an efficient and effective manner, implement and maintain computer/software systems, enhance the City's technology infrastructure, and provide high quality support services.

DEPARTMENT ACCOMPLISHMENTS

1. Surplus obsolete IT equipment.
2. Extended on-site service hours at City facilities to four days a week.
3. Assist with the implementation of new Springbrook software upgrade, Live-Streaming Granicus software, equipment upgrades to the City Council Chamber.
4. Implemented new surveillance camera system at City facilities.
5. Continued to replace old user workstations and laptops.
6. Installation of additional Wi-Fi access point in City Hall, Citrus Property, and Fire Stations.

DEPARTMENT GOALS

1. Continue to inventory all IT equipment and surplus obsolete IT equipment.
2. Continue to provide high quality internal IT service to City staff.
3. Continually evaluate current IT infrastructure and suggest/implement new software/programs to allow City staff to manage internal/external City services more effectively.

Department Summary

General Services includes General Fund expenditures that do not apply to a single department, miscellaneous expenditures that are not associated with any of the operating departments, or city-wide programs and expenditures.

General Government Division Summary

General Fund: 100; Department 290

The General Government Division is a support division for all City services and includes copier leases, general office supplies, janitorial supplies, and city-wide postage charges. Additionally, the division houses CalPERS unfunded liability expenditures, other post-employment benefit annual payments, and software products utilized by multiple departments (PlanetBids, WaitWhile queuing system, and shredding services). The main category in this division is the City's revenue neutrality payment to the County of Riverside based on the City's incorporation agreement with the County. Transfers out of the general fund are also located in this division and comprise the majority of the departments costs. Transfers out include capital improvement plan contributions, capital replacement contributions, and general benefit transfers. More information can be found in the corresponding transfers and the cost allocation plan pages under the summary section of the budget document.

Building & Facilities Division Summary

General Fund: 100; Department 295

General Fund Expenditure Detail: Departments

The Building and Facilities Division is a support department consisting of facilities maintenance and related leases and utilities for the operation of City Hall and City-owned properties. The city leases one facility at the Gateway shopping center. The city owns and operates two fire station facilities and a 22-acre property at 13200 Citrus.

Community Development Administration Summary

General Fund: 100; Department 301

The Community Development Department encompasses services for Planning, Engineering, Public Works, and Economic Development. The 2022-2023 Fiscal Year is anticipated as one of the most important years for the Community Development Department because the Leal Master Plan will kick off officially marking the beginning of the development of the 160-acre Leal property.

Our Purpose

Collaborating with our
community to create lively, livable
spaces and places.

Our Values

Passion: Driven to show others how deeply we care
Entrepreneurial Heart: Pioneering Innovation
Together: We Value every one's story

DEPARTMENT ACCOMPLISHMENTS

1. Inland Empire Economic Partnership Red Tape to Red Carpet Award Winner Arts Innovation, "Never Forget" September 11 Memorial Sculpture.
2. Inland Empire Economic Partnership Red Tape to Red Carpet Award Finalist Public Private Partnership, Tesla Charging Stations.
3. For the third year CDD hosted a Randall Lewis Fellow.
4. Resumed the partnership with the Western Riverside Council of Governments to host a WRCOG Fellow.
5. Public Works/Engineering added a Principal Engineer and Management Analyst to manage grants.
6. Planning team grew to include a Senior Planner.
7. Held first Public Works Week.
8. Held first Planning Week.
9. Established the first step in developing Eastvale's Downtown through Leal Plan Master Plan Review.
10. Leal Development Agreement negotiation.
11. Created a Development Agreement Ordinance.
12. Closure of Goodman Commerce Center Development Agreement.
13. Hosted staff lunch and learn on General Plan.
14. Civic Center programing and project management.
15. Leal Master Plan entitlements approved (if approved by council).

DEPARTMENT GOALS

1. Continue to provide support to Economic Development, Engineering, Planning, and Public Works.
2. Enhance department software and technology for organization and efficiency.
3. Complete Accela Implementation.
4. Leal Master Plan implementation.
5. Hamner Place buildout and grand opening.
6. Goal to adopt City's first Capital Improvement Plan.

Economic Development Division Summary

General Fund: 100; Department 301

Economic Development is a top priority for the Eastvale City Council and is on the council's strategic plan. Over the last three years the Economic Development Division invested in data that helps attract new and diverse businesses to the city and providing support for existing businesses. With the Leal Master Plan on the horizon Economic Development will play a vital role in attracting businesses and high-quality jobs to create a regional destination. Work with internal divisions to streamline private land development and help businesses open in an efficient and timely manner.

DIVISION ACCOMPLISHMENTS

1. Hosted 5 EATSvale Food Truck events that attracted over 10,000 attendees, 22 food trucks, and 7 resident vendors.
2. Helped with the opening of 16 new businesses in Eastvale.
3. Economic Development strategy instrumental in helping increase Sales Tax 18% since Fiscal Year 2018-2019.
4. Assisted in decreasing Food and Beverage leakage from $71 million per year to $68 million per year.
5. Launched business attraction advertisement campaign.
6. Created Economic Development brand Elevate Eastvale for business attraction.
7. Elevateeastvale.com Economic Development website created.
8. Created and updated Economic Development marketing documents with new Census data
9. Purchase software Placer.AI for data analytics.
10. Created Concept, Construction, Cutting Ribbon (3 C's of development) for business attraction.
11. Created Permit Tracking to follow permits submitted to ensure efficient and timely business opening.
12. Increased the Eastvale Biz Focus Newsletter subscribers by 92%.
13. Created Welcome Gift Box and letter for new businesses in Eastvale.
14. Marcom Gold Winner for Elevate Eastvale website.
15. dotcom Gold Winner for Elevate Eastvale website.
16. Public Relations Society of America Polaris Award Finalist for Rebrand, Website Design, and Collateral Refresh.
17. Inland Empire Economic Partnership Red Tape to Red Carpet Award Finalist for Innovative Use of Technology.

DIVISION GOALS

1. Tell Eastvale's story through an Economic Development website.
2. Connect with new businesses through an Economic Development Welcome Letter.
3. Increase Eastvale Biz Focus Newsletter subscribers to communicate with Eastvale businesses.
4. Establish EATSvale Food Truck Event to provide food service businesses without a physical location.
5. Attract new businesses by attending International Conference of Shopping Centers RECON event.

Planning Division Summary

General Fund: 100; Department 300

The Planning Division is focused on creative urban planning and design solutions that result in a livable, high-quality built environment where Eastvale residents, businesses and visitors can live, work and play. The Division is responsible for three main sections: Long Range Planning, Project Management, and Public Information. The Long-Range Planning section is responsible for implementing the City's long-range initiatives through the General Plan and Zoning Code, participating in regional planning activities, and ensuring that the City remains up to date with regard to state and federal mandates for planning, zoning and environmental protection. The Current Planning section is responsible for the processing of private development entitlement applications for compliance with City policies and regulations in a timely and consistent manner that delivers results to applicants. The Public Information section provides the general public with prompt planning and zoning information in response to email, telephone, and over-the-counter inquiries, along with providing administrative application review, such as plan checks. The Division provides staff support to the City Council and Planning Commission and coordinates the environmental analysis of proposed public and private projects. The Division also coordinates with and supports the work of the Public Works, and Economic Development Divisions as well as the Community Safety and City Clerk's Departments.

DIVISION ACCOMPLISHMENTS

1. Streamlined planning entitlement applications by cutting review time from 90 days to 30 days.
2. Entitlements for Chandler and Archibald Retail Center.
3. Entitlements for The Merge Pad 2 Retail Building.
4. Entitlements for Beyond Mart Fueling Station at The Ranch.
5. Entitlements for Chili's and Olive Garden restaurants at Goodman Commerce Center.
6. Entitlements for Walmart Fueling Station.
7. Alcohol Licenses for Bushfire Kitchen, Zeppin Sushi, Crying Tiger Bistro, and Dog Haus Restaurant.
8. Creation and adoption of "No Net Loss" Ordinance.
9. Creation and adoption of "Development Agreement Procedure" Ordinance.
10. Plan check of various projects totaling over 1.5 million square feet at The Campus, The Merge, The Station, Goodman Center, The Ranch, and Hamner Place.
11. Developed and implemented a comprehensive outreach program for the 2021-2029 Housing Element.
12. Drafted, submitted, and gained conditional certification of the 2021-2029 Housing Element.

13. Developed draft development concepts of the Chandler, Citrus, Riverfront, Gateway, and Vernola areas for the General Plan update (Eastvale 2040).
14. Developed draft section of the Comprehensive Zoning Code update.
15. Served over 120 customers with over-the-counter planning inquiries and assisted with 2,337 Building and Safety inquiries since July 2021.
16. Served over 2,000 customers with over the phone and email inquiries since July 2021.
17. Implemented a Land Management System (Accela) to streamline project processing.

DEPARTMENT GOALS

1. Develop virtual interface through Accela for residents and businesses to apply and track their permits online.
2. Implement Eastvale Strategic Plan Goals to: develop a Civic Center and Police Substation; Establish EATSvale; and business retention.
3. Develop a searchable GIS platform that provides basic parcel information to users. This would provide a valuable resource to the community;
    a. Utilize Accela for final project file database;
    b. Allow for online application submittals via Accela;
    c. Ensure projects are meeting the requirements of the Permit Streamline Act.
4. Assist with the design, location and entitlement of a Civic Center and Police Substation through the Leal Specific Plan.
5. Lead the comprehensive update of the **Eastvale 2040 Plan;**
    a. Adoption of the General Plan update.
    b. Certification of the 2021-2019 Housing Element.
6. Amend the Zoning Code to:
    a. Address a variety of minor and technical issues to increase efficiency for residents and the business community;
    b. Development new Zoning Code format, consistent with the **Eastvale 2040** update.
7. Update the City's Objective Design Standards.
8. Work with adjoining communities to manage growth and potential impacts to Eastvale.
9. Adopt an SB2 Ordinance (Lot Split).
10. Process the first phase of entitlements for the Leal Master Plan.
11. Apply for grant funding for the "Chandler Specific Plan."
12. Ensure adequate staffing levels for development of Downtown Eastvale.

Public Works/Engineering Division Summary

General Fund: 100; Department 320, 500, 510

Public Works Division is committed to the maintenance and operation of the City of Eastvale's infrastructure. This includes ensuring the safety and quality of streets, sidewalks, traffic signals, street lights, traffic signs, landscape, and storm drain inlets. Through initiatives such as the Capital Improvement Program, we actively improve the City's infrastructure. Our mission is to keep the amenities that make Eastvale a premiere location to live and raise a family and we work hard to make sure the needs of Eastvale residents are met and strive to exceed expectations every single day.

Engineering Division is responsible for the design and construction of private development and capital/public projects. The division collects development fees, processes permits, and provides inspections for a variety of construction and non-construction activities within the public right-of-way. The private development services we offer ensure compliance with City Codes and reviews the development process. We also work closely with Federal, State, County, and public utility agencies where we are responsible for the management of grant-funded projects and programs.

Public Works/Engineering Division is focusing on managing high priority projects with a goal of developing procedures to provide more streamlined and standardized services to developments, utility companies, contractors, and other public agencies.

DIVISION ACCOMPLISHMENTS

LAND DEVELOPMENT

1. Managed 20 private development projects.
2. Coordinated with SCE to assist development projects with relocating transmission poles along Archibald Avenue near Limonite Avenue.

UTILITY COORDINATION

3. Streamlined Encroachment Permit process.
4. Issued 400 (encroachment, transportation, grading) Permits.

CAPITAL IMPROVEMENT PROJECT

5. Created Capital Improvement Project matrix.
6. Updated Citywide Pavement Management Plan.
7. Applied 1.5 million square feet of slurry seal to city streets.
8. Performed 1.3 million square feet of asphalt overlay.
9. Completed design of Limonite Gap Closures design project.
10. Completed 30% design of Active Transportation Project (ATP) – Trail Connectivity along Harrison Avenue and Scholar Way.
11. Completed design and implementation of Limonite Avenue Synchronization.
12. Awarded with $1.4 million of ATP grant for Safe Routes to School project.
13. Completed design of Traffic Signal Dilemma Zone Detection project.
14. Installed Retroreflective Backplates on Traffic Signal Indicators.
15. Completed construction of Schleisman Road extension within Hamner Place.

TRAFFIC SAFETY

16. Implemented traffic calming safety measures.
17. Added traffic signal battery backup systems.
18. Developed Neighborhood Traffic Calming Policy.
19. Held Traffic Safety Meeting with Riverside Sheriff monthly to discuss various traffic safety concerns.

OPERATIONS

20. Recruited Principal Engineer to oversee private development projects and other priority projects.
21. Recruited Management Analyst to manage all grants.
22. Created on-call list of consultants for various categories including civil engineering, private development, traffic engineering, surveying, project management, construction management, etc.

LANDSCAPE MAINTENANCE

23. Coordinated with Jurupa Community Services District to manage over 50 Community Facilities Districts (CFD).
24. Managed landscape maintenance contracts to maintain City CFDs and I-15 Limonite Interchange.

PUBLIC WORKS MAINTENANCE

25. Added traffic signal battery backup systems.
26. Completed traffic sign inventory.
27. Amended moratorium ordinance to protect newly paved streets.

FACILITIES MAINTENANCE

28. Managed building and landscape maintenance of Altfillisch Property, Fire Station 27 and 31.
29. Installed 911 Memorial Monument at Fire Station 27.

DEPARTMENT GOALS

LAND DEVELOPMENT

1. Continue to manage development projects.
2. Streamline and standardize services.
3. Manage Geographic Information System (GIS) implementation across different applications make GIS available to public.

UTILITY COORDINATION

4. Review Right of Way (ROW) Encroachment permits within one week.

CAPITAL IMPROVEMENT PROJECT

5. Develop City's first Capital Improvement Program.
6. Continue to work on Hamner Avenue Bridge Widening Project with City of Norco, County of Riverside and Caltrans.
7. Design, advertise for bid, and complete Annual Overlay and Slurry Seal Project.
8. Complete 100% design of ATP project– Trail Connectivity along Harrison Avenue and Scholar Way.
9. Advertise for bid and start construction of Limonite Gap Bridge.
10. Continue to develop Americans with Disability Act (ADA) Transition Plan.
11. Seek funding opportunities for street projects.
12. Develop Smart City Master Plan.
13. Develop Eastvale Alternative Drainage Master Plan.
14. Develop Eastvale Roadway Vision – conceptual design of Citywide walking and biking paths/trails.
15. Synchronize traffic signals along arterial streets.
16. Advertise for bid and complete to install Traffic Signal Dilemma Zone at 16 signalized intersections.
17. Continue to design for multiuse trail along Schleisman Road.
18. Develop conceptual plan for Eastvale "Highline" trail.
19. Continue to seek for passive park opportunities.

TRAFFIC SAFETY

20. Develop Traffic Safety Program.

OPERATIONS

21. Implement software to manage grants, projects and City owned assets.
22. Recruit field staff to provide consistent inspection services.

LANDSCAPE MAINTENANCE

23. Continue to maintain City CFDs.
24. Continue to work with JCSD to manage over 50 JCSD CFDs.
25. Continue to seek funding opportunities to beautify I-15 corridor.

PUBLIC WORKS MAINTENANCE

26. Develop Public Works Manual and Standard.

FACILITIES MAINTENANCE

27. Continue to maintain City owned facilities.
28. Design and install interim offices to accommodate city staff.

Community Safety Administration Summary

General Fund: 100; Department 311

The Community Safety Department encompasses services for Building and Safety, Community Enhancement and Safety, and Emergency Management.

DEPARTMENT ACCOMPLISHMENTS

1. Establish City volunteer program.
2. Hired intern to assist with implementation of Accela, scan projects into Accela, assist with CES and EM as needed.
3. Hired Environmental Compliance Analyst to develop and implement AB341 and AB1826 (recycling).
4. Completed workflows and public online portal availability for Pool, Solar, Sign, and Residential Alteration permits.
5. Improved reporting in Accela to provide tasks-based reporting and accountability.
6. Procured two vehicles for building inspection staff.
7. Procured two vehicles for contract fire inspectors.
8. Transferred request management system from E-Citizen to My Eastvale, improved customer experience.
9. Completed integration of GoGov and Accela to provide data availability in Accela of CES cases.
10. Completed CSD team strengths-based workshop to improve staff relations and increase team performance.

DEPARTMENT GOALS

1. Enhance department software and technology for organization and efficiency (Accela).
2. Support Building Safety, Community Enhancement and Safety, and Emergency Management for organizational efficiency.
3. Assist Development Services with implementation of Accela.
4. Assist Development Services with GIS improvements.
5. Assist Development Services with Developer Deposit tracking and reconciliation through Accela.
6. Bring in house two additional Building Inspector positions.
7. Continued development and training of staff in Community Safety to enhance efficiency and effectiveness.
8. Seek grant for EV charging station at City Hall, bring Nissan Leaf's to City Hall for staff use.

Building Safety Division Summary

General Fund: 100; Department 310

The Building Safety Division ensures life and safety for the Eastvale community. Safety is achieved through building plan review, issuing building permits, and performing inspections for new development, large scale development, businesses, and homeowners. All work is provided in accordance with City regulations and building codes including Americans with Disabilities Act (ADA) and compliance with State accessibility requirements. The Building Safety team provides highly trained staff and an outstanding level of customer service. We strive to solve problems by being responsive and accessible.

DIVISION ACCOMPLISHMENTS

1. Assisted over 3,800 residents at the counter.
2. Over 1,600 permits issued.
3. Conducted over 3,000 inspections.
4. Continue to streamline permit application process through Accela:
    a. Solar, pool, signs, and residential permit process revised and improved using Accela workflows.
    b. Instituted paperless online permit application and electronic plan review for solar, pools, signs, and residential alterations, expediting routing and providing faster turnaround on projects.
    c. Added ability to pay permit fees online with E-check or credit card.

