Fee Proposal

The WLG will submit directly to the Township of Evesham Planning Board monthly invoices detailing the professional services rendered during the billing period covered by the subject invoice together with any disbursements paid/incurred on behalf of the Board by WLG.

We believe that our rates are competitive given the nature of the issues which confront the Township of Evesham Planning Board daily. Furthermore, because our knowledge base in these areas is so extensive, our services have become cost efficient in comparison to other, less seasoned practitioners. In addition, our team approach to law also provides efficiencies and does not affect the fees charged by the Firm.

Based on the services identified in the Request for Proposals WLG proposes a discounted hourly rate of one hundred seventy-five dollars ($175.00) per hour per attorney for escrow and non-escrow and non-litigation matters and one hundred ninety-five dollars ($195.00) per hour for litigation matters. The flat meeting fee for meeting attendance shall be three hundred fifty dollars ($350.00). Paralegals, to the extent they are utilized, will be billed at seventy-five dollars ($75.00) per hour. The hourly rates, however, can be further discussed with the Board. The firm further consents to the billing requirements contained in the Township of Evesham Request for Proposal and Qualifications.

From: David Pfeiffer – Superintendent of Public Works

Ref: Contract Amendment Request, MUA Cooperative Purchasing Agreement, Res. 297-2025, Emergency Repair Services, R.D. Zeuli, Inc

The Township entered into a cooperative purchasing agreement with the Evesham MUA, which serves as the Lead Agency. The agreement includes a competitively awarded contract for "Emergency Repair Services", with R.D. Zeuli designated as the approved contractor. The current contract term is August 7, 2025, through August 6, 2026.

The Public Works Department is responsible for the maintenance and repair of the township's infrastructure, with a specific focus on the stormwater drainage systems. These systems frequently require routine maintenance and, at times, emergency repairs due to unforeseen issues.
In certain cases, work must be outsourced due to scheduling conflicts or because the scope of the project exceeds the department's in-house capabilities. Given the complexity and urgency often involved, the costs associated with these projects are expected to exceed the bid threshold of $53,000.00.

Therefore, I am requesting approval to extend the current contract terms and exceed the current bid threshold of $53,000.00 using the MUA cooperative purchasing agreement, with R. D. Zeuli, Inc. as the approved contractor for, "Emergency Repair Services" on an as needed basis. In addition, the contract will have a not-to-exceed amount of $100,000.00 for the term of August 7, 2026, through August 6, 2027. With this being an as-needed purchase, a certification of funds is not included.

WHEREAS, the specifications provided that the contract shall be for a term of 2 years, but may be extended by agreement of the parties for no more than one two-year or two one-year extensions in accordance with the terms and conditions contained in N.J.S.A. 40A:11-15, provided that the contract shall not be extended so that it runs for more than five consecutive years, and any price for services performed during subsequent extensions shall be based upon the price of the original contract with an increase not to exceed the change in the Index Rate, as stipulated in N.J.S.A. 40A:11-15; and

The Bonds shall contain such other terms and conditions as are specified in the Notice of Sale approved in Section 5 hereof (the "Notice of Sale").

Section 4. Redemption. The Bonds maturing prior to March 15, 2036 are not subject to redemption prior to maturity. The Bonds maturing on or after March 15, 2036 are subject to redemption prior to maturity at the option of the Township, as a whole at any time or in part from time to time on or after March 15, 2035, in such order of maturity as the Township may direct at a redemption price equal to one hundred percent (100%) of the principal amount to be redeemed plus accrued interest thereon to the date fixed for redemption.

Any Bond subject to redemption as aforesaid may be called in part, provided that the portion not called for redemption shall be in the principal amount of $5,000 or any integral multiple thereof. If less than all of the Bonds of a particular series or maturity are to be redeemed,

Bonds of that series or maturity shall be selected by the Chief Financial Officer (or, if appointed, pursuant to Section 12 hereof, the Paying Agent) by lot.

