CONSENT CALENDAR
Agenda Item No. 6.2
June 23, 2026

City of Eastvale Crime Statistics – May 2026

Prepared By:
Johnny Terfehr, Community Safety Director

Recommended Action(s)
Staff recommends that the Public Safety Commission receive and file the Eastvale Crime Statistics for May 2026.

Summary
The City Council requested staff collaborate with the Riverside County Sheriff's Department to develop a crime statistics document that would reflect selected Part I and Part II crime data for the City of Eastvale. Intended to show month-to-month crime statistics, the document will assist in determining appropriate staffing levels for law enforcement services.

Background
In May 2017, City Council directed staff to coordinate with the Riverside County Sheriff's Department to request and obtain monthly crime statistics for the City of Eastvale. The primary intent of the request was to determine appropriate staffing levels during the City's contract negotiations with the Sheriff's Department. Over several weeks, the city manager and staff worked collaboratively with Riverside County Sheriff's Department administration and management to obtain crime statistics that could be shared with the public on a regular basis.

Upon receiving the data, the Riverside County Sheriff's Department advised staff that the data provided would be reflective of the previous month, or thirty days behind the current month; and that the report would need to include a disclaimer identifying the data as preliminary and raw. At the July 26, 2017 meeting, City Council recommended that staff add columns reflective of felony and misdemeanor arrests. During the September 26, 2017 meeting, City Council recommended staff add

traffic violations/citations data and the total calls for service broken down per month. Crime statistics that were released in the time that passed since the last meeting of the City Council are attached.

Environmental

Crime statistics are not a project pursuant to the California Environmental Quality Act (CEQA) and no environmental review is required.

On July 26, 2017, the City Council approved the receival of a monthly crime statistics report and requested columns reflective of felony and misdemeanor arrests.

On September 26, 2017, the City Council recommended that the report include traffic violations and citations data.