5. Streamlined and improved receipt generation and plan routing process to reduce manual workload on staff.
6. Achieved budget savings and improved customer service by bringing the previously contract position, Senior Building Inspector, in house.
7. Improved reporting and accountability through user task reporting in Accela.
8. Completed solar plan review checklist to streamline solar project approvals.
9. Piloting SolarApp+ as another tool to expedite solar project approvals.
10. Revised Building Division website to be more user friendly and provide additional self-help including block wall/fence standard, combination block wall/retaining wall standard, retaining wall standard, pilasters, comprehensive pool standard documents.

DEPARTMENT GOALS

1. Create division policies and procedures manual for daily operations to ensure consistency in plan review, permitting and inspections.
2. Digitize existing paper plans, transfer digital plans on thumb drives to Accela.
3. Develop after-hours procedure and protocol for emergency/natural disasters.
4. Make all permit types available online for electronic submittal and review.
5. Finish updates of workflows for all remaining permit types, increasing staff productivity.
6. Achieve additional budget savings by bringing remaining contract building inspection staff in house.
7. Provide tablets to building inspectors to allow for electronic inspection resulting and in-field plans access.
8. Improve Accela reporting for instant project status reports.

PERFORMANCE MEASURES

STRATEGIC PLAN TARGETS & GOALS

7 Targets Identified by Council	Goals Established Under Target #1-7
Target #1 – Organizational Development Target #2 – Economic Development Target #3 – Financial Planning Target #4 – Public Safety Target #5 – Infrastructure Target #6 – Inclusion **Target #7 – Innovation & Technology**	**Target 1, Goal 4** Ensure that customer service levels are optimal **Target 7, Goal 1** Create a City Application for use on Smart Phones **Target 7, Goal 3** Implement a Global GIS Component to digitize all City records and plans (tied to Economic Development) **Target 7, Goal 4** Empower staff to innovate for efficiencies; create a culture of innovation **Target 7, Goal 5** Engage with developers to implement technology **Target 7, Goal 7** Invest internally in software/technology improvements to enhance customer service **Target 7, Goal 8** Explore and evaluate alternative modes of transportation technology

Community Enhancement & Safety Division Summary

General Fund: 100; Department 330

The Community Enhancement and Safety (CES) Division provides education to the public regarding land use ordinances and municipal code provisions, provides training opportunities to both staff and residents about emergency preparedness, supports the neighborhood watch program, and works to improve the overall resilience of the City of Eastvale. Our purpose is to collaborate with our commUNITY to create lively, livable spaces and places. We do it with passion (driven to show others how deeply we care), an entrepreneurial heart (always pioneering innovation), and together (valuing every one's story).

DIVISION ACCOMPLISHMENTS

1. Maintained high level of responsiveness despite heavy summer call volume coinciding with loss of two staff, by engaging all hands team approach and heavily utilizing previous improvements in software, our priority system, and our in-field hardware.
2. Promoted parking enforcement officer to CES officer, hired CES officer to replace two CES officers.
3. Hired additional two CES officers, promoted CES officer to Senior, and spread parking enforcement duties over all CES officers to provide increased staffing flexibility, 7-day a week CES coverage, and return to proactive enforcement.
4. Started 529 proactive cases during normal patrols and 103 cases from proactive sweeps.
5. Utilized Rentalscape to provide data and actionable evidence for short-term rental enforcement resulting in abatement of 48 short-term rental properties.
6. So far in current fiscal year processed Notice of Liens for past due citations and abatement costs resulted in recovery of $26,540.
7. On track to recover reimbursement for vehicle abatement operations from the County of Riverside AVA program totaling $17,757.
8. CES staff completed 35.5 hours of webinar training.
9. Received approximately $25,000 in Emergency Management grants to be used in support of CERT training for residents and the City's Emergency Operations Center capabilities.
10. Received in $35,265 in Emergency Management grants towards COVID-19 response.
11. Conducted an earthquake preparedness exercise during The Great California ShakeOut.
12. Restarted Community Emergency Response Team (CERT) trainings with the appropriate precautions. Held two CERT Basic classes.
13. Developed a draft volunteer manual for CERT, Community Enhancement, & other City volunteers.
14. Planned Active Shooter training and worked with the Human Resources Division to enhance the City's safety plans & processes.

DIVISION GOALS

1. Complete proactive City-wide neighborhood Community Enhancement sweep.
2. Identify and implement cost-effective training and development of staff.

3. Implement use of correctable court citations as an additional tool to address specific types of violations where administrative fines are not appropriate or as effective.
4. Complete policy and procedure manual.
5. Engage with NWP by having CES officers attend and be a resource at neighborhood watch meetings in their respective areas.
6. Start a Community Emergency Response Team (CERT) Train & Retain Program
7. Leverage grant funding to enhance preparedness, response, community outreach, and resiliency
8. Work with the Human Resources Division department to establish a regular training schedule for emergency management and safety trainings for City staff

Law Enforcement Department Summary

General Fund: 100; Department 400

The police department is responsible for providing full-service public safety in the form of first responder, investigative services, community-oriented policing, traffic team, gang and narcotic enforcement, crime prevention, forensic services, administrative services and a volunteer program. Our mission is to meet the mandates prescribed by law, provide progressive, innovative and efficient public safety, while working in partnership with the community we serve and allied agencies.

DEPARTMENT ACCOMPLISHMENTS

1. Two Special Enforcement Team Deputies added to address quality of life issues, marijuana grow houses, and to assist patrol operations.
2. Two Motor Deputies added to augment traffic operations and provide seven day a week coverage and later hours.
3. The Sheriff's Department worked cooperatively with city staff, consultants and engineers to begin the development phase of a police sub-station within the city limits.

4. The Eastvale Special Enforcement Team and patrol operations investigated several major assaults, narcotic, and firearm cases that were submitted for criminal prosecutions.
5. Traffic Team awarded Office of Traffic Safety grant for $53,000 that funded DUI/Safety checkpoints, DUI patrol saturation operations, general driver safety traffic operations, distracted driving enforcement operations and pedestrian operations.

DEPARTMENT GOALS

1. Add additional Community Service Officers for patrol operations.
2. Continue to work cooperatively with city staff to plan and implement a police sub-station with the city limits.
3. Continue work towards reducing crime and decrease response times.
4. Work with city staff to rebuild Eastvale specific Volunteer and Explorer programs.
5. Decrease injury and non-injury traffic collisions through proactive traffic enforcement and education.

Animal Control Department Summary

General Fund: 100; Department 430

Animal Control Services are contracted through the Riverside County Department of Animal Services. The County provides field services, licensing, and shelter services for the city. The County has provided these services since 2011. The current contract expires June 30, 2023.

Crossing Guards Department Summary

General Fund: 100; Department 440

The Corona-Norco Unified School District contracts for Crossing Guard services. The City and Corona-Norco Unified School District split the costs 50/50 for crossing guards.

OTHER PURPOSE GENERAL FUNDS DETAIL

Fire Protection Fund

Special Revenue: 110

The Fire Fund is used to account for General Fund revenue levied as property tax by the County of Riverside and expenditures specific to the provision of fire protection services. The funds were restricted through the City's incorporation procedures and revenue neutrality agreement by the County of Riverside for fire protection services and operations in addition to the maintenance of buildings and equipment.

Fire Services Department Summary

General Fund: 110; Department 420

Fire services are provided through Riverside County Fire Department/CAL FIRE. The fire department is responsible for providing full-service fire safety, municipal and wildland fire protection, pre-hospital emergency medical response by paramedics and emergency medical technicians, technical rescue services and response to hazardous materials discharges. Our mission is to provide efficient, effective emergency services to the City of Eastvale as part of an integrated, cooperative, regional fire and rescue system.

The City of Eastvale operates two fire stations. Station 27 located on Hamner Avenue near the Schleisman Avenue intersection which houses a paramedic engine company and a paramedic squad with five employees on-duty each day. Station 31 located on Chandler Avenue near the Archibald intersection which houses a paramedic engine company with three employees on-duty each day. Through cost allocation the City of Eastvale is also provided one Battalion Chief 7 days a week.

The Fire Department's day-to-day work includes:

- Fire and Life Safety Inspections of Commercial Buildings and Pre-Fire Planning of properties.
- Hazard Abatement of Dead Grass/Weeds, Riverside County Ordinance No. 695 (The notice begins with "Notice to Abate" to identify the purpose of the letter and includes the timeframe for complying with the notice, the penalty for noncompliance, and the process to appeal the order).
- Respond to emergency incidents which include but are not limited to, medical emergencies, residential fires, commercial fires, wildland fires, traffic collisions and Hazardous Material spills/releases.
- Fire Station personnel and educators provide school programs that focus on early childhood fire safety education programs, community and health fairs for all audiences and targeted safety messages for Eastvale residents.

DEPARTMENT ACCOMPLISHMENTS

1. Upgraded to one full time Fire Systems Inspector to conduct the annual Life Safety business inspections.
2. We completed CalFire Wildland Fire Protection agreement (WPA).
3. Security cameras installed at Fire Station 27 and 31.
4. Maintained Fire Department Staffing through the challenges of the CORONA VIRUS PANDEMIC.
5. Completed landscape and 911 Memorial at Fire Station 27 for the comm**UNITY**.
6. Fire Department personnel attended and supported numerous community events and provided information and education to the citizens of Eastvale.

DEPARTMENT GOALS

1. Continue working with City Staff and the Contractor to design and build Fire Station 3.
2. Purchase a Truck Company and work with City Staff to appropriately staff the Truck.
3. Conduct Life Safety Inspections for every business in Eastvale.
4. Expand our Volunteer Firefighter and Fire Explorer programs in the City of Eastvale.
5. Continue working with Ontario and Chino Valley Fire Departments to secure an Auto Aid Agreement.

SPECIAL REVENUE FUNDS DETAIL

Fund 200: Gas Tax

Gas Tax Fund is used to account for revenue and expenditures of money apportioned under Street and Highways Code, Sections 2105, 2106, 2107, and 2107.5 of the State of California. These funds are earmarked for maintenance, rehabilitation or improvement of public streets. Section 2107.5 funds can be used for engineering and gas tax audit costs.

Fund 205: Road Maintenance and Rehabilitation Act

A new Road Maintenance and Rehabilitation Account (RMRA — Streets and Highways Code Sec 2030 et sec.) allocates funds from the following taxes enacted by the Road Repair and Accountability Act of 2017: the 12 cent gasoline excise tax, 20 cent diesel fuel excise tax, and transportation improvement fees (vehicle registration taxes). RMRA local streets and roads allocations must be used for projects "that include, but are not limited to," road maintenance and rehabilitation, safety projects, or traffic control devices

Fund 210: Measure A

Measure A revenue represents funds apportioned by the Riverside County Transportation Commission (RCTC) and received by the City as a result of the voter-approved initiative that increased sales tax by ½ percent in Riverside County to fund transportation projects. Measure A funds were originally approved by voters in 1988, and an extension was approved in 2002, which will fund projects through 2039.

Fund 220: Air Quality Management District (AQMD)

The AQMD fund was established to account for the City's share of vehicle registration fees collected under Assembly Bill 2766 passed during the 1990 State Legislative session. This fee was levied to fund programs to reduce air pollution from mobile sources such as cars, trucks and buses. Allocations to agencies are made through an apportionment basis and also through a competitive process. The South Coast Air Quality Management District distributes these funds to the City.

Fund 240: Miscellaneous Grants

The City receives a variety of one-time grant funding. Because these grants are not on-going, the City will record both the revenue and expenditures for those grants in this fund. Unlike the Community Development Block Grant, (CDBG) which is a separate fund, any grant that is a one time occurrence or typically under $300,000 per occurrence would be recorded in this fund.

Fund 241: Grants - Coronavirus Relief

The City received $820,010 in one time funding from the Federal Government through the Coronavirus, Aid, Relief, and Economic Security Act (CARES Act) through the Coronavirus Relief Fund (CRF). The funding had to be spent on COVID-19 pandemic related expenditures or economic support. All funds had to be expensed by December 31, 2020.

Fund 242: Grants - American Rescue Plan Act

The City will receive a total of $7,360,219 in two tranches from the Federal Government for the American Rescue Plan Act (ARPA). The first tranch of funding will be received in fiscal year 2021-22. All funds must be utilzied towards the COVID-19 pandemic, negative economic results, or qualified infrastructure. Funds must be obligated by December 31, 2024 and expensed by December 31, 2026.

Fund 250: Community Development Block Grants

This fund accounts for the City's Community Development Block Grant revenues and expenditures. The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. Funding is provided by the U.S. Department of Housing and Urban Development.

Fund 260: Local Law Enforcement Services

As a part of the 2011 realignment of various public safety programs from the state to local government, the Legislature approved the Local Law Enforcement Services Act (AB118) and shifted all remaining motor vehicle license fee (VLF) revenue that was previously cities to pay for various local law enforcement grant programs including the COPS/SLESA programs (SB89). Funding is provided for front-line law enforcement.

Fund 293: Road and Bridge Benefit District

The Road and Bridge Benefit District ("District") DIF is inherited from the County of Riverside associated with incorporation of the City. The City accepted responsibility for the portion of the District within the City's footprint. The District was created to ensure that new development within the District's boundaries pays its proportionate share of the necessary capital investments required to provide they road and bridge improvements within the District adequate for the growing service population, consistent with the standards and needs defined by the City's capital improvement programs, long-range planning, and strategic planning. Areas of benefit include Archibald, Limonite, and Hamner Avenues, and Schleisman Road. The District fees are assessed on new development projects.

Fund 311: Benefit Assessment District 2014-2

The City has one Benefit Assessment District, 2014.2. A Benefit Assessment District is a special assessment district formed to provide benefitting property owners the opportunity to pay for enhanced public systems such as drainage, flood control, and street lighting. Benefit Assessment Districts are formed under the Benefit Assessment Act of 1982 to finance the maintenance and operation of public systems such as drainage, flood control, and street lighting. BAD 2014-2 provides funding for the administration, maintenance, operation and servicing of various improvements located within the boundaries of the district. The district includes the maintenance of one traffic signal to be operated and maintained at the following location: Limonite Avenue & Scholar Way. The district includes the maintenance and management of the fossil filters at the following locations: seven along Scholar Way between Limonite Avenue and Primrose Road; one on 58th Street west of Scholar Way.

Fund 315: Community Facility District 2019-1 (Cloverdale)

A Community Facility District is a special assessment district formed to provide benefitting property owners the opportunity to pay for enhanced public facilities and/or services such as public safety. Community Facility Districts are formed under the Mello-Roos Community Facilities Act of 1982 to finance public improvements and services such as the construction, or acquisition of designated capital facilities and/or to finance public services. The services and improvements that Mello-Roos CFDs can finance include streets, sewer systems and other basic infrastructure, police protection, fire protection, ambulance services, schools, parks, libraries, museums and other cultural facilities. The CFD's formed by the City are all non-bonded, maintenance service districts. This fund provides services for facilities related to the Cloverdale development project located generally at the southeast corner of Limonite Avenue and Scholar Way. No bonds were issued for the CFD and the special tax is projected to be levied in perpetuity.

DEBT SERVICE FUND DETAIL

Debt Service Fund 500

Debt Service Funds are used to track revenues and expenditures related to repayment of principal and interest costs associated with borrowing money for long-term obligations. In FY 19/20, the City of Eastvale began making debt service payments on towards the WRCOG facilitated Street Light acquisition from Southern California Edison, which is being financed through Banc of America. The debt service fund is funded by the General Fund.

CAPITAL IMPROVEMENT PLAN

Capital Improvement Plan: Summary

Maintaining high-quality infrastructure is essential to the economic vitality and quality of life in Eastvale. Infrastructure includes but is not limited to streets, sidewalks, curbs, gutters, bikeways, trails, signs and signals. Generally, infrastructure needs not paid for by development is conducted by the city in a Capital Improvement Plan (CIP). The City of Eastvale's Five-Year Capital Improvement Program is a planning tool that summarizes anticipated resources and their estimated uses for major infrastructure and other capital planning, design, construction, and maintenance projects from fiscal years 2022-2023 through 2026-2027. The Eastvale City Council and community give policy direction on CIP projects based on need and staff implements the program. Long-term operating and maintenance and replacement costs and ongoing debt service are a part of Eastvale's long-term financial plan. It is important to note that the bulk of the infrastructure was built in a short time frame and will age and require maintenance all at once. Assessing the condition of our infrastructure assets and assigning a cost will be a priority in the next five year and will impact financial planning and capital budgeting. The Eastvale CIP is designed to fulfill the following goals:

- Ensure that investment choices are financially sustainable, both in terms of the initial capital outlay and long-term operating and maintenance.
- Implement policies and technology to ensure that Capital projects are carefully managed and come in on time, on budget, and within specifications.
- Provide a description of the planned transportation, roadway/street, and maintenance capital improvements developed through an examination of the City's capital needs.
- Prescribe a funding strategy for capital projects and capital acquisitions that will be of a long-term benefit to the Eastvale Community.
- Enhance accessibility and safety throughout Eastvale by targeting various transportation, storm drainage and general facilities improvements.

The CIP does not appropriate funds in future years, but rather, it functions as a budgeting and planning tool which supports actual appropriations that are made through adoption of the budget. The budget identified within the plan for the fiscal year 2022-23 has been included in the city-wide budget. Continuing appropriations will be analyzed and recalculated after the close of the 2021-22 fiscal year. Regular analysis of how capital investments affect the operating budget is a key policy in maintaining financial health. As a result, a new schedule titled Summary of Operating Budget Impact is included in the CIP summary section. The CIP is updated annually to reflect the latest community and transportation priorities, updated project cost estimates and available revenue sources.

The CIP projects were selected on the following factors:

- City Council and community direction
- The City's 2021 Strategic Plan Priorities and Targets
- Implementation of the Eastvale General Plan Guidelines
- Implementation of facilities' planning and priorities
- Ability to improve transportation deficiencies and congestion
- Maintenance needs and safety of roadways
- Drainage facilities enhancement needs
- General facilities and space needs
- Availability of funding

The five-year CIP identifies the highest priority capital needs that can be addressed within the available and forecasted revenue. These capital needs are matched with the previous year's continuing appropriation funds and five-year revenue

projections identified by the Finance department. Additionally, capital needs are delineated to eligible funding sources and programs available to the City's capital improvements.