When any Bonds are to be redeemed, the Chief Financial Officer (or, if appointed pursuant to Section 12 hereof, the Paying Agent) shall give notice of the redemption of the Bonds by mailing first class mail in a sealed envelope with postage pre-paid to the registered owners of any Bonds or portions thereof which are to be redeemed, at their respective addresses as they last appear on the registration books of the Township at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. Such mailing shall not be a condition precedent to such redemption, and failure to so mail or receive any such notice to any of such registered owners shall not affect the validity of the proceedings for the redemption of the Bonds. Notice of redemption having been given as aforesaid, the Bonds, or portions thereof so to be redeemed, shall, on the date fixed for redemption, become due and payable at the redemption price specified therein plus accrued interest to the redemption date and, upon presentation and surrender thereof at the place specified in such notice, such Bonds, or portions thereof, shall be paid at the redemption price, plus accrued interest to the redemption date. On and after the redemption date (unless the Township shall default in the payment of the redemption price and accrued interest), such Bonds shall no longer be considered as outstanding hereunder. If moneys sufficient to pay the redemption price and accrued interest have not been made available by the Township on the redemption date, the Bonds called for redemption shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

During any period in which DTC (or any successor thereto) shall act as securities depository for the Bonds, the notices referred to above shall be given only to such depository and not to the beneficial owners of the Bonds, any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any notice of redemption shall not affect the validity of the redemption proceedings.

Section 5. Approval of Notice of Sale. The Notice of Sale containing the terms and provisions of the Bonds and setting forth the conditions of the sale thereof, all of which are hereby approved, shall be substantially in the form attached to this Resolution as Appendix B and made a part hereof. The Township Clerk is hereby authorized and directed to advertise the Notice of Sale in accordance with the terms of the Local Bond Law.

Section 6. Approval of Summary Notice of Sale. The Summary Notice of Sale setting forth a summary of conditions of the sale of the Bonds, all of which are hereby approved, shall be substantially in the form attached to this Resolution as Appendix C and made a part hereof. The Township Clerk is hereby authorized and directed to advertise the Summary Notice of Sale in accordance with the terms of the Local Bond Law.

Section 7. Dissemination of Notice of Sale. The Notice of Sale substantially in the form attached to this Resolution shall be disseminated by posting on the Township website and distributed with the Preliminary Official Statement as permitted by P.L. 2025, c. 72 at least seven (7) days prior to the date set for the receipt of bids for the Bonds and the Summary Notice of Sale substantially in the form attached to this Resolution shall be published at least once in The Bond Buyer, a newspaper published in the City of New York and State of New York not less than seven (7) days prior to sale date for the Bonds.

Section 8. Designation of Chief Financial Officer to Award Bonds. Proposals for the purchase of the Bonds shall be received by the Chief Financial Officer on Wednesday, August 26, 2026 as provided in the Notice of Sale and the Summary Notice of Sale, as such date may be revised with the advice of the Township's Auditors or bond counsel. The Township Council hereby designates the Chief Financial Officer to sell and award the Bonds in accordance with this Resolution and the Notice of Sale. The Chief Financial Officer is hereby directed to report, in writing, to the Township Council at its first meeting after the sale of the Bonds as to the principal amount, interest rate and maturities of the Bonds sold, the price obtained and the name of the purchaser.

Section 9. Cost of Issuance. The Chief Financial Officer is hereby authorized to pay the firms set forth in Schedule A not to exceed the amounts set forth therein. Additional fees for firms other than those set forth in Schedule A or fees in excess of the amounts set forth in Schedule A shall be approved separately by the Township Council.

Section 10. Authorization for Official Statement. The proper Township officials and advisors are hereby authorized to prepare and distribute to the prospective purchasers of the Bonds a Preliminary Official Statement and a final Official Statement containing information relating to the Township, its financial condition and the terms of the Bonds and other material facts customarily included in official statements for general obligation bonds in the State of New Jersey.