Accomplishments for Fiscal Year 2021-22

Last fiscal year, the City of Eastvale has taken several steps to provide its residents with traffic enhancements, roadway improvements, increased accessibility, public safety and future planning for drainage improvements. Accomplishments include:

- Created Capital Improvement Project matrix
- Updated Citywide Pavement Management Plan
- Applied 1.5 million square feet of slurry seal to city streets
- Performed 1.3 million square feet of asphalt overlay
- Completed design of Limonite Gap Closures design project
- Completed 30% design of Active Transportation Project (ATP) – Trail Connectivity along Harrison Avenue and Scholar Way
- Completed design and implementation of Limonite Avenue Synchronization
- Awarded with $1.4 million of ATP grant for Safe Routes to School project
- Completed design of Traffic Signal Dilemma Zone Detection project
- Installed Retroreflective Backplates on Traffic Signal Indicators
- Completed construction of Schleisman Road extension within Hamner Place

Capital Project Priorities for Fiscal Year 2022-23

For fiscal year 2022-23, the city will begin development of some new projects and deliver construction of several projects to further enhance Eastvale's infrastructure. These projects are listed in the CIP program. Highlights of the projects for the 2022-23 fiscal year and their relationship to the city's strategic plan are listed below:

- Smart City Masterplan (Broadband and City-wide WiFi): Total Project $7.2 million
  - Target 7, Goal 2 & 6
- Citywide Branding: Entryway and Median Improvements: Total Project $1.2 million
  - Target 2, Goal 4
- Traffic Signal Synchronization: Total Project $700,000
  - Target 5, Goal 4 & 6; Target 7, Goal 6
- Civic Center Planning: $3.1 million
  - Target 3, Goal 10; Target 5, Goal 1

Funding Sources and Revenues

the City of Eastvale's Capital Programs and Projects contained in this CIP are financed through a variety of funding and revenue sources. These funding sources include:

- Gas Tax
- SB132 Road Maintenance and Rehab Account (RMRA)
- Measure A (RCTC ½ cent sales tax measure)
- Community Development Block Grant (CDBG)
- Federal/State Grants
- Developer Contribution
- Fire Structural Fund

Capital Improvement Plan: Summary

- County Flood Control (Zone 2)
- Development Impact Fees
- American Rescue Plan Act

Gas Tax - The City receives revenue generated from a tax imposed on the sale of gas. The State Board of Equalization administers this tax, and the State Controller distributes funding to cities and counties. Gas Tax funds are the most flexible transportation related funding source. Gas Tax funds are used for various transportation purposes including street related projects, construction or maintenance. Eastvale receives a formula allocation of funds based upon population and lane-miles.

SB132 Road Maintenance and Rehab Account (RMRA) - The Road Repair and Accountability Act of 2017 (SB1 Beall) is a significant new investment in California's transportation systems of about $5.2 billion per year. The Act increases per gallon fuel excise taxes, diesel fuel sales taxes and vehicle registration tax, stabilizes the problematic price-based fuel tax rates and provides for inflationary adjustments to rates in future years. The Act will more than double local streets and road funds allocated through the Highway Users Tax Account, allocating funds from new taxes through a new "Road Maintenance and Rehabilitation Account (RMRA).

The RMRA receives funds from the following new taxes imposed under the Road Repair and Accountability Act of 2017:

- A 12 cent per gallon increase to the gasoline excise tax effective November 1, 2017.
- A 20 cent per gallon increase to the diesel fuel excise tax effective November 1, 2017, half of which will be allocated to Trade Corridors Enhancement Account (TCEA) with the remaining half to the RMRA.
- A new vehicle registration tax called the "transportation improvement fee," effective January 1, 2018, based on the market value of the vehicle.
- An additional new $100 vehicle registration tax on zero emission vehicles model year 2020 and later effective July 1, 2020.
- Annual rate increases to these taxes beginning July 1, 2020 (July 1, 2021 for the ZEV fee), and every July 1 thereafter for the change in the California Consumer Price Index. The first adjustment to be made on July 1, 2020 will cover CPI change for two years: November 1, 2017 through November 12, 2019.

Measure A - In 1988, Riverside County voters approved Measure A, a half-cent sales tax increase to pay for transportation related infrastructure improvements. In 2002, voters approved an extension of Measure A until 2039. As such, the Measure A program sets forth a long-term plan for transportation improvements that would help ensure mobility in Riverside County.

Community Development Block Grant (CDBG) - As part of the County of Riverside's Community Development Block Grant (CDBG) program, the City of Eastvale applied for use of funds. Projects are reviewed by the County's Economic Development Agency (EDA) to determine eligibility under federal and county regulations governing use of CDBG funds. The revenue is received from the Department of Housing and Urban Development. These revenues must be expended to accomplish the elimination of blight or to benefit low- and moderate-income persons.

Federal and State Funds - Revenues for State and Federal Grants are generated through various grants received from Federal and State governments, or other government agencies. Each dollar spent from these grants must be accounted for and these funds may be audited to ensure that monies were spent for their intended purpose. Examples of grants for transportation projects include the Highway Safety Improvement Program (HSIP), Safe Routes to School, Congestion

Capital Improvement Plan: Summary

Mitigation Air Quality (CMAQ) and Surface Transportation Program (STP). These various grants fund a variety of transportation improvements including traffic signal modifications, signal lighting retrofits, pavement resurfacing and new curb, gutter, and sidewalk improvements throughout the City.

County Flood Control (Zone 2) - The Riverside County Flood Control and Water Conservation District ("District") is divided into several geographical zones, where property taxes are collected separately, and area drainage plan fees are charged on development projects. Monies raised in one zone must be spent in only that zone. Located within the District's Zone 2, the City of Eastvale is entitled to this funding source to design and construct drainage facilities to provide long-term benefit to Eastvale community.

Development Impact Fees - The development impact fees established by the City are imposed upon development projects for the purpose of mitigating the impact that development projects have upon the city's ability to provide specified public facilities & services. The fees provide for the design and construction of transportation facilities, general facilities and fire station facilities.

Capital Program Revenue Estimates Fiscal Year 2022-23 through 2026-27 - Over the next five fiscal years of this CIP, Eastvale is projected to accumulate $88.4 million in revenue for its capital needs and improvements. Gas Tax, SB1 Road Maintenance and Rehabilitation Act, and Measure A allocations make up the largest portion of reoccurring revenue budget totaling $35.7 million (40%) forecasted from fiscal year 2022-2023 through 2025-2026.

For the fiscal year 2022-23 including continuing appropriations, capital improvement revenues total approximately $26.0 million. The expenditures are described in detailed in the next section of this CIP.

Capital Program Expenditure Projections Fiscal Year 2022-23 through 2026-27

Over the next five-years of this CIP, Eastvale will utilize the approximately $88.4 million of revenues to provide City Street Improvements, Maintenance, Roadway and Traffic Safety Improvements, and purchase of a future Civic Center site. These program expenditures are identified in the chart below. For the fiscal year 2022-23, the City will commit $52.7 million to fund infrastructure projects including citywide street improvements, roadway/traffic safety improvements, citywide maintenance of streets, and construction of a new electric vehicle charging stations. Of the $52.7 million, $42.7 million is new budget for fiscal year 2022-23, $10.0 million consists of continuing appropriations carried forward from the fiscal year 2021-22 budget.

Project Name: **Citywide Americans with Disabilities Act Transition Plan**
Program: **Accessibility Improvements Program**
Project Number: **91007**
Account Number: **200-510-6690-91007 Gas Tax**
250-510-6690-91007 CDBG
Program Year Initiated: FY 2016-2017
Construction Year: Ongoing

Project Description: Program includes preparation and implementation of an ADA Self Evaluation Plan as required under the Americans with Disabilities Act (ADA) for roadways and public facilities. The scope of work includes identifying ADA barriers, developing the Transition Plan and make modifications as identified in the plan. Annual program to provide improvements focusing on Americans with Disabilities Act (ADA) accessibility, including curb ramps, sidewalks and public facilities throughout the City. This is an ongoing project and will be reappropriated each year as needed.

Total Project Estimate: 460,000
Expenditures to Date: -
Continuing Appropriations 30,000
FY 2022-23 Budget: 204,000

Project Name: **Traffic Sign Inventory and Replacement**
Program: **Roadway Safety/Traffic Improvements**
Project Number: **92001**
Account Number: **210-510-6695-92001 Measure A**
Program Year Initiated: FY 2013-2014
Construction Year: Ongoing
Status:
Project Description: This project includes conducting a sign inventory of approximately 8,000 signs. Deliverables include GIS data documenting the conditions of the sign and recommendation of replacement program for council consideration.The inventory of the signs were completed in November 2021, and next deliverable is to check the reflectivity of the signs. It is estimated about 20% of the City's signs do not meet MUTCD requirement and would need to be replaced. In addition, typical life cycle of traffic signs are 10 years. Therefore the increased budget reflects cost to replace all signs within 10 years. This is an ongoing project and will be reappropriated each year as needed.

Project Description: Eastvale has approximately 65 traffic signals throughout the City, 54 solely maintained by the City and 11 shared by other jurisdictions. Battery cells are part of ongoing maintenance. New battery cells are about $2,000 per intersection and a complete new system is approximately $7,000. A backup system for signals greatly improve traffic safety during power outages. This is an ongoing project and will be reappropriated each year as needed.

210-510-6690-92012 Measure A
Program Year Initiated: FY 2019-2020
Construction Year: FY 2022-2023

Project Description: Design and construction of nearly 5 miles of trails running along Scholar Way and Harrison Avenue, utilizing excess right-of-way rather than impacting vehicle circulation/travel lanes. The project will provide dedicated space for people to bike and walk from northern City limit to the Santa Ana River trail connecting to schools, parks, retail and neighborhoods. The City has contracted with Mark Thomas to assist with community outreach and prepare the bid documents. The contractor for construction will be selected by a bidding procedure. Measure A will be used for the required local match.
The original scope of work included installing Class IV, however conducting communtiy outreach demonstrated that Class I multiuse trail without reducing the existing number of travel lanes is more favorable due to added safety to people who walk and bike. City is discussing with Caltrans to possibly phasing the project into two, since the grant amount will not cover the added cost to change the improvement from Class IV to Class I facility.

Program Year Initiated: FY 2021-2022
Construction Year: FY 2021-2022

Project Description: The City received a HSIP grant from Caltrans to install retroreflective borders along the backplates of traffic signal indicators at 29 signalized intersections. This will improve the visibility of the illuminated face of the signal and are more conspicuous both during the day and at night. Adding a retroreflective border to existing signal backplates is a very low-cost safety treatment that is easy to implement.
100% of project cost is funded by grant, no matching required. The project is anticipated to be completed in FY22/23.

Total Project Estimate:	421,600
Expenditures to Date:	30,000

Program Year Initiated: FY 2012-2013
Construction Year: FY 2018-2019

Project Description: The funds were previously identified for landscaping contribution at Limonite interchange. The Limonite interchange construction has been completed. The remaining funds can be used to synchronize the traffic signals along Limonite Avenue. The work will be coordinated with Caltrans to synchronize the traffic signals installed at the interchange to align with the remaining signals along Limonite Avenue. The project is anticipated to be completed in FY22/23.

Project Description: Construct Limonite Avenue Bridge over Cucamonga Creek Channel to close the gap of Limonite Avenue between Hellman Ave and Archibald Avenue. In addition, a construction ready design will be prepared for pedestrian bridge located approximately 600 feet south of the Limonite bridge. The design work is done by Mark Thomas and contractor for construction will be selected by a bidding procedure. The construction is estimated to start in early 2023 and be completed by early 2024. Construction of the pedestrian bridge will proceed when funding is available.

Construction Year: FY 2021-2022

Project Description: Underground distribution line along Hamner Place frontage utilizing SCE Rule 20A program. Gas Tax will be used supplement the additional funding needed to complete the project. Design is anticipated to be completed in FY21/22.

Funding Description: The City has $470,000 in Rule 20a credits with Southern California Edison. As a result, no financial transaction between the City and SCE will occur and no budgetary appropriations are required. The remaining $135,000 in expenditures will come from Gas Tax revenues.

Total Project Estimate:	605,000
Expenditures to Date:	2,000
Continuing Appropriations	603,000
FY 2022-23 Budget:	-

200-510-6660-93034 Gas Tax

Program Year Initiated: FY 2021-2022
Construction Year: FY 2021-2022

Project Description: Widening of Hellman Avenue to eliminate bottleneck and provide better traffic flow. Pursue grant opportunities.
Feasibility study, preparation of right-of-way dedication document, cost estimates for widening at Hellman Avenue between Walters Street and Chandler Street. This will be a 3 phase project: 1) widening of Hellman Avenue north of the bridge 2) widening of Helman Avenue south of the bridge and 3) widening of the bridge. Request future developments within City of Eastvale and City of Chino in the area to contribute for future bridge widening.

Project Description: The Eastvale 2040 General Plan is an implementation tool and represents the future needs of the City. As Eastvale matures, it is time to update the General Plan to incorporate these changes, refocus on the future, and create a plan that encompasses all the City's goals and objectives. Michael Baker and Placeworks are preparing the General Plan and Environmental Impact Report.

PROGRAM SUMMARY

This program aims to provide safe, clean, well-maintained and functional facilities in order to allow City departments to effectively provide services to the community. This program details construction and capital improvements of City-owned buildings and facilities and offsite improvements to include sidewalk, curb and gutter and pavement.

SLESF – Supplemental Law Enforcement Services Fund
SFLRF – State and Local Fiscal Recovery Funds
SVCS – Services
TDA – Transportation Development Act
TOT – Transient Occupancy Tax
TPA – Third-party Administrator
TUT – Transaction & Use Tax
TUMF – Transportation Uniform Mitigation Fee
VLF – Vehicle License Fees
WIFI – Wireless Fidelity
WRCOG – Western Region Council of Governments

GLOSSARY OF TERMS

Accounting Standards: Generally accepted accounting principles (GAAP) and the Governmental Accounting Standards Board (GASB) guide local and state agencies' recording and reporting of financial information. The standards establish such guidelines as when transactions are recognized and the content of the annual financial reports. Accrual Basis

Accounting: A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

Allocations: These are charged to all operating funds based on their fair share of the internal service provided, which is based on experience and/or a proportionate share (based on factors such as payroll, vehicle repair trend, etc.).

American Rescue Plan Act of 2021: A $1.9 trillion economic stimulus bill passed by the US Congress and signed into law on March 11, 2021. The bill's intent is to assist recovery from the COVID-19 pandemic. *Also see State and Local Fiscal Recovery Fund.*

Amortization: Accounting technique used to periodically lower the book value of a loan or intangible asset over a set period of time.

Annualize: Taking charges that occur infrequently and calculating their cost for a full year; for the purpose of preparing an annual budget.

Appropriation: Legal authorization by the City Council to make expenditures and to incur obligations for specific purposes.

Assessed Valuation: A value established for real property for use as a basis in levying property taxes. In the State of California, assessed value is established by the County for the secured and unsecured property tax rolls and is governed under Article XIII of the State Constitution (Proposition 13 adopted by the voters on June 6, 1978). Proposition 13 modified the value of real taxable property for 1979 by rolling back values to 1976 levels. From this base of assessment, subsequent annual increases in valuation are limited to a maximum of 2%. However, increases to full value are allowed for property improvements or upon change in ownership. Personal property is excluded from these limitations and is subject to annual reappraisal. Property taxes for general purposes cannot exceed 1% of assessed value.

Audit: A financial audit is a review of the accounting and financial records to determine how government funds were spent and whether expenditures were in compliance with the legislative body's appropriation.

Asset: Resources owned or held by a government, which have monetary value.

Available Resources: This refers to the funds remaining from the prior year, which are available for appropriation and expenditure in the current year.

Balanced Budget: A budget is balanced when revenues are greater than expenditures in a given year.

Bonds: A Municipal Bond is a written promise from a government to repay a sum of money on a specific date at a specified interest rate. Bonds are most frequently used to finance large capital projects, such as buildings, streets, and bridges.

Budget: A plan for financial operation listing an estimate of proposed appropriations and the estimated revenues for a particular time period. Once the budget has been approved by the City Council it then is considered the "adopted" budget.

Appendix B: Glossary of Terms

Budget Adjustment: A procedure to revise a budget appropriation.

Budget Amendments: The City Council has the sole responsibility for adopting the City's budget and may amend the budget at any time after adoption by majority vote. The City Manager is authorized to transfer budgeted amounts between funds, departments, and objects. Actual expenditures may not exceed budgeted appropriations at the fund level.

Budget Balance: The overall difference between government proposed revenues and spending plan.

Budget Document: The instrument used to present a comprehensive financial plan of operations to the City Council and the public.

Budget Message: The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget and changes from the previous fiscal year.

Budget and Fiscal Policies: General and specific guidelines adopted by the City Council that governs the budget preparation and administration.

Budgetary Basis: This refers to the basis of accounting used to estimate financing sources and uses in the budget. For government it typically means modified accrual.

Building Permit: Fee required for new construction or any alterations or addition to a residence or commercial building. The fees are provided in the Master Fee Schedule.

Business Registration: A fee collected from those conducting business within the City.

Cafeteria Plan: Qualified benefit package as defined by Section 125 of the Internal Revenue Code.

Capital Improvements Projects / Program (CIP): Construction projects costing $5,000 or more are considered to be a Capital Improvement Project. A construction project is a physical improvement or construction on City asset with a life expectancy of three or more years. These capital projects can span fiscal years and have multiple funding sources. Minor capital projects of less than $5,000 are included within the operating budgets.

Capital Outlay: Expenditures for furniture, equipment, or software with a useful life greater than one year. Capital

Capital Project Funds: This fund type is used to account for financial resources used in acquiring or building major capital facilities other than those financed by Proprietary Funds.

Cash Basis Accounting: A basis of accounting in which transactions are recognized only when cash is increased or decreased.

Charges for Services: This revenue source consists of fees for providing a specific benefit service to specific members of the public, e.g. recreation, plan check and review services.

City Goals: Provides policy guidance and direction for the highest priority objectives to be accomplished during the budget period.

Contingency (estimated): Funds intended for emergencies and economic uncertainties within operating funds.

Contingency (Emergency Reserve): Funds set aside per City Council policy within the fund balance for emergencies and economic uncertainties.

Debt Financing: Borrowing funds for capital improvements needed today and pledging future revenues to repay principal and interest expenditures. The City of Eastvale uses debt financing only for onetime capital improvements whose life will exceed the term of

financing and where expected revenues are sufficient to cover the long-term debt.

Debt Service: The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a predetermined payment schedule.

Deficit (budgetary): Higher appropriations (spending plan) than estimated revenues for the budget year.

Deficit (fiscal): Higher liabilities than assets during the single accounting period.

Depreciation: Method for decreasing the asset value of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

Disbursement: Payment for goods and services.

Division: An organizational component of an agency or department.

Employee Services: Salaries and fringe benefits earned by employees of the City for work performed.

Encumbrance: The commitment of appropriated funds in the form of a purchase order to purchase goods which have not yet been received, or services that have yet to be rendered.

Enterprise Funds: Funds established to account for the total costs of those governmental facilities and services that operate in a manner similar to private enterprise and utilize accrual accounting. These programs are entirely, or predominately, self-supporting, and render services on a user charge basis to the general public. The City does not currently have enterprise activities.

Expenditure: The disbursement of resources, typically money, on an expense of the City.

Fee: A charge for services not to exceed the estimated cost of providing the service for which the fee is charged. Public agency fees may not exceed the estimated reasonable cost of providing the particular service or facility for which the fee is charged including overhead.

Fiduciary Funds: This type of fund is used to report on assets held in trust for others or other agencies.

Fines, Forfeitures and Penalties: Revenues received resulting from violations of various City and State laws, and from damage to City property.

Fiscal Policy: A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and their funding.

Fiscal Year: A 12-month period of time to which an annual operating budget applies. The City of Eastvale has a fiscal year of July 1 to June 30.

Fixed Assets: Assets of long-term nature such as land, buildings, machinery, furniture, and other equipment. The City has defined such assets as those with an expected life in excess of one year and an acquisition cost in excess of $5,000.

Franchise Fee: A fee charged to businesses for the privilege of using public right-of-way and property within the City for public or private purposes. The City assesses fees for cable television, electricity, refuse disposal, and natural gas.

Fringe Benefit: Compensation an employer contributes to its employees such as retirement, life, or health insurance.

Full Time Equivalent: A full time equivalent is calculated by dividing an employee's annual scheduled work hours by the employer's total annual work hours.

Function: A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible. Examples in the

City's budget are: Legislative, Administration, Public Safety, Planning, Public Works, Library, and Community Services.

Fund: A self-balancing set of accounts. Governmental accounting information is organized into funds, each with separate revenues, expenditures and fund balances. The major types of funds are: General, Special Revenue, Capital, Debt, Internal Service, Enterprise, and Agency.

Fund Balance (Net Position): The difference between a fund's asset and liabilities. Portions of the fund balance may be non-spendable, restricted, committed, assigned or unassigned for various purposes, such as contingencies, encumbrances or specific projects.

Gann: Paul Gann, a political activist, was the co-author of Proposition 13 and 4.

General Fund: The primary operating fund of the City.

General Tax: A tax imposed for general governmental purposes, the proceeds of which are deposited into the general fund. An agency must comply with certain procedural requirements to impose, increase or extend a general tax, including securing approval of the tax by majority vote of the electorate.

Governmental Funds: This fund type is used to account for activities primarily supported by taxes, grants, and similar revenue sources. Examples include capital projects funds, debt service funds, general funds, and special revenue funds.

Grants: A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital, depending upon the grantee

Highway Users Tax (HUT) – State accounting for excise taxes on various transportation fuels. California motor vehicle fuel taxes include the gasoline tax, diesel fuel tax, and the use fuel tax. Allocations to cities and counties are based on the formulas outlined in the Streets and Highways Code. See Gas Tax Fund.

Infrastructure: The physical assets of a government (e.g., streets, curbs, public buildings, and traffic signals).

Intergovernmental Revenue: Funds received from federal, state and other local government sources in the form of shared revenues, and payments in lieu of taxes.

Internal Service Charges: The charges to user departments to account for goods and services provided by one department to other departments of the City on a cost reimbursement basis. The City does not currently utilize internal service funds.

Investment Revenue: Interest income from the investment of funds not immediately required to meet cash disbursement obligations.

Licenses & Permits: Licenses, such as business registration grant permission to operate a business in the City. Permits of various types regulate business or residential activities per the municipal code, such as a building permit.

Line-Item Budget: A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately, along with the dollar amount budgeted for each specified category. Line item budgets are produced and used internally for budgetary control purposes only.

Long-term Debt: Debt with a maturity of more than one year after the date of issuance.

Materials and Supplies: Expendable materials and operating supplies necessary to conduct departmental operations.

Miscellaneous Revenue: This revenue source consists of one time and/or, low dollar value revenue.

Modified Accrual Accounting: A basis of accounting in which revenues are recognized in the accounting period

when they become available and measurable. Expenditures are recognized in the accounting period in which the fund liability is incurred.

Net: The amount left over after deductions and allowances have been made.

Notes and Loans Issued: This category refers to revenue that was received through issuance of debt for a specific purpose.

Objective: Something to be accomplished in specific, well-defined and measurable terms and that is achievable within a specific time frame.

Operating Budget: The portion of the budget that pertains to daily operations of the City which provides basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, materials and capital assets required to maintain service levels.

Operating Revenue: Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

Operating Expenses: The cost for personnel, materials, supplies, and equipment required for a department to function.

Ordinance: A formal legislative enactment by the City Council. An ordinance has the full force and effect of law within the City boundaries, unless it is in conflict with any higher form of law, such as a State statute or constitutional provision. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

Pay-as-you-go Basis: A term used to describe a financial policy by which capital outlays are financed from current revenues rather than through borrowing.

Performance Measures: Indicators used in the budget to show items such as 1) the amount of work accomplished, 2) the efficiency with which tasks were completed, and 3) the effectiveness of a program. Such indicators can help the public understand what public agency spending accomplishes.

Personnel Services: Expenditures for salaries, wages, and fringe benefits that the City pays for its employees.

Policy Issues/Program requests: Generally defined as any project (other than capital projects), program, proposed staffing change, new vehicles or equipment, capital outlay or other change that changes the budget and most likely requires action by City Council. This may also include items with no additional cost such as the revision of a major ordinance or a proposed study using existing staffing which would subsequently require Council action.

Principal: The original amount of a bond or debt (sometimes also referred to as “face” or “par value”), not including accrued interest.

Program: Group activities, operations, or organizational units directed to attaining specific purposes or objectives.

Project: An accounting, reporting, or budgeting level related to a specific activity, program, or grant.

Proprietary Funds: This fund type is used to account for business-type activies. Examples include enterprise funds and internal service funds.

Purchase Order: Document that authorizes a transaction to purchase goods or services. A purchase order encumbers funds, which makes that budget unavailable for other transactions.

Appendix B: Glossary of Terms

Reserve: Per GASB 54, the term technically means funds externally restricted with externally enforceable limitations on their use. The term is often used to describe what has been set aside in the fund balance for a specific purpose through policy or council action.

Resolution: A special order of the City Council, which requires less legal formality than an ordinance in terms of public notice and the number of public readings prior to approval. A resolution has lower legal standing than an ordinance. The Budget is approved by resolution and requires a majority vote of the Council Members present.

Resources: Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

Revenue: Sources of income financing the operations of government.

Risk Management: An organized approach to protect a government's assets against accidental loss in the most economical manner.

Salaries and Benefits: Salaries includes the compensation paid to full-time, part time, temporary, and extra-help employees, including overtime, vacation pay, sick leave pay and any type of premium pay. Benefits include the agency's share of the costs for health, dental, life insurance, retirement, and Workers' Compensation.

Salary Savings: Personnel cost savings resulting from position vacancies or a difference between budgeted figures and incumbent earnings.

Self-Insurance: Assuming risk of loss through the maintenance of reserves or some other plan instead of through the purchase of insurance coverage.

Special Assessments: A levy made against properties to offset the cost of a specific capital improvement that benefits primarily those properties.

Special Revenue Funds: This fund type is used to account for the proceeds from specific revenue sources (other than trusts or major capital projects) that are legally restricted to expenditures for specific purposes (see Fund).

State and Local Fiscal Recovery Fund: A part of the $1.9 trillion economic stimulus bill, American Rescue Plan Act, the SLFRF provided $350 billion direct to state, local, and tribal governments in direct response to the COVID-19 public health emergency. *Also see American Rescue Plan Act of 2021.*

Subvention: Revenues collected by the State (or other level of government) which are allocated to the City on a formula basis. The major subventions received by the City from the State of California include motor vehicle in lieu and gasoline taxes.

Taxes: A means by which governments finance their expenditures imposed on property, sales and merchandise, e.g. Property Tax, Sales Tax, Income Tax.

Transfers In/Out: Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

Transient Occupancy Tax (TOT): TOT is charged in most states, including California, to travelers when renting accommodations (a room, rooms, entire home or other living space) in a hotel, inn, tourist home or house, motel or other lodging unless the stay is for a period of 30 days or more.

Trust and Agency Funds: Also known as Fiduciary Fund Types, these funds are used to account for assets held by the City in a trustee capacity. The fiduciary funds used by the City include expendable trust and agency funds. Expendable trust funds are accounted for in the same manner as Governmental Funds. Agency funds are custodial in nature (assets equal liabilities) and do not measure the results of operations.

Appendix B: Glossary of Terms

Unencumbered Balance: The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

Unreserved Fund Balance: The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

Use of Property and Money: This categorized revenue source includes interest earnings from investment of funds, sales of obsolete property, vehicles and equipment that are no longer cost effective to repair.

Use Tax: A tax imposed on the use or storage of tangible personal property when sales tax is not paid.

User Charges: The payments of a fee for direct receipt of a public service by the party who benefits from the service.

Vehicle License Fee (VLF): Annual registration fee imposed on vehicles.

Create incentive for businesses and developers to create display art within or outside their business	Economic Development	2021-2022

Target #5: INFRASTRUCTURE

Goal #6: Improve traffic mobility and management throughout the city's major corridors around the schools		
Actions:	**Responsible:**	**Time Frame:**
Scholar & Harrison ATP	Engineering	2021-2023
Schleisman Safe Route to School improvements	Engineering	2021-2023
Signal Synchronization Program	Engineering	2021-2022
Create walkable spaces in private development	Planning	Immediate
Create a walkable community	Planning	Immediate
Eastvale 2040 Circulation Element	Planning	Fall 2021
Implement Limonite Gap Closure Extension over Cucamonga Creek (West of Archibald)	Engineering	2023-2024
Implement Hamner Avenue Bridge Widening over Santa Ana River	Engineering	2021-2023

Action Plan and Schedule for Priority "Level 2" Goals

Target #3: **FINANCIAL PLANNING**

Goal #7: Develop long-term financial model		
Actions:	**Responsible:**	**Time Frame:**
Issue Long Range Financial Services RFP, select firm and award contract	Finance	Spring 2021
Firm completes comprehensive long-range financial plan forecast in conjunction with staff and delivers long-range financial plan model document	Finance	Summer 2021
Conduct general fund operations financial planning workshop or presentation to City Council	Finance	Winter 2021/22
Update financial plan model with each major budget review: • Mid-Year review each winter • Budget preparation each spring • Include internal and external changes such as: • Public safety rate changes • Economic impacts (ex. COVID-19 pandemic, recession, etc.)	Finance	Ongoing starting Mid-Year 2021/22
Include long-term section in quarterly interim reports	Finance	Ongoing starting Spring 2022
Evaluate investment opportunities: • Other post employment benefit section 115 trust • Pension Prefunding Section 115 trust	Finance	2023
Ensure that maintenance of development is sustainable through Conditions of Approval	Community Development	2021
Pay off unfunded liability of pension	Finance	Summer 2022
Resolve CalPERs audit from 2012-2018 for contract services	Human Resources	2021-2022

Action Plan and Schedule for Priority "Level 3" Goals

Target #3: **FINANCIAL PLANNING**

Goal #8: Ensure that City revenues align with expenditures		
Actions:	**Responsible:**	**Time Frame:**
Ensure that the City adopts a balanced budget before July 1 each year • Quarterly interim financial reports to Council • Monthly budget performance reports to managers and department heads	Finance	Ongoing
Transfer department revenues into each department within the general ledger. Allows managers to monitor department level revenues such as fees.	Finance	2021-22 Budget
Continue to consolidate general ledger for ease of use	Finance	Ongoing
Cost Allocation Plan and User Fee Study:		
Issue Comprehensive Cost Allocation Plan and User Fee Study RFP, select firm and award contract	Finance	Spring 2021
Firm completes comprehensive cost allocation plan in conjunction with staff: • Identify cost of providing program services • Identify appropriate special revenue administration costs, reimbursed back to general fund • Identify internal service fund opportunities: • Fleet • ITS • Building Maintenance • Risk Management • Present to Council	Finance	Winter 2021/22
Implement Cost Allocation Plan	Finance	2022-2023 Budget
Firm completes comprehensive user fee study using the information gathered from the cost allocation plan in conjunction with staff: • Identify appropriate cost recovery level for city • Identify and recommend proper fee structure • Identify appropriate annual inflator • Draft fee schedules and provide draft fee study • Present to Council for adoption	Finance	Winter 2021/Spring 2022
Implement User Fee Schedules 60 days after Council Adoption	Finance	Winter 2021/Spring 2022

Appendix D: Strategic Plan Action Plans

Evaluate and update existing and/or create new policies in line with GFOA recommendations • Fund balance • Structurally balanced budget	Finance	2023
Ensure that infrastructure keeps pace with development through site plan review	Community Development	On-going
Pavement Management	Engineering	Annual
Market Eastvale to attract businesses that generate sales tax at ICSC	Economic Development	2021
Accela (streamline business development, and accounting	Community Enhancement and Safety	2021

Action Plan and Schedule for Priority "Level 3" Goals

Target #3: **FINANCIAL PLANNING**

Goal #9: Conduct financial planning for newly proposed infrastructure - ***City Hall, Public Library, Police Substation, and 3rd Fire Station***

Actions:	Responsible:	Time Frame:
Once financial planning model is complete, conduct capital infrastructure financial planning workshop for: • Evaluate capital funding options • Public Private Partnerships • Other financing methods • Assess committed reserve balances • Evaluate general fund capacity to fund capital debt; or lease to own; or Public Private Partnership; debt position and affordability analysis • Evaluate long term operational budget impacts	Finance	Winter 2021
Obtain municipal financial advisor and bond counsel (if necessary)	Finance	Spring 2022
Evaluate and update existing and/or create new policies in line with GFOA recommendations • Capital financing policies • Debt management policies (if necessary)	Finance	2022
Evaluate and update existing and/or create new policies in line with GFOA recommendations • Capital asset policies • Capital maintenance and replacement	Finance	2023
Offsite Improvement Cost Estimate	Community Development	March 2021
Economic performa and appraisal	CD	April 2021
Appraisal	Community Development	April 2021

Action Plan and Schedule for Priority "Level 3" Goals

Target #6: **INCLUSION**

Goal #10: Collaborate to provide cultural and diverse events and celebration (include food)		
Actions:	**Responsible:**	**Time Frame:**
Support and encourage cultural and diverse events throughout the community	Community Development	April/May 2021
Create site for community/public gatherings to host food, music, and cultural events.	Community Development in Partnership with New Day Church	Spring 2021
Identify Wall Mural Locations	Community Development	Fall 2021
Promote events held by cultural organizations	Community Development	On-going
Facilitate cultural conversation focused on sharing experiences	Community Development	On-going
Participate in community lead Inclusionary Task Force	Community Development	On-going
Incorporate Inclusionary/diversity into Eastvale 2040 in goals, policies objectives both integrated throughout the document and a stand alone chapter.	Community Development	Fall 2021
Build on Clear Vision Speaker series topic on diversity, inclusion and engage,	Community Development	Fall 2021
Include youth and adult groups in inclusionary conversations and programs	Community Development	Fall 2021
Identify and incentives cultural business that reflect commUNITY diversity.	Community Development	Fall 2021
Installation of Grad banners	City Manager's Office	May/June 2021

Action Plan and Schedule for Priority "Level 3" Goals

Target #7: **INNOVATION & TECHNOLOGY**

Goal #11: Develop City-wide WIFI		
Actions:	**Responsible:**	**Time Frame:**
City Wide Wi-Fi • Determine needs and feasibility of City-wide Wi-Fi vs. localized (or promoted) Hot Spots • Connect w/ local businesses to eliminate redundancy • Identify funding source to develop	Economic Development Manager/CM's Office	Mid 2019
Smart City Element of Eastvale 2040	Planning	2021
Zoning Code Amendment to require WIFI	Planning	2021
Require conduit and fiber on Street Improvement plans	Engineering	Immediately
Map existing fiber lines	Engineering	Spring 2021
Identify Broadband Solutions	Engineering	2021

Target #7: **INNOVATION & TECHNOLOGY**

Goal #12: Develop and Implement a Smart City		
Actions:	**Responsible:**	**Time Frame:**
Signal Synchronization through CIP Program	Engineering	2021
Fiber Installation on street improvement plans	Engineering	Immediately
Public Space WIFI requirement for new development	Planning	Immediately
Identify and utilize data analytics software to attract and retain businesses	Economic Development	2021
Interconnect and Synchronized traffic signals and camera technology with traffic management center	Engineering	2021

DEPARTMENT OF FINANCE
OFFICE OF THE DIRECTOR

Gavin Newsom ▪ Governor
1021 O Street, Suite 3110 ▪ Sacramento CA 95814 ▪ www.dof.ca.gov

May 2022

Dear Fiscal Officer:

Subject: Price Factor and Population Information

Appropriations Limit
California Revenue and Taxation Code section 2227 requires the Department of Finance to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2022, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2022-23. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2022-23 appropriations limit. Attachment B provides the city and unincorporated county population percentage change. Attachment C provides the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

Population Percent Change for Special Districts
Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code section 2228 provides additional information regarding the appropriations limit. Article XIII B, section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: http://leginfo.legislature.ca.gov/faces/codes.xhtml.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

Population Certification
The population certification program applies only to cities and counties. California Revenue and Taxation Code section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2022**.