The Chief Financial Officer is hereby authorized on behalf of the Township to approve and "deem final" the Preliminary Official Statement prepared in connection with the offering and sale of the Bonds for the purposes of Rule 15c2-12, as amended and supplemented (the "Rule"), promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, with the exception of certain information permitted to be omitted thereby, in consultation with Bond Counsel.

Section 11. Approval of Form of Bonds. The form of the Bonds, substantially as set forth in Appendix D attached hereto and made a part hereof, is hereby approved. The Bonds shall be executed in the name of the Township by the manual or facsimile signature of the Mayor and the Chief Financial Officer and the seal of the Township, or a facsimile impression thereof, shall be affixed to the Bonds and attested by the manual signature of the Township Clerk.

Section 12. Appointment of Securities Depository. The Depository Trust Company, New York, New York ("DTC"), shall act as securities depository for the Bonds. The ownership of one fully registered bond for each maturity of the Bonds each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as nominee for DTC. Pursuant to the book-entry only system, any person for whom a DTC Participant acquires an interest in the Bonds (the "Beneficial Owner") will not receive certificated Bonds and will not be the registered owner thereof. Ownership interests in the Bonds may be purchased by or through DTC Participants. Each DTC Participant will receive a credit balance in the records of DTC in the amount of such DTC Participant's interest in the Bonds, which will be confirmed in accordance with DTC's standard procedures. Receipt by the Beneficial Owners (through any DTC Participant) of timely payment of principal, premium, if any, and interest on the Bonds, is subject to DTC making such payment to DTC Participants and such DTC Participants making payment to Beneficial Owners. Neither the Township nor the Paying Agent will have any direct

responsibility or obligation to such DTC Participants or the persons for whom they act as nominees for any failure of DTC to act or make any payment with respect to the Bonds.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Township and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the Township shall designate a successor securities depository or deliver certificates to the beneficial owners of the Bonds.

Section 13. Paying Agent. The Chief Financial Officer is hereby authorized to select and to enter into an agreement with a Paying Agent to ensure that the Township can meet its obligations undertaken herein to the holders of the Bonds. The Chief Financial Officer may, however, elect not to select a Paying Agent for the Bonds, and may elect to select a Paying Agent at any time prior or subsequent to the issuance of the Bonds. However, the Chief Financial Officer shall select a Paying Agent upon any determination to cause the Bonds to be registered in the names of the Beneficial Owners thereof, as provided in Section 12 hereof.

Section 14. Tax Covenant. The Township hereby covenants with the holders from time to time of the Bonds that it will make no investment or other use of the proceeds of the Bonds or take any further action (or refrain from taking such action) which would cause the Bonds to be "arbitrage bonds" within the meaning of the Internal Revenue Code of 1986, as amended, or under any similar statutory provision or any rule or regulation promulgated thereunder (the "Code"), or would cause interest on the Bonds to be includable in gross income for federal income tax purposes, and that it will comply with the requirements of the Code and said regulations throughout the term of the Bonds.

Section 15. Pledge of Township. The full faith and credit of the Township is hereby pledged for the payment of the principal, redemption premium, if any, and interest on the Bonds. The Bonds shall be direct obligations of the Township, and the Township shall be obligated to levy *ad valorem* taxes upon all the taxable real property within the Township for the payment of the principal of and interest on the Bonds without limitation as to rate or amount.

Section 16. Continuing Disclosure. To comply with Rule 15c2-12 under the Securities Exchange Act of 1934, the Township hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the Township and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

Section 17. Further Action. The proper officers of the Township are hereby authorized and directed to take all such action as may be necessary to effect the issuance and delivery of the Bonds.

Section 18. Effective Date. This Resolution shall take effect immediately.

I HEREBY CERTIFY that the foregoing resolution was adopted by the Township Council of the Township of Evesham, County of Burlington, State of New Jersey at a meeting held at the Municipal Complex, 984 Tuckerton Road, Marlton, New Jersey 08053 on August 12, 2026.