Please Note: The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

KEELY MARTIN BOSLER
Director
By:

ERIKA LI
Chief Deputy Director

Attachment

A. **Price Factor**: Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2022-23 appropriation limit is:

Per Capita Personal Income	
Fiscal Year (FY)	Percentage change over prior year
2022-23	7.55

B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2022-23 appropriation limit.

2022-23:

Per Capita Cost of Living Change = 7.55 percent
Population Change = -0.30 percent

Per Capita Cost of Living converted to a ratio: $\frac{7.55 + 100}{100} = 1.0755$

Population converted to a ratio: $\frac{-0.30 + 100}{100} = 0.997$

Calculation of factor for FY 2022-23: 1.0755 x 0.997 = 1.0723

Attachment B
Annual Percent Change in Population Minus Exclusions*
January 1, 2021 to January 1, 2022 and Total Population, January 1, 2022

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE APPROVING AND ADOPTING THE ANNUAL APPROPRIATIONS LIMIT PURSUANT TO ARTICLE XIII (B) OF THE CALIFORNIA CONSTITUTION FOR FISCAL YEAR 2022-2023

WHEREAS, Article XIII (B) of the California Constitution provides that the total annual appropriations subject to limitation of the State and of each local government entity for the prior year is to be adjusted for changes in either the growth in the California Per Capita Income or the growth in the non-resident assessed valuation due to new construction and the changes in Population within either its own jurisdiction or county in which the public entity is located; and

WHEREAS, the City Council of the City of Eastvale adopted Resolution 10-16 on October 1, 2010 establishing a provisional appropriations limit of $13,938,809 as determined by the Riverside Local Agency Formation Commission; and

WHEREAS, the voters of the City at the first municipal election held on November 6, 2012 established a permanent appropriations limit for Fiscal Year 2012-2013 of $15,518,412 under the provisions of Government Code Section 56812; and

WHEREAS, the voters of the City at the municipal election held on March 2, 2021 established a temporary appropriations limit for Fiscal Year 2020-2021 of $33,000,000 under the provisions of Government Code Section 56812; and

WHEREAS, pursuant to said Article XIII (B) of the California Constitution, the City Council of the City deems it to be in the best interest of the City of Eastvale to establish an appropriations limit for Fiscal Year 2022-2023.

NOW, THEREFORE, the City Council of the City of Eastvale, California, does hereby resolve, declare, determine and order that said appropriations limit for Fiscal Year 2022-2023 be in the amount of $39,253,023, calculated pursuant to Government Code §7901 using the growth factor in the California Per Capita Income of 7.55% and change in population for the County of Riverside, of 0.42 % as reported by the California Department of Finance.

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

Mayor

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE, CALIFORNIA, ADOPTING AN OPERATING BUDGET AND CAPITAL BUDGET FOR THE FISCAL YEAR COMMENCING JULY 1, 2022, AND ENDING JUNE 30, 2023, AND APPROPRIATING FUNDS FOR PURPOSES THEREIN SET FORTH

WHEREAS, the City Manager has heretofore presented to this Council the "Proposed Budget" for the Fiscal Year July 1, 2022, through June 30, 2023; and

WHEREAS, the City Council has reviewed and recommended budget and directed certain changes which have been incorporated therein; and

WHEREAS, incorporated within the recommended budget is the proposed expenditure limitation on revenues derived from "proceeds of taxes" as established by Article XIIIB of the State Constitution, which was adopted by Resolution No. 22-XX.

NOW, THEREFORE, **THEREFORE, THE CITY COUNCIL OF THE CITY OF EASTVALE DOES HEREBY FIND, DETERMINE, AND RESOLVE AS FOLLOWS:**

SECTION 1. There are appropriated for obligation and expenditure by the City Manager the amounts shown for the various accounts separately set forth in the Fiscal Year 2022-2023 Annual Operations and Capital Improvement Budget;

SECTION 2. All obligations and expenditures shall be incurred and made in the manner provided by the provisions of State Law and City Ordinances and Resolutions;

SECTION 3. The City Manager is authorized to proceed with the implementation of the work program as incorporated in the approved and adopted budget and has the authority to transfer any sum of appropriated funds between accounts, departments, programs, and funds.

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE, CALIFORNIA, ESTABLISHING A REVISED SALARY SCHEDULE AND RANGE TABLE EFFECTIVE JULY 1, 2022

WHEREAS, it is determined to be in the best interest of the City of Eastvale "City") to hire and compensate employees to perform defined essential functions and responsibilities; and

WHEREAS, Government Code Sections 20636, 20636.1, 7522.34(a) and corresponding sections of the California Code of Regulations (CCR) section 570.5 require that salary schedules be publicly available, approved and adopted by the City Council at a public meeting; and

WHEREAS, Government Code Sections 20636, 20636.1, 7522.34(a) and corresponding sections of the California Code of Regulations (CCR) section 570.5 require that salary schedules be publicly available, approved and adopted by the City Council at a public meeting; and

WHEREAS, annual adoption and approval of the City's salary schedule in compliance with Government Code Section 20636 and California Code of Regulations Section 570.50 will ensure proper reporting to CalPERS in compliance with the Public Employees Retirement Law (PERL) for retirement benefits purposes; and

WHEREAS, the City of Eastvale's Municipal Code; Chapter 2.60 establishes the Personnel System and adopted the City's Personnel Policies and Procedures; and

WHEREAS, the City of Eastvale's Personnel Policies and Procedures provides within Chapter 1.2 that classification titles and pay ranges shall be established from time to time upon adoption of a resolution by the City Council; and

WHEREAS, the City's salary schedule and range table will be made available on the City's publicly accessible website; and

WHEREAS, the City Council desires to amend the approved salary schedule to conform to the aforementioned approved changes.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EASTVALE DOES HEREBY FIND, DETERMINE, AND RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct and are incorporated as a material part of this resolution.

SECTION 2. The "Salary Schedule" referenced as Exhibit "A" and "Range Table" referenced as Exhibit "B" to this resolution are hereby adopted effective July 1, 2022.

SECTION 3. The "Salary Schedule" referenced as Exhibit "C" and “Range Table” referenced as Exhibit “D” to this resolution are hereby adopted effective January 1, 2023.

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

RESOLUTION NO. 22-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EASTVALE, CALIFORNIA, ESTABLISHING THE AUTHORIZED POSITIONS FOR THE FISCAL-YEAR 2022-2023, EFFECTIVE, JULY 1, 2022

WHEREAS, the City of Eastvale's Personnel Policies and Procedures ("Personnel Rules") require that the City classification titles, salary schedule and range table be adopted by resolution by the City Council for providing adequate and appropriate staffing levels to provide efficient and effective public services for fiscal year 2022-2023; and

WHEREAS, the City seeks to change titles of seven (7) titles for existing classifications "Deputy Talent & Special Projects Director" to "Deputy Human Resources/Risk Management Director," "Talent & Special Projects Manager" to "Human Resources/Risk Manager," "Talent Analyst" to "Human Resources/Risk Management Analyst," "Talent Specialist" to "Human Resources Specialist," "Senior Office Specialist" to "Senior Administrative Specialist," "Office Specialist" to "Administrative Specialist" "Community Development Director" to "Community Development/Public Works Director;" and

WHEREAS, the City of Eastvale seeks to eliminate one (1) Extra Help-Acting City Manager position; and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Administrative Specialist (currently Office Specialist title) to Human Resources Technician at a compensation rate of Range 12 ($3,988.78 - $5,612.61 monthly) within the Human Resources & Risk Management Division; and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Administrative Specialist (currently Office Specialist title) at a compensation rate of Range 7 ($3,125.31-$4,397.63 monthly) to Senior Administrative Specialist at a compensation rate of Range 12 ($3,988.78 - $5,612.61 monthly); and

WHEREAS, the City of Eastvale seeks to reclassify one (1) Assistant Planner at a compensation rate of Range 19 ($5,612.61-$7,897.50 monthly) to Associate Planner at a compensation rate of Range of 22 ($6,497.30 - $9,142.35 monthly) in the Community Development Department within the Planning Division; and

WHEREAS, the City of Eastvale seeks to authorize one (1) Public Works Superintendent at a compensation rate of Range 24 ($7,163.27 - $10,079.44 monthly) within the Engineering Division; and

WHEREAS, the City of Eastvale desires to adopt the authorized positions in the Council approved budget for the fiscal year 2022-23.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EASTVALE DOES HEREBY FIND, DETERMINE, AND RESOLVE AS FOLLOWS:

SECTION 1. The City Council of the City of Eastvale orders that the proposed Authorized Position list in the City of Eastvale proposed budget for fiscal year 2022-2023 shall be adopted, effective July 1, 2022, as shown in Exhibit "E".

PASSED, APPROVED AND ADOPTED this 22nd day of June, 2022.

City Council Meeting
WORKSHOP
Agenda Item No. 14.1
June 22, 2022

Eastvale 2040 - Preferred Land Use Plan

Prepared By:
Gustavo N. Gonzalez, Planning Manager

Recommended Action(s)
Staff recommends that the City Council receive a presentation from staff on the proposed land use plan for the Eastvale 2040 General Plan update and provide input and direction on a preferred plan.

Summary
On February 12, 2020, the city kicked-off the Eastvale 2040 General Plan update with the goal of creating Eastvale's first community-driven General Plan. After gathering significant community input, including formation of small working groups called “advisory circles” to work through some of the more technical aspects of the project, staff developed a proposed land use plan (**Attachment 2**) and now seeks to engage with the City Council on a preferred plan. This is the first step to launching the Draft Environmental Impact Report (DEIR).

Background
The 2012 General Plan

The General Plan is an implementation tool and represents the needs of the City moving forward. To be successful, the General Plan must capture the community’s values. Eastvale’s first General Plan was adopted by the City Council on June 13, 2012. Since its adoption, the City has changed and evolved. Now that the City has passed its 10th year of service, and it is more financially stable with a population of nearly 75,000 residents, the time has come to reexamine and update the community's long-term vision and values to ensure that they are in alignment with our residents, businesses, Strategic Plan, new State laws and rapidly changing economic needs in the region.

Eastvale 2040

On February 12, 2020, the city kicked-off the Eastvale 2040 General Plan update with the goal of incorporating the following core values into each element:

- Crafting a Community Vision and Guiding Policies
- Creating a "Blueprint" that integrates Land Use, Circulation, Open Space and Housing
- Establishing Environmental/Quality of Life health and safety thresholds for Noise, Safety, Conservation and Air Quality
- Implementation, Financing and Work Plan for Economic Development, Investment Opportunities, Capital Improvement, New Development, Hazardous, Strategic and Specific Plans in conjunction with the Development Code

Community Outreach

Staff conducted public outreach activities beginning in February 2020. Below is a summary of all public participation opportunities:

- Project website that serves as the information portal to the Eastvale 2040 project
- Several informational videos explaining the General Plan update process
- Youth activities to receive input from our younger residents
- Several workshops with the Planning Commission and City Council
- Stakeholder Interviews with 18 "Community Champions"
- "Clear Vision Speaker Series" comprised of recorded presentations and discussions with six respected experts covering planning topics such as mobility, community design, diversity and inclusion, housing, economic development, and creative placemaking
- Visioning workshop
- Explore Eastvale! walk audit that allowed residents to provide input on mobility on our streets

Based on the input received from the efforts above, the following common themes emerged:

- **Quality of Life** (maintain small town feel; protect/enhance safety; value access to local leaders; support seniors)
- **Culture & Diversity** (pride in mix of cultures and religion; embrace and celebrate through art, festivals, food, and commerce)
- **Activity Centers** (want more local shops, upscale dining, nightlife and gathering places; create a center/"downtown"; Leal property is key)
- **Beautification & Identity** (more trees and landscaping; gateways/markers; visible identity throughout City; integrated placemaking/art; green and sustainable)
- **Mobility** (increase bike and pedestrian friendliness and safety; more walkable destinations and facilities; improve traffic flow and limit increased traffic; EV charging)
- **Housing** (protect existing neighborhoods; consider some affordable and diverse options for seniors, young people, & multi-generational; ensure adequate infrastructure to support; design important)
- **Economic Development** (invest in technology; attract large employer; support entrepreneurs/local business)
- **Trails, Parks & Recreation** (expand trails; enhance river area; maintain parks; planned run,

walk and bike events/routes; consider new community/senior centers, pool, libraries, etc.)

In addition to the outreach opportunities above, in May 2022 staff launched another outreach effort to reengage with residents, community stakeholders, the Planning Commission and City Council, with a focus on arriving on a preferred land use plan, which is the first step to launching the Draft Environmental Impact Report (DEIR).

To work through some of the more technical aspects of the project, small working groups called "advisory circles" were formed and comprised of community members including residents, business owners, local advocates, and community champions. The advisory circle meetings are limited to groups of 4-8 stakeholders and work to bring recommendations to the Planning Commission and City Council. The following table provides the dates, topic, and location of past and upcoming scheduled events:

Date	Meeting	Location
Thursday, May 19, 2022 (6-8pm)	**Community Meeting:** Visioning Workshop	Vantage Point Church
Thursday, May 26, 2022 (6-8pm)	**Advisory Circle 1:** Land Use and Circulation	New Day Church
Tuesday, June 7, 2022 (6-8pm)	**Advisory Circle 2**: Chandler Focus Area	Fire Station 31
Wednesday, June 15, 2022 (6pm)	**Planning Commission Workshop:** Preferred Land Use Plan	City Hall
Tuesday, June 21, 2022 (6-8pm)	**Advisory Circle 3:** Circulation and Land Use	New Day Church
Wednesday, June 22, 2022 (6:30pm)	**City Council Workshop:** Preferred Land Use Plan	City Hall
Tuesday, July 12, 2022 (6-8pm)	**Advisory Circle 4:** Open Space and Conservation	Fire Station 31
Tuesday, July 26, 2022 (6-8pm)	**Community Meeting:** Open House and DEIR Scoping	Vantage Point Church

Preferred Land Use Plan

With feedback received from Advisory Circle #1 (Land and Circulation), Advisory Circle #2 (Chandler Area), the Planning Commission, and all the community feedback received since the launch of the Eastvale 2040 project, staff developed the proposed land use plan (**Attachment 2**) and now seeks to engage with the City Council on a preferred plan. The plan incorporates the following themes:

- Development of Eastvale's Downtown, centered at the intersection of Limonite and Hamner Avenues
- Creation of business-commercial corridors along Limonite and Hamner Avenues and connecting to Downtown
- Activation of the Santa Ana Riverfront as a major recreational amenity
- Development of the Chandler Area into a unique section of Eastvale with its own character
- Creation of an "Industrial Flex" land use that encourages creative manufacturing and prohibits warehousing

- Development of the properties along Citrus Street and creative use of the adjacent City-owned Citrus property

Upon completion of the DEIR, staff will draft and release a complete draft of the Eastvale 2040 plan, and subsequently schedule formal public hearings with the Planning Commission and City Council for consideration and adoption of the full plan.

Environmental

No final action on a project subject to review under the California Environmental Quality Act (CEQA) is proposed at this time. A Program Environmental Impact Report (PEIR) will be prepared for the Eastvale 2040 General Plan Update in accordance with CEQA to be considered by the City Council at a future hearing for this project.

Strategic Plan Action - Priority Level: 2 | Target #: 2 | Goal #: 7

Develop branding and identity for Eastvale.

Fiscal Impact

The General Plan is a policy document that does not have a direct fiscal impact. Fiscal impacts associated with any future development are evaluated as a part of the entitlement process prior to consideration by the Planning Commission and/or the City Council.

Prior City Council/Commission Action

On June 13, 2012, the City Council adopted the existing General Plan. On June 15,2022 the Planning Commission reviewed the land use plan and gave favorable feedback.

PROPOSED GENERAL PLAN

PLACE TYPE DESIGNATIONS

	Place Types	Density/ Floor Area Ratio (FAR)	Used Allowed
NEIGHBORHOODS	Single-Family – Low (SF-L)	4.0 – 8 DU/AC	Provides for the development of traditional detached single-family residential dwelling units, as well as cluster homes, patio homes and other single-family detached and attached configurations. Townhomes are also allowed in this category up to 8 du/ac.
NEIGHBORHOODS	Single-Family - Moderate (SF-M)	8.1 – 20 DU/AC	Provides for single-family detached and attached housing, including small-lot single-family homes, duplexes, triplexes, cluster homes, patio homes and other detached and attached configurations. Also provides for multifamily housing including townhomes, courtyard housing, and stacked flats up to 20 du/ac.
NEIGHBORHOODS	Multi-Family – Low-Moderate (MF-LM)	20.1 – 40 DU/AC	Provides for multi-family housing either for-rent or for-sale, including townhomes, stacked flats and other configurations up to 6 stories in height.
EMPLOYMENT	Commercial Retail (CR)	.25 - .50 FAR	Provides for commercial retail and services that serve the needs of local residents, regional markets and visitors. May also include public uses, cultural and entertainment uses, professional office and hospitality services.
EMPLOYMENT	Industrial Flex (IF)	.25 - .60 FAR	Provides suitable locations for light or limited industrial and manufacturing activities where operations are typically enclosed in a structure and limited exterior storage or operations are fully screened from public view. Exceptions would include commercial nursery or agricultural operations. This designation is also suitable for employee-intensive uses, such as research and development, and technology centers with supporting retail uses. Also provides a suitable location for start-up businesses and "maker" spaces for breweries, arts & crafts, clothing, food and similar small-scale industries. Warehousing and distribution centers are not allowed beyond what is existing.
EMPLOYMENT	Business - Professional (B-P)	.25 - .60 FAR	Provides for employee-intensive uses, including research and development, technology centers, corporate and support office uses, "clean" industry, and supporting retail uses. Also provides a suitable location for start-up businesses and "maker" spaces for breweries, arts & crafts, clothing, food and similar small-scale industries.
OPEN SPACE	Water (W)	NA	Applies to natural, man-made, and altered water courses, including the Santa Ana River, stream channels, and flood control facilities. The purpose is to designate the location of a water course and ensure that special policies associated with surrounding open space or habitat protection are considered.
OPEN SPACE	Open Space - Recreation (OS-R)	NA	Provides and preserves publicly owned land for passive and active recreational uses including parks, trails, and athletic fields. May also be applied to private outdoor recreation facilities. Open Space/Recreation uses can be in areas subject to occasional flooding.
OPEN SPACE	Riverfront Policy Area (RF-PA)	NA	Provides for the conservation of natural resource areas including watersheds, habitat areas and corridors, and areas within flood zones. This category has been applied to the Santa Ana River watershed, associated habitat areas, and parcels prone to flooding and owned by the Flood Control District. Recreation uses, including passive park activities and trails may be in the Conservation category.
UNIQUE	**Downtown West Policy Area (DW-PA)**	.25 – 1.5 FAR 20.1 – 40 DU/AC 2,500 DU Minimum	As Leal is envisioned as the future Town Center for Eastvale, this designation requires comprehensive planning of the entire Leal property in conjunction with the submittal of a development application. Provides for a mix of residential, commercial, civic, office, entertainment, and hospitality uses. The property may also be suitable for a satellite college or university campus, or medical related uses.
UNIQUE	Chandler Policy Area (CH-PA)	0 - .35 FAR 8.1 – 20 DU/AC Minimum 2 acres required for new development	Establishes a special mix of low-intensity uses within the more rural Chandler area. Allows for small-scale agriculture production and sale of produce and related products, in conjunction with a food hall, restaurants, breweries, and supporting commercial uses. May also contain small-scale "maker spaces" with a retail component. Provides for infill residential uses.
UNIQUE	**Downtown East Policy Area (DE-PA)**	.25 - 1.5 FAR 20.1 - 40+ DU/AC	Provides for an integrated commercial and residential development with internal connectivity and public open space amenities to create a cohesive, walkable, mixed-use environment. This designation is suitable for existing commercial centers that may be over-parked and/or contain vacancies requiring that the center be adapted to new market conditions, including adding a residential component.
UNIQUE	Citrus Policy Area (CS-PA)	0 - .35 FAR **8.1 - 20** DU/AC	Allows for a range of potential uses including Multi-family Low Moderate Density residential along Citrus and commercial recreation uses associated with the adjacent open space activities. This area also offers an opportunity for a gateway element to the City.

Notes:
1. Public and quasi-public facilities are also typical uses found in any designation.
2. Accessory Dwelling Units are allowed in any residential designation in accordance with the EMC.

Eastvale General Plan 2040

Summary of Community Feedback – Discovery Phase

Table of Contents

Introduction 2
Community Champion Stakeholder Interviews 4
Eastvale2040 Clear Vision Speaker Series 12
Explore Eastvale 18
Engage Eastvale 21

Introduction

Over the past year, several outreach methods were used to gather input from Eastvale community members on their ideas for the future. These included online surveys and polls, stakeholder interviews, youth activity forms, and more.

Respondents provided very positive feedback on elements of Eastvale that work well, ranging from its diversity to its smaller size and sense of community, to the approachability of leadership and amenities such as the river walk and other recreational opportunities.

Participants also raised various concerns, including lack of dense housing options, limitations on economic growth, and connectivity and accessibility issues. Many expressed a desire for the City to bring in more sit-down fine dining, mixed-use development, and environmentally sustainable features.

Common Themes

Quality of Life

Residents expressed positive feelings about the small, tighter-knit sense of community in Eastvale. Many felt it was a generally safe place for raising families with good schools, a diverse population, and accessible leadership. There were some concerns raised that an increase in population would lead to more crime and issues of homelessness.

Neighborhood Amenities

Community members had many wide-ranging ideas of features they would like to see introduced or expanded in the City, including more sit-down and/or fine dining establishments, family-friendly activities, recognizable chains such as Trader Joe's, outdoor malls with a more modern design, and nightlife venues. They described a young and active population that doesn't have enough to retain them in Eastvale either for entertainment purposes or for the long-term.

Trails/Parks/Natural Features

Some voiced a desire to see the completion of the trail system plan, while others requested more dirt hiking trails. Planting more trees and covering bare spaces with greenery, fountains and other natural features were popular ideas. Residents clearly enjoy the river walk and existing parks, but would like to see more done to maintain and enhance these areas, with an emphasis on green-friendly design and landscaping.

Activity Centers

The most common requests came from community members calling for more places to go and more things to do. While some envision this as more “downtown” and “nightlife” features as mentioned in the previous category, others are asking to build upon existing features such as the river walk and parks, utilizing them to host festivals and events to draw the community together and attract out-of-towners. Others pointed out that the Eastvale community is largely active, youthful and health-focused, and think this should be reflected with better support for physical and recreational activities. Ideas include sports complexes, pools, arenas, and other family-friendly venues.

Housing

The comments that addressed housing centered around a desire for more diversity, affordable, and mixed-use options. Concerns were expressed that while shortage is not necessarily an issue, the focus should shift from only traditional single-family homes to denser, more sustainable development that would go hand-in-hand with commercial development to attract more renters and home buyers to the City. Some also expressed a desire to see larger home lots with big yards, and noted that with if there is additional housing built, there should be more schools to support an increase in children. A concern around building too many apartments or large-scale, dense was also noted.

Economy

Respondents offered varying ideas on this subject, pointing out that more attention should be paid to bringing in large businesses or stakeholders such as hospitals, higher learning centers, and tech hubs. They suggested this would help retain young families, young professionals and incentivize adult children of long-time residents to return to Eastvale to meet future economic needs.

Mobility/Infrastructure

Community members have mixed sentiments on this subject. Some believe Eastvale is already fairly pedestrian and bike-friendly, while others feel strongly that connectivity within and access outside the City needs improvement, particularly as some view Eastvale as a “commuter city”. They would like to see future development planned with pedestrian and bike-friendly options in mind. Many also expressed concern over the speed of drivers on City streets and the need for safer intersections and a desire for wider sidewalks.

Diverse Community

Residents feel a strong sense of pride about Eastvale’s diverse population. Many suggested ways the City can highlight and celebrate this, including cultural centers, markets, special events and celebrations related to various heritages, as well as hosting for visual and performing arts in general. Religious leaders in the community also seek reassurance that the City will keep their communities in mind when planning, allowing space for spirituality, as well as senior centers.

Community Champion Stakeholder Interviews

Feedback on the City of Eastvale from community champions

Community Champion Stakeholder Interviews

Twelve diverse community stakeholders were interviewed for their feedback on three questions focused on the City of Eastvale. Responses are summarized below and generally grouped by similar ideas.

Q1: What do you love most about Eastvale?

- Ethnic and racial diversity; wholesome and positive relationships (whole spectrum of racial, ethnic, ages at New Day; 1,000+)
- We are a united family – united City
- Diversity – all ethnicities are here
- Feels like a small town; neighborly feeling
- Great place to raise a family
- Sense of community
- Kids grew up here; here for the birth of the city
- Friendly; come together – "life at the parks"
- Very diverse
- People interact well
- City looks for ways to engage with each other
- Character of the people
- Family orientation – concerts, picnics, etc.
- Small town fee even with growth
- Small, sense of community
- Residents & people – love all the different perspectives
- Clean
- HOAs do a good job - neighborhoods in good shape
- Clean
- River walk is great asset
- Parks – lots of options
- Parks and recreation available
- Walkable neighborhoods; outdoor walkability
- Bikes and sidewalks; bus options
- Close proximity to parks no matter where you live; park always within walking distance
- Density of parks; well maintained and good access
- Santa Ana Trail
- "Contained" EV experience – pretty much everything need in town (recreation, shopping, etc.)
- Liked seeing the trend of less chains and more new dining options
- Shopping areas nice
- City working on bringing in upscale restaurants, hotel; not just more housing
- Like that we have new stores, restaurants, and things to do (compared to early days)

- Small and big stores – convenient Leadership is always approachable; easy to speak with and accepting of ideas and concerns
- Good communication from City
- Feels safe and is safe; law enforcement is engaged and cares; warm and friendly
- Enjoyed State of the City event/presentation
- Strong partnership with JCSD
- Great leaders
- Civic leaders are open and accessible; active in the City; interested
- Like that City has a counterpart to JSCS (Safety – Ava); helpful and great partnership
- Eastvale traffic engineering committee – excited at what is planned for city!
- Staff and City Council are all involved
- Prime location with lots of good acres
- History of City (dairies, wineries)
- Comfortable, safe environment
- Comfortable environment - landscaping, open areas, wide streets, and well maintained, yards
- Family atmosphere
- Small town feel, but central to everything
- Minutes from LA and Riverside, yet secluded
- Kids – safe to walk/ride to trail
- Have seen the area transition
- Clean; peaceful; quietness; new
- Lots of construction – new businesses, shopping, etc.
- Great to bike with young kids; laid out well – park or school every several blocks

Q2: What are key challenges & concerns for Eastvale?

- Closure of businesses and restaurants
- Not enough formal, non-chain dining options
- Lack of restaurants
- Create more tax base – hotels, manufacturing/industry
- Some are frightened by growth – congestion, Walmart fear
- What happens with Liel property?
- Need more upscale dining and retail
- Need more space for corner stores, food trucks, parks, etc.
- Hard to build/start a business when two developers dominate
- Smart growth – not just growth; need to be very careful with Leal property decision making
- Higher density, lower income housing needed for local employees to live here
- So much single family – need more of a mix
- Need for higher density housing options
- Would like to see ownership rates of single-family homes stay high; don't want to see these homes become rental properties

- Currently lots of low density residential with some mixed use – look for opportunities (parking lots, etc.) to redevelop with more mixed use
- There is a culture of "fear" (cultivated on Next Door, Facebook) about seeing people you don't immediately recognize; creates hostile environment where they want to keep people out – need to do more to bring people together; I fear me/my family singled out as different; fear applied to apartments
- Need connectivity amongst silos/enclaves of development
- Getting in & out of the City is challenge – need to advocate for expansion of Pine and 71 flyover
- Keep people who are here happy – maintain quality of life
- Vocal minority values wide roads, space for cars; need broader conversation about values
- Barriers in accessing the Santa Ana River Trail
- Gateway Center – would like to be able to walk there
- Traffic signals! So many and not synchronized
- With growth comes congestion
- Transportation – lots of space as streets are overly wide
    - Scholar Way, Sumner – underutilized and close to schools & housing; could utilize for safer walking/biking routes to schools, trails, and amenities.
- Traffic around high school and middle school
- Hotel project – what will the impact be on traffic?
- Lack of engagement
- Potential for Chandler area redevelopment?
- What to do with remaining undeveloped property?
- Host a clean-up every two months on Chandler (Slyvia to Archibald; Archibald to Harrison)
    - Adding trash cans might help with garbage since there are a lot of walkers
- Policing; don't cut funding/hours; maintain good response times to deter crime
- Must recognize blind spots – be more open to reaching out to different cultures and groups
- City is hostile to faith-based organizations (land development); no active support of helping these groups develop a permanent structure or home in the City boundaries; more concerned with tax base (Look at what City of Corona did to take action on this issue)
- Places of worship are vital; land for churches is essential to keep people safe and serene; will there be any land available in the future? Need to ensure there will be space for spiritual care
- Mosquitos are huge issue – river basin is breeding ground
- Mosquito control issues
- Eastvale grew up backwards; spread out first and now trying to develop downtown/infrastructure (e.g., City Hall in strip mall)
- No identity. We are unique, but no recognized identity. (Norco = Horse Town). Mural is a start
- Art…. community places for art needed; Library could have an art gallery

- Need people who can spend more dollars here; tax base challenging; revenue sources are lacking
- Not much open acreage left – must be careful
- CA state government wants to impose things on cities that may not be beneficial
- Traffic backups on Sumner
- Infrastructure not designed for this number of people (hard to ride bicycle)
- City not designed for NEVs
- Safety – difficult (all cities dealing with homeless, etc.)
- Several owners purchased homes to rent – two sides of Eastvale some centers don't want kids to go to McDonalds center. (Uncomfortable at times)
- Lacking same pride of ownership (curb appeal)
- Schools? Parks?
- Graffiti
- Lots of generic restaurants, shops, etc. - want unique culture
- Albertsons
- In and out renters, not long-term renters
- More crowded recently
- Transients, begging at ramps…avoids Ralphs
- Deal with river issue
- Here, but can't spend money here
- More people come here to live and raise families (which is good), but presents challenges: need to attract "right" people, not the "wrong" (crime/break-ins have increased) - need more patrolling; monitoring; more police
- What can we do as a community to turn bad people into good people?
- On Next Door – people noted the following concerns: more cops to monitor suspicious activity; more walking/biking friendly streets; worry about traffic;
- Main streets should be safer; some need more stop signs

Q3: What Ideas Do You Have for the Future of Eastvale?

- Children and youth are well taken care of, but what about the elderly? What is planned for them; community is aging, what will they need?
- Fairs and festivals and events to bring families together
- Bike paths/bike lanes
- Small town America feel; early Americana feel and charm
- Narrower streets; mom and pop shops; gathering spaces/town squares; malt shops, diners, etc.
- Trails plan and better connections
- Park maintenance – would like to see City take over
- Similarly, would like City to take over water quality basin maintenance from HOAs
- Driving range or other outdoor recreation (e.g. family fun center)
- More dog parks
- More trees and landscaping
- More restaurants
- More store options
- Need to utilize the space we have appropriately

- More trees, plants, decoration, fountains, nice atmosphere (not big parking lots)
- Continue doing what the City is doing to move forward
- Maybe some more recreational opportunities
- Vibrant street spaces and places for gathering
- Bulletin boards, community gardens: More eyes on the street
- Places to walk/bike, more active transportation projects
- With move to telecommuting, EV needs to become a "place", not just a bedroom community
- City should pilot and innovate a variety of uses that are counteract sprawl
    - Integrate small retail into residential/sprawl areas
    - Look at residential areas as opportunities for future
- ADUs great opportunity, but need community buy-in; particularly helpful for multi-generational families
- Diversify housing beyond single family – apartments, condos, first time home buyers, seniors families (Leal property is opportunity)
- Affordable housing needed
- Housing options – affordable (townhomes, etc.)
- Leal property is key
- Residents commute out for jobs; those who work in EV don't have a place to live
    - Need to find a group of champions who will advocate for affordability
- Theme/identity for the City; something visual that says "Eastvale" (streetscape furnishings, etc.)
- All arterials could be improved
    - Limonite, Archibald & Hamner will still be vehicular/freight corridors
    - North – south corridors in center could accommodate lane narrowing or road diets
- Grow family orientation with more meeting spaces, destination places, civic center, downtown environment
    - Low profile, pedestrian and family friendly (e.g. Claremont and Montclair)
    - Mom and pop shops; diversity in retail, dining, services; support local entrepreneurs
    - Where? Leal property; Limonite/Hamner; central or major corridor
    - What about the property across from City Hall? Seems like natural location
- Incorporate more multi-modal opportunities in the City
- Implement the trails plan
- More events like "Boots in the Park", but do we need that big of a venue?
- Our demographic is young; need inexpensive ways for family fun
- Banning & Chamber host a "market night" for local merchants, but create a theme (e.g. Comicon) and close down the street so it becomes an experience
- Community has long expressed a desire for a pool/aquatic center, along with a library/community center (something like Rancho Cucamonga would be great)
- Capitalize on and celebrate the diversity here; opportunity to develop a unique cultural shopping center as a destination; develop businesses that reflect our rich diversity

- What about an outdoor theater/amphitheater? Weekend festivals/events that showcase different cultures (food, music, crafts)
- Entire southern tract of city near the river owned by Army Corps; acquire that property and it becomes a huge opportunity for new development
- Edison – no more poles; need to underground utilities
- Upscale restaurants
- Self-sustaining; need big venues to bring people in (like a hospital) Citrus is a barrier to accessing Santa Ana River
- More jobs – warehousing, retail, etc.
- "Power users" like a hospital, university, large company, etc.
- Economic development – look at leakage study to see what people are leaving Eastvale for; fill in these gaps where feasible
- Look at industries/businesses we want – what deals can we strike to bring them in (like we did with Costco and hotel)
- Need to look at sustainability and resilience in Eastvale
- Liel to be developed with retail, shopping, walking
- Never have to leave the city – everything is here!
- Walkable entertainment and recreational opportunities
- Have my kids move back and raise their families here
- Stay one of safest cities in CA
- Diverse community with everything here at fingertips; cross cultures
- More parks as we grow; integrate open space in all growth
- Be a welcoming city
- Stay diverse and increase diversity
- Need to complete trail connections/bike paths; use easements
- We are a community that is active and values fitness; play up sporting activities; offer an EV March or Ride to the Sea
- Use the river! Create an event or project at the river; destination ("come ride the rapids"!)
- Health oriented city – expand this idea with:
    - More trails and connections
    - City to control parks and parks programming
    - More kids' activities
    - Parks with more facilities like tennis courts
    - More sports programs and facilities in parks
    - City pool
- Continue to work on a Unity Task Force
- Less teams, more community ambassadors to foster collaboration
- Leal property! Downtown!
- Develop a strong identity to attract economic development (murals, gateway markers/monument to denote entry more, traffic circles with holiday decorations, fountains, art, etc.)
- Maybe a traffic circle at Sumner to enhance flow
- Enable NEVs – pursue grants & funds

- Revenue – produce entities: wat could be unique to attract surrounding people from other communities?
- Library with community theatre
- Art shows/wineries
- Build on local talents (food)/ pop-up restaurants
- Technology/ 5G, etc.
- Beautiful, large gazebo for dances and gatherings
- Involve community in identity developing brand
- Eastvale named after school; create duplicate school building as a “center” at Leal property redevelopment
- New City, but not “new” (photos, etc.)
- Festivals – experiences of culture and history
- Observation tower (safe) see the valley, etc.
- Hamner/Limonite right tenant mix
- More community engagement
- Lab (Food Lab Riverside)
- How to create fun places to socialize, coffee, connect, ride bike there
- Drip Coffee Bleu, plant-based burgers, urban outfitters, youth destinations (IG photos)
- Earth Café
- Housing: What does affordable housing do for us? How does it impact us and our values? How one defines it?
- Live-work model okay
- “Stepping stone” vs. sustained affordability programs and developers to help…
- Don’t see City going down path of something and not contributing to our well-being only benefits us; all for it.
- Safe, welcoming for families
- We have soccer fields, need pickle ball, etc. to support 55+ community!
- What is here for them? Next 2-3 generations?
- Sports stadium! national level sports – great for young kids!
- New businesses; known in the area
- Physically fit community
- New fields should accommodate multiple sports and activities
- Be a city where people are accepted regardless of differences in what they look like, different religions, want everyone to be closely-knit
- Have a community event with games once a month; interfaith event – presentation of different cultures

Eastvale2040 Clear Vision Speaker Series

A series of presentations by experts in the fields of urban planning, community design, community diversity, and economic strategy

Eastvale2040 Clear Vision Speaker Series

Between November 2020 and March 2021, the City of Eastvale presented the Clear Vision Speaker Series, a series of presentations by experts in the fields of urban planning, community design, community diversity, and economic strategy. Each speaker offered a depth of experience building successful communities in various regions and demonstrated ways the City of Eastvale could apply ideas discussed to its own development and General Plan Update. Following each presentation, residents and stakeholders were able to ask questions, provide comments, and contribute ideas to be incorporated in the Eastvale 2040 General Plan Update. Each presentation and survey were also available online for stakeholders who were unable to attend the initial presentation. To view all presentations, visit The City of Eastvale's YouTube page.

Series topics and speakers included:

- **Mobility & Healthy Communities | November 12, 2020**
  - **Chris Danley, Vitruvian Planning**
- **Community Design | December 2, 2020**
  - **Victor Dover, FAICP, LEED-AP, CNU-A, Dover, Kohl & Partners Town Planning**
- **Diversity and Inclusion | January 14, 2021**
  - **Shawnika Johnson, AICP, MURP, Innovative Planning**
- **Housing – The Missing Middle | January 28, 2021**
  - **Daniel Parolek, Opticos Design**
- **Economic Development | February 18, 2021**
  - **Joe Minicozzi, AICP, Urban 3**
- **Creative Placemaking & Suburban Change | March 9, 2021**
  - **John Arroyo, PhD, AICP**

More than 300 individual responses were gathered from the six different surveys. A summary of the highlights from each presentation as well as key themes that emerged from the surveys is provided below. For a full summary of each survey* and comments received, please see the appendix. **All data is from surveys taken on or before April 8, 2021.*

Mobility & Healthy Communities | November 12, 2020
Chris Danley, Vitruvian Planning
Chris is a recognized national expert in Transportation Planning & Health Impact Assessments, the co-creator of a two-day walk audit training academy, and has conducted planning and assessment projects throughout the country helping communities like Eastvale achieve their goal of creating a walkable, healthy, and connected community.

His presentation provided an overview of the power of design to impact seven types of health: physical, social, spiritual, economic, environmental, emotional, and intellectual.

After the presentation, attendees discussed how the speed of surrounding traffic can make walking feel uncomfortable along busy streets, the concept of traffic stress, and

commented that there should be no reason for people to speed within Eastvale if traveling within the city.

Fifty-nine participants took a survey asking about their attitudes towards mobility in Eastvale. Of note:

- When asked what prevents respondents from walking and/or biking more in Eastvale, 54% said it doesn't feel safe to walk or bike near busy streets.
- To make the city more walkable and/or bikeable, 66% of respondents wanted to see more off-street trails/paths, and 68% of respondents wanted to see more pedestrian and street lighting.
- 66% of respondents said that if there was a trail or better walking/biking connections to destinations they wanted to go, they would use it often.
- When asked which streets, intersections, and/or locations in Eastvale needed transportation safety improvements, common responses included streets and intersections between Archibald, Limonite, Hamner, Scholar Way, and Citrus.

Community Design | December 2, 2020
Victor Dover, FAICP, LEED-AP, CNU-A, Dover, Kohl & Partners Town Planning

A nationally recognized innovator in city planning, neighborhood and street design, Victor lectures widely around the world on the topics of livable communities and sustainable development. He focuses on re-establishing healthy, economically sound neighborhoods. His presentation on focused on finding the "lost spaces" in communities, areas which are not currently being utilized to their fullest potential.

After the presentation, attendees discussed the importance of balancing designing high-density residential buildings with street design, noted that residents leave the city to dine out due to a lack of restaurants, suggested that municipal trollies could help alleviate vehicle traffic, noted that there are some benefits to wider streets, such as for emergency situations, and asked if there were plans to create smaller housing opportunities for seniors.

Ninety-four participants took a survey asking about their community design preferences. Of note:

- When asked about what community design elements they would most like to see in Eastvale, 61% wanted to see more paths/trails, and 57% wanted the synchronization of traffic signals along major corridors like Hamner, Limonite, and Archibald Avenue
- When asked about what type of activity centers participants would most like to see in Eastvale, top responses included a farmers market (60%), passive parks for fitness and relaxation (65%), an entertainment district (56%), trails and pathways (57%), and a suburban downtown (54%).
- Nearly 70% of respondents said they would support more community identity elements in public spaces.
- When asked about priorities for the design and development of future neighborhoods, 69% of respondents wanted access to dining options, and 61% wanted proximity to parks, trails and recreation.

Diversity and Inclusion | January 14, 2021
Shawnika Johnson, AICP, MURP, Innovative Planning
Shawnika has over 20 years of experience in community development, urban planning, project management, economic development, and public engagement. She specializes in equitably engaging communities in the planning and development process to create uniquely sought-after locales. She regularly works with her clients on issues of diversity, inclusion and environmental justice.

Her presentation covered current demographics in Eastvale, how the concepts of culture, diversity, and inclusion apply to Eastvale, and how they relate to Eastvale's General Plan Update.

After the presentation, attendees asked questions about how diversity and inclusion will be reflected in General Plan, if there were plans to bring museums or other experiences that celebrated different cultures into the city, how to resolve the effects of misinformation on inclusion practices, what steps Eastvale is taking to ensure city services and information are inclusive, and how to get children more involved in the community in order to break down barriers. It was also noted that the responsibility to bridge cultural gaps isn't just on city leadership, but also individual residents, and that hosting and engaging in diverse festivals and community gatherings is one such way this could occur.

Thirty-eight participants took a survey asking about their attitudes towards diversity and inclusion in Eastvale. Of note:

- When asked what elements are most important and needed as the framework to progress toward diversity, equity, and inclusion in Eastvale, respondents ranked "create a compassionate city where everyone is treated equally, without regard to race, color, national origin, socioeconomic status or political affiliation" and "create a platform for increased inclusive/cultural participation where cultural events, arts, and businesses which are reflective of the various ethnic/racial groups in the City of Eastvale are more prevalent" as the most important.
- To prioritize inclusion and celebrate diversity in Eastvale, 80% of respondents wanted food and music festivals.
- 66% of respondents wanted to see a Diversity and Inclusion Action Plan included in the General Plan Update, and 63% would like to see goals, policies and objectives which include community design that encourage and support implementation of culture and diversity included in it.
- When asked what type of businesses, programs and organizations are lacking in Eastvale to fulfill your cultural needs, responses included more ethnic restaurants, grocery stores, and cultural events like festivals or classes.

Housing – The Missing Middle | January 28, 2021
Daniel Parolek, Opticos Design
Dan is an architect, urban designer, and the founding principal of Opticos Design, a nationally sought-after company of thought leaders in urban placemaking, policy, and zoning reform. He is the author of "The Missing Middle," diverse housing options that can fit seamlessly into existing residential neighborhoods and support walkability, locally-serving retail, and public transportation options.

His presentation covered different types of housing that could better serve diverse communities, and the missing middle, meaning the gap between multi-residential dwellings and standalone single-family homes.

After the presentation, attendees asked about plans for housing for seniors, people with disabilities and veterans, and how "missing middle" housing might accommodate them, and how mobility and retail needs can be served in car-free communities.

Eighty-six participants took a survey asking about their attitudes towards housing in Eastvale. Of note:

- When asked what their most important housing needs were, respondents ranked "enough interior space for me and my family," "private outdoor space for relaxing and entertaining," and "affordability" as the most important.
- Only 21% of respondents would consider adding or converting existing space in their home to an Accessory Dwelling Unit (ADU).
- 68% of respondents were not in support of smaller housing units such as duplexes, fourplexes, townhomes and small multiple-family developments, and 64% of respondents said they would not support regulation that allows the development of "missing middle" housing.
- A common theme that emerged in open-response questions was that residents preferred building out more dining and entertaining options rather than housing, and a concern that bringing in more middle housing would lead to an increase in traffic congestion, crime and potentially devalue homes.

Economic Development | February 18, 2021
Joe Minicozzi, AICP, Urban 3
Joe is an urban planner imagining new ways to think about and visualize land use, urban design and economics. He founded Urban3 to explain and visualize market dynamics created by tax and land use policies and works with communities across the country.

His presentation provided an overview of how to reimagine land use and urban design and showed how different uses can make a large impact on a city's economy.

After the presentation, attendees asked about the costs of urban reconstruction and if they are prohibitive, how to find the taxable value per acre, and how to build a downtown that had more liveliness and vitality.

Thirteen participants took a survey asking about their attitudes towards economics in Eastvale. Of note:

- When asked what Eastvale's greatest challenges to economic growth and development, respondents ranked attracting new businesses and creating a lively downtown area as the top challenges.
- When asked what type of businesses the City should focus on attracting to Eastvale, respondents ranked entertainment and restaurants as the top types.
- Respondents noted that the family-oriented community and high household income made Eastvale a good place to do business.

Creative Placemaking & Suburban Change | March 9, 2021
John Arroyo, PhD, AICP
John is a national expert in the field of equitable creative placemaking, cultural and municipal arts planning, suburban diversity, and new immigrant destinations. He has over 20 years of experience as cultural planner and consultant for various cities, counties, local arts agencies, and has served as lead advisor for the National Endowment for the Arts and philanthropic organizations. He is an Assistant Professor in Engaging Diverse Communities at the University of Oregon.

His presentation provided an overview of what creative placemaking is, trends in changing American suburbs, and the cultural assets of Eastvale.

After the presentation, attendees noted they would like to see more music opportunities, both within the education system as well as featuring local talent in concerts at public parks. Questions were also asked about implementing public instrument programs like pianos in the parks, how to ensure public art / murals aren't defaced with graffiti, and if there are examples of how augmented reality has been integrated with artwork or sculptures in public spaces.

Fifteen participants took a survey asking about their attitudes towards creative placemaking in Eastvale. Of note:

- 46% had never heard of the term "creative placemaking" before
- In free response questions, common themes that emerged were support for arts and culture projects created by locals that represent the community, and a concern that city funds and tax dollars should be prioritized elsewhere.
- 80% of respondents thought the education and youth sectors have the most potential for fostering arts and culture in Eastvale.
- When asked to rank different types of art that respondents would like to see the Eastvale 2040 plan focus on, they selected music, visual arts, and design and architecture as the most important.

Explore Eastvale

The City of Eastvale's online assessment of the City's streets

Explore Eastvale

Explore Eastvale invited volunteers to walk, run or ride streets in Eastvale and complete a short online assessment to inform circulation/transportation planning for the City of Eastvale. The online tool asked participants to select a specific half-mile roadway segment and then answer several questions about their experience and observations of that street.

A summary of data is provided below. For complete survey results, please see the appendix.

Roadway Segments and Data Collection

Roadway segments analyzed included Bellegrave Avenue, Limonite Avenue, 65th Street, 68th Street, Schleisman Road, Citrus Street, Chandler Street, River Road, Hellman Avenue, Archibald Avenue, Harrison Avenue, Sumner Avenue, Scholar Way and Hamner Avenue. The majority of participants chose to conduct the assessment while walking, followed by riding a bike and jogging.

Most participants completed the assessment in the morning or the evening, with a smaller percentage choosing to complete it during the afternoon.

Sidewalks

When asked about sidewalks, most participants said the sidewalk was straight, but also noted they had nothing separating them from the street nor were they wide enough for two people. The majority of people felt the sidewalk needed at least some improvement.

Street Crossings

When asked about what it was like to cross the street, the majority of respondents said that the speed of cars is too fast and that the volume of cars is too high. Many did not feel safe crossing the street. The majority of people were either neutral towards the intersection they crossed or felt it needed at least some improvement.

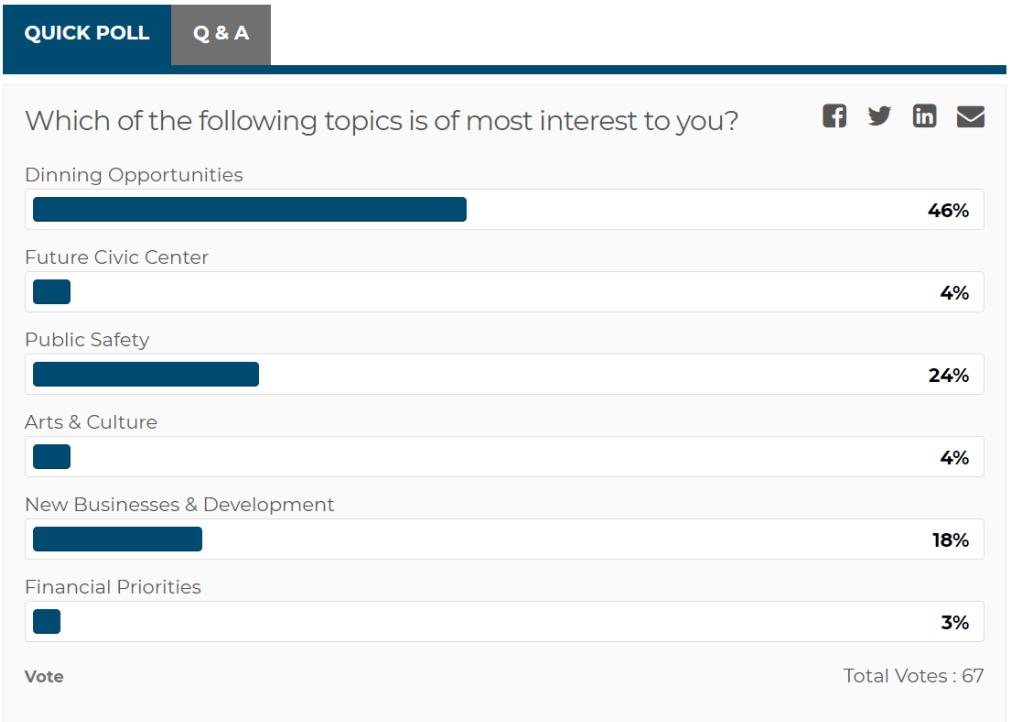
Comfort and Safety

When asked about walking or riding a bicycle on the street, the majority of respondents said car speeds seemed too fast, noted there was too much traffic, and that they would not let their child use it alone. Overall, most people felt that the feeling of safety needed some improvement in the segment they analyzed. In regard to design, many respondents reported there was landscaping missing or poorly maintained, lots of dirt and weeds, and that there was not enough shade; however, this likely varied by segment, as a number of people felt that there were plenty of trees and plants. When asked about the overall comfort and appeal of their segment, people were equally split between reporting that they liked it and that it needed some improvement, with the majority feeling neutral towards it. The majority of respondents noted that drivers appeared to be speeding or driving too fast, and also noticed that many appeared to be distracted. There were also concerns about children using the streets on their way to and from school due to unsafe intersections and speeding cars.

Landscaping and Design

When asked if a trail or path with more trees and landscaping separating participants from motorists would allow them to use this street more, several themes emerged. Many commented that this would encourage them to use this street more as they would provide shade and a buffer from traffic, but concerns were raised about the types of trees planted and if roots would eventually cause cracks and uneven sidewalks. Many also noted they would prefer wider sidewalks, improved and more frequent lighting, and bicycle lanes. Some participants raised concerns about “road diets” that would be needed in order to provide wider sidewalks and other amenities.

Engage Eastvale



The City of Eastvale's online engagement platform

Engage Eastvale

The City of Eastvale developed Engage Eastvale to serve as an online engagement platform. Site visitors were invited to answer several questions on their likes, values and wishes for the City of Eastvale in a variety of ways. They could also respond to others' ideas with "likes" and additional comments, all captured below. A number of youth opportunities were also included. A summary of the posts and comments are provided below.

I. Site Comments

A. Which of the Following Topics is of Most Interest to You? (67 votes)

B. Represent your community and tell us what is most important to you about Eastvale! (40 contributors)

- Attract more IT (Information Technology) companies for setting good base. Eastvale can be a next Southern Silicon Valley for all the big IT companies. (liked by 5)
- Eastvale Global Village Festival. Eastvale can bring out all the talents cross culture and have more fun activities of all ages similar to Irvine Global Village Festival. (liked by 7)
    - Comment: Great idea, excited to visit and participate
- Eastvale City App. I like how we started a website for engagement! Was just wondering if we can also create an App just for our city, that will not only list businesses (maybe even have specials just for us locals Who have the app), calendar of events (free or paid, upcoming/past, etc), a way for people to opt into text/email to get alerts (like for

emergencies / amber alerts / construction / car accident / fire alerts / etc), fun polls (or pertinent ones to address what us Eastvalens want), a way to connect/message just locals so can start/plan meet-up groups (like game group, walking club, crafting groups, etc), a way to connect with our local city counsel/police force/etc with direct questions so that maybe FAQs could be posted immediately (like people may have questions about number of COVID19 in our community, if masks need to be worn even while driving, where to go for free meals/support, etc). (liked by 5)
    - Comment: I agree this would be nice or at least utilize an existing platform like NextDoor for public agencies (https://us.nextdoor.com/agency)
- We need more pedestrian friendly developments to encourage walkable neighborhoods. Additionally, we need cultural performing arts center. (liked by 7)
    - Comment: Yes pedestrian and perhaps a cycling trail too?
    - Comment: There are sidewalks everywhere, bike lanes everywhere, and there's a trail on the south end of the city.
- Fast fiber internet for the whole city. There are only some areas which have fiber. Personally I cannot get fiber in my area. Why don't we change that, and get fiber internet to the whole Eastvale community, even for the older homes? (liked by 8)
- We need more nightlife and entertainment in Eastvale. We travel outside of Eastvale to enjoy nightlife and entertainment it would be nice to have other facilities that Eastvale can utilize for family and fun entertainment as well as adult nightlife. (liked by 9)
- Indoor Mall. When I ask people what they think of living in Eastvale, the common response is "It's boring. There are no places to hang out". If you ask me, it would be great if we could have an indoor mall as a place to hang out, eat, shop, and gather. I believe that this would also be a great opportunity to attract big businesses into our city. I'm also certain that this will also attract more people into our city and increase the sense of community in our city. (liked by 6)
    - Comment: I would love to see a mall, either indoor or outdoor like Victoria garden's
    - Comment: Looking forward, outdoor malls is the future (Covid19).
    - Comment: Enough with the new houses being built, we need entertainment to keep the money spent in the city. I'm spending more than 95% of my entertainment outside of Eastvale.
- A large shopping center! Our city would benefit greatly from having a nice outdoor mall similar to Victoria Gardens. It would provide jobs, taxes, influx of cash and not to mention raise property value. It would also give us residents a variety of stores to shop at. Our city is growing too fast and the commercial sector needs to catch up. Every store here is saturated with people becuase we don't have a variety to pick from. Not to mention restuarants.
    - Comment: Enough with the new houses being built, we need entertainment to keep the money spent in the city. I'm spending more than 95% of my entertainment outside of Eastvale.
- Nice outdoor mall! Our city would benefit greatly from having an outdoor mall similar to Victoria Gardens. It would provide jobs, taxes, influx of cash and not to mention raise our property value. Our city is growing too fast and the commercial sector has yet to catch up.

All of our stores here are saturated with people becuase there is no variety. Not to mention restuarants.

- More upscale restaurants and nightlife. It would be wonderful to be able to enjoy date night, anniversaries, or special occasions locally. We always drive to Orange County and Los Angeles for fine dining and fun. (liked by 3)
- We need the bridge widening project on Hamner completed ASAP and the additional exit at Schliemann through the Hamner place center. Traffic flow.
- We need a Victoria gardens type high end center On the corner north west corner of Hamner and limonite completed ASAP. Victoria gardens type high end center.
- We need a city pool complex (liked by 1)
    - Comment: agreed
- Trees (liked by 1)
    - Comment: I agree. We need a more elegant look and feel to Eastvale. Think of Orange County with all their date palms, bird of paradise, and blue agave nicley grooming the neighborhoods and shopping centers. It gives a look of elegance and status. Eastvale does not have any center islands in the roadway that look nice, or consitent look and feel to it currently. Right now it is a conglomerate of different landscape themes.
- I would LOVE to see something for seniors offered in the city. We are a growing demographic yet totally ignored. A senior center please.
- Make the parking lot at Home Depot less murdery at night. I understand that the stores close at night but if the Best Buy and movie theatre side of the lot can keep it's lights on then Home Depot and Target should keep those lights on. I was there tonight getting gas at the Vons station around 11:15 pm and it was creepy AF. Nobody at the gas station, lights out at home depot, lots of large vans/trucks parked just on the outskirts of where the lights stop. Anything could have happened. Leave the lights on so people aren't at higher risk of being robbed, attacked, raped, or kidnapped. It is the logical thing to do.

C. Tell us what you love most about Eastvale! (8 contributors)

- I love our local Costco & Limonite shopping area. (liked by 1)
- Love how we're generally considered one of the safer cities in California (liked by 2)
    - Comment: Funny how on my ring app o constantly get notified about my neighbors being broken into their cars or hearing gun shots.. we need our own police department. Also, I have noticed an increase in homeless people roaming the streets!
- Love that our school ratings are fairly high overall.
- Planned out community; emphasis on design and landscaping (liked by 1)
    - Comment: I have noticed the lack in replanting when plants die or trees fall. There are so many areas where I just see dirt patches and not planting.. we should focus on those as well!

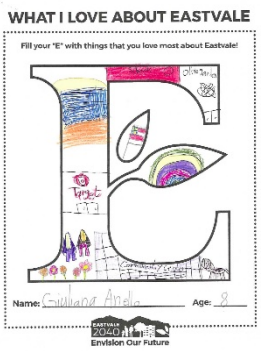
- We need more shopping! I hate that the only place for me as a man to buy clothes is only Costco! Or a nice place to grab a beer or hang (liked by 2)
- Need More Shopping. Too many boutique stores have gone in/out of business. We need a stable Anchor store - not high end but with something for everyone, all departments. Macy's is an example. We need more than just Kohls.
- We need a bookstore, a Barnes and Noble type, with somewhere to sit, read, browse, write, explore, with pastry/drink bar..
- Small businesses. More small businesses would be great! Especially from PoC to diversify Eastvale!

D. As we envision our future, if you could make one enhancement to Eastvale what would it be? (13 contributors)

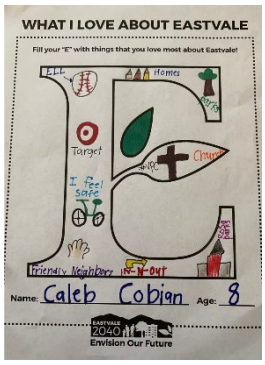
- Build an outdoor roller rink. There's always places for kids who play soccer/baseball/basketball/tennis courts. But there isn't anything for the kids that play ice hockey or the hockey community. Make an outdoor roller rink with boards and nets. So kids that play ice hockey can practice outdoors. (liked by 1)
- Build an outdoor shopping mall like the Irvine Spectrum with a Ferris wheel, shops and restaurants. (liked by 4)
- Plants more trees everywhere! (liked by 2)
- Outdoor shopping similar to Victoria Gardens, but with a dedicated amphitheater type space to hold outdoor concerts or movies in the park. (liked by 3)
    - Comment: Like what most residents have suggested, outdoor shopping mall!!!
    - Comment: Please no more fast food. Need more upscale/trendy sit down restaurants.
- Charging stations across Eastvale to develop a more green environment and innovation among the city. (liked by 3)
- Outdoor mall, like the grove. No more fast food. (liked by 3)
- Trader Joes. You will make A LOT of people happy. It has been continually asked for on FB and IG to bring one to the area. It's time.
- Would like more sit-down restaurants-Cheesecake Factory, Islands, Yard House, Brio. We need a good Chinese restaurant and Italian!
- Nightlife for adults. Place to hear live music, poetry, comedy, plays etc. social setting to get to know fellow Eastvale residents
- More character through small businesses instead of big box stores or franchises

E. As we strive to become a better City for all, please share your stories and thoughts on how we can stand against injustices and enact change. You can show your support for other people's thoughts by clicking the heart. (5 contributors)

- Be Proactive. I think a community meeting or some situation that creates an understanding of policing, so we are not faced with the brutality and what I personally believe were 'inexcusable' and 'unnecessary' deaths the world has seen



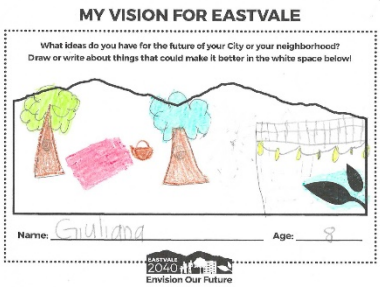
in just a few short weeks, but have gone on over very long periods of time... (liked by 2)



- Changing our city. have we looked into what Ontario ranch is doing, they are providing a bike friendly area, having a great park. while Eastvale seems to stuck in a cars only city mode to get around the city. the shopping centers are configured in a horrible manner (IE Albertson parking lot). We must also see the future of the railroad that someday come down from Victorville to Vegas., and when the added extension having a stop to Eastvale where we can be added as a destination. (liked by 5)
- Lifestyle. Let's create a Main Street, or lifestyle center. that cater to small business. we know the shopping mall is dying. but having a dining experience for the residents and visitors would bring more business. We are seeing our shopping centers starting to die, where the only access is by car. We need better shading along the streets so residents can use other means to get around. (liked by 4)
- Electric Vehicle Charging Stations. It would be nice to see the City implement electric vehicle charging station(s). Preferably centrally located in the City near heavy retail. - (implemented in Leal Project)

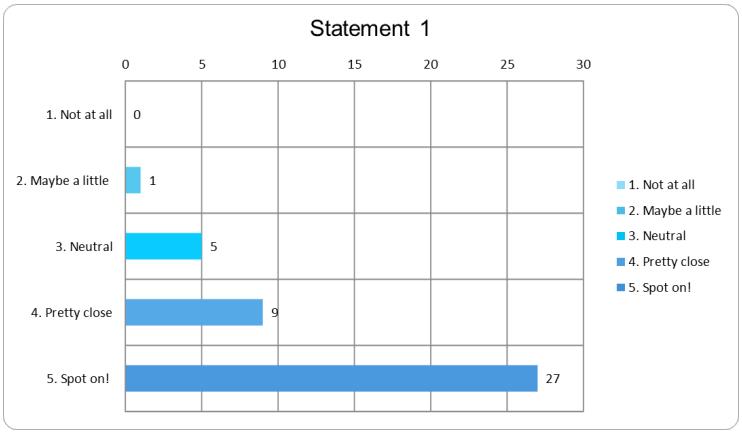
F. Eastvale Youth Perspective

Kid "loves":

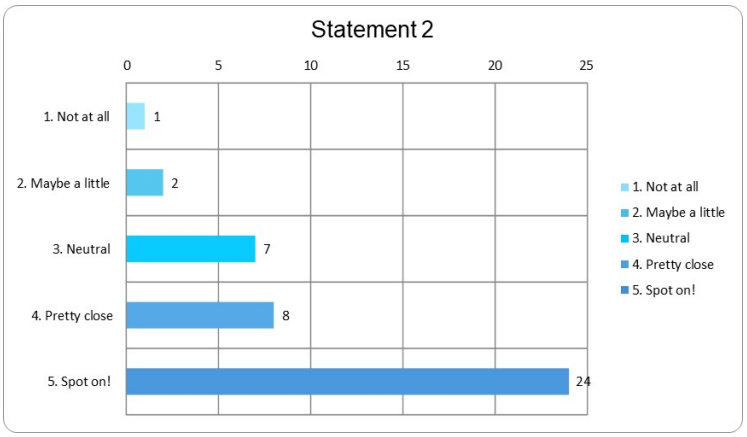


- Peacefulness
- Target
- Restaurants: In-n-Out, Applebee's, Olive Garden, Taco Bell, Panda Express, Starbucks, McDonalds
- Community Center
- Parks
- Friendly neighbors

Kid "wants":

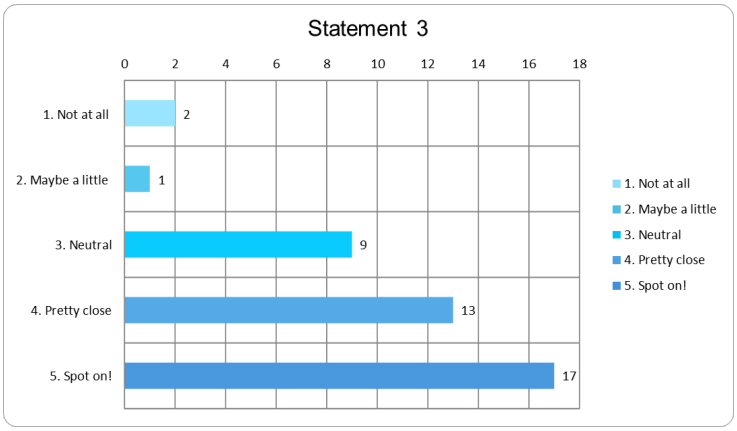


- Houses and stores
- More security
- More picnic areas
- Trees

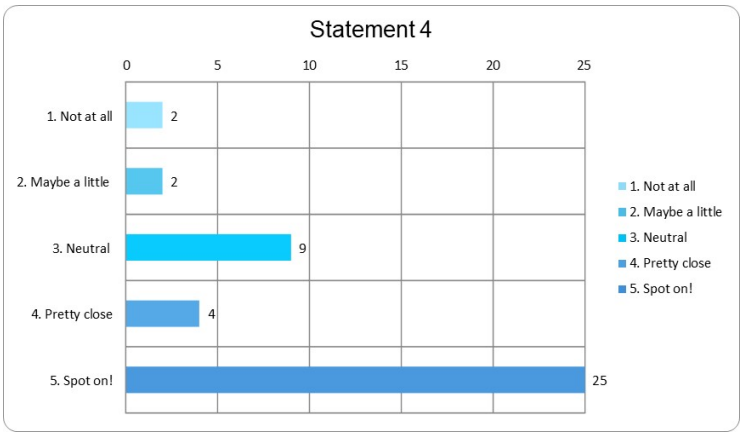


II. Vision Statement Survey

The existing vision statement was shared as part of an online survey and people were asked how the community felt regarding each component as it relates to today. Forty-two people responded to the survey, with most feeling like the statements aligned with their vision for the City. Twenty-eight of the participants live in Eastvale, while the remainder of the others work in the City.



Statement 1: A thriving, attractive community which remains a desirable place to live and work - as much so in the future as it is today.



Statement 2: A City government that leads in the region in the areas of innovation, fiscal responsibility, customer service, and cost efficiency.

Statement 3: A community which provides the essentials of daily life - housing, work, recreation, education, etc - for families of all types and income levels.

Statement 4: A City government which identifies issues ahead of time and puts in place policies and programs before issues become crises.

Comments on the Vision Statement:

- Thriving yes, attractive/desirable not too sure. Seems to be a lot more commercial development that creates a lot of traffic.
- All of the above goals are Spot On! What I would add: we should have a goal and a plan to select and hire only top notch teachers. Teachers that are the highest rated producing students who have improved greatly under their teaching. These elite teachers we hire for our schools will raise the prices of our homes! Who wouldn't want to live in a city with fantastic schools?!
- There are new communities that are struggling to thrive in the area due to lack of help from HOA. There is currently no one to help fix the issues within specific communities, and HOA is lacking or to no avail, even with the amount being paid towards it.
- Eastvale is a great place to live! I'd Like us to develop more outdoor dining and shopping experiences.
- I do not see the city filling the needs of seniors, it is a growing demographic yet there is nothing offered. If the city would put a little effort into resources for seniors they may find they have tapped into a great resource for volunteerism in many aspects such as schools, recreation, city compliance issues and many others.
- I would to see Eastvale more organized, more food courts, more big trees, houses being taken care better by home owners.
- We need more High Schools
- I would like my city to have available all that other cities have to offer. I would like to leave my city as little as possible. Not having to travel very far for the shops and restaurants that other cities have. I would al be nice to have a pretty area where we could go and take pictures and enjoy the scenery take a wake or sit and relax. A place with lots of foliage and flowers ,it could even be a community garden and a learning area for kids to learn to grow things. Still waiting for a real City Hall and Library. What happened to the Mall that was supposed to be built.
- having a community that is always having this planned, and has more to offer than just big commercial retails. Places where families can hang out, a central attraction point. The designs of the parking lots and the flow is poorly designed.
- As far as our city government I don't see any leadership in innovation, because we don't even have any electric vehicle charging in our city.
- This city isnt big enough for huge families and crowds. The streets should NOT be diet roads, in fact, we need MORE lanes. Limonite and Hamner are horrible and the parking lots are some of the worst I've driven through.
- This poorly written survey. I had to go back and figure out what exactly you were asking me. What does it matter if these statements align with my views or goal, if I don't think our "community" is living up to them? You could have asked me if these statements were how I envisioned the future in Eastvale, and then asked

what I thought of the steps you were taking in order to help Eastvale get there. Also, maybe consider taking down surveys that are no longer open for the public to take-I was excited to take one about the trails(?) we apparently have here, and then disappointed to see that It closed almost a month ago.

- The city currently overspends for the limited budget it is on and wishes to be more like orange county when it shouldn't even worry about other cities and should worry about itself. The city also does not take the communities wants and desires in account even when an outreach meeting is done and just does what it wants.
- Eastvale has largely grown into the city I envisioned however, there are undesirable elements that have created safety issues and lowered the desirability to live in Eastvale.
- Limited government. More community driven.
- "Is like to see more law enforcement, less pan handling/homeless, more health food grocery stores and restaurants options providing healthy meals. We need something done with the overcrowding of our schools. Either another junior high and high school, or reduce the district transfers into our schools. It's not fair to the Eastvale residents who pay high taxes to send our children to overcrowded schools. The attendance number at Roosevelt is insane!
- I love our city, and like how far it's come but I know we can do better.
- We need infrastructure before we continue to expand housing, otherwise, we will be a congested and overcrowded city, that will collapse under it's own weight. This includes widening streets for vehicular traffic, expanding the number of police offers, and being fiscally responsible.
- For question 3, sometimes trying to be all inclusive for all will inadvertently become exclusive for all. I would rather see the city strive to gentrify, improve quality of life for existing residents while keeping out bad elements of society.

III. Trails in Eastvale Survey

Three questions were asked to the community specifically on trails. Of the 27 responses, the overwhelming majority would like to see the trail system expanded, as shown below.

Q1: As a resident or visitor of the City of Eastvale, do you have a desire to create a trail network that would move pedestrian activity off of major roadways?

Yes: 89% **No:** 11%

Q2: As a resident or visitor of the City of Eastvale, do you have a desire to connect Orchard Park to existing and future trails along Merrill Avenue and Southern California Edison corridors?

Yes: 93% **No:** 7%

Q3: As a resident of the City of Eastvale, how would you feel about a trail constructed along roadways behind your property's rear block wall?

- **Very Happy:** 48%
- **Happy:** 30%
- **Neutral:** 11%
- **Unhappy:** 4%
- **Very Unhappy:** 7%
